Outdoor spaces are important and they enhance our quality of life. It may be a European garden created in an urban backyard, a cascading waterfall welcoming friends, an outdoor kitchen and firepit for family gatherings, a city park, or simply a green area at work — all make our lives better.

Since 1992, Green Acres Landscape has been helping our clients to realize their unique landscape solutions. We design, install and maintain landscapes that help people to enjoy outdoor spaces. We deliver an experienced and individual service, with a commitment to artisanship, excellence and value. Our mission is to provide an unequalled landscape solution and value to each client while always respecting and protecting the environment.
