DIRECTOR
255 CAPITOL ST NE, SUITE 501
SALEM, OREGON 97310
(503) 986-1518

Dear Oregon Voters,

We are happy to present the 2012 Voters' Pamphlet for the May Primary Election. On a daily basis my office provides many important services including business registration, auditing and the archiving of Oregon's history. However, the most important service we perform is distributing information to the public. Technology has provided us with the ability to share information and conduct business online. Oregon's elections website: www.oregonvotes.org offers a variety of services including voter registration, the ability to update your registration, ballot tracking and locating the nearest official ballot dropsite.

If you have not registered to vote, and would like to participate in the May Primary Election, you have until April 24, 2012. I urge all eligible Oregonians to vote and exercise the most essential right of our democratic system. Oregon offers the most convenient, accessible, secure and cost effective voting systems. We were the first in the nation to implement an all vote by mail system and we consistently have some of the nation's highest voter turnout rates. Let's continue this Oregon tradition of participation.

Please remember all ballots must be received by your county elections office by 8 p.m. on May 15, 2012. Postmarks do not count. If you have any questions about registration, filling out your ballot or services for those with disabilities, please visit us at www.oregonvotes.org, call our toll free hotline at 1-866-673-VOTE or simply scan the code below with your smartphone.

Sincerely,

Voters' Pamphlet

Your official 2012 Primary Election Voters' Pamphlet provides you with information about candidates who will appear on your ballot.

It includes instructions for marking your ballot, a complete list of federal and state candidates, as well as other information to assist you through the voting process.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the Secretary of State's office, local post offices, courthouses and all county elections offices. It can also be viewed at oregonvotes.org.

Candidates

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2012, Democratic candidates appear first. Candidates pay a fee, or submit signatures in lieu of paying the fee, for space in the voters' pamphlet. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Random Alphabet

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2012 Primary Election is:

S, T, F, U, C, M, P, V, Q, B, G, K, X, N, J, H, Z, I, L, O, Y, W, A, E, D, R

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.oregonvotes.org.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 10. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 15, 2012.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

United States President

Barack Obama

Democrat

Occupation: President of the United States

Occupational Background: Civil rights lawyer; constitutional law professor; community organizer.

Educational Background: Harvard Law School, J.D.; Columbia University, B.A.

Prior Governmental Experience: State Senator (1997-2004); U.S. Senator (2005-2008)

As President, I have dedicated myself to putting Americans back to work and restoring economic security to middle-class families. I have been driven by the basic values that make our country great: America prospers when we're all in it together, when hard work pays off and responsibility is rewarded, and when everyone—from Main Street to Wall Street—does their fair share and plays by the same rules.

Think about the America within our reach: A country that leads the world in educating its people. An America that attracts a new generation of high-tech manufacturing and high-paying jobs. A future where we're in control of our own energy, and our security and prosperity aren't so tied to unstable parts of the world.

We will not settle for a country where a few people do really well, and everyone else struggles to get by. We will not go back to an economy weakened by outsourcing, bad debt, and phony profits. We're fighting for an economy that's built to last — one built on things like education, energy, manufacturing things the rest of the world wants to buy, and restoring the values that made this country great: Hard work. Fair play. The opportunity to make it if you try. And the responsibility to reach back and help someone else make it, too.

And we're going to keep fighting, right now, to make our economy stronger; to put our friends and neighbors back to work faster; to give our children opportunity even greater than what we knew; to make sure the United States of America remains the greatest nation on Earth.

Representative in Congress, 5th District

Kurt Schrader

Democrat

Occupation: U.S. Congressman

Occupational Background: Veterinarian; Small Businessman; Farmer

Educational Background: Cornell University, B.A.; University of Illinois, B.S.; Doctor of Veterinary Medicine

Prior Governmental Experience: State Senator; State Representative; Co-Chair, Joint Committee on Ways and Means; Canby Planning Commission.

Kurt Schrader for Congress Putting Our Families and Communities First

As our Congressman, Kurt Schrader has kept his focus where it should be: on the needs and priorities of our local communities and families during these tough times.

Delivering for Us

- Kurt is working across the aisle to break the gridlock of federal forest management by proposing the O&C Trust, Conservation and Jobs Act, which would provide for thousands of jobs in Oregon's forests.
- Kurt does not believe that corporations are people. He has proposed a constitutional amendment to limit the influence of special interests in our elections.
- Kurt is investing in the future of Oregon's children and our workforce through support of pre-kindergarten, Head Start and community colleges, in addition to strengthening Pell Grants for our college students.
- Kurt led the fight to make sure Newport remained the new base of the NOAA Pacific fleet to bring hundreds of jobs and economic opportunities to the Central Coast.
- Kurt urged Congress to "go big", pushing a balanced approach for more than \$4 trillion in deficit-reduction over the next ten years.

Putting Oregon First

- Kurt holds community meetings throughout the district, homeowner workshops to help families avoid foreclosure, and formed a workgroup of small business owners in the district to come up with legislative solutions to the problems of access to capital.
- He cut through red tape for constituents, winning back over \$1 million in stalled Social Security payments for our seniors, denied VA benefits for Oregon's warriors, and delayed IRS refunds.

"Thank you for the opportunity to be a voice for Oregon values and priorities. I would appreciate your vote -- there is much more work to do." -- Kurt

Secretary of State

Kate Brown

Democrat

Occupation: Secretary of State

Occupational Background: Family, Juvenile Law Attorney, Instructor at Portland State University

Educational Background: University of Colorado, B.A.; Northwestern School of Law, Lewis and Clark College, J.D., Environmental Law Certificate; Senior Executive Program, Kennedy School of Government, Harvard

Prior Governmental Experience: State Representative 1991-1996; State Senator 1997-2008; Secretary of State 2009-present

Secretary of State Kate Brown

Integrity — Accountability — Effectiveness

As Secretary of State, Kate Brown has been Oregon's watchdog. She has successfully worked across party lines and kept the office focused on its most important priorities: guarding our election system, auditing state government and making it easier to start a business.

Protecting the Integrity of Our Elections

Our democracy requires that our elections system stays fair, accessible and free of fraud.

- With Kate Brown as Secretary of State, Oregon **received the highest grade in the nation for fairness, integrity and transparency** by the non-partisan Ballot Initiative Strategy Center.
- Kate **cracked down on fraud and abuse** to keep our initiative and referendum system clean.
- Kate implemented oregonvotes.org, enabling over 130,000 Oregonians to register or update their registration online. **The system improves security and accuracy and is more cost-effective.**

Keeping State Government Accountable

The Secretary of State is also state government's "Auditor in Chief." Kate Brown has put real muscle into making sure taxpayers get value for their money.

- In 2010, for every dollar spent on performance auditing, Kate identified 64 dollars in savings and efficiencies.
- During her term, Kate has identified over \$180 million dollars in savings and efficiencies.

Helping Oregon Businesses

In these tough times, everyone needs to do their part in making Oregon a better place to do business and create jobs.

- As the leader of the state's Corporation Division, Kate is creating an online business portal, making it **easier for small businesses and entrepreneurs to start or expand their business** in Oregon.

Secretary of State

Paul Damian Wells

Democrat

Occupation: CNC Machinist

Occupational Background: Electrical Engineer

Educational Background: BSEE Purdue University, 1984

Prior Governmental Experience: none

California and Washington have both adopted "Top Two" elections where all candidates compete in a single open primary, with only two candidates advancing to the general election. Why not Oregon? Open primaries apparently work just fine and Oregon's closed primaries clearly do not. This "private" Democratic primary is financed entirely with "public" money. Doesn't the Oregon Constitution require the same subsidy for all candidates?

Art I, Sect 20. Equality of privileges and immunities of citizens.

No law shall be passed granting to any citizen or class of citizens privileges, or immunities, which, upon the same terms, shall not equally belong to all citizens.

In 1987, the Libertarian Party challenged Oregon's partisan primary system - but was rebuffed by the Oregon Supreme Court:

Without a more substantial showing by the LPO that the purpose of ORS 248.008 and 249.732 is to discourage the development of political rivals of the major parties, we cannot conclude that these statutes violate Article I, section 20, or Article II, section 1, of the Oregon Constitution.

LPO v. Roberts, 305 Ore.238, 1988.

Using the pretense of a criminal trial, the court ignored the equal privileges clause, and instead, acquitted the legislature on all charges for lack of evidence. This is absurd — Supreme Court judges don't decide guilt or innocence, juries do:

O.R.C.P. Rule 51.

A. Issues. Issues arise upon the pleadings when a fact or conclusion of law is maintained by one party and controverted by the other.

B. Issues of law; how tried. An issue of law shall be tried by the court.

C. Issues of fact; how tried. The trial of all issues of fact shall be by jury ...

Someone should find a good lawyer, file a class action lawsuit, and assert that all "issues of fact" decided in LPO v. Roberts, be retried - by a jury.

State Treasurer

Ted Wheeler

Democrat

Occupation: Oregon State Treasurer

Occupational Background: Vice President, Copper Mountain Trust Co.

Educational Background:

Stanford University (B.A.); Columbia University (MBA); Harvard University (Master in Public Policy).

Prior Governmental Experience: Chair, Multnomah County Board of Commissioners.

Community Involvement: Portland Mountain Rescue; Neighborhood House.

LEADERSHIP ROOTED IN OREGON

A fifth generation Oregonian, Ted Wheeler shares Oregon's values, providing experience that creates jobs, improves services, promotes efficiency, and puts Oregon on stable financial footing.

"Ted Wheeler is a leader who gets things done for Oregon. Our future depends on a strong economy, and he will ensure that future through formulating new, innovative economic development strategies and fostering a healthy business environment. I am honored to endorse Ted Wheeler."
Governor John Kitzhaber

DELIVERING RESULTS

Under Ted Wheeler's management, the Treasury has:

- Protected Oregon's finances by holding the line on debt.
- Saved taxpayers millions through profitable investments, boosting the pension plan and the State Common School Fund.
- Re-launched the Oregon College Savings Plan and cut fees in half.
- Earned an upgrade in Oregon's credit rating.
- Stood up for middle class families by recovering damages to public assets from bad actors on Wall Street.

FOCUSED ON OREGON'S FUTURE

Ted Wheeler listens to and learns from the people he serves. He has a plan to:

- Create an economic development powerhouse to provide business capital, streamline bureaucracy, and encourage public-private partnerships.
- Make higher education, including technical training programs, more affordable.
- Fund community infrastructure projects through a coordinated, multistate financing mechanism.

Educational Background: University of Virginia Law School J.D.; Brown University B.A.

Prior Governmental Experience: U.S. Department of Justice

The Best Experience**The Right Priorities****Endorsed by 46 Oregon Sheriffs and District Attorneys**

Why does Dwight have the overwhelming support of Oregon's law enforcement community? Because he has the experience, priorities and track record we need.

Keeping Us Safe

Dwight Holton was a tough federal prosecutor and served as United States Attorney for Oregon. Over the last 15 years, he appeared in court over 1000 times, prosecuting gang kingpins, mortgage fraud, and drug traffickers.

"Dwight Holton's integrity, courtroom success and good judgment make him the clear choice for Attorney General."

Multnomah County District Attorney Michael D. Schrunk

Preventing Crime Before It Starts

Oregon's teachers endorse Dwight because he knows it's not enough to be tough on crime — we must be smart as well. He demands drug addiction prevention and treatment to address root causes and break the expensive, destructive cycle of crime.

Protecting Kids and Families

A father of two young children, Dwight is especially protective of vulnerable kids and families. He helped crack down on sex offenders who use the internet to prey on children and made it a priority to get illegal guns out of the hands of domestic violence abusers.

"Dwight is a tremendous advocate for victims of abuse and violence. We can count on Dwight to put people first."

Anne Pratt, Vice President, Crime Victims United

Champion for Consumers and the Middle Class

Dwight cracked down on mortgage and securities fraud and scams that threaten people's life savings and jailed corporate polluters.

"Holton has built a reputation as a dogged prosecutor of environmental crimes and those perpetrated by white-collar criminals."

State Senator, 9th District

Steve Frank

Democrat

Occupation: Licensed Substitute Teacher, Retired USPS

Occupational Background: 1st/2nd Grade Teacher, USPS Employee, Substitute Teacher

Educational Background:

BS Elementary Education-OSU

Prior Governmental Experience: Stayton City Councilor January 2007-January 2011

Senate District 9 is a vast geographical and economically diverse area.

Our region is rich in natural resources which provides jobs, recreation and opportunities.

There is enough to go around, but many aren't benefiting from the bounty.

Our schools are in trouble.

Our education system will serve us better when it receives funding it can count on to make our classrooms safer.

But Senator Girod voted "NO" on Appropriations of Funds to Education (SB 909). He was one of two who voted "NO" on the expansion of bullying laws (HB 2599).

You probably know seniors or disabled individuals who are having a hard time doing without services because of reduced funding.

These cutbacks make it tough for homecare workers and others to do their jobs.

"...Frank passionately represented all the citizens of Stayton... he introduced a resolution supporting the continual funding of Oregon Project Independence...the program which keeps seniors and people with disabilities in their homes."

Stayton Mail-10/20/10 Lee and Catherine Hazelwood

The legislature must continue to address the deficiencies of our current healthcare system. The 2012 session will have a plan introduced by our Governor.

But Senator Girod voted "NO" on funding oversight (HB 2009). He was in the minority when he voted "NO" on funding the All Oregon Children Program (HB 2116).

As your Senator, my voting record will reflect your concerns about how we take care of each other. I will represent ALL citizens of Senate District 9 equally.

"...Frank is a rarity, an elected official who puts community interest above politics."

Stayton Mail-11/10/10 Richard Reid

State Senator, 12th District

Annette Frank

Democrat

Occupation: City Councilor, City of Dayton

Occupational Background: Planning Commissioner, City of Dayton

Educational Background:

B.S. Environmental Studies, Linfield College

Prior Governmental Experience: City Councilor, 2010-present; Planning Commissioner 2005-2010

Community Service: Board, past chair 7/2010-2/2012, Greater Yamhill Watershed Council; Board, secretary/treasurer 12/2010-present, Friends of the Mary Gilkey Library; Chair 2010, past chair 2009, Dayton Harvest Festival Committee

Annette Frank. A fresh perspective. The right priorities.

For too long, our community has gone without a voice in Salem. While the current crop of politicians play games in Salem, the needs of our community have gone unmet.

Annette Frank is a new leader for us. She's a mom and an active citizen, not a career politician. We need Annette Frank to help get our economy, our schools and our priorities back on the right track.

Creating Jobs. Getting Us Back to Work.

Annette knows that good-paying jobs are the key to Oregon's economic recovery, leading to more funding for schools and more resources to protect our most vulnerable. She will vote to help small businesses get access to capital, and will support proposals that assist the small businesses and farms right here in Oregon.

By reducing regulations for small businesses, Annette will help to make it easier for them to hire and get Oregonians back to work quickly.

Standing Up for Everyday Oregonians, Not Special Interests

We are still in a tough economy, and people are still hurting. Annette will stand up for Oregonians hit hardest by the recession, and will vote to help them keep their homes, find secure jobs and get back to prosperity. With Annette Frank as our voice, we will have a champion for the everyday folks in the community. She'll speak for us, not the special interests.

Annette will be a strong advocate for changing the way business is done in Salem.

It's time for a new leader with the right priorities.

Occupation: Small Business Financial Manager

Occupational Background: 30 years as an electrician, progressing to field supervisor, project engineer and project manager; Electrical Apprenticeship Training Instructor.

Educational Background: West Albany High School Valedictorian; Whitworth College, BA, Summa Cum Laude.

Prior Governmental Experience: Currently serving on the Long Term Care Advisory Committee.

Community Service: Volunteer Long Term Care Ombudsman. Neighbors,

As a proud native Oregonian with a pioneer family history dating back to 1854, I was raised to honor the core values of that heritage: **attributes like reliability, hard work, common sense, resourcefulness, fairness, and stewardship.** We all share these values and would like to see them in action in state government. I want to represent this district so together we can:

- **Grow living wage jobs** so people can experience the dignity and satisfaction that comes from being able to provide for their families.
- Secure needed funding to ensure a **high quality education** for our children, as well as **continuing education and skills training** for those looking for new jobs or career advancement.
- **Give small businesses in Oregon the support and infrastructure they need to thrive.**
- Direct adequate resources toward **public services for the most vulnerable among us — children, seniors and the disabled.**
- Strike a **balance between protection and managed use** of the natural environment that is uniquely Oregon's.

I share your frustration with politicians who offer too many glib phrases and stale remedies. I will bring the fresh energy and resolve of an optimistic grassroots activist to the legislature. I will be a voice for your concerns and fair, common-sense solutions as decisions are made that affect the lives of Oregonians.

Working together--creatively and innovatively--we can make Oregon an even better place to live.

Occupational Background: Farmer; Director of Salem Field Office for U.S. Senator Ron Wyden; Legislative Assistant to State Senator Cliff Trow

Educational Background: B.S. Political Science, Oregon State University, OSU Student Body President; 1993-1994

Prior Governmental Experience: Four-term Chair - Oregon Student Assistance Commission

Community Involvement: Salem City Club President, Member - Salem Chamber of Commerce

Endorsed by: OLCV, Oregon Farm Bureau Federation

Brian Clem—He's as Oregon as it gets.

Brian Clem is an Oregon native. His family arrived in 1850—before Oregon was even a state. From agriculture to hi-tech, Brian understands the things that make us unique because he has lived them. Brian was elected to serve you in 2006, 2008 and 2010. He always meets with constituents and prides himself on responding to their needs.

Creating Jobs - Brian created and passed legislation that allows the State to more easily purchase locally manufactured goods when using our tax dollars, ensuring that we grow our economy and create jobs here, rather than sending those tax dollars overseas.

Supporting Small Businesses — Brian sponsored and passed legislation that expands access to capital for small businesses by bringing the programs offered by the State into a one-stop center for economic development opportunities.

Keeping You In Your Home - Brian was a sponsor of the new foreclosure reform law that ensures homeowners will be able to meet face-to-face with their lender and halts the misleading practice of dual-tracking where people believe they are working to resolve their differences but banks are secretly advancing foreclosures.

Protecting Property Rights - Brian continues to fight for annexation reform by sponsoring legislation every session that protects homeowners in county areas from being taken hostage by cities looking to forcibly annex them.

State Representative, 22nd District**Betty Komp**

Democrat

Occupation: Retired educator.**Occupational Background:** Farm hand; youth minister; principal; assistant principal; teacher; and cook.**Educational Background:** Bachelor's and Master's degrees from Western Oregon University.**Prior Governmental Experience:** State Representative, 2004-present; Mt. Angel School Board, 1986-1990.

Family: Four daughters, eight grandchildren, and one great granddaughter.

Dear Friends:

When I was growing up, my family went through some tough times.

There were days when we shared portions at dinner and we didn't go to the doctor or dentist when ill because we didn't have insurance.

But my family eventually persevered. Just like **our community will persevere through the challenges we're facing today** and come out strong and whole once again.

And I'm trying to do my part by focusing on your priorities: creating jobs, dealing with the housing crisis, and improving education.

When it comes to jobs, my top priority is making it easier for unemployed people to get the necessary **job skills and training to find work**.

I also strongly believe that the Legislature should **help businesses in Salem and Woodburn get access to the capital they need** to grow, expand, and put people back to work. The Legislature should also **create jobs by investing in infrastructure like roads and bridges**.

With so many people losing their jobs, a lot of homes are in foreclosure and I believe the **banks need to work a lot more with people whose homes are "underwater"** to help them keep their homes.

And as a teacher and principal in this community for 14 years, I'm also working on improving our schools. **My top education priority is reducing class sizes by preventing teacher layoffs** so kids get the education they need today.

I'm so grateful and humbled by the trust you've placed in me and I do my best every day to live up to it. Thank you.

Sincerely,
Betty Komp

State Representative, 59th District**Gary L Ollerenshaw**

Occupation: Driver/ Donation Attendant**Occupational Background:** Retail Store Manager; Small Business Owner; Local Census Office Manager; US Army**Educational Background:** Small Business Management Program; some college; High School Graduate**Prior Governmental Experience:** Budget Committee, Redmond Fire and Rescue; Board Member, Redmond Fire and Rescue; President Howell's Hilltop Acres Road District; US Census**Community Commitment:** Board member, Redmond Chamber of Commerce; Board member, Redmond Kiwanis Foundation; Redmond Kiwanis; Redmond Flag Committee; Co-facilitator, Opportunity Knocks; Citizen Volunteer, Deschutes County Sheriff's Office; Child Safety Seat Advocate; Leadership Redmond.**Personal:** Married with three children and 9 grandchildren. Central Oregon has been home since 1979.

I am running because I believe we need a representative that will be our voice, the voice of middle class families in Central Oregon. As your elected official it is my duty and obligation to represent the families of District 59 and Oregon. I promise to make your priorities my priorities. As your Representative I will work on:

Jobs: Because small businesses are the backbone of our economy, it is important that Oregon is open for business. The government needs to be a partner in economic development by allowing Oregon businesses to grow and hire employees by cutting red tape and making sure we don't increase taxes on businesses that keep our economy going.

Control Spending: In order to protect services like education, we need to control spending and ensure transparency and accountability in government spending. We need accountability and full disclosure on all budgets, including reserves and audit reports, available to everyone.

Education: Stable funding for K-12 and higher education is a must if we want to compete in the global economy, prevent further teacher layoffs, and bring down class sizes.

I hope that I can earn your support.

A Message from Democratic Party of Oregon Chair Meredith Wood Smith:

Today, your voice and vote are needed more than ever before. Corporate special interests are trying to drown out the voice of average Americans with highly-paid lobbyists and unlimited campaign spending. While Republicans fall in line for the 1%, the Democratic Party is fighting for working men and women. Democrats know we must look out for those struggling in a tough economy, protect homeowners from unfair lending practices, invest in public education, and expand access to affordable health care.

The Democratic Party of Oregon is comprised of volunteers just like you who make our party what it is.

I invite you to join the Democratic Party of Oregon as a Precinct Committee Person and work with us to stand up for the 99%.

What are Precinct Committee Persons and what do they do?

Representative democracy only works if people like you are informed, involved and active. You understand that democracy is not a spectator sport, and as a Precinct Committee Person, you are the very foundation of what we do -- you have the power to enact change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Electing Democratic county, state and national party leaders
- Keeping the Democratic Party and elected leaders informed about the issues important to you and your community.
- Making sure the Democratic Party represents you
- Determining the direction of the Democratic Party

How do I become a Precinct Committee Person?

First you must be a registered Democrat. If you filed with your county elections office as a Precinct Committee Person candidate for the May primary, your name will appear on the ballot. If not, you may write in your name on the ballot. To be eligible to win by write-in, you must receive a minimum of three votes. This can often be accomplished in your own household, but you are best served by reaching out to as many neighbors as possible. You can also be appointed by your local county committee by attending a meeting and expressing interest. Find out more at www.dpo.org.

Be empowered!

The job of Precinct Committee Persons can be large or small, depending on your own initiative. If you accept, you will be called upon to perform some basic activities like:

- Helping distribute materials to your neighbors
- Organizing and participating in phone banks
- Recruiting new volunteers
- Attending local trainings and meetings

The Democratic Party of Oregon encourages new leadership and creates opportunities for all Democrats to fully participate in activities of the party. Many of our elected leaders in Oregon started off as Precinct Committee Persons in their communities.

To get involved, contact us at:

United States President

Ron Paul

Republican

Occupation: Member of Congress

Occupational Background: OB/GYN

Educational Background: Gettysburg College, B.S.;

Duke University, M.D.

Prior Governmental Experience: Member of Congress (1976-1977, 1979-1985, 1996-Present)

Congressman Ron Paul is America's foremost champion of constitutional government, individual liberty, free markets, and sound money. He is married to his high school sweetheart, Carol, and they have five children and 18 grandchildren. Ron Paul served in the Air Force and the Air National Guard during the 1960s, and, as an OB/GYN, he has delivered over 4,000 babies.

In 1976, Ron Paul was one of only four congressmen to endorse Ronald Reagan over President Ford.

Dr. Paul has earned a reputation as Congress' most principled member by voting against any legislation that violates the Constitution, raises taxes, or infringes on individual liberty.

For years, Congressman Paul warned about the Federal Reserve's dangerous policies - even predicting the collapse of the housing bubble and the financial crisis years in advance. Congressman Paul, and the movement he has inspired, have made the Fed's actions a central issue in American politics.

Dr. Paul's knowledge of, and leadership on, the issue of monetary policy was recognized by the House leadership when they appointed him Chairman of the House Subcommittee on Monetary Policy, Technology and Trade in 2011.

As President, Ron Paul will fight to pass his Plan to Restore America, which cuts a trillion dollars from the federal budget in one year by eliminating five cabinet departments - Education, Energy, HUD, Commerce, and Interior- ending foreign aid and corporate welfare, and rolling back all other domestic spending to fiscal year 2006 levels. The plan balances the federal budget in three years, and it stops federal agencies from enforcing unconstitutional regulations stemming from "ObamaCare," Dodd-Frank, and Sarbanes-Oxley. The plan also permanently extends the Bush-era tax cuts, repeals the estate tax, ends taxation on the repatriation of foreign capital, reduces the corporate tax rate to 15%, and ends all taxation on savings.

Occupation: Self Employed

Occupational Background: Speaker of the House, United States House of Representatives, (1995-1999); House Minority Whip, 1989-1995; Representative, United States

House of Representatives, (1979-1999); Professor, West Georgia College, (1974-1979); Author, Professional Speaker, Historian

Prior Governmental Experience: United States Congress

America is at a crossroads. We can choose to continue the same failed policies, with government encroaching on more parts of our lives, with entrenched and unaccountable bureaucracy, with too much dependency, with weakness abroad. Or we can choose to rebuild the America we love—the America of freedom and independence, of work and opportunity, and of strength in the world. To choose renewal will require extraordinary leadership. Timid alternatives and the path of least resistance are unacceptable. *I believe this historic moment demands a bold conservative with bold solutions.* It will require upending the old order in Washington that has lost the trust of the American people and protects the current dysfunction. Before I led the Republican Revolution in 1994, winning the first reelected Republican House in more than 40 years, few thought it was possible, even in our own party. We did it by offering Americans a real choice and asking them to help us force change. We reformed welfare, lifting millions of Americans from poverty. We balanced the budget for four straight years—the first time since the 1920s. We passed the biggest capital gains tax cut in history, helping create 11 million jobs. And we did it all while paying down \$400 billion from the national debt. It can be done. But in 2012, it will take a big change election to get bold solutions. *This November, we must offer the American people a genuine choice.* With your help, we can rebuild the America we love.

United States President

Mitt Romney

Republican

Occupation: Former Governor of Massachusetts

Occupational Background: I am not a career politician. I spent most of my life in the private sector, where I helped launch or rebuild more than

100 companies, including household names such as Staples, Bright Horizons, and The Sports Authority. I also have a record of accomplishment as a public servant, having served as Governor of Massachusetts and CEO of the 2002 Winter Olympic Games in Salt Lake City.

Educational Background: JD, Harvard Law School; MBA, Harvard Business School; BA, Brigham Young University.

Prior Governmental Experience: As Governor of Massachusetts, I cut taxes 19 times while balancing the budget four years in a row. I cut red tape for small businesses, signed into law job-creating incentives, and fought hard to bring new businesses to the state. By the end of my term, the state had amassed a \$2 billion rainy-day fund.

I am running for president to get America back to work, protect our national security, and ensure our country remains the leader of the free world.

In 1999, the Winter Olympics were on the verge of collapse amid corruption allegations. I was asked to take over. I revamped the organization's leadership, trimmed the budget, and restored public confidence. In the end, we staged one of the most successful games of all time.

As president, I will repeal the national healthcare law. I'll get rid of job-killing regulations, open new markets for American exports, and unlock America's energy resources. I'll reduce taxes and bring an end to runaway spending and borrowing in Washington. I'll make the federal government simpler, smaller, and smarter.

I will reverse the defense cuts of the past three years, rebuild our military, and ensure that this century will be another American Century. Together we can create an Opportunity Society where hard work, education, and risk-taking allow people to achieve their dreams.

Secretary of State**Knute Buehler**

Republican

Occupation: Physician; small business owner; inventor**Occupational Background:** Orthopedic Surgeon; Medical Product Design**Educational Background:**

Rhodes Scholar, Oxford University, M.A., Politics and Economics; Johns Hopkins University, M.D.; Oregon State University; Roseburg High School

Prior Governmental Experience: none**Community Service:** Board of Directors: St. Charles Health Systems; Ford Family Foundation; Oregon League of Minority Voters; OSU-Cascades**AN OREGON STORY**

Raised in Roseburg, I attended public schools and paid for college by working in Oregon's forests and driving delivery trucks. Over 15 years in Bend, I've led a 170 employee medical practice, helped thousands of patients walk without pain, invented medical technology sold globally, and raised a family. This state's given me a lot; I'd like to give back.

OREGON'S IN TROUBLE

We've fallen behind other states in employment, education, and hunger. Oregon ranks 48th in economic comparisons and unemployment is 8.8% (15% in some counties). We have one of the nation's shortest school years, and only 66% of high school students graduate in 4 years. Oregon families rank 3rd hungriest in the nation. It seems career politicians cater more to those who fund their campaigns than those in need.

GET OREGON WORKING

I know Oregon can do better. Our vision of a healthy, vibrant people is suffocating under a lack of state leadership. Government is not working to help Oregonians prosper. The Secretary of State's office is supposed to support entrepreneurs, but currently just processes paperwork and maintains a database. We can do better. I'll work to retain the jobs we have while attracting new ones.

WORKING FOR WHAT'S IMPORTANT

We need to direct less money to government and more money to Oregon families in need. Our priorities need to be education, public safety, and helping Oregonians, who need support, build a better future. I'll bring new responsibility to Salem so your tax dollars get to those in need. I've fought special interests and for campaign finance reforms, and I'll continue fighting for you.

"If you're like me, you're sick and tired of politics as usual in Salem. As voters, we say one thing but the politicians from Portland and Eugene do another. We need a balanced budget without new taxes and stop the expansion of government. We need to create a level playing field for timber and agriculture and repair our troubled education system. Together we can make this vision work in Salem."

FRED WILL FIGHT FOR JOBS**A Strong Steward for Agriculture**

Fred believes agriculture is the foundation of our district's economy and will work to provide a level playing field for our farmers. Fred will work to sustain the will of the voters and protect private property rights.

A Champion for Timber

No one understands better than Fred how hard the decline of the timber industry has hit our local economy. In 2012 he led the charge in the Oregon Legislature to return federal timber lands to Oregonians. Fred wants to clear the barriers to responsible cutting of timber and recognize the value our timber industry brings in terms of jobs, investment, and environmental stewardship.

A Leader for Public Safety

Fred will continue to protect the voter-approved mandatory minimum sentences which put violent offenders behind bars. He will also fight for additional funding to boost the number of Oregon State Police Troopers we have on the roads.

As a small business owner, Kevin understands how to address Oregon’s unemployment. As a legislator, Kevin has promoted several proposals to help Oregonians by changing our approach to business development and job creation. His accomplishments include:

- Allowing businesses and citizens to benefit from federal job-creation tax benefits in 2011.
- Extending Oregon’s successful Enterprise Zone.

A Focus on Solutions, Not Politics

Kevin Cameron is a problem-solver, and offers a record of working with Republicans and Democrats to find solutions. He believes partisanship and political games must be set aside in order to meet our challenges.

“Cameron stays true to his civic approach to governing.”

Creating Fairness for Taxpayers

As Co-Chair of the House Revenue Committee, Vicki helped overhaul Oregon’s system of tax credits to ensure greater fairness and fiscal restraint. Creating Jobs in a Tough Economy

We all know an individual or a business that is struggling right now. As a small business owner myself, I understand how tough it is to succeed in this environment.

But it doesn't have to be this way.

Oregon is rich in innovation and natural resources, and we should have a business environment that encourages companies to locate and invest in our state—not drive them away with increased taxes and regulations. With such high unemployment, we must enable businesses to create family-wage paying jobs.

By providing incentives for businesses to open their doors, Oregon will begin to grow again.

Putting Kids First

As a father of six, providing a good education and having solid schools for the next generation are among my top priorities. When elected, I will fight for every kid in every classroom. We need to raise the bar on the level of education we are providing in our classrooms and work more closely with our teachers to expand opportunities for kids from day one.

Our kids deserve the best we can offer them. We have to work harder to ensure they will be competitive at a global level.

Leadership for the Future

My experience as a local business owner, father, coach, and volunteer, has given me a deep understanding of the uniqueness of our community. I believe that by building stronger relationships between businesses, schools and leaders, we will make Salem a great place to live, work and raise our families.

We need a government that works effectively and efficiently. I'm running for State Representative because our community needs a leader that gets things done, truly desires to serve its citizens and has an action plan for moving Oregon forward.

Kathy LeCompte

Republican

Occupation: Owner, Brooks Tree Farm

Occupational Background: Small Business Owner, 1980 - Present

Educational Background:

Silverton High School; Oregon State University

Prior Governmental Experience: None.

Kathy is proud to not be a politician, but rather a leader from the world of business. She has been a nursery owner for 30 years, balancing the budget and growing the company year after year. Kathy will work for a sound economic environment to motivate Oregon employers to hire.

Kathy LeCompte... Understands Economics and How to Create Local Jobs

Kathy has experience with economics, creating jobs and managing international trade issues that affect Oregon's ability to be more competitive. Kathy wants Oregon to be a leader for job creation, not the national leader in unemployment. We need local jobs and a stronger economy, not higher taxes & job strangling regulations. As a small business owner, Kathy has proven she can create local jobs, limit spending and prioritize resources to maximize productivity.

Kathy LeCompte...New Taxes are Not the Answer

Oregonians should be outraged with political leaders that continually vote for more taxes on working families. We don't need new taxes, we need to get more out of our government services and cut the waste. By growing a successful Oregon small business, Kathy has first-hand experience in meeting a payroll, creating jobs and fighting unnecessary taxes. Kathy will work to eliminate excessive taxes and needless regulations to create an environment for private sector job creation.

Kathy LeCompte...Endorsed by Organizations you Trust

"I support Kathy LeCompte. Our community needs someone who understands agriculture and small business — the backbone of Oregon's economy" Greg Bennett, Northwest Onion Co.

Oregon Small Business Coalition

Kathy will streamline bureaucracy and provide incentives to help small businesses succeed and add local jobs. Without jobs, families suffer and we lack the tax revenues needed for schools and essential government services.

JIM THOMPSON
Real Solutions to Real Problems

Focused on Job Creation

Jim Thompson proved he is willing to work with anyone willing to help create jobs for local families. He has championed legislation that facilitates the use of woody debris from our forests to generate power and protect against forest fires. Experts say the legislation could create hundreds of local jobs and, at the same time, provide renewable power.

"Jim understands that creating jobs in rural Oregon means putting Oregonians back into our forests. He is the voice we need for rural families in House District 23 and across the state."

Jim Geisinger, Associated Oregon Loggers

Responsible Budgeting and Spending

We need legislators like Jim Thompson who will ask tough questions and make sure our tax dollars are spent wisely and on the services we expect state government to provide like quality schools, safe streets and good roads. He will continue to work to bring a common sense approach to the way our state spends our money.

Addressing Our Health Care Crisis

As co-chair of the House Health Care Committee Jim stood firm as a voice of reason. He fought proposals that would have increased health care costs while making sure patients and their doctors remained at the center of any discussion.

Jim worked to reduce the cost of insurance coverage by protecting physicians from frivolous lawsuits. He also worked to make sure health care spending is transparent to the taxpayers who foot the bill.

Public Safety — To curb drunk driving, Kim passed legislation requiring all first-time DUI offenders to install ignition breathalyzer machines in cars they drive.

Education Accountability — Thanks to Kim's efforts, school districts are now subject to state performance audits ensuring our limited tax dollars are spent wisely and directed toward student success.

Good Government — Kim is a taxpayer watchdog. She holds the line on spending and spearheaded the Oregon Transparency website. Due to Kim's hard work, the site now shows economic development tax breaks and public meeting notices in addition to information about state revenue and spending.

Support for Gun Owners — At the request of Oregon's sheriffs and citizens across the state Kim passed legislation protecting the privacy of Concealed Handgun License holders, placing strict limits on information released from CHL records.

Sensible Immigration Reform — In order to reduce the impact of illegal immigration on our state and to promote a legal workforce, Kim pushes for common-sense changes to make Oregon less attractive to people who ignore our country's immigration laws.

Educational Background: High School Graduate, some college, Military Police Training Center.

Jobs and Economy

Private business has always been the economic engine. Remove Government interference and over-regulation and allow Oregon businesses and entrepreneurs to put Oregon back to work. As a small business owner, I understand what it takes to create jobs.

Fiscal Responsibility

We cannot spend our way to prosperity. I've been saying that Oregon doesn't have a revenue problem, we have a spending problem. We must control and prioritize spending. Continue changing our budgeting process, moving away from automatically increasing budgets. I've consistently voted against wasteful spending and the dangerous practice of over-borrowing.

Limited Government

I believe the growth and overreaching control of government has caused many Oregonians to question the direction we're headed, and they say "Enough!" A serious conversation has begun regarding the size and reach of government in Oregon.

Personal Freedoms

You know what's best for you, your family and your property, not lawmakers and agencies in Salem. From how and where to spend your money to educating your kids, the freedom to choose should be yours.

My Commitment

I consider it a privilege and an honor to represent my constituents of District 59. I will continue representing everybody in the district regardless of your political affiliation; not partisan politics, but fair and balanced representation.

We invite you to become a Republican Party Precinct Committee Person (PCP)**What is a PCP?**

Precinct committeemen and committeewomen are the heart of the Republican Party in Oregon. As the grassroots representatives of the Republican Party in Oregon, they advocate for Republican political principles in their neighborhoods and community. They attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

What does a PCP do?

As a PCP, you have a voice in selecting Republican Party leadership on the county, state, and national levels. You may even seek a leadership position yourself. County leaders, in turn, help select the state party leaders who participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention, who cast the ballots for the Republican nominee for President and Vice President of the United States.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct to introduce a candidate to friends and neighbors. You may also be asked to make phone calls and distribute campaign materials in your precinct. You will become the face of the Republican Party in your community!

What is the Republican Philosophy?

- Republicans believe that the strength of our nation lies with the individual and that each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that the free enterprise system has made America the land of opportunity, economic growth and prosperity.
- Republicans believe government must be fiscally responsible and allow individuals to keep more of the money they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe that Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.

This election, Oregon Republicans will work to elect Republicans in the Oregon House and Senate, United States Congress, and the White House. PCPs will play key roles in bringing about these victories.

If you agree with the beliefs expressed above, we invite you to become a PCP to make the Republican Party and our nation stronger.

If you would like more information about the Oregon Republican Party, please call our state party headquarters at (503) 595-8881. You may send e-mail to info@orgop.org or visit our website at www.oregonrepublicanparty.org.

Experience Matters

Judges must be well-versed in the law and have a wide variety of life experiences in order to provide justice to the people who come before them.

As a fourth generation Oregonian and son of an Air Force officer, I grew up on military bases and lived throughout the United States before coming home to Oregon.

As a judge, I have decided many criminal matters and I am tough on crime. I have also presided over a variety of civil matters.

As a lawyer, I have represented small businesses, individuals, schools, and governmental organizations, in state and federal courts on all types of cases, including civil rights, employment, contract, business, and property disputes.

I was a professional chef before becoming a lawyer. I met Wendy, my wife of 21 years, at cooking school. We now live on a small farm with our two foster daughters and count ourselves lucky to have the opportunity to guide their growth and development.

If elected, I will continue to use my experience as a worker, manager, small business owner, lawyer, husband, and parent to apply the law fairly and promptly.

Endorsements

Vote by Mail Frequently Asked Questions

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 27 and May 1, 2012. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

There are privacy booths available for you to cast your ballot at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot by May 4th, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot. You can also check the status of your ballot at My Vote at oregonvotes.org.

What if I have moved and have not updated my registration?

If you were registered to vote by April 24 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. You can find your nearest dropsite along with a map of how to get there by going to www.oregonvotes.org or you may contact your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 45¢ first-class stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. Postmarks do not count!

How do I know if my ballot is received?

You can track the status of your ballot by going online to: My Vote at www.oregonvotes.org or you can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Your elections office will contact you, if possible, to come to the elections office to sign it.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted. Final certified results will be available 30 days after the election.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a county elections office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the county elections office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTE (1-866-673-8683) or the county elections office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

How to File a Complaint

Any registered voter may file a written complaint with the Secretary of State alleging that a violation of an election law or rule adopted by the Secretary of State has occurred. The complaint should state the reason for believing that the violation occurred and provide evidence relating to it. The complaint must be signed by the elector; anonymous complaints will not be accepted. The complaint should be mailed to, or filed at:

Secretary of State, Elections Division
255 Capitol St NE, Suite 501
Salem, OR 97310

vote!

Ballots must be received by 8 pm on May 15

County Elections Offices are open
on election day from 7 am to 8 pm

A postmark does not make a ballot “received.”

To guarantee that your ballot is received by the
deadline, return it to an official dropsite.
