RULE TITLE: Biennial Renewal of Registration or Certification

NOTICE FILED DATE: 02/08/2018

RULE SUMMARY: The revisions allow registrants who have been delinquent or retired for five (5) or more years in Oregon the ability to become "active" again without reapplying or retaking any exams.

RULE TEXT:

(1) Registration with the Board as a professional engineer, professional land surveyor, or professional photogrammetrist is on a biennial renewal schedule. As a condition of registration renewal, registrants must demonstrate compliance with the continuing professional development requirements in OAR 820-010-0635. Verification of completing the required professional development requirements on the CPD Organizational Form and fee must be postmarked or hand delivered by 5:00 p.m. on the day of the expiration date of the registration. The biennial fee to renew a registration is described below:

(a) Professional Engineer — $190.00;

(b) Professional Land Surveyor — $190.00;

(c) Professional Photogrammetrist — $190.00.

(2) Certification as a certified water right examiner is on a biennial renewal schedule. The fee must be postmarked or hand delivered by 5:00 p.m. on the day of the expiration date of the certification. The biennial fee to renew a certification as a water right examiner is $40.00

(3) A delinquent fee of $80.00 will be assessed on the first day following the expiration date of each registration or certification for each biennial renewal period in which renewal fee payment or verification of having timely completed the required continuing professional development hours has not been submitted.

(a) A registration or certification that is delinquent for failure to pay the renewal fee will remain in “delinquent” status until all delinquent fees that are due, and the required renewal fee, are paid.

(b) A registration or certification that is delinquent for failure to submit verification of having timely completed the required continuing professional development hours, when such hours have been completed, will remain in “delinquent” status until the delinquent fee is paid and the verification is submitted.

(c) A registration or certification that is suspended or for which renewal is refused because of failure to complete the

required continuing professional development hours cannot be returned to active status or renewed until any delinquent fees and any biennial renewal fees due are paid, in addition to any conditions imposed by the Board for renewal or lifting of the suspension.

(4) Registrations or certificates in the delinquent or retired status for a period of 5 years or more may not be renewed. After a registration or certification has been delinquent or retired for five years or more, the delinquent or retired registrants or certificate holders must re-apply and re-take any applicable examination to obtain the certificate of registration or other certificate after their registrations have been delinquent or retired for a period of 5 years or more, unless they have been actively licensed or certified in that same discipline, in another NCEES jurisdiction, throughout the time they have been delinquent or retired in Oregon.

(5) Notwithstanding OAR 820-010-0505(4) above, the Board may grant registration or certification to an individual whose registration or certification has been retired or delinquent for 5 years or more and who has not re-taken the applicable examinations, if the individual demonstrates to the satisfaction of the Board that:

(a) The individual has been actively registered or certified in another NCEES jurisdiction, in the same discipline as that of the retired or delinquent Oregon registration or certification, throughout the time the individual's registration or certification has been delinquent or retired in Oregon;

(b) The individual has remained current with respect to any continuing education requirements for the applicable registration or certification in the jurisdiction where active registration or certification has been maintained;

(c) The individual became delinquent, retired, or lapsed in Oregon before July 12, 2017; and,

(d) The individual has paid the reinstatement fee required by OAR 820-080-0010 and biennial renewal fee required by OAR 820-010-0505.
