BUILD ON YOUR OWN LOT

- 🌲 **Have you purchased a lot and are ready to start building?**
- 🌲 **Have you been looking at in-fill lots in a particular neighborhood?**
- 🌲 **Do you have a house in a location that you love but the house is falling down?**
- 🌲 **Is there a design you have been holding on to just waiting to find the right spot?**

Come and meet with us. We can build your house on a lot you own or are purchasing. If you have a set of plans but no place to build that's okay too. We can help you find the perfect lot. We have knocked down houses for owners who loved their neighborhoods but not the house.

We offer flexibility in where we build your house. We have many years of experience in walking our homeowners through the process of finding and adapting plans to create the perfect house for the lot. Get the house you want, built the way you have always dreamed of.
