- Collaboration with professional referents and employers

Accessible

 Continuous levels of care offered from withdrawal management to Level 1 Outpatient

Levels of Care

Withdrawal Management

Day Treatment

Day treatment (PHP) is

residential programming

residence or on campus.

available for patients

We provide medically-managed withdrawal from alcohol and drugs. including the use of medication assisted therapy (MAT) to ease withdrawal symptoms. Our experienced medical staff and relationships with local hospitals allow us to work with patients who have complex needs during this critical period.

Residential

Patients work with staff to design individualized substance use disorder treatment plans. A Care Coordinator helps them transition between levels of care.

Comprehensive on-site mental health services with our team of psychiatrists, psychologists and other mental health professionals are available. Multiple evidence-based treatment approaches are used, including Dialectical Behavioral Therapy (DBT), Cognitive Behavioral Therapy (CBT) and Motivational Interviewing.

Intensive Outpatient Programming Our comprehensive continuum of care includes Intensive Outpatient, Level 1 Outpatient and DUII services with telehealth options in seven offices throughout Oregon. Outpatient programming can continue after residential treatment. We also offer integrated mental health services at multiple locations.

Lifetime Support

A patient's time with us is only the beginning of their life in recovery. A sober support network is key to lasting sobriety. Our alumni program helps connect patients to a network of thousands of alumni through regular meetings, special events, service opportunities and sober social activities.
