RULE TITLE: Prioritized List of Health Services

NOTICE FILED DATE: 10/31/2024

RULE SUMMARY: The Oregon Health Plan uses the Prioritized List of Health Services to define the covered benefit package. This change adopts the most current version of the Prioritized List approved by the Health Evidence Review Commission to be effective January 1, 2025

RULE TEXT:

(1) The Health Evidence Review Commission (HERC) Prioritized List of Health Services (Prioritized List) is the listing of physical and behavioral health services generated and maintained by HERC. The Authority may apply criteria listed in Statements of Intent and Practice Guidelines (Guideline Notes, Ancillary Guideline Notes, and Diagnostic Guideline Notes) from the Prioritized List to codes and lines not explicitly specified in that guideline note and to services such as diagnostic, ancillary and excluded irrespective of their inclusion on the lines of the Prioritized List. The HERC maintains the most current list on their website: <https://www.oregon.gov/OHA/HPA/DSI-HERC/Pages/Prioritized-List.aspx>. For a hard copy, contact the Division within the Oregon Health Authority (Authority).

(2) This rule, effective January 1, 2025, incorporates by reference the January 1, 2025 Prioritized List, funded through line 469 and including all line items, diagnosis and treatment codes, guideline notes, statements of intent, coding specifications and annotations. This Prioritized List dated January 1, 2025 supersedes the October 1, 2024 Prioritized List for services provided after January 1, 2025 and includes interim modifications reported as required under ORS 414.690(7) and (8).
