(2)(a) In the event of missing or defective tow truck equipment that is not safety related, but that was required for initial approval, the Oregon State Police shall advise the qualified tow business of the defect. If the qualified tow business fails or refuses to repair the defect within 15 days of the notice, the defective truck will be removed from the list of tow vehicles in the qualified tow business's letter of appointment that are authorized for use in the Department's non-preference tow rotation list for the duration of the letter of appointment without renewal, until after the last day of authorization of the letter of appointment and the defect is repaired.

(b) In the event of a violation of these Administrative Rules by a qualified tow business relating to the qualified tow business's facilities, records or other conditions, the Oregon State Police shall advise the qualified tow business of the violation. If the qualified tow business fails or refuses to fix the violation within 15 days of the notice, the qualified tow business's letter of appointment will be suspended for its duration without renewal until after the last day of authorization of the letter of appointment and the violation is fixed.

(c) A qualified tow business may avoid suspension under this section by voluntarily removing the involved tow or recovery vehicle from the list of tow vehicles in the qualified tow business's letter of appointment that are authorized for use in the Oregon State Police's non-preference tow list until such repairs or corrections are made or by correcting the violation relating to the qualified tow business's facilities or records. Voluntary removal under this section shall be done by sending a letter to the Oregon State Police General Headquarters, Patrol Services Division, 4th Floor, 255 Capitol Street NE, Salem, Oregon 97310, advising the Oregon State Police of the qualified tow business's voluntary removal of the vehicle from service on non-preference calls for the Oregon State Police. This voluntary removal of defective equipment letter shall be received by the Oregon State Police, Patrol Services Division no later than 15 days after the initial notification of the defect.

(3)(a) In the event of a safety related violation which renders the tow truck a safety hazard upon a public highway, the tow truck shall be immediately removed from the list of tow vehicles in the qualified tow business's letter of appointment that are authorized for use in the Department's non-preference tow rotation list. If the defect is corrected and reinspected within 30 days of the immediate suspension, the tow truck shall be reinstated on the tow business's letter of appointment. If the defect is not corrected and reinspected within 30 days, the suspension will continue without reinstatement until after the last day of the authorization of the letter of appointment and the defect is repaired and reinspected.

(b) In the event of a safety related violation which renders a qualified tow business's facilities unsafe, the qualified tow business shall immediately be suspended for the duration of the letter of appointment from the Department's non-preference tow rotational list, without renewal until after the last day of the authorization of the letter of appointment and the defect is repaired. If the defect is corrected and reinspected within 30 days of the

immediate suspension, the qualified tow business's letter of appointment shall be reinstated.

(c) A qualified tow business may avoid immediate suspension under this section by voluntarily removing the tow or recovery vehicle from the list of tow vehicles in the qualified tow business's letter of appointment that are authorized for use in the Oregon State Police's non-preference tow list until such repairs or corrections are made or by correcting the violation relating to the qualified tow business's facilities or records. Voluntary removal under this section shall be done by sending a letter to the Oregon State Police General Headquarters, Patrol Services Division, 4th Floor, 255 Capitol Street NE, Salem, Oregon, 97310, advising of the qualified tow business's voluntary removal of the vehicle from service or the business on non-preference calls for the Oregon State Police. This voluntary removal safety hazard letter shall be received by the Oregon State Police, Patrol Services Division no later than 30 days after the initial notification of the defect.

(4) Upon repair or correction of a defect of a voluntarily removed tow truck or a defect related to a qualified tow business, an Oregon State Police inspector, upon written request from the affected qualified tow business, shall reinspect the equipment/facility which was found to be defective or missing. If the defects have been satisfactorily corrected, the inspector shall reinstate the tow truck to the list of tow vehicles in the qualified tow business's letter of appointment that are authorized for use in the Department's non-preference list and/or shall reinstate a qualified tow business's letter of appointment. In the event an Oregon State Police inspector is not readily available to reinspect, another officer appointed by the inspector's supervisor may reinspect and re-instate the tow truck or qualified tow business. The reinspection shall be completed as soon as possible after a written request from the qualified tow business has been received by the Patrol Services Division, advising that the defect has been repaired. In no event shall a reinspection take longer than ten (10) business days after the written request for inspection has been received by the Patrol Services Division.

(5) Upon revocation, suspension, expiration or voluntary relinquishment of a letter of appointment, a qualified tow business's right to conduct towing services at the request of the Department is terminated, unless the call for service is a preference tow made by the owner and/or driver of a vehicle.

(6) Upon sale or transfer by the qualified tow business of a truck listed in the qualified tow business's letter of appointment that is authorized for use in the Department's non-preference tow rotation list, the qualified tow business shall advise the department so that the truck may be removed from the non-preference list. This notification must be made immediately and in no event may exceed ten (10) days after the sale or transfer.

(7) Upon the purchase or acquisition of any additional tow truck(s) to be used pursuant to this rule, a qualified tow business shall immediately notify the Department. The qualified tow business shall make a self-certified inspection of the new unit and submit this inspection to the Department, prior to the tow truck being used for non-preference towing.

### Place of Business Requirement and Business Hours

A qualified tow business's hours for the purpose of inspection of business records and towing equipment shall be 8AM-5PM, excluding weekends and holidays:

(1) When a qualified tow business is not open and does not have personnel present at the place of business, the qualified tow business shall post a clearly visible telephone number at its place of business for the purpose of public contact for the release of vehicles or personal property.

(2) The qualified tow business shall maintain personnel who can be contacted 24 hours a day to release impounded vehicles within a 30-minute period of time.

(3) The qualified tow business must post and maintain its letter of appointment at its place of business.

(4)(a) Dispatch service. The qualified tow business shall provide dispatch services 24 hours a day, 365 days a year. Each tow vehicle used by a qualified tow business shall be equipped with a two-way radio (not a citizen's band radio) or cellular phone capable of direct communications with the qualified tow business's dispatch service. Equipment provided shall be subject to

# ADMINISTRATIVE RULES

approval of the Oregon State Police. Equipment shall be maintained in proper working condition at all times.

(b) Failure to respond to a call:

(A) Refusal or failure of a qualified tow business to respond to calls from the Department for towing services may result in the suspension or revocation of the qualified tow business's letter of appointment;

(B) The qualified tow business shall advise the appropriate Oregon State Police Dispatch Center when the qualified tow business is temporarily unavailable to respond to non-preference tow calls. Unavailability may occur due to conditions which include, but are not limited to, a disabled tow truck or a tow truck under repair, or unforeseen driver shortage due to illness or vacation. The qualified tow business shall advise the Oregon State Police Dispatch Center once the qualified tow business is available to resume its normal operation;

(C) Regardless of the unavailability of any qualified tow business, the non-preference list rotation shall continue as if the qualified tow business was available.

(5) Service call response time. Response times are mandatory. Class A and D-A tow trucks shall be on the road within fifteen minutes. Class B, C, D-B and D-C tow trucks shall be on the road within thirty minutes. At the time of the dispatch, all classes of tow trucks shall provide an estimated time of arrival at the scene. The station commander may waive this requirement due to inclement weather or unusual circumstances that might exist.

(6) For abandoned vehicles not deemed to be a hazard, tow requests will be made during business hours, defined as 8 A.M. to 5 P.M., seven (7) days a week, including holidays. Qualified tow businesses may tow abandoned vehicles at the qualified tow business's convenience during business hours on the date of the tow request. Once a vehicle is removed from the roadway and in possession of the qualified tow business, the qualified tow business shall notify the requesting Oregon State Police Office Dispatch Center as soon as possible on the date of the tow request of its possession of the abandoned vehicle. Notification of possession of the abandoned vehicle should be made immediately by the qualified tow business. In no case will notification to the Oregon State Police be made more than two hours after the abandoned vehicle comes into the possession of the qualified tow business.

(7) At the time a response is requested, the Department will provide the location, make, model, year of car license plate and estimated gross vehicle weight (if necessary) to the qualified tow business. Also, the Department will inform the qualified tow business about any condition or circumstances that may require special handling or assistance. The qualified tow business shall transmit the information to the person driving the tow truck.

(8) Qualified Tow business's record requirements: At its place of business of each tow zone, qualified tow businesses shall maintain the following records on each vehicle towed for a period of three years:

- (a) Vehicle description;
- (b) License number;
- (c) Issuing state;
- (d) Make;
- (e) Model;
- (f) Year;
- (g) Vehicle identification number;
- (h) Towing location;
- (i) Location vehicle was towed from;
- (j) Location to where the vehicle was towed;
- (k) Qualified Tow Business, Name, Address and Phone Number;
- (l) Name of tow truck driver;
- (m) Reasons for towing and/or service;
- (n) Time and date of service include storage dates as applicable;
- (o) Class of tow truck or truck number;
- (p) OSP Impound Forms;
- (q) All invoices for abandoned vehicles towed;
- (r) All invoices for all OSP non-preference tows.

(9) All fees for service shall be itemized. A copy of voided invoices shall be filed by invoice number at the qualified tow business's place of business and shall be retained in a file for a period of three years.

(10) All vehicles shall be handled and returned in substantially the same condition that they were in before being towed.

(11) All employees who operate tow truck(s) for a qualified tow business shall have an operator's license with the proper class or type for vehicle combinations. As prescribed by the state issuing the license, Oregon licensees shall comply with all applicable Oregon laws.

(12) Any person who shows proof of ownership or written authorization from the owner of the impounded vehicle may inspect and view the vehicle without charge during normal business hours. This does not apply to a vehicle seized and stored as evidence.

(13) All towing receipts on impounded vehicles, or confiscated vehicles, shall be made available by the qualified tow business to the nearest Department office after the tow has been completed.

(14) The qualified tow business shall notify the Oregon State Police Dispatch Center immediately when any person seeks to redeem any vehicle towed as abandoned or where a police hold has been placed on the vehicle. Release of vehicle under temporary or formal hold shall require written release from the Department. When a person entitled to take possession of the

vehicle subject to a hold presents the qualified tow business with an official Oregon State Police release form, the qualified tow business shall release the vehicle to the person named.

(15) When inspection or reinspection of a tow truck is necessary, the area commander shall designate a location and time for the inspection to be conducted. When practical the inspection or reinspection shall be made within ten (10) days following the request by the qualified tow business.

(16) The qualified tow business shall provide either locked outside storage or locked, secure indoor storage, or both, which meets the following requirements:

(a) The qualified tow business's storage facility shall be in conformance with all zoning requirements of all applicable governments. Storage shall be provided, and of sufficient size, for each class of vehicle towed for the Oregon State Police, including semi trucks and motor homes, except as provided in ORS 819.110. Storage shall be located within the contractual geographical service area described as tow zones. The vehicle storage area may be located up to five (5) miles from the qualified tow business's place of business, provided that both facilities are located within the appointed tow zone. Contact phone numbers and addresses are to be posted at both locations for the place of business and the storage area. When the towed vehicle storage area is not located at the qualified tow business's place of business, employees shall be able to respond from one location to the other within 30 minutes or less.

(b) The storage area will be under the exclusive access and control of the individual qualified tow business. The storage area cannot be shared with other businesses, including non-tow businesses not owned by the owner of a qualified tow business.

(17) The qualified tow business shall provide fencing around the outside storage area. The fencing must meet the following requirements:

(a) Fencing must comply with the requirements established in these Administrative Rules and all local zoning rules and regulations.

(b) Fencing shall be either made of a woven wire composition normally referred to as "cyclone fencing-chain link fencing," or made of a solid material, such as wood or concrete block, inclusive of a permanent natural barrier which would prevent access and unauthorized entry to the storage area. Fencing shall be topped by a minimum of three (3) strands of barbwire. Fencing not meeting the requirements of these regulations as determined by the Oregon State Police will not be accepted. Qualified tow businesses that are unable to comply with these fencing requirements due to local zoning requirements will be addressed on a case by case basis by the Department.

(c) Gates and entryways shall be of a solid frame, and the same minimum height as the other fencing material. All gates and entryways shall be designed to afford locking the gate or entryway securely to prevent unauthorized entry.

**NOTE:** Qualified tow businesses holding a valid appointment letter for a specific tow zone as of the adoption date of this Administrative Rule, will have one (1) year from their renewal date in the year 2003 to comply with this rule for the tow zone listed in the appointment letter. New tow businesses applying for a letter of appointment for the non-preference tow program shall immediately comply with this Administrative Rule after the adoption date of this rule.

(18) The qualified tow business shall allow the owner of a towed vehicle or anyone authorized in writing by the Oregon State Police, and/or an Oregon State Police Officer or other Department Member, to go to the vehicle and remove items of personal emergency nature, e/g/ eyeglasses, medication, clothing, identification, wallets-purses (and their contents), credit cards, check books, any known money-currency, child safety car and booster seats, except as provided in ORS 819.110 and 819.160.

(19) The qualified tow business shall be responsible for the contents, storage and disposal of all personal items, except items taken by authorized personnel in OAR 257-050-0140(18).

### Felony Convictions

The Oregon State Police in the interest of public safety shall deny, suspend, or revoke a tow business' application or a qualified tow business' letter of appointment for the Department's non-preference towing program for any of the following reasons:

(1) A tow business, or any owner or employee of a tow business, convicted of any felony charge, or any charge in any state, which in Oregon is considered to be a felony, within the last fifteen (15) years from the date the tow business' application is received by the Oregon State Police. This subsection is subject to the provisions set forth under ORS 166.270.

(2) Any tow business, qualified tow business, or owner or employee of a tow business or qualified tow business convicted of two felony charges, regardless of when those felonies were committed.

(3) Any owner or employee of a tow business or qualified tow business convicted of a felony charge, or any charge from another state which in Oregon is considered to be a felony, where a weapon was used or threatened

### Towing

(1) The Department shall not establish, recommend or in any way dictate the cost of a non-preference tow conducted by a qualified tow business.

(2) A qualified tow business that conducts a non-preference tow under these administrative rules shall not represent to any person or business that a particular fee has been or will be charged by the Oregon State Police.

(3) Qualified tow businesses shall furnish the Patrol Services Division with an itemized list of charges that can be incurred during a non-preference tow including, but not limited to:

- (a) Hookup charge;
- (b) Mileage fee;
- (c) Response fee.

(4) Qualified tow businesses shall not charge for items not declared on the list relating to the towing of a vehicle. This does not include mechanical work, bodywork or other repair work conducted subsequent to the tow.

(5) Complaints of unfair charges against a qualified tow business shall be referred to the Oregon Attorney General's Office.

(6) Qualified Tow businesses shall not transport passengers in any towed or carried vehicle(s).

### Suspension and Revocation (for Violation of a Law Chargeable as a Violation or Crime)

(1) The following suspension or revocation periods apply when a qualified tow business, or any owner or employee of a qualified tow business, has been convicted of a violation of law charged as a Violation or Crime:

(a) "First Suspension" — any first violation shall be for a period of not less than 60 days.

(b) "Second Suspension" — any second violation that is committed within a one (1) year period from the date of any final order under this rule shall be for a period of not less than one (1) year.

(c) "Third Suspension" — any third violation that is committed within a three (3) year period of the date of any final order under this rule shall be a revocation.

(2) The following constitute grounds for suspension of a qualified tow business' letter of appointment:

(a) A qualified tow business that commits a violation or traffic crime of Oregon Law during the course and operation of the qualified tow business' tow business.

(b) An owner or employee of a qualified tow business that commits any violation of Oregon Law while in the performance of his or her duties of employment.

(3) The following constitutes grounds for revocation of a qualified tow business' letter of appointment:

(a) A qualified tow business that commits a crime, other than a traffic crime and that is chargeable as a misdemeanor or felony during the course and operation of the qualified tow business' tow business.

(b) An owner or employee of a qualified tow business that commits a crime chargeable as a misdemeanor or felony while in the performance of his or her duties of employment.

### Suspension or Revocation for Violation (other than a Law Chargeable as a Violation or Crime)

(1) Suspensions or revocations of a letter of appointment, unless otherwise outlined or defined in these rules, shall fall under one of the following four levels:

(a) Immediate suspension — A suspension that takes place immediately, upon written notice from the Oregon State Police, as evidenced by the date of the postmark, removing a tow vehicle, tow equipment or a qualified tow business from the non-preference rotational tow list.

(b) Level one suspension — any first violation of these Administrative Rules unless otherwise defined in the rule and shall be for a period of not less than sixty (60) days, and not more than one (1) year in length.

(c) Level two suspension — any second violation of these Administrative Rules that is committed within a one (1) year period from the date of any final order and shall be for a period of not less than one (1) year and not more than two (2) years in length.

(d) Revocation — any third violation of these Administrative Rules that is committed within a three (3) year period of the date of any final order and shall result in a revocation of a qualified tow business' letter of appointment.

(2) A suspension shall be in effect until the violation is corrected, or the Department orders reinstatement of a qualified tow business' letter of appointment.

### Hearings

(1) The Oregon Administrative Procedures Act shall govern the conduct of any hearing held pursuant to these regulations. The burden of proof in any hearing before the Hearing Officer shall be on the tow business seeking a letter of appointment, or on the qualified tow business that has had its letter of appointment suspended or revoked by the Oregon State Police.

(2) A request for an administrative hearing must be in writing and be received by the Department no later than fifteen (15) days from the date of notice of denial, suspension and/or revocation as evidenced by the postmark. The Department may also initiate or request an administrative hearing, regarding a denial, suspension and/or revocation of a letter of appointment.

(3) An administrative hearing must be conducted within ninety (90) days from the date the written request is received by the Department or on the first business day thereafter if the 90th day is a weekend or holiday, unless the parties agree to an extension of time.

(4) Any request by a qualified tow business for a continuance or reset of the hearing after the original scheduled date will result in the temporary suspension and/or extension of any temporary suspension of the qualified tow business's letter of appointment until a ruling is issued from the hearing with no liability to the Department. If the Department requests a continuance or reset of a hearing, the qualified tow business shall be left on the tow rotational list until a ruling is issued from the hearing unless a temporary suspension has been levied against the qualified tow business.

(5) Oral proceedings shall be recorded and shall become part of the hearing record.

(6) The Department shall appoint a Hearing Officer to conduct the hearing. The Hearings Officer shall issue a proposed order that shall include written findings of facts based on the evidence and written conclusions of law based on the findings.

(7) Exceptions to proposed orders must be submitted to the Department in writing within ten (10) days of the date the proposed order is issued, or on the first business day thereafter if the 10th day is a weekend or holiday. Written argument submitted with the exceptions will be considered; no opportunity for oral argument will be allowed. The Department shall issue a final order.

### Mandatory Equipment Standards for Tow Trucks/Safety Related Requirements

(1) All tow vehicles operated by a qualified tow business under a letter of appointment under these rules shall have the following minimum equipment:

(a) Minimum of two (2) lights mounted behind the cab of the tow truck controlled by a dedicated on/off switch. This lighting must be capable of illuminating the area of the tow under darkened, foggy or dangerous conditions;

(b) An FCC licensed two-way radio, in conformance with Part 93 FCC Regulations, or cellular phone (citizen band radios so not meet this requirement);

# ADMINISTRATIVE RULES

(c) Cables or wire ropes as called for in each class. Cable/wire rope lengths shall be measured from the point of attachment on each drum. Cables/wire ropes shall meet the following requirements.

(A) Each cable shall be capable of being fully extended from and fully wound onto its drum;

(B) Cables or wire ropes shall be free from the following defects or conditions:

(i) There shall be no more than six randomly distributed broken wires in one rope lay, or more than three broken wires in one strand in one rope lay;

(ii) There shall be no evidence of any heat damage from any cause;

(iii) There shall be no end attachments that are cracked, deformed, worn or loosened;

(iv) Where a wire rope is attached to a hook with clamps instead of being swaged, a minimum of three clamps shall be used on end attachments. Clamps shall be spaced at least six rope diameters apart and attached with the base or saddle of the clamp against the longer or "live" end of the rope. The "U" bolt will be placed over the short or "dead" end of the rope and will be of the proper size.

(d) Two revolving or intermittent red or amber lamps with 360 degree visibility. The truck may also be equipped with flashing amber lights, which may be used in conjunction with the red lamp(s). Such lighting will not be used when responding to a call, but only at the scene when necessary to warn approaching traffic of impending danger.

(e) A broom and a shovel. The broom shall be at least twelve inches wide and have a handle at least four feet long. The shovel shall be flat scoop type with a minimum width of seven inches and overall length of a least three feet. Tow truck driver shall clean accident/incident scenes of all vehicle glass and debris required by ORS 822.225.

(f) A tow sling, wheel lift, car carrier or other comparable device made of a material designed to protect vehicles.

(g) Motorcycle Tows — A tow sling, wheel lift, car carrier or other comparable device that has the ability to tow motorcycles.

(h) One fire extinguisher, 25 BC rating or equivalent.

(i) One snatch block, or equivalent block, in good working condition for each working line.

(j) Commercially manufactured dollies on all class A recovery vehicles and class B recovery vehicles up to 26,000 GVW. Commercially manufactured dollies are required for all tow class categories when dollies are used and/or defined for use up to 26,000 GVW.

(k) All class A and B tow vehicles that are inclusive of class DA and DB tow vehicles shall carry at least one pinch bar, or an equivalent device. The bar or equivalent device must be 4 feet in length and 3/4 inch in diameter, and the ends may either be tapered or flattened.

(l) Portable lights for unit being towed including, but not limited to, tail lights, stop lights and directional signals.

**NOTE:** Class D tow trucks roll backs are exempt from this section if not towing a second vehicle.

(m) All tow vehicles must have a minimum of two "wreck ahead" signs to be placed by tow truck drivers as required by ORS 822.220. The signs shall confirm to all specifications as set forth in the Oregon Department of Transportation's publication "Traffic Control on State Highways for Short Term Work Zones" (Form 734-2272) and the "Manual Uniform of Traffic Control Devices."

(n) All tow trucks and equipment used to perform services under these rules shall be maintained in good working order. Failure to maintain equipment shall be cause for suspension and removal of the defective equipment from the non-preference list. If equipment does not meet the Department's criteria for non-preference tows under these Administrative Rules, the Department may suspend and remove the equipment from the non-preference list.

(2) Class A Tow Trucks (Small): Tow trucks shall be provided that are capable of towing and recovery operations for passenger cars, pickup trucks, small trailers or equivalent vehicles. All equipment used in conjunction with the tow truck must be compatible with the manufacturer's basic boom rating and must comply with current state laws and Oregon Administrative Rule 735-154-0040. In addition to the equipment required for all trucks used to provide service under this rule, all trucks in this class shall have:

(a) Ten thousand pounds minimum manufacturer's gross vehicle weight rating or equivalent;

(b) Dual tires on the rear axle or duplex type tires, referred to as super single with a load rating that is comparable to dual tire rating;

(c) Six ton minimum boom rating dual or single boom with dual or single winches to control a minimum of one service cable;

(d) A minimum of one hundred (100) feet of 3/8-inch continuous length cable; and

(e) A wheel lift for this class of tow truck.

(3) Class B Tow Trucks (Medium): Class B tow trucks shall be capable of towing and recovery operations for medium size trucks, trailers, motor homes or equivalent vehicles. In addition to standard equipment required for all trucks used to provide service under this rule, all trucks in this class shall have:

(a) Seventeen thousand pounds minimum manufacturer's gross vehicle weight rating or equivalent;

(b) Ten ton minimum boom rating dual or single boom with dual or single winches to control a minimum of one service cable;

(c) Class B tow trucks in excess of 26,000 pounds GVW will not be required to carry dollies when used for heavy towing;

(d) A wheel lift for this class of tow truck; and

(e) A minimum of 150 feet of seven-sixteenths inch cable.

(4) Class C Tow Trucks (Large): Tow trucks that are capable of towing and recovery operations for large trucks, trailers, motor homes or equivalent vehicles. In addition to the standard equipment required for all trucks used to provide service under this rule, all trucks in this class shall have:

(a) Twenty-seven thousand five hundred pounds minimum manufacturer's gross vehicle weight rating or equivalent;

(b) Twenty-five ton minimum boom rating dual or single boom with dual or single winches to control a minimum of one service cable;

(c) Minimum of 150 feet of cable, five-eighths inch diameter;

(d) Air brakes and an air system capable of supplying air to the towed unit;

(e) Portable dollies are not required;

(f) Tandem rear axle truck chassis (three axle truck);

(g) May include an under-lift for this class of tow truck.

(h) Exception to commercially manufactured tow vehicles (for Class C recovery tow trucks/equipment only). Class C Recovery Tow Equipment that has been approved by the Oregon State Police to be used on the Department's non-preference towing list prior to the adoption of these Administrative Rules, but does not meet the criteria outlined under these Administrative Rules, may continue to be used for the Department's non-preference tows if the following conditions are met:

(A) The equipment must first be inspected and approved by the Oregon State Police;

(B) If a qualified tow business has the only "Class C" tow truck in a zone, then the qualified tow business must replace the equipment after 5 years from the adoption date of these rules. The Oregon State Police reserve the option to extend the time period for the use of Class C Towing Equipment under this exception based on operational need by the Department; and

(C) If it is determined at any time that the equipment does not meet Oregon State Police criteria for towing under these Administrative Rules, then the Oregon State Police can remove the equipment from the non-preference list.

(5) Class D Tow Trucks (Trucks and equipment in this class are not considered recovery vehicles):

(a) Tow trucks and other vehicles in this class are to be used for towing and/or hauling purposes only. No recovery can be performed by equipment in this class;

(b) Equipment in this class capable of towing/hauling passenger cars, pickup trucks, trailers, trucks or equivalent vehicles, and debris is based on the size and ratings of the Class D tow unit used. All equipment used in conjunction with the tow truck must comply with current state laws and Oregon Administrative Rule 735-154-0040. In addition to the equipment required for all trucks used to provide service under this rule, all trucks in this class shall have:

(A) Class D-A:

(i) Eleven thousand pounds minimum manufacturer's gross vehicle weight rating or equivalent;

(ii) Dual tires on the rear axle;

(iii) A minimum of fifty feet three-eighths inch continuous length cable;

(iv) May include wheel lift, if chassis GVW is over 14,500 pounds; and

(v) If a Metro unit, dollies and a wheel lift.

(B) Class D-B:

(i) Seventeen thousand pounds minimum manufacturer's gross vehicle weight rating or equivalent;

(ii) Dual tires on the rear axle;

(iii) A minimum of 50 feet of three-eighths inch cable;

(iv) May include wheel lift; and

(v) If a Metro unit, dollies and a wheel lift.

(C) Class D-C:

(i) Twenty-seven thousand five hundred pounds minimum manufacturer's gross vehicle weight rating or equivalent.

(ii) Minimum of 50 feet of cable, five-eighths inch diameter.

(iii) Tandem rear axle truck chassis (three axle truck).

(iv) May include wheel lift; and

(v) Air brakes and an air system capable of supplying air to the towed unit.

**Notice Publication Date:**

**Rules Adopted:** 257-045-0010, 257-045-0020, 257-045-0030, 257-045-0040, 257-045-0050

**Rules Amended:** 257-001-0005

**Subject:** Effective January 1, 2010, the Oregon legislature amended ORS chapter 819 to require that if the department is the agency that proposes to remove, or has taken into custody, either an abandoned vehicle or a vehicle that constitutes a hazard that is located upon the right of way of a state highway, an interstate highway that is part of the National System of Interstate and Defense Highways, or state property, the department will now be responsible for exercising authority over the vehicle, as well as conducting hearings to determine the validity of the vehicle being taken into custody and towed, as well as the reasonableness of the tow fees and storage costs. See Oregon Laws (2009), chapter 371 (House Bill 2739). Currently, the department does not have an administrative hearing process in place to conduct the hearings required by the amendment to ORS chapter 819. The amendment of 257-001-0005 authorizes the department to use the new informal hearing process created under 257 division 045, rather than the Model Rules of Procedure promulgated by the Attorney General of the State of Oregon, for vehicles taken into custody or towed under ORS 819.110 or 819.120. The new temporary rules under OAR 257 division 045 generally create an informal hearing process within the department. The temporary rules define the scope of the hearing and who may request a hearing, and under what circumstances a hearing will be rescheduled when a petitioner fails to appear at a scheduled hearing. Moreover, the temporary rules govern when a hearing request must be received by the department, and who within the department will act as the hearing officers. Finally, the temporary rules dictate what must be contained within a written order of the hearing officer, depending on whether the hearing officer determines the taking into custody and tow of the vehicle to be valid or invalid, and whether the hearing officer's written order can be appealed.

### Purpose and Authority

(1) These administrative rules govern the hearing process regarding vehicles that will be, or have been taken, into custody by the department pursuant to ORS 819.110 or 819.120.

(2) These Administrative Rules are promulgated pursuant to Oregon Laws 2009, chapter 371 (HB 2739), which requires that if the department is the authority that takes a vehicle into custody pursuant to ORS 819.110 or 819.120 that is located upon the right of way of a state highway, an interstate highway that is part of the National System of Interstate and Defense Highways, or state property, the department is responsible for notices and hearings related to the vehicle taken into custody.

### Scope of Hearing

(1) The owner of the vehicle, a person entitled to possession of the vehicle, or a person with a recorded interest on the title of the vehicle, may request a hearing to contest the validity of the towing and custody of the vehicle.

(2) The owner of the vehicle, a person entitled to possession of the vehicle, or a person with a recorded interest on the title of the vehicle, may request a hearing to contest the reasonableness of the charges for towing and storage only if the department used its own personnel, equipment and facilities in conducting the tow or in storing the vehicle.

### Notice and Request for Hearing

(1) If the department proposes to take or has taken custody of a vehicle in accordance with ORS 819.110 or 819.120, the department shall provide notice as described in ORS 819.170 or 819.180.

(2) A request for hearing shall be made in writing to the department at the address contained in the notice.

(3) Requests for hearing must be received by the department by 5:00 p.m. of the fifth business day (Saturdays, Sundays, and Holidays excluded) following the date of the posting or mailing of the notice. For purposes of this rule, "received by the department" means:

(a) Personally delivered to the Station Commander of the local patrol office in the area in which the vehicle will be, or has been, taken into custody and towed;

(b) Delivered by mail to OSP Headquarters, Patrol Services Division, 255 Capitol Street NE, 4th Floor, Salem, Oregon 97310; or

(c) Received by facsimile machine at telephone number (503) 391-5910.

(4) Requests for hearing shall contain at least the following information:

(a) Petitioner's full name;

(b) Petitioner's complete mailing address;

(c) Telephone number where petitioner can be called between 8 a.m. and 5 p.m.;

(d) A statement of the grounds upon which the person believes the custody and towing of the vehicle is not justified; and

(e) Dates and times within the immediate future that the petitioner cannot appear at a hearing.

(5) Untimely requests for hearing shall not be granted by the department.

(6) A person who requests a hearing but who fails to appear for a scheduled hearing shall not be entitled to another hearing unless the person provides written good cause to the department for the person's failure to appear. For purposes of these administrative rules, "good cause" shall be limited to serious impediments that affect a person's ability to attend a scheduled hearing, such as court conflicts, the death of an immediate family member of the person (verified to the satisfaction of the department), the person's physical incapacity (verified by a physician to the satisfaction of the department), or the person's service in the US Armed Forces, military reserves, National Guard or the organized militia.

### Hearing Process

(1) Within 72 hours of its receipt of a timely request for hearing, the department shall schedule a hearing. The 72 hour period shall not include Saturdays, Sundays, or Holidays.

(2) The department shall provide notice of the hearing to the following persons:

(a) The person requesting the hearing;

(b) The owner(s) of the vehicle; and

(c) Any lessors or security interest holders of the vehicle, as shown in the records of the Oregon Department of Transportation.

(3) Except as otherwise provided in these administrative rules, actions taken by the department or the hearing officer in conducting the hearing or issuing a written order are not subject to the Oregon Administrative Procedures Act, ORS chapter 183.

(4) The Superintendent of the Oregon State Police shall designate officers, officials, or employees of the department to act as hearing officers under these administrative rules, except that a hearings officer shall not be an officer, official, or employee of the department who participated in any determination or investigation related to the actual or proposed taking into custody and removal of the vehicle that is the subject of the hearing. In such case, the Superintendent shall designate another officer, official, or employee of the department to act as the hearings officer.

(5) Hearings shall be conducted by telephonic means, unless the person requesting the hearing provides written justification to the department why the hearing should be conducted in person. In the event a hearing is conduct-

# ADMINISTRATIVE RULES

ed in person, the hearing shall be conducted at the Oregon State Police Headquarters located in Salem, Oregon, or at any other location designated by the hearing officer.

(6) Hearings shall be informal in nature. Hearings shall be recorded and the presentation of evidence shall be consistent with the requirements of ORS 183.450.

(7) If, after the hearing and by substantial evidence on the record, the hearing officer determines that the towing of the vehicle was invalid, the hearing officer shall issue a written order stating the facts of the vehicle tow and the hearing officer's reasoning why the vehicle tow is invalid. The hearing officer's written order shall further order that:

(a) The department shall pay the costs of towing and storage fees as soon as reasonably possible;

(b) The department shall immediately notify the tow company responsible for towing and storing the vehicle that the department is the party responsible for the charges and fees incurred in towing and storing the vehicle;

(c) The vehicle shall be immediately released to the person having a right of possession to the vehicle upon the department notifying the towing company of the department's liability for the towing charges and storage fees;

(d) The person to whom the vehicle is released is not liable for any towing or storage costs or fees; and

(e) If the person to whom the vehicle is to be released has already paid the towing and storage charges for the vehicle, the department shall reimburse the person for those towing and storage charges upon presentation, to the department's satisfaction, of proof of payment of those charges.

(8) If, after the hearing and by substantial evidence on the record, the hearing officer determines that the towing of the vehicle was valid, the hearing officer shall issue a written order stating the facts of the vehicle tow and the hearing officer's reasoning why the vehicle tow is valid. The hearing officer's written order shall further order that the vehicle shall remain in custody until the party claiming the vehicle pays the costs of the department's hearing, if any, as well as all towing and storage costs for the vehicle. In the event that the department has not yet taken the vehicle into custody, the hearing officer shall further order the removal of the vehicle.

(9) In the event that the department has used its own personnel, equipment and facilities for the towing and storage of a vehicle and the owner of the vehicle, a person entitled to possession of the vehicle, or a person with a recorded interest on the title of the vehicle requests a hearing to contest the reasonableness of the charges for towing and storage, the hearing officer shall make written findings and conclusion as to the reasonableness of the tow charges and storage fees in his or her written order.

(10) The hearing officer shall provide a copy of a written order to the person requesting a hearing.

(11) The department shall conduct only one hearing for each vehicle taken into custody or towed under ORS 819.110 or 819.120, even if an otherwise interested party fails to appear at a scheduled hearing, unless the party failing to appear provides written good cause to the department for the interested party's failure to appear.

## 259-008-0060

### Public Safety Officer Certification

(1) Basic, Intermediate, Advanced, Supervisory, Management, Executive and Instructor Certificates are awarded by the Department to law enforcement officers and telecommunicators meeting prescribed standards of training, education, experience; and the levels established by the employing law enforcement units, or public or private safety agencies. Emergency medical dispatchers may be awarded basic certification only.

(2) Basic certification is mandatory and shall be acquired by all police officers, telecommunicators, and emergency medical dispatchers within 18 months of employment, and by all corrections officers within one year of employment unless an extension is granted by the Department.

(3) To be eligible for the award of a certificate, law enforcement officers shall be full-time employees as defined by ORS 181.610 and OAR 259-008-0005 or part-time parole and probation officers, as described in ORS 181.610 and OAR 259-008-0066.

(4) To be eligible for the award of a certificate, law enforcement officers shall meet the Board's prescribed minimum employment standards as established by OAR 259-008-0010.

(5) To be eligible for the award of a certificate, telecommunicators must meet the Board's prescribed minimum employment standards as established by OAR 259-008-0011.

(6) To be eligible for the award of a certificate, law enforcement officers shall subscribe to and swear or affirm to abide by the Criminal Justice Code of Ethics (Form F11). Telecommunicators and emergency medical dispatchers shall subscribe to and swear or affirm to abide by the Telecommunicator Code of Ethics. (Form F-11T). [Form not included. See ED. NOTE.]

(7) Application for certification must be submitted on Form F7, with all applicable sections of the form completed. The form shall be signed by the applicant. In order to insure that the applicant does or does not meet the minimum standards of employment, training, education, and experience, and is competent to hold the level of certification for which the applicant has applied, the department head or authorized representative shall sign the form recommending that the certificate be issued or withheld. If the department head chooses not to recommend the applicant's request for certification, the reason for this decision shall be specified in writing and shall accompany the Application for Certification (Form F7). [Form not included. See ED. NOTE.]

(8) When a department head is the applicant, the above recommendation shall be made by the department head's appointing authority such as the city manager or mayor, or in the case of a specialized agency, the applicant's superior. Elected department heads are authorized to sign as both applicant and department head.

(9) In addition to the requirements set forth above, each applicant, for the award of an Intermediate, Advanced, Supervisory, Management, or Executive Certificate, shall have completed the designated education and training, combined with the prescribed corrections, parole and probation, police or telecommunications experience.

(a) Each quarter credit unit granted by an accredited college or university which operates on a quarterly schedule shall equal one (1) education credit.

(b) Each semester credit unit granted by an accredited college or university operating on a semester schedule shall equal one and one half (1-1/2) education credits.

(c) The Department must receive sealed official transcripts from a college prior to entering college credit on an individual's official record.

(10) Training Points. Twenty (20) classroom hours of job-related training approved by the Department shall equal one (1) training point. (Example: 200 training hours equal 10 training points.)

(a) Basic, Intermediate, Advanced, Supervisory, Middle Management, Executive, or Specialized courses certified, sponsored, or presented by the Department shall be approved.

(b) The Department may award training points for departmental or other in-service training which is recorded and documented in the personnel

# ADMINISTRATIVE RULES

files of the trainee's department. These records shall include the subject, instructor, classroom hours, date, sponsor, and location.

(c) Training completed in other states, military training, and other specialized training, if properly documented may be accepted, subject to staff evaluation and approval. These records shall include the subject, date, and classroom hours, and shall be certified true copies of the original.

(d) Upon receipt of documentation which shall include the source, syllabus, number of hours, dates and successful completion of the course, the Department or its designated staff may award training points for correspondence courses.

(e) College credits earned may be counted for either training points or education credits, whichever is to the advantage of the applicant.

(f) College credit awarded based on training completed may be applied toward either training points or education credits, whichever is to the advantage of the applicant.

(A) Prior to applying an applicant's college credit toward any upper level of certification, the Department must receive documentation of the number of college credits awarded based on training attended.

(B) The training hours identified under paragraph (A) and submitted as college credit toward an upper level of certification will not be included in any calculation of whether the applicant has earned sufficient training hours to qualify for the requested certification level(s).

(i) Any college credit received for practical or skills-based training attended will be calculated at a ratio of 1:20 hours for each quarter credit, for purposes of training hour deductions.

(ii) Any college credit received for academic training attended will be calculated at a ratio of 1:10 hours for each quarter credit, for purposes of training hour deductions.

(g) Notwithstanding subsection (e) and (f) above, no credit can be applied toward both an education credit and training point when originating from the same training event.

## (11) Experience/Employment:

(a) Experience acquired as a corrections, parole and probation, or police officer employed full time with municipal, county, state, or federal agencies, may be accepted if the experience is in the field in which certification is requested and is approved by the Department. For the purpose of this rule, creditable service time for experience will cease to accrue under the following circumstances:

(A) When an individual is employed in a casual, seasonal, or temporary capacity;

(B) When an individual is on "leave." This includes, but is not limited to, medical leave, a leave of absence or military leave;

(C) Notwithstanding section (B) of this rule, a public safety professional may submit a written request for credit for military time served upon return from a military leave. The Department may approve credit for military time served if the public safety professional's military duties are determined to be equivalent to the duties the public safety professional was performing prior to the public safety professional's military leave. Any credit received for time served will be at the discretion of the Department.

(D) From the date a public safety professional's certification is recalled until it is reinstated by the Department;

(E) When a public safety professional fails to obtain Basic certification within a mandated timeframe and is prohibited from being employed as a public safety professional;

(b) Experience acquired as a telecommunicator or emergency medical dispatcher employed with a public or private safety agency may be accepted if the experience is in the field in which certification is requested and is approved by the Department.

(c) Experience acquired as a certified part-time telecommunicator, emergency medical dispatcher as defined in OAR 259-008-0005(12) and (32) respectively, or part time parole and probation officer, as defined under 259-008-0005(20) and (21) and 259-008-0066, shall count on a pro-rated basis.

(d) Police, corrections, parole and probation, telecommunicator, or emergency medical dispatch experience in fields other than that in which certification is requested may receive partial credit when supported by job descriptions or other documentary evidence. In all cases, experience claimed is subject to evaluation and approval by the Department.

(12) The Basic Certificate. In addition to the requirements set forth in section (1) of this rule, the following are required for the award of the Basic Certificate:

(a) Applicants shall have completed a period of service of not less than nine (9) months with one or more law enforcement units, or public or private safety agencies in a certifiable position, in the field in which certification is being requested.

(b) Applicants shall have satisfactorily completed the required Basic Course in the field in which certification is requested or have completed equivalent training as determined by the Department.

(c) Applicants shall have valid first aid and cardiopulmonary resuscitation (CPR) card(s).

(13) The Intermediate Certificate. In addition to the requirements set forth in section (1) of this rule, the following are required for the award of the Intermediate Certificate:

(a) Applicants shall possess a Basic Certificate in the field in which certification is requested.

(b) Applicants shall have acquired the following combinations of education and training points combined with the prescribed years of police, corrections, parole and probation or telecommunications experience, or the college degree designated combined with the prescribed years of experience: [Table not included. See ED. NOTE.]

(14) The Advanced Certificate. In addition to the requirements set forth in section (1) of this rule, the following are required for the award of the Advanced Certificate:

(a) Applicants shall possess or be eligible to possess the Intermediate Certificate in the field in which certification is requested.

(b) Applicants shall have acquired the following combinations of education and training points combined with the prescribed years of corrections, parole and probation, police, telecommunications experience, or the college degree designated combined with the prescribed years of experience: [Table not included. See ED. NOTE.]

(15) The Supervisory Certificate. In addition to requirements set forth in section (1) of this rule, the following are required for the award of the Supervisory Certificate:

(a) Applicants shall possess or be eligible to possess the Advanced Certificate in the field in which certification is requested.

(b) Applicants shall have satisfactorily completed no less than 45 education credits as defined in section (10) of this rule.

(c) Applicants shall have satisfactorily completed the prescribed Supervision Course or an equivalent number of hours of Department approved supervisory level training within five (5) years prior to application for the Supervisory Certificate.

(d) Applicants shall be presently employed in, or have satisfactorily performed the duties associated with the position of a first level supervisor, as defined in ORS 181.610 and OAR 259-008-0005(16), as attested to by the applicant's department head during the time such duties were performed, for a period of one (1) year. The required experience shall have been acquired within five (5) years prior to the date of application.

(e) Upon request of the employing agency, the Department may waive the requirements of subsection (d) of this section, provided the employing agency demonstrates that the applicant performs, on a regular basis, supervisory duties.

(16) The Management Certificate. In addition to requirements set forth in section (1) of this rule, the following are required for the award of the Management Certificate:

(a) Applicants shall possess or be eligible to possess the Supervisory Certificate in the field in which certification is requested.

(b) Applicants shall have satisfactorily completed no less than 90 education credits as defined in section (10) of this rule.

(c) Applicants shall have satisfactorily completed the prescribed Middle Management Course or an equivalent number of hours of Department approved management level training within five (5) years prior to application for the Management Certificate.

(d) Applicants shall be presently employed in, and shall have served satisfactorily in a Middle Management position, as an Assistant Department Head, or as a Department Head as defined in ORS 181.610 and OAR 259-008-0005, for a period of two (2) years. The required experience must have been acquired within five (5) years prior to the date of application.

(e) Upon request of the employing agency, the Department may waive the requirements of subsection (d) of this section, provided the employing agency demonstrates that the applicant performs, on a regular basis, management duties.

(17) The Executive Certificate. In addition to requirements set forth in section (1) of this rule, the following are required for the award of the Executive Certificate:

(a) Applicants shall possess or be eligible to possess the Management Certificate in the field in which certification is requested.

(b) Applicants shall have satisfactorily completed no less than 90 education credits as defined in section (10) of this rule.

(c) Applicants shall have satisfactorily completed 100 hours of Department approved executive level training within five (5) years prior to application for the Executive Certificate.

(d) Applicants shall be presently employed in, and shall have served satisfactorily in a Middle Management position, as an Assistant Department Head, or as a Department Head as defined in OAR 259-008-0005, for a period of two (2) years. The required experience must have been acquired within five (5) years prior to the date of the application.

(e) Upon request of the employing agency, the Department may waive the requirements of subsection (d) of this section, provided the employing agency demonstrates that the applicant performs, on a regular basis, the duties associated with that of a department head or assistant department head.

(18) Multi-discipline Certification. Upon receiving written request from the department head stating a justified and demonstrated need exists for the efficient operation of the employing agency, the Department may approve multi-discipline certification for law enforcement officers who meet all minimum employment, training and education standards established in OAR 259-008-0010, 259-008-0025, and this rule, in the disciplines which they are

# ADMINISTRATIVE RULES

requesting certification. The officer must meet the following requirements for the award of multi-discipline certification:

(a) Basic certification: A law enforcement officer who is certified in one discipline may apply for multi-discipline certification, if employed in or transferred to another discipline within the same law enforcement unit. The applicant must demonstrate completion of all training requirements in the discipline in which certification is being requested.

(b) Higher levels of certification: Law enforcement officers who possess higher levels of certification in one discipline may, upon employment in or transfer to another discipline within the same law enforcement unit, apply for the same level of certification after completion of nine (9) months experience in the discipline in which they are requesting certification, and meeting the requirements for those higher levels of certification as outlined in this rule. This section does not apply to the EMD discipline since it only exists at the basic certification level.

(c) Retention of Multi-discipline certification. In order to maintain multi-discipline certification, each discipline in which certification is held requires successful completion and documentation of training hours by the holders of the certificates every twelve (12) months. The training must be reported to the Department, as follows:

(A) For a law enforcement officer who also holds EMD certification; a minimum of four (4) hours of training, specific to the EMD discipline, must be reported annually as required under OAR 259-008-0064.

(B) For a law enforcement officer who also holds Telecommunicator certification, a minimum of twelve (12) hours of training, specific to the Telecommunicator discipline, must be reported annually as required under OAR 259-008-0064.

(C) A minimum of twenty (20) hours of training, specific to each law enforcement discipline in which certification is held, must be reported annually as required under subsections (h) through (l) of this rule.

(d) The same training may be used for more than one discipline if the content is specific to each discipline. It is the responsibility of the agency head to determine if the training is appropriate for more than one discipline.

(e) The maintenance training cycle for law enforcement officers who are certified in more than one discipline begins on July 1st of each year and ends on June 30th the following year.

(f) The employing agency must maintain documentation of all required maintenance training completed.

(g) If reported on an F-6 Course Roster, required maintenance training must be submitted to the Department by June 30th of each year. Training reported on an F-6 will result in credit for training hours. No training hours will be added to a law enforcement officer's record, unless accompanied by an F-6 Course Roster.

(h) On or after July 1 of each year, the Department will identify all law enforcement officers who are deficient in maintenance training according to Department records and provide notification to the individual and his/her employing agency.

(i) Within 30 days of receipt of the notification in (h) above, the agency or individual must:

(A) Notify the Department of the training status of any law enforcement officer identified as deficient in submitting a Form F-15M or F-15T to the Department; and

(B) Submit an F-15M, or F-15T if multi-discipline includes certification as a telecommunicator or emergency medical dispatcher, identifying the maintenance training completed during the previous one (1) year reporting period.

(C) Maintenance training hours reported to the Department on an F-15M or F-15T will be used solely to verify completion of maintenance training requirements and will not be added to an officer's DPSST training record.

(j) Failure to notify the Department of completion of any required training for individuals with identified training deficiencies will result in a notification of recall letter being sent to the agency head and the officer.

(k) The Department will recall a law enforcement officer's certification for:

(A) Failure to complete or report any required maintenance training identified in section (c) above on or before June 30th of each year; or

(B) Failure to submit a Form F-15M or F-15T within 30 days after a warning notification letter has been sent.

(l) A law enforcement officer with a recalled certification is prohibited from being employed in any position that has been recalled.

(m) Upon documentation of compliance with subsection (i) of this rule, a law enforcement officer may reapply for single or multi-discipline certification as outlined by this rule.

(19) Certificates Are Property of Department. Certificates and awards are the property of the Department, and the Department shall have the power to revoke or recall any certificate or award as provided in the Act.

## 259-008-0064

### Maintenance of Certification for Telecommunicators and Emergency Medical Dispatchers

(1) Basic Certification:

(a) All certified telecommunicators must complete 12 hours of maintenance training annually, regardless of whether they are employed as a telecommunicator.

(b) All certified emergency medical dispatchers must complete four (4) hours of maintenance training annually, regardless of whether they are employed as an emergency medical dispatcher.

(c) The maintenance training cycle begins on July 1st each year and ends on June 30th the following year.

(2)(a) The employing agency must maintain documentation of all required telecommunicator or emergency medical dispatcher maintenance training completed;

(b) An individual who is certified as a telecommunicator or emergency medical dispatcher, but is no longer employed in a certifiable position, is responsible for meeting all maintenance training requirements and maintaining documentation of any maintenance training completed.

(3)(a) If reported on an F-6 Course Roster, required maintenance training must be submitted to the Department by June 30th of each year. Training reported on an F-6 will result in credit for training hours. No training hours will be added to an individual's record, unless accompanied by an F-6 Course Roster.

(b) On or after July 1 of each year, the Department will identify all telecommunicators and emergency medical dispatchers who are deficient in maintenance training according to Department records and provide notification to the individual and his/her employing agency.

(c) Within 30 days of receipt of the notification in (3)(b) above, the agency or individual must notify the Department of the training status of any telecommunicator or emergency medical dispatcher identified as deficient by submitting a Form F-16 to the Department identifying the maintenance training completed during the previous one (1) year reporting period.

(d) Maintenance training hours reported to the Department on an F-16 will be used solely to verify completion of maintenance training requirements and will not be added to the officer's DPSST training record.

(4) Failure to notify the Department of completion of the required training for individuals with identified training deficiencies will result in a notification of recall letter being sent to the agency head and the officer.

(5) The Department will recall a telecommunicator's or emergency medical dispatcher's certification for:

(a) Failure to complete or report any required maintenance training identified in sections (1) or (2) above on or before June 30th of each year; or

(b) Failure to submit a Form F-16 within 30 days after a warning notification letter has been sent.

(6) A telecommunicator or emergency medical dispatcher with a recalled certification is prohibited from being employed in a certifiable position as a telecommunicator or emergency medical dispatcher.

(7)(a) Instructors may apply hours spent instructing a class one (1) time annually toward maintenance training, but instructed hours reported for a class may not exceed the lesser of:

(A) The actual class hours; or

(B) The actual number of hours the instructor spent instructing the class.

(b) The total number of instructed hours applied towards the annual maintenance training requirement may not exceed:

(A) Six (6) hours for a telecommunicator; or

(B) Two (2) hours for an emergency medical dispatcher;

(8) Recertification following a recall may be obtained at the approval of DPSST by submitting the following to DPSST:

(a) A written request from the employing agency head, or individual if unemployed, requesting recertification, along with a justification of why the maintenance training was not completed; and

(b) Verification that the missed training was completed.

(9) Notwithstanding paragraph (5) of this subsection, the failure of a telecommunicator or emergency medical dispatcher to complete required maintenance training will not result in recall of certification if the telecommunicator or emergency medical dispatcher on authorized leave of absence from a public or private safety agency;

(10) The Department may grant an extension of time for completion of any required training or in-service training based upon good cause. A written request for an extension of time must be submitted to the Department by the agency head.

## Department of Revenue Chapter 150

**Rule Caption:** Interest on deficiencies and delinquencies; interest on refunds.

**Adm. Order No.:** REV 9-2009

**Filed with Sec. of State:** 12-21-2009

**Certified to be Effective:** 1-1-10

**Notice Publication Date:** 10-1-2009

**Rules Amended:** 150-305.220(1), 150-305.220(2)

**Subject:** OAR 150-305.220(1) and 150-305.220(2) are amended to reflect a decrease in the interest rate paid on refunds and charged on deficiencies as provided by ORS 305.220(3). These changes apply to interest periods beginning on or after January 1, 2010.

**Rules Coordinator:** Debra L. Buchanan—(503) 945-8653

### 150-305.220(1)

#### Interest on Deficiencies and Delinquencies

(1) Adjustment to statutory rate. For interest periods beginning on or after January 1, 2010, unless otherwise provided by law, every deficiency and delinquency arising under any law administered by the Department of Revenue will bear interest at the rate of 0.4167 percent per month (5 percent annually). For a fraction of a month, interest will be computed at 0.0137 percent per day. For historic interest rates, see section (4) of this rule.

(2) Interest starting date. The interest starting date for deficiencies and delinquencies will be one day after the due date of the return, excluding extensions.

(3) Interest periods. An interest period is each full month starting with the interest starting date and ending one day before the corresponding date one month later. Interest will be computed on a daily basis for a fraction of a month. The daily rate is based on a 365-day year.

(4) Interest rates. The following table shows interest rates and interest periods used by the Oregon Department of Revenue to compute interest due from taxpayers on deficiencies and delinquencies. [Table not included. See ED. NOTE.]

(5) Decimal places used in computations. In all computations, the interest rate will consist of six decimal places.

**Example A:** A 2002 return is filed and a tax of \$500 is paid on February 25, 2006.

Interest is computed as follows:

4/16/2003 – 1/15/2004 9 mos. @ .5833% = \$ 26.25

1/16/2004 – 1/15/2005 12 mos. @ .5% = 30.00

1/16/2005 – 1/15/2006 12 mos. @ .4167% = 25.00

1/16/2006 – 2/15/2006 1 month @ .5833% = 2.92

2/16/2006 – 2/25/2006 10 days @ .0192% = .96

Total interest \$ 85.13

The new interest rate, even though effective on the first day of a month, does not apply until the first day of the first interest period that begins after the effective date. In this example, the first interest period begins on the 16th of the month.

### 150-305.220(2)

#### Interest on Refunds

(1) Adjustment to statutory rate. For interest periods beginning on or after January 1, 2010, unless specifically provided by statute or by rule, every refund arising under any law administered by the Department of Revenue will bear interest at the rate of 0.4167 percent per month (5 percent annually). For a fraction of a month, interest will be computed at 0.0137 percent per day. For historic rates, see section (6) of this rule.

(2) Interest starting date.

(a) As provided in OAR 150-314.415, the interest starting date for refunds of individual income tax, corporate excise tax, or corporate income tax, is 45 days after the date the tax was paid, 45 days after the return was due or 45 days after the original return was filed, whichever is latest.

(b) The interest starting date for refunds not described in (2)(a) is 45 days after the return was due or 45 days after the date the tax was paid, whichever is later.

(3) Interest periods. An interest period is each full month starting with the interest starting date and ending one day before the corresponding date

one month later. Interest will be computed on a daily basis for a fraction of a month. The daily rate is based on a 365 day year.

(4) Interest rates. For interest periods beginning on or after June 1, 1983, the interest rate paid on refunds will be the same as the interest rate charged on deficiencies and delinquencies.

(5) Decimal places used in computations. In all computations, the interest rate will consist of six decimal places.

(6) The following table shows interest rates used by the Oregon Department of Revenue to compute interest due to taxpayers on refunds. [Table not included. See ED. NOTE.]

**Example 1:** Debby files her 2002 return on April 15, 2003. Debby later files a 2002 amended return on May 15, 2005, asking for a refund of \$500. The refund is paid on

July 22, 2005. The interest is computed as follows:

5/30/2003 – 1/29/2004 8 mos. @ .5833% = \$23.33

1/30/2004 – 1/29/2005 12 mos. @ .5% = 30.00

1/30/2005 – 6/29/2005 5 mos. @ .4167% = 10.42

6/30/2005 – 7/22/2005 23 days @ .0137% = 1.58

Total interest \$65.33

The new interest rate, even though effective on the first day of a month, does not apply until the first day of the first interest period that begins after the effective date. In this example, the first interest period begins on the 30th of the month.

**Example 2:** Tom filed his 2004 return and paid the tax due on April 6, 2005. On

November 1, 2006, Tom filed a 2004 amended return to claim a refund of \$1,000. The

refund was paid on December 11, 2006. The interest starting date is May 30, 2005,

the 45th day after the return was due. The interest is computed as follows:

5/30/2005 – 01/29/2006 8 mos. @ .4167% = 33.34

1/30/2006 – 11/29/2006 10 mos. @ .5833% = 58.33

11/30/2006 – 12/11/2006 12 days @ .0192% = 2.30

Total interest \$ 93.97

## 150-118.225

### Extension of Time to Pay Tax

(1)(a) An application for extension of time to pay the inheritance tax shown on the return shall be by letter mailed to the Department within nine months after the date of decedent's death or within the time of any extension granted for filing of the return.

(b) An application for extension of time to pay a tax deficiency shall be by letter mailed to the Department within thirty days from the date of mailing of the notice of deficiency. The department shall consider that an extension of time to pay the tax has been granted if the executor has obtained an approved federal extension and collateral has been provided to the department. The extended period for the department shall agree with the extended period for federal purposes. The federal extension must be submitted with the return. An approved federal extension to pay shall not waive the penalties for late filing and interest shall accrue during the extension period.

(2) An extension of time will be granted for reasonable cause. For example, reasonable cause will generally exist where:

(a) Funds are not available to pay the tax except by disposing of property at a sacrifice price (less than market value) or by borrowing money at a rate in excess of the mortgage money market (on terms that would inflict loss on the estate), or

(b) The gross taxable estate includes a beneficial interest in a closely held business where the value of such interest exceeds either 35 percent of the gross taxable estate or 50 percent of the net taxable estate. For purposes of the 35 percent and 50 percent tests provided in this paragraph, interest in two or more closely held businesses shall be treated as an interest in a single closely held business.

(3) The time to pay the tax shall be extended only on the portion of the tax attributable to the interest in the closely held business.

(4) For purposes of this rule, "interest in a closely held business" means an interest as described below determined immediately before the decedent's death:

(a) An interest as a proprietor in a trade or business carried on as a proprietorship;

(b) An interest as a partner in a partnership carrying on a trade or business if 20 percent or more of the total capital interest in such partnership is included in the gross taxable estate, or such partnership has 15 or fewer partners;

(c) Stock in a corporation carrying on a trade or business if 20 percent or more of the voting stock of such corporation is included in the gross taxable estate, or such corporation had 15 or fewer shareholders. Stock or a partnership interest which is held by a husband and wife as community property or as joint tenants, tenants by the entirety, or tenants in common shall be treated as owned by one shareholder or one partner, whichever is applicable.

(d) A "trade or business" does not include an investment or holding company.

(5) If the time for payment has been extended, the amount extended shall be paid in equal annual installments plus accrued interest. If any installment is not paid on or before the date fixed for its payment, the unpaid portion of the tax payable in installments shall be paid upon notice and demand from the Department.

(6) An extension of time for payment of tax shall generally cease to apply, and any unpaid portion of the tax payable in installments shall be paid upon notice and demand from the Department if:

(a) One-third or more in value of an interest in a closely held business is sold, exchanged or otherwise disposed of; or

(b) Aggregate withdrawals of money and other property from the closely held business equal or exceed one-third of the value of such closely held business.

(7) Collateral acceptable to the Department will generally include the following:

(a) First mortgage on real property having a value of double the extended tax;

(b) Assignment of a contract and deed for the sale of real property where the market value of the contract is double the amount of the extended tax;

(c) A surety bond in double the amount of the extended tax executed by a corporation licensed to do business in the State of Oregon. Such bond shall be renewed every five years.

(8) Examples of reasonable cause:

(a) "A" died January 10, 1997, leaving a gross estate of \$1,200,000 of which \$700,000 was the value of a retail store operated by the decedent. The balance of the estate was listed securities, cash, a family residence and miscellaneous personal effects. The taxable estate was \$850,000 on which the Oregon tax was \$25,200. The portion that could be extended is \$20,753. (\$700,000 divided by \$850,000) multiplied by \$25,200 equals \$20,753.

(b) "B" died February 1, 1997, leaving a taxable estate of \$1,000,000 of which \$700,000 was stock in a closely held corporation. The balance of the

property was listed securities and personal effects. The corporation was a holding company with the majority of corporate assets invested in real estate. It was not shown that money could only be borrowed on terms that would inflict loss upon the estate. An extension would not be granted.

(c) "C" died January 1, 1997, leaving a taxable estate of \$1,000,000. The estate included farm land valued at \$500,000. The balance of the estate was real property, listed securities, cash and personal effects. The farm land was leased for cash rent. Because this is an investment in real property, it would not be considered a trade or business and the tax would not be extended.

(d) "D" died May 10, 1997, leaving a taxable estate of \$750,000 including a tree farm valued at \$400,000. The farm consisted of all pre-merchandise timber. It was shown that the farm could only be sold at a sacrifice price in a depressed market and that money could only be borrowed on terms that would inflict loss upon the estate. The tax of \$10,880 would be extended. (\$400,000 divided by \$750,000) multiplied by \$20,400 equals \$10,880.

(e) "E" died May 10, 1997, leaving a taxable estate of \$5,000,000 of which tree farms were valued at \$1,000,000. The balance of the estate was comprised of merchantable timber and timberlands valued at \$2,000,000 and an interest in a closely held lumber manufacturing company valued at \$2,000,000. Only the portion of the tax attributable to the closely held business (\$156,640) would qualify for the extension. Other reasonable causes were not shown. (\$2,000,000 divided by \$5,000,000) multiplied by \$391,600 equals \$156,640.

## 150-314.280-(N)

### Modified Factors for Financial Organizations

(1) This rule is based on a model regulation adopted by the Multistate Tax Commission to promote uniform treatment of this item by the states. A financial institution having income from business activity that is taxable both within and without this state must allocate and apportion its net income as provided in this rule for tax years beginning on or after January 1, 1993. All items of nonbusiness income (income that is not includable in the apportionable tax base) must be allocated pursuant to the provisions of ORS 314.610 through 314.645 and the rules thereunder. A financial institution organized under the laws of a foreign country, the Commonwealth of Puerto Rico, or a territory or possession of the United States whose effectively connected income (as defined under the Federal Revenue Code) is taxable both within this state and within another state, other than the state in which it is organized, must allocate and apportion its net income as provided in this rule.

(2)(a) For tax years beginning on or after January 1, 1991 and before May 1, 2003, all business income must be apportioned to this state by multiplying the income by a fraction. The numerator of the fraction is two times the sales factor, as described in section (4) of this rule, plus the property factor, as described in section (5) of this rule, plus the payroll factor, as described in section (6) of this rule. The denominator of the fraction is four. If one of the factors is missing, the remaining factors are added and the sum is divided by three (divide by two if the missing factor is the sales factor). A factor is missing if both its numerator and denominator are zero, but it is not missing merely because its numerator is zero.

(b) For tax years beginning on or after May 1, 2003 and before July 1, 2005, all business income must be apportioned to this state by multiplying the income by a multiplier equal to 80 percent of the sales factor described in section (4) of this rule plus 10 percent of the property factor described in section (5) of this rule plus 10 percent of the payroll factor described in section (6) of this rule.

(c) For tax years beginning on or after July 1, 2005, all business income must be apportioned to this state by multiplying the income by a multiplier equal to 100 percent of the sales factor described in section (4) of this rule.

(d) Each factor must be computed according to the method of accounting (cash or accrual) used by the taxpayer for the taxable year.

(e) See OAR 150-314.280-(M) for other methods of apportionment and allocation or modification of the method in this rule that may be allowable.

(3) Definitions as used in this rule, unless the context otherwise requires:

(a) "Billing address" means the location indicated in the books and records of the taxpayer on the first day of the taxable year (or on such later date in the taxable year when the customer relationship began) as the address where any notice, statement, or bill relating to a customer's account is mailed.

(b) "Borrower or credit card holder located in this state" means:

(A) A borrower, other than a credit card holder, that is engaged in a trade or business that maintains its commercial domicile in this state; or

(B) A borrower that is not engaged in a trade or business or a credit card holder whose billing address is in this state.

(c) "Commercial domicile" means:

(A) The headquarters of the trade or business, that is, the place from which the trade or business is principally managed and directed; or

(B) If a taxpayer is organized under the laws of a foreign country, or of the Commonwealth of Puerto Rico, or any territory or possession of the

## ADMINISTRATIVE RULES

United States, such taxpayer's commercial domicile is deemed for the purposes of this rule to be the state of the United States or the District of Columbia from which such taxpayer's trade or business in the United States is principally managed or directed. It is presumed, subject to rebuttal, that the location from which the taxpayer's trade or business is principally managed and directed is the state of the United States or the District of Columbia to which the greatest number of employees are regularly connected or out of which they are working, no matter where the services of such employees are performed, as of the last day of the taxable year.

(d) "Credit card" means credit, travel or entertainment card.

(e) "Credit card issuer's reimbursement fee" means the fee a taxpayer receives from a merchant's bank because one of the persons to whom the taxpayer has issued a credit card has charged merchandise or services provided by the merchant to the credit card. (f) "Financial corporation" has the same meaning as "financial institution" in subsection (3)(g) of this rule.

(g) "Financial institution" is defined in ORS 314.610(4).

(h) "Loan" means any extension of credit resulting from direct negotiations between the taxpayer and its customer, or the purchase, in whole or in part, of such extension of credit from another. Loans include participations, syndications, and leases treated as loans for federal income tax purposes. Loans do not include: loans representing property acquired in lieu of or pursuant to a foreclosure under section 595 of the federal Internal Revenue Code; futures or forward contracts; options; notional principal contracts such as swaps; credit card receivables, including purchased credit card relationships; noninterest bearing balances due from other depository institutions; cash items in the process of collection; federal funds sold; securities purchased under agreements to resell; assets held in a trading account; securities; interests in a REMIC, or other mortgage-backed or asset-backed security; and other similar items.

(i) "Loan secured by real property" means that 50 percent or more of the aggregate value of the collateral used to secure a loan or other obligation, when valued at fair market value as of the time the original loan or obligation was incurred, was real property.

(j) "Merchant discount" means the fee (or negotiated discount) charged to a merchant by the taxpayer for the privilege of participating in a program whereby a credit card is accepted in payment for merchandise or services sold to the card holder.

(k) "Participation" means an extension of credit in which an undivided ownership interest is held on a pro rata basis in a single loan or pool of loans and related collateral. In a loan participation, the credit originator initially makes the loan and then subsequently resells all or a portion of it to other lenders. The participation may or may not be known to the borrower.

(l) "Person" means an individual, estate, trust, partnership, corporation, and any other business entity.

(m) "Principal base of operations" with respect to transportation property means the place of more or less permanent nature from which said property is regularly directed or controlled. With respect to an employee, the "principal base of operations" means the place of more or less permanent nature from which the employee regularly:

(A) Starts his or her work and to which the employee customarily returns in order to receive instructions from the employer, or

(B) Communicates with customers or other persons, or

(C) Performs any other functions necessary to the exercise of the employee's trade or profession at some other point or points.

(n) "Real property owned" and "tangible personal property owned" means real and tangible personal property, respectively.

(A) On which the taxpayer may claim depreciation for federal income tax purposes; or

(B) Property to which the taxpayer holds legal title and on which no other person may claim depreciation for federal income tax purposes (or could claim depreciation if subject to federal income tax). Real and tangible personal property do not include coin, currency, or property acquired in lieu of or pursuant to a foreclosure.

(o) "Regular place of business" means an office at which the taxpayer conducts business in a regular and systematic manner and that is continuously maintained, occupied, and used by employees of the taxpayer.

(p) "State" is defined in ORS 314.610(8).

(q) "Syndication" means an extension of credit in which two or more persons fund and each person is at risk only up to a specified percentage of the total extension of credit or up to a specified dollar amount.

(r) "Taxable" is defined as "taxable in another state" in ORS 314.620.

(s) "Transportation property" means vehicles and vessels capable of moving under their own power, such as aircraft, trains, water vessels, and motor vehicles, as well as any equipment or containers attached to such property, such as rolling stock, barges, trailers, or the like.

(4) Sales Factor.

(a) In general. The sales factor is a fraction as provided in ORS 314.665(1). The sales factor includes only those receipts described herein that constitute business income and are included in the computation of the apportionable income base for the taxable year.

(b) Receipts from the lease of real property. See OAR 150-314.665(4).

(c) Receipts from the lease of tangible personal property.

(A) Except as described in paragraph (B) of this subsection, the numerator of the sales factor includes receipts from the lease or rental of tangible personal property owned by the taxpayer if the property is located within this state when it is first placed in service by the lessee.

(B) Receipts from the lease or rental of transportation property owned by the taxpayer are included in the numerator of the sales factor to the extent that the property is used in this state. The extent an aircraft is deemed to be used in this state is determined by multiplying the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft. If the extent of the use of any transportation property within this state cannot be determined, then the property is deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle is deemed to be used wholly in the state in which it is registered.

(d) Interest from loans secured by real property.

(A) The numerator of the sales factor includes interest and fees or penalties in the nature of interest from loans secured by real property if the property is located within this state. If the property is located both within this state and one or more other states, the receipts described in this subsection are included in the numerator of the sales factor if more than 50 percent of the fair market value of the real property is located within this state. If more than 50 percent of the fair market value of the real property is not located within any one state, then the receipts described in this subsection must be included in the numerator of the sales factor if the borrower is located in this state.

(B) The determination of whether the real property securing a loan is located within this state is made as of the time the original agreement was made, and any and all subsequent substitutions of collateral are disregarded.

(e) Interest from loans not secured by real property. The numerator of the sales factor includes interest and fees or penalties in the nature of interest from loans not secured by real property if the borrower is located in this state.

(f) Net gains from the sale of loans. The numerator of the sales factor includes net gains from the sale of loans. Net gains from the sale of loans includes income recorded under the coupon stripping rules of section 1286 of the Internal Revenue Code.

(A) The amount of net gains (but not less than zero) from the sale of loans secured by real property included in the numerator is determined by multiplying such net gains by a fraction, the numerator of which is the amount included in the numerator of the sales factor pursuant to subsection (d) of this section and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

(B) The amount of net gains (but not less than zero) from the sale of loans not secured by real property included in the numerator is determined by multiplying such net gains by a fraction, the numerator of which is the amount included in the numerator of the sales factor pursuant to subsection (e) of this section and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

(g) Receipts from credit card receivables. The numerator of the sales factor includes interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to card holders, such as annual fees, if the billing address of the card holder is in this state.

(h) Net gains from the sale of credit card receivables. The numerator of the sales factor includes all net gains (but not less than zero) from the sale of credit card receivables multiplied by a fraction, the numerator of which is the amount included in the numerator of the sales factor pursuant to subsection (g) of this section and the denominator of which is the taxpayer's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.

(i) Credit card issuer's reimbursement fees. The numerator of the sales factor includes all credit card issuer's reimbursement fees multiplied by a fraction, the numerator of which is the amount included in the numerator of the sales factor pursuant to subsection (g) of this section and the denominator of which is the taxpayer's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to card holders.

(j) Receipts from merchant discount. The numerator of the sales factor includes receipts from merchant discount if the commercial domicile of the merchant is in this state. Such receipts are computed net of any card holder charge backs, but are not reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its card holders.

(k) Loan servicing fees.

(A) The numerator of the sales factor includes loan servicing fees derived from loans secured by real property multiplied by a fraction, the numerator of which is the amount included in the numerator of the sales factor pursuant to subsection (d) of this section and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans secured by real property.

(B) The numerator of the sales factor includes loan servicing fees derived from loans not secured by real property multiplied by a fraction, the numerator of which is the amount included in the numerator of the sales fac-

tor pursuant to subsection (e) of this section and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans not secured by real property.

(C) In circumstances in which the taxpayer receives loan servicing fees for servicing either the secured or the unsecured loans of another, the numerator of the sales factor must include such fees if the borrower is located in this state.

(l) Receipts from services. See OAR 150-314.665(4).

(m) Receipts from investment assets and activities and trading assets and activities.

(A) Interest, dividends (less Oregon dividend deduction), net gains (but not less than zero), and other income from investment assets and activities and from trading assets and activities are included in the sales factor. Investment assets and activities and trading assets and activities include but are not limited to: investment securities, trading account assets, federal funds; securities purchased and sold under agreements to resell or repurchase, options, future contracts, forward contracts, notional principal contracts such as swaps, equities, and foreign currency transactions. With respect to the investment and trading assets and activities described in subparagraphs (i) and (ii) of this paragraph, the sales factor includes the amounts described in such subparagraphs.

(i) The sales factor includes the amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements.

(ii) The sales factor includes the amount by which interest, dividends (less Oregon dividend deduction), gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from such assets and activities.

(B) The numerator of the sales factor includes interest, dividends (less Oregon dividend deduction), net gains (but not less than zero), and other income from investment assets and activities and from trading assets and activities described in paragraph (A) that are attributable to this state.

(i) The amount of interest, dividends (less Oregon dividend deduction), net gains (but not less than zero) and other income from investment assets and activities in the investment account to be attributed to this state and included in the numerator of the sales factor is determined by multiplying all such income from such assets and activities by a fraction, the numerator of which is the average value of such assets that are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the average value of all such assets.

(ii) The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this state and included in the numerator of the sales factor is determined by multiplying the amount described in subparagraph (i) of paragraph (A) from such funds and such securities by a fraction, the numerator of which is the average value of federal funds sold and securities purchased under agreements to resell that are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the average value of all such funds and such securities.

(iii) The amount of interest, dividends (less Oregon dividend deduction), gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, (but excluding amounts described in subparagraphs (i) and (ii) of this paragraph), attributable to this state and included in the numerator of the sales factor is determined by multiplying the amount described in subparagraph (ii) of paragraph (A) by a fraction, the numerator of which is the average value of such trading assets that are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the average value of all such assets.

(iv) For purposes of this paragraph, average value is determined using the rules for determining the average value of tangible personal property set forth in subsections (c) and (d) of section (5).

(C) In lieu of using the method set forth in paragraph (B) of this subsection, the taxpayer may elect, or the department may require in order to fairly represent the business activity of the taxpayer in this state, the use of the method set forth in this paragraph.

(i) The amount of interest, dividends (less Oregon dividend deduction), net gains (but not less than zero), and other income from investment assets and activities in the investment account to be attributed to this state and included in the numerator of the sales factor is determined by multiplying all such income from such assets and activities by a fraction, the numerator of which is the gross income from such assets and activities that are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the gross income from all such assets and activities.

(ii) The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this state and included in the numerator of the sales factor is determined by multiplying the amount described in subparagraph (i) of paragraph (A) from such funds and such securities by a

fraction, the numerator of which is the gross income from such funds and such securities that are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the gross income from all such funds and such securities.

(iii) The amount of interest, dividends (less Oregon dividend deduction), gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions (but excluding amounts described in subparagraphs (i) and (ii) of this paragraph) attributable to this state and included in the numerator is determined by multiplying the amount described in subparagraph (ii) of paragraph (A) by a fraction, the numerator of which is the gross income from such trading assets and activities that are properly assigned to a regular place of business of the taxpayer within this state and the denominator of which is the gross income from all such assets and activities.

(D) If the taxpayer elects or is required by the department to use the method set forth in paragraph (C) of this subsection, it must use this method on all subsequent returns unless the taxpayer receives prior written permission from the department, or the department requires the use of a different method.

(E) The taxpayer has the burden of proving that an investment asset or activity or trading asset or activity was properly assigned to a regular place of business outside of this state by demonstrating that the day-to-day decisions regarding the asset or activity occurred at a regular place of business outside this state. Where the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than one regular place of business, and one such regular place of business is in this state and one such regular place of business is outside this state, such asset or activity is considered to be located at the regular place of business of the taxpayer where the investment or trading policies or guidelines with respect to the asset or activity are established. Unless the taxpayer demonstrates to the contrary, such policies and guidelines are presumed to be established at the commercial domicile of the taxpayer.

(n) All other receipts. The numerator of the sales factor includes all other receipts pursuant to the rules set forth under ORS 314.665.

(o) Attribution of certain receipts to commercial domicile. All receipts that would be assigned under this section to a state in which the taxpayer is not taxable are included in the numerator of the sales factor if the taxpayer's commercial domicile is in this state.

(5) Property Factor.

(a) In general. The property factor is a fraction, the numerator of which is the average value of the taxpayer's real property, tangible personal property, loans, and credit card receivables located and used within this state during the taxable year and the denominator of which is the average value of all such property located and used both within and without this state during the taxable year.

(b) Property included. The property factor includes only property the income or expenses of which are included (or would have been included if not fully depreciated or expensed, or depreciated or expensed to a nominal amount) in the computation of the apportionable income base for the taxable year.

(c) Value of property owned by the taxpayer.

(A) The value of real property and tangible personal property owned by the taxpayer is the original cost or other basis of such property for federal income tax purposes without regard to depletion, depreciation, or amortization.

(B) Loans are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a loan is charged off in whole or in part for federal income tax purposes, the portion of the loan charged off is not outstanding. A specifically allocated reserve established pursuant to regulatory or financial accounting guidelines that is treated as charged off for federal income tax purposes is treated as charged off for purposes of this section.

(C) Credit card receivables are valued at their outstanding principal balance, without regard to any reserve for bad debts. If a credit card receivable is charged off in whole or in part for federal income tax purposes, the portion of the receivable charged off is not outstanding.

(d) Average value of property owned by the taxpayer. See OAR 150-314.655(2)-(A) and 150-314.655(3).

(e) Average value of real property and tangible personal property rented to the taxpayer. See OAR 150-314.655(2)-(B).

(f) Location of real property and tangible personal property owned by or rented to the taxpayer.

(A) Except as described in paragraph (B) of this subsection, real property and tangible personal property owned by or rented to the taxpayer is considered to be located within this state if it is physically located, situated, or used within this state.

(B) Transportation property is included in the numerator of the property factor to the extent that the property is used in this state. The extent an aircraft is deemed to be used in this state and the amount of value that is included in the numerator of this state's property factor is determined by multiplying the average value of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft everywhere. If the extent

# ADMINISTRATIVE RULES

of the use of any transportation property within this state cannot be determined, then the property is deemed to be used wholly in the state in which the property has its principal base of operations. A motor vehicle is deemed to be used wholly in the state in which it is registered.

(g) Location of loans.

(A)(i) A loan is considered to be located within this state if it is properly assigned to a regular place of business of the taxpayer within this state.

(ii) A loan is properly assigned to the regular place of business with which it has a preponderance of substantive contacts. A loan assigned by the taxpayer to a regular place of business without the state is presumed to have been properly assigned if:

(I) The taxpayer has assigned, in the regular course of its business, such loan on its records to a regular place of business consistent with federal or state regulatory requirements;

(II) Such assignment on its records is based upon substantive contacts of the loan to such regular place of business; and

(III) The taxpayer uses said records reflecting assignment of loans for the filing of all state and local tax returns for which an assignment of loans to a regular place of business is required.

(iii) The presumption of proper assignment of a loan provided in subparagraph (A)(ii) of this section may be rebutted upon a showing by the department, supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding such loan did not occur at the regular place of business to which it was assigned on the taxpayer's records. When such presumption has been rebutted, the loan is located within this state if:

(I) The taxpayer had a regular place of business within this state at the time the loan was made; and

(II) The taxpayer fails to show, by a preponderance of the evidence, that the preponderance of substantive contacts regarding such loan did not occur within this state.

(B) In the case of a loan that is assigned by the taxpayer to a place within this state that is not a regular place of business, it is presumed, subject to rebuttal by the taxpayer on a showing supported by the preponderance of evidence, that the preponderance of substantive contacts regarding the loan occurred within this state if, at the time the loan was made the taxpayer's commercial domicile, as defined by subsection (3)(c), was within this state.

(C) To determine the state in which the preponderance of substantive contacts relating to a loan have occurred, the facts and circumstances regarding the loan at issue will be reviewed on a case-by-case basis and consideration will be given to such activities as the solicitation, investigation, negotiation, approval, and administration of the loan. The terms "solicitation," "investigation," "negotiation," "approval," and "administration" are defined as follows:

(i) Solicitation. Solicitation is either active or passive. Active solicitation occurs when an employee of the taxpayer initiates the contact with the customer. Such activity is located at the regular place of business that the taxpayer's employee is regularly connected with or working out of, regardless of where the services of such employee were actually performed. Passive solicitation occurs when the customer initiates the contact with the taxpayer. If the customer's initial contact was not at a regular place of business of the taxpayer, the regular place of business, if any, where the passive solicitation occurred is determined by the facts in each case.

(ii) Investigation. Investigation is the procedure whereby employees of the taxpayer determine the credit-worthiness of the customer as well as the degree of risk involved in making a particular agreement. Such activity is located at the regular place of business that the taxpayer's employees are regularly connected with or working out of, regardless of where the services of such employees were actually performed.

(iii) Negotiation. Negotiation is the procedure whereby employees of the taxpayer and its customer determine the terms of the agreement (e.g., the amount, duration, interest rate, frequency of repayment, currency denomination, and security required). Such activity is located at the regular place of business that the taxpayer's employees are regularly connected with or working out of, regardless of where the services of such employees were actually performed.

(iv) Approval. Approval is the procedure whereby employees or the board of directors of the taxpayer make the final determination whether to enter into the agreement. Such activity is located at the regular place of business that the taxpayer's employees are regularly connected with or working out of, regardless of where the services of such employees were actually performed. If the board of directors makes the final determination, such activity is located at the commercial domicile of the taxpayer.

(v) Administration. Administration is the process of managing the account. This process includes bookkeeping, collecting the payments, corresponding with the customer, reporting to management regarding the status of the agreement, and proceeding against the borrower or the security interest if the borrower is in default. Such activity is located at the regular place of business that oversees this activity.

(h) Location of credit card receivables. For purposes of determining the location of credit card receivables, credit card receivables are treated as loans and are subject to the provisions of subsection (g) of this section.

(i) Period for which properly assigned loan remains assigned. A loan that has been properly assigned to a state, absent any change of material fact, remains assigned to that state for the length of the original term of the loan. Thereafter, the loan may be properly assigned to another state if the loan has a preponderance of substantive contact to a regular place of business there.

(6) Payroll factor. In general, the payroll factor is determined as provided in ORS 314.660 and the rules thereunder.

### Dependent Care Credits: General Information

(1) For tax years beginning on or after January 1, 2002, taxpayers must apply to the Child Care Division of the Employment Department and receive certification before being eligible for the Dependent Care Assistance or Dependent Care Information and Referral Services credits. See chapter 414, division 300 of the Oregon Administrative Rules (e.g., OAR 414-300-0000 to 414-300-0410) and contact the Child Care Division of the Employment Department for more information.

(2) For taxable years beginning on or after January 1, 1988, the following credits are available to employers that provide dependent care assistance or information and referral services to their employees:

(a) Dependent Care Assistance Credit. This credit is available to employers for the expenses paid or incurred by the employer for the care of employees' dependents.

(b) Dependent Care Information and Referral Services Credit. This credit is available to employers that provide information and referral services to assist their employees in obtaining dependent care.

(3) Any tax credit otherwise allowable that is not used by the taxpayer in a tax year may be carried forward and offset against the taxpayer's tax liability for up to five tax years. The amount of credit carried forward to a succeeding tax year is the sum of credits that exceed the tax liability, after other credits, for all prior tax years that are within the carryover period. The following publication statement is needed if the rule references external resources such as the Internal Revenue Code, Treasury Regulations, etc. If it does not make such a reference, please delete the statement from your draft.

(a) If a credit carried forward from a prior year and a current year's credit are available, the taxpayer must use the credit from the prior year first and then the current year's credit.

(b) If a credit carried forward from a prior year and a current year's credit are available, the two credits may be combined and taken up to the amount of tax liability for the year.

(4) If the taxpayer is an individual and the tax year is changed resulting in a short period return (a return covering a period of less than 12 months), the credit must be computed in a manner consistent with ORS 314.085.

(5) If the taxpayer is a part-year resident individual, the credit must be computed in a manner consistent with ORS 316.117.

## 150-315.262

### Working Family Childcare Credit

(1) Definitions. For purposes of ORS 315.262 and this rule:

(a) "Federal poverty level" means the federal poverty level for the same tax year as determined by the federal Department of Health and Human Services.

(b) "Household size" generally means the number of individuals related by birth, marriage, or adoption who are living in the home and are allowed as exemptions on the taxpayer's return. There are special rules for children whose parents are divorced, legally separated, or permanently living apart. See section (4) of this rule for those special rules.

**Example 1:** Chris and Shelly live together but are not married. They have two children together: Tyler and Alec. Each child could be the qualifying child of one parent or the other, but not both parents. Each parent may claim their qualifying child(ren) in their household size. See definition of qualifying child later in this section.

**Example 2:** Mike and Sarah are married and have three children and also support Sarah's parents who do not live with Mike and Sarah in their home. Because they meet the federal tests for claiming individuals not living with them, their federal return allows seven exemptions. Mike and Sarah cannot increase their household size by the people they claim as dependents on their federal return that do not live with them. Their household size for purposes of the working family childcare credit is five.

(c) "Physical or cognitive condition" means a state where an individual's ability to perform a basic activity of daily living is markedly restricted where all or substantially all of the time, even with therapy and the use of appropriate devices and medication, the individual is unable (or requires an inordinate amount of time) to perform an activity of daily living. "Activities of daily living" include:

(A) Bathing;

# ADMINISTRATIVE RULES

(B) Dressing oneself, except that it does not include any of the activities of identifying, finding, shopping for or otherwise procuring clothing;

(C) Feeding oneself, except that it does not include any of the activities of identifying, finding, shopping for or otherwise procuring food, or the activity of preparing food to the extent that the time associated with the activity would not have been necessary in the absence of a dietary restriction or regime;

(D) Medicating oneself;

(E) Toileting; or

(F) Transferring, ambulating, and being mobile.

(d) "Qualifying child" means a son, daughter, stepson, stepdaughter, grandchild, step grandchild, brother, sister, stepbrother, stepsister, niece, nephew, step niece, step nephew, eligible foster child, child legally placed with the taxpayer for adoption by the taxpayer, or adopted child of the taxpayer, and descendants of all such individuals who:

(A) Lived more than half the year with the qualifying taxpayer;

(B) Is under 13 years of age or who is a disabled child of the taxpayer for whom the additional exemption credit under ORS 316.099 is allowed; and

(C) Is not claimed as a qualifying child by another taxpayer. A child can only be the qualifying child of one taxpayer. See section (4) of this rule for the special rules for divorced and separated parents and taxpayers filing as married filing separately.

**Example 3:** John and Kim have never been married and have two children: Kyle who lives with John all year, and Shannon who lives with Kim all year. In the summer each child spends one month with the child's other parent and sibling. John has both Kyle and Shannon in July and Kim has both kids in August. In addition to the child care for the child that lives with them, each parent also has daycare expenses during those months where both children are living in the parent's home. John may claim one "qualifying child" because Kyle lives with him. He may claim the expenses he paid for Kyle, but he may not claim the child care expenses he paid for Shannon because Shannon is not his qualifying child; Shannon is Kim's qualifying child. Kim may claim one "qualifying child" because Shannon lives with her. She may claim the expenses she paid for Shannon, but she may not claim the child care expenses she paid for Kyle because Kyle is not her qualifying child; Kyle is John's qualifying child. John and Kim each have a household size of two.

(2) Schedule WFC. To claim the working family child care credit, the taxpayer must provide all information requested on the Schedule WFC and file the Schedule WFC with the tax return to the department. Failure to file a completed Schedule WFC with the department may result in denial of the working family child care credit.

(3) Costs associated with child care. For purposes of determining the credit, the credit is limited to costs associated with child care. The payments must be made by the parent claiming the working family child care credit. Payments made by an entity or individual other than the parent claiming the credit are not payments made by the taxpayer.

**Example 4:** Shannon and Caleb are not married and live together with their son, Adam. Adam's child care expense for the year is \$4,600 of which each parent pays half. Caleb's adjusted gross income (AGI) is \$30,000 and Shannon's AGI is \$16,000. Under federal law, either Caleb or Shannon could claim the dependency exemption for Adam as their qualifying child. They agree that Shannon will claim Adam as her qualifying child, therefore Caleb cannot. Shannon may claim the working family child care credit based on the \$2,300 of child care expenses she paid and a household size of two. Even though Caleb paid child care expenses, he may not claim the working family child care credit because Adam is not his qualifying child.

(a) Costs associated with child care include:

(A) Child care expenses paid with amounts excluded from income as dependent care benefits under IRC section 129;

(B) Child care expenses paid from dependent care benefits provided as part of a cafeteria plan under IRC section 125; or,

(C) Reimbursement of child care expenses as part of a flexible spending arrangement under IRC section 125.

(b) Costs associated with child care do not include:

(A) Expenses for a child's kindergarten through twelfth grade education at a public or a private institution;

**Example 5:** Traci has a five-year-old son who attends a local academy. She pays \$750 per month for her son's kindergarten and child care. Of the amount she pays each month, \$500 is the contract price for child care and \$250 is an additional amount she pays for the child's education. Traci can only claim \$500 per month as qualifying child care.

(B) Expenses for extracurricular activities or elective courses such as swimming, dance lessons, or other such activities unless the activities or courses are an ordinary part of the care provided to the child and cannot be separated;

**Example 6:** David and Lisa are married and they have a three-year old son, Noah. David and Lisa are both gainfully employed and they send Noah to a daycare center near Lisa's work for child care. Noah's parents signed him up for a swimming class through the daycare center that costs \$50 per month. The daycare center charges \$400 per month for the full-time care of a toddler. The daycare center bills David and Lisa \$450 per month for Noah's child care and activities. David and Lisa can use the child care expenses they paid (\$400 per month or \$4,800 annually) to determine the working family child care credit they are entitled to claim. They cannot use the amounts they paid for the swimming lessons.

(C) Expenses for care provided when one spouse on a joint return is not gainfully employed, not seeking employment, not a full-time or part-time student, or not disabled as explained in Section (5) of this rule.

**Example 7:** James and Holly are married and James stays home to take care of their four children. Holly earns \$55,000 annually and they paid \$4,000 in child care during the year. The child care expenses they paid are not costs associated with both James and Holly being gainfully employed, seeking employment, or being a full-time or part-time student. James and Holly cannot claim the working family child care credit.

(D) Expenses paid by a federal or state assistance agency (such as Department of Human Services or the Employer Related Day Care program) for child care expenses on behalf of the taxpayer who is claiming the working family child care credit;

**Example 8:** Debbie works full time and qualifies for state assistance in paying her child care expenses. The child care provider charges Debbie \$600 per month to care for her two children or \$7,200 per year. Of the \$600 per month, the state pays \$450 and Debbie has a copay of \$150. Debbie cannot claim the entire \$7,200 because she did not pay it. She can only claim \$1,800, the amount she actually paid.

(E) The value of a child care owner-operator's forgone revenue relating to child care that the owner-operator provided to his or her own child; or,

**Example 9:** Shirley is the owner-operator of a registered daycare facility. She cares for six children every day, of which two are her own children. Shirley cannot use the value of the two spaces her children use to calculate her working family child care credit because the forgone revenue is not a cost associated with child care.

(F) Transactions that are not arm's-length or have no economic substance.

(4) Divorced or Separated Parents and Married Individuals Filing Separately:

(a) Divorced or Separated Parents:

(A) For purposes of this credit, a child is the qualifying child of the custodial parent, even if the exemption was released to a noncustodial parent under Internal Revenue Code (IRC) section 152(e). In situations where both parents live in the home with the child more than 50 percent of the year, the child may be the qualifying child of either parent, but not both. If the child is claimed on both parent's returns, the child is the qualifying child of the parent with the highest adjusted gross income (AGI).

**Example 10:** Maria and Kendall are divorced with two children. The children live in Maria's home with Maria for more than half of the year. Kendall has the children on certain weekends, holidays, and one month in the summer. Maria pays childcare expenses for 11 months during the year. Kendall pays childcare expenses for the one month in the summer when the children are with him. Maria releases the exemption for one child to Kendall. Only Maria may claim the working family child care credit because the children are her qualifying children. Kendall may not claim the working family child care credit because he does not have a qualifying child.

(B) An individual cannot be counted in the household size on more than one tax return.

**Example 11:** Sam and Sally are divorced with two children, Ben and Brianna. Ben lives with Sam and Brianna lives with Sally. Each parent pays the child care expenses for the child that lives with them. Sally releases the dependent exemption for Brianna to Sam under IRC section 152(e). Brianna is counted in the household size of Sally because she lives with Sally. Ben is counted in the household size of Sam, because he lives with Sam. Sam and Sally will each have a household size of two to determine the percentage of child care costs each may claim as a working family child care credit.

(b) Married Individuals Filing Separately:

(A) Taxpayers filing separate returns who share a common household cannot claim the working family child care credit.

(B) Taxpayers maintaining separate residences at the end of the tax year, and who intend to live apart in the future, determine their household size based on the computation defined in subsection (1)(c) of this rule.

**Example 12:** John and Sue are married and have two children. They are legally separated and live apart permanently, and one child lives with each. John and Sue file separate returns for the tax year and each claims a child as a dependent. John and Sue will each have a household size of two to determine the percentage of child care costs each may claim as a working family child care credit. John may claim the credit based on the child care costs he paid for the child that lives with him and Sue may claim the credit based on the child care costs she paid for the child that lives with her.

(5) Disabled Spouse:

(a) Married taxpayer with disabled spouse. Beginning in tax year 2007, a qualified taxpayer is allowed to claim the working family credit based on child care expenses paid even if the expenses were paid when the taxpayer has a spouse who did not work, look for work, or attend school. The expenses may be claimed if the taxpayer's disabled spouse has a physical or cognitive condition which causes the disabled spouse to require assistance in performing basic activities of daily living and prevents the disabled spouse from working, looking for work, and attending school.

(b) Certification by physician. For a taxpayer to claim child care expenses paid when the taxpayer's spouse is unable to work, look for work, and attend school because the spouse has a disability that prevents the spouse from such tasks, the taxpayer must obtain certification from the physician or other qualified medical professional that the taxpayer's spouse meets the definition of disabled in the statute and this rule. This certification is to be kept in the taxpayer's records and provided to the department upon request.

### Affordable Housing Credit; Definitions; Transfers; Carry Forward of Unused Credit

(1) Definitions, as used in ORS 317.097.

(a) Community Rehabilitation Program. A "community rehabilitation program" is a program sponsored by a nonprofit corporation or local government unit for the rehabilitation of low income housing.

(b) Project. A "project" is one or more units of housing that will be sold or rented to households whose incomes are less than 80 percent of the area median income.

# ADMINISTRATIVE RULES

(c) Time the qualified loan for housing construction, development, acquisition or rehabilitation is made. The “time the qualified loan for housing construction, development, acquisition or rehabilitation is made” is the date a note is signed for a loan and the interest rate becomes effective with the closing of the loan, or the date a conversion loan becomes a permanent loan. Either date may be used to determine the interest rate on unsubsidized loans made under like terms and conditions as the qualifying affordable housing loan.

(2) If a qualifying loan is transferred by a lending institution to another entity, the transferee’s credit must be computed in the same way and subject to the same limitations as the prior lending institution’s credit. The transferee cannot claim a credit on the loan beyond the 20 year period that started with the date the loan was originally made.

(3) Unused credits from tax years starting before January 1, 1995 may be carried forward 15 years. Unused credits from tax years starting on or after January 1, 1995 may be carried forward 5 years.

(4) See OAR 813-110-0005 through 813-110-0040 for Housing and Community Development Department rules relating to the Oregon Affordable Housing Tax Credit Program.

### Definition of Moist Snuff

(1) Moist snuff means any finely cut, ground, milled or powdered tobacco product that is not intended to be smoked or placed in the nasal cavity. Words such as long cut, mid cut, fine cut and snus only describe minor differences of product that fit within this tobacco category.

(2) Moist snuff also includes other products containing tobacco that are not intended to be consumed by burning. Examples include, but are not limited to:

(a) Pouches, which hold fine cut tobacco in a small, teabag-like pouch.

(b) Dissolvable tobacco, which consists of finely-processed tobacco developed in such a way as to allow the substance to dissolve on the tongue or in the mouth and includes strips, sticks, orbs, and compressed tobacco lozenges.

(3) Moist snuff does not include dry snuff or chewing tobacco.

(a) Dry snuff is powdered tobacco that is intended to be placed in the nasal cavity.

(b) Chewing tobacco means any leaf tobacco that is not intended to be smoked. Examples of chewing tobacco include, but are not limited to:

(A) Coarsely shredded tobacco leaves, such as those sweetened and packaged loosely in aluminum lined pouches;

(B) Plug tobacco, which is tobacco press formed into sheets and cut into individually wrapped plugs; and

(C) Twist tobacco, which is tobacco spun and rolled into rope-like strands.

150 307.250(1)(b) is amended and renumbered to 150-307.260(3), *Physician Certification of Disability for Exemption*. The amendment clarifies the filing requirements related to the physician’s certificate annual filing requirements once the veteran has filed for the property tax exemption as described under ORS 307.250(1)(b) and is age 65.

150-307.270(1)-(A), *Property to Which Veteran’s Exemption Applies*, is amended to define “by reason of health” and “basic life

needs” for purposes of this exemption. The rule also expands reasons for which a taxpayer may be away from home by reason of health and continue to qualify for the exemption. The rule includes an example of a qualifying temporary absence and an example of an absence by reason of health.

150-307.330, *Exemption of Buildings, Structures and Machinery or Equipment during Construction*, clarifies which property is eligible for exemption under the “Commercial Facilities Under Construction” statute, ORS 307.330. The rule is amended to clearly provide that “modification” of an existing building or structure does not qualify for exemption under ORS 307.330 as the statute states that only “each new building or structure or an addition to an existing building or structure is exempt from taxation.” The amendment also reflects an Oregon Tax Court decision (North Harbour Corporation v. DOR) by making clear that the statute does not exclude a one-time income from the sale of property and may apply to property such as a condominium development.

150-307.547, *Certification of Nonprofit Corporation Low Income Housing Exemption to County Assessor*, specifies a latest date by which the governing body must certify the Nonprofit Corporation Low Income Housing property tax exemption to the county assessor.

150-308.875-(A), *Manufactured Structure Classified as Real or Personal Property*, conforms the rule to statutory changes made by the 2009 legislature to ORS 308.875.

150-309.100-(D), *Definition of Person Who Holds an Interest in the Property and Procedures for Transfers of Ownership or Interest*, is amended to clarify what is meant by “a person who holds an interest” for purposes of appealing to a local board of property tax appeals (BOPTA). The proposed rule provides that a petitioner must: (1) Be an owner or “person who holds an interest” at the time the petition is filed; (2) Have held an interest in the property that obligates the person to pay the taxes imposed on the property on or after July 1 but prior to the time the petition is filed; or (3) Have gained standing as one of the above by the last day for filing a petition with BOPTA.

150-311.668(1)(a)-(A), *Requirements to Qualify for Senior Citizen’s Property Tax Deferral* - The rule is amended to reflect 2007 legislation (HB 2007), which authorized creation of registered domestic partnerships and provided that registered domestic partners have the same privileges, immunities, rights, benefits and responsibilities as married persons.

150-311.668(1)(a)-(B), *Requirements to Qualify for Disabled Citizen’s Property Tax Deferral* - The rule is amended to reflect 2007 legislation (HB 2007), which authorized creation of registered domestic partnerships and provided that registered domestic partners have the same privileges, immunities, rights, benefits and responsibilities as married persons.

150-311.688, *Election by Spouse to Continue Tax Deferral* - The rule is amended to reflect 2007 legislation (HB 2007), which authorized creation of registered domestic partnerships and provided that registered domestic partners have the same privileges, immunities, rights, benefits and responsibilities as married persons.

150-311.691, *Taxes Unpaid Before Approval of Senior Deferral Application* - The rule is amended to reflect 2007 legislation (HB 2007), which authorized creation of registered domestic partnerships and provided that registered domestic partners have the same privileges, immunities, rights, benefits and responsibilities as married persons.

150-311.706, *Requirements to Qualify for Senior Citizen’s Special Assessment Deferral* - The rule is amended to reflect 2007 legislation (HB 2007), which authorized creation of registered domestic partnerships and provided that registered domestic partners have the same privileges, immunities, rights, benefits and responsibilities as married persons.

150-311.689, *Annual Income Requirements to Continue Property Tax Deferral*, is amended to reflect a court ruling stating that income of a claimant’s spouse cannot be considered in the determi-

nation of the deferral claimant's individual federal adjusted gross income, if the deferral claimant's spouse does not file a joint claim for deferral.

150-358.505 *Determining Value of Historic Property Qualified for Special Assessment*, clarifies the correct procedure for calculating specially assessed and maximum specially assessed values for historic property.

### Transmission of the Values for Principal and Secondary Industrial Properties

(1) The department will transmit the real market values of principal and secondary industrial accounts to the assessor prior to July 1 of each year.

(2) For each real property account, the real market value transmitted to the assessor by the department will include:

(a) The total real market value of all improvements as of January 1; and

(b) The real market value of all additions minus retirements as of January 1 for purposes of calculating maximum assessed value for the current assessment year.

(3) For each personal property account, the real market value transmitted to the assessor by the department will include the total real market value of all personal property assets as of January 1 for the current assessment year.

### Physician Certification of Disability for Exemption

(1) A veteran described under ORS 307.250(1)(b) must be certified annually by a physician as having a disability rating of 40 percent or more.

(2) The veteran must file the physician's certificate annually with the Exemption Claim form and their statement of total gross income.

(3) The veteran must file the physician's certificate annually up to and including age 65. Once the veteran reaches the age of 66 and has filed the physician's certificate in the previous year, the veteran is no longer required to file the certificate but is required to file annually the Exemption Claim form and the statement of total gross income.

**Example:** A veteran 64 years of age files the physician's certificate with the Exemption Claim form and their statement of total gross income on or before April 1, 2009. He then has his 65th birthday on May 15, 2009. The veteran must file the physician's certificate with the Exemption Claim form and income statement when he next files on or before April 1, 2010. On May 15, 2010, the veteran has his 66th birthday. Since the veteran is now 66 years of age and previously filed the certificate after his 65th birthday, he is no longer required to file the certificate but is required to file his Exemption Claim form and statement of total gross income on or before April 1, 2011, or for any year thereafter.

(4) A veteran with a physician-certified permanent disability must be rated as having disabilities of 40 percent or more to qualify for the exemption.

## 150-307.270(1)-(A)

### Property to Which Veteran's Exemption Applies

(1) Definitions for the purpose of this rule:

(a) "Basic life needs" include, but are not limited to, preparation of meals, personal hygiene, or daily care of oneself.

(b) "By reason of health" means to obtain medical care or to receive basic life needs.

(c) "Temporary absence" means absence with the intention to reoccupy the homestead, similar to a domicile. Examples include but are not limited to temporary vacation, business travel, or military service.

(2) If a qualified veteran or surviving spouse owns only an undivided interest in a property and the remaining interest is owned by a nonspouse or a nonveteran, the veteran is entitled to a tax exemption only to the extent of the veteran's actual ownership interest in the homestead property.

**Example 1:** A qualified veteran owns an undivided one-half interest in a manufactured structure that has an assessed value of \$10,000. The remaining undivided one-half interest is in the name of the veteran's son. The veteran will be allowed an exemption of \$5,000, which is one-half the assessed value of the manufactured structure. The remaining undivided interest is not entitled to an exemption unless the person owning the remaining one-half interest is a qualified veteran who also occupies the same homestead property.

(3) Only one exemption for each qualified veteran is allowed in any tax year. Two or more qualified veterans may each receive an exemption on the same homestead property if each veteran owns, lives on the property, and files timely.

(4) The right to claim the exemption will not be lost if the claimant is temporarily absent from the property or is required to live away from the homestead by reason of health. Examples of absence by reason of health may include, but are not limited to:

(a) Confinement to a nursing home or other long-term care facility; or  
(b) Receiving care at a family member's or other individual's home.

**Example 2:** An Oregon resident who qualifies for the veteran's property tax exemption on their homestead stays in Arizona for a few months during the year. Although temporarily absent from their homestead, it continues to qualify as their primary residence because the claimant has the intention of returning.

**Example 3:** Due to failing health, the claimant moves to her daughter's home. After eighteen months, it becomes apparent it is unlikely the claimant will ever be able to return to her own home. Although the claimant did not remain in her home, the property continues to qualify as her primary residence and is eligible for the exemption because the claimant was absent by reason of health.

(6) If the assessor is notified or has reason to believe the claimant is not living at the primary residence by reason of health, the assessor may request documentation that proves continued eligibility for the exemption. An example of documentation is a letter from a medical provider stating the claimant is unable to provide their own basic life needs.

## 150-307.330

### Exemption of Buildings, Structures and Machinery or Equipment during Construction

(1) Definitions for purposes of ORS 307.330 and this rule:

(a) "Addition" means any enlargement of an existing building or structure. This includes the construction of additional stories or the erection of a new wing on an existing building.

(b) "Building" means all real property improvements erected upon the land such as hotels, office buildings, retail stores, condominiums and manufacturing plants and includes heating and ventilating systems, elevators, and similar equipment normally installed as part of the building construction.

(c) "Completed" means the building, structure or addition is ready for its intended use or occupancy.

(d) "In the process of construction" means that construction of the new building, structure or addition has begun, but is not yet completed, and typically the foundation is partially or wholly laid. Site preparation or demolition of an existing building or structure is not considered part of the construction process.

(e) "In use or occupancy" means the property is being utilized in the manner for which the completed building, structure or addition was intended.

(f) "Land" means land in its natural state and includes site development such as fill, excavation, grading and leveling.

(g) "Machinery or equipment" includes machinery or equipment housed within the building, structure or addition for the purpose of manufacturing or otherwise processing raw or finished materials.

(h) "Modernization" means to take corrective measures to bring a property into conformity with changes in style.

(i) "Structure" means all real property improvements, other than buildings, and includes improvements such as ramps, loading docks, wharfs, and paved areas used for parking or storage.

(j) "Testing" means a limited trial production run as a check of equipment and system performance, but does not include the processing of a substantial quantity of finished and marketable products that are, or can be, sold through the usual channels of trade.

(2) Property eligible for exemption:

(a) New building, structure or addition to an existing building or structure that is in the process of construction on January 1 of each assessment year in which exemption is claimed. The building, structure or addition must be intended primarily for the furtherance of the production of income, whether from a one-time sale of property or an ongoing stream of income. For example, a new condominium project being constructed for future sale to purchasers, who may live on the property or rent the property to others, will qualify for exemption.

(b) Machinery or equipment located at the construction site or installed in or affixed to a building, structure or addition. Testing of equipment is allowable during the period of construction.

(c) All personal property that would qualify as real property under OAR 150-307.010(1) that is situated at the place of construction on January 1 of each assessment year in which exemption is claimed.

(3) Manufacturing facilities may claim exemption for no more than two consecutive years. Conditions for exemption must exist on January 1 of each assessment year in which exemption is claimed.

(4) Property not eligible for exemption:

(a) Land.

(b) Modernization of an existing building or structure.

(c) Heating equipment, elevators, ventilating systems and similar equipment installed in a building after its original construction.

(d) Property constructed for residential occupancy by the owner.

(e) Nonmanufacturing facilities, of any kind, completed less than one year from the date construction began.

(5) No exemption may be allowed if use or occupancy is made of the building, structure or addition, or any part thereof, on or before January 1 of any assessment year in which exemption is claimed.

# ADMINISTRATIVE RULES

(a) If the building, structure or addition is completed and ready for use or occupancy on January 1, although not in use, it is taxable.

(b) If the building, structure or addition is completed and leased on January 1, but not occupied by the lessee, it is taxable.

### Certification of Nonprofit Corporation Low Income Housing Exemption to County Assessor

If the governing body determines the property that is the subject of the application filed under ORS 307.545 qualifies for exemption from taxation, the governing body must certify the exemption to the county assessor:

(1) On or before August 1 of the tax year for which the nonprofit corporation low income housing exemption is granted when the application is filed on or before April 1 preceding the tax year for which the exemption is claimed; or

(2) On or before September 1 of the tax year for which the nonprofit corporation low income housing exemption is granted when the application is filed within 30 days after acquiring property after April 1 and before July 1 preceding the tax year for which the exemption is claimed.

## 150-308.875-(A)

### Manufactured Structure Classified as Real or Personal Property

(1) When the records in the assessor's office or the ownership document issued by Building Codes Division of the Department of Consumer and Business Services (DCBS) do not identify the same ownership for a manufactured structure as for the land upon which the structure is located, the assessor must classify the manufactured structure as personal property. However, if the taxpayer submits documentation establishing that the ownership of the manufactured structure and land upon which the structure is located is the same, the assessor must classify the manufactured structure as real property.

*Example 1:* The land is in the name of Pat Public, Inc., a corporation, and the manufactured structure is in the name of Pat Public. Because a corporation is a different legal entity than an individual, the ownership is not the same, so the manufactured structure must be classified as personal property.

*Example 2:* A husband and wife are owners of a parcel of land upon which a manufactured structure is located. The ownership document for the manufactured structure is in the husband's name only. The ownership is not the same and the manufactured structure must be classified as personal property.

*Example 3:* Pat Public owns a manufactured structure and is buying on contract the parcel of land upon which the structure is located. For purposes of ORS 308.875 the ownership is the same and the manufactured structure must be classified as real property.

(2) When the owner of a manufactured structure has a leasehold estate of 20 years or more, and the lease specifically permits the owner to record that lease in the county deed records, the owner may complete an application as prescribed by DCBS to have the home classified as real property. If the assessor determines that the manufactured structure qualifies for recording as required by ORS 446.626, and the lease has subsequently been recorded in the county deed records, the assessor must then classify the home as real property.

(3) When the owner of a manufactured structure is a member of a manufactured dwelling park nonprofit cooperative formed under ORS 62.800 to 62.815 that owns the land on which the manufactured structure is located, the owner may complete an application as prescribed by DCBS to have the home classified as real property. If the assessor determines that the manufactured structure qualifies for recording as required by ORS 446.626, the assessor must then classify the home as real property.

## 150-309.100-(D)

### Definition of Person Who Holds an Interest in the Property and Procedures for Transfers of Ownership or Interest

This rule supplements the definition of "petitioner" found in OAR 150-309.100(3)-(C).

(1) The petitioner in an appeal to the board of property tax appeals (BOPTA) under ORS 309.100 must possess or acquire legal standing to appeal during the petition filing period. The petition filing period begins the date following the date the tax statements are mailed for the current tax year and ends December 31 or the last day for filing a petition under ORS 305.820.

(2) For purposes of appealing to BOPTA, a person who holds an interest in the property as described in subsection (3) of this rule, that obligates the person to pay the taxes imposed on the property shall be defined as a person or entity that:

(a) Holds an interest in the property that obligates the person or entity to pay all or a portion of the taxes imposed on the property for the current tax year at the time the petition is filed; or

(b) Has held an interest in the property that obligated the person or entity to pay all or a portion of the taxes imposed on the property for the current tax year after July 1 but prior to the time the petition is filed; or

(c) Will hold an interest in the property by the last day for filing a petition with BOPTA that will obligate the person or entity to pay all or a portion of the taxes imposed on the property for the current tax year.

(3) Standing to appeal to BOPTA as a person who holds an interest other than an ownership interest must be established through an intervening instrumentality such as a contract or lease that proves the person or entity is obligated to pay all or a portion of the taxes imposed on the property for the current tax year. Escrow instructions signed by a seller in a transaction that is consummated during the period from July 1 through the last day for filing a petition with BOPTA may also be used to establish such an interest.

(4) When an ownership or other interest is transferred on or after July 1 but prior to the end of the petition filing period or a question arises regarding ownership or the existence of a present obligation to pay taxes, BOPTA must determine whether the petitioner has standing to appeal. The following examples are intended to give guidance to the clerk for purposes of determining whether a Notice of Defective Petition should be sent under OAR 150-309.100(3)-(B) and to the board in its final determination regarding the standing of the petitioner:

*Example 1:* The clerk of the board receives a petition on November 5 and reviews the petition on November 20 according to the guidelines in OAR 150-309.100(3)-(C) and this rule. When the clerk reviews the petition, the county records indicate that the petitioner sold the property on October 30. Because the petitioner did not own the property when the petition was filed, the petitioner must establish standing as a person who holds an interest in the property that obligates the petitioner to pay the taxes imposed on the property for the current tax year. The petitioner can do so by submitting a copy of the escrow instructions or other document that shows the petitioner must pay all or a portion of the property taxes for the current tax year.

*Example 2:* The clerk of the board receives a petition on October 29 and reviews the petition on November 19 according to the guidelines in OAR 150-309.100(3)-(C) and this rule. When the clerk reviews the petition, the county records indicate that the petitioner sold the property on August 13. Because the petitioner did not own the property when the petition was filed, the petitioner must establish standing as a person who holds an interest in the property that obligates the petitioner to pay the taxes imposed on the property for the current tax year. Even though the petitioner sold the property prior to the beginning of the petition filing period, the petition will be allowed if the petitioner has a present obligation to pay the taxes as demonstrated by a copy of the escrow instructions or other document that shows the petitioner must pay all or a portion of the property taxes for the current tax year.

*Example 3:* The clerk of the board receives a petition on December 4. The clerk reviews the petition on December 10. The petitioner has included a copy of an earnest money agreement to purchase property with a projected closing date of December 28. The clerk sends a Notice of Defective Petition on December 17 asking the petitioner to provide proof that the petitioner owned the property on December 31 or the last day for filing a petition under ORS 305.820. The petitioner is given 20 days as provided in OAR 150-309.100(3)-(B) to provide proof of ownership. The clerk also has the option of waiting until after December 31 to send the notice to allow more time for county ownership records to be updated. If proof is provided (or county records are updated) that confirms the petitioner owned the property by December 31, the petitioner has standing to appeal to BOPTA as the owner of the property.

*Example 4:* The clerk of the board receives a petition on December 23. The petitioner includes a copy of an earnest money agreement to purchase property with a projected closing date of January 19. The language of the earnest money agreement does not include a present obligation for the petitioner to pay the taxes imposed on the property. The petitioner lacks standing to appeal because the petitioner will not own or hold an interest in the property that obligates the petitioner to pay the taxes imposed on the property until after the deadline for filing a petition with BOPTA.

(5) Lenders that hold an interest in property as security against a loan generally lack standing to appeal to BOPTA. See OAR 150-309.100(3)-(C) subsection (3)(b). However, in the event of a default or foreclosure proceeding, the lender may acquire standing if specific language in the contract allows or requires the lender to assume the tax obligation or through actual assumption of ownership prior to the deadline for filing a petition.

### Requirements to Qualify for Senior Citizen's Property Tax Deferral

(1) For the purposes of this rule, "registered domestic partnership" has the meaning given that term in section 3, chapter 99, Oregon Laws 2007, as amended by section 1, Oregon Laws 2009, chapter 561, and the partnership must meet the provisions of section 1 to 9 of the same 2007 Act, as amended.

(2) Applicants for Senior Citizens Property Tax Deferral must file an application with the county assessor between January 1 and April 15 and meet the following requirements:

(3) A sole property owner, a qualifying spouse, or registered domestic partner may apply as an individual applicant. The individual who files the application must:

(a) Be 62 years of age or older on April 15 of the year in which the claim is filed;

(b) Live on the homestead, except for an absence due to health related reasons; and

(c) Individually, or with his or her spouse or registered domestic partner, either own or be purchasing the fee-simple estate under a recorded instrument of sale.

(4) Joint property owners, other than spouses or registered domestic partners, must apply as joint applicants. All applicants must:

# ADMINISTRATIVE RULES

(a) Be 62 years of age or older on April 15 of the year in which the claim is filed;

(b) Live on the homestead, except for an absence due to health related reasons, and

(c) Either own or be purchasing the fee simple estate with a right of survivorship under a recorded instrument of sale.

(5) The combined household income, as defined in ORS 310.630(7), for individuals and their spouses or all joint applicants, must be less than the following limits:

(a) For applications filed in the calendar year 2009 for the deferral of 2009-2010 property taxes, the total household income limit for the income tax year 2008 is \$39,000.

(b) For applications filed in the calendar year 2010 and later, the total household income limit for the prior year is adjusted, based on the application of the U.S. City Average Consumer Price Index as provided in ORS 311.668(7). The Department of Revenue will publish the total household income limit each year in the deferral application booklet.

(6) To confirm that the taxpayer meets the qualifications for the program, the department may request from the applicant additional written information relating to program eligibility. Failure to provide the information as requested may result in denial of tax deferral.

(7) The department will review information submitted on the application.

(a) If the department determines that the property and applicant(s) qualify for deferral, it will send a preliminary notice of approval by July 1. The notice will inform that applicant that the approval is based on information provided on the application, and that if the department discovers additional information that indicates the person or property does not qualify for deferral the application will be denied.

(b) If the department determines that the property or applicant(s) do not qualify for deferral, it will send a Notice of Denial.

(8) By December 15 of each year, the department will send a notice to each person who has applied for deferral. The notice will:

(a) Inform the applicant whether the property taxes have or have not been deferred in the current year, and

(b) Include the total amount of deferred taxes, interest and fees remaining unpaid on the account,

(9) The applicant will have 90 days from the date he or she becomes aware of the denial, or no later than one year from the date of the determination, whichever comes first, to appeal to the Oregon Tax Court as provided in ORS 305.280.

### Requirements to Qualify for Disabled Citizen's Property Tax Deferral

(1) For the purposes of this rule, "registered domestic partnership" has the meaning given that term in section 3, chapter 99, Oregon Laws 2007, as amended by section 1, Oregon Laws 2009, chapter 561, and the partnership must meet the provisions of section 1 to 9 of the same 2007 Act, as amended.

(2) Applicants for Disabled Citizens Property Tax Deferral must file an application with the county assessor between January 1 and April 15 and meet the requirements of this rule:

(3) A sole property owner, a qualifying spouse, or registered domestic partner may apply as an individual applicant. The individual who files the application must:

(a) Live on the homestead, except for an absence due to health related reasons.

(b) Individually, or with his or her spouse or registered domestic partner, either own the fee simple estate or be purchasing the fee simple estate under a recorded instrument of sale; and

(c) Be eligible to receive, or receiving, federal Social Security benefits due to disability or blindness on or before April 15 of the year in which the claim is filed.

(4) Joint property owners, other than spouses or registered domestic partners, must apply as joint applicants. At least one applicant must be eligible to receive, or be receiving, federal Social Security benefits due to disability or blindness on or before April 15 of the year in which the application is filed. All owners must:

(a) Own or be purchasing the fee simple estate with rights of survivorship under a recorded instrument of sale;

(b) Live on the homestead, except for an absence due to health related reasons.

(5) The combined household income, as defined in ORS 310.630(7), for individuals and their spouses, or all joint applicants, must be less than the following limits:

(a) For applications filed in the calendar year 2009 for the deferral of 2009-2010 property taxes, the total household income limit for the income tax year 2008 is \$39,000.

(b) For applications filed in the calendar year 2010 and later, the total household income limit for the prior year is adjusted, based on the application of the U.S. City Average Consumer Price Index as provided in ORS 311.668(7). The Department of Revenue will publish the total household income limit each year in the deferral application booklet.

(6) To confirm that the applicant meets the qualifications for the program, the department may request from the applicant additional written information relating to program eligibility. Failure to provide the information as requested may result in denial of tax deferral.

(7) The department will review information submitted on the application.

(a) If the department determines that the property and applicant(s) qualify for deferral, it will send a preliminary notice of approval by July 1. The notice will inform that applicant that the approval is based on information provided on the application, and if the department discovers additional information that indicates the person or property does not qualify for deferral the application will be denied.

(b) If the department determines that the property or applicant(s) do not qualify for deferral, it will send a Notice of Denial.

(8) By December 15 of each year, the department will send a notice to each person who has applied for deferral. The notice will:

(a) Inform the applicant whether the property taxes have or have not been deferred in the current year, and

(b) Include the total amount of deferred taxes, interest and fees remaining unpaid on the account,

(9) The applicant will have 90 days from the date he or she becomes aware of the denial, or no later than one year from the date of the determination, whichever comes first, to appeal to the Oregon Tax Court as provided in ORS 305.280.

## 150-311.688

### Election by Spouse to Continue Tax Deferral

(1) "Surviving spouse" means:

(a) A man or woman who is legally married to an applicant at the time of the applicant's death; or

(b) A man or woman who is joined in a registered domestic partnership with an applicant at the time of the applicant's death. "Registered domestic partnership" has the meaning given that term in section 3, chapter 99, Oregon Laws 2007, as amended by section 1, Oregon Laws 2009, chapter 561, and the partnership must meet the provisions of section 1 to 9 of the same 2007 Act, as amended.

(2) When any one of the circumstances listed in ORS 311.684(1) to (3) occurs, a surviving spouse may continue the property in deferred tax status as active or inactive.

(a) When an account continues as active, the department continues to pay the yearly property taxes to the county. The account balance continues in deferral, and interest continues to accrue on all taxes paid.

(b) When an account continues in an inactive status, the department does not continue to pay property taxes to the county. The deferral account balance of past-deferred taxes, accrued interest, and recording fees remains deferred and interest continues to accrue on the past-deferred taxes.

(3) If a surviving spouse did not apply jointly with the taxpayer for the original Senior or Disabled deferral or was not eligible for deferral, the spouse must file a new deferral application in order to continue the account as active or inactive.

(a) For the deferral account to remain active, in addition to the filing of a new deferral application all the following is required:

(A) The spouse is at least 59-1/2 years of age or is disabled as defined in ORS 311.666(2) the day a circumstance in 311.684(1) to (3) occurs,

(B) The property is the homestead of the surviving spouse,

(C) The total household income continues to be less than the allowable yearly limitation, and

(D) The property ownership meets the requirement in ORS 311.670(2).

(b) When a surviving spouse meets all of the requirements of section (2)(a) of this rule except the age requirement of 59-1/2, or a disability as defined in ORS 311.666(2), the surviving spouse may only continue the deferral account in an inactive status. The surviving spouse is responsible to pay all future property taxes to the county. The surviving spouse may file a new application to change the deferral account status from inactive to active when the surviving spouse turns 62 years of age before April 15 of any year, or if the surviving spouse becomes disabled and begins to receive or becomes eligible to receive federal Social Security disability benefits..

(4) In the case of a divorce or termination of a registered domestic partnership, if the circumstances in ORS 311.684(3) occur before the divorce, then the surviving spouse remaining in the homestead may file an application

# ADMINISTRATIVE RULES

to continue the deferral. The requirements of section (2) of this rule determine if the account remains active or becomes inactive.

(5) All applications to continue deferral must be filed in the time and manner as provided in ORS 311.668. The department may determine that good and sufficient cause exists to accept a late filed application. The application may be filed within 180 days after the department mails or delivers to the applicant the deferred tax due and payable notice.

## 150-311.689

### Annual Income Requirements to Continue Property Tax Deferral

(1) For purposes of this rule, "federal adjusted gross income" (FAGI) means the individual applicant's federal adjusted gross income. The "combined federal adjusted gross income" (CFAGI) means the sum of all applicants' federal adjusted gross incomes. FAGI is defined under the provisions of the Internal Revenue Code Section 62 in effect for the tax year without any of the additions, subtractions or other modifications or adjustments required under ORS Chapter 316. The FAGI is reported on the federal income tax return. (2) Taxpayers electing to have their property taxes deferred under ORS 311.666 to 311.701 must meet an income limit requirement each year. The limit is based on the income received in the previous calendar year.

(a) The dollar amount of the limit may change each year, based on adjustments to the U.S. City Average Consumer Price Index as provided in ORS 311.668(7).

(b) The limit will be listed in deferral forms and publications produced by the Department of Revenue.

(3) After initial approval into the program, the income limit is applied to the FAGI of each applicant. The combined FAGI of all applicants must be below the limit. In the case of an individual applicant who files a federal income tax return as "married filing jointly," the applicant may be required to provide evidence establishing the applicant's individual FAGI, if different from the applicant's FAGI on the joint return.

*Example 1:* Mary Jones and Sue Smith are sisters, who live together and applied as joint owners to have their property taxes deferred. Sue is married to Steve Smith, and they file a joint income tax return even though Steve lives in another house. For each year after approval into the program, the combined FAGI of Mary and Sue must be below the limit in order to continue qualification in the program. Because Sue files a joint return with Steve, she will need to provide the department with evidence establishing documentation of her individual FAGI.

(4) By June 1, the department will review income tax returns of deferral program applicants to verify that income limits have not been exceeded. If an Oregon income tax return has not been filed, the department may ask the applicant to provide documentation of their income. Documentation may include, but is not limited to, a copy of the federal income tax return or a completed income worksheet questionnaire that lists all income that is required to be reported on a federal tax return.

(a) Failure to provide the requested documentation will result in the denial of tax deferral for that year. Any past deferred taxes will remain deferred, unless they otherwise become due and payable.

(b) After approval into the deferral program, any year that the income limit is exceeded, the amount of tax for which the deferral is allowed will be reduced by \$0.50 for each dollar of FAGI above the limit.

(A) If the FAGI amount in excess of the income limit exceeds the amount of property tax by a factor of two, no property tax will be deferred for that year.

(B) If the FAGI amount exceeds the income limit, the department will pay only a part or none of the property tax due in November, whichever is applicable. The applicant is responsible for paying any property tax not deferred for that year directly to the county. The department will notify applicants of the amount by which the tax deferral will be reduced, and an estimate of the amount of tax that applicants must pay to the county.

(C) Any past deferred taxes will remain deferred, unless they otherwise become due and payable.

(D) The applicant does not qualify for delay of foreclosure under ORS 311.691(1) if the foreclosure is due to delinquent taxes the applicant is required to pay as a result of exceeding the income limit.

(5) When an applicant's FAGI is in excess of the limit any year, the applicant must notify the department before September 1 that the income limit was exceeded for the previous calendar year.

(6) Examples using \$39,000 as the income limit:

*Example 2:* John is participating in the deferral program. His FAGI was \$43,000 for income tax year 2008, and his 2009-2010 property taxes are \$3,000. The FAGI exceeds the income limit by \$4,000, so the deferred amount is reduced by \$2,000 ( $\$4,000 \times \$0.50 = \$2,000$ ). John is responsible for \$2,000 (minus 3 percent discount if paid timely) of his 2009-2010 property tax to the county in November. The department will pay the county the remaining \$1,000 (minus 3 percent discount) of John's 2009-2010 property taxes.

*Example 3:* Debbie is participating in the deferral program. Her 2009-2010 property taxes are \$3,000. Debbie notifies the department by September 1, 2009 that her FAGI was \$47,000 for income tax year 2008. The FAGI income limit was exceeded by \$8,000, which is more than twice the amount of the property tax due. Debbie is responsible for the entire \$3,000 (minus 3 percent discount if paid timely) of her 2009-2010 property tax to the county in November. The department will not pay any of Debbie's 2009-2010 property taxes.

### Taxes Unpaid Before Approval of Senior Deferral Application

(1) For the purposes of this rule, "registered domestic partnership" has the meaning given that term in section 3, chapter 99, Oregon Laws 2007, as amended by section 1, Oregon Laws 2009, chapter 561, and the partnership must meet the provisions of section 1 to 9 of the same 2007 Act, as amended.

(2) Delay of foreclosure is only available for real property. It is not available on personal property.

(3) When an application for property tax deferral has been submitted and approved by the department, the taxpayer is notified of that approval. If taxes on the property subject to deferral remain unpaid on the date of approval, the applicant may apply for a delay of foreclosure by completing the appropriate application for all years in which unpaid taxes exist.

(a) Total household income, both taxable and nontaxable (ORS 310.630), must be less than the allowed amount for new applications for the calendar year prior to the original deferral application.

(b) Applications can be accepted for delay of foreclosure only for delinquent taxes accumulated prior to the original deferral application approval. Delay of foreclosure is not available for tax years coming due after the original application was filed.

(4) Interest will continue to accrue at the current county interest rate on the remaining unpaid delinquent taxes.

(5) When the property is disqualified for deferral, the deferred tax plus interest and the delinquent tax become due by August 15 of the year following the year disqualified.

*Example:* The taxpayer had received a delay of foreclosure when applying for the Senior Citizen Deferral program. The account was disqualified on July 15, 2008. The taxpayer has until August 15, 2009 to pay the county the amount due as a result of the delay of foreclosure.

### Requirements to Qualify for Senior Citizen's Special Assessment Deferral

(1) For the purposes of this rule, "registered domestic partnership" has the meaning given that term in section 3, chapter 99, Oregon Laws 2007, as amended by section 1, Oregon Laws 2009, chapter 561, and the partnership must meet the provisions of section 1 to 9 of the same 2007 Act, as amended.

(2) In addition to the filing of an application for Senior Citizen's Special Assessment Deferral, the applicant must meet the requirements of this rule:

(3) In the case of a husband, wife, or registered domestic partner filing an individual application for deferral, the husband, wife, or registered domestic partner who filed the application:

(a) Must be over 62 years of age;

(b) Must live on the property, except for qualifying absence; and

(c) Must individually, or with his or her spouse or registered domestic partner, either own the fee simple estate of record or be purchasing a fee simple estate under a recorded instrument of sale.

(4) In the case of joint owners other than a husband and wife or registered domestic partners, all joint owners:

(a) Must be over 62 years of age;

(b) Must together own or be purchasing the fee simple estate with a right of survivorship under a recorded instrument of sale, and

(c) Must live on the property except for qualifying absence; and

(d) Must apply for the deferral jointly.

(5) The combined household income is from all sources of all the owners and is determined for the calendar year immediately preceding the calendar year of the application.

(a) For calendar year 2009 (2010 application year), the total household income must be \$38,500 or less.

(b) For calendar years 2001 or later (2002 or later application years), the total household income limit may change each year based upon the U.S. City Average Consumer Price Index as provided in ORS 150-311.706(6). The Department of Revenue will publish the total household income limit annually.

(6) In order to confirm that the taxpayer continues to qualify for the program, the department may request additional written information relating to qualifications from the taxpayer or their representative. If the information is not provided as requested, the department will presume the property no longer qualifies for deferral and will give notice of disqualification and appeal rights to the taxpayer.

# ADMINISTRATIVE RULES

## 150-358.505

### Determining Value of Historic Property Qualified for Special Assessment

- (1) For purposes of this rule,
  - (a) "Assessed Value" (AV) is defined in ORS 308.146.
  - (b) "Maximum Assessed Value" (MAV) is defined in ORS 308.146 without application of ORS 308.146(4).
  - (c) "Changed Property Ratio" (CPR) is the ratio described in OAR 150-308.156.
  - (d) "Internal ratio" (IR) is the quotient of MAV/RMV for an individual property, as if the property is not specially assessed. The ratio cannot be more than 1.0.
  - (e) "Maximum Specially Assessed Value" (MSAV) means maximum assessed value for property subject to special assessment.
  - (f) "Real Market Value" (RMV) is defined in ORS 308.205(1).
- (2) This rule applies to initial and second qualifying periods beginning on or after July 1, 2010, with application being made on or after September 28, 2009.

(3) When a property is subject to historic property special assessment, the county assessor must:

- (a) Include a "Historic property — potential additional tax" notation on the tax roll.
- (b) Maintain the RMV and a MAV as if the property were not specially assessed. The RMV and MAV as if the property were not specially assessed must be adjusted to include any changes in value as addressed in ORS 308.146, 308.149, 308.153, 308.156, and 308.159 (commonly referred to as exception value).
- (c) Calculate MSAV of the property annually while the property remains in the program.
- (4) Calculate first period values for SAV, MSAV and AV.
  - (A) Step 1: Calculate the property's SAV to be used throughout the entire first 10 year period of historic property special assessment.
  - (A) The SAV equals the AV of the property in the tax year in which application is submitted pursuant to ORS 358.487.

(B) If the property is specially assessed or exempt in the tax year during which an application is made, SAV equals the RMV for that tax year multiplied by the CPR for that tax year.

(b) Step 2: Calculate MSAV for the first year of special assessment by multiplying the SAV by the IR. The MSAV is recalculated in the second and subsequent years and equals the greater of:

- (A) The AV for the prior year multiplied by 103 percent; or
- (B) The MSAV for the prior year
- (c) Step 3: Calculate the AV, which is the lesser of the:
  - (A) SAV calculated in step 1;
  - (B) MSAV calculated in step 2; or
  - (C) The RMV.

*Example 1:* The State Historic Preservation Officer (SHPO), in January 2010, notifies the assessor that the owner of an old warehouse applied for historic property special assessment in October 2009 and qualified for that special assessment. The value of the warehouse as reflected on the 2009-10 tax roll is: RMV \$400,000; MAV \$302,380; AV \$302,380. The first year of special assessment is 2010-11. The RMV for 2010-11 is \$416,000.

(a) Step 1: Calculate the SAV. SAV = AV in the tax year the application is submitted = \$302,380

(b) Step 2: Calculate MSAV for first year of special assessment.

(A) 2010-11 MAV = AV x 1.03, \$302,380 x 1.03 = \$311,451

(B) IR = MAV / RMV, \$311,451 / \$416,000 = 0.749

(C) MSAV = SAV \* IR, \$302,380 \* 0.749 = \$226,482

(c) Step 3: Calculate the AV for the current year. It is the lesser of SAV (\$302,380), MSAV (\$226,482) or RMV (\$416,000). AV = \$226,482.

*Example 2:* SHPO, in January 2010, notifies the assessor that the owner of an old mansion no longer used by the Elks as a clubhouse that will be first disqualified from exemption for 2010-11 applied for historic property special assessment in October 2009 and that the property is qualified for special assessment for 2010-11. The CPR for this classification of property, had it been taxable in 2009-10, was 0.656, and the property's RMV for 2009-10 was \$300,000. The first year of special assessment is 2010-11. The RMV for 2010-11 is calculated at \$295,000 and the countywide CPR for this property classification for 2010-11 is 0.650. Other than the disqualification from exemption and the qualification for historic special assessment, there have been no changes to the property for 2010-11.

(a) Step 1: Calculate MAV for 2010-11 pursuant to ORS 308.156 as a result of disqualification from exemption.

(A) MAV = RMV x CPR, \$295,000 x 0.650 = \$191,750

(b) Step 2: Calculate SAV

(A) SAV = RMV x CPR from the tax year of application, \$300,000 x 0.656 = \$196,800

(c) Step 3: Calculate MSAV for first year of special assessment

(A) MSAV = SAV x IR, \$196,800 x (\$191,750 / \$295,000) = \$127,920

(d) Step 4: Calculate AV

(A) AV = lesser of SAV (step 2) or MSAV (step 3) or RMV. AV = \$127,920.

(5) Calculate Second period values for SAV, MSAV and AV.

(a) Step 1: Calculate SAV for the first year of a second qualifying period.

(A) The SAV equals the RMV of the property for the assessment year in which the application is made.

(B) The SAV will remain constant throughout the second ten-year period of special assessment.

(b) Step 2: Calculate the MSAV for the first year of the second qualifying period of special assessment by multiplying the SAV by the internal ratio. The MSAV is recalculated in the second and subsequent years and equals the greater of:

(A) The AV for the prior year multiplied by 103 percent; or

(B) The MSAV for the prior year

(c) Step 3: Calculate the AV, which is the lesser of the:

(A) SAV calculated in step 1;

(B) MSAV calculated in step 2; or

(C) The RMV.

*Example 3:* SHPO approves an application filed in March 2020 and qualifies a renovated chateau for a second 10 year period of special assessment beginning with the 2020-21 tax year. The first historic property special assessment period ended in the 2018-19 tax year. For 2020-21, the RMV is \$825,000, and MAV without special assessment would be \$509,850.

(a) Step 1: Calculate SAV. SAV = RMV for assessment year in which application made. SAV = \$825,000

(b) Step 2: Calculate MSAV for the first year of special assessment. MSAV = SAV x IR, \$825,000 x (\$509,850 / \$825,000) = \$509,850

(c) AV = lesser of SAV (step 1), MSAV (step 2), or RMV. AV = \$509,850.

(6) When a building that is certified for historic property special assessment is divided into condominium units:

(a) The original account is deleted and each condominium becomes a new account.

(b) Each new account is appraised to establish a new RMV and calculate a new MAV.

(c) SAV and MSAV of the original account are apportioned between the new accounts but the total SAV and MSAV does not change as a result of the conversion to condominiums.

(d) The initial sale of each condominium unit by the developer disqualifies that unit from special assessment.

(e) Upon disqualification, the condominium unit is immediately requalified without further application for the remaining term of the original building's current 10 year period of historic property special assessment.

(f) Upon requalification, the SAV of the condominium unit equals its RMV for the tax year in which the sale of the unit occurred multiplied by the CPR for that tax year.

(g) The MSAV for the condominium unit for the first year after initial sale are calculated as described in step 3, using the MAV and RMV of the unit to determine the IR.

(h) The AV for the condominium unit for the first year after initial sale is calculated based on the lower of the SAV, MSAV, or RMV of the unit for that year.

*Example 4:* An account with an old warehouse building is qualified by SHPO for historic property special assessment. Its RMV, MAV, MSAV, SAV, and AV have been calculated as described in previous examples. The building is then converted to condominium units. When the condominium conversion is complete and all approvals are in place, each condominium unit becomes a separate account. New RMV and MAV are calculated for each account. Existing SAV and MSAV of the original warehouse account are apportioned between the new accounts. Total SAV and MSAV do not change as a result of the condominium conversion.

Account (tax lot) 00100, old warehouse building, is in its fourth year of its historic property special assessment. Its most recent tax roll values are as follows: RMV = \$400,000; MAV if not specially assessed = \$300,000, SAV = \$225,000; MSAV = \$179,020; AV = \$179,020. CPR for this class of property is 0.750. The warehouse has now met all requirements for condominium and the 25 units worth \$1,000,000 each are certified for sale. Account 00100 is deleted and replaced with account (tax lot) 90001 through account (tax lot) 90025. All units are identical in this building and each account has an RMV of \$1,000,000. Total RMV of the building is now \$25,000,000 and MAV is \$18,750,000. Each account has a SAV of \$9,000 and a MSAV of \$7,160. Total value of the building and site as condominiums (account 00100 deleted):

RMV = unit value \* number of units, \$1,000,000 x 25 = \$25,000,000

MAV = RMV x CPR, \$25,000,000 x 0.750 = \$18,750,000

Value of each unit (each new account, 90001 through 90025):

RMV = \$1,000,000

MAV = RMV x CPR, \$1,000,000 x 0.750 = \$750,000

SAV = total building SAV apportioned by unit value, \$225,000 / (\$25,000,000 / \$1,000,000) = \$9,000

MSAV = total building MSAV apportioned by unit value, \$179,020 / (\$25,000,000 / \$1,000,000) = \$7,160

AV = \$7,160

*Example 5:* A condominium unit in the building described in example 4 is sold by the developer for \$1,000,000 on July 20, 2015. The unit is disqualified from the historic property special assessment due to the sale and then immediately requalified for the remaining term. Upon requalification, the SAV, MSAV, and AV are calculated for this unit. As of January 1, 2015 the individual unit had an RMV of \$1,000,000 and an MAV of \$750,000. Historic property special assessed values are reflected in an SAV of \$750,000 and an MSAV of \$562,500. The SAV calculated for the 2015-16 tax year will remain the same, frozen, throughout the remaining years of the building's 10 year term.

Unit values:

RMV = \$1,000,000

MAV = RMV \* CPR, \$1,000,000 \* 0.750 = \$750,000

SAV = RMV \* CPR, \$1,000,000 \* 0.750 = \$750,000

MSAV = SAV \* IR, \$750,000 \* (\$750,000 / \$1,000,000) = \$562,500

AV = \$562,500

The building was in its 4th year of its 10 year historic property special assessment term; the new SAV for the condominium unit will remain the same, \$750,000, for the remaining years of the building special assessment or until the building is otherwise disqualified.

The remaining accounts in the building are not affected by this sale.

**Subject:** ORS 367.800 established the Oregon Innovative Partnerships Program to develop partnerships with private entities or units of local government for expedited project delivery and innovation in transportation projects. These rules were revised to reflect the 2007 tolling legislation, incorporate a 2009 temporary rule and make certain technical clarifications intended to streamline the proposal process including:

- Addition of definitions of “local government,” “sensitive business, commercial or financial information,” and “tollway” in section 0010;
- Expanding ODOT’s discretion to consider and weigh factors, and the require or waive the requirement to include certain kinds of information in 0020 and throughout the rules;
- In 0050 and following, enabling competition based on unsolicited Detailed Proposals as well as unsolicited Conceptual Proposals placing responsibility for selection of proposals with the Director and leaving the Commission to approve or disapprove the Director’s selection;
- In 0210, changing the reporting requirements with regard to identifying Major Subcontractors;
- In 0250, changing the solicitation process by eliminating all of the process requirements that had been included and simply providing that ODOT can specify the proposal content and selection criteria in the solicitation itself; and
- In 0300, giving ODOT discretion to pay for work product developed in the course of developing a proposal.

#### Definitions for the Oregon Innovative Partnerships Program

As used in OAR 731-070-0005 to 731-070-0360:

- (1) “Agency” means any agency of the State of Oregon or any political subdivision thereof authorized by law to enter into public contracts, as defined in ORS 279A.010(1), and any public body created by intergovernmental agreement.
- (2) “Commission” or “OTC” means the Oregon Transportation Commission created by ORS 184.612 and any person or persons authorized or directed by the Commission to take any action or make any decision authorized by these rules on the Commission’s behalf.
- (3) “Competing Proposal” means a written submission to the Department that a proposer submits in response to a notice issued by the Department under OAR 731-070-0130.
- (4) “Conceptual Proposal” means a written submission to the Department satisfying the requirements set forth in OAR 730-070-0060.
- (5) “Department” or “ODOT” means the Oregon Department of Transportation created by ORS 184.615.
- (6) “Detailed Proposal” means a written submission to the Department satisfying the requirements set forth in OAR 730-070-0195.
- (7) “Director” means the Director of Transportation appointed under ORS 184.620 and any person or persons authorized or directed by the

Director to take any action or make any decision authorized by these rules on the Director’s behalf.

(8) “Local government” has the meaning given that term in ORS 174.116.

(9) “Major Partner” means, with respect to a limited liability company or joint venture, each firm, business organization or person that has an ownership interest therein in excess of 5%.

(10) “Major Subcontractor” is any subcontractor designated in the proposal to perform 10% or more of the scope of work for a proposed Project.

(11) “Program” or “OIPP” means the Oregon Innovative Partnerships Program established under ORS 367.800 to 367.826.

(12) “Public-Private Partnerships” or “PPP” means a nontraditional arrangement between the Department and one or more private or public entities that provides for the implementation of a Transportation Project that may include:

(a) Acceptance of a private contribution to a transportation system project or service in exchange for a public benefit concerning that project or service;

(b) Sharing of resources and the means of providing transportation system projects or services;

(c) Cooperation in researching, developing, and implementing transportation system projects or services;

(d) Use of innovative funding methods; or

(e) Expedited project delivery. The use of the word “partnership” to describe such an arrangement does not confer on the relationship formed any of the attributes or incidents of a partnership under common law or under ORS chapters 68 and 70.

(13) “Private Contribution” means resources supplied by a private entity to accomplish all or any part of the work on a transportation system project, including funds, financing, income, revenue, cost sharing, technology, staff, materials, equipment, expertise, data, or engineering, construction, or maintenance services, or other items of value.

(14) “Sensitive business, commercial or financial information that is not customarily provided to business competitors” includes records or information pertaining to activities of the proposer that are commercial in nature, are intended to be treated with a high degree of discretion and which would not be provided to the proposer’s competitors.

(15) “Tollway” means any roadway, path, highway, bridge, tunnel, railroad track, bicycle path or other paved surface or structure specifically designed as a land vehicle transportation route, the construction, operation or maintenance of which is wholly or partially funded with toll revenues resulting from an agreement with the Department pursuant to ORS 383.005 or with a city, county, or other local government pursuant to ORS 810.010 or other law.

(16) “Transportation Project” or “Project” has the meaning given that term in ORS 367.802.

(17) Terms not otherwise defined herein shall have the meaning given them in ORS 367.800 to 367.826.

#### General Selection Policies

(1) The Department may exercise broad discretion, subject to the ultimate approval of the Commission, in evaluating proposals in accordance with the criteria stated in OAR 731-070-0010 to 731-070-0360. To conduct a meaningful evaluation of a proposal, ODOT may refine its examination of the proposal so that the features offered by a particular proposal are translated into, or examined in light of, the general criteria identified in section (3) of this rule.

(2) In light of the exemption from the public contracting requirements of ORS Chapters 279A, 279B and 279C contained in ORS 367.806(5), the Department may consider factors including public need, technical and financial feasibility, transportation efficiency, cost effectiveness, and acceleration of project delivery when evaluating proposals for Transportation Projects. The evaluation process must appreciate economy and potential savings to the public, but proposal selection will be determined on a best-value basis, taking into account the policies described in this rule and the applicable criteria identified in OAR 731-070-0110 and 731-070-0140, rather than on a lowest responsible bidder determination.

(3) In evaluating unsolicited proposals and in selecting projects for which to solicit proposals under OAR 731-070-0240, the Department may give precedence to proposals and projects that will satisfy one or more of the following policies:

(a) Projects that will address an urgent or state-identified transportation need in a manner that will materially advance the project delivery time-frame in light of current or anticipated levels of funding and existing transportation plans.

(b) Projects that use primarily rights-of-way and publicly-owned real property that already are owned or under the long-term control of ODOT or other public entities that have authority to put the real property to the use proposed.

# ADMINISTRATIVE RULES

(c) Projects for which planning, reliable feasibility determinations, comparable, successful prior projects or case studies demonstrate a strong potential to attract or generate a substantial contribution of non-state or non-tax resources to pay project cost items like capital, operation and maintenance, and provide a reasonable return on that investment in terms of:

- (A) A private partner's investment, if any; and
- (B) Transportation benefits to the public.

(d) Projects for which planning, reliable feasibility determinations, comparable, successful prior projects or case studies demonstrate a low risk of failure (in terms of the completion of infrastructure improvements and the attraction or generation of a substantial contribution of non-state or non-tax resources), practicable means of mitigating the risk of failure, or a high reward-to-risk ratio (in terms both of the benefits to the public and the private partner's investment incentive).

(e) Proposals that identify specific, reliable, confirmable and economically-viable, non-state or non-traditional sources of funding that will be available to supplement or replace state funding or other state resources for the project.

(f) Projects for which there is a demonstration of clear and substantial public support.

(g) Proposals that identify innovative construction approaches that will result in shorter build time, reduced construction cost or improved function in comparison to conventional approaches.

## 731-070-0030

### Conflict of Interest and Improper Proposer Conduct

(1) By submitting a proposal, the proposer certifies that the proposer, to the best of its knowledge, is not aware of any information bearing on the existence of any potential Organizational Conflict of Interest. If the proposer is aware of information bearing on whether a potential Organizational Conflict of Interest may exist, the proposer shall provide, as an exception to the certification, a disclosure statement describing this information, in a form suitable to ODOT, as part of its proposal. For purposes of this section, "Organizational Conflict of Interest" means that because of other activities or relationships with other persons or entities, including activities or relationships of its principal officers, its owners or its subcontractors, a firm is unable or potentially unable to render impartial assistance or advice to ODOT, or the person's objectivity in performing the proposed contract work is or might be otherwise impaired, or a person has an unfair competitive advantage.

(2) Warranty Against Contingent Fees. By submitting a proposal, the proposer warrants that the proposer, except for a bona fide employee or agency working solely for the proposer:

(a) Has not employed or retained any person or agency to solicit or obtain the contract that might result from submission of the proposal; and

(b) Has not paid upon agreement or understanding to any person or agency employed or retained to solicit or obtain a Transportation Project agreement any contingent fee. For breach or violation of this warranty, the Department shall have the right to annul this contract without liability or, in its discretion, to deduct from the contract price or consideration, or otherwise recover, the full amount of the contingent fee.

(c) As used in this rule:

(A) "Bona fide agency" means an established commercial or selling agency, maintained by a proposer for the purpose of securing business, that neither exerts nor proposes to exert improper influence to solicit or obtain federal or state contracts nor holds itself out as being able to obtain any federal or state contract or contracts through improper influence.

(B) "Bona fide employee" means a person or firm employed by a proposer and subject to the proposer's supervision and control as to time, place, and manner of performance, who neither exerts nor proposes to exert improper influence to solicit or obtain federal or state contracts nor holds itself out as being able to obtain any federal or state contract or contracts through improper influence.

(C) "Contingent fee" means any commission, percentage, brokerage, or other fee that is contingent upon the success that a person or concern has in securing a federal or state contract.

(D) "Improper influence" means any influence that induces or intends to induce a federal or state officer or employee to give consideration or to act regarding a federal or state contract on any basis other than the merits of the matter.

(3) By submitting a proposal, the proposer certifies, to the best of its knowledge and belief, that on or after December 23, 1989:

(a) No federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on his or her behalf in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any federal contract, grant, loan, or cooperative agreement;

(b) If any funds other than federal appropriated funds (including profit or fee received under a covered federal transaction) have been paid, or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on his or her behalf in connection with its proposal, the proposer shall complete and submit, with its proposal, OMB standard form LLL, Disclosure of Lobbying Activities, to the Department; and

(c) The proposer shall include the language of this certification in all subcontract awards at any tier and require that all recipients of subcontract awards in excess of \$100,000 shall certify and disclose accordingly.

(4) Certification - Debarment, Suspension. Proposed Debarment and Responsibility Factors. By submitting a proposal, the proposer certifies, to the best of its knowledge and belief, that neither the proposer, a Major Partner, a Major Subcontractor, nor any principal officer of a proposer, Major Partner or Major Subcontractor, who is proposed to perform construction or design work on a proposed Transportation Project:

(a) Is presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any federal agency or agency of the State of Oregon;

(b) Has, within a three-year period preceding the submission of its proposal, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) contract or subcontract; violation of federal or state antitrust statutes relating to the submission of bids or proposals; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property;

(c) Is presently indicted for, or otherwise criminally or civilly charged by a governmental entity with the commission of any of the offenses enumerated in subsection (b) of this section; or

(d) Has had, within a three-year period preceding the submission of its proposal, one or more contracts terminated for default by any federal, state or local government agency.

(5) For the purposes of this rule, a "principal officer of a proposer, Major Partner or Major Subcontractor," means an officer, director, owner, and partner and any person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a subsidiary, division, or business segment, and similar positions).

(6) In addition to requiring the certification of compliance with the foregoing provisions of this rule, in any Transportation Project that involves funding provided by or through the federal government, ODOT shall be entitled to require, as a requirement of any contract for a Transportation Project with a proposer, that proposer make such additional certifications, warranties or commitments as may be required by the laws, rules, regulations or policies that govern the funding source or which are conditions of the receipt of such funding.

### Submission of Unsolicited Proposal

(1) Unless prequalification is required under OAR 731-070-0350, any private entity or unit of government may submit an unsolicited Conceptual or Detailed Proposal for a Transportation Project to ODOT for consideration under the OIPP. The proposer shall prominently label the proposal as either a Conceptual Proposal or Detailed Proposal, as appropriate.

(2)(a) A proposal review fee in the amount prescribed by OAR 731-070-0055(1)(a) must accompany any unsolicited Conceptual Proposal submitted by a private entity or unit of government.

(b) A proposal review fee in the amount prescribed by OAR 731-070-0055(1)(c) must accompany any unsolicited Detailed Proposal submitted by a private entity or unit of government.

(3) The proposer shall submit 20 copies, individually identified, of any unsolicited proposal in addition to the proposal bearing the signature of the authorized representative. The original proposal, required copies and processing fee shall be delivered to the Director or his designee.

(4) ODOT will consider an unsolicited proposal only if the proposal:

(a) Is unique or innovative in comparison with and is not substantially duplicative of other transportation system projects included in the state transportation improvement program within the Department or, if it is similar to a project in the state transportation improvement program, the project has not been fully funded by ODOT or any other public entity as of the date the proposal is submitted, or the proposal offers an opportunity to materially advance or accelerate the implementation of the project. Unique or innovative features which may be considered by ODOT in evaluating such a proposal may include but are not limited to unique or innovative financing, construction, design, schedule or other project components as compared with other projects or as otherwise defined by ODOT rules or regulations; and

(b) Includes all information required by and is presented in the format set out in OAR 731-070-0060. Such information shall include a list of any proprietary information included in the proposal that the proposer considers

# ADMINISTRATIVE RULES

protected trade secrets or other information exempted from disclosure under ORS 367.803(5) and (6) and OAR 731-070-0280 and 0290.

(5) ODOT will not consider an unsolicited proposal for a project involving another state or local government unit of another state unless ODOT and the appropriate representative of the other state or of the local government unit of the other state have entered into an agreement that permits the acceptance of unsolicited proposals for such a project.

### Fees to Accompany Unsolicited Proposals

(1) The proposal review fees required by OAR 731-070-0050(2) are as follows, unless otherwise specified in sections (2) or (3) of this rule:

(a) For Conceptual Proposals, as defined in OAR 731-070-0010(4):

(A) A \$5,000 non-refundable fee for a project under \$100 million; and

(B) A \$20,000 non-refundable fee for a project \$100 million or more.

(b) If ODOT invites Competing Conceptual Proposals as described in OAR 731-070-0130, each Competing Conceptual Proposal shall be accompanied by the fees described in (1)(a).

(c) For Detailed Proposals, as defined in OAR 731-070-0010(6):

(A) A \$10,000 non-refundable fee for a project under \$100 million; and

(B) A \$40,000 non-refundable fee for a project \$100 million or more.

(d) If ODOT invites Competing Detailed Proposals as described in OAR 731-070-0130, each Competing Detailed Proposal shall be accompanied by the fees described in (1)(c).

(2) If the cost of evaluating an unsolicited proposal exceeds the fees assessed under section (1) of this rule, the Director may assess additional fees that reflect the reasonable expected costs to be incurred by ODOT in evaluating the unsolicited proposal that exceed the amount deposited in section (1) of this rule.

(3) The Director may waive the fees specified in sections (1) and (2) of this rule if the interests of the state or the specific merits of the project would warrant such a waiver. In considering whether to grant a waiver the Director will consider the magnitude of costs versus benefits of such a waiver.

### Contents and Format of Conceptual or Competing Proposals

(1) An unsolicited Conceptual or Competing Proposal shall include the following information, except as expressly waived by the Department, separated by tabs as herein described:

(a) TAB 1: Qualifications and Experience.

(A) Identify the legal structure of the private entity or consortium of private entities or of private and public entities (the "Team") submitting the proposal. Identify the organizational structure of the Team for the Project, the Team's management approach and how each Major Partner and Major Subcontractor identified as being a part of the Team as of the date of submission of the proposal fits into the overall Team.

(B) Describe the experience of each private entity involved in the proposed Project. Describe the length of time in business, business experience, public sector transportation experience, PPP experience, development experience, design-build experience and other similarly sized engagements of each Major Partner and Major Subcontractor. The lead entity must be identified.

(C) Provide the names, addresses and telephone numbers of persons within the Team who may be contacted for further information.

(D) Provide financial information regarding the private entity or consortium and each Major Partner demonstrating their ability to perform the proposed Project.

(E) If the proposer is a limited liability company, all members and managers, if any (as those terms are defined in ORS 63.001), as well as any assignee of an ownership interest, regardless of whether the assignee has also acquired the voting and other rights appurtenant to membership.

(F) If the proposer is a trust, the trustee and all persons entitled to receive income or benefit from the trust.

(G) If the proposer is an association other than a limited liability company, all members, officers and directors of the association.

(H) If the proposer is a partnership or joint venture, all of the general partners, limited partners or joint venturers.

(I) On the written request of an entity that previously has been prequalified under OAR 731-070-00350 or 731-070-0360, ODOT may waive any requirement of this subsection (a) for which ODOT determines that the entity has provided sufficient information in the prequalification process.

(b) TAB 2: Project Characteristics.

(A) Provide a topographical map (1:2,000 or other appropriate scale) depicting the location of the proposed Project.

(B) Provide a description of the Transportation Project or Projects, including all proposed interconnections with other existing transportation facilities or known publicly identified projects.

(C) Describe the Project in sufficient detail so the type and intent of the Project, the general location of the Project, and the communities that may be affected by the Project are clearly identified. Describe the assumptions used in developing the Project.

(D) List the critical factors for the Project's success.

(E) If the proposed Project does not conform with the state and local transportation plans or local comprehensive plans, outline the proposer's approach for securing the Project's conformity with state and local transportation plans and local comprehensive plans or indicate the steps required for acceptance into such plans.

(F) When a proposed Project is sited, in whole or in part, within the jurisdiction of a metropolitan planning organization or area commission on transportation, identify applicable regional and local approvals required for the Project.

(G) Provide an explanation of how the proposed Transportation Project would impact local transportation plans of each affected locality.

(H) Provide a list of public transportation facilities and major apparent public utility facilities that will be crossed or affected by the Transportation Project and a statement of the proposer's plans to accommodate such facilities.

(I) Describe the role the proposer anticipates ODOT will have in the development, construction, operation, maintenance, financing, or any other aspect of the Transportation Project.

(c) TAB 3: Project Financing.

(A) Include a list and discussion of assumptions (user fees or toll rates, and usage of the facility) underlying all major elements of the proposed financing plan for the Project.

(B) Identify the probable risk factors relating to the proposed Project financing and methods for dealing with these factors.

(C) Identify any local, state or federal resources that the proposer contemplates requesting for the Project. Describe the total commitment (financial, services, property, etc.), if any, expected from governmental sources; the timing of any anticipated commitment; and its impact on project delivery.

(D) Identify any aspect of the financial model for the Transportation Project that implicates or potentially implicates the restrictions on use of highway-related revenues under Article IX, section 3a of the Oregon Constitution, and explain how the financial model avoids conflicting with those restrictions.

(E) Provide a conceptual estimate of the total cost of the Transportation Project.

(d) TAB 4: Public Support/Project Benefit/Compatibility.

(A) Describe the significant benefits of the Project to the community, region or state and identify who will benefit from the Project and how they will benefit. Identify any state benefits resulting from the Project including the achievement of state transportation policies or other state goals.

(B) Describe significant benefits of the Project to the state's economic condition. Discuss whether the Project is critical to attracting or maintaining competitive industries and businesses to the state or region.

(C) Identify any known or anticipated government support or opposition, or general public support or opposition, for the Project.

(D) Identify all major environmental, social and land use issues that the proposer knows or anticipates must be addressed.

(2) All pages of a Conceptual Proposal shall be numbered. Each copy of the proposal will be bound or otherwise contained in a single volume where practicable. All documentation submitted with the proposal will be contained in that single volume.

(3) A Conceptual Proposal submitted by a Private Entity must be signed by an authorized representative of the Private Entity submitting the unsolicited Conceptual Proposal.

(4) The proposer shall include a list of any proprietary information included in the proposal which the proposer considers protected trade secrets or other information exempted from disclosure under ORS 367.804 and OAR 731-070-0280 and 0290.

### Additional Proposer Organizational Disclosure Requirements

(1) In addition to the disclosure requirements of OAR 731-070-0060(1)(a) and 731-070-0195(1)(a), the Director or the Director's designee may impose, after the submission of a proposal, any other special disclosure requirements the Director determines to be reasonably necessary to evaluate the expertise, experience, financial backing, integrity, ownership and control of any proposer.

(2) All proposers must provide all the information required by this rule and the Director. All proposers and Key Persons must complete and submit the required disclosure form, prescribed by ODOT, within the deadlines set by the Director or the Director's designee. All proposers and Key Persons must provide any documents required in the disclosure process, or other documents as determined by the Director, or their proposals may be rejected by ODOT.

# ADMINISTRATIVE RULES

(3) ODOT may reject, or require the supplementation of, a proposal if the proposer has not provided all information required in the disclosure form or if any information provided is not accurate, current or truthful. The failure or refusal of any proposer to properly execute, fully complete, or accurately report any information required by the required disclosure shall be sufficient grounds for rejection of the proposal.

(4) Any change in the status of the proposer, in the identity of any of the Key Persons, or the addition of any Key Persons must be reported to the Department within 30 calendar days of the known change, and those whose status has changed or who have been added as Key Persons will be required to submit the required disclosure information. For purposes of this section, a "change in the status of a proposer" means a reorganization of the business structure or corporate structure of the proposer or a Major Partner, or a change in ownership of the proposer or a Major Partner amounting to a transfer of over twenty percent of the entity's ownership.

(5) The burden of satisfying ODOT's disclosure requirements, both in terms of producing the disclosures and assuring their accuracy and completeness, resides with each proposer.

(6) Each proposer, by submitting a proposal, thereby accepts all risk of adverse public notice, damages, financial loss, criticism or embarrassment that may result from any disclosure or publication of any material or information required or requested by the Department in connection with the proposer's submission of a proposal. In submitting a proposal, the proposer expressly waives, on behalf of itself, its partners, joint venturers, officers, employees and agents, any claim against the Director, the State of Oregon, the Oregon Transportation Commission, ODOT, and their officers and employees, for any damages that may arise therefrom.

(7) An Agency that submits a proposal may, prior to submission, request ODOT to waive the disclosure requirements of this rule with respect to the corporate public entity and its officers. However, if the Agency proposes to enter into or establish a partnership or joint venture with a private party to perform any substantial portion of the proposed Project (as opposed to the engagement of only a prime contractor or subcontractors), then disclosure of the private party must be made as if the private party is a proposer, in accordance with this rule.

### Initial Review of Unsolicited Proposals

(1) An unsolicited proposal submitted under OAR 731-070-0050 will be reviewed by an Initial Review Committee (IRC), which shall be appointed by the Director from Department personnel.

(2) The IRC will assess:

(a) Whether the proposal is complete;

(b) Whether the proposer is qualified;

(c)(A) If the proposal is submitted as a Conceptual Proposal, whether the proposal appears to satisfy the requirements of OAR 731-070-0060 for Conceptual Proposals; or

(B) If the proposal is submitted as a Detailed Proposal, whether the proposal appears to satisfy the requirement of OAR 731-070-0195 for Detailed Proposals;

(d) Whether the Project as proposed appears to be technically and financially feasible;

(e) Whether the Project as proposed appears to have the potential of enhancing the state transportation system; and

(f) Whether the Project as proposed appears to be in the public interest.

(3) The IRC will report the results of its assessment to the Director. Based on this assessment, the Director will determine whether the proposal satisfies the requirements of section (2) of this rule. If the Director determines that the proposal satisfies the requirements set out in section (2) of this rule, the Director will forward a recommendation concerning the proposal to the Commission for preliminary review and approval. The recommendation will not include sensitive business, commercial or financial information or trade secrets as described in 731-070-0290.

### Competing Proposals

(1) Within 30 calendar days of the Commission's preliminary approval of an unsolicited proposal under OAR 731-070-0120, ODOT shall provide public notice of the proposed Project. This notice shall:

(a) Be published in a newspaper of general circulation and upon such electronic website providing for general public access as ODOT may develop for such purpose;

(b) Be provided to any county, city, metropolitan service district, or transportation district in which the Project will be located;

(c) Be provided to any person or entity that expresses in writing to ODOT an interest in the subject matter of the unsolicited proposal and to any member of the Legislature whose House or Senate district would be affected by such proposal;

(d) Outline the general nature and scope of the unsolicited proposal, including the location of the Transportation Project and the work to be performed on the Project;

(e) Specify whether the Competing Proposal must satisfy the requirements for a Conceptual Proposal under OAR 731-070-0050 or for a Detailed Proposal under OAR 731-070-0195; and

(f) Specify the address to which any Competing Proposal must be submitted.

(2) Any entity that elects to submit a Competing Proposal for the proposed Project shall submit a written letter of intent to do so not later than 30 calendar days after ODOT's initial publication of notice. Any letter of intent received by ODOT after the expiration of the 30-calendar day period shall not be valid and any Competing Proposal submitted thereafter by a private or governmental entity that has not submitted a timely letter of intent shall not be considered by ODOT.

(3) An entity that has submitted a timely letter of intent must submit its Competing Proposal to ODOT not later than 90 calendar days after ODOT's initial publication of notice under section (1) of this rule, or such other time as ODOT states in the notice. The Competing Proposal must:

(a) Be signed by an authorized representative of the proposer;

(b) If the notice issued under paragraph (1) specifies that the Competing Proposal must satisfy the requirements for a Conceptual Proposal:

(A) Be accompanied by the processing fee for Conceptual Proposals required under OAR 731-070-0055(1); and

(B) Include the information and be organized in the manner required of an unsolicited Conceptual Proposal under OAR 731-070-0060.

(c) If the notice issued under paragraph (1) specifies that the Competing Proposal must satisfy the requirements for a Detailed Proposal:

(A) Be accompanied by the processing fee for Detailed Proposals required under OAR 731-070-0055(1); and

(B) Include the information and be organized in the manner required of an unsolicited Detailed Proposal under OAR 731-070-0195.

### Evaluation of Unsolicited and Competing Proposals

(1) Evaluation Panel. An Evaluation Panel shall be appointed by the Director and shall consist of not fewer than five nor more than nine members, at least three of whom shall be employees of the Department.

(2) Evaluation Panel Review. After expiration of the time to submit Competing Proposals to an unsolicited Proposal, the Evaluation Panel will review the Competing Proposals to determine whether they satisfy the requirements of OAR 731-070-0050 and qualify for full evaluation.

(3) Competing or Non-Competing Proposals. As part of its initial review of Competing Proposals under section (2) of this rule, the Evaluation Panel shall make a preliminary assessment whether any of the Competing Proposals differ from the original unsolicited proposal in such a significant and meaningful manner that they should be treated as an original unsolicited proposal. If the Evaluation Panel believes that a proposal submitted as a Competing Proposal should be treated as an original unsolicited proposal and that it satisfies the requirements of OAR 731-070-0050, the Evaluation Panel shall forward the proposal to the Director, who shall determine whether the proposal should be submitted to the Commission for preliminary review and approval under OAR 731-070-0120, and the proposal shall thereafter be processed under these rules in the same manner as an unsolicited Proposal.

(4) Proposer Presentations. At any time during this evaluation process, the Evaluation Panel may request proposers to make presentations to the Evaluation Panel. Proposers shall be afforded not less than 10 business days following written notification from the Evaluation Panel to prepare such presentations. The format of these presentations will include a formal presentation by the proposer, followed by any questions the Evaluation Panel may have pertaining to the Project, proposal or the presentation. These meetings will allow the Evaluation Panel to seek clarification of Project elements and complete deliverable requirements, and provide proposers with the opportunity to further explain their proposed Projects. If there is an issue to which the proposer is unable to respond during the formal presentation, the Evaluation

# ADMINISTRATIVE RULES

Panel may, at its discretion, grant the proposer a reasonable period of time in which to submit a written response.

(5) Evaluation Factors. When assessing any original unsolicited Proposal or qualifying Competing Proposal, the Evaluation Panel may take into consideration any or all of the following factors:

(a) Qualifications and Experience. Does the proposer propose a Team that is qualified, managed, and structured in a manner that will enable the Team to complete the proposed Project?

(A) Experience with Similar Infrastructure Projects. Have members of this Team previously worked together or in a substantially similar consortium or partnership arrangement constructing, improving or managing transportation infrastructure? Has the lead firm managed, or any of the member firms worked on, a similar privatization project?

(B) Demonstration of Ability to Perform Work. Does the Team possess the necessary financial, staffing, equipment, and technical resources to successfully complete the Project? Do the Team and/or member firms have competing financial or workforce commitments that may inhibit success and follow-through on the Project?

(C) Leadership Structure. Is one firm designated as lead on the Project? Does the organization of the Team indicate a well thought out approach to managing the Project? Is there an agreement/document in place between members?

(D) Project Manager's Experience. Is a Project Manager identified, and does this person work for the principal firm? If not, is there a clear definition of the role and responsibility of the Project Manager relative to the member firms? Does the Project Manager have experience leading this type and magnitude of project?

(E) Management Approach. Have the primary functions and responsibilities of the management team been identified? Have the members of the Team developed an approach to facilitate communication among the Project participants? Has the firm adequately described its approach to communicating with and meeting the expectations of the state?

(F) Financial Condition. Is the financial information submitted on the firms sufficient to determine the firms' capability to fulfill its obligations described in the proposal, and is that capability demonstrated by the submitted information?

(G) Project Ownership. Does the proposal identify the proposed ownership arrangements for each phase of the Project and clearly state assumptions on legal liabilities and responsibilities during each phase of the Project?

(H) Participation of Small Businesses and Businesses Owned by Women and Minorities. What is the level of commitment by the proposers to use small, minority-, and women-owned business enterprises in developing and implementing the Project?

(I) Competitive Subcontracting. To what extent have adequate and transparent procurement policies been adopted by the proposer to maximize opportunities for competitive procurement of work, services, materials and supplies that the proposer will outsource?

(b) Project Characteristics. Is the proposed transportation facility technically feasible?

(A) Project Definition. Is the Project described in sufficient detail to determine the type and size of the Project, the location, all proposed interconnections with other transportation facilities, the communities that may be affected, and alternatives (e.g. alignments) that may need to be evaluated?

(B) Proposed Project Schedule. Is the time frame for Project completion clearly outlined? Is the proposed schedule reasonable given the scope and complexity of the Project?

(C) Operation. Does the proposer present a reasonable statement setting forth plans for operation of the Project or facilities that are included in the Project?

(D) Technology. Is the proposal based on proven technology? What is the degree of technical innovation associated with the proposal? Will the knowledge or technology gained from the Project benefit other areas of the state or nation? Does the technology proposed maximize interoperability with relevant local and statewide transportation technology? Can the proposed Project upgrade relevant local technology?

(E) Conforms to Laws, Regulations, and Standards. Is the proposed Project consistent with applicable state and federal statutes and regulations, or reasonably anticipated modifications of state or federal statutes, regulations or standards? Does the proposed design meet applicable state and federal standards?

(F) Federal Permits. Is the Project outside the purview of federal oversight, or will it require some level of federal involvement due to its location on the National Highway System or Federal Interstate System or because federal permits are required? Does the proposal identify the primary federal permits and agencies that will be involved in review and oversight of the Project?

(G) Meets/Exceeds Environmental Standards. Is the proposed Project consistent with applicable state and federal environmental statutes and regulations? Does the proposed design meet applicable state environmental standards? Does the proposal adequately address air quality issues?

(H) State and Local Permits. Does the proposal list the required permits and provide a schedule for obtaining them? Are there known or foreseeable negative impacts arising from the Project? If so, is there a mitigation plan

identified? Are alternatives to standards or regulations needed to avoid those impacts that cannot be mitigated?

(I) Right of Way. Does the proposal set forth a method or plan to secure all property interests required for the Transportation Project?

(J) Maintenance. Does the proposer have a plan to maintain any facilities that are part of the proposed Transportation Project in conformance with Department standards? Does the proposal clearly define assumptions or responsibilities during the operational phase including law enforcement, toll collection and maintenance? Under the proposal, will maintenance and operation of any new facilities be consistent with standards applied throughout the highway system and use the same work-forces and methods?

(c) Project Financing. Has the proposer provided a financial plan which will allow for access to the necessary capital to make a substantial contribution of non-state, private-sector, or other innovative financing resources to the financing of the facility or Project?

(A) Financing. Did the proposer demonstrate evidence of its experience, ability and commitment to provide a sufficient private-sector contribution or other innovative financing contribution of funds or resources to the Project as well as the ability to obtain the other necessary financing?

(B) Financial Plan. Does the financial plan demonstrate a reasonable basis for funding Project development and operations? Are the assumptions on which the plan is based well defined and reasonable in nature? Are the plan's risk factors identified and dealt with sufficiently? Are the planned sources of funding and financing realistic? Is the proposer prepared to make a financial contribution to the Project? Does the proposer adequately identify sources of non-state funding that it anticipates including in the Project financing, and does the proposer provide adequate assurance of the availability of those funds and the reliability of the funding sources?

(C) Estimated Cost. Is the estimated cost of the Project reasonable in relation to the cost of similar projects?

(D) Life Cycle Cost Analysis. Does the proposal include an appropriately conducted analysis of projected rate of return and life-cycle cost estimate of the proposed Project and/or facility?

(E) Business Objective. Does the proposer clearly articulate its reasons for pursuing the Project? Do its assumptions appear reasonable?

(d) Public Support. Has the proposer demonstrated sufficient public support for the proposed Project or proposed a reasonable plan for garnering that support?

(A) Community Benefits. Will the Project bring a significant transportation and economic benefit to the community, the region, and/or the state? Are there ancillary benefits to the communities because of the Project?

(B) Community Support. What is the extent of known support or opposition for the Project? Does the Project proposal demonstrate an understanding of the national and regional transportation issues and needs, as well as the impacts the Project may have on those needs? Is there a demonstrated ability to work with the community? Have affected local jurisdictions expressed support for the Project?

(C) Public Involvement Strategy. What strategies are proposed to involve local and state elected officials in developing the Project? What level of community involvement is contemplated for the Project? Is there a clear strategy for informing and educating the public and for obtaining community input throughout the development and life of the Project?

(e) Project Compatibility. Is the proposed Project compatible with, or can it be made compatible with state and local comprehensive transportation plans?

(A) Compatibility with the Existing Transportation System. Does the Project propose improvements that are compatible with, or that can be made compatible with, the present and planned transportation system? Does the Project provide continuity with existing and planned state and local facilities?

(B) Fulfills Policies and Goals. Does the proposed Project help achieve performance, safety, mobility or transportation demand management goals? Does the Project improve connections among the transportation modes?

(C) Enhance Community-Wide Transportation System. Has the proposer identified the specific way in which the Project benefits affected community transportation systems? Does the Project enhance adjacent transportation facilities?

(D) Conformity with Local, Regional and State Transportation Plans. Does the Project conform with, or can it achieve conformity with, city and county comprehensive plans and regional transportation plans? Does the Project conform with, or can it achieve conformity with, plans developed by the Oregon Transportation Commission under ORS 184.618 and any applicable regional transportation plans or local transportation programs? If not, are the steps proposed under OAR 731-070-0060(1)(b) to achieve conformity with such plans adequate and appropriate to provide a high likelihood that the Project and the applicable plans can be brought into conformity?

(E) Economic Development. Will the proposed Project enhance the state's economic development efforts? Is the Project critical to attracting or maintaining competitive industries and businesses to the region, consistent with stated objectives?

(6) Factors for Proposals that Include Tolling. If the Project financing component of a proposal includes a plan to impose tolls, the Evaluation Panel shall specifically consider:

# ADMINISTRATIVE RULES

(a) The opinions and interests of units of government encompassing or adjacent to the path of the proposed Tollway Project in having the Tollway installed;

(b) The probable impact of the proposed Tollway Project on local environmental, aesthetic and economic conditions and on the economy of the state in general;

(c) The extent to which funding other than state funding is available for the proposed Tollway Project and the extent to which resources other than tolls would be required to be established and/or maintained as necessary security to support such a financing;

(d) The likelihood that the estimated use of the Tollway Project will provide sufficient revenues to independently finance the costs related to the construction and future maintenance, repair and reconstruction of the Tollway Project, including the repayment of any loans to be made from moneys in the State Tollway Account or other accounts;

(e) With respect to Tollway Projects, any portion of which will be financed with state funds or department loans or grants:

(A) The relative importance of the proposed Tollway Project compared to other proposed Tollways; and

(B) Traffic congestion and economic conditions in the communities that will be affected by competing Tollway Projects;

(f) The effects of Tollway implementation on other major highways in the state system and on community and local street traffic;

(g) The amount and classification of the traffic using, or anticipated to use, the Tollway;

(h) The amount of the toll proposed to be established for each class or category of Tollway user and, if applicable, the different amounts of the toll depending on time and day of use;

(i) The extent of the Tollway, including improvements necessary for Tollway operation and improvements necessary to support the flow of traffic onto or off of the Tollway;

(j) The location of toll plazas or toll collection devices to collect the toll for the Tollway;

(k) The cost of constructing, reconstructing, improving, installing, maintaining, repairing and operating the Tollway;

(L) The amount of indebtedness incurred for the construction of the Tollway and debt service requirements, if any;

(m) The value of assets, equipment and services required for the operation of the Tollway;

(n) The period of time during which the toll will be in effect;

(o) The process for altering the amount of the toll during the period of operation of the Tollway;

(p) The method of collecting the toll;

(q) The rate of return that would be fair and reasonable for a private equity holder, if any, in the Tollway; and

(r) Tolling policies adopted by the Oregon Transportation Commission.

(7) Evaluation Panel Recommendation.

(a) For Conceptual Proposals. For any Conceptual Proposal that receives a favorable evaluation, the Evaluation Panel will prepare a written determination, based on facts and circumstances presented in the proposal or known to ODOT, that the proposal merits development into a Detailed Proposal.

(b) In its written determination regarding any Conceptual Proposal, the Evaluation Panel may specify conditions that it recommends the proposer be required to satisfy before proceeding to develop a Detailed Proposal. By way of example, such conditions may include, but are not limited to:

(A) Requiring the proposer to provide additional information or clarification concerning elements or parts of its Conceptual Proposal;

(B) Requiring the proposer to develop and submit additional information confirming the technical feasibility of the proposed Transportation Project;

(C) Requiring the proposer to develop and submit additional information confirming that the proposed Transportation Project complies with or can be brought into compliance with relevant local and state transportation plans, restrictions on property use, and environmental laws, or that the Transportation Project and the applicable plans, restrictions and environmental laws can otherwise be brought into conformity;

(D) Requiring the proposer to commit in writing, to ODOT, to undertake good faith efforts to modify or adjust in specific ways, in the Detailed Proposal, the Transportation Project that was the subject of the Conceptual Proposal to incorporate steps, characteristics or features that ODOT identifies as necessary or desirable to enhance the feasibility, public acceptance, transportation efficiency, or economy in execution or operation, of the Transportation Project;

(E) Otherwise requiring the proposer to develop and present revisions to, or alternatives within, the Detailed Proposal that will permit ODOT to obtain best value based on the requirements and evaluation criteria set forth in the notice or request for Conceptual Proposals and based on knowledge obtained by ODOT by virtue of its review and evaluation of the Conceptual Proposals; and

(F) Requiring the proposer to enter into an interim agreement, on terms satisfactory to the proposer and ODOT, under which the proposer will provide services to ODOT in connection with the development of the Detailed

Proposal or further development of the Project, including assistance to ODOT in obtaining any necessary regulatory approvals.

(c) The Evaluation Panel will report its assessments and recommendations to the Director. The Director will review the Evaluation Panel's assessments and recommendations and based on that review shall:

(A) Select one Conceptual Proposal for development of a Detailed Proposal and forward the selection to the Commission for approval or disapproval;

(B) Select one Conceptual Proposal for development of a Detailed Proposal subject to the proposer's satisfaction of specified conditions and forward the selection to the Commission for approval or disapproval;

(C) Select one Conceptual Proposal for direct negotiations under OAR 731-070-0240 and -0245; or

(D) Reject all Conceptual Proposals.

(d) For Detailed Proposals. For any Detailed Proposal that receives a favorable evaluation, the Evaluation Panel will prepare a written recommendation, based on facts and circumstances presented in the proposal or known to ODOT, that the proposal merits consideration for negotiation of a final agreement. The Evaluation Panel will report its assessments and recommendations to the Director. The Director will review the Evaluation Panel's assessments and recommendations and based on that review shall:

(A) Select one Detailed Proposal and forward the selection to the Commission with a recommendation that the Detailed Proposal constitutes an acceptable basis for an agreement to enter into a public-private partnership with the proposer; or

(B) Reject all Detailed Proposals.

### Use of a Process that Permits ODOT Feedback and Ability of Proponents to Supplement/Refine Proposals after Initial Submission; ODOT Authority to Elect Competitive Negotiations.

(1) For Original Unsolicited Proposals: ODOT reserves the right, to be exercised in its sole and absolute discretion, to require or to permit proposers to submit, at any time, revisions, clarifications to, or supplements of their previously submitted proposals. ODOT may, in the exercise of this authority, require proposers to add features, concepts, elements, information or explanations that were not included in their initial proposals, and may require them to delete features, concepts, elements, information or explanations that were included in their initial proposals. A proposer will not be legally bound to accept a request to add to or delete from a proposal any feature, concept, element or information, but its refusal to do so in response to a request by ODOT shall constitute sufficient grounds for ODOT to elect to terminate consideration of its proposal.

(2) For Competing Proposals:

(a) After ODOT's opening and review of Competing Proposals, ODOT may issue or post on its website an addendum to the request for Competing Proposals that:

(A) Requires proposers to address or add physical features or elements, and information or explanations that were not included in their initial proposals; or

(B) Requires proposers to delete physical features or elements that were included in their initial proposals.

(b) ODOT will send any such addendum that it issues by a method other than posting on its website to all proposers who are eligible to compete under the particular Competing Proposal process.

(c) ODOT will issue or electronically post an addendum issued under this section. The addendum will contain a deadline by which the proposers must submit to ODOT any additions to, modifications of or deletions from their proposals.

(d) A proposer will not be legally bound to accept a request to add to or delete from a proposal any feature, element or information or explanation, but its refusal to do so in response to an addendum issued by ODOT shall constitute sufficient grounds for ODOT to elect to terminate consideration of the proposer's Competing Proposal and also may be considered by ODOT in determining the proposer to be selected as the result of the Competing Proposals process.

(3) ODOT Authority to Elect Competitive Negotiations:

(a) In addition to ODOT's ability to exercise any alternative selection or contracting process permitted under this rule or OAR 731-070-0270(2), ODOT may authorize, at its option, competitive negotiations with multiple proposers as a means of selecting from among Competing Proposals solicited under OAR 731-070-0130, or from among Detailed Proposals requested under OAR 731-070-0270(2)(b). Negotiations under this section are part of the proposal evaluation process and do not constitute the negotiation of a Transportation Project agreement.

(b) ODOT may announce its election to conduct competitive negotiations:

(A) In any notice issued for Competing Proposals under OAR 731-070-0130;

# ADMINISTRATIVE RULES

(B) In any request for the submission of Detailed Proposals under OAR 731-070-0270(2); or

(C) By written notice, by mail or by electronic means, to the proposers, issued at any time following ODOT's receipt of proposals under OAR 731-070-0130 or 731-070-0270(2).

(c) In any communication under subsection (3)(b) of this rule, or by notice to the proposers issued by mail or by electronic means at any time after the receipt of proposals, ODOT may announce that it will initiate competitive negotiations with all proposers who submitted responsive proposals, or only with proposers who qualify to negotiate because ODOT has determined that their proposals fall within a competitive range.

(d) When ODOT elects to negotiate only with proposers within a competitive range, then after ODOT's evaluation of proposals in accordance with the criteria set forth in the notice or request for proposals, ODOT will determine the proposers in the competitive range.

(A) For purposes of this section (3), the proposers in the competitive range consist of those proposers whose proposals, as determined by ODOT in its discretion, have a reasonable chance of being determined the best proposal as the result of the preliminary evaluation conducted under subsection (3)(d). In determining which proposals fall within the competitive range, ODOT may consider whether its preliminary evaluation of proposals establishes a natural break in the preliminary scores of the proposals that suggests those proposals that are sufficiently competitive to be included in the competitive range.

(B) ODOT will provide written notice to all proposers, by mail or by electronic means, of the proposals ODOT determines to fall within the competitive range. A proposer whose proposal is not within the competitive range may submit a written protest of ODOT's evaluation and determination of the competitive range within 14 calendar days after the date of ODOT's notice. A proposer's written protest must state facts and argument that demonstrate how the competitive range determination was flawed or how ODOT's determination constituted an abuse of discretion. If ODOT receives no written protest concerning the proposed selection listing within the 14 calendar day period, then ODOT will proceed with negotiations with the proposers whose proposals fell within the competitive range.

(C) In response to a timely filed protest, ODOT will issue a written decision that resolves the issues raised in the protest. ODOT will make its written determination available, by mail or by electronic means, to the protesting proposer and to the proposers falling within the competitive range. ODOT's written decision under this subsection shall constitute a final order under ORS 183.484.

(e) The object of competitive negotiations, which ODOT may conduct concurrently with more than one proposer or serially, is to maximize ODOT's ability to obtain best value and to permit proposers to develop revised proposals. Therefore, the negotiations may include, but shall not be limited to:

(A) Informing proposers of deficiencies in their proposals;

(B) Notifying proposers of parts of their proposals for which ODOT would like additional information; and

(C) Otherwise allowing proposers to develop revised proposals that will permit ODOT to obtain the best proposal based on the requirements and evaluation criteria set forth in the notice or request for proposals.

(f) The scope, manner and extent of negotiations with any proposer are subject to the discretion of ODOT. To prevent the disclosure of proposal information to a proposer's competitors, ODOT may conduct negotiations with proposers before information about the subject proposals is shared with other government entities under ORS 367.804(5)(a). In conducting negotiations, ODOT:

(A) Shall treat all proposers fairly and shall not engage in conduct that favors any proposer over another;

(B) Shall not reveal to another proposer a proposer's unique technology, unique or innovative approaches to Transportation Project design, management or financing, or any information that would compromise the proposer's intellectual property, trade secrets or sensitive business information; or

(C) Shall not reveal to another proposer a proposer's price or pricing information, provided, however, that ODOT may inform a proposer that ODOT considers a proposer's price or pricing information to be too high or too low.

### Commission Review and Selection of Proposals

(1) The Commission shall review the Conceptual Proposal selected and forwarded by the Director under OAR 731-070-0140(7)(c). Based on that review the Commission shall approve or disapprove the Director's selection for development of a Detailed Proposal under OAR 731-070-0190.

(2) The Commission shall review the Detailed Proposal selected and forwarded by the Director under OAR 731-070-0140(7)(d). Based on that review the Commission shall approve or disapprove the Detailed Proposal selected by the Director for negotiation of a final agreement under OAR 731-070-0200.

### Protests of Rejection of Proposal/Award of Contract to Competitor in Competing Proposals Context

(1) At least 14 calendar days prior to the final selection of the successful proposer in any competitive proposal selection process, ODOT will give, electronically or otherwise, written notice to all participating proposers of ODOT's apparent selection of the successful proposer. A proposer who would be adversely affected by the selection announced in the notice may, within the 14-calendar day period, submit to ODOT a written protest of the selection of the apparent successful proposer.

(2) For purposes of this rule, a protesting proposer is adversely affected by a selection only if the proposer has submitted a responsive Competing Proposal and is next-in-line for selection. In other words, the protesting proposer must demonstrate that all higher-scoring proposers are ineligible for selection because either:

(a) The higher-scoring proposals were not responsive to the requirements stated in ODOT's notice requesting Competing Proposals; or

(b) ODOT committed a substantial violation of a provision in ODOT's notice requesting Competing Proposals, in these rules, or in ORS 367.800 to 367.826, or otherwise abused its discretion, in evaluating the Competing Proposals.

(3) A proposer's written protest must state facts and argument that demonstrate how the selection process was flawed or how ODOT's selection of the apparent successful proposer constituted an abuse of ODOT's discretion. If ODOT receives no written protest concerning the proposed selection listing within the 14-calendar day period, then the selection of the successful proposer automatically shall become effective on the 15th calendar day after ODOT first transmitted or otherwise delivered its written notice of the apparent successful proposer.

(4) In response to a proposer's timely filed protest that complies with this rule, ODOT will issue a written decision that resolves the issues raised in the protest. In considering a timely protest, ODOT may request further information from the protesting proposer and from the apparent successful proposer identified in ODOT's notice issued under subsection (1) of this rule. ODOT will make its written determination available, by mail or by electronic means, to the protesting proposer and to the apparent successful proposer identified in ODOT's notice issued under subsection (1) of this rule. ODOT's written decision under this subsection shall constitute a final order under ORS 183.484.

### Detailed Proposal

(1) Upon the Commission's approval of the Director's selection of a Conceptual Proposal under OAR 731-070-0140(7)(c)(1) and on expiration of the protest period, ODOT shall notify the proposer to submit a Detailed Proposal complying with the requirements of OAR 731-070-0195.

(2) Upon the Commission's approval of the Director's provisional selection subject to satisfaction of conditions of a Conceptual Proposal under OAR 731-070-0140(7)(c)(2) for development of a Detailed Proposal and on expiration of the protest period, ODOT shall notify the proposer of the conditions. The proposer shall have 21 calendar days from receipt of ODOT's notification to elect to proceed under specified conditions. If the proposer elects to proceed, ODOT shall work with the proposer to develop a plan for satisfying the conditions. If the plan entails entry into an interim "agreement" within the meaning of ORS 367.802(1), the agreement will conform to all relevant requirements of ORS 367.800 to 367.826.

(3) After the Commission's approval of the Director's selection or provisional selection of a Conceptual Proposal and until submission of the Detailed Proposal, ODOT and the proposer may confer on any matter pertinent to development of the Detailed Proposal.

(4) The Evaluation Panel, as supplemented by consultants retained by ODOT, shall review the Detailed Proposal to ensure compliance with the requirements of ORS 731-070-0195. When reviewing a Detailed Proposal, the Evaluation Panel may take into consideration any or all of the factors set forth in ORS 731-070-0140(5) and any additional factors consistent with the intent and goals of the OIPP legislation, but the weighting of factors and final decision is in the sole discretion of the Evaluation Panel.

(5) Upon completion of its review of the Detailed Proposal, the Evaluation Panel will recommend to the Director whether the Detailed Proposal should be advanced to a final agreement.

(6) After receipt of the Evaluation Panel's recommendation, the Director shall either accept or reject the Evaluation Panel's recommendation, and if accepted, the Director shall submit to the Oregon Transportation Commission the Detailed Proposal, as modified, if applicable, with a recommendation that the Detailed Proposal constitutes an acceptable basis for an agreement to enter into a public-private partnership with the proposer.

# ADMINISTRATIVE RULES

(7) After receipt of the selection from the Director, the Oregon Transportation Commission shall either approve or disapprove the Detailed Proposal selected by the Director for negotiation of a final agreement.

### Contents and Format of Detailed Proposal

(1) A Detailed Proposal shall include the following information, except as expressly waived by the Department, separated by tabs as herein described:

(a) TAB 1: Qualifications and Experience.

(A) Identify the legal structure of the private entity or consortium of private entities or of private and public entities (the "Team") submitting the proposal. Identify the organizational structure of the Team for the Project, the Team's management approach and how each Major Partner and Major Subcontractor identified as being a part of the Team as of the date of submission of the proposal fits into the overall Team.

(B) Describe the experience of each private entity involved in the proposed Project. Describe the length of time in business, business experience, public sector transportation experience, PPP experience, development experience, design-build experience and other similarly sized engagements of each Major Partner and Major Subcontractor. The lead entity must be identified.

(C) Provide the names, addresses and telephone numbers of persons within the Team who may be contacted for further information.

(D) Include the address, telephone number, and the name of a specific contact person at a public entity for which the private entity or the Team or the primary members of the Team have completed a development project, public-private partnership project or design-build project.

(E) Include the resumes for those managerial persons within the Team that will likely be associated in a significant way with the Project development and implementation.

(F) Provide financial information regarding the private entity or Team and each Major Partner that includes, if available, the most recent independently audited financial statement of the private entity or Team and of each Major Partner, and which demonstrates their ability to perform the work and Project as set forth in the Detailed Proposal, including ability to obtain appropriate payment and performance bonds.

(G) Submit executed disclosure forms, prescribed by ODOT, for the Team, each Major Partner and any Major Subcontractor.

(b) TAB 2: Project Characteristics.

(A) Provide a detailed description of the Transportation Project or Projects, including all proposed interconnections with other existing transportation facilities or known publicly identified projects. Describe the Project in sufficient detail so the type and intent of the Project, the general location of the Project, and the communities that may be affected by the Project are clearly identified. Describe the assumptions used in developing the Project.

(B) Identify any significant local, state or federal services or practical assistance that the proposer contemplates requesting for the Project. In particular, identify and describe any significant services that will need to be performed by the Department such as right-of-way acquisition or operation and maintenance of the completed Project.

(C) Include a preliminary list of all significant federal, state, regional and local permits and approvals required for the Project. Identify which, if any, permits or approvals are planned to be obtained by ODOT.

(D) List the critical factors for the Project's success.

(E) Identify the proposed preliminary schedule for implementation of the Project.

(F) Describe the assumptions related to ownership, law enforcement and operation of the Project and any facility that is part of the Project.

(G) Describe the payment and performance bonds and guarantees that the Team will provide for the Project.

(H) Identify any public improvements that will be part of the proposed Transportation Project that will constitute "public works" under ORS 279C.800(5), the workers on which must be paid in accordance with Oregon's Prevailing Rate of Wage Law, ORS 279C.800 to 279C.870, and any public improvements the workers on which must be paid in accordance with the federal Davis-Bacon Act, 40 USC sections 3141 to 3148.

(c) TAB 3: Project Financing.

(A) Provide a projected budget for the Project based on proposer's prior experience on other projects or other cost projection factors and information.

(B) Include a list and discussion of assumptions (e.g., user fees, toll rates and usage of the facility) underlying all major elements of the plan for the Project.

(C) Identify the proposed risk factors relating to the proposed Project financing and methods for dealing with these factors.

(D) Identify any significant local, state or federal resources that the proposer contemplates requesting for the Project. Describe the total commitment (financial, services, property, etc.), if any, expected from governmental sources; the timing of any anticipated commitment; and its impact on project delivery.

(E) Identify any aspect of the financial model for the Transportation Project that implicates or potentially implicates restrictions on the use of highway-related revenues under Article IX, section 3a of the Oregon Constitution, and explain how the financial model avoids conflicting with those restrictions.

(F) Identify the form of the Private Contribution and the members of the Team that will make the Private Contribution and the proposed compensation for such Private Contribution.

(G) Provide an explanation of how funds for the Transportation Project will be segregated, accounted for and expended in a manner that ensures that any moneys from the state highway fund will be expended exclusively for the construction, reconstruction, improvement, repair, maintenance, operation and use of public highways, roads, streets and roadside rest areas in Oregon, as required by Article IX, section 3a(1), of the Oregon Constitution.

(H) Identify, to the extent possible, proposed financing Team members, including banks, investment banks, equity investors, credit enhancement providers, bond trustees and legal counsel to the same.

(d) TAB 4: Public Support/Project Benefit/Compatibility.

(A) Identify who will benefit from the Project, how they will benefit and how the Project will benefit the overall transportation system.

(B) Identify any anticipated government support or opposition, or general public support or opposition, for the Project.

(C) Explain the strategy and plans that will be carried out to involve and inform the agencies and the public in areas affected by the Project.

(D) Describe the significant social and economic benefits of the Project to the community, region or state and identify who will benefit from the Project and how they will benefit. Identify any state benefits resulting from the Project including the achievement of state transportation policies or other state goals.

(f) TAB 5: Special Deliverables.

(A) Provide a statement setting out the plan for securing all necessary real property, including proposed timeline for any necessary acquisitions.

(B) Provide proposed design, construction and completion guarantees and warranties.

(C) Include traffic studies and/or forecasts and related materials that establish Project revenue assumptions, including, if any, user fees or toll rates, and usage of the facility.

(D) Provide such additional material and information as ODOT may reasonably request.

(2) All pages of a proposal shall be numbered. Each copy of the proposal will be bound or otherwise contained in a single volume where practicable. All documentation submitted with the proposal will be contained in that single volume.

(3) A proposal submitted by a Private Entity must be signed by an authorized representative of the Private Entity submitting the proposal.

(4) The proposer shall include a list of any proprietary information included in the proposal which the proposer considers protected trade secrets or other information exempted from disclosure under ORS 367.804 and OAR 731-070-0280 and 731-070-0290.

### Negotiation of Agreement

(1) A Detailed Proposal approved by the Commission for negotiation of a final agreement shall be referred to a working group appointed by the Director. The working group shall be responsible for negotiating the final agreement with the proposer. Each final agreement will define the rights and obligations of ODOT and the respective proposer with regard to the Transportation Project. The final agreement must include provisions specifying at least the following:

(a) At what point in the Transportation Project public and private sector partners will enter the Project and which partners will assume responsibility for specific Project elements;

(b) How the partners will share management of the risks of the Project;

(c) How the partners will share the costs of development of the Project;

(d) How the partners will allocate financial responsibility for cost overruns;

(e) The penalties for nonperformance;

(f) The incentives for performance;

(g) The invoicing and payment procedures and schedules to be followed, and the accounting and auditing standards to be used to evaluate work on the Project; and

(h) Whether the Project is consistent with the plan developed by the Oregon Transportation Commission under ORS 184.618 and any applicable regional transportation plans or local transportation programs and, if not consistent, how and when the Project will become consistent with applicable plans and programs.

(2) If public moneys are used to pay any costs of construction of public works that is part of a Transportation Project, the construction contract shall contain provisions that require payment of workers under the contract in accordance with ORS 279C.520 and 279C.800 to 279C.870.

# ADMINISTRATIVE RULES

(3) An agreement for the construction of a public improvement as part of a Transportation Project shall approved for bonding, financial guarantees, deposits or the posting of other security to secure the payment of laborers, subcontractors and suppliers who perform work or provide materials as part of the Project.

(4) The working group shall consider whether to implement procedures to promote competition among subcontractors for any subcontracts to be let in connection with the Transportation Project. As part of its request for approval of the agreement by the Commission under OAR 731-070-0230, the working group shall report in writing to the Commission its conclusions regarding the appropriateness of implementing such procedures.

### ODOT Objection to Subcontractors

(1)(a) Prior to the execution of any contract with a proposer, the proposer must provide ODOT a list of all Major Subcontractors identified in its proposal who will perform work in the construction, operation or maintenance of the Project. All subcontractors must be legally eligible to perform or work on public contracts under federal and Oregon law and regulations. No subcontractor will be accepted who is on the list of contractors ineligible to receive public works contracts under ORS 279C.860.

(b) During performance of the contract, the proposer shall promptly notify ODOT of the engagement or disengagement of any Major Subcontractor.

(2) If ODOT has reasonable objection to any proposed subcontractor, ODOT is authorized to require, before the execution of a contract, an apparently successful proposer to submit an acceptable substitute. In such case, the proposer must submit an acceptable substitute, and the contract may, at ODOT's discretion, be modified to equitably account for any difference in cost necessitated by the substitution. ODOT will permit a maximum of 14 calendar days from the date of ODOT's written demand for substitution which to make an acceptable substitution. A proposer's failure to make an acceptable substitution at the end of the 14-calendar day period will constitute sufficient grounds for ODOT to refuse to execute a contract without incurring any liability for the refusal. However, if the proposer had identified such a Major Subcontractor in its Detailed Proposal as an equity contributor to the Project, or the Major Subcontractor had committed other financial support that had been relied on by the proposer, then the proposer shall be granted a period of 60 business days to identify an acceptable substitute. Following such identification, the proposer shall be granted an additional 30 business days to conclude negotiations of acceptable terms and conditions with that substitute Major Subcontractor.

### Legal Sufficiency Review of Final Agreement

On completion of a final agreement, the Attorney General will review it for legal sufficiency under ORS 291.047 and OAR chapter 137, division 045. When conducting that review, the Attorney General shall:

(1) Recognize that the agreement is the product of a partnership; and

(2) Defer to the business judgment of the Department and the Oregon Transportation Commission concerning the assignment of risks and the incentives provided within the agreement.

### Commission Selection of Projects for Solicitation of Proposals

ODOT either may solicit proposals or, as approved by the Commission, enter into direct negotiations with a legal entity for a public-private partnership approach to planning, acquiring, financing, developing, designing, managing, constructing, reconstructing, replacing, improving, maintaining, repairing, leasing and/or operating a Transportation Project if the Commission has determined that such an approach has the potential to accelerate cost-effective delivery of the Project or promote innovative approaches to carrying out the Project.

### Solicitation Documents

(1) In a solicitation for proposals, ODOT will specify requirements for proposal content, and for criteria and procedures under which the proposals will be evaluated and selected. These requirements, criteria and procedures will comply with the requirements of ORS 367.800 to 367.826. Examples include:

(a) Selecting a proposal for development into a final agreement based on a unitary proposal instead of a two-step Conceptual/Detailed Proposal process; and

(b) Evaluating Conceptual Proposals to rank proposers and select one to perform development services necessary to refine the ultimate character and scope of the Project, after which the highly ranked proposers would be asked to submit Detailed Proposals from which one would be selected for negotiation of a final agreement.

(2) These examples are offered for illustrative purposes only, and do not limit the scope of ODOT's discretion or authority to develop proposal and evaluation criteria and processes for any project as long as those criteria and processes comply with the requirements of ORS 367.800 to 367.826.

### Public Notice of Solicitation

(1) Notice and Distribution Fee. ODOT will furnish notice to a sufficient number of entities for the purpose of fostering and promoting competition. The notice will indicate where, when, how, and for how long the Solicitation Document may be obtained and generally describe the work. The notice may contain any other appropriate information. ODOT may charge a fee or require a deposit for the Solicitation Document. ODOT may furnish notice using any method determined to foster and promote competition, including:

(a) Mail notice of the availability of Solicitation Documents ("notice") to Entities that have expressed an interest in ODOT's procurements;

(b) Place notice on the Oregon the Department of Administrative Services' electronic procurement system known as the Oregon Procurement Information Network ("ORPIN"); or

(c) Place notice on ODOT's internet web site.

(3) Posting Advertisement for Proposals. ODOT will post a copy of each advertisement for proposals at the principal business office of ODOT. A proposer may obtain a copy of the advertisement for proposals upon request from Contractor Plans Unit, Transportation Building, 355 Capitol Street NE, Salem, Oregon 97301-3871 or on the Internet at [www.odot.state.or.us](http://www.odot.state.or.us).

(4) Minority, Women Emerging Small Business. ODOT will provide timely notice of all solicitations to the Advocate for Minority, Women and Emerging Small Business if the estimated Project cost exceeds \$5,000.

### Public Records Requests

(1) Upon written request and within a reasonable time, the Director or his designee will provide records relating to Transportation Project proposals for inspection in accordance with ORS Chapter 192, ORS 367.804 and these rules.

(2) ODOT may charge fees to cover its reasonable and actual costs in responding to public records requests. Such costs may include but are not limited to costs associated with locating records, separating exempt from nonexempt records, monitoring the requester's inspection of requested records, copying records and delivering copies of requested records. In accordance with OAR 731-001-0025, ODOT may charge fees calculated to reimburse it for its reasonable and actual costs as authorized by the relevant provisions of the Public Records Law.

(3) ODOT will prepare an estimate of the costs of responding to any request for public records as required by ORS 192.440(1)(c), and may prepare an estimate of costs in other circumstances. ODOT may require payment of all or a portion of the estimated costs before acting on the request.

(4) Records related to a proposal for a Transportation Project submitted to ODOT under the Oregon Innovative Partnerships Program are exempt from disclosure under the Oregon Public Records Law until:

(a) ODOT shares the records or the information contained in them with a local government, metropolitan planning organization or area commission on transportation as part of the consultation process described in OAR 731-070-0295; or

(b) ODOT completes its evaluation of the proposed Project and has selected the proposal for negotiation of an agreement.

(5) Notwithstanding section (4) of this rule, sensitive business, commercial or financial information that is not customarily provided to business competitors that is submitted to the Department in connection with a

(6) On ODOT's receipt of a request, under the Public Records Law, for the disclosure of records or information that have been submitted to ODOT by a proposer under the program authorized by ORS 367.800 to 367.826, ODOT will notify the proposer of the request and provide the proposer a reasonable opportunity to demonstrate that all or part of the requested records or information are exempt from disclosure under ORS 367.800 to 367.826, the Public Records Law, ORS 192.410 to 192.505, the Uniform Trade Secrets Act, ORS 646.461 to 646.475, or other applicable law recognizing the confidentiality of public records and information. In determining whether the information or records are exempt from disclosure, ODOT will consider the evidence and objections to disclosure presented by the proposer, but as custodian of the records or information, ODOT must make the initial determination of the records that may be withheld from disclosure.

(7) An affected proposer who seeks to demonstrate that public records pertaining to it are exempt from disclosure must respond to ODOT with its evidence and objections within four business days of ODOT's issuance of notice of the request to the proposer. After considering the proposer's evidence and objections, ODOT will inform the proposer of its disclosure decision, giving the proposer no fewer than three business days in which to institute appropriate proceedings in its own behalf to protect the proposer's interests in preventing the disclosure or maintaining the confidentiality of the records or information. The proposer shall be exclusively responsible for all costs, expenses and attorney fees incurred in taking any action to prevent the disclosure of information or records under this section.

### Consultation with Local Government, Metropolitan Planning Organization or Area Commission on Transportation

As part of its evaluation of a proposal submitted under these rules, ODOT will consult with appropriate local governments, metropolitan planning organizations and area commissions on transportation. Consultation under this rule will occur in such manner and at such time as ODOT considers appropriate in the particular circumstance, and shall include:

(1) An informal information-sharing opportunity prior to completion of the Department's evaluation of the proposal;

(2) Solicitation of comments from the appropriate local governments, transportation district, metropolitan planning organization or area commission on transportation; and

(3) Any additional method(s) of consultation appropriate under the circumstances.

### ODOT Rights Reserved

(1) ODOT reserves all rights available to it by law in administering these rules, including without limitation, the right in its sole discretion to:

(a) Reject any and all proposals at any time.

(b) Terminate evaluation of any and all proposals at any time.

(c) Suspend, discontinue and/or terminate agreement negotiations with any proposer at any time prior to the actual authorized execution of such agreement by all parties.

(d) Negotiate with a proposer without being bound by any provision in its proposal.

(e) Request or obtain additional information about any proposals.

(f) Issue addenda to and/or cancel any RFP.

(g) In accordance with the rule-making procedures of ORS chapter 183, revise, supplement or withdraw all or any part of these rules.

(h) Decline to return any and all fees required to be paid by proposers hereunder.

(i) Request revisions to proposals.

(2)(a) Except as otherwise provided for in a solicitation of proposals or in an order pertaining to an unsolicited proposal, neither the state, the Oregon Transportation Commission nor ODOT is liable for, or obligated to reimburse the costs incurred by proposers in developing proposals or in negotiating agreements. In its sole discretion, ODOT may, in a solicitation of proposals or in an order, provide for the possibility of payment for work product developed by a proposer in the course of developing a proposal.

(b) Any and all information ODOT makes available to proposers shall be as a convenience to the proposer and without representation or warranty of any kind. Proposers may not rely upon any oral responses to inquiries. If a proposer has a question regarding application of these rules, the proposer may submit the question in writing to the Director or his designee.

### ODOT's Authority to Suspend, by "Order," the Acceptance of Specified Categories of Unsolicited Proposals

(1) ODOT may, at any time, suspend its receipt and consideration of all unsolicited proposals, of any class, category or description of unsolicited proposals, or of unsolicited proposals to undertake any class, category or description of Transportation Project (such as, by way of illustration only, proposals to perform the maintenance of existing ODOT transportation facilities, proposals within certain cost categories, proposals that relate to certain geographic areas or proposals to repair state secondary highway surfaces) by issuing a written order that:

(a) Declares that ODOT has suspended the acceptance and consideration of all unsolicited proposals or of unsolicited proposals for certain types of Projects;

(b) Describes the proposals or the class or character of the Projects that are subject to the suspension; and

(c) Specifies either the term of the suspension or that the suspension will continue until recalled by a subsequent order of ODOT.

(2) Commencing on the effective date of the suspension order, ODOT will refuse to accept unsolicited proposals or unsolicited proposals for Transportation Projects of the class, category or description contained in the order, and may, as stated in the order, cease further processing and consideration of any such unsolicited proposals then currently under consideration by ODOT.

(3) By submitting an unsolicited proposal, each proposer thereby waives and relinquishes every claim of right, entitlement or expectation that the processing and consideration of its proposal will not be subject to suspension under this rule.

(4) The State of Oregon, ODOT, the Oregon Transportation Commission, and their officers and employees, shall have no responsibility or liability of any nature for the preservation, confidentiality or safekeeping of any proposal that is subject to a suspension order under this rule and is submitted to ODOT while that suspension order is in effect.

### Discretionary Order Requiring the Prequalification of Proposers — Unsolicited Proposals

(1) ODOT may, at any time, issue a written order that requires any entity that wishes to submit an unsolicited proposal to apply for prequalification to submit a proposal. The order must describe the character or class of the Project or Projects, and the size of the Projects in terms of estimated implementation or construction cost, that are subject to the prequalification requirement. The order also must provide that each proposer must be prequalified by ODOT in order to submit a proposal for the kind or kinds of Project described in the order, and that ODOT will reject proposals received for the kind or kinds of Projects described in the order from proposers who are not prequalified.

(2) The prequalification order also shall contain:

(a) The location at which interested entities may obtain prequalification applications, information about prequalification criteria and other related documents, if any; and

(b) The name, title, and address of the person designated to receive the prequalification applications.

(3) Each prequalification application shall be in writing and must substantially comply with the instructions given by ODOT in a prequalification application questionnaire or prequalification form issued by ODOT.

(4) ODOT may establish the criteria used to evaluate prequalification applications in light of the features and demands of the kind or kinds of Project for which prequalification is required as a condition of an entity's ability to submit an unsolicited proposal. The criteria may include, but shall not be limited to:

(a) The applicant's financial resources, including:

(A) Bonding capacity;

(B) Solvency; and

(C) Past payment history with employees, suppliers and subcontractors;

(b) The applicant's equipment and technology available to perform the Project, including whether the applicant has or reasonably can obtain, either itself, through subcontractors, or otherwise, all licenses and registrations necessary for use and operation of any technology or equipment involved in the Project, and all licenses and permits necessary to the lawful completion of the Project;

(c) The applicant's key personnel available to work on the Project, including:

(A) The specific capabilities of the applicant and its key personnel, as demonstrated by work on past projects which are comparable in size, nature, and technical and managerial complexity to the Project and to the scope of any construction services that may be required by the Project; and

(B) The identity and experience of the key personnel planned to be assigned to the Project;

# ADMINISTRATIVE RULES

(d) The applicant's performance history on other projects or contracts, including the applicant's approach to comparable projects and the planning, phasing and scheduling techniques employed by the applicant in those projects in general, and to the extent possible, particularly as applicable to the kind or kinds of Project for which prequalification is required;

(e) The applicant's safety programs and safety record including, where applicable, evidence of the applicant's experience modifier issued by the Department of Consumer and Business Services, Workers' Compensation Division;

(f) The applicant's experience or ability to provide the services of key persons with experience in design-build projects and similar innovative approaches to project completion;

(g) References from owners, architects and engineers with whom the applicant has worked in the past;

(h) The histories of the applicant and its Major Partners concerning their involvement, within the five years immediately preceding the issuance date of the Department's prequalification order (or such shorter period as ODOT may specify in the order), in claims and litigation, including mediated or arbitrated construction claims and governmental administrative proceedings, arising out of past projects or under contracts to which they were parties in which the proceedings exceeded \$1,000,000 in liability exposure or claim amount;

(i) Information concerning whether the applicant, any Major Partner, and any key person of either has been, within the five years immediately preceding the issuance date of the Department's prequalification order (or such shorter period as ODOT may specify in the order):

(A) Convicted of any criminal offense as an incident in obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract;

(B) Convicted under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty that currently, seriously and directly affects the person's responsibility as a contractor; or

(C) Convicted or determined to be liable under state or federal antitrust statutes.

(5) ODOT will, after receiving a prequalification application submitted in accordance with section (3) of this rule, notify the applicant whether the applicant is qualified to submit an unsolicited proposal for a Project of the kind or kinds described in ODOT's order issued under section (1) of this rule.

(6) If ODOT determines that the applicant is not qualified, ODOT shall provide the applicant written notice of that determination that contains a statement of the reason or reasons for that determination.

(7) An entity that ODOT determines not to be qualified may, within five (5) business days after its receipt of ODOT's written notice of that determination, submit to ODOT a written protest of the decision. The protest must state facts and argument to demonstrate that ODOT's decision was incorrect or constituted an abuse of ODOT's discretion.

(8) If an entity timely submits a protest that complies with section (7) of this rule, ODOT will issue a written decision that resolves the issues raised in the protest. ODOT's written decision under this subsection shall constitute a final order under ORS 183.484.

(9) Unless otherwise specified in ODOT's order issued under section (1) of this rule, an ODOT determination that an applicant is prequalified to submit proposals for any particular kind or kinds of Project shall have an effective term of three years from the date of ODOT's written notice of the determination.

(10) Notwithstanding any specification of a term during which an entity's prequalification is effective, ODOT may terminate or revise an entity's prequalified status upon ODOT's discovery of information that adversely reflects on the applicant's prequalified status. Prior to any termination or adverse revision of an applicant's prequalification, ODOT will provide the applicant written notice of that determination that contains a statement of the reason or reasons for that determination and advise that entity that it may protest the proposed action under section (7) of this rule.

(11) On the written request of an entity that previously has been prequalified for a Project or for kinds of Projects similar in size and character to the kind or kinds of Projects described in the order issued under section (1) of this rule (as determined in the discretion of ODOT), or on the written request of a unit of local government, ODOT may waive the requirement that the entity or unit of local government must submit a prequalification application under this rule.

### Discretionary Notice Requiring the Prequalification of Proposers — Competing Proposals

(1) Prior to furnishing public notice of a request for Competing Proposals, ODOT may issue written notice that any entity that wishes to submit a Competing Proposal in response to that request must be prequalified by ODOT. The notice must provide that each proposer must be prequalified by

ODOT in order to submit a proposal in response to the particular request for Competing Proposals, and that ODOT will reject proposals received from proposers who are not prequalified.

(2) ODOT will publish each notice that prequalification is required in the same manner that it issues public notice of a solicitation under OAR 731-070-0260(2). Additionally, each notice shall contain:

(a) The location at which interested entities may obtain prequalification applications, information about prequalification criteria and other related documents, if any;

(b) The date and time by which entities must submit their prequalification applications to ODOT, which generally will be a reasonable time prior to ODOT's issuance of the request for Competing Proposals, and the location at which they must be filed; and

(c) The name, title, and address of the person designated to receive the prequalification applications.

(3) Each prequalification application shall be in writing and must substantially comply with the instructions given by ODOT in a prequalification application questionnaire or prequalification form issued by ODOT.

(4) ODOT will establish the criteria used to evaluate prequalification applications prior to the advertised notice of required prequalification. The criteria may include, but need not be limited to:

(a) The applicant's financial resources, including:

(A) Bonding capacity;

(B) Solvency; and

(C) Past payment history with employees, suppliers and subcontractors;

(b) The applicant's equipment and technology available to perform the Project, including whether the applicant has or can reasonably obtain, either itself, through subcontractors, or otherwise, all licenses and registrations necessary for use and operation of any technology or equipment involved in the Project, and all licenses and permits necessary to the lawful completion of the Project;

(c) The applicant's key personnel available to work on the Project, including:

(A) The specific capabilities of the applicant and its key personnel, as demonstrated by work on past projects which are comparable in size, nature, and technical and managerial complexity to the Project and the scope of any construction services that may be required by the Project; and

(B) The identity and experience of the key personnel planned to be assigned to the Project;

(d) The applicant's performance history on other projects or contracts, including the applicant's approach to comparable projects and the planning, phasing and scheduling techniques employed by the applicant on those projects in general, and to the extent possible, particularly as applicable to the kind or kinds of Project for which prequalification is required;

(e) The applicant's safety programs and safety record including, where applicable, evidence of the applicant's experience modifier issued by the Department of Consumer and Business Services, Workers' Compensation Division;

(f) The applicant's experience or ability to provide the services of key persons with experience in design-build projects and similar innovative approaches to project completion;

(g) References from owners, architects and engineers with whom the applicant has worked in the past;

(h) The histories of the applicant and its Major Partners concerning their involvement, within the five years immediately preceding the issuance date of the Department's prequalification notice (or such shorter period as ODOT may specify in the notice), in claims and litigation, including mediated or arbitrated construction claims and governmental administrative proceedings, arising out of past projects or under contracts to which they were parties in which the proceedings exceeded \$1,000,000 in liability exposure or claim amount;

(i) Information concerning whether the applicant, any Major Partner, and any key person of either has been, within the five years immediately preceding the issuance date of the Department's prequalification notice (or such shorter period as ODOT may specify in the notice):

(A) Convicted of any criminal offense as an incident in obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract;

(B) Convicted under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty that currently, seriously and directly affects the person's responsibility as a contractor;

(C) Convicted or determined to be liable under state or federal antitrust statutes.

(5) ODOT will, after receiving a prequalification application submitted in accordance with section (3) of this rule, notify the applicant whether the applicant is qualified to submit a proposal in response to ODOT's request for Competing Proposals.

(6) If ODOT determines that the applicant is not qualified, ODOT will provide the applicant written notice of that determination that contains a statement of the reason or reasons for that determination.

# ADMINISTRATIVE RULES

(7) An entity whom ODOT determines not to be qualified may, within five business days after its receipt of ODOT's written notice of that determination, submit to ODOT a written protest of the decision. The protest must state facts and argument to demonstrate that ODOT's decision was incorrect or constituted an abuse of ODOT's discretion.

(8) If an entity timely submits a protest that complies with section (7) of this rule, ODOT will issue a written decision that resolves the issues raised in the protest. ODOT's written decision under this subsection shall constitute a final order under ORS 183.484.

(9) Unless otherwise specified in ODOT's notice issued under section (1) of this rule, an ODOT determination that an applicant is prequalified under this section for the Projects or kinds of Projects specified in the notice shall have an effective term of three years from the date of ODOT's written notice of the determination.

(10) Notwithstanding any specification of a term during which an entity's prequalification is effective, ODOT may terminate or revise an entity's prequalified status upon ODOT's discovery of information that adversely reflects on the applicant's prequalified status. Prior to any termination or adverse revision of an applicant's prequalification, ODOT will provide the applicant written notice of that determination that contains a statement of the reason or reasons for that determination and advise that entity that it may protest the proposed action under section (7) of this rule.

(11) On the written request of an entity that previously has been prequalified for a Project or for kinds of Projects similar in size and character to the Project or kinds of Projects described in the notice issued under section (1) of this rule (as determined in the discretion of ODOT), or on the written request of a unit of local government, ODOT may waive the requirement that the entity or unit of local government must submit a prequalification application under this rule.

## 731-005-0470

### Solicitation Methods

(1) Policy. It is the policy of the State of Oregon to encourage open and impartial competition in public contracting. ODOT may establish Competition by comparing price, product and service quality, product performance, and an Entity's ability to perform, technical competence and ability to make timely deliveries. ODOT must make every effort to construct Public Improvements at the least cost to ODOT.

(2) Solicitation Methods. ODOT may encourage meaningful competition through a variety of solicitation methods. ODOT shall choose the solicitation method that is most likely to encourage Offers representing optimal value to ODOT:

(a) ODOT may use an Invitation to Bid if ODOT believes it will receive optimal value by selecting the lowest priced Offer that meets the technical requirements of ODOT's Specifications;

(b) ODOT may use a Request for Proposal if ODOT believes it will receive optimal value:

(A) By selecting an Offer using both price and non-price related factors;

or

(B) By selecting an Offer using both price and non-price related factors and permitting negotiations pursuant to OAR 731-005-0650.

(c) ODOT may permit negotiations under a Request for Proposal pursuant to OAR 731-005-0650 if:

(A) ODOT intends to consider alternative terms and conditions to reduce Agency cost or enhance the value of the product or service requested; or

(B) ODOT finds negotiation is required to effect a successful procurement (e.g. the Specifications are complex and ODOT expects numerous queries as to the proper interpretation of the Specification; the Work requires a high level of technical or managerial competence that cannot be defined adequately in the Specifications; or ODOT believes negotiations are necessary to gauge the Proposer's understanding of complex Specifications).

(3) Solicitation Documents. The Solicitation Document shall include the following:

(a) General Information:

(A) Notice of any pre-Offer conference as follows:

(i) The time, date and location of any pre-Offer conference;

(ii) Whether attendance at the conference will be mandatory or voluntary; and

(iii) That statements made by ODOT's representatives at the conference are not binding upon ODOT unless confirmed by Written Addendum.

(B) The deadline for submitting mandatory prequalification applications and the class or classes of Work for which Offerors must be prequalified if prequalification is a requirement;

(C) The name and title of the authorized Agency person designated for receipt of Offers and contact person (if different);

(D) Instructions and information concerning submission requirements including the address of the office to which Offers must be delivered and any other special information, e.g., whether Offers may be submitted by Facsimile, Electronic Data Interchange or Electronic Procurement (See OAR 731-005-0500, 731-005-0505 and 731-005-0510 for required provisions for Facsimile, Electronic Data Interchange or Electronic Procurement);

(E) The time, date and place of Opening;

(F) The time and date of Closing after which ODOT will not accept Offers, which time shall be not less than five Days after the date of the last publication of the advertisement. The interval between the date of issuance of the Solicitation Document and a Closing should not be less than 14 Days for an ITB and not less than 30 Days for an RFP unless ODOT finds a shorter interval is in the public's interest. If ODOT is issuing an ITB that may result in a Contract for a Public Improvement with a value in excess of \$75,000, ODOT shall not designate a time of Closing that falls when ODOT is closed to the public or after 12 noon on Friday (see also, OAR 731-007-0260; for timing issues relating to Addenda see OAR 731-005-0580(3));

(G) The form and submission of Offers and any information required therein, including Bid or Proposal security, if any;

(H) The office where the plans and Specifications for the Work or goods may be reviewed;

(I) A statement that each Offeror to an ITB or RFP must identify whether the Bidder or Proposer is a "resident bidder," as defined in ORS 279A.120;

(J) If the Contract resulting from a Solicitation will be a Contract for a Public Work subject to ORS 279C.800 to 279C.870 or the Davis-Bacon Act (40 U.S.C. 276a), a statement that no Offer will be received or considered by ODOT unless the Offer contains a statement by the Offeror as a part of its

# ADMINISTRATIVE RULES

Offer that "Contractor agrees to be bound by and will comply with the provisions of ORS 279C.830 or 40 U.S.C. 276a;"

(K) If the Work so requires, a statement that ODOT will not receive or consider an Offer from an Entity when the Entity is not registered with the Construction Contractors Board or is not licensed by the State Landscape Contractors Board as required by ORS 671.530;

(L) Whether a Contractor or a subcontractor under the Contract must be licensed under ORS 468A.720;

(M) Contractor's certification of nondiscrimination in obtaining required subcontractors in accordance with ORS 279A.110. (See OAR 731-005-0670(3)); and

(N) How ODOT will notify Offerors of Addenda and how ODOT will make Addenda available. See OAR 731-005-0580.

(b) Agency Need. The character of the Work or goods ODOT is purchasing including, if applicable, a description of the acquisition, Specifications, delivery or performance schedule, inspection and acceptance requirements;

(c) Evaluation process:

(A) A statement that ODOT may reject any Offer not in compliance with all prescribed solicitation bidding procedures and requirements and other applicable laws, including the requirement to demonstrate the Bidder's responsibility under ORS 279C.375(3)(b), and that ODOT may reject for good cause any or all Offers after finding that doing so is in the public interest;

(B) The anticipated solicitation schedule, deadlines, protest process, and evaluation process, if any;

(C) Evaluation criteria, including the relative value applicable to each criterion, that ODOT will use to determine the Responsible Bidder with the lowest Responsive Bid or the Responsible Proposer with the best Responsive Proposal and the evaluation criteria ODOT will use to determine acceptability of any Work or goods to be purchased:

(i) If Contract award is to be based upon low Bid, ODOT shall set forth objective evaluation criteria in the Solicitation Document. Examples of such criteria that may be used in determining low Bid include, but are not limited to, conversion costs, transportation cost, volume weighing, trade-in allowances, cash discounts, depreciation allowances, cartage penalties, ownership or life-cycle cost formulas, performance history on other private and public Contracts, experience of key personnel, adequacy of equipment and physical plant, financial wherewithal, sources of supply, references and warranty provisions. Evaluation criteria need not be precise predictors of actual future costs. However, to the extent possible, such evaluation factors shall be reasonable estimates based upon information ODOT has available concerning future use;

(ii) If the Solicitation Document is a Request for Proposal, ODOT shall set forth selection criteria in the Solicitation Document. Examples of evaluation criteria include price or cost, quality of a product or service, past performance, management, capability, personnel qualification, prior experience, compatibility, reliability, operating efficiency, expansion potential, experience of key personnel, adequacy of equipment or physical plant, financial wherewithal, sources of supply, references and warranty provisions. Evaluation factors need not be precise predictors of actual future costs and performance, but to the extent possible, such factors shall be reasonable estimates based on information available to ODOT; or

(iii) If the Solicitation Document is a Request For Proposal and ODOT is willing to negotiate terms and conditions of the Contract, ODOT must identify the specific terms and conditions in the Solicitation Document that are subject to negotiation and authorize Offerors to propose certain alternative terms and conditions in lieu of the terms and conditions ODOT has identified as authorized for negotiation. ODOT must describe the evaluation and negotiation process in accordance with OAR 731-005-0650, including the Competitive Range; and

(D) Reference to statutory preference for materials and supplies manufactured from recycled materials under ORS 279A.125.

(d) Terms and conditions. ODOT shall include all Contract terms and conditions, including warranties and bonding requirements, ODOT considers necessary. Without limiting the preceding sentence, ODOT must include all applicable Contract provisions required by ORS 279C.500 through 279C.870 as follows:

(A) Payment of all Entities furnishing labor or material, contributions to Industrial Accident Fund, liens and withholding taxes (ORS 279C.505);

(B) If the Contract is for a Public Improvement, a condition that the Contractor shall demonstrate it has established a drug-testing program for its employees;

(C) If the Contract calls for demolition Work described in ORS 279C.510, a condition requiring the Contractor to salvage or recycle construction and demolition debris, if feasible and cost-effective;

(D) If the Contract calls for lawn or landscape maintenance, a condition requiring the Contractor to compost or mulch yard waste material at an approved site, if feasible and cost effective (ORS 279C.510);

(E) Payment of claims by public officers (ORS 279C.515);

(F) Contractor and first-tier subcontractor liability for late payment on Public Improvement Contracts pursuant to ORS 279C.515;

(G) Entity's right to file a complaint with the Construction Contractors Board for all Contracts related to a Public Improvement Contract (ORS 279C.515);

(H) Hours of labor in compliance with ORS 279C.520 and 279C.540;

(I) Environmental and natural resources regulations (ORS 279C.525);

(J) Payment for medical care and providing workers' compensation (ORS 279C.530);

(K) Maximum hours and overtime (ORS 279C.540);

(L) Claims for overtime (ORS 279C.545);

(M) Prevailing wage rates (ORS 279C.800 to 279C.870);

(N) Retainage (ORS 279C.550 through 279C.570);

(O) Prompt payment policy (ORS 279C.570);

(P) Contractor's relations with subcontractors (ORS 279C.580);

(Q) Notice of claim (ORS 279C.605);

(R) With respect to state Agencies, provisions regarding use of recovered resources and recycled materials and to the extent economically feasible, use of recycled paper and PETE products (ORS 279A.150 and 279A.155);

(S) Contractor's certification of compliance with the Oregon tax laws in accordance with ORS 305.385;

(T) A Contract provision substantially as follows: "All employers, including Contractor, that employ subject workers who work under this Contract in the State of Oregon shall comply with ORS 656.017 and provide the required Workers' Compensation coverage, unless such employers are exempt under ORS 656.126. Contractor shall ensure that each of its subcontractors complies with these requirements." (ORS 279C.530);

(U) Contractor's certification that all subcontractors performing Work described in ORS 701.005 (i.e., construction Work) will be registered with the Construction Contractors Board or licensed by the State Landscape Contractors Board in accordance with ORS 701.035 to 701.055 before the subcontractors commence Work under the Contract; and

(V) Price escalation and de-escalation Contract Provision relating to steel materials. As used in this paragraph, "steel material" includes any steel products used for and permanently incorporated in the construction, reconstruction or major renovation of a road or highway. "Escalation and de-escalation" relate to and shall be applied to the raw steel in the steel materials listed in the Contract Provision.

(e) If federal funds are involved, the federal laws, rules and regulations applicable to the fund requirements shall govern in the event they conflict with a provision required by ORS 279A.120 to 279A.155;

(f) Unless otherwise provided in the Contract, the Contractor shall not assign, sell, dispose of, or transfer rights, nor delegate duties under the Contract, either in whole or in part, without ODOT's prior Written consent. Unless otherwise agreed by ODOT in Writing, such consent shall not relieve the Contractor of any obligations under the Contract. Any assignee or transferee shall be considered the agent of the Contractor and be bound to abide by all provisions of the Contract. If ODOT consents in Writing to an assignment, sale, disposal or transfer of the Contractor's rights or delegation of Contractor's duties, the Contractor and its surety, if any, shall remain liable to ODOT for complete performance of the Contract as if no such assignment, sale, disposal, transfer or delegation had occurred unless ODOT otherwise agrees in Writing.

### Rejection of an Offer

(1) Rejection of an Offer.

(a) ODOT may reject any Offer upon finding that to accept the Offer may impair the integrity of the procurement process or that rejecting the Offer is in the public interest.

(b) ODOT shall reject an Offer upon ODOT's finding that the Offer:

(A) Is contingent upon ODOT's acceptance of terms and conditions (including Specifications) that differ from the Solicitation Document;

(B) Takes exception to terms and conditions (including Specifications);

(C) Attempts to prevent public disclosure of matters in contravention of the terms and conditions of Solicitation Document or in contravention of applicable law;

(D) Offers Work or goods that fail to meet the Specifications of the Solicitation Document;

(E) Is late;

(F) Is not in substantial compliance with the Solicitation Documents; or

(G) Is not in substantial compliance with all prescribed public solicitation procedures.

(c) ODOT shall reject an Offer upon ODOT's finding that the Offeror:

(A) Has not been prequalified under ORS 279C.430 and ODOT required mandatory prequalification;

(B) Has been Disqualified;

(C) Has been declared ineligible under ORS 279C.860 by the Commissioner of Bureau of Labor and Industries has declared and the Contract is for a Public Work;

(D) Is listed as not qualified by the Construction Contractors Board;

# ADMINISTRATIVE RULES

(E) Has not met the requirements of ORS 279A.105 if required by the Solicitation Document;

(F) Has not submitted properly executed Bid or Proposal security as required by the Solicitation Document;

(G) Has failed to provide the certification required under section (3) of this rule; or

(H) Is nonresponsible. Offerors are required to demonstrate their ability to perform satisfactorily under a Contract. ODOT uses a prequalification process as described in OAR 734 division 10 to determine if a Contractor is responsible. Before awarding a Contract, ODOT must have information that indicates that the Offeror meets the applicable standards of responsibility. To be a Responsible Offeror, ODOT must determine that the Offeror:

(i) Has available the appropriate financial, material, equipment, facility and personnel resources and expertise, or ability to obtain the resources and expertise, necessary to demonstrate the capability of the Offeror to meet all contractual responsibilities;

(ii) Has completed previous contracts of a similar nature with a satisfactory record of performance. A satisfactory record of performance means that to the extent the costs associated with and time available to perform a previous contract were within the Offeror's control, the Offeror stayed within the time and budget allotted for the procurement and otherwise performed the contract in a satisfactory manner. ODOT should carefully scrutinize an Offeror's record of Contract performance if the Offeror is or recently has been materially deficient in Contract performance. In reviewing the Offeror's performance, ODOT should determine whether the Offeror's deficient performance was expressly excused under the terms of Contract, or whether the Offeror took appropriate corrective action. ODOT may review the Offeror's performance on both private and public Contracts in determining the Offeror's record of Contract performance. ODOT shall make its basis for determining an Offeror nonresponsible under this paragraph part of the solicitation file;

(iii) Has a satisfactory record of integrity. An Offeror may lack integrity if ODOT determines the Offeror demonstrates a lack of business ethics such as violation of state environmental laws or false certifications made to ODOT. ODOT may find an Offeror nonresponsible based on the lack of integrity of any Entity having influence or control over the Offeror (such as a key employee of the Offeror that has the authority to significantly influence the Offeror's performance of the Contract or a parent company, predecessor or successor Entity). ODOT may find an Offeror non-responsible based on previous convictions of offenses related to obtaining or attempting to obtain a Contract or subcontract or in connection with the Offeror's performance of a contract or subcontract. The standards for Conduct Disqualification under OAR 731-005-0710 may be used to determine an Offeror's integrity. ODOT shall make its basis for determining that an Offeror is nonresponsible under this paragraph part of the solicitation file;

(iv) Is legally qualified to Contract with ODOT; and

(v) Has supplied all necessary information in connection with the inquiry concerning responsibility. If the Offeror fails to promptly supply information requested by ODOT concerning responsibility, ODOT shall base the determination of responsibility upon any available information, or may find the Offeror nonresponsible.

(2) Form of Business Entity. For purposes of this rule, ODOT may investigate any Entity submitting an Offer. The investigation may include that Entity's officers, directors, owners, affiliates, or any other Entity acquiring ownership of the Entity to determine application of this rule or to apply the disqualification provisions of ORS 279C.440 to 279C.450 and OAR 731-005-0710.

(3) Certification of Non-Discrimination. The Offeror shall certify and deliver to ODOT Written certification, as part of the Offer, that the Offeror has not discriminated against minority, women or emerging small business enterprises in obtaining any required subcontracts.

### Disclosure and Substitution of First-Tier Subcontractors

(1) Required Disclosure. Within two working hours of the Bid Closing on an ITB for a Public Improvement having a Bid price exceeding \$100,000, a Bidder shall submit to ODOT a disclosure form as described by this rule. The disclosure form shall identify any first-tier subcontractors (those Entities that would be contracting directly with the prime Contractor) that will be furnishing labor or labor and materials on the Contract, if awarded, whose subcontract value would be equal to or greater than:

(a) Five percent of the total Contract Bid, but at least \$15,000; or

(b) \$350,000 regardless of the percentage of the total Bid.

(2) Disclosure Deadline and Bid Opening. For each Bid Proposal or ITB to which this rule applies, ODOT shall:

(a) Receive bids until the time identified as Closing time and at the location described in the ITB and immediately thereafter publicly open the bids;

(b) Set the Bid Opening at the time and place identified in the ITB; and

(c) Consider for Contract award only those Bids for which the required disclosure has been submitted by the announced deadline on forms prescribed by the Agency.

(3) Bidder Instructions and Disclosure Form. For the purposes of this rule, ODOT in its solicitation shall:

(a) Prescribe the disclosure form that must be utilized; and

(b) Provide instructions in a notice substantially similar to the following:

(A) "Instructions for First-Tier Subcontractor Disclosure. Bidders are required to disclose information about certain first-tier subcontractors (see ORS 279C.370). Specifically, when the Bid of a first-tier subcontractor is greater than or equal to:

(i) 5% of the project Bid, but at least \$15,000; or

(ii) \$350,000 regardless of the percentage, you must disclose the following information about that subcontract within two (2) working hours of Bid Closing:

(aa) The subcontractor's name;

(bb) The category of work the subcontractor will be performing; and

(cc) The dollar value of the subcontract.

(B) If you will not be using any subcontractors that are subject to the above disclosure requirements, you are required to indicate "NONE" on the accompanying form.

ODOT MUST REJECT THE BID(S) OF A BIDDER WHO, IF REQUIRED TO SUBMIT THIS DISCLOSURE FORM, FAILS TO SUBMIT THE DISCLOSURE FORM WITH THE REQUESTED INFORMATION BY THE STATED DEADLINE. (See OAR 731-007-0270).

(4) To determine disclosure requirements, ODOT recommends that you disclose subcontract information for any subcontractor as follows:

(a) Determine the lowest possible Bid. That will be the base Bid amount less all alternate deductive Bid amounts (exclusive of any options that can only be exercised after Bid award).

(b) Provide the required disclosure information for any first-tier subcontractor whose potential Contract services (i.e., subcontractor's base Bid amount plus all alternate additive Bid amounts, exclusive of any options that can only be exercised after Contract award) are greater than or equal to:

(A) 5% of the lowest Bid amount, but at least \$15,000; or

(B) \$350,000, regardless of the percentage. Total all possible Work for each subcontractor in making this determination (e.g., if a subcontractor will provide \$15,000 worth of services on the base Bid and \$40,000 on an additive alternate, then the potential amount of subcontractor's services is \$55,000. Assuming that \$55,000 exceeds 5% of the lowest Bid, provide the disclosure for both the \$15,000 services and the \$40,000 services).

(5) For determination of compliance with the disclosure requirements, ODOT will use the total Bid amount submitted by the contractor as verified by ODOT."

(6) Submission. A Bidder shall submit the disclosure form required by this rule within two working hours of Bid Closing in the manner specified by the ITB.

(7) Late Submission. Compliance with the disclosure and submittal requirements of ORS 279C.370 and this rule is a matter of Responsiveness. Bids that are submitted by Bid Closing, but for which the separate disclosure submittal has not been made by the specified deadline, are not Responsive and shall not be considered for Contract award.

(8) Substitution. Substitution of affected first-tier subcontractors shall be made only in accordance with ORS 279C.585. ODOT does not have a statutory role or duty to review, approve or resolve disputes concerning such substitutions. However, ODOT is not precluded from making related inquiries or investigating complaints in order to enforce Contract provisions that require compliance generally with laws, rules and regulations.

### Retainage

(1) Withholding of Retainage. ODOT may retain payment but shall not retain an amount in excess of 5 percent of the Contract Price for Work completed. If the Contractor has performed at least 50 percent of the Contract Work and is progressing satisfactorily or if all Work on a subcontract is complete, upon the Contractor's submission of Written application containing the surety's Written approval, ODOT may, in its discretion, reduce or eliminate retainage on any remaining progress payments. ODOT shall respond in Writing to all such applications within a reasonable time. When the Contract Work is 97-1/2 percent completed, ODOT may, at its discretion and without application by the Contractor, reduce the retained amount to 100 percent of the value of the remaining unperformed Contract Work. ODOT may at any

# ADMINISTRATIVE RULES

time reinstate retainage. Retainage shall be included in the final payment of the Contract Price.

(2) Form of Retainage. Unless a Contracting Agency that reserves an amount as retainage finds in writing that accepting a bond or instrument described in part (a) or (b) of this section poses an extraordinary risk that is not typically associated with the bond or instrument, the Contracting Agency, in lieu of withholding moneys from payment, shall accept from the Contractor:

(a) Bonds, securities or other instruments that are deposited and accepted as provided in subsection (4)(a) of this rule; or

(b) A surety bond deposited as provided in subsection (4)(b) of this rule.

(3) Deposit in interest-bearing accounts. ODOT shall deposit cash retainage in an interest-bearing account through the State Treasurer, for the benefit of ODOT. Earnings on such account shall accrue to the Contractor.

(4) Alternatives to cash retainage. In lieu of cash retainage to be held by ODOT, the Contractor may substitute one of the following:

(a) Deposit of bond, securities or other instruments:

(A) The Contractor may deposit bonds, securities or other instruments with ODOT or in any bank or trust company to be held for the benefit of ODOT. If ODOT accepts the deposit, ODOT shall reduce the cash retainage by an amount equal to the value of the bonds and securities, and reimburse the excess to the Contractor.

(B) Bonds, securities or other instruments deposited or acquired in lieu of cash retainage must be of a character approved by the Oregon Department of Administrative Services, including but not limited to:

(i) Bills, certificates, notes or bonds of the United States.

(ii) Other obligations of the United States or agencies of the United States.

(iii) Obligations of any corporation wholly owned by the Federal Government.

(iv) Indebtedness of the Federal National Mortgage Association.

(v) General obligation bonds of the State of Oregon or a political subdivision of the State of Oregon.

(vi) Irrevocable letters of credit issued by an insured institution, as defined in ORS 706.008.

(C) Upon ODOT's determination that all requirements for the protection of ODOT's interests have been fulfilled, it shall release to the Contractor all bonds and securities deposited in lieu of retainage.

(b) Deposit of surety bond: ODOT, at its discretion, may allow the Contractor to deposit a surety bond in a form acceptable to ODOT in lieu of all or a portion of funds retained or to be retained. ODOT requires that the first \$10,000 of retainage be held as cash, before the retainage bond takes effect. A Contractor depositing such a bond shall accept surety bonds from its subcontractors and suppliers in lieu of retainage. In such cases, retainage shall be reduced by an amount equal to the value of the bond, and the excess shall be reimbursed.

(5) Recovery of costs. ODOT may recover from the Contractor all costs incurred in the proper handling of retainage by reduction of the final payment.

**Rule Caption:** Describes Circumstances Under Which DMV will Provide a Receipt Notice of Sale or Transfer of a Vehicle.

**Adm. Order No.:** DMV 21-2009

**Filed with Sec. of State:** 12-22-2009

**Certified to be Effective:** 1-1-10

**Notice Publication Date:** 11-1-2009

**Rules Amended:** 735-020-0080

**Subject:** This rulemaking was needed to implement legislation enacted by the 2009 Legislative Assembly. Chapter 551, Oregon Laws 2009 amends ORS 803.113 and 803.117, respectively. As amended, ORS 803.113 gives DMV rulemaking authority to specify when it will issue a receipt that notice of transfer of an interest in a vehicle has been submitted to DMV. DMV proposes to amend OAR 735-020-0080 to specify when a receipt will be issued.

**Rules Coordinator:** Lauri Kunze—(503) 986-3171

## 735-020-0080

### Notice of Transfer of Interest in a Vehicle

(1) This rule specifies the requirements for a notice of transfer of interest in a vehicle covered by an Oregon title, under ORS 803.112 and 803.117, and when DMV will provide a receipt that the notice has been submitted.

(2) Notice submitted under ORS 803.112 and 803.117 must contain the following information:

(a) The vehicle identification number (VIN);

(b) The vehicle registration plate number;

(c) The full name of the person who transferred an interest in the vehicle (seller/transferor); and

(d) The full name of the transferee (new owner/buyer).

(3) Notice meeting the requirements of section (2) of this rule must be submitted to DMV:

(a) In writing, and includes a Notice of Sale or Transfer of a Vehicle form (DMV Form 6890), a completed seller notice on the back of the vehicle's registration card or any other written document that contains the required information. Written notice may be delivered to any DMV office or mailed to DMV Headquarters; or

(b) Electronically, using DMV's online Notice of Sale or Transfer form as set forth in OAR 735-018-0120.

(4) At DMV's discretion, notice meeting the requirements of section (2) of this rule may be faxed or submitted by telephone.

(5) For purposes of ORS 803.112, notice meeting the requirements of sections (2) and (3) of this rule must be submitted within 10 days of the date of a transfer of interest in the vehicle.

(6) DMV will provide a receipt showing a notice as described in sections (2) and (3) of this rule has been submitted to DMV:

# ADMINISTRATIVE RULES

(a) At the request of a person who submits the notice in-person at a DMV field office.

(b) Electronically, if the notice is submitted as set forth in OAR 735-018-0120 and the electronic submission is successfully completed.

(7) DMV will not provide a receipt showing a notice as described in sections (2) and (3) of this rule has been submitted to DMV, if the notice is mailed or faxed to DMV or submitted to DMV by telephone.

**Rules Suspended:** 735-024-0080

**Subject:** This rulemaking is needed to implement legislation enacted by the 2009 Legislative Assembly. In part, chapter 371, Oregon Laws 2009 (HB 2738) amends and repeals many of the statutes pertaining to disabled or abandoned vehicles taken into custody by a public body, including disposal of such vehicles. These statutory changes are effective on January 1, 2010. This temporary rulemaking updates OAR 735-024-0075, 735-024-0130, 735-158-0000, 735-158-0005 and 735-158-0010 to bring these administrative rules into compliance with these law changes and to remove citations and references to statutes that have been repealed. As proposed, OAR 735-024-0080 is temporarily suspended because ORS 819.220, the statutory authority for the rule, is repealed.

**Notification of Disposal of Abandoned Vehicle Appraised at \$500 or Less**

(1) This rule designates the form of notice that must be submitted to DMV for the disposal of an abandoned vehicle appraised at a value of \$500 or less under the provisions of ORS 819.215.

(2) For purposes of this rule the following definitions apply:

(a) "An authority" means a law enforcement or government agency, as described in ORS 819.140, authorized to take a vehicle into custody;

(b) "Dismantler" means a person who is the holder of a valid dismantler certificate issued under ORS 822.110; and

(c) "Tower" means the towing business that tows a vehicle at the request of an authority.

(3) A completed and signed Abandoned Vehicle Certificate (DMV Form 271) must be submitted to DMV when a tower disposes of an abandoned vehicle under ORS 819.215(1).

(4) DMV will not accept an Abandoned Vehicle Certificate:

(a) That does not contain the make, plate number, registration state, vehicle identification number, name of the dismantler to whom the vehicle will be disposed, and the certification, including the name, address and authorized signature of the tower disposing of the vehicle;

(b) Shows an appraised value of more than \$500; or

(c) That has a form revision date before December 1998.

**Abandoned Vehicles Sold Under ORS 819.220**

(1) This rule defines terms and establishes procedures and requirements for the sale and purchase of abandoned vehicles under ORS 819.220. As used in this rule:

(a) "Authority" means an agency authorized under ORS 819.140 to take custody of and dispose of abandoned vehicles.

(b) "Purchaser" means a person to whom the authority sold a vehicle under the provisions of ORS 819.220 but does not include a dismantler.

(2) In addition to all other applicable requirements of ORS 819.220, an authority must provide the purchaser a certificate of sale and a Notice of Vehicle to be Dismantled/Proof of Compliance (DMV Form 735-6017).

(3) The purchaser must:

(a) Submit Form 735-6017 to DMV seven days before the date of taking any action to wreck, dismantle, disassemble or substantially alter the form of the vehicle; and

(b) Submit a second Form 735-6017 to DMV along with the title or primary ownership document (e.g., sheriff's certificate of sale), within 30 days from the date the vehicle was wrecked, dismantled, disassembled or substantially altered, if the vehicle is exempt from salvage title requirements under ORS 819.016 or OAR 735-024-0130.

(4) Except as otherwise provided in ORS 819.016 and OAR 735-024-0130, a purchaser must apply to DMV for a salvage title.

(5) Even if other provisions of this rule apply, a purchaser who purchased a vehicle under ORS 819.220 before January 1, 1992, is not required to apply for salvage title unless:

(a) The vehicle is repaired. If the vehicle is repaired, the applicant may apply for a salvage title or a branded certificate of title showing the vehicle as assembled, reconstructed or a replica, whichever applies;

(b) The vehicle is wrecked, dismantled, disassembled or substantially altered in form; or

(c) The purchaser transfers ownership of the frame or unibody.

## 735-024-0130

**Salvage Title — Vehicles Subject and When/Who Required to Apply**

(1) An Oregon salvage title is an ownership document that is used to assign interest and to make an odometer disclosure on a vehicle, from the time that the certificate of title is required to be surrendered to DMV until:

(a) The vehicle is repaired, rebuilt or is issued a certificate of title; or

(b) It is determined that:

(A) The vehicle will not be rebuilt or repaired; and

(B) The frame or unibody of the vehicle will not be used to repair or construct another vehicle.

(2) Vehicle types subject to the issuance of salvage titles, include any vehicle:

(a) Of the type required to be titled or registered in this state, if operated over the highways;

(b) Snowmobiles required to be titled and registered by DMV; and

(c) Any other vehicle that has been issued a certificate of title by DMV, or some other jurisdiction.

(3) An application for a salvage title is required on a subject vehicle that is:

(a) Wrecked, dismantled, disassembled, or where the form of the vehicle is substantially altered, as covered in ORS 819.010 and OAR 735-024-0050; or

(b) Determined to be a totaled vehicle, and the title is required to be surrendered to DMV under ORS 819.012 or 819.014; or

(c) An abandoned vehicle that is acquired under the provisions of ORS 819.215.

(4) When a salvage title is required, application must be made:

(a) For a vehicle that is declared a total loss by an insurer that is obligated to cover the loss, or that the insurer takes possession of or title to:

(A) The insurer must apply for the salvage title if the insurer obtains the title as provided under ORS 819.014, unless a salvage title has already been issued; or

(B) The owner must apply for the salvage title if the vehicle owner does not surrender the title to the insurer.

(b) By the owner for a vehicle that is totaled due to damage when the loss is not covered by an insurer; or

(c) By any person who acquires an abandoned vehicle under ORS 819.215; or

(d) By any person who receives or purchases a vehicle subject to salvage title requirements unless:

(A) A salvage title or similar document has already been issued by Oregon or some other jurisdiction, and the person is not required to apply for salvage title in his or her name under OAR 735-024-0170; or

(B) A totaled vehicle that was purchased before January 1, 1992, and is not subject until the vehicle, frame or unibody is transferred, or the vehicle is wrecked, dismantled, disassembled, or substantially altered in form.

(5) The term "receive" as used in section (4) of this rule and ORS 819.012, does not apply to auctions or other parties who as an agent of another, take possession or control of a vehicle, but who do not actually acquire an interest in the vehicle or vehicle salvage. This section does not:

(a) Relieve insurers or persons who are actually transferring interest in the vehicle or vehicle salvage, from the responsibility to apply for and provide any purchaser with a salvage title, as required under ORS 819.012 through 819.018 and this rule; or

(b) Prevent parties from entering into agreements to allow agents to apply for and provide salvage titles to any purchaser on behalf of another.

(6) An odometer disclosure is required when application is made for the issuance or transfer of a salvage title for motor vehicles, except those exempt from disclosure requirements under OAR 735-028-0010.

### Vehicle Appraiser Certificate

(1) An applicant for a vehicle appraiser certificate or renewal under ORS 819.480 must submit the following to the DMV Business Regulation Section:

(a) A completed and signed DMV Application for Vehicle Appraiser Certificate (DMV Form 735-6610);

(b) All applicable fees; and

(c) Except as provided in section (2) of this rule, proof of two years combined work experience as a vehicle appraiser:

(A) For a new or used car business, tow business, insurance company, vehicle body repair business, law enforcement agency or any other state or local jurisdiction; or

(B) In the operation or employment of a certified vehicle dismantler business.

(2) A qualified applicant for a vehicle appraiser certificate may substitute a certificate of completion of the Vehicle Appraiser Education Program established under OAR 735-152-0010 for proof of work experience required under subsection (1)(c) of this rule. For purposes of 735-158-0010 and this section, "qualified applicant" means an individual who, as a condition of employment, is:

(a) Required to conduct vehicle appraisals under ORS 819.210, 819.215 or 819.280; and

(b) Required to conduct vehicle appraisals as an employee of a towing business that holds a valid towing business certificate issued under ORS 822.205 and OAR chapter 735, division 154; or

(c) Employed by a public agency authorized to take a vehicle into custody and tow the vehicle as described under ORS 819.140. This includes state, city and county law enforcement agencies and other agencies responsible for enforcing laws relating to abandoned vehicles and vehicles that constitute a roadside hazard.

(4) DMV will not process an application that is incomplete. An incomplete application and the fees submitted with the application will be returned to the applicant.

(5) When DMV denies issuance or renewal of a vehicle appraiser certificate, DMV will retain the fees submitted with the application to cover the cost of processing the application.

(6) In addition to any other penalty provided by law, DMV may suspend, revoke, or refuse to issue or renew a vehicle appraiser certificate on the following grounds:

(a) Making a false or misleading statement or misrepresentation, including by act of omission, pertaining to:

(A) An application for a vehicle appraiser certificate;

(B) A vehicle appraiser report;

(C) Any document required by DMV; or

(D) Any investigation by DMV or law enforcement.

(b) Failure to comply with any applicable statute or rule pertaining to a vehicle appraiser certificate.

(c) DMV determines the applicant was convicted of a felony or misdemeanor related to fraud or dishonesty, if the conviction occurred less than three years before the date of application.

(7) A vehicle appraiser or applicant for a vehicle appraiser certificate who is subject to suspension, revocation or refusal to issue or renew the vehicle appraiser certificate is entitled to a contested case hearing as provided in the Oregon Administrative Procedures Act, ORS Chapter 183.

### Vehicle Appraiser Education Program

(1) Training Requirements. The Vehicle Appraiser Education Program is a non-vocational training program designed for individuals who need a vehicle appraiser certificate as a condition of employment, as described in OAR 735-158-0000(2). The training, conducted by DMV-approved instructors, provides education on the basic skills and minimum knowledge required to appraise vehicles in Oregon. The training is a minimum of four hours and covers:

(a) Oregon laws and administrative rules applicable to certified vehicle appraisers and the appraisal of vehicles, including but not limited to:

(A) Privileges granted by an appraiser certificate and certificate renewal;

(B) Reporting requirements and appraisal-related forms; and

(C) Procedures and requirements regarding the towing of vehicles from a public right-of-way or private property, and the disposition of vehicles when towed.

(b) Accepted appraisal methods, determining vehicle value and how to recognize high-value vehicles and collector cars; and

(c) Resources of information relating to vehicle appraisers and the appraisal of vehicles. For example, information may be obtained from associations, car clubs, publications, vehicle valuation guides, seminars, or websites.

(2) Individuals who successfully complete the training program will receive a statement of completion from the training instructor. The statement may be submitted to DMV as proof of work experience required under OAR 735-158-0010 when applying for a vehicle appraiser certificate.

### Vehicle Appraiser Education Program; Instructor Qualifications; Requirements

(1) A person who wishes to become a DMV-approved Vehicle Appraiser Education Program instructor must:

(a) Hold a valid Oregon Vehicle Appraiser Certificate;

(b) Have a minimum of five consecutive years experience as a certified vehicle appraiser in Oregon; and

(c) Submit a written request to become an instructor to DMV Business Regulation Section, 1905 Lana Ave. NE, Salem Oregon 97314. The request must include the following information for the person making the request:

(A) Name, mailing address and telephone number;

(B) A copy of the person's current Vehicle Appraiser Certificate. The copy must show the certificate number, date of issuance and date of expiration; and

(C) An outline of the curriculum the instructor plans to use for the training. At a minimum, the curriculum must cover all topics described under OAR 735-158-0005(1) and include a least four hours of training.

(2) DMV will notify a person who submits a request to become a Vehicle Appraiser Education Program instructor upon approval or denial of their request.

(3) A DMV-approved instructor may conduct training classes at any time. However, the instructor must submit the following to DMV within seven business days of completing a training:

(a) The date and time of the training; and

(b) For each person who successfully completes the training:

(A) The person's name, mailing address and telephone number; and

(B) The name, mailing address and telephone number of the tow company or public agency with whom the person is employed.

**Subject:** Chapter 257, Oregon Laws 2009 (SB 127) amended statutes relating to financial responsibility requirements for motor vehicles. DMV amended its administrative rules to implement these changes and to clarify language.

OAR 735-050-0050 deals with the content of a uniform financial responsibility certificate (SR-22). The SR-22 is a standard form used nationwide by insurance carriers when they are required to file a certificate of insurance with the state on behalf of an insured. The amendments to OAR 735-050-0050 update requirements for the SR-22 to implement SB 127 and recognize an additional standard form issued by the American Association of Motor Vehicle Administrators (AAMVA).

OAR 735-050-0060 was amended to update the title of the Unit that initially determines if a person had a reasonable and good faith belief of compliance with financial responsibility requirements.

The other rules were amended to clarify and update terms.

## 735-050-0050

### Content of Uniform Financial Responsibility Certificate and Procedure for Processing

(1) A person required to file a certificate of insurance, for purposes of proving future responsibility, must submit a Uniform Financial Responsibility Certificate (SR-22).

(2) An SR-22 will not be accepted unless it contains:

(a) The insured's complete name and address. If two names are on the certificate, it will not be accepted. The only exception is an "on-behalf-of" certificate. An "on-behalf-of" certificate is filed by an owner of a motor vehicle, showing proof of financial responsibility on behalf of their employee or a member of their immediate family in lieu of the driver furnishing such proof. The filing of this type of certificate only permits the person to operate a motor vehicle covered by the proof;

(b) The insured's driver license number and date of birth;

(c) The insurance carrier name, not the name of the insurance producer (agent). The carrier name is acceptable if preprinted on the back of the form, or typed on the front;

(d) The policy number;

(e) The effective date of the certification;

(f) A box must be checked to show whether the policy is for an operator or an owner;

(g) Information showing that the certificate is issued as proof of financial responsibility in Oregon;

(h) A certification by an authorized representative of the insurance carrier that a motor vehicle liability policy as required by the financial responsibility laws of Oregon, and in effect on the effective date of the certification, has been issued to the insured named on the SR-22;

(i) The date the SR-22 was issued. An SR-22 received by DMV more than 30 days after the date it was issued will not be accepted;

(j) The signature of the authorized representative of the insurance carrier. An electronic signature as described in OAR 735-018-0010(3) and 735-018-0060 constitutes a signature for purposes of this rule; and

(k) A secured internet Web site address at the bottom of the form if the SR-22 is provided to DMV in Web site format.

(3) The certification in subsection (2)(h) of this rule is a declaration of the issuing insurance carrier that:

(a) The policy covers all vehicles that are registered in the name of or operated by the named insured, except as provided in ORS 806.270(2); and

(b) If applicable, it has assumed the higher liability limits required for a Driving Under the Influence of Intoxicants conviction under the financial responsibility laws of Oregon as required by ORS 806.075.

(4) The insurer issuing the certificate must be authorized by the Insurance Division of the Oregon Department of Consumer and Business Services to do business in Oregon, unless the insurer is an eligible surplus lines insurer of a risk retention group.

### Good Faith Belief of Compliance with Financial Responsibility Requirements — Purpose and Definitions

(1) The Driver and Motor Vehicle Services Division of the Department of Transportation (DMV) will terminate future responsibility filing requirements and rescind a financial responsibility suspension of a person's driving privileges as allowed by ORS 806.245, 809.380 and 809.450 when the person:

(a) Is currently in compliance with financial responsibility requirements; and

(b) Reasonably and in good faith believed he or she was in compliance at the time of the accident or DMV's letter of verification.

(2) For purposes of OAR 735-050-0060 through 735-050-0064 "good faith" means a state of mind of honesty in purpose and freedom from intent to defraud. Failure of a person to inquire further when the person could reasonably be expected to do so constitutes absence of good faith.

(3) For purposes of OAR 735-050-0060 through 735-050-0064, "reasonably believed" or "reasonable belief" means a belief based on the combinations of facts that existed and the circumstances that a person knew, or with ordinary diligence should have known, which would give cause for a rational person to believe.

(4) It is presumed that a person has knowledge of the contents of his or her motor vehicle liability insurance policy.

(5) DMV will rescind a suspension under this rule if DMV is presented with evidence that the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements. Evidence for the above may be presented to the Accident Reporting and Insurance Verification Unit or at a hearing requested by the person. In either case, examples of such evidence include, but are not limited to, the following:

(a) Copies of cancelled checks, money orders or receipts for cash that show payment was received for an automobile liability insurance policy;

(b) Written verification on agency or company letterhead or sworn testimony from the insurance carrier or insurance producer (agent);

(c) Copies of insurance policies, binders, declarations or applications; and

(d) Notarized written statements or sworn testimony from a spouse, partner in a domestic partnership, co-owner of current or former policies or any other person involved in the payment of policy premiums.

(6) A person is entitled to a hearing on rescinding of the suspension of the person's driving privilege under this rule. A determination by the Accident Reporting and Insurance Verification Unit that the suspension should not be rescinded does not limit the person's right to a hearing.

### What Constitutes "Reasonably and in Good Faith"

(1) Examples of circumstances that constitute reasonable and good faith belief include, but are not limited to, the following:

(a) An insurance company accepted application and payment for liability insurance covering the period of time in question;

(b) An insurance carrier or producer (agent) told a person that he or she was insured or would be insured by a particular policy, and the person was not told otherwise until after the accident or the Driver and Motor Vehicle Services Division of the Department of Transportation (DMV) random sample;

(c) A separated spouse, partner in a domestic partnership, or other additional holder of an insurance policy cancels the policy without the person's knowledge and consent as shown by:

(A) Proof of legal separation; or

(B) A written statement from the party canceling the policy; and

(d) A person is not yet 21 years old, is attending school or is in the military service and believes he or she is covered by a parent's policy.

(2) DMV will use the examples in section (1) of this rule as guidelines in making decisions. However, each request for the rescinding of a suspension under this rule will be reviewed on a case-by-case basis.

### What Does Not Constitute "Reasonably and in Good Faith"

(1) Examples of beliefs that do not constitute a reasonable and good faith belief include, but are not limited to, the following:

(a) Belief that a vendor's single interest (VSI) or other policy issued by a dealer or financing institution provides motor vehicle liability coverage. That policy or its declarations must clearly state that it does not provide motor vehicle liability insurance, does not meet financial responsibility requirements or contain some other similar statement;

(b) Belief by a person who is not yet 21 years of age, not attending school or not in military service, and not residing with a parent that he or she is covered by a parent's policy;

(c) Belief by a person that a policy meets the requirements of the financial responsibility law when the person has not read the policy declarations and limitations;

(d) Belief that a policy is still in force because of non-receipt of a notice of cancellation, unless the person presents substantial evidence showing that the insurance company did not meet the notification requirements for cancellation found in ORS Chapter 742;

(e) Belief that a spouse or partner in a domestic partnership, normally pays all bills and must have paid an insurance premium; and

(f) Belief based only upon an insurance carrier's or insurance producer's (agent) representation after an accident has occurred when, at the time of the accident, the person did not reasonably believe that they were covered.

(2) The Driver and Motor Vehicle Services Division of the Department of Transportation will use the examples in section (1) of this rule as guidelines in making decisions. However, each request for the rescinding of a suspension under this rule will be reviewed on a case-by-case basis.

### Suspensions for Uninsured Accidents

(1) The Driver and Motor Vehicle Services Division of the Department of Transportation (DMV) will suspend the driving privileges and right to apply for driving privileges of any person if the person is involved in any motor vehicle accident at any time when DMV determines the person has been driving uninsured.

(2) DMV will determine that a person was the driver of a vehicle involved in an accident if DMV receives a report to that effect from the

# ADMINISTRATIVE RULES

police, an insurance carrier or insurance producer (agent), or any other person involved in the accident.

(3) If the accident must be reported to DMV, DMV will determine that a person was involved in an accident while driving uninsured if:

(a) The person does not respond to DMV's request for an accident report;

(b) The person does not respond to DMV's request for both the name of the insurance carrier and the policy number that covered the person's operation of the vehicle at the time of the accident; or

(c) The insurance carrier the person stated he or she was insured with denies coverage for the accident.

(4) DMV will grant a pre-suspension hearing under ORS 809.440(1), upon timely request, to any person whose driving privileges are suspended as described in section (1) of this rule. The suspension will not take effect pending the outcome of the hearing and DMV will impose the suspension if the administrative law judge affirms the suspension following the hearing.

(5) Once a suspension described in section (1) of this rule takes effect, DMV will rescind the suspension if the person supplies the name of an insurance carrier and policy number that covered the person's operation of the vehicle at the time of the accident.

(6) DMV will again suspend the driving privileges if the suspension was rescinded under section (5) and the insurance carrier subsequently denies coverage for the accident. The person will be eligible for full reinstatement of driving privileges one year from the new suspension date.

**EXCEPTION:** DMV shall subtract time served under the original uninsured accident suspension from the one-year suspension period.

### Financial Responsibility Verification Program

(1) The Driver and Motor Vehicle Services Division of the Department of Transportation (DMV) will randomly select motor vehicles for financial responsibility verification. The total number randomly selected each year will not exceed ten percent of the motor vehicles registered in Oregon that are subject to verification.

(2) DMV may, in addition, designate persons for verification of financial responsibility requirements if DMV has reasonable grounds to believe that the person is in violation of financial responsibility requirements. DMV's determination of reasonable grounds will be based on the following:

(a) Written statements from police, insurance carriers, insurance producers (agents), and the public;

(b) Any admission to DMV by the owner of an Oregon-registered vehicle that the vehicle is not insured;

(c) Receipt by DMV of any record from another jurisdiction that the owner of any Oregon-registered vehicle was convicted of driving uninsured, regardless of the vehicle driven at the time of offense.

(d) Receipt by DMV of any record from another jurisdiction indicating that an Oregon-registered vehicle was driven without insurance, regardless of who was driving the vehicle;

(e) Statements made during an administrative hearing by a driver or owner of a vehicle that the Oregon-registered vehicle was driven while uninsured; or

(f) No record of submission from an insurance carrier, pursuant to ORS 742.580, 806.195 and OAR 735-050-0130 through 735-050-0160, that a motor vehicle liability insurance policy has been issued.

(3) DMV will use a written statement as identified in section (2)(a) of this rule as a basis for a financial responsibility verification request only if the person making the statement does all of the following:

(a) Signs and dates the request;

(b) Identifies the vehicle that the person believes is being operated in violation of financial responsibility requirements; and

(c) Explains why the person believes the vehicle is being operated in violation of financial responsibility requirements and includes facts that would cause a reasonable person to believe the vehicle is being operated in violation of financial responsibility requirements.

(4) DMV will suspend the driving privileges or right to apply for driving privileges of any person who fails to make a future responsibility filing after failing verification or who falsely certifies compliance with financial responsibility requirements.

(5) A person who fails to make a future responsibility filing after failing verification or who falsely certifies compliance with financial responsibility requirements is entitled to a pre-suspension hearing in accordance with ORS 809.440(1) and 809.415. If no pre-suspension hearing is held, a person may be entitled to a post-imposition hearing in accordance with OAR 735-050-0090.

### Proof of Compliance With Financial Responsibility Requirements in Lieu of an Unexpired Insurance Card

The following list establishes what constitutes "other current proof of compliance with financial or future responsibility requirements" under ORS 806.011, and "proof of compliance with financial responsibility requirements" under ORS 806.012:

(1) An unexpired motor vehicle liability insurance policy for the particular vehicle that meets the standards set forth in ORS 806.080;

(2) An unexpired motor vehicle liability insurance binder issued by the insurance carrier or its authorized insurance producer (agent) for the particular vehicle that meets the standards set forth in ORS 806.080;

(3) A letter signed by a representative from an insurance carrier or its authorized agent, on the insurance carrier's or agent's letterhead, that verifies current insurance coverage;

(4) A certificate of self insurance issued by the Driver and Motor Vehicle Services Division of the Department of Transportation (DMV) under ORS 806.130 naming the owner of the particular vehicle; or

(5) A displayed Oregon dealer plate unless the dealership does not sell motorized vehicles and has completed a "Certificate of Exemption from Vehicle Liability Insurance for Vehicle Dealer," DMV Form 735-7024.

**Subject:** Chapter 395, Oregon Laws 2009 (SB 129) amends several statutes related to commercial driving privileges and the operation of a commercial motor vehicle. The bill was proposed by DMV to make certain that Oregon's commercial driver license (CDL) program is in compliance with federal regulations.

To qualify for a hazardous materials endorsement, section 8 of the new law requires the person to be a U.S. citizen or permanent legal resident as defined by the department by rule. The amendment of 735-062-0190(1)(c) establishes what documents are required to establish proof of U.S. citizenship or a permanent legal status. DMV also amended 735-062-0190 to align DMV's process with federal requirements that a person be required to pass a security threat assessment from the Transportation Security Administration (TSA) every five years. Other amendments clarify the process for cancellation of a CDL if a person does not remain qualified for the hazardous materials endorsement.

DMV amended 735-070-0000 to include a reference to ORS 807.173 which authorizes DMV to cancel a CDL if the person no longer qualifies for a hazardous materials endorsement.

Section 14 of the new law specifies new civil penalty amounts for violation of an out-of-service order. DMV amended 735-070-0170 to delete the language concerning the civil penalty amounts and to update a statutory reference in the section that sets forth administrative hearing rights.

DMV repealed 735-062-0003 and 735-070-0043 because the new law includes all necessary language and the rules are no longer needed.

### Requirements for Issuance and Retention of a Hazardous Materials Endorsement

(1) To obtain, retain or renew commercial driver license (CDL) with a hazardous materials endorsement, a person must be qualified. To qualify for a hazardous materials endorsement a person must:

(a) Qualify for commercial driving privileges or have a valid Oregon CDL;

(b) Pass a hazardous materials endorsement knowledge test for an original endorsement or a renewal;

# ADMINISTRATIVE RULES

(c) Pass a security threat assessment (security check) from the Transportation Security Administration (TSA) in accordance with 49 CFR Part 1572, including receipt by DMV of a notice from TSA which shows the person does not pose a security threat. A person must pass a TSA security check at the following times:

(A) Within four years and nine months prior to the date DMV issues an original hazardous materials endorsement;

(B) At intervals of not more than five years from the date of the person's most recent TSA security check; and

(C) Any other time required by DMV.

(d) Pay all required fees, which include, but may not be limited to, any applicable issuance fee and a hazardous materials knowledge test fee.

(2) To obtain, replace or renew a CDL with a hazardous materials endorsement a person must provide proof of U.S. citizenship, as described in OAR 735-062-0015(2), or permanent legal residence, as described in OAR 735-062-0015(3). A person unable to provide one of the documents listed in OAR 735-062-0015(2) or (3) is not qualified for a hazardous materials endorsement.

(3) A person is no longer qualified for a hazardous materials endorsement if:

(a) DMV receives a notice of threat assessment from TSA requiring immediate cancellation of the hazardous materials endorsement;

(b) DMV receives notice from TSA indicating the person did not pass the security threat assessment; or

(c) The person fails to complete and pass a TSA security check as described in section (1) of this rule.

(4) If DMV determines a person is no longer qualified for a hazardous materials endorsement, DMV will cancel the person's CDL as set forth in OAR 735-070-0000. Upon cancellation of the CDL, the person must immediately surrender to DMV the CDL showing the hazardous materials endorsement. If the person otherwise qualifies and pays a replacement fee, DMV will issue a driver license or a CDL without a hazardous materials endorsement.

(5) The person may request an administrative review on the cancellation of his or her CDL. The issues for the administrative review are limited to whether:

(a) When required, the person completed and passed a TSA security check as described in section (1) of this rule; or

(b) DMV received a notice from TSA showing the person does not qualify for a hazardous materials endorsement; and

(c) Whether the person is the same person named on the notice.

(6) An applicant for an Oregon CDL with a hazardous materials endorsement who presents a valid CDL with a hazardous materials endorsement issued by another state must still qualify for an original hazardous materials endorsement as set forth in section (1) of this rule.

(7) If the person passes a TSA security check within one year from the date the person's CDL with a hazardous materials endorsement was canceled under section (3) of this rule and otherwise qualifies for the CDL and endorsement, DMV will reissue the CDL with a hazardous materials endorsement after payment of a replacement fee. If the cancellation has been in effect for more than one year, the person must reapply for the hazardous materials endorsement as an original endorsement and must take all required tests, pay all required fees and pass the required TSA security check.

### Driver License Cancellations — Not Entitled to Driving Privileges

(1) DMV will, under the provisions of ORS 807.350 and 809.310(1), cancel a person's driving privileges if DMV determines the person is not entitled to or no longer qualified for a driver permit or driver license.

(2) A person is not entitled to a driver permit or driver license if the person does not meet the eligibility requirements of ORS 807.024, 807.040, 807.060, 807.062, 807.065, 807.066, 807.070 and 807.173.

(3) A person is not entitled to a driver permit or driver license if the person's driving privileges are suspended or revoked in any jurisdiction.

### Hearing Regarding Civil Penalty for Violation of an Out-of-Service Order or Notification of Violation

When a civil penalty is imposed under Sec. 14, Ch. 395, Oregon Laws 2009, the person has a right to a contested case hearing in accordance with ORS 183.745. However, the amount of the civil penalty is not an issue at the hearing, and the administrative law judge presiding at the contested case hearing may not adjust the amount of the civil penalty.

**Rules Amended:** 735-062-0007, 735-062-0010, 735-062-0015, 735-062-0020, 735-062-0090, 735-062-0125

**Subject:** Section 4, Chapter 1, Oregon Laws 2008, which is operative on January 1, 2010, provides for the issuance, renewal and replacement of a limited term driver license, limited term driver permit and limited term identification card. DMV amended OAR 735-062-0007, 735-062-0010 and 735-062-0090 to specify what proof of legal presence in the United States an applicant must provide for the issuance or renewal of a limited term driver license, limited term driver permit or limited term identification card if the applicant is in the US on a temporary basis. Other changes update these rules to refer to a limited term driver license, driver permit or ID card.

The amendment to OAR 735-062-0015(6) clarifies that DMV will not re-verify the legal presence documents presented by a person who is applying to replace a limited term driver license, limited term driver permit or limited term identification card since those documents were verified at the time of original issuance or renewal. DMV also amended section (2) of this rule to clarify that a tribal ID card is sufficient proof that the person applying is a citizen or permanent resident of the US.

OAR 735-062-0125 defines the requirements for renewing or replacing a driver license or identification card using a previous photo on file with DMV. As authorized by SB 1080, these may be issued to an applicant who is a US Citizen or permanent resident who is unable to renew or replace an Oregon issued driver license or identification card in person because the applicant is away from Oregon for an extended period of time. DMV's amendment clarifies what proof must be provided by the applicant to qualify for a driver license or identification card that uses a previous photo. DMV also amended 735-062-0020 to specify the requirements for proof of identity and date of birth when a driver license or identification card issued under 735-062-0125 is renewed or replaced.

DMV amended 735-062-0090 to extend to 14 months the time period within which a person may apply for renewal of a driver license or identification card before its expiration date. The amendment also describes the proof of legal presence necessary to renew a limited term driver license, driver permit or identification card.

## 735-062-0007

### Driver Permits or Driver Licenses

(1) Before the Driver and Motor Vehicle Services Division of the Department of Transportation (DMV) will issue a driver permit or driver license, the person applying for the driver permit or driver license must:

(a) Satisfy all requirements set forth in ORS 807.040 and 807.060(2)(a) if under the age of 18. For purposes of ORS 807.060 and this subsection:

(A) "Mother" means the biological or adoptive mother of the applicant;

(B) "Father" means the biological or adoptive father of the applicant; and

(C) "Legal guardian" means an individual, or the authorized representative of an entity, private or public institution or agency appointed as guardian of the applicant by a court having jurisdiction.

(b) Satisfy all requirements set forth in ORS 807.065 and 807.066 to receive a driver license (provisional) if under 18 years of age;

(c) Provide proof of a verifiable SSN or proof that the person is not eligible for a SSN as provided in OAR 735-062-0005;

(d) Provide proof of legal presence as provided in OAR 735-062-0015;

(e) Submit to the collection of biometric data for the purpose of establishing identity as provided in ORS 807.024 and OAR 735-062-0016;

(f) Provide proof of the person's identity and date of birth as provided in OAR 735-062-0020;

# ADMINISTRATIVE RULES

(g) Provide proof of the person's residence address as provided in OAR 735-062-0030;

(h) Provide proof, as provided in OAR 735-016-0070, that the person is domiciled in or a resident of Oregon;

(i) Surrender all driver permits and driver licenses in the person's possession that have been issued by:

- (A) Another state;
- (B) A Canadian province or territory; or
- (C) A U.S. territory.

(j) In addition to all requirements in subsections (a) through (i) of this section, a person who holds a commercial driver license from another jurisdiction must satisfy all requirements set forth in ORS 807.045 and OAR 735-062-0200.

(2) A person is not eligible for driving privileges under ORS 807.060(4) or (5) and DMV will not issue or renew driving privileges or replace a driver license or driver permit if on an application for driving privileges or a replacement license or permit a person:

(a) Answers yes to the question "Do you have a vision condition or impairment that has not been corrected by glasses, contacts or surgery that affects your ability to drive safely?" and the person is unable to pass a DMV vision screening;

(b) Answers yes to the question "Do you have any physical or mental conditions or impairments that affect your ability to drive safely?";

(c) Answers yes to the question "Do you use alcohol, inhalants, or controlled substances to a degree that affects your ability to drive safely?"

(3) A person who is denied issuance or renewal of driving privileges or replacement of a driver license or driver permit under section (2) of this rule will be allowed to establish or reestablish eligibility by passing DMV examinations under ORS 807.070, by getting a determination of eligibility from the Medical Determination Officer under ORS 807.090 or both, as determined by DMV. The requirement may be waived if DMV determines the application was completed in error and the person is eligible for driving privileges.

(4) Upon receipt of an application for a driver license or driver permit, DMV will make an inquiry to the National Driver Register/Problem Driver Pointer System (NDR/PDPS) or the Commercial Driver License Information System (CDLIS) or both to determine if the applicant's driving privileges are suspended, revoked, canceled or otherwise not valid in any other jurisdiction. For issuance of a commercial driver license (CDL), DMV will also make an inquiry to CDLIS to determine if the applicant has been issued a CDL in another jurisdiction.

(5) DMV may require the applicant to provide a clearance letter in compliance with OAR 735-062-0160, indicating the applicant has valid driving privileges from any jurisdiction in which an inquiry with the National Driver Register/Problem Driver Pointer System (NDR/PDPS) or the Commercial Driver License Information System (CDLIS) or both indicates the applicant's driving privilege is not fully valid.

(6) DMV will not issue driving privileges to a person until his or her driving privilege is reinstated in all jurisdictions, unless the only remaining reinstatement requirement in the other jurisdiction is proof of financial responsibility. Nothing in this section prohibits DMV from issuing a regular Class C driver license to a person whose CDL driving privileges are not valid as long as the person's regular Class C or equivalent driving privileges are valid.

(7) DMV will not issue a driver license or permit to a person with a current, valid Oregon identification card (ID card). To become eligible, the person must surrender the ID card before DMV may issue the Oregon driver license or permit. If the person's ID card is lost or destroyed, the person must make a statement that the card is lost or destroyed and that it will be returned to DMV if found.

(8) A driver license of a United States citizen or permanent legal resident with a February 29 birth date expires:

- (a) On February 29 if the expiration year is a leap year; or
- (b) On March 1 if the expiration year is not a leap year.

(9) After determining that an applicant has met all requirements under this rule, DMV will issue the license or permit and mail it to the address provided by the applicant at the time of the application.

(10) After determining that an applicant has met all requirements under this rule and has provided proof of legal presence in the United States on a temporary basis, as described in OAR 735-062-0015(4), DMV will issue a limited term driver license or limited term driver permit and mail it to the address provided by the applicant at the time of the application.

### Identification Cards

(1) Pursuant to ORS 807.400 and as provided in this rule, DMV will issue an identification card to a person who does not have a valid driver license.

(2) A person applying for an identification card must:

(a) Satisfy all identification card requirements set forth in ORS 807.400 and 807.410, except as described under section (7) of this rule;

(b) Provide proof of a verifiable SSN or proof that the person is not eligible for a SSN as provided in OAR 735-062-0005;

(c) Provide proof of legal presence as provided in OAR 735-062-0015;

(d) Submit to the collection of biometric data for the purpose of establishing identity as provided in ORS 807.024 and OAR 735-062-0016.

(e) Provide proof of the person's identity and date of birth as provided in OAR 735-062-0020; and

(f) Provide proof of the person's residence address as provided in OAR 735-016-0070 and 735-062-0030.

(3) Identification cards issued to persons for whom DMV has created an Oregon driving record will reflect the same number as that on the existing record.

(4) An applicant in possession of a driver license issued by another jurisdiction must surrender that license to DMV before an identification card will be issued. The person must provide a statement to DMV if the person's license is lost, destroyed or the person no longer has the license in his or her possession, and must agree that the license will be surrendered to DMV if found.

(5) Applicants for an identification card must personally apply at a DMV office to receive an identification card.

(6) All identification cards must include a photograph of the cardholder.

(7) DMV will waive the fee requirements set forth in ORS 807.410 for those persons applying for an identification card when:

(a) The person voluntarily surrenders an Oregon license or driver permit to DMV based upon the person's recognition that the person is no longer competent to drive; or

(b) The person's driving privileges are suspended under ORS 809.419(1) and the person voluntarily surrenders the person's license or driver permit to DMV.

(8) An identification card of a United States citizen or permanent legal resident with a February 29 birth date expires:

- (a) On February 29 if the expiration year is a leap year; or
- (b) On March 1 if the expiration year is not a leap year.

(9) After determining that an applicant has met all requirements under this rule, DMV will issue the identification card and mail it to the address provided by the applicant at the time of application.

(10) After determining that an applicant has met all requirements under this rule and has provided proof legal presence in the United States on a temporary basis, as described in OAR 735-062-0015(4), DMV will issue a limited term identification card and mail it to the address provided by the applicant at the time of the application.

(11) DMV may renew an identification card as provided in OAR 735-062-0090 or may do so using a previous photograph only as provided 735-062-0125.

(12) DMV may replace an identification card as provided in OAR 735-062-0110 or may do so using a previous photograph only as provided 735-062-0125.

### Proof of Legal Presence

(1) Except as provided in OAR 735-062-0032 and 735-062-0033, a person who applies for any original, renewal or replacement driver permit, driver license, or identification card must provide valid documentary proof that the person is a citizen or permanent legal resident of the United States or is otherwise legally present in the United States in accordance with federal immigration laws, unless the person's DMV record shows DMV has previously verified the person's SSN and shows that the person is a citizen or permanent legal resident of the United States. The documents provided must be either original or certified copies.

(2) Documents acceptable as proof of U.S. citizenship include, but are not limited to:

(a) A birth certificate issued by a U.S. Territorial government, the District of Columbia or the government of a state or political subdivision of a state of the United States. DMV will not accept a hospital-issued birth certificate, hospital card or birth registration or baptismal certificate.

(b) U.S. Consular Report of Birth Abroad (FS-240).

(c) U.S. government-issued Certification of Report of Birth (DS-1350 or FS-545).

# ADMINISTRATIVE RULES

- (d) Request for Verification of Birth (DD372).
- (e) United States passport, not expired more than five years.
- (f) United States passport card, not expired more than five years.
- (g) U.S. Territory passport, not expired more than five years.
- (h) Tribal ID card from a federally recognized tribe located in Oregon or a federally recognized tribe with an Oregon affiliation, if DMV determines:

(A) The procedures used in issuing the card are sufficient to prove that a member is a citizen or permanent resident of the United States; and

(B) The card contains security features that are sufficient to prevent alteration or counterfeiting of the card.

- (i) Certificate of Citizenship (N560 and N561).
- (j) Certificate of Naturalization (N550, N570 and N578).
- (k) U.S. Citizen Identification Card (I-197 and I-179).

(3) Documents acceptable as proof of permanent legal residence in the U.S include, but are not limited to: Resident Alien card; Permanent Resident card (I-551); or a Permit to Re-Enter (I-327).

(4) Documents acceptable as proof that a person is not a citizen or permanent legal resident of the United States but is legally present in the United States on a temporary basis include, but are not limited to:

(a) Arrival/Departure Record (I-94 or CBP I-94A) or a valid I-797A Notice of Action issued by the Department of Homeland Security or Custom and Border Protection with a valid unexpired foreign passport.

(b) Arrival/Departure Record (I-94, CBP I-94A) with a passport issued by the Federated States of Micronesia (FSM), Republic of the Marshall Islands (RMI) or Republic of Palau, not expired more than five years.

- (c) Temporary Resident ID card (I-688);
- (d) Employment Authorization card (I-766); or
- (e) Refugee Travel Document Form I-571.

(5) DMV will not accept as the proof required by sections (3) and (4) of this rule a document that is not verified through the Systematic Alien Verification for Entitlements (SAVE) system.

(6) Notwithstanding section (5) of this rule, DMV may accept a document described in sections (3) and (4) of this rule that is not verified through the SAVE system if:

(a) DMV is able to determine through other means that the document is valid; or

(b) The document is presented for the replacement of a limited term driver license, limited term driver permit, or limited term identification card under OAR 735-062-0110.

(7) An applicant who must obtain a document in order to provide proof of legal presence may apply for an applicant temporary driver permit as described in OAR 735-062-0032 that will provide driving privileges for a limited time or an applicant temporary identification card as described in 735-062-0033.

### Proof of Identity and Date of Birth Requirements

(1) A person who applies for an original, renewal or replacement driver permit, driver license, or identification card must provide valid documentary proof of the person's identity and date of birth prior to the issuance of such driver permit, driver license, or identification card. Documents must be original or certified copies.

(2) Except as provided in section (3) of this rule, documents acceptable as proof of identity and date of birth include, but are not limited to:

(a) Any document that provides proof of legal presence as provided in OAR 735-062-0015.

(b) U.S. Military documents including:

(A) Military or Armed Forces ID card;

(B) Military Common Access Card; or

(C) U.S. Uniform Services ID and Privileges card (DD1173 and DD1173-1).

(c) Tribal ID card from a federally recognized tribe located in Oregon or a federally recognized tribe with an Oregon affiliation if DMV determines:

(A) The procedures used in issuing the card are sufficient to prove a member's identity and date of birth; and

(B) The card contains security features that are sufficient to prevent alteration or counterfeiting of the card.

(d) Canadian Government Issued Birth Certificate;

(e) Out-of-state, District of Columbia, U.S. Territorial government or Canadian driver license, instruction permit or identification card, that contains the applicant's photograph, not expired more than one year unless hole-punched or marked "Not Valid as ID."

(f) Oregon driver license, instruction permit, or identification card, not expired more than one year. For the purposes of this subsection, DMV will not accept a driver license or identification card that was issued without a photograph, or issued with a previous photograph as described in OAR 735-062-0125.

(g) U.S. Department of State driver license or Non-driver ID card not expired more than one year.

(h) Oregon Concealed Weapon Permit/Concealed Handgun License, not expired more than one year.

(i) A letter verifying identity provided by an Oregon County Community Corrections agency if:

(A) DMV determines the procedures used in issuing the letter are reasonably equivalent to DMV standards for verification of a person's age and identity; and

(B) The letter contains security features that are sufficient to prevent alteration or counterfeiting of the letter.

(j) A letter verifying identity provided by the U.S. Pretrial Services if:

(A) DMV determines the procedures used in issuing the letter are reasonably equivalent to DMV standards for verification of a person's age and identity; and

(B) The letter contains security features that are sufficient to prevent alteration or counterfeiting of the letter.

(k) A letter verifying identity provided by the Oregon Youth Authority Agency if:

(A) DMV determines the procedures used in issuing the letter are reasonably equivalent to DMV standards for verification of a person's age and identity; and

(B) The letter contains security features that are sufficient to prevent alteration or counterfeiting of the letter.

(l) A letter verifying identity provided by a U.S. District Court Probation Office if:

(A) DMV determines the procedures used in issuing the letter are reasonably equivalent to DMV standards for verification of a person's age and identity; and

(B) The letter contains security features that are sufficient to prevent alteration or counterfeiting of the letter.

(m) Oregon Department of Correction Release Identification card, issued after April 30, 2005.

(n) The applicant's DMV record, including the applicant's digital photo, if the applicant has previously been issued an Oregon driver license, driver permit or identification card.

(3) A person who is renewing or replacing a driver license or identification card issued pursuant to OAR 735-062-0125 must provide an original or certified copy of one of the following documents as proof of identity and date of birth:

(a) A birth certificate issued by a U.S. Territorial government, the District of Columbia or the government of a state or political subdivision of a state of the United States. DMV will not accept a hospital-issued birth certificate, hospital card or birth registration or baptismal certificate.

(b) U.S. Consular Report of Birth Abroad (FS-240).

(c) U.S. government-issued Certification of Report of Birth (DS-1350 or FS-545).

(d) Request for Verification of Birth (DD372).

(e) United States passport, not expired more than five years.

(f) United States passport card, not expired more than five years.

(g) U.S. Territory passport, not expired more than five years.

(h) Tribal ID card from a federally recognized tribe located in Oregon or a federally recognized tribe with an Oregon affiliation, if DMV determines:

(A) The procedures used in issuing the card are sufficient to prove that a member is a citizen or permanent resident of the United States; and

(B) The card contains security features that are sufficient to prevent alteration or counterfeiting of the card.

(i) Certificate of Citizenship (N560 and N561).

(j) Certificate of Naturalization (N550, N570 and N578).

(k) U.S. Citizen Identification Card (I-197 and I-179).

(l) Resident Alien card.

(m) Permanent Resident card (I-551).

(n) Permit to Re-Enter (I327).

(4) DMV will not accept a document as proof of identity and date of birth if DMV has reason to believe the document is not valid. DMV may request an applicant for a driver permit, driver license, or identification card to present additional documentary proof of identity and date of birth if the document presented does not establish the applicant's identity or date of birth to the satisfaction of DMV.

### Renewal Driver Licenses and Identification Cards

(1) DMV will renew the driver license of a person satisfying the requirements set forth in ORS 807.150.

# ADMINISTRATIVE RULES

(2) An applicant for the renewal of a driver license or identification card must:

- (a) Provide proof of a verifiable SSN or proof that the person is not eligible for a SSN as provided in OAR 735-062-0005(2);
- (b) Provide proof of legal presence as provided in OAR 735-062-0015;
- (c) Submit to the collection of biometric data for the purpose of establishing identity as provided in ORS 807.024 and 735-062-0016; and
- (d) Provide proof of identity and date of birth as provided in OAR 735-062-0020.

(3) An applicant for the renewal of a driver license or identification card that includes a change of residence address must present to DMV one of the proofs of residence address listed in OAR 735-062-0030 that shows the person's current residence address. (Current residence address is the residence address to be included on the license or identification card to be issued.)

(4) DMV may renew an unexpired driver license or identification card up to 14 months prior to the expiration date.

(5) If a driver license has been expired more than one year, the applicant must re-apply for an original driver license and meet the requirements set forth in OAR 735-062-0007.

(6) An applicant for a renewal of a commercial driver license with a hazardous materials endorsement must retake and pass the hazardous materials knowledge test and meet the requirements set forth in OAR 735-062-0190 to retain the hazardous materials endorsement on the commercial driver license.

(7) An applicant for a renewal of a commercial driver license must meet the requirements set forth in OAR 735-063-0065.

(8) Before processing a driver license renewal, DMV will make an inquiry to the National Driver Register/Problem Driver Pointer System (NDR/PDPS) or the Commercial Driver License Information System (CDLIS), or both, to determine if the applicant's driving privileges are suspended, revoked, canceled or otherwise not valid in any other jurisdiction. Before processing a commercial driver license (CDL) renewal, DMV will make an inquiry to CDLIS to determine if the applicant has been issued a CDL in any other jurisdiction.

(9) If the applicant's driving privileges are suspended, revoked, canceled or otherwise not valid in any other jurisdiction, the applicant may not renew an Oregon driver license until the applicant submits a clearance letter that complies with OAR 735-062-0160 and shows the applicant's driving privileges are reinstated or otherwise valid in the other jurisdiction.

(10) Notwithstanding section (9) of this rule, DMV will renew the driving privileges of an applicant whose driving privileges are suspended, revoked, canceled or otherwise not valid in another jurisdiction if the only remaining reinstatement requirement in the other jurisdiction is proof of future financial responsibility.

(11) DMV will not renew an Oregon driver license or permit if the applicant has a current, valid Oregon identification card. To become eligible, the person must surrender the Oregon identification card before DMV will renew the Oregon driver license or permit. If the person's identification card is lost or the person no longer has the identification card in his or her possession, the person must provide a statement attesting to this fact.

(12) Notwithstanding subsection (2)(b) of this rule, DMV will renew a limited term driver license, limited term driver permit or limited term identification card to an applicant who otherwise qualifies for renewal under this rule and has provided proof of temporary legal presence in the United States as described in OAR 735-062-0015(4) that has been extended or is still in effect.

### Standards for Issuance of a Renewal or Replacement Driver License or Identification Card Containing a Previous Photograph

(1) DMV may renew or replace a person's driver license or identification card by issuing a renewal or replacement license or identification card containing a photograph of the person already on file with DMV, if the applicant:

- (a) Provides proof that he or she is a resident of or domiciled in Oregon as described in OAR 735-016-0040;
- (b) Provides proof or previously has proven that he or she is a citizen or permanent resident of the United States as required by OAR 735-062-0015. An applicant who has not previously provided proof to DMV of citizenship or permanent legal residency in the U.S. may provide a copy, satisfactory to DMV, of one or more documents required by OAR 735-062-0015(2) or (3).
- (c) Provides proof or previously has provided proof of his or her Social Security number, and the number is verified with the Social Security Administration as required by OAR 735-062-0005;

(d) Submits a written statement to DMV establishing good cause why he or she is not able to appear and apply for the renewal or replacement license or identification card at a DMV field office and certifying that he or she will not be returning to Oregon within 150 days from the date of application;

(e) Provides proof that he or she is, in fact, the person to whom the license or identification card to be renewed or replaced was issued; and

(f) Meets all other qualifications for the license or identification card sought.

(2) Circumstances constituting "good cause" for purposes of subsection (1)(d) of this rule include, but are not limited to, the following:

(a) The applicant is temporarily in another jurisdiction or country for business reasons, employment or education, will be returning to Oregon, and continues to satisfy Oregon's residency requirements.

(b) The applicant is traveling outside of Oregon and the applicant's Oregon driver license or identification card is lost, stolen or mutilated;

(c) The applicant is traveling outside of Oregon and the applicant's Oregon driver license or identification card has expired or will expire before the person returns to Oregon; or

(d) The applicant has a medical condition or health problems that prevent him or her from applying for a renewal or replacement license or identification card at a DMV field office and submits to DMV proof of the medical condition or health problems from the applicant's licensed treating physician.

(3) Notwithstanding section (1) of this rule, DMV may issue a renewal or replacement license or identification card containing a photograph of the applicant already on file with DMV, if the applicant is an Oregon licensed driver or identification card holder serving on active duty in the United States Armed Forces outside of Oregon who provides a copy of his or her:

(a) Most current Leave Earning Statement showing Oregon as his or her home on record;

(b) Federally-issued active duty Military identification card; and

(c) Social Security number to be verified with the Social Security Administration, if not previously provided.

(4) A spouse, partner in a domestic relationship or dependent of a military person on active duty in the United States Armed Forces outside of Oregon who qualifies under section (3) of this rule, who holds an Oregon driver license or identification card may qualify for a driver license or identification card using the previous photograph, if the spouse or dependent provides a copy of the following:

(a) The military member's most current Leave Earning Statement showing Oregon as his or her home on record;

(b) The military member's active duty Military identification card;

(c) The spouse, partner or dependent's Military identification card; and

(d) The spouse, partner or dependent's Social Security number to be verified with the Social Security Administration, if not previously provided.

(5) DMV will not replace or renew a driver license or identification card under this rule, if the applicant's most recent photograph on file with DMV is more than nine years and two months old.

### Proof of School Attendance, Completion or Exemption

DMV will require an applicant under 18 years of age to provide proof of school attendance, completion or exemption before issuing a driving privilege when no privilege has been issued to the applicant previously or the applicant's driving privilege has been revoked or cancelled. DMV must also view proof of school attendance, completion or exemption before reinstating a driving privilege suspended for failure to attend school. The following are proof of attendance, completion or exemption from school:

# ADMINISTRATIVE RULES

- (1) Proof of high school graduation includes:
    - (a) The applicant's high school diploma or a copy thereof;
    - (b) A certified copy of the applicant's high school transcript showing that the applicant has graduated; or
    - (c) A letter on school letterhead and signed by the principal or the principal's designee stating the applicant has graduated from high school.
  - (2) Proof of receipt of a General Educational Development (GED) certificate includes:
    - (a) The applicant's GED certificate or copy thereof; or
    - (b) A letter from the Department of Community Colleges and Workforce Development, on agency letterhead and signed by an authorized representative, stating that the applicant has received a GED certificate.
  - (3) The Statement of Enrollment form (DMV form #735-7185) signed by the principal or designee of the principal of the secondary school attended by the applicant.
  - (4) The Statement of Enrollment form (DMV form #735-7185) signed by an authorized representative of a community college attended by the applicant showing that the applicant is making satisfactory progress toward a GED certificate.
  - (5) The Statement of Enrollment form (DMV form #735-7185) signed by the authorized representative of a community college attended by the applicant showing that the applicant is making satisfactory progress toward a high school diploma.
  - (6) The Statement of Enrollment form (DMV form #735-7185) signed by the authorized representative of the education service district or school district having jurisdiction over the area of the applicant's residence showing that the applicant is being taught by a private teacher or parent in compliance with ORS 339.035.
  - (7) A statement signed by the applicant, along with any supporting documentation, describing why the applicant cannot attend school due to circumstances beyond the applicant's control. Based upon the information submitted, DMV will determine whether or not the applicant is exempt from school attendance. This determination is only for the purpose of issuing driving privileges and does not exempt the applicant from any requirement to attend school.
  - (8) Proof that the applicant is exempt from school attendance under ORS 339.030(2) includes:
    - (a) The Statement of Enrollment form (DMV form #735-7185) signed by the designated representative of the education service district or school district having jurisdiction over the area of the applicant's residence showing that the applicant has been declared exempt from school attendance under ORS 339.030(2).
    - (b) A letter from the education service district or school district having jurisdiction over the area of the applicant's residence or State Board of Education, on letterhead and signed by a designated representative, stating that applicant has been granted an exemption from school attendance under ORS 339.030(2).
  - (9) DMV will waive the reinstatement fee for a person whose driving privileges were suspended under ORS 809.423(3) if the person provides:
    - (a) Proof of high school graduation as provided in section (1) of this rule; or
    - (b) Proof of a GED certificate as provided in section (2) of this rule.

### Hardship or Probationary Permit Restrictions

(1) A person issued a hardship or probationary permit must not do any of the following:

- (a) The person must not drive outside the hardship or probationary permit driving restrictions;

(b) The person must not be convicted of or forfeit bail for more than one traffic offense listed in ORS 809.600(2)(b) (including city traffic offenses and similar offenses under federal or state law) within any 12-month period. See OAR 735-064-0220 for a list of offenses and statutory references;

(c) The person must not be convicted of or forfeit bail for an offense as specified in ORS 809.600(1)(a) through (g). These offenses are: murder, manslaughter, criminally negligent homicide, assault, recklessly endangering another person, menacing, or criminal mischief resulting from the operation of a motor vehicle; reckless driving, driving while under the influence of intoxicants, failure to perform the duties of a driver involved in an accident or collision, criminal driving while suspended or revoked, fleeing or attempting to elude a police officer, aggravated vehicular homicide or aggravated driving while suspended or revoked;

(d) The person must not use intoxicants and drive;

(e) The person must not refuse to submit to a chemical breath test, blood test or urine test;

(f) The person must not be convicted of or forfeit bail for an offense under ORS 811.170; or

(g) The person must not falsify any information appearing on the Hardship/Probationary Application.

(2) The person required to have an IID must not violate the following provisions:

(a) Drive any vehicle which does not have an IID installed unless exempted by statute and administrative rule;

(b) Drive an employer's owned or leased vehicle without an IID unless the person is carrying a copy of an employer's exemption letter, Employer IID Exemption form or medical exemption letter in his or her possession;

(c) Tamper with the IID or remove it from the vehicle; or

(d) Solicit another person to blow into the IID.

(3) The person must maintain any required recommendation from a program approved by AMH and the court recommendation for a hardship or probationary permit during the term of the hardship or probationary permit.

(4) Evidence that a restriction has been violated includes, but is not limited to the following:

(a) Police reports;

(b) Accident reports;

(c) Reports from rehabilitation/treatment agencies;

(d) Written reports from family members or the general public;

(e) An official report which indicates the person has driven outside the hardship or probationary permit restrictions;

(f) An official report which indicates the person has been driving after using intoxicants;

(g) Receipt of a copy of a report from a police officer that indicates the person has refused the chemical breath test, blood test or urine test following an arrest for driving under the influence of intoxicants;

(h) An official report from a police officer;

(i) A court conviction; and

(j) A written, signed statement from an approved IID provider.

**Subject:** ORS 809.605 requires DMV to adopt rules specifying which traffic offenses count for the purpose of determining that a person is a habitual offender under ORS 809.600(2). By administrative rule, those offenses are used to determine who qualifies for DMV's Driver Improvement programs, and whether a person has violated the terms of a hardship or probationary permit or has committed a serious traffic violation while operating a commercial motor vehicle. OAR 735-064-0220 specifies those traffic offense convictions DMV will use for the above described purposes.

OAR 735-072-0035 is used only in the Driver Improvement Programs and contains a list of traffic offenses where it takes five offenses listed to equal one driver improvement violation.

During the 2009 legislative session, several bills were enacted creating new traffic offenses or amending current traffic offense statutes,

# ADMINISTRATIVE RULES

requiring changes in OAR 735-064-0220 and 735-072-0035 to implement these laws.

DMV further amended these two rules by listing convictions that involve all-terrain vehicles, motor assisted scooters, snowmobiles, equipment violations and local ordinances in OAR 735-072-0035. These convictions will no longer be used for determining a habitual offender revocation, hardship and probationary permit violations, or to describe a motor vehicle traffic control violation. Instead, these convictions will be listed in OAR 735-072-0035 to determine when a person has attained a driver improvement violation under both the Adult and Provisional Driver Improvement Programs. DMV removed any conviction that carries its own suspension or revocation of driving privileges sanction, e.g. failure to install or use an ignition interlock device. Other changes include moving repealed statutory references and obsolete ACD codes into new sections and listing offenses in alphabetical order.

### Traffic Offenses Used in Habitual Offender, Driver Improvement, CMV Serious Violations and Hardship/Probationary Driver Permit Programs

- (1) A conviction for an offense listed in this rule counts toward:
  - (a) The Habitual Offender Program pursuant to ORS 809.600(2);
  - (b) The Provisional and Adult Driver Improvement Programs outlined in Oregon Administrative Rule chapter 735, division 72;
  - (c) Motor vehicle traffic control violations connected to a fatal accident as defined in ORS 801.477(1)(k) and OAR 735-070-0037 that can lead to a suspension of commercial motor vehicle driving privileges.
  - (d) Revocation of a probationary driver permit pursuant to ORS 807.270(7); and
  - (e) Revocation of a hardship permit pursuant to OAR 735-064-0100 and 735-064-0110.

(2) This section lists the offenses and the statutory citations for Oregon offenses used in the programs identified in section (1) of this rule: [Table not included. See ED. NOTE.]

(3) The following offenses have been repealed under Oregon law but still count as a conviction for an offense as set forth in section (1) of this rule if the person was convicted of the listed offense or it is an equivalent offense as described in section (4) of this rule: [Table not included. See ED. NOTE.]

(4) Offenses from other states may be posted to driver records using an AAMVANet Code Dictionary (ACD) code. This section identifies the code that appears on the driver record, a description of the offense and the ORS reference covering an equivalent offense(s) for Oregon: [Table not included. See ED. NOTE.]

(5) The following ACD codes are obsolete, but convictions reported under these codes may still count as a conviction for an offense as set forth in section (1) of this rule if DMV received notice from another state of a conviction using the following codes: [Table not included. See ED. NOTE.]

**Notice Publication Date:** 10-1-2009

**Rules Amended:** 735-080-0020, 735-080-0040, 735-080-0060

**Subject:** ORS 811.604 as amended by Chapter 238, Oregon Laws 2009 (SB 937) requires that an application for renewal of a disabled person parking permit contain a certificate signed by a licensed health care provider that the person qualifies for the permit. Previously a person could sign a statement that they still qualify for a disabled person parking permit to renew.

DMV amended 735-080-0040 to establish how an applicant for the renewal of a disabled person parking permit must provide the required signed certificate that qualifies the person to renew the permit. This includes a new renewal form that can be used.

DMV also amended 735-080-0020 and 735-080-0060 to list the correct form numbers for applications as DMV has developed new forms that are specific to the permit, decal or placard for which the person is applying. Other changes were made for clarity.

## 735-080-0020

### Issuance of Disabled Person Parking Permits

(1) The Driver and Motor Vehicle Services Division of the Oregon Department of Transportation (DMV) will issue an individual disabled person parking permit or decal, or both, as described in ORS 811.605 to an applicant whose completed application (DMV form 735-265 IP) includes:

- (a) The applicant's name and address;
- (b) The applicant's driver license number, disability golf cart driver permit number or identification card number; and
- (c) A certificate, as required by ORS 811.604, that the applicant is a person with a disability.

(2) DMV will issue a wheelchair user disabled person parking permit or decal, as described in ORS 811.613, to an applicant whose completed application (DMV form 735-265 WCP) includes:

- (a) The applicant's name and address;
- (b) The applicant's driver license number, disability golf cart driver permit number or identification card number;
- (c) A certificate, as described in ORS 811.604, showing that the applicant is a person with a disability and the person has a condition that requires the use of a wheelchair or similar low-powered motorized or mechanically propelled vehicle designed specifically for use by a person with a physical disability; and
- (d) The applicant certifies that he or she uses a wheelchair or similar vehicle and requires a van accessible parking space.

(3) DMV will issue a temporary disabled person parking permit, valid for a maximum of six months, to a person whose completed application (DMV form 735-265 6T) includes:

- (a) The applicant's name and address;
- (b) The applicant's driver license number, disability golf cart driver permit number, identification card number, or customer number, if one has been assigned by DMV; and
- (c) A certificate, as required by ORS 811.604, except that it certifies that the applicant is temporarily disabled for less than four years. If the certificate specifies an ending date of the disability that is less than six months, that date will be used as the expiration date of the permit.

(4) DMV will issue a foreign visitor permit to a person who meets the requirements of ORS 811.611.

(5) DMV will issue a program disabled person parking permit, as described under ORS 811.607, to a program that regularly operates at least one vehicle for the transportation of persons with disabilities, including, but not limited to a nonprofit organization, an agency, a residential care facility, an assisted living facility, a medical or persons with disabilities transportation service, or an adult foster care home. The program's completed application (DMV form 735-265 PP) must include:

- (a) The program's name and address;
- (b) The name of the program's contact person;
- (c) A certification that the program is an organization, agency or business that regularly transports persons with disabilities; and
- (d) The number of vehicles in the program that regularly transports persons with disabilities.

(6) DMV will issue a family disabled person parking permit to a family that has more than one person with disabilities residing in the same house-

### Replacement and Renewal of Disabled Person Parking Permits

(1) DMV may replace a disabled person parking permit, including an individual permit, a wheelchair user permit, a temporary permit, a temporary duplicate permit and a permit with a parking identification card as described in OAR 735-080-0060. To replace a permit or decal, the holder may apply for replacement in person at a DMV field office or by mail to the DMV Driver Issuance Unit — Parking Permits Clerk at 1905 Lana Ave NE, Salem, OR, 97314. All replacements for program and family permits are required to apply by mail to the DMV Driver Issuance Unit — Parking Permits Clerk at 1905 Lana Ave NE, Salem, OR, 97314. The holder must submit an Application for a Person with a Disability Parking Permit on the applicable DMV form 735-265 as described in OAR 735-080-0020 or 735-080-0060, that includes:

- (a) The name, address and Oregon driver license or permit number (ODL), identification card number (ID) or customer number;
  - (b) A certification that the original disabled person parking permit is lost or destroyed; and
  - (c) A certification that the applicant continues to qualify for the permit.
- (2) If a required certificate as described in ORS 811.604 or 811.609 is not on file with DMV, DMV will not replace a lost or stolen disabled person parking permit. The person must apply for an original disabled person permit as set forth in OAR 735-080-0020.

(3) A disabled person parking permit becomes invalid when the individual, wheelchair user, program or family no longer meets the qualifying conditions and must be immediately returned to DMV. A disabled person parking permit may not be transferred to any other person.

(4) An individual or wheelchair user permit or decal expires on the expiration date of the person's driver license, disability golf cart permit, identification card or parking identification card. The permit or decal must be renewed within one year from the date of expiration of the permit. To renew a permit or decal the holder must appear in person at a DMV field office if also renewing a driver license, disability golf cart permit or identification card or may renew by mail by submitting:

- (a) The Parking Placard and Driver license or ID card Renewal Reminder (DMV form 735-7353) that includes a Certificate of Disability completed by the holder's physician; or
- (b) An Application for a Person with a Disability Parking Permit, on the applicable DMV form 735-265 as described in OAR 735-080-0020, that includes a Certificate of Disability completed by the holder's physician, certified nurse practitioner or physician assistant.
- (5) To renew a disabled person parking permit with a parking identification card as described in OAR 735-080-0060 the holder must submit by mail, to the DMV Driver Issuance Unit — Parking Permits Clerk at 1905 Lana Ave NE, Salem, OR, 97314, a completed Non-Photo Parking ID Card and Disabled Person's Parking Permit Application (DMV form 735-265 NPP) that includes a Certificate of Disability completed by the holder's physician, certified nurse practitioner or physician assistant.

(6) A program permit expires eight years from the date of issuance. DMV will renew and issue new permit(s) if the program continues to qualify and completes DMV form 735-265B. The form must be mailed to DMV, Driver Issuance Unit, 1905 Lana Avenue NE, Salem, Oregon 97314. The permit must be renewed within one year from the date of expiration of the permit.

(7) A family permit expires eight years from the date of issuance. DMV will renew and issue new permit(s) if a family continues to qualify and completes DMV form 735-265B. The form must be mailed to DMV, Driver Issuance Unit, 1905 Lana Avenue NE, Salem, Oregon 97314. The permit must be renewed within one year from the date of expiration of the permit.

(8) A temporary disabled person parking permit expires six months from the date of issuance. The permit may not be renewed but the person may re-apply for a temporary disabled person parking permit by complying with OAR 735-080-0020(3) if the person's temporary disability continues beyond a six-month period.

(9) A Temporary duplicate permit expires 30 days after issuance. A person may not renew a temporary duplicate permit.

### Parking Identification Card

(1) An applicant for an individual disabled parking permit who does not have a driver license, driver permit, or identification card and is unable to go to a DMV office to be photographed, must obtain a parking identification card. The applicant must submit the following to DMV:

(a) An application (DMV form 735-265 NPP) for a parking identification card that includes the applicant's name, residence address, date of birth, height, weight, and signature, and a certificate, as required by ORS 811.604, that the applicant is a person with a disability. It must also include a statement from a licensed physician that because of the applicant's medical or physical condition, it is impractical or harmful for the applicant to appear at a DMV office to be photographed; and

(b) The fee for issuance of a parking identification card under ORS 807.410(1).

(2) The applicant must mail the application, fee and statement from a physician to DMV, Driver Issuance Unit, 1905 Lana Avenue NE, Salem, Oregon 97314.

(3) A parking identification card issued under this rule expires on the applicant's birthday, in the eighth calendar year after the year of issuance or on the date it is no longer medically impractical or harmful to the applicant to appear at a DMV office to be photographed for an identification card, whichever is earlier.

**Certified to be Effective:** 1-1-10

**Notice Publication Date:** 10-1-2009

**Rules Adopted:** 735-090-0125

**Rules Amended:** 735-090-0120

**Subject:** ORS 813.440 as amended by Section 1, Chapter 520, Oregon Laws 2009 (HB 2968) allows a hearing to determine the validity of a suspension ordered under implied consent laws to be scheduled outside of the time requirements of ORS 813.410 due to the inability of the person's attorney to appear because of the attorney's illness, vacation or scheduling conflict arising from other court or administrative hearing appearances. However this section does include a provision that the hearing must be rescheduled no later than 45 days after the date of the original hearing. As there are other reasons a hearing may be re-scheduled, before or after a hearing is actually held, a definition of original hearing is needed. DMV adopted 735-090-0125 to clarify what is considered the original hearing date for purposes of determining whether a hearing can be re-scheduled due to an attorney's illness, vacation or scheduling conflict.

DMV also amended 735-090-0120 that describes what the process is for rescheduling a hearing to determine the validity of a suspension under ORS 813.410 when a police officer is unable to appear at the hearing. The Office of Administrative Hearings (OAH) reschedules a hearing for an officer's illness, vacation or official duty conflict. The changes to OAR 735-090-0120 clarify what happens whenever a police officer is unable to attend a hearing due to the officer's illness, vacation or official duty conflict.

### Police Officer Unable to Appear at Hearing

(1) If a subpoenaed police officer is unable to appear at a hearing under ORS 813.410 due to an officer's illness, vacation or official duty conflicts, a hearing will be re-scheduled as soon as practicable.

(2) DMV will rescind the suspension of the petitioner's driving privileges pending the outcome of the hearing conducted pursuant to ORS 813.440(1)(d).

(3) The DMV or OAH may receive notification of an officer's illness, vacation or official duty conflict before or after a scheduled hearing. Post hearing notification must be received by the DMV or OAH no later than 10 days after the hearing. Verification must be to the satisfaction of the DMV.

# ADMINISTRATIVE RULES

(4) An official duty conflict exists if the subpoenaed police officer is unable to attend the hearing due to any of the following conditions:

- (a) Community caretaking pursuant to ORS 133.033;
- (b) Court;
- (c) Hazardous or impeding travel conditions;
- (d) Participating in employer approved training;
- (e) Physical incapacity; or
- (f) Service in the U.S. Armed Forces, military reserves, National Guard or the organized militia.

(5) Nothing in this rule prevents the taking of evidence at the time of the originally scheduled hearing and continuing the hearing for the testimony of the unavailable police witness(es).

It also amends ORS 822.060 to require DMV to adopt rules specifying which persons and which vehicle dealers may take and sell vehicles on consignment from other jurisdictions and to regulate the taking and selling of consigned vehicles.

DMV has adopted OAR 735-150-0042 and 735-150-0047 to: (1) specify who may take and sell vehicles from other jurisdictions; and (2) establish procedures and requirements for out-of-state licensed vehicle dealers and their authorized representatives to participate in a dealer-only auction.

The amendments of OAR 735-150-0010, 735-150-0020 and 735-150-0110 update terms, citations and definitions consistent with the legislative amendments.

## 735-150-0010

### Definitions

As used in this division and ORS Chapter 822:

(1) "Additional (or supplemental) place of business" or "additional (or supplemental) location" means a location, other than one exempted under OAR 735-150-0020, that is more than 500 feet from any other business location of the dealer that is operated under the same name as the main business location.

(2) "Advertise" means to offer a vehicle for sale or to communicate to the public that a person is acting as a vehicle dealer, by any oral, written, or graphic means including, but not limited to, handbills, the Internet, newspapers, signs, television, billboards, radio, and telephone directories.

(3) "Agent" means any dealer possessing a current valid vehicle dealer certificate issued under ORS 822.020, who accepts applications and fees for the titling and registration of vehicles sold by the dealer and who performs such other duties related to the titling and registration of vehicles as DMV authorizes under the rules set forth in division 150.

(4) "Authorized Representative" for the purposes of ORS 822.015 means an individual who is authorized by a certified dealer or licensed dealer to buy and sell vehicles on behalf of that dealer while participating in a vehicle auction as described under OAR 735-150-0047.

(5) "Broker" has the same meaning as "motor vehicle broker" as defined in ORS 822.047(1).

(6) "Brokerage services" has the same meaning as defined in ORS 822.047(1).

(7) "Business day" means Monday through Saturday and does not include Sundays or State of Oregon and Federal legal holidays.

(8) "Buyer," "purchaser" and "lessee" have the same meaning as "owner" as defined in ORS 801.375.

(9) "Cancellation" has the same meaning as "revocation" as defined in section (29) of this rule.

(10) "Certified dealer" means a vehicle dealer who holds a vehicle dealer certificate issued or renewed under ORS Chapter 822.020 or 822.040.

(11) "Circumstances beyond the dealer's control," as used in ORS 822.045(3)(b) and OAR 735-150-0050(5) means:

(a) That the dealer could not get the title from any state and the prior security interest holder was paid in full by the dealer; and

(b) The delay was a result of the security interest holder failing to release title; or

(c) DMV may consider the follow mitigating circumstances if those circumstances result in the physical destruction of, or inaccessibility to, vehicle records necessary to prove compliance with ORS 822.045(1) and OAR 735-150-0050(5):

(A) The direct result of clearly-established fraud or other criminal activity against the vehicle dealer, as determined in a criminal or civil action in a court of law or independently corroborated by a report of a law enforcement agency or insurer or the sworn testimony or affidavit of an accountant or the person who actually engaged in the criminal activity. This mitigating circumstance does not apply if the dealer is the perpetrator of the wrongdoing described in this paragraph; or

(B) The direct result of fire, flood or other calamitous event, resulting in physical destruction of, or inaccessibility to vehicle records to prove compliance with ORS 822.045(1) and OAR 735-150-0050(5).

(12) "Closure" means a vehicle dealership that no longer has legal authority to conduct dealer-related activity. For example, a dealer's certificate issued under ORS 822.020 is expired, cancelled, suspended or revoked.

(13) "Clearly marked" means the notice and dealer contact information required under ORS 822.040(4)(b) and OAR 735-150-0033 is conspicuously posted on the window of each display vehicle, is in plain view of the public and is legible at a distance of six feet or more.

(14) "Date of sale," or use of similar terms to indicate the day that the sale occurred, means the date that the purchaser takes possession of the vehicle. This does not apply to vehicles purchased by a dealer at wholesale auction. With respect to auto auctions and for purposes of consignor payment under ORS 822.060(1)(d), "date of sale" means the date upon which the consigning party delivers the necessary title documents to the purchasing dealer.

(15) "Dealer" means a person who engages in any of the activities described in ORS 822.005, except those persons exempted by ORS 822.015.

(16) "Dealership," "place of business" or "business location" means a location within the State of Oregon where activities specified in ORS 822.005 take place.

(17) "Designated dealer" means a certified dealer who has been authorized to act as an agent of DMV under OAR 735-150-0040.

(18) "DMV" means the Driver and Motor Vehicle Services Division of the Oregon Department of Transportation.

(19) "DMV Administrator" means the administrator of the Driver and Motor Vehicles Services Division of the Oregon Department of Transportation.

(20) "Employee" means a person over whom a dealer exercises the type of control typically associated with an employer, including but not limited to:

(a) Determining the frequency, method and amount of compensation;

(b) Determining whether the person's work is continuous or intermittent;

(c) Determining the hours or frequency of a person's work; or

(d) Retaining the ability to terminate the relationship.

(21) "Good faith effort" as used in ORS 822.045(3) means action satisfactory to DMV that a vehicle dealer complied with the requirements set forth in OAR 735-150-0050(1) and (2).

(a) DMV will determine that the dealer's efforts are in good faith if written documentation is provided that verifies:

(A) Action(s) was taken by the dealer within ten (10) days of sale to resolve problems with providing transfer of ownership; and

(B) The dealer provided complete and timely information to the customer concerning any problems encountered and actions being taken to resolve them.

(b) DMV will not accept a good faith effort by a dealer if, before the sale of the vehicle, the dealer knows or reasonably should know that title transfer could not be completed within 30 days.

(22) "Licensed dealer" as used in ORS 822.015, 822.045 and division 150 means a person who is currently licensed as a vehicle dealer in another jurisdiction.

(24) "Location," "main business location" or "main dealership" means a location identified and listed as the dealer's main business location on the most current application for vehicle dealer certificate.

# ADMINISTRATIVE RULES

(25) "Normal business hours" means all times during which a dealer engages in any of the activities described in ORS 822.005, except as exempted by ORS 822.015.

(26) "Person" means an individual, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, public corporation or any other legal or commercial entity.

(27) "Permanent revocation" means to permanently revoke a vehicle dealer certificate and the right to apply for a vehicle dealer certificate.

(28) "Probation" means a period of time specified by DMV during which a vehicle dealer may continue to operate, but only under the terms or conditions established by DMV.

(29) "Principal" means an owner, partner, corporate officer or other person who controls or manages the business organization or employees or agents of the business organization.

(30) "Purchaser" has the same meaning as buyer or lessee.

(31) "Rebuilder" means a person engaged in conducting a "vehicle rebuilding business" as specified in ORS 822.070.

(32) "Revocation" means to void and terminate a vehicle dealer certificate. Unless permanently revoked, DMV will specify the period of time before the person subject to the revocation may apply for a new vehicle dealer certificate.

(33) "Sanction" means an action taken against a vehicle dealer by DMV in cases of non-compliance, fraud, misuse or abuse of privileges granted by a vehicle dealer certificate pursuant to a violation of the Oregon Vehicle Code or any rule adopted by DMV relating to vehicle dealers or the operation of a vehicle dealership.

(34) "Suspension" means a period of time specified by DMV during which a vehicle dealer is prohibited from:

(a) Buying, selling, trading, exchanging any vehicle or providing brokerage services. This includes, but is not limited to, providing information about price, quality, availability, payment terms, or any other information specific to the sale of a vehicle; and

(b) Acting as DMV's agent.

(35) "Violation" means any violation by a person or vehicle dealer of the Oregon Vehicle Code or any rules adopted by DMV in accordance with ORS 822.009(1) & (2).

(36) "Warning" means a documented oral warning to the principal of a dealership or a written correction notice issued to the principal, or an employee of the dealership.

### Exemptions From Vehicle Dealer Certification Requirement

(1) A person who rents or leases space to a vehicle dealer who holds a current valid certificate is not a dealer as defined in OAR 735-150-0010(15).

(2) The following apply where there is a formal display of vehicles, such as an auto show, by a group of dealers for a period of ten (10) days or less:

(a) Except as otherwise provided in this section and ORS 822.015(1)(h)(B), a dealer participating in a display must either be a certified vehicle dealer or a manufacturer of vehicles not engaged in sales to the public;

(b) A person who only rents or leases space to a participating dealer does not need a vehicle dealer certificate;

(c) A certified vehicle dealer does not need a supplemental certificate; and

(d) This section does not apply to RV shows held in accordance with OAR 735-150-0045.

(3) The exemption in ORS 822.015(1)(b) will be narrowly construed to exempt from dealer regulatory requirements only those persons who engage in buying, selling or exchanging vehicles as a mere incident to their personal ownership and use of those vehicles. This includes a business or corporate entity that holds such vehicles primarily for its own transportation needs, but not primarily for sale or exchange. No person may apply for certificates of title for the purpose of avoiding dealer regulatory requirements while dealing in vehicles.

(4) A person is not a rebuilder if that person:

(a) Is an employee of a certified vehicle dealer; or

(b) Is engaged solely in the repair of damaged vehicles at the request of the registered owner(s) of the vehicle(s).

(5) An employee of a dealer as defined in OAR 735-150-0010(15) is not required to have a separate dealer certificate in order to buy or sell vehicles on behalf of his or her employer.

(6) A certified vehicle dealer does not need a supplemental certificate for the location of an auction conducted by the dealer. This exemption applies when all the following conditions exist:

(a) Vehicles sold at the auction are consigned to the dealer;

(b) Vehicles are sold on the basis of the highest bid or most favorable offer;

(c) The auction does not exceed three (3) consecutive days; and

(d) The dealer does not own the property where the auction is conducted. If the dealer rents or leases the property where the auction is conducted, the rent/lease period must not exceed three (3) consecutive days.

### Rules Concerning Dealer-Only Auctions

(1) For purposes of ORS 822.015(h)(B), as amended by section 3, chapter 551, Oregon Laws 2009, and this rule, the following definitions apply:

(a) "Authorized Representative" means an individual who is authorized by a certified dealer or licensed dealer to buy and sell vehicles on behalf of that dealer while participating in a vehicle auction as described in this rule.

(b) "Certified dealer" has the same meaning as defined in OAR 735-150-0010(10).

(c) "Licensed dealer" for the purposes of this rule and as defined under OAR 735-150-0010(22) means a person who is currently licensed as vehicle dealer in another jurisdiction.

(d) "Vehicle auction" means a vehicle auction conducted by a certified dealer as authorized under ORS 822.015, in which only certified dealers, licensed dealers or their authorized representatives are permitted to participate.

(2) An authorized representative who wishes to participate in a vehicle auction must present proof to the certified dealer conducting the auction before the representative may participate in the auction. Proof that an individual is an "authorized representative" as defined under section (1) of this rule, includes but is not limited to any of the following:

(a) Written authorization issued from a certified dealer or licensed dealer that names the individual as an authorized representative and a copy of the authorizing dealer's certificate or license, whichever is applicable. The copy must include the following:

(A) The dealer's certificate or the dealer's license, whichever is applicable;

(B) The business name under which the dealer is registered to do business and the street address and telephone number of the business;

(C) The business type of the dealer or dealership, for example, a sole proprietorship, partnership, limited liability company, corporation, etc.); and

(D) The name, address and phone number of an individual authorized by the dealer as the contact person for the dealer on any matter related to a dealer's certificate or license.

(b) A current valid picture identification card issued by a certified dealer, licensed dealer, or a dealer registration identification business that maintains a database of vehicle dealers or authorized representative.

(c) Any other form of authorization, documentation or identification, sufficient to a vehicle auction or DMV that the individual is an authorized representative. Information provided under this subsection is subject to verification by the auction or DMV by telephone, fax, or other electronic means.

(3) In addition to the proof described under section (2) of this rule, upon request of a vehicle auction or DMV, an authorized representative must provide proof of personal identification. Proof of personal identification under this section includes, but is not limited to the following photo identification:

(a) A current valid driver license or identification card issued by Oregon or another jurisdiction;

(b) A current valid vehicle salesperson license or authorized representative license, if required in the jurisdiction;

(c) A current valid passport; or

(d) Any other form of photo identification, sufficient to establish the identity of the individual to the satisfaction of a vehicle auction or DMV.

### Dealer Offenses Subject to Civil Penalty or Sanction

In addition to any other penalties provided by law, a dealer will be subject to the civil penalties or sanctions in OAR 735-150-0120 to 0140 if the dealer:

(1) Allows or assists a person who is not an employee or an authorized representative of the dealer to imply or represent an affiliation with the vehicle dealership in order to engage in any activity pursuant to ORS 822.005.

(2) Fails to submit all taxes or fees due this state or another jurisdiction in connection with the sale or transfer of a vehicle.

(3) Signs a name or allows any other person to sign a name of the owner, security interest holder, or lessor on a certificate of title, salvage title or any motor vehicle document used by DMV in the transfer of title without first obtaining a properly signed Power of Attorney. This section does not apply to a dealer who as an owner, security interest holder or lessor signs their own name on a certificate of title, salvage title or any motor vehicle document used by DMV in the transfer of title.

(4) Purchases, sells, disposes of or has in the dealer's possession, any vehicle that the dealer knows or with reasonable diligence should have known has been stolen or appropriated without the consent of the owner.

(5) Fails to comply with state or federal laws, rules or regulations pertaining to the construction or safety of motor homes, trailers or campers.

(6) Buys, sells, receives, disposes of, conceals or has in the dealer's possession any vehicle or component from which an identification number has been removed, defaced, covered, altered or destroyed for the purpose of concealing or misrepresenting the identity of the vehicle.

(7) Violates any provision of state or federal law, rule or regulation concerning odometer tampering, repair, readings or notices.

(8) Prints or produces or causes to be printed or produced any certificate of title or certificate of registration without authority, or holds or uses any such certificate or assignment knowing that it has been printed or purchased without authority.

(9) Commits any offense specified in ORS 822.045.

(10) Acts as a vehicle dealer anytime between the day DMV receives notice of cancellation of bond or insurance and the day the vehicle dealer presents proof to DMV of another bond or certificate of insurance.

(11) Issues a temporary registration permit to a person not domiciled in Oregon or who is otherwise not subject to or eligible for Oregon registration.

(12) Fails to notify DMV on a form or in a format approved by DMV within seven (7) calendar days of receipt of a vehicle in inventory, that a vehicle has been transferred to the dealer.

(13) Fails to immediately remove registration plates from vehicles registered in other jurisdictions that are in the dealer's inventory. The dealer may retain the plates until the vehicle is sold.

(14) Fails to destroy registration plates removed from vehicles registered in other jurisdictions at the time of sale if the vehicle is to be titled in Oregon or in a jurisdiction other than that in which the vehicle was previously registered. If the vehicle will be re-registered in the former jurisdiction, the plates may be placed back on the vehicle following the sale.

(15) Completes or allows an employee to complete a DMV Vehicle Identification Number (VIN) Inspection form without physically inspecting the vehicle for its vehicle identification number.

(16) Sells a vehicle of a type not authorized by the dealer's certificate.

(17) Fails to comply with any provision of ORS 822.060 through 822.065 concerning consignment sales.

(18) Fails to comply with any provision of ORS 822.040(4) or OAR 735-150-0033 concerning the display of a vehicle at a location other than the dealer's place of business for the purpose of advertising.

(19) Provides brokerage services and fails:

(a) To provide the written disclosure described in ORS 822.047(2);

(b) To provide the written statement described in ORS 822.047(3); or

(c) To comply with the requirements for broker fees described in ORS 822.047(4).

(20) Makes a false statement of material fact in:

(a) An application for a dealer certificate or attachments thereof;

(b) Any investigation by DMV or law enforcement; or

(c) Any DMV document.

(21) Commits a felony by violating ORS 822.605.

(22) Fails to maintain records described in OAR 735-150-0050(5) or fails to make those records available to DMV, law enforcement personnel or investigators of the Oregon Department of Justice upon their request.

(23) Fails to comply with the requirements of the Oregon Vehicle Code with reference to notices or reports of the transfer of vehicles or campers.

(24) Allows or permits the unlawful use of any certificate or registration plate.

(25) Falsely certifies under ORS 822.033 that the dealer is exempt from filing a certificate of insurance as required by ORS 822.020 or 822.040.

## Department of Transportation, Motor Carrier Transportation Division Chapter 740

**Rule Caption:** Acceptable payment methods from motor carriers.

**Adm. Order No.:** MCTD 3-2009

**Filed with Sec. of State:** 12-22-2009

**Certified to be Effective:** 12-22-09

**Notice Publication Date:** 11-1-2009

**Rules Amended:** 740-055-0020

**Subject:** OAR 740-055-0020 describes payment options for motor carriers. The rule needs to be updated to reflect current practice and to address a recent situation when an agent for a motor carrier remitted payment on behalf of the motor carrier with a non-sufficient fund (NSF) check. The current rule does not contemplate such action and is being amended to place responsibility on the motor carrier when an agent provides a NSF check. Other changes clarify that the Department will accept payment from an agent, and a motor carrier that is not registered with ODOT may pay fees and taxes by credit card.

#### Payment of Fees

(1) Carriers registered with the Oregon Department of Transportation, or their agents as established either through an approved Power of Attorney or prior remittance of taxes or fees on behalf of the carrier, shall pay taxes and fees by either:

(a) Cash;

(b) Bank Draft;

(c) Guaranteed Draft;

(d) Credit card, under the conditions described in ORS 825.502;

(e) Cashier's Check;

(f) Travelers Check;

(g) Company check when drawn in the name of record of the account to which it is to be applied;

(h) Personal or business check from an agent described in subsection (1);

(i) Personal check when drawn in the name of a company employee;

(j) Personal check from a corporate officer; or

(k) Personal check when drawn in the name of a lessor driver when accompanied by a copy of the lease.

(2) Carriers not registered with the Oregon Department of Transportation shall pay fees and taxes due by either:

(a) Cash;

(b) Bank Draft;

(c) Guaranteed Draft;

(d) Credit card, under the conditions described in ORS 825.502;

(e) Cashier's Check; or

(f) Travelers Check.

(3) All payments to the Oregon Department of Transportation for taxes and fees shall be in United States funds.

(4) In the event any check drawn payable to the Department for payment of taxes or fees is not honored, the motor carrier account for which the check was drawn will be assessed the maximum service charge authorized by ORS 30.701(5) for each such check and the motor carrier account for which the check was drawn may thereafter be required to remit taxes or fees by money order, bank draft, certified check, or cash.

# ADMINISTRATIVE RULES

**Subject:** The International Fuel Tax Agreement (IFTA) and associated material are applicable to Oregon-based motor carriers who participate in IFTA as a way to report and pay fuel tax to other jurisdictions. The revision to 740-200-0040 adopts the most recent version of IFTA and associated material as the procedures and guidelines for Oregon-based IFTA participants to ensure Oregon remains current with national and international IFTA standards.

The changes to 740-200-0045, which talks about standard industry miles per gallon (MPG) averages and how they may be used to determine fuel tax liability when a licensee fails to maintain or provide adequate records, provide a progressive assessment approach an auditor may use.

**Rules Coordinator:** Lauri Kunze—(503) 986-3171

## 740-200-0040

### Adoption of International Fuel Tax Agreement

(1) The provisions contained in the International Fuel Tax Agreement (IFTA) Articles of Agreement, the IFTA Audit Manual and the IFTA Procedures Manual, and all amendments thereto in effect January 1, 2010, are hereby adopted and prescribed by the Oregon Department of Transportation (ODOT) and apply to Oregon-based motor carriers who participate in IFTA.

(2) In addition to the requirements described in section (1) of this rule, the following requirements apply to Oregon-based motor carriers who participate in IFTA:

(a) Records required to be maintained for distance data must denote intermediate trip stops;

(b) Records of monthly over the road and bulk fuel reconciliations must be maintained;

(c) The Department shall assess a penalty of \$50 or 10 percent of the amount of delinquent taxes due, whichever is greater, for failing to file a return, filing a late return, or underpaying taxes due on a return;

(d) Upon proposing an additional assessment as the result of an audit, the Department shall assess a penalty of 10 percent of the amount of delinquent taxes due;

(e) Any person against whom a proposed assessment is made by the Department may petition the Department for reassessment within 30 days after service upon the person of the assessment notice. If a petition for reassessment is not filed within the 30-day period, the assessment becomes final. If a petition for reassessment is timely filed, the Department will reconsider the assessment. The decision of the Department upon a petition for reassessment will become final 30 days after notice of the decision is served upon the petitioner. A petitioner may submit a request for hearing in the petition for reassessment; and

(f) If a request for hearing is timely received, a hearing will be scheduled and conducted in accordance with the provisions of ORS Chapter 183. The petitioner will be provided a minimum of 10 days notice of the time and place of the hearing. The Department may assess a penalty of \$150 for failure to appear at a scheduled hearing.

### Industry Standard Average MPG

The International Fuel Tax Agreement (IFTA) Audit Manual adopted under OAR 740-200-0040 describes that industry averages may be used to determine fuel tax liability when a licensee fails to maintain or provide records adequate to support reported fuel tax.

(1) The Motor Carrier Transportation Division will periodically analyze industry fleet data to determine Oregon industry standard average miles per gallon (MPG) segregated by four vehicle weight groups:

(a) 26,001–33,000 pounds;

(b) 33,001–60,000 pounds;

(c) 60,001–80,000 pounds; and

(d) Over 80,000 pounds.

(2) Failure to maintain or provide records required by IFTA adequate to support reported fuel tax and described in OAR 740-200-0040(2) may result in assessment of fuel taxes based on:

(a) Prior experience of the licensee;

(b) Licensees with similar operations;

(c) Industry averages;

(d) Records available from fuel distributors; or

(e) Other pertinent information the auditor may obtain or examine.

(3) Absent substantial evidence to the contrary by reviewing the compliance record of the licensee, in the absence of adequate records, a standard of 4 MPG may be used.

**Rule Caption:** Establishes Procedures for Criminal Records Checks for Applicants, Employees, Volunteers, and Contractors.

**Adm. Order No.:** DVA 1-2009

**Filed with Sec. of State:** 12-22-2009

**Certified to be Effective:** 1-1-10

**Notice Publication Date:** 12-1-2009

**Rules Adopted:** 274-006-0001, 274-006-0002, 274-006-0004, 274-006-0005, 274-006-0010, 274-006-0011, 274-006-0012, 274-006-0013, 274-006-0014, 274-006-0015, 274-006-0018, 274-006-0020

**Subject:** These rules establish procedures for the Oregon department of Veterans' Affairs to perform criminal background checks and use the information obtained to evaluate the fitness of job applicants, employees, volunteers, vendor, and contractors, (collectively, "applicants") of the Department, Criminal records checks under this rule include name-based checks through the Law Enforcement Data System (LEDS) and fingerprint-based checks for certain positions and classifications. The rules require applicants to provide information to facilitate criminal records checks and establish procedures to keep criminal history information confidential. The rules specify the crimes that the Department will consider when making determinations about the fitness of applicants to hold a position within, or provide service to the Department and establish procedural rules for challenges to the Department's fitness determinations. The rules permit the Department to require applicants to pay the actual cost of the criminal records checks.

## 274-006-0001

### Purpose

These rules provide for the Department of Veterans' Affairs (Department) acquisition of information about a subject individual's criminal history through criminal records checks and its use of that information to determine whether the individual is fit to provide services to the Department as an employee, volunteer, contractor or vendor. The fact that the Department determines that an individual is fit does not guarantee the individual a position as a Department employee, volunteer, contractor or vendor or that the individual will be hired by the Department.

### Definitions

(1) "**Criminal Offender Information**" means records and related data concerning physical description and vital statistics, fingerprints received and compiled by the Oregon Department of State Police to identify criminal offenders and alleged offenders, records of arrests and the nature and disposition of criminal charges, including sentencing, confinement, parole and release records.

(2) "**Criminal Records Check**" means one or more of the following three processes undertaken by the Department to check the criminal history of a subject individual:

(a) A name-based check of criminal offender information conducted through the Law Enforcement Data System (LEDS) maintained by the Oregon Department of State Police, in accordance with the rules adopted and procedures established by the Oregon Department of State Police;

(b) A check of Oregon criminal offender information, through fingerprint identification and other means, conducted by the Oregon Department of State Police at the Department's request (Oregon Criminal Records Check); or

(c) A nationwide check of federal criminal offender information, through fingerprint identification and other means, conducted by the Oregon Department of State Police through the Federal Bureau of Investigation or otherwise at the Department's request (Nationwide Criminal Records Check).

(3) "**Department**" means the Department of Veterans' Affairs as defined in ORS 406.005.

(4) "**Fitness Determination**" means a determination made by the Department, pursuant to the process established under OAR 274-006-0011, that a subject individual is fit or not fit to be a Department employee, volunteer, contractor or vendor in a position covered by OAR 274-006-0004(2).

(5) "**Subject Individual**" means an individual identified in OAR 274-006-0004 as someone from whom the Department may require a criminal records check.

### Subject Individual

The Department may require a subject individual to complete a criminal records check pursuant to these rules because the person:

(1)(a) Is applying for employment with the Department of Veterans' Affairs in a position described in subsection (2) of this rule or is employed by the Department but is being transferred, promoted or demoted to a position described in subsection (2) of this rule; or

(b) Provides goods or services or seeks to provide goods or services to or on behalf of the Department as a contractor, subcontractor, vendor or volunteer, or as an employee, member or agent of a contractor, subcontractor, vendor or volunteer; and

(2) Is or will be working or providing services in a position in which the subject individual has:

(a) Control over, or access to, information technology systems would allow the person to harm the information technology systems or the information contained in the systems;

(b) Access to information that state or federal laws, rules or regulations prohibit disclosing or define as confidential;

(c) Responsibility for payroll, billing, collections or other financial transactions or for purchasing or selling property;

(d) Access to money, negotiable instruments or financial information of the Department;

(e) Mailroom duties;

(f) Responsibility for auditing the Department or other business entities doing business with the Department;

(g) Personnel or human resources functions or access to personnel information;

(h) Access to Social Security numbers, dates of birth or criminal background information of other persons;

(i) Access to tax or financial information of the Department or persons employed by the Department; or

(j) Access to tax or financial information collected by the Department about individuals or business entities.

### Criminal Records Check Process

(1) When a Criminal Records Check is Required. The Department may conduct, or request the Oregon State Police to conduct, a criminal records check when:

(a) An individual meets the definition of a subject individual; or

(b) Required by federal law or regulation, by state or administrative rule, or by contract or written agreement with the Department.

(2) Which Criminal Records Check is Conducted. When the Department determines under section (1) Of this rule that a criminal records check is needed, the Department may request or conduct a LEDS Criminal Records Check, an Oregon Criminal Records Check, a Nationwide Criminal Records Check, or any combination thereof.

(3) Disclosure of Information by Subject Individual.

(a) Prior to a criminal records check, an individual shall complete and sign the Department's Criminal Records Request form and, if requested by the Department, a fingerprint card within three business days of receiving the forms. The Department may extend the deadline for good cause. The Department's criminal records request form will require the following information: name, birth date, social security number, physical characteristics, driver's license or identification card number and current address, prior residency in other states, military history, and any other identifying information deemed necessary by the Department.

(b) The Department may require additional information from the subject individual as necessary to complete the criminal records check and fitness determination, such as, but not limited to, proof of identity; or additional criminal, judicial, or other background information.

(c) The Department shall not request a fingerprint card from a subject individual under the age of 18 years unless the subject individual is emancipated pursuant to ORS 419B.550 et seq, or unless the Department also requests the written consent of a parent or guardian. In such case, such parent or guardian and youth must be informed that they are not required to consent. Notwithstanding, failure to consent may be construed as a refusal to consent under OAR 274-006-0011(3).

### Hiring or Appointing on a Preliminary Basis

(1) If the Department elects to conduct a criminal records check pursuant to these rules, the Department, in its sole discretion, may hire or appoint

the subject individual on a preliminary basis pending completion of a criminal records check when:

(a) The subject individual has provided all information (including a fingerprint card, if requested) as required by the Department pursuant to OAR 274-006-0005; and

(b) The Department, in its sole discretion, determines that preliminary hiring is in the Department's best interests.

(2) A subject individual hired or appointed on a preliminary basis under this rule may participate in training, orientation, or work activities as assigned by the Department.

(3) A subject individual hired or appointed on a preliminary basis is deemed to be on trial service.

(4) Nothing in this rule shall be construed as requiring the Department to hire on a preliminary basis.

## 274-006-0011

### Final Fitness Determination

(1) If the Department elects to conduct a criminal records check, the Department shall make a fitness determination about a subject individual based on information provided by the subject individual under OAR 274-006-0005, the criminal records check(s) conducted, and any false statements made by the subject individual.

(2) In making a fitness determination about a subject individual, the Department will also consider the factors in subsections (a) through (f) below in relation to information provided by the subject individual under OAR 274-006-0005, any LEDS report or criminal offender information obtained through a criminal records check, and other information known by the Department. To assist in considering these factors, the Department may obtain any other information deemed relevant from the subject individual or any other source, including law enforcement and criminal justice agencies or courts within or outside of Oregon. To acquire other criminal offender information from the subject individual, the Department may request to meet with the subject individual, and may request to receive written materials or authorization to obtain other relevant information, from him or her. The subject individual shall meet with the Department if requested and provide additional information or authorization within a reasonable period of time, as established by the Department. The Department will use all collected information in considering:

(a) Whether the subject individual has been convicted, found guilty except for insanity (or a comparable disposition), has a pending indictment, has been arrested, or has an outstanding warrant for arrest for a crime listed in OAR 274-006-0012;

(b) The nature of any crime identified under section (2)(a) of this rule;

(c) The facts that support the conviction, finding of guilty except for insanity, or pending indictment;

(d) Any facts that indicate the subject individual made a false statement;

(e) The relevance, if any, of a crime identified under section (2)(a) of this rule or of a false statement made by the subject individual to the specific requirements of the subject individual's present or proposed position, services or employment; and

(f) Intervening circumstances, including, but not limited to the following, and only to the extent that they are relevant to the responsibilities and circumstances of the services or employment for which the fitness determination is being made:

(A) The passage of time since the commission or alleged commission of a crime identified under section (2)(a) of this rule;

(B) The age of the subject individual at the time of the commission or alleged commission of a crime identified under section (2)(a) of this rule;

(C) The likelihood of a repetition of offenses or of the commission of another crime;

(D) The subsequent commission of another crime listed in OAR 274-006-0012;

(E) Whether a conviction identified under section (2)(a) of this rule has been set aside, and the legal effect of setting aside the conviction;

(F) A recommendation of an employer;

(G) Whether the subject individual has been adjudicated in a juvenile court and found to be within the court's jurisdiction for an offense that would have constituted a crime listed in OAR 274-006-0012 if committed by an adult.

(3) Refusal to Consent. If a subject individual refuses to submit or consent to a criminal records check including fingerprint identification, the Department will deny the employment of the subject individual or deny any applicable position or authority to provide services. A person may not appeal any determination made based on a refusal to consent.

(4) If a subject individual is determined to be not fit, the subject individual may not be employed by or provide services as a volunteer, contractor or vendor to the Department in a position described in OAR 274-006-0004(2).

(5) Final Order. A completed final fitness determination is a final order of the Department unless the affected subject individual appeals the determi-

### Potentially Disqualifying Crimes

- (1) Crimes Relevant to a Fitness Determination:
  - (a) All felonies;
  - (b) All misdemeanors;
  - (c) Any United States Military crime or international crime;
- (2) Evaluation of Crimes. The Department shall evaluate a crime on the basis of the law of the jurisdiction in which the crime or offense occurred, as those laws are in effect at the time of the fitness determination.
- (3) Expunged Juvenile Record. Under no circumstances shall a subject individual be determined to be not fit under these rules on the basis of the existence or contents of a juvenile record that has been expunged pursuant to ORS 419A.260 and 419A.262.

### Incomplete Fitness Determination

(1) The Department will close a preliminary or final fitness determination as incomplete when:

- (a) Circumstances change so that a person no longer meets the definition of a "subject individual" under OAR 274-006-0004.
- (b) The subject individual does not submit materials or information within the time required under OAR 274-006-0005(3);
- (c) The Department cannot locate or contact the subject individual;
- (d) The subject individual fails or refuses to cooperate with the Department's attempts to acquire other criminal records information under OAR 274-006-0011(2); or
- (e) The Department determines that the subject individual is not eligible or not qualified for the position (of employee, contractor, vendor or volunteer) for a reason unrelated to the fitness determination process.
- (f) The position is no longer open.

(2) A subject individual does not have a right to a contested case hearing under OAR 274-006-0018(2) or a right to an alternative appeals process as provided by OAR 274-006-0018(6) to challenge the closing of a fitness determination as incomplete.

### Fees

(1) The Department may charge a fee for acquiring criminal offender information for use in making a fitness determination. In any particular instance, the fee shall not exceed the fee(s) charged the Department by the Oregon Department of State Police and the Federal Bureau of Investigation to obtain criminal offender information on the subject individual.

(2) The Department may charge the fee to the individual on whom criminal offender information is sought, or, if the individual is an employee of a Department contractor or vendor and is undergoing a fitness determination in that capacity, the Department may charge the fee to the individual's employer.

## 274-006-0018

### Appealing a Fitness Determination

(1) Purpose. Sections (2) to (5) of this rule set forth the contested case hearing process a subject individual must use to appeal a completed fitness determination made under OAR 274-006-0010 that the individual is not fit to hold a position with, or provide services to the Department as an employee, volunteer, contractor, or vendor. Section (6) of this rule identifies an alternative appeal process available only to current Department employees.

(2) Appeal process.

(a) To request a contested case hearing, the subject individual or the subject individual's legal representative must submit a written request for a contested case hearing to the address specified in the notice provided under

OAR 274-006-0014. To be timely, the request must be received by the Department at the specified address within 14 calendar days of the date stated on the notice. The Department shall address a request received after expiration of the deadline as provided under OAR 137-003-0528.

(b) When a timely request is received by the Department under subsection (a), a contested case hearing shall be conducted by an administrative law judge assigned by the Office of Administrative Hearings, pursuant to the Attorney General's Uniform and Model Rules, "Procedural Rules, Office of Administrative Hearings" OAR 137-003-0501 to 137-003-0700, as supplemented by the provisions of this rule.

(3) Discovery. The Department or the administrative law judge may protect information made confidential by ORS 181.534(15) or other applicable law as provided under OAR 137-003-0570(7) or (8).

(4) No Public Attendance. Contested case hearings on fitness determinations are closed to non-participants.

(5) Proposed and Final Order:

(a) Proposed Order. After a hearing, the administrative law judge will issue a proposed order.

(b) Exceptions. Exceptions, if any, shall be filed within 14 calendar days after service of the proposed order. The proposed order shall provide an address to which exceptions must be sent.

(c) Default. A completed final fitness determination made under OAR 274-006-0010 becomes final:

(A) Unless the subject individual makes a timely request for a hearing;

or

(B) When a party withdraws a hearing request, notifies the Department or the ALJ that the party will not appear, or fails to appear at the hearing.

(6) Alternative Process. A subject individual currently employed by the Department may choose to appeal a fitness determination either under the process made available by this rule or through the process made available by applicable personnel rules, policies and collective bargaining provisions. A subject individual's decision to appeal a fitness determination through applicable personnel rules, policies, and collective bargaining provisions is an election of remedies as to the rights of the individual with respect to the fitness determination and is a waiver of the contested case process made available by this rule.

(7) Remedy. The only remedy that may be awarded is a determination that the subject individual is fit or not fit. Under no circumstances shall the Department be required to place a subject individual in any position, nor shall the Department be required to accept services or enter into a contractual agreement with a subject individual.

(8) Challenging Criminal Offender Information. A subject individual may not use the appeals process established by this rule to challenge the accuracy or completeness of information provided by the Oregon Department of State Police, the Federal Bureau of Investigation, or agencies reporting information to the Oregon Department of State Police or the Federal Bureau of Investigation.

(a) To challenge information identified in this section of the rule, a subject individual may use any process made available by the agency that provided the information.

(b) If the subject individual successfully challenges the accuracy or completeness of information provided by the Oregon Department of State Police, the Federal Bureau of Investigation, or an agency reporting information to the Oregon Department of State Police or the Federal Bureau of Investigation, the subject individual may request that the Department conduct a new criminal records check and re-evaluate the original fitness determination made under OAR 274-006-0010 by submitting a new Department criminal records request. This provision only applies if the position for which the original criminal history check was conducted is vacant and available.

(9) Appealing a fitness determination under section (2) or section (6) of this rule, challenging criminal offender information with the Department that provided the information, or requesting a new criminal records check and re-evaluation of the original fitness determination under section (8)(b) of this rule, will not delay or postpone the Department's hiring process or employment decisions.

#### Limitations of Inquiries

(1) Only CCD employees who have been fingerprinted and cleared by the Oregon State Police shall access or have access to criminal records information pursuant to a valid agency agreement, as defined in OAR 414-061-0020(1). All such information shall be handled in compliance with the agency agreement and rules and procedures of the Oregon State Police relating to the criminal records information (OAR 257-015-0000 to 257-015-0100). It is the responsibility of CCD to assure strict compliance with federal and state laws, rules, and procedures regarding, access, dissemination, maintenance, and destruction of criminal records information.

(2) Criminal records information obtained from OSP and/or the FBI will not be used for any purpose other than that for which it was obtained nor given to unauthorized persons or agencies.

(3) Criminal records information, including fingerprint-based criminal records information, and child protective services information shall be obtained by CCD to determine whether a subject individual has been convicted of a crime or has a founded child protective services record which is related to enrollment in the Central Background Registry.

(4) If a subject individual has been convicted of a crime which is related to enrollment in the Central Background Registry, the subject individual will be notified by CCD that he or she:

# ADMINISTRATIVE RULES

(a) Has a right to inspect and challenge the accuracy of his/her Oregon criminal records by contacting the Oregon State Police;

(b) May challenge the accuracy or completeness of any entry on the subject individual's criminal records provided by the FBI by filing a challenge with the Assistant Director of the FBI Identification Division, Washington, D.C. 20537-9700; and

(c) May inspect his/her own OSP record, but not his/her FBI record, by requesting the opportunity from CCD in writing.

(b) CCD will consider the following crimes if they were committed 5 years or less prior to the date the subject individual signed the Consent for Criminal Records Check and Request for Enrollment in the Central Background Registry: Bribe Receiving; Bribe Receiving by a Witness; Bribing a Witness; Criminal Driving while Suspended or Revoked; Criminal Possession of a Forged Instrument I; Criminal Possession of Forgery Device; Failure to Appear I; Forgery I; Fraudulent use of a Credit Card (over \$750); Hindering Prosecution; Failure to Perform Duties of Driver to Injured Persons (hit and run, injury); Failure to Perform Duties of Driver When Property Damaged (hit and run, property); Obstructing Governmental or Judicial Administration; Criminal Driving while Suspended or Revoked; Official Misconduct I; Official Misconduct II; Perjury; Possessing Fraudulent Communications Device; Reckless Driving; Sports Bribe Receiving; Sports Bribery; Submitting Wrongful Claim or Payment Prohibited; Tampering with a Witness; Tampering with Public Records; Unlawful Factoring of Credit Card Transaction; Unlawfully Obtaining or Disposing of Food Stamp Benefits; Unlawfully Obtaining Public Assistance.

(c) CCD will consider the following crimes if they were committed 7 years or less prior to the date the subject individual signed the Consent for Criminal Records Check and Request for Enrollment in the Central Background Registry: Aggravated Animal Abuse I; Animal Abuse I; Animal Neglect I; Assault IV; Carrying of Concealed Weapons; Criminal Mischief I;

Driving under the Influence of Intoxicants; Fleeing or Attempting to Elude Police Officer; Harassment; Menacing; Recklessly Endangering Another Person; Telephone Harassment; Theft I; and Unlawful Possession of Firearms.

(d) CCD will consider the following crimes if they were committed 10 years or less prior to the date the subject individual signed the Consent for Criminal Records Check and Request for Enrollment in the Central Background Registry: Aggravated Theft I; Arson II; Assault on a Public Safety Officer; Burglary II; Escape II; Invasion of Personal Privacy; Pointing Firearm at Another; Providing Liquor to Person Under 21 or to Intoxicated Person; Public Indecency; and Riot.

(e) CCD will consider the following crimes if they were committed 15 years or less prior to the date the subject individual signed the Consent for Criminal Records Check and Request for Enrollment in the Central Background Registry: Crime Category Classification for Violation of ORS 475.992/Proof of Commercial Drug Offense; Frequenting a Place Where Controlled Substances are Used; Prohibited Acts for Registrants; penalties; [(C)] Prohibited Acts Generally; Penalties; Affirmative Defense for Certain Peyote Uses (controlled substance offenses); [(D)] Prohibited Acts Involving Records and Frauds; Penalties; and [(E)] Prostitution.

(f) CCD will consider the following crimes if they were committed 20 years or less prior to the date the subject individual signed the Consent for Criminal Records Check and Request for Enrollment in the Central Background Registry: Penalties for Distribution to Minors; and Penalty for Manufacture or Delivery of Controlled Substance within 1,000 feet of School.

(g) These rules also apply to:

(A) A conviction of a crime in another jurisdiction which is the substantial equivalent of a crime listed in Category II;

(B) An adjudication by a juvenile court that a youth has committed an act that is the substantial equivalent of a crime listed in Category II; and

(C) Any attempts or solicitations to commit any Felony or Misdemeanor crime listed in Category II.

(h) Evaluations of crimes shall be based on Oregon laws in effect at the time of conviction, regardless of the jurisdiction in which the conviction occurred.

(3) CCD has determined that founded child protective services cases and firearm prohibition orders may substantially jeopardize the safety of children and are inconsistent with any position of unsupervised contact with children or otherwise vulnerable persons. If any subject individual has a founded child protective services case or active firearm prohibition order, CCD will seek to obtain and review information related to the case, subject to section (6) of this rule. Based on this information, the Division will make a decision whether or not to enroll the subject individual in the Central Background Registry.

(4) If CCD determines that additional information is needed to assess a person's suitability to be enrolled in the Central Background Registry, the subject individual shall provide the requested information within the required timeframes. The additional information may include, but is not limited to, an evaluation or assessment by a physician, counselor or other qualified person, documents to determine positive identification of the subject individual, and court documents.

(5) If a subject individual is in a diversion program or similar agreement for any Category I or Category II crime, the subject individual must provide written documentation of compliance with the terms of diversion or similar agreement. Based on this information, the Division will make a decision whether or not to enroll the subject individual in the Central Background Registry.

(6) Factors to be considered in determining suitability, based on information available to CCD and information provided by the subject individual, include:

- (a) Types and number of incidences;
- (b) Passage of time since the incident occurred;
- (c) Circumstances surrounding the incident;
- (d) Intervening circumstances since the occurrence of the incident; and
- (e) Relationship of the facts under subsections (a) through (d) of this section to the individual's suitability to work with children.

(7) CCD will not bar from enrollment in the Central Background Registry any subject individual because of the existence or contents of a juvenile record that has been expunged by the court.

### Requirements of Requesting Agencies

Requesting agencies, as defined in OAR 414-061-0020(16), must comply with the following requirements:

(1) A requesting agency's application forms must contain a notice that employees and other persons who are subject individuals must be enrolled in

# ADMINISTRATIVE RULES

the Central Background Registry and that employment is subject to fingerprinting and criminal records checks.

(2) A requesting agency may hire a subject individual on a probationary basis if the subject individual is conditionally enrolled in the Central Background Registry. A requesting agency may hire a subject individual on a permanent basis if the subject individual is enrolled in the Central Background Registry.

(3) A requesting agency shall not hire or continue to employ on a probationary or permanent basis an individual if the individual is not enrolled in the Central Background Registry or has been removed from the Central Background Registry and has not been re-enrolled.

(4) A requesting agency may allow a subject individual who is not yet enrolled or conditionally enrolled in the Central Background Registry to participate in training, orientation and work activities if the training, orientation and work activities are at a location other than the child care facility or are conducted at the facility when children are not present and the subject individual is not in contact with any children.

### Procedures for Conducting Oregon State Police Criminal Records Checks and Department of Human Services Child Protective Services Record Checks

(1) Subject individuals shall consent to a criminal records check of the Oregon State Police Computerized Criminal History (CCH) System and a child protective services check at the time they request enrollment in the Central Background Registry.

(2) Central Background Registry enrollment forms shall contain notice that criminal records checks will be conducted as required by ORS 181.537 and 657A.030. The form shall also contain notice that child protective services checks will be conducted.

(3) Subject individuals shall provide all information required for a criminal records check and a child protective services check. Information includes:

(a) A properly completed and signed form CCD 199, Consent for Criminal Records Check and Request for Enrollment in the Central Background Registry;

(b) For a subject individual who acknowledges a prior conviction of a criminal offense, as listed in OAR 414-061-0050, an explanation of the relationship of the facts which support the conviction and all intervening circumstances. On request of CCD, the subject individual must authorize CCD to verify information provided by the individual; and

(c) On the application for enrollment in the Central Background Registry, CCD may request subject individuals to consent to the use of their social security numbers for criminal and child protective services records checks, for identifying enrollees in the Central Background Registry, for sharing information with other agencies to verify child care licensing status for child care payments, and for compiling statistical information for program planning and evaluation.

(4) CCD will review the criminal records information, child protective services information, and any additional information and will determine whether or not a subject individual may be enrolled in the Central Background Registry.

(5) Fees for each name checked through OSP CCH and child protective services systems are as follows:

(a) No charge for CCD employees; and

(b) All other requests for criminal record checks and child protective services checks and enrollment in the Central Background Registry will cost \$3 per person.

### Procedures for Conducting FBI Criminal History Checks

(1) An FBI criminal records check will be done on a subject individual whose OSP CCH record shows multi-state offender status, who has lived in Oregon less than 18 months or when CCD has information that the individual has committed a crime in another state.

(2) The subject individual shall supply to CCD the following information:

(a) One properly completed FBI fingerprint card, with printing in the "reason fingerprinted" block which reads "ORS 181.537/NCPA/VCA Child Care";

(b) Properly completed form CCD 199, Consent for Criminal Records Check and Request for Enrollment in the Central Background Registry; and

(c) For a subject individual who acknowledges a prior conviction, as listed in OAR 414-061-0050, an explanation of the relationship of the facts which support the conviction and all intervening circumstances. On request

of CCD, the subject individual must authorize CCD to verify information provided under this rule.

(3) As part of the consent to a criminal records check, CCD may request the subject individual to consent to the use of his/her social security number in conducting the check.

(4) CCD will review the criminal records information and any additional information and will determine whether or not a subject individual may be enrolled in the Central Background Registry.

(5) CCD will charge the subject individual \$62 for an FBI records check, to be paid at the time of the request.

### CCD Enrollment Procedures

(1) A subject individual shall be enrolled in the Central Background Registry if CCD has determined that the individual:

(a) Has provided all information and/or documents requested by CCD;

(b) Has no criminal or child protective services history or has dealt with the issues and provided adequate evidence of suitability;

(c) Has paid the applicable fee; and

(d) Has complied with the rules of CCD adopted pursuant to the Central Background Registry (OAR 414-061-0000 through 414-061-0120).

(2) Enrollment in the Central Background Registry shall expire two years from the date of enrollment, unless rescinded sooner, and may be renewed upon application to CCD, payment of the required fee and compliance with the rules adopted by CCD pursuant to the Central Background Registry (OAR 414-061-0000 through 414-061-0120).

(3) A subject individual who has been enrolled in the Central Background Registry will be notified by CCD of his or her enrollment and the enrollment dates. Such notification will not be sufficient evidence of enrollment for employment by a requesting agency.

(4) A subject individual may be conditionally enrolled in the Central Background Registry pending the results of an FBI criminal records check if the individual has been determined to be suitable based on OSP criminal records information and child protective services information.

(a) A conditionally enrolled subject individual who has been determined to be suitable based on FBI criminal records information shall be enrolled in the Central Background Registry.

(b) The two-year enrollment period will include the time the subject individual was conditionally enrolled.

(c) A conditionally enrolled subject individual who has been determined not to be suitable based on FBI criminal records information shall be removed from the Central Background Registry, according to the provisions of OAR 414-061-0110.

(d) A conditional enrollment will expire if the subject individual has not been enrolled in the Registry within one year of the conditional enrollment.

### CCD Denial Procedures

(1) A subject individual shall be denied enrollment in the Central Background Registry if the individual:

(a) Has been determined not suitable;

(b) Has failed to submit requested information or documentation;

(c) Has been charged with, arrested for, or a warrant is out for a Category I or Category II crime with final disposition not yet reached;

(d) Has an open child protective services or law enforcement case with final disposition not yet reached; or

(e) Is in a diversion program or similar agreement and has failed to provide written documentation of compliance with the terms of diversion or the agreement.

(2) A subject individual may appeal CCD's determination not to enroll the subject individual in the Central Background Registry, pursuant to OAR 414-061-0120.

(3) A subject individual who has been denied enrollment in the Central Background Registry due to a determination of unsuitability shall not be eligible for enrollment in the Registry for 3 years from the date of denial.

### Removal and Suspension Procedures

(1) An individual enrolled in the Central Background Registry shall be removed or suspended from the Registry by CCD if, during the period of enrollment, the individual;

- (a) Has been determined not suitable for enrollment in the Registry;
- (b) Has failed to submit requested information or documentation;
- (c) Has been charged with, arrested for, or a warrant is out for a Category I or Category II crime with final disposition not yet reached;

(d) Has a founded child protective services case or an open child protective services or law enforcement case with final disposition not yet reached; or

(e) Is in a diversion program or similar agreement and has failed to provide written documentation of compliance with the terms of diversion or the agreement.

(2) CCD may immediately, and without prior hearing, remove or suspend a subject individual from the Central Background Registry when, in the opinion of CCD, such action is necessary to protect children from physical or mental abuse or a substantial threat to health and safety. Such action may be taken before an investigation is completed.

(3) CCD may reinstate a subject individual in the Central Background Registry if the condition(s) that resulted in the suspension is corrected.

(4) When a subject individual is removed or suspended from the Central Background Registry, CCD will notify the subject individual and the requesting agencies which have inquired about the subject individual's enrollment of the removal or suspension.

(5) A subject individual who has been removed from the Central Background Registry and has not subsequently been re-enrolled shall not be eligible for enrollment in the Registry for 3 years from the date of removal.

### Rights for Review and Contested Case Hearings

(1) CCD shall conduct contested case hearings per ORS 183.413 to 183.470 and afford subject individuals the right to appeal a decision made by CCD that the subject individual may not be enrolled in or has been removed from the Central Background Registry. Subject individuals must notify CCD of their request for a contested case hearing not later than 14 calendar days from the date of service of the denial or removal notice.

(2) CCD has no jurisdiction in a contested case hearing over allegations that the criminal records information received from OSP or the FBI or child protective services information received from the Department of Human Services is inaccurate, incomplete or maintained in violation of any federal or state law. Therefore, a contested case hearing cannot be held by CCD for that purpose. Challenges to the accuracy or completeness of the information provided by the Department of State Police, the FBI and agencies reporting information to CCD must be made through those departments, bureaus or agencies and not through the contested case process.

(3) CCD is entitled to rely on the criminal records information supplied by OSP or the FBI or child protective services information supplied by the Department of Human Services until OSP, the FBI, or the Department of Human Services notifies CCD that information has been changed or corrected in a manner that would alter the CCD decision. If a subject individual has requested a contested case hearing, CCD will stay the hearing until the subject individual has been afforded a reasonable time to correct or complete the record or has declined to do so.

(4) To preserve the confidentiality of the records and the privacy of the subject individual, any contested case hearing will not be open to the public unless requested by the subject individual.

(5) A subject individual who is also an employee of the licensing unit of the Child Care Division and who is determined unsuitable for enrollment in the Central Background Registry may appeal the determination through either the contested case process or applicable personnel rules, policies and collective bargaining provisions. A subject individual's decision to appeal a determination through personnel rules, policies and collective bargaining provisions shall constitute an election of remedies as to the rights of the subject individual with respect to the disqualification determination and shall constitute waiver of the contested case process.

### Purpose

(1) Oregon Administrative Rules (OAR) 414-205-0000 through 414-205-0170 are the Child Care Division's minimum requirements for registering family child care providers. The purpose of these rules is to protect the health, safety, and well-being of children when cared for outside their own homes.

(2) Registration is required for persons who provide child care:

(a) On other than an occasional basis; and

(b) To more than three children from more than one family at any one time, other than the person's own children; or

(c) To three or fewer children, even if from the same family if that person's enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD; or

(d) That is primarily educational to children age 36 months or older but not attending kindergarten for four hours or less a day if that person's enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD; or

(e) On an occasional basis by a person not ordinarily engaged in providing child care if that person's enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD; or

(f) To children from only one family other than the person's own family if that person's enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD.

(3) These rules do not apply to care provided:

(a) In the home of the child;

(b) To three or fewer children, not including the provider's own children except as provided in 414-205-0000(2)(c);

(c) To children from one family, not including the provider's own children except as provided in 414-205-0000(2)(f);

(d) On an occasional basis by a person not ordinarily engaged in providing child care except as provided in 414-205-0000(2)(e);

(e) By the child's parent, guardian, or person acting in place of a parent;

(f) By a person related to the child care children by blood, marriage, or adoption; or

(g) By a person who is a member of the child's extended family, as determined by the division on a case-by-case basis or;

(h) By a person providing care that is primarily educational, unless provided to a preschool child for more than four hours a day, except as provided in 414-205-0000(2)(d).

(4) Any family child care provider exempt from registration may apply for registration.

(5) These rules apply only during the hours the provider is conducting the child care business.

## 414-205-0010

### Definitions

(1) "Caregiver" means any person, including the provider, who cares for the children in the registered family child care home and works directly with the children, providing care, supervision and guidance.

(2) "Central Background Registry" means CCD's Registry of individuals who have been approved to work in a child care facility in Oregon pursuant to ORS 657A.030 and OAR 414-061-0000 through 414-061-0120.

(3) "Child Care" means the care, supervision and guidance on a regular basis of a child, unaccompanied by a parent, guardian or custodian, during a part of the 24 hours of the day, with or without compensation.

(4) "Child Care Child" means any child under 13 years of age, or a child with special needs under the age of 18 who requires a level of care over and above the norm for his/her age, who does not reside in the home and for whom the provider has supervisory responsibility in the temporary absence of the parent.

(5) "Child with Special Needs" means a child under the age of 18 who requires a level of care over and above the norm for his/her age due to a physical, developmental, behavioral, mental or medical disability.

(6) "CCD" means the Child Care Division of the Employment Department, or the Administrator or staff of the Division.

(7) "Civil Penalty" means a fine imposed by CCD on a provider for violation on these rules.

(8) "Family" means persons related by blood, marriage, or adoption, or whose functional relationship (e.g., parent(s), custodian(s), guardian(s)) in exercising physical care and custody of the child(ren) is similar to those found in such associations.

(9) "Full-Time Child Care" means care provided to children not yet eligible for the first grade or above. One or more children may fill a full-time space in the home as long as the children are not in care at the same time.

(10) "Infant" means a child who is not yet walking.

(11) "New Application" means a registration application that has been filed by an applicant who has never had an active registration.

(12) "Night Care" means care given to a child who sleeps at the family child care home for all or part of the night.

(13) "Occasional" means infrequently or intermittently, including but not limited to care that is provided during summer or other holiday breaks when children are not attending school, but not to exceed 70 calendar days in a year.

(14) "Oregon Registry" means the voluntary registry at the Oregon Center for Career Development in Childhood Care and Education at Portland State University that documents the training, education and experience of individuals who work in childhood care and education.

(15) "Part-Time Child Care" means care provided to a child who meets the definition of a school-age child and is in care on days and hours school is not in session.

(16) "Preschool-Age Child" means a child 24 months of age to eligible to be enrolled in the first grade and, during the months of summer vacation from school, eligible to be enrolled in the first grade in the next school year.

(17) "Provider" means a resident of the registered family child care home who is responsible for the children in care; is the children's primary caregiver; and the person whose name is on the certificate of registration.

(18) "Registered Family Child Care Home" means the residence of the provider, who has a current Family Child Care Registration at that address and who provides care in the family living quarters.

(19) "Registration" means the document a family child care provider is issued by the Child Care Division to operate a family child care home where care is provided in the family living quarters of the provider's home pursuant to ORS 657A.330 and OAR 414-205-0000 through 414-205-0170. Registration is limited to one provider at one address.

(20) "Renewal Application" means a registration application that has been filed by a currently registered family child care provider who wishes to continue registration.

(21) "Reopen Application" means a registration application that has been filed by an applicant whose registration is expired or closed, including those closures resulting from an address change.

(22) "School-Age Child" means a child eligible to be enrolled in the first grade or above and, during the months of summer vacation from school, a child eligible to be enrolled in the first grade or above in the next school year.

(23) "Serious Complaint" means a complaint filed against:

(a) A registered family child care provider by a person who has alleged that:

- (A) Children are in imminent danger;
- (B) There are more children in care than allowed by law;
- (C) Corporal punishment is being used;
- (D) Children are not being supervised;
- (E) Multiple or serious fire, health or safety hazards are present in the home;

(F) Extreme unsanitary conditions are present in the home; or

(G) Adults are in the home who are not enrolled in the Child Care Division's Central Background Registry; or

(b) An individual providing child care, as defined by ORS 657A.250(4), who is not a registered family child care provider by a person who has alleged that there are more children in care than allowed by law.

(24) "Substitute Caregiver" means a person who acts as the children's primary caregiver in the registered family child care home in the temporary absence of the provider.

(25) "Usable Exit" means an unobstructed door or window through which the provider and the children can evacuate the home in case of a fire or emergency. Doors must be able to be opened from the inside without a key, and window openings must be at least 20 inches wide and 22 inches in height, with a net clear opening of 5 square feet and a sill no more than 48 inches above the floor.

### Application for Registration

(1) The applicant must apply for registration on the form(s) supplied by CCD. The original form(s) must be submitted to CCD for processing.

(2) Persons submitting new applications must attend a family child care overview session prior to submitting their application to CCD.

(3) Persons interested in submitted an application must meet the training requirements outlined in OAR 414-205-0055.

(4) An application for registration is required:

- (a) For a new registration;
- (b) For renewing a registration; and
- (c) For reopening a registration.

(5) There is a non-refundable filing fee of \$30 for each application. If the provider submits documentation that the provider's family income is below 100% of the Federal Poverty Level, the fee may be reduced.

(6) All civil penalties must be paid in full.

(7) To determine if requirements are met, the applicant/provider may be required to supply additional information or permit CCD, a fire marshal, or a public health official to assess the home and/or review child care records.

(8) Providers must satisfactorily complete an on-site health and safety review conducted by CCD prior to issuance of a new, renewal or reopen registration. The review will ensure that the provider is in compliance with the rules related to health, safety and sanitation.

(9) If an application for renewal and payment of the required fee is received by CCD at least 30 days prior to the expiration date of the current registration, the current registration, unless officially revoked, remains in effect until CCD has acted on the application for renewal and has given notice of the action taken.

## 414-205-0035

### General Requirements

(1) The home in which child care is provided must be the residence of the provider.

(2) Registration is limited to one provider per household.

(3) A registration applies to only the person and address on the certificate of registration and is not transferable to another location or individual.

(4) The registration is valid for a maximum of two years. The registration period begins with the effective date shown on the certificate of registration. A provider may not care for more than three (3) children, other than the provider's own children, at any one time prior to receiving a certificate of registration from CCD.

(5) CCD registration records are open to the public on request. However, information protected by state or federal law will not be disclosed.

(6) The name, address, telephone number, and registration status of providers is public information. However, CCD may withhold from the public a provider's address and telephone number if the provider makes a written request documenting that disclosure of the address and/or telephone number would endanger him/her or a family member living in the home (OAR 137-004-0800). The request must be on a form supplied by CCD.

(7) The Certificate of Registration must be posted in the family child care home in an area where it can be viewed by parents.

(8) The provider shall have no other employment, either in or out of the home, during the hours children are in care.

(9) The provider must allow custodial parents or legal guardians of child care children access to the home during the hours their child(ren) are in care.

(10) The provider must comply with state and federal laws related to immunizations, child care restrictable diseases, child safety systems and seat

# ADMINISTRATIVE RULES

belts in vehicles, bicycle safety, civil rights laws, and the Americans with Disabilities Act.

(11) Any caregiver who has reason to believe that any child has suffered abuse (physical injury, mental injury, neglect that leads to physical harm, sexual abuse and/or exploitation, or threat of harm) must report the information to the Department of Human Services Child Welfare (DHS) or to a law enforcement agency. By statute, this requirement applies 24 hours per day.

(12) The provider must notify parents if there will be a substitute caregiver and the caregiver's name or if the children will be away from the home for any part of the day for visits, field trips, or any other activity off the premises. In the event of an emergency, a good faith effort will be made to notify parents that a substitute will be caring for the children.

(13) If an applicant or a provider provides or wishes to provide adult or child foster care, the foster care licensing agency must grant approval for the applicant to provide both child care and foster care services.

### The Provider and Other Persons in the Home

(1) The registered provider and any substitute caregiver shall be at least 18 years old and in such physical and mental health as will not adversely affect a child in care.

(2) No one shall have access to child care children who has demonstrated behavior that may have a detrimental effect on a child. Residents of the home are considered to have access to the child care children even if they are not generally at home during child care hours.

(a) The applicant and other residents of the home 18 years of age or older must be enrolled in CCD's Central Background Registry prior to the issuance of a registration. Residents of the home who are under 18 years of age must be enrolled in the Registry by their 18th birthday.

(b) Prior to another adult moving into the home, residing on a temporary basis in the home, visiting the home on a regular basis, or substituting for or assisting the provider, the provider must receive documentation from CCD that the individual is enrolled in the Central Background Registry. This does not apply to parents of children in care unless they are residing in the home or substituting for or assisting the provider.

(c) If additional information is needed to assess a person's ability to care for children or to have access to children, references, an evaluation by a physician, counselor, or other qualified person, or other information may be required by CCD.

(d) Any visitor to the home or other adult who is not enrolled in the Central Background Registry may not have unsupervised access to children.

(3) A caregiver substituting for the provider must:

(a) Be familiar with the requirements for registration and agree to comply with them;

(b) Be enrolled in the Central Background Registry prior to substituting for the provider; and

(c) Comply with all the requirements, except those in OAR 414-205-0055, placed on the provider in these rules.

### Training Requirements

(1) When a person submits a new application for registration as a family child care provider, the Child Care Division shall, prior to approving the registration, receive evidence from the person that the person has:

(a) Completed the Family Child Care Overview session;

(b) A current certification in first aid and infant and child cardiopulmonary resuscitation;

(c) A current food handler certification pursuant to ORS 624.570; and

(d) Completed two hours of training on child abuse and neglect issues.

(2) When a registered family child care provider submits a renewal application, the Child Care Division shall, prior to approving it, receive evidence from the provider that the provider has:

(a) A current certification in first aid and infant and child cardiopulmonary resuscitation;

(b) A current food handler certification pursuant to ORS 624.570; and

(c) Completed a minimum of eight hours of training during the two years preceding the renewal date. The training must be related to the core knowledge categories in the Oregon Registry. At least four clock hours of the eight hours of training must be in child development or early childhood.

(3) When a person submits a reopen application, the Child Care Division shall, prior to approving it, receive evidence from the individual that the individual has:

(a) A current certification in first aid and infant and child cardiopulmonary resuscitation;

(b) A current food handler certification pursuant to ORS 624.570; and

(c) Documentation that individual has eight hours of training related to the Oregon Registry core knowledge categories during the previous two year license period. If the individual was previously licensed for less than two years, the training requirements will be prorated as follows: two hours of training for each six months of the previous license period.

### Children in Care

(1) A family child care provider may care for a maximum of 10 children under 13 years of age, or under age 18 if a child with special needs, at any one time. This includes the provider's own children, the child care children, foster children, and any other children for whom the provider is responsible.

(2) Of the 10 children under 13 years of age or under age 18 if a child with special needs, the provider may care for:

(a) A maximum of 6 children preschool age or younger, including the provider's own children, of which only 2 children may be under 24 months of age.

(b) In addition, there may be 4 school-age children.

(c) If there are fewer than 6 children preschool age or younger, there may be more school-age children, as long as there are no more than 10 children in the home at any one time.

(3) Other children, including but not limited to neighborhood children or friends of the provider's children, are included in the maximum number of 10 children allowed in care if their parents or other adults responsible for supervising them are not present in the home or are not directly supervising their own child(ren).

(4) Visiting children and their parents or others directly supervising them can be in the family child care home only on an occasional basis.

(5) No child younger than 6 weeks of age can be in care in a family child care home. This does not include the provider's child(ren).

### Supervision of Children

The provider or a substitute caregiver is responsible for the children in care. The provider or substitute caregiver must:

(1) Be within sight and/or sound of all children at all times;

(2) Be aware of what each child is doing at all times; and

(3) Be physically present when preschool age or younger children are playing outside unless the outside play area is fully fenced and hazard free. If the outside play area is fully fenced and hazard free, the provider must be within sight and/or sound of the children.

## 414-205-0085

### Discipline

(1) The provider must have a written discipline policy. The policy must be simple and understandable to the child, the parent(s) and to substitute caregivers. The written discipline policy must be given to all parents.

(2) The following behavior by caregivers is prohibited:

(a) Corporal punishment, including hitting, spanking, slapping, beating, shaking, pinching, and other measures that produce physical pain;

(b) Withdrawal or the threat of withdrawal of food, rest, or bathroom opportunities;

(c) Punishing a child for toileting accidents or for refusing food;

(d) Abusive or profane language;

(e) Any form of public or private humiliation, including threats of physical punishment; and

(f) Any form of emotional abuse, including, but not limited to, rejecting, terrorizing, neglecting, or corrupting a child.

(3) Parental request or permission to use any form of punishment listed in subsection (2) of this rule does not give the provider permission to use such punishment.

### Program of Activities

(1) The provider must give the children's needs first priority, assuring that they get adequate care and attention.

(2) Providers must make available activities, materials, and equipment for both indoor and outdoor play that provide a variety of experiences geared to the ages and abilities of the child(ren).

# ADMINISTRATIVE RULES

(3) The children's activities must allow choice and develop skills based on each child's age and abilities.

(4) A balance of active and quiet play must be provided, both indoors and outdoors.

(5) The provider must have routines for eating, napping, and toileting, with flexibility to respond to the needs of each child.

(6) No child may view television or videos or play computer or electronic games for more than two (2) hours per day.

### Health

(1) The home must be a healthy environment for children.

(a) No person shall smoke or use smokeless tobacco in the family child care home during the hours the child care business is conducted. No person shall smoke or use smokeless tobacco in motor vehicles while child care children are passengers.

(b) No one shall consume alcohol or use non-prescription controlled substances in the presence of children. No one under the influence of alcohol or non-prescription controlled substances shall be in the home when child care children are present.

(c) There must be at least one flush toilet and one hand-washing sink available to children. Steps or blocks must be available to ensure children can use the toilet and sink without assistance.

(d) The room temperature must be at least 68°F during the hours the child care business is conducted.

(e) Rooms occupied by children must have a combination of natural and artificial lighting.

(f) Floors must be free of splinters, large unsealed cracks, sliding rugs and other hazards.

(2) The provider must have a basic first aid kit available for use. The kit must be kept out of the reach of children.

(3) Infants must be put to sleep on their backs.

(4) Except for mild cold symptoms that do not impair a child's function, children who are ill shall not be in care.

(5) If a child becomes ill in child care, the provider must separate the child from other children, to the extent possible, and contact the child's parent(s) to remove the child from care as soon as possible.

(6) Parents must be notified if their child is exposed to a communicable disease.

(7) Prescription and non-prescription medication may be given to a child only if the provider has written authorization from the parent, as required in OAR 414-205-0130(3).

(8) Prescription and non-prescription medications must be properly labeled and stored.

(a) Non-prescription medications or topical substances must be labeled with the child's name.

(b) Prescription medications must be in the original container and labeled with the child's name, the name of the drug, dosage, directions for administering, and the physician's name.

(c) Medication requiring refrigeration must be kept in a separate, covered container, marked "medication," in the refrigerator.

(9) Parents must be informed daily of any medications given to their child or any injuries their child has had.

(10) The provider must provide or ensure the availability of meals and snacks appropriate for the ages and needs of the children served.

(a) Meals and snacks must be based on the guidelines of the USDA Child Care Food Program.

(b) Foods must be stored and maintained at the proper temperature.

(c) Foods must be prepared and served according to the minimum standards for food handler certification.

(d) Infants must either be held or be fed sitting up for bottle feeding. Propping bottles is prohibited.

(11) Any animal at the family child care home must be in good health and be a friendly companion for the children in care.

(a) Potentially aggressive animals must not be in the same physical space as the children.

(b) Dogs and cats must be vaccinated according to a licensed veterinarian's recommendations.

(12) Animal litter boxes shall not be located in areas accessible to children.

(13) Caregivers must be physically present when children are interacting with animals.

(14) Reptiles (e.g. lizards, turtles, snakes iguanas) frogs, monkeys, hooked beaked birds, baby chicks and ferrets are prohibited unless they are housed in and remain in a tank or other container which precludes any direct contact by children. Educational programs that include prohibited animals and are run by zoos, museums and other professional animal handlers are permitted.

(15) Parents must be made aware of the presence of any animals in the child care home.

### Safety

(1) Children shall be protected from fire and safety hazards. Providers must have the following protections in place:

(a) If any preschool age or younger children are in care, hard-to-remove protective caps on all exposed electrical outlets in rooms used by children.

(b) If any preschool age or younger children are in care, barriers to protect children from fireplaces, space heaters, wood stoves, stairways and other hazards. Gates and enclosures should have the Juvenile Products Manufacturers Assn. (JPMA) certification seal to ensure safety.

(c) A working smoke detector on each floor and in any area where children nap;

(d) A working fire extinguisher with a rating of at least 2-A:10-BC;

(e) Firearms and ammunition kept under lock. Ammunition stored separately from firearms. Firearms must remain unloaded;

(f) Cleaning supplies, paints, matches, cigarette lighters, and plastic bags kept under child-proof lock;

(g) Other potentially dangerous items, such as medicine, drugs, and poisonous and toxic materials kept under child-proof lock;

(h) If any preschool age or younger children are in care, poisonous plants must be kept out of the reach of children; and

(i) All clear glass panels in doors clearly marked at child level.

(2) All floor levels used by children must have access to two usable exits, as defined in OAR 414-205-0010(24), to the outdoors.

(a) If a basement is used for child care purposes, the requirement for two usable exits may be met by one of the following:

(A) A sliding glass door to the outdoors and a window which meets the definition of a usable exit;

(B) A swinging door to the outdoors and a window which meets the definition of a usable exit; or

(C) A window which meets the definition of a usable exit and an internal stairway to ground level which has unobstructed and direct access to the outdoors.

(b) If a window, which meets the definition of a usable exit, is used:

(A) Steps must be placed under the window to allow children to exit without assistance; and

(B) The window must be kept in good working condition.

(c) If a window used as an exit has a window well, a mechanism must be in place to allow children to exit the window well.

(3) The provider must have a written plan for evacuating children in an emergency. The plan must be posted in the home, familiar to the children and the caregivers, and practiced at least every other month.

(4) A telephone in working condition must be in the family child care home.

(a) Parents must be given the telephone number so they can contact the provider if needed.

(b) Emergency telephone numbers for fire, ambulance, police and poison control must be posted near the telephone.

(5) The building, grounds, water supply, and toys, equipment and furniture used by children must be maintained in a hazard-free condition.

(a) Broken toys, furniture and equipment must be removed from areas accessible to children.

(b) Both the exterior and interior of the home must be maintained in good repair.

(c) Painted surfaces must be in good condition, both inside and outside, to avoid exposing children to lead paint chips.

(6) If a caregiver is transporting children, the caregiver must have a valid driver's license and proof of appropriate insurance.

(7) The number of children transported shall not exceed the number of seat belts or child safety systems available in the vehicle.

### Record Keeping

- (1) The following records must be kept by the provider for at least one year and must be available at all times to CCD:
    - (a) Information from the parent(s) for each child at the time of admission:
      - (A) Name and birth date of the child;
      - (B) Any chronic health problem(s), including allergies, the child has;
      - (C) Names, work and home telephone numbers and addresses, and the work hours of the custodial parent(s) or guardian(s);
      - (D) Name and telephone number of person(s) to contact in an emergency;
      - (E) Name and telephone number of person(s) to whom the child may be released;
      - (F) The school attended by a school-age child; and
      - (G) Name, address and telephone number of the child's doctor and dentist.
    - (b) Daily attendance records, including dates each child attended and arrival and departure times each day;
    - (c) Medications administered, including the child's name, and the date and time of dosage; and
    - (d) Injuries to a child.
    - (2) Injuries to a child which require attention from a licensed health care professional, such as a physician, EMT or nurse, must be reported to CCD within seven days.
    - (3) The provider must have a written statement from the parent(s) regarding whether or not the provider is authorized to:
      - (a) Obtain emergency medical treatment for a child;
      - (b) Administer medications to a child;
      - (c) Take a child on a field trip or other activity outside the home or participate in any water activity; and
      - (d) Transport a child to and/or from school or allow a child to bus or walk to and/or from school or home.

### Exceptions to Rules

- (1) A provider may request an exception to a rule.
  - (a) An exception must be requested on a form provided by CCD;
  - (b) The provider must provide a justification for the requested exception and an explanation of how the provider will ensure, through safeguards or other conditions, the health, safety and well-being of the children.
  - (2) The provider must be in compliance with the rule as written until the provider has received approval for the exception from CCD.
  - (3) In instances where care that is subject to registration, as defined in subsection (2) of rule 414-205-0000, will not be provided in the provider's own residence, the applicant/provider must request and receive approval for an exception prior to providing care at that location. In all respects, the location must appear and be arranged as a residence.
  - (4) No exception to a rule shall be granted unless the health, safety, and well-being of the children are ensured.

- (5) An exception is valid only for the registration period for which it is issued. A new exception must be requested with each renewal application.
- (6) The granting of an exception to a rule shall not set a precedent, and each request shall be evaluated on its own merits.
- (7) Waivers in effect on April 1, 2000, will remain in effect until the expiration of the current registration.

### Grievance Review and Sanctions

- (1) Providers have a right to review any action or decision affecting them. The CCD grievance procedures are available upon request to all applicants/providers for family child care registration.
  - (2) Registration may be denied, suspended, or revoked if a provider fails to meet requirements, provide CCD with information requested, allow an inspection, or correct deficiencies.
  - (3) Any action taken by CCD to deny, suspend, or revoke registration may be reported to USDA Child Care Food Programs, child care resource and referral agencies, Children, Adults and Families, Office of Self-Sufficiency and Office of Safety and Permanency for Children.
  - (4) A registration may be suspended immediately when CCD believes children may be at risk of harm in the family child care home. Such action may be taken before an investigation is completed.
    - (a) A provider whose registration has been suspended must immediately notify, verbally or in writing, all parents of the suspension.
    - (b) A provider whose registration has been suspended must post the suspension in the home where it can be viewed by parents.
  - (5) Registration will be denied, suspended or revoked if the provider or other resident of the home has been removed or suspended from the Central Background Registry.
  - (6) If an individual listed in 414-205-0040(2)(a) or (b) has been charged with, arrested for, or a warrant is out for any crime which CCD has determined indicates behavior that would have a detrimental effect on a child, the provider's application will be denied or registration will be suspended or revoked until the charge, arrest, or warrant has been resolved.
  - (7) Registration will be denied, suspended or revoked if an individual listed in OAR 414-205-0040(2)(a) or (b) has been convicted of or sentenced for offenses that would disqualify the individual from the Central Background Registry.
  - (8) Registration will be denied, suspended or revoked if an individual listed in OAR 414-205-0040(2)(a) or (b) has a founded child protective services case or an open child protective services or law enforcement case that would disqualify the individual from the Central Background Registry.
  - (9) A provider whose registration has been revoked shall not be eligible to reapply for three years after the effective date of the revocation.
  - (10) A provider who violates these rules or the terms and conditions of registration under these rules may be subject to a civil penalty.
    - (a) For a serious violation, as defined in OAR 414-250-0010(23) a provider may be subject to a civil penalty of \$100 for the first violation after a written warning with time to correct is issued; and \$100 for each subsequent violation, not to exceed \$1,000 in a quarter for all rule violations.
    - (b) For other violations, a provider may be subject to a civil penalty of \$50 for the first violation after a written warning with time to correct is issued; \$100 for a second violation, and \$100 for each subsequent violation, not to exceed \$1,000 in a quarter for all rule violations.
  - (11) The provider has the right to appeal any decision to deny, suspend, or revoke registration or to impose a civil penalty, subject to the provisions of Chapter 183, Oregon Revised Statutes.

## 414-300-0000

### Applicability of Rules

(1) OAR 414-300-0000 through 414-300-0410 set forth the Child Care Division's requirements for inspecting and certifying those child care facilities subject to Oregon laws governing child care facilities, ORS 657A.030, 657A.250 through 657A.310, 657A.350 through 657A.460 and 657A.990, that:

(a) Serve thirteen or more children; or

(b) Serve twelve or fewer children and are located in a building constructed as other than a single-family dwelling.

(c) Care for three or fewer children if the caregiver's enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD; or

(d) Provide care that is primarily educational to children age 36 months or older but not attending kindergarten for four hours or less a day if the caregiver's enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD; or

(e) Provide care on an occasional basis by a person not ordinarily engaged in providing child care if the caregiver's enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD; or

(f) Provide care for children from only one family other than the person's own family if the caregiver's enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD.

(2) These rules do not apply to child care facilities specifically excluded by law. Excluded facilities are those which:

(a) Are primarily educational and provide care to children 36 months old or older but not yet attending kindergarten for less than four hours a day except as provided in 414-300-0000(1)(d);

(b) Are primarily supervised, child-focused training in a specific subject, including, but not limited to, dancing, drama, music, or religion. This exclusion applies only to the time children are involved in training; or

(c) Are primarily an incident of group athletic or social activities sponsored by or under the supervision of an organized club or hobby group. This exclusion applies only to the time engaged in the group athletic or social activities and if the children can come and go as they please or

(d) Are operated by a school district, political subdivision of this state, or a government agency; or

(e) Are operated on an occasional basis by a person, sponsor, or organization not ordinarily engaged in providing child care except as provided in 414-300-0000(1)(e); or

(f) Operate as a parent cooperative for no more than four hours a day; or

(g) Provide care while the child's parent remains on the premises and is engaged in an activity offered by the facility or in other nonwork activity or

(h) Provide care for three children other than the person's own children except as provided in 414-300-0000(1)(c); or

(i) Provide care for children from only one family other than the person's own family except as provided in 414-300-0000(1)(f).

(3) If any court of law finds that any clause, phrase, or provision of these rules is unconstitutional or invalid for any reason whatsoever, this finding shall not affect the validity of the remaining portion of these rules.

(4) For purposes of these rules, the determination of compliance or non-compliance shall be made by CCD.

(5) Providers have a right to review any action or decision affecting them. The CCD grievance procedures are available upon request to all applicants for child care certification or operators of centers.

## 414-300-0005

### Definitions

The following words and terms, when used in OAR 414-300-0000 through 414-300-0410, have the following meanings:

(1) "Activity Area" means the area of the center that is available, during all the hours of operation, for the children's activities. This area excludes kitchens, hallways, toilet rooms, multi-purpose areas used by all children, lockers, office, storage areas, isolation quarters, staff room, furnace room, and that part of rooms occupied by heating stoves, or stationary equipment not used by children. Additional exclusions may apply for specific age groups.

(2) "Attendance" means children actually present in the center at any given time.

(3) "Capacity" means the total number of children allowed in the center at any one time, based on the available indoor and outdoor square footage, the number of toilets in the center and the number of qualified staff.

(4) "Caregiver" means any person in the child care center who works directly with the children, providing care, supervision, and guidance.

(5) "Central Background Registry" means CCD's Registry of individuals who have been approved to work in a child care facility in Oregon pursuant to ORS 657A.030 and OAR 414-061-0000 through 414-061-0120.

(6) "Certification" means the certification that is issued by CCD to a child care center pursuant to ORS 657A.280.

(7) "Child Care" means the care, supervision, and guidance on a regular basis of a child, unaccompanied by a parent, guardian, or custodian, during a part of the 24 hours of the day, with or without compensation. Child care does not include the care provided:

(a) In the home of the child;

(b) By the child's parent or guardian, or person acting in loco parentis;

(c) By a person related to the child by blood or marriage within the fourth degree as determined by civil law;

(d) On an occasional basis by a person, sponsor, or organization not ordinarily engaged in providing child care; or

(e) By providers of medical services.

(8) "Child Care Area" means that indoor and outdoor area specifically certified for use by the center and includes all activity areas and other areas of the facility used to provide child care, such as kitchen, toilet rooms, offices, storage areas, and rooms used solely for napping or eating. This may be a specific portion or portions of the building and grounds of a larger facility or one or more buildings at the same location.

(9) "Child Care Child" means any child six weeks of age or older and under 13 years of age, or a child with special needs under the age of 18 who requires a level of care over and above the norm for his/her age, for whom the child care center has supervisory responsibility in the temporary absence of the parent.

(10) "Child Care Center" or "Center" means a child care facility that is certified to care for thirteen or more children, or a facility that is certified to care for twelve or fewer children and located in a building constructed as other than a single family dwelling.

(11) "Child with Special Needs" means a child under the age of 18 who requires a level of care over and above the norm for his/her age due to a physical, developmental, behavioral, mental or medical disability.

# ADMINISTRATIVE RULES

(12) "CCD" means the Child Care Division of the Employment Department or the Administrator or staff of the Division.

(13) "Child Care Facility" means any facility that provides child care to children, including a child care center, certified family child care home, and registered family child care home. It includes those known under a descriptive name, such as nursery school, preschool, kindergarten, child play school, before or after school care, or child development center, except those excluded under ORS 657A.250. This term applies to the total child care operation and includes the physical setting, administration, staff, equipment, program, and care of children.

(14) "Civil Penalty" means a fine imposed by CCD on a facility for violation of these rules.

(15) "Comparable group care program" means a program which has the following elements:

- (a) Staff are supervised by knowledgeable professionals;
- (b) Training of staff is provided or required annually;
- (c) Group size is similar to a certified child care facility;
- (d) Curriculum is age appropriate; and
- (e) The program is not providing uncertified drop-in care.

(16) "Contracted services" means activities (e.g., tumbling, music) provided by an organization or program other than the center, where non-center staff come into the center or the children are transported to another location.

(17) "Director" means a person who is designated by the operator as director or administrator of the center and who meets the qualifications of director pursuant to OAR 414-300-0080.

(18) "Drop-in Care" means care provided on an unscheduled, irregular basis, any time of the day or night, exclusively for drop-in children in a child care center.

(19) "Enrollment" means all children registered to attend the center.

(20) "Group" means a specific number of children assigned to specific staff.

(21) "Guidance and discipline" means the on-going process of helping children develop self control and assume responsibility for their own acts.

(22) "Head Teacher" means the person, or persons, who is responsible for the development and implementation of the program of activities for each infant and toddler, preschool age, and school-age program in the center.

(23) "Infant" means a child who is at least six weeks of age but is not yet walking alone.

(24) "Infant and Toddler Age Program" means care and education provided in a center, or part of a center, to children between the ages of six weeks and thirty-six months.

(25) "Night Care" means care given to children who sleep at the child care center for all or part of the night.

(26) "Occasional" means infrequently or sporadically, including but not limited to care that is provided during summer or other holiday breaks when children are not attending school, but not to exceed 70 calendar days in a year.

(27) "Operator" means the person, group, corporation, partnership, governing body, association, or other public or private organization legally responsible for the overall operation of the center and who has the authority to perform the duties necessary to meet certification requirements. If the operator is other than the owner, an individual must be appointed as the operator by the owner.

(28) "Oregon Registry" means the voluntary registry at the Oregon Center for Career Development in Childhood Care and Education at Portland State University that documents the training, education and experience of individuals who work in childhood care and education.

(29) "Outbreak of a communicable disease" means two cases from separate households associated with a suspected common source.

(30) "Owner" means the person, group, corporation, partnership, governing body, association, or other public or private organization which holds the child care center as property and has a major financial stake in the operation of the center. The owner may or may not be active in the operation of the center; the owner may also be the operator.

(31) "Parent" means parent(s), custodian(s), or guardian(s), exercising physical care and legal custody of the child.

(32) "Parent cooperative" means a child care program in which:

- (a) Care is provided by parents on a rotating basis;
- (b) Membership in the cooperative includes parents;
- (c) There are written policies and procedures; and
- (d) A board of directors that includes parents of the children cared for by the cooperative controls the policies and procedures of the program.

(33) "Preschool-Age Child" means a child who is 36 months of age to eligible to be enrolled in the first grade and, during the months of summer vacation from school, eligible to be enrolled in the first grade in the next school year. For purposes of these rules, children attending kindergarten may be considered school-age children.

(34) "Preschool-Age Program" means care and education provided in a center, or part of a center, to children 36 months of age to attending kindergarten.

(35) "Program" means all activities and care provided for the children during their hours of attendance at the center.

(36) "Qualifying Teaching Experience" means:

(a) For infant/toddler and preschool age groups, 1,500 hours, gained with a group of the same age children in at least three-hour blocks, within a 36-month period;

(b) For school-age groups, 600 hours, gained with a group of the same age children in at least three-hour blocks, within a 36-month period. Qualifying teaching experience must be documented. Time spent in a college practicum or practice teaching is considered qualifying teaching experience. The following does not constitute qualifying teaching experience: leader of a scout troop; Sunday school teacher; and coaching.

(37) "Sanitizing" means using a bactericidal treatment that provides enough heat or concentration of chemicals for enough time to reduce the bacterial count, including disease-producing organisms, to a safe level on utensils, equipment, and toys.

(38) "School-Age Child" means a child eligible to be enrolled in the first grade or above and, during the months of summer vacation from school, a child eligible to be enrolled in the first grade or above in the next school year. For purposes of these rules, children attending kindergarten may be considered school-age children.

(39) "School-Age Program" means care and education provided in a center, part of a center, school or other facility to children attending kindergarten or eligible to be enrolled in the first grade or above and, during the months of summer vacation from school, eligible to be enrolled in the first grade or above in the next school year.

(40) "Serious complaint" means a complaint filed against:

(a) A certified child care center by a person who has alleged that:

- (A) Children are in imminent danger;
- (B) There are more children in care than allowed by certified capacity;
- (C) Corporal punishment is being used;
- (D) Children are not being supervised;
- (E) Multiple or serious fire, health or safety hazards are present in the center;

(F) Extreme unsanitary conditions are present in the center; or

(G) Adults are in the center who are not enrolled in the Central Background Registry; or

(b) A facility providing child care, as defined ORS 657A.250(3), which is not a certified child care center by a person who has alleged that there are more children in care than allowed by law.

(41) "Site Director/Supervisor" means the person in charge of the facility at a site which is part of a larger multi-site program.

(42) "Site Coordinator" means the person responsible for coordinating over-all management and operation of a number of sites in a multi-site program.

(43) "Staff" means an individual who is the director, an employee, or a volunteer who is in the center for more than a single activity.

(44) "Substitute Director" means the person in charge of the center during the hours of operation when the director is not on site.

(45) "Supervision" means the act of caring for a child or group of children. This includes awareness of and responsibility for the ongoing activity of each child. It requires physical presence, knowledge of program requirements and children's needs, and accountability for their care and well-being. Supervision also requires that staff be near and have ready access to children in order to intervene when needed.

(46) "Teacher" means a caregiver who plans and implements daily activities for a designated group of children and who meets the qualifications of teacher pursuant to OAR 414-300-0100.

(47) "Teacher Aide" means a caregiver who works under the direct supervision of a teacher and who meets the qualifications of Aide I or Aide II pursuant to OAR 414-300-0110.

(48) "Toddler" means a child who is able to walk alone but is under 36 months of age. "Younger toddler" means a child who is able to walk alone but is under 24 months of age; "older toddler" means a child who is 24 months of age but under 36 months of age.

(49) "Usable Exit" means an unobstructed door or window through which caregivers and children can evacuate the center in case of a fire or emergency. Doors must be able to be opened from the inside without a key, and window openings must be at least 20 inches wide and 22 inches in height, with a net clear opening of 5 square feet and a sill no more than 48 inches above the floor.

## 414-300-0010

### Application for a Child Care Certificate

(1) Unless exempted by Oregon laws governing child care facilities, no person or organization shall operate a child care center without a valid certification issued by the Child Care Division (CCD).

(2) Application for certification shall be made on forms provided by CCD.

# ADMINISTRATIVE RULES

- (3) A completed application is required:
  - (a) For the initial certification;
  - (b) For the annual renewal of certification; and
  - (c) Whenever there is a change of owner, operator or location.
- (4) The applicant shall complete and submit an application to CCD at least:

- (a) 45 days before the planned opening date of a new center; and
- (b) For renewal of certification, 30 days prior to the expiration of the certificate.

(A) If an application for renewal and payment of the required fee is received by CCD at least 30 days prior to the expiration date of the current certification, the current certification, unless officially revoked, remains in force until CCD has acted on the application for renewal and has given notice of the action taken.

(B) If an application for renewal and payment of the required fee is not received by CCD at least 30 days prior to the expiration date of the current certification, the certification will expire as of the date stated on the certificate and child care must cease at the facility, unless the renewal is completed before the expiration date.

(5) An application for certification shall be accompanied by a non-refundable filing fee.

(a) For the initial application, a change of owner/operator, the reopening of a center after a lapse in certification, or a change of location (except when a facility is forced to move due to circumstances beyond the control of the operator), the fee is \$100 plus \$2 for each certified space (e.g., the fee for a child care center certified to care for 30 children is \$60 + \$100 = \$160).

(b) For a renewal application, the fee is \$2 for each certified space.

(6) An application for certification must be completed by the applicant and approved by CCD within 12 months of submission or the application will be denied. If an application is denied, an applicant must submit a new application for certification.

(7) All civil penalties must be paid in full.

(8) A floor plan shall be submitted with the initial application and/or when a facility is being constructed or remodeled. The floor plan shall show dimensions of all rooms to be used (length and width), the planned use of each room, the placement and number of toilets, handwashing sinks, and diaper changing tables, and the location of the fixtures and plumbing in the kitchen. Similar plans shall be submitted to the environmental health specialist, the fire marshal and the buildings department prior to initial construction or remodel.

(9) If the facility is located within or attached to a building used for purposes other than child care, the floor plan shall describe the other activities which are carried out in adjoining rooms or buildings.

(10) If the applicant is a firm, association, corporation, public agency, or governmental entity, the application shall be signed by the chief executive officer or a person designated in writing to have the authority to sign for the applicant. If the applicant is a partnership, the application shall be signed by each partner.

(11) A management list shall be submitted with the application and updated annually. The list must specify who is responsible for each of the following:

- (a) Financial management;
- (b) Maintaining records;
- (c) Budgeting;
- (d) Policy Development;
- (e) Staff management, orientation and training;
- (f) Maintenance of building and grounds;
- (g) Meal planning and preparation;
- (h) Transportation of children, if provided; and
- (i) Ensuring the appropriateness of program activities according to age and development of the children.

(12) An operator shall provide verification to CCD that the center meets all applicable building codes and zoning requirements that apply to child care facilities:

- (a) Before the initial certification is issued; and
- (b) Whenever the facility is remodeled.

(13) The center shall be approved by an environmental health specialist registered under ORS chapter 700, or an authorized representative of the Health Division, and by a state or local fire marshal, before a certificate is issued by CCD.

(a) If structural, emergency or permit problems occur, CCD may request that the operator have the center inspected by the appropriate authority; and

(b) The operator is responsible for payment of any applicable fees for fire safety and sanitation inspections.

(14) Upon receipt of a completed application, a representative of CCD shall evaluate the center and all aspects of the proposed operation to determine if the center meets certification requirements (OAR 414-300-0000 through 414-300-0410).

### Issuance of a Child Care Certificate

(1) A certification shall be issued by CCD when it has been determined the center is in compliance with OAR 414-300-0000 through 414-300-0410. There are two types of certifications. These are:

(a) A regular certification, which, except as provided in OAR 414-300-0010(4)(b)(A), is valid for no more than one year; and

(b) A temporary certification. A child care center may not operate under a temporary certification for more than 180 days in any 12-month period. A temporary certification is issued when:

- (A) The center is in compliance with most requirements;
- (B) There are no deficiencies identified by CCD that are hazardous to children; and
- (C) The operator demonstrates an effort to be in full compliance.

(2) Certification is not transferable to any other location or to another organization or individual.

(3) Any changes in the conditions of certification shall be requested in writing to CCD and approved by CCD before the condition(s) of the current certification may be changed. Changes include, but are not limited to, facility capacity, age range of children, or hours of operation.

### Exceptions to Rules

(1) CCD may grant an exception to an individual rule (OAR 414-300-0000 through 414-300-0410) for a specified period of time when:

- (a) A requirement does not apply to the facility; or
- (b) The intent of the requirement can be met by a method not specified in the applicable rule.

(2) The operator shall request an exception to a rule on a form provided by CCD. The request shall include:

- (a) A justification for the requested exception; and
  - (b) An explanation of how the center will meet the intent of the rule.
- (3) No exception to a rule shall be granted:
- (a) If the requirement is established by statute; or
  - (b) Unless the health, safety, and well-being of the children are ensured.

(4) Exceptions may not be implemented until approval is received from CCD.

(5) The granting of an exception to a rule shall not set a precedent, and each request shall be evaluated on its own merits.

(6) CCD may withdraw approval of an exception at any time, if deemed necessary to ensure the health, safety and well-being of the children.

## 414-300-0030

### General Requirements

(1) The operator shall display the following near the entrance, or in some other area of the center, where they may be viewed by parent(s) of children in care:

- (a) The most current certification issued by CCD;
- (b) Name of the director and/or the substitute director;
- (c) Notice of planned field trips away from the immediate neighborhood, showing the date and place of each excursion;
- (d) The current week's menu for all meals and snacks, if meals are provided by the center. Any substitution shall be recorded on the menu;
- (e) A notice that the items identified in section (2) of this rule are available for review on request;
- (f) Information on how to report a complaint to CCD regarding certification requirements;
- (g) Notice that custodial parents have access to the center during the hours of operation and without advance notice; and
- (h) Notice of center closures (vacation days, holidays, etc.).

(2) The operator shall have available for review on request:

(a) A copy of OAR 414-300-0000 through 414-300-0410, Rules for the Certification of Child Care Centers; and

- (b) The most recent CCD, sanitation, and fire safety inspection reports.
- (3) The operator shall report to CCD:
  - (a) An accident at the center resulting in the death of a child, within 48 hours after the occurrence;
  - (b) Injuries to a child at the center which require attention from a licensed health care professional, such as a physician, EMT or nurse, within 7 days after the occurrence;
  - (c) Damage to the building which affects the operator's ability to comply with these requirements, within 48 hours after the occurrence; and

# ADMINISTRATIVE RULES

(d) Any change in director prior to the director being on site. Such prior notification must include the replacement person's qualifications for the position and documentation that the person is enrolled in the Central Background Registry. An e-mail or a phone call, followed by written documentation, or a FAX will serve as notification.

(4) Information provided to CCD on applications, in records or reports, or any other written or verbal communication, shall be current, complete, and accurate.

(5) Staff shall report suspected child abuse or neglect immediately, as required by the Child Abuse Reporting Law (ORS 419B.005 through 419B.050), to the Department of Human Services Child Welfare (DHS) or to a law enforcement agency. By statute, this requirement applies 24 hours per day.

(6) The child care center shall comply with state and federal laws related to child safety systems and seat belts in vehicles, bicycle safety, civil rights laws, and the Americans With Disabilities Act (ADA).

(7) The following information shall be in writing and made available to staff, CCD, and to parent(s) at the time of enrollment:

(a) Name, business address, and business telephone number of the person(s) who have immediate responsibility for the daily operation of the center;

(b) Guidance and discipline policy;

(c) Arrival and departure procedures;

(d) Emergency plan, as specified in OAR 414-300-0170(3);

(e) Procedures for field trips; and

(f) Information on transportation, when provided by the center;

(8) Representatives of all agencies involved in certification and custodial parents shall have immediate access to all parts of the center during hours of operation. CCD staff shall have the right to enter and inspect the center, including access to all staff, records of children enrolled in the center, and all records and reports related to the center operation regarding compliance with these rules.

(9) The center shall comply with the Health Division's administrative rules relating to:

(a) Immunization of children (OAR 333-050-0010 through 333-050-0140);

(b) Reporting communicable diseases (OAR 333-019-0000);

(c) Child care restrictable diseases (OAR 333-019-0010); and

(d) Dishwashing (OAR 333-150-0000).

(10) A center shall have written health policies and procedures approved by the Health Division or the county health department which cover, but are not limited to, the following:

(a) Storage and handling of food;

(b) Diaper changing and disposal, if applicable. The diaper changing procedure must be posted in the diaper changing area;

(c) Bathing infants, if the center cares for infants;

(d) Care of bed linen;

(e) Hand washing procedures. The hand washing procedures must be posted at hand washing sinks; and

(f) Serving formula, storage and handling of bottles, and feeding infants, if the center cares for infants.

(11) Parental request or permission to waive any of the rules for the certification of child care centers does not give the center permission to do so.

### Enrollment

(1) Children shall be admitted only in accordance with the conditions of the certification, including, but not limited to, capacity, hours of operation, age range, and special conditions.

(2) All children visiting the center on a regular basis will count in capacity. Children attending with a non-staff parent do not count as enrolled as long as the parent remains with and is responsible for non-enrolled children.

(3) As required by state and federal civil rights laws and the Americans with Disabilities Act (ADA), the center shall not discriminate against any child on the basis of race, religion, color, national origin, gender, marital status of parent, or because of a need for special care.

(a) Refusal by the operator to care for a child with a need for special care because of lack of related skills and degree of competence, or because of structural barriers in the center, shall not in itself establish a prima facie case of discrimination. The decision to enroll/not enroll a child shall be made on an individual basis after the child's child care needs have been assessed using information from parents and professionals who are knowledgeable about the specific disability. The operator shall record the assessment that was made for each child with special needs.

(b) If a child with special needs is enrolled who needs a specific plan for caring for that child, such a plan shall be developed in writing between

center staff, parent(s), and if necessary, outside specialists. All staff who come in contact with that child shall be fully aware of the plan.

(4) The operator shall obtain the following information in writing from parent(s) of each child before admission. The information shall be kept current at all times.

(a) Name and birth date of child;

(b) Date child entered care;

(c) Name(s), home and business address(es) and telephone number(s) of the custodial parent(s);

(d) The school attended by a school-age child;

(e) Name and telephone number of child's medical provider(s) and dentist, if applicable;

(f) Name and telephone number of person to be called in an emergency if the parent cannot be located; and

(g) Name and telephone number of person(s) to whom the child may be released.

(5) The operator shall obtain the following information in writing from parent(s) of each infant and toddler before admission:

(a) Schedule of feeding;

(b) Types of food introduced and timetable for new foods;

(c) Toilet and diapering schedule;

(d) Sleep schedule;

(e) Child's way of communicating and being comforted; and

(f) Developmental and health history of any problems that could affect the child's participation in child care.

(6) The operator shall obtain the following written authorizations from parent(s) of each child before admission:

(a) Permission for the center to obtain emergency medical treatment for the child. The emergency medical release shall be:

(A) On a form accepted by the medical treatment facility used by the operator for emergency medical services; and

(B) Immediately accessible to all staff.

(b) Permission for the center to call an ambulance or take a child to an available physician or medical treatment facility; and

(c) Approval when applicable for:

(A) Participation in field trips; and

(B) Participation in swimming or wading activities, both on and off the premises of the center.

(7) A center shall maintain separate information and authorization forms on each child in care.

(8) An opportunity shall be given for each child, with his/her parent(s), to have a pre-placement visit to the center and for the center staff to exchange information with the parent(s).

(9) No child under six weeks of age shall be enrolled in a center.

### Arrival and Departure

(1) A center shall require that the person bringing a child to the center remain with the child until the child is accepted by staff.

(2) A center shall release a child only to a parent or another person named and identified by the parent(s). The operator shall verify the identification of any person, other than the parent, who picks up a child.

(3) If a school-age child arrives at or leaves the center without a parent, there shall be arrangements in advance, in writing, from the parent(s) for the arrival and departure times and what to do if a child has not arrived at the center by the expected time.

### Record Keeping

(1) The operator shall keep all records, except those specified in OAR 414-300-0060(1)(d)(F), for at least two years, and staff and children's records for two years after termination of employment or care. These records shall be available at all times to CCD:

(a) Complete and current information on each child as required in OAR 414-300-0040(4) and (6);

(b) Records of daily attendance showing:

(A) The date of employment, time of arrival and departure, and room assignment for each staff; and

(B) The date, name of each child in attendance, and time of arrival and departure. The record must show the children in attendance at any given time;

(C) The current day's attendance record shall be maintained in the child's classroom in paper format.

(c) Personnel record for each staff, which shall include:

# ADMINISTRATIVE RULES

- (A) Name, address and telephone number of staff;
  - (B) Position in center;
  - (C) Written verification (such as transcripts, payroll records, time sheets, documented resumes, notes regarding telephone conversations, etc.) that the person possesses the qualifications for the position;
  - (D) Verification that the staff is currently enrolled in the Central Background Registry;
  - (E) Statement of the staff's duties;
  - (F) Record of current health-related training, such as CPR, Life Support, Life Saving, and First Aid, and current food handler certifications, as appropriate;
  - (G) Driving record, driver's license number and expiration date if the person is to transport children; and
  - (H) Documentation of dates and participation in orientation, training, and staff development activities, as required in OAR 414-300-0120.
- (d) A written record of:
- (A) A death of or injury to a child, as specified in OAR 414-300-0030(3);
  - (B) Dates and times of the practices of emergency procedures;
  - (C) Child abuse reports made to the Department of Human Services Child Welfare (DHS) or a law enforcement agency;
  - (D) Authorizations to administer medication to a child, as specified in OAR 414-300-0230(1)(a);
  - (E) Medications dispensed, as specified in OAR 414-300-0230(1)(d);
  - (F) Meals and snacks provided by the center for the previous three weeks;
  - (G) The program of activities for each group of children, as specified in OAR 414-300-0300; and
  - (H) The daily schedule for each group of children, as specified in OAR 414-300-0290.

(2) The operator shall allow custodial parent(s), upon request, to review records and reports, except for child abuse reports, maintained on their own children.

## 414-300-0070

### General Requirements

(1) The operator shall establish a system of job descriptions, staff selection, and staff evaluation that ensures that staff:

- (a) Have competence, sound judgment, and self-control in working with children;
- (b) Are mentally, physically, and emotionally capable of performing assigned duties related to child care; and
- (c) Have the required training and/or experience for the position for which they are hired.

(2) There shall be a person or persons on the staff who meet(s) the qualifications of director (OAR 414-300-0080) and head teacher (OAR 414-300-0090). A person assigned the duties of the position must meet the qualifications of the position.

(3) Notwithstanding OAR 414-300-0120(3), there shall be at least one person in the center at all times who has current certification in first aid and CPR.

(4) Any staff with evidence of a child care-restrictable disease, as defined in OAR 333-019-0010, symptom of physical illness, as defined in OAR 414-300-0220(1), or mental incapacity that poses a threat to the health or safety of children shall be relieved of his/her duties.

(5) If there is evidence which casts doubt on the physical or mental competence of a person to care for children or have access to children, CCD may require that the operator provide CCD with an evaluation, or other information, as specified by CCD.

(6) No one shall have access to child care children or be in the center during child care hours who has demonstrated behavior that may have a detrimental effect on a child. This includes any individual in the center who has or may have unsupervised access, however brief, to child care children (i.e., the owner, the operator, all child care staff, maintenance staff who work on-site during hours of operation, volunteers who may be left alone with children, etc.). This does not apply to parents of children in care when they drop off and pick up their children:

(a) The operator, all child care staff and others as described in section (6) above 18 years of age or older shall be enrolled in CCD's Central Background Registry prior to the issuance of an initial or renewal certification;

(b) Prior to any new staff, including a director, or individual being on-site at the center during child care hours, the staff/individual shall be enrolled in the Central Background Registry and the center shall receive verification from CCD of the enrollment. This does not apply to parents of children in care unless they are assisting in the provision of child care. Volunteers may be exempt from this rule, as specified in OAR 414-300-0070(7);

(c) When a center is notified by CCD that a staff member or other individual has been removed from the Central Background Registry, the center shall not permit the staff member or other individual to have access to child care children;

(d) If any person listed in section (6) and section (6)(a) of this rule has been charged with, arrested for, or a warrant is out for any of the crimes which CCD has determined indicate behavior which may have a detrimental effect on a child, with final disposition not yet reached, certification will be denied or suspended until the charge, arrest, or warrant has been resolved if the person continues to operate, be employed in, or have access to children in the center;

(e) If a criminal record check shows that a warrant has been issued for any person checked, CCD will inform the originating law enforcement agency of the person's name, address, and telephone number.

(7) Volunteers must meet the following requirements:

(a) If volunteers are counted in determining the staff/child ratios, they must meet the qualifications of the position they are filling and be enrolled in the Central Background Registry;

(b) If volunteers may have unsupervised access to children, they must be enrolled in the Central Background Registry;

(c) If volunteers do not have unsupervised access to children at any time, including during emergencies, the center must have a written policy to this effect, the policy must be known to all center staff and volunteers, and the volunteers do not have to be enrolled in the Central Background Registry.

(8) No person shall smoke or use smokeless tobacco in the child care area during child care hours. No person shall smoke or use smokeless tobacco in motor vehicles while child care children are passengers.

(9) Alcohol and non-prescribed controlled substances shall not be consumed or stored in the child care area during child care hours. Staff or volunteers who appear to be under the influence of alcohol or non-prescribed controlled substances shall not be in the center during child care hours.

### Director — Qualifications and Duties

(1) The director shall:

(a) Be at least 21 years of age; and

(b) Have:

(A) At least one year of training and/or experience in management and supervision of adults; and

(B) Have knowledge of child development for the primary ages served in the center, as evidenced by a combination of professional references, education, experience or training; or

(C) Documentation of attaining at least step nine in the Oregon Registry, or

(c) Have:

(A) One year of training and/or experience in management and supervision of adults OR have knowledge of child development for the primary ages served by the center as evidenced by a combination of professional references, education, experience or training; and

(B) A plan, approved by CCD, that shows how the missing component in (A) above will be addressed and how the program will be operated until the director has obtained the training, experience or knowledge.

(2) The director of the center shall be accountable for:

(a) Administrative functions, including, but not limited to: financial management; maintaining records; budgeting; policy development; ensuring the appropriateness of program activities according to age and developmental levels of children; staff orientation; management and training; maintenance of buildings and grounds; meal planning and preparation; and transportation, if provided; and

(b) Operating the center in compliance with certification requirements (OAR 414-300-0000 through 414-300-0410).

(3) If head teacher qualifications (OAR 414-300-0090) are met by the director, that person may serve as head teacher for the age range of children for which she/he is qualified if she/he works full-time in the center:

(a) If the center is certified for less than 40 children, the director may serve as head teacher and have regular teaching duties, if qualified;

(b) If the center is certified for 40 or more children, the director may serve as head teacher, but shall have no regular teaching duties.

(4) A director responsible for a center certified for fewer than 100 children shall be in the center at least one-third of the hours that the center is in operation. The hours shall be calculated on a weekly basis, except for planned vacations and emergency absences. The time on-site must include time spent directly observing staff and children.

(5) A director responsible for a center certified for more than 100 children can be responsible for only one site. The director shall be in the center at least half of the hours that the center is in operation. The hours shall be calculated on a weekly basis, except for planned vacations and emergency

absences. The time on-site must include time spent directly observing staff and children.

(6) The director, or a substitute director, shall be on the premises during all hours of operation.

(7) The substitute director shall:

- (a) Meet at least the qualifications of a teacher;
- (b) Be familiar with the certification requirements;
- (c) Be authorized, able, and available to correct a deficiency that might be an immediate threat to children's health or safety; and
- (d) Have on file documentation of an orientation and training in these administrative rules and the functions and duties of a director.

(8) Whenever a director is absent from the center, the name of the substitute director shall be posted in the center, as required in OAR 414-300-0030(1).

### School-Age Multi-Site Programs — Additional Staff

(1) In a multi-site program, the operator shall develop a written plan which shows:

- (a) How the administrative functions in section OAR 414-300-0080(2)(a) will be met; and
- (b) How Head Teacher functions in OAR 414-300-0090(2)(a) and (b) will be met.

(2) All staff of school-age multi-site programs shall meet qualifications for the position they hold, as specified in OAR 414-300-0080, -0090, -0100 and -0110, unless otherwise specified in this section.

(3) If the multi-site program does not have a director, the site coordinator and the site director/supervisor shall jointly perform the functions of director.

(4) A site coordinator shall:

- (a) Be at least 21 years of age;
- (b) Have at least one year of training and/or experience in management and supervision of adults;
- (c) Be authorized, able and available to correct deficiencies; and
- (d) If acting as a substitute teacher, be teacher qualified.

(5) A site coordinator shall be at each site on a monthly basis during the hours of operation. The time at each site must include time spent directly observing staff and children.

(6) A site director/supervisor shall:

- (a) Be at least 18 years of age;
- (b) Be at least teacher-qualified;
- (c) Be authorized, able and available to correct deficiencies; and
- (d) If the facility is certified for 40 or more children, not have teaching duties unless the number of children on site is less than 40.

(7) A site director/supervisor shall be on site at least one-half of the hours, calculated on a weekly basis, that the school-age program is in operation.

(8) If a school-age multi-site program does not have a head teacher at each site, a designated head teacher for the multi-site program shall observe at each site on a monthly basis during the hours of operation.

### Staff Training

(1) All new staff shall receive an orientation within the first two weeks of employment. Orientation shall ensure that staff are familiar with the contents of the orientation, as described below, and shall include, but is not limited to:

- (a) Individual responsibilities in the event:
  - (A) The building must be evacuated (e.g., fire);
  - (B) An emergency requires staff and children to remain inside under unusual circumstances (e.g., power outage, environmental hazard); or
  - (C) A child or staff is injured or becomes ill;
- (b) These requirements (OAR 414-300-0000 through 414-300-0410);
- (c) The center policies, as required in OAR 414-300-0030; and
- (d) Procedures for reporting suspected child abuse or neglect.

(2) The operator shall have documentation for each staff person of the date and type of orientation received and the person providing the orientation.

(3) Within the first 90 days of employment, all staff who function as teachers and count in staff/child ratios, with the exception of substitute teachers, shall:

- (a) Complete training on recognizing and reporting child abuse and neglect or have documentation of having completed such training; and
- (b) Complete first aid and CPR training or have current certification in first aid and CPR on file. First aid and CPR training must be kept current during employment at the center. First aid training shall include the following components: bleeding; burns; poisoning; choking; injuries; shock; seizures; sprains and breaks; dental emergencies; and head injuries.

(4) Key people in food preparation must have food handler certification, pursuant to ORS 624.570, within 30 days of employment or have current certification on file. Food handler's training must be kept current during employment at the center. Key people include cooks, kitchen staff who handle food, and classroom staff who serve meals from a communal source.

(5) The director, head teacher, and all teachers shall participate yearly in at least 15 clock hours of training or education related to child care, of which at least eight clock hours shall be in child development or early childhood education:

- (a) A head teacher whose qualifications for the position are based solely on work experience shall emphasize training in child development and early childhood education for the first two years of employment;

# ADMINISTRATIVE RULES

(b) Training may include correspondence courses, conferences, workshops, or audiovisual programs.

(c) A planned reading program of professional materials may count for up to 6 hours of the fifteen clock hours of training and must include a written assessment of reading materials completed by each participating staff person.

(d) The center shall record each person's training showing the subject matter, the date completed, and the number of clock hours of training in each certification year.

(6) During the first year of employment, a staff person may count orientation, first aid and CPR, food handler's training, if applicable, and child abuse and neglect training as part of the 15 clock hours of training.

(7) During subsequent years of employment, a staff person may count 5 hours of first aid and CPR training or food handler's training as part of the 15 clock hours of training.

(8) Staff meetings shall not count as training.

### Staff/Child Ratios and Group Size

(1) The number of caregivers and group size shall be determined by the number and ages of the children in attendance.

(2) The maximum number of children in a group and the ratio of caregivers to children specified in Table 3A of this rule shall apply, except that:

(a) When all toddler, preschool and school-age children are at rest, the situation permits, and the room is arranged so all children are supervised, there may be one teacher or Aide II supervising the resting room. As children awaken and become active, additional staff shall be added to return ratios to those in Table 3A. Sufficient staff to meet the required ratio shall be in the facility and able to be summoned by the caregiver without leaving the resting room; and

(b) Maximum group size shall not apply to field trips, outdoor play, planned large group activities, napping and eating. Staff/child ratios shall apply to these activities.

(c) Centers with certification in effect on July 15, 2001, shall comply with age groupings, staff/child ratios and group size in either Table 3A or Table 3B for as long as the facility is continuously used for child care, under the following conditions:

(A) The center must choose to operate under Table 3A or Table 3B; centers shall not operate under a combination of both;

(B) If centers wish to change from operating under one set of ratios to operating under the other set of ratios, the change shall occur at the time of certification renewal; and

(C) Centers may change options only twice. [Table not included. See ED. NOTE.]

(3) Children shall at all times have the full attention of the appropriate number of staff. Children shall be within sight and sound of a caregiver at all times, except as specified below.

(a) School-age children shall be within sight and/or sound of staff at all times, and staff shall be near enough to children to respond when needed. Children out of direct visual contact shall be monitored regularly and frequently and must be in approved activity areas. A written plan regarding the use and monitoring of these activity areas must be approved by CCD.

(b) School age programs with toilet facilities or activities off-site shall have a written plan, approved by CCD, to assure accountability for all children.

(4) At least one caregiver who meets the qualifications of a teacher (OAR 414-300-0100) shall supervise each group of children.

(5) In a mixed group of older toddler, preschool and school-age children, the number of caregivers shall be determined by the age of the youngest child in the group.

(6) If there are four or fewer children of any age in care for 45 minutes or less directly after opening or directly before closing, OAR 414-300-0300(10) does not apply and infants and younger toddlers may be included with older children. The staff shall be teacher-qualified in one of the represented age groups and the staff/child ratio must be 1:4.

(a) Each age group must have age appropriate activities, equipment and toys available for use; and

(b) If infants or toddlers are part of the multiple age group, a diaper changing area must be located in the room being utilized for care.

(7) Any time there are children in care,

(a) There shall be a staff person and one other adult on site. The other adult shall be enrolled in the Central Background Registry and shall be physically available to be called on by staff, if needed; or

(b) There shall be a written plan, approved by CCD, for a second caregiver to be available within 5 minutes for emergencies. The name and telephone number of the emergency back-up shall be known to all staff who work alone.

### Indoor Space

(1) There shall be a minimum of 35 square feet of indoor activity area per child. Space considered in determining the facility capacity shall be available for use by children at all times, shall be used exclusively for child care during the hours of operation and shall be determined on a room-by-room basis. The following shall not be counted as part of the 35 square feet per child requirement: heating units; storage areas; teachers' desks; large permanent equipment; any space not useable by children. Cribs will be counted as useable space if the space underneath the cribs is accessible to children.

(2) A school-age program shall have a minimum of 50 square feet of indoor activity area per child or may have a minimum of 35 square feet of indoor activity area per child if:

(a) The children in care have access to a larger gross motor area, either indoor or outdoor, on a daily basis; or

(b) The center has a plan, approved by CCD, which addresses how the gross motor needs of children in care will be met.

(3) In a room used by more than one group of children not yet attending kindergarten, the area occupied by each group shall be defined by use of portable or permanent room dividers or program equipment that stand above the eye level of the children who use the area. Rooms used only for large group activities (e.g., eating, napping, large muscle activities) are exempt from this requirement.

(4) Storage space shall be available for each child's clothing and personal possessions.

(5) Storage space shall be available for play equipment, teaching equipment and supplies, records and files, cots, mats, and cleaning equipment and supplies.

### Outdoor Space

(1) There shall be an outdoor activity area which the children can reach safely. If an outdoor activity area is not next to the center, or not under the control of the center during hours of operation, it cannot be used without the specific approval of CCD.

(2) There shall be at least 75 square feet of outdoor space for each child using the area at one time. In centers where groups of children are scheduled at different times for outdoor play, there shall be 75 square feet times one-third of the center's capacity, if permitted by local zoning regulations

(3) The outside activity area shall:

(a) Be suitably surfaced. All pieces of playground equipment shall be surrounded by a resilient surface of an acceptable depth or by rubber mats manufactured for such use, according to standards of the US Consumer Product Safety Commission;

(b) Be well drained;

(c) Be kept free of litter, solid waste and refuse, ditches, or other conditions presenting a potential hazard; and

(d) Be equipped to provide age-appropriate activities for gross motor development.

(4) The outdoor activity area of a center serving children not yet attending kindergarten shall be enclosed by a barrier (fence, wall, or building) at least four feet high. Centers with certification in effect on July 15, 2001, must comply with a barrier at least three feet high until such time as the existing barrier is replaced. Spacing between vertical slats of a fence shall be no greater than 4 inches. Fences must meet applicable local codes.

### Fire Protection

(1) The building, occupant load and means of egress, including the number of exits, exiting distances, doors and exit illumination and signs, shall meet the requirements of the Oregon Structural Specialty Code.

(2) Rooms used for child care shall not be located above or below the ground floor, except as allowed by the Oregon Structural Specialty Code.

(3) Fire Extinguishers

(a) There shall be at least one 2A-10BC-rated fire extinguisher in the center;

(b) Fire extinguisher(s) shall be placed as recommended by the fire marshal.

(4) Smoke Detectors:

(a) Smoke detectors shall be installed in all areas where children nap;

# ADMINISTRATIVE RULES

(b) When the center's capacity is 50 or more, an approved manual fire alarm system shall be provided, as required by the Oregon Structural Specialty Code;

(c) Smoke detectors shall be tested each month.

(5) Obstructions, including furniture, storage of supplies, or any other items shall not be placed in corridors, stairwells or exit ways.

(6) Candles or other open flame decorative devices are prohibited, except for the brief use of celebratory candles.

(7) There shall be written evidence that any wood stove in the building has been inspected and approved for use by the local building official.

### Hazards and Emergencies

(1) Protection from Hazards:

(a) Glass surfaces subject to impact by children shall be of safety glass and marked at a child's eye level or have a protective barrier in place.

(b) Electrical outlets accessible to children not yet attending kindergarten shall have protective caps or safety devices when not in use.

(c) All stairways with three steps or more used by children shall have handrails installed a minimum of thirty inches to a maximum of thirty-four inches above the stair tread.

(d) Protective barriers shall be used in any hazardous location accessible to a child.

(e) A movable barrier, such as a mesh-type gate, shall be placed at the top and/or bottom of all stairways accessible to infants and toddlers. Gates and enclosures should have the Juvenile Products Manufacturers Assn. (JPMA) certification seal to ensure safety.

(f) Lights shall be protected from hazards or breakage by installation of covers or shields.

(g) All rooms used by staff and children shall have adequate lighting.

(h) Floors shall be free of splinters, large or unsealed cracks, sliding rugs, and other hazards.

(i) Items of potential danger to children (e.g., cleaning supplies and equipment, poisonous and toxic materials, paints, plastic bags, aerosols, detergents) shall be:

(A) Kept in the original container or labeled;

(B) Secured by a child-proof lock or latch;

(C) Stored in an area not used by children; and

(D) Stored separately from food service equipment and supplies.

(j) Lead-based paint or other toxic finishing materials shall not be used on walls, furnishings, toys, or any other equipment, materials or surface which may be used by children or are within their reach.

(k) The possession and/or storage of firearms and ammunition are prohibited in the center.

(l) Other hazards observed in the certification process must be corrected.

(2) Preparation for Emergencies

(a) A portable emergency light source, in working condition, shall be available with each group of children.

(b) Telephone service shall be accessible and available in the center at all times when children are in care.

(c) The center must have a system in place to ensure that parents can have contact with facility staff at all times when children are in care.

(d) Telephone numbers for fire, emergency medical care, and poison control shall be posted on or near all telephones. Portable telephones must have emergency numbers on the phone.

(e) Written instructions for evacuating the building, including a map illustrating exiting, shall be posted in each room children use.

(3) Emergency Plan

(a) The center shall have a written plan for handling emergencies, including, but not limited to, fire, acute illness of a child or staff, floods, earthquakes, and evacuation of the facility. The plan must include:

(A) How the center will ensure that parents or the parents' emergency contacts can be reached in person;

(B) Designation of an alternate site in the event of evacuation;

(C) How the center will inform parents where children will be located in the event of evacuation;

(D) An accessible file of emergency contact numbers for children and staff; and

(E) Designation of a staff member(s) to take the emergency contact numbers file to the evacuation site in the event of an evacuation.

(b) All staff shall be familiar with the emergency telephone numbers and emergency procedures.

(c) Fire drills shall be practiced monthly. In addition, one other aspect of the emergency plan shall be practiced every other month.

(A) The director shall keep a written record of the type, date, time, and duration of the practices.

(B) If a center has on-site swimming or is responsible for off-site swimming, the practices must include pool and swimming safety.

(d) Fire and other emergency exiting shall not be through a swimming pool area.

### Sanitation

(1) Water Supply:

(a) The center's water supply shall be continuous in quantity and from a water supply system approved by the Health Division.

(b) There shall be safe drinking water available to children that is supplied in a sanitary manner. Drinking water shall not be obtained from bathroom sinks or diaper changing sinks.

(2) Heat and Ventilation:

(a) The center shall be ventilated, by natural or mechanical means, and shall be free of excessive heat, condensation, and obnoxious odors.

(b) Room temperature shall be at least 68° F. (20 C.) and not so warm as to be dangerous or unhealthy in the center when children are present.

(c) After painting or laying carpet, the building must be aired out completely for at least 24 hours with good ventilation before children are allowed to return.

(3) Insect and Rodent Control:

(a) The center shall be in such condition as to prevent the infestation of rodents and insects.

(b) Doors and windows used for ventilation shall be equipped with fine-meshed screens.

(c) Automatic insecticide dispensers, vaporizers, or fumigants shall not be used.

(4) Maintenance:

(a) The building, toys, equipment, and furniture shall be maintained in a clean and sanitary condition:

(A) Kitchen and toilet rooms shall be cleaned when soiled and at least daily;

(B) The isolation area shall be thoroughly cleaned after each use and all bedding laundered before it is used again;

(C) Door knobs and cabinet pulls in toilet rooms and diaper changing areas shall be sanitized daily;

(D) All clean linen shall be stored in a sanitary manner;

(E) Soiled bed linen and clothing shall not be stored in food preparation or food storage areas, and shall be inaccessible to children;

(F) Floors, walls, ceilings, and fixtures of all rooms shall be kept clean and in good repair;

(G) All food storage areas shall be kept clean and free of food particles, dust, dirt, and other materials;

(H) Cribs, mats, and cots shall be sanitized with a sanitizing solution at least once a week and upon change of occupant. If visibly soiled, items must be cleaned prior to sanitizing.

(I) Bedding shall be cleaned when soiled, upon change of occupant and at least once a week;

(J) Water tables and toys used in water tables shall be emptied and sanitized daily;

(K) When a chemical, such as chlorine, is used for sanitizing, a test kit that measures the parts per million concentration of the solution shall be used to ensure the proper concentration; and

(L) Cloths, both single use and multiple use, used for wiping food spills on utensils and food-contact surfaces shall be kept clean and used for no other purpose. Cloths that are reused shall be stored in a sanitizing solution between uses.

(b) The center shall be kept hazard-free, in good repair, and free of litter or rubbish and unused or inoperable equipment and utensils.

(5) Infant and Toddler Care:

(a) The following shall be sanitized immediately after each use. If visibly soiled, items must be cleaned prior to sanitizing:

(A) A bathtub or other receptacle used for bathing a child;

(B) A diaper-changing table;

(C) High chairs, tables and chairs;

(D) Toys that infants and toddlers put in the mouth; and

(E) Toilet training seat inserts.

(b) Pacifiers must be labeled, stored individually and sanitized after contamination. The health department must approve methods of sanitation.

(c) A sanitizing solution shall be kept in each diaper changing area ready for immediate use. This solution need not be stored in a locked cabinet but must be out of children's reach.

(6) Hand washing:

(a) Staff and children shall wash their hands with soap and warm running water after using the toilet or wiping the nose, and before and after eating.

(b) Staff shall wash their hands with soap and warm running water before and after changing a diaper, before and after feeding a child or handling food and after assisting a child with toileting or wiping the nose.

# ADMINISTRATIVE RULES

(c) Infants' and children's hands shall be washed with soap and warm running water after diaper changing.

(d) Commercial products labeled "hand sanitizers" shall not replace hand washing. If hand sanitizers are present in the center, they shall be kept under child-proof lock and shall not be used by children.

(e) When hand washing is not possible, e.g. on field trips and on the playground, moist towelettes shall be used.

(7) Waste Disposal:

(a) All sewage and liquid wastes shall be collected, treated, and disposed of in compliance with the requirements of the Department of Environmental Quality.

(b) All garbage, solid waste, and refuse shall be disposed of at least once a week.

(c) All garbage shall be kept in watertight, non-absorbent, and easily washable containers with close-fitting lids.

(d) Diaper disposal containers shall be approved by the environmental health specialist.

(e) All garbage storage areas and garbage containers shall be kept clean.

(f) All rubbish and garbage storage shall be inaccessible to children.

### Toilet Facilities

(1) Toilets:

(a) Toilet rooms shall have at least one flush toilet for each 15 children in the center 36 months old or older.

(b) Urinals may be substituted for not more than one-half the required number of toilets, as long as there is at least one toilet in each toilet room and at least two toilets in the center. Facilities built after July 15, 2001, specifically as child care centers shall not substitute urinals for the required number of toilets.

(c) Toilet facilities shall provide privacy for school age children.

(2) Hand washing Sinks:

(a) There shall be at least one hand washing sink with mixing faucets for every two toilets. Centers with certification in effect on July 15, 2001, shall comply with the requirement for mixing faucets when toilet facilities are remodeled.

(b) A sink used for hand washing, bathing, or diaper-changing shall not be used in any way for preparation of food or drinks, or for dish washing.

(c) Hot and cold running water, as well as soap and paper towels dispensed in a sanitary manner, shall be provided at each hand washing sink. Other hand drying options must be approved by the environmental health specialist.

(d) Self-closing metered faucets shall be designed to provide water flow for at least 15 seconds without the need to reactivate the faucet. Centers with certification in effect on July 15, 2001, shall comply with the water flow requirement for self-closing metered faucets when toilet facilities are remodeled.

(e) Drinking fountains shall not be installed at sinks. If installed at sinks, the fountains shall not be used as a source of drinking water.

(3) If toilets or hand washing sinks are adult size, easily-cleanable steps or blocks shall be provided so that preschool age children can use the toilets and sinks without adult assistance.

(4) Bathrooms shall have smooth, washable, easily-cleanable walls and floors.

(5) Infants and Toddlers — In a center serving children under 36 months old, there shall be:

(a) At least one flush toilet in or adjacent to each older toddler area;

(b) One toilet with training seat, or child-size toilet, for every ten older toddlers. Potty chairs are prohibited;

(c) At least one diaper-changing table in or adjacent to each activity and sleeping room. Each table shall have a surface that is non-absorbent and easily cleaned. The diaper-changing policy shall be posted above each table;

(d) A hand-washing sink in each diaper changing area, except that centers with certification in effect on July 15, 2001, shall comply with this requirement when the diaper changing area is remodeled; and

(e) A bathtub, bathinette, plastic basin, or similar size shallow sink available for bathing children.

### Kitchens

(1) Kitchens shall have facilities for dish washing, storage, and preparation of food. The kitchen shall be separate from any child caring areas.

(2) If there is no kitchen in the center and if meals or snacks are not catered, the center shall observe the requirements in OAR 414-300-0280(8).

(3) The walls, floors, and floor coverings of all rooms in which food or drink is prepared or stored, or utensils are washed or stored, shall be smooth, washable, and easily cleanable.

(4) All equipment and utensils used for food service, including plastic ware and food-contact surfaces, shall be:

(a) Easily cleanable;

(b) Durable;

(c) Nontoxic;

(d) Nonabsorbent; and

(e) Maintained in a clean and sanitary condition.

(5) All equipment used for food preparation shall be installed and maintained in a manner providing ease of cleaning beneath, between, and behind each unit.

(6) A center shall have a:

(a) Mechanical dishwasher that meets the requirements in the Health Division's administrative rules, OAR 333-150-0000; or

(b) Compartmentalized sink that meets the requirements in the Health Division's administrative rules, OAR 333-150-0000;

(c) Centers with a maximum capacity of 19 children may use a light commercial dishwasher approved by the National Sanitation Foundation.

(7) There shall be separate sinks in the kitchen designated by the environmental health specialist for hand washing, for food preparation activities, and for dishwashing activities:

(a) The sink designated for hand washing shall be equipped with soap and paper towels dispensed in a sanitary manner and posted with a hand washing sign;

(b) In centers in which there is not a sink provided for food preparation, a sink used for dishwashing may be used as long as dishwashing activities do not interfere with sanitary food preparation, and the sink is sanitized before being used for food preparation;

(c) Sinks in the kitchen shall be used exclusively for food service activities;

(d) Centers newly constructed or remodeled after July 15, 2001, shall meet the requirements for hand washing sinks established by State Building Code, as defined in ORS Chapter 455.

(8) Children shall not be allowed in the kitchen except for a supervised learning activity.

### Infant and Toddler Furniture and Equipment

(1) Each infant shall have a crib, portable crib, or play pen with a clean, non-absorbent mattress that meets the following requirements:

(a) Each crib shall be of sturdy construction with vertical slats no more than 2 3/8" apart;

(b) Locks and latches on the dropside of a crib shall be safe and secure from accidental release or release by the infant inside the crib;

(c) Cribs shall not be used with the dropside down;

(d) Each mattress shall fit snugly;

(e) Each mattress shall be covered by a sheet;

# ADMINISTRATIVE RULES

(f) Crib bumpers, if used, shall be easily cleanable, durable, and not dangerous to children;

(g) There shall be no restraining devices of any type used unless prescribed by a physician; and

(h) Wall or stacking cribs shall not be used.

(2) Sleeping arrangements other than cribs, portable cribs or playpens must be approved by CCD.

(3) There shall be at least two feet of space between cribs, portable cribs or play pens when in use. They shall be arranged in a manner that allows for a direct, unobstructed passage to each child.

(4) If high chairs are used, they shall have:

(a) A broad base to prevent tipping;

(b) A latch to keep a child from raising the tray; and

(c) Straps to prevent a child from sliding out.

(5) If clip-on table chairs are used, they shall have straps to prevent a child from sliding out.

(6) There shall be at least one adult-sized chair for each group of infants and toddlers.

(7) Cribs, portable cribs, playpens, and high chairs must meet US Consumer Product Safety Commission or equivalent standards.

(8) The use of infant walkers is prohibited.

(9) Car seats are to be used for transportation purposes only. Children who arrive at the center asleep in a car seat may remain in the car seat until they awake.

(10) The use of baby equipment shall not substitute for providing a variety of stimulating experiences.

### Illness or Injury

(1) Illness:

(a) A center shall not admit or retain in care, except with the written approval of the local health officer, a child who:

(A) Is diagnosed as having or being a carrier of a child care-restrictable disease, as defined in Health Division administrative rules, OAR 333-019-0010; or

(B) Has one of the following symptoms, or combination of symptoms, of illness:

(i) Fever over 100 degrees F taken under the arm;

(ii) Diarrhea (more than one abnormally loose, runny, watery or bloody stool);

(iii) Vomiting;

(iv) Nausea;

(v) Severe cough;

(vi) Unusual yellow color to skin or eyes;

(vii) Skin or eye lesions or rashes that are severe, weeping, or pus-filled;

(viii) Stiff neck and headache with one or more of the symptoms listed above;

(ix) Difficult breathing or abnormal wheezing; or

(x) Complaints of severe pain.

(b) A child who shows signs of illness, as defined in this rule, shall be isolated and the parent(s) notified and asked to remove the child from the center as soon as possible;

(c) If a child has mild cold symptoms that do not impair his/her functioning, the child may remain in the center and the parent(s) notified when they pick up their child;

(d) A specific place for isolating a child who becomes ill shall be provided. The isolation area:

(A) Shall be located where the child can be seen and heard by staff; and

(B) Shall be equipped with a cot, mat, or bed for each sick child.

(e) An outbreak of a child care restrictable disease, as defined in OAR 333-019-0010, or food poisoning shall be reported immediately to the local health department and posted for the parents of all children who attend the facility.

(2) Injuries:

(a) The operator shall have written procedures for handling injuries that shall be made known to all staff, including:

(A) Procedure for taking a child to emergency medical care;

(B) Routine for treatment of minor injuries; and

(C) First aid measures for serious accidents.

(b) First aid supplies and a chart or handbook of first aid instructions shall be maintained in one identified place away from food and food-contact surfaces and be available for staff use but kept out of reach of children:

(A) The first aid supplies shall include Band-Aids, adhesive tape, sterile gauze pads, soap or sealed antiseptic towelettes or solution to be used as a wound cleaning agent, scissors, disposable plastic gloves for handling blood spills, chlorine bleach for sanitizing after a blood spill, and a sanitary temperature-taking device;

(B) Separate first aid supplies and a copy of each child's medical release form shall be taken on all field trips away from the immediate neighborhood.

(c) Injuries or accidents shall be reported to the child's parent(s) on the day of occurrence:

(A) A written report of the injury or accident shall be maintained on file;

(B) The report shall include the date, child's full name, nature of the injury, witnesses, action taken, and the signatures of reporting staff and parent(s).

(d) The injury to or death of a child shall be reported to CCD in accordance with OAR 414-300-0030(3)(a) and (b).

(3) Emergency Medical Care:

(a) The operator shall identify a licensed physician, hospital, or clinic to be used for emergency medical care;

(b) In the event of an illness or injury which requires immediate medical care, the director or the substitute director is responsible for securing such care and notifying the parent(s).

### Medications

(1) No prescription medication or non-prescription medication, including, but not limited to, pain relievers, sunscreen, cough syrup, diapering and first aid ointments or nose drops, may be given to a child except under the following conditions:

(a) A signed, dated, written authorization by the parent(s) is on file;

(b) Prescription medication is in the original container and labeled with the child's name, name of the drug, dosage, directions for administering, date, and physician's name;

(c) Non-prescription medication is in the original container, labeled with the child's name, dosage, and directions for administering; and

(d) A written record of all medications administered listing, as a minimum, the name of the child, type of medication, the signature of the person administering the medication, date, time, and dosage given, shall be kept.

(2) All medications shall be:

(a) Secured in a tightly-covered container with a child-proof lock or latch; and

(b) Stored in an area not used by children.

(3) Medications requiring refrigeration shall be kept in the refrigerator in a separate tightly-covered container, with a child-proof lock or latch, clearly marked "medication".

(4) Parent(s) shall be informed daily of medication administered to their child.

### Animals in the Center

(1) Animals shall be in good health, show no evidence of carrying any disease, and be a friendly companion for the children.

(a) When immunizations are required, proof of current compliance signed by a veterinarian shall be on file at the center.

(b) Dogs and cats shall be maintained on a flea, tick and worm control program. Products toxic to humans are prohibited.

(c) Animals shall be cared for as recommended by a veterinarian.

(2) Reptiles (e.g., lizards, turtles, snakes, iguanas), frogs, monkeys, hook-beaked birds, baby chicks, ferrets, and potentially aggressive animals are prohibited. Educational programs which include prohibited animals and are run by zoos, museums and other professional animal handlers are permitted.

(3) Parent(s) shall be informed in writing of any animal in the center.

(4) Animals, except fish, shall not be in classrooms for infants or toddlers.

(5) The center shall have and follow written procedures for the care and maintenance of the animals in the center.

(6) Animals shall be kept in an approved cage for the type of animal. Cages shall have removable bottoms and shall be kept clean and sanitary.

(7) Animal litter boxes shall not be located in areas accessible to children.

(8) There shall be assigned staff who are responsible for the handling, care and feeding of the animal(s).

(a) The cleaning of cages shall not be done in areas used for food preparation, storage or serving.

(b) Staff must immediately and thoroughly wash their hands after handling animals or cleaning cages.

# ADMINISTRATIVE RULES

(c) The cleaning of cages shall be scheduled when children are not present.

(d) Animal food supplies shall be kept out of the reach of children and stored separately from food supplies and equipment. Animal food shall be stored in a manner that does not attract rodents or insects.

(e) Chemicals related to the care of animals shall be kept under lock.

(9) Caregivers shall always be present when children are exposed to animals.

(10) If children are allowed to handle animals, they shall immediately and thoroughly wash their hands after handling.

### Food Selection, Storage, and Preparation

(1) All food and drink provided by the center shall be selected, stored, prepared, and served in a sanitary manner.

(2) Selection:

(a) All food products served by the center shall be obtained from commercial suppliers, except that:

(A) Fresh fruits and vegetables and center-frozen fruits or vegetables may be served;

(B) Home-canned or processed food may be served to a child only when supplied by the child's parent(s); and

(C) The serving of unpasteurized juice is prohibited.

(b) Only Grade A pasteurized and fortified milk shall be served to children.

(A) Powdered milk shall be used only in cooking.

(B) The serving of unpasteurized milk is prohibited.

(3) Storage:

(a) A center shall have at least one refrigerator, in good operating condition, that is adequate to store all potentially hazardous foods. "Potentially hazardous food" means any food or beverage that contains milk or milk products, eggs, meat, fish, shellfish, poultry, cooked rice or beans, and all other previously cooked foods.

(A) A spirit stem (alcohol filled - usually red) thermometer in working condition shall be affixed to the door, or the front edge of the top shelf, of each refrigerator.

(B) Refrigerators equipped with a temperature gauge visible from the exterior are acceptable.

(b) All potentially hazardous food shall, except when being prepared, be kept at 45 degrees Fahrenheit (F) or below, or 140 degrees F or above.

(A) Foods requiring refrigeration after preparation shall be rapidly cooled to a temperature of 45 degrees F or below.

(B) Refrigerated storage space at 45 degrees F or less shall be used to store lunches which contain potentially hazardous food that children bring from home.

(C) A metal stem-type probe thermometer shall be used to ensure food requiring hot storage is maintained at 140 degrees F or above.

(D) Foods that have been cooked, and then refrigerated, shall be reheated rapidly to at least 165 degrees F before being served or placed in a hot food storage unit.

(4) Preparation:

(a) Food shall be prepared with a minimum of manual contact.

(b) Raw fruits and vegetables shall be washed in a clean, sanitized sink before being cooked or served.

(c) Food shall be prepared on food-contact surfaces and with utensils that are clean and have been sanitized.

(d) Food-contact surfaces and utensils shall be cleaned and sanitized after each use and/or whenever there is a change in processing from raw to ready-to-eat foods.

(e) Only approved food additives and preservatives shall be used by the center.

(5) Service:

(a) Each child shall be provided with his/her own individual use utensils for eating and drinking. These may be:

(A) Single service paper and plastic which shall be used once only; or

(B) Multiple use utensils which shall be washed in the prescribed manner between each use (OAR 414-300-0260).

(b) To protect food from contamination:

(A) A suitable dispensing utensil, that is not used for any other purpose, shall be used to transfer a food item to each child's plate or bowl; and

(B) A bowl, platter, pitcher, or dispensing utensil used for serving food or drink shall not be refilled or reused without first being washed and sanitized.

(c) Milk and fluid milk products shall be dispensed from a commercially filled plastic container of not more than one-gallon capacity, individual half-pint containers, or from a refrigerated bulk container equipped with an approved dispensing device.

(A) Milk containers shall be opened immediately before pouring.

(B) Any unused portions left in the original container shall be returned immediately to refrigeration.

(C) Unused portions of milk left in a pitcher shall be discarded.

(d) All food, once removed from the kitchen for service, shall be discarded.

(e) Leftover prepared food which has not been served shall be labeled and dated, rapidly cooled, and used within 36 hours, or frozen immediately for later use.

### Cleaning, Sanitizing, and Storage of Food Service Equipment and Utensils

(1) Tableware and kitchenware (e.g., pots, pans and equipment) shall be washed, rinsed, and sanitized after each use:

(a) When mechanical cleaning and sanitizing methods are used, the requirements in the Health Division's administrative rules, OAR 333-150-0000, Food Sanitation Rules, shall be met;

(b) When manual washing, rinsing, and sanitizing of dishes and equipment is used, the requirements in the Health Division's administrative rules, OAR 333-150-0000, Food Sanitation Rules, shall be met.

(2) Food-contact surfaces of equipment shall be washed, rinsed, and sanitized after each use.

(3) All multi-use utensils and counters, shelves, tables, refrigeration equipment, sinks, drain boards, dish tables, cutting boards, appliances, and other equipment or utensils used for food preparation shall be kept clean and in good repair.

(4) After being sanitized, all tableware, equipment, and utensils shall be air dried.

(5) After being cleaned and sanitized, tableware and utensils shall be:

(a) Stored in a clean, dry place protected from insects, dust, and other contamination; and

(b) Handled in a way that protects them from contamination.

### Nutrition

(1) An operator shall provide or ensure the availability of adequate and nutritious meals and snacks appropriate for the ages and needs of the children served. USDA guidelines will be used to determine if meals and snacks are adequate and nutritious. Foods of minimal nutritional value (e.g., Jell-O, popcorn, desserts, potato chips) shall only be served occasionally and not replace nutritious foods.

(2) Each lunch and dinner served shall equal at least 1/3 of a child's daily nutritional needs. Every meal shall meet USDA guidelines and shall include at least one serving from each of the following groups: fluid milk; breads and grains; meat, fish, poultry or meat alternatives (e.g., dried beans, peanut butter, yogurt or cheese). Each meal shall include two servings of fruits and vegetables. No liquids other than milk and 100% fruit juice shall be counted as part of the daily nutrition.

(3) Each breakfast served shall meet USDA guidelines and shall include at least one serving each of milk, fruit or vegetable, and bread or grain.

(4) Snacks (mid-morning or mid-afternoon) shall meet USDA guidelines and shall consist of food or beverage from at least two of the following food groups: fluid milk; breads and grains; meat, fish, poultry or meat alternatives (e.g., dried beans, peanut butter, yogurt or cheese); fruits and vegetables. No liquids other than milk and 100% fruit juice shall be counted as part of the daily nutrition. A snack shall not consist of only two beverages.

(5) No liquids other than milk, formula, water, and 100 percent fruit juices shall be served to the children in care.

(6) Water shall be freely available to children.

(7) Nutrient concentrates and supplements (protein powders, liquid proteins, vitamins, minerals, and other nonfood substances) shall not be served to a child without a written statement of parental consent and written instructions from a medical practitioner. Special diets, not including vegetarian diets, shall not be served to a child without written instructions from a registered dietician or medical practitioner and written parental consent.

### Meals and Snacks

(1) Meals and snacks provided to children shall meet the following requirements:

# ADMINISTRATIVE RULES

(a) Food services hours may be flexible but there shall be no more than 3-1/2 hours between meals and snacks in any center providing care for the same children 3 1/2 or more consecutive hours;

(b) In a center open morning through afternoon, lunch and morning and afternoon snacks shall be served to the children in care. If breakfast is served in the center to all children, a midmorning snack is not required, as long as there is no more than 3 1/2 hours between meals;

(c) School age children arriving after school shall be served a snack; and

(d) When the planned attendance is prior to 7 a.m. or after 6:30 p.m., a child shall be offered a complete meal if it is not provided or arranged for by the parent(s).

(2) Meals for children shall be:

(a) Prepared on-site;

(b) Catered; or

(c) Provided by the parent(s).

(3) During the service and eating of meals and snacks, the appropriate number of staff to meet staff/child ratios shall be engaged with the children in food-related activities.

(4) Proper hand washing, as specified in OAR 414-300-0180(6) shall be practiced prior to and after eating meals or snacks.

(5) When parent(s) provide food for the meal:

(a) Food shall be brought on a daily basis and be ready to eat;

(b) All food and beverage containers shall be labeled with the child's name;

(c) The center shall provide at least one serving of milk to each child at meals and shall provide morning and afternoon snacks;

(d) Each child's food shall be monitored daily to ensure that the food meets nutritional requirements as defined in OAR 414-300-0270;

(e) The center shall have sufficient food available to supplement any lunch that does not meet nutrition requirements as defined in OAR 414-300-0270;

(f) If parents bring food for all the children as snacks or for celebrations, the food shall be commercially prepared and served by the center in an approved manner; and

(g) There shall be a refrigerator on site to store foods needing refrigeration.

(6) Catered foods shall be:

(a) Prepared in a kitchen approved by the State Health Division or a county health department; and

(b) Delivered in a safe, sanitary manner with food maintained at the required temperature (OAR 414-300-0250).

(c) If meals are catered, the process of receiving, holding and serving food shall be approved by the environmental health specialist.

(7) To serve family style meals, where food is brought to the table in larger quantities and served to the plates from the table, a center must have a written plan, approved by the environmental health specialist and CCD, which includes at least the following elements:

(a) Provision for handwashing immediately prior to eating;

(b) Separate serving portions for each table;

(c) Serving utensils distinct from eating utensils;

(d) Table accommodations for group sizes no larger than those stated in OAR 414-300-0130, Table 3A or Table 3B, for that age group;

(e) Provision for serving mildly ill children so as to prevent the spread of the illness; and

(f) The discarding of any food brought to the table and not eaten.

(8) If there is no kitchen in the center and if meals or snacks are not catered:

(a) Only single service utensils shall be used;

(b) Either commercially-prepared, individually-packaged, single-serving foods shall be served or the serving of bulk food shall be approved by the environmental health specialist;

(c) Utensils that require washing shall not be used or stored on site;

(d) Food shall be stored in a space used only for food, beverages and single-service utensils; and

(e) If foods needing refrigeration are served, the center shall have a refrigerator.

(9) A center serving children under 12 months of age shall comply with the following requirements for those children:

(a) Each child shall be fed on his/her own feeding schedule;

(b) When formula is provided by the center, it shall be either the commercially prepared, iron-enriched, ready-to-feed type or shall be prepared from powder or concentrate and diluted according to manufacturers' instructions. When formula is prepared on site, it must be mixed in a kitchen approved by the environmental health specialist, and the program must have a written plan for mixing formula and sanitizing bottles and nipples. The plan must be approved in writing by the environmental health specialist;

(c) Formula, breast milk, and food provided by the parent(s) shall be clearly marked with the child's name and refrigerated if required;

(d) Whole milk, skim milk, 1%, and 2% milk shall not be served unless requested in writing by the child's parent(s) and with a medical provider's written permission.

(e) Any bottles used for feeding liquid must be sterilized at the center by boiling or must come from home labeled by the parent with the child's name. Nipples must be stored in a closed container after sterilizing;

(f) Solid foods fed to infants shall be selected from the food groups specified in OAR 414-300-0270(2):

(A) Solid foods shall not be fed to infants less than four months of age without parental consent;

(B) Solid food shall not be served directly from the container;

(C) Leftovers in the serving container shall be discarded; and

(D) Solid foods, with the exception of finger foods, shall be fed with a spoon.

(g) Honey or foods containing honey shall not be served to children under 12 months of age; and

(h) Children who cannot feed themselves shall be held or, if able to sit alone, fed in an upright position.

(A) Infants up to six months of age shall be held while bottle fed.

(B) Bottles shall never be propped. The child or a staff person shall hold the bottle.

(C) Infants no longer being held for feeding shall be fed in a manner that provides safety and comfort.

### Program Plan

(1) The center shall develop and post a written daily schedule for each group of children, according to their ages, interests and abilities. The schedule shall:

(a) Cover all hours of operation;

(b) Include regularity of routine activities such as eating, napping and toileting;

(c) Include periods of outdoor play each day when weather permits; and

(d) Include one or more regularly scheduled rest periods. Children who do not sleep after 20-45 minutes of quiet time must be provided with an alternative quiet activity. The activity may be in the same room where children are sleeping if it is not distracting to sleeping children.

(2) The center shall follow the written daily schedule, allowing flexibility to respond to the needs of individual children and/or groups of children.

### Program of Activities for All Children

(1) The center shall provide a written program of activities for each group of children according to their developmental ages, interests, and abilities. The program of activities must allow for change and flexibility and show evidence of the preplanning.

(2) The program of activities shall be planned to provide:

(a) Positive learning experiences appropriate to the individual developmental needs of children in care;

(b) Individual and group activities;

(c) A balance of active and quiet activities;

(d) Opportunities for free choice by children; and

(e) Daily indoor and outdoor activities in which children use both large and small muscles.

(3) The center shall follow the written program of activities.

(4) The center shall inform parents when children are participating in contracted services (e.g., tumbling, music) that the contracted services have not been certified by CCD.

### Infant and Toddler Program of Activities

(1) Each infant and toddler shall be:

(a) Allowed to form and follow his or her own pattern of sleeping and waking periods; and

(b) Given opportunities during each day to move freely by creeping and crawling in a safe, clean, open, warm, and uncluttered area.

(2) Throughout the day, each child shall receive physical contact and individual attention (e.g., being held, rocked, talked to, sung to, and taken on walks inside and outside the center).

(3) Routines relating to activities such as bedtime, feeding, diapering, and toileting shall be used as opportunities for language development, building the child's self esteem, and other learning experiences.

(4) Children shall be encouraged to play with a variety of safe toys and objects.

# ADMINISTRATIVE RULES

(5) Children shall be given appropriate opportunities to use the five senses through sensory play.

(6) Infants must be put to sleep on their backs.

(7) Immediate attention shall be given to the emotional and physical needs of children.

(8) Staff shall encourage the development of self-help skills (dressing, toileting, washing, eating) as children are ready.

(9) In addition to those activities specified in OAR 414-300-0295(2), toddlers shall be given opportunities to participate in:

(a) A variety of activities encouraging creative expression through the arts; and

(b) Running, climbing, and other vigorous physical activities.

(10) Infants and younger toddlers shall have an activity area not used by older children at the same time.

(11) The center shall provide the following information to each parent of an infant and toddler on a daily basis:

(a) Their child's schedule of feeding;

(b) Their child's toilet and diapering activities; and

(c) Their child's sleep schedule.

### School-Age Program of Activities

(1) School age programs shall provide an environment where adults' actions demonstrate respect for school age children's changing physical, emotional and intellectual needs.

(2) School age children shall have the opportunity to take part, on a daily basis, in activities which support their need to practice and build skills in problem-solving, making responsible choices, cooperation, creativity, and appropriate social interactions.

(3) In addition to those activities specified in OAR 414-300-0295(2), school age children shall have opportunities to choose from a variety of activities, including:

(a) Creative expression through the arts;

(b) Individual projects, which may include homework;

(c) Exposure to individual and team physical activities;

(d) Opportunities to experience or learn about the tasks of adulthood (e.g., the world of work, taking responsibility, budgeting); and

(e) Opportunities to rest if tired. The center shall provide a space that encourages rest for those children who wish to rest.

(4) The center shall have age-appropriate activities and equipment for school age children.

### Guidance and Discipline

(1) A center shall have a written policy on guidance and discipline of children. The policy shall be posted in the center.

(2) All staff, volunteers and parents shall be familiar with the guidance and discipline policy.

(3) The guidance and discipline policy shall:

(a) Provide for positive guidance, redirection, and the setting of clear-cut limits; and

(b) Be designed to help the child develop self-control, self-esteem, and respect for others.

(4) Only staff, excluding volunteers, shall provide guidance or discipline to a child.

(5) Guidance and discipline shall be fair, consistently applied, timely, and appropriate to the infraction and the age of the child. Positive statements or redirection of behaviors shall be used.

(6) Prohibited punishment includes, but is not limited to:

(a) Hitting, slapping, shaking, striking with hand or instrument, pinching, tying or binding or inflicting any other form of corporal punishment;

(b) Mental or emotional punishment including, but not limited to, name calling, ridicule, yelling, or threats;

(c) Non-prescription chemical restraints used for discipline or to control behavior;

(d) Confining a child in an enclosed area (e.g., a locked or closed room, closet, box);

(e) Forcing or withholding meals, snacks, rest, or necessary toilet use; or

(f) Belittling a child for or forcing a child to clean up after toileting accidents.

(7) The center shall not accept parental permission to use any form of punishment listed in subsection (6) of this rule.

### Equipment and Materials

(1) The center shall have play equipment and materials that are:

(a) Appropriate to the developmental needs and interests of the children;

(b) Sturdy and free of sharp points or corners, splinters, protruding nails or bolts, loose rusty parts, hazardous small parts, or paint that contains lead or other toxic materials;

(c) In good condition; and

(d) Easily accessible to the children.

(2) The quantity and variety of play materials (i.e., toys, books and games) shall be sufficient to:

(a) Avoid excessive competition;

(b) Provide a variety of choices to each child;

(c) Provide a balance of:

(A) Active/quiet activities; and

(B) Individual/group activities;

(d) Meet the developmental needs of each group of children; and

(e) Provide the variety of activities required in OAR 414-300-0295, 414-300-0300, 414-300-0310, and 414-300-0320, as appropriate.

(3) The center shall have a variety of age-appropriate toddler, preschool and school age toys, materials and equipment which give children choices from the following:

(a) Blocks;

(b) Manipulatives;

(c) Books;

(d) Sensory experiences;

(e) Gross motor activities;

(f) Music;

(g) Art;

(h) Dramatic play;

### Transportation

When transportation is provided by or arranged for by the center, the following requirements shall be met:

(1) Drivers shall:

(a) Be at least 18 years of age;

(b) Hold a current driver's license. If required by the Motor Vehicles Division (DMV), a commercial driver's license shall be obtained; and

(c) Maintain a safe driving record.

(2) The operator shall obtain a copy of the driving record from DMV for each staff whose job description includes driving duties. The DMV check shall be updated annually.

(3) The vehicle shall be:

(a) In compliance with all applicable state and local motor vehicle laws; and

(b) Maintained in a safe operating condition.

(4) If transportation is provided between the center and the child's school or other destination, the center shall have in writing an acknowledgment from the parent(s) that they are aware of the time of day their child is to be picked up and/or delivered by the center. If the pick-up schedule results in

# ADMINISTRATIVE RULES

children being unsupervised at school or other location, the center shall notify parents of this fact.

(5) When transporting children on a regular basis, there shall be sufficient staff to meet the required staff/child ratios (OAR 414-300-0130) for each age group of children being transported.

(a) The driver may count in the staff/child ratios.

(b) Staff shall be teacher-qualified or Aide II qualified. Aide I qualified staff may count in the staff/child ratios if one other staff is teacher-qualified.

(c) If none of the staff is teacher-qualified, an adult in the vehicle shall be trained in first aid and the vehicle shall be equipped with a cell phone or other communication device.

(6) When transporting children on field trips, the center shall follow its procedures for field trips (OAR 414-300-0030(7)(e)). The procedures shall include, but not be limited to, requirements regarding drivers and adult supervision.

(7) When transporting children for any and all purposes:

(a) Children shall be transported only in sections of vehicles designed for and equipped to carry passengers;

(b) A seat that fully supports the passenger shall be provided for each child;

(c) All children, shall be transported in accordance with ORS 811.210. The child safety system and safety belts shall comply with ORS 815.055 and the standards adopted by the Oregon Department of Transportation;

(d) Infants, toddlers, and preschool age children shall leave the vehicle on the same side of the street as the building they will enter;

(e) Drivers delivering children to their homes shall not depart until the child has been received by an authorized person; and

(f) No child shall be left unattended inside or outside a vehicle.

(8) The center shall maintain a written plan for transportation.

### Night Care

A center providing night care to children shall meet all the requirements for child care centers contained in OAR 414-000-0300 through 414-300-0410, except for 414-300-0150, 414-300-0290 through 414-300-0320, and 414-300-0340(2)(e). In addition, the center shall comply with the following requirements:

(1) Staffing:

(a) During the hours of night care, the required staff/child ratio shall be maintained in the center.

(b) There shall be at least two staff persons present and awake at all times.

(c) All sleeping and awake children shall be within sight and sound of staff at all times. Audio and/or video monitoring devices shall not substitute for sight and sound supervision.

(2) Safety:

(a) No one shall be allowed to enter except authorized persons including, but not limited to, the child's family, persons authorized by the parent(s), staff, CCD certification representatives, fire safety officials, and environmental health specialists.

(b) The center shall provide staff training for evacuating sleeping children in an emergency.

(c) There shall be emergency lighting in each room used by children.

(3) Activities:

(a) The center shall provide a program of activities for children according to their ages, interests, and abilities.

(b) There shall be quiet time activities, such as story-time, games, arts and crafts, and reading, for each child arriving before bedtime.

(c) There shall be toys and equipment available to meet the needs of children in night care.

(d) There shall be an activity area away from sleeping children where the awake children may engage in activities.

(4) Sleeping Arrangements:

(a) Space shall be arranged so that children may go to sleep at various times, based on their age and need for rest.

(b) All sleeping rooms used by children shall have two usable exits. A sliding door or window that can be used to evacuate children may be considered a usable exit.

(c) Each child who spends the majority of his/her sleeping hours per night in night care shall have a bed and mattress, or another sleeping arrangement that provides adequate support to a child's body with a waterproof cover and of a size appropriate to the age of the child:

(A) Cribs shall comply with OAR 414-300-0215(1).

(B) The upper level of bunk beds shall not be used for children under 10 years of age.

(C) The upper level of bunk beds may be used for children 10 years or older if a bed rail and safety ladder are provided.

(d) Each child who does not spend the majority of his/her sleeping hours in night care shall have a crib, cot, or mat with bedding that complies with OAR 414-300-0210 and 414-300-0215.

(e) Children who attend the center for the evening hours, but do not spend the whole night, shall have an opportunity to sleep, if needed.

(f) No children shall share a bed.

(g) Each sleeping arrangement occupied by a child shall have sheets, pillows, pillowcases, and blankets.

(h) Bed linens shall be changed upon change of occupant and at least once a week.

(5) Personal Hygiene:

(a) Each child shall have an individual washcloth, towel, toothbrush, comb or brush, and sleepwear.

(b) Children staying the night shall have the opportunity to bathe and brush their teeth:

(A) There shall be at least one bathtub or shower for each 15 children. Bathtubs and showers shall be equipped to prevent slipping.

(B) When bathing, showering, or brushing teeth, children shall be supervised by staff.

(C) Privacy between the sexes shall be maintained for school age children.

(D) Tubs or showers shall be cleaned after each use. If visibly soiled, tubs and showers must be cleaned prior to sanitizing.

(E) Glass shower doors or glass tub enclosures shall be constructed of safety glass.

(6) Meals and Snacks:

(a) Each child present at the time the evening meal is scheduled shall be served a meal.

(b) A nutritious nighttime snack (OAR 414-300-0270(4)) shall be available to all children in care.

(c) Each child present at the time breakfast is scheduled shall be served breakfast, unless the parent(s) specifies otherwise.

### Swimming Activities

The following requirements apply to swimming/water activities provided on the premises of a child care center, or off premises by another organization, public or private, when part of the center's program.

(1) Definitions:

(a) "Beginning swimmer" means a child who has mastered the skills required to:

(A) Hold his breath with his head submerged;

(B) Perform a front and back float;

(C) Perform the flutter kick on his front and back;

(D) Be able to level off from a vertical entry into a float position; and

(E) Do a combined stroke (front or back) for at least 20 feet without stopping.

(b) "Non-swimmer" means a child who does not meet the definition of beginning swimmer.

(c) "Lifeguard" means a person holding current certification and meeting the requirements of OAR 333-060-0015(13).

(d) "Swimming pool" means a swimming or wading pool licensed by the Oregon Health Division or one of its delegated agents under the requirements of OAR 333-060-0005 through 333-060-0225.

(e) "Wading" means water activities in which the water's depth is no higher than the child's knee.

(2) General Health and Safety:

(a) Children with diarrhea or who have had diarrhea within the last two weeks shall not use the pool.

(b) Children who are not toilet trained shall wear swim diapers.

(c) Children shall use the toilet and shower before entering the pool.

(d) Proper supervision shall be maintained, as specified in OAR 414-300-0380(3)(e), (f) and (g) and 414-300-0380(4)(d).

(e) The pool operator shall maintain water quality as required in OAR 333-060-0200 or pool use shall cease until the water quality is restored.

(f) Children using the pool shall participate in basic water safety instruction based on their ages and developmental levels.

(g) Recreational swimming is not allowed for non-swimmers ages 6 weeks to 36 months in swimming pools with water depth 24 inches and over.

(h) Portable-style wading pools are not permitted.

(3) On-Premises Pool Facilities:

(a) On-premises pool facilities shall be licensed by the Oregon Health Division or its delegated agent and shall comply with the requirements in OAR 333-060-0005 through 333-060-0225.

(b) On-premises pool facilities shall have toilets and showers for use by the swimmers.

(c) All new pools or pools at centers certified after July 15, 2001, shall have dressing areas for each sex, with storage for the children's clothes.

# ADMINISTRATIVE RULES

(d) All activities occurring in a pool shall be under the direction and direct supervision of lifeguards.

(e) Center staff/child ratios shall be maintained at all times children are in the pool area, as specified in Table 4 of this rule.

(A) All adults counted in the staff/child ratios in Table 4 shall be able to swim if the water is more than 48 inches deep and, regardless of the water depth, shall be dressed for swimming.

(B) For children 6 weeks to 36 months, one of the required staff must be in the water. Other staff may be on deck.

(f) Lifeguard/child ratios shall be maintained at all times children are in the pool area:

(A) For children not yet attending kindergarten, there shall be one lifeguard for every 20 children;

(B) For children attending kindergarten and older, there shall be one lifeguard for every 40 children; and

(C) For mixed age groups of children, the age of the youngest child shall determine the lifeguard/child ratio.

(g) During all periods of pool operation, the appropriate number of life guards shall be on duty in the pool area. During periods of recreational swimming, at least one of the required number of life guards shall be stationed on the pool deck.

(h) Water activities that involve a sprayer or spray feature using potable water that is not re-circulated or collected may be conducted by the center. [Table not included. See ED. NOTE.]

(i) A written plan for pool emergencies shall be available to all staff. The plan shall cover procedures for medical emergencies, chemical emergencies and severe weather.

(A) Staff shall be familiar with emergency procedures, the use of safety equipment and emergency contacts.

(B) The center shall provide in-service training and/or drills of the emergency procedures for the pool at least every six months. The director shall keep a written record of the type, date, time and duration of the training/drills.

(C) Emergency telephone numbers shall be posted near the telephone in the pool area and near a centrally-located and accessible telephone in the center.

(j) Safety equipment shall be provided and comply with OAR 333-060-0005 through 333-060-0225. In addition:

(A) All pools shall have an emergency telephone located in the pool area. The telephone shall be able to dial directly for emergency assistance, unless otherwise approved by the Oregon Health Division.

(B) A bodily-fluid spill clean-up kit shall be provided in the pool area. The kit shall consist, at a minimum, of protective gloves, disinfectant, clean-up materials (e.g., bucket, sponge, paper towels), and a biohazard waste bag, be stored in a complete condition, and be replaced or restocked immediately after use.

(C) A rescue tube, of the type required by the lifeguard certifying agency, shall be provided for each lifeguard on duty.

#### (4) Off-Premises Pool Facilities:

(a) Off-premises pool facilities used by the center shall be licensed by the Oregon Health Division as public swimming pools.

(b) The off-premises pool management shall be made aware of the child care center rules regarding swimming activities.

(c) Center staff and children shall comply with the rules and regulations of the public swimming pool.

(d) Center staff shall comply with the staff/child ratios in Table 4 of this rule. Lifeguard/child ratios shall be determined by the public swimming pool.

(e) Children shall be within sight and sound of center staff at all times.

(f) First aid supplies and a copy of each child's medical release form shall be taken to off-premises pool facilities.

#### (5) Natural Bathing Areas:

(a) The center shall not conduct swimming activities in areas with flowing water.

(b) Wading is the only water activity permitted in shallow surf, lakes, rivers and streams.

#### Denial and Revocation of Certification

(1) Certification may be denied or revoked if a center fails to meet requirements, provide CCD with information requested, allow an inspection, correct deficiencies, or is operated or maintained in a manner which is harmful to the health, safety or wellbeing of children in care.

(2) Revocation of a certification shall occur only after the director receives notification of deficiencies, has adequate time to make corrections, and fails to do so.

(3) The operator has the right to appeal any decision to deny or revoke the certification, subject to the provisions of Chapter 183, Oregon Revised Statutes.

(4) An operator whose certification has been revoked shall not be eligible to reapply for three years after the revocation is effective.

(5) If necessary to protect children, CCD may give public notice of denial or revocation action taken. The type of notice will depend on individual circumstances.

#### Suspension of Certification

(1) The Child Care Division (CCD) may immediately, and without prior notice, suspend the child care certification when, in the opinion of CCD, such action is necessary to protect the children from physical or mental abuse or a substantial threat to health, safety or well-being. Such action may be taken before an investigation is completed.

(a) An operator whose certification has been suspended must immediately notify, verbally or in writing, all parents of the suspension.

(b) An operator whose certification has been suspended must post the suspension on the main entry door where it can be viewed by parents and others.

(2) The operator has the right to appeal any decision to suspend the certification, subject to the provisions of chapter 183, Oregon Revised Statutes.

(3) If the operator does not request a hearing and the conditions which resulted in suspension have not been corrected, the certification shall be revoked (OAR 414-300-0400).

(4) If necessary to protect children, CCD may give public notice of suspension action taken. The type of notice will depend on individual circumstances.

## 414-350-0000

### Applicability of Rules

(1) OAR 414-350-0000 through 414-350-0400 set forth the Child Care Division’s requirements for the inspection and certification of certified family child care homes subject to Oregon laws governing child care facilities (ORS 657A.030, 657A.250 through 657A.310, 657A.350 through 657A.460, and 657A.990) that:

(a) Care for no more than 16 children; and

(b) Are located in a building constructed as a single-family dwelling; and

(c) Care for three or fewer children if that person’s enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD; and

(d) Provide care that is primarily educational to children age 36 months or older but not attending kindergarten for four hours or less a day if that person’s enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD; and

(e) That provide care on an occasional basis by a person not ordinarily engaged in providing child care if that person’s enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD.

(f) That provide care for children from only one family other than the person’s own family if that person’s enrollment in the Central Background Registry has been denied or the person has been removed for cause, or suspended; or their child care facility certification or registration has been denied or revoked for cause, or suspended, or the person has voluntarily withdrawn their application or closed their registration or certification while under investigation by CCD.

(2) The following child care facilities are specifically excluded by law and are not required to comply with these rules:

(a) A registered family child care home;

(b) A facility that is primarily educational and provides care for less than four hours per day to children 36 months old or older but not yet attending kindergarten except as provided in 414-350-0000(1)(d);

(c) Care provided in the home of the child; or

(d) A facility that provides care on an occasional basis by a person, sponsor, or organization not ordinarily engaged in providing child care except as provided in 414-350-0000(1)(e); or

(e) A facility that provides care for no more than three children other than the person’s own children except as provided in 414-350-0000(1)(c);

(f) A facility that provides care for children from only one family other than the person’s own family except as provided in 414-350-0000(1)(f).

(3) If any court of law finds that any clause, phrase, or provision of these rules is unconstitutional or invalid for any reason whatsoever, this finding shall not affect the validity of the remaining portion of these rules.

(4) For purposes of these rules, the determination of compliance or non-compliance shall be made by CCD.

(5) Providers have a right to review any action or decision affecting them. The CCD grievance procedures are available upon request to all applicants for child care certification or operators of certified family child care homes.

(6) These rules apply only during the hours the provider is conducting the certified family child care business.

## 414-350-0010

### Definitions

The following words and terms, when used in OAR 414-350-0000 through 414-350-0400, have the following meanings:

(1) “Activity Area” means the area of the home that is available, during all the hours of operation, for the children’s activities. This area excludes the food preparation area of the kitchen, bathrooms, storage areas, and those parts of rooms occupied by heating stoves, furniture and stationary equipment not used by children.

(2) “Attendance” means children actually present in the home at any given time.

(3) “Capacity” means the total number of children allowed in the certified family child care home at any one time, based on the available square footage, the ages of the children to be served and the total number of staff.

(4) “Caregiver” means any person, including the provider, who cares for the children in the certified family child care home and works directly with the children, providing care, supervision and guidance.

(5) “Central Background Registry” means CCD’s Registry of individuals who have been approved to work in a child care facility in Oregon pursuant to ORS 657A.030 and OAR 414-061-0000 through 414-061-0120.

(6) “Certification” means the certification that is issued by CCD to a certified family child care home pursuant to ORS 657A.280.

(7) “Certified Family Child Care Home” or “Home” means: a child care facility located in a building constructed as a single family dwelling that has certification to care for a maximum of 16 children at any one time.

(8) “Child Care” means the care, supervision, and guidance on a regular basis of a child, unaccompanied by a parent, guardian, or custodian, during a part of the 24 hours of the day, with or without compensation. Child care does not include the care provided:

(a) In the home of the child;

(b) By the child’s parent or guardian, or person acting in loco parentis;

(c) By a person related to the child by blood or marriage within the fourth degree as determined by civil law;

(d) On an occasional basis by a person, sponsor, or organization not ordinarily engaged in providing child care;

(e) By providers of medical services; or

(f) By a person who is a member of the child’s extended family, as determined by the division on a case-by-case basis.

(9) “Child Care Child” means any child six weeks of age or older and under 13 years of age, or a child with special needs under the age of 18 who requires a level of care over and above the norm for his/her age, and for whom the provider has supervisory responsibility in the temporary absence of the parent.

(10) “Child with Special Needs” means a child under the age of 18 who requires a level of care over and above the norm for his/her age due to a physical, developmental, behavioral, mental or medical disability.

(11) “CCD” means the Child Care Division of the Employment Department or the Administrator or staff of the Division.

(12) “Child Care Facility” means any facility that provides child care to children, including a child care center, certified family child care home, and registered family child care home. It includes those known under a descriptive name, such as nursery school, preschool, kindergarten, child play school, before and after school care, or child development center, except those excluded under ORS 657A.250. This term applies to the total child care operation. It includes the physical setting, equipment, staff, provider, program, and care of children.

(13) “Civil Penalty” means a fine imposed by CCD on a provider for violation of these rules.

(14) “Enrollment” means all children registered to attend the certified family child care home.

(15) “Guidance and Discipline” means the on-going process of helping children develop self control and assume responsibility for their own acts.

(16) “Infant” means a child who is at least 6 weeks of age but is not yet walking alone.

(17) “Night Care” means care given to children who sleep at the home for all or part of the night.

(18) “Occasional” means infrequently or sporadically, including but not limited to care that is provided during summer or other holiday breaks when children are not attending school, but not to exceed 70 calendar days in a year.

(19) “Operator” means the person responsible for the overall operation of the home and who has the authority to perform the duties necessary to meet certification requirements. In a certified family child care home, the operator is the provider.

# ADMINISTRATIVE RULES

(20) "The Oregon Registry" means Pathways for Professional Recognition in Childhood Care and Education is a voluntary, statewide program to document and recognize the professional achievements of people who work in the childhood care and education profession.

(21) "Owner" means the person who holds the certified family child care business as property and has a major financial stake in the operation of the home.

(22) "Parent" means parent(s), custodian(s), or guardian(s) exercising physical care and legal custody of the child.

(23) "Potentially hazardous food" means any food or beverage containing milk or milk products, eggs, meat, fish, shellfish, poultry, cooked rice, beans or pasta, and all other previously cooked foods, including leftovers.

(24) "Pre-school Age Child" means a child 36 months of age to eligible to be enrolled in the first grade and, during the months of summer vacation from school, eligible to be enrolled in the first grade in the next school year.

(25) "Program" means all activities and care provided for the children during their hours of attendance at the certified family child care home.

(26) "Provider" means the person in the certified family child care home who is responsible for the children in care, is the children's primary caregiver, and in whose name the certification is issued. In a certified family child care home, the provider is the operator.

(27) "Qualifying Teaching Experience" means 1,500 hours, gained in at least three-hour blocks, within a 36-month period, with a group of children in an on-going group setting. Such a setting includes a kindergarten, preschool, child care center, certified or registered family child care home, Head Start program, or equivalent. Qualifying teaching experience must be documented. Time spent in a college practicum or practice teaching is considered qualifying teaching experience. The following does not constitute qualifying teaching experience: leader of a scout troop; Sunday school teacher; and coaching.

(28) "Sanitizing" means using a bactericidal treatment that provides enough heat or concentration of chemicals for enough time to reduce the bacterial count, including disease-producing organisms, to a safe level on utensils, equipment, and toys.

(29) "School-Age Child" means a child eligible to be enrolled in the first grade or above and, during the months of summer vacation from school, a child eligible to be enrolled in the first grade or above in the next school year.

(30) "Serious complaint" means a complaint filed against a certified child care home by a person who has alleged that:

- (a) Children are in imminent danger;
- (b) There are more children in care than allowed by certified capacity;
- (c) Corporal punishment is being used;
- (d) Children are not being supervised;
- (e) Multiple or serious fire, health or safety hazards are present in the home;

(f) Extreme unsanitary conditions are present in the home; or  
(g) Adults are in the home who are not enrolled in the Central Background Registry.

(31) "Substitute Caregiver" means a person who acts as the children's primary caregiver in the certified family child care home in the temporary absence of the provider.

(32) "Supervision" means the act of caring for a child or group of children. This includes awareness of and responsibility for the ongoing activity of each child. It requires a caregiver to be within sight and/or sound of the children. Knowledge of children's needs, and accountability for children's care and well-being. Supervision also requires that staff be near and have ready access to children in order to intervene when needed.

(33) "Toddler" means a child who is able to walk alone but is under 36 months of age. "Younger toddler" means a child who is able to walk alone but is under 24 months of age; "older toddler" means a child who is at least 24 months of age but under 36 months of age.

(34) "Useable Exit" means an unobstructed door or window through which caregivers and children can evacuate the home in case of a fire or emergency. Doors must be able to be opened from the inside without a key, and window openings must be at least 20 inches wide and 22 inches in height, with a net clear opening of 5 square feet and a sill no more than 48 inches above the floor.

## 414-350-0020 Application for a Child Care Certificate

(1) No person, unless exempted by Oregon laws governing child care facilities, shall operate a certified family child care home without a valid certification issued by the Child Care Division (CCD).

(2) Application for certification shall be made on forms provided by CCD.

(3) A completed application is required:

- (a) For the initial certification;
- (b) For the annual renewal of certification; and
- (c) Whenever there is a change of provider or location.

(4) The applicant shall complete and submit an application to CCD at least:

(a) 45 days before the planned opening date of the certified family child care home; and

(b) For renewal of certification, 30 days prior to the expiration of the certificate.

(A) The expiration date of the current certification, the current certification, unless officially revoked, remains in force until CCD has acted on the application for renewal and has given notice of the action taken.

(B) If an application for renewal and payment of the required fee is not received by CCD at least 30 days prior to the expiration date of the current certification, the certification will expire as of the date stated on the certificate and child care must cease at the facility, unless the renewal is completed before the expiration date.

(C) An application for certification shall be accompanied by a non-refundable filing fee.

(D) For the initial application, a change of provider, the reopening of a facility after a lapse in certification, or a change of location, the fee is \$25 plus \$2 for each certified space (e.g., the fee for a certified family child care home certified to care for 12 children is \$24 + \$25 = \$49).

(E) For a renewal application, the fee is \$2 for each certified space.

(5) All civil penalties must be paid in full.

(6) An application for certification must be completed by the applicant and approved by CCD within 12 months of submission or the application will be denied. If an application is denied, an applicant will be required to submit a new application for certification.

(7) The applicant shall submit with the initial application or when the home is being remodeled a drawing showing the dimensions of all rooms to be used (length and width), the planned use of each room, the location of required exits, the placement of the kitchen and bathrooms, and the location of plumbing fixtures.

(8) The applicant shall provide verification to CCD that the home meets all applicable building codes and zoning requirements that apply to certified family child care homes:

- (a) Before the initial certification is issued; and
- (b) Whenever the home is remodeled.

(9) The home shall be approved by an environmental health specialist registered under ORS Chapter 700 or an authorized representative of the Department of Human Services before a certification is issued by CCD.

(10) The home may be inspected by the local fire jurisdiction when local ordinances require a fire life safety survey as part of a business license or when CCD determines there is a need to do so.

(11) If the provider applies to care for more than 12 children, the provider must complete a fire life safety self evaluation. CCD staff and the provider will review the self evaluation. If fire safety concerns are identified, CCD staff may consult with the fire marshal and after consultation, may request that the fire marshal complete a fire life safety inspection.

(12) Upon receipt of a completed application, a representative of CCD shall evaluate the home and all aspects of the proposed operation to determine if certification requirements (OAR 414-350-0000 through 414-350-0400) are met.

## 414-350-0030 Issuance of a Child Care Certificate

(1) A certification shall be issued by CCD when it has been determined the home is in compliance with OAR 414-350-0000 through 414-350-0400. There are two types of certification. These are:

(a) A regular certification which, except as provided in OAR 414-350-0020(4)(b)(A), is valid for no more than one year; and

(b) A temporary certification. A certified family child care home may not operate under a temporary certification for more than 180 days in any 12-month period. A temporary certification is issued when:

(A) The home is in compliance with most requirements;

(B) There are no deficiencies identified by CCD that are hazardous to children; and

(C) The provider demonstrates an effort to be in full compliance.

(2) Certification is not transferable to any other location or to another organization or individual.

(3) A certification is granted in the name of the operator/provider. An operator/provider is limited to one certification at one address.

(4) An owner can have multiple sites under the following conditions:

# ADMINISTRATIVE RULES

(a) If the owner is the provider/operator in one of the homes, the owner can have two certified family child care homes; or

(b) If the owner does not directly care for any children, the owner can have more than two certified family child care homes.

(c) If the owner is the provider/operator in a home certified for more than 12 children, the owner may be the provider for only that certified family child care home. The provider may be the owner of other facilities. See OAR 414-350-0100(5).

(5) Any changes in the conditions of certification shall be requested in writing to CCD and approved by CCD before the condition(s) of the current certification may be changed. Changes include, but are not limited to, facility capacity, age range of children, or hours of operation.

### Exceptions to Rules

(1) CCD may grant an exception to an individual rule (OAR 414-350-0000 through 414-350-0400) for a specified period of time when:

(a) A requirement does not apply to the home; or

(b) The intent of the requirement can be met by a method not specified in the applicable rule.

(2) The provider shall request an exception to a rule on a form provided by CCD. The request shall include:

(a) A justification for the requested exception; and

(b) An explanation of how the provider plans to meet the intent of the rule.

(3) No exception to a rule shall be granted:

(a) If the requirement is established by statute;

(b) To any home safety requirement (OAR 414-350-0170);

(c) Unless the health, safety, and well-being of the children are ensured;

or

(d) That would place the facility in violation of local zoning or state building codes.

(4) Exceptions may not be implemented until approval is received from CCD.

(5) The granting of an exception to a rule shall not set a precedent, and each request shall be considered on its own merits.

(6) CCD may withdraw approval of an exception at any time, if deemed necessary to ensure the health, safety and well-being of the children.

### General Requirements

(1) The following items shall be posted in the certified family child care home where they may be viewed by parents:

(a) The child care certification document;

(b) Notification of a communicable disease outbreak at the home;

(c) The evacuation plan; and

(d) A notice that the following items are available for parents to review:

(A) The guidance/discipline policy;

(B) The current week's menus, with substitutions recorded;

(C) The description of the general routine;

(D) Information on how to report a complaint to CCD regarding certification requirements; and

(E) The most recent CCD and sanitation inspection reports and, if applicable, fire life safety self evaluation (or fire marshal inspection report if completed).

(2) The provider shall ensure that a copy of these administrative rules is available in the certified family child care home to all parents and staff.

(3) Caregivers shall report suspected child abuse or neglect immediately, as required by the Child Abuse Reporting Law (ORS 419B.005 through 419B.050) to the Department of Human Services Child Welfare (DHS) or to a law enforcement agency. By statute, this requirement applies 24 hours per day.

(4) The certified family child care home shall comply with state and federal laws related to child safety systems and seat belts in vehicles, bicycle safety, civil rights laws, and the Americans With Disabilities Act (ADA).

(5) Representatives of all agencies involved in certification shall have immediate access to all parts of the home whenever the provider is conducting the child care business:

(a) CCD staff shall have the right to enter and inspect the home, including access to all caregivers, records of children enrolled in the home, and all records and reports related to the child care operation regarding compliance with these rules; and

(b) Representatives of the Department of Human Services Child Welfare (DHS) and the State Fire Marshal have the right to enter and inspect the home when an inspection has been requested by CCD.

(6) Custodial parents of all children enrolled shall have access to the home during the hours their child(ren) are in care.

(7) The provider shall develop the following information in writing and shall make it available to CCD, to staff, and to parent(s) at the time of enrollment:

(a) Guidance and discipline policy;

(b) Information on transportation, when provided by the provider or other caregiver; and

(c) The plan for handling emergencies and/or evacuations, including, but not limited to, fire, acute illness of a child or staff, natural disasters, power outages, and situations which do not allow reentry to the home after evacuation.

(8) The provider shall comply with the Department of Human Services' administrative rules relating to:

(a) Immunization of children (OAR 333-019-0021 through 333-019-0090);

(b) Reporting communicable diseases (OAR 333-019-0215 through 333-019-0415); and

(c) Child care restrictable diseases (OAR 333-019-0010).

(9) The provider shall report to CCD:

(a) An accident at the home resulting in the death of a child, within 48 hours after the occurrence; and

(b) Injuries to a child at the certified family child care home which require attention from a licensed health care professional, such as a physician, EMT or nurse, within 7 days after the occurrence.

(10) Documentation of meals and snacks provided by the certified family child care home shall be made available to CCD upon request, if the home does not participate in the USDA Child and Adult Care Food Program. Documentation is limited to the three weeks prior to the request.

(11) The provider is responsible for compliance with these requirements (OAR 414-350-0000 through 414-350-0400).

(12) Parental request or permission to waive any of the rules for certified family child care homes does not give the provider permission to do so.

### Enrollment

(1) Children shall be admitted only in accordance with the conditions of the certification, including, but not limited to, capacity, hours of operation, age range, and special conditions.

(2) As required by state and federal civil rights laws and the Americans with Disabilities Act (ADA), the certified family child care home shall not discriminate against any child on the basis of race, religion, color, national origin, gender, marital status of parent, or because of a need for special care.

(a) Refusal by the provider to care for a child with a need for special care because of lack of related skills and degree of competence or because of structural barriers in the certified family child care home, shall not in itself establish a prima facie case of discrimination. The decision to enroll/not enroll a child shall be made on an individual basis after the child's child care needs have been assessed using information from parents and professionals who are knowledgeable about the specific disability. The provider shall record the assessment that was made for each child with special needs.

(b) If a child with special needs is enrolled who needs a specific plan for caring for that child, such a plan shall be developed in writing between the provider, parent(s) and, if necessary, outside specialists. The provider shall be responsible for ensuring that all caregivers have knowledge of the plan and act in compliance with the plan.

(3) The provider shall obtain the following information in writing from parent(s) of each child before admission. The information shall be kept current at all times.

(a) Name and birth date of child;

(b) Name(s), home and business addresses and telephone numbers, and the working hours of custodial parent(s) or guardian(s);

(c) The school attended by a school-age child;

(d) Name and telephone number of child's medical provider(s) and dentist, if applicable.

(e) Name and telephone number of person to be called in an emergency if the parent cannot be located; and

(f) Name and telephone number of person(s) to whom the child may be released.

(4) The provider shall obtain the following written authorizations from parent(s) of each child before admission. The authorizations shall be kept current at all times.

# ADMINISTRATIVE RULES

(a) Permission for the provider to obtain emergency medical treatment for the child. The emergency medical release shall be on a form accepted by the medical treatment facility used by the provider for emergency medical services;

(b) Permission for the provider to call an ambulance or take a child to an available physician or medical treatment facility;

(c) If applicable, permission for the child to participate in field trips; and

(d) If applicable, permission for the child to participate in swimming or wading activities, both on and off the premises of the home.

(5) No child under six weeks of age shall be enrolled in the certified family child care home.

### Arrival and Departure

(1) The provider shall require that the person bringing the child to the certified family child care home remain with the child until the child is accepted by a caregiver.

(2) The provider shall release a child only to a parent or another person named and identified by the parent. The provider shall verify the identification of any person who picks up a child.

(3) If a school-age child arrives at or leaves the home without a parent, there shall be arrangements in advance, in writing, from the parent for the arrival and departure times and what the provider will do if the child has not arrived by the expected time.

(4) The provider must notify parents if there will be a substitute caregiver and the caregiver's name or if the children will be away from the home for any part of the day for visits, field trips, or any other activity off the premises. In the event of an emergency, a good faith effort will be made to notify parents that a substitute will be caring for the children.

### Records

(1) The provider shall keep the following records:

(a) Complete and current information on each child, as required in OAR 414-350-0060(3) and (4);

(b) Daily attendance record for each child, including dates each child attended and arrival and departure times each day;

(c) Daily attendance record for the provider and each caregiver, including dates worked and arrival and departure times each day;

(d) Medication administered, as specified in OAR 414-350-0180(8)(d);

(e) Emergency plan practice sessions and evacuations, as specified in OAR 414-350-0170(15);

(f) An injury to or death of a child, as specified in OAR 414-350-0180(7);

(g) Child abuse reports made to the Department of Human Services Child Welfare (DHS) or a law enforcement agency;

(h) The general routine, as specified in OAR 414-350-0220(2);

(i) Verification of the provider's and each caregiver's:

(A) Qualifications for the position, as specified in OAR 414-350-0100 and 414-350-0110;

(B) Current health-related training, such as CPR and First Aid, as specified in OAR 414-350-0100(3) and 0100(6);

(C) Training as required in OAR 414-350-0115;

(D) Current enrollment in the Central Background Registry;

(E) Current food handler's certification pursuant to ORS 624.570, when required; and

(F) Caregiver participation in an orientation to the provider's policies and practices and these administrative rules.

(2) A provider shall allow custodial parent(s), upon request, to review all records and reports, except for child abuse reports, maintained on their own children.

(3) Records shall be kept for at least two years, and caregivers' and children's records for two years after termination of employment or care. These records shall be available at all times to CCD.

### General Requirements

(1) As required by Oregon civil rights law, ORS Chapter 659, the provider shall not discriminate in employment on the basis of race, color, gender, marital status, religion, national origin, age, or because of a mental or physical handicap unrelated to specific job performance.

(2) All caregivers, including the provider, shall:

(a) Have competence, sound judgment, and self-control in working with children;

(b) Be mentally, physically, and emotionally capable of performing assigned duties related to child care; and

(c) Have the required training and/or experience for the positions they hold, as specified in OAR 414-350-0100 and 0110.

(3) If there is evidence that casts doubt on the physical or mental competence of a person to care for children or have access to children, CCD may require that the provider provide CCD with an evaluation or other information, as specified by CCD.

(4) No one shall have access to child care children who has demonstrated behavior that may have a detrimental effect on a child. Residents of the home are considered to have access to the child care children even if they are not generally at home during hours of operation. This does not apply to parents of children in care when they drop off and pick up their children.

(a) The owner, the provider, all caregivers and other residents of the home 18 years of age or older must be enrolled in CCD's Central Background Registry prior to the issuance of an initial or renewal certification. Residents of the home who are under 18 years of age must be enrolled in the Registry by their 18th birthday. Certification may be denied, suspended, or revoked if the provider or other resident of the home has been removed or suspended from the Central Background Registry.

(b) Prior to any new caregiver caring for children or prior to an individual residing in the home, visiting the home on a regular basis, or substituting for or assisting the provider, the caregiver/individual shall be enrolled in the Central Background Registry and the provider shall receive verification from CCD of the enrollment. This does not apply to parents of children in care unless they are residing in the home or assisting in the provision of child care.

(c) When a provider is notified by CCD that a caregiver or other individual has been removed from the Central Background Registry, the provider shall not permit the caregiver or other individual to be in the home during hours the child care business is conducted or to have access to child care children.

(d) If any person listed in section (4)(a) & (b) of this rule has been charged with, arrested for, or a warrant is out for any of the crimes which CCD has determined indicate behavior which may have a detrimental effect on a child, with final disposition not yet reached, certification may be denied or suspended until the charge, arrest, or warrant has been resolved if the person continues to operate, be employed in or reside in the home, or have access to children in the home.

(e) If a criminal record check shows that a warrant has been issued for any person checked, CCD will inform the originating law enforcement agency of the person's name, employment address and telephone number.

(f) Any visitor to the home or other adult who is not enrolled in the Central Background Registry shall not have unsupervised access to children.

(5) Volunteers must meet the following requirements:

(a) If volunteers are counted in determining the staff/child ratios, they must meet the qualifications of the position they are filling and be enrolled in the Central Background Registry.

(b) If volunteers may have unsupervised access to children, they must be enrolled in the Central Background Registry.

(c) If volunteers do not have unsupervised access to children at any time, including during emergencies, the provider must have a written policy to this effect, the policy must be known to all caregivers and volunteers, and the volunteers do not have to be enrolled in the Central Background Registry.

(6) No person shall smoke or use smokeless tobacco in the certified family child care home during the hours the child care business is conducted. No person shall smoke or use smokeless tobacco in motor vehicles while child care children are passengers.

(7) No one shall consume alcohol or use non-prescription controlled substances in the certified family child care home during the hours the child care business is conducted. No one under the influence of alcohol or non-prescription controlled substances shall be in the home during the hours the child care business is conducted.

### The Provider

(1) The provider shall be:

# ADMINISTRATIVE RULES

(a) At least 18 years of age if the facility is certified for 12 children; or at least 21 years of age if the facility is certified for more than 12 children; and

(b) Responsible for the operation of the certified family child care home, including those duties ordinarily considered to be administrative. These include, but are not limited to, financial management, maintaining records, maintenance of the building and grounds, meal planning and preparation, compliance with certification requirements, communication with CCD, and correcting deficiencies.

(2) The provider shall have:

(a) At least one year of qualifying teaching experience, as specified in OAR 414-350-0010(25), in the care of a group of children in an ongoing group setting such as a kindergarten, preschool, child care center, certified family child care home, registered family child care home, or Head Start program; or prior to applying to be certified for up to 16 children, completed one year of successful operation as a certified family child care facility for 12 children if the qualifying teaching experience is based on registered family child care; or

(b) Completion of 20 credits (semester system) or 30 credits (quarter system) of training in a college or university in early childhood education or child development; or

(c) Documentation of attaining at least step eight in the Oregon Registry.

(3) The provider shall provide evidence of the following training prior to being certified:

(a) A current certification in infant and child first aid and cardiopulmonary resuscitation;

(b) A current food handler certification pursuant to ORS 624.570; and

(c) Completion of two hours of training on child abuse and neglect issues.

(4) Prior to a facility providing care to more than two children under 24 months of age, the provider shall have at least 30 clock hours of training specific to infant and toddler care. The provider of facilities certified on October 15, 2002, who are providing care for more than two children under 24 months of age must have documentation of 30 hours of prior training in infant and toddler care or a plan, approved by CCD, that shows how the training will be attained.

(5) The provider/operator shall be on-site at least half of the hours of operation that are reflected on the certification. If the facility is certified for more than 12 children, the provider shall be on site at least 2/3 of the hours of operation that are reflected on the certification. The hours shall be calculated on a weekly basis, except for planned vacations and emergency absences.

(6) The provider shall have no other employment, either in or out of the home, during the hours the provider is directly caring for children.

(7) The provider, or a substitute caregiver, shall be present during all the hours the certified family child care business is conducted.

(8) A caregiver substituting for the provider shall:

(a) Be at least 18 years old;

(b) Have current certification in first aid and infant and child cardiopulmonary resuscitation (CPR);

(c) Have current food handler certification pursuant to ORS 624.570, if the substitute will be preparing or serving food;

(d) Be familiar with the provider's policies and procedures and with these requirements (OAR 414-350-0000 through 414-350-0400);

(e) Be authorized and able to correct a deficiency that might be an immediate threat to children; and

(f) Have on file documentation of an orientation and training in these administrative rules and the functions and duties of a provider;

(g) Meet the qualifications in (a)–(f), have completed child abuse and neglect training, and have worked in the facility at least 60 hours when substituting for the provider in a facility certified to care for more than 12 children.

### Assistants

(1) Assistants may be included in the caregiver/child ratio calculation.

(2) An Assistant I shall:

(a) Be at least 15 years of age;

(b) Work under the direct supervision, i.e., within sight and sound of the provider or substitute provider; and

(c) Have on file documentation of an orientation and be familiar with the provider's policies and procedures and these requirements (OAR 414-350-0000 through 414-350-0400).

(3) An Assistant II shall:

(a) Be at least 18 years of age;

(b) Have on file documentation of an orientation and be familiar with the provider's policies and procedures and these requirements (OAR 414-350-0000 through 414-350-0380);

(c) Have worked at least 60 hours at the certified family child care home, in a minimum of 3-4 hour blocks of time;

(d) Have current certification in first aid and CPR; and

(e) With the approval of the provider, may be out of sight and sound of the provider with a group of children.

### Training Requirements

(1) All staff shall receive an orientation within the first two weeks of employment.

(2) The provider and all caregivers who function as substitute providers and Assistant II staff, including volunteers, shall participate yearly in at least 15 clock hours of training related to child care, of which at least eight clock hours shall be in child development or early childhood education. Substitute providers and volunteers who provide care in the home for less than 20 hours in a calendar year are not required to participate in the 15 clock hours of training.

(a) Training may include correspondence courses, conferences, workshops and audio-visual programs.

(b) If community resources are not available, training may include a planned reading program of professional materials.

(3) During the first year of certification (for provider) and the first year of employment (for other caregivers), staff may count orientation and the most recent training in first aid and CPR, food handler's and child abuse and neglect, as applicable, as part of the 15 clock hours of training.

(4) During subsequent years of certification (for providers) and subsequent years of employment (for other caregivers), staff may count 5 hours of first aid and CPR training or food handler's training as part of the 15 clock hours of training.

(5) The provider shall document each caregiver's training, showing the subject matter, the date completed, and the number of clock hours of training in each certification year.

## 414-350-0120

### Caregiver/Child Ratios and Supervision

(1) The number of caregivers and group size shall be determined by the number and ages of the children in attendance:

(a) All children in the home, including the provider's or other caregivers' own children, shall be counted in determining the caregiver/child ratio and group size;

(b) All children visiting the home on a regular basis will count in capacity. Children attending with a parent do not count as enrolled as long as the parent remains with and is responsible for non-enrolled children;

(c) The required caregiver/child ratios shall be met at all times.

(2) Children shall at all times have the full attention of and be supervised by the required number of caregivers:

(a) Children shall be within sight and/or sound of a caregiver at all times;

(b) A caregiver shall be near enough to children to respond when needed. Children out of direct visual contact shall be monitored regularly and frequently and must be in approved activity areas;

(c) Children may not be on a floor level of the home unless a caregiver is on the same floor level, except as specified in OAR 414-350-0120(2)(d);

(d) When bathroom facilities are not on the same floor level, a written plan for adequate supervision of both bathroom and child care areas shall be developed and implemented.

(3) The number of caregivers is determined by the age and number of the youngest child(ren) in the group. If the provider is certified to care for more than 12 children and plans to care for more than 8 infants and/or toddlers, the provider must develop a plan showing how infants and toddlers will be limited to a group size of not more than eight. The plan must be approved by CCD:

(a) If all children are in the same age group, the following table determines the staff/child ratio; [Table not included. See ED. NOTE.]

(b) If children in care include any infants and/or toddlers, the following table determines the staff/child ratio; [Table not included. See ED. NOTE.]

(c) If children in care include a mix of only preschool and school aged children, the following table determines the staff/child ratio; [Table not included. See ED. NOTE.]

(d) Even though staff/child ratios are specified in (a) and (b) above, a certified family child care provider may care for 10 children ages 6 weeks to school-age if:

# ADMINISTRATIVE RULES

- (A) No more than 6 children are pre-school age or younger, including the provider's own children and any staff children;
- (B) Of the 6, only 2 children are under 24 months of age; and
- (C) Four of the children are school-age.
- (4) The maximum number of children allowed in a certified family child care home at any one time is 16.
- (5) If the home is certified to care for more than 12 children and the age blend is such that group separation is required:
- (a) Groups may be joined for: meals, naps, outdoor play, and limited quiet activities such as a video or circle time;
- (b) Provider must develop a plan that shows how the groups will be separated without requiring remodeling of the home. The plan must be approved by CCD.
- (6) If the facility provides care to more than two children under 24 months of age, the provider shall meet the requirements specified in OAR 414-350-0100(4).

(7) Prior to a facility providing care to more than four children under 24 months of age, at least one caregiver other than the provider shall meet the requirements specified in OAR 414-350-0100(4). In addition, the provider shall have an extra 20 clock hours of training specific to infant and toddler care above and beyond the original requirements. If the facility is certified to care for more than 12 children, there must be someone who meets the training requirements of OAR 414-350-100(4) on site at all times that five or more children under 24 months of age are in care.

### Indoor Area

- (1) The indoor area used for child care shall meet the following requirements:
- (a) If the provider is certified to care for 12 children or fewer, there shall be a minimum of 35 square feet of indoor activity area, as defined by OAR 414-350-0010(1), per child. If the provider is certified to care for more than 12 children, there shall be a minimum of 35 square feet of indoor activity area per child for 12 or fewer children, and 50 square feet of indoor activity area available per child for each of the additional four children. This space, considered in determining capacity of the home, shall be available for use by children at all times. The following shall not be counted as part of the 35 square feet per child requirement: heating units, storage areas; large permanent equipment; any space not useable by children.
- (b) There shall be a designated area for children under 24 months of age that is developmentally appropriate and safe.
- (c) If the facility is certified to care for more than 12 children, the provider must develop a written plan showing that the space accessible to the children meets their safety needs, there is adequate supervision and there is adequate availability of toileting and hand washing for the children in care. CCD must approve the plan.

(d) Activity areas shall be adequately lighted and ventilated. Room temperature shall be at least 68 degrees F. (20 degrees C.) and not so warm as to be dangerous or unhealthy to children in care.

(2) Indoor fixtures and equipment shall meet the following requirements:

(a) There shall be at least one flush toilet and one hand washing sink with mixing faucets available to the children at all times. If the facility is certified to care for more than 12 children, the provider must have a second flush toilet somewhere in the facility if: there are more than 15 children in care or if there are more than 12 toddlers in care. Homes with certification in effect on September 15, 2002, shall comply with the requirement for mixing faucets when bathroom facilities are remodeled.

(b) Easily cleanable steps or blocks shall be provided so that children can use the toilets and sinks without adult assistance.

(c) If bathroom facilities are not on the same floor level as the activity areas, the provider must comply with OAR 414-350-0120(2)(d).

(d) Telephone service shall be available in the home at all times when children are in care.

(e) Telephone numbers for fire, emergency medical care, and poison control, as well as the facility address, shall be posted on or near the telephone. Portable telephones must have emergency numbers and the facility address on the phone.

(f) There must be a system in place to ensure that parents can have contact with the provider and staff when children are in care.

### Outdoor Area

(1) There shall be an outdoor activity area that children can reach safely. If the outdoor activity area is not under the control of the provider during the hours of operation of the home, written approval to use the area by CCD is required.

(2) A home shall have an outdoor play area of no less than 75 square feet for each child using the area at one time.

(3) The outside activity area shall be:

(a) Suitably surfaced and well drained. Playground equipment, such as slides, swings, climbing structures and other elevated equipment, shall be surrounded by a resilient surface of an acceptable depth or by rubber mats manufactured for such use, according to standards of the US Consumer Product Safety Commission;

(b) Kept free of litter, solid waste and refuse, ditches, or other conditions presenting a potential hazard; and

(c) Equipped to provide age-appropriate activities for gross motor development.

(4) The outdoor activity area of the home designated for use by child care children shall be enclosed by a barrier (fence, wall, or building) at least four feet high. Certified family child care homes with certification in effect on September 15, 2002, must comply with a barrier at least three feet high until such time as the existing barrier is replaced. Spacing between vertical slats of a fence shall be no greater than 4 inches. Fences must meet applicable local codes.

(5) The provider shall be aware of and protect children from any toxic or other harmful plants, shrubs, or trees.

(6) The use of swimming pools shall comply with OAR 414-350-0380. As specified in 414-350-0380(2)(h), portable-style wading pools are not permitted.

### Sanitation

(1) Water Supply:

(a) The home's water supply shall be continuous in quantity and from a water supply system approved by the Department of Human Services.

(b) If drinking water is from a private source, the provider shall provide evidence of bacterial and chemical analysis which establish safety of the water;

(c) The tests shall be conducted by the local health department, the Department of Human Services, or an approved commercial laboratory;

(d) The bacterial analysis shall be done quarterly;

(e) The chemical analysis shall be done only once for a well and yearly for other water sources;

(f) The provider shall have drinking water available to children that is supplied in a safe and sanitary manner. If drinking water is obtained from bathroom sinks or sinks used for handwashing after changing a diaper, the sink must be sanitized after each handwashing.

## (2) Hand Washing:

(a) Caregivers and children shall wash their hands with soap and warm running water after nose wiping, after using the toilet, and before and after eating;

(b) Caregivers shall wash their hands with soap and warm running water before and after changing a diaper, before and after feeding a child or handling food, and after assisting a child with toileting and nose wiping;

(c) Infants' and children's hands shall be washed with soap and warm running water after diaper changing;

(d) Staff shall immediately and thoroughly wash their hands after handling animals or cleaning cages;

(e) Commercial products labeled "hand sanitizers" shall not replace hand washing. If hand sanitizers are present in the home, they shall be kept under child-proof lock and shall not be used by children;

(f) When hand washing is not possible, e.g., on field trips or the neighborhood park, moist towelettes shall be used.

## (3) Maintenance:

(a) The building, toys, equipment, and furniture shall be maintained in a clean, sanitary, and hazard-free condition:

(A) Kitchen and bathrooms shall be cleaned when soiled and at least daily;

(B) Floors, walls, ceilings, and fixtures of all rooms shall be kept clean and in good repair;

(C) All kitchen counters, shelves, tables, refrigeration equipment, sinks, drain boards, cutting boards, and other equipment or utensils used for food preparation shall be kept clean and in good repair;

(D) All food storage areas shall be kept clean and free of food particles, dust, dirt and other materials;

(E) Cloths, both single use and multiple use, used for wiping food spills on utensils and food-contact surfaces shall be kept clean and used for no other purpose. Cloths that are reused shall be stored in a sanitizing solution between uses.

(F) The isolation area shall be thoroughly cleaned after use and all bedding laundered after each use;

(G) A diaper-changing table shall:

(i) Have a surface that is non-absorbent and easily cleaned;

(ii) Be cleaned and sanitized after each use;

(iii) Not be used for any purposes other than diapering, including food or drink preparation or storage, dish washing, storage of food service utensils, arts and crafts supplies or products, etc.; and

(iv) Comply with the requirements for diaper changing area specified in OAR 414-350-0235(2)(b).

(H) Bathtubs, showers, sinks, bathinets, or other receptacles used for bathing children shall be cleaned and sanitized after each use.

(I) Bedding shall be cleaned when soiled, with change of occupant, or at least once a week.

(b) Tableware, kitchenware (pots, pans and equipment), and food-contact surfaces of equipment shall be washed, rinsed, sanitized, and air-dried after each use. The cleaning and sanitizing of tableware and kitchenware shall be accomplished by using:

(A) A dishwasher that is operated according to the manufacturer's instructions; or

(B) A three-step manual process as follows:

(i) Washing in the first compartment;

(ii) Rinsing in a second compartment; and

(iii) Immersion in a third compartment or large dishpan or tub for at least two minutes in a sanitizing solution containing at least 2 teaspoons of household chlorine bleach in each gallon of warm water.

(c) A sink used for diapering or bathing activities shall not be used for any part of food or drink preparation or dish washing.

(d) Soap, paper towels dispensed in a sanitary manner, and mixing faucets with hot and cold running water shall be provided at each hand washing sink.

(e) The home and grounds shall be kept clean and free of litter or rubbish and unused or inoperable equipment, utensils, and vehicles.

(f) All garbage, solid waste, and refuse shall be disposed of at least once a week.

(A) All garbage shall be kept in watertight, non-absorbent, and easily washable containers with close-fitting lids;

(B) All garbage storage areas and garbage containers shall be kept clean; and

(C) All garbage storage shall be inaccessible to children.

(4) Insect and Rodent Control:

(a) The home shall be in such condition as to prevent the infestation of rodents and insects.

(b) Doors and windows which are opened for ventilation shall be equipped with fine-meshed screens.

(c) Automatic insecticide dispensers, vaporizers, or fumigants shall not be used.

### Home Safety

(1) All floor levels used by children for play and napping shall have two usable exits to ground level.

(2) All rooms used by children for play and napping shall have two usable exits.

(3) Obstructions, including furniture, storage of supplies, or any other items shall not be placed in a manner that blocks usable exits.

(4) There shall be at least one 2-A-10 BC-rated fire extinguisher on each floor of the home. Fire extinguishers shall be easily accessible, kept out of the reach of children, and located along the path of emergency exiting.

(5) Smoke alarms shall be:

(a) Installed on each floor level of the home and in any area where children nap; and

(b) Maintained in operating order.

(6) Candles or other open flame decorative devices are prohibited, except for the brief use of celebratory candles.

(7) Matches and lighters shall be kept in locked storage when not in use.

(8) A portable light source, to be used in emergencies, shall be:

(a) Available in all activity areas used by children;

(b) In working condition; and

(c) Stored in an easily accessible place.

(9) Items of potential danger (e.g., cleaning supplies and equipment, paints, poisonous and toxic materials, plastic bags, aerosols, detergents) shall be:

(a) Kept in the original container or labeled;

(b) Stored under child-proof lock; and

(c) Kept away from food service supplies.

(10) The provider shall protect children from safety hazards, including but not limited to:

(a) A rigid screen or guard shall be installed to prevent children from falling into a fireplace or against a heater or wood stove;

(b) A movable barrier, such as mesh-type gate, shall be placed at the top and/or bottom of all stairways accessible to infants and toddlers. Gates and enclosures should have the Juvenile Products Manufacturers Assn. (JPMA) certification seal to ensure safety;

(c) Child-proof latches shall be installed on all cupboards, closets, and drawers that contain hazardous objects and may be accessible to preschool-age and younger children;

(d) Firearms, ammunition, and other potentially hazardous equipment, such as darts, other projectiles, power tools, and knives shall be kept under lock:

(A) Firearms, pellet or BB guns must be unloaded and kept in areas not used by child care children; and

(B) Ammunition shall be stored separately from firearms;

(e) Hot water heaters shall be equipped with a safety release valve and an overflow pipe that directs water to the floor or to another approved location;

(f) Unused appliances, such as old refrigerators or freezers, that present a risk for entrapment, shall be secured so as to prevent entry by children;

(g) Clear glass panels in doors shall be clearly marked at child level;

(h) All exposed electrical outlets in rooms used by preschool or younger children shall have hard-to-remove protective caps or safety devices when not in use;

(i) Extension cords shall not be used as permanent wiring. All appliance cords will be in good condition and multiple connectors for cords will not be used. A grounded power strip outlet with built-in over-current protection may be used;

(j) Floors shall be free of splinters, large unsealed cracks, sliding rugs, and other hazards;

(k) Devices which generate heat and are hot from recent use shall be inaccessible to children; and

(l) After painting or laying carpet, the certified home must be aired out completely for at least 24 hours with good ventilation before children are allowed to return.

(11) The provider shall have written evidence that any wood stove in the home has been inspected and approved for use by the local building official.

(12) All wood stove and fireplace flues shall be cleaned as needed or, at a minimum, once a year. A written record of cleaning shall be maintained on site.

(13) The use of unvented, fuel-fired space heaters is prohibited.

(14) Flammable and combustible liquids, such as paint thinner and gasoline, shall be stored in the original container or a safety container and, if over one gallon, kept in an unattached storage building.

(15) All caregivers and children shall practice at least one aspect of the emergency plan, as described in OAR 414-350-0050(7)(c), once per month.

(a) Evacuating the home shall be practiced at least eight times per year. If the facility is certified to care for more than 12 children and more than 4 children regularly in care are under 24 months of age, evacuating the home shall be practiced monthly.

# ADMINISTRATIVE RULES

(b) The provider shall maintain a written record showing the date, time of day, participants, and type of emergency of each emergency plan practice session.

(16) Other hazards observed in the certification process must be corrected.

## 414-350-0180 Illness or Injury

(1) A provider shall not admit, or retain in care, a child who:

(a) Is diagnosed as having or being a carrier of a child care-restrictable disease, as defined in Department of Human Services administrative rules, OAR 333-019-0010; or

(b) Has one of the following symptoms, or combination of symptoms, of illness:

(A) Diarrhea (more than one abnormally loose, runny, watery or bloody stool);

(B) Vomiting;

(C) Fever over 100 degrees F taken under the arm;

(D) Severe cough;

(E) Unusual yellow color to skin or eyes;

(F) Skin or eye lesions or rashes that are severe, weeping, or pus-filled;

(G) Stiff neck and headache with one or more of the symptoms listed

above;

(H) Difficult breathing or abnormal wheezing; or

(I) Complaints of severe pain.

(2) A child who, after being admitted, shows signs of illness, as defined in subsection (1) of this rule, shall be isolated and the parent(s) notified and asked to remove the child from the home as soon as possible.

(3) If a child has mild cold symptoms that do not impair his/her functioning, the child may remain in the home and the parent(s) notified when they pick up the child.

(4) A specific place for isolating a child who becomes ill shall be provided. The isolation area shall be:

(a) Located where the child can be seen and heard by a caregiver; and

(b) Equipped with a cot, mat, or bed for each sick child.

(5) The provider shall identify a licensed physician, hospital, or clinic to be used for emergency medical care:

(a) The provider shall have written procedures for taking a child to emergency medical care;

(b) In the event of an illness or injury which requires immediate medical care, the provider is responsible for securing such care and notifying the parent(s).

(6) First aid supplies and a chart or handbook of first aid instructions shall be maintained in one identified place but kept out of reach of children:

(a) The first aid supplies shall include bandaids, adhesive tape, sterile gauze pads, soap or sealed antiseptic towelettes or solution to be used as a wound cleaning agent, scissors, disposable plastic gloves for handling blood spills, chlorine bleach for sanitizing after a blood spill, a sanitary temperature taking device, and CPR mouthguards; and

(b) First aid supplies shall be taken on all field trips.

(7) Injuries or accidents shall be reported to the child's parent(s) on the day of occurrence:

(a) A written report of the injury or accident shall be maintained on file;

(b) The report shall include the date, child's full name, nature of the injury, witnesses, action taken, and the signatures of the provider and parent(s); and

(c) The injury to or death of a child shall be reported to CCD in accordance with OAR 414-350-0050(9).

(8) No prescription or non-prescription medication, including, but not limited to, pain relievers, sunscreen, cough syrup, diapering and first aid ointments or nose drops, shall be given to a child except under the following conditions:

(a) A signed, dated, written authorization from the parent(s) is on file;

(b) Prescription medication is in the original container and labeled with the child's name, the name of the drug, dosage, directions for administering, date and physician's name;

(c) Non-prescription medication is in the original container, labeled with the child's name, the dosage, and directions for administering;

(d) A written record of all medications administered, listing, as a minimum, the name of the child, type of medication, the signature of the caregiver administering the medication, date, time, and dosage given, shall be kept;

(e) All medications shall be secured in a tightly-covered container with a child-proof lock or latch and stored so that they are not accessible to children;

(f) Medications requiring refrigeration shall be kept in the refrigerator in a separate, tightly-covered container, with a child-proof lock or latch, clearly marked "medication"; and

(g) Parent(s) shall be informed daily of medication administered to their child.

(9) Parents of all children enrolled in the certified family child care home shall be informed of any outbreak of communicable disease within the facility.

## 414-350-0190 Animals in the Certified Family Child Care Home

(1) Any animal at the certified family child care home must be in good health and show no evidence of carrying a disease.

(a) Dogs and cats must be vaccinated according to a licensed veterinarian's recommendations. Proof of current compliance with immunizations shall be kept on file in the home.

(b) Animals shall be cared for as recommended by a veterinarian. The provider shall have and follow written procedures for the care and maintenance of the animals.

(2) Potentially aggressive animals must not be in the same physical space as the children.

(3) Reptiles (e.g., lizards, turtles, snakes, iguanas), frogs, monkeys, hook-beaked birds, baby chicks, and ferrets are prohibited, unless they are housed in and remain in a tank or other container which precludes any direct contact by children. Educational programs that include prohibited animals and are run by zoos, museums and other professional animal handlers are permitted.

(4) Any animals other than cats and dogs shall be kept in an approved cage for the type of animal. Cages shall have removable bottoms and shall be kept clean and sanitary.

(5) All animals shall be kept away from food preparation surfaces. If animals have access to food preparation surfaces, the surfaces shall be cleaned and sanitized prior to meal preparation.

(6) Litter boxes shall not be located in any part of the home used by children or for food storage, preparation, or eating.

(7) Caregivers must be physically present when children are interacting with animals.

(8) Handwashing, as specified in OAR 414-350-0160(2)(d) and (e), shall be practiced.

(9) Parents must be made aware of the presence of any animals in the child care home.

## 414-350-0200 Food Selection, Storage, and Preparation

(1) All food and drink served by the provider shall be selected, stored, prepared, and served in a sanitary manner.

(2) All staff who prepare or serve food must have and maintain a current food handler certification pursuant to ORS 624.570.

(3) All food products served by the provider shall be obtained from commercial food suppliers, except that:

(a) Fresh fruits and vegetables may be served;

(b) Frozen fruits, frozen vegetables, and canned and frozen jams and jellies processed in the certified family child care home may be served; and

(c) Home-canned or home-processed food, other than those described in OAR 414-350-0200(3)(b), may be served to an individual child only when supplied by that child's parent(s).

(4) Only pasteurized and fortified milk shall be served to children.

(a) Powdered milk may be used only in cooking; and

(b) The serving of unpasteurized milk is prohibited.

(5) Only pasteurized 100% fruit or vegetable juice shall be served.

(6) A certified family child care home shall have at least one refrigerator, in good operating condition, that is adequate to store all potentially hazardous foods.

(7) All potentially hazardous food shall, except when being prepared, be kept at 45° Fahrenheit or below, or 140° F or above.

(a) A temperature-measuring device (TMD) in working condition shall be affixed to the door or the front edge of the top shelf of all refrigerators.

(b) Foods requiring refrigeration after preparation shall be covered and rapidly cooled to a temperature of 45° F or below.

(c) Extra care shall be taken to ensure that, after pouring milk, any unused portion left in the container is returned to the refrigerator immediately.

(d) Refrigerated storage space at 45° F or less shall be used to store lunches that contain potentially hazardous food that children bring from home.

# ADMINISTRATIVE RULES

(e) Leftover food prepared but not served by the provider shall be covered, dated, labeled, and either refrigerated promptly and used within 36 hours or frozen immediately for later use.

(f) Foods that have been cooked and then refrigerated shall be reheated rapidly according to food handler certification standards.

(8) Children shall not be in the kitchen or food preparation areas when foods are being prepared unless they are protected from such hazards as hot foods, sharp utensils, etc.

### Meals and Snacks

(1) The provider shall provide or ensure the availability of adequate and nutritious meals and snacks appropriate for the ages and needs of the children served. USDA guidelines will be used to determine if meals and snacks are adequate and nutritious. Foods of minimal nutritional value (e.g., Jell-O, popcorn, desserts, potato chips) shall only be served occasionally and not replace nutritious foods.

(a) Every meal shall meet USDA guidelines and shall include at least one serving from each of the following food groups: fluid milk; breads and grains; meat, fish, poultry or meat alternatives (e.g., dried beans, peanut butter, yogurt or cheese). Each meal shall include two servings of fruits or vegetables. No liquids other than milk and 100% fruit juice shall be counted as part of the daily nutrition.

(b) Snacks shall meet USDA guidelines and shall consist of food or beverage from at least two of the following food groups: fluid milk, breads and grains; meat, fish, poultry or meat alternatives (e.g., dried beans, peanut butter, yogurt or cheese); vegetables and fruits. No liquids other than milk and 100% fruit juice shall be counted as part of the daily nutrition. A snack shall not consist of only two beverages.

(c) Nutrient concentrates and supplements (protein powders, liquid proteins, vitamins, minerals, and other nonfood substances) shall not be served to a child without a written statement of parental consent and written instructions from a medical practitioner. Special diets, not including vegetarian diets, shall not be served to a child without written instructions from a registered dietician or medical practitioner and written parental consent.

(2) Meals and snacks provided to children shall meet the following requirements:

(a) In certified family child care homes open morning through afternoon, lunch and morning and afternoon snacks shall be served to the children in care. If breakfast is served to all children, a midmorning snack is not required;

(b) School-age children arriving after school shall be served a snack;

(c) When the planned attendance is prior to 7 a.m. or after 6:30 p.m., a child shall be offered a complete meal if it is not provided by the parent(s); and

(d) There shall be no more than 3-1/2 hours between meals and snacks.

(3) Meals and snacks for children shall be:

(a) Prepared by the provider;

(b) Prepared by the parent of the child; or

(c) Prepared from a source approved by the Department of Human Services.

(4) When the parent of a child provides food for the child's meal:

(a) The provider shall be responsible for at least one serving of milk or a milk product to each child at meals;

(b) Each child's food shall be monitored daily by a caregiver to ensure that the food meets nutritional requirements as defined in section (1) of this rule; and

(c) The provider shall have sufficient food available to supplement any meal that does not meet nutritional requirements as defined in section (1) of this rule.

(5) Meals shall be served in a manner that supports safe and sanitary eating and allows socialization to occur.

(6) Nutrient concentrates and supplements shall not be served to a child without a written statement of consent from the parent and a medical practitioner. Special diets, not including vegetarian diets, shall not be served to a child without a written statement of consent from the parent and a registered dietician or medical practitioner.

(7) To serve family style meals, where food is brought to the table in larger quantities and served to the plates from the table, a certified home must have a written plan, approved by the environmental health specialist and CCD, which includes at least the following elements:

(a) Provision for handwashing immediately prior to eating;

(b) Separate serving portions for each table, if more than one table is used;

(c) Serving utensils distinct from eating utensils;

(d) Provision for serving mildly ill children so as to prevent the spread of the illness;

(e) The discarding of any food brought to the table and not eaten; and

(f) Food brought to the table must be covered until a caregiver is seated with the children.

(8) A certified family child care home serving children under 12 months of age shall comply with the following requirements for those children:

(a) Each child shall be fed on his/her own feeding schedule.

(b) When formula is furnished by the provider, it shall be either the commercially prepared, iron-enriched, ready-to-feed type or shall be prepared from powder or concentrate and diluted according to manufacturers' instructions. When formula is prepared on site, the provider must have a written plan for mixing formula and sanitizing bottles and nipples. The plan must be approved in writing by the environmental health specialist.

(c) Formula, breast milk, and food provided by the parent shall be clearly marked with the child's name and refrigerated if required.

(d) No liquids, other than milk, formula, water, and 100 percent fruit juice, shall be served.

(e) Whole milk, skim milk, 1%, and 2% milk shall not be served unless requested in writing by the child's parent(s) and with a medical provider's written permission.

(f) Solid foods fed to infants shall be selected from the USDA Infant Food Chart.

(A) Solid foods shall not be fed to infants less than four months of age without parental consent.

(B) Solid food shall not be served directly from the container unless the child consumes the entire contents of the container or any remaining food in the container is discarded.

(C) If a portion of solid food from a container is placed in a clean, sanitized dish and served from the dish, any food remaining in the dish shall be discarded.

(D) Open containers of food, from which a portion has been removed, must immediately be refrigerated at 45 degrees F or less.

(E) Solid foods, with the exception of finger foods, shall be fed with a spoon.

(g) Honey or foods containing honey shall not be served; and

(h) Children who cannot feed themselves shall be held or, if able to sit alone, fed in an upright position.

(A) Infants up to six months of age shall be held while bottle fed.

(B) Bottles shall never be propped. The child or a caregiver shall hold the bottle.

(C) Infants no longer being held for feeding shall be fed in a manner that provides safety and comfort.

### General Requirements

(1) There shall be activities for children according to their ages, interests, and abilities. If the provider is certified to care for more than 12 children the provider shall have a written program of activities for each age group.

(2) A description of the general routine, covering all hours of operation, shall be in writing and shall provide:

(a) Regularity of such activities as eating, napping, and toileting with flexibility to respond to the needs of individual children;

(b) A balance of active and quiet activities;

(c) Individual and group activities;

(d) Daily indoor and outdoor activities in which children use both large and small muscles;

(e) Periods of outdoor play each day when weather permits; and

(f) Opportunities for a free choice of activities by children.

(3) The provider and other caregivers shall use the written description of the general routine as a guide, allowing flexibility to respond to the needs of individual children and/or groups of children and to appropriate variations in daily activities.

(4) No child may view television or videos or play computer or electronic games for more than two hours per day.

(5) Infant and toddler program of activities. The following apply to infant and toddlers in care at the certified home.

(a) Infants shall be allowed to form and follow their own patterns of sleeping and waking periods.

(b) Children shall be given opportunities during each day to move freely by creeping and crawling in a safe, clean, warm, and uncluttered area.

(c) Throughout the day, each child shall receive physical contact and individual attention (e.g., being held, rocked, talked to, sung to, and taken on walks inside and outside the home).

(d) Routines relating to activities such as bedtime, feeding, diapering, and toileting shall be used as opportunities for language development, building the child's self-esteem, and other learning experiences.

(e) Children shall be encouraged to play with a variety of safe toys and objects.

(f) Children shall be given appropriate opportunities to use the five senses through sensory play.

# ADMINISTRATIVE RULES

(g) Infants shall be put to sleep on their backs.  
 (h) Immediate attention shall be given to the emotional and physical needs of the children. No child shall be routinely left in a crib except for sleep or rest.

(i) Caregivers shall encourage the development of self-help skills (dressing, toileting, washing, eating) as children are ready.

(j) In addition, toddlers shall be given opportunities to participate in:

(A) A variety of activities encouraging creative expression through the arts; and

(B) Running, climbing, and other vigorous physical activities.

(6) Preschool-age program of activities. In addition to the daily routine specified in OAR 414-350-0220(2), preschool-age children shall have opportunities, on a daily basis, to choose from a variety of activities and experiences, which shall include:

(a) Creative expression through the arts;

(b) Dramatic play;

(c) Gross (large) motor development;

(d) Fine (small) motor development;

(e) Music and movement;

(f) Opportunities to listen and speak;

(g) Concept development;

(h) Appropriate sensory play; and

(i) A supervised nap or rest period. Children who do not sleep after 20-45 minutes of quiet time must be provided with an alternative quiet activity. The activity may be in the same room where children are sleeping if it is not distracting to sleeping children.

(7) School-age program of activities. In addition to the daily routine specified in OAR 414-350-0220(2), school age children shall have opportunities to choose from a variety of activities, including:

(a) Individual or group projects and activities, including homework; and

(b) Rest or relaxation.

(8) A home providing swimming or other water activities to children shall meet all of the requirements set forth in OAR 414-350-0380.

(9) Spa pools on the grounds of the certified family child care home shall be enclosed by a barrier at least 48 inches high, with a lockable gate or door, and have a lockable pool cover. The enclosure and cover shall be locked whenever the child care business is being conducted.

### Equipment, Furniture, and Supplies

(1) The certified family child care home shall have indoor and outdoor play equipment, materials, and furniture that are:

(a) Appropriate to the developmental needs and interests of children;

(b) Safe, clean, durable, well constructed, in good repair, and made from lead-free, non-toxic materials;

(c) Child-sized or appropriately adapted for infants, toddlers, and preschool age children's use; and

(d) Easily accessible to the children.

(2) The quantity of play materials (i.e., toys, books and games) shall be sufficient to:

(a) Avoid excessive competition;

(b) Provide a variety of choices to each child;

(c) Provide a balance of active/quiet and individual/group activities; and

(d) Provide the variety of activities required in OAR 414-350-0220(2),

(3), and (4).

(3) An individual bed, mat or cot, appropriate to the cultural background of the child, with individual bedding appropriate to the season shall be provided for each toddler and preschool age child in the home at nap time and for each school-age child who wants to rest.

(a) Family beds may be used.

(b) If the parent(s) so request, siblings may share the same bed.

(c) The upper level of bunk beds shall not be used for children under 10 years of age.

(d) The upper level of bunk beds may be used for children 10 years or older if a bed rail and safety ladder are provided.

### Infant and Toddler Furniture and Equipment

(1) Each infant shall have a crib, portable crib, or playpen with a clean, non-absorbent mattress that meets the following requirements:

(a) Each crib shall be of sturdy construction with vertical slats no more than 2 3/8" apart;

(b) Locks and latches on the dropside of the crib shall be safe and secure from accidental release or release by the infant inside the crib;

(c) Each mattress shall fit snugly; and

(d) Sleeping arrangements shall be appropriate to the cultural background of the infant, with individual bedding appropriate to the season.

(2) If infants and toddlers are in care there shall be:

(a) A bathtub, bathinette, plastic basin, or similar size shallow sink available for bathing children; and

(b) A diaper-changing area. The area shall be located so that hand-washing can occur immediately after diapering without contact with other surfaces or other children.

(c) If the provider is certified to care for more than 12 children and more than 8 infants and toddlers are regularly in care, there must be a second diaper-changing area available.

(3) The diaper-changing table or area shall comply with the requirements specified in OAR 414-350-0160(3)(a)(G).

(4) If high chairs are used, they shall have:

(a) A broad base to prevent tipping;

(b) A latch to keep a child from raising the tray; and

(c) Straps to prevent a child from sliding out.

(5) Cribs, portable cribs, playpens, and high chairs must meet US Consumer Product Safety Commission or equivalent standards.

(6) Car seats are to be used for transportation purposes only. Children who arrive at the home asleep in a car seat may remain in the car seat until they awake.

(7) The use of baby equipment shall not substitute for providing a variety of stimulating experiences.

(8) The use of infant walkers is prohibited.

(9) The use of potty chairs must be approved by the environmental health specialist and/or by CCD.

### Guidance and Discipline

(1) A provider shall have a written policy on guidance and discipline of children.

(2) The provider shall make these policies known to all caregivers and parents.

(3) The guidance and discipline policy shall:

(a) Provide for positive guidance, redirection, and the setting of clear boundaries; and

(b) Be designed to help the child develop self-control, self-esteem, and respect for others.

(4) Only a caregiver shall provide guidance or discipline to a child.

(5) Guidance and discipline shall be fair, consistently applied, timely, and appropriate to the behavior and age of the child. Positive statements or redirection of behaviors shall be used.

(6) Prohibited punishment includes, but is not limited to:

(a) Hitting, slapping, shaking, striking with hand or instrument, pinching, tying or binding, or inflicting any other form of corporal punishment;

(b) Mental or emotional punishment including, but not limited to, name calling, ridicule, yelling, or threats;

(c) Non-prescription chemical restraints used for discipline or to control behavior;

(d) Confining a child in an enclosed area, (e.g., a locked or closed room, closet, box);

(e) Forcing or withholding meals, snacks, rest, or necessary toilet use;

or

(f) Belittling a child for or forcing a child to clean up after toileting accidents.

(7) The provider shall not accept parental permission to use any form of punishment listed in subsection (6) of this rule.

### Transportation

When transportation is provided by or arranged for by the certified family child care home, the following requirements must be met.

(1) Drivers shall be at least 18 years of age and hold a current driver's license.

(2) The vehicle shall be:

(a) In compliance with all applicable state and local motor vehicle laws, and

(b) Maintained in a safe operating condition.

(3) If transportation is provided between the certified family child care home and the child's school or other destination, the provider shall have in writing an acknowledgment from the parent(s) that they are aware of the time

# ADMINISTRATIVE RULES

of day their child is to be picked up and/or delivered by the provider. If the pick-up schedule results in children being unsupervised at school or other location, the provider shall notify parents of this fact.

(4) When transporting children:

(a) The emergency information for each child who is being transported shall be in the vehicle.

(b) Children shall be transported only in sections of vehicles designed for and equipped to carry passengers.

(c) A seat that fully supports the passenger shall be provided for each child.

(d) The number of children transported shall not exceed the number of seat belts or child safety systems available in the vehicle.

(e) All children shall be transported in accordance with ORS 811.210. The child safety system and safety belts shall comply with ORS 815.055 and the standards adopted by the Oregon Department of Transportation. A child under four years of age and weighing 40 pounds or less shall be in an approved child safety system. A child between the ages of 4 and 6 years AND children who weigh between 40 and 60 pounds, regardless of age, must use a booster seat.

(f) Staff/child ratios, as specified in OAR 414-350-0120, shall be maintained in vehicles, as well as in the certified family child care home, when one caregiver is transporting children.

(g) Infants, toddlers, and preschool age children shall leave the vehicle on the same side of the street as the building they will enter.

(h) Drivers delivering children to their homes shall not depart until the child has been received by an authorized person.

(i) No child shall be left unattended inside or outside a vehicle.

(j) If firearms and ammunition are stored in a vehicle, they must be stored as specified in OAR 414-350-0170(10)(d).

### Night Care

(1) When a certified family home provides night care to child care children, the provider shall meet all of the requirements for certified family child care homes contained in OAR 414-350-0000 through 414-350-0400, except for 414-350-0150 and 414-350-0220. In addition, the home shall comply with the following requirements, and the certification shall reflect that regulated night care is offered.

(a) Staffing:

(A) During the hours of night care, the required staff/child ratios, as specified in OAR 414-350-0120 shall be maintained.

(B) A caregiver must be present on the same floor level as the child care children who are sleeping.

(C) A caregiver must be awake for the arrival and departure of each child in night care. A caregiver must be awake during night care hours if more than six(6) children are in care.

(D) All persons 18 years of age and older, inclusive of guests sleeping in the home during night care hours, shall comply with OAR 414-350-0090(4)(a) - (f).

(b) Activities:

(A) There shall be quiet activities, such as story-time, games, arts and crafts, and reading, for each child arriving before bedtime. These activities shall be appropriate to the child's age, interests and abilities.

(B) The use of television, videos, and computer or electronic games shall comply with OAR 414-305-0220(4).

(C) The provider shall have a written plan for night care which includes:

(i) Regular routines;

(ii) Supervision of children;

(iii) Evacuation procedures for awake and sleeping children;

(iv) Sleeping arrangements; and

(v) Arrival and departure procedures.

(D) If 24-hour care is provided, the provider shall have a written plan for self care, i.e., how her/his own needs will be met.

(c) Sleeping Arrangements:

(A) Space shall be available so that children may go to sleep at various times, based on their age and need for rest.

(B) All sleeping rooms used by children shall have two useable exits. A sliding door or window can be considered a useable exit if it meets the definition, as specified in OAR 414-350-0010(32).

(C) Beds and bedding shall comply with OAR 414-350-0230(3) and 414-350-0235(1).

(d) Personal Hygiene:

(A) When bathing is provided, there shall be:

(i) Individual washcloths and towels for each child;

(ii) Individual bathing opportunities for each child, unless a parent(s) has given permission for siblings to bath together;

(iii) Safety glass in glass shower doors or glass tub enclosures;

(iv) Appropriate cleaning and sanitizing procedures implemented after each child has used the shower or tub; and

(v) Appropriate equipment in bathtubs and showers to prevent slipping.

(B) Children spending the night shall have the opportunity to brush their teeth with an individual toothbrush and toothpaste labeled with his/her name.

(C) When bathing, showering or brushing teeth, children shall be supervised by a caregiver. For school-age children, privacy shall be maintained.

### Swimming Activities

The following requirements apply to swimming/water activities provided on the premises of a certified family child care home, or off premises by another organization, public or private, when part of the facility's program.

(1) Definitions:

(a) "Beginning swimmer" means a child who has mastered the skills required to:

(A) Hold his breath with his head submerged;

(B) Perform a front and back float;

(C) Perform the flutter kick on his front and back;

(D) Be able to level off from a vertical entry into a float position; and

(E) Do a combined stroke (front or back) for at least 20 feet without stopping.

(b) "Non-swimmer" means a child who does not meet the definition of beginning swimmer.

(c) "Lifeguard" means a person holding current certification and meeting the requirements of OAR 333-060-0015(13).

(d) "Swimming pool" means a swimming or wading pool licensed by the Oregon Department of Human Services or one of its delegated agents under the requirements of OAR 333-060-0005 through 333-060-0225.

(e) "Wading" means water activities in which the water's depth is no higher than the child's knee.

(2) General Health and Safety:

(a) Children with diarrhea or who have had diarrhea within the last two weeks shall not use the pool.

(b) Children who are not toilet trained shall wear swim diapers.

(c) Children shall use the toilet and shower before entering the pool.

(d) Proper supervision shall be maintained, as specified in OAR 414-350-0380(3)(e), (f) and (g) and 414-350-0380(d) and (e).

(e) The pool operator shall maintain water quality as required in OAR 333-060-0200 or pool use shall cease until the water quality is restored.

(f) Children using the pool shall participate in basic water safety instruction based on their ages and developmental levels.

(A) All adults counted in the staff/child ratios in Table 4 shall be able to swim if the water is more than 48 inches deep and, regardless of the water depth, shall be dressed for swimming.

(B) For children 6 weeks to 36 months, one of the required staff must be in the water. Other staff may be on deck.

(g) Recreational swimming is not allowed for non-swimmers ages 6 weeks to 36 months in swimming pools with water depth 24 inches and over.

(h) Portable-style wading pools are not permitted.

(3) On-Premises Pool Facilities:

(a) On-premises pool facilities shall be licensed by the Oregon Department of Human Services or its delegated agent and shall comply with the requirements in OAR 333-060-0005 through 333-060-0225.

(b) On-premises pool facilities shall have toilets and showers for use by the swimmers.

(c) All new pools or pools at certified family child care homes certified after September 15, 2002, shall have dressing areas for each sex, with storage for the children's clothes.

(d) All activities occurring in a pool shall be under the direction and direct supervision of lifeguards.

(e) Center staff/child ratios shall be maintained at all times children are in the pool area, as specified in Table 4 of this rule.

(f) Lifeguard/child ratios shall be maintained at all times children are in the pool area:

(A) For children not yet attending kindergarten, there shall be one lifeguard for every 20 children;

(B) For children attending kindergarten and older, there shall be one lifeguard for every 40 children; and

(C) For mixed age groups of children, the age of the youngest child shall determine the lifeguard/child ratio.

(g) During all periods of pool operation, the appropriate number of lifeguards shall be on duty in the pool area. During periods of recreational swimming, at least one of the required number of lifeguards shall be stationed on the pool deck.

(h) Water activities that involve a sprayer or spray feature using potable water that is not re-circulated or collected may be conducted by the center. [Table not included. See ED. NOTE.]

# ADMINISTRATIVE RULES

(i) A written plan for pool emergencies shall be available to all staff. The plan shall cover procedures for medical emergencies, chemical emergencies and severe weather.

(A) Staff shall be familiar with emergency procedures, the use of safety equipment and emergency contacts.

(B) The certified home shall provide in-service training and/or drills of the emergency procedures for the pool at least every six months. The provider shall keep a written record of the type, date, time and duration of the training/drills.

(C) Emergency telephone numbers shall be posted near the telephone in the pool area and near a centrally-located and accessible telephone in the certified home.

(j) Safety equipment shall be provided and comply with OAR 333-060-0005 through 333-060-0225. In addition:

(A) All pools shall have an emergency telephone located in the pool area. The telephone shall be able to dial directly for emergency assistance, unless otherwise approved by the Oregon Department of Human Services.

(B) A bodily-fluid spill clean-up kit shall be provided in the pool area. The kit shall consist, at a minimum, of protective gloves, disinfectant, clean-up materials (e.g., bucket, sponge, paper towels), and a biohazard waste bag, be stored in a complete condition, and be replaced or restocked immediately after use.

(C) A rescue tube, of the type required by the lifeguard certifying agency, shall be provided for each lifeguard on duty.

(4) Off-Premises Pool Facilities:

(a) Off-premises pool facilities used by the center shall be licensed by the Oregon Department of Human Services as public swimming pools.

(b) The off-premises pool management shall be made aware of the certified family child care home rules regarding swimming activities.

(c) Certified family child care home staff and children shall comply with the rules and regulations of the public swimming pool.

(d) Certified family child care home staff shall comply with the staff/child ratios in Table 4 of this rule. Lifeguard/child ratios shall be determined by the public swimming pool.

(e) Children shall be within sight and sound of certified family child care home staff at all times.

(f) First aid supplies and a copy of each child's medical release form shall be taken to off-premises pool facilities.

(5) Natural Bathing Areas:

(a) The certified family child care home shall not conduct swimming activities in areas with flowing water.

(b) Wading is the only water activity permitted in shallow surf, lakes, rivers and streams.

### Denial and Revocation of Certification

(1) Certification may be denied or revoked if a certified family child care home fails to meet requirements, provide CCD with information requested, allow an inspection, correct deficiencies, or is operated or maintained in a manner which is harmful to the health, safety or well-being of children in care.

(2) Revocation of a certification shall occur only after the provider receives notification of deficiencies, has adequate time to make corrections, and fails to do so.

(3) The provider has the right to appeal any decision to deny or revoke the certification, subject to the provisions of Chapter 183, Oregon Revised Statutes.

(4) A provider whose certification has been revoked shall not be eligible to reapply for three years after the closure of the certified family child care home.

(5) If necessary to protect children, CCD may give public notice of denial or revocation action taken. The type of notice will depend on individual circumstances.

### Suspension of Certification

(1) The Child Care Division (CCD) may immediately, and without prior notice, suspend the child care certification when, in the opinion of CCD, such action is necessary to protect the children from physical or mental abuse or a substantial threat to health, safety or well-being. Such action may be taken before an investigation is completed.

(a) A provider whose certification has been suspended must immediately notify, verbally or in writing, all parents of the suspension.

(b) A provider whose certification has been suspended must post the suspension in the home where it can be viewed by parents and others.

(2) The provider has the right to appeal any decision to suspend the certification, subject to the provisions of Chapter 183, Oregon Revised Statutes.

(3) If the provider does not request a hearing and the conditions which resulted in suspension have not been corrected, the certification shall be revoked.

## 414-350-0405

### Civil Penalty

(1) A provider who violates these rules or the terms and conditions of certification under these rules may be subject to a civil penalty.

(2) For a serious violation, as defined in OAR-414-350-0010 (30), a provider may be subject to a civil penalty of \$100 for the first violation after a written warning with time to correct is issued; and \$200 for each subsequent violation, not to exceed \$1,000 in a quarter for all rule violations.

(3) For a non-serious violation, a provider may be subject to a civil penalty of \$50 for the first violation after a written warning with time to correct is issued; \$100 for a second violation, and \$200 for a third and subsequent violations, not to exceed \$1,000 in a quarter for all rule violations.

(4) The provider has the right to appeal any decision to impose a civil penalty, subject to the provisions of Chapter 183, Oregon Revised Statutes.

## 661-010-0015

### Notice of Intent to Appeal

(1) Filing of Notice:

(a) The Notice, together with two copies, and the filing fee and deposit for costs required by section (4) of this rule, shall be filed with the Board on or before the 21st day after the date the decision sought to be reviewed becomes final or within the time provided by ORS 197.830(3) through (5). A notice of intent to appeal plan and land use regulation amendments processed pursuant to ORS 197.610 to 197.625 shall be filed with the Board on or before the 21st day after the date the decision sought to be reviewed is mailed to parties entitled to notice under ORS 197.615. A Notice filed thereafter shall not be deemed timely filed, and the appeal shall be dismissed.

(b) The date of filing a notice of intent to appeal is the date the Notice is received by the Board, or the date the Notice is mailed, provided it is mailed by registered or certified mail, and the party filing the Notice has proof from the post office of such mailing date. If the date of mailing is relied upon as the date of filing, acceptable proof from the post office shall consist of a receipt stamped by the United States Postal Service showing the date mailed and the certified or registered number. If a Notice is received without payment of the fee and deposit required by section (4) of this rule, the petitioner will be given an opportunity to submit the required fee and deposit. If the filing fee and deposit for costs are not paid within the time set by the Board, the Board will dismiss the appeal.

(c) If the Board determines that a Notice identifies more than one final decision as the subject of appeal, the Board shall notify the petitioner. The Board shall dismiss the Notice if the petitioner fails to submit within the date specified by the Board either a written election to appeal only one decision, or a separate Notice and separate filing fee and deposit, as required by section (4) of this rule, for each additional decision.

(2) Service of Notice: The Notice shall be served on the governing body, the governing body's legal counsel, and all persons identified in the Notice as required by subsection (3)(f) of this rule on or before the date the notice of intent to appeal is required to be filed. Service of the Notice as

# ADMINISTRATIVE RULES

required by this section may be in person or by first class mail. The date of serving such notice shall be the date of mailing.

(3) Contents of Notice: The Notice shall be substantially in the form set forth in Exhibit 1 and shall contain:

(a) A caption which sets forth the name(s) of the person(s) filing the Notice, identifying the person(s) as petitioner(s), and the name of the governing body, identifying the governing body as respondent;

(b) Below the caption the heading "Notice of Intent to Appeal";

(c) The full title of the decision to be reviewed as it appears on the final decision;

(d) The date the decision to be reviewed became final;

(e) A concise description of the decision to be reviewed, or a copy of either the notice of decision or the decision to be reviewed;

(f) The name, address and telephone number of each of the following:

(A) The Petitioner. If the petitioner is not represented by an attorney, the petitioner's name, address and telephone number shall be included. If an attorney represents the petitioner, the attorney's name, address and telephone number shall be substituted for that of the petitioner. If two or more petitioners are unrepresented by an attorney, one petitioner shall be designated as the lead petitioner, but the Notice shall include the names, addresses, and telephone numbers of all such unrepresented petitioners. See OAR 661-010-0075(7)(a);

(B) The governing body and the governing body's legal counsel;

(C) The applicant, if any (and if other than the petitioner). If an applicant was represented by an attorney before the governing body, then the name, address and telephone number of the applicant's attorney shall also be included;

(D) Any other person to whom written notice of the land use decision or limited land use decision was mailed as shown on the governing body's records. The telephone number may be omitted for any such person.

(g) A statement advising all persons, other than the governing body, that in order to participate in the review proceeding a person must file a motion to intervene pursuant to OAR 661-010-0050.

(h) On the last page, a signature by each petitioner, or the attorney representing that petitioner, on whose behalf the Notice is filed.

(i) Proof of service upon all persons required to be named in the Notice. See Exhibit 1.

(4) Filing Fee and Deposit for Costs: The Notice shall be accompanied by a filing fee of \$200 and a deposit for costs in the amount of \$150 payable to the Land Use Board of Appeals. One check, State of Oregon purchase order or money order for \$350 may be submitted. If a check providing the filing fee or deposit for costs or both is returned for insufficient funds and the filing fee and deposit for costs are not paid within the time set by the Board, the Board shall dismiss the appeal. Cash shall not be accepted.

### Intervention

(1) Standing to Intervene: The applicant and any person who appeared before the local government, special district or state agency may intervene in a review proceeding before the Board. Status as an intervenor is recognized when a motion to intervene is filed, but the Board may deny that status at any time.

(2) Motion to Intervene: A motion to intervene shall be filed within 21 days of the date the notice of intent to appeal is filed pursuant to OAR 661-010-0015, or the amended notice of intent to appeal is filed or original notice of intent to appeal is refiled pursuant to OAR 661-010-0021. When two or more intervenors join in a motion to intervene and are unrepresented by an attorney, a lead intervenor shall be designated as the contact person for the purpose of receiving documents from the Board and other parties. The motion to intervene (see Exhibit 3) shall:

(a) List the names, addresses, and telephone numbers of all persons moving to intervene. If an attorney represents the intervenor(s), the attorney's name, address and telephone number shall be substituted for that of the intervenor(s);

(b) State whether the party is intervening on the side of the petitioner or the respondent;

(c) State the facts which show the party is entitled to intervene, supporting the statement with affidavits or other proof;

(d) On the last page, be signed by each intervenor, or the attorney representing that intervenor, on whose behalf the motion to intervene is filed;

(e) Be served upon the Board and all parties.

(3) Intervenor's Brief:

(a) If intervention is sought as a petitioner, the brief shall be filed within the time limit for filing the petition for review, and shall satisfy the requirements for a petition for review in OAR 661-010-0030.

(b) If intervention is sought as a respondent, the brief shall be filed within the time for filing a respondent's brief and shall satisfy the requirements for a respondent's brief in OAR 661-010-0035.

(4) Filing Fee: A motion to intervene shall be accompanied by a filing fee of \$100 payable to the Land Use Board of Appeals. If a motion to intervene is received without payment of the filing fee or a check providing the filing fee is returned for insufficient funds, the intervenor will be given an opportunity to submit the required fee. If the filing fee is not paid within the time set by the Board, the Board shall deny the motion to intervene. Cash shall not be accepted.

## Landscape Contractors Board Chapter 808

**Rule Caption:** Clarifies definitions and notifications and continuing education reporting requirements; removes planting of annuals, perennials and bulbs from definition of maintenance; house-keeping.

**Adm. Order No.:** LCB 12-2009

**Filed with Sec. of State:** 12-23-2009

**Certified to be Effective:** 1-1-10

**Notice Publication Date:** 11-1-2009

**Rules Amended:** 808-002-0200, 808-002-0220, 808-002-0500, 808-002-0620, 808-003-0020, 808-003-0055, 808-003-0060, 808-003-0075, 808-003-0080, 808-003-0085, 808-003-0100, 808-003-0125, 808-003-0210

**Rules Repealed:** 808-003-0105

**Subject:** 808-002-0200 — Removing the adjustment of sprinkler head nozzles and programming of irrigation controllers from the definition of Casual, Minor, or Inconsequential work. It is being moved to the definition of maintenance; a license will not be required to perform these functions. It also clarifies the repair or maintenance of drainage or irrigation systems is not included in the definition; a license as a landscape contracting business or plumber is required to perform these functions.

808-002-0220 — Clarifying to show that a claim must be for work performed subject to ORS 671.510 to 671.760 and within the boundaries of Oregon.

808-002-0500 — Eliminates "when performed by a licensed landscape contracting business" when installing fences, decks, arbors, patios, landscape edging, driveways, walkways and retaining walls; it is still landscaping work, even if performed by an unlicensed person.

808-002-0620 — Updating to remove decorative vegetation and placing it with trees; remove the replacement of lawns, etc under \$500 because this is listed in ORS 671.530(3) as an exemption to the statute; an exemption does not make this maintenance work. It is part of the Casual, Minor and Inconsequential definition.

808-003-0020 — Updating to include other business entities that must be registered with the Secretary of State and what the consequences are for non registration.

808-003-0055 — Updating rule due to a portion of the exam now being open book and the exam being proctored by PSI.

808-003-0060 — Updates rule for change of exam section name from Laws & Rules to Laws, Rules and Business Practice

# ADMINISTRATIVE RULES

808-003-0075 — Deletes requirement that the agency will notify the applicant by mail of exam scores. The exam is now proctored by a third party who distributes the scores immediately upon taking the exam.

808-003-0080 — Changes scheduling a review of exam with the board office to the designated proctors.

808-003-0085 — Deletes requirement that upon caught cheating the applicant must take all future exams in the board office. The board no longer gives the examination in the board office. It further states the designated proctor will not grade that exam.

808-003-0100 —

Adds entity: Limited Partnership or joint venture and trust to the list of names a license may be issued under. It also adopts the language from 808-003-0105 for clarification.

808-003-0105 — This rule is being repealed and the language is being placed in 808-003-0100.

808-003-0125 — Updates notification of address change rule to require a notification from both the individual landscape construction professional and the landscape contracting business if a sole proprietor. Also requires notification of a change of managing owner or managing employee and a change in percent of ownership.

808-003-0210 — Removes language that is duplicated incorrectly from the statute.

### Casual, Minor, or Inconsequential

(1) “Casual, Minor, or Inconsequential” work, as used in ORS 671.540(3)(c), includes:

- The replacement of shrubs, vines, trees and nursery stock with varieties that are similar in habit and culture;
- The replacement of existing lawns;
- The planting of annuals, perennials and bulbs in existing beds;
- The replacement of non-concrete landscape edging;
- In an irrigation system, the replacement of three or fewer malfunctioning sprinkler heads with heads of the same or of a similar type and hydraulic equivalency;

(2) “Casual, minor or inconsequential” work does not include:

- The construction of new planting areas;
- The construction or repair of arbors, decks, driveways, fences, retaining walls, walkways, patios, concrete landscape edging, or ornamental water features, drainage systems or irrigation systems; or

(c) The maintenance of irrigation systems with the use of compressed air.

### Claims

“Claims” as used in ORS 671.690 to 671.710 and in division 4 of this chapter are:

(1) “Breach of contract claim” means a claim for amounts due from a landscape contracting business as a result of a breach of contract in performing work subject to ORS 671.510 to 671.760.

(2) “Material or equipment claim,” means a claim filed by:

(a) a material supplier who has not been paid for materials sold to a licensed landscape contracting business installed on a given job site located within the boundaries of the State of Oregon when the work performed is subject to ORS 671.510 to 671.760; or

(b) an equipment rental business who has not been paid for the rental of equipment to a licensed landscape contracting business to be used in the performance of work of a licensed landscape contracting business in connection with a given job site located within the boundaries of the State of Oregon when the work performed is subject to 671.510 to 671.760.

(3) “Employee claim” means a claim for unpaid wages or benefits filed by an employee of a landscape contracting business or by the State of Oregon Bureau of Labor and Industries to collect unpaid wages from a landscape contracting business for work performed subject to ORS 671.510 to 671.760.

### Under Contract for the Construction of a New Dwelling

“Under contract for the construction of a new dwelling” as used in ORS 671.540(1)(h) means a residential general contractor has agreed, pursuant to a written contract, to construct a new residential dwelling for the owner in a location on the property where a structure did not previously exist or the existing structure is completely demolished, including the foundation, and removed prior to the new construction. For the purposes of this rule, remodeling or modifying an existing structure is not considered construction of a new dwelling.

### With the Intent of Offering for Sale

Evidence “with the intent of offering for sale” as used in ORS 671.540(1)(f) & (g) includes, but is not limited to, the following:

(1) The owner has posted or otherwise made known through the use of a sign, advertisement, device, or any other method that indicates to the public that the property is for sale. If the owner of the property removes the signage, advertisement, device or other method of indicating the property is for sale, that action alone does not remove the fact that there was an intent to sell property;

(2) The property is listed as “for sale” with a real estate firm or if the property is “for sale by owner” there is an intent to sell;

(3) The property is being offered as a “lease with option to purchase” or other similar wording; or

(4) The owner who performed landscaping work on the property or arranged to have the landscaping work performed on the property:

(a) Does not occupy, rent or lease the property for a period of 6 months or more after the completion of the landscaping work; and

(b) Sells such property within two years of completion of the landscaping work.

# ADMINISTRATIVE RULES

## 808-003-0040

### Limitation of Service by License

(1) A licensed landscape contracting business shall offer to perform and perform only those phases of landscaping work for which its owners or employees who are landscape construction professionals are licensed.

(2) The landscaping work a licensed landscape contracting business offers to perform and performs shall be limited to the following:

(a) For an all phase license holder, all areas of landscaping work, plus the installation of backflow prevention assemblies unless, in lieu of Backflow Prevention, the landscape construction professional contractor has signed an agreement with the Board prior to April 30, 1996 stating that the landscape construction professional will not perform Backflow Prevention work;

(b) For an irrigation; no backflow limited license holder, irrigation functions, including the maintenance of irrigation systems with the use of compressed air;

(c) For a sod and seed limited license holder, grass seed planting or sod laying;

(d) For a tree limited license holder, install new or transplant trees;

(e) For a standard limited license holder, all areas of landscaping work except irrigation functions and the installation of backflow assemblies;

(f) For an irrigation plus backflow license holder, irrigation functions, including the maintenance of irrigation systems with the use of compressed air and the installation of backflow assemblies.

(g) For a probationary All Phase Plus Backflow license holder, all areas of landscaping work, provided all landscaping work on any given landscape job as defined in OAR 808-002-0495 must not exceed a total contract amount of \$15,000.

(h) If a landscape contracting business holds a probationary license and two or more claims are filed against the landscaping business within a 12 month period the owner or employee who holds the probationary license and is providing supervision as described in ORS 671.540(15) and (16) or 671.565(1)(b) may be required to take specific continued education hours (CEH) as required by the board that are related to the claim issues. Failure to complete the required CEH within the specified time frame may result, in addition to any civil penalties, revocation, refusal to renew or suspension of the probationary license of the landscape construction professional.

(3)(a) Tapping into the potable water supply and installation of irrigation or ornamental water feature backflow assemblies shall be done by plumbers licensed by the State Plumbers Board or by licensed landscape construction professionals who have been qualified by examination to install backflow assemblies and who are either employees or owners of landscaping contracting businesses. If the backflow assembly is installed by a landscape construction professional, the landscape construction professional or landscape contracting business shall obtain all required permits prior to the installation of the backflow assembly and shall install the backflow assemblies in conformance with the applicable code requirements.

(b) If a landscape construction professional or landscape contracting business fails to obtain permits to tap into the potable water system for the installation of backflow assemblies for irrigation or ornamental water feature or fails to comply with applicable code requirements, the Board in addition to any other remedy, may suspend, condition or revoke the landscape construction professional or landscape contracting business license.

**Rule Caption:** Reduce renewal fees for licensees by \$20 per two year renewal (\$10 per year).

**Adm. Order No.:** OTLB 1-2010

**Filed with Sec. of State:** 1-5-2010

**Certified to be Effective:** 3-1-10

**Notice Publication Date:** 9-1-2009

**Rules Amended:** 339-005-0000

**Subject:** Because of a large ending balance, increased number of licensees, stable budget, and efficiencies keeping costs down, the Board is reducing the renewal fees by \$10 per year. The two-year renewal fee for Occupational Therapists is reduced from \$170 to \$150 and for Occupational Therapy Assistants from \$120 to \$100

**Rules Coordinator:** Felicia Holgate—(971) 673-0198

## 339-005-0000

### Fees

Two year licenses shall be issued to all licensees in even-numbered years at the fee schedule listed below. On a case-by-case basis the Board may approve the issuance of a one-year license.

(1) The fee for an initial Oregon or out of state occupational therapy license by endorsement is \$100.

(2) The two-year renewal fee issued for the occupational therapy license is \$ 150.

(3) The fee for an initial Oregon or out of state occupational therapy assistant license is \$70.

(4) The two-year renewal fee for the occupational therapy assistant license is \$ 100.

(5) The fee for a limited permit is \$25 and may not be renewed.

(6) The fee for delinquent payment is \$50 and is due on renewal applications not renewed before May 1.

## 409-026-0120

### Reporting Schedule and Format

(1) Collection of the healthcare workforce information required by this rule shall begin on the following dates:

(a) For healthcare professionals licensed by the Oregon Medical Board; October 1, 2009;

(b) For healthcare professionals licensed by the Oregon State Board of Nursing; May 1, 2009;

(c) For healthcare professionals licensed by the Oregon Occupational Therapy Licensing Board, the Oregon Board of Dentistry, the Physical Therapy Licensing Board, the State Board of Pharmacy, or the Board of Examiners of Licensed Dietitians; for license renewal periods on or after January 1, 2010.

(2) Healthcare workforce regulatory boards shall submit the healthcare workforce information required by this rule to the office according to the following schedule:

(a) For healthcare workforce regulatory boards with a fixed licensing period or periods, the information shall be submitted within 90 days of the close of each period;

(b) For healthcare workforce regulatory boards with rolling licensing periods, the information shall be submitted annually, no later than January 31 of the year following the license renewal year.

(3) The healthcare workforce information shall be submitted in one file that includes unique records for each individual license renewed during the reporting period.

(4) The records must be assembled in the format proscribed by the office and must be submitted electronically or on electronic media.

### Fees

(1) The administrator shall establish a per-license fee to cover the cost of collecting and reporting healthcare workforce information. The fee shall be calculated by adding the costs necessary to compile, maintain, and analyze the healthcare workforce information and dividing that cost by the approximate number of individuals licensed in Oregon.

(2) Each healthcare licensing board shall submit, in a format agreed to by the Office and each Board, the total number licensed in accordance with the schedule outlined in OAR 409-026-0120 (1) through (2) for use in determination of fee calculation for the next license period.

(3) The fee shall not exceed \$5.00 per individual licensed for individuals licensed or renewed on or after January 1, 2010. If the per-license fee calculation results in a figure above \$5.00, the office shall review the process for calculating the fee with a stakeholder group with representation from each healthcare workforce regulatory board.

(4) The healthcare workforce information fees collected by healthcare workforce regulatory boards shall be paid to the office on a schedule agreed to by the office and each healthcare workforce regulatory board.

(5) Late payments are subject to recovery in accordance with the laws of the State of Oregon.

**Definitions**

(1) "Alien Status Requirement." A qualified non-citizen meets the alien status requirement for FHIAP if the individual is one of the following:

(a) A person who was admitted as a qualified non-citizen on or before August 22, 1996;

(b) A person who entered the U.S. on or after August 22, 1996 and it has been five years since he or she became a qualified non-citizen;

(c) A person who has obtained their qualified non-citizen status less than five years ago, but entered the U.S. prior to August 22, 1996. The non-citizen must show that he or she has been living in the U.S. continuously for five years from a date prior to August 22, 1996 to the date the non-citizen obtained their qualified status and did not leave during that five year period. If the non-citizen cannot establish the five-year continuous residence before he or she obtained their qualified status, the person is not considered to have entered the U.S. prior to August 22, 1996;

(d) Regardless when they were admitted, a person with one of the following designated statuses:

(A) A person who is admitted as a refugee under section 207 of the INA;

(B) A person who is granted asylum under section 208 of the INA;

(C) A person whose deportation is being withheld under section 243(h) of the INA;

(D) A Cuban or Haitian entrant who is either a public interest or humanitarian parolee;

(E) A person who was granted immigration status according to the Foreign Operations Export Financing and Related Program Appropriation Act of 1988;

(F) A person who is a victim of a severe form of trafficking.

(e) Regardless of when they were admitted, a qualified non-citizen who is:

(A) A veteran of the U.S. Armed Forces, who was honorably discharged not on account of alien status and who fulfills the minimum active-duty service requirement; or

(B) On active duty in the U.S. Armed Forces (other than active duty for training);

(C) The spouse or unmarried dependent child of the veteran or person on active duty described in (e)(A) and (B).

(f) An American Indian born in Canada to whom the provisions of section 289 of the Immigration and Nationality Act (8 U.S.C. 1359) apply; or

(g) A member of an Indian tribe (as described in section 4(e) of the Indian Self-Determination and Education Act (25 U.S.C. 450b(e));

(h) Any legal non-citizen who was approved for a FHIAP subsidy prior to November 1, 2004.

(2) "Appeal" means the opportunity for an applicant to request and receive administrative review by Office staff of a decision made or action

taken by the Third Party Administrator (TPA) or state office regarding program eligibility, subsidy level, termination, re-enrollment, overpayments, misrepresentation, or any other decision adverse to the applicant (ref. 442-005-0320).

(3) "Applicant" means a person who has initially applied or a member who is applying for continuation of FHIAP subsidy payments, but who has not yet been determined to be eligible to receive such subsidy or continued subsidy. "Applicant" also includes dependents as defined in OAR 442-005-0010(7).

(4) "Benchmark" means an identified minimum level of health insurance benefits qualifying for subsidy eligibility. The benchmark is established by the Office in consultation with the Health Insurance Reform Advisory Committee and is submitted to and approved by the federal government.

(5) "Carrier" means an insurance company or health care service contractor holding a valid certificate of authority from the Director of the Department of Consumer and Business Services that authorizes the transaction of health insurance. Carrier also includes the Oregon Medical Insurance Pool established under ORS 735.610.

(6) "Certified carrier" means a carrier that has been certified by the Office to participate in FHIAP. Certified carrier also includes the Oregon Medical Insurance Pool established under ORS 735.610.

(7) "Citizen" for the purposes of FHIAP means a native or naturalized member of the United States who can show proof of identity and citizenship as required in the Deficit Reduction Act (DRA) of 2005 (Pub. L. No. 109-171).

(8) "Dependent" for the purposes of FHIAP may include:

(a) An applicant's spouse, but not when deemed separated pursuant to OAR 442-005-0050(4) or 442-005-0070(5)(c);

(b) All of the applicant's and applicant's spouse's unmarried children, step children, legally adopted children or children placed under the legal guardianship of the applicant or applicant's spouse who are under the age of 23 and reside with the applicant, and all dependent children of a dependent child;

(c) An unborn child of any applicant or applicant's dependent as verified by written correspondence from a licensed medical practitioner;

(d) An elderly relative or an adult disabled child, regardless of age, who lives in the home of the applicant, may be included as a dependent:

(A) For the purpose of FHIAP administration as it relates to ORS 735.720(3)(b), dependent elderly relative means any person 55 and older.

(B) For the purpose of FHIAP administration as it relates to ORS 735.720(3)(b) adult disabled child means:

(i) A child of the applicant or applicant's spouse who is unmarried, a step child, a legally adopted child, or a child placed under the legal guardianship of the applicant or applicant's spouse who is over the age of 18 and resides with the applicant; and

(ii) A child who is disabled with a physical or mental impairment that:  
(I) Is likely to continue without substantial improvement for no less than 12 months or to result in death; and

(II) Prevents performance of substantially all the ordinary duties of occupations in which a person not having the physical or mental impairment is capable of engaging, having due regard to the training, experience and circumstances of the individual with the physical or mental impairment.

(9) "Federal poverty level" means the poverty income guidelines as defined by the United States Department of Health and Human Services. These guidelines will be adopted by FHIAP no later than May 1 each year.

(10) "FHIAP" means the Family Health Insurance Assistance Program established by ORS 735.720 to 735.740.

(11) "Group" means insurance offered through an employer or an association.

(12) "Health insurance producer" means a person who holds a current, valid license pursuant to ORS 774.052 to 774.089 as an insurance producer, where such producer is authorized to transact health insurance.

(13) "Incarcerated" means a person living in a correctional facility, such as:

(a) Individuals who are legally confined to a correctional facility such as jail, prison, penitentiary, or juvenile detention center; or

(b) Individuals temporarily released from a correctional facility to perform court-imposed community service work; or

(c) Individuals on leave of less than 30 days from a correctional facility; or

(d) Individuals released from a correctional facility for the sole purpose of obtaining medical care.

(14) "Income" includes, but is not limited to, earned and unearned gross income received by adults and unearned income received by children. Income includes bartering, or working in exchange for goods and services, discounts on goods and services, working in exchange for rent, and payments made for personal living expenses from business funds:

(a) For purposes of determining average monthly income, an applicant may deduct child or spousal support payments made by the applicant for a child or spouse that FHIAP does not consider a dependent. No deduction is allowed for support that is owed but not paid and collected through an offset against the applicant's state income tax refund;

(b) Income does not include educational grants or scholarships.

(17) "Medicare" means coverage under either parts A or B of Title XVIII of the Social Security Act, 42 U.S.C. 1395 et. seq., as amended.

(18) "Member" means a person approved for FHIAP and enrolled in a health insurance plan using the subsidy, or a Homecare Union Benefits Board (HUBB) applicant enrolled in a health benefit plan and approved for, but not yet enrolled in FHIAP.

(19) "Misrepresentation" means making an inaccurate or deliberately false statement of material fact, by word, action, or omission.

(20) "OHP" means the Oregon Health Plan Medicaid program and all programs that include medical assistance provided under 42 U.S.C. section 396a (section 1902 of the Social Security Act).

(21) "Overpayment" means any subsidy payment made that exceeds the amount a member is eligible for, and has been received by, or on behalf of, that member, as well as any civil penalty assessed by the Office.

(22) "Qualified non-citizen" for the purposes of FHIAP. A person is a "qualified non-citizen" if he or she is any of the following:

(a) A non-citizen who is lawfully admitted for permanent residence under the Immigration and Nationality Act (INA) (8 U.S.C. 1101 et seq);

(b) A refugee who is admitted to the United States as a refugee under section 207 of the INA (8 U.S.C. 1157);

(c) A non-citizen who is granted asylum under section 208 of the INA (8 U.S.C. 1158);

(d) A non-citizen whose deportation is being withheld under section 243(h) of the INA (8 U.S.C. 1523(h)) (as in effect immediately before April 1, 1997) or section 241(b)(3) of the INA (8 U.S.C. 251(b)(3) (as amended by section 305(a) of division C of the Omnibus Consolidated Appropriations Act of 1997, Pub. L. No. 104-208, 110 Stat. 3009-597 (1996));

(e) A non-citizen who is paroled into the United States under section 212(d)(5) of the INA (8 U.S.C. 1182(d)(5)) for a period of at least one year;

(f) A non-citizen who is granted conditional entry pursuant to section 203(a)(7) of the INA (8 U.S.C. 1153(a)(7)) as in effect prior to April 1, 1980;

(g) A non-citizen who is a "Cuban and Haitian entrant" (as defined in section 501(3) of the Refugee Education Assistance Act of 1980);

(h) A battered spouse or dependent child who meets the requirements of 8 U.S.C. 1641(c) and is in the United States on a conditional resident status, as determined by the United States Immigration and Naturalization Service;

(i) American Indians born in Canada to whom the provision of section 289 of the INA (8 U.S.C. 1359) apply;

(j) Members of an Indian tribe, as defined in section 4(e) of the Indian Self-Determination and Education Act (25 U.S.C. 450b(e));

(k) A veteran of the U.S. Armed Forces who was honorably discharged for reasons other than alien status and who fulfilled the minimum active-duty requirements described in 38 U.S.C. § 5303A(d);

(l) A member of the U.S. Armed Forces on active duty (other than active duty for training);

(m) The spouse or dependent child of a person described in either (k) or (l) above;

(n) A legal non-citizen approved for FHIAP subsidy prior to November 1, 2004.

(23) "Reapplication" means the periodic review and determination of a member's continued eligibility or subsidy level.

(24) "Reservation list" means a list of potential applicants for FHIAP, entered onto a register maintained by the TPA or state office as authorized by ORS 735.724.

(25) "Resident" means a citizen or qualified non-citizen who resides in Oregon or a full-time college student who is a citizen or qualified non-citizen with a parent who resides in Oregon.

(26) "Self-employment" means gross receipts received from a business owned, in whole or in part, by a FHIAP applicant or dependent if the gross receipts are reported on an Internal Revenue Service (IRS) Schedule C or 1099. Self employed income also includes income received for providing adult foster care if the recipient of the care lives in the applicant's home. Self-employment does not include income received from a partnership, S-corporation, C-corporation, or adult foster care if the care is not provided in the caregiver's home. Self-employment does not include income received from a Limited Liability Company except in the following situations:

(a) If an applicant or their dependent have income from a Limited Liability Company and file an IRS schedule C for said income, that income will be treated as self-employment and subject to business deductions;

(b) If an applicant or their dependent have income from a Limited Liability Company and file an IRS schedule F or J for said income, that income will be treated as Farming, Fishing or Ranching and subject to business deductions.

(27) "Support" means any court-ordered monetary payment for a child or former spouse or domestic partner whom FHIAP does not count in the applicant's family.

(28) "Voluntary payroll deduction" means an amount the employee has authorized the employer to deduct from the employee's income to pay expenses not required by law.

### Eligibility

In order for an applicant to qualify for a FHIAP subsidy, applicants must:

(1) Be a resident of Oregon or a full-time college student with a parent who is a resident of Oregon.

(2) Be a United States citizen or a qualified non-citizen who meets the alien status requirement.

(3) Not be eligible for or receiving Medicare benefits.

(4) Have income of zero through 200% of the Federal Poverty Level in effect at the time of determination. Income determination is outlined in OAR 442-005-0070.

(5) Meet one of the statutory definitions of family in ORS 735.720(2) at the time of eligibility determination. To be included in the family size for FHIAP eligibility determination, the applicant's family members must meet the definition of dependent under OAR 442-005-0010(8):

(a) A dependent may be counted in two separate households for the purposes of determining eligibility for FHIAP and any other state assistance program;

(b) A dependent may be counted in two separate households for the purpose of determining eligibility for both families in FHIAP;

(c) A dependent may not be enrolled in FHIAP and OHP (or any other state medical assistance program) at the same time;

(d) A dependent may be enrolled in FHIAP and any other state assistance program (except medical) at the same time;

(e) If a dependent is counted in two separate households for the purpose of determining eligibility in two different assistance programs, enrollment will be determined by criteria established in procedure.

(6) Meet either a period of uninsurance requirement or exceptions listed in OAR 442-005-0060.

(7) Not be incarcerated for more than 30 days or be a ward of the State.

(8) Provide necessary materials in order to allow for eligibility determination. If information submitted is inconsistent, and applicant may be denied.

(9) If applying for subsidy in the group market, must be able to enroll in a group insurance plan that meets the benchmark standard established by the Office within twelve months of eligibility determination. If an applicant to the group market does not have access to a group plan, the group plan they have access to does not meet the benchmark standard, or they cannot enroll into their group plan within twelve months of eligibility determination, the applicant will be denied and placed on the reservation list for an individual subsidy using the same date they were placed on the group reservation list.

### Period of Uninsurance Requirement

In order for an applicant to be eligible for a FHIAP subsidy, an applicant must have been without any health insurance coverage for two months immediately prior to either the signature date on the application, the date of eligibility determination, or any reservation entry date. This requirement does not apply if any applicant:

(1) Is currently enrolled in the OHP.

(2) Was enrolled in the OHP within the last 120 days.

(3) Is a former FHIAP member.

(4) Has enrolled in an insurance plan while on the reservation list as long as they have met the six-month period of uninsurance immediately prior to enrolling in the insurance plan.

(5) Has coverage through the Kaiser Child Health Program or any benefit plan authorized by ORS 735.700 - 735.714.

(6) Has a military insurance plan.

(7) Has enrolled in group coverage within the 120 days prior to getting on the FHIAP reservation list, as long as the applicant had been without any insurance coverage for six consecutive months immediately prior to becoming insured under the group plan.

### Subsidy Levels

(1) All FHIAP children are subsidized at 100% of the child's monthly premium.

(2) When a family has average gross monthly income up to 125 percent of federal poverty level in effect at the time of determination, adults will receive a subsidy of:

# ADMINISTRATIVE RULES

- (a) 95 percent of the member's monthly premium amount in the individual health benefit plan market; or
- (b) 95 percent of the member's share of the monthly premium amount in the group health benefit plan market.
- (3) When a family has average gross monthly income from 125 up to 150 percent of federal poverty level in effect at the time of determination, adults will receive a subsidy of:
- (a) 90 percent of the member's monthly premium amount in the individual health benefit plan market; or
- (b) 90 percent of the member's share of the monthly premium amount in the group health benefit plan market.
- (4) When a family has average gross monthly income from 150 up to 170 percent of federal poverty level in effect at the time of determination, adults will receive a subsidy of:
- (a) 70 percent of the member's monthly premium amount in the individual health benefit plan market; or
- (b) 70 percent of the member's share of the monthly premium amount in the group health benefit plan market.
- (5) When a family has average gross monthly income from 170 through 200 percent of federal poverty level in effect at the time of determination, adults will receive a subsidy of:
- (a) 50 percent of the member's monthly premium amount in the individual health benefit plan market; or
- (b) 50 percent of the member's share of the monthly premium amount in the group health benefit plan market.
- (6) The subsidy amounts will never exceed 50 percent, 70 percent, 90 percent, or 95 percent of the total premium based on percentage of federal poverty level in effect at the time of eligibility determination.
- (7) With the exception of administrative error or audit, subsidy percentage levels will only be re-evaluated at reapplication. Subsidy dollar amounts may change, however, if the actual premium being subsidized changes.

### Purpose

The Oregon Business Development Department (Department) through its Infrastructure Finance Authority (Authority) shall administer the state's participation in the federal Community Development Block Grant funding program authorized by 42 United States Code 5301 et seq.

(2) Oregon Community Development Block Grants (OCDBG) are funded by annual allocations to the state from the U.S. Department of Housing and Urban Development (HUD) and program income generated by the grants. The primary objective of the federal community development block grant program is "...the development of viable urban communities, by providing decent housing and a suitable living environment and expanding economic opportunities, principally for persons of low and moderate income..." (Title I, Sec. 101(c), Housing and Community Development Act of 1974, as amended (42 United States Code 5301 et seq.)). The primary objective of Oregon's Community Development Block Grant program is to enhance the quality of life in Oregon communities.

### Program Information

(1) The Authority shall prepare an Application Package each year. The Application Package shall contain the method of distribution, application forms, and other supplementary information that may help eligible applicants prepare grant applications.

(2) The method of distribution shall include a description of all criteria used to select applications from local governments for funding, including the relative importance of the criteria (if developed), a description of how all Community Development Block Grant resources will be allocated among all funding categories and the threshold factors and grant size limits that will be applied. The method of distribution shall be adopted each year after public review and comment of the Annual Update to the State of Oregon Consolidated Plan for Housing and Community Development.

(3) The adopted method of distribution section of the Annual Update to the State of Oregon Consolidated Plan for Housing and Community Development on file with the Department is incorporated as part of these rules by reference.

(4) The Authority shall prepare and provide to Community Development Block Grant recipients a Grant Management Handbook which specifies requirements for local grant management, reporting, and record keeping, and the Authority's monitoring and grant closeout procedures.

(5) The Authority shall administer Community Development Block Grants in compliance with the requirements of the Act, as amended, applicable rules, the method of distribution, and the Grant Management Handbook.

(6) Land Use Coordination: Any project activity paid for with Community Development Block Grant funds that affects land use shall comply with the applicable requirements of OAR chapter 123, division 8.

(7) Procurement by Recipients: When procuring property or services to be paid for in whole or in part with Community Development Block Grant funds, the recipient shall comply with Chapters 244 and 279 of the Oregon Revised Statutes, as applicable.

### Avoiding Conflicts of Interest

(1) The Department shall solicit and receive Private Sector Support only for the purpose of assisting the Department to undertake or implement the programs, functions or laws that it is charged with administering.

(2) Private Sector Support may not be received or used in any way that:

(a) Provides for the personal benefit of any state employee;

(b) Directly benefits any entity responsible for the support; or

(c) Pertains significantly to Department actions, decisions or resources with the potential to have a pecuniary advantage or detriment to such an entity.

(3) If, in the judgment of the Director, an entity is offering or providing support in order to potentially receive special consideration, services or information from the state, or the support is otherwise improper, the Director shall refuse or return the support offered. The Director may consult with the Governor's Office, Department of Administrative Services, Secretary of State, Attorney General, the Oregon Government Ethics Commissioner or other state agencies in order to determine whether receipt of such support is appropriate.

(4) The Department shall, as needed, develop special operational guidelines for purposes of this division of administrative rules (including but not limited to the treatment of confidential or privileged information), signed statements acknowledging such guidelines, and so forth.

(5) The elements and intent of this rule may be applied in situations that might arise with respect to contributions, in-kind goods or services or other forms of support offered to or received by the Department from local governments or municipal corporations that are eligible to receive funding from the Department.

For the purposes of these rules additional definitions may be found in Procedural Rules, OAR 123-001. For purposes of this division of administrative rules, unless the context demands otherwise:

(1) "Administrative Expenses" mean any agency expenditures included under the classifications of expenditures, except categories of debt service and special payments, which are prepared and prescribed for purposes of agency budget-making and accounting.

(2) "Community" means an area or a locality in which the body of inhabitants has common economic or employment interests. The term is not limited to a city, county or other political subdivision and need not, but may be, limited by political boundaries.

(3) "Fund" means the Strategic Reserve Fund established by ORS 285B.266.

(4) "Debt Retirement" means payment in full of the balance owed on the principal of a loan.

(5) "Debt Service" means the interest and charges currently payable on a debt, including principal payments.

(6) "Rural Area" means an area located entirely outside of the acknowledged Portland Metropolitan Area Regional Urban Growth Boundary and the acknowledged urban growth boundaries of the cities of 30,000 or more in population, including Albany, Bend, Corvallis, Eugene, Springfield, Salem, Keizer or Medford.

### Ineligible Expenditures

Strategic Reserve Funds will not be used to assist:

(1) Relocation of a business from one part of the state to another, except for businesses that would otherwise relocate outside Oregon. This restriction may be waived if the Director finds there is good and sufficient reason.

(2) The retirement or service of debt for any public or private entity; or

(3) The Department with any administrative expenses without legislative authorization.

### Director's Review

(1) Projects shall not be funded by the Fund unless the Director finds that:

(a) The Project is or will be supported by the maximum feasible amount of local and private financial participation;

(b) The Project will produce significant long-term, regional or statewide economic impacts;

(c) The Project will not require continuing state subsidies;

(d) The Project does not supplant private investment or duplicate or undermine similar efforts; and,

(e) The Project meets, or can be reasonably expected to meet, at least one of the following criteria:

(A) The Project uses existing human and natural resources to harness Oregon's economic comparative advantage;

(B) The Project promotes economic and community recovery in Rural or Distressed areas, or among populations suffering economic hardship;

(C) The Project creates, or leads to the creation or retention of jobs of higher income for Oregonians;

(D) The Project promotes the development of new national and international markets for goods and services produced in Oregon; or,

(2) If the Project affects land use, it must satisfy the applicable requirements of OAR chapter 123, division 8 of this Department.

(3) Funding decisions shall be made by either the Governor or the Director.

### Waivers

The Director may waive non-statutory requirements of this division of administrative rules if the project demonstrates a contribution to state job strategies consistent with the purpose of the Strategic Reserve Fund. Projects that improve the economic condition of a Rural or Distressed Area, or further global competitiveness of Oregon firms may receive special consideration by the Director.

### Local Government Enterprise Zone Sponsorship or Consent

An enterprise zone shall be sponsored by, and only by, the governing body of each city or county jurisdiction or port district in which it is located, with the following exceptions:

(1) A port need not cosponsor a zone, if:

(a) The zone is located inside the territory of a sponsoring city, county or two or more such jurisdictions; and

(b) The port granted consent for the zone to exist in its territory through a resolution adopted by the port's governing body.

(2) A county need not cosponsor a zone, if:

(a) The zone is located completely in the incorporated territory of a city/cities that/each of which sponsors the zone;

(b) The county has consented to the zone in its territory for sponsorship by a port through a resolution adopted by the governing body of the county; or

(c) The county granted consent for the zone in its unincorporated territory through a resolution adopted by the governing body of the county and the only such unincorporated territory inside the zone lies within the urban growth area between the corporate limits and the urban growth boundary of a city that sponsors the zone.

(3) A city need not cosponsor a zone, if:

(a) The zone is located inside the territory of a sponsoring county or of a sponsoring port with county consent;

(b) The city granted consent for the zone to exist in its territory through a resolution adopted by the city's governing body; and

(c) Less than the zone's entire area lies within less than the entire incorporated territory of the city.

(4) As otherwise consistent with sections (1) to (3) of this rule, city/county/port sponsorship or consent is permissible:

(a) In combinations not specifically described by this rule; or

(b) For an enterprise zone designation under ORS 285C.080 or 285C.250 containing tribal lands in addition to non-tribal lands inside sponsor territory.

(5) Except as provided under ORS 285C.115(3), a city, port or county does not need to sponsor a reservation enterprise zone designated under ORS 285C.306. The same is also true for an amendment to such a zone that adds land:

(a) Held in trust by the U.S. for the benefit of the Indian Tribe, for which the tribal government is the zone sponsor; and

(b) Over which the non-sponsoring city, port or county government does not effectively have jurisdictional control.

(6) As provided under ORS 285C.306, the government of an eligible Indian tribe may cosponsor a reservation partnership zone with a city, county or port pursuant to an agreement formed under ORS 190.110 to perform the duties of a zone sponsor under ORS 285C.050 to 285C.250.

### Definitions

For the purposes of these rules additional definitions may be found in Procedural Rules, OAR 123-001. As used in this division of administrative rules, the following terms shall have the following meaning, unless the context clearly indicates otherwise:

(1) "DEQ" means the State of Oregon Department of Environmental Quality.

(2) "Facilities" means something that is built or installed to perform some particular function.

(3) "Fund" means the water fund created by ORS 285B.563.

(4) "Grant" means an award to a municipality of monies that can be used to reimburse eligible project costs. Grant funds are not required to be repaid when contract conditions are met.

(5) "Non-compliance" means the municipality has received a notice of non-compliance with:

(a) Drinking water quality standards administered by the Oregon Department of Human Services Public Health Services Drinking Water Program; or

(b) Water quality statutes, rules, orders, or permits administered by DEQ or the Environmental Quality Commission.

(6) "Project" means only a project for constructing or improving a drinking water system, or a project for constructing or improving a system for waste water collection or treatment, including storm drainage systems as defined in ORS 285B.560(4) and (5).

(7) "System" means the interconnected facilities that are required or useful for performing the required function.

(8) "Technical Assistance" means preliminary engineering or planning; legal, financial, and economic investigations, reports and studies to determine the feasibility of a project. Technical Assistance also means required Water Master Plans or Wastewater Facility Studies needed to allow communities to properly plan for the future.

### Eligible Project Costs and Activities

(1) Eligible costs include the reasonable costs for eligible program activities and include:

(a) Project development costs;

(b) Construction contingencies for a project as approved by the Authority;

(c) Financing costs associated with the department's financing including capitalized interest, issuance and debt service reserve costs, when such costs are incurred in funding a project;

(d) Costs incurred by the municipality prior to the award if such costs are allowable under the Authority's adopted policy for reimbursement of pre-award costs; and

(e) At the discretion of the Authority, reasonable, new project management costs but not expenses for current staff that are already included in the municipality's adopted budget.

(2) Eligible project and program activities include the construction, improvement or expansion of the following facilities owned and operated by a municipality:

(a) Domestic drinking water systems including all facilities necessary for source, supply, filtration, treatment, storage, transmission, and metering;

(b) Wastewater systems including all facilities necessary for collecting; conveying, pumping, treating and disposing of sanitary sewage, including correction of infiltration and inflow through replacement of lines, sliplining, or other corrective processes approved by the Authority;

(c) Storm water systems including all facilities necessary for controlling, collecting, conveying, treating and discharging of storm water; and

(d) The acquisition of real property directly related to or necessary for the proposed project.

# ADMINISTRATIVE RULES

(e) Project development and the associated engineering, architectural and planning work involved in developing the facilities listed in (1) above, including technical assistance and support activities necessary to the construction of a project as determined by the Authority.

### Ineligible Project Activities

Expenses and costs expressly allowed by OAR 123-043-0015 are eligible for reimbursement from the fund. All other costs, including but not limited to those listed below, are ineligible for reimbursement:

- (1) Costs incurred for facilities that are or will be privately owned.
- (2) Costs of purchase of equipment, such as motor vehicles, not directly related to the project
- (3) Cost of purchase of off-site property for uses not directly related to the project.

(4) Project operating or maintenance expenses.

### Criteria and Limitations for Funding — Non-Technical Assistance Projects

(1) The intent of the Legislature was to provide funding to municipalities to assist in complying with the **Safe Drinking Water Act** and the **Clean Water Act**. Therefore, priority will be given to projects necessary to ensure that municipal water and wastewater systems comply with the requirements of:

(a) Drinking water quality standards administered by the Oregon Department of Human Services Public Health Services Drinking Water Program; or

(b) Water quality statutes, rules, orders, or permits administered by DEQ or the Environmental Quality Commission.

(2) If a municipal water or wastewater system has not been issued a notice of non-compliance by the governing regulatory authority, the Authority may determine that a proposed project is eligible for assistance upon a finding that one of the following has been met:

(a) A recent letter has been issued by the appropriate regulatory authority, typically the Department of Human Services Drinking Water Program, DEQ, or its contracted agent, which indicates a high probability that the system owner will soon be notified of non-compliance with either the Safe Drinking Water Act or the Clean Water Act; or

(b) The Authority deems it reasonable and prudent that an award from the fund will assist in bringing the drinking water, storm water or wastewater system into compliance with the requirements of the **Safe Drinking Water Act**, the **Clean Water Act**, those requirements proposed to take effect within the next two years, or the requirements of other regulatory agencies recognized by the Authority as having responsibility for the protection of water quality and the supply of clean drinking water.

(3) The Authority generally will not fund projects without approval of the appropriate regulatory agency(s).

(4) The project must be consistent with the acknowledged local comprehensive plan.

(5) The Authority encourages regionalization whenever feasible.

(6) The Authority encourages asset management planning where possible.

(7) The Authority will apply approved prioritization when reviewing project information contained in project notification intake form.

### Criteria and Limitations for Funding — Technical Assistance Projects

(1) Awards are available to municipalities with populations of less than 15,000 people for technical assistance. If the project is for a facility plan or study required by a regulatory agency, the municipality is not required to document non-compliance. Other Technical Assistance projects may be considered after consulting with the regulatory agency.

(2) Technical assistance grants and loans are subject to the following limitations:

(a) A grant of up to \$20,000 may be awarded for a project.

(b) A loan of up to \$50,000 may be awarded for a project. Interest shall be at 75 percent of the annual interest rate for other loans made in accordance

with the requirements of this OAR chapter 123, division 43. The loan term shall not exceed seven years; and

(c) No more than \$600,000 shall be expended from the fund on technical assistance in any biennium. When awarding a grant under this section the Authority will not first consider a municipality's ability to repay a loan.

(d) The application must meet the requirements listed in OAR 123-043-0075(2).

(3) The loan shall be a full faith and credit obligation which is payable from any taxes which the municipality may levy within the limitations of Article XI of the Oregon Constitution and all legally available revenues and other funds of the municipality. A pledge of specific revenues of the municipality may be pledged in addition to the foregoing.

### Loan and Grant Information

(1) The Authority may award financing in a manner that maximizes the use of available resources and maintains the desired credit standards of the fund. The Authority shall determine the amount, type, interest rate and terms of any financing awarded. It may offer an alternate mix or lower amount of assistance than requested. The amount of the award may be the minimum amount that the department determines is necessary to enable the project to proceed, and the Authority may investigate and recommend other sources of funds for all or part of a proposed project. Projects that the Authority determines are not financially feasible will not be funded.

(2) Loans for non-technical assistance projects:

(a) The term of a loan is limited to the usable life of the contracted project, or 25 years from the year of project completion, whichever is less.

(b) Except as provided elsewhere in OAR chapter 123, division 43, the interest rate on a loan is based on market conditions for similar debt and is set at the time of the award.

(c) The interest rate on a bond funded loan is equal to the coupon rates on the state revenue bonds funding the loan. Until the state revenue bonds funding the loan are sold, the municipality will pay interest at a rate established by the Authority on loan funds disbursed to the municipality.

(d) Maximum amount for a loan for a project may be determined by the Authority on the basis of the department's financial analysis of the municipality's capacity for repaying the debt, the availability of moneys in the fund and prudent fund management.

(e) The loan shall be a full faith and credit obligation which is payable from any taxes which the municipality may levy within the limitations of Article XI of the Oregon Constitution and all legally available revenues and other funds of the municipality. A pledge of specific revenues of the municipality may be required by the Authority to be pledged in addition to the foregoing.

(3) Grants for non-technical assistance projects: When making a determination to award a grant, the Authority will apply prudent fiscal management of the fund in order to manage limited funding resources. The Authority shall determine if the project meets the criteria of a grant and make a determination on the amount of the grant based on financial need or other special circumstances. In making its determination, the Authority shall apply the following criteria:

(a) The Authority's financial analysis determines that the municipality's financial resources, including its borrowing capacity, are insufficient to finance the project;

(b) The projected annual residential utility rate for the system is at least equivalent to a minimum rate as determined by the Authority's policy. The Authority's policy may include such factors as the most recent U.S. Census data on median household income and annual adjustments for inflation since the most recent census;

(c) Only a distressed community is eligible for a grant award; and

(d) Grants may be awarded up to \$750,000 based on the Authority's policy, but not more than 50 percent of the financial award.

### Contract Administration and Disbursement of Funds

(1) The Authority shall disburse monies from the fund only after entering into a binding contract with the municipality.

(2) The contract shall be in a form provided by the Authority, and shall include:

(a) A provision that disbursements from the fund will be according to the terms of the contract;

(b) A provision that the liability of the Authority under the contract is contingent upon the availability of moneys in the fund for use in the project;

(c) If any portion of the assistance is in the form of a loan or the purchase of a bond of a municipality, a provision granting the Authority a lien on

or a security interest in the collateral as determined by the Authority to be necessary to secure repayment of the loan or bond;

(d) A provision that, for a period of up to six (6) years after project completion, the Authority may request that the municipality, at its own expense, submit data on the economic development benefits of the project, including but not limited to information on new or retained jobs resulting from the project, and other information necessary to evaluate the success and economic impact of the project;

(e) For a drinking water project, a provision requiring the municipality to install meters on all new active service connections from any distribution lines that may be included in the project;

(f) For a drinking water project with existing, active unmetered service connections, a provision requiring the municipality to install meters on such service connections; and

(g) Other provisions that the Authority considers necessary or appropriate to implement the assistance.

(3) Other funds that may be needed to complete the project must be available or the municipality must have a binding commitment for such funds at the time the contract is executed. If a portion of the other funds needed to complete the project is committed but not available at the time an award is made or the contract executed, the contract shall require that the project be fully funded prior to any disbursement from the fund.

(4) The contract for a loan or grant shall be authorized by an ordinance, order or resolution adopted by the governing body of the municipality in accordance with the municipality's requirements for public notice and authorization debt.

### Recipient Responsibilities

(1) The municipality must comply with all applicable state laws, regulations and requirements, such as Oregon prevailing wage rates, municipal audit law, and procurement regulations.

(2) The municipality shall maintain accounts and records for all activities associated with the contracted project and shall provide the Authority and its representative's reasonable access to such records. The municipality shall submit periodic reports on the project as requested by the Authority.

(3) The municipality shall certify that a registered professional engineer will be responsible for the design and construction of the project and it shall follow standard construction practices, such as bonding of engineers and contractors, requiring errors and omissions insurance, performing testing and inspections during construction, and obtaining as-built drawings.

(4) For a project funded with state lottery proceeds, the municipality shall comply with ORS 280.518 for public display of information on lottery funding of the project. At a minimum the municipality shall:

(a) Include the following statement, prominently placed, on all plans, reports, bid documents and advertisements relating to the Project: "This project was funded in part with a financial award from the Water Fund, funded by the Oregon State Lottery and administered by the State of Oregon, Business Development Department."; and

(b) For a construction project, post a sign, provided by the Authority, at the project site or, if more than one site is included in the project, at a site visible to the general public stating that the project is being funded by lottery proceeds.

(5) For a construction project the municipality shall have a plan for ongoing operation, maintenance and replacement that will preserve the project's benefits over its useful life.

### Appeals and Exceptions

(1) Appeals of decisions made by the municipality regarding a project must be made at the local level in accordance with the requirements and procedures of the municipality.

(2) The director or the director's designee will consider appeals of the Authority's funding decisions. Only the municipality may appeal. Appeals must be submitted in writing to the director within 30 days of the event or action that is being appealed. A project that would have been funded but for a technical error in the Authority's review of the application, as determined by the director, will be funded as soon as sufficient moneys become available in the fund, provided the project is still viable. The director's or the director's designee decision is final.

(3) The director or the director's designee may waive any non-statutory requirements of OAR chapter 123, division 43 if it is demonstrated such a waiver will further the goals and objectives of the program.

### Definitions

For the purposes of these rules additional definitions may be found in Procedural Rules, OAR 123-001. As used in this division of administrative rules, unless the context requires otherwise the following definitions apply:

(1) "Allocation" means an original allocation or reallocation of recovery zone bond volume cap.

(2) "ARRA" means the American Recovery and Reinvestment Act of 2009, H.R. 1, as amended.

(3) "Code" means the Internal Revenue Code of 1986, as amended.

(4) "Notice" means Notice 2009-50, published by the U.S. Treasury Department on June 12, 2009.

(5) "Notice of Intent" means a notice of intent to issue Recovery Zone Bonds on a form provided by the Department, which shall include the following:

(a) Name of Recipient receiving Allocation.

(b) Name of unit of local government that will issue the Recovery Zone Bonds.

(c) Type of Recovery Zone Bonds to be issued.

(d) Description of area designated as Recovery Zone.

(e) Description of project to be financed.

(f) Dollar amount of the bond issue and amount of Allocation to be used and amount of Allocation (if any) remaining after such issuance.

(g) Any Reallocation requested by the Recipient for the project.

(h) If applicable, that the Recipient does not intend to use some or all of its Allocation, and is waiving such Allocation (or if less than all, the portion of Allocation being waived). In connection with any such waiver, the Recipient may designate a project being undertaken by another unit of local government within the jurisdiction using Recovery Zone Bonds, and request that the waived Allocation be reallocated to such unit of local government in connection with such project.

(i) Such other information as may be prescribed by the Department.

(6) "Original allocation" means the initial authorization for units of local government to issue Recovery Zone Facility Bonds or Recovery Zone Economic Development Bonds pursuant to ARRA. Oregon received \$155,175,000 in Allocation for Recovery Zone Facility Bonds and \$103,450,000 in Allocation for Recovery Zone Economic Development Bonds for 2009 and 2010; the original allocations awarded to counties and municipalities in the State are found in the Notice.

(7) "Originally awarded locality" means a city or county that received an original allocation of recovery zone economic development bond or recovery zone facility bond authority.

(8) "Reallocation" or "Reallocate" means an action by the department to allocate waived Recovery Zone Facility or Recovery Zone Economic Development Bonds volume cap to an eligible unit of local government.

(9) "Recipient" means any unit of local government that received an original allocation or reallocation.

(10) "Recovery Zone" means any area within the jurisdiction of the Recipient, designated as a "recovery zone" in accordance with Code Section

# ADMINISTRATIVE RULES

1400U-1(b) by the Internal Revenue Service or local determination in compliance with the Code.

(11) "Recovery Zone Bonds" means Recovery Zone Economic Development Bonds and Recovery Zone Facility Bond, authorized under Section 1401 of Title I of Subtitle B of the American Recovery and Reinvestment Act of 2009, Pub. L. No. 111-5, 123 Stat. 115 (2009), that may be issued by states, counties, certain municipalities and other qualified issuers within each state before January 1, 2011.

(12) "Recovery Zone Economic Development Bonds" means Recovery Zone Economic Development Bonds issued pursuant to Code Section 1400U-2, which in general are governmental bonds issued by a qualified issuer for economic development purposes (as defined in Code Section 1400U-2) that provide for a refundable tax credit paid to the issuer of the bonds in an amount equal to 45% of the taxable interest payable to investors in such bonds.

(13) "Recovery Zone Facility Bonds" means Recovery Zone Facility Bonds issued pursuant to Code Section 1400U-3, which in general are a type of private activity, exempt facility bond that permit financing of recovery zone property (as defined in Code Section 1400U-3) for use in any trade or business other than certain prohibited businesses enumerated in Section 1400U-3(c)(2).

(14) "Volume cap" or "Cap" means the recovery zone bond volume limitation allocated to each state and to counties and municipalities within each state in accordance with Code Section 1400U-1.

## 123-165-0030

### Use of Original Allocation and Reallocation

(1) For the purposes of recovery zone economic development bond and recovery zone facility bond allocations, a recipient of an original allocation may use its allocation or designate other issuing localities within the jurisdiction of the originally awarded locality to use all or a portion of its original allocation by any procedure mutually acceptable to both parties subject to federal requirements.

(2) An originally awarded locality that intends to use its original allocation or intends to designate another issuer within the jurisdiction of the originally awarded locality to use the original allocation must file a *Notice of Intent* form by March 1, 2010 with supporting documentation.

(3) An originally awarded locality that has used the *Notice of Intent* form to express its intent to use or designate another issuer within the jurisdiction to use its original allocation may amend the *Notice of Intent* at a later time if it is determined that the locality is unable to use its original allocation in the manner previously stated or has decided to waive all or part of the original allocation for reallocation by the state pursuant to subsection (6) below.

(4)(a) An originally awarded locality intending to use its original allocation and has filed a *Notice of Intent* pursuant to subsection (2) above must provide the department with project information and supporting documents by April 16, 2010 that shows substantial progress. Supporting documents include bond counsel and underwriter statement of intent documents and a certified copy of a resolution of the governing body of the recipient designating a recovery zone and stating its intent to use its original allocation.

(b) A recipient may request a time extension if filed by April 16, 2010.

(5) If an originally awarded locality is not able to or chooses not to use all or a portion of its original allocation or does not offer all or a portion of the original allocation to another issuer within the jurisdiction of the originally awarded locality, the original allocation may be waived. In cases where original allocation is not used, federal code provisions and U.S. Department of Treasury guidance in IRS Notice 2009-50 allow original allocations to be waived by the recipient and then used by the state or reallocated by the state to other issuing localities. The department, as authorized in statute, has accepted the reallocation role on behalf of the state. Waived recovery zone economic development bond or recovery zone facility bond authority may be used by the state or reallocated by the department to other issuing localities.

(6) Any recipient of original allocation or reallocation may affirmatively waive all or a portion of its allocation to the state pursuant to the following procedure:

(a) Submitting an appropriately completed *Notice of Intent* form; and

(b) The form must be signed by the official(s) of the recipient authorized to execute the form pursuant to a resolution waiving the allocation adopted by the recipient's governing body.

(7) If a recipient of original allocation or reallocation has not provided the department with the *Notice of Intent* pursuant to subsection (2) above or supporting documentation pursuant to subsection (4) above or subsection (12) below the department may issue a *Notice of Intent to Reallocate*, informing the recipient of the department's intent to deem the allocation to have been waived to the state and to make such allocation available to reallocate to another locality or use by the state.

(8) A recipient will have fifteen calendar days from receipt of a *Notice of Intent to Reallocate* to respond to the department with the required documentation or to ask the department to reconsider its waiver determination.

(9) The department will respond to the request to reconsider its waiver determination within ten business days with a decision by the department director or the director's designee to grant an extended time in which the issuing jurisdiction must demonstrate substantial progress toward a recovery zone economic development bond or recovery zone facility bond issuance, or a decision to go forward with the waiver of the allocation. The length of the time of the extension shall be determined at the discretion of the department.

(10) Any local government issuer may request a reallocation of recovery zone facility bonds and/or recovery zone economic development bonds authority by submitting a department supplied *Recovery Zone Bonds Request for Reallocation* form to the department. The department will acknowledge the request within five business days and provide a determination on the reallocation of cap within fifteen business days of the acknowledgement.

(11) The department will notify a recipient of its determination to award reallocation of volume cap in writing in a *Reallocation Award Letter*.

(12) A recipient of reallocated cap must provide the department with project information and supporting documents within 45 days of the date of the *Reallocation Award Letter*, or sooner if required by the department, that shows substantial progress. Supporting documents include bond counsel and underwriter statement of intent documents and a certified copy of a resolution of the governing body of the recipient designating a recovery zone and stating its intent to use its allocation.

(13) The department will carry out continual review of the use of recovery zone facility bonds and/or recovery zone economic development bonds authority to determine if original allocations as well as reallocations were used or are likely to be used before year end. To the extent recovery zone bond authority is identified to not be used, a final reallocation will occur late in 2010 for any bonding projects in the state meeting the code qualifications.

(14) Following the issuance of any recovery zone bond, the issuer of such bond shall promptly deliver a copy of the report required to be filed with the Internal Revenue Service (e.g. the Form 8038 for recovery zone facility bonds and the Form 8038G for recovery zone economic development bonds) to the department. The department will maintain a list of all recovery zone bonds issued and all allocations used, waived, and available for full or partial reallocation.

### Criteria for Reallocation Award of Recovery Zone Economic Development Bonds Cap

In accordance with the intent of the code and state priorities, the following criteria will be used to prioritize reallocation requests by the department:

- (1) The relative level of economic distress in the local community.
- (2) The number of citizens benefiting from the project.
- (3) The estimated positive economic, health, or environmental impact of the project on the local community, region, and state.
- (4) The number of jobs created or retained by the project as can be best estimated.
- (5) Whether the availability of the reallocation is a crucial part of attracting a new company or keeping an existing company in place;
- (6) Whether the requested reallocation will benefit a project for which a recipient or other unit of local government is issuing recovery zone bonds;
- (7) Whether the requested reallocation will benefit a project that was designated by a recipient in connection with a previous waiver of its allocation.

(8) The readiness of the project to proceed including consideration for the likelihood that the issuer will use the allocation within the timelines.

(9) The amount of other public and private funding leveraged by the recovery zone economic development bond allocation.

(10) The amount of local community support for the project, other agency support, and the degree the project supports efficient use of resources.

## Oregon Criminal Justice Commission

### Chapter 213

**Rule Caption:** Amends Oregon Sentencing Guidelines in light of 2009 legislative actions.

**Adm. Order No.:** CJC 7-2009

**Filed with Sec. of State:** 12-31-2009

**Certified to be Effective:** 1-1-10

**Notice Publication Date:** 12-1-2009

**Rules Adopted:** 213-018-0058

**Rules Amended:** 213-003-0001, 213-017-0004, 213-017-0005, 213-017-0006

**Rules Repealed:** 213-003-0001(T)

**Subject:** Under ORS 137.667(2), the Criminal Justice Commission (CJC) may adopt changes to the Sentencing Guidelines. However, the rule changes must be approved by the legislature before they go into effect. The first two rule changes below were adopted as temporary rules, and submitted for legislative approval. The effective date of the temporary rules was January 1, 2010, to correlate with the effective date of the possible legislative approval. In HB 2665 (2009), the legislature approved the two changes below, and the rules must now be amended to incorporate those changes.

The first rule change amends the definition of "person felony" in OAR 213-003-0001 to include both Felony Animal Abuse I (ORS 167.320(4)) and Aggravated Animal Abuse I (ORS 167.322). The rule change repeals the temporary rule submitted for legislative approval, and amends the current rule to implement the legislatively approved changes.

The second rule change adds a definition of "straight jail" to OAR 213-003-0001. The definition clarifies that when a sentencing court imposes a "straight jail" sentence, such a sentence is not followed by a term of supervision. The rule change repeals the temporary rule submitted for legislative approval, and amends the current rule to implement the legislatively approved changes.

Additionally, CJC is required under ORS 137.667 to review all legislation creating new crimes or modifying existing crimes, and to adopt by rule necessary changes to the crime seriousness scale. CJC also may classify offenses as person felonies or person misdemeanors for purposes of the rules it is required to adopt. The rule changes below are required to comply with that legislative directive. The rule changes accomplish the following:

Classify the offense of Harassment, when committed as a Class A Misdemeanor, as a person misdemeanor, in response to HB 3271 § 1 (2009).

Classify the offense of Aggravated Harassment as a Crime Category 6 on the Crime Seriousness Scale, and classify that offense as a person felony, in response to HB 3271 § 2 (2009).

Classify the offense of Aggravated Driving While Suspended or Revoked as a Crime Category 7 on the Crime Seriousness Scale as

required by HB 3271 § 5 (2009), and classify that offense as a person felony, in response to HB 3271 § 5 (2009).

Classify the offense of manufacturing or delivering a controlled substance in Schedule IV and thereby causing death to any person as a person felony, in response to SB 728 § 1 (2009).

Classify the offense of Sexual Abuse II as a Crime Category 8 on the Crime Seriousness Scale when the victim is incapable of consent due to being under 18 years of age, the offender is 21 years old or older, and the offender was the victim's coach at any time prior to the commission of the offense, as required by HB 2476 § 1. Also classify the offense of Sexual Abuse II as a person felony when victim is incapable of consent due to being under 18 years of age, the offender is 21 years old or older, and the offender was the victim's coach at any time prior to the commission of the offense, in response to HB 2476 § 1, 2 (2009).

## Oregon Department of Aviation Chapter 738

**Rule Caption:** Leases of State-owned airports, including lease valuation and lease application.

**Adm. Order No.:** AVIA 1-2010(Temp)

**Filed with Sec. of State:** 1-7-2010

**Certified to be Effective:** 1-7-10 thru 7-6-10

**Notice Publication Date:**

**Rules Amended:** 738-010-0025, 738-010-0035, 738-015-0005

# ADMINISTRATIVE RULES

**Subject:** These rules govern the Oregon Department of Aviation's leases of State-owned airports, including determination of lease valuation and lease application requirements. Proposed amendments revise methodology and appraisals used to determine lease value, allow a payment-in-kind agreement as a lease payment option and provide the Department flexibility in determining who must file a written application to obtain a lease in order to streamline the application process.

### Types of Rates, Charges and Fees

Each user of an Oregon State-owned airport shall be charged one or more of the following types of rates, charges and fees for the use of the premises and the rights granted by the Department:

(1) Lessees leasing unimproved or improved land for non-commercial and commercial building sites or buildings and hangars on the State-owned portion of a State-owned airport shall be assessed an annual rate per square foot. All lease rates and charges applicable to a property shall represent a fair market rent as determined by first considering most recent appraisal market rent analysis conducted by Department staff or a licensed real estate broker. The Department may consider all pertinent circumstances when determining fair market rent, including but not limited to whether the land is buildable with or without restrictions. Lessees shall also pay all real property taxes on the land portion of the lease property.

(a) Rent shall be paid to the Department as follows:

(A) Annually in full, with the first annual payment on or before the date the lease begins and subsequent payments on the anniversary date;

(B) Monthly in equal installments, payable at the beginning of each month; or

(C) By the terms of a payment-in-kind agreement that may constitute partial payment or full payment. Payment-in-kind value will be assigned upon determination of the value of the actual improvements, goods or services received. The determination of value will be based on an objective process which compares bids obtained by the Department from service providers for like services, goods or improvements. A payment-in-kind agreement and all documents used to determine payment-in-kind value must be retained in the lease file. Acceptance of an in kind payment offering requires documentation of an affirmative finding by the Department that the value of the in kind offering primarily benefits the airport generally rather than the individual lessee or the business of the individual lessee. Any payment-in-kind agreement previously executed is valid retroactively to the date of execution.

(b) In new or renewed leases where all or part of the capital improvements are constructed at the Department's expense, the Department reserves the right to amortize all or part of the construction costs of the capital improvements, plus a reasonable rate of return as part of the rent, during the term of the lease.

(2) A fuel flowage fee, not to exceed \$0.12 per gallon, shall be assessed to each FBO for all types of fuel received from a commercial distributor. Fuel flowage fees shall be calculated from the FBO's fuel flowage delivery report and shall be paid in full not later than two working days after the conclusion of the reporting period.

(3) Each user with an agreement to access the State-owned airport property shall pay an access fee according to a published fee schedule. To ensure equity among all users, the schedule shall be based on the quantity and individual weight of user's aircraft that will access the airport.

(a) Each commercial operator shall pay a fee to the Department, either annually on the agreement anniversary date or monthly on or before the 25th, for the month then in process.

(A) The fee shall be the greater of:

(i) A fee for each aircraft based on the adjacent property, based on aircraft maximum gross landing weight as shown below; or

(ii) A minimum guaranteed amount determined by Airport Category, as follows:

\$275.00 — Per month per Category II Airport  
\$175.00 — Per month per Category III and IV Airports  
\$75.00 — Per month per Category V Airport

(B) For multiple aircraft, payment shall be accompanied by a report listing each based aircraft showing aircraft class, N-number, aircraft type and the hangar or tie-down number where the aircraft is stored.

(b) Each non-commercial operator shall pay a fee for each aircraft based on the adjacent property, based on aircraft's maximum gross landing weight as set forth in Table 1 below. Payment is due either:

(A) Annually on the anniversary date of the agreement; or

(B) Monthly on or before the 25th, for the month then in process.

(c) At residential airparks, access fees as set forth below shall be assessed for each developed lot with airport access, whether or not the access is being utilized.

PER AIRCRAFT WEIGHT-BASED FEE FOR ALL STATE-OWNED AIRPORTS  
Aircraft Weight Class — Weight Range — Monthly Fee Per Aircraft  
Class 1 — Up to 5,000 lbs — \$15 per month  
Class 2 — 5,001 to 10,000 lbs — \$24 per month  
Class 3 — 10,001 to 20,000 lbs — \$44 per month

Class 4 — 20,001 to 30,000 lbs — \$66 per month  
Class 5 — 30,001 to 40,000 lbs — \$88 per month  
Class 6 — 40,001 lbs. and over — \$120 per month

(4) The Department shall offer tie-down facilities to based and transient aircraft at specific State-owned airports where there are no FBO-provided tie-downs. Based aircraft operators leasing an available tie-down shall pay rent for an entire year in full beginning at lease commencement and subsequently on each anniversary date of the lease, according to rates set forth below.

(a) NON-COMMERCIAL TIE-DOWN FEES:

Category II Airports — \$20 per month  
Category III and IV Airports — \$17.50 per month  
Category V Airports — \$15 per month

(b) COMMERCIAL TIE-DOWN FEES: ODA shall rent tie-down facilities to FBOs wherever possible. ODA shall collect 30% of all tie-down revenue generated. There shall be no flat fee per tie-down. FBOs shall be responsible for providing a monthly accounting of all tie-down revenue received.

(5) The Department may negotiate individual fee and rent agreements at each State-owned airport, recognizing the diversity of services performed by the caretakers of different airports. These agreements shall be based on the specific services provided by the caretaker the Department shall ensure that all the financial terms of those agreements are consistent among the same category of airport.

(6) The Director, or the Director's designee, may negotiate a unique rent or fee structure and enter into a special use agreement to benefit the general public, the local community or the State, for such activities as fire protection facilities, sports complexes, farming rights, weather equipment site leases and concession storage areas. All rental rates and charges applicable to special use agreements shall be determined through an analysis of similar activities, rates and charges at comparable airports in addition to consideration of overall benefit to the general public and the State aviation system.

(7) Each commercial operator conducting any type of agricultural-related aeronautical activity at a State-owned airport shall be required to lease property from the Department to store materials and equipment applicable to such operation. The rental rate shall be determined as of the day of occupancy.

(8) Each Mobile Service Provider (MSP) is required to obtain an annually renewable permit from the Department and pay the appropriate fee as represented below.

Category II Airports — \$25 per month or \$250 annually  
Category III and IV Airports — \$20.00 per month or \$200 annually  
Category V Airports — \$15 per month or \$150 annually

(9) The Director, or the Director's designee, may negotiate a specific rate or fee to support the Department's mission of developing and promoting aviation in the State of Oregon. Any such negotiated fee agreement will contain a fair and equitable rate structure, will not be used routinely and will only be considered for the most unique circumstances.

(10) The Director, or the Director's designee, may waive certain fees for government aircraft, in order to comply with Federal Airport improvement grant assurances. The Director, or the Director's designee, may also waive certain fees for an organization or person engaged in a non-profit aeronautical program or activity that benefits a charitable organization or community.

### Fair Market Value Cost of Construction — Adjustments of Unimproved Land, Improved Land and Facility Rents

All rents set forth in agreements for rental of improved or unimproved land, or for any facility or structure, may be adjusted by the Department as follows:

(1) Adjustments shall be made at intervals not to exceed every two years;

(2) Adjustments shall be based on the Consumer Price Index-Urban of the State of Oregon, provided that no adjustment shall exceed three percent (3%) of the rent for the previous year;

(3) Except as provided in subsection (4), at intervals of not less than five (5) years, the Department may engage a certified appraiser or equally qualified aviation consultant, at its sole expense, to determine by either appraisal or market rent analysis, the current fair market value or rent for any property subject to a rental agreement.

(4) The minimum five (5) year interval described in subsection (3) may be waived by the Department when the Department finds waiver necessary to meet a legitimate business need arising prior to conclusion of the five-year period.

(5) The Department shall be responsible for the engagement of an appraiser or aviation consultant. All expenses for the appraisal or market rent analysis shall be borne by the Department.

## Leasing Application for Commercial Aeronautical Activities

(1) To obtain an initial commercial lease at a State-owned airport, a person shall submit a written application to Oregon Department of Aviation (the Department or ODA) for review, in the form specified by ODA. As a prerequisite to initially granting commercial aeronautical activity privileges or occupancy at a State-owned airport, the prospective Lessee must submit a specific, detailed description of the scope of the intended commercial aeronautical activities, as well as the means and methods to be employed to accomplish the contemplated activities. Applications for the renewal of existing leases or applications for additional initial leases submitted by current lessees may require a written application at the discretion of the Department.

(2) Required information that must accompany an application for commercial lease shall include:

(a) The legal name of the person applying as prospective Lessee, and its business name if different;

(b) The name(s), address(es), and telephone number(s) of the person and the name of the primary contact individual;

(c) The names, addresses, and telephone numbers of all owners of five percent (5%) or more equity interest, management control, or debt in the entity;

(d) The proposed date for commencement of the intended activities and proposed base lease term for conducting these activities;

(e) A comprehensive listing of all activities proposed to be offered, along with copies of all applicable Federal, State, or local operating certificates and licenses held;

(f) For proposed agreements to lease existing structures or improvements, a description of the size, location, and proposed utilization of office, hangar, tiedown area(s), and vehicle parking area(s) to be utilized;

(g) For proposed agreements to lease unimproved State-owned airport areas, a layout (to scale) of the size, configuration, and location of the property proposed for occupancy, and preliminary drawing(s) of the building(s) and improvements to be constructed, together with identification of vehicle parking areas. Drawings shall be legible and reproducible with clearly defined dimensions. Each drawing shall be not less than 8.5 inches by 11 inches in size and be drawn in permanent media;

(h) The number of persons to be employed, including the name and qualifications of each management/supervisory person, and specifications as to whether the employees will be full-time, part-time, or seasonal;

(i) The number of aircraft to be utilized in connection with the proposed commercial aeronautical activities and, as soon as known, the make, model, passenger seating capacity, cargo capacity, aircraft registration number, and copies of applicable operating certificates for each aircraft; and

(j) A comprehensive list of the equipment, vehicles, and inventory proposed to be utilized in connection with the intended activities.

(3) The prospective lessee is responsible for providing any required infrastructure to support their proposed use of the site, at the lessee's expense. The prospective lessee shall provide to ODA prior to any construction, occupancy or use of the site written confirmation that all required services have been or will be installed (power, water, fire suppression, sewer, etc). Services must comply with local government and ODA requirements.

(4) At its option, the Department may:

(a) Request to review a written business plan; and

(b) Request a metes and bounds legal description of lease property boundaries.

## Oregon Health Authority

(1) Effective June 26, 2009, 2009 Or. Laws Chapter 595 (House Bill 2009) created the Oregon Health Authority and transferred to the Oregon Health Authority certain duties, functions, and powers of:

(a) The Department of Administrative Services (DAS) related to the Public Employees' Benefit Board (PEBB) and the Oregon Educators Board (OEBB);

(b) The Department of Consumer and Business Services (DCBS) related to the Oregon Medical Insurance Pool Board (OMIP);

(c) The Office of Private Health Partnerships (OPHP); and

(d) The Department of Human Services (DHS) with respect to health and health care. The transferred subject areas of DHS are generally described in Section 19(1)(a), Or. Laws Chapter 595 (House Bill 2009) as including but not limited to:

(A) Developing the policies for and the provision of publicly funded medical care and medical assistance in Oregon;

(B) Ensuring the promotion and protection of public health and the licensing of health care facilities;

(C) Developing the policies for and the provision of mental health treatment and treatment for substance use disorders;

(D) Administering the Oregon Prescription Drug Program; and

(E) Establishing responsibility for the Office for Oregon Health Policy and Research and all functions of the office.

(2) The transferred functions described in section (1)(d)(A)–(E) above are generally carried out as currently described in DHS rules by the Public Health Division, the Addictions and Mental Health Division, and the Division of Medical Assistance Programs.

(3) As used in these rules (OAR 943-001-0000 to 943-001-0015) the term "agency" means DHS, PEBB, OEBB, OMIP, and OPHP, and within the context of transfer responsibilities, DAS and DCBS.

(4) Effective June 26, 2009, the administration of new non-transferred duties, functions, and powers established by 2009 Or. Laws, Chapter 595 (House Bill 2009), or other 2009 laws, in the Oregon Health Authority or its constituent units is temporarily delegated to the Department of Human Services, subject to the supervision and oversight of the Oregon Health Authority, until operationally transferred, either in whole or in part, to the Oregon Health Authority.

(5) Operational transfer may occur, in whole or in part, in any program, business transaction, judicial, or administrative proceeding on the date specified by the Oregon Health Authority but no later than June 30, 2011.

## Transition Period Roles and Responsibilities

(1) Effective June 26, 2009, to maintain business continuity for the duties, functions, and powers transferred to the Oregon Health Authority, the agencies listed in OAR 943-001-0010(1)(a)–(d) shall continue to exercise their former duties, functions, and powers, subject to the supervision and oversight of the Oregon Health Authority, until superseded, by operational transfer, either in whole or in part, to the Oregon Health Authority, as follows:

(a) All rules shall remain in effect and ongoing rule filing processes may continue.

(b) All program administration, policies, and procedures remain in effect and may continue to be developed and implemented.

(c) Any judicial or administrative action, proceeding, contested case hearing, or administrative review matters, or new action, proceeding, or matter involving or relating to the duties or powers transferred to the Oregon Health Authority shall continue.

(d) Rights and obligations legally incurred under contracts, leases, and business transactions shall remain legally valid.

# ADMINISTRATIVE RULES

(e) Contract, grant, and business transaction procurement and administration duties, functions, and powers shall remain in effect and may continue.

(f) Any statutory obligations for taxes, assessments, fees, charges, or payments shall continue to be paid to or reimbursed by the appropriate agency.

(g) Any former statutorily required findings, determinations, or recommendations to be made by the agencies shall continue to be made by the agencies.

(h) Any former statutorily required filings, notices or service of papers, applications, notices or other documents to be mailed, provided to, or served on the agencies shall continue to be mailed, provided to, or served on the agencies and the agencies shall retain responsibility to take any appropriate actions to protect the interests of the state concerning or arising from any filings, notices, or service.

(A) Mailing or service of notices or documents on the agencies shall be considered notice to the Oregon Health Authority. For example, any notice sent to the Department of Human Services Estate Administration Unit for purposes of ORS 113.145, 114.525 and 130.370 shall be considered notice to the Oregon Health Authority.

(B) Any filings, notices, or service made to the Oregon Health Authority may be transmitted by the Oregon Health Authority to the appropriate agency.

(2) Any and all remaining duties, functions, or powers of the agencies relating to the duties, functions, and powers transferred to the Oregon Health Authority that are not described in section (1) shall continue in effect or be exercised by the agencies until superseded by operational transfer, either in whole or in part, to the Oregon Health Authority.

## Oregon Health Licensing Agency, Board of Cosmetology Chapter 817

**Rule Caption:** Increase fees to avoid revenue shortfall and allow the agency time to update 2010 Interim Legislature on proposed fees.

**Adm. Order No.:** BOC 3-2009(Temp)

**Filed with Sec. of State:** 12-21-2009

**Certified to be Effective:** 12-26-09 thru 5-31-10

**Notice Publication Date:**

**Rules Amended:** 817-040-0003

**Subject:** The Oregon Health Licensing Agency and Board of Cosmetology originally filed and made effective temporary rules on July 1, 2009, to increase fees during the 2009 Legislative Session under SB 5525, in order to prevent further revenue shortfall. The agency and the board began the administrative rulemaking process with proposed changes published in the August 2009 Oregon Bulletin, and a public hearing held on August 31, 2009, where comments were taken and considered by the hearings officer. The board met on September 21, 2009, to review and approve permanent administrative rules to increase fees. However, based on the the public comment the agency/board decided to revise the proposed rules and requested proposed rules be re-filed with the Secretary of State to allow for further public comment. Permanent rules would have become effective December 15, 2009, but requirements set forth by the 2009 Legislature direct the agency to first report to the Interim Joint Committee on Ways and Means in January 2010. The original temporary rules expire December 25, 2009. Therefore, in order to continue the current fees and meet the requirements of the legislature, the agency must file temporary rules effective December 26, 2009.

#### Purpose and Objectives

The rules of OAR chapter 813 division 044, are established to accomplish the general purpose of both the 1995 Legislative Session law Chapter 174, House Bill 2133, and the 2009 Legislative Session law Chapter 99, House Bill 2436. The Home Ownership Assistance Program (Account) of the Oregon Housing Fund, shall be administered by the Housing and Community Services Department to establish a program to expand the percentage of low and very low income Oregonian families and individuals who own their own homes including, but not limited to, more than 65 years of age, persons with disabilities, minorities and farm workers. These rules describe the Home Ownership Assistance Program and its objective to provide grants to organizations that both sponsor and manage low income home ownership programs, including lease-to-own programs, for purchase of land for homeownership

housing, for purchase of land for placement of manufactured dwellings, for the construction of new home ownership housing or for the acquisition or rehabilitation of existing structures for home ownership housing for persons of low and very low income, or both. Program funding will be consistent with the intent to provide eligible home purchasers with assistance for down payment, closing costs, or other means to make ownership feasible, as well as assure home ownership education. Each biennium, the Department will review and reevaluate the effectiveness of its funding strategies under these rules.

### Application Procedure and Requirements

The Department may provide grant funds subject to the availability of funds in the Account through a process which may include, but is not limited to, receipt and response to individual proposals or submission of proposals subject to a competitive review process. The applicant organization shall submit, in an application form and process prescribed by the Department, project information including, but not limited to:

(1) A written description of the Project including, but not limited to, the proposed program of services to program participants, criteria for selecting prospective homeowners, and any other information pertinent to the Project;

(2) A statement of Project purpose indicating the housing type and target home owners to be housed, how the Project may expand the percentage of home ownership for Oregonians and how the project will provide home ownership opportunities for Low or Very Low Income households, persons with disabilities, minorities and farm workers;

(3) A proforma of Project expenses, income (if applicable) and financing;

(4) Grant amount requested and total Project development costs, including a description of all additional Project funding and funding sources;

(5) A description of the sponsor/manager experience in developing, managing, and operating home ownership programs;

(6) A description of the Organization's program management responsibilities; and

(7) Such other documentation as the Department may require.

### Criteria for Funding

(1) A grant award may be given preference based on:

(a) Providing the greatest number of Low and Very Low Income home ownership housing units for the least amount of Account funds expended or committed toward leveraged funds from other loans, grants, or eligible In-Kind Contributions;

(b) Ensuring the longest possible use as Low or Very Low Income home ownership housing units such as including some form of equity recapture, land trust or shared equity provisions as determined by the Council;

(c) Including a program of services for home owners and proposed home owners of proposed housing including, but not limited to, programs that address home health care, mental health services, alcohol and drug treatment and post-treatment care, child care, case management, home ownership education training, mortgage qualification, credit repair, home owner budgeting and foreclosure counseling.

(d) Supporting a comprehensive strategy to reverse the decreasing rates of home ownership among minorities, giving priority to activities that support adopted comprehensive community plans that incorporate recognized best practices or demonstrate proven success in increasing home ownership for minorities;

(2) Other subordinate criteria as determined by the Department and included in a competitive proposal solicitation.

(3) Down payment, including closing cost, assistance programs shall include home ownership education/training as a requisite for program participant eligibility to receive assistance funds. The Department will establish and maintain a list of approved home ownership education/training programs.

(4) A grant shall be conditioned upon the continued use of the program for the targeted ownership group for the duration and to the extent indicated in the grant application. Programs should target recapture of assistance resulting from owner's home sale. Recycling recaptured funds is an acceptable program provision. The Department, at its discretion, may require repayment of the grant if all or part of the commitments to home owner groups, supportive services, or period of use for Low or Very Low Income housing are withdrawn from the project. Grant terms and conditions shall be established in a program use agreement and recorded (if applicable).

### Purpose and Objectives

The rules of OAR chapter 813, division 55, are established to administer ORS 456.515 to 456.725 and 458.600 to 458.660, which authorize the Department to govern the allocation of moneys deposited in the General Housing Account to best meet critical housing needs and to build the organizational capacity of partners throughout the state; and require equitable distribution of resources over time based on objective measures of need, including the number and percentage of low and very low income households in an area. Each biennium, the Department will review and reevaluate the effectiveness of its funding strategies under these rules.

### Application Procedure and Requirements

The Department may provide contract, grant and/or loan funds subject to the availability of funds in the Account through a process which may include, but is not limited to, a first-come, first-reviewed or a competitive review process. The applicant shall submit, in an application form and process prescribed by the Department, proposals specific to:

(1) Multifamily Affordable Housing Development which may include, but is not limited to:

(a) A written description of the project including the number of units, unit mix, proposed rents, site location, the proposed program of services to occupants, project amenities, and any other information pertinent to the project;

(b) A statement of project purpose indicating the housing type and residents to be housed, and the length of time the units will be committed to be available for low- or very-low income households;

(c) A pro forma of project expenses and income;

(d) Requested grant or loan funds including proposed repayment terms;

(e) Total project development costs, including a description of all additional project funding and funding sources;

(f) A description of the sponsor/developer/owner/manager experience in developing and operating housing projects; and

(g) Such other documentation as the Department may require.

(2) Affordable Housing Capacity Building which may include:

(a) A written description of proposal which describes the use of funds, and the impact to non-profit housing developers and housing authorities and their ability to expand their capacity in delivering affordable housing;

(b) Documentation that clearly demonstrates the financial need of a non-profit housing developer or housing authority;

(c) A plan that describes how the non-profit or housing authority developer will use the funds in a way that doesn't create significant reliance on future funding; and

(d) Such other documentation as the Department may require.

### Criteria for Funding

(1) Specific Criteria for Multifamily Affordable Housing Development includes the following:

(a) A grant and/or loan application may be given preference when it does one or more of the following:

(A) Provides the greatest number of low and very low income housing units for the least amount of Account funds expended or committed toward matching fund from other loans, grants or eligible In-Kind Contributions.

(B) Ensures the longest possible use as low- or very-low income housing units as established by the Council.

(C) Provides housing for specific populations which have historically faced barriers in finding housing, and which are identified as having a priority in the Consolidated Plan or its successor, or in a state-acknowledged initiative.

(D) Meets other criteria as established by the Department.

(b) Funding to a project development shall be conditioned upon the continued use of the project for the targeted tenant group and provision of supportive services for the duration and to the extent indicated in the grant and/or loan application. The Department, at its discretion, may require repayment of the funding if all or part of the commitments to residents, supportive services, or period of use for low- or very-low income housing is withdrawn from the project.

(c) Terms and conditions of the award shall be established in the grant or loan agreement or other documents required by the Department and recorded against the property.

(A) If the applicant does not own the property at the time of fund disbursement or is a long-term lessee, the applicant or lessor will be required to open an escrow account and have the Use Agreement with Trust Deed placed

in escrow and recorded immediately upon obtaining title to or control of the property.

(2) Specific Criteria for Affordable Housing Capacity Building may include the following:

(a) A grant and/or loan may be given preference based on one or more of the following:

(A) Demonstration that the funds will enhance the ongoing capacity of the nonprofit or housing authority developer;

(B) The financial need of a non-profit or housing authority; and

(C) Other criteria as established by the Department.

(b) Funding awards are not to become an ongoing subsidy.

(c) Terms and conditions of the award shall be established in the grant or loan agreement or other documents required by the Department.

### Application Review

(1) The Department shall consider all applications and make application approval, deny application approval, forward for State Housing Council review, or request additional information within the timeframe set forth in the application materials.

(2) A grant, loan or other funding award in excess of an applicable threshold, as established by the State Housing Council, requires Council review and approval under ORS 456.561. The Council shall approve or disapprove the application at a public hearing of the Council, pursuant to ORS 456.571(2).

(3) In reviewing applications for assistance, the Department and the Council, as appropriate, may consider, in addition to any special evaluation criteria, the following:

(a) Amount of available funds in the Program;

(b) Ability of the applicant to meet proposed terms of loan repayment in cases where funding is awarded as a loan;

(c) Availability of other sources of assistance; and

(d) Applicant's efforts to leverage public or private funds.

(4) The Department shall select those applications which, in the judgment of the Department, best achieve the purposes of the Program and any evaluation criteria outlined in the Program application forms and handbooks.

### Sanctions

(1) The Department may invoke sanctions against a recipient that fails to comply with the provisions of its grant or loan agreements. The following circumstances may warrant sanctions:

(a) General Housing Account funds have not been disbursed within one year of award by the Department or the recipient;

(b) Any local or private party funding agreements related to the project are not executed within six months of the award of General Housing Account funds;

(c) There is a material breach of the Use Agreement;

(d) The Use Agreement was not recorded on the property required by OAR 813-042-0050(3) or as agreed; or

(e) The Department finds that significant corrective actions are necessary to protect the integrity of the project funds, and those corrective actions are not, or will not be, made within a reasonable time (the funds were used for costs not eligible under the General Housing Account program or the project has not served the population stated in the Use Agreement).

(2) One or more of the following sanctions may be imposed by the Department:

(a) Prohibit a recipient from applying for future General Housing Account assistance or other Department assistance;

(b) Revoke an existing General Housing Account award;

(c) Withhold unexpended General Housing Account funds;

(d) Require return of General Housing Account funds that have been disbursed to the recipient but not expended by the recipient;

(e) Require repayment of expended General Housing Account funds; and

(f) Invoke other remedies that may be incorporated into the Use Agreement.

(3) Sanctions will not be imposed by the Department until the recipient has been notified in writing of its deficiencies and given a reasonable time to respond and correct the deficiencies noted. The sanctions and remedies set forth in this OAR 813-042-0100 are cumulative and not exclusive and are in addition to any other rights and remedies provided by law or under the Use Agreement.

### Manufactured Dwelling Park Advisory Committee

(1) The department will appoint an advisory committee to advise the department in drafting the rules required by 2009 Oregon Laws chapter 816 and to assist the department in implementing and administering the duties of the department regarding the registration and continuing education requirements established in 2005 Oregon Laws chapter 619, sections 2 and 3.

(2) The advisory committee shall include representatives of interested parties, including but not limited to, representatives of manufactured dwelling park landlords and representatives of manufactured dwelling park tenants.

(3) Committee members shall serve on a voluntary basis without compensation for time, travel, or other expenses.

(4) The department will chair the committee, determine the number of committee members, provide administrative support to the committee as the department deems appropriate, and has the right to add or remove committee members as the department deems appropriate subject to 813-007-0015(2).

(5) An advisory committee meeting will be held at least once annually. The department may allow committee members to attend meetings via conference call as the department deems appropriate.

(6) The advisory committee will review the penalties and charges described in 813-007-0060 and their application and provide recommendations to the department.

### Annual Registration Procedures

(1) Every landlord of a manufactured dwelling park shall register annually in writing with the Housing and Community Services Department.

(2) The department will develop appropriate forms and instructions for this registration and will make this information available to manufactured dwelling park landlords through the department’s website or as the department otherwise deems appropriate.

(3) Registration required by the department will include but not necessarily be limited to the following information:

(a) The name and business mailing address of the manufactured dwelling park landlord and of any person authorized to manage the premises of the park.

(b) The name of the park.

(c) The physical address of the park, and, if different from the physical address, the mailing address.

(d) The telephone number of the park.

(e) The total number of spaces in the park.

(4) The manufactured dwelling park landlord shall file an annual registration satisfactory to the department and along with that registration pay a \$25 registration charge to the department for each park owned or managed by the manufactured dwelling park landlord per the process identified in 813-007-0025.

(5) The landlord of a new manufactured dwelling park shall register with the department and pay the registration charge identified in subsection (4) of this section no later than 60 days after the opening of the park.

(6) Each manufactured dwelling park landlord shall submit complete and accurate manufactured dwelling park registration(s) and accompanying registration charge(s) for their park(s) to the department by January 1st of each year.

(7) Manufactured dwelling park landlords shall submit registrations in written form, unless the department provides additional means of registration through the department’s website.

(8) If a manufactured dwelling park landlord submits the registration in written form, the registration shall be sent to:

Oregon Housing and Community Services  
North Mall Office Building  
Cashier — MCRC Registration  
725 Summer Street NE, Suite B  
Salem, Oregon 97301

or other such address as the department may designate on its website.

(9) If the department provides a means of registration through the department’s website, and if a manufactured dwelling park landlord chooses to register through this means, the manufactured dwelling park landlord must complete all of the required forms and submit all of the required information as stated on the website, and must submit such information to the department through the channels described on the website to complete the required annual registration.

### Annual Registration Charges

(1) The department will charge the manufactured dwelling park landlord a registration charge of \$25 for each manufactured dwelling park owned or managed by the manufactured dwelling park landlord. This charge is due to the department on January 1st of each year along with the manufactured dwelling park registration.

(2) The manufactured dwelling park landlord shall pay the registration charge through one of the allowed methods specified on the registration form.

(3) Manufactured dwelling park landlords must specify the park or parks to be registered with each payment submitted.

(4) The department may assess additional charges to recover costs or waive charges as it deems appropriate for the submission of changes and corrections to manufactured dwelling park registrations.

### Annual Registration Notification Reminders and Confirmation

(1) The department will send a written reminder notice to each manufactured dwelling park landlord that holds a current registration.

(2) Requirements for sending written notice will be met if the department sends a written reminder to the manufactured dwelling park landlord’s address on file with the department, or if the department sends an email notification to the manufactured dwelling park landlord’s email address on file with the department within the timeline specified in 813-007-0030(3).

(3) The department will send the reminder notice to the address or email address in subsection (2) of this section at least 2 weeks before the registration due date.

(4) The department will send confirmation in writing or via electronic notification within 45 days to the manufactured dwelling park landlord for each manufactured dwelling park registration and manufactured dwelling park registration charge received.

(5) Requirements for sending a confirmation notice will be met if the department sends the notice to the manufactured dwelling park landlord’s address on file with the department, or if the department sends an email notification to the manufactured dwelling park landlord’s email address on file with the department within the timeline specified in 813-007-0030(4).

### Deposits to and Uses of Mobile Home Parks Account

(1) The department will deposit moneys from registration charges and penalties collected under this division in the Mobile Home Parks Account established pursuant to ORS 446.533. Notwithstanding 446.533, moneys deposited in the account under this section are continuously appropriated to the department solely for the purpose of implementing and administering the duties of the department under sections 2 and 3, chapter 619 Oregon Laws 2005, and 2009 Oregon Laws chapter 816.

(2) The department will institute such accounting measures as appropriate to differentiate the funds from the registration charges and penalties described in subsection (1) of this section from other funds within the Mobile Home Parks Account. Deposits and interest earnings from the charges in this section will be used for the programs and administration of programs of this section.

(3) The department may use funds from manufactured dwelling park registration charges and penalties as appropriate for the administration of the account and the administration of all aspects of manufactured dwelling park registration including notification, collection, and enforcement.

(4) The department may use funds from manufactured dwelling park registration charges and penalties as appropriate for the administration of continuing education requirements given in Section 3, chapter 619, Oregon Laws 2005.

### Manufactured Dwelling Park Continuing Education Requirements

(1) At least one person for each manufactured dwelling park who has authority to manage the premises of the park shall, every two years, complete six hours of continuing education satisfactory to the department relating to the management of manufactured dwelling parks. The training must be completed by personally attending classes and cannot be satisfied by remote, self-study or online training.

(2) The following apply for a person whose continuing education is required:

(a) If there is any manager or owner who lives in the park, the person completing the continuing education must be a manager or owner who lives in the park.

(b) If no manager or owner lives in the park, the person completing the continuing education must be a manager who lives outside the park, or if there is no manager, an owner of the park.

(c) A manager or owner may satisfy the continuing education requirement for more than one park that does not have a manager or owner who lives in the park.

(3) If a person becomes the manufactured dwelling park manager or owner who is responsible for completing continuing education, and the person does not have a current certificate of completion issued under 813-007-0040(4)(d), the person shall complete the continuing education requirement by taking the next regularly scheduled continuing education class or by taking a continuing education class held within 75 days.

(4) The department will ensure that:

(a) Continuing education classes are offered at least once every six months;

(b) Continuing education classes are offered by a statewide nonprofit trade association in Oregon representing manufactured housing interests and approved by the department;

(c) Continuing education classes have at least one-half of the class instruction on one or more of the provisions of ORS Chapter 90, 105.105 to 105.168, fair housing law or other law relating to landlords and tenants;

(d) Continuing education providers provide a certificate of completion to all attendees; and

(e) Continuing education providers provide the department with the following information:

(A) The name and title (owner or manager) of each person who attends a class;

(B) The name of the attendee's manufactured dwelling park;

(C) The city or county in which the attendee's park is located;

(D) The date of the class; and

(E) The names of the persons who taught the class.

(5) The department, a trade association or instructor is not responsible for the conduct of a manufactured dwelling park landlord, manager, owner or other person attending a continuing education class under this section. This section does not create a cause of action against the department, a trade association or instructor related to the continuing education class.

(6) The owner of a manufactured dwelling park is responsible for ensuring compliance with the continuing education requirements in this section.

### Continuing Education Notification Reminders

(1) The department will annually send a written reminder notice regarding continuing education requirements under this section to each manufactured dwelling park at the address shown in the park registration filed under section 2, chapter 619, Oregon Laws 2005.

(2) Requirements for sending written notice will be met if the department sends a written reminder to the address on file with the department, or if the department sends an email notification to the email address on file with the department within the timelines specified in 813-007-0045(3).

(3) The department will send a reminder to each manufactured dwelling park landlord at least 1 month before the due date of the required continuing education.

(4) The department shall make information available, as the department deems appropriate, regarding:

(a) The schedule of upcoming continuing education classes available; and

(b) Contact information for those nonprofit trade associations authorized to provide manufactured dwelling park continuing education training.

### Approval of Statewide Nonprofit Trade Association Trainers

(1) The department will designate the nonprofit trade associations that are approved to provide the required manufactured dwelling park continuing education class instruction. Instruction from a non-approved provider does not satisfy the continuing education requirements of this chapter.

(2) The department will develop a nonprofit trade association manufactured dwelling park landlord trainer application for those associations that wish to be authorized to provide continuing education instruction. Associations pursuing authorization must submit the manufactured dwelling park landlord trainer application through the department website or by sending the application to:

Manufactured Communities Resource Center  
Continuing Education Trainer Application  
Oregon Housing and Community Services  
725 Summer Street NE, Suite B  
Salem, Oregon 97301

or other such address as the department may designate on its website.

(3) The manufactured dwelling park landlord trainer application will require various information from the nonprofit trade association including but not limited to:

(a) Current articles of incorporation for the organization, showing the organization is currently a statewide non-profit trade association.

(b) Documentation demonstrating that the organization represents manufactured housing interests.

(c) A copy of the outline or topic areas the organization anticipates it will be using for the training. Statute requires that at least half of the training cover ORS Chapters 90, and 105.105 to 105.168, as well as fair housing and other related law.

(d) A schedule of the anticipated training dates.

(e) A plan for providing a record of certificates of completion to the department.

(f) Documentation that demonstrates the organization's qualifications to deliver training of this type, especially regarding issues related to manufactured housing and/or fair housing.

(g) A plan to notify the training attendees of the limitation of liability contained in 2005 Oregon Laws chapter 619 section 3 (4).

(4) The department will provide notification to nonprofit trade associations and respective trainers the department authorizes to provide manufactured dwelling park continuing education training. The notification will specify the duration of the authorization.

(5) The department will monitor the nonprofit trade association to ensure compliance with the rules of 813-007.

(6) Nonprofit trade associations approved to provide the training described in this chapter shall make records available to the department and shall allow department personnel to attend any of its training sessions at no cost in accordance with the monitoring outlined in 813-007-0050(5).

(7) The department may revoke the authorization of an approved association at any time if in the department's view an association is not fulfilling its training obligations, is providing false information on the application, or is no longer meeting the qualification criteria and requirements of this section. The department will provide notice of a prospective revocation including the reasons for the revocation. The department will provide an opportunity for the association to respond to the revocation notice.

dwelling park landlord or owner has not complied with section 2 or 3, chapter 619, Oregon Laws 2005 or 2009 Oregon Laws chapter 816.

(2) The civil penalty may not exceed \$1,000.

(3) The department will assess the civil penalty according to the schedule of penalties developed by the department under OAR 813-007-0060. In assessing a civil penalty under this section, the department shall give consideration for good faith efforts by the manufactured dwelling park landlord or owner to comply with section 2 or 3, chapter 619, Oregon Laws 2005 and 2009 Oregon Laws chapter 816.

(4) A civil penalty assessed under this section will be deposited by the department into the Mobile Home parks Account and continuously appropriated to the department for use in carrying out the policies described in ORS 446.515.

### Schedule of Penalties for Noncompliance

(1) The department may assess a civil penalty or civil penalties against a manufactured dwelling park landlord or owner if the department finds that the manufactured dwelling park landlord or owners has not complied with section 2 or 3, chapter 619, Oregon Laws 2005 or 2009 Oregon Laws chapter 816. These penalties may be assessed for each occurrence of non-compliance.

(2) The department will follow the schedule of penalties outlined in OAR 813-007-0060(3) in assessing civil penalties — with consideration for “good-faith” efforts given by manufactured dwelling park landlords and owners for effort and accuracy in complying with section 2 or 3, chapter 619, Oregon Laws 2005 or 2009 Oregon Laws chapter 816. In exercising its discretion regarding good faith efforts, the department may choose not to assess a penalty or may choose to assess a penalty below the maximum amount described in subsection (3) of this section.

(3) The department will assess penalties for non-compliance of provisions within OAR 813 division 007 up to the maximum penalty listed on the schedule of penalties below:

(a) No registration and no registration charge submitted — up to \$1,000.

(b) No registration submitted — up to \$500.

(c) Incomplete or inaccurate registration submitted — up to \$300.

(d) Late registration — up to \$300.

(e) No registration charge submitted — up to \$500.

(f) Inaccurate registration charge submitted — up to \$300.

(g) Continuing Education requirements not fulfilled — up to \$1,000.

(4) The department may waive penalties under 813-007-0060 or may assess partial penalties at its discretion.

(5) The department may charge manufactured dwelling park landlords or owners to cover costs associated with the appeal of any charges or penalties under 813-007-0060.

### Definitions

As used in these rules, unless the context indicates otherwise:

(1) “Account holder” means a member, age 12 or older, of a lower income household that has a net worth of less than \$20,000 who is the named depositor of an individual development account.

(2) “Contributor” means a person or entity contributing funds to the Department or to a fiduciary organization for the purpose of matching IDA deposits by an account holder or for funding program plan operations.

(3) “Department” means the Housing and Community Services Department established in ORS 456.555 and, where applicable, its designee.

(4) “Designated beneficiary” means a minor-age member of the account holder’s household who is the beneficiary of an IDA used to pay the member’s extracurricular non-tuition expenses designed to prepare the member for post-secondary education or job training.

(5) “Fiduciary organization” means a non-profit, fund raising organization that is exempt from taxation under section 501(c)(3) of the Internal Revenue Code as amended and in effect on January 1, 1999, or a federally recognized Oregon Indian tribe that is located, to a significant degree, within the boundaries of this state, as selected by the department under these rules.

(6) “Fiduciary organization program plan” or “program plan” means a mission statement by a fiduciary organization and the corresponding detailed plan by it for the solicitation of contributions (tax credit or otherwise) and prospective account holders, the management of IDA’s and their associated personal development plans, and the operation of the fiduciary organization itself — all as approved by the Department and with such modifications as the Department may require. A prospective program plan must accompany any application to the Department for its approval of a fiduciary organization.

(7) “Financial institution” means an organization regulated under ORS Chapters 706 to 716, 722 or 723, or in the case of an account established for the purpose described in 458.685(1)(c) related to college savings plans, a financial institution as defined in 348.841.

(8) “Individual development account (IDA)” or “account” means a contract between an account holder and a fiduciary organization for the deposit of funds into a financial institution by the account holder, and the deposit of matching funds into a financial institution by the fiduciary organization, to

# ADMINISTRATIVE RULES

allow the account holder to accumulate assets for use toward achieving a specific purpose approved by the fiduciary organization.

(9) "Lower income household" means a household having an income equal to or less than the greater of the following:

(a) 80 percent of the median household income for the area as determined by the Department. In making the determination, the Department shall give consideration to any data on area household income published by the United States Department of Housing and Urban Development.

(b) 200 percent of the poverty guidelines as determined by the Department. In making the determination, the Department shall give consideration to poverty guidelines published by the United States Department of Health and Human Services or may consider other income data periodically published by other federal or Oregon agencies.

(10) "Median Household Income" means, for the appropriate household size, the higher of:

(a) The median family income for the Metropolitan Statistical Area or county as published annually by the United States Department of Housing and Urban Development, or

(b) The statewide median family income for Oregon as published annually by the United States Department of Housing and Urban Development.

(11) "Net worth" means the value of all assets owned in whole or part by household members other than equity in a residence and one vehicle minus the total debts and obligations of household members, all as measured at the time the prospective account holder applies to establish the IDA.

(12) "Oregon individual development account tax credit" or "tax credit" means a credit against taxes otherwise due under ORS Chapter 316, 317, or 318, as allowed in return for contributions to a fiduciary organization for eventual distribution to individual development accounts established under ORS 458.685.

(13) "Personal development plan" means a written plan developed jointly by the fiduciary organization and the prospective account holder for an IDA that is designed to provide the account holder with appropriate financial and asset training, counseling, career or business planning and other services that will increase the self-reliance of the account holder and his/her household through achievement of the IDA's approved purposes. The personal development plan must be in conformance with ORS 458.680, these rules and other requirements of the Department.

(14) "Related funds" means contributions to fiduciary organizations for IDA program purposes that do not qualify for tax credits and supplemental funding from the Department for IDA program purposes.

(15) "Resident of this state" has the meaning given in ORS 316.027

(16) "Reverted funds" means matching IDA deposits that devolve to a fiduciary organization because of the termination or revocation of a person as an account holder or unused tax credit contributions or supplemental funds upon termination or revocation of a fiduciary organization or at the expiration of its program plan.

(17) "Supplemental funding" means funds provided by the Department to fiduciary organizations for program plan purposes.

(18) "Tax credit contributor" means a contributor who receives a corresponding tax credit as allowed in ORS 315.271.

(19) "Tax credit contributions" means funds obtained from tax credit contributors who, in return, earn a tax credit.

(20) "Trust Land" means all lands held in trust by the United States on behalf of an Indian Tribe or individual Indian.

### Fiduciary Organization Records and Reporting Requirements

(1) Fiduciary organizations shall prepare and maintain appropriate, accurate and complete program plan record-keeping systems and records satisfactory to the Department. Such record-keeping systems also must cover and include records generated by third-party contractors and other program plan partners.

(2) A fiduciary organization must maintain separate files for each account holder that, at a minimum, includes the following records:

(a) Documentation of income eligibility;

(b) The personal development plan;

(c) The IDA;

(d) Records of all IDA deposits, withdrawals, and other financial information;

(e) Evidence of training received;

(f) Documentation of any determination with respect to the status of the account holder or any beneficiaries;

(g) Documentation of any exit interviews; and

(h) Any other information required by the Department.

(3) Fiduciary organizations shall maintain such program plan record-keeping systems and records at their principal place of business in Oregon.

(4) Fiduciary organizations shall maintain program plan records for a period of six (6) years from the date of completion or termination of each account holder's or designated beneficiary's personal development plan and

the expiration of the IDA. The Department may require fiduciary organizations to maintain records for longer periods including, without limit, for unresolved audit matters.

(5) The Department, the Office of the Secretary of State, and the Department of Justice shall be permitted to inspect, copy, and audit any and all program plan records and take other action that to them seems appropriate in the conduct of such inspections or audits.

(6) Fiduciary organizations shall file quarterly reports with the Department in form, substance and timing acceptable to the Department.

(7) Quarterly reporting periods end on March 31, June 30, September 30, and December 31 of each calendar year. Fiduciary organizations shall deliver quarterly reports to the Department no later than 5:00 p.m. on the date determined by the Department. Reports shall be in a format approved by the Department.

(8) In addition to participating in data collection and reporting as required by the Department, quarterly and/or annual reports shall include, but are not limited to, the following:

(a) Summary demographic data and cumulative totals regarding current account holders;

## Oregon State Marine Board Chapter 250

**Rule Caption:** Establish procedures for an aquatic invasive species prevention fund permit.

**Adm. Order No.:** OSMB 1-2010(Temp)

**Filed with Sec. of State:** 1-5-2010

**Certified to be Effective:** 1-5-10 thru 6-30-10

**Notice Publication Date:**

**Rules Amended:** 250-010-0650

**Subject:** This rule, as originally adopted, established and outlined the mechanism to issue and renew an Oregon aquatic invasive species prevention permit and collect associated permit fees as directed by the 2009 Oregon Legislature in HB 2220. This rule amendment identifies the age of the person(s) who need a valid permit when a boat is in use and establishes reciprocity with the states of Washington and Idaho.

**Rules Coordinator:** June LeTarte—(503) 378-2617

### 250-010-0650

#### Aquatic Invasive Species Prevention Permit

(1) Definitions:

(a) "Manually powered boat" means any watercraft as defined in ORS 830.005(2), but not a motorboat as defined in 830.005(6).

(b) "Aquatic Invasive Species Prevention Permit" means a document issued by the Oregon State Marine Board (Board) or through designated agents that certifies payment to the Aquatic Invasive Species Prevention Fund.

(c) "Board" means the Oregon State Marine Board.

(d) "Valid temporary permit" means a temporary aquatic invasive species prevention permit generated from a person purchasing a permit from a designated Internet agent.

(2) Permit Rules:

(a) A person may not operate a manually powered boat that is 10 feet or more in length, or a motorboat of any length, or a sailboat 12 feet or more in length, on the waters of this state without first obtaining an aquatic invasive species prevention permit from the Board or designated agent.

(b) The owner of a boat for which fees for a certificate of number or registration under ORS 830.790(1)(a)(b)(c) are required will pay an aquatic invasive species prevention permit surcharge of \$5 per biennium at the time of boat registration.

(A) The registration validation stickers are in lieu of an Aquatic Invasive Species Prevention Permit as described in (1)(b).

(B) The validation stickers are non-transferable.

(c) Persons age 14 and older operating manually powered boats that are 10 feet or more in length shall have a valid aquatic invasive species prevention permit or valid temporary permit on board when the boat is in use on the waters of this state.

(d) Out-of-state motorboats and out-of-state sailboats 12 feet in length or more shall purchase and carry a non-resident aquatic invasive species prevention permit on board when in use on waters of the state.

# ADMINISTRATIVE RULES

(e) Operators of manually powered boat liveries, and guides using manually powered watercraft for group-guided activities, may qualify to purchase aquatic invasive species prevention permits at a discounted rate described in HB 2220 (2009 Legislature). To qualify for the discounted rate:

(A) These operators shall register with the Board by documenting current business status as a livery.

(B) All boats rented by the livery must be clearly labeled with the livery name.

(f) Clubs or organizations that possess or own boats for communal use by members, participants, racing teams, or for public educational purposes except as exempted under HB 2220, may purchase aquatic invasive species prevention permits under the name of the organization or the club's presiding officer or secretary.

(A) The aquatic invasive species prevention permit may be attached to the boat in a manner allowing it to be easily produced for inspection by a peace officer.

(B) For boats classified as university or college racing shells which compete in intercollegiate crew races, aquatic invasive species prevention permits numbering not less than the maximum number of boats in use on the water at any given time during a planned event may be held by the event organizer, coach or other designated person at the event site as long as the permits are readily available for inspection by a peace officer.

(g) The Board or designated agent may issue a temporary aquatic invasive species prevention permit to an individual who pays for the permit using a Board designated Internet agent.

(A) The temporary aquatic invasive species prevention permit will be valid for 14 days from the date of issue listed on the temporary permit.

(B) Each temporary permit shall contain a unique number that corresponds to the electronic record for the individual named on the permit and to the annual permit.

(h) A person is considered in violation of the provisions contained in HB 2220 and subject to the penalties prescribed by law when they:

(A) Alter an aquatic invasive species prevention permit; or

(B) Produce or possess an unauthorized replica of an aquatic invasive species prevention permit; or

(C) Exhibit an altered aquatic invasive species prevention permit to a peace officer.

(i) The aquatic invasive species prevention permit expires on December 31 of the year indicated on the permit.

(j) The following vessels or classifications are exempt from the requirement to carry an aquatic invasive species prevention permit:

(A) State-owned boats

(B) County-owned boats

(C) Municipality-owned boats

(D) Eleemosynary-owned boats

(E) A ship's lifeboat used solely for lifesaving purposes

(F) Seaplanes

(G) The Lightship Columbia

(k) Violation of the provisions contained in HB 2220 is punishable as a Class A Misdemeanor.

(3) Out-of-state motorboats and out-of-state sailboats 12 feet in length or more shall purchase and carry a non-resident aquatic invasive species prevention permit on board when in use on waters of the state.

(a) Motor boats and sailboats 12 feet in length or more, registered in Washington or Idaho, that launch directly into waters that form a common interstate boundary, or launch in Oregon tributaries within one mile of these waters, that have a current boat registration, Coast Guard documentation, or an aquatic invasive species prevention permit issued by the States of Idaho or Washington, are exempt from the non-resident Oregon aquatic invasive species prevention permit.

(b) Manually powered boats from Idaho that are 10 feet or longer and affixed with an Idaho Aquatic Invasive Species Prevention sticker, and all manually powered boats from Washington, are exempt from Oregon aquatic invasive species permit carriage requirements when launching into waters that form a common interstate boundary, or when launching into Oregon tributaries within one mile of these waters.

**Filed with Sec. of State:** 1-15-2010

**Certified to be Effective:** 1-15-10

**Notice Publication Date:** 11-1-2009

**Rules Amended:** 250-010-0154

**Subject:** This rule will classify and identify the type of personal flotation device (PFD) used by persons on any section of waters rated class III or higher as directed by the 2009 Oregon Legislature.

**Rules Coordinator:** June LeTarte—(503) 378-2617

## 250-010-0154

### Personal Flotation Devices

(1) No person shall operate a boat on the waters of this state unless at least one Personal Flotation Device (PFD) of the following types is on board for each person:

(a) Type I PFD;

(b) Type II PFD;

(c) Type III PFD.

(2) No person shall operate a boat 16 feet or more in length unless one Type IV PFD is on board in addition to the total number of PFD's required in section (1) of this rule.

(3) No person shall operate a boat on the waters of this state with a child age 12 and under, unless the child is wearing a U.S. Coast Guard approved personal flotation device, of the appropriate size, while the boat is underway. For the purpose of ORS 830.215, a personal flotation device shall not be considered "readily accessible" for children age 12 and under unless the device is worn while the boat is underway. The PFD must be worn at all times by a child age 12 and under whenever the boat is underway and the child is on an open deck or open cockpit of the vessel. The following circumstances are excepted:

(a) While the child is below deck, or in the cabin of a boat with enclosed cabin.

(b) While a child is on a sailboat and tethered by means of a lifeline or harness attached to the sailboat.

(c) While a child is on a U.S. Coast Guard inspected passenger-carrying vessel operating on the navigable waters of the United States.

(4) A Type V PFD may be carried in lieu of any PFD required in section (1) of this rule provided:

(a) The approval label on the Type V PFD indicates that it is approved for the activity in which the vessel is being used, or that it is approved as a substitute for a PFD of the Type required on the vessel in use;

(b) The PFD is used in accordance with any requirements on the approval label; and

(c) The PFD is used in accordance with requirements in its owner's manual, if the approval label makes reference to such a manual.

(5) Canoes and kayaks 16 feet in length and over are exempted from the requirements for carriage of the additional Type IV PFD.

(6) Racing shells, rowing sculls, racing canoes and racing kayaks are exempted from the requirements for carriage of any Type PFD. Racing shells, rowing sculls, racing canoes, and racing kayaks are manually propelled vessels that are recognized by national or international racing associations for use in competitive racing in which all occupants row, scull, or paddle, with the exception of a coxswain, if one is provided, and are not designed to carry and do not carry any equipment not solely for competitive racing.

(7) PFD is defined as follows:

(a) Type I — A Type I PFD is an approved device designed to turn an unconscious person in the water from a face downward position to a vertical or slightly backward position, and to have more than 20 pounds of buoyancy;

(b) Type II — A Type II PFD is an approved device designed to turn an unconscious person in the water from a face downward position to a vertical or slightly backward position and to have at least 15.5 pounds of buoyancy;

(c) Type III — A Type III PFD is an approved device designed to keep a conscious person in a vertical or slightly backward position and to have at least 15.5 pounds of buoyancy;

(d) Type IV — A Type IV PFD is an approved device designed to be thrown to a person in the water and not worn. It is designed to have at least 16.5 pounds of buoyancy;

(e) Type V — A Type V PFD is an approved device for restricted use. A Type V PFD may be carried in lieu of any PFD, but only if that Type V PFD is approved for that activity in which the recreational boat is being used.

(8) No person shall operate a personal watercraft, as defined in OAR 250-021-0020, unless each person operating or riding on the vessel is wearing an inherently buoyant Coast Guard approved Type I, II or III PFD, (see 250-021-00030(1)).

(9) Exemptions:

(a) Sailboards are exempted from the requirements for carriage of any Type PFD.

(b) Float tubes as defined in OAR 250-010-0010 are exempted from the requirements for carriage of any Type PFD.

(10) Personal Flotation Device Requirements for Class III or Higher Water:

(a) A properly secured personal flotation device must be worn by persons in a boat while navigating sections of river with a commonly accepted scale of river difficulty rated Class III or higher.

(b) The personal flotation devices worn by boaters must:

(A) Be approved by the U.S. Coast Guard as a Type I, III, or V personal flotation device.

# ADMINISTRATIVE RULES

(B) Not have a limitation or restriction on its approval that would prevent its use on whitewater rivers.

(C) Not be an inflatable personal flotation device regardless of rating type.

## 250-020-0221

### Boat Operations on Certain Waters in Lane County

(1) No person shall operate a motorboat in excess of 5 MPH ("Slow-No Wake") in the following areas:

(a) Triangle Lake: Within 200 feet of a marked swimming area or a designated public launching ramp;

(b) Fern Ridge Lake:

(A) Within 200 feet of a marked swimming area or a designated public launching ramp;

(B) In the Coyote Creek Channel;

(C) Between shore and buoy line which extends southerly from the north shore to a point approximately 200 feet of the northern most Eugene Yacht Club mooring dock thence generally south and west approximately 200 feet of the docks to a point approximately 200 feet south of the Tri Pass Club mooring dock thence generally west to the southern tip of the Tri Pass Club dock as buoyed except for the buoyed corridor immediately south of the Eugene Yacht Club southernmost dock;

(D) South of the buoy line which extends easterly from a point approximately 100 yards north of the Perkins Boat Ramp to the adjacent shoreline;

(E) In the Main Long Tom River Channel.

(c) Dexter Dam Reservoir:

(A) Within 200 feet of a marked swimming area or a designated public launching ramp;

(B) Within 50 feet of the causeway crossing the reservoir.

(d) Lookout Point Reservoir:

(A) Within 200 feet of a marked swimming area or a designated public launching ramp;

(B) East of the Southern Pacific Railroad bridge.

(e) Dorena Dam Reservoir:

(A) Within 200 feet of a marked swimming area or a designated public launching ramp.

(B) Southeast of a line between markers on Humphrey Point and the northeast shore.

(f) Cottage Grove Reservoir:

(A) Within 200 feet of a marked swimming area or a designated public launching ramp;

(B) South of a line between a marker on the east shore, near the Wilson Creek area, and on the west shore near Cedar Creek.

(g) Hills Creek Reservoir:

(A) Within 200 feet of a marked swimming area or a designated public launching ramp;

(B) On Packard Creek arm west of Rigdon Road (USFS Road #21);

(C) On Hills Creek south of the Hills Creek Crossing Bridge;

(D) On the Middle Fork, Willamette River south of the Rigdon Road (USFS #21) Upper Crossing) Bridge;

(E) No person shall operate a motorboat for any purpose on Larison Creek arm west of Rigdon Road (USFS Road #21).

(h) Collard Lakes;

(i) Picket Lake;

(j) Munsel Lake: West of the line of marker buoys;

(k) Fall Creek Lake:

(A) Within 200 feet of a designated public launching ramp or marked swimming area;

(B) On Fall Creek upriver from the buoys located approximately 200 feet downstream of the Big Fall Creek Road;

(C) On Winberry Creek upriver from the buoys located approximately 1800 feet downstream of the Winberry Creek Road Bridge.

(l) Siltcoos Lake:

(A) Within 200 feet of a designated public launching ramp or marked swimming area;

(B) Between shore and buoy line at the mouth of Kiechle Arm beginning at a point at the east shoreline of Arrowhead Point and extending northerly approximately 900 yards to a point approximately 100 yards off shore of Camp Baker during the period of June 1 through September 30.

(2) No person shall operate a motorboat in excess of 5 MPH on Leaburg Reservoir and the McKenzie River from the dam upstream to Good Pasture Bridge.

(3) No person shall operate a motorboat in excess of a "Slow-No Wake" speed within 300 feet of a boat launching ramp or a boat moorage on the following bodies of water (for purpose of this regulation, "Slow-No Wake" speed means the speed of a boat shall not exceed 5 MPH):

(a) Cougar Reservoir;

(b) Blue River Reservoir;

(c) Siuslaw River — between the river entrance and the highway bridge at Mapleton.

(4) No person shall operate a motorboat for any purpose on the following lakes: Scott, Melakwa, Hidden, Blair, Upper Erma Bell, Middle Erma Bell, Lower Erma Bell, Torrey, Whig, Wahanna, Rigdon, Lower Rigdon, Kiwa, Upper Eddeeleo, Round, Betty, and Alameda.

(5) No person shall operate a motorboat for any purpose in excess of 10 MPH on Munsel Lake east of the line of marker buoys, except from June 1 through September 30, between the hours of 10 a.m. and 5 p.m.

(6) No person shall operate a motorboat on the McKenzie River above Good Pasture Bridge, except a representative of the Oregon State Police or the County Sheriff's Office pursuant to a criminal investigation or search and rescue operation.

(7) No person shall operate a motorboat, except with an electric motor:

(a) In the Old Long Tom River Channel;

(b) On Fern Ridge Reservoir south of State Highway 126;

(c) On Hult Reservoir.

(8) No person shall operate a propeller-driven airboat or non-displacement hull type hovercraft in the following areas on Fern Ridge Reservoir where there is emergent vegetation present:

(a) Coyote Creek area — east of a line beginning at the West Coyote Creek bridge at Highway 126 extending north approximately one mile to a point near the mouth of Coyote Creek, then extending north approximately 1.4 miles to a point located approximately 100 yards off shore of the northwest corner of Gibson Island;

(b) Amazon Bay area — east of a line beginning at a point located approximately 100 yards off shore of the northwest corner of Gibson Island extending northeast approximately one mile to the Shore Lane access;

(c) South Marsh area — west of a line extending from a point on the shoreline at the southern boundary of Zumwalt Park near the end of Vista Drive extending southeast approximately one mile to a point on the shoreline at the tip of Perkins Peninsula;

(d) Long Tom Area — southwest of a line beginning at a point on the shore line at the end of Moyer Lane extending southeast approximately 0.9 miles to a point on the west shoreline of the Jeans Peninsula at the north end of Winter Lane.

(9) No person shall operate a motorboat north and east of a line across the entrance of Bannister Cove on Lookout Point Reservoir, as marked.

(10) Use of internal combustion motors in boats and floatplanes operating on the surface of Waldo Lake is prohibited year round. "Watercraft" includes boats and floatplanes operating on the surface of Waldo Lake. Official use of internal combustion motors in watercraft operated on the surface of Waldo Lake by local, state or federal governmental officials or agents is allowed for the following activities: search and rescue, law enforcement and fire suppression. Previous approval by the Willamette National Forest Supervisor is required for other activities undertaken by local, state or federal government officials or agents that involve use of internal combustion motors in watercraft operated on the surface of Waldo Lake. Emergency landings of private or governmental floatplanes on Waldo Lake are allowed without previous approval.

### Regulations

The State Marine Board is authorized to carry out the provisions of the Federal Wild and Scenic Rivers Act (PL 90-542) and the State Scenic Waterways Act (ORS 390.805 to 390.925) under 830.175 by regulating boat use through a permit system initiated by the Board. Authority to limit or prohibit motorboat use is also granted by this statute. The specific regulations which follow are adopted in accordance with these statutory provisions:

(1) In order to meet the goals and objectives of management and recreation plans for the subsequently named rivers, the State Marine Board will regulate commercial and noncommercial boat use, both for non-powered boats and for motorboats, by means of a permit system. On occasion the Board may find it necessary to establish interim boat use levels in order to protect the riverine environment and assure to the users a quality recreation experience. Such limits may be prescribed in those instances where, in the absence of river management or recreation plans, it finds it necessary to act to assure compliance with the objectives of appropriate federal and state laws.

(2) It is the policy of the State Marine Board to provide for equitable use of certain designated rivers by commercial and noncommercial boaters. A system of permits for all boaters, whether they plan to run a river as private individuals or as patrons of a commercial entrepreneur, may be initiated on controlled rivers when use approaches or exceeds approved levels or capacity.

(3) No person, other than a member of the Department of State Police, county sheriff, and governmental agencies of this state and the federal government having jurisdiction over the following described waters, shall use a motor for propelling a boat for any purpose on the following described waters, with the exceptions stated:

(a) Deschutes River:

(A) That portion bordering the Warm Springs Reservation, no motors year round. (ORS 830.180)

(B) Between the northern boundary of the Warm Springs Reservation and the mouth of Buckhollow Creek (downstream from Sherars Falls), no

person shall operate a motorboat with the exception of ingress/egress by landowners under permit issued by the Board.

(C) Between the mouth of Buckhollow Creek and Macks Canyon Campground, no motors from June 15 to September 30, with the exception of ingress/egress by landowners under permit by the Board.

(D) Between Macks Canyon Campground and the Heritage Landing boat ramp, motors will be prohibited during alternating Thursday, Friday, Saturday and Sunday periods commencing with the first Thursday to Sunday period that falls on or after June 15, continuing until September 30. No daily restrictions on motorized use from October 1 to June 14.

(E) Between Heritage Landing boat ramp and the confluence with the Columbia River, no prohibitions on motors, except for OAR 250-030-0041 rule for slow no wake, maximum 5 MPH.

(b) Illinois River — From Deer Creek downstream to Nancy Creek, which is located in the area immediately upstream of Oak Flat.

(c) John Day River — From State Highway 218 bridge at Clarno downstream to Tumwater Falls between May 1 and October 1.

(d) Minam Lake — From Minam Lake downstream to the Wallowa River.

(e) Owyhee River System:

(A) West Little Owyhee;

(B) North Fork Owyhee; and

(C) The mainstem Owyhee River above approximately river mile 70 at Pinnacle Rock, as marked.

(f) Rogue River — from Grave Creek downstream to the lowermost portion of Blossom Bar Rapids approximately 250 feet upstream of the top of Devil's Staircase Rapids as marked, between May 15 and November 15.

(g) Sandy River — From Dodge Park downstream to Dabney State Park.

(4) Use of internal combustion motors in boats and floatplanes operating on the surface of Waldo Lake is prohibited year round. "Watercraft" includes boats and floatplanes operating on the surface of Waldo Lake. Official use of internal combustion motors in watercraft operated on the surface of Waldo Lake by local, state or federal governmental officials or agents is allowed for the following activities: search and rescue, law enforcement and fire suppression. Previous approval by the Willamette National Forest Supervisor is required for other activities undertaken by local, state or federal government officials or agents that involve use of internal combustion motors in watercraft operated on the surface of Waldo Lake. Emergency landings of private or governmental floatplanes on Waldo Lake are allowed without previous approval.

**Rule Caption:** Establish procedures for an aquatic invasive species prevention fund permit.

**Adm. Order No.:** OSMB 6-2010(Temp)

**Filed with Sec. of State:** 1-15-2010

**Certified to be Effective:** 1-15-10 thru 6-30-10

**Notice Publication Date:**

**Rules Amended:** 250-010-0650

**Rules Suspended:** 250-010-0650(T)

**Subject:** The 2009 Oregon Legislature passed HB 2220 directing the Marine Board to create an aquatic invasive prevention fund by charging a small fee on all registered powerboats and manually power boats 10 feet or longer. This rule was effective January 1, 2010. This temporary rulemaking will clarify aspects of the rule including transferability of permits, state reciprocity and the violation provision.

## 250-010-0650

### Aquatic Invasive Species Prevention Permit

(1) Definitions:

(a) "Manually powered boat" means any watercraft as defined in ORS 830.005(2), but not a motorboat as defined in 830.005(6).

(b) "Aquatic Invasive Species Prevention Permit" means a document issued by the Oregon State Marine Board (Board) or through designated agents that certifies payment to the Aquatic Invasive Species Prevention Fund.

(c) "Board" means the Oregon State Marine Board.

(d) "Valid temporary permit" means a temporary aquatic invasive species prevention permit generated from a person purchasing a permit from a designated Internet agent.

(2) Permit Rules:

# ADMINISTRATIVE RULES

(a) A person may not operate a manually powered boat that is 10 feet or more in length, or a motorboat of any length, or a sailboat 12 feet or more in length, on the waters of this state without first obtaining an aquatic invasive species prevention permit from the Board or designated agent.

(b) The owner of a boat for which fees for a certificate of number or registration under ORS 830.790(1)(a)(b)(c) are required will pay an aquatic invasive species prevention permit surcharge of \$5 per biennium at the time of boat registration.

(A) The registration validation stickers are in lieu of an Aquatic Invasive Species Prevention Permit as described in (1)(b).

(B) The validation stickers are non-transferable.

(c) Persons age 14 and older operating manually powered boats that are 10 feet or more in length shall have a valid aquatic invasive species prevention permit or valid temporary permit on board when the boat is in use on the waters of this state.

(d) Out-of-state motorboats and out-of-state sailboats 12 feet in length or more shall carry a non-resident aquatic invasive species prevention permit on board when in use on waters of the state.

(e) Non-motorized and out-of-state resident permits are transferrable. The name on the permit does not need to match the name of the person operating the boat. Persons may purchase multiple permits for use by family and friends.

(f) Operators of manually powered boat liveryes, and guides using manually powered watercraft for group-guided activities, may qualify to purchase aquatic invasive species prevention permits at a discounted rate described in HB 2220 (2009 Legislature). To qualify for the discounted rate:

(A) These operators shall register with the Board by documenting current business status as a livery.

(B) All boats rented by the livery must be clearly labeled with the livery name.

(g) Clubs or organizations that possess or own boats for communal use by members, participants, racing teams, or for public educational purposes except as exempted under HB 2220, may purchase aquatic invasive species prevention permits under the name of the organization or the club's presiding officer or secretary.

(A) The aquatic invasive species prevention permit may be attached to the boat in a manner allowing it to be easily produced for inspection by a peace officer.

(B) For boats classified as university or college racing shells which compete in intercollegiate crew races, aquatic invasive species prevention permits numbering not less than the maximum number of boats in use on the water at any given time during a planned event may be held by the event organizer, coach or other designated person at the event site as long as the permits are readily available for inspection by a peace officer.

(h) The Board or designated agent may issue a temporary aquatic invasive species prevention permit to an individual who pays for the permit using a Board designated Internet agent.

(A) The temporary aquatic invasive species prevention permit will be valid for 14 days from the date of issue listed on the temporary permit.

(B) Each temporary permit shall contain a unique number that corresponds to the electronic record for the individual named on the permit and to the annual permit.

(i) A person is considered in violation of the provisions contained in HB 2220 and subject to the penalties prescribed by law when they:

(A) Alter an aquatic invasive species prevention permit; or

(B) Produce or possess an unauthorized replica of an aquatic invasive species prevention permit; or

(C) Exhibit an altered aquatic invasive species prevention permit to a peace officer.

(j) The aquatic invasive species prevention permit expires on December 31 of the year indicated on the permit.

(k) The following vessels or classifications are exempt from the requirement to carry an aquatic invasive species prevention permit:

(A) State-owned boats

(B) County-owned boats

(C) Municipality-owned boats

(D) Eleemosynary-owned boats

(E) A ship's lifeboat used solely for lifesaving purposes

(F) Seaplanes

(G) The Lightship Columbia

(l) Violation of the provisions contained in HB 2220 is punishable as a Class D Violation.

(3) Out-of-state motorboats and out-of-state sailboats 12 feet in length or more shall purchase and carry a non-resident aquatic invasive species prevention permit on board when in use on waters of the state.

(a) Motor boats and sailboats 12 feet in length or more, registered in Washington or Idaho, that launch directly into waters that form a common interstate boundary, or launch in Oregon tributaries within one mile of these waters, that have a current boat registration, Coast Guard documentation, or an aquatic invasive species prevention permit issued by the States of Idaho or Washington, are exempt from the non-resident Oregon aquatic invasive species prevention permit.

(b) Manually powered boats from Idaho that are 10 feet or longer and affixed with an Idaho Aquatic Invasive Species Prevention sticker, and all manually powered boats from Washington, are exempt from Oregon aquatic invasive species permit carriage requirements when launching into waters that form a common interstate boundary, or when launching into Oregon tributaries within one mile of these waters.

## Oregon State Treasury Chapter 170

**Rule Caption:** Amend Oregon School Bond Guaranty rules to accommodate Qualified School Construction Bonds.

**Adm. Order No.:** OST 1-2010

**Filed with Sec. of State:** 1-15-2010

**Certified to be Effective:** 1-15-10

**Notice Publication Date:** 12-1-2009

**Rules Amended:** 170-061-0015, 170-063-0000

**Rules Repealed:** 170-061-0015(T), 170-063-0000(T)

**Subject:** The amendments are due to a new Federal program called Qualified School Construction Bonds (QSCBs). QSCBs are a type of tax credit bond authorized by the Federal government through the American Recovery and Reinvestment Act (ARRA) of 2009. Bonds sold using the QSCB program provide federal tax credits for bond holders in lieu of interest, which in turn can significantly reduce a district's cost of borrowing for school construction projects.

The State of Oregon offers a program that may reduce the cost of borrowing for qualified districts through the Oregon School Bond Guaranty (OSBG) program. This program guarantees repayment of both principal and interest on school district bonds, which have qualified for the program, allowing their bonds to be sold using the State's current credit rating of AA/Aa2. This credit rating may translate into lower borrowing costs for a large portion of school districts in the state.

The OSBG fee of the sum of 3 basis points (.0003 or .03%) times the debt service to maturity of the bonds will be maintained for processing and approving OSBG requests, other than QSCB tax credit bonds ("qualified bonds"). The OSBG fee for "qualified bonds" will be raised to 4.5 basis points (.00045 or .045%) times the original debt service to maturity of the qualified bonds. This additional fee compensates the State for the additional administrative effort and increased amount that the State would pay under the guarantee if the tax credit were eliminated for qualified bonds, and the interest rate converts to a taxable interest rate. The higher fee is offset by the potential interest rate savings of qualified bonds.

#### Fees Charged by the Debt Management Divisions

(1) State agencies. The OST shall charge the following fees in connection with the services, duties and activities of the OST related to bonds issued for state agencies by the State Treasurer:

(a) Agency Bond Issues of \$15 million or less. For a single series bond sale of \$15 million or less, a state agency will be charged \$15,000 per sale. For a bond sale of \$15 million or less by a single state agency with multiple series, the state agency will be charged the greater of i) \$15,000 or ii) \$6,000 per series. For a bond sale of \$15 million or less by two or more state agencies, each agency will be charged the greater of i) \$7,500 or ii) \$6,000 for each series sold for the agency. This subsection does not apply if the bond sale is a private placement conduit sale of \$5 million or less as described below in subsection (c).

(b) Agency Bond Issues of more than \$15 million. For a single series bond sale of more than \$15 million, a state agency will be charged \$20,000. For a bond sale of more than \$15 million by a single state agency with multiple series, the state agency will be charged the greater of i) \$20,000 or ii) \$7,000 per series. For a bond sale of more than \$15 million by two or more state agencies, each agency will be charged the greater of i) \$10,000 or ii) \$7,000 for each series sold for the state agency. This subsection does not apply if the bond sale is a private placement conduit sale described below in subsection (c).

(c) Conduit Bond Sales. A state agency will be charged \$5,000 for conduit bond sales of \$5 million or less that are payable solely from moneys owed by a party other than the State of Oregon, with no recourse for payment

# ADMINISTRATIVE RULES

to the State of Oregon, and when the bonds are sold by a private placement, with no publicly disseminated official statement or other offering circular, to one or more sophisticated investors, accredited investors or qualified institutional buyers.

(d) Advance refunding plan application and review. The fee for review and approval of an advance refunding plan is \$3,000 per sale of refunding bonds for sales of \$2 million or less, and \$5,000 per sale of refunding bonds for sales exceeding \$2 million. If the plan is not approved or the refunding not completed the review and approval fee will not be charged. When necessary to review complex proposals, OST may consult recognized experts whose fees will be charged to the agency, whether or not the refunding is approved or completed.

(e) Tax Anticipation Notes. A state agency shall be charged \$30,000 for each sale of tax anticipation notes.

(f) Interest Rate Exchange Agreements. In addition to any other fee, \$25,000 will be charged for the review and approval of a state agency's first executed interest rate exchange agreement for a specific bond program of the agency. After the first agreement, a fee of \$10,000 will be charged for each executed interest rate exchange agreement subsequently entered into by the agency for the same bond program or indenture. These charges do not include costs such as interest rate exchange advisor fees, rating agency charges or printing costs which are payable by the agency or authority for whom the cost is incurred.

(2) Public Bodies. OST shall charge the fees set forth below in connection with the services, duties and activities of the OST related to bonds issued by public bodies in Oregon; expenses incurred in reviewing refunding and defeasance plans may be charged against the bond proceeds or may be paid by the public body from such other funds as may be available:

(a) Advance refunding plan application and review. The application fee for submission of an advance-refunding plan is \$350. The fee for review and approval of an advance refunding plan is \$3,000 per sale of refunding bonds for sales of \$2 million or less, and \$5,000 per sale of refunding bonds for sales exceeding \$2 million. If the plan is not approved or the refunding not completed the review and approval fee will not be charged.

(b) Oregon School Bond Guaranty Program. School Districts that submit an application for participation in the Oregon School Bond Guaranty Program shall submit an application fee of \$200 to OST at the time their application is submitted. School Districts whose bonds are guaranteed by the state shall submit to OST, within 10 business days of closing of any guaranteed bonds, a fee equal to .03% (.0003) of the total principal and interest due, assuming the bonds are paid on their regularly scheduled maturity or redemption dates. If bonds are issued as "Qualified Bonds" under OAR 170-063-000 that may be converted to an interest bearing format over and above interest payments that may be due and payable under the original terms of bonds, the fee for such Qualified Bonds shall be equal to .045% (.00045) of the total principal and interest due, assuming the bonds are paid on their regularly scheduled maturity or redemption dates and that there is no conversion to a different interest bearing format than the original terms of the bonds.

(3) Municipal Debt Advisory Commission. OST shall charge the following fees in connection with the services, duties and activities of the OST as staff to the Municipal Debt Advisory Commission.

(a) Overlapping debt report. Report length, complexity and the time required to produce an overlapping debt report is determined by the number of districts which overlap the district for which the report is generated and the number of such districts which have issued debt. A base fee of \$200 shall be charged for all overlapping debt reports. An additional \$5 shall be charged for each overlapping indebted district up to ten districts; then an additional \$2.50 for each overlapping indebted district up to thirty districts; then an additional \$1 for each overlapping indebted district over thirty districts.

(b) Other fees and charges. Fees for specialized reports and services shall be determined by the number of hours spent producing such specialized report or service times the rate of \$115 per hour.

(4) Private Activity Bonds.

(a) Current Year Allocation. State agencies or public bodies that submit an application for allocation of the state's private activity bond volume limit ("CAP") for the current year to the Private Activity Bond Committee under OAR 170-071-0005 shall submit an application fee of \$200 to OST when their application is submitted. State agencies or public bodies who receive CAP and sell bonds under that allocation shall submit to OST, within 10 business days of closing of any such private activity allocation bonds: i) for a bond sale of \$10 million or less, a fee equal to \$3,000 or ii) for a bond sale of more than \$10 million, a fee equal to \$10,000.

(b) Carry Forward Allocation. State agencies or public bodies that submit an application for carry forward CAP allocation under OAR 170-071-0005(10) shall submit an application fee of \$200 to OST when their application is submitted. State agencies or public bodies who receive carry forward CAP shall pay to OST: i) for a bond sale of \$10 million or less, a fee equal to \$3,000 of which the first \$500 is payable within 10 days of the date of the notice of allocation by OST, and the balance is payable within 30 days of the closing of the first bond sale associated with the allocation or ii) for a bond sale of more than \$10 million, a fee equal to \$10,000 of which the first \$2,000 is payable within 10 days of the date of the notice of allocation by OST, and

the balance payable within 30 days of the closing of the first bond sale associated with the allocation.

## 170-063-0000

### Oregon School Bond Guaranty Program

(1) Definitions. For purposes of this rule, the following definitions shall apply:

(a) "OST" means the Office of the State Treasurer.

(b) The "Act" means the Oregon School Bond Guaranty Act set forth in ORS 328.321 to 328.356.

(c) "Authorized District Official" means the chairperson of the board, the superintendent, president, or business administrator for the School District, or other designee of the board.

(d) "Certificate of Qualification" means a letter from OST pursuant to Section 4 of the Act.

(e) "Determination of Ineligibility" means a letter from OST pursuant to Section 5 of the Act.

(f) "Guaranty Program" means the school bond guaranty program established by the Act.

(g) "Nationally Recognized Bond Counsel Firm" means a bond counsel firm listed in the most recent publication of The Bond Buyer's Municipal Market Place.

(h) "Qualified Bonds" means bonds that are originally issued as tax credit bonds under the Internal Revenue Code and any bonds resulting from a conversion of such tax credit bonds to an interest bearing format over and above interest payments that may be due and payable under the original terms of such tax credit bonds.

(i) "Qualified Paying Agent" means a paying agent acceptable to OST who agrees to comply with the applicable requirements of the Act and provides a letter to OST acknowledging as such.

(j) "School District" means a common or union high school district, an education service district, or a community college district.

(k) Terms not otherwise specifically defined herein shall have the meanings given in the Act.

(2) Request for Certificate of Qualification to Participate in Guaranty Program. School Districts may request a Certificate of Qualification at any time during the year by filing a Request for Certificate of Qualification. Such requests, however, must be submitted no less than three weeks prior to sale of the bonds for which the guaranty, if granted, will apply. Requests, and all other written communications pursuant to the Guaranty Program, shall be submitted to OST as provided in OAR 170-055-0001(4), and shall include:

(a) The name, county, and district number (if applicable) of the requesting School District;

(b) The name of the business administrator or other contact person for the requesting School District;

(c) The mailing address, phone number, fax number, and e-mail address (if applicable) of the requesting School District;

(d) A statement of whether any of the School District's previously issued debt is covered by the Guaranty Program;

(e) A copy of the requesting School District's most recent audited financial statements, audit opinion, and management letter; and a statement by an Authorized District Official that they have not been contacted and are not participating in any investigation by an oversight agency or, alternatively, documentation of any conclusions reached by such agency regarding their activities.

(f) A listing of outstanding debt and associated debt service schedules, for debt issued by the School District since the date of its most recent financial audit;

(g) A certificate, signed by an Authorized District Official:

(A) Stating whether the requesting School District has ever failed to pay debt service on any of its bonds, certificates of participation, or other financial obligations when due, and explaining the circumstances and resolution of any such defaults or failures;

(B) Describing current lawsuits against the School District challenging the ability or authority of the School District to issue bonds or that may materially affect the ability of the School District to make scheduled debt service payments on its bonds when due;

(C) Stating that the requesting School District has filed its current budget document(s) with the Oregon Department of Education, and in accordance with Oregon Local Budget Law;

(D) Outlining the amount of debt the School District is authorized by law to incur, and stating that the requesting School District is within this limit;

(E) Outlining the possible repayment structure of all bonds the School District may issue during the period of the requested Certificate of Qualification, including any Qualified Bonds. Such repayment structure shall cover the estimated debt service schedule and, for Qualified Bonds, include

# ADMINISTRATIVE RULES

any scheduled deposits to a sinking fund and the interest rate to which such bonds may be converted, if they may be converted to an interest bearing format over and above interest payments that may be due and payable under the original terms of such bonds;

(F) Attesting to the accuracy and completeness of the materials provided; and

(G) Stating that the School District has engaged a Qualified Paying Agent, who, under the terms of the agreement between the two parties (the "Paying Agent Agreement"), has agreed to provide the School District with a written notification by January 15 of each year of the required debt service amounts (including any scheduled deposits to a sinking fund for Qualified Bonds) which are due in the then-current fiscal year and the following two fiscal years, such that the School District may have the proper information to levy adequate amounts for such payments coming due in the following fiscal years.

For example, a notification provided by January 15, 2010 shall include information on debt service due in the current FY 2010 year (July 1, 2009 through June 30, 2010), the FY 2011 year (July 1, 2010 through June 30, 2011), and FY 2012 year (July 1, 2011 through June 30, 2012).

(h) A non-refundable application processing fee as set forth in OAR 170-061-0015; and

(i) Any additional materials that may be required by OST in support of the request for participation in the Guaranty Program.

(3) Review of Request for Certificate of Qualification. Upon receipt of a request for a Certificate of Qualification, OST shall determine whether all items listed in section (2) of this rule have been provided, whether such items are current, and whether such items call into question the fiscal stability of the requesting School District. In determining the School District's eligibility under the Guaranty Program, OST may request additional information from the School District, as well as from any other person or entity that collects information pertaining to the financial well-being of the requesting School District.

(4) Issuance of Certificate of Qualification. Upon determining that a School District is eligible to participate in the Guaranty Program, OST shall issue a Certificate of Qualification to the School District. A Certificate of Qualification will not apply to Qualified Bonds unless the School District indicated in its request for a Certificate of Qualification that it planned to issue Qualified Bonds under the Certificate of Qualification. The Certificate of Qualification:

(a) Shall evidence the School District's immediate qualification for the Guaranty Program contingent upon compliance with section (5) and all other sections of this rule for each bond issue contemplated for guaranty under the Act;

(b) Be valid for one year from the date of its issuance;

(c) May be applied to any or all general obligation bonds or general obligation refunding bonds issued by the School District during such one-year period that comply with this rule and the Act, except Qualified Bonds for which specific approval must be noted as set forth in OAR 170-061-0015(4)(d). A bond shall be considered issued as of its dated date.

(d) Will specifically state whether it applies to Qualified Bonds issued by the School District during the period of its validity.

(5) A School District that has received a Certificate of Qualification, but did not request Qualified Bonds to be included under the Certificate of Qualification, may submit an amended request at least one month prior to the scheduled issuance date for any Qualified Bonds requesting an amended Certificate of Qualification that specifically covers the Qualified Bonds, which request shall include the information required for such bonds in OAR 170-063-0000(2). OST shall act upon such request within five business days.

(6) School Districts to Provide Information Specific to Each Bond Issued Under the Program. A School District which has received a Certificate of Qualification may, while the Certificate of Qualification is in effect, obtain the state's guaranty of a series of its bonds under the Guaranty Program, by:

(a) Fully complying with Oregon Administrative Rule 170-61-0000 (Notice and Reporting Requirements by Public Bodies When Issuing Bonds), including providing notification on MDAC Form 1 to OST at least 10 days prior to the marketing of any bonds referencing participation in the Guaranty Program, for the bonds which will be guaranteed (this may be submitted simultaneously with information described in section (2) of this rule);

(b) Submitting the following documents to OST at least five business days prior to the closing of the bonds to which the guaranty will apply:

(A) A copy of a resolution adopted by the board or governing body of the School District, authorizing the School District to issue the bonds and participate in the Guaranty Program;

(B) An opinion from a Nationally Recognized Bond Counsel Firm that the bonds, when issued, will be general obligation bonds as defined in the Act, and will be valid and binding obligations of the issuer;

(C) A certificate stating that no litigation is pending or threatened against the School District, questioning the authority of the School District to issue the bonds or levy taxes to pay the bonds;

(D) A specific statement as to whether any of the bonds will be Qualified Bonds; and

(E) Any additional materials that may be required by OST in support of the request for participation in the Guaranty Program, including but not limited to, any information or agreement requested by OST with respect to cre-

ation of sufficient debt service funds or other repayment mechanisms to pay any Qualified Bonds when payment is due.

(7) Letter of Confirmation. Not later than the day on which the bonds are scheduled to close, OST shall, if the Certificate of Qualification is in effect and the School District has complied with Section 5(a) and 5(b) of this rule, issue a letter of confirmation identifying the series of bonds to which the guaranty shall apply, and stating that the guaranty shall apply to that series of bonds if the series of bonds closes within fifteen business days after the date of the letter, and there is filed with bond counsel a certificate, signed by an Authorized District Official and dated the date of the closing, stating that no litigation is pending or threatened against the School District which questions the authority of the District to issue the bonds or levy taxes to pay the bonds. If the series of bonds described in the letter of confirmation is closed within that fifteen day period, and the non-litigation certificate is filed with bond counsel as required by this Section, the series of bonds shall be guaranteed under the Guaranty Program, and the guarantee shall not be affected by any denial or revocation pursuant to Section 9 of this rule.

(8) Guaranty Fees. School Districts whose bonds are guaranteed by the state shall submit to OST, within 10 business days of closing of any guaranteed bonds, a fee as set forth in OAR 170-061-0015.

(9) Ratings. OST will undertake to have the Oregon School Bond Guaranty Program rated by one or more of the major debt rating agencies. School Districts may contact the Debt Management Division of OST to determine which agencies have rated the program. School Districts proposing to issue bonds under the Guaranty Program may:

(a) Engage, at their own expense, one or more of the rating agencies to apply the rating of the Guaranty Program to their bonds; and

(b) At their discretion, and at their own expense, choose to obtain an underlying rating on the bonds.

(10) Denial or Revocation of Qualification/Determination of Ineligibility. OST may deny a School District's request for a Certificate of Qualification, or revoke a previously issued Certificate of Qualification, and issue a Determination of Ineligibility in accordance with the Act, if:

(a) The School District fails to meet the provisions outlined in the Act or any of the requirements outlined in this rule;

(b) The State has ever paid, pursuant to the Guaranty Program, any principal of or interest on any of the School District's bonds; or

(c) OST has reason to question the financial integrity of the School District, including but not limited to, whether sufficient funds exist to repay any outstanding Qualified Bonds when payment is due.

(11) Guaranty Final Upon Issuance. Pursuant to ORS 328.336, issuance of a Determination of Ineligibility shall not affect the validity of the state's guaranty of any outstanding bonds issued under a letter of confirmation pursuant to Section (6) of this rule.

(12) Reference to Guaranty. School Districts with a valid Certificate of Qualification, and that have complied with section (5) and all other sections of this rule, shall evidence the State's guaranty of the School District's bonds by:

(a) Referencing the guaranty on the cover of the preliminary official statement(s) and official statement(s), or other offering document(s), for the applicable bond(s);

(b) Referencing the guaranty on the face of the School District's applicable bond(s); and

(c) Including language describing the guaranty (to be provided by OST) in the School District's preliminary official statement(s) and official statement(s), or any other offering document(s), for the applicable bond(s). Language supplied by OST must be used in its entirety and may not be modified or amended.

(13) School Districts to Report Changes Affecting Qualification. School Districts who have had bonds guaranteed under the Guaranty Program shall promptly notify OST if at any time there are material changes or occurrences that might affect the School District's eligibility to qualify or maintain its qualification to participate in the Guaranty Program, including but not limited to:

(a) Failure to adopt a resolution or ordinance that formally adopts the budget, sets appropriations, and if needed, levies property taxes in accordance with Oregon local budget law;

(b) Failure to pay debt service on any outstanding bond, certificate of participation, or similar financial obligation; or

(c) Failure to establish or levy for debt service scheduled (including any sinking fund deposits) for Qualified Bonds or a material change in any other repayment mechanism for Qualified Bonds.

(14) Notice to OST of debt service payments. School Districts who are unable to transfer scheduled debt service payments to the paying agent 15 days prior to the payment date and Qualified Paying Agents who have not received sufficient funds 10 days prior to the payment date, shall provide notice to OST as provided in OAR 170-055-0001(4) and by telephone to (503) 378-4930.

(15) Notice to OST of sinking fund deposits. School Districts shall provide written verification that they have made any required sinking fund deposits for Qualified Bonds by May 1 of each year to their Qualified Paying Agents and such Qualified Paying Agent shall promptly notify OST if they do not receive such annual verification.

# ADMINISTRATIVE RULES

(16) Repayment. Respective School Districts are responsible for paying all of their obligations guaranteed by the State under the Guaranty Program and for the advance funding of any debt service fund established for such obligations. Any funds paid by the State on behalf of a School District under the Guaranty Program shall be recovered by OST in a manner consistent with the Act.

(17) Reporting on Debt Service Fund. Any School District with outstanding Qualified Bonds guaranteed under the Guaranty Program shall report to the OST at least annually the amount of moneys paid into the School District's debt service fund to pay the Qualified Bonds together with a calculation demonstrating that such advance payments are scheduled to be fully funded and sufficient to repay the Qualified Bonds in full when payment is due. To the extent moneys are not scheduled to be paid into the debt service fund on an annual basis, the School District in its notification shall demonstrate that current balances in the debt service fund, along with any future deposits, will be sufficient to repay the Qualified Bonds in full when due. School Districts with outstanding Qualified Bonds that are subject to conversion to taxable interest bearing bonds and any Qualified Paying Agents for such Qualified Bonds shall promptly notify OST of such conversion as provided in OAR-170-055-0001(4) and by telephone to (503) 378-4930.

(18) Interest. OST will charge interest in connection with the recovery of funds under the Act. Any interest charged will be in a manner consistent with the Act.

(19) Penalty. In addition to charging interest, OST may impose a penalty on a School District for which the State made a payment under the Guaranty Program. Any penalty imposed will be consistent with the Act.

(20) Exceptions. OST may waive any or all provisions of this rule to the extent provided by law.

This rule shall be effective on the date that is adopted by OST and filed with the Secretary of State and its requirements shall apply to any Certificates of Qualification that are in effect on such date.

## 736-015-0035

### Fee Waivers and Refunds

(1) The director, at the direction of the commission, may waive, reduce or exempt fees established in this division under the following conditions:

(a) A person or group provides in-kind services or materials equal to or greater than the value of the applicable rate, as determined by criteria approved by the director;

(b) Marketing or promotional considerations, including but not limited to special events and commercial filming, that promote the use of park areas and Oregon tourism;

(c) Traditional tribal activities in accordance with policy adopted by the Commission;

(d) Reduced service levels at a park, campsite or other facility as determined by the Park Manager.

(2) Reservation Facility Deposit Fee Waivers for individual primitive, tent, electric, full hook-up or horse camp campsites only:

(a) The facility deposit fee is waived for all persons with reservations commencing on State Parks Day (first Saturday of June). All other fees apply.

(b) The facility deposit fee is waived for foster families and adoptive foster families as defined in OAR 736-015-0006. The fee waiver is limited to the first two campsites, and an adult care provider must be present with the foster children. All other fees apply.

(c) The facility deposit fee is waived for U. S. veterans with a service connected disability or active duty U. S. military personnel as provided in ORS 390.124. All other fees apply.

(d) The person making the reservation must pay the \$8 non-refundable transaction fee at the time the reservation is made. This fee is not included in the fee waiver.

(e) Reservations made on the Internet are not eligible for fee waivers.

(3) Overnight Rental Fee Waivers for individual primitive, tent, electric, full hook-up or horse camp campsites only:

(a) The overnight rental fee is waived for all persons on the night of State Parks Day (first Saturday of June). All other fees apply.

(b) The overnight rental fee is waived for foster families as defined in OAR 736-015-0006. The fee waiver is limited to the first two campsites, and an adult care provider must be present. All other fees and rules apply.

(c) The overnight rental fee is waived for U. S. veterans with a service connected disability or active duty U. S. military personnel on leave as provided in ORS 390.124. The waiver of individual campsite fees shall be limited to no more than five consecutive days per stay and no more than ten days total in a calendar month. All other fees and rules apply.

(d) The director may waive the overnight rental fee for volunteer hosts traveling to an assignment at a park area.

(4) Day Use Parking Fee Waivers:

(a) The day use parking fee is waived for all persons on State Parks Day (first Saturday of June).

(b) The day use parking fee is waived for U. S. veterans with a service connected disability or active duty U. S. military personnel on leave as provided in ORS 390.124.

(c) The day use parking fee is waived for an adoptive foster family, as defined in OAR 736-015-0006, with an adopted foster child under 18 years of age or a foster family, as defined in OAR 736-015-0006, if the foster care provider has a valid Certificate of Approval to Provide Foster Care in Oregon issued by the Oregon Department of Human Services. The waiver shall be valid until the expiration date of the Certificate of Approval to Provide Foster Care or the adopted foster child turns 18 years of age.

(d) All other fees apply.

(5) A person may request a refund under the following circumstances.

(a) Reservations Northwest may refund a reservation fee when the department has made a reservation error.

(b) Reservations Northwest may refund a facility deposit and may waive the cancellation/change rules when requested by the person due to the following emergency situations:

(A) Emergency vehicle repair creates a late arrival or complete reservation cancellation;

(B) A medical emergency or death of a family member creates a late arrival or complete reservation cancellation;

(C) Acts of Nature create dangerous travel conditions; or

(D) Deployment of military or emergency service personnel creates a late arrival or complete reservation cancellation.

(c) The director or his/her designee may approve a refund under other special circumstances.

(d) All requests for refunds listed above must be sent in writing to Reservations Northwest via email, fax or surface mail to be considered for a refund.

(e) The department will issue refunds for specific site or park area closures and no written request is required.

(f) The park manager may only issue a refund at the park due to the person leaving earlier than expected, and while the person is present and has signed for the refund. Once the person has left the park, refund requests must be sent to Reservations Northwest for processing.

## 160-100-0610

### Conduct Which Constitutes Official Misconduct

As provided in OAR 160-100-0600, the following conduct constitutes official misconduct, as defined in ORS 194.005, for purposes of refusing to issue, revoke or suspend a notary public's commission pursuant to ORS 194.166, assessing a civil penalty against a person pursuant to ORS 194.980, or issuing an official warning to a person pursuant to ORS 194.985:

(1) A person, who is in the business of making or selling official seals, provided an official seal to a person who did not present to such vendor the original Certificate of Authorization issued by the Secretary of State to the person pursuant to ORS 194.010(2). See ORS 194.010(4)(a). Sanction for First Act of Misconduct: Official warning.

(2) A person performed a notarial act within the state of Oregon when the person was not commissioned as a notary public. See ORS 194.012. Sanction for First Act of Misconduct: Refuse to commission. (Class B Misdemeanor)

(3) A notary public used as an official seal an object that was not a stamp, or was a stamp but the stamp was made of a substance that was incapable of making a legible imprint on paper or was incapable of making an imprint that could be legibly reproduced under a photographic method. See ORS 194.031(1). Sanction for First Act of Misconduct: Official warning.

(4) A notary public, who received the notary public's official seal from a vendor of official seals, did not file with the Secretary of State an imprint of the notary public's official seal and the information required by OAR 160-100-0140 within ten days after the date the notary public received the official seal from the vendor. See ORS 194.031(5). Sanction for First Act of Misconduct: Official warning.

(5) A notary public, whose official seal was lost, misplaced, destroyed, broken, damaged or otherwise unworkable, did not personally deliver or mail to the Secretary of State a written notice of that fact within ten days after the date the notary public discovered that the notary public's official seal was lost, misplaced, destroyed, broken, damaged or otherwise unworkable. See ORS 194.031(6) and OAR 160-100-0160(1). Sanction for First Act of Misconduct: Official warning.

(6) A notary public used the notary public's seal embosser in lieu of the notary public's official seal. See ORS 194.031(7) and OAR 160-100-0130(1). Sanction for First Act of Misconduct: Official warning.

(7) A notary public performed a notarial act in another state pursuant to the authority of the notary public's Oregon commission. See ORS 194.043. Sanction for First Act of Misconduct: Official warning.

(8) A notary public did not deliver or mail to the Secretary of State a written notice of change of address within 30 days after the date the notary public changed the notary public's residence or business street or mailing address. See ORS 194.047 and 194.166(15). Sanction for First Act of Misconduct: Official warning.

(9) A notary public performed a notarial act using a new name different than the notary public's name as it appeared on the notary public's written commission. See ORS 194.052(1). Sanction for First Act of Misconduct: Official warning.

(10) A notary public did not deliver or mail to the Secretary of State a written notice of change of name within 30 days after the date the notary public's name changed. See ORS 194.052(2) and 194.166(15). Sanction for First Act of Misconduct: Official warning.

(11) A notary public who does not meet the qualifications of ORS 194.070(1) protested commercial paper, as provided in ORS 73.0505. Sanction for First Act of Misconduct: Official Warning.

(12) A notary public issued a certificate of dishonor of a negotiable instrument (also known as a protest of commercial paper as defined in ORS 73.0505(2)) but in the certificate did not identify the negotiable instrument protested, certify that due presentment was made or the reason why presentment was excused, or certify that the instrument protested was dishonored by nonacceptance or nonpayment, as required by ORS 73.0505(2). See ORS 194.070. Sanction for First Act of Misconduct: Official warning.

(13) A notary public did not keep a record of all certificates of dishonor (also known as a protest of commercial paper as defined in ORS 73.0505(2)) issued by the notary public during the term of a commission. See ORS 194.090. Sanction for First Act of Misconduct: Official warning.

(14) A notary public performed an acknowledgment of a document executed by a corporation of which the notary public was a shareholder, director, officer or employee at the time of the notarization when the notary public was a party to the document either in an individual or representative capacity. See ORS 194.100(2)(a). Sanction for First Act of Misconduct: Official warning.

(15) A notary public issued a certificate of dishonor of a negotiable instrument (also known as a protest of commercial paper as defined in ORS 73.0505(2)) that was owned or held for collection by a corporation of which the notary public was a shareholder, director, officer or employee of a corporation at the time of the notarization when the notary public was a party to the negotiable instrument in an individual capacity. See ORS 194.100(2)(b). Sanction for First Act of Misconduct: Official warning.

(16) A notary public issued a certificate of dishonor (also known as a protest of commercial paper as defined in ORS 73.0505(2)) of a non-commercial or other document that does not fit the definition of negotiable instrument as defined in ORS 73.0104. See ORS 194.070. Sanction for First Act of Misconduct: Official warning.

#### Notice of Opportunity for Hearing

When the Secretary of State proposes to impose a civil penalty or find a violation of an election law, or both, under ORS 260.232 or 260.995, the Secretary of State shall cause a notice to be served by certified mail and regular mail on the person(s) subject to the penalty. The notice shall include:

(1) A statement of the person's right to a hearing before an Administrative Law Judge with the Office of Administrative Hearings.

(2) A statement that if the person desires a hearing, the agency must be notified within the number of days provided by statute from the date of receiving the notice.

(3) A statement of the authority and jurisdiction under which the hearing is to be held.

(4) A reference to the particular sections of the statutes and rules involved.

(5) A short and plain statement of the matters asserted or charged as a violation.

(6) A statement of the amount of penalty that may be imposed.

(7) A statement that the person may be represented by counsel at the hearing.

(8) If the person is an agency, corporation or an unincorporated association, that such person must be represented by an attorney licensed in Oregon, unless the person is a political committee which may be represented by any individual identified as the candidate, treasurer, alternate transaction filer, person designated as the correspondence recipient or director in the most recent statement of organization filed with the filing officer.

(9) A statement that the record of the proceeding to date, including the agency file or files on the subject of the contested case, automatically become part of the contested case record upon default for the purpose of proving a prima facie case.

(10) The person against whom a penalty may be assessed need not appear in person at a hearing held under ORS 260.232 or 260.995, but instead may submit written testimony and other evidence, sworn to before a notary public, to the Secretary of State for entry in the hearing record. Such documents must be received by the Secretary of State not later than three business days prior to the hearing as provided by 260.232(6).

(11) Unless precluded by law, informal disposition may be made of any contested case by stipulation, agreed settlement, consent order or default.

#### Orders When No Hearing Requested or Failure to Appear

(1) When a party has been given an opportunity to request a hearing and fails to request a hearing in writing within the specified time, or having requested a hearing fails to appear at the specified time and place, the agency shall, subject to section (2) of this rule, enter an order by default which supports the agency action. The time provided by statute to request a hearing is calculated from the delivery date indicated on the certified letter's postal confirmation. If the certified letter is refused or left unclaimed at the post office, the time shall be calculated from the date the post office indicates it has given first notice of a certified letter. If the certified card is not returned to the Secretary of State by the United States Postal Service (USPS), the Secretary

shall use the date recorded on the official USPS website utilizing the Track and Confirm delivery service.

(2) An order adverse to a party may be issued on default only if the agency record demonstrates a prima facie case justifying the order. The Administrative Law Judge will declare a party to be in default if the party which requested the hearing does not appear within 15 minutes of the time set for the hearing, unless the party gives notice of a reason for the inability to appear at the designated time and requests and receives a continuance. A continuance shall be granted only if the reason for the inability to appear is beyond the reasonable control of the party.

(3) The prima facie record upon default may be made at a scheduled hearing on the matter, or, if the notice of intended action states that the order will be issued or become effective upon the failure of the party to timely request a hearing, when the order is issued.

(4) The record may consist of oral (transcribed, recorded, or reported) or written evidence or a combination of oral and written evidence. When the record is made at the time the notice or order is issued, the agency file may be designated as the record. In all cases, the record must contain substantial evidence to support the findings of fact.

(5) When the Administrative Law Judge has set a specified time and place for a hearing and the party subsequently notifies the agency or the Administrative Law Judge assigned to the case that the party will not appear at such specified time and place, the agency may cancel the hearing and follow the procedure described in subsections (2), (3) and (4) of this rule.

(6) When a party requests a hearing after the time specified by the agency, but before entry of a final order by default, or, if a final order by default is entered, on or before 30 calendar days after entry of the order, the agency may accept the late request only if the cause for failure to timely request the hearing was beyond the reasonable control of the party. In determining whether to accept a late hearing request, the agency may require the request to be supported by an affidavit and may conduct such further inquiry, including holding a hearing, that it deems appropriate. The agency shall enter an order granting or denying the request.

(7) When a party requests a hearing after entry of a default order, the party must file the request within a reasonable time. If the request is received more than 30 days after the agency mailed the default order to the party or the party's attorney (based on the service date of the order), it is presumed that the request is not timely. The request shall state why the party should be relieved of the default order. If the request is allowed by the agency, it shall enter an order granting the request and schedule the hearing in due course. If the request is denied, the agency shall enter an order setting forth its reasons for the denial.

(8) The agency shall notify a defaulting party of the entry of a default order by mailing a copy of the order as required by ORS 183.470.

(9) Notwithstanding the provisions of this rule relating to late requests for a hearing, no hearing may be held if the timing of the request would cause the agency to miss the statutory deadlines established for the conduct of hearings in ORS 260.232(4) or 260.995(6).

#### Conducting Contested Case Hearings

(1) The contested case hearing shall be conducted by and under the control of the administrative law judge of the Office of Administrative Hearings that is assigned to the case.

(2) If the administrative law judge or any decision maker has an actual or potential conflict of interest as defined in ORS 244.020(1) or (7), that officer shall comply with the requirements of ORS Chapter 244 (e.g. ORS 244.120 and 244.130).

(3) The hearing shall be conducted, subject to the discretion of the administrative law judge, so as to include the following:

(a) The statement and evidence of the agency in support of its action;

(b) The statement and evidence of the person against whom the penalty may be assessed;

(c) Any rebuttal evidence;

(d) Any closing arguments.

(4) The administrative law judge, the agency, and the person against whom the penalty may be assessed shall have the right to question witnesses.

(5) The hearing may be continued with recesses as determined by the administrative law judge.

(6) The administrative law judge may set reasonable time limits for oral presentation and may exclude or limit cumulative, repetitious, or immaterial matter.

(7) Exhibits shall be marked and maintained by the administrative law judge as part of the record of the proceedings.

(8) If the administrative law judge receives any written or oral ex parte communication on a fact in issue during the contested case proceeding, that person shall notify all parties and otherwise comply with the requirements of OAR 165-001-0045.

### Evidentiary Rules

(1) Evidence of a type commonly relied upon by reasonably prudent persons in the conduct of their serious affairs shall be admissible.

(2) Irrelevant, immaterial or unduly repetitious evidence shall be excluded.

(3) All offered evidence, not objected to, will be received by the administrative law judge subject to the administrative law judge's power to exclude irrelevant, immaterial or unduly repetitious matter.

(4) Evidence objected to may be received by the administrative law judge. If the administrative law judge does not rule on its admissibility at the hearing, the administrative law judge shall do so either on the record before a proposed order is issued or in the proposed order.

(5) The administrative law judge shall accept an offer of proof made for excluded evidence. The offer of proof shall contain sufficient detail to allow the agency or court to determine whether the evidence was properly excluded. The administrative law judge shall have discretion to decide whether the offer of proof is to be oral or written and at what stage in the proceeding it will be made. The administrative law judge may place reasonable limits on the offer of proof, including the time to be devoted to an oral offer or the number of pages in a written offer.

### Ex Parte Communications

(1) An ex parte communication is:

(a) An oral or written communication;

(b) By a party, a party's representative or legal advisor, any other person who has a direct or indirect interest in the outcome of the proceeding, any other person with personal knowledge of the facts relevant to the proceeding, or any offer, employee or agent of the agency;

(c) That relates to a legal or factual issue in the contested case proceeding;

(d) Made directly or indirectly to the administrative law judge;

(e) While the contested case proceeding is pending;

(f) That is made without notice and opportunity for the agency and all parties to participate in the communication.

(2) If an agency decision maker or administrative law judge receives an ex parte communication during the pendency of the proceeding, the administrative law judge shall place in the record:

(a) The name of each individual from whom the administrative law judge received an ex parte communication;

(b) A copy of any ex parte written communication received by the administrative law judge;

(c) A memorandum reflecting the substance of any ex parte oral communication made to the administrative law judge;

(d) A copy of any written response made by the administrative law judge to any ex parte oral or written communication; and

(e) A memorandum reflecting the substance of any oral response made by the administrative law judge to any ex parte oral or written communication.

(3) The provisions of this rule do not apply to:

(a) Communications made to an administrative law judge by other administrative law judges;

(b) Communications made to an administrative law judge by any person employed by the Office of Administrative Hearings to assist the administrative law judge.

### Proposed Orders in Contested Cases, Filing of Exceptions, Argument, and Adoption of Order

(1) The administrative law judge shall prepare a proposed order and serve the proposed order on the agency and each party. The proposed order shall be served not later than 30 calendar days after the hearing is adjourned. The agency shall notify the party when and where written exceptions to the proposed order must be filed to be considered by the agency.

(2) If the administrative law judge's proposed order recommended a decision favorable to a party and the agency intends to reject that recommendation and issue an order adverse to that party, the agency shall issue an amended proposed order. When the agency serves an amended proposed order on the party, the agency shall, at the same time notify the party when and where written exceptions for the amended order must be filed to be considered by the agency.

(3) The agency decision maker, after considering any the written exceptions may adopt the proposed order, amended proposed order or prepare a new order.

### Final Orders

(1) Final orders on contested cases shall be in writing and shall include the following:

(a) The case caption.

(b) The name of the administrative law judge(s), the appearance of the parties and identity of witnesses.

(c) A statement of the issues.

(d) References to specific statutes or rules at issue.

(e) Rulings on admissibility of offered evidence when the rulings are not set forth in the record.

(f) Findings as to each issue of fact and as to each ultimate fact required to support the order, along with a statement of the underlying facts supporting each finding.

(g) Conclusion(s) of law based on the findings of fact and applicable law.

(h) An explanation of the reasoning that leads from the findings of fact to the legal conclusion(s)

(i) An order stating the action taken by the agency as a result of the facts found and the legal conclusions arising therefrom.

(j) A citation of the statutes under which the order may be appealed.

(k) The date of service of the order on the party shall be specified in writing and be part of or attached to the order on file with the agency.

(1) The final order shall be served on each party and, if the party is represented, on the party's attorney.

(2) If the agency modifies the proposed order issued by the administrative law judge in any substantial manner, the agency must identify the modifications and explain to the parties why the agency made the modifications. For purposes of this provision, an agency modifies a proposed order in a "substantial manner" when the effect of the modification is to change the outcome or the basis for the order or to change a finding of fact.

### Telephone Hearings

(1) The administrative law judge will hold a hearing by telephone unless the party requesting the hearing specifically requests a personal appearance hearing. If the party requests a personal appearance hearing, the hearing shall be held in Salem at the Office of Administrative Hearings. Nothing in this rule precludes the agency from allowing some parties or witnesses to attend by telephone while others attend in person.

(2) The administrative law judge shall make an audio or stenographic record of any telephone hearing.

(3) Not less than 5 business days prior to the commencement of a hearing conducted by telephone, each party, including the agency, must deliver copies of the exhibits it intends to offer into evidence at the hearing. The exhibits must be delivered to the administrative law judge, all parties and the agency. For purposes of this rule, delivery may be accomplished by any of the following means, or by other means of a similar nature: hand delivery, deposit into first class or certified mail, facsimile or professional delivery service.

(4) Nothing in this rule precludes any party or the agency from seeking to introduce documentary evidence in addition to evidence described in subsection (3) during the telephone hearing. The administrative law judge shall receive such evidence, subject to the applicable rules of evidence, if inclusion of the evidence in the record is necessary to conduct a full and fair hearing. If any evidence introduced during the hearing has not previously been provided to the agency and to the other parties, the hearing may be continued upon the request of any party or the agency for sufficient time to allow the party or the agency to obtain and review the evidence.

(5) The agency will give primary consideration to accommodate the needs of persons that are disabled so that they are not disadvantaged due to their disability.

(6) As used in this rule, "telephone" means any two-way or multi-party electronic communication device, including video conferencing.

### Schedule and Fees for Providing Copies of Public Records

(1) Any person may request photocopies, facsimile (fax) copies, electronically distributed (email) copies, certifications and computer disks of public records which are on file in the Office of the Secretary of State, Elections Division in person, in writing, by telephone, by facsimile (fax) or by electronic submission (email). For purposes of this rule a page is considered to be a single sheet of paper with information on either one side or both sides.

(2) Charges for photocopy orders will be the lesser of:

(a) \$0.25 per page; or

(b) For orders requiring 4 or more hours of staff time to process, \$0.03 per page, plus labor charges calculated as provided in paragraph 7(b);

(c) If the completed photocopy order is mailed, the minimum charge will be \$1.00 prepaid. If the order is to be billed, the minimum charge will be \$5.00;

(d) There is no minimum charge for credit card transactions.

(3) Completion of copy orders is contingent upon the number of pending requests and staff availability. Orders will be processed in the order in which they are received.

(4) Facsimile (fax) copy orders shall be processed as follows:

(a) The cost of records transmitted by facsimile (fax) will be \$5.00 for the first page and \$1.00 for each additional page;

(b) Facsimile (fax) orders are limited to a 20 page maximum, not including the cover page;

(c) Facsimile (fax) orders are limited to in-state customers unless prepayment is received.

(5) Certified copies of public records shall be provided at a cost of \$5.00 for each certification plus \$0.25 for each page copied. Certified copies means photocopies which are certified to be true and accurate copies of the original documents.

(6) Copies of public records may also be provided on a 3.5-inch computer disk or compact disk (CD) if the document(s) are stored in the computer system. Disks will be provided at a cost of \$5.00 per disk and may contain as much information as it will hold.

(7) Labor charges for research projects shall be as follows:

(a) No charge for the first 15 minutes of staff time;

(b) Beginning with the 16th minute, the charge per total request shall be \$25.00 per hour or \$6.25 per quarter-hour. No proration will be done for less than a quarter-hour;

(c) "Research", for purposes of this rule, is defined as the compilation of information:

(A) Which is not readily and immediately available from a single source or a group of related sources;

(B) Which requires a search to locate the requested information; or

(C) Where the request is not specific and a staff determination must be made as to the nature of the information which would fulfill the request.

(8) Billing will be done on the following basis:

(a) Payment must be made not later than 30 days after the billing date. If payment is not received and a second notice is required, an additional \$5.00 may be charged;

(b) Billing will not be provided to any customer who has a past due balance from a previous order. Additional orders will be processed only upon receipt of the balance owed and prepayment of the cost of the new order.

(9) For orders, including research projects, which have an estimated total cost exceeding \$50.00, a deposit of one-half of the estimated total cost of the order will be required prior to processing.

(10) The following will be provided free of charge:

(a) Copies of any manual produced and adopted by the Secretary of State, Elections Division, limited to one copy of each requested manual per customer;

(b) Lists of federal and statewide elected officials, the legislative assembly, judges, and district attorneys;

(c) Voter registration statistics;

(d) Press releases;

(e) 8.5" X 11" maps;

(f) Any document distributed by electronic mail (email); and

(g) The first 25 pages of any photocopy order placed by a state agency.

### Schedule and Fees for Providing Statewide and Less Than Statewide Voter List

(1) Any person may obtain an electronic copy of a statewide or less than statewide voter list from the Office of the Secretary of State, Elections Division, or any county elections official. The following fees for providing a list electronically will apply:

(a) \$25.00 fee for staff and processing time, and media used

(b) \$.025 per 100 voters

(c) The maximum charge excluding the fee assessed under paragraph 2 of this rule will be \$500.00.

(2) For any special formatting requests, an hourly fee of \$35.00 per hour will be assessed. The minimum fee assessed under this paragraph will be \$35.00 and the maximum \$100.00. Special formatting requests do not include providing the electronic copy of a statewide or less than statewide voter list in an alternate electronic format such as an Excel or Access file, rather than a tab delimited text file.

(3) In accordance with ORS 247.945(4) the charge for a statewide voter list is \$500.00. No special formatting requests will be permitted for a statewide voter list.

(4) A request for a hardcopy of a less than statewide voter list, labels, or other non-electronic formats must be made with the county elections official of each county in which voters to be listed reside.

(5) In accordance with ORS 192.440(3)(a) a county may establish fees reasonably calculated to reimburse the county for the actual cost of making the list available, including costs for summarizing, compiling or tailoring the public records, either in organization or media, to meet the person's request.

(6) Any fee calculated under paragraph 1 of this rule may be rounded up to the nearest nickel.

(7) All requests for a statewide or less than statewide voter list will be accompanied by a completed SEL 510, Customer Request Form for Statewide or Less Than Statewide Voter List.

(8) The voter list must not be used for commercial purposes. Under ORS 247.955 a person will not be considered to use the voter list for commercial purposes if the person obtains the list of electors for the purpose of resale to candidates or political committees for political purposes only.

### Residence Address Disclosure Exemption

(1) The purpose of this rule is to define when a county elections official may exempt the residence address of an elector from disclosure as a public record.

(2) The terms used in this rule shall have the same meaning as defined in ORS Chapters 246 through 260, commonly referred to as "Oregon Election Laws".

(3) An elector may request that a county elections official not disclose the residence address of the elector. If the elector demonstrates to the satisfaction of the county elections official that the personal safety of the elector, or the personal safety of a family member residing with the elector, is in danger if the residence address remains available for public inspection, the county elections official shall not disclose that information except in compliance with a court order, a request by a law enforcement agency, or with the consent of the elector.

(4) An exemption from disclosure granted under this rule shall include the residence address on the elector's voter registration record, registration lists produced in accordance with ORS 247.940 and 247.945, poll books, and any other material produced or maintained by the county elections official which is available for public inspection that may reveal the requestor's resi-

dence address. The elector's mailing address may be used in place of the exempt residence address.

(5) A request under section (3) of this rule shall be submitted to the county elections official. The exemption request shall be submitted on form SEL 550 Application to Exempt Residence Address from Disclosure. The request shall be in writing, signed by the elector, and shall include:

- (a) The name of the elector requesting exemption;
- (b) A non-exempt mailing address for the elector; and
- (c) Evidence sufficient to establish to the satisfaction of the county elections official that disclosure of the elector's residence address would constitute a danger to the personal safety of the elector, or of a family member residing with the elector. Such evidence may include copies of the following documents:

(A) An affidavit, medical records, police reports or court records showing that the elector, or a family member residing with the elector, has been a victim of domestic violence;

(B) A citation or an order issued under ORS 133.055 for the protection of the elector, or a family member residing with the elector;

(C) An affidavit or police report showing that a law enforcement officer has been contacted concerning domestic violence, other physical abuse, or threatening or harassing letters or telephone calls directed at the elector, or a family member residing with the elector;

(D) A temporary restraining order or other no-contact order to protect the elector, or a family member residing with the elector, from future physical abuse;

(E) Court records showing that criminal or civil legal proceedings have been filed regarding physical protection for the elector, or a family member residing with the elector;

(F) A citation or a court's stalking protective order pursuant to ORS 163.735 or 163.738, obtained for the protection of the elector, or a family member residing with the elector;

(G) An affidavit or police report showing that the elector, or a family member residing with the elector, has been a victim of a person convicted of the crime of stalking or of violating a court's stalking protective order;

(H) A conditional release agreement issued under ORS 135.250–135.260 providing protection for the elector, or a family member residing with the elector;

(I) A protective order issued pursuant to ORS 135.873 or 135.970 protecting the identity or place of residence of the elector, or a family member residing with the elector;

(J) An affidavit from a district attorney, or deputy district attorney, stating that the elector, or a family member residing with the elector, is scheduled to testify or has testified as a witness at a criminal trial, grand jury hearing or preliminary hearing, and that such testimony places the personal safety of the witness in danger;

(K) A court order stating that the elector, or a family member residing with the elector, is or has been a party, juror, judge, attorney or involved in some other capacity in a trial, grand jury proceeding or other court proceeding, and that such involvement places the personal safety of that elector in danger; or

(L) Such other documentary evidence that establishes to the satisfaction of the county elections official that disclosure of the elector's residence address would constitute a danger to the personal safety of the elector, or a family member residing with the elector.

(6) The county elections official receiving a request under this rule will promptly review the request and notify the elector, in writing, whether the evidence submitted is sufficient to demonstrate to the satisfaction of the county elections official that the personal safety of the elector, or a family member residing with the elector, would be in danger if the residence address remains available for public inspection. The county elections official may request that the elector submit additional information concerning the request.

(7) If a county elections official grants the request to exempt the residence address of an elector from disclosure as a public record, the county elections official must include a statement in its notice to the elector that: the exemption will remain effective until the elector requests termination of the exemption or the elector is required to update the elector's voter registration.

(8) If the elector is required to update the elector's voter registration, the elector may apply for another exemption from disclosure. At the time of updating if no SEL 550 Application To Exempt Residence Address From Disclosure As A Public Record accompanies the voter registration card or is incomplete, the county elections official must send notice, by certified mail return receipt requested, to the elector that states:

- (a) Currently the elector's address is non-disclosed; and
- (b) If an updated SEL 550 Application To Exempt Residence Address From Disclosure As A Public Record is not received within 10 business days of receipt of the notice, the elector's residence address will not be exempt from disclosure as a public record.

(9) An elector who has requested that a county elections official not disclose his or her residence address may revoke the request by notifying, in writing, the county elections official to which the request was made that disclosure no longer constitutes a danger to personal safety. The notification must be signed by the person who submitted the original request for nondisclosure of the residence address.

(10) Form SEL 550 may be used by a public safety officer, as defined by ORS 181.610, to request that the person's home address, home telephone number and electronic mail address be exempted from disclosure pursuant to 192.501. A public safety officer making such a request is not required to provide information described in paragraph (5)(c).

(11) Form SEL 550 shall be used by a participant or parent or guardian of a participant in the Address Confidentiality Program to request that the elector's residence address be exempted from disclosure pursuant to ORS 192.842. The form shall be completed by the participant and include:

- (a) The name of the elector requesting exemption;
- (b) The substitute address provided by the Address Confidentiality Program; and
- (c) A copy of the Address Confidentiality Program Authorization Card.

(12) A request under section (11) of this rule is not required to be signed and a copy of the Address Confidentiality Program Authorization Card is the only evidentiary documentation required.

(13) If a participant or parent or guardian of a participant in the Address Confidentiality Program is required to update the elector's voter registration due to a change in residence address, only an updated voter registration card is required to be completed.

(14) If a participant or parent or guardian of a participant in the Address Confidentiality Program is required to update the elector's voter registration due to a name change section (8) of this rule applies. If an updated SEL 550 is received in response to the notice in section (8) of this rule it must be accompanied by a copy of the Address Confidentiality Program Authorization Card.

(15) Pursuant to ORS 192.842 the county elections official may not disclose the elector's residence address, and the county elections official shall use the substitute address of the program participant for purposes of mailing a ballot to an elector under 254.470.

# ADMINISTRATIVE RULES

**Subject:** This rule describes the process by which county elections officials conduct hand counts of ballots counted by county vote tally systems at each general election. The amendments incorporate changes made by the 2009 Legislative Assembly. The changes include allowing notification to county officials of the election contest to be hand counted not later than the 3rd business day after the general election, and requiring county elections officials to begin the hand counts not later than the 21st day after the general election.

**Rules Coordinator:** Brenda Bayes—(503) 986-1518

## 165-007-0290

### Hand Count of Ballots at General Election

(1) This rule is adopted to implement hand counts of ballots counted by the vote tally system in the county at every general election as required by ORS 254.529. The hand count must be compared to the tally of votes produced by a vote tally system for the same ballots. The number of ballots that must be hand counted is dependent on the margin of victory between the two candidates in the same race receiving the largest number of votes in the county, as determined by the unofficial tally of ballots. Depending on the margin of victory, which will be determined by the results posted to the Secretary of State's electronic reporting system, ORESTAR, as of noon the day after the date of the general election, either 10%, 5% or 3% of all precincts or of ballots in ballot count batches will be hand counted.

(2) For purposes of implementing ORS 254.529 and this rule:

(a) "Margin of victory" means the percentage difference between the first and second place candidates in a given contest. For a contest for state measure the "margin of victory" is the difference between the "yes" and "no" votes.

(b) "Precinct" means any precinct with registered voters.

(c) "Ballot count batch" means a subset of ballots which can be associated with a subtotal in the vote tally system.

(3) In order to assist the Secretary in selecting the election contests for which ballots are to be hand counted, the Secretary shall appoint three members, one of whom will be an expert in statistics, to the Secretary of State's Hand Count Advisory Committee.

(4) Not later than 5 p.m. of the third business day after the date of the general election the Committee shall randomly select the election contests for which the county elections official is to conduct the hand count. The Committee shall randomly draw for each county to select:

(a) An office to be voted on in the state at large and state measure contests for which ballots are to be hand counted; and

(b) The precincts or ballot count batches in which ballots are to be hand counted. The same precincts or ballot count batches will be used to conduct the hand counts on all three election contests to be hand counted.

(c) If the randomly selected office to be voted on in the state at large is the same contest in the county receiving the largest number of votes between two candidates, another office to be voted on in the state at large will be randomly selected.

(5) Once the Committee has randomly selected the election contests and the precincts or ballot count batches in which ballots are to be hand counted, the Secretary of State will notify county elections officials. In addition to identifying the precincts or ballot batches to be hand counted, the notification will include the office to be voted on in the state at large, the state measure and the contest between the two candidates receiving the largest number of votes in the county.

(6) Not later than the 5th business day after the date of the general election the Secretary of State will notify by first-class mail all affected candidates for selected election contests, chief petitioners or legislative sponsor of the state measure selected and any registered opponents of the measure.

(7) Members of the public may observe the hand count. The County Elections Official shall permit only so many persons as observers as will not interfere with an orderly procedure at the office of the County Elections Official.

(8) A county elections official may only begin the hand count after certification of the official results to the Secretary of State, but not later than the 21st day after the election. All hand counts must be completed no later than the 30th day after the election.

(9) If a comparison of the tally of votes produced by a vote tally system with the tally of votes produced by the hand count shows that the tally of votes produced by the vote tally system differs by no more than one-half of one percent of the total votes cast in the contest, from the tally of votes produced by the hand count, the hand count is complete and the county elections official reports the results as provided in subsection (11). If the difference exceeds one-half of one percent of the total votes cast in the contest, a second hand count is conducted as provided in subsection (12).

(10) Valid votes that have been marked by the voter outside the vote targets or using a marking device that cannot be read by the vote tally system shall not be included in making the determination whether the voting system has met the standard of acceptable performance for any precinct or ballot batch under ORS 254.529(8)(a) through (c).

(11) Upon completion of the hand count, but not later than the 30th day after the election, the county elections official must submit to the Secretary of State form SEL 798 detailing any difference and providing an explanation of the difference between the hand count and the tally of votes produced by the vote tally system in the county. Over votes and under votes are excluded from the totals on the SEL 798. Valid votes referenced in (10) of this rule, are to be listed as exceptions on the SEL 798.

(12) If after the first hand count, a second hand count is required to be conducted, the county elections official must again upon completion, but not later than the 30th day after the election, submit to the Secretary of State form SEL 798 detailing any difference and providing an explanation of the difference between the hand count and the tally of votes produced by the vote tally system in the county.

(13) If the county elections official is required under ORS 254.529(8)(d) to conduct a hand count of all ballots counted by the vote tally system, the county elections official not later than the 30th day after the election must certify to the Secretary of State and any other appropriate elections official an amended abstract of votes.

### County Elections Security Plan

(1) A security plan shall be submitted to the Secretary of State Elections Division, not later than the 31st of January of each year.

(2) Approved Security Plans will be valid from March 1 of each year through the last day of February of the following year.

(3) Any revisions to the plan must be submitted to the Secretary of State Elections Division not later than one business day after the revision is made, and at least 30 days before the first election date at which the revisions are to be used.

(4) The security plan and all supporting documentation are confidential and not subject to public disclosure.

(5) All ballots must be secured from their inception into the county's computers, through final storage. This secure process must be followed through ballot reception, verification, inspection, scanning and tally of votes.

(6) The County Elections Official must include accountability procedures for ballots during the election process.

(7) During each phase of the process the County Elections Official must maintain an audit trail for all ballots, whether voted or unused.

(8) Copies of all security agreements with outside vendors must be submitted to the Secretary of State as part of the overall security plan.

(9) Upon receipt of the county security plan the Secretary of State Elections Division shall review the plan based upon the criteria in subsection (11).

(10) In order for a county to be permitted to scan ballots 7 days prior to the election pursuant to ORS 254.478, the county's security plan must be approved in writing by the Secretary of State Elections Division.

(11) The Security Plan must include the following components:

(a) Ballot security at the printer;

(b) Ballot storage security;

(c) Ballot security during transport to inserter (if applicable), to the county, or to the post office;

(d) Ballot security during insertion;

(e) Ballot security at dropsites;

(f) Security of voted ballots awaiting verification;

(g) Security of voted ballots verified and awaiting inspection;

(h) Security of voted ballots opened and inspected;

(i) Facsimile ballot security;

(j) Ballot tally system;

(k) Early scanning procedure (if applicable);

(l) Preventing the premature release of vote tally; and

(m) Post election security.

**Rules Coordinator:** Brenda Bayes—(503) 986-1518

## 165-012-0050

**Contribution of Polls, Allocation of Polling Expenses**

(1) The purpose of this rule is to establish procedures for reporting the contribution of poll results, the allocation of polling expenses, the valuation of poll results, and the reporting of in-kind contributions of poll results.

(2) This rule does not apply to:

(a) Individuals mentioned in a poll who are not candidates; and  
(b) Polls conducted internally by a campaign or entity that are not contributed.

(3) For purposes of this rule and, except where otherwise defined:

(a) "Committee" refers to all candidates/candidate committees, measure committees, political party committees, miscellaneous committees, petition committees or an agent of a committee.

(b) "Contributor" means a purchaser of a poll or agent who gives the poll results to one or more nonpurchaser candidates or non-purchaser committees.

(c) "Date of purchase" means the date that a person pays for a poll.

(d) "Person" includes an agent of the person.

(e) "Poll:"

(A) Means a questioning of selected participants regarding one or more candidates or issues that comprises one or more questions, whether the questioning is commissioned or conducted by volunteers; and

(B) Includes a sample of participants that is a self-contained subset of all participants under paragraph (A) of this subsection.

(f) "Purchaser" means a person or committee that requests or otherwise commissions and pays for a poll.

(g) "Receipt" means in the custody of a candidate or committee. Examples of custody include but are not limited to physical or electronic possession or possession by means of telephonic, email or facsimile communication.

(h) "Results" means the raw data of a poll or any compiled conclusions and analysis supported by the raw data.

(4) The purchase of the results of a poll by a committee is an expenditure by the committee.

# ADMINISTRATIVE RULES

(5) The acceptance of the results of a poll that have a value under section 9 of this rule by a committee is an in-kind contribution by the contributor and an in-kind expenditure in the amount determined under sections 8 and 9 of this rule and must be reported by:

(a) The recipient committee; and

(b) If the contributor is required to file statements of contributions received and expenditures made under ORS 260.057, 260.076, 260.112 or 260.118, the contributor.

(6) A committee accepts the results of a poll if the committee:

(a) Requests the poll results; or

(b) Obtains the poll results from the contributor.

(7) A contributor of poll results shall retain records for two years sufficient to support the valuation of poll results and any allocation of poll costs.

(8) The contributor of a poll shall determine:

(a) The percentage of the poll's overall cost to be allocated to each of the committees directly or indirectly affected by the poll (Divide the number of questions in the sample received by a committee by the total number of questions asked in the sample); and

(b) The base amount of in-kind contribution to each recipient committee (Multiply the overall cost of the poll by a particular committee's percentage of the overall cost as calculated under subsection (a) of this section).

(9) For purposes of valuing poll results accepted by a committee:

(a) A poll shall have no value to any recipient committee if the poll is simultaneously released to each candidate who is running for nomination or election to an office covered by the poll.

(A) The provisions of this subsection may be used only if a poll covers more than one candidate.

(B) If any individual files for an office covered by a contributed poll within 90 days of the poll being valued under this subsection, the contributor must give the individual the poll results not later than the 30th day after the date the individual files for the office.

(b) A poll shall have no value to any recipient committee if the poll is released (prior to or simultaneously with delivery to a candidate covered in the poll or any committee) to:

(A) The newspaper of largest circulation in the district from which a candidate or candidates are running, or if the district is statewide, to at least ten of the largest daily circulation newspapers in the state; and

(B) At least one broadcast media outlet licensed for commercial operations by the FCC whose primary broadcast coverage encompasses the district in which a candidate or candidates are running.

(c) A poll that is not valued under subsections (a) or (b) of this section shall be valued according to the valuation schedule provided in this subsection. Except as provided in subsection (d) of this section, poll results received by a committee within the following time periods after the last (closing) day that the purchaser or other entity conducting the poll accepts data from which the poll results will be compiled (for example, the day the last oral questions are asked or the day that the purchaser stops accepting mail returns) shall have the corresponding value to the recipient as an in-kind contribution:

(A) One to 15 days after the closing day, 100 percent of the:

(i) Recipient candidate committee's base amount of in-kind contribution for a poll calculated under section 8(b) of this rule;

(ii) Overall cost of a poll for all other recipient committees.

(B) 16 to 60 days after the closing day, 50 percent of the:

(i) Recipient candidate committee's base amount of in-kind contribution for a poll calculated under section 8(b) of this rule; or

(ii) Overall cost of a poll for all other recipient committees.

(C) Sixty one to 180 days after the closing day, five percent of the:

(i) Recipient candidate committee's base amount of in-kind contribution for a poll calculated under section (8)(b) of this rule; or

(ii) Overall cost of a poll for all other recipient committees.

(D) More than 180 days after the closing day, no value to the recipient committee.

(d) Notwithstanding subsection (c) of this section, a poll conducted and completed more than 180 days prior to the next election to be held after the poll is conducted and completed shall have no value to any recipient committee. "Conducted and completed" means that all questions, in any format, have been asked and further replies are not being accepted by the purchaser or other entity in charge of gathering data from which the poll results will be compiled, and that the poll results have been compiled.

(10) A committee that has accepted the results of a poll believing that the results have no value or a particular value is liable for any fees or penalties owed as a result of having to report the acceptance as a previously unreported or underreported in-kind contribution and expenditure if the results of the poll are subsequently determined to have value or a higher value to the committee.

**Certified to be Effective:** 12-31-09

**Notice Publication Date:** 12-1-2009

**Rules Amended:** 165-013-0010

**Subject:** This rule amendment is proposed to incorporate into Penalty Matrix for Campaign Finance Civil Penalty Election Law Violations updates made to Oregon election law by the 2009 Legislative Assembly. Chapter 818, Oregon Laws updated the process for the Elections Division to conduct perform a spot check review for campaign finance transactions, This rule updates reference to petition committees from chief petitioner committees and requirements for filing campaign account information. Adds to the penalty matrix a penalty enforced on all committee types against conversion of campaign funds to any person's personal use.

**Rules Coordinator:** Brenda Bayes—(503) 986-1518

**165-013-0010**

**Penalty Matrix for Other Campaign Finance Violations**

(1) This penalty matrix applies to civil penalties for campaign finance violations not covered by the penalty matrices in the Campaign Finance Manual.

# ADMINISTRATIVE RULES

(2)(a) Spot Check Review. The Secretary of State, Elections Division, will hold exempt from disclosure as a public record any bank account number(s), credit card number(s) or social security number(s) received as required documentation in response to a request for documentation necessary to perform a spot check review in accordance with ORS 260.215(3).

(b) If a committee fails to provide documentation or provides insufficient documentation in response to a request for documentation necessary to perform a spot check review, each omitted or insufficient item is a violation of ORS 260.055(3).

(c) If the committee fails to provide sufficient documentation for a transaction by the deadline stated in the first spot check review letter, the Elections Division shall send a second review letter notifying the committee which transaction(s) lack sufficient documentation. The second review letter shall provide the committee a deadline for response.

(d) Omitted or insufficient information submitted after the deadline provided in the second review letter, but prior to the deadline for a candidate or treasurer to request a hearing will result in a 50% per item reduction of the penalty. If a public hearing is requested, the omitted or insufficient documentation may be submitted up to the date of the hearing. In such an event, the candidate or treasurer will be entitled to a 50% per item reduction of the assessed penalty.

(e) The candidate or treasurer of record at the time the first spot check review letter is generated, along with the candidate if applicable, is responsible for submitting documentation for all transactions selected in the spot check review.

(f) For the purpose of imposing a civil penalty for a violation of ORS 260.055(3), the candidate of the principal campaign committee; and the treasurer of a political or petition committee are the parties responsible for the payment of any civil penalty.

(3) Mitigating Circumstances. Except as specifically provided in paragraph (2)(d), the only mitigating circumstances that will be considered in a campaign finance violation covered by this rule include:

(a) The violation is a direct result of a valid personal emergency of the candidate or treasurer. A valid personal emergency is an emergency, such as a serious personal illness or death in the immediate family of the candidate or treasurer which caused the violation to occur. Personal emergency does not include a common cold or flu, or a long-term illness where other arrangements could have been made. In this case, independent written verification must be provided;

(b) The violation is the direct result of an error by the elections filing officer;

(c) The violation is the direct result of clearly-established fraud, embezzlement, or other criminal activity against the committee, committee treasurer or candidate, as determined in a criminal or civil action in a court of law or independently corroborated by a report of a law enforcement agency or insurer or the sworn testimony or affidavit of an accountant or bookkeeper or the person who actually engaged in the criminal activity;

(d) The violation is the direct result of fire, flood or other calamitous event, resulting in physical destruction of, or inaccessibility to, committee records. ("Calamitous event" means a phenomenon of an exceptional character, the effects of which could not have been reasonably prevented or avoided by the exercise of due care or foresight);

(e) The violation is the direct result of failure of a professional delivery service to deliver documents in the time guaranteed for delivery by written receipt of the service provider (this does not include delivery by fax); or

(f) The violation is the direct result of negligent record keeping by a former treasurer. Former treasurer refers to the person who was the treasurer of record at the time the transaction was filed or should have been filed.

(4)(a) Penalty Matrix. These mitigating circumstances may be considered in reducing, in whole or in part, the civil penalty. If the violation is a direct result of an error by the elections filing officer, the violation is waived and no penalty is assessed.

(b) The penalty amount for a violation will be calculated against the same candidate or treasurer based on the number of violations by the candidate or treasurer of the same offense.

(c) For purposes of determining penalty amounts for violations of campaign finance violations covered by this rule Appendix A of this rule will apply. [Appendix not included. See ED. NOTE.]

**Rule Caption:** Update of the Penalty Matrix for Non-Campaign Finance Civil Penalty Election Law Violations.

**Adm. Order No.:** ELECT 31-2009

**Filed with Sec. of State:** 12-31-2009

**Certified to be Effective:** 12-31-09

**Notice Publication Date:** 12-1-2009

**Rules Amended:** 165-013-0020

**Subject:** This rule describes the penalty matrix and mitigating circumstances for non-campaign finance election law violations. The amendments incorporate the changes made by the 2009 Legislative Assembly.

**Rules Coordinator:** Brenda Bayes—(503) 986-1518

**165-013-0020**

**Penalty Matrix for Non-Campaign Finance Civil Penalty Election Law Violations**

(1)(a) This penalty matrix applies to civil penalties for violations of election laws that are not covered by the penalty matrices in the Campaign Finance Manual (late and insufficient campaign finance reports and new transactions to campaign finance reports), or other campaign finance violations as outlined in 165-013-0010.

(b) The penalty amount will be calculated against the same person, candidate or entity as described below for a period of four years from the date the violation occurs, for any election law violation, other than campaign finance violations covered in the penalty matrices in the Campaign Finance Manual and other campaign finance violations as outlined in 165-013-0010. In determining whether the offense is to be considered against the same person, candidate or entity, the following factors are to be considered:

(A) A person is considered the same candidate, regardless of the office(s) for which the person runs within this state, or whether there is a lapse in time between candidacies.

(B) A political committee is considered the same, regardless of who the treasurer is, or if the political committee has changed names but is established by the same group of persons.

(C) The same individual.

(D) One occurrence is considered one violation.

(E) Notwithstanding (F) or (G), if a violation is the first on record for the person, and multiple occurrences of the same statutory provision are described in an election law complaint, the occurrences will be combined (to be considered as one violation) and considered a first violation of the statutory provision, except in such cases where specific circumstances warrant separating the occurrences to impose fines for each violation. This would be appropriate when different persons were affected by the election law offense. Each subsequent occurrence of violation of the same statutory provision after the issuance of a notification letter or a determination of election law violation, within the four-year cycle, may be considered as separate violations.

(F) Violations of Article IV, Section (1)(b) will be calculated by deeming each individual signature sheet that contains signatures that were collected in violation of Section (1)(b) as a single occurrence with a minimum civil penalty of \$2,500.

(G) Violations of ORS 260.569, will be calculated by deeming each individual signature sheet that contains a signature a violation of 260.569 or each signed voter registration card in violation of 260.569 as a single occurrence with a minimum civil penalty of \$100.

(2) Mitigating Circumstances: The burden is on the person alleged to have committed the election law violation to show that a mitigating circumstance exists and caused the election law violation. The only mitigating circumstances which will be considered, if applicable to the specific situation, include:

(a) The violation is a direct result of a valid personal emergency of the involved person(s). A valid personal emergency is an emergency such as a serious personal illness or death in the immediate family of the involved person(s). Personal emergency does not include a common cold or flu, or a long-term illness where other arrangements could have been made. In this case, independent written verification must be provided;

(b) The violation is the direct result of an error by an elections officer;

(c) The violation is the direct result of fire, flood or other calamitous event, resulting in physical destruction of, or inaccessibility to, any records required to be kept to document compliance with Oregon election law. ("Calamitous event" means a phenomenon of an exceptional character, the effects of which could not have been reasonably prevented or avoided by the exercise of due care or foresight);

(d) The violation of ORS 260.432 occurred after a publication produced and distributed by a governing body relating to a ballot measure was reviewed by the governing body's legal counsel before its distribution. The legal counsel must have advised the governing body in writing that the publication as distributed was impartial information that the governing body could legally produce and distribute, and was not in violation of election law;

(e) The violation of ORS 260.432 occurred after a publication produced and distributed by a governing body relating to a ballot measure was reviewed by the Secretary of State's office, Elections Division. The Secretary of State must have advised the governing body in writing that the publication as drafted was impartial information that the governing body could legally produce and distribute or for which suggestions were provided towards the goal of assuring the publication was impartial information regarding the ballot measure. If the Secretary of State issued an advice letter with suggested changes, the governing body must have substantially followed the advice provided. However, this mitigating factor may be disallowed, even if such an advice

# ADMINISTRATIVE RULES

letter was issued, if a complaint and investigation indicates sufficient evidence that the public body presented inaccurate or unbalanced information, not within the purview of this office to have knowledge of prior to the complaint, which has the effect of promoting or opposing the adoption of the measure;

(f) The violation of ORS 260.432(2) occurred, but the public employee had voiced their objection to the person who coerced, commanded or required the employee to perform the prohibited campaign activity during their work time. Despite the stated objection, the person was still required to perform the activity that violated 260.432(2); or

(g) The violation of ORS 260.432(2) occurred when a supervisor asked the public employee to perform the prohibited campaign activity, consisting of clerical tasks, as a part of the public employee's job duties during work time. A "request" made by a supervisor is considered a command or requirement within the meaning of 260.432(1). If the violation involves a written document, the public employee performed clerical tasks only and is not the author of the material.

(3)(a) Penalty Matrix. These mitigating circumstances may be considered in reducing, in whole or in part, the civil penalty. If the violation is a direct result of an error by an elections officer, the violation is waived and no penalty is assessed.

(b) For purposes of determining penalty amounts for violations of non-campaign finance civil penalty election law violations, Appendix B of this rule will apply. [Appendix not included. See ED. NOTE.]

The amendment changes the date the accounts are due are not later than the deadline specified in the notice. The rule amendment sets forth a procedure for a chief petitioner of a suspended petition to submit notarized written testimony contesting the suspension and detailing why the accounts submitted are complete. ## 165-014-0100

### Review of Specified Chief Petitioner Accounts

(1) Each chief petitioner of an initiative, referendum or prospective petition who pays any person money or other valuable consideration to obtain signatures on the petition shall keep detailed accounts in accordance with ORS 260.262. The Elections Division will review these accounts in the manner and in accordance with the schedule set out in paragraphs (2) and (3) of this rule.

(2) Not later than six months after approval to circulate the Elections Division will notify each chief petitioner by first class mail of the deadline to submit copies of their accounts.

(a) The Elections Division may request original documentation of chief petitioner accounts, in addition to or in lieu of copies.

(b) The Elections Division may choose to conduct on-site reviews of chief petitioner accounts.

(3) Detailed copies of accounts must be submitted no later than the deadline specified in the notice. The Elections Division may require accounts to be submitted in shortened time frame depending on the circumstances of each petition.

(a) If original signature sheets are submitted for verification prior to accounts being requested, chief petitioners are required to retain copies of the signature sheets in order to comply with ORS 260.262(1)(e).

(b) Copies of signature sheets provided under ORS 260.262(1)(e) must be submitted together with the payroll records of the circulator who was paid to gather the signatures on those signature sheets, in a manner that separates these associated records from all other records submitted with the accounts. This can be accomplished by paper clip, binder clip, separate folder, or any other manner (other than stapling) that joins the signature sheets and associated payroll records, separate from the rest of the accounts. For example, if circulator John Doe is paid \$430, the chief petitioner must submit, in a separate, distinct grouping, payroll records for that payment and a copy of any signature sheet associated with that payment. This requirement is effective for any signature sheet gathered, in whole or in part, after the effective date of this rule.

(5) Chief petitioners must submit a completed SEL 320, each time accounts are provided, detailing the nature of the accounts provided under ORS 260.262.

(6) The Elections Division shall review accounts to determine whether all of the required information appears to have been provided. If after review it is determined that the accounts submitted are incomplete the Elections Division may take action under ORS 260.262(6).

(7) If the Elections Division takes action under ORS 260.262(6) the chief petitioners may file notarized written explanation contesting the suspension and providing evidence that the accounts submitted are complete.

(8) If a petition is suspended under ORS 260.262(6) the chief petitioners are prohibited from obtaining any additional signatures on the petition until it has been determined by the Elections Division that the accounts are complete. Any signatures gathered in violation of the suspension will not be accepted for signature verification.

(9) If the petition has multiple chief petitioners, only one set of copies of the detailed accounts for each petition need to be produced by the deadline.

(10) Accounts must be kept current as of not later than the 7<sup>th</sup> calendar day after the date a payment is made to a person for obtaining signatures on a petition.

(11) The Elections Division reserves the right to conduct a review of chief petitioner accounts in accordance with ORS 260.262(4).

### Circulator Training and Registration

(1) Any person who will be paid to gather signatures on a state initiative, referendum recall or prospective petition must register with the Secretary of State after completing a training program prescribed by rule of the Secretary. Any person who, in the five-year period prior to the date of application, has been convicted in any state for a criminal offense involving fraud, forgery or identification theft, has had a civil penalty imposed under ORS 260.995 for a violation of 260.048 or 260.262, or has had a civil or criminal penalty imposed for violation of a statute subject to a criminal penalty under 260.993, may not apply for registration.

(2) The Secretary of State designates the web based 2010 Circulator Training and associated forms as the curriculum and forms to be used by any person who will be paid to gather signatures on a state initiative, referendum or recall petition to satisfy the training component of the Secretary of State's circulator registration process.

(3) To register, a person must complete and file the SEL 308 Circulator Registration, the SEL 306 Circulator Training Certificate, the SEL 309 Chief Petitioner Acknowledgement and must provide or have taken by the Elections Division staff a digital photograph.

(4) A circulator's photograph must be:

(a) Less than four years old when it is filed; and

(b) Portrait style, front-facing, showing the face, neck and shoulders only.

(5) The photograph will be used for production of a circulator badge. This badge will include the words "Paid Circulator," the registration number assigned to the circulator by the Elections Division, and the circulator's photograph.

(a) A circulator must carry this badge while circulating as evidence of registration.

(b) A circulator is required to produce the badge for inspection as evidence of registration upon a request from a representative of the Secretary of State, Attorney General or Commissioner of the Bureau of Labor and Industries.

(c) If a paid circulator can not produce the badge issued by the Elections Division upon a request from a representative of the Secretary of State, Attorney General or Commissioner of the Bureau of Labor and Industries the petition sheets signed by that circulator will not be accepted for verification unless the circulator can prove registration at the time of circulation. Only those signature sheets gathered by paid circulators who are registered in accordance with ORS 250.048 may be accepted for verification.

(6) Whenever any of the information disclosed on the Circulator Registration (SEL 308) changes, the circulator must report the change within 10 calendar days by filing an amended SEL 308 with the Elections Division. If the change being disclosed is additional or different initiatives, referendums or recalls for which the person will be circulating, the circulator may not begin gathering signatures for the additional or different petitions until an updated SEL 309 signed by the chief petitioners is submitted.

(7) Any signatures obtained by a person who the Secretary of State determines, during the five year period prior to the date the signatures were obtained has been convicted for a criminal offense involving fraud, forgery or identification theft, has had a civil penalty imposed under ORS 260.995 for a violation of 260.048 or 260.262, or has had a civil or criminal penalty imposed for violation of a statute subject to a criminal penalty under 260.993, will not be included in a count under 250.045 (3) or 250.105 or ORS Chapter

249 for purposes of determining whether an initiative, referendum or recall petition or prospective petition for a state measure to be initiated contains the required number of signatures of electors.

## 165-020-0020

### Notice of Election of Board Members for Special Districts

(1) The Secretary of State hereby adopts by reference and designates SEL 815, Notice of Election of Board Members for Special Districts to comply with ORS 255.069.

(2) The elections officer shall deliver the SEL 815, or similar form that contains at a minimum the information set forth in subsection (3) of this rule, to each district elections authority, no later than the dates prescribed in ORS 255.069(1). The elections officer shall instruct the district elections authority to review the information on the form and make additions and corrections as necessary. If the information supplied by the elections officer to the district elections authority is correct, the district elections authority shall so indicate.

(3) The SEL 815 shall contain:

(a) Name of district;

(b) Date of election;

(c) Open board positions;

(d) Title of office;

(e) Term of each office;

(f) Name of county in which declaration of candidacy or petition of nomination is to be filed;

(g) Deadline for candidate filings;

(h) Designation of newspaper in which legal notice is to be published; and

(i) Signature of authorized district election authority, title and date signed.

# ADMINISTRATIVE RULES

(4) The elections officer shall prepare the notice required by ORS 255.075 using the updated information submitted by the district elections authority under subsection (2) of this rule.

(5) In making the designation of a newspaper of general circulation in the district for publication of the district's notices the elections officer shall consider the criteria set forth in ORS 193.020.

(6) In addition to the information required in a publication made pursuant to ORS 255.075, the elections officer shall also include a statement as to where declarations of candidacy and petitions for nomination may be filed.

## 165-020-0050

### Purpose

(1) This rule provides a uniform billing system for state, county, city and special district elections as authorized under ORS 246.179, 254.046, and 255.305:

(a) All chargeable costs incurred by the county election officer for the conduct of an election held for the state on a date other than the primary or general election, shall be paid by the state, if provided by the act calling for the election or pursuant to ORS 246.179;

(b) All chargeable costs incurred by the county election officer for the conduct of an election held for a city on a date other than the primary or general election, shall be paid by the city;

(c) All chargeable costs incurred by the county election officer for the conduct of an election held for a special district shall be paid by the special district. Chargeable costs do not include expenses incurred by the county election officer for the election of directors of a soil and water conservation district organized under ORS 568.210 to 568.808 and 568.900 to 568.933.

(2) An "Election Equipment Amortization Worksheet" (SEL 950, SEL 950A, or SEL 950B), "Average Ballots Cast/Average Aggregate Registration Worksheet" (SEL 951), "Allocated Cost Worksheet for Vote By Mail Elections" (SEL 952), "Local Elections Billing Worksheet" (SEL 953), and "Voters' Pamphlet Cost Worksheet" (SEL 955) are adopted by reference and designated for use to detail all costs to be billed to each electoral district holding an election.

(3) Any chargeable cost billed for an election shall be supported by such documentation as copies of payroll registers, invoices, vouchers, sales slips, billings, and receipts. Any cost not specified in this rule, or any unsupported chargeable cost, need not be paid.

(4) Documentation will be provided to the electoral districts upon request.

(5) Any electoral district bills and supporting documentation shall be subject to audit by the secretary of state at any time for the purpose of verifying the accuracy of the chargeable costs.

### Computation of Costs

(1) The Election Equipment Amortization Worksheet Form SEL 950, SEL 950A, or SEL 950B shall be the form used for calculating the amortization of election equipment.

(2) The total amortization costs billed to electoral districts over the years the election equipment is used cannot exceed the total cost of purchasing, operating and maintaining the equipment during the years the equipment is used.

(3) Amortization of election equipment is not mandatory; however, any county election official who chooses to amortize such equipment must use the method designated by this rule.

(4) The Average Ballots Cast/Average Aggregate Registration Worksheet Form SEL 951 shall be the form used for computing the average number of ballots cast per election for prior four years.

(5) The Allocated Cost Worksheet Form SEL 952 shall be the form used for computing the allocated cost of the election.

(6) The Local Elections Billing Worksheet Form SEL 953 shall be the form used for computing the total district cost.

(7) The Voters' Pamphlet Cost Worksheet Form SEL 955 shall be the form used for computing the voters' pamphlet cost allocated to each district.
