The test reports document that the systems meet all of the Oregon requirements and are conformant with the federal Voluntary Voting System Guidelines (VVSG), Version 1.0 (2005). Elections Systems and Software has requested approval of this change for use in Oregon elections.

After reviewing the test materials submitted by Elections Systems and Software and the approval of ECO-1151, ECO-1156, ECO-1177 and ECO-1178 by the EAC, we have determined that the upgraded system complies with the statutory requirements of Oregon Revised Statutes 246.550 and 246.560, specifically ORS 246.550(4) and Oregon Administrative Rule 165-007-0350.
