# INFORMATION AND PUBLICATION SCHEDULE

## General Information

The Administrative Rules Unit, Archives Division, Secretary of State publishes the *Oregon Administrative Rules Compilation* and the on-line *Oregon Bulletin*. The *Oregon Administrative Rules Compilation* is an annual print publication containing the complete text of Oregon Administrative Rules (OARs) filed during the previous year through November 15, or the last workday before that if the 15th falls on a weekend or holiday. The *Oregon Bulletin* is a monthly on-line supplement that contains rule text amended after publication of the print *Compilation*, as well as proposed rulemaking and rulemaking hearing notices. The *Bulletin* also publishes certain non-OAR items such as Executive Orders of the Governor, Opinions of the Attorney General, and Department of Environmental Quality cleanup notices.

## Background on Oregon Administrative Rules

ORS 183.310(9) defines “rule” as “any agency directive, standard, regulation or statement of general applicability that implements, interprets or prescribes law or policy, or describes the procedure or practice requirements of any agency.” Agencies may adopt, amend, repeal or renumber rules, permanently or temporarily (up to 180 days), using the procedures outlined in the *Oregon Attorney General’s Administrative Law Manual*. The Administrative Rules Unit assists agencies with the notification, filing and publication requirements of the administrative rulemaking process.

## How to Cite

Every administrative rule uses the same numbering sequence of a three-digit chapter number followed by a three-digit division number and a four-digit rule number (000-000-0000). Example: Oregon Administrative Rules, chapter 166, division 500, rule 0020 (short form: OAR 166-500-0020).

## Understanding an Administrative Rule’s “History”

State agencies operate in a dynamic environment of ever-changing laws, public concerns and legislative mandates which necessitate ongoing rulemaking. To track changes to individual rules and organize the rule filing forms for permanent retention, the Administrative Rules Unit has developed for each rule a “history” which is located at the end of the rule text. An administrative rule “history” outlines the statutory authority, statutes implemented and dates of each authorized modification to the rule text. Changes are listed in chronological order and identify in abbreviated form the agency, filing number, year, filing date and effective date. For example: “OSA 4-1993, f. & cert. ef. 11-10-93” documents a rule change made by the Oregon State Archives (OSA). The history notes this was the 4th filing from the Archives in 1993, it was filed on November 10, 1993 and the rule changes became effective on the same date. The most recent change to each rule is listed at the end of the “history.”

## Locating the Most Recent Version of an Administrative Rule

The on-line *OAR Compilation* is updated on the first of each month to include all rule actions filed with the Administrative Rules Unit, Secretary of State’s office by the 15th of the previous month, or by the last workday before the 15th if that date falls on a weekend or holiday. The annual printed *OAR Compilation* contains the full text of all rules filed during the previous year through November 15, or the last workday before that if the 15th falls on a weekend or holiday. Subsequent changes to individual administrative rules are listed by rule number in the OAR Revision Cumulative Index which is published monthly in the on-line *Oregon Bulletin*. These listings include the effective date, the specific rulemaking action, and the

issue of the *Bulletin* that contains the full text of the amended rule. The *Bulletin* contains the full text of permanent and temporary rules filed for publication.

## Locating Administrative Rules Unit Publications

The *Oregon Administrative Rules Compilation* and the *Oregon Bulletin* are available on-line through the Oregon State Archives web site at <<http://arcweb.sos.state.or.us>>. Printed volumes of the *Compilation* are deposited in Oregon’s Public Documents Depository Libraries listed in OAR 543-070-0000. Complete sets and individual volumes of the *Compilation* may be ordered by contacting: Administrative Rules Unit, Archives Division, 800 Summer Street NE, Salem, OR 97310, (503) 373-0701, Julie.A.Yamaka@state.or.us

## Reminder for Agency Rules Coordinators

Each agency that engages in rulemaking must appoint a rules coordinator and file an “Appointment of Agency Rules Coordinator” form, ARC 910-2011, with the Administrative Rules Unit, Archives Division, Secretary of State. Agencies which delegate rulemaking authority to an officer or employee within the agency must also file a “Delegation of Rulemaking Authority” form, ARC 915-2005. It is the agency’s responsibility to monitor the rulemaking authority of selected employees and to keep the appropriate forms updated. The Administrative Rules Unit does not verify agency signatures as part of the rulemaking process. Forms are available from the Administrative Rules Unit, Archives Division, 800 Summer Street NE, Salem, Oregon 97301, (503) 373-0701, or are downloadable at <<http://arcweb.sos.state.or.us/pages/rules/index.html>>

## Publication Authority

The *Oregon Bulletin* is published pursuant to ORS 183.360(3). Copies of the original Administrative Orders may be obtained from the Archives Division, 800 Summer Street, Salem, Oregon, 97310; (503) 373-0701. The Archives Division charges for such copies.

# EXECUTIVE ORDERS

## EXECUTIVE ORDER NO. 11 - 12

### ESTABLISHING THE OREGON SOLUTIONS NETWORK AND CONNECTING THE WORK OF THE REGIONAL SOLUTIONS CENTERS, OREGON SOLUTIONS AND THE OREGON CONSENSUS PROGRAM

Oregon has been a leader in the development of collaborative governance systems and models. The state has benefited from the work of organizations formed to bring together the public, private and civic sectors to solve problems and seize opportunities in a collaborative way.

In order to create a prosperous economy, healthy environment and equitable society, a need exists in the state to create an infrastructure to support communities of place and interest that want to take a collaborative approach to solving problems and maximizing opportunities at the state, regional and local level. A collaborative infrastructure includes resources to support collaborative decision making; dispute resolution; implementation; public engagement and interagency cooperation.

Regional Advisory Committees have been established by the Governor to identify priority issues in eleven regions of the state. These committees will also assist in leveraging resources between the public, private and civic sector resources to address these priorities.

Regional Solutions Centers have been established by the Governor in six university and community college locations throughout the state. These centers house state agency staff that are co-located to ensure an integration of state effort and investment in regional priorities.

The Oregon Solutions Steering Committee is a statewide group comprised of the public, private and civic leadership of the state. It helps chart a course for identifying issues and projects that will benefit from a multi sector approach, address problems and opportunities that have a statewide significance, and produce solutions that can be applied in other parts of the state.

The Oregon Solutions Program is housed at Portland State University and provides a neutral forum to undertake projects that address the state's Sustainable Community Objectives and utilizes conveners appointed by the Governor.

The Oregon Consensus Program is the state's dispute resolution program. It provides a neutral forum that matches public policy disputes with skilled mediators to assist stakeholders in resolving differences and producing agreements to move forward.

There is a need to coordinate these resources and programs to maximize their effectiveness and ensure that their activities address regional priorities around the state. It benefits the state to ensure that state agencies utilize these resources and programs in a way that serves the state's interest through collaborative and integrated action to address state, regional and local challenges and opportunities.

### NOW THEREFORE, IT IS HEREBY DIRECTED AND ORDERED:

1. The Oregon Solutions Network ("Network") is hereby established.
2. The Network will consist of the following people, programs, organizations and centers:
  - a. The Central Oregon Solutions Center;
  - b. The Eastern Oregon Solutions Center;
  - c. The Portland Metro Solutions Center;

- d. The Southern Oregon Solutions Center;
- e. The Valley/North Coast Oregon Solutions Center;
- f. The Oregon Consensus Program;
- g. The Oregon Solutions Program;
- h. The Governor's Regional Solutions Director;
- i. The Regional Solutions Conveners and Advisory Committees; and
- j. The Governor's Regional Coordinators.

3. The Oregon Solutions Steering Committee ("Steering Committee") will provide leadership for the Network. Its members are appointed by the Governor and consist of the leadership of the public, private and civic sectors of the State of Oregon. The Steering Committee will consist of the Governor and will include but not be limited to designees of the following organizations and governments:

- a. Oregon Business Council, to be recommended by the Oregon Business Council;
- b. Association of Oregon Industries, to be recommended by the Association of Oregon Industries;
- c. Oregon Business Association, to be recommended by the Oregon Business Association;
- d. Meyer Memorial Trust, to be recommended by Meyer Memorial Trust;
- e. Ford Family Foundation, to be recommended by Ford Family Foundation;
- f. Oregon Community Foundation, to be recommended by Oregon Community Foundation;
- g. Association of Oregon Counties, to be recommended by Association of Oregon Counties;
- h. League of Oregon Cities, to be recommended by League of Oregon Cities;
- i. Metro, to be recommended by Metro; and
- j. State of Oregon, to be selected by the Governor.

4. Members of the Steering Committee appointed will serve for three year terms and will not be entitled to per diem or expenses. The steering committee will operate according to the principles of consensus.

5. The Oregon Solutions Steering Committee will provide oversight to the Network by:

- a. Assisting with the statewide coordination of efforts;
- b. Developing strategies for the integration of public, private and civic resources and investments;
- c. Reviewing the progress of Network programs, organizations and centers in creating and implementing linkages between public, private and civic partners;
- d. Advising the Governor on legislative and administrative changes necessary to remove institutional barriers to collaborative decision making and implementation; and
- e. Advising the Governor on the performance of state agencies in supporting the state's collaborative strategies.

## EXECUTIVE ORDERS

6. The Governor will chair the Steering Committee, set the agenda and work with the Steering Committee to frame issues for the Steering Committee and the Network to address.

7. The Oregon Consensus Program shall participate in Regional Solutions Centers by assisting in addressing regional priorities by providing a neutral forum to resolve disputes and assist with decision making as appropriate to achieve regional priorities.

8. The Oregon Solutions Program shall participate in Regional Solutions Centers by assisting in addressing regional priorities by providing a neutral forum to undertake multi-sector collaborative implementation projects to achieve regional priorities.

9. The Governor's Regional Coordinators shall refer projects and cases to the Oregon Solutions Program and the Oregon Consensus Program as needed to address regional and local priorities.

10. State agency Directors shall ensure that agencies participate as project team members as requested by the Governor's Regional Coordinator when projects are developed to address regional priorities identified by Regional Advisory Committees.

11. The Steering Committee will be staffed by: the Governor's Regional Solutions Director for the Network oversight functions listed in number 5 above; the Director of Oregon Solutions for Oregon Solutions projects and programs; and the Director of Oregon Consensus for Oregon Consensus cases and programs.

Done at Salem, Oregon, this 16th day of December, 2011.

### EXECUTIVE ORDER NO. 12 - 01

#### DETERMINATION OF A STATE OF EMERGENCY IN BENTON, COOS, LINCOLN AND MARION COUNTIES DUE TO SEVERE WINTER WEATHER

Pursuant to ORS 401.165, I find that severe winter weather including heavy snow, freezing rain, torrential rain, snow melt, and record flooding have resulted in a threat to life safety and property damage in **Benton, Coos, Lincoln, and Marion Counties** beginning on **January 17, 2012** and continuing. These conditions have resulted in evacuations of more than 200 residents, road closures, stranded motorists, flooded buildings and homes, power outages and many areas of inaccessibility.

In **Benton, Coos, Lincoln, and Marion Counties**, recent snow, ice, heavy rain and record flooding have made a significant number of roads inaccessible to emergency vehicles or emergency related vehicles. There are immediate life, health, and safety issues caused by this severe winter weather and requests for additional labor, supplies, and equipment.

#### NOW, THEREFORE, IT IS DIRECTED AND ORDERED:

1. The Oregon Military Department's Office of Emergency Management shall implement the State's Emergency Operations Plan, and coordinate with state and local agencies impacted by this severe winter weather event.

2. The Oregon National Guard shall provide the necessary manpower and equipment required to respond to requests from counties received by Oregon Emergency Management to facilitate response to this severe winter weather event.

3. The Oregon Department of Transportation shall provide the necessary manpower and equipment required to respond to requests from affected counties received by Oregon Emergency Management or in place mutual aid agreements to facilitate response to this severe winter weather event.

4. Oregon Emergency Management shall coordinate all other appropriate agencies of the State of Oregon in using personnel, supplies, and equipment required in response to this severe winter weather event;

5. All other departments are directed to coordinate and assist as needed with assessment and mitigation activities to address current and projected conditions.

This emergency is declared only for **Benton, Coos, Lincoln, and Marion Counties**. Other counties may be added to the declaration at a later time.

These findings were made verbally on January 19, 2012 at 3:36 p.m.

Done at Salem, Oregon, this 20th day of January, 2012.

## OTHER NOTICES

### REQUEST FOR COMMENTS PETITION FOR RULEMAKING LONG TERM CARE FACILITIES — TRANSFERS

**COMMENTS DUE:** February 21, 2012 at 5:00 p.m.

**REQUEST:** In accordance with ORS 183.390, the Department of Human Services (Department) is inviting public comment, including whether options exist for achieving the rule's substantive goals in a way that reduces the negative economic impact on businesses, on a petition of rulemaking requesting the repeal and amendment of the language relating to resident transfers found in the following rules:

- 411-050-0444 Adult Foster Home - Operational Standards;
- 411-054-0080 Residential Care and Assisted Living Facility - Involuntary Move-Out Criteria;
- 411-088-0000 to 0080 Nursing Facility - Transfers;
- 411-325-0390 and 0400 24-Hour Residential Services for Individuals with Developmental Disabilities - Entry, Exit and Transfer; and
- 411-360-0190 Adult Foster Homes for Individuals with Developmental Disabilities - Standards for Admission, Transfers, Respite, Crisis Placements, Exit, and Closures

**BACKGROUND:** On November 30, 2011, the Department received a petition of rulemaking requesting that the Department amend the nursing facility transfer rules in OAR chapter 411, division 088 to create a uniform rule for residents' rights, voluntary and involuntary transfer, and due process so that residents faced with an involuntary transfer have the same rights regardless of the type of facility. The petition also requested that the Department update the specific facility rules to refer to the uniform rules in OAR chapter 411, division 088.

**HOW TO COMMENT:** The petition for rulemaking may be viewed at: <http://www.dhs.state.or.us/policy/spd/rules/Petition%20for%20Rulemaking%20-%20Transfers.pdf> or by contacting Christina Hartman at 503-945-6398 or at [Christina.Hartman@state.or.us](mailto:Christina.Hartman@state.or.us). Written comments may be submitted via e-mail to [Christina.Hartman@state.or.us](mailto:Christina.Hartman@state.or.us), faxed to 503-947-4245, or mailed to Rule Coordinator, Department of Human Services, Seniors and People with Disabilities, 500 Summer Street NE, E-10, Salem, Oregon, 97301-1074. Deadline for comments is February 21, 2012 at 5:00 p.m.

### REQUEST FOR COMMENTS PROPOSED CONDITIONAL NO FURTHER ACTION DETERMINATION FOR THE FORMER BOISE CASCADE SAWMILL IN JOSEPH

**COMMENTS DUE:** Friday, March 2, 2012, 4:30 pm.

**PROJECT LOCATION:** One-quarter mile west of Joseph

**PROPOSAL:** The Department of Environmental Quality proposes to issue a no further action determination for a project to clean up up petroleum-contaminated soil at the former Boise Cascade sawmill near Joseph. DEQ issues a no further action determination when a cleanup project has met regulatory standards.

**HIGHLIGHTS:** In 1994, Boise Cascade excavated approximately 10,500 cubic yards of petroleum-contaminated soil from sawmill property and placed it on six acres of plastic-lined cells in one part of the site. They turned the contaminated soil periodically to promote aeration and growth of microbes that digested the petroleum.

Sampling of the soil indicates that, although some petroleum remains in the soil, the hazardous chemicals in the petroleum have been reduced to safe levels. DEQ therefore does not require further remediation. However, DEQ did require the current property owner, OfficeMax, to record a notice of potential hazard with Wallowa County. The reason for this notice is to let people know that the petroleum-containing soil and the plastic liner remain on this property.

This site will remain on DEQ's Confirmed Release List as long as the hazard notice is in place.

**HOW TO COMMENT:** Send written comments fax, mail or email to:

Bob Schwarz, DEQ Project Manager  
400 E. Scenic Drive, Suite 307  
The Dalles, Oregon 97058  
Fax: 541-298-7330  
Email: [Schwarz.bob@deq.state.or.us](mailto:Schwarz.bob@deq.state.or.us)

Written comments should be sent by Friday, March 2, 2012. To schedule an appointment or to obtain a copy of the staff report, please contact Mr. Schwarz by email or by phone at 541-298-7255, ext. 230. **THE NEXT STEP:** DEQ will consider all comments received. A final decision concerning the proposed no further action determination will be made after consideration of public comments.

**ACCESSIBILITY INFORMATION:** DEQ is committed to accommodating people with disabilities. Please notify DEQ of any special physical or language accommodations or if you need information in large print, Braille or another format. To make these arrangements, contact DEQ Communications and Outreach 503-229-5696 or toll free in Oregon at 800-452-4011; fax to 503-229-6762; or e-mail to [deqinfo@deq.state.or.us](mailto:deqinfo@deq.state.or.us)

### REQUEST FOR COMMENTS PROPOSED NO FURTHER ACTION FOR (FORMER) SCHARFF MOTOR FREIGHT, NEWBERG

**COMMENTS DUE:** 5 pm, February 29th, 2012

**PROJECT LOCATION:** 2210 Portland Rd (99W), Newberg

**HIGHLIGHTS:** The Oregon Department of Environmental Quality is proposing no further action for the investigation and cleanup of petroleum contamination at the (former) Scharff Motor Freight site at 2210 Portland road in Newberg, Oregon.

The property was formerly a trucking business with a maintenance shop on site. The facility had three underground storage tanks to store petroleum products. A petroleum release from the underground storage tank system was reported in August of 1991. In addition to the underground tank system, other areas across the property were contaminated by surface spills of petroleum products from above ground storage tanks, and subsurface contamination from a former shop drain. Contaminated soil was removed from these locations in 1991. Soil sampling showed some contamination remaining following the removal of the petroleum contaminated soils, but at concentrations below DEQ's risk levels. Groundwater was tested in 2011 and showed petroleum contamination was present, but at concentrations below DEQ's risk levels.

Based on available data, the concentrations of contamination remaining at the site are below DEQ's Risk Based Concentrations, which are protective for commercial and industrial activities.

A Site Summary Report detailing DEQ's proposed decision, and the project file containing detailed information for the site, are available for review in DEQ's Eugene Office located in suite 100 at 165 East 7th Avenue in Eugene. Questions concerning this site should be directed to Eric Kelley or Nancy Sawka at DEQ's Salem office by calling them at (503) 378-8240.

Comments on the proposed no further action determination need to be received by the Salem Office, attn: Eric Kelley, by 5pm on February 29th, 2012. Fax or email comments are acceptable.

**THE NEXT STEP:** Upon completion of the comment period, the comments will be addressed. Once the comments have been adequately addressed, the DEQ may approve, modify, or deny the proposed no further action determination.

**ACCESSIBILITY INFORMATION:** DEQ is committed to accommodating people with disabilities. Please notify DEQ of any special physical or language accommodations or if you need information in large print, Braille or another format. To make these arrangements, contact DEQ Communications & Outreach (503) 229-5696 or toll free in Oregon at (800) 452-4011; fax to 503-229-6762; or e-mail to [deqinfo@deq.state.or.us](mailto:deqinfo@deq.state.or.us)

### REQUEST FOR COMMENTS PROPOSED CONDITIONAL NO FURTHER ACTION FOR SASS HEATING OIL RELEASE

**COMMENTS DUE:** 5 p.m., March 2, 2012

**PROJECT LOCATION:** 41314 Robinette Road, Richland, Baker County

**PROPOSAL:** The Oregon Department of Environmental Quality proposes to issue a conditional no further action determination for the Environmental Cleanup Program site #5629: Sass Heating Oil Aboveground Storage Tank Release, located at 41314 Robinette Road, Richland. DEQ issues a conditional no further action determination when an environmental cleanup has met regulatory requirements with a restrictive condition.

**HIGHLIGHTS:** A release of heating oil was reported to DEQ in July 2011 from a former aboveground storage tank. Apparently a supply line to the AST leaked into the crawl space beneath the residence. The timing and quantity of the release is unknown. A notice will be filed with the deed prohibiting use of shallow groundwater for domestic purposes. DEQ has determined that the cleanup meets the requirements of Oregon Revised Statute 465.315. Pollutant levels remaining in soil and potentially in groundwater after the cleanup actions are protective of human health and the environment.

**HOW TO COMMENT:** Send comments by 5 p.m., March 2, 2012 to DEQ Project Manager Marcy Kirk by mail at 475 NE Bellevue Drive, Suite 110, Bend, OR 97701, by email at [kirk.marcy@deq.state.or.us](mailto:kirk.marcy@deq.state.or.us) or, or by fax at 541-388-8283.

To review the project file, call Marcy Kirk at 541-633-2009 for a file review appointment. To access site summary information and the staff report in DEQ's Environmental Cleanup Site Information (ECSI) database on the Internet, go to <http://www.deq.state.or.us/lq/ECSI/ecsiquery.asp>, then enter 5629 in the Site ID box and click "Submit" at the bottom of the page. ### OPPORTUNITY TO COMMENT ANALYSIS OF BROWNFIELD CLEANUP ALTERNATIVES FORMER CONDON RADAR STATION PROPERTY CONDON, OREGON

**COMMENT DUE:** February 29, 2012

**PROJECT LOCATION:** Condon, Oregon

**PROPOSAL:** The Department of Environmental Quality (DEQ) is providing notice for a public opportunity to review and comment on the Analysis of Brownfield Cleanup Alternatives (ABCA) for the Former Condon Radar Station Property (Site) located on Richmond Road 6 miles east of Condon, Oregon. The ABCA details the analysis and selection of protective cleanup options designed to address contamination at the Site.

The former Condon Radar Station property was occupied by the U.S. Air Force until the early 1970's after which time it underwent several ownership changes. Prominent features at the facility included a radar station dome, dormitories, control room buildings, support buildings, a firing range and an adjacent housing development. Approximately 23 buildings remain at the Site, most vacant and in disrepair. Investigations identified hazardous substances remaining at the Site including, two aboveground storage tanks (ASTs), an underground storage tank (UST), stockpiled petroleum soil, and approximately 7,500 linear feet of aboveground steam pipe insulated with asbestos containing material (ACM) which was used to convey heat between the power plant and base buildings.

The ACM piping has been identified as the primary contaminant at the Site that must be addressed before any renovation of the site. The ABCA selected the abatement of all ACM piping, as well as, removal and disposal of stockpiled petroleum soil as the preferred remedial alternatives.

The ABCA, as well as more information concerning site-specific investigations and remedial actions, is available in DEQ's Environmental Cleanup Site Information (ECSI) database located on the web at <http://www.deq.state.or.us/lq/ecsi/ecsi.htm> under Site ID 2593.

Site specific information is also available by contacting David Anderson, DEQ's project manager for this site. The Administrative File for this facility is located at DEQ's Bend office, and can be reviewed in person by contacting project manager at the number below to arrange for an appointment.

**HOW TO COMMENT:** The public comment period will extend from February 1 to 29, 2012. Please address all comments and/or inquiries to project manager at the following address:

David Anderson  
Department of Environmental Quality  
475 NE Bellevue Dr, Suite 110  
Bend, OR 97701  
(541) 633-2012  
[anderson.david@deq.state.or.us](mailto:anderson.david@deq.state.or.us)

Upon written request by ten or more persons or by a group with a membership of 10 or more, a public meeting will be held to receive verbal comments.

**THE NEXT STEP:** DEQ will consider all public comments received before finalizing the selected remedial action for the site. DEQ will provide written responses to all received public comments.

# NOTICES OF PROPOSED RULEMAKING

## Notices of Proposed Rulemaking and Proposed Rulemaking Hearings

The following agencies provide Notice of Proposed Rulemaking to offer interested parties reasonable opportunity to submit data or views on proposed rulemaking activity. To expedite the rulemaking process, many agencies have set the time and place for a hearing in the notice. Copies of rulemaking materials may be obtained from the Rules Coordinator at the address and telephone number indicated.

Public comment may be submitted in writing directly to an agency or presented orally or in writing at the rulemaking hearing. Written comment must be submitted to an agency by 5:00 p.m. on the Last Day for Comment listed, unless a different time of day is specified. Written and oral comments may be submitted at the appropriate time during a rulemaking hearing as outlined in OAR 137-001-0030.

Agencies providing notice request public comment on whether other options should be considered for achieving a proposed administrative rule's substantive goals while reducing negative economic impact of the rule on business.

In Notices of Proposed Rulemaking where no hearing has been set, a hearing may be requested by 10 or more people or by an association with 10 or more members. Agencies must receive requests for a public rulemaking hearing in writing within 21 days following notice publication in the *Oregon Bulletin* or 28 days from the date notice was sent to people on the agency mailing list, whichever is later. If sufficient hearing requests are received by an agency, notice of the date and time of the rulemaking hearing must be published in the *Oregon Bulletin* at least 14 days before the hearing.

\*Auxiliary aids for persons with disabilities are available upon advance request. Contact the agency Rules Coordinator listed in the notice information.

### Board of Parole and Post-Prison Supervision Chapter 255

**Rule Caption:** Amends rules and exhibits governing procedures for setting prison terms for qualified aggravated murderers.

**Date:** 2-17-12      **Time:** 9 a.m.      **Location:** 2575 Center St. NE Salem, OR 97301

**Hearing Officer:** Aaron Felton, Board Chairperson  
**Stat. Auth.:** ORS 144.050, 144.110, 144.120, 144.140 & 144.780  
**Other Auth.:** Janowski/Fleming v. Board of Parole, 349 Or 432 (2010); Severy/Wilson v. Board of Parole, 349 Or 461 (2010); State ex rel Engweiler v. Felton, 350 OR 592 (2011) & OAR 255-030.  
**Stats. Implemented:** ORS 144.110, 144.120 & 163.105  
**Proposed Amendments:** 255-032-0005, 255-032-0037  
**Proposed Repeals:** 255-032-0011

**Last Date for Comment:** 3-3-12, 5:30 p.m.

**Summary:** Division 32 rules govern procedures related to persons convicted of aggravated murder under ORS 163.105. Division 35 rules and related exhibits govern procedures related to setting a prison term. Recent Oregon Supreme Court decisions necessitate changes in the Board's rules:

(1) In Janowski/Fleming v. Board of Parole, 349 Or 432 (2010), the Board was directed to apply the "matrix system" in effect at the time the crimes were committed in order to set a prison term for adults convicted of aggravated murder who had been found likely to be rehabilitated within a reasonable period of time under ORS 163.105. Exhibit A-I is amended to restore crime severity ratings to aggravated murder. Exhibit A-II is amended to restore the subcategory rationale for aggravated murder, including Category 7 and Category 8. Both of these changes are required in order to allow the Board to establish a matrix range for persons convicted of aggravated murder. OAR 255-032-0037(2) is amended to clarify the rules to be applied to aggravated murderers who have been found likely to be rehabilitated within a reasonable period of time.

(2) In State ex rel Engweiler v. Felton, 350 Or 592 (2011), the court concluded that the Board exceeded its statutory authority when it promulgated rules requiring five juvenile aggravated murderers to undergo the intermediate review process of a murder review hearing before the Board makes parole release decisions regarding them. OAR 255-032-0005 is amended and OAR 255-032-0011 is repealed to comply with this decision.

**Stats. Implemented:** ORS 87.093, 279C.590, 701.005, 701.021, 701.026, 701.042, 701.046, 701.068, 701.073, 701.085 (2005), 701.088, 701.091, 701.098, 701.102, 701.106, 701.109, 701.227, 701.305, 701.315, 701.330, 701.345, 701.480, 701.485, 701.505-701.520, 701.510, 701.515, 701.992 & 701.995

**Proposed Amendments:** 812-002-0443, 812-005-0140, 812-005-0250, 812-005-0800, 812-007-0020, 812-007-0302, 812-007-0350

**Proposed Repeals:** 812-005-0140(T)

**Last Date for Comment:** 2-28-12, Close of Hearing

**Summary:** • 812-002-0443 is amended to correct a cite reference.

• 812-005-0140 is amended to make the rule consistent with ORS 701.098(4) and make the rule retroactive and effective on the date the statute was changed (1/1/08).

• 812-005-0250 is amended to:

- Section (1): Remove references to 2005 statutes. There should no longer be any licensees or applicants affected by those statutes. Consolidate old sections (1) and (2) into one section for simplicity and clarity. Refer to "agency" rather than "Board." This is consistent with the remainder of the rule. Extend minimum period to operate under increased bond from two to three years.

- Section (2): Change petition requirement from an explanation why there is no longer an "increased risk to the public" to describing the factors for consideration in Section (3).

## NOTICES OF PROPOSED RULEMAKING

- Section (3): Change basis for review to clearly articulated standards for approval or denial.

- Section (3)(a): Expand the class of agency "orders" to recognize DRS arbitration awards and (new) determinations.

- Section (4): Explain that if petitioner fails to satisfy all of the requirements in Section (3), the agency will not allow the reduced bond for an additional three years. After that time, the applicant or licensee may again petition the agency.

- Section (5): Clarify that agency will notify petitioner of its decision within 30 days of receiving the petition.

- Section (6): Change procedure from contested case review (Office of Administrative Hearings) to an order in other than a contested case (Circuit Court).

- 812-005-0800 is amended to clarify that sanction in section (16) is not subject to authorization in ORS 701.106 and to correct cross-reference in section (22).

- 812-007-0020 is amended to provide an exemption for emergency renovation operations, as the Oregon Health Authority (OHA) rules do. Definitions are amended to make CCB's rules consistent with the OHA rules.

- 812-007-0302 is amended to provide an exemption for emergency renovation operations, as the Oregon Health Authority (OHA) rules do. Exemption rules are amended to make CCB's rules consistent with OHA's rules.

- 812-007-0350 is amended (1)(d) adds a missing word "refer" between the words "Authority" and "to the board."

**Proposed Repeals:** 812-021-0015(T)

**Last Date for Comment:** 2-28-12, Close of Hearing

**Summary:** • OAR 812-021-0015 section (4) is amended to delete the word "core" and to allow contractors that took the initiative and earned continuing education (CE) before it was required to include the CE hours for their first renewal, which satisfies the goals of the CE program. CCB wants to reward, not punish, contractors that took the initiative to earn CE before it was required. The rule is retroactive to October 1, 2011. The rule is also being amended to correct cite reference in 812-0021-0015(2)(b)(A).

- OAR 812-021-0019 is amended to change the word "attending" to "completing" because contractors earn continuing education credits by completing courses. Some courses are taken online and are completed, they are not attended

- OAR 812-021-0025 is amended increase work experience or education requirements for education providers. The current amount of required work experience and education is two years; it increases to four years.

- OAR 812-021-0040 is amended to incorporate a policy governing active contractors renewing as inactive. The rule also applies where the inactive contractor (recently renewed) seeks to return to active status.

**Last Date for Comment:** 3-15-12, Close of Business

**Summary:** This rulemaking repeals a rule adopted by the Department of Consumer and Business Services (DCBS) related to physician credentialing and recredentialing by health care service contractors. During the 2009 Legislative Session, the statutory authority for adopting this rule was transferred from DCBS to the Oregon Health Authority. Because the Oregon Health Authority has adopted temporary rules to replace this rule and is now proposing to adopt permanent rules to replace this rule, it is necessary for DCBS to repeal the obsolete DCBS rule.

**Last Date for Comment:** 2-24-12

**Summary:** This rulemaking is to keep Oregon OSHA in harmony with recent changes to Federal OSHA's standards.

# NOTICES OF PROPOSED RULEMAKING

Federal OSHA published in the December 27, 2011 Federal Register corrections of typographical errors and non-substantive technical amendments to a number of standards in general industry, construction, and shipyard employment. The technical amendments include updating or revising cross-references. These revisions do not affect the substantive requirements or coverage of those standards, do not modify or revoke existing rights or obligations, and do not establish new rights or obligations.

Oregon OSHA proposes to make these corrections and amendments to the standards Oregon has adopted previously to reflect federal OSHA's changes. We are also making rule reference changes in a number of standards to reflect the newly adopted OAR 437-002-0134 Personal Protective Equipment.

**Summary:** The Department is amending these rules about notice and review of founded dispositions in child protective services to make permanent changes adopted as temporary rules on October 6, 2011, and change the founded disposition review process which currently exists at the local office level and central office level. These amendments do not change the rights of an individual to have a founded disposition reviewed nor do they change the process by which the

# NOTICES OF PROPOSED RULEMAKING

individual requests the review. Under these amendments, the Local Office and Central Office CPS Founded Disposition Review Committees make a recommendation (no longer a decision); and the decision making authority that used to be with the committees is now with the Child Welfare program manager or designee at the local office level and the Child Protective Services Program Manager or designee at the central office level. These rules are also being amended to assure their accuracy, integrity, internal consistency, remove outdated language, and identify defined terms.

In addition, the above rules may also be changed to reflect new Department terminology and to correct formatting and punctuation.

Written comments may be submitted until March 1, 2012 at 5:00 p.m. Written comments may be submitted via e-mail to [Annette.Tesch@state.or.us](mailto:Annette.Tesch@state.or.us), faxed to 503-373-7032, or mailed to Annette Tesch, Rules Coordinator, DHS - Children, Adults, and Families Division, 500 Summer Street NE, E-48, Salem, Oregon, 97301. **Last Date for Comment:** 3-1-12, 5 p.m.

**Summary:** OAR 461-101-0010 about program acronyms and overview is being amended to add JPI as the acronym for the Job Participation Incentive program, an additional \$10 food benefit to help increase the ability of single parents with small children – who meet federal TANF participation requirements – to provide for the nutritional needs of their families.

OAR 461-115-0705 is being amended to make permanent a temporary rule change effective January 1, 2012 and reflect the elimination of OHP-OPU Student Status eligibility criteria. The rule as amended no longer refers to the higher education student requirements provided in OAR 461-135-1110, which is being repealed.

OAR 461-120-0010 about residency requirements is being amended to include exceptions that have been set out in other rules.

OAR 461-120-0030 about the state of residence for an individual in a medical facility is being amended to indicate that the rule only applies to medical programs and to follow federal regulations that apply individuals placed in a medical facility in Oregon by a state agency in another state to indicate that they are still considered residents of the placing state.

OAR 461-120-0050 setting out which individuals are considered incapable for forming an intent to reside is being amended to indicate that the rule applies to the Healthy Kids Connect (HKC) program and state in the rule how the Department interprets some of its policies.

OAR 461-120-0110 about residency requirements is being amended to clarify the rule by citing exceptions to its policies that are set out in other rules and by using standard terminology.

OAR 461-120-0120 about the alien status requirements for the Refugee Assistance (REF) and Refugee Assistance Medical (REFM) programs is being repealed and its policy will be set out in OAR 461-120-0125.

OAR 461-120-0125 about the alien status requirements for programs other than the Refugee Assistance (REF) and Refugee Assistance Medical (REFM) programs is being amended to include REF and REFM. This rule is also being amended to clarify how it applies to the Temporary Assistance for Domestic Violence Survivors (TADVS) program and to update its terminology.

OAR 461-120-0130 about declaring citizenship or alien status is being amended to align policy for all programs. The rule change will allow one adult member of the filing group or an authorized representative to sign the statement attesting to citizenship for everyone in the filing group.

OAR 461-120-0210 about the requirement to provide Social Security Numbers (SSN) is being amended to clarify the programs covered some of the requirements of the rule. No changes in policy are being made.

OAR 461-120-0315 about medical assignment is being amended to clarify in various medical programs to whom the requirement applies to turn over to the Department reimbursements for medical costs.

OAR 461-120-0330 about the requirement to pursue assets is being amended to clarify the rule by updating terminology, adding cross-references, and specifying programs more precisely.

OAR 461-120-0340 about the requirement to obtain child support from a non-custodial parent is being amended to state that a caretaker relative is excused from the requirement to pursue support if the filing group is a two-parent family for whom deprivation is based on the unemployment or underemployment of the primary wage earner. This rule is also being amended to make permanent the temporary rule changes adopted October 5, 2011.

OAR 461-120-0350 about clients excused for good cause from compliance with the requirements to pursue child support, medical support, and health care coverage is being amended to clarify the rule by making its title more descriptive, adding cross-references, and removing inapplicable cross-references.

OAR 461-120-0510 about age requirements for clients to receive benefits is being amended and OAR 461-120-0530 about regular

## NOTICES OF PROPOSED RULEMAKING

school attendance is being repealed to include the policy about regular school attendance (for 18-year olds to be eligible for certain programs) within OAR 461-120-0510.

OAR 461-120-0630 about the requirement to live with a caretaker or a caretaker relative is being amended to clarify how it applies to the Temporary Assistance for Domestic Violence Survivors (TA-DVS) program, update its terminology and to remove an exemption that applied to the Refugee Assistance Medical (REFM) program for eligible children in the custody of a public or private agency.

OAR 461-135-0075 about the limitation on the eligibility period for Temporary Assistance for Needy Families (TANF) is being amended to state that months beginning October 1, 2011 in which a filing group is a two-parent family eligible for cash assistance based on the unemployment or underemployment of the primary wage earner do not count towards the 60-month limitation on the TANF eligibility period. This rule is also being amended to make permanent temporary rule changes adopted on November 1, 2011.

OAR 461-135-1100 is being amended to make permanent temporary rule changes effective January 1, 2012 and reflect the elimination of OHP-OPU Student Status eligibility criteria and no longer refer to the higher education student requirements that were in OAR 461-135-1110, which is being repealed. OAR 461-135-1100 is also being amended to align it with revisions of OAR 410-120-1960, 461-135-0990 and 461-155-0360 that centralize the Health Insurance Premium Payment (HIPP) program. This amendment clarifies what constitutes major medical insurance by eliminating the \$10,000 coverage minimum and stating what types of benefits an insurance policy must have to be considered major medical.

OAR 461-135-1110 about eligible and ineligible students in the Oregon Health Plan OPU program (coverage for adults who qualify under an income standard based on 100 percent of the federal poverty level) is being repealed to make permanent the suspension of this rule that was effective January 1, 2010. Applicants and recipients will no longer be required to meet the income requirements for a Pell grant (having an estimated family contribution of \$0), or be a student in a program serving displaced workers under section 236 of the Trade Act of 1974 (19 USC 2296).

OAR 461-135-1210 which aligns TA-DVS definitions with TANF definitions is being repealed. The rule is not used because OAR 461-135-1225 already aligns TA-DVS policy with TANF.

OAR 461-135-1260 is being adopted to set out the specific requirements of the Job Participation Incentive (JPI) program, which is part of the strategy to meet federal requirements related to TANF participation and help increase the ability of single parents with small children provide better nutrition to their families. This rule is also being adopted to make permanent the temporary rule adopted on October 1, 2011.

OAR 461-145-0080 about the treatment of child support and cash medical support in the Department's public assistance, medical, and SNAP programs is being amended to state that, for on-going eligibility and benefit determination for TANF clients for whom deprivation is based on the unemployment or underemployment of the primary wage earner (PWE) in a two-parent household, except for the amount disregarded, child support is considered countable unearned income. This rule is also being amended to make permanent the temporary rule changes adopted October 5, 2011.

OAR 461-145-0410 about how program benefits are treated in the eligibility process is being amended to provide specifics regarding description of the Job Participation Incentive (JPI) program benefits and how those benefits will be treated when determining eligibility for other programs. This rule is also being adopted to make permanent the temporary rule adopted on October 1, 2011.

OAR 461-155-0030 about income and payment standards is being amended to change how the rule describes income limits for benefits in the JOBS and TANF programs. This amendment cross-references another rule that displays income limits representing 185 percent of the federal poverty level instead of duplicating the tables.

OAR 461-155-0290, 461-155-0291, and 461-155-0295 about the income standards for the QMB-BAS, QMB-DW, and QMB-SMB programs (Qualified Medicare Beneficiaries - Basic, Disabled Worker, Special Medicare Beneficiaries) are being amended to base their income standards on the 2012 federal poverty level. Currently, these rules are based on the 2011 federal poverty level.

OAR 461-155-0500 sets out the general eligibility requirements for specific special needs addressed in other rules (OAR 461-155-0510 to 461-155-0710). OAR 461-155-0500 is being amended to remove an obsolete reference to a repealed rule (OAR 461-155-0693), and to add a reference to a current special needs rule (OAR 461-155-0575). This amendment does not change any of the eligibility requirements for specific special needs.

OAR 461-165-0180 about eligibility of child care providers is being amended to add timelines for providers to return the child care provider listing form to the Department. This change will require the provider to submit a completed listing form within 15 calendar days from the date the department issues the listing form.

OAR 461-170-0011 is being amended to set out the reporting requirements for clients in the Job Participation Incentive (JPI) program, aligning these requirements with SNAP cases in SRS. This rule is also being adopted to make permanent the temporary rule adopted on October 1, 2011.

OAR 461-180-0130 is being amended to make permanent temporary changes initially adopted on October 1, 2011 that to limit the restoration of benefits period for the Job Participation Incentive (JPI) program to four months.

OAR 461-190-0211 about case plan activities and standards for support service payments for the Department's Temporary Assistance for Needy Families Job Opportunity and Basic Skills (JOBS) program is being amended to make permanent temporary rule changes adopted November 1, 2011 that modify program restrictions implemented July 1, 2011 as a result of budget reductions from the 2011 legislative session. The changes include stating the policies that apply to the Pre-TANF program; allowing individuals exempt from JOBS participation because of a child under two to volunteer for the JOBS program as slots are available; extending the length of unpaid work-site agreements from 60 days to four months in order to increase the period of time individuals may participate in work experience and supported work (the extended period could increase the number of employers interested in offering work-site slots, expanding the variety of work experience opportunities available to participants); removing the monthly transportation support services limit of \$50 per month which will allow flexibility to address family needs within the monthly maximum support services limit; increasing the monthly maximum support services limit per family by \$50 which will offset the impact the removal of the \$50 monthly transportation limit will have against child care and other support services within the monthly maximum; allowing Department-approved support services exceptions to be implemented; and aligning changes to meet requirements in ORS 412.124 and clarifying that Post-TANF clients may have a case plan even if otherwise exempt from JOBS if they need additional participation hours to maintain eligibility.

In addition, the above rules may also be changed to reflect new Department terminology and to correct formatting and punctuation.

Written comments may be submitted until March 1, 2012 at 5:00 p.m. Written comments may be e-mailed to Annette.Tesch@state.or.us, faxed to 503-373-7032, or mailed to Annette Tesch, Rules Coordinator, DHS - Children, Adults, and Families Division, 500 Summer Street NE, E-48, Salem, Oregon, 97301. **Summary:** To implement House Bill 2375 and House Bill 2652 from the 2011 legislative session, the Department of Human Services (Department) is proposing to amend the health care representative rules for individuals with developmental disabilities in OAR chapter 411, division 365 that prescribe standards by which a health care representative may be appointed for adult individuals with developmental disabilities who reside in many 24 hour residential services sites. Specifically, the proposed rules:

- Include the appointment of a health care representative for adult individuals residing in licensed adult foster homes for individuals with developmental disabilities under OAR chapter 411, division 360, previously only allowed through a variance process;
- Clearly define who may or may not be appointed as a health care representative;
- Further describe the expanded membership of an ISP team used to appoint a health care representative; and
- Clean up old, obsolete language to reflect current Department standards.

**Last Date for Comment:** 2-21-12, 4 p.m.

**Summary:** Enacted legislation stated that ODOT would need to adopt rules for the business processes identified. Adoption of rules for policies and procedures already in place in ODOT would be extensive for each business process related to financial transactions. ODOT uses a process where all divisions, which will include ODA, assist in development and review of these policies and procedures contained in the Financial Administration and Standards Manual (FASM).

ODOT needs a rule to provide Aviation and the public with guidance on what information Aviation must comply with. The rule also requires that ODOT's relationship with Aviation be guided by an intergovernmental agreement. This information is necessary for ODOT and Aviation to have a clear understanding of their working relationship and to enhance Aviation's ability to provide services to Oregonians. This rule replaces a temporary rule that became effective on September 30, 2011.

**Rule Caption:** Increases manufacturing fee collected for a pair of registration plates. Supersedes notice published November 2011.

**Stat. Auth.:** ORS 184.616, 184.619, 802.010 & 803.570

**Stats. Implemented:** ORS 803.570

**Proposed Amendments:** 735-032-0010

**Last Date for Comment:** 2-21-12, 4 p.m.

**Summary:** This Notice supersedes the same as published in the November 1, 2011 Oregon Bulletin. The rule amendment is needed to bring OAR 735-032-0010 into compliance with ORS 803.570. Failure to amend the rule will result in an inconsistency between the statute and rule and result in a loss of revenues collected for the State Highway Fund.

ORS 803.570 requires DMV to establish, by rule, the registration plate manufacturing cost for a registration plate or pair of registration plates. The cost established by DMV is calculated by taking the cost to manufacture a single plate or pair of plates, and rounding the amount(s) charged DMV customers to the next higher half-dollar. DMV has adopted OAR 735-032-0010 to set the registration plate manufacturing cost amounts. (Currently, the plate manufacturing cost amount is \$2 for a single plate and \$3 for a pair of plates.) The plate manufacturing cost amount is then added to the statutory fee set forth in ORS 803.570 which is \$10 for a single plate and \$20 for a pair of plates. The total, which is also established in OAR 735-032-0010, is the registration plate fee that must be paid when a registration plate or pair of registration plates is issued to a customer.

In January 2011, DMV renewed a 10-year agreement (Agreement) with Irwin-Hodson Group (Contractor) to manufacture registration plates for DMV. Under the Agreement, DMV's cost for a pair of plates increased from \$3 to \$3.43, which when rounded to the next higher half-dollar is \$3.50. DMV delayed immediately raising the registration plate fee due to a large inventory of plates on hand at the time of the Agreement.

In October 2011, DMV filed notice to amend OAR 735-032-0010 to increase from \$3 to \$3.50, the manufacturing cost amount charged for each pair of plates issued [emphasis]. The increase was scheduled to become effective January 1, 2012.

Shortly after the rule was noticed, but before the effective date, DMV entered into a 12-month price agreement with the Contractor. Under the new price agreement, DMV's cost for a pair of plates increased from \$3.43 to \$3.52, which when rounded to the nearest half-dollar is \$4. The increase is needed to cover an increase in the Contractor's cost to manufacture a pair of plates.

DMV is now re-noticing the proposed amendment of OAR 735-032-0010 to increase from \$3 to \$4, the manufacturing cost amount

# NOTICES OF PROPOSED RULEMAKING

charged for each pair of registration plates issued. As a result, the registration plate fee for a pair of plates will rise from \$23.00 to \$24.00. The proposed effective date of the rule and fee increase is April 1, 2012.

**Summary:** OAR 734-060-0000 outlines the process for filing an application for an outdoor advertising sign. OAR 734-060-0007 outlines the process for filing an application for a digital billboard, which is a subset of outdoor advertising signs specifically authorized in SB 639. Temporary rules were filed in July 2011 implementing SB 639. These amendments revise the language of the temporary rules and permanently implement SB 639 provisions.

OAR 734-060-0010 outlines the process for requesting an outdoor advertising sign permit for a sign on a transit shelter. OAR 734-065-0015, 734-065-0020 and 734-065-0025 outline the process for requesting an outdoor advertising sign permit for a sign on a transit shelter. These amendments allow an easier process for applicants to request the permit and change the size to the industry standard for such signs.

**Proposed Amendments:** 740-300-0060

**Last Date for Comment:** 2-21-12, 4 p.m.

**Summary:** These rules describe the general penalties for violations of statutes and rules related to motor carrier safety and describe the progressive levels of penalties. The level of penalties assessed is based on the motor carrier's compliance history. A motor carrier that repeats similar violations is subject to a suspension of operating authority, in addition to any authorized monetary penalties. The current rule describes "similar violations;" however the list is not complete. The proposed amendment adds violations of drug and alcohol testing or use to the classifications for which similar violations are determined. Currently, a violation related to drug and alcohol testing or use is described as a similar violation under the description of: "Records and reports not included in subsections (a), (b) or (c) of this

section." In order to clarify the rule, the amendment proposes that drug and alcohol testing or use be given its own "similar violation" description. In addition, the proposed amendment updates a statutory change made to ORS 825.955.

**Proposed Amendments:** 471-030-0080

**Last Date for Comment:** 2-24-12, Close of Business

**Summary:** The proposed amendments to OAR 471-030-0080 make the following changes:

- Revise "Professional Technical Training" to "Career and Technical Training" as a result of changes in HB 2109, which passed in the 2009 Legislative Session.

- Defines when the Director may waive the requirement that an individual be a full time student to be approved for training. This change removes the reference to ORS 657.337, which was repealed by HB 2203 in the 2009 Legislative Session.

- Clarify eligibility requirements for unemployment benefits to individuals who are in approved training. Individuals who do not attend their approved training during the week are required to meet regular unemployment insurance eligibility requirements for those weeks.

**Last Date for Comment:** 3-15-12, 9 a.m.

**Summary:** The federal Coastal Zone Management Act of 1972, as amended, contains a "federal consistency" provision that allows states with an approved coastal management program to review federal activities affecting coastal uses or resources. The Department of Land Conservation and Development (department) is Oregon's designated coastal zone management agency, and administers Oregon's federal consistency program. The department administers federal consistency reviews according to the federal requirements outlined in 15 CFR Part 930, and the corollary state rules in OAR chapter 660, division 35. The proposed amendments update division 35 to reflect changes in federal requirements since the rule was last updated, and to clarify that the department will follow the requirements of 15 CFR Part 930 when performing consistency reviews. Housekeeping and technical corrections to the rules may be proposed to ensure rule consistency.

**Proposed Amendments:** 333-012-0053, 333-012-0055  
**Last Date for Comment:** 2-22-12, 5 p.m.

**Summary:** The Oregon Health Authority, Public Health Division is proposing to permanently adopt and amend administrative rules in chapter 333, divisions 12 and 157. The proposed rules implement the provisions of House Bill 2868, passed during the 2011 Oregon Legislative Session, which changes the licensing model for temporary restaurant facilities. House Bill 2868 was a collaborative effort of the temporary restaurant industry and state and local regulatory officials to improve the licensing model by reducing the costs of operating temporary restaurants by industry but still allowing regulatory officials to assure adequate public health protection. House Bill 2868 created new licensing categories that extend the period of time that licenses are valid and allows local health departments to conduct a comprehensive review of the operation's food safety practices.

**Stats. Implemented:** ORS 471.130, 471.410, 471.430, 471.480 & 471.482

**Proposed Amendments:** 845-006-0335

**Last Date for Comment:** 3-8-12, 5 p.m.

**Summary:** This rule describes the requirements and responsibilities of licensees and permittees to prevent minors from purchasing and consuming alcohol on their premises or from being in an area that is prohibited to minors. In section (6) regarding minor entertainers, staff recommends minor amendments to clarify our expectation that if a minor entertainer is not performing and a Commission approved area has not been designated on the licensed premises (on the floor plan) where the minor stays when not performing, then the minor entertainer must be off of the licenses premises. Our regulatory staff is seeing more licensees choosing not to designate an approved area on their licensed premises, but rather utilizing options such as trailers in parking lots, and our public safety interest is to clearly know where minors will be so that we can help ensure that no minors are in possession of alcoholic beverages. Staff also recommends amending section (4) regarding minor employees and service permittees in order to reflect recent minor posting changes made in the Minor Posting rule. A complete rewrite and reorganization of the language regarding the allowance of these minors in various posted areas, as well as what duties they are allowed to perform, is proposed to improve clarity. And finally, staff recommends deletion of language in sections (3)(a) and (2)(b)) to clarify that this rule section should only be used to charge allowing a minor to drink. Selling or serving minors would instead be charged under the applicable statute (ORS 471.410(2)), or as we typically do instead, charged under section (1) of this rule for failure to verify age. The statute has a knowingly or "with knowledge" element required for selling and serving to a minor, but there is no such limitation for allowing a minor to drink.

**Proposed Amendments:** 845-006-0392, 845-006-0396

**Last Date for Comment:** 3-7-12, 5 p.m.

**Summary:** The Commission accepted a petition from Nathaniel Paschal (Restaurant Retrievers LLC) requesting amendment of OAR 845-006-0396 which describes the requirements for same-day deliv-

ery of malt beverages to a resident of Oregon. Because it contains parallel language, rulemaking was also initiated for OAR 845-006-0392 which describes same-day delivery requirements for wine or cider. The proposed amendments would allow the delivery of malt beverages and wine with evening meal orders from restaurants with an Off-Premises license privilege. The proposed amendments would allow the additional option of delivering up to 1.25 gallons (two 6-packs) of malt beverage and 2 (standard) bottles of wine to an Oregon residence per day, to be delivered until 9:00 p.m., and with an order placement deadline of 7:00 p.m. The proposed amendments also include in both OAR 845-006-0392 (8) and OAR 845-006-0396 (5) leaving both (b) & (c) options, which include unlimited amounts of alcohol being delivered, the same, and amending (a) & (d), that contain specific quantity limits, so that daily delivery amounts are per "residence".

**Last Date for Comment:** 3-1-12, Close of Business

**Summary:** In a recent contested case, Murray v. Public Employees Retirement Bd., 235 Or App 262, 230 P3d 993 (2010), the Court of Appeals held that the PERS Board "erred in concluding that the Variable Account was required in 2001 and 2002 to pay a pro rata share of PERS administrative expenses from principal rather than from interest."

The Court of Appeals decision requires the Board to change the way administrative expenses of Variable are paid in years in which the earnings in that account are insufficient to cover its expenses. To the extent the earnings are sufficient to cover all or a portion of the expenses, the expenses will continue to be charged to each participant on a pro rata basis. Following the Court of Appeals decision, any shortfall must be paid from a different source. That source does not need to be determined until the next year in which Variable earnings are less than the expenses of that account.

The amendments to OAR 459-007-0005, Annual Earnings Crediting, reflect the changes to the allocation of administrative expenses resulting from the Murray case.

**Last Date for Comment:** 3-1-12, Close of Business

**Summary:** In 2008, PERS adopted changes to OAR 459-001-0040 relating to reviews of petitions for reconsideration of a final order in a contested case. Those modifications conformed to the Department of Justice (DOJ) Model Rules of Procedure. During that rulemaking, section (2) of 459-001-0040 was deleted, which clarified specific information to be included in a petition for reconsideration. That rule-making, however, did not modify OAR 459-001-0025, which references the now-deleted section (2) of OAR 459-001-0040.

These proposed modifications delete the outdated citation. Instead, adopting these modifications would delegate from the PERS Board to the Director the authority to deny any petition that does not set forth the specific grounds for reconsideration. This is an admittedly subjective standard and, in practice, staff has broadly accepted petitions for reconsideration even if they do not fit within the criteria referenced. Staff would appreciate any public comment about the appropriate standard by which the function of denying the petition should be delegated.

**Stats. Implemented:** ORS 461.210, 461.220, 461.230 & 461.250

**Proposed Amendments:** 177-085-0025, 177-085-0065

**Last Date for Comment:** 3-9-12, 2:30 p.m.

**Summary:** The Oregon Lottery has filed a Notice of Permanent Rulemaking Hearing and has filed temporary rules to amend the above referenced administrative rules for the Powerball® game.

The proposed rulemaking and the temporary rules, increases the set prize reserve account from \$25,000,000 to \$40,000,000. The set prize reserve account is only used when the total of the set prizes awarded in a drawing exceeds the percentage of the prize pool allocated to the set prizes, and any amount allocated to the set prizes that was carried forward from previous draws.

These changes are necessary to implement changes to the Powerball® game rules made by the national organization that administers the multi-state Powerball® game, and will be effective January 15, 2012.

**Last Date for Comment:** 4-16-12, 2:30 p.m.

**Summary:** The Oregon Lottery® has adopted temporary rules, and has initiated permanent rulemaking to clarify when the Match 5+0 prize option with the Megaplier® option, which normally pays \$1 million, will be reduced by the same percentage as the Match 5+0 \$250,000 prize is reduced.

The rulemaking also clarifies that in the event the multiplier drawing does not occur prior to the Mega Millions® drawing, the multiplier number will be a 4.

These changes are necessary to implement changes to the Mega Millions® game rules made by the national organization that administers the multi-state Mega Millions® game, and are effective immediately. When the permanent rule is adopted, the temporary rule will be repealed.

**Summary:** The proposed amendments to this rule adopt the latest edition of the National Electrical Safety Code (NESC) to stay up to date with current national standards and practices used in the construction, operation, and maintenance of electric supply lines and communications lines. Staying current with the national standards and practices is especially critical for electric and communications utilities and operators as well as contractors and consultants who work in more than one state. The American National Standards Institute approved the 2012 edition of the NESC on June 3, 2011. This 2012 edition becomes the new American National Standard across the nation for the construction, operation, and maintenance of electric supply lines and communication lines. Per ORS 183.332, state agencies should seek to retain and promote federal requirements and equivalent standards.

### Appraisal Standards and USPAP

(1) All licensees must develop and communicate each appraisal assignment in compliance with these administrative rules and USPAP.

(2) A licensee employed by a group or organization that conducts itself in a manner that does not conform to USPAP Standards must take steps that are appropriate under the circumstances to ensure compliance with the Standards.

(3) All licensees must certify to what extent they personally inspected the property that is the subject of the appraisal assignment. Each report must clearly state that the subject property was: inspected both inside and out; inspected from the exterior only; or was not personally inspected by the licensee.

(4) In addition to certifying as to the extent of the subject's inspection, all licensees must also certify to what extent each of the comparable sales relied upon in the appraisal were personally inspected.

(5) All licensees must disclose in all appraisal reports whether the comparable sales analyzed in the appraisal report were or were not confirmed by a party to the transaction or an agent or representative of a party to the transaction.

(6) All licensees testifying or presenting evidence in an administrative or judicial proceeding must base their testimony or evidence only upon a written summary or self-contained appraisal report in compliance with USPAP, reflecting a report date that precedes the date of testimony, unless such testimony is being compelled by legal subpoena.

(7) The "Uniform Standards of Professional Appraisal Practice", 2012-2013 Edition, approved and adopted by the Appraisal Standards Board of the Appraisal Foundation, dated April 27, 1987, as amended on January 1, 2012, are incorporated into the Administrative Rules of the Appraiser Certification and Licensure Board as the standards of professional conduct which shall guide the behavior of licensed and certified appraisers in the State of Oregon. Copies of the Uniform Standards of Professional Appraisal Practice may be obtained from the Appraisal Foundation located at 1029 Vermont Avenue, N.W., Suite 900, Washington D.C. 20005-3517.

(8) All licensees must list their certificate or license number and expiration date in each appraisal report.

(9) All licensees must comply with USPAP in all valuation activity, unless such valuation activity qualifies as an exclusion to real estate appraisal activity under ORS 674.100(2)(h).

(10) Notwithstanding any other provision of these rules, a licensee acting in one of the following capacities is not subject to the requirements

of Standard 3 of USPAP when examining an appraisal report and workfile as part of an official investigation being conducted by the Board:

(a) Board member;

(b) Employee; or

(c) Contractor or volunteer serving at the request of the Board.

### System To Verify Competency

(1) A system to verify competency of an appraiser under 2011 Or Laws Ch. 447, § 9, shall meet the following minimum requirements:

(a) An appraisal management company shall require that each independent contractor appraiser furnish their license or certificate number issued by the Board under ORS 674.310;

(b) An appraisal management company shall have a system in place to verify each independent contractor appraiser's license or certification renewal;

(c) An appraisal management company shall require each independent contractor appraiser represent in writing the appraiser's qualifications and competency, which may include but not be limited to:

(A) The metropolitan statistical areas, metropolitan divisions, areas outside of a metropolitan statistical area, counties, postal codes or other

# ADMINISTRATIVE RULES

geographic information signifying where the appraiser represents he or she is competent to appraise;

(B) The types of real property the appraiser represents she or he is competent to appraise within the scope of their license or certification; and

(C) Other information relevant to the business activities of the business entity and necessary to demonstrate the competency of an appraiser.

(d) An appraisal management company shall include the following information in an assignment to an independent contractor appraiser, to the extent the information has been communicated to the appraisal management company by the appraisal management company's client:

(A) The geographic location of the real property, which may include the metropolitan statistical area, metropolitan division, area outside of a metropolitan statistical area, county, postal code, legal description or other geographic information identifying where the real property is situated; and

(B) The type of real property the assignment covers.

(e) An appraisal management company shall require that each independent contractor appraiser completing appraisals at the request of the appraisal management company comply with the Uniform Standards of Professional Appraisal Practice.

(2) An assignment meeting the minimum requirements under paragraph (1) of this rule does not relieve an appraiser from meeting any legal obligations related to the appraiser's license or certification under ORS Chapter 674 and OAR chapter 161.

(3) The Board retains jurisdiction over administrative inquiries and actions involving misrepresentations made by an individual appraiser regarding competency.

### Potentially Disqualifying Crimes; Process

(1) A "potentially disqualifying crime" means a crime that:

(a) Reflects moral turpitude, or an act or conduct which would cause a reasonable person to have substantial doubts about the individual's honesty, fairness and respect for the rights of others and for the laws of the state and the nation; and

(b) Is rationally connected to the business entity's fitness to act as a controlling person or own 10 percent or more of an appraisal management company.

(2) The Board shall evaluate a crime on the basis of Oregon laws and, if applicable, federal laws or the laws of any other jurisdiction in which a criminal records check indicates a subject individual may have committed a crime, as those laws are in effect at the time of the fitness determination.

(3) A subject individual shall not be denied under these rules on the basis of the existence or contents of a juvenile record that has been expunged under ORS 419A.260 and 419A.262.

(4) If a subject individual is denied as not fit, the business entity may not obtain a registration as an appraisal management company unless the subject individual divests all or part of the individual's ownership interest in the business entity or the business entity designates another controlling person, whichever is applicable.

(5) The Board shall inform the subject individual who has been determined not to be fit on the basis of a criminal records check, via courier, or registered or certified mail to the most current address provided by the subject individual of the disqualification. Responsibility for furnishing the most current address remains with the subject individual.

(6) A final fitness determination is a final order of the Board unless the affected subject individual requests a contested case hearing under ORS Chapter 183. A subject individual may contest a fitness determination made

### Procedure for Complaints

Pursuant to ORS 673.185, the Board is authorized to investigate complaints alleging violations of ORS 673.010 through 673.455 and OAR chapter 801. The following procedures govern complaints received by the Board:

(1) The Board must investigate all complaints that describe activities that are subject to the jurisdiction of the Board and that provide information in support of the complaint.

(2) Anonymous or unsigned complaints will be investigated only if they meet the criteria of (1).

(3) The Board may also investigate other information of which the Board has knowledge, such as media stories and information provided by law enforcement or other regulatory agencies, which indicates that a violation of the statutes or rules enforced by the Board may have occurred.

(4) Any person submitting a complaint may be asked to support the complaint by personal appearance before the Board.

(5) The Board may employ private investigators or contract investigators to provide assistance in determining the facts of any case being investigated.

(6) A licensee who is the subject of a complaint may meet with the Complaints Committee to discuss the complaint.

(7) In accordance with ORS 673.415 the Board may obtain a copy of the signature block, including the name, address and signature of the tax preparer, for any tax return or report permitted or required to be filed with the Oregon Department of Revenue, if the Board has reasonable grounds to believe that a licensee who prepared such tax return or report may have violated any provision of ORS 673.010 to 673.455 or rules promulgated by the Board.

(8) If the Board determines that the available evidence is insufficient to indicate that a violation may have occurred, the Board shall dismiss the complaint.

(9) If the Board determines that the available evidence is sufficient to indicate that a violation may have occurred, the Board shall make a preliminary finding of a violation(s) and offer the subject of the complaint a contested case hearing.

(10) A person under investigation and the Board's Executive Director may negotiate a proposed Stipulated Final Order to conclude a matter at any time after the Complaints Committee has considered it.

(11) A negotiated settlement as described in paragraph (10) shall not be binding on either party until approved by the Board and signed by the Chairperson of the Board or the Executive Director.

### Application for Uniform CPA Examination

(1) Definitions

(a) **Authorization to Test (ATT):** Issued by the Board of Accountancy to eligible exam candidates to authorize the candidate to test for specified sections of the CPA exam. The ATT may be issued for one or more CPA exam sections. Each ATT authorizes the candidate to take each CPA exam section designated in the ATT one time only. The ATT may become expired as to one exam section named in the ATT, and remain valid as to other specified exam sections. The candidate must submit an application and re-examination fee to the Board of Accountancy for any exam section

that is expired under the ATT or to retake any section of the CPA Exam not passed.

(b) **Notice to Schedule (NTS):** Issued by NASBA and enables the candidate to schedule testing at an examination test center. The NTS must remain open until the candidate schedules testing or until six months have elapsed since the NTS was issued, whichever occurs first.

(c) **Testing Center:** Board approved computer testing facilities, at which candidates may take the CPA examination, are listed on the Board website. Testing centers are located throughout the United States and in Guam, Puerto Rico the Virgin Islands, Japan, United Arab Emirates, Kuwait, Lebanon and Bahrain.

(d) **Testing Opportunity:** Each testing window is considered a testing opportunity. There are four testing opportunities per year. A candidate may test for a particular section only once per testing window. A candidate may not retake a failed test section(s) in the same testing window.

(e) **Testing Windows:** The testing window is comprised of two months in which the examination is available to be taken and one month in which the examination will not be offered so that exam sections can be graded and maintenance may be performed.

(2) **Applications.**

(a) Applications for the CPA exam must be submitted on a form provided by the Board and must be accompanied by the appropriate fee. The act of filing an application for the CPA exam constitutes an agreement by the candidate to observe and comply with the CPA Exam rules adopted by the Board.

(b) An application will not be reviewed until the application fee and all required supporting documents have been received, including proof of identity (as determined by the Board and specified on the application form), official transcripts and evidence that the candidate has met eligibility requirements.

(c) All foreign academic credentials submitted as evidence of eligibility for the CPA exam are required to be evaluated by a credentialing agency that is a member of the National Association of Credential Evaluation Services, Inc. (NACES);

(d) An application for the CPA examination must be complete in every particular within 3 months from the date it is received at the Board office. If an application is incomplete, the candidate will be found ineligible and the file will be closed. A candidate whose file has been closed as described herein is required to submit a new application, application fee and all required documents.

(e) Candidates shall pay the CPA exam application fee designated in OAR 801-010-0010 to the Board. All other fees associated with the CPA exam are required to be paid to NASBA. All CPA exam fees are non-refundable. If a candidate fails to appear for a scheduled testing at an approved test center, all fees paid will be forfeited for the examinations scheduled on that day.

(f) At the time of application and during the time any ATT issued by the Oregon Board of Accountancy is open, the candidate must not have an open ATT for the same section in any other state or jurisdiction.

(g) The candidate must certify at the time of application that he or she is in compliance with subsection (f) of this rule. Falsifying this certification or including any false, fraudulent, or materially misleading statements on the application for the examination, or including any material omission on the application for the examination is cause for disciplinary action under ORS 673.170.

(h) The Board or its designee will forward authorization to test (ATT) for the computer-based CPA exam to the candidate and to the NASBA National Candidate Database once eligibility is determined.

(i) The Board will offer a candidate the opportunity to voluntarily disclose the candidate's social security number to the Board so that the Board may provide the social security number to NASBA for identification purposes.

(3) **Eligibility under education requirements.** Candidates for admission to the CPA exam after January 1, 2000 that apply under the educational requirements of ORS 673.050(1)(a) must demonstrate eligibility as follows:

(a) **150 Hour rule:** Satisfactory evidence that the candidate has successfully completed 150 semester hours or 225 quarter hours, including:

(A) A baccalaureate or higher degree from a regionally accredited college or university as described in ORS 673.050(1)(a);

(B) A minimum of 24 semester hours or 36 quarter hours, or the equivalent thereof, in the study of accounting; and

(C) A minimum of 24 semester hours or 36 quarter hours in accounting or related subjects. Related subjects are defined as business, finance, economics, and written and oral communication.

# ADMINISTRATIVE RULES

(D) The required number of hours in accounting or related subjects may be obtained by satisfactory completion of such hours taken from divisions of continuing education extended by a regionally accredited four-year college or university, or from a community college, providing the community college courses are transferable as equivalent courses to an accredited four-year college or university.

(E) Credit for community college courses. Applicants who have earned a baccalaureate or higher degree from a regionally accredited college or university may obtain additional hours from a community college, if such hours would be transferable to an accredited college or university. However, completion of 150 hours consisting entirely of courses taken from a community college or divisions of continuing education shall not be considered equivalent to a baccalaureate or higher degree from a four-year accredited college or university under the requirements of ORS 673.050.

(b) Candidates who applied before January 1, 2000: Returning candidates after January 1, 2000 who do not meet the educational requirement under ORS 673.050(1)(a) are required to sit for at least two sections of the CPA exam, per calendar year, in order to maintain eligibility under the requirements of ORS 673.050, which were in effect prior to January 1, 2000. Returning candidates must provide satisfactory evidence that:

(A) The candidate met CPA exam eligibility requirements that were in effect in Oregon at the time the candidate sat for the CPA exam for the first time in any jurisdiction; and

(B) The candidate sat for and received grades for at least one of the Uniform CPA Examinations in any jurisdiction in 1998 or 1999.

(c) Evidence of eligibility. Candidates must meet all requirements under this rule at the time of application. Satisfactory evidence of the educational requirement may be provided in the following manner:

(A) Candidates who have completed all course requirements and been awarded a baccalaureate or higher degree must provide an official transcript(s) demonstrating successful completion of all courses required under these rules, and that a degree was awarded.

(B) Candidates who have completed all course requirements at the time of application, but for whom a baccalaureate degree has not yet been awarded must provide an official transcript(s) showing successful completion of all courses required under these rules, together with a letter from the Registrar's Office of the college or university stating that the candidate has met the degree requirements and the date that the degree will be awarded.

(C) Only official transcripts that are forwarded directly to the Board office by the issuing college or university will be accepted.

(D) Colleges or universities, which are accredited by one of the six regional accrediting associations and listed as accredited in the *Directory of Post Secondary Institutions*, published by the National Center for Education Statistics, are recognized by the Board.

(4) **Eligibility under experience standards.** Candidates for the CPA exam who are applying under the experience requirements of ORS 673.050(2) to be licensed as a Public Accountant must submit satisfactory evidence that:

(a) The candidate graduated from a high school with a four-year program, or the equivalent; and

(b) The candidate completed two years of experience in public accountancy or the equivalent satisfactory to the Board that meets the requirements of OAR 801-010-0100(2) and 801-010-0065(2).

(c) Returning candidates after January 1, 2002 who were eligible to take two sections of the CPA Exam under provisions of ORS 673.100 in effect prior to January 1, 2002, are required to sit for at least one exam section in any two testing windows each year in order to maintain eligibility under those requirements.

## (5) Authorization to Test and Notice to Schedule

(a) An ATT authorizes the candidate to test one time for those sections of the CPA exam that are specified in the ATT. An ATT is effective for six months from the date on which the corresponding NTS is issued or until the NTS expires, whichever occurs first; however, the ATT will expire ninety (90) days after it is issued if the candidate has not paid the appropriate fees to NASBA.

(b) Expiration of the ATT. Authorization to take a specified exam section will expire on any of the following events:

(A) When the candidate schedules and takes a designated exam section;

(B) If the candidate schedules a testing date for a designated exam section but fails to appear and take the section at the scheduled time;

(C) If the candidate fails to schedule a designated exam section within the six-month period defined by the NTS; or

(D) If the candidate fails to request an NTS and pay the appropriate fees to NASBA within 90 days of the date the ATT is issued.

(c) Suspension of the ATT. An ATT may be suspended by the Board of Accountancy based on a report from NASBA that a problem related to the candidate is identified on the National Candidate Database, or for other good cause as determined by the Board.

(d) Payment of CPA Exam testing fees. To obtain a Notice to Schedule (NTS), the candidate must remit the CPA exam testing fees required for the CPA exam sections specified in the ATT to NASBA within ninety (90) days from the date the ATT is issued. Failure to remit the required fees and obtain the NTS will cause the ATT to expire, and the candidate must submit a re-examination application to the Board, with the appropriate CPA exam fee, to receive another ATT.

(e) NTS. When the candidate receives an ATT from the Board, the candidate is required to:

(A) Submit to NASBA payment of all fees related to testing of the CPA exam sections authorized by the ATT;

(B) Upon receipt of the NTS, contact an approved test center to schedule the time and place for testing of the exam sections authorized by the NTS. CPA exam sections do not have to be scheduled on the same date.

(C) The NTS remains valid for each exam section until the candidate schedules testing for that specific section, or for six months from the date the NTS was issued, whichever occurs first.

(D) The NTS expires as to each individual exam section when the candidate schedules testing for that section, whether or not the candidate appears at the scheduled testing appointment.

(f) Testing.

(A) A candidate may schedule testing at an approved testing center in Oregon or in another jurisdiction. A list of approved testing centers is on the Board of Accountancy website.

(B) Candidates must comply with the procedures and rules of the test center.

(g) Re-examination. A completed re-examination application and payment of the appropriate fee to the Board of Accountancy is required:

(A) To retake any exam section that the candidate does not pass;

(B) To obtain an NTS for any exam section that the candidate failed to schedule during the six-month period for which a previous NTS was issued;

(C) To obtain an NTS for any exam section for which the candidate failed to obtain an NTS during the ninety (90) day period after the date the ATT was issued.

(b) Complete and pass an ethics exam that has been adopted by the Board; and

(c) Meet the experience requirements stated in ORS 673.040 as follows:

(A) Applicants who qualified for the CPA exam by meeting CPA exam requirements under provisions of ORS 673.040 in effect prior to January 1, 2000 are required to have two years of experience and competency in the seven core areas described in this rule, which means at least 24 months of full-time employment, or a total of 4,160 hours of part-time employment. One hundred seventy-three (173) hours of part-time employment is equivalent to one month. Qualifying part-time employment must be at least 20 hours per week.

(B) Applicants who qualified for the CPA exam by meeting the CPA exam requirements under ORS 673.040 (1999 Edition), otherwise known as the "150-hour rule", that is effective after January 1, 2000, must have at least 12 months of full-time employment, or a total of 2,080 hours of part-time employment. One hundred seventy-three (173) hours of part-time

# ADMINISTRATIVE RULES

employment is equivalent to one month. Qualifying part-time employment must be at least 20 hours per week and must apply under one of the following paths:

(i) **Attest Experience**, applicants who gained experience under the attest function are required to have at least one year of experience and competency in the seven core areas described in this rule.

(ii) **Other Professional Standards**: applicants who gained experience in other professional standards are required to have at least one year experience and competency in the seven core areas described in this rule.

(iii) **Industry, Government and Other**: applicants who gained experience in industry, government or other area not described above are required to have at least one-year of experience and competency in the seven core areas as described in this rule.

(C) Applicants who sat and received grades at the CPA exam prior to January 1, 2000, without the completion of 150 semester hours or 225 quarter hours, may choose to complete the 150 hour requirement under ORS 673.050(1)(a) and meet the experience requirement by completing the required hours of experience as described in paragraph (1)(c)(B)(i) through (iii) of this rule.

(d) The experience and examination requirements must be obtained and completed within eight years immediately preceding the date of application for a license.

## (2) Experience Requirements:

(a) "Supervisor licensee" is a person who qualifies under this rule as a supervisor for the purpose of verifying the experience requirement of an applicant for a CPA license under OAR 801-010-0065 or the experience requirement of an applicant for a public accountant license under OAR 801-010-0100

(b) To qualify as a supervisor licensee the person providing supervision must have held an active CPA license issued by any state or a PA license issued under ORS 673.100 or a chartered accountant license recognized by the Board under OAR 801-010-0085 for at least five consecutive years immediately prior to such supervision and during the period of supervision.

(c) A licensee who provides direct supervision over an applicant must act as supervisor licensee and shall certify to the Board whether or not the applicant has gained qualifying experience under this rule.

(d) "Direct supervision" as used in this rule means that there is a regular and meaningful interaction between the supervisor licensee and the person being supervised in terms of planning, coordinating, guiding, inspecting, controlling, and evaluating activities, and having authority to influence the decision to discharge the employee being supervised.

(A) A licensee who acts as a consultant or independent contractor to the applicant's employer will not meet the requirement of direct supervision.

(e) The experience required under ORS 673.040 must consist solely of experience within activities generally performed by certified public accountants and public accountants licensed in Oregon, including (but not limited to) financial statement audits, financial statement reviews, financial statement compilations, attestation engagements, financial forecasts and projections, pro forma financial information, compliance attestations, management advisory services, tax advisory services, tax return preparation, personal financial planning or reporting on an entity's internal controls.

(f) Overtime hours worked are not credited toward the experience requirement.

(3) **Experience portfolio**. The applicant must develop a portfolio of experience that demonstrates to the satisfaction of the Board that the applicant has achieved experience in all of the following competencies:

(a) Understanding of the Code of Professional Conduct promulgated and adopted by the Board;

(b) Ability to assess the achievement of a client's objectives by demonstrating knowledge of various business organizations, understanding of the objectives and goals of business entities, ability to develop and analyze performance measures and critical success factors, and understanding of the economic and regulatory trends that affect the environment of a business entity.

(c) Experience in preparing working papers that include sufficient relevant data to support the analysis and conclusions required by the applicant's work.

(d) Understanding transaction streams and information systems, including the ability to understand how individual transactions aggregate at the organizational level, to infer how transactions impact the organization as a whole, and to evaluate the integrity and reliability of various client information systems, including relevant computer aspects.

(e) Skills in risk assessment and verification demonstrated by a sufficient understanding of accounting and other information systems to:

(A) Assess the risk of misstatement in an information system;

(B) Obtain sufficient relevant data based on the risk of misstatement and the nature of the engagement to determine the appropriateness of underlying data in terms of its completeness, existence and occurrence, valuation and allocation, rights and obligations, presentation and disclosures.

(f) Skills in decision making, problem solving, critical analytical thinking including the ability to evaluate and interpret sufficient relevant data in a variety of engagements and settings. For example, the candidate must evaluate a client's cash flow, profitability, liquidity, solvency, operating cycle, achievement of management's plans, accomplishment of service efforts and systems reliability.

(g) Ability to express scope of work, findings and conclusions including the ability to determine the appropriateness of reports on financial statements, system reliability, or reports expressing scope of work, findings and conclusions.

(4) **Qualifying experience**. An applicant must demonstrate to the satisfaction of the Board that the portfolio of experience submitted is of sufficient quality and diversity to meet the requirements of this rule. Qualifying experience may be obtained in the following categories:

(a) Experience based on attest or assurance. Experience that demonstrates the competencies prescribed in section (3) of this rule must be obtained while the applicant is:

(A) Employed in public practice on the staff of a public accountant, a certified public accountant or a firm of public accountants or certified public accountants;

(B) Engaged in employment that is equivalent to that described in paragraph (4)(a)(A) of this rule including internal audit employment; or

(C) Employed in an organization where employment is equivalent to that described in paragraph (4)(a)(A) of this rule if a peer review is conducted or if such employment is with audit agencies, internal audit departments or other organizations where a peer review is conducted. Experience under this subsection must include:

(i) Conducting attest-oriented functions where third party reliance is an objective of the report;

(ii) Preparing opinions in accordance with professional standards;

(iii) Preparing financial statements with footnotes to generally accepted accounting principles or other comprehensive bases of accounting;

(iv) The audit agency, internal audit department, or other organization is independent of the entity, and

(v) Accounting and review services.

(D) "Third party reliance" as used in this rule means:

(i) Actual third party reliance, such as takes place with respect to the reader of financial statements upon which an audit opinion has been rendered by a public accountant licensed in Oregon or a certified public accountant;

(ii) Audits performed by government agencies, including tax authorities, on organizations which are not subject to management control by the auditing agency; or

(iii) Financial audits performed by independent working groups where the purpose of the audit is reliance by the board of directors on the fairness of the presentation of internally generated financial statements in accordance with generally accepted accounting principles or other comprehensive bases of accounting.

(b) Experience based on other professional standards. Any other experience that demonstrates the competencies prescribed in section (3) of this rule must be obtained while the applicant is:

(A) Employed in public practice on the staff of a public accountant, a certified public accountant or a firm of public accountants or certified public accountants; or

(B) Experience described in paragraph (4)(b) of this rule must be performed in accordance with the standards of the profession. For example, other experience may be

performed in accordance with the established standards for:

(i) Consulting services,

(ii) Tax practice,

(iii) Personal financial planning,

(iv) Internal audits,

(v) Regulatory agencies.

(C) Experience obtained in accordance with other professional standards must meet guidelines established by the Board.

(c) Experience based on industry, government, and other. Qualifying experience that demonstrates the competencies described in section (3) of this rule may also be obtained while the applicant is employed in industry,

# ADMINISTRATIVE RULES

government, or other settings under the direct supervision of a public accountant or certified public accountant as provided under this rule.

(A) Industry, government or other experience related to subsection (3)(b) of this rule, assessing the achievement of an entity's objectives, will include obtaining an understanding of the industry in which the entity operates, including the employer's competition (or other similar service providers in the case of government) and key competitiveness factors that affect the industry.

(B) Industry, government or other experience related to subsection (3)(d) of this rule, understanding transaction streams and information systems, will include assessing the adequacy of an entity's internal controls.

(C) Experience, other than experience described in subsections (4)(a) and (b) of this rule will be evaluated by the Board on a case-by-case basis to ensure that experience is equivalent to subsection (4)(a) or (b) of this rule.

## (5) Submitting applications to the Board.

(a) An applicant's file must be complete in every particular within three months of the date of application or the file will be closed and the license fee will be refunded. The application fee is not refundable.

(b) An applicant's file may be included on the agenda of any meeting of the Board if the file is complete in every particular no less than seven days prior to the date of a scheduled Board meeting.

### Certification of Applicant's Experience

#### (1) Requirement to provide verification of experience.

(a) A supervisor licensee who is requested by an applicant to submit evidence of the applicant's experience to the Board or to the licensing agency of another jurisdiction must complete and submit a certificate of experience for such applicant within 21 days of the request.

(b) The certificate of experience must be made on forms provided by the Board. A supervisor licensee who completes and submits a certificate of experience must certify in writing that the experience obtained under the licensee's supervision is sufficient to fulfill the requirements of OAR 801-010-0065.

(c) A supervisor licensee who submits a certification of experience must maintain the Competency Evaluation worksheet for a period of three years after the applicant's license is issued.

(d) A supervisor licensee must not commit any act, which unjustly jeopardizes an applicant's ability to obtain a license in this or any jurisdiction.

(2) **Cooperation of supervisor licensee.** A supervisor licensee who has furnished evidence of an applicant's experience to the Board must provide full cooperation with any Board inquiry pertaining to such certification.

(a) The supervisor licensee must respond in writing to any request for further information from the Board including, but not limited to, the following:

(A) Description of any disagreement between an applicant and the supervisor licensee as to dates, quality, and/or type of work performed;

(B) Explanation regarding a certificate of experience submitted to the Board for which the period of experience appears to be unduly short for achievement of the competencies;

(C) Verification, on a sample basis, of information submitted by an applicant or attested thereto on a certificate of experience;

(D) Explanation regarding questions based on the Board's reasonable belief that the information in the certificate of experience may be false or incorrect; or

(E) Explanation regarding the basis of refusal, if any, for which the supervisor licensee declines to submit evidence of an applicant's experience to the Board or to the licensing agency of another jurisdiction.

(b) The supervisor licensee must cooperate with any inspection, by the Board or by its representative, of documentation relating to an applicant's claimed experience. The inspection may, at the option of the Board, be made at the Board's offices or such other places as the Board may des-

ignate. A licensee or audit agency or group who has custody of the documentation must produce the required documentation upon request.

### Holders of Certificates or License in Other States, US Territories or Foreign Countries

(1) **Substantial equivalency.** An individual whose principal place of business is not in this state, who has an active license in good standing as a certified public accountant issued by another jurisdiction, and who meets the standards of substantial equivalency as defined in ORS 673.010(21) and OAR 801-005-0010(48), may practice public accountancy in this state.

(2) **Applications by reciprocity.** Individuals who wish to establish a principal place of business in this state are required to obtain a CPA license under this section prior to practicing as a CPA in this state.

(a) The applicant must complete an application and certify that:

(A) The applicant holds an active license in good standing as a certified public accountant issued by another jurisdiction whose requirements are substantially equivalent to Oregon as defined in Section 23 of the Uniform Accountancy Act.

(b) Applications based on an active CPA license that is in good standing, but that do not meet the requirements of subsections (2)(A) of this rule, are eligible under this subsection if the applicant demonstrates to the satisfaction of the Board that the applicant:

(A) Held an active CPA license issued by another jurisdiction that is in good standing at the time of application;

(B) Has four years of public accounting experience or the equivalent thereof, after completing the CPA exam and during the ten year period immediately preceding the application. Four years means 48 months (8,320 hours) of full-time employment. One hundred seventy-three (173) hours of part-time employment is equivalent to one full-time month. Qualifying part-time employment must be at least 20 hours per week; and

(3) **Reciprocity application requirements.** Applicants under section (2) of this rule must:

(a) Submit an application on a form provided by the Board;

(b) Pay the fees specified in OAR 801-010-0010;

(c) Provide a written statement from the jurisdiction on which the application is based confirming that the applicant:

(A) Is in good standing in that jurisdiction;

(B) Has not been disciplined for violations of that jurisdiction's standards of conduct or practice;

(C) Has no pending actions alleging violations of that jurisdiction's standards of conduct of practice; and

(D) Is in compliance with continuing education requirements and peer review requirements of the licensing jurisdiction.

(4) **Verification of National Qualification Appraisal Service** comparable licensing standards. The Board reviews the licensing requirements of other jurisdictions on an annual basis to verify substantial equivalency eligibility. The Board may use information developed by NASBA to make this determination.

### Resignation of Licensee

(1) Resigning licenses that are not the subject of pending complaints or Board investigations. A certified public accountant or public accountant may resign and surrender a license issued under ORS 673.040, 673.100 and 673.150, by submitting a written resignation, together with the original certificate or license issued by the Board. All resignations are effective upon acceptance by the Board.

(a) After such resignation, in the event that a person wishes to reapply for a license to practice public accountancy, the person will be required to meet all requirements of ORS Chapter 673 and OAR chapter 801.

(2) Resigning licenses that are the subject of pending complaints or Board investigations. If the license is the subject of a complaint filed with the Board or a Board investigation, or if disciplinary proceedings are pending against a licensee, the resignation by such licensee shall be deemed to be a revocation for cause in the event that the licensee applies for a license after such resignation is accepted by the Board. A licensee who resigns under this section is required to notify all clients of the date of resignation and provide the Board with a list of the clients notified. The Board may refuse to accept a resignation under this provision if the written resignation does not include a written acknowledgment by the resigning licensee of the following:

(a) That the licensee is required to return the CPA or PA wall certificate and wallet license card to the Board;

(b) That the licensee has knowledge of any pending investigation or disciplinary proceedings and does not wish to contest or defend the matter;

(c) That the licensee understands that, in the event the licensee submits a subsequent application to be licensed to practice public accountancy, the licensee shall not be entitled to a reconsideration or re-examination of the facts, complaints, or instances of misconduct upon which investigations or disciplinary proceedings were pending at the time of the resignation; and

# ADMINISTRATIVE RULES

(d) That upon any subsequent application to practice public accountancy, the licensee must meet all requirements of ORS Chapter 673 and OAR chapter 801.

(e) Unless otherwise ordered by the Board, any pending investigation or disciplinary proceeding shall be closed upon acceptance of the licensee's resignation.

(3) Requirements upon acceptance of resignation. Upon resignation, a former licensee is required to:

- (a) Surrender the CPA certificate or PA license to the Board;
- (b) Take all reasonable steps to avoid foreseeable harm to any client;
- (c) Maintain client records for a period of at least six years, or return such records to the client; and

(d) Continue to comply with the requirements of OAR 801 division 030 pertaining to confidential information and client records.

### Non-CPA and Non-PA Ownership of Business Organizations

(1) **Requirements of non-CPA or non-PA ownership.** The ownership of a business organization, defined in ORS 673.010 and registered as a firm under ORS 673.160 and OAR 801-010-0345, that is lawfully engaged in the practice of public accountancy in this state, may include owners who are not licensed as certified public accountants or public accountants if the following conditions are met:

(a) Licensed certified public accountants and public accountants shall, in the aggregate, directly or beneficially, hold ownership of more than half of the equity capital and a majority of voting rights;

(b) If the business organization has its principal place of business in this state and performs public accountancy services in this state, licensees under the provisions of ORS 673.150 or 673.100 shall, in the aggregate, directly or beneficially, hold ownership of more than half of the equity capital and a majority of voting rights;

(c) The business organization shall designate in writing a license holder under ORS 673.150 who shall be responsible for the management and registration of the business organization in this state;

(d) A license holder under ORS 673.150 shall have ultimate responsibility for each financial statement attest service engagement performed in this state;

(e) Non-licensee owners shall be material participants in the business of the firm or an entity affiliated with the firm;

(f) Non-licensee owners may be natural persons or legal entities provided that each ultimate beneficial owner of an equity interest in such entity shall be a natural person who materially participates in the business conducted by the firm.

(g) Non-licensee owners must not hold themselves out as certified public accountants or public accountants and must not have a license in Oregon or any other jurisdiction, which has been suspended or revoked for disciplinary reasons.

(h) Business organizations with non-CPA or non-PA ownership that are registered under OAR 801-010-0345 must comply with the requirements for peer review as provided in ORS 673.455 if such business organization performs attestation or compilation services.

(i) For purposes of this rule, "material participation" means an activity that is regular, continuous and substantial.

(2) **Registration.** A business organization with non-licensee ownership that is registered in this state under OAR 801-010-0345 must certify at the time of registration and at each renewal that the business organization is in compliance with the provisions of this rule.

(3) **Request for extension.** If the licensee ownership of a registered business organization whose principal place of business is in this state does not meet the requirements of section (1) of this rule because of a death or other unforeseen circumstance, the business organization may request an extension of 180 days, or until the next renewal period, whichever is longer, for the business organization to meet such requirement.

# ADMINISTRATIVE RULES

(4) **CPA designation.** A business organization, of which the majority ownership is held by individuals licensed as public accountants under ORS 673.100, must not use the term “CPA firm” or any similar name that would indicate that a majority of the owners of the firm hold CPA certificates issued under ORS 673.040.

### Registration of Business Organizations

(1) **Requirement to register as a firm.** A business organization organized for the practice of public accountancy must register with the Board as a firm if the business organization:

(a) Is located in Oregon and

(A) Uses the terms “certified public accountant”, “CPA”, “public accountant” or “PA”, or any derivation of such terms;

(B) Holds out to clients or to the public that the business organization is in any way engaged in the practice of public accountancy; or

(C) Performs attestation or compilation services, as defined by these rules.

(b) Is not located in Oregon and

(A) Uses the terms “certified public accountants”, “CPA”, “public accountants” or “PA”, or any derivation of such terms;

(B) Holds out to clients or to the public that the business organization is in any way engaged in the practice of public accountancy and performs any of the following services:

(i) An audit or other engagement for which performance standards are included in Statements on Auditing Standard (SAS)

(ii) Examination of prospective financial information for which performance standards are included in the Statement on Standards for Attestation Engagements (SSAE)

(iii) Engagements for which performance standards are included in the auditing standards of the Public Company Accounting Oversight Board (PCAOB)

(C) Has a person, who is a license holder under ORS 673.150 or meets the substantial equivalency requirements of ORS 673.153, that is responsible for supervising attestation services and signs or authorizes someone to sign the accountant’s report on the financial statements on behalf of the business organization.

(2) **Registration of sole proprietors.** A business organization organized as a sole proprietorship, a professional corporation or a limited liability company, and comprised of a single license holder under ORS 673.150, is required to register as a firm if the business organization engages in any of the following activities in this state:

(a) Holds out to clients or to the public that it is composed of more than one licensee, or

(b) Performs attestation or compilation services.

(3) **Application requirements.**

(a) Firms located in Oregon: Application by a business organization to be registered as a firm to practice as Certified Public Accountant(s) or Public Accountant(s) must be made to the Board in writing on a form provided by the Board and shall be accompanied by the appropriate fee, stated in OAR 801-010-0010. The application and each renewal application must provide the following information in writing:

(A) Name of the firm;

(B) Identification by name and by certificate or license number of each CPA and PA in this state who is associated with or employed by the business organization;

(C) The physical address of every office and branch office in this state;

(D) Notice of every denial, revocation, lapse or suspension of authority to perform public accountancy services that is or has been issued by any jurisdiction against any licensee associated with the business organization;

(E) Notice of the filing of any lawsuit relating to the professional services of the business organization, if an essential element of such lawsuit involves fraud, dishonesty or misrepresentation; and

(F) Notice of any criminal action filed against the business organization or against any owner or manager and notice of any conviction against any owner or manager of the business organization. Notice of a conviction under this rule includes the initial plea, verdict or finding of guilt, pleas of no contest or pronouncement of sentence by a trial court even though that

conviction may not be final and sentence may not be actually imposed until appeals are exhausted. The notice provided shall be signed by the person to whom the conviction or criminal action applies, and shall state the facts that constitute the reportable event and identify the event by the name of the agency or court, the title of the matter, the docket number and the date of occurrence of the event.

(G) Provide a letter of completion of the firm’s most recent peer review if the firm intends to perform attest or compilation services in this state.

(b) Firms not located in Oregon

(A) Name of the firm

(B) Identification by name and by active certificate or license number, indicating the state in which the certificate or license is issued of each CPA who is associated with or employed by the business organization and is authorized to practice in Oregon under substantial equivalency pursuant to ORS 673.153 who will practice public accounting in Oregon.

(C) Provide a letter of completion of the firm’s most recent peer review if the firm intends to perform attest or compilation services in this state.

(D) Any out of state firm that is required to register in Oregon and subsequently opens an office in Oregon shall notify the Board of the existence of the new office within 30 days of opening the office.

(4) **Application requirements for firms with non-CPA and non-PA ownership.** In addition to the information required under section (3) of this rule for firm registrations, business organizations with non-CPA or non-PA owners that are required to register as a firm must provide the following information with the application for initial registration and with each registration renewal.

(a) The name of the firm and a list of the states in which the business organization has applied, or is currently authorized to practice public accountancy;

(b) Evidence to the satisfaction of the Board that the business organization satisfies the requirements of OAR 801-010-0340;

(c) The identities of all owners or managers of the business organization who work regularly in this state;

(d) The physical address of every office maintained in this state;

(e) The identity of every person with management responsibility for each office in this state;

(f) Notice of every denial, revocation, lapse, or suspension of authority to perform accounting services or other services issued against any owner or manager of the business organization in any jurisdiction;

(5) **Issuance of firm registration.** The Board shall, upon receipt of an application that satisfies all the requirements of these rules and payment of the registration fee, issue a certificate of registration, which shall remain in effect until December 31 of the odd-numbered year following the date of such registration. The business organization shall:

(a) Renew the firm registration on or before December 31 of each odd-numbered year by submitting the renewal form provided by the Board, together with the appropriate registration renewal fee. The Board may waive the renewal fee if an initial firm registration is issued in November or December of the year in which the registration is due for renewal.

(b) Business organizations that fail to renew a registration within 60-days of the close of the renewal period will be terminated and required to pay the renewal fee plus a late fee and submit a reinstatement form to the Board office;

(c) Notify the Board in writing of any change in the firm name within 30 days of such change;

(d) In addition to the notice that is required upon application and for each renewal of the firm registration under section (3) of this rule, business organizations are required to provide written notice to the Board within 45 days of the filing of any lawsuit, settlement or arbitration relating to the professional services of the business organization if an essential element of such lawsuit involves fraud, dishonesty or misrepresentation;

(e) Display the letter of registration issued by the Board in a conspicuous place at the principal office of the firm.

(6) **Form of practice.** A licensee may practice public accountancy in a business organization as defined in ORS 673.010 that is organized in accordance with statutory provisions.

(a) Non-CPA or non-PA ownership. A licensee may form a business organization with a non-licensee for the purpose of engaging in the practice of public accountancy in accordance with the provisions of ORS 673.160 and OAR 801-010-0340.

(A) Notwithstanding subsection (6)(a) of this rule, any certified public accountant or public accountant whose license to practice public accountancy has been suspended or revoked for disciplinary reasons in any

# ADMINISTRATIVE RULES

jurisdiction, may not participate as a non-licensee owner in a business organization required to be registered under ORS 673.160.

(b) Branch offices.

(A) Every branch office located in this state shall be managed by a licensee holding a license issued under ORS 673.150 who shall be in residence at the branch office, on a full-time basis, during the time the branch office is open to the public. A licensee operating a branch office is responsible for managing the office, staff and services rendered to the public.

(B) The Board may, at its discretion, approve the operation of a branch office that does not meet the supervision requirements of paragraph A of this subsection. Licensees seeking approval under this paragraph shall submit in advance a written proposal describing how the licensee will provide adequate supervision of the branch office. The proposal shall specify the minimum number of hours each week that a named licensee will provide physical supervision at the branch office.

(C) Any licensee operating a branch office under approval authorized by paragraph (B) of this subsection shall notify the Board in writing of any deviation from an approved plan within 30 days of the deviation.

(D) The location of each branch office in Oregon shall be reported to the Board at the time of application for registration as a firm and with each renewal application, together with a statement that each branch office meets the requirements of OAR 801-010-0345(6)(b)

(c) Internet Practice. Licensees using the CPA or PA title to perform or solicit services via a website, are required to include information on the website naming the state(s) in which each CPA or PA is licensed to perform public accounting services, or provide a name and contact information for an individual who will respond within seven business days to inquiries regarding individual licensee information. Information required to be posted by this rule must be clearly visible and prominently displayed.

### Basic Requirements

(1) **Biennial CPE requirement for Active licensees.** Each biennial renewal period, certified public accountants and public accountants must report satisfactory evidence of having completed 80 hours of continuing professional education (CPE) unless such requirement is waived by the Board under ORS 673.165 and OAR 801-040-0150. The 80-hour CPE requirement must be completed as follows:

(a) At least 24 of the required 80 CPE hours must be completed in each year of the renewal period. Hours carried forward from the previous reporting period (carry-forward hours) may not be used to meet the minimum annual requirement.

(b) CPE hours must be completed during the two-year period immediately preceding the renewal date, except for carry-forward hours described in subsection (c) of this rule.

(c) A maximum of 20 CPE hours in technical subjects may be carried forward from one reporting period to the next and may be used in partial fulfillment of the 80 hour requirement.

(2) **Ethics CPE requirement.** CPE hours in professional conduct and ethics are included in the 80 hour requirement for each renewal period.

(a) All active licensees who are applying for the first license renewal in Oregon are required to complete and report at least four hours of CPE in a professional conduct and ethics program that meets the requirements of section three (3) of this rule.

(b) Licensees who are not renewing for the first time and whose principal place of business is located in another jurisdiction may meet the ethics requirement of this rule by demonstrating compliance with the other jurisdiction's professional conduct and ethics CPE requirement. The number of CPE Ethics hours that meets the Ethics requirement of such other jurisdiction will be accepted in Oregon, so long as the other jurisdiction requires the licensee to complete an ethics program as a condition of renewal.

(c) An active licensee who is not renewing for the first time and whose principal place of business is in another jurisdiction that does not have a professional conduct and ethics CPE requirement must complete the ethics requirement described in subsection (2)(d) of this rule.

(d) All other active licensees are required to complete and report four hours of CPE in professional conduct and ethics with each biennial renewal application, which may be satisfied by any ethics program that meets the general CPE requirements described in OAR 801-040-0030.

(3) **CPE ethics programs.** CPE programs in professional conduct and ethics required by subsection (2)(a) of this rule are eligible for CPE credit if the program is offered by a sponsor registered with the Board and includes information pertaining to each of the following topics:

(a) Oregon Administrative Rules and Oregon Revised Statutes pertaining to the practice of public accountancy;

(b) Examples of issues or situations that require an understanding of statutes, rules and case law relevant to all licensees.

(c) The Code of Professional Conduct adopted by the Board and set forth in OAR chapter 801, division 030; and

(d) Review of recent case law pertaining to ethics and professional responsibilities for the accounting profession.

(4) **Biennial CPE Requirements for Inactive Licensees.** A licensee who is granted inactive status must:

(a) Obtain 32 hours of qualified continuing professional education during a two-year renewal period;

(b) A maximum of 8 hours may be in non-technical subjects;

### Controls and Reporting

(1) **Reporting requirement.** As a requirement for renewal of an active license, licensees are required to certify that the licensee has fulfilled the CPE requirement by signing the certification section on the renewal form. Licensees are required to report the following information for each CPE program listed on the renewal form:

(2) **CPE programs.**

(a) Name of program sponsor;

(b) Program title or description of content;

(c) Type of CPE program, using designations provided on renewal form;

(d) For self-study programs, the program sponsor's QAS number;

(e) Date(s) attended or date of completion; and

(f) Number of hours claimed.

(3) **Published articles and books.** The CPE report must include the following information for publications to be eligible for CPE credit:

(a) Name and address of the publisher;

(b) Title of publication;

(c) Description of content;

(d) Dates of publication; and

(e) Number of hours claimed.

### Reinstatement Requirements: Lapsed, Suspended or Inactive to Active Status

(1) **Lapsed licenses.** Licensees that are not properly renewed shall lapse. Lapsed licenses may be reinstated only to active status. To reinstate to active status an individual must:

(a) Provide a detailed written description of the business and professional activities of the individual during the period of lapse, and indicate

# ADMINISTRATIVE RULES

whether the individual was holding out as a CPA or PA during the period of lapse;

(b) Submit an application for reinstatement on a form provided by the Board;

(c) Submit payment of the application fee and the active renewal fee for each renewal period that the license was lapsed, and

(d) Complete and report the appropriate CPE hours described in this rule, plus a penalty of an additional 16 CPE hours.

(e) CPE hours submitted for reinstatement must meet the requirements for CPE credit under these rules.

**(2) Holders of licenses that are lapsed less than two years must:**

(a) Complete and report 80 CPE hours, which shall be completed within the 12 month period immediately preceding the date of application for reinstatement; and

(b) Complete and report four CPE hours in professional conduct and ethics.

**(3) Holders of licenses that are lapsed more than two and less than six years must:**

(a) Complete and report 160 CPE hours which shall be completed within the 12 month period immediately preceding the date of application for reinstatement;

(b) Comply with CPE requirements under these rules for the period following reinstatement until the next renewal date on a pro rata basis, to be calculated at the rate of 3-1/3 hours per month, including the month of reinstatement, from the date of reinstatement to the end of the renewal period in which reinstatement occurs; and

(c) Complete and report four CPE hours in professional conduct and ethics.

(d) In lieu of meeting the CPE requirements described in this section, the holder of a lapsed license may elect to take and pass the CPA exam within the five years immediately preceding the date of application for reinstatement. A person who elects this option must meet the requirements of OAR 801-010-0060.

**(4) Lapsed more than six years or three renewal periods:**

(a) A license that is lapsed for more than three renewal periods will expire.

(b) An expired license may be restored only upon the Board's determination that there is good cause.

(5) **Inactive licenses.** To reinstate a license from inactive to active status, the holder of such license shall meet the requirements for reinstatement of lapsed licenses described in section (1) of this rule, with the following exceptions:

(a) **Credit for CPE** taken while on inactive status will be given for the first two bienniums only (maximum of 64 hours)

(6) **Suspended licenses.** To reinstate a license that is suspended under ORS 673.170, the holder of such license shall:

(a) Provide evidence of satisfaction or completion of all terms and conditions stated in the Order of Suspension; and

(b) Meet the requirements for reinstatement of a lapsed license as stated in this rule.

(7) **License holders in other jurisdictions.** Licensees who hold an active license to practice public accountancy issued under the laws of another jurisdiction, whose principal place of business is in such other jurisdiction, and who wish to reinstate an Oregon license that has been lapsed for less than six years or inactive for more than two years shall:

(a) Submit evidence that the applicant holds an active license to practice public accountancy, in good standing, issued by another jurisdiction; and

(b) Submit payment of the initial license fee stated in OAR 801-010-0010(2)(a) plus the biennial renewal application fee stated in OAR 801-010-0010(3)(a).

(c) Upon reinstatement, licensee shall complete CPE requirements described in these rules on a pro rata basis, calculated at 3-1/3 hours per month, including the month of reinstatement until the end of the renewal period in which reinstatement occurs.

(8) **24 Hour Minimum annual CPE requirement.** Licensees whose licenses are reinstated under this rule are required to meet the 24 hour minimum annual CPE requirement at the pro-rated calculation of two (2) CPE hours for each month, including the month of reinstatement, until June 30 of the year in which the licensee is reinstated.

### New Licenses

**(1) CPE Requirement for new licensees.**

(a) Licensees who receive an initial license to practice public accountancy shall comply with the CPE requirements from the date of issuance of the license on a prorated basis calculated at 3-1/3 CPE hours per month, including the month of issuance, until June 30 of the renewal period in which the license is issued.

(b) The 24 hour annual CPE requirement shall also be prorated at two (2) CPE hours per month, including the month of issuance, until June 30 of the renewal period in which the license was issued.

(c) CPE hours earned during any month of the two-year renewal cycle during which the initial license was issued shall be eligible to meet the initial CPE requirement.

(2) **Requirement for licensed public accountants** who become licensed as certified public accountants. Licensees who hold a license to practice public accountancy as a licensed public accountant under ORS 673.100, and who receive an initial certificate and license to practice public accountancy as a certified public accountant shall, in addition to the requirement under section (1) of this rule, complete and report 3-1/3 CPE hours for each month of the renewal period during which the person held a license as a public accountant. CPE hours earned during any month of the two year renewal cycle during which the initial license was issued shall be eligible for credit to meet this requirement.

### Peer Review Enrollment and Participation in Peer Review Program

(1) **Enrollment Requirement.** Every firm that performs attest as defined by OAR 801-005-0010(3) or compilation as defined by 801-005-0010(13) services in Oregon or for Oregon clients, is required to participate in an approved peer review program as a condition of registration under ORS 673.160 and for each renewal thereof.

(2) Public accounting services subject to peer review. Attest and compilation services as defined in OAR 801-005-0010(3) and (13) that require participation in a peer review program.

(a) Firms that prepare financial statements which do not require reports under Statements on Standards for Accounting and Review Services and that perform no other attest or compilation services, are not required to participate in a peer review program; however, such engagements conducted by a firm that is otherwise required to participate in a peer review program shall be included in the selection of engagements subject to peer review.

(b) Individual licensees may participate in a peer review program through their firms. If the licensee has an individual practice apart from the

firm in which the licensee performs attest or compilation services, the individual practice is also subject to the requirement to participate in a peer review program.

(c) Each firm that is required to participate in a peer review program under this rule shall enroll in an approved program before issuing a report on attest and compilation services as defined by OAR 801-005-0010(3) and (13). The firm must send proof of enrollment and the date for initial review to the Board before the report is issued. The schedule for the firm's peer review shall be established according to the program standards.

(d) Firms that do not have a physical location in this state, but nevertheless perform attest or compilation services in this state, are required to participate in a peer review program that is performed in accordance with the minimum standards for performing and reporting on peer reviews described in OAR 801-050-0080, and may be required to demonstrate that the out-of-state office(s) through which the services are being provided follows the same quality control policies and procedures established by the firm that has been subjected to peer review in the other state.

(3) **Exemption from Enrollment Requirement.** Firms that do not perform attest or compilation services as defined in OAR 801-005-0010(3) and (13) are not required to participate in a peer review program, and shall notify the Board of such exemption on the initial firm registration application and on each firm renewal application.

(4) **Peer Review Participation.** Every firm that is required to participate in a peer review program shall have a peer review in accordance with the peer review program standards.

(a) It is the responsibility of the firm to anticipate its needs for review services in sufficient time to enable the reviewer to complete the review by the assigned review date.

(b) Any firm that is rejected or terminated by a sponsor for any reason shall have 21 days to provide written notice to the Board of such termination or rejection, and to receive authorization from the Board to enroll in the program of another sponsor.

(c) In the event a firm is merged, otherwise combined, dissolved or separated, the sponsor shall determine which firm is considered the succeeding firm. The succeeding firm shall retain its peer review status and the review due date.

(d) A firm choosing to change to another sponsor may do so only if there is not an open active peer review and if the peer review is performed in accordance with the minimum standards for performing and reporting on peer reviews described in OAR 801-050-0080.

(e) With respect to firms that perform attest or compilation services in more than one state, the Board may accept a peer review based solely on work conducted outside this state if the peer review is performed in accordance with the minimum standards for performing and reporting on peer reviews described in OAR 801-050-0080.

(f) On request of the firm, the Board may specify that a peer review program that is administered by another state board of accountancy satisfies the requirements of OAR 801-050 if the Board determines that the program substantially meets or exceeds the minimum standards described in this rule.

(g) Exceptions. The Board may grant an extension of time for submission of the peer review report to the Board office. Extensions will be determined by the Board on a case-by-case basis. Firms that are granted any extension by the peer review program administrator, must submit a copy of such extension to the Board office within 14-days.

### Reporting Requirements

(1) **Reporting Enrollment in Peer Review Program.** Every firm is required to provide the following information in writing with every application for registration and renewal of registration:

(a) Certify whether the firm is or is not required to participate in a peer review program;

(b) If the firm is subject to the peer review requirement, provide the name of the sponsor of the approved peer review program in which the firm is enrolled, and the period covered by the firm's most recent peer review. If there is a change in the peer review program utilized as compared to the sponsor of the prior peer review program, provide the name of the sponsor of the approved peer review program in which the firm is currently enrolled, and the period covered by the firm's most recent peer review.

# ADMINISTRATIVE RULES

(c) A firm that has previously reported to the Board that it is not subject to the peer review requirement, and that subsequently engages in the performance of attestation or compilation services as defined by OAR 801-005-0010(3) and (13), shall provide written notice of such change in status to the Board before issuing a report.

(2) **Notice to Board** Firms are required to submit a copy of the most recent Systems Review Acceptance letter(s) or Engagement Review Acceptance letter(s) from the Peer Review Program Sponsor to the Board office within 45 days of receipt or with submission of firm renewal application, whichever occurs first. Completion letters must also be submitted to the Board office within 45 days or receipt.

(3) **Documents required.** A firm that has opted out of participating in the AICPA Facilitated State Board Access (FSBA) program, shall provide to the Board copies of the following documents related to the review report:

- (a) Peer review report issued;
- (b) Letter, if any, from the RAB prescribing corrective actions;
- (c) Firm's response letter, if any;
- (d) A letter from the firm to the Board describing corrective actions taken by the firm that relate to requirements of the RAB; and
- (e) Other information the firm deems important to the Board's understanding of the information submitted.
- (f) Other information the Board deems important for the understanding of the information submitted.

(4) **Certification.** Firms shall certify on the initial firm registration application and on each renewal application the result of the firm's most recent Peer Review.

(5) **Verification.** The Board may verify the certifications of peer review reports that firms provide on initial registration and renewal applications.

## Board of Architect Examiners Chapter 806

**Rule Caption:** Adds digital stamps and signatures to architect document stamping methods authorized by the Board.

**Adm. Order No.:** BAE 1-2012

**Filed with Sec. of State:** 1-4-2012

**Certified to be Effective:** 1-4-12

**Notice Publication Date:** 11-1-2011

**Rules Amended:** 806-010-0045

**Subject:** The revisions of 806-010-0045 will allow for the use of digital stamps and signatures by architects when submitting construction documents to building departments. This rule change is necessary to facilitate the increasing use of electronic means to create, use and submit building construction documents.

**Rules Coordinator:** Jim Denno—(503) 763-0662

### 806-010-0045

#### Stamps and Signatures

(1) Every registered architect must have a stamp bearing the name of the registrant, only, together with the city and state in which the architect's principal office is located. The stamp may, but need not, include the architect's license number issued by the Oregon Board. A facsimile of the design and the lettering of the stamp appears herewith: [Image not included. See. ED. NOTE.]

(2)(a) The stamp authorized by the Board must be one of crimp type, rubber stamp type, or computer generated type.

(b) Computer generated type allows for the arrangement, organization, configuration, structure, style or method of delivery of the information contained in the stamp, but does not mean altering the substance of information or the addition, omission or misuse of information.

(3) The stamp with the registrant's manual or digital signature must appear on the original title page of specifications and on every sheet of the drawings intended for permit and construction, whether or not the project is exempt under ORS 671.030, and must be the stamp of a registered, legally responsible member or employee of the firm. The originals may be reproduced for permit and construction purposes.

(a) A manual signature is the handwritten name of the registrant applied to a document that identifies the person, serves as a means of authentication of the contents of the document, provides responsibility for

the creation of the document, and provides for accountability for the contents of the document.

(b) A digital signature is an electronic document with a digital authentication process attached. Such a digital signature will carry the same weight, authority, and effects as a manual signature. The digital signature, which can be generated by using either a public key infrastructure or signature dynamics technology, must include the phrase "digital signature" in place of the handwritten signature or in conjunction with a graphic reproduction of the signature and be as follows:

(A) Unique to the person using it; and

(B) Capable of verification; and

(C) Under the sole control of the person using it; and

(D) Linked to a document in such a manner that provides significant security, authentication, and/or encryption; such as when the electronic signature is invalidated if any data in the document is changed.

(4) An architect may not stamp and sign, or countersign, or allow his or her stamp to be affixed to any architectural plans, drawings, documents, specifications or reports not prepared by him or her or under his or her direct control and supervision.

(5) "Direct control and supervision" as used in ORS 671.020(5) and 671.090(6) shall be considered to mean that the documents bearing the architect's stamp and signature were prepared under the responsible direction of the architect, that the architect has exercised directing, guiding and restraining power over the preparation of the documents and that the architect has exercised his or her professional judgment in all architectural matters embodied within the documents. This rule is not intended to preclude the use of current technology or the use of standard details and product specifications in accomplishing the above objectives.

(a) Reviewing, or reviewing and editing, specifications and documents intended for permit and construction after they have been prepared by others does not constitute the exercise of responsible control and supervision because the reviewer has neither control over nor detailed knowledge of the content of such submissions throughout their preparation.

(b) Any architect signing or sealing technical submissions not prepared by that architect, but prepared under the architect's responsible control by persons not regularly employed in the office where the architect is resident, will maintain and make available to the Board, upon request, adequate records to demonstrate the nature and extent of the architect's control over, and detailed knowledge of, such technical submissions throughout their preparation.

(6) Notwithstanding other sections of this rule, a successor registered architect may complete a deceased or disabled architect's drawings and specifications intended for permitting and construction as though they were the successor's original, but must perform a thorough review and will become fully responsible for the content. The successor registered successor architect must use his or her own title block, stamp, and signature, and must remove the title block, stamp, and signature of the deceased or disabled architect.

### Chair's Responsibilities

(1) The Board Chair shall be responsible to carry out the duties of the Chair, including but not limited to the following:

(a) Develop a draft agenda for each board meeting.

(b) Act as Chair during the meetings of the Board.

(c) Call Board meetings as necessary.

(d) Appoint Board members to Board committees.

(e) Supervise the Executive Director and act as Chair of the Personnel Committee.

(f) Conduct business with the Governor's Office and the Department of Administrative Services as necessary.

(g) Execute documents as necessary to conduct Board business.

(h) Carry out administrative actions which meet applicable Board rules and guidelines in the interim between Board meetings, which shall be presented to the full Board for ratification or approval on the Consent Agenda of the Board meeting immediately following the Chair administrative action. For purposes of this section of rules, administrative actions by the Board Chair include, but are not limited to:

(A) Approval of CSWA supervision plans, plan changes and plan completions.

(B) Approval of applications for licensure or certification.

(C) Approval of license or certification re-activations.

(D) Approval of extensions of time for investigations under ORS 676.165(4).

(i) The Chair is further authorized to take action in-between Board meetings on matters that require policy decisions by the Board, subject to ratification by the Board at the Board's next meeting immediately following the Chair's action. Any such actions shall be noted on the agenda for the next meeting of the Board and shall become the first order of new business at that next meeting.

(2) The Vice-Chair shall act in lieu of the Chair when the Chair is unable to perform the required duties. If the Chair is aware in advance of any time periods where the Chair is unable to perform the duties of Chair, the Chair shall inform the Vice Chair and the Board's Executive Director in writing.

### Board Communications

All correspondence in support of Board activities shall be prepared by the Board Executive Director or designee. When deemed necessary or appropriate, the Executive Director will review correspondence with the Board Chair or the Board's legal counsel. The full Board should approve in advance any correspondence which may materially affect Board policies and procedures. When a delay might render the Board's functioning ineffective, the Chair may be required to take immediate action which shall be reviewed at the next meeting of the Board.

### Eligibility Requirements

To be eligible for initial certificate of registration or license, a person must meet the requirements in sections (1) through (6) of this rule:

(1) The person must submit a complete and accurate application on a form provided by the board.

(2)(a) The person must hold the degree described in sub-section (b) of this section from a college or university accredited by a credentialing body recognized by the board. For an initial certificate of registration only, the person may hold the degree described in sub-section (b)(A) of this section from a college or university accredited by or considered in candidacy status by a credentialing body recognized by the board. The Council on Social Work Education and the Canadian Association for Social Work Education are recognized by the Board. The Board accepts determinations of equivalency of foreign degrees by the Council on Social Work Education's International Social Work Degree Recognition and Evaluation Service. Submission of proof of foreign degree equivalency and cost of the foreign degree equivalency determination are the responsibility of the applicant.

(b)(A) The degree required for initial registration is a baccalaureate degree in social work.

(B) The degree required for initial licensure is a master's degree in social work.

(3) The person must be fit to practice social work in Oregon. The board uses the following standard and procedure to make a fitness determination:

(a) To be fit to practice social work in Oregon, the person must have demonstrated and must currently have:

# ADMINISTRATIVE RULES

(A) Good moral character. For purposes of this rule, lack of “good moral character” may be established by reference to acts or conduct which would cause a reasonable person to have substantial doubts about the individual’s honesty, fairness, and respect for the rights of others and for the laws of the state and the nation. The conduct or acts in question should be rationally connected to the applicant’s fitness to practice social work; and

(B) A personal history of conduct that is consistent with the standards contained in division 30 of this chapter of rules.

(b) In the event the person’s history includes conduct that may call into question the person’s fitness, the board will consider, if made available by the person, the amount of time elapsed since the conduct and the person’s relevant conduct since the questioned conduct, including remedial or compensatory actions taken by the person, if appropriate.

(4) The person must be fit to practice social work in Oregon. In making this fitness determination, the board will consider whether the person is subject of an investigation or disciplinary action by a licensing board and the reasons for the action.

(5) The person must pass the following examination administered by the Association of Social Work Boards:

(a) For registration as a baccalaureate social worker, the bachelor’s level examination.

(b) For licensure as a master’s social worker, the master’s level examination.

(6) The person must achieve a score of 90 percent on the examination on the Oregon statutes and rules prepared by the board on:

(a) The contents of ORS 675.510 to 675.600 and OAR chapter 877, which are the Oregon statutes and administrative rules governing regulated social work.

(b) Oregon Revised Statutes relating to mental health practice that may be relevant to regulated social work.

(7) In the case of an application submitted to the board prior to January 1, 2013, the requirement in section (5) of this rule to pass a test is not applicable. An application mailed to the board is considered submitted on the date the application is postmarked if it is subsequently received by the board.

(8) In the case of an application submitted to the board by a Clinical Social Work Associate who applies for Licensed Master’s Social Worker licensure after having completed 75 hours of supervision required in OAR 877-020-0010(3)(b)(A), the requirement in section (5)(b) of this rule to pass a test is not applicable.

### Reissuance of Certificate of Registration

(1) Following a voluntary surrender under OAR 877-015-0131, the board may issue a new certificate of registration or license if:

(a) The applicant submits a letter to the board explaining the reasons for returning to practice as a regulated social worker;

(b) The board approves the applicant’s proposal to demonstrate competence to hold the certificate of registration. The plan may involve participation in continuing education programs; and

(c) The applicant takes and passes the examination described in OAR 877-015-0108(6) on Oregon statutes and rules.

(2) If the board accepts a voluntary surrender after a complaint was filed with the board against the holder while the complaint is pending, the board may issue the certificate of registration or license under conditions that take into account the circumstances of the surrender and may attach conditions to the registration or licensure, including conditions contained in a final order if one was served in connection with the surrender. The board will not reinstate a certificate of registration or license that has been surrendered. A person who surrenders a certificate of registration or license may apply for a new certificate of registration three years after the date the surrender was accepted by the board.

(3) If the board revokes or refuses to renew a certificate of registration or license, other than for the holder’s failure to timely apply for renewal, the former holder may reapply for a new license at the expiration of three years from the time it was revoked. The board may issue a new certificate of registration or license upon finding the applicant is fit to practice social work and otherwise meets the requirements for registration or licensure and may attach conditions to the registration or licensure, including conditions contained in a final order if one was served in connection with the revocation.

### Licensing Requirements

To be eligible for an initial clinical social work license, except when the provisions of OAR 877-020-0016 apply, a person must meet the requirements in sections (1) through (7) of this rule:

(1) The person must complete the requirements in OAR 877-020-0009 to receive a certificate of social work associate and must hold a current certificate in good standing, or must have completed the equivalent of this requirement in another state.

(2) The person must be fit to practice social work in Oregon. In making this fitness determination, the board will consider whether the person is subject of an investigation or disciplinary action by a licensing board and the reasons for the action. The board uses the following additional standard and procedure to make a fitness determination:

(a) To be fit to practice social work in Oregon, the person must have demonstrated and must currently have:

(A) Good moral character. For purposes of this rule, lack of “good moral character” may be established by reference to acts or conduct which would cause a reasonable person to have substantial doubt about the individual’s honesty, fairness, or respect for the rights of others or for the laws of the state or nation. The conduct or acts in question should be rationally connected to the applicant’s fitness to practice clinical social work; and

(B) A personal history of conduct that is consistent with the standards contained in division 30 of this chapter of rules.

(b) In the event the person’s history includes conduct that may call into question the person’s fitness, the board will consider, if made available by the person, the amount of time elapsed since the conduct and the person’s relevant conduct since the questioned conduct, including remedial or compensatory actions taken by the person, if appropriate.

(3) The person must complete the requirements of an approved plan of practice and supervision in accordance with the rules in this division of rules.

(4) The person must pass both the examination administered by the board on the subjects listed in section (6)(a) of this rule with a score of not less than 90 per cent and a national examination for clinical social workers administered by an organization approved by the board on the subjects listed in section (6)(b) of this rule. The person may take the national exam any time after having completed 75 hours of supervision required in OAR 877-020-0013 (3)(b)(A).

(5) The subjects tested on the exam are:

(a) For the examination on the Oregon statutes and rules:

(A) The contents of ORS 675.510 to 675.600 and OAR chapter 877, which are the Oregon statutes and administrative rules governing the practice standards and responsibilities of a licensed clinical social worker.

(B) Oregon Revised Statutes relating to mental health practice that may be relevant to clinical social work practice.

(b) For the national examination:

(A) Human Development, Diversity and Behavior in the Environment.

(B) Assessment, Diagnosis and Treatment Planning.

(C) Psychotherapy, Clinical Interventions and Case Management

(D) Professional Ethics and Values.

### Plan of Practice and Supervision

(1) After a person submits an application described in OAR 877-020-0009, the board will inform the person whether the application, including the plan of practice and supervision, is approved.

(2) After an application has been approved, an associate may request a change to a plan of practice and supervision by submitting a request to the board that provides a justification for the change and ensures that the plan, as modified, will meet the requirements of this division of rules.

(3) For the associate to satisfactorily complete a plan of practice and supervision, the following requirements must be met while the associate is working under an approved plan of practice and supervision:

(a) The contact with clients described in OAR 877-020-0009(3)(b) must be direct contact during which the associate practices clinical social work, which is defined in ORS 675.510(2).

(b) The associate must meet with a supervisor identified in the plan, as required in OAR 877-020-0009(3)(d):

(A) For a total of 100 hours over a period of not less than 24 consecutive months nor more than 60 consecutive months, of which a minimum of 50 hours must be individual supervision. The associate must meet at least twice each month with a plan supervisor for a minimum of one hour. If there is a second supervisor for group supervision, the requirement in this paragraph (A) is met by a single one-hour meeting with each supervisor.

(B) After the associate has completed the plan requirements contained in paragraph (A) of this sub-section, the associate must continue to meet at least once each month with a plan supervisor for a minimum of one hour.

(c) All supervision must be accomplished directly, in a professional setting.

(d) The associate must submit to the board, on a form provided by the board, each evaluation by the supervisor (or supervisors in the event two are authorized) required by OAR 877-020-0012(2)(e)(A) of the progress by the associate toward completion of the plan.

(e) The associate must pass the national examination required by OAR 877-020-0008.

(f) The associate must work with each supervisor identified in an approved plan for not less than six months unless

(A) A change in supervision is required by a reason outside the control of the associate and the board approves the change; or

(B) The associate has completed the requirements of the plan.

### Licensing of People Qualified in Another Jurisdiction

A person licensed, certified, or registered as a social worker in another jurisdiction is eligible to be licensed or certified in Oregon if:

(1) The person meets the education requirement in OAR 877-020-0009(2) and 877-015-0108(2);

(2) The person is fit to practice regulated social work in Oregon. In making this fitness determination, the board will consider whether the person is the subject of an investigation or disciplinary action by a licensing board and the reasons for the action;

(3) As a condition of licensure, certification, or registration in the other jurisdiction, the person was required to meet requirements substantially equivalent to those set out in division 20 and division 15 of these rules; as applicable and

(4) The person successfully completes the exam on Oregon statutes and rules and the national exam for regulated social workers described in and subject to the limitation in 877-020-0008 and 877-015-0108(5)(a)(b).

(5) Applicants for LCSW licensure who intend to practice clinical social work in Oregon as defined in ORS 675.510(2) and OAR 877-001-0006 prior to issuance of an Oregon LCSW license, must first, prior to starting practice, qualify for and be issued a clinical social work associate certificate until all requirements for issuance of an Oregon LCSW are met

(6) Applicants for Oregon LCSW licensure who qualify for issuance of a CSWA certification as required in subsection (5) of this rule must com-

ply with the supervision requirement in 877-020-0010(3)(b)(B).

### Reapplication for Certificate or License

(1) Following the voluntary surrender of a certificate or license under OAR 877-020-0031(2), the board may issue a new certificate or license if:

(a) The applicant submits a letter to the board explaining the reasons for returning to practice;

(b) The board approves the applicant's proposal to demonstrate competence to hold the certificate or license. The plan may involve participation in continuing education programs or clinical supervision; and

(c) The applicant takes and passes the examinations described in OAR 877-020-0008.

(2) If the board accepts a voluntary surrender of a certificate or license after a complaint was filed with the board against the holder while the complaint is pending, the board may issue a new certificate or license under conditions that take into account the circumstances of the surrender and may attach conditions to the certificate or license, including conditions contained in a final order if one was served in connection with the surrender. The board will not reinstate a license or certificate that has been surrendered. A person who surrenders a certificate or license may apply for a new license three years after the date the surrender was accepted by the board.

(3) If the board revokes or refuses to renew a certificate or license, other than for the holder's failure to timely apply for renewal, the former holder may reapply at the expiration of three years from the time it was revoked. The board may issue a new license upon finding the applicant is fit to practice social work and otherwise meets the requirements for licensure and may attach conditions to the certificate or license, including conditions contained in a final order if one was served in connection with the revocation.

### Types of Continuing Education

To meet the requirements of this division of rules, continuing education must be one of the following:

(1) A conference, seminar, book, journal article or workshop that:

(a) Addresses subjects related to the regulated social worker's work practice;

(b) Is attended (or read as applicable) by the regulated social worker in person, on-line or through a web cast; and

(c) Is provided or approved by a credentialing body recognized and approved by the board. The board recognizes and approves a credentialing body based on the following practices of the body:

(A) The body uses an established process for determining which training to provide or approve.

(B) The body uses an established process for determining who will present the training.

(C) The body provides, with respect to the training, written materials that demonstrate the relevance of the training to the field of clinical social work.

(D) The body establishes an appropriate number of continuing education credits for the training.

(E) The body verifies the credentials of the presenters of the training.

(F) The body uses an established system for the evaluation of presenters.

(G) The body provides a certificate of completion to those who attend, based on actual attendance.

(2) A conference, seminar, book, journal article, or workshop that:

(a) Meets the following requirements:

(A) Is related to the field of clinical social work or, in the case of a baccalaureate social worker or master's social worker, the field of social work;

(B) Addresses subjects related to the regulated social worker's work practice;

(C) Is not provided or approved by a credentialing body recognized and approved by the board; and

# ADMINISTRATIVE RULES

(D) Is attended (or read as applicable) by the regulated social worker in person, on-line, or through a web cast.

(b) Is approved by the Board based on the regulated social worker's written application that:

(A) Contains the following information:

(i) Name or description of the event.

(ii) Date of the event.

(iii) Brief description of the training sufficient to show that the training meets the requirements of section (2)(a) of this rule.

(iv) Name and credentials of each presenter.

(v) Number of continuing education units requested.

(vi) Copy of the certificate of completion.

(B) Is received by the board not later than the time of the submission of the report required by OAR 877-025-0021 and not later than 45 days prior to the last day of the birth month of the regulated social worker.

(3) For Registered Baccalaureate Social Workers and Licensed Master's Social Workers, an in-service, agency-sponsored program that otherwise meets the requirements of subsection (2) of this rule section. CE credit form such a qualifying in-service can be used for up to half the applicable CE hours required for renewal.

(4) A course related to social work at an accredited college or university.

(5) A training video or audio recording approved by a credentialing body recognized and approved by the board using the standards provided in section (1)(c) of this rule. Successful completion is demonstrated by award to the regulated social worker by the credentialing body.

(6) Participation in a study group, subject to the following limitations:

(a) The group must contain a minimum of five and a maximum of 10 licensed mental health professionals who meet for a minimum of an hour on a scheduled basis to discuss topics directly related to the field of clinical social work.

(b) The focus of the group's meeting must be a presentation or discussion of a book or article published by a professional body.

(c) The topics of the group's discussion must be directly related to established mental health care and relevant to good practice.

(d) A maximum of two hours may be credited for a group meeting.

(e) Credit for participation in a study group must be approved in advance by the board. To apply for approval, a regulated social worker must submit the names of the group members and discussion topics to the board.

(7) Development and presentation of a conference, workshop, or seminar that would be countable for credit under section (1) or (2) of this rule.

### Required Hours of Continued Education

(1) Generally.

(a) A regulated social worker is required to report continuing education for all periods during which the person's registration or license is active except for the period covered by the initial certificate of registration or license, unless a waiver is granted under section (2) of this rule. An initial issuance is the first issuance of the board of a certificate of registration or license to the regulated social worker.

(b) Following the first renewal of a certificate of registration or license, except when the regulated social worker is on inactive status, the regulated social worker must complete continuing education in each reporting period at the times described in OAR 877-025-0021. The holder of an inactive certificate of registration or license is not required to submit the biennial report.

(c) A report covering a two-year period must include:

(A) For a registered baccalaureate social worker, a minimum of 20 hours of creditable continuing education.

(B) For a master's social worker, a minimum of 30 hours of creditable continuing education.

(C) For a licensed clinical social worker, a minimum of 40 hours of creditable continuing education.

(d) In a report that covers a shorter period than two years, as may happen in the case of the first report by a new regulated social worker or following the reactivation of a registration or license, the number of hours required by sub-section (c) of this section is pro-rated.

(2) Waiver of requirement.

(a) Upon timely written request of a regulated social worker, made as soon as the regulated social worker is aware of the possible need for a waiver,

the board may reduce the number of hours required by section (1) of this rule in the event the regulated social worker is unable, due to circumstances beyond the reasonable control of the [licensee] regulated social worker, to complete the number of hours of continued education required by this division of rules.

(b) A reduction authorized by the board would normally reflect the regulated social worker's ability to attend training during the time not affected by the adverse circumstances leading to the request. For instance, a regulated social worker unaffected by the adverse circumstance during the first year of a two-year reporting period would be expected to obtain 20 hours of credit.

(c) Examples of circumstances that may justify a waiver are:

(A) A circumstance beyond the reasonable control of the regulated social worker makes it impracticable to attend training for an extended time.

(B) The health of the regulated social worker or of another person makes it impracticable to attend training for an extended time.

## Board of Medical Imaging Chapter 337

**Rule Caption:** Corrects and updates the process for students to apply to take the limited x-ray examination.

**Adm. Order No.:** BMI 1-2012

**Filed with Sec. of State:** 1-12-2012

**Certified to be Effective:** 1-12-12

**Notice Publication Date:** 12-1-2011

**Rules Amended:** 337-010-0030

**Subject:** This rules amendment completes two actions:

(1) Under current rules, the Oregon Board of Medical Imaging (OBMI) requires a student to have completed all coursework in limited x-ray machine operation, before a student is allowed to submit an application to the OBMI to take the limited x-ray machine operator examination. This amendment would allow the OBMI to approve a student to submit an application prior to completion of all coursework. In order to obtain approval, a student's examination application material would need to indicate the courses for which the student is enrolled, expected completion date, and the student's status in each course. The final approved course completion certificate is required as part of the application for a temporary permit.

(2) This amendment corrects current rules to reflect current OBMI practice to require a limited x-ray permit student to pass the examination prior to completing practical experience requirements.

### Limited X-Ray Machine Operator (LXMO) Permits

(1) Applicants for LXMO Permits Qualifications:

(a) An applicant for a LXMO permit must be at least 18 years of age, pay an application fee, and, effective January 1, 2007, have successfully passed a course of instruction that reflects the current Core Module of the "Content Specifications for the Examination for the Limited Scope of Practice in Radiography" published by the American Registry of

# ADMINISTRATIVE RULES

Radiologic Technologists. The curriculum must consist of not less than 52 hours of instruction approved by the Board in the following subjects:

- (A) Radiation physics;
- (B) Interaction of radiation with matter;
- (C) Radiation exposure, monitoring, and radiation units;
- (D) Principle of the radiographic equipment;
- (E) Biological effects of radiation;
- (F) Low-dose technique and minimizing patient exposure;
- (G) Applicable Federal and State radiation regulations;
- (H) Darkroom, film processing, and quality assurance;
- (I) Film and image critique;
- (J) Personnel protection;
- (K) Digital and computer-generated radiographic imaging;
- (L) Developing and using technique charts; and
- (M) Patient care.

(b) Have received a course of instruction in laboratory practice approved by the Board:

(A) Meeting the requirements stated in the Board's publication "Overview of Guidelines for Instructors of Courses in Preparation for the Limited Scope Examination in Diagnostic Radiologic Technology dated "October 1, 2008" which is incorporated by reference and made a part of this rule;

(B) Reflects the current Radiographic Procedure Module(s) of the "Content Specifications for the Examination for the Limited Scope of Practice in Radiography" published by the American Registry of Radiologic Technologists

(C) Taught by a licensed registered technologist specific to each category for which a limited permit is sought and have received the instructor's certification that the applicant has demonstrated all the positions/projections described in the Behavioral Objectives for each category. Effective January 1, 2007, the minimum hours in each category is as follows:

- (i) Skull/Sinus, 18 hours;
- (ii) Spine, 30 hours;
- (iii) Chest, 12 hours;
- (iv) Extremities, 60 hours;
- (v) Podiatric 10 hours.

(D) An individual must successfully pass a Board-approved Core Module course and successfully complete the didactic portion of a Radiographic Procedure Module (Skull/Sinus, Spine, Chest, Extremities, and Podiatric) relative to the anatomical area the student wishes to radiograph. Student status will continue for one year from the date of completion of the didactic portion of the corresponding Radiographic Procedure Module. Student status expires at the end of the one-year period specified above; or seven days after the date on which an applicant becomes eligible for a permanent LXMO permit.

(d) Radiographic procedures cannot be performed on patients without having passed the ARRT Core exam and corresponding ARRT Radiographic Procedure module. The applicant must obtain a temporary permit to successfully complete a practical experience program approved by the Board specific to each category for which the applicant seeks a LXMO permit. The practical experience component must consist of experience with live patients with a licensed RT, radiologist, or licensed physician, licensed nurse practitioner or licensed physician assistant with adequate training in radiography in accordance with RPS Rules present in the room during radiographic exposures. Processed images made by the students are evaluated and critiqued by an ARRT-registered, Oregon-licensed radiographer Practical Experience Evaluator;

(e) The student may be evaluated for imaging by using the Practical Experience Evaluation Form developed by the Board. If the Practical Experience Evaluator chooses to use a method for evaluation other than the Practical Experience Evaluation Form, that method must receive prior approval from the Board. The Practical Experience Evaluator must provide the student with a certificate of completion in the categories in which the student has successfully completed practical experience.

(2) Applicants for LXMO Permits in X-ray Bone Densitometry: Qualifications:

(a) An applicant for a limited permit in x-ray bone densitometry must be at least 18 years of age, pay an application fee set by the Board, and have successfully passed a Board approved 24 hour course of instruction which includes not less than 20 hours of radiation protection, equipment operation and quality control specific to x-ray bone densitometry, and meets the didactic and practical experience requirements stated in the Board's publication "Behavioral Objectives and Teaching Guide Bone Densitometry

Equipment Operators dated October 01, 2008 which is incorporated by reference and made a part of this rule.

(b) An individual must successfully pass a Board-approved course in x-ray bone densitometry. Student status will continue for one year from the date of completion of the "Bone Densitometry Equipment Operators Examination" given by the American Registry of Radiologic Technologists. Student status expires at the end of the one-year period specified above; or seven days after the date on which an applicant becomes eligible for a permanent LXMO permit.

(c) Bone density procedures cannot be performed on patients without having passed the ARRT Bone Densitometry Equipment Operators Examination.

(3) LXMO Permit students who wish to sit for the ARRT Limited Scope of Practice in Radiography Examination need to have a Course Completion Certificate to be eligible to sit for the ARRT "Limited Scope of Practice in Radiography" Examination from a program both approved by the board and licensed by the Oregon Department of Education, Private Career School Section or otherwise approved or accredited by the Oregon Department of Higher Education.

(4) Time Frame for Completing Requirements for a LXMO Permit: An applicant has a maximum of one year from the time of completion of a LXMO permit didactic class term to make application for a LXMO permit or add categories to an existing LXMO permanent permit. During the practical experience program after passing the ARRT exam, the applicant may only make x-ray exposures of patients under direct supervision by a licensed RT, radiologist, or licensed physician, licensed nurse practitioner or licensed physician assistant with adequate training in radiography in accordance with RPS Rules present in the room during radiographic exposures.

(5) Students are allowed 3 attempts to pass an ARRT exam.

(6) Limited Scope Examination Fees:

(a) Students can sit for the examination throughout the year. The examination fee is \$20 for each examination category for which the student is tested, combined with an administration fee set by the American Registry of Radiologic Technologists (ARRT). These fees, together with the necessary certifications and verifications that the applicant has completed Board-approved Core Module course and Radiographic Procedure Module courses, must be submitted to the Board office. On submission and acceptance of the application materials, OBMI shall register the applicant with the ARRT, after which the applicant has 90 days in which to sit for the exam. The Board, upon advance request, may approve a student to submit an application for the examination prior to completion of all course requirements, based upon school verification that the student is expected to complete all coursework. Verification must include a preliminary course completion certificate, endorsed by a responsible school official, indicating the courses for which the student is enrolled, expected completion date, and the student's status in each course. The final approved course completion certificate is required as part of the application for a temporary permit. A temporary permit will only be issued for anatomical areas for which the applicant has successfully completed coursework and obtained a passing grade on the ARRT examination.

(b) The examination shall consist of two sections:

(A) Core Section (Radiation Use and Safety, Equipment Operation, Quality Control, Image Production, Image Evaluation, and Patient Care), which all applicants are required to pass; and

(B) Specific Radiographic Procedures (positioning and techniques) in the category or categories (Skull/Sinus, Spine, Chest, Extremities, and Podiatric) for which a limited permit is desired to be obtained. At least one category must be passed to obtain a permanent LXMO Permit (ORS 688.515(h)). The LXMO Permit may be issued only in those categories that are passed.

(c) A score of 70 percent constitutes a minimum passing score for each section of the limited scope examination;

(d) Limited scope examinations will be administered at computer-based testing sites identified by ARRT. The student is subject to rules regarding test administration at the testing site;

(e) The application fee for the LXMO permit examination is non-refundable.

### Collaborative Drug Therapy Management

(1) As used in this rule "Collaborative Drug Therapy Management" (CDTM) means the participation by a practitioner and a pharmacist in the management of drug therapy pursuant to a written agreement that includes information on the dosage, frequency, duration and route of administration of the drug, authorized by a practitioner and initiated upon a prescription order for an individual patient and:

(a) Is agreed to by one practitioner and one pharmacist; or

(b) Is agreed to by one or more practitioners in a single organized medical group, such as a hospital medical staff, clinic or group practice, including but not limited to organized medical groups using a pharmacy and therapeutics committee, and one or more pharmacists.

(2) A pharmacist shall engage in collaborative drug therapy management with a practitioner only under a written arrangement that includes:

(a) The identification, either by name or by description, of each of the participating pharmacists;

(b) The identification, by name or description, of each of the participating practitioners or group of practitioners;

(c) The name of the principal pharmacist and practitioner who are responsible for development, training, administration, and quality assurance of the arrangement;

(d) The types of decisions that the pharmacist is allowed to make, which may include:

(A) A detailed description of the types of diseases, drugs, or drug categories involved, and the activities allowed in each case;

(B) A detailed description of the methods, procedures, decision criteria, and plan the pharmacist is to follow when conducting allowed activities;

(C) A detailed description of the activities the pharmacist is to follow including documentation of decisions made and a plan or appropriate mechanism for communication, feedback, and reporting to the practitioner concerning specific decisions made. In addition to the agreement, documentation shall occur on the prescription record, patient profile, a separate log book, or in some other appropriate system;

(D) Circumstances which will cause the pharmacist to initiate communication with the practitioner, including but not limited to the need for a new prescription order and a report of a patient's therapeutic response or any adverse effect.

(e) Training requirement for pharmacist participation and ongoing assessment of competency, if necessary;

(f) Quality assurance and periodic review by a panel of the participating pharmacists and practitioners;

(g) Authorization by the practitioner for the pharmacist to participate in collaborative drug therapy; and

(h) A requirement for the collaborative drug therapy arrangement to be reviewed and updated, or discontinued at least every two years;

(3) The collaborative drug therapy arrangement and associated records must be kept on file in the pharmacy and made available to any appropriate health licensing board upon request.

(4) Nothing in this rule shall be construed to allow therapeutic substitution outside of the CDTM agreement.

### Protocols, Policies and Procedures

(1) Prior to administering a vaccine to a person who is at least 11 years of age a pharmacist must follow protocols written and approved by the Oregon Health Authority (OHA) for administration of vaccines and the treatment of severe adverse events following administration of a vaccine.

(2) The pharmacy must maintain written policies and procedures for handling and disposal of used or contaminated equipment and supplies.

(3) The pharmacist must give the appropriate Vaccine Information Statement (VIS) to the patient or legal representative with each dose of vaccine covered by these forms. The pharmacist must ensure that the patient or legal representative is available and has read, or has had read to them, the information provided and has had their questions answered prior to administering the vaccine.

(4) The pharmacist must report adverse events as required by the Vaccine Adverse Events Reporting System (VAERS) and to the primary care provider as identified by the patient.

(5) The pharmacist must make available the Adolescent Well Visit Referral document, provided by the OHA, to a patient aged 11 through 18 years of age or their legal representative.

(6) The pharmacist may administer or dispense an oral vaccine as established by written protocols approved by OHA.

### Record Keeping and Reporting

(1) A pharmacist who administers a vaccine to a patient must fully document the administration in the patient's permanent record.

(2) A pharmacist who administers any vaccine must report the following elements to the OHA ALERT Immunization Information System in a manner prescribed by OHA within 15 days of administration. This replaces the former requirement to notify the primary health care provider. A pharmacist is not required to notify the primary health care provider.

(a) The name, address, gender and date of birth of the patient;

(b) The date of administration of the vaccine;

(c) The NDC number of the vaccine, or other acceptable standardized vaccine code set;

(d) The address of the pharmacy where vaccine was administered unless automatically embedded in the electronic report provided to the OHA ALERT Immunization System;

(e) The phone number of the patient when available;

(f) The dose amount, manufacturer, site of administration, lot number and expiration date of the vaccine when available;

(3) A pharmacist who administers any vaccine will keep documentation of current CPR training. This documentation will be kept on site and available for inspection.

(4) A pharmacist who administers any vaccine will follow storage and handling guidance from the vaccine manufacturer and the Centers for Disease Control and Prevention (CDC).

(5) For the purpose of participation in the Oregon Vaccines for Children program,

(a) The vaccine eligibility code for each dose must be reported to the ALERT Immunization Information System in the manner prescribed by OHA, and

(b) The pharmacist is recognized as a prescriber.

(6) If providing state or federal vaccines during a pandemic as determined by the CDC, the event and priority code as specified by OHA must be provided upon request in the manner prescribed by OHA.

### Intern License Application

(1) Applications for licensure as an intern may be obtained from the Board office or from the Board web site at [www.pharmacy.state.or.us](http://www.pharmacy.state.or.us).

(a) Failure to completely, accurately and honestly answer all questions on the application form for licensure or renewal of licensure is grounds for discipline;

(b) Failure to disclose any arrest for a felony or misdemeanor, or any indictment for a felony may result in denial of the application.

(2) The Board may issue a license to a qualified intern after the receipt of:

(a) A completed application;

(b) Payment of the fee prescribed in OAR 855-110-0005;

(c) A current, passport regulation size photograph (full front, head to shoulders);

(d) Any fingerprint card or other documentation required by the Board to conduct a criminal background check; and

(e) Confirmation from a school of pharmacy that the applicant is enrolled in a course of study, except for foreign pharmacy graduates who must:

(A) Provide a copy of a valid visa permitting full-time employment;

(B) Provide the original certificate issued by the Foreign Pharmacy Graduate Equivalency Examination Committee; and

(C) Provide evidence that they have passed the Test of English as a Foreign Language (TOEFL) Internet-based Test (IBT) with a minimum score of 26 in Speaking, 21 in Reading, 18 in Listening and 24 in Writing, however scores will be accepted until June 30, 2010 from candidates who have already passed or are scheduled to take the TOEFL and the Test of Spoken English (TSE).

(3) The Board may issue an intern license after processing the application, however unless the applicant is a foreign graduate or an applicant for licensure by reciprocity, it is not valid until the intern has started a course of study. For licenses issued after May 1, 2010, the initial license is valid until the last day of November following the second anniversary of issue unless terminated automatically by any one of the following events. Renewed licenses are valid for two years unless terminated automatically by any one of the following events:

(a) Licensure to practice pharmacy is granted in any state; or

(b) The licensee, other than a foreign pharmacy graduate or an applicant for licensure by reciprocity, fails to maintain enrollment or active registration in a pharmacy degree program for a period greater than one year; or

(c) The licensee, other than a foreign pharmacy graduate or an applicant for licensure by reciprocity, has been graduated from a school of pharmacy for 12 months;

(d) The intern is dismissed, terminated or expelled by the school of pharmacy, or withdraws from the program.

(4) An intern must surrender their license to the Board within 30 days of one of the above events.

(5) Notwithstanding the requirements of section (3) above, upon written request the Board may waive any of the requirements of this rule if a waiver will further public health and safety. A waiver granted under this section shall only be effective when it is issued in writing.

### Intern Requirements and Responsibilities

(1) A licensed intern may practice in any one or a combination of the following approved internship experience areas:

(a) Traditional Pharmacy-practice Internship (TPI): an intern may not work in a TPI until after satisfactorily completing the first academic year in a school of pharmacy. An intern working in a TPI must be supervised by a licensed pharmacist or pharmacist preceptor;

(b) School-based Rotational Internship (SRI): an intern must be supervised by a licensed pharmacist or other person approved by a school of pharmacy to obtain credit for SRI hours;

(c) Other Internship.

(2) An intern may not work more than 48 hours per week in SRIs and must comply with all supervision and ratio requirements.

(3) An intern must verify that their preceptor is currently licensed with the Board.

(4) An intern may not work in the practice of pharmacy unless supervised by a licensed pharmacist, except when an intern is working in a federal facility, however, to obtain credit for SRI experience in a federal facility located in Oregon, the intern must be licensed with the Board.

(5) An intern who is working in a pharmacy or other place of business must conspicuously display their intern license in the pharmacy or place of business and must be clearly identified as an intern at all times.

(6) An intern may perform only the duties listed in Division 25 of this Chapter before completion of the first academic year in a school of pharmacy.

(7) An intern may, after successful completion of their first academic year, perform the duties of an intern listed in Division 019 of this Chapter, but only after successful completion of coursework corresponding to those duties at their school of pharmacy and only with the permission of their supervising pharmacist.

(8) An intern is responsible for his or her own actions and must comply with all Board regulations.

(9) An intern must notify the Board within 15 days of any change in their academic status that might affect their eligibility to work as an intern.

(10) An intern must notify the Board in writing within 15 days of a change in permanent residence and TPI site.

(11) An intern must report to the Board within 10 days if they are:

(a) Convicted of a misdemeanor or a felony; or

(b) Arrested for a felony.

(12) An intern who has reasonable cause to believe that another licensee (of the Board or any other Health Professional Regulatory Board) has engaged in prohibited or unprofessional conduct as these terms are defined in OAR 855-006-0005, must report that conduct to the board responsible for the licensee who is believed to have engaged in the conduct. The intern shall report the conduct without undue delay, but in no event later than 10 working days after the intern learns of the conduct unless federal laws relating to confidentiality or the protection of health information prohibit disclosure.

(13) If needed by an intern for compliance with another Board's requirement, an intern must maintain written or electronic records that support the number of TPI hours claimed by an intern and have those hours certified by a preceptor.

(14) An intern may make a voluntary report to the Board on any preceptor's aptitude and professionalism in performing the duties of a preceptor. An intern must make such a report upon request by the Board.

### Ratio & Supervision

(1) A pharmacist may not supervise more than one intern at a time at a TPI site who performs the duties of an intern as listed in OAR 855-019-0200(3)(g). A pharmacist may supervise more than one intern if only one intern performs the duties of an intern as listed in OAR 855-019-0200(3)(g) and if other interns supervised by the pharmacist perform the duties listed in OAR 855-025-0040.

(2) A preceptor may not supervise more than two interns simultaneously during a shift at an SRI site where patient specific recommendations for care or medications are provided without prior written authorization of the Board.

(3) With the written approval of a school of pharmacy, and when in their professional judgment it is appropriate, a preceptor may supervise up to 10 interns at public-health outreach programs such as informational health fairs that provide general information but not direct patient care.

(4) For immunization clinics, an immunizing pharmacist may supervise up to two immunizing interns.

(5) A licensed preceptor may delegate the preceptor responsibilities to another licensed pharmacist or preceptor.

(6) The majority of an intern's overall experience must be with a licensed pharmacist preceptor.

### School and Preceptor Registration and Responsibilities

(1) A preceptor license may be issued by the Board upon receipt of a completed application.

# ADMINISTRATIVE RULES

(2) A pharmacist preceptor must have been an actively practicing pharmacist for at least one year immediately prior to supervising an intern.

(3) A preceptor license must be renewed annually and is valid through June 30.

(4) The preceptor may report to the Board voluntarily, the progress and aptitude of an intern under the preceptor's supervision, or must do so upon request of the Board.

(5) The preceptor must be responsible for supervision of the majority of the intern's SRI hours and must provide the intern with internship experiences, which in the preceptor's judgment will increase the intern's competency in the practice of pharmacy.

(6) Before supervising an intern in an SRI program, a preceptor must complete any training program required by the school of pharmacy.

(7) A preceptor must advise each school of pharmacy when they are supervising students from more than one school at the same time. This applies to both in-state and out-of-state schools or colleges of pharmacy.

(8) A preceptor must verify that their intern is currently licensed with the Board.

(9) A pharmacist acting as a preceptor in a federal facility is not required to be licensed as a pharmacist in Oregon, but is required to be licensed as a preceptor with the Board.

(10) The school of pharmacy must maintain a record of each intern's SRIs. This record must be made available to the Board upon request.

(11) A school of pharmacy located in Oregon must submit a report on their experiential education program to the Board at the end of each academic year. This report must include the names of students who successfully completed the program and graduated from the school. The school must maintain a list of preceptors and SRI sites, in and out-of-state, approved by the school and must make this list available to the Board upon request.

(12) All records related to a student must be available for three years after the student graduates.

### Pharmacy Depots

(1) Except when delivering directly to a patient, licensed pharmacists may not participate in the transfer of completed prescription medication containers to or from any location that is not a licensed pharmacy, unless the transfer occurs to:

- (a) The home or office of the patient's health care practitioner;
- (b) The location of the patient; or location designated by the patient;

or

- (c) At the hospital or medical care facility in which a patient is receiving care.

(2) Upon written request, the Board may waive any of the requirements of this rule if a waiver will further public health or safety or the health and safety of a patient. A waiver granted under this section shall only be effective when it is issued by the Board in writing.

### Registration

(1) Any person that manufactures, or contracts for the manufacture of a drug or prescription device that is intended for sale, distribution, dispensing or administration in Oregon must register with the Oregon Board of Pharmacy.

(2) Any person that holds one or more of the following registrations with the Federal Food and Drug Administration (FDA) must register as a Manufacturer.

- (a) A New Drug Application number (NDA);
- (b) An Abbreviated New Drug Application number (ANDA);
- (c) A Labeler Code number (LC) or National Drug Code number (NDC);
- (d) An FDA Central File Number (CFN);
- (e) An FDA Establishment Identifier number (FEI);
- (f) A Biologic License Application (BLA).

(3) A person that is registered with the FDA as a repackager must register as a Manufacturer.

(4) A person whose sole purpose is the marketing, brokering or arranging the initial distribution of drugs manufactured by a manufacturer, but does not take physical possession of a product must register as a Drug Distribution Agent under OAR 855-062-0005.

(5) A person who is registered with the FDA as the Agent for a foreign manufacturer must register as a Drug Distribution Agent under OAR 855-062-0005.

(6) An applicant for a new or renewal of registration must provide all information specified on the form provided by the Board, and pay the fee as specified in OAR 855-110-0007. The applicant must also provide any additional information requested by the Board. An application that does not contain all required information is incomplete and will not be processed.

(7) The registration is non-transferable. Addition or deletion of an owner shall be considered as a change of ownership except where the registrant is a publicly held corporation. A new application for registration and payment of a new registration fee is required when a registrant changes ownership or location. This new application must be submitted to the Board at least 15 days prior to the change.

(8) Notwithstanding any of the above sections, a person who compounds a drug, as a part of a Shared Pharmacy Services agreement as defined in OAR 855-006-0005, who does not otherwise qualify as a manufacturer, does not need to register with the Board as a Manufacturer.

**Rules Adopted:** 839-001-0300

**Subject:** This new rule implements the provisions of House Bill (HB) 2039 enacted by the 2011 Legislature. HB 2039, effective January 1, 2012, amends ORS chapter 652 to authorize the Commissioner of the Bureau of Labor and Industries to assess civil penalties payable to employees equal to the damages provided in ORS 30.701 relating to actions against makers of dishonored checks. ORS 30.701 provides that when an individual is issued a check for which there are insufficient funds, the person may recover from the maker of the dishonored check statutory damages in an amount equal to \$100 or triple the amount for which the check is drawn, not to exceed \$500 more than the value of the check.

This new rule provides that such amounts may be assessed as civil penalties by the Bureau of Labor and Industries pursuant to the Administrative Procedure Act (ORS 183.413 to 183.470) and the bureau's Contested Case Hearing Rules.

### Liability of Employer for Issuance of Dishonored Check in Payment of Wages

(1) As used in this rule:

(a) "Check" means a check, draft or order for the payment of money.

(b) "Drawee" means a person ordered in a draft to make payment pursuant to ORS 73.0103(1)(b).

(2) Pursuant to ORS 30.701, an employer that issues a dishonored check to an employee for payment of wages due is liable to the employee for damages in an amount equal to \$100 or triple the amount for which the check is drawn, whichever is greater, in addition to the amount for which the check was drawn. The amount of damages may not exceed the amount for which the check was drawn by more than \$500.

(3) Pursuant to the provisions of House Bill 2039 (2011), the Commissioner of the Bureau of Labor and Industries may assess a civil penalty payable to the employee in an amount equal to the statutory dam-

ages provided by ORS 30.701 against an employer that issues a dishonored check to an employee for payment of wages due. Such civil penalties will be assessed pursuant to the provisions of the Administrative Procedure Act (ORS 183.413 to 183.470) and the bureau's Contested Case Hearing Rules.

(4) The commissioner may not assess a civil penalty as provided in this rule if:

(a) After the employee or the employee's assignee has made written demand of the employer not less than 30 days before commencing the action, the employer pays the employee before the commencement of the action an amount of money not less than the amount for which the check was drawn and all interest that has accrued on the check under ORS 82.010 as of the date of demand; or,

(b) The employee has commenced an action under ORS 30.701 against the employer for the same dishonored check.

(5) If the commissioner determines that the failure of the employer to satisfy the dishonored check at the time demand was made under subsection (4)(a) of this rule was due to economic hardship, the commissioner may waive all or part of the statutory damages provided for in section (2) of this rule.

(6) The provisions of this rule apply only to a check that has been dishonored because of a lack of funds or credit to pay the check, because the employer has no account with the drawee, or because the employer has stopped payment on the check without good cause. An employee is entitled to the remedies provided in this rule without regard to the reasons given by the employer for dishonoring the check.

(7) An employee may not bring an action under ORS 30.701 against an employer for the same dishonored check if the commissioner has assessed or proposed to assess a civil penalty under this rule.

**Certified to be Effective:** 1-1-12

**Notice Publication Date:** 12-1-2011

**Rules Amended:** 839-001-0560

**Subject:** ORS 652.414, relating to the payment of wage claims from the Wage Security Fund, provides that the Commissioner of the Bureau of Labor and Industries may initiate action to recover from employers or other persons liable for unpaid wages, amounts paid from the Wage Security Fund. In addition, the commissioner is also entitled to recover a penalty of 25 percent of the amount of wages paid from the Wage Security Fund or \$200, whichever amount is greater. This rule amendment clarifies that in cases where multiple employees of an employer are paid from the Fund, the penalty of 25 percent amount of wages paid or \$200, whichever is greater, is to be calculated based on the amount paid to each employee from the Wage Security Fund, rather than the total aggregated amount paid to the employees of the employer.

### Recovery from Employers

(1) The Commissioner may perfect a security interest in the personal property of the employer in the amount of the sums paid from the Fund on a wage claim and in an additional amount of the penalty provided for in ORS 652.414(3).

(2) The penalty provided in ORS 652.414(3) of 25 percent of the amount of wages paid from the Wage Security Fund or \$200, whichever amount is greater, shall be calculated based on the amount paid to each employee from the Wage Security Fund.

(3) Action to perfect a security interest shall be taken in accordance with ORS 652.414(3) and (4).

### Circumstances under Which a Subpoena May be Issued

(1) The commissioner may issue a subpoena at any time when the information sought is relevant to a lawful investigative purpose and is reasonable in scope. Investigative purposes include any preliminary inquiries in determining whether to pursue a formal investigation.

(2) The commissioner may issue a subpoena ad testificandum to compel a person to testify under oath when:

(a) A Division determines that the person is a material witness in an investigation being conducted by the Division under ORS 279C.800 to 279C.870, 651.030, 651.050, 651.120 and 651.170, or chapters 652, 653, 658, and 659A; and

(b) The Division has been unable to interview the person after having made reasonable attempts to do so, or the person states that the person will only consent to an interview if first served with a subpoena.

(3) The commissioner may also issue a subpoena ad testificandum to compel a person to testify under oath about the contents of documents or other things produced in response to a subpoena duces tecum served on the same person.

(4) The commissioner may issue a subpoena duces tecum to compel a person to produce documents or other things when:

(a) A Division determines that the documents or other things are relevant to the Division’s inquiry being conducted under ORS 279C.800 to 279C.870, 651.030, 651.050, 651.120 and 651.170, or chapters 652, 653, 658, and 659A; and

(b) The Division has made a written request for production of documents or things and the person to whom the request was made has failed to comply within the time specified by the Division, unless the commissioner

### Subpoena Duces Tecum

(1) A subpoena duces tecum may be issued to any person who has custody, possession, or control of documents or other things named in the subpoena duces tecum when the conditions set out in OAR 839-002-0030(4) have been met.

(2) A subpoena duces tecum issued to a corporation will be addressed to the records custodian of the corporation.

(3) A subpoena duces tecum will not require production of documents or other things less than 14 days from the date of service upon the person required to produce and permit inspection of the documents or things unless the commissioner finds a shorter period necessary to protect the documents and things from destruction or if the Division has an immediate need for the documents or things being subpoenaed.

(4) The commissioner may also command the person to whom a subpoena duces tecum is issued to produce documents and other things by mail or otherwise, at a time and place specified in the subpoena, without commanding inspection of the originals. The person to whom the subpoena is directed complies if the person produces copies of the specified items in the specified manner and certifies that the copies are true copies of all documents and other things responsive to the subpoena.

(5) The subpoenaed documents and other things must be produced at the location, time, and date required in the subpoena.

### Method of Service

(1) Except as noted in subsections (2) and (3) of this rule, subpoenas must be served in person by delivering a copy to the witness personally and, at the same time, giving or offering to the witness the fees to which the person is entitled for travel to and from the place where the witness is commanded to appear, along with one day's attendance fee. A subpoena may be served by any person 18 years of age or older.

(2) Subpoenas ad testificandum may be served by mail under the following circumstances:

(a) The Division must have, by personal or telephone contact, confirmed the witness's willingness to appear if subpoenaed and certify this on the return of service;

(b) The Division made arrangements for payment to the witness of fees and mileage satisfactory to the witness and pays those fees and mileage; and

(c) The subpoena is sent by certified mail to the witness more than 10 days before the date set for appearance or production of documents or other

things and the Division receives a return receipt signed by the witness more than three days prior to that date.

(3) A subpoena duces tecum that commands production of documents or other things but is not accompanied by a subpoena ad testificandum may be served by mailing the subpoena to the person required to produce and permit inspection of the documents or things by first class mail and by certified or registered mail, return receipt requested.

(4) A subpoena duces tecum issued to a corporation will be served in accordance with requirements for service of summons on a corporation pursuant to ORCP 7 D(3)(b).

### Time and Manner of Objecting to Subpoenas

(1) Any person served with an investigative subpoena may object to testifying or providing the documents or other things sought. Grounds for objections include:

(a) The information sought is irrelevant to a lawful investigative purpose;

(b) The information sought is unreasonable in scope;

(c) The witness is ordered to appear to give testimony in a place that is not suitable or not in the vicinity to which the testimony is applicable;

(d) The time and expense involved in copying the documents sought.

In order to have this objection considered, a person making this objection must include a written estimate of the time involved and number of copies to be made in order to comply with the subpoena;

(e) Reasonable cause to refuse to comply; and

(f) Any other basis that may be asserted under Oregon law.

(2) Objections to subpoenas must be in writing and must be received by the Division at least seven calendar days before the time that the witness is subpoenaed to testify or provide documents or other things.

(3) If a subpoenaed witness refuses to answer specific questions while giving testimony, the witness must state the reason for the witness's objection at the time that the witness refuses to answer the questions.

### Response to Objections

(1) The Division will respond in writing to any objections timely received under OAR 839-002-0060(2).

(2) If the objection made is the time and expense involved in copying the documents sought, the Division will provide a check to the person subpoenaed to pay for the estimated time and expense, calculated at the rates set out in OAR 839-030-0010. The Division may provide this check before or at the time the witness is subpoenaed to provide documents or other things.

### Method of Taking Testimony

(1) When a witness appears to give testimony in response to a subpoena ad testificandum, an oath or affirmation will be administered to the witness prior to the witness's testimony. The oath or affirmation will be administered by an officer authorized to administer oaths in Oregon, generally a notary public employed by the Bureau of Labor and Industries.

(2) The witness's testimony will be preserved by an audio or video recording. Upon request, the Division will give the witness a copy of the recording at no cost.

### Insurance Coverage for Employees Serving as Jurors

(1) An employer who employs 10 or more persons commits an unlawful employment practice under ORS chapter 659A if:

(a) The employer ceases to provide health, disability, life or other insurance coverage for an employee during times when the employee serves or is scheduled to serve as a juror; and

(b) The employee elected to have coverage continued while the employee served or was scheduled to serve as a juror, and the employee provided notice of that election to the employer in compliance with the employer's policy for notification.

(2) Notwithstanding ORS 652.610(3), if, following an election described in subsection (1) of this section, an employer is required or elects to pay any part of the costs of providing health, disability, life or other insurance coverage for the employee that should have been paid by the employee, the employer may deduct from the employee's pay such amounts upon the employee's return to work until the amount the employer advanced toward the payments is paid. The total amount deducted for insurance under this subsection may not exceed 10 percent of the employee's gross pay each pay period.

(3) Notwithstanding ORS 652.610(3), if the employer pays any part of the costs of providing health, disability, life or other insurance coverage for an employee under subsection (2) of this section, and the employee ceases to work for the employer before the total amount the employer advanced toward the payments is paid, the employer may deduct the remaining amounts from any amounts owed by the employer to the employee or may seek to recover those amounts by any other legal means.

(4) An employee who alleges a violation of this section may bring a civil action under ORS 659A.885 or may file a complaint with the Commissioner of the Bureau of Labor and Industries in the manner provided by ORS 659A.820.

### Protection from Discrimination and Safety Accommodation for Victims of Domestic Violence, Harassment, Sexual Assault or Stalking

(1) As provided in ORS 659A.290, it is an unlawful employment practice for an employer, because an individual is a victim of domestic violence, harassment, sexual assault or stalking, to:

- (a) Refuse to hire an otherwise qualified individual; or
- (b) Discharge, threaten to discharge, demote, suspend or in any way discriminate or retaliate against an individual with respect to promotion, compensation or any other terms, conditions or privileges of employment.

(2) ORS 659A.290 requires employers to provide safety accommodation for victims of domestic violence, harassment, sexual assault or stalking.

(3) The Civil Rights Division (“division”) of the Bureau of Labor and Industries enforces ORS 659A.290.

(4) Leave from employment is available for victims of domestic violence, harassment, sexual assault or stalking for purposes including but not limited to: seeking legal or law enforcement remedies, seeking medical care or counseling, and for relocating or other safety measures. The division enforces ORS 659A.270 to 659A.285, which require leave for victims of domestic violence, harassment, sexual assault or stalking. OAR 839-009-0321 to 839-009-0365 implement and interpret ORS 659A.270 to 659A.285.

(5) OAR 839-005-0160 to 839-005-0170 implement and interpret ORS 659A.290.

(6) Definitions for OAR 839-005-0160 to 839-005-0170:

(a) “Victim of domestic violence” means:

(A) An individual who has been threatened with abuse or is a victim of abuse, as defined in ORS 107.705; or

(B) Any other person who has suffered financial, social, psychological or physical harm as a result of domestic violence committed against the victim as defined in subsection (a), including a member of the victim’s immediate family.

(b) “Victim of harassment” means an individual against whom harassment has been committed as described in Oregon’s criminal code at ORS 166.065.

(c) “Victim of sexual assault” means:

(A) An individual against whom a sexual offense has been threatened or committed as described in ORS 163.305 to 163.467 or 163.525; or

(B) Any other person who has suffered financial, social, psychological or physical harm as a result of a sexual assault committed against the victim as defined in subsection (a), including a member of the victim’s immediate family.

(d) “Victim of Stalking” means:

(A) An individual against whom stalking has been threatened or committed as described in ORS 163.732; or

(B) Any other person who has suffered financial, social, psychological or physical harm as a result of a stalking committed against the victim as defined in subsection (a), including a member of the victim’s immediate family; or

(C) An individual who has obtained a court’s stalking protective order or a temporary court’s stalking protective order under ORS 30.866.

(e) In no event will an alleged perpetrator of domestic violence, harassment, sexual assault or stalking be considered a victim for the purposes of ORS 659A.290 or these rules.

### Reasonable Safety Accommodation for Victims of Domestic Violence, Harassment, Sexual Assault or Stalking

(1) It is an unlawful employment practice to refuse to make a reasonable safety accommodation requested by an individual who is a victim of or under threat of domestic violence, harassment, sexual assault, or stalking, unless the employer can demonstrate that the accommodation would impose an undue hardship on the operation of the business of the employer.

(2) “Reasonable safety accommodation” may include, but is not limited to, a transfer, reassignment, modified schedule, unpaid leave from employment, changed work telephone number, changed work station, installed lock, implemented safety procedure or any other adjustment to a job structure, workplace facility or work requirement in response to actual or threatened domestic violence, harassment, sexual assault or stalking.

(3) Undue hardship means a significant difficulty and expense to an employer’s business and includes consideration of the size of the employ-

er’s business. Other factors to consider in determining whether granting a safety accommodation will cause an undue hardship on an employer’s business include, but are not limited to:

(a) The safety accommodation requested and the relative cost to an employer’s business;

(b) The overall financial resources of the employer’s facility or facilities, the number of persons employed at the facility and the effect on expenses and resources or other impacts on the operation of the facility if the safety accommodation were granted;

(c) The overall financial resources of the employer, the overall size of the business of the employer with respect to the number of its employees and the number, type and location of the employer’s facilities;

(d) The type of operations conducted by the employer, including the composition, structure and functions of the employer’s workforce.

(4) Prior to making a reasonable safety accommodation, an employer may require an individual to provide certification that the individual is a victim of domestic violence, harassment, sexual assault, or stalking.

(a) An individual must provide a certification permitted under OAR 839-009-0362(5) within a reasonable time after receiving the employer’s request for certification.

(b) Any of the following constitutes sufficient certification:

(A) A copy of a police report indicating that the individual was or is a victim of domestic violence, harassment, sexual assault or stalking.

(B) A copy of a protective order or other evidence from a court or attorney that the individual appeared in or is preparing for a civil or criminal proceeding related to domestic violence, harassment, sexual assault or stalking.

(C) Documentation from an attorney, law enforcement officer, health care professional, licensed mental health professional or counselor, member of the clergy or victim services provider that the individual was or is undergoing treatment or counseling, obtaining services or relocating as a result of domestic violence, harassment, sexual assault or stalking.

(D) All records and information kept by an employer regarding a reasonable safety accommodation made for an individual are confidential and may not be released without the express permission of the individual, unless otherwise required by law.

### Purpose and Scope

(1) The Civil Rights Division of the Bureau of Labor and Industries (“division”) enforces ORS 659A.270 to 659A.285 which require leave for victims of domestic violence, harassment, sexual assault or stalking. These rules implement and interpret ORS 659A.270 to 659A.285.

(2) The division enforces ORS 659A.290, requiring employers to provide safety accommodation for, and prohibiting discrimination or retaliation against, victims of domestic violence, harassment, sexual assault or stalking. The rules implementing and interpreting ORS 659A.290 are found at OAR 839-005-0160 and 839-005-0170.

(3) ORS 659A.190 to 659A.198 provide for leave for crime victims to attend criminal proceedings. The division does not enforce ORS 659A.190 to 659A.198.

# ADMINISTRATIVE RULES

## Definitions

(1) "Covered employer" means an employer who employs 6 or more individuals in the state of Oregon for each working day during each of 20 or more calendar workweeks in the calendar year in which an eligible employee takes leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking or in the calendar year immediately preceding the year in which an eligible employee takes the leave.

(2) "Eligible employee" means an employee who is employed in the state of Oregon on the date leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking begins; and

(a) Worked an average of more than 25 hours per week for a covered employer for at least 180 calendar days immediately preceding the date the employee takes the leave.

(A) In determining that an employee has been employed for the preceding 180 calendar days, the employer must count the number of days an employee is maintained on the payroll, including all time paid or unpaid. If an employee continues to be employed by a successor in interest to the original employer, the number of days worked are counted as continuous employment by a single employer.

(B) In determining more than 25 hours average per week, the employer must count actual hours worked using guidelines set out pursuant to the regulations under the Fair Labor Standards Act (See 29 CFR Part 785).

(C) For the purpose of qualifying as an eligible employee, the employee need not perform work solely in the state of Oregon.

(D) Eligibility of employees reemployed following a period of unformed service:

(i) The federal Uniformed Services Employment and Reemployment Act, 38 USC 43 (USERRA) provides that an employee reemployed following a period of unformed service is entitled to the seniority and seniority-based rights and benefits that the employee had on the date the unformed service began, plus any seniority and seniority-based rights and benefits that the employee would have attained if the employee had remained continuously employed. Federal Department of Labor regulation 20 CFR 1002.210 provides that in determining entitlement to seniority and seniority-based rights and benefits, the period of absence from employment due to or necessitated by unformed service is not considered a break in employment. The rights and benefits protected by USERRA upon reemployment include those provided by the employer and those required by statute. Under USERRA, a reemployed service member would be eligible for leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking if the number of days and the number of hours of work for which the service member was employed by the civilian employer, together with the number of days and number of hours of work for which the service member would have been employed by the civilian employer during the period of unformed service, meet the eligibility requirements of these rules. In the event that a service member is denied leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking for failing to satisfy the days and hours of work requirement due to absence from employment necessitated by unformed service, the service member may have a cause of action under USERRA but not under these statutes.

(ii) ORS 659A.082–659A.088 provides that an employee reemployed following a period of unformed service is entitled to the seniority and seniority-based rights and benefits that the employee had on the date the unformed service began, plus any seniority and seniority-based rights and benefits that the employee would have attained if the employee had remained continuously employed. In determining entitlement to seniority and seniority-based rights and benefits, the period of absence from employment due to or necessitated by unformed service is not considered a break in employment. If a reemployed service member was eligible for leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking prior to the date unformed service began, the leave eligibility requirements are considered met.

(b) Is a victim of domestic violence, harassment, sexual assault or stalking or is the parent or guardian of a minor child or dependent who is the victim of domestic violence, harassment, sexual assault or stalking.

(3) "Dependent" means an adult dependent child substantially limited by a physical or mental impairment as defined by ORS 659A.104(1)(a), (3), and (4) or any adult of whom the employee has guardianship.

(4) "Foster child" means a child, not adopted, but being reared as a result of legal process, by a person other than the child's natural parent.

(5) "Health care professional" means a physician or other health care practitioner who is licensed, certified or otherwise authorized by law to provide health care services.

(6) "Immediate family" means spouse, domestic partner, father, mother, sibling, child, stepchild, grandparent, or any person who had the same primary residence as the victim at the time of the domestic violence, harassment, sexual assault or stalking.

(7) "In loco parentis" means in the place of a parent, having financial or day-to-day responsibility for the care of a child. A legal or biological relationship is not required.

(8) "Intermittent leave" means leave taken in multiple blocks of time and/or requiring an altered or reduced work schedule.

(9) "Law enforcement officer" means all police, corrections, and parole and probation officers who are included in the Public Safety Standards and Training Act as described in ORS 181.610 and 181.651.

(10) "Minor child," means a biological, adopted, foster or stepchild, or a child with whom the employee is or was in a relationship of in loco parentis. It also includes the biological, adopted, foster or stepchild of an employee's registered domestic partner. The minor child must be under the age of 18.

(11) "Parent or guardian" means a custodial parent, non-custodial parent, adoptive parent, foster parent, biological parent or an employee who is or was in relationship of in loco parentis with a minor child or a dependent with whom the employee is or was in a relationship of in loco parentis.

(12) "Protective order" means an order authorized by ORS 30.866, 107.095(1)(c), 107.700 to 107.735, 124.005 to 124.040 or 163.730 to 163.750 or any other order that restrains an individual from contact with an eligible employee or the employee's minor child or dependent.

(13) "Reasonable leave" means any amount of leave that does not cause an undue hardship on a covered employer's business.

(14) "Victim of domestic violence" means:

(a) An individual who has been threatened with abuse or who is a victim of abuse, as defined in ORS 107.705; or

(b) Any other person who has suffered financial, social, psychological or physical harm as a result of domestic violence committed against the victim as defined in (a), including a member of the victim's immediate family.

(c) In no event will the alleged perpetrator of the domestic violence be considered a victim for the purposes of these rules.

(15) "Victim of harassment" means an individual against whom harassment has been committed as described in Oregon's criminal code at ORS 166.065.

(16) "Victims services provider" means a prosecutor-based victim assistance program or a nonprofit program offering safety planning, counseling, support or advocacy related to domestic violence, harassment, sexual assault or stalking.

(17) "Victim of sexual assault" means:

(a) An individual against whom a sexual offense has been threatened or committed as described in ORS 163.305 to 163.467 or 163.525; or

(b) Any other person who has suffered financial, social, psychological or physical harm as a result of a sexual assault committed against the victim as defined in (a), including a member of the victim's immediate family.

(c) In no event will the alleged perpetrator of the sexual offense be considered a victim for the purposes of these rules.

(18) "Victim of stalking" means:

(a) An individual against whom stalking has been threatened or committed as described in ORS 163.732; or

(b) Any other person who has suffered financial, social, psychological or physical harm as a result of a stalking committed against the victim as defined in (a), including a member of the victim's immediate family; or

(c) An individual who has obtained a court's stalking protective order or a temporary court's stalking protective order under ORS 30.866.

(c) In no event will the alleged perpetrator of the stalking be considered a victim for the purposes of these rules.

minor child or dependent, including preparing for and participating in protective order proceedings or other civil or criminal legal proceedings related to domestic violence, harassment, sexual assault or stalking.

(2) To seek medical treatment for or to recover from injuries caused by domestic violence or harassment or sexual assault or stalking of the eligible employee or the eligible employee's minor child or dependent.

(3) To obtain, or to assist the eligible employee's minor child or dependent in obtaining counseling from a licensed mental health professional related to an experience of domestic violence, harassment, sexual assault or stalking.

(4) To obtain services from a victim services provider for the eligible employee or the eligible employee's minor child or dependent.

(5) To relocate or take steps to secure an existing home to ensure the health and safety of the eligible employee or the eligible employee's minor child or dependent. Relocate includes:

(a) Transition periods spent moving the eligible employee or the eligible employee's minor child or dependent from one home or facility to another, including but not limited to time to pack and make security or other arrangements for such transitions related to domestic violence, harassment, sexual assault or stalking;

(b) Transportation or other assistance required for an eligible employee or the eligible employee's minor child or dependent related to the domestic violence, harassment, sexual assault or stalking.

### Undue Hardship

Undue Hardship means a significant difficulty and expense to a covered employer's business and includes consideration of the size of the covered employer's business and the covered employer's critical need for the eligible employee. Other factors to consider in determining whether granting leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking will cause an undue hardship on a covered employer's business include, but are not limited to:

(1) The length of leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking requested and the relative cost to a covered employer's business;

(2) The overall financial resources of the covered employer's facility or facilities, the number of persons employed at the facility and the effect on expenses and resources or other impacts on the operation of the facility if the leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking were granted;

(3) The overall financial resources of the covered employer, the overall size of the business of the covered employer with respect to the number of its employees and the number, type and location of the covered employer's facilities;

(4) The type of operations conducted by the covered employer, including the composition, structure and functions of the covered employer's workforce.

### Intermittent Leave and Alternate Duty

(1) An eligible employee may take leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking in multiple blocks of time and/or requiring an altered or reduced work schedule.

(2) A covered employer may transfer an employee on intermittent leave or a reduced work schedule into an alternate position with the same or different duties to accommodate the leave, provided the following exist:

(a) The eligible employee accepts the transfer position voluntarily and without coercion;

(b) The transfer is temporary, lasts no longer than necessary to accommodate the leave and has equivalent pay and benefits;

(c) Transfer to an alternate position is used only when there is no other reasonable option available that would allow the eligible employee to use intermittent leave or reduced work schedule; and

(d) The transfer is not used to discourage the eligible employee from taking intermittent or reduced work schedule leave, or to create a hardship for the eligible employee.

(3) An eligible employee transferred to an alternate position for the purpose of a reduced work schedule under section (2)(a) through (d) of this rule must be returned to the eligible employee's former position when the eligible employee notifies the employer that the eligible employee is ready to return to the former position.

### Notice by Employee

(1) An eligible employee seeking leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking will give the covered employer reasonable advance notice of the employee's intention to take leave unless giving the advance notice is not feasible.

(2) When taking leave in an unanticipated or emergency situation, an eligible employee must give oral or written notice as soon as is practicable. This notice may be given by any other person on behalf of an eligible employee taking unanticipated leave.

(3) An eligible employee able to give advance notice of the need to take leave must follow the covered employer's known, reasonable and customary procedures for requesting any kind of leave;

(4) The covered employer may require the eligible employee to provide certification that:

(a) The eligible employee or the eligible employee's minor child or dependent is a victim of domestic violence, harassment, sexual assault or stalking as defined in OAR 839-009-0340(14), (15), (16) and (17); and

(b) The leave taken is for one of the purposes identified in OAR 839-009-0345.

(5) Any of the following constitutes sufficient certification:

(a) A copy of a police report indicating that the eligible employee or the eligible employee's minor child or dependent was a victim or alleged victim of domestic violence, harassment, sexual assault or stalking as defined in OAR 839-009-0340(14), (15), (16) and (17); or

(b) A copy of a protective order or other evidence from a court or attorney that the eligible employee appeared in or is preparing for a civil or criminal proceeding related to domestic violence, harassment, sexual assault or stalking as defined in OAR 839-009-0340(14), (15), (16) and (17); or

(c) Documentation from an attorney, law enforcement officer, health care professional, licensed mental health professional or counselor, member of the clergy or victim services provider that the eligible employee or the eligible employee's minor child or dependent is undergoing treatment or counseling, obtaining services or relocating as a result of domestic violence, harassment, sexual assault or stalking as defined in OAR 839-009-0340(14), (15), (16) and (17).

(6) Consistent with ORS 659A.306, the covered employer must pay the cost of any medical verification related to OAR 839-009-0345(1)(b) and (c) not covered by insurance or other benefit plan.

(7) The eligible employee will provide the certification within a reasonable time after receiving the covered employer's written request for the certification.

(8) The covered employer may provisionally designate an absence as leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking until sufficient certification is received, if requested, to make a determination.

(9) An eligible employee on leave who needs to take more leave than originally authorized should give the covered employer notice as soon as is practicable prior to the end of the authorized leave, following the covered employer's known, reasonable and customary procedures for requesting any kind of leave. However, when an authorized period of leave has ended and an eligible employee does not return to work, a covered employer having reason to believe the continuing absence may qualify as leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking may request additional information. If the covered employer requests additional information the eligible employee will provide the requested information as soon as is practicable. The covered employer may not treat a continuing absence as unauthorized unless requested information is not provided or does not support leave qualification.

(10) All records and information kept by a covered employer regarding an eligible employee's leave under ORS 659A.270 to 659A.285 for victims of domestic violence, harassment, sexual assault or stalking, including the fact that the eligible employee has requested or obtained such leave, are

### Enforcement and Denial of leave under ORS 659A.270 to 659A.285 for Victims of Domestic Violence, Harassment, Sexual Assault or Stalking

(1) A covered employer's duties and obligations under ORS 659A.270 to 659A.285 extend to a successor employer as defined in 29 CFR 825.107.

(2) It is an unlawful employment practice for a covered employer to count leave under ORS 659A.270 to 659A.285 against an employee in determining the employee's compliance with attendance policies or to count such leave against an employee when determining eligibility for bonuses based on attendance. An employee is entitled to continue eligibility for a bonus based on attendance upon return from leave under ORS 659A.270 to 659A.285 and may not be disqualified from the bonus as a result of taking leave.

(3) Pursuant to ORS 659A.030(1)(g), it is an unlawful employment practice for any person, whether an employer or an employee, to aid, abet, incite, compel or coerce the doing of any of the acts in violation of ORS 659A.270 to 659A.285 or to attempt to do so.

(a) Employers in local governments;

(b) Employers in a public corporation created under a statute of this state and specifically designated as a public corporation; and

(c) Employers in any public body that is created by statute, ordinance or resolution that is not part of state government or local government.

(10) "Transferable skill" means a skill that a veteran has obtained through military education or experience that substantially relates, directly or indirectly, to the civil service position for which the veteran is applying.

(11) "Veteran" means a person who:

(a) Served on active duty with the Armed Forces of the United States:

(A) For a period of more than 90 consecutive days beginning on or before January 31, 1955, and was discharged or released under honorable conditions;

(B) For a period of more than 178 consecutive days beginning after January 31, 1955, and was discharged or released from active duty under honorable conditions;

(C) For 178 days or less and was discharged or released from active duty under honorable conditions because of a service-connected disability;

(D) For 178 days or less and was discharged or released from active duty under honorable conditions and has a disability rating from the United States Department of Veterans Affairs; or

(E) For at least one day in a combat zone and was discharged or released from active duty under honorable conditions;

(b) Received a combat or campaign ribbon or an expeditionary medal for service in the Armed Forces of the United States and was discharged or released from active duty under honorable conditions; or

(c) Is receiving a nonservice-connected pension from the United States Department of Veterans Affairs.

### Applying the Employment Preference

(1) A public employer shall grant a preference to a veteran or disabled veteran who applies for a vacant civil service position or who seeks promotion to a civil service position with a higher maximum salary rate and who:

(a) Successfully completes an initial application screening or an application examination for the position; or

(b) Successfully completes a civil service test the employer administers to establish eligibility for the position; and

(c) Meets the minimum qualifications and any special qualifications for the position.

(2) At each stage of the application process a public employer will grant a preference to a veteran or disabled veteran who successfully com-

# ADMINISTRATIVE RULES

pletes an initial application screening or an application examination or a civil service test the public employer administers to establish eligibility for a vacant civil service position.

(3) For an initial application screening used to develop a list of persons for interviews, the public employer will add five preference points to a veteran's score and ten preference points to a disabled veteran's score.

(4) For an application examination, given after the initial application screening, that results in a score, the public employer will add five preference points to a veteran's and ten preference points to a disabled veteran's total combined examination score without allocating the points to any single feature or part of the examination.

(5) If a public employer uses an application examination that consists of an evaluation method of ranking an applicant that does not result in a score, the public employer will devise and apply methods by which the public employer gives special consideration in the public employer's hiring decision to veterans and disabled veterans.

(6) When an interview is a component of the selection process for a civil service position or for an eligibility list for a civil service position, a public employer shall interview each veteran:

(a) Whom the public employer determines meets the minimum qualifications and special qualifications for the civil service position or eligibility list; and

(b) Who submits application materials that the public employer determines show sufficient evidence that the veteran has the transferable skills required and requested by the public employer for the civil service position or eligibility list.

(7) A public employer is not required to comply with subsection (6) of this rule if the employer's practice is to generate an eligibility list without conducting interviews of possible candidates.

(8) A public employer may consult with the Oregon Military Department and the Department of Veterans' Affairs to determine whether certain military education or experience produces a transferable skill. To evaluate a veteran's transferable skills from a transcript of military training, a public employer may consult the American Council on Education's website, "A Guide to Educational Experiences in the Military," at <<http://militaryguides.acenet.edu/CourseSearch.asp>>.

### Discrimination Based on Uniformed Service

(1) For purposes of this rule:

(a) "Service" means the performance of duty on a voluntary or involuntary basis in a uniformed service that may involve active duty, active duty for training, initial active duty for training, inactive duty for training, full time duty in the National Guard, funeral honors duty or an examination to determine fitness for service in a uniformed service; and

(b) "Uniformed service" means the Armed Forces of the United States, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training or full-time National Guard duty, the commissioned corps of the United States Public Health Service and any other category of persons designated by the President of the United States in a time of war or national emergency.

(2) It is an unlawful employment practice for an employer to discriminate against a person because of the person's service in a uniformed service by:

(a) Denying a public officer or public employee the status or rights provided by ORS 408.240 to 408.240 and 408.290, if the employer is a public body.

(b) Discharging, expelling, disciplining, threatening or otherwise retaliating against the person for exercising or attempting to exercise the status or rights provided by this section.

(c) Denying any of the following because a person is a member of, applies to be a member of, performs, has performed, applies to perform or has an obligation to perform service in a uniformed service:

(A) Initial employment;

(B) Reemployment following a leave from employment taken by reason of service in a uniformed service;

(C) Retention in employment;

(D) Promotion; or

(E) Any other term, condition or privilege of employment, including but not limited to compensation.

(3) An employer does not commit an unlawful employment practice under this rule if the employer acted based on a bona fide occupational requirement reasonably necessary to the normal operation of the employer's business and the employer's actions could not be avoided by making a reasonable accommodation of the person's service in a uniformed service.

(4) The federal Uniformed Services Employment and Reemployment Act, 38 USC 43 (USERRA) provides that an employee reemployed following a period of uniformed service is entitled to the seniority and seniority-based rights and benefits that the employee had on the date the uniformed service began, plus any seniority and seniority-based rights and benefits that the employee would have attained if the employee had remained continuously employed. Federal Department of Labor regulation 20 CFR 1002.210 provides that in determining entitlement to seniority and seniority-based rights and benefits, the period of absence from employment due to or necessitated by uniformed service is not considered a break in employment. The rights and benefits protected by USERRA upon reemployment include those provided by the employer and those required by statute.

(5) To the extent possible, this rule shall be construed in a manner that is consistent with similar provisions of the federal Uniformed Services Employment and Reemployment Rights Act of 1994, 38 USC 43.

(6) Protections for spouses and domestic partners of uniformed service members may be found under the Oregon Family Military Leave Act, ORS 659A.090 to 659A.099 and OAR 839-009-0370 - 839-009-0460.

### Filing of Documents with the Hearings Unit; Calculation of Time and Filing Dates

(1) Except as modified by statute or enlarged by these rules, by order of the commissioner, or by decision of the administrative law judge, a document is filed with the Hearings Unit either on the date the Hearings Unit receives the document, or on the date postmarked on the properly addressed document, whichever is earlier.

(2) Documents are not to be filed by facsimile transmission except with the prior approval of the administrative law judge. The administrative law judge may require the participant filing a document by facsimile transmission to also send the Hearings Unit a copy of the document by mail or personal delivery and may require the participant to serve the other participants with the document by facsimile transmission in addition to mail or personal delivery.

(3) The computation of any period of time will not include the day from which the designated period begins to run. The computation will include the last day of this period unless it is a Saturday, Sunday, furlough day officially recognized by the State of Oregon or holiday officially rec-

### Ex Parte Communications

(1) An ex parte communication is an oral or written communication to an agency decision maker or the presiding officer not made in the presence of all parties to the hearing, concerning a fact in issue in the proceeding, but does not include communication from agency staff or counsel about facts in the record.

(2) The administrative law judge will place on the record a statement of the substance of any ex parte communication on a fact in issue made to the administrative law judge while the proceeding is pending. Participants will be given notice of such ex parte communication and of their right to rebut the substance of the ex parte communication on the record.

### Relief from Default

(1) A party seeking relief from default must file a written request for relief from default within 10 days after any of the following:

(a) A Final Order by default has been issued by the administrator of the Wage and Hour Division;

(b) A notice of default has been issued; or

(c) A party has failed to appear at a hearing.

(2) Relief from default may be granted when the party's written request for relief from default shows good cause for the party's action or inaction that caused the default. The party's request should state any facts supporting the party's claim of good cause and include any documents that support the party's claim.

(3) The computation of the 10-day deadline for filing begins on the day after one of the events listed in (1)(a), (b) or (c) of this rule occurs. If the 10th day is a Saturday, Sunday, furlough day officially recognized by the State of Oregon, or holiday officially recognized by the State of Oregon or the federal government, the 10-day deadline will expire at 5 p.m. of the next day that is not a Saturday, Sunday, furlough day or holiday. A request for relief from default is filed on the date that it is postmarked or received, whichever is earlier.

(4) A request for relief from default made after a Final Order by default has been issued by the administrator of the Wage and Hour Division must be addressed to the administrator of the Wage and Hour Division and ruled upon by an administrative law judge. When the administrator of the Wage and Hour Division receives a request for relief from default, the administrator will forward that request to the Hearings Unit for assignment to an administrative law judge, along with a copy of the Final Order by default. The administrator may also file a response to the request for relief from default. Any response the administrator files will be served on the requesting party.

(5) A request for relief from default made after a notice of default has been issued or after the party has failed to appear at a hearing must be addressed to and ruled upon by the administrative law judge.

**Subject:** Pursuant to ORS 660.010–660.210, the Oregon Bureau of Labor and Industries (BOLI) administers registered apprenticeship programs through its Apprenticeship and Training Division (ATD). States that administer registered apprenticeship programs do so under an agreement with the United States Department of Labor, Employment and Training Administration (USDOL, ETA). Recent changes in federal apprenticeship regulations have necessitated changes to ORS 660.010–660.210. The proposed amendments bring Oregon into conformance with federal requirements. Corrections in grammar and usage were also incorporated into these amendments. The proposed amendment harmonizes definitions in these rules with federal definitions and requirements

### Public Records Request

(1) The Bureau will make available any record requested by any person pursuant to ORS 192.420, provided that the request is in writing and the record requested is not exempt from disclosure under the provisions of ORS chapter 192 or other applicable law. A reasonable time shall be allowed for the Bureau to locate and retrieve information requested.

(2) The Bureau may charge a fee reasonably calculated to reimburse the Bureau for costs of providing and conveying copies of public records. When the fee is estimated to exceed \$25.00 per public records request, the Bureau will provide the requestor with written notice of the estimated

# ADMINISTRATIVE RULES

amount of the fee and require written confirmation that the requestor intends to proceed with the request.

(3) As used in these rules:

(a) "Page" refers to paper either 8.5 x 11 inches or 8.5 x 14 inches. Staff will not reduce size or otherwise manipulate records to fit additional records on a page, unless staff concludes that it will be the most effective use of their time. A double-sided copy consists of two pages. Because of the increased staff time involved in double-sided copying, there is no reduction in the per page fee.

(b) "Normal and reasonable" staff time is 10 minutes or less per request.

(4) Unless otherwise specified in OAR Chapter 839, the Bureau will charge a minimum fee of \$5.00 per request for records located in the Bureau's office facilities or \$15.00 per request for records located offsite, plus \$.20 per page, as reimbursement for requests requiring normal and reasonable staff time.

(5) If the time required exceeds normal and reasonable staff time, the actual costs of staff or supervisory time necessary for locating, reviewing, separating, photocopying, certifying and preparing records for mailing or other delivery will be charged for each hour or fraction thereof as follows:

(a) Supervisor/Administrator — \$39.00 per hour;

(b) Investigator/Compliance Specialist/Consultant — \$32.00 per hour;

(c) Clerical — \$23.00 per hour.

(6) In addition to staff time, the Bureau will charge for supplies and use of equipment for producing records as follows:

(a) Twenty cents per page for photocopies;

(b) Actual cost for postage or other delivery costs;

(c) Fifty cents per page for copies by facsimile (fax) machine with a limit of 20 pages.

(7) The Bureau will charge \$41.00 per hour, with a \$12.00 minimum, for public record requests that require electronic reproduction. Charges include, but are not limited to, staff time spent locating, downloading, formatting, copying and transferring records to media, and any charges by a third party vendor.

(8) The Bureau will provide blank reproduction media at the following rates:

(a) Diskettes, 3.5 inch, \$1.00 each. (Due to the possibility of computer viruses, the Bureau will not permit requesters to provide diskettes;

(b) Video Cassettes, two hours, \$3.00 each;

(c) Audio Cassettes, \$2.00 each;

(d) Compact disks, 1.5 hours: \$1.50 (Due to the possibility of computer viruses, the Bureau will not permit requesters to provide compact disks.).

(9) The costs of any necessary Attorney General review of requested public records will be charged to the requester at the rate billed by the Department of Justice to the Bureau.

(10) The Bureau may require that all fees assessed pursuant to this rule be paid in cash, in correct change, prior to furnishing any copies, material, or information.

(11) Where a request is made to inspect records, the Bureau may impose restrictions regarding the location where the information requested will be made available for inspection. Where the Bureau allows the person requesting the information to search or inspect Bureau records, the Bureau may, as it deems necessary for the protection of the records, assign an employee to supervise the search. The charge for this service will be in accordance with section (5) of this rule.

(12) The Bureau may enter into agreements to provide routine, periodic reports in a consistent format for a negotiated price.

(13) The commissioner may waive the requirements to pay the charges described in this rule, or any part thereof after determining that the waiver is in the public interest and primarily benefits the general public. In determining whether sufficient public interest is demonstrated, relevant factors include:

(a) The requester's identity;

(b) The intended use of the information;

(c) The character of the information;

(d) Whether the requested information is already in the public domain;

(e) Whether the requester can demonstrate the ability to disseminate the information to the public; and

(f) The requestor's inability to pay, although this alone is not a sufficient basis to waive a fee.

(5) "Registered apprenticeship program" means a local committee approved by the Council to operate an apprenticeship or training program in a specific occupation.

(6) "Registration of an Apprenticeship Agreement" means the acceptance and recording of an apprentice or trainee agreement by the Division on behalf of the Council. Registration is evidence of the participation of the apprentice or trainee in a registered program.

(7) "Standards" means a written agreement submitted by a local committee and approved by the Council, which sets forth a plan containing all terms and conditions for the qualification, employment and training of apprentices or trainees as set forth in ORS 660.126 and 660.137.

(8) "Trainee" means any individual registered to a registered training program. For the purposes of these rules, all apprentice requirements apply to trainees unless otherwise noted.

(9) "Training agent" means an employer approved by a local committee to train apprentices and registered with the Division.

(10) "Training program" means any registered program of 2,000 on-the-job training hours or less. For the purposes of these rules, all apprenticeship requirements apply to training programs unless otherwise noted.

(11) "Traveling Training Agent" is an approved training agent working outside the geographic area where its primary place of business is located and registered by the Division.

(12) "Journeyworker" is a fully skilled practitioner who can work independently in a given trade or occupation in accordance with ORS 660.010(4). Generally, a skilled crafts person has a minimum of four years of verifiable trade-specific experience or has completed a state certified apprenticeship program in the applicable trade and holds a license where required.

(13) "Completion rate" means the percentage of an apprenticeship cohort who receive a certificate of apprenticeship completion within 1 year of the projected completion date. An apprenticeship cohort is the group of individual apprentices registered to a specific program during a 1 year time frame, except that a cohort does not include the apprentices whose apprenticeship agreement has been cancelled during the probationary period. The projected completion date is the number of years determined by the greater of the following measures:

(a) The number of required on-the-job training hours needed for completion of the program divided by 2000 and rounded up to the nearest whole number; or

(b) The number of years of required related training prescribed in the applicable standard.

(14) "Job Site" means:

(a) For standards in construction trades, the area covered by an approved building permit, plan of development or contract number, or contractual agreement for new construction or renovation;

(b) For standards in non-construction trades, the physical area within the wall that services are offered or the location that is identified on the license by the licensing board and/or other local government or a single job or group of jobs on the same circuit or within the same general area.

### Formation of Joint Committees

(1) Any person or group interested in forming a local joint committee may give written notice to the Division. Local committees in building and

# ADMINISTRATIVE RULES

construction trades occupations may only be approved as group programs serving multiple employers.

(2) The interested party or group shall establish a date for an organizational meeting and provide the Division with written notice of the date, time and location of the meeting at least 5 (five) working days in advance of the meeting. Division staff may attend organizational meetings in an informational role.

(3) At the organizational meeting participants, excluding Division staff, will:

(a) Adopt Roberts Rules of Order;

(b) Specify the committee name, its geographical jurisdiction, and the occupation(s) for which it will train;

(c) Nominate committee members and submit their names to the Council pursuant to OAR 839-011-0074;

(d) Elect a chair and a secretary as committee officers, pursuant to OAR 839-011-0074(8).

(4) Local committees and training agents shall be responsible for the administrative cost and expenses associated with the operation of their programs. No committee or training agent shall charge or cause charges to be levied against an apprentice for purposes of financially supporting the administrative, clerical or organizational cost of operating a registered program. Apprentices may be required to pay the normal cost of tuition and related training materials.

### Committee Member Selection

(1) Committees shall consist of an equal number of employer and employee representatives.

(a) Representatives of employers, or an employer organization representing the industry, shall submit nominations for employer committee members.

(b) Individuals representing the journey level workforce for the occupation, or an employee organization that represents the concerned employees and is involved with the occupation, shall submit nominations for employee committee members. For the purposes of these rules, an individual is eligible to serve as an employee representative for the occupation only if that individual:

(A) Is or has been a skilled practitioner in the occupation and does not serve in a supervisory capacity as defined in the National Labor Relations Act, as amended; or

(B) Is a bargaining unit representative for the employees of a participating training agent.

(2) Joint apprenticeship or training committees (JATC/JAC/JTC) shall consist of not less than two or more than four principal employer representatives and not less than two or more than four principal employee representatives.

(3) Trade apprenticeship or training committees (TATC/TAC/TTC) shall consist of one principal employer representative and one principal employee representative for each approved standard of the committee.

(4) State minimum guideline committees shall consist of one principal employer and one principal employee representative from each local committee training in the occupation pursuant to the appointment procedures in OAR 839-011-0141.

(5) Committees may nominate one alternate member for each principal committee member and the alternate shall be selected according to the nominations procedures for principal committee members set forth in this rule. Alternates shall serve in the absence of principal members consistent with ORS 660.135(2).

(6) The Director shall list the names of the nominees on the next Council agenda. After consideration of whether the appointments provide a balanced representation of the viewpoints of employer and employee groups, the Council will approve the nominations.

(a) The Council may request the names of additional nominees if it does not approve any of the nominees.

(b) If either employers or employees cannot or will not recommend nominees for the committee, the Apprenticeship Representative for the area may recommend individuals involved with the occupation, and forward the name of the individual(s) to the Director. The Director will evaluate the individual(s), and if appropriate, provide interim approval pending submital of the names of the individual(s) to the Council for approval according to the procedures of section (1) of this rule.

(7) When a vacancy occurs on a committee, it shall be filled according to the member nomination procedures set forth in this rule.

(8) Each committee shall elect a chairperson and a secretary from committee members. One of the offices must be held by an employer member and one office must be held by an employee member.

(a) The officers shall serve for no less than one year and no more than two years without an election unless the committee has adopted policies and procedures establishing the duration of officers' terms.

(b) In the event of a vacancy in an office, the respective employer or employee members shall elect from their representation a replacement to serve the unfilled term of office consistent with ORS 660.

(9) No Division staff may be elected or appointed to any position within a committee.

(10) Associate members may be elected or appointed by the committee but such members do not have voting rights on local committee matters.

### Deregistration of Committees

(1) The Council will deregister committees for inactivity, inadequate activity, or failure to abide by ORS Chapter 660 or the rules and policies of the Council pursuant to ORS 660.120(4)(d), or if the committee has informed the Director or the Council that it will no longer perform its duties.

(2) On behalf of the Council, the Director shall, to the extent practical, secure the formation of a new committee where a previously approved committee failed to carry out an effective program.

(3) A committee shall be subject to deregistration if it has had no apprentices registered for two years or more, has not had at least two quorum meetings in a twelve month period, has failed to administer to the needs of the apprentices or the industry concerned or if so otherwise deemed appropriate by the Council.

### Approval of New Committees and Standards

(1) Additional committees or standards in an area already served by an existing committee in the same trade, craft or occupation shall be established in the same manner as any other local committee.

(2) All employers and their qualified employees shall be afforded the opportunity to participate, on a non-discriminatory basis, in existing programs.

(3) The Council and the Apprenticeship and Training Division of the Bureau of Labor and Industries will approve the creation of a new local committee or new standards for an existing committee only if the applicant for the new program or new standards can first demonstrate to the Council and the Apprenticeship and Training Division, by a preponderance of evidence, that the application is in conformity with the following requirements:

(a) The applicant shall submit documentation showing committee composition pursuant to ORS 660.135, .145.

(b) The applicant shall submit standards in a format approved by the Council that meet or exceed any existing statewide minimum guideline standards for the occupation. Where no state guideline standards exist, proposed standards shall meet or exceed national guideline standards approved by the federal Office of Apprenticeship. Where no state or national guideline standards exist, standards will be approved at the discretion of the Council and the Apprenticeship and Training Division when the proposed occupation is clearly identified and commonly recognized throughout an industry.

(c) The applicant shall submit an administration plan that includes:

(A) Written designation of the program administrator;

(B) Documented assurances that the committee will be adequately funded to support its administration and the presentation of related instruction;

(C) A written statement that details all costs to apprentices (including instruction, books, tuition); and

(D) Assurances that training agents and prospective training agents will be provided with a written statement of costs for program participation.

(d) The applicant must demonstrate the ability to track required on-the-job training, related and supplemental training and affirmative action

# ADMINISTRATIVE RULES

information (i.e., work progress reports, apprentice/trainee rotation system, employer's apprentice/trainee evaluation forms, grading sheets, applicant logs) and provide the Council with copies of the forms and documents that will be used to track such information.

(e) The applicant shall submit a plan detailing how the committee will ensure that participating employers will provide work in all areas covered by the program standards (ORS 660.137(5)), including:

- (A) Training in all counties listed in proposed geographical area;
- (B) Training in all work processes set forth in the standards;

(C) Committee expectations of supervising journeyworkers and a plan for the supervision of apprentices/trainees in the ratio set forth in the standards (ORS 660.126(1)(c), (f));

(D) Training agent qualifications and duties (ORS 660.137(5)); and

(E) A plan for training participating employers on their duties and responsibilities.

(f) The applicant shall submit a complete related training curriculum, including instructor qualifications, class outlines and expected competencies, grading procedures and completion criteria. This submission shall include:

(A) An explanation of the curriculum delivery method and a description of the related training facilities;

(B) Certification of the curriculum and instructional delivery plan by either a state education certifying authority or nationally recognized industry association (ORS 660.137(2)(c), .126(1)(j), .157); and

(C) Assurances that classroom and related instruction can be delivered throughout the geographic area. The applicant must submit a contract or other documentation demonstrating that actual instructional resources are in place. The committee's geographic area must be one that can be reasonably served by the committee with respect to employers and the location of the related training services (ORS 660.126(1)(a)).

(D) Assurances that instructors meet the Oregon Department of Education or Office of Community Colleges and Workforce Development requirements for vocational-technical instructors or are subject matter experts, defined as an individual, such as a journeyworker, who is recognized within an industry as having expertise in a specific occupation. If the instructor is a subject matter expert, the submission must include assurances that the instructor has or will have had training in teaching techniques and adult learning styles, which may occur before or within nine months after the apprenticeship instructor has started to provide the related technical instruction.

(g) The applicant must submit operating policies and procedures and assurances that the program will be operated in accordance with the same; and

(h) The applicant shall submit a plan to recruit, evaluate and select apprentice/trainee applicants, including an application form that meets Council requirements.

(4) All objections to the approval of a new committee or new standards shall be submitted to the Council in writing at the meeting where the application is being considered for approval, specifically detailing any objections to the application. Council may rule on the application and objections thereto at that time or grant the applicant 30 days after the Council meeting to submit a written rebuttal to the objections to the Director. Council shall direct the Director to investigate and evaluate the objections and rebuttal and to provide a report to Council within 45 days of receipt of the rebuttal statement. At the next Council meeting after the initial submission, Council shall either approve or deny the application and provide a specific written explanation for its actions.

(5) All new programs shall serve a probationary period of three years after Council approval. Failure to clearly demonstrate the ability to operate a satisfactory program during the probationary period, based upon periodic program reviews conducted by the Division, shall result in deregistration of the program by Council.

(6) Compliance reviews will be conducted during the probationary period pursuant to OAR 839-011-0145 unless the Council directs the Division to conduct reviews more frequently. Should the Council find operating deficiencies in the course of any such review, the program shall immediately take action to correct the deficiencies and submit a report to the Council explaining corrective measures taken within 90 days of the Council initial finding of deficiencies. If the committee has not corrected the deficiencies within the 90 day period, the Council shall deregister the program at the next scheduled Council meeting.

### Registration of Apprenticeship Agreements

(1) The Council delegates registration of apprenticeship agreements to the Division and recognizes an agreement as registered when:

(a) It is on a form that has been approved pursuant to ORS 660.020 and issued by the Division;

(b) Information requested on the form as authorized by ORS 660.020 has been supplied by the apprentice. The requested information includes, but is not limited to the apprentice's Social Security Number for identification purposes;

(c) It has been signed by the apprentice and the local joint committee. Approval must be recorded as soon as possible at a committee meeting; and

(d) The agreement has been submitted to and received by a representative of the Division.

(2) The effective starting date of an apprenticeship in non-licensed trades shall be not more than forty five (45) days prior to the date that a fully executed original agreement and committee minutes approving the registration are received by a representative of the Division. In the licensed trades, the effective starting date of an apprenticeship shall not commence before a fully executed apprenticeship agreement is received by a representative of the Division, unless the committee has written authorization from the Division to issue an initial license and operates in accordance with the conditions of authorization.

(3) Local committees shall develop and implement a policy and procedures detailing the process for evaluating previous experience in a uniform manner and awarding advanced standing to new apprentices for on-the-job or related training.

(a) The committee may grant credit for prior experience for any time previously spent by the apprentice in the trade or occupation that the committee considers applicable to the work processes in the program standards.

(b) In licensed trades, only lawfully obtained and documented experience that specifically applies to an Oregon license may be considered in granting credit for prior experience.

(4) All apprenticeship agreements will be maintained in the Division's main office.

### Causes for Disciplinary Actions by Council

The Council has the authority to take disciplinary action against a committee for conduct or action, including but not limited to:

(1) Inappropriate use of an apprentice's registration status or an apprentice's time, skills or training;

(2) Inadequate training of apprentices;

(3) Inappropriate assignment or abuse of discretion in work assignments;

(4) Discriminatory action(s) against an apprentice(s);

(5) Violation of any state or federal law;

(6) Failure to submit required documentation to the Division in a timely manner;

(7) Failure to communicate with the Division or the Council in a timely manner; or

(8) Any other action deemed inappropriate by the Council.

### Approval and Dissolution of Standards

(1) A local committee must submit new standards or revisions to previously approved standards, together with executed signature sheets and committee minutes to the Director at least 45 calendar days before the date of the next Council meeting pursuant to OAR 839-011-0030.

(2) Proposed standards and revisions must be in a form and format approved by Council that includes all elements specified in ORS 660.126. The Council may require additional information of committees pursuant to OAR 839-011-0084, including program administration and training plans.

(3) Standards in a form or format other than that approved by the Council and the Division may be accepted when they are part of the federal Office of Apprenticeship approved national pattern standards and are

# ADMINISTRATIVE RULES

consistent with federal Office of Apprenticeship regulations and guidelines, these rules and Council policies.

(4) With Council approval, local committees may charge applicants a reasonable non-refundable application fee. Such fees shall be stated in the standards as a minimum qualification for entry into the program. Committees shall be required to:

(a) Incorporate the payment of a non-refundable application fee into the minimum qualifications of the committee's standards. The standards shall also reflect that applicants with an income below 150% of the federal poverty guidelines may apply for a non-refundable application fee waiver. Federal poverty guidelines are established by the Federal Department of Health and Human Services and are recognized by the Oregon Adult and Family Services Division;

(b) Show that the non-refundable application fee results in no disparate impact and report annually to the Council whether disparate impact has been determined to result from the fees charged; and

(c) Show that the local committee experiences an extraordinary burden with respect to the administration of applications, i.e., beyond the ordinary course of conducting such procedures. Examples of an extraordinary burden include, but not limited to, development of specific entrance examinations, validation studies and extensive testing or interview procedures.

(5) Revised standards will supersede the committee's previous standards covering the same occupation.

(6) Every registered apprenticeship program must have at least one registered apprentice, except for the following specified periods of time, that may not exceed 1 year:

(a) Between the date when a program is registered and the date of registration for its first apprentice(s); or

(b) Between the date that a program graduates an apprentice and the date of registration for the next apprentice(s) in the program.

(7) The Division will report any standards that apprentices have not been active in for two or more years to the Council for dissolution due to inactivity. Thereafter, new standards must be approved prior to registration of any new apprentices.

### Minimum Guideline Standards

The Council may approve minimum guideline standards for occupations it deems necessary.

(1) At its discretion, or upon petition by two or more local committees directly affected by minimum guideline standards, the Council will direct the Division to convene a state committee composed of members of local committees training in the occupation. Division staff will organize the meeting time and location, and contact all appropriate local committees.

(a) Each local joint committee training in the occupation may appoint no more than one employer and one employee representative (with alternates) to the state committee pursuant to OAR 839-011-0074. Notification of this action must be submitted to the Division in writing annually. Appointments will be valid only after written notice of the names of the appointees is received by the Division at least one (1) day before a scheduled state guideline committee meeting.

(b) The employer and employee members of local trades committees (and alternates) shall represent their respective occupations on the state committee pursuant to ORS 660.155(2).

(c) Only properly appointed representatives to the state guideline committee will be permitted to vote on issues before the State Guideline Committee.

(d) A quorum shall consist of 50% plus one of the total appointed local joint committee representatives; local trade committee representatives will be counted only if they are present at the state committee meeting. A quorum of the total appointed local committee representatives constituted pursuant to this rule may revise the quorum requirement for future state committee meetings, pending review and approval by the Council.

(e) Each state committee may adopt policies and procedures consistent with ORS 660 as it deems necessary for the orderly conduct of its meetings.

(2) The state committee will develop or revise minimum guideline standards in accordance with the needs of the industry and occupation. This committee shall establish minimum guidelines in the following standards areas:

(a) Minimum qualifications;

(b) Hours of employment;

(c) Maximum probationary period;

(d) Maximum ratio of apprentices to journey workers;

(e) Minimum work processes and approximate hours; and

(f) Minimum related/supplemental instruction.

(3) New or revised minimum guideline standards shall be distributed to all local committees training in the occupation for review and comment prior to submission to the Council.

(a) Each local committee shall have not more than 30 days to present any written objections. This information shall be referred to the state committee for review.

(b) The state committee shall then prepare its final recommendations to the Council.

(c) If consensus is not reached by the state committee, a majority and minority report will be submitted to the Council for consideration.

(d) When majority and minority reports are submitted, the Council and the Division will take into consideration the geographic area covered by each participating committee as well as the number of apprentices served and the number of training agents affected in determining whether to accept the minimum guideline standard as submitted or approved amendments thereto.

(4) Total on-the-job training hours for a local committee may not fluctuate below the requirements dictated by minimum guideline standards. The variations must be within statutory limits governing the licensed occupations.

### Apprentice/Trainee Qualifications

(1) The Council and the Division shall evaluate proposed qualification standards or selection methods pursuant to the criteria set forth in Title 29 CFR Part 30, the Equal Employment Opportunity in Apprenticeship Plan noted in OAR 839-011-0200, the objectives expressed by the committee and/or sponsor, and such other factors as the Council and the Division may deem appropriate. Evaluation of proposed qualification standards or selection methods shall include an analysis of whether they would result in an adverse impact upon any protected class of applicants.

(2) The Council and the Division shall not consider proposed standards that contain any of the following requirements within their minimum qualifications:

(a) Physical ability to do the job, unless it specifically references a validated occupational requirement, such as lifting a sack of cement to a specified height;

(b) Any tests (including color tests) that do not meet the validity requirements under 41 CFR 60.3;

(c) A valid driver's license; or

(d) A medical exam.

(3) Standards submitted containing any of these requirements will not be placed on the Council agenda.

(4) The minimum qualifications section of the standards may include a note advising applicants that employers may require apprentices to meet additional lawful conditions of employment. These must be identified by employers and specified in the standards.

### Ratio

(1) Registered apprentices shall only work for training agents registered to the same committee as the apprentice the subject committees and employer have reached agreement on a plan that will enhance the training opportunities for all apprentices and have jointly submitted a written request to the Council outlining their plan and requesting the exemption from this rule.

(2) Except as provided in sections (6) and (7) below, registered apprentices shall be supervised by journeyworkers employed in the same trade or occupation by the same training agent employing the apprentice.

(3) The apprentice to journey worker ratio for any registered program approved by the Council and the Division shall be clearly set forth in the standards for the given occupation and must be specific as to application in terms of jobsite, workforce, department or plant.

# ADMINISTRATIVE RULES

(4) The maximum ratio of apprentices to journey workers for an occupation covered by a state committee will be developed as part of the minimum guideline standards for the occupation. Requests for a less restrictive ratio from local committees will be referred to the state committee for evaluation of minimum guideline ratio.

(5) For occupations where a minimum guideline standard is not in place, local committees are expected to meet the following apprentice to journey level ratios:

(a) Construction trades: Not more than one apprentice for the first journeyworker on the job site. Additional apprentices are authorized at the ratio of one apprentice for each three additional journeyworkers on the job site. (Expressed hereafter as 1:1, 1:3)

(b) Industrial trades and fixed-site facilities: 1:1, 1:2

(c) Other trades (non-traditional and new and emerging occupations): 1:1, 1:1

(d) Committees wishing a less restrictive ratio must submit a request to the Council for consideration, along with information including but not limited to:

(A) Specific workforce demographics justifying a different ratio;

(B) Plan to monitor effects of ratio on the safety and continuity of employment for apprentices; and

(C) Comparison of completion rate to statewide average for occupation.

(6) In licensed trades, an apprentice must be supervised by a journey worker in the same or a higher license classification than the apprentice, unless the local committee that the apprentice is registered to has approved supervision by a journeyworker holding a license covering the specific work being performed by the apprentice on the job site.

(7) Electrical power line installers and repairers and linemen apprentices may work for training agents registered to other local joint committees in order to ensure that all work processes are fulfilled, pursuant to a written agreement between the apprentice, the local committees and both training agents.

(8) In limited situations, the Council may grant a training agent a short-term waiver of the established ratio for a given program, upon demonstration of extreme need. In no event shall an apprentice work without qualified journeyworker supervision. Ratio waivers of less than 90 days must be requested by the committee on behalf of a training agent. Local committees are not authorized to grant temporary waivers to training agents. A temporary waiver of ratio may be granted under the following circumstances:

(a) Serious injury or illness of the journeyworker, where the journeyworker is expected to return to work in 90 days or less; or

(b) The sudden departure of a journeyworker from employment with the training agent for causes not attributable to the training agent. The employer is expected to replace the departing journeyworker within a reasonable amount of time and in no event shall this amount of time exceed ninety (90) days. The training agent must document its efforts to replace journey workers which may include, but shall not be limited to:

(A) Copies of job orders;

(B) Classified advertising, including a posting of the journey wage rate offered; and

(C) Job orders placed with the Oregon Employment Division.

(9) The lack of available qualified or licensed journeyworkers shall not be a valid reason for granting a temporary ratio waiver.

(10) The Council may authorize the Director to grant or deny waivers as set forth above on an interim basis. Such action taken by the Director must be submitted to the Council for ratification at its next meeting after interim approval or denial has been made.

### Compliance Reviews

(1) All committees are subject to periodic reviews of program operation and affirmative action activities.

(2) The Division shall develop and maintain a review schedule that identifies programs scheduled for review, the type of review to be conducted and the time period to be evaluated.

(3) The Program Operation Compliance Review will evaluate program operation and administration.

(a) New committees will receive a Program Operation Compliance Review annually for the first three years of operation, unless otherwise directed by the Council.

(b) After the first three (3) years, committees found in compliance will receive a Program Operation Compliance Review every three (3) years. Committees maintaining a completion rate of at least 70% for all standards during the three (3) previous consecutive years will receive a Program Operation Compliance Review every five (5) years.

(4) The Affirmative Action Compliance Review will evaluate outreach, recruitment, and selection activities.

(a) Committees with five or more apprentices registered to a single standard during the previous three years will receive an annual Affirmative Action Compliance Review.

(b) Training agents who select their own apprentices in accordance with the committee's approved selection procedure will receive a separate annual Affirmative Action Compliance Review.

(5) Additional reviews may be scheduled if

(a) The Director has a reasonable belief that such reviews are prudent and in the best interest of apprenticeship;

(b) Complaints have been received that the program is not operating in compliance; or

(c) At the Council's direction.

(6) Committees found out of compliance will be required to appear at the next meeting of the appropriate Council subcommittee.

(7) All reviews shall be reported on a form and in a format approved by the Council. Upon review of compliance reports, the Council shall take action including but not limited to any of the following:

(a) Approve the report;

(b) Refer the report back for further clarification;

(c) Extend the review period for up to six (6) months;

(d) Order a probationary period including more frequent and detailed program reviews;

(e) Direct compliance and/or corrective action accordingly;

(f) Impose sanctions;

(g) Deregister the committee and/or standards for non-compliance; and

(h) Any other action as directed by the Council and the Division.

### Employer Training Agents

(1) The Division will register training agents upon receipt of committee minutes showing approval of specific employers as training agents and a fully executed training agent registration agreement for each employer.

(2) The effective starting date for a new training agent shall be no more than forty five (45) days prior to the date that a fully executed original training agent agreement and committee minutes approving the registration of the employer are received by a representative of the Division.

(3) No employer shall be required to join an industry or trade association as a condition of approval as a training agent.

(4) Where two or more programs of the same occupation exist in the same geographical area an employer may not serve as an approved training agent for more than one such program at a time.

(a) In the event an employer has been approved as a training agent by two or more such programs, the Division shall notify the employer and the appropriate committees of this rule and require that the employer respond within twenty (20) working days of receipt of the notice, designating the program in which the employer chooses to continue and resigning from all others. Such notice shall be sent by certified mail, return receipt requested.

(b) An employer who does not respond pursuant to section (3)(a) of this rule, shall be deemed conclusively to have elected to resign as a training agent from all such programs. The Division shall notify the committees serving programs in which the employer had participated that the employer's training agent status has been revoked by operation of this rule.

(5) In limited cases where special conditions exist, the Council may consider an employer's request to participate in multiple programs in the same occupation within the same geographical area:

(a) When an individual construction project has special conditions warranting consideration for multiple training agent status, the employer must work with all committees involved to establish a plan that provides for the health, safety, and continuity of employment for all apprentices.

(b) When the committees and employer have reached agreement on a plan that will enhance the training opportunities for all apprentices, they shall jointly submit a written request to the Council outlining their plan and requesting the exemption from section (2) of this rule.

# ADMINISTRATIVE RULES

(6) An employer with a principal place of business outside the geographic jurisdiction of a local committee may seek approval to register with that local committee as a traveling training agent. Each such employer must agree to comply with Oregon state, county and municipal laws, rules and ordinances and the rules, policies, procedures and standards of the local committee.

(7) A local committee may approve traveling training agent status for an applicant employer that is a registered training agent with an apprenticeship sponsor or committee outside its geographic jurisdiction if:

(a) The employer is in good standing with its sponsor or home committee;

(b) The employer provides the committee with periodic updates of its good standing status from its sponsor or home committee;

(c) The employer and its sponsor provides the local committee with a plan explaining how the related training of any traveling apprentices will be accomplished;

(d) The employer and its sponsor provide updates to the local committee every six (6) months on the progress status of any traveling apprentices; and

(e) The employer and the local committee must agree on the number of traveling apprentices, directly employed by the traveling training agent, who will be registered through the local committee. The employer and the local committee must agree on the manner in which local apprentices will be utilized by the traveling training agent.

(8) A local committee may approve traveling training agent status for an unregistered employer whose principal place of business is outside of its geographic jurisdiction, but all apprentices dispatched to the traveling training agent must be registered to the local committee.

### Partial Rotation of Apprentices

(1) All apprentices must obtain work experience for at least 50% of the hours listed for each work process in the committee's approved standards. A committee unable to provide an apprentice with work experience equaling at least 50% of the hours listed in any of the work processes must provide and document additional related training to compensate for the lack of on-the-job training. A written statement, held in the apprentice's files, shall document such compensatory training and shall include, date, time, place, hours and instructor. In no event may distance learning classes be used to compensate for deficiencies in total work process hours.

(2) For licensed occupations, all variations in work processes must be within the statutory limits governing the trade.

### Administrative Cancellation or Completion of Apprenticeship Agreements

(1) Whenever a local committee has insufficient members to conduct business, has not met at least once within a six-month period or has been dissolved by Council, the Director may:

(a) Cancel an apprenticeship agreement:

(A) At the apprentice's request; or

(B) For good cause as defined by ORS 660.060(7) or;

(C) In the case of program deregistration, or for lack of training standards.

(b) Complete an apprenticeship agreement when documentation has been submitted to the Director demonstrating that the apprentice has complied with the required standards established by the committee.

(2) Such action by the Director or the committee shall be taken pursuant to the following procedure:

(a) Notice shall be provided by certified mail to the apprentice, employer, committee, Council and any interested parties before any action to administratively complete or cancel an agreement; and

(b) Written notice to the apprentice, employer, committee, Council and any interested parties of the final action taken by the Director.

(3) An apprentice may appeal an administrative cancellation as an order other than a contested case order under ORS 183.484.

### Plumber Apprentices — Phased Supervision

(1) The Division shall issue plumbing apprentice licenses to active apprentices or trainees registered to standards approved by the Council. Apprentice license formats shall be jointly agreed to by the Division and the Oregon Building Codes Division.

(2) All apprentices and trainees must be directly supervised in accordance with OAR 839-011-0143, unless approved for phased supervision.

(3) Pursuant to OAR 918-695-0140, a local committee may take action to permit plumbing apprentices to work under phased supervision under the following circumstances:

(a) The plumber apprentice must work in the physical presence of an appropriate journey level plumber; and

(b) An appropriate journey level plumber present at the immediate work site at all times, except for not more than a cumulative thirty (30) minutes during any work shift during which time the journeyworker is immediately available by voice communication.

(4) The plumber apprentice may work under phased supervision when the following specific conditions are met:

(a) The appropriate journeyworker is immediately available to the apprentice by voice communication (immediately available means that the apprentice can reach the appropriate journeyworker within a 15-minute period);

(b) The appropriate journeyworker meets with the apprentice at least once each day to go over the work done by the apprentice;

(c) The activity is consistent with the committee's work requirements as established in its written policy;

(d) There is only one apprentice on the job site; and

(e) The apprentice has been specifically approved for one (1) or more of the following phases:

(A) Phase 1: The apprentice only engages in water heater replacement or conversion after completing at least six (6) months of work experience, eight (8) hours of related instruction and is evaluated and authorized to do this type of work by the committee;

(B) Phase 2: The apprentice engages in work covered in Phase 1 and minor repairs in a one (1) or two (2) family dwelling after completion of three (3) periods of work experience, the appropriate related instruction for three (3) periods and is evaluated and authorized to do this type of work by the committee;

(C) Phase 3: The apprentice engages in work covered in Phase 1 and 2, and general repairs and replacement of existing installations after completion of four (4) periods of work experience, the appropriate related instruction for four (4) periods and is evaluated and authorized to do this type of work by the committee; or

(D) Phase 4: The apprentice engages in work covered in Phase 1, 2 and 3, and new or remodel installations after completing five (5) periods of work experience, the appropriate related instruction for five (5) periods and is evaluated and authorized to do this type of work by the committee.

(5) Phased supervision licenses will be issued by the Division upon notification of committee approval and reissued for the duration of the program unless the committee takes action to rescind approval.

### Apprentice Rights

(1) Upon registration the local committee shall provide each apprentice with the following information:

(a) Apprenticeship Standards for the program in which the apprentice is registered;

(b) Division approved committee policies and procedures; and

(c) Copy of the apprenticeship agreement.

# ADMINISTRATIVE RULES

(2) Within the constraints of industry and market conditions, the apprentice has the right to be employed and diligently and faithfully trained by the committee's approved training agents in accordance with the terms and conditions of the Apprenticeship Agreement and Apprenticeship Standards.

(3) The apprentice has the right to classroom and workplace conditions that are free of harassment or intimidation.

(a) "Harassment or intimidation" includes any act that takes place on or immediately adjacent to apprenticeship classrooms or training agent work sites that:

(A) Substantially interferes with the apprentice's educational benefits, opportunities or performance; and

(B) Has the effect of:

(i) Physically harming an apprentice or damaging an apprentice's property; or

(ii) Knowingly placing an apprentice in reasonable fear of physical harm to the apprentice or damage to the apprentice's property; or

(iii) Creating a hostile educational environment, including interfering with the psychological well-being of an apprentice; and

(C) May be based on, but not limited to, the protected class status of a person.

### Required Appearance at Council Meetings

(1) The Council shall require a committee member or designee other than Division or federal Office of Apprenticeship staff to be present at the appropriate subcommittee meeting when seeking approval for:

(a) New committee;

(b) New standards or;

(c) Other submittals that do not have a staff recommendation for approval.

(2) When a committee member or designee is not required to be present at a subcommittee meeting and questions or deficiencies are noted, the committee will be given ten (10) working days to correct the deficiencies and obtain a Division recommendation for approval.

(a) If deficiencies are corrected, the submittal will be moved to the Council agenda.

(b) Any submittal with deficiencies not corrected within the ten (10) day time limit will be referred to the next meeting of the appropriate subcommittee.

(3) The Director may make exceptions to this rule upon receipt of a written request from the committee setting forth circumstances, such as an emergency or undue hardship, that might justify a failure to attend subcommittee meeting.

### Eligibility of Family and Current Employees

(1) To the extent that the State Apprenticeship and Training Council determines that it would not result in an adverse impact on apprenticeship opportunities based on an individual's protected class status, an applicant who is otherwise eligible for selection as an apprentice under the selection method approved by the Council for use by the local committee may be directly registered to a family business or the applicant's current employer, subject to the consent of the applicant, regardless of whether another employer would otherwise be entitled to register the applicant under the selection method used by the local committee.

(2) As used in this section, "otherwise eligible for selection as an apprentice under the selection method approved by the Council for use by the local committee" shall mean that the applicant:

(a) Has met the minimum qualifications for entry into the program; and

(b) Has been evaluated or ranked by the local committee pursuant to the procedure set forth in its approved selection method; and

(c) Based on that evaluation or ranking, is the next applicant or in the immediate group of applicants eligible to be assigned or dispatched to a registered training agent pursuant to the local committee's approved selection method.

(3) When submitting a new or revised selection method to the Council for approval, local committees must indicate whether they will be using an

exception to the selection methods established in Title 29 CFR Part 30 and must note in their committee minutes when an individual is registered pursuant to subsections (1) and (2) above.

(4) Nothing in this rule is intended or should be interpreted as discouraging the use of a qualification standard or selection method on the basis of relative qualifications, if the qualification standard or selection criteria have been validated in accord with the guidelines established in Title 41 CFR Part 60-3.6.

### Application; Commentary; Federal Law Prevails

(1) These Rules of the Department of Administrative Services (Department) are policy and procedure for the Public Contracting of Agencies subject to these Rules and all state agencies that are subject to the DAS rules adopted under ORS 279A.140(2)(h) to regulate personal services contracts (see OAR 125-246-0353). According to ORS 279A.065(5), the Department adopts these Rules, including but not limited to selected and adapted Public Contract Model Rules. Except for those Public Contract Model Rules expressly adopted by the Department in OAR 125-246-0100, 125-247-0100, 125-248-0100 and 125-249-0100, the Public Contract Model Rules adopted by the Attorney General do not apply to the Department or the Agencies. These Department Public Contracting Rules implement the Oregon Public Contracting Code and consist of the following four Divisions:

- (a) Division 246, which applies to all Public Contracting;
- (b) Division 247, which applies only to Public Contracting for Supplies and Services, and not to construction services or Architectural, Engineering and Land Surveying Services, and Related Services;
- (c) Division 248, which applies only to Public Contracting for Architectural, Engineering and Land Surveying Services and Related Services; and
- (d) Division 249, which applies only to Public Contracting for construction services.

(2) If a conflict arises between these Division 246 Rules and Rules in Division 247, 248 or 249, the Rules in Divisions 247, 248 or 249 take precedence over these Division 246 Rules.

(3) Commentary on these Rules may be published by the Department to assist the Agencies by providing: examples, options, references, background, and other commentary. The Department's commentary is not a Rule or interpretation of any Rule and has no legally-binding effect.

(4) Federal statutes and regulations prevail and govern, except as otherwise expressly provided in ORS 279C.800 through 279C.870 (Prevailing Wage Rate) and despite other provisions of the Public Contracting Code, under the following conditions:

- (a) Federal funds are involved; and
- (b) The federal statutes or regulations either:
  - (A) Conflict with any provision of ORS Chapters 279A, 279B, or 279C.005 through 279C.670; or
  - (B) Require additional conditions in Public Contracts not authorized by ORS Chapters 279A, 279B, or ORS 279C.005 through 279C.670.
- (5) Adaptation of Model Rules for Agency Use. The following words found in those Model Rules expressly adopted by the Department are replaced by the words as defined in OAR 125-246-0110:

(a) "Contracting agency(ies)" is replaced by "Authorized Agency(ies)."

(b) "Goods or services" is replaced by "Supplies and Services."

(c) "Agreements to agree" and "price agreement" are replaced by "Price Agreement."

(6) Capitalization of Defined Terms. Uncapitalized terms in those Model Rules expressly adopted by the Department have the same meaning as the same terms that are capitalized and defined in OAR 125-246-0110.

(7) Department Policy. Agencies must comply with Department policies, if applicable.

(8) For purposes of these division 246 rules, the Department adopts the following Model Public Contract Rules: 137-046-0300.

## 125-246-0570

### Reinstatement of Expired Contract; Retroactive Approval of Existing Contract

(1) Application. This Rule applies to the reinstatement of expired or terminated Contracts (expired Contracts) and the retroactive approval of existing Contracts procured by Authorized Agencies for Supplies and Services and for Architectural, Engineering and Land Surveying Services or Related Services ("Contracts"). This Rule does not apply to mistakes that may occur in the solicitation process (see OAR 125-247-0470).

(2) Requirements to Reinstatement an Expired Contract.

(a) Before expiration, the Contract was properly signed by all parties;

(b) Then the signed Contract expired;

(c) The Agency reinstates the Contract:

(A) To fulfill its term, up to the maximum time period provided in the Contract; or

(B) To complete one or more deliverable(s) included within the Contract's Scope at the time of its expiration;

(d) The Agency documents in the Procurement File the deliverable(s) to be completed at the time of the expired Contract's reinstatement; and

(e) If the Contractor has performed work under the Contract, the reinstatement does not apply to payments made for work performed between the expiration of the Contract and the date of any reinstatement.

(3) Requirements to Retroactively Approve an Existing Contract.

(a) The Contract exists and has not expired;

(b) The Contract was signed by all parties except that the required approval of the DPO or CPO was lacking;

(c) If the Contractor has performed work under the Contract, the retroactive approval does not apply to payments made for work performed between the start of the Contract and the date of any retroactive approval.

(4) Process. For either a reinstatement of an expired Contract or retroactive approval of an existing Contract, the requesting Agency must meet the following conditions:

(a) The Agency must submit a Written request to the Agency's Designated Procurement Officer (DPO) if the Agency is authorized under OAR 125-246-0170, or if not, to the Chief Procurement Officer (CPO) with authority under OAR 125-246-0170 (Request). If the Request is submitted to the DPO, the Agency must also follow its internal procedures.

(b) The Request must explain the following:

(A) The proposed reinstatement of the expired Contract or retroactive approval of the existing Contract.

(B) The background facts that led to the Request;

(C) The good faith basis for making the Request;

(D) The need for reinstatement of an expired Contract or retroactive approval of an existing Contract due to unforeseen or unavoidable conditions;

(E) The steps to prevent a reoccurrence. For examples:

(i) Improvement of Agency's internal policies and procedures; and

(ii) Provision of new training or retraining; and

(F) Acknowledgement that the Request is in the best interest of the Agency.

(c) Obtain all other approvals required for the Contract, including but not limited to: Attorney General's approval of legal sufficiency under ORS

# ADMINISTRATIVE RULES

291.047 or ratification under ORS 291.049. The Authorized Agency must obtain all other approvals required for the Contract before any reinstatement, extension of time under Subsection (6), or retroactive approval becomes binding.

(d) The DPO or CPO, as described in Subsection (3)(a), must approve the Request.

(5) Effect of Approval.

(a) An approved reinstatement of an expired Contract makes the Contract in full force and effect, as if it had not expired.

(b) An approved retroactive approval of an existing Contract makes the Contract in full force and effect, as if it had been approved by the DPO or CPO when the Contract was formed.

(c) The DPO or CPO, as appropriate, may create any related Contract documents to implement the reinstatement or retroactive approval.

(d) The Agency may make an approved payment after any related Contract documents are signed by the necessary parties.

(6) Amendments of a Reinstated Contract.

(a) If the Agency requests reinstatement of an expired Contract, the Request of the Agency may also include a request to amend the reinstated Contract for time only. The DPO or CPO, as appropriate, may approve this Request, including the amendment.

(b) The Agency may amend a reinstated or retroactively approved Contract for purposes other than time in accordance with OAR 125-246-0560.

(7) An Authorized Agency may combine in one document a Reinstatement of a Contract in accordance with this Rule, Retroactive Approvals of that Contract in accordance with OAR 125-246-0575, and its Amendment in accordance with OAR 125-246-0560, as needed.

### Applicability

(1) In addition to the general requirements set forth in division 246 of these rules, the rules in this division 247 apply to Public Contracting for Supplies and Services. In the event of conflict or ambiguity, the more specific requirements of the rules in this division 247 take precedence over the more general requirements of the rules in division 246.

(2) The rules implement the Oregon Public Contracting Code, as defined in ORS 279A.010, and this division 247 of the rules specifically addresses matters covered in ORS Chapter 279B.

(3) For purposes of these division 247 rules, the Department adopts the following Model Public Contract Rules: OAR 137-047-0310, 137-047-0320, 137-047-0400, 137-047-0410, 137-047-0420, 137-047-0440, 137-047-0450, 137-047-0460, 137-047-0470, 137-047-0480, 137-047-0490, 137-047-0525, 137-047-0575, 137-047-0620, 137-047-0640, 137-047-0650, 137-047-0660, 137-047-0670, 137-047-0700, 137-047-0710, 137-047-0720, 137-047-0745, 137-047-0740, 137-047-0750, 137-047-0760.

## 125-248-0100

### Application

(1) In addition to the general requirements set forth in division 246 of these rules, the rules in this division 248 apply to:

(a) The screening and selection of Architects, Engineers, Land Surveyors, and Providers of Related Services under Contracts, and set forth the procedures through which Authorized Agencies select Consultants to perform Architectural, Engineering and Land Surveying Services or Related Services; and

(b) Two-tiered procedures for selection of Architects, Engineers, Land Surveyors and Providers of Related Services for certain Public Improvements owned and maintained by a Local Government.

(2) In the event of conflict or ambiguity, the more specific requirements of the rules in this division 248 take precedence over the more general requirements of the rules in division 246.

(3) The rules as a whole implement the Oregon Public Contracting Code, as defined in ORS 279A.010, and this division 248 of the rules specifically addresses matters covered in ORS Chapter 279C.110 through 279C.125.

(4) Delegation of authority for these contracts must be according to OAR 125-246-0170.

(5) The dollar Threshold amounts that are applicable to the Direct Appointment Procedure, OAR 125-248-0200, the Informal Selection Procedure, OAR 125-248-0210, and the Formal Selection Procedure, OAR 125-248-220, are independent from and have no effect on the dollar Threshold amounts that trigger the legal sufficiency review requirement for Agencies under ORS 291.047.

(6) For purposes of these division 248 rules, the Department adopts the following Model Public Contract Rules: OAR 137-048-0110, 137-048-0120, 137-048-0130, 137-048-0200, 137-048-0210, 137-048-0220, 137-048-0230, 137-048-0240, 137-048-0250, 137-048-0260, 137-048-0300, 137-048-0310 & 137-048-0320.

### Contract Form; Prohibited Payment Methodology; Purchase Restrictions

(1) See OAR 137-048-0300.

(2) Contract Forms. The State Procurement Office or its delegatee must develop and maintain a standard Contract form and an Amendment form, which must be used by the Authorized Agencies in completing all Architectural, Engineering and Land Surveying and Related Services Contracts. These forms can be obtained from the State Procurement Office. Authorized Agencies must review the approved Contract form and Amendment form at least every two years. If upon review the Authorized Agency revises either form, the Authorized Agency must obtain approval from its Designated Procurement Officer for revised forms up to \$100,000 or approval from the Department of Justice for revised forms exceeding \$100,000, before using the revised Contract or Amendment form. In using the standard Contract form and standard Amendment form, Authorized Agencies must abide by the following Contract provisions:

### Application; Federal Override; Effective Date

See OAR 137-049-0100.

(1) In addition to the general requirements set forth in division 246 of these rules, the rules in this division 249 apply to Public Improvement Contracts. Only specific rules in this division 249 apply to Public Contracts for Ordinary Construction Services as described in OAR 125-249-0140. In the event of conflict or ambiguity, the more specific requirements of the rules in this division 249 take precedence over the more general requirements of the rules in division 246.

(2) The rules as a whole implement the Oregon Public Contracting Code (Code), as defined in ORS 279A.010. This division 249 of the rules specifically addresses matters covered in ORS Chapter 279C.005, 279C.010, 279C.300 through 279C.870. Rules related to Architectural, Engineering, Land Surveying, and Related Services are found in division 248.

(3) According to OAR 125-246-0100 and except as otherwise expressly provided in ORS 279C.800 through 279C.870, applicable federal statutes and regulations govern when federal funds are involved and the federal statutes or regulations require additional conditions or conflict with the Code or with these rules.

(4) For purposes of these division 249 rules, the Department adopts the following Model Public Contract Rules: OAR 137-049-0130, 137-049-0140, 137-049-0150, 137-049-0160, 137-049-0200, 137-049-0210, 137-049-0220, 137-049-0230, 137-049-0240, 137-049-0250, 137-049-0260, 137-049-0270, 137-049-0280, 137-049-0290, 137-049-0300, 137-049-0310, 137-049-0320, 137-049-0330, 137-049-0340, 137-049-0350, 137-049-0360, 137-049-0370, 137-049-0380, 137-049-0390, 137-049-0395, 137-049-0400, 137-049-0410, 137-049-0420, 137-049-0430, 137-049-0440, 137-049-0450, 137-049-0460, 137-049-0470, 137-049-0490, 137-049-0600, 137-049-0610, 137-049-0620, 137-049-0640, 137-049-0645, 137-049-0650, 137-049-0660, 137-049-0670, 137-049-0680, 137-049-0690, 137-049-0800, 137-049-0810, 137-049-0815, 137-049-0820, 137-049-0830, 137-049-0840, 137-049-0850, 137-049-0860, 137-049-0870, 137-049-0880, 137-049-0890, 137-049-0900, 137-049-0910.

# ADMINISTRATIVE RULES

## 603-019-0015

### Standards to Determine Grant Award Eligibility

(1) The Department will consider applications for funds from the Trust Fund from county programs that meet the stated purpose of this rule and contain the elements specified in this section.

(2) Grants are subject to available funding in the Trust Fund. A county may qualify for a grant if a county has a county program that meets the following requirements:

(a) A county must establish a county advisory committee to oversee the county program.

(A) Advisory committee membership shall include:

(i) One county commissioner;

(ii) Two members who own or manage livestock; and

(iii) Two members who support wolf conservation or coexistence with wolves.

(B) Once established, the county advisory committee shall agree upon two county business representatives to serve as additional county advisory committee members.

(b) A county must establish a procedure by which livestock owners and managers experiencing above expected death or injury to livestock or working dogs attributed to wolf depredation shall be given priority by the committee for grant moneys received under the County Program.

(c) A county program must require that an advisory committee must establish compensation rates for death or injury to livestock or working dogs attributable to wolf depredation, that are based on fair market value. Compensation for death or injury of livestock or working dogs takes priority over compensation for missing livestock.

(d) A county program must require that within an area of known wolf activity, a county advisory committee must establish compensation rates for missing livestock attributable to wolf depredation. To qualify for compensation for missing livestock producers must document that other possible causes for their animals to be missing, not including wolf depredation, have been eliminated for the number of missing animals they are claiming. Compensation for missing livestock may be at a lower value than compensation for death or injury as allowed in 603-019-0015(2)(c) at the discretion of the county advisory committee. Losses confirmed as due to wolf depredation shall be given priority over losses for missing livestock.

(e) A county program must establish eligibility requirements for compensation that ensures, contingent upon available funds, that:

(A) In order to consider awarding any compensation for death or injury to livestock or working dogs, or missing livestock and working dogs attributed to wolf depredation, the county advisory committee must determine that the person did not unreasonably or purposefully create circumstances that attract wolves or encourage conflict between wolves and livestock or working dogs, excluding accepted normal husbandry and grazing activities.

(B) Compensation for documented death or injury to livestock or working dogs that is attributed to wolf depredation that occurred outside an area of known wolf activity shall be compensated regardless of the preexistence of wolf deterrence techniques.

(C) Compensation for documented death or injury to livestock or working dogs that is attributed to wolf depredation that occurred within an area of known wolf activity shall be compensated if owners have demonstrated implementation of best management practices to deter wolves including reasonable non-lethal methods when practicable.

(D) Compensation for missing livestock or working dogs that is attributed to wolf depredation that occurred within an area of known wolf activity may be granted if owners document that other possible causes for their animals to be missing, not including wolf depredation, have been eliminated for the number of missing animals they are claiming.

(f) A county program must distribute grant program funds, to the extent possible, in an equal and balanced manner between payments to compensate for death or injury to livestock or working dogs attributed to wolf depredation and payments to implement livestock management techniques or nonlethal wolf deterrence techniques designed to discourage wolf depredation of livestock, with a minimum of 30% of a county's grant funds, as distributed by the Department to that county, distributed for livestock management techniques or nonlethal wolf deterrence techniques designed to discourage wolf depredation of livestock.

(g) The county must contribute an amount of money equal to 10% of the allowable expenditures necessary to implement the county program during the calendar year. Allowable expenditures are:

(A) Establishing a county advisory committee.

(B) Establishing a procedure by which persons applying for compensation will provide sufficient evidence of actual livestock and/or working dog losses attributed to wolf depredation.

(C) Establishing a procedure by which persons applying for financial assistance for the cost of livestock management or nonlethal deterrence provides an estimate of the potential cost.

(D) Establishing compensation rates for livestock or working dog losses from death, injury or missing all of which are attributed to wolf depredation.

(E) Distributing grant program funds.

(F) Preparation of an annual report to the Department.

## 603-019-0020

### Distribution of Grant Funds by County Advisory Committees

Grant funds received by a county program from the Department may only be used to reimburse the following expenses or losses:

(1) Compensation for documented death or injury to livestock and working dogs determined as attributed to wolf depredation.

(2) Compensation for missing livestock or working dogs only when the animals in question became missing from within an area of known wolf activity and the livestock owner or manager has satisfied the requirements described in 603-019-0015.

(3) Compensation for death, injury or missing livestock or working dogs within a known area of wolf activity requires the livestock owner or manager to demonstrate to the county advisory committee, that they implemented best management practices to deter wolves, including reasonable use of nonlethal methods when practicable.

(4) Compensation for the cost of livestock management techniques or nonlethal wolf deterrence techniques designed to limit wolf/livestock interactions and discourage wolf depredation of livestock. These funds must amount to at least 30% of the total grant funds distributed by the Department to a county program.

(5) A county may submit up to 90% of expenses incurred by implementation of a county program meeting the requirements specified in OAR 603-019-0015. The county must make a money contribution equaling at least 10% of the expenses for one calendar year for implementation of a county program.

## 603-019-0025

### Application Procedures

(1) Grant application forms will be made available and distributed by the Department.

(2) Each county shall submit its proposal for funding on the Department's application form, including attachments as necessary.

(3) Applications for grant funds may be submitted to the Department by February 15th of each year. Late submissions may be accepted in the discretion of the Department as is consistent with law.

(4) Grant applications may be made for:

(a) Funds to compensate for the loss or injury of livestock or working dogs due to wolf depredation;

(b) Funds to compensate for missing livestock consistent with OAR 603-019-0015;

(c) Funds for financial assistance for the implementation of nonlethal management techniques designed to discourage wolf depredation of livestock; and

(d) For up to 90% of the expense for one calendar year of implementing a county program as described in 603-019-0015.

## 603-019-0030

### Application Review

(1) The Department may process grant applications to evaluate the reasonableness of the amount of money requested. The Department may use formulas it may derive for allocating available funds equitably among grant requests.

(2) The Department will review each application for completeness, accuracy, and consistency with these rules. Incomplete applications may be returned for correction or completion. Applications not meeting the standards established in these rules may be denied. If an application is denied,

### Grant Awards

(1) After reviewing a county application, the Department will make one of the following decisions for each county's grant request.

- (a) Approval of grant award for the full amount requested;
- (b) Approval of grant award of partial amount requested. In this instance, the Department may elect to fund a portion of grant request;
- (c) Deferral of request for further consideration based upon submission of additional information;
- (d) Denial of request. Applicants whose proposals are denied may reapply the following year.

(2) Any funds not allocated within the current calendar year by the Department shall be carried forward in the Trust Fund into the following year.

### Grant Administration

(1) The Department and the recipient county will enter a grant agreement that includes but is not limited to the following:

- (a) A description of the county program and a description of the work elements for which grant funding is received. ;
- (b) A payment schedule as determined by the Department.
- (c) A condition requiring the participating county to prepare an annual report that specifies the actions taken, compensation paid and financial assistance provided under the grant. This report will be due to the Department on June 1st of each year beginning in the year 2012.
- (d) A condition allowing the Department to withhold the relevant payment pending resolution of the identified deficiencies in grant administration or in the event the Department finds a report unsatisfactory.
- (e) A condition allowing, termination of the grant agreement if a county is consistently unable to meet performance standards as identified in the grant or as consistent with law.

(2) A condition requiring each recipient to submit a final report to the Department within six months of the official close of the grant period. The final report must detail the actions taken consistent with the grant agreement, compensation paid and financial assistance provided under the grant.

(3) A condition requiring counties to maintain any and all records necessary to allow the Department to monitor administration of the grant.

(4) A condition specifying that grantees and the Department may amend timelines specified in the grant agreement provided such amendments are in writing and are mutually agreed to.

(5) A condition specifying that unexpended grant funds not used by the grantee must be returned to the Department for reallocation to the Trust Fund.

(6) A condition specifying that as part of its duty to monitor the county programs, the Department may audit and review county program grant application documents, subsidiary record documentation, and source documents, including but not limited to, invoices, cost computations by the county or by a County Advisory committee and all other instruments and documents upon which expenditure of grant funding was determined and which the Department ascertains is necessary to determine compliance with a county program.

(7) A condition specifying that any grant moneys disbursed to a county that remain unobligated or unexpended as of the termination date of a grant agreement must be returned to the Department.

### Poultry Husbandry, Cage Size Standards for Egg Laying Hens

(1) All cages used, or intended for use to confine egg-laying hens that were constructed or otherwise acquired before January 1, 2012 must meet, or exceed, the following standards for certification established in the 2010 Edition of the United Egg Producers' (UEP) Animal Husbandry Guidelines for U.S. Egg Laying Flocks addressing Housing and Space Guidelines.

(a) Cage configuration and equipment maintenance must be such that manure from birds in upper cage levels does not drop directly on birds in lower level cages.

(b) All hens must be able to stand comfortably upright in their cage. The slope of the cage floor should not exceed 8 degrees.

(c) Space allowance must be in the range of 67 to 86 square inches of usable space per bird to optimize hen welfare.

(d) Feeder space must be sufficient to allow all birds to eat at the same time.

(e) Chicks, pullets and hens must have continuous access to clean drinking water except that water may be shut off temporarily in preparation for the administration of vaccines or medication in the water.

(2) All cages used, or intended for use to confine egg-laying hens that are constructed or otherwise acquired after January 1, 2012 must meet, or be convertible into enclosures that meet, or exceed, standards equivalent to the American Humane Certified TM Animal Welfare Standards for Enriched Colony Housing (revised June 29, 2011).

(3) At a minimum, all cages used, or intended for use to confine egg-laying hens to produce eggs for distribution into, or within Oregon and were constructed or otherwise acquired before January 1, 2012 must meet the standards described in OAR 603-018-0003(1) or must meet standards for UEP certification until cages meet, or are converted to meet, or exceed, standards equivalent to American Humane Certified TM Animal Welfare Standards for Enriched Colony Housing (revised June 29, 2011).

# ADMINISTRATIVE RULES

## 603-018-0007

### Standards for, and documentation of, production and distribution of eggs and egg products

(1) All eggs, or egg products distributed in Oregon shall be from hens managed in accordance to Oregon law and OAR 603-018-0001 through 603-018-0007.

(2) Distributors of eggs or egg products into, or within, this state, for use within this state to any entity other than the retail end-user of shell eggs, must provide documentation to the department that the eggs or egg products originated from hens managed according to (OAR 603-018-0007(1)). Such documentation may include a copy of current UEP certification, AHA certification, certification by an independent third party approved by the Director.

(3) If the documentation required in OAR 603-018-0007(2) of this section is not on file with ODA as a part of a Farm Business Plan as required in 603-018-0009, the distributor of eggs or egg products must complete and submit documentation of current UEP Certification, or a notarized letter from an independent third party approved by the Director, certifying that the eggs being distributed in Oregon meet the requirements of 603-018-0001 through OAR 603-018-0007 to the State Department of Agriculture before distributing any eggs or egg products in the state. The documentation required by 603-018-0007(2) must be submitted annually.

(4) Any Oregon purchaser, other than the retail end-user of shell eggs, of eggs or egg products must maintain receipts or other documentation identifying the distributor from whom they received eggs, or egg products. Receipts or other documentation must be maintained for a period of three (3) years and made available to the department upon request.

(5) Eggs or egg products that are certified per section OAR 603-018-0007(2) of this section may not be sold in Oregon if they are comingled with non-certified eggs or egg products.

(6) A person may not fail, or refuse, to submit documentation that eggs, or egg products sold in Oregon meet the standards required by the department. Failure, or refusal to submit documentation to the department may result in an enforcement action including civil penalty.

(7) A person may not fail, or refuse, to possess or maintain records as required in OAR 603-018-0007 (4) of this section. Failure, or refusal to possess and maintain documentation as required may result in an enforcement action including civil penalty.

(8) A person may not distribute eggs or egg products that the person knows, or reasonably should know that are a product of an egg-laying hen that has been confined in an enclosure that fails to comply with Oregon Laws 2011 Chapter 436 or OAR 603-018-0001 through 603-018-0007. Any such distribution may result in an enforcement action including civil penalty.

## 603-018-0009

### Commercial Egg-Laying Farm Business Plans

(1) Upon renewal of an "Egg Breaker" or "Egg Handler" license issued by the department annually beginning July 1, 2012, all commercial egg laying farms in Oregon must write and submit to the department a Farm Business Plan describing the manner by which they intend to comply with 2026 conversion goals as outlined in Section 9 of Oregon Laws 2011 Chapter 436.

(2) If a commercial egg-laying farm in Oregon does not hold an "Egg Breaker" or "Egg Handler" license, a Farm Business Plan may be submitted to the department annually beginning July 1, 2012.

(3) A Farm Business Plan must include:

(a) Identification of the commercial egg-laying farm location(s) including address, contact information, signature of principal owner(s) or their authorized representative.

(b) Date plan was written.

(c) A copy of a current UEP or AHA certification, or a notarized letter of certification by an independent third party approved by the Director that verifies that the eggs, or egg products are produced from hens managed according to the standards of OAR 603-018-0001 through OAR 603-018-0007 at a minimum.

(d) Percentage of total egg-laying hen capacity that currently meet, or exceed, UEP standards or standards described in OAR 603-018-0001 through OAR 603-018-0007.

(e) Percentage of total egg-laying hen capacity that meet, or exceed, AHA Enriched Colony Housing standards. The sum of (d) and (e) must equal 100%.

(f) Brief narrative explaining how the farm intends to meet the anticipated replacement timeline for the conversion of enclosures.

(4) Each person submitting a Farm Business Plan must maintain adequate documentation to support the information provided therein. These documents must be made available to the department upon request.

(5) Verification of the information contained in a Farm Business Plan may be accomplished by physical inspection of the commercial egg-laying farm by a department representative.

(6) A person may not fail or refuse to submit a Farm Business Plan as required. Failure or refusal to submit a Farm Business Plan as required is a violation subject to enforcement actions, up to and including civil penalty.

(7) A person may not fail or refuse to maintain adequate documentation to substantiate information contained in a Farm Business Plan. Failure or refusal to maintain, or provide, such documentation is a violation subject to enforcement actions, up to and including civil penalty.

(8) The department may request information to be included in a Farm Business Plan as deemed necessary.

### Enforcement and Civil Penalties Generally

(1) In addition to any other penalty provided by law, the Director may assess a civil penalty not to exceed \$2,500 for each violation of any provision of Oregon Laws 2011 Chapter 436 and rules adopted thereunder.

(2) In addition to a civil penalty or any other penalty provided by law, the department is not precluded from utilizing other enforcement alternatives. Enforcement alternatives may include, but are not limited to, letter of advisement, notice of violation, or other non-civil penalty action as authorized by law and as deemed necessary to attain compliance.

(3) A civil penalty imposed under the applicable statutes and these rules may be remitted or reduced upon such terms and conditions, as the Director considers proper and consistent with public health and safety.

(4) Civil penalties shall be due and payable ten (10) business days after the order becomes final by operation of law or on appeal. A person may pay a civil penalty before an order becomes final. Payment of a civil penalty before an order becomes final is an admission by the person of all of the allegations in the Notice of Imposition of Civil Penalty.

## 603-095-1400

### Purpose

(1) These rules have been developed to implement a water quality management area plan for the Inland Rogue Agricultural Water Quality

# ADMINISTRATIVE RULES

Management Area pursuant to authorities vested in the department through ORS 568.900 – 568.933 and 561.190 – 561.191. The area plan is known as the Inland Rogue Agricultural Water Quality Management Area Plan.

(2) The purpose of these rules is to outline requirements for landowners in the Inland Rogue Agricultural Water Quality Management Area to prevent and control water pollution from agricultural activities and soil erosion. Compliance with OAR 603-095-1400 to 603-095-1460 is expected to aid in the achievement of applicable water quality standards in the Inland Rogue Agricultural Water Quality Management Area.

### Geographic and Programmatic Scope

(1) The Inland Rogue Agricultural Water Quality Management Area includes the drainage area of the Rogue River primarily within the political boundaries of Jackson and Josephine counties. It does not include the drainage area of the Lower Rogue outside the Josephine county boundary. The physical boundaries of the Inland Rogue Agricultural Water Quality Management Area are indicated on the map included as Appendix 1 of these rules.

(2) Operational boundaries for the land base under the purview of these rules include all lands within the Inland Rogue Agricultural Water Quality Management Area in agricultural use, agricultural and rural lands that are lying idle, or on which management has been deferred, and forested lands with agricultural activities, with the exception of public lands managed by federal agencies, reservation and tribal trust lands, and activities which are subject to the Forest Practices Act.

(3) Current productive agricultural use is not required for the provisions of these rules to apply. For example, highly erodible lands with no present active use are within the purview of these rules.

(4) The provisions and requirements outlined in these rules may be adopted by reference by Designated Management Agencies with appropriate authority and responsibilities in other geographic areas of the Inland Rogue Agricultural Water Quality Management Area.

(5) For lands in agricultural use within other Designated Management Agencies' or state agency jurisdictions, the Department of Agriculture (department) and the appropriate Local Management Agency will work with these Designated Management Agencies to assure that provisions of these rules apply and to assure that duplication of any services provided, or fees assessed does not occur.

### Prohibited Conditions

(1) All landowners or operators conducting activities on lands described above in OAR 603-095-1420(2) shall be in compliance with the following rules. A landowner shall be responsible for only those conditions caused by the activities of the landowner or operator. Rules do not apply to conditions resulting from unusual weather events or other exceptional circumstances that could not have been reasonably anticipated. Limited duration activities may be exempt from these conditions subject to approval by the department.

#### (2) Excessive Soil Erosion

(a) There shall be no visible evidence of erosion resulting from agricultural management in a location where erosion has contributed or will contribute sediment to waters of the state. Visible evidence of erosion may consist of the following features:

(A) Sheet wash, noted by visible pedestalling, surface undulations, and/or flute marks on bare or sparsely-vegetated ground;

(B) Visibly active gullies, as defined by OAR 603-095-0010(1);

(C) Multiple rills, which have the form of gullies, but are smaller, in cross-sectional area, than one square foot.

#### (3) Riparian Vegetation Destruction

(a) Agricultural management of riparian areas shall not impede the development and maintenance of adequate riparian vegetation to control water pollution, provide stream channel stability, moderate solar heating, and filter nutrients and sediment from runoff.

(b) This condition is not intended to prohibit riparian grazing where it can be done while managing for riparian vegetation required in OAR 603-095-1440(3)(a).

(c) Constructed ditches that carry only irrigation delivery and drainage water are exempt from conditions described in OAR 603-095-1440(3).

(4) Surface Irrigation Return Flows. Runoff of surface irrigation that enters waters of the state shall not exceed water quality standards or cause pollution of the receiving water.

(5) Waste. No person subject to these rules shall violate any provision of ORS 468B.025 or ORS 468B.050.

## 603-095-1460

### Complaints and Investigations

(1) When the department receives notice of an alleged occurrence of agricultural pollution through a written complaint, its own observation, through notification by another agency, or by other means, the department may conduct an investigation. The department may coordinate inspection activities with the appropriate Local Management Agency.

(2) Each notice of an alleged occurrence of agricultural pollution will be evaluated in accordance with the criteria in ORS 568.900 to 568.933, or any rules adopted thereunder to determine whether an investigation is warranted.

(3) Any person allegedly being damaged or otherwise adversely affected by agricultural pollution, or alleging any violation of ORS 568.900 to 568.933, or any rules adopted thereunder, may file a complaint with the department.

(4) The department will evaluate or investigate a complaint filed by a person under section OAR 603-095-1460(3) if the complaint is in writing, signed and dated by the complainant and indicates the location and description of:

(a) The waters of the state allegedly being damaged or impacted; and

(b) The property allegedly being managed under conditions violating criteria described in ORS 568.900 to 568.933, or any rules adopted thereunder.

(5) As used in section OAR 603-095-1460(4), "person" does not include any local, state, or federal agency.

(6) Notwithstanding OAR 603-095-1460(4), the department may investigate at any time any complaint if the department determines that the violation alleged in the complaint may present an immediate threat to the public health or safety.

(7) If the department determines that a violation of ORS 568.900 to 568.933 or any rules adopted thereunder has occurred, the landowner may be subject to the enforcement procedures of the department outlined in OARs 603-090-0060 through 603-090-0120.

**Notice Publication Date:** 9-1-2011

**Rules Amended:** 603-057-0001, 603-057-0100, 603-057-0127

**Subject:** The rules rename the Directly Supervised Trainee License to avoid confusion with the Immediately Supervised trainee License. The Directly Supervised trainee License is renamed the Pesticide Apprentice License. In addition, the rules expand the ability to renew the Pesticide Apprentice License. Existing administrative rules limit directly supervised trainees to one lifetime annual renewal. A pesticide Apprentice may maintain this license indefinitely by attending educational program. The rules restrict Pesticide Apprentices from applying pesticides by helicopter or fixed wing aircraft.

The amendments are intended to allow flexibility for employers to hire, train, supervise and maintain Pesticide Apprentices. Persons who qualify for the Pesticide Apprentice license will be able to enter the industry at a more gradual pace and will be introduced to concepts presented in continuing education programs. Persons with limited written English language skills or test-taking abilities will be allowed to continue employment under the supervision of a fully

licensed applicator. The rules clarify several trainee responsibilities, ensure documentation of the supervisor-trainee relationship; and

The Agency received public comments in support of the rule change as it will streamline the licensing process by having the Pesticide Apprentice license replace both the Commercial Directly Supervised trainee license and the Public Directly Supervised trainee license. Also allowing conditions to renew this license reduces the negative economic impact of the rule on businesses by allowing them to retain trained employees.

### Definitions

In addition to the definitions set forth in ORS 634.006, the following shall apply

(1) "Accident" means an undesirable and unintended event, caused by the use or application of pesticides, that adversely affects the environment.

(2) "Compatibility" means the properties of a pesticide that permit its use with other chemicals without undesirable results being caused by such combination.

(3) "Competence" means the proficiency in the performance of activities related to pesticide application, the degree of which is directly related to the nature of such activities.

(4) "Common Exposure Route" means a likely way (oral, dermal, respiratory) by which a pesticide may enter an organism.

(5) "Environment" means water, air, land and plants, humans, or other animals living therein or thereon, and the interrelationships existing among them.

(6) For the purpose of pesticide registration as specified in ORS 634.016, "pesticide product" means a pesticide readily distinguishable from any other pesticide by its content, registration number assigned by the United States Environmental Protection Agency, brand name, trade name, manufacturer, registrant, use as specified in labeling, or other distinction, but not including size or quantity of package.

(7) "Non-Target Organism" means plant or animal life other than to which the pesticide is applied or is intended to be applied.

(8) "Regulated Pest" means a specific organism determined by the Department to be a pest requiring control, or eradication in order to protect the environment.

(9) For the purposes of ORS 634.006(9)(c), 634.106(7), 634.126(1)(c), OAR 603-057-0001(11), and 603-057-0127, the terms "direct charge of," "supervises," "direct supervision," or "supervision" means that:

(a) The supervisor of the person applying a pesticide has determined that the person applying a pesticide has sufficient knowledge and ability to safely apply the particular pesticide according to its label directions and any other additional directions;

(b) The person applying a pesticide is applying the particular pesticide under the instructions of their supervisor; and

(c) The person applying a pesticide is applying the pesticide in such proximity to their supervisor that such supervisor is reasonably available for any needed consultation or further direction, even though such supervisor is not physically present at the time or place of the pesticide application.

(10) "Immediate Supervision" means supervision by an appropriately licensed applicator who is:

(a) Located on the pesticide application site at all times during the application; and

(b) Available at the specific point of pesticide use within a time period of no more than five minutes.

(11) "Pesticide Apprentice" is a type of pesticide trainee or a type of public trainee, as those terms are defined in ORS 634.006(14) and (18), that engages in pesticide application activities under the supervision of a licensed pesticide applicator or a licensed public applicator as described in OAR 603-057-0127. A pesticide apprentice is limited to the categories of pesticide application authorized on the applicator license of the supervisor.

(12) For the purposes of subsection (9) of this rule, "supervisor" means a person that is responsible for the actions of a person applying a pesticide.

### Operators, Applicators, Dealers, and Consultants License Fees

The following designated annual fees shall be applicable to each described license:

(1) Pesticide Operator: \$90 including one category; \$15 for each additional category; and \$20 for each additional category after license issued.

(2) Pesticide Applicator: \$50 including one category; \$7.50 for each additional category; and \$12.50 for each additional category after license issued.

(3) Pesticide Trainee or Apprentice: Same as pesticide applicators.

(4) Public Applicator, Trainee or Apprentice: Same as pesticide applicators.

(5) Pesticide Dealer: \$75, with a separate license required for each sales outlet or location.

(6) Pesticide Consultant: \$40.

### Pesticide Apprentice Standards of Competence

(1) The department may issue a pesticide apprentice license for one licensing period, or portion thereof. The department may issue the license to an applicant that is at least 18 years of age upon receipt of:

(a) A license application form that contains all of the information requested by the department;

(b) Payment of the appropriate fee; and

(c) Documentation that the applicant successfully completed, within two years of the date of initial application, a written examination developed and administered by the department for the purpose of assuring that the applicant is competent in the use of pesticides as a pesticide apprentice. The content of this examination shall include the topics listed in OAR 603-057-0129(1)(a) through (e). Successful completion of the examination shall require answering at least 70 percent of the examination questions correctly.

(d) A pesticide apprentice license shall expire on December 31 of the year of issuance, or the following year if issued a license for two consecutive years.

(2) The department may renew a pesticide apprentice license for consecutive licensing periods upon receipt of:

(a) A license renewal application form containing all of the information requested by the department;

(b) Payment of the appropriate fee; and

(c) Documentation that the applicant successfully completed the required credit hours of pesticide instructional sessions during the previous licensing period. The department must accredit the instructional sessions. Eight (8) credit hours are required for each year of a licensing period. Four (4) of the eight (8) credit hours must be core credits as described in OAR 603-057-0135. All training requirements may be waived for the first year of the initial licensing period only.

(3) If a person licensed as a pesticide apprentice does not deliver the form, fee, and documentation described in subsection (2) of this rule to consecutively renew their license, the person will not be eligible to renew their pesticide apprentice license. The person must retake the qualifying examination as described in (1)(c) of this section.

(4) A pesticide apprentice license authorizes the holder to conduct pesticide application activities under the supervision of an appropriately licensed supervisor. The licensed apprentice may apply pesticides only in the categories listed on the supervisor's license. If the supervisor is a licensed public applicator, the licensed apprentice may only apply pesticides as described in ORS 634.116(12).

(5) For each pesticide application made by a pesticide apprentice, a pesticide application record, as required by ORS 634.146 and OAR 603-057-0130, must be made that also contains the names and pesticide license numbers of the appropriately licensed pesticide apprentice(s) and the supervisor(s). The employer of the licensed pesticide apprentice shall retain the record for a period of three years and release them to the department for inspection as required or authorized by ORS Chapters 561 or 634 or rules adopted thereunder.

(6) A pesticide apprentice license does not authorize the holder to conduct pesticide applications by helicopter or fixed wing aircraft.

(7) For purposes of this section "an appropriately licensed supervisor" is:

(a) A licensed pesticide applicator, or licensed public applicator;

# ADMINISTRATIVE RULES

(b) Licensed in the category, or categories, in which the pesticide apprentice is currently engaged.

(8) Any pesticide apprentice conducting pesticide application activities without a valid appropriately licensed supervisor, or who is unable to identify their supervisor, will be considered unlicensed and subject to enforcement actions in accordance to ORS 634.900

#### Adopted Oregon Boiler and Pressure Vessel Specialty Code

(1) Effective January 1, 2012 the Oregon Boiler and Pressure Vessel Specialty Code consists of the following minimum safety standards for boilers, pressure vessels, pressure piping, parts, items, and repair and alteration procedures:

(a) ORS 480.510 to 480.670 and OAR chapter 918, division 225;

(b) **The Boiler and Pressure Vessel Code of The American Society of Mechanical Engineers (ASME), 2010 Edition** as published, including Section I; Section II, Parts A, B, C, and D; Section IV; Section V; Section VIII, Division 1, 2, and 3; Section IX; and Section X only;

(c) **The 2010 Edition of the ANSI/ASME B31.1 Power Piping Code;**

(d) **The 2010 Edition of the ANSI/ASME B31.3 Process Piping Code;**

(e) **The 2010 Edition of the ANSI/ASME B31.5 Refrigeration Piping Code;**

(f) **The 2011 Edition of the ANSI/ASME B31.9 Building Service Piping Code;**

(g) **The 2011 Edition of the National Board Inspection Code ANSI/NB 23**, including Parts 1, 2, and 3, with Oregon amendments;

(h) **The 2011 Edition of NFPA 85, Boiler and Combustion Systems Hazards Code;** and,

(i) **The 2009 Edition of ASME, CSD-1, Controls and Safety Devices for Automatically Fired Boilers.**

(2) Notwithstanding any licensing or certification provisions contained in the model codes adopted in subsection (1) of this section for inclusion in the **Oregon Boiler and Pressure Vessel Specialty Code**, the standards and requirements applicable to boiler and pressure vessel business and trade licenses, as well as inspector certifications, issued by the Building Codes Division are established in ORS Chapters 455 and 480, and OAR chapter 918, divisions 30, 90, and 225.

#### Boiler and Pressure Vessel Inspection Schedules

Unless the division grants special permission, all inspectors must comply with the following inspection schedule:

(1) Power boilers must be inspected, at minimum:

(a) Internally — every year, when physical construction of the boiler allows; and

(b) Externally — every year, while under pressure.

(2) Cast iron boilers must be inspected externally — every two years, while under pressure.

(3) Low pressure steam boilers must be inspected, at minimum:

(a) Internally — every two years, when physical construction of the boiler allows; and

(b) Externally — every two years, while under pressure.

(4) Hot water heating and hot water supply boilers must be inspected:

(a) Internally — every six years, when physical construction of the boiler allows; and

(b) Externally — every two years, while under pressure.

(5) Pressure vessels containing anhydrous ammonia intended for use as fertilizer must be inspected, at minimum, externally every three years.

(6) Portable pressure vessels, mounted on a motorized vehicle and containing only air, not exceeding 5 cubic feet in volume and operated at gauge pressures of not more than 200 pounds per square inch must be inspected, at minimum:

(a) Internally — every four years, subject to section (14) of this rule; and

(b) Externally — every four years.

(7) Fixed pressure vessels, containing only air, not located at a place of public assembly, not exceeding 20 cubic feet in volume, and operated at gauge pressures of not more than 200 pounds per square inch must be inspected, at minimum:

(a) Internally — every six years, subject to section (14) of this rule; and

(b) Externally — every six years.

(8) Co2 vessels and hydro-pneumatic pressure vessels, used for beverage service, not exceeding 20 cubic feet in volume, and operated at gauge pressures of not more than 300 pounds per square inch must be inspected, at minimum:

(a) Internally — every six years, subject to section (14) of this rule; and

(b) Externally every six years.

(9) Pressure vessels, not classified in sections (5), (6), (7) and (8) of this rule, and subject to internal corrosion or erosion must be inspected, at minimum:

(a) Internally — every two years, subject to section (14) of this rule; and

(b) Externally — every two years.

(10) Unfired pressure vessels, not classified in sections (5), (6), (7), (8), (11) and (12) of this rule, and not subject to internal corrosion must be inspected, at minimum, externally — every four years.

(11) Unfired pressure vessels not subject to internal corrosion but containing a substance which, if it were to leak, might cause serious irreversible harm to a person must be inspected, at minimum:

(a) Internally — every two years, subject to section (14) of this rule; and

(b) Externally — every two years.

# ADMINISTRATIVE RULES

(c) A substance “might cause serious irreversible harm” if the substance’s Material Safety Data Sheet describes serious health or physical risks caused by short-term exposure to the substance.

(12) Unfired pressure vessels not subject to internal corrosion that are located at a place of public assembly and are not classified in section (8) of this rule must be inspected, at minimum:

(a) Internally — every two years, subject to section (14) of this rule; and

(b) Externally — every two years.

(13) Pressure piping systems containing refrigerants, steam, or pressurized condensate: Inspection during fabrication, installation, repair, or alteration for verification of compliance with material, welding, brazing, and structural support requirements. The inspector may require other tests to verify quality of weldments. This rule does not apply to welded repair of pressure piping under OAR 918-225-0720.

(14) The inspector may waive an internal inspection, under section (6), (7), (8), (9), (11) or (12) of this rule if the inspector believes from alternate inspection methods an internal inspection is not necessary to verify the safe condition of the vessel.

(15) An inspector may require additional internal or external inspections, or tests, other than those required in this rule, if the inspector has reason to believe that the boiler or pressure vessel does not meet minimum safety standards.

(16) Failure to comply with sections (1) through (15) of this rule may cause inspections to be performed by a deputy inspector per ORS 480.570(6) as directed by the chief inspector.

**NOTE:** The information in this rule is summarized in Table 1-B, Boiler and Pressure Vessel Inspection Cycles.

### Permits

(1) An installation permit is required before installing, altering, or repairing a nonexempt boiler or pressure vessel. Fees for installation permits are non-refundable.

(2) An operating permit or a temporary operation authorization is required before placing a nonexempt vessel into operation.

(3) An installation permit fee includes two inspections of the boiler or pressure vessel. An operating permit fee includes one external inspection of the boiler or pressure vessel and one internal inspection when both are required. If an inspection is scheduled, and the inspector is at the site but the boiler or pressure vessel is not ready or cannot be accessed, the rescheduled inspection will be at an additional cost. The fee for such inspections is the hourly rate specified in ORS 480.605.

(4) Permits to operate boilers or pressure vessels shall be issued periodically according to vessel type, based on the schedule established by the division in **Table 1-A**.

(5) Operating and installation permit fees are as shown in **Table 3-B**.

(6)(a) Operating permit fees not received within 90 days of the billing date may be considered delinquent and subject to a late penalty of double the fee amount. It is the equipment owner’s responsibility to maintain a current operating permit. This responsibility includes notifying the division of address and other billing information changes. Late penalties may only be waived under exceptional circumstances.

(b) All waiver requests must be submitted in writing and must clearly state the reason for the request. A waiver may be granted for all or part of the additional fee.

(7) Prepaid permit application forms do not authorize work until the contractor provides the required information to the division for review and approval. Prior to beginning the intended installation, repair, or alteration, the contractor must notify the deputy or special inspector who will inspect the work. Work may not begin until the inspector has reviewed and approved the work to be performed.

(8) Upon receipt of permit approval:

(a) The permit must be posted at the job site before beginning the work; or

(b) The approved permit number must be posted at the job site and signed by the contractor.

(9) A permit issued under this rule is not transferable.

(10) This rule does not change the provisions for emergency permits in ORS 480.630(6). It is recommended, but not required, that emergency permits be reviewed and coordinated with the inspector responsible for inspecting the completed work.

**NOTE:** Table 1-A, Boiler and Pressure Vessel Operating Permit Periods, and Table 3-B, Boiler and Pressure Vessel Permit Fees, are available on the division’s Web site at <<http://www.bcd.oregon.gov/rules.html#oar>>.

### Bulk Rate Permits

(1) Bulk rate permits may be granted if there is a quantity of either six (6) or more boilers or six (6) or more pressure vessels at the same location.

(2) To obtain bulk rate permits, the owner or user must make a written request to the division at least 30 days before the expiration of existing operating permits.

(3) If a bulk rate site requires two or more inspections during an inspection cycle, the division may rescind bulk rate permits and charge the full operating permit fees, as provided in **Table 3-B**. Inspection cycles are listed in **Table 1-B**.

### Amendments to the Oregon Structural Specialty Code

The **2010 Oregon Structural Specialty Code** is adopted and amended pursuant to OAR chapter 918, division 8. Amendments adopted for inclusion into the **2010 Oregon Structural Specialty Code** are placed in this rule, showing the section reference, a descriptive caption, and a short description of the amendment.

(1) Effective January 1, 2011 the 2010 Oregon Structural Specialty Code is amended by adding Section 1811 Radon Control Methods for Public Buildings and Section 1812 Radon Control Methods for R-2 and R-3 Occupancies.

(a) Radon mitigation provisions in Section 1811 applicable to new public buildings are adopted January 1, 2011 but do not become enforceable until April 1, 2013 as authorized by Chapter 83, 2010 Laws (Senate Bill 1025).

(b) Radon mitigation provisions in Section 1812 applicable to residential buildings identified as Group R-2 or R-3 are adopted January 1, 2011 but do not become enforceable until April 1, 2011 as authorized by Chapter 83, 2010 Laws (Senate Bill 1025).

(2) Effective April 1, 2011 the **2010 Oregon Structural Specialty Code** Section 908 “Emergency Alarm Systems” is amended by adding new subsection 908.7 requirements for Carbon Monoxide Alarms.

(3) Effective May 13, 2011, Section 2308.9.3.2 alternate braced wall panel adjacent to a door or window opening is amended for tie-down devices.

(4) On November 1, 2011, the **2010 Oregon Structural Specialty Code** is amended to include revisions to the federal regulations for Title II and Title III of the Americans with Disabilities Act, and Oregon-specific

# ADMINISTRATIVE RULES

amendments. These amendments are not enforceable until March 1, 2012. The amendments include:

(a) Replace Chapter 11 with Chapter 11 from the 2009 edition of the International Building Code (IBC), as amended to include Oregon-specific amendments;

(b) Amend Chapter 9 by adding 2009 IBC Table 907.5.2.3.3, Visible Alarms;

(c) Amend Chapter 10 by adding 2009 IBC Section 1007, Accessible Means of Egress;

(d) Amend Chapter 34 by adding 2009 IBC Section 3411, Accessibility for Existing Buildings;

(e) Amend Chapter 11 by adding Section 1111, accessibility standards for clustered mailboxes;

(f) Add as referenced standards American National Standards Institute (ANSI) Standard 117.1, 2003 Edition, Sections 101-106, 201-203, 301-309, 401-406.11, 406.13, 406.14, 501-506, 601-611, 701-708, 801-807, 901-904, and 1001-1005.

(5) Effective January 1, 2012, the **2010 Oregon Structural Specialty Code** is amended as follows:

(a) Fire Sprinklers. The reference in Chapter 35 to NFPA 13-07, Installation of Sprinkler Systems, is deleted and replaced with NFPA 13-10, Installation of Sprinkler Systems.

(b) Fire Sprinklers. The reference in Chapter 35 to NFPA 13D-07, Installation of Sprinkler Systems in One- and Two-Family Dwellings and Manufactured Homes, is deleted and replaced with 13D-10, Installation of Sprinkler Systems in One- and Two-Family Dwellings and Manufactured Homes.

(c) Fire Sprinklers. The reference in Chapter 35 to NFPA 13R-07 Installation of Sprinkler Systems in Residential Occupancies up to and Including Four Stories in Height is deleted and replaced with 13R-10 Installation of Sprinkler Systems in Residential Occupancies up to and Including Four Stories in Height.

(d) Fire Alarms. The reference in Chapter 35 to NFPA 72-07, National Fire Alarm Code, is deleted and replaced with 72-10, National Fire Alarm and Signaling Code.

## 918-400-0455

### Adopted Oregon Elevator Specialty Code

(1) Effective January 1, 2012, the **2011 Oregon Elevator Specialty Code** is comprised of:

(a) The Oregon Specialty Lift Code, 2005 edition; and

(b) Four national model codes published by the American Society of Mechanical Engineers (ASME), as amended by the Building Codes Division in OAR 918-400-0458, which are the:

(A) Safety Code for Elevators and Escalators, ASME A17.1-2010;

(B) Guide for Inspection of Elevators, Escalators and Moving Walks, ASME A17.2-2010;

(C) Standard for Elevator Suspension, Compensation, and Governor Systems, ASME 17.6-2010;

(D) Safety Standard for Platform Lifts and Stairway Chairlifts, ASME A18.1-2008; and

(E) Safety Standard for Belt Manlifts, ASME A90.1-2009.

(2)(a) Referenced standards referred to within adopted national model codes shall recognize the latest Oregon adopted edition unless otherwise specified in this rule.

(b) Notwithstanding any licensing or certification provisions contained in the model codes adopted in subsection (1) of this section for inclusion in the **Oregon Elevator Specialty Code**, the standards and requirements applicable to elevator business and trade licenses, as well as inspector certifications, issued by the Building Codes Division are established in ORS chapters 455, 460, and 479, and OAR chapter 918, divisions 30, 90, and 282.

### Purpose and Scope

(1) These rules establish minimum training, experience, certification, and certification renewal requirements for building officials and persons who perform specialty code plan review and inspections in this state.

(a) The certification requirements for commercial plumbing and electrical inspectors are located in OAR 918-695-0400 through 918-695-0410 and 918-281-0000 through 918-281-0020.

(b) Plan review and inspections required under the Oregon Reach Code are to be performed by individuals certified under these rules, OAR chapter 918, division 281, or chapter 918, division 695 to conduct plan review or inspections for the specialty code under which the particular Reach Code provision is regulated.

(2) Nothing in these rules is intended to allow a person to violate statute or rule or change certification and licensing requirements set forth in statute.

(3) Nothing in these rules prevents the director from waiving procedural requirements in the rare circumstance where substantial compliance is impracticable.

### Post Earthquake Damage Inspector Registration Requirements

All persons seeking registration as a post-earthquake inspector must complete a division application form and complete a division approved Applied Technology Council (ATC) training course within three years of application.

(1) To be registered as a general post-earthquake damage inspector, an applicant must:

(a) Be registered in any state as an architect, or be qualified by training and experience to take the Oregon examination for registration as an architect; or

(b) Be certified in the state of Oregon as an A-level, B-level structural or fire and life safety plans examiner or inspector; or

(c) Possess a current ICC Commercial Building Inspector, Commercial Building Plans Examiner or Commercial Fire Plans Examiner certificate; or

(d) Be registered in any state as a certified professional engineer in civil or structural engineering, or be qualified by education and experience to take the Oregon certified professional engineer examination in civil or structural engineering, even though the applicant has not taken the Fundamentals of Engineering examination.

(2) To be registered as a limited post-earthquake damage inspector, an applicant must:

(a) Meet any of the qualifications listed in subsection (1) of this rule;

(b) Be certified in the State of Oregon as a residential structural inspector; or

(c) Be certified in the State of Oregon as a residential plans examiner; or

(d) Possess a current ICC Residential Building Inspector certificate.

**Rules Amended:** 918-225-0240, 918-225-0600

**Subject:** These rules establish new definitions for the Oregon boiler and pressure vessel program. These rules replace the current definition of “installer” with a definition of “installation” and adopt a definition of “repair” that establishes three categories of repairs: welded repairs, non-welded major repairs, and minor repairs.

These rules also establish a requirement that owners of boilers and pressure vessels must acquire an installation permit before installing, altering, or repairing equipment located in certain types of structures. Owners of boilers and pressure vessels that provide 24-hour manned operation of their equipment are exempt from the installation permit requirement. These rules provide that installation permits expire 18 months after purchase unless the purchaser requests an extension.

These rules also establish a system of minor repair permits for minor repairs made to boilers and pressure vessels.

## 918-225-0240

### Definitions

As used in OAR 918, division 225, unless the context requires otherwise:

(1) “Agricultural Purposes” means:

(a) Sowing, tending, and harvesting of products of the soil grown under natural conditions;

(b) Raising of poultry or fowl;

(c) Pasturage or raising of livestock or other animals; or

(d) Original processing of the farm product, but not the processing of the product of a different operator, or reprocessing work as freezing, canning, or packing if performed substantially for commercial purposes.

(2) “Available” to determine inspection fees at cost, means the vessels must be due for inspection in the year the notification is applicable, and must all be ready for inspection at the time designated by the inspector.

(3) “Board” is defined in ORS 480.515(2).

(4) “Boiler Room” means any enclosed room or designated space within a building, intended by design or by usage to contain a boiler that is connected and available for use. A boiler located in an area not meeting the definition of “boiler room” under OAR 918-225-0465 shall apply to any space within 20 feet of any burner.

(5) “Building Service Piping” means piping systems operating at or less than 150 psig steam; and water at or less than 160 psig and 250° F as described in ANSI/ASME Standard B31.9.

(6) “Chief Inspector” means the inspector appointed by the director pursuant to ORS 480.565(1).

(7) “Farm” means an area of land:

(a) Located in a rural district;

(b) Of sufficient size to generally be considered as a farm in its locale; and

(c) Devoted primarily to tillage and raising crops under natural conditions, or to raising animals, fowl, or poultry.

# ADMINISTRATIVE RULES

(8) "Emergency" as used in ORS 480.630(6) means an unplanned circumstance requiring immediate repair, installation, replacement, or shut-down because of risk to health, life, or property.

(9) "Hobby" or "Demonstration" means recreational or other non-commercial use.

(10) "Immediate Safety Hazard" means hazardous conditions exist requiring immediate correction to a boiler, pressure vessel, or pressure piping system to preserve the safety of people or property.

(11) "Installation" means, but is not limited to, permanently placing in its final operating position, assembling, or connecting a boiler, pressure vessel, boiler controls, or related appurtenances for service or use. Installation includes, but is not limited to, connecting water, steam, air, refrigerant, fuel source, or other product piping to or from a boiler or pressure vessel. Merely transporting, moving or temporarily positioning a boiler or pressure vessel is not an installation. For the purposes of these rules, an electrical power supply connection to a boiler or pressure vessel is not an installation.

(12) "National Board" means the National Board of Boiler and Pressure Vessel Inspectors.

(13) "Operating" means any vessel connected and ready for service.

(14) "Person" means any individual, partnership, corporation, association, governmental subdivision, or public or private organization of any character.

(15) "Place of Public Assembly" means a building used or held for use, in whole or in part, for worship; health treatment; rest, recuperation, or retirement living; child care nurseries or institutions; public meetings; education; instruction; entertainment; eating; recreation; or awaiting transportation.

(16) "Pressure Piping" means piping systems and components under the scope of ASME B31.1, B31.3, B31.5, and B31.9.

(17) "Pressure Relief Valve" means a valve activated by inlet static pressure which opens in proportion to the increase in pressure over the opening pressure range. Only ASME approved valves are allowed under the boiler rules.

(18) "Pressure Vessel" is defined in ORS 480.515(12).

(19) "Process Piping Inspector" means the owner's inspector, for the inspection of ASME B31.3 Process Piping, Category "M" fluid service only.

(20) "Psig" means pounds per square inch gauge pressure.

(21) "Related Appurtenance" is defined in ORS 480.515(13).

(22) "Repair" means:

(a) Welded or Riveted Repairs, meaning welding or riveting within or on the pressure boundaries of a boiler, pressure vessel or related appurtenance to restore the vessel or appurtenance to a safe and satisfactory operating condition, or any work that might impair the integrity of the pressure retaining item;

(b) Non-welded Major Repairs, meaning work performed on a boiler or pressure vessel and its related appurtenances by non-welded means to restore the vessel or appurtenance to a safe and satisfactory operating condition, including but not limited to the replacement of burners, tubes and cast iron sections; and

(c) Minor Repairs, meaning the non-welded replacement of safety devices, including but not limited to, low water cut-offs, pressure relief valves, safety valves, safety switches, rupture discs, high pressure or temperature limits, low pressure or temperature limits, fuel train components, flame detectors, flame safeguards, heat exchanger elements, and burner components.

(23) "Safety Valve" means a valve activated by inlet static pressure and characterized by rapid opening or pop action. Only ASME approved valves are allowed under the boiler rules.

(24) "Same Location," to determine inspection fees at cost, means that all vessels are within 2,000 feet of one another.

(25) "Service of Process" means deposit in the U.S. mail a copy of a notice addressed to the respondent at the respondent's last known address.

(26) "Single Family Dwelling" means a one-family dwelling structure.

(27) "Structure" means a building or shed with a roof and enclosed on the sides 75 percent or more.

(28) "Traction Boiler" means a boiler constructed before January 1, 1961, designed to operate or pull equipment, or to convert steam power into a flywheel energy driving apparatus such as a thresher, road roller, or grind-ing equipment.

(29) "Vessel That is Considered Subject to Corrosion or Erosion" means the vessel contains or is intended to contain contents having a corrosive or erosive effect on any portion of the vessel. The use of glass linings

leaves a vessel subject to corrosion unless all portions of the vessel are impervious to the corrosive or erosive effects of the contents.

## 918-225-0600

### Permits

(1) Except as otherwise provided in this rule, an installation permit is required before installing, altering, or repairing a nonexempt boiler or pressure vessel.

(2) Notwithstanding section (1) of this rule:

(a) An installation permit is not required for minor repairs performed under a minor repair permit in accordance with OAR 918-225-0606 to 918-225-0618.

(b) An installation permit is not required for minor repairs or non-welded major repairs to a pressure vessel containing liquefied petroleum gas that is under the jurisdiction of the State Fire Marshal.

(c) If the installation, alteration, or repair will be performed by the owner of the boiler or pressure vessel or an employee of the owner, an installation permit is only required if the boiler or pressure vessel is located in a structure that:

(i) Is classified as an Education Group "E" Occupancy under the Oregon Structural Specialty Code;

(ii) Is classified as an Institutional Group "I-2" Occupancy under the Oregon Structural Specialty Code; or

(iii) Has an occupant load greater than 100, as calculated under the Oregon Structural Specialty Code.

(d) Notwithstanding subsection (c) of this rule, an installation permit is not required for a boiler or pressure vessel that is installed, altered, or repaired by its owner or an employee of its owner in a location that is staffed 24 hours a day, seven days a week, by individuals knowledgeable in the operation and maintenance of the boiler or pressure vessel.

(3) An operating permit or a temporary operation authorization is required before placing a nonexempt vessel into operation.

(4) An installation permit fee includes two inspections of the boiler or pressure vessel. An operating permit fee includes one external inspection of the boiler or pressure vessel and one internal inspection when both are required. If an inspection is scheduled, and the inspector is at the site but the boiler or pressure vessel is not ready or cannot be accessed, the rescheduled inspection will be at an additional cost. The fee for such inspections is the hourly rate specified in ORS 480.605.

(5) Permits to operate boilers or pressure vessels shall be issued periodically according to vessel type, based on the schedule established by the division in Table 1-A.

(6) Operating and installation permit fees are as shown in Table 3-B.

(7)(a) Operating permit fees not received within 90 days of the billing date may be considered delinquent and subject to a late penalty of double the fee amount. It is the equipment owner's responsibility to maintain a current operating permit. This responsibility includes notifying the division of address and other billing information changes. Late penalties may only be waived under exceptional circumstances.

(b) All waiver requests must be submitted in writing and must clearly state the reason for the request. A waiver may be granted for all or part of the additional fee.

(8) Where an installation permit is required, the equipment owner or, if the work will be performed by a contractor, the contractor, must acquire the installation permit prior to beginning the intended installation, repair, or alteration, and notify the deputy or special inspector who will inspect the work. Work may not begin until the inspector has reviewed and approved the work to be performed.

(a) The installation permit must be posted at the job site before beginning the work.

(b) This rule does not change the provisions for emergency permits in ORS 480.630(6). It is recommended, but not required, that emergency permits be reviewed and coordinated with the inspector responsible for inspecting the completed work.

(c) Commissioning of a boiler by a commissioning agent or manufacturer's representative does not require a separate installation permit.

(9) An installation permit or operating permit issued under this rule is not transferable.

# ADMINISTRATIVE RULES

(10) An installation permit automatically expires 18 months from the date of issuance unless the installation, alteration, or repair begins before the end of the 18th month.

(a) The holder of an un-expired installation permit may submit a written request for an unconditional six-month extension of the expiration date. The division may not extend an installation permit more than twice.

(b) An expired installation permit may not be extended or renewed. A new application and fee will be required. The division will not refund the fees for an expired installation permit.

(c) Fees for installation permits are non-refundable.

**NOTE:** Boiler and Pressure Vessel Operating Permit Periods can be found in Table 1A and Boiler and Pressure Vessel Permit Fees can be found in Table 3-B.

### Issuance and Purchase of Minor Repair Permits

(1) Beginning January 15, 2012, the Building Codes Division will issue minor repair permits in lots of five at a cost of \$175 per lot. Each lot of minor repair permits is valid for one year from the date of purchase.

(2) The following persons may purchase minor repair permits:

(a) Contractors holding a verified Construction Contractors Board license and a valid boiler contractor license under ORS 480.630; or

(b) Owners of boilers and pressure vessels and their designated representatives.

(3) Minor repair permits are not transferable.

### Use of Minor Repair Permits

(1) Only those minor repairs described in OAR 918-225-0612 may be performed under a minor repair permit.

(2) A minor repair permit authorizes work on a single boiler or pressure vessel. Multiple minor repairs may be performed under a minor repair permit provided that each minor repair is completed within the five day period that begins when the first minor repair is completed.

(3) All work performed under a minor repair permit must conform to the Oregon Boiler and Pressure Vessel Specialty Code.

(4) An individual performing work under a minor repair permit must:

(a) Hold the appropriate license, if required, under ORS 480.630 and OAR 918-225-0691 for the type of work performed;

(b) Fill out the information required on the minor repair permit; and

(c) Post the minor repair permit in a secure and visible location near the site of the repair.

(5) Within five business days of work being completed, the purchaser of the minor repair permit is responsible for ensuring that all work that was performed under the minor repair permit is recorded in the manner approved by the division.

## 918-225-0612

### Scope of Work Allowed under Minor Repair Permit

(1) Only minor repairs may be performed under a minor repair permit. Minor repairs include, but are not limited to, the non-welded replacement of the following:

(a) Low water cut-off;

(b) Pressure relief valve;

(c) Safety valve;

(d) Safety switch;

(e) Rupture disc;

(f) High pressure or temperature limit;

(g) Low pressure or temperature limit;

(h) Fuel train component;

(i) Flame detector;

(j) Flame safeguard;

(k) Heat exchanger element; and

(l) Burner components.

(2) Nothing in this rule prohibits purchasing an installation permit to ensure that a minor repair will be individually inspected.

(3) A minor repair permit is not required for minor repairs made to pressure vessels containing liquefied petroleum gas that are under the jurisdiction of the State Fire Marshal.

### Inspection of Minor Repair Permits

(1) The division will randomly inspect at least one permit from each lot of minor repair permits

(2) The division will initially select one minor repair permit from each lot for inspection. If the division determines that the work done under the first permit does not comply with the Oregon Boiler and Pressure Vessel Specialty Code, the division will inspect a second permit from the same lot. If the division determines that the work done under the second permit is also non-compliant, the division will individually inspect all remaining permits from the same lot.

(3) The purchase price for each lot of minor repair permits includes the fee for one inspection. The division will charge for any additional inspections at its hourly inspection rate.

(4) If the division determines that work performed under a minor repair permit did not comply with the Oregon Boiler and Pressure Vessel Specialty Code, the division will require corrections to bring the boiler or pressure vessel into code compliance. Such corrections may not be performed under a minor repair permit. Installation permit and inspection requirements apply.

(5) Work performed under a minor repair permit that is not randomly inspected in accordance with this rule will be inspected during the boiler or pressure vessel's next regularly scheduled inspection.

## 918-225-0618

### Misuse of Minor Repair Permits

(1) An individual performing work under a minor repair permit misuses the minor repair permit if the work performed does not conform to the Oregon Boiler and Pressure Vessel Specialty Code.

(2) The purchaser of a lot of minor repair permits misuses minor repair permits if:

(a) Two or more repairs performed under the lot do not conform to the Oregon Boiler and Pressure Vessel Specialty Code; or

(b) In the case of a purchaser who has purchased and used ten or more lots of minor repair permits, more than 5% of all repairs performed under minor repair permits issued to the purchaser did not conform to the Oregon Boiler and Pressure Vessel Specialty Code.

(3) If the division determines that a person or entity has misused minor repair permits, the division may immediately suspend that person or entity from purchasing, using, or performing work under minor repair permits for not less than one year. In the case of a purchaser, the period of suspension may be extended until all unused minor repair permits have been returned to the division.

(4) Violations of the minor repair permit rules may also be subject to civil penalties and license revocations.

**Rule Caption:** Repealing appraisal management company rules to transfer responsibility to the Appraiser Certification and Licensure Board.

**Adm. Order No.:** FCS 14-2011

**Filed with Sec. of State:** 12-22-2011

**Certified to be Effective:** 1-1-12

**Notice Publication Date:** 11-1-2011

**Rules Repealed:** 441-674-0005, 441-674-0100, 441-674-0120, 441-674-0130, 441-674-0140, 441-674-0210, 441-674-0220, 441-674-0230, 441-674-0240, 441-674-0250, 441-674-0310, 441-674-0510, 441-674-0520, 441-674-0910, 441-674-0915, 441-674-0920

**Subject:** This rulemaking repeals the entire division of administrative rules that govern the registration and auditing of appraisal management companies (AMCs). In response to new federal standards for AMCs contained within the Dodd-Frank Wall Street Reform and Consumer Protection Act (Pub. L. 110-203), the Oregon Legislature passed legislation to transfer authority over AMCs from DCBS to the Oregon Appraiser Certification and Licensure Board. HB 2499 takes effect on January 1, 2012. Section 6 of the bill states that DCBS' rules remain in effect until "superseded or repealed by rules" of the ACLB. On December 21, 2011, in a special board meeting, the ACLB voted to adopt rules on a temporary basis that implement the provisions of HB 2499. The rules adopted by the ACLB become effective as of January 1, 2012. In order to ensure continuity for regulated entities, the repeal of the rules contained in the notice will take effect as of January 1, 2012.

**Rule Caption:** Changes to Rates and Form Filing Rules to Reflect Interstate Insurance Product Regulation Commission Membership.

**Adm. Order No.:** ID 20-2011

**Filed with Sec. of State:** 12-16-2011

**Certified to be Effective:** 1-1-12

**Notice Publication Date:** 11-1-2011

**Rules Amended:** 836-010-0000, 836-010-0011

**Rules Repealed:** 836-010-0012

**Subject:** This rulemaking is necessary to implement the requirements of House Bill 2095 (2011 Session) by which the State of Ore-

gon becomes a member of the Interstate Insurance Product Regulatory Commission (IIPRC) on January 1, 2012.

This rulemaking revises the department's rules to reflect Oregon's new status as a member of the IIPRC. The rules remove obsolete references adopted under previous legislation to life insurance, annuities or disability insurance products that the director need not separately consider or review if the form was already approved by the Interstate Insurance Product Regulation Commission. This rulemaking reflect Oregon's new status as a member of the Compact. The rules remove the obsolete references to those earlier approved products and clarify that rates and forms approved by the IIPRC are not subject to the department's rate and form review process.

The rules will take effect on and apply to products filed after January 1, 2012, the date Oregon becomes a member of the IIPRC.

### Statutory Authority and Implementation

(1) OAR 836-010-0000, 836-010-0011 and 836-010-0021 are adopted under the authority of ORS 731.244 and 731.296, to aid in giving effect to provisions of ORS Chapters 737, 742 and 743 relating to the filing of rates and policy forms with the Director. The requirements of OAR 836-010-0000, 836-010-0011 and 836-010-0021 are in addition to any other requirements established by statute or by rule or bulletin of the Department.

(2) OAR 836-010-0000, 836-010-0011, and 836-010-0021 apply to all filings submitted or resubmitted to the Director on or after May 1, 2002.

### Filing, Review of Rates and Forms

(1) Except as provided in this section, this rule applies to filings of all insurers, including health care service contractors as defined in ORS 750.005, multiple employer welfare arrangements as governed by 750.301 to 750.431 and fraternal benefit societies as governed by ORS Chapter 748. This rule does not apply to:

(a) Purchasing group insurance filings.

(b) Negotiated forms as described in ORS 742.003, but only if each of the negotiated forms is issued only to one policyholder, the insurer has determined that the forms comply with benefits and coverages mandated by statute and the forms have a company-assigned form number.

(c) Rates and forms approved by the Interstate Insurance Product Regulation Commission.

(2) An insurer must follow the applicable standards set forth on the Oregon Insurance Division's website, [www.insurance.oregon.gov/insurer/rates\\_forms/rateform.html](http://www.insurance.oregon.gov/insurer/rates_forms/rateform.html), when making rate and form filings, except that if the insurer files electronically on SERFF (System for Electronic Rates and Forms Filing), the insurer must comply with the Oregon standards set forth in SERFF.

(3) An insurer must submit a completed certificate of compliance as provided in this section with each filing of a new or revised rate and each filing of a new or amended form. The insurer must use the certificate of compliance in Exhibit I to this rule. The certificate of compliance must certify compliance with the applicable filing requirements and product standards set forth on the Oregon Insurance Division's website, [www.insurance.oregon.gov/docs/serff/filing\\_requirements.html](http://www.insurance.oregon.gov/docs/serff/filing_requirements.html), or on the SERFF system for Oregon, if filed electronically. The certificate must be accompanied by the applicable product standards form. A certificate of compliance must be completed and signed by:

(a) An officer of the insurer who is authorized by the insurer to do so; and

(b) Signed by the filer who is specifically designated by the insurer to prepare and make the filing.

(4) An insurer filing changes to a form or forms that were previously approved must highlight or otherwise visually call attention to the changes in new or revised forms and must submit a letter explaining the changes.

(5) A filing received for prior approval by the Department that does not contain a certificate of compliance and does not comply with the standards referenced in this rule is incomplete and will be returned to the insurer as disapproved.

### Allocation of Coverage Totals on Multi-state Policies

(1) This rule establishes requirements that a surplus lines licensee must satisfy in connection with the reporting of a surplus lines insurance policy where Oregon is determined to be the home state as defined in ORS 735.405(8), and the requirements that an insured who obtains independently procured insurance must satisfy in connection with the reporting of a surplus lines insurance policy in section 5, chapter 660, Oregon Laws 2011 where Oregon is determined to be the home state.

(2) For each surplus lines insurance policy with coverage starting at any time beginning January 1, 2012 through December 31, 2016 where Oregon is determined to be the home state, each insured who obtains independently procured insurance must include in their written report filed with the Director of the Department of Consumer and Business Services the allocated premium, by coverage for Oregon and other applicable states in accordance with the filing instructions on the Surplus Line Association of Oregon Web site in addition to the filing requirements in section 5, chapter 660, Oregon Laws 2011. Notwithstanding the January 1, 2012 through December 31, 2016 time period referenced above, on or after January 1, 2015 the Director may determine that insureds no longer need to include this allocated premium information in their filed written report.

(3) For each surplus lines insurance policy with coverage starting at any time beginning January 1, 2012 through December 31, 2016 where Oregon is determined to be the home state, a surplus lines licensee must include in their statement filed with the Director the allocated premium, by coverage for Oregon and other applicable states in accordance with the filing instructions on the Surplus Line Association of Oregon Web site in addition to the filing requirements in ORS 735.425(1) and (2). Notwithstanding the January 1, 2012 through December 31, 2016 time period

referenced above, on or after January 1, 2015 the Director may determine that surplus lines licensees no longer need to include this allocated premium information in their filed statement.

(4) The written report required in section 5, chapter 660, Oregon Laws 2011 and the statements required in ORS 735.425(1) must be filed with the Surplus Line Association of Oregon.

### Limited License Application, Portable Electronics Insurance Coverage; Required Information

(1) An applicant for a portable electronics limited license shall submit to the Director of the Department of Consumer and Business Services a portable electronics limited license application on the form entitled "Portable Electronics Insurance Vendor." The form is set forth on the Insurance Division Web site of the Department of Consumer and Business Services at [www.insurance.oregon.gov](http://www.insurance.oregon.gov).

(2) In addition to the requirements in section 2(2)(b), chapter 393, Oregon Laws 2011, the applicant shall include all of the following information in the limited license application:

(a) The applicant's corporate, firm or other business entity name, the business address, e-mail address and telephone number of the principal place of business and the business address and telephone number of each additional location at which the applicant will transact business under the limited license.

(b) All assumed business names and other names under which the applicant will engage in business under the limited license.

(c) Whether any of the following has occurred with respect to the applicant or the employee, agent or authorized representative of the applicant that the applicant is designating as being responsible for the applicant's compliance with chapter 393, Oregon Laws 2011:

(A) Conviction of or indictment for a crime, including a felony involving dishonesty or a breach of trust to which 18 U.S.C. sec. 1033 applies;

(B) A judgment entered against the applicant or person designated by the applicant as being responsible for the applicant's compliance with sections 1 to 7, chapter 393, Oregon Laws 2011, for fraud;

(C) A claim of indebtedness by an insurer or agent, and the details of any such indebtedness; or

# ADMINISTRATIVE RULES

(D) Refusal, revocation or suspension of any license to act in any occupational or professional capacity in this or any other state.

(d) All states and provinces of Canada in which the applicant currently holds a license to engage in the transaction of insurance, or has held such a license within ten years prior to the date of the application.

(e) Whether the applicant has ever filed for bankruptcy or been adjudged a bankrupt.

(f) The syllabus for the training program that is developed by the insurer or supervising entity that issued the portable electronics insurance policy to the limited licensee.

(g) A certification by the supervising entity or the applicant that all employees, agents and authorized representatives to be involved in the issuance, sale or offering for sale of portable electronics insurance coverage to customers have completed or will complete the training program under section 5(1)(b), chapter 393, Oregon Laws 2011, prior to issuing, selling or offering for sale portable electronics insurance coverage.

(h) A certification by the supervising entity or the applicant that a copy of all written disclosure materials, as required under section 4, chapter 393, Oregon Laws 2011, that are currently being made available to prospective customers of portable electronics or have been made available to prospective customers in the past, shall be maintained by the supervising entity or the applicant. This information shall be maintained by the supervising entity or the applicant for a period of seven years and must be provided to the Director, upon request, within 21 calendar days.

(i) Any other information requested by the Director in the license application form.

(3) Each application shall be accompanied by a \$200 fee.

(4) During the review of an application, the Director may require any other information that the Director determines will assist consideration of the application.

### Limited License Renewal

(1) A limited license expires on the last day of the month in which the second anniversary of the initial issuance date occurs. Thereafter, the limited license shall expire on the second anniversary following each renewal.

(2) A limited licensee applying for renewal must submit the following to the Director:

(a) A completed renewal application on the form entitled "Renewal Notice for Portable Electronics Insurance Vendors." The renewal application will be sent by the Director to the limited licensee prior to the expiration of the limited license. If mailed back to the Director, the renewal application must be postmarked by the United States Postal Service or another nationally recognized delivery service not later than the limited license expiration date.

(b) An updated certification by the supervising entity or the limited licensee that all employees, agents and authorized representatives to be involved in the issuance, sale or offering for sale of portable electronics insurance coverage to customers have completed or will complete the training program under section 5(1)(b), chapter 393, Oregon Laws 2011, prior to issuing, selling or offering for sale portable electronics insurance coverage.

(c) An updated certification by the supervising entity or the limited licensee that a copy of all written disclosure materials, as required under section 4, chapter 393, Oregon Laws 2011, that are currently being made available to prospective customers of portable electronics or have been made available to prospective customers in the past, shall be maintained by the supervising entity or the applicant. This information shall be maintained by the supervising entity or the applicant for a period of seven years and must be provided to the Director, upon request, within 21 calendar days.

(d) A renewal fee of \$200.

(3) The Director may allow a limited licensee not more than 30 days after the limited license expiration date to submit missing information on the renewal application form if the renewal application, fees, certification and disclosure materials have been submitted on or before the expiration date.

(4) The Director may request on the renewal application any information requested on the original application for a limited license.

(5) An expired limited license may be renewed up to one year after the limited license expiration date. The fee to renew an expired limited license is \$250.

The rules ensure that the Oregon Insurance Code is consistent with the federal Affordable Care Act, the federal health care reform law signed by President Obama on March 23, 2010. The rules also make changes to Oregon administrative rules to ensure consistency with other state and federal legislation. The changes are generally in these areas:

- Revisions to Oregon's rescission provisions including requirements for the contents of the notice required to be provided to enrollees whose coverage is rescinded, and requirements and timelines for notice of rescissions that insurers must provide to the director of the Department of Consumer and Business Services Division.

- Clarifying when notice requirements are triggered when an insurer takes administrative action to cancel coverage under an individual health benefit plan.

- Implementing the changes made to the state continuation laws including clarifying the requirements of the notice that insurers must send to covered persons and qualified beneficiaries eligible for state continuation coverage; defining or clarifying statutory terms and explaining circumstances under which a person is not considered to be a qualified beneficiary.

- Defining requirements for cultural and linguistic appropriateness in accordance with federal law.

- Implementing changes to Oregon's internal and external review processes for adverse benefit determinations in a manner that is consistent with and approved by federal regulators.

- A number of changes to clarify and make the rules consistent with the statutory changes enacted by Senate Bill 89.

### Rescission of a Group Health Benefit Plan

(1) For purposes of ORS 743.737 and 743.754, "representative" means a person who, with specific authority from the small employer or plan sponsor to do so, binds the small employer or plan sponsor to a contract for health benefit plan coverage.

(2) The notice required by ORS 743.737 and 743.754 and section 4(3), chapter 500, Oregon Laws 2011 (Enrolled Senate Bill 89) to each plan enrollee affected by the rescission must be in writing and include all of the following:

(a) Clear identification of the alleged fraudulent act, practice or omission or the intentional misrepresentation of material fact underlying the rescission.

(b) An explanation of why the act, practice or omission was fraudulent or was an intentional misrepresentation of a material fact.

(c) A statement explaining any rights to grieve or request a review of the decision to rescind coverage.

(d) A description of the health carrier's applicable grievance procedures, including any time limits applicable to those procedures.

(e) A statement explaining that complaints relating to the subject matter of the notice required under ORS 743.737 and 743.754 and section 4(3), chapter 500, Oregon Laws 2011 (Enrolled Senate Bill 89) may be made with the Insurance Division of the Department of Consumer and Business Services by writing to the Insurance Division at PO Box 14480, Salem, OR 97309-0405; by calling (503) 947-7984 or (888) 877-4894; or by email at <http://www.cbs.state.or.us/ins/consumer/consumer.html> or [cp.ins@state.or.us](mailto:cp.ins@state.or.us). The statement shall also explain that complaints to the Insurance Division do not constitute grievances under the health benefit plan and may not preserve a member's rights under the plan.

(f) The toll-free customer service number of the insurer.

(g) The effective date of the rescission and the date back to which the coverage will be rescinded.

(3) Subject to section 3, chapter 75, Oregon Laws 2010 (Enrolled House Bill 3666), a health carrier may provide the required notice for small employer group health insurance or individual health insurance either by first class mail or electronically.

(4)(a) An insurer shall provide to the Department of Consumer and Business Services the notice required by ORS 743.737(8)(c) and (9)(c), 743.754(8)(c) and (9)(c) and section 4(4), chapter 500, Oregon Laws 2011 (Enrolled Senate Bill 89) no later than February 15 of each calendar year. The insurer shall submit the notice electronically in accordance with instructions provided by the department. The notice shall include information related to rescissions for the prior calendar year, including but not limited to the total number of:

(A) Rescission reviews started;

(B) Rescissions completed;

(C) Total rescissions of an entire insurance policy;

(D) Partial rescissions;

(E) Individual policies in force on December 31 of the report year;

(F) Individual health benefit plans that had either a full or partial rescission;

(G) Group health benefit plans in force on December 31 of the report year; and

(H) Group health benefit plans that had either a full or partial rescission.

(b) The notice required under this section may be combined with the notice required under OAR 836-053-0830.

### Rescission of an Individual's Group, Individual or Portability Health Benefit Plan, or Group or Individual Health Insurance Coverage.

(1) Subject to the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, P.L. 99-272, April 7, 1986, and ORS 743.601 and 743.610, for purposes of rescission of a group health insurance policy under ORS 743.737 and 743.754 and section 4(2), chapter 500, Oregon Laws 2011 (Enrolled Senate Bill 89), "rescission" does not include retroactive cancellation or discontinuance of coverage of an enrollee if:

(a) The enrollee is no longer eligible for such coverage;

(b) The enrollee has not paid required premiums or contributed to coverage or any premiums paid have been refunded; and

(c) The insurer is not notified of the enrollee's change in eligibility when the change occurs.

(2) The notice required by section 4(2), chapter 500, Oregon Laws 2011 (Enrolled Senate Bill 89) to the individual whose coverage is rescinded must be in writing and include all of the following:

(a) Clear identification of the alleged fraudulent act, practice or omission or the intentional misrepresentation of material fact underlying the rescission.

(b) An explanation as to why the act, practice or omission was fraudulent or was an intentional misrepresentation of a material fact.

(c) A statement informing the individual of any right the individual has to file a grievance or to request a review of the decision to rescind coverage.

(d) A description of the health carrier's grievance procedures, including any time limits applicable to those procedures if such procedures are available to the individual.

(e) A statement explaining that complaints relating to the subject matter of the notice required under this section may be made with the Oregon Insurance Division at PO Box 14480, Salem, OR 97309-0405; (503) 947-7984 or (888) 877-4894; <http://www.cbs.state.or.us/ins/consumer/consumer.html>; or [cp.ins@state.or.us](mailto:cp.ins@state.or.us) and that such complaints do not constitute grievances.

(f) The toll-free customer service number of the insurer.

(g) The effective date of the rescission and the date back to which the coverage will be rescinded.

(3) Subject to chapter 75, Oregon Laws 2010 (Enrolled House Bill 3666), a health carrier may provide the notice required under section 4(2), chapter 500, Oregon Laws 2011 (Enrolled Senate Bill 89) for small employer group health insurance or individual health insurance either by first class mail or electronically.

(4)(a) An insurer shall provide to the Director of the Department of Consumer and Business Services the notice required by section 4(4), chapter 500, Oregon Laws 2011 (Enrolled Senate Bill 89) no later than February 15 of each calendar year. The insurer shall submit the notice electronically in accordance with instructions provided by the department. The notice shall include information related to rescissions for the prior calendar year, including but not limited to the total number of:

(A) Rescission reviews started;

(B) Rescissions completed;

(C) Total rescissions of an entire insurance policy;

(D) Partial rescissions;

(E) Individual policies in force on December 31 of the report year;

(F) Individual health benefit plans that had either a full or partial rescission;

(G) Group health benefit plans in force on December 31 of the report year; and

(H) Group health benefit plans that had either a full or partial rescission.

(b) The notice required under this section may be combined with the notice required under OAR 836-053-0825.

## Definitions

(1) As used in ORS 743.601, "enrollee" has the same meaning as "covered person" as defined in ORS 743.610.

(2) As used in ORS 743.610:

(a) "Claim" means a request for payment of medical treatment, services, drugs, equipment, or other medical benefit under a health benefit plan.

(b) "Notice" means the notice provided by an insurer to a covered person or qualified beneficiary about continuing group coverage after a qualifying event.

(c) "Qualified beneficiary" does not include:

(A) An individual eligible for Federal Medicare coverage.

(B) An individual eligible for any other group health plan. This limitation does not apply to coverage consisting only of:

(i) Dental, vision, counseling, or referral services;

(ii) Coverage under a health flexible spending arrangement as defined in section 106(c)(2) of the Internal Revenue Code of 1986; or

(iii) Treatment that is furnished in an on-site medical facility maintained by an employer.

(d) "Similar" means a plan that provides benefits that are the same or nearly the same as the coverage provided under the group health benefit plan that is being terminated.

(3) As used in ORS 743.610(7)(a), "coverage" means the benefits provided under a health benefit plan continued by a covered person or qualified beneficiary.

(4) As used in ORS 743.601 and 743.610 "dissolution" includes a separation upon a judgment of separation granted pursuant to ORS 107.025.

## Notifications

(1) For purposes of the notice required by ORS 743.610(10):

(a) An insurer may provide a single notice under ORS 743.610(10) to a covered person and a qualified beneficiary when:

(A) The notice is addressed to the covered person or qualified beneficiary at the last known address of the covered person or qualified beneficiary;

(B) The covered person and qualified beneficiary are eligible for state continuation coverage by virtue of the same qualifying event; and

(C) The covered person and qualified beneficiary have the same last known mailing address.

(b) An insurer that does not require a covered person or qualified beneficiary to complete a form to request continuation of coverage need not include a form in the notice. However, the insurer must provide sufficient instructions to inform the covered person or qualified beneficiary how to apply for continuation of coverage.

(c) An insurer is not required to include premium rates in the notice. However, an insurer that does not provide premium rates for continuation of coverage in the notice must instruct the covered person or qualified beneficiary how and from whom the premium rates can be obtained.

(d) The requirement to provide written notice under ORS 743.610(1) may be triggered either by the notification of a qualifying event received from the covered person or qualified beneficiary under ORS 743.610(5) or notice of the qualifying event submitted to the insurer by the group policy holder.

(e) The enrollment information required to be in the notice under ORS 743.610(10) may instruct the covered person or qualified beneficiary to contact the employer or group for information about additional coverage for which the covered person or qualified beneficiary may be eligible.

(f) The explanation of appeal rights required to be included in the notice under ORS 743.610(1) may be provided by a statement that continuation coverage constitutes continued coverage under the group policy and that the covered person or qualified beneficiary has the same rights to appeal or grieve a decision by the insurer on a medical claim that exists under the group policy unless the group policy has been replaced with coverage that provides different appeal or grievance rights.

(2) Notice provided under ORS 743.610 must include the following information: "Oregon Insurance Division, (503) 947-7984 or (888) 877-4894."

## Statutory Authority and Implementation

(1) OAR 836-053-1000 to 836-053-1200 are adopted under the authority of ORS 731.244, 743.814, and 743.819, for the purpose of implementing ORS 743.804, 743.807, 743.814, 743.817, 743.819, 743.821, 743.829, 743.837 and 743A.012. The filing and reporting requirements in this rule and in OAR 836-053-1070, 836-053-1130, 836-053-1170, and 836-053-1190 apply to all domestic insurers transacting health benefit plans, including health care service contractors, to all foreign carriers transacting health benefit plans who transacted \$2 million or more in annual health benefit plan premium in Oregon, and to other carriers transacting health benefit plans as determined by the Director of the Department of Consumer and Business Services.

(2) When an insurer maintains more than one type of health benefit plan, the insurer shall comply with OAR 836-053-1000 to 836-053-1200 on a plan-by-plan basis.

(3) Not later than June 30 of each year, each insurer shall file with the director for the immediately preceding calendar year the following information as required of the insurer:

(a) An annual summary of the insurer's aggregate data relating to grievances, appeals and applications for external review, required by ORS 743.804 of all insurers;

(b) An annual summary relating to the insurer's utilization review policies, required by ORS 743.807(1) of each insurer that provides utilization review or has utilization review provided on its behalf;

(c) An annual summary relating to the insurer's quality assessment activities required by ORS 743.814(2) of each insurer that offers managed health insurance;

(d) The results of all publicly available federal Health Care Financing Administration reports and accreditation surveys by national accreditation organizations required by ORS 743.814(3)(a) of each insurer that offers managed health insurance;

(e) The insurer's health promotion and disease prevention activities, if any, including a summary of screening and preventive health care activities covered by the insurer, required by ORS 743.814(3)(b) of each insurer that offers managed health insurance. The insurer may submit the summary required in this subsection in the format of the insurer's choosing, including a summary prepared for another purpose. The summary required in this subsection shall include the following activities, to the extent the insurer engages in them, and may include any additional information that the insurer deems significant in describing its health promotion and disease prevention activities:

(A) Tobacco use and cessation;

(B) Cancer screening, including mammography;

(C) Diabetes education and home monitoring;

(D) Immunizations;

(E) Childbirth education and parenting support;

(F) Nutrition;

(G) Cardiovascular health; and

(H) Injury prevention; and

(f) An annual summary relating to the scope of the insurer's network and to the accessibility of services, required by ORS 743.817(1) of each insurer that offers managed health insurance.

(4) In order to minimize duplicative reporting requirements, an insurer may submit a copy of a report prepared for a national accreditation organization to meet the reporting requirements of section (3)(e) of this rule relating to the insurer's health promotion and disease prevention activities, OAR 836-053-1130(1) relating to the insurer's utilization review policies, OAR 836-053-1170(1) relating to the insurer's quality assessment activities and OAR 836-053-1190(1) relating to the insurer's provider network and the accessibility of services. To the extent that a report prepared for a national accreditation organization does not include information required by the department, the insurer must submit an addendum to the report that provides this information.

(5) If information required to be filed annually with the department pursuant to this rule has not changed since an insurer's previous annual filing, an insurer may satisfy the reporting requirements of this rule by indicating that the information has not changed, or if some but not all information has changed, by submitting an addendum to the previous annual filing indicating only the information that has changed since the previous filing. However, every third year the insurer must file all required information, including information that may not have changed since the previous filing. For example, if an insurer made an annual filing in 1998, it is sufficient to indicate in 1999 and 2000 that certain information has not changed since the previous annual filing or to submit an addendum indicating the infor-

mation that has changed, but the filing in 2001 must contain all information required by the department pursuant to this rule.

(6) All filings required in section (3) of this rule must be made electronically.

(7) For purposes of OAR 836-053-1000 to 836-053-1200, "insurer" also includes a health care service contractor as defined in ORS 750.005 and a multiple employer welfare arrangement as defined in ORS 750.301.

(8) OAR 836-053-1000 to 836-053-1200 apply to a self-insured public entity to the extent provided in ORS 731.036.

(9) An insurer shall administer the plan in compliance with ORS 743.804, 743.807, 743.814, 743.817, 743.821, 743.829, 743.837 and 743A.012 and OAR 836-053-1000 to 836-053-1200.

(10) An insurer shall comply with the federal Newborns' and Mothers' Health Protection Act of 1996, as referred to in ORS 743.823 with respect to group health insurance plans and individual health insurance plans.

### Written Information to Enrollees

(1) Each insurer must furnish the written general information to policyholders that is required by ORS 743.804, including but not limited to information relating to enrollee rights and responsibilities, including the right to appeal adverse benefit determinations, services, access thereto and related charges and scheduling, and access to external review, as provided in this rule. An insurer:

(a) Must furnish the information regarding an individual health insurance policy to each policyholder; and

(b) Must furnish the information regarding a group health insurance policy to the group policyholder for distribution to enrollees of the group policy.

(2)(a) The written general information referred to in section (1) of this rule must be included either in the policy or in other evidence of coverage that is delivered to the individual policyholder by the insurer, or in the case of a group health insurance policy, that is delivered by the insurer to the group policyholder for distribution to enrollees.

(b) For purposes of ORS 743.804(2)(g), "continued coverage under the health benefit plan" means coverage of an ongoing course of treatment previously approved by the insurer.

(c) The information required under subsection (a) of this section must include all of the following:

(A) A description of the external review process, including when external review is available and how to request external review. The description must include the phone number of the Oregon Insurance Division.

(B) A disclosure that when filing a request for an external review the enrollee will be required to authorize the release of any records, including medical records of the covered person that may be required to be reviewed for the purpose of reaching a decision on the external review.

(C) A disclosure that the enrollee is financially responsible for benefits paid to or on behalf of an enrollee pursuant to ORS 743.804(2)(g) if the insurer's adverse benefit determination is upheld on appeal.

(D) A disclosure that the enrollee may request and receive from the insurer the information the insurer is required to disclose under ORS 743.804(5).

(3) The written general information must disclose the following in relation to referrals for specialty care, behavioral health services, hospital services and other services, in addition to other relevant information regarding referrals:

(a) If applicable, how gate keeping or access controls apply to referrals and whether and how the controls differ for specialty care, behavioral health services and hospital services; and

(b) Any limitation on referrals if a plan has a defined network of participating providers and if referrals for specialty care may be limited to a portion of the network, such as to those specialists who contract with an enrollee's primary care group.

(4) The written general information must include the information required by ORS 743.699, relating to coverage of emergency medical conditions and obtaining emergency services, including a statement of the prudent layperson standard for an emergency medical condition, as that term is defined in 743.801. An insurer may meet the requirement of providing information in 743.699 by providing adequate disclosure in the written general information required by 743.804(5) and this rule. An insurer may use

the following statement regarding the use of the emergency telephone number 9-1-1, or other wording that appropriately discloses its use:

If you or a member of your family needs immediate assistance for a medical emergency, call 9-1-1 or go directly to an emergency room.

(5) The written general information must include information regarding the use of the insurer's grievance process, including the assistance available to enrollees in filing written grievances in accordance with OAR 836-053-1090 and the utilization review appeal procedures required by ORS 743.807(2)(c). The information must be contained in a separate section of the written information and captioned in a manner that clearly indicates that the section addresses grievances and appeals.

(6) The written general information must include a notice that states the right to file a complaint with or seek assistance from the Director of the Department of Consumer and Business Services. An insurer may use the following statement or other appropriate wording for this purpose:

You have the right to file a complaint or seek other assistance from the Oregon Insurance Division. Assistance is available:

By calling (503) 947-7984 or the toll free message line at (888) 877-4894.

By writing to the Oregon Division of Insurance, Consumer Advocacy Unit,  
PO Box 14480; Salem, OR 97309-0405.

Through the Internet at <http://www.insurance.oregon.gov/consumer/consumer.html>  
By e-mail at: [cp.ins@state.or.us](mailto:cp.ins@state.or.us)

(7) The written general information for an insurance policy providing managed health care must include a description of the procedures by which enrollees, purchasers and providers may participate in the development and implementation of insurer policy and operation.

(8) The portion of the written general information that describes how an insurer makes decisions regarding coverage and payment for treatment or services must include a notice to enrollees that they may request an additional written summary of information that the insurer may consider in its utilization review of a particular condition to the extent the insurer maintains such criteria. The notice to enrollees must include the name and telephone number of the administrative section of the insurer that handles enrollee requests for information.

(9) If a plan has a defined network of participating providers, the written general information must include a list of all primary care providers and direct access providers, and may also include a list of all specialty care providers. For the purposes of this section, a primary care provider or direct access provider is a participating provider under the terms of the plan who an enrollee may designate as the primary care provider for the enrollee or from whom an enrollee may obtain services without referral. The list of providers must include for each provider the provider's name, professional designation, category of practice and the city in which the practice of the provider is located. If the information does not list participating specialty care providers, the information must state that fact and must disclose the manner in which an enrollee may obtain information about participating specialty care providers.

(10) If a plan includes risk-sharing arrangements with physicians or other providers, the written general information must contain a statement to that effect, including a brief description of risk-sharing in general, and must notify enrollees that additional information is available upon request. For the purpose of this requirement, a risk-sharing arrangement does not include a fee-for-service arrangement or a discounted fee-for-service arrangement. An insurer may use the following statement to describe risk-sharing, or other appropriate wording:

This plan includes "risk-sharing" arrangements with physicians who provide services to the members of this plan. Under a risk-sharing arrangement, the providers that are responsible for delivering health care services are subject to some financial risk or reward for the services they deliver. An example of a risk sharing arrangement is a contract between an insurer and a group of heart surgeons in which the surgeons agree to provide all of the heart operations needed by plan members and the insurer agrees to pay a fixed monthly amount for those services.

(11) If the insurer of a plan uses a mandatory closed formulary, the written general information for that plan must prominently disclose and explain the formulary provision. The disclosure and explanation must be in boldfaced type or otherwise emphasized.

(12) The written general information must include a notice disclosing that additional information is available to enrollees upon request to the insurer. The notice must include the name and telephone number of the insurer's administrative section that handles enrollee requests for information. For the notice required in the written general information disclosing information available from the Department of Consumer and Business Services, an insurer may use the following statement, or other appropriate wording:

The following information regarding the health benefit plans of (insurer's name) is available from the Oregon agency:

1. An annual summary of grievances and appeals;

2. (if applicable) An annual summary of utilization review policies;
  3. (if applicable) An annual summary of quality assessment activities;
  4. (if applicable) The results of all publicly available accreditation surveys;
  5. (if applicable) An annual summary of the insurer's health promotion and disease prevention activities;
  6. (if applicable) An annual summary of scope of network and accessibility of services.

### Cultural and Linguistic Appropriateness

(1) All notices and communications required to be provided by an insurer to enrollees under ORS 743.804 and 743.857 must be provided in a manner that is culturally and linguistically appropriate, as required by ORS 743.804. For purposes of this section, an insurer is considered to provide relevant notices in a culturally and linguistically appropriate manner if the plan or issuer meets all the following requirements with respect to the applicable non-English languages as described in section (2) of this rule:

(a) The plan or issuer must provide oral language services (such as a telephone customer assistance hotline) that include answering questions in any applicable non-English language and providing assistance with filing claims and appeals (including external review) in any applicable non-English language.

(b) The plan or issuer must provide, upon request, a notice in any applicable non-English language.

(c) The plan or issuer must include in the English versions of all notices, a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the plan or issuer.

(2) For the purpose of this rule, "applicable non-English language" means, with respect to an address in any United States county to which a notice is sent, a non-English language for which ten percent or more of the population residing in the county is literate only in the same non-English language.

### Definitions

For purposes of grievance procedures under OAR 836-053-1000 to 836-053-1200, and ORS 743.804:

(1) "Complaint" means an expression of dissatisfaction directly to an insurer that is about a specific problem encountered by an enrollee or about a decision by an insurer or by an insurance producer acting on behalf of the insurer and that includes a request for action to resolve the problem or change the decision. "Complaint" does not include an inquiry as that term is defined in this rule.

(2) "Inquiry" means a written request for information or clarification about any subject matter related to the enrollee's health benefit plan.

### Reporting of Grievances; Format and Contents

(1) For the purpose of complying with the requirement in ORS 743.804 that each insurer provide an annual summary of the insurer's aggregate data regarding grievances, appeals and applications for external review, an insurer must report the data required in section (2) of this rule for

grievances closed in the previous calendar year ending December 31. The data must be reported in a format prescribed by the Director of the Department of Consumer and Business Services. For purposes of this rule, a grievance is "closed" if:

(a) The grievance has been appealed through all available grievance appeal levels; or

(b) The insurer determines that the complainant is no longer pursuing the grievance.

(2) The data to be included in the annual summary are as follows:

(a) The total number of grievances closed in the reporting year;

(b) The number of grievances closed in each of the categories listed in section (3) of this rule;

(c) The number and percentage of grievances in each of the categories listed in section (3) of this rule in which the insurer's initial decision is upheld and the number and percentage in which the initial decision is reversed at closure of the grievance;

(d) The number and percentage of all grievances that are closed at the conclusion of the first level of appeal;

(e) The number and percentage of all grievances that are closed at the conclusion of the second level of appeal;

(f) The number and percentage of all grievances that result in applications for external review; and

(g) For each level of appeal listed in subsections (d) and (e) of this section, the average length of time between the date an enrollee files the appeal and the date an insurer sends written notice of the insurer's determination for that appeal to the enrollee, or person filing the appeal on behalf of the enrollee.

(3) An insurer must report each grievance according to the nature of the grievance. The nature of the grievance shall be determined according to the categories listed in this section. The insurer must report each grievance in one category only and must have a system that allows the insurer to report accurately in the specified categories. If a grievance could fit in more than one category, an insurer shall report the grievance in the category established in this section that the insurer determines to be most appropriate for the grievance. The categories of grievances are as follows:

(a) Adverse benefit determinations based on medical necessity under ORS 743.857;

(b) Adverse benefit determinations based on an insurer's determination that a plan or course of treatment is experimental or investigational under ORS 743.857;

(c) Continuity of care as defined in ORS 743.854;

(d) Access and referral problems including timelines and availability of a provider and quality of clinical care;

(e) Whether a course or plan of treatment is delivered in an appropriate health care setting and with the appropriate level of care;

(f) Adverse benefit determinations of otherwise covered benefits due to imposition of a preexisting condition exclusion, source-of-injury exclusion, out-of-network or out-of-plan exclusion, annual benefit limits or other limitations of otherwise covered benefits;

(g) Adverse benefit determinations based on general exclusions, not a covered benefit or other coverage issues not listed in this section;

(h) Eligibility for, or termination of enrollment, rescission or cancellation of a policy or certificate;

(i) Quality of plan services, not including the quality of clinical care as provided in subsection (d) of this section;

(j) Emergency services; and

(k) Administrative issues and issues other than those otherwise listed in this section.

(4) Nothing in this rule prohibits an insurer from creating or using its own system to categorize the nature of grievances in order to collect data if the system allows the insurer to report grievances accurately according to the categories in section (3) of this rule and if the system enables the director to track the grievances accurately.

### Tracking Grievances

An insurer shall record data relating to all grievances, significant actions taken from each initial grievance filing through the appeals process, and applications for external review as required by ORS 743.804, in a manner sufficient for the insurer to report grievances accurately as required by ORS 743.804 and OAR 836-053-1070, and for the insurer to track individual files in response to a market conduct examination or other inquiry by

### Internal Appeals Process

(1) The minimum standards for timeliness of response by an insurer to appeals by its enrollees, for purposes of the system of resolving and appeals required by ORS 743.804 are as follows:

(a) An insurer shall acknowledge receipt of an appeal from an enrollee not later than the seventh day after receiving the appeal;

(b) An insurer shall make a decision on the appeal not later than the 30th day after receiving notice of the appeal.

(2) An otherwise applicable standard for timeliness in section (1) of this rule does not apply when:

(a) The period of time is too long to accommodate the clinical urgency of the situation;

(b) The enrollee does not reasonably cooperate; or

(c) Circumstances beyond the control of a party prevent that party from complying with the standard, but only if the party who is unable to comply gives notice of the specific circumstances to the other party when the circumstances arise.

(3) For adverse benefit determinations eligible for external review under ORS 743.857, an insurer may waive its internal appeals process at any time. If the insurer waives its internal appeals process, the internal appeals process is deemed exhausted for the purposes of qualifying for external review.

### Appeal, Utilization Review Determinations

(1) When a provider first appeals the decision of an insurer to deny treatment or payment for services as not medically necessary or experimental under ORS 743.807(2)(c):

(a) The insurer shall acknowledge receipt of the notice of appeal not later than the seventh day after receiving the notice; and

(b) An appropriate medical consultant or peer review committee shall review the appeal and decide the issue not later than the 30th day after the insurer receives notice of the appeal.

(2) A standard for timeliness in section (1) of this rule does not apply when:

(a) The period of time is too long to accommodate the clinical urgency of the situation;

(b) The provider does not reasonably cooperate; or

(c) Circumstances beyond the control of a party prevent that party from complying with the standard, but only if the party who is unable to comply gives notice of the specific circumstances to the other party when the circumstances arise.

(3) An insurer shall treat an appeal from a decision by a medical consultant or peer review committee pursuant to section (1)(b) of this rule as

an internal appeal under the insurer's grievance procedures under ORS 743.804(3).

(4) Nothing in this rule shall prevent an enrollee from filing an internal appeal under the insurer's regular grievance procedure established pursuant to ORS 743.804 when the grievance concerns an adverse benefit determination, but this rule does not entitle a person not otherwise allowed to file a grievance or to appeal a decision by a medical consultant or peer review committee to file such a grievance or appeal.

### Contracting Requirements

(1) To be considered for contracting with the Director of the Department of Consumer and Business Services as an independent review organization under ORS 743.858 for the purpose of providing independent review under ORS 743.857, an independent review organization must submit to the director a response to the director's request for proposal according to its requirements. The response must include:

(a) For an independent review organization that is publicly held, the name of each stockholder or owner of more than five percent of any stock or options;

(b) The name of any holder of bonds or notes of the independent review organization that exceed \$100,000;

(c) The name and type of business of each corporation or other organization that the independent review organization controls or is affiliated with and the nature and extent of the affiliation or control;

(d) The name and a biographical sketch of each director, officer and executive of the independent review organization and any entity listed under subsection (c) of this section and a description of any relationship the named individual has with:

(A) An insurer;

(B) A utilization review agent;

(C) A nonprofit or for-profit hospital or other health care corporation;

(D) A doctor of medicine or osteopathy, a provider or other health care professional;

(E) A drug or device manufacturer; or

(F) A group representing any of the entities described by paragraph

(A) to (E) of this subsection;

(e) The percentage of the independent review organization's revenues that the independent review organization anticipates will be derived from reviews conducted under ORS 743.862;

(f) A description of the areas of expertise of the medical reviewers making review determinations for the independent review organization, as well as policies and standards of the independent review organization that address qualifications, training and assignment of all types of medical reviewers and that are compliant with requirements of OAR 836-053-1317;

(g) The procedures that the independent review organization will use in making review determinations regarding reviews conducted under ORS 743.862;

(h) Attestations that all requirements will be met;

(i) Evidence of accreditation by a nationally recognized private accrediting organization;

(j) Other documentation, including but not limited to legal and financial information, policies and procedures, and data that are pertinent to requirements of ORS 743.862 and OAR 836-053-1315; and

(k) Any other requirements established by the director that demonstrate the independent review organization's ability to meet all requirements for contracting as an independent review organization in this state.

(2) In order to enable the director to consider the response of an independent review organization under section (1) of this rule:

(a) The independent review organization must authorize release of information from primary sources, including full reports of site visits, inspections and audits; and

(b) The Director may require the independent review organization to indicate which documents demonstrate compliance with specific statutory requirements under ORS 743.862 and OAR 836-053-1315.

(3) Investigation and verification activities of the director regarding the independent review organization may include, but are not limited to:

(a) Review of the response of the independent review organization to the request for proposals and its filings for completeness and compliance with standards;

(b) On-site survey or examination;

(c) Primary-source verification with accreditation or regulatory bodies of compliance with requirements that are used to demonstrate compli-

### Timelines and Notice for Dispute That is Not Expedited

(1) An insurer shall give the Director of the Department of Consumer and Business Services notice of an enrollee's request for independent review by delivering a copy of the request to the director not later than the second business day of the insurer after the insurer receives the request for the independent review. In the event the enrollee applies to the director rather than to the insurer for independent review, the director shall provide the insurer notice of the enrollee's request for independent review by delivering a copy of the request to the insurer not later than the next business day of the department after the director receives the request for independent review.

(2) If an insurer reverses its final adverse determination before expiration of the deadline for sending the notice to the director under section (1) of this rule, the insurer must notify the enrollee not later than the next business day of the insurer after its reversal. The notice to the enrollee may be given electronically, by facsimile or by telephone, followed by a written confirmation.

(3) Not later than the next business day of the department after the director has received a request for independent review from an insurer or an enrollee, the director shall assign the review to one of the independent review organizations with whom the director has contracted. The director shall notify the insurer in writing of the name and address of the independent review organization to which the request for the independent review should be sent. If sending written notice will unduly delay notification, the director shall give the notice electronically, by facsimile or by telephone, followed by a written confirmation.

(4) The director shall notify the enrollee, not later than the second business day of the department after the director gave notice under section (3) of this rule of the assignment of the request. The notice must include a written description of the independent review organization selected to conduct the independent review and information explaining how the enrollee may provide the director with documentation regarding any potential conflict of interest of the independent review organization as described in OAR 836-053-1320.

(5) Not later than the third calendar day following receipt of notice from the director under section (4) of this rule, or the subsequent business day of the department if any of the days is not a normal business day of the department, the enrollee may provide the director with documentation regarding a potential conflict of interest of the independent review organization. The documentation shall be sent in written form. If sending written documentation will unduly delay the process, the enrollee shall give the notice electronically, by facsimile or by telephone, followed by a written confirmation. If the director determines that the independent review organization presents a conflict of interest as described in OAR 836-053-1320, the director shall assign another independent review organization not later than the next business day of the department. The director shall notify the insurer of the new independent review organization to which the request for the independent review should be sent. The director shall also notify the enrollee of the director's determination regarding the potential conflict of interest and the name and address of the new independent review organization.

(6) Not later than the sixth business day of the insurer after the date on which the insurer received notice from the director under section (3) of this rule, the insurer shall deliver to the assigned independent review organization the following documents and information considered in making the insurer's final adverse decision, including the following:

(a) Information submitted to the insurer by a provider or the enrollee in support of the request for coverage under the health benefit plan's procedures.

(b) Information used by the health benefit plan during the internal appeal process to determine whether the course or plan of treatment is:

(A) Medically necessary;

(B) Experimental or investigational; or

(C) An active course of treatment for purposes of continuity of care.

(c) A copy of all denial letters issued by the plan concerning the case under review.

(d) A copy of the signed waiver form, or a waiver, authorization or consent that is otherwise permitted under the federal Health Insurance Portability and Accountability Act or other state or federal law, authorizing the insurer to disclose protected health information, including medical records, concerning the enrollee that is pertinent to the independent review.

(e) An index of all submitted documents.

(7) Not later than the second business day of the independent review organization after receiving the material specified in section (6) of this rule, the independent review organization shall deliver to the enrollee the index of all materials that the insurer has submitted to the independent review organization. The insurer shall provide to the enrollee, upon request, all relevant information supplied to the independent review organization that is not confidential or privileged under state or federal law concerning the case under review.

(8) After receipt of the notice from the director under section (4) of this rule, the enrollee, the insurer or a provider acting on behalf of the enrollee or at the enrollee's request may submit additional information to the independent review organization. In accordance with OAR 836-053-1325(3)(b) the independent review organization must consider this additional information if the information is related to the case and relevant to the statutory grounds for external review contained in ORS 743.857. The independent review organization is not required to consider this information if the information is submitted after the seventh calendar day following the receipt of notice from the director under section (4) of this rule, or the subsequent business day of the independent review organization if any of the seven days is not a normal business day of the independent review organization. Upon receiving information under this section the independent review organization must:

(a) Forward any information provided by the insurer to the enrollee within one business day after the independent review organization receives the information.

(b) Forward any information provided by the enrollee or a provider acting on behalf of the enrollee or at the enrollee's request to the insurer within one business day after the independent review organization receives the information.

(9) The independent review organization shall notify the enrollee, the provider of the enrollee and the insurer of any additional medical information required to conduct the review after receipt of the documentation under section (7) of this rule. Not later than the fifth business day of such a request, the enrollee or the provider of the enrollee shall submit the additional information or an explanation of why the additional information is not being submitted to the independent review organization. If the enrollee or the provider of the enrollee fails to provide the additional information or the explanation of why additional information is not being submitted within the timeline specified in this subsection, the assigned independent review organization shall make a decision based on the information submitted by the insurer as required by section (6) of this rule. Except as provided in this section, failure by the insurer to provide the documents and information within the time specified in section (6) of this rule shall not delay the conduct of the independent review.

(10) An independent review organization must provide notice to enrollees and the insurer of the result and basis for the determination as provided in OAR 836-053-1325 not later than the fifth day after the independent review organization makes a determination in a regular, nonexpedited case.

### Timelines and Notice for Expedited Decision-Making

(1) When an insurer expedites an enrollee's case under ORS 743.857(5), the insurer shall inform the Director of the Department of Consumer and Business Services and the independent review organization that the referral is expedited. If information on whether a referral is expedited is not provided to the independent review organization, the independent review organization may presume that the referral is not an expedited review, but the independent review organization may request clarification from the insurer.

(2) The insurer and the director must expedite external review that is required to be expedited under ORS 743.857(5) when:

(a) An enrollee requests external review before the enrollee has exhausted all internal appeals; or

(b) An enrollee simultaneously requests an expedited internal appeal and an expedited external review.

# ADMINISTRATIVE RULES

(3) An independent review organization shall make its decision in each expedited case within a time period that is appropriate for accommodating the clinical urgency of the particular case, but in any event not exceeding the maximum time period specified in ORS 743.862(3).

(4) In an expedited case, an independent review organization shall immediately provide notice to enrollees and the insurer of the result and basis for the determination as provided in OAR 836-053-1325.

### Ongoing Requirements for Independent Review Organizations

(1) An independent review organization shall file an annual statistical report with the Director of the Department of Consumer and Business Services, on a form specified by the director, that summarizes reviews conducted. The report shall include, but need not be limited to, volumes, types of cases, compliance with timelines for expedited and nonexpedited cases, determinations, number and nature of complaints and compliance with conflict of interests rules.

(2) An independent review organization shall submit updated information to the director if at any time there is a material change in the information included in the response of the independent review organization to the director's request for proposals.

(3) An independent review organization shall maintain records of all materials, including materials submitted by all parties, notifications, documents relied upon, and the independent review organization's ultimate decision for a period of not less than three years after any review. The independent review organization shall provide copies of any of these documents to the director at the director's request.

During the 2009 Legislative Session, the statutory authority for adopting these rules was transferred from DCBS to the Oregon Health Authority. The Oregon Health Authority is proposing to adopt temporary rules that replace this DCBS rule and that make further changes to these rules, rather than relying on the rules in force previously adopted by DCBS. To avoid confusion, the DCBS rule will be suspended until permanent rules are adopted by the Oregon Health Authority, at which time the DCBS rule will be repealed.

**Subject:** The Department of Corrections fully participates in the Interstate Compact for Adult Offender Supervision (ICAOS). These rule modifications are necessary so that the Department may adopt by reference the most current rules published by the Interstate Commission for Adult Offender Supervision.

On March 5, 2011 the department adopted OAR 291-180-0251 and -261, and suspended OAR 291-180-0115, -0125, -0135, -0145, -0155, -0165, -0175, -0185, -0195, -0205, -0215, -0225, -0235, -0245, -0255, -0285, -0295, -0305, -0315, -0325, -0335, -0345, -0355, -0365, -0375, -0385, -0395, -0405, -0415, -0425, -0435, -0445, -0455, -0465, -0475, -0485, -0495, -0505, -0515, -0525, -0535, -0545, -0555, -0565, -0575, -0585, -0595, -0605, -0615, -0625, -0635, -0645, -0655, and -0665, via a temporary rulemaking action.

By this rulemaking action the department permanently adopts OAR 291-180-0251 and 291-180-0261, which apply retroactively to all offenders locating to other states, applying for or receiving interstate compact services under the Interstate Compact for Adult Offender Supervision, on or after August 31, 2011. The department also retroactively repeals OAR 291-180-0115, -0125, -0135, -0145, -0155, -0165, -0175, -0185, -0195, -0205, -0215, -0225, -0235, -0245, -0255, -0285, -0295, -0305, -0315, -0325, -0335, -0345, -0355, -0365, -0375, -0385, -0395, -0405, -0415, -0425, -0435, -0445, -0455, -0465, -0475, -0485, -0495, -0505, -0515, -0525, -0535, -0545, -0555, -0565, -0575, -0585, -0595, -0605, -0615, -0625, -0635, -0645, -0655, effective August 31, 2011.

### Retaken Offenders

(1) An offender who was previously retaken and returned to this state from another state at cost to the State of Oregon, whether by formal or informal means, shall not be approved by the Department of Corrections for an interstate compact supervision transfer under these rules until such time as the offender repays to the State of Oregon all costs incurred by the State of Oregon in effecting the offender's return to this state. Limited exceptions may be granted by the Compact Administrator or designee based on individual circumstances.

(2) This rule applies to all offenders applying for a transfer of their supervision to another state under the Interstate Compact for Adult Offender Supervision (ICAOS) before, on or after January 1, 2012, whose applications have not been previously approved by the Department of Corrections.

## 330-070-0013

### Definitions

For the purposes of Oregon Administrative Rules, Chapter 330, Division 70 the following definitions apply unless the context requires otherwise:

- (1) "AED" – Alternative Energy Device.
- (2) "Active Solar Heating" – A solar system that uses air or water that is moved by pumps or fans to collect, store and distribute the sun's energy to a dwelling or part of a dwelling.
- (3) "AHRI" – Air-Conditioning, Heating, and Refrigeration Institute.
- (4) "Alternative Energy Device" (AED) – A device or system that reduces the amount of conventional energy used by a dwelling.
  - (a) AEDs eligible for tax years prior to January 1, 2012 include, but are not limited to, systems that collect and use solar energy; ground source heat pump systems; certain energy-efficient appliances, energy-efficient heating, ventilating and air conditioning systems; premium efficiency biomass combustion devices, fuel cell systems; alternative fuel vehicles and related alternative fuel devices or wind devices that supply, offset or supplement electricity used for a dwelling or that supply electricity to a utility.
  - (b) AEDs eligible for tax years beginning on or after January 1, 2012 include, but are not limited to, systems that collect and use solar energy; ground source heat pump systems; energy-efficient heating and ventilation systems, premium efficiency biomass combustion devices, fuel cell systems; and wind devices that supply, offset or supplement electricity used for a dwelling or that supply electricity to a utility.
- (5) "Alternative Fuel" – Electricity, natural gas, ethanol, methanol, propane, and any other fuel approved by the Director.
- (6) "Alternative Fuel Device" –
  - (a) Prior to January 1, 2012 an alternative fuel vehicle, equipment necessary to convert a vehicle to use an alternative fuel, or a fueling system necessary to operate an alternative fuel vehicle.
  - (b) Beginning on January 1, 2012 a facility for mixing, storing, compressing or dispensing fuels for alternative fuel vehicles, and any other necessary and reasonable equipment.
- (7) "Annual Fuel Utilization Efficiency" (AFUE) – An efficiency descriptor of the ratio of annual output energy to annual input energy as developed in accordance with the requirements of the U.S. Department of Energy 10 CFR Part 430.
- (8) "Applicant" – A person who applies for a residential alternative energy device tax credit under this section, which may include:
  - (a) A person who files an Oregon tax return and applies for a residential alternative energy device tax credit under this section, or
  - (b) An Oregon Investor Owned Utility (IOU) as defined in ORS 757.005 or its subsidiaries and affiliated interests as defined in 757.015 that is designated by an applicant under (a) to receive the residential tax credit certificate for a qualifying alternative fuel device on behalf of that designated applicant.
- (9) "ARI" – Air Conditioning and Refrigeration Institute.
- (10) "ASHRAE" – American Society of Heating, Refrigerating and Air-Conditioning Engineers.
  - (11) "AWEA" – American Wind Energy Association.
  - (12) "Btu" – British Thermal Unit.
  - (13) "CEF" – Energy Factor for Combined Systems: A non-dimensional descriptor of efficiency for combined space and water heating systems during operation in the water-heating mode only. This part of the three-part rating (which also includes space heating efficiency and combined efficiency) takes into account the standby losses from the storage tank, if any. A higher energy factor denotes better efficiency. Testing is accomplished using the ANSI/ASHRAE 124 test method.

(14) "Coefficient of Performance" (COP) – The ratio calculated by dividing the usable output energy by the electrical input energy. Both energy values must be expressed in equivalent units.

(15) "Combined Annual Fuel Utilization Efficiency" (CAFUE) – The effective efficiency of the combined appliance in performing the function of space heating. A descriptor of efficiency for combined space and water heating systems during operation in the space heating mode only. This part of the three-part rating (which also includes water heating efficiency and combined efficiency) does not count standby losses from the storage tank, if any. A higher AFUE denotes better efficiency. Testing is accomplished using the ANSI/ASHRAE 124-1991 test method.

(16) "Consumer Disclosure" – A department approved form completed by the Tax Credit Certified Technician and provided to the buyer of AEDs, except for energy-efficient appliances and alternative fuel devices, including estimated energy savings of the AED, required conservation items, required maintenance, and freeze protection information.

(17) "Cost" – As defined in ORS 469.160.

(18) "Domestic Water Heating" – The heating of water used in a dwelling for bathing, clothes washing, dishwashing and other related functions.

(19) "Ductless Mini-split Heat Pump" – An air-source heat pump consisting of an outdoor unit connected directly to one or more indoor units where the refrigerant is condensed and conditioned air is delivered directly to the room or zone of a home rather than through a central air handler.

(20) "Dwelling" – means real or personal property inhabited as a principal or secondary residence. "Dwelling" includes, but is not limited to, a single-family residence and an individual unit within multiple unit residential housing.

(a) Principal residence is the dwelling owned by the applicant who on the date of the application has legal title to a dwelling, including the mortgagor under a duly recorded mortgage of real property, the trustor under a duly recorded deed of trust or a purchaser under a duly recorded contract for the purchase of real property, and who inhabits the dwelling for no fewer than 14 days in a calendar year.

(b) Secondary residence is a vacation or other dwelling owned by the applicant that is not the applicant's principal residence.

(c) A dwelling does not include a motor home or recreational vehicle as defined in ORS 446.003.

(21) "Electric Load" – Appliance and lighting exclusive of any water or space heating use.

(22) "Energy Efficiency Ratio" (EER) – EER is calculated by dividing the cooling capacity in Btu per hour (Btu/hr) by the power input in watts at any given set of rating conditions, expressed in Btu/hr per watt.

(23) "Energy-Efficient Appliance" – Prior to January 1, 2012 a clothes washer, clothes dryer, water heater, refrigerator, dishwasher, space conditioning system, solar electric alternating current (AC) module, or any other major household appliance that has been certified by the department to have premium energy efficiency characteristics. On or after January 1, 2012 includes only emerging technologies, such as high-efficiency heat-pump water heaters for domestic hot water, for gas water heaters, ductless heat pumps, high-efficiency furnaces that are at least 95 percent efficient, instantaneous or tankless gas water heaters and heat-pumps, that exceed code as specified in these rules.

(24) "Energy Factor" (EF) – Energy Factor is the ratio of useful energy output from the water heater to the total amount of energy delivered to the water heater. EF is a metric used to compare relative efficiencies of water heaters. The higher the EF is, the more efficient the water heater. EF is determined by the DOE test procedure, Code of Federal Regulations, Title 10, Section 430.

(25) "Energy Yield Chart" – Chart approved by the department showing first year energy yield of an AED.

(26) "Energy Recovery Ventilator" (ERV) – A device or system designed and installed to provide balanced fresh air ventilation for homes with the ability to transfer energy from the outgoing air stream to the incoming air stream that is also capable of at least 30 percent Latent Recovery/Moisture Transfer (LRMT) at 32 degrees F when operating at the lowest fan speed.

(27) "EUI (FURNACE)" – The Energy Use Index for a furnace, used to determine its electric efficiency, and calculated by the following formula, with inputs derived from the appropriate values in the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) Directory of Certified Efficiency Ratings for Heating and Water Heating Equipment:  $(3413 \times \text{EAE}) / [(3413 \times \text{EAE}) + (1,000,000 \times \text{EF})] \leq 2.0$  percent. EAE is the average annual auxiliary electrical energy consumption for a gas furnace in kilowatt-hours per year (kWh/yr). It is a measure of the total electrical ener-

## ADMINISTRATIVE RULES

gy supplied to a furnace during a one-year period. EF is the average annual fuel energy consumption for a gas furnace in millions of Btu's per year (MMBtu/yr).

(28) "EUI (HERV)" – The Energy Use Index for an HRV or ERV, used to determine its electric efficiency, and calculated by dividing a model's power consumption, in watts, by the net supply air delivered, in cubic feet per minute (cfm), while the unit is operating in the lowest speed for which performance data is provided in the Home Ventilating Institute (HVI) Directory.

(29) "FERC" – Federal Energy Regulatory Commission.

(30) "First Year Energy Yield" – Usable energy produced under average conditions by an AED in 12 consecutive months of continuous operation expressed in kWh. Usable energy is the gross energy contribution minus any parasitic energy used to operate the system.

(31) "Fuel Cell Stack" – The portion of a fuel cell system where the electrochemical reactions take place, generally consisting of an anode, an electrolyte, and a cathode and supporting systems bringing fuel to the stack and carrying away the electricity, electrochemical products and thermal energy generated.

(32) "Fuel Cell System" – A system for producing electricity electrochemically and non-reversibly, using a hydrogen rich fuel and oxygen, and producing an electric current, water, and thermal energy.

(33) "Ground Source Heat Pump" – A heating, ventilating and air-conditioning system, also known as a ground source heat pump, earth-coupled heat pump, geothermal heat pump or ground loop AED, that utilizes a subsurface closed loop heat exchanger to extract or reject heat to the earth.

(34) "Heat Recovery Ventilator" (HRV) – A device or system designed and installed to provide balanced fresh air ventilation for homes with the ability to transfer energy from the outgoing air stream to the incoming air stream.

(35) "Heating Season Performance Factor" (HSPF) – The total heating output of a heat pump during its normal annual usage period for heating divided by the total electric power input in watt-hours during the same period. HSPF is measured according to test procedures defined by AHRI in its Standard 210/240 as well as ASHRAE Standard 116 and the DOE Test Procedure in 10 CFR; Part 430, Appendix M (ARI, 2003).

(36) "HUD" – U.S. Department of Housing and Urban Development.

(37) "Hybrid Vehicle" – An alternative fuel vehicle that draws propulsion energy from on-board sources of stored energy that include both an internal combustion or heat engine and a rechargeable energy storage system.

(38) "Hydronic Space Heating System" – A system that uses hot or warm water to deliver heat from a boiler or water heater to the living spaces in a home.

(39) "Installed Output" – The rated capacity of a photovoltaic system measured in average alternating current watts for the purpose of determining the tax credit for systems installed on or after January 1, 2011 or before January 1, 2012. Installed output equals 0.7 multiplied by the rated direct current capacity as measured at standard test conditions.

(40) "IREC" – Interstate Renewable Energy Council.

(41) "kWh" – Kilowatt-hour; 1 kWh = 3413 BTU for purposes of department calculations.

(42) "Latent Recovery Moisture Transfer" (LRMT) – In an HRV or ERV, moisture recovered to the ventilation supply air stream divided by moisture being exhausted, corrected for cross leakage, if any. LRMT = 0 would indicate that no exhausting moisture is recovered for the incoming supply air stream. LRMT = 1 would indicate that all exhausting moisture is transferred.

(43) "MCFC" – Molten carbonate fuel cell.

(44) "Modified Energy Factor" (MEF) – The non-dimensional efficiency rating for clothes washers. This measure, unlike the EF, takes into account the moisture removed from the wash load in the spin cycle, thereby changing energy use in the drying cycle. A higher MEF denotes a more efficient clothes washer.

(45) "MM" – Million (Roman Numeral M = 1000, MxM = 1000 x 1000 = 1,000,000 or 106).

(46) "Net Generation" – The gross kWh produced minus internal losses and parasitic loads. The net generation includes both the amount of generation available to serve dwelling loads and to provide to a utility.

(47) "OG" – Operating guidelines developed by the Solar Rating and Certification Corporation (SRCC) including system performance or component characteristics defined by SRCC in its directory.

(48) "Owner-Built" – An AED that is assembled and installed on an owner's property and with an owner's labor only.

(49) "Parasitic Power" – The electrical energy the system uses to operate.

(50) "Passive" – A solar AED that relies on heated liquid or air rising to collect, store and move heat without mechanical devices.

(51) "Passive Solar Space Heating" – A system or building design that collects and stores solar energy received directly through south facing windows. The system/design is without powered moving parts and includes provisions to collect, store and distribute the sun's energy using only convection, radiation and conduction of energy.

(52) "Pass-Through Amount" – The sum, equal to the present value of the credit, paid to an eligible AED owner in exchange for the right to claim the tax credit. The present value of the tax credit shall be determined periodically by the Director.

(53) "Pass-Through Partner" – An individual or business that pays the pass-through amount to an applicant and receives the tax credit in place of the applicant.

(54) "Pass-Through Verification" – A determination based on information collected by the department that the approved pass-through amount has been provided, that the applicant has relinquished any claim to the tax credit and has assigned the credit to the pass-through partner.

(55) "Peak Power Ratio" – The maximum power available from the electric motor of a hybrid vehicle providing propulsion energy when powered by the rechargeable energy storage system, divided by the total of such maximum power and the SAE net power of the internal combustion or heat engine.

(56) "Performance Checked Duct System" – A forced air duct system that has been tested for duct leakage by a tax credit certified technician using the department's approved testing procedures, and that has been repaired or constructed for premium efficiency using the department's approved materials to reduce duct air leakage. For purposes of the tax credit, performance checked duct systems are considered energy-efficient appliances.

(57) "Performance Checked Heat Pump or Air Conditioner" – A heat pump or air conditioner that has been tested and repaired or serviced for premium efficiency by a tax credit certified technician using department approved procedures to assure that refrigerant charge and system air flow are within ranges recommended by the equipment manufacturer. For purposes of the tax credit, performance tested heat pumps and air conditioners are considered energy-efficient appliances.

(58) "Premium Efficiency Biomass Combustion Device" – Any device that burns wood, compressed wood or other non-gaseous or non-liquid solid fuels of 100 percent organic origin for aesthetic or space-heating purposes.

(59) "PV System" – A complete solar electric power system capable of delivering power to either the main or sub-panel in a dwelling. Necessary components include solar electric modules, inverter, mounting system, and disconnection equipment.

(60) "Seasonal Energy Efficiency Ratio" (SEER) – A measure of the efficiency of a cooling system over the entire cooling season (cooling accomplished divided by power used), expressed in Btu/kWh.

(61) "Solar Attic Fan" – A device that uses photovoltaics to power a fan that pulls hot air out of an attic or roof space. Such a device may either be a complete, all-in-one unit or be comprised of a small photovoltaic panel and a DC powered attic fan designed to be run by photovoltaic panel.

(62) "Solar Domestic Water Heating System" – Any configuration of plumbing equipment and components to collect, convey, store and convert the sun's energy for the purpose of heating water.

(63) "Solar Electric AC Module" – A solar photovoltaic module coupled with a utility interactive inverter. The combined system must be Underwriters Laboratory (UL) listed and meet all current Institute of Electronic and Electrical Engineers (IEEE) 929 requirements.

(64) "SRCC" – Solar Rating and Certification Corporation.

(65) "Sensible Recovery Efficiency" (SRE) – In an HRV or ERV, the measurable (sensible) energy recovered to the ventilation supply air stream minus supply fan and preheat coil energy use divided by the total sensible energy being exhausted plus exhaust fan energy. This measure of efficiency accounts for the effects of cross leakage between air streams, purchased energy for fan controls, and defrost system energy use.

(66) "Standard Test Conditions" (STC) – 25 degrees Celsius cell temperature and 1000 watts per square meter (W/m<sup>2</sup>).

(67) "Sunchart" – A chart or form issued or approved by the department, and completed, signed and dated by tax-credit certified technician showing the plotted path of the sun and any objects, including both plant life and structures, that block the sun from an AED. The viewpoint must be from the center of the lower edge of the collector, and must depict whether

# ADMINISTRATIVE RULES

any plant life is made up of evergreen or leafy trees. A lack of shading on the AED must be indicated in writing on the chart.

(68) "System Certification" – Certification that an AED as described in an application for tax credit meets all criteria for the tax credit.

(69) "System Owner" – A person who owns the AED.

(70) "Tax-Credit Certified Technician" (TCCT) – A technician who has been approved by the department to implement the tax credit program. A tax-credit certified technician is responsible for assuring that AEDs are installed in accordance with the department's rules and must verify system installation quality and performance.

(71) "Tax-Credit Listed Company" – A company that employs at least one tax-credit certified technician.

(72) "Third-party" – means the owner, or the owner's representative, of the alternative energy device for the duration of the third-party agreement.

(73) "Third-party alternative energy device installation" – has the definition given in Oregon Laws 2011, chapter 730, section 70.

(74) "Total Solar Resource Fraction" – The fraction of usable solar energy that is received by the solar panel/collector throughout the year, which accounts for impacts due to external shading, collector tilt and collector orientation.

(75) "Unconditioned Spaces" – An enclosed space within a building that is not a conditioned space or a semi-heated space such as attics, garages, and any space with an average ambient temperature of less than 55 degrees Fahrenheit during the heating season.

(76) "Used Equipment" – Any product or any piece of equipment not under a current manufacturer's warranty or which has been acquired by a previous owner or user.

(77) "Wastewater Heat Recovery Device" – A device designed to recover thermal energy from household wastewater streams for the purpose of returning a portion of this energy to the dwelling's hot water supply system.

(78) "Water Factor" (WF) – The measure of water efficiency in clothes washers, measured in gallons per cubic foot of tub capacity, per cycle (gal/ft<sup>3</sup>/cycle).

(79) "Wind AED" – A qualifying wind energy conversion system that uses wind to produce mechanical or electrical power or energy, including turbines, towers and their associated components needed to form a complete system.

### Pass-Through Eligibility

(1) Any person or business that pays the present value to purchase the approved tax credit from the applicant is eligible to claim the tax credit in place of the applicant.

(2) In accordance with ORS 469.170(10) the department establishes the following rates for calculating the present value of the tax credit:

(a) For tax credits greater than \$1,500 when the pass-through partner is a business, the present value is 80 percent of the tax credit amount.

(b) For tax credits greater than \$1,500 when the pass-through partner is a resident, the present value is 86 percent of the tax credit amount.

(c) For tax credits less than \$1,500 the present value is 95 percent of the tax credit amount.

(3) The department will issue a credit to the pass through partner when the applicant confirms receipt of an equal amount to the present value of the tax credit and relinquishes any claim to the credit.

## 330-070-0019

### Cost

(1) Notwithstanding the definition in OAR 330-070-0013, an applicant who installed eligible AEDs on or after August 1, 2010 and prior to January 1, 2011, other than those under contract on or before August 13, 2010 and installed prior to January 1, 2011, must determine cost by calcu-

lating the amount the applicant paid for design, acquisition, building and installation of the AED, including permit and inspection fees. The cost must include the value of federal tax credits and utility incentives. Cost does not include service contracts, rebates, or refunds.

(2) An applicant:

(a) With an eligible AED installed prior to August 1, 2010 must clearly indicate on the application that the date of installation completion was prior to August 1, 2010; or

(b) With an eligible AED installed on or after August 1, 2010 and prior to December 31, 2010, who have a signed contract dated on or before August 13, 2010, must:

(A) Have provided a copy of the contract for the installation of an eligible AED to the department no later than 5:00 p.m. on Friday, August 27, 2010;

(B) Indicate on the application that the project was completed on or before December 31, 2010; and

(C) Provide the department evidence of the completed installation in the form of a copy of the approved final inspection, dated on or before December 31, 2010, as issued by the local jurisdiction.

(3) The department may grant an additional 15 days for project completion upon the written request of the applicant for good cause shown. The applicant must request the additional time in writing and explain the extenuating circumstances as to why the installation was not completed on or before December 31, 2010. Any project granted the additional time must be completed no later than Friday, January 14, 2011.

### Eligibility

(1) To qualify for a credit, a person must:

(a) Have an income tax liability in Oregon; and

(b) Purchase an AED, complete construction and installation if applicable, and obtain a certification in accordance with OAR 330-070-0010 through 330-070-0097; and

(c) Be the owner or contract buyer of an Oregon dwelling served by the AED, or be a tenant of the dwelling owner; and

(A) Use the dwelling as a primary or secondary residence; or

(B) Rent or lease the dwelling to a tenant who uses the dwelling or dwellings as a principal or secondary residence.

(2) If the basis for the credit is the installation of an energy-efficient appliance, the credit shall be allowed only to the taxpayer who actually occupies the dwelling as a principal or secondary residence.

(3) If the basis for the credit is a fueling station necessary to operate an alternative fuel vehicle, unless the certificate is transferred, the company that constructs the dwelling that incorporates the fueling station or who installs the fueling station in the dwelling may claim the credit. If the alternative energy device is an alternative fuel vehicle or related equipment, the credit must be claimed by the system owner.

(4) Any person that pays the present value of the tax credit for a qualified alternative energy device to the person who originally purchases the device shall be entitled to claim the credit in place of the original credit owner.

(5) For a qualified vehicle owned by a lessor during the period of first use of a new vehicle, the lessor may pass-through the right to claim the credit to the lessee exercising the first new use.

(6) Notwithstanding (1)(b), a residential property owner may qualify for a credit of a third party alternative energy device installation by meeting the following additional requirements:

(a) Installations must include a minimum 10-year agreement between the residential property owner and the third party owner of the AED. The agreement must cover maintenance of the AED and either the use of the AED or the power generated by the AED for the entire length of the agreement.

(b) The third party must comply with OAR 330-070-0029.

(c) The applicant must provide system cost information for third-party AED installations. System cost can be demonstrated by providing either a copy of an invoice for the purchase of the AED by the third party, or a declaration of representative market value for an AED that includes the costs of supply and installation. Such a declaration must include a list of primary system components and their costs.

### Eligible Devices

(1) To earn a tax credit, an AED must:

(a) Be a complete system that is currently operating and meets these rules. Additions to existing AED systems, except for pool, spa, or hot tub systems, are eligible when those additions increase the energy production capacity and the kWh saved by the system;

(b) Be a system that is built, installed, and operated in accordance with ORS 469.160 through 469.180;

(c) Be a system with manufacturers' warranties against defects in products and materials, including remanufactured equipment;

(d) Be a system that complies with general and specific standards in these rules as they apply to AED systems and be one of the following:

(A) A system that uses solar energy;

(B) A ground source heat pump;

(C) A renewable energy system that heats or cools space, heats water, or makes electricity;

(D) An energy-efficient appliance including a wastewater heat recovery device;

(E) An alternative fuel device; For tax years prior to January 1, 2012 this includes vehicles licensed and registered for first new use on Oregon roadways and used vehicles being modified for first new use of a qualifying alternative fuel device.

(F) A fuel cell system;

(G) For tax years prior to January 1, 2012 a heat pump water heater. Beginning January 1, 2012 only heat pump water heaters that meet the Northern Tier specification established by the Northwest Energy Efficiency Alliance for electricity will be eligible;

(H) A premium efficiency biomass combustion device;

(I) A ductless mini-split heat pump;

(J) A Gas Furnace;

(K) A Heat and Energy Recovery Ventilator; or

(L) An Air Source Heat Pump.

(2) The following devices are not eligible for an AED tax credit:

(a) Standard efficiency furnaces;

(b) Standard backup heating systems;

(c) Wood stoves or wood furnaces, or any part of a heating system that burns wood except a qualifying premium efficiency biomass combustion device;

(d) Heat pump water heaters that are part of a geothermal heat pump space heating system;

(e) Structures that cover or enclose a swimming pool and are not attached to the dwelling;

(f) Swimming pools and hot tubs used to store heat;

(g) Photovoltaic systems installed on recreational vehicles;

(h) Additions to existing spa and hot tub systems;

(i) Above ground, un-insulated swimming pools, spas and hot tubs;

(j) Conversions of systems from one type to another. An example is a conversion of a draindown solar hot water system to a drainback solar hot water system;

(k) Used equipment, not including remanufactured equipment that meets program standards;

(l) Repairs and maintenance of systems having received prior certification for an AED tax credit;

(m) Water source heat pump: A system that uses surface or subsurface water in a single pass without recirculation (open loop);

(n) Hydro systems;

(o) Wind systems that are used to heat or cool buildings, or to heat domestic, swimming pool or hot tub water; and

(p) Renewable energy systems that received certification under the Business Energy Tax Credit program as Homebuilder Installed Renewable Energy Facilities or as part of a High Performance Home.(q) Air Conditioning Systems (effective January 1, 2012).(r) Boilers (effective January 1, 2012).

(s) Dishwashers (effective January 1, 2012).

(t) Refrigerators and Freezers (effective January 1, 2012).

(u) Clothes Washers and Dryers (effective January 1, 2012).

## 330-070-0022

### Amount of Tax Credit

(1) The amount of the AED tax credit is based on the first-year energy yield of an eligible AED. The energy yield basis for a solar tax credit may be adjusted by the department to account for less than optimal solar access.

(2) The amount of the AED tax credit shall not exceed the lesser of:

(a) \$1,500 or the first-year energy yield of the AED in kWh multiplied by 60 cents for AEDs used for solar or geothermal space heating, cooling, or domestic water heating for tax years beginning on or after January 1, 1998. The amount of the credit may not exceed 100 percent of the cost of the system components and their installation. Only one tax credit for ground source heat pump systems will be issued per year per residence.

(b) For an alternative energy device used for swimming pool, spa or hot tub heating, the credit allowed must be based upon 50 percent of the cost of the device or the first year's energy yield in kilowatt hours per year multiplied by 15 cents, whichever is lower, up to maximum credit amounts set in subsections (a) through (c) of this section.

(c) For each alternative fuel device, the credit allowed is 25 percent of the eligible cost of the alternative fuel device, not to exceed \$750 for devices placed in service on or after January 1, 1998. Individual credit may be claimed for both an alternative fuel vehicle, if purchased before January 1, 2012, and an alternative fuel fueling system.

(A) Eligible cost is the difference in the cost between a conventional fueled vehicle of similar size with similar features and the cost of an alternative fuel vehicle and its charging or fueling systems.

(i) Conventional fuel vehicles manufactured by the same manufacturer with the same seating capacity and/or cab cubic volume or weight difference that are less than 20 percent, may be used to define eligible costs, provided that other features (upholstery, audio, suspension, body appointment) are similar.

(ii) Low-speed vehicles, as defined under ORS 801.331 (2009 Oregon Vehicle Code) and alternative fuel vehicles capable of using E-85 and gasoline (flex-fuel vehicles) are not eligible for a tax credit.

(d) For fuel cell systems placed in service on or after January 1, 2007, one tax credit may be issued per year per residence based on the first-year energy yield of the AED in kWh multiplied by 60 cents, not to exceed \$6,000 and not to exceed 50 percent of the cost of the system. The maximum credit claimed per year will not exceed \$1,500.

(e) For photovoltaic systems installed on or after November 4, 2005, one \$6,000 tax credit per year per residence for four years (\$1,500 per year) not to exceed 50 percent of the cost of the system as defined in OAR 330-070-0022(4).

(f) For wind AEDs installed on or after January 1, 2007, one tax credit may be issued per year per residence based on the first-year energy yield of the AED in kWh multiplied by \$2.00, not to exceed \$6,000 and not to exceed 50 percent of the cost of the system. The maximum credit claimed per year will not exceed \$1,500.

(3) For an energy-efficient appliance, the credit allowed under this section shall equal:

(a) 40 cents per kilowatt hour saved, or the equivalent for other fuel saved. The total for each appliance is not to exceed 25 percent of the cost of the appliance.

(b) \$50 per 6,000 Btu/hr of nominal rated capacity, up to \$400 or 25 percent of the cost, whichever is less, if the energy-efficient appliance is a very high efficiency air source ductless heat pump.

(4) For photovoltaic systems:

(a) Installed on or after November 4, 2005 and prior to January 1, 2011, the credit allowed under this section shall equal \$3 per watt of the installed capacity measure in watts of direct current at industry standard test conditions.

(b) Installed on or after January 1, 2011 and before January 1, 2012, the credit allowed under this section shall equal \$3 per watt of the installed output. This is equal to \$2.10 per watt of the installed capacity measured in watts of direct current at industry standard test conditions.

(c) Installed on or after January 1, 2012, the credit allowed under this section shall equal \$2.10 per watt of the installed capacity measured in watts of direct current at industry standard test conditions.

(d) A maximum of one credit valued at \$6,000 shall be issued per residence per AED. The maximum amount of credit allowed per year, beginning in the year in which the AED was installed, is \$1,500 per year over a four-year period. The total credit shall not exceed 50 percent of the cost of

# ADMINISTRATIVE RULES

the system. All photovoltaic systems installed at a dwelling within a 5 year period shall be considered a single device.

(5) For premium efficiency biomass combustion devices, the credit allowed under this section shall be up to \$300 or 25 percent of the cost of the device, whichever is less, based upon the efficiency and the first year energy yield of the AED in kilowatt hours multiplied by 40 cents as determined by the department.

(6) The amount of the tax credit must not exceed the net cost of the AED to the applicant. The sum of any rebates or cash payments, including public purpose organization or federal grants or credits and the residential energy tax credit may not exceed costs.

(7) For purposes of the tax credit, the cost of the AED must:

(a) Comply with OAR 330-070-0060 through 330-070-0097, as those rules apply;

(b) Be the net cost of acquiring the system.

(A) AEDs using an alternative energy source for only a part of their energy output or savings will have net cost prorated. Net cost must be based on that part of the AED's energy output or savings that is due to the alternative source;

(B) The department may find an AED to be too large for a dwelling. In such case net cost must be prorated. Net cost must be based on the largest useful size of an AED for the dwelling. The department must determine largest useful size based on the energy needs of the building; and

(C) The amount of credit for the original system and an addition may not exceed \$1,500 per year.

(8) For purposes of the tax credit, the net eligible cost of the AED is only those costs necessary for the system to yield energy savings and must not include:

- (a) Unpaid labor including the applicant's labor;
- (b) Operating and maintenance costs;
- (c) Land costs;
- (d) Legal and court costs;
- (e) Patent search fees;
- (f) Fees for use permits or variances;
- (g) Loan interest;
- (h) Vendor rebates, discounts and refunds;
- (i) Service contracts;
- (j) Cost of moving a used AED from one site to another;
- (k) Cost of repair or resale of a system;
- (l) Any part of the purchase price which is optional, such as an extended warranty; and
- (m) Delivery fees.

### Year Credit Claimed

(1) The tax credit must be claimed pursuant to ORS 316.116.

(2) The tax credit may not exceed a person's tax liability. Unused credit may be carried forward for a maximum of 5 years as allowed under ORS 316.116.

(3) Proof of purchase must be a contract or invoices dated in the year for which the applicant is claiming the credit.

### Application for System Certification

(1) Applicants for a tax credit must obtain a system certification from the department.

(2) Applications for a system certification must be made in a form developed by the department:

(a) All applications must provide all requested information and include a statement that the system and technician or owner-builder will meet all federal, state and local requirements;

(b) All applications must include the applicant's social security number for use as an identification number in maintaining internal records. The applicant's social security number may be shared with the Department of

Revenue to establish the identity of an individual in order to administer state tax law.

(c) All applications must state:

(A) The net cost of the AED;

(B) The location of the AED;

(C) Estimated first-year energy yield of the AED provided by the technician or from the department's energy yield chart, if any; and

(D) That the applicant has received an operating manual for the AED, except that no operating manual is required for sunspaces or direct gain space heating systems.

(d) All applications must state that the technician agrees to make any changes required by the department for the system to comply with ORS 469.160 through 469.180;

(e) All applications must be signed by the applicant and technician, if any, or, a form of electronic signature acceptable to the department shall be provided; and

(f) A technician or applicant must not give the department false or misleading information about an AED.

(g) Applications for third-party installations must include a valid reference number as issued to the third-party by the department under 330-070-0029.

(3) System certification applications for solar water heating AEDs must contain:

(a) All the data required in section (2) and must also include:

(b) The number of collectors;

(c) The manufacturer and/or supplier;

(d) The collector dimensions and/or the net area of the collectors;

(e) The amount of heat storage;

(f) The system type;

(g) Declaration of SRCC certification status or equivalence as determined by the department;

(h) A description of the freeze protection for the system;

(i) A description of the over-heat protection for the system;

(j) The system model;

(k) Orientation and tilt of the collector;

(l) A sunchart for the collector location;

(m) A Consumer Disclosure signed by the applicant and technician or supplier, if any;

(n) A statement that the applicant has received a copy of consumer information supplied by the department; and

(o) Other data the department requires to determine eligibility.

(4) System certification applications for active solar space heating AEDs must contain:

(a) All the data required in sections (2) and (3) of this rule;

(b) A heat loss estimate for the home;

(c) The type and amount of thermal storage;

(d) A sunchart for the collector location; and

(e) Other data the department requires to determine eligibility.

(5) System certification applications for passive solar space heating AEDs must contain:

(a) All the data required in section (2) above and must also contain:

(a) A copy of the building permit plans;

(b) A copy of the window specifications used;

(c) The type and amount of thermal storage;

(d) A sunchart taken at the center of the solar glazing; and

(e) Other data the department requires to determine eligibility.

(6) System certification applications for photovoltaic AEDs must contain:

(a) The data required in section 2 and must also contain:

(b) The number of modules;

(c) The brand name of the module(s);

(d) The module(s) area;

(e) The rated DC output in watts of the module(s) under Standard Test Conditions (STC);

(f) A description of the storage provided if storage is a part of the system;

(g) Storage brand and model;

(h) Storage capacity in kWh;

(i) The brand name of the inverter if an inverter is part of the system;

(j) The capacity of the inverter;

(k) Orientation and tilt of the array;

(l) A sunchart of the array location;

(m) Other data the department requires to determine eligibility; and

(n) Must submit copy of final inspection after system has been permitted by applicant's local jurisdiction.

# ADMINISTRATIVE RULES

(7) System certification applications for ground source heat pumps must contain:

(a) All the data required in section (2) of this rule and must also contain:

- (b) For all systems connected to a well, data on the well including:
  - (A) Depth;
  - (B) Diameter (cased);
  - (C) Temperature;
  - (D) Static water level below grade;
  - (E) A copy of the well driller's log, if available; and
  - (F) Other data the department requires to determine eligibility.
- (c) For systems connected to a heat pump:
  - (A) Brand name and model number of the heat pump;
  - (B) Rated output at the entering water temperature;
  - (C) Estimated system COP rated by ARI under Standard 325 -85 at an entering water temperature of 50 degrees Fahrenheit; and
  - (D) Any other data the department requires to determine eligibility.
- (d) For ground loop heat pump systems:
  - (A) All the information in subsection (7)(b) of this rule; and
  - (B) Brand name, rated output, estimated COP;
  - (C) Length and depth of the loop;
  - (D) Materials and spacing used;
  - (E) Type of heat transfer fluid; and
  - (F) Other data the department requires to determine eligibility.

(8) System certification applications for energy-efficient appliances must contain:

- (a) All the data required in section (2) of this rule and must also contain:
  - (b) The dealer's business location;
  - (c) The brand name, make, model number, capacity and/or size of the appliance;
  - (d) A signed copy of the sales agreement, which will include all of the following:
    - (A) Verification of applicant's name and address; and
    - (B) Verification of model of appliance; and
    - (C) Verification of actual price paid for appliance.
  - (e) Certification of new equipment warranty; and
  - (f) Other data the department requires to determine eligibility.
- (9) System certification applications for alternative fuel devices must contain:

- (a) Taxpayer's name;
- (b) Taxpayer i.d. or social security number;
- (c) State of Oregon vehicle registration number if the device is a vehicle;
- (d) Installation location by street address;
- (e) The name of the licensed and bonded company employing the technician;
- (f) The company's business location;
- (g) The brand name, make, model number, or component list of the AFD;
- (h) A signed copy of the sales agreement, which will include all of the following:

- (A) Verification of applicant's name and address; and
- (B) Verification of model of, or components used for AFD; and
- (C) Verification of actual price paid for the AFD.
- (i) Certification of new equipment warranty;
- (j) An optional letter attached to the application declaring that the applicant designates an Investor Owned Utility (IOU) or other qualifying entity as the eligible recipient of the credit certificate on behalf of the project owner applicant that includes:
  - (A) Name, address, contact person, phone number, facsimile number of the IOU or designated qualifying party; and
  - (B) Signature, or form of electronic signature acceptable to the department, of an authorized representative of the IOU or other designated qualifying party stating willingness to accept the tax credit certificate; and
  - (k) Other data the department requires to determine eligibility.
- (10) System certification applications for fuel cells must provide information regarding:

- (a) The data required in section (2) and must also contain:
- (b) The rated fuel cell stack peak capacity, in kW;
- (c) The rated fuel cell system peak capacity, in kW (this rating includes peak capacity enhancing devices such as batteries and other storage devices or systems);
- (d) Whether or not the system is grid connected;
- (e) The fuel used by the system;

(f) The type of fuel stack (PEM, PAFC, SOFC, etc.);

(g) An estimate of the average load, in kW, expected to be placed on the system;

(h) The thermal energy production rate, in Btu/hour, at peak capacity and at the average load specified in (10)(f) above;

(i) Whether or not the system has provisions for thermal heat recovery, and if so, where the thermal energy is designed to be used (domestic hot water, space heating, etc.); and

(j) Other data the department requires to determine eligibility.

(11) System certification applications for premium efficiency biomass combustion devices must provide information regarding:

- (a) The manufacturer, model, capacity, serial number; and
- (b) The device characteristics defined as catalytic, non-catalytic, or pellet stove or boiler; and
- (c) Vendor name and address; and
- (d) Price paid for the device, any parts or installation; and
- (e) A signed certification from the applicant verifying that any wood burning device which is being replaced has been rendered unusable and will be retired permanently from service; and
- (f) The efficiency and grams of smoke per hour published in the List of EPA Certified Wood Stoves; or
- (g) The efficiency and grams of smoke per hour published in a third-party list approved by the Director in the year in which the device was purchased; or
- (h) A certificate of performance including the grams of smoke per hour and efficiency for the specific manufacturer and model of wood burning device from a currently US EPA certified woodstove testing laboratory.

(i) Other data the department required to determine eligibility.

(12) A system certification may be transferred by an applicant who does not qualify for tax relief to the first eligible buyer of the dwelling.

(13) For a third party financed system, the application must provide copies of an energy purchase or lease agreement and full service maintenance agreement.

## 330-070-0026 Technician Tax Credit Certification

(1) Technicians may apply for the department's tax-credit certification for a technology listed in subsection (2) of this section. Certification is intended to assist consumers with the state tax credit program, ensure that the systems are installed according to department rules, and verify system installation quality and performance. Technician certifications are valid for three years and must be renewed to remain in effect.

(2) A tax-credit certified technician applies only to the following products:

- (a) Solar water heating systems;
- (b) Ground source heat pumps (geothermal);
- (c) Photovoltaic systems;
- (d) Performance-tested ducts; and
- (e) Air source heat pumps/air conditioning systems.

(3) The tax-credit certified technician's qualification is based on the following:

- (a) Knowledge and understanding of the tax credit program requirements and expectations;
- (b) Ability to provide systems that are designed and installed consistent with the manufacturer's warranty; and
- (c) Employment by a company with a Construction Contractors Board (CCB) license.

(4) Those who do not maintain these competencies are subject to revocation of the certification.

(4) A Tax-credit certified technician qualification entitles a technician to:

- (a) Inform the AED system owner that he or she has attended the department's periodic training classes and is familiar with the rules and requirements of the Residential Energy Tax Credit Program.
- (b) Verify that installation of tax-credit qualified equipment and systems meet department standards for performance and longevity.

(5) Tax-credit certified technician status requires that the technicians must follow department requirements including:

# ADMINISTRATIVE RULES

(a) Duct and air-source heat pump/air conditioning technicians must have a current or valid certification with Performance Tested Comfort System (PTCS) or Proctor Engineering CheckMe! Programs.

(b) Solar technicians must show a valid or current (North American Board of Certified Energy Practitioners-NABCEP certification or Limited Renewable Energy Technician (LRT) license for solar electric, Solar Thermal License (STL) for solar thermal, or pass the department's competency testing with a score of 70 or above for the technology. On or after May 4, 2009, new applicants for tax credit certified solar technicians must show NABCEP photovoltaic (PV) certification or successfully passed the NABCEP PV Entry-Level Exam or Limited Renewable Energy Technician (LRT) license or Solar Thermal License (STL) or other certification approved by the Director to be a tax credit certified solar technician. On and after May 4, 2010 all tax credit certified solar technicians must show proof of appropriate NABCEP or LRT or STL certification or other certification approved by the Director to maintain their tax credit solar certification with the department.

(c) First-time geothermal technician applicants must show proof of successful completion of International Ground Source Heat Pump Association training (IGSHPA) or IGSHPA certified manufacturer's installer training program or other training approved by the Director.

(d) Solar and geothermal tax credit certified technician applicants must participate in periodic department tax-credit training at least once every three years unless otherwise specified in department rule..

(e) Technicians must verify the AED owner has user manual for equipment/system.

(f) Technicians must provide the AED owner with a completed application and a copy of the final itemized dated invoice for the system that is marked "inspected and paid for." Verify owner has a written full warranty for the system that lasts no less than 24 months after the system is installed.

(g) Technicians must maintain tax-credit certification status by completing the following technology-specific requirements during the previous three years:

(A) For solar technology:

(i) Submit and approve two (2) Residential or Business Energy Tax Credit applications for systems in technology in which technician is certified and complete four (4) hours of related technical continuing education; or

(ii) Submit and approve one (1) Residential or Business Energy Tax Credit application for system in technology in which technician is certified and complete six (6) hours of related technical continuing education; or

(iii) Complete eight (8) hours of related technical education.

(B) For air source heat pumps/air conditioning: Must have a current or valid certification with PTCS or Proctor Engineering CheckMe! Programs.

(C) For performance tested duct systems: Must have a current or valid certification with PTCS.

(D) For ground-source heat pumps: Have submitted and approved a minimum of one (1) tax credit application or proof of having completed at least two hours of relevant installer training, community college HVAC course, or other training approved by the Director.

(6) Tax credits for installation of air source heat pumps/air conditioning systems, performance-tested ducts, geothermal systems, solar electric and solar thermal systems must be verified by a department tax-credit certified technician.

(7) A tax-credit certified technician must notify the department within 30 days if changes are made in any of the information in the certification application.

(8) The department will list companies employing duct and air-source heat pump/air conditioning technicians. A listed company must:

(a) Employ a tax credit certified technician who has a valid or current certification with PTCS or Proctor Engineering CheckMe! Programs.

(b) Apply in writing and renew their listing on an annual basis.

(c) Have a minimum of two key administrative staff participate in the department's periodic update training.

(d) Tax credit certified technicians that do not meet the minimum requirements are suspended for one-year after which they may reapply.

### Application Review Process

(1) The department must review applications for AED tax credit approval. AEDs must comply with OAR 330-070-0010 through 330-070-0097. Specific rules for each type of AED are provided in OAR 330-070-0060 through 330-070-0097.

(2) The department will return applications that are not complete and will identify the additional information needed.

(3) The department may require more details to complete its review of an application.

(a) If the department requests additional data and does not receive it within 30 days the department may deny the application;

(b) During review, the department may ask for proof that the AED complies with OAR 330-070-0010 through 330-070-0097. The department may also ask for changes to allow the AED and application to comply with these rules.

(4) To obtain the information needed to evaluate an application or to verify eligibility and first year energy yield, the department may, with the owner's consent, inspect an installed AED:

(a) The department may deny a system certification or request Department of Revenue (DOR) to initiate proceedings for the forfeiture of a tax credit if an owner refuses to allow the department to inspect the AED;

(b) The department may require corrections to make the AED or tax credit application comply with OAR 330-070-0010 through 330-070-0097 to be made within 30 days; and

(c) If such changes are not made within this time limit, the department may reject the application.

(d) The department may use the results of utility inspections in lieu of its own inspection.

(5) The department may reject any application if the AED does not comply with ORS 469.160 through 469.180 and OAR 330-070-0010 through 330-070-0097. The department will explain all rejected applications in writing. Approved requests for lesser cost than claimed by the applicant will also include a written explanation of the basis for the determination.

(6) If the department rejects an application for system certification or approves a certification for lesser cost than claimed by the applicant, an applicant may appeal the rejection. The appeal must be filed within 60 days of the mailing of the rejection notice by the department, in accordance with ORS 183.310 through 183.500.

(7) If the department receives an application(s) for a qualifying alternative fuel device accompanied by a letter from the applicant designating an IOU or other qualifying party as the recipient of the tax credit certificate, then the department may aggregate such applications and issue a single tax credit certificate to designated qualifying party quarterly for applications for projects to be completed in that calendar year.

### Third-Party Alternative Energy Device Installations

(1) A third-party who intends to complete a third-party alternative energy device installation must obtain a reservation before commencing installation.

(2) The third-party must apply to reserve potential tax credits by submitting a completed reservation request to the department. A reservation request may only be submitted after the owner of the residential property has entered into a contract for a third-party alternative energy device installation. The reservation request must contain the information required by the department on its form, but may be submitted in an alternative format.

(3) The department may require the third-party to provide a copy of the signed contract at any time after the submission of a reservation request. Failure to provide requested documents within 30 calendar days may result in the loss of reservations made by the third-party.

(4) A third-party may request the reservation of up to 25 potential tax credits in each reservation request, and may submit one request each week.

(5) The department will reserve the requested potential tax credits from the amount allowed by Oregon Laws 2011, chapter 730, section 75 and will provide the third-party with a reference number for each potential tax credit. The owner of the residential property at which the alternative

# ADMINISTRATIVE RULES

energy device is installed must include the reference number on their tax credit application.

(6) A third-party may release a reservation by submitting a written request, including the reference number, to the department. If reservations are released in the same tax year they are reserved the department will re-allocate the potential tax credits to new reservation requests in the order the requests are received. Reservations of potential tax credits may not be transferred.

(7) The department will continually monitor the rate of allocation of tax credits to ensure that the total amount of tax credits do not exceed the amounts specified in Oregon Laws 2011, chapter 730, section 75. The department will allocate potential tax credits according to these rules and in the order in which requests are received. The department will return any excess reservation requests. A third-party may not commence installation until a reservation is issued by the department.

(8) The department will issue tax credits based on the year the potential tax credit is reserved if the installation is completed, as verified by an approved final inspection issued by the local jurisdiction, before April 1 of the following tax year. Tax credits for installations completed after April 1 of the tax year following reservation will be issued for the tax year in which the installation is completed.

(9) Reservation of potential tax credits does not guarantee approval of tax credit applications.

### Enforcement

(1) Applicant's actions that cause for revocation of a residential alternate energy tax credit:

(a) A system certification may be revoked pursuant to ORS 469.180 if the Director finds that:

(A) The applicant obtained the system certification as a result of misrepresentation;

(B) The AED has not been installed or operated in substantial compliance with the plans, specifications or procedures specified in the application or certificate, such as:

(i) Failure to follow applicable standards;

(ii) Failure to comply with required codes or obtain required permits or inspections;

(iii) Return of the AED to the seller or installer for a refund;

(iv) Sale or removal of the device so that it no longer operates on the property of the applicant; or

(C) The applicant refuses to allow the department to inspect the AED after a reasonable written request by the department. A reasonable request must allow applicant to choose a day within three weeks of the request from the department.

(b) Following revocation, the applicant must forfeit the tax credit, and the department of Revenue must proceed to collect any taxes not paid by the taxpayer because of this credit.

(2) A technician's tax credit certification may be revoked pursuant to ORS 469.180 if the Director finds that:

(a) The system or technician tax-credit certification was obtained by fraud or misrepresentation by the technician. The Director may find that fraud or misrepresentation occurred if false statements were made regarding the technician's licenses held, products or warranties carried by the tax-credit certified technician's employing company, the company's range of product cost, personnel employed in the business, or any other item in the application for technician tax-credit certification as defined in OAR 330-070-0026.

(b) The technician's performance regarding sales or installation of the alternative energy device for which the technician is issued a tax credit certificate under ORS 469.170 does not meet industry standards. The Director may find that the technician's performance does not meet industry standards under the following conditions:

(A) The technician's employing company is not registered with the Construction Contractors Board or does not carry the required level of insurance, licensure or bonding; or

(B) The technician and/or employing company fails to obtain the required state, federal or local permits required to install the AED as defined in OAR 330-070-0040; or

(C) The technician fails to install the AED system in compliance with standards adopted under OAR 330-070-0060 through 330-070-0097; or

(D) The technician fails to install the AED system to comply with manufacturers' published specifications; or

(E) The technician and employing company fail to honor contract provisions when there is no legitimate excuse for nonperformance of the obligation; or

(F) The technician and employing company fail to honor a warranty which they are contractually obligated to perform; and

(G) The technician and/or employing company fail to make corrections to remedy failure to comply with paragraphs (A) through (G) of this subsection requested by the department within 30 days of written notification from the department of the problem, unless a time extension is granted by the department.

(H) A tax credit for an AED sold or installed under the technician tax-credit certification is ordered revoked under subsection (2)(a) of this rule; or

(I) New information indicates that the AEDs installed under the technician tax-credit certification and his or her employing company does not meet eligibility requirements.

(c) The technician or employing company has misrepresented to the customer either the tax credit program or the nature or quality of the alternative energy device. The Director may find that the technician or employing company has misrepresented the tax credit program or the AED under the following conditions:

(A) The technician or employing company has provided false or misleading information to the customer regarding the availability of the tax credit, amount and nature of the tax credit, procedures for tax credit application, eligibility standards for credit, or any other misleading information about the program implemented under ORS 469.160 through 469.180; or

(B) The technician or employing company has misrepresented the nature of the performance of the AED or claimed savings in excess of those on a yield chart without providing accurate calculations to the customer and to the department to substantiate the yield. For geothermal heat pumps, the technician or employing company has claimed savings higher than other units of similar efficiency; or

(C) The technician or employing company has misrepresented the cost of a system. For example, the technician or employing company omits costs in the contract for features necessary for basic installation and/or operation of the system and/or costs to comply with the AED eligibility under ORS 469.160 through 469.180; or

(D) The technician or employing company has misrepresented a competitor's product or service; and

(E) The technician or employing company fails to make corrections requested in writing to the department to remedy violations of (A)-(D) of this subsection within 30 days, unless more time is allowed by the department; or

(F) The technician or employing company fails to remedy the construction and/or warranty claim as directed by order of the Construction Contractors Board.

### Administrative Process for Review and Revocation of Technician Tax Credit Certification

(1) If ODOE receives a complaint, the tax-credit certified technician and employing company must be notified and given an opportunity to respond.

(a) If the complaint relates to issues that the Construction Contractors Board (CCB) has authority to resolve, the complaint must be referred to the CCB for resolution. The CCB generally has authority to address construction, warranty claims or complaints involving dishonest or fraudulent conduct. Failure to comply with the order of the CCB must be grounds for revocation of technician tax-credit certification or civil penalty.

(b) In all other cases, ODOE must evaluate the technician's or employing company's response and determine whether a violation occurred. ODOE must notify the technician and employing company of its determination and, if appropriate, the necessary remedy. ODOE must give the technician and employing company 30 days to remedy a violation. ODOE may grant the technician and employing company additional time where appropriate.

(2) If the technician and employing company do not take appropriate action within the time specified, ODOE must begin enforcement proceed-

# ADMINISTRATIVE RULES

ings. An enforcement proceeding may be brought to revoke the technician tax-credit certification, remove company name from ODOE listing, and/or to impose a civil penalty.

(3) ODOE must commence an enforcement proceeding by sending the technician and employing company a notice of violation. The notice must describe the violation(s) and notify the technician and employing company of the proposed penalty (revocation and/or civil penalty).

(4) Civil Penalties: The technician and employing company may be subject to a civil penalty if a system certification or technician tax-credit certification is revoked by the Director. The amount of the penalty must be the total amount of tax relief estimated to have been provided to purchasers of the system for which a system or technician tax-credit certification is revoked under this rule.

(5) Before the Director imposes a penalty, the technician and/or employing company must be given 21 days in which to request a hearing pursuant to ORS 183.310-183.550 and the Attorney General's Uniform and Model Rules of Procedure, January 1, 2006 edition. The hearing will be to contest the revocation of a system or technician tax-credit certification based on actions listed under OAR 330-070-0045.

(6) Re-application: To reapply after the revocation of a technician tax-credit certification, the technician and employing company must prove to the satisfaction of the department that the problem causing revocation has been corrected. Revocation must be in effect for at least one year before that technician or employing company or any other firm with any of the same shareholders may reapply for certification.

## 330-070-0060

### Solar Domestic Water Heating AEDs

(1) Installations must be of professional quality, comply with all applicable state, county, or local codes and regulations and be verified by a tax-credit certified solar technician.

(2) Consumers who purchase a solar water heating system must receive written operating and maintenance instructions. These instructions must be plainly mounted/displayed on or near the solar storage or backup water-heating tank. These instructions must at a minimum include:

(a) Clear instructions on how to determine if the system is functioning properly;

(b) Description and recommended frequency of homeowner maintenance;

(c) Diagram of the system noting location of valves and monitoring devices;

(d) What to do and who to call in an emergency and when the system needs professional maintenance and repairs; and

(e) How to protect the system from overheating due to stagnation during periods when the system is not in use during the summer months.

(3) System designs and installations must comply with the following additional requirements:

(a) Collectors and piping must be securely mounted to withstand local wind loads;

(b) Piping and pump sizing must consider collector area, total flow rates, pressure drop across collectors, length of run from collectors to pump, and maximum allowable pressure drop for the system;

(c) Pipe insulation must be installed on all solar pipe runs and protected against damage from exposure in outdoor conditions and be rated for design condition temperatures;

(d) Any building insulation disturbed due to the system installation must be restored to previous condition;

(e) For systems using pressurized anti-freeze fluids, a pressure gauge must be installed to indicate pressure in the system; and

(f) Piping containing pressurized water in attics 24 hours a day must be of the appropriate material allowed by applicable Oregon plumbing codes. A minimum number of fittings must be used in the attic, and the fittings shall be copper or brass.

(g) Pipe materials (e.g. copper, PEX, polybutylene) must be capable of handling the temperature ranges that they will be exposed to (e.g. freezing or collector stagnation).

(4) Freeze protection must be provided for systems where the heat transfer fluid may freeze. The freeze protection method must follow these rules:

(a) The method must be clearly stated in the owner's manual.

(b) The method must work in the absence of utility electric power.

(c) Systems using tanks, piping, pumps and other components containing water in unheated spaces must be adequately protected from freezing.

(d) Recirculation is not an acceptable freeze protection measure, unless the collector used is a heat pipe type.

(e) Drain-down or manual drain systems are not acceptable freeze protection methods for solar domestic water heating systems.

(f) Thermosyphon systems may not connect power to the electric element in roof-mounted tanks as a freeze protection or backup measure.

(5) The annual energy requirement for domestic water heating must be reduced by setting the water heater thermostat to 120 degrees F.

(6) A method to show that the system is operating correctly must be provided.

(a) For passive systems this must be a thermometer in line between solar storage and backup tank.

(b) For an active system this must be a flow meter in the supply line to the collectors and a thermometer on the outlet port of the solar storage tank.

(c) Equipment meeting this requirement must:

(A) Be a permanent part of the system;

(B) Not require any special tools or equipment to monitor; and

(C) Be in an accessible location.

(7) The costs listed in subsection (8)(a) through (j) of this rule do not include all eligible costs. Other costs will qualify if justified to the department's satisfaction as part of a solar water heating AED. Only total systems will qualify for the tax credit.

(8) Eligible costs include:

(a) The cost of solar collectors;

(b) The cost of thermal storage devices;

(c) The cost of ductwork, piping, fans, pumps and controls that move heat from solar collectors to storage and to heat buildings;

(d) The cost of monitors, meters and controls;

(e) The cost of photovoltaic devices used to supply electricity to parts of the system;

(f) Installation charges;

(g) Fees paid for design or building;

(h) The cost of swimming pool blankets, if they are installed with a solar pool heating system;

(i) The cost of hot water conservation measures installed with a water heating AED; and

(j) Up to \$200 of the cost of solar access easements. A certified copy of the recorded easement and proof of the cost must be submitted with an application.

(9) Annual energy savings will be based on the annual performance simulations provided by the Solar Rating and Certification Corporation (SRCC) modified for conditions required under state law.

(a) OG-300 systems that meet the department's approval do not have to be on the yield chart if there has been no request by a tax-credit certified technician that they appear on the yield chart.

(b) For the purposes of determining the tax credit, the annual energy savings will be reduced by:

(A) 25 percent if the total solar resource fraction for the site is less than 75 percent, and by 100 percent if the total solar resource fraction for the site is less than 50 percent for systems completed prior to January 1, 2011.

(B) 100 percent if the total resource fraction is less than 75 percent for systems completed on or after January 1, 2011.

(10) All systems must meet the standards established by the SRCC OG-300 system certification in effect at the time the rules are adopted, or equivalent requirements as determined by the Director.

(a) Prior to January 1, 2011, temporary authorization will be granted to non-OG-300 systems under a special "Research & Development" status. The department will extend this temporary authorization for up to 12 systems of a specific design. The solar technician will need to submit a complete copy of the system design and operation documents provided to the consumer to the department for approval. The department shall determine that such system will perform well under the conditions it is designed for and will likely last in excess of 15 years without replacement of major components. Tax credit amounts under this status will be determined by the department based on 90 percent of the estimated annual energy output. On or after January 1, 2011, the temporary authorization provided in this section expires.

(b) Prior to January 1, 2011, temporary authorization may be extended to non-OG-300 systems under an "OG-300 Applicant" status providing

# ADMINISTRATIVE RULES

the system manufacturer is currently applying for OG-300 certification from SRCC. The department will extend an unlimited quantity of systems to be installed in a 12-month period, providing the department has reviewed a copy of the SRCC application and determined it to be reasonably likely to achieve OG-300 certification within the 12-month period.

(c) On or after January 1, 2011, temporary authorization may be extended to non-OG-300 systems under an "OG-300 Applicant" status the system must comply with all local codes and the manufacturer must have submitted an application to the SRCC for OG-300 certification. The department must review and approve a copy of the SRCC application including the operations manual prior to the installation of the system.

(11) All technician tax-credit certified-installed systems must:

(a) Include an O&M manual which specifies installation instructions, operation instructions, maintenance plan, fluid quality, service and replacement parts, hazards, and warranty coverage;

(b) Provide clear labeling of on/off/bypass controls and safety issues;

(c) Have a means of indicating proper operation of the solar water heating system (flow indicators/meter or thermometers);

(d) Be installed to meet local building codes; and

(e) Have a tempering valve to prevent greater than 120 degree F. water downstream of the valve.

(12) Systems shall be installed with the OG-300 certification sticker located on the manual cover. The manual and any supporting documentation shall be placed in a waterproof, clear plastic bag located on or near the solar or domestic hot water heater.

(13) Owner-built and site-built domestic water heating systems must meet testing requirements. The department may evaluate the system design and assign it a yield based on 50 percent of its estimated annual energy performance. Owner-built and site-built domestic water heating systems must be tested by a TCCT or a verifier approved by the department.

### Photovoltaic AEDs

(1) Installations must be professional quality, comply with all applicable Oregon codes and be verified by a tax-credit certified solar technician.

(2) System size shall be determined by the sum of all the photovoltaic module DC wattage ratings under standard test conditions (STC).

(3) The minimum system size must be 200 Watts DC output under STC.

(4) Photovoltaic AED costs eligible for the tax credit include the cost of:

(a) Photovoltaic modules;

(b) Inverters;

(c) Storage systems and regulators;

(d) Monitors, meters, and controls;

(e) Wiring and framing materials;

(f) Trackers;

(g) Installation charges; and

(h) Permits and fees, including up to \$200 of the cost of solar access easements. A certified copy of the recorded easement and proof of the cost must be submitted with an application.

(5) For the purposes of determining the tax credit, the annual energy savings will be reduced by:

(a) 25 percent if the total solar resource fraction for the site is less than 75 percent and by 100 percent if the total solar resource fraction for the site is less than 50 percent for projects completed prior to January 1, 2011.

(b) 100 percent if the total solar resource fraction for the site is less than 75 percent for projects completed on or after January 1, 2011.

### Ground-Source Heat Pump

(1) Only total systems will qualify for a tax credit. All systems must comply with OAR 330-070-0025 and 330-070-0040 and be of closed loop design and operation. See also OAR 330-070-0027.

(2) Systems must limit waste of the resource.

(3) Systems must not have adverse effects on:

(a) Other systems; and

(b) Water quality applying the standards of the Department of Environmental Quality.

(4) Systems must not create hazards such as:

(a) Steam or water vapor;

(b) Vapors or odors;

(c) Noise; and

(d) Hazardous wellhead design.

(5) System parts must have adequate:

(a) Structural strength;

(b) Resistance to weather and fire;

(c) Ease of upkeep; and

(d) Durability.

(6) No system will cause harmful physical effects on people or unwanted tastes or odors.

(7) Some heat transfer fluids need special handling. These include toxic, corrosive, and explosive fluids. Such fluids shall only be used when the system is designed to safely handle them.

(8) Under normal operation, any part of a system that may be touched by people must be cooler than 141 degrees F. If this cannot be done, any part that reaches more than 140 degrees F. must have warning labels. Each system must include a device to limit water for domestic use to 140 degrees F.

(9) Each system and nearby structures must be protected against pressures, vacuums and temperatures.

(10) Systems must fully protect drinking water as specified in the Oregon Plumbing Specialty Code.

(11) Systems must use storage tanks built by accepted methods. Each tank must be tested for leaks.

(12) Expansion and contraction due to changing heat levels must not cause undue strain or distortion.

(13) Systems that use heat transfer fluids that may freeze must have freeze protection.

(14) Systems must use accepted methods to guard against the known corrosion/scaling level of the water.

(15) Systems must also be designed for the least effect on groundwater.

(16) Ground loop systems must cover enough ground to meet total annual heating requirements, as required by manufacturers' recommended design standards. Ground loops used for cooling must restore soil moisture.

(17) Downhole heat exchangers (direct use geothermal systems) must include a summary report from Oregon Institute of Technology or other source approved by the Director which describes the system and indicates that it will deliver sufficient heat and the design meets current good practice guidelines. They will be reviewed on a case-by-case basis.

(18) The system COP must be at least 3.3 for closed loop systems and 3.5 for direct expansion (DX) systems, including energy used by pumps. COP shall be determined by the following methods:

(a) For water source heat pumps, the COP must be determined in accordance with ARI Standard 325-85, at an entering water temperature of 50 degrees F.

(b) For water source or ground loop heat pumps using ambient surface water as an energy source and for solar assisted heat pumps, the COP must be the measured ratio of the heating season energy output divided by the heating season energy input. Both energy values must be expressed in the same units.

(19) All other types of ground source heat pumps must be reviewed on their COP.

(20) Bermed or earth covered buildings will not qualify for the geothermal tax credit.

(21) All ground source heat pumps must include setting the water heater thermostat to 120 degrees F as a hot water conservation measure.

(22) A ground source heat pump system may receive a supplemental tax credit amount, determined by the department, based on additional energy savings, if the duct system to which it is attached is tested and certified in accordance with the PTCS Duct Sealing Certification Program. This amount is in addition to the tax credit amount for the ground source heat pump system itself, and in addition to the tax credit amount provided for the

# ADMINISTRATIVE RULES

duct testing and certification itself. In order to earn the supplemental tax credit amount, the ground source system must be installed, the duct system must be tested and certified, and the applications for all tax credit amounts associated with the system must be received, as a single package, by the department by April 1st of the tax year following the tax year for which the credits are being claimed.

## 330-070-0073

### Energy-Efficient Appliances and Alternative Fuel Devices

(1) Energy-efficient appliances must meet or exceed the following energy efficiency ratings, as measured in accordance with current United States Department of Energy (USDOE) test procedures where applicable, and be currently listed with the department as qualifying premium efficiency appliances. In the event that the same model number has more than one energy efficiency rating, one of which is non-qualifying, all units with that model number will be declared ineligible and removed from the department's qualifying list of premium efficiency appliances. Models declared ineligible due to multiple energy efficiency ratings may be reinstated upon demonstration by the manufacturer that the problem has been remedied, but not earlier than 12 months from the time of removal from the list.

(2) Where USDOE test procedures do not exist, the department will designate a nationally recognized test procedure that will apply instead.

(3) Clothes washers.

(a) For the purpose of this program, clothes washer efficiency performance is determined using the USDOE Appendix J1 test procedure for residential clothes washers in effect at the time the rules are adopted.

(b) Clothes washers purchased on or after:

(A) April 1, 2007 and prior to January 1, 2011 must have a minimum Modified Energy Factor (MEF) of 2.0 ft<sup>3</sup>/kWh/cycle and a maximum Water Factor (WF) of 6.4 gal/ft<sup>3</sup>/cycle.

(B) January 1, 2011 must have a minimum Modified Energy Factor (MEF) of 2.2 ft<sup>3</sup>/kWh/cycle and a maximum Water Factor (WF) of 4.5 gal/ft<sup>3</sup>/cycle.

(C) January 1, 2012 are not eligible.

(c) Equipment efficiency requirements are based on ENERGY STAR® listing or other third-party certified list approved by the department.

(4) Refrigerator-Freezers.

(a) Refrigerator-Freezers purchased:

(A) prior to January 1, 2011 must have at least 20 percent lower energy consumption than that allowed by the July 1, 2001 USDOE standard for refrigerator/freezers.

(B) on or after January 1, 2011 must have at least 30 percent lower energy consumption than that allowed by the July 1, 2001 USDOE standard for refrigerator/freezers.

(C) on or after January 1, 2012 are not eligible.

(b) Must have a total net volume (sum of the fresh food compartment and freezer compartment volumes) of at least 12 cubic feet, but less than 31 cubic feet; and

(c) Must have a fully automatic defrost cycle.

(d) Equipment efficiency requirements are based on listing by ENERGY STAR® or other third-party certified list approved by the Director.

(5) Dishwashers.

(a) Dishwashers purchased on or after:

(A) January 1, 2008 and prior to January 1, 2011 must have an Energy Factor of 0.70 cycles/kWh or higher.

(B) January 1, 2011, standard dishwashers as defined by ENERGY STAR®, must have an Energy Factor of at least 0.75 cycles/kWh or higher; and compact dishwashers, as defined by ENERGY STAR®, must have an Energy Factor of at least 1.00 cycles/kWh or greater.

(C) January 1, 2012 are not eligible.

(b) Dishwashers must have tax credit eligibility based on an Energy Factor derived from the DOE Dishwasher Test Procedure effective September 28, 2003.

(c) Equipment efficiency requirements are based on by ENERGY STAR® listings or other third-party certified list approved by the Director.

(6) Water Heating Appliances.

(a) Water heater efficiency requirements:

(A) Equipment efficiency requirements for units of nominal 1-ton or less capacity are based on listing by ENERGY STAR® or California Energy Commission or on the USDOE Energy Factor, as derived from the USDOE Appendix E test procedure for residential water heating equipment in effect at the time the rules are adopted. Efficiency requirements for units larger than 1-ton in capacity and smaller than 6-tons in capacity, are based on the system COP at 47 degrees F outdoor air temperature or other rating point appropriate for the system deemed equivalent by the department.

(B) High-efficiency heat pump water heaters for domestic hot water must meet the Northern Tier Specifications established by the Northwest Energy Efficiency Alliance (NEEA) for electricity; split systems with a capacity greater than 1-ton and less than 6-tons shall have a COP rating of not less than 2.5.

(C) Natural gas, propane, or oil-fired residential storage type water heaters, as defined by Title 10, Code of Federal Regulations, Chapter 11, Part 430, Subpart B, Appendix E, must have an Energy Factor of 0.80 or greater as tested with natural gas fuel.

(D) Whole-home gas fired instantaneous water heaters, as defined by Title 10, Code of Federal Regulations, Chapter 11, Part 430, Subpart B, Appendix E, must have:

(i) an Energy Factor of at least 0.80, a maximum firing rate of at least 140,000 Btu/hour and a minimum firing rate no higher than 24,000 Btu/hour if installed prior to January 1, 2011;

(ii) an Energy Factor of at least 0.82 or greater if installed on or after January 1, 2011.

(E) Equipment efficiency requirements are based on either the listing by ENERGY STAR®, the directory of the Air-Conditioning, Heating, and Refrigeration Institute (AHRI), or other third-party certified list approved by the Director.

(b) Combined space/water-heating system efficiency must be based on the water heating Energy Factor for Combined Systems (CEF) as derived from the American National Standards Institute/American Society of Heating, Refrigerating, and Air Conditioning Engineers (ANSI/ASHRAE) 124-1991 test method. Water heaters that are part of a combined space and water heating system may not receive a tax credit for space heating efficiency as a boiler in addition to the tax credit as a water heating appliance.

(7) For Wastewater Heat Recovery Systems, field performance data submitted to and approved by the department must be the basis for tax credit qualification. The following rules also apply:

(a) The systems must meet all plumbing code requirements for vented double-wall heat exchangers;

(b) The system must not interfere with the proper operation of the dwelling's wastewater system; and

(c) Energy recovered must be re-introduced into the dwelling's hot water supply system.

(8) Performance Checked Space Conditioning Duct Systems must meet the following requirements:

(a) All work must be done in accordance with Performance Tested Comfort Systems (PTCS) specifications, a regionally developed set of protocols with provisions for testing and sealing duct work that is maintained by the Regional Technical Forum (RTF), as adopted by the RTF and in effect at the time the work is performed.

(b) If the home serviced by the performance checked duct system is new, or the building envelope is being altered, the house must meet residential energy conservation requirements of the Oregon Structural Specialty Code or of the Oregon One and Two Family Dwelling Code in effect at the time the home is constructed or structurally altered.

(c) Duct leakage must be tested in accordance with Performance Tested Comfort Systems (PTCS) approved testing protocols.

(d) Testing to verify that these standards have been achieved must be conducted by technicians approved by the department.

(e) Measures eligible for the purpose of calculating a performance checked duct system tax credit include:

(A) New construction.

(i) Duct sealing labor and materials;

(ii) Heating and cooling load calculations;

(iii) Duct system sizing and design calculations;

(iv) Labor and materials for installing multiple returns;

(v) Labor and materials for installing passive pressure relief grilles;

(vi) Duct testing; and

(vii) Labor and materials for bringing duct systems inside heated space.

(B) New ducts in existing homes.

(i) Duct sealing labor and materials;

## ADMINISTRATIVE RULES

- (ii) Heating and cooling load calculations;
- (iii) Duct system sizing and design calculations;
- (iv) Labor and materials for installing multiple returns;
- (v) Labor and materials for installing passive pressure relief grilles;

and

- (vi) Duct testing.
- (C) Duct repair and sealing/existing ducts in existing homes.
  - (i) Duct sealing labor and materials;
  - (ii) Labor and materials for installing multiple returns;
  - (iii) Labor and materials for installing passive pressure relief grilles;

and

- (iv) Duct testing.

(f) To apply for a performance checked duct tax credit, the following information must be submitted in a form approved by the department:

- (A) Application form;

(B) Test results worksheet for “new construction,” “new duct systems in existing homes,” or “duct repair and sealing”/existing ducts in existing homes, as applicable; or inclusion of the PTCS identification number associated with the measure being submitted for tax credit on the application form.

(C) Copies of heating and cooling load calculations and/or duct sizing calculations, as applicable, shall be made available to the department upon request; and

- (D) Itemized invoice identifying measures detailed in (e).

(g) The amount of the tax credit for performance checked duct systems must be 25 percent of the eligible costs detailed in (e), up to \$250.

(9) Performance Checked Heat Pumps and Central Air Conditioners must meet the following standards:

(a) Systems must be tested and serviced as needed to confirm correct refrigerant charge and air flow by technicians certified by the department and by an approved Performance Tested Comfort System (PTCS) provider.

(b) Testing shall be in accordance with PTCS specifications, a regionally developed set of protocols with provisions for testing the operation of air-source heat pumps and air conditioners that are maintained by the Regional Technical Forum (RTF), as adopted by the RTF and in effect at the time the work is performed.

(c) Eligible measures must be confirmed by the system diagnostic tests using PTCS protocols in use at the time of measure installation. Duplicate tax credits may not be claimed.

(d) Measures eligible for the purpose of calculating a performance checked heat pump/air conditioner tax credit include:

- (A) System diagnostic tests;

(B) Adding or removing refrigerant when initial diagnostic tests indicate need for refrigerant adjustment and post repair tests indicate correct charge has been installed;

(C) Altering the duct system to improve air flow when initial diagnostic tests show low air flow and post repair tests show an air flow improvement of 10 percent or more;

(D) Cleaning the inside coil when initial diagnostic tests indicate low air flow and post repair tests show an air flow improvement of 10 percent or more;

(E) Replacing an existing inside fan motor with an electronically commutated permanent magnet motor (ECPM DC) when initial diagnostic tests show low air flow and tests after ECPM DC installation show an air flow improvement of 10 percent or more; and

(F) Control modifications necessary for the system to pass the diagnostic test.

(e) To apply for a performance checked heat pump/air conditioner tax credit, the following information must be submitted in a form approved by the department:

- (A) Application form;

- (B) Performance checked heat pump/AC diagnostics data entry form;

(C) Pre and post repair system air flow measurements using approved methods listed in (b), if applicable;

(D) Itemized labor and materials cost information for applicable measures, testing, and repairs.

(f) The amount of the performance checked heat pump/AC tax credit must be 25 percent of the cost of testing and modifications to existing equipment, up to \$250.

(10) Alternative Fuel Vehicles must have equipment installed to make the vehicle capable of storing and utilizing an alternative fuel for vehicle propulsion.

- (a) Equipment may consist of:

- (A) Original equipment manufacturer components;

(B) Components for natural gas powered vehicles that meet EPA1-A requirements current at the time these rules are adopted;

(C) Components for hybrid vehicles must provide the hybrid vehicle with a combination of power between propulsion energy systems such that the peak power ratio of the vehicle is 0.10 or greater; or

(D) Other components as recognized by the department as necessary for alternative fuel use.

(b) Those applying for alternative fuel vehicle tax credits must acknowledge that they do not intend to transfer ownership of the vehicle to a non-Oregon resident for a period of one year.

(c) Vehicles must be purchased before January 1, 2012.

(11) Alternative Fuel Fueling Systems must be installed to meet all state and local fire and life safety codes and be capable of re-fueling/recharging an alternative fuel vehicle within 14 hours. The following rules also apply:

(a) On-board charging systems that feed into the rechargeable energy storage system in a hybrid vehicle must be high-voltage systems of 100 Volts or higher that have an active regenerative braking system integrated into the recharging system of the hybrid vehicle; and

(b) The use of an on-board charging system on a hybrid vehicle must result in significant energy savings as determined by the Director.

(12) Energy Recovery Ventilators (ERVs) must:

(a) Be tested, rated and certified through the Home Ventilating Institute (HVI) Division of the Air Movement and Control Association (AMCA) International, Inc., and listed in the HVI directory;

(b) Be capable of at least 30 percent Latent Recovery/Moisture Transfer (LRMT) at 32°F when operating on the lowest fan speed;

(c) Have a maximum EUI(HERV) of 1.5 watts/cfm at the lowest fan speed for which performance data is published in the HVI directory; and

(d) Have a minimum Sensible Recovery Efficiency (SRE) of:

(A) 65 percent at 32°F/0°C when operating at the lowest fan speed;

(B) 60 percent at 32°F/0°C when operating at the highest fan speed;

and

(C) 60 percent at -13°F/-25°C when operating at the lowest fan speed, if rated at this condition.

(13) Heat Recovery Ventilators must:

(a) Be tested, rated and certified through the Home Ventilating Institute (HVI) Division of the Air Movement and Control Association (AMCA) International, Inc., and listed in the HVI directory;

(b) Have a maximum EUI of 1.5 watts/cfm at the lowest fan speed for which performance data is published in the HVI directory; and

(c) Have a minimum Sensible Recovery Efficiency (SRE) of:

(A) 65 percent at 32°F/0°C when operating at the lowest fan speed;

(B) 60 percent at 32°F/0°C when operating at the highest fan speed;

and

(C) 60 percent at -13°F/-25°C when operating at the lowest fan speed, if rated at this condition.

(14) Very High Efficiency Air Conditioning Systems must:

(a) Be a central, split-system designed and installed to operate in conjunction with the air handling unit or furnace of a home's heating system;

(b) Be tested and rated in accordance with the DOE test procedure for residential air-conditioning systems in effect at the time these rules are adopted, and certified by, and listed in the directory of the Air Conditioning Heating and Refrigeration Institute (AHRI) in effect at the time these rules are adopted;

(c) Consist of a matched outdoor unit and indoor unit (air handler and coil or furnace and coil), as tested, rated and listed in the directory of the Air-Conditioning, Heating, and Refrigeration Institute (AHRI);

(d) Have a minimum EER rating at DOE standard test condition “A” conditions of 13.0;

(e) Be installed in accordance with the protocols specified in section 330-070-0073(9)(a) through 330-070-0073(9)(g) of these rules; and

(f) Be purchased before January 1, 2012.

(15) Very High Efficiency Air Source Heat Pump Systems must:

(a) Be tested and rated in accordance with the USDOE Appendix M test procedure for residential air-conditioning systems in effect at the time these rules are adopted, and be certified by, and be listed in the directory of the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) that is in effect at the time these rules are adopted;

(b) Consist of a matched outdoor unit and indoor unit (air handler and coil or furnace and coil), as tested, rated and listed in the directory of the Air-Conditioning, Heating, and Refrigeration Institute (AHRI);

(c) Have a minimum DOE Region IV HSPF rating of 9.0 or greater;

(d) Have a minimum EER rating at DOE's standard test condition “A” of at least 12.0; and

# ADMINISTRATIVE RULES

(e) Be installed in accordance with the protocols specified in section 330-070-0073(9)(a) through 330-070-0073(9)(g) of these rules.

(16) Very High Efficiency Warm Air Furnace Systems must:

(a) Be tested and rated in accordance with the USDOE Appendix N test procedure for furnaces in effect at the time these rules are adopted, and be certified by and listed in the directory of the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) in effect at the time these rules are adopted;

(b) Have a minimum AFUE rating:

(A) of 0.90 (90 percent) for installations completed prior to January 1, 2009;

(B) of 0.92 (92 percent) for installations completed on or after January 1, 2009 and prior to January 1, 2011;

(C) of 0.94 (94 percent) for installations completed on or after January 1, 2011 and prior to January 1, 2012; and

(D) of 0.95 (95 percent) for installations completed on or after January 1, 2012.

(c) Use ducted outdoor air for combustion; and

(d) Must be listed in the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) directory of Certified Energy Rating in effect at the time these rules are adopted as an “e” “electrically efficient” furnace. The “e” electrically efficient designation applies to furnaces whose electricity consumption is 2 percent or less of the furnaces total energy use, according to the department’s official test procedure, and is determined according to the following formula:  $(3413 \times \text{EAE}) / [(3413 \times \text{EAE}) + (1,000,000 \times \text{EF})] \leq 2.0$  percent. EAE is the average annual auxiliary electrical energy consumption for a gas furnace in kilowatt-hours per year (kWh/yr). It is a measure of the total electrical energy supplied to a furnace during a one-year period. EF is the average annual fuel energy consumption for a gas furnace in millions of Btu’s per year (MMBtu/yr).

(17) Very High Efficiency Air Handlers must:

(a) Be installed as part of a hydronic space heating system; and

(b) Be equipped with an electronically commutated, permanent magnet variable speed DC (ECPM) motor.

(18) Very High Efficiency Hot Water Boiler Systems must:

(a) Be tested and rated in accordance with the USDOE Appendix N test procedure for furnaces in effect at the time these rules are adopted, and be certified by and listed in the directory of the Air-Conditioning, Heating, and Refrigeration Institute (AHRI) in effect at the time these rules are adopted.

(b) Have a minimum AFUE rating:

(A) Of 0.88 (88 percent) for installations completed prior to January 1, 2009.

(B) Of 0.92 (92 percent) and must include an outdoor temperature reset control for installations completed on or after January 1, 2009.

(c) Be purchased before January 1, 2012.

(19) Very High Efficiency Air Source Heat Pump or Furnace Systems may receive a supplemental tax credit amount, determined by the department, based on additional energy savings if the duct system to which it is attached is tested and certified in accordance with the PTCS Duct Sealing Certification Program. This amount is in addition to the tax credit amount for the Very High Efficiency Air Source Heat Pump or Furnace system itself, and in addition to the tax credit amount provided for the duct testing and certification itself. In order to earn the supplemental tax credit amount, the heating system must be installed, the duct system must be tested and certified, and the applications for all tax credit amounts associated with the system must be received, as a single package, by the department by April 1st of the tax year following the tax year for which the credits are being claimed.

(20) Very High Efficiency Ductless Air Source Heat Pump Systems must:

(a) Include an inverter-driven variable speed compressor;

(b) Be listed in the Air Conditioning, Heating and Refrigeration Institute (AHRI) Directory of Certified Products.

(c) Deliver at least 50 percent of its AHRI-certified rated heating capacity at 17°F outside temperature;

(d) Include no integrated electric resistance backup heat;

(e) Be sized and installed per manufacturer specifications; and

(f) Be installed by a technician trained by the equipment manufacturer within the last five years.

(21) Very Efficient Biomass Combustion Devices must be:

(a) Less than one quarter of a million British thermal units (Btu) per hour heat output, and

(b) Installed in an Oregon residential dwelling; and

(c) Installed with a dedicated outside combustion air intake; and

(d) Listed in the United States Department Environmental Protection Agency List of EPA Certified Wood Stoves or other third-party certified list approved by the Director with emissions of 4.5 grams of smoke per hour or less if it is designated in that list as a non-catalytic wood stove; or

(e) Listed in the List of EPA Certified Wood Stoves or other third-party certified list approved by the Director with emissions of 2.5 grams of smoke per hour or less if it is designated in that list as a catalytic wood or pellet stove; or

(f) Have a certificate of performance for the specific manufacturer and model of wood burning device from a currently US EPA certified wood-stove testing laboratory. The certificate must show emissions of 4.5 grams of smoke per hour or less if it is designated as a non-catalytic wood stove or emissions of 2.5 grams of smoke per hour or less if it is designated as a catalytic wood or pellet stove.

(22) Any other standards adopted by the department for energy-efficient appliances and alternative fuel devices, their components, and/or systems as determined by the Director.

### Wind AEDs

(1) To qualify for a tax credit:

(a) A minimum wind speed of 10 miles per hour at hub height or lower must be demonstrated at the wind AED site.

(b) A wind AED system manufacturer must make available estimated monthly or annual energy production data (kWh) at various annual average wind speeds for each model or system they produce.

(c) The wind AED system model must meet industry standards as approved by the department.

(d) A wind AED system application must include the nominal rated electric capacity, the power curve and energy production data as a function of the average annual wind speed.

(e) A wind system must have a minimum five-year manufacturer’s warranty.

(2) The department reserves the right to deny eligibility for any wind AED for any reason including, but not limited to poor generator performance, concerns about wind generation system design, the quality of data presented, lack of manufacturing support for maintenance or warranties.

(3) Systems must be designed and located to reduce the potential for hazards and unpleasant living conditions. Systems must be designed and located taking into account:

(a) The proximity of the system to buildings, power lines, antennae or other similar hazards;

(b) The effect of high winds on the system and on any building connected to the system by guy wires;

(c) Whether the system blocks fire lanes, obstructs dwelling access, or otherwise increases fire danger;

(d) Whether the operation of the system significantly increases background noise; and

(e) Whether connecting the system to other buildings by guy wires creates vibration and tension in other buildings.

(4) Materials used will assure that the wind AED has adequate:

(a) Strength;

(b) Resistance to ice, moisture, corrosion and fire;

(c) Durability; and

(d) Low maintenance cost.

(5) No part of a wind AED project must put toxic substances into the environment in amounts that will cause disease or harmful physical effects to humans, animals or plants.

(6) Wind AED parts must be serviceable without the need to trespass.

(7) Maximum Design Wind Speed: All parts of a Wind AED project must withstand the highest wind speed expected at its location. All parts must withstand this wind without damage. To meet this requirement, wind AEDs may be shut down during highest expected winds.

(8) Shutdown: All wind AEDs must have a way to stop the rotor from turning. This method must work safely during high winds and routine service.

# ADMINISTRATIVE RULES

(9) Overspeed Control: Rotor overspeeds shall be prevented by the wind AED's design.

(10) Tower Safety: All parts of a wind AED project shall meet accepted engineering standards. Tower design must include consideration of:

- (a) Gravity load; and
- (b) Peak thrust on the rotor, nacelle, tail and tower over the full wind speed operating range.

(11) Tower Height: A minimum tower height of 70 feet is required. All portions of the rotor disc of the wind AED must be at least 30 feet above any object within a 400 foot radius of the wind AED's base.

(12) Electric: All wind AED electrical parts must adhere to all standards and codes in force at the time they are installed.

(13) The Director may waive part or all of section (1) of this rule if production of the wind AED model stopped prior to 1990, or it is an owner-built system or a mechanical wind AED.

(14) The first-year energy yield of wind AEDs must average at least 100 kWh per month based on the actual installation site of the wind AED.

(a) The first-year energy yield must be determined using the measured or estimated wind resource data and the wind AED's power curve or actual energy production data measured in kWh per month.

(A) The provided wind data from the wind AED site must cover a one-year period of 12 consecutive months.

(B) In the event of less than one year's measurements at the wind AED site, the application must include:

- (i) A minimum of six consecutive months of on-site production data of the wind AED;
- (ii) One year's worth of concurrent data from the two nearest wind monitoring stations at 35 feet or less; and
- (iii) One year's worth of concurrent data for the wind AED site from a nationally recognized firm that provides estimated wind resource data based on advanced national wind mapping technology. These data can be obtained from a company that meets industry standards as approved by the department.

(b) The department will verify data supplied by the applicant and validate the first-year energy yield.

(c) Production data must be provided in the form of kWh produced monthly with the application for a tax credit.

### Eligible Costs for a Wind AED

(1) The costs listed in subsections (2)(a) through (m) of this rule do not include all eligible costs. Other costs will qualify if directly associated with the acquisition and installation of the AED. Only systems that are fully functional and producing electricity will qualify for a tax credit. All systems must comply with OAR 330-70-0021 and 330-070-0040.

(2) Eligible costs include:

- (a) The cost of wind turbine generators;
  - (b) The cost of DC/AC converters, inverters and synchronous inverters;
  - (c) The cost of wind and system instruments and controls when part of a total wind AED;
  - (d) The cost of energy storage (batteries or other methods);
  - (e) The cost of tower, foundation and guys;
  - (f) Fees paid for design and building;
  - (g) Fee to install;
  - (h) The cost of electric meters, switches and electrical safety equipment;
  - (i) The cost of electric transformers and lines and supports;
  - (j) The cost of safety equipment;
  - (k) Up to \$500 of wind permitting cost;
  - (l) The cost of windmills;
  - (m) The cost of pumps, linkage, pump heads, and vacuum chambers;
- and
- (n) The cost of obtaining wind data assessments from a nationally recognized service as approved by the department, not to exceed \$50.00.

### Applicability of Rules in OAR 330, Division 210

These rules implement the incentive program for energy conservation projects established by House Bill 3672 (2011). The rules also provide procedures for submission, agency review and selection of energy conservation projects for preliminary and final certification of tax credits. These rules apply to all applications for tax credits for energy conservation projects, as governed by Oregon Laws 2011, chapter 730, sections 34 through 51.

### Definitions

For the purposes of this division, the following definitions apply:

(1) "Applicant" means a person who has applied for or who has received a preliminary certificate for a conservation energy incentive program tax credit or who has submitted an informational filing for a small premium project.

(2) "Certified cost" means the cost certified in the final certification.

(3) "Cost" has the meaning given in Oregon Laws 2011, chapter 730, section 38, the capital costs and expenses necessarily incurred in the acquisition, erection, construction and installation of an energy conservation project.

(4) "Department" means the Oregon Department of Energy.

(5) "Director" means the director of the department.

(6) "Energy conservation project" has the meaning given in Oregon Laws 2011, chapter 730, section 38, any capital investment for which the first year energy savings yields a simple payback period of greater than three years. "Energy conservation project" does not include:

(a) Recycling equipment, products and projects;

(b) Transportation projects;

(c) Energy recovery as that term is defined in ORS 459.005; or

(d) Alternative fuel vehicles.

(7) "Incremental cost" means the cost above a reasonable minimum expected to construct a similar project without energy efficiency features.

(8) "Installation or construction" means the process of physical assembly of an energy conservation project or supporting infrastructure at its operating location.

(9) "New construction" means a building project that is newly constructed.

(10) "Opportunity period" means the timeframe specified in an Opportunity Announcement for the department to accept applications for energy conservation projects.

# ADMINISTRATIVE RULES

(11) "Qualified third party" means a third party, selected by the director, that provides recommendations to the director regarding a research and development energy conservation project.

(12) "Qualifying project cost" means the amount of the energy conservation project's cost that may be eligible for tax credits.

(13) "Research and development project" means an energy conservation project that a qualified third party recommends to the department as one that demonstrates innovation.

(14) "Service life" means equipment service life as established in the most recent edition of the American Society of Heating, Refrigeration and Air Conditioning Engineers' (ASHRAE) Heating, Ventilating and Air Conditioning (HVAC) Applications Handbook as of the date the department receives a complete preliminary application or, for equipment not rated by ASHRAE, as determined by the department.

(15) "Small premium project" means an energy conservation project with qualifying project costs of less than \$20,000 for which the department has identified prequalified measures.

(16) "Total building retrofit" means a comprehensive building retrofit that includes energy efficiency projects for each energy-using system including the building envelope. A building retrofit that does not include each energy-using system may apply as a total building retrofit; if the project meets the eligibility standards described in these rules.

(17) "Total project cost" means all costs directly associated with an energy conservation project, including ineligible costs.

### Opportunity Announcement

(1) The department will announce the availability of tax credits for energy conservation projects by issuing an Opportunity Announcement.

(2) The department will continually monitor the allocation of tax credits to ensure that the total amount of potential tax credits does not exceed the tax credit caps specified in Oregon Laws 2011, chapter 730, section 49.

(3) If the cumulative total of all tax credits awarded under the Opportunity Announcement is less than the total amount of tax credits available, the department may reallocate the balance to a future Opportunity Announcement.

(4) The Opportunity Announcement will include the following information:

- (a) Objectives for the opportunity period;
- (b) The amount of tax credits available;
- (c) Application requirements;
- (d) Dates of the application opportunity period;
- (e) Instructions and directions to the required application forms and materials;

(f) Minimum technical standards;

(g) The criteria to be applied in prioritizing applications for tax credits, as described in OAR 330-210-0060; and

(h) Other information the department considers necessary.

## 330-210-0030

### Preliminary Certification Application

(1) Any person may apply for preliminary certification by submitting a complete preliminary certification application. The application must meet requirements provided by applicable statutes, these rules and the current Opportunity Announcement. A preliminary certification application is not required for applicants submitting an informational filing under the small premium project process.

(a) The application must be in the form specified in the Opportunity Announcement and these rules.

(b) An applicant must submit a complete application during the opportunity period. For the purposes of this rule, the department considers an application "submitted" when the department receives the application. The department will not process applications received outside of an opportunity period.

(2) The application must be accompanied by the application fee specified in these rules. The department will not process applications received without fee payment.

(3) The department will not accept amendments to applications during the opportunity period. An applicant may withdraw an application and submit a replacement application during the opportunity period. The

department will not process fees for applications withdrawn before the end of the opportunity period.

(4) The application must include the following information, unless the department specifies otherwise in the Opportunity Announcement.

(a) The name of the applicant:

(A) If the applicant is a partnership, joint venture or association, the application must include the names of each person participating in the partnership, joint venture or association.

(B) If the applicant is a corporation or limited liability company, the application must include the name of the corporation, or LLC and its parent corporations, members, and any close affiliates or subsidiaries.

(C) If the applicant is a public or government entity, the application must include written authorization from the entity's governing body allowing submission of the application.

(b) The name, address, email address and telephone number of the responsible party for the applicant.

(c) The applicant's federal tax identification number or social security number, which may be shared with the Department of Revenue to facilitate the administration of state tax law.

(d) A statement verifying that the applicant will be the owner, contract purchaser or lessee of the energy conservation project at the time of installation or construction of the project.

(e) A description of personnel and teams working on the energy conservation project's development, implementation and operation.

(f) If the applicant has previously received tax credits or grants issued by the department, the application must contain a statement about the operational status of the projects awarded such grants or tax credits.

(g) The location of the energy conservation project.

(h) A statement explaining the amount by which the energy conservation project will reduce the consumption of purchased energy or use energy more efficiently. If applicable, provide information about the expected level of sustainable building practices project performance.

(i) A detailed description of the energy conservation project, information that demonstrates how the project will be technically feasible and how the project will operate for at least five years as represented in the application. This may require documentation in addition to the application form.

(j) The expected operational life of the energy conservation project.

(k) A statement of compliance with applicable state and local regulations and that the applicant will obtain required licenses and permits.

(l) The number and type of jobs that will be created by the energy conservation project and the number of jobs sustained throughout the construction, installation and operation of the project. Job estimates should be submitted in hours. These hours must directly relate to the energy conservation project.

(m) The anticipated total project cost, including the energy conservation project's incremental cost, if applicable.

(n) The amount of anticipated or received incentives directly related to the energy conservation project.

(o) A project schedule.

(p) All research and development projects must include a recommendation from a qualified third party that the project demonstrates innovation.

(q) A description of the applicant's installation or construction financing plan.

(r) The dollar amount of tax credit requested by the applicant.

(s) If the applicant has already started installation or construction of the energy conservation project, a written description of the special circumstances that rendered the filing of an application prior to the start of construction or installation unreasonable.

(t) Other information the department considers necessary.

### Fees

The department adopts the following schedule of fees as provided by Oregon Laws 2011, chapter 730, section 46 for applicants. All fee payments are non-refundable, despite the results of the department's review.

(1) Applicants, except those applying through the small premium project process, must submit a fee of \$200 with their preliminary certification application.

(2) Applicants applying through the small premium project process must submit a fee of \$60 with their informational filing.

(3) Applicants selected for technical review will be required to pay an additional technical review fee prior to that review. The fee amount is equal

# ADMINISTRATIVE RULES

to the qualifying project cost multiplied by 0.55 percent. Small premium projects are not subject to the technical review fee.

(4) Applicants requesting amendments to preliminary certifications must submit a fee of \$300 with their amendment request.

(5) Applicants for final certification must submit with their application a final review fee. This fee amount is equal to the qualifying project cost multiplied by 0.5 percent. All applicants seeking final certification for a project, including small premium projects, are required to apply for final review and pay the final review fee.

(6) If the department is unable to complete a scheduled inspection due to actions by the applicant, the department will require the applicant to pay a re-inspection fee of \$400 before rescheduling the inspection.

(7) Applicants that choose to transfer their tax credit to a pass-through partner must pay a pass-through fee. The fee is due after a pass-through partner has been identified and before the department can issue a tax credit.

(a) If the department assists the applicant in obtaining a pass-through partner or partners, the fee for that assistance is 1 percent of the tax credit amount, up to \$25,000.

(b) If the department does not assist the applicant in obtaining a pass-through partner, the fee is \$100 per tax certificate issued.

(8) If an applicant fails to pay timely fees as required by this rule, the department may reject the pending application and discontinue the review.

### Small Premium Project Review Process

(1) Projects with qualifying project costs of less than \$20,000 may utilize the small premium project informational filing process, instead of the preliminary certification and competitive review process, if the project complies with the minimum department-established standards. Energy conservation projects with qualifying project costs of less than \$20,000 may participate in the preliminary certification and competitive review process.

(2) The department will issue an Opportunity Announcement for small premium projects annually. The opportunity period will remain open for one year from the date the department issues the Opportunity Announcement, which could end sooner if funds are exhausted. The Opportunity Announcement will list the types of technologies with the minimum standards as defined by the department.

(3) Applicants must submit a complete informational filing prior to the project's installation or construction on the form specified in the Opportunity Announcement and include:

(a) The required filing fee;

(b) Information that the project meets the definition of an energy conservation project and is located in Oregon; and

(c) Other requirements described in the Opportunity Announcement.

(4) Small premium projects are eligible for predetermined tax credits based on savings and cost; but the tax credits cannot exceed 35 percent of certified costs. The department will post the predetermined tax credit amounts in the Opportunity Announcement.

(5) If the tax credits available for small premium projects have been fully allocated before the department receives a complete informational filing, applicants will not be eligible for any tax credits for the project under the small premium review process but may participate in the preliminary certification competitive review process.

(6) If the department finds that the filing is complete, the department will confirm in writing the receipt of an informational filing. The department will not process incomplete filings, and will provide written notification.

(7) Receipt of an informational filing does not guarantee eligibility and issuance of a final certification for the tax credit. Applicants must also comply with all applicable statutory requirements and requirements listed these rules in order to receive tax credits. The department will determine the eligibility of the small premium project prior to issuing a final certificate.

(8) Small premium project informational filings will expire 12 months after the date the department receives the informational filing, unless the department receives a complete final certification application before the end of the 12 month period.

## 330-210-0050

### Completeness Review

(1) Following the opportunity period, the department will review all preliminary certification applications, other than those participating in the small premium project process, to determine whether:

(a) All sections of the application are complete.

(b) The applicant has submitted the required fee.

(c) The project meets the definition of an energy conservation project.

(d) The applicant intends to begin construction within 12 months of award.

(e) The applicant is applying prior to the installation or construction of the project.

(A) If the applicant applies after installation or construction of the project has started, the department will deny the application unless a written explanation of the special circumstances is received and approved by the director.

(B) Failing to submit a timely application or not being selected for a grant or tax credit under this or prior department programs does not constitute special circumstances.

(f) The energy conservation project is located in Oregon.

(g) Other requirements described in the Opportunity Announcement have been met.

(2) If the department finds that the application is complete, the application will move into the competitive review process and the department will notify the applicant, in writing.

(3) The department will deny all incomplete applications and notify applicants in writing of the reason for denial of the application.

(4) The department considers the completeness review a test; the decision to deny an incomplete application is not subject to a contested case hearing under ORS 183.

### Competitive Review

(1) The department will conduct a competitive review of all applications that pass the completeness review, other than those participating in the small premium project process.

(2) Through competitive review, the department's internal review team will prioritize applications for preliminary certification according to the criteria described in the rules and detailed in the Opportunity Announcement. Depending on the Opportunity Announcement objectives, the department may give greater or lesser weight to each of the criteria listed in rules.

(3) For the purposes of the competitive review, the department will compare projects of similar technology types against each other. The technological sector categories for energy conservation projects are:

(a) Building envelopes, weatherization.

(b) Renewably sourced thermal energy projects that use a renewable energy source, such as solar, biomass or geothermal, directly without converting it to electricity. Within this category, energy savings will be determined through energy displacement.

(c) Building energy systems.

(d) Sustainable buildings such as new construction and total building retrofit.

(e) Commercial, agricultural and industrial processes.

(4) Within the technological sector categories, the department may divide the applications into tiers based on project size. The Opportunity Announcement will have details about any tiers prior to implementation.

(5) In the Opportunity Announcement, the department will list the evaluation criteria for the competitive review. The competitive review will give preference to projects that have the highest energy savings over the five-year tax credit period per tax credit dollar requested. Additional criteria the department may consider include:

(a) The amount of energy saved over the equipment's lifetime;

(b) The project's expected lifespan compared to the simple payback period;

(c) The incentive structure and whether the energy savings benefit a party other than the owner;

(d) Lifetime energy savings compared to lifetime cost (benefit-to-cost ratio);

(e) The project implementation plan;

(f) The project financial plan;

(g) Information on job creation;

# ADMINISTRATIVE RULES

(h) The geographical area and local economic conditions of the site location;

(i) Agreement to a voluntary reduction of requested tax incentive; and

(j) Agreement to a voluntary measurement and verification plan, which includes an agreement to share the results with the department.

(6) The department's internal review team will recommend to the director which projects to advance to technical review based on the competitive review results. The director will review and then amend or approve the recommendations.

(7) The department will notify applicants of the competitive review's outcome. The department may place projects not advanced to the technical review phase on a supplemental list, pending the technical reviews of selected projects. The department will retain the supplemental list until the technical review for selected energy conservation projects is complete.

(8) If an applicant has not started installation or construction of the energy conservation project, an applicant may apply again for the same project in a future opportunity period by submitting a new application and fee. The department will not apply fees or applications submitted in response to a previous Opportunity Announcement to future Opportunity Announcements.

## 330-210-0070

### Technical Review

(1) Once the applicant has paid the technical review fee, the department will conduct a technical review of projects advanced from the competitive review process. If the applicant does not submit the required payment to the department within 14 calendar days of notification for technical review, the department may deny the application.

(2) The department will review the information provided in the application against industry standards to determine whether the project is technically feasible and should operate in accordance with the representations made by the applicant.

(3) To be eligible the energy conservation project must meet the following requirements:

(a) The project must meet the requirements of the statutes, these rules and the Opportunity Announcement.

(b) The applicant must be owner, contract purchaser or project lessee at time of the project's installation or construction.

(c) The applicant must be a trade, business or rental property owner with a business site in Oregon or be an Oregon non-profit organization, tribe or public entity that partners with an Oregon business or resident. The applicant may not restrict membership, sales or service on the basis of race, color, creed, religion, national origin, sexual preference or gender.

(d) A project located at a residential property must be rental property. A rental property must meet the requirements of the state building codes and contain a dwelling unit or rooming unit with permanent living facilities. Living facilities include facilities for sleeping, eating, cooking and sanitation, for one or more persons, other than the property owner, which is subject to a rental agreement that provides for meaningful compensation to the owner and which compensation is subject to Oregon income or excise tax.

(e) The applicant must demonstrate the ability to begin construction within 12 months from the date the department issues the project's preliminary certification.

(f) The energy conservation project must meet the simple payback requirements. The department bases simple payback on total project cost divided by the qualified annual energy savings. Total project cost is calculated for this purpose before any tax credits or grants are applied.

(g) An applicant for a new construction or total building retrofit project must demonstrate that the project meets the current standard, at the time of application submission, for one of the following:

(A) Leadership in Energy and Environmental Design (LEED);

(i) The project must be seeking LEED platinum certification with a minimum of eight Energy and Atmosphere points; or

(ii) Using the appropriate peer reviewed energy modeling program, the project must show a minimum 26 percent improvement over ASHRAE 90.1-2007, without addenda.

(B) Green Globes

(i) The project must be seeking Green Globes, Four Globes certification; or

(ii) Using the appropriate peer reviewed energy modeling, the project must be a building falling within the 95th percentile, or better, of the equivalent building stock listed in the Commercial Buildings Energy

Consumption Survey (CBECS). Where an equivalent building type is not listed, the modeling must be equivalent to a minimum 26 percent improvement over ASHRAE 90.1-2007, without addenda.

(C) Reach Code

(i) Project plans must be submitted to a local building department and approved for building under the Oregon Reach Code.

(ii) For proposed buildings either required to model or opting for the modeling path, the energy model must show at least an 18 percent improvement over the Oregon Energy Efficiency Specialty Code.

(D) Earth Advantage

(i) The project must be seeking Earth Advantage Gold Certification; or

(ii) Using the appropriate peer reviewed energy modeling program, the project must show a minimum 18 percent improvement over the Oregon Energy Efficiency Specialty Code.

(h) An application for replacing inefficient or obsolete equipment must demonstrate that the equipment is beyond its maximum service life, as determined by the department.

(i) A qualified third party must evaluate and recommend research and development projects.

(4) The department will review energy conservation project cost for eligibility to determine qualifying project costs. Cost may include the capital costs and expenses necessarily incurred in the acquisition, erection, construction and installation of an energy conservation project. The application must document total project cost by providing a line item break out.

(a) Qualifying project costs include:

(A) The cost of components of the proposed energy conservation project;

(B) Fees to design or engineer the energy conservation project;

(C) The cost of title searches, escrow fees, permit and license fees, excluding fees required by this rule, and shipping;

(D) Costs for all materials and supplies needed for the erection, construction, installation or acquisition of the proposed energy conservation project;

(E) Cost of work performed by employees or independent contractors of the applicant based on the following conditions:

(i) Employees or contractors must be certified, accredited, licensed or otherwise qualified to do the work;

(ii) The work must be associated with the erection, construction, installation or acquisition of the proposed energy conservation project;

(iii) Project management and other similar costs may only account for up to 15 percent of the total qualifying project costs; and

(iv) Costs for employees' or contractors' work on the energy conservation project must be detailed and documented as to specific tasks, hours worked and compensation costs.

(F) Costs for legal counsel that is directly related to the development of an energy conservation project (excluding litigation, intellectual property, etc.);

(G) Costs of training associated with the energy conservation project that is approved by the department; and

(H) Other costs the department determines should be included.

(b) Qualifying project cost does not include:

(A) Interest and warranty charges;

(B) Litigation or other operational-related legal fees and court costs;

(C) Intellectual property search, application and filing payments;

(D) Donated, in-kind or volunteer labor and materials;

(E) Administrative costs to apply for grants, loans, tax credits or other similar funding for an energy conservation project including, but not limited to the tax credit review charge, costs associated with the creation and development of the certified public accountant verification letter and costs associated with securing a pass-through partner for the project;

(F) Routine operational, routine maintenance and repair costs associated with the energy conservation project;

(G) Expenses that are directly or indirectly offset with federal fee waivers;

(H) Expenses that are deemed not to have a benefit to the energy conservation project, including but not limited to, fines, penalties, entertainment, food, alcohol, gifts and lobbying; and

(I) Other costs the department determines should be excluded.

(c) If an energy conservation project serves more than one purpose, qualifying project cost includes only items needed to save energy. This includes new or replacement equipment that may cost more because of its energy saving features. The department may do inspections to verify qualified project costs.

# ADMINISTRATIVE RULES

(d) The department will calculate incremental cost as the cost above a department-determined reasonable minimum expected to construct a similar project without energy efficient features. Qualifying project cost will be limited to incremental cost for new facilities or for the replacement of facilities beyond their service life, including when a code, standard or other base system is required.

(A) In new construction and total building retrofit projects, qualifying project cost is the difference between building to code and building to meet or exceed the applicable standards.

(B) In other energy conservation projects, qualifying project cost is the difference between prevailing practices for that business or industry and a more energy efficient method.

(e) Qualifying project costs may be reduced by the following:

(A) The department will prorate, based on ASHRAE standards or as otherwise determined in these rules, the qualifying project cost based on the remaining service life of the equipment. If the baseline project has exceeded its service life, the department will consider only an incremental project eligible for a tax credit.

(i) Energy conservation projects must have a simple payback of greater than three years and less than the service life of the energy conservation project.

(ii) An applicant may submit, for department approval, a published or recognized standard to determine life expectancy. If a published or recognized standard is unavailable, the department may use a 15-year limit on life expectancy.

(B) Costs for a portion of or an entire energy conservation project that has previously received a tax credit or grant issued by the department.

(C) Costs to replace the same baseline energy conservation project more than once.

(D) The department may require that the baseline energy conservation project be specifically identified and permanently decommissioned.

(f) New construction, total building retrofit and small premium projects must provide cost information, but the department calculates the tax credit using a predetermined amount described in the applicable Opportunity Announcement.

(g) An applicant may incur qualifying project costs prior to the submission of an application, but may not begin installation or construction.

(5) The department will determine whether the project is a single energy conservation project, or is part of a larger project in combination with other applications.

(a) The department considers a single energy conservation project as one or more projects that are applied for within the same Opportunity Announcement, owned or controlled by the same person and located in the same building or structure.

(b) For the purposes of this subsection, "same person" includes subsidiary corporations and companies, other subsidiary business organizations or other entities owned or controlled by the same parent corporation but excludes equity-only financing partners.

(c) The department may reduce the potential tax credit award or deny the application if the department finds that the proposed project is not a single energy conservation project.

(6) If an application does not include all information needed to complete the technical review, the department may notify the applicant in writing, requesting additional information. If the department does not receive the requested information within 30 calendar days, the department may deny the application.

(7) The department will notify the applicant in writing if the department denies the application during the technical review.

(8) If the technical review determines that information submitted by the applicant during the competitive process was inaccurate, the department may deny the application.

## 330-210-0080

### Preliminary Certification

(1) The department may issue a preliminary certificate if it determines that the energy conservation project is technically feasible and capable of operating in accordance with the representations made by the applicant.

(2) The department may issue a tax credit that is less than the amount requested in the energy conservation project application, pursuant to statute and applicable rules.

(3) The sum of any incentives, grants, credits, other public funds and the energy conservation incentive may not exceed total project costs.

(4) The preliminary certificate will state the qualifying project cost, the potential amount of allowable tax credit and any conditions for claiming the credit.

(5) The applicant must report on the project's status beginning one year from the issuing date of the preliminary certificate, if the department has not already received the project's application for final certification. The applicant shall continue to submit project progress reports to the department every six months after the initial report until the department receives the project's application for final certificate. Failure to submit reports may result in denial.

(6) A preliminary certification remains valid for a period of three calendar years after the date the department issues the preliminary certification or until the sunset of the program, whichever comes first.

## 330-210-0090

### Amendments to Preliminary Certifications

(1) The applicant must notify the department of any changes to the project proposal as described in the application for preliminary certification.

(2) Small premium projects are not eligible for amendments to informational filings.

(3) An applicant must declare all changes to the energy conservation project by the time the department receives the final certification application. Undeclared changes found in the application for final certification or through later inspection will result in denial of final tax credit certification.

(4) Applicants must submit amendments on the form specified in the Opportunity Announcement.

(5) The applicant must demonstrate that the energy conservation project, with the proposed change, would continue to be technically feasible, would operate as represented and would remain in operation for at least five years. The applicant has the responsibility to provide an amendment request with complete technical documentation that will support a case for the proposed amendment. The department may deny amendments submitted without such justification.

(6) An amendment may result in a reduction in tax credit, but may not increase the tax credit amount certified in the preliminary certificate.

(7) If an amendment request does not include all information needed to complete the review, the department may provide the applicant a written request for additional information. If the applicant does not provide the requested information to the department within 30 calendar days, the department may deny the amendment request.

(8) Requests for amendments must include payment of the appropriate fee. The department may accept non-substantive changes, such as change of responsible party information, without payment of the fee.

(9) The department will evaluate amendments to determine if the change would have affected the outcome of competitive review, which may result in denial of the amendment request.

(10) Within 60 calendar days after the date the department receives the amendment request, the department will decide whether to approve the request. If the department does not approve the amendment request within 60 calendar days, it is considered denied.

(a) If approved, the department will draft an amended preliminary certification, which may contain new or amended conditions and requirements.

(b) If denied, the department will notify the applicant in writing. The notice will include the reasons for the denial.

## 330-210-0100

### Final Certification

(1) An energy conservation project must be completed and operational prior to applying for a final certification. An applicant must submit amendments to preliminary certifications before or with the final certification application.

(2) The department will not review applications received after the expiration of the preliminary certification or without the final review fee.

(3) The applicant must submit the application on the current department-issued form and all sections must be completed.

(4) The department will review the application, and may conduct an inspection to verify:

(a) That the energy conservation project is complete and operating.

# ADMINISTRATIVE RULES

(b) Compliance with statute, rules, the relevant Opportunity Announcement and the preliminary certification or informational filing.

(c) Compliance with state and local regulations, including required licenses and permits.

(d) The lease or rental agreement if the infrastructure is leased or rented.

(e) That the property taxes for the project location are current.

(f) That the energy conservation project will be maintained and operated for at least five years.

(g) The total project costs for purchase and installation or construction of the energy conservation project were paid in full.

(A) A certified public accountant must attest to the total project cost, or if the total project cost is less than \$50,000, the applicant must submit copies of receipts for the project.

(i) The certified public accountant cannot be the project owner nor permanently employed by the project owner or pass-through partner.

(ii) Receipts for proof of payment may include canceled checks, credit card statements, binding contracts and agreements.

(B) The application must show that contract and loan agreements directly related to the project are not in default.

(C) The application must include information regarding state and federal incentives applied for or received in connection with the project.

(h) Other information the department requires.

(5) If an application for final certification does not include all information needed to complete the final certification review, the department may ask the applicant, in writing to submit additional information. If the department does not receive the requested information within 30 calendar days of the date of the notice, the department may deny the application for final certification.

(6) The department will notify the applicant, in writing, if the department denies the application during final review. An applicant may submit a written request for reconsideration within 60 days after the department issues a decision on a final certification.

(7) The department will issue a final certification upon verification that the energy conservation project's installation or construction is complete and that the project complies with statute, rules, the relevant Opportunity Announcement, the preliminary certification or informational filing, and any other applicable requirements.

(a) The department may issue a credit up to 35 percent of the certified project cost. The department may certify a lesser tax credit amount than approved in the preliminary certificate or reserved in the informational filing, but may not certify a greater amount.

(b) The sum of any incentives, grants, credits, other public funds and the tax credit may not exceed total project costs.

(8) The department will send a written notification to the applicant of its decision to issue a final certification within 60 days, after the department receives a complete application for final certification. If more than 60 days pass from the filing date of a complete application and the applicant has not received a written decision from the department, the application is rejected and no further action will be taken.

### Definitions

For the purposes of 330-230-0010 to 330-230-0060 the following definitions apply:

(1) "Period of operation" means:

(a) For an Energy Conservation Project or a Transportation Project, five years from the date of issuance of the tax credit certificate.

(b) For a Renewable Energy Production System, five years from the date of final payment under the Performance Agreement.

(2) "Project" means the system, activity or facility under inspection or review by the department.

(3) "Project inspection" means a physical examination by the department of an Energy Conservation Project or a Transportation Project to determine if the project conforms to the Preliminary Certificate or application for preliminary certification.

(4) "Project review" means an examination by the department of the records, facilities, or operations of an applicant for a Renewable Energy Development grant.

### Purpose of Inspection or Review

(1) The department may require project inspection or project review at any time from the date of initial application through the end of a project's period of operation.

(2) Inspections or reviews may be conducted by the department to verify:

(a) The amount certified for a credit,

(b) Completion of a project,

(c) A project is operational,

(d) Ownership of a project,

(e) Compliance with the preliminary certificate or application for preliminary certification,

(f) Compliance with a performance agreement, or

#### Failed Inspections; Notice, Reconsideration

- (1) The department may deny a tax credit or grant to, or may take action to recover any tax credit or grant already issued from, an applicant who has not resolved the issues identified in a failed inspection or review.
- (2) The department will provide written notice to the applicant explaining the reason for a denial, suspension or revocation of a tax credit or grant due to a failed inspection or review..
- (3) The applicant may request reconsideration of the failed inspection or review. A request for reconsideration must be received by the department within 30 calendar days of the date of the notice of failure.
- (4) A request for reconsideration must include an explanation of why the applicant believes the project should pass inspection or review, a request for a new inspection or review, and payment of the required re-inspection fee.
- (5) The department may waive all or part of the re-inspection fee if it denies the request for reconsideration or accepts the applicant's explanation of special circumstances for the failure of the inspection or review.

#### Definitions

For the purposes of 330-230-0110 to 330-230-0140 the following definitions apply:

- (1) "Pass-through amount" means the amount, equal to the present value of the credit calculated in accordance with the formula set out in OAR 330-230-0130, paid to an applicant in exchange for the right to claim the tax credit.
- (2) "Pass-through partner" means an individual or business that pays the pass-through amount to an applicant and receives the tax credit in place of the applicant.

#### Pass-Through Eligibility

- (1) An entity eligible to receive a tax credit may transfer the credit in return for a cash payment.
- (2) An eligible person or business that pays the present value to purchase the approved tax credit from the applicant is eligible to claim the tax credit in place of the original applicant.
- (3) A tax credit may be transferred one time only, from the applicant to an eligible pass-through partner.

### 330-230-0130

#### Pass-Through Amount

- (1) The following formulas will be used to calculate the present value of the tax credit for transfer purposes:
  - (a) For tax credits that may be claimed over 5 succeeding tax years, the formula is:  $\text{Tax Credit Amount} / [1 + (3(\text{5 year Treasury yield rate}) - 3 \text{ year net rate of change for the urban CPI for the west region})^5] = \text{Present Value}$
  - (b) For tax credits that may be claimed in one tax year the formula is:  $\text{Tax Credit Amount} / [1 + 2(\text{2 year Treasury yield rate}) + \text{net rate of change for the urban CPI for the west region}]^1 = \text{Present Value}$
- (2) Using the formulas in (1)(a) and (b) of this rule, the department will review and recalculate the present value of the tax credit on a quarterly basis and will publish the results on the department's web page. The department will use the rates in effect on the 15th of March, June,

September and December. The department will not establish a present value greater than the tax credit amount.

- (3) If an applicant elects to transfer the tax credit, the pass-through amount is determined by the present value calculation in effect on the date the department receives the complete application for preliminary certification or complete informational filing.

#### Pass-Through Process

- (1) An applicant planning to transfer the tax credit must select the pass-through option on the preliminary or final certification application.
- (2) If a pass-through partner has not been identified at the time of the preliminary certification application, the applicant must note "partner to be identified" and submit an updated application when the pass-through partner is identified.
- (3) If an applicant chooses to transfer the tax credit, the application for final certification must include a complete, signed pass-through partner agreement form.
- (4) When an applicant chooses to transfer a tax credit, the department may hold the application for final certification until pass-through partner information is received by the department. Any application in which the applicant has indicated a choice to transfer the tax credit is not a "completed application" until the department receives both the completed final certification application form and the completed pass-through partner agreement form for the tax credit, or portion of the tax credit, being transferred to that pass-through partner.

(5) If the tax credit is being transferred to more than one pass-through partner, an applicant has up to 18 months from the date the first pass-through partner agreement form is received by the department to begin each certification period for claiming the tax credit. For pass-through partner agreement forms received by the department after the 18-month period, the certification period begins 18 months from the date the first pass-through partner agreement form was received by the department. If the preliminary certification expires or otherwise becomes invalid during this period, the department will not certify any remaining tax credits.

- (6) The department will not issue a tax credit certificate to a pass-through partner until the appropriate criteria, conditions and requirements of the preliminary certification and these rules are satisfied.

(7) For purposes of administering the sunset of the program, the department may issue a tax credit to an applicant, even though the applicant previously indicated a choice to transfer the tax credit to a pass-through partner, if the department has not received a completed application that includes the signed pass-through partner agreement form at least sixty days prior to the sunset date for the program. A tax credit will be issued to an applicant if the applicant and the project meet all applicable requirements and the only piece causing the application for final certification to be incomplete is the pass-through partner agreement form.

- (8) The department will issue a tax credit certificate to the pass-through partner when the applicant confirms receipt of a payment equal to the present value of the tax credit and the applicant relinquishes any claim to the credit.

Without this rule, prior BETC program applicants could seek amendments to increase the size of existing projects and thus subvert the intent of HB 3672 (2011) to stop new activity within the BETC program.

## 330-090-0130

### How the Oregon Department of Energy Processes a BETC Application

#### (1) General:

(a) The Director reviews a BETC application in two stages. The first stage is called preliminary certification. The second stage is called final certification. The final certification consists of the determination of eligible costs for purposes of the tax credit and the issuance of the BETC final certificate.

(b) To begin the review process for each stage, or to change the facility during the review process, an applicant must submit an application on the form approved by the Department. Applications for facilities that use or produce renewable energy resources, or are listed as renewable energy resources as defined under ORS 469.185, must be submitted under the tiered priority system described in OAR 330-090-0350 and include any additional requirements under this section.

(c) A facility owner planning to use a Pass-through Partner will select the pass-through option on the Application for Preliminary Certification.

(d) The Director may impose conditions in approving a preliminary or final certification that the facility must operate in accordance with the representations made by the applicant, and is in accordance with the provisions of ORS 469.185 to 469.225 and any applicable rules or standards adopted by the Director.

(e) If the Department determines that the applicant qualifies for a BETC, the Department may issue a preliminary certification. The preliminary certification may contain specific criteria and conditions for the facility to meet in order to obtain a final certification based on the information provided in the application for the BETC and type of facility that is described in the application. In addition, the Department may require the applicant to enter a performance agreement or other similar agreement as a condition of approval.

(2) **Pre-Approval of Preliminary Certifications:** The Director has pre-approved preliminary certifications for the following facilities that the Department has reviewed and determined to be otherwise qualified under these rules:

(a) Alternate energy devices qualifying for a tax credit under the Residential Energy Tax Credit Program, OAR 330-070-0010 through 330-070-0097, for which the Department has determined qualified costs, energy savings, and eligible tax credits. A facility owner may file for a preliminary certification to present documentation supporting different determinations for review and approval.

(b) Pre-qualified hybrid-electric vehicles.

(3) **Preliminary Certification Review Process:** Except as provided in OAR 330-090-0130(1) and (2), a completed application for preliminary certification shall be received by the Department on or prior to the erection, construction, installation or acquisition of a facility.

(a) Within 60 days after an application for preliminary certification is filed, the Director will decide if it is complete. An application is incomplete if it does not include information needed to demonstrate substantive compliance with the provisions of ORS 469.185 to 469.225 and any applicable rules or standards adopted by the Director. The Director will provide the applicant a written notice relating to the incomplete application and the information needed to make the application complete. If no action is taken within 30 days by the applicant, the application will expire.

(b) Within 120 days after a completed application is submitted the Director will notify the applicant of the status of the application, except as otherwise provided in subsection (5), if the applicant has not been notified otherwise the application has been denied.

(A) If it complies, the Director will approve the preliminary certification. The preliminary certification will state the amount of the costs that are eligible (eligible costs) for a BETC up to the maximum amount of certifiable costs under ORS 496.200. It may differ from the amount requested for reasons explained in the preliminary certification and based on these rules. Also, it will state any conditions that must be met before development, final certification, or some other event can occur. The Director will explain why each condition is needed to comply with these rules.

(B) If it does not comply, the Director will deny the application. No later than 60 days after the Director issues an order denying the application, the applicant may request reconsideration as provided in OAR 330-090-0133(4).

(C) An applicant can re-submit an application that is denied if features of the facility change, the applicant provides data the absence of which resulted in the denial, or other changes warrant. An application for preliminary certification can be amended or withdrawn by the applicant before the Director issues a preliminary certification. If an application is amended, the

time within which review occurs starts over. An applicant may request reconsideration of an application denial under this rule.

#### (4) Preliminary Certification After Start of a Facility:

(a) If a facility has been started an applicant may file a written request with the Director for approval of a preliminary certification after facility start. Such a request must contain information in accord with OAR 330-090-0120 and 330-090-0130(5)(b).

(b) The Director may approve preliminary certification after facility start if:

(A) The request is in accord with OAR 330-090-0120;

(B) Special circumstances make application for preliminary certification before facility start up impracticable. Such circumstances include process delays beyond the applicant's control, facility funding and energy supplies or markets; and

(C) The Director receives the waiver request within 90 days of facility start date. Under extraordinary circumstances the Director may extend the waiver period provided the facility serves the aims of the program.

(D) Failing to submit an application for preliminary certification before signing contracts for the facility does not constitute special circumstances supporting a waiver.

(5) **How Preliminary Certification Can be Revoked:** The Director may alter, condition, suspend, deny or revoke a preliminary certification for a reason listed in this section

(a) A facility is not completed and a complete final certification application received before 1,095 days (3 years) after the preliminary certification was issued or a further 730 days (2 years) if an extension has been approved.

(b) Permits, waivers, and licenses required by OAR 330-090-0120 are not filed with the Department before facility development starts.

(c) The facility undergoes changes without the changes being approved under OAR 330-090-0130(7).

(d) Any other reason allowed by the amendments to ORS 469.210 (3) in Oregon Laws, 2010, Chapter 76, Section 11.

(6) **Amendments to Preliminary Certifications:** To change a facility that has a preliminary certification and amend the preliminary certification, the applicant must file a written request with the Director prior to the project completion date.

(a) The request must describe the change to the facility and reasons for the change. It may include changes in cost, tax credit amount, facility design, and materials. The request may also include changes in the amount of energy saved or produced, jobs created, project financing, the applicant, the location, or other matters that demonstrate substantial change in the project's scope. The request must be accompanied by the appropriate fee.

(b) If a request does not include information needed to demonstrate substantive compliance with the provisions of ORS 469.185 to 469.225 and any applicable rules or standards adopted by the Director, the department will provide the applicant a written notice relating to the information needed to make the request complete. If the applicant does not provide all of the requested information to the Department within 30 days, the request will expire and no changes will be made to the preliminary certification.

(c) Preliminary certifications issued for facilities using or producing renewable energy resources, or facilities listed as renewable energy resources as defined under ORS 469.185, shall not be eligible for consideration of amendments other than those listed below in (A) through (C). An eligible amendment cannot change the tier within which the application was reviewed.

(A) Equipment capacity within 10 percent of the approved specification;

(B) Amendments to the facility that do not result in an increased potential tax credit amount, but increase output or otherwise improve the facility; or

(C) Changes in ownership.

(d) Amendment requests received after January 13, 2012, will not be approved if the amendment would result in an increased tax credit.

(e) Within 60 days after the applicant files the change request, the Director will decide if the facility as modified complies with these rules.

(A) If it complies, the Director may issue an amended preliminary certification which may contain new or amended criteria, conditions and requirements.

(B) If it does not comply, the Director will issue an order that denies the change and provide written reasons for the denial.

(f) The amendments to ORS 315.354, 315.356 and 469.220 by Oregon Laws, 2011, Chapter 693 Section 1 do not provide a basis for applicants to obtain amendments to certifications issued under ORS 469.210 or 469.215.

# ADMINISTRATIVE RULES

(7) **If the facility does not proceed:** The applicant must inform the Director in writing if it does not proceed with the facility or proceeds without the tax credit. In that case, the Director will cancel the preliminary certification.

(8) **Pass-through Option Process and Application:**

(a) In addition to the application for preliminary certification, an applicant who plans to transfer the tax credit certificate to a Pass-through Partner must complete and file the Pass-through Option Application form supplied by the Department.

(b) If the Pass-through Partner is not yet secured at the time of the Application for Preliminary Certification, the facility owner will complete that section of the application by inserting "Partner to be identified" and will submit an updated application when the Pass-through Partner is secured.

(c) The Department will not transfer and issue a final certificate to a pass-through partner until the facility owner provides evidence to the Department that the owner has received the pass-through payment in full.

(9) **Extension of Preliminary Certification:** Applicants who have not previously extended their certification and whose preliminary certification is anticipated to expire prior to completion of the facility may apply for an extension of an additional two years from the current expiry of the preliminary certification.

(a) Applicants must submit a written request to the department, accompanied by the appropriate fee, describing the progress made in developing the facility since the department issued the preliminary certification and verifying that the project will be developed in accordance with the initial approval, within two years from the current end of the preliminary certification and prior to the sunset date of the program. The request shall include the new proposed facility completion date. Requests may be made no earlier than 6 months prior to the expiration of the existing preliminary certification.

(b) If an applicant wishes to make changes other than to the completion date, the applicant must submit a request for amendment as described in ORS 330-090-0130(7).

(c) If a request or original application does not include information needed to demonstrate substantive compliance with the provisions of ORS 469.185 to 469.225 and any applicable rules or standards adopted by the Director the department will provide the applicant a written notice specifying the information needed to make the request complete. If the applicant does not provide all of the requested information to the Department within 30 days, the request will expire and no extension will be made to the preliminary certification expiration date.

(d) The department will review the previously approved application against current statute and rules. Within 60 days after the department receives the extension request, the Director will decide if the request complies with these rules.

(A) If it complies, the Director may issue an amended preliminary certification which may contain new or amended criteria, conditions and requirements.

(B) If it does not comply, the Director will issue an order that denies the extension and provide written reasons for the denial.

(10)(a) **Final Certification Review Process and Application:** An application for final certification must be filed after the facility is completed as defined in these rules.

(b) An application for final certification must include:

(A) Evidence to demonstrate that:

(i) The facility complies with all conditions and criteria of the preliminary certification and with the provisions of ORS Chapter 469 and the rules adopted thereunder;

(ii) The facility remains in compliance with local, state, and federal laws, including local land use laws and with any conditions imposed by the local government as a condition of land use approval; and

(iii) The facility will be maintained and operated for at least five years after the facility is placed into operation, or a lesser period if approved and specified on the preliminary certification.

(B) An account of the facility costs, including prorated costs.

(i) If facility costs are less than \$50,000, the account may be records of facility costs paid or incurred based on canceled checks, invoices, receipts, a binding contract or agreement, or other documentation as may be required under these rules unless required by the Director to supply verification from a certified public accountant, who is not otherwise permanently employed by the facility owner or pass-through partner. If an applicant has an outstanding binding contract or loan agreement, the account shall demonstrate that payments on contract or loan are not in default; or

(ii) If the facility costs are \$50,000 or more, a certified public accountant, who is not otherwise permanently employed by the facility owner or pass-through partner, must complete a written review and summary of costs paid or incurred based on canceled checks, invoices, or receipts, a binding contract or agreement, or other documentation as may be required under these rules. If an applicant has an outstanding binding contract or loan agreement, the certified public accountant shall include sufficient information to demonstrate that accounts directly related to the facility are not in default.

(iii) The application must include information regarding any federal grants applied for or received in connection with the facility including, without limitation, the grant(s) applied for, the date of each application, the amount of the requested grant(s), when applicant expects to receive notice of grant approval or denial and any other information that may be required by the director. Final total costs will be reduced dollar for dollar by any federal grant amount received by a taxpayer in connection with the facility.

(C) For a Sustainable Building Practices Facility, a copy of the facility U.S. Green Building Council (USGBC) Rating Certificate, USGBC Final LEED™ Review, Energy Performance Documentation, Narrative for Energy and Atmosphere Credit 1, Annual Solar Income as described in the rules and method of calculation will be accepted in lieu of facility cost receipts.

(D) Proof the facility is completed and operating.

(E) If the facility is leased or rented, a copy of the lease or rental agreement.

(F) For Alternative Fuel Vehicle facilities, proof of conversion must include a copy of vehicle emission test performance results from DEQ or a conversion shop.

(G) Documentation that the applicant and facility owner or owners are current on their property taxes where the facility is located if appropriate; and

(H) Other data the Director finds are needed to assure a facility complies with these rules and conditions imposed in the preliminary certificate

(I) The names of the person or persons who are to be issued the final certificate. If the final certificate is to be issued to a pass-through partner, the Department will not issue the certificate until the appropriate criteria, conditions and requirements of the preliminary and final certification and these rules are satisfied.

has been the primary mechanism for the Eugene-Springfield area being able to attain the PM10 health standard. This program will continue to be implemented without changes under the PM10 maintenance plan to ensure continued attainment with the standard. Under this plan, industrial emissions growth will be controlled through existing New Source Review regulations, which for maintenance areas reduces the stringency and costs of emission control requirements for new sources, from the Lowest Achievable Emission Rate (LAER) to the Best Available Control Technology (BACT). All other requirements on sources will remain the same.

DEQ will submit these rules to the EPA as a revision to the State Implementation Plan, which is a requirement of the Clean Air Act. **Rules Coordinator:** Maggie Vandehey—(503) 229-6878

## 340-200-0040

### State of Oregon Clean Air Act Implementation Plan

(1) This implementation plan, consisting of Volumes 2 and 3 of the State of Oregon Air Quality Control Program, contains control strategies, rules and standards prepared by the Department of Environmental Quality and is adopted as the state implementation plan (SIP) of the State of Oregon pursuant to the federal Clean Air Act, 42 U.S.C.A. 7401 to 7671q.

(2) Except as provided in section (3), revisions to the SIP will be made pursuant to the Commission's rulemaking procedures in division 11 of this chapter and any other requirements contained in the SIP and will be submitted to the United States Environmental Protection Agency for approval. The State Implementation Plan was last modified by the Commission on December 15, 2011.

(3) Notwithstanding any other requirement contained in the SIP, the Department may:

(a) Submit to the Environmental Protection Agency any permit condition implementing a rule that is part of the federally-approved SIP as a source-specific SIP revision after the Department has complied with the public hearings provisions of 40 CFR 51.102 (July 1, 2002); and

(b) Approve the standards submitted by a regional authority if the regional authority adopts verbatim any standard that the Commission has adopted, and submit the standards to EPA for approval as a SIP revision.

**NOTE:** Revisions to the State of Oregon Clean Air Act Implementation Plan become federally enforceable upon approval by the United States Environmental Protection Agency. If any provision of the federally approved Implementation Plan conflicts with any provision adopted by the Commission, the Department shall enforce the more stringent provision.

### Definitions

The definitions in OAR 340-200-0020 and this rule apply to this division. If the same term is defined in this rule and 340-200-0020, the definition in this rule applies to this division. Definitions of boundaries in this rule also apply to OAR 340 division 200 through 268 and throughout the State of Oregon Clean Air Act Implementation Plan adopted under 340-200-0040.

(1) "AQCR" means Air Quality Control Region.

(2) "AQMA" means Air Quality Maintenance Area.

(3) "CO" means Carbon Monoxide.

(4) "CBD" means Central Business District.

(5) "Criteria Pollutant" means any of the six pollutants set out by the Clean Air Act (sulfur oxides, particulate matter, ozone, carbon monoxide, nitrogen dioxide, and lead) for which the EPA has promulgated standards in 40 CFR 50.4 through 50.12 (July, 1993).

(6) "Eugene-Springfield UGB" means the area within the bounds beginning at the Willamette River at a point due east from the intersection of East Beacon Road and River Loop No.1; thence southerly along the Willamette River to the intersection with Belt Line Road; thence easterly along Belt Line Road approximately one-half mile to the intersection with Delta Highway; thence northwesterly and then northerly along Delta Highway and on a line north from the Delta Highway to the intersection with the McKenzie River; thence generally southerly and easterly along the McKenzie River approximately eleven miles to the intersection with Marcola Road; thence southwesterly along Marcola Road to the intersection with 42nd Street; thence southerly along 42nd Street to the intersection with the northern branch of US Highway 126; thence easterly along US Highway 126 to the intersection with 52nd Street; thence north along 52nd Street to the intersection with High Banks Road; thence easterly along High Banks Road to the intersection with 58th Street; thence south along 58th Street to the intersection with Thurston Road; thence easterly along Thurston Road to the intersection with the western boundary of Section 36, T17S, R2W; thence south to the southwest corner of Section 36, T17S, R2W; thence west to the Springfield City Limits; thence following the Springfield City Limits southwesterly to the intersection with the western boundary of Section 2, T18S, R2W; thence on a line southwest to the Private Logging Road approximately one-half mile away; thence southeasterly along the Private Logging Road to the intersection with Wallace Creek; thence southwesterly along Wallace Creek to the confluence with the Middle Fork of the Willamette River; thence generally northwesterly along the Middle Fork of the Willamette River approximately seven and one-half miles to the intersection with the northern boundary of Section 11, T18S, R3W; thence west to the northwest corner of Section 10, T18S, R3W; thence south to the intersection with 30th Avenue; thence westerly along 30th Avenue to the intersection with the Eugene City Limits; thence following the Eugene City Limits first southerly then westerly then northerly and finally westerly to the intersection with the northern boundary of Section 5, T18S, R4W; thence west to the intersection with Greenhill Road; thence north along Greenhill Road to the intersection with Barger Drive; thence east along Barger Drive to the intersection with the Eugene City Limits (Ohio Street); thence following the Eugene City Limits first north then east then north then east then south then east to the intersection with Jansen Drive; thence east along Jansen Drive to the intersection with Belt Line Road; thence northeasterly along Belt Line Road to the intersection with Highway 99; thence northwesterly along Highway 99 to the intersection with Clear Lake Road; thence west along Clear Lake Road to the intersection with the western boundary of Section 9, T17S, R4W; thence north to the intersection with Airport Road; thence east along Airport Road to the intersection with Highway 99; thence northwesterly along Highway 99 to the intersection East Enid Road; thence east along East Enid Road to the intersection with Prairie Road; thence southerly along Prairie Road to the intersection with Irvington Road; thence east along Irvington Road to the intersection with the Southern Pacific Railroad Line; thence southeasterly along the Southern Pacific Railroad Line to the intersection with Irving Road; thence east along Irving Road to the intersection with Kalmia Road; thence northerly along Kalmia Road to the intersection with Hyacinth Road; thence northerly along Hyacinth Road to the intersection with Irvington Road; thence east along Irvington Road to the intersection with

Spring Creek; thence northerly along Spring Creek to the intersection with River Road; thence northerly along River Road to the intersection with East Beacon Drive; thence following East Beacon Drive first east then south then east to the intersection with River Loop No.1; thence on a line due east the Willamette River and the point of beginning.

(7) "Grants Pass CBD" means the area within the City of Grants Pass enclosed by "B" Street on the north, 8th Street to the east, "M" Street on the south, and 5th Street to the west.

(8) Grants Pass Control Area means the area of the state beginning at the northeast corner of Section 35, T35S, R5W; thence south to the southeast corner of Section 11, T37S, R5W; thence west to the southwest corner of Section 9, T37S, R6W; thence north to the northwest corner of Section 33, T35S, R6W; thence east to the point of beginning.

(9) "Grants Pass UGB" as shown on the Plan and Zoning maps for the City of Grants Pass as of Feb. 1, 1988 is the area within the bounds beginning at the NW corner of Sec. 7, T36S, R5W; thence south to the SW corner of Sec. 7; thence west along the southern boundary of Sec. 12, T36S, R5W approx. 2000 feet; thence south approx. 100 feet to the northern right of way of the Southern Pacific Railroad Line (SPRR Line); thence southeasterly along said right of way approx. 800 feet; thence south approx. 400 feet; thence west approx. 1100 feet; thence south approx. 700 feet to the intersection with the Hillside Canal; thence west approx. 100 feet; thence south approx. 550 feet to the intersection with Upper River Road; thence southeasterly along Upper River Road and continuing east along Old Upper River Road approx. 700 feet; thence south approx. 1550 feet; thence west approx. 350 feet; thence south approx. 250 feet; thence west approx. 1000 feet; thence south approx. 600 feet to the north end of Roguela Lane; thence east approx. 400 feet; thence south approx. 1400 feet to the intersection with Lower River Road; thence west along Lower River Road approx. 1400 feet; thence south approx. 1350 feet; thence west approx. 25 feet; thence south approx. 1200 feet to the south bank of the Rogue River; thence northwesterly along said bank approx. 2800 feet; thence on a line southwesterly and parallel to Parkhill Place approx. 600 feet; thence northwesterly at a 90 degree angle approximately 300 feet to the intersection with Parkhill Place; thence southwesterly along Parkhill Place approx. 250 feet; thence on a line southeasterly forming a 90 degree angle approximately 300 feet to a point even with Leonard Road; thence west approx. 1500 feet along Leonard Road; thence north approx. 200 feet; thence west to the west side of Schroeder Lane; thence north approx. 150 feet; thence west approx. 200 feet; thence south to the intersection with Leonard Road; thence west along Leonard Road approx. 450 feet; thence north approx. 300 feet; thence east approx. 150 feet; thence north approx. 400 feet; thence west approx. 500 feet; thence south approx. 300 feet; thence west to the intersection with Coutant Lane; thence south along Coutant Lane to the intersection with Leonard Road; thence west along Leonard Road to the intersection with Buena Vista Lane; thence north along the west side of Buena Vista Lane approx. 200 feet; thence west approx. 150 feet; thence north approx. 150 feet; thence west approx. 200 feet; thence north approx. 400 feet; thence west approx. 600 feet to the intersection with the western boundary of Sec. 23, T36S, R6W; thence south to the intersection with Leonard Road; thence west along Leonard Road approx. 300 feet; thence north approx. 600 feet to the intersection with Darneille Lane; thence northwesterly along Darneille Lane approx. 200 feet; thence west approx. 300 feet; thence south approx. 600 feet to the intersection with Leonard Road; thence west along Leonard Road approx. 700 feet; thence south approx. 1350 feet; thence east approx. 1400 feet to the intersection with Darneille Lane; thence south along Darneille Lane approx. 600 feet; thence west approx. 300 feet; thence south to the intersection with Redwood Avenue; thence east along Redwood Avenue to the intersection with Hubbard Lane and the western boundary of Sec. 23, T36S, R6W; thence south along Hubbard Lane approx. 1850 feet; thence west approx. 1350 feet; thence south to the south side of U.S. Highway 199; thence westerly along U.S. 199 approx. 1600 feet to the intersection with the north-south midpoint of Sec. 27, T36S, R6W; thence south approx. 2200 feet; thence east approx. 1400 feet; thence north approx. 1000 feet; thence east approx. 300 feet; thence north approx. 250 feet to the intersection with the Highline Canal; thence northerly along the Highline Canal approx. 900 feet; thence east to the intersection with Hubbard Lane; thence north along Hubbard Lane approximately 600 feet; thence east approx. 200 feet; thence north approx. 400 feet to a point even with Canal Avenue; thence east approx. 550 feet; thence north to the south side of U.S. 199; thence easterly along the southern edge of U.S. 199 to the intersection with Willow Lane; thence south along Willow Lane to the intersection with Demaray Drive; thence easterly along Demaray Drive and continuing along the southern edge of U.S. 199 to the intersection with Dowell Road; thence south along Dowell Road approx. 550 feet; thence easterly approx. 750

feet; thence north to the intersection with the South Canal; thence easterly along the South Canal to the intersection with Schutzwahl Lane; thence south approx. 1300 feet to a point even with West Harbeck Road; thence east approx. 2000 feet to the intersection with Allen Creek; thence southerly along Allen Creek approx. 1400 feet to a point even with Denton Trail to the west; thence west to the intersection with Highline Canal; thence southerly along Highline Canal to the intersection with the southern boundary of Sec. 25, T36S, R6W; thence east to the intersection with Allen Creek; thence southerly along Allen Creek to the intersection with the western boundary of Sec. 31, T36S, R5W; thence south to the SW corner of Sec. 31; thence east to the intersection with Williams Highway; thence southeasterly along Williams Highway approx. 1300 feet; thence east approx. 200 feet; thence north approx. 400 feet; thence east approx. 700 feet; thence north to the intersection with Espey Road; thence west along Espey Road approx. 150 feet; thence north approx. 600 feet; thence east approx. 300 feet; thence north approx. 2000 feet; thence west approx. 2100 feet; thence north approx. 1350 feet; thence east approx. 800 feet; thence north approx. 2800 feet to the east-west midline of Sec. 30, T36S, R5W; thence on a line due NE approx. 600 feet; thence north approx. 100 feet; thence east approx. 600 feet; thence north approx. 100 feet to the intersection with Highline Canal; thence easterly along Highline Canal approx. 1300 feet; thence south approx. 100 feet; thence east to the intersection with Harbeck Road; thence north along Harbeck Road to the intersection with Highline Canal; thence easterly along Highline Canal to a point approx. 250 feet beyond Skyway Road; thence south to the intersection with Skyway Road; thence east to the intersection with Highline Canal; thence southeasterly along Highline Canal approx. 1200 feet; thence on a line due SW to the intersection with Bluebell Lane; thence southerly along Bluebell Lane approx. 150 feet; thence east to the intersection with Sky Crest Drive; thence southerly along Sky Crest Drive to the intersection with Harper Loop; thence southeasterly along Harper Loop to the intersection with the east-west midline of Sec. 29, T36S, R5W; thence east approx. 400 feet; thence south approx. 1300 feet to a point even with Troll View Road to the east; thence east to the intersection with Hamilton Lane; thence north along Hamilton Lane to the intersection with the Highline Canal; thence northeasterly along the Highline Canal to the northern boundary of Sec. 28, T36S, R5W; thence east approx. 1350 feet to the transmission line; thence north to the intersection with Fruitdale Drive; thence southwesterly along Fruitdale Drive approx. 700 feet; thence north to the northern edge of U.S. 199; thence easterly along the northern edge of U.S. 199 approx. 50 feet; thence north to the north bank of the Rogue River; thence northeasterly along the north bank of the Rogue River approx. 2100 feet to a point even with Ament Road; thence north to Ament Road and following Ament Road to U.S. Interstate Highway 5 (U.S. I-5); thence continuing north to the 1200 foot contour line; thence following the 1200 foot contour line northwesterly approx. 7100 feet to the city limits and a point even with Savage Street to the west; thence north following the city limits approx. 400 feet; thence west to the intersection with Beacon Street; thence north along Beacon Street and the city limits approx. 250 feet; thence east along the city limits approx. 700 feet; thence north along the city limits approx. 2200 feet; thence southwesterly along the city limits approximately 800 feet to the intersection with the 1400 foot contour line; thence northerly and northwesterly along the 1400 foot contour line approx. 900 feet to the intersection with the northern boundary of Sec. 9, T36S, R5W; thence west along said boundary approx. 100 feet to the NW corner of Sec. 9; thence south along the western boundary of Sec. 9 approx. 700 feet; thence west approx. 1400 feet; thence north approx. 2400 feet; thence west approx. 1350 feet; thence north approx. 1100 feet to the city limits; thence following the city limits first west approx. 1550 feet, then south approx. 800 feet, then west approx. 200 feet, then south approx. 200 feet, then east approx. 200 feet, then south approx. 300 feet, and finally westerly approx. 1200 feet to the intersection with the western boundary of Sec. 5, T36S, R5W; thence south along said boundary to the northern side of Vine Avenue; thence northwesterly along the northern side of Vine Avenue approx. 3150 feet to the intersection with the west fork of Gilbert Creek; thence north to the intersection with the southern right of way of U.S. I-5; thence northwesterly along said right of way approx. 1600 feet; thence south to the intersection with Old Highland Avenue; thence northwesterly along Highland Avenue approx. 650 feet; thence west approx. 350 feet; thence south approx. 1400 feet; thence east approx. 700 feet; thence south approx. 1000 feet; thence on a line SW approx. 800 feet; thence south approx. 1400 feet to the intersection with the northern boundary of Sec. 7, T36S, R5W; thence west to the NW corner of Sec. 7, the point of beginning.

east corner of Section 5, T40S, R10E; thence west to the southwest corner of Section 3, T40S, R8E; thence north to the northwest corner of Section 10, T38S, R8E; thence east to the point of beginning.

(11) "Klamath Falls UGB" means the area within the bounds beginning at the southeast corner of Section 36, Township 38 South, Range 9 East; thence northerly approximately 4500 feet; thence westerly approximately 1/4 mile; thence northerly approximately 3/4 mile into Section 25, T38S, R9E; thence westerly approximately 1/4 mile; thence northerly approximately 1/2 mile to the southern boundary of Section 24, T38S, R9E; thence westerly approximately 1/2 mile to the southeast corner of Section 23, T38S, R9E; thence northerly approximately 1/2 mile; thence westerly approximately 1/4 mile; thence northerly approximately 1/2 mile to the southern boundary of Section 14, T38S, R9E; thence generally northwesterly along the 5000 foot elevation contour line approximately 3/4 mile; thence westerly 1 mile; thence north to the intersection with the northern boundary of Section 15, T38S, R9E; thence west 1/4 mile along the northern boundary of Section 15, T38S, R9E; thence generally southeasterly following the 4800 foot elevation contour line around the old Oregon Institute of Technology Campus to meet with the westerly line of Old Fort Road in Section 22, T38S, R9E; thence southwesterly along the westerly line of Old Fort Road approximately 1 and 1/4 miles to Section 27, T38S, R9E; thence west approximately 1/4 mile; thence southwesterly approximately 1/2 mile to the intersection with Section 27, T38S, R9E; thence westerly approximately 1/2 mile to intersect with the Klamath Falls City Limits at the northerly line of Loma Linda Drive in Section 28, T38S, R9E; thence northwesterly along Loma Linda Drive approximately 1/4 mile; thence southwesterly approximately 1/8 mile to the Klamath Falls City Limits; thence northerly along the Klamath Falls City Limits approximately 1 mile into Section 21, T38S, R9E; thence westerly approximately 1/4 mile; thence northerly approximately 1 mile into Section 17, T38S, R9E; thence westerly approximately 3/4 mile into Section 17, T38S, R9E; thence northerly approximately 1/4 mile; thence westerly approximately 1 mile to the west boundary of Highway 97 in Section 18, T38S, R9E; thence southeasterly along the western boundary of Highway 97 approximately 1/2 mile; thence southwesterly away from Highway 97; thence southeasterly to the intersection with Klamath Falls City Limits at Front Street; thence westerly approximately 1/4 mile to the western boundary of Section 19, T38S, R9E; thence southerly approximately 1 and 1/4 miles along the western boundary of Section 19, T38S, R9E and the Klamath Falls City Limits to the south shore line of Klamath Lake; thence northwesterly along the south shore line of Klamath Lake approximately 1 and 1/4 miles across Section 25, T38S, R9E and Section 26, T38S, R9E; thence westerly approximately 1/2 mile along Section 26, T38S, R9E; thence southerly approximately 1/2 mile to Section 27, T38S, R9E to the intersection with eastern boundary of Orindale Draw, thence southerly along the eastern boundary of Orindale Draw approximately 1 and 1/4 miles into Section 35, T38S, R9E; thence southerly approximately 1/2 mile into Section 2, T39S, R8E; thence easterly approximately 1/4 mile; thence northerly approximately 1/4 mile to the southeast corner of Section 35, T38S, R8E and the Klamath Falls City Limits; thence easterly approximately 1/2 mile to the northern boundary of Section 1, T38S, R8E; thence southeasterly approximately 1/2 mile to Orindale Road; thence north 500 feet along the west side of an easement; thence easterly approximately 1 and 1/4 miles through Section 1, T38S, R8E to the western boundary of Section 6, T39S, R9E; thence southerly approximately 3/4 mile to the southwest corner of Section 6, T39S, R9E; thence easterly approximately 1/8 mile to the western boundary of Highway 97; thence southwesterly along the Highway 97 right-of-way approximately 1/4 mile; thence westerly approximately 1/2 mile to Agate Street in Section 7, T39S, R8E; thence northerly approximately 1/4 mile; thence westerly approximately 3/4 mile to Orindale Road in Section 12, T39S, R8E; thence northerly approximately 1/4 mile into Section 1, T39S, R8E; thence westerly approximately 3/4 mile to the Section 2, T39S, R8E boundary line; thence southerly approximately 3/4 mile along the Section 2, T39S, R8E boundary line to the northwest corner of Section 12, T39S, R8E; thence westerly approximately 1/8 mile into Section 11, T39S, R8E; thence southerly approximately 1/8 mile; thence northeasterly approximately 3/4 mile to the southern boundary of Section 12, T39S, R8E at Balsam Drive; thence southerly approximately 1/4 mile into Section 12, T39S, R8E; thence easterly approximately 1/4 mile to Orindale Road; thence southeasterly approximately 500 feet to Highway 66; thence southwesterly approximately 1/2 mile along the boundary of Highway 66 to Holiday Road; thence southerly approximately 1/2 mile into Section 13, T39S, R8E; thence northeasterly approximately 1/4 mile to the eastern boundary of Section 13, T39S, R8E; thence northerly approximately 1/4 mile along the eastern boundary of Section 13, T39S, R8E; thence westerly approximate-

ly 1/4 mile to Weyerhaeuser Road; thence northerly approximately 1/8 mile; thence easterly approximately 1/8 mile; thence northerly approximately 1/8 mile; thence westerly approximately 1/8 mile to Farrier Avenue; thence northerly approximately 1/4 mile; thence easterly approximately 1/4 mile to the eastern boundary of Section 13, T39S, R8E; thence northerly approximately 1/8 mile along the eastern boundary of Section 13, T39S, R8E; thence easterly approximately 1/4 mile along the northern section line of Section 18, T39S, R8E; thence southerly approximately 1/4 mile; thence easterly approximately 1/2 mile to the boundary of Highway 97; thence southerly approximately 1/3 mile to the Burlington Northern Right-of-Way; thence northeasterly approximately 1 and 1/3 miles along the high water line of the Klamath River to the Southside Bypass in Section 8, T39S, R9E; thence southeasterly along the Southside Bypass to the Southern Pacific Right-of-Way in Section 9, T39S, R9E; thence southerly approximately 1/2 mile along the Southern Pacific Right-of-Way; thence southwesterly approximately 1/4 mile along the Midland Highway; thence southeasterly approximately 1/4 mile to the old railroad spur; thence easterly 1/4 mile along the old railroad spur; thence southerly approximately 1/4 mile in Section 16, T39S, R9E; thence westerly approximately 1/3 mile; thence southerly approximately 1/4 mile; thence easterly approximately 1/16 mile in Section 21, T39S, R9E; thence southerly approximately 1/8 mile to the Lost River Diversion Channel; thence southeasterly approximately 1/4 mile along the northern boundary of the Lost River Diversion Channel; thence easterly approximately 3/4 mile along Joe Wright Road into Section 22, T39S, R9E; thence southeasterly approximately 1/8 mile on the eastern boundary of the Southern Pacific Right-of-Way; thence southeasterly approximately 1 mile along the western boundary of the Southern Pacific Right-of-Way across Section 22, T39S, R9E and Section 27, T39S, R9E to a point 440 yards south of the northern boundary of Section 27, T39S, R9E; thence easterly to Kingsley Field; thence southeasterly approximately 3/4 mile to the southern boundary of Section 26, T39S, R9E; thence east approximately 1/2 mile along the southern boundary of Section 26, T39S, R9E to a pond; thence north-northwesterly for 1/2 mile following the Klamath Falls City Limits; thence north 840 feet; thence east 1155 feet to Homedale Road; thence north along Homedale Road to a point 1/4 mile north of the southern boundary of Section 23, T39S, R9E; thence west 1/4 mile; thence north 1 mile to the Southside Bypass in Section 14, T39S, R9E; thence east 1/2 mile along the Southside Bypass to the eastern boundary of Section 14, T39S, R9E; thence north 1/2 mile; thence east 900 feet into Section 13, T39S, R9E; thence north 1320 feet along the USBR 1-C 1-A to the southern boundary of Section 12, T39S, R9E; thence north 500 feet to the USBR A Canal; thence southeasterly 700 feet along the southern border of the USBR A Canal back into Section 13, T39S, R9E; thence southeast 1600 feet to the northwest parcel corner of an easement for the Enterprise Irrigation District; thence east-northeast 2200 feet to the eastern boundary of Section 13, T39S, R9E; thence north to the southeast corner of Section 12, T39S, R9E; thence along the Enterprise Irrigation Canal approximately 1/2 mile to Booth Road; thence east 1/2 mile to Vale Road; thence north 1 mile to a point in Section 6, T39S, R10E that is approximately 1700 feet north of the southern boundary of Section 6, T39S, R10E; thence west approximately 500 feet; thence south approximately 850 feet; thence west approximately 200 feet; thence north approximately 900 feet; thence west approximately 1600 feet to the western boundary of Section 6, T39S, R10E; thence north approximately 1/2 mile to the southeast corner of Section 36, T38S, R9E, the point of beginning.

(12) "LaGrande UGB" means the area within the bounds beginning at the point where U.S. Interstate 84 (I-84) intersects Section 31, Township 2 South, Range 38 East; thence east along I-84 to the Union County Fairgrounds; thence north and then east on a line encompassing the Union County Fairgrounds to the intersection with Cedar Street; thence further east approximately 500 feet, encompassing two (2) residential properties; thence on a line south to the intersection with the northern bank of the Grande Ronde River; thence westerly along the northern bank of the Grande Ronde River to the intersection with the western edge of Mount Glenn Road and Riverside Park; thence north along the western edge of Mount Glenn Road and Riverside Park to the intersection with Fruitdale Road; thence east along Fruitdale Road and the northern boundary of Riverside Park to the eastern boundary of Riverside Park; thence south along the eastern boundary of Riverside Park to the north bank of the Grande Ronde River; thence on a line southeast to the intersection with the northern edge of I-84; thence easterly along the northern edge of I-84 to May Street; thence easterly along May Street to the intersection with State Highway 82; thence northeasterly along State Highway 82 to a point approximately 1/4 mile from the eastern edge of Section 4, T3S, R38E; thence south to the intersection with Section 9, T3S, R38E, and the south-

Boundary west and southwesterly to the intersection with Merriman Road; thence northwesterly along Merriman Road to the intersection with the eastern boundary of Section 10, T36S, R2W; thence south along said boundary line approximately 3/4 mile; thence west approximately 1/3 mile; thence south to the intersection with the Hopkins Canal; thence east along the Hopkins Canal approximately 200 feet; thence south to Rossanley Drive; thence east along Rossanley Drive approximately 200 feet; thence south approximately 1200 feet; thence west approximately 700 feet; thence south approximately 1400 feet; thence east approximately 1400 feet; thence north approximately 100 feet; thence east approximately 700 feet; thence south to Finley Lane; thence west to the end of Finley Lane; thence approximately 1200 feet; thence west approximately 1300 feet; thence north approximately 150 feet; thence west approximately 500 feet; thence south to Highway 238; thence west along Highway 238 approximately 250 feet; thence south approximately 1250 feet to a point even with the end of Renault Avenue to the east; thence east approximately 2200 feet; thence south approximately 1100 feet to a point even with Sunset Court to the east; thence east to and along Sunset Court to the first (nameless) road to the south; thence approximately 850 feet; thence west approximately 600 feet; thence south to Stewart Avenue; thence west along Stewart Avenue approximately 750 feet; thence south approximately 1100 feet; thence west approximately 100 feet; thence south approximately 800 feet; thence east approximately 800 feet; thence south approximately 1000 feet; thence west approximately 350 feet to a point even with the north-south connector street between Sunset Drive and South Stage Road; thence south to and along said connecting road and continuing along South Stage Road to Fairlane Road; thence south to the end of Fairlane Road and extending beyond it approximately 250 feet; thence east approximately 250 feet; thence south approximately 250 feet to the intersection with Judy Way; thence east on Judy Way to Griffin Creek Road; thence north on Griffin Creek Road to South Stage Road; thence east on South Stage Road to Orchard Home Drive; thence north on Orchard Home Drive approximately 800 feet; thence east to Columbus Avenue; thence south along Columbus Avenue to South Stage Road; thence east along South Stage Road to the first road to the north after Sunnyview Lane; thence north approximately 300 feet; thence east approximately 300 feet; thence north approximately 700 feet; thence east to King's Highway; thence north along King's Highway to Experiment Station Road; thence east along Experiment Station Road to Marsh Lane; thence east along Marsh Lane to the northern boundary of Section 6, T38S, R1W; thence east along said boundary approximately 1100 feet; thence north approximately 1200 feet; thence east approximately 1/3 mile; thence north approximately 400 feet; thence east approximately 1000 feet to a drainage ditch; thence following the drainage ditch southeasterly approximately 500 feet; thence east to the eastern boundary of Section 31, T37S, R1W; thence south along said boundary approximately 1900 feet; thence east to and along the loop off of Rogue Valley Boulevard, following that loop to the Southern Pacific Railroad Line (SPRR); thence following SPRR approximately 500 feet; thence south to South Stage Road; thence east along South Stage Road to SPRR; thence southeasterly along SPRR to the intersection with the west fork of Bear Creek; thence northeasterly along the west fork of Bear Creek to the intersection with U.S. Highway 99; thence southeasterly along U.S. Highway 99 approximately 250 feet; thence east approximately 1600 feet; thence south to East Glenwood Road; thence east along East Glenwood Road approximately 1250 feet; thence north approximately 1/2 mile; thence west approximately 250 feet; thence north approximately 1/2 mile to the Medford City Limits; thence east along the city limits to Phoenix Road; thence south along Phoenix Road to Coal Mine Road; thence east along Coal Mine Road approximately 9/10 mile to the western boundary of Section 35, T37S, R1W; thence north to the midpoint of the western boundary of Section 35, T37S, R1W; thence west approximately 800 feet; thence north approximately 1700 feet to the intersection with Barnett Road; thence easterly along Barnett Road to the southeast corner of Section 27, T37S, R1W; thence north along the eastern boundary line of said section approximately 1/2 mile to the intersection with the 1800 foot contour line; thence east to the intersection with Cherry Lane; thence following Cherry Lane southeasterly and then northerly to the intersection with Hillcrest Road; thence east along Hillcrest Road to the southeast corner of Section 23, T37S, R1W; thence north to the northeast corner of Section 23, T37S, R1W; thence west to the midpoint of the northern boundary of Section 22, T37S, R1W; thence north to the midpoint of Section 15, T37S, R1W; thence west to the midpoint of the western boundary of Section 15, T37S, R1W; thence south along said boundary approximately 600 feet; thence west approximately 1200 feet; thence north approximately 600 feet; thence west to Foothill Road; thence north along Foothill Road to a point approximately 500 feet north of Butte Road; thence west approxi-

mately 300 feet; thence south approximately 250 feet; thence west on a line parallel to and approximately 250 feet north of Butte Road to the eastern boundary of Section 8, T37S, R1W; thence north approximately 2200 feet; thence west approximately 1800 feet; thence north approximately 2000 feet; thence west approximately 500 feet; thence north to Coker Butte Road; thence east along Coker Butte Road approximately 550 feet; thence north approximately 1250 feet; thence west to U.S. Highway 62; thence north approximately 3000 feet; thence east approximately 400 feet to the 1340 foot contour line; thence north approximately 800 feet; thence west approximately 200 feet; thence north approximately 250 feet to East Vilas Road; thence east along East Vilas Road approximately 450 feet; thence north approximately 2000 feet to a point approximately 150 feet north of Swanson Creek; thence east approximately 600 feet; thence north approximately 850 feet; thence west approximately 750 feet; thence north approximately 650 feet; thence west approximately 2100 feet; thence on a line southeast approximately 600 feet; thence east approximately 450 feet; thence south approximately 1600 feet; thence west approximately 2000 feet to the continuance of the private logging road north of East Vilas Road; thence south along said logging road approximately 850 feet; thence west approximately 750 feet; thence south approximately 150 feet; thence west approximately 550 feet to Peace Lane; thence north along Peace Lane approximately 100 feet; thence west approximately 350 feet; thence north approximately 950 feet; thence west approximately 1000 feet to the western boundary of Section 31, T36S, R1W; thence north approximately 1300 feet along said boundary to the point of beginning.

(18) "Nonattainment Area" means any area that has been designated as not meeting the standards established by the U.S. Environmental Protection Agency (EPA) pursuant to 40 CFR 51.52 (July, 1993) for any criteria pollutant.

(19) "O3" means Ozone.

(20) "Oakridge UGB" means the area enclosed by the following: Beginning at the northwest corner of Section 17, T21S, R3E and the city limits; thence south along the western boundary of Section 17, T21S, R3E along the city limits approximately 800 feet; thence southwesterly following the city limits approximately 750 feet; thence west along the city limits approximately 450 feet; thence northwesterly along the city limits approximately 450 feet; thence on a line south along the city limits approximately 250 feet; thence on a line east along the city limits approximately 100 feet; thence southwesterly along the city limits approximately 200 feet; thence on a line east along the city limits approximately 400 feet; thence on a line south along the city limits to the channel of the Willamette River Middle Fork; thence south-easterly up the Willamette River Middle Fork along the city limits approximately 7200 feet; thence exiting the Willamette River Middle Fork with the city limits in a northerly manner and forming a rough semicircle with a diameter of approximately one-half mile before rejoining the Willamette River Middle Fork; thence diverging from the city limits upon rejoining the Willamette River Middle Fork and moving southeasterly approximately 5600 feet up the Willamette River Middle Fork to a point on the river even with the point where Salmon Creek Road intersects with U.S. Highway 58; thence on a line east from the channel of the Willamette River Middle Fork across the intersection of Salmon Creek Road and U.S. Highway 58 to the intersection with the Southern Pacific Railroad Line; thence northerly along the Southern Pacific Railroad Line to the intersection with the northern boundary of Section 22, T21S, R3E; thence west along the northern boundary of Section 22, T21S, R3E to the intersection with Salmon Creek Road; thence on a line north to the intersection with the Southern Pacific Railroad Line; thence east along the Southern Pacific Railroad Line approximately 600 feet; thence on a line north to the intersection with High Prairie Road; thence on a line west approximately 400 feet; thence on a line north to the intersection with the northern boundary of Section 15, T21S, R3E; thence west along the northern boundary of Section 15, T21S, R3E to the intersection with the southeastern corner of Section 9, T21S, R3E; thence north along the eastern boundary of Section 9, T21S, R3E approximately 1300 feet; thence on a line west approximately 1100 feet; thence on a line south to the intersection with West Oak Road; thence northwesterly along West Oak Road approximately 2000 feet; thence on a line south to the intersection with the northern boundary line of the city limits; thence westerly and northwesterly approximately 8000 feet along the city limits to the point of beginning.

## Department of Fish and Wildlife Chapter 635

**Rule Caption:** Corrections to 2012 Recreational Fisheries Rules for the Central Zone.

**Adm. Order No.:** DFW 160-2011(Temp)

**Filed with Sec. of State:** 12-20-2011

**Certified to be Effective:** 1-1-12 thru 4-30-12

**Notice Publication Date:**

**Rules Amended:** 635-018-0090

**Subject:** This amended rule corrects errors found in the 2012 *Oregon Sport Fishing Regulations for the Central Zone*. The *Special Regulations for the Hood River Basin* (Hood River Co.) mainstem and tributaries not listed, found on page 63 of the 2012 *Oregon Sport Fishing Regulations*, were printed incomplete. Modifications restore bait restrictions; restrictions for use of artificial flies and lures when angling for trout; and include a description of areas open for retention of adipose fin-clipped coho and adipose fin-clipped steelhead as well as.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

# ADMINISTRATIVE RULES

## Inclusions and Modifications

(1) The **2012 Oregon Sport Fishing Regulations** provide requirements for the Central Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2012 Oregon Sport Fishing Regulations**.

(2) Hood River Basin (Hood River Co.) mainstem and tributaries not listed:

(a) Note: *Chinook salmon* angling closed entire river. Emergency regulations opening *Chinook* angling may be adopted after the printing of the 2012 Oregon Sport Fishing Regulations. Up-to-date changes can be obtained by calling 1-503-947-6000 or at our internet site: [www.dfw.state.or.us/resources/fishing/reg\\_changes/central.asp](http://www.dfw.state.or.us/resources/fishing/reg_changes/central.asp)

(b) Open for adipose fin-clipped *coho salmon* and adipose fin-clipped *steelhead* entire year, from mouth to mainstem confluence with the East Fork and the West Fork from the confluence with the mainstem upstream to the angling deadline 200 feet downstream of Punchbowl Falls.

(c) Catch and release only for trout, May 26-Oct. 31.

(d) Restricted to artificial flies and lures when angling for *trout* in all tributaries and in mainstem Hood River upstream from the confluence with the West Fork.

(e) Use of bait allowed for *salmon* and *steelhead*.

(f) All other catch limits and restrictions remain unchanged from those listed for Hood River in the 2012 Oregon Sport Fishing Regulations.

**Rule Caption:** Amend Rule to Correct the Dates for the April 2012 Youth Turkey Hunt.

**Adm. Order No.:** DFW 161-2011(Temp)

**Filed with Sec. of State:** 12-21-2011

**Certified to be Effective:** 12-21-11 thru 6-1-12

**Notice Publication Date:**

**Rules Amended:** 635-053-0035

**Subject:** Currently, the 2011–12 Game Bird regulations (page 15) lists the statewide season dates for the youth turkey hunt as April 8 and 9, 2012. The hunt dates should have been listed as April 7 and April 8, 2012. Through this temporary rules, we are amending the dates by adding Saturday, April 7, 2012. Thus, the statewide season will be April 7, 8, and 9, 2012. This will allow for three days of hunting for the youth turkey hunt.

## 635-013-0003

### Purpose and Scope

(1) The purpose of division 13 is to provide for management of sport salmon fisheries off the Oregon Coast over which the State has jurisdiction.

(2) This rule incorporates by reference, the annual ocean sport salmon specifications and management measures as adopted by the **Pacific Fishery Management Council** in its annual **Ocean Salmon Management Measures and Impacts**, as finalized in April 2010, and in addition to the extent they are consistent with these rules, Code of **Federal Regulations (CFR), Title 50, Part 660, Subparts A and H**.

(3) This rule also incorporates by reference the 2012 Oregon Sport Fishing Regulations.

(4) A copy of the **Pacific Fishery Management Council referenced document** and the **Federal Regulations** may be obtained by contacting the **Pacific Fishery Management Council** at [www.pfmcouncil.org](http://www.pfmcouncil.org) or at 7700 NE Ambassador Place, Suite 101, Portland, OR 97220-1384.

(5) To the extent not preempted by Federal law, these regulations apply within the State of Oregon's Fisheries Conservation Zone (out to fifty miles from shore).

## 635-013-0004

### Inclusions and Modifications

(1) OAR 635-013-0005 through OAR 635-013-0009 modify or are in addition to provisions contained in **Code of Federal Regulations, Title 50, Part 660, Subparts A and H**, and the **2012 Oregon Sport Fishing Regulations**.

(2) The **Code of Federal Regulations (CFR), Title 50, Part 660, Subparts A and H**, and the **2012 Oregon Sport Fishing Regulations** contain requirements for sport salmon angling in the Pacific Ocean off the Oregon coast. However, additional regulations may be adopted from time to time, and, to the extent of any inconsistency, they supersede the published federal regulations and the **2012 Oregon Sport Fishing Regulations**. This means that persons must consult not only the federal regulations and the published sport fishing regulations but also the Department's web page to determine all applicable sport fishing regulations.

(3) This rule contains requirements that modify sport salmon angling regulations off the Oregon coast. The following modifications are organized in sections that apply to the ocean sport salmon fishery in general and within management zones established by the Pacific Fishery Management Council and enacted by **Federal Regulations (CFR, Title 50, Part 660, Subparts A and H)**.

### Inclusions and Modifications

(1) The **2012 Oregon Sport Fishing Regulations** provide requirements for the Northwest Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2012 Oregon Sport Fishing Regulations** pamphlet.

(2) Notwithstanding all other requirements provided in the 2012 Oregon Sport Fishing Regulations pamphlet, the following additional rules apply to adult salmon angling in waters of the Northwest Zone:

(a) All waters of the Necanicum River Basin, Nehalem River Basin (including North Fork), Tillamook Bay Basin, (including the Miami, Kilchis, Wilson, Trask, and Tillamook rivers), and the Nestucca River Basin (including the Little Nestucca and Three Rivers) and Salmon River that are open for Chinook salmon are limited to no more than 1 adult non fin-clipped Chinook salmon per day, or 2 adult non fin-clipped Chinook salmon per day from the Siletz or Yaquina rivers, and 10 adult non fin-clipped Chinook salmon in the seasonal aggregate when combined with all other waters in the Northwest Zone and all state waters terminal area seasons in the Marine Zone with a 10 adult non fin-clipped Chinook salmon seasonal aggregate limit. Seasonal aggregate applies to all adult non fin-clipped Chinook salmon retained between August 1 and December 31 except in the Nehalem Basin where the seasonal aggregate applies to all adult non fin-clipped Chinook salmon retained between July 1 and December 31 and except in the Tillamook Terminal Area where the seasonal aggregate applies to all adult non fin-clipped Chinook salmon retained between October 1–31.

(b) Within the Nehalem Basin (including the North Fork) the following additional rules apply:

(A) Mainstem (bay) closed to all salmon and steelhead angling seaward from a line extending from Nehalem Bay State Park Boat Ramp to Fishery Point July 1 through September 14 and closed to all Chinook salmon angling upstream of Peterson Creek (RM 10.2) July 1 through December 31.

(B) Nehalem tidewater from the jetty tips upstream to Peterson Creek (RM 10.2) on South Fork and North Fork Road Bridge on the North Fork is open for non adipose fin-clipped coho salmon from September 15 through the earlier of November 30 or attainment of an adult coho salmon quota of 1,200 non adipose fin-clipped coho salmon.

(C) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 2 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone with a 2 adult non adipose fin-clipped coho salmon seasonal aggregate limit.

(c) Within the Tillamook Bay Basin the following additional rules apply:

(A) Tillamook Bay tidewater from the jetty tips upstream to Hwy. 101 Bridge on Miami, Kilchis, Wilson, and Trask rivers and Burton Bridge on Tillamook River is open for non adipose fin-clipped coho salmon from September 15 through the earlier of November 30 or attainment of an adult coho salmon quota of 600 non adipose fin-clipped coho salmon.

(B) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 1 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone with a 1 adult non adipose fin-clipped coho salmon seasonal aggregate limit.

(d) Within the Nestucca Basin (including the Little Nestucca River and Three Rivers) the following rules apply:

(A) Mainstem Nestucca upstream of First Bridge (RM 15.8) near Beaver closed to all Chinook angling August 1 through December 31.

(B) Nestucca Bay tidewater (excluding Little Nestucca tidewater) from the bay mouth upstream to the Cloverdale Bridge (RM 7.1) is open for non adipose fin-clipped coho salmon from September 15 through the earlier of November 30 or attainment of an adult coho salmon quota of 200 non adipose fin-clipped coho salmon.

(C) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 1 total adult non adipose fin-clipped coho

# ADMINISTRATIVE RULES

salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone with a 1 adult non adipose fin-clipped coho salmon seasonal aggregate limit.

(e) Within the Siletz River Basin the following additional rules apply:

(A) Mainstem and tributaries above Ojalla Bridge (RM 31) closed to Chinook August 1–December 31; Drift Creek (Siletz River Basin) upstream of the confluence with Quarry Creek at RM 8 is closed for Chinook salmon from August 1 through December 31;

(B) Siletz River and Bay upstream to Ojalla Bridge (RM 31) is open for non adipose fin-clipped coho salmon from September 15 through the earlier of November 30 or attainment of an adult coho salmon quota of 700 non adipose fin-clipped coho salmon; and

(C) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 5 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone.

(f) Within the Yaquina River Basin the following additional rules apply:

(A) All waters of the Yaquina River upstream of the confluence of the Yaquina River and Big Elk Creek at RM 18.3 and all waters of Big Elk Creek (Yaquina River Basin) are closed for Chinook salmon from August 1 through December 31;

(B) The Yaquina River and Bay upstream to the confluence of the Yaquina River and Big Elk Creek are open for non adipose fin-clipped coho salmon from September 15 through the earlier of November 30 or attainment of an adult coho salmon quota of 575 non adipose fin-clipped coho salmon; and

(C) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 5 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone.

(g) Within the Alsea River Basin the following additional rules apply:

(A) All waters of Drift Creek (Alsea River Basin) within the Drift Creek Wilderness Area and upstream are closed for Chinook salmon from August 1 through December 31;

(B) All waters of the Alsea River upstream of the confluence with Five Rivers at RM 21 are closed for Chinook salmon from August 1 through December 31;

(C) All waters of Five Rivers are closed for Chinook salmon from August 1 through December 31.

(D) The Alsea River and Bay upstream to the confluence of the Alsea River and Five Rivers are open for non adipose fin-clipped coho salmon from September 15 through the earlier of November 30 or attainment of an adult coho salmon quota of 675 non adipose fin-clipped coho salmon; and

(E) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 5 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone.

(h) Within the Siuslaw River Basin the following additional rules apply:

(A) All waters of the Siuslaw River upstream of the confluence with Lake Creek at RM 30.0 are closed for Chinook salmon from August 1 through December 31;

(B) All waters of Lake Creek are closed for Chinook salmon August 1 through December 31 and all waters of Lake Creek downstream of Fish Creek are closed to all angling from September 1 through November 30;

(C) The Siuslaw River and Bay upstream to the confluence of the Siuslaw River and Lake Creek are open for non adipose fin-clipped coho salmon from September 15 through the earlier of November 30 or attainment of an adult coho salmon quota of 900 non adipose fin-clipped coho salmon; and

(D) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 5 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone.

### Purpose and Scope

(1) The purpose of division 16 is to provide for management of sport fisheries in the Southwest Zone over which the State has jurisdiction.

(2) Division 16 incorporates by reference the **2012 Oregon Sport Fishing Regulations**. Therefore, persons must consult the **2012 Oregon Sport Fishing Regulations** in addition to division 11 and division 16 to determine all applicable sport fishing requirements for the Southwest Zone.

### Inclusions and Modifications

(1) The **2012 Oregon Sport Fishing Regulations** provide requirements for the Southwest Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2012 Oregon Sport Fishing Regulations**.

(2) Notwithstanding all other requirements provided in the 2012 Oregon Sport Fishing Regulations, the following restrictions apply to angling in waters of the Southwest Zone:

(a) Within the Umpqua River Basin the following additional rules apply: Open for non adipose fin-clipped coho salmon in the Mainstem Umpqua River and Bay from the mouth to Scottsburg Bridge at RM 27.5 from September 15 through the earlier of November 30 or attainment of an adult coho quota of 1,300 non adipose fin-clipped coho. The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho, and no more than 2 total adult

# ADMINISTRATIVE RULES

non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone with a 2 adult non adipose fin-clipped coho salmon seasonal aggregate limit.

(b) Within the Coos River Basin the following additional rules apply:

(A) All waters of the South Fork Coos River upstream from the head of tidewater at Dellwood at RM 10.0 are closed for all salmon angling from August 1 through December 31 and closed for steelhead from August 1 through November 14; and

(B) Open for non adipose fin-clipped coho salmon upstream to the head of tide at Dellwood at RM 10.0 on the South Coos River and to the East Fork/West Fork Millicoma confluence from September 15 through the earlier of November 30 or attainment of an adult coho quota of 1,200 non adipose fin-clipped coho. The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon, and no more than 5 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone.

(c) Within the Coquille River Basin the following additional rules apply: Open for non adipose fin-clipped coho salmon in Coquille River and Bay upstream to the Highway 42S bridge (Sturdivant Park) at RM 24.0 from September 15 through the earlier of November 30 or attainment of an adult coho quota of 825 non adipose fin-clipped coho. The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon, and no more than 5 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone.

(d) Within the Tenmile Lakes Basin the following additional rules apply: Tenmile Lakes (Coos County) upstream from Hilltop Bridge are open for non adipose fin-clipped coho salmon from October 1 through the earlier of December 31 or attainment of an adult coho quota of 875 non adipose fin-clipped coho. The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon, and no more than 5 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone. Only one rod per angler may be used while angling for coho. Streams that empty into North and South Tenmile Lakes are not open to coho salmon angling, nor is the canal that connects North and South Tenmile Lakes.

(e) All waters of Floras Creek upstream of the County Road 124 bridge over Floras Creek at RM 5.0 are closed for Chinook salmon from August 1 through December 31.

(f) Within the Sixes River Basin the following additional rules apply:

(A) All waters of the Sixes River Basin that are open for Chinook salmon are limited to no more than 1 adult non fin-clipped Chinook salmon per day and 10 adult non fin-clipped Chinook salmon in the seasonal aggregate when combined with waters of the Elk River and Elk River Ocean Terminal Area. Seasonal aggregate applies to all adult non fin-clipped Chinook salmon retained between August 1 and December 31.

(B) Closed to Chinook salmon upstream of Edson Creek at RM 10.0 from August 1 through December 31.

(g) Within the Elk River Basin the following additional rules apply: All waters of the Elk River Basin that are open for Chinook salmon are limited to no more than 1 adult non fin-clipped Chinook salmon per day and 10 adult non fin-clipped Chinook salmon in the seasonal aggregate when combined with waters of the Sixes River and Elk River Ocean Terminal Area. Seasonal aggregate applies to all adult non fin-clipped Chinook salmon retained between August 1 and December 31.

(h) All waters of the Chetco River mainstem upstream of the power-line crossing at RM 2.2 are closed to angling from August 1 through November 4.

(i) All waters of the Winchuck River mainstem, including tidewater, are closed to angling from August 1 through November 4.

### Purpose and Scope

(1) The purpose of division 17 is to provide for management of sport fisheries in the Willamette Zone over which the State has jurisdiction.

(2) Division 17 incorporates by reference the **2012 Oregon Sport Fishing Regulations**. Therefore, persons must consult the **2012 Oregon Sport Fishing Regulations** in addition to division 11 and division 17 to determine all applicable sport fishing requirements for the Willamette Zone.

### Inclusions and Modifications

(1) The **2012 Oregon Sport Fishing Regulations** provide requirements for the Willamette Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2012 Oregon Sport Fishing Regulations**.

(2) Pacific Lamprey Harvest:

(a) Pursuant to OAR 635-044-0130(1)(b), authorization from the Oregon Fish and Wildlife Commission must be in possession by individuals collecting or possessing Pacific lamprey for personal use. Permits are available from ODFW, 17330 SE Evelyn Street, Clackamas, OR 97015;

(b) Open fishing period is June 1 through July 31 from 7:00 A.M. to 6:00 P.M.; personal use harvest is permitted Friday through Monday each week. All harvest is prohibited Tuesday through Thursday;

(c) Open fishing area is the Willamette River at Willamette Falls on the east side of the falls only, excluding Horseshoe Area at the peak of the falls;

(d) Gear is restricted to hand or hand-powered tools only;

(e) Catch must be recorded daily on a harvest record card prior to leaving the open fishing area. Harvest record cards will be provided by ODFW. All harvest record cards must be returned to the ODFW Clackamas office by August 31 to report catch. Permit holders who do not return the harvest record cards by August 31 will be ineligible to receive a permit in the following year.

# ADMINISTRATIVE RULES

(f) Harvesters must allow sampling or enumeration of catches by ODFW personnel.

## 635-017-0095 Sturgeon Season

(1) The 2012 Oregon Sport Fishing Regulations provide requirements for the Willamette Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the 2012 Oregon Sport Fishing Regulations.

(2) The Willamette River downstream of Willamette Falls (including Multnomah Channel and the Gilbert River) is open to the retention of white sturgeon three days per week, Thursday, Friday, and Saturday during the period from February 17 until the harvest guideline is met.

(3) Bank angling is prohibited from the east shore of the Willamette River the entire year in the area beginning west of Highway 99E, at the northern-most extent of the parking area near the intersection of 8th Street and Highway 99E in Oregon City, approximately 290 feet downstream of the Oregon City/West Linn bridge (Hwy 43) and extending upstream

approximately 1715 feet to the retaining wall extending into the Willamette River at the NW corner of the Blue Heron Paper Mill.

(4) Only white sturgeon with a fork length of 38-54 inches may be retained. Retention of green sturgeon is prohibited all year in all areas.

(5) Angling for sturgeon, including catch-and-release, is prohibited seven days per week during May 1 through August 31 from Willamette Falls downstream to the I-205 Bridge.

## 635-023-0095

### Sturgeon Season

(1) The **2012 Oregon Sport Fishing Regulations** provide requirements for the Columbia River Zone and the Snake River Zone. However, additional regulations may be adopted in this rule division from time to time, and, to the extent of any inconsistency, they supersede the **2012 Oregon Sport Fishing Regulations**.

(2) The mainstem Columbia River from Wauna powerlines (River Mile 40) upstream to Bonneville Dam, excluding the lower Willamette River upstream to Willamette Falls, Multnomah Channel, and the Gilbert River, is open to the retention of white sturgeon with a fork length of 38-54 inches, three days per week, Thursdays through Saturdays, during the following periods:

(a) January 1 through July 31; and

(b) October 8 through December 31.

(3) The retention of white sturgeon in the area identified in section (2) of this rule is prohibited August 1 through October 7.

(4) The mainstem Columbia River from Wauna powerlines (River Mile 40) downstream to the mouth at Buoy 10, including Youngs Bay is open to the retention of white sturgeon seven days per week during the following periods:

(a) January 1 through April 30;

(b) May 14 through June 26; and

(c) July 1 through July 4 (or until guideline is met).

(5) The retention of white sturgeon in the area identified in section (4) of this rule is prohibited May 1 through May 13, from June 27 through June 30, and July 5 through December 31.

(6) During the fishing period as identified in subsection (4)(a) of this rule, only white sturgeon with a fork length of 38-54 inches may be retained.

(7) During the fishing periods as identified in subsections (4)(b) and (4)(c) of this rule, only white sturgeon with a fork length of 41-54 inches may be retained.

(8) Angling for sturgeon is prohibited from:

(a) Bonneville Dam downstream to a line crossing the Columbia River from Navigation Marker 82 on the Oregon shore through the upstream exposed end of Skamania Island, continuing in a straight line to Washington shore during May 1 through August 31;

(b) Highway 395 Bridge upstream to McNary Dam; and

(c) From the west end of the grain silo at Rufus upstream to John Day Dam during May 1 through July 31.

(d) The upper and lower ends of Sand Island and corresponding markers on the Oregon shoreline (slough at Rooster Rock State Park) from January 1 through April 30.

(9) Effective 12:01 a.m. Saturday February 19, 2011 the retention of sturgeon in Bonneville Reservoir and tributaries is prohibited.

(10) The mainstem Columbia River from McNary Dam upstream to the Oregon-Washington border at river mile 309.5 is open to retention of white sturgeon with a fork length of 43-54 inches, seven days per week from February 1 through July 31.

(11) The retention of white sturgeon in the area identified in section (10) of this rule is prohibited August 1 through January 31.

(12) Retention of green sturgeon is prohibited all year in all areas.

### Spring Sport Fishery

(1) The **2012 Oregon Sport Fishing Regulations** provide requirements for the Columbia River Zone and the Snake River Zone. However, additional regulations may be adopted in this rule division from time to time, and, to the extent of any inconsistency, they supersede the **2012 Oregon Sport Fishing Regulations**.

(2) The Columbia River is open from January 1 through March 31 from the mouth at Buoy 10 upstream to the I-5 Bridge with the following restrictions:

(a) Adipose fin-clipped Chinook salmon and adipose fin-clipped steelhead may be retained.

(b) All non-adipose fin-clipped Chinook salmon and non-adipose fin-clipped steelhead must be released immediately unharmed.

(c) Catch limits of two adult adipose fin-clipped salmon or two adult adipose fin-clipped steelhead may be retained per day. Catch limits for jacks remain in effect as per the 2012 Oregon Sport Fishing Regulations.

(3) For the mainstem Columbia River salmon and steelhead fishery upstream of the Rocky Point-Tongue Point line to McNary Dam from February 15 through June 15 it is *unlawful* when fishing from vessels which are less than 30 feet in length, substantiated by Coast Guard documentation or Marine Board registration, to totally remove from the water any salmon or steelhead required to be released.

### Snake River Fishery

The **2012 Oregon Sport Fishing Regulations** provide requirements for the Snake River Zone. However, additional regulations may be adopted

# ADMINISTRATIVE RULES

in this rule division from time to time, and, to the extent of any inconsistency, they supersede the **2012 Oregon Sport Fishing Regulations**.

**Rule Caption:** Amendments to Rules for Commercial and Recreational Groundfish Fisheries and Fish Dealer Records and Reports.

**Adm. Order No.:** DFW 164-2011

**Filed with Sec. of State:** 12-27-2011

**Certified to be Effective:** 1-1-12

**Notice Publication Date:** 1-1-2011

**Rules Amended:** 635-004-0018, 635-004-0019, 635-004-0033, 635-006-0210, 635-006-0211, 635-006-0215, 635-039-0080, 635-039-0090

**Subject:** Amended rules to include: 2012 federal groundfish regulations incorporated into state rule; 2012 commercial nearshore groundfish harvest specifications; 2012 recreational groundfish regulations; and changes to regulations governing fish dealer records and reports. State rules governing marine commercial and recreational groundfish fisheries are based on rules adopted federally. The final federal rules governing 2012 groundfish fisheries are expected to be published before January 1, 2012. Changes to these rules, primarily for groundfish species, are needed to clarify legal processes for completing fish tickets and/or monthly remittance reports.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

## 635-004-0018

### Scope of Rules

Division 4 incorporates into Oregon Administrative Rules, by reference, the groundfish specifications and management measures for 2012 to the extent they are consistent with:

(1) **Code of Federal Regulations, Title 50 Part 660, Subparts C, D, E and F** (October 1, 2011 ed.) as amended;

(2) **Federal Register Vol. 76, No. 43**, dated May 11, 2011 (76 FR 27508);

(3) **Federal Register Vol. 76, No. 231**, dated December 1, 2011 (76 FR 74725);

(4) **Federal Register Vol. 76, No. 239**, dated December 13, 2011 (76 FR 77415); and

(5) **Federal Register Vol. 76, No. 245**, dated December 21, 2011 (76 FR 79122).

Therefore, persons must consult the Federal Regulations in addition to division 4 to determine all applicable groundfish fishing requirements. Where regulations refer to the fishery management area, that area is extended from shore to three nautical miles from shore coterminous with the Exclusive Economic Zone. A copy of the Federal Regulations may be obtained by contacting the National Oceanic and Atmospheric Administration's National Marine Fisheries Service at [www.nwr.noaa.gov](http://www.nwr.noaa.gov) or 7600 Sand Point Way NE, Seattle, WA 98115-0070.

### Inclusions and Modifications

(1) OAR chapter 635, division 4, modifies or is in addition to provisions contained in: **Code of Federal Regulations, Title 50, Part 660, Subparts C, D, E and F** (October 1, 2011 ed.).

(2) The **Code of Federal Regulations (CFR), Title 50, Part 660, Subparts C, D, E and F** (October 1, 2011 ed.), provides requirements for commercial groundfish fishing in the Pacific Ocean off the Oregon coast. However, additional regulations may be promulgated subsequently, and these supersede, to the extent of any inconsistency, the **Code of Federal Regulations**.

### Groundfish Restrictions

(1) The season for most species of ocean food fish is open year-round, until catch quotas are met (where applicable). Regulations for the following species or species groups of ocean food fish change throughout the season and the Oregon Administrative Rules and federal regulations should be consulted before fishing:

- (a) Minor Shelf Rockfish;
- (b) Minor Slope Rockfish;
- (c) Black and Yellow Rockfish;
- (d) Brown Rockfish;
- (e) Calico Rockfish;
- (f) China Rockfish;
- (g) Copper Rockfish;
- (h) Gopher Rockfish;
- (i) Grass Rockfish;
- (j) Kelp Rockfish;
- (k) Olive Rockfish;
- (l) Quillback Rockfish;
- (m) Treefish;
- (n) Black Rockfish;
- (o) Blue Rockfish;
- (p) Cabezon;
- (q) Canary Rockfish;
- (r) Greenling;
- (s) Tiger Rockfish;
- (t) Vermilion Rockfish;
- (u) Widow Rockfish;
- (v) Yelloweye Rockfish;
- (w) Yellowtail Rockfish;
- (x) Darkblotched Rockfish;
- (y) Pacific Ocean Perch;
- (z) Longspine Thornyhead;
- (aa) Shortspine Thornyhead;
- (bb) Arrowtooth Flounder;
- (cc) Dover Sole;
- (dd) Petrale Sole;
- (ee) Rex Sole;
- (ff) Other Flatfish;

# ADMINISTRATIVE RULES

- (gg) Lingcod;
- (hh) Sablefish;
- (ii) Pacific Whiting.

(2) For the purpose of this rule, "Other nearshore rockfish" means: black and yellow (*Sebastes chrysomelas*); brown (*S. auriculatus*); calico (*S. dalli*); China (*S. nebulosus*); copper (*S. caurinus*); gopher (*S. carnatus*); grass (*S. rastelliger*); kelp (*S. atrovirens*); olive (*S. serranoides*); quillback (*S. maliger*); and treefish (*S. serripes*).

(3) For the purpose of this rule a "commercial harvest cap" is defined as the total fishery-related mortality for a given species, or species group, that may occur in a single calendar year in Oregon commercial fisheries. For 2012, the commercial harvest caps are:

- (a) Black rockfish, 139.2 metric tons.
- (b) Cabezon, 30.8 metric tons.

(4) For the purpose of this rule a "commercial landing cap" is defined as the total landed catch of a given species, or species group, that may be taken in a single calendar year in Oregon commercial fisheries. For 2012, the commercial landing caps are:

- (a) Black rockfish, 137.9 metric tons.
- (b) Black rockfish and blue rockfish combined of 141.9 metric tons.
- (c) Other nearshore rockfish, 14.3 metric tons.
- (d) Cabezon, 30.5 metric tons.
- (e) Greenling, 23.4 metric tons.

(5) For the purpose of this rule, the periods to which cumulative trip limits apply are: January through February (period 1); March through April (period 2); May through June (period 3); July through August (period 4); September through October (period 5); and November through December (period 6).

(6) For black and blue rockfish combined, no vessel may land more than:

- (a) 800 pounds in period 1;
- (b) 1,000 pounds in period 2;
- (c) 1,400 pounds in each of periods 3 and 4;
- (d) 1,000 pounds in period 5; and
- (e) 800 pounds in period 6.
- (7) In each period, no vessel may land more than:
  - (a) 700 pounds of other nearshore rockfish, combined;
  - (b) 1,500 pounds of cabezon; or
  - (c) 250 pounds of greenling species.

## 635-006-0210

### Fish Receiving Ticket — All Fish

(1) Except as provided in OAR 635-006-0211, for each purchase of food fish or shellfish by a licensed wholesale fish dealer, wholesale fish bait dealer, food fish canner, or shellfish canner from a commercial fisher or commercial bait fisher, the dealer or canner shall prepare at the time of landing a Fish Receiving Ticket, or a separate document in lieu of a Fish Receiving Ticket provided the original dock ticket is attached to the completed dealer copy of the Fish Receiving Ticket subsequently submitted to ODFW. Fish Receiving Tickets are prenumbered in books of 50 tickets. Fish dealers shall be required to account for all Fish Receiving Tickets received from the Department. Fish Receiving Tickets shall be issued in numerical sequence. The Fish Receiving Ticket shall include the following:

- (a) Fish dealer's name and license number, including the buying station and location if the food fish or shellfish were received at any location other than the licensed premises of the fish dealer;
- (b) Date of landing;
- (c) His or her name from whom purchase is made. If not landed from a vessel, then his or her commercial license number shall be added. If received from a Columbia River treaty Indian, his or her tribal affiliation and enrollment number as shown on the official identification card issued by the U.S. Department of Interior, Bureau of Indian Affairs, or tribal government, shall be used in lieu of an address or commercial fishing license;
- (d) Boat name, boat license number, and federal document or State Marine Board number from which catch made;
- (e) Port of first landing;
- (f) Fishing gear used by the fisher;
- (g) For salmon and Dungeness crab, zone or area of primary catch;
- (h) Species of food fish or shellfish received;
- (i) Pounds of each species received;

(A) Pounds must be determined and reported based on condition of the fish when landed, either dressed or round. Dressed pounds may only be used for species with a conversion factor listed at OAR 635-006-0215(g). Measures must be taken using a certified scale.

(B) Pounds shall include "weighbacks" by species. "Weighbacks" are those fish or shellfish with no commercial value. The following species or species groups are exempt from fish ticket requirements when considered "weighbacks":

- (i) Sponges;
- (ii) Sea Pens;
- (iii) Sea Whips;
- (iv) Black Corals;
- (v) Sea Fans;
- (vi) Anemone;
- (vii) Jellyfish;
- (viii) Whelks;
- (ix) Squids other than Humboldt and market;
- (x) Octopus other than Pacific giant octopus;
- (xi) Mysids;
- (xii) Shrimps other than pink shrimp, coonstripe prawns, and spot prawns;
- (xiii) Crabs other than Dungeness, tanner, box, Oregon hair, and red rock crabs;
- (xiv) Sea Stars including Brittle Stars;
- (xv) Urchins;
- (xvi) Sand dollars;
- (xvii) Sea cucumbers;
- (xviii) Eels other than hagfish;
- (xix) Blacksmelts;
- (xx) Spookfish;
- (xxi) Stomiformes including Viperfish and Blackdragons;
- (xxii) Slickheads;
- (xxiii) Flatnoses;
- (xxiv) Lancetfishes;
- (xxv) Barricudinas;
- (xxvi) Myctophids;
- (xxvii) Tomcod;
- (xxviii) Eelpouts including Bigfin, Two line, Black, and Snakehead;
- (xxix) Dreamers;
- (xxx) Anglerfish;
- (xxxi) King of the Salmon;
- (xxxii) Melamphids;
- (xxxiii) Whalefish;

# ADMINISTRATIVE RULES

- (xxxiv) Oxeye oreo;
- (xxxv) Sculpins other than cabezon, buffalo sculpin, red Irish lord, and brown Irish lord;
- (xxxvi) Poachers;
- (xxxvii) Snailfish;
- (xxxviii) Pricklebacks;
- (xxxix) Gunnels;
- (xl) Scabbardfish;
- (xli) Lancetfish;
- (xlii) Ragfish;
- (xliii) Slender sole;
- (xliv) Deepsea sole;
- (xlv) Rays including Pacific and electric Rays and Devilfish;
- (xlvi) Wolffishes including wolf eels.
- (j) For Columbia River sturgeon the exact number of fish received and the actual round weight of that number of fish;
- (k) Price paid per pound for each species received;
- (l) Signature of the individual preparing the Fish Receiving Ticket;
- (m) Signature of the fisher making the landing;
- (n) Species name, pounds and value of fish retained by fisher for personal use.

(2) Except as provided in OAR 635-006-0212 and 0213, the original of each Fish Receiving Ticket covering food fish and shellfish received shall be forwarded within five working days of the date of landing to the Oregon Department of Fish and Wildlife, 3406 Cherry Avenue, NE, Salem, OR 97303 or through the Pacific States Marine Fisheries Commission West Coast E-Ticket system or as required by **Title 50 of the Code of Federal Regulations, part 660 Subpart C**. All fish dealer amendments must be conducted in the same system in which the ticket was initially submitted.

(3) Wholesale fish bait dealers landing small quantities of food fish or shellfish may request authorization to combine multiple landings on one Fish Receiving Ticket and to deviate from the time in which Fish Receiving Tickets are due to the Department. Such request shall be in writing, and written authorization from the Department shall be received by the wholesale fish bait dealer before any such deviations may occur.

### Fish Receiving Ticket — Net Caught Groundfish

For net-caught groundfish, at time of landing the following information may be recorded on a separate document in lieu of a Fish Receiving Ticket provided this original document (dock ticket) is attached to the completed dealer copy of the Fish Receiving Ticket subsequently submitted to ODFW:

- (1) Date of landing.
- (2) Boat name and federal document or State Marine Board number from which catch was made.
- (3) Port of first landing.
- (4) Pounds of fish by species:
  - (a) Pounds must be determined based on condition of the fish when landed, either dressed or round. Dressed pounds may only be used for species with a conversion factor listed at OAR 635-006-0215(g). Measures must be taken using a certified scale.
  - (b) Pounds shall include “weighbacks” by species. “Weighbacks” are those fish or shellfish with no commercial value. Species or species groups defined in 635-006-0211(1)(i)(B) are exempt from fish ticket requirements when considered “weighbacks.”
- (5) Signature of the fisher delivering the catch.

### Monthly Remittance Report

- (1) A monthly report is required of all licensed:
  - (a) Wholesale fish dealers, wholesale fish bait dealers, food fish canners, or shellfish canners receiving food fish or shellfish from licensed commercial fishers or bait fishers;

- (b) Limited Fish Sellers selling food fish or shellfish.
  - (2) Except as provided in OAR 635-006-0220, the report is required even though no food fish or shellfish are received or sold during the calendar month covered by the report.
  - (3) The following information shall be included on the report:
    - (a) Fish dealer’s name, license number, and address;
    - (b) Calendar month of the report;
    - (c) Serial numbers of all Fish Receiving Tickets issued during the month;
    - (d) Total pounds of all salmon and steelhead received or sold during the calendar month on which poundage fees are due. Salmon and steelhead may be reported as round weight, dressed head on or dressed head off;
    - (e) Total value of salmon and steelhead received or sold during the calendar month including fish eggs and parts;
    - (f) Total value of all other food fish and shellfish including eggs and parts;
    - (g) Total pounds in the round of all other species of food fish or shellfish received or sold during the calendar month on which taxes are due. When landed in a dressed condition, the following listed species may be converted to round weight for the purposes of completing monthly reports, by multiplying each applicable below-listed factor by the dressed weight of that species:

- (A) Troll salmon:
  - (i) Gilled and gutted — 1.15.
  - (ii) Gilled, gutted, and headed — 1.30.
- (B) Halibut:
  - (i) Gilled and gutted — 1.15.
  - (ii) Gilled, gutted, and headed — 1.35.
- (C) Sablefish, gutted and headed — 1.60.
- (D) Pacific whiting:
  - (i) Fillet — 2.86.
  - (ii) Headed and gutted — 1.56.
  - (iii) Surimi — 6.25.
- (E) Razor Clams, shelled and cleaned — 2.0.
- (F) Scallops, shelled and cleaned — 12.2.
- (G) Thresher shark — 2.0.
- (H) Skates — 2.6.
- (I) Lingcod:
  - (i) Gilled and gutted — 1.1.
  - (ii) Gilled, gutted and headed — 1.5.
- (J) Spot prawn, tails — 2.24.
- (K) Groundfish, glazed:

(i) Conversion factors must be calculated for each landing for each species or species group categorized in OAR 635-004-0033 when there are 60 or greater individuals of a category in a single landing as follows:

- (I) Weigh a sample of at least 20 glazed fish to obtain the glazed weight;
- (II) Completely remove glaze from individual fish making up the sample;
- (III) Re-weigh the sample to obtain the non-glazed weight;
- (IV) Divide the non-glazed weight by the glazed weight to obtain the conversion factor;
- (V) A separate conversion factor may be calculated for each size grade of a species, but may only be applied to landings of that size grade;
- (VI) Documentation of this calculation must be retained with the dock receiving ticket.
  - (ii) A conversion factor of 0.95 must be applied when there are fewer than 60 individuals of any species or species group categorized in OAR 635-004-0033 in a single landing.

- (h) Total value of food fish landed in another state but not taxed by that state;
  - (i) Total pounds in the round of all food fish landed in another state but not taxed by that state;
  - (j) Total fees due - in accordance with ORS 508.505 the fees are the value of the food fish at the point of landing multiplied by the following rates:

- (A) All salmon and steelhead, 3.15 percent;
- (B) Effective January 1, 2005, all black rockfish, blue rockfish and nearshore fish (as defined by ORS 506.011), 5 percent.
- (C) Effective January 1, 2010 all other food fish and shellfish (except tuna, as defined by ORS 508.505), 2.25 percent.
- (D) All tuna (as defined by ORS 508.505), 1.09 percent.
- (k) Signature of the individual completing the report.

(4) The monthly report and all landing fees due shall be sent to the Department on or before the 20th of each month for the preceding calendar

# ADMINISTRATIVE RULES

month. Landing fees are delinquent if not received or postmarked within 20 days after the end of the calendar month. A penalty charge of \$5 or five percent of the landing fees due, whichever is larger, shall be assessed along with a one percent per month interest charge on any delinquent landing fee payments.

### Purpose and Scope

(1) The purpose of division 39 is to provide for management of sport fisheries for marine fish, shellfish, and marine invertebrates in the Pacific Ocean, coastal bays, and beaches over which the State has jurisdiction.

(2) Division 39 incorporates into Oregon Administrative Rules, by reference:

(a) The sport fishing regulations of the State, included in the document entitled **2012 Oregon Sport Fishing Regulations**;

(b) **Title 50 of the Code of Federal Regulations, Part 300, Subpart E** (October 1, 2011 ed.), as amended;

(c) **Title 50 of the Code of Federal Regulations, Part 660, Subpart G** (October 1, 2011 ed.), as amended;

(d) **Federal Register Vol. 76, No. 43**, dated May 11, 2011 (76 FR 27508);

(e) **Federal Register Vol. 76, No. 51**, dated March 16, 2011 (76 FR 14300); and

(f) **Federal Register Vol. 76, No. 339**, dated December 13, 2011 (76 FR 77415).

(3) Therefore, persons must consult all publications referenced in this rule in addition to division 11 and division 39 to determine all applicable sport fishing requirements for marine fish, shellfish and marine invertebrates.

## 635-039-0090

### Inclusions and Modifications

(1) The **2012 Oregon Sport Fishing Regulations** provide requirements for sport fisheries for marine fish, shellfish, and marine invertebrates in the Pacific Ocean, coastal bays, and beaches, commonly referred to as the Marine Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2012 Oregon Sport Fishing Regulations**.

(2) For the purposes of this rule, a "sport harvest cap" is defined as the amount that may be impacted (combined landings and other fishery related mortality) by the Oregon sport fishery in a single calendar year. For 2012 the sport harvest caps are:

(a) Black rockfish, 440.8 metric tons.

(b) Cabezon, 17.2 metric tons.

(3) For the purposes of this rule, "Other nearshore rockfish" means the following rockfish species: black and yellow (*Sebastes chrysomelas*); brown (*S. auriculatus*); calico (*S. dalli*); China (*S. nebulosus*); copper (*S. caurinus*); gopher (*S. carnatus*); grass (*S. rastelliger*); kelp (*S. atrovirens*); olive (*S. serranoides*); quillback (*S. maliger*); and trefish (*S. serriceps*).

(4) For the purposes of this rule a "sport landing cap" is defined as the total landings for a given species, or species group, that may be taken in a single calendar year by the ocean boat fishery. For 2012 the sport landing caps are:

(a) Black rockfish and blue rockfish combined, 481.8 metric tons.

(b) Other nearshore rockfish, 13.6 metric tons.

(c) Greenling, 5.2 metric tons.

(5) In addition to the regulations for Marine Fish in the **2012 Oregon Sport Fishing Regulations**, the following apply for the sport fishery in the Marine Zone in 2012:

(a) Lingcod (including green colored lingcod): 2 fish daily bag limit.

(b) All rockfish ("sea bass" "snapper"), greenling ("sea trout"), cabezon, skates, and other marine fish species not listed in the **2012 Oregon Sport Fishing Regulations** in the Marine Zone, located under the category of Species Name, Marine Fish: 7 fish daily bag limit in aggregate (total sum or number), of which no more than one be a cabezon from April 1 through September 30. Retention of the following species is prohibited:

(A) Yelloweye rockfish;

(B) Canary rockfish; and

(C) Cabezon from January 1, 2012 through March 31, 2012 and from October 1, 2012 through December 31, 2012.

(c) Flatfish (flounder, sole, sanddabs, turbot, and all halibut species except Pacific halibut): 25 fish daily bag limit in aggregate (total sum or number).

(d) Retention of all marine fish listed under the category of Species Name, Marine Fish, except Pacific cod, sablefish, herring, anchovy, smelt, sardine, striped bass, hybrid bass, and offshore pelagic species (excluding leopard shark and soupfin shark), is prohibited when Pacific halibut is retained on the vessel during open days for the all-depth sport fishery for Pacific halibut north of Humbug Mountain. Persons must also consult all publications referenced in OAR 635-039-0080 to determine all rules applicable to the taking of Pacific halibut.

(e) Harvest methods and other specifications for marine fish in subsections (5)(a), (5)(b) and (5)(c) including the following:

(A) Minimum length for lingcod, 22 inches.

(B) Minimum length for cabezon, 16 inches.

(C) Minimum length for greenling, 10 inches.

(D) May be taken by angling, hand, bow and arrow, spear, gaff hook, snag hook and herring jigs.

(E) Mutilating the fish so the size or species cannot be determined prior to landing or transporting mutilated fish across state waters is prohibited.

(f) Sport fisheries for species in subsections (5)(a), (5)(b) and (5)(c) and including leopard shark and soupfin shark are open January 1 through December 31, twenty-four hours per day, except as provided in subsections (5)(a) and (5)(d), and ocean waters are closed for these species during April 1 through September 30, outside of the 30-fathom curve (defined by latitude and longitude) as shown on **Title 50 Code of Federal Regulations Part 660 Section 71**. A 20-fathom, 25-fathom, or 30-fathom curve, as shown on **Title 50 Code of Federal Regulations Part 660 Section 71** may be implemented as the management line as in-season modifications necessitate. In addition, the following management lines may be used to set area specific regulations for inseason action only:

(A) Cape Lookout (45°20'30" N latitude); and

(B) Cape Blanco (42°50'20" N latitude).

(g) The Stonewall Bank Yelloweye Rockfish Conservation Area (YRCA) is defined by coordinates specified in **Title 50 Code of Federal Regulations Part 660 Section 70** (October 1, 2011 ed.). Within the YRCA, it is *unlawful* to fish for, take, or retain species listed in subsections (5)(a), (5)(b) and (5)(c) of this rule, leopard shark, soupfin shark, and Pacific halibut using recreational fishing gear. A vessel engaged in recreational fishing within the YRCA is prohibited from possessing any species listed in subsections (5)(a), (5)(b) and (5)(c) of this rule, leopard shark, soupfin shark, and Pacific halibut. Recreational fishing vessels in possession of species listed in subsections (5)(a), (5)(b) and (5)(c) and including leopard shark, soupfin shark, and Pacific halibut may transit the YRCA without fishing gear in the water.

(6) Razor clams may be taken by hand, shovel, or cylindrical gun or tube. The opening of the gun/tube must be either circular or elliptical with the circular gun/tube opening having a minimum outside diameter of 4

# ADMINISTRATIVE RULES

inches and the elliptical gun/tube opening having minimum outside diameter dimensions of 4 inches long and 3 inches wide.

**Authority to Take or Harass Wildlife**

(1) In accordance with ORS 496.012, 496.162, 497.298, 498.002, and 498.006, Department staff or their agents, and sworn law enforcement officers, may take or harass wildlife in the times, places and manners necessary for:

- (a) Scientific purposes pursuant to Department programs;
- (b) Protection against a threat to human safety;
- (c) Protection of land or property from damage;
- (d) Wildlife management purposes pursuant to Department programs;
- (e) Education and display purposes;
- (f) Rehabilitation of sick, injured or orphaned wildlife; and
- (g) Law enforcement activities.

(2) Harassment means acts that frighten or chase but do not kill wildlife.

(3) ORS 498.126(1) provides that a person may not hunt game mammals or game birds from or with the aid of an aircraft, nor transmit from an aircraft to a person not in the aircraft information regarding the location of any game mammals or game birds. ORS 498.126(4) provides an exception for the Department of Fish and Wildlife, and its agents, when conducting wildlife management activities necessary for scientific research or, in emergency situations, protecting human safety, wildlife species or property.

ORS 498.126(4)(b) requires definition of "emergency situation" and "necessary" by rule.

(a) "Emergency situation" means that the Department has determined that prompt action is required to implement a provision of a species management plan or administrative rule adopted by the Fish and Wildlife Commission.

(b) "Necessary" means that the Department has determined that the use of aircraft in a particular instance is the most efficient method of implementing a provision of a species management plan or administrative rule adopted by the Fish and Wildlife Commission.

**Rule Caption:** Bonneville Dam Reservoir Recreational White Sturgeon Fishery.

**Adm. Order No.:** DFW 1-2012(Temp)

**Filed with Sec. of State:** 1-5-2012

**Certified to be Effective:** 1-5-12 thru 7-2-12

**Notice Publication Date:**

**Rules Amended:** 635-023-0095

**Subject:** This amended rule opens the recreational harvest of white sturgeon in the Bonneville Dam Reservoir and tributaries effective with the filing of this rule. This corrects a conflict between published sport fishing regulations and existing permanent rule for Columbia River sturgeon fisheries and allows retention of white sturgeon in the Bonneville Pool.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

**635-023-0095**

**Sturgeon Season**

(1) The **2012 Oregon Sport Fishing Regulations** provide requirements for the Columbia River Zone and the Snake River Zone. However, additional regulations may be adopted in this rule division from time to time, and, to the extent of any inconsistency, they supersede the **2012 Oregon Sport Fishing Regulations**.

(2) The mainstem Columbia River from Wauna powerlines (River Mile 40) upstream to Bonneville Dam, excluding the lower Willamette River upstream to Willamette Falls, Multnomah Channel, and the Gilbert River, is open to the retention of white sturgeon with a fork length of 38-54 inches, three days per week, Thursdays through Saturdays, during the following periods:

(a) January 1 through July 31; and

(b) October 8 through December 31.

(3) The retention of white sturgeon in the area identified in section (2) of this rule is prohibited August 1 through October 7.

(4) The mainstem Columbia River from Wauna powerlines (River Mile 40) downstream to the mouth at Buoy 10, including Youngs Bay is open to the retention of white sturgeon seven days per week during the following periods:

(a) January 1 through April 30;

(b) May 14 through June 26; and

(c) July 1 through July 4 (or until guideline is met).

(5) The retention of white sturgeon in the area identified in section (4) of this rule is prohibited May 1 through May 13, from June 27 through June 30, and July 5 through December 31.

(6) During the fishing period as identified in subsection (4)(a) of this rule, only white sturgeon with a fork length of 38-54 inches may be retained.

(7) During the fishing periods as identified in subsections (4)(b) and (4)(c) of this rule, only white sturgeon with a fork length of 41-54 inches may be retained.

(8) Angling for sturgeon is prohibited from:

(a) Bonneville Dam downstream to a line crossing the Columbia River from Navigation Marker 82 on the Oregon shore through the upstream exposed end of Skamania Island, continuing in a straight line to Washington shore during May 1 through August 31;

(b) Highway 395 Bridge upstream to McNary Dam; and

(c) From the west end of the grain silo at Rufus upstream to John Day Dam during May 1 through July 31.

# ADMINISTRATIVE RULES

(d) The upper and lower ends of Sand Island and corresponding markers on the Oregon shoreline (slough at Rooster Rock State Park) from January 1 through April 30, 2011.

(9) The mainstem Columbia River from McNary Dam upstream to the Oregon-Washington border at river mile 309.5 is open to retention of white sturgeon with a fork length of 43–54 inches, seven days per week from February 1 through July 31.

(10) The retention of white sturgeon in the area identified in section (9) of this rule is prohibited August 1 through January 31.

(11) Retention of green sturgeon is prohibited all year in all areas.

## 635-004-0027

### Inland Waters Herring Season

There is no closed season for the commercial taking of herring in inland waters except:

(1) In all inland waters except Yaquina Bay, herring taken during the period January 1 through April 15 may only be sold for use as bait.

(2) In Yaquina Bay:

(a) The open season for the taking of herring is January 1 through December 31.

(b) The yearly harvest quota for the Yaquina Bay commercial roe herring fishery during the period of January 1 through April 15 shall not exceed 20% of the available spawning biomass as established in the Yaquina River Basin Fish Management Operating Principles and Objectives described in OAR 635-500-0665(2). The available spawning biomass shall be determined by the ODFW Fish Division's Marine

Resources Program. The harvest quota for the Yaquina Bay commercial roe herring fishery during the period January 1 through April 15, 2012 is 23 tons. Only fishers with a limited entry permit issued pursuant to ORS 508.765 may participate in this fishery.

(c) The factor used to convert an equivalent amount of "whole fish" resource in the Yaquina Bay commercial roe herring fishery during the period of January 1 through April 15 to the equivalent amount of herring eggs on kelp fishery is 0.2237.

(d) During the period January 1 through April 15 it is *unlawful* to:

(A) Fish commercially from midnight Friday through midnight Sunday with nets;

(B) Use any fishing gear or method of harvest for the taking of herring other than a purse seine with a maximum length of 50 fathoms (300 feet), defined as the maximum distance from the first to last pursing rings on the purse line; lampara net; hook and line "jigging;" or eggs-on-kelp method.

### Purpose and General Information

(1) The purpose of these rules is to establish season dates, bag limits, areas, methods and other restrictions for hunting eastern Oregon deer pursuant to ORS Chapter 496.

(2) Controlled hunt tag numbers for 2011 are listed in Tables 1 and 2 and are adopted and incorporated into OAR Chapter 635, Division 069 by reference.

(3) OAR chapter 635, division 069 incorporates, by reference, the requirements for hunting eastern Oregon deer set out in the document entitled "2012 Oregon Big Game Regulations," into Oregon Administrative Rules. Therefore, persons must consult the "2012 Oregon Big Game Regulations" in addition to OAR chapter 635, to determine all applicable requirements for hunting eastern Oregon deer. The annual Oregon Big Game Regulations are available at hunting license agents and regional, district and headquarters offices and website of the Oregon Department of Fish and Wildlife.

## 407-014-0000

### Definitions

The following definitions apply to OAR 407-014-0000 to 407-014-0070:

(1) "Administrative hearing" means an oral proceeding before an administrative law judge in a contested case hearing.

(2) "Authority" means the Oregon Health Authority.

(3) "Authorization" means permission from an individual or his or her personal representative giving the Department of Human Services (Department) authorization to obtain, release or use information about the individual from third parties for specified purposes or to disclose information to a third party specified by the individual.

(4) "Business associate" means an individual or entity performing any function or activity on behalf of the Authority, including the Department, involving the use or disclosure of protected health information (PHI) and is not a member of the Authority's workforce.

(a) For purposes of the definition of "business associate," "function or activity" includes but is not limited to program administration, claims processing or administration, data analysis, utilization review, quality assurance, billing, legal, actuarial, accounting, consulting, data processing, management, administrative, accreditation, financial services, and similar services for which the Authority may contract or obtain by interagency agreement, if access to PHI is involved.

(b) Business associates do not include licensees or providers unless the licensee or provider also performs some function or activity on behalf of the Authority.

(5) "Client" means an individual who requests or receives services from the Department. This includes but is not limited to applicants for or recipients of public assistance, minors and adults receiving protective services, individuals who are committed to the custody of the Department, children in the custody of the Department receiving services on a voluntary basis, and children committed to the custody of the Department.

(6) "Client information" means personal information relating to a client that the Department may maintain in one or more locations and in various forms, reports, or documents, or stored or transmitted by electronic media.

(7) "Collect" or "Collection" means the assembling of personal information through interviews, forms, reports, or other information sources.

(8) "Contract" means a written agreement between the Department and a person or entity setting forth the rights and obligations of the parties including but not limited to contracts, licenses, agreements, interagency agreements, and intergovernmental agreements.

(9) "Correctional institution" means any penal or correctional facility, jail, reformatory, detention center, work farm, halfway house, or residential community program center operated by contract with the federal government, a state, or an Indian tribe for the confinement or rehabilitation of persons charged with or convicted of a criminal offense or other persons held in lawful custody. "Other persons held in lawful custody" include juvenile offenders, adjudicated delinquents, aliens detained awaiting deportation, witnesses, or others awaiting charges or trial.

(10) "Corrective action" means an action that a business associate must take to remedy a breach or violation of the business associate's obligations under the business associate's contractual requirement, including but not limited to reasonable steps that must be taken to cure the breach or end the violation.

(11) "Covered entity" means health plans, health care clearinghouses, and health care providers who transmit any health information in electronic form in connection with a transaction that is subject to federal Health Insurance Portability and Accountability Act (HIPAA) requirements, as those terms are defined and used in the HIPAA regulations, 45 CFR parts 160 and 164.

(12) "De-identified data" means client information from which the Department or other entity has deleted, redacted, or blocked identifiers so the remaining information cannot reasonably be used to identify an individual.

(13) "Department" means the Department of Human Services.

(14) "Department workforce" means employees, volunteers, trainees, and other persons whose conduct, in the performance of work for the Department, is under the direction and control of the Department, whether or not they are paid by the Department.

(15) "Disclose" means the release, transfer, relay, provision of access to, or conveying of client information to any individual or entity outside the Department.

(16) "Health care" means care, services, or supplies related to the health of an individual. Health care includes but is not limited to preventive, diagnostic, therapeutic, rehabilitative, maintenance, palliative care, counseling services, assessment, or procedures with respect to the physical or mental condition, or functional status of an individual, or that affects the structure or function of the body and the sale or dispensing of a drug, device, equipment, or other prescribed item.

(17) "Health care operations" means any activities of a covered entity to the extent that the activities are related to health care, Medicaid, or any other health care related programs, services, or activities administered by the covered entity and includes:

(a) Conducting quality assessment and improvement activities, including income evaluation and development of clinical guidelines;

(b) Population-based activities related to improving health or reducing health care costs, protocol development, case management and care coordination, contacting health care providers and patients with information about treatment alternatives, and related functions that do not include treatment;

(c) Reviewing the competence of qualifications of health care professionals, evaluating practitioner, provider, and health plan performance; and conducting training programs in which students and trainees in areas of health care learn under supervision to practice or improve their skills, accreditation, certification, licensing, or credentialing activities;

(d) Underwriting, premium rating, and other activities relating to the creation, renewal, or replacement of a contract for Medicaid or health care related services;

(e) Conducting or arranging for medical review, legal services, and auditing functions, including fraud and abuse detection and compliance programs, and disclosure to the Medicaid Fraud Unit pursuant to 43 CFR part 455.21;

(f) Business planning and development, such as conducting cost-management and planning-related analyses related to managing and operating the covered entity, including administration, development, or improvement of methods of payments or health care coverage; and

(g) Business management and general administrative activities of the covered entity, including but not limited to:

(A) Management activities relating to implementation of and compliance with the requirements of HIPAA;

(B) Customer service, including providing data analysis;

## ADMINISTRATIVE RULES

(C) Resolution of internal grievances, including administrative hearings and the resolution of disputes from patients or enrollees regarding the quality of care and eligibility for services; and

(D) Creating de-identified data or a limited data set.

(18) "Health oversight agency" means an agency or authority of the federal government, a state, territory, political subdivision of a state or territory, Indian tribe, or a person or entity acting under a grant of authority from or by contract with the public agency, including employees or agents of the public agency or its contractors or grantees that is authorized by law to oversee the health care system or government programs in which health information is necessary to determine eligibility or compliance, or to enforce civil rights laws for which health information is relevant. When performing these functions, the Department acts as a health oversight agency for the purposes of these rules.

(19) "HIPAA" means the Title II, Subtitle F of the Health Insurance Portability and Accountability Act of 1996, 42 USC 1320d et seq, and the federal regulations adopted to implement the Act.

(20) "Individual" means the person who is the subject of information collected, used, or disclosed by the Department.

(21) "Individually identifying information" means any single item or compilation of information or data that indicates or reveals the identity of an individual, either specifically (such as the individual's name or social security number), or from which the individual's identity can be reasonably ascertained.

(22) "Information" means personal information relating to an individual, a participant, or a Department client.

(23) "Inmate" means a person incarcerated in or otherwise confined in a correctional institution. An individual is no longer an inmate when released on parole, probation, supervised release, or is otherwise no longer in custody.

(24) "Institutional Review Board (IRB)" means a specially constituted review body established or designated by an entity in accordance with 45 CFR part 46 to protect the welfare of human subjects recruited to participate in biomedical or behavioral research. The IRB must be registered with the Office for Human Research Protection.

(25) "Law enforcement official" means an officer or employee of any agency or authority of the federal government, a state, territory, political subdivision of a state or territory, or Indian tribe who is empowered by law to:

(a) Investigate and conduct an official inquiry into a potential violation of law; or

(b) Prosecute or otherwise conduct a criminal, civil, or administrative proceeding arising from an alleged violation of law.

(26) "Licensee" means a person or entity that applies for or receives a license, certificate, registration, or similar authority from the Department to perform or conduct a service, activity, or function.

(27) "Minimum necessary" means the least amount of information, when using or disclosing confidential client information that is needed to accomplish the intended purpose of the use, disclosure, or request.

(28) "Participant" means individuals participating in Department population-based services, programs, and activities that serve the general population, but who do not receive program benefits or direct services received by a client. Examples of participants include individuals who contact Department hotlines or the ombudsman for general public information services.

(29) "Payment" means any activities undertaken by a covered entity related to a client to whom health care is provided in order to:

(a) Obtain premiums or to determine or fulfill its responsibility for coverage and provision of benefits under the Medicaid program or other publicly funded health care services; and

(b) Obtain or provide reimbursement for the provision of health care.

(30) "Payment activities" means:

(a) Determinations of eligibility or coverage, including coordination of benefits or the determination of cost sharing amounts, and adjudication of health benefit or health care claims;

(b) Risk adjusting amounts due which are based on enrollee health status and demographic characteristics;

(c) Billing, claims management, collection activities, obtaining payment under a contract for reinsurance, and related health care data processing;

(d) Review of health care services with respect to medical necessity, coverage under a health plan, appropriateness of care, or justification of charges;

(e) Utilization review activities, including pre-certification and pre-authorization of services, concurrent and retrospective review of services; and

(f) Disclosure to consumer reporting agencies related to collection of premiums or reimbursement including name and address, date of birth, payment history, account number, and name and address of the health care provider or health plan.

(31) "Personal representative" means a person who has authority to act on behalf of an individual in making decisions related to health care.

(32) "Protected Health Information (PHI)" means any individually identifiable health information, whether oral or recorded in any form or medium, that is created or received by a health care provider, health plan, public health authority, employer, life insurer, school or university, or health care clearinghouse and relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual. Any data transmitted or maintained in any other form or medium by covered entities, including paper records, fax documents, all oral communications, or any other form, such as screen prints of eligibility information, printed e-mails containing identified individual's health information, claim or billing information, or hard copy birth or death certificates. PHI does not include school records that are subject to the Family Educational Rights and Privacy Act and employment records held in the Department's role as an employer.

(33) "Protected information" means any participant or client information that the Department may have in its records or files that must be safeguarded pursuant to federal or state law. This includes but is not limited to individually identifying information.

(34) "Provider" means a person or entity that may seek reimbursement from the Department as a provider of services to Department clients pursuant to a contract. For purposes of these rules, reimbursement may be requested on the basis of claims or encounters or other means of requesting payment.

(35) "Psychotherapy notes" means notes recorded in any medium by a health care provider who is a mental health professional documenting or analyzing the contents of conversations during a private counseling session, or group, joint, or family counseling session, when the notes are separated from the rest of the individual's record. Psychotherapy notes do not include medication prescription and monitoring, counseling session start and stop times, the modalities and frequencies of treatment furnished, results of clinical tests, and any summary of diagnosis, functional status, treatment plan, symptoms, prognosis, or progress to date.

(36) "Public health Agency" means a public agency or a person or entity acting under a grant of authority from or by contract with the public agency that performs or conducts one or more of the following essential functions that characterize public health programs, services, or activities:

(a) Monitor health status to identify community health problems;

(b) Diagnose and investigate health problems and health hazards in the community;

(A) Inform, educate, and empower people about health issues;

(B) Mobilize community partnerships to identify and solve health problems;

(C) Develop policies and plans that support individual and community health efforts;

(D) Enforce laws and regulations that protect health and ensure safety;

(E) Direct individuals to needed personal health services and assure the provision of health care when otherwise unavailable;

(F) Ensure a competent public health and personal health care workforce;

(G) Evaluate the effectiveness, accessibility, and quality of personal and population-based health services; and

(H) Perform research for new insights and innovative solutions to health problems.

(37) "Public health authority" means an agency or authority of the federal government, a state, territory, political subdivision of a state or territory, Indian tribe, or a person or entity acting under a grant of authority from or by contract with the public agency, including the employees or agents of the public agency, or its contractors, persons, or entities to whom it has granted authority, that is responsible for public health matters as part of its official mandate.

(38) "Re-disclosure" means the disclosure of information to a person, a Department program, a Department subcontracted entity, or other entity or person other than what was originally authorized.

## ADMINISTRATIVE RULES

(39) "Research" means systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalized knowledge.

(40) "Required by law" means a duty or responsibility that federal or state law specifies that a person or entity must perform or exercise. Required by law includes but is not limited to court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or an administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or rules that require the production of information, including statutes or rules that require such information if payment is sought under a government program providing public benefits.

(41) "Treatment" means the provision, coordination, or management of health care and related services by one or more health care providers, including the coordination or management of health care by a health care provider with a third party, consultation between health care providers relating to a patient, or the referral of a patient for health care from one health care provider to another.

(42) "Use" means the sharing of individual information within a Department program or the sharing of individual information between program staff and administrative staff that support or oversee the program.

#### Information Governed by the HIPAA Privacy Rules

(1) These rules address information that, among other things, may be PHI that is protected by the HIPAA Privacy Rules. For purposes of HIPAA Privacy Rules, the Authority is a covered entity, primarily because of its role as the state Medicaid and Children's Health Insurance Program.

(2) The Authority administers many aspects of the medical assistance program with the assistance of the Department, including but not limited to eligibility determinations for the medical assistance program and supervising the long-term and community-based services for seniors and people with disabilities. The Department also provides certain health care operations services for the Authority. In doing so, the Department is a business associate of the Authority. As a business associate of the Authority, the Department is authorized to use and disclose protected health information to perform or assist the Authority in the performance of its covered functions, in a manner consistent with these rules.

(3) These rules only apply to information maintained by the Department as a business associate of the Authority.

### 407-014-0020

#### Uses and Disclosures of Client or Participant Protected Information

(1) Uses and disclosures with individual authorization. The Department must obtain a completed and signed authorization for release of information from the individual, or the individual's personal representative, before obtaining or using protected information about an individual from a third party or disclosing protected information about the individual to a third party.

(a) Uses and disclosures must be consistent with what the individual has approved on the signed authorization form approved by the Department.

(b) An individual may revoke an authorization at any time. The revocation must be in writing and signed by the individual, except that substance abuse treatment patients may orally revoke an authorization to disclose information obtained from substance abuse treatment programs. No revocation shall apply to information already released while the authorization was valid and in effect.

(2) Uses and disclosures without authorization. The Department may use and disclose information without written authorization in the following circumstances:

(a) The Department may disclose information to individuals who have requested disclosure to themselves of their information, if the individual has the right to access the information under OAR 407-014-0030(6).

(b) If the law requires or permits the disclosure, and the use and disclosure complies with, and is limited to, the relevant requirements of the relevant law.

(c) For treatment, payment, and health care operations, the Department may disclose the following information:

(A) Activities involving the current treatment of an individual, for the Department or health care provider;

(B) Payment activities, for the Department, covered entity, or health care provider;

(C) Protected health information for the purpose of health care operations; and

(D) Substance abuse treatment information, if the recipient has a Qualified Service Organization Agreement with the Department.

(d) Psychotherapy notes. The Department may only use and disclose psychotherapy notes in the following circumstances:

(A) In the Department's supervised counseling training programs;

(B) In connection with oversight of the originator of the psychotherapy notes; or

(C) To defend the Department in a legal action or other proceeding brought by the individual.

(e) Public health activities.

(A) The Department may disclose an individual's protected information to appropriate entities or persons for governmental public health activities and for other purposes including but not limited to:

(i) A governmental public health authority that is authorized by law to collect or receive protected information for the purpose of preventing or controlling disease, injury, or disability, including but not limited to reporting disease, injury, and vital events such as birth or death, and conducting public health surveillance, investigations, and interventions;

(ii) An official of a foreign government agency that is acting in collaboration with a governmental public health authority;

(iii) A governmental public health authority, or other government authority that is authorized by law to receive reports of child abuse or neglect;

(iv) A person subject to the jurisdiction of the federal Food and Drug Administration (FDA), regarding an FDA-regulated product or activity for which that person is responsible for activities related to the quality, safety, or effectiveness of an FDA-regulated product or activity; or

(v) A person who may have been exposed to a communicable disease, or may be at risk of contracting or spreading a disease or condition.

(B) Where state or federal law prohibits or restricts use and disclosure of information obtained or maintained for public health purposes, the Department shall deny the use and disclosure.

(f) Child abuse reporting and investigation. If the Department has reasonable cause to believe that a child is a victim of abuse or neglect, the Department may disclose protected information to appropriate governmental authorities authorized by law to receive reports of child abuse or neglect (including reporting to the Department protective services staff if appropriate). If the Department receives information as the child protective services agency, the Department may use and disclose the information consistent with its legal authority and in compliance with any applicable state and federal regulations.

(g) Adult abuse reporting and investigation. If the Department has reasonable cause to believe that a vulnerable adult is a victim of abuse or neglect, the Department may disclose information, as required by law, to a government authority or regulatory agency authorized by law to receive reports of abuse or neglect including but not limited to a social service or protective services agency (which may include the Department) authorized by law to receive such reports. Vulnerable adults are adults age 65 or older and persons with disabilities. If the Department receives information as the social services or protective services agency, the Department may use and disclose the information.

(h) Health oversight activities. The Department may disclose information without authorization for health oversight activities including audits; civil, criminal, or administrative investigations, prosecutions, licensing or disciplinary actions; Medicaid fraud; or other necessary oversight activities.

(i) Administrative and court hearings, grievances, investigations, and appeals.

(A) The Department may use or disclose information for an investigation, administrative or court hearing, grievance, or appeal about an individual's eligibility or right to receive Department benefits or services.

(B) If the Department has obtained information in performing its duties as a health oversight agency, protective service entity, or public benefit program, the Department may use or disclose that information in an administrative or court hearing consistent with the other privacy requirements applicable to that program, service, or activity.

## ADMINISTRATIVE RULES

(j) Court orders. The Department may disclose information for judicial or administrative proceedings in response to a court order, subpoena, discovery request, or other legal process. If a court orders the Department to conduct a mental examination pursuant to ORS 161.315, 161.365, 161.370, or 419B.352, or orders the Department to provide any other report or evaluation to the court, the examination, report, or evaluation shall be deemed to be required by law for purposes of HIPAA.

(k) Law enforcement purposes. For limited law enforcement purposes, the Department may report certain injuries or wounds; provide information to identify or locate a suspect, victim, or witness; alert law enforcement of a death as a result of criminal conduct; and provide information which constitutes evidence of criminal conduct on Department premises.

(A) The Department may provide client information to a law enforcement officer in any of the following situations:

(i) The law enforcement officer is involved in carrying out any investigation, criminal, or civil proceedings connected with administering the program from which the information is sought;

(ii) A Department employee may disclose information from personal knowledge that does not come from the client's interaction with the Department;

(iii) The disclosure is authorized by statute or administrative rule;

(iv) The information informs law enforcement of a death as a result of criminal conduct;

(v) The information constitutes evidence of criminal conduct on Department premises; or

(vi) The disclosure is necessary to protect the client or others, and the client poses a threat to his or her safety or to the safety of others.

(B) Except as provided in section (2)(k)(C) of this rule, the Department may give a client's current address, Social Security number, and photo to a law enforcement officer if the law enforcement officer makes the request in the course of official duty, supplies the client's name, and states that the client:

(i) Is a fugitive felon or is violating parole, probation, or post-prison supervision;

(ii) For all public assistance programs, has information that is necessary for the officer to conduct official duties, and the location or apprehension of the client is within the officer's official duties; or

(iii) For clients only in the SNAP program, has information that is necessary to conduct an official investigation of a fugitive felon or person violating parole, probation, or post-prison supervision.

(C) If domestic violence has been identified in the household, the Department may not release information about a victim of domestic violence unless a member of the household is either wanted as a fugitive felon or is violating parole, probation, or post-prison supervision.

(D) For purposes of this subsection, a fugitive felon is a person fleeing to avoid prosecution or custody for a crime, or an attempt to commit a crime, that would be classified as a felony.

(E) For purposes of this section, a law enforcement officer is an employee of the Oregon State Police, a county sheriff's department, or a municipal police department, whose official duties include arrest authority.

(I) Use and disclosure of information about deceased individuals.

(A) The Department may disclose individual information to a coroner or medical examiner for the purpose of identifying a deceased individual, determining cause of death, or other duties authorized by law.

(B) The Department may disclose individual information to funeral directors as needed to carry out their duties regarding the decedent. The Department may also disclose individual information prior to, and in anticipation of, the death.

(m) Organ or tissue donation. The Department may disclose individual information to organ procurement organizations or other entities engaged in procuring, banking, or transplanting cadaver organs, eyes, or tissue for the purpose of facilitating transplantation.

(n) Research. The Department may disclose individual information without authorization for research purposes, as specified in OAR 407-014-0060.

(o) Threat to health or safety. To avert a serious threat to health or safety the Department may disclose individual information if:

(A) The Department believes in good faith that the information is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public; and

(B) The report is to a person or persons reasonably able to prevent or lessen the threat, including the target of the threat.

(p) National security and intelligence. The Department may disclose information to authorized federal officials for lawful intelligence, counter-intelligence, and other national security activities.

(q) Correctional institutions and law enforcement custody situations. The Department may disclose information to a correctional institution or a law enforcement official having lawful custody of an inmate or other person, for the limited purpose of providing health care or ensuring the health or safety of the person or other inmates.

(r) Emergency treatment. In case of an emergency, the Department may disclose individual information to the extent needed to provide emergency treatment.

(s) Government entities providing public benefits. The Department may disclose eligibility and other information to governmental entities administering a government program providing public benefits.

(3) Authorization not required if opportunity to object given. The Department may use and disclose an individual's information without authorization if the Department informs the individual in advance and gives the individual an opportunity to either agree or refuse or restrict the use and disclosure.

(a) These disclosures are limited to disclosure of information to a family member, other relative, close personal friend of the individual, or any other person named by the individual, subject to the following limitations:

(A) The Department may disclose only the protected information that directly relates to the person's involvement with the individual's care or payment for care.

(B) The Department may use and disclose protected information for notifying, identifying, or locating a family member, personal representative, or other person responsible for care of the individual, regarding the individual's location, general condition, or death. For individuals who had resided at one time at the state training center, OAR 411-320-0090(6) addresses family reconnection.

(C) If the individual is present for, or available prior to, a use and disclosure, the Department may disclose the protected information if the Department:

(i) Obtains the individual's agreement;

(ii) Provides the individual an opportunity to object to the disclosure, and the individual does not object; or

(iii) Reasonably infers from the circumstances that the individual does not object to the disclosure.

(D) If the individual is not present, or the opportunity to object to the use and disclosure cannot practicably be provided due to the individual's incapacity or an emergency situation, the Department may disclose the information if, using professional judgment, the Department determines that the use and disclosure is in the individual's best interests.

(b) Exception. For individuals referred to or receiving substance abuse treatment, mental health, or vocational rehabilitation services, the Department shall not use or disclose information without written authorization, unless disclosure is otherwise permitted under 42 CFR part 2, 34 CFR 361.38, or ORS 179.505.

(c) Personal representative. The Department must treat a personal representative as the individual for purposes of these rules, except that:

(A) A personal representative must be authorized under state law to act on behalf of the individual with respect to use and disclosure of information. The Department may require a personal representative to provide a copy of the documentation authorizing the person to act on behalf of the individual.

(B) The Department may elect not to treat a person as a personal representative of an individual if:

(i) The Department has a reasonable belief that the individual has been or may be subjected to domestic violence, abuse, or neglect by the person;

(ii) The Department, in the exercise of professional judgment, decides that it is not in the best interest of the individual to treat the person as the individual's personal representative.

(4) Rediscovery. The Department must inform the individual that information held by the Department and authorized by the individual for disclosure may be subject to rediscovery and no longer protected by these rules.

(5) Specific written authorization. If the use or disclosure of information requires an authorization, the authorization must specify that the Department may use or disclose vocational rehabilitation records, alcohol and drug records, HIV/AIDS records, genetics information, and mental health or developmental disability records held by publicly funded providers.

(a) Pursuant to federal regulations at 42 CFR part 2 and 34 CFR 361.38, the Department may not make further disclosure of vocational

# ADMINISTRATIVE RULES

rehabilitation and alcohol and drug rehabilitation information without the specific written authorization of the individual to whom it pertains.

(b) Pursuant to ORS 433.045 and OAR 333-012-0270, the Department may not make further disclosure of individual information pertaining to HIV/AIDS.

(c) Pursuant to ORS 192.531 to 192.549, the Department may not make further disclosure pertaining to genetic information.

(6) Verification of person or entity requesting information. The Department may not disclose information about an individual without first verifying the identity of the person or entity requesting the information, unless the Department workforce member fulfilling the request already knows the person or has already verified identity.

(7) Whistleblowers. The Department may disclose an individual's protected health information under the HIPAA privacy rules under the following circumstances:

(a) The Department workforce member believes in good faith that the Department has engaged in conduct that is unlawful or that otherwise violates professional standards or Department policy, or that the care, services, or conditions provided by the Department could endanger Department staff, individuals in Department care, or the public; and

(b) The disclosure is to a government oversight agency or public health authority, or an attorney of a Department workforce member retained for the purpose of determining the legal options of the workforce member with regard to the conduct alleged under section (7)(a) above; and

(c) Nothing in this rule is intended to interfere with ORS 659A.200 to 659A.224 describing the circumstances applicable to disclosures by the Department's workforce.

### Client Privacy Rights

(1) Rights of clients to access their information. Clients may access, inspect, and obtain a copy of information on their own cases in Department files or records, consistent with federal and state law.

(a) A client may request access by completing the Access to Records Request form, or by providing sufficient information to accomplish this request.

(b) Clients may request access to their own information that is kept by the Department by using a personal identifier such as the client's name or Department case number.

(c) If the Department maintains information in a record that includes information about other people, the client may see information only about himself or herself.

(d) If a person identified in the file is a minor child of the client, and the client is authorized under Oregon law to have access to the minor's information or to act on behalf of the minor for making decisions about the minor's care, the client may obtain information about the minor.

(e) If the requestor of information is recognized under Oregon law as a the client's guardian or custodian and is authorized under Oregon law to have access to the client's information or to act on behalf of the client for making decisions about the client's services or care, the Department shall release information to the requestor.

(f) For individuals with disabilities or mental illnesses, the named system in ORS 192.517, to protect and advocate the rights of individuals with developmental disabilities under Part C of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6041 et seq.) and the rights of individuals with mental illness under the Protection and Advocacy for Individuals with Mental Illness Act (42 U.S.C. 10801 et seq.), shall have access to all records defined in ORS 192.515.

(g) The Department may deny a client's access to their own PHI if federal law prohibits the disclosure. Clients may access, inspect, and obtain a copy of health information on their own case in Department files or records except for the following:

(A) Psychotherapy notes;

(B) Information compiled in reasonable anticipation of, or for use in civil, criminal, or administrative proceedings;

(C) Information that is subject to the federal Clinical Labs Improvement Amendments of 1988, or exempt pursuant to 42 CFR 493.3(a)(2);

(D) Information that the Department believes, in good faith, can cause harm to the client, participant, or to any other person; and

(E) Documents protected by attorney work-product privilege.

(h) The Department may deny a client access to information that was obtained under a promise of confidentiality from a person other than a health care provider to the extent that access would reveal the source of the information.

(i) The Department may deny a client access to information, if the Department gives the client a right to have the denial reviewed when:

(A) A licensed health care professional (for health information) or other designated staff (for other information) has determined, in the exercise of professional judgment, that the information requested may endanger the life or physical safety of the client or another person;

(B) The information makes reference to another person, and a licensed health care professional (for health information) or other designated staff (for other information) has determined, in the exercise of professional judgment, that the information requested may cause substantial harm to the client or to another person; or

(C) The request for access is made by the client's personal representative, and a licensed health care professional (for health information) or other designated staff (for other information) has determined, in the exercise of professional judgment, that allowing the personal representative access to the information may cause substantial harm to the client or to another person.

(j) If the Department denies access under section (1)(i) of this rule, the client may have the decision reviewed by a licensed health care professional (for health information) or other designated staff (for other information) not directly involved in making the original denial decision.

(A) The Department must promptly refer a client's request for review to the designated reviewer.

(B) The reviewer must determine, within the 30 or 60-day time limits stated in section (1)(k)(A) and (B) of this rule, whether to approve or deny the client's request for access.

(C) Based on the reviewer's decision, the Department shall:

(i) Promptly notify the client in writing of the reviewer's determination; and

(ii) If approved, take action to carry out the reviewer's determination.

(k) The Department must act on a client's request for access no later than 30 days after receiving the request, except as provided in this section and in the case of written accounts under ORS 179.505, which must be disclosed within five days.

(A) In cases where the information is not maintained or accessible to the Department on-site, and does not fall under ORS 179.505, the Department must act on the client's request no later than 60 days after receiving the request.

(B) If the Department is unable to act within the 30 or 60-day limits, the Department may extend this time period a maximum of 30 additional days, subject to the following:

(i) The Department must notify the client in writing of the reasons for the delay and the date by which the Department shall act on the request.

(ii) The Department shall use only one 30-day extension.

(l) If the Department grants the client's request, in whole or in part, the Department must inform the client of the access decision and provide the requested access.

(A) If the Department maintains the same information in more than one format or at more than one location, the Department may provide the requested information once.

(B) The Department must provide the requested information in a form or format requested by the client, if readily producible in that form or format. If not readily producible, the Department shall provide the information in a readable hard-copy format or other format as agreed to by the Department and the client.

(C) The Department may provide the client with a summary of the requested information, in lieu of providing access, or may provide an explanation of the information if access has been provided, if:

(i) The client agrees in advance; and

(ii) The client agrees in advance to pay any fees the Department may impose, under section (1)(L)(E) of this rule.

(D) The Department shall arrange with the client for providing the requested access in a time, place, and manner convenient for the client and the Department.

(E) If a client, or legal guardian or custodian, requests a copy, written summary, or explanation of the requested information, the Department may impose a reasonable cost-based fee, limited to the following:

(i) Copying the requested information, including the costs of supplies and the labor of copying;

(ii) Postage; and

## ADMINISTRATIVE RULES

(iii) Staff time for preparing an explanation or summary of the requested information.

(m) If the Department denies access, in whole or in part, to the requested information, the Department must:

(A) Give the client access to any other requested client information, after excluding the information to which access is denied; and

(B) Provide the client with a timely written denial. The denial must:

(i) Be provided within the time limits specified in section (1)(k)(A) and (B) of this rule;

(ii) State the basis of the denial in plain language;

(iii) If the Department denies access under section (1)(i) of this rule, explain the client's review rights as specified in section (1)(j) of this rule, including an explanation of how the client may exercise these rights; and

(iv) Provide a description of how the client may file a complaint with the Department, and if the information is PHI, with the United States Department of Health and Human Services (DHHS), Office for Civil Rights, pursuant to section (7) of this rule.

(n) If the Department does not maintain the requested information, in whole or in part, and knows where the information is maintained (such as by a medical provider, insurer, other public agency, private business, or other non-Department entity), the Department must inform the client where to direct the request for access.

(2) Department Notice of Privacy Practices. The Department shall send clients notice about the Department's privacy practices as follows:

(a) The Department shall make available to each client a notice of Department privacy practices that describes the duty of the Department to maintain the privacy of PHI and include a description that clearly informs the client of the types of uses and disclosures the Department is permitted or required to make;

(b) The Department shall provide all clients in direct care settings a notice of Department privacy practices and shall request the client's signature on an acknowledgement of receipt form;

(c) If the Department revises its privacy practices, the Department shall make the revised notice available to all clients;

(d) The Department shall post a copy of the Department's Notice of Privacy Practices for public viewing at each Department worksite and on the Department website; and

(e) The Department shall give a paper copy of the Department's Notice of Privacy Practices to any individual upon request.

(3) Right to request restrictions on uses or disclosures. Clients may request restrictions on the use or disclosure of their information.

(a) The Department must comply with the restriction if:

(A) Except as otherwise required by law, the disclosure is to a health plan for purposes of carrying out payment or health care operations (and is not for purposes of carrying out treatment); and

(B) The protected health information pertains solely to a health care item or service for which the health care provider involved has been paid out of pocket in full.

(b) The Department is not required to agree to a restriction if the disclosure is:

(A) Required by law; or

(B) Not to a health plan for purposes of carrying out payment or health care operations.

(c) The Department may not deny a client's request to restrict the sharing of records of alcohol and drug treatment or records relating to vocational rehabilitation services with another Department program.

(d) The Department shall document the client's request, and the reasons for granting or denying the request, in the client's Department case file.

(e) If the client needs emergency treatment and the restricted protected information is needed to provide the treatment, the Department may use or disclose the restricted protected information to a provider, for the limited purpose of providing treatment. However, once the emergency situation subsides, the Department shall ask the provider not to redisclose the information.

(f) The Department may terminate its agreement to a restriction if:

(A) The client agrees to or requests the termination in writing;

(B) The client orally requests or agrees to the termination, and the Department documents the oral request or agreement in the client's Department case file; or

(C) With or without the client's agreement, the Department informs the client that the Department is terminating its agreement to the restriction. Information created or received while the restriction was in place shall remain subject to the restriction.

(4) Rights of clients to request to receive information from the Department by alternative means or at alternative locations. The Department must accommodate reasonable requests by clients to receive communications from the Department by alternative means, such as by mail, e-mail, fax, or telephone, and at an alternative location.

(a) The client must specify the preferred alternative means or location.

(b) The client may submit the request for alternative means or locations either orally or in writing.

(A) If the client makes a request in-person, the Department shall document the request and ask for the client's signature.

(B) If the client makes a request by telephone or electronically, the Department shall document the request and verify the identity of the client.

(c) The Department may terminate its agreement to an alternative location or method of communication if:

(A) The client agrees to or requests termination of the alternative location or method of communication in writing or orally. The Department shall document the oral agreement or request in the client's Department case file; or

(B) The Department informs the client that the Department is terminating its agreement to the alternative location or method of communication because the alternative location or method of communication is not effective. The Department may terminate its agreement to communicate at the alternative location or by the alternate method if:

(i) The Department is unable to contact the client at the location or by the method requested; or

(ii) The client fails to respond to payment requests, if applicable.

(5) Right of clients to request amendment of their information. Clients may request that the Department amend information about themselves in Department files.

(a) For all amendment requests, the Department shall have the client complete the approved Department form.

(b) The Department may deny the request or limit its agreement to amend.

(c) The Department must act on the client's request no later than 60 days after receiving the request. If the Department is unable to act within 60 days, the Department may extend this time limit by a maximum of 30 additional days, subject to the following:

(A) The Department must notify the client in writing, within 60 days of receiving the request, of the reasons for the delay and the date by which the Department shall act on the request; and

(B) The Department shall use only one 30-day extension.

(d) The program's medical director, a licensed health care professional designated by the program administrator, or a Department staff person involved in the client's case must review the request and any related documentation prior to making a decision to amend a health or medical record.

(e) A staff person designated by the Department shall review the request and any related documentation prior to making a decision to amend any information that is not a health or medical record.

(f) If the Department grants the request, in whole or in part, the Department shall:

(A) Make the appropriate amendment to the information or records, and document the amendment in the client's Department file or record;

(B) Provide notice to the client that the amendment has been granted, pursuant to the time limits under section (5)(c) of this rule;

(C) Obtain the client's agreement to notify other relevant persons or entities with whom the Department has shared or needs to share the amended information; and

(D) Inform and provide the amendment within a reasonable time to:

(i) Persons named by the client who have received the information and who need the amendment; and

(ii) Persons, that the Department knows have the information that is the subject of the amendment and who may have relied, or could foreseeably rely, on the information to the client's detriment.

(g) The Department may deny the client's request for amendment if:

(A) The Department finds the information to be accurate and complete;

(B) The information was not created by the Department;

(C) The information is not part of Department records; or

(D) The information would not be available for inspection or access by the client, pursuant to section (1)(g) and (h) of this rule.

(h) If the Department denies the amendment request, in whole or in part, the Department must provide the client with a written denial. The denial must:

(A) Be sent within the time limits specified in section (5)(c) of this rule;

# ADMINISTRATIVE RULES

(B) State the basis for the denial, in plain language; and

(C) Explain the client's right to submit a written statement disagreeing with the denial and how to file the statement. If the client files a statement:

(i) The Department shall enter the written statement into the client's Department case file;

(ii) The Department may also enter a Department-written rebuttal of the client's written statement into the client's Department case file. The Department shall send a copy of any written rebuttal to the client;

(iii) The Department shall include a copy of the statement and any Department-written rebuttal with any future disclosures of the relevant information;

(iv) If a client does not submit a written statement of disagreement, the client may ask that if the Department makes any further disclosures of the relevant information, that the Department shall also include a copy of the client's original request for amendment and a copy of the Department written denial; and

(v) The Department shall provide information on how the client may file a complaint with the Department and, if the information is PHI, with DHHS, Office for Civil Rights.

(6) Rights of clients to request an accounting of disclosures of PHI. Clients may receive an accounting of disclosures of PHI that the Department has made for any period of time, not to exceed six years, preceding the request date for the accounting.

(a) For all requests for an accounting of disclosures, the client may complete the authorized Department form "Request for Accounting of Disclosures of Health Records," or provide sufficient information to accomplish this request.

(b) The right to an accounting of disclosures does not apply when the request is:

(A) Authorized by the client;

(B) Made prior to April 14, 2003;

(C) Made to carry out treatment, payment, or health care operations, unless these disclosures are made from an electronic health record;

(D) Made to the client;

(E) Made to persons involved in the client's care;

(F) Made as part of a limited data set in accordance with OAR 407-014-0070;

(G) Made for national security or intelligence purposes; or

(H) Made to correctional institutions or law enforcement officials having lawful custody of an inmate.

(c) For each disclosure, the accounting must include:

(A) The date of the disclosure;

(B) The name and address, if known, of the person or entity who received the disclosed information;

(C) A brief description of the information disclosed; and

(D) A brief statement of the purpose of the disclosure that reasonably informs the client of the basis for the disclosure, or, in lieu of a statement, a copy of the client's written request for a disclosure, if any.

(d) If, during the time period covered by the accounting, the Department has made multiple disclosures to the same person or entity for the same purpose, the Department may provide the required information for only the first disclosure. The Department need not list the same identical information for each subsequent disclosure to the same person or entity if the Department adds the following information:

(A) The frequency or number of disclosures made to the same person or entity; and

(B) The date of the most recent disclosure during the time period for which the accounting is requested.

(e) The Department must act on the client's request for an accounting no later than 60 days after receiving the request. If the Department is unable to act within 60 days, the Department may extend this time limit by a maximum of 30 additional days, subject to the following:

(A) The Department must notify the client in writing, within 60 days of receiving the request, of the reasons for the delay and the date by which the Department shall act on the request; and

(B) The Department shall use only one 30-day extension.

(f) The Department shall provide the first requested accounting in any 12-month period without charge. The Department may charge the client a reasonable cost-based fee for each additional accounting requested by the client within the 12-month period following the first request, if the Department:

(A) Informs the client of the fee before proceeding with any additional request; and

(B) Allows the client an opportunity to withdraw or modify the request in order to avoid or reduce the fee.

(g) The Department shall document the information required to be included in an accounting of disclosures, as specified in section (6)(c) of this rule, and retain a copy of the written accounting provided to the client.

(h) The Department shall temporarily suspend a client's right to receive an accounting of disclosures that the Department has made to a health oversight agency or to a law enforcement official, for a length of time specified by the agency or official, if the agency or official provides a written or oral statement to the Department that the accounting would be reasonably likely to impede their activities. If the agency or official makes an oral request, the Department shall:

(A) Document the oral request, including the identity of the agency or official making the request.

(B) Temporarily suspend the client's request to an accounting of disclosures; and

(C) Limit the temporary suspension to no longer than 30 days from the date of the oral request, unless the agency or official submits a written request specifying a longer time period.

(7) Filing a complaint. Clients may file a complaint with the Department or, if the complaint concerns a violation of the HIPAA Privacy or Security Rule, with DHHS, Office for Civil Rights.

(a) Upon request, the Department shall give clients the name and address of the specific person or office of where to submit complaints to DHHS.

(b) The Department may not intimidate, threaten, coerce, discriminate against, or take any other form of retaliatory action against any individual filing a complaint or inquiring about how to file a complaint.

(c) The Department may not require clients to waive their rights to file a complaint as a condition of providing treatment, payment, enrollment in a health plan, or eligibility for benefits.

(d) The Department shall designate staff to review and determine action on complaints filed with the Department.

(e) The Department shall document, in the client's Department case file, all complaints, the findings from reviewing each complaint, and the Department's actions resulting from the complaint. For each complaint, the documentation shall include a description of corrective action that the Department has taken, if any are necessary, or why corrective action is not needed.

### Minimum Necessary Standards

(1) The Department shall limit the use and disclosure of protected information to that which is reasonably necessary to accomplish the intended purpose of the use or disclosure which is referred to in these rules as the minimum necessary standard.

(2) This minimum necessary standard is not intended to impede essential Department activities.

(3) The minimum necessary standard applies:

(a) When using protected information within the Department;

(b) When disclosing protected information to a third party in response to a request; or

(c) When requesting protected information from another covered entity.

(4) The minimum necessary standard does not apply to:

(a) Disclosures to or requests by a health care provider for treatment;

(b) Disclosures made to the individual, including disclosures made in response to a request for access or an accounting;

(c) Disclosures made with a valid authorization;

(d) Disclosures made to DHHS for the purposes of compliance and enforcement of federal regulations under 45 CFR part 160 and required for compliance with 45 CFR part 164; or

(e) Uses and disclosures required by law;

(5) When requesting protected information about an individual from another entity, the Department shall limit requests to those that are reasonably necessary to accomplish the purposes for which the request is made. The Department shall not request a person's entire medical record unless the Department can specifically justify the need for the entire medical record.

### Business Associate

(1) The Department is a business associate of the Authority. The Authority is the single state Medicaid agency, but the Department performs or assists in the performance of key components of the medical assistance program under the supervision of the Authority including but not limited to eligibility determinations for the medical assistance program and supervising the long-term and community-based services for seniors and people with disabilities. The Department also provides certain health care operations services for the Authority. In doing so, the Department is a business associate of the Authority. As a business associate of the Authority, the Department is authorized to use and disclose protected health information to perform or assist the Authority in the performance of its covered functions. However, as a business associate, the Department is subject to the privacy requirements described in these rules.

(2) As a business associate of the Authority implementing the requirements of the medical assistance program, the Department may disclose an individual's PHI to its contractors or providers, and may allow its contractors or providers to create or receive an individual's PHI on behalf of the Department if the contract or agreement that complies with applicable federal and state law. In some limited circumstances, the Department may determine that the Department is a business associate of a covered entity. A business associate relationship with the Department requires additional contractual disclosure and privacy provisions that must be incorporated into the contract pursuant to 45 CFR part 164.504(e)(1).

(3) A contract with a business associate must comply with OAR 125-055-0100 to 125-055-0130 and the qualified service organization requirements in 42 CFR part 2.11.

### Uses and Disclosures of Protected Information for Research Purposes

The Department may use and disclose an individual's information for research purposes as specified in this rule.

(1) All research disclosures are subject to applicable requirements of federal and state laws and rules including but not limited to 45 CFR part 46 and 21 CFR part 50.0 to 50.56, relating to the protection of human research subjects.

(2) The Department may use and disclose de-identified information or a limited data set for research purposes, pursuant to OAR 407-014-0070.

(3) The Department may use and disclose information regarding an individual for research purposes with the specific written authorization of the individual. The authorization must meet all requirements in OAR 407-014-0030, and may indicate an expiration date with terms such as "end of research study" or similar language. An authorization for use and disclosure for a research study may be combined with other types of written authorization for the same research study. If research includes treatment, the researcher may require an authorization for use and disclosure for the research as a provision of providing research related treatment.

(4) Notwithstanding section (3) of this rule, the Department may use and disclose an individual's information for research purposes without the individual's written authorization, regardless of the source of funding for the research, provided that:

(a) The Department obtains documentation that a waiver of an individual's authorization for release of information requirements has been approved by an IRB registered with the Office for Human Research Protection. Documentation required of an IRB when granting approval of a waiver of an individual's authorization for release of information must include all criteria specified in 45 CFR part 164.512(i)(2).

(b) A researcher may request access to individual information maintained by the Department in preparation for research or to facilitate the development of a research protocol in anticipation of research. The Department may determine whether to permit such use or disclosure, without individual authorization or use of an IRB, pursuant to 45 CFR part 164.512(i)(1)(ii).

(c) A researcher may request access to individual information maintained by the Department about deceased individuals. The Department may determine whether to permit such use or disclosure of information about

decedents, without individual authorization or use of an IRB, pursuant to 45 CFR part 164.512(i)(1)(iii).

(5) The Department may collect, use, or disclose information, without individual authorization, to the extent that the collection, use, or disclosure is required by law. When the Department uses information to conduct studies as required by law, no additional individual authorization is required nor does this rule require an IRB or privacy board waiver of authorization based on the HIPAA privacy rules.

(6) The Department may use and disclose information without individual authorization for studies and data analysis conducted for the Department's own quality assurance purposes or to comply with reporting requirements applicable to federal or state funding requirements in accordance with the definition of "health care operations" in 45 CFR part 164.501.

### De-identification of Client Information and Use of Limited Data Sets under Data Use Agreements

(1) The Department may use and disclose information as appropriate for the work of the Department, without further restriction, if the Department or another entity has taken steps to de-identify the information pursuant to 45 CFR part 164.514(a) and (b).

(2) The Department may assign a code or other means of record identification to allow the Department to re-identify the de-identified information provided that:

(a) The code or other means of record identification is not derived from or related to information about the individual and cannot otherwise be translated to identify the individual; and,

(b) The Department does not use or disclose the code or other means of record identification for any other purpose, and does not disclose the mechanism for re-identification.

(3) The Department may use and disclose a limited data set if the Department enters into a data use agreement with an entity requesting or providing the Department with a limited data set subject to the requirements of 45 CFR part 164.514(e).

(a) The Department may use and disclose a limited data set for the purposes of research. The Department may use limited data set for its own activities or operations if the Department has obtained a limited data set that is subject to a data use agreement.

(b) If the Department knows of a pattern of activity or practice of a limited data set recipient that constitutes a material breach or violation of a data use agreement, the Department shall take reasonable steps to cure the breach or end the violation. If such steps are unsuccessful, the Department shall discontinue disclosure of information to the recipient and report the problem to the appropriate authority.

**Subject:** HB 2009 (2009) created the Oregon Health Authority and transferred to the Authority the Department of Human Services' (Department) divisions with respect to health and health care. The Department is adopting these operational and programmatic rules to assure continuity as a part of the operational transfer from functions previously performed by the Department as a result of HB 2009 (2009). Adoption of this rule will repeal the temporary rule in effect since July 1, 2011.

Among the functions transferred to the Authority is the medical assistance program. This rule provides for continuity in the relationship between the Department and the Authority when working

together in the administration of the medical assistance program and that the Department and the Authority shall work cooperatively in the administration of the medical assistance program, including making determinations of eligibility and service need for medical assistance. This rule also explains that the Authority designated the Department as the operating agency for home and community-based waiver services and as an Organized Health Care Delivery System.

## 407-043-0020

### Cooperative Relationship with Oregon Health Authority

(1) The Department of Human Services (Department) will cooperate and collaborate with Oregon Health Authority (Authority) in order to effectively coordinate services to individuals, families and communities and realize operational efficiencies in the administration of services that can be shared between them (“shared services”).

(2) In any Department rules, policies, or procedures that refer to the programs, functions, and duties that were formerly part of the Department that were transferred to the Authority, such reference shall be considered a reference to the Authority.

(3) The Department acknowledges that the Authority is the state Medicaid agency and the state Children’s Health Insurance Program agency, authorized by state statute to administer the medical assistance program. The Authority is also responsible for facilitating outreach and enrollment efforts to connect eligible individuals with all available publicly funded health programs.

(a) The Department and the Authority recognize that there are many points of interconnection between their programs and the individuals who receive services through these programs. In addition, there are areas of natural connection between the Department and the Authority based upon the former structure of the Department.

(b) The Department shall continue to work cooperatively with the Authority in the administration of the medical assistance program, including determinations of eligibility and service need for medical assistance. The Authority has designated the Department as the operating agency for the home and community-based waivers and as an Organized Health Care Delivery System.

(c) The Department and the Authority are authorized by state law to delegate to each other any duties, functions, and powers that they deem necessary for the efficient and effective operation of their respective functions. The Department and the Authority will work together to adopt rules to assure that medical assistance eligibility requirements, procedures, and determinations are consistent across both agencies. The Authority has authorized the Department to determine medical eligibility for medical assistance. Where that responsibility is given to the Department under ORS Chapter 411, the Department has delegated to the Authority the duties, functions and powers to make medical eligibility determinations in accordance with OAR 410-120-0006.

(d) Where statute establishes duties and functions of the Department or the Authority in relation to medical assistance as a public assistance program, the Department and the Authority will cooperate in the effective administration of the program.

## 407-120-0100

### Definitions

The following definitions apply to OAR 407-120-0100 through 407-120-0200:

(1) “Access” means the ability or means necessary to read, write, modify, or communicate data or information or otherwise use any information system resource.

(2) “Agent” means a third party or organization that contracts with a provider, allied agency, or prepaid health plan (PHP) to perform designated services in order to facilitate a transaction or conduct other business functions on its behalf. Agents include billing agents, claims clearinghouses, vendors, billing services, service bureaus, and accounts receivable management firms. Agents may also be clinics, group practices, and facilities that submit billings on behalf of providers but the payment is made to a provider, including the following: an employer of a provider, if a provider is required as a condition of employment to turn over his fees to the employer; the facility in which the service is provided, if a provider has a contract under which the facility submits the claim; or a foundation, plan, or similar organization operating an organized health care delivery system, if a provider has a contract under which the organization submits the claim. Agents may also include electronic data transmission submitters.

(3) “Allied Agency” means local and regional allied agencies and includes local mental health authority, community mental health programs, Oregon Youth Authority, Department of Corrections, local health departments, schools, education service districts, developmental disability service programs, area agencies on aging, federally recognized American Indian tribes, and other governmental agencies or regional authorities that have a contract (including an interagency, intergovernmental, or grant agreement, or an agreement with an American Indian tribe pursuant to ORS 190.110) with the Department to provide for the delivery of services to covered individuals and that request to conduct electronic data transactions in relation to the contract.

(4) “Clinic” means a group practice, facility, or organization that is an employer of a provider, if a provider is required as a condition of employment to turn over his fees to the employer; the facility in which the service is provided, if a provider has a contract under which the facility submits the claim; or a foundation, plan, or similar organization operating an organized health care delivery system, if a provider has a contract under which the organization submits the claim; and the group practice, facility, or organization is enrolled with the Department, and payments are made to the group practice, facility, or organization. If the entity solely submits billings on behalf of providers and payments are made to each provider, then the entity is an agent.

(5) “Confidential Information” means information relating to covered individuals which is exchanged by and between the Department, a provider, PHP, clinic, allied agency, or agents for various business purposes, but which is protected from disclosure to unauthorized individuals or entities by applicable state and federal statutes such as ORS 344.600, 410.150, 411.320, 418.130, or the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and its implementing regulations. These statutes and regulations are collectively referred to as “Privacy Statutes and Regulations.”

(6) “Contract” means a specific written agreement between the Department and a provider, PHP, clinic, or allied agency that provides or manages the provision of services, goods, or supplies to covered individuals and where the Department and a provider, PHP, clinic, or allied agency may exchange data. A contract specifically includes, without limitation, a Department provider enrollment agreement, fully capitated health plan managed care contract, dental care organization managed care contract, mental health organization managed care contract, chemical dependency organization managed care contract, physician care organization managed care contract, a county financial assistance agreement, or any other applicable written agreement, interagency agreement, intergovernmental agreement, or grant agreement between the Department and a provider, PHP, clinic, or allied agency.

(7) “Covered Entity” means a health plan, health care clearing house, health care provider, or allied agency that transmits any health information in electronic form in connection with a transaction, including direct data entry (DDE), and who must comply with the National Provider Identifier (NPI) requirements of 45 CFR 162.402 through 162.414.

## ADMINISTRATIVE RULES

(8) "Covered Individual" means individuals who are eligible for payment of certain services or supplies provided to them or their eligible dependents by or through a provider, PHP, clinic, or allied agency under the terms of a contract applicable to a governmental program for which the Department processes or administers data transmissions.

(9) "Data" means a formalized representation of specific facts or concepts suitable for communication, interpretation, or processing by individuals or by automatic means.

(10) "Data Transmission" means the transfer or exchange of data between the Department and a web portal or electronic data interchange (EDI) submitter by means of an information system which is compatible for that purpose and includes without limitation, web portal, EDI, electronic remittance advice (ERA), or electronic media claims (EMC) transmissions.

(11) "Department" means the Department of Human Services.

(12) "Department Network and Information Systems" means the Department's computer infrastructure that provides personal communications, confidential information, regional, wide area and local networks, and the internetworking of various types of networks on behalf of the Department.

(13) "Direct Data Entry (DDE)" means the process using dumb terminals or computer browser screens where data is directly keyed into a health plan's computer by a provider or its agent, such as through the use of a web portal.

(14) "Electronic Data Interchange (EDI)" means the exchange of business documents from application to application in a federally mandated format or, if no federal standard has been promulgated, using bulk transmission processes and other formats as the Department designates for EDI transactions. For purposes of these rules (OAR 407-120-0100 through 407-120-0200), EDI does not include electronic transmission by web portal.

(15) "Electronic Data Interchange Submitter" means an individual or entity authorized to establish the electronic media connection with the Department to conduct an EDI transaction. An EDI submitter may be a trading partner or an agent of a trading partner.

(16) "Electronic Media" means electronic storage media including memory devices in computers or computer hard drives; any removable or transportable digital memory medium such as magnetic tape or disk, optical disk, or digital memory card; or transmission media used to exchange information already in electronic storage media. Transmission media includes but is not limited to the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable or transportable electronic storage media. Certain transmissions, including paper via facsimile and voice via telephone, are not considered transmissions by electronic media because the information being exchanged did not exist in electronic form before transmission.

(17) "Electronic Media Claims (EMC)" means an electronic media means of submitting claims or encounters for payment of services or supplies provided by a provider, PHP, clinic, or allied agency to a covered individual.

(18) "Electronic Remittance Advice (ERA)" means an electronic file in X12 format containing information pertaining to the disposition of a specific claim for payment of services or supplies rendered to covered individuals which are filed with the Department on behalf of covered individuals by providers, clinics, or allied agencies. The documents include, without limitation, the provider name and address, individual name, date of service, amount billed, amount paid, whether the claim was approved or denied, and if denied, the specific reason for the denial. For PHPs, the remittance advice file contains information on the adjudication status of encounter claims submitted.

(19) "Electronic Data Transaction (EDT)" means a transaction governed by the Health Insurance Portability and Accountability Act (HIPAA) transaction rule, conducted by either web portal or EDI.

(20) "Envelope" means a control structure in a mutually agreed upon format for the electronic interchange of one or more encoded data transmissions either sent or received by an EDI submitter or the Department.

(21) "HIPAA Transaction Rule" means the standards for electronic transactions at 45 CFR Part 160 and 162 (version in effect on January 1, 2008) adopted by the Department of Health and Human Services (DHHS) to implement the Health Insurance Portability and Accountability Act of 1996, 42 USC 1320d et. seq.

(22) "Incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of an information system or information asset including but not limited to unauthorized disclosure of information, failure to protect user IDs, and theft of computer equip-

ment using or storing Department information assets or confidential information.

(23) "Individual User Profile (IUP)" means Department forms used to authorize a user, identify their job assignment, and the required access to the Department's network and information system. It generates a unique security access code used to access the Department's network and information system.

(24) "Information Asset" means all information, also known as data, provided through the Department, regardless of the source, which requires measures for security and privacy of the information.

(25) "Information System" means an interconnected set of information resources under the same direct management control that shares common functionality. A system normally includes hardware, software, information, data, applications, communications, and trained personnel necessary for successful data transmission.

(26) "Lost or Indecipherable Transmission" means a data transmission which is never received by or cannot be processed to completion by the receiving party in the format or composition received because it is garbled or incomplete, regardless of how or why the message was rendered garbled or incomplete.

(27) "Mailbox" means the term used by the Department to indicate trading partner-specific locations on the Department's secure file transfer protocol (SFTP) server to deposit and retrieve electronic data identified by a unique Department assigned trading partner number.

(28) "Password" means the alpha-numeric codes assigned to an EDI submitter by the Department for the purpose of allowing access to the Department's information system, including the web portal, for the purpose of successfully executing data transmissions or otherwise carrying out the express terms of a trading partner agreement or provider enrollment agreement and these rules.

(29) "Personal Identification Number (PIN)" means the alpha-numeric codes assigned to web portal submitters by the Department for the purpose of allowing access to the Department's information system, including the web portal, for the purpose of successfully executing DDE, data transmissions, or otherwise carrying out the express terms of a trading partner agreement, provider enrollment agreement, and these rules.

(30) "Prepaid Health Plan (PHP) or Plan" means a managed health care, dental care, chemical dependency, physician care organization, or mental health care organization that contracts with the Department on a case managed, prepaid, capitated basis under the Oregon Health Plan (OHP).

(31) "Provider" means an individual, facility, institution, corporate entity, or other organization which supplies or provides for the supply of services, goods or supplies to covered individuals pursuant to a contract, including but not limited to a provider enrollment agreement with the Department. A provider does not include billing providers as used in the Division of Medical Assistance (DMAP) general rules. DMAP billing providers are defined in these rules as agents, except for DMAP billing providers that are clinics.

(32) "Provider Enrollment Agreement" means an agreement between the Department and a provider for payment for the provision of covered services to covered individuals.

(33) "Registered Transaction" means each type of EDI transaction applicable to a trading partner that must be registered with the Department before it can be tested or approved for EDI transmission.

(34) "Security Access Codes" means the alpha-numeric codes assigned by the Department to the web portal submitter or EDI submitter for the purpose of allowing access to the Department's information system, including the web portal, to execute data transmissions or otherwise carry out the express terms of a trading partner agreement, provider enrollment agreement, and these rules. Security access codes may include passwords, PINs, or other codes.

(35) "Source Documents" means documents or electronic files containing underlying data which is or may be required as part of a data transmission with respect to a claim for payment of charges for medical services or supplies provided to a covered individual, or with respect to any other transaction. Examples of data contained within a specific source document include but are not limited to an individual's name and identification number, claim number, diagnosis code for the services provided, dates of service, service procedure description, applicable charges for the services provided, and a provider's, PHP's, clinic's, or allied agency's name, identification number, and signature.

(36) "Standard" means a rule, condition, or requirement describing the following information for products, systems, or practices:

(a) Classification of components;

# ADMINISTRATIVE RULES

- (b) Specification of materials, performance, or operations; or
- (c) Delineation of procedures.

(37) "Standards for Electronic Transactions" mean a transaction that complies with the applicable standard adopted by DHHS to implement standards for electronic transactions.

(38) "Submitter" means a provider, PHP, clinic, or allied agency that may or may not have entered into a trading partner agreement depending upon whether the need is to exchange electronic data transactions or access the Department's web portal.

(39) "Transaction" means the exchange of data between the Department and a provider using web portal access or a trading partner using electronic media to carry out financial or administrative activities.

(40) "Trade Data Log" means the complete written summary of data and data transmissions exchanged between the Department and an EDI submitter during the period of time a trading partner agreement is in effect and includes but is not limited to sender and receiver information, date and time of transmission, and the general nature of the transmission.

(41) "Trading Partner" means a provider, PHP, clinic, or allied agency that has entered into a trading partner agreement with the Department in order to satisfy all or part of its obligations under a contract by means of EDI, ERA, or EMC, or any other mutually agreed means of electronic exchange or transfer of data.

(42) "Trading Partner Agreement (TPA)" means a specific written request by a provider, PHP, clinic, or allied agency to conduct EDI transactions that governs the terms and conditions for EDI transactions in the performance of obligations under a contract. A provider, PHP, clinic, or allied agency that has executed a TPA will be referred to as a trading partner in relation to those functions.

(43) "User" means any individual or entity authorized by the Department to access network and information systems or information assets.

(44) "User Identification Security (UIS)" means a control method required by the Department to ensure that only authorized users gain access to specified information assets. One method of control is the use of passwords and PINs with unique user identifications.

(45) "Web Portal" means a site on the World Wide Web that typically provides secure access with personalized capabilities to its visitors and a pathway to other content designed for use with the Department's specific DDE applications.

(46) "Web Portal Submitter" means an individual or entity authorized to establish an electronic media connection with the Department to conduct a DDE transaction. A web portal submitter may be a provider or a provider's agent.

### Scope and Sequence of Electronic Data Transmission Rules

(1) The Department communicates with and receives communications from its providers, PHPs, and allied agencies using a variety of methods appropriate to the services being provided, the nature of the entity providing the services, and constantly changing technology. These rules describe some of the basic ways that the Department will exchange data electronically. Additional details may be provided in the Department's access control rules, provider-specific rules, or the applicable contract documents.

(2) Access to eligibility information about covered individuals may occur using one or more of the following methods:

- (a) Automated voice response, via a telephone;
- (b) Web portal access;
- (c) EDI submitter access; or
- (d) Point of sale (POS) for pharmacy providers.

(3) Claims for which the Department is responsible for payment or encounter submissions made to the Department may occur using one or more of the following methods:

(a) Paper, using the form specified in the provider specific rules and supplemental billing guidance. Providers may submit paper claims, except that pharmacy providers are required to use the POS process for claims submission and PHPs are required to use the 837 electronic formats;

- (b) Web portal access;
- (c) EDI submitter access; or
- (d) POS for pharmacy providers.

(4) Department informational updates, provider record updates, depository for PHP reports, or EDT as specified by the Department for contract compliance.

(5) Other Department network and information system access is governed by specific program requirements, which may include but is not limited to IUP access. Affected providers, PHPs, and allied agencies will be separately instructed about the access and requirements. Incidents are subject to these rules.

(6) Providers and allied agencies that continue to use only paper formats for claims transactions are only subject to the confidentiality and security rule, OAR 407-120-0170.

### Provider Enrollment Agreement

(1) When a provider applies to enroll, the application form will include information about how to participate in the web portal for use of DDE and automated voice response (AVR) inquiries. The enrollment agreement will include a section describing the process that will permit the provider, once enrolled, to participate in DDE over the Internet using the secure Department web portal. This does not include providers enrolled through the use of the DMAP 3108 Managed Care Plan and FFS Non Paid Provider Application.

(2) When the provider number is issued by the Department, the provider will also receive two PINs: one that may be used to access the web portal and one that may be used for AVR.

(a) If the PINs are not activated within 60 days of issuance, the Department will initiate a process to inactivate the PIN. If the provider wants to use PIN-based access to the web portal or AVR after deactivation, the provider must submit an update form to obtain another PIN.

(b) Activating the PIN will require Internet access and the provider must supply security data that will be associated with the use of the PIN.

(c) Providers using the PIN are responsible for protecting the confidentiality and security of the PIN pursuant to OAR 407-120-0170.

### Testing — EDI Transactions

(1) When a trading partner or authorized EDI submitter registers an EDI transaction with the Department, the Department may require testing before authorizing the transaction. Testing may include third party and business-to-business testing. An EDI submitter must be able to demonstrate its capacity to send and receive each transaction type for which it has registered. The Department will reject any EDI transaction if an EDI submitter either refuses or fails to comply with the Department testing requirements.

(2) The Department may require EDI submitters to complete compliance testing at an EDI submitter's expense for each transaction type if either the Department or an EDI submitter has experienced a change to hardware or software applications by entering into business-to-business testing.

(3) When third party or business-to-business testing is completed to the Department's satisfaction, the Department will notify an EDI submitter that it will register and accept the transactions in the production environment. This notification authorizes an EDI submitter to submit the registered EDI transactions to the Department for processing and response, as applicable. If there are any changes in the trading partner or EDI submitter authorization, profile data or EDI registration information on file with the Department, updated information must be submitted to the Department as required in OAR 407-120-0190.

(4) Testing will be conducted using secure electronic media communications methods.

(5) An EDI submitter may be required to re-test with the Department if the Department format changes or if the EDI submitter format changes.

# ADMINISTRATIVE RULES

## 407-120-0200

### Department System Administration

(1) No individual or entity shall be registered to conduct a web portal or an EDI transaction with the Department except as authorized under these rules. Eligibility and continued participation as a provider, PHP, allied agency, or web portal submitter in the conduct of DDE transactions, or as a trading partner or EDI submitter in the conduct of registered transactions, is conditioned on the execution and delivery of the documents required in these rules, the continued accuracy of that information consistent with OAR 407-120-0190, and compliance with a requirements of these rules. Data, including confidential information, governed by these rules may be used for purposes related to treatment, payment, and health care operations and for the administration of programs or services by the Department.

(2) In addition to the requirements of section (1) of this rule, in order to qualify as a trading partner:

(a) An individual or entity must be a Department provider, PHP, clinic, or allied agency pursuant to a current valid contract; and

(b) A provider, PHP, clinic, or allied agency must have submitted an executed TPA and all related documentation, including the application for authorization, that identifies and authorizes an EDI submitter.

(3) In addition to the requirements of section (1) of this rule, in order to qualify as an EDI submitter:

(a) A trading partner must have identified the individual or entity as an authorized EDI submitter in the application for authorization;

(b) If a trading partner identifies itself as an EDI submitter, the application for authorization must include the information required in the "Trading Partner Authorization of EDI Submitter" and the "EDI Submitter Information"; and

(c) If a trading partner uses an agent as an EDI submitter, the application for authorization must include the information described in section (3)(b) and the signed EDI submitter certification.

(4) The EDI registration process described in these rules provides the Department with essential profile information that the Department may use to confirm that a trading partner or EDI submitter is not otherwise excluded or disqualified from submitting EDI transactions to the Department.

(5) Nothing in these rules or a TPA prevents the Department from requesting additional information from a trading partner or an EDI submitter to determine their qualifications or eligibility for registration as a trading partner or EDI submitter.

(6) The Department shall deny a request for registration as a trading partner or for authorization of an EDI submitter or an EDI registration if it finds any of the following:

(a) A trading partner or EDI submitter has substantially failed to comply with the applicable administrative rules or laws;

(b) A trading partner or EDI submitter has been convicted of (or entered a plea of nolo contendere) a felony or misdemeanor related to a crime or violation of federal or state public assistance laws or privacy statutes or regulations;

(c) A trading partner or EDI submitter is excluded from participation in the Medicare program, as determined by the DHHS secretary; or

(d) A trading partner or EDI submitter fails to meet the qualifications as a trading partner or EDI submitter.

(7) Failure to comply with these rules, trading partner agreement, or EDI submitter certification or failure to provide accurate information on an application or certification may also result in sanctions and payment recovery pursuant to applicable Department program contracts or rules.

(8) For providers using the DDE submission system by the Department web portal, failure to comply with the terms of these rules, a web portal registration form, or failure to provide accurate information on the registration form may result in sanctions or payment recovery pursuant to the applicable Department program contracts or rules.

**Subject:** These rules about enhanced supervision and supervision planning are being changed because the Department is clarifying the structure in which decisions regarding level of care payments are made for guardianship assistance and adoption assistance. These rules are also being amended to fully implement the Fostering connection to Success and Increasing Adoptions Act of 2008 (122 Stat. 3949-3981) that provide for guardianship assistance payments and adoption assistance payments for eligible children up to age 21. These rules are also being amended to explain the Department's responsibility for decision-making in level of care payments. Most of these rule changes make permanent changes adopted by temporary rule on June 30, 2011.

OAR 413-020-0200 about the purpose of the Department's rules (OAR 413-020-0200 to 413-020-0255) regarding the Department's responsibilities regarding enhanced supervision is being amended to clarify the purpose of the rules.

OAR 413-020-0210 about the definitions of key terms used in these rules is being amended to add current and remove and revise outdated definitions of certain terms used throughout these rules.

OAR 413-020-0230 about the referral for and review of the CANS screening is being amended to restate the referral and review of CANS screenings for children and young adults in substitute care and children and young adults receiving or about to receive guardianship assistance or adoption assistance.

OAR 413-020-0233 about when a supervision plan is required is being amended to restate when a supervision plan is or is not required subsequent to determination that a child needs enhanced supervision.

OAR 413-020-0236 is being amended to restate the Department responsibilities for supervision plans and use of physical restraint.

OAR 413-020-0240 is being amended to restate the limitations and reporting requirements when a physical restraint is used.

OAR 413-020-0245 is being amended to restate the monitoring responsibilities of the Department when a child or young adult has a supervision plan.

OAR 413-020-0255 is being amended to restate training required for planned use of physical restraint.

In addition, the above rules may also be changed to reflect new Department terminology and to correct formatting and punctuation.

## 413-020-0200

### Purpose

The purpose of these rules (OAR 413-020-0200 to 413-020-0255), is to describe the responsibilities of the Department to:

(1) Identify the supervision needs of a child or young adult in substitute care with a certified family;

(2) Develop a supervision plan describing the actions and activities provided by a certified family, the Department, and other individuals to meet the child or young adult's need for enhanced supervision;

(3) Describe the responsibilities of the certified family and the Department when physical restraint is used;

(4) Monitor the completion of behavior and crisis management training when physical restraint is included in a child or young adult's supervision plan; and

(5) Conduct a CANS screening during the negotiation of guardianship assistance pursuant to OAR 413-070-0900 through 413-070-0974 or negotiation of adoption assistance pursuant to OAR 413-130-0000 through 413-130-0130.

# ADMINISTRATIVE RULES

## 413-020-0210

### Definitions

The following definitions apply to OAR 413-020-0200 to 413-020-0255:

(1) "Adoption assistance agreement" means a written agreement, binding on the parties to the agreement, between the Department and the pre-adoptive family or adoptive family of an eligible child or young adult, setting forth the assistance the Department is to provide on behalf of the child or young adult, the responsibilities of the pre-adoptive family or adoptive family and the Department, and the manner in which the agreement and amount of assistance may be modified or terminated.

(2) "Adoptive family" means an individual or individuals who have legalized a parental relationship to the child through a judgment of the court.

(3) "BRS" means Behavior Rehabilitation Services, a Medicaid funded program that provides behavioral intervention, counseling, or skill building services in a professional, shelter, or residential (including therapeutic foster care formerly referred to as proctor care) placement setting.

(4) "CANS screener" means an individual, who performs CANS screenings under the supervision of the Level of Care Manager, under a contract with the Department, and who annually completes the training in the use of the Oregon CANS Comprehensive Screening Tool with a documented reliability score of 0.70 or greater.

(5) "CANS screening" means Child and Adolescent Needs and Strengths screening, a process of gathering information on a child or young adult's needs and strengths used for one or more of the following purposes:

(a) Identifying case planning, service planning, and supervision needs of the child or young adult in substitute care with a certified family;

(b) Determining the level of care payment while in substitute care with a certified family; and

(c) Determining the level of care payment included in an adoption assistance agreement or guardianship assistance agreement.

(6) "Certified family" means an individual or individuals who hold a current Certificate of Approval from the Department to operate a home to provide care, in the home in which he or she resides, to a child or young adult in the care or custody of the Department.

(7) "Certifier" means a Child Welfare employee who conducts assessments of applicants interested in providing relative or foster care to a child or young adult in the care or custody of the Department, determines whether or not to recommend approval of the operation of a relative care or foster home, and monitors the compliance of a relative care or foster care home with Child Welfare certification rules.

(8) "Child" means a person under 18 years of age.

(9) "Department" means Department of Human Services, Child Welfare.

(10) "Enhanced supervision" means the additional support, direction, observation, and guidance necessary to promote and ensure the safety and well-being of a child or young adult when the child or young adult qualifies for a level of care payment.

(11) "Foster parent" means an individual who operates a home that has been approved by the Department to provide care for an unrelated child or young adult placed in the home by the Department.

(12) "Guardian" means an individual who has been granted guardianship of the child through a judgment of the court.

(13) "Guardianship assistance" means assistance provided on behalf of an eligible child or young adult to offset the costs associated with establishing the guardianship and meeting the ongoing needs of the child or young adult. Guardianship assistance may be in the form of payments, medical coverage or reimbursement of nonrecurring guardianship expenses.

(14) "Guardianship assistance agreement" means a written agreement, binding on the parties to the agreement, between the Department and the guardian of an eligible child or young adult setting forth the assistance the Department is to provide on behalf of the child or young adult, the responsibilities of the guardian and the Department, and the manner in which the agreement and amount of assistance may be modified or terminated.

(15) "Level of care payment" means the payment provided to an approved or certified family, a guardian, a pre-adoptive family or an adoptive family based on the child or young adult's need for enhanced supervision as determined by applying the CANS algorithm to the results of the CANS screening.

(16) "Mechanical restraint" means the use of any physical device to involuntarily restrain the movement of all or a portion of a child's body as a means of controlling his or her physical activities in order to protect the

child or other persons from injury. Mechanical restraint does not apply to movement restrictions stemming from medicinal, dental, diagnostic, or surgical procedures which are based on widely accepted, clinically appropriate methods of treatment by qualified professionals operating within the scope of their licensure.

(17) "Participating tribe" means a federally recognized Indian tribe in Oregon with a Title IV E agreement with the Department.

(18) "Physical restraint" means the act of restricting a child or young adult's voluntary movement as an emergency measure to manage and protect the child or young adult or others from injury when no alternate actions are sufficient to manage the child or young adult's behavior. Physical restraint does not include temporarily holding a child or young adult to assist him or her or assure his or her safety, such as preventing a child from running onto a busy street.

(19) "Potential guardian" means an individual who:

(a) Has been approved by the Department or participating tribe to be a child's guardian; and

(b) Is in the process of legalizing the relationship to the child through the judgment of the court.

(20) "Pre-adoptive family" means an individual or individuals who:

(a) Has been selected to be a child's adoptive family; and

(b) Is in the process of legalizing the relationship to the child through the judgment of the court.

(21) "Relative caregiver" means an individual who operates a home that has been approved by the Department to provide care for a related child or young adult placed in the home by the Department.

(22) "Seclusion" means the involuntary confinement of a child alone in a specifically designed room from which the child is physically prevented from leaving.

(23) "Supervision plan" means a documented set of strategies that is developed to assist a relative caregiver or foster parent in providing the additional support, observation, direction, and guidance necessary to promote and ensure a child or young adult's safety and well-being.

(24) "Young adult" means a person aged 18 through 20 years.

## 413-020-0230

### Referral for and Review of the CANS Screening

(1) The caseworker of the child or young adult must complete a CANS screening referral:

(a) Within the first 20 days of a child's initial placement in substitute care with a certified family;

(b) Unless subsection (d) of this section applies, ten months from the date of the most recent CANS screening and annually thereafter when the child or young adult has continuously lived with a certified family and the certified family has received a level of care payment; and

(c) Unless subsection (d) of this section applies, five business days after a child or young adult, whose initial placement in substitute care was a BRS placement, moves to the home of a certified family.

(d) When a child's permanency plan is adoption or guardianship and the caseworker has submitted an adoption assistance application or a guardianship assistance application, the caseworker must consult with the Adoption Assistance and Guardianship Assistance Unit prior to submitting a referral.

(2) After consultation with and approval of a supervisor, the caseworker of a child or young adult may complete and submit to the Level of Care Manager a CANS screening referral under any of the following circumstances unless subsection (1)(d) of this rule applies:

(a) When a child or young adult currently living with a certified family has never had a CANS screening and is currently exhibiting ongoing behavior or functioning that may indicate the need for enhanced supervision and a level of care payment;

(b) When a child or young adult returns to a placement with a certified family after a BRS placement of six months or longer;

(c) When a child or young adult is living with a certified family and the certified family has observed ongoing, documented changes in behavior or functioning which --

(A) Have not improved after a revision of the supervision actions and activities provided by the certified family and other individuals; or

# ADMINISTRATIVE RULES

(B) Endanger the safety of the child or young adult or the safety of others.

(3) An adoption assistance coordinator or guardianship assistance coordinator may complete and submit a CANS screening referral to the Level of Care Manager under the following circumstances:

(a) Written documentation of the current behavior and functioning of the child or young adult has been submitted to the adoption assistance and guardianship assistance coordinator by one of the following individuals:

(A) An adoptive family of the child or young adult, regardless of whether there has been a previous CANS screening;

(B) A child's pre-adoptive family when the child is not in the legal custody of the Department;

(C) A guardian of the child or young adult, regardless of whether there has been a previous CANS screening; or

(D) A potential guardian of the child or young adult who has been approved by a participating tribe.

(b) The written documentation submitted under subsection (a) of this section demonstrates ongoing behavior or functioning indicating the need for enhanced supervision and a level of care payment, and one of the following apply:

(A) A CANS screening has never been completed;

(B) A CANS screening has not been completed within the past twelve months; or

(C) The child or young adult exhibits a significant, ongoing change in behavior since the CANS screening that was completed within the 12 month period following the previous CANS screening.

(4) The Level of Care Manager, within five business days of receipt of a CANS screening referral submitted under section (2) or (3) of this rule:

(a) May approve a CANS screening after reviewing the referral, if the child or young adult's behavior and functioning, as described in the referral, indicates a CANS screening is needed to assess the need for enhanced supervision and a level of care payment;

(b) Must notify the individual who submitted the CANS screening referral whether a CANS screening has been approved and the basis for the decision; and

(c) Must send an approved CANS screening referral to a CANS screener.

(5) A CANS screener, upon receipt of the CANS screening referral submitted under section (1) or section (4) of this rule must:

(a) Review the referral information;

(b) Contact the caseworker, when the child is in substitute care, to gather information about the child or young adult's strengths and needs;

(c) Contact the certified family, pre-adoptive family, adoptive family, potential guardian identified by a participating tribe, or guardian of the child or young adult and gather information about the child or young adult's strengths and needs;

(d) Contact the child or young adult and other individuals who provide services to the child or young adult as appropriate and gather sufficient information to understand the child or young adult's strengths and needs to complete the CANS screening; and

(e) When a child or young adult has current suicidal ideation or intent:

(A) Notify the child or young adult's caseworker or adoption or guardianship assistance coordinator and, if applicable, notify the pre-adoptive family, adoptive family, potential guardian, or guardian; and

(B) Immediately develop a supervision plan with the certified family when the child or young adult is in substitute care with a certified family.

(6) After the CANS screener has gathered information regarding the child or young adult's strengths and needs, as described in subsections (5)(a)-(d), the CANS screener rates each element of a child or young adult's behavior and functioning on a scale of zero to three, in a manner consistent with the principles of the Child and Adolescent Needs and Strengths Comprehensive Screening Tool appropriate for the child or young adult's age. The CANS screener documents the appropriate rating for each element and provides written explanation for any rating of either 2 or 3 on an element that is a need and any rating of 0 or 1 on an element that is a strength.

(a) When the child is five years old or younger, the CANS screener rates the child using the DHS 9601 - Child and Adolescent Needs and Strengths Comprehensive Screening Tool Ages Birth through Five, dated August 2009, and revised in June 2011, which by reference is incorporated in OAR 413-090-0010(2)(f)(A).

(b) When the child or young adult is six years old or older, the CANS screener rates the child or young adult using the DHS 9602 - Child and Adolescent Needs and Strengths Comprehensive Screening Tool ages Six through Twenty dated July, 2009, and revised in June 2011, which by reference is incorporated in OAR 413-090-0010(2)(f)(B).

(c) The Department maintains these documents on the Department's website. Printed copies of these documents may be obtained by contacting the Department of Human Services, Children, Adults and Families, ATTN: Level of Care Manager, 500 Summer Street NE, E-93, Salem, OR 97301.

(7) The CANS screener must complete the activities in sections (5) and (6) and submit the CANS screening results to the Level of Care Manager within fifteen business days following the receipt of the referral.

(8) Within ten business days of the receipt of the CANS screening results, the Level of Care Manager or designee:

(a) Reviews the CANS screening results;

(b) Contacts the CANS screener when results appear inconsistent with the referral information or documentation of a child or young adult's strengths and needs and may instruct the CANS screener to:

(A) Gather additional information;

(B) Reapply the CANS ratings; and

(C) Resubmit the CANS screening results.

(c) Approves the CANS screening results unless subsection (b) applies; and

(d) Applies the CANS algorithm which by reference is incorporated in OAR 413-090-0010(2)(f)(C) to the approved CANS screening results to determine whether:

(A) The child or young adult living with a certified family is eligible for a level of care payment and requires enhanced supervision; or

(B) The child or young adult eligible for adoption assistance or guardianship assistance is eligible for a level of care payment.

(9) The Level of Care Manager may approve a revision of the ratings of an approved CANS screening when new or different information relevant to the correct application of the CANS screening has been presented:

(a) In preparation for a contested case hearing requested under OAR 413-010-0500(2)(a)-(c):

(b) During an informal conference under OAR 413-010-0520; or

(c) During the renegotiation of an adoption assistance agreement under OAR 413-130-0075 or a guardianship assistance agreement under OAR 413-070-0969.

(10) The Level of Care Manager or designee sends the CANS screening results to the following individuals:

(a) The child or young adult's caseworker and the certified family, with whom the child or young adult is living, on behalf of the child or young adult; or

(b) The adoption assistance and guardianship assistance coordinator and child or young adult's pre-adoptive family, adoptive family, guardian or the potential guardian identified by a participating tribe.

(11) When the caseworker receives a child or young adult's CANS screening results, the caseworker must:

(a) Contact the certified family to review the CANS screening results;

(b) When the CANS screening results indicated the child or young adult currently has suicidal ideation or intent, review the supervision plan developed during the CANS screening no later than one business day after the receipt of the CANS screening results to determine whether the plan continues to be appropriate;

(c) Incorporate the needs and strengths identified in the CANS screening into the case plan; and

(d) Determine whether a supervision plan must be developed, modified, or terminated under OAR 413-020-0233 and 413-020-0236.

### When a Supervision Plan is Required

(1) The caseworker must develop a supervision plan with the certified family with whom the child or young adult lives within 30 days of:

(a) The receipt of the CANS screening results that indicates enhanced supervision is necessary to maintain the safety and support the well-being of the child or young adult and the child or young adult qualifies for a level of care payment; or

(b) When a child or young adult who has enhanced supervision needs and is receiving a level of care moves from one certified family to another certified family.

(2) A supervision plan is not required for a level of care payment included in an adoption assistance agreement or guardianship assistance agreement.

### Development, Documentation, and Termination of a Supervision Plan

(1) After the caseworker has reviewed the CANS screening results for a child or young adult living with a certified family that indicates the child or young adult has enhanced supervision needs and qualifies for a level of care payment, the caseworker must:

(a) Contact the certified family to explain the supervision needs identified in the CANS screening results; and

(b) During a meeting with the certified family, the child or young adult, as appropriate, and others who may participate in a supervision plan, explain the supervision requirements necessary to maintain the safety and support the well-being of the child or young adult and develop a supervision plan that meets the supervision needs of the child or young adult.

(A) If the child or young adult qualifies for Level 1 (moderate needs), the supervision plan must require the certified family to provide an environment with the additional support, direction, observation, and guidance from the certified family necessary to ensure a child or young adult's safety and well-being, beyond the level of supervision that typically is required for a child or young adult of the same age.

(B) If the child or young adult qualifies for Level 2 (intermediate needs), the supervision plan must require the certified family to provide a structured environment, additional support, direction, observation, and guidance necessary to ensure a child or young adult's safety and well-being, beyond the level of supervision that typically is required for a child or young adult of the same age.

(C) If the child or young adult qualifies for Level 3 (advanced needs), the supervision plan must require the certified family to provide a highly structured environment, additional support, direction, observation, and guidance necessary to ensure a child or young adult's safety and well-being, beyond the level of supervision that typically is required for a child or young adult of the same age.

(2) The supervision plan must include:

(a) The supervision actions or activities that are to be provided by the certified family and other individuals to meet the child or young adult's identified needs. Examples of appropriate supervision actions or activities may include, but are not limited to: proactive use of space, use of routine, structure of the environment, positive reinforcement, and de-escalation techniques;

(b) The actions and assistance the Department will provide to support the certified family in addressing the supervision needs of the child or young adult and to maintain the child or young adult in the home;

(c) The actions the child or young adult will take to support the supervision plan;

(d) The persons responsible for monitoring the child or young adult's supervision needs and the supervision actions and activities;

(e) How the persons responsible for monitoring the child or young adult's supervision needs and the supervision actions and activities are to communicate with each other; and

(f) A requirement that the supervision plan be reviewed during the first face-to-face contact described in OAR 413-080-0059(1)(c) after the date the supervision plan is signed by the individuals identified in section (3) of this rule.

(3) The supervision plan must be signed by:

(a) The caseworker;

(b) The certified family;

(c) The child or young adult, if able; and

(d) Any other individuals who are to provide specific actions or activities in the supervision plan.

(4) The supervision plan must be approved by the caseworker's supervisor.

(5) A supervision plan may include physical restraint as a supervision action or activity only if the certified family has completed the physical restraint training requirements described in OAR 413-020-0240.

(6) A supervision plan that authorizes a certified family to use physical restraint must:

(a) Focus on intervention strategies that are designed to modify a child or young adult's behavior without the need for physical restraint;

(b) Explain that a physical restraint is to be used only when the child or young adult's behavior poses an imminent danger to self or others, and when no alternate actions are sufficient to stop a child or young adult's behavior;

(c) Be approved by the Child Welfare program manager; and

(d) Require the certified family:

(A) To document and report the circumstances of each use of physical restraint in writing as soon as reasonably possible after the use of physical restraint on a form approved by the Department, which explains:

(i) The behavior that required the use of physical restraint;

(ii) The specific attempts to stop the child or young adult's behavior without the use of physical restraint;

(iii) The time the physical restraint started; and

(iv) The time the physical restraint ended.

(B) To orally report to the child or young adult's caseworker or the caseworker's supervisor within one business day of the physical restraint; and

(C) To submit the documentation required in paragraph (A) of this subsection to the child or young adult's caseworker within two business days after the use of physical restraint.

(7) The caseworker must provide a copy of the signed supervision plan to the certified family and the certified family's certifier, and file a copy in the Department's information system.

(8) When a child or young adult has a supervision plan and the CANS screening results indicate that the child or young adult no longer has enhanced supervision needs and no longer qualifies for a level of care payment, the caseworker must:

(a) Terminate the supervision plan;

(b) Document in the Department's information system the date the supervision plan terminated and the reason the plan terminated; and

(c) Notify the certified family and the certified family's certifier that the supervision plan terminated and the reason the plan terminated.

### Use of Physical Restraint

(1) A physical restraint may be used by a certified family when the behavior of a child or young adult places the child or young adult or others in imminent risk of harm and only when:

(a) Good judgment indicates that a physical restraint may safely be implemented; and

(b) The certified family has received the individual Behavior and Crisis Management Training in physical restraint specific to the supervision needs of the child or young adult by Department trained staff.

(2) Physical restraint must be implemented with the least force necessary to prevent the risk of harm to self or others and should end as soon as the risk of harm no longer exists.

(3) If the behavior of a child or young adult places the child or young adult or others in imminent risk of harm, and good judgment indicates that a physical restraint cannot be implemented safely, the certified family must call the local law enforcement agency to request intervention. The certified family must:

(a) Orally report the incident to the caseworker and the caseworker's supervisor as soon as reasonably possible;

(b) Document the incident in writing on a form approved by the Department; and

(c) Submit the completed form to the caseworker within two business days.

(4) If the child or young adult is injured during the incident, whether or not a physical restraint is used, the certified family immediately must notify the Department's emergency 24-hour contact.

(5) A certified family may not use mechanical restraint or seclusion of a child or young adult in an emergency or at any other time as a supervision action or activity.

(6) Notwithstanding the training required in OAR 413-020-0255, when a situation arises and the behavior of a child or young adult places the child or young adult or another individual in imminent risk of harm and if good judgment indicates that a physical restraint may safely be implemented, the certified family may use a physical restraint even when:

(a) The certified family has not attended Behavior and Crisis Management Training; or

(b) The child or young adult does not have a supervision plan.

(c) If physical restraint is used under this section, the certified family must document and report the incident in accordance with the requirements of OAR 413-020-0236(6)(c).

### Responsibilities in Monitoring a Child or Young Adult's Supervision in a Certified Family

(1) During each face-to-face contact described in OAR 413-080-0059, in addition to assessing the safety of the child or young adult, the caseworker must determine:

(a) Whether the certified family is meeting the supervision needs of the child or young adult.

(b) Whether the supervision needs of the child or young adult have changed.

(c) If there is a current supervision plan, whether the supervision actions and activities described in the supervision plan are effective in meeting the child or young adult's supervision needs.

(2) If, after assessing the safety of the child or young adult as described in OAR 413-080-0059(2)(a), the caseworker determines that the child or young adult currently is safe in the home but his or her supervision needs are not being met, the caseworker must:

(a) Consult with the certified family's certifier or the certifier's supervisor to determine if available resources or training are able to provide the additional support the certified family may need to meet the child or young adult's supervision needs;

(b) If there is a current supervision plan for the child or young adult, determine whether the supervision plan should be revised, and if so, meet with the certified family to revise the plan; and

(c) Determine whether there has been an observed, ongoing change in a child or young adult's behavior or functioning such that the observed changes must be documented and submitted with a CANS screening under referral OAR 413-020-0230(2).

(3) The caseworker documents the monitoring activities described in this rule in the Department's information system.

## 413-020-0255

### Training and the Planned Use of Physical Restraint

(1) The Department has approved and schedules Behavior and Crisis Management Training as the standard training curriculum for any certified family who requires training on crisis management. The training curriculum focuses on strengthening a certified family's supervision skills.

(2) Before implementing a supervision plan that authorizes a certified family to use physical restraint, the caseworker must:

(a) Consult with the certifier to confirm that the certified family has completed Behavior and Crisis Management Training; and

(b) Contact the Level of Care Manager to schedule the certified family to receive Behavior and Crisis Management Training, by Department-trained staff, in physical restraint specific to the supervision needs of the child or young adult.

(3) A foster care coordinator or designee may approve comparable behavior and crisis management training obtained by a certified family for a specific child or young adult in place of Behavior and Crisis Management Training if:

(a) The training was selected by a school district and used in the school; or

(b) The training was approved by the Department of Human Services, Addictions and Mental Health Division and used in a Children's Intensive Mental Health Treatment Services program.

**Subject:** OAR 413-070-0900 about the purpose is being amended to clarify the rule and to indicate that the rules now cover guardianship assistance that may be extended for certain young adults.

OAR 413-070-0905 about definitions of certain terms used in the guardianship assistance rules is being amended to add current and remove or revise outdated definitions of certain terms used through-out these rules.

OAR 413-070-0909 about funding of guardianship assistance is being amended to explain and update the funding sources for guardianship assistance, and indicate that new guardianship assistance will not be available for non-relative guardians.

OAR 413-070-0917 about eligibility is being amended to describe federal changes regarding establishment of guardianship assistance for a child placed outside of the United States, correct references, clarify caseworker duties regarding guardianship, set out sibling eligibility for guardianship assistance purposes, and describe the conditions for an extension of guardianship assistance on behalf of certain young adults. The temporary rule currently in place will be changed in the permanent rule to clarify the condition under which a child who is turning 18 and has a developmental disability may qualify for an extension of guardianship assistance.

OAR 413-070-0919 about eligibility and requirements for a child or young adult in the care or legal custody of a participating tribe is being amended to correct references, update terminology, and clarify requirements for child placement.

OAR 413-070-0925 about eligibility of a potential guardian is being amended to implement new federal education requirements for guardianship assistance and to remove what is now stated in Child Welfare Policy I-E.3.6.1, Guardianship as a Permanency Plan, OAR 413-070-0665(2).

OAR 413-070-0929 about determination of permanency plan for guardianship is being repealed because this topic is now covered in Child Welfare Policy I-E.3.6.1, Guardianship as a Permanency Plan, OAR 413-070-0651 to 413-070-0670.

OAR 413-070-0934 about application requirements and responsibilities is being amended to clarify Department responsibilities and situations that might delay the negotiation of guardianship assistance base rate.

OAR 413-070-0939 about guardianship assistance payments, medical assistance, and nonrecurring guardianship expenses is being amended to clarify and describe the guardianship assistance negotiation and review process. This rule is also being amended to describe requirements for medical assistance and social services, nonrecurring guardianship expenses, and overpayment responsibilities.

OAR 413-070-0944 about legal expenses of a guardian is being amended to clarify the legal expenses that are not authorized for reimbursement by the Department. This rule is also being amended to remove language about funding establishment of a guardianship because the topic is now covered in OAR 413-070-0949.

OAR 413-070-0949 about guardianship assistance agreement requirements is amended to more clearly explain what must be included in a guardianship assistance agreement and to indicate how this rule applies to young adults. The temporary rule currently in place will be changed in the permanent rule to indicate that guardianship assistance can continue when a child or young adult moves out of the guardian's home for school or work if the guardianship assistance agreement so states.

OAR 413-070-0959 about court order of guardianship and OAR 413-070-0964 about changes guardians must report and annual

# ADMINISTRATIVE RULES

reports guardian must provide are being amended to update and clarify these rules.

OAR 413-070-0964 about information guardians must report to the Department (and which was not amended by temporary rule) is being amended to clarify the circumstances and occurrences that a guardian needs to report to the Department.

OAR 413-070-0969 about renegotiation of a guardianship assistance agreement is being amended to update terminology and clarify the renegotiation process.

OAR 413-070-0970 about guardianship social support services is being amended to cover only topics that need to be in a rule.

OAR 413-070-0974 about review, adjustment, suspension, and termination of guardianship assistance is being amended to clarify the conditions under which guardianship assistance may be reviewed by the Department and how changes or termination of that agreement are made. This rule is also being amended to set out how this rule applies to a young adult who has an extension of guardianship assistance. The temporary rule currently in place will be changed in the permanent rule to more fully explain the conditions under which a guardianship assistance agreement may be reviewed, adjusted, suspended, terminated, and expire.

OAR 413-070-0979 about the guardianship assistance review committee and appeals procedure is being repealed because this topic is now covered in OAR 413-070-0939.

These rules are also being amended to make permanent the temporary rule changes adopted June 30, 2011.

In addition, the above rules may also be changed to reflect new Department terminology and to correct formatting and punctuation.

## 413-070-0900

### Purpose

(1) The purpose of these rules, OAR 413-070-0900 to 413-070-0974, is to describe Department criteria for program eligibility and receipt of guardianship assistance for:

(a) A child in the care or custody of the Department or a participating tribe;

(b) A young adult on whose behalf an initial guardianship assistance agreement was entered into when the young adult was a child of age 16 or 17; or

(c) A young adult who qualifies for disability services and on whose behalf an initial guardianship assistance agreement was entered into when the young adult was a child.

(2) The State of Oregon is not responsible for guardianship assistance for a child or young adult placed for guardianship in Oregon by a public child welfare agency other than the Department.

## 413-070-0905

### Definitions

The following definitions apply to OAR 413-070-0900 to 413-070-0974:

(1) “Base rate payment” means a payment to the foster parent or relative caregiver for the costs of providing the child or young adult with the following:

(a) Food — including the cost to cover a child or young adult’s special or unique nutritional needs;

(b) Clothing — including purchase and replacement;

(c) Housing — including maintenance of household utilities, furnishings, and equipment;

(d) Daily supervision — including teaching and directing to ensure safety and well-being at a level which is appropriate based on the child or young adult’s chronological age;

(e) Personal incidentals — including personal care items, entertainment, reading materials, and miscellaneous items; and

(f) The cost of providing transportation — including local travel associated with expenditure for gas and oil, and vehicle maintenance and repair

associated with transportation to and from extracurricular, child care, recreational, and cultural activities.

(2) “CANS screening” means Child and Adolescent Needs and Strengths screening, a process of gathering information on a child or young adult’s needs and strengths used for one or more of the following purposes:

(a) Identifying case planning, service planning, and supervision needs of the child or young adult in substitute care with a certified family;

(b) Determining the level of care payment while in substitute care with a certified family; and

(c) Determining the level of care payment included in an adoption assistance agreement or guardianship assistance agreement.

(3) “Child” means a person under 18 years of age.

(4) “Department” means the Department of Human Services, Child Welfare.

(5) “Enhanced supervision” means the additional support, direction, observation, and guidance necessary to promote and ensure the safety and well-being of the child or young adult when the child or young adult qualifies for a level of care payment.

(6) “Guardian” means an individual who has been granted guardianship of a child through a judgment of the court.

(7) “Guardianship assistance” means assistance on behalf of an eligible child or young adult to offset the costs associated with establishing the guardianship and meeting the ongoing needs of the child or young adult. Guardianship assistance may be in the form of a payment, medical coverage, or reimbursement of guardianship expenses.

(8) “Guardianship assistance agreement” means a written agreement, binding on the parties to the agreement, between the Department and the potential guardian or guardian setting forth the assistance the Department is to provide on behalf of the child or young adult, the responsibilities of the guardian and the Department, and the manner in which the agreement and amount of assistance may be modified or terminated.

(9) “Guardianship assistance agreement only” means a written agreement, binding on the parties to the agreement, between the Department and the potential guardian or guardian of an eligible child or young adult, when the potential guardian or guardian is not receiving a guardianship assistance payment or medical coverage at the time of the agreement but may request it at a later date.

(10) “Guardianship assistance base rate” means the portion of the guardianship assistance payment that is negotiated with the potential guardian or guardian and cannot exceed the amount of the Oregon foster care base rate payment for the child or young adult’s age.

(11) “Guardianship assistance payment” means a monthly payment made by the Department to the guardian on behalf of the eligible child or young adult.

(12) “Guardianship Assistance Review Committee” means a committee composed of local and central office staff who have expertise in the area of guardianship.

(13) “Level of care payment” means the payment provided to an approved or certified family, a guardian, a pre-adoptive family, or an adoptive family based on the child or young adult’s need for enhanced supervision as determined by applying the CANS algorithm to the results of the CANS screening.

(14) “Nonrecurring guardianship assistance agreement” means a written agreement, binding on the parties to the agreement, between the Department and the potential guardian of an eligible child for a one-time payment to reimburse the guardian for the reasonable and necessary expenses incurred in legally finalizing the guardianship.

(15) “Nonrecurring guardianship expenses” means a one-time payment of up to \$2,000 per child which the Department will make to a guardian to assist with the reasonable and necessary expenses associated with obtaining legal guardianship of an eligible child.

(16) “Parent” means the biological or adoptive mother or the legal father of the child. A legal father is a man who has adopted the child or whose paternity has been established or declared under ORS 109.070, ORS 416.400 to 416.465, or by a juvenile court. In cases involving an Indian child under the Indian Child Welfare Act (ICWA), a legal father includes a man who is a father under applicable tribal law. “Parent” also includes a putative father who has demonstrated a direct and significant commitment to the child by assuming or attempting to assume responsibilities normally associated with parenthood unless a court finds that the putative father is not the legal father.

(17) “Participating tribe” means a federally recognized Indian tribe in Oregon with a Title IV E agreement with the Department.

(18) “Permanency Committee” means a group of individuals who are responsible for making a recommendation regarding a permanency plan or

# ADMINISTRATIVE RULES

potential permanency resource when the child or young adult likely is not returning to his or her parent.

(19) "Potential guardian" means an individual who:

(a) Has been approved by the Department or participating tribe to be a child's guardian; and

(b) Is in the process of legalizing the relationship to the child through the judgment of the court.

(20) "Registered Domestic Partner" means an individual joined in a domestic partnership that is registered with a county clerk in accordance with ORS 106.300 to 106.340.

(21) "Relative" means:

(a) An individual with one of the following relationships to the child or young adult through the child or young adult's parent:

(A) Any blood relative of preceding generations denoted by the prefixes of grand, great, or great-great.

(B) Any half-blood relative of preceding generations denoted by the prefixes of grand, great, or great-great (individuals with one common biological parent are half-blood relatives).

(C) A sibling, also to include an individual with a sibling relationship to the child through a putative father.

(D) An aunt, uncle, nephew, niece, first cousin, and first cousin once removed.

(E) A spouse of anyone listed in paragraphs (A) to (D) of this subsection, even if a petition for annulment, dissolution, or separation has been filed or the marriage is terminated by death or divorce. To be considered a relative under this paragraph, the child or young adult must have had a relationship with the spouse prior to the child or young adult entering substitute care.

(F) For the purposes of an international adoption, relative means an individual described in paragraphs (A) to (D) of this subsection.

(b) An individual with one of the following relationships to the child or young adult:

(A) An individual defined as a relative by the law or customs of the child or young adult's tribe if the child or young adult is an Indian child under the Indian Child Welfare Act or in the legal custody of a tribe.

(B) An individual defined as a relative of a refugee child or young adult under Child Welfare Policy I-E.2.2, "Placement of Refugee Children," (OAR 413-070-0300 to OAR 413-070-0380).

(C) A stepparent described in OAR 413-100-0020(25)(e) or a former stepparent if the child or young adult had a relationship with the former stepparent prior to the child or young adult entering substitute care; a stepbrother, or a stepsister.

(D) The Registered Domestic Partner of the child or young adult's parent or former Registered Domestic Partner of the child or young adult's parent if the child or young adult had a relationship with the former domestic partner prior to the child or young adult entering substitute care.

(E) The adoptive parent of a child or young adult's sibling.

(F) The unrelated legal or biological father or mother of a child's half-sibling when the child's half-sibling is living with the unrelated legal or biological father or mother.

(c) An individual identified by the child or young adult or the child or young adult's family, or an individual who self-identifies, related to the child or young adult through the child or young adult's parent by blood, adoption, or marriage to a degree other than an individual specified as a child or young adult's relative in paragraphs (A) to (D) of subsection (a) of this section.

(d) An individual, although not related by blood, adoption, or marriage, identified as:

(A) A member of the family by the child or young adult or the child or young adult's family; and

(B) Who had an emotionally significant relationship with the child or young adult or the child or young adult's family prior to the time the Department placed the child in substitute care.

(e) For the purposes of these rules, OAR 413-070-0900 to 413-070-0974:

(A) A stepparent is considered a parent and is not a relative under these rules unless a petition for annulment, dissolution, or separation has been filed, or the marriage to the child's adoptive or biological parent has been terminated by divorce or death:

(B) A foster parent may be considered a relative under these rules when:

(i) There is a compelling reason why adoption is not an achievable permanency plan;

(ii) The foster parent is currently caring for a child in the legal custody of the Department who has a permanency plan or concurrent permanency plan of guardianship;

(iii) The foster parent has cared for the child for at least the past 12 consecutive months; and

(iv) A Permanency Committee has recommended the foster parent for consideration as a guardian.

(22) "Sibling" means one of two or more children or young adults related:

(a) By blood or adoption through a common legal parent;

(b) Through the marriage of the children or young adults' legal or biological parents; or

(c) Through a legal or biological parent who is the Registered Domestic Partner of the children or young adults' legal or biological parent.

(23) "Substitute care" means the out-of-home placement of a child or young adult who is in the legal or physical custody and care of the Department.

(24) "Substitute caregiver" means a relative caregiver, foster parent, or provider authorized to provide care to a child or young adult in the legal or physical custody of the Department.

(25) "Young adult" means a person aged 18 through 20 years.

### Funding of Guardianship Assistance

(1) Non-relative guardianship assistance established under the Title IV-E Waiver Project implemented July 1, 1997 under the Adoption and Safe Families Act of 1997 was funded by Title IV-E waiver funds until January 1, 2011. As of that time, Oregon general funds provided monies for non-relative guardianship assistance established under the waiver. Funding is no longer available for the establishment of new non-relative guardianship assistance, except as described in section (2) of this rule.

(2) When grandparents or other approved relatives make a permanent commitment to and assume legal guardianship of a child for whom they have cared as a substitute caregiver, the Department provides guardianship assistance as described in these rules (OAR 413-070-0900 to 413-070-0974).

(3) Effective January 1, 2009, guardianship assistance for Title IV-E children or young adults is funded in part with Title IV-E funds as authorized by the Fostering Connections to Success and Increasing Adoptions Act of 2008 (Public Law 110-351).

### Eligibility

(1) Eligibility: Child.

(a) Guardianship assistance will not be established for a child placed outside of the United States or a territory or possession thereof.

(b) A guardianship assistance agreement must be signed by the potential guardian and a Department representative before guardianship has been legally established by a state or participating tribal court.

(c) To be eligible for guardianship assistance, a child must meet all of the following:

(A) Be a United States citizen or qualified alien as described in OAR 413-100-0210(2) and in 8 USC 1641(b) or (c).

(B) Be removed from his or her home pursuant to a voluntary placement or as a result of a judicial determination that continuation in the home would be contrary to the welfare of the child.

(C) The Department or participating tribe has determined that neither return home nor adoption is an appropriate permanency option for the child.

(D) Be eligible for Title IV-E foster care maintenance payments during a six consecutive month period during which the child resided in the home of the potential guardian who was fully licensed, certified, or approved by the state or a participating tribe as meeting the licensure or certification requirements for a foster family home in the state where the home

# ADMINISTRATIVE RULES

is located. The Department determines a child's eligibility for a Title IV-E maintenance payment under Child Welfare Policy I-E.6.1, "Title IV-E Foster Care, Adoption Assistance and Guardianship Assistance Eligibility", OAR 413-100-0000 to 413-100-0345.

(E) Be in the Department's or participating tribe's legal custody for a minimum of:

(i) Six months, if the potential guardian is the child's relative as defined by OAR 413-070-0905(21)(a) through (d); or

(ii) Twelve months, if the potential guardian is a substitute caregiver who meets the definition of a relative under OAR 413-070-0905(21)(e)(B).

(F) Demonstrate a strong attachment to the potential guardian.

(G) Be consulted regarding the guardianship arrangement when the child has attained 14 years of age.

(2) When guardianship as a permanency plan has been approved, the caseworker must document each of the following in the child's case plan:

(a) How the child meets the eligibility requirements;

(b) The steps the Department has taken to determine that return to the home or adoption is not appropriate;

(c) The efforts the Department has made to discuss adoption with the child's relative caregiver and the reasons why adoption is not an option;

(d) The efforts the Department has made to discuss kinship guardianship with the child's parent or parents or the reasons why efforts were not made;

(e) The reason why a permanent placement with a potential relative guardian and receipt of a kinship guardian assistance payment is in the child's best interests; and

(f) The reasons for any separation of siblings during placement. If the child's placement with the potential relative guardian does not include siblings, the case plan must also include a description of the reasons why the child is separated from siblings during placement.

(3) Extension of Guardianship Assistance for a Young Adult.

(a) The Department may approve an extension of a guardianship assistance agreement for an individual under the age of 21 when the individual reaches the age of 18 on or after October 1, 2011 and meets paragraph (A) of this subsection, or when the individual reaches the age of 18 on or after June 30, 2011 and meets paragraph (B) of this subsection.

(A) An initial guardianship assistance agreement is entered into on behalf of a child and at the time of the child's 18th birthday, he or she:

(i) Qualifies as an individual with a developmental disability as determined by the Oregon Department of Human Services, Developmental Disabilities Services;

(ii) Qualifies as an individual with a developmental disability as determined by the equivalent developmental disability program if living in a state other than Oregon; or

(iii) Qualifies for Supplemental Security Income (SSI) as determined by the Social Security Administration.

(B) An initial guardianship assistance agreement is entered into on behalf of a child who is age 16 or 17 when the child, upon reaching the age of 18, is:

(i) Completing secondary school (or equivalent);

(ii) Enrolled in post-secondary or vocational school;

(iii) Participating in a program or activity that promotes or removes barriers to employment;

(iv) Employed for at least 80 hours a month; or

(v) Determined incapable of any of the above due to a documented medical condition, physical disability, or mental disability.

(b) In order for the extension of guardianship assistance as described in paragraph (a)(A) of this section to continue on behalf of a young adult, the guardian or potential guardian must submit to the Department, upon request and before the child's 18th birthday, documentation from the agency making the determination described in subparagraphs (a)(A)(i) to (iii) of this section.

(c) If an individual does not meet the requirements under subsection (a) of this section or the guardian or potential guardian does not submit the documentation before the individual's 18th birthday as required in subsection (b) of this section, the Department may not approve an extension of a guardianship assistance agreement.

(d) An extension of guardianship assistance approved pursuant to subsection (a) of this section will continue until the young adult turns 21 years old.

(e) In order for the extension of guardianship assistance as described in paragraph (a)(B) of this section to continue on behalf of a young adult, the guardian must submit to the Department, upon request:

(A) Proof that the young adult continues to be enrolled in a secondary, post-secondary, vocational school, or a program or activity that promotes or removes barriers to employment;

(B) Proof that the young adult is employed for at least 80 hours a month; or

(C) Verification from a medical or mental health professional that the young adult is incapable of attending school or obtaining employment due to a medical condition.

(f) The Department will review the eligibility of the young adult for continued guardianship assistance when an extension of guardianship assistance has been granted under subsection (a) of this section:

(A) At least annually; or

(B) When information is received that indicates the young adult may no longer be eligible for guardianship assistance or may be eligible for guardianship assistance in a different amount.

(g) The guardian must notify the Department, orally or in writing, of any changes in circumstances that may make the young adult:

(A) Ineligible for guardianship assistance; or

(B) Eligible for guardianship assistance in a different amount.

(4) Siblings. Each sibling of a child or young adult eligible for guardianship assistance is also eligible for guardianship assistance, without meeting the eligibility requirements set forth in paragraphs (1)(c)(B) to (F) of this rule, when:

(a) The sibling is placed in a guardianship with the same potential guardian or guardian, whether the siblings are placed at the same time or not; and

(b) The potential guardian or guardian and the Department agree that both of the following are appropriate:

(A) Placing the child's sibling in the home of the potential guardian or guardian; and

(B) Guardianship as a permanency plan for the sibling.

### Eligibility and Requirements for a Child or Young Adult in the Care or Custody of a Participating Tribe

(1) In addition to guardianship assistance program criteria under these rules, OAR 413-070-0900 to 413-070-0974, the following requirements apply to a child in the care or custody of a participating tribe:

(a) The child must be placed in a foster home approved by the participating tribe that meets the certification and licensing standards of the participating tribe; and

(b) The participating tribe must document how continued placement with the potential guardian is in the best interests of the child and meets the child's needs for safety and permanency.

(2) The participating tribe must:

(a) Conduct and prepare a written home study of the guardian;

(b) Have a current Title IV-E agreement with the Department which includes participation in the guardianship assistance program;

(c) Notify the Adoption Assistance and Guardianship Assistance Unit within 30 days after reestablishing custody of a child or young adult in a guardianship placement established under these rules, OAR 413-070-0900 to 413-070-0974; and

(d) Provide the Adoption Assistance and Guardianship Assistance Unit with a copy of the court order terminating the guardianship within 30 days of the termination, when applicable.

### Application Requirements

(1) Except as described in subsections (a) — (c) of this section, the Adoption Assistance and Guardianship Assistance Unit must begin negotiation of the guardianship assistance agreement no later than 60 days after receipt of the completed guardianship assistance application.

(a) The Department may delay negotiation of the guardianship assistance base rate when the child is due for an updated CANS screening, a new CANS screening is warranted, or a CANS screening is in process or completed but a decision is pending regarding the level of care payment under OAR 413-020-0230.

(b) When there are extenuating circumstances regarding the child or family, the Department may delay negotiation following a request by the caseworker, guardian, or potential guardian.

(c) When a guardianship assistance application is delayed, the Adoption Assistance and Guardianship Assistance Unit must begin negotiation of the guardianship assistance base rate no later than 30 days from receipt of the final decision regarding the level of care payment.

(2) A guardianship assistance application is considered complete when the Adoption Assistance and Guardianship Assistance Unit has received a signed application and all supporting documentation.

### Guardianship Assistance Payments, Medical Assistance, and Nonrecurring Guardianship Expenses

(1) When a guardianship assistance payment or medical assistance is not being provided, a potential guardian or guardian may enter into a guardianship assistance agreement only.

(2) The monthly guardianship assistance payment may not exceed the total of:

- (a) The guardianship assistance base rate; and
- (b) When applicable, the level of care payment determined by the CANS screening conducted under OAR 413-020-0230.

(3) The monthly guardianship assistance base rate:

(a) Is determined through discussion and negotiation between the Department and the potential guardian or guardian.

(b) May not exceed the current foster care base rate payment the child or young adult would be eligible to receive in foster care as determined by OAR 413-090-0010(1)(b).

(c) Is negotiated between the potential guardian of a child or guardian of a child or young adult and the Department, taking into consideration relevant factors which include, but are not limited to:

- (A) The ordinary and special needs of the child or young adult.
- (B) The services and goods required to meet the needs of the child or young adult.

(C) The cost of the services and goods required to meet the needs of the child or young adult.

(D) The circumstances of the potential guardian or guardian and their ability to provide the required services and goods for the child or young adult.

(E) The resources available to the potential guardian or guardian such as medical coverage, private health insurance, public education, other income sources, and community resources.

(F) A guardianship assistance payment may be reduced when other sources of income are received by the potential guardian or guardian or the child or young adult.

(d) Is intended to combine with the resources of the potential guardian or guardian to provide for the needs of the child or young adult.

(4) When, during negotiation of the guardianship assistance base rate payment, the Adoption Assistance and Guardianship Assistance Coordinator and the potential guardian or the guardian are unable to reach agreement, the Adoption Assistance and Guardianship Assistance Coordinator, the potential guardian, or the guardian may request a review by the Guardianship Assistance Review Committee. When a review is requested:

(a) An Adoption Assistance and Guardianship Assistance Coordinator must:

(A) Prepare documentation for the scheduled Guardianship Assistance Review Committee;

(B) Notify the potential guardian or guardian and the assigned caseworkers of the date of the committee; and

(C) Attend and participate in the Guardianship Assistance Review Committee.

(b) The potential guardian or guardian may provide written documentation to the Adoption Assistance and Guardianship Assistance Coordinator for review and consideration by the Guardianship Assistance Review Committee.

(c) The caseworker for the potential guardian and the caseworker for the child may participate in a Guardianship Assistance Review Committee meeting and may present information and respond to questions. The caseworkers may not participate in the deliberations of the Guardianship Assistance Review Committee.

(d) The Guardianship Assistance Review Committee members must:

(A) Consider written documentation provided by the potential guardian or guardian, caseworkers, and the Adoption Assistance and Guardianship Assistance Coordinator.

(B) Review materials submitted to the Guardianship Assistance Review Committee, deliberate, and make a recommendation regarding the guardianship assistance base rate.

(e) At the conclusion of the Guardianship Assistance Review Committee, the Adoption Assistance and Guardianship Assistance Coordinator must:

(A) Document the recommendation of the Guardianship Assistance Review Committee; and

(B) Submit the recommendation to the Assistant Adoption Program Manager or designee within one business day of the Guardianship Assistance Review Committee meeting.

(f) The Assistant Adoption Program Manager or designee must:

(A) Attend the Guardianship Assistance Review Committee and may ask clarifying questions, but does not participate in the deliberation or recommendation of the Guardianship Assistance Review Committee; and

(B) Make a decision and provide written notification of the decision regarding the guardianship assistance base rate to the Adoption Assistance and Guardianship Assistance Coordinator within one business day of receipt of the documentation from the Guardianship Assistance Review Committee.

(g) The Adoption Assistance and Guardianship Assistance Coordinator must notify the potential guardian or guardian of the Assistant Adoption Program Manager or designee's decision, including a written notice, within ten business days of the decision.

(5) A potential guardian or guardian unsatisfied with the guardianship assistance base rate decision of the Assistant Adoption Program Manager or designee under paragraph (4)(f)(B) of this rule may submit a written request for review of the decision by the Adoption Program Manager or designee within 14 days of the written notice in subsection (4)(g) of this rule.

(6) The Adoption Program Manager or designee must complete each of the following actions.

(a) Review and consider:

(A) The materials submitted to the Guardianship Assistance Review Committee;

(B) The recommendation of the committee;

(C) The decision made by the Assistant Adoption Program Manager or designee following the review committee recommendation; and

# ADMINISTRATIVE RULES

(D) The information presented by the potential guardian or guardian in the request submitted under section (5) of this rule.

(b) Make a decision within 60 days of the date of the request for review.

(c) Provide written notification to the potential guardian or guardian and the Adoption Assistance and Guardianship Assistance Coordinator within ten business days of the decision in subsection (b) of this section.

(7) The monthly level of care payment:

(a) Is determined based on the results of a CANS screening conducted under OAR 413-020-0230.

(b) Cannot exceed the amount of the level of care payment set forth in OAR 413-090-0010(2)(g).

(c) Is included in the guardianship assistance payment when the child or young adult qualifies for a level of care payment and when requested by the potential guardian or guardian.

(8) When a potential guardian or guardian is unsatisfied with the final guardianship assistance offer from the Department, consisting of the guardianship assistance base rate and, when applicable, a level of care payment, the potential guardian or guardian has the right to a contested case hearing under Child Welfare Policy I-A.5.2, "Contested Case Hearings", OAR 413-010-0500 to 413-010-0535.

(9) An initial guardianship assistance payment begins on the date the state or tribal court legally establishes the guardianship provided there is a written guardianship assistance agreement signed by all parties.

(10) A guardianship assistance payment to a guardian for the child or young adult is inalienable, not assignable or transferable, and exempt from execution, levy, attachment, garnishment, and other legal process under the laws of Oregon, as long as the payment can be identified as a guardianship assistance payment and is kept separate from other money in the guardian's possession.

(11) The guardian may apply to be the designated payee for any benefit the child or young adult receives if the benefit program allows such application.

(12) Medical assistance and social services.

(a) A child or young adult who is the subject of a guardianship assistance agreement funded by Title IV-E funds as authorized by the Fostering Connection to Success and Increasing Adoptions Act of 2008 (Public Law 110-351) is categorically eligible for medical assistance through Title XIX and social services under Title XX when:

(A) The guardianship is in effect; and

(B) A guardianship assistance payment is being made to the guardian.

(b) A child or young adult who is not eligible for Title XIX medical assistance is eligible for medical assistance under Child Welfare Policy I-E.6.2, "Title XIX and General Assistance Medical Eligibility", OAR 413-100-0400 to 413-100-0610 when:

(A) The child or young adult resides in Oregon; or

(B) The child or young adult resides outside of Oregon but in the United States or a territory or possession thereof and is not able to obtain medical assistance in his or her place of residence.

(c) Medical assistance is not provided for a child or young adult who resides outside of the United States or a territory or possession thereof.

(13) Nonrecurring guardianship expenses.

(a) The Department will reimburse a guardian up to \$2,000 per eligible child for approved nonrecurring guardianship expenses, including but not limited to:

(A) The cost of a home study;

(B) Court costs;

(C) Attorney fees;

(D) Physical and psychological examinations required for the guardianship; and

(E) Travel to visit with the child prior to placement.

(b) Payment for nonrecurring guardianship expenses may not duplicate expenses covered by the Interstate Compact for Placement of Children or another resource available to the potential guardian.

(c) Documentation of nonrecurring guardianship expenses is required and must be submitted prior to execution of the nonrecurring guardianship assistance agreement. The nonrecurring guardianship assistance agreement, indicating the nature and amount of the nonrecurring guardianship expenses, must be signed by the potential guardian and a Department representative prior to the establishment of the guardianship.

(d) Payment for nonrecurring guardianship expenses is made when the Department receives the court order establishing the guardianship.

(14) Overpayment.

(a) If the Department issues a guardianship assistance payment on behalf of a child or young adult after the date the guardianship assistance

agreement automatically expires, the Department may seek reimbursement of the overpayment and the guardian must repay the Department.

(b) If the guardian fails to comply with any provisions of the guardianship assistance agreement, including failing to notify the Department of any of the events or circumstances described in OAR 413-070-0964 and 413-070-0974(2), the Department may collect any guardianship assistance payment or medical assistance which the Department would not have provided had the guardian complied with the provisions of the guardianship assistance agreement.

### Guardianship Assistance Agreement Requirements

(1) Before a guardian may receive guardianship assistance, there must be a negotiated written guardianship assistance agreement between the Department and the potential guardian or guardian signed by all parties prior to the court order establishing the legal guardianship.

(2) The guardianship assistance agreement must include each of the following:

(a) A statement indicating that a guardianship assistance agreement remains in effect without regard to the state of residency of the guardian.

(b) The effective date of the initial guardianship assistance agreement is the date of the court order of guardianship.

(c) That the Department will pay the nonrecurring guardianship expenses associated with obtaining legal guardianship of the child, to the extent the nonrecurring guardianship expenses do not exceed \$2,000 per child.

(d) That the child or young adult for whom the Department is providing a guardianship assistance payment remains eligible for medical assistance provided:

(A) The guardianship remains in effect;

(B) A payment is being made; and

(C) The child or young adult is placed in the United States, a territory or possession thereof.

(e) Information regarding garnishment of guardianship assistance payments as set forth in OAR 413-070-0939(10).

(f) That the guardian agrees to comply with the reporting requirements under OAR 413-070-0964.

(g) That the guardian understands that a guardianship assistance agreement may be reviewed and the guardianship assistance may be adjusted, suspended, or terminated under OAR 413-070-0974.

(h) A statement indicating that the guardian understands that the provisions of ORS 192.520 allow the Oregon Health Plan (OHP) and the OHP managed care plans without the authorization of the guardian, child, or young adult to exchange the following protected health information for the purpose of treatment activities related to the behavioral or physical health of the child or young adult when the child or young adult is the recipient of OHP services:

(A) The name and Medicaid recipient number of the child or young adult;

(B) The name of the hospital or medical provider of the child or young adult;

# ADMINISTRATIVE RULES

- (C) The Medicaid number of the hospital or medical provider;
- (D) Each diagnosis for the child or young adult;
- (E) Each treatment activity's date of service;
- (F) Each treatment activity's procedure or revenue code;
- (G) The quantity of units or services provided; and
- (H) Information about medication prescription and monitoring.

(i) The amount of the guardianship assistance and the manner in which it is to be provided.

(j) The basis and requirements for periodic changes in the guardianship assistance payment, in consultation with the guardian, based on the circumstances of the guardian and the needs of the child or young adult.

(k) The additional services and assistance for which the child or young adult and guardian are eligible under the agreement and the procedure by which the guardian may apply for such services.

(l) When the Department has agreed to include such language, that the Department may continue to provide guardianship assistance for a child or young adult when child or young adult moves out of the home of the guardian to attend college or live independently.

(3) The Department must provide the guardian with a copy of the guardianship assistance agreement.

### Court Order of Guardianship

(1) Guardianship assistance may only be provided for a legal guardianship established under ORS 419B.365 or 419B.366, as provided under ORS 419B.367 to 419B.369, or as provided by the statutory code or laws of a participating tribe.

(2) The Department or participating tribe may not pursue a court order establishing an assisted guardianship until a guardianship assistance agreement between the Department and the potential guardian has been signed by all parties.

(3) The Department or participating tribe, through counsel if the child is in the legal custody of the Department, must move the court for an order establishing the guardianship and, when the child is in the legal custody of the Department or participating tribe, directing one of the following:

(a) Termination of Department or participating tribe's legal custody and dismissal of the Department or participating tribe as a party to the case; or

(b) If the child has been committed permanently to the Department, an order setting aside the order of permanent commitment and relieving the Department of responsibility for the care, placement, and supervision of the child.

(4) The Department may not provide guardianship assistance if the court establishes guardianship but orders the Department or participating tribe to continue supervision of the child or guardian.

(5) The guardian is not eligible for payments provided under Child Welfare Policies I-E.5.1, "Foster Care Payments for a Child or Young Adult Living with a Certified Family or Living Independently", OAR 413-090-0000 to 413-090-0050 and I-E.5.1.2, "Personal Care Services", OAR 413-090-0100 to 413-090-0210 once the guardianship is effective and the Department's or participating tribe's custody of the child is dismissed by court order.

### Changes That Must be Reported and Annual Report

(1) A guardian receiving guardianship assistance must immediately report, orally or in writing, to the Adoption Assistance and Guardianship Assistance Unit any changes in circumstances of the child, young adult, or guardian that makes the child or young adult ineligible for guardianship assistance including when:

(a) The child or young adult:

(A) Is emancipated;

(B) Dies;

(C) Marries; or

(D) Is adopted.

(b) The court:

(A) Vacates the guardianship; or

(B) Terminates wardship over the child or young adult, unless the guardianship is a tribal court guardianship and the guardianship remains in effect under tribal law.

(2) A guardian receiving a guardianship assistance payment must immediately report, orally or in writing, to the Department's Adoption Assistance and Guardianship Assistance Unit any changes in circumstances of the child, young adult, or guardian that may make the child or young adult ineligible for guardianship assistance including when:

(a) The child or young adult:

(A) Is out of the home of a guardian for more than a thirty day period or, if more than one guardian, is out of the home of both guardians for more than a thirty day period;

(B) Has a change in needs including but not limited to eligibility for a change in the level of care payment based on a new CANS screening;

(C) Is placed in substitute care;

(D) Is no longer receiving financial support from a guardian or, if there is more than one guardian, both guardians;

(E) Is incarcerated for more than three consecutive months; or

(F) Has a change in any benefit received other than tribal dividend payments.

(b) A guardian is, or if more than one guardian, both guardians are:

(A) No longer legally responsible for the financial support of the child or young adult;

(B) No longer responsible for the child or young adult; or

(C) No longer providing support to the child or young adult.

(c) A guardian seeks to terminate or modify the guardianship.

(d) The court:

(A) Modifies the guardianship, or

(B) Awards child custody or guardianship to another individual.

(3) A guardian receiving a guardianship assistance payment must immediately report, orally or in writing, to the Adoption Assistance and Guardianship Assistance Unit the following:

(a) When there are two guardians and one guardian dies, the surviving guardian must notify the Department.

(b) When there is a change in address.

(c) When a guardian, child, or young adult is planning to move from his or her state of residency.

(4) The guardian, within 30 days after each annual anniversary of the court appointment of guardianship, must file a written report with the court and submit a copy of the report to the Adoption Assistance and Guardianship Assistance Unit.

(5) When the court does not require an annual report under section (4) of this rule as part of the appointment of guardianship, the Department requires the guardian to submit an annual report to the Adoption Assistance and Guardianship Assistance Unit within 30 days after each anniversary of the appointment of guardianship.

### Renegotiation of a Guardianship Assistance Agreement

(1) A potential guardian or guardian may request that the Department consider renegotiation of the guardianship assistance agreement. The request for renegotiation must:

(a) Be in writing in a format provided by the Department to the potential guardian or guardian;

(b) Document changes in the circumstances of the potential guardian or guardian, when applicable;

(c) Document the needs of the child or young adult;

(d) Provide information about the financial expenses of the potential guardian or guardian in meeting the needs of the child or young adult;

# ADMINISTRATIVE RULES

(e) Provide information about the expenses required to meet the needs of the child or young adult; and

(f) Provide additional documentation of the child or young adult's current behaviors when the child or young adult meets the eligibility requirements for consideration of a level of care payment under OAR 413-020-0230 and the potential guardian or guardian is requesting a level of care payment.

(2) Renegotiation of the guardianship assistance base rate will be conducted as described in OAR 413-070-0939(2) and (3).

(3) Referrals for CANS screenings are described in OAR 413-020-0230.

(4) The Department may require a renegotiation of the guardianship assistance agreement when the Department determines that the child or young adult is eligible for guardianship assistance in a different amount, as described in OAR 413-070-0974.

(5) A new guardianship assistance agreement must be signed by all parties each time a new guardianship assistance payment is agreed upon by the potential guardian or guardian and the Department.

(6) Unless section (7) of this rule applies, the Department may authorize a renegotiated guardianship assistance payment increase or decrease beginning on a date no earlier than the first day of the month in which the Department receives the written request for renegotiation.

(7) The Department may approve up to twelve months of retroactive payments unless a contested case hearing was requested and a subsequent decision necessitates a payment of more than twelve months. The decision includes any decision by the Department including:

- (a) A final order;
  - (b) A stipulated final order;
  - (c) A settlement agreement; or
  - (d) Any other agreement resulting in withdrawal of the contested case.

### Review, Adjustment, Suspension, Expiration, and Termination of Guardianship Assistance

(1) The Department may review a guardianship assistance agreement when the Department:

(a) Receives information indicating that the child or young adult may no longer be eligible for guardianship assistance or may be eligible for guardianship assistance in a different amount, including when the Department receives information regarding any of the circumstances described in OAR 413-070-0964;

(b) Determines, when the child or young adult is not residing in the home of the guardian, that a periodic review of the guardianship assistance agreement is required;

(c) Receives information that indicates a review is necessary based on a change in the needs of the child or young adult or circumstances of the family;

(d) Receives information that the young adult no longer meets the requirements for continued assistance, if the Department has agreed to extend guardianship assistance under OAR 413-070-0917(3); or

(e) Determines that the guardian has not complied with the requirements of the guardianship assistance agreement.

(2) Department review of a guardianship assistance agreement may result in a renegotiation, suspension, adjustment, or termination of the guardianship assistance agreement or guardianship assistance payments.

(3) Guardianship assistance may be adjusted at any time by mutual agreement between the guardian and the Department.

(4) When there is an across-the-board reduction or increase in the base rate payment or level of care payment that the child or young adult would be eligible to receive if the child or young adult were in foster care, the Department may, after a case-by-case review and without concurrence of the guardian, adjust the monthly guardianship assistance payment to an amount that does not exceed the new foster care payment the child or young adult would be eligible to receive if currently in foster care, as follows:

(a) In the case of a reduction, only those payments that exceed the amount the child or young adult would be eligible for if currently in foster care would be reduced, and the reduction would only be to the amount that the child or young adult would be eligible to receive if currently in foster care.

(b) In the case of an increase, the Department, considering the needs of the child or young adult and the circumstances of the guardian, may increase the guardianship assistance payment to an amount that does not exceed the new foster care payment the child or young adult would receive if currently in foster care.

(5) If, upon review under section (1) of this rule or an adjustment under section (4) of this rule, the Department intends to adjust guardianship assistance without the concurrence of the guardian, the Department will provide the guardian and the child or young adult with written notice as described in Child Welfare Policy I-A.5.2, "Contested Case Hearings", OAR 413-010-0500 to 413-010-0535.

(6) Unless terminated under sections (7) or (8) of this rule, the guardianship assistance agreement and the Department's obligation to provide guardianship assistance expires automatically on the date any of the following events occur:

(a) When the child:

(A) Reaches the age of 18 or, when an extension has been granted under OAR 413-070-0917(3), under the age of 21 as documented in the guardianship assistance agreement;

(B) Is emancipated;

(C) Dies;

(D) Marries;

(E) Is adopted; or

(F) No longer meets the requirements for continued guardianship assistance if the Department has agreed to continue guardianship assistance under OAR 413-070-0917(3).

(b) A guardian dies, or if more than one guardian, both die.

(c) The court:

(A) Vacates the guardianship order or otherwise terminates the guardianship;

(B) Terminates wardship over the child or young adult, unless the guardianship is a tribal court guardianship and the guardianship remains in effect under tribal law; or

(C) Appoints another individual as guardian of the child or young adult.

(7) Guardianship assistance may be suspended at any time by mutual agreement between the Department and the guardian.

(8) After a review and on a case-by-case basis, the Department may terminate a guardianship assistance agreement upon ten days written notice to the potential guardian or guardian when the Department determines that:

(a) The potential guardian or guardian is no longer responsible for the child or young adult;

(b) The potential guardian or guardian is no longer providing support to the child or young adult; or

(c) The child or young adult is no longer eligible for guardianship assistance or is eligible for guardianship assistance in a different amount.

# ADMINISTRATIVE RULES

**Subject:** OAR 413-070-0063 is being amended to clarify the definition of the term relative as used in rules that set out the Department's responsibility to search for and engage a child or young adult's relatives. This amendment also aligns the definition with the definition of the term "relative" used in other child welfare rules, and makes permanent changes to this rule adopted by temporary rule on June 30, 2011. In addition, the above rule may also be changed to reflect new Department terminology and to correct formatting and punctuation.

### Definitions

The following definitions apply to OAR 413-070-0060 to 413-070-0093:

(1) "Caregiver relationship" means a relationship between a person and a child that meets the requirements of the following subsections:

(a) The relationship has existed for the 12 months immediately preceding the initiation of a dependency proceeding, at least six months during a dependency proceeding, or half of the child's life if the child is less than six months of age.

(b) The person had physical custody of the child or resided in the same household as the child and provided the child on a daily basis with the love, nurturing, and other necessities required to meet the child's psychological and physical needs.

(c) The child depended on the relationship to meet the child's needs.

(d) A caregiver relationship does not include a relationship between a child and a person who is the unrelated foster parent of the child unless the relationship continued for a period of at least twelve consecutive months.

(2) "Certificate of approval" means a document that the Department issues to approve the operation of a child-specific relative caregiver home, child-specific foster home, pre-adoptive home, or a regular foster home.

(3) "Child" means a person under 18 years of age.

(4) "Department" means the Department of Human Services, Child Welfare.

(5) "Designee" means a person who the designator directly and immediately supervises or a person with equal or greater management responsibility than the designator.

(6) "Foster parent" means an individual who operates a home that has been approved by the Department to provide care for an unrelated child or young adult placed in the home by the Department.

(7) "Indian child" is any unmarried person under 18 years of age who is either a member of an Indian tribe or is eligible for membership in an Indian tribe and is the biological child of a member of an Indian tribe.

(8) "Parent" means the biological or adoptive mother or the legal father of the child. A legal father is a man who has adopted the child or whose paternity has been established or declared under ORS 109.070, ORS 416.400 to 416.465, or by a juvenile court. In cases involving an Indian child under the Indian Child Welfare Act (ICWA), a legal father includes a man who is a father under applicable tribal law. "Parent" also includes a putative father who has demonstrated a direct and significant commitment to the child by assuming or attempting to assume responsibilities normally associated with parenthood, unless a court finds that the putative father is not the legal father.

(9) "Registered domestic partner" means an individual joined in a domestic partnership that has been registered by a county clerk in accordance with ORS 106.300 to 106.340.

(10) "Relative" means:

(a) An individual with one of the following relationships to the child or young adult through the parent of the child or young adult:

(A) Any blood relative of preceding generations denoted by the prefixes of grand, great, or great-great.

(B) Any half-blood relative of preceding generations denoted by the prefixes of grand, great, or great-great (individuals with one common biological parent are half-blood relatives).

(C) A sibling, also to include an individual with a sibling relationship to the child or young adult through a putative father.

(D) An aunt, uncle, nephew, niece, first cousin, and first cousin once removed.

(E) A spouse of anyone listed in paragraphs (A) to (D) of this subsection, even if a petition for annulment, dissolution, or separation has been filed or the marriage is terminated by divorce or death. To be considered a relative under this paragraph, the child or young adult must have had a relationship with the spouse prior to the child or young adult entering substitute care.

(F) For the purposes of an international adoption, relative means an individual described in paragraphs (A) to (D) of this subsection.

(b) An individual with one of the following relationships to the child or young adult:

(A) An individual defined as a relative by the law or custom of the tribe of the child or young adult if the child or young adult is an Indian child under the Indian Child Welfare Act or in the legal custody of a tribe.

(B) An individual defined as a relative of a refugee child or young adult under Child Welfare Policy I-E.2.2, "Placement of Refugee Children" OAR 413-070-0300 to 413-070-0380.

(C) A stepparent described in OAR 413-100-0020(25)(e) or former stepparent if the child or young adult had a relationship with the former stepparent prior to the child or young adult entering substitute care; a stepbrother; or a stepsister.

(D) The registered domestic partner of the parent of the child or young adult or a former registered domestic partner of the parent of the child or young adult if the child or young adult had a relationship with the former domestic partner prior to entering substitute care.

(E) The adoptive parent of a sibling of the child or young adult.

(F) The unrelated legal or biological father or mother of a half-sibling of the child or young adult when the half-sibling of the child or young adult is living with the unrelated legal or biological father or mother.

(c) An individual identified by the child or young adult or the family of the child or young adult, or an individual who self-identifies, related to the child or young adult through the parent of the child or young adult by blood, adoption, or marriage to a degree other than an individual specified as a relative in paragraphs (A) to (D) of subsection (a) of this section.

(d) An individual, although not related by blood, adoption, or marriage identified as:

(A) A member of the family by the child or young adult or by the family of the child or young adult; and

(B) An individual who had an emotionally significant relationship with the child or young adult or the family of the child or young adult prior to the time the Department placed the child in substitute care.

(e) For eligibility for the Guardianship Assistance program:

(A) A stepparent is considered a parent and is not a relative for the purpose of eligibility for Guardianship Assistance unless a petition for annulment, dissolution, or separation has been filed, or the marriage to the child's adoptive or biological parent has been terminated by divorce or death.

(B) A foster parent may only be considered a relative for the purpose of eligibility for Guardianship Assistance and only when the requirements of all of the following subparagraphs are met:

(i) There is a compelling reason why adoption is not an achievable permanency plan;

(ii) The foster parent is currently caring for a child in the legal custody of the Department who has a permanency plan or concurrent permanency plan of guardianship;

(iii) The foster parent has cared for the child for at least the past 12 consecutive months; and

(iv) The Department has approved the foster parent for consideration as a guardian.

(11) "Relative caregiver" means an individual who operates a home that has been approved by the Department to provide care for a related child or young adult placed in the home by the Department.

(12) "Relative search" means the efforts of the Department to identify, locate, and document the contact with a child or young adult's relatives.

(13) "Safety service provider" means a participant in a protective action or ongoing safety plan whose actions, assistance, or supervision help a family in managing a child's safety.

(14) "Sibling" means one of two or more children or young adults related:

(a) By blood or adoption through a common legal parent;

(b) Through the marriage of the children or young adult's legal or biological parents; or

(c) Through a legal or biological parent who is the registered domestic partner of the children or young adults' legal or biological parent.

(15) "Substitute care" means the out-of-home placement of a child or young adult who is in the legal or physical custody and care of the Department.

(16) "Young adult" means a person aged 18 through 20 years who remains in the care and custody of the Department, and lives in substitute care or lives independently through the Department's Independent Living Subsidy Program.

### Eligibility Determinations — Living with a “Specified Relative” and “Removal”

(1) Specified Relative Requirements. To meet Title IV-E eligibility requirements the child or young adult, at the time of the child’s removal from his or her home, must have been living with and removed from the same specified relative, as defined in OAR 413-100-0020.

(2) Removal Requirements for a child age 17 or younger. To meet Title IV-E eligibility requirements, the child’s removal from the home must occur pursuant to:

(a) A voluntary custody agreement or voluntary placement agreement, signed by a parent or specified relative, that results in the “physical” or “constructive” removal of the child from the home; or

(b) A judicial order that requires the child’s “physical” or “constructive” removal from the parent or specified relative and gives the Department responsibility for the placement and care of the child.

(3) Removal Requirements for a young adult age 18, 19 or 20. To meet Title IV-E eligibility requirements, the young adult’s removal from the home must occur pursuant to:

(a) Court ordered removal prior to age 18. A judicial order that requires the child’s “physical” or “constructive” removal from the parent or specified relative and gives the Department responsibility for the placement and care of the child. No new court ordered removal is required at the age of 18 or older to remain eligible for Title IV-E foster care maintenance payments, as long as the young adult remains in continuous foster care.

(b) A voluntary placement agreement prior to age 18, signed by a parent or specified relative, that results in the “physical” or “constructive” removal of the child from the home. No new voluntary placement agreement is required after the young adult attains the age of 18 for Title IV-E purposes as long as the young adult remains in continuous foster care.

(4) Removal Home Requirements. Effective June 9, 2006, for Title IV-E eligibility purposes, the child’s removal home must meet the requirements of one of the following subsections:

(a) Physical Removal. The Department considers a child’s removal a physical removal when the judicial order or the signing of a voluntary custody or voluntary placement agreement results in the removal of the child from the physical custody of the parent or specified relative and gives the Department responsibility for the placement and care of the child.

(b) Constructive Removal. The Department considers a child’s removal a constructive removal:

(A) When the child is living in the home of an interim caretaker (relative or non-relative) at the time of removal but the child lived with a parent or specified relative within the six months prior to the judicial order, voluntary custody agreement, or voluntary placement agreement which resulted in the constructive removal of the child from the parent or specified relative and gave the Department responsibility for the placement and care of the child; or

(B) When the parent or specified relative and the child live in another relative’s home, the Department considers the child’s removal a constructive removal from the parent or specified relative if:

(i) The parent or specified relative moves out of the home within the six months prior to the removal;

(ii) The child remains in the relative’s home; and

(iii) Within six months of the date the parent or specified relative left the relative’s home there is a judicial order or voluntary custody or placement agreement that results in the removal of the child from the parent or specified relative and gives the Department responsibility for the placement and care of the child.

## 413-100-0150

### Parental Deprivation

(1) The continued absence of one or both birth or adoptive parents, or a stepparent from the home constitutes the basis for deprivation of parental support or care.

(2) Deprivation of parental support in relation to the home from which the child is removed exists when:

(a) Death of a parent. Either parent of a child is deceased.

(b) Continued absence of the parent from the home. There is a Continued Absence of one or both parents when:

(A) One or both parents are out of the home and the nature of this absence is such as to either interrupt or terminate the parent’s functioning as a provider of maintenance, physical care, or guidance for the child;

(B) There is evidence of continued absence of over 30 days duration; or

(C) Predictable absence due to divorce, legal separation, incarceration, or other verified and documented circumstances.

(c) Physical or mental incapacity. Incapacity is documented as parental deprivation in a one-parent or two-parent household as follows:

(A) One or both parents’ receipt of Supplemental Security Income (SSI) or being found eligible for Old-Age, Survivors, and Disability Insurance (OASDI) or SSI based on disability or blindness;

(B) One or both parents receive Social Security Benefits (SSB) based on disability or blindness; or

(C) One or both parents have a physical or mental defect, illness, or impairment that is expected to last at least 30 days, is supported by competent medical testimony, and substantially reduces or eliminates the parent’s ability to support or care for the child.

(d) Unemployment or underemployment may be documented as parental deprivation in a two-parent household if each parent meets one of the following criteria:

(A) Is working less than 100 hours per month; or

(B) Has a temporary one-month increase to over 100 hours, but:

(i) Worked less than 100 hours in each of the two previous months; and

(ii) Is expected to work less than 100 hours in the following month.

### Role of the Department in the Education of a Child or Young Adult

The Department promotes the academic achievement of a child or young adult by participating as a member of the team that performs the academic assessment, planning, and goal setting for the child or young adult. The caseworker works collaboratively with the parent or legal guardian whenever appropriate; the local school district and school officials; the substitute caregiver; the surrogate, if one is appointed; the CASA and attorney of the child or young adult; local Department of Education District Homeless Liaison; and service providers involved in the case plan of the child or young adult, as appropriate, in order to ensure school enrollment and promote academic achievement.

## 413-100-0915

### Ensure a Child or Young Adult’s Enrollment in School or Educational Setting

(1) When a child or young adult is in substitute care, the child’s caseworker must arrange school enrollment and educational services under the following requirements.

(a) Preferred school or educational setting when a child first enters substitute care and at each placement move while the child or young adult remains in substitute care. The preferred school or educational setting when a child first enters substitute care is the school or educational setting the child attended prior to entry into substitute care unless:

(A) Remaining in the same school or educational setting is not in the best interest of the child; and

(B) Continuing to attend the same school or educational setting is not consistent with the ongoing safety plan or jeopardizes the child’s safety.

(b) Consideration of continuity of previous school placement when a child is in substitute care. A child who meets the definition of a homeless individual under the McKinney-Vento Homeless Education Act must be referred to the local Department of Education District Homeless Liaison, and may qualify for services available through the Act.

(2) Responsibility for ensuring school enrollment. The caseworker must ensure a child or young adult in the Department’s care or custody is enrolled in a school or educational setting, through eligibility established under ORS 339.115.

(3) Responsibility for school or educational setting placement decisions. The juvenile court makes the finding whether it is in the child’s or young adult’s best interest to continue to attend the school that the child or young adult attended prior to placement in substitute care by the Department. The child or young adult shall be considered a resident of the school district the child or young adult attended prior to placement and may continue to attend the school the child or young adult attended prior to placement through the highest grade level of the school, in accordance with ORS 339.133.

(a) A caseworker must consider recommendations from the child’s or young adult’s parents or legal guardian, attorney, CASA, school, and surrogate, if one has been appointed, and substitute caregiver in making the decision on school enrollment.

(b) The child’s or young adult’s IEP team makes the decision regarding special education services provided to the child or young adult when the child or young adult is receiving or eligible to receive special education services.

# ADMINISTRATIVE RULES

(c) The young adult makes the decision regarding educational services and school placement when educational rights have been passed to the young adult.

(d) When a child is in the care or custody of the Department under a Voluntary Placement Agreement, the parent or legal guardian retains legal authority over the child and continues to be responsible to exercise and perform all parental duties and legal responsibilities except those that the parent or legal guardian specifically delegates to the Department by the signed agreement.

(4) Regardless of the authority to make school or educational placement setting decisions in section (3) of this rule, the caseworker must ensure the school or educational setting is consistent with the ongoing safety plan of the child or young adult.

(5) Additional responsibilities when a private school, charter school, alternative school, or international study program is considered.

(a) Private School. Except as provided in subsections (3)(c)-(d) of this rule, when considering the enrollment of the child or young adult in a private school, the caseworker must:

(A) Ensure that enrollment would be consistent with the child's or young adult's permanency plan;

(B) Determine whether the school is accredited in the state in which the school is located;

(C) Verify that an entity or person other than the Department will pay all costs except those approved under OAR 413-100-0935;

(D) Consider the religious affiliation of the child or young adult and the parent or legal guardian when considering enrollment in a religiously-affiliated private school;

(E) Consider recommendations from the child's or young adult's parents, attorney, CASA, and substitute caregiver; and

(F) Obtain approval from the Child Welfare program manager.

(b) Charter school or alternative school. Except as provided in subsections (3)(c)-(d) of this rule, when considering the enrollment of a child or young adult in a charter school or alternative school, the caseworker must:

(A) Ensure that enrollment would be consistent with the child's or young adult's permanency plan;

(B) Verify that the charter school is approved by the local school district board or the Oregon Department of Education;

(C) Consider recommendations from the child's or young adult's parents, attorney, CASA, and substitute caregiver; and

(D) Obtain approval from the Child Welfare program manager.

(c) International study program. Except as provided in subsections (3)(c)-(d) of this rule, when considering enrolling a child or young adult in an international study program, the caseworker must:

(A) Ensure that enrollment is consistent with the child's or young adult's permanency plan;

(B) Verify that the international study program is accredited;

(C) Consider recommendations from the child's or young adult's parents, attorney, CASA, and substitute caregiver;

(D) Obtain approval from the Child Welfare program manager, the District Manager, the Diversity and International Affairs Manager; and

(E) Obtain approval of the juvenile court.

(6) Additional responsibilities when considering a GED program. Except as provided in subsections (3)(c)-(d) of this rule, when considering a GED program for the child or young adult, whether the program is held at a public school or at a location other than a public school, the caseworker must:

(a) Determine, that obtaining a GED meets the child's or young adult's educational needs better than obtaining a high school diploma;

(b) Verify that a GED program is consistent with the child's or young adult's case plan;

(c) Consider recommendations from the child's or young adult's parents, attorney, CASA, and substitute caregiver; and

(d) Obtain approval from the Child Welfare program manager.

(7) Additional responsibilities when considering home schooling. Except as provided in subsections (3)(c)-(d) of this rule, when considering home schooling for the child or young adult in the substitute caregiver's home, the caseworker must:

(a) Determine that a home schooling environment would not interfere with the child's or young adult's social development;

(b) Determine that home schooling would promote inclusion in the substitute caregiver's home;

(c) Determine that a home school environment is consistent with the child's or young adult's permanency plan;

(d) Determine that the child's or young adult's enrollment in a home school program is permitted by state law in another state if the child or young adult is placed in another state through the Interstate Compact on the Placement of Children;

(e) Obtain the approval of the child's or young adult's parent, as defined in OAR 413-100-0905(7), or guardian for the substitute caregiver to act as a private teacher;

(f) Verify the substitute caregiver has provided written notification to the education service district of intent to provide home schooling;

(g) Obtain the approval of the Child Welfare program manager; and

(h) Obtain the approval of the juvenile court.

(8) Transportation to school. After the school or educational setting has been determined, the caseworker must assess the school district's available transportation options and, if school district transportation is unavailable, select and arrange the most reliable, safe, cost-effective transportation option to transport the child or young adult to and from the school or educational setting.

(9) Once a school or educational setting has been selected for a child or young adult, the caseworker must notify the school or educational setting that the child or young adult is in the legal custody of the Department and may provide information about the reason the child or young adult is in substitute care to the staff of the school or educational setting only when providing such information to a particular staff person is necessary for the child's or young adult's education planning or to ensure the safety of the child, young adult, or others in the school with whom the child or young adult has contact.

(10) Unless a child or young adult has achieved high school graduation or is incapable of attending school for a medical reason, the Department will ensure school enrollment under Chapter 581 of Oregon Administrative Rules for a child or young adult in the custody of the Department.

(11) The caseworker must document in the case plan of the child or young adult all of the following:

(a) Information about the current school or educational setting of the child or young adult.

(b) All schools or educational settings the child or young adult has attended since the date the child or young adult has been in the custody of the Department.

(c) The length of time the child or young adult has spent in each school or educational setting.

(d) The number of high school credits each child or young adult 14 years of age or older has earned.

(e) The child's surrogate, if one has been appointed.

(f) The reason for any change in the child's or young adult's school or educational setting.

(g) Information regarding the child's or young adult's educational records, which may include but is not limited to:

(A) Report cards;

(B) Transcripts;

(C) Individual Education Plan;

(D) A 504 plan, developed under the provisions of Section 504 of the Rehabilitation Act of 1973; and

(E) A transition plan.

(h) The basis the child or young adult is incapable of attending school under section (10) of this rule should that section apply.

### Consent for Special Education Services

(1) When a child or young adult is in the care and custody of the Department, and there is reason to believe the child has a disability under the Individuals with Disabilities Education Act, 20 USC §§ 1400 et seq., or

# ADMINISTRATIVE RULES

the Oregon Department of Education administrative rules regarding special education (OAR 581, Division 15), the caseworker must identify who is the parent or surrogate making educational decisions for the child or young adult.

(2) If a surrogate has not been appointed, or if more than one person is qualified to make special education decisions for the child or young adult, the caseworker may ask the court to determine the education decision maker. Persons who qualify to make educational decisions include:

- (a) The biological or adoptive parent of the child or young adult.
- (b) A foster parent or relative caregiver of the child or young adult.
- (c) A legal guardian.

(d) An individual acting in the place of a biological or adoptive parent (including a grandparent, stepparent, or other relative) with whom the child or young adult lives, or a person who is legally responsible for the welfare of the child or young adult.

(3) When a child or young adult with a disability is being considered for home schooling, in addition to the requirements of OAR 413-100-0915, the caseworker must:

(a) Ensure the surrogate of the child or young adult has approved home schooling; and

(b) Ensure the surrogate participates in the special education planning for the child or young adult in the home school environment.

### Rights to a Child's Education Records

(1) The Family Educational Rights and Privacy Act (FERPA), 20 USC § 1232g, protects the authority of parents to review their minor children's education records, limit the records' release without written consent by the parents, and correct errors in those records. 34 CFR 99.3, one of FERPA's implementing regulations, defines "parent" as "a natural parent, a guardian, or an individual acting as a parent in the absence of a parent or a guardian." Under this definition, a Department employee may act as a "parent," for FERPA purposes, if the Department is the legal guardian of the child.

(2) A Department employee may demonstrate his or her authority to exercise the FERPA rights of a child's parent by providing the educational agency or institution with evidence that the Department is the legal guardian of the child, which may include a juvenile court order appointing the Department as the legal guardian of the child.

(3) This rule does not apply to the special education records for a student who is eligible for special education services or is suspected of being eligible for special education services under the Individuals with Disabilities Education Act, 20 USC §§ 1400 et seq., or the Oregon Department of Education administrative rules regarding special education (OAR 581, Division 015). To receive these records, a Department employee may:

(a) Receive information from the school of a child's personally identifiable information in connection with a child protective services (CPS) investigation under OAR 581-021-0380;

(b) Be advised by the school of a child's disabling conditions prior to an interview with the child during the course of a CPS assessment under ORS 419B.045;

(c) Seek a court order to obtain the special education records; or

(d) Seek a release of information to obtain the special education records from a child's or young adult's parent, guardian, surrogate, or a young adult whose special education rights have been passed to the student.

### Early Education and Post-Secondary Education

(1) The caseworker must ensure that an eligible child in the care or custody of the Department has the same access to public preschool education and early intervention education programs as eligible children not in the care or custody of the Department. In meeting this obligation, the caseworker must ensure a child victim under three years old has been referred to an early intervention education program.

(2) The caseworker must ensure that a child or young adult in the care or custody of the Department has access to the information and resources

available to explore post-secondary education and training opportunities. In meeting this obligation the caseworker must include education in any child's or young adult's plan for transition to independent living.

### Definitions

For purposes of these rules (OAR 413-120-0400 to 413-120-0470):

(1) "Adoption applicant" is an individual who applies for adoption approval.

(2) "Agency agreement" means a written agreement between the Oregon State Police and a Criminal Justice or designated agency as defined by ORS 181.010 authorized to receive criminal offender information, specifying the terms and conditions of accessing and receiving Oregon computerized criminal history information to assure compliance with state and federal regulations.

(3) "Battery" means the use of physical force to injure, damage, or abuse or to cause offensive physical contact.

(4) "CAF" means the Children, Adults, and Families Division of DHS.

(5) "Child" means an individual under the age of 18.

(6) "Computerized Criminal History (CCH) System" means the administration and maintenance of on-line computer files of significant criminal offender information by OSP.

(7) "Contested case hearing" means a hearing conducted under ORS Chapter 183 and applicable administrative rules.

(8) "Criminal offender information" is defined in ORS 181.010(3) and includes records, fingerprints and photographs, received, compiled and disseminated by OSP for purposes of identifying criminal offenders and alleged offenders, as to such individuals' records of arrests, the nature and disposition of criminal charges, including sentencing, confinement and release, and includes the OSP Computerized Criminal History System.

(9) "Designated agency" means any DHS unit required to access Oregon criminal offender information for the following purposes: to implement a federal or state statute, executive order or administrative rule that expressly refers to criminal conduct and contains requirements or exclusions expressly based on criminal conduct; for agency employment or licensing purposes; or for other demonstrated and legitimate needs when designated by order of the Governor.

(10) "DHS" means the Department of Human Services, which accesses criminal offender information as a designated agency or a criminal justice agency, and requests fingerprint-based criminal offender information from the FBI and OSP on certain individuals or programs who provide care or treatment to children as regulated by DHS.

(11) "FBI" means the Federal Bureau of Investigation.

(12) "Fingerprint-based criminal offender information" means criminal offender information compiled and maintained by OSP Bureau of Criminal Identification regarding individuals who have been arrested for crimes where law enforcement agencies have submitted fingerprints and other identifying data as required by ORS 181.515 or federal statutes, or as deemed appropriate by the submitting law enforcement agency for the purpose of identification.

(13) "Foster parent" means an individual who operates a home that has been approved by DHS to provide care for an unrelated child or young adult placed in the home by DHS.

# ADMINISTRATIVE RULES

(14) "Information required" means all information requested by DHS for processing criminal record checks, including fingerprint checks.

(15) "National crime information databases" means the National Crime Information Center and its incorporated criminal history databases managed by the FBI.

(16) "OSP" means the Oregon State Police.

(17) "Other person in household" means:

(a) An individual 18 years of age or older who is living in the home, and is not a child or young adult as defined by this rule;

(b) An individual providing relief or respite care whether paid or unpaid; or

(c) A member of the household under 18 years of age if there is reason to believe that member may pose a risk to children placed in the home.

(18) "Private adoption agency" means an agency licensed by the State of Oregon to provide adoption services within the state and which contracts with DHS to study adoptive parents seeking to adopt children in the custody of DHS.

(19) "Relative caregiver" means an individual who operates a home that has been approved by DHS to provide care for a related child or young adult who is placed in the home by DHS.

(20) "Respite care" means a formal planned arrangement to relieve a certified family's responsibilities by an individual temporarily assuming responsibility for the care and supervision of the child or young adult in the home of the respite provider or certified family. Respite care must be less than 14 consecutive days.

(21) "Subject individual" means an individual who:

(a) Applies to adopt a child in the custody of DHS as described in Child Welfare Policies I-G.1.3, "Adoption Applications", OAR 413-120-0190 to 413-120-0240 and I-G.2.1, "Minimum Standards for Adoptive Homes", OAR 413-120-0300 to 413-120-0310;

(b) Applies to be a foster parent, relative caregiver, or pre-adoptive parent as described in Child Welfare Policy II-B.1, "Certification Standards for Foster Parents, Relative Caregivers, and Pre-Adoptive Parents", OAR 413-200-0301 to 413-200-0401; or

(c) Is an other person in household as described in this rule.

(22) "Violence" means the use of physical force to injure, damage, or abuse.

(23) "Young adult" means an individual aged 18 through 20 years who remains in the care and custody of the Department, and lives in substitute care or lives independently through the Department's Independent Living Subsidy Program.

## 413-120-0460

### Procedures

(1) Any subject individual applying to be a relative caregiver, foster or adoptive parent, or an other person in household must consent to a criminal offender information records check at the time of application. After an initial certification, a relative caregiver, foster parent, or other person in household of a foster parent or relative caregiver must consent to a criminal offender information records check prior to re-certification every two years. An adoption applicant and other person in household must consent to a criminal offender information records check once a year after the initial criminal records check is completed. Each applicant must be notified of this requirement at the time they apply for a certificate of approval or adoption approval. Criminal offender information records check consent forms must contain a notice that an applicant for a certificate of approval, or adoption approval and an other person in household are subject to a fingerprint-based criminal offender records check of national crime information databases that is conducted as required by ORS 181.537, ORS 181.557, and sections (5) and (6) of this rule.

(2) An adoptive applicant approved as a relative caregiver or foster or adoptive parent and who has submitted to a criminal offender information records check within the 12 months preceding the date on which he or she applied to adopt may be exempt from a new criminal offender information records check.

(3) DHS may not issue a certificate of approval for relative or foster care or approve an adoption home if a subject individual refuses to be fingerprinted when required. DHS may deny a certificate of approval for a relative caregiver or foster parent, or approval as an adoptive parent if a sub-

ject individual makes a false statement about having been arrested for or convicted of any crime or crimes.

(4) A subject individual must provide all information required for a criminal offender information records check, including fingerprints where required, on forms and fingerprint cards provided by DHS and according to procedures established by DHS, including:

(a) A properly completed and signed DHS Form CF 1011F from the subject individual;

(b) If the subject individual acknowledges a prior arrest or conviction for a crime listed in these rules (OAR 413-120-0400 to 413-120-0470), an explanation of the relationship between the facts that support the arrest or conviction and all intervening circumstances and written authorization for DHS to verify the information; and

(c) A completed FBI fingerprint card (FD 258) with red overprinting in the reason fingerprinted block from the subject individual when required.

(5) As part of the consent to a criminal offender information records check, DHS may request a subject individual to consent to the use of his or her social security number in conducting the criminal offender information records check. A subject individual indicates consent by signature.

(6) DHS must obtain and forward a fingerprint card to request criminal offender information on a subject individual from OSP and the FBI as follows:

(a) At the time of initial application DHS must obtain a fingerprint card from any subject individual applying to be a relative caregiver, foster or adoptive parent, or an other person in household, and DHS must initiate a fingerprint-based criminal offender records check of national crime information databases.

(b) If a subject individual is arrested or convicted for a crime within the certification period of a currently certified home, and the home remains certified after the arrest or conviction, DHS must obtain a fingerprint card and initiate a fingerprint-based criminal offender records check of national crime information databases prior to re-certification.

(c) If a subject individual lives outside of Oregon for more than 60 consecutive days within the certification period of a currently certified home, DHS must obtain a fingerprint card and initiate a fingerprint-based criminal offender records check of national crime information databases prior to re-certification.

(d) An other person in household, as defined in OAR 413-120-0420, not in the home at the time of certification, is subject to a fingerprint-based criminal offender records check at the time he or she is identified as an other person in household. DHS must obtain a fingerprint card and initiate a fingerprint-based criminal offender records check of national crime information databases prior to re-certification.

(e) Notwithstanding subsections (a) - (c) of this section, when the subject individual is a prospective respite care provider, the required criminal offender information records check on the subject individual must include a fingerprint-based check of national crime information databases only if one or more of the following circumstances exist:

(A) The prospective respite provider has resided outside of Oregon for 60 or more consecutive days within the last five years preceding the date on which he or she provides written consent for DHS to conduct a criminal offender information records check.

(B) As a result of the DHS review of other criminal records, the prospective respite provider's own disclosure, or by any other means, it is known that the prospective respite provider has a history of criminal convictions or arrests.

(C) DHS has determined that a fingerprint-based check of national crime information databases is warranted due to uncertainty about the true identity of the prospective respite provider or any other concern on the part of DHS.

(f) In the absence of any of the circumstances described in paragraphs (e)(A) - (e)(C) of this section, a fingerprint-based check of national crime information databases is not required; however DHS must complete a statewide check of the Oregon Law Enforcement Data System (LEDS) before the prospective respite provider can provide respite care. If a fingerprint-based check of national crime information databases is required due to the existence of any of the circumstances described in paragraphs (e)(A) - (e)(C) of this section, the prospective respite provider may provide respite care prior to completion of the required fingerprint-based check, at the discretion of DHS and only after DHS has completed the required LEDS check.

(7) DHS may grant an exception to the fingerprint requirement of this rule if DHS determines that the subject individual is unable to submit fingerprints due to a physical or mental condition that makes compliance impossible or presents an undue safety risk to applicant or staff. To grant an

# ADMINISTRATIVE RULES

exception, the Criminal History Exception Request Form (DHS 1011D) must be signed by the District Manager or designee.

(8) No applicant may be issued or may retain a certificate of approval as a relative caregiver or a foster parent, or approval as an adoptive parent unless the following criminal offender information safety standards are met:

(a) Completion of a documented check of Oregon LEDS;

(b) Authorization and initiation of the other requirements to complete the criminal offender information records check process, including a fingerprint-based criminal offender check of national crime information databases when required for a subject individual;

(c) Granting of an exception for approval as required and authorized by OAR 413-120-0450 for any criminal convictions either acknowledged by the applicant or reported by the criminal offender information system; and

(d) Reconsideration of the approval upon receipt of any criminal history information not available at the time of previous approval.

(9) DHS reviews the criminal offender information, including fingerprint-based criminal offender information when obtained, of a subject individual. The assessment of fitness, based on the criminal offender information, that reflects the decision-making criteria, must be documented and filed in the relative caregiver, foster home, or adoption home record. The LEDS, OSP, and FBI reports may not be filed in these records and must be destroyed within 90 days.

(10) A subject individual determined not fit to be approved as an adoptive resource pursuant to these rules must be denied approval for adoption of a child in the custody of DHS.

(11) Unless an exception for approval is granted under these rules DHS must revoke a certificate of approval for a foster parent or relative caregiver, deny a renewal application, or remove from consideration for child placement an approved relative caregiver, family foster home, or approved adoption applicant if a subject individual is convicted of a crime in Oregon or any other jurisdiction since the time of the last approval.

(12) If DHS determines that the subject individual is not fit to be certified or approved as a relative caregiver or foster or adoptive parent based on criminal offender information or a false statement related to criminal offender information in the application, unless the subject individual voluntarily withdraws from the process, the Child Welfare field office must notify the subject individual in writing that the subject individual:

(a) Has a right to inspect and challenge his or her Oregon criminal offender information through OSP procedures as adopted per ORS 181.555(3) and OAR 257-010-0035;

(b) May challenge the accuracy or completeness of any entry on the subject individual's criminal records provided by the FBI by filing a challenge with the Assistant Director of the FBI Identification Division, Washington, D.C., 20537-9700; and

(c) May appeal DHS's determination of unfitness or indicate an intent to challenge information in the OSP or FBI report by requesting a contested case hearing pursuant to ORS chapter 183 and OAR Child Welfare Policy I-A.5.2, "Contested Case Hearings", OAR 413-010-0500 to 413-010-0535 provided that DHS receives the request for a contested case hearing in writing within 30 days from the date of mailing the notice.

(13) Upon the determination of DHS that an applicant for relative care, foster care, or adoption of a child in the custody of DHS under Child Welfare rules is not fit based on the criminal offender information or false statement of criminal offender information of another person in household, the certifier, adoption worker, or private agency adoption worker must inform --

(a) The other person in household whose record was reviewed of the right to inspect and challenge the subject individual's Oregon criminal offender information through OSP procedures as adopted per ORS 181.555(3) and OAR 257-010-0035 and the person's rights under ORS 181.557(2)(b);

(b) The other person in household whose record was reviewed of the right to challenge the accuracy or completeness of any entry on the subject individual's criminal records provided by the FBI by filing a challenge with the Assistant Director of the FBI Identification Division, Washington, D.C., 20537-9700; and

(c) The relative caregiver, foster parent, or adoption applicant whose approval is affected by the other person in household's criminal offender information or false statement about criminal offender information, via certified mail, that:

(A) Based on the other person in household's criminal offender information or false statement about criminal offender information, DHS may not certify or approve the relative caregiver, foster parent, or adoption appli-

cant as long as the other person in household remains in the home or provides care to a child in the home; and

(B) The relative caregiver, foster parent, or adoption applicant may appeal in a contested case hearing the DHS determination of unfitness based on the criminal offender information or false statement of criminal offender information concerning another person in household, provided that DHS receives the applicant's request for a contested case hearing in writing within 30 days from the date of mailing the notice to the applicant.

(14) Child Welfare Policy I-A.5.2, "Contested Case Hearings", OAR 413-010-0500 to 413-010-0535 describes the requirements and process for requesting a contested case hearing due to a denial or revocation of a Certificate of Approval or a denial of approval to adopt, based on the criminal history, or false statement with regard to criminal history, of an applicant or other person in the household.

### Rights for Review and Contested Case Hearings

(1) Contested case hearings are conducted by the Office of Administrative Hearings (OAH) under ORS Chapter 183 and OAR 137-003-0501 to 137-003-0700. Relative care, foster care, or adoption applicants have the right to appeal a decision made by DHS under its rules that the applicant is not fit for approval for placement of a child in the custody of DHS based on an authorized criminal offender information records check, or a false statement concerning a criminal offender information records check of the applicant or other person in household. An applicant must notify DHS in writing of the request for a contested case hearing within 30 calendar days after the notice is mailed by DHS to the applicant.

(2) DHS and OAH have no jurisdiction in a contested case hearing over allegations that the criminal offender information received from OSP or the FBI is inaccurate, incomplete, or maintained in violation of any federal or state law.

(3) DHS is entitled to rely on the criminal offender information supplied by OSP and the FBI until OSP or the FBI notifies DHS that the information has been changed or corrected. If an applicant has timely requested a contested case hearing, DHS will refer the matter to OAH for a hearing after the subject individual has been afforded a reasonable time to correct or complete the record, or has declined to do so.

(4) Prior to a contested case hearing being referred to OAH, DHS will convene an informal conference between DHS, the subject individual and his or her legal representative, if any, to review all available information and determine the need for a contested case hearing. At this informal conference, the subject individual must verify whether he or she has exercised his or her right to inspect or challenge the criminal offender information record or records or has declined to do so.

(5) To preserve the confidentiality of the records and the privacy of the subject individual, any contested case hearing under this rule will not be open to the public.

(6) The issues at a contested case hearing under this rule must be limited to the following matters:

(a) Whether the subject individual made a false statement in the application about a conviction or an arrest, has refused to consent to the criminal records check, or refused to be fingerprinted.

(b) Whether the subject individual has been convicted of a crime described in OAR 413-120-0450(4).

(c) If the subject individual has been convicted of any crime, other than those described in OAR 413-120-0450(4):

(A) The DHS determination that the behavior which resulted in the conviction is relevant to qualification to provide care as a relative caregiver, foster or adoptive parent, or fitness to be an other person in household; and

(B) The relationship between the facts supporting the conviction and the intervening circumstances as affecting the qualification to provide care as a relative caregiver, foster or adoptive parent, or fitness to be an other person in household.

(d) The relationship between the behavior that led to an arrest or arrests as affecting the qualification to provide care as a relative caregiver, foster or adoptive parent, or fitness to be an other person in household.

# ADMINISTRATIVE RULES

(7) A fingerprint card required for evidence in a contested case hearing must be destroyed by DHS when the contested case hearing procedure and any judicial review are concluded and final.

**Subject:** OAR 413-130-0000 is being amended to clarify the purposes of the rules about adoption assistance and to explain when adoption assistance may be extended for certain young adults.

OAR 413-130-0010 is being amended to add current and revise or remove outdated definitions of terms used throughout the rules about adoption assistance.

OAR 413-130-0015 is being adopted to describe the methods of funding for adoption assistance (state or federal funds) and how the Department responds to adoption assistance applications when neither are available.

OAR 413-130-0020 about special needs determination for adoption assistance eligibility is being amended to clarify the special needs determination requirements.

OAR 413-130-0030 about eligibility for nonrecurring expenses is being renumbered to OAR 413-130-0077.

OAR 413-130-0040 about eligibility for an adoption assistance payment is being amended to revise its description of federal requirements. This rule is also being amended to revise its description of when state-funded adoption assistance may be provided for children.

OAR 413-130-0045 about the connection between a child's immigrant status and adoption assistance is being repealed. This topic is being covered in OAR 413-130-0040.

OAR 413-130-0050 is being amended to revise the description of adoption assistance application requirements and responsibilities and give timelines for the negotiation process of adoption assistance base rate.

OAR 413-130-0055 is being adopted to implement HB 2052 (2011), which implements the federal Fostering Connections to Success and Increasing Adoptions Act of 2008, allowing extension of adoption assistance for certain young adults. This rule is also being amended to clarify the conditions under which a child who is turning 18 may be eligible to extend adoption assistance and to explain how a child with a developmental disability may qualify for an extension of adoption assistance.

OAR 413-130-0060 about written agreements between the Department and adoptive or pre-adoptive families when there is no current need for adoption assistance benefits is being repealed because the topic is now covered in OAR 413-130-0070.

OAR 413-130-0070 is being amended to revise the policies about the negotiation of adoption assistance base rate, level of care requirements, and the review process when an agreement cannot be reached during negotiation.

OAR 413-130-0075 is being amended to update terminology and clarify the conditions under which a pre-adoptive family or adoptive

family can request a renegotiation of an adoption assistance agreement.

OAR 413-130-0077 is being renumbered from OAR 413-130-0030 and amended to comply with federal requirements regarding citizenship or residency in the U.S. for an adopted child to receive nonrecurring adoption expenses.

OAR 413-130-0080 is being amended to update terminology and references, and clarify the expenses that the Department will reimburse for nonrecurring expenses.

OAR 413-130-0090 is being amended to clarify Department authorization of a special payment for unanticipated short-term costs directly related to the special needs of a child or young adult.

OAR 413-130-0100 about medical assistance and social services is being amended to remove topics now covered in Child Welfare Policy I-E.6.2, "Title XIX and General Assistance Medical Eligibility", OAR 413-100-0400 to 413-100-0610.

OAR 413-130-0110 is being amended to reorganize and make the rule easier to understand. It also sets out new federal education requirements for adoption assistance and the policies about changes of payees and overpayments.

OAR 413-130-0115 about the adoption assistance review committee and appeals procedure is being repealed because this topic is now covered in OAR 413-130-0070.

OAR 413-130-0125 is being amended to state when adjustments may and may not be made to adoption assistance. This rule also sets out the policy about automatic expiration of an adoption assistance agreement. This rule is also being amended to state how an adoption assistance payment may be modified by an across-the-board increase or reduction.

OAR 413-130-0130 is being amended to clarify the conditions under which the Department may consider adoption applications after a judgment of adoption has been issued.

Most of these rule changes make permanent temporary rule changes adopted June 30, 2011.

In addition, the above rules may also be changed to reflect new Department terminology and to correct formatting and punctuation.

### Purpose

(1) The purpose of these rules (OAR 413-130-0000 to 413-130-0130) is to describe the criteria for program eligibility and the types of adoption assistance that may be established for --

(a) A child in the legal custody of:

(A) The Department;

(B) A participating tribe; or

(C) A licensed adoption agency in Oregon.

(b) A child relinquished by a parent directly to a pre-adoptive family residing in Oregon.

(2) These rules do not include criteria for program eligibility for adoption assistance for a child placed for adoption in Oregon by another public child welfare agency, as adoption assistance is the responsibility of the sending state.

### Definitions

The following definitions apply to OAR 413-130-0000 to 413-130-0130:

(1) "Adoption assistance" means assistance provided on behalf of an eligible child or young adult to offset the costs associated with adopting and meeting the on-going needs of the child or young adult. Adoption assistance may be in the form of payments, medical coverage, reimbursement of nonrecurring expenses, or special payments.

(2) "Adoption assistance agreement" means a written agreement, binding on the parties to the agreement, between the Department and the pre-adoptive family or adoptive family of an eligible child or young adult, setting forth the assistance the Department is to provide on behalf of the

# ADMINISTRATIVE RULES

child or young adult, the responsibilities of the pre-adoptive family or adoptive family and the Department, and the manner in which the agreement and amount of assistance may be modified or terminated.

(3) "Adoption assistance agreement only" means a written agreement, binding on the parties to the agreement, between the Department and the pre-adoptive family or adoptive family of an eligible child or young adult, when the pre-adoptive family or adoptive family is not receiving an adoption assistance payment or medical coverage at the time of the agreement but may request it at a later date.

(4) "Adoption assistance base rate" means the portion of the adoption assistance payment that is negotiated with a pre-adoptive family or an adoptive family and cannot exceed the amount of the Oregon foster care base rate payment for the child's or young adult's age.

(5) "Adoption assistance payment" means a monthly payment made by the Department to the pre-adoptive family or adoptive family on behalf of an eligible child or young adult.

(6) "Adoption Assistance Review Committee" means a committee composed of local and central office staff with expertise in the area of adoption.

(7) "Adoptive family" means an individual or individuals who have legalized a parental relationship to the child who joined the family through a judgment of the court.

(8) "Applicable child" has the same meaning as in OAR 413-100-0335.

(9) "Base rate payment" means a payment to the foster parent or relative caregiver for the costs of providing the child or young adult with the following:

(a) Food — including the cost to cover a child's or young adult's special or unique nutritional needs;

(b) Clothing — including purchase and replacement;

(c) Housing — including maintenance of household utilities, furnishings, and equipment;

(d) Daily supervision — including teaching and directing to ensure safety and well-being at a level which is appropriate based on the child's or young adult's chronological age;

(e) Personal incidentals — including personal care items, entertainment, reading materials, and miscellaneous items; and

(f) The cost of providing transportation — including local travel associated with expenditure for gas and oil, and vehicle maintenance and repair associated with transportation to and from extracurricular, child care, recreational, and cultural activities.

(10) "CANS screening" means Child and Adolescent Needs and Strength screening, a process of gathering information on a child's or young adult's needs and strengths used for one or more of the following purposes:

(a) Identifying case planning, service planning, and supervision needs of the child or young adult in substitute care with a certified family; and

(b) Determining the level of care payment while in substitute care with a certified family; and

(c) Determining the level of care payment included in an adoption assistance agreement or guardianship assistance agreement.

(11) "Child" means a person under 18 years of age.

(12) "Department" means the Department of Human Services, Child Welfare.

(13) "Enhanced supervision" means the additional support, direction, observation, and guidance necessary to promote and ensure the safety and well-being of a child or young adult when the child or young adult qualifies for a level of care payment.

(14) "Legally free" means that, with respect to a child, the legal rights of all parents with legal standing have been judicially terminated, voluntarily relinquished, or otherwise terminated by operation of law, thus allowing for the child to be adopted.

(15) "Level of care payment" means the payment provided to an approved or certified family, a guardian, a pre-adoptive family, or an adoptive family based on the child's or young adult's need for enhanced supervision as determined by applying the CANS algorithm to the results of the CANS screening.

(16) "Licensed adoption agency" means an adoption agency licensed by the state of Oregon to place children for adoption, or an adoption agency that holds a license from another state and is authorized under the laws of that state to place children for adoption.

(17) "Nonrecurring adoption assistance agreement" means a written agreement, binding on the parties to the agreement, between the Department and the pre-adoptive family of an eligible child for a one-time payment to reimburse the adoptive family for the reasonable and necessary

expenses incurred in legally finalizing the adoption of a child who has been determined to have special needs.

(18) "Nonrecurring expenses" mean a one-time payment up to \$1,500 per child, which the Department will pay to an adoptive family to assist with the reasonable and necessary expenses incurred in legally finalizing the adoption of an eligible child.

(19) "Parent" means the biological or adoptive mother or the legal father of the child. A legal father is a man who has adopted the child or whose paternity has been established or declared under ORS 109.070, ORS 416.400 to 416.465, or by a juvenile court. In cases involving an Indian child under the Indian Child Welfare Act (ICWA), a legal father includes a man who is a father under applicable tribal law. "Parent" also includes a putative father who has demonstrated a direct and significant commitment to the child by assuming or attempting to assume responsibilities normally associated with parenthood unless a court finds that the putative father is not the legal father.

(20) "Participating tribe" means a federally recognized Indian tribe in Oregon with a Title IV-E agreement with the Department.

(21) "Pre-adoptive family" means an individual or individuals who:

(a) Has been selected to be the child's adoptive family; and

(b) Is in the process of legalizing the relationship to the child through the judgment of the court.

(22) "Qualified alien" has the same meaning as in OAR 413-100-0210(2) and 8 USC 1641(b).

(23) "Qualified vendor attorney" means an attorney who has a price agreement with the Department to process the adoption of a child who is eligible for adoption assistance.

(24) "Sibling" means one of two or more children or young adults related:

(a) By blood or adoption through a common legal parent;

(b) Through the marriage of the legal or biological parents of the children or young adults; or

(c) Through a legal or biological parent who is the registered domestic partner of the legal or biological parent of the children or young adults.

(25) "Special payment" means a payment for unanticipated short-term costs which are directly related to the special needs of the child or young adult or are essential to the welfare of the child or young adult, and are not covered by another resource available to the adoptive family.

(26) "Substitute care" means the out-of-home placement of a child or young adult who is in the legal or physical custody and care of the Department.

(27) "Young adult" means a person aged 18 through 20 years.

### Funding for Adoption Assistance

(1) The Department makes efforts to establish Title IV-E adoption assistance eligibility under Child Welfare Policy I-E.6.1, "Title IV-E Foster Care, Adoption Assistance, and Guardianship Assistance Eligibility", OAR 413-100-0335 to access federal reimbursement for adoption assistance.

(2) A child determined to have special needs under OAR 413-130-0020 who is ineligible for Title IV-E funded adoption assistance is eligible for state funded adoption assistance as described in OAR 413-130-0040. Administration of state funded adoption assistance is dependent upon the availability of such funds.

(3) When all available state funds are obligated, the Department must continue to:

(a) Accept new applications;

(b) Accept requests to adjust an adoption assistance payment; and

(c) Establish a waiting list.

(4) As state funds become available, an adoption assistance payment may be made according to the date that the adoption assistance agreement is signed by all parties. The adoption assistance agreement may be retroactive for up to twelve months only when a foster care base rate payment, level of care payment, or personal care service payment was not made on behalf of the child.

(5) When state funds are unavailable and a new adoption assistance application is received, the pre-adoptive family may sign an adoption assistance agreement only to prevent delay in finalizing the adoption, with the understanding that adoption assistance may be requested at a later date.

### Special Needs Determination for Adoption Assistance Eligibility

(1) In order to be eligible for adoption assistance, funded through either federal or state funds, a child must be determined to have special needs.

(2) The Department must make the determination that the child has special needs under each of the following subsections:

(a) The child cannot or should not be returned to the home of his or her parent or parents. This decision is based on one of the following paragraphs:

(A) An order from a court of competent jurisdiction terminating parental rights.

(B) The existence of a petition for termination of parental rights.

(C) A voluntary relinquishment of parental rights for a child under the jurisdiction of the court, in the custody of the Department, or in a subsequent adoption when there was an adoption assistance agreement in place during the prior adoption.

(D) A voluntary relinquishment of parental rights and a judicial determination that remaining in the home of a specified relative as defined in Child Welfare Policy I-E.6.1, "Title IV-E Foster Care, Adoption Assistance, and Guardianship Assistance Eligibility", OAR 413-100-0020 would be contrary to the welfare of the child. The request for the judicial determination must be filed within six months of the time the child last lived with the specified relative.

(E) For a child who can be adopted in accordance with state or tribal law without a termination of parental rights or voluntary relinquishment of parental rights, the valid reason why the child cannot or should not be returned to the home of his or her parents.

(F) In the case of an orphan, verification of the death of the parent or parents.

(b) The child has at least one of the following factors or conditions that make adoptive placement difficult to achieve:

(A) A documented medical, physical, mental, emotional condition or other clinically diagnosed disability, or a documented history of abuse or neglect or other identified predisposing factor that places the child at significant risk for future problems that need treatment;

(B) Is a member of a sibling group which will be placed together and is difficult to place because there are three or more children, or if in a sibling group of two, at least one of the children is six years of age or older;

(C) Is a member of an ethnic, racial, or cultural minority (such as African American, Hispanic, Asian, Indian, or Pacific Islander); or

(D) Is eight years of age or older.

(3) A reasonable but unsuccessful effort to place the child with an appropriate adoptive family for adoption without adoption assistance has been made, unless such an effort is not in the best interest of the child for reasons including placement with a relative or another person with whom the child has an established significant relationship.

## 413-130-0040

### Eligibility for Adoption Assistance Payments

(1) In determining eligibility for an adoption assistance payment, the Department may not impose an income eligibility requirement for the pre-adoptive family or adoptive family.

(2) To be eligible for a Title IV-E funded adoption assistance payment, a child must meet all of the following requirements.

(a) Be a citizen of the United States or a qualified alien as described in OAR 413-100-0210(2) and in 8 USC 1641(b) or (c).

(b) When the child is a qualified alien and is placed with a pre-adoptive parent who is an unqualified alien, the child must meet the five year residency requirement set forth in The Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193.

(c) Be determined eligible for Title IV-E adoption assistance under OAR 413-100-0335.

(3) A licensed adoption agency, participating tribe, or another individual applying to receive adoption assistance on behalf of a child deter-

mined to have special needs must make all requested efforts to assist the Department in establishing Title IV-E eligibility.

(4) Except as provided in section (5) of this rule, a child determined to be ineligible for a Title IV-E adoption assistance payment is eligible for a state-funded adoption assistance payment when the child meets all of the following criteria.

(a) Is in the legal custody of:

(A) The Department;

(B) A participating tribe; or

(C) A licensed adoption agency and the child is placed with a family residing in Oregon.

(b) Is not eligible for or receiving adoption assistance for the same child through another state.

(c) Is determined to have special needs in accordance with OAR 413-130-0020.

(d) Meets the requirements in section (6) of this rule.

(5) A child relinquished by a parent directly to a family residing in Oregon who is not eligible for a Title IV-E funded adoption assistance payment is only eligible for a state funded adoption assistance payment when-

(a) A state funded adoption assistance agreement was previously in effect on behalf of the child;

(b) The pre-adoptive family or adoptive family is not eligible for or receiving adoption assistance for the same child through another state;

(c) The child is in a subsequent adoption; and

(d) The child meets the requirements in section (6) of this rule.

(6) In addition to the eligibility requirements in section (4) or (5) of this rule, a child must also be a citizen of the United States to receive a state funded adoption assistance payment when the child is being brought into the United States for the purpose of adoption or being placed outside of the United States, or a territory or possession thereof.

(7) When an adopted child becomes legally free for re-adoption due to the voluntary relinquishment of parental rights, the termination of the rights of the legal parent or parents, or the death of the legal parent or parents:

(a) The child must be determined to have special needs under OAR 413-130-0020 at the time the child again becomes available for adoption; and

(b) The determination of funding eligibility of the adopted child for adoption assistance remains as it was the last time the child was determined eligible for adoption assistance.

### Adoption Assistance Application Requirements and Responsibilities

(1) A licensed adoption agency recommending adoption assistance for a pre-adoptive family must verify and document that recruitment efforts under OAR 413-130-0020(2)(c) were made for the child.

(2) A pre-adoptive family under OAR 413-130-0040(5) may contact the Adoption Assistance and Guardianship Assistance Unit for help in submitting a written adoption assistance application directly to the Department.

(3) A pre-adoptive family of a child in the custody of the Department must notify the Department in writing if they choose not to accept any form of adoption assistance.

(4) An adoption assistance application is considered complete when the Adoption Assistance and Guardianship Assistance Unit has received a signed adoption assistance application form and all supporting documentation.

(5) Except as described in subsections (a) to (c) of this section, the Adoption Assistance and Guardianship Assistance Unit must begin negotiation of the adoption assistance agreement no later than 60 days after receipt of a completed adoption assistance application submitted for a legally free child in the home of an approved pre-adoptive family.

(a) The Department may delay negotiation of the adoption assistance base rate for a completed application when the child is due for an updated CANS screening, a new CANS screening is warranted, or a CANS screening is in process or completed but a decision is pending regarding the level of care payment.

# ADMINISTRATIVE RULES

(b) The Department may delay negotiation following a request by the caseworker, the pre-adoptive family, or adoptive family when there are extenuating circumstances regarding the child or family.

(c) When negotiation is delayed under subsections (a) or (b) of this section, the Adoption Assistance and Guardianship Assistance Unit must begin negotiation of the adoption assistance base rate no later than 30 days from receipt of the final decision regarding the level of care payment.

### Extension of Adoption Assistance for a Young Adult

(1) The Department may approve an extension of an adoption assistance agreement for an individual under the age of 21 when the individual reaches the age of 18 on or after October 1, 2011 and meets subsection (a) or (b) of this section.

(a) An initial adoption assistance agreement was entered into on behalf of a child, and at the time of his or her 18th birthday, he or she:

(A) Qualifies as an individual with a developmental disability as determined by the Oregon Department of Human Services, Developmental Disabilities Services;

(B) If living in a state other than Oregon, qualifies as an individual with a developmental disability as determined by the equivalent developmental disability program in that state; or

(C) Qualifies for Supplemental Security Income (SSI) as determined by the Social Security Administration.

(b) An initial adoption assistance agreement was entered into on behalf of a child who is age 16 or 17, and upon reaching the age of 18, he or she is:

(A) Completing secondary school (or equivalent);  
(B) Enrolled in post-secondary or vocational school;  
(C) Participating in a program or activity that promotes or removes barriers to employment;

(D) Employed for at least 80 hours a month; or  
(E) Determined incapable of any of the above due to a documented medical condition, physical disability, or mental disability.

(2) In order for the extension of adoption assistance as described in subsection (1)(a) of this rule to continue on behalf of a young adult, the adoptive family must submit to the Department, upon request and before the child's 18th birthday, documentation from the agency making the determination described in paragraphs (1)(a)(A) through (C) of this rule.

(3) If an individual does not meet the requirements under subsection (1)(a) of this rule or the adoptive family does not submit the documentation before the individual's 18th birthday as required in section (2) of this rule, the Department may not approve an extension of an adoption assistance agreement.

(4) An extension of adoption assistance approved pursuant to subsection (1)(a) of this rule will continue until the young adult turns 21 years old.

(5) In order for the extension of adoption assistance as described in subsection (1)(b) of this rule to continue on behalf of a young adult, the adoptive family must submit to the Department, upon request:

(a) Proof that the young adult continues to be enrolled in a secondary, post-secondary, vocational school, or a program or activity that promotes or removes barriers to employment;

(b) Proof that the young adult is employed for at least 80 hours a month; or

(c) Verification from a medical or mental health professional that the young adult is incapable of attending school or obtaining employment due to a medical condition.

(6) The Department will review the young adult's eligibility for continued adoption assistance when an extension of adoption assistance has been granted under subsection (1)(b) of this rule:

(a) At least annually; or  
(b) When information is received that indicates the young adult may no longer be eligible for adoption assistance or may be eligible for adoption assistance in a different amount.

(7) The adoptive family must notify the Department, orally or in writing, of any changes in circumstances that may make the young adult:

(a) Ineligible for adoption assistance; or  
(b) Eligible for adoption assistance in a different amount.

### Negotiation and Determination of the Monthly Adoption Assistance Payment

(1) When adoption assistance is not provided, a pre-adoptive family or adoptive family may enter into an adoption assistance agreement only.

(2) The monthly adoption assistance payment may not exceed the total of:

(a) The adoption assistance base rate; and  
(b) When applicable, the level of care payment determined by the CANS screening conducted under OAR 413-020-0230.

(3) The monthly adoption assistance base rate:

(a) Is determined through discussion and negotiation between the Department and the pre-adoptive family or adoptive family.

(b) May not exceed the current foster care base rate payment the child or young adult would be eligible to receive in foster care under OAR 413-090-0010(1)(b).

(c) Is negotiated between the pre-adoptive family or adoptive family and the Department, taking into consideration relevant factors which include, but are not limited to:

(A) The ordinary and special needs of the child or young adult;  
(B) The services and goods required to meet the needs of the child or young adult;

(C) The cost of the services and goods required to meet the needs of the child or young adult;

(D) The circumstances of the pre-adoptive family or adoptive family and their ability to provide the required services and goods for the child or young adult; and

(E) The resources available to the pre-adoptive family or adoptive family such as medical coverage, private health insurance, public education, other income sources and community resources.

(4) When, during negotiation of the adoption assistance base rate, the Adoption Assistance and Guardianship Assistance Coordinator and the pre-adoptive family or adoptive family are unable to reach agreement, the Adoption Assistance and Guardianship Assistance Coordinator or the family may request a review by the Adoption Assistance Review Committee. When a review is requested:

(a) An Adoption Assistance and Guardianship Assistance Coordinator must:

(A) Prepare documentation for the scheduled Adoption Assistance Review Committee;

(B) Notify the pre-adoptive family or adoptive family and the assigned caseworkers of the date of the committee; and

(C) Attend and participate in the Adoption Assistance Review Committee.

(b) The pre-adoptive family or adoptive family may provide written documentation to the Adoption Assistance and Guardianship Assistance Coordinator for the review and consideration by the Adoption Assistance Review Committee.

(c) The caseworker for the pre-adoptive family or adoptive family and the caseworker for the child or young adult may participate in an Adoption Assistance Review Committee meeting and may present information and respond to questions. The caseworkers may not participate in the deliberations of the Adoption Assistance Review Committee.

(d) The Adoption Assistance Review Committee members must:

(A) Consider written documentation provided by the pre-adoptive family or adoptive family, the caseworker for the pre-adoptive family or adoptive family, the caseworker for the child or young adult, and the Adoption Assistance and Guardianship Assistance Coordinator.

(B) Review materials submitted to the Adoption Assistance Review Committee, deliberate, and make a recommendation regarding the adoption assistance base rate.

(e) At the conclusion of the Adoption Assistance Review Committee, the Adoption Assistance and Guardianship Assistance Coordinator must:

(A) Document the recommendation of the Adoption Assistance Review Committee; and

(B) Submit the recommendation to the Assistant Adoption Program Manager or designee within one business day of the Adoption Assistance Review Committee meeting.

(f) The Assistant Adoption Program Manager or designee must:

(A) Attend the Adoption Assistance Review Committee and may ask clarifying questions, but does not participate in the deliberation or recommendation of the Adoption Assistance Review Committee; and

# ADMINISTRATIVE RULES

(B) Make a decision and provide written notification of the decision regarding the adoption assistance base rate to the Adoption Assistance and Guardianship Assistance Coordinator within one business day of the Adoption Assistance Review Committee meeting.

(g) The Adoption Assistance and Guardianship Assistance Coordinator must notify the pre-adoptive family or adoptive family of the Assistant Adoption Program Manager or designee's decision, including a written notice, within ten business days of the decision.

(5) A pre-adoptive family or adoptive family unsatisfied with the adoption assistance base rate decision of the Assistant Adoption Program Manager or designee under paragraph (4)(f)(B) of this rule may submit a written request for a review of the decision by the Adoption Program Manager or designee within 14 days of the date of the written notice in subsection (4)(g) of this rule.

(6) The Adoption Program Manager or designee must complete each of the following actions.

(a) Review and consider:

(A) The materials submitted to the Adoption Assistance Review Committee;

(B) The recommendation of the committee;

(C) The decision made by the Assistant Adoption Program Manager or designee following the committee recommendation; and

(D) The information presented by the pre-adoptive family or adoptive family in the request submitted under section (5) of this rule.

(b) Make a decision within 60 days of the date of the request for review.

(c) Provide written notification to the pre-adoptive family or adoptive family and the Adoption Assistance and Guardianship Assistance Coordinator within ten business days of the decision in subsection (b) of this section.

(7) The monthly level of care payment:

(a) Is determined based on the results of a CANS screening conducted under OAR 413-020-0230;

(b) May not exceed the amount of the level of care payment set forth in OAR 413-090-0010(2)(g); and

(c) Is included in the adoption assistance payment when the child or young adult qualifies for a level of care payment and when requested by the pre-adoptive family or adoptive family.

(8) When a pre-adoptive family or adoptive family is unsatisfied with the final adoption assistance offer from the Department, consisting of the adoption assistance base rate and, when applicable, a level of care payment, the pre-adoptive family or adoptive family has the right to a contested case hearing under Child Welfare Policy I-A.5.2, "Contested Case Hearings", OAR 413-010-0500 to 413-010-0535.

(9) An initial adoption assistance payment begins on a date determined by the Department when all of the following criteria are met:

(a) The child is legally free for adoption;

(b) Unless the child is in the custody of a pre-adoptive family eligible to apply for adoption assistance under OAR 413-130-0040(5) or the Department has approved an adoptive family to apply for adoption assistance under OAR 413-130-0130 -- the Department, participating tribe, or licensed adoption agency has approved the pre-adoptive family as the adoptive placement; and

(c) An adoption assistance agreement has been signed by the pre-adoptive family or adoptive family and by the Department representative.

(10) An adoption assistance payment is issued at the end of each month of eligibility.

(11) An adoption assistance payment made to a pre-adoptive family or an adoptive family by the Department is inalienable by any assignment or transfer and exempt from garnishment, levy, or execution under the laws of this state.

### Renegotiation of an Adoption Assistance Payment

(1) The Department, pre-adoptive family, or adoptive family may request renegotiation of an adoption assistance agreement. When the pre-adoptive family or adoptive family has previously signed an adoption assistance agreement only and requests adoption assistance at a later date, it is considered a renegotiation.

(2) A request for renegotiation of the adoption assistance agreement made by a pre-adoptive family or adoptive family must:

(a) Be in writing in a format provided by the Department to the pre-adoptive family or adoptive family;

(b) Document changes in the circumstances of the pre-adoptive family or adoptive family, when applicable;

(c) Document the needs of the child or young adult;

(d) Provide information about the financial expenses of the pre-adoptive family or adoptive family in meeting the needs of the child or young adult; and

(e) Provide additional documentation of the child's or young adult's current behaviors when the child or young adult meets the eligibility requirements for consideration of a level of care payment under OAR 413-020-0230 and the pre-adoptive family or adoptive family is requesting a level of care payment.

(3) Renegotiation of the adoption assistance base rate will be conducted using the negotiation process described in OAR 413-130-0070(2)-(8).

(4) A new adoption assistance agreement must be signed by all parties each time the adoption assistance payment changes as a result of renegotiation.

(5) The Department may authorize a renegotiated adoption assistance payment increase or decrease for the period commencing the first day of the month in which the Department receives the documentation required to complete the requested renegotiation, or another date agreed upon by the pre-adoptive family or adoptive family and the Department.

(6) The Department may approve up to twelve months of retroactive payments unless a contested case hearing was requested and a subsequent decision necessitates a payment of more than twelve months. The decision includes any decision by the Department, including:

(a) A final order;

(b) A stipulated final order;

(c) A settlement agreement; or

(d) Any other agreement resulting in withdrawal of the contested case. Stat. Auth.: ORS 418.005, 418.340

### Eligibility for Nonrecurring Expenses

(1) Except as provided in section (2) of this rule, a pre-adoptive family is eligible for reimbursement of nonrecurring expenses through Title IV-E funding on behalf of a child determined to have special needs under OAR 413-130-0020 when the child is in the custody of:

(a) The Department, a participating tribe, a licensed adoption agency; or

(b) An Oregon family following a relinquishment of parental rights by the legal parent directly to the Oregon family.

(2) For applications received on or after October 1, 2010, reimbursement for nonrecurring expenses is prohibited on behalf of an applicable child who:

(a) Is not a citizen or resident of the United States; and

(b) Was either adopted outside the United States or was brought to the United States for the purpose of being adopted.

### Payment for Nonrecurring Expenses

(1) An agreement, indicating the nature and amount of nonrecurring expenses, must be signed prior to the final judgment of adoption. Payment for nonrecurring expenses is made when the Department receives the final judgment of adoption.

(2) The Department will reimburse an adoptive family up to \$1,500 for each eligible child for approved nonrecurring expenses, including but not limited to:

(a) The cost of a home study;

(b) Court costs;

(c) Legal fees, as authorized by the Department;

# ADMINISTRATIVE RULES

(d) Physical and psychological examinations required for the adoption; and

(e) Travel to visit with the adoptive child prior to the placement.

(3) The Department will consider requests for nonrecurring expenses that:

(a) Are submitted with written documentation to the Adoption Assistance and Guardianship Assistance Unit;

(b) Are not in violation of state or federal law; and

(c) Do not duplicate expenses covered by:

(A) The Interstate Compact for Placement of Children;

(B) A Department contract with a licensed adoption agency; or

(C) Another resource available to the adoptive family.

(4) When a pre-adoptive family indicates that they will be using a qualified vendor attorney, the Adoption Assistance and Guardianship Assistance Unit must send the pre-adoptive family a list of qualified vendor attorneys.

(5) The pre-adoptive family may select and contact an attorney from the list of qualified vendor attorneys, in which case the pre-adoptive family must:

(a) Sign the legal fees agreement; and

(b) Send the legal fees agreement to the attorney, who will sign it and return it to the Department for payment after the judgment of adoption is received.

(6) The pre-adoptive family may privately retain an attorney, in which case:

(a) The adoptive family is responsible for paying the attorney; and

(b) The Department will reimburse the adoptive family reasonable charges equal to the amount allowed for a qualified vendor attorney unless the Adoption Assistance and Guardianship Assistance Coordinator has determined that a higher amount may be considered due to extraordinary circumstances.

### Special Payments

(1) A request for a special payment:

(a) May be made after finalization of the adoption by an adoptive family who has an existing adoption assistance agreement with the Department; and

(b) Must include documentation from the adoptive family when requested by the Department.

(2) The Department may authorize a special payment for a limited duration, on a case-by-case basis, subject to the availability of resources.

(3) An approved special payment may only be issued to the adoptive family.

### Medical Assistance

(1) A child or young adult who is the subject of an adoption assistance agreement funded by Title IV-E funds is categorically eligible for medical assistance through Title XIX and eligible for social services through Title XX.

(2) A child or young adult who is the subject of an adoption assistance agreement funded with state general funds is eligible for medical assistance under Child Welfare Policy I-E.6.2, "Title XIX and General Assistance Medical Eligibility", OAR 413-100-0400 to 413-100-0610 when:

(a) The child or young adult resides in Oregon; or

(b) The child or young adult resides outside of Oregon but in the United States or a territory or possession thereof and is not able to obtain medical assistance in his or her place of residence.

(3) When the adoptive child or young adult resides outside of Oregon, the Department provides the necessary documentation to the state of residence of the child or young adult through the Interstate Compact on

Adoption and Medical Assistance (ICAMA) to assist the pre-adoptive family or adoptive family in obtaining medical assistance for the child or young adult.

(4) Medical assistance is not provided for a child or young adult who resides outside of the United States, a territory or possession thereof.

### Administration of Approved Adoption Assistance

(1) Except as provided in OAR 431-130-0130, in order for the Department to provide adoption assistance on behalf of an eligible child:

(a) An adoption assistance agreement must be signed by each individual who is a party to the agreement and a Department representative; and

(b) The adoption assistance agreement must be in effect before the judgment of adoption.

(2) An adoption assistance agreement must include each of the following:

(a) A statement indicating that an adoption assistance agreement remains in effect regardless of the state or residency of the pre-adoptive family or the adoptive family and the child.

(b) An effective date which:

(A) Must be after the completion of a signed adoption assistance application; and

(B) Except as provided in OAR 413-120-0130, must be before the date of the judgment of adoption.

(c) Information identifying the eligibility of the child or young adult to receive medical assistance and specifying the eligibility of the child or young adult for Title XIX and XX.

(d) Information that ORS 192.520 allows the Oregon Health Plan (OHP) and OHP managed care plans to exchange the following protected health information without authorization from the pre-adoptive family or adoptive family for the purpose of treatment activities related to behavioral or physical health of the child or young adult when the child or young adult is the recipient of OHP services:

(A) The name and Medicaid recipient number for the child or young adult;

(B) The hospital or medical provider for the child or young adult;

(C) The hospital or medical provider's Medicaid number;

(D) Each diagnosis for the child or young adult;

(E) Each treatment activity's date of service;

(F) Each treatment activity's procedure or revenue code;

(G) The quantity of units or services provided; and

(H) Information about medication prescription and monitoring.

(e) Specification of the amount and nature of all adoption assistance to be provided.

(f) A statement informing the pre-adoptive family or adoptive family of the right to a contested case hearing under Child Welfare Policy I-A.5.2, "Contested Case Hearings", OAR 413-010-0500 to 413-010-0535.

(3) The Department remains financially responsible for providing the services specified in the adoption assistance agreement if the needed service is not available in the new state or service area of residence, except as described in OAR 413-130-0100(4).

(4) The foster care base rate payment, level of care payment, any level of personal care payment, and medical coverage end when adoption assistance begins. Medical assistance, as determined by the child's eligibility, may continue when requested by the pre-adoptive family or adoptive family.

(5) The Department may require documentation from the pre-adoptive family or adoptive family verifying that the child:

(a) Is enrolled in an elementary or secondary school as determined by the law of the state of residence;

(b) Is home schooled in accordance with the law of the state of residence;

(c) Is enrolled in an independent study program in accordance with the law of the state of residence;

(d) Has completed secondary school; or

(e) Is incapable of attending school due to a documented medical condition, mental disability, or physical disability.

(6) A pre-adoptive family or adoptive family must immediately inform the Adoption Assistance and Guardianship Assistance Unit of a

# ADMINISTRATIVE RULES

change in circumstances that may make them ineligible for adoption assistance or eligible for an adoption assistance payment in a different amount.

(7) An individual who is a party to an adoption assistance agreement may request a change of payee due to a divorce, legal separation, or other judicially recognized modification of custody.

(a) The requesting individual must provide the Department with the current address and telephone number of the current payee.

(b) The Department must notify the current payee that there has been a request to change the payee within 30 days of receipt of a request for a change of payee.

(c) Unless the current payee submits a challenge to the request to change payee within 30 days of the date the Department sends the notice in subsection (b) of this section, the request to change payee will be approved.

(d) If the change of payee is challenged, the Department requires legal documentation describing physical custody of the child to make a change in payee.

(e) The new payee must be one of the parties to the adoption assistance agreement.

(8) Overpayment.

(a) If the Department issues an adoption assistance payment on behalf of a child or young adult after the date the adoption assistance agreement automatically expires, the Department may seek reimbursement of the overpayment and the pre-adoptive family or the adoptive family must repay the Department.

(b) If the pre-adoptive family or adoptive family fails to comply with any provisions of the adoption assistance agreement, including failing to notify the Department of any of the events or circumstances described in section (6) of this rule, the Department may collect any adoption assistance payment or medical assistance which the Department would not have provided had the pre-adoptive family or adoptive family complied with the provisions of the adoption assistance agreement.

### Adjustments of Adoption Assistance

(1) The Department may request updated information from the pre-adoptive family or the adoptive family when the Department becomes aware of a change in circumstances that may make the pre-adoptive family or the adoptive family ineligible for adoption assistance or eligible for adoption assistance in a different amount.

(2) When the adoptive family divorces, legally separates, or is party to a judicially recognized modification of custody, the Department may request updated information, including financial information, to reflect the change in family circumstances.

(3) When there is an across-the-board reduction or increase in the base rate payment or level of care payment that the child or young adult would be eligible to receive if the child or young adult were in foster care, the Department may, after a case-by-case review and without concurrence of the adoptive family, adjust the adoption assistance payment to an amount that does not exceed the new foster care payment the child or young adult would receive if currently in foster care, as follows:

(a) In the case of a reduction, only those payments that exceed the amount the child or young adult would be eligible for if currently in foster care would be reduced, and the reduction would only be to the amount that the child or young adult would be eligible to receive if currently in foster care.

(b) In the case of an increase, the Department, considering the needs of the child or young adult and the circumstances of the adoptive family, may increase the adoption assistance payment to an amount that does not exceed the new foster care payment the child or young adult would receive if currently in foster care.

(4) If, upon an adjustment under section (3) of this rule, the Department intends to adjust an adoption assistance payment without the concurrence of the adoptive family, the Department will provide the adoptive family and the child or young adult with written notice as described in Child Welfare Policy I-A.5.2, "Contested Case Hearings", OAR 413-010-0500 to 413-010-0535.

(5) The Department, with the concurrence of the pre-adoptive family or adoptive family, may adjust or suspend the adoption assistance payment

to reflect a change in the pre-adoptive family or adoptive family's circumstances or expenses on behalf of the child or young adult.

(6) The Department will terminate the adoption assistance agreement upon ten days written notice to the pre-adoptive family or adoptive family when it becomes known to the Department that the pre-adoptive family or adoptive family is no longer providing any support to the child or young adult or is no longer legally responsible for the support of the child or young adult, including under the following circumstances:

(a) When the parental rights of the adoptive family have been terminated or relinquished.

(b) When the child becomes an emancipated minor.

(c) When the child or young adult:

(A) Marries.

(B) Enlists in the military.

(C) Dies.

(d) When the young adult no longer meets the eligibility requirements in OAR 413-130-0055.

(7) The adoption assistance agreement automatically expires when the child reaches the age of 18 or, when an extension has been granted under OAR 413-130-0055, no later than when the young adult reaches the age of 21 as documented in the adoption assistance agreement.

### Post Judgment of Adoption Applications for Adoption Assistance

(1) An adoptive family asking to apply for adoption assistance after the judgment of adoption must submit a written request to the Adoption Assistance and Guardianship Assistance Unit, 500 Summer Street NE, E-71, Salem, Oregon 97301, based on one or more of the following extenuating circumstances:

(a) Relevant facts regarding the child, the biological family, or background of the child were known, but not shared with the adoptive family prior to legal finalization of the adoption;

(b) Adoption assistance was denied based on an assessment of the financial need of the adoptive family;

(c) The Department determined the child was ineligible for adoption assistance, but information becomes known which indicates a review of the determination is appropriate; or

(d) The Department failed to advise the adoptive family of a special needs child of the availability of adoption assistance.

(2) Upon receipt of the written request, the Department must determine, within 30 days, whether the child meets Title IV E eligibility requirements.

(3) The Department or adoptive family may seek historic information regarding the child to determine eligibility for adoption assistance through a:

(a) Request to the adoption registry as provided by ORS 109.425 through 109.507; or

(b) Court order to review the sealed adoption file.

(4) When a child is Title IV-E eligible, a decision is made through a contested case hearing on whether the adoptive family may apply for adoption assistance after the judgment of adoption based on the extenuating circumstances in section (1) of this rule:

(a) The Adoption Assistance and Guardianship Assistance Coordinator must write a summary of the situation and submit a hearing referral and supporting documentation to the Office of Administrative Hearings within 45 days of receipt of the request in section (1) of this rule.

(b) An adoptive family has the burden of proof to show that extenuating circumstances exist. The Department may provide corroborating facts to both the adoptive family and the administrative law judge.

(c) The contested case hearing is conducted under Child Welfare Policy I-A.5.2, "Contested Case Hearings", OAR 413-010-0500 to 413-010-0535.

(5) When a child does not meet Title IV E eligibility requirements, the Adoption Program Manager determines if extenuating circumstances under section (1) of this rule exist that justify accepting an adoption assistance application from the adoptive family.

(a) The Adoption Assistance and Guardianship Assistance Coordinator must prepare information for review by the Adoption Program Manager including information submitted by both the adoptive family and Department records.

# ADMINISTRATIVE RULES

(b) A written finding will be sent to the adoptive family within 60 days of the receipt of the request for review.

(c) When the Adoption Program Manager finds that extenuating circumstances do not exist, the adoptive family may request a contested case hearing under Child Welfare Policy I-A.5.2, "Contested Case Hearings", OAR 413-010-0500 to 413-010-0535.

(A) The administrative law judge in the contested case hearing reviews whether the adoptive family may submit an application for adoption assistance.

(B) The approval of the adoption assistance application is a separate determination made by the Department.

(6) When the decision, through a contested case hearing or Adoption Program Manager review, is that the adoptive family is eligible to apply for adoption assistance on behalf of the child, an adoption assistance application may be signed, effective the date of the written request described in section (1) of this rule. The process for application in OAR 413-130-0050 and negotiation in OAR 413-130-0070 apply.

## 413-200-0270

### Purpose

(1) The purpose of these rules (OAR 413-200-0270 to 413-200-0296) is to describe the activities of the Department related to:

(a) The certification of a relative caregiver or foster parent, and the assessment of a potential adoptive resource;

(b) Monitoring a certified family's compliance with the Certification Standards; and

(c) Recertification of a certified family.

(2) Regardless of the nature of the relationship between a family and a child or young adult, a family must be assessed and certified prior to placement of the child or young adult in the home.

(3) In these rules, unless otherwise indicated, a child or young adult refers to a child or young adult in the care or custody of the Department.

(4) OAR 413-200-0276, 413-200-0278, 413-200-0281, 413-200-0283, 413-200-0285, 413-200-0287, 413-200-0289, 413-200-0292, 413-200-0294, and 413-200-0296 do not apply to a potential adoptive resource.

### Definitions

The following definitions apply to OAR 413-200-0270 to 413-200-0296:

(1) "Adoptive resource" means an individual or individuals selected by the Department, another public child welfare agency, or a licensed adoption agency as the adoptive family for a child where no administrative review was requested within the timeframe allowed for such a request, or if a review was requested, the selection has been sustained by that review and the review is complete.

(2) "Applicant" means an individual or individuals who apply:

(a) To become or remain a certified family;

(b) For approval as a potential adoptive resource.

(3) "Certificate of Approval" means a document that the Department issues to approve the operation of a certified relative caregiver home or foster home.

(4) "Certified family" means an individual or individuals who hold a Certificate of Approval from the Department to operate a home to provide care, in the home in which they reside, to a child or young adult in the care or custody of the Department.

(5) "Certifier" means a Child Welfare employee who:

(a) Conducts assessments of applicants interested in providing relative or foster care to a child or young adult in the care or custody of the Department or conducts assessments of a potential adoptive resource;

(b) Determines whether or not to recommend approval of the operation of a relative caregiver or foster home or approval of a potential adoptive resource; and

(c) Monitors the compliance of a caregiver or foster care home with Child Welfare certification rules.

(6) "Child" means a person under 18 years of age.

(7) "Child-Specific Certificate of Approval" means a document authorizing an individual or individuals to operate a home to provide care for a specific child or young adult in the care or custody of the Department.

# ADMINISTRATIVE RULES

(8) "Co-habiting" means the act of two adults, unmarried to each other, living together in an intimate relationship as if married.

(9) "Criminal records check" means the process for obtaining and reviewing an individual's criminal offender information and may include a fingerprint-based criminal offender records check of national crime information databases.

(10) "Denial" means the refusal of the Department to issue an initial or renew a Certificate of Approval to operate a relative caregiver home or foster home to provide care for a child or young adult in the care or custody of the Department.

(11) "Department" means the Department of Human Services, Child Welfare.

(12) "Foster parent" means an individual who operates a home that has been approved by the Department to provide care for an unrelated child or young adult placed in the home by the Department.

(13) "Home study" means a document containing an analysis of the ability of the applicant to provide safe and appropriate care of a child or young adult.

(14) "Inactive Referral Status" means a period of time, not to exceed 12 months, during which neither the Department nor any other agency will place an additional child or young adult with a certified family.

(15) "Member of the household" means any adult or child living in the home, including any caregiving employee or volunteer who may reside in the home.

(16) "Placement support plan" means a documented set of actions or resources that is developed to assist a relative caregiver or foster parent to maintain conditions that provide safety and well-being for a child or young adult in the home.

(17) "Relative caregiver" means an individual who operates a home that has been approved by the Department to provide care for a related child or young adult placed in the home by the Department.

(18) "Respite care" means a formal planned arrangement to relieve a certified family's responsibilities by an individual temporarily assuming responsibility for the care and supervision of a child or young adult in the home of the respite provider or certified family. "Respite care" must be less than 14 consecutive days.

(19) "Revocation" means an administrative act by the Department that rescinds an existing Certificate of Approval.

(20) "Young adult" means an individual aged 18 through 20 years.

### Responsibilities for Assessment and Certification

(1) Sections (2) to (5) of this rule cover Department responsibilities for an expedited process for certification of an applicant for a Child-Specific Certificate of Approval. Sections (6) and (7) cover Department responsibilities for certification of all other applicants and assessment of a potential adoptive resource.

(2) To complete the expedited process for assessment of an applicant for a Child-Specific Certificate of Approval, the certifier must:

(a) Review the completed application.

(b) Have face-to-face contact with the applicant and each member of the household. If a member of the household is unavailable when conducting face-to-face contact for a Child-Specific Certificate of Approval, the certifier must:

(A) Obtain the approval of the supervisor to delay face-to-face contact with that member of the household; and

(B) Determine a date and time for the face-to-face contact within one week of the date the member of the household becomes available.

(c) Explain the certification process.

(d) Discuss with the applicant the role and responsibilities of the Department.

(e) Assess the applicant's motivation for and interest in caring for the child or young adult.

(f) Complete a home visit.

(A) Observe and assess the safety of the physical environment;

(B) Walk through every room in the home and each surrounding building; and

(C) Complete a Safety Assessment of the home.

(g) Gather and analyze information, through interview and observation, as it relates to each applicant's personal qualifications and assess the

conditions that appear to exist in the home that affect safety, health, and well-being for a child or young adult.

(h) Assure completion of a criminal records check through LEDS, which includes information compiled and maintained by OSP Bureau of Criminal Identification on each adult member of the household and initiate a criminal records check, including information compiled and maintained by OSP Bureau of Criminal Identification and a fingerprint-based criminal offender records check of national crime information as outlined in Child Welfare Policy I-G.1.4, "Criminal History", OAR 413-120-0400 to 413-120-0470.

(A) Assess the fitness of the applicant or member of the household pursuant to OAR 413-120-0450 and 413-120-0455; and

(B) If appropriate, request an exception pursuant to OAR 413-120-0450(7) to complete certification of the applicant despite the criminal offender history of an applicant or member of the household.

(i) At the Department's discretion and when there is reason to believe a child, not in the care or custody of the Department and living in the home, may pose a risk to a child or young adult placed in the home, initiate a fingerprint-based criminal offender records check of national crime information databases as outlined in Child Welfare Policy I-G.1.4, "Criminal History", OAR 413-120-0400 to 413-120-0470.

(j) Assure initiation of child abuse history background checks for each adult member of the household.

(A) A child abuse history background check must be completed in the state of Oregon and requested from any other state where the individual has resided in the last five years;

(B) Assess any safety concerns regarding the applicant or member of the household raised by information learned from the child abuse history background check; and

(C) When appropriate, obtain approval from the District Manager or designee on a form approved by the Department to continue certification when a member of the household has been identified as the perpetrator or possible perpetrator of abuse or neglect in a Child Protective Services Assessment Founded Disposition, Unable to Determine Disposition, or a similar disposition from another state.

(k) Within 24 hours, gather information from at least two personal references for the applicant.

(l) Assure the applicant possesses a valid driver license and auto insurance if the applicant will transport a child or young adult in the care or custody of the Department.

(m) Determine, with input from the applicant, the gender, ages, and maximum number of children and young adults who may be placed in the home by the Department.

(n) When appropriate, obtain approval from the Child Welfare program manager or designee on a form approved by the Department when:

(A) The applicant or a member of the household is an in-home day care provider or foster care provider licensed by another program, unless placement is authorized under an agreement;

(B) The applicant or a member of the household is an adult foster care or in-home adult day care provider; or

(C) An applicant applying to become a relative caregiver is 18, 19, or 20 years of age.

(o) When appropriate, obtain approval from the Child Welfare program manager or designee on a form approved by the Department, when the applicant is assessed as a Child-Specific Certificate of Approval through an office other than the office in the county in which the applicant resides.

(p) When appropriate, obtain the approval of the Child Welfare program manager when the number of children or young adults placed in the home will exceed the maximum number of children or young adults as described in OAR 413-200-0276.

(q) After completing the activities in subsections (2)(a) to (p) of this rule, the Department may issue a Child-Specific Certificate of Approval for up to 180 days.

(3) As soon as possible and no later than the 180-day period beginning the date the Child-Specific Certificate of Approval is issued, the certifier must complete all of the following actions:

(a) Gather information from at least two additional references. No more than two of the four required references may be provided by the applicant's relatives.

(b) Contact the caseworker of the child or young adult placed in the home regarding the adjustment of the child or young adult in placement and the certified family's ability to meet the needs of the child or young adult.

(c) Conduct a home visit at least every 90 days, and when necessary, additional home visits.

## ADMINISTRATIVE RULES

(d) Gather personal, family social history information sufficient to assess the conditions that appear to exist in the home that affect safety, health, and well-being of a child or young adult through a series of questionnaires and interviews completed by applicants, members of the household, and others.

(e) Assure completion of the fingerprint based criminal records check as described in Child Welfare Policy I-G.1.4, "Criminal History", OAR 413-120-0400 to 413-120-0470.

(f) Assure completion of the child abuse history background checks for each adult member of the household as required in paragraph (2)(j)(A) of this rule and request a child abuse history background check for each adult member of the household who has lived in another country in the five years preceding the applicant's dated application for a Certificate of Approval from the Department.

(g) Verify that the certified family --

(A) Has completed Orientation within 30 days after the expedited Child-Specific Certificate of Approval was issued; and

(B) Has a plan --

(i) To complete Foundations training before or within 12 months after the date on which the Certificate of Approval was issued; or

(ii) Has a written, individualized training plan, approved by a supervisor, specific to meeting the needs of the child or young adult placed with a certified family holding a child-specific certificate. The individualized training plan must:

(I) Include training on mental and emotional problems that occur in child victims of abuse and neglect, including sexual abuse and rape of a child; and

(II) Be developed within 90 days after a Child-Specific Certificate of Approval has been issued by the Department.

(h) Discuss and develop a training plan for each certified adult in the family.

(i) Document the assessment of the certified family's ability to provide safety, health, and well-being for the child or young adult in a home study on a form approved by the Department.

(4) After completing the activities in section (3) of this rule, the Department may approve the certified family for the two-year certification period and issue a Child-Specific Certificate of Approval. The effective date of an approval issued under this section will be the day on which the activities in section (3) of this rule were completed. The expiration date of an approval issued under this section will be two years from the effective date on the first expedited Child-Specific Certificate of Approval.

(5) When the activities described in subsections (3)(a) to (3)(i) of this rule have not been completed within 180 days:

(a) The District Manager or designee may extend the Child-Specific Certificate of Approval for no longer than 30 days; or

(b) The Foster Care Program Manager or designee may extend the Child-Specific Certificate of Approval for over 30 days if an activity has not been completed due to circumstances beyond the control of the Department.

(6) To complete the assessment for the certification of all other applicants other than those being assessed for an expedited Child-Specific Certificate of Approval, the certifier must:

(a) Review the completed application.

(b) Have face-to-face contact with the applicant and each member of the household.

(c) Explain the process for certification of a relative caregiver or foster parent and approval of a potential adoptive resource.

(d) Discuss with the applicant the role and responsibilities of the Department.

(e) Assess the applicant's motivation for and interest in caring for a child or young adult.

(f) Complete a minimum of two home visits.

(A) Observe and assess the safety of the physical environment;

(B) Walk through every room in the home and each surrounding building; and

(C) Complete a Safety Assessment of the home.

(g) Gather social history information through a series of questionnaires approved by the Department, interviews, and observations in which the Department staff gathers personal information about the applicant and the household. Analyze information as it relates to each applicant's personal qualifications and assess the conditions that appear to exist in the home that affect safety, health, and well-being for a child or young adult.

(h) Assure completion of a criminal records check including information compiled and maintained by the OSP Bureau of Criminal Identification and a fingerprint-based criminal records check of national crime informa-

tion databases on each adult member of the household and, at the Department's discretion, on any child under 18, as outlined in Child Welfare Policy I-G.1.4, "Criminal History", OAR 413-120-0400 to 413-120-0470.

(A) Assess the fitness of the applicant or member of the household pursuant to OAR 413-120-0450 and 413-120-0455; and

(B) If appropriate, request an exception pursuant to OAR 413-120-0450(7) to complete certification of the applicant despite the criminal offender history of an applicant or member of the household.

(i) At the Department's discretion and when there is reason to believe a child, not in the care or custody of the Department and living in the home, may pose a risk to a child or young adult placed in the home, initiate a fingerprint-based criminal offender records check of national crime information databases as outlined in Child Welfare Policy I-G.1.4, "Criminal History", OAR 413-120-0400 to 413-120-0470.

(j) Assure completion of child abuse history background checks for each adult member of the household.

(A) If the applicant or an adult member of the household has lived outside the state of Oregon and within the United States in the previous five years, obtain a child abuse history background check from each state where the individual resided in the five years preceding the applicant's dated application for a Certificate of Approval from the Department;

(B) If the applicant or an adult member of the household has lived outside of the United States in the previous five years, a child abuse history background check must be requested from each country where the individual lived within the five years preceding the applicant's dated application for a Certificate of Approval from the Department;

(C) Assess any safety concerns regarding the applicant or member of the household raised by information learned from the child abuse history background check; and

(D) When appropriate, obtain approval from the District Manager or designee on a form approved by the Department to continue certification when a member of the household has been identified as the perpetrator or possible perpetrator of abuse or neglect in a Child Protective Services Assessment Founded Disposition, Unable to Determine Disposition, or a similar disposition from another state.

(k) Gather information from at least four personal references for the applicant, no more than two of which may be provided by the applicant's relatives.

(l) Obtain authorization from the applicant prior to contacting any individual in completing a thorough background check, other than the applicant's adult children and references provided by the applicant.

(m) Assure the applicant possesses a valid driver license and auto insurance if the applicant will transport a child or young adult.

(n) Determine, with input from the applicant, the gender, ages, and maximum number of children and young adults who may be placed in the home by the Department.

(o) When appropriate, obtain approval from the Child Welfare program manager or designee on a form approved by the Department under the following circumstances:

(A) The applicant or a member of the household is an in-home day care provider or foster care provider licensed by another child-caring agency, unless placement is authorized under an Interagency Agreement;

(B) The applicant or a member of the household is an adult foster care or in-home adult day care provider; or

(C) An applicant applying to become a relative caregiver is 18, 19, or 20 years of age.

(p) When appropriate, obtain approval from the Child Welfare program manager or designee on a form approved by the Department when the applicant applies for a Certificate of Approval through an office other than the office in the county in which the family resides.

(q) When appropriate, obtain the approval of the Child Welfare program manager when the number of children or young adults placed in the home will exceed the maximum number of children or young adults as described in OAR 413-200-0276.

(r) Verify that the applicant has completed Orientation and Foundations training before or within 12 months after the date on which the Certificate of Approval was issued, or has written documentation of completion of equivalent training content from another licensed child-caring agency within two years of an applicant's dated application for a Certificate of Approval from the Department.

(s) Discuss and develop a training plan with each applicant.

(t) Document the assessment of the applicant's ability to provide safety, health, and well-being for the child or young adult in a home study on a form approved by the Department.

# ADMINISTRATIVE RULES

(7) After completing the activities in section (6) of this rule, the Department may:

- (a) Issue a Certificate of Approval for a two-year period for individuals applying to become a certified family; or
- (b) Send written notice of the status of the application for a potential adoptive resource pursuant to OAR 413-120-0240.

## 413-200-0276

### Responsibility to Determine the Maximum Number of Children or Young Adults in a Certified Family Home

(1) Unless special circumstances exist, a supervisor may not issue a Certificate of Approval that, when the home is fully occupied, exceeds the following maximum number of children or young adults living in the home:

- (a) A total of four children or young adults to one certified adult living in the home;
- (b) A total of seven children or young adults to two certified adults living in the home; or
- (c) A total of two children under the age of three.

(2) When making the determination of the maximum number of children or young adults in the home as described in section (1) of this rule, the supervisor includes all children and young adults residing in the home, not only the children or young adults in the care or custody of the Department.

(3) The Child Welfare program manager may approve placing additional children or young adults in the home in special circumstances.

(a) Special circumstances include, but are not limited to:

(A) Placing siblings together; or

(B) Placing a special needs child or young adult with a family that has demonstrated extraordinary ability in meeting the safety, health, and well-being needs of a child or young adult.

(b) In these special circumstances, the certifier must assess:

(A) The skills, abilities, willingness, and training of the certified family related to the quantity of services that are required for each child or young adult;

(B) The skills, abilities, safety, health, and well-being needs of each child or young adult;

(C) The amount of Departmental supervision the certified family requires and the certified family's network of support to the child or young adult related to the needs of the child or young adult;

(D) The maximum safe physical capacity of the home, including sleeping arrangements; and

(E) The plan for each individual to escape from the home in case of fire or other emergency.

(4) The certifier must document the assessment described in subsection (3)(b) of this rule on a form approved by the Department and obtain Child Welfare program manager approval prior to permitting the home to exceed the maximum number of children or young adults specified in section (1) of this rule.

(5) When a Child Welfare program manager approves placing additional children or young adults in a certified home, the certifier must:

(a) Visit the home every 90 days;

(b) Assess during each visit the certified family's compliance with certification standards; and

(c) Document the certified family's compliance with certification standards after each visit.

## 413-200-0278

### Responsibilities for Issuing a Certificate of Approval

(1) The Department must complete the assessment activities described in OAR 413-200-0274, and issue a Certificate of Approval or provide notice of intent to deny a Certificate of Approval within 180 days of receipt of an application to become a foster parent or relative caregiver, unless the application is withdrawn or the assessment period is extended by the District Manager or designee.

(2) The supervisor must --

(a) Review all assessment activities;

(b) Ensure all safety components of the certification standards are met; and

(c) Ensure any required exception or approval as provided in these rules (OAR 413-200-0270 to 413-200-0296) has been obtained prior to the Department issuing a Certificate of Approval.

(3) A supervisor may approve and the Department may issue the following Certificates of Approval:

(a) An expedited Child-Specific Certificate of Approval for up to 180 days when all activities required in OAR 413-200-0274(2) have been completed;

(b) A two-year Child-Specific Certificate of Approval to provide relative caregiver or foster care after all activities required in OAR 413-200-0274(3) have been completed.

(c) A Certificate of Approval for two years when all the activities required in OAR 413-200-0274(6) have been completed.

(4) A Certificate of Approval must include the following information:

(a) The name of each primary adult, including married couples, individuals in a domestic partnership (as defined in ORS 106.310), and cohabitating individuals, approved as the certified family;

(b) The address to which the certificate applies;

(c) The age range (birth to 20) and gender of the children or young adults for whom the certified family is approved to provide care;

(d) The maximum number of children or young adults who can be placed in the home;

(e) The provider number that the Department has given the home;

(f) The effective and expiration dates of the certificate; and

(g) The signature of the Child Welfare program manager or designee.

(5) The Department may at its discretion modify the Certificate of Approval to increase or decrease the maximum number of children or young adults, the age range, or the gender of the children or young adults for whom the family is certified within the limits prescribed in OAR 413-200-0276.

### Respite Care Providers and Babysitters

(1) The certifier must undertake all of the following activities when applicable:

(a) Discuss with the certified family the plan for providing care to a child or young adult, when the certified family will be unavailable to provide care.

(b) Assure completion of criminal records check through LEDS which includes information compiled and maintained by OSP Bureau of Criminal Identification as outlined in Child Welfare Policy I-G.1.4, "Criminal History", OAR 413-120-0460 on any individual the certified family has identified to as a prospective respite care provider.

(c) Assure completion of a fingerprint-based criminal offender records check of national crime information databases whenever:

(A) The criminal records check conducted under subsection (b) of this section indicates the prospective respite care provider has a criminal history; or

(B) The prospective respite care provider has lived in Oregon less than five years.

(d) Conduct child abuse history background checks on any individual the certified family has identified as a prospective respite care provider.

(e) Analyze information gathered under subsections (a) and (b) of this section prior to determining the individual is safe and appropriate to provide respite care and approving the individual to provide respite care.

(f) Document the analysis under subsection (e) of this section in the certification record.

(g) Notify the certified family of the approval for the individual identified to provide respite care within one business day of the approval.

(h) Verify that any certified family identified to provide respite care for another certified family has a current Certificate of Approval.

(i) When the analysis under subsection (e) of this section results in a determination that the individual is either not a safe or appropriate individual to provide respite care, notify the certified family that the individual is not authorized to provide respite care within one business day of the decision.

(2) The Department has the discretion to request a criminal records check of a babysitter.

(3) When a certified family notifies the Department of their intent to provide respite care for another child or young adult, the certifier must approve the request prior to the certified family providing respite care.

### Responsibilities to Monitor Certification Compliance

(1) A certifier must conduct the following home visits:  
(a) A minimum of one home visit every 90 days during the period an expedited Child-Specific Certificate of Approval is effective;  
(b) A minimum of one home visit to any certified family every 180 days; and  
(c) A minimum of one home visit every 90 days when a certified family has been approved to exceed the maximum number of children or young adults as prescribed in OAR 413-200-0276(1), as long as the approval is applicable.

(2) To monitor a certified family's compliance with Child Welfare Policy II B.1, "Certification Standards for Foster Parents, Relative Caregivers, and Approval of Potential Adoptive Resources", OAR 413-200-0301 to 413-200-0396, a certifier must complete the following activities when applicable:

(a) Assess the certified family's ability to maintain conditions in the home that provide safety, health, and well-being for the children and young adults whenever it becomes known that the certified family wishes to become an in-home child care, an adult foster care, or in-home adult day care provider, and, when appropriate, obtain approval from the Child Welfare program manager or designee on a form approved by the Department.

(b) Obtain approval from the Child Welfare program manager or designee on a form approved by the Department prior to placement of the child or young adult whenever it becomes known that another agency wishes to place a child or young adult in a certified home.

(c) Assure completion of a criminal records check and child abuse history background checks whenever it becomes known that another adult is living in the household or the certified family identifies another respite care provider.

(d) Seek input from the caseworkers of each child and young adult placed or living in the home during the past 180 days and assess the conditions that appear to exist in the home that affect safety, health, and well-being for the child or young adult;

(e) Assess the information that the certifier learns from the home visit, the certified family, members of the household, and caseworkers to determine whether conditions appear to exist in the home that affect safety, health, and well-being for the child or young adult placed in the home by the Department;

(f) Review and assess the conditions that appear to exist in the home that affect safety and well-being for the child or young adult when any special circumstances described in OAR 413-200-0276(3)(a) exist; and

(g) Document the contacts with the certified family and the assessment information obtained under this rule in the certification record.

## 413-200-0285

### Responsibilities When Developing a Placement Support Plan

(1) When a certifier determines that a certified family needs additional support to maintain conditions that provide safety, health, and well-being in the home, the certifier must develop a placement support plan. A placement support plan is appropriate when one or both of the following circumstances apply:

(a) The certified family needs additional training or instruction to improve the care giving practices to meet the needs of the children or young adults placed in the certified family's home.

(b) The certified family is not in compliance with one or more of the Department's certification standards, and the non-compliance does not result in a safety threat to a child.

(2) When a placement support plan is appropriate to support a certified family, the certifier must gather information regarding current circumstances from:

(a) The certified family;  
(b) The children or young adults placed in the certified family's home, when appropriate;

(c) The caseworkers of the children or young adults currently placed in the home; and

(d) Other collateral contacts that may have information regarding the characteristics of the care provided in the certified family's home.

(3) The certifier must schedule a meeting with the certified family to discuss the current circumstances that require a placement support plan and the appropriate supports and services to assist the certified family.

(4) The certifier must prepare a written placement support plan that specifies:

(a) The actions or services in which the certified family will participate;

(b) The actions or services the Department will provide to support the certified family in maintaining conditions that provide safety, health, and well-being for the children or young adults placed in the home by the Department;

(c) Agreement that the certified family is willing and able to participate in the actions or services;

(d) Agreement to review the placement support plan on a specified date, which is within at least 90 days; and

(e) The anticipated end date of the placement support plan.

(5) A supervisor must approve the placement support plan.

(6) When the placement support plan has been approved, the certifier must:

(a) Provide a copy to the certified family;

(b) File a copy in the certification file;

(c) Document the placement support plan in the Department information system; and

(d) Provide written notification to the caseworkers of each child or young adult placed in the home of the placement support plan.

(7) The certifier must contact the certified family prior to the anticipated end date of the placement support plan to assure that all activities and services have been completed, or the certified family can meet the needs of the children or young adults placed in the home by the Department and is in compliance with Department certification standards.

(8) The certifier must document the end of a placement support plan in the certification file, in provider case notes, and notify the caseworkers of each child or young adult placed in the certified family's home.

## 413-200-0287

### Responsibilities Regarding Two-Year Renewal of the Certificate of Approval

(1) A certified family must be assessed every two years. The Department must complete the assessment and provide written notice of the decision to renew a certificate approval or intent to deny the renewal of the certified family's Certificate of Approval. To renew a Certificate of Approval, the certifier must complete all of the following:

(a) Conduct a minimum of one home visit, have face-to-face contact with each member of the household, and complete the questionnaires and interviews necessary to complete a home study update.

(b) Review the completed Certified Family Certificate Renewal or Change of Status Application.

(c) Confirm completion of required hours of training, and develop a training plan for the new certification period.

(d) Contact the caseworkers who have had children or young adults placed with the certified family during the past 180 days.

(e) Assure completion of criminal records checks on each adult member of the household; and, at the Department's discretion, any child, when there is reason to believe the child may pose a risk to children placed in the home, as described in Child Welfare Policy I G.1.4, "Criminal History", OAR 413-120-0400 to 413-120-0470. A fingerprint-based criminal offender records check of national crime information databases is not required for an application for renewal of a Certificate of Approval, unless an applicant or member of the household has lived outside of Oregon for more than 60 consecutive days within the two-year certification period or has been arrested or convicted during the two-year certification period.

(A) Assess any safety concerns regarding the fitness of the applicant or member of the household pursuant to OAR 413-120-0450 and 413-120-0455; and

(B) If appropriate, request an exception pursuant to OAR 413-120-0450(7) to complete certification of the applicant despite the new criminal offender history of an applicant or member of the household.

(f) Assure completion of child abuse history background checks for each adult member of the household.

(A) When the applicant or an adult member of the household has lived outside the state of Oregon in the previous five years, and an out-of-state

# ADMINISTRATIVE RULES

child abuse history background check has not been completed, a child abuse history background check must be requested from each state or country where the individual resided in the five years preceding the applicant's dated application for renewal of a Certificate of Approval from the Department.

(B) Assess any safety concerns regarding the applicant or adult member of the applicant's household raised by information learned from the child abuse history background check.

(C) When appropriate, obtain approval from the District Manager or designee, on a form approved by the Department, to proceed with an application when a member of the household has been identified as the perpetrator or possible perpetrator of abuse or neglect in a Child Protective Services Assessment Founded Disposition, Unable to Determine Disposition, or a similar disposition from another state.

(g) Review and assess whether conditions appear to exist in the home that jeopardize the safety, health, or well-being of the child or young adult.

(h) Review and analyze the certified family's skills and abilities in maintaining conditions in the home that provide safety, health, and well-being for the child or young adult, maintaining relationships with the community and the Department, and supporting the case plan of the child or young adult.

(i) Update the home study on a form approved by the Department, including results of the assessment activities completed in subsections (a) to (h) of this section, and submit to the supervisor for approval.

(2) The supervisor reviews the updated home study and may approve or deny the home study. If the supervisor approves the home study, the Department will issue a new two-year Certificate of Approval. If the supervisor does not approve the home study, the Department will proceed as outlined in OAR 413-200-0296.

(3) Pursuant to ORS 183.430, if the certified family has submitted a timely Renewal Application and the Department does not complete the activities in sections (1) and (2) of this rule before the stated expiration date on the certified family's Certificate of Approval, the certified family's Certificate of Approval may not be deemed to expire until the Department has issued a new Certificate of Approval or there is a final order denying renewal.

### Responsibilities Regarding Voluntary Termination of an Application or an Existing Certificate of Approval

(1) When an applicant requests to withdraw his or her application for a Certificate of Approval, the certifier must document his or her communication regarding the applicant's request.

(2) When a certified family requests that the Department terminate the Certificate of Approval or does not wish to renew a Certificate of Approval, the certifier must document his or her communication regarding the certified family's request.

(3) The Department terminates a Child-Specific Certificate of Approval within 10 business days of the departure of the child or young adult, unless at least one of the following subsections applies:

(a) The child-specific certified family submits a written request to continue their Certificate of Approval as a foster parent under section (4) of this rule within 10 business days of the departure of the child or young adult from the home;

(b) The Department has determined the child or young adult is removed because the certified family cannot meet the safety, health, and well-being needs of the child or young adult and has violated one or more rules under Child Welfare Policy II B.1, "Certification Standards for Foster Parents, Relative Caregivers, and Approval of Potential Adoptive Resources", OAR 413-200-0301 to 413-200-0396; or

(c) OAR 413-200-0395(6) applies.

(4) When the Department has determined that subsection (3)(b) of this rule applies, the Department will notify the certified family of the decision and issue a notice of intent to revoke the Certificate of Approval pursuant to OAR 413-200-0395(2).

(5) When a child-specific certified family requests to become certified as a foster parent, the certifier must:

(a) Provide the family with a "Certified Family Certificate Renewal or Change of Status Application"; and

(b) Assess the family's ability to meet the safety, health, and well-being needs of a non-related child or young adult placed in the home pursuant to the requirements of OAR 413-200-0274.

(6) After the certifier has completed the assessment pursuant to subsection (5)(b) of this rule, a supervisor will approve the assessment and send a Certificate of Approval to the family, or send a notice of intent to deny the application, unless the family has withdrawn their request pursuant to OAR 413-200-0296.

## 413-200-0292

### Responsibilities Regarding Recertification of a Previously Certified Home

(1) When a certified family has been closed less than six months, the previous Certificate of Approval would not have expired during the months the home was closed (if the Certificate of Approval was not revoked), the certified family continues to live in the same residence, and the certified family requests that the Department reopen the Certificate of Approval, the certifier must undertake the following actions:

(a) Provide the family with a Certified Family Certificate Renewal or Change of Status Application.

(b) Assure completion of criminal records checks on each adult member of the household; and, at the Department's discretion, when there is reason to believe a child, not in the care or custody of the Department and living in the home, may pose a risk to a child or young adult placed in the home, initiate a fingerprint-based criminal offender records check of national crime information databases as described in Child Welfare Policy I G.1.4, "Criminal History", OAR 413-120-0400 to 413-120-0470. A fingerprint-based criminal offender records check of national crime information databases is required when an applicant or member of the household has lived outside of Oregon for more than 60 consecutive days or has been arrested or convicted during the two-year certification period.

(A) Assess any safety concerns regarding the fitness of the applicant, child, or member of the household pursuant to OAR 413-120-0450 and 413-120-0455; and

(B) If appropriate, request an exception pursuant to per OAR 413-120-0450(7) to complete recertification of the previously certified family despite the new criminal offender information history of an applicant, child, or member of the household.

(c) Assure completion of child abuse history background checks for each adult member of the household.

(A) When the applicant or an adult member of the household has lived outside the state of Oregon, a child abuse history background check must be requested from each state or country where the individual resided.

(B) Assess any safety concerns regarding the applicant or adult member of the applicant's household raised by information learned from the child abuse history background check.

(C) When appropriate, obtain approval from the District Manager or designee, on a form approved by the Department, to proceed with an application when a member of the household has been identified as the perpetrator or possible perpetrator of abuse or neglect in a Child Protective Services Assessment Founded Disposition, Unable to Determine Disposition, or a similar disposition from another state.

(d) Conduct a home visit to identify and assess any changes in the environment or family:

(A) Observe and assess the safety of the physical environment;

(B) Walk through every room in the home and each surrounding building; and

(C) Complete a Safety Assessment of the home.

(e) Document in the certification file the circumstances under which the Department reopened the Certificate of Approval.

(2) When a certified family has been closed for six months or more or the previous Certificate of Approval would have expired during the months the home was closed, and the previously certified family contacts the Department to become certified again, the certifier must:

(a) Provide to the certified family for completion the necessary documents for an initial application for a Certificate of Approval to provide care;

(b) Complete the assessment process as described in OAR 413-200-0274;

(c) Update the family's home study and document any changes in the family's circumstances since the most recent closure of the Certificate of Approval; and

(d) Submit the updated home study to the supervisor for approval.

# ADMINISTRATIVE RULES

(3) The supervisor reviews the updated home study and may approve or deny the updated home study. If the supervisor approves the updated home study, the Department will issue a new two-year Certificate of Approval. If the supervisor does not approve the home study, the Department will proceed as outlined in OAR 413-200-0296.

(4) A family previously certified by the Department must complete Foundations training if the family has not been certified within the last two years unless the supervisor either:

(a) Approves an individualized training plan for a certified family who has been issued a Child-Specific Certificate of Approval; or

(b) Waives the training requirement based on the family's documented knowledge and skills in caring for a child or young adult placed in the home by the Department.

(5) When the certified family moves to another residence in the State of Oregon, the Department terminates the Certificate of Approval automatically. The Department may issue a new Certificate of Approval for the new residence after the activities described in this section have been completed. Within 10 business days, the certifier must complete the following actions:

(a) Provide the certified family a Certified Family Certificate Renewal or Change of Status Application.

(b) Review the completed Certified Family Certificate Renewal or Change of Status Application.

(c) Conduct a home visit.

(A) Observe and assess the safety of the physical environment;

(B) Walk through every room in the home and each surrounding building; and

(C) Complete a Safety Assessment of the home.

(d) Document in the certification file the circumstances of the family's relocation.

(6) When a certified family has been initially certified by the local Child Welfare office in the county in which the family resides and the family moves to another county, all of the following actions are required:

(a) The issuing Child Welfare office's certification supervisor must notify the certification supervisor in a Child Welfare office in the county to which the certified family is moving;

(b) The certification file and ongoing Department responsibilities are transferred to a Child Welfare office in the county to which the certified family is moving, unless the Child Welfare program manager or designee in the county to which the certified family is moving has approved that Department certification responsibilities remain in the Child Welfare office in the county from which the certified family is moving.

(c) Complete the actions described in section (5) of this rule.

(7) When a certified family wishes to move outside the State of Oregon with a child or young adult, refer to Child Welfare Policy I-B.3.4.2, "Interstate Compact on the Placement of Children", OAR 413-040-0200 to 413-040-0330.

## 413-200-0294

### Responsibilities Regarding Inactive Referral Status

(1) The certified family or the Department may initiate an Inactive Referral Status. When a certified family is on Inactive Referral Status, no additional child or young adult may be placed in the home.

(2) A certified family may ask the Department to place their home on Inactive Referral Status for any reason for up to 12 months. The Inactive Referral Status begins immediately upon the request of the family.

(3) When either a certified family or the Department indicate an Inactive Referral Status, the certifier must immediately notify Department staff responsible for placement that the certified family is unavailable for placement of a child or young adult.

(4) Within 30 days of a certified family requesting Inactive Referral Status, the certifier must send a letter to the certified family that documents the inactive status, the reasons for the status, and the requested length of the Inactive Referral Status.

(5) The Department may place a certified family on Inactive Referral Status for one or more of the following reasons:

(a) The special needs of a child or young adult, who is currently in the home, require so much of the certified family's care and attention that no agency should place an additional child or young adult in the home.

(b) The family or members of the household are experiencing significant family or life stress.

(c) The certified family does not currently meet one or more of the certification standards.

(6) The Department must place a certified family on Inactive Referral Status when the Department is assessing an allegation of child abuse or neglect in the home.

(7) Within 14 days of the Department's initiating Inactive Referral Status, the certifier must send a letter to the certified family that documents the beginning date of Inactive Referral Status, the reason for the Inactive Referral Status, and any specific certification standards that have been violated, if any.

(a) The certifier and the certified family may collaborate to develop a placement support plan to address the concerns precipitating the Inactive Referral Status; and

(b) The certification supervisor reviews and approves the placement support plan.

(8) The Department may revoke a Certificate of Approval if a certified family is unable to remedy a violation of a certification rule within the time frame of the Inactive Referral Status.

(9) When the certified family initiates Inactive Referral Status, the inactive status ends at the request of the certified family.

(10) When the Department initiates Inactive Referral Status, the Department determines, within the time frame of the Inactive Referral Status, when the conditions that warranted the Inactive Referral Status have been resolved.

(11) When the Inactive Referral Status ends, the certifier must:

(a) Document removal of the Inactive Referral Status in the certification file;

(b) Send written notification to the family within 30 days; and

(c) Notify Department staff responsible for placement that the certified family is available for placement of a child or young adult.

## 413-200-0296

### Responsibilities Regarding Denial or Revocation of a Certificate of Approval

(1) The Department may deny an application for a Certificate of Approval or revoke a Certificate of Approval when the applicant or certified family does not meet one or more of the certification rules in Child Welfare Policy II-B.1, "Standards for Certification of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources", OAR 413-200-0301 to 413-200-0396.

(2) The Department must provide the applicant a written notice of the intent to deny a Certificate of Approval, which must state the reason or reasons for the denial and comply with OAR 413-010-0510.

(3) The Department must revoke a Certificate of Approval when, at the conclusion of a CPS assessment, the Department determines there is a safety threat in the certified family's home, unless the certified family voluntarily requests that the Department terminate the Certificate of Approval and provides written documentation of the request to terminate the Certificate of Approval.

(4) The Department may deny an application or revoke a Certificate of Approval if the Department discovers an applicant or certified family has falsified information (by act of commission or omission) before or after the Certificate of Approval has been issued or if a certified family fails to provide information or inform the Department of any disqualifying condition that arises after the Certificate of Approval has been issued.

(5) The Department must provide an applicant or certified family a written notice of intent to deny or revoke a Certificate of Approval, which must state the reason or reasons for the revocation and comply with OAR 413-010-0510.

(6) When the Department has issued a notice to revoke a Certificate of Approval before the stated expiration date on the Certificate of Approval, the Certificate of Approval will not be deemed to expire until there is a final order on the notice to revoke the Certificate of Approval.

(7) The Department must remove from the home all the children and young adults in the care or custody of the Department upon making the decision to revoke the certified family's Certificate of Approval.

(8) When the Department has revoked a family's Certificate of Approval or denied an application for a Certificate of Approval, the Department may require a waiting period of up to five years from the date of revocation of the family's Certificate of Approval before the Department accepts a new application from the family.

## 413-200-0306

### Definitions

The following definitions apply to these rules (OAR 413-200-0301 to 413-200-0396):

(1) "Adoptive resource" means an individual or individuals selected by the Department, another public child welfare agency, or a licensed adoption agency as the adoptive family for a child where no administrative review was requested within the timeframe allowed for such a request, or if a review was requested, the selection has been sustained by that review and the review is complete.

(2) "Applicant" means an individual or individuals who apply:

(a) To become or remain a certified family; or

(b) For approval as a potential adoptive resource.

(3) "Babysitting" means the provision of temporary, occasional care for a child or young adult that is:

(a) Ten consecutive hours or less; and

(b) Not overnight care.

(4) "CANS screening" means Child and Adolescent Needs and Strengths screening, a process of gathering information on the needs and strengths of a child or young adult used for one or more of the following purposes:

(a) Identifying case planning, service planning, and supervision needs of the child or young adult in substitute care with a certified family;

(b) Determining the level of care payment while in substitute care with a certified family; and

(c) Determining the level of care payment included in an adoption assistance agreement or guardianship assistance agreement.

(5) "Carbon monoxide alarm" means a device that:

(a) Detects carbon monoxide; and

# ADMINISTRATIVE RULES

(b) Produces a distinctive audible alert when carbon monoxide is detected.

(6) "Certificate of Approval" means a document that the Department issues to approve the operation of a certified relative caregiver home or foster home.

(7) "Certified family" means an individual or individuals who hold a Certificate of Approval from the Department to operate a home to provide care, in the home in which they reside, to a child or young adult in the care or custody of the Department.

(8) "Certifier" means a Child Welfare employee who:

(a) Conducts assessments of applicants interested in providing relative or foster care to a child or young adult in the care or custody of the Department or assessments of a potential adoptive resource;

(b) Determines whether or not to recommend approval of the operation of a relative caregiver or foster home or approval of a potential adoptive resource; and

(c) Monitors the compliance of a relative caregiver or foster care home with Child Welfare certification rules.

(9) "Child" means an individual under 18 years of age.

(10) "Child-Specific Certificate of Approval" means a document authorizing an individual or individuals to operate a home to provide care for a specific child or young adult in the care or custody of the Department.

(11) "Co-habiting" means the act of two adults, unmarried to each other, living together in an intimate relationship as if married.

(12) "Criminal records check" means the process for obtaining and reviewing an individual's criminal offender information and may include a fingerprint-based criminal offender records check of national crime information databases.

(13) "Denial" means the refusal of the Department to issue or renew a Certificate of Approval to operate a relative caregiver home or foster home to provide care for a child or young adult in the care or custody of the Department.

(14) "Department" means the Department of Human Services, Child Welfare.

(15) "Discipline" means a training process a certified family uses to help a child or young adult develop the self control and self direction necessary to assume responsibilities, make daily living decisions, and learn to conform to accepted levels of social behavior.

(16) "Electronic monitoring" means the use of video monitoring or listening devices to monitor or record the behavior of a child or young adult. "Electronic monitoring" does not include:

(a) Door monitors;

(b) Window alarms;

(c) Motion detectors;

(d) Audio or video baby monitors used for a child five years and under; or

(e) Monitors approved by a medical provider for medical purposes.

(17) "Enhanced supervision" means the additional support, direction, observation, and guidance needed to promote and ensure the safety and well-being of a child or young adult when the child or young adult qualifies for a level of care payment.

(18) "Foster parent" means an individual who operates a home that has been approved by the Department to provide care for an unrelated child or young adult placed in the home by the Department.

(19) "Inactive Referral Status" means a period of time, not to exceed 12 months, during which neither the Department nor any other agency will place an additional child or young adult with a certified family.

(20) "Level of care payment" means the payment provided to an approved or certified family, a guardian, a pre-adoptive family, or an adoptive family based on the need for enhanced supervision of the child or young adult as determined by applying the CANS algorithm to the results of the CANS screening.

(21) "Member of the household" means any adult or child living in the home, including any caregiving employees and volunteers who may reside in the home.

(22) "Personal care services plan" means a written plan to provide personal care services for the child or young adult documenting:

(a) The determination that the individual is a qualified provider;

(b) The frequency or intensity of each personal care service to be provided; and

(c) The date personal care services begin.

(23) "Physical restraint" means the act of restricting the voluntary movement of a child or young adult as an emergency measure in order to manage and protect the child, young adult, or others from injury when no alternate actions are sufficient to manage the behavior of the child or young

adult. "Physical restraint" does not include temporarily holding a child or young adult to assist him or her or assure his or her safety, such as preventing a child from running onto a busy street.

(24) "Psychotropic medication" means medication, the prescribed intent of which is to affect or alter thought processes, mood, or behavior, including but not limited to antipsychotic, antidepressant, and anxiolytic medication and behavior medications. The classification of a medication depends upon its stated intended effect when prescribed because it may have many different effects.

(25) "Punishment" means the intentional infliction of emotional or physical pain or suffering.

(26) "Relative caregiver" means an individual who operates a home that has been approved by the Department to provide care for a related child or young adult placed in the home by the Department.

### Standards Regarding the Home Environment

The applicant or certified family must ensure the home and surrounding environment comply with all of the following requirements:

(1) General Conditions.

(a) The home must be the primary residence and the residence where the child or young adult will reside.

(b) The home must have adequate space for each member of the household, including space for safe and appropriate sleeping arrangements.

(A) Department staff must consider the age, gender, special needs, behavior, and history of abuse or neglect of the child or young adult in determining appropriate sleeping arrangements.

(B) An unrelated child or young adult in the care or custody of the Department may not share a bed.

(c) The home may not use electronic monitoring.

(d) The applicant or certified family must have access to a working telephone to make and receive phone calls.

(e) The applicant or certified family must consider the age, special needs, and capabilities of the child or young adult, and have necessary safeguards and assurances that:

(A) Swimming pools, hot tubs, wading pools, ponds, and other water hazards are inaccessible to a child or young adult unless responsibly supervised, and safeguards comply with state and local ordinances;

(B) Outdoor tools and equipment, machinery, chemicals, flammables, and combustibles are stored in a safe manner;

(C) Animals are properly cared for and kept in compliance with local ordinances; and

(D) The access of a child or young adult to potentially dangerous animals is restricted.

(f) The certified family must consider the age, special needs, and capabilities of the child or young adult when determining if an animal is a safe and appropriate pet.

(g) The certified family must receive authorization from the caseworker of the child or young adult or the caseworker's supervisor prior to the beginning of hunting or target practice by the child or young adult.

(h) Hunting and sporting equipment, such as knives, spears, arrows, hunting sling shots, bows, and martial art weapons must be stored in a safe and secure manner inaccessible to a child or young adult.

(2) Sanitation and Health.

# ADMINISTRATIVE RULES

(a) The home must have the necessary equipment for the safe preparation, storage, serving, and clean-up of food.

(b) The home must have a safe, properly maintained, and operational heating system. Space heaters must be plugged directly into a wall outlet and must be equipped with tip-over protection.

(c) The home and furnishings must be clean and in good repair, and the grounds must be maintained.

(d) There must be no accumulation of garbage or debris.

(e) The home must have safe and adequate drinking water, and an adequate source of safe water to be used for personal hygiene.

(f) There must be provision for the safe storage of all medications in the household, and locked storage for psychotropic medications for any member of the household.

(g) There must be easily accessible first aid supplies, and a reasonable understanding of how to use such supplies.

(h) Smoking limitations:

(A) A child or young adult may not be exposed to any type of second-hand smoke in the family's home or vehicle; and

(B) A member of the household may not provide any form of tobacco products to a child or young adult.

(3) Fire and Carbon Monoxide Safety.

(a) The home must have all of the following:

(A) One working smoke alarm in each bedroom where a child or young adult sleeps within 24 hours of the time the applicant is certified or approved.

(B) One working carbon monoxide alarm within 15 feet of each bedroom where a child or young adult sleeps and one on each floor within 24 hours of the time the applicant is certified or approved.

(C) At least one operable fire extinguisher rated 2-A:10-B-C or higher within 24 hours of the time the applicant is certified or approved.

(D) One means of emergency exit and one means of rescue from the home.

(E) An adequate safeguard around operating fireplaces, wood stoves, or other heating systems which may cause burns to a child or young adult developmentally unable to reasonably follow safety rules regarding such devices.

(F) Operable, quick-release mechanisms on barred windows. No bedroom occupied by a child or young adult unable to use the quick-release mechanism may have a barred window.

(G) A written, comprehensive home evacuation plan, shared with each child or young adult at the time of placement, and practiced at least every six months. The written, comprehensive home evacuation plan must include a provision for the safe exit of a child or young adult who is not capable of understanding or participating in the evacuation plan.

(H) Doors that lock on the inside operable from the outside of the room, and doors that lock on the outside operable from the inside of the room.

(b) Each bedroom used by a child or young adult must have:

(A) One unrestricted exit;

(B) At least one secondary means of exit or rescue;

(C) Alarms required under paragraph (a)(A) of this section; and

(D) Unrestricted, direct access at all times to hallways, corridors, living rooms, or other such common areas.

(4) Travel and Transportation Safety.

(a) An applicant or certified family must have available, and be willing to use, a safe and reliable method of transportation.

(b) Any member of the household transporting a child or young adult must provide proof of a valid driver license and current insurance, as required by law, on any family-owned motorized vehicle by which a child or young adult might be transported, when a family has applied for certification and at each re-certification.

(c) The applicant or certified family must assure that, as required by current state law:

(A) Only a licensed and insured driver transports a child or young adult in motorized vehicles; and

(B) A child or young adult uses a seat belt or age and size appropriate safety seat when transported in motorized vehicles.

(d) Written authorization from the Department must be received prior to transporting a child or young adult out of the State of Oregon or outside the United States.

(e) A certified family must provide the Department a minimum of 30 days notice seeking approval for international travel prior to any international travel with a child or young adult. In an emergency, the certified family must request approval from the Department as soon as the need for international travel becomes known.

### Requirements Regarding the Discipline of a Child or Young Adult

(1) The certified family must demonstrate a willingness to understand the meaning of the behaviors of the child or young adult, and have the ability to develop and use appropriate discipline strategies to address challenging behaviors.

(2) When disciplining a child or young adult, the certified family may not do any of the following:

(a) Use or threaten physical force.

(b) Use threats or intimidation.

(c) Withhold food or other items essential to the protection, safety, or well-being of a child or young adult.

(d) Discipline all children or young adults in the household for the misbehavior of one child or young adult.

(e) Use any form of punishment which includes but is not limited to:

(A) The deliberate infliction of physical force causing pain.

(B) Verbal abuse including derogatory remarks about the child or young adult, the family characteristics, physical traits, culture, ethnicity, language, sexual orientation, or traditions of the child or young adult.

(C) Denying a child or young adult visits, telephone, or other types of contact with an individual authorized in a visit and contact plan.

(D) Assigning extremely strenuous exercise or work.

(E) Use of or threatened use of restraining devices.

(F) Imposing a sanction, penalty, consequence, or reprimand for bed-wetting or during toilet training.

(G) Directing or permitting a child or young adult to punish another child or young adult.

(H) Threat of removal from the certified family home.

(I) Forcing or requiring a child or young adult to shower or bathe as a sanction, penalty, consequence, or reprimand.

(J) Extreme isolation as a means of punishment that restricts the ability of a child or young adult to talk with or associate with others.

(K) Locking a child or young adult in a room or outside of the home.

(3) The certified family may use a time-out only for the purpose of giving the child or young adult a short break to allow the child or young adult to calm himself or herself and regain control, and not as a punishment. The certified family must take into consideration the age and developmental level of the child or young adult in determining the length of a time-out.

(4) Pursuant to Child Welfare Policy I-B.1.6, "Enhanced Supervision", OAR 413-020-0200 to 413-020-0255, only an adult in a certified family or Department staff, who has been trained to use a physical restraint, may do so, unless a child, young adult, or others are at imminent risk of harm. Physical restraint may only be used if good judgment indicates that a physical restraint may safely be implemented. Any time a physical restraint is used, the certified family must follow the reporting requirements in OAR 413-020-0240.

(5) The certified family must notify and request assistance of the Department when the challenging behavior of a child or young adult may

be beyond the ability of the certified family to discipline in a positive manner.

### Requirements Regarding the Medical, Dental, and Mental Health Care of a Child or Young Adult

(1) In addressing the health care for a child or young adult, the certified family must:

(a) Work collaboratively with the Department in managing the health care needs of a child or young adult, which may include involving a parent of the child or young adult in medical, dental, and mental health appointments;

(b) Regularly exchange medical, dental, and mental health information of the child or young adult with the Department;

(c) Work collaboratively with providers in managing the medical, dental, and mental health needs of a child or young adult; and

(d) Maintain documentation of each child or young adult, including:

(A) Medical, dental, and mental health appointments;

(B) Medical, dental, and mental health information;

(C) Medical, dental, and mental health appointment follow-up reports; and

(D) Immunization records.

(2) A certified family must comply with the Department's direction on obtaining medical, dental, and mental health care for a child or young adult.

(3) A certified family may consent to routine examinations and laboratory tests.

(4) A certified family must allow vaccination and immunization of a child or young adult in accordance with the Department's case plan.

(5) Except as provided in section (6) of this rule, the certified family must contact the caseworker of a child or young adult to obtain appropriate prior consent from the Department before a child or young adult receives any medical care or undergoes a procedure, other than routine medical care.

(6) In an emergency, a certified family must notify the Department as soon as possible when emergency care is needed.

(7) Medication management requirements.

(a) The certified family must comply with all of the following requirements:

(A) Administer prescription medications to a child or young adult only in accordance with the written prescription or authorization.

(B) Record the dosage, date, and time that each medication is administered to a child or young adult on a form approved by the Department. If medication is given in a location other than the certified home, such as at school or in daycare, the medication log of the institution or program must be attached to the Department form. The medication form, with any attachments, must be submitted monthly to the caseworker of the child or young adult.

(C) Take the medication log to each medical appointment and share with the medical provider.

(D) Inform the caseworker of the child or young adult or the supervisor of the caseworker within one business day when a child or young adult is prescribed a psychotropic medication or the dosage of any existing prescription for psychotropic medication is changed.

(E) Begin administration of any psychotropic medication only after consent has been obtained from the Department pursuant to Child Welfare Policy I-E.3.3.1, "Psychotropic Medication Management", OAR 413-070-0400 to 413-070-0490.

(F) Maintain the documentation received from the caseworker when a child is prescribed a psychotropic medication or when the dosage of any existing prescription for a psychotropic medication is changed.

(b) Except as provided in subsection (c) of this section, the certified family must store all medications in such a way that the medications are inaccessible to a child or young adult and must store all psychotropic medications in locked storage.

(c) When a child or young adult is learning to manage his or her own medications, the certified family, the child or young adult, and the caseworker may develop an individualized, written plan for the child or young adult to access the medication. The child or young adult may not have access to medication that is not his or her own. The plan must state how the medication will be inaccessible to other children or young adults in the home. The certified family, the child or young adult, and the caseworker keep a copy of the plan.

# ADMINISTRATIVE RULES

(8) The certified family must comply with the personal care services plan for any child or young adult placed in the certified family's home and eligible for personal care services pursuant to Child Welfare Policy I-E.5.1.2, "Personal Care Services", OAR 413-090-0100 to 413-090-0210.

### Responsibilities and Notification Requirements for Selection and Use of Respite Care Providers and Babysitters

(1) Respite Providers.

(a) The certified family is responsible for identifying a safe and responsible respite care provider for a child or young adult placed in the certified family's home and must take into consideration:

(A) The age, special needs, attachment, and individual behaviors of each child or young adult; and

(B) The length of time that the child or young adult will be with the respite care provider.

(b) Responsibilities when identifying a respite care provider. The certified family must:

(A) Select a respite care provider who:

(i) Is at least 18 years of age;

(ii) Is capable of assuming child care and supervision responsibilities, including meeting the safety, health, and well-being needs of each child or young adult in the certified family's care;

(iii) Complies with OAR 413-200-0358; and

(iv) Is present with the children or young adults for whom they are providing respite care at all times.

(B) Provide to the certifier the name, address, and telephone number of the prospective respite care provider and receive Department approval under OAR 413-200-0281 prior to using the respite care provider.

(2) Babysitters.

(a) The certified family must use a responsible person 14 years of age or older for babysitting, and must:

(A) Assure the babysitter is capable of assuming child care responsibilities required to meet the needs of each child or young adult, and will be present with the child or young adult for whom the babysitter is providing care at all times, and

(B) Have no reason to suspect that the babysitter --

(i) Has any criminal history or child abuse or neglect history; or

(ii) Poses any risk to the child or young adult for whom the babysitter will provide care.

(b) The certified family may not use a babysitter for overnight care.

(c) Unless requested by the Department, the certified family does not need to provide identifying information to the Department to complete a criminal records check for a babysitter.

(3) General Provisions for Respite Care and Babysitting.

(a) The certified family must have an available method through which the certified family may be contacted in an emergency at any time the child or young adult is cared for by another individual.

(b) A certified family may use a licensed, registered, or approved childcare center or day care provider for a child or young adult, and must notify the Department in advance of using the childcare center or day care provider.

(c) Family and childhood activities.

(A) The certified family may give consent for a child or young adult in the Department's care or custody to participate in ordinary childhood activities, such as parties and sleepovers with friends, and organized activities provided by schools, religious or civic organizations, scouts, or similar groups.

(B) The certified family must verify that the event is safe, adequately supervised, and appropriate for the child or young adult based upon his or her needs.

(C) When the certified family has any questions regarding the child or young adult participating in an activity, the certified family must consult with the caseworker of the child or young adult.

(d) The certified family must notify the caseworker of the child or young adult and obtain the approval of the caseworker or caseworker's supervisor prior to the child or young adult being absent from the certified family for more than 24 hours.

(e) The certified family must obtain approval from the certifier or the certifier's supervisor when the certified family plans to provide respite care for another certified family causing the number of children or young adults

in the home to exceed the maximum number of children or young adults on the certified family's Certificate of Approval.

### Education and Training for Applicants and Certified Families

(1) An applicant must participate in the Department's orientation prior to receiving a Certificate of Approval, or within 30 days after the placement of a child or young adult in a home that has been issued a Child-Specific Certificate of Approval.

(2) Except as provided in sections (3) or (4) of this rule, each applicant and certified family must complete Foundations training before or within 12 months after the date on which the Certificate of Approval was issued, or have written documentation of completion of equivalent training content from another licensed child-caring agency within two years of an applicant's dated application for a Certificate of Approval from the Department.

(3) A certified family is exempt from section (2) of this rule if a written, individualized training plan, specific to the needs of the children or young adults placed with a certified family holding a Child-Specific Certificate of Approval, has been approved by a supervisor and developed within 90 days after a Child-Specific Certificate of Approval has been issued by the Department.

(4) An applicant is exempt from section (2) of this rule if the applicant is applying to become a potential adoptive resource and has approval under OAR 413-120-0246.

(5) Foundations training is required if an applicant previously certified by the Department has not been certified within the preceding two years unless:

(a) Alternative training has been approved under sections (3) or (4) of this rule; or

(b) The supervisor waives the training requirement based on the applicant's documented knowledge and skills in caring for a child or young adult placed in the home by the Department.

(6) The certified family and the certifier must develop a training plan for each individual certified in the family to complete at least 30 hours of training during each two-year certification period, unless a written individualized training plan is developed for a certified family with a Child-Specific Certificate of Approval. The written individualized training plan:

(a) Must be designed to strengthen the certified family's ability to meet the safety, health, and well-being needs of the children or young adults placed in the certified family's home;

(b) May be less than the required 30 hours required during a certification period; and

(c) Must be approved by a certification supervisor.

(7) Each applicant and certified family with limited English proficiency or a hearing or visual impairment, and unable to meet the training requirements outlined in sections (1) to (6) of this rule may be provided an individualized training plan prepared by the certifier and approved by the certification supervisor.

(8) The Department may require a certified family to obtain more than the 30 hours of training for a two-year certification period depending on the needs of the children or young adults placed in the home or the knowledge, skills, and abilities of the certified family.

### Other Required Notifications

A certified family must notify the certifier or certifier's supervisor of all of the following:

- (1) Any individual joining or leaving the household.
- (2) Any prospective respite care provider.
- (3) Any anticipated change in address.
- (4) Any physical or structural change in the home or surrounding property on which they live.
- (5) Any arrest or court conviction for any member of the household.

This notification must occur within one business day.

(6) Any known allegation of child abuse or neglect perpetrated by any member of the household, or an individual who regularly visits the home. Such notification must occur on the day that the certified family learns of the allegation.

(7) The suspension of a driver license of any adult on the Certificate of Approval or any member of the household.

(8) Any change in the physical health, mental health, or medication of a member of the household that reasonably could affect the ability of the member or the family to meet the needs of safety, health, and well-being of a child or young adult.

(9) Any time any member of the household applies to become an in-home child care provider, an adult foster care, or in-home adult day care provider.

(10) Any time another agency wishes to place a child or young adult in the certified home.

(11) Any time the certified family agrees to provide respite care for another certified family.

(12) Any other circumstance that reasonably could affect the safety, health, or well-being of a child or young adult in the certified family's home.

### Requirements Regarding Maintaining the Certificate of Approval

(1) The Department may conduct an expedited certification and may issue a Child-Specific Certificate of Approval for no more than 180 days when assessment activities described in Child Welfare Policy II-B.1.1, "Responsibilities for Certification and Supervision of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources", OAR 413-200-0274(2)(a) to (p) have been completed.

(2) The Department may issue a full certification and Certificate of Approval for up to two years when all assessment activities in OAR 413-200-0274(6) have been completed.

(3) To remain certified, the certified family must submit a completed Application for Renewal or Change of Status, and the Department will assess the certified family every two years.

(4) When the certified family has submitted a timely application for re-certification, the current Certificate of Approval will not expire, despite any expiration date, until the Department has issued a new Certificate of Approval or there is a final order of denial.

### Requirements Regarding Inactive Referral Status

(1) A certified family may request that the Department place the home on Inactive Referral Status for any reason for up to 12 months. The inactive referral status begins immediately and while it is in effect:

(a) The Department will place no additional child or young adult in the home; and

(b) The certified family may not accept placement of any child or young adult from another agency.

(2) Inactive Referral Status, when requested by the certified family, ends:

(a) At the request of the certified family; or

(b) When the certificate expires; and

(A) The family has not timely applied for renewal of the certificate; or

(B) The Department has not renewed the certificate.

(3) The Department may initiate a certified family's Inactive Referral Status under the conditions described in Child Welfare Policy II-B.1.1, "Responsibilities for Certification and Supervision of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources", OAR 413-200-0294(5) or (6). When the Department initiates Inactive Referral Status, the Department must:

(a) Provide written notification to the certified family of the Inactive Referral Status within 14 business days; and

(b) Provide written notification to the certified family when Inactive Referral Status ends.

### Requirements Regarding Termination of a Certificate of Approval

(1) A certified family may voluntarily request that the Department terminate the Certificate of Approval and close the home. The certified family must give the Department ten-days notice before the Certificate of Approval is terminated. The Department must remove any child or young adult in the care or custody of the Department from the home before closing the home.

(2) When a child or young adult leaves a home that has a Child-Specific Certificate of Approval, the Department terminates the Child-Specific Certificate of Approval within 10 business days of the departure of the child or young adult, unless at least one of the following subsections applies:

(a) The child-specific certified family submits a written request to continue their Certificate of Approval as a foster parent under OAR 413-200-0289(4) within 10 business days of the departure of the child or young adult from the home.

(b) The Department has determined the child or young adult is removed because the certified family cannot meet the safety, health, and well-being needs of the child or young adult and has violated one or more rules under Child Welfare Policy II B.1, "Certification Standards for Foster Parents, Relative Caregivers, and Approval of Potential Adoptive Resources", OAR 413-200-0301 to 413-200-0396.

(c) OAR 413-200-0395(6) applies.

(3) When the Department has determined that subsection (2)(b) of this rule applies, the Department will notify the certified family of the decision and issue a notice of intent to revoke the Certificate of Approval pursuant to OAR 413-200-0395(2).

(4) When a certified family moves to a different residence, the Department terminates the Certificate of Approval and closes the home.

# ADMINISTRATIVE RULES

The Department may issue a new Certificate of Approval when the activities described in OAR 413-200-0292(5) have been completed.

### Requirements Regarding Denial and Revocation of a Certificate of Approval

(1) The Department may deny an application for a Certificate of Approval if an applicant fails to provide requested information within 90 days of a written request from the Department.

(2) The Department may deny an application or revoke a Certificate of Approval when:

(a) The applicant or certified family does not meet one or more of these rules (OAR 413-200-0301 to 413-200-0396);

(b) The Department discovers an applicant or a certified family has falsified information (by act of commission or omission) before or after the Certificate of Approval has been issued; or

(c) An applicant or certified family fails to provide information to or inform the Department of any disqualifying condition that arises before or after the Certificate of Approval has been issued.

(3) The Department must provide an applicant to become or remain a certified family a written notice of revocation or denial, which must comply with OAR 413-010-0510 and must state the reason or reasons for the revocation or the denial.

(4) Unless the certified family requests that the Department terminate the Certificate of Approval under OAR 413-200-0394(1), the Department must revoke a Certificate of Approval when a certified family violates one or more of these rules (OAR 413-200-0301 to 413-200-0396) and, at the conclusion of a Child Protective Services assessment, the Department determines that there is a safety threat in the certified family's home.

(5) Upon deciding to revoke a certified family's Certificate of Approval, the Department must remove from the home any child or young adult in the Department's care or custody.

(6) When the Department has issued a notice to revoke a Certificate of Approval, the certificate will not expire despite any expiration date on the Certificate of Approval, until there is a final order to revoke the Certificate of Approval.

(7) When the Department revokes a Certificate of Approval or denies an application to become a certified family, the Department has the discretion to require up to a five-year waiting period before the individual or individuals can reapply to become a relative caregiver or foster parent.

### Requirements Regarding Contested Case Hearings

(1) Except as provided in section (4) of this rule, an applicant to become a certified family may request a contested case hearing to contest the Department's decision to deny a Certificate of Approval.

(2) A certified family may request a contested case hearing to contest the Department's decision to revoke the Certificate of Approval.

(3) A certified family or an applicant to become a certified family requests a contested case hearing, as provided in ORS Chapter 183, by providing a Child Welfare program manager a written request for a hearing within 30 days of the date that the Department mailed the notice of denial or revocation.

(4) ORS Chapter 183 does not provide a contested case process for an adoptive applicant who is denied approval as a potential adoptive resource.

(5) If the Department does not receive a request for a contested case hearing within 30 days of the date that the Department mailed the notice of denial or revocation, the certified family or applicant to become a certified family has waived the right to a hearing, except as provided in OAR 413-010-0505.

(6) Department actions when a contested case hearing is timely requested but such request is subsequently withdrawn are outlined in OAR 413-010-0530(1).

(7) OAR 413-010-0505 describes the requirements to a request for a contested case hearing due to the denial or revocation of a Certificate of Approval.

## 413-200-0404

### Purpose

(1) The purpose of these rules (OAR 413-200-0404 to 413-200-0424) is to describe Department responsibilities during the screening and assessment of a report of child abuse or neglect involving the home of a Department certified foster parent or relative caregiver. A report involves the home of a Department-certified foster parent or relative caregiver if the report alleges that someone in the home abused or neglected any child.

(2) When a report is received involving the home of a Department-certified foster parent or relative caregiver, these rules, Child Welfare Policies I-AB.1 to I-AB.7, "Child Protective Services" (OAR 413-015-0100 to 413-015-1230), II-B.1, "Standards for Certification of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources" (OAR 413-200-0301 to 413-200-0396), II-B.1.1, "Responsibilities for Certification and Supervision of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources" (OAR 413-200-0270 to 413-200-0296), and I-B.1, "Monitoring Child Safety" (OAR 413-080-0040 to 413-080-0067) apply.

### Definitions

The following definitions apply to OAR 413-200-0404 to 413-200-0424:

(1) "Certification supervisor" means an employee of the Department, designated as a supervisor, supervising staff responsible for certification, training, and monitoring homes certified by the Department.

(2) "Certified family" means an individual or individuals who hold a Certificate of Approval from the Department to operate a home to provide care, in the home in which they reside, to a child or young adult in the care or custody of the Department.

(3) "Certifier" means a Child Welfare employee who conducts assessments of applicants interested in providing relative or foster care to a child or young adult in the care or custody of the Department or an adoptive applicant, determines whether or not to recommend approval of the operation of a relative care or foster home or an adoptive applicant, and monitors the compliance of a relative care or foster care home with Child Welfare certification rules.

(4) "Child" means a person under 18 years of age.

(5) "Child protective services assessment (CPS assessment)" means activities and interventions that identify and analyze safety threats, determine if there is reasonable cause to believe child abuse or neglect occurred, and assure child safety through protective actions or ongoing safety planning.

# ADMINISTRATIVE RULES

(6) "Child protective services supervisor (CPS supervisor)" means an employee of Child Welfare trained in child protective services and designated as a supervisor.

(7) "Child protective services worker (CPS worker)" means an employee of Child Welfare who has completed the mandatory Department training for child protective service workers.

(8) "Consulting foster parent or relative caregiver" means an individual who maintains or has held a Certificate of Approval to operate a foster or relative caregiver home, received Department approved training on the role of a consulting foster parent or relative caregiver, and agrees to serve in this role.

(9) "Department" means the Department of Human Services, Child Welfare.

(10) "Foster parent" means an individual who operates a home that has been approved by the Department to provide care for an unrelated child or young adult placed in the home by the Department.

(11) "Inactive referral status" means a period of time, not to exceed 12 months, during which neither the Department nor any other agency will place an additional child or young adult with a certified family. The certified family or the Department may initiate the inactive referral status.

(12) "Initial contact" means the first face-to-face contact between a CPS worker and a family. The initial contact includes face-to-face contact with the alleged child victim, his or her siblings, parent or caregiver, and other children and adults living in the home; accessing the home environment; identifying safety threats; and determining if a protective action is needed.

(13) "Referral" means a report that has been assigned for the purpose of CPS assessment.

(14) "Relative caregiver" means an individual who operates a home that has been approved by the Department to provide care for a related child or young adult placed in the home by the Department.

(15) "Report" means an allegation of child abuse or neglect provided to Child Welfare that the screener evaluates to determine if it constitutes a report of child abuse or neglect as defined in ORS 419B.005.

(16) "Screener" means a Child Welfare employee with training required to provide screening services.

(17) "Young adult" means a person aged 18 through 20 years.

### Department Actions During Screening

(1) Screener Actions.

(a) When a screener receives information involving the home of a certified family, the screener must:

(A) Refer to and follow Child Welfare Policy I-AB.2, "Screening", OAR 413-015-0200 to 413-015-0225 to gather and share information;

(B) Consult with the CPS supervisor before determining the Department's response;

(C) Notify the assigned caseworker of each child or young adult placed in the home, each assigned caseworker's supervisor, the assigned certifier, and the certifier's supervisor of all information received; and

(D) If the information is closed at screening as described in Child Welfare Policy I-AB.2, "Screening", OAR 413-015-0210(4):

(i) Document the information in provider case notes in the Department's information system; and

(ii) Notify the individuals listed in paragraph (C) of this subsection that the information was closed at screening.

(b) When a screener receives information alleging abuse or neglect of a young adult living in the home of a certified family, the screener must provide the information to the young adult's caseworker; and

(A) Provide the information to the Department's Seniors and People with Disabilities Division when the young adult is an individual with a diagnosed disability; or

(B) Provide the information to law enforcement.

(2) Certifier Actions. When the assigned certifier is notified by a screener that information involving the home of a certified family was closed at screening, the certifier must examine the information received and follow Child Welfare Policy II-B.1.1., "Responsibilities for Certification and Supervision of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources" (OAR 413-200-0270 to 413-200-0296).

(3) Assigned Caseworker Actions.

(a) When a report of information alleging abuse or neglect of a young adult has been shared with Seniors and People with Disabilities Division

because the young adult is an individual with a diagnosed disability, the young adult's caseworker must coordinate the Department's response with the Seniors and People with Disabilities Division.

(b) When a report of information alleging abuse or neglect of a young adult has been shared with law enforcement, the young adult's caseworker must coordinate the Department's response with law enforcement.

(c) When a report is received alleging that a child or young adult in substitute care in the home of a certified family may have been subjected to abuse or neglect, and the screener determines that the report constitutes a report of child abuse or neglect as defined in ORS 419B.005, within three business days of the Department's receipt of the report, the caseworker of the child or young adult in substitute care who is the alleged victim must notify the following individuals that a report was received:

(A) The attorney for the child or young adult;

(B) The court appointed special advocate (CASA) for the child or young adult;

(C) The parents of the child or young adult;

(D) Any attorney representing the parents of the child or young adult; and

(E) If the disclosure is authorized by ORS 419B.035, others who are involved in the case plan as necessary.

(d) The notification of the parents of the child or young adult and any attorney representing the parents of the child or young adult in paragraphs (3)(c)(C) and (D) of this rule is not required if the notification may interfere with an investigation or assessment or jeopardize the safety of the child or young adult. The CPS supervisor, or the supervisor of a caseworker of the child or young adult may authorize an exception to the requirement to provide notification based on documentation that supports this conclusion.

### Department Actions During the CPS Assessment

(1) CPS Worker and CPS Supervisor Actions.

(a) If the report involving the home of a certified family is referred for a CPS assessment, the assigned CPS worker must convene a staffing before making initial contact unless the timing of the staffing will compromise child safety. The purpose of the staffing is:

(A) To determine and coordinate the response to the referral;

(B) To notify the certifier assigned to the home, the caseworkers assigned to each child or young adult placed in the home, and their respective supervisors of the referral; and

(C) To share information known by the Department regarding the children or young adults placed in the home and the certified family.

(b) The CPS worker must ensure that the following people are invited to the staffing:

(A) The assigned certifier or the certification supervisor; and

(B) The assigned caseworker of each child or young adult in the home or each caseworker's supervisor.

(c) The CPS supervisor or his or her designee must:

(A) Ensure that the staffing discussed in subsection (a) of this section occurs prior to the initial contact unless the timing of the staffing will compromise child safety;

(B) Determine whether the Child Welfare Program Manager, CPS Consultant, and Foster Care Coordinator should be invited to the staffing; and

(C) If the staffing does not occur prior to the initial contact, ensure the staffing occurs the next business day and that all persons identified in subsection (b) of this section share information known by the Department regarding children or young adults placed in the home, the certified family, and any other individuals living in the home.

(d) The CPS worker must complete the following activities during the CPS assessment:

(A) At initial contact, in addition to the requirements in Child Welfare Policy I-AB.4, "CPS Assessment", OAR 413-015-0400 to 413-015-0485, provide the certified family with the appropriate "What you need to know about a Child Protective Service Assessment" pamphlet;

(B) Consult with a CPS supervisor before making the decision to remove any child or young adult from the home;

(C) Provide on-going information to the assigned certifier and to the caseworkers of each child or young adult placed in the home on the status of the CPS assessment; and

(D) Complete the CPS assessment.

# ADMINISTRATIVE RULES

(2) Certifier and Certification Supervisor Actions. When the assigned certifier is notified that information received by a screener involving the home of a certified family is referred for a CPS assessment--

(a) Within one business day after the CPS worker has made initial contact, the certifier must contact and notify the certified family and provide them with the following information:

(A) The certifier is available to answer questions related to certification but will not discuss the specifics of the CPS assessment;

(B) The certified family is immediately placed on inactive referral status pending the completion of the CPS assessment;

(C) The certified family has the option of having a consulting foster parent or relative caregiver available for support during the assessment; and

(D) The names of foster parents and relative caregivers who have agreed to serve as a consulting foster parent or relative caregiver.

(b) Within one business day, the certifier must document the initiation of a CPS assessment and the placement of the certified family on inactive referral status in provider case notes in the Department's information system.

(c) Within one business day, the certifier must notify Department staff responsible for placement that the certified family's home is on inactive referral status.

(d) Within 14 days of the notification required in paragraph (2)(a)(B) of this rule, the Department must provide written notification to the certified family that the home has been placed on inactive referral status and place a copy of the written notification in the certification file.

(e) The certifier must provide ongoing information regarding the certified family and any individuals living in the home to the assigned CPS worker and the caseworkers of each child or young adult placed in the home.

(f) The certification supervisor must ensure that the actions required in subsections (a) through (e) of this section are completed if the certifier is unavailable.

## 413-200-0424

### Department Actions at the Conclusion of the CPS Assessment

(1) CPS Worker and Supervisor Actions.

(a) In addition to the actions required in Child Welfare Policy I-AB.4, "CPS Assessment", OAR 413-015-0400 to 413-015-0485, the CPS worker must convene a staffing within five business days of the completion of the CPS assessment to --

(A) Share information acquired during the CPS assessment, and the results of the CPS assessment;

(B) Discuss and determine whether any additional actions described in Child Welfare Policy I-AB.4, "CPS Assessment", OAR 413-015-0400 to 413-015-0485 are appropriate;

(C) Determine who needs to be notified of the disposition of the CPS assessment and determine which staff will be responsible for providing notification;

(D) Discuss certification actions that have been taken and whether any additional actions described in Child Welfare Policy II-B.1.1, "Responsibilities for Certification and Supervision of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources", OAR 413-200-0270 to 413-200-0296 are appropriate.

(b) The CPS worker must ensure that the following staff members are invited to the staffing:

(A) The CPS supervisor;

(B) The assigned certifier or the certification supervisor; and

(C) The caseworkers assigned to each child or young adult placed in the home of the certified family or their respective supervisors.

(c) The CPS supervisor or his or her designee must:

(A) Ensure that the staffing, discussed in subsection (a) of this section occurs;

(B) Determine whether the Child Welfare Program Manager, CPS Consultant, and Foster Care Coordinator should be invited to the staffing; and

(C) Approve notification of the following individuals of the disposition of the CPS assessment:

(i) The attorney for the child;

(ii) The court appointed special advocate (CASA) for the child;

(iii) The parents of the child;

(iv) Any attorney representing the parents of the child; and

(v) If the disclosure is authorized by ORS 419B.035, others who are involved in the case plan as necessary.

(D) The supervisor may authorize an exception to the notification of the parents of the child and any attorney representing the parents of the child required in paragraph (C) of this subsection if the notification may interfere with an investigation or assessment or jeopardize the safety of the child.

(d) At the conclusion of any CPS assessment, regardless of the disposition, the CPS supervisor must immediately notify the assigned caseworkers, the certifier, the CPS Consultant, and the Foster Care Coordinator that the CPS assessment has been completed and approved.

(2) Assigned Caseworker Actions.

(a) Within ten business days of the Department determining the disposition of a CPS assessment involving the alleged abuse of a child placed in the home of a certified family, the caseworker for the child must notify the individuals identified in paragraph (1)(c)(C) of this rule of the disposition unless an exception, described in paragraph (1)(c)(D) of this rule, is authorized by the CPS supervisor or his or her designee.

(b) Within ten business days of the conclusion of a law enforcement determination involving the alleged abuse of a young adult placed in the home of a certified family, the caseworker for the young adult must notify the individuals identified in paragraph (1)(c)(C) of this rule of the disposition, unless notification may interfere with an investigation or assessment or jeopardize the young adult's safety as authorized by the caseworker's supervisor.

(3) Certifier and Certification Supervisor Actions.

(a) At the conclusion of the CPS assessment, during or within five business days of the meeting required in subsection (1)(a) of this rule, the certifier and certification supervisor must:

(A) Staff the case and review all the information in the CPS assessment;

(B) Determine whether the information indicates certification actions described in Child Welfare Policy II-B.1.1, "Responsibilities for Certification and Supervision of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources", OAR 413-200-0270 to 413-200-0296 should be taken; and

(C) Assure documentation of the results of the staffing in provider case notes in the Department's information system.

(b) After completing the staffing required in subsection (1)(a) of this rule, if the Department determines --

(A) That the Certificate of Approval for the certified family should be revoked, the assigned certifier must initiate revocation of the Certificate of Approval as described in Child Welfare Policy II-B.1.1, "Responsibilities for Certification and Supervision of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources", OAR 413-200-0296.

(B) That inactive referral status should continue because one or more of the conditions in Child Welfare Policy II-B.1.1, "Responsibilities for Certification and Supervision of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources", OAR 413-200-0294 are present, the assigned certifier must summarize the outcome of the assessment and the reasons for continuing inactive referral status in a letter delivered to the certified family within 10 days of the completed CPS assessment. The certifier must retain a copy of the letter in the certification file.

(C) That the certificate will not be revoked after a founded or unable to determine disposition, the assigned certifier must:

(i) Submit written documentation supporting the continued certification of the certified family to the District Manager or Child Welfare Program Manager for approval;

(ii) Upon receiving approval for continued certification from the District Manager or Child Welfare Program Manager, remove the certified family from inactive referral status;

(iii) Within ten business days of receiving approval from the District Manager or Child Welfare Program Manager, send written notification to the certified family that the home is no longer on inactive referral status and retain a copy of the written notification in the certification file; and

(iv) Notify Department staff responsible for placement that the certified family is no longer on inactive referral status.

(4) The CPS worker or supervisor, and the certifier or supervisor must meet with the certified family within ten business days of the completion of the CPS assessment to explain the disposition and any certification actions that will be taken unless the certified family declines the opportunity for a meeting.

### Effective Dates; Restored Benefits

(1) The effective date for restoring benefits that were underpaid (including erroneous collections of overpayments) or denied or closed in error is set as follows:

(a) Except as provided in subsection (b) of this section, in all programs except the SNAP program, for underpayments resulting from administrative error, the effective date is the date the error was made.

(b) In all programs, benefits can be restored only for the preceding 12 months.

(c) In all programs except the SNAP program, for underpayments resulting from client error, the effective date is the earliest of the following:

(A) The month the benefit group (see OAR 461-110-0750) notifies the branch office (see OAR 461-001-0000) of the possible loss.

(B) The month the branch office discovers the loss.

(C) The date a hearing is requested.

(2) In the SNAP program, for underpayments resulting from administrative error, benefits are restored for not more than twelve months prior to whichever of the following occurs first:

(a) The date the benefit group notifies the branch office of the possible loss.

(b) The date the branch office discovers the loss.

(c) The date a hearing is requested.

(3) In the SNAP program, benefits are not restored for underpayments resulting from client error.

(4) The effective date for restoring benefits that have been suspended is:

(a) For individuals whose medical assistance is suspended because they are incarcerated with an anticipated stay of a year or less, see OAR 461-135-0950(8).

(b) When subsection (a) of this section does not apply:

(A) The first of the month after the suspension, if suspension was for only one month; or

(B) The date the benefit group again becomes eligible, if benefits have been suspended for more than 30 days. The Department treats the month in which benefits are restored as an initial month (see OAR 461-001-0000).

being amended in response to recent legislation (House Bill 2049 (2011)) to add and revise the definitions of certain terms used throughout the chapter 461 administrative rules.

OAR 461-130-0327 about what the Department considers to be good cause for non-participation in a Department employment program is being amended to include good cause for non-participation if there are no appropriate activities available or support services to support an activity. This rule is also being amended to make permanent changes made by temporary rule on July 1, 2011.

OAR 461-135-0475 about the specific requirements for the Pre-TANF program is being amended to implement HB 2049 (2011) and address budget constraints that reduce TANF program service levels. These amendments set out the requirements for employability screenings and participating in an overview of the JOBS program. This rule is also being amended to set out the reductions to basic living expenses payments for shelter, utility and household supplies in the Pre-TANF program. This rule is also being amended to change the basic living expenses payment from 200 percent of the TANF payment standard for the benefit group to 100 percent of the payment standard. This rule is also being amended to clarify the availability of support services payments for Pre-TANF clients. This rule is also being amended to make permanent changes to this rule made by temporary rule on July 1 and October 1, 2011.

#### Definitions of Terms, Components, and Activities; JOBS, Pre-TANF, Post-TANF, TANF

In the JOBS, Pre-TANF, Post-TANF, and TANF programs, the following definitions apply to rules in Chapter 461 unless the context indicates otherwise.

(1) Activity: An action or set of actions to be taken by the client, as specified in the case plan. An activity is intended to reduce barriers and:

- (a) Increase the likelihood of self sufficiency, employment, job retention, wage enhancement, and financial independence; or
- (b) Promote family stability (see OAR 461-001-0000).

(2) Adult Basic Education (ABE): An activity in the basic education component that involves remedial education coursework intended to ensure functional literacy.

(3) Assessment: An activity of the program entry component that involves gathering information to identify the strengths, interests, family circumstances, status in the JOBS program, and vocational aptitudes and preferences of the client and to mutually determine an employment goal, the level of participation of the client in the JOBS program, and which support services are needed. This activity includes providing screenings and evaluations (if appropriate) to determine the level of participation, accommodation, and modification for the client in the JOBS program. The screenings include but are not limited to physical and mental health needs, substance abuse, domestic violence, and learning needs.

(4) Barrier: A personal condition or circumstance that reduces the likelihood the client will become employed or the client's ability to participate in an activity listed in the case plan.

(5) Basic education: A component of non-core activities intended to ensure functional literacy for all JOBS clients. Basic education activities are high school attendance, English as a second language (ESL) instruction, job skills training, adult basic education (ABE) instruction, and services that result in obtaining a general equivalency diploma (GED). The component is discussed in OAR 461-190-0171 and 461-190-0181.

(6) Case plan (formerly also known as an employment development plan (EDP), a personal plan, or personal development plan): A written outline, developed in partnership by the client and case manager, with input from partners as appropriate, listing activities and goals for the client. The case plan also identifies the support service payments, accommodations, and modifications to help the client complete the plan. The DHS 1543 — Domestic Violence Assistance Agreement — is the case plan for clients with safety concerns about domestic violence.

(7) Community Service Program: An activity in the unpaid employment component in which the client works without pay at a job site to enhance the likelihood the client will become employed and perform work for the direct benefit of the community. This activity is available through nonprofit organizations or public agencies.

(8) Component: A set of one or more activities of the JOBS program. Components of the JOBS program are paid unsubsidized employment, paid

subsidized employment, unpaid employment, vocational training, job search and readiness, and basic education activities.

(9) Core activities: Federally-defined countable work activities that include: paid unsubsidized employment; paid subsidized employment; work experience; on-the-job training; job search and readiness; community service programs; vocational training; and providing child care assistance to a community service program participant.

(10) Degree Completion Initiative (DCI): An activity in which a limited number of TANF recipients may participate for up to 12 months to complete an educational degree at a two- or four-year educational institution.

(11) Drug and alcohol services: An activity in the job search and readiness component that provides substance abuse screenings and evaluations, outpatient or resident treatment, and support groups such as AA or NA.

(12) Employer contact: A client communication with an employer or employer's representative through a visit, phone call, or mail to request consideration for employment.

(13) English as a second language (ESL): An activity in the basic education component. ESL classes are designed to give clients with limited English proficiency better working skills in the language.

(14) Fair Labor Standards Act (FLSA): Applies to subject employers with clients working in the unpaid employment component. FLSA requires that clients engaged in unpaid employment, in effect, cannot "work off" their SNAP and TANF benefits at an hourly rate less than the state minimum wage.

(15) Federally required participation rates: The participation rates required by section 407 of the Social Security Act (42 USC 607).

(16) High School or GED Completion Attendance: An activity in the basic education component that involves attendance at a secondary school or in a course of study that leads to the completion of the GED.

(17) Job search: An activity in the job search and readiness component that focuses on clients looking for and obtaining employment. It is designed to improve skills in locating and competing for employment in the local labor market and may include writing resumes, receiving instruction in interviewing skills, and participating in group and individual job search. There are two categories of job search: initial job search and regular job search. Initial job search may occur during the Pre-TANF program. Regular job search begins not later than the day after the Department finds the client eligible for TANF benefits.

(18) Job search and readiness: A component designed to prepare clients to compete in the local labor market. Job search, life skills, drug and alcohol services, mental health services, and rehabilitation activities are the activities of the job search and readiness component.

(19) Job skills training: An activity in the basic education component designed to provide classroom training in vocational and technical skills or equivalent knowledge and abilities in a specific job area.

(20) JOBS Plus program (JOBS Plus): An activity in the paid subsidized employment component that provides TANF clients with on the job training and pays their benefits as wages (see the rules at OAR 461-190-0401 to 461-190-0426).

(21) Life skills: An activity of the job search and readiness component. The activity develops employment-preparation skills and skills and attitudes that are commonly found in the workplace.

(22) Mental health services: An activity in the job search and readiness component that provides mental health screenings and assessments, counseling, medication management, and support groups.

(23) Microenterprise: An activity in the paid unsubsidized employment component in which the client is self-employed in a sole proprietorship, partnership, or family business that has fewer than five employees and has capital needs no greater than \$35,000.

(24) Non-core activities: Federally-defined countable work activities that include: job skills training directly related to employment; education directly related to employment; and satisfactory school attendance at a secondary level or leading to a GED.

(25) On-the-job training (OJT): An activity in the paid subsidized employment component in which a client works for an employer for a contracted period. The employer trains the client and is reimbursed by the Department, usually at 50 percent of the wages of the participant, for those training costs.

(26) Paid subsidized employment: A component in which clients are employed in a subsidized public or private sector job. JOBS Plus, work supplementation, and on-the-job training are the activities in the paid subsidized employment component.

# ADMINISTRATIVE RULES

(27) Paid unsubsidized employment: A component in which clients are employed full- or part-time in an unsubsidized job and receiving TANF benefits. Unsubsidized employment is a job that is not subsidized by TANF or any other public program. The UN work program and microenterprise are the activities in the paid unsubsidized employment component.

(28) Parents as Scholars (PAS): A JOBS program component that assists TANF parents who are or will be undergraduates to begin or continue their education at a two- or four-year educational institution (see OAR 461-190-0199).

(29) Program entry: An activity that includes all the activities that prepare a client to actively participate in the JOBS program. Program entry activities include assessment and writing the initial case plan.

(30) Progress (good or satisfactory): For federal reporting purposes, a client participating in an education or training activity makes good progress or satisfactory progress by receiving a passing grade or progressing toward completion of high school or GED completion at no less than the normal rate of a half-time student.

(31) Providing child care services to a Community Service Program participant: An activity in the unpaid employment component.

(32) Rehabilitation activities: An activity in the job search and readiness component that provides medical or therapeutic screenings, assessments, and treatment. This activity also includes medical management and support groups.

(33) Self Initiated Training (SI): A JOBS program component that allows a participant to continue an ongoing two-year or four-year degree program or Vocational Training education opportunities for up to 12 months. Each SI participant is limited to 12 months of participation, and a participant must meet the requirements of one of the following subsections:

(a) Be a client on the PAS wait list as of June 30, 2011 who has contacted his or her case manager on or before July 15, 2011; or

(b) Be a client who is transitioned from Vocational Training to SI by his or her local DHS office.

(34) Sheltered or supported work: An activity in the unpaid employment component that gives clients intensive staff support, skill training, intervention and counseling that will enable them to function independently at work.

(35) Stabilization, intervention, and other activities: A group of activities that are non-countable for federal participation purposes. These activities include child health and development, crisis intervention, domestic violence services, family stability activities (see OAR 461-001-0000), medical services, retention services, services to child welfare families, social security application, and stabilized living services.

(36) Support services: Services that case-managed clients need to participate successfully in activities outlined in their case plan, seek and maintain employment, or remove barriers.

(37) Teen parent: A parent (see OAR 461-001-0000) under 20 years of age who has not completed a high school diploma or GED.

(38) Transition services: Services included in a client's case plan when the client becomes employed or becomes ineligible for cash benefits because of an increase in income or resources.

(39) Unpaid employment: A component in which a client is placed in an unpaid job to develop good work habits, training and knowledge to obtain employment. Employment may be in the private or public sector or through a work simulation program. Work experience, Community Service Program, providing child care services to a Community Service Program participant, and sheltered or supported work are the activities of the unpaid employment component.

(40) UN work program: An activity in the paid unsubsidized employment component in which TANF clients work in unsubsidized employment and may also participate in another JOBS work site training activity.

(41) Vocational Training: An activity and component of the JOBS program that provides JOBS participants with access to specific vocational training that will lead to a career with an appropriate wage level and opportunity for employment.

(42) Work experience: An activity in the unpaid employment component in which the client works without pay at a job site to develop good work habits and basic vocational skills that enhance the likelihood the client will become employed. Work experience is available through private for-profit businesses, nonprofit organizations, or public agencies.

(43) Work supplementation: An activity in the unpaid employment component. Up to six months of work-site training provided by an employer. The component and activity are both called work supplementation. In work supplementation, the Department subsidizes the wages of the participant by providing up to \$200 per month to the employer.

## 461-130-0327

### Good Cause; Employment Programs

In a Department employment program administered under these rules (OAR 461-130-0305 to 461-130-0335):

(1) The Department does not require a client to provide verification of good cause if providing the verification would expose the client to increased risk of domestic violence (see OAR 461-001-0000).

(2) If in making a determination under this rule a client's physical or mental impairment is in question, the Department may require the client to provide documentation from a qualified and appropriate medical professional.

(3) A client is excused for good cause from a failure to comply with a requirement of an employment program, including an activity in a case plan (both terms defined in OAR 461-001-0025) in the following circumstances:

(a) Participation in a required activity in a case plan would have an adverse effect on or risk to the client's physical or mental health or would expose the client to increased risk of domestic violence (see OAR 461-001-0000).

(b) Except in the SNAP program, participation is likely to cause undue hardship for the dependent child (see OAR 461-001-0000) or the client.

(c) Appropriate child care, or day care for an individual in the household who has a disability (see OAR 461-001-0000 and 461-001-0015 as applicable) that substantially reduces or eliminates the individual's ability to care for himself or herself, cannot be obtained. "Appropriate child care" means that:

(A) Both the provider and the place where care is provided meet health, safety, and provider requirements as required in OAR 461-165-0180;

(B) The care accommodates the parent's work schedule; and

(C) The care meets the specific needs of the dependent child, such as age and special-needs requirements.

(d) The work attachment position or employment offered is vacant due to a strike, lockout, or other labor dispute.

(e) The work attachment position or employment requires the client to join a union, and the client has religious objections to unions.

(f) The client belongs to a union and the employment violates the conditions of the client's membership in the union.

(g) The wage for the client's current or potential job is:

(A) Less than applicable minimum wage; or

(B) If minimum wage laws do not apply, the wage (rate for piece work) is less than that normally paid for similar work.

(h) The client's prospective employer engages in employment practices that are illegally discriminatory on the basis of age, sex, race, religious or political belief, marital status, disability, sexual orientation, or ethnic origin.

(i) The client's participation in a required activity in a case plan would prevent or interfere with the client's participation in an activity of the Grande Ronde Tribe's NEW program.

(j) The client's failure to participate is due to a circumstance beyond his or her reasonable control.

(k) When the failure to comply is caused by an aspect of the client's disability, including the Department's failure to provide a reasonable accommodation.

(l) The client quits a job to accept another job with a monthly income at least equal to the monthly income of the first job.

(m) The Department determines there are no appropriate activities or necessary support services (see OAR 461-001-0025) to support an activity (see OAR 461-001-0025) in order for the client to participate.

(4) In the SNAP program, a client is excused from not accepting employment or for leaving a job under the following circumstances:

(a) The hours or nature of the job interferes with the client's religious observances, convictions, or beliefs.

# ADMINISTRATIVE RULES

(b) The client accepts employment or enrolls at least half-time in any recognized school, training program, or institution of higher education that requires the client to quit a job.

(c) A client accepts employment or enrolls in school in another county, requiring the benefit group to move and the client to quit a job.

(d) A client less than 60 years of age resigns, and the employer recognizes the resignation as retirement.

(e) The client leaves a job to follow a type of employment that moves from one area to another, such as migrant labor or construction.

(f) The client accepts a job that, for reasons beyond the control of the client, does not materialize or results in fewer work hours or a lower wage than the client's previous job.

(g) Work demands or conditions, such as not being paid for work or not being paid on schedule, make employment unreasonable.

(h) The wage for the client's current or potential job is less than applicable minimum wage or, if minimum wage laws do not apply, the wage (rate for piece work) is less than that normally paid for similar work.

(i) The work schedule for the job in question does not conform to hours customary to the occupation or the hours worked each week are more than those customary to the occupation.

(j) The client is not obligated to accept a job during the first 30 days of registration for employment if the job is not in the client's field of experience.

(k) The client has no means of transportation and would have to walk an unreasonable distance to meet the participation requirement. An "unreasonable distance" is a distance that requires a commute of more than two hours each day. The client must make a good-faith effort to secure the needed transportation.

(l) Lack of adequate child care for a child who is six years of age or older and less than 12 years of age.

## 461-135-0475

### Specific Requirements; Pre-TANF Program

(1) This rule explains specific requirements for the Pre-TANF program. The eligibility criteria of the Pre-TANF program are the same as the TANF program. It is not the intent of the Pre-TANF program to delay the start of TANF program benefits. The purposes of the Pre-TANF program are:

- (a) To help individuals find employment or other alternatives;
- (b) To assess the employment potential of individuals;
- (c) To help individuals determine the service level needed to enhance their employability and their likelihood of becoming self sufficient;
- (d) To determine if a needy caretaker relative (see OAR 461-001-0000) has or may have a barrier to employment or to family stability.

(e) To develop an individualized case plan (see OAR 461-001-0025), when appropriate, that establishes goals and identifies suitable activities (see OAR 461-001-0025) that promote family stability and financial independence.

(f) To provide basic living expenses, as described in section (5) of this rule, immediately to families in need.

(2) Applicants for the TANF program whose unverified application indicates the client meets the TANF eligibility requirements participate in the Pre-TANF program. Their applications for the TANF program are also considered applications for the Pre-TANF program. The Pre-TANF program is open for not longer than 45 days following the date of request (see OAR 461-115-0030).

(3) Individuals in the Pre-TANF program are subject to the requirements of the JOBS program, described in divisions 130 and 190 of this chapter of rules, and they are subject to the requirements of OAR 461-135-0085 pertaining to substance abuse and mental health.

(4) During the Pre-TANF program, each caretaker relative in the need group (see OAR 461-110-0630) must complete an employability screening (see OAR 461-135-0485). At least one caretaker relative in the need group must participate in an overview of the JOBS program (see OAR 461-135-0485). If the employability screening indicates there is or may be a barrier, the individual must be offered additional screenings, at no cost to the individual, by a person with relevant expertise or specialized training. When appropriate, per OAR 461-190-0211, the individual and the Department

prepare a case plan that lists the activities of the client and support services payments if available.

(5) The Department may provide the client with basic living expenses necessary to stabilize the household so the client can accomplish the activities in the case plan. Basic living expenses covered by this section are limited to the current need of the client for personal incidentals that the client cannot meet with other, immediately available resources. Payments under this section are limited to 100 percent of the payment standard for the benefit group (see OAR 461-155-0030(2)(b)). Payment for "past expenses" is made only when the need of the client cannot be adequately met by a less expensive alternative.

(6) During the Pre-TANF program, an individual may receive support services payments listed in the case plan pursuant to OAR 461-190-0211.

(7) The Pre-TANF program is closed, at any point during the 45 days following the date of request (see OAR 461-115-0030) for TANF program benefits, in any of the following circumstances:

(a) The client is unlikely to become employed due to the employability of the client, the circumstances affecting the family, or other causes.

(b) The client fails without good cause (see OAR 461-130-0327) to comply with a requirement of an employment program or the case plan.

(c) In any circumstance that would make a client ineligible for TANF.

(d) Upon starting a JOBS Plus assignment.

(e) Upon employment and enrollment in the Post-TANF program.

(8) If Pre-TANF benefits are closed pursuant to subsection (7)(a) or (b) of this rule, TANF benefits may be opened if all TANF eligibility requirements are met.

**Subject:** OAR 461-115-0016 is being adopted to establish policies for a reservation list in the Employment Related Day Care program. This rule can be implemented as budget needs arise to keep caseload within budget levels and caps in accordance with legislative funding. This rule indicates which clients remain eligible once the reservation list is in place, which clients are placed on the reservation list, and how clients move from the reservation list into the program. This rule is also being adopted to make permanent the temporary rule adopted on August 1, 2011.

OAR 461-115-0030 is being amended to align how the Department determines the date of request for purposes of eligibility for current recipients of benefits in the Continuous Eligibility for OHP-CHP Pregnant Women (CEC), Continuous Eligibility for Medicaid (CEM), Extended Medical Assistance (EXT), Healthy KidsConnect (HKC), Medical Assistance Assumed (MAA), Medical Assistance to

Families (MAF), Oregon Health Plan (OHP), Oregon Supplemental Income Program Medical (OSIPM), Refugee Assistance Medical (REFM), and Medical Coverage for Children in Substitute or Adoptive Care (SAC) programs. This amendment aligns the processes for recipients of these programs who are sent an auto-pend (DHS Form 945) with those who are sent a DHS 6623 at medical redetermination. When either form is sent, the Department or the Oregon Health Authority has established a date of request on behalf of the recipient. This rule is also being amended to make permanent changes made by temporary rule on August 1, 2011.

OAR 461-115-0050 is being amended as part of the implementation of HB 3536 (2011) to indicate when clients who have had their medical case suspended as a result of incarceration with an anticipated stay of one year or less do not need a new application to resume medical benefits.

OAR 461-115-0230 about interviews of clients is being amended to make permanent temporary changes that were made on July 22, 2011 changing the interview policies in the Supplemental Nutrition Assistance Program (SNAP). The statement about face-to-face SNAP interviews occurring is removed, and interviews for expedited SNAP may no longer be postponed. This rule is also being amended to clarify when hardship criteria must be met for waiving a face to face interview. Currently, this rule indicates that all programs except BCCM, HKC, MAA, MAF, OHP and SAC must meet the hardship criteria to waive the face-to-face interview; it is being amended to reflect that only the TANF program requires the hardship criteria to be met.

OAR 461-115-0690 about verification is being amended to reflect that interviews cannot be postponed for expedited SNAP households. Interviews must be conducted prior to an eligibility determination being made. This amendment makes a temporary rule change from July 22, 2011 permanent.

OAR 461-130-0330 about the disqualification penalty in the Department's Temporary Assistance for Needy Families program is being amended to change the levels of disqualifications and the penalty in the final month in the Job Opportunity and Basic Skills (JOBS) program. The amendment also adds a two month ineligibility period if a client does not begin cooperation in the final month of disqualification. As a result of legislative changes during the 2011 legislative session, the levels and penalty for non-cooperation in the JOBS program are being changed. The amendment changes the levels of disqualification from four to two. There are three months in the first level and one month in the second level. The amendment also stipulates that a client who does not begin cooperation in the second level month will have the TANF grant closed and would not be eligible for TANF program benefits for two-consecutive month. This amendment also makes permanent changes adopted by temporary rule on October 1, 2011.

OAR 461-130-0335 about removing a disqualification penalty and the effects on benefits is being amended to change how a disqualification is ended depending on the level of disqualification in the Temporary Assistance for Needy Families (TANF) program. In the first level of disqualification a disqualified individual must cooperate for two consecutive weeks in all activities of a new or revised case plan. In the second level of disqualification, the disqualified individual must begin the two consecutive weeks of cooperation prior to the end of the month or their TANF grant will be closed for two consecutive months, after which the individual would need to re-apply for TANF program benefits. If the individual begins and cooperates for the two consecutive months, TANF benefits are restored effective the date the two consecutive weeks ended. As a result of legislative changes during the 2011 legislative session, the levels and penalty for non-cooperation in the JOBS program are being changed. This amendment was needed to comply with the legislative changes. This rule is also being amended to clarify the meaning of

the term "household" and to make permanent the changes made by temporary rule on October 1, 2011.

OAR 461-135-0089 about the disqualification penalty for non cooperation with substance abuse and mental health requirements in the Department's Temporary Assistance for Needy Families program is being amended to describe how to end a penalty imposed under OAR 461-135-0085. The amendment specifies what a client must do in order to end a disqualification imposed under OAR 461-135-0085. These changes are a result of legislative changes during the 2011 legislative session, the levels and penalty for non-cooperation in the JOBS program is being changed. This rule is also being amended to make permanent changes adopted by temporary rule on October 1, 2011.

OAR 461-135-0485 is being adopted to implement HB 2049 (2011) by setting out the requirements to complete an employability assessment and orientation for the Job Opportunity and Basic Skills (JOBS) program. These are new requirements for individuals applying for the Temporary Assistance to Needy Families (TANF) program. This rule is also being adopted to make the permanent the temporary rule adopted on October 1, 2011.

OAR 461-135-0780 about eligibility for Pickle Amendment clients in the OSIPM program, 461-145-0220 about treatment of the home, 461-155-0250 about income and payment standard for OSIPM, 461-155-0270 about room and board standards for OSIPM, 461-155-0300 about shelter-in-kind standard for OSIP, OSIPM and QMB, 461-160-0015 about resource limits, 461-160-0580 about excluded resources (community spouse provision) OSIPM program (except OSIP-EPD and OSIPM-EPD), and 461-160-0620 and income deductions and client liability for Long Term Care Services and Waivered Services are being amended to adjust these standard to reflect the annual federal cost of living adjustments that happen every January. These amendments keep Oregon in line with current federal standards for Department Medicaid programs and changes in the cost of living.

OAR 461-135-0832 about definitions for the estate recovery program is being amended to include a definition for a new type of real property deed, created by Oregon Laws 2011, chapter 212, known as a "Transfer on Death Deed."

OAR 461-135-0845 about valuation of life estates, transfer on death deeds, reversionary interest, and property is being amended to clarify that the new "Transfer on Death Deeds" created by Oregon Laws 2011, chapter 212 are subject to estate recovery claims for recoverable public assistance, and to establish how they will be valued for estate recovery purposes.

OAR 461-135-0950 is being amended as part of the implementation of HB 3536 (2011) to state that clients who become incarcerated for less than 12 months may have their medical benefits suspended rather than closed. This legislation was based on a request by local jails that have been experiencing an influx of inmates with high medical needs. These inmates have had their medical benefits terminated upon incarceration, and were not able to get their benefits reinstated upon release without completing a new application and/or submitting a reservation list request for OHP benefits. Reinstating medical benefits without a new application when an individual reports their release timely result in more timely medical benefits. This rule is also being amended to include the age criteria previously in OAR 461-135-0960 for individuals in state psychiatric institutions and training centers for the Oregon Supplemental Income Program Medical (OSIPM) and Medical Coverage for Children in Substitute or Adoptive Care (SAC) programs. The age criteria are being corrected from under the age of 21 to under the age of 22, and the section about a State Training Center is being removed because there are no longer any such training centers in existence. This rule is also being amended to make permanent changes adopted by temporary rule on October 1, 2011.

OAR 461-135-0960 regarding the age criteria for Oregon Supplemental Income Program Medical (OSIPM, assistance to the aged and people with disabilities) and Children in Substitute or Adoptive

## ADMINISTRATIVE RULES

Care (SAC) when the individual is in a State Psychiatric Institution or Training Center is being repealed because this topic is now being covered in OAR 461-135-0950, where the information is being updated and corrected. This repeal will make permanent a temporary rule suspension adopted on October 1, 2011.

OAR 461-135-0990 about reimbursement of cost-effective, private or employer-sponsored health insurance premiums is being amended to align it with the revision of OAR 410-120-1960 by the Oregon Health Authority and revise who may be reimbursed for private or employer-sponsored health insurance premiums.

OAR 461-135-1195 about the specific eligibility requirements for the Department's State Family Pre-SSI/SSDI (SFPSS) program is being amended to expand eligibility to one-adult families with each child in the household are on Social Security Income (SSI). As a result of budget constraints during the 2011 legislative session, the SFPSS grants are being reduced by removing enhanced grants. The grant will equal what the clients would have been receiving in a Temporary Assistance for Needed Families (TANF) grant. Because of this change, families with one adult where their child or all their children in the household are receiving SSI will have an SFPSS grant equal to a TANF grant. Prior to the grant amount changing, these families would have received less on SFPSS than TANF. Therefore they were not allowed to be on SFPSS program. They were provided all other SFPSS services. This rule is also being amended to make permanent temporary rule amendments adopted on October 1, 2011.

OAR 461-145-0130 about how earned income is treated in the eligibility process for several Department programs is being amended to remove an incorrect reference concerning cafeteria benefits plans and SNAP earned income deductions, and to clarify that a reimbursed cafeteria-style benefits cannot be excluded when reimbursed and are counted as earned income.

OAR 461-145-0410 about how benefits from one program are treated in determining eligibility for another program is being amended to remove a reference to a repealed rule affecting the TANF program.

OAR 461-155-0150 about child care eligibility standards, payment rates, and copayments in the ERDC, JOBS, JOBS Plus, and TANF programs is being amended to change the definitions of infants and toddlers for the purpose of setting DHS rates to licensed (registered or certified) child care providers. Licensed providers will receive infant rates up to 18 months instead of up to 12 months.

OAR 461-155-0320 about the payment standard for the Department's State Family Pre-SSI/SSDI (SFPSS) program is being amended to set new and lower payment standards. As a result of budget constraints during the 2011 legislative session, the SFPSS grants are being reduced by removing enhanced grants. The grant will equal what the clients would have been receiving in a Temporary Assistance for Needed Families (TANF) grant. This rule is also being amended to make permanent changes made by temporary rule on August 19, 2011.

OAR 461-155-0360 about requirements for clients to pursue cost-effective employer sponsored health insurance is being amended to align this rule with revision of OAR 410-120-1960 by the Oregon Health Authority. This amendment removes the step by step instructions for field workers on how to determine cost effective employer-sponsored health insurance for the purpose of applying OAR 461-120-0345, and states that the Health Insurance Group determines if employer sponsored health insurance meets the criteria for the purpose of applying OAR 410-120-1960 as well as OAR 461-120-0345 for failure to pursue cost effective employer sponsored insurance.

OAR 461-155-0528 about emergency assistance payments in the Oregon Supplemental Income Program Medical (OSIPM) program is being repealed. This repeal will have the effect of making the temporary changes to this rule on August 1, 2011 permanent.

OAR 461-155-0693 about transportation services payments in the Oregon Supplemental Income Program Medical (OSIPM) program

is being repealed. This repeal will have the effect of making the temporary changes to this rule on July 15, 2011 permanent.

OAR 461-160-0015 is being amended to update the resource limit for SNAP households that include at least one member who is elderly or an individual with a disability. The resource limit for these SNAP households prior to October 1, 2011 is \$3,000. Based on an increase in the Consumer Price Index (CPI) the new resource limit as of October 1, 2011 is \$3,250. There is no change in the resource limit for other SNAP households. This amendment makes permanent the temporary rule change from October 1, 2011

OAR 461-175-0290 about overpayment repayment notices is being amended to clarify when notices are sent to reduce benefits for recovery of an overpayment.

OAR 461-180-0050 about effective date for suspending or closing benefits or Job Opportunity and Basic Skills (JOBS) support services is being amended to fix a conflict between two rules and correct an error applicable to TANF program notices, changing the reference to the notice period from 30 to 45 days. This rule is also being amended as part of the implementation of HB 3536 (2011) to set out the policy on the effective date for suspending benefits for inmates. This rule is also being amended to make permanent changes made by temporary rule on October 1, 2011.

OAR 461-180-0070 about effective dates for initial month of benefits is being amended to clarify the initial date for TANF benefits when a client has received Pre-TANF benefits in the context of other changes to the Pre-TANF program due to state legislation and budget constraints. This rule is also being amended to make permanent changes made by temporary rule on October 1, 2011.

OAR 461-180-0085 about redetermining medical eligibility prior to reducing or ending medical benefits is being amended to change how it specifies who will remain eligible if additional information is needed to make an eligibility decision after the Department initiates a redetermination.

In addition, the above rules may also be changed to reflect new Department terminology and to correct formatting and punctuation.

#### Application Process; Reservation List for ERDC

Notwithstanding any other rule in Chapter 461 of the Oregon Administrative Rules, in the ERDC program:

(1) Eligibility is subject to the availability of funds. The Department may implement a Child Care Reservation List whenever the Department determines that sufficient funding is not available to sustain benefits for all of the applicants requesting assistance.

(2) Except as provided in section (3) of this rule, the following applicants are subject to placement on the Child Care Reservation List when the Child Care Reservation List is in effect:

(a) New applicants for ERDC when no member of the ERDC filing group (see OAR 461-110-0350) received a partial or full month of REF, SFPSS, or TANF program cash benefits from the State of Oregon in at least one of the preceding three months; and no member of the ERDC program filing group may be concurrently receiving TANF program benefits except as allowed under OAR 461-165-0030.

(b) Individuals who are reapplying for ERDC after a break in ERDC benefits of two consecutive, calendar months or more.

(3) Except as allowed under OAR 461-165-0030, no member of an ERDC program filing group may be concurrently receiving TANF program benefits. When concurrent benefits are not allowed, the Department sends a decision notice (see OAR 461-001-0000) of ineligibility for the ERDC program and the filing group is not placed on the Child Care Reservation List.

(4) When the Child Care Reservation List is in effect, the Department must place all applicants who are subject to the Child Care Reservation List under section (2) of this rule on the Child Care Reservation List for future selection. The Department sends these applicants a decision notice of ineligibility for the ERDC program.

(5) Each month, on the basis of an estimate of available funds, an appropriate number of individuals from the Child Care Reservation List are randomly selected and invited to apply for ERDC.

(6) After an individual is selected from the Child Care Reservation List, the individual must contact the Department to establish a date of

# ADMINISTRATIVE RULES

request no later than 30 days after the date on the selection letter. The individual may request child care benefits from the Department:

(a) Without completing a new application, when the previous application is within 45 days of its date of request (see OAR 461-115-0030); or

(b) By submitting a new application for child care benefits to the Department.

(7) The processing time frame for the ERDC application is the same as that specified in OAR 461-115-0190, except that:

(a) An individual who requests benefits after the 30 day deadline to apply (see section (6) of this rule) will be returned to the Child Care Reservation List.

(b) If the Department does not receive a request for benefits within the deadline to apply, the individual is dropped from the Child Care Reservation List.

## 461-115-0030

### Date of Request

(1) For all programs covered by Chapter 461 of the Oregon Administrative Rules, the client or someone authorized to act on behalf of the client must contact the Department or use another appropriate method to request benefits (see OAR 461-115-0150). The request may be oral or in writing. The request starts the application process.

(2) The date of request is one of the following:

(a) In the EA, ERDC, GA, OSIP, REF, and TANF programs and for support service payments in the JOBS program authorized by OAR 461-190-0211, the date of request is the day the request for benefits is received by the Department.

(b) In the SNAP program, this section does not apply. See OAR 461-115-0040.

(c) In the GAM, HKC, MAA, MAF, OHP, OSIPM, REFM, and SAC programs, for a new applicant, the date of request is determined as follows:

(A) The day the request for medical benefits is received by a Department representative, except as described in paragraphs (B) and (C) of this subsection.

(B) If the request for medical benefits is received by a Department representative no later than the next business day after medical services are received, the date of request is the day these medical services were received.

(C) An individual's request to be placed on the OHP Standard Reservation List (see OAR 461-135-1125) does not establish a date of request for medical benefits.

(d) In the CEC, CEM, EXT, HKC, MAA, MAF, OHP, OSIPM, REFM, and SAC programs, for a current recipient, the date of request is one of the following:

(A) The date the client reports a change requiring a redetermination of eligibility.

(B) The date the Department initiates a review, except that the automatic mailing of an application only constitutes a Department-initiated review when a CEC, CEM, EXT, MAA, MAF, OHP-OP6, OHP-OPC, OHP-OPP, or OHP-OPU recipient is mailed the DHS 6623 "Client TANF Packet--PA" redetermination packet.

(C) The date the client establishes a date of request by contacting the Department orally or in writing or by submitting an application.

(e) In the SFPSS program:

(A) Except as provided in paragraph (B) of this subsection, the date of request is the day the client signs the program's Interim Assistance Agreement.

(B) The date of request for support service payments is the day the request for benefits is received by the Department.

## 461-115-0050

### When an Application Must Be Filed

(1) A client must file an application, or may amend a completed application, as a prerequisite to receiving benefits as follows:

(a) A client may apply for the TA-DVS program as provided in OAR 461-135-1220.

(b) In all programs except the TA-DVS program:

(A) Except as provided otherwise in this rule, a client wishing to apply for program benefits must submit a complete application on a form approved by the Department.

(B) An application is complete if all of the following requirements are met:

(i) All information necessary to determine the individual's eligibility and benefit amount is provided on the application for each individual in the filing group.

(ii) The applicant, even if homeless, provides a mailing address.

(iii) The application is signed. An individual required but unable to sign the application may sign with a mark, witnessed by another individual.

(iv) The application is received by the Department, except an electronic application (see OAR 461-001-0000) meets the requirements of this paragraph only when submitted to and received by the Department with an electronic signature.

(2) A new application is not required in the following situations:

(a) In the SNAP program, when a single application can be used both to determine a client is ineligible in the month of application and to determine the client is eligible the next month. This can be done when--

(A) Anticipated changes make the filing group (see OAR 461-110-0370) eligible the second month; or

(B) The filing group provides verification between 30 and 60 days following the filing date (see OAR 461-115-0040), under OAR 461-180-0080.

(b) In all programs except the SNAP program, when a single application can be used both to determine a client is ineligible on the date of request (see OAR 461-115-0030) and to determine the client is eligible when anticipated changes make the filing group eligible within 45 days from the date of request.

(c) When the case is closed and reopened during the same calendar month.

(d) When benefits were suspended for one month because of the level of income, and the case is reopened the month following the month of suspension.

(e) When reinstating medical benefits for a pregnant woman covered by OAR 461-135-0950, notwithstanding subsection (g) of this section.

(f) When the Department determines a child under the age of 19 years with a date of request from July 1, 2009 through December 31, 2009 is not eligible for EXT, MAA, MAF, OHP, OSIPM, QMB, or SAC program benefits for a reason other than failure to complete the application requirements under OAR 461-115-0020, and the Department chooses to redetermine the child's eligibility for EXT, MAA, MAF, OHP, OSIPM, QMB, and SAC program benefits under the administrative rules in effect on October 1, 2009 and January 1, 2010.

(g) In the BCCM, CEC, CEM, EXT, GAM, MAA, MAF, OHP, OSIPM, QMB, and SAC programs, when a client's medical benefits are suspended because the client lives in a public institution (see OAR 461-135-0950), if the inmate is released within 12 months of admission and the inmate provides notification to the Department within 10 days of the release.

(3) When a client establishes a new date of request (see OAR 461-115-0030) prior to the end of the month following the month of case closure, unless the Department determines a new application is required, a new application is not required in the following situations:

(a) In the OSIPM program, when the client's case closed due to failure to make a liability payment required under OAR 461-160-0610.

(b) In the OSIPM-EPD program, when the client's case closed due to failure to make a participant fee payment required under OAR 461-160-0800.

(4) A new application is required to add a newborn child to a benefit group (see OAR 461-110-0750) according to the following requirements:

(a) For the REF and TANF programs:

(A) A new application is not required if the child is listed on the application as "unborn" and there is sufficient information about the child to establish its eligibility.

(B) A new application is required if the child is not included on the application as "unborn."

(b) In the CEC, CEM, EXT, HKC, MAA, MAF, OHP, and REFM programs, no additional application is required to add a newborn to a benefit

# ADMINISTRATIVE RULES

group receiving benefits from one of the listed programs if eligibility can be determined without submission of a new application.

(c) In the CEC, CEM, EXT, GAM, HKC, MAA, MAF, OHP, OSIPM, QMB, REFM, and SAC programs, no additional application is required to add an assumed eligible newborn to a benefit group currently receiving Department medical program benefits.

(d) In the ERDC and SNAP programs, an application is not required to add the child to the benefit group.

(e) In all programs other than CEC, CEM, ERDC, EXT, GAM, HKC, MAA, MAF, OHP, QMB, REF, REFM, SAC, SNAP, and TANF, an application is required.

(5) A new application is required to add an individual, other than a newborn child, to a benefit group according to the following requirements:

(a) In the ERDC and SNAP programs, a new application is not required.

(b) In the EXT, HKC, MAA, MAF, OHP, REF, REFM, SAC, and TANF programs, an individual may be added by amending a current application if the information is sufficient to determine eligibility; otherwise a new application is required.

(c) In all programs other than the ERDC, EXT, HKC, MAA, MAF, OHP, REF, REFM, SAC, SNAP, and TANF programs, a new application is required.

(6) A client whose TANF grant is closing may request ERDC orally or in writing.

(7) Except for an applicant for the SNAP program, a client may change between programs administered by the Department using the current application if the following conditions are met:

(a) The client makes an oral or written request for the change.

(b) The Department has sufficient evidence to determine eligibility and benefit level for the new program without a new application.

(c) The program change can be effected while the client is eligible for the first program.

(8) In the CEC, CEM, EXT, HKC, MAA, MAF, OHP, OSIP, OSIPM, and QMB programs, a new application is not required to redetermine eligibility if the following conditions are met:

(a) The client currently is receiving benefits from one of these programs; and

(b) The Department has sufficient evidence to redetermine eligibility for the same program or determine eligibility for the new program without a new application or by amending the current application.

### Interviews

(1) In the TANF program, the Department may conduct a required face-to-face interview by telephone or home visit if an authorized representative (see OAR 461-115-0090) has not been appointed, and participating in a face-to-face interview is a hardship (see section (2) of this rule) for the household.

(2) For the purposes of this rule, "hardship" includes but is not limited to:

(a) Care of a household member;

(b) A client's age, disability (see OAR 461-001-0000), or illness;

(c) A commute of more than two hours from the client's residence to the nearest branch office (see OAR 461-001-0000);

(d) A conflict between the client's work or training schedule and the business hours of the branch office; and

(e) Transportation difficulties due to prolonged severe weather or financial hardship.

(3) In the SNAP program:

(a) An interview must be scheduled so that the filing group (see OAR 461-110-0370) has at least ten days to provide any needed verification before the deadline under OAR 461-115-0210.

(b) A face-to-face interview must be granted at the applicant's request.

(c) When an applicant misses the first scheduled interview appointment, the Department must inform the applicant by regular mail of the missed interview.

(d) An applicant who fails to attend a scheduled interview must contact the Department no later than 30 days following the filing date (OAR 461-115-0040) to be eligible for benefits.

(e) An adult in the filing group or the authorized representative of the filing group is interviewed once every 12 months.

### Verification For SNAP Expedited Service; Time Limits

This rule establishes verification requirements for expedited services in the SNAP program.

(1) An applicant meeting the SNAP program expedited services criteria under OAR 461-135-0575 and determined eligible for SNAP benefits must provide verification of his or her identity either through a collateral contact or documentary evidence before benefits may be issued. Benefits may not be delayed solely because other eligibility factors are not verified. The filing group (see OAR 461-110-0370) must provide the postponed verification within the timeframes established in section (3) of this rule.

(2) A filing group that was receiving SNAP benefits in another state during the same month the filing group applies for expedited services in Oregon must verify that the filing group will not use SNAP benefits from both the other state and Oregon in the same month. The filing group may provide the verification by signing a statement attesting to the following:

(a) The filing group did not receive SNAP benefits from the other state for the month in which the filing group is applying for SNAP benefits in Oregon; and

(b) If the filing group receives SNAP benefits from the other state for a month in which the filing group receives SNAP benefits in Oregon, the filing group must comply with the following requirements:

(A) The filing group may not use the other state's SNAP benefits; and

(B) The filing group must report receipt of the other state's SNAP benefits and turn them in to the Department within five days of receipt. Failure to comply with this requirement constitutes an intentional program violation.

(3) A filing group that does not provide all necessary postponed verification becomes ineligible as follows:

(a) A filing group applying on or before the 15th of the month becomes ineligible the last day of the month of application.

(b) A filing group applying after the 15th of the month becomes ineligible the last day of the month following the month of application.

(4) When SNAP benefits under expedited services close or change due to postponed verification, notice is provided in accordance with OAR 461-175-0300.

### Disqualifications; Post-TANF, Pre-TANF, REF, SNAP, TANF

(1) In the Pre-TANF, REF, SNAP, and TANF programs, the Department may not disqualify from program benefits a client who is a volunteer (see OAR 461-130-0305) participant in an employment program.

(2) In the Pre-TANF, REF, and TANF programs, a mandatory (see OAR 461-130-0305) client who fails to comply with an employment program participation requirement and does not have good cause (see OAR 461-130-0327) for the failure to comply is subject to disqualification under

# ADMINISTRATIVE RULES

this rule only after the requirements of all of the following subsections are met:

(a) The client has had the opportunity to participate in the re-engagement process under OAR 461-190-0231;

(b) The Department has determined the client is willfully non-compliant and does not have good cause for failing to comply with a requirement of the program;

(c) The Department has offered (and the client has refused) or conducted screenings (and assessed if appropriate) for physical or mental health needs, substance abuse, domestic violence, and learning needs;

(d) The Department has determined the client has no barriers (see OAR 461-001-0025) or refuses to take appropriate steps to address identified barriers;

(e) The Department has determined the client has not met federally required participation rates (see OAR 461-001-0025); and

(f) The Department has assessed for any risk of harm posed to the children by a reduction in cash assistance.

(3) In the REF and TANF programs, the effects of a JOBS disqualification are progressive. There are two levels of disqualification. Once a disqualification is imposed, it affects benefits according to the following schedule until the disqualification ends in accordance with OAR 461-130-0335:

(a) At the first level, the penalty is removal of the disqualified client from the need group (see OAR 461-110-0630) for three months.

(b) At the second level, the need group receives no cash benefit in the program for one month.

(c) At the end of the second level, program benefits are closed and the filing group may not receive program benefits for the following two consecutive months. This may be prevented if the disqualified client:

(A) Contacts a representative of the Department in order to re-engage in the JOBS program prior to the end of the second level; and

(B) Begins the two consecutive weeks of cooperation as outlined in section (4) of OAR 461-130-0335 prior to the end of the second level; or

(C) Is no longer a member of the household group (see OAR 461-110-0210 and 461-130-0335(2)); or

(D) Is unable to participate because there are no appropriate activities (see OAR 461-001-0025) or support services (see OAR 461-001-0025) necessary to support the activity (see OAR 461-001-0025).

(4) In the SNAP program:

(a) A mandatory client who fails to comply with the requirements of an employment program is subject to disqualification. A disqualified client is removed from the need group until he or she meets the employment program requirements and serves the applicable progressive disqualification under the following subsections:

(A) One calendar month for the first failure to comply.

(B) Three calendar months for the second failure to comply.

(C) Six calendar months for the third and subsequent failures to comply.

(b) A client who is exempt (see OAR 461-130-0305) from participation in the SNAP employment program because he or she is a mandatory participant in the JOBS program, receiving unemployment compensation benefits, or has applied for unemployment compensation benefits and is waiting on an initial decision must comply with the requirements of those programs. If the client fails to comply with the requirements of the applicable program the client is disqualified from receiving SNAP benefits, unless he or she can show good cause under OAR 461-130-0327.

### Removing Disqualifications and Effect on Benefits

(1) An applicant who would be subject to an employment program disqualification under OAR 461-130-0330 but withdraws the application before benefits are approved is not subject to disqualification.

(2) In the SNAP and TANF programs, a filing group (see OAR 461-110-0330 and 461-110-0370) is not subject to the impact of a disqualification for a disqualified member who has left the household group (see OAR 461-110-0210). Should the member join another filing group, that group is subject to the member's most recent disqualification.

(3) In the SNAP program, the disqualification ends the first day of the month following the month in which information is provided to the

Department justifying the change in the client's participation classification, even if the date falls within the disqualification period provided in OAR 461-130-0330(4).

(4) In the REF and TANF programs, a client disqualified for failure to meet the requirements of an employment program under division 190 of these rules:

(a) At the first level of disqualification must cooperate for two consecutive weeks with each activity (see OAR 461-001-0025) specified in the client's current or revised case plan (see OAR 461-001-0025) before the Department may remove the disqualification. Cash benefits are restored effective the date the client completes the two consecutive week cooperation period.

(b) When the second level of disqualification ends, TANF program benefits are closed for two consecutive months, unless the client begins two consecutive weeks of cooperation with each activity specified in the client's current or revised case plan before the end of the level two. If the client completes the two consecutive weeks of cooperation, cash benefits are restored effective the date the client completes the two consecutive week cooperation period.

(c) Cash benefits are restored effective the date it is determined, by the Department, there are no appropriate activities or support services (see OAR 461-001-0025) necessary to support the activity available in order for the client to demonstrate participation.

(5) In the REF and TANF programs, a disqualification ends when the Department changes the participation classification of the disqualified individual to exempt (see OAR 461-130-0305) or when the client complies with the requirements of the employment program (see section (4) of this rule).

### Demonstrating Compliance with Substance Abuse and Mental Health Requirements; Restoring Cash Benefits

In the Pre-TANF, REF, and TANF programs:

(1) In order to end a penalty imposed under OAR 461-135-0085:

(a) At the first level of disqualification (see OAR 461-130-0330(3)), a client must:

(A) Cooperate for a period of two consecutive weeks with each activity (see OAR 461-001-0025) specified in the client's current or revised case plan (see OAR 461-001-0025); and

(B) Demonstrate a willingness to participate in treatment required under OAR 461-135-0085 if treatment is still required.

(b) When the second level of disqualification (see OAR 461-130-0330(3)) ends, program benefits are closed for two consecutive months, unless the client:

(A) Begins two consecutive weeks of cooperation with each activity specified in the client's case plan before the end of the level two; and

(B) Demonstrates a willingness to participate in treatment required under OAR 461-135-0085 if treatment is still required.

(2) When the Department removes a disqualification due to a client's compliance with the requirements under OAR 461-135-0085, cash benefits are restored effective the date the client completed the two consecutive week cooperation period.

### Requirement to Complete an Employability Screening and Overview of the Job Opportunity and Basic Skills (JOBS) program; TANF

(1) As used in this rule:

(a) "Employability screening" means the DHS 7823A - Employability Screening Tool.

(b) "Overview of the JOBS program" means a discussion with the caretaker relative (see OAR 461-001-0000) in the need group (see OAR 461-110-0630) about the requirements and services provided under the JOBS program.

# ADMINISTRATIVE RULES

(2) To be eligible for TANF benefits, the following must be completed prior to the end of the application processing time frames in OAR 461-115-0190:

(a) Each caretaker relative in the need group must complete an employability screening (see section (1) of this rule); and

(b) At least one caretaker relative in the need group must participate in an overview of the JOBS program (see section (1) of this rule).

(3) The employability screening and overview of the JOBS program must be offered during the initial eligibility intake for TANF program benefits.

### Eligibility for Pickle Amendment Clients; OSIPM

(1) An individual is eligible for OSIPM under this rule and the so-called Pickle amendment (Pub. L. No. 94 566, § 503, title V, 90 Stat. 2685 (1976)), if he or she meets all other eligibility requirements, and:

(a) Is receiving Social Security Benefits (SSB);

(b) Was eligible for and receiving SSI or state supplements but became ineligible for those payments after April 1977; and

(c) Would be eligible for SSI or state supplement if the SSB COLA increases paid under section 215(i) of the Social Security Act, after the last month the individual was both eligible for and received SSI or a supplement and was entitled to SSB, were deducted from current SSB benefits.

(2) The SSB amount received by the individual when he or she became ineligible for SSI or OSIP is used as the individual's countable Social Security income, for the purposes of the Pickle Amendment. If the amount cannot be determined, it is calculated in accordance with sections (3) and (4) of this rule.

(3) Determine the month in which the individual was entitled to Social Security and received SSI in the same month. Use the table in section (4) of this rule to find the percentage that applies to that month. Multiply the present amount of the individual's Social Security benefits by the applicable percentage. This amount, rounded down to the next lower whole dollar, is the individual's countable Social Security for purposes of this rule and the Pickle Amendment. Add that figure to any other countable unearned income plus adjusted earned income of the individual, and if the total is less than the full SSI income standard for a single individual plus the \$20 unearned income deduction (OAR 461-160-0550), the individual is eligible for OSIPM for purposes of this rule and the Pickle amendment. For spouses in the same financial group (see OAR 461-110-0530), perform the above calculation for each spouse, combine the results and add the subtotal to all other countable unearned and adjusted earned income. If the total is less than the full SSI standard for a couple plus the \$20 unearned income deduction (OAR 461-160-0550), the couple is eligible for OSIPM for purposes of this rule and the Pickle amendment. All other financial and non-financial eligibility criteria must be met.

(4) The following guide contains the calculations used to determine the SSB for prior years: [Calculations not included. See ED. NOTE.]

## 461-135-0832

### Estate Administration; Definitions

Effective July 18, 1995, for purposes of these rules (OAR 461-135-0832 to 461-135-0847) and ORS 93.268, 410.075, 411.694, 411.708, 411.795, 416.310, 416.340, and 416.350 the terms listed below have the meanings ascribed to them herein; provided, however, as used in these rules, any term has the same meaning as when used in a comparable context in the laws of the United States in effect on June 1, 1996, relating to the recovery of medical assistance paid by a state pursuant to 42 USC 1396 et. seq. relating to Grants to States for Medical Assistance Programs, unless a different meaning is clearly required or the term is specifically defined

herein. The Department applies the definitions and procedures set forth in these rules to recoveries and claims made pursuant to ORS 411.708, 411.795, 416.310, 416.340, and 416.350.

(1) "Assets" means all income and resources of an individual, including any income or resources that an individual is entitled to at the time of death, including any income or resources to which the individual is entitled, but does not receive, because of action: by the individual; the individual's spouse; by a person, including a court or administrative body with legal authority to act in place of or on behalf of the individual; or by any person, including any court or administrative body, acting at the direction or upon the request of the individual.

(2) "Assign" means a person who acquires an interest in real or personal property or an asset pursuant to a written or oral assignment of such real or personal property or asset from a person with the legal right to assign it.

(3) "Blind child" means the deceased recipient's natural or adopted son or daughter, of any age, who, within two years after the Department initially asserts its claim, substantiates blindness throughout the time the Department seeks to enforce its claim by presenting evidence of:

(a) Vision of 20/200 or less in the better eye with a corrective lens; or

(b) A limitation in vision field to an angle of 20 degrees or less; or

(c) Meeting any other SSI criteria for blindness.

(4) "Bona fide purchaser for value" means any person who provides consideration, including money or property, to a seller or transferor of real property or personal property equal to the fair market value of the real or personal property sold or transferred.

(5) "Child under age 21" means the deceased recipient's natural or adopted son or daughter who is under 21 years of age throughout the time the Department seeks to enforce its claim.

(6) "Consideration furnished test" means the method by which the ownership of real or personal property is traced to its economic origin. The fractional share of the property considered owned by a co-owner shall be that fractional share to have originally belonged to or to be attributable to the monetary consideration furnished by the co-owner. The fractional share is based on the proportion the original ownership share or monetary consideration bore to the acquisition cost and, if applicable, capital additions for the property. The fractional share is not based on the dollar amount of contribution compared to the current market value of the property. For example, if one co-owner contributed \$2,500 and the other \$7,500 to the purchase price of a \$10,000 property in 1960; in 1995, the property is appraised at \$50,000. The co-owner who contributed \$2,500 is considered to own 25% of the property in 1995.

(7) "Convincing evidence" includes, but is not limited to:

(a) Recorded documents of title.

(b) Unrecorded documents of title executed contemporaneously with the transaction or transfer at issue.

(c) Tax statements or returns.

(d) Records of banking, financial or other similar institutions.

(e) Written receipts, bills of sale or other writings or documents executed contemporaneously with the transaction or transfer at issue.

(f) Such other reliable, probative evidence, including oral, of a similar nature and authenticity that accurately reflects the true facts of the transaction or transfer at issue.

(8) "Date of request" means the date an individual or someone authorized on behalf of the individual contacts the Department or uses another appropriate method to request benefits (see OAR 461-115-0150). The request may be oral or in writing. It starts the application process.

(9) "Disabled child" means the deceased recipient's natural or adopted son or daughter of any age, who meets SSI disability criteria throughout the time the Department seeks to enforce its claim, and who presents evidence to the Department substantiating the disability within two years after the Department initially asserts its claim.

(10) "Estate" means:

(a) With respect to the collection of payments made for public assistance provided prior to July 18, 1995, or for exclusively state funded public assistance, all real property, personal property, or other assets included within a recipient's estate, or the estate of the recipient's spouse, as such estate is defined by applicable state probate law.

(b) With respect to the collection of payments made for public assistance provided on or after July 18, 1995:

(A) For recipients who die prior to October 1, 2008, all real property, personal property, or other assets, wherever located, in which a recipient had any legal title or ownership or beneficial interest at the time of death, including real property, personal property, or other assets conveyed by the recipient to, subsequently acquired by, or traceable to, a person, including

# ADMINISTRATIVE RULES

the recipient's surviving spouse and any successor-in-interest to the recipient's surviving spouse, through:

- (i) Tenancy by the entirety;
- (ii) Joint tenancy;
- (iii) Tenancy in common;
- (iv) Not as tenants in common, but with the right of survivorship;
- (v) Life estate;
- (vi) Transfer on death deed;
- (vii) Living trust;
- (viii) Annuity purchased on or after April 1, 2001; or
- (ix) Other similar arrangement.

(B) For recipients who die on or after October 1, 2008, all real property, personal property, or other assets, wherever located, in which a recipient had any legal title or ownership or beneficial interest at the time of death of the recipient, including real property, personal property, or other assets conveyed by the recipient to, subsequently acquired by, or traceable to, a person, including the recipient's spouse and any successor-in-interest to the recipient's spouse, through:

- (i) Tenancy by the entirety;
- (ii) Joint tenancy;
- (iii) Tenancy in common;
- (iv) Not as tenants in common, but with the right of survivorship;
- (v) Life estate;
- (vi) Transfer on death deed;
- (vii) Living trust;
- (viii) Annuity purchased on or after April 1, 2001; or
- (ix) Other similar arrangement, such as an interspousal transfer of assets, including one facilitated by a court order, which occurred no earlier than 60 months prior to the first date of request established from the recipient's and the recipient's spouse's applications, or at any time thereafter, whether approved, withdrawn, or denied, for the public assistance programs referenced in OAR 461-135-0835(2).

(11) "Heir" means any individual, including the surviving spouse, who is entitled under intestate succession to the real property, personal property, and assets of a decedent who died wholly or partially intestate.

(12) "Interest" means any form of legal, beneficial, equitable or ownership interest.

(13) "Interspousal transfer" means any transfer, or chain of transfers, that effectively transfers title or control of an asset, or an interest in an asset, from one spouse to another, including: direct transfers between spouses, transfers from one or both spouses to a trust, and transfers from one trust to another trust.

(14) "Intestate" means one who dies without leaving a valid will, or the circumstance of dying without leaving a valid will, effectively disposing of all of a decedent's estate.

(15) "Intestate succession" means succession to real property, personal property or assets of a decedent who dies intestate or partially intestate.

(16) "Joint tenancy" means ownership of property held under circumstances that entitle one or more owners to the whole of the property on the death of the other owner(s), including, but not limited to, joint tenants with right of survivorship and tenants by the entirety.

(17) "Legal title" means legal ownership by a person.

(18) "Life estate" means an interest in real or personal property that terminates upon the death of a measuring life.

(19) "Living trust" means a revocable or irrevocable inter vivos trust funded with assets to which the recipient is legally entitled.

(20) "Medical institution" means a facility that provides care and services equivalent to those received in a nursing facility. Medical Institution does not apply to in-home waived services, adult foster home (AFH) care, residential care facility (RCF) services, or assisted living facility (ALF) care.

(21) "Ownership documents" mean any applicable documents, certificates or written evidence of title or ownership such as, but not limited to, recorded deeds, stock certificates, certificates of title, bills of sale or other similar documents evidencing ownership or legal title held by a person.

(22) "Permanently institutionalized" means an individual, regardless of age, who, at the time of his or her death, had resided in a nursing facility, intermediate care facility for the mentally retarded, or other medical institution, for 180 days or more.

(23) "Person" means any individual, corporation, association, firm, partnership, trust, estate or other form of entity.

(24) "Personal property" means all tangible and intangible personal property wherever located, including, but not limited to, chattels and movables, boats, vehicles, furniture, personal effects, livestock, tools, farming

implements, cash, currency, negotiable papers, securities, contracts, and contract rights.

(25) "Real property" means all land wherever situated, including improvements and fixtures thereon, and every estate, Interest, and right, whether legal or equitable, therein including, but not limited to, fee simple, terms for years, life estates, leasehold interests, condominiums or time share properties. Real property includes property conveyed by the individual to, subsequently acquired by, or traceable to, a person, including the individual's surviving spouse and any successor-in-interest to the individual's surviving spouse, if the real property may be included in the individual's, or the individual's surviving spouse's, estate, as defined in this rule.

(26) "Recipient of property" means:

(a) Any survivor, heir, assign, devisee under a will, beneficiary of a trust, transferee or other person to whom real property, personal property or other assets pass upon the death of the decedent either by law, intestate succession, contract, will, trust instrument or otherwise; and

(b) Any subsequent transferee of such real property, personal property, or asset, or proceeds from the sale thereof, through any form of conveyance, that is not a bona fide purchaser for value.

(27) "Survivor" means any person who, as a co-tenant, is automatically entitled to an expanded share of real or personal property upon the death of a fellow co-tenant.

(28) "Survivorship" means an interest in real or personal property that expires upon the death of an individual whereby the Interest of the individual's co-owners automatically expands to the same extent without necessity for any act of transfer or distribution.

(29) "Tenancy in common" means ownership of real or personal property by an individual together with one or more other persons which ownership interest shall not pass by survivorship upon the death of the individual.

(30) "Time of death" means the instant of death, the time and date of which shall be established in the place of the decedent's residence; in no case shall time of death be construed to mean a time after which an interest in real or personal property or other assets may:

(a) Pass by survivorship or other operation of law due to the death of the decedent; or

(b) Terminate by reason of the decedent's death.

(31) "Transfer on death deed" has the meaning set out in Oregon Laws 2011, chapter 212, section 2.

(32) "Value" means the fair market value. Fair market value is the price at which real or personal property would change hands between a willing buyer and a willing seller. In the event the real or personal property was not reported to the Department by the deceased Medicaid recipient, the value would be established based on its fair market value at the time of discovery.

## 461-135-0845

### Valuation of Life Estate, Reversionary Interest and Property

(1) Effective July 18, 1995, the value of an expressly created life estate or other interest in real or personal property or other asset measured by or valued with respect to a life span, including that of the relevant recipient of public assistance, is established by reference to the life estate valuation tables set forth in this rule and is valued as of the time of death of the recipient of public assistance irrespective of the actual life span of the measuring life. [Table not included. See ED. NOTE.]

(2) For public assistance recovery purposes, the interest of a person in real or personal property or other asset held in joint tenancy with right of survivorship (including transfers with right of survivorship covered by ORS 93.180) or other form of concurrent ownership with one or more other persons with right of survivorship, other than a spouse or a transfer on death deed (see OAR 461-135-0832), is presumed to be the value of the fractional share held by the person. The fractional share of a person is presumed to be the share reflected in the ownership documents. Such presumption may be rebutted under the Consideration Furnished Test or by Convincing Evidence of the actual consideration contributed by another co-owner of the property or asset. In the absence of any stated fractional share on the Ownership Documents, each co-owner is presumed to have an equal fractional share of ownership of the whole, unless rebutted by the

# ADMINISTRATIVE RULES

Consideration Furnished Test or as otherwise established by Convincing Evidence.

(3) With respect to Real or Personal Property or an Asset held jointly by spouses, as Tenants in Common, tenants by the entirety, with right of survivorship or otherwise, such property or asset is conclusively deemed to be owned one-half by each spouse; provided, however, that in the event the Ownership Documents expressly set forth a different fractional share of ownership, and such fractional share is lawful in the appropriate jurisdiction, then the fractional share set forth in such Ownership Documents is presumed to be the fractional share owned by each spouse. Such presumption may be rebutted by Convincing Evidence.

(4) With respect to a transfer on death deed, for public assistance recovery purposes, the transferor is presumed to own the full value of the real property. If there is more than one transferor their respective interests are determined in accordance with sections (2) and (3) of this rule.

(5) The Value of Real Property at, or prior to, the Time of Death is determined by establishing the fair market value of the property to the satisfaction of the Department. The burden of proof for establishing the Real Property's fair market value to the satisfaction of the Department lies with the person or, after the Time of Death of the person, with the person's representative, and may be established by any methodology, including the provision of an appraisal performed by an appraiser certified or licensed in the applicable jurisdiction, that the Department determines most accurately reflects the Value of the Real Property. The Value of liens and other encumbrances against the Real Property that is established by Convincing Evidence, if appropriate, is subtracted from the fair market value of the Real Property in order to derive a net fair market value of the Real Property.

(6) The Value of Personal Property consisting of shares of stock or other securities traded on an exchange is evidenced by the average of the bid and ask prices on the date of the Time of Death, or the next trading day thereafter. If such bid and ask prices are unavailable for certain stocks or securities, the Value may be established by a written estimate from the corporation or other entity issuing such shares or securities of the Value, or if such estimate is unobtainable, an estimate from a broker, trader or other Person with knowledge in the field of the Value. Liens and encumbrances established by Convincing Evidence against shares of stock or other securities is subtracted from the value of such stock or securities established by the foregoing procedure.

(7) The Value of tangible Personal Property, including, but not limited to, livestock, furniture, vehicles and other tangible items may be established—

(a) By a written estimate from a Person knowledgeable in the field of appraising such items of Personal Property; or

(b) From published sources such as catalogs of antiques or collectibles, blue books or other Convincing Evidence that accurately establishes the Value of the property. Liens and encumbrances established by Convincing Evidence against tangible personal property is subtracted from the value of such property established by the foregoing procedure.

(8) The Value of intangible Personal Property not otherwise provided for in this rule, is established by a written estimate from a Person knowledgeable in the field of appraising such items of intangible Personal Property. Liens and encumbrances established by Convincing Evidence against tangible personal property is subtracted from the value of such property established by the foregoing procedure.

(9) Notwithstanding anything to the contrary contained in this rule, in cases where an inventory has been filed with the appropriate court or an estate tax return has been filed with the appropriate governmental authority, the Value of any Real or Personal Property or other Asset is presumptively established by the amounts set forth on such inventory or estate tax return. The presumptive Value established by such inventory or return may be rebutted by Convincing Evidence.

## 461-135-0950

### Eligibility for Inmates and Residents of State Hospitals

(1) This rule sets out additional restrictions on the eligibility of inmates and residents of state hospitals for programs covered by Chapter 461 of the Oregon Administrative Rules.

(2) Definition of an "inmate".

(a) An inmate is an individual living in a public institution who is:

(A) Confined involuntarily in a local, state or federal prison, jail, detention facility, or other penal facility, including an individual being held involuntarily in a detention center awaiting trial or an individual serving a sentence for a criminal offense;

(B) Residing involuntarily in a facility under a contract between the facility and a public institution where, under the terms of the contract, the facility is a public institution;

(C) Residing involuntarily in a facility that is under governmental control; or

(D) Receiving care as an outpatient while residing involuntarily in a public institution.

(b) An individual is not considered an inmate when:

(A) The individual is released on parole, probation, or post-prison supervision;

(B) The individual is on home- or work-release, unless the individual is required to report to a public institution for an overnight stay;

(C) The individual is staying voluntarily in a detention center, jail, or county penal facility after his or her case has been adjudicated and while other living arrangements are being made for the individual; or

(D) The individual is in a public institution pending other arrangements as defined in 42 CFR 435.1010.

(3) Definition of a "public institution".

(a) A public institution is any of the following:

(A) A state hospital (see ORS 162.135).

(B) A local correctional facility (see ORS 169.005): a jail or prison for the reception and confinement of prisoners that is provided, maintained and operated by a county or city and holds individuals for more than 36 hours.

(C) A Department of Corrections institution (see ORS 421.005): a facility used for the incarceration of individuals sentenced to the custody of the Department of Corrections, including a satellite, camp, or branch of a facility.

(D) A youth correction facility (see ORS 162.135):

(i) A facility used for the confinement of youth offenders and other individuals placed in the legal or physical custody of the youth authority, including a secure regional youth facility, a regional accountability camp, a residential academy and satellite, and camps and branches of those facilities; or

(ii) A facility established under ORS 419A.010 to 419A.020 and 419A.050 to 419A.063 for the detention of children, wards, youth, or youth offenders pursuant to a judicial commitment or order.

(b) As used in this rule, the term public institution does not include:

(A) A medical institution as defined in 42 CFR 435.1010 including the Secure Adolescent Inpatient Program (SAIP) and the Secure Children's Inpatient Program (SCIP);

(B) An intermediate care facility as defined in 42 CFR 440.140 and 440.150;

(C) A publicly operated community residence that serves no more than 16 residents, as defined in 42 CFR 435.1009; or

(D) A child-care institution as defined in 42 CFR 435.1009 with respect to:

(i) Children for whom foster care maintenance payments are made under title IV-E of the Social Security Act; and

(ii) Children receiving TANF-related foster care under title IV-A of the Social Security Act.

(4) Definition of serious mental illness. An individual has a serious mental illness if the individual has been diagnosed by a psychiatrist, a licensed clinical psychologist or a certified non-medical examiner as having dementia, schizophrenia, bipolar disorder, major depression or other affective disorder or psychotic mental disorder other than a substance abuse disorder and other than a disorder that is both--

(a) Caused primarily by substance abuse; and

(b) Likely to no longer meet the applicable diagnosis if the substance abuse discontinues or declines.

(5) An individual who resides in a public institution, meets the definition of a serious mental illness (see section (4) of this rule), and applies for medical assistance between 90 and 120 days prior to the expected date of the person's release from the public institution may be found eligible for medical assistance. If the individual is determined to be eligible, the effective date of the individual's medical assistance is the date the individual is released from the institution.

(6) A client who becomes a resident of a state hospital has medical benefits suspended for up to twelve full calendar months if the client is at least 22 years of age and under 65 years of age. When a client with suspended medical benefits is no longer a resident of the state hospital, med-

# ADMINISTRATIVE RULES

ical benefits are reinstated effective the first day the client is no longer a resident, if the client continues to meet eligibility for the medical program.

(7) An individual residing in a state psychiatric institution may be eligible for OSIPM or SAC benefits if the individual is:

- (a) 65 years of age or older;
- (b) Under 22 years of age; or
- (c) 21 years of age or older, if the basis of need is disability or blindness; eligibility was determined before the individual reached 21 years of age; and the individual entered the state hospital before reaching 21 years of age.

(8) For all programs covered under chapter 461 of the Oregon Administrative Rules:

(a) Except as provided in OAR 461-135-0750, an inmate of a public institution is not eligible for benefits.

(b) If a pregnant woman receiving medical assistance through the BCCM, CEC, CEM, EXT, GAM, MAA, MAF, OHP, OSIPM, or SAC program becomes an inmate of a public institution, her medical benefits are suspended. When the Department is informed the woman is no longer an inmate, her medical benefits are reinstated--effective on the first day she is no longer an inmate--if she is still in her protected period of eligibility under OAR 461-135-0010.

(c) If an individual receiving medical assistance through the BCCM, CEC, CEM, EXT, GAM, MAA, MAF, OHP, OSIPM, QMB, or SAC program becomes an inmate of a correctional facility with an expected stay of no more than 12 months, medical benefits are suspended for up to 12 full calendar months during the incarceration period.

(A) In the BCCM, CEC, CEM, EXT, GAM, MAA, MAF, OHP, or SAC program, when the Department is notified by a client with suspended benefits that the client has been released from incarceration, and the notification takes place within 10 days of the release or there is good cause for the late reporting, medical benefits are reinstated effective the first day the client is no longer an inmate.

(B) In the OSIPM or QMB program, when the Department is notified that an individual with suspended benefits has been released, and the notification takes place within 10 days of the release, medical benefits are reinstated effective the first day the client is no longer an inmate if the client continues to meet eligibility for the medical program.

(9) In the GA and SNAP programs, in addition to the other provisions of this rule, an inmate released from a public institution on home arrest, and required to wear an electronic device to monitor his or her activity, is ineligible for benefits if the correctional agency provides room and board to the individual.

### Specific Requirements; Reimbursement of Cost-Effective, Employer-Sponsored Health Insurance Premiums

(1) Clients or an eligible applicant (see section (2) of this rule) for a client in the CEM, EXT, GAM, MAA, MAF, OHP (except OHP-CHP and OHP-OPU), OSIPM, and SAC programs may be reimbursed for their share of the premiums for private or employer-sponsored group health insurance if--

(a) The insurance covers a member of the benefit group (see OAR 461-110-0750);

(b) The insurance coverage is a comprehensive major medical plan that includes inpatient and outpatient hospital, physician, lab, x-ray and full prescription coverage; and

(c) The premium is cost-effective (see OAR 461-155-0360 and OAR 410-120-1960).

(2) An "eligible applicant" may be a non-Medicaid individual living in or outside of the household. The Department may pay a portion of or the entire premium if payment of the premium for the non-Medicaid individual is necessary in order to enroll the Department client in the group health plan (see OAR 410-120-1960).

### Specific Requirements; SFPSS Eligibility

In the SFPSS program:

(1) To be eligible, a client must meet the following requirements:

- (a) Be an adult;
- (b) Meet all TANF program eligibility requirements (except as provided otherwise in this rule);
- (c) Be receiving TANF benefits;
- (d) Have an impairment that meets the requirements in OAR 461-125-0260;

(e) File an application for Supplemental Security Income (SSI) disability benefits under the Social Security Act; and

(f) Sign an Interim Assistance Authorization authorizing the Department to recover interim SFPSS program benefits paid to the client (or paid to providers on the client's behalf) from the initial SSI payment or the initial payment after the decision on SSI eligibility. The following provisions are considered part of the Interim Assistance Authorization:

(A) Interim SFPSS program benefits include only those SFPSS program cash benefits paid to the adult, who is applying for SSI, during the period of time that the SSI benefit covers.

(B) For any month in which SSI is prorated, the Department may recover only a prorated amount of the interim SFPSS program cash benefit.

(C) If the Department does not stop delivery of an SFPSS program benefit issued after the SSI payment is made, the SFPSS program payment is included in the interim assistance reimbursement to the Department.

(2) Counting earned and unearned income.

(a) The TANF standards in OAR 461-155-0030 are used to determine eligibility for the SFPSS program.

(b) The SFPSS payment standard (see OAR 461-155-0320) is used to determine the benefit amount for the SFPSS program.

(3) A client whose impairment no longer meets the criteria in OAR 461-125-0260 is ineligible for SFPSS benefits.

(4) An SFPSS client found by the Social Security Administration (SSA) not to meet disability criteria may continue receiving SFPSS benefits until all SSA administrative appeals are exhausted.

(5) Once a client is approved for SFPSS, the client is no longer subject to OAR 461-120-0340. The client remains exempt from OAR 461-120-0340 as long as the client is eligible for and receiving SFPSS.

(6) Each client is required to participate in the appropriate activities the Department determines necessary, including activities that promote family stability (see OAR 461-001-0000). The Department must consider the needs of an individual with a disability (see OAR 461-001-0000), and a client's need for accommodation or modification.

(7) A client must provide the information necessary for the Department to administer the program.

(a) The necessary information includes that needed to determine appropriate activities for the client and to assess whether a client had good cause (see OAR 461-130-0327) for any failure to meet a requirement of the program.

(b) If a medical condition is in question, the Department will assist and may require the client to provide a medical opinion from a qualified and appropriate medical professional.

(8) The Department offers each client the opportunity to participate in any suitable JOBS program activity (see OAR 461-001-0025).

### Earned Income; Treatment

(1) Earned income (see OAR 461-145-0120) is countable in determining eligibility for programs, subject to sections (2) to (8) of this rule.

(2) JOBS Plus income is earned income and is treated as follows:

(a) In the SNAP program:

(A) JOBS Plus income earned by a TANF-PLS client:

(i) Is counted in determining initial SNAP program eligibility.

(ii) Is excluded in determining ongoing eligibility.

# ADMINISTRATIVE RULES

(B) JOBS Plus wages received after the client's last month of work under a TANF-PLS JOBS Plus agreement are counted.

(b) In the TANF program:

(A) JOBS Plus income earned by an NCP-PLS (see OAR 461-101-0010(20)(c)) client is counted in determining initial TANF eligibility.

(B) When determining the need for a TANF supplement for a TANF-PLS client, the income is treated as follows:

(i) It is excluded in determining the countable income limit and in calculating the benefit equivalency standards.

(ii) It is counted in calculating the wage supplement.

(C) JOBS Plus wages received after the client's last month of work under a JOBS Plus agreement are counted.

(c) In the CAWEM, CEC, CEM, HKC, MAA, MAF, OHP, OSIPM, QMB, REFM, SAC programs:

(A) For JOBS Plus income earned by a TANF-PLS program client who is also in:

(i) The MAA or REFM program, the income is excluded when determining initial and ongoing program eligibility.

(ii) The MAF program, the income is counted when determining initial and ongoing program eligibility.

(B) JOBS Plus wages received after the client's last month of work under a TANF-PLS JOBS Plus agreement are counted.

(d) In all programs not covered under subsections (a) to (c) of this section, TANF-PLS income is counted as earned income.

(e) In all programs other than the TANF program, NCP-PLS income is counted as earned income.

(f) In all programs, client wages received under the Tribal TANF JOBS programs are counted as earned income.

(3) Welfare-to-Work work experience income is treated as follows:

(a) In the EXT, MAA, MAF, REF, REFM, and TANF programs, the income is earned income, and the first \$260 is excluded each month.

(b) In the OHP and SNAP programs, the income is earned income.

(4) In the ERDC and OHP programs, earned income of a child is excluded.

(5) In the EXT, MAA, MAF, REF, REFM, SAC, and TANF programs:

(a) Earned income of the following children is excluded:

(A) Dependent children under the age of 19 years, and minor parents under the age of 18 years, who are full-time students in grade 12 or below (or the equivalent level of vocational training, in GED courses), or in home schooling approved by the local school district.

(B) Dependent children under the age of 18 years who are attending school part-time (as defined by the institution) and are not employed full-time.

(C) Dependent children too young to be in school.

(b) Income remaining after the month of receipt is a resource.

(c) In-kind earned income is excluded (see OAR 461-145-0280 and 461-145-0470).

(6) In the SNAP program:

(a) If a cafeteria plan (see OAR 461-001-0000) benefit that the employee cannot elect to receive as a cash payment is designated and used to pay for child care, medical care, or health insurance, the benefit is excluded unless it is reimbursed by the Department. If reimbursed, the Department counts it as earned income.

(b) The following types of income are excluded:

(A) The earned income of an individual under the age of 18 years who is under the parental control of another member of the household and is:

(i) Attending elementary or high school;

(ii) Attending GED classes recognized by the local school district;

(iii) Completing home-school elementary or high school classes recognized by the local school district; or

(iv) Too young to attend elementary school.

(B) In-kind earned income, except as provided in section (7) of this rule.

(C) Deductions from base pay for future educational costs under Pub. L. No. 99-576, 100 Stat. 3248 (1986), for clients on active military duty.

(D) Income remaining after the month of receipt is a resource.

(7) In the OHP and SNAP programs, earned in-kind income (see OAR 461-145-0280) is excluded unless it is an expenditure by a business entity that benefits a principal (see OAR 461-145-0088).

(8) In all programs except the EXT program, and for an OSIPM client in nonstandard living arrangement (see OAR 461-001-0000), the income of a temporary employee of the U.S. Census Bureau employed to assist in taking the census is excluded.

## 461-145-0220

### Home

(1) Home defined: A home is the place where the filing group lives. A home may be a house, boat, trailer, mobile home, or other habitation. A home also includes the following:

(a) Land on which the home is built and contiguous property.

(A) In all programs except the GA, GAM, OSIP, OSIPM, QMB, and SNAP programs property must meet all the following criteria to be considered contiguous property:

(i) It must not be separated from the land on which the home is built by land owned by people outside the financial group (see OAR 461-110-0530).

(ii) It must not be separated by a public right-of-way, such as a road.

(iii) It must be property that cannot be sold separately from the home.

(B) In the GA, GAM, OSIP, OSIPM, QMB, and SNAP programs, contiguous property is property not separated from the land on which the home is built by land owned by people outside the financial group.

(b) Other dwellings on the land surrounding the home that cannot be sold separately from the home.

(2) Exclusion of home and other property:

(a) For a client who has an initial month (see OAR 461-001-0000) of long-term care on or after January 1, 2006:

(A) For purposes of this subsection:

(i) The definition of "child" in OAR 461-001-0000 does not apply.

(ii) "Child" means a biological or adoptive child who is:

(I) Under age 21; or

(II) Any age and meets the Social Security Administration criteria for blindness or disability.

(B) The equity value of a home is excluded if the requirements of at least one of the following subparagraphs are met:

(i) The child of the client occupies the home.

(ii) The spouse of the client occupies the home.

(iii) The equity in the home is \$525,000 or less, and the requirements of at least one of the following sub-subparagraphs are met:

(I) The client occupies the home.

(II) The home equity is excluded under OAR 461-145-0250.

(III) The home is listed for sale per OAR 461-145-0420.

(iv) Notwithstanding OAR 461-120-0330, the equity in the home is more than \$525,000 and the client is unable legally to convert the equity value in the home to cash.

(b) For all other filing groups, the value of a home is excluded when the home is occupied by any member of the filing group.

(c) In the SNAP program, the value of land is excluded while the group is building or planning to build their home on it, except that if the group owns (or is buying) the home they live in and has separate land they intend to build on, only the home in which they live is excluded, and the land they intend to build on is treated as real property in accordance with OAR 461 145 0420.

(3) Exclusion during temporary absence: If the value of a home is excluded under section (2) of this rule, the value of this home remains excluded in each of the following situations:

(a) In all programs except the GA, GAM, OSIP, OSIPM, and QMB programs, during the temporary absence of all members of the filing group from the property, if the absence is due to illness or uninhabitability (from casualty or natural disaster), and the filing group intends to return home.

(b) In the SNAP program, when the financial group is absent because of employment or training for future employment.

# ADMINISTRATIVE RULES

(c) In the GA, GAM, OSIP, OSIPM, and QMB programs, when the client is absent to receive care in a medical institution, if one of the following is true:

(A) The absent client has provided evidence that he or she will return to the home. The evidence must reflect the subjective intent of the client, regardless of the client's medical condition. A written statement from a competent client is sufficient to prove the intent.

(B) The home remains occupied by the client's spouse, child, or a relative dependent on the client for support. The child must be less than 21 years of age or, if over the age of 21, blind or an individual with a disability as defined by SSA criteria.

(d) In the MAA, MAF, REF, REFM, SAC, and TANF programs, when all members of the filing group are absent because:

(A) The members are employed in seasonal employment and intend to return to the home when the employment ends; or

(B) The members are searching for employment, and the search requires the members to relocate away from their home. If all members of the filing group are absent for this reason, the home may be excluded for up to six months from the date the last member of the filing group leaves the home to search for employment. After the six months, if a member of the filing group does not return, the home is no longer excluded.

### Program Benefits

(1) EA and TA-DVS payments are treated as follows:

(a) In the ERDC and SNAP programs, a payment made directly to the client is counted as unearned income. Dual payee and provider-direct payments are excluded.

(b) In all programs except the ERDC and SNAP programs, these payments are excluded.

(2) Payments from ERDC and TANF child care are excluded unless the client is the provider.

(3) Payments from the EXT, GAM, MAA, MAF, OHP, OSIPM, QMB, REFM, and SAC programs are excluded.

(4) SNAP payments are treated as follows:

(a) The value of an SNAP benefit is excluded in all programs except the EA program. In the EA program, the value is counted as a resource when determining the emergency food needs of the filing group (see OAR 461-110-0310).

(b) OFSET service payments are excluded.

(5) Benefits from the GA, OSIP (except OSIP-IC), Post-TANF, REF, SFPSS, TANF, and tribal-TANF programs are treated as follows:

(a) In the EA program, these payments are counted as unearned income, except that these payments are excluded for a benefit group (see OAR 461-110-0750) whose emergent need is the result of domestic violence (see OAR 461-001-0000).

(b) In the ERDC program:

(A) Post-TANF payments are excluded.

(B) All other payments are counted as unearned income.

(c) In the SNAP program:

(A) These payments are treated as unearned income.

(B) An amount received as a late processing payment is treated as lump-sum income.

(C) Payments made to correct an underpayment are treated as lump-sum income.

(D) Ongoing special needs payments for laundry allowances, special diet or meal allowance, restaurant meals, accommodation allowances, and telephone allowances are treated as unearned income. All other special needs payments are excluded as reimbursements.

(d) In the OHP program:

(A) GA payments are excluded from income for purposes of determining OHP eligibility.

(B) Benefits from the Post-TANF program are excluded.

(C) Benefits from the OSIP (except OSIP-IC), REF, SFPSS, and TANF programs are treated as follows:

(i) The payments are counted as unearned income if all the individuals included in the benefit group for the cash payment are also in the OHP financial group (see OAR 461-110-0530).

(ii) A prorated share is counted as unearned income if any of the individuals in the cash payment are not included in the OHP financial group. A prorated share is determined by dividing the total payment by the number of individuals in the TANF benefit group.

(iii) A payment made to correct an underpayment caused by the Department is excluded if the underpayment occurred prior to the budget period.

(e) In all programs except the EA, ERDC, OHP, and SNAP programs:

(A) These payments are excluded in the month received, and any portion remaining following the month of receipt is counted as a resource.

(B) Payments made to correct an underpayment are excluded.

(f) In all programs:

(A) JOBS, REF, and TANF JOBS Plus support service payments are excluded.

(B) For the treatment of JOBS Plus income, see OAR 461-145-0130.

(C) REF and TANF client incentive payments are treated as follows:

(i) Except in the TANF program, the cooperation incentive payment (see OAR 461-135-0310) is counted as unearned income.

(ii) Progress and outcome incentive payments other than in-kind payments are counted as lump-sum income (see OAR 461-140-0120). All other incentives are excluded.

(6) Payments from OSIP-IC are treated as follows:

(a) In the SNAP program, these payments are counted as unearned income and assets held in a contingency fund (see OAR 411-030-0020) are counted as a resource.

(b) In all other programs, these payments and funds held in a contingency fund are excluded.

(7) Pre-TANF program payments are treated as follows:

(a) In the SNAP program, a payment for basic living expenses, made directly to the client, is counted as unearned income. All other payments are excluded.

(b) In all programs except the SNAP program, these payments are excluded.

## 461-155-0150

### Child Care Eligibility Standard, Payment Rates, and Copayments

The following provisions apply to child care in the ERDC, JOBS, JOBS Plus, and TANF programs:

(1) The following definitions apply to the rules governing child care rates:

(a) Infant: For all providers other than licensed (registered or certified) care, a child aged newborn to 1 year. For licensed care, an infant is a child aged newborn to 18 months.

(b) Toddler: For all providers other than licensed (registered or certified) care, a child aged 1 year to 3 years. For licensed care, a toddler is a child aged 18 months to 3 years.

(c) Preschool: A child aged 3 years to 6 years.

(d) School: A child aged 6 years or older.

(e) Special Needs: A child who meets the age requirement of the program (ERDC or TANF) and who requires a level of care over and above the norm for his or her age due to a physical, behavioral or mental disability. The need for a higher level of care must be determined by the provider and the disability must be verified by one of the following:

(A) A physician, nurse practitioner, licensed or certified psychologist or clinical social worker.

(B) Eligibility for Early Intervention and Early Childhood Special Education Programs, or school-age Special Education Programs.

(C) Eligibility for SSI.

(2) The following definitions apply to the types of care specified in the child care rate charts in subsections (4)(a) through (4)(c) of this rule:

## ADMINISTRATIVE RULES

(a) The Standard Family Rate applies to child care provided in the provider's own home or in the home of the child when the provider does not qualify for the enhanced rate allowed by subsection (b) of this section.

(b) The Enhanced Family Rate applies to child care provided in the provider's own home or in the home of the child when the provider meets the training requirements of the Oregon Registry, established by the Oregon Center for Career Development in Childhood Care and Education.

(c) The Registered Family Rate applies to child care provided in the provider's own home when the provider meets criteria established by the Child Care Division.

(d) The Certified Family Rate applies to child care provided in a residential dwelling that is certified by the Child Care Division as a Certified Family Home. To earn this designation, the facility must be inspected, and both provider and facility are required to meet certain standards not required of a registered family provider.

(e) The Standard Center Rate applies to child care provided in a facility that is not located in a residential dwelling and is exempt from Child Care Division Certification rules (see OAR 414-300-0000).

(f) The Enhanced Center Rate applies to child care provided in an exempt center whose staff meet the training requirements of the Oregon Registry established by the Oregon Center for Career Development in Childhood Care and Education. Eligibility to receive the enhanced center rate for care provided in an exempt center is subject to the following requirements:

(A) A minimum of one staff member for every 20 children in care must meet the Oregon Registry training requirements noted in paragraph (2)(b) of this rule.

(B) New staff must meet the Oregon Registry training requirements within 90 days of hire, if necessary to maintain the trained staff-to-children ratio described in paragraph (A) of this subsection.

(C) There must be at least one person present where care is provided who has a current certificate in infant and child CPR and a current American Red Cross First Aid card or an equivalent.

(g) An enhanced rate will become effective not later than the second month following the month in which the Department receives verification that the provider has met the requirements of subsection (2)(b), (f), or (g) of this rule.

(h) The Certified Center Rate applies to child care provided in a center that is certified by the Child Care Division.

(3) The following provisions apply to child care payments:

(a) Providers not eligible for the enhanced or licensed rate will be paid at an hourly rate for children in care less than 158 hours per month subject to the maximum full-time monthly rate.

(b) Providers eligible for the enhanced or licensed rate will be paid at an hourly rate for children in care less than 136 hours a month, unless the provider customarily bills all families at a part-time monthly rate (subject to the maximum full-time monthly rate) and is designated as the primary provider for the case.

(c) At their request, providers eligible for the enhanced or licensed rate may be paid at the part-time monthly rate if they provide 63 or more hours of care in the month, customarily bill all families at a part-time monthly rate, and are designated as the primary provider for the case.

(d) Unless required by the circumstances of the client or child, the Department will not pay for care at a part-time monthly or a monthly rate to more than one provider for the same child for the same month.

(e) The Department will pay at the hourly rate for less than 63 hours of care in the month subject to the maximum full-time monthly rate.

(f) The Department will pay for up to five days each month the child is absent if:

(A) The child was scheduled to be in care and the provider bills for the amount of time the child was scheduled to be in care;

(B) The absent child's place is not filled by another child; and

(C) It is the provider's policy to bill all families for absent days.

(g) The Department will not pay for more than five consecutive days of scheduled care for which the child is absent.

(4) The following are the child care rates, the rates are based on the type of provider, the location of the provider (shown by zip code), the age of the child, and the type of billing used (hourly or monthly): [Table not included. See ED. NOTE.]

(5) This section establishes the ERDC eligibility standard and the client's copayment (copay).

(a) The ERDC eligibility standard is met for need groups (see OAR 461-110-0630) of eight or less if monthly countable income (see OAR 461-001-0000) for the need group is less than 185 percent of the federal poverty level (FPL), as described in OAR 461-155-0180(6). The eligibility stan-

dard for a need group size of eight applies to any need group larger than eight.

(b) The minimum monthly ERDC copay is \$25.

(c) For filing groups (see OAR 461-110-0310) whose countable income is at or below 50 percent of the 2007 FPL, the copay is \$25 or 1.5 percent of the filing group's monthly countable income, whichever is greater.

(d) For filing groups whose countable income is over 50 percent of the 2007 FPL, the copay amount is determined with the following percentage of monthly income:

(A) Determine filing group's countable income as a percent of FPL (rounding to the nearest whole number percentage), subtract 50, and multiply this difference by 0.12.

(B) Add 1.5 to the amount in paragraph (A) of this subsection. This sum is the percentage of monthly income to determine the copay amount.

(e) The 2007 federal poverty level used to determine copay amounts under subsections (c) and (d) of this section is set at the following amounts [Table not included. See ED. NOTE.]

(6) Subject to the provisions in section (9) of this rule, the monthly limit for each child's child care payments is the lesser of the amount charged by the provider or providers and the following amounts:

(a) The monthly rate provided in section (4) of this rule.

(b) The product of the hours of care, limited by section (8) of this rule, multiplied by the hourly rate provided in section (4) of this rule.

(7) The limit in any month for child care payments on behalf of a child whose caretaker is away from the child's home for more than 30 days because the caretaker is a member of a reserve or National Guard unit that is called up for active duty is the lesser of the following:

(a) The amount billed by the provider or providers.

(b) The monthly rate established in this rule for 215 hours of care.

(8) The number of payable billed hours of care for a child is limited as follows:

(a) In the ERDC and TANF programs, the total payable hours of care in a month may not exceed:

(A) 125 percent of the number of hours necessary for the client to perform the duties of his or her job, or to participate in activities included in a case plan (see OAR 461-001-0025) including, for clients in the JOBS Plus program, the time the client searches for unsubsidized employment and for which the employer pays the client; or

(B) The monthly rate established in section (4) of this rule multiplied by a factor of not more than 1.5, determined by dividing the number of hours billed by 215, when the client meets the criteria for extra hours under section (10) of this rule.

(b) In the ERDC program, for a client who earns less than the Oregon minimum wage, the total may not exceed 125 percent of the anticipated earnings divided by the state minimum wage not to exceed 172 hours (which is full time). The limitation of this subsection is waived for the first three months of the client's employment.

(c) In the TANF program, for a client who earns less than the Oregon minimum wage or is self-employed, the total may not exceed 125 percent of the anticipated earnings divided by the state minimum wage not to exceed 172 hours (which is full time). The limitation of this subsection is waived for the first three months of the client's employment.

(9) The limit in any month for child care payments on behalf of a child whose caretaker has special circumstances, defined in section (10) of this rule, is the lesser of one of the following:

(a) The amount billed by the provider or providers; or

(b) The monthly rate established in section (4) of this rule multiplied by a factor, of not more than 1.5, determined by dividing the number of hours billed by 215.

(10) The limit allowed by section (9) of this rule is authorized once the Department has determined the client has special circumstances. For the purposes of this section, a client has special circumstances when it is necessary for the client to obtain child care in excess of 215 hours in a month to perform the requirements of his or her employment or training. This is limited to the following situations:

(a) The commute time to and from work exceeds two hours per day.

(b) The caretaker works an overnight shift and care is necessary for both work hours and sleep hours.

(c) The caretaker works a split shift and it is not feasible to care for the child between shifts.

(d) The caretaker consistently works more than 40 hours per week.

(e) Weekend work or other nonstandard work hours require care by more than one provider, and the total allowable hours billed by both providers exceeds the maximum limit.

# ADMINISTRATIVE RULES

(f) The caretaker needs child care for both full-time work and participation in Department assigned activities.

(11) The payment available for care of a child who meets the special needs criteria described in subsection (1)(e) of this rule is increased in accordance with OAR 461-155-0151 if the requirements of both of the following subsections are met:

(a) The child requires significantly more direct supervision by the child care provider than normal for a child of the same age; and

(b) The child is enrolled in a local school district Early Intervention or Early Childhood Special Education program or school-age Special Education Program. The enrollment required by this subsection is waived if determined inappropriate by a physician, nurse practitioner, licensed or certified psychologist, clinical social worker, or school district official.

## 461-155-0250

### Income and Payment Standard; OSIPM

(1) A client who is assumed eligible per OAR 461-135-0010(7) is presumed to meet the income limits for the OSIPM program.

(2) A client in a *nonstandard living arrangement* (see OAR 461-001-0000) must have countable income that is equal to or less than 300 percent of the full SSI standard for a single individual (except OSIPM-EPD).

(3) The OSIPM (except OSIPM-EPD) adjusted income standard takes into consideration the need for shelter (housing and utilities), food, and other items. The standard is itemized as follows: [Table not included. See ED. NOTE.]

(4) A client, other than one identified in section (1), (2), or (6) of this rule, must have adjusted income below the standard in this section. The Department determines the adjusted number in the household under OAR 461-155-0020. [Table not included. See ED. NOTE.]

(5) In the OSIPM program, individuals in a nursing facility or an ICF-MR are allowed the following amounts for clothing and personal incidentals:

(a) For clients who receive a VA pension based on unreimbursed medical expenses (UME), \$90 is allowed.

(b) For all other clients, \$30 is allowed.

(6) In the OSIPM-EPD program, the adjusted earned income limit is 250 percent of the federal poverty level for a family of one.

### Shelter-in-Kind Standard

In the OSIP, OSIPM, and QMB programs, the Shelter-in-Kind Standard is:

(1) For a single person:

(a) Living alone, \$429 for total shelter or \$257 for housing costs only.

(b) Living with others, \$199 for total shelter or \$119 for housing costs only.

(2) For a couple:

(a) Living alone, \$531 for total shelter or \$319 for housing costs only.

(b) Living with others, \$197 for total shelter or \$118 for housing costs only.

### Payment Standard; SFPSS

In the SFPSS program the following payment standards apply:

(1) When one adult in the filing group (see OAR 461-110-0330) is applying for SSI: [Table not included. See ED. NOTE.]

(2) When two adults in the filing group are applying for SSI: [Table not included. See ED. NOTE.]

(3) The standard for eleven individuals or more in the need group (see OAR 461-110-0530) is the sum of the Adults Amount for ten individuals in the need group, plus the Family Payment for ten individuals in the need group, plus \$110 for each additional individual in the need group.

### Pursuit of Cost-Effective Employer Sponsored Health Insurance

(1) This rule applies to the following medical assistance programs: CEM, EXT, GAM, MAA, MAF, OHP (except OHP-CHP and OHP-OPU), OSIPM, and SAC and is for the purpose of applying OAR 461-120-0345.

(2) The Health Insurance Group (HIG) determines if employer sponsored health insurance meets the criteria as cost effective for the purpose of OAR 410-120-1960.

(3) If the insurance is determined to be cost effective and the client or eligible applicant pursues the insurance, HIG will authorize reimbursement

### Resource Limits

(1) In the EA program, all countable (see OAR 461-001-0000) resources must be used to meet the emergent need.

(2) In the ERDC, EXT, HKC, and REFM programs, and for an individual whose eligibility is determined under the OHP-CHP, OHP-OPC, OHP-OPP, or OHP-OP6 programs, there is no resource limit.

(3) In the GA, GAM, OSIP, and OSIPM programs, the resource limit is as follows:

(a) \$2,000 for a one-person need group (see OAR 461-110-0630) and \$3,000 for a two-person need group.

(b) \$1,000 for an OSIP need group eligible under OAR 461 135 0771. The total cash resources may not exceed \$500 for a one-person need group or \$1,000 for a two-person need group.

(c) \$5,000 is the limit for the OSIP-EPD and OSIPM-EPD programs (see OAR 461-001-0035 and 461-145-0025 for funds that may be excluded as approved accounts).

(4) In the MAA, MAF, REF, SAC, and TANF programs, the resource limit is:

(a) \$10,000 for a need group with at least one JOBS participant who is progressing in a case plan.

(b) \$10,000 for a need group with at least one member who is working under a JOBS Plus agreement.

(c) \$2,500 for all other need groups, including all TANF applicants.

(5) In the OHP program, the resource limit for an individual whose eligibility is determined under the OHP-OPU program is \$2,000.

(6) In the QMB program, the resource limit is amended in January of each year based on the low income subsidy for Medicare Part D as published by the Health Resources and Services Administration of the U.S. Department of Health and Human Services. Effective January 1, 2012 the resource limit is \$6,940 for a one-person need group and \$10,410 for a need group containing two or more individuals.

(7) In the SNAP program, the resource limit is:

(a) \$3,250 for a financial group (see OAR 461-110-0530) with at least one member who is elderly (see OAR 461-001-0015) or an individual with a disability (see OAR 461-001-0015).

(b) \$2,000 for all other financial groups.

## 461-160-0580

### Excluded Resource; Community Spouse Provision (OSIPM except OSIPM-EPD)

In the OSIPM (except OSIPM-EPD) program:

(1) This rule applies to an institutionalized spouse (see OAR 461-001-0030) who has applied for benefits because he or she is in or will be in a continuous period of care (see OAR 461-001-0030).

(2) Whether a legally married (see OAR 461-001-0000) couple lives together or not, the determination of whether the value of the couple's

resources exceeds the eligibility limit for the institutionalized spouse for OSIPM program is made as follows:

(a) The first step is the determination of what the couple's combined countable resources were at the beginning of the most recent continuous period of care. (The beginning of the continuous period of care is the first month of that continuous period.)

(A) Division 461-140 and 461-145 rules applicable to OSIPM describe which of the couple's resources are countable resources, and are applicable to determine whether a community spouse's resources are countable, even if the rule only applies to OSIPM clients.

(B) The countable resources of both spouses are combined.

(C) At this point in the computation, the couple's combined countable resources are considered available equally to both spouses.

(b) The second step is the calculation of one half of what the couple's combined countable resources were at the beginning of the continuous period of care. The community spouse's half of the couple's combined resources is treated as a constant amount when determining eligibility.

(c) The third step is the determination of the community spouse's resource allowance. The community spouse's resource allowance is the largest of the four following amounts:

(A) The community spouse's half of what the couple's combined countable resources were at the beginning of the continuous period of care, but not more than \$113,640.

(B) \$22,728 (the state community-spouse resource allowance).

(C) A court-ordered community spouse resource allowance. In this paragraph and paragraph (2)(f)(C) of this rule, the term court-ordered community spouse resource allowance means a court-ordered community spouse resource allowance that, in relation to the income generated, would raise the community spouse's income to a court-approved monthly maintenance needs allowance. In cases where the client became an institutionalized spouse on or after February 8, 2006, this resource allowance must use all of the client's available income and the community spouse's income to meet the community spouse's monthly maintenance needs allowance before any resources are used to generate interest income to meet the allowance.

(D) After considering the income of the community spouse and the income available from the institutionalized spouse, an amount which, if invested, would raise the community spouse's income to the monthly maintenance needs allowance. The amount described in this paragraph is considered only if the amount described in subparagraph (i) of this paragraph is larger than the amount described in subparagraph (ii); it is the difference between the following:

(i) The monthly income allowance computed in accordance with OAR 461-160-0620.

(ii) The difference between:

(I) The sum of gross countable income of the community spouse and the institutionalized spouse; and

(II) The applicable need standard under OAR 461-160-0620(3)(c).

(d) The fourth step is the determination of what the couple's current combined countable resources are when a resource assessment is requested or the institutionalized spouse applies for OSIPM. The procedure in subsection (2)(a) (first step) of this rule is used.

(e) The fifth step is the subtraction of the community spouse's resource allowance from the couple's current combined countable resources. The resources remaining are considered available to the institutionalized spouse.

(f) The sixth step is a comparison of the value of the remaining resources to the OSIPM resource standard for one person (under OAR 461-160-0015(4)(a)). If the value of the remaining resources is at or below the standard, the institutionalized spouse meets this eligibility requirement. If the value of the remaining resources is above the standard, the institutionalized spouse cannot be eligible until the value of the couple's combined countable resources is reduced to the largest of the four following amounts:

(A) The community spouse's half of what the couple's combined countable resources were at the beginning of the continuous period of care (but not more than \$113,640) plus the OSIPM resource standard for one person.

(B) \$22,728 (the state community-spouse resource allowance), plus the OSIPM resource standard for one person.

(C) A court-ordered community spouse resource allowance plus the OSIPM resource standard for one person. (See paragraph (2)(c)(C) of this rule for a description of the court-ordered community spouse resource allowance.)

(D) The OSIPM resource standard for one person plus the amount described in the remainder of this paragraph. After considering the income

# ADMINISTRATIVE RULES

of the community spouse and the income available from the institutionalized spouse, add an amount which, if invested, would raise the community spouse's income to the monthly maintenance needs allowance. Add this amount only if the amount described in subparagraph (i) of this paragraph is larger than the amount described in subparagraph (ii); it is the difference between the following:

(i) The monthly income allowance computed in accordance with OAR 461-160-0620.

(ii) The difference between:

(I) The sum of gross countable income of the community spouse and the institutionalized spouse; and

(II) The applicable need standard under OAR 461-160-0620(3)(c).

(3) Once eligibility has been established, resources equal to the community spouse's resource allowance (under subsection (2)(c) of this rule) must be transferred to the community spouse if those resources are not already in that spouse's name. The institutionalized spouse must indicate his or her intent to transfer the resources and must complete the transfer to the community spouse within 90 days. This period may be extended for good cause. These resources are excluded during this period. After this period, resources owned by the institutionalized spouse but not transferred out of that spouse's name will be countable and used to determine ongoing eligibility.

(4) The provisions of paragraph (2)(c)(C) of this rule requiring income to be considered first may be waived if the Department determines that the resulting community resource allowance would create an undue hardship on the spouse of the client.

## 461-160-0620

### Income Deductions and Client Liability; Long-Term Care Services or Waivered Services; OSIPM

In the OSIPM program:

(1) Deductions from income are made for a client residing in or entering a long-term care facility or receiving Title XIX waived services as explained in subsections (3)(a) to (3)(h) of this rule.

(2) Except as provided otherwise in OAR 461-160-0610, the liability of the client is determined according to subsection (3)(i) of this rule.

(3) Deductions are made in the following order:

(a) One standard earned income deduction of \$65 is made from the earned income in the OSIPM-AD and OSIPM-OAA programs. The deduction is \$85 in the OSIPM-AB program.

(b) The deductions under the plan for self-support as allowed by OAR 461-145-0405.

(c) One of the following need standards:

(A) A \$30 personal needs allowance for a client receiving long-term care services.

(B) A \$90 personal needs allowance for a client receiving long-term care services who is eligible for VA benefits based on unreimbursed medical expenses. The \$90 allowance is allowed only when the VA benefit has been reduced to \$90.

(C) The OSIPM maintenance standard for a client who receives waived services.

(d) A community spouse monthly income allowance is deducted from the income of the institutionalized spouse to the extent that the income is made available to or for the benefit of the community spouse, using the following calculation.

(A) Step 1 — Determine the maintenance needs allowance. \$1,839 is added to the amount over \$552 that is needed to pay monthly shelter expenses for the principal residence of the couple. This sum or \$2,841 whichever is less, is the maintenance needs allowance. For the purpose of this calculation, shelter expenses are the rent or home mortgage payment (principal and interest), taxes, insurance, required maintenance charges for

a condominium or cooperative, and the full standard utility allowance for the SNAP program (see OAR 461-160-0420).

(B) Step 2 — Compare maintenance needs allowance with community spouse's countable income. The countable income of the community spouse is subtracted from the maintenance needs allowance determined in step 1. The difference is the income allowance unless the allowance described in step 3 is greater.

(C) Step 3 — If a spousal support order or exceptional circumstances resulting in significant financial distress require a greater income allowance than that calculated in step 2, the greater amount is the allowance.

(e) A dependent income allowance as follows:

(A) For a case with a community spouse, a deduction is permitted only if the monthly income of the eligible dependent is below \$1,839. To determine the income allowance of each eligible dependent:

(i) The monthly income of the eligible dependent is deducted from \$1,839.

(ii) One-third of the amount remaining after the subtraction in paragraph (A) of this subsection is the income allowance of the eligible dependent.

(B) For a case with no community spouse:

(i) The allowance is the TANF adjusted income standard for the client and eligible dependents.

(ii) The TANF standard is not reduced by the income of the dependent.

(f) Costs for maintaining a home if the client meets the criteria in OAR 461-160-0630.

(g) Medical deductions allowed by OAR 461-160-0030 and 461-160-0055 are made for costs not covered under the state plan. This includes the public and private health insurance premiums of the community spouse and the client's dependent.

(h) After taking all the deductions allowed by this rule, the remaining balance is the adjusted income.

(i) The client liability is determined as follows:

(A) For a client receiving waived services (except a client identified in OAR 461-160-0610(4)), the liability is the actual cost of the waived service or the adjusted income of the client, whichever is less. This amount must be paid to the Department each month as a condition of being eligible for waived services. In OSIPM-IC, the liability is subtracted from the gross monthly benefit.

(B) For a client who resides in a nursing facility, a state psychiatric hospital, an Intermediate Care Facility for the Mentally Retarded, or a non-waivered mental health facility, there is a liability as described at OAR 461-160-0610.

(4) The deduction used to determine adjusted income for a GA and GAM client receiving long-term care services or waived services is as follows:

(a) One standard earned income deduction of \$65 is made from the earned income for a client who is not blind; or

(b) One standard earned income deduction of \$85 is made from the earned income for a client who is blind.

### Effective Dates; Suspending or Closing Benefits and JOBS Support Service Payments

(1) This rule explains the effective date for closing or suspending benefits for the entire benefit group (see OAR 461-110-0750) and the effective date for ending JOBS support service payments.

(2) In all programs except the ERDC program, when the only individual in a benefit group dies, the effective date of the closure is:

(a) In the REF, SNAP, and TANF programs, the last day of the month in which the death occurred.

(b) In all other programs, the date of the death.

(3) For all closures and suspensions not covered by section (2) of this rule, the effective date is determined as follows:

(a) When prospective eligibility is used, the effective date for closing or suspending benefits is the last day of the month in which the notice period ends.

(b) When retrospective eligibility or budgeting is used, the effective date for closing or suspending benefits is the last day of the budget month.

(c) When an absent parent enters an ongoing TANF program household, or another change occurs that ends eligibility based on the incapacity or unemployment of a parent, the effective date for closing benefits is the last day of the month in which the 45-day period described in OAR 461-125-0255 ends.

(d) For a pregnant female receiving benefits of the EXT, MAA, MAF, OSIPM, or SAC program, the effective date for closing benefits is no earlier than the last day of the calendar month in which the 60th day after the last day of pregnancy falls, except at the client's request.

(e) Notwithstanding subsection (f) of this section, for a client who is receiving medical assistance and becomes incarcerated with an expected stay of a year or less, the effective date for suspending medical benefits is the effective date on the decision notice (see OAR 461-001-0000).

(f) In the OHP program, the effective date for closing benefits is:

(A) The last day of the month in which the benefit group becomes ineligible;

(B) The date the program ends; or

(C) For cases not covered by paragraph (A) or (B) of this subsection, the last day of the certification period (see OAR 461-001-0000).

(g) The effective date for ending support service payments authorized under OAR 461-190-0211 is the earlier of the following:

(A) The date the related JOBS activity is scheduled to end.

(B) The date the client no longer meets the requirements of OAR 461-190-0211.

### Effective Dates; Initial Month Benefits

(1) In the EA program, the effective date for opening the case is the day benefits are issued to the benefit group (see OAR 461-110-0750). For a benefit group whose only eligible child is an unborn, the effective date cannot be earlier than the first day of the calendar month preceding the month in which the due date falls.

(2) In the ERDC program, the effective date for starting benefits is one of the following:

(a) The first day of the month in which the request for benefits is made, as long as:

(A) All eligibility requirements are met in that month; and

(B) Verification is provided within the application processing timeframes.

(b) If all eligibility requirements are not met in the month of request, the effective date is the first day of the month in which they are met, if verification is provided within the application processing timeframes.

(c) For a benefit group that received TANF program benefits within the 30 days before applying for ERDC program benefits, the effective date is the first of the month following closure of their TANF program benefits.

(3) In the GA program, the effective date for the initial month (see OAR 461-001-0000) of benefits is whichever of the following occurs first:

(a) The day all eligibility requirements are met and verified.

(b) The 45th day from the date the client requests benefits, if all eligibility requirements were met, but the Department did not receive documentation until after the 45th day.

(4) In the OSIP program, the effective date for the initial month of benefits is whichever of the following occurs first:

(a) The date the client requests benefits, if he or she was eligible as of that date.

(b) The date all eligibility requirements are met.

(5) In the REF and TANF programs, the effective date for the initial month of benefits is as follows:

(a) For a client in the Pre-TANF program, it is the later of the following:

(A) The day the Pre-TANF program ends in accordance with OAR 461-135-0475.

(B) The 30th day following the date the client requests benefits, if the Department does not receive required verification until after the 30th day.

(b) For a client not in the Pre-TANF program (see OAR 461 135 0475), it is the day the client meets and verifies all eligibility requirements.

(c) In the TANF program, if the only eligible child is an unborn, it may not be earlier than the first day of the calendar month preceding the month in which the due date falls.

(d) For a provider-direct child care payment (see OAR 461 165 0190), it is the first of the month in which TANF program benefits begin.

(e) For a JOBS support service payment, it is the date the client meets all eligibility requirements in OAR 461-190-0211.

(6) For TANF program recipients moving to the SFPSS program, the effective date for the initial month of SFPSS program benefits is:

(a) Except as provided in subsection (b) of this section, the first of the month following the day all eligibility requirements are met and verified.

(b) If the day all eligibility requirements are met and verified falls after the compute deadline, the initial month of SFPSS program benefits will be the first of the month following the month after compute deadline. For purposes of this rule, the "compute deadline" means the Department computer system monthly deadline after which changes will not take effect until the month following the first of the next month.

## 461-180-0085

### Effective Dates; Redeterminations of CEC, CEM, EXT, MAA, MAF, OHP, OSIPM, QMB, SAC

In the CEC, CEM, EXT, MAA, MAF, OHP, OSIPM, QMB, and SAC programs, when the Department initiates a redetermination of eligibility, the Department must review each individual in the filing group for eligibility for the other medical programs listed in this rule prior to reducing or ending medical benefits. If additional information is needed to redetermine eligibility, members of the benefit group (see OAR 461-110-0750) who may be eligible for the other programs listed in this rule remain eligible from the date the review is initiated until the Department determines their eligibility in accordance with the application processing time frames in OAR 461-115-0190.

# ADMINISTRATIVE RULES

**Certified to be Effective:** 1-1-12 thru 6-29-12

**Notice Publication Date:**

**Rules Amended:** 461-115-0705, 461-135-1100, 461-145-0410

**Rules Suspended:** 461-135-1110

**Subject:** OAR 461-115-0705 is being amended to reflect the elimination of OHP-OPU Student Status eligibility criteria. The rule as amended no longer refers to the higher education student requirements provided in OAR 461-135-1110, which is being suspended.

OAR 461-135-1100 is being amended to reflect the elimination of OHP-OPU Student Status eligibility criteria and no longer refer to the higher education student requirements that were in OAR 461-135-1110, which is being suspended. OAR 461-135-1100 is also being amended to align it with the January 1, 2012 revisions of OAR 410-120-1960, 461-135-0990 and 461-155-0360 that centralize the Health Insurance Premium Payment (HIPP) program. This amendment clarifies what constitutes major medical insurance by eliminating the \$10,000 coverage minimum and stating what types of benefits an insurance policy must have to be considered major medical.

OAR 461-135-1110 about eligible and ineligible students in the Oregon Health Plan OPU program (coverage for adults who qualify under an income standard based on 100 percent of the federal poverty level) is being suspended as applicants and recipients will no longer be required to meet the income requirements for a Pell grant (having an estimated family contribution of \$0), or be a student in a program serving displaced workers under section 236 of the Trade Act of 1974 (19 USC 2296).

OAR 461-145-0410 about how program benefits are treated in the eligibility process is being amended to provide specifics regarding description of the Job Participation Incentive (JPI) program benefits and how those benefits will be treated when determining eligibility for other programs. This policy has been in this rule since October 1, 2011 but that temporary rule change is being refiled due to the intervening adoption of other permanent changes to this rule.

### **Required Verification; BCCM, HKC, MAA, MAF, OHP, SAC**

(1) This rule establishes verification requirements for the BCCM, EXT, HKC, MAA, MAF, OHP, and SAC programs in addition to the requirements of OAR 461-115-0610.

(2) Except as provided in section (3) of this rule, each client declaring U.S. citizenship must provide acceptable documentation of citizenship and identity. For purposes of this rule, acceptable documentation consists of any of the documents permitted under section 1903(x) of the Social Security Act (42 U.S.C. 1396b).

(a) A new applicant must provide acceptable documentation as a condition of eligibility (see OAR 461-001-0000). Except for an applicant whose medical benefits previously were closed after March 31, 2009 for not providing acceptable documentation, an applicant's medical assistance may not be delayed for citizenship documentation while the eligibility decision is pending if all other medical assistance eligibility requirements have been met.

(b) A current recipient who has not already provided acceptable documentation must provide acceptable documentation as a condition of eligibility when requested by the Department.

(c) A client who already has provided acceptable documentation is not required to provide additional evidence during a subsequent application for benefits or redetermination of eligibility.

(3) Each of the following clients is exempt from the requirements of section (2) of this rule, a client who is:

- (a) Assumed eligible under OAR 461-135-0010(5);
- (b) Eligible for or receiving Medicare;
- (c) Presumptively eligible for the BCCM program;
- (d) Receiving Social Security Disability Income (SSDI); or
- (e) Receiving Title IV-E benefits.

(4) At initial application and at any other time it affects the client, the following must be verified:

(a) The requirement in OAR 461-120-0210 to have or apply for a social security number.

(b) Alien status for an applicant who indicates he or she is not a U.S. citizen, and for a client who meets the alien status requirement under OAR

461-120-0125(4)(b) the client's alien status must be verified at each certification.

(5) When the pregnancy of a client is first reported, it must be verified by a medical practitioner, health department, clinic, or crisis pregnancy center or similar facility.

(6) In the HKC, MAA, MAF, OHP, and SAC programs, at initial application, recertification, and at any other time it affects the client, the Department must verify the client's statement of income. If no verification is available, the Department accepts the client's statement.

(7) In the OHP-OPU program, to allow a premium exemption, the Department must verify that a client is --

- (a) A member of a federally recognized Indian tribe, band, or group;
- (b) An Eskimo, Aleut, or other Alaska native enrolled by the Secretary of the Interior pursuant to the Alaska Native Claims Settlement Act; or
- (c) An individual eligible for benefits through an Indian Health Program.

(8) In the EXT, MAA, MAF, OHP-OPC, and OHP-OP6 programs, the amount of the premium for cost-effective employer-sponsored health insurance must be verified.

(9) A client must provide verification for any eligibility requirement in sections (4) to (8) of this rule questioned by the Department.

## 461-135-1100

### **Specific Requirements; OHP**

In addition to eligibility requirements applicable to the OHP program in other rules in chapter 461 of the Oregon Administrative Rules, this rule sets out specific eligibility requirements for the OHP program.

(1) For purposes of this rule, OAR 461-135-1101, and 461-135-1149, the term private major medical health insurance refers to a comprehensive major medical insurance plan that at a minimum provides physician services; hospitalization (inpatient and outpatient); outpatient lab, x-ray, immunizations; and prescription drug coverage. This term does not include coverage under the Kaiser Child Health Program or Kaiser Transition Program but does include policies that are purchased privately or are employer-sponsored.

(2) To be eligible for the OHP program, an individual cannot:

- (a) Be receiving, or deemed to be receiving, SSI benefits;
- (b) Be eligible for Medicare, except that this requirement does not apply to the OHP OPP program;
- (c) Be receiving Medicaid through another program; or
- (d) Be enrolled in a health insurance plan subsidized by the Family Health Insurance Assistance program (FHIAP, see ORS 735.720 to 735.740).

(3) To be eligible for the OHP-OPU program, an individual must be 19 years of age or older and may not be pregnant. An individual eligible for the OHP-OPU program is referred to as a health plan new/noncategorical (HPN) client. In addition to all other OHP program eligibility requirements, an HPN client:

(a) May not be covered by private major medical health insurance and may not have been covered by private major medical health insurance during the six months preceding the effective date for starting medical benefits. The six-month waiting period is waived if:

- (A) The individual has a condition that, without treatment, would be life-threatening or would cause permanent loss of function or disability;
- (B) The individual's private health insurance premium was reimbursed under the provisions of OAR 461-135-0990;
- (C) The individual's private health insurance was subsidized through FHIAP or the Office of Private Health Partnerships (OPHP) in accordance with ORS 414.231, 414.826, 414.831, and 414.839; or
- (D) A member of the individual's filing group was a victim of domestic violence.

(b) Must meet the following eligibility requirements:

# ADMINISTRATIVE RULES

(A) The resource limit provided in OAR 461-160-0015;  
(B) Payment of premiums determined in accordance with OAR 461-155-0235 and paid in accordance with OAR 461-135-1120; and

(C) The requirements in OAR 461-120-0345 related to obtaining medical coverage for members of the benefit group through the Family Health Insurance Assistance Program (FHIAP), if applicable.

(4) To be eligible for the OHP-OPC program, an individual must be less than 19 years of age.

(5) To be eligible for the OHP-OP6 program, a child must be less than six years of age and not eligible for OHP-OPC.

(6) To be eligible for the OHP-OPP program, an individual must be pregnant or must be a newborn assumed eligible under OAR 461-135-0010(4).

(7) To be eligible for the OHP-CHP program, an individual must be under 19 years of age and must:

(a) Not be eligible for the OHP-OPC, OHP-OPP, or OHP-OP6 programs;

(b) Meet budgeting requirements of OAR 461-160-0700;

(c) For eligibility decisions prior to August 16, 2010, select a medical, dental and mental health managed health care plan (MHCP) or primary care case manager (PCCM) if available, unless the client is exempted by OAR 410-141-0060; and

(d) Not be covered by private major medical health insurance or by any private major medical health insurance during the preceding two months. The two-month waiting period is waived if:

(A) The individual has a condition that, without treatment, would be life threatening or cause permanent loss of function or disability;

(B) The loss of health insurance was due to the loss of or a change in employment;

(C) The individual's private health insurance premium was reimbursed under OAR 461 135 0990;

(D) The individual's private health insurance was subsidized through FHIAP or the Office of Private Health Partnerships (OPHP) in accordance with ORS 414.231, 414.826, 414.831, and 414.839; or

(E) A member of the individual's filing group was a victim of domestic violence.

(8) A child who becomes ineligible for the OHP program because of age while receiving in patient medical services remains eligible until the end of the month in which he or she no longer receives those services if he or she is receiving in patient medical services on the last day of the month in which the age requirement is no longer met.

(9) In the HKC, OHP-CHP, and OHP-OPC programs, for the Department to enroll a child in the program based on a determination made by an ELA, the child's parent or guardian must give consent in writing, by telephone, orally, or through electronic signature for the child to be enrolled in the program.

(10) The Department only may use ELE for a child in a filing group in which no member is already receiving benefits through the CEC, CEM, EXT, HKC, MAA, MAF, OHP-CHP, OHP-OPP, OHP-OP6, OSIPM, or SAC program.

## 461-135-1110

### Eligible and Ineligible Students; OHP-OPU

(1) In the OHP-OPU program, an individual enrolled full time in higher education is ineligible to receive benefits, unless the requirements of one of the following subsections are met:

(a) The student:

(A) Meets the income requirements for a Pell grant;

(B) Is not currently covered by private major medical health insurance (see OAR 461-135-1100) or an HMO; and

(C) Has not been covered by private major medical health insurance or by an HMO for the six months immediately preceding the date of application.

(b) The student is in a program serving displaced workers under Section 236 of the Trade Act of 1974 (19 USC 2296).

(2) For the purposes of this rule:

(a) Higher education includes the following:

(A) Any public or private university, college or community college.

(B) Any post-secondary vocational or technical school that is eligible to accept Pell grants.

(b) Full time is defined by the school.

(c) Meets the income requirements for a Pell grant means:

(A) The student's Student Aid Report shows an "expected family contribution" less than \$5,274 for the 2010-2011 or 2011-2012 school year; or

(B) The student is eligible for a Pell grant and provides documentation of eligibility from the school's financial aid office.

(3) A student's enrollment status continues during school vacation and breaks. A student's higher education status ends when the student graduates, drops out (as verified by their disenrolling), reduces the student's credit or attendance hours below full-time status, is suspended or expelled, or does not intend to register for the next school term (excluding summer term).

## 461-145-0410

### Program Benefits

(1) EA and TA-DVS payments are treated as follows:

(a) In the ERDC and SNAP programs, a payment made directly to the client is counted as unearned income. Dual payee and provider-direct payments are excluded.

(b) In all programs except the ERDC and SNAP programs, these payments are excluded.

(2) Payments from ERDC and TANF child care are excluded unless the client is the provider.

(3) Payments from the EXT, GAM, MAA, MAF, OHP, OSIPM, QMB, REFM, and SAC programs are excluded.

(4) Payments from the JPI (see OAR 461-135-1260) are issued as a food benefit and are excluded.

(5) SNAP payments are treated as follows:

(a) The value of an SNAP benefit is excluded in all programs except the EA program. In the EA program, the value is counted as a resource when determining the emergency food needs of the filing group (see OAR 461-110-0310).

(b) OFSET service payments are excluded.

(6) Benefits from the GA, OSIP (except OSIP-IC), Post-TANF, REF, SFPSS, TANF, and tribal-TANF programs are treated as follows:

(a) In the EA program, these payments are counted as unearned income, except that these payments are excluded for a benefit group (see OAR 461-110-0750) whose emergent need is the result of domestic violence (see OAR 461-001-0000).

(b) In the ERDC program:

(A) Post-TANF payments are excluded.

(B) All other payments are counted as unearned income.

(c) In the SNAP program:

(A) These payments are treated as unearned income.

(B) An amount received as a late processing payment is treated as lump-sum income.

(C) Payments made to correct an underpayment are treated as lump-sum income.

(D) Ongoing special needs payments for laundry allowances, special diet or meal allowance, restaurant meals, accommodation allowances, and telephone allowances are treated as unearned income. All other special needs payments are excluded as reimbursements.

(d) In the OHP program:

(A) GA payments are excluded from income for purposes of determining OHP eligibility.

# ADMINISTRATIVE RULES

(B) Benefits from the Post-TANF program are excluded.

(C) Benefits from the OSIP (except OSIP-IC), REF, SFPSS, and TANF programs are treated as follows:

(i) The payments are counted as unearned income if all the individuals included in the benefit group for the cash payment are also in the OHP financial group (see OAR 461-110-0530).

(ii) A prorated share is counted as unearned income if any of the individuals in the cash payment are not included in the OHP financial group. A prorated share is determined by dividing the total payment by the number of individuals in the TANF benefit group.

(iii) A payment made to correct an underpayment caused by the Department is excluded if the underpayment occurred prior to the budget period.

(e) In all programs except the EA, ERDC, OHP, and SNAP programs:

(A) These payments are excluded in the month received, and any portion remaining following the month of receipt is counted as a resource.

(B) Payments made to correct an underpayment are excluded.

(f) In all programs:

(A) JOBS, REF, and TANF JOBS Plus support service payments are excluded.

(B) For the treatment of JOBS Plus income, see OAR 461-145-0130.

(C) REF and TANF client incentive payments are treated as follows:

(i) Except in the TANF program, the cooperation incentive payment (see OAR 461-135-0310) is counted as unearned income.

(ii) Progress and outcome incentive payments other than in-kind payments are counted as lump-sum income (see OAR 461-140-0120). All other incentives are excluded.

(7) Payments from OSIP-IC are treated as follows:

(a) In the SNAP program, these payments are counted as unearned income and assets held in a contingency fund (see OAR 411-030-0020) are counted as a resource.

(b) In all other programs, these payments and funds held in a contingency fund are excluded.

(8) Pre-TANF program payments are treated as follows:

(a) In the SNAP program, a payment for basic living expenses, made directly to the client, is counted as unearned income. All other payments are excluded.

(b) In all programs except the SNAP program, these payments are excluded.

### Notice Situation; Client Moved or Whereabouts Unknown

(1) To end benefits if a client has moved out of state, the Department sends the following *decision notice* (see OAR 461-001-0000):

(a) In the ERDC, EXT, GA, GAM, MAA, MAF, OHP, OSIP, OSIPM, QMB, REF, REFM, SAC, and TANF programs:

(A) The Department sends a *timely continuing benefit decision notice* (see OAR 461-001-0000) to clients who have moved out of state.

(B) The Department sends a *basic decision notice* (see OAR 461-001-0000) if the client becomes eligible for benefits in another state.

(b) In the SNAP program, no *decision notice* is required if the Department determines that the *benefit group* (see OAR 461-110-0750) has moved out of Oregon.

(2) If Department mail or benefits have been returned with no forwarding address, the Department gives the client the benefits if the client's whereabouts become known during the period covered by the returned benefits. See OAR 461-165-0130 for when SNAP benefits can be sent out of state. If the client's whereabouts are unknown, the Department ends benefits by sending the following *decision notice* to their last known address:

(a) In all programs except the SNAP program, a *basic decision notice*.

(b) In the SNAP program, for cases in the CRS reporting system, no *decision notice* is required.

## 461-135-0010

### Assumed Eligibility for Medical Programs

(1) This rule sets out when a client is assumed eligible for certain medical programs because the client receives or is deemed to receive benefits of another program.

(2) A pregnant woman who is eligible for and receiving benefits the day the pregnancy ends is assumed eligible for the EXT, MAA, MAF, OHP (except OHP-CHP), OSIPM, or SAC program until the last day of the calendar month in which the 60th day after the last day of the pregnancy falls.

(3) A pregnant woman who was eligible for and receiving medical assistance under any Medicaid program and becomes ineligible while pregnant is assumed eligible for Medicaid until the last day of the calendar month in which the 60th day after the last day of the pregnancy falls.

(4) A *child* (see OAR 461-001-0000) born to a mother eligible for and receiving EXT, MAA, MAF, OHP, OSIPM, or SAC benefits is assumed eligible for medical benefits under this section until the end of the month the *child* turns one year of age.

(5) The following children are assumed eligible for SAC:

(a) A *child* who is the subject of an adoption assistance agreement with another state.

(b) A *child* in a state subsidized, adoptive placement, if an adoption assistance agreement is in effect between a public agency of the state of Oregon and the adoptive parents that indicates the child is eligible for Medicaid.

(6) The individuals described in subsection (a) and (b) of this section are assumed eligible for OSIPM (except OSIPM-EPD) unless subsection (c) or (d) of this section applies:

(a) A recipient of SSI benefits.

# ADMINISTRATIVE RULES

(b) An individual deemed eligible for SSI under Sections 1619(a) or (b) of the Social Security Act (42 U.S.C. 1382h(a) or (b)), which cover individuals with disabilities whose impairments have not changed but who have become gainfully employed and have continuing need for OSIPM.

(c) An individual described in subsection (a) or (b) of this section who is in a *nonstandard living arrangement* (see OAR 461-001-0000) is not eligible for *long-term care* (see OAR 461-001-0000) services if the individual would otherwise be ineligible for OSIPM due to a disqualifying transfer of assets (OAR 461-140-0210 to 461-140-0300 regulate the effect of a transfer of assets on a client).

(d) An individual described in subsection (a) or (b) of the section who is in a *nonstandard living arrangement* is not assumed eligible for long-term care services if *countable* resources exceed the limit after performing the calculation under OAR 461-160-0580.

(7) A client who receives both benefits under Part A of Medicare and SSI benefits is assumed eligible for the QMB BAS program.

(8) A client is assumed eligible for the REFM program if:

(a) The client is receiving cash assistance through the REF program;

(b) The client loses eligibility for cash assistance through the REF program only because of income or resources;

(c) The client loses eligibility for the EXT, MAA, MAF, or SAC programs, but still meets the requirements of the REFM program; or

(d) The client had refugee-related medical assistance established in another state based on refugee status granted by the United States Citizenship and Immigration Services, and moved to Oregon within the client's first eight months in the United States.

**Rule Caption:** Home Delivered Meals.

**Adm. Order No.:** SPD 26-2011(Temp)

**Filed with Sec. of State:** 12-20-2011

**Certified to be Effective:** 12-20-11 thru 6-13-12

**Notice Publication Date:**

**Rules Amended:** 411-040-0000

**Subject:** The Department of Human Services (Department) is temporarily amending OAR 411-040-0000 to clarify the eligibility standards for home delivered meals and to clearly define the standards for all Medicaid paid providers of home delivered meals.

**Rules Coordinator:** Christina Hartman—(503) 945-6398

### 411-040-0000

#### Home Delivered Meals

(1) Medicaid paid home delivered meals, exclusive of those funded through the Older Americans Act or Oregon Project Independence, constitute a service that may be provided as part of a waived services care plan to assist an individual to remain in the individual's own home.

(2) To be eligible for Medicaid paid home delivered meals, an individual must comply with the Department's October 2008 Nutrition Program Standards for Medicaid Paid Home Delivered Meal Programs.

(3) Applicants determined ineligible to receive Medicaid paid home delivered meals but who need food assistance shall be directed to the nearest AAA or appropriate food assistance programs.

(4) All Medicaid paid providers of home delivered meals must:

(a) Meet the basic, administrative, and program requirements as described in the Department's October 2008 Nutrition Program Standards for Medicaid Paid Home Delivered Meal Programs;

(b) Follow the food service sanitation and safety requirements for Medicaid paid home delivered meals as directed in the Department's October 2008 Nutrition Program Standards for Medicaid Paid Home Delivered Meal Programs;

(c) Provide nutrition education as described in the Department's October 2008 Nutrition Program Standards for Medicaid Paid Home Delivered Meal Programs;

(d) Plan menus that meet the requirements as described in the Department's October 2008 Nutrition Program Standards for Medicaid Paid Home Delivered Meal Programs; and

(e) Establish a means of soliciting participant input as described in the Department's October 2008 Nutrition Program Standards for Medicaid Paid Home Delivered Meal Programs.

(5) The Department's October 2008 Nutrition Program Standards for Medicaid Paid Home Delivered Meal Programs may be found anytime at: <http://www.dhs.state.or.us/spd/tools/cm/hdm/standards.pdf> or is available from the Department upon request

(6) Payment for meals delivered to an individual at the individual's home may be provided when other plans do not appear feasible and home delivered meals are determined by the Department or AAA to be more appropriate for the client's needs than nursing facility care. The cost for these meals shall be calculated into the service plan in conjunction with in-home services provided by a client-employed provider or a home care agency.

(7) All requests for home delivered meals shall be referred to the Department or AAA.

(8) The Department shall establish, authorize, purchase, and monitor the standards for Medicaid paid home delivered meals.

(9) Individuals required to make a monthly payment under OAR 461-185-0050 in order to remain eligible for Medicaid waiver services must have their home-delivered meal costs calculated in conjunction with their in-home service provider costs.

(a) To remain eligible for waiver services, pay-in clients are responsible for payment of authorized home-delivered meals received up to their specified monthly pay-in amount. Payments due for meal services shall be included as part of the monthly sum and the individual must send the payment to the Department's pay-in unit rather than making any direct payments to the Medicaid paid home delivered meal provider.

(b) The Department shall direct payments made to Medicaid paid home delivered meal providers for all authorized home-delivered meals to waiver service eligible clients. Direct payment from the Department shall include the meals paid through the individual's monthly pay-in and for meals that exceed the individual's total monthly liability.

(10) For individuals whose meals are delivered through an Older Americans Act (OAA) meal service program that also contracts as a Medicaid paid home delivered meals provider:

(a) Individuals receiving home-delivered meals authorized and paid for by the Department shall be officially informed by the Department or AAA that there is no obligation to make any voluntary or suggested donation for this service. However, if the individual chooses to make a voluntary donation, there is no restriction from doing so.

(b) The criteria in section (9) of this rule and subsection (a) of this section applies to individuals that must submit a monthly payment to the Department under OAR 461-185-0050 in order to remain eligible for services.

(c) An individual who meets the criteria in sections (6) or (9) of this rule and is age 65 or older, may choose to receive meals through the OAA meal service program and may make voluntary donations. For individuals required to make a monthly payment under OAR 461-185-0050, these donations are not credited toward the pay-in liability. In turn, OAA meal programs are not mandated to provide home-delivered meals to Medicaid waiver service clients, age 65 and older, unless the agency is a Medicaid-contracted meal provider and the meals are authorized and paid for by the Department.

**Subject:** The Department of Human Services (Department) is updating the support services rules in OAR chapter 411, division 340 and the Community Developmental Disability Program (CDDP) rules in OAR chapter 411, division 320 to:

- Permanently make the receipt of support services contingent on eligibility for the federally approved Support Services Waiver in most cases and require that all individuals not eligible for the Support Services Waiver exit brokerage services. Prior to this, eligibility for the Support Services Waiver was not a requirement for support services;

- Further define eligibility criteria for supplemental funds relating to needs associated with activities of daily living;

- Emphasize that support funds are not meant to supplement existing and naturally occurring supports;

- Address the role of brokerages in handling an individual in crisis;

- As a result of adding the role of case manager to the personal agent, include timelines for informing individuals of the personal agent, establish expectations around providing protective services, and outline specific requirements around progress noting; and

- Specifically identify rate range and expenditure guidelines.

## 411-320-0090

### Developmental Disabilities Case Management Program Responsibilities

(1) **AVAILABILITY.** As required by these rules, the CDDP must assure the availability of a services coordinator to meet the service needs of an individual and any emergencies or crisis. The assignment of the services coordinator must be appropriately documented in individual service records and the CDDP must accurately report enrollment in the Department's payment and reporting systems.

(2) **POLICIES AND PROCEDURES.** The CDDP must adopt written procedures to assure that the delivery of services meet the standards in OAR 411-320-0090(4) of this rule.

(a) The CDDP must have procedures for ongoing involvement of individuals and family members in the planning and review of consumer satisfaction with the delivery of case management or direct services provided by the CDDP.

(b) Copies of the procedures for planning and review of case management services, consumer satisfaction, and complaints must be maintained on file at the CDDP offices. The procedures must be available to:

(A) CDDP employees who work with individuals;

(B) Individuals who are receiving services from the CDDP and the individuals' families;

(C) Individuals' legal representatives, advocates, and service providers; and

(D) The Department.

(3) **NOTICE OF SERVICES.** The CDDP must inform the individuals, family members, legal representatives, and advocates of the minimum case management services that are set out in OAR 411-320-0090(4) of this rule.

(4) **MINIMUM STANDARDS FOR CASE MANAGEMENT SERVICES.**

(a) The CDDP must ensure that eligibility for services is determined by a trained eligibility specialist in accordance with OAR 411-320-0030.

(b) An Annual Plan for an individual must be developed and reviewed in accordance with OAR 411-320-0120(1).

(A) The services coordinator must assure that there is an Annual Plan. The services coordinator must attend the annual plan meeting and participate in the development of the plan for individuals enrolled in comprehensive services. The services coordinator is responsible for the development of the Annual Plan, on the form provided by the Department, for children receiving family support services in coordination with the child and the family.

(B) An Annual Plan must be completed for each individual that is not enrolled in any Department-funded service other than case management.

(c) Program services must be authorized in accordance with OAR 411-320-0120(3).

(d) Services coordinators must monitor services and supports for all individuals enrolled in case management in accordance with the standards described in OAR 411-320-0130.

(e) Entry, exit, and transfers from comprehensive program services must be in accordance with OAR 411-320-0110.

(f) Crisis diversion services must be assessed, identified, planned, monitored, and evaluated by the services coordinator in accordance with OAR 411-320-0160.

(g) Abuse investigations and provision of protective services for adults must be provided as described in OAR 407-045-0250 to 407-045-0360 and include investigating complaints of abuse, writing investigation reports, and monitoring for implementation of report recommendations.

(h) Civil commitment services must be provided in accordance with ORS 427.215 to 427.306.

(i) The services coordinator must provide information and timely referral about how to access services to individuals and their families regarding developmental disability services available within the county and services available from other agencies or organizations within the county.

(A) For individuals 18 years and older, information and referral must specifically include information necessary to inform the individual of the comprehensive services wait list and support services. When more than one support services brokerage is available within the CDDP's geographic service area, the CDDP must also provide impartial information about the brokerages available to the individual.

(B) For individuals 18 years and older, information and referral must be provided initially and at minimum annually thereafter if the individual declines the comprehensive services wait list or support services. Annual information and referral must include informing the individual of the individual's right to, at any time, request access to the comprehensive services wait list or support services. Documentation of the initial referral and subsequent annual discussion must be documented in the individual's CDDP file.

(C) For individuals enrolled in the support services brokerage but not enrolled in the comprehensive services wait list, the CDDP must coordinate with the support services brokerage to ensure that wait list information is provided annually.

(j) The services coordinator must enroll individuals in the comprehensive services wait list who meet the following criteria:

(A) The individual is age 18 or older;

(B) The individual is enrolled in case management services or a support services brokerage;

(C) The individual has requested to be enrolled in the comprehensive services wait list; and

(D) The individual is not enrolled in comprehensive services as an adult.

(k) An individual who moves between CDDP's and whose case management or support services do not lapse for more than a period of 12 months shall retain the wait list enrollment date assigned or continued by the CDDP in which case management services were previously received. If an individual did not receive case management services in any county in Oregon for a period exceeding 12 calendar months, a new wait list enrollment date shall be assigned. The new wait list enrollment date must be the date the individual first meets all the criteria described in OAR 411-320-0090(4)(j) of this section.

(l) When funding and resources are available, the CDDP must facilitate selection of individuals from the comprehensive services wait list using the date of enrollment on the comprehensive services wait list. An individual in crisis according to OAR 411-320-0160(2) and in need of service must be given first consideration for comprehensive services regardless of the date of enrollment on the comprehensive services wait list.

(m) The services coordinator may remove an individual from the comprehensive services wait list for the following reasons:

(A) The individual requests to be removed;

(B) The individual is placed in comprehensive services; or

(C) The individual has exited or been terminated from case management services or a support services brokerage.

(n) The CDDP must inform the individual of the CDDP's intent to remove the individual from the comprehensive services wait list.

(o) Services coordinators must coordinate services with the child welfare (CW) caseworker assigned to a child to ensure the provision of required supports from the Department, CDDP, and CW.

## ADMINISTRATIVE RULES

(p) Services coordinators may attend IEP planning meetings or other transition planning meetings for children when the services coordinator is invited by the family or guardian to participate.

(A) The services coordinator may, to the extent resources are available, assist the family in accessing those critical non-educational services that the child or family may need.

(B) Upon request and to the extent possible, the services coordinator may act as a proponent for the child or family at IEP meetings.

(C) The services coordinator must participate in transition planning by attending IEP meetings or other transition planning meetings of students 16 years of age or older, or until the student is enrolled in the support services brokerage, to discuss the individual's transition to adult living and work situations unless such attendance is refused by the child's parent or legal guardian, or the individual if the individual is 18 years or older.

(q) The CDDP must ensure that individuals eligible for and receiving developmental disability services are enrolled in Department payment and reporting systems. The county of origin must enroll the individual into the Department payment and reporting systems for all developmental disability service providers except in the following circumstances:

(A) The Department shall complete the enrollment or termination form for children entering or leaving a licensed 24-hour residential program that is directly contracted with the Department.

(B) The Department shall complete the Department payment and reporting systems enrollment, termination, and billing forms for children entering or leaving the children's intensive in-home services (CIIS) program.

(C) The Department shall complete the enrollment, termination, and billing forms as part of an interagency agreement for purposes of billing for crisis diversion services by a region.

(r) Services coordinators must facilitate referrals to nursing homes when appropriate as determined by OAR 411-070-0043.

(s) The services coordinator must coordinate and monitor the specialized services provided to an eligible individual living in a nursing home in accordance with OAR 411-320-0150.

(t) The services coordinator must ensure that all serious events related to an individual are reported to the Department using the SERT system. The CDDP must ensure that there is monitoring and follow-up on both individual events and system trends.

(u) When the services coordinator completes the Title XIX waiver form, the services coordinator must ensure that Medicaid eligible individuals are offered the choice of home and community-based waiver services, provided a notice of hearing rights, and have a completed Title XIX waiver form that is reviewed annually or at anytime there is a significant change. For individuals who are expected to enter support services, the services coordinator must complete the initial Title XIX waiver form after the individual's 18th birth date and no more than 30 days prior to entry into the support services brokerage. The support services brokerage staff must assess the individual's level of care annually thereafter for continued Title XIX waiver eligibility or at anytime there are significant changes.

(v) The services coordinator must participate in the appointment of a health care representative per OAR chapter 411, division 365.

(w) The services coordinator must coordinate with other state, public, and private agencies regarding services to individuals.

(x) The CDDP must ensure that a services coordinator is available to provide or arrange for comprehensive in-home supports for adults, long term supports for children, or family supports, as required, to meet the support needs of eligible individuals. This includes:

(A) Providing assistance in determining needs and planning supports;

(B) Providing assistance in finding and arranging resources and supports;

(C) Providing education and technical assistance to make informed decisions about support need and direct support service providers;

(D) Arranging fiscal intermediary services;

(E) Arranging employer-related supports; and

(F) Providing assistance with monitoring and improving the quality of supports.

(5) SERVICE PRIORITIES. If it becomes necessary for the CDDP to prioritize the availability of case management services, the CDDP must request and have approval of a variance prior to implementation of any alternative plan. If the reason for the need for the variance could not have been reasonably anticipated by the CDDP, the CDDP has 15 working days to submit the variance request to the Department. The variance request must:

(a) Document the reason the service prioritization is necessary (including any alternatives considered);

(b) Detail the specific service priorities being proposed; and

(c) Provide assurances that the basic health and safety of individuals shall continue to be addressed and monitored.

(6) FAMILY RECONNECTION. The CDDP and the services coordinator must provide assistance to the Department when a family member is attempting to reconnect with an individual who was previously discharged from Fairview Training Center or Eastern Oregon Training Center or the individual is currently receiving developmental disability services.

(a) If a family member contacts a CDDP for assistance in locating a family member they shall be referred to the Department. A family member may contact the Department directly.

(b) The Department shall send the family member a Department form requesting further information to be used in providing notification to the individual. The form shall include the following information:

(A) Name of requestor;

(B) Address of requestor and other contact information;

(C) Relationship to individual;

(D) Reason for wanting to reconnect; and

(E) Last time the family had contact.

(c) The Department shall determine if the individual was previously a resident of Fairview Training Center or Eastern Oregon Training Center and also determine:

(A) If the individual is deceased or living;

(B) Whether the individual is currently or previously enrolled in Department services; and

(C) The county in which services are being provided, if applicable.

(d) Within 10 working days of receipt of the request, the Department shall notify the family member if the individual is enrolled or no longer enrolled in Department services.

(e) If the individual is enrolled in Department services, the Department shall send the completed family information form to the individual or the individual's guardian and the individual's services coordinator.

(f) If the individual is deceased, the Department shall follow the process for identifying the personal representative of the deceased as provided for in ORS 192.526.

(A) If the personal representative and the requesting family member are the same, the family member shall be informed that the person is deceased.

(B) If the personal representative is different from the requesting family member, the personal representative shall be contacted for permission to share the information to the requesting family member. In the event of this situation, the Department must make a good faith effort at finding the personal representative and obtaining a decision concerning the sharing of information as soon as practicable.

(g) When an individual is located, the services coordinator when the individual is enrolled in case management, or the CDDP in conjunction with the support services brokerage when the individual is enrolled in a support services brokerage, must facilitate a meeting with the individual or the individual's guardian to discuss and determine if the individual wishes to have contact with the family member.

(A) The services coordinator when the individual is enrolled in case management, or the CDDP in conjunction with the support services brokerage when the individual is enrolled in a support services brokerage, must assist the individual or the individual's guardian in evaluating the information to make a decision regarding initiating contact including providing the information from the form and any relevant history with the family member that might support contact or present a risk to the individual.

(B) If the individual does not have a guardian or is unable to express his or her wishes, the ISP team must be convened to review factors and choose the best response for the individual after evaluating the situation.

(h) If the individual or the individual's guardian wishes to have contact, the individual or ISP team designee may directly contact the family member to make arrangements for the contact.

(i) If the individual or the individual's guardian does not wish to have contact, the services coordinator must notify the Department with the information and the Department shall inform the family member in writing that no contact is requested.

(j) The notification to the family member regarding the decision of the individual or the individual's guardian must be within 60 business days of the receipt of the information form from the family member.

(k) The decision by the individual or the individual's guardian is not appealable.

## 411-320-0110

### Entry and Exit Requirements

#### (1) ADMISSION TO A DEPARTMENT-FUNDED DEVELOPMENTAL DISABILITY PROGRAM.

(a) Department staff must authorize entry into children's residential services, children's proctor care, children's intensive in-home supports, state operated community programs, and state training centers. The services coordinator must make referrals for admission and participate in all entry meetings for these programs.

(b) Admissions to all other Department-funded programs for individuals must be coordinated and authorized by the services coordinator in accordance with these rules.

(2) WRITTEN INFORMATION REQUIRED. The services coordinator, or the services coordinator's designee, must provide available and sufficient written information to service providers including information that is current and necessary to meet the individual's support needs in comprehensive services prior to admission.

(a) This written information must be provided in a timely manner and include:

(A) A copy of the individual's eligibility determination decision;

(B) A statement indicating the individual's safety skills including ability to evacuate from a building when warned by a signal device, and the ability to adjust water temperature for bathing and washing;

(C) A brief written history of any behavioral challenges including supervision and support needs;

(D) A medical history and information on health care supports that includes, where available:

(i) The results of a physical exam (if any) made within 90 days prior to the entry;

(ii) Results of any dental evaluation;

(iii) A record of immunizations;

(iv) A record of known communicable diseases and allergies; and

(v) A record of major illnesses and hospitalizations.

(E) A written record of any current or recommended medications, treatments, diets, and aids to physical functioning;

(F) If applicable, copies of protocols, the risk tracking record, and any support documentation;

(G) Copies of documents relating to guardianship, conservatorship, health care representative, power of attorney, court orders, probation and parole information, or any other legal restrictions on the rights of the individual, when applicable;

(H) Written documentation why preferences or choices of the individual cannot be honored at that time;

(I) Written documentation that the individual is participating in out-of-residence activities including school enrollment for individuals under the age of 21; and

(J) A copy of the most recent functional assessment, Behavior Support Plan, ISP, and IEP, if applicable.

(b) If the individual is being admitted from the individual's family home and entry information is not available due to a crisis, the services coordinator must ensure that the service provider assesses the individual upon entry for issues of immediate health or safety and the services coordinator must document a plan to secure the information listed in OAR 411-320-0110(2)(a) of this section no later than 30 days after admission. The documentation must include a written description as to why the information is not available. A copy of the information and plan must be given to the service provider at the time of entry.

(c) If the individual is being admitted from comprehensive service, the information must be made available prior to the admission.

(3) ENTRY MEETING. Prior to an individual's date of entry into a Department-funded comprehensive service, the ISP team must meet to review referral material in order to determine appropriateness of placement. The ISP team participants shall be determined according to OAR 411-320-0120. The findings of the entry meeting must be recorded in the individual's file and distributed to the ISP team members. The documentation of the entry meeting must include at a minimum:

(a) The name of the individual proposed for services;

(b) The date of the entry meeting and the date determined to be the date of entry;

(c) The names and role of the participants at the entry meeting;

(d) Documentation of the pre-entry information required by OAR 411-320-0110(2)(a) of this rule;

(e) Documentation of the decision to serve or not serve the individual requesting service, with reasons;

(f) If the decision was made to enter the individual, a written transition plan to include all medical, behavior, and safety supports needed by the individual, to be provided to the individual for no longer than 60 days after admission; and

(g) Documentation of the participants included in the entry meeting.

(4) CRISIS DIVERSION SERVICES. For a period not to exceed 30 days, OAR 411-320-0110(3)(d) of this rule does not apply if an individual is temporarily admitted to a program for crisis diversion services.

(5) EXIT FROM DEPARTMENT-FUNDED PROGRAMS. All exits from Department-funded developmental disability services must be authorized by the CDDP. All exits from Department direct-contracted service for children's 24-hour residential and from state-operated community programs, must be authorized by Department staff. Prior to an individual's exit date, the ISP team must meet to review the appropriateness of the move and to coordinate any services necessary during or following the transition. The ISP team participants must be determined according to OAR 411-320-0120(1)(b).

(6) EXIT STAFFING. The exit plan must be distributed to all ISP team members. The exit plan must include:

(a) The name of the individual considered for exit;

(b) The date of the exit meeting;

(c) Documentation of the participants included in the exit meeting;

(d) Documentation of the circumstances leading to the proposed exit;

(e) Documentation of the discussion of the strategies to prevent an exit from service, unless the individual, the individual's legal guardian or, for a child, the child's parent or guardian, is requesting the exit;

(f) Documentation of the decision regarding exit including verification of majority agreement of the exit meeting participants regarding the decision; and

(g) The written plan for services for the individual after exit.

(7) TRANSFER MEETING. All transfers within a county between service sites by a comprehensive service provider agency must be authorized by the CDDP, except for transfers between Department direct contracted services for children in 24-hour residential programs and in state operated community programs. Transfers between Department direct contracted services for children in 24-hour residential programs and state operated community programs must be coordinated by Department staff. A transfer meeting of the ISP team must precede any decision to transfer an individual. Findings of such a transfer meeting must be recorded in the individual's file and include, at a minimum:

(a) The name of the individual considered for transfer;

(b) The date of the transfer meeting;

(c) Documentation of the participants included in the transfer meeting;

(d) Documentation of the circumstances leading to the proposed transfer;

(e) Documentation of the alternatives considered instead of transfer;

(f) Documentation of the reasons any preferences of the individual, the individual's legal representative, or family members may not be honored;

(g) Documentation of the decision regarding transfer including verification of majority agreement of the transfer meeting participants regarding the decision; and

(h) The written plan for services for the individual after transfer.

#### (8) ENTRY TO SUPPORT SERVICES.

(a) Referrals of eligible individuals to a support services brokerage must be made in accordance with OAR 411-340-0110. Referrals must be made using the Department mandated application and referral form in accordance with Department guidelines.

(b) The CDDP of an individual's county of origin may find the individual eligible for services from a support services brokerage when:

(A) The individual is an Oregon resident who has been determined eligible for developmental disability services by the CDDP; AND

(B) The individual is an adult living in the individual's own home or family home and not receiving other Department-paid in-home or community living support other than state Medicaid plan services; AND

(C) The individual is not enrolled in comprehensive services; AND

(D) At the time of initial entry to the support services brokerage, the individual is not receiving crisis diversion services from the Department because the individual does not meet one or more of the crisis risk factors listed in OAR 411-320-0160; AND

# ADMINISTRATIVE RULES

(E) The individual, or the individual's legal representative, has chosen to use a support service brokerage for assistance with design and management of personal supports; AND

(F) The individual is eligible for entry to the Support Services Waiver according to OAR 461-135-0750; OR

(G) The individual turns 18 years old and meets the level of care that qualifies the individual for entry to the Support Services Waiver and the individual was enrolled in the CIIS Program up to the individual's 18th birthday.

(c) The individual must be referred within 90 days of:

(A) Being determined eligible for developmental disability services;

(B) Being determined eligible for entry to the Support Services

Waiver;

(C) The individual's 18th birth date;

(D) Requesting support services; and

(E) Selecting an available support services brokerage within the CDDP's geographic service area.

(d) The individual must complete entry within 90 days of referral to the support services brokerage.

(e) The services coordinator must communicate with the support services brokerage staff and provide all relevant information upon request and as needed to assist support services brokerage staff in developing an ISP that best meets the individual's support needs including:

(A) A current application or referral on the Department mandated application or referral form;

(B) A completed Title XIX waiver form;

(C) A copy of the eligibility statement for developmental disability services;

(D) Copies of financial eligibility information;

(E) Copies of any legal documents such as guardianship papers, conservatorship, civil commitment status, probation and parole, etc.;

(F) Copies of relevant progress notes; and

(G) A copy of any current plans.

(4) "Adaptive Behavior" means the degree to which an individual meets the standards of personal independence and social responsibility expected for age and culture group.

(5) "Administration of Medication" means the act of placing a medication in, or on, an individual's body by a person responsible for the individual's care and employed by or under contract to the individual, the individual's legal representative, or a provider organization.

(6) "Administrative Review" means the formal process that is used when the individual or the individual's legal representative is not satisfied with the decision made by the brokerage about a complaint involving the provision of services or a provider.

(7) "Administrator" means the Administrator of the Department, or that person's designee. The term "Administrator" is synonymous with "Assistant Director".

(8) "Adult" means an individual 18 years or older with developmental disabilities.

(9) "Alternative Resources" mean possible resources, not including support services, for the provision of supports to meet an individual's needs. Alternative resources includes but is not limited to private or public insurance, vocational rehabilitation services, supports available through the Oregon Department of Education, or other community supports.

(10) "Basic Benefit" means the type and amount of support services available to each eligible individual, specifically:

(a) Access to the brokerage services listed in OAR 411-340-0120(1); and if required

(b) Access to an amount of support services funds used to assist with the purchase of supports listed in OAR 411-340-0130(6).

(11) "Basic Supplement" means an amount of support services funds in excess of the basic benefit to which an individual may have access in order to purchase necessary supports based on demonstration of extraordinary long-term need on the Basic Supplement Criteria Inventory, Form DHS 0203.

(12) "Basic Supplement Criteria Inventory (Form DHS 0203)" means the written inventory of an individual's circumstances that is completed and scored by the brokerage to determine whether the individual is eligible for a basic supplement.

(13) "Benefit Level" means the total annual amount of support services funds for which an individual is eligible. The benefit level includes the basic benefit and any exceptions to the basic benefit financial limits.

(14) "Certificate" means a document issued by the Department to a brokerage, or to a provider organization requiring certification under OAR 411-340-0170(2), that certifies the brokerage or provider organization is eligible to receive state funds for support services.

(15) "Choice" means the individual's expression of preference, opportunity for, and active role in decision-making related to the selection of assessments, services, providers, goals and activities, and verification of satisfaction with these services. Choice may be communicated verbally, through sign language, or by other communication methods.

(16) "Chore Services" mean services needed to maintain a clean, sanitary, and safe environment in an individual's home. Chore services include heavy household chores such as washing floors, windows, and walls, tacking down loose rugs and tiles, and moving heavy items of furniture for safe access and egress.

(17) "Client Process Monitoring System (CPMS)" means the Department's computerized system for enrolling and terminating services for individuals with developmental disabilities.

(18) "Community Developmental Disability Program (CDDP)" means an entity that is responsible for planning and delivery of services for individuals with developmental disabilities according to OAR chapter 411, division 320. A CDDP operates in a specific geographic service area of the state under a contract with the Department, Local Mental Health Authority, or other entity as contracted by the Department.

(19) "Community Living and Inclusion Supports" mean services that facilitate independence and promote community integration by supporting the individual to gain or maintain skills to live as independently as possible in the type of home the individual chooses. Community living and inclusion supports provide support for the individual to participate in activities in integrated settings that promote community inclusion and contribution.

(a) Community living and inclusion supports include supports designed to develop or maintain skills for self-care, ability to direct supports, care of the immediate environment, and may include instruction in skills an individual wishes to acquire, retain, or improve that enhance independence, productivity, integration, or maintain the individual's physical and mental skills. Community living and inclusion supports include supports in the following areas:

(A) Personal skills, which includes eating, bathing, dressing, personal hygiene, and mobility;

(B) Socialization, which includes development or maintenance of self-awareness and self-control, social responsiveness, social amenities, and interpersonal skills;

(C) Community participation, recreation, or leisure, which includes the development or maintenance of skills to use available community services, facilities, or businesses;

(D) Communication, which includes development or maintenance of expressive and receptive skills in verbal and non-verbal language and the functional application of acquired reading and writing skills; and

(E) Personal environmental skills, which includes development or maintenance of skills such as planning and preparing meals, budgeting, laundry, and housecleaning.

(b) Community living and inclusion supports may or may not be work related.

(20) "Complaint" means a verbal or written expression of dissatisfaction with services or providers.

(21) "Comprehensive Services" mean a package of developmental disability services and supports that include one of the following living arrangements regulated by the Department alone or in combination with any associated employment or community inclusion program regulated by the Department:

## ADMINISTRATIVE RULES

(a) Twenty-four hour residential services including but not limited to services provided in a group home, foster home, or through a supported living program; or

(b) In-home supports provided to an individual in the individual or family home costing more than the individual cost limit.

(c) Comprehensive services do not include support services for adults enrolled in brokerages or for children enrolled in long-term supports or children's intensive in-home services.

(22) "Cost Effective" means being responsible and accountable with Department resources by offering less costly alternatives when providing choices that adequately meet an individual's support needs. Less costly alternatives include other programs available from the Department, the utilization of assistive devices, natural supports, architectural modifications, and alternative resources. Less costly alternatives may include resources not paid for by the Department.

(23) "Crisis" means:

(a) A situation that may result in civil court commitment under ORS 427.215 to 427.306 and for which no appropriate alternative resources are available; or

(b) Risk factors described in OAR 411-320-0160 are present for which no appropriate alternative resources are available.

(24) "Crisis Diversion Services" mean the services authorized and provided according to OAR 411-320-0160 that are intended to maintain an individual at home or in the family home while an individual is in emergent status. Crisis diversion services may include short-term residential placement services indicated on an individual's Support Services Brokerage Plan of Care Crisis Addendum, as well as additional support as described in an Individual Support Plan.

(25) "Department" means the Department of Human Services (DHS). The term "Department" is synonymous with "Division (SPD)".

(26) "Developmental Disability" means a neurological condition that originates in the developmental years, that is likely to continue, and significantly impacts adaptive behavior as diagnosed and measured by a qualified professional as described in OAR 411-320-0080.

(27) "Emergent Status" means an individual has been determined to be eligible for crisis diversion services according to OAR 411-320-0160..

(28) "Employer-Related Supports" mean activities that assist individuals and, when applicable, their family members with fulfilling roles and obligations as employers as described in the Individual Support Plan. Supports to the employer include but are not limited to:

- (a) Education about employer responsibilities;
- (b) Orientation to basic wage and hour issues;
- (c) Use of common employer-related tools such as job descriptions;

and

(d) Fiscal intermediary services.

(29) "Entry" means admission to a Department-funded developmental disability service provider.

(30) "Environmental Accessibility Adaptations" mean physical adaptations that are necessary to ensure the health, welfare, and safety of the individual in the home, or that enable the individual to function with greater independence in the home.

(a) Environmental accessibility adaptations include but are not limited to:

(A) Environmental modification consultation to determine the appropriate type of adaptation;

(B) Installation of shatter-proof windows;

(C) Hardening of walls or doors;

(D) Specialized, hardened, waterproof, or padded flooring;

(K) Widening of doorways;

(L) Handrails;

(M) Modification of bathroom facilities;

(N) Individual room air conditioners for an individual whose temperature sensitivity issues create behaviors or medical conditions that put the individual or others at risk;

(O) Installation of non-skid surfaces;

(P) Overhead track systems to assist with lifting or transferring;

(Q) Specialized electric and plumbing systems that are necessary to accommodate the medical equipment and supplies necessary for the welfare of the individual; or

(R) Modifications to a vehicle to meet the unique needs of the individual (lift, interior alterations such as seats, head and leg rests and belts, special safety harnesses, or other unique modifications to keep the individual safe in the vehicle).

(b) Environmental accessibility adaptations exclude:

(A) Adaptations or improvements to the home that are of general utility and are not of direct medical or remedial benefit to the individual, such as carpeting, roof repair, and central air conditioning; and

(B) Adaptations that add to the total square footage of the home.

(31) "Environmental Modification Consultant" means either an independent provider, provider organization, or general business paid with support services funds, to provide advice to an individual, the individual's legal representative, or the individual's personal agent about the environmental accessibility adaptation required to meet the individual's needs.

(32) "Exit" means either termination from a Department-funded developmental disability service provider or transfer from one Department-funded service provider to another.

(33) "Family" for determining individual eligibility for brokerage services as a resident in the family home and for determining who may receive family training, means a unit of two or more persons that include at least one individual with developmental disabilities where the primary caregiver is:

(a) Related to the individual with developmental disabilities by blood, marriage, or legal adoption; or

(b) In a domestic relationship where partners share:

(A) A permanent residence;

(B) Joint responsibility for the household in general (e.g. child-rearing, maintenance of the residence, basic living expenses); and

(C) Joint responsibility for supporting a member of the household with developmental disabilities and the individual with developmental disabilities is related to one of the partners by blood, marriage, or legal adoption.

(34) "Family Training" means training and counseling services for the family of an individual that increase the family's capacity to care for, support, and maintain the individual in the home. Family training includes:

(a) Instruction about treatment regimens and use of equipment specified in the Individual Support Plan;

(b) Information, education, and training about the individual's developmental disability, medical, and behavioral conditions; and

(c) Counseling for the family to relieve the stress associated with caring for an individual with developmental disabilities.

(35) "Fiscal Intermediary" means a person or entity that receives and distributes support services funds on behalf of an individual who employs persons to provide services, supervision, or training in the home or community according to the Individual Support Plan.

(36) "Founded Reports" means the Department's or Law Enforcement Authority's (LEA) determination, based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to the person alleged to have engaged in the conduct.

(37) "General Business Provider" means an organization or entity selected by an individual or the individual's legal representative, and paid with support services funds that:

(a) Is primarily in business to provide the service chosen by the individual to the general public;

(b) Provides services for the individual through employees, contractors, or volunteers; and

(c) Receives compensation to recruit, supervise, and pay the persons who actually provide support for the individual.

(38) "Habilitation Services" mean services designed to assist individuals in acquiring, retaining, and improving the self-help, socialization, and adaptive skills necessary to reside successfully in home and community-based settings. Habilitation services include supported employment and community living and inclusion supports.

(39) "Hearing" means the formal process following an action that would terminate, suspend, reduce, or deny a service. This is a formal process required by federal law (42 CFR 431.200-250). A hearing is also known as a Medicaid Fair Hearing and contested case hearing.

(40) "Home" means an individual's primary residence that is not under contract with the Department to provide services to an individual as a licensed or certified foster home, residential care facility, assisted living facility, nursing facility, or other residential support program site.

## ADMINISTRATIVE RULES

(41) “Homemaker Services” mean the general household activities such as meal preparation and routine household services required to maintain a clean, sanitary, and safe environment in an individual’s home.

(42) “Incident Report” means a written report of any unusual incident involving an individual.

(43) “Independence” means the extent to which individuals with developmental disabilities exert control and choice over their own lives.

(44) “Independent Provider” means a person selected by an individual or the individual’s legal representative and paid with support services funds that personally provide services to the individual.

(45) “Individual” means an adult with developmental disabilities for whom services are planned and provided.

(46) “Individual Cost Limit” means the maximum annual benefit level available under the Support Services Waiver.

(47) “Individual Support Plan (ISP)” means the written details of the supports, activities, and resources required for an individual to achieve personal goals. The type of service supports needed, how supports are delivered, and the frequency of provided supports are included in the ISP. The ISP is developed at minimum annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP is the individual’s plan of care for Medicaid purposes.

(48) “Integration” as defined in ORS 427.005 means:

(a) The use by individuals with developmental disabilities of the same community resources used by and available to other persons;

(b) Participation by individuals with developmental disabilities in the same community activities in which persons without a developmental disability participate, together with regular contact with persons without a developmental disability; and

(c) Individuals with developmental disabilities reside in homes or home-like settings that are in proximity to community resources and foster contact with persons in their community.

(49) “Legal Representative” means an attorney at law who has been retained by or for an individual, or a person or agency authorized by the court to make decisions about services for the individual.

(50) “Mandatory Reporter” means any public or private official as defined in OAR 407-045-0260 who, while acting in an official capacity, comes in contact with and has reasonable cause to believe an adult with developmental disabilities has suffered abuse, or comes in contact with any person whom the official has reasonable cause to believe abused an adult with developmental disabilities. Nothing contained in ORS 40.225 to 40.295 shall affect the duty to report imposed by this section of this rule, except that a psychiatrist, psychologist, clergy, or attorney is not required to report if the communication is privileged under ORS 40.225 to 40.295.

(51) “Medication” means any drug, chemical, compound, suspension, or preparation in suitable form for use as a curative or remedial substance taken either internally or externally by any person.

(52) “Natural Supports” or “Natural Support System” means the resources available to an individual from their relatives, friends, significant others, neighbors, roommates, and the community. Services provided by natural supports are resources that are not paid for by the Department.

(53) “Nurse” means a person who holds a current license from the Oregon Board of Nursing as a registered nurse or licensed practical nurse pursuant to ORS chapter 678.

(54) “Nursing Care Plan” means a plan developed by a registered nurse that describes the medical, nursing, psychosocial, and other needs of the individual and how those needs shall be met. The Nursing Care Plan includes which tasks shall be taught, assigned, or delegated to the qualified provider or family.

(55) “Occupational Therapy” means the services provided by a professional licensed under ORS 675.240 that are defined under the approved State Medicaid Plan, except that the amount, duration, and scope specified in the State Medicaid Plan do not apply.

(56) “OSIP-M” means Oregon Supplemental Income Program Medical.

(57) “Personal Agent” means a person who works directly with individuals and families to provide or arrange for support services as described in the Support Services Waiver and these rules, is a case manager for the provision of targeted case management services, meets the qualifications set forth in OAR 411-340-0150(5), and is:

(a) A trained employee of a brokerage; or

(b) A person who has been engaged under contract to the brokerage to allow the brokerage to meet responsibilities in geographic areas where personal agent resources are severely limited.

(58) “Personal Emergency Response Systems” mean electronic devices required by certain individuals to secure help in an emergency for safety in the community.

(59) “Person-Centered Planning” means:

(a) A process, either formal or informal, for gathering and organizing information that helps an individual:

(A) Determine and describe choices about personal goals, activities, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(b) The methods for gathering information vary, but all are consistent with individual needs and preferences.

(60) “Physical Therapy” means the services provided by a professional licensed under ORS 688.020 that are defined under the approved State Medicaid Plan, except that the amount, duration, and scope specified in the State Medicaid Plan do not apply.

(61) “Plan Year” means 12 consecutive months used to calculate an individual’s annual benefit level. Unless otherwise set according to the conditions of OAR 411-340-0120, the initial plan year begins on the start date specified on the individual’s first authorized Individual Support Plan (ISP) after entry to a brokerage. Subsequent plan years begin on the anniversary of the start date of the initial ISP.

(62) “Positive Behavioral Theory and Practice” means a proactive approach to individual behavior and behavior interventions that:

(a) Emphasizes the development of functional alternative behavior and positive behavior intervention;

(b) Uses the least intervention possible;

(c) Ensures that abusive or demeaning interventions are never used; and

(d) Evaluates the effectiveness of behavior interventions based on objective data.

(63) “Prescription Medication” means any medication that requires a physician prescription before it may be obtained from a pharmacist.

(64) “Primary Caregiver” means the person identified in an Individual Support Plan as providing the majority of service and support for an individual in the individual’s home.

(65) “Productivity” as defined in ORS 427.005 means:

(a) Engagement in income-producing work by an individual with developmental disabilities that is measured through improvements in income level, employment status, or job advancement; or

(b) Engagement by an individual with developmental disabilities in work contributing to a household or community.

(66) “Protection” and “Protective Services” mean necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, and to safeguard an individual’s person, property, and funds.

(67) “Provider Organization” means an entity selected by an individual or the individual’s legal representative, and paid with support services funds that:

(a) Is primarily in business to provide supports for individuals with developmental disabilities;

(b) Provides supports for the individual through employees, contractors, or volunteers; and

(c) Receives compensation to recruit, supervise, and pay the persons who actually provide support for the individual.

(68) “Provider Organization Director” means the employee of a provider organization, or the employee’s designee, responsible for administration and provision of services according to these rules.

(69) “Psychotropic Medication” means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including but not limited to anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(70) “Quality Assurance” means a systematic procedure for assessing the effectiveness, efficiency, and appropriateness of services.

(71) “Regional Crisis Diversion Program” means the regional coordination of the management of crisis diversion services for a group of designated counties that is responsible for the management of the following developmental disability services:

(a) Crisis intervention services;

(b) Evaluation of requests for new or enhanced services for certain groups of individuals eligible for developmental disability services; and

## ADMINISTRATIVE RULES

(c) Other developmental disability services that the counties comprising the region agree are more effectively or automatically delivered on a regional basis.

(72) "Respite" means intermittent services provided on a periodic basis for the relief of, or due to the temporary absence of, persons normally providing the supports to individuals unable to care for themselves.

(73) "Restraint" means any physical hold, device, or chemical substance that restricts, or is meant to restrict, the movement or normal functioning of an individual.

(74) "Self-Administration of Medication" means the individual manages and takes his or her own medication, identifies his or her medication and the times and methods of administration, places the medication internally in or externally on his or her own body without staff assistance upon written order of a physician, and safely maintains the medication without supervision.

(75) "Self-Determination" means a philosophy and process by which individuals with developmental disabilities are empowered to gain control over the selection of support services that meet their needs. The basic principles of self-determination are:

(a) Freedom. The ability for an individual with a developmental disability, together with freely-chosen family and friends, to plan a life with necessary support services rather than purchasing a predefined program;

(b) Authority. The ability for an individual with a developmental disability, with the help of a social support network if needed, to control a certain sum of resources in order to purchase support services;

(c) Autonomy. The arranging of resources and personnel, both formal and informal, that shall assist an individual with a developmental disability to live a life in the community rich in community affiliations; and

(d) Responsibility. The acceptance of a valued role in an individual's community through competitive employment, organizational affiliations, personal development, and general caring for others in the community, as well as accountability for spending public dollars in ways that are life-enhancing for individuals with developmental disabilities.

(76) "Social Benefit" means a service or financial assistance solely intended to assist an individual with a developmental disability to function in society on a level comparable to that of a person who does not have such a developmental disability.

(a) Social benefits may not:

(A) Duplicate benefits and services otherwise available to persons regardless of developmental disability;

(B) Provide financial assistance with food, clothing, shelter, and laundry needs common to persons with or without developmental disabilities; or

(C) Replace other governmental or community services available to an individual.

(b) Financial assistance provided as a social benefit may not exceed the actual cost of the support required by an individual to be supported in the individual's home and must be either:

(A) Reimbursement for an expense previously authorized in an Individual Support Plan (ISP); or

(B) An advance payment in anticipation of an expense authorized in a previously authorized ISP.

(77) "Special Diet" means specially prepared food or particular types of food, ordered by a physician and periodically monitored by a dietician, specific to an individual's medical condition or diagnosis that are needed to sustain an individual in the individual's home. Special diets are supplements and are not intended to meet an individual's complete daily nutritional requirements. Special diets may include:

(a) High caloric supplements;

(b) Gluten-free supplements; and

(c) Diabetic, ketogenic, or other metabolic supplements.

(78) "Specialized Medical Equipment and Supplies" mean devices, aids, controls, supplies, or appliances that enable individuals to increase their abilities to perform activities of daily living or to perceive, control, or communicate with the environment in which they live. Specialized medical equipment and supplies include items necessary for life support, ancillary supplies and equipment necessary to the proper functioning of such items, and durable and non-durable medical equipment not available under the State Medicaid Plan. Specialized medical equipment and supplies may not include items not of direct medical or remedial benefit to the individual. Specialized medical equipment and supplies must meet applicable standards of manufacture, design, and installation.

(79) "Specialized Supports" mean treatment, training, consultation, or other unique services necessary to achieve outcomes in the Individual Support Plan that are not available through State Medicaid Plan services or

other support services listed in OAR 411-340-0130(6). Typical supports include the services of a behavior consultant, a licensed nurse, or a social or sexual consultant to:

(a) Assess the needs of the individual and family, including environmental factors;

(b) Develop a plan of support;

(c) Train caregivers to implement the plan of support;

(d) Monitor implementation of the plan of support; and

(e) Revise the plan of support as needed.

(80) "Speech and Language Therapy" means the services provided by a professional licensed under ORS 681.250 that are defined under the approved State Medicaid Plan, except that the amount, duration, and scope specified in the State Medicaid Plan do not apply.

(81) "Substantiated" means an abuse investigation has been completed by the Department or the Department's designee and the preponderance of the evidence establishes the abuse occurred.

(82) "Support" means assistance that individuals require, solely because of the affects of developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is flexible and subject to change with time and circumstances.

(83) "Supported Employment Services" means provision of job training and supervision available to assist an individual who needs intensive ongoing support to choose, get, and keep a job in a community business setting. Supported employment is a service planned in partnership with public vocational assistance agencies and school districts and through Social Security Work Incentives when available.

(84) "Support Services" mean the services of a brokerage listed in OAR 411-340-0120(1) as well as the uniquely determined activities and purchases arranged through the brokerage support services that:

(a) Complement the existing formal and informal supports that exist for an individual living in the individual's own home or family home;

(b) Are designed, selected, and managed by the individual or the individual's legal representative;

(c) Are provided in accordance with an Individual Support Plan; and

(d) May include purchase of supports as a social benefit required for an individual to live in the individual's home or the family home.

(85) "Support Services Brokerage" or "Brokerage" means an entity, or distinct operating unit within an existing entity, that uses the principles of self-determination to perform the functions listed in OAR 411-340-0120(1) associated with planning and implementation of support services for individuals with developmental disabilities.

(86) "Support Services Brokerage Director" or "Brokerage Director" means the employee of a publicly or privately-operated brokerage, or that person's designee, who is responsible for administration and provision of services according to these rules.

(87) "Support Services Brokerage Plan of Care Crisis Addendum" means the short-term plan that is required by the Department to be added to an Individual Support Plan to describe crisis diversion services an individual is to receive while the individual is in emergent status in a short-term residential placement.

(88) "Support Services Brokerage Policy Oversight Group" or "Policy Oversight Group" means the group that meets the requirements of OAR 411-340-0150(1) that is formed to provide consumer-based leadership and advice to each brokerage regarding issues such as development of policy, evaluation of services, and use of resources.

(89) "Support Services Expenditure Guideline" means a publication of the Department that describes allowable uses for support services funds.

(90) "Support Services Funds" mean public funds designated by the brokerage for assistance with the purchase of supports according to each Individual Support Plan.

(91) "Support Services Rate Ranges" means a publication of the Department that defines policy regarding the use of support services funds and limits to the rates paid for some support services.

(92) "These Rules" mean the rules in OAR chapter 411, division 340.

(93) "Transportation" means services that allow individuals to gain access to community services, activities, and resources that are not medical in nature.

(94) "Unusual Incident" means incidents involving serious illness or accidents, death of an individual, injury or illness of an individual requiring inpatient or emergency hospitalization, suicide attempts, a fire requiring the services of a fire department, an act of physical aggression, or any incident requiring an abuse investigation.

(95) "Volunteer" means any person assisting a service provider without pay to support the services provided to an individual.

### Eligibility for Support Service Brokerage Services

(1) NON-DISCRIMINATION. Individuals determined eligible according to OAR 411-340-0100(2) of this rule may not be denied brokerage services or otherwise discriminated against on the basis of age, diagnostic or disability category, race, color, creed, national origin, citizenship, income, or duration of Oregon residence.

(2) ELIGIBILITY. The CDDP of an individual's county of residence may find the individual eligible for a brokerage when:

(a) The individual is an Oregon resident who has been determined eligible for developmental disability services by the CDDP; AND

(b) The individual is an adult living in the individual's own home or family home and not receiving other Department-paid in-home or community living support other than State Medicaid Plan services; AND

(c) The individual is not enrolled in comprehensive services; AND

(d) At the time of initial entry to the brokerage, the individual is not receiving short-term services from the Department because the individual is eligible for, and at imminent risk of, civil commitment under ORS chapter 427.215 through 427.306; AND

(e) The individual or the individual's legal representative has chosen to use a brokerage for assistance with design and management of personal supports; AND

(f) The individual is an adult eligible for enrollment in the Support Services Waiver according to OAR 461-135-0750; OR

(g) The individual turns 18 years old and meets the level of care that qualifies the individual for enrollment to the Support Services Waiver and the individual was enrolled in the Children's Intensive In-home Services (CIIS) Program up to the individual's 18th birthday.

(3) CONCURRENT SERVICES. Individuals are not eligible for service by more than one brokerage unless the concurrent service:

(a) Is necessary to affect transition from one brokerage to another;

(b) Is part of a collaborative plan between the affected brokerages; and

(c) Does not duplicate services and expenditures.

### Standards for Support Service Brokerage Entry and Exit

(1) The brokerage must make accurate, up-to-date information about the brokerage available to individuals referred for services. This information must include:

(a) A declaration of brokerage philosophy;

(b) A brief description of the services provided by the brokerage, including typical timelines for activities;

(c) A description of processes involved in using the services, including application and referral, assessment, planning, and evaluation;

(d) A declaration of brokerage employee responsibilities as mandatory abuse reporters;

(e) A brief description of individual responsibilities for use of public funds;

(f) An explanation of individual rights, including an individual's right to:

(A) Choose a brokerage from among Department contracted brokerages in an individual's county of residence that is serving less than the total number of individuals specified in the brokerage's current contract with the Department;

(B) Choose a personal agent among those available in the selected brokerage;

(C) Select providers among those willing, available, and qualified according to OAR 411-340-0160, OAR 411-340-0170, and OAR 411-340-0180 to provide supports authorized through the ISP;

(D) Direct the services of providers; and

(E) Raise and resolve concerns about brokerage services, including specific rights to notification and hearing for Medicaid recipients according to OAR 411-340-0060(3) when services covered under Medicaid are denied, terminated, suspended, or reduced.

(g) Indication that additional information about the brokerage is available on request. The additional information must include but not be limited to:

(A) A description of the brokerage's organizational structure;

(B) A description of any contractual relationships the brokerage has in place or may establish to accomplish the brokerage functions required by rule; and

(C) A description of the relationship between the brokerage and the brokerage's Policy Oversight Group.

(2) The brokerage must make information required in OAR 411-340-0110(1) of this rule available using language, format, and presentation methods appropriate for effective communication according to individuals' needs and abilities.

(3) ENTRY INTO BROKERAGE SERVICES.

(a) To enter brokerage services:

(A) An individual must be determined by the CDDP to be eligible for brokerage services according to OAR 411-340-0100(2);

(B) The individual or the individual's legal representative must choose to receive services from a selected brokerage; and

(C) The individual must be enrolled in the Support Services Waiver unless eligibility for support services is based upon OAR 411-340-0100(2)(g).

(b) The Department may implement guidelines that govern entries when the Department has determined that such guidelines are prudent and necessary for the continued development and implementation of support services.

(c) The brokerage may not accept individuals for entry beyond the total number of individuals specified in the brokerage's current contract with the Department.

(4) EXIT FROM A BROKERAGE.

(a) An individual must exit a brokerage:

(A) At the written request of the individual or the individual's legal representative to end the service relationship;

(B) No less than 30 days after the brokerage has served written notice of intent to terminate services, when the individual either cannot be located or has not responded to repeated attempts by brokerage staff to complete ISP development and monitoring activities, and does not respond to the notice of intent to terminate;

(C) Whenever the individual's emergent status exceeds 270 consecutive days;

(D) Upon entry into a comprehensive service;

(E) When the individual is incarcerated or in a medical hospital, psychiatric hospital, or convalescent center and it is determined that the individual will not return home, or will not return home after 90 consecutive days;

(F) After no more than 90 consecutive days from the date the individual becomes ineligible for the Support Services Waiver under OAR 461-135-0750, or no more than 30 days from the date the brokerage learns of the individual's loss of eligibility, whichever is later, except as stated in OAR 411-340-0110(4)(a)(A-G) of this section; or

(G) After 10 days when an individual is eligible for support services based on OAR 411-340-0100(2)(g) and:

(i) The individual does not apply for a disability determination and OSIP-M within 10 business days of the individual's 18th birthday; OR

(ii) The Social Security Administration or the Department's Presumptive Medicaid Disability Determination Team finds that an individual does not have a qualifying disability; OR

(iii) The individual is determined by the State of Oregon to be ineligible for OSIP-M.

(b) Any individual being exited from a brokerage shall be given written notice of the intent to terminate service at least 10 days prior to the termination.

(c) An individual who exits support services as a result of the application of OAR 411-340-0110(4)(a)(F) or (G) of this section may not receive continuation of benefits pending a contested case hearing if a hearing is requested to contest the decision to exit from support services.

(d) Each brokerage must have policies and procedures for notifying the CDDP of an individual's county of residence when that individual plans to exit, or exits, brokerage services. Notification method, timelines, and content must be based on agreements between the brokerage and CDDP's of each county in which the brokerage provides services.

## 411-340-0120

### Support Service Brokerage Services

(1) Each brokerage must provide or arrange for the following services as required to meet individual support needs:

(a) Assistance for individuals to determine needs, plan supports in response to needs, and develop individualized budgets based on available resources;

(b) Assistance for individuals to find and arrange the resources to provide planned supports;

(c) Assistance with development and expansion of community resources required to meet the support needs of individuals served by the brokerage;

(d) Information, education, and technical assistance for individuals to use to make informed decisions about support needs and to direct providers;

(e) Fiscal intermediary services in the receipt and accounting of support services funds on behalf of an individual in addition to making payment to providers with the authorization of the individual;

(f) Employer-related supports; and

(g) Assistance for individuals to effectively put plans into practice, including help to monitor and improve the quality of supports as well as assess and revise plan goals.

(2) SELF-DETERMINATION. Brokerages must apply the principles of self-determination to provision of services required in OAR 411-340-0120(1) of this rule.

(3) PERSON-CENTERED PLANNING. A brokerage must use a person-centered planning approach to assist individuals to establish outcomes, determine needs, plan for supports, and review and redesign support strategies.

(4) HEALTH AND SAFETY ISSUES. The planning process must address basic health and safety needs and supports including but not limited to:

(a) Identification of risks, including risk of serious neglect, intimidation, and exploitation;

(b) Informed decisions by the individual or the individual's legal representative regarding the nature of supports or other steps taken to ameliorate any identified risks; and

(c) Education and support to recognize and report abuse.

### (5) PERSONAL AGENT SERVICES.

#### (a) INITIAL DESIGNATION OF PERSONAL AGENT.

(A) The brokerage must designate a personal agent for individuals newly entered in support services within 10 working days from the date entry becomes known to the brokerage.

(B) In the instance of an individual transferring into a brokerage from another brokerage, the brokerage must designate a personal agent within 10 days of entry to the new brokerage.

(C) The brokerage must send a written notice that includes the name, telephone number, and location of the personal agent or brokerage to the individual and the individual's legal representative within 10 working days from the date entry becomes known to the brokerage.

(D) Prior to implementation of the initial ISP, the brokerage shall ask the individual or the individual's legal representative to identify any family and other advocates to whom the brokerage shall provide the name, telephone number, and location of the personal agent.

(b) CHANGE OF PERSONAL AGENT. Changes of personal agents initiated by the brokerage must be kept to a minimum. If the brokerage must change personal agent assignments, the brokerage must notify the individual, the individual's legal representative, and all current service providers within 10 working days of the change. The notification must be in writing and include the name, telephone number, and address of the new personal agent, if known, or of a contact person at the brokerage.

(6) PARTICIPATION IN PROTECTIVE SERVICES. The brokerage and personal agent must participate in the delivery of protective services, in cooperation with the CDDP, through the completion of activities necessary to address immediate health and safety concerns.

(7) MEDICAID WAIVERS. The brokerage must assure that individuals who become eligible for Medicaid after entry into the brokerage are offered the choice of home and community-based waiver services, provided a notice of fair hearing rights, and have a completed Support Services

Waiver form that is reviewed annually or at any time there is a significant change.

### (8) WRITTEN PLAN REQUIRED.

(a) Unless circumstances allow exception under OAR 411-340-0120(8)(b) of this section, the personal agent must write an ISP dated within 90 days of an individual's entry into brokerage services and at least annually thereafter. The brokerage must provide a written copy of the most current ISP to the individual and the individual's legal representative. The ISP or attached documents must include:

(A) The individual's name;

(B) A description of the supports required, including the reason the support is necessary;

(C) Projected dates of when specific supports are to begin and end;

(D) Projected costs, with sufficient detail to support estimates;

(E) A list of personal, community, and public resources that are available to the individual and how they shall be applied to provide the required supports;

(F) The providers, or when the provider is unknown or is likely to change frequently, the type of provider (i.e. independent provider, provider organization, or general business provider), of supports to be purchased with support services funds;

(G) Schedule of ISP reviews; and

(H) Any revisions to OAR 411-340-0120(8)(a)(A) to (G) of this section that may alter:

(i) The amount of support services funds required;

(ii) The amount of support services required;

(iii) Types of support purchased with support services funds; and

(iv) The type of support provider.

(b) The schedule of the support services ISP, developed in compliance with OAR 411-340-0120(3) of this rule after an individual enters a brokerage, may be adjusted one time for any individual entering a brokerage in certain circumstances. Such an adjustment shall interrupt any plan year in progress and establish a new plan year for the individual beginning on the date the first new ISP is authorized. Circumstances where this adjustment is permitted include:

(A) Brokerages, with the consent of the individual, may designate a new ISP start date.

(i) This adjustment may only occur one time per individual upon ISP renewal.

(ii) The individual's benefit level must be pro-rated based on the shortened plan year in order to not exceed the annual benefit level for which the individual is eligible.

(iii) ISP date adjustments must be clearly documented on the ISP.

(B) Transition of individuals receiving family support services for children with developmental disabilities regulated by OAR chapter 411, division 305, children's intensive in-home services (CIIS) regulated by OAR chapter 411, division 300, or medically fragile children (MFC) services regulated by OAR chapter 411, division 350, when those individuals are 18 years of age. The date of the individual's first new support services ISP after entry to the brokerage may be adjusted to correspond to the expiration date of the individual's Annual Plan of Care in place at the time the individual turns 18 years of age when the Annual Plan of Care, developed while the individual is still receiving family support, CIIS, or MFC services, has been authorized for implementation prior to or upon the individual's entry to the brokerage.

(C) Transition of individuals receiving other Department-paid services who are required by the Department to transition to support services. The date of the individual's first support services ISP may be adjusted to correspond to the expiration date of the individual's plan for services when the plan for services:

(i) Has been developed according to regulations governing Department-paid services the individual receives prior to transition;

(ii) Is current at the time designated by the Department for transition to support services; and

(iii) Is authorized for implementation prior to or upon the individual's entry to the brokerage.

### (9) PROFESSIONAL OR OTHER SERVICE PLANS.

(a) A Nursing Care Plan must be attached to the ISP when support services funds are used to purchase services requiring the education and training of a licensed professional nurse.

(b) A Support Services Brokerage Plan of Care Crisis Addendum, or other document prescribed by the Department for use in these circumstances, must be attached to the ISP when an individual enrolled in a brokerage is in emergent status in a short-term, out-of-home, residential placement as part of the individual's crisis diversion services.

# ADMINISTRATIVE RULES

## (10) ISP AUTHORIZATION.

(a) An initial and annual ISP must be authorized prior to implementation.

(b) A revision to the annual or initial ISP that involves the types of support purchased with support services funds must be authorized prior to implementation.

(c) A revision to the annual or initial ISP that does not involve the types of support purchased with support services funds does not require authorization. Documented verbal agreement to the revision by the individual or the individual's legal representative is required prior to implementation of the revision.

(d) An ISP is authorized when:

(A) The signature of the individual or the individual's legal representative is present on the ISP or documentation is present explaining the reason an individual who does not have a legal representative may be unable to sign the ISP.

(i) Acceptable reasons for an individual without a legal representative not to sign the ISP include physical or behavioral inability to sign the ISP.

(ii) Unavailability of the individual is not an acceptable reason for the individual or the individual's legal representative not to sign the ISP.

(iii) In the case of a revision to the initial or annual ISP that is in response to immediate, unexpected change in circumstance, and is necessary to prevent injury or harm to the individual, documented verbal agreement may substitute for a signature for no more than 10 working days.

(B) The signature of the personal agent involved in the development of, or revision to, the ISP is present on the ISP; and

(C) A designated brokerage representative has reviewed the ISP for compliance with Department rules and policy.

## (11) PERIODIC REVIEW OF PLAN AND RESOURCES.

(a) The personal agent must conduct and document reviews of plans and resources with the individual and the individual's legal representative.

(b) At least annually as part of preparation for a new ISP, the personal agent must:

(A) Evaluate progress toward achieving the purposes of the ISP, assessing and revising goals as needed;

(B) Note effectiveness of the use of support services funds based on personal agent observation as well as individual satisfaction;

(C) Determine whether changing needs or availability of other resources has altered the need for continued use of support services funds to purchase supports; and

(D) Record final support services fund costs.

(12) TRANSITION TO ANOTHER BROKERAGE. At the request of an individual enrolled in brokerage services who has selected another brokerage, the brokerage must collaborate with the receiving brokerage and the CDDP of the individual's county of residence to transition support services.

(a) If the Department has designated and contracted funds solely for the support of the transitioning individual, the brokerage must notify the Department to consider transfer of the funds for the individual to the receiving brokerage.

(b) The ISP in place at the time of request for transfer may remain in effect 90 days after entry to the new brokerage while a new ISP is negotiated and authorized.

## 411-340-0125

### Crisis Supports in Support Services

(1) The brokerage must, in conjunction with its Regional Crisis Diversion Program, attempt to provide supports that mediate a crisis risk factor for adults who are:

(a) Entered in support services; and

(b) Determined to be in crisis as described in OAR 411-340-0125(2) of this rule.

(2) CRISIS DETERMINATION. An individual enrolled in support services is eligible for crisis diversion services when:

(a) A brokerage has referred an individual to the Regional Crisis Diversion Program because the brokerage has determined that one or more of the following crisis risk factors, not primarily related to a significant mental or emotional disorder or substance abuse, are present and for which no appropriate alternative resources are available:

(A) An individual is not receiving necessary supports to address life-threatening safety skill deficits;

(B) An individual is not receiving necessary supports to address life-threatening issues resulting from behavioral or medical conditions;

(C) An individual currently engages in self-injurious behavior serious enough to cause injury that requires professional medical attention;

(D) An individual undergoes, or is at imminent risk of undergoing, loss of caregiver due to caregiver inability to provide supports;

(E) An individual experiences a loss of home due to a protective service action; or

(F) An individual is not receiving the necessary supports to address significant safety risks to others, including but not limited to:

(i) A pattern of physical aggression serious enough to cause injury;

(ii) Fire-setting behaviors; or

(iii) Sexually aggressive behaviors or a pattern of sexually inappropriate behaviors.

(b) The Regional Crisis Diversion Program has determined crisis eligibility according to OAR 411-320-0160.

(c) The individual's ISP has been revised to address the identified crisis risk factors and the revisions:

(A) May resolve the crisis; and

(B) May not contribute to new or additional crisis risk factors.

## (3) CRISIS SUPPORTS.

(a) An ISP for an individual in emergent status may authorize short-term, out-of-home, residential placement. Residential placement does not exit an individual from support services.

(b) The individual's personal agent must:

(A) Participate with the Regional Crisis Diversion Program staff in efforts to stabilize supports and return costs to the individual's benefit level;

(B) Assist with the identification of qualified providers who may be paid in whole or in part using crisis diversion funding except in the case of short-term, out-of-home, residential placements with a licensed or certified provider;

(C) Complete and coordinate the Support Services Brokerage Plan of Care Crisis Addendum when an individual in emergent status requires a short-term, out-of-home, residential placement; and

(D) Monitor the delivery of supports provided, including those provided through crisis funding.

(i) Monitoring is done through contact with the individual, any service providers, and the individual's family.

(ii) Monitoring is done to collect information regarding supports provided and progress toward outcomes that are identified as necessary to resolve the crisis.

(iii) The personal agent must document the information described in OAR 411-340-0125(3)(b)(D)(ii) of this section in the individual's case file and report to the Regional Crisis Diversion Program or CDDP as required.

(c) Support services provided during emergent status are subject to all requirements of this rule.

(d) All supports authorized in an ISP continue during the crisis unless prohibited by other rule, policy, or the supports contribute to new or additional crisis risk factors.

(4) TRANSITION TO COMPREHENSIVE SERVICES. When an individual eligible for crisis supports may have long-term support needs that may not be met through support services:

(a) The brokerage must immediately notify the CDDP of the individual's county of residence;

(b) The brokerage must coordinate with the CDDP and the Regional Crisis Diversion Program to facilitate a timely exit from support services and entry into appropriate, alternative services; and

(c) The brokerage must assure that information required for a potential provider of comprehensive services is available as needed for a referral to be made.

## 411-340-0130

### Using Support Services Funds to Purchase Supports

(1) A brokerage may use support services funds to assist individuals to purchase supports in accordance with an ISP when:

(a) Supports are necessary for an individual to live in the individual's own home or in the family home;

(b) Cost-effective arrangements for obtaining the required supports, applying public, private, formal, and informal resources available to the eligible individual are specified in the ISP;

## ADMINISTRATIVE RULES

(A) Support services funds are not intended to replace the resources available to an individual from their natural support system. Support services funds may be authorized only when the natural support system is unavailable, insufficient, or inadequate to meet the needs of the individual.

(B) Support services funds are not available when an individual's support needs may be met by alternative resources. Support services funds may be authorized only when alternative resources are unavailable, insufficient, or inadequate to meet the needs of the individual.

(c) An individual is receiving crisis diversion services according to OAR 411-320-0160 and:

(A) Crisis diversion services allowed by OAR 411-320-0160 do not provide the necessary support;

(B) The support was identified as necessary prior to the onset of the crisis;

(C) Support services funds are not expended to such an extent that the support services funds that may be required to purchase the remainder of necessary supports following the termination of crisis diversion services shall be unavailable; and

(D) Support services funds are used for no more than 90 days following the determination that the individual shall enter a comprehensive service.

(d) The ISP projects the amount of support services funds, if any, that may be required to purchase the remainder of necessary supports that are within the benefit level; and

(e) The ISP has been authorized for implementation.
