The Oregon Master Gardener™ Association is a statewide, 501(c)(3) non-profit organization whose purpose is to enhance and support the OSU Master Gardener™ program. The county Master Gardener chapters together make up the state association. OMGA is comprised of representatives of each of the county chapters, as well as state officers. Quarterly OMGA meetings are held at various locations around the state.

The Oregon Master Gardener™ Association (OMGA) serves four main functions as part of the Oregon Master Gardener Program:

- To enhance and supplement the Oregon State University Home Horticulture Program.
- To assume responsibility for performing special tasks and engaging in continuous activities related to the program.
- To promote a wide dissemination of information available as a result of University study and experimentation. Such information shall be in accordance with Oregon State University standards.
- To work with other gardening organizations to enhance gardening in Oregon, when appropriate.

OMGA sponsors a newsletter titled *The Gardeners Pen*; an annual conference, the *OMGA Mini-College*; and also celebrates individual and chapter accomplishments with an annual presentation of awards. For more detail about each of these, select them from the menu on the left.

The December issue of the Gardener's Pen Newsletter has been cancelled due to the need to improve our printer/postal procedure. All announcements will continue to be sent to the OMGA Representatives and Chapter Presidents as in the past as well as posting relevant content to our OMGA website.

OMGA and it's affiliates, IRS 990, 990EZ and Oregon CT-12 are available for review upon request of the OMGA Treasurer or they may be on [www.guidestar.com](http://www.guidestar.com)
