NEED FOR THE RULE(S):

All of the rules in this filing need to be amended to keep Supplemental Nutrition Assistance Program (SNAP) income and payment standards, allowances, deductions, and resource limits aligned with annual adjustments and costs as required by the United States Department of Agriculture Food and Nutrition Administration.

JUSTIFICATION OF TEMPORARY FILING:

The Department finds that failure to act promptly by amending these rules will result in serious prejudice to the public interest, the Department, and SNAP applicants and recipients. If the Department does not proceed with temporary changes, the rules will not support or reflect the correct standards used to determine SNAP benefits, causing confusion to the public, eligibility workers, and administrative law judges. Proceeding with temporary changes ensures the rules are aligned with annual adjustments set forth by the United States Department of Agriculture Food and Nutrition Administration.

AMEND: 461-160-0420

RULE TITLE: Shelter Cost; SNAP

RULE SUMMARY: This rule is being amended to include 2026 federal updates to the Supplemental Nutrition Assistance Program utility allowance amounts.

RULE TEXT:
(1) This rule explains how to calculate the shelter cost. The shelter cost is used to determine the shelter deduction (see OAR 461-160-0430). The shelter cost is the sum of the filing group's cost of housing plus an allowance for utilities, if the individual incurs a utility cost. The shelter deduction is calculated considering the shelter cost and may be subject to a limitation described in OAR 461-160-0430.
(2) Cost of housing.
(a) The following comprise the cost of housing if they are incurred with respect to the filing group's current residence or the home described in section (5) of this rule:
(A) Regular, periodic charges for the shelter of the filing group (see OAR 461-110-0370), such as rent, mortgage payments, and condominium or association fees. Late fees charged because a mortgage or rent payment was made late are not deductible.
(B) Property taxes, state and local assessments, and property insurance on the structure.
(C) Costs for repairing a home substantially damaged or destroyed by a natural disaster (such as a fire or flood), if such costs are not reimbursed.
(D) If a filing group is experiencing homelessness and their living circumstances meet the definition of homeless under OAR 461-001-0015, the following are allowable costs:
(i) Working in exchange for housing costs; or
(ii) If living in a vehicle, vehicle payments and collision and comprehensive insurance premiums.
(E) For filing group members required to pay room and board in a nonstandard living arrangement (see OAR 461-001-0000), the shelter cost is the cost of room and board, minus the payment standard for the benefit group; or the actual room cost if the individual can prove that the room cost exceeds the room and board minus the payment standard.
(b) If housing costs are billed on a weekly or biweekly basis, the monthly cost is the weekly cost multiplied by 4.3 or the biweekly cost multiplied by 2.15.
(c) The filing group has the following choices about housing costs:
(A) The group may choose to apply the cost in the month it is billed or becomes due.
(B) The group may choose to have periodic costs averaged.
(C) For expenses that are billed less often than monthly, the group may choose to have them averaged over the period they are intended to cover.
(3) Shared housing. If the filing group shares housing costs with an individual in the dwelling who is not in the filing group, only the housing costs incurred by the filing group are included in the calculation. If the portion paid by an individual outside the filing group cannot be ascertained, the cost is apportioned among the individuals contributing to the cost. The pro rata share of those not in the filing group is deducted from the total, and the balance is considered a housing cost of the filing group.
(4) Cost for utilities.
(a) A filing group has a cost for utilities if it incurs a cost for heating or cooling; cooking fuel; electricity; water and sewerage; well installation and maintenance; septic tank system installation and maintenance; garbage and trash collection; service for a telephone, such as basic service fee, wire maintenance, subscriber line charges, relay center surcharges, 911 service, and taxes; or initial installation fees charged by a utility provider.
(b) If the group incurs no cost for utilities in either its current home or in the home described in section (5) of this rule, then the shelter cost is calculated without an allowance for utilities.
(c) If a filing group experiencing homelessness uses a vehicle for shelter, the cost of fuel for the vehicle is considered a

utility cost.
(d) A full utility allowance (FUA) of $533 is given if the filing group:
(A) Incurs a cost for heating or cooling for its dwelling; or
(B) Includes an individual who meets the SNAP definition of disabled (see OAR 461-001-0015) or elderly (see OAR 461-001-0015), and the filing group received an energy assistance payment (see OAR 461-001-0015 and 461-145-0170) or weatherization assistance payment (see OAR 461-001-0015).
(i) The energy assistance payment, weatherization assistance payment, or combination of such payments must be greater than $20 annually; and
(ii) Must be received by the filing group in the current month or the immediately preceding 12 months.
(e) A limited utility allowance (LUA) of $418 is given if the filing group is not billed for heating or cooling costs but is billed for at least two other costs enumerated in subsection (4)(a) of this rule.
(f) An individual utility allowance (IUA) of $67 is given if the filing group is not billed for heating or cooling costs but is billed for only one of the costs enumerated in subsection (4)(a) of this rule other than the service cost for a telephone, including the related taxes or fees.
(g) A telephone utility allowance (TUA) of $84 is given if the filing group is billed only for telephone service, such as basic service fee, wire maintenance, subscriber line charges, relay center surcharges, 911 service, and taxes.
(5) Housing costs for a home not occupied by the filing group. Housing and utility costs with respect to a home not currently occupied may be considered in calculating the shelter cost if--
(a) The home is temporarily unoccupied because of employment or training away from home, illness, or abandonment caused by casualty or natural disaster;
(b) The filing group intends to return to the home;
(c) No other, current occupant is claiming a deduction for shelter costs in the Supplemental Nutrition Assistance Program (SNAP); and
(d) The home is not leased during the household's absence.
(6) SNAP eligibility provisions in subsection (4)(d) of this rule implement section 10103 of Pub. L. 119-21, 139 Stat. 72 (2025), and are applied to existing SNAP cases as follows:
(a) For a benefit group whose SNAP eligibility is based on an application with a filing date (see OAR 461-115-0040) of July 4, 2025, or after, the Department shall redetermine SNAP eligibility to apply the provisions of this rule.
(b) For a benefit group whose SNAP eligibility is based on an application with a filing date before July 4, 2025, the Department shall apply the provisions of this rule when SNAP eligibility is redetermined for any reason.
(7) See former OAR 461-135-0665 for SNAP eligibility provisions and effective dates that implement Pub. L. 119-21, 139 Stat. 72 (2025) in this rule for the time period October 1, 2025, through March 18, 2026.

AMEND: 461-160-0430

RULE TITLE: Income Deductions; SNAP

RULE SUMMARY: This rule is being amended to include 2026 federal updates to the Supplemental Nutrition Assistance Program standard deductions and homeless shelter deduction.

RULE TEXT:
In the Supplemental Nutrition Assistance Program (SNAP):
(1) Deductions from income are subtracted from countable (see OAR 461-001-0000) income (see OAR 461-140-0010) in the following order to determine adjusted income (see OAR 461-001-0000) for the SNAP program:
(a) An earned income deduction as follows:
(A) An earned income deduction of 20 percent of countable earned income. Multiply the total countable earned income by 20 percent and subtract that amount from the countable income. The 20 percent deduction is not taken from the wages funded by grant diversions such as Work Supplementation wages.
(B) Effective January 19, 2023, an earned income deduction of 20 percent of the earned income excluded due to payment of court ordered child support (see OAR 461-140-0265). For individuals who qualify for this exclusion, multiply the excluded earned income used to pay child support by 20 percent and deduct that amount from the countable income.
(b) A standard deduction of:
(A) $ 217 per month for a benefit group (see OAR 461-110-0750) of one, two, or three individuals.
(B) $ 229 per month for a benefit group of four individuals.
(C) $ 268 per month for a benefit group of five individuals.
(D) $ 308 per month for a benefit group of six or more individuals.
(c) A dependent care deduction for dependent care costs billed to a member of the filing group (see OAR 461-110-0370) and not paid for through any other program of the Department. For the cost to be deductible under this section, the care must be necessary to enable a member of the filing group to--
(A) Accept or continue employment;
(B) Seek employment, including a job search that meets the requirements of a case plan (see OAR 461-001-0020); or
(C) Attend vocational or educational training. A student receiving educational income is entitled to a deduction only for costs not excluded from educational income by OAR 461-145-0150.
(d) The medical deduction for elderly (see OAR 461-001-0015) individuals and individuals who have a disability (see OAR 461-001-0015) in the filing group. The deduction is calculated by determining the total of their deductible medical costs (see OAR 461-160-0415) and subtracting $35. The Department uses the resulting amount to determine the allowable deduction as follows:
(A) For an amount less than $0, no deduction is allowed.
(B) For an amount greater than $0 but less than $170.01, a deduction of $170 is allowed.
(C) For an amount greater than $170, a deduction of the amount determined under this subsection is allowed.
(e) An Excess Shelter Deduction or Homeless Shelter Deduction is calculated if the filing group has an allowable shelter cost under OAR 461-160-0420.
(A) If the group is eligible for both deductions listed in paragraphs (B) and (C) of this subsection, they will receive the higher of the two.
(B) Excess Shelter Deduction is calculated as follows:
(i) The standard deduction and the deductions of earned income, dependent care, and medical expenses are subtracted from countable income.
(ii) Fifty percent of the remainder is subtracted from the shelter cost calculated in accordance with OAR 461-160-0420.
(iii) The rounded balance is the deduction, except the deduction is limited if the filing group has no member who has a disability or is elderly. The limit is $769 per month.
(C) The Homeless Shelter Deduction is $205.66 for a filing group experiencing homelessness whose living circumstances

meet the definition of homeless (see OAR 461-001-0015).
(2) If an individual cannot verify a medical expense or cannot verify any other expense when asked to do so, the unverified expense is not used to calculate the deduction. If the individual provides verification, the deduction is applied when calculating the next month's benefits. If verification is provided within the period authorized for processing applications (see OAR 461-115-0210), the benefits for the initial month (see OAR 461-001-0000) are recalculated using the deduction.

The minimum monthly allotment is a calculation of eight percent of the Thrifty Food Plan (TFP) (see OAR 461-155-0190), rounded to the nearest whole dollar, for one person as determined annually by the Food and Nutrition Administration (FNA).
(B) An eligible benefit group of three or more persons receives the monthly calculated benefit, except that a group whose calculated benefit is $1, $3, or $5 receives instead an allotment of $2, $4, or $6 respectively. A benefit group in a categorically eligible filing group may be eligible for zero benefits ($0) for the certification period (see OAR 461-001-0000).
(2) In the Refugee Assistance (REF) and Temporary Assistance for Needy Families (TANF) programs, except as provided in section (3) of this rule, benefits are not issued if the monthly benefit is less than $10.
