

CERTIFICATE OF APPROVAL

Clear Ballot Group

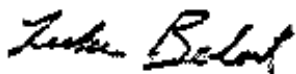

ClearVote 2.5-OR System

Clear Ballot has made upgrades to their ClearVote System. Specifically, they have submitted ClearVote 2.5-OR, along with their federal test lab report. The test reports document that the systems meet all of the Oregon requirements and are conformant with the federal Voluntary Voting System Guidelines (VVSG), Version 1.0 (2005). Clear Ballot Group has requested approval of this change for use in Oregon elections.

The Secretary of State partnered with Multnomah County Elections to test system upgrades. After reviewing the certification application from Pro V&V and test lab reports, we have determined that the upgraded system complies with the statutory requirements of Oregon Revised Statutes 246.550 and 246.560, specifically ORS 246.550(4) and Oregon Administrative Rule 165-007-0350.

Accordingly, the upgraded ClearVote 2.5-OR System is certified for sale, lease or use in Multnomah County and coordinating jurisdictions. The system must be used in compliance with the provisions of applicable Oregon statutes and all Secretary of State, Election Division rules, conditions of use and directives.

Dated this 29th day of August, 2024.
