### GOVERNOR VICTOR G. ATIYEH ADMINISTRATION

January 8, 1979 to January 12, 1987

#### SUMMARY OF RECORDS

The records of the Office of Governor Victor Atiyeh include administrative correspondence and records from the Governor's offices of Natural Resources, Affirmative Action, and Communications. These records span the eight years of the Atiyeh Administration and deal with issues such as taxes, economic development, Rajneeshpuram, Mt. St. Helens, employment practices, energy, recreation, and land use.

The records consist of a large series of administrative correspondence dealing with a wide range of issues of concern to state agencies and citizens. Records dealing with the state's natural resources include the correspondence of the Governor's Office of Natural Resources and U.S. Army Corps of Engineer letters. The records of the Governor's Affirmative Action office consist of office correspondence, state agency or university case correspondence, and state affirmative action reports. Other records include press releases, proclamations, and correspondence for issue research. Also included is Atiyeh's correspondence during the transition period prior to his first inauguration.

#### **Governor's Speeches, 1978-1987**

.75 cubic feet

Arrangement: chronological by date of speech.

Series documents speeches given by Governor Victor Atiyeh before political groups, students, legislators, and citizens. Speeches contain prepared text, date, and group being addressed. Topics include natural resources, economic development, the Republican party, and employment.

#### **Army Corps of Engineers Letters, 1979-1986**

7.2 cubic feet

Arrangement: chronological by date of letter.

Series documents Governor Atiyeh's approval or disapproval of United States Army Corps of Engineers projects in Oregon. Series includes letters from the Governor and other state officials, public notices of application for project permits, permit applications, publications relating to projects, and agency response lists. Projects include river dredging, shore developments, erosion control, bridges, water, land, and the environment.

#### **Affirmative Action Reports, 1984-1985**

6 cubic feet

---

Arrangement: chronological by date of report.

Series documents employment levels of state workers by race, sex, and age. Computer printout reports list the number of employees representing a particular race, age, or sex group. Reports show employee salary ranges, separation, position class, certificates of eligibles, and employment movement.

#### **Affirmative Action Office Correspondence, 1979-1985**

3 cubic feet

Arrangement: alphabetical by correspondent.

Series documents the activities of the Governor's Affirmative Action office. Records include correspondence, office publications, agency reports, annual and biennial reports, directors letters, and Governor's memo's and statements. Topics include race relations, minority hiring practices, the Black Affairs and Hispanic Commissions, the Commission for Women, affirmative action workshops for state workers, Discovery (women in state government), minority businesses, and volunteers.

#### **Affirmative Action Case Correspondence, 1979-1985**

4 cubic feet

Arrangement: alphabetical by agency name.

Series documents Affirmative Action office involvement in employment discrimination cases at state agencies and universities. Records include correspondence, news clippings, and reports. Topics include age, race, and sex discrimination in employment.

#### **Natural Resources Correspondence, 1979-1984**

23 cubic feet

Arrangement: alphabetical by department or agency name.

Series documents the activities of the Governor's Natural Resource Office. Records include correspondence, reports, and publications. Series also includes records from the Western Governor's Conference, "1000 Friends of Oregon," and Rajneeshpuram. Topics include agriculture, energy, land management, the Columbia River Gorge, fishing, wildlife, Indian policies, parks, utilities, and water resources.

#### **Issue Research Correspondence, 1979-1987**

10 cubic feet

Arrangement: alphabetical by subject.

Series is used to track various state and national issues. Records include correspondence, news clippings, pamphlets, brochures, periodicals, reports, and conference materials. Topics include the Columbia River Gorge, corrections, economic development, energy, the environment, forests, government, Mt. St. Helens volcanic blast, Rajneeshpuram, and volunteers.

---

## Administrative Correspondence, 1979-1986

91 cubic feet

Arrangement: numerical by office filing system number.

Series documents the activities of the Governor's office. Series includes correspondence, publications, and reports. Correspondence is from citizens, legislators, and state and federal agencies. Topics include Oregon government, income and property taxes, discrimination, federal government, Oregon Legislative Assembly, crime and corrections, economic development, land use, Rajneeshpuram, Mt. St. Helen's volcanic eruption, Oregon industry and business, transportation, substance abuse, mental health, medicine, social programs, the environment, wilderness, energy, and recreation.
