# INFORMATION ABOUT ADMINISTRATIVE RULES

## General Information

The Administrative Rules Unit, Archives Division, Secretary of State publishes the Oregon *Administrative Rules Compilation* and the online *Oregon Bulletin*. The *Oregon Administrative Rules Compilation* is an annual print publication containing complete text of Oregon Administrative Rules (OARs) filed through November 15 of the previous year. The *Oregon Bulletin* is a monthly online supplement that contains rule text adopted or amended after publication of the print Compilation, as well as Notices of Proposed Rulemaking and Rulemaking Hearing. The Bulletin also includes certain non-OAR items when they are submitted, such as Executive Orders of the Governor, Opinions of the Attorney General and Department of Environmental Quality cleanup notices.

## Background on Oregon Administrative Rules

ORS 183.310(9) defines “rule” as “any agency directive, standard, regulation or statement of general applicability that implements, interprets or prescribes law or policy, or describes the procedure or practice requirements of any agency.” Agencies may adopt, amend, repeal or renumber rules, permanently or temporarily (up to 180 days), using the procedures outlined in the *Oregon Attorney General’s Administrative Law Manual*. The Administrative Rules Unit assists agencies with the notification, filing and publication requirements of the administrative rulemaking process.

## OAR Citations

Every Administrative Rule uses the same numbering sequence of a three-digit chapter number followed by a three-digit division number and a four-digit rule number (000-000-0000). For example, Oregon Administrative Rules, chapter 166, division 500, rule 0020 is cited as OAR 166-500-0020.

## Understanding an Administrative Rule’s “History”

State agencies operate in an environment of ever-changing laws, public concerns and legislative mandates which necessitate ongoing rulemaking. To track changes to individual rules and organize the original rule documents for permanent retention, the Administrative Rules Unit maintains history lines for each rule, located at the end of the rule text. OAR histories contain the rule’s statutory authority, statutes implemented and dates of each authorized modification to the rule text. Changes are listed chronologically in abbreviated form, with the most recent change listed last. In the history line “OSA 4-1993, f. & cert. ef. 11-10-93,” for example, “OSA” is short for Oregon State Archives; “4-1993” indicates this was 4th administrative rule filing by the Archives in 1993; “f. & cert. ef. 11-10-93” means the rule was filed and certified effective on November 10, 1993.

## Locating Current Versions of Administrative Rules

The online version of the OAR Compilation is updated on the first of each month to include all rule actions filed with the Administrative Rules Unit by the 15th of the previous month. The annual printed OAR Compilation volumes contain text for all rules filed through

November 15 of the previous year. Administrative Rules created or changed after publication in the print Compilation will appear in a subsequent edition of the online Bulletin. These are listed by rule number in the Bulletin’s OAR Revision Cumulative Index, which is updated monthly. The listings specify each rule’s effective date, rule-making action, and the issue of the Bulletin that contains the full text of the adopted or amended rule.

## Locating Administrative Rule Publications

Printed volumes of the Compilation are deposited in Oregon’s Public Documents Depository Libraries listed in OAR 543-070-0000. Complete sets and individual volumes of the printed OAR Compilation may be ordered from the Administrative Rules Unit, Archives Division, 800 Summer Street NE, Salem, Oregon 97301, (503) 373-0701.

## Filing Administrative Rules and Notices

All hearing and rulemaking notices, and permanent and temporary rules, are filed through the Administrative Rules Unit’s online filing system. To expedite the rulemaking process, agencies are encouraged to file a Notice of Proposed Rulemaking Hearing specifying hearing date, time and location, and to submit their filings early in the submission period. All notices and rules must be filed by the 15th of the month to be included in the next month’s Bulletin and OAR Compilation postings. Filings must contain the date stamp from the deadline day or earlier to be published the following month.

## Administrative Rules Coordinators and Delegation of Signing Authority

Each agency that engages in rulemaking must appoint a rules coordinator and file an Appointment of Agency Rules Coordinator form with the Administrative Rules Unit. Agencies that delegate rule-making authority to an officer or employee within the agency must also file a Delegation of Rulemaking Authority form. It is the agency’s responsibility to monitor the rulemaking authority of selected employees and keep the forms updated. The Administrative Rules Unit does not verify agency signatures as part of the rulemaking process.

## Publication Authority

The Oregon Bulletin is published pursuant to ORS 183.360(3). Copies of the original Administrative Orders may be obtained from the Archives Division, 800 Summer Street, Salem, Oregon, 97310; (503) 373-0701. The Archives Division charges for such copies.

The official copy of an Oregon Administrative Rule is contained in the Administrative Order filed at the Archives Division. Any discrepancies with the published version are satisfied in favor of the Administrative Order.

## OTHER NOTICES

### REQUEST FOR COMMENTS PROPOSED PROSPECTIVE PURCHASER AGREEMENT FOR ANDERSON PORTLAND PROPERTIES TAX LOTS 200, 300

**COMMENTS DUE:** 5 p.m., Tuesday, Sept. 2, 2014

**PROJECT LOCATION:** NW St. Helens Road and NW Yeon Ave., Portland

**PROPOSAL:** The Department of Environmental Quality seeks comments on its proposed consent order for a prospective purchaser agreement with the City of Portland, Bureau of Parks and Recreation concerning its acquisition of real property located on NW St. Helens Road near NW Yeon Avenue, Portland, Oregon. The site is located approximately 2,000 feet southwest of a portion of the Willamette River within the area designated by EPA as the Portland Harbor Superfund Study Area. Although the site is undeveloped, soil was contaminated with PCBs, which site records indicate were likely from equipment that was stored on this site by one or more adjacent property owners. In 2011, approximately 640 tons of PCB-contaminated soil was excavated and disposed of at permitted landfills.

The City intends to buy the land and develop it as a trailhead for access to trails in Forest Park. As a condition of the prospective purchaser agreement, the City agrees to implement measures to minimize erosion and stormwater runoff.

DEQ created the prospective purchaser agreement program in 1995 through amendments to the state's Environmental Cleanup Law. The prospective purchaser agreement is a tool that expedites the cleanup of contaminated property and encourages property transactions that would otherwise not likely occur because of the liabilities associated with purchasing a contaminated site.

The proposed consent order will provide the City of Portland with a release from liability for claims by the State of Oregon under ORS 465.200 to 465.545 and 465.990, 466.640, and 468B.310 regarding existing hazardous substance releases at or from the property. The proposed consent order will also provide the City with third party liability protection.

**HOW TO COMMENT:** Send comments to DEQ Project Manager Bob Schwarz at 400 E. Scenic Drive, Suite 307, The Dalles, Oregon 97058 or [schwarz.bob@deq.state.or.us](mailto:schwarz.bob@deq.state.or.us). For more information contact Mr. Schwarz at 541-298-7255 x230.

### REQUEST FOR COMMENTS PROPOSED CLEANUP APPROVAL AT CASCADE CORPORATION IN GRESHAM

**COMMENTS DUE:** 5 p.m., Tuesday, Sept. 2, 2014

**PROJECT LOCATION:** 2201 and 2525 NE 201st Ave., Gresham, OR

**PROPOSAL:** The Department of Environmental Quality proposes to issue a Certificate of Completion for the Cascade Corporation project including onsite and offsite properties, based on results of site investigation and cleanup activities performed at the Cascade site located at 2201 and 2525 NE 201st Drive in Gresham, Oregon. DEQ has determined that the cleanup is complete and residual volatile organic compound contamination does not pose risks to human health and the environment exceeding the acceptable levels defined in ORS 465.315.

**HIGHLIGHTS:** Cascade Corporation has manufactured fork lift attachments in North Gresham since 1956. Through its past use of chlorinated solvents, the facility released trichloroethene, commonly referred to as TCE, into the ground and contaminated the Troutdale Gravel Aquifer. The primary sources of solvent releases were past metal degreasing operations and overfilling of waste oil and waste coolant underground storage tanks.

DEQ remedial investigations were conducted from 1988 to 1994. TCE and other volatile organic chemicals contaminated shallow groundwater in the Troutdale Gravel Aquifer and a plume extended off-site, below the Interstate-84 freeway and north to an erosional face where springs emerge. Groundwater contamination also migrated downward from the Troutdale Gravel Aquifer into the underlying Troutdale Sandstone Aquifer and deeper aquifers.

The Troutdale Sandstone Aquifer groundwater contamination area, originally estimated at about 400 acres in size, is known to DEQ as the East Multnomah County Area Groundwater site (ECSI #1479). The Cascade Corporation project (ECSI #635) addresses only contamination in the shallow Troutdale Gravel Aquifer.

Starting in 1989, onsite soil contamination was remediated using soil vapor extraction and soil removal. Groundwater contamination was treated both on site and off site using groundwater pumping and treatment followed with bioremediation. The offsite residual groundwater contamination was also treated with a mulch-filled flow-through trench and phytoremediation provided by a stand of hybrid poplar trees.

Some residual soil contamination remains on site capped below pavement or buildings. Long term management and maintenance of these capped areas will be addressed with a soil management plan and the recording of an Equitable Easement and Servitude by Multnomah County with the deed for the property. Groundwater cleanup levels have been met with a few limited, localized exceptions, and volatile organic compound concentrations will continue to decline due to biodegradation, ongoing phytoremediation, and natural attenuation. Access to remaining residual offsite TGA groundwater contamination will be restricted by the co-located Troutdale Sandstone Aquifer groundwater cleanup project.

DEQ concludes that environmental conditions at the site do not pose an unacceptable risk to human health and the environment, and therefore, meet the requirements of the Oregon Environmental Cleanup Laws.

**HOW TO COMMENT:** Send comments by 5 p.m., Monday, Sept. 1, 2014, to DEQ Project Manager Robert Williams, at 2020 SW 4th Ave, Suite 400, Portland, OR 97201; [williams.robert.k@deq.state.or.us](mailto:williams.robert.k@deq.state.or.us) or fax to 503-229-6899.

### REQUEST FOR COMMENTS PROPOSED APPROVAL OF CLEANUP FOR CAIN BULK PLANT

**COMMENTS DUE:** 5 p.m., Tuesday, Sept. 2, 2014

**PROJECT LOCATION:** 2624 Pacific Ave., Forest Grove, Oregon

**PROPOSAL:** DEQ seeks comments on a proposed approval of cleanup for Cain Petroleum Bulk Plant. The cleanup was completed through DEQ's Underground Storage Tank Cleanup Program under Oregon Administrative Rules (OAR) 340-122-0205 through 340-122-0360. The cleanup was completed to meet OAR 340-122-010 through 340-122-0115 to address the environmental cleanup for the above ground storage tanks area of cleanup.

**HIGHLIGHTS:** The underground storage tank release was reported in February 1996, during a site assessment, which was initiated due to a complaint to DEQ by the owner of the 1918 Hawthorne St. property, located southeast of the subject property, that petroleum odors were present in the basement of the residential structure.

The subject property was used as a local bulk petroleum storage plant and distribution facility between approximately the mid-1940s through 1996, which included both UST and above ground storage tank farms. Five above ground tanks were in-place until 1980, while the sixth above ground tank was decommissioned in 1984. The underground storage tanks were installed in 1980 and decommissioned in 1996.

Several subsurface investigations and cleanup activities occurred over the duration of the cleanup. Currently, the property is vacant, but a building on posts, which was formerly Cain Petroleum's main office and a garage exist. Future use is unknown at this time, but residential use is allowed. A DEQ Staff Memo, which details site history, activities, risk evaluation, and risk management are on DEQ's Leaking Underground Storage Tank Cleanup database (see link below).

DEQ also will be contacting affected property owners in the area separately for comments.

**HOW TO COMMENT:** Send comments to DEQ Project Manager Rob Hood at 2020 SW 4th Avenue, Suite 400, Portland, Oregon or [hood.rob@deq.state.or.us](mailto:hood.rob@deq.state.or.us). For more information contact the project manager at 503-229-5617.

"Lookup" at the bottom of the page. Next, click the link labeled 34-96-0092 in the LUST Number column. Alternatively, you may go directly to the database website for this page at <http://www.deq.state.or.us/Webdocs/Forms/Output/FPController.ashx?SourceId=34-96-0092&SourceIdType=12>.

If you do not have web access and want to review the project file contact the DEQ project manager.

**THE NEXT STEP:** If comments are received, DEQ will address each comment. If no comments are received, DEQ will finalize property use restrictions at select properties and a letter of No Further Action will be issued.

**ACCESSIBILITY INFORMATION:** DEQ is committed to accommodating people with disabilities. Please notify DEQ of any special physical or language accommodations or if you need information in large print, Braille or another format. ### REQUEST FOR COMMENTS PROPOSED NO FURTHER ACTION FOR RESER BUILDING

**COMMENTS DUE:** 5 p.m., September 1, 2014

**PROJECT LOCATION:** 228/234 S Main St., Condon

**PROPOSAL:** The Oregon Department of Environmental Quality's Voluntary Cleanup Program proposes to issue a no further action determination for the Reser Building site located at 228/234 S Main St. in Condon. DEQ issues a no further action determination when a cleanup has met regulatory standards. DEQ also proposes to delist the site from the Confirmed Release List and Inventory of Hazardous Substances.

**HIGHLIGHTS:** The site has been used for various purposes including a gas station, auto repair, and residential. Petroleum and other contaminants were documented at the site in 2011. Approximately 115 tons of contaminated soil was excavated from the site and transported off-site for disposal. A limited volume of contaminated soil could not be removed because of the proximity to a sidewalk, water line, and a building foundation.

**HOW TO COMMENT:** Send comments by 5 p.m., September 1, 2014, to DEQ Project Manager Katie Robertson by phone at 541-278-4620, by mail at 800 SE Emigrant Ave., Suite 330, Pendleton, OR 97801, by e-mail at [robertson.katie@deq.state.or.us](mailto:robertson.katie@deq.state.or.us) or by fax at 541-278-0168.

To access site summary information, the consent order, and other documents visit DEQ's Environmental Cleanup Site Information (ECSI) database at <http://www.deq.state.or.us/lq/ecsi/ecsi.htm> under Site ID 4217. To review the project file, contact the project manager above for a file review appointment.

**THE NEXT STEP:** DEQ will consider all public comments received before making a final decision on the proposed no further action determination. DEQ will provide written responses to all public comments received.

**ACCESSIBILITY INFORMATION:** DEQ is committed to accommodating people with disabilities. If you need information in another format, please contact DEQ toll free in Oregon at 800-452-4011, email at [deqinfo@deq.state.or.us](mailto:deqinfo@deq.state.or.us), or 711 for people with hearing impairments.

# NOTICES OF PROPOSED RULEMAKING

## Notices of Proposed Rulemaking and Proposed Rulemaking Hearings

The following agencies provide Notice of Proposed Rulemaking to offer interested parties reasonable opportunity to submit data or views on proposed rulemaking activity. To expedite the rulemaking process, many agencies have set the time and place for a hearing in the notice. Copies of rulemaking materials may be obtained from the Rules Coordinator at the address and telephone number indicated.

Public comment may be submitted in writing directly to an agency or presented orally at the rulemaking hearing. Written comment must be submitted to an agency by 5:00 p.m. on the Last Day for Comment listed, unless a different time of day is specified. Oral comments may be submitted at the appropriate time during a rulemaking hearing as outlined in OAR 137-001-0030.

Agencies providing notice request public comment on whether other options should be considered for achieving a proposed administrative rule's substantive goals while reducing negative economic impact of the rule on business.

In Notices of Proposed Rulemaking where no hearing has been set, a hearing may be requested by 10 or more people or by an association with 10 or more members. Agencies must receive requests for a public rulemaking hearing in writing within 21 days following notice publication in the Oregon Bulletin or 28 days from the date notice was sent to people on the agency mailing list, whichever is later. If sufficient hearing requests are received by an agency, notice of the date and time of the rulemaking hearing must be published in the Oregon Bulletin at least 14 days before the hearing.

*\*Auxiliary aids for persons with disabilities are available upon advance request. Contact the agency Rules Coordinator listed in the notice information.*

**Rule Caption:** Amend rules related to the continuing education requirements, use of title, renewals, and examinations.

**Stat. Auth.:** ORS 672.007, 672.020, 672.160, 672.170 & 672.255

**Other Auth.:** ORS 670.310

**Stats. Implemented:** ORS 672.002-672.325

**Proposed Amendments:** 820-010-0417, 820-010-0463, 820-010-0505, 820-010-0520, 820-010-0730, 820-015-0026, 820-050-0010

**Last Date for Comment:** 9-9-14, Close of Business

**Summary:** OAR 820-010-0417 — Removes the requirement to obtain a passing grade for the buildings portion of the structural examination due to the implementation of the 16-hour structural examination administered by NCEES.

OAR 820-010-0463 — Includes language that the cutoff score for the California geotechnical examination is established by the California board.

OAR 820-010-0505 and 820-010-0520 — Includes language to clarify that failure to pay any fees, including the delinquent fee will place a registration in the "delinquent status."

OAR 820-010-0730 — Includes language to allow for a PLS registered in another jurisdiction to use the title in Oregon.

OAR 820-015-0026 and 820-050-0010 — Clarifies language related to the grace period for completing continuing professional development.

### Board of Parole and Post-Prison Supervision Chapter 255

**Rule Caption:** This revision simplifies the language of our rule by following the statutory language more closely.

**Stat. Auth.:** ORS 144.125, 144.228, 144.232, 163.105 & 163.115  
**Stats. Implemented:** ORS 144.125, 144.228, 144.232, 163.105 & 163.115

**Proposed Amendments:** 255-062-0011

**Last Date for Comment:** 8-22-14, 5 p.m.

**Summary:** This rule revision simplifies the language of our rule by following the statutory language more closely. ORS 144.125(2) and 144.228. The Board's current practice as to murder review hearings, exit interview for pre-1989 crimes, and parole consideration hearings for dangerous offenders will not change. The change clarifies that extended deferral is available for all aggravated murder hearings (regardless of crime commitment date), which is clear in statute but formerly unclear in our rules.

### Bureau of Labor and Industries Chapter 839

**Rule Caption:** Amendments clarifying default procedure, eliminating separate amendment process for orders of determination, changes reflecting reorganization.

**Stat. Auth.:** ORS 183, 279C.817, 651.060(4), 658.407(3), 658.820 & 659A.805

**Stats. Implemented:** ORS 183, 279C.815, 279C.860, 279C.860, 279C.885, 652.332(3), 653.065(1), 658.115, 659A.845 & 659A.850

**Proposed Amendments:** 839-050-0080, 839-050-0230, 839-050-0330, 839-050-0340

**Proposed Repeals:** 839-050-0440

**Last Date for Comment:** 8-21-14, Close of Business

**Summary:** The proposed amendments will increase the Agency's efficiency and provide guidance and transparency to respondents.

The agency's Hearings Unit was reorganized during 2012 and renamed the Administrative Prosecution Unit. The agency's OAR 839 division 50 rules were recently amended to eliminate references to the "Hearings Unit" and other terminology specific to the unit's former organization. The agency neglected to change two instances of references to "case presenters," now called "administrative prosecutors," in the division 50 rules. The agency proposes to amend OAR 839-050-0080(2)(f) and 839-050-0230(2) to reflect this change.

In addition, the agency proposes to amend OAR 839-050-0330, 839-050-0340(1)(c), and 839-050-0340(5) to further clarify the procedure for default hearings in Wage and Hour cases.

The agency also proposes to repeal OAR 839-050-0440 in its entirety. OAR 839-050-0440 sets out a separate and distinct amendment process for Wage and Hour Orders of Determination which creates confusion. The Agency's proposed elimination of the rule would provide uniformity among cases and clarity for all participants.

**Summary:** In 2014, the Legislature enacted Senate Bill 1520. This act exempts renewable energy cooperative corporations from registering membership shares or capital stock as securities. The Legislature conditioned this exemption on any rules adopted by the Director of the Department of Consumer and Business Services. This proposed rulemaking places certain substantive restrictions on a renewable energy cooperative corporations relying on this exemption, such as restrictions on the amount of raised money from non-accredited investors. The rulemaking activity also requires two disclosures be given to prospective members: a general disclosure that discusses the workings of the renewable energy cooperative corporation and risks associated with developing renewable energy generations facilities, and a specific disclosure discussing the risks endemic to a specific project.

**Summary:** In 2008, Congress passed the Secure and Fair Enforcement for Mortgage Licensing Act. The Act, more commonly known as the S.A.F.E. Act, required states to license individuals that take applications and negotiate terms for residential mortgage loans as mortgage loan originators. To implement this new federal licensing requirement, Congress encouraged the states to establish a Nationwide Mortgage Licensing System (NMLS) to provide a comprehensive licensing database. Because of the close supervision of mortgage loan originators by their employers, most states also license mortgage lending business through NMLS. This proposed rulemaking makes changes to Oregon law in order to ensure that Oregon business licensees may continue to efficiently do business through the NMLS system. Furthermore, because the regulation of mortgage lending businesses has evolved since passage of the S.A.F.E. Act, these rules propose minor changes to definitions, application submissions, bonding calculations, reporting requirements, and testing. (For a full list of changes, please see the accompanying statement of need and fiscal impact).

**Proposed Adoptions:** 836-053-0100, 836-053-0105

**Last Date for Comment:** 8-29-14, Close of Business

**Summary:** The Insurance Division proposes to adopt two new rules, OAR 836-053-0100 and 836-053-0105. These rules are necessary to implement ORS 656.247, as amended by House Bill 4104 (2014 Legislative Session). The rules compliment rules of the Workers' Compensation Division intended to facilitate better management and payment for interim medical benefits resulting from a work-related injury or disease.

The proposed rules prohibit a carrier from imposing a waiver or exclusion in a health benefit plan for coverage of a service otherwise provided solely on the basis that the service is provided for a work-related injury or disease.

The proposed rules also establish an expedited preauthorization process for approving the provision of interim medical services.

The rules also specify how payment is accomplished if a workers' compensation claim is approved or denied.

Finally the rules clarify when a claim is deemed a "clean claim" for purposes of prompt payment of claims.

# NOTICES OF PROPOSED RULEMAKING

## Department of Consumer and Business Services, Oregon Occupational Safety and Health Division Chapter 437

**Rule Caption:** Adopt amendments to Confined Spaces standard for general industry and construction.

**Date:** 8-25-14      **Time:** 10 a.m.      **Location:** Portland General Electric  
4245 Kale St. NE  
Salem, OR 97305

**Hearing Officer:** Sue Joye

**Stat. Auth.:** ORS 654.025(2) & 656.726(4)

**Stats. Implemented:** ORS 654.001–654.295

**Proposed Amendments:** 437-002-0146

**Last Date for Comment:** 9-5-14, Close of Business

**Summary:** This rulemaking amends OAR 437-002-0146, Confined Spaces.

These amendments clarify employer obligations and eliminate confusing requirements.

Paragraph (2) Exceptions: The exception to these rules for excavation work was revised to reflect that these rules only apply in situations where employees can bodily enter sewer spaces.

Paragraph (3) Definitions: Several definitions were added and/or modified for clarity, including:

- Alternate entry
- Blanking or blinding
- Continuous system
- Control or controlling
- Double block and bleed
- Hazard control
- Hazard elimination
- Isolate or isolation
- Rescue
- Simulated Permit-Required Confined Space
- Ventilate or ventilation

Paragraph (4) Evaluation: Language clarifications were made in the responsibility to evaluate confined spaces. For example, employers with mobile workers must evaluate the areas where their employees are working, not the entire site.

Paragraphs (5) and (6): Language clarifications were made in the permit space entry program and permit entry process. For example, entry permits has a number of items that must be included in the permit. These items were removed from (5) Permit-Required Confined Space Entry Program and Permits and added to (6) Permit Entry.

Paragraph (9) Rescue: The requirements for rescue were re-organized; redundancy in non-entry, entry and third-party first aid and CPR training requirements were removed, and language clarifications were made.

The requirement for a written agreement between an employer and a third-party rescue service provider was removed.

Removed the ambiguity of whether a permit is required when an activated third-party rescue service provider performs a rescue.

The requirement for rescuers to be trained in first aid and CPR was changed to knowledgeable in first aid and CPR. The requirement for one member to be certified in both was not changed.

The requirement for practice rescues was changed from annual to prior to an entry and within 12 months before an entry.

The term “self-rescue” was removed from the rule, except in a note that was added to clarify that self-rescue is not a viable rescue option.

The redundant paragraph for third-party rescue providers was removed.

Paragraph (10) Alternate Entry: The exception for continuous systems was modified to allow for alternate entry when engulfment cannot occur.

A note was added that when fall hazards have been addressed and all other physical hazards eliminated and all atmospheric hazards have been eliminated or controlled with continuous ventilation, alternate entry is allowed.

Clarification language was added to specify who is authorized to allow alternate entry.

The documentation of the direct reading instrument calibration date was removed.

Paragraph (11) Training: The requirements for training were reorganized for clarity.

A note was added for awareness training to clarify when employees need awareness training.

Appendices: Language in the appendices was modified for clarification.

The sample permits were replaced with a new sample permit and a sample alternate entry form.

**Proposed Amendments:** Rules in 436-009, 436-009-0035

**Last Date for Comment:** 8-29-14, Close of Business

**Summary:** The agency proposes to amend OAR 436-009, Oregon Medical Fee and Payment Rules. To make the rules that govern interim medical benefits consistent with ORS 656.247, as amended by House Bill 4104 (2014), these rules would:

- Exclude the non-compensable treatments listed under OAR 436-009-0010(12) from coverage as interim medical benefits;
- Remove references to limitations on the types of interim medical services that are payable - diagnostic services, medication to alleviate pain, and services intended to stabilize the claimed condition;
- Explain that a provider may submit a pre-authorization request to the health benefit plan prior to claim acceptance or denial;
- Continue to require that if the medical provider knows that the patient filed a work related claim, the medical provider may not collect any health benefit plan co-pay from the patient during the interim period;
- Require that, if the workers’ compensation insurer accepts the claim, the insurer must pay medical providers as required by the rules;
- Require that, if the workers’ compensation insurer accepts the claim, the health care provider, after receiving payment from the insurer, must reimburse the worker and the health benefit plan for any medical expenses, copayments, or deductibles, paid by the worker or the health benefit plan;
- Eliminate requirements for the health care provider to bill the workers’ compensation insurer for amounts not paid by the health insurer;
- Make clarifying changes to better align the rule with the statute (including statutory wording that was unaffected by HB4104), by specifying that interim medical benefits:
  - Apply only to initial claims for workers’ compensation benefits;
  - Are not due when the patient is enrolled in a managed care organization prior to claim acceptance or denial; and

— Are payable from the date of the employer's notice or knowledge of the claim to the date the insurer accepts or denies the claim.

**Summary:** The Department of Human Services (Department) is amending OAR 411-027 to make permanent temporary rule language that became effective on March 20, 2014 to allow the Department to pay the room and board costs for Medicaid eligible individuals who do not have sufficient income to meet their responsibilities described in OAR 411-027-0025 (3) and who do not qualify for the special needs payments.

411-027 is being amended to remove the definition of, and references to, "SPD", as the agency has been renamed "Aging and People with Disabilities (APD)". With this renaming, a new definition for APD was added to the rule. Removed the definition of "Waiver Services" as home and community based services described in this rule are no longer provided through the waiver and are now provided through the K-State Plan.

The definition of "Instrumental Activities of Daily Living (IADL)", "Central Office", "Individual" and "These rules" were added to provide clarity and the intent of these words as they occur in this rule.

Acronyms were added to the definitions to spell out the acronym into words for AAA, ADL, CA/PS, IADL and ICP.

The word "client" was replaced with the word "consumer", as individuals receiving Medicaid long care services are no longer referred to as clients. These individuals are now referred to as consumers.

The definition of "Natural Support" was expanded to refer to natural support providers as voluntary. This was done to meet the Center for Medicare and Medicaid Services (CMS) mandate for considering a natural support as a "voluntarily" unpaid service.

Minor wording changes were made to other existing definitions.

**Summary:** OAR 461-001-0000 about definitions in chapter 461 is being amended to make permanent temporary changes adopted on June 26, 2014 and July 1, 2014 which changed the definition of "parent" for JOBS Participation Incentive (JPI) to include two-parent working families. This rule is also being amended to remove references to "GA" (General Assistance) and "GAM" (General Assistance Medical) programs. These programs have not been funded or offered by DHS since September 30, 2005. This rule is being further amended to expand the definition of "OCCS Medical Programs".

OAR 461-101-0010 about program acronyms and overview is being amended to make permanent temporary changes adopted on June 26, 2014 and July 1, 2014 which changed the definition of "parent" for JOBS Participation Incentive (JPI) to include two-parent working families.

OAR 461-110-0370 about filing groups, OAR 461-155-0190 about income and payment standards, and OAR 461-160-0430 about income deductions are being amended to implement the annual increase in the standards for the SNAP Program.

OAR 461-125-0030 about determining deprivation of a child, OAR 461-125-0170 about deprivation based on unemployment or underemployment, and OAR 461-135-0075 about limitation on TANF eligibility period are being amended and OAR 461-125-0150 about determining primary wage earner is being repealed to remove unnecessary references to Primary Wage Earner (PWE). The TANF program treats both adults in a TANF household equally for both benefits and the JOBS Opportunity and Basic Skills (JOBS) program.

OAR 461-135-0405 about children eligible for the ERDC program who can receive child care under a contract between Head Start agency and the Department is being amended to make permanent a temporary change adopted on April 10, 2014 (effective April 1, 2014) to include children receiving TANF program benefits when determining eligibility for placement in a contracted slot with a Head Start agency for child care.

OAR 461-135-0407 about eligibility for contracted child care between Oregon Program of Quality (OPQ) providers and the Department is being amended to make permanent a temporary change adopted on May 1, 2014 that added eligibility for children

## NOTICES OF PROPOSED RULEMAKING

receiving TANF program benefits for placement in a contracted child care slot with an OPQ provider.

OAR 461-135-1260 about JOBS Participation Incentive (JPI) is being amended to make permanent temporary changes adopted on June 26, 2014 which added two-parent working families and set out when these families are eligible for the incentive.

OAR 461-145-0460 about the sale of a resource is being amended to change current policy regarding the treatment of the proceeds from the sale of a resource (other than a home) in the Oregon Supplemental Income Program Medical (OSIPM) and Qualified Medicare Beneficiary (QMB) programs. This amendment identifies situations when the proceeds (including principal and interest) for a sale originating on or after October 1, 2012 are counted as income, resource or excluded. This rule is also being amended to remove obsolete references to "GA" (General Assistance) and "GAM" (General Assistance Medical) programs. These programs have not been funded or offered by DHS since September 30, 2005.

OAR 461-155-0250 about income and payment standards in the Oregon Supplemental Income Program Medical (OSIPM) is being amended to make permanent a temporary change adopted July 1, 2014 that increased the allowance for clothing and personal incidentals for some individuals in nursing facilities or intermediate care facilities for the mentally retarded (ICF/MR) from \$30 to \$60. Additionally, the rule is also amended to adopt a payment standard for these individuals if their countable income (including any SSI) is less than \$60. The payment standard is the difference between the individual's countable income (including any SSI) and \$60.

OAR 461-160-0420 about shelter costs used for the shelter deduction in the SNAP program is being amended to make permanent a temporary rule adopted May 20, 2014 to comply with Section 4006 of The Agricultural Act of 2014, enacted February 7, 2014. This rule states that a filing group is eligible for an additional utility allowance to help with energy costs if they receive an energy assistance payment through the Low-Income Energy Assistance Act. The amount of the energy assistance payment had not been considered. To comply with federal law, the rule states that the assistance payment a filing group receives must be greater than \$20 to qualify for the additional utility allowance. This rule is also being amended to include the annual change in standard utility allowance. Each year Oregon surveys utility companies and the general public about increases in utility costs. The utility allowances are derived from these surveys and approved by the Food and Nutrition Service in the SNAP Program State Plan. There are four utility allowances. The full utility allowance (FUA) is for those households that have heating and cooling costs. The limited utility allowance (LUA) is for those households with more than one non-heating/cooling utility cost. The individual utility allowance (IUA) is for those households with a single non-heat cost. The single utility allowance (TUA) is for those households with only a telephone cost.

OAR 461-160-0620 about income deductions and client liability for long-term care or home and community-based care in the OSIPM program is being amended to make permanent a temporary change adopted July 1, 2014 that increased the deduction for personal needs for an individual receiving long-term care from \$30 to \$60. Additionally, the rule is being amended to remove obsolete references to "GA" (General Assistance) and "GAM" (General Assistance Medical) programs. These programs have not been funded or offered by DHS since September 30, 2005.

OAR 461-170-0011 about changes that must be reported is being amended to make permanent temporary changes adopted on June 26, 2014 which expanded those receiving JOBS Participation Incentive (JPI) to include families in the change reporting system (CRS). OAR 461-170-0011 is also being amended to remove references to "GA" (General Assistance) and "GAM" (General Assistance Medical) programs. These programs have not been funded or offered by DHS since September 30, 2005.

In addition, the above rules may also be changed to reflect new Department terminology, update statute and rule references, and to correct formatting and punctuation.

**Last Date for Comment:** 8-21-14, Close of Business  
**Summary:** These rules outline how a petitioner or police officer may request an in-person hearing and what occurs when a police officer is unable to attend a hearing. Recently these rules have been questioned. DMV determined that OAR 735-090-0020 was not clear regarding the ability of a petitioner to change a request for an in-person hearing after the initial time period outlined in rule. Therefore, DMV proposes to amend 735-090-0020 to specify when a request from a petitioner can be made or amended. DMV further proposes to amend 735-090-0042 to clarify when a police officer may amend a request for an in-person hearing to correspond with the amendments in 735-090-0020.

In 261OR App, A150353, Johnson vs. DMV, 3/26/14, the Oregon Court of Appeals determined that DMV had incorrectly interpreted official duty conflict when defining acceptable conflicts that prevent a law enforcement officer from appearing at an implied consent hearing. The case specifically involved the conflict of jury duty. In reviewing the court's opinion, DMV determined that, in some cases, other conflicts currently listed in administrative rule would be in conflict with the court's ruling as they do not specifically involve the police officer having a conflict caused by his or her duties as a police officer. Therefore, DMV proposes to amend OAR 735-090-0120 to clarify what constitutes official duty conflict. Hazardous or impeding travel conditions and service in the military have been removed since they are not related to the duties of a police officer.

**Summary:** Clarification: If production of a group's plate (issued under 805.205) is discontinued, in order to restart production the group must reapply as a *new group* [emphasis added] and pay all required fees. DMV has interpreted its statutes and rules to mean:

That once a group becomes inactive, it is required to apply as a new group. This includes: 1) Meeting the general qualifications under ORS 805.205 and DMV rules for a group to be eligible for group plates; and 2) Paying the department an application fee of \$10,000 and all of the department's anticipated costs as required under ORS 805.206.

**Proposed Amendments:** 740-010-0010  
**Last Date for Comment:** 8-21-14, Close of Business  
**Summary:** These rules describe the role of agency representation in a contested case hearing. The Attorney General is authorized to consent to lay representation in a particular hearing or particular classes of hearings in accordance with ORS 183.452. The Attorney General has approved Oregon Department of Transportation, Motor Carrier Transportation Division lay representation for the following types of contested case hearings: assessment of civil monetary penalties for violations of ORS 818, 823, 825, 826 or related rules, suspension or cancellation of motor carrier operating authority, cancellation of registration or tax identification plates issued to motor carriers or farmers, surety bond increase, tariff docket, and reassessment of cases involving weight-mile tax, commercial or prorated registration fees, road use assessment fees or fuels taxes pursuant to ORS 818, 825, and 825 or related rules. The proposed amendment rectifies the exclusion of the reference to ORS Chapter 818 Vehicle Limits. In addition, the rulemaking adds the reference to the road use assessment fees to the cases for reassessment that was excluded from the rule.

**Summary:** These rules govern the transportation of intrastate household goods. The proposed amendment increases the revenue generated from an independent tariff from \$250,000 to \$500,000. Respondents for general rate increases are specified as all carriers who are members of Oregon tariff bureaus or who publish individual tariffs that generate more than \$250,000 annually. The increase is necessary to align revenues generated from collective rate tariffs and independent tariffs at consistent aggregated amounts.

**Summary:** These rules describe the records, reports, accounting, fees, taxes and penalties requirements for Weight-Mile Tax. United States Postal Service (USPS) postmarks are not required for mailings bearing a permit, meter, or pre-canceled stamp for postage; however, the USPS offers a manual postmark at the counter. The postmark or cancellation mark is used by the Department to determine if the report or fee is late. The proposed new rule provides a method to determine a report date when the report is mailed through USPS and the cancellation mark is absent or unreadable. The proposed new rule allows for the Department to apply a five day grace period to the receive date of the reports or fees mailed through the USPS.

**Summary:** The proposed rulemaking supports the development of automated electronic systems operated by motor carrier agents that accurately and reliably transmit, process, and stores operating data from motor vehicles and which allows the generation of tax reports and the transmission of taxes, fees for the use of highways under Oregon Highway Use Tax. The new rules specify the procedures and requirements for the motor carrier agents that will operate the automated electronic systems and provides the framework for motor carriers that voluntarily subscribes to electronic truck tracking reports to pay their taxes to Oregon. In addition, the new rules promote the development and use of the latest technologies to improve the operating efficiencies of the state and trucking industries in Oregon.

**Summary:** These rules describe the adoption of the International Fuels Tax Agreement (IFTA) Articles of Agreement, the IFTA Audit Manual and the IFTA Procedures. IFTA is applicable to Oregon-based motor carriers who participate in IFTA as a way to report and pay fuel tax to other jurisdictions. Oregon acts as an intermediary between Oregon-based motor carriers and 57 distinct taxing authorities in the US and Canada. The proposed rulemaking is needed to specify a time period of four years to file an amendment or to conduct an audit. While the record retention period is clearly 4 years in the IFTA agreement, there is no statute of limitations specified. The new language enunciates four (4) years as the statute of limitations.

To align with the current statute, the proposed rulemaking removes the penalty of \$150.00 for failure to appear at a hearing.

**Summary:** The Higher Education Coordinating Commission (commission) is proposing to adopt new fees and increase some existing fees to recover costs associated with oversight of private career schools and providing services to licensees, career school faculty, and former students. The proposed rule would raise the fee for conducting a search of a closed career school's transcripts and, if any are found, providing copies to former students from \$10 to \$12, and processing teacher registrations from \$0 for non-cosmetology school teachers, and from \$50 for an initial registration and \$25 for a renewal for cosmetology school teachers, to \$75.

The proposed rule would establish a new fee of \$25 for verifying a teacher's registration, training, or experience; \$7 for processing teacher-trainee registrations; \$25 for responding to requests to determine whether an out-of-state cosmetology license applicant is qualified to take a cosmetology license exam; \$100 for processing career school license renewal applications or semi-annual Tuition Protection Fund payments submitted after the applicable due date; and \$200 for conducting an investigation of a career school when the commission determines that the school has violated any provision of ORS 345.010 to 345.450 or any rule adopted pursuant to ORS 345.010 to 345.450. The proposed rule would also establish a new fee, not to exceed \$5,000, to recover the costs of engaging an individual or business for assistance in conducting an investigation of a career school.

**Summary:** The Higher Education Coordinating Commission (commission) is proposing to establish new student data reporting requirements for licensed career schools. These new requirements will increase the amount of student data that career schools collect and report to the commission as part of each school's annual license renewal application. Oregon's educational goal is to ensure that by 2025 40% of Oregonians have a bachelor's degree or higher, 40% have an associate's degree or post-secondary credential, and 20% have a high school diploma. ORS 351.009. To determine the number of students being served by Oregon's licensed career schools, the number of graduates those schools are contributing to the state's so-called "middle 40 goal," and the demographics of those students, the commission must increase and improve its career school student data collection efforts. The increased data collection will also allow the state to better track students as they progress from secondary to post-secondary schools, and from postsecondary school to employment.

The proposed rule includes general provisions for protecting student data.

To reduce the regulatory burden on career schools, the proposed rule eliminates a document previously required as part of each school's enrollment process. All of the information printed on that document, aside from a statement informing students that their enrollment agreements were binding contracts, was also printed on the enrollment agreement and in the school catalog. The binding contract statement has been added to the enrollment agreement.

**Summary:** In 2013, the legislative assembly amended ORS 345.005 to allow the Higher Education Coordinating Commission (commission) to retain reasonable costs related to the investigation and assessment of a civil penalty from the penalties assessed. ORS 345.995 also established factors the commission must consider when determining whether to assess a civil penalty and the amount of that penalty.

The proposed amendments will implement the provisions of ORS 345.995 which allow the commission to retain costs resulting from an investigation that leads to the assessment of civil penalties. The proposed amendments will also eliminate the tiered civil penalty structure from OAR 715-045-0190, and instead rely upon the factors listed in ORS 345.995 when assessing a civil penalty. The proposed amendments also clarify that the commission will assess civil penalties for violations of administrative rules adopted pursuant to ORS 345.010 to 345.450, as provided in ORS 345.992.

**Summary:** Corrects references in OAR 715-045-0012 and clarifies language in OAR 715-045-0012 and 715-045-0200.

Transfers requirements for obtaining a cosmetology teacher registration and cosmetology school teacher training program requirements from OAR 715-045-0200 to 715-045-0012. Eliminates requirement that cosmetology school teachers obtain 30 hours of commission-approved continuing education units every three years. Transfers competency-based cosmetology school requirements from OAR 715-045-0200 and places them into a new rule, OAR 715-045-0220.

Amends career school teacher provisions of OAR 715-045-0012 to create a unified scheme for overseeing and registering individuals teaching in licensed career schools. Establishes that registrations issued to career school teachers will expire after three years and must be renewed.

Directs career schools to provide notice to the commission if the school has employed a substitute teacher within 14 days of hiring the substitute teacher.

**Summary:** The Oregon Health Authority is proposing to adopt permanent rules for the Medical Marijuana Dispensary Program to comply with SB 1531 (Oregon Laws 2014, chapter 79). The bill had an emergency clause and was effective March 19, 2014. The bill authorizes local governments to impose time and manner of operation regulations on medical marijuana facilities. While local governments create these regulations, they may impose a moratorium on facilities within their jurisdiction until May 1, 2015. In addition the bill requires all marijuana dispensed to be in child-resistant containers (as defined by rule) and no product may be dispensed if it is manufactured to appeal to children (as defined by rule).

These rules implement requirements in SB 1531 related to packaging and manufacturing of usable marijuana, and local government moratoria of dispensaries. These rules define the process by which local governmental jurisdictions may impose a moratorium on facilities located within their jurisdiction; define the type of packaging (child-resistant) that a facility must use when dispensing medical marijuana; and define the type of product that a facility may dispense. The products may not be manufactured or dispensed in a manner that is attractive to minors.

## Oregon Public Employees Retirement System Chapter 459

**Rule Caption:** Eliminate allocation of partial employer payments based on receivable due date or pre-set priority list.

**Stats. Implemented:** ORS 238A.050 & 238.705  
**Proposed Amendments:** 459-070-0110  
**Last Date for Comment:** 9-5-14, 5 p.m.

**Summary:** The employer payment remittance process is being revised. Programming for the new employer contribution allocation procedure is being implemented in August 2014 to require that all employer contributions be designated and assigned to specific programs (i.e. employer contributions to their pension reserve accounts, to the PERS Health Insurance Program, or member contributions to the IAP). The rule's priority allocation structure, therefore, will become obsolete.

Sections (4) and (5) of the rule are to be removed because contributions made by the employers under the new programming will be clearly designated or identified as to specific programs and allocated as such. PERS will no longer co-mingle employer contributions and allocate them to receivables in the order of receivables' due dates or a pre-set priority list.

**Subject:** Temporarily amends Oregon Administrative Rule 161, Division 10, Rule 0010, regarding Appraisers Credentials, Application Components, Renewal Procedures and Disciplinary Action disclosure; Rule 0025, regarding Requirements for Acceptable Appraisal Experience; Rule 0035, regarding Prerequisite Experience and Education Requirements for State Certified General Appraisers; Rule 0045, regarding Prerequisite Experience and Education Requirements for State Certified Residential Appraisers; Rule 0065, regarding Prerequisite Experience and Education Requirements for State Licensed Appraisers; Rule 0085, regarding Prerequisite Experience and Education for Supervising Appraisers; Division 15, Rule 0000, regarding Application and Examination Process.

**Rules Coordinator:** Gae Lynne Cooper—(503) 485-2555

### 161-010-0010

#### Appraisers Credentials in Oregon, Application Components, Renewal Procedures, and Disciplinary Actions Disclosure

(1) There are three categories of appraisers in Oregon; state licensed appraiser, state certified residential appraiser, and state certified general appraiser.

(2) Unlicensed/Uncertified individuals may assist in the preparation of an appraisal, but are not allowed to sign the appraisal report.

(3) The application process has three components: Education, Experience and Examination. The education and examination components may be completed prior to approval of the applicant's appraisal experience. Appraisers in Oregon must demonstrate competency by meeting prerequisite qualifying or continuing education, experience and examination requirements established by the Board, in accordance with Appraisal Subcommittee Policy Statement. On all initial and upgrade applications for credentialing, the Board must:

- (a) use a reliable means of approving appraiser experience;
- (b) select the work product to be analyzed for USPAP compliance;
- (c) analyze a representative sample of the applicant's work product;
- (d) exercise due diligence to determine whether submitted documents of work product or experience demonstrates compliance with USPAP.

(4) All licenses and certificates are subject to renewal every two years on or before the last day of the license or certificate holder's birth month.

(a) Each license or certificate may be renewed upon receipt of the renewal fee specified in OAR 161-003-0020, a complete renewal application that includes a current, recognizable, passport style color photograph of the applicant (taken within 30 days preceding receipt of the application), evidence of the completion of continuing education requirements as provided in 161-020-0150, and the fee. The completed application, fee, and evidence of continuing education requirements must be received in the Board office on or before the expiration date of the license to be considered timely. If the expiration date falls on a weekend or legal holiday, the renewal application must be received no later than 5:00 p.m. on the next business day following the date of expiration.

(b) Renewal applications received after the expiration date and within one (1) year of the date of expiration shall be assessed a late fee in addition to the renewal fee. It is unlawful for any appraiser to engage in, carry on, advertise or purport to engage in or carry on real estate appraisal activity within this state after a license or certificate has expired and prior to properly renewing the expired license or certificate.

(c) If an appraiser fails to renew their license or certificate within one year from the date of expiration, the status of the license or certificate becomes terminated and they must reapply pursuant to OAR 161-010-0020 through 161-010-0065.

(d) Licensees on active duty with the United States Armed Forces at the time of renewal may, upon written request to the Board, be provided a military deferral allowing for their otherwise complete application to be considered timely, if received by the Board within 180 days of release from active duty.

(5) Each licensee shall notify the Administrator within thirty (30) days of any disciplinary action imposed in any other state in which the person holds a license or certificate.

#### Requirements for Acceptable Appraisal Experience

The applicant shall present evidence of satisfactory completion of acceptable appraisal experience. An hour of experience is defined as verifiable time spent performing tasks in accordance with acceptable appraisal experience, as defined in OAR 161-010-0020, and does not include travel time. Education cannot be substituted for experience. Acceptable appraisal experience must meet the following criteria:

(1) Review appraisals shall be awarded experience credit when the appraiser performs review(s) in accordance with USPAP.

(2) An appraiser who signs a real property appraisal report prepared by another, even under the label of "review appraiser", must accept full responsibility for the contents of the report. This will appropriately be considered as appraisal experience.

(3) Maximum allowable experience hours

### Pre-Requirement Experience and Education for Supervising Appraiser

Any licensee wishing to supervise a new appraiser assistant, must first apply for and receive a Supervising Appraiser Endorsement.

(1) In order to receive a Supervising Appraiser Endorsement, the applicant must:

(a) Be certified for a minimum of 24 months, be in good standing, and not be otherwise prohibited from supervising appraiser assistants.

(b) Attend a Board approved Supervising Appraiser/Appraiser Assistant Training Course and successfully pass the final exam prior to making application. A prior Supervising Appraiser/Appraiser Assistant Training Course and exam completed for purposes of registering as an appraiser assistant will not count towards obtaining a Supervising Appraiser Endorsement.

(c) Submit a completed Supervising Appraiser Endorsement application that includes the following:

(A) Non-refundable application fee as described on the application form; and

(B) Supervising Appraiser/Appraiser Assistant Training Course completion certificate.

(d) Successfully pass a Board analysis of appraisal work product to verify USPAP compliance.

(2) Upon application approval, the Board will issue the applicant a Supervising Appraiser Endorsement that authorizes the applicant to act as a Supervising Appraiser pursuant to OAR 161-025-0025. The endorsement is valid from the date of issuance.

(3) Any applicant may submit a written request to withdraw their application at any time prior to an official action being taken by the Board.

(4) A Supervising Appraiser Endorsement may be suspended or revoked if the Board determines that the applicant has failed to directly supervise an Appraiser Assistant as required by OAR 161-025-0025.

### Application Process

(1) The application process contains three components: Education, Experience and Examination. The Education and Examination components may be completed prior to validation of the applicant's appraisal experience.

(2) Appraisers in Oregon must demonstrate competency by meeting prerequisite and continuing education, experience and examination requirements established by the Board in accordance with Appraisal Subcommittee Policy Statement. On all initial and upgrade applications for credentialing, the Board must:

(a) Use a reliable means of validating appraiser experience;

(b) Select the work product to be analyzed for USPAP compliance;

(c) Analyze a representative sample of the applicant's work product; and

(d) Exercise due diligence in determining whether submitted documentation of work product or experience demonstrates compliance with USPAP.

(3) Any person desiring to take an appraiser examination, must submit a completed pre-printed application evidencing completion of the required qualifying education and experience. Applicants must submit:

(a) List of qualifying education courses by date, course provider, and classroom hours;

(b) Documentation of course completion in the form of official college transcripts, signed letters, or signed certificates of completion. Course outlines or other items may be requested to verify the prerequisite education; and

(c) A pre-printed experience log outlining at least 20 months of verified experience. Log must contain which detailed hours of appraisal experience claimed for credit. Such hours must meet the requirements of OAR 161-010-0035, 161-010-0045, or 161-010-0065 as applicable. Remaining experience must be submitted before December 31, 2014, and before credential will be issued.

(4) The applicant may be required to submit an affidavit from an employer to verify experience claimed.

(5) In compliance with Appraisal Subcommittee Policy Statement, the Board will select a sample of the work product from the applicant's experience log, notify the applicant in writing, and request copies of the sample(s) report and corresponding workfile. The applicant must submit true copies of all documents written reports requested in the Board's notice or file memoranda claimed on the experience log.

# ADMINISTRATIVE RULES

## 851-050-0005

### Nurse Practitioner Scope of Practice

- (1) Purpose of Scope of Practice:
  - (a) To establish acceptable levels of safe practice for the nurse practitioner.
  - (b) To serve as a guide for the Board to evaluate nurse practitioner practice.
  - (c) To distinguish the scope of practice of the nurse practitioner from that of the registered nurse.
- (2) The role of the nurse practitioner will continue to expand in response to societal demand and new knowledge gained through research, education, and experience.
- (3) The nurse practitioner provides holistic health care to individuals, families, and groups across the life span in a variety of settings, including hospitals, long term care facilities and community based settings.
- (4) Within his or her specialty, the nurse practitioner is responsible for managing health problems encountered by the client and is accountable for health outcomes. This process includes:
  - (a) Assessment;
  - (b) Diagnosis;
  - (c) Development of a plan;
  - (d) Intervention;
  - (e) Evaluation.
- (5) The nurse practitioner is independently responsible and accountable for the continuous and comprehensive management of a broad range of health care, which may include:
  - (a) Promotion and maintenance of health;
  - (b) Prevention of illness and disability;
  - (c) Assessment of clients, synthesis and analysis of data and application of nursing principles and therapeutic modalities;
  - (d) Management of health care during acute and chronic phases of illness;
  - (e) Admission of his/her clients to hospitals and/or health services including but not limited to home health, hospice, long term care and drug and alcohol treatment;
  - (f) Counseling;
  - (g) Consultation and/or collaboration with other health care providers and community resources;
  - (h) Referral to other health care providers and community resources;
  - (i) Management and coordination of care;
  - (j) Use of research skills;
  - (k) Diagnosis of health/illness status;
  - (l) Prescribing, dispensing, and administration of therapeutic devices and measures, including legend drugs and controlled substances as provided in Division 56 of the Oregon Nurse Practice Act, consistent with the definition of the practitioner's specialty category and scope of practice.
- (6) The nurse practitioner scope of practice includes teaching the theory and practice of advanced practice nursing.
- (7) The nurse practitioner is responsible for recognizing limits of knowledge and experience, and for resolving situations beyond his/her nurse practitioner expertise by consulting with or referring clients to other health care providers.
- (8) The nurse practitioner will only provide health care services within the nurse practitioner's scope of practice for which he/she is educationally prepared and for which competency has been established and maintained. Educational preparation includes academic coursework, workshops or seminars, provided both theory and clinical experience are included.
- (9) The scope of practice as previously defined is incorporated into the following specialty categories and further delineates the population served:
  - (a) Acute Care Nurse Practitioner (ACNP) — The Acute Care Nurse Practitioner independently provides health care to persons who are acutely or critically ill. The Acute Care Nurse Practitioner scope may be further differentiated by care of populations newborn to young adulthood, or adults to older adults. National certification exams for ACNPs are scheduled for retirement in 2014. Licensees currently holding this title will need to maintain their current state and national certification to continue recognition of this designation;
  - (b) Adult Nurse Practitioner (ANP) The Adult Nurse Practitioner independently provides health care to adolescents and adults. The Adult Nurse Practitioner scope may be further differentiated by additional competencies in care of older adults. National certification exams for ANPs are scheduled for retirement in 2014. Licensees currently holding this title will need to maintain their current state and national certification to continue recognition of this designation;

(c) Adult — Gerontology Acute Care Nurse Practitioner (AGACNP), independently cares for adolescents to older adults that are acutely or critically ill;

(d) Adult-Gerontology Primary Care Nurse Practitioner (AGPCNP) independently provides comprehensive primary health care for adolescents to the older adults;

(e) Nurse Midwife Nurse Practitioner (NMNP) The Nurse Midwife Nurse Practitioner independently provides health care to women, focusing on pregnancy, childbirth, the postpartum period, care of the newborn, and the family planning and gynecological needs of women. The scope of practice includes treating the male partners of their female clients for sexually transmitted diseases, and reproductive health. Counseling related to sexuality, relationship, and reproductive issues is included in this scope;

(f) Family Nurse Practitioner (FNP) The Family Nurse Practitioner independently provides health care to families and to persons across the lifespan;

(g) Geriatric Nurse Practitioner (GNP) The Geriatric Nurse Practitioner independently provides health care to older adults. National certification exams for GNPs are scheduled for retirement in 2014. Licensees currently holding this title will need to maintain their current state and national certification to continue recognition of this designation;

(h) Neonatal Nurse Practitioner (NNP) — The Neonatal Nurse Practitioner independently provides health care to neonates and infants;

(i) Pediatric Nurse Practitioner (PNP) The Pediatric Nurse Practitioner independently provides health care to persons newborn to young adulthood; In 2013 the national certification examination changed this title to Pediatric Primary Care Nurse Practitioner (PPCNP) to more accurately reflect the focus of comprehensive pediatric primary care. All previous PNPs licensees will transition to title of PPCNP with renewal;

(j) Acute Care Pediatric Nurse Practitioner (ACPNP) independently cares for newborns to young adults that are acutely or critically ill;

(k) Psychiatric/Mental Health Nurse Practitioner (PMHNP) The Psychiatric/Mental Health Nurse Practitioner independently provides health care to clients with mental and emotional needs and/or disorders. The Psychiatric/Mental Health Nurse Practitioner scope may be further differentiated by care of populations newborn to young adulthood, adolescent to adult, or across the lifespan;

(l) Women's Health Care Nurse Practitioner (WHCNP) The Women's Health Care Nurse Practitioner independently provides health care to adolescent and adult females. The scope of practice includes treating the male partners of their female clients for sexually transmitted diseases and reproductive health. Counseling related to sexuality, relationship, and reproductive health is included in this scope.

(C) Complete the training and competency examination as provided in OAR 851-062-0050(1).

(g) Nursing assistant training outside of the United States. Complete training and competency examination as provided in OAR 851-062-0050(1).

(h) Endorsement:

(A) Provide documentation of successful completion of a nursing assistant training program that met OBRA standards.

(i) Certificate of completion meeting the standards set in OAR 851-061-0100(3)(a)-(i); or

(ii) Letter from facility where training was completed, on letterhead, indicating the date that program was completed and the number of classroom and clinical hours; or

(iii) Information from the appropriate state agency attesting to program completion.

(B) Supply evidence of at least 400 hours of paid employment within CNA 1 authorized duties under the supervision of a nurse in another state

# ADMINISTRATIVE RULES

where the individual held current certification in the two years immediately preceding application for endorsement. A CNA who has graduated from a nursing assistant training program within the previous two years has satisfied this requirement.

(C) Submit verification of current certification by the state agency in which CNA certification is held.

(D) An individual who cannot satisfy these requirements may be eligible for CNA 1 certification by training and competency examination as provided in OAR 851-062-0050(1).

(2) CNA Testing Eligibility:

(a) An applicant who has completed a nursing assistant training program in Oregon or another of the United States, that met OBRA standards shall be eligible for examination for two years from the date of completion of the nursing assistant training program.

(b) An applicant who is eligible for the competency examination as provided in OAR 851-062-0050(1)(b)(c)(f) shall be eligible for examination for two years from the date of application.

(c) A completed application shall be valid for the period of eligibility to test.

(d) An incomplete application becomes void in one year.

(e) An applicant who fails to pass the competency examination within two years of eligibility and within three attempts shall not be eligible to reapply for the examination except that the applicant may regain eligibility enrolling in and successfully completing a Board-approved nursing assistant program.

(f) If a candidate decides to not complete the examination after receiving the knowledge test booklet or the skill test instructions, the attempt will be scored as a failure.

(3) CNA 2 certification may be obtained in one of the following ways:

(a) Training and Competency Examination:

(A) Obtain CNA 1 certification;

(B) Complete an approved CNA 2 training program; and

(C) Pass the corresponding competency evaluation.

(b) RN or LPN licensure:

(A) Hold a current unencumbered RN or LPN license in any U.S. state or jurisdiction.

(B) Provide verification of current unencumbered licensure.

(C) A nurse in any U.S. state or jurisdiction who has an unencumbered license may be considered on an individual basis.

(c) Enrollment in an approved nursing education program in the United States:

(A) Provide verification of enrollment in an approved nursing program; and

(B) Complete required course work equivalent to a Board-approved CNA 2 training program documented by:

(i) An official transcript from the nursing program; and

(ii) Written verification of completion of equivalent coursework from the nursing program director or dean.

(3) For conduct constituting a crime and resulting in automatic revocation to the Department of Corrections, pursuant to ORS 144.345(2), an offender may serve further incarceration of up to 180 days.

(4) Notwithstanding subsections (1)–(2) of this rule, offenders sentenced to life imprisonment for murder whose parole has been revoked may serve further incarceration to the sentence expiration date. Offenders sentenced to life imprisonment for aggravated murder whose parole has been revoked may serve further incarceration to the sentence expiration date.

(5) Pursuant to OAR 253-005-0004(2) (9/1/89), an offender sentenced to lifetime post-prison supervision for murder committed on or after November 1, 1989 but before July 14, 1997, may serve further incarceration of up to 90 days for each technical violation, or 180 days for a criminal violation, without a limit on the total revocation days.

(6) Notwithstanding subsections (1)–(2) of this rule, offenders sentenced as dangerous offenders for crimes committed on or after November 1, 1989 may serve repeated incarcerations of 180 days or more up to the sentence expiration date for any supervision violation.

(7) Offenders sentenced as sexually violent dangerous offenders pursuant to ORS 137.765 for crimes committed on or after October 23, 1999, may serve repeated incarcerations of 180 days or more for any violation of post-prison supervision unless or until the post-prison supervision is terminated by a court. The Board may impose only a single sanction for all violations known as of the date of the sanction.

(8)(a) The commencement date for the further term of incarceration as a result of the violation of conditions shall be the date of arrest or return to Oregon custody if arrested out of state for the violation which resulted in the revocation of parole or post-prison supervision.

(b) The commencement date for the further term of incarceration as a result of termination of parole or post-prison supervision under ORS 144.345(2) (“autorevoke”) shall be the sentencing date, if no further action is taken by the Board.

(c) If the jailer, hearings officer, or Board releases the offender from custody pending the violation hearing, the time spent outside actual custody does not count toward the further term of incarceration.

(9) The Board and the Department of Corrections may develop other programs that create exceptions to the sanctions provided in this rule.

(10) Notwithstanding subsections (1)–(7) of this rule, the Board may choose to postpone re-release on parole pursuant to divisions 50 and 60 of this chapter.

(11) Notwithstanding subsections (1)–(8) of this rule, the Board may choose to deny re-release on parole pursuant to OAR 255-075-0096.

(12) Administrative sanctions do not count toward the revocation sanction limits.

## Board of Pharmacy Chapter 855

**Rule Caption:** Amends rules in Division 019 and Division 080 relating to FPGEC and Controlled Substances.

**Adm. Order No.:** BP 7-2014

**Filed with Sec. of State:** 6-18-2014

# ADMINISTRATIVE RULES

**Certified to be Effective:** 6-18-14

**Notice Publication Date:** 4-1-2014

**Rules Amended:** 855-019-0150, 855-080-0021

**Subject:** Foreign Pharmacy Graduate rules are permanently amended to remove the minimum score requirements for the Test of English as a Foreign Language (TOEFL) and Internet Based Test (iBT). The amendments require Foreign Pharmacy Graduates applying

for licensure in Oregon to provide the original Foreign Pharmacy Graduate Equivalency Certificate (FPGEC) issued by the National Association of Boards of Pharmacy, Foreign Pharmacy Examination Committee. Note: TOEFL and iBT are required for FPGEC Certification.

This filing also permanently reestablishes as Schedule I items, gamma-butyrolactone and other cannabinoid receptor agonists that are not listed in OARs 855-080-0022 through 0026 (Schedule II through V) or that are not an FDA approved drug. In addition, certain exceptions are reestablished as well as Schedule I compounds in structural classes 2a-2k and their salts. These Schedule I items are being reestablished as a result of administrative errors.

**Rules Coordinator:** Karen MacLean—(971) 673-0001

## 855-019-0150

### Foreign Pharmacy Graduates

(1) Foreign Pharmacy Graduates applying for licensure in Oregon must meet the following requirements:

(a) Provide a copy of a valid visa permitting full time employment;

(b) Provide the original certificate issued by the NABP Foreign Pharmacy Graduate Examination Committee (FPGEC); and

(c) Pass the North American Pharmacist Licensure Examination (NAPLEX) exam with a score of not less than 75. A candidate who does not attain this score may retake the exam after a minimum of 91 days. This score shall only be valid for one year unless the Board grants an extension;

(d) After having completed the required number of intern hours, pass the MPJE with a score of not less than 75. A candidate who does not attain this score may retake the exam after a minimum of 30 days. The MPJE score shall only be valid for 6 months unless extended by the Board.

(2) An applicant must complete 1440 hours in pharmacy practice as an intern that must be certified to the Board by the preceptors.

(3) An applicant may not count internship hours or practice as a pharmacist completed outside the United States toward Oregon's internship requirement.

(4) An applicant may not count internship hours or practice as a pharmacist that is completed before passing the Foreign Pharmacy Graduate Equivalency Examination (FPGEE), and either the TOEFL with TSE, or TOEFL (IBT) exams toward Oregon's internship requirement.

(5) The Board may waive any requirement of this rule if a waiver will further public health or safety. A waiver granted under this section shall only be effective when it is issued in writing.

## 855-080-0021

### Schedule I

(1) Schedule I consists of the drugs and other substances, by whatever official, common, usual, chemical, or brand name designated, listed in 21CFR part 1308.11, and unless specifically excepted or unless listed in another schedule, any quantity of the following substances, including their isomers, esters, ethers, salts, and salts of isomers, esters, and ethers, whenever the existence of such isomers, esters, ethers, and salts is possible within the specific chemical designation:

(a) 1,4-butanediol;

(b) gamma-butyrolactone

(c) Methamphetamine, except as listed in OAR 855-080-0022;

(d) Substituted derivatives of cathinone and methcathinone that are not listed in OARs 855-080-0022 through 0026 (Schedules II through V) or are not FDA approved drugs, including but not limited to,

(A) Methylnmethcathinone (Mephedrone);

(B) Methylenedioxypropylvalerone (MDPV);

(C) Methylenedioxyethylcathinone (Methylone);

(D) 2-Methylamino-3',4'-(methylenedioxy)-butyrophenone

(Butylone);

(E) Fluoromethcathinone (Flephedrone);

(F) 4-Methoxymethcathinone (Methedrone).

(2) Schedule I also includes any compounds in the following structural classes (2a–2k) and their salts, that are not FDA approved drugs, unless specifically excepted or when in the possession of an FDA registered manufacturer or a registered research facility, or a person for the purpose of sale to an FDA registered manufacturer or a registered research facility:

(a) Naphthoylindoles: Any compound containing a 3-(1-naphthoyl)indole structure with substitution at the nitrogen atom of the indole ring whether or not further substituted in the indole ring to any extent and whether or not substituted in the naphthyl ring to any extent. Examples of this structural class include but are not limited to: JWH-015, JWH-018, JWH-019, JWH-073, JWH-081, JWH-122, JWH-200, JWH-210, AM-1220, MAM-2201 and AM-2201;

(b) Phenylacetylindoles: Any compound containing a 3-phenylacetylindole structure with substitution at the nitrogen atom of the indole ring whether or not further substituted in the indole ring to any extent, whether or not substituted in the phenyl ring to any extent. Examples of this structural class include but are not limited to: JWH-167, JWH-201, JWH-203, JWH-250, JWH-251, JWH-302 and RCS-8;

(c) Benzoylindoles: Any compound containing a 3-(benzoyl)indole structure with substitution at the nitrogen atom of the indole ring whether or not further substituted in the indole ring to any extent and whether or not substituted in the phenyl ring to any extent. Examples of this structural class include but are not limited to: RCS-4, AM-694, AM-1241, and AM-2233;

(d) Cyclohexylphenols: Any compound containing a 2-(3-hydroxycyclohexyl)phenol structure with substitution at the 5-position of the phenolic ring whether or not substituted in the cyclohexyl ring to any extent. Examples of this structural class include but are not limited to: CP 47,497 and its C8 homologue (cannabicyclohexanol);

(e) Naphthylmethylindoles: Any compound containing a 1H-indol-3-yl-(1-naphthyl)methane structure with substitution at the nitrogen atom of the indole ring whether or not further substituted in the indole ring to any extent and whether or not substituted in the naphthyl ring to any extent;

(f) Naphthoylpyrroles: Any compound containing a 3-(1-naphthoyl)pyrrole structure with substitution at the nitrogen atom of the pyrrole ring whether or not further substituted in the pyrrole ring to any extent and whether or not substituted in the naphthyl ring to any extent;

(g) Naphthylmethylindenes: Any compound containing a 1-(1-naphthylmethyl)indene structure with substitution at the 3-position of the indene ring whether or not further substituted in the indene ring to any extent and whether or not substituted in the naphthyl ring to any extent;

(h) Cyclopropanoylindoles: Any compound containing a 3-(cyclopropylmethanoyl)indole structure with substitution at the nitrogen atom of the indole ring, whether or not further substituted in the indole ring to any extent and whether or not substituted in the cyclopropyl ring to any extent. Examples of this structural class include but are not limited to: UR-144, XLR-11 and A-796,260;

(i) Adamantoylindoles: Any compound containing a 3-(1-adamantoyl)indole structure with substitution at the nitrogen atom of the indole ring, whether or not further substituted in the indole ring to any extent and whether or not substituted in the adamantyl ring to any extent. Examples of this structural class include but are not limited to: AM-1248 and

AB-001;

(j) Adamantylindolecarboxamides: Any compound containing an N-adamantyl-1-indole-3-carboxamide with substitution at the nitrogen atom of the indole ring, whether or not further substituted in the indole ring to any extent and whether or not substituted in the adamantyl ring to any extent. Examples of this structural class include but are not limited to: STS-135 and 2NE1; and

(k) Adamantylindazolecarboxamides: Any compound containing an N-adamantyl-1-indazole-3-carboxamide with substitution at the nitrogen atom of the indazole ring, whether or not further

substituted in the indazole ring to any extent and whether or not substituted in the adamantyl ring to any extent. Examples of this structural class include but are not limited to: AKB48.

(3) Schedule I also includes any other cannabinoid receptor agonist that is not listed in OARs 855-080-0022 through 0026 (Schedules II through V) or is not an FDA approved drug.

(4) Exceptions. The following are exceptions to subsection (1) of this rule:

(a) 1, 4-butanediol and gamma-butyrolactone when in the possession of a person for the purpose of its sale to a legitimate manufacturer of industrial products and the person is in compliance with the Drug Enforcement Administration requirements for List I Chemicals;

# ADMINISTRATIVE RULES

(b) 1,4-butanediol and gamma-butyrolactone when in the possession of a person for the purpose of the legitimate manufacture of industrial products;

(c) Marijuana and delta-9-tetrahydrocannabinol (THC).

## Bureau of Labor and Industries Chapter 839

**Rule Caption:** Amending rules to implement newly enacted legislation on source of income in housing discrimination.

**Adm. Order No.:** BLI 9-2014

**Filed with Sec. of State:** 7-3-2014

**Certified to be Effective:** 7-3-14

**Notice Publication Date:** 6-1-2014

**Rules Amended:** 839-005-0205

**Subject:** Amendments would add language based on newly enacted legislation to specify that prohibited discrimination in housing based on source of income includes discrimination based on income from federal rent subsidy payments under 42 U.S.C. 1437f, and any other local, state, or federal housing assistance. Amendments also clarify situations in which a person may refuse to sell, lease or rent any real property to a purchaser.

**Rules Coordinator:** Marcia Ohlemiller—(971) 673-0784

### 839-005-0205

#### Prohibited Discrimination

(1) A person may not, because of race, color, religion, sex, sexual orientation, national origin, marital status, disability, familial status, source of income and other classes protected under Oregon statutes of any individual:

(a) Refuse to sell, lease or rent any real property to a purchaser except that a person may refuse to lease or rent real property to a prospective renter or prospective lessee:

(A) Based upon the past conduct of a prospective renter or prospective lessee provided the refusal to lease or rent based on past conduct is consistent with local, state and federal law, including but not limited to fair housing laws; or

(B) Based upon the prospective renter's or prospective lessee's inability to pay rent, taking into account the value of the prospective renter's or prospective lessee's local, state and federal housing assistance, provided the refusal to lease or rent based on inability to pay rent is consistent with local, state and federal law, including but not limited to fair housing laws.

(b) Expel a purchaser from any real property;

(c) Make any distinction, discrimination or restriction against a purchaser in price, terms, conditions or privileges relating to the sale, rental, lease or occupancy of real property or in the furnishing of any facilities or services in connection with real property;

(d) Attempt to discourage the sale, rental, lease or occupancy of any real property to a purchaser;

(e) Publish, circulate, issue or display or cause to be published, circulated, issued or displayed, any communication, notice, advertisement, or sign of any kind whether oral, written or electronic, relating to the sale, rental or leasing of real property that indicates any preference, limitation, specification or unlawful discrimination based on race, color, religion, sex, sexual orientation, national origin, marital status, disability, familial status, source of income and other classes protected under Oregon statutes;

(f) Assist, induce, incite or coerce another person to commit an act or engage in a practice that violates ORS 659A.145, 659A.421, federal housing law or these rules;

(g) Coerce, intimidate, threaten or interfere with any individual in the exercise or enjoyment of, or on account of having exercised or enjoyed, or on account of having aided or encouraged any other individual in the exercise or enjoyment of, any right granted or protected by ORS 659A.145, 659A.421, federal housing law or these rules;

(h) Deny access to, or membership or participation in, any multiple listing service, real estate broker's organization or other service, organization or facility relating to the business of selling or renting dwellings, or discriminate against any individual in the terms or conditions of the access, membership or participation;

(i) Represent to an individual that a dwelling is not available for inspection, sale, rental or lease when the dwelling in fact is available for inspection, sale, rental or lease;

(j) Otherwise make unavailable or deny a dwelling to an individual.

(2) A person whose business includes engaging in residential real estate related transactions may not discriminate against any individual in making a transaction available, or in the terms or conditions of the transaction, because of race, color, religion, sex, sexual orientation, national origin, marital status, disability, familial status, source of income and other classes protected under Oregon statutes.

(3) A real estate licensee may not accept or retain a listing of real property for sale, lease or rental with an understanding that a purchaser may be discriminated against with respect to the sale, rental or lease thereof because of race, color, religion, sex, sexual orientation, national origin, marital status, disability, familial status, source of income and other classes protected under Oregon statutes.

(4) A person may not, for profit, induce or attempt to induce any other person to sell or rent any dwelling by representations regarding the entry or prospective entry into the neighborhood of an individual or individuals of a particular race, color, religion, sex, sexual orientation, national origin, marital status, disability, familial status, source of income and other classes protected under Oregon statutes.

(5) For purposes of OAR 839-005-0205(1) to (4), "source of income" includes federal rent subsidy payments under 42 U.S.C. 1437f, and any other local, state, or federal housing assistance. "Source of income" does not include income from specific occupations or income derived in an illegal manner.

#### Citizen Initiative Review Elector Stipend and Travel Reimbursement

According to the duties defined in ORS 250.139(5)(a), the Commission shall compensate each elector for each day served on a panel in the amount of \$100 per day. According to duties defined in 250.139(5)(b), the Commission shall reimburse each elector who serves on a panel for travel expenses in accordance with travel reimbursement policies (mileage, airfare, public transportation costs) as determined by the Oregon Department of Administrative Services. Mileage Reimbursement is therefore set at \$00.56 per mile. Stipends and travel reimbursements would be issued separately in two checks. According to duties defined in 250.139(6)(a), the Commission sets each panel duration for 3.5 days.

812-005-0800 is amended include reference to OAR 812-003-0280 (renewal or reissue of license), clarify when a contractor must notify CCB of its assumed business name, and to make the penalties match in sections (10) and (11).

812-006-0200 is amended to add a surety bond requirement to pre-licensure provider approvals.

812-006-0205 is adopted to create a surety bond (form) for pre-licensure provider approval.

812-009-0340 is amended to correct cite references and to add a reference to OAR 812-003-0260 that outlines information that an applicant must provide in order to obtain a license.

812-020-0050, 812-020-0055, 812-020-0060, 812-020-0062, 812-020-0065, 812-020-0070, 812-020-0072, 812-020-0080, 812-020-0085, 812-020-0087, and 812-020-0090 are amended to correct cite references (ORS 701.124 was renumbered to 701.086 in 2013).

812-020-0071 is amended to permit commercially endorsed contractors to “count” their RCE hours towards their commercial continuing education requirements. The rule refers to ORS 701.126, which was repealed in 2013. Subsection (1) of the rule allows commercial contractors to use “old” RCE until the end of 2014 (as is permitted for residential contractor renewals). Subsection (2) of the rule corresponds with the new RCE program.

812-022-0010 is amended to extend the period of time to December 31, 2015, during which a contractor may renew their CCB license based upon RCE earned before January 1, 2014; and to clarify that: 1) CCB-LRB substitutes for new CCB-LRB requirements (up to three hours); 2) BEST and Building Codes substitutes for new Series A course requirements (up to five hours); and 3) electives substitute for new Series B course requirements (up to eight hours).

812-022-0015 is amended to provide hours in excess of the three required CCB-LRB hours will be counted towards the 8 hour require-

ment of less experienced residential contractors. Effectively, they will substitute for “Series B” courses.

812-022-0021 is amended to remove references to course substitution and to add exemptions for contractors with a registered architect (owner or officer), and contractors with a licensed professional engineer (owner or officer).

812-022-0022 is adopted to permit a contractor to count any period during which it was licensed towards the six-year requirement to qualify for renewal by completing eight, rather than 16, hours of continuing education, permit contractors to use the experience of its

RMI to qualify for renewal by completing eight, rather than 16 hours of continuing education, and clarifies that the licensing or experience does not need to be continuous.

NOTE: In order to save postage and printing costs in these difficult times, CCB is only providing a copy of the notice. ### Casual, Minor or Inconsequential

(1) “Casual, minor or inconsequential” as used in ORS 701.010(4) means work:

(a) That does not require a permit;

(b) That does not affect the health or safety of the owner or occupant of the structure;

(c) For which the aggregate contract price for all work on one structure or project is less than \$1,000; and

(d) That does not include work done as a subcontractor to a licensee.

(2) Work involving lead-based paint abatement, inspection, renovation or risk assessment of child-occupied facilities or target housing, as those terms are defined in OAR 812-007-0020, affects the health and safety of owners and occupants and is not “casual, minor or inconsequential” work.

### License Required to Advertise

(1) No person shall advertise or otherwise hold out to the public that person’s services as a contractor unless that person holds a current, valid license, nor shall any person claim by advertising or by any other means to be licensed, bonded, or insured unless that person holds a current, valid license.

(2) License number in advertising and contracts:

(a) All newsprint classified advertising and newsprint display advertising for work subject to ORS Chapter 701 prepared by a contractor or at the contractor’s request or direction, shall show the contractor’s license number.

(b) All written bids, written inspection reports and building contracts subject to ORS Chapter 701 shall show the contractor’s license number.

(c) All telephone directory space ads and display ads shall show the contractor’s license number.

(d) All advertisements by audio-only media, such as radio commercials, must contain an audible statement of the contractor’s license number.

(e) All advertisements by video media or video and audio combined media, such as television commercials, must show visually the contractor’s license number.

(f) All advertising by internet media, including but not limited to, website advertising must show visually the contractor’s license number.

(g) All business cards, business letterhead, business signs at construction sites and all other written or visual advertising shall show the contractor’s license number. Written or visual advertising does not include permanently affixed or attached signs at a contractor’s place, or places, of business that primarily and prominently display the contractor’s name.

(h) This section does not apply to a company whose primary business is other than construction and has a Standard Industrial Classification (SIC) code from other than Major Groups 15, 16, and 17.

# ADMINISTRATIVE RULES

(i) This section does not apply to promotional gifts, including, but not limited to, pencils, pens, cups and items of clothing.

### License Application Fees

(1) The application fee for all new, renewal, or reissued licenses is \$325.

(2) Except as provided in section (3) of this rule, application fees will not be refunded.

(3) If a licensee submits an application to renew a license and the agency cannot renew the license because the applicant has formed a new business entity, the agency may refund the renewal application fee, less a \$40 processing fee.

(4)(a) Any licensee in the United States armed forces need not pay a license renewal fee if such fee would be due during the licensee's active duty service.

(b) A licensee in the United States armed forces shall pay the next license renewal fee that will become due after the licensee is discharged from active duty service.

(c) The agency may request that the licensee provide documentation of active duty status and of discharge.

(d) Section (4) of this rule applies to licensees that are sole proprietors or partners in a general partnership.

### Schedule of Penalties

The agency may assess penalties, not to exceed the amounts shown in the following guidelines:

(1) \$600 for advertising or submitting a bid to do work as a contractor in violation of ORS 701.021 and OAR 812-003-0120, which may be reduced to \$200 if the respondent becomes licensed or to \$50 if the advertisement or bid is withdrawn immediately upon notification from the agency that a violation has occurred and no work was accepted as a result of the advertisement or bid; and

(2) \$700 per offense without possibility of reduction for advertising or submitting a bid to do work as a contractor in violation of ORS 701.021 and OAR 812-003-0120, when one or more previous violations have occurred, or when an inactive, lapsed, invalid, or misleading license number has been used; and

(3) \$1,000 per offense for performing work as a contractor in violation of ORS 701.021 when the Board has no evidence that the person has worked previously without having a license and no consumer has suffered damages from the work, which may be reduced to \$700 if the respondent becomes licensed within a specified time; and

(4)(a) \$5,000 per offense for performing work as a contractor in violation of ORS 701.021, when an owner has filed a complaint for damages caused by performance of that work, which may be reduced to \$700 if the contractor becomes licensed within a specified time and settles or makes reasonable attempts to settle with the owner.

(b) A "complaint for damages" as used in section (4) of this rule includes, but is not limited to:

(A) A Construction Contractors Board Dispute Resolution Services (DRS) complaint; or

(B) A letter to Construction Contractors Board indicating that a citizen has been damaged by the contractor; and

(5) \$5,000 per offense for performing work as a contractor in violation of ORS 701.021, when one or more violations have occurred, or when an inactive, lapsed, invalid, or misleading license number has been used; and

(6) \$500 per offense for failure to respond to the agency's request for the list of subcontractors required in ORS 701.345; and

(7) \$1,000 per offense for hiring a unlicensed subcontractor; and

## ADMINISTRATIVE RULES

(8) For failing to provide an "Information Notice to Owners about Construction Liens" as provided in ORS 87.093, when no lien has been filed, \$200 for the first offense, \$400 for the second offense, \$600 for the third offense, \$1,000 for each subsequent offense. Any time a lien has been filed upon the improvement, \$1,000.

(9) Failure to include license number in advertising or on contracts, in violation of OAR 812-003-0120: First offense \$100, second offense \$200, subsequent offenses \$400.

(10) Failure to list with the Construction Contractors Board a business name under which business as a contractor is conducted in violation of OAR 812-003-0260 or 812-003-0280: First offense \$50, second offense \$100, subsequent offenses \$200.

(11) Failure to notify the Construction Contractors Board of a new or additional business name or personal surname (for sole proprietors) under which business as a contractor is conducted, in violation of 812-003-0320: First offense \$50, second offense \$100, subsequent offenses \$200.

(12) Failing to use a written contract as required by ORS 701.305: \$500 for the first offense; \$1,000 for the second offense; and \$5,000 for subsequent offenses.

(13) Violation of OAR 812-012-0130(1), failure to provide a Consumer Notification form; \$100 first offense; \$500 second offense; \$1,000 third offense; and \$5,000 for subsequent offenses. Civil penalties shall not be reduced unless the agency determines from clear and convincing evidence that compelling circumstances require a suspension of a portion of the penalty in the interest of justice. In no event shall a civil penalty for this offense be reduced below \$100.

(14) Failure to conform to information provided on the application in violation of ORS 701.046(5), issuance of a \$5,000 civil penalty, and suspension of the license until the contractor provides the agency with proof of conformance with the application and the terms of the application.

(a) If the violator is a limited contractor or residential limited contractor working in violation of the conditions established pursuant to OAR 812-003-0130 or 812-003-0131, the licensee shall be permanently barred from licensure in the limited contractor category or residential limited contractor endorsement.

(b) If the violator is a licensed developer, residential developer or commercial developer working in violation of the conditions established pursuant to ORS 701.005(3), (6) or (14) or 701.042, the licensee shall be permanently barred from licensure in the licensed developer category or residential developer or commercial developer endorsement.

(15) Knowingly assisting an unlicensed contractor to act in violation of ORS Chapter 701, \$1,000.

(16) Failure to comply with any part of ORS Chapters 316, 656, or 657 or with ORS 701.035, 701.046 or 701.091, \$1,000 and suspension of the license until the contractor provides the agency with proof of compliance with the statute.

(17) Violating an order to stop work as authorized by ORS 701.225(6), \$1,000 per day.

### Pre-Licensure Training Provider Approval

(1) No pre-licensure training shall meet the requirements of ORS 701.122 unless it is offered by a pre-licensure training provider approved by the agency.

(2) To receive agency approval, individuals and organizations shall make application and sign an agreement with the agency prior to offering the pre-licensure training.

(3) The pre-licensure training provider application shall include, but will not be limited to, provisions for:

(a) Recording the name, address, contact information, and name of responsible administrator of the pre-licensure training provider.

(b) Submitting trainer resumes or work summaries that demonstrate that all its trainers have at least four years work experience or four years education, or any combination of both, in subject areas that they instruct as outlined in the Oregon Contractors Reference Manual.

(4) No pre-licensure training provider may offer or provide any pre-licensure training until there is a fully executed agreement between the pre-licensure training provider and the agency.

(5) No pre-licensure training provider may offer or provide any pre-licensure training if, at the time of offering or providing the pre-licensure training, the pre-licensure training provider is an RMI of a licensee.

(6) A pre-licensure training provider must comply at all times with the following requirements:

(a) The pre-licensure training provider will provide 16-hours of training under OAR 812-006-0150.

(b) The pre-licensure training provider will verify that each student taking the pre-licensure training has a current agency-approved manual.

(c) The pre-licensure training provider will use agency-approved curriculum and the agency-approved Oregon Contractors Reference Manual.

(d) The pre-licensure training provider will send electronic records of completion to the agency in a format approved by the agency and keep records of completion for a minimum of six years.

(e) The pre-licensure training provider will communicate law changes and program procedural changes received from the agency to the pre-licensure training provider's trainers and will implement these changes within 30 business days.

(f) The pre-licensure training provider will use only approved trainers who have at least four years work experience or four years education, or any combination of both, in the subject that they instruct as outlined in the Oregon Contractors Reference Manual. CCB will not approve as a trainer any individual who, at the time of offering or providing the pre-licensure training, is an RMI of a licensee.

(g) The pre-licensure training provider will request and receive, in writing, agency approval of all trainers at least 10 business days before trainers are scheduled to teach.

(h) The pre-licensure training provider will provide a mechanism for students to contact their trainer(s) outside of class for a minimum of one hour per week for 90 days from date of enrollment.

(i) The pre-licensure training provider will give all students information about how to contact trainers and hours of availability before the end of the pre-licensure training.

(j) The pre-licensure training provider will comply with all applicable federal and state laws.

(k) Except as provided in OAR 812-006-0205(2), the pre-licensure training provider will obtain and maintain a surety bond as described in 812-006-0205 in the amount of \$10,000 obligating the surety to pay the State of Oregon for the benefit of third-parties.

(7) The agency may publicize a pre-licensure training provider's test passage rate for its students.

(8) The agency may revoke a pre-licensure training provider's right to offer training and terminate the agreement of a pre-licensure training provider at any time the pre-licensure training provider fails to:

(a) Meet any requirement of the agreement; or

(b) Comply with these rules.

(9) The agency may revoke a pre-licensure training provider's right to offer pre-licensure training and terminate the agreement of a pre-licensure training provider:

(a) Whose students do not pass the agency test on their first attempt at least 70 percent of the time after the pre-licensure training provider has provided pre-licensure training for at least three months, or whose students fail to maintain the 70 percent first attempt test passing rate during the remaining period of the agreement; or

(b) Who acquires or attempts to acquire agency test questions by unauthorized means, including but not limited to, photographing, photo-

(i) Department of Consumer and Business Services, Building Codes Division;

(ii) Department of Consumer and Business Services, Workers' Compensation Division;

(iii) Department of Consumer and Business Services, Oregon-OSHA,

(iv) Employment Department;

(v) Department of Revenue; or

(vi) Landscape Contractors Board.

(F) Failure to pay an outstanding obligation, as required by OAR 812-005-0280(2);

(G) Failure to obtain or maintain an increased bond, as required by ORS 701.068(5) or (6).

(H) Failure to provide information as required under ORS 701.046 and OAR 812-003-0260.

(2) The agency representative may not make legal argument on behalf of the agency.

(a) "Legal argument" includes argument on:

(A) The jurisdiction of the agency to hear the contested case;

(B) The constitutionality of a statute or rule or the application of a constitutional requirement to an agency; and

(C) The application of court precedent to the facts of the particular contested case proceeding.

(b) "Legal argument" does not include presentation of motions, evidence, examination and cross-examination of witnesses or presentation of factual argument or arguments on:

(A) The application of the statutes or rules to the facts in the contested case;

(B) Comparison of prior actions of the agency in handling similar situations;

(C) The literal meaning of the statute or rules directly applicable to the issues in the contested case;

(D) The admissibility of evidence;

(E) The correctness of procedures being followed in the contested case hearing.

### Definitions — Continuing Education for Commercial Contractors

The following definitions apply to OAR 812-020-0050 to 812-020-0073:

(1) "Building code" means a specialty code as defined in ORS 455.010(7).

(2) "Commercial contractor" means a licensed contractor as defined under ORS 701.005(2).

(3) "Inactive commercial contractor" means a commercial contractor that has voluntarily placed its license in inactive status in accordance with OAR 812-003-0330 to 812-003-0370 and has not converted the license back to active status in accordance with ORS 812-003-0380.

(4) "Lapse in license" has the meaning given that term by OAR 812-002-0420.

(5) "License period" means the two-year period from the date a contractor's license is first issued or last renewed until the date the license is next scheduled to expire.

### Minimum Requirements — Continuing Education for Commercial Contractors

(1) Commercial contractors shall have a key employee, or combination of key employees, who complete continuing education.

(2) Education hours may be earned by attending offerings provided by any of the following:

- (a) Post-secondary institutions such as colleges or universities;
- (b) Trade schools;
- (c) Trade associations;
- (d) Professional societies;
- (e) Private companies;
- (f) Public agencies;
- (g) Business associations; or
- (h) Contractor-provided in-house training programs.

(3) Courses shall be a minimum of one clock hour to qualify for one hour of continuing education credit.

(4) Credit shall not be applied for the same key employee repeating the same continuing education course during a two-year period.

### Certification of Hours — Continuing Education for Commercial Contractors

(1) Upon renewal, a commercial contractor must certify that one or more key employees obtained the continuing education required by OAR 812-020-0050 to 812-020-0073.

(2) For a commercial general or specialty contractor — level 1 with five or more key employees, the commercial contractor must certify that one or more key employees completed at least 80 hours during the preceding license period.

(3) For a commercial general or specialty contractor — level 1 with four or fewer key employees, the commercial contractor must certify as follows:

- (a) With four key employees, that one or more key employees completed at least 64 hours during the preceding license period.
- (b) With three key employees, that one or more key employees completed at least 48 hours during the preceding license period.
- (c) With two key employees, that one or more key employees completed at least 32 hours during the preceding license period.
- (d) With one key employee, that the key employee completed at least 16 hours during the preceding license period.

(4) For a commercial general or specialty contractor — level 2, the commercial contractor must certify that one or more key employees completed at least 32 hours during the preceding license period.

(5) For purposes of this rule, the required amount of continuing education hours for the renewing contractor is determined based on the contractor's endorsement status as of the previous date of license issuance, reissuance or renewal. If the contractor was not endorsed as a commercial contractor on the previous date, continuing education does not apply.

(6) For purposes of this rule, if a contractor is subject to the continuing education requirement, the number of key employees is the number of such persons employed by the commercial contractor as of the previous date of license issuance, reissuance or renewal as a commercial contractor.

### Inactive Commercial Contractor — Continuing Education for Commercial Contractors

If a commercial contractor's license is placed in an inactive status during any part of the license period, the commercial contractor needs only complete the continuing education hours for the period the license was active. The continuing education hours required under OAR 812-020-0070 will be prorated for the period that the license was active. For example, if a commercial contractor is inactive 6 months during the license period (inactive 25% of the time), the contractor needs to certify completion of 75% of the hours otherwise required.

### Effective Date — Continuing Education for Residential Contractors (SB 783)

(1) OAR 812-022-0000 to 812-022-0047 apply to residential contractors:

(a) That have active, non-lapsed licenses that expire on or after January 1, 2014.

(b) That renew lapsed licenses with expiration dates on or after January 1, 2014.

(c) That renew lapsed licenses with expiration dates before January 1, 2014, but that are renewed on or after January 1, 2014.

(2) Notwithstanding section (1), until December 31, 2015, a residential contractor may apply hours earned from attending the courses, completed during the licensing period immediately preceding January 1, 2014, towards the new residential continuing education requirements regardless of whether the courses would qualify under the new law. These courses may include the following.

(a) Construction Contractor Board laws, regulations and business practices (up to three hours). Hours earned will be applied towards the three hours of Construction Contractor Board laws, regulations and business practices required for the new residential continuing education.

(b) Building codes courses approved by CCB before January 1, 2014, (up to two hours). Hours earned will be applied towards the five hours of Series A courses required for the new residential continuing education.

(c) Building Exterior Shell Training (BEST) (up to three hours). Hours earned will be applied towards the five hours of Series A courses required for the new residential continuing education.

(d) Elective courses. Hours earned will be applied towards the eight hours of Series B courses required for the new residential continuing education for contractors licensed less than six years.

(3) Notwithstanding section (1), a residential contractor renewing a license on or after January 1, 2014, that expired before October 1, 2013, must complete three hours of BEST and two hours of building code courses. The BEST and building code course hours will substitute for required Series A Course hours.

(4) Notwithstanding section (1), a residential contractor renewing a license on or after January 1, 2014, which expired between October 1, 2013, and December 31, 2013, must complete two hours of building code course. The hours will substitute for required Series A Course hours.

(5) Notwithstanding OAR 812-021-0028(7) and (8), providers approved pursuant to 812-021-0025 or 812-022-0025 may continue to offer BEST or building codes courses previously approved by CCB under 812-021-0028 without submitting additional application or fees for provider or course approval.

(6) Notwithstanding section (1), a contractor renewing its license between January 1, 2014, and March 31, 2014, may elect to renew the license pursuant to OAR 812-021-0015 rather than renewing its license pursuant to this rule. A contractor making this election will need to maintain record of the continuing education courses it completes to satisfy 812-021-0015 for which the provider does not otherwise submit notification of completion of core hours.

### Minimum Continuing Education Requirements — Continuing Education for Residential Contractors (SB 783)

(1) Except as provided in section (3), residential contractors shall have an owner, officer, RMI or employee, or a combination of those persons, who complete a minimum of eight hours of continuing education every licensing period as described in sections (2) and (3).

(2) Residential continuing education hours consist of the following:

(a) Three hours of education on laws, regulations and business practices offered by the agency or by an approved provider under an agreement with the agency; and

(b) Five hours of Series A Courses, approved by the agency and offered by approved providers, in one or more of the following subjects:

(A) Construction business practices;

(B) Marketing;

(C) Customer service;

(D) Accounting;

(E) Business law;

(F) Bidding;

(G) Building Codes; or

(H) Safety.

(3) Residential contractors that have not been licensed as a residential contractor during any part of the six-years immediately preceding their scheduled renewal date must complete an additional eight hours of residential continuing education offered by an approved provider. The education hours may include:

(a) Series A Courses described in section (2)(b);

(b) Series B Courses in one or more of the following subjects:

(A) Energy efficiency; or

(B) Trade specific subjects, such as roofing, excavation, or exterior shell construction, as selected by the contractor; or

(c) Courses in excess of three hours of education on laws, regulations and business practices offered by the agency, or by an approved provider under an agreement with the agency, as described in section (2)(a).

(4) Courses shall be a minimum of 50 minutes to qualify for one hour of residential continuing education credit. Courses shall be at least one credit hour.

(5) Credit shall not be given for an individual student repeating the same residential continuing education course during a two-year licensing period.

(6) If, during the two years immediately preceding the expiration date of the license, a residential contractor served on active duty in the United States armed forces, including but not limited to mobilization or deployment, the residential continuing education requirement is waived for that two-year licensing period. This exemption applies only if the residential contractor is a:

(a) Sole proprietor without employees;

(b) Sole owner of a corporation; or

(c) Sole member of a limited liability company.

**Adm. Order No.:** DOA 9-2014(Temp)

**Certified to be Effective:** 7-7-14 thru 1-3-15

**Notice Publication Date:**

**Rules Amended:** 603-052-0882

**Subject:** The rapeseed production district rules in OAR 603-052-0860 - 0921 establish a control area for Brassica spp. including rapeseed and provide the conditions for the production of Brassica spp. and rapeseed to protect against plant diseases that may constitute a menace to the horticultural, agricultural or forest industries. Passage of HB 2427 (2013) [Oregon Laws Chapter 724, [published as a note following ORS 570.450] replaced previously existing administrative rules governing rapeseed production that assisted in preventing the introduction and spread of “blackleg” a plant disease caused by the fungus *Phoma lingam* that infects the seeds of Brassica crops. 2013 Oregon Laws Chapter 724 does not address treatment of seed to prevent the seed-borne disease known as blackleg. Blackleg has recently been discovered infecting field crops within the Willamette Valley Protected District area described in HB 2427, 2013 Oregon Laws Chapter 724. OSU and ODA Plant Pathologists believe uncertified, untreated seed is the cause of this outbreak. This temporary rule requires that seeds of susceptible crops be tested and certified as free from blackleg or the seed stock be treated with a fungicide or suitable alternative treatment prior to planting and management measures be implemented in known infected fields. The crops impacted include: Brassica (broccoli, Brussels sprouts, cabbage, canola, cauliflower, Chinese Brassica vegetables, collards, kales, mizuna, mustards, oilseed rape, oilseed turnip rape, rutabaga, turnip, etc), Raphanus (daikon or radish), and Sinapis (white and yellow mustard).

### 603-052-0882

#### Willamette Valley Protected District

(1) In addition to the provisions governing canola in the Willamette Valley Protected District as provided in 2013 Oregon Laws Chapter 724, the following rules preventing the introduction and spread of blackleg are applicable within the Willamette Valley Protected District as that district is described in HB 2427 (2013).

(2) As authorized by OAR 183.335(5)(6), the Department establishes a temporary rule to protect Willamette Valley crops against blackleg, a plant

disease caused by *Phoma lingam* (= *Leptosphaeria maculans*). This temporary rule is established under ORS 561.190 and 570.405 to protect Oregon’s agricultural seed and oilseed industries from the artificial spread of blackleg in the Willamette Valley. This seed-borne disease causes mortality in all ages of susceptible host species within the family Brassicaceae, including but not limited to the following genera, *Brassica*, *Raphanus*, *Sinapis*, *Sisymbrium*, *Descurainia*, *Rorippa*, and *Thlaspi*.

(3) Commodities covered. All seed and plants of susceptible species within the family Brassicaceae, including *Brassica* (broccoli, Brussels sprouts, cabbage, canola, cauliflower, Chinese Brassica vegetables, collards, kales, mizuna, mustards, oilseed rape, oilseed turnip rape, rutabaga, turnip, etc.), *Raphanus* (daikon or radish), and *Sinapis* (white and yellow mustard). Exemption: Prepackaged seed lots of *Brassica*, *Raphanus*, and *Sinapis* of one-half (0.5) ounce or less and transplants for home use are exempt from the requirements of this rule.

(4) Provisions of temporary rule. All lots of the covered commodities intended for entry or for commercial planting within the Willamette Valley Protected District are prohibited from planting within the District unless they meet the conditions below:

(a) All seed stock of covered commodities must meet one of the following conditions:

(A) Be accompanied by a certificate stating that the untreated seed is free from blackleg (*Leptosphaeria maculans*, asexual stage = *Phoma lingam*) based on official sampling and testing. Alternatively, a seed lot that initially tests positive for blackleg by official testing must be treated in a manner approved by the Department for blackleg control and the treatment officially documented; or,

(B) The seed lot must be treated in a manner approved by the Department for blackleg control and records documenting said treatment provided to the Department upon request.

(b) All plants of covered commodities intended for transplanting for commercial production must be certified as having originated from seed stock that was found free of blackleg based on official testing or was treated prior to planting with a method that has been approved by the Department for blackleg control.

(5) The following management practices are required to prevent buildup of blackleg, blackrot, and other diseases and pests:

(a) Covered commodities may not be grown on the same plot of land in two consecutive years and not more than two years in every five.

(b) Any volunteer or uncontrolled Brassicaceae in or around production fields must be rogued out or otherwise eliminated by the producer.

(c) All planting, harvest, and transportation equipment shall be cleaned to prevent any inadvertent spread of covered commodities from the field.

(d) All unbagged loads of covered commodities transported within the Protected District must be in enclosed bins or in containers lined and covered in a manner to prevent seed loss.

(6) Seed dealers and producers are required to maintain all pertinent records in accordance with Oregon Revised Statutes 633.511 to 633.750 and to make these records available to the Department upon request. Similarly, seed dealers and producers are required to maintain all pertinent records of seed treatment as described in OAR 603-056-0431 and to make these records available to the Department upon request.

(7) Special permits: The Department, upon receipt of an application in writing, may issue a special permit allowing research on blackleg disease within this Protected District on regulated commodities not otherwise eligible for such under the provisions of this quarantine order. Research on blackleg disease on such commodities will be subject to any conditions or restrictions stipulated in the permit and these conditions and restrictions may vary depending upon the intended research on the commodity and the potential risk of escape or spread of *Leptosphaeria maculans* (= *Phoma lingam*).

(8) Violations. Violation of this temporary rule is a Class A violation as provided by ORS 570.410 and 570.990. Violators may also be subject to civil penalties of up to \$10,000 as provided by ORS 570.995. Covered commodities shipped into or planted in violation of this temporary rule may be treated, destroyed or returned to their point of origin without expense or indemnity paid by the state.

(9) This temporary rule shall be effective upon filing with the Secretary of State’s office for 180 days unless terminated, amended, or replaced by an amended version of OAR-052-0860 to 0921.

## Department of Agriculture, Oregon Sheep Commission Chapter 644

**Rule Caption:** Change assessed commodity to sheep (per head basis); modify handler definition, collection process, commissioner qualifications

**Adm. Order No.:** SHEEP 1-2014

**Filed with Sec. of State:** 6-30-2014

**Certified to be Effective:** 7-1-14

**Notice Publication Date:** 6-1-2014

**Rules Amended:** 644-010-0005, 644-010-0010, 644-010-0015, 644-010-0020, 644-010-0025, 644-030-0020

**Subject:** These rules implement the provisions of Senate Bill 719 (2013) that changed the assessed commodity for the Oregon Sheep Commission from wool to a per head assessment on any sheep produced and sold in the State regardless of the disposition of the sheep and regardless of whether the sale is a casual sale. References to wool are deleted and new assessment rate of 50 cents per head of sheep sold is established. Rules are modified to broaden the definition of handler to anyone who buys and receives sheep from the producer in the first instance. The handler is responsible for remitting the assessment on a quarterly basis to the Commission. In those instances where a producer markets his/her sheep directly to the consumer or processor, the producer will remit the assessment. These rules follow the collection process utilized by the American Lamb Board for the national assessment. If the handler is receiving sheep for resale, the assessment is deducted from the producer's proceeds and this amount is forwarded to the subsequent purchaser, generally the out of state processor, who remits the assessment to the Oregon Sheep Commission.

Due to the declining number of producers in certain regions of the state and fewer qualified handlers, these rules reduce the number of handler positions from two to one, with the remaining position to be filled by a producer. Regional qualifications for producer membership on the Commission are removed.

**Rules Coordinator:** Richard Kosesan—(503) 370-7024

### Definitions

The following definitions will apply to division 10 and division 30 Administrative Rules of the Oregon Sheep Commission.

(1) "Person" means any individual, group of individuals, corporation, association, partnership, joint stock company, or any other legal entity.

(2) "Commission" means the Oregon Sheep Commission.

(3) "Handler" means any processor, distributor, auction market, or other person engaged in handling or marketing sheep, whether as owner, agent, employee, broker, or otherwise, who buys sheep from a producer and receives sheep in the first instance from a producer for resale or processing.

(4) "Producer" means any person, as defined in OAR 644-010-0005(1), who raises, breeds, and produces sheep for sale, including anyone who markets sheep or sheep products of that person's own production directly to consumers.

(5) "Sheep" means an animal of the ovine species, regardless of age, including rams and ewes.

### Assessments

(1) Each handler making payment to a producer shall deduct an assessment of \$0.50 per head from the sale of each live sheep sold by the producer, including any sheep that has been fed or grazed in Oregon for at least 30 consecutive days during the preceding 12 months prior to the date of sale, and remit the assessment of \$0.50 per head to the Oregon Sheep Commission at quarterly intervals as defined by OAR 644-010-0015(1). If the handler is receiving sheep for resale, the assessment shall be forwarded to subsequent purchaser. The assessment will be remitted by the final handler at time of final harvest.

(2) Each person processing or causing to be processed sheep of that person's own production shall pay an assessment at the rate of \$0.50 per head to the Oregon Sheep Commission for each live sheep sold for slaughter or custom processing. The assessment shall be remitted to the Commission at quarterly intervals as defined by OAR 644-010-0015(1).

(3) A producer who markets sheep to an out-of-state handler is responsible to remit the assessment of \$0.50 per head to the Commission as required by ORS 576.345, unless the subsequent purchaser voluntarily agrees to deduct the assessment of \$0.50 per head from the proceeds owed to the producer and to remit to the Oregon Sheep Commission as specified under OAR 644-010-0015.

### Reports and Payment of Assessment Moneys

(1) Handlers shall remit collected assessments on a quarterly basis, with a completed and signed assessment report on commission approved forms. The information specified in OAR 644-010-0015(3) may be provided in a separate printed report, if accompanied by a signed commission approved assessment form. Assessment reports shall include all purchases by or deliveries to a handler of sheep. Quarterly assessment reports are due in the commission office postmarked on or before the 10th day of the month following the end of the quarter. Quarterly assessments shall be reported as follows.

(a) January, February, March assessments report must be postmarked on or before April 10th;

(b) April, May, June assessments report must be postmarked on or before July 10th;

(c) July, August, September assessments report must be postmarked on or before October 10th;

(d) October, November, December assessments report must be postmarked on or before January 10th.

(2) If the producer sells, ships, or otherwise disposes of sheep to any person outside Oregon, the producer shall deduct the assessment of \$0.50 per head from the proceeds owed to the producer and remit to the Commission at quarterly intervals as specified in OAR 644-010-0015(1).

(3) Each person collecting the assessment must provide to the person from whom the assessment was deducted a receipt including:

(a) Name and address of the person collecting the assessment,

(b) Date of sale,

(c) Name and address of the person who paid the assessment,

(d) Number of head of sheep sold, and

(e) Total assessment paid by the producer.

### Energy Provisions of the Oregon Structural Specialty Code

(1) The energy provisions of the **Oregon Structural Specialty Code** are adopted pursuant to OAR chapter 918, division 8.

(2) Effective July 1, 2014, the energy provisions in Chapter 13 of the **Oregon Structural Specialty Code** are adopted in the publication titled **2014 Oregon Energy Efficiency Specialty Code**.

(3) The publication titled **2014 Oregon Energy Efficiency Specialty Code** is based upon the 2010 edition of the **Oregon Energy Efficiency Specialty Code**, with additional Oregon amendments.

(4) For the purposes of implementing a phase-in period for the energy provisions of the **Oregon Structural Specialty Code**, the **2010 Oregon Energy Efficiency Specialty Code** is adopted for the period beginning July 1, 2014 and ending September 30, 2014.

(5) During the phase-in period established in subsection (4), all building departments in the state are required to accept plans for structures designed to either the energy provisions in Chapter 13 of the **Oregon Structural Specialty Code** or to the **2010 Oregon Energy Efficiency Specialty Code**.

(6) Code requirements in effect at the time a plan review or permit application is filed controls the construction under the application unless the applicant agrees to be controlled by subsequent changes.

(7) All references and code provisions adopted in this rule, in OAR chapter 918, or in any specialty code adopted thereunder to the **Oregon Energy Efficiency Specialty Code** mean the energy provisions of the **Oregon Structural Specialty Code** found in Chapter 13 of the **Oregon Structural Specialty Code**.

## Department of Consumer and Business Services, Insurance Division Chapter 836

**Rule Caption:** Actions by Director for Restitution or Other Equitable Relief

**Adm. Order No.:** ID 10-2014

**Filed with Sec. of State:** 6-20-2014

**Certified to be Effective:** 6-20-14

**Notice Publication Date:** 5-1-2014

**Rules Adopted:** 836-007-0001

**Subject:** This rule clarifies when and how the director may exercise the discretionary authority to seek restitution or other equitable relief on behalf of a consumer who has suffered damages as a result of an insurer's violation of the Insurance Code, applicable federal law or the insurer's breach of an insurance contract or policy that the insurer has with the consumer. The rule defines "consumer," "actual damages" and "equitable relief" and specifies when the director will seek relief. The rule specifically states that the director will not seek relief on behalf of a consumer who is entitled to an exclusive remedy under the workers compensation laws of this state and specifies that the director may reduce actual damages upon a showing that the consumer has failed to reasonably mitigate damages.

This permanent rule will apply on and after the date the rules are adopted. The department adopted temporary rules effective December 27, 2013 and this permanent rule replaces the temporary rules.

**Rules Coordinator:** Victor Garcia—(503) 947-7260

### Actions by Director for Restitution or Other Equitable Relief

(1) As used in this rule:

(a) "Actual damages" means reasonably foreseeable losses.

# ADMINISTRATIVE RULES

(b) “Consumer” means an insured under a policy that is the subject of the enforcement action.

(c) “Equitable relief” means injunctive relief, specific performance of a contract provision or specific performance of a provision of the Insurance Code or rules implementing the Insurance Code or applicable federal law.

(2) The Director of the Department of Consumer and Business Services:

(a) May seek restitution of actual damages or other equitable relief on a consumer’s behalf only when the director takes an action against an insurer under ORS 731.256(1).

(b) Will not seek relief under subsection (a) of this section for any consumer who is entitled to a remedy under ORS Chapter 656; and

(c) May reduce actual damages upon a showing that the consumer has failed to reasonably mitigate damages.

Chapter 438**

**Rule Caption:** Provide for filing/service of any other thing Board makes available for filing by website portal.

**Adm. Order No.:** WCB 1-2014

**Filed with Sec. of State:** 6-20-2014

**Certified to be Effective:** 9-1-14

**Notice Publication Date:** 5-1-2014

**Rules Amended:** 438-005-0046

**Subject:** As part of its comprehensive review of OAR chapter 438 rules, the Board invited public comment, which ultimately resulted in the appointment of an Advisory Committee on Technology. Among other recommendations, the Technology Committee suggested that the Board consider expanding the types of materials that could be electronically filed in the future. After considering this suggestion, the Board proposed to amend 438-005-0046(1) and (2) to provide for website portal filing/service of “any other thing” that it makes available for filing by website portal. The Board proposed such an approach to permit website portal filing/service of additional things as the website portal system is expanded in the future, without the need to amend 438-005-0046(1), (2) to explicitly list each new thing added to the website portal.

### Filing and Service of Documents; Correspondence

(1) Filing:

(a) Except as otherwise provided in these rules, “filing” means the physical delivery of a thing to any permanently staffed office of the Board, or the date of mailing;

(b) In addition to the procedures otherwise described in these rules, “filing” may also be accomplished in the manner prescribed in OAR 436, division 9 or 10 for filing a request for administrative review with the Director provided that the request involves a dispute that requires a determination of either the compensability of the medical condition for which medical services are proposed or whether a sufficient causal relationship exists between medical services and an accepted claim to establish compensability;

(c) If filing of a request for hearing or Board review of either an Administrative Law Judge’s order or a Director’s order finding no bona fide medical services dispute is accomplished by mailing, it shall be presumed that the request was mailed on the date shown on a receipt for registered or certified mail bearing the stamp of the United States Postal Service showing the date of mailing. If the request is not mailed by registered or certified mail and the request is actually received by the Board after the date for filing, it shall be presumed that the mailing was untimely unless the filing party establishes that the mailing was timely;

(d) If a settlement stipulation, disputed claim settlement, or claim disposition agreement results from a mediation, “filing” also includes the physical delivery of the settlement stipulation, disputed claim settlement, or claim disposition agreement to the Administrative Law Judge who mediated the settlement or agreement, regardless of location.

(e) The following things may be filed by electronic mail (e-mail) pursuant to subsection (f) of this section:

(A) Request for hearing;

(B) Request for Board review of an Administrative Law Judge’s order;

(C) Request for Board review of a Director’s order finding no bona fide medical services dispute;

(D) Request for extension of the briefing schedule under OAR 438-011-0020;

(E) Request for waiver of the Board’s rules under OAR 438-011-0030; or

(F) Response to issues under OAR 438-006-0036.

(f) To electronically file the requests listed in subsection (e) of this section by e-mail, a party shall:

(A) Send an e-mail to: request.wcb@state.or.us; and

(B) Attach an electronic copy of a completed Workers’ Compensation Board “Request for Hearing Form,” or a completed request for Board review, or a completed request for extension of the briefing schedule, or a completed request for waiver of the Board’s rules, or a completed Board “Response to Issues Form.” These attachments must be in a format of Microsoft Word 2000® (.doc, .txt, .rtf), Adobe Reader® (.pdf), or formats that can be viewed in Internet Explorer® (.tif, .jpg).

(C) For purposes of this rule, the date of an electronic filing is determined by the date the Board receives the appropriate completed electronic form which must be in a format of Microsoft Word 2000® (.doc, .txt, .rtf), Adobe Reader® (.pdf), or formats that can be viewed in Internet Explorer® (.tif, .jpg). An electronic filing under subsections (e) and (f) of this section received by the Board by 11:59 p.m. of a non-holiday, weekday is filed on that date.

(g) The following things may be filed by website portal pursuant to subsection (h) of this section:

(A) All actions described in subsection (e) of this section; and

(B) Filing of any other thing that the Board makes available for filing by website portal.

(h) To electronically file the things listed in subsection (g) of this section by website portal, a party shall:

(A) Register as a “user” of the portal at: <https://portal.wcb.oregon.gov>; and

(B) For subparagraph (g)(A) of this section, as appropriate, complete the electronic version of the Workers’ Compensation Board “Request for Hearing Form,” or complete a request for Board review, or complete a request for extension of a briefing schedule, or complete a request for waiver of the Board’s rules, or complete a Board “Response to Issues Form”; or

(C) For subparagraph (g)(B) of this section, complete the appropriate items on the website portal.

(D) For the purposes of this rule, the date of a portal filing is determined by the date the Board receives the appropriate portal version of the form.

(E) A portal filing under subsections (g) and (h) of this section received by the Board by 11:59 p.m. of a non-holiday, weekday is filed as of that date.

(i) “Filing” includes the submission of any document (other than the exchange of exhibits and indexes under OAR 438-007-0018) to any permanently staffed office of the Board by means of a telephone facsimile communication device (FAX) provided that:

(A) The document transmitted indicates at the top that it has been delivered by FAX;

(B) The Board’s facsimile transmission number is used; and

(C) The Board receives the complete FAX-transmitted document by 11:59 p.m. of a non-holiday, weekday.

(j) Except for the documents specified in subsections (c), (e), or (g) of this section, filing of any other thing required to be filed within a prescribed time may be accomplished by mailing by first class mail, postage prepaid. An attorney’s certificate that a thing was deposited in the mail on a stated date is proof of mailing on that date. If the thing is not received within the prescribed time and no certificate of mailing is furnished, it shall be presumed that the filing was untimely unless the filing party establishes that the filing was timely.

(2) Service:

(a) A true copy of any thing delivered for filing under these rules shall be simultaneously served personally, by means of a facsimile transmission, by means of e-mail or website portal regarding requests, responses, or any other thing filed under OAR 438-005-0046(1)(e), (f), (g), or (h), or by mailing by first-class mail, postage prepaid, through the United States Postal Service, to each other party, or to their attorneys. Service by mail is com-

plete upon mailing, service by facsimile transmission is complete upon disconnection following an error-free transmission, and service by e-mail or website portal regarding requests, responses, or any other thing filed under 438-005-0046(1)(e), (f), (g), or (h), is complete upon successful transmission, provided that the copy is sent in a format readable by the recipient;

(b) Any thing delivered for filing under these rules shall include or have attached thereto either an acknowledgment of service by the person served or proof of service in the form of a certificate executed by the person who made service showing personal delivery, service by means of a facsimile transmission, service by means of e-mail or website portal regarding requests, responses, or any other thing filed under OAR 438-005-0046(1)(e), (f), (g), or (h), or deposit in the mails together with the names and addresses of the persons served.

(3) Correspondence. All correspondence to the Board shall be captioned with the name of the claimant, the WCB Case number and the insurer or self-insured employer claim number. Correspondence to the Hearings Division shall also be captioned with the date of the hearing and name of the assigned Administrative Law Judge, if any.

(4) Signatures.

(a) Any thing delivered for filing under these rules shall include the signature of the party or the party's attorney, which may be provided in writing, by facsimile transmission, by electronic scanning, by the website portal, or by other electronic means.

(b) The user name and password required to file a document with the Board by means of the website portal shall constitute the signature of the filer and for any other purpose for which a signature is required.

(c) Except for documents filed under subsection (b) of this section, any document filed by electronic means must include a signature block that includes the printed name of the filer, preceded by an electronic symbol intended to substitute for a signature (such as a scan of the filer's handwritten signature or "s/") in the space where the signature would otherwise appear.

(d) Any order, notice, or any other document issued by an Administrative Law Judge or a Board Member may include his/her signature in writing, by facsimile transmission, by electronic scanning, by the website portal, or by other electronic means permitted under the Board's rules.

(e) Any electronically transmitted signature shall have the same force and effect as an original signature, provided that the electronically transmitted signature is executed or adopted by a person with the intent to sign the document as prescribed in ORS Chapter 84 (Uniform Electronic Transactions Act).

### 436-160-0005

#### General Definitions

For the purpose of these rules, unless it conflicts with statute or rule:

(1) "ANSI" means the American National Standards Institute.

(2) "Conditional data element" means an element that becomes mandatory under certain conditions. Once mandatory, a conditional data element will cause a rejection of the transaction if the data element is omitted or submitted in a format not capable of being processed by the division's information processing system.

(3) "Director" means the Director of the Department of Consumer and Business Services or the director's designee for the matter.

(4) "Division" means the Workers' Compensation Division of the Department of Consumer and Business Services.

(5) "Electronic Data Interchange" or "EDI" means a computer to computer exchange of information in a standardized electronic format.

(6) "Electronic Record" means information created, generated, sent, communicated, received, or stored by electronic means.

(7) "FEIN" means the federal employer identification number or other federal reporting number used by the insurer, insured, or employer for federal tax reporting purposes.

(8) "Header record" means the record that precedes each transmission for the purpose of identifying a sender, the date and time of the transmission, and the transaction set within the transmission.

(9) "IAIABC" means the International Association of Industrial Accident Boards and Commissions, a professional trade association comprised of state workers' compensation regulators and insurance representatives ([www.iaiaabc.org](http://www.iaiaabc.org)).

(10) "Information" means data, text, images, sounds, codes, computer programs, software, databases, or the like.

(11) "Insurer" means the State Accident Insurance Fund Corporation, an insurer authorized under ORS Chapter 731 to transact workers' compensation insurance in Oregon, or a self-insured employer.

(12) "Mandatory data element" means an element that will cause a rejection of a transaction if the data element is omitted or submitted in a format not capable of being processed by the division's information processing system.

(13) "Optional data element" means an element that an insurer should report to the director if the information is available to the insurer. Optional data elements will not cause a rejection if missing or invalid.

(14) "Record" means electronic record.

(15) "Reprocessed transaction" means a rejected transaction that, at the discretion of the director, has been reprocessed and accepted by the division.

(16) "Sender" means the person or entity reporting electronic data interchange transactions to the division. Sender may include vendors or insurers.

(17) "Trading partner agreement" means the agreement entered into under OAR 436-160-0020 between the director and an insurer to conduct transactions via EDI.

(18) "Trailer record" means the record that designates the end of a transmission and provides a count of transactions contained within the transmission, not including the header and trailer records.

(19) "Transaction" means a set of EDI records, defined according to standards in OAR 436-160-0004.

(20) "Transmission" means a defined set of transactions, including both header and trailer records to be sent to the division or sender via EDI.

(21) "Vendor" means an agent identified by the insurer to submit transmissions to the division on behalf of an insurer. Vendors may include service companies, third party administrators, and managing general agents.

## 436-160-0014

### Security (formerly 436-160-0010)

(1) The sender will verify that an electronic signature, record, or performance is that of a specific person.

(2) The sender will utilize anti-virus software to eliminate any viruses on all electronic transmissions. The sender will maintain the anti-virus software with the most recent anti-virus update files from the software provider. The sender will notify the director immediately if a virus is detected.

## 436-160-0015

### Trading Partner Agreement (formerly 436-160-0020)

(1) If the director so requires, an insurer must enter into a trading partner agreement with the director before the division will begin testing with or accept production electronic transmissions from the insurer or from a vendor on behalf of that insurer.

(2) The trading partner agreement will include:

- (a) A statement that the insurer will remain responsible and liable for all electronic records transmitted to the director;
- (b) Transmission protocol between sender and director;
- (c) A specific description of the form, format, and delivery of electronic transmissions under OAR 436-160-0004 and 436-160-0050;
- (d) Specific identifying information for insurer, third party administrator, if any, and vendor, if any;
- (e) Cost allocation of transactions, if any;
- (f) The time frame for the director to submit acknowledgements of transmissions; and
- (g) Any other necessary statements, conditions, or requirements to facilitate EDI.

Stat. Authority: ORS 656.264 & 656.726(4)

## 436-160-0018

### Electronic signature (formerly 436-160-0070)

The sender's federal employer identification number (FEIN) plus its postal code as reported in the header record and stated in the trading part-

ner agreement, if such an agreement is required, is the unique identifier that is the electronic signature for electronic data interchange.

Stat. Authority: ORS 656.726(4)  
Stat. Implemented: ORS 84.001-84.061 & 656.264  
Hist.: WCD 5-2014(Temp), f. 6-5-14, cert. ef. 7-1-14 thru 12-27-14; Temporary suspended by WCD 7-2014(Temp), f. 7-10-14, cert. ef. 10-1-14 thru 12-27-14

## 436-160-0019

### Address Reporting (formerly 436-160-0090)

The sender will follow the standard United States Postal Service guidelines in reporting all addresses.

Stat. Implemented: ORS 656.264  
Hist.: WCD 5-2014(Temp), f. 6-5-14, cert. ef. 7-1-14 thru 12-27-14; Temporary suspended by WCD 7-2014(Temp), f. 7-10-14, cert. ef. 10-1-14 thru 12-27-14

## 436-160-0040

### Recognized Filing Date

(1) Unless otherwise stated in the trading partner agreement, an electronic record is sent when it:

(a) Is addressed or directed properly to an information processing system designated or used by the division to receive electronic records or information;

(b) Is in a form and format capable of being processed by that system; and

(c) Enters an information processing system outside the control of the sender or enters a region of the information processing system designated or used by the division and that is under control of the division.

(2) Unless otherwise stated in the trading partner agreement an electronic record is received when it:

(a) Enters an information processing system designated or used by the division to receive electronic records or information of the type sent and from which the division is able to retrieve the electronic record; and

(b) Is in a form and format capable of being processed by the division's information processing system.

(3) For the purpose of these rules, an electronic transaction is capable of being processed by the division's information processing system when all the required data elements are in the form and format specified in these rules, in the proper sequence, and in accordance with the terms of the trading partner agreement.

(4) A reprocessed transaction retains the filing date of the original transaction.

### Testing Procedures and Requirements

Testing and transition to production:

(1) To initiate a test for EDI, the sender must contact the director.

(2) Each transmission for test purposes must conform to the standards specified in OAR 436-160-0004, or as otherwise identified in the trading partner agreement. Test files will be evaluated in terms of whether the data was sent in the correct, standardized format.

(3) To be approved to send production transmissions, the sender must:

(a) Transmit records via EDI; and

(b) Accomplish secure file transfer protocol (SFTP) uploads and downloads.

(4) The sender must demonstrate the ability to send transmissions to the director that are readable, in the correct format, and can be processed through the division's information processing system. An EDI FTP test is successful if the sender is able to resolve any consistently recurring fatal technical errors identified by the division so that:

(a) Transmissions are sent to the director without structural errors;

(b) Transmissions are sent to the director without transaction level technical errors; and

(c) The sender can receive and process the automated EDI acknowledgement transactions.

(5) To move from test to production, 80 percent of the sender's transactions must have been accepted by the division by the end of the testing period, including corrected and resubmitted transactions. The director will consider the sender's anticipated volume of production transactions to determine the number of transactions per test transmission required.

(6) Test periods will last a maximum of 120 days. Test periods begin the day the division processes the sender's first test file. If the sender has not met the minimum requirements to move from test to production within

# ADMINISTRATIVE RULES

120 days of the start of testing, the sender may request a testing extension period of 60 days.

(7) Senders that fail to successfully transition from test into production within 180 days must wait an additional 180 days before requesting a new test period of 120 days.

### Insurers' Reporting Responsibilities

(1) Insurers with an average of at least 100 accepted disabling claims per year are required to electronically submit detailed medical bill payment data to the Department of Consumer and Business Services under OAR 436-160-0415. The number of accepted disabling claims is determined by the director based on an average accepted disabling claim volume for the previous three calendar years.

(2) Once the director has determined that an insurer's average accepted disabling claim count is 100 or higher the insurer must report medical bill payment data in subsequent years. If the insurer's claim count drops below an average of 50 accepted disabling claims, the insurer may apply to the director for exemption from the reporting requirement.

(3) The director will publish the list of insurers required to report medical bill data in Bulletin 359.

(4) Insurers that were required to report medical bill payment data under OAR 436-009-0030(12) before Jan. 1, 2011, must successfully complete EDI testing and begin reporting production data before Jan. 1, 2011.

### Medical Bill Data Changes or Corrections

(1) Changes or corrections to medical bill information must be submitted according to the standards referenced in OAR 436-160-0004.

(2) The Unique Bill ID will be used to match cancellations and replacements to the original bill. Failure to match on this data element will result in a rejected transaction.

## 436-160-0445

### Assessment of Civil Penalties

(1) Under ORS 656.745, the director may assess a civil penalty against an insurer who fails to comply with ORS Chapter 656 or the director's rules and orders.

(2) The insurer is responsible for its own actions as well as the actions of others acting on the insurer's behalf. If an insurer or someone acting on the insurer's behalf violates any provisions of these rules, the director may impose a civil penalty against the insurer.

### Electronic Medical Bill Data Transmission and Format Requirements

(1) The transmission data and format requirements are included in the IAIABC EDI Implementation Guide for Medical Bill Payment Records, Release 2.0 (Feb 1, 2014), and Appendices A and B of these rules. Oregon-specific information can be found on the division's Electronic Data EDI webpage: <http://www.cbs.state.or.us/wcd/operations/edi/ediindex.html>.

(2) Data elements are listed in Appendices A and B:

(a) Appendix A shows all medical bill data elements accepted by EDI in Oregon, and whether the data element is "Fatal Technical" (F), "Mandatory" (M), "Mandatory Conditional" (MC), "If Applicable/Available with Item Reject if Invalid" (AR), or "If Applicable/Available with Item Accept if Invalid" (AA) for each transaction type.

(b) Appendix B lists mandatory conditional data elements that are mandatory under specific conditions.

(3) Unless otherwise provided in these rules, the data elements must have the meaning provided in the IAIABC EDI Implementation Guide for Medical Bill Payment Records, Release 2.0, dated Feb. 1, 2014, Section 2; Health Care Claim (837).

(4) Transactions will be rejected if "Fatal Technical," "Mandatory," or "Mandatory Conditional" data elements are omitted, or include invalid values.

(5) Transactions will be rejected if "If Applicable/Available with Item Reject if Invalid" data elements include invalid values.

(6) Invalid "If Applicable/Available with Item Accept if Invalid" data elements will be ignored if they are included in a transaction.

### Oregon ASC X12 837 Medical Bill Data Reporting Requirements

(1) Event reporting requirements:

(a) Medical bills, including interpreter bills under OAR 436-009, must be reported within 60 days of the date paid.

(b) Denied medical bills for accepted claims must be reported within 60 days of date of denial. Denied bills are defined as any bills in which there is a non-zero charge and a zero payment.

(c) Transactions must be received and accepted by the division within 60 days of either the date paid or the date denied to be considered timely reported. If a transaction is initially rejected it must be corrected, resubmitted, and accepted within the original 60 day time period to be considered timely reported.

(d) Cancellations must be reported as soon as the payer knows that a medical bill was sent in error.

(e) Corrections/Replacements must be reported within 60 days of changes to any of the "Fatal Technical," "Mandatory," or "Mandatory Conditional" data elements in Appendices A and B.

(f) Bills received by the insurer before Oct. 1, 2014, may be reported to the Division using the IAIABC reporting standard version 1.1.

(2) Data reporting requirements are described in Appendices A and B.

(3) Technical requirements are described on the division's Electronic Data EDI webpage for specifications on the Secure File Transfer Protocol (SFTP) requirements.

(4) Data Quality: The director will conduct electronic edits for blank or invalid data. Affected insurers are responsible for pre-screening the data

they submit to check that all the required information is reported and is formatted correctly. OAR 436-160-0420 describes the acceptance or rejection protocol for all reported medical bills. The insurer is responsible for timely correcting and resubmitting all rejected transactions for which law or rule require filing, reporting, or notice to the director.

(5) An insurer must request and receive authorization from the director to stop submitting a previously rejected transaction when the division determines the transaction is uncorrectable.

(6) The director will periodically review reported bill data to monitor insurer performance. If the director finds repeated or egregious violations of the reporting requirements of these rules the director may issue civil penalties under OAR 436-160-0445 and ORS 656.745.

(a) Medical bills must be reported timely. "Timely" means that an insurer reports medical bills as required by OAR 436-160-0415(1).

(b) Medical bills must be reported accurately. "Accurately" means that the reported medical bill data accepted by the division conforms to the reporting requirements of the Appendices A and B.

(c) The insurer may be subject to penalties for any reported medical bills that have not been accepted by the division or designated as uncorrectable under OAR 436-160-0415(5) within 180 days of the date of bill payment or denial.

### Medical Bill Acknowledgement

(1)(a) The sender is expected to retrieve both TA1 and 999 interchange and functional acknowledgements (as defined by ASC X12) for each medical bill file submitted, unless technical errors in the file prevent 999 processing. In addition, the sender is expected to retrieve the 824 detailed acknowledgement, as defined by IAIABC Release 2.0 (Feb.1, 2014) for each medical bill file submitted, if at least one transaction has successfully passed the 999 edits.

(b) The detailed acknowledgement will indicate either an item accepted (IA) or an item rejected (IR) acknowledgement for each individual transaction.

(2) A TA1, 999 or 824 acknowledgement will be available for all transactions the division is unable to process, including but not limited to:

(a) An omitted mandatory data element;

(b) An improperly populated data element field, e.g., numeric data element field is populated with alpha or alphanumeric data, or is not a valid value according to the standards adopted in 436-160-0004;

(c) Transactions or electronic records within the transaction that require matching, and cannot be matched to the division's database, e.g., cancellation of an original bill that does not match the Unique Bill ID;

(d) Illogical data in mandatory or required conditional field, e.g., payment date is after reporting date;

(e) Duplicate transmission or duplicate transaction within the transmission;

(f) Invalid bill submission reason code; or

(g) Illogical event sequence relationship between transactions, e.g., cancellation transaction submitted before an original bill is accepted.

(3) A transaction accepted acknowledgement will be available for all transactions that are in a format capable of being processed by the division's information processing system and that are not rejected under section (2) of this rule.

(4) An insurer's obligation to report medical bill data for the purposes of this rule is not satisfied unless the division acknowledges acceptance of the transaction.

### Definitions

For the purpose of these rules and the Oregon Electronic Billing and Payment Companion Guide:

(1) "Clearinghouse" means an entity that is an authorized agent of the insurer or health care provider, including billing services, re-pricing companies, community health management information systems or community health information systems, and "value-added" networks and switches that does either of the following functions:

(a) Processes or facilitates the processing of health information received from another entity in a nonstandard format or containing nonstandard data content into standard data elements or a standard transaction.

(b) Receives a standard transaction from another entity and processes or facilitates the processing of health information into nonstandard format or nonstandard data content for the receiving entity.

(2) "Companion guide" means the Oregon Workers' Compensation Division Electronic Billing and Payment Companion Guide adopted by the division in these rules that provides standards for workers' compensation electronic billing transactions.

(3) "Complete electronic bill submission" means an electronic medical billing transaction that is populated with current and valid values defined in the applicable standard set forth in OAR 436-008-0004 that:

(a) Includes the correct billing format, with the correct billing code sets;

(b) Is transmitted in compliance with all necessary format requirements; and

(c) Contains, in legible text, all supporting documentation that is expressly required by law or can reasonably be expected by the payer or its agent under the jurisdiction's law.

(4) "Days" means calendar days. For calendar days, the first day is not included. The last day is included unless it is a Saturday, Sunday, or legal holiday. In that case, the period runs until the end of the next day that is not a Saturday, Sunday, or legal holiday. Legal holidays are those listed in ORS 187.010 and 187.020.

# ADMINISTRATIVE RULES

(5) "Director" means the director of the Department of Consumer and Business Services.

(6) "Division" means the Workers' Compensation Division of the Department of Consumer and Business Services.

(7) "Electronic" refers to a communication between computerized data exchange systems that complies with the standards set forth in these rules.

(8) "Explanation of benefits (EOB)" means an electronic remittance advice (ERA) or notification, sent or made available electronically by the insurer or an authorized agent of the insurer, to the health care provider, health care facility, or third-party biller or assignee regarding payment or denial of a bill, reduction of a bill, or refund.

(9) "Insurer" means:

(a) The State Accident Insurance Fund Corporation;

(b) An insurer authorized under ORS chapter 731 to transact workers' compensation insurance in Oregon;

(c) An insurer-authorized agent or payer;

(d) An assigned claims agent selected by the director under ORS 656.054; or

(e) An employer or employer group that has been certified under ORS 656.430 meeting the qualifications of a self-insured employer under ORS 656.407.

(10) "Medical Bill" means a statement of charges for medical services.

(11) "Payer" means the insurer or an entity authorized to make payments on behalf of the insurer.

(12) "Supporting documentation" means those documents necessary for the insurer to process a bill, including but not limited to medical reports and records, evaluation reports, narrative reports, assessment reports, progress report/notes, chart notes, hospital records, and diagnostic test results.

(13) "Trading partner" means any entity that exchanges information electronically with another entity.

## 436-008-0010

### Electronic Medical Bills

(1) Beginning Jan. 1, 2015, insurers must accept and process all electronically transmitted medical bills in accordance with these rules, the standards adopted under OAR 436-008-0004, and the companion guide.

(2) An insurer is exempt from the requirement to accept medical bills electronically from health care providers on or after Jan. 1, 2015, if a written notice is sent to the division, and approved by the director, on or before close of business on Dec. 31, 2014. The notice must explain in detail that the cost of electronic medical bill implementation will create an unreasonable financial hardship.

(3) Health care providers that elect to submit electronic medical bills to insurers must do so in accordance with these rules, the standards adopted under OAR 436-008-0004, and companion guide.

(4) All electronic medical billing transactions must be populated with current and valid values defined in the applicable standard set forth in OAR 436-008-0004.

(5) The health care provider, health care facility, third-party biller or assignee and the insurer may mutually agree to use nonstandard formats, but those formats must include all data elements required under the applicable standard, as set forth in OAR 436-008-0004.

(6) Health care providers and insurers may contract with other entities for electronic medical bill processing.

(7) Insurers and health care providers are responsible for the acts or omissions of their agents executed in the performance of electronic medical billing services.

(8) The data elements transmitted as part of a Trading Partner Agreement must at a minimum contain all the same required data elements found within the ASC X12 Type 3 Technical Reports and the jurisdiction-specific companion guide.

### Electronic Medical Bill Attachments or Documentation

(1) A unique attachment indicator number must be assigned to all documentation. The attachment indicator number populated on the document must include the report type code, the report transmission code, the attachment control qualifier, and the attachment control number.

(2) Documentation in support of electronic medical bills may be submitted by fax, secure email, regular mail, electronic transmission using the prescribed format, or by a mutually agreed upon format.

(3) Documentation in support of electronic medical bills must be submitted within five days of submission of the bill and include the following elements:

(a) Patient name (ill or injured worker);

(b) Date of birth (if available);

(c) Employer name;

(d) Insurer name;

(e) Date of service;

(f) Claim number (if no claim number then use "UNKNOWN"); and

(g) Unique attachment indicator number.

## 436-008-0020

### Electronic Medical Bill Acknowledgements

(1) If the electronic submission does not conform to the standards adopted under OAR 436-008-0004(1), then the insurer must send an acknowledgment adopted under 436-008-0004(2)(a) or 436-008-0004(2)(b) to the health care provider. This acknowledgement must be sent within one day of receipt of the electronic bill unless the electronic submission lacks sufficient identifiers to create an acknowledgment.

(2) If the electronic submission does conform to a standard adopted under OAR 436-008-0004(1), then the insurer must send an acknowledgment adopted under 436-008-0004(2)(c) to the health care provider within two days.

(3) Any acknowledgment of a medical bill, as provided in (1) or (2) of this rule is not an admission of liability by the insurer.

### Electronic Medical Bill Payments

(1) Insurers that accept and process a complete electronic bill for services, under OAR 436-008-0010(1)(a) or (b), must pay for treatment related to the injury or disease, provided or authorized by the treating health care provider, on accepted claims within 14 days of any action causing the service to be payable, or within 45 days of receipt of the electronic bill, whichever is later.

(2) If an insurer requires additional information before a payment decision can be made, a request for this information must be made to the medical provider within 20 days of receipt of the bill.

(3) The insurer must provide an explanation (EOB) of services being paid or denied.

### Electronic Remittance Advice; Explanation of Benefits

(1) An electronic remittance advice (ERA) or notification is an explanation of benefits (EOB) that the insurer submits electronically regarding payment or denial of a bill, reduction of a bill, or refund. An insurer must submit an EOB no later than five days after generating a payment.

(2) The EOB must include:

(a) The amount of payment for each service billed. When the payment covers multiple patients, the explanation must clearly separate and identify payments for each patient;

(b) The specific reason for non-payment, reduced payment, or discounted payment for each service billed; and

(c) An Oregon or toll-free phone number for the insurer or its representative, and a statement that the insurer or its representative must respond to a health care provider's payment question within 48 hours, excluding weekends and legal holidays.

(3) The insurer must make available, to health care providers, the applicable information specified under OAR 436-009-0030(3)(c)(A) through (F), including:

"If you disagree with this decision about this payment, please contact {the insurer or its representative} first. If you are not satisfied with the response you receive, you may request administrative review by the director of the Department of Consumer and Business Services. Your request for review must be made within 90 calendar days of the send/receive date of this explanation. To request a review, provide information that shows what you believe is incorrect about the payment, and send this information and

### Authority, Purpose, and Policy

(1) Authority: The authority for these rules is granted to the Director of the Department of Corrections in accordance with ORS 179.040, 423.020, 423.030, and 423.075.

(2) Purpose: The purpose of these rules is to establish Department of Corrections policy and procedures for the identification, assessment, review, and management of inmates that present with nonconforming gender at intake.

(3) Policy: Within the inherent limitations of resources, and the need to maintain facility security, order and discipline, the health and safety of inmates and staff, and to further inmate rehabilitation, it is the policy of the Department of Corrections, based on available information, to:

(a) Identify inmates that present with nonconforming gender upon delivery to the Department of Corrections when possible during intake processing; and

(b) Assess, review, and manage inmates that present with nonconforming gender at intake on an case-by-case basis, in a respectful manner, considering each inmate's individual circumstances, including but not limited to the inmate's physical sexual characteristics, gender identification, physical presentation, behavior and programming needs.

### Identification, Assessment, Review, and Management of Inmates that Present with Nonconforming Gender at Intake

(1) Identification at Intake: Staff shall seek to identify inmates that present with nonconforming gender upon delivery to the Department of Corrections during intake processing, based on available information from the county, the inmate (including the inmate's stated gender identity, if any), and as developed by staff.

(2) Appropriate and Professional Questioning: Staff shall question inmates regarding their sex and gender identity only when necessary to develop information for making appropriate intake and housing assignments, classification assignments, programming assignments; to provide health care and health assessments; and as necessary for the inmate's health or safety, or for the safe, secure, and orderly operation of the facility. Staff shall question inmates in a private and professional manner to avoid subjecting the inmate to the risk of possible abuse or ridicule.

(3) Initial Placement in Holding Cell: When staff identifies an inmate as presenting with nonconforming gender during intake processing, staff shall place the inmate in a holding cell in receiving and discharge to provide for the inmate's safety and to provide the inmate with a measure of privacy pending further review.

(4) Skin Searches:

(a) Skin searches are performed by appropriate security staff on each inmate upon the inmate's delivery to the facility. Ordinarily, a security staff member of the same sex as the inmate will be assigned to conduct the skin search.

(b) If the intake sergeant cannot determine the sex of the inmate, the Intake Sergeant shall ask the inmate to identify which gender of security staff member they prefer to conduct the skin search. If the inmate does not provide the requested information, the intake sergeant shall notify the officer-in-charge (OIC). The OIC shall then assign a security staff member of an appropriate sex to conduct the skin search of the inmate based on the information available and discussion with the inmate.

(c) If staff has not determined that an inmate presents with nonconforming gender, and security staff discover during the conduct of a skin search that the inmate has physical sexual characteristics of the sex opposite of the security staff member conducting the search, the security staff member will immediately cease conducting the search and notify the intake sergeant. The intake sergeant shall follow the steps in subsection (b) above to conduct the skin search.

(5) Intake Housing Assignment:

(a) Following initial placement in a holding cell, an inmate identified by staff as presenting with nonconforming gender during intake processing shall be assigned to a single cell in the Infirmary, on a space available basis, until the appropriate housing for the inmate has been staffed by the NonConforming Gender Review Committee.

(b) If there are no infirmary beds available, the functional unit manager or designee will assign the inmate to appropriate alternative housing in the facility, and document the reasons for the alternative housing assignment.

(6) Clothing at Intake Center: Inmates that have been identified by staff as presenting with nonconforming gender at intake will be issued the following clothing to wear during intake processing - two sets of scrubs; two t-shirts; sweatshirt; two bras (if requested or needed); underwear (type issued based on inmate request); pajamas (type issued based on inmate request); and socks and intake shoes.

(7) Recreation at Intake Center: All inmates will be afforded out of cell time equal to the unit they are being housed in or as facility operation allows. A minimum out of cell time will be three (3) times a week.

(8) Shower and Hygiene at Intake Center: Inmates that have been identified by staff as presenting with nonconforming gender at intake shall shower separately from other inmates.

### IMU Assignments

(1) Custody Level 5 inmates who have received a sentence other than a sentence of death, or who are pending retrial in a case in which a death sentence may be re-imposed, shall be assigned to an IMU or IMU status cell. Inmates who have received a sentence of death (inmates on death row status), or who are under investigation for or who have been charged with the in-custody murder of another inmate or staff, may be assigned housing in an IMU or IMU status cell.

(a) An inmate demonstrates the need for custody Level 5 housing by demonstrating behaviors that in the judgment of the department cause serious management concerns.

(b) Inmates assigned to an IMU or IMU status cell may be temporarily assigned to other housing, treatment, program or service units (i.e., infirmary, Administrative Housing, Disciplinary Segregation, mental health special housing, Death Row) for housing, treatment, or programming as deemed necessary or advisable by the department.

(2) Assignment Request: A request for assignment to an IMU shall be initiated if an inmate scores custody Level 5, or when an override request to custody Level 5 is made.

(a) A Classification Summary, Intensive Management Unit Administrative Action Sheet (CD8a) and all pertinent information which

# ADMINISTRATIVE RULES

demonstrates the need for IMU assignment shall be sent to the Office of Population Management.

(b) Staff shall indicate the reason for referral and a short statement describing the reason for requesting an IMU assignment. The Office of Population Management will approve or deny the request.

(3) Documentation of Decisions: All decisions by the Office of Population Management Administrator or designee will be documented on the Intensive Management Unit Administrative Action Sheet (CD 8a) and returned to the facility initiating the request. The signed copy of the action sheet shall be filed in the inmate's IMU file at the Office of Population Management.

(4) Notice: Decisions by the Office of Population Management Administrator or designee that assign an inmate to IMU status will be sent to the inmate along with a Classification Summary (CD1120D), Intensive Management Unit Administrative Action Sheet (CD8a), Request for Administrative Review (CD1120aD), and a description of the inmate's review options.

### Programming Levels of Intensive Management Unit Inmates

(1) An inmate's adjustment and behavior while housed in the Intensive Management Unit will determine the inmate's service and activities program level. The schedule for programs and services are as follows:

(a) Level One basic services provided to Intensive Management Unit (IMU) inmates:

(A) Correspondence and photos (excluding publications): As received through the mail after assignment to level one.

(B) Canteen: Envelopes ordered every two weeks.

(C) Legal services: As required in accordance with the department's rule on Legal Affairs (Inmate), OAR 291-139.

(D) Religious services and materials: As requested and meeting security requirements.

(E) Personal hygiene/shower: Three times per week.

(F) Treatment/Programming/Educational Services: As deemed appropriate to the individual treatment program and meeting security requirements.

(G) Library: One paperback book on a scheduled exchange basis.

(b) Level Two services and activities available to IMU inmates in addition to level one basic services:

(A) Visiting: Two one-hour sessions per month. No more than one visiting session allowed per week.

(B) Recreation: 40 minutes per day, five days per week.

(C) Library: Two paperback books on an as needed, exchange basis.

(D) Canteen: \$15 worth of canteen items ordered every two weeks.

(E) Educational material: As requested, approved and meeting security requirements.

(c) Level Three services and activities available to IMU inmates in addition to level two services:

(A) Visiting: Three one-hour sessions per month. No more than one visiting session allowed per week.

(B) Canteen: \$20 of canteen items ordered every two weeks.

(C) Personal property: One approved property storage container.

(D) Radio/headphones: One time issue, which remains state property.

(E) Work assignments.

(d) Level Four services and activities available to IMU inmates in addition to level three services:

(A) Visiting: Four one-hour sessions per month. No more than one visiting session allowed per week.

(B) Canteen: \$30 worth of canteen items ordered every two weeks.

(C) Personal property: No more than two approved storage containers.

(2) Program Level Criteria:

(a) The Assistant Superintendent, Correctional Rehabilitation or designee, will establish criteria for the various program levels.

(b) All inmates assigned to an Intensive Management Unit or IMU status cell will begin on program level two. The IMU Inmate Program Committee will evaluate each inmate's legal or investigative status, conduct, program involvement and behavior periodically, at least every 90 days, to determine further and appropriate program level assignment.

(c) Demotions:

(A) An inmate may be demoted one or more program levels for conduct or behavior which threatens the safe, secure and orderly operation of the Intensive Management Unit or failure to participate in programs. An inmate will not be demoted to a level one strictly for failure to participate in a program. Any demotion to level one shall be based on inmate behavior.

(B) If immediate action is necessary, the IMU shift supervisor may take appropriate action and recommend a reduction in an inmate's program level and submit it to the Intensive Management Unit manager for approval. All demotions will be reviewed by the IMU Inmate Program Committee for final approval.

(d) Inmate Program Committee Guidelines for Level Advancement: The following criteria will be considered when evaluating an inmate's adjustment in IMU for program level advancement:

(A) Level One: One month at level one with no major rule violation and no more than one minor rule violation may earn promotion to:

(B) Level Two: Two months at level two with no major rule violation and no more than one minor rule violation and active participation in prescribed programming may earn promotion to:

(C) Level Three: Three months at level three with no major rule violation and no more than one minor rule violation and a successful completion of prescribed programs may earn promotion to:

(D) Level Four: Maintain level four with no major rule violation and no more than one minor rule violation.

(3) Immediately following any action of self destruction, a medical or psychological services staff member will be consulted by the IMU Manager to determine if the inmate should be recommended for transfer to mental health special housing.

(4) IMU status inmates will be permitted to leave their cell as appropriate to their program level for: visits, exercise, showers, medical, dental, or mental health services, hearings, interviews, or other reasons as authorized by the IMU Manager.

(a) The Assistant Superintendent of Security will assign escort supervision as deemed appropriate.

(b) IMU inmates will not be permitted to leave their cells without approval from the IMU Manager, or unless previously scheduled to do so for program participation. The inmate will be in restraints at all times while being escorted inside and outside the unit. Routine staff interviews may be accomplished at the inmate's cell.

(5) The IMU Manager or designee will conduct a tour of the Intensive Management Unit at least once per shift. Inmates may address questions to the IMU Manager at this time.

### Retention/Re-assignment from an IMU or IMU Status Cell

(1) When considering an inmate for re-assignment from an IMU or IMU status cell to other appropriate housing, the IMU Inmate Program Committee will consider the inmate's adjustment within IMU, the nature and severity of the high category misconduct, length of time in IMU, and past history. The committee may also consider the degree of participation in self-improvement programs: mental health counseling, anger management, education, job assignments, alcohol/drug abuse therapy, assessment and evaluation, behavioral contracts, security threat group disassociation, communicable disease counseling, or other institutional management concerns.

(2) Periodic Review:

(a) The IMU IPC shall review each inmate assigned to an IMU or IMU status cell periodically, at least every 90 days, or within 30 days of the

# ADMINISTRATIVE RULES

inmate obtaining program level four status, to determine if they will be retained in or re-assigned from an IMU or IMU status cell to other appropriate housing.

(b) Prior to the review and recommendation by the IMU Inmate Program Committee, the IMU status inmate will receive notice and be allowed an opportunity to provide written submission to the IPC for their consideration.

(c) The IMU Inmate Program Committee shall submit a written recommendation to either retain or reassign an inmate from IMU or an IMU status cell to the Office of Population Management Administrator or designee. A completed IMU 90 Day Review (CD1683) must be sent to the Office of Population Management describing the reason(s) and justification for the inmate to be either retained on long-term status or re-assigned from IMU or an IMU status cell.

(d) The Office of Population Management Administrator or designee shall make a decision to retain the inmate in IMU or an IMU status cell or assign the inmate to other appropriate housing. The Office of Population Management Administrator's or designee's decision is final and not subject to further review.

### Services, Programs and Activities

(1) Basic: The following basic programs and services will be provided to all inmates in IMU unless compelling security or safety reasons dictate otherwise.

- (a) Food:
  - (A) Except when under special diet specifically prescribed by the medical officer, each IMU inmate shall receive food prepared in accordance with the Department of Corrections rule on Food Service Programs, OAR 291-061.
  - (B) Food will be delivered to each inmate in his/her cell by a staff member.
  - (C) Food shall never be used as punishment.
  - (D) Intensive Management Unit inmates who intentionally misuse food or eating utensils may be subject to the provisions of the department's rule governing Controlled Feeding, OAR 291-083.
- (b) Clothing: A clean set of undergarments and coveralls will be provided on an exchange basis three times a week.

(c) Bedding: Clean sheets and one pillow case will be exchanged on a weekly basis. A clean towel will be provided on an exchange basis at least three times per week.

(d) Personal Hygiene/Shower: Inmates will be allowed to shower, shave and obtain necessary personal care items three times a week. Arrangements for haircuts will be arranged on a regularly scheduled basis.

(e) IMU inmates shall be provided correspondence privileges in accordance with the Department of Corrections rule on Mail (Inmate), OAR 291-131. Inmates may submit Interview Requests and grievances. Grievances will be handled in a manner prescribed by the Department of Corrections rule on Grievance Review System (Inmate), OAR 291-109.

(f) Legal Services: IMU inmates may pursue their legal activities in accordance with the Department of Corrections rule on Legal Affairs (Inmate), OAR 291-139. Legal material will be provided. Abuse of materials may result in disciplinary action. Attorney visits must be scheduled in advance.

(g) Religious: IMU inmates will be allowed to receive religious guidance if requested. Religious Services staff will visit each Intensive Management Unit once per week. Request for religious material will be reviewed by the Assistant Superintendent of Security or his/her designee prior to issuing to the inmate.

(h) Medical/Dental/Mental Health Services:

(A) Health care and mental health care services will be provided to inmates in IMU in accordance with the Department of Corrections rule on Health Services (Inmate), OAR 291-124.

(B) A member of the Health Services staff shall minimally visit the Intensive Management inmates three times weekly. The staff member will provide each inmate an opportunity to talk with him/her and refer requests for medical, dental, mental health services to the appropriate staff member.

(C) A physician will visit Intensive Management Units as the need arises. Dental services will be provided on a schedule determined between the unit manager or his/her designee and the Health Services Manager.

(D) Mental Health Services: Behavioral Health Services staff shall perform and supervise mental health services as needed. Services may include crisis intervention, behavioral contracts, anger management, brokering out other mental health services, as well as transitional services. While it is recognized some inmates refuse services and are otherwise unamenable to treatment, the accessibility to treatment services remains available during times of assessment, by inmate request, or could be fostered by an inmate's uncontrollable behavior(s).

(2) Services: Depending on unit adjustment and inmate programming level, inmates have opportunities for increased programs and services. These programs and services may include the following:

(a) Visits: Visits will be permitted based on the inmate's program level and conducted in accordance with the department's rule on Visiting (Inmate), OAR 291-127. Visits will be conducted in a basic visiting area for IMU status inmates. Visits must be scheduled at least three days in advance of the visit.

(b) Exercise: Inmates in the Intensive Management Unit shall have the opportunity to exercise out of their cells as outlined by the IMU program level, except for those inmates who receive a conduct order or disciplinary sanction as provided in the department's rule on Prohibited Inmate Conduct (OAR 291-105). Inmates eligible to exercise will receive 40 minutes of exercise per day, five days per week. The 40-minute exercise period will begin when the inmate exits his/her cell.

(c) Library: Paperback books are available for inmate use on an exchange basis. The books may be exchanged on a regularly scheduled basis.

(d) Canteen: As outlined in the Intensive Management program level, inmates may be eligible to purchase canteen items. Canteen items will be issued every other week to eligible inmates. Authorized canteen items are as follows:

- (B) Level Two:
  - (i) Envelopes, 30 total;
  - (ii) Notebook paper;
  - (iii) Wash cloth;
  - (iv) Shower thongs;
  - (v) Small container of hair conditioner;
  - (vi) Small tube body lotion;
  - (vii) Denture cleanser/container;
  - (viii) Hand soap;
  - (ix) Plastic soap dish;
  - (x) Small tube shampoo;
  - (xi) Toothpaste; and

# ADMINISTRATIVE RULES

(xii) Eye care solution.

(C) Levels Three and Four: In addition to the above, inmates may purchase additional items as authorized by the functional unit manager or designee.

(e) Education: Education services may be made available to inmates assigned to IMU or to an IMU status cell to assist in developing each inmate's academic needs.

(f) Correctional Counselor Services: A correctional counselor will be assigned to each IMU.

(g) The services listed in sections (a) through (f) above will be provided unless security, staff availability, safety or sanitation considerations dictate otherwise as authorized by the functional unit manager or designee.

### Forfeiture/Deprivation of Service or Activity

(1) An Intensive Management Unit inmate may be required to forfeit or be temporarily deprived of any service or activity when the inmate is using them to destroy or damage property, obstruct security, or threatens physical violence to self or others. If an inmate is using any service or activity for self destruction, that service/activity may be temporarily removed upon order of the IMU manager or designee. Any item(s) withheld shall be returned at the earliest possible time when the basis for removal has ceased to exist. A written report documenting the action will be forwarded to the functional unit manager or designee.

(2) Services and activities may be forfeited or deprived as a result of a disciplinary sanction in accordance with the Department of Corrections rule on Prohibited Inmate Conduct and Processing Disciplinary Actions, OAR 291-105.

(3) Additional programs and services will depend on the inmate's adjustment and adherence to department rules and Intensive Management Unit regulations. Programs and services outlined in this rule denote eligibility only, they do not guarantee program and service delivery. Staff and facility resources may determine frequency and duration of approved inmate activity.

cer employed by the department may possess and store a personal firearm in the officer's personal vehicle when the vehicle is parked in a department parking lot at a Department of Corrections facility only if the officer:

(a) Is present in the officer's official capacity at a public building occupied by the department;

(b) Has a valid concealed handgun license issued pursuant to ORS 166.291 and 166.292; and

(c) Has secured the personal firearm in a closed and locked trunk, glove compartment, center console or other container, and the key is not inserted into the lock, if the trunk, glove compartment, center console or other container locks with a key.

(2) Use of Department Storage Facilities Required Where Provided: If the department has provided a secure and locked location for eligible corrections officers to store their personal firearms at a Department of Corrections facility, the corrections officer must promptly store the officer's personal firearm in the storage location designated by the department, and not in the officer's personal vehicle.

(3) Ammunition: Corrections officers who bring personal firearms to a Department of Corrections facility in accordance with these rules may possess and store with their personal firearm only that amount of ammunition that the personal firearm is designed to hold. Additional rounds or magazines of ammunition beyond the design capacity of the officer's personal firearm are unauthorized.

(4) Under no circumstance may a corrections officer carry a personal firearm within the secure perimeter of the correctional facility, unless authorized by the correctional facility's confidential procedure in order to securely store the officer's personal firearm.

(5) Personal firearms shall not be carried or used during the performance of official duties.

### Authority, Purpose, and Policy

(1) Authority: The authority for this rule is granted to the Director of the Department of Corrections in accordance with ORS 179.040, 423.020, 423.030, and 423.075.

(2) Purpose: The purpose of this rule is to establish policy and procedures governing the use of the inmate telephone system.

(3) Policy: The department encourages productive relationships between inmates and their families and recognizes telephone services are a positive means to strengthen ties and increase the likelihood of success upon release.

(a) It is the policy of the Department of Corrections to allow inmates to make telephone calls in accordance with the procedures outlined in this rule.

(b) It is the policy of the Department of Corrections that video interactive phone calls are a part of the inmate telephone system, and such calls are governed by the same policy and procedures as telephone calls.

(c) Within the inherent limitations of resources and the need for facility security, safety, health and good order, it is the policy of the Department of Corrections to permit, promote, facilitate, and encourage approved use of telephone systems between inmates and their families, friends, and others in Department of Corrections facilities.

### Operation of Inmate Telephones

(1) Inmates are required to provide their personal identification number (PIN) and validated voice recognition to gain access to the inmate telephone system.

(a) Inmates are responsible to maintain the security of their access information.

(b) An inmate may not use another inmate's access information.

(c) The department is not responsible for theft, loss or costs related to an inmate lending his/her access information or failing to provide for its safekeeping.

(d) An inmate's PIN will be terminated if it has been lost, stolen, or if in the sole judgment of the functional unit manager/designee, the PIN has been used by the inmate or another person to engage in activity that violated department rule, state or federal law, or in other activity that poses a threat or is detrimental to the security, safety, health, good order or discipline within a Department of Corrections facility, inmate rehabilitation or that facilitates criminal activity.

(e) If an inmate's PIN is terminated, the department will issue the inmate a new PIN. The department may assess the inmate a PIN replacement fee.

(2) Prepaid Calls: The department will establish a telephone account for each inmate.

(a) Inmates may transfer funds from their trust account to their telephone account. Availability of funds in the inmate's trust account will be verified before any transfer of funds to the telephone account.

(b) An inmate shall address any issues regarding funds in his/her telephone account directly to the inmate telephone service provider.

### General Provisions for Inmate Telephones

(1) All calls must be placed as collect or prepaid. Only collect or prepaid calls can be made from telephones designated for inmate use.

(2) The functional unit manager or designee has the authority to restrict telephone calls by an inmate if the safety of the public would be involved or the security of the facility or safety and welfare of any person would be jeopardized.

(3) Inmates shall not participate in three way calls or any form of call forwarding. An inmate may be assessed a service fee from the inmate telephone service provider if it is verified he/she has participated in a three-way call or any form of call forwarding.

(4) Inmates shall not place charges to third party numbers, motels, hotels, places of business, credit cards or to telephone company calling card numbers.

(5) If the telephone call cannot be completed because no one answers or the line is busy, the inmate shall hang up and attempt another call at another time.

(6) Inmates shall not loiter in the surrounding area where telephones are located.

(7) Only one inmate at a time shall be permitted access to a telephone. The inmate who initiates a call is the only person authorized to converse with the contact party during that call.

(8) Inmates may be required to sign up on the telephone log (CD 755) to reserve a time to use a telephone in a housing unit or activity area when there are a large number of inmates who want access to a telephone but there are a limited number of telephones.

(9) A set of Oregon telephone directories for major cities shall be located in the facility library.

(10) Special Housing: Inmates in special housing may be allowed telephone services as established by the functional unit manager. Special housing includes administrative housing, disciplinary segregation, Intensive Management Unit, Death Row housing, mental health special housing, and facility infirmaries.

(a) Inmates in special housing may have restricted telephone services, and be allowed only emergency calls, legal calls as specified in OAR 291-130-0021, or other calls as authorized by the functional unit manager or designee.

(b) Inmates in mental health special housing may have limited access to telephones if the access interferes with the inmate's treatment.

(11) The department may prohibit an inmate from calling a particular person or phone number when requested by the person, or in the case of a minor child, by the child's parent or legal guardian.

(12) Telephone calls between inmates and staff or former staff are not allowed without express written authorization by the functional unit manager or designee.

(13) Other inmate telephone services or restrictions, not specifically addressed in this rule, may be implemented for safety and security reasons or as authorized by the functional unit manager.

(14) Inmates shall report all inmate phone repair issues as directed by the department.

### General Provisions for VIP Calls

(1) Inmates are responsible to schedule VIP calls through the inmate telephone system via kiosks located throughout each institution.

(a) Accessibility to VIP calls will differ by institution given the uniqueness of each institution.

(b) Inmates will be allowed to make VIP calls during designated times based on a first-come, first-served basis to access their accounts with staff authorization.

(2) Inmates must place VIP calls as prepaid. The inmate telephone system does not allow collect VIP calls.

(3) If the inmate cannot complete the VIP call because the called party is not available or for other reasons, the inmate shall terminate the call and reschedule at another time.

(4) Inmates shall not loiter in the surrounding area where kiosks are located.

(5) Only one inmate at a time shall be permitted access to a VIP call. The inmate who initiates a VIP call is the only person authorized to converse with the contact party during that call. An inmate may be assessed a fee from the inmate telephone service provider if it is verified more than one inmate participated in a VIP call.

(6) Family VIP Calls: The functional unit manager or designee, at their sole discretion, may authorize more than one inmate to participate in a VIP call to encourage and promote responsible familial relationships.

(7) Appropriate Clothing/Dress:

(a) Inmates must be properly attired consistent with standards set forth in OAR 291-123-0015(5) and the inmate handbook.

(b) The caller or contacted party is encouraged to wear clothing that is conservative in nature; e.g., clothing that is not unduly suggestive or form fitting. The caller or contacted party shall not display male or female genitalia, the pubic area or anus, or expose the female breasts.

(8) VIP calls between inmates and staff or former staff are not allowed without express written authorization by the functional unit manager or designee.

(9) Special Housing: Inmates in special housing are not allowed access to VIP calls, unless authorization is given by the functional unit manager. Special housing includes administrative housing, disciplinary segregation, Intensive Management Unit, Death Row housing, mental health special housing, and facility infirmaries.

(10) The department may prohibit an inmate from participating in a VIP call with a particular person or phone number when requested by the person, or in the case of a minor child, by the child's parent or legal guardian.

(11) Inmates shall not participate in VIP calls with two or more parties using different IP addresses during the same VIP call. An inmate may be assessed a service fee from the inmate telephone service provider if it is verified he/she has participated in a VIP call with participants using more than one IP address.

### Monitoring, Termination and Blocking of Telephone and VIP Calls

(1) All calls are subject to monitoring and recording except for legal telephone calls.

(a) Directly above each group of monitored telephones, a sign shall be posted stating in English and Spanish, "Phone calls are subject to being monitored and recorded."

(b) Directly above each VIP kiosk, a sign shall be posted stating in English and Spanish, "VIP calls are monitored and recorded."

(2) An inmate's use of the inmate telephone system to engage in activity that is a violation of department rules, state, or federal law may result in disciplinary action and possible restriction of telephone services.

(3) The department may block access to phone numbers used to commit a crime or violate department rules, including any attempt to place a three-way call or use any form of call forwarding. The owner of a telephone number that has been blocked for participation in a three-way call or call forwarding may request an administrative review by writing to the Inspector General.

(4) An inmate's telephone services may be suspended by the functional unit manager/designee, in his/her sole discretion, when the functional unit manager/designee has reason to believe the inmate has used or may use inmate telephone services to:

(a) Engage in activity that violates department rule, state or federal law; or

# ADMINISTRATIVE RULES

(b) Engage in other activity that poses a threat or is detrimental to the security, safety, health, good order or discipline within a Department of Corrections facility, inmate rehabilitation, facilitates criminal activity, or jeopardizes the safety and welfare of any person.

(c) The guidelines for suspension of VIP services for inmates and callers are found in Exhibit A.

(d) If the activity is deemed to be a severe violation by the inmate of department rules, state, or federal law, disciplinary action will result; and the inmate will be held accountable in accordance with the provisions of the inmate disciplinary rules (OAR 291-105).

(5) A "high alert" inmate under the management of the Security Threat Management Unit may have his/her telephone services or individual telephone calls suspended, restricted, or modified in accordance with OAR 291-069-0270, Management of High Alert Inmates.

## Department of Energy Chapter 330

**Rule Caption:** Establishes home energy performance score system criteria, approval process, reporting requirements and assessor training.

**Adm. Order No.:** DOE 5-2014

**Filed with Sec. of State:** 6-30-2014

**Certified to be Effective:** 7-1-14

**Notice Publication Date:** 5-1-2014

**Rules Adopted:** 330-063-0015, 330-063-0025

**Rules Amended:** 330-063-0000, 330-063-0010, 330-063-0020, 330-063-0030, 330-063-0040

**Subject:** The permanent rules implement Section 12 of House Bill 2801, passed by the 2013 Oregon Legislative Assembly, which required the Oregon Department of Energy to adopt by rule a home energy performance score system for use in Oregon, training requirements for home energy assessors certified by the Construction Contractors Board, and requirements, if any, for home energy assessors to report home energy performance score data to the department.

In the permanent rules, the previously existing rule language for energy performance scores for residential buildings is replaced with new residential-related rule language pursuant to HB 2801. The amendments include new language describing: required elements of home energy performance score systems, a process for home energy performance score systems to be reviewed by a technical panel and approved for use in Oregon by the department's director, three home energy performance score systems that are grandfathered for use in Oregon until July 1, 2016, minimum training requirements for individuals seeking certification as home energy assessors by the Construction Contractors Board, and a requirement for home energy assessors to report home energy performance score data to the department unless the department is able to obtain the data through other means.

Additionally, the previously existing rule language related to energy performance scores for commercial buildings is rearranged and updated in the permanent rules in order to consolidate the commercial-related requirements into one rule section, clarify certain language, and use terminology consistent with the proposed new residential-related language.

#### Purpose and Scope

These rules establish requirements of using a voluntary energy performance score system for the purpose of evaluating:

(1) Energy conservation and energy efficiency of new and existing residential buildings in Oregon; and

(2) Energy use in new and existing commercial buildings in Oregon.

#### Definitions

For the purposes of these rules, unless otherwise specified, the following definitions shall apply:

(1) "Asset rating" means a representation of the building's energy efficiency or energy use generated by modeling under standardized weather and occupancy conditions.

(2) "Building" means any enclosed structure created for permanent use as a residence, a place of business, or any other activities whether commercial or noncommercial in character.

(3) "Building energy assessment" means a determination of a building's energy use and energy efficiency by analyzing the building's physical systems and assuming certain operational characteristics.

(4) "Commercial building" means a structure of which more than 50 percent of usable square footage is used or intended for use in the exchange, sale, or storage of goods, or the provision of services.

(5) "Department" means the State Department of Energy created under ORS 469.030.

(6) "Director" means the Director of the State Department of Energy appointed under ORS 469.040.

(7) "Energy performance score system" means a technical and administrative framework for producing and reporting metrics that describe the energy consumption, generation and efficiency of a building.

(8) "Home" means a residential building.

(9) "Home energy assessor" has the meaning given that term in ORS 701.527.

(10) "Home energy performance score" has the meaning given that term in ORS 701.527.

(11) "Home energy performance score system" means an energy performance score system designed and used for residential buildings and which meets the requirements of OAR 330-063-0015(1).

(12) "Operational rating" means a representation of a building's energy use generated by measuring actual energy consumption taking into consideration all physical systems and their operation.

(13) "Physical systems" means any energy-consuming equipment integrated in the building design, function or operation.

(14) "Residential building" has the same meaning as "residential structure" as defined in ORS 701.005.

### 330-063-0015

#### Home Energy Performance Score System Requirements

(1) A home energy performance score system must:

(a) Generate a home energy performance score that meets the requirements of section (2);

(b) Generate a home energy performance report that meets the requirements of sections (3) and (4);

(c) Incorporate building energy assessment software, the output of which must be used to derive the information presented on the home energy performance report;

(d) Provide or specify required training in the use of the home energy performance score system for home energy assessors; and

(e) Establish minimum performance standards for quality assurance.

(2) A home energy performance score must be an asset rating that is based on physical inspection of the home or design documents used for the home's construction.

(3) A home energy performance report must include the following information, which must be presented on a single side of a single page if the report is formatted for printing:

(a) The home energy performance score described in section (2) and an explanation of the score;

(b) An estimate of the total annual energy used in the home in retail units of energy, by fuel type;

(c) An estimate of the total annual energy generated by on-site solar electric, wind electric, hydroelectric, and solar water heating systems in retail units of energy, by type of fuel displaced by the generation;

(d) An estimate of the total monthly or annual cost of energy purchased for use in the home in dollars, by fuel type, based on the current average annual retail energy price of the utility serving the home at the time of the report;

(e) The current average annual utility retail energy price in dollars, by fuel type, used to determine the costs described in subsection (d) of this section;

# ADMINISTRATIVE RULES

(f) At least one comparison home energy performance score that provides context for the range of possible scores. Examples of comparison homes include, but are not limited to, a similar home with Oregon's average energy consumption, the same home built to Oregon energy code, and the same home with certain energy efficiency upgrades.

(g) The name of the entity that assigned the home energy performance score and that entity's Construction Contractors Board license number if such a license is required by law;

(h) The date the building energy assessment was performed; and

(i) The statement "This report meets Oregon's Home Energy Performance Score standard." Reports generated by home energy performance score systems that have not been approved for use in Oregon according to OAR 330-063-0020 may not include this statement.

(4) Additional information that may be presented in a home energy performance report includes, but is not limited to:

(a) A list of recommended energy efficiency upgrades for the building;

(b) A hypothetical home energy performance score representing the score the building would be expected to receive upon completion of the energy efficiency upgrades in subsection (4)(a);

(c) The estimated amount of carbon dioxide equivalent (CO<sub>2</sub>e) emissions, in metric tons, resulting from the energy used in the home based on the carbon intensity, as reported on the department website, of the electricity provided by the electric utility that serves the home, natural gas and other fuel types used in the home.

## 330-063-0020

### Review and Approval of a Home Energy Performance Score System

(1)(a) The director will appoint a stakeholder panel to recommend to the director whether to approve home energy performance score systems for use in Oregon.

(b) Members of the stakeholder panel may serve terms up to five years. Members may include but are not limited to:

(A) A chair from the Oregon Department of Energy;

(B) A representative from Energy Trust of Oregon;

(C) A representative from the U.S. Department of Energy;

(D) A representative from a provider of building energy assessment software;

(E) A representative from each home energy performance score system approved for use in Oregon;

(F) A representative from an investor-owned electric utility;

(G) A representative from a consumer-owned electric utility;

(H) A representative from a natural gas utility;

(I) A representative from the residential construction industry;

(J) A representative from the real estate industry;

(K) A representative from the appraisal industry; and

(L) A representative from an entity that provides training for building energy assessments.

(c) In its review of a home energy performance score system, the stakeholder panel must review all required elements of the home energy performance score system listed in OAR 330-063-0015.

(d) The stakeholder panel may recommend to the director criteria for approval of home energy performance score systems, criteria for approval of training and certification programs or work experience, and revisions to OAR 330-063-0015 that specify criteria for content and format of a standard energy metrics label to be included in all home energy performance reports.

(e) The stakeholder panel may develop a charter and operating procedures. The stakeholder panel must provide its recommendations to the director in writing and must include a description of any dissenting views of panel members. Recommendations should be based on consensus when possible.

(2) Except as provided in section (3), home energy performance score systems must meet the requirements of OAR 330-063-0015, be reviewed by the stakeholder panel and be approved by the director prior to being used to assign home energy performance scores to homes in Oregon.

(a) An entity seeking approval for use of a home energy performance score system in Oregon must submit to the department a written request for review and approval. The request must include:

(A) A copy of or an internet link to the building energy assessment software used by the home energy performance score system;

(B) A sample of the home energy performance report generated by the home energy performance score system;

(C) A copy of test results demonstrating the accuracy of the building energy assessment software used by the home energy performance score system; and

(D) Other information that may be necessary for the stakeholder panel to make a recommendation to the director.

(b) Within 120 days of the department's receipt of a complete request, the stakeholder panel must complete its review of the home energy performance score system and provide its written recommendation to the director. If the stakeholder panel is unable to make a recommendation to the director within 120 days, department staff will make a recommendation to the director.

(c) Within 60 days of the director's receipt of the stakeholder panel's recommendation, the director will decide whether the home energy performance score system is approved for use in Oregon and provide that decision, including reasons for denying approval if approval is denied, in writing to the applicant. In deciding whether to approve a home energy performance score system for use in Oregon, the director will consider:

(A) Whether the system meets the requirements for home energy performance score systems in OAR 330-063-0015;

(B) The recommendation of the stakeholder panel, as well as dissenting views raised by one or more panel members;

(C) The test results of the building energy assessment software used by the home energy performance score system;

(D) The degree and nature of use of the system in the marketplace; and

(E) Any other information the director determines is necessary to make a decision whether to approve.

(3)(a) The following home energy performance score systems are approved for use in Oregon until January 1, 2016, without undergoing the review and approval process described in section (2):

(A) Energy Trust of Oregon EPS® in effect May 1, 2014;

(B) U.S. Department of Energy Home Energy Score in effect May 1, 2014; and

(C) Residential Energy Services Network Home Energy Rating System in effect May 1, 2014.

(b) No later than January 1, 2016, home energy performance score systems listed in subsection (3)(a) must meet the requirements of OAR 330-063-0015, and the provider of a home energy performance system listed in subsection (3)(a) must seek approval for the system's continued use in Oregon by submitting to the department a written request for review and approval according to subsection (2)(a). After the department has received the complete request, the home energy performance system may continue to be used in Oregon until the director has provided a decision whether to approve in writing to the applicant. The request will be reviewed by the stakeholder panel and considered for approval by the director according to the process and timelines described in subsections (2)(b) and (c).

(4) The provider of a home energy score system that has been approved for use in Oregon must submit to the department a new written request for review and approval every time a substantive revision is made to the approved system. The request for review and approval must include supporting documentation describing the revision. The request will be reviewed by the stakeholder panel and considered for approval by the director according to the process and timelines described in subsections (2)(b) and (c). A home energy performance score system that has undergone a substantive revision may not be used to assign home energy performance scores to homes in Oregon until the director has provided written approval for the use of the revised system. Substantive revisions include significant changes to the building energy assessment methodology, significant changes to the derivation of the home energy performance score or the scale on which it is presented, and significant changes to the training and quality assurance requirements for home energy assessors.

(5) The department may, at any time, request from the provider of an energy performance score system documentation demonstrating that no substantive revisions have been made to the home energy performance score system since the system was last approved for use in Oregon. The provider must comply with the department's request within 60 days. If the provider cannot demonstrate that no substantive revisions have been made to the system since it was last approved, the provider must submit to the department a written request for review and approval that includes documentation describing the. The request will be reviewed by the stakeholder panel and considered for approval by the director according to the process and timelines described in subsections (2)(b) and (c). The system may not be used to assign home energy performance scores to homes in Oregon until the director has provided written approval.

### Training Requirements for Home Energy Assessors

Individuals producing home energy performance scores must:

(1) Be certified as a home energy assessor by the Oregon Construction Contractors Board if required by ORS 701.529;

(2) Have completed training in the software program used to produce the score; and

(3) Have successfully completed one of the following training and certification programs:

(a) Training and certification as a Building Performance Institute Building Analyst or Home Energy Professional Energy Auditor;

(b) Training and certification from the Residential Energy Services Network as a Home Energy Rater;

(c) Training and certification from the Oregon Training Institute as a Residential Energy Analyst; or

(d) Other training and certification program or work experience approved by the department. Requests for such approval must be submitted to the department in writing. The department may request information about the training and certification program or work experience from the requestor and will provide an approval decision to the requestor within 120 days of receipt of all requested information.

### Reporting Home Energy Performance Score Data

Home energy assessors must report to the department, at least annually, in a manner specified by the department, the following information about each home in Oregon to which they assigned a home energy performance score, unless the department is able to obtain the information from another source:

(1) The zip code and city from the home's site address, but not the street address;

(2) The characteristics of the home that were input into the building energy assessment software; and

(3) All information required by OAR 330-063-0015(3) to be in the home energy performance report.

### Energy Performance Score System Standards for Commercial Buildings

(1) Persons producing energy performance scores must have completed training in the building energy assessment software and energy performance score system used to produce the score.

(2) Building energy assessment software used to produce the score must be approved the U.S. Department of Energy.

(3) An energy performance score for an existing commercial building must be an operational rating based upon the actual energy usage of the building and shall utilize utility data.

(4) An energy performance score for a new commercial building must be an asset rating based on the projected energy consumption of the building and may include a physical inspection of the building.

(5) An energy performance score must include an explanation of the score and the assumptions used to derive the score, the date of the score, and the name of the person that produced the score.

(6) Commercial energy use must be displayed in annual Kbtu per square foot as determined by approved energy modeling methods, using standard occupancy profiles for the building type. The annual energy consumption of each fuel (electricity, natural gas, oil, propane, etc) must be displayed in retail units.

(7) Energy performance score reports may include:

(a) A benchmark score based on a similar building built to state building code standards, a similar building that represents Oregon or national average energy consumption, or any other comparable building; and

(b) The estimated amount of carbon dioxide equivalent (CO<sub>2</sub>e) emissions, in metric tons, associated with the building's energy consumption based on the carbon intensity, as reported on the department's website, of the electricity provided by the electric utility that serves the building, natural gas and other fuel types used in the building.

## Department of Environmental Quality

### Chapter 340

**Rule Caption:** Amendments to Oregon Smoke Management Plan and the Oregon State Implementation Plan for Air Quality

**Adm. Order No.:** DEQ 7-2014

**Filed with Sec. of State:** 6-26-2014

**Certified to be Effective:** 6-26-14

**Notice Publication Date:** 2-1-2014

**Rules Amended:** 340-200-0040

**Subject:** Short summary

The Oregon Environmental Quality Commission adopted amendments to the Oregon Smoke Management Plan, operated by the Oregon Department of Forestry, under the authority provided to DEQ under ORS 477.013. DEQ will submit these amendments to EPA as a revision to DEQ's State Implementation Plan.

ODF and DEQ recently reviewed the Oregon Smoke Management Plan to evaluate the effectiveness of the smoke management program. As a result, ODF and DEQ proposed changes to the plan under their respective authorities:

- ODF proposed amendments to its smoke management rules under OAR 629-048 and Operational Guidance for the Oregon Smoke Management Program, directive 1-4-1-601, which together comprise the plan.

- To incorporate ODF's amendments into the federally-approved Oregon Clean Air Act State Implementation Plan, DEQ proposed amending OAR 340-200-0040.

ODF and DEQ review the Oregon Smoke Management Plan about every five years. For the most recent review, ODF convened the Smoke Management Review Committee that met eight times during 2012 and 2013. Committee recommendations are the basis for ODF's amendments to the Oregon Smoke Management Plan:

1. Adopt additional voluntary provisions to provide greater visibility protection when burning near Crater Lake National Park and the Kalmiopsis Wilderness, both Oregon Class I areas. These provisions will help meet the federal Regional Haze Rule implemented under DEQ's 2010 Oregon Regional Haze Plan.

2. Adopt additional voluntary provisions to encourage greater use of alternatives to burning and emission reduction techniques.

3. For Special Protection Zone requirements adopted in 1992 to provide extra smoke management protection during the winter months for communities that exceeded federal air quality health standards:

a. Eliminate the La Grande Special Protection Zone. DEQ determined there is no longer a need for the La Grande Special Protection Zone.

b. Reduce the of the Special Protection Zone boundary for the Medford area, based on local topography and meteorology, to reflect the Medford airshed. Inside the boundary, prescribed burning will continue to follow the daily green, yellow, and red woodstove restrictions. Outside the boundary, prescribed burning will be prioritized to reduce burning on "red" woodstove days by only allowing smaller burn units that are farther away from Medford.

Both communities receive year-round smoke management protection under the plan. The Special Protection Zones ensure that any wintertime prescribed burning within 10 to 20 miles complies with local residential woodstove curtailment programs. In both communities, air quality levels have improved significantly and the communities now meet air standards. Around La Grande there is very little wintertime prescribed burning. In the Medford area, there is considerably more burning in the winter, which justifies keeping the Special Protection Zone but changing to the boundary, given the air quality improvements and burning prioritization noted above.

4. Allow ODF, rather than DEQ, to regulate a very small amount of prescribed burning on forestlands currently outside forest protection districts. The ODF rule amendment will manage this burn-

# ADMINISTRATIVE RULES

ing under an interagency agreement between ODF and DEQ subject to the same requirements for all prescribed burning under the plan.

5. Require smoke monitoring for prescribed burns over 2000 tons in following existing language in ODF guidance. This will allow the landowner the ability to cease lighting or burn a smaller amount if air quality conditions change.

6. Other miscellaneous revisions to ODF rules including clarification to Special Protection Zone language, and flexibility to the five-year time period for plan review to allow an earlier or later time, but not to exceed 10 years if ODF and DEQ mutually agree.

## Brief history

ODF conducts prescribed forest burning in Oregon to eliminate unwanted forest debris, restore forest health and reduce the potential for major wildfires. Each year ODF burns approximately 150,000 acres of Oregon forests through the practice of prescribed burning. Smoke from this burning can occasionally pose a risk to public health and result in air quality levels exceeding the federal air quality standard for fine particulate matter, also called PM<sub>2.5</sub>. Even brief exposures to smoke can cause health problems for persons with asthma, emphysema, congestive heart disease and other existing medical conditions. The elderly, pregnant women and young children are especially high-risk groups. Smoke from forest burning also affects visibility in national parks and wilderness areas, as well as general outdoor recreation activities.

State law ORS 477.013 directs ODF to develop a smoke management plan for prescribed forestry burning in Oregon and to promulgate rules to carry out this plan. Consistent with the law, ODF developed the Oregon Smoke Management Plan, which consists of rules under OAR 629-048 and the Operational Guidance for the Oregon Smoke Management Program in directive 1-4-1-601. ODF implements the plan through a smoke management program for prescribed burning on federal, state and private forestland.

Adopted as a regulatory program in 1972, the objective of the smoke management program is to maximize burning opportunities, reduce the risk of wildfire and minimize smoke impacts on the public. Most of the larger cities and heavily populated areas in Oregon are designated as Smoke Sensitive Receptor Areas by ODF, and have greater restrictions on prescribed burning to prevent smoke intrusions. ODF's smoke management office in Salem conducts daily weather forecasts to determine areas in the state suitable for forestry burning, then issues daily burning instructions for those areas, that include limits in tons, how far apart to space the burning and distance from Smoke Sensitive Receptor Areas. The forest district staff make the actual decision on which units to burn based on the burning instructions. Each burn unit has a burn plan and pays burn fees. After burning, the district reports back to State Forestry in Salem on the burning accomplished.

As directed under state law, ODF adopts all rules associated with the plan through its Board of Forestry. State law ORS 477.013 does provide DEQ with joint approval authority of the plan and cites the need to "meet the air quality objectives of the federal Clean Air Act." To ensure prescribed burning meets the federal Clean Air Act, DEQ previously adopted the plan into the Oregon Clean Air Act State Implementation Plan as provided in DEQ rule OAR 340-200-0040, and any changes to the Oregon Smoke Management Plan require DEQ approval as a State of Oregon Clean Air Act Implementation Plan revision.

ORS 477.552 states the need to "improve the management of prescribed burning as a forest management and protection practice" and to "minimize emissions from prescribed burning consistent with the air quality objectives of the federal Clean Air Act and the State of Oregon State Implementation Plan." In order to improve the management of prescribed burning, every five years DEQ and ODF conduct a review of the plan to evaluate the effectiveness of the smoke management program. The last plan review was in 2007. Improvements included increasing the number of Smoke Sensitive Receptor Areas in the state. There are currently 23 Smoke Sensitive Receptor Areas that include both individual communities and larger urban-

ized areas, such as the entire Willamette Valley and Columbia River Gorge National Scenic Area.

In addition to Smoke Sensitive Receptor Areas protection, there is also additional wintertime smoke management protection called Special Protection Zones. There is typically limited prescribed burning during the winter months. Winter is also when many communities experience high smoke levels typically from woodstoves. Currently, Special Protection Zone requirements apply to five communities: Klamath Falls, Lakeview, Oakridge, Medford and La Grande, which have a history of exceeding the federal health standard for particulate matter and rely heavily on wintertime residential woodstove curtailment programs to improve air quality. The Special Protection Zone requirements restrict prescribed burning within 10 to 20 miles on the "green", "yellow" and "red" woodstove curtailment days. A red day means there can be no woodstove burning and no prescribed burning within the Special Protection Zone.

As noted above, the plan amendments eliminate the La Grande Special Protection Zone and reduce the of the Medford Special Protection Zone. DEQ supports these changes.

## Regulated parties

ODF's rulemaking primarily affects private forest landowners, and state and federal land managers who conduct prescribed burning under the Oregon Smoke Management Plan. DEQ's amendment to OAR 340-200-0040 incorporates ODF changes into State of Oregon Clean Air Act Implementation Plan, and does not change the regulated parties.

### State of Oregon Clean Air Act Implementation Plan

(1) This implementation plan, consisting of Volumes 2 and 3 of the State of Oregon Air Quality Control Program, contains control strategies, rules and standards prepared by DEQ and is adopted as the state implementation plan (SIP) of the State of Oregon pursuant to the federal Clean Air Act, 42 U.S.C.A 7401 to 7671q.

(2) Except as provided in section (3), the Commission will revise the SIP pursuant to the rulemaking procedures in division 11 of this chapter and any other requirements contained in the SIP and will direct DEQ to submit such revisions to the United States Environmental Protection Agency for approval. The Commission last adopted revisions to the State Implementation Plan on June 19, 2014.

(3) Notwithstanding any other requirement contained in the SIP, DEQ may:

(a) Submit to the Environmental Protection Agency any permit condition implementing a rule that is part of the federally-approved SIP as a source-specific SIP revision after DEQ has complied with the public hearings provisions of 40 CFR 51.102 (July 1, 2002); and

(b) Approve the standards submitted by a regional authority if the regional authority adopts verbatim any standard that the Commission has adopted, and submit the standards to EPA for approval as a SIP revision.

**NOTE:** Revisions to the State of Oregon Clean Air Act Implementation Plan become federally enforceable upon approval by the United States Environmental Protection Agency. If any provision of the federally approved Implementation Plan conflicts with any provision adopted by the Commission, DEQ shall enforce the more stringent provision.

**Rules Repealed:** 340-253-3000

**Subject:** Short summary

The Oregon Environmental Quality Commission adopted rules revisions to adjust phase one of the Oregon Clean Fuels Program, which the commission adopted Dec. 7, 2012.

The revisions:

- Provide clarity to potential regulated and opt-in parties as they interpret whether and how the program applies to them

- Reduce requirements for certain fuel importers

- Add fuels available in Oregon to make reporting more accurate

The Clean Fuels Program requires all importers and Oregon producers of transportation fuels to register, keep records and submit reports to DEQ. The adopted rules revisions eliminate unnecessary requirements, reduce administrative burdens on smaller businesses and still maintain program integrity.

Background

On Dec. 11, 2013, the commission adopted temporary rules that expire June 30, 2014. The December 2013 rulemaking temporarily eliminated unnecessary requirements and reduced administrative burdens on smaller businesses required to submit their first reports to DEQ by April 30, 2014. These rules revisions adopted by the commission June 19, 2014 are substantively identical to the temporary rules.

These rules do not implement the carbon reduction phase, phase two, of the program.

Regulated parties

These rules affect all Oregon fuel producers and importers subject to the Oregon Clean Fuels Program

**Definitions**

The definitions in OAR 340-200-0020 and this rule apply to this division. If the same term is defined in this rule and 340-200-0020, the definition in this rule applies to this division.

(1) “Baseline carbon intensity value” is 90.38 gCO<sub>2</sub>e per MJ for gasoline and gasoline substitutes and 90.00 gCO<sub>2</sub>e per MJ for diesel fuel

and diesel substitutes. These values are based on the mix of regulated and opt-in fuels supplied for use as a transportation fuel in Oregon in 2010.

(2) “Biodiesel” has the same meaning as defined under OAR 603-027-0410.

(3) “Biogas” means natural gas that meets the purity requirements under OAR 860-023-0025 and is produced from the breakdown of organic material in the absence of oxygen. Biogas production processes include, but are not limited to, anaerobic digestion, anaerobic decomposition and thermo-chemical decomposition:

- (a) Applied to biodegradable biomass materials, such as manure, sewage, municipal solid waste, and waste from energy crops; and

- (b) Used to produce landfill gas and digester gas.

(4) “Biogas compressed natural gas” means compressed natural gas consisting solely of compressed biogas.

(5) “Biogas liquefied natural gas” means liquefied natural gas consisting solely of liquefied biogas.

(6) “Biomass” has the same meaning as defined under OAR 603-027-0410.

(7) “Biomass-Based diesel” or “Renewable diesel” has the same meaning as defined under OAR 603-027-0410.

(8) “Blendstock” means a component blended with one or more other components to produce a finished fuel used in a motor vehicle.

(9) “Carbon intensity” means the amount of lifecycle greenhouse gas emissions per unit of energy of fuel expressed in grams of carbon dioxide equivalent per megajoule (gCO<sub>2</sub>e per MJ).

(10) “Compressed natural gas” means either biogas or fossil natural gas that meets the standards listed under OAR 860-023-0025 compressed to a pressure greater than ambient pressure.

(11) “Diesel fuel” has the same meaning as defined under OAR 603-027-0410.

(12) “Diesel substitute” means any fuel, other than diesel fuel, that may be used in light-duty or heavy-duty vehicles, and off-road vehicles that typically use diesel as a fuel. Diesel substitutes include but are not limited to liquefied natural gas used in a heavy duty motor vehicle and biodiesel used in a heavy duty motor vehicle.

(13) “Electricity bundled services supplier” means any person or entity that provides charging infrastructure and provides access to vehicles charging under contract with a charging service recipient or charging equipment owner.

(14) “Electric utility” has the same meaning as defined in ORS 757.600.

(15) “Ethanol,” or “Denatured fuel ethanol” has the same meaning as defined under OAR 603-027-0410.

(16) “Feedstock” means the material a fuel is made from.

(17) “Finished fuel” means a transportation fuel used directly in a motor vehicle without additional chemical or physical processing.

(18) “Finished hydrogen fuel” means a finished fuel that consists of:

- (a) Hydrogen; or

- (b) A blend of hydrogen and another fuel.

(19) “Fossil compressed natural gas” means compressed natural gas derived solely from petroleum or fossil sources such as oil fields and coal beds.

(20) “Fossil liquefied natural gas” means liquefied natural gas derived solely from petroleum or fossil sources such as oil fields and coal beds.

(21) “Fuel type” or “Fuel pathway” means any unique fuel feedstock and production process combination.

(22) “Gasoline” has the same meaning as defined under OAR 603-027-0410.

(23) “Gasoline substitute” means any fuel, other than gasoline, that may be used in light-duty vehicles that typically use gasoline as a fuel. Gasoline substitutes include but are not limited to electricity used in a light-duty motor vehicle and natural gas used in a light-duty motor vehicle.

(24) “Heavy duty motor vehicle” has the same meaning as defined under OAR 340-256-0010.

(25) “Import” means to bring a blendstock or a finished fuel from outside Oregon into Oregon.

(26) “Importer” means the person who imports a blendstock or a finished fuel from outside Oregon into Oregon:

- (a) With respect to any imported liquid fuel, it means the person who owns the fuel in the stationary storage tank into which the fuel was first transferred after it was imported into Oregon; or

- (b) With respect to any biogas, it means the person who owns the imported biogas upon receipt at a pipeline in Oregon through which the biogas is delivered in Oregon.

# ADMINISTRATIVE RULES

(27) "Light-duty motor vehicle" has the same meaning as defined under OAR 340-256-0010.

(28) "Lifecycle greenhouse gas emissions" means the:

(a) Aggregate quantity of greenhouse gas emissions including direct and significant indirect emissions, such as significant emissions from changes in land use associated with the fuels;

(b) Full fuel lifecycle including all stages of fuel production, from feedstock generation or extraction, production, distribution, and combustion of the finished fuel by the consumer; and

(c) Mass values for all greenhouse gases as adjusted to account for their relative global warming potential.

(29) "Liquefied natural gas" means biogas or fossil natural gas converted to liquid form.

(30) "Liquefied petroleum gas" or "propane" has the same meaning as defined under OAR 603-027-0395.

(31) "Motor vehicles" has the same meaning as defined under OAR 603-027-0410.

(32) "Natural gas" means a mixture of gaseous hydrocarbons and other compounds from either fossil or biogas sources, with at least 80 percent methane by volume, and typically sold or distributed by utilities such as any utility company regulated by the Oregon Public Utility Commission.

(33) "Opt-in party" means a person who is not a regulated party and who elects to register with DEQ under OAR 340-253-0100(4).

(34) "Oregon producer" means:

(a) With respect to any liquid fuel, the person who makes the liquid blendstock or finished fuel at the Oregon production facility; or

(b) With respect to any biogas produced in Oregon, the person who refines the biogas to pipeline quality.

(35) "Oregon production facility" means a facility located in Oregon that:

(a) Produces any liquid blendstock or finished fuel other than liquefied natural gas; or

(b) Converts, compresses, liquefies, refines, treats or otherwise processes natural gas into compressed natural gas or liquefied natural gas that is ready for use as a transportation fuel in a motor vehicle without further physical or chemical processing.

(36) "OR-GREET" means the Greenhouse gases, Regulated Emissions, and Energy in Transportation (GREET) Argonne National Laboratory model modified and maintained for Oregon. Copies of OR-GREET are available from DEQ upon request.

(37) "Physical pathway" means the way a fuel is transported from the fuel producer to Oregon, including any combination of truck routes, rail lines, pipelines, marine vessels and any other transportation method.

(38) "Private access fueling facility" means an Oregon fueling facility that restricts access by use of a card or key-activated fuel dispensing device to dispensing fuel to nonretail customers.

(39) "Product transfer document" means an invoice, bill of lading, purchase contract, or any other proof of fuel ownership transfer.

(40) "Public access fueling facility" means an Oregon fueling facility that is not a private access fueling facility.

(41) "Regulated party" means a person identified as a regulated party under OAR 340-253-0310 through 340-253-0340. Regulated parties must comply with the requirements under OAR 340-253-0100.

(42) "Shortfall(s)" means a state in which the carbon intensity of a fuel is higher than the baseline carbon intensity value for gasoline and gasoline substitutes or diesel fuel and diesel substitutes. Shortfalls are expressed in units of metric tons of carbon dioxide equivalent (CO<sub>2</sub>e) and are calculated under OAR 340-253-1020.

(43) "Small Oregon importer" means any person who imports 250,000 gallons or less of fuel in a given calendar year into Oregon.

(44) "Surplus(es)" means a state in which the carbon intensity of a fuel is lower than the baseline carbon intensity value for gasoline or diesel fuel and their substitutes. Surpluses are expressed in units of metric tons of carbon dioxide equivalent (CO<sub>2</sub>e) and are calculated under OAR 340-253-1020.

(45) "Transportation fuel" means any fuel used or intended for use in motor vehicles as defined under OAR 603-027-0410.

## 340-253-0100

### Oregon Clean Fuels Program

(1) Applicability.

(a) All regulated parties under section (3) that import or produce in Oregon any regulated fuel, as defined under OAR 340-253-0200, are subject to this rule.

(b) Any person may become an opt-in party by registering with DEQ under section (4) of this rule. All opt-in parties under section (3) that import or produce in Oregon any opt-in fuel, as defined under OAR 340-253-0200, are subject to this rule.

(2) Requirements. Beginning January 1, 2013:

(a) Regulated and opt-in parties, except for small Oregon importers of finished fuels, must register under section (4) of this rule, keep records under section (5) of this rule, and submit reports under sections (6) and (7) of this rule; and

(b) Small Oregon importers of finished fuels must register under section (4) of this rule and are exempt from keeping records under section (5) of this rule and submitting reports under sections (6) and (7) of this rule.

(3) Regulated party or opt-in party. The following rules designate regulated and opt-in parties, by type of fuel:

(a) OAR 340-253-0310 for gasoline, diesel fuel, biodiesel, biomass-based diesel, ethanol, and any other liquid fuel except liquefied natural gas and liquefied petroleum gas;

(b) OAR 340-253-0320 for natural gas including compressed natural gas, liquefied natural gas, biogas and liquefied petroleum gas;

(c) OAR 340-253-0330 for electricity; and

(d) OAR 340-253-0340 for hydrogen fuel or a hydrogen blend.

(4) Registration.

(a) After January 1, 2013, but no later than June 30, 2013, each regulated party must submit a complete application under OAR 340-253-0500 to register with DEQ for each fuel type the party imports or produces in Oregon on or before July 1, 2013, and that it plans to continue to import or produce in Oregon after July 1, 2013.

(b) Beginning on July 1, 2013, each regulated party must submit a complete application under OAR 340-253-0500 to register with DEQ for each fuel type, on or before the date upon which it begins to import or produce in Oregon such fuel.

(c) To become an opt-in party a person must submit a complete application under OAR 340-253-0500 to register with DEQ.

(5) Records.

(a) Beginning on July 1, 2013, each regulated party must develop and retain all records required under OAR 340-253-0600.

(b) Beginning on the latter of either July 1, 2013, or the date that an opt-in party submits a complete application, as determined by DEQ, under subsection (4)(c) of this rule, each opt-in party must develop and retain all records required under OAR 340-253-0600.

(6) Quarterly report. Beginning on January 1, 2014, each regulated and opt-in party must submit quarterly reports under OAR 340-253-0630. Reports must be submitted to DEQ for:

(a) January through March of each year, by May 31;

(b) April through June of each year, by August 31;

(c) July through September of each year, by November 30; and

(d) October through December of each year, by February 28 of the following year.

(7) Annual report. Each regulated party and opt-in party must submit an annual report each year under OAR 340-253-0650. The report must be submitted to DEQ by April 30 of each year to report for the prior calendar year; except for 2013, when the reporting period is from July 1 through December 31.

### Exempt Fuels and Fuel Uses

(1) Exempt fuels. The following fuels are exempt from the definition of regulated fuels under OAR 340-253-0200(2)(h):

(a) A fuel supplied in Oregon if all providers supply an aggregate volume of less than 360,000 gge per year in Oregon. The party must:

- (A) Demonstrate that the exemption applies; and
- (B) Obtain exemption approval from DEQ in writing.

(b) A fuel produced from a research, development or demonstration facility as defined under OAR 330-090-0110 if the annual production volume is either 10,000 gallons or less, or no more than 50,000 gallons and the fuel producer uses the entire volume for its own motor vehicles. The party must:

- (A) Demonstrate that the exemption applies; and
- (B) Obtain exemption approval from DEQ in writing.

(2) Exempt fuels based on fuel uses. Fuels are exempt from the definition of regulated fuels under OAR 340-253-0200(2)(h) if:

(a) The fuel is supplied for use in the following motor vehicles:

- (A) Aircraft;
- (B) Racing activity vehicles under ORS 801.404;
- (C) Military tactical vehicles and tactical support equipment;
- (D) Railroad locomotives;
- (E) Ocean-going vessels defined under OAR 856-010-0003, except for vessel under fishery or recreational endorsement under title 46 United States Code, chapter 121;

(F) Motor vehicles registered as farm vehicles under ORS 805.300;

(G) Farm tractors, as defined under ORS 801.265;

(H) Implements of husbandry, as defined under ORS 801.310; or

(I) Motor trucks, as defined under ORS 801.355, used primarily to transport logs; and

(b) The regulated or opt-in party documents that the fuel was supplied for use in a motor vehicle listed in subsection (a) of this rule, as required under OAR 340-253-0600. Documentation that the fuel was transferred through a dedicated source to one of the motor vehicles identified in subsection (a) of this rule is sufficient. If not transferred through a dedicated source, all documentation must be on an individual fuel transaction basis.

(3) Fuel possession. Any fuel user or seller may possess any fuel regardless of its carbon intensity value, including but not limited to owners of the motor vehicles listed under subsection (2)(a).

### Regulated Parties for Gasoline, Diesel Fuel, Biodiesel, Biomass-based Diesel and Ethanol and Other Regulated Fuels Except for Liquefied Natural Gas

(1) Applicability. This rule applies to all liquid blendstocks and liquid finished fuels listed under OAR 340-253-0200(2) except liquefied natural gas.

(2) Regulated party. The regulated party is the Oregon producer or importer of the fuel.

### Regulated Parties and Opt-in Parties for Compressed Natural Gas, Biogas, Liquefied Natural Gas and Liquefied Petroleum Gas

(1) Fossil compressed natural gas. For fossil compressed natural gas, the opt-in party is the owner of the fueling equipment at the facility where the fossil compressed natural gas is dispensed for use in motor vehicles.

(2) Biogas compressed natural gas. For biogas compressed natural gas that is dispensed directly into motor vehicles in Oregon without first being blended with fossil compressed natural gas, the opt-in party is the Oregon producer or importer of the biogas.

(3) Fossil liquefied natural gas. For fossil liquefied natural gas:

(a) For fuel that is a regulated fuel under OAR 340-253-0200(2)(c), the regulated party is the owner of the liquefied natural gas when it is transferred to the facility where the liquefied natural gas is dispensed for use into motor vehicles; or

(b) For fuel that is an opt-in fuel under OAR 340-253-0200(3)(e), the opt-in party is the owner of the liquefied natural gas when it is transferred to the facility where the liquefied natural gas is dispensed for use into motor vehicles.

(4) Biogas liquefied natural gas. For biogas liquefied natural gas that is dispensed directly into motor vehicles in Oregon without first being blended with fossil liquefied natural gas, the opt-in party is the Oregon producer or importer of the biogas liquefied natural gas.

(5) Biogas compressed natural gas added to fossil compressed natural gas. For blends of these fuels, the opt-in parties for each of the component fuel types of the blended fuel remains the same as provide in sections (1) through (4).

(6) Biogas liquefied natural gas added to fossil liquefied natural gas. For blends of these fuels, the regulated and opt-in parties for each of the component fuel types of the blended fuel remains the same as provide in sections (1) through (4).

(7) Liquefied petroleum gas. For liquefied petroleum gas, the opt-in party is the owner of the fueling equipment at the facility where the liquefied petroleum gas is dispensed for use into motor vehicles.

## 340-253-0400

### Fuel Carbon Intensity Values

(1) Statewide carbon intensity values.

(a) A regulated or opt-in party must use the statewide average carbon intensity value in Table 1 under OAR 340-253-3010 or Table 2 under 340-253-3020, as applicable, for the following fuels:

- (A) Clear gasoline;
- (B) Gasoline blended with 10% ethanol;
- (C) Clear diesel fuel;
- (D) Diesel fuel blended with 5% biodiesel or biomass-based diesel;
- (E) Compressed fossil natural gas derived from natural gas not imported to North America in liquefied form;
- (F) Liquefied petroleum gas; and
- (G) Electricity, unless an electricity provider meets the conditions under subsection (1)(b) and proposes a different carbon intensity value.

(b) The opt-in party for electricity may propose a carbon intensity value different from the statewide average carbon intensity value if the electricity provider:

- (A) Only provides electricity for transportation; and
- (B) Is exempt from the definition of public utility under ORS 757.005(1)(b)(G), and is not regulated by the Oregon Public Utility Commission.

(c) Every three years, DEQ must review the statewide average carbon intensity values in Table 1 under OAR 340-253-3010 or Table 2 under 340-253-3020 and must:

(A) Consider the crude oil and other energy sources, production processes and flaring rates and other considerations that might affect the lifecycle carbon intensity of fuel used in Oregon; and

(B) Propose the EQC revise and update statewide average carbon intensity values in Table 1 or 2 under OAR 340-253-3010 or -3020 if DEQ determines that values should be changed by more than 5.0 gCO<sub>2</sub>e per MJ or 10 percent.

(2) Carbon intensity values for established pathways. Except as provided in section (3), regulated and opt-in parties must use the carbon intensity values for ethanol, biodiesel, biomass-based diesel, liquefied natural gas, biogas compressed natural gas, biogas liquefied natural gas, hydrogen, liquefied petroleum gas and any fossil compressed natural gas produced from natural gas that arrives in North America in liquefied form that best matches each fuel's carbon intensity, as listed in Table 1 under OAR 340-253-3010 or Table 2 under 340-253-3020, as applicable.

(3) Individual carbon intensity values.

(a) Directed by DEQ. A regulated or opt-in party must obtain an individual carbon intensity value for a fuel, if DEQ:

(A) Determines the fuel's carbon intensity is not adequately represented by any of the carbon intensity values for established pathways in Table 1 under OAR 340-253-3010 or Table 2 under 340-253-3020; and

(B) Directs the regulated or opt-in party to obtain an individual carbon intensity value under OAR 340-253-0450.

# ADMINISTRATIVE RULES

(b) Election of the party. A regulated or opt-in party may propose an individual carbon intensity value for a fuel if:

(A) The fuel's carbon intensity, when compared to the carbon intensity value for the most similar fuel type in Table 1 under OAR 340-253-3010 or Table 2 under 340-253-3020, as applicable, changes by at least 5.0 gCO<sub>2</sub>e per MJ or 10 percent;

(B) The party has the capacity and intent to provide more than one million gge per year of the fuel in Oregon unless all providers of that fuel type supply less than one million gge per year in total; and

(C) The party applies for and obtains DEQ approval under OAR 340-253-0450.

(c) New fuel or feedstock. A regulated or opt-in party must obtain approval for an individual carbon intensity value under OAR 340-253-0450 for any fuel not included in Table 1 under 340-253-3010 or Table 2 under 340-253-3020 and for any fuel made from a feedstock not represented in a carbon intensity value in Table 1 under 340-253-3010 or Table 2 under 340-253-3020. The party must submit a modification to the original registration under 340-253-0500(5) within 30 days,

(d) Process change notification. The regulated or opt-in party must notify DEQ and obtain approval for an individual carbon intensity value under OAR 340-253-0450 for any changes to the fuel production process, if the fuel's carbon intensity value changes by more than 5.0 gCO<sub>2</sub>e per MJ or 10 percent. The party must submit a modification to the original registration under 340-253-0500(5) within 30 days.

(4) OR-GREET. The regulated or opt-in party must calculate all carbon intensity values using the approved version of OR-GREET, or a DEQ-approved comparable model for any fuel that cannot be modeled with OR-GREET. Any variations from the approved version of OR-GREET must be documented as described under OAR 340-253-0450(1) and submitted to DEQ for approval.

(5) Calculation requirements. When a regulated or opt-in party calculates a carbon intensity value of:

(a) Fuels made from biomass feedstock, the party may assume that the combustion and growing components of the fuel's lifecycle greenhouse gas emissions have net zero lifecycle carbon dioxide emissions.

(b) Fuels made from petroleum feedstock, including waste petroleum feedstock, the party may not assume that the combustion of the fuel has net zero carbon dioxide emissions.

(c) Fuels made from waste feedstock, the party may assume that the lifecycle greenhouse gas emissions analysis of the carbon intensity value begins when the original product becomes waste.

### Registration

(1) Registration information. To register, a regulated or opt-in party must submit the following to DEQ:

(a) Company information including physical and mailing addresses, phone and fax numbers, e-mail addresses, primary and legal contact names and any applicable DEQ or EPA ID numbers.

(b) The fuel type(s) that will be imported or produced in Oregon.

(c) The producer of the biofuel, including each producer's physical address and the EPA company and facility ID numbers, for each fuel type.

(d) The proposed carbon intensity value, for each fuel type. The proposed carbon intensity value must be:

(A) A statewide carbon intensity value for any fuel listed under OAR 340-253-0400(1);

(B) An individual carbon intensity value listed in Table 1 under OAR 340-253-3010 or Table 2 under OAR 340-253-3020; or

(C) An individual carbon intensity value under OAR 340-253-0450.

(e) The volume estimated to be imported or produced in Oregon in a calendar year, for each fuel type.

(f) Other information requested by DEQ related to registration.

(2) Completeness of submittal. DEQ must review the information submitted under section (1) to determine if the submission is complete.

(a) If DEQ determines the submission is incomplete, DEQ must notify the party of the information needed to complete the submission. The party must provide the requested information within 30 calendar days from the date on the request.

(b) If DEQ determines the submission is complete, DEQ must notify the party in writing of the completeness determination.

(c) If DEQ does not notify the party in writing of the completeness determination within 30 calendar days of receipt of the registration application, the application is automatically deemed complete.

(3) Determination of carbon intensity values. DEQ must review the proposed carbon intensity values to determine if they are accurate. DEQ must review proposed carbon intensity values as follows:

(a) For a proposed carbon intensity value listed in Table 1 under OAR 340-253-3010 or Table 2 under OAR 340-252-3020, DEQ must review whether the fuel type accurately matches the fuel and fuel production process of the proposed carbon intensity value listed.

(b) For a proposed individual carbon intensity value, DEQ must approve the carbon intensity value or notify the party which carbon intensity value to use under OAR 340-253-0450.

(4) Registration approval. DEQ must notify the party in writing of its registration approval. The notification must include confirmation of the carbon intensity value for each fuel type to be used in calculating surpluses and shortfalls under OAR 340-253-1020.

(5) Modifications to registration.

(a) The party must submit an amended registration to DEQ within 30 days of any change occurring to information described in section (1), including any change that would result in a different carbon intensity value.

(b) DEQ may require a party to submit an amended registration based on new information that DEQ obtains from any source.

(6) Opting out. To opt-out, an opt-in party must notify DEQ in writing. Regulated parties may not opt-out.

### Records

(1) All regulated and opt-in parties, except for small Oregon importers of finished fuels. Each regulated and opt-in party, except for small Oregon importers of finished fuels, must retain the following records for at least five years:

(a) Copies of all data and reports submitted to DEQ;

(b) Records of each fuel transaction made including:

(A) Fuel name, choosing the most applicable name from a list developed and provided by DEQ,

(B) Fuel application, choosing the most applicable choice from a list developed and provided by DEQ;

(C) Fuel pathway code, choosing the most applicable code from a list developed and provided by DEQ;

(D) Transaction date;

(E) Transaction type, choosing the most applicable type from a list developed and provided by DEQ;

(F) Transaction quantity;

(i) In gallons for liquid fuels including gasoline, diesel fuel, ethanol, biomass-based diesel, liquefied natural gas and liquefied petroleum gas;

(ii) In standard cubic feet for compressed natural gas;

(iii) In kilowatt-hours for electricity; and

(iv) In kilograms for hydrogen fuel.

(G) Transaction identification number;

(H) Business partner, choosing the most applicable name from a list developed and provided by DEQ;

(I) Physical pathway code, choosing the most applicable code from a list developed and provided by DEQ;

(J) Product transfer documents;

(K) Exempt status documentation under OAR 340-253-0250, if fuel is excluded from surplus and shortfall calculations under OAR 340-253-1010; and

(L) For fuel that is exported outside Oregon, where the party is the exporter of record.

(c) Records used to calculate surpluses and shortfalls;

(d) Other records used to determine compliance with the Oregon Clean Fuels Program; and

(e) Any other records identified by DEQ and related to the volume, distribution or carbon content of fuel produced or imported by a party.

(2) Oregon producers and importers of one or more non-petroleum blendstocks. In addition to section (1), each Oregon producer and importer of one or more non-petroleum blendstocks must retain the following records for at least five years:

(a) DEQ-approved carbon intensity for each fuel type, choosing the most appropriate choice from a list developed and provided by DEQ;

# ADMINISTRATIVE RULES

(b) Name of the biofuel producer, including each producer's physical address, EPA company ID and facility ID number, for each fuel type, and choosing the most appropriate choice from a list developed and provided by DEQ; and

(3) Review. All data, records and calculations used by a regulated or opt-in party to comply with the Oregon Clean Fuels Program are subject to verification by DEQ. The party must provide records retained under section (1) within 60 calendar days after the date DEQ requests a review of the records, unless otherwise specified.

### Quarterly Reports

Quarterly reports must include the following information, in a format provided or approved by DEQ:

(1) For each fuel type imported or produced in Oregon:

- (a) Total volume; and
- (b) DEQ-approved carbon intensity.

(2) Surpluses and shortfalls as calculated under OAR 340-253-1020, including the;

(a) Amount of surpluses and shortfalls generated during the quarter; and

(b) Quarterly and year-to-date net balance calculations under OAR 340-253-1030 for gasoline and gasoline substitutes and diesel and diesel substitutes.

(3) The volumes of any exempt fuels or fuels transferred to exempt users under OAR 340-253-0250; and

(4) Volumes exported outside Oregon.

**Subject:** The Oregon Environmental Quality Commission adopted rules revisions to:

- Increase air contaminant discharge permit fees. The 2013 Oregon Legislature authorized a 20 percent fee increase to restore services for operating Oregon's air contaminant discharge permit program. The fee increase prevents DEQ from losing 3.67 full-time equivalent positions authorized in DEQ's 2013 legislatively approved budget.

- Establish a lower application fee for greenhouse gas permits. The lower application fee applies to facilities that require a New Source Review or Prevention of Significant Deterioration permit for greenhouse gases when obtaining an air contaminant discharge permit or modifying their existing permit.

- Adjust the calculation for greenhouse gas reporting fees. The rules adjust the percentage of the air contaminant discharge permit fee used to calculate greenhouse gas reporting fees from 15 percent to 12.5 percent. This technical correction prevents the 20-percent air contaminant discharge fee increase from also increasing the current greenhouse gas reporting fees.

- Amend the low fee eligibility criteria. The rules make it easier for permitted facilities and DEQ to determine low fee eligibility for simple air contaminant discharge permits. The amendment changes the period used to capture eligibility data from rolling 12 months to a calendar year.

#### Background

The air contaminant discharge permit program is part of Oregon's federally-approved State Implementation Plan required to meet national air quality standards.

Oregon's air contaminant discharge permit program:

- Administers federal health standards, air toxic requirements and other regulations.

- Reduces the number of unhealthy air days and health risks from air toxics.

- Issues, renews or modifies permits to prevent or reduce air pollution through permit requirements.

- Ensures that existing pollution sources comply with state and federal air emissions standards.

- Ensures that new sources of air pollution install controls such as filtration equipment, combustion controls and vapor controls needed to protect air quality.

- Provides other essential services such as State Implementation Plan development, emission inventories, technical assistance, inspections, enforcement, rule and policy development, data management and reporting to EPA.

The permit fees also help support a portion of air quality monitoring, planning, and agency central services such as accounting and human resources.

Ninety-two percent of the revenue that Oregon needs to provide the requisite air quality program services comes from permit fees. State General Fund and federal funds provide the balance.

In 2013, the Environmental Quality Commission temporarily amended air contaminant discharge permit rules to allow DEQ to issue the 2014 annual fee invoices on schedule. The temporary rules adopted in October 2013 included the legislatively-approved fee increase and the technical correction to the greenhouse gas reporting fee.

Regulated parties

The amendments affect:

# ADMINISTRATIVE RULES

- Facilities that currently have an air contaminant discharge permit and any facility that applies for this type of permit in the future.
- Small facilities that do not have a permit, but are registered with the permit program and under OAR Chapter 340 Division 210 in lieu of holding a permit, such as dry cleaners and auto body shops.
- New facilities that are categorized as major sources of greenhouse gases and those that make major modifications to existing greenhouse gas existing facilities.

### Registration in General

(1) Any air contaminant source not subject to Air Contaminant Discharge Permits, OAR 340 division 216, or Oregon Title V Operating Permits, OAR 340 division 218, must register with DEQ upon request pursuant to 340-210-0110 through 340-210-0120.

(2) The owner or operator of an air contaminant source listed in subsection (2)(a) of this rule that is certified through a Department approved environmental certification program and subject to an Area Source NESHAP may register the source with DEQ pursuant to OAR 340-210-0110 through 340-210-0120 in lieu of obtaining a permit according to OAR 340-216-0020, unless DEQ determines that the source has not complied with the requirements of the environmental certification program.

(a) The following air contaminant sources may be registered under this section:

(A) Motor vehicle surface coating operations.

(B) Dry cleaners using perchloroethylene.

(b) Approved environmental certification program. To be approved, the environmental certification program must, at a minimum, require certified air contaminant sources to comply with all applicable state and federal rules and regulations and require additional measures to increase environmental protection.

(c) Fees. In order to obtain and maintain registration, owners and operators of air contaminant sources registered pursuant to this section must pay the following annual fees by March 1 of each year:

(A) Motor vehicle surface coating operations — \$288.00.

(B) Dry cleaners using perchloroethylene — \$216.00.

(C) Late fees.

(i) 8–30 days late: 5% of annual fee.

(ii) 31–60 days late: 10% of annual fee.

(iii) 61 or more days late: 20% of annual fee.

(D) Failure to pay fees. Registration is automatically terminated upon failure to pay annual fees within 90 days of invoice by DEQ, unless prior arrangements for payment have been approved in writing by DEQ.

(d) Recordkeeping. In order to maintain registration, owners and operators of air contaminant sources registered pursuant to this section must maintain records required by the approved environmental performance program under subsection (2)(b) of this rule. The records must be kept on site and in a form suitable and readily available for expeditious inspection and review.

(3) The owner or operator of an air contaminant source that is subject to a federal NSPS or NESHAP in 40 CFR Part 60 or 40 CFR Part 63 and that is not located at a source that is required to obtain a permit under OAR chapter 340, division 216 (Air Contaminant Discharge Permits) or OAR chapter 340, division 218 (Oregon Title V Operating Permits), must register and maintain registration with DEQ pursuant to 340-210-0110 through 340-210-0120 if requested in writing by DEQ (or by EPA at DEQ's request).

(4) Revocation. DEQ may revoke a registration if a source fails to meet any requirement in OAR 340-210-0110.

**NOTE:** This rule is included in the State of Oregon Clean Air Act Implementation Plan as adopted by the EQC under OAR 340-200-0040.

## 340-216-0020

### Applicability

This division applies to all sources referred to in Table 1 of OAR 340-216-8010. This division also applies to Oregon Title V Operating Permit program sources when an ACDP is required by 340-218-0020 or 340-224-

0010. Sources referred to in Table 1 of 340-216-8010 are subject to fees in Table 2 of 340-216-8020.

(1) No person may construct, install, establish, develop or operate any air contaminant source referred to in Table 1 of OAR 340-216-8010 without first obtaining an Air Contaminant Discharge Permit (ACDP) from DEQ or Regional Authority, unless otherwise deferred from the requirement to obtain an ACDP in subsection (1)(c) of this rule or DEQ has granted an exemption from the requirement to obtain an ACDP under subsection (1)(f) of this rule. No person may continue to operate an air contaminant source if the ACDP expires, or is terminated or revoked; except as provided in 340-216-0082.

(a) For portable sources, a single permit may be issued for operating at any area of the state if the permit includes the requirements from both DEQ and Regional Authorities.

(b) DEQ or Regional Authority where the portable source's corporate offices are located will be responsible for issuing the permit. If the corporate office of a portable source is located outside of the state, DEQ will be responsible for issuing the permit.

(c) An air contaminant source required to obtain an ACDP or ACDP Attachment pursuant to a NESHAP or NSPS adopted by the Commission by rule is not required to submit an application for an ACDP or ACDP Attachment until four months after the effective date of the Commission's adoption of the NESHAP or NSPS, and is not required to obtain an ACDP or ACDP Attachment until six months after the Commission's adoption of the NESHAP or NSPS. In addition, DEQ may defer the requirement to submit an application for, or to obtain an ACDP or ACDP Attachment, or both, for up to an additional twelve months.

(d) Deferrals of Oregon permitting requirements do not relieve an air contaminant source from the responsibility of complying with federal NESHAP or NSPS requirements.

(e) OAR 340-216-0060(1)(b)(A), 340-216-0062(2)(b)(A), 340-216-0064(4)(a), and 340-216-0066(3)(a), do not relieve a permittee from the responsibility of complying with federal NESHAP or NSPS requirements that apply to the source even if DEQ has not incorporated such requirements into the permit.

(f) DEQ may exempt a source from the requirement to obtain an ACDP if it determines that the source is subject to only procedural requirements, such as notification that the source is affected by an NSPS or NESHAP.

(2) No person may construct, install, establish, or develop any source that will be subject to the Oregon Title V Operating Permit program without first obtaining an ACDP from DEQ or Regional Authority.

(3) No person may modify any source that has been issued an ACDP without first complying with the requirements of OAR 340-210-0205 through 340-210-0250.

(4) No person may modify any source required to have an ACDP such that the source becomes subject to the Oregon Title V Operating Permit program without complying with the requirements of OAR 340-210-0205 through 340-210-0250.

(5) No person may increase emissions above the PSEL by more than the de minimis levels specified in OAR 340-200-0020 without first applying for and obtaining a modified ACDP.

(6) Subject to the requirements in this Division, the Lane Regional Air Protection Agency is designated by the Commission as the permitting agency to implement the Air Contaminant Discharge Permit program within its area of jurisdiction. The Regional Agency's program is subject to DEQ oversight. The requirements and procedures contained in this Division pertaining to the Air Contaminant Discharge Permit program shall be used by the Regional Agency to implement its permitting program until the Regional Agency adopts superseding rules that are at least as restrictive as state rules.

**NOTE:** This rule is included in the State of Oregon Clean Air Act Implementation Plan as adopted by the EQC under OAR 340-211-0040.

## 340-216-0025

### Types of Permits

#### (1) Construction ACDP:

(a) A Construction ACDP may be used for approval of Type 3 changes specified in OAR 340-210-0220 at a source subject to the ACDP permit requirements in this division.

(b) A Construction ACDP is required for Type 3 changes specified in OAR 340-210-0225 at sources subject to the Oregon Title V Operating Permit requirements.

(2) General ACDP. A General ACDP is for a category of sources for which individual permits are unnecessary in order to protect the environment. An owner or operator of a source may be assigned to a General ACDP if the Department has issued a General ACDP for the source category:

(a) The source meets the qualifications specified in the General ACDP;

(b) The Department determines that the source has not had ongoing, reoccurring, or serious compliance problems; and

(c) The Department determines that a General ACDP would appropriately regulate the source.

(3) Short Term Activity ACDP. A Short Term Activity ACDP is a letter permit that authorizes the activity and includes any conditions placed upon the method or methods of operation of the activity. The Department may issue a Short Term Activity ACDP for unexpected or emergency activities, operations, or emissions.

(4) Basic ACDP. A Basic ACDP is a permit that authorizes the regulated source to operate in conformance with the rules contained in OAR 340 divisions 200 to 268.

(a) Owners and operators of sources and activities listed in Table 1, Part A of OAR 340-216-8010 must at a minimum obtain a Basic ACDP.

(b) Any owner or operator of a source required to obtain a Basic ACDP may obtain either a Simple or Standard ACDP.

(5) Simple ACDP. A Simple ACDP is a permit that contains:

(a) All relevant applicable requirements for source operation, including general ACDP conditions for incorporating generally applicable requirements;

(b) Generic PSELs for all pollutants emitted at more than the de minimis level according to OAR 340 division 222;

(c) Testing, monitoring, recordkeeping, and reporting requirements sufficient to determine compliance with the PSEL and other emission limits and standards, as necessary; and

(d) A permit duration not to exceed 5 years.

(6) Standard ACDP:

(a) A Standard ACDP is a permit that contains:

(A) All applicable requirements, including general ACDP conditions for incorporating generally applicable requirements;

(B) Source specific PSELs or Generic PSELs, whichever are applicable, as specified in OAR 340 division 222;

(C) Testing, monitoring, recordkeeping, and reporting requirements sufficient to determine compliance with the PSEL and other emission limits and standards, as necessary; and

(D) A permit duration not to exceed 5 years.

(b) All owners and operators of sources and activities listed in Table 1, Part C of OAR 340-216-8010 must obtain a Standard ACDP.

(c) Owners or operators of sources and activities listed in Table 1, Part B of OAR 340-216-8010 that do not qualify for a General ACDP or Simple ACDP must obtain a Standard ACDP.

(d) Any owner or operator of a source not required to obtain a Standard ACDP may obtain a Standard ACDP.

**NOTE:** This rule is included in the State of Oregon Clean Air Act Implementation Plan as adopted by the EQC under OAR 340-211-0040.

## 340-216-0040

### Application Requirements

(1) New Permits. Except for Short Term Activity ACDPs, any person required to obtain a new ACDP must provide the following general information, as applicable, using forms provided by the Department in addition to any other information required for a specific permit type:

(a) Identifying information, including the name of the company, the mailing address, the facility address, and the nature of business (Standard Industrial Classification (SIC) code);

(b) The name and phone number of a local person responsible for compliance with the permit;

(c) The name of a person authorized to receive requests for data and information;

(d) A description of the production processes and related flow chart;

(e) A plot plan showing the location and height of air contaminant sources. The plot plan must also indicate the nearest residential or commercial property;

(f) The type and quantity of fuels used;

(g) An estimate of the amount and type of each air contaminant emitted by the source in terms of hourly, daily, or monthly and yearly rates, showing calculation procedures;

(h) Any information on pollution prevention measures and cross-media impacts the applicant wants the Department to consider in determining applicable control requirements and evaluating compliance methods;

(i) Estimated efficiency of air pollution control equipment under present or anticipated operating conditions;

(j) Where the operation or maintenance of air pollution control equipment and emission reduction processes can be adjusted or varied from the highest reasonable efficiency and effectiveness, information necessary for the Department to establish operational and maintenance requirements in OAR 340-226-0120(1) and (2);

(k) A Land Use Compatibility Statement signed by a local (city or county) planner either approving or disapproving construction or modification of the source, if required by the local planning agency; and

(l) Any other information requested by the Department.

(2) Renewal Permits. Except for Short Term Activity ACDPs, any person required to renew an existing permit must submit the information identified in section (1) using forms provided by the Department, unless there are no significant changes to the permit. If there are significant changes, the applicant must provide the information identified in section (1) only for those changes. Where there are no significant changes to the permit, the applicant may use a streamlined permit renewal application process by providing the following information:

(a) Identifying information, including the name of the company, the mailing address, the facility address, and the nature of business (Standard Industrial Classification (SIC) code) using a form provided by the Department; and

(b) A marked up copy of the previous permit indicating minor changes along with an explanation for each requested change.

(3) Permit Modifications. For Simple and Standard ACDP modifications, the applicant must provide the information in section (1) relevant to the requested changes to the permit and a list of any new requirements applicable to those changes.

(4) Any owner or operator who fails to submit any relevant facts or who has submitted incorrect information in a permit application must, upon becoming aware of such failure or incorrect submittal, promptly submit such supplementary facts or corrected information.

(5) The department must receive the application at least 60 days before a permit or modified permit is needed.

(6) The application must be completed in full and signed by the applicant or the applicant's legally authorized representative.

(7) Two copies of the application are required, unless otherwise requested by the Department. At least one of the copies must be a paper copy, but the others may be in any other format, including electronic copies, upon approval by the Department.

(8) A copy of NSR permit applications and supplemental information must also be submitted directly to the EPA.

(9) The name of the applicant must be the legal name of the facility or the owner's agent or the lessee responsible for the operation and maintenance of the facility. The legal name must be registered with the Secretary of State Corporations Division.

(10) All applications must include the appropriate fees as specified in Table 2 in OAR 340-216-8020.

# ADMINISTRATIVE RULES

(11) Applications that are obviously incomplete, unsigned, improperly signed, or lacking the required exhibits or fees will be rejected by the Department and returned to the applicant for completion.

(12) Within 15 days after receiving the application, the Department will preliminarily review the application to determine the adequacy of the information submitted:

(a) If the Department determines that additional information is needed, the Department will promptly ask the applicant for the needed information. The application will not be considered complete for processing until the requested information is received. The application will be considered withdrawn if the applicant fails to submit the requested information within 90 days of the request;

(b) If, in the opinion of the Department, additional measures are necessary to gather facts regarding the application, the Department will notify the applicant that such measures will be instituted along with the timetable and procedures to be followed. The application will not be considered complete for processing until the necessary additional fact-finding measures are completed. When the information in the application is deemed adequate for processing, the Department will so notify the applicant.

(13) If at any time while processing the application, the Department determines that additional information is needed, the Department will promptly ask the applicant for the needed information. The application will not be considered complete for processing until the requested information is received. The application will be considered withdrawn if the applicant fails to submit the requested information within 90 days of the request.

(14) If, upon review of an application, the Department determines that a permit is not required, the Department will so notify the applicant in writing. Such notification is a final action by the Department on the application.

**NOTE:** This rule is included in the State of Oregon Clean Air Act Implementation Plan as adopted by the EQC under OAR 340-200-0040.

## 340-216-0052

### Construction ACDP

(1) Purpose. A Construction ACDP is a permit for approval of Type 3 construction or modification changes as specified in OAR 340-210-0220. The Construction ACDP includes requirements for the construction or modification of stationary sources or air pollution control equipment and does not by itself provide authorization to operate the new construction or modification. A new or modified Standard ACDP or Oregon Title V Operating Permit is required before operation of the new construction or modification. A Construction ACDP may be used for the following situations:

(a) For complex construction or modification projects that require an extended period of time to construct, the Construction ACDP may provide construction approval faster than issuance of a Standard ACDP or modified Standard ACDP because the operating requirements would not need to be included in the permit.

(b) For Oregon Title V Operating Permit sources, the Construction ACDP may include the requirements of OAR 340-218-0050 and follow the external review procedures in 340-218-0210 and 340-218-0230 so that the requirements may later be incorporated into the Oregon Title V Operating Permit by an administrative amendment. If the applicant elects to incorporate the Construction ACDP by administrative amendment, all of the application submittal, permit content, and permit issuance requirements of OAR 340 division 218 must be met for the Construction ACDP

(2) Application requirements. Any person requesting a Construction ACDP must:

(a) Submit an application according to OAR 340-216-0040 and provide the information specified in 340-216-0040(1) as it relates to the proposed new construction or modification; and

(b) Provide a list of any applicable requirements related to the new construction or modification.

(3) Fees. Applicants for a Construction ACDP must pay the fees in Table 2 of OAR 340-216-8020.

(4) Permit content. A Construction ACDP must include at least the following:

(a) A requirement that construction must commence within 18 months after the permit is issued;

(b) A requirement to construct according to approved plans;

(c) A requirement to comply with all applicable requirements;

(d) Emission limits for affected stationary sources;

(e) Performance standards for affected stationary sources and air pollution control equipment;

(f) Performance test requirements;

(g) Monitoring requirements, if specialized equipment is required (e.g., continuous monitoring systems);

(h) Notification and reporting requirements (construction status reports, startup dates, source test plans, CEMS performance specification testing plans, etc.);

(i) General ACDP conditions for incorporating generally applicable requirements;

(j) A requirement to modify the operating permit before commencing operation of the new construction or modification;

(k) A permit expiration date of no more than 5 years; and

(l) Oregon Title V Permit requirements as specified in OAR 340-218-0050, if the applicant requests the external review procedures in OAR 340-218-0210 and 340-218-0230.

(5) Permit issuance procedures:

(a) A Construction ACDP requires public notice according to OAR 340 division 209 for Category III permit actions.

(b) For sources subject to the Oregon Title V Operating Permit program, the applicant may ask for the external review procedures in 340-218-0210 and 340-218-0230 in addition to the requirements of 340 division 209 to allow the Construction ACDP to be incorporated into the Oregon Title V Operating Permit later by an administrative amendment provided the requirements of (1)(b) are met.

(c) Issuance of a modified Construction ACDP requires one of the following, as applicable:

(A) Non-technical modifications and non-NSR Basic and Simple technical modifications require public notice according to OAR 340 division 209 for Category I permit actions.

(B) Non-NSR/PSD Moderate and Complex technical modifications require public notice according to OAR 340 division 209 for Category II permit actions.

### Short Term Activity ACDPs

(1) Application requirements. Any person requesting a Short Term Activity ACDP must apply in writing, fully describing the emergency and the proposed activities, operations, and emissions. The application must include the fees specified in section (2) of this rule.

(2) Fees. Applicants for a Short Term Activity ACDP must pay the fees in Table 2 of OAR 340-216-8020.

(3) Permit content.

(a) This permit includes conditions that ensure adequate protection of property and preservation of public health, welfare, and resources.

(b) A Short Term Activity ACDP does not include a PSEL for any air contaminants discharged as a result of the permitted activity.

(c) A Short Term Activity ACDP automatically terminates 60 days from the date of issuance and may not be renewed.

(d) A Short Term Activity ACDPs will be properly conditioned to ensure adequate protection of property and preservation of public health, welfare and resources.

(4) Permit issuance procedures. A Short Term Activity ACDP requires public notice according to OAR 340 division 209 for Category I permit actions.

### Basic ACDPs

(1) Application requirements. Any person requesting a Basic ACDP must submit an application according to OAR 340-216-0040 and provide the information specified in OAR 340-216-0040(1).

(2) Fees. Applicants for a new Basic ACDP must pay the fees in Table 2 of OAR 340-216-8020.

(3) Permit content:

# ADMINISTRATIVE RULES

- (a) A Basic ACDP contains only the most significant and relevant rules applicable to the source;
  - (b) A Basic ACDP does not contain a PSEL;
  - (c) A Basic ACDP requires a simplified annual report be submitted to the Department; and
  - (d) A Basic ACDP may be issued for a period not to exceed ten years.
- (4) Permit issuance procedures. A Basic ACDP requires public notice according to OAR 340 division 209 for Category I permit actions.

### General Air Contaminant Discharge Permits

#### (1) Applicability.

(a) DEQ may issue a General ACDP under the following circumstances:

(A) There are several sources that involve the same or substantially similar types of operations;

(B) All requirements applicable to the covered operations can be contained in a General ACDP;

(C) The emission limitations, monitoring, recordkeeping, reporting and other enforceable conditions are the same for all operations covered by the General ACDP; and

(D) The pollutants emitted are of the same type for all covered operations.

#### (b) Permit content. Each General ACDP must include the following:

(A) All relevant requirements for the operations covered by the General ACDP, excluding any federal requirements not adopted by the EQC;

(B) Generic PSELS for all pollutants emitted at more than the de minimis level according to OAR 340, division 222;

(C) Testing, monitoring, recordkeeping, and reporting requirements necessary to ensure compliance with the PSEL and other applicable emissions limits and standards; and

(D) A permit expiration date not to exceed 10 years from the date of issuance.

(c) Permit issuance procedures: A new General ACDP requires public notice and opportunity for comment according to OAR 340 division 209 for Category III permit actions. A reissued General ACDP or a modification to a General ACDP requires public notice and opportunity for comment according to OAR 340 division 209 for Category II permit actions. All General ACDPs are on file and available for review at DEQ's headquarters.

#### (2) Source assignment:

(a) Application requirements. Any person requesting that a source be assigned to a General ACDP must submit a written application according to OAR 340-216-0040 that includes the information in 340-216-0040(1), specifies the General ACDP source category, and shows that the source qualifies for the General ACDP.

(b) Fees. Applicants must pay the fees in Table 2 of OAR 340-216-8020. The fee class for each General ACDP is as follows:

(A) Hard chrome platers — Fee Class Three;

(B) Decorative chrome platers — Fee Class Two;

(C) Halogenated solvent degreasers — batch cold, batch vapor, and in-line — Fee Class Two;

(D) Perchloroethylene dry cleaners — Fee Class Six;

(E) Asphalt plants — Fee Class Three;

(F) Rock crushers — Fee Class Two;

(G) Ready-mix concrete — Fee Class One;

(H) Sawmills, planing mills, millwork, plywood manufacturing and veneer drying — Fee Class Three;

(I) Boilers — Fee Class Two;

(J) Crematories — Fee Class One;

(K) Grain elevators — Fee Class One;

(L) Prepared feeds, flour, and cereal — Fee Class One;

(M) Seed cleaning — Fee Class One;

(N) Coffee roasters — Fee Class One;

(O) Bulk gasoline plants — Fee Class One;

(P) Electric power generators — Fee Class Two;

(Q) Clay ceramics — Fee Class One;

(R) Hospital sterilizers — Fee Class Four;

(S) Secondary nonferrous metals — Fee Class One;

(T) Gasoline dispensing facilities — stage I — Fee Class Five;

(U) Gasoline dispensing facilities — stage II — Fee Class Four;

(V) Wood preserving — Fee Class Four;

(W) Metal fabrication and finishing — with two or more of the following operations — Fee Class Two;

(i) Dry abrasive blasting performed in a vented enclosure or of objects greater than 8 feet (2.4 meters) in any one dimension that uses materials that contain MFHAP or has the potential to emit MFHAP;

(ii) Spray-applied painting operation using MFHAP containing paints;

(iii) Welding operation that uses materials that contain MFHAP or has the potential to emit MFHAP and uses 2,000 pounds or more per year of MFHAP containing welding wire and rod (calculated on a rolling 12-month basis);

(X) Metal fabrication and finishing — with only one of the operations listed in subparagraphs (2)(b)(Y)(i) through (iii) of this rule — Fee Class One;

(Y) Metal fabrication and finishing — with none of the operations listed in subparagraphs (2)(b)(Y)(i) through (iii) of this rule — Fee Class Four;

(Z) Plating and polishing — Fee Class One;

(AA) Surface coating operations — Fee Class One;

(BB) Paint stripping — Fee Class One;

(CC) Aluminum, copper, and nonferrous foundries — Fee Class Two;

(DD) Paints and allied products manufacturing — Fee Class Two;

(EE) Any General ACDP not listed above — Fee Class One.

#### (c) Source assignment procedures:

(A) Assignment of a source to a General ACDP is a Category I permit action and is subject to the Category I public notice requirements according to OAR 340, division 209.

(B) A person is not a permittee under the General ACDP until DEQ assigns the General ACDP to the person.

(C) Assignments to General ACDPs and attachment(s) terminate when the General ACDP or attachment expires or is modified, terminated or revoked.

(D) Once a source has been assigned to a General ACDP, if the assigned General ACDP does not cover all requirements applicable to the source, excluding any federal requirements not adopted by the EQC, the other applicable requirements must be covered by assignment to one or more General ACDP Attachments according to OAR 340-216-0062, otherwise the source must obtain a Simple or Standard ACDP.

(E) A source requesting to be assigned to a General ACDP Attachment, according to OAR 340-216-0062, for a source category in a higher annual fee class than the General ACDP the source is currently assigned to, must be reassigned to the General ACDP for the source category in the higher annual fee class.

(3) DEQ Initiated Modification. If DEQ determines that the conditions have changed such that a General ACDP for a category needs to be modified, DEQ may issue a new General ACDP for that category and assign all existing General ACDP permit holders to the new General ACDP.

(4) Rescission. In addition to OAR 340-216-0082 (Termination or Revocation of an ACDP), DEQ may rescind an individual source's assignment to a General ACDP if the source no longer meets the requirements of this rule or the conditions of the permit, including, but not limited to a source having an ongoing, reoccurring or serious compliance problem. Upon rescinding a source's assignment to a General ACDP DEQ will place the source on a Simple or Standard ACDP. DEQ may also revoke a General ACDP or attachment or both if conditions, standards or rules have changed so the permit or attachment no longer meets the requirements of this rule.

NOTE: This rule is included in the State of Oregon Clean Air Act Implementation Plan as adopted by the EQC under OAR 340-200-0040.

## 340-216-0062

### General ACDP Attachments

(1) Purpose. This rule allows a source to be assigned to one General ACDP and one or more General ACDP Attachments, as long as the General ACDP and General ACDP Attachment(s) contain all requirements applicable to the source. This would allow a source to avoid having to obtain a more costly Simple or Standard ACDP if there are no General ACDPs that contain all requirements applicable to the source.

#### (2) Applicability.

# ADMINISTRATIVE RULES

(a) DEQ may issue a General ACDP Attachment under the following circumstances:

(A) There are several sources that involve the same or substantially similar types of operations;

(B) All requirements applicable to the covered operations can be contained in a General ACDP Attachment;

(C) The emission limitations, monitoring, recordkeeping, reporting and other enforceable conditions are the same for all operations covered by the General ACDP Attachment;

(D) The pollutants emitted are of the same type for all covered operations. If a General ACDP and a General ACDP Attachment(s) cannot address all activities at a source, the owner or operator of the source must apply for a Simple or Standard ACDP according to this Division.

(b) Attachment content. Each General ACDP Attachment must include the following:

(A) All relevant requirements for the operations covered by the General ACDP Attachment, excluding any federal requirements not adopted by the EQC;

(B) Testing, monitoring, recordkeeping, and reporting requirements necessary to ensure compliance with the applicable emissions limits and standards; and

(C) An attachment expiration date not to exceed 10 years from the date of issuance.

(c) Attachment issuance procedures: A General ACDP Attachment requires public notice and opportunity for comment according to OAR 340 division 209 for Category II permit actions. All General ACDP Attachments will be on file and available for review at DEQ's headquarters.

(3) Source assignment:

(a) Application requirements. Any person requesting to be assigned to a General ACDP Attachment must submit a written application for each requested General ACDP Attachment that specifies the requested General ACDP Attachment and shows that the source qualifies for the requested General ACDP Attachment.

(b) Fees. Permittees must pay an annual fee of \$144.00 for each assigned General ACDP Attachment.

(c) Assignment procedures:

(A) Assignment to a General ACDP Attachment is a Category I permit action and is subject to the Category I public notice requirements according to OAR 340, division 209.

(B) A person is not a permittee under the General ACDP Attachment until DEQ assigns the General ACDP Attachment to the person.

(C) Assignments to a General ACDP Attachments terminate when the General ACDP Attachment expires or is modified, terminated or revoked.

(D) A source may not be assigned to a General ACDP Attachment for a source category in a higher annual fee class than the General ACDP the source is currently assigned to. Instead a source must be reassigned to the General ACDP for the source category in the higher annual fee class according to OAR 340-216-0060(2)(c)(E) and may be assigned to one or more General ACDP Attachments associated with source categories in an equal or lower annual fee class.

(d) If all activities at a source cannot be addressed by a General ACDP and General ACDP Attachments, the owner or operator of the source must apply for a Simple or Standard ACDP according to this Division.

**NOTE:** This rule is included in the State of Oregon Clean Air Act Implementation Plan as adopted by the EQC under OAR 340-200-0040.

## 340-216-0064

### Simple ACDP

(1) Applicability.

(a) Sources and activities listed in Table 1, Part B of OAR 340-216-8010 that do not qualify for a General ACDP and are not required to obtain a Standard ACDP must, at a minimum, obtain a Simple ACDP.

(b) Any source required to obtain a Simple ACDP may obtain a Standard ACDP.

(c) DEQ may determine that a source is ineligible for a Simple ACDP and must obtain a Standard ACDP based upon, but not limited to, the following considerations:

(A) The nature, extent, and toxicity of the source's emissions;

(B) The complexity of the source and the rules applicable to that source;

(C) The complexity of the emission controls and potential threat to human health and the environment if the emission controls fail;

(D) The location of the source; and

(E) The compliance history of the source.

(2) Application Requirements. Any person requesting a new, modified, or renewed Simple ACDP must submit an application according to OAR 340-216-0040.

(3) Fees. Applicants for a new or modified Simple ACDP must pay the fees in Table 2 of OAR 340-216-8020. Annual fees for Simple ACDPs will be assessed based on the following:

(a) Low Fee — A Source may qualify for the Low Fee if:

(A) the source is, or will be, permitted under only one of the following categories in Table 1, Part B (category 27. Electric Power Generation, may be included with any category listed below) of OAR 340-216-8010:

(i) Category 7. Asphalt felt and coatings;

(ii) Category 13. Boilers and other fuel burning equipment;

(iii) Category 33. Galvanizing & Pipe coating;

(iv) Category 39. Gray iron and steel foundries, malleable iron foundries, steel investment foundries, steel foundries 100 or more tons/yr. metal charged (not elsewhere identified);

(v) Category 40. Gypsum products;

(vi) Category 45. Liquid Storage Tanks subject to OAR division 232;

(vii) Category 56. Non-Ferrous Metal Foundries 100 or more tons/yr. of metal charged;

(viii) Category 57. Organic or Inorganic Industrial Chemical Manufacturing;

(ix) Category 62. Perchloroethylene Dry Cleaning;

(x) Category 73. Secondary Smelting and/or Refining of Ferrous and Non-Ferrous Metals; or

(xi) Category 85. All Other Sources not listed in Table 1 of OAR 340-216-8010 that would have actual emissions, if the source were to operate uncontrolled, of 5 or more tons a year of direct PM<sub>2.5</sub> or PM<sub>10</sub> if located in a PM<sub>2.5</sub> or PM<sub>10</sub> non-attainment or maintenance area, or 10 or more tons of any single criteria pollutant in any part of the state; and

(B) The actual emissions from the calendar year immediately preceding the invoice date, and projected emissions for the current calendar year are less than 5 tons/yr. PM<sub>10</sub> in a PM<sub>10</sub> nonattainment or maintenance area, and less than 10 tons/yr. for each criteria pollutant; and

(C) The source is not considered an air quality problem or nuisance source by DEQ.

(b) High Fee — Any source required to have a Simple ACDP (Table 1, Part B of OAR 340-216-8010) that does not qualify for the Low Fee will be assessed the High Fee.

(c) If DEQ determines that a source was invoiced for the Low Annual Fee but does not meet the Low Fee criteria outlined above, the source will be required to pay the difference between the Low and High Fees, plus applicable late fees in accordance with Table 2 of OAR 340-216-8020. Late fees start upon issuance of the initial invoice. In this case, DEQ will issue a new invoice specifying applicable fees.

(4) Permit Content.

(a) All relevant applicable requirements for source operation, including general ACDP conditions for incorporating generally applicable requirements, but excluding any federal requirements not adopted by the EQC;

(b) Generic PSELs for all pollutants emitted at more than the de minimis level according to OAR 340 division 222;

(c) Testing, monitoring, recordkeeping, and reporting requirements sufficient to determine compliance with the PSEL and other emission limits and standards, as necessary; and

(d) A permit duration not to exceed 5 years.

(5) Permit issuance procedures:

(a) Issuance of a new or renewed Simple ACDP requires public notice according to OAR 340 division 209 for Category II permit actions.

(b) Issuance of a modification to a Simple ACDP requires one of the following procedures, as applicable:

(A) Non-technical and non-NSR/PSD Basic and Simple technical modifications require public notice according to OAR 340, division 209 for Category I permit actions; or

(B) Issuance of non-NSR/PSD Moderate and Complex technical modifications require public notice according to OAR 340 division 209 for Category II permit actions.

# ADMINISTRATIVE RULES

## 340-216-0066

### Standard ACDPs

(1) Application requirements. Any person requesting a new, modified, or renewed Standard ACDP must submit an application according to OAR 340-216-0040 and include the following additional information as applicable:

(a) For new or modified Standard ACDPs that are not subject to NSR (OAR 340 division 224) but have emissions increases above the significant emissions rate, the application must include an analysis of the air quality and visibility (federal major sources only) impact of the source or modification, including meteorological and topographical data, specific details of models used, and other information necessary to estimate air quality impacts.

(b) For new or modified Standard ACDPs that are subject to NSR (OAR 340 division 224), the application must include the following additional information as applicable:

(A) A detailed description of the air pollution control equipment and emission reductions processes that are planned for the source or modification, and any other information necessary to determine that BACT or LAER technology, whichever is applicable, would be applied;

(B) An analysis of the air quality and visibility (federal major sources only) impact of the source or modification, including meteorological and topographical data, specific details of models used, and other information necessary to estimate air quality impacts; and

(C) An analysis of the air quality and visibility (federal major sources only) impacts, and the nature and extent of all commercial, residential, industrial, and other source emission growth, which has occurred since January 1, 1978, in the area the source or modification would affect.

(2) Fees. Applicants for a Standard ACDP must pay the fees in Table 2 of OAR 340-216-8020.

(3) Permit content. A Standard ACDP is a permit that contains:

(a) All applicable requirements, including general ACDP conditions for incorporating generally applicable requirements, but excluding any federal requirements not adopted by the EQC;

(b) Source specific PSELs or Generic PSELs, whichever are applicable, as specified in OAR 340, division 222;

(c) Testing, monitoring, recordkeeping, and reporting requirements sufficient to determine compliance with the PSEL and other emission limits and standards, as necessary; and

(d) A permit duration not to exceed 5 years.

(4) Permit issuance procedures.

(a) Issuance of a new or renewed Standard ACDP requires public notice as follows:

(A) For non-NSR permit actions, issuance of a new or renewed Standard ACDP requires public notice according to OAR 340 division 209 for Category III permit actions for any increase in allowed emissions, or Category II permit actions if no emissions increase is allowed.

(B) For NSR permit actions, issuance of a new Standard ACDP requires public notice according to OAR 340 division 209 for Category IV permit actions.

(b) Issuance of a modified Standard ACDP requires one of the following, as applicable:

(A) Non-technical modifications and non-NSR Basic and Simple technical modifications require public notice according to OAR 340 division 209 for Category I permit actions.

(B) Non-NSR/PSD Moderate and Complex technical modifications require public notice according to OAR 340 division 209 for Category II permit actions if no increase in allowed emissions, or Category III permit actions if an increase in emissions is allowed.

(C) NSR/PSD modifications require public notice according to OAR 340 division 209 for Category IV permit actions.

## Department of Fish and Wildlife Chapter 635

**Rule Caption:** Sport Chinook Fishery on Lookingglass Creek

**Adm. Order No.:** DFW 71-2014(Temp)

**Filed with Sec. of State:** 6-16-2014

**Certified to be Effective:** 6-18-14 thru 9-1-14

**Notice Publication Date:**

**Rules Amended:** 635-019-0090

**Rules Suspended:** 635-019-0090(T)

**Subject:** This amended rule closes the on-going Chinook angling season on Lookingglass Creek previously established through temporary rule. The harvest allocation for this fishery will be met by the date of closure.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

## 635-019-0090

### Inclusions and Modifications

(1) The **2014 Oregon Sport Fishing Regulations** provide requirements for the Northeast Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the 2014 Oregon Sport Fishing Regulations.

(2) The John Day River from the Longview Ranch's Johnson Creek Division Bridge (located approximately 200 feet upstream from the mouth of the North Fork John Day River) upstream to the mouth of Rattlesnake Creek (19.5 miles) near the south end of Picture Gorge is open to angling for adult Chinook salmon from May 17 through June 15, 2014.

(a) The daily bag limit is two (2) adult Chinook and five (5) jacks; two daily limits in possession. It is illegal to continue fishing for jack Chinook once the adult daily bag limit is met.

(b) Statewide salmon gear restrictions apply.

(c) All other General, Statewide and Northeast Zone Regulations, as provided in the 2014 Oregon Sport Fishing Regulations, remain in effect.

# ADMINISTRATIVE RULES

(3) Lookingglass Creek from the Moses Creek Lane Bridge (County Road 42) to the confluence of Jarboe Creek is open to angling for adipose fin-clipped spring Chinook salmon from May 31 through 12:01 a.m. Wednesday, June 18, 2014.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) During the duration of the spring Chinook angling season, the area closure listed for Lookingglass Creek in the Northeast Zone Special Regulations is modified to: Lookingglass Creek closed between Jarboe Creek and 200 feet upstream of the hatchery water intake.

(c) Hook gap restrictions listed in the Northeast Zone Special Regulations for Lookingglass Creek are removed for the duration of the spring Chinook angling season.

(d) All other General, Statewide and Northeast Zone Regulations, as provided in the 2014 Oregon Sport Fishing Regulations, remain in effect.

(4) The Imnaha River from the mouth to Summit Creek Bridge (River Mile 45) is open to angling for adipose fin-clipped adult Chinook salmon from June 21, 2014 until further notice.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) All other General, Statewide and Northeast Zone Regulations, as provided in the 2014 Oregon Sport Fishing Regulations, remain in effect.

(5) The Wallowa River from a deadline at the lower end of Minam State Park upstream to the confluence with the Lostine River is open to angling for adipose fin-clipped adult Chinook salmon from June 21, 2014 until further notice.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

**Rule Caption:** Opening of Spring Chinook Fishery In the Imnaha River Delayed

**Adm. Order No.:** DFW 72-2014(Temp)

**Filed with Sec. of State:** 6-19-2014

**Certified to be Effective:** 6-19-14 thru 9-1-14

**Notice Publication Date:**

**Rules Amended:** 635-019-0090

**Rules Suspended:** 635-019-0090(T)

**Subject:** This amended rule rescinds the scheduled start, June 21, 2014, of the recreational spring Chinook salmon fishery in the Imnaha River. This opportunity to harvest adipose fin-clipped adult Chinook salmon and adipose fin-clipped jack Chinook salmon, which are in excess of the Department's hatchery production needs in the Imnaha River may be re-scheduled if sufficient numbers of harvestable fish reach the fishery area.

### Inclusions and Modifications

(1) The 2014 Oregon Sport Fishing Regulations provide requirements for the Northeast Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the 2014 Oregon Sport Fishing Regulations.

(2) The Wallowa River from a deadline at the lower end of Minam State Park upstream to the confluence with the Lostine River is open to angling for adipose fin-clipped adult Chinook salmon from June 21, 2014 until further notice.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) All other General, Statewide and Northeast Zone Regulations, as provided in the 2014 Oregon Sport Fishing Regulations, remain in effect.

**Rule Caption:** Additional Opportunity for Personal Use Harvest of Pacific Lamprey at Willamette Falls Allowed

**Adm. Order No.:** DFW 73-2014(Temp)

**Filed with Sec. of State:** 6-20-2014

**Certified to be Effective:** 6-23-14 thru 10-31-14

**Notice Publication Date:**

**Rules Amended:** 635-017-0090

**Rules Suspended:** 635-017-0090(T)

**Subject:** This amended rule allows for three additional days for personal use harvest of Pacific lamprey at Willamette Falls, on Tuesday, June 24 through Thursday, June 26, 2014 by individuals with the required permit. The season modification provides opportunity for harvest of Pacific lamprey that may become stranded due to the scheduled installation of water flow devices at Willamette Falls. All other regulations for the harvest of Pacific lamprey remain unchanged.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

## 635-017-0090

### Inclusions and Modifications

(1) The **2014 Oregon Sport Fishing Regulations** provide requirements for the Willamette Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the 2014 Oregon Sport Fishing Regulations.

#### (2) Pacific Lamprey Harvest:

(a) Pursuant to OAR 635-044-0130(1)(b), authorization from the Oregon Fish and Wildlife Commission must be in possession by individuals collecting or possessing Pacific lamprey for personal use. Permits are available from ODFW, 17330 SE Evelyn Street, Clackamas, OR 97015;

(b) Open fishing period is June 1 through July 31 from 7:00 A.M. to 6:00 P.M.; personal use harvest is permitted Friday through Monday each week. All harvest is prohibited Tuesday through Thursday with the exception of Tuesday, June 24 through Thursday, June 26, 2014;

(c) Open fishing area is the Willamette River at Willamette Falls on the east side of the falls only, excluding Horseshoe Area at the peak of the falls;

(d) Gear is restricted to hand or hand-powered tools only;

(e) Catch must be recorded daily on a harvest record card prior to leaving the open fishing area. Harvest record cards will be provided by ODFW. All harvest record cards must be returned to the ODFW Clackamas office by August 31 to report catch. Permit holders who do not return the harvest record cards by August 31 will be ineligible to receive a permit in the following year.

(f) Harvesters must allow sampling or enumeration of catches by ODFW personnel.

(3) Sandy River (Multnomah/Clackamas Co.) mainstem and tributaries upstream from ODFW markers at the mouth of the Salmon River, including the Salmon River:

(a) Open for adipose fin-clipped steelhead and non-adipose fin-clipped steelhead harvest July 1–August 31.

(b) Angling restricted to artificial flies and lures with a single point hook no larger than 1/2 inch gap (size 1) and multiple point hook no larger than 3/8 inch gap (size 4).

(c) No limit on size or number of brook trout taken. Catch limits on other trout species do not apply to brook trout.

#### (4) Santiam River:

(a) Rainbow Trout: The daily bag limit for adipose fin-clipped rainbow trout is increased from two (2) to five (5) in the mainstem Santiam River, the North Fork to the markers upstream of Packsaddle Park, and in the South Fork to the markers below Foster Dam (excluding all tributaries) beginning June 10 through October 31, 2014 with no minimum length requirements.

(b) Steelhead: The daily bag limit for adipose fin-clipped steelhead is increased to one (1) additional adult adipose fin-clipped steelhead per day in the mainstem Santiam River, the Little North Fork, the North Fork up to the markers in Packsaddle Park, and in the South Fork to the markers below Foster Dam beginning June 10 through October 31, 2014.

(5) Effective January 1, 2013, the use of barbless hooks is required when angling for salmon, steelhead, or trout in the mainstem Willamette River downstream of Willamette Falls (including Multnomah Channel and the Gilbert River) and in the lower Clackamas River upstream to the Highway 99E Bridge.

(6) Liberalized bag limits for EE Wilson Pond are in effect from June 13 through June 30, 2014 as follows:

(a) Rainbow Trout: the daily bag limit for rainbow trout is increased from five to ten in possession.

(b) Bass: the daily bag limit for bass is increased from five to ten in possession.

(c) All other regulations as shown in the **2014 Oregon Sport Fishing Regulations**, including rules regarding wanton waste, remain in effect.

**Rule Caption:** Three Rivers Angling Regulations Modified Effective June 30, 2014

**Adm. Order No.:** DFW 74-2014(Temp)

**Filed with Sec. of State:** 6-23-2014

**Certified to be Effective:** 6-30-14 thru 9-30-14

**Notice Publication Date:**

**Rules Amended:** 635-014-0090

**Subject:** The rule modifications delay the spring Chinook fishery closure at Three Rivers from July 1 until July 16, 2014 in order to allow anglers greater opportunity to harvest hatchery spring Chinook by extending the season.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

## 635-014-0090

### Inclusions and Modifications

(1) The **2014 Oregon Sport Fishing Regulations** provide requirements for the Northwest Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2014 Oregon Sport Fishing Regulations** pamphlet.

(2) Notwithstanding all other requirements provided in the 2014 Oregon Sport Fishing Regulations pamphlet, the following additional rules apply to adult salmon angling in waters of the Northwest Zone:

(a) All waters of the Necanicum River Basin, Nehalem River Basin (including North Fork), Tillamook Bay Basin, (including the Miami, Kilchis, Wilson, Trask, and Tillamook rivers), and the Nestucca River Basin (including the Little Nestucca) Salmon River, Siletz River (including Drift Creek), and Yaquina River that are open for Chinook salmon are limited to no more than 2 adult non fin-clipped Chinook salmon per day, and 10 adult non fin-clipped Chinook salmon in the seasonal aggregate when combined with all other waters in the Northwest Zone with a 10 adult non fin-clipped Chinook salmon seasonal aggregate limit. Seasonal aggregate applies to all adult non fin-clipped Chinook salmon retained between August 1 and December 31 except in the Nehalem Basin where the seasonal aggregate applies to all adult non fin-clipped Chinook salmon retained between July 1 and December 31.

(b) Three Rivers (Nestucca Basin, Tillamook/Yamhill Co.) mainstem:

(A) Open for adipose fin-clipped steelhead all year. Open for adipose fin-clipped spring Chinook salmon April 1–July 15;

(B) Closed from mouth upstream to hatchery weir deadline July 16–Sept. 30;

(C) From May 1–July 15, use of leaders longer than 36 inches is prohibited. Hooks are limited to no more than one single point, size 3/8-inch gap width (approximately size #2) or smaller hook; and

(D) All other requirements provided on page 34 and 35 of the 2014 Oregon Sport Fishing Regulations pamphlet apply.

(c) Within the Nehalem River Basin (including the North Fork) the following additional rules apply:

(A) Mainstem closed to all salmon angling upstream of Foss Road (CC) Bridge (RM 15.5) July 1 through December 31.

(B) Nehalem Bay tidewater from the jetty tips upstream to Miami-Foley Bridge on South Fork and North Fork Road Bridge on the North Fork is open for non adipose fin-clipped coho salmon from September 15 through the earlier of November 30 or attainment of an adult coho salmon quota of 700 non adipose fin-clipped coho salmon.

(C) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than one total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest

Zone with a one adult non adipose fin-clipped coho salmon seasonal aggregate limit (Nestucca River and Tillamook Bay Basin).

(d) Within the Tillamook Bay Basin the following additional rules apply:

(A) Tillamook Bay tidewater from the jetty tips upstream to Highway 101 Bridge on Miami, Kilchis, Wilson, and Trask rivers and Burton Bridge on Tillamook River is open on Fridays and Saturdays only for non adipose fin-clipped coho salmon from September 20 through the earlier of November 30 or attainment of an adult coho salmon quota of 500 non adipose fin-clipped coho salmon.

(B) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than one total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone with a one adult non adipose fin-clipped coho salmon seasonal aggregate limit (Nestucca River and Nehalem River Basin).

(e) Within the Nestucca River Basin (including the Little Nestucca River) the following rules apply:

(A) Mainstem Nestucca River upstream of First Bridge (RM 15.8) near Beaver closed to all salmon angling August 1 through December 31.

(B) Nestucca Bay tidewater (excluding Little Nestucca tidewater) from the bay mouth upstream to the Cloverdale Bridge (RM 7.1) is open on Sundays and Mondays only for non adipose fin-clipped coho salmon from September 15 through the earlier of November 25 or attainment of an adult coho salmon quota of 200 non adipose fin-clipped coho salmon.

(C) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than one total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone with a one adult non adipose fin-clipped coho salmon seasonal aggregate limit (Nehalem River and Tillamook Bay Basin).

(f) Within the Siletz River Basin the following additional rules apply:

(A) Mainstem and tributaries above an ODFW marker sign approximately 1,200 feet upstream of Ojalla Bridge (RM 31) closed to Chinook August 1–December 31; Drift Creek (Siletz River Basin) upstream of the confluence with Quarry Creek at RM 8 is closed for Chinook salmon from August 1 through December 31;

(B) Siletz River and Bay upstream to an ODFW marker sign approximately 1,200 feet upstream of Ojalla Bridge (RM 31) is open for non adipose fin-clipped coho salmon from September 15 through November 30; and

(C) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 2 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone with a 2 adult non adipose fin-clipped coho salmon seasonal aggregate limit (Yaquina River, Alsea River, Siuslaw River, Umpqua River, Beaver Creek (Ona Beach), Floras Creek/New River, Coos River, and Coquille River).

(g) Within the Yaquina River Basin the following additional rules apply:

(A) All waters of the Yaquina River upstream of the confluence of the Yaquina River and Big Elk Creek at RM 18.3 and all waters of Big Elk Creek (Yaquina River Basin) are closed for Chinook salmon from August 1 through December 31;

(B) The Yaquina River and Bay upstream to the confluence of the Yaquina River and Big Elk Creek are open for non adipose fin-clipped coho salmon from September 15 through November 30; and

(C) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 2 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone with a 2 adult non adipose fin-clipped coho salmon seasonal aggregate limit (Siletz River, Alsea River, Siuslaw River, Umpqua River, Beaver Creek (Ona Beach), Floras Creek/New River, Coos River, and Coquille River).

(h) Within the Alsea River Basin the following additional rules apply:

(A) All waters of Drift Creek (Alsea River Basin) within the Drift Creek Wilderness Area and upstream are closed for Chinook salmon from August 1 through December 31;

(B) All waters of Five Rivers are closed for Chinook salmon from August 1 through December 31.

(C) The Alsea River and Bay upstream to the USFS River Edge Boat Landing are open for non adipose fin-clipped coho salmon from September 15 through November 30; and

# ADMINISTRATIVE RULES

(D) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 2 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone with a 2 adult non adipose fin-clipped coho salmon seasonal aggregate limit (Siletz River, Yaquina River, Siuslaw River, Umpqua River, Beaver Creek (Ona Beach), Floras Creek/New River, Coos River, and Coquille River).

(i) Within the Siuslaw River Basin the following additional rules apply:

(A) All waters of the Siuslaw River upstream of the confluence with Lake Creek at RM 30.0 are closed for Chinook salmon from August 1 through December 31;

(B) All waters of Lake Creek are closed for Chinook salmon August 1 through October 15 and all waters of Lake Creek upstream from the mouth of Indian Creek (RM 2.5) and downstream of Fish Creek (RM 17) are closed for angling for Chinook salmon the entire year and closed to all angling from September 1 through November 30;

(C) The Siuslaw River and Bay upstream to the confluence of the Siuslaw River with Lake Creek is open for non adipose fin-clipped coho salmon from September 15 through November 30; and

(D) Lake Creek upstream to the mouth of Indian Creek (RM 2.5) is open to non adipose fin-clipped coho salmon from October 16 through November 30;

(E) The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 2 total adult non adipose fin-clipped coho salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone with a 2 adult non adipose fin-clipped coho salmon seasonal aggregate limit (Yaquina River, Alsea River, Siletz River, Umpqua River, Beaver Creek (Ona Beach), Floras Creek/New River, Coos River, and Coquille River).

(j) Beaver Creek (at Ona Beach between Newport and Waldport) from footbridge west of Highway 101 upstream to the confluence of South Fork Beaver Creek (Ona Beach) open on Saturdays and Sundays ONLY for non adipose fin-clipped coho salmon from November 1–30 or until attainment of an adult coho quota of 150 fish. The daily catch limit may include one adult non adipose fin-clipped coho salmon per day and one non adipose fin-clipped jack coho salmon per day, and no more than 2 non adipose fin-clipped salmon in the seasonal aggregate from all waters in the Northwest Zone and Southwest Zone with a 2 adult non adipose fin-clipped coho seasonal aggregate limit (Siletz River, Yaquina River, Alsea River, Siuslaw River, Umpqua River, Floras Creek/New River, Coos River, and Coquille River).

(3) Effective January 1, 2013, the use of barbless hooks is required when angling for salmon, steelhead, or trout in the following areas:

(a) Within the Youngs Bay Select Area (Clatsop County) from the Highway 101 Bridge upstream to markers at the confluence of the Youngs and Klaskanine rivers including the lower Lewis and Clark River upstream to the Alternate Highway 101 Bridge, and the lower Walluski River upstream to the Highway 202 Bridge.

(b) In Gnat Creek (Clatsop County) from the railroad bridge upstream to the Aldrich Point Road Bridge.

(4) Effective January 1, 2014, all waters within the Northwest Zone are closed to the retention of white sturgeon and catch-and-release angling is allowed year-round.

**Rule Caption:** Spring Chinook Fisheries Open In the Lower Grande Ronde River.

**Adm. Order No.:** DFW 75-2014(Temp)

**Filed with Sec. of State:** 6-23-2014

**Certified to be Effective:** 6-27-14 thru 9-1-14

**Notice Publication Date:**

**Rules Amended:** 635-019-0090

**Rules Suspended:** 635-019-0090(T)

**Subject:** This amended rule allows recreational anglers opportunities to harvest adipose fin-clipped adult Chinook salmon and adipose fin-clipped jack Chinook salmon originating from the Lostine River, which are in excess of the Department's hatchery production needs, in the Lower Grande Ronde River beginning Friday, June 27 and ending Monday, June 30, 2014.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

**635-019-0090**

**Inclusions and Modifications**

(1) The 2014 Oregon Sport Fishing Regulations provide requirements for the Northeast Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the 2014 Oregon Sport Fishing Regulations.

(2) The Willowa River from a deadline at the lower end of Minam State Park upstream to the confluence with the Lostine River is open to angling for adipose fin-clipped adult Chinook salmon from June 21, 2014 until further notice.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) All other General, Statewide and Northeast Zone Regulations, as provided in the 2014 Oregon Sport Fishing Regulations, remain in effect.

(3) The Grande Ronde River from the Oregon State line upstream to a deadline posted 300 feet upstream of the Grande Ronde River Road bridge below Wildcat Creek, with exception of the reach of river approximately 200 feet upstream and 1300 feet downstream of the footbridge at the town of Troy, is open to angling for adult Chinook salmon from June 27 to June 30, 2014.

# ADMINISTRATIVE RULES

(a) The daily bag limit is two (2) adult Chinook and five (5) jacks; two daily limits in possession. It is illegal to continue fishing for jack Chinook once the adult daily bag limit is met.

(b) Statewide salmon gear restrictions apply.

(c) All other General, Statewide and Northeast Zone Regulations, as provided in the 2014 Oregon Sport Fishing Regulations, remain in effect.

**Adm. Order No.:** DFW 76-2014(Temp)

**Filed with Sec. of State:** 6-24-2014

**Certified to be Effective:** 6-25-14 thru 7-31-14

**Notice Publication Date:**

**Rules Amended:** 635-004-0375

**Subject:** This amended rule closes the directed commercial sardine fishery for the Interim 2014 season, effective at 12:01 a.m. Wednesday, June 25 through Monday, June 30, 2014. Modifications are needed to conform Oregon State regulations to federal rule changes announced on June 23, 2014 by the National Marine Fisheries Service (NMFS).

**Rules Coordinator:** Therese Kucera—(503) 947-6033

**635-004-0375**

**Scope, Inclusion, and Modification of Rules**

(1) The commercial coastal pelagic species fishery in the Pacific Ocean off Oregon is jointly managed by the state of Oregon and the federal government through the Pacific Fishery Management Council process. The **Code of Federal Regulations** provides federal requirements for this fishery, including but not limited to the time, place, and manner of taking coastal pelagic species. However, additional regulations may be promulgated subsequently by publication in the Federal Register, and these supersede, to the extent of any inconsistency, the Code of Federal Regulations. Therefore, the following publications are incorporated into Oregon Administrative Rule by reference:

(a) Code of Federal Regulations, Part 660, Subpart I, (October 1, 2012 ed.);

(b) Federal Register Vol. 78, No. 116, dated June 17, 2013 (78 FR 36117); and

(c) Federal Notice Of Pacific Sardine Directed Fishing Closure, dated June 23, 2014.

(2) Persons must consult the federal regulations in addition to division 4 to determine all applicable coastal pelagic species fishing requirements. Where federal regulations refer to the fishery management area, that area is extended from shore to three nautical miles from shore coterminous with the Exclusive Economic Zone.

(3) The Commission may adopt additional or modified regulations that are more conservative than federal regulations, in which case Oregon Administrative Rule takes precedence. See OAR 635-004-0205 through 635-004-0235 and 635-004-0380 through 635-004-0545 for additions or modifications to federal coastal pelagic species regulations.

**Subject:** These adopted, amended and repealed rules are relating to implementation of the Coastal Multi-Species Conservation and Management Plan as determined necessary by the Oregon Fish and Wildlife Commission. Housekeeping and technical corrections to regulations relating to hatcheries and harvest opportunities; predators; regulatory programs; water quality; and adaptive management were performed as determined necessary to ensure rule consistency.

This is a re-filing without changes, due to a technical error by the Rules Coordinator, of a filing made on 6-10-14.

## 635-500-0200

### Management Objectives for North Umpqua River Below Soda Springs Dam

The Department of Fish and Wildlife will emphasize summer and winter steelhead and spring chinook in the North Umpqua River below Soda Springs Dam. Coho shall be managed for the production of naturally produced coho with an option for a hatchery program consistent with provisions in OAR 635-500-6500 (Oregon Coast Coho Conservation Plan for the State of Oregon). Fall Chinook will be emphasized in other areas where better habitat exists. The Department shall proceed with programs and other efforts to achieve the following objectives, consistent with state law, agency policy and rule, and recognizing funding priorities for the agency. The following objectives will govern management of salmonid populations in the North Umpqua River basin below Soda Springs Dam.

(1) All issues related to management of salmon (except coho), steelhead, and cutthroat trout in this area are addressed in the Coastal Multi-Species Conservation and Management Plan (OAR 635-500-6775).

(2) Coho:

(a) Recover the naturally produced coho population in the North Umpqua River Basin consistent with the six measurable criteria for desired status contained in OAR 635-500-6500 (Oregon Coast Coho Conservation Plan for the State of Oregon).

(b) Recover Umpqua River Basin naturally produced coho salmon sufficiently to prevent restrictions on fisheries targeting other species or fin clipped hatchery coho, and sufficiently to provide for future harvest in the North Umpqua Basin consistent with 635-500-6500 (Oregon Coast Coho Conservation Plan for the State of Oregon).

## 635-500-6775

### Implementing the Coastal Multi-Species Conservation and Management Plan

(1) Policy. The Coastal Multi-Species Conservation and Management Plan (CMP) (State of Oregon 2014, available at the Department's Salem office or [www.dfw.state.or.us](http://www.dfw.state.or.us)) implements the State's strategy for protecting, enhancing and utilizing Oregon populations of Chinook salmon, spring Chinook salmon, chum salmon, winter steelhead, summer steelhead, and coastal cutthroat trout along the Oregon coast from Elk River near Cape Blanco to the Necanicum River near Seaside. The CMP is based on the premise that the Oregon Plan for Salmon and Watersheds provides the best vehicle for securing partnerships, both private and governmental, to successfully implement the actions called for in this plan. This rule describes the Commission's contribution toward this collective effort and directs the Department's implementation of the CMP. This rule describes the Department's role in implementing the CMP consistent with the Department's statutory authorities and the Native Fish Conservation Policy (OAR 635-007-0502 thru 635-007-0505). The rule is not intended to be a rigid recipe but rather to identify the range of opportunities the Department should pursue and how the effectiveness of those opportunities should be

# ADMINISTRATIVE RULES

evaluated, following the template first established in the Native Fish Conservation Policy.

(2) Description of Species Management Units (SMUs) and Populations.

The SMUs for Oregon Coastal salmon, steelhead, and trout which are addressed in the CMP are comprised of geographical strata and independent populations, as listed in Table 2 of the CMP.

(3) Desired Status. The first desired status goal for Oregon Coastal salmon, steelhead and trout SMUs is to assure that all populations that are currently viable remain so, and that those not viable become so. The second goal is that eventual improvements in salmon, steelhead and trout survival from management actions provide for all populations to be highly viable and productive enough that they can provide greater ecological and fisheries benefits than are currently being provided. The desired status goals for the SMUs shall be achieved when:

(a) For the first desired status goal, viable populations identified in Table A-II: 11 of the CMP maintain the current level of metrics and scores identified in this table and populations that are not viable in this table (excluding Netarts chum, which may not be an independent population) have metrics and scores indicating they are viable, and

(b) For the second desired status goal, all independent Oregon Coastal salmon, steelhead and trout populations pass all of the measurable criteria for highly viable status. Measurable criteria for the second desired status of Oregon Coastal salmon, steelhead and trout SMUs are defined in Table A-III: 1 of the CMP for the following primary biological attributes:

(A) Abundance (adult fish abundance for constituent populations);

(B) Productivity (standardized rate of population growth for constituent natural populations);

(C) Persistence (forecast likelihood of SMU persistence in the near and long terms);

(D) Spatial structure (distribution of populations within unit and population connectivity); and

(E) Diversity (within and among population diversity);

(c) While criteria for survival rate to each critical life history stage cannot yet be developed with the available information and monitoring, staff shall establish such criteria for these biological attributes when adequate information and monitoring are available.

(4) Current Status. The current status of each Oregon Coastal salmon, steelhead and trout SMU at the time of the adoption of this rule is described in the CMP. The Overall Status Assessment Approach section of the Current Status chapter and Table A-II: 11 of the CMP summarize the biological attributes, criteria and metrics used to assess the status of each SMU. Those biological attributes, criteria, and metrics are adopted by reference into this rule.

(5) Primary Limiting Factors.

(a) Numerous factors contribute to the gap between current and desired status of populations comprising the Oregon Coastal salmon, steelhead and trout SMUs. Marine survival of salmon, steelhead and trout associated with ocean conditions is the largest single factor regulating salmon, steelhead and trout productivity and abundance at the SMU scale. Although ocean conditions are not manageable at the scale of this plan and are thus not considered a primary limiting factor, attention to other limiting factors will be heightened during periods of poor ocean conditions.

(b) The limiting factors generally causing the gap between current and desired status for the Oregon Coastal salmon, steelhead and trout SMUs that can be managed are broadly defined as:

(A) Hatchery interactions;

(B) Fishing and harvest impacts;

(C) Interactions with other species (including predators); and

(D) Habitat loss or degradation.

(c) Primary and secondary limiting factors are identified for each population within each SMU in Table 11 of the Desired Status and Limiting Factors chapter of the CMP. Staff will continue to help revise and identify new management actions addressing these factors to aid in reaching desired status. Staff may analyze the limiting factors at a finer, more localized scale when selecting or prioritizing management actions for specific areas within populations. These analyses may find primary and secondary factors different at a local scale than what was found at the SMU or population scale.

(6) Management Strategies. Management strategies to address limiting factors for each population are identified in the Management Strategies and Actions chapter of the CMP. Staff shall consider and attempt to implement these management strategies designed for the SMUs as a whole, and for constituent populations as applicable, as mechanisms to reach the desired status. Short-term (1 to 5 years) and long-term (1 to 25 years) strategies include:

(a) Manage hatchery programs to provide optimal harvest opportunities while being consistent with Desired Status targets for wild populations identified in the CMP.

(b) Manage for wild fish emphasis or hatchery fish programs in the appropriate Management Areas as outlined in Figure 13 of the CMP and obtain Commission approval for starting new or eliminating existing hatchery programs in a management area relative to those in Table 13 and Table 14 of the CMP (excluding educational and research programs).

(c) Manage recreational and commercial fisheries to provide harvest and angling opportunities consistent with conservation of naturally produced salmon steelhead and trout, and achievement of desired status goals for each SMU.

(d) Quantify impacts of predation on wild and hatchery salmon, steelhead and trout; and develop and support programs to reduce predation.

(e) Prohibit the introduction of non-native fin fish species into flowing waters and develop and support programs designed to decrease illegal introductions of non-native species.

(f) Work with habitat restoration implementers to complete or update watershed assessments (as necessary), prioritize watersheds for restoration, and implement watershed-scale restoration work to restore natural processes.

(g) Work with habitat restoration implementers to increase restoration activities in lower mainstem rivers and estuaries.

(h) Protect all habitat areas where chum salmon are currently known to spawn, and prioritize habitat rehabilitation and barrier removal work that expands the habitat base for chum.

(i) Actively pursue and promote habitat protection and restoration necessary to achieve the goals and management strategies for aquatic resources within the CMP area by means of the tactics identified in Table 21 of the CMP.

(j) Coordinate with and advise other agencies, tribes, landowners, water users, watershed councils, and others to implement habitat protection and restoration activities, with an emphasis on habitat protection and a focus on priority projects (as opposed to non-priority and opportunistic projects).

(k) Consistent with the Habitat Mitigation Policy (OAR 635-415-0000) and natural ecosystem processes, work to prevent or reduce potential losses of fish production from land and water use actions and habitat alteration to the extent possible, encourage utilization of Best Management Practices for habitat protection when conducting land and water use projects, and promote greater coordination among government partners to facilitate protective measures against emerging threats such as placer mining, climate change, and invasive species.

(l) Consider and demonstrate preference for alternatives which address both natural hazard damage mitigation and restoration of natural disturbance regimes and habitat function when implementing and making recommendations about natural hazard mitigation actions that address hazards such as flooding or fire.

(7) Adaptive Management. The Department shall employ adaptive management principles within its statutory authority in support of optimizing fisheries and achieving the desired status goals for the SMUs. The Department's adaptive management of the SMUs will include five elements: research; monitoring; evaluation; a feedback loop; and reporting.

(a) Research. The Department shall support high priority research that addresses uncertainties related to SMU or population status and management strategies and actions needed to optimize fisheries and achieve desired status. Future research needs shall be identified during periodic assessments of the effectiveness of the CMP and with the development and update of research plans for the Department and Oregon Hatchery Research Center.

(b) Monitoring. The Department shall continue to identify, implement, and support monitoring needed to assess the status of each Oregon Coastal salmon, steelhead and trout SMU, strata, or populations relative to desired status criteria, evaluate habitat status trends, and understand fishery characteristics as funding and staffing allow.

(c) Evaluation. The Department shall identify and support evaluation needed to apply research and monitoring results to modify monitoring and management, re-assess status, and determine the effectiveness of management strategies and actions in achieving their intended outcomes.

(d) Feedback Loop. The Department shall review the results of reports and assessments identified in 635-500-6775(7)(e) and modify management strategies and actions as appropriate and within its statutory authority based on the review results. The Department shall implement the Adaptive Management processes and recommend to other agencies or entities, as necessary, appropriate modifications to management strategies and

# ADMINISTRATIVE RULES

actions needed to optimize fisheries and support attainment of the desired status goals for each SMU. This feedback shall include refinement of management actions, research, monitoring and evaluation programs and desired status criteria based on the best available scientific information.

(A) The Department shall propose modifications to the CMP if any Oregon Coastal salmon, steelhead, or trout addressed in the CMP become listed under the federal ESA or if a status assessment determines an SMU has become non-viable.

(B) Deterioration in ESU status based on critical abundance thresholds and criteria identified in Table A-III:2 (with notes) of the CMP will also trigger management action re-evaluation, as well as possible additional management actions and CMP modification.

(C) Annual reports described in 635-500-6775(7)(e) will serve as an early warning system that will direct additional monitoring, evaluation, or management actions, if needed, based on annual review of monitoring data.

(e) Reporting. Annual and periodic evaluations of CMP implementation and SMU status shall be made available to the public. The Department shall prepare annual reports and conduct a 12 year (through 2026) status assessment of SMUs and populations. Additional assessments will be conducted as necessitated by new information or significant population declines.

(8) Impact on Other Native Fish Species. Management strategies identified in the CMP are likely to be beneficial to other native fish species present in the SMUs because they focus on restoring natural processes. New or modified actions shall consider impacts to other native species, as appropriate, to minimize harm and optimize benefits.

### Purpose and Scope

(1) The purpose of division 3 is to provide for management of commercial salmon fisheries off the Oregon Coast over which the state has jurisdiction.

(2) Division 3 incorporates into Oregon Administrative Rules, by reference, the annual ocean troll salmon specifications and management measures as adopted by the Pacific Fishery Management Council in its annual Ocean Salmon Management Measures and Impacts, as finalized in April 2014, and in addition to the extent they are consistent with these rules, Code of Federal Regulations (CFR), Title 50, Part 660, Subpart H (61FR34572, July 2, 1996, as amended to incorporate the standards in the Pacific Fishery Management Council referenced document). Therefore, persons must consult the Pacific Fishery Management Council referenced document and Federal Regulations in addition to division 3 to determine all applicable troll salmon fishing requirements. A copy of the Pacific Fishery Management Council referenced document and the Federal Regulations may be obtained by contacting the Pacific Fishery Management Council at [www.pcouncil.org](http://www.pcouncil.org) or at 7700 NE Ambassador Place, Suite 101, Portland, OR 97220-1384.

(3) To the extent not preempted by Federal law, these regulations apply within the State of Oregon's Fisheries Conservation Zone (out to fifty miles from shore).

### Extended Commercial Seasons

In addition to the open seasons prescribed in OAR 635-003-0003 there are open seasons for Chinook salmon as follows:

(1) Elk River Ocean Terminal Area — from November 1 through November 30 in the area described in section (1)(a) of this rule.

(a) The open area is all Pacific Ocean waters shoreward of a line drawn from Cape Blanco (42°50'20" N. Lat.) thence SW to Black Rock (42°49'24" N. Lat. 124°35'00" W. Long.), thence SSW to Best Rock (42°47'24" N. Lat. 124°35'42" W. Long.), thence SE to 42°40'30" N. Lat. 124°29'00" W. Long., thence to shore (Humbug Mountain).

(b) During the season described in this section (1), it is unlawful to take Chinook salmon less than 26 inches in total length; it is unlawful to use multipoint or barbed hooks or to fish more than four spreads per line; and it is unlawful to have in possession or to land more than 20 Chinook per day taken in this fishery. Landings are restricted to Port Orford.

(2) Chetco River Ocean Terminal Area - from October 12 through the earlier of October 31 or quota of 600 Chinook in the area described in section (3)(a) of this rule:

# ADMINISTRATIVE RULES

(a) The open area is all Pacific Ocean waters inside an area south of the north shore of Twin Rocks (42°05'36" N. Lat.) to the Oregon/California border (42°00'00" N. Lat.) and seaward three nautical miles offshore;

(b) During the season described in this section (3) it is unlawful to take Chinook salmon less than 28 inches in total length; it is unlawful to use multipoint or barbed hooks, or to fish more than four spreads per line; and it is unlawful to have in possession or to land more than 20 Chinook per day taken in this fishery. Landings are restricted to Brookings.

(c) All vessels landing salmon caught in this season must report to ODFW within one hour of delivery or prior to transport away from the port of landing by either calling (541) 867-0300, ext. 252 or by e-mail to kmzort.trollreport@state.or.us. Notification shall include vessel name and number, number of salmon by species, port of landing, location of delivery, and estimated time of delivery.

### Special South Coast Seasons

In addition to the open seasons prescribed in OAR 635-013-0005 there are open seasons for Chinook salmon as follows:

(1) Elk River Area.

(a) From November 1 through November 30 in all Pacific Ocean waters shoreward of a line drawn from Cape Blanco (42°50'20" N. Lat.) thence SW to Black Rock (42°49'24" N. Lat. 124°35'00" W. Long.), thence SSW to Best Rock (42°47'24" N. Lat. 124°35'42" W. Long.), thence SE to 42°40'30" N. Lat. 124°29'00" W. Long., thence to shore (Humburg Mountain);

(b) During the season described for the Elk River Area in section (1)(a) of this rule it is unlawful to take Chinook salmon less than 24 inches in length. Two Chinook salmon per day of which no more than one non fin-clipped Chinook salmon per day and 10 non fin-clipped Chinook salmon in the seasonal aggregate when combined with waters of Floras Creek/New River, Sixes River and Elk River. It is unlawful to use multipoint or barbed hooks.

(2) Chetco River Area.

(a) From October 1-12 in an area south of the north shore of Twin Rocks (42°05'36" N. Lat.) to the Oregon/California border (42°00'00" N. Lat.) and seaward three nautical miles offshore.

(b) During the seasons described in section (2)(a) of this rule it is unlawful to take Chinook salmon less than 24 inches in length. Two Chinook salmon per day of which no more than one non fin-clipped Chinook salmon per day and no more than 5 non fin-clipped Chinook salmon may be retained during the October 1-12 season. It is unlawful to use multipoint or barbed hooks.

**Halibut Seasons**

(1) The Pacific halibut sport fishery in Oregon is regulated by the federal government and the International Pacific Halibut Commission (IPHC). OAR chapter 635, division 39 incorporates into Oregon Administrative Rules, by reference:

(a) Title 50 of the Code of Federal Regulations, Part 300, Subpart E (October 1, 2013 ed.), as amended;

(b) Federal Register Vol. 79, No. 48, dated March 12, 2014 (79 FR 3906); and

(c) Federal Register Vol. 79, No. 65, dated April 4, 2014 (79 FR 18827).

(2) Therefore, persons must consult all publications referenced in this rule in addition to Division 039 to determine applicable halibut fishing seasons.

(3) Effective 11:59 p.m., Friday, June 27, 2014 the Central Oregon Coast Subarea (Cape Falcon to Humbug Mountain) spring all-depth season is closed to the retention of Pacific halibut.

### Inclusions and Modifications

(1) The 2014 Oregon Sport Fishing Regulations provide requirements for the Northeast Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any

inconsistency, they supersede the 2014 Oregon Sport Fishing Regulations.

(2) The Willowa River from a deadline at the lower end of Minam State Park upstream to the confluence with the Lostine River is open to angling for adipose fin-clipped adult Chinook salmon from June 21, 2014 until further notice.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) All other General, Statewide and Northeast Zone Regulations, as provided in the 2014 Oregon Sport Fishing Regulations, remain in effect.

(3) The Imnaha River from the mouth to Summit Creek Bridge (River Mile 45) is open to angling for adipose fin-clipped adult Chinook salmon from July 5 through July 6, 2014; and open to angling for adipose fin-clipped jack salmon from July 5 until further notice.

(a) From July 5 through July 6, the daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) After July 6, the daily bag limit is five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession and adult Chinook salmon may not be retained.

(c) All other General, Statewide and Northeast Zone Regulations, as provided in the 2014 Oregon Sport Fishing Regulations, remain in effect.

**Rule Caption:** 2014 Recreational Fall Chinook Season on the Lower Deschutes River.

**Adm. Order No.:** DFW 83-2014(Temp)

**Filed with Sec. of State:** 7-1-2014

**Certified to be Effective:** 8-1-14 thru 10-31-14

**Notice Publication Date:**

**Rules Amended:** 635-018-0090

**Subject:** This amended rule allows the sport harvest of fall Chinook salmon in the Lower Deschutes River from August 1 through October 31, 2014. The Deschutes River open area extends from the mouth at the I-84 Bridge upstream to Sherars Falls. It is unlawful to continue to angle from Sherars Falls downstream to the upper railroad trestle after taking the daily adult bag limit of fall Chinook. The daily bag limit is any 2 adult salmon per day and 5 jack salmon per day. Catch limits and restrictions applying to trout, steelhead, and coho salmon remain unchanged from those listed in the 2014 Oregon Sport Fishing Regulations.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

## 635-018-0090

### Inclusions and Modifications

(1) The 2014 Oregon Sport Fishing Regulations provide requirements for the Central Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the 2014 Oregon Sport Fishing Regulations.

(2) The Deschutes River from the mouth at the I-84 Bridge upstream to Sherars Falls is open to angling for trout, steelhead and Chinook salmon from August 1 through October 31, 2014.

(a) The catch limit for Chinook, during the period described in section (2) above, is any two adults and five jacks per day.

(b) Catch limits and restrictions applying to trout, steelhead, and coho salmon remain unchanged from those listed in the 2014 Oregon Sport Fishing Regulations for Area 1 of the Deschutes River.

## 635-042-0027

### Summer Salmon Season

(1) Chinook salmon, sockeye salmon, and shad may be taken by drift gill net for commercial purposes in Zones 1 through 5, from 7:00 p.m. Monday, July 7 to 7:00 a.m. Tuesday, July 8, 2014 (12 hours).

(2) It is unlawful to use a gill net having a mesh size less than 8 inches. Nets not specifically authorized for use in this fishery may be onboard the vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater.

(3) Closed waters, as described in OAR 635-042-0005 for Cowlitz River, Kalama A, Lewis A, Washougal River and Sandy River sanctuaries are in effect during open fishing periods as applicable.

### Summer Sport Fishery

(1) The **2014 Oregon Sport Fishing Regulations** provide requirements for the Columbia River Zone and the Snake River Zone. However, additional regulations may be adopted in this rule division from time to time, and, to the extent of any inconsistency, they supersede the **2014 Oregon Sport Fishing Regulations**.

(2) Notwithstanding all other specifications and restrictions in the 2014 Oregon Sport Fishing Regulations:

(a) Effective June 16 through July 31 the mainstem Columbia River is open to the retention of adipose fin-clipped jack Chinook (12–24 inches in length) and adipose fin-clipped steelhead from the Astoria-Megler Bridge upstream to the Oregon/Washington border.

(b) Retention of sockeye salmon and adipose fin-clipped adult summer Chinook (longer than 24 inches in length) is allowed in the area from the Astoria-Megler Bridge upstream to Bonneville Dam during the period from July 3 through July 31 for sockeye; from July 3 through July 6, 2014 for adipose fin-clipped adult summer Chinook; and in the area from Bonneville Dam upstream to the Oregon/Washington border during the period from June 16 through July 31, 2014.

(c) The combined daily bag limit for adult salmon and steelhead is two fish. All sockeye are considered adults in the daily limit. Only adipose fin-clipped Chinook and steelhead may be retained. The daily limit for jacks is five fish.

### Inclusions and Modifications

(1) The 2014 Oregon Sport Fishing Regulations provide requirements for the Northeast Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2014 Oregon Sport Fishing Regulations**.

(2) The Willowa River from a deadline at the lower end of Minam State Park upstream to the confluence with the Lostine River is open to angling for adipose fin-clipped adult Chinook salmon from June 21, 2014 until further notice.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) All other General, Statewide and Northeast Zone Regulations, as provided in the **2014 Oregon Sport Fishing Regulations**, remain in effect.

(3) The Imnaha River from the mouth to Summit Creek Bridge (River Mile 45) is open to angling for adipose fin-clipped adult Chinook salmon from July 5 through July 6, 2014; and open to angling for adipose fin-clipped jack salmon from July 5 until further notice.

(a) From July 5 through July 6, the daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) After July 6, the daily bag limit is five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession and adult Chinook salmon may not be retained.

(c) All other General, Statewide and Northeast Zone Regulations, as provided in the **2014 Oregon Sport Fishing Regulations**, remain in effect.

(4) The Grande Ronde River from the Oregon State line upstream to a deadline posted 300 feet upstream of the Grande Ronde River Road bridge below Wildcat Creek, with exception of the reach of river approximately 200 feet upstream and 1300 feet downstream of the footbridge at the town of Troy, is open to angling for adult Chinook salmon from July 5 to July 7, 2014.

(a) The daily bag limit is two (2) adult Chinook and five (5) jacks; two daily limits in possession. It is illegal to continue fishing for jack Chinook once the adult daily bag limit is met.

(b) Statewide salmon gear restrictions apply.

(c) All other General, Statewide and Northeast Zone Regulations, as provided in the **2014 Oregon Sport Fishing Regulations**, remain in effect.

## 635-023-0095

### Sturgeon Season

(1) The **2014 Oregon Sport Fishing Regulations** provide requirements for the Columbia River Zone and the Snake River Zone. However, additional regulations may be adopted in this rule division from time to time, and, to the extent of any inconsistency, they supersede the **2014 Oregon Sport Fishing Regulations**.

(2) Effective 12:01 a.m. Saturday, June 14, 2014 the John Day Pool and adjacent tributaries are closed to retention of white sturgeon.

(3) Retention of white sturgeon between 38–54 inches in fork length is allowed Friday July 11, Saturday July 12, Friday July 18, and Saturday July 19, 2014 (4 days) in the mainstem Columbia River from Bonneville Dam upstream to The Dalles Dam (Bonneville Pool) including adjacent tributaries.

(4) Effective 12:01 a.m. Friday, August 1, 2014 The Dalles Pool and adjacent tributaries are closed to retention of white sturgeon.

(5) Effective January 1, 2014, the annual bag limit for white sturgeon is two (2) fish.

(6) Angling for sturgeon is prohibited from:

(a) Bonneville Dam downstream 9 miles to a line crossing the Columbia River from Navigation Marker 82 on the Oregon shore westerly to a boundary marker on the Washington shore upstream of Fir Point from May 1 through August 31;

(b) Highway 395 Bridge upstream to McNary Dam;

(c) From the west end of the grain silo at Rufus upstream to John Day Dam during May 1 through July 31;

(d) From the Dalles Dam downstream 1.8 miles to the east (upstream) dock at the Port of The Dalles boat ramp on the Oregon shore straight across to a marker on the Washington shore from May 1 through July 31, 2014; and

(e) The upper and lower ends of Sand Island and corresponding markers on the Oregon shoreline (slough at Rooster Rock State Park) from January 1 through April 30.

(7) The mainstem Columbia River from McNary Dam upstream to the Oregon-Washington border at river mile 309.5 is open to retention of white sturgeon with a fork length of 43–54 inches, seven days per week from February 1 through July 31.

(8) Retention of green sturgeon is prohibited all year in all areas.

(9) Catch-and-release angling is allowed year-round except as described above in sections (6)(a) through (6)(e).

(10) Effective January 1, 2014, the mainstem Columbia River from the mouth at Buoy 10 upstream to Bonneville including Oregon tributaries upstream to the mainline railroad bridges, is closed to the retention of white sturgeon.

**Filed with Sec. of State:** 7-7-2014

**Certified to be Effective:** 7-7-14 thru 12-31-14

**Notice Publication Date:**

**Rules Amended:** 635-095-0125

**Subject:** Amend rules to reflect current price of Habitat Conservation Stamp. This price is effective through December 31, 2014.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

## 635-095-0125

### Other Provisions

(1) The fee for the 2012–2014 Habitat Conservation Stamp is \$38.00 (plus \$2.00 agent fee). The fee for the 2015 Habitat Conservation Stamp, and any subsequent stamps thereafter, is \$18.00 (plus \$2.00 agent fee).

(2) Sale of Habitat Conservation Stamps by the Department shall end at the close of business on December 31, of the respective year. Stamps with numbers corresponding with the prints signed by the artist and the Governor will be retained. These stamps will only be distributed with the sale of the corresponding print. Excess stamps shall be shredded after auditing of sales takes place.

(3) The Department shall award one thousand dollars (\$1,000) to the artist whose entry is selected for the Habitat Conservation Stamp.

(4) The winning entry shall become the exclusive property of the Department.

# ADMINISTRATIVE RULES

(5) The Department shall retain all reproduction rights for limited edition prints or other promotional materials.

(6) The artist shall sign, at no charge, up to two hundred fifty (250) habitat conservation prints for sale by the Department. The monetary prize will be awarded after the artist has signed the prints.

**Rule Caption:** Amend rules; change area of the Trask Wildlife Management Unit open during General Bow Season

**Adm. Order No.:** DFW 89-2014(Temp)

**Filed with Sec. of State:** 7-7-2014

**Certified to be Effective:** 7-7-14 thru 11-1-14

**Notice Publication Date:**

**Rules Amended:** 635-073-0000

**Subject:** OAR chapter 73 incorporates, by reference, the requirements for bow and muzzleloader hunting set out in the document entitled "2014 Oregon Big Game Regulations," into Oregon Administrative Rules. This rule amendment is to correct an error in the Big Game Regulations and would:

(1) Change the area of the Trask Wildlife Management Unit open during the General Elk Bow Season described on page 80 from the portion of the Wildlife Management Unit within the National Forest to the entire Wildlife Management Unit.

**Rules Coordinator:** Therese Kucera—(503) 947-6033

## 635-073-0000

### Purpose and General Information

Bow Deer and Elk Hunts. Notwithstanding the provisions of the 2014 Oregon Big Game Regulations:

(1) The open area of the Trask Wildlife Management Unit described on page 80 is changed from within the National Forest (NF) and is the entire Unit. The bag limit is One Bull Elk in the Alsea, Chetco, and Trask Units; and within NF Lands in the Dixon, Evans Creek, Indigo, McKenzie, Rogue, and Santiam units.

(2) The purpose of these rules is to establish season dates, bag limits, areas and other restrictions for bow and muzzleloader hunting and controlled deer and elk youth hunts; pursuant to ORS Chapter 496.

(3) Controlled hunt tag numbers for 2014 for deer and elk bow and muzzleloader hunting and deer and elk youth hunts are listed in Tables 1 and 2 and are adopted and incorporated into OAR chapter 635, division 73 by reference.

(4) OAR chapter 73 incorporates, by reference, the requirements for bow and muzzleloader hunting and controlled deer and elk youth hunts set out in the document entitled "2014 Oregon Big Game Regulations," into Oregon Administrative Rules. Therefore, persons must consult the "2014 Oregon Big Game Regulations," in addition to OAR chapter 635, to determine all applicable requirements for bow and muzzleloader hunting and controlled deer and elk youth hunts. The annual Oregon Big Game Regulations are available at hunting license agents and regional, district and headquarters offices and website of the Oregon Department of Fish and Wildlife.

**Rule Caption:** Additional Harvest Opportunity for Holbrook Reservoir During Recreational Fishing Season

**Adm. Order No.:** DFW 90-2014(Temp)

**Filed with Sec. of State:** 7-10-2014

**Certified to be Effective:** 7-11-14 thru 12-31-14

**Notice Publication Date:**

**Rules Amended:** 635-021-0090

**Rules Suspended:** 635-021-0090(T)

**Subject:** This amended rule liberalizes daily catch or possession limits and gear types, and removes limits for game fish in Holbrook Reservoir from July 11 through December 31, 2014. These rule modifications will aid in reducing fish stocks prior to the reservoir becoming dry. This reservoir is used for irrigation but water levels are usually held high to maintain a fishery for stocked rainbow trout. This fishery was created through a Memorandum of Understanding (MOU) with the irrigator in 1981. The irrigator notified Oregon Department of Fish and Wildlife June 30, 2014, per MOU conditions, that he would likely use all of the water in the reservoir. This has only occurred three times over a 33 year span.

## 635-021-0090

### Inclusions and Modifications

(1) **2014 Oregon Sport Fishing Regulations** provide requirements for the Southeast Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2014 Oregon Sport Fishing Regulations**.

(2) The Powder River is open to angling for spring Chinook salmon from Hughes Lane Bridge near Baker City upstream to Mason Dam beginning June 11 through September 1, 2014.

(a) The daily bag limit is two (2) adipose fin-clipped Chinook; two daily limits in possession.

(b) All other General, Statewide and Southeast Zone Regulations, as provided in the **2014 Oregon Sport Fishing Regulations**, remain in effect.

(3) Holbrook Reservoir (Lake County) is open to angling for all game fish species from July 11 through December 31, 2014 with the following restrictions:

(a) Allowed harvest methods are by hand, dip net, or angling;

(b) There are no daily catch and possession limits; and

(c) There are no minimum length requirements.

**Notice Publication Date:**

**Rules Amended:** 635-023-0128

**Rules Suspended:** 635-023-0128(T)

**Subject:** This amended rule modifies the ongoing 2014 summer recreational salmon fishing seasons in the Columbia River. Modifications to regulations conform to regulation changes developed through this year's Pacific Fishery Management Council/North of Falcon process. Rule modifications were made consistent with Joint State Action taken July 9, 2014, by the Columbia River Compact agencies of the Departments of Fish & Wildlife for the States of Oregon and Washington.

## 635-023-0128

### Summer Sport Fishery

(1) The 2014 Oregon Sport Fishing Regulations provide requirements for the Columbia River Zone and the Snake River Zone. However, additional regulations may be adopted in this rule division from time to time, and, to the extent of any inconsistency, they supersede the 2014 Oregon Sport Fishing Regulations.

(2) Notwithstanding all other specifications and restrictions in the 2014 Oregon Sport Fishing Regulations:

(a) During the period from June 16 through July 31, 2014, the mainstem Columbia River is open to the retention of adipose fin-clipped jack Chinook (12–24 inches in length) and adipose fin-clipped steelhead from the Astoria-Megler Bridge upstream to the Oregon/Washington border.

(b) Retention of sockeye salmon and adipose fin-clipped adult summer Chinook (longer than 24 inches in length) is allowed:

(A) From the Astoria-Megler Bridge upstream to Bonneville Dam during the period from July 11 through July 31, 2014; and

(B) From Bonneville Dam upstream to the Oregon/Washington border during the period from June 16 through July 31, 2014.

(c) The combined daily bag limit for adult salmon and steelhead is two fish. All sockeye are considered adults in the daily limit. Only Chinook and steelhead which are adipose fin-clipped may be retained. The daily limit for jacks is five fish.

# ADMINISTRATIVE RULES

## **Rules Suspended:** 635-042-0027(T)

**Subject:** This amended rule sets two non-Indian commercial summer salmon drift gill net periods for the mainstem Columbia River in Zones 1 through 5. The first period will commence at 7:00 p.m. Monday, July 14 and run through to 7:00 a.m. Tuesday, July 15, 2014 (12 hours); the second period will commence at 7:00 p.m. Monday, July 21 and run through to 7:00 a.m. Tuesday, July 22, 2014 (12 hours). Allowed sales from these fisheries include Chinook salmon, sockeye salmon, and shad. Rule modifications were made consistent with Joint State Action taken July 9, 2014, by the Columbia River Compact agencies of the Departments of Fish & Wildlife for the States of Oregon and Washington.

### **Summer Salmon Season**

(1) Chinook salmon, sockeye salmon, and shad may be taken by drift gill net for commercial purposes in Zones 1 through 5, from 7:00 p.m. Monday, July 14 to 7:00 a.m. Tuesday, July 15, 2014 (12 hours); and from 7:00 p.m. Monday, July 21 to 7:00 a.m. Tuesday, July 22, 2014 (12 hours).

(2) It is *unlawful* to use a gill net having a mesh size less than 8 inches. Nets not specifically authorized for use in this fishery may be onboard the vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater.

(3) Closed waters, as described in OAR 635-042-0005 for Cowlitz River, Kalama A, Lewis A, Washougal River and Sandy River sanctuaries are in effect during open fishing periods as applicable.

**Rule Caption:** Housekeeping Corrections to Recreational Sturgeon Fishery Rules for the Columbia River

**Adm. Order No.:** DFW 94-2014(Temp)

**Filed with Sec. of State:** 7-14-2014

**Certified to be Effective:** 7-14-14 thru 12-31-14

**Notice Publication Date:**

**Rules Amended:** 635-023-0095

**Rules Suspended:** 635-023-0095(T), 635-041-0061(T)

**Subject:** This amended rule contains modifications in keeping with guidance from the Office of the Legislative Counsel in the use of the term “effective” within the body of the rule to describe beginning dates of fishing periods or seasons. Where appearing, the phrase “effective on” was replaced with the phrase “during the period from.” And, where an end date for a fishery has not yet been determined the phrase “until further notice” was used. Revisions are consistent with an email received from Maureen McGee, Deputy Legislative Counsel with the Office of the Legislative Counsel.

## **635-023-0095**

### **Sturgeon Season**

(1) The **2014 Oregon Sport Fishing Regulations** provide requirements for the Columbia River Zone and the Snake River Zone. However, additional regulations may be adopted in this rule division from time to time, and, to the extent of any inconsistency, they supersede the **2014 Oregon Sport Fishing Regulations**.

(2) During the period from 12:01 a.m. Saturday, June 14, 2014 until further notice, the John Day Pool and adjacent tributaries are closed to retention of white sturgeon.

(3) Retention of white sturgeon between 38–54 inches in fork length is allowed Friday July 11, Saturday July 12, Friday July 18, and Saturday July 19, 2014 (4 days) in the mainstem Columbia River from Bonneville Dam upstream to The Dalles Dam (Bonneville Pool) including adjacent tributaries.

(4) During the period from 12:01 a.m. Friday, August 1, 2014 until further notice, The Dalles Pool and adjacent tributaries are closed to retention of white sturgeon.

(5) During the period from January 1, 2014 until further notice, the annual bag limit for white sturgeon is two (2) fish.

(6) Angling for sturgeon is prohibited from:

(a) Bonneville Dam downstream 9 miles to a line crossing the Columbia River from Navigation Marker 82 on the Oregon shore westerly to a boundary marker on the Washington shore upstream of Fir Point from May 1 through August 31;

(b) Highway 395 Bridge upstream to McNary Dam;

(c) From the west end of the grain silo at Rufus upstream to John Day Dam during May 1 through July 31;

(d) From the Dalles Dam downstream 1.8 miles to the east (upstream) dock at the Port of The Dalles boat ramp on the the Oregon shore straight across to a marker on the Washington shore from May 1 through July 31, 2014; and

(e) The upper and lower ends of Sand Island and corresponding markers on the Oregon shoreline (slough at Rooster Rock State Park) from January 1 through April 30.

(7) The mainstem Columbia River from McNary Dam upstream to the Oregon-Washington border at river mile 309.5 is open to retention of white sturgeon with a fork length of 43–54 inches, seven days per week from February 1 through July 31.

(8) Retention of green sturgeon is prohibited all year in all areas.

(9) Catch-and-release angling is allowed year-round except as described above in sections (6)(a) through (6)(e).

(10) During the period from January 1, 2014 until further notice, the mainstem Columbia River from the mouth at Buoy 10 upstream to Bonneville including Oregon tributaries upstream to the mainline railroad bridges, is closed to the retention of white sturgeon.

## Department of Forestry Chapter 629

**Rule Caption:** Oregon Smoke Management Plan Revision and Update

**Adm. Order No.:** DOF 2-2014

**Filed with Sec. of State:** 7-11-2014

**Certified to be Effective:** 7-11-14

**Notice Publication Date:** 2-1-2014

**Rules Amended:** 629-048-0001, 629-048-0005, 629-048-0130, 629-048-0200, 629-048-0210, 629-048-0230, 629-048-0310, 629-048-0450, 629-048-0500

**Subject:** This rule and the Smoke Management Plan is administered to manage prescribed burning on private, federal and other public land to protect air quality and maintain forest productivity and health. Changes to the rule include some housekeeping measures such as updating and adding new definitions, adding reference material related to burning alternatives, and adding another rule reference for smoke management compliance; fixing some inadvertent changes made during the last review such as regulating prescribed burning outside district boundaries, including a five-year review of the entire plan, and moving back burn plan deadlines to the day of the burn; and minor changes such as adding monitoring to large tonnage burns and clarifying fees for multiple burn types.

**Rules Coordinator:** Sabrina Perez—(503) 945-7210

### 629-048-0001

#### Title, Scope and Effective Dates

(1) OAR 629-048-0001 through 629-048-0500 are known as the Smoke Management rules.

(2) The Smoke Management rules apply to prescribed burning of forest fuels for forest management purposes within any forest protection district in Oregon as described by OAR 629-041-0500 to 629-041-0575. In addition, the rules apply to forestland outside any forest protection district in Oregon as described by ORS 527.620(7) at the discretion of the Oregon Department of Forestry and Department of Environmental Quality defined in a joint agreement.

(3) The Smoke Management rules are effective July 1, 2014.

### 629-048-0005

#### Definitions

Unless otherwise defined below, terms used in this rule division shall have the meaning provided in ORS 477.001:

(1) "Alternatives to burning" means any forest management activity that reduces the volume of material, rather than actually being burned.

(2) "Board" means the State Board of Forestry.

(3) "Burn boss" means the person, authorized by the owner (may include the owner) or a federal land management agency to conduct and make decisions regarding the practices involved in conducting a prescribed burning operation and who is responsible for compliance with all requirements under this rule division and related laws.

(4) "Burn registration" means the act or product of notifying the forester to the required level of detail, of intent to conduct a prescribed burning operation as required by OAR 629-048-0300.

(5) "Class I Area" means national parks and certain wilderness areas designated by Congress in 1977 as federal Class I Areas that are subject to visibility protection under the Environmental Protection Agency's Regional Haze Rule and the federal Clean Air Act. Class I Areas in Oregon include: Crater Lake National Park, Diamond Peak Wilderness, Eagle Cap Wilderness, Gearhart Mountain Wilderness, Hells Canyon Wilderness, Kalmiopsis Wilderness, Mountain Lakes Wilderness, Mount Hood Wilderness, Mount Jefferson Wilderness, Mount Washington Wilderness, Strawberry Mountain Wilderness and Three Sisters Wilderness.

(6) "Class 1 forestland" has the same meaning as given in ORS 526.324 to "timber class" and includes all forestland primarily suitable for the production of timber.

(7) "Class 2 forestland" has the same meaning as given in ORS 526.324 to "timber and grazing class" and includes all forestland primarily suitable for joint use for timber production and the grazing of livestock, as a permanent or semi-permanent joint use, or as a temporary joint use during the interim between logging and reforestation.

(8) "Class 3 forestland" has the same meaning as given in ORS 526.324 to "agricultural class" and includes all forestland primarily suitable for grazing or other agricultural use.

(9) "Department" means the State Forestry Department.

(10) "Eastern Oregon" means the eighteen Oregon counties lying east of Multnomah, Clackamas, Marion, Linn, Lane, Douglas, and Jackson Counties.

(11) "Emission reduction technique" means any forest management activity that allows for a lower volume of particulate to be produced from a given volume of burning.

(12) "Emissions" means the gaseous and particulate combustion products in smoke resulting from burning forest fuels.

(13) "Federal land management agency" means the United States Department of Agriculture's Forest Service; the United States Department of the Interior's Bureau of Land Management, National Park Service, Fish and Wildlife Service, or Bureau of Indian Affairs; or any other federal agency that may conduct prescribed burning within a forest protection district.

(14) "Field administrator" means an employee of the State Forestry Department, a forest protective association, or federal land management agency who has, among other responsibilities, an official role in determining whether a prescribed burn should proceed, continue or be suspended.

(15) "Forester" means the State Forester or authorized representative including but not limited to fire wardens appointed under ORS 477.355.

(16) "Forest fuels" means any flammable woody material, grass or other plant matter that may constitute a wildfire hazard or that is intended for disposal by prescribed burning, but does not include products that have had secondary processing such as boards, posts or paper.

(17) "Forest protection district" means an area of forestland designated by the State Forester for protection from fire pursuant to ORS 477.225. Detailed descriptions of the forest protection districts may be found in OAR 629-041-0500 to 629-041-0575.

(18) "Ground level" means at or close to the surface of the earth such that smoke at "ground level" could be inhaled by persons going about their normal business, in or out of doors. It does not include smoke that passes overhead when prescribed burning is conducted in accordance with the Smoke Management forecast and instructions.

(19) "Level 1 regulation" means the program of requirements that apply to all forestland managed by a federal land management agency statewide, and all Class 1 forestland in western Oregon within a forest protection district (OAR 629-048-0100(2)). These requirements include burn registration at least seven days in advance (629-048-0300), fee administration (629-048-0310), compliance with Smoke Management forecast instructions (629-048-0230), and reporting of accomplishments (629-048-0320).

(20) "Level 2 regulation" means the program of requirements that apply to all non-federal forestlands in eastern Oregon, and all Class 3 forestland in western Oregon within a forest protection district (OAR 629-048-0100(3)). These requirements include burn registration (629-048-0300) and reporting of accomplishments (629-048-0320).

(21) "Mop-up" means action, usually involving the application of water or other means to eliminate heat, remove fuel or reduce the supply of oxygen, sufficient to make a fire safe or reduce residual smoke.

(22) "Other areas sensitive to smoke" means specific recreation areas not listed as SSRAs in OAR 629-048-0140 but that are intended to receive consideration for focused forecasting attention for limited times during periods of heavy use by the public such as coastal beaches on holidays and other areas during special events.

(23) "Prescribed burning" means the use of fire ignited as a planned management activity on forestland to meet specific objectives involving the reduction or removal of forest fuels. Prescribed burning does not include impromptu fires ignited for purposes such as warming fires, burn-out or backfire operations used in wildfire suppression, or lightning ignited "wildland fire use" as practiced by federal land management agencies.

(24) "Regional haze" means air pollution transported over long distances into Class I Areas that reduces visibility in those areas.

# ADMINISTRATIVE RULES

(25) "Residual smoke" means smoke produced after the initial fire has passed through the fuel.

(26) "Smoke intrusion" means the verified entrance of smoke from prescribed burning into a Smoke Sensitive Receptor Area at ground level.

(27) "Smoke Management forecast unit" means any or all of the persons appointed or assigned by the State Forester to develop and interpret weather forecasts and produce Smoke Management instructions, usually operating from the department headquarters in Salem.

(28) "Smoke Sensitive Receptor Area or SSRA" means an area designated for the highest level of protection under the Smoke Management Plan, as described and listed in OAR 629-048-0140.

(29) "Underburning" means low intensity prescribed burning to maintain forest health through reduction of fuels in the understory of a forest stand while maintaining the overstory stand characteristics.

(30) "Verified smoke incident" means an entrance of prescribed burning smoke into a community, other than an SSRA, investigated by the forester to:

(a) Validate claims that smoke did, in fact, enter the area described, at ground level;

(b) Determine if the smoke or a portion of it, in fact, derived from forest management prescribed burning from a legally conducted operation; and

(c) If (a) and (b) of this section were affirmed, determine the intensity and approximate duration of the smoke incident as described in OAR 629-048-0110.

(31) "Western Oregon" means the eighteen Oregon counties lying west of Hood River, Wasco, Jefferson, Deschutes and Klamath Counties.

### Visibility Objectives

(1) It is the intent under the Smoke Management Plan to comply with the Oregon Visibility Protection Plan (OAR 340-200-0040, Section 5.2).

(2) It is the intent under the Smoke Management Plan to operate in a manner consistent with the Oregon Regional Haze Plan, including the Enhanced Smoke Management Program (ESMP) criteria contained in the plan, for the purpose of protecting Class I Area visibility. These ESMP criteria include:

- (a) Actions to minimize emissions;
- (b) Evaluation of smoke dispersion;
- (c) Alternatives to fire;
- (d) Public notification;
- (e) Air quality monitoring;
- (f) Surveillance and enforcement;
- (g) Program evaluation;
- (h) Burn authorization; and
- (i) Regional coordination.

(3) When prescribed burning is conducted outside any Class I Area, an objective of the Smoke Management Plan is to minimize any smoke that impairs visibility inside the Class I Area. In addition to compliance with Smoke Management instructions issued in the daily forecast and compliance with all conditions of the burn permit required under ORS 477.515, burn bosses and field administrators are encouraged to closely observe local conditions at the burn site to avoid the main smoke plume entering a Class I Area at ground level.

(4) When prescribed burning is conducted inside a Class I Area, the Smoke Management Plan objective is to use best practices along with tight parameters for burn site conditions that will vent the main smoke plume up and out of the Class I Area and minimize residual smoke.

### Alternatives to Burning

(1) When planning forest management prescriptions and particularly final harvests (prior to reforestation), owners are encouraged to use practices that will eliminate or significantly reduce the volume of prescribed burning necessary to meet their management objectives. Some practices to consider include, but are not limited to:

(a) Maximizing the cost-effective use of woody material for manufacture of products;

(b) Where cost-effective, using wood or other biomass for energy production or mulch;

(c) Lopping and scattering limbs and other woody material, or operating heavy machinery over the wood to maximize contact with the soil in order to speed its breakdown; or

(d) Re-arranging woody materials, as necessary to accomplish reforestation through the slash (from a fire prevention standpoint, this may not be desirable in areas of heavy fuel concentrations or where soil moistures are not conducive to breakdown of fuels).

(2) When prescribed burning is determined to be necessary to achieve forest management objectives, owners are encouraged to use emission reduction techniques as described in OAR 629-048-0210.

(3) Prior to registration, forestland managers are strongly encouraged to consult the following:

(a) "Non-burning Alternatives to Prescribed Fire on Wildlands in the Western United States" at <http://www.wrrepair.org/forums/fejftasks/FEJFtask3.html> (Western Regional Air Partnership, February, 2004);

(b) The Oregon Forest Industry Directory website provides information on potential markets for woody material at [www.orforestdirectory.com/](http://www.orforestdirectory.com/); and

(c) "Oregon Forest Biomass Estimate by County" by Phillip S. Cook and Jay O'Laughlin (Western Governors' Association, January 24, 2011), on the Woody Biomass Utilization Database at Oregon Department of Energy's website: [www.oregon.gov/energy/RENEW/Biomass/Pages/Bioenergy\\_map.aspx](http://www.oregon.gov/energy/RENEW/Biomass/Pages/Bioenergy_map.aspx)

(4) As described in 629-048-0450(2)(c), the department shall complete an annual report summarizing the use of alternatives to burning.

### Best Burn Practices; Emission Reduction Techniques

(1) "Best burn practices" as used in this rule refers to those practices designed to minimize emissions from prescribed burning or accomplish burning at times and under such conditions as to minimize the likelihood that emissions will have adverse effects to the air quality maintenance or visibility objectives (OAR 629-048-0120 and 629-048-0130). Additional practices not described in this rule may be necessary to ensure against the escape of fire or protection of forest resources.

(2) In general, best burn practices involve methods that ensure the most rapid and complete combustion of forest fuels while nearby, "non-target" fuels are prevented from burning, such as:

(a) Physical separation of "target" and "non-target" fuels;

(b) Burn prescriptions, particularly for broadcast burns, that recognize and utilize the natural differences in fuel moistures of larger and smaller pieces of woody material; or

(c) Covering of piles sufficient to facilitate ignition and complete combustion, and then burning them at times of the year when all other fuels are damp, when it is raining or there is snow on the ground.

(3) Rapid combustion is well served by rapid ignition which may involve the use of petroleum accelerants (with appropriate safety precautions) and by maintaining an adequate air supply to the forest fuels being burned. Piles and windrows should be mostly free of soil, rocks and other non-combustible materials and should be loosely stacked to promote aeration. Where practicable, re-stacking or "feeding" the burn pile is encouraged to complete combustion and avoid smoldering.

(4) When piles are covered as a best burn practice and the covers are to be removed before burning, any effective materials may be used, as long as they are removed for re-use or properly disposed of. When covers will not be removed and thus will be burned along with the piled forest fuels, the covers must not consist of materials prohibited under OAR 340-264-0060(3), except that polyethylene sheeting that complies with the following may be used:

(a) Only polyethylene may be used. All other plastics are prohibited;

(b) The size of each polyethylene cover must not exceed 100 square feet. For small piles, covering only an area necessary to achieve rapid ignition and combustion, instead of the entire pile, is encouraged;

(c) The thickness of the polyethylene cover must not exceed 4 mil; and

(d) Layering or multiple covers (exceeding 100 square feet combined) within a pile is prohibited, unless authorized in writing by the forester to meet ignition and combustion needs.

(5) The use of petroleum accelerants and polyethylene covers as "best burn practices" described in this rule is expressly intended as an exception to OAR 340-264-0060(3) as allowed by 340-264-0060.

(6) In general, rapid mop-up of prescribed burning is not needed to meet the objectives of the prescribed burn and protect air quality, however,

# ADMINISTRATIVE RULES

in instances of prescribed burning within an SSRA or when conditions change significantly from those forecasted or present at the time of ignition, rapid mop-up may become necessary to prevent excessive residual smoke or entry of smoke into an SSRA or other area sensitive to smoke. Burn plans required under OAR 629-043-0026(4), prescribed fire plans required by federal land management agency policy, or burn permits required under ORS 477.515, when appropriate, should address conditions that may require mop-up of the prescribed burn and to what extent.

(7) When local conditions for smoke dispersal appear to be better than forecasted, burn bosses and field administrators are encouraged to communicate such information to the Smoke Management forecast unit, to further the objective of accomplishing burning during the most favorable conditions.

(8) As described in 629-048-0450(2)(c), the department shall complete an annual report summarizing the use of emission reduction techniques.

### Burn Procedures

(1) Before any prescribed burning is initiated, burn bosses should have a well thought out plan that takes into account:

(a) How weather will be monitored and changes in conditions will be communicated;

(b) Resources necessary to accomplish ignition and ignition sequences;

(c) Resources and methodology necessary to contain and control the fire and prevent its escape, including communications to access additional resources, if necessary; and

(d) How the burn will be conducted to avoid smoke entering SSRAs or other areas sensitive to smoke and to minimize smoke effects on other communities.

(2) The forester may require that a written burn plan be prepared for approval under OAR 629-043-0026(4), prior to issuance of a burn permit. A prescribed fire plan is required under federal policy for all prescribed burning on federal lands.

(3) Prescribed burn operations with large tonnages (2000 tons or more) or burns that will occur over multiple days should be adequately planned and monitored to provide opportunities to cease lighting and hold the existing burn within smaller compartments to mitigate undesirable smoke effects or changes in the actual burn conditions from those that were forecasted.

(4) For prescription burn units on forestland subject to Level 1 regulation, burn bosses must provide specific information to be transmitted to the Smoke Management forecast unit in a standard format acceptable to the forester, regarding unit location, method of burning, and fuel loading tonnages by the day of the burn. If additional burning is deemed possible after 10:00 a.m. in consultation with the forecast unit, the plan deadline may be extended.

(5)(a) Before ignition of any prescribed burning in a fire season (as designated by the forester under ORS 477.505), the burn boss must obtain a permit to burn from the forester as required by 477.515 (not required for federal land management agencies). Federal land management agencies must follow agency policies that provide for an affirmative “go-no go decision” before ignition of any prescribed burning as documented and approved by the federal land management agency’s line officer.

(b) A permit to burn from the forester is also required for all prescribed burning on non-federal Class 1 forestland in western Oregon at any time of the year.

(c) Under ORS 477.515(1)(a), the forester may waive the requirement for a burn permit in instances of burning other than described in subsections (a) and (b) of this section, so burn bosses should check with the forester locally to determine whether permits are required outside fire season.

(6) Before ignition of any prescribed burning on forestland subject to Level 1 regulation, the burn boss must obtain the current Smoke Management forecast and instructions and must conduct the burning in compliance with the instructions. Burn bosses must make provisions to be informed if the forecast or instructions are subsequently changed. Through communication among the burn boss, field administrator and the Smoke Management forecast unit, based on information specifically relevant to the burn location, a burn boss may obtain a variance from the instructions, but must document the time and method of communication and adhere strictly to the conditions of the variance.

(7) For prescribed burn operations with large tonnages (greater than 2000 tons) or burns that will occur over multiple days, burn bosses may request at least two days in advance that a special forecast and instructions be issued to ensure adequate attention to meeting Smoke Management Plan objectives. Issuance of a special forecast and instructions will be solely within the discretion of the Smoke Management forecast unit based on workload and sufficient local information to support the forecast.

(8) The Smoke Management forecast unit, in developing instructions, and each field administrator issuing burn permits are directed to manage the prescribed burning on forest land in connection with the management of other aspects of the environment in order to maintain a satisfactory atmospheric environment in SSRAs. This direction is to be applied to situations in which prescribed burning may impact SSRAs or other areas sensitive to smoke.

(9) Each burn boss or field administrator must validate that forecasted weather conditions are consistent with actual on-site conditions prior to ignition of burns.

(10) A burn boss is required to terminate ignition, in a manner that does not compromise worker safety or the ability to prevent escape of the burn, if either of the following occurs:

(a) The burn boss determines, or is advised by a field administrator, that an SSRA, or other area sensitive to smoke is already adversely affected by the burn or would likely become so with additional burning; or

(b) The burn boss receives notice from the forester, through the Smoke Management forecast unit, or following consultation with the Department of Environmental Quality, that air in the entire state or portion thereof is, or would likely become adversely affected by smoke.

(11) Upon termination of ignition required by section (10) of this rule, any burning already under way should be completed, residual burning should be extinguished as soon as practicable, and no additional burning may be attempted until approval has been received from the forester.

### Fees for Prescribed Burning

(1) Any prescribed burning on forestland subject to level 1 regulation (OAR 629-048-0100) requires payment of a non-refundable registration fee of \$.50/acre and upon accomplishment (see section (3) of this rule), a burn fee as further described in sections (2), (3), (5), (6) and (8) below.

(2) Burn fees for all forms of prescribed burning, including but not limited to, broadcast burning and burning of piles (whether in-unit, on landings, or from rights-of-way) shall be assessed (where required) against the total acres in the unit from which the forest fuels were accumulated, as described in the burn registration.

(3) The first time that fire is applied to a prescribed burn unit, regardless of actual accomplishment, payment of a burn fee is required. Burn fees shall be charged according to the following schedule:

(a) If the registration of planned burning includes only landing or right-of-way piles, the burn fee shall be \$.50 per acre registered. Subsequent attempts to improve accomplishment only in landing or right-of-way piles in the same unit, in the same calendar year or the two following calendar years, shall not incur additional fees.

(b) If the registration of planned burning includes other than landing or right-of-way piles, the burn fee shall be \$3.10 per acre registered. Subsequent attempts to improve accomplishment in any portion of the same unit, in the same calendar year or the two following calendar years, shall not incur additional fees.

(c) If the registration of planned burning includes any combination of burn treatments that include landing or right-of-way piles with broadcast or in-unit pile burning, the burn fee shall be \$2.60 per acre for each in-unit treatment registered upon the first attempt of each treatment. Landing or right-of-way piles will be \$.50 per acre registered upon the first attempt of burning any of those piles. Subsequent attempts to improve accomplishment in any portion of the same unit, in the same calendar year or the two following calendar years, shall not incur additional fees.

(4)(a) As used in this rule, “landing” means any location logs are yarded to for processing (trimming ends or limbs and tops remaining after yarding) and assembling for forwarding or loading onto trucks, including each loading site that may occur along a road. Consequently, a landing pile contains only those residues resulting from the processing, and not additional forest fuels accumulated from growth on the site or the felling process.

# ADMINISTRATIVE RULES

(b) As used in this rule, “right-of-way piles” means any accumulated forest fuels that come only from the area cleared in the pioneering stage of road construction after appropriate utilization.

(5) Areas burned as a result of escaped fires that are outside the description of the registered burn area shall not be assessed fees if the fire outside of the described area is immediately attacked for wildfire suppression. If the fire outside of the described area is managed as a prescribed fire then every additional acre burned shall incur a registration fee of \$.50 per acre and a burn fee of \$3.10 per acre.

(6) Notwithstanding section (3) of this rule, forest health maintenance burning on forestland subject to Level 1 regulation, where significant fuel reduction has been accomplished through underburning within the last five years and where there are no piled forest fuels on the site, shall be charged a burn fee of \$.50 per acre.

(7) The forester shall prepare monthly billings to collect the appropriate registration and burn fees from the operator, federal land manager, landowner or timber owner whose name is recorded on the registration form for billing purposes.

(8) Notwithstanding sections (1) and (3) of this rule, each burn unit requires a minimum combined registration and burn fee of \$30.00. To reduce processing costs, the forester may elect to collect both registration and burn fees prior to accomplishment, for units less than 20 acres on one combined billing.

(9) Notwithstanding sections (1), (3) and (7) of this rule, in accordance with ORS 477.562(6), a federal land management agency may enter into a cooperative agreement with the forester for payment of registration and burn fees at an annual flat rate. The rate shall be based on estimated acres to be treated as a percentage of total acres on all ownerships, applied against the overall annual estimated operating cost of the Smoke Management Plan. Any such agreement shall have a provision that allows for periodic adjustment of the rate based on actual experience.

(10) Notwithstanding section (7) of this rule, any person or entity described in ORS 477.406(1) with a prior record of timely payment may, at the discretion of the forester, enter into a cooperative agreement for the efficient administration and payment of registration and burn fees provided all payments equal no less than the registration rate described in section (1) of this rule times the number of acres registered plus the burn fee rate in sections (3) or (6) of this rule, as appropriate, times the number of acres accomplished.

### Periodic Evaluation and Adaptive Management

(1) The department is responsible for analysis and evaluation of the prescribed burning operations conducted under the Smoke Management Plan.

(2) Reports summarizing annual activities of the program shall be published by the department addressing:

- (a) The level of burning activity;
- (b) Results with regard to avoiding entrance of smoke into SSRAs and other areas sensitive to smoke and reports of any smoke intrusions;
- (c) Accomplishment of alternatives to burning and the use of emission reduction techniques;
- (d) Evaluation of overall Smoke Management Plan accomplishment;
- (e) Evaluation of adequacy of listed SSRAs and protection measures;
- (f) Any other pertinent information related to Smoke Management Plan evaluation and improvement; and
- (g) Revenues generated from burn fees and related Smoke Management Plan costs.

(3) Copies of the reports described in section (2) of this rule will be made available to all interested parties.

(4) Upon publication of a report in accordance with section (2) of this rule, the forester will consult at least annually with the Smoke Management Advisory Committee created under ORS 477.556. Topics will include, but are not limited to, Smoke Management Plan implementation, status of the Oregon Forest Smoke Management Account (477.560), and any fee changes that may be appropriate based on the balance in this account.

(5) The Department of Forestry and the Department of Environmental Quality will jointly review the Smoke Management Plan every five years unless there is agreement by both agencies that the plan can be reviewed at an earlier or later date, not to exceed 10 years from the previous review. Results of the review will be presented to the State Forester and the Director of Environmental Quality for joint consideration and approval.

Representatives of affected agencies may assist the review at the discretion of the State Forester.

### Enforcement

(1) Violations of the Smoke Management Plan may be enforced either as violations of the fire prevention statutes and rules (ORS 477.980 to 477.993) or as violations of the forest practice rules (ORS 527.680 to 527.690, 527.990 to 527.992 and OAR 629-670).

(2)(a) When, in the judgment of the forester, a violation is related primarily to an act or omission that has caused or might cause fire to burn uncontrolled, enforcement under the provisions of the fire prevention statutes and rules is appropriate.

(b) When, in the judgment of the forester, a violation is related primarily to an act or omission that has caused or might cause deterioration of air quality, enforcement under the provisions of the Forest Practices Act and rules (specifically, OAR 629-615-0300) is appropriate.

(3) Enforceable standards within the Smoke Management Plan include requirements to:

- (a) Register burns prior to ignition (OAR 629-048-0230(4) and 629-048-0300);
- (b) Obtain approval for and follow a burn plan (OAR 629-048-0230(2) and 629-043-0026(4));
- (c) Obtain a burn permit and comply with any conditions included therein (OAR 629-048-0230(5) and ORS 477.515);
- (d) Obtain and comply with daily Smoke Management instructions and updates (OAR 629-048-0230(6));
- (e) Comply with restrictions regarding use of polyethylene covers on burn piles (OAR 629-048-0210(4));
- (f) Cease burning when directed by the forester (OAR 629-048-0100(4) and 629-048-0230(10));
- (g) Report accomplishments (OAR 629-048-0320); and
- (h) Pay fees (OAR 629-048-0310).

(4) Section 118 of the federal Clean Air Act provides for enforcement of state air quality regulations against federal agencies. It will be the policy of the Board of Forestry, in the event of a failure of a federal land management agency to comply with the Smoke Management Plan, that the forester will first inform the responsible agency of the failure and coordinate efforts to ensure timely correction of any breakdowns in procedure that may have resulted in the failure. However, if this method does not appear in the judgment of the State Forester to result in necessary correction of procedures, or under other circumstances that in the judgment of the State Forester warrant further action, enforcement action may be taken as with any other responsible party.

# ADMINISTRATIVE RULES

## 411-046-0100

### Purpose

(1) The rules in OAR chapter 411, division 46 establish standards and procedures for Medicaid Behavior Support Services. Behavior Support Services are provided to support a wide range of individuals who receive Medicaid funded home and community-based care services. The scope of these rules cover:

(a) Department contractors of Behavior Support Services;

(b) Licensed assisted living, residential, and adult foster home providers who provide Behavior Support interventions Services to eligible individuals who receive Behavior Support Services;

(c) In-home agencies, specialized living, or homecare workers who provide Behavior Support interventions to eligible individuals who receive Behavior Support Services.

(2) Behavior Support Services are provided by a behavior consultant who provides eligible individuals and their caregivers with:

(a) A Behavior Support Plan;

(b) Ideas and strategies to support an individualized Activity Plan; and

(c) Coaching for designated caregivers on behavior and activity strategies.

(3) The goals of Behavior Support Services are to:

(a) Ensure all individuals eligible for State Plan K Community First Choice or Independent Choices receive behavior interventions in a person-centered manner that follows the behavior support standards described in these rules.

(b) Ensure individuals who have diagnoses that place them 'at risk' of negative behaviors receive proactive environmental strategies and activities which promote:

(A) Placement stability;

(B) Quality of life; and

(C) Autonomy and satisfaction with the individuals' caregivers.

(c) Provide caregivers with the environmental strategies and communication skills to revise and implement a Behavior Support Plan.

## 411-046-0110

### Definitions

Unless the context indicates otherwise, the following definitions apply to the rules in OAR chapter 411, division 046:

(1) "Abuse" means Abuse of an adult or elderly person as defined in ORS 124.050-095 and 430.735-430.765; and as defined in OAR 411-020-0002 for older adults and individuals with a physical disability who are 18 years of age or older.

(2) "Acquired brain injury or traumatic brain injury" means individuals who have or who are at risk of developing challenging behaviors as a result of a recent or longstanding brain injury diagnosis and who can benefit from Behavior Support Services. Acquired brain injury may include individuals with cognitive and behavioral disorders related to stroke, spinal cord injuries, or other neurological diseases that may benefit from Behavior Support Services.

(3) "Activation date" means service activation date as defined in these rules.

(4) "Activity evaluation" is part of the person-centered evaluation to determine what activities an individual enjoys doing.

(5) "Activity Plan" is part of the Behavior Support Plan and includes an activity list of the specific, private, group and community person-centered activities the individual finds meaningful or enjoys. The plan includes strategies to help caregivers ensure these activities become part of the individual's daily routine.

(6) "Adult foster home" means a licensed home providing services to a person who is eligible for or is receiving Behavior Support Services per OAR chapter 411, division 50.

(7) "Behavior consultants" are Medicaid providers who have a contract with the Department to provide Behavior Support Services. When Behavior Support Services are provided as part of a supplemental or specific needs contract, per OAR chapter 411, division 027, the behavior consultant is a designated employee, who meets the qualifications of a behavior consultant, and has a job description to provide Behavior Support Services.

(8) "Behavior interventions" mean any planned or repeated pattern of interventions or social interactions intended to modify an individual's environment or behavior.

(9) "Behavioral support" means the theories and evidenced-based practices supporting a proactive approach to behavioral intervention and that:

(a) Emphasize the development of functional alternative behavior;

(b) Prevent the need for, or minimize the use of, intrusive or restrictive interventions;

(c) Ensure abusive or demeaning interventions are never used; and

(d) Evaluate the effectiveness of behavior interventions based on objective data.

(10) "Behavior Support Interventions" means the caregiver's implementation of the Behavior Support Plan.

(11) "Behavior Support Plan" means the written document that describes individualized support strategies designed to make the individual's challenging behaviors irrelevant, inefficient or ineffective while reinforcing alternative behavior that achieves and satisfies the same need as the challenging behavior. The Behavior Support Plan will identify caregiver interventions to help caregivers deescalate, reduce, or tolerate challenging behavior when it occurs. The strategies focus on environmental, social, and physical factors that affect the behavior, while including supports for communication, personal choice, and specific preferences.

(12) "Behavior Support Services" mean a set of Medicaid funded services that include:

(a) Person-centered evaluation;

(b) A Behavior Support Plan;

(c) Coaching for designated caregivers on plan implementation;

(d) Monitoring to evaluate the plan's impact;

(e) Revision of the plan;

(f) Updating coaching and activities; and

(g) May include consultation with the caregiver on mitigating behaviors that place an individual's health and safety at risk and to prevent institutionalization.

(13) "Business day" means the days the "local office" is open.

(14) "Caregiver" means any person providing services to an eligible individual in a home and community-based care setting. Caregivers are designated by their employer to receive coaching from the behavior consultant.

(15) "Case manager" means a person employed by the Department or Area Agency on Aging who:

(a) Assesses the service needs of an applicant;

(b) Determines eligibility;

(c) Offers service choices to eligible individuals; and

(d) Authorizes referrals for a Behavior Support Service consultation, or placement in a program where Behavior Support interventions are provided, as part of the Medicaid supplemental or specific needs contracted service rate.

(16) "Coaching" means the direction provided by the behavior consultant to caregivers or designated caregivers on the Behavior Support and Activity Plans. Coaching includes:

(a) Demonstrations by the consultant;

(b) Observation or role play by caregivers on providing a specified intervention; and

(c) Feedback from caregivers on specified interventions.

(17) "Crisis management" means an individual:

(a) Has a medical or physical health need;

(b) Is exhibiting psychiatric symptoms or behaviors that necessitate emergency medical attention;

(c) Needs an immediate mental health intervention; or

(d) Needs hospitalization for physical health or psychiatric health reasons.

(18) "Dementia" means major neurocognitive disorders, listed in the Diagnostic and Statistical Manual of Mental Disorders (DSMV), which result in loss of cognitive function, interfere with an individual's daily functioning, and may affect an individual's language; memory; speech; movement; perception; and ability to think, learn, reason or follow social norms. Symptoms may include changes in personality, mood, and behavior.

(19) "Department" means the Department of Human Services or the Department's designee.

(20) "Designated caregivers" means the employees of a home or community-based care contractor, who are assigned to assist the behavior consultant with gathering information, review of the Behavior Plans, and are the recipients of coaching activities. The person responsible for coordination of services provided to an individual residing in their own home, under OAR chapter 411, division 30, is considered either the 'designated caregiver' or the person who assigns designated caregivers.

# ADMINISTRATIVE RULES

(21) "Enhanced care services" means a selected licensed adult foster home, nursing, or residential care facility where long term care supports are provided under a specific needs contract and mental health rehabilitation services are provided on site five to seven days a week.

### Eligibility

(1) Individuals must meet the following requirements to receive Behavior Support Services:

- (a) Be eligible for home and community-based care services provided through APD; and
- (b) Be receiving services through either State Plan K Community First Choice or Independent Choices.

(2) Behavior Support Services may be provided to eligible individuals noted in (1) above who may benefit from the service or have caregivers who may benefit from the service based on the individual's functional needs assessment that is performed by the case manager. An eligible individual includes, but is not limited to:

- (a) An individual at risk of requiring behavior interventions;
- (b) An individual whose caregiver requests assistance in developing person-centered interventions;
- (c) An individual with a placement failure related to their behavior;
- (d) An individual at risk of involuntary move out or who has received an eviction notice;
- (e) An individual receiving Medicaid service payments to support behavior interventions, such as a behavior add-on or an exception; or
- (f) An individual whose provider receives a payment for costs associated with interventions needed to address the individual's challenging behaviors.

(3) All Behavior Support Services must be pre-authorized by:

- (a) The eligible individual's case manager; or
- (b) A Department authorized placement in a home or community-based care setting where the Medicaid service payment includes Behavior Support Services.

(4) Eligible individuals, or their designated representative, may request or refuse to participate in Behavior Support Services. Consultation may still be provided to the care provider.

### Limitations

(1) Behavior Support Services, defined in this rule, may not be provided to:

- (A) Individuals who are receiving:
- (a) Specific needs setting contracted rate for "enhanced care services"; or
- (B) Services through Developmental Disabilities per OAR chapter 411, division 308, OAR chapter 411, division 330, or OAR chapter 411, division 325.

# ADMINISTRATIVE RULES

- (b) Individuals receiving services in a nursing facility or hospital;
- (2) Behavior consultation services may not be provided solely to:
  - (a) Assist in protective service investigations or licensing inspections;
  - (b) Assist in administrative functions such as, pre-admission screenings, eligibility determinations, or case manager assessments; or
  - (c) Replace or support interventions for adult protective services, crisis management, law enforcement, or 911 emergency services that are required when the behavior of concern is causing an immediate danger to the client, other residents, or caregivers.

(3) Behavior Support Services are separate from interventions addressing behavior symptoms as part of:

- (a) Mental health therapy or counseling;
- (b) Health or mental health plan coverage; or
- (c) Vocational or educational services.

### Behavior Support Services

(1) Behavior Support Services assist individuals with behavioral challenges, due to their disability, in accomplishing activities of daily living, instrumental activities of daily living, and health-related tasks.

(2) Behavior Support Services include consultation to the caregiver on mitigating behavior that may place the individual's health and safety at risk and to prevent institutionalization.

(3) All referrals must be made by the individual's case manager, on the Department's mandatory form, which is sent to the Behavior Support Service provider.

(4) Behavior Support Service providers, their employees, or subcontractors acting as behavior consultants, must provide the following services to individuals they accept for services:

- (a) Review of Referral.

(A) The Behavior Support Service consultant or provider must provide a documented decision regarding denial or acceptance of the referral within 2 business days.

(B) Service activation dates that are more than 7 days past the referral acceptance date must be approved by the referring Case Manager.

(C) Providers must ensure adequate numbers of behavior consultants are available to meet the service needs of all individuals accepted for service.

(D) The following entities must be informed of accepted referrals by the case manager:

- (i) The individual or their legal representative; and
  - (ii) The person in charge of the individual's Medicaid residential or home-based service plan.
- (b) Person-Centered Evaluations.

(A) An initial person-centered evaluation shall be started within 5 business days of the service activation date. The evaluation may be updated at the discretion of the behavior consultant, based on information gathered from coaching activities.

(B) Person-centered evaluation activities must support the Behavior Support Plan interventions, the scope of services provided, and include, at a minimum the content noted on the Department's mandatory form.

(C) The evaluation must be documented on the Department's mandatory form and provided to the case manager upon request.

(D) As part of the person-centered evaluation, the behavior consultant must conduct an activity evaluation.

- (c) Behavior Support Plan.

(A) The Behavior Support Plan shall be documented on the Department's mandatory form and completed within 20 business days of the initial person-centered evaluation or updated within 5 business days of any new evaluation activity. The plan must support the interventions and scope of the services provided.

(B) The behavior consultant is responsible for developing a Behavior Support Plan that considers the resources available at the individual's home.

(C) All strategies in the Behavior Support Plan must align with the individual's residential service or care plan and activity program required under licensing or Medicaid Program rules.

(D) The Behavior Support Plan must be explained to the individual in a manner the individual can understand.

- (E) The plan must include:

- (i) An Activity Plan that is developed following an activity evaluation.

The activity evaluation must examine, but is not limited to examining, the individuals:

- (I) Past and current interests;
- (II) Current abilities and skills as they relate to activities of daily living, instrumental activities of daily living, and health-related tasks;
- (III) Emotional and social needs and patterns;
- (IV) Physical abilities and limitations;
- (V) Adaptations necessary for the resident to participate in their activities of choice;

(ii) A list of person-centered activities must be identified based on the evaluation and included as a distinct part of the Behavior Support Plan. The list must include structured and non-structured activities that meet the individual's current preferences. Activities include, but are not limited to:

- (I) Occupation or chore related tasks;
- (II) Scheduled and planned events (e.g. entertainment, outings);
- (III) Spontaneous activities for enjoyment or that may help diffuse a behavior;
- (IV) One to one activities that encourage positive relationships between residents and staff (e.g. life story, reminiscing, music);
- (V) Spiritual, creative, and intellectual activities;
- (VI) Sensory stimulation activities;
- (VII) Physical activities that enhance or maintain a resident's ability to ambulate or move;
- (VIII) Outdoor activities; and
- (IX) Night time activities.

(F) Identification of strategies to help caregivers provide activities and address emergent behaviors.

(G) Completed Behavior Support Plans, and any subsequent updates, must be reviewed with, and provided to, the people responsible for the individual's residential or home-based service plan and provided to the case manager.

(H) The behavior consultant must document a minimum of one review of the Behavior Support Plan with a designated caregiver on the Department's mandatory form.

(I) Behavior Support and Activity Plans must be modified based on feedback from coaching activities, to ensure caregiver participation and to evaluate the proposed strategies.

- (d) Coaching Caregivers.

(A) The behavior consultant must develop a coaching plan describing how they will coach each caregiver to implement the Behavior Support Plan. The coaching plan may be included in the Behavior Support Plan.

(B) The behavior consultant must schedule and initiate onsite coaching to the designated caregivers within 30 business days of service activation.

(C) The behavior consultant should review information with the caregiver's employer and include, at a minimum the following content:

- (i) Review of the Behavior Support Plan;
- (ii) Discussion on how activities can be incorporated into the individual's daily routine;
- (iii) Demonstration of desired interventions by the behavior consultant;
- (iv) Observation or role play by the caregiver on implementing portions of the Behavior Plan; and
- (v) Gathering of feedback from caregivers on how to modify the plan or activities.
- (vi) The review may be conducted as part of a coaching activity.
- (vii) The Behavior consultant will advise caregivers to contact primary the health care provider or long term care nurse, as a part of coaching, when it relates to an individual possibly experiencing a medical issue that may be impacting their behaviors, or if medication interaction may be a concern related to behaviors.

(D) Documentation of all coaching activity, including dates and participants, must be provided on the Department's mandatory form and, upon request, provided to the employers or supervisors of the designated caregivers who received coaching.

- (e) Monitoring.

(A) The behavior consultant must provide at least two onsite monitoring visits to:

- (i) Conduct observations;
- (ii) Gather information;
- (iii) Evaluate caregiver and individual responses to the Behavior Support and the Activity Plans; and
- (iv) Carry out coaching activities.

(B) After the Behavior Support Plan is completed and a minimum of two on-site coaching visits are conducted, monitoring can be provided by phone or through secure video conferencing, if all parties agree.

# ADMINISTRATIVE RULES

(C) Documentation of all monitoring must be provided on the Department's mandatory form.

(f) Service Plan Coordination.

(A) Completed Behavior Support Plans are considered part of the individual's activity, service, or care plan required by the home and community-based care license or Medicaid Program.

(i) Home and community-based care contractors must assign enough designated caregivers to ensure the interventions described in the Behavior Support Plan, including the Behavior Support Interventions, can be implemented in accordance with licensing or Medicaid Program standards.

(ii) Home and community-based care contractors must identify charting protocols for the behavior consultant to document any onsite activity provided to the eligible individual or their caregiver.

(iii) If the behavior consultant identifies any barriers that prevent the implementation of the Behavior Plan, they must notify the home and community-based care contractor within 2 business days.

(iv) Home and community-based care contractors must report to case managers, within 5 business days, if the Behavior Support Plan cannot be implemented or if the behavior consultant is not utilizing input from caregivers or the service planning team.

(B) Behavior consultants who are not providing services as part of a supplemental or specific needs setting contract may participate on the individual's service planning team or mental health treatment team only to review the individual's Behavior Support Plan.

### Authorizations

(1) Behavior Support Services must be prior-authorized by the eligible individual's case manager using the referral process noted in OAR 411-046-0140(4)(a). The Case manager is responsible for ensuring the individual is eligible for an initial referral and ongoing Behavior Support Services.

(2) Service hours for person-centered evaluation and development of the Behavior Support Plan are authorized by the individual's case manager effective on the date the behavior consultant accepts and signs the Department approved referral form.

(3) Case managers can authorize up to 40 hours for the initial assessment, service planning, and follow up. An additional 40 hours may be approved by the local office management for ongoing service delivery. The Department may approve additional hours as defined in OAR 411-046-0220 if the individual's functional needs assessment indicates the need for additional hours.

(4) For services noted in OAR 411-046-0140(4)(a) to (4)(f), the provider should make every effort to complete them within 120 days from the service activation date. However, prior authorizations are effective for a full 12 month period from the initial service activation date. After 12 months, a new authorization must be requested and approved.

(5) Authorizations for service hours must be completed by the local office within 5 business days of receiving notification of referral acceptance.

(6) Prior authorizations are in effect for a 12 month period from the initial service activation date. After 12 months, a new authorization must be requested and approved.

(7) Requests for more than 80 hours of service must be reviewed and approved by the Department.

### Communication

(1) Required Reporting.

Behavior consultants must report suspected or known neglect or abuse of all adults and elderly individuals as required by ORS 124.050 to 095, 430.735 to 765 and 419B to 419B.045.

(2) Confidentiality.

(a) Behavior consultants must adhere to the confidentiality standards as described in the Department contract as well as the Federal HIPAA privacy rules.

(b) Any written, verbal, digital, video, and electronic information regarding an individual must adhere to the Department's confidentiality standards as described in OAR chapter 407, division 14 and Federal HIPAA standards.

(3) Notification.

(a) Behavior consultants must notify the home and community-based care contractor of the following:

(A) Life threatening health and safety concerns must be reported immediately. This communication may occur in person or by phone.

(B) Concerns regarding a caregiver's response to coaching activity must be reported as soon as possible. This communication may occur in person, by phone, or by email.

(C) Any permanent reassignment of a behavior consultant must be reported within 5 business days or prior to onsite service delivery. This communication may occur in person, by phone, or by email.

(b) Behavior consultants must notify the case manager or local office designee of the following:

(A) Life threatening health and safety concerns of an individual must be reported immediately, by phone or in person.

(B) Concerns regarding the individual's placement must be reported within one business day. This communication may occur by email or phone.

(C) Any permanent reassignment of a behavior consultant, must be reported within 5 business days or prior to onsite service delivery. This communication may occur by email or phone.

(D) An administrator, licensee, or designated caregiver who is unwilling or unable to implement the Behavior Support Plan, after completion of coaching plans and service coordination activities. This communication may occur by email or phone.

(c) Case managers and behavior consultants are required to exchange information regarding changes in the individual's eligibility status, service location, or service needs during the duration of the Behavior Support Service.

(d) Behavior consultants must report suspected abuse immediately to the local Departmental office, designee office, or by calling the Department's toll-free abuse reporting hotline.

### Documentation

(1) Compliance with documentation standards in this rule and completion of mandatory Department forms is intended to ensure communication between case managers and home and community-based care providers.

(2) The documentation requirements in this rule do not replace or substitute for the documentation requirements in the:

(a) Medicaid Provider Rules governing provider requirements as described in OAR chapter 407, division 120, Provider Rules, MMIS Provider Enrollment and Claiming; Contractor Audits, Appeals and Post Payment Recoveries;

(b) Medicaid General Rules under OAR chapter 410, division 120 as applicable; and

(c) Licensing or Medicaid Program rules governing the home and community-based care provider, as applicable.

(3) Behavior consultants are expected to complete mandatory Department forms for support services provided under 411-046-0140.

(4) Use of alternative, but equivalent forms, may be approved by the Department using the exceptions process under 411-046-0220 or as defined in supplemental or specific needs setting contracts or individuals who receive Behavior Support Services as part of their monthly service rate.

(5) Mandatory forms must be sent to the case manager before or at the time of submission of invoices or before receipt of the monthly Medicaid service rate.

(a) Documentation must support the services billed and adhere to the timeframes noted in this rule and on the mandatory forms.

(b) Claims will not be paid until the mandatory forms are submitted to the individual's case manager and the documentation noted in 411-046-0170(2) is completed.

(6) Behavior Support Service providers are expected to maintain a written record of all services provided to, and for, an individual and an individual's caregiver.

(a) The record must include copies of all documentation provided to the:

(A) Case manager;

(B) Home and community-based care contractor; and

(C) Behavior consultant or provider maintained to meet 411-046-0170(2)(a)-(c).

(b) The record must be retained until the behavior consultant no longer provides services to the individual, at which time, the behavior con-

**Rules Adopted:** 411-032-0050

**Subject:** OAR 411-032-0050 is being adopted to establish the policies that apply to a pilot project expanding Oregon Project Independence services to adults with physical disabilities in regionally diverse pilot locations starting July 1, 2014. This rule sets out implementation, eligibility, and services offered through the pilot.

**Rules Coordinator:** Kimberly Colkitt-Hallman—(503) 945-6398

## 411-032-0050

### Pilot for Adults with Disabilities

(1) The purpose of this rule is to set out the policies that apply to the expansion of Oregon Project Independence services to adults with physical disabilities. The pilot allows the Department to study the potential to transition Oregon Project Independence to a statewide, age neutral, program that assesses and serves seniors and persons with physical disabilities based on their functional needs.

(2) "Disability" means, for the purposes of this rule, a physical, cognitive, or emotional impairment which, for an individual, constitutes or results in a functional limitation in one or more of the activities of daily living defined in OAR 411-015-0006, or in one or more of the instrumental activities of daily living defined in 411-015-0007.

(3) "Adult" means, for purposes of this rule, any person 19 to 59 years of age.

(4) OAR 411-032-0000 to 411-032-0044 apply to this pilot program, except as noted below:

(a) Authorized Services and Allowable Costs. Authorized services for the pilot funds include home care supportive services, service coordination, and other services, including the following:

- (A) Home care.
- (B) Chore services.
- (C) Assistive Technology.
- (D) Personal care services.
- (E) Adult day services.
- (F) Registered nurse services.
- (G) Home delivered meals.

(H) Services to support community caregivers and strengthen the natural support system of individuals.

- (I) Evidence-based health promotion services.
- (J) Options counseling.

(K) Assisted transportation options that allow individuals to live at home and access the full range of community resources.

(b) Eligibility.

(A) In order to qualify for authorized services under this pilot, an individual must:

- (i) Be an adult with a disability;
- (ii) Be a resident of a designated pilot area and seek services at that location;

(iii) Not be receiving financial assistance or Medicaid, except SNAP, Qualified Medicare Beneficiary, or Supplemental Low Income Medicare Beneficiary Programs;

(iv) Not have natural supports, or other services available, in the community that would meet the identified need; and

(v) Meet the requirements of the long-term care services priority rules in OAR chapter 411, division 015.

(B) The Area Agencies on Aging must determine eligibility prior to an individual receiving authorized services.

### Rule Caption: Nursing Facility Rates

**Adm. Order No.:** APD 20-2014

**Filed with Sec. of State:** 7-1-2014

**Certified to be Effective:** 7-1-14

**Notice Publication Date:** 6-1-2014

**Rules Amended:** 411-070-0442, 411-070-0452

**Subject:** The Department of Human Services (Department) is permanently updating the Medicaid Nursing Facility rules set forth in OAR chapter 411, division 70 to allow the Department to do an annual rebasing of the nursing facility rate as authorized in HB

2216. The Department changed the language in the rule to take out the biennial terminology in regards to inflation. The permanent rules allow the Department to address inflation used for annual rebasing of nursing facility rates.

**Rules Coordinator:** Kimberly Colkitt-Hallman—(503) 945-6398

## 411-070-0442

### Calculation of the Basic Rate and Complex Medical Add-on Rate

(1) The rates are determined annually and referred to as the Rebasing Year.

(a) The basic rate is based on the statements received by the Department by October 31 for the fiscal reporting period ending on June 30 of the previous year. For example, for the biennium beginning July 1, 2013, statements for the period ending June 30, 2012 are used. The Department desk reviews or field audits these statements and determines the allowable costs for each nursing facility. The costs include both direct and indirect costs. The costs and days relating to pediatric beds are excluded from this calculation. The Department only uses financial reports of facilities that have been in operation for at least 180 days and are in operation as of June 30.

(b) For each facility, its allowable costs, less the costs of its self-contained pediatric unit (if any), are inflated by the DRI Index, or its successor index. The DRI table as published in the fourth quarter of the year immediately preceding the beginning of the payment year will be used. Costs will be inflated to reflect projected changes in the DRI Index from the mid-point of the fiscal reporting period to the mid-point of the payment year (e.g., for the July 1, 2014 rebase, the midpoint of the fiscal reporting period is December 31, 2012 and the mid-point of the payment year is December 31, 2014.)

(c) For each facility, its allowable costs per Medicaid day is determined using the allowable costs as inflated and resident days, excluding pediatric days as reported in the statement.

(d) The facilities are ranked from highest to lowest by the facility's allowable costs, per Medicaid day.

(e) The basic rate is determined by ranking the allowable costs per Medicaid day by facility and identifying the allowable cost per day at the applicable percentage. If there is no allowable cost per day at the applicable percentage, the basic rate is determined by interpolating the difference between the allowable costs per day that are just above and just below the applicable percentage to arrive at a basic rate at the applicable percentage. The applicable percentage for the period beginning July 1, 2013 is at the 63rd percentile.

(2) The Department provides an augmented rate to nursing facilities who qualify under the Quality and Efficiency Incentive Program as described in OAR 411-070-0437. To receive the augmented rate, the bed capacity must be purchased on or after October 7, 2013 and on or before December 31, 2015. The qualifying nursing facility is paid the augmented rate for each Medicaid-eligible resident.

(3) Nursing facility bed capacity in Oregon shall be reduced by 1,500 beds by December 31, 2015, except for bed capacity in nursing facilities operated by the Department of Veteran's Affairs and facilities that either applied to the Oregon Health Authority for a certificate of need between August 1, 2011 and December 1, 2012, or submitted a letter of intent under ORS 442.315(7) between January 15, 2013 and January 31, 2013. An official bed count measurement shall be determined and issued by the Department prior to July 1, 2016 and each quarter thereafter if the goal of reducing the nursing facility bed capacity in Oregon by 1,500 beds is not achieved.

(a) For the period beginning July 1, 2013 and ending June 30, 2016, the Department shall reimburse costs as set forth in section (1) of this rule at the 63rd percentile.

(b) For each three-month period beginning on or after July 1, 2016 and ending June 30, 2020, in which the reduction in bed capacity in licensed facilities is less than the goal described in this section, the Department shall reimburse costs at a rate not lower than the percentile of allowable costs according to the following schedule:

- (A) 63rd percentile for a reduction of 1,500 or more beds.
- (B) 62nd percentile for a reduction of 1,350 or more beds but less than 1,500 beds.
- (C) 61st percentile for a reduction of 1,200 or more beds but less than 1,350 beds.
- (D) 60th percentile for a reduction of 1,050 or more beds but less than 1,200 beds.
- (E) 59th percentile for a reduction of 900 or more beds but less than 1,050 beds.

# ADMINISTRATIVE RULES

(F) 58th percentile for a reduction of 750 or more beds but less than 900 beds.

(G) 57th percentile for a reduction of 600 or more beds but less than 750 beds.

(H) 56th percentile for a reduction of 450 or more beds but less than 600 beds.

(I) 55th percentile for a reduction of 300 or more beds but less than 450 beds.

(J) 54th percentile for a reduction of 150 or more beds but less than 300 beds.

(K) 53rd percentile for a reduction of 1 to 149 beds.

(4) The complex medical add-on rate is 40 percent of the basic rate.

(5) The Department shall add a standard payment to fund implementation of certified nursing assistant staffing requirements contained in OAR 411-086-0100 in accordance with the Legislatively Adopted Budget.

### Pediatric Nursing Facilities

(1) PEDIATRIC NURSING FACILITY.

(a) A pediatric nursing facility is a licensed nursing facility at least 50 percent of whose residents entered the facility before the age of 14 and all of whose residents are under the age of 21.

(b) A nursing facility that meets the criteria of subsection (1)(a) of this section is reimbursed as follows:

(A) The pediatric rate is a prospective rate and is not subject to settlement. The Department uses financial reports of facilities that have been in operation for at least 180 days and are in operation as of June 30.

(B) The facility specific pediatric cost per resident day is inflated as described in OAR 411-070-0442 1(b). The Oregon Medicaid pediatric days are multiplied by the inflated facility specific cost per resident day for each pediatric facility. The totals are summed and divided by total Oregon Medicaid days to establish the weighted average cost per pediatric resident day. The rebase relationship percentage of 93 percent is applied to the weighted average cost to determine the pediatric rate.

(c) Even though pediatric facilities are reimbursed in accordance with subsection (1)(b) of this section, pediatric facilities must comply with all requirements relating to the timely submission of Nursing Facility Financial Statements.

(2) LICENSED NURSING FACILITY WITH A SELF-CONTAINED PEDIATRIC UNIT.

(a) A nursing facility with a self-contained pediatric unit is a licensed nursing facility that provides services for pediatric residents (individuals under the age of 21) in a separate and distinct unit within or attached to the facility with staffing costs separate and distinct from the rest of the nursing facility. All space within the pediatric unit must be used primarily for purposes related to the services of pediatric residents and alternate uses may not interfere with the primary use.

(b) A nursing facility that meets the criteria of subsection (2)(a) of this section is reimbursed for pediatric residents served in the pediatric unit as described in section (1) of this rule.

(c) Licensed nursing facilities with a self-contained pediatric unit must comply with all requirements relating to the timely submission of Nursing Facility Financial Statements and must file a separate attachment, on forms prescribed by the Department, related to the costs of the self-contained pediatric unit.

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 308:

(1) "Abuse" means "abuse" of a child as defined in ORS 419B.005.

(2) "ADL" means "activities of daily living". ADL are basic personal everyday activities, such as eating, using the restroom, grooming, dressing, bathing, and transferring.

(3) "Annual Plan" means the written summary a services coordinator completes for a child, who is not enrolled in waiver or Community First Choice services. An Annual Plan is not an ISP and is not a plan of care for Medicaid purposes.

(4) "Assistive Devices" mean the devices, aids, controls, supplies, or appliances described in OAR 411-308-0120 that are necessary to enable a child to increase the ability of the child to perform ADL and IADLs or to

# ADMINISTRATIVE RULES

perceive, control, or communicate with the environment in which the child lives.

(5) "Assistive Technology" means the devices, aids, controls, supplies, or appliances described in OAR 411-308-0120 that are purchased to provide additional security for a child and replace the need for direct interventions to enable self-direction of care and maximize independence of the child.

(6) "Attendant Care" means assistance with ADL, IADL, and health-related tasks through cueing, monitoring, reassurance, redirection, set-up, hands-on, and standby assistance as described in OAR 411-308-0120.

(7) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210.

(8) "Behavior Consultant" means a contractor with specialized skills who develops a Behavior Support Plan.

(9) "Behavior Support Plan" means the written strategy based on person-centered planning and a functional assessment that outlines specific instructions for a provider to follow to cause the challenging behaviors of a child to become unnecessary and to change the behavior of a provider, adjust environment, and teach new skills.

(10) "Behavior Support Services" mean the services consistent with positive behavioral theory and practice that are provided to assist with behavioral challenges due to the intellectual or developmental disability of a child that prevents the child from accomplishing ADL, IADL, health related tasks, and cognitive supports to mitigate behavior. Behavior support services are provided in the home or community.

(11) "CDDP" means "Community Developmental Disability Program" as defined in OAR 411-320-0020.

(12) "Child" means an individual who is less than 18 years of age applying for, or determined eligible for, in-home support.

(13) "Children's Intensive In-Home Services" mean the services described in:

(a) OAR chapter 411, division 300, Children's Intensive In-Home Services, Behavior Program;

(b) OAR chapter 411, division 350, Medically Fragile Children Services; or

(c) OAR chapter 411, division 355, Medically Involved Children's Program.

(14) "Chore Services" mean the services described in OAR 411-308-0120 that are needed to restore a hazardous or unsanitary situation in the family home to a clean, sanitary, and safe environment.

(15) "Community Nursing Services" mean the nursing services described in OAR 411-308-0120 that focus on the chronic and ongoing health and safety needs of a child living in the family home. Community nursing services include an assessment, monitoring, delegation, training, and coordination of services. Community nursing services are provided according to the rules in OAR chapter 411, division 048 and the Oregon State Board of Nursing rules in OAR chapter 851.

(16) "Community Transportation" means the services described in OAR 411-308-0120 that enable a child to gain access to community-based state plan and waiver services, activities, and resources. Community transportation is provided in the area surrounding the family home that is commonly used by people in the same area to obtain ordinary goods and services. The area is not determined by the social or recreational groups or activities of a child.

(17) "Cost Effective" means that a specific service, support, or item of equipment meets the service needs of a child and costs less than, or is comparable to, other similar service, support, or equipment options considered.

(18) "CPMS" means the Client Processing Monitoring System.

(19) "Crisis" means "crisis" as defined in OAR 411-320-0020.

(20) "Department" means the Department of Human Services.

(21) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in OAR 411-320-0080.

(22) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services or the designee of the Director.

(23) "Employer" means, for the purposes of obtaining in-home support for children through an independent provider as described in these rules, the parent or a person selected by the parent to act on the behalf of the parent to provide the employer responsibilities described in OAR 411-308-0135.

(24) "Employer-Related Supports" mean the activities that assist a family with directing and supervising provision of services described in the ISP for a child. Employer-related supports include, but are not limited to:

(a) Education about employer responsibilities;

(b) Orientation to basic wage and hour issues;

(c) Use of common employer-related tools, such as job descriptions;

and

(d) Fiscal intermediary services.

(25) "Environmental Accessibility Adaptations" mean the physical adaptations described in OAR 411-308-0120 that are necessary to ensure the health, welfare, and safety of a child in the family home, or that are necessary to enable the child to function with greater independence around the family home.

(26) "Environmental Safety Modifications" means the physical adaptations described in OAR 411-308-0120 that are made to the exterior of the family home as identified in the ISP for a child to ensure the health, welfare, and safety of the child or to enable the child to function with greater independence around the family home.

(27) "Exit" means termination or discontinuance of in-home support.

(28) "Family":

(a) Means a unit of two or more people that includes at least one child with an intellectual or developmental disability where the primary caregiver of the child is:

(A) Related to the child with an intellectual or developmental disability by blood, marriage, or legal adoption; or

(B) In a domestic relationship where partners share:

(i) A permanent residence;

(ii) Joint responsibility for the household in general, such as child-rearing, maintenance of the residence, and basic living expenses; and

(iii) Joint responsibility for supporting a child with an intellectual or developmental disability when the child is related to one of the partners by blood, marriage, or legal adoption.

(b) The term "family" is defined as described above for purposes of:

(A) Determining the eligibility of a child for in-home supports as a resident in the family home;

(B) Identifying people who may apply, plan, and arrange for individual supports; and

(C) Determining who may receive family training.

(29) "Family Home" means the primary residence for a child that is not under contract with the Department to provide services as a certified foster home for children with intellectual or developmental disabilities or a licensed or certified residential care facility, assisted living facility, nursing facility, or other residential support program site. Family home may include a certified child welfare foster home.

(30) "Family Training" means the training services described in OAR 411-308-0120 that are provided to a family to increase the capacity of the family to care for, support, and maintain a child in the family home.

(31) "Fiscal Intermediary" means a person or entity that receives and distributes in-home support funds on behalf of the family of an eligible child according to the ISP or Annual Plan. The fiscal intermediary acts as an agent for the family and performs activities and maintains records related to payroll and payment of employer-related taxes and fees. In this capacity, the fiscal intermediary does not recruit, hire, supervise, evaluate, dismiss, or otherwise discipline employees.

(32) "Founded Reports" means the determination by the Department or Law Enforcement Authority (LEA), based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to the person alleged to have engaged in the conduct.

(33) "Functional Needs Assessment":

(a) Means the comprehensive assessment or reassessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors, choices and preferences, service and support needs, strengths, and goals; and

(C) Determines the service level.

(b) The functional needs assessment for a child is known as the Child Needs Assessment. The Department incorporates Version B of the Child Needs Assessment dated July 1, 2014 into these rules by this reference. The Child Needs Assessment is maintained by the Department at: [www.dhs.state.or.us/spd/tools/dd/cm/CNA\\_Child\\_In-home.xls](http://www.dhs.state.or.us/spd/tools/dd/cm/CNA_Child_In-home.xls). Printed copies may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rule Coordinator, 500 Summer Street NE, Salem, OR 97301.

(34) "General Business Provider" means an organization or entity selected by the parent or guardian of an eligible child and paid with in-home support funds that:

(a) Is primarily in business to provide the service chosen by the parent or guardian to the general public;

## ADMINISTRATIVE RULES

(b) Provides services for the child through employees, contractors, or volunteers; and

(c) Receives compensation to recruit, supervise, and pay the person who actually provides support for the child.

(35) "Guardian" means the parent of a child or a person or agency appointed and authorized by a court to make decisions about services for the child.

(36) "IADL" means "instrumental activities of daily living". IADL include activities other than ADL required to enable a child to remain in the family home such as:

(a) Meal planning and preparation;

(b) Budgeting;

(c) Shopping for food, clothing, and other essential items;

(d) Performing essential household chores;

(e) Communicating by phone or other media; and

(f) Participating in the community.

(37) "ICF/IDD" means an intermediate care facility for individuals with intellectual disabilities.

(38) "In-Home Support" means individualized planning and service coordination, arranging for services to be provided in accordance with ISP, and purchase of supports that are not available through other resources that are required for children with intellectual or developmental disabilities who are eligible for in-home support services to live in the family home. In-home supports are designed to:

(a) Prevent unwanted out-of-home placement and maintain family unity; and

(b) Whenever possible, reunite families with children with intellectual or developmental disabilities who have been placed out of the family home.

(39) "In-Home Support Funds" mean public funds contracted by the Department to the CDDP and managed by the CDDP to assist a family with the identification and selection of supports for a child with an intellectual or developmental disability according to the ISP or Annual Plan for the child.

(40) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving a child.

(41) "Independent Provider" means a person selected by the parent or guardian of a child and paid with in-home support funds to personally provide services to the child.

(42) "Individual" means a person with an intellectual or developmental disability applying for, or determined eligible for, developmental disability services.

(43) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(44) "Intervention" means the action the Department or the designee of the Department requires when an employer fails to meet the employer responsibilities described in OAR 411-308-0135. Intervention includes, but is not limited to:

(a) A documented review of the employer responsibilities described in OAR 411-308 -0135;

(b) Training related to employer responsibilities;

(c) Corrective action taken as a result of an independent provider filing a complaint with the Department, the designee of the Department, or other agency who may receive labor related complaints;

(d) Identifying an employer representative if a person is not able to meet the employer responsibilities described in OAR 411-308-0135; or

(e) Identifying another representative if the current employer representative is not able to meet the employer responsibilities described in OAR 411-308-0135.

(45) "ISP" means "Individual Support Plan" as defined in this rule. An ISP includes the written details of the supports, activities, and resources required for a child to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects the services and supports that are important for the child to meet the needs of the child identified through a functional needs assessment as well as the preferences of the child for service providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, state plan, or natural supports.

(46) "Level of Care" means a child meets the following institutional level of care for an ICF/IDD:

(a) The child has a condition of an intellectual disability or a developmental disability as defined in OAR 411-320-0020 and meets the eligi-

bility criteria in OAR 411-320-0080 for developmental disability services; and

(b) The child has a significant impairment in one or more areas of adaptive behavior as determined in OAR 411-320-0080.

(47) "Mandatory Reporter" means any public or private official as defined in OAR 407-045-0260 who comes in contact with a child with or without an intellectual or developmental disability and has reasonable cause to believe the child has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused a child, regardless of whether or not the knowledge of the abuse was gained in the official capacity of the public or private official. Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, attorney, or guardian ad litem appointed under 419B.231 is not required to report if the communication is privileged under 40.225 to 40.295.

(48) "Natural Supports" mean the parental responsibility for a child who is less than 18 years of age and the voluntary resources available to the child from the relatives, friends, neighbors, and the community that are not paid for by the Department.

(49) "Nursing Service Plan" means the plan that is developed by a registered nurse based on an initial nursing assessment, reassessment, or an update made to a nursing assessment as the result of a monitoring visit.

(a) The Nursing Service Plan is specific to a child and identifies the diagnoses and health needs of the child and any service coordination, teaching, or delegation activities.

(b) The Nursing Service Plan is separate from the ISP and any service plans developed by other health professionals.

(50) "OHP" means the Oregon Health Plan.

(51) "OHP Plus" means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b).

(52) "OIS" means the "Oregon Intervention System". OIS is the system of providing training to people who work with designated individuals to provide elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques that are used to maintain health and safety.

(53) "OSIP-M" means "Oregon Supplemental Income Program-Medical" as described in OAR 461-001-0030. OSIP-M is Oregon Medicaid insurance coverage for individuals who meet the eligibility criteria described in OAR chapter 461.

(54) "Parent" means the biological parent, adoptive parent, stepparent, or legal guardian of a child.

(55) "Person-Centered Planning":

(a) Means a timely and formal or informal process that is driven by an individual, includes people chosen by the individual, ensures that the individual directs the process to the maximum extent possible, and that the individual is enabled to make informed choices and decisions consistent with CFR 441.540.

(b) Person centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, service providers, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(56) "Personal Support Worker" means "personal support worker" as defined in OAR 411-375-0010.

(57) "Plan Year" means 12 consecutive months from the start date specified on the authorized ISP or Annual Plan for a child.

(58) "Positive Behavioral Theory and Practice" means a proactive approach to behavior and behavior interventions that:

(a) Emphasizes the development of functional alternative behavior and positive behavior intervention;

(b) Uses the least intervention possible;

(c) Ensures that abusive or demeaning interventions are never used; and

(d) Evaluates the effectiveness of behavior interventions based on objective data.

(59) "Primary Caregiver" means the parent, guardian, relative, or other non-paid parental figure of a child that provides direct care at the times that a paid provider is not available.

# ADMINISTRATIVE RULES

(60) "Protective Physical Intervention" means any manual physical holding of, or contact with, a child that restricts freedom of movement.

(61) "Provider" means a person, organization, or business selected by a parent or guardian and paid with in-home support funds to provide support to a child according to the ISP or Annual Plan for the child.

(62) "Provider Organization" means an entity selected by a parent or guardian and paid with in-home support funds that:

(a) Is primarily in business to provide supports for children with intellectual or developmental disabilities;

(b) Provides supports for a child through employees, contractors, or volunteers; and

(c) Receives compensation to recruit, supervise, and pay the person who actually provides support for the child.

(63) "Quality Assurance" means a systematic procedure for assessing the effectiveness, efficiency, and appropriateness of services.

(64) "Regional Process" means a standardized set of procedures through which the needs of a child and funding to implement supports are reviewed for approval. The regional process includes review of the potential risk of out-of-home placement, the appropriateness of the proposed supports, and cost effectiveness of the Annual Plan for the child. Children who meet the crisis eligibility under OAR 411-308-0060(2) may be granted access to in-home supports through the regional process.

(65) "Relief Care" means the intermittent services described in OAR 411-308-0120 that are provided on a periodic basis for the relief of, or due to the temporary absence of, a primary caregiver.

(66) "Service Level" means the amount of attendant care, hourly relief care, or skills training services determined necessary by a functional needs assessment and made available to meet the identified support needs of a child.

(67) "Services Coordinator" means an employee of a CDDP, Department, or other agency that contracts with the county or Department who provides case management services including, but not limited to, planning, procuring, coordinating, and monitoring in-home support. A services coordinator acts as a proponent for children with intellectual or developmental disabilities and their families' and is the person-centered plan coordinator of a child as defined in the Community First Choice state plan amendment.

(68) "Skills Training" means the activities described in OAR 411-308-0120 that are intended to maximize the independence of a child through training, coaching, and prompting the child to accomplish ADL, IADL, and health-related skills.

(69) "Specialized Medical Supplies" mean the medical and ancillary supplies described in OAR 411-308-0120, such as:

(a) Necessary medical supplies, specified in an ISP that are not available under the state plan;

(b) Ancillary supplies necessary to the proper functioning of items necessary for life support or to address physical conditions; and

(c) Supplies necessary for the continued operation of augmentative communication devices or systems.

(70) "Substantiated" means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(71) "Supplant" means take the place of.

(72) "Support" means the assistance that a child and a family requires, solely because of the effects of an intellectual or developmental disability on the child, to maintain or increase age-appropriate independence of the child, achieve age-appropriate community presence and participation of the child, and to maintain the child in the family home. Support is subject to change with time and circumstances.

(73) "These Rules" mean the rules in OAR chapter 411, division 308.

(74) "Transition Costs" mean the expenses described in OAR 411-308-0120 required for a child to make the transition to the family home from a nursing facility or ICF/IDD.

(75) "Vehicle Modifications" mean the adaptations or alterations described in OAR 411-308-0120 that are made to the vehicle that is the primary means of transportation for a child in order to accommodate the service needs of the child.

## 411-308-0030

### In-Home Support Administration and Operation

(1) FISCAL INTERMEDIARY SERVICES. The CDDP must provide, or arrange a third party to provide, fiscal intermediary services for all families. The fiscal intermediary receives and distributes in-home support funds on behalf of a child's family. The responsibilities of the fiscal intermediary include payments to vendors as well as all activities and records related to payroll and payment of employer-related taxes and fees as an agent of a child's family who employs a person to provide services, supervision, or training in the family home or community. In this capacity, the fiscal intermediary may not recruit, hire, supervise, evaluate, dismiss, or otherwise discipline employees.

(2) GENERAL RECORD REQUIREMENTS. The CDDP must maintain records of services to children in accordance with OAR 411-320-0070, ORS 179.505, ORS 192.515 to 192.518, 45 CFR 205.50, 45 CFR 164.512, Health Insurance Portability and Accountability Act (HIPAA), 42 CFR Part 2 HIPAA, and any Department administrative rules and policies pertaining to service records.

(a) DISCLOSURE. For the purpose of disclosure from medical records under these rules, CDDPs are considered "providers" as defined in ORS 179.505(1) and ORS 179.505 is applicable.

(A) Access to records by the Department does not require authorization by a child's family.

(B) For the purposes of disclosure from non-medical records, all or portions of the information contained in the non-medical record may be exempt from public inspection under the personal privacy information exemption to the public records law set forth in ORS 192.502(2).

(b) SERVICE RECORDS. Records for children who receive in-home support must be kept up-to-date and must include:

(A) An easily accessed summary of basic information as described in OAR 411-320-0070, including the date of the child's enrollment in in-home support;

(B) Records related to receipt and disbursement of in-home support funds, including expenditure authorizations, expenditure verification, copies of CPMS expenditure reports, verification that providers meet requirements of OAR 411-308-0130, and documentation of family acceptance or delegation of the record keeping responsibilities outlined in this rule. Records must include:

(i) Itemized invoices and receipts to record the purchase of any single item;

(ii) Signed contracts and itemized invoices for any services purchased from independent contractors and professionals;

(iii) Written professional support plans, assessments, and reviews to document the acceptable provision of behavior support, nursing, and other professional training and consultation services; and

(iv) Pay records to record employee services, including timesheets signed by both employee and employer.

(C) Incident reports, including those involving CDDP staff;

(D) A functional needs assessment and other assessments used to determine required supports, preferences, and resources;

(E) When a child is not Medicaid eligible, documentation of the child's eligibility for crisis services and approval of the child's services through a regional process;

(F) The child's ISP or Annual Plan and reviews;

(G) The services coordinator's correspondence and notes related to plan development and outcomes; and

(H) Family satisfaction information.

(c) GENERAL FINANCIAL POLICIES AND PRACTICES. The CDDP must:

(A) Maintain up-to-date accounting records consistent with generally accepted accounting principles that accurately reflect all in-home support revenue by source, all expenses by object of expense, and all assets, liabilities, and equities; and

(B) Develop and implement written statements of policy and procedure as are necessary and useful to assure compliance with any Department administrative rule pertaining to fraud and embezzlement.

(d) RECORDS RETENTION. Records must be retained in accordance with OAR chapter 166, division 150, Secretary of State, Archives Division.

(A) Financial records, supporting documents, statistical records, and all other records (except service records) must be retained for a minimum of three years after the close of the contract period, or until audited.

(B) Service records must be kept for a minimum of seven years.

(3) RIGHTS OF THE CHILD.

(a) The rights of the child are described in OAR 411-318-0010.

# ADMINISTRATIVE RULES

(b) Upon enrollment, request, and annually thereafter, the individual rights described in OAR 411-318-0010 must be provided to the parent and the child.

## (4) COMPLAINTS.

(a) Complaints must be addressed in accordance with OAR 411-318-0015.

(b) Upon enrollment, request, and annually thereafter, the policy and procedures for complaints as described in OAR 411-318-0015 must be explained and provided to the parent of each child.

(5) NOTIFICATION OF PLANNED ACTION. In the event services are involuntarily denied, reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

## (6) HEARINGS.

(a) Hearings must be addressed in accordance with ORS chapter 183 and OAR 411-318-0025.

(b) The parent of a child may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025 for involuntary denials, reductions, suspensions, or terminations.

(c) Upon enrollment, request, and annually thereafter, a notice of hearing rights and the policy and procedures for hearings as described in OAR chapter 411, division 318 must be explained and provided to the parent of each child.

(7) OTHER OPERATING POLICIES AND PROCEDURES. The CDDP must develop and implement such written statements of policy and procedure, in addition to those specifically required by this rule, as are necessary and useful to enable the CDDP to accomplish its objectives and to meet the requirements of these rules and other applicable standards and rules.

#### Financial Limits of In-Home Support

(1) In any plan year, support must be limited to the amount of support determined to be necessary by a functional needs assessment and specified in a child's ISP.

(2) For a child who is not Medicaid eligible, support must be limited to:

(a) The amount of support determined to be necessary to prevent out-of-home placement, specified in the child's Annual Plan and may not exceed the maximum allowable monthly plan amount published in the Department's rate guidelines in any month during the plan year;

(b) The amount of time necessary for a child to transition into a waiver or Community First Choice services, if eligible.

(3) Payment rates used to establish the limits of financial assistance for specific service in the child's Annual Plan must be based on the Department's rate guidelines for costs of frequently-used services. Department rate guidelines notwithstanding, final costs may not exceed local usual and customary charges for these services as evidenced by the CDDP's own documentation.

### 411-308-0060

#### Eligibility for In-Home Support

(1) STANDARD ELIGIBILITY. In order to be eligible for in-home support, a child must:

(a) Be under the age of 18;

(b) Be receiving OHP Plus;

(c) Be determined eligible for developmental disability services by the CDDP of the child's county of residence as described in OAR 411-320-0080; and

(d) After completion of an assessment, meet the level of care as defined in OAR 411-308-0020.

(2) CRISIS ELIGIBILITY. When the standard eligibility criteria described in section (1) of this rule are not met, the CDDP of a child's county of residence may find a child eligible for in-home support when the child:

(a) Is experiencing a crisis as defined in OAR 411-308-0020 and may be safely served in the family home;

(b) Has exhausted all appropriate alternative resources, including but not limited to natural supports and family support as defined in OAR 411-305-0020;

(c) Does not receive or may stop receiving other Department-paid in-home or community living services other than Medicaid state plan personal care services, adoption assistance, or short-term assistance, including crisis services provided to prevent out-of-home placement; and

(d) Is at risk of out-of-home placement and requires in-home support to be maintained in the family home; or

(e) Resides in a Department-paid residential service and requires in-home support to return to the family home.

(3) CONCURRENT ELIGIBILITY. Children are not eligible for in-home support from more than one CDDP unless the concurrent service:

(a) Is necessary to transition from one county to another with a change of residence;

(b) Is part of a collaborative plan developed by both CDDPs; and

(c) Does not duplicate services and expenditures.

### 411-308-0070

#### In-Home Support Entry, Duration, and Exit

(1) ENTRY. An eligible child may enter in-home support when in-home support needs are assessed through a functional needs assessment. In-home supports must be authorized on an annual basis, prior to the beginning of a new ISP or Annual Plan.

(2) DURATION OF SERVICES. Once a child has entered in-home support, the child and the child's family may continue receiving in-home supports from the CDDP until the child turns 18. The child must remain eligible for in-home support and in-home support funds must be available at the CDDP and authorized by the Department to continue services. The child's ISP or Annual Plan must be developed each year and kept current.

(3) CHANGE OF COUNTY OF RESIDENCE. If a child and the child's family move outside the CDDP's area of service, the originating CDDP must arrange for services purchased with in-home support funds to continue, to the extent possible, in the new county of residence. The originating CDDP must:

(a) Provide information about the need to apply for services in the new CDDP and assist the family with application for services if necessary; and

(b) Contact the new CDDP to negotiate the date on which the in-home support, including responsibility for payments, transfers to the new CDDP.

(4) EXIT. A child must leave a CDDP's in-home support:

(a) When the child no longer resides in the family home;

(b) At the written request of the child's parent or guardian to end the in-home supports;

(c) For a child eligible via Crisis Eligibility, in-home supports are no longer necessary to prevent out-of-home placement and the child is not eligible via Standard Eligibility.

(d) On the child's 18th birthday;

(e) When the child and the child's family moves to a county outside the CDDP's area of service, unless transition services have been previously arranged and authorized by the CDDP as required in section (3) of this rule; or

(f) No less than 30 days after the CDDP has served written notice, in the language used by the family, of intent to terminate services because:

(A) The child's family either cannot be located or has not responded to repeated attempts by CDDP staff to complete the child's ISP or Annual Plan development and monitoring activities and does not respond to the notice of intent to terminate; or

(B) The CDDP has sufficient evidence that the child's family has engaged in fraud or misrepresentation, failed to use resources as agreed upon in the child's ISP or Annual Plan, refused to cooperate with documenting expenses, or otherwise knowingly misused public funds associated with in-home support.

(g) Any child being exited from in-home support services must be given written notice of the intent to terminate service consistent with OAR chapter 411, division 318.

## 411-308-0080

### Required In-Home Support Services

(1) The CDDP must provide an annual planning process to assist families in establishing outcomes, determining needs, planning for supports, and reviewing and redesigning support strategies for all children eligible for in-home support. The planning process must occur in a manner that:

(a) Identifies and applies existing abilities, relationships, and resources while strengthening naturally occurring opportunities for support at home and in the community;

(b) Is consistent in both style and setting with the child's and the child's family's needs and preferences, including but not limited to informal interviews, informal observations in home and community settings, or formally structured meetings; and

(c) Includes completing a functional needs assessment using a person-centered planning approach.

(2) The CDDP, the child (as appropriate), and the child's family must develop a written ISP or Annual Plan for the child as a result of the planning process prior to purchasing supports with in-home support funds and annually thereafter. The child's ISP or Annual Plan must include but not be limited to:

(a) The eligible child's legal name and the name of the child's parent (if different than the child's last name) or the name of the child's guardian;

(b) A description of the supports required, including the reason the support is necessary. The description must be consistent with the needs identified in the functional needs assessment;

(c) Beginning and end dates of the plan year as well as when specific activities and supports are to begin and end;

(d) A list of personal, community, and public resources that are available to the child and how the resources may be applied to provide the required supports. Sources of support may include waiver services, state plan services, general funds, or natural supports;

(e) Signatures of the child's services coordinator, the child's parent or guardian, and the child (as appropriate); and

(f) The schedule of the child's ISP or Annual Plan reviews.

(g) If accessing services through crisis eligibility, a plan to reduce the need for In Home Supports, which may include assisting the child to access waiver or Community First Choice services, if eligible.

(3) The ISP must also include the following:

(a) Projected costs with sufficient detail to support estimates;

(b) The manner in which services are delivered and the frequency of services;

(c) Service providers;

(d) The child's strengths and preferences;

(e) Individually identified goals and desired outcomes;

(f) The services and supports (paid and unpaid) to assist the child to achieve identified goals and the providers of the services and supports, including voluntarily provided natural supports;

(g) The risk factors and the measures in place to minimize the risk factors, including back-up plans;

(h) The identity of the person responsible for case management and monitoring the ISP or Annual Plan; and

(i) A provision to prevent unnecessary or inappropriate care.

(4) The child's ISP or Annual Plan, or records supporting development of each child's ISP or Annual Plan, must include evidence that:

(a) When the child is not Medicaid eligible, in-home support funds are used only to purchase goods or services necessary to prevent the child from out-of-home placement, or to return the child from a community placement to the family home;

(b) The services coordinator has assessed the availability of other means for providing the supports before using in-home support funds, and other public, private, formal, and informal resources available to the child have been applied and new resources have been developed whenever possible;

(c) Basic health and safety needs and supports have been addressed, including but not limited to identification of risks, including risk of serious neglect, intimidation, and exploitation;

(d) Informed decisions by the child's parent or guardian regarding the nature of supports or other steps taken to ameliorate any identified risks; and

(e) Education and support for the child and the child's family to recognize and report abuse.

(5) The services coordinator must obtain and attach a Nursing Care Plan to the child's written ISP or Annual Plan when in-home supports are

used to purchase care and services requiring the education and training of a nurse.

(6) The services coordinator must obtain and attach a Behavior Support Plan to the child's written ISP or Annual Plan when the Behavior Support Plan is implemented by the child's family or providers during the plan year.

(7) In-home supports may only be provided after the child's ISP or Annual Plan is developed as described in this rule, authorized by the CDDP, and signed by the child's parent or guardian.

(8) The services coordinator must review and reconcile receipts and records of purchased supports authorized by the child's ISP or Annual Plan and subsequent ISP or Annual Plan documents, at least quarterly during the plan year.

(9) At least annually, the services coordinator must conduct and document reviews of the child's ISP or Annual Plan and resources with the child's family as follows:

(a) Evaluate progress toward achieving the purposes of the child's ISP or Annual Plan;

(b) Record actual in-home support fund costs;

(c) Note effectiveness of purchases based on services coordinator observation as well as family satisfaction;

(d) Determine whether changing needs or availability of other resources have altered the need for specific supports or continued use of in-home supports; and

(e) For children who meet the crisis eligibility under OAR 411-308-0060(2), a review of the child's continued risk for out-of-home placement and the availability of alternate resources, including eligibility for waiver and Community First Choice services.

(10) When the eligible child and the child's family moves to a county outside the area of service, the originating CDDP must assist in-home support recipients by:

(a) Continuing in-home supports authorized by the child's ISP or Annual Plan which is current at the time of the move, if the support is available, until the transfer date agreed upon according to OAR 411-308-0070; and

(b) Transferring the unexpended portion of the child's in-home supports to the new CDDP of residence.

### Conditions for In-Home Support Purchases

(1) A CDDP must only use in-home support funds to assist families to purchase supports for the purpose defined in OAR 411-308-0010 and in accordance with the child's ISP or Annual Plan that meets the requirements for development and content in OAR 411-308-0080.

(2) The CDDP must arrange for supports purchased with in-home support funds to be provided:

(a) In settings and under purchasing arrangements and conditions that enable the family to receive supports and services from another qualified provider;

(b) In a manner consistent with positive behavioral theory and practice and where behavior intervention is not undertaken unless the behavior:

(A) Represents a risk to health and safety of the child or others;

(B) Is likely to continue and become more serious over time;

(C) Interferes with community participation;

(D) Results in damage to property; or

(E) Interferes with learning, socializing, or vocation.

(c) In accordance with applicable state and federal wage and hour regulations in the case of personal services, training, and supervision;

(d) In accordance with applicable state or local building codes in the case of environmental accessibility adaptations to the family home;

(e) In accordance with Oregon Board of Nursing rules in OAR chapter 851 when services involve performance of nursing services or delegation, teaching, and assignment of nursing tasks; and

(f) In accordance with OAR 411-308-0130 governing provider qualifications.

(3) When in-home support funds are used to purchase services, training, supervision, or other personal assistance for children, the CDDP must require and document that providers are informed of:

(a) Mandatory reporter responsibility to report suspected child abuse;

(b) Responsibility to immediately notify the child's parent or guardian, or any other person specified by the child's parent or guardian, of

# ADMINISTRATIVE RULES

any injury, illness, accident, or unusual circumstance involving the child that occurs when the provider is providing individual services, training, or supervision that may have a serious effect on the health, safety, physical or emotional well-being, or level of services required;

(c) Limits of payment:

(A) In-home support fund payments for the agreed-upon services are considered full payment and the provider under no circumstances may demand or receive additional payment for these services from the family or any other source.

(B) The provider must bill all third party resources before using in-home support funds.

(d) The provisions of section (6) of this rule regarding sanctions that may be imposed on providers;

(e) The requirement to maintain a drug-free workplace; and

(f) The payment process, including payroll or contractor payment schedules or timelines.

(4) The method and schedule of payment must be specified in written agreements between the CDDP and the child's parent or guardian.

(a) Support expenses must be separately projected, tracked, and expensed, including separate contracts, employment agreements, and time-keeping for staff working with more than one eligible child.

(b) The CDDP is specifically prohibited from reimbursement of families for expenses or advancing funds to families to obtain services. The CDDP must issue payment, or arrange through fiscal intermediary services to issue payment, directly to the qualified provider on behalf of the family after approved services described in the child's ISP or Annual Plan have been satisfactorily delivered.

(5) The CDDP must inform families in writing of records and procedures required in OAR 411-308-0030 regarding expenditure of in-home support funds. During development of a child's ISP or Annual Plan, the services coordinator must determine the need or preference for the CDDP to provide support with documentation and procedural requirements and must delineate responsibility for maintenance of records in written service agreements.

## 411-308-0120

### Supports Purchased with In-Home Support Funds

(1) For an initial or annual ISP, when conditions of purchase are met and provided purchases are not prohibited under OAR 411-308-0110, in-home support funds may be used to purchase a combination of the following supports based upon the needs of the child consistent with the child's functional needs assessment, ISP, and available funding:

(a) Community First Choice state plan services:

(A) Behavior Support Services as described in section (2) of this rule;

(B) Community nursing services as described in section (3) of this rule;

(C) Environmental accessibility adaptations as described in section (4) of this rule;

(D) Attendant care as described in section (5) of this rule;

(E) Skills training as described in section (6) of this rule;

(F) Relief care as described in section (7) of this rule;

(G) Assistive devices as described in section (8) of this rule;

(H) Assistive Technology as described in section (9) of this rule;

(I) Chore services as described in section (10) of this rule;

(J) Community transportation as described in section (11) of this rule;

and

(K) Transition costs as described in section (12) of this rule.

(b) Home and Community-Based Waiver Services. Individuals who are eligible for OSIPM and meet Level of Care may access Community First Choice Services and the following services.

(A) Family training as described in section (13) of this rule;

(B) Case management as defined in OAR 411-320-0020;

(C) Environmental Safety Modifications as described in section (14) of this rule;

(D) Vehicle modifications as described in section (15) of this rule; and

(E) Specialized Medical Supplies as described in section (16) of this rule.

(2) BEHAVIOR SUPPORT SERVICES. Behavior support services may be authorized to support a primary caregiver in their caregiving role and to respond to specific problems identified by a child, primary caregiv-

er or a services coordinator. Positive behavior support services are used to allow a child to develop, maintain, or enhance skills to accomplish ADLs, IADLs, and health-related tasks.

(a) A behavior consultant must:

(A) Work with the child's primary caregiver to identify:

(i) Areas of a child's family home life that are of most concern for the child and the child's parent;

(ii) The formal or informal responses the child's family or the provider has used in those areas; and

(iii) The unique characteristics of the child's family that may influence the responses that may work with the child.

(B) Assess the child. The assessment must include:

(i) Specific identification of the behaviors or areas of concern;

(ii) Identification of the settings or events likely to be associated with, or to trigger, the behavior;

(iii) Identification of early warning signs of the behavior;

(iv) Identification of the probable reasons that are causing the behavior and the needs of the child that are being met by the behavior, including the possibility that the behavior is:

(I) An effort to communicate;

(II) The result of a medical condition;

(III) The result of an environmental cause; or

(IV) The symptom of an emotional or psychiatric disorder.

(v) Evaluation and identification of the impact of disabilities (i.e. autism, blindness, deafness, etc.) that impact the development of strategies and affect the child and the area of concern; and

(vi) An assessment of current communication strategies.

(C) Develop a variety of positive strategies that assist the child's primary caregiver and the provider to help the child use acceptable, alternative actions to meet the child's needs in the most cost effective manner. These strategies may include changes in the physical and social environment, developing effective communication, and appropriate responses by a primary caregiver and a provider to the early warning signs.

(i) When interventions in behavior are necessary, the interventions must be done in accordance with positive behavioral theory and practice as defined in OAR 411-308-0010.

(ii) The least intrusive intervention possible to keep the child and others safe must be used.

(iii) Abusive or demeaning interventions must never be used.

(iv) The strategies must be adapted to the specific disabilities of the child and the style or culture of the child's family.

(D) Develop emergency and crisis procedures to be used to keep the child and the child's primary caregiver and the provider safe. When interventions in the behavior of the child are necessary, positive, preventative, non-aversive interventions that conform to the Oregon Intervention System must be utilized. The use of protective physical intervention must be part of the Behavior Support Plan for the child. When protective physical intervention is required, the protective physical intervention must only be used as a last resort and the provider must be appropriately trained in OIS;

(E) Develop a written Behavior Support Plan using clear, concrete language that is understandable to the child's primary caregiver and the provider that describes the assessment, strategies, and procedures to be used;

(F) Teach the child's primary caregiver and the provider the strategies and procedures to be used; and

(G) Monitor and revise the Behavior Support Plan as needed.

(b) Behavior support services may include:

(A) Training, modeling, and mentoring the family of a child;

(B) Developing a visual communication system as a strategy for behavior support; and

(C) Communicating, as authorized by a parent, with school, medical, or other professionals about the strategies and outcomes of the Behavior Support Plan.

(c) Behavior support services exclude:

(A) Mental health therapy or counseling;

(B) Health or mental health plan coverage;

(C) Educational services including, but not limited to, consultation and training for classroom staff;

(D) Adaptations to meet the needs of a child at school;

(E) An assessment in a school setting;

(F) Attendant care; or

(G) Relief care.

(3) COMMUNITY NURSING SERVICES.

(a) Community nursing services include:

(A) Nursing assessments, including medication reviews;

## ADMINISTRATIVE RULES

- (B) Care coordination;
- (C) Monitoring;
- (D) Delegation and training of nursing tasks to a provider and primary caregiver;

(E) Teaching and education of the parent and provider and identifying supports that minimize health risks while promoting the autonomy of a child and self-management of healthcare; and

(F) Collateral contact with a services coordinator regarding the community health status of a child to assist in monitoring safety and well-being and to address needed changes to the ISP for the child.

(b) Community nursing services exclude direct nursing care.

(c) A Nursing Service Plan must be present when funds are used for community nursing services. A services coordinator must authorize the provision of community nursing services as identified in an ISP.

(d) After an initial nursing assessment, a nursing re-assessment must be completed very six months or sooner if a change in a medical condition requires an update to the Nursing Service Plan.

(4) ENVIRONMENTAL ACCESSIBILITY ADAPTATIONS. Environmental accessibility adaptations are physical adaptations to a child's family home that are necessary to ensure the health, welfare, and safety of the child in the family home due to the child's intellectual or developmental disability or that are necessary to enable the child to function with greater independence around the family home and in family activities.

(a) Environmental accessibility adaptations include but are not limited to:

(A) An environmental modification consultation to determine the appropriate type of adaptation to ensure the health, welfare, and safety of the child;

(B) Installation of shatter-proof windows;

(C) Hardening of walls or doors;

(D) Specialized, hardened, waterproof, or padded flooring;

(E) An alarm system for doors or windows;

(F) Protective covering for smoke alarms, light fixtures, and appliances;

(G) Sound and visual monitoring systems;

(H) Installation of ramps, grab-bars, and electric door openers;

(I) Adaptation of kitchen cabinets and sinks;

(J) Widening of doorways;

(K) Handrails;

(L) Modification of bathroom facilities;

(M) Individual room air conditioners for a child whose temperature sensitivity issues create behaviors or medical conditions that put the child or others at risk;

(N) Installation of non-skid surfaces;

(O) Overhead track systems to assist with lifting or transferring;

(P) Specialized electric and plumbing systems that are necessary to accommodate the medical equipment and supplies necessary for the welfare of the child; and

(Q) Adaptations to control lights, heat, stove, etc.

(b) Environmental accessibility adaptations exclude:

(A) Adaptations or improvements to the child's family home that are of general utility and are not for the direct safety, remedial, or long term benefit to the child;

(B) Adaptations that add to the total square footage of the child's family home; and

(C) General repair or maintenance and upkeep required for the child's family home, including repair of damage caused by the child.

(D) Adaptations outside of the family home, except for ramps that attach to the family home for the purpose of entering and exiting the family home.

(c) Environmental accessibility adaptations are limited to \$5,000 per modification. A services coordinator may request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service needs and goals of the child and the determination by the Department of appropriateness and cost-effectiveness.

(d) Environmental accessibility adaptations must be tied to supporting ADL, IADL, and health-related tasks as identified in the ISP.

(e) Environmental accessibility adaptations must be completed by a state licensed contractor. Any modification requiring a permit must be inspected by a local inspector and certified as in compliance with local codes. Certification of compliance must be filed in the file for the contractor prior to payment.

(f) Environmental accessibility adaptations must be made within the existing square footage of the family home, except for external ramps, and may not add to the square footage of the family home.

(g) Payment to the contractor is to be withheld until the work meets specifications.

(h) Environmental accessibility adaptations that are provided in a rental structure must be authorized in writing by the owner of the rental structure prior to initiation of the work. This does not preclude any reasonable accommodations required under the Americans with Disabilities Act.

(5) ATTENDANT CARE. Attendant care services include the purchase of direct provider support provided to a child in the child's family home or community by qualified independent provider or provider organization. ADL and IADL services provided through attendant care must support the child to live as independently as appropriate for the age of the child, support the child's family in their primary caregiver role, and be based on the identified needs of the child. A child's primary caregiver is expected to be present or available during the provision of attendant care.

(a) ADL services include, but are not limited to:

(A) Basic personal hygiene — providing or assisting with needs, such as bathing (tub, bed, bath, shower), hair care, grooming, shaving, nail care, foot care, dressing, skin care, or oral hygiene;

(B) Toileting, bowel, and bladder care — assisting to and from the bathroom, on and off toilet, commode, bedpan, urinal, or other assistive device used for toileting, changing incontinence supplies, following a toileting schedule, managing menses, cleansing a child or adjusting clothing related to toileting, emptying a catheter, drainage bag, or assistive device, ostomy care, or bowel care;

(C) Mobility — transfers, and repositioning — assisting with ambulation or transfers with or without assistive devices, turning a child or adjusting padding for physical comfort or pressure relief, or encouraging or assisting with range-of-motion exercises;

(D) Nutrition — preparing meals and special diets, assisting with adequate fluid intake or adequate nutrition, assisting with food intake (feeding), monitoring to prevent choking or aspiration, assisting with adaptive utensils, cutting food, and placing food, dishes, and utensils within reach for eating;

(E) Medication and medical equipment — assisting with ordering, organizing, and administering medications (including pills, drops, ointments, creams, injections, inhalers, and suppositories), monitoring a child for choking while taking medications, assisting with the administration of medications, maintaining equipment, or monitoring for adequate medication supply;

(F) Delegated nursing tasks;

(G) Cognitive assistance or emotional support provided to a child due to an intellectual or developmental disability — helping the child cope with change and assisting the child with decision-making, reassurance, orientation, memory, or other cognitive functions;

(H) Assistance with necessary medical appointments - help scheduling appointments, arranging medical transportation services, accompaniment to appointments, follow up from appointments, or assistance with mobility, transfers, or cognition in getting to and from appointments;

(I) Observation of the status of a child and reporting of significant changes to a physician, health care professional, or other appropriate person; and

(J) First aid and handling emergencies — addressing medical incidents related to the conditions of a child, such as seizure, aspiration, constipation, or dehydration or responding to the call of the child for help during an emergent situation or for unscheduled needs requiring immediate response.

(b) IADL services include, but are not limited to:

(A) Light housekeeping tasks necessary to maintain a child in a healthy and safe environment — cleaning surfaces and floors, making the child's bed, cleaning dishes, taking out the garbage, dusting, and laundry;

(B) Grocery and other shopping necessary for the completion of other ADL and IADL tasks;

(C) Social support in the community around socialization and participation in the community;

(i) Support with socialization — assisting a child in acquiring, retaining, and improving self-awareness and self-control, social responsiveness, social amenities, and interpersonal skills;

(ii) Support with community participation assisting a child in acquiring, retaining, and improving skills to use available community resources, facilities, or businesses; and

(D) Support with communication - assisting a child in acquiring, retaining, and improving expressive and receptive skills in verbal and non-

# ADMINISTRATIVE RULES

verbal language and the functional application of acquired reading and writing skills.

(c) Assistance with ADLs and IADLs may include cueing, monitoring, reassurance, redirection, set-up, hands-on, or standby assistance. Assistance may be provided through human assistance or the use of electronic devices or other assistive devices. Assistance may also require verbal reminding to complete any of the IADL tasks described in subsection (b) of this section.

(A) "Cueing" means giving verbal, audio, or visual clues during an activity to help a child complete the activity without hands-on assistance.

(B) "Hands-on" means a provider physically performs all or parts of an activity because a child is unable to do so.

(C) "Monitoring" means a provider observes a child to determine if assistance is needed.

(D) "Reassurance" means to offer a child encouragement and support.

(E) "Redirection" means to divert a child to another more appropriate activity.

(F) "Set-up" means the preparation, cleaning, and maintenance of personal effects, supplies, assistive devices, or equipment so that a child may perform an activity.

(G) "Stand-by" means a provider is at the side of a child ready to step in and take over the task if the child is unable to complete the task independently.

(d) Attendant care services must:

(A) Be previously authorized by the services coordinator before services begin;

(B) Be delivered through the most cost effective method as determined by the services coordinator; and

(C) Only be provided when the child is present to receive services.

(e) Attendant care services exclude:

(A) Hours that supplant parental responsibilities, other natural supports, and services available from the child's family, community, other government or public services, insurance plans, schools, philanthropic organizations, friends, or relatives;

(B) Hours solely to allow the primary caregiver to work or attend school;

(C) Hours that exceed what is necessary to support the child based on the functional needs assessment;

(D) Support generally provided for a child of similar age without disabilities by the parent or other family members;

(E) Educational and supportive services provided by schools as part of a free and appropriate public education for children and young adults under the Individuals with Disabilities Education Act;

(F) Services provided by the child's family; and

(G) Home schooling.

(f) Attendant care services may not be provided on a 24-hour shift-staffing basis.

(6) **SKILLS TRAINING.** Skills training is specifically tied to the functional needs assessment and ISP and is a means for an individual to acquire, maintain, or enhance independence in supports otherwise provided through state plan or waiver services.

(a) Skills training may be applied to the use and care of assistive devices and technologies.

(b) Skills training is authorized when:

(A) The anticipated outcome of the skills training, as documented in the ISP, is measurable;

(B) Timelines for measuring progress towards the anticipated outcome are established in the ISP; and

(C) Progress towards the anticipated outcomes are measured and the measurements are evaluated by a services coordinator no less frequently than every six months based on the start date of the initiation of the skills training.

(c) When anticipated outcomes are not achieved, the services coordinator must reassess the use of skills training with the individual.

(d) Skills training does not replace the responsibilities of the school system.

(7) **RELIEF CARE.**

(a) Relief care includes two types of care, neither of which may be characterized as daily or periodic services.

(A) Twenty-four hour relief care must be provided in segments of 24-hour units that may be sequential but may not exceed seven consecutive days without permission from the Department.

(B) Hourly relief care is substitute care for the care provided by the primary caregiver.

(b) Relief care may include both day and overnight services that may be provided in:

(A) The family home;

(B) A setting licensed or certified by the Department;

(C) The home of a provider. If overnight relief care is provided in the home of a provider, the services coordinator and the parent must document that the home of the provider is a safe setting for the child; or

(D) The community, during the provision of ADL, IADL, health related tasks, and other supports identified in the ISP for the child.

(c) Relief care services are not authorized for the following:

(A) Solely to allow the primary caregiver of the child to attend school or work;

(B) For more than 7 consecutive overnight stays;

(C) For more than 10 days per individual plan year when provided at a camp;

(D) For vacation, travel, and lodging expenses; or

(E) To pay for room and board.

(8) **ASSISTIVE DEVICES.** Assistive devices are primarily and customarily used to meet an ADL, IADL or health related support need. The purchase, rental, or repair of an assistive device must be limited to the types of equipment that are not excluded under OAR 410-122-0080.

(a) Assistive devices may be purchased with In home support for children funds when the intellectual or developmental disability of a child prevents or limits the independence of the child to assist in areas identified in a functional needs assessment.

(b) Assistive devices that may be purchased for the purpose described in section (a) of this rule must be of direct benefit to the child and may include:

(A) Electronic devices to secure assistance in an emergency in the community and other reminders, such as medication minders, alert systems for ADL or IADL supports, or mobile electronic devices.

(i) Expenditures for electronic devices are limited to \$500 per plan year.

(ii) A services coordinator may request approval for additional expenditures through the Department prior to expenditure.

(B) Assistive devices not covered by other Medicaid programs to assist and enhance the independence of a child in performing ADLs or IADLs, such as durable medical equipment, mechanical apparatus, or electronic devices.

(i) Expenditures for assistive devices are limited to \$5,000 per plan year. A services coordinator may request approval for additional expenditures through the Department prior to expenditure.

(ii) Any single device or assistance costing more than \$500 must be approved by the Department prior to expenditure.

(c) Assistive devices may include the cost of a professional consultation if required to assess, identify, adapt, or fit specialized equipment. The cost of professional consultation may be included in the purchase price.

(d) To be authorized by a services coordinator, assistive devices must be:

(A) Not covered by the Medicaid State Plan, OHP and private insurance;

(B) Determined necessary to the daily functions of a child; and

(C) Directly related to the disability of a child.

(e) Assistive devices exclude:

(A) Items that are not necessary or of direct medical or remedial benefit to the child;

(B) Items intended to supplant similar items furnished under OHP or private insurance;

(C) Items available through the family, community, or other governmental resources;

(D) Items that are considered unsafe for a child;

(E) Toys or outdoor play equipment; and

(F) Equipment and furnishings of general household use.

(f) Funding for assistive devices with an expected life of more than one year is one time funding that is not continued in subsequent plan years. Assistive devices may only be included in an ISP when all other public and private resources have been exhausted.

(g) A services coordinator must secure use of assistive devices costing more than \$500 through a written agreement between the Department and the parent that specifies the time period the item is to be available to the child and the responsibilities of all parties if the item is lost, damaged, or sold within that time period. The Department may immediately recover any assistive devices purchased with In home support for children funds that are not used according to the ISP for the child or according to the written agreement between the Department and the parent.

## ADMINISTRATIVE RULES

(h) Assistive devices must meet applicable standards of manufacture, design, and installation.

### (9) ASSISTIVE TECHNOLOGY.

(a) Assistive technology includes, but is not limited to, motion or sound sensors, two-way communication systems, automatic faucets and soap dispensers, incontinent and fall sensors, or other electronic backup systems.

(A) Expenditures for assistive technology are limited to \$5,000 per plan year. A services coordinator may request approval for additional expenditures through the Department prior to expenditure.

(B) Any single device or assistance costing more than \$500 must be approved by the Department prior to expenditure.

(b) Assistive technology may include the cost of a professional consultation if required to assess, identify, adapt, or fit specialized equipment. The cost of professional consultation may be included in the purchase price.

(c) To be authorized by a services coordinator, assistive technology must be:

(A) Not covered by the Medicaid State Plan, OHP and private insurance;

(B) Determined necessary to the daily functions of a child; and

(C) Directly related to the disability of a child.

(d) Assistive technology excludes:

(A) Items that are not necessary or of direct medical or remedial benefit to the child;

(B) Items intended to supplant similar items furnished under OHP or private insurance;

(C) Items available through the family, community, or other governmental resources;

(D) Items that are considered unsafe for a child; and

(E) Equipment and furnishings of general household use.

(e) Funding for assistive technology with an expected life of more than one year is one time funding that is not continued in subsequent plan years. Assistive technology may only be included in an ISP when all other public and private resources have been exhausted.

(f) A services coordinator must secure use of assistive technology costing more than \$500 through a written agreement between the Department and the parent that specifies the time period the item is to be available to the child and the responsibilities of all parties if the item is lost, damaged, or sold within that time period. The Department may immediately recover any assistive technology purchased with In home support for children funds that is not used according to the ISP of the child or according to the written agreement between the Department and the parent.

(g) Assistive technology must meet applicable standards of manufacture, design, and installation.

(10) CHORE SERVICES. Chore services may be provided only in situations where no one else in the family home is able of either performing or paying for the services and no other relative, caregiver, landlord, community, volunteer agency, or third-party payer is capable of, or responsible for, providing these services.

(a) Chore services include heavy household chores such as:

(A) Washing floors, windows, and walls;

(B) Tacking down loose rugs and tiles; and

(C) Moving heavy items of furniture for safe access and egress.

(b) Chore services may include yard hazard abatement to ensure the outside of the family home is safe for the child to traverse and enter and exit the home.

### (11) COMMUNITY TRANSPORTATION.

(a) Community transportation services include, but are not limited to:

(A) Community transportation provided by a common carrier, taxicab, or bus in accordance with standards established for these entities;

(B) Reimbursement on a per-mile basis for transporting an individual to accomplish ADL, IADL, or a health related task as identified in an ISP; or

(C) Assistance with the purchase of a bus pass.

(b) Mileage reimbursement is limited to the geographic area surrounding the family home that is commonly used by people in the same area to obtain goods and services. The geographic area is not determined by the social or recreational groups or activities of a child.

(c) Community transportation excludes:

(A) Transportation provided by family members;

(B) Transportation used for behavioral intervention or calming;

(C) Transportation normally provided by schools;

(D) Transportation normally provided by a primary caregiver for a child of similar age without disabilities;

(E) Transportation to obtain medical or non-medical items that may be delivered by a supplier or sent by mail order without cost;

(F) Purchase or lease of a vehicle;

(G) Routine vehicle maintenance and repair;

(H) Reimbursement for out-of-state travel expenses;

(I) Ambulance services or medical transportation;

(J) Transportation services that may be obtained through other means, such as OHP or other public or private resources available to the child; and

(K) Costs for transporting a person other than the child.

(d) Community transportation services must be prior authorized by a services coordinator and documented in an ISP. The Department does not pay any provider under any circumstances for more than the total number of hours, miles, or rides identified by the functional needs assessment, prior authorized by the services coordinator and documented in the ISP.

### (12) TRANSITION COSTS.

(a) Transition costs are limited to individuals transitioning from a nursing facility, ICF/IDD, or acute care hospital to a home or community-based setting where the individual resides.

(b) Transition costs are based on an individual's assessed need determined during the person-centered service planning process and must support the desires and goals of the individual receiving services and supports. Final approval for transition costs must be through the Department prior to expenditure. The Department's approval is based on the individual's need and the Department's determination of appropriateness and cost-effectiveness.

(c) Financial assistance for transition costs is limited to:

(A) Moving and move-in costs, including movers, cleaning and security deposits, payment for background or credit checks (related to housing), or initial deposits for heating, lighting, and phone;

(B) Payment of previous utility bills that may prevent the individual from receiving utility services and basic household furnishings, such as a bed; and

(C) Other items necessary to re-establish a home.

(d) Transition costs are provided no more than twice annually.

(e) Transitions costs for basic household furnishings and other items are limited to one time per year.

(13) FAMILY TRAINING. Family training services are provided to the family of a child to increase the abilities of the family to care for, support, and maintain the child in the family home.

(a) Family training services include:

(A) Instruction about treatment regimens and use of equipment specified in an ISP;

(B) Information, education, and training about the disability, medical, and behavioral conditions of a child; and

(C) Registration fees for organized conferences and workshops specifically related to the intellectual or developmental disability of the child or the identified, specialized, medical, or behavioral support needs of the child.

(i) Conferences and workshops must be prior authorized by a services coordinator, directly relate to the intellectual or developmental disability of a child, and increase the knowledge and skills of the family to care for and maintain the child in the family home.

(ii) Conference and workshop costs exclude:

(I) Registration fees in excess of \$500 per family for an individual event;

(II) Travel, food, and lodging expenses;

(III) Services otherwise provided under OHP or available through other resources; or

(IV) Costs for individual family members who are employed to care for the child.

(b) Family training services exclude:

(A) Mental health counseling, treatment, or therapy;

(B) Training for a paid provider;

(C) Legal fees;

(D) Training for a family to carry out educational activities in lieu of school;

(E) Vocational training for family members; and

(F) Paying for training to carry out activities that constitute abuse of a child.

### (14) ENVIRONMENTAL SAFETY ADAPTATIONS

(a) Environmental safety modifications must be made from materials of the most cost effective type and may not include decorative additions.

(b) Fencing may not exceed 200 linear feet without approval from the Department.

(c) Environmental safety modifications exclude:

# ADMINISTRATIVE RULES

ef. 8-1-11; SPD 21-2013(Temp), f. & cert. ef. 7-1-13 thru 12-28-13; SPD 54-2013, f. 12-27-13, cert. ef. 12-28-13; APD 21-2014(Temp), f. & cert. ef. 7-1-14 thru 12-28-14

- (A) Large gates such as automobile gates;
- (B) Costs for paint and stain;
- (C) Adaptations or improvements to the family home that are of general utility and are not for the direct safety, remedial, or long term benefit to the child; and

(D) Adaptations that add to the total square footage of the family home.

(d) Environmental safety modifications are limited to \$5,000 per modification. A services coordinator may request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service needs and goals of the child and the determination by the Department of appropriateness and cost-effectiveness.

(e) Environmental safety modifications must be tied to supporting ADL, IADL, and health-related tasks as identified in the ISP.

(f) Environmental safety modifications must be completed by a state licensed contractor. Any modification requiring a permit must be inspected by a local inspector and certified as in compliance with local codes. Certification of compliance must be filed in the file for the contractor prior to payment.

(g) Environmental safety modifications must be made within the existing square footage of the family home and may not add to the square footage of the family home.

(h) Payment to the contractor is to be withheld until the work meets specifications.

(i) Environmental safety modifications that are provided in a rental structure must be authorized in writing by the owner of the rental structure prior to initiation of the work. This does not preclude any reasonable accommodations required under the Americans with Disabilities Act.

## (15) VEHICLE MODIFICATIONS.

(a) Vehicle modifications may only be made to the vehicle primarily used by a child to meet the unique needs of the child. Vehicle modifications may include a lift, interior alterations to seats, head and leg rests, belts, special safety harnesses, other unique modifications to keep the child safe in the vehicle, and the upkeep and maintenance of a modification made to the vehicle.

(b) Vehicle modifications exclude:

(A) Adaptations or improvements to a vehicle that are of general utility and are not of direct medical or remedial benefit to a child;

(B) The purchase or lease of a vehicle; or

(C) Routine vehicle maintenance and repair.

(c) Vehicle modifications are limited to \$5,000 per modification. A services coordinator may request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service needs and goals of the child and the determination by the Department of appropriateness and cost-effectiveness.

(d) Vehicle modifications must meet applicable standards of manufacture, design, and installation.

(16) SPECIALIZED MEDICAL SUPPLIES. Specialized medical supplies do not cover services which are otherwise available to a child under section 110 of the Rehabilitation Act of 1973, or the IDEA (20 U.S.C. 1401 et seq.). Specialized medical supplies may not overlap with, supplant, or duplicate other services provided through the waiver, OHP or Medicaid state plan services.

(17) All requests for General Fund expenditures and expenditures exceeding limitations in the expenditure guidelines must be authorized by the Department. The approval of the Department is limited to 90 days unless re-authorized. A request for a General Fund expenditure or an expenditure exceeding limitations in the expenditure guidelines is only authorized in the following circumstances:

(a) The child is not safely served in the family home without the expenditure;

(b) The expenditure provides supports for the emerging or changing service needs or behaviors of the child;

(c) A significant medical condition or event occurs that prevents the primary caregiver from providing services as documented by a physician; or

(d) The services coordinator determines, with a behavior consultant, that the child needs two staff present at one time to ensure the safety of the child and others. Prior to approval, the services coordinator must determine that a caregiver, including the parent, has been trained in behavior management and that all other feasible recommendations from the behavior consultant and the services coordinator have been implemented.

### Standards for Providers Paid with In-Home Support Funds

Independent providers, provider organizations, and general business providers paid with in-home support funds must be qualified. At the discretion of the Department, providers who have previously been terminated or suspended by the Department or Oregon Health Authority may not be authorized as providers of service. Providers must meet the following qualifications:

(1) PERSONAL SUPPORT WORKER QUALIFICATIONS. Each personal support worker must meet the qualifications described in OAR chapter 411, division 375.

(2) Each independent provider who is not a personal support worker who is paid as a contractor or a self-employed person must:

(a) Be at least 18 years of age;

(b) Have approval to work based on a background check completed by the Department in accordance with OAR 407-007-0200 to 407-007-0370. A subject individual as defined in 407-007-0210 may be approved for one position to work with multiple individuals statewide when the subject individual is working in the same employment role. The Department's Background Check Request Form must be completed by the subject individual to show intent to work statewide;

(A) Prior background check approval for another Department provider type is inadequate to meet background check requirements for personal support worker enrollment.

(B) Background check approval is effective for two years from the date a personal support worker is hired or contracted with to provide in-home services, except in the following circumstances:

(i) Based on possible criminal activity or other allegations against the personal support worker, a new fitness determination is conducted resulting in a change in approval status; or

(ii) The background check approval has ended because the Department has inactivated or terminated the provider enrollment for the personal support worker.

(c) Effective July 28, 2009, not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275;

(d) Be legally eligible to work in the United States;

(e) Not be a parent, adoptive parent, stepparent, foster parent, or other person legally responsible for the child receiving supports;

(f) Demonstrate by background, education, references, skills, and abilities that he or she is capable of safely and adequately performing the tasks specified on the child's ISP or Annual Plan, with such demonstration confirmed in writing by the child's parent or guardian, including:

(A) Ability and sufficient education to follow oral and written instructions and keep any records required;

(B) Responsibility, maturity, and reputable character exercising sound judgment;

(C) Ability to communicate with the child; and

(D) Training of a nature and type sufficient to ensure that the provider has knowledge of emergency procedures specific to the child being cared for;

(g) Hold current, valid, and unrestricted appropriate professional license or certification where services and supervision requires specific professional education, training, and skill;

(h) Understand requirements of maintaining confidentiality and safeguarding information about the child and family;

(i) Not be on the Office of Inspector General's list of excluded or debarred providers (<http://exclusions.oig.hhs.gov/>); and

(j) If transporting the child, have a valid driver's license and proof of insurance, as well as any other license or certification that may be required under state and local law, depending on the nature and scope of the transportation.

(k) Sign a Medicaid provider agreement and be enrolled as a Medicaid provider prior to delivery of any services.

(3) Section (1)(c) of this rule does not apply to employees of a parent, employees of a general business provider, or employees of a provider organization who were hired prior to July 28, 2009 and remain in the current position for which the employee was hired.

(4) All providers must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and OAR 407-007-0290. The provider must notify the Department or the Department's designee within 24 hours.

# ADMINISTRATIVE RULES

(5) Nursing consultants must have a current Oregon nursing license and submit a resume to the CDDP indicating the education, skills, and abilities necessary to provide nursing services in accordance with state law.

(6) Behavior consultants may include but are not limited to autism specialists, licensed psychologists, or other behavioral specialists who:

(a) Have education, skills, and abilities necessary to provide behavior consultation services, including knowledge and experience in developing plans based on positive behavioral theory and practice;

(b) Have received at least two days of training in the Oregon Intervention System and have a current certificate; and

(c) Submit a resume to the CDDP indicating at least one of the following:

(A) A bachelor's degree in special education, psychology, speech and communication, occupational therapy, recreation, art or music therapy, or a behavioral science field, and at least one year of experience with individuals who present difficult or dangerous behaviors; or

(B) Three years experience with individuals who present difficult or dangerous behaviors and at least one year of that experience must include providing the services of a behavior consultant.

(7) PROVIDER ORGANIZATIONS WITH CURRENT LICENSE OR CERTIFICATION. A provider organization certified, licensed, and endorsed under OAR chapter 411, division 325 for 24-hour residential services, or licensed under OAR chapter 411, division 360 for adult foster homes, or certified and endorsed under OAR chapter 411, division 345 for employment and alternatives to employment services or OAR 411-328-0550 to 411-328-0830 for supported living services, may not require additional certification as an organization to provide relief care, attendant care, skill training, community transportation, or behavior consultation.

(a) Current license, certification, or endorsement is considered sufficient demonstration of ability to:

(A) Recruit, hire, supervise, and train qualified staff;

(B) Provide services according to ISPs; and

(C) Develop and implement operating policies and procedures required for managing an organization and delivering services, including provisions for safeguarding individuals receiving services.

(b) Provider organizations must assure that all people directed by the provider organization as employees, contractors, or volunteers to provide services paid for with in home funds meet the standards for qualification of independent providers described in OAR 411-308-0130 Sections 2, 3, 4, 5, and 6.

(8) General business providers must hold any current license appropriate to function required by Oregon and federal laws and regulation. Services purchased with in-home support funds must be limited to those within the scope of the general business provider's license. Such licenses include but are not limited to:

(a) For a home health agency, a license under ORS 443.015;

(b) For an in-home care agency, a license under ORS 443.315;

(c) For providers of environmental accessibility adaptations involving building modifications or new construction, a current license and bond as a building contractor as required by either OAR chapter 812 (Construction Contractor's Board) or OAR chapter 808 (Landscape Contractors Board), as applicable;

(d) For environmental accessibility consultants, a current license as a general contractor as required by OAR chapter 812, including experience evaluating homes, assessing the needs of a child, and developing cost effective plans to make homes safe and accessible;

(e) For vendors and medical supply companies providing assistive devices, a current retail business license, including enrollment as Medicaid providers through the Division of Medical Assistance Programs if vending medical equipment; and

(f) A current business license for providers of personal emergency response systems.

## 411-308-0135

### Standards for Employers

(1) EMPLOYEE — EMPLOYER RELATIONSHIP. The relationship between an independent provider and a parent, or a person selected by the parent to act on the behalf of the parent to provide the employer responsibilities described in section (4)(a) of this rule, is that of employee and employer.

(a) A personal support worker who is not an independent contractor must have an employer of record. The Department may not act as the employer of record.

(b) Independent providers, including personal support workers, are not state, CDDP, or brokerage employees.

(2) JOB DESCRIPTION. The employer must create and maintain a job description for an independent provider that is in coordination with the services authorized in the ISP.

(3) BENEFITS. Only personal support workers qualify for benefits. The benefits provided to personal support workers are described in OAR chapter 411, division 375.

(4) EMPLOYER RESPONSIBILITIES.

(a) For a child to be eligible for In home support for children provided by an employed personal support worker an employer must demonstrate the ability to:

(A) Locate, screen, and hire a qualified independent provider;

(B) Supervise and train the independent provider;

(C) Schedule work, leave, and coverage;

(D) Track the hours worked and verify the authorized hours completed by the independent provider;

(E) Recognize, discuss, and attempt to correct, with the independent provider, any performance deficiencies and provide appropriate, progressive, disciplinary action as needed; and

(F) Discharge an unsatisfactory independent provider.

(b) Indicators that an employer may not be meeting the employer responsibilities described in subsection (a) of this section include, but are not limited to:

(A) Independent provider complaints;

(B) Multiple complaints from an independent provider requiring intervention from the Department;

(C) Frequent errors on time sheets, mileage logs, or other required documents submitted for payment that results in repeated coaching from the Department;

(D) Complaints to Medicaid Fraud involving the employer; or

(E) Documented observation by the Department of services not being delivered as identified in an ISP.

(c) The Department may require intervention as defined in OAR 411-300-0110 when an employer has demonstrated difficulty meeting the employer responsibilities described in subsection (a) of this section.

(d) A child may not receive In Home Support for Children services provided by an independent provider if, after appropriate intervention and assistance, an employer is not able to meet the employer responsibilities described in subsection (a) of this section. (e) The child may receive In Home Support for Children services provided by a provider organization or general business provider, when available.

(5) DESIGNATION OF EMPLOYER RESPONSIBILITIES.

(a) A parent not able to meet all of the employer responsibilities described in section (4)(a) of this rule must:

(A) Designate an employer representative in order for the child to receive or continue to receive In home support for children provided by an independent provider; or

(B) Select a provider organization or general business provider to provide In home support for children.

(b) A parent able to demonstrate the ability to meet some of the employer responsibilities described in section (4)(a) of this rule must:

(A) Designate an employer representative to fulfill the responsibilities the parent is not able to meet in order for the child to receive or continue to receive In home support for children provided by an independent provider; and

(B) On a Department approved form, document the specific employer responsibilities to be performed by the parent and the employer responsibilities to be performed by the employer representative.

(c) When an employer representative is not able to meet the employer responsibilities described in section (4)(a) or the qualifications in section (6)(c) of this rule, the parent must:

(A) Designate a different employer representative in order for the child to receive or continue to receive In home support for children provided by an independent provider; or

(B) Select a provider organization or general business provider to provide In home support for children.

(6) EMPLOYER REPRESENTATIVE.

(a) A parent may designate an employer representative to act on behalf of the parent to meet the employer responsibilities described in section (4)(a) of this rule.

# ADMINISTRATIVE RULES

(b) If an independent provider is selected by the parent to act as the employer, the parent must seek an alternate employer for purposes of the employment of the independent provider. The alternate employer must:

(A) Track the hours worked and verify the authorized hours completed by the independent provider; and

(B) Document the specific employer responsibilities performed by the employer on a Department approved form.

(c) The Department may suspend, terminate, or deny a request for an employer representative if the requested employer representative has:

(A) A founded report of child abuse or substantiated abuse;

(B) Participated in billing excessive or fraudulent charges; or

(C) Failed to meet the employer responsibilities in section (4)(a) or (6)(b) of this rule, including previous termination as a result of failing to meet the employer responsibilities in section (4)(a) or (6)(b).

(d) If the Department suspends, terminates, or denies a request for an employer representative for the reasons described in subsection (c) of this section, the parent may select another employer representative.

(7) NOTICE.

(a) The Department shall mail a notice to the parent when:

(A) The Department denies, suspends, or terminates an employer from performing the employer responsibilities described in sections (4)(a) or (6)(b) of this rule; and

(B) The Department denies, suspends, or terminates an employer representative from performing the employer responsibilities described in section (4)(a) or (6)(b) of this rule because the employer representative does not meet the qualifications in section (6)(c) of this rule.

(b) If the parent does not agree with the action taken by the Department, the parent may request an administrator review.

(A) The request for an administrator review must be made in writing and received by the Department within 45 days from the date of the notice.

(B) The determination of the Director is issued in writing within 30 days from the date the written request for an administrator review was received by the Department.

(C) The determination of the Director is the final response from the Department.

(c) The hearing rights described in OAR chapter 411, division 318 apply when a denial, suspension, or termination of an employer results in the Department denying, suspending, or terminating a child from In home support for children.

**Subject:** In response to the Department of Human Services (Department) transformation efforts, and the need to streamline operations to provide consistency across developmental disability services, the Department is adopting OAR 411-317-0000 to create a general definition rule and rules in OAR chapter 411, division 318 to provide a uniform complaints and hearings process with clear requirements for notification of planned action. Additionally, the rules in OAR chapter 411, division 318 promote the rights of individuals receiving developmental disability services in accordance with Senate Bill 22 (2013 Regular Session).

Specifically, the rules in OAR chapter 411, division 318 address:

- The rights of individuals receiving developmental disability services;

- The process for reporting and investigating a complaint with a developmental disability service or service provider;

- The requirements for notification in the event a developmental disability service is involuntarily denied, reduced, suspended, or terminated or voluntarily reduced, suspended, or terminated;

- The contested case hearing process for challenging a denial, reduction, suspension, or termination of a developmental disability service; and

- The contested case hearing process for challenging service provider notice of an involuntary transfer or exit.

With the adoption of OAR 411-317-0000 and the rules in OAR chapter 411, division 318, the Department is able to immediately update the rules for developmental disability services in OAR chapter 411 to include uniform definitions, a uniform complaints and hearings process, clear requirements for notification of planned action, and to promote individual rights.

## 411-317-0000

### Definitions for Developmental Disability Services

Unless the context indicates otherwise, the following definitions apply to the rules in OAR chapter 411, divisions 300 to 375:

(1) "Abuse Investigation and Protective Services" means the reporting and investigation activities as required by OAR 407-045-0300 and any subsequent services or supports necessary to prevent further abuse as required by 407-045-0310.

(2) "Accident" means an event that results in injury or has the potential for injury even if the injury does not appear until after the event.

(3) "Activities of Daily Living (ADL)" are the basic personal everyday activities, such as eating, using the restroom, grooming, dressing, bathing, and transferring.

(4) "Administration of Medication" means the act of placing a medication in or on the body of an individual by a person responsible for the care of the individual and employed by, or under contract to, the individual or as applicable the legal or designated representative of the individual or provider organization.

(5) "Advocate" means a person other than paid staff who has been selected by an individual or by the legal representative of an individual to help the individual understand and make choices in matters relating to identification of needs and choices of services, especially when rights are at risk or have been violated.

(6) "Case Management" means the functions performed by a services coordinator or personal agent. Case management includes determining service eligibility, developing a plan of authorized services, and monitoring the effectiveness of services and supports.

(7) "Centers for Medicare and Medicaid Services (CMS)". The Centers for Medicare and Medicaid Services is the federal agency within the United States Department of Health and Human Services responsible for the administration of Medicaid and the Health Insurance Portability and Accountability Act (HIPAA) and overseeing Medicaid programs administered by the states through survey and certification.

(8) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, providers, services, and service settings. Personal outcomes, goals, and activities are supported in the context of balancing the rights, risks, and personal choices of the individual. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated orally, through sign language, or by other communication methods.

(9) "Community First Choice (K Plan)" means the state plan amendment authorized under section 1915(k) of the Social Security Act.

(10) "Day" means a calendar day unless otherwise specified in these rules.

(11) "Family Member" means husband or wife, domestic partner, natural parent, child, sibling, adopted child, adoptive parent, stepparent, stepchild, stepbrother, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, grandchild, aunt, uncle, niece, nephew, or first cousin.

(12) "Founded Reports" means the determination by the Department or Law Enforcement Authority (LEA), based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to the person alleged to have engaged in the conduct.

(13) "Health Care Provider" means the person or health care facility licensed, certified, or otherwise authorized or permitted by Oregon law to administer health care in the ordinary course of business or practice of a profession. Examples of a health care provider include, but are not limited to, a registered nurse (RN), nurse practitioner (NP), licensed practical nurse (LPN), medical doctor (MD), osteopathic physician (DO), chiropractor,

# ADMINISTRATIVE RULES

respiratory therapist (RT), physical therapist (PT), physician assistant (PA), dentist, or occupational therapist (OT).

(14) "Home and Community-Based Waiver Services" mean the services approved by the Centers for Medicare and Medicaid Services in accordance with section 1915(c) and 1115 of the Social Security Act.

(15) "Independence" means the extent to which an individual exerts control and choice over his or her own life.

(16) "Instrumental Activities of Daily Living (IADL)" mean the activities other than activities of daily living required to continue independent living such as:

- (a) Meal planning and preparation;
  - (b) Budgeting;
  - (c) Shopping for food, clothing, and other essential items;
  - (d) Performing essential household chores;
  - (e) Communicating by phone or other media; and
  - (f) Participating in the community.
- (17) "Integration" as defined in ORS 427.005 means:

(a) The use by individuals with intellectual or developmental disabilities of the same community resources used by and available to other people;

(b) Participation by individuals with intellectual or developmental disabilities in the same community activities in which people without an intellectual or developmental disability participate, together with regular contact with people without an intellectual or developmental disability; and

(c) Individuals with intellectual or developmental disabilities reside in homes or home-like settings that are in proximity to community resources and foster contact with people in the community.

(18) "Medication" means any drug, chemical, compound, suspension, or preparation in suitable form for use as a curative or remedial substance taken either internally or externally by any person.

(19) "Monitoring" means the periodic review of the implementation of services and supports identified in an Individual Support Plan and the quality of services delivered by other organizations.

(20) "Natural Supports" means the voluntary resources available to an individual from the relatives, friends, significant others, neighbors, roommates, and the community of the individual that are not paid for by the Department.

(21) "Nurse" means a person who holds a current license from the Oregon Board of Nursing as a registered nurse or licensed practical nurse pursuant to ORS chapter 678.

(22) "Person-Centered Planning":

(a) Means a timely and formal or informal process that is driven by an individual, includes people chosen by the individual, ensures that the individual directs the process to the maximum extent possible, and that the individual is enabled to make informed choices and decisions consistent with CFR 441.540.

(b) Person centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, service providers, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(23) "Prescription Medication" means any medication that requires a prescription from a physician before the medication may be obtained from a pharmacist.

(24) "PRN (pro re nata)" means the administration of a medication to an individual on an 'as needed' basis.

(25) "Productivity" as defined in ORS 427.005 means:

(a) Engagement in income-producing work by an individual that is measured through improvements in income level, employment status, or job advancement; or

(b) Engagement by an individual in work contributing to a household or community.

(26) "Protection" means the necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of the individual.

(27) "Protective Services" mean the necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to

prevent self-destructive acts, or to safeguard the person, property, and funds of the individual.

(28) "Self-Administration of Medication" means an individual manages and takes his or her own medication, identifies his or her own medication and the times and methods of administration, places the medication internally in or externally on his or her own body without staff assistance upon written order of a physician, and safely maintains the medication without supervision.

(29) "Significant Other" means a person selected by an individual to be the friend of the individual.

(30) "Support" means the assistance that an individual requires, solely because of the affects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(31) "Volunteer" means any person assisting a provider without pay to support the services and supports provided to an individual.

(32) "Waiver Services" mean the services approved by the Centers for Medicare and Medicaid Services in accordance with section 1915(c) and 1115 of the Social Security Act.

## 411-318-0010

### Individual Rights

(1) The individual rights described in this rule apply to all individuals eligible for or receiving developmental disability services. A parent or guardian may place reasonable limitations on the rights of a child.

(2) While receiving developmental disability services, an individual has the right to:

(a) Be free and protected from abuse or neglect, and to report any incident of abuse or neglect without being subject to retaliation;

(b) Be free from seclusion, unauthorized training or treatment, protective physical intervention, chemical restraint, or mechanical restraint and assured that medication is administered only for the clinical needs of the individual as prescribed by a health care provider, unless an imminent risk of physical harm to the individual or others exists and only for as long as the imminent risk continues;

(c) Individual choice for an adult to consent to or refuse treatment, unless incapable and then an alternative decision maker must be allowed to consent to or refuse treatment for the adult. For a child, the parent or guardian of the child must be allowed to consent to or refuse treatment, except as described in ORS 109.610 or limited by court order;

(d) Informed, voluntary, written consent prior to receiving services, except in a medical emergency or as otherwise permitted by law;

(e) Informed, voluntary, written consent prior to participating in any experimental programs;

(f) A humane service environment that affords reasonable protection from harm, reasonable privacy in all matters that do not constitute a documented health and safety risk to the individual, and access and the ability to engage in private communications with any public or private rights protection program, services coordinator, CDDP representative, and others chosen by the individual, through personal visits, mail, telephone, or electronic means;

(g) Contact and visits with legal and medical professionals, legal or designated representatives, family members, friends, advocates, and others chosen by the individual, except where prohibited by court order;

(h) Participate regularly in the community and use community resources, including recreation, developmental disability services, employment and day support activities, school, educational opportunities, and health care resources;

(i) Access to a free and appropriate public education for children and adults less than 21 years of age, including a procedure for school attendance or refusal to attend.

(j) Reasonable and lawful compensation for performance of labor, except personal housekeeping duties;

(k) Manage the individual's own money and financial affairs unless the right has been taken away by court order or other legal procedure;

(l) Keep and use personal property, personal control and freedom regarding personal property, and a reasonable amount of personal storage space;

(m) Adequate food, housing, clothing, medical and health care, supportive services, and training;

(n) Seek a meaningful life by choosing from available services, service settings, and service providers consistent with the support needs of the individual identified through a functional needs assessment, and enjoying the benefits of community involvement and community integration:

(A) Services must promote independence and dignity and reflect the age and preferences of the individual; and

(B) The services must be provided in a setting and under conditions that are most cost effective and least restrictive to the liberty of the individual, least intrusive to the individual, and that provide for self-directed decision-making and control of personal affairs appropriate to the preferences, age, and identified support needs of the individual;

(o) An individualized written plan for services created through a person-centered planning process, services based upon the plan, and periodic review and reassessment of service needs;

(p) Ongoing opportunity to participate in the planning of services in a manner appropriate to the capabilities of the individual, including the right to participate in the development and periodic revision of the plan for services, the right to be provided with a reasonable explanation of all service considerations through choice advising, and the right to invite others chosen by the individual to participate in the plan for services;

(q) Request a change in the plan for services;

(r) A timely decision upon request for a change in the plan for services;

(s) Advance written notice of any action that terminates, suspends, reduces, or denies a service or request for service, and notification of other available sources for necessary continued services;

(t) A hearing to challenge an action that terminates, suspends, reduces, or denies a service or request for service;

(u) Exercise all rights set forth in ORS 426.385 and 427.031 if the individual is committed to the Department;

(v) Be informed at the start of services and annually thereafter of the rights guaranteed by this rule, the contact information for the protection and advocacy system described in ORS 192.517(1), the procedures for reporting abuse, and the procedures for filing complaints, reviews, or requests for hearings if services have been or are proposed to be terminated, suspended, reduced, or denied;

(w) Have these rights and procedures prominently posted in a location readily accessible to individuals and made available to representatives of the individual;

(x) Be encouraged and assisted in exercising all legal, civil, and human rights accorded to other citizens of the same age, except when limited by a court order;

(y) Be informed of, and have the opportunity to assert complaints as described in OAR 411-318-0015 with respect to infringement of the rights described in this rule, including the right to have such complaints considered in a fair, timely, and impartial complaint procedure without any form of retaliation or punishment; and

(z) Freedom to exercise all rights described in this rule without any form of reprisal or punishment.

(3) The rights described in this rule are in addition to, and do not limit, all other statutory and constitutional rights that are afforded all citizens, including but not limited to the right to exercise religious freedom, vote, marry, have or not have children, own and dispose of property, and enter into contracts and execute documents, unless specifically prohibited by law in the case of children less than 18 years of age.

# ADMINISTRATIVE RULES

(4) An individual who is receiving developmental disability services, or as applicable a legal or designated representative of the individual, has the right under ORS 430.212 to be informed that a family member has contacted the Department to determine the location of the individual and to be informed of the name and contact information of the family member, if known.

(5) The rights described in this rule may be asserted and exercised by an individual, the legal representative of an individual, and any representative designated by an individual.

(6) Nothing in this rule may be construed to alter any legal rights and responsibilities between a parent and child.

(7) A guardian is appointed for an adult only as is necessary to promote and protect the well-being of the adult. A guardianship for an adult must be designed to encourage the development of maximum self-reliance and independence of the adult, and may be ordered only to the extent necessitated by the actual mental and physical limitations of the adult. An adult for whom a guardian has been appointed is not presumed to be incompetent. An adult with a guardian retains all legal and civil rights provided by law, except those that have been expressly limited by court order or specifically granted to the guardian by the court. Rights retained by the adult include, but are not limited to, the right to contact and retain counsel and to have access to personal records. (ORS 125.300).

## 411-318-0015

### Complaints

(1) The Department and local programs must address all complaints in accordance with their policies and procedures and these rules.

(2) An individual or the representative of the individual may file a complaint at any time. A complaint may include, but is not limited to:

(a) An expression of dissatisfaction with a developmental disability service; or

(b) An allegation of circumstances or events that are contrary to law, rule, policy, or otherwise adverse to the interests of an individual.

(3) The complaint process described in this rule does not apply to a complaint in the following situations:

(a) The complaint is filed anonymously. Anonymous complaints are reviewed by the Governor's Advocacy Office;

(b) The merits of the complaint have been, or are going to be, decided by a judge or a juvenile court ruling;

(c) The subject matter of the complaint is not related to a developmental disability service or a service provider; or

(d) The subject matter of the complaint is subject to review under the following:

(A) ORS 419B.005 to 419B.050 for child abuse reports;

(B) OAR chapter 309, division 118 for state institutions operated by the Oregon Health Authority;

(C) OAR 407-005-0025 and 407-005-0030 for discrimination against people with disabilities;

(D) OAR 407-005-0100 to 407-005-0120 for conduct of Department personnel;

(E) OAR chapter 411, division 020 for adult protective services;

(F) OAR 410-141-0260 to 410-141-0266 for Oregon Health Plan, Prepaid Health Plans;

(G) OAR 413-010-0420 for Department child welfare decisions;

(H) OAR 413-010-0700 to 413-010-0750 for child protective services dispositions;

(I) OAR 413-120-0060 for adoption placement selections; and

(J) OAR chapter 582, division 020 for vocational rehabilitation service determinations.

(4) If a complaint alleges circumstances that meet the criteria for an investigation of abuse, the allegation must be immediately reported to the appropriate protective service entity, such as the Department, CDDP, support services brokerage, CIIS, Office of Adult Abuse Prevention and Investigations, child welfare, or law enforcement.

(5) If an individual or the representative of the individual makes a complaint identified in section (3) of this rule, the local program or Department must assist the individual or the representative of the individual with filing the complaint with the appropriate entity.

(6) The local programs must have and implement written policies and procedures regarding individual complaints and the complaint process. A copy of the policies and procedures for resolving complaints must be maintained on file at the office of the local program and must be available to staff, individuals, representatives of the individuals, service providers, and

the Department. The policies and procedures must include, but are not limited to:

(a) Method and form used to submit a complaint (form SDS 0946 may be used);

(b) Process for reviewing and resolving a complaint;

(c) Time frames for responding to a complaint as set forth by this rule; and

(d) Documentation to be used in response to a complaint as set forth in this rule.

(7) COMPLAINT LOG.

(a) The local programs must maintain a complaint log. At a minimum, the complaint log must include:

(A) The name of the individual for which the complaint is being filed;

(B) The name of the person making the complaint, if known;

(C) The name of the person taking the complaint;

(D) The nature of the complaint, including if there was a request for new or changed developmental disability services which may result in a hearing;

(E) The date the complaint was received;

(F) The date the complaint was acknowledged in writing;

(G) The written outcome of the complaint; and

(H) The date that the written outcome was mailed.

(b) Complaints regarding personnel issues and allegations of abuse must be maintained separately from the complaint log. If a complaint resulted in disciplinary action against a staff member, the complaint log must include a statement that personnel action was taken.

(c) The complaint log for the local program documents only complaints pertaining to the local program.

(A) In the event that an individual or the representative of the individual has a complaint against another agency or program, the local program must assist the individual or the representative of the individual with filing the complaint against the other agency or program.

(B) The local program does not document complaints against another agency or program in the complaint log for the local program, but does document the support provided by the local program in the progress notes for the individual.

(8) SCREENING OF COMPLAINTS. The local programs must screen all complaints for potential hearing related issues. In the event that a complaint appears to allege a denial, reduction, suspension, or termination of a developmental disability service, the local program must advise the individual or the representative of the individual of the right to a hearing and assist the individual or the representative of the individual with filing a hearing request, if so desired. In the event that the individual or the representative of the individual decides to file a complaint rather than a hearing request, the decision of the individual or the representative of the individual must be documented in the file for the individual.

(9) FILING A COMPLAINT.

(a) Complaints may be made orally, in writing, or on a complaint form (SDS 0946 may be used).

(b) A complaint regarding dissatisfaction with the services of a provider organization may be filed with the Department or directly with the provider organization, support services brokerage, or CDDP.

(c) A complaint regarding dissatisfaction with the services of a support services brokerage or CDDP may be filed with the Department or directly with the support services brokerage or CDDP.

(d) A complaint regarding dissatisfaction with CIIS may be filed with the Department or directly with the CIIS program.

(e) A complaint regarding dissatisfaction with the Department must be filed with the Department.

(10) PROCESS FOR ADDRESSING COMPLAINTS.

(a) The local program or Department must provide written acknowledgement of a complaint to the individual or the representative of the individual within five working days from the receipt of the complaint.

(b) The written acknowledgement must inform the individual or the representative of the individual of the opportunity for an informal discussion.

(A) Choosing to engage in an informal discussion does not preclude the individual or the representative of the individual from pursuing a review of the complaint by the local program or Department.

(B) The informal discussion includes a conversation between the individual or the representative of the individual and the Program Director of the local program or the Director of the Department.

(C) The informal discussion must occur within 10 working days of the written acknowledgement of the complaint.

# ADMINISTRATIVE RULES

(D) In the event that a resolution is reached during the informal discussion, the local program or Department must mail a written outcome to the individual and the representative of the individual within 10 working days of the informal discussion. A copy of the written outcome must be maintained in the file for the individual.

(c) The local program or Department must complete a review of the complaint and issue a written outcome to the individual and the representative of the individual within 45 calendar days from the receipt of the complaint, unless both parties mutually agree to extend the timeframe. The extension may not exceed an additional 45 calendar days.

(A) The review of the complaint must include, but is not limited to, an investigation and records review of the complaint by the Program Director of the local program or the Director of the Department.

(B) The written outcome of the complaint may be issued on the complaint form or may be issued in a separate document. The written outcome must include:

(i) The rationale for the outcome;

(ii) The reports, documents, and other information relied upon in deciding the outcome of the complaint, or a summary of the reports, documents, and other information relied upon;

(iii) Information about the right of the individual or the representative of the individual to review the documents relied upon in determining the outcome (FACT sheet for Complaints, Fair Hearing, Administrative Review SDS 0948); and

(iv) Information about the right of the individual or the representative of the individual to request a review of the written outcome (FACT sheet for Complaints, Fair Hearing, Administrative Review SDS 0948).

## (11) REQUEST FOR REVIEW.

(a) An individual or the representative of the individual may request a review of a written outcome issued by a local program within 30 calendar days of receiving the written outcome.

(A) If a provider organization issued the written outcome, the individual or the representative of the individual may request a review of the written outcome by:

(i) The local CDDP, support services brokerage, or CIIS program; or  
(ii) The Department.

(B) If a CDDP, support services brokerage, or CIIS program issued the written outcome, the individual or the representative of the individual may request a review of the written outcome by the Department.

(C) The written outcome issued by the Department is the final response from the Department.

(b) The local CDDP, support services brokerage, CIIS program, or Department may uphold, alter, or overturn a written outcome issued by a provider organization.

(c) The Department may uphold, alter, or overturn a written outcome issued by a provider organization, local CDDP, support services brokerage, or CIIS.

(d) The Oregon Health Authority may uphold, alter, or overturn a written outcome issued by the Department.

## (12) PROCESS FOR ADDRESSING AND RESOLVING A REQUEST FOR REVIEW.

(a) The receiving entity of a request for a review of a written outcome must acknowledge receipt of the request by issuing a written acknowledgement to the individual and the representative of the individual within five working days from the receipt of the request for a review.

(b) The written acknowledgement must inform the individual and the representative of the individual of the opportunity for an informal discussion.

(A) Choosing to engage in an informal discussion does not preclude the individual or the representative of the individual from pursuing a review of the written outcome by the receiving entity.

(B) The informal discussion includes a conversation between the individual or the representative of the individual and the Program Director of the local program or Director of the Department.

(C) The informal discussion must occur within 10 working days of the written acknowledgement of the request for a review.

(D) In the event that a resolution is reached during the informal discussion, the local program or Department must mail a written determination to the individual and the representative of the individual within 10 working days of the informal discussion. A copy of the written determination must be maintained in the file for the individual.

(c) The local program or Department must review the written outcome and issue a written determination to the individual and the representative of the individual within 45 calendar days from the receipt of the

request for a review, unless both parties mutually agree to extend the timeframe. The extension may not exceed an additional 45 calendar days.

(A) The review of the written outcome must include, but is not limited to, an investigation and records review by the Program Director of the local program or the Director of the Department.

(B) The written determination must include:

(i) The rationale for the determination;

(ii) The reports, documents, and other information relied upon in making the determination, or a summary of the reports, documents, and other information relied upon;

(iii) Information about the right of the individual or the representative of the individual to review the documents relied upon in making the determination.

### Notification of Planned Action

(1) An individual and the representative of the individual must receive a written Notification of Planned Action in the event that a developmental disability service is involuntarily denied, reduced, suspended, or terminated or voluntarily reduced, suspended, or terminated.

(2) The Notification of Planned Action must be on the form prescribed by the Department (SDS 0947). The Notification of Planned Action must include:

(a) The specific date the Notification of Planned Action is mailed or hand delivered to the individual and the representative of the individual;

(b) The effective date of the denial, reduction, suspension, or termination;

(A) For a denial of service, the effective date is the same date that the Notification of Planned Action is mailed or hand delivered to the individual and the representative of the individual.

(B) For a reduction, suspension, or termination of service, the effective date is:

(i) The end of the calendar month in which the Notification of Planned Action is mailed or hand delivered to the individual and the representative of the individual if the Notification of Planned Action is mailed or hand delivered on or before the 18th of the month; or

(ii) The end of the calendar month following the month in which the Notification of Planned Action is mailed or hand delivered to the individual and the representative of the individual if the Notification of Planned Action is mailed or hand delivered on or after the 19th of the month; or

(iii) No fewer than 10 days after the date the Notification of Planned Action is mailed or hand delivered to the individual and the representative of the individual.

(c) The specific service or unit of service to be denied, reduced, suspended, or terminated;

(d) The rationale for the denial, reduction, suspension, or termination, including a reference to the specific reports, documents, or other information relied on in making the determination;

(e) The specific sections of the rules or statutes upon which the determination is based;

(f) Notification that the documents relied upon may be reviewed by the individual or the representative of the individual; and

(g) Notification that if the individual or the representative of the individual disagrees with the determination to deny, reduce, suspend, or terminate a service, the individual has the right to request a hearing, or the representative of the individual has the right to request a hearing on the behalf of the individual, as provided in ORS chapter 183 and OAR 411-318-0025. The notification of the right to a hearing must include:

(A) The timeline for requesting a hearing;

(B) How to request a hearing;

(C) The right to receive assistance from the local program in completing and submitting a request for hearing;

(D) The right of the individual to receive continuing services at the same level until a final order has been issued;

(E) Notification of the time frame within which the individual or the representative of the individual must request continuing services;

(F) Notification of how, when, and where the individual or the representative of the individual may request continuing services; and

(G) Notification that the individual may be required to repay the Department for any continuing services received during the hearing process if the final order upholds the determination to reduce, suspend, or terminate the services.

### Contested Case Hearings for Reductions, Suspensions, Terminations, or Denials

(1) An individual or the representative of the individual may request a hearing, as provided in ORS chapter 183, if the individual experiences a denial, reduction, suspension, or termination of a developmental disability service or in instances when a timely Notification of Planned Action has not been provided.

#### (2) HEARING REQUESTS.

(a) The request for a hearing must be made within 90 calendar days from the date on a Notification of Planned Action.

(b) The request for a hearing may be made orally, in writing, or by completing the DD Administrative Hearing Request form (SDS 0443DD).

#### (A) ORAL HEARING REQUESTS.

(i) The individual or the representative of the individual may orally express a desire for a hearing to the local program or Department staff.

(ii) Upon receipt of an oral request for a hearing, the local program or Department staff must complete the DD Administrative Hearing Request form (SDS 0443DD) and submit the form to the Central Office of the Department within three business days of receiving the request for a hearing. A copy of the form must be mailed to the individual and the representative of the individual.

#### (B) WRITTEN HEARING REQUESTS.

(i) The individual or the representative of the individual may provide a written request for a hearing to the local program or Department staff.

(ii) Upon receipt of a written request for a hearing, the local program or Department staff must complete the DD Administrative Hearing Request form and submit the form to the Central Office of the Department within three business days of receiving the request for a hearing. A copy of the form must be mailed to the individual and the representative of the individual.

(c) The Department processes late hearing requests as described in OAR 411-001-0520.

#### (3) CONTINUING SERVICES PENDING A FINAL ORDER.

(a) In the event of a reduction, suspension, or termination of a developmental disability service, a claimant or the representative of the claimant may request continuing services for the claimant during the hearing process.

(b) To receive continuing services, a claimant or the representative of the claimant must either:

(A) Request a hearing within 10 days of the date in which a Notification of Planned Action is received; or

(B) Request a hearing and continuing services by the effective date of the Notification of Planned Action, or 10 working days following the date the Notification of Planned Action was issued, whichever is later.

(c) A claimant or the representative of the claimant may request continuing services by:

(A) Communicating orally or in writing to the local program or to the Department the desire for the services for the claimant to remain the same during the hearing process;

(B) Requesting a hearing within 10 days of the date in which a Notification of Planned Action is received; or

(C) Marking the appropriate box on the DD Administrative Hearing Request form (SDS 0443DD).

(d) The Department grants a late request for continuing services when the Department determines a claimant or the representative of a claimant has good cause for the late request.

(e) The claimant may be required to pay back any benefits received during the hearing process if the final order is not in the favor of the claimant.

#### (4) INFORMAL CONFERENCE.

(a) The Department staff, Department representative, and the claimant or the representative of the claimant may have an informal conference, without the presence of an administrative law judge, to discuss the action that is the subject of the hearing request. An informal conference may also be used to:

(A) Provide an opportunity for the Department and the claimant or the representative of the claimant to settle the matter;

(B) Ensure the claimant or the representative of the claimant understands the reason for the action that is the subject of the hearing request;

(C) Give the claimant or representative of the claimant an opportunity to review the information that is the basis for the action that is the subject of the hearing request;

(D) Inform the claimant or the representative of the claimant of the rules that serve as the basis for the action that is the subject of the hearing request;

(E) Give the Department and the claimant or the representative of the claimant the chance to correct any misunderstanding of the facts;

(F) Give the claimant or the representative of the claimant an opportunity to provide additional information to the Department; and

(G) Give the Department an opportunity to review the action that is the subject of the hearing request.

(b) At any time prior to the hearing date, the claimant or the representative of the claimant may request an additional informal conference with a Department representative. At the discretion of the Department representative, the Department representative may grant an additional informal conference to facilitate the hearing process.

(c) The Department may provide a claimant the reprieve sought at any time before a final order is issued.

#### (5) REPRESENTATION.

(a) A representative may be chosen by a claimant to represent the interests of the claimant during an informal conference and hearing.

(b) Department, CDDP, and Support Services Brokerage employees are authorized to appear as a witness.

(6) HEARINGS NOT OPEN TO THE PUBLIC. Non-participants may attend a hearing only with the consent of the claimant or the representative of the claimant and the Department representative.

(7) WITHDRAWAL OF HEARING REQUEST. A claimant or the representative of a claimant may withdraw a hearing request at any time prior to the issuance of a final order. The withdrawal is effective on the date the request for the withdrawal is received by the Department or the Office of Administrative Hearings (OAH). The Department shall issue an order of withdrawal to the last known address of the claimant. The claimant or the representative of the claimant may cancel the withdrawal up to 10 working days following the date the order of withdrawal is issued.

(8) DISMISSAL FOR FAILURE TO APPEAR. A hearing request is dismissed by order when neither the claimant nor the representative of the claimant appears by phone or in person at the hearing. The dismissal order is effective on the date scheduled for the hearing. The Department may cancel the dismissal order on request of the claimant or the representative of the claimant upon a showing that the claimant or the representative of the claimant has good cause for not attending the hearing or requesting a postponement.

(9) When the Department refers a hearing under these rules to OAH, the Department shall indicate on the referral:

(a) Whether the Department is authorizing OAH to issue a final order, a proposed order, or a proposed and final order; and

(b) If the Department is establishing an earlier deadline for written exceptions and argument because the hearing request is being referred for an expedited hearing.

(10) FINAL ORDER. A final order is the final action expressed in writing by the Office of Administrative Hearings as described in OAR 137-003-0665. A final order is issued within 90 calendar days of the request for a hearing or within 90 calendar days from the receipt of a proposed order or a proposed and final order from OAH.

(11) PROPOSED ORDERS. The Department issues a final order after OAH issues a proposed order, unless the Department authorizes OAH to issue the final order under OAR 137-003-0655.

(12) PROPOSED AND FINAL ORDERS. A proposed and final order becomes a final order 21 calendar days after OAH issues a proposed and final order, unless:

(a) The claimant or the representative of the claimant has filed written exception and written argument as described in subsection (e) of this section;

(b) The Department has issued a revised order; or

(c) The Department has notified OAH and the claimant or the representative of the claimant that the Department shall issue the final order.

#### (13) EXCEPTIONS.

(a) The claimant or the representative of the claimant may file a written exception and written argument to be considered by the Department once OAH has issued either a proposed order or a proposed and final order. The written exception and written argument must be postmarked to the location indicated in the OAH order no later than 20 calendar days after service of the proposed order or proposed and final order, unless an earlier deadline has been established pursuant to subsection (a)(B) of this section.

(b) When the Department receives a timely written exception and written argument as described above, the Department shall issue the final

# ADMINISTRATIVE RULES

order, unless the Department authorizes OAH to issue the final order in compliance with OAR 137-003-0655.

(14) PETITION OF FINAL ORDER. A claimant or the representative of the claimant may file a petition for reconsideration or rehearing up to 60 calendar days after a final order is served. The petition must be filed with the entity that issued the final order, unless stated otherwise on the final order.

### Contested Case Hearings for Provider Notices of Involuntary Transfers or Exits

(1) An individual must be given the opportunity to dispute an involuntary transfer or exit by requesting a hearing as provided in ORS chapter 183. An individual or the representative of the individual may request a hearing either orally or in writing when the individual and the representative of the individual receives a notice of involuntary transfer or exit.

(a) To request a hearing in writing:

(A) The individual or the representative of the individual must complete the DD Administrative Hearing Request form for an involuntary transfer or exit (SDS 0719DD) and submit the form to the Central Office of the Department for processing as described on the form; or

(B) The individual or the representative of the individual must meet with a staff person of the local program or Department to complete the DD Administrative Hearing Request form for an involuntary transfer or exit. After meeting with the individual or the representative of the individual the local program or Department must submit the form to the Central Office of the Department within three business days. A copy of the form must be mailed to the individual and the representative of the individual.

(b) To request a hearing orally, the individual or the representative of the individual must orally express the desire for a hearing to a staff person of the local program or Department. Upon receipt of an oral request for a hearing, the local program or Department must complete the DD Administrative Hearing Request form for an involuntary transfer or exit and submit the form to the Central Office of the Department within three business days. A copy of the form must be mailed to the individual and the representative of the individual.

(2) Upon receipt of the DD Administrative Hearing Request form for an involuntary transfer or exit, the Central Office of the Department must:

(a) Refer the hearing request to OAH within five business days from the receipt of the hearing request;

(b) Assist the claimant or the representative of the claimant in gathering and submitting exhibits; and

(c) Act as liaison between OAH and the CDDP or support services brokerage responsible for the services of the claimant.

(3) OAH communicates directly with the claimant and the representative of the claimant regarding informal conference dates, hearing dates, and the final order as defined in OAR 137-003-0070.

(4) If an individual or the representative of an individual requests a hearing prior to the effective date of the action reported on the notice of an involuntary transfer or exit, the individual must receive the same services until receipt of the final order.

(5) When an individual has been given less than 30 days advanced written notice of an involuntary transfer or exit due to a medical emergency or because the individual is engaging in behavior that poses an imminent danger to self or others, and the individual or the representative of the individual has requested a hearing as described in this rule, the service provider must reserve the room for the individual until receipt of the final order.

**Subject:** The Department of Human Services (Department) is immediately amending the rules in OAR chapter 411, division 320 for Community Developmental Disability Programs (CDDPs).

OAR 411-320-0020 is being amended to align the definitions with ORS 427.005, clarify adaptive behavior and adaptive behavior assessments, incorporate the general definitions in OAR 411-317-0000, update the definitions to reflect correct terminology, and include definitions for terms created by the temporary rulemaking.

OAR 411-320-0040 is being amended to adjust to the adoption of OAR 411-318-0015 by recognizing its authority regarding service delivery complaints.

OAR 411-320-0060 is being amended to implement Senate Bill 22 by updating the rights of individuals.

OAR 411-320-0080 is being amended to modify and clarify eligibility for developmental disability services to provide clear direction to eligibility specialists and mirror federal regulations and statutory intent. Specifically, the rule changes:

- Clarify adaptive behavior, the adaptive behavior assessments that may be used to determine developmental disability eligibility and level of care, and who may perform an adaptive behavior assessment;

- Clarify intellectual disability, and the documentation required if an individual is not able to participate in an intellectual functioning assessment due to profound intellectual disability;

- Specify that a General Abilities Index score may be used in place of a Full Scale IQ in the event a qualified professional determines the General Abilities Index score is more valid than the Full Scale IQ;

- Include "motor impairment" in the list of conditions, diagnoses, or syndromes for which adaptive impairment may not be primarily attributed to;

- Clarify developmental disability, including specifying that "other developmental disability" may not be a motor impairment; and

- Clarify determinations for children less than 7 years of age, including using a physician's statement only if a formal assessment is not available and using the school aged requirements to determine eligibility for children who are at least 5 years of age and who have had school aged testing completed.

OAR 411-320-0090 is being amended to correct language associated with financial eligibility for services and to bring the rule into closer compliance with the Community First Choice1915(k) state plan by:

- Recognizing that assistance with OSIPM and OHP Plus are appropriately identified as case management services; and

- Eliminating certain timeframes for activities that are not able to be accomplished as currently written. The changes will allow for greater flexibility in meeting the overall expectations for timely access to services.

OAR 411-320-0100 is being amended to adjust to the adoption of 411-318-0080 by recognizing its authority in issuing Notices of Planned Action.

OAR 411-320-0110 is being amended to require that appropriate placement setting options are offered prior to entry and transfer as described in ORS 427.121.

OAR 411-320-0120 is being amended to assure compliance with the Community First Choice 1915(k) state plan by:

- Assuring a Level of Care determination is completed;

- Assuring a functional needs assessment is completed; and

- Assuring federal requirements associated with person centered planning occurs consistent with CFR 441.540.

OAR 411-320-0120 also is being amended to incorporate the requirement for individuals of working age to have a Career Development Plan attached to their Individual Support Plan.

OAR 411-320-0130 is being amended to come into compliance with case management monitoring requirements found in the Community First Choice1915(k) state plan by requiring a case management contact at least once every three months.

OAR 411-320-0170 and 411-320-0175 are being amended to adjust to the adoption of 411-318-0080 by recognizing its authority regarding individual complaints.

## 411-320-0020

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 320:

(1) "24-Hour Residential Program" means a comprehensive residential home licensed by the Department under ORS 443.410 to provide residential care and training to individuals with intellectual or developmental disabilities.

(2) "ABAS" means Adaptive Behavior Assessment System.

(3) "ABES" means Adaptive Behavior Evaluation Scale.

(4) "Abuse" means:

(a) For a child:

(A) "Abuse" as defined in ORS 419B.005; and

(B) "Abuse" as defined in OAR 407-045-0260 when a child resides in a home certified, endorsed, and licensed to provide 24-hour residential services as described in OAR chapter 411, division 325.

(b) For an adult, "abuse" as defined in OAR 407-045-0260.

(5) "Abuse Investigation and Protective Services" means the reporting and investigation activities as required by OAR 407-045-0300 and any subsequent services or supports necessary to prevent further abuse as required by 407-045-0310.

(6) "Adaptive Behavior" means the degree to which an individual meets the standards of personal independence and social responsibility expected for age and culture group. Other terms used to describe adaptive behavior include, but are not limited to, adaptive impairment, ability to function, daily living skills, and adaptive functioning. Adaptive behaviors are everyday living skills including, but not limited to, walking (mobility), talking (communication), getting dressed or toileting (self-care), going to school or work (community use), and making choices (self-direction).

(a) Adaptive behavior is measured by normed, standardized tests administered by a licensed clinical or school psychologist with specific training and experience in test interpretation of adaptive behavior scales for individuals with intellectual or developmental disabilities. Adaptive behavior assessments include:

(A) Adaptive Behavior Assessment System (ABAS);

(B) Adaptive Behavior Evaluation Scale (ABES);

(C) Vineland Adaptive Behavior Scale (VABS);

(D) Scales of Independent Behavior-Revised (SIB-R); or

(E) Other assessments that are designed to measure adaptive behavior standardized and normed to a population consistent with the population of the applicant or approved by the Department of Human Services, Office of Developmental Disability Services (ODDS).

(b) DOMAIN SCORES. Adaptive behavior domain scores are identified on the following assessments of adaptive behavior:

(A) The ABAS and ABES are:

(i) Conceptual;

(ii) Practical; and

(iii) Social.

(B) The VABS are:

(i) Socialization;

(ii) Daily living skills;

(iii) Communication; and

(iv) Motor.

(C) The SIB-R are:

(i) Personal living skills;

(ii) Social interaction and communication skills;

(iii) Community living skills; and

(iv) Motor skills.

(c) COMPOSITE SCORE. The adaptive behavior composite score is the overall score which results from summing two or more domain scores on a given adaptive behavior assessment.

(d) SKILLED AREAS. Skilled areas are a particular assessed score. The skilled areas on the ABAS or ABES are the only skilled areas used for the purposes of OAR 411-320-0080 and include scaled scores in:

(A) Communication;

(B) Functional academics;

(C) Self-direction;

(D) Leisure;

(E) Social;

(F) Community use;

(G) Home and school living;

(H) Self-care;

(I) Health and safety; and

(J) Work.

(e) "Significant impairment" in adaptive behavior means:

(A) A composite score of at least two standard deviations below the norm;

(B) Two or more domain scores as identified in subsection (b) of this section are at least two standard deviations below the norm; or

(C) Two or more skilled areas as identified in subsection (d) of this section are at least two standard deviations below the norm.

(7) "Adult" means an individual 18 years or older with an intellectual or developmental disability.

(8) "Annual Plan" means the written summary a services coordinator completes for an individual who is not enrolled in waiver or Community First Choice services. An Annual Plan is not an ISP and is not a plan of care for Medicaid purposes.

(9) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210.

(10) "Behavior Support Plan" means the written strategy based on person-centered planning and a functional assessment that outlines specific instructions for a provider to follow to cause the challenging behaviors of an individual to become unnecessary and to change the behavior of the provider, adjust environment, and teach new skills.

(11) "Behavior Support" mean the services consistent with positive behavioral theory and practice that are provided to assist with behavioral challenges due to the intellectual or developmental disability of an individual that prevents the individual from accomplishing ADL, IADL, health related tasks, and cognitive supports to mitigate behavior. Behavior support services are provided in the home or community.

(12) "Brokerage" means "brokerage" as defined in OAR 411-340-0020.

(13) "Care" means "services" as defined in this rule.

(14) "Career Development Plan" means the part of an ISP that identifies the employment goals and objectives for an individual, the services and supports needed to achieve those goals, the people, agencies, and providers assigned to assist the individual to attain those goals, the obstacles to the individual working in an individualized job in an integrated employment setting, and the services and supports necessary to overcome those obstacles.

(15) "Case Management" means the functions performed by a services coordinator or personal agent. Case management includes determining service eligibility, developing a plan of authorized services, and monitoring the effectiveness of services and supports.

(16) "Case Management Contact" means a reciprocal interaction between a services coordinator and an individual or the legal or designated representative of the individual (as applicable).

(17) "CDDP" means "community developmental disability program". A CDDP is the entity that is responsible for plan authorization, delivery, and monitoring of services for individuals with intellectual or developmental disabilities in a specific geographic service area of the state under a contract with the Department, LMHA, or other entity as contracted by the Department.

(18) "Chemical Restraint" means the use of a psychotropic drug or other drugs for punishment or to modify behavior in place of a meaningful behavior or treatment plan.

(19) "Child" means an individual who is less than 18 years of age that has a provisional determination of an intellectual or developmental disability.

(20) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, service providers, services, and service settings. Personal outcomes, goals, and activities are supported in the context of balancing the rights, risks, and personal choices of the individual. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated orally, through sign language, or by other communication methods.

(21) "Choice Advising" means the impartial sharing of information about case management and other service delivery options available to individuals with intellectual or developmental disabilities provided by a person that meets the qualifications in OAR 411-320-0030(4)(c).

(22) "CIIS" means "children's intensive in-home services". CIIS include the services described in:

(a) OAR chapter 411, division 300 for the Children's Intensive In-Home Services, Behavior Program;

(b) OAR chapter 411, division 350 for medically fragile children's services; and

(c) OAR chapter 411, division 355 for the Medically Involved Children's Program.

# ADMINISTRATIVE RULES

- (23) "CMS" means Centers for Medicare and Medicaid Services.
- (24) "Community First Choice (K Plan)" means the state plan amendment authorized under section 1915(k) of the Social Security Act.
- (25) "Complaint" means "complaint" as defined in OAR 411-318-0005.
- (26) "Complaint Investigation" means "complaint investigation" as defined in OAR 411-318-0005.
- (27) "Composite Score" means the score identified by an assessment of adaptive behavior as described in the definition for "adaptive behavior".
- (28) "Comprehensive Services" means developmental disability services and supports that include 24-hour residential services provided in a licensed home, foster home, or through a supported living program. Comprehensive services are regulated by the Department alone or in combination with an associated Department-regulated employment or day support activities program. Comprehensive services are in-home services provided to an individual with an intellectual or developmental disability when the individual receives case management services from a CDDP. Comprehensive services do not include support services for adults with intellectual or developmental disabilities enrolled in brokerages.
- (29) "County of Origin" means:
- (a) For an adult, the county of residence for the adult; and
- (b) For a child, the county where the jurisdiction of the guardianship of the child exists.
- (30) "Crisis" means:
- (a) A situation as determined by a qualified services coordinator that may result in civil court commitment under ORS 427.215 to 427.306 and for which no appropriate alternative resources are available; or
- (b) Risk factors described in OAR 411-320-0160(2) are present for which no appropriate alternative resources are available.
- (31) "Crisis Diversion Services" mean short-term services provided for up to 90 days or on a one-time basis, directly related to resolving a crisis, and provided to, or on behalf of, an individual eligible to receive crisis services.
- (32) "Crisis Plan" means the document generated by the CDDP or regional crisis diversion program that justifies and authorizes crisis supports and expenditures for an individual receiving crisis diversion services provided under these rules.
- (33) "Current Documentation" means documentation relating to the intellectual or developmental disability of an individual in regards to the functioning of the individual within the last three years. Current documentation may include, but is not limited to, an ISP, Annual Plan, Behavior Support Plan, required assessment, educational records, medical assessments related to the intellectual or developmental disability of an individual, psychological evaluations, and assessments of adaptive behavior.

## 411-320-0040

### Program Responsibilities

The CDDP must ensure the provision of the following services and system supports.

#### (1) ACCESS TO SERVICES.

(a) In accordance with the Civil Rights Act of 1964 (codified as 42 USC 2000d et seq.), any person may not be denied community developmental disability services on the basis of race, color, creed, gender, national origin, or duration of residence. CDDP contractors must comply with Section 504 of the Rehabilitation Act of 1973 (codified as 29 USC 794 and as implemented by 45 CFR Section 84.4) that states in part, "No qualified person must, on the basis of handicap, be excluded from participation in, be denied benefits of, or otherwise be subjected to discrimination under any program or activity that receives or benefits from federal financial assistance".

(b) Any individual determined eligible for developmental disability services by the CDDP must also be eligible for other community developmental disability services unless entry to the service is subject to diagnostic or developmental disability category or age restrictions based on predetermined criteria or contract limitations.

(2) COORDINATION OF COMMUNITY SERVICES. Planning and implementation of services for individuals served by the CDDP must be coordinated between components of the CDDP, other local and state human service agencies, and any other service providers as appropriate for the needs of the individual.

(3) CASE MANAGEMENT SERVICES. The CDDP must provide case management services to individuals who are eligible for and desire services.

(a) The CDDP may provide case management to individuals who are waiting for a determination of eligibility and reside in the county at the time they apply.

(b) Case management may be provided directly by the CDDP or under a contract between the CDDP and a service provider of case management services.

(c) If an individual is receiving services in more than one county, the county of origin must be responsible for case management services unless otherwise negotiated and documented in writing with the mutually agreed upon conditions.

(d) Case management services require an impartial point of view to fulfill the necessary functions of planning, procuring, monitoring, and protective services. Except as allowed under subsection (e) of this section, the case management program must be provided under an organizational structure that separates case management from other direct services for individuals. This separation may take one of the following forms:

(A) The CDDP may provide case management and subcontract for delivery of other direct services through one or more different organizations; or

(B) The CDDP may subcontract for delivery of case management through an unrelated organization and directly provide the other services or further subcontract these other direct services through organizations that are not already under contract to provide case management services.

(e) The CDDP or other organization that provides case management services may also provide other direct services under one or more of the following circumstances:

(A) The CDDP coordinates the delivery of family support services for children less than 18 years of age living in the family home or comprehensive in-home supports for adults.

(B) The CDDP determines that an organization providing direct services is no longer able to continue providing services or the organization providing direct services is no longer willing or able to continue providing services and no other organization is able or willing to continue operations on 30 days notice.

(C) In order to develop new or expanded direct services for geographic service areas or populations because other local organizations are unwilling or unable to provide appropriate services.

(f) If the CDDP intends to perform direct services other than family support services or comprehensive in-home support, a variance must be prior authorized by the Department.

(A) It is assumed that the CDDP provides family support services or comprehensive in-home supports described in subsection (e)(A) of this section. If the CDDP does not provide one or both of these services, the CDDP must submit a written variance request to the Department for prior approval that describes how the services are going to be provided.

(B) If the circumstances described in subsection (e)(B) of this rule exist, the CDDP must propose a plan to the Department for review, including action to assume responsibility for case management services and the mechanism for addressing potential conflict of interest.

(C) If the CDDP providing case management services delivers other services as allowed under subsection (e)(C) of this section, the CDDP must submit a written variance request to the Department for prior approval that includes the action to assume responsibility for case management services and the mechanism for addressing potential conflict of interest.

(g) If the CDDP providing case management services delivers other services as allowed under subsections (e)(B) and (e)(C) of this section, the CDDP must solicit other organizations to assume responsibility for delivery of these other services through a request for proposal (RFP) at least once every two years. When an RFP is issued, a copy of the RFP must be sent to the Department. The Department must be notified of the results of the solicitation, including the month and year of the next solicitation if there are no successful applicants.

(h) If the CDDP wishes to continue providing case management and other direct services without conducting a solicitation as described in subsection (g) of this section, the CDDP must submit a written variance request to the Department for prior approval that describes how conflict of roles are to be managed within the CDDP.

(i) If the CDDP also operates a support services brokerage, the CDDP must submit a written variance request to the Department for prior approval that includes the mechanism for addressing potential conflict of interest.

(4) FAMILY SUPPORT SERVICES. The CDDP must ensure the availability of a program for family support services in accordance with OAR chapter 411, division 305.

#### (5) ABUSE AND PROTECTIVE SERVICES.

(a) The CDDP must assure that abuse investigations for adults with intellectual or developmental disabilities are appropriately reported and conducted by trained staff according to statute and administrative rules. When there is reason to believe a crime has been committed, the CDDP must report to law enforcement.

(b) The CDDP must report any suspected or observed abuse of a child directly to the Department or local law enforcement.

(6) FOSTER HOMES. The CDDP must recruit applicants to operate foster homes and maintain forms and procedures necessary to license or certify foster homes. The CDDP must maintain copies of the following records:

# ADMINISTRATIVE RULES

- (a) Initial and renewal applications for a foster home;
  - (b) All inspection reports completed by the CDDP, including required annual renewal inspection and any other inspections;
  - (c) General information about the foster home;
  - (d) Documentation of references, classification information, credit check (if necessary), background check, and training for service providers and substitute caregivers;
  - (e) Documentation of foster care exams for adult foster home providers;
  - (f) Correspondence;
  - (g) Any meeting notes;
  - (h) Financial records;
  - (i) Annual agreement or contract;
  - (j) Legal notices and final orders for rule violations, conditions, denials, or revocations (if any); and
  - (k) Copies of the annual license or certificate for the foster home.
- (7) **CONTRACT MONITORING.** The CDDP must monitor all community developmental disability subcontractors to assure that:
- (a) Services are provided as specified in the contract between the CDDP and the Department; and
  - (b) Services are in compliance with these rules and other applicable Department rules.
- (8) **INFORMATION AND REFERRAL.** The CDDP must provide information and referral services to individuals, families of individuals, and interested others.
- (9) **AGENCY COORDINATION.** The CDDP must assure coordination with other agencies to develop and manage resources within the county or region to meet the needs of individuals.
- (10) **SERVICE DELIVERY COMPLAINTS.** The CDDP must implement procedures to address individual or family complaints regarding service delivery that have not been resolved using the complaint procedures (informal or formal) of the CDDP subcontractor. The complaint procedures must be consistent with the requirements in OAR 411-318-0015.
- (11) **COMPREHENSIVE IN-HOME SUPPORTS.** The CDDP must ensure the availability of comprehensive in-home supports in accordance with OAR chapter 411, division 330.
- (12) **EMERGENCY PLANNING.** The CDDP must ensure the availability of a written emergency procedure and disaster plan for meeting all civil or weather emergencies and disasters. The emergency procedure and disaster plan must be immediately available to the CDDP manager and employees. The emergency procedure and disaster plan must:
- (a) Be integrated with the county emergency preparedness plan, where appropriate;
  - (b) Include provisions on coordination with all developmental disability service provider agencies in the county and any Department offices, as appropriate;
  - (c) Include provisions for identifying individuals most vulnerable; and
  - (d) Include any plans for health and safety checks, emergency assistance, and any other plans that are specific to the type of emergency.

### Individual Rights

- (1) The CDDP must have and implement written policies and procedures that protect the individual rights described in section (4) of this rule.
- (2) Upon enrollment, request, and annually thereafter, the individual rights described in section (4) of this rule must be provided to an individual and the legal or designated representative of an individual.
- (3) The individual rights described in this rule apply to all individuals eligible for or receiving developmental disability services. A parent or guardian may place reasonable limitations on the rights of a child.
- (4) While receiving developmental disability services, an individual has the right to:
  - (a) Be free and protected from abuse or neglect and to report any incident of abuse or neglect without being subject to retaliation;
  - (b) Be free from seclusion, unauthorized training or treatment, protective physical intervention, chemical restraint, or mechanical restraint and assured that medication is administered only for the clinical needs of the individual as prescribed by a health care provider, unless an imminent risk

of physical harm to the individual or others exists and only for as long as the imminent risk continues;

- (c) Individual choice for an adult to consent to or refuse treatment, unless incapable and then an alternative decision maker must be allowed to consent to or refuse treatment for the adult. For a child, the parent or guardian of the child must be allowed to consent to or refuse treatment, except as described in ORS 109.610 or limited by court order;

- (d) Informed, voluntary, written consent prior to receiving services, except in a medical emergency or as otherwise permitted by law;

- (e) Informed, voluntary, written consent prior to participating in any experimental programs;

- (f) A humane service environment that affords reasonable protection from harm, reasonable privacy in all matters that do not constitute a documented health and safety risk to the individual, and access and the ability to engage in private communications with any public or private rights protection program, services coordinator, CDDP representative, and others chosen by the individual, through personal visits, mail, telephone, or electronic means;

- (g) Contact and visits with legal and medical professionals, legal or designated representatives, family members, friends, advocates, and others chosen by the individual, except where prohibited by court order;

- (h) Participate regularly in the community and use community resources, including recreation, developmental disability services, employment services and day support activities, school, educational opportunities, and health care resources;

- (i) Access to a free and appropriate public education for children and adults less than 21 years of age, including a procedure for school attendance or refusal to attend.

- (j) Reasonable and lawful compensation for performance of labor, except personal housekeeping duties;

- (k) Manage the individual's own money and financial affairs unless the right has been taken away by court order or other legal procedure;

- (l) Keep and use personal property, personal control and freedom regarding personal property, and a reasonable amount of personal storage space;

- (m) Adequate food, housing, clothing, medical and health care, supportive services, and training;

- (n) Seek a meaningful life by choosing from available services, service settings, and service providers consistent with the support needs of the individual identified through a functional needs assessment, and enjoying the benefits of community involvement and community integration;

- (A) Services must promote independence and dignity and reflect the age and preferences of the individual; and

- (B) The services must be provided in a setting and under conditions that are most cost effective and least restrictive to the liberty of the individual, least intrusive to the individual, and that provide for self-directed decision-making and control of personal affairs appropriate to the preferences, age, and identified support needs of the individual;

- (o) An individualized written plan for services created through a person-centered planning process, services based upon the plan, and periodic review and reassessment of service needs;

- (p) Ongoing opportunity to participate in the planning of services in a manner appropriate to the capabilities of the individual, including the right to participate in the development and periodic revision of the plan for services, the right to be provided with a reasonable explanation of all service considerations through choice advising, and the right to invite others chosen by the individual to participate in the plan for services;

- (q) Request a change in the plan for services;

- (r) A timely decision upon request for a change in the plan for services;

- (s) Advance written notice of any action that terminates, suspends, reduces, or denies a service or request for service, and notification of other available sources for necessary continued services;

- (t) A hearing to challenge an action that terminates, suspends, reduces, or denies a service or request for service;

- (u) Exercise all rights set forth in ORS 426.385 and 427.031 if the individual is committed to the Department;

- (v) Be informed at the start of services and annually thereafter of the rights guaranteed by this rule, the contact information for the protection and advocacy system described in ORS 192.517(1), the procedures for reporting abuse, and the procedures for filing complaints, reviews, or requests for hearings if services have been or are proposed to be terminated, suspended, reduced, or denied;

# ADMINISTRATIVE RULES

(w) Have these rights and procedures prominently posted in a location readily accessible to individuals and made available to representatives of the individual;

(x) Be encouraged and assisted in exercising all legal, civil, and human rights accorded to other citizens of the same age, except when limited by a court order;

(y) Be informed of, and have the opportunity to assert complaints as described in OAR 411-318-0015 with respect to infringement of the rights described in this rule, including the right to have such complaints considered in a fair, timely, and impartial complaint procedure without any form of retaliation or punishment; and

(z) Freedom to exercise all rights described in this rule without any form of reprisal or punishment.

(5) The rights described in this rule are in addition to, and do not limit, all other statutory and constitutional rights that are afforded all citizens, including but not limited to the right to exercise religious freedom, vote, marry, have or not have children, own and dispose of property, and enter into contracts and execute documents, unless specifically prohibited by law in the case of children less than 18 years of age.

(6) An individual who is receiving developmental disability services, or as applicable a legal or designated representative of the individual, has the right under ORS 430.212 to be informed that a family member has contacted the Department to determine the location of the individual and to be informed of the name and contact information of the family member, if known.

(7) The rights described in this rule may be asserted and exercised by an individual, the legal representative of an individual, and any representative designated by an individual.

(8) Nothing in this rule may be construed to alter any legal rights and responsibilities between a parent and child.

(9) A guardian is appointed for an adult only as is necessary to promote and protect the well-being of the adult. A guardianship for an adult must be designed to encourage the development of maximum self-reliance and independence of the adult, and may be ordered only to the extent necessitated by the actual mental and physical limitations of the adult. An adult for whom a guardian has been appointed is not presumed to be incompetent. An adult with a guardian retains all legal and civil rights provided by law, except those that have been expressly limited by court order or specifically granted to the guardian by the court. Rights retained by the adult include, but are not limited to, the right to contact and retain counsel and to have access to personal records. (ORS 125.300).

## 411-320-0080

### Application and Eligibility Determination

#### (1) APPLICATION.

(a) To apply for developmental disability services:

(A) An applicant or the legal representative of an applicant must use the Department required application, form SDS 0552, and apply in the county of origin as defined in OAR 411-320-0020;

(B) The applicant must be an U.S. citizen as defined in OAR 411-320-0020;

(C) The applicant must reside in Oregon or if the applicant is less than 18 years of age, the applicant and the legal representative of the applicant must reside in Oregon; and

(D) The application must be complete, signed, and dated.

(b) The CDDP must consider an application if the criteria in subsection (a) of this section are met. If the criteria in subsection (a) of this section are not met, the CDDP shall deny the application.

(c) The date the CDDP receives the completed, signed, and dated application is the date of application for developmental disability services.

(d) Upon receipt of an application, the CDDP must give an applicant the Department required notification of hearing rights (FACT sheet for Complaints, Fair Hearing, Administrative Review SDS 0948).

(e) A new application may not be required if the file of an individual has been closed for less than 12 months following a closure, denial, or termination and the individual meets all of the criteria in subsection (a) of this section.

(f) The CDDP must identify whether an applicant receives any unearned income.

(A) The CDDP must refer all applicants with no unearned income to the local Medicaid office to be determined eligible for OHP Plus.

(B) The CDDP must refer an applicant less than 18 years of age to Social Security if the CDDP identifies that the applicant may qualify for Social Security benefits.

(2) ELIGIBILITY SPECIALIST. Each CDDP must identify at least one qualified eligibility specialist to act as a designee of the Department for purposes of making an eligibility determination. The eligibility specialist must meet performance qualifications and training expectations for determining developmental disability eligibility according to OAR 411-320-0030.

(3) INTELLECTUAL DISABILITY. A history of an intellectual disability as defined in OAR 411-320-0020 and significant impairment in adaptive behavior as described in OAR 411-320-0020 must be evident prior to the 18th birthday of an individual for the individual to be eligible for developmental disability services.

(a) Diagnosing an intellectual disability is done by measuring intellectual functioning and adaptive behavior as assessed by standardized tests administered by a licensed clinical or school psychologist with specific training and experience in test interpretation of intellectual functioning and adaptive behavior scales for individuals with intellectual disabilities.

(A) For individuals who have consistent Full Scale IQ results of 65 and less, no assessment of adaptive behavior may be needed if current documentation supports eligibility.

(B) For individuals who have Full Scale IQ results of 66-75, verification of an intellectual disability requires an assessment of adaptive behavior.

(C) A General Ability Index result may be used in place of a Full Scale IQ score to determine eligibility in the event that a licensed clinical or school psychologist determines that the General Ability Index is a more valid measure of overall intelligence when compared to the Full Scale IQ score.

(D) A Specific Index IQ result may be used in the event Full scale IQ or General Ability Index results are not able to be provided by the clinical impression of a licensed psychologist.

(E) If an individual is not able to participate in an intelligence test due to profound intellectual disability, a statement of profound intellectual disability must be documented by a qualified professional and an adaptive behavior assessment demonstrating a composite score of at least two standard deviations below the mean must be completed.

(b) Impairment of adaptive behavior must be directly related to an intellectual disability and cannot be primarily attributed to other conditions, including but not limited to a mental or emotional disorder, sensory impairment, motor impairment, substance abuse, personality disorder, learning disability, or ADHD.

(c) The condition and impairment must continue, or be expected to continue, indefinitely.

(4) OTHER DEVELOPMENTAL DISABILITY. A history of an other developmental disability as defined in OAR 411-320-0020 and significant impairment in adaptive behavior as described in 411-320-0020 must be evident prior to the 22nd birthday of an individual for the individual to be eligible for developmental disability services.

(a) Diagnosing an other developmental disability requires a medical or clinical diagnosis of a developmental disability by a qualified professional and significant impairment in adaptive behavior as assessed by standardized tests administered by a licensed clinical or school psychologist.

(A) Other developmental disabilities include autism, cerebral palsy, epilepsy, or other neurological disabling conditions that originate in and directly affect the brain.

(B) The individual must require training and support similar to that required by an individual with an intellectual disability, which means the individual has a composite or domain score that is at least two standard deviations below the mean, as measured on a standardized assessment of adaptive behavior administered by a qualified professional.

(b) Significant impairment of adaptive behavior must be directly related to an other developmental disability and cannot be primarily attributed to other conditions including, but not limited to, a mental or emotional disorder, sensory impairment, motor impairment, substance abuse, personality disorder, learning disability, or ADHD.

(c) The condition and impairment must continue, or be expected to continue, indefinitely.

(5) ELIGIBILITY FOR CHILDREN LESS THAN 7 YEARS OF AGE.

(a) Eligibility for children less than 7 years of age is always provisional.

(b) Eligibility determinations for children less than 7 years of age must be based on documentation that is no more than three years old.

# ADMINISTRATIVE RULES

(A) The documentation must include:

(i) A standardized and normed early childhood assessment completed by a professional with at least a master's degree level or above and training to administer early childhood assessments that demonstrates at least two standard deviations below the mean in two or more areas of the adaptive behavior described in paragraph (B) of this subsection; or

(ii) In the absence of a standardized and normed early childhood assessment, a medical statement by a licensed medical practitioner that confirms the presence of an other developmental disability that is a neurological condition or syndrome that originates in and directly affects the brain and causes or is likely to cause impairment in at least two or more areas of the adaptive behavior described in paragraph (B) of this subsection.

(B) Areas of adaptive behavior include:

- (i) Adaptive, self-care, or self-direction;
- (ii) Receptive and expressive language or communication;
- (iii) Learning or cognition;
- (iv) Gross motor; or
- (v) Social.

(C) The impairment, condition, or syndrome cannot be primarily attributed to other conditions including, but not limited to, a mental or emotional disorder, sensory impairment, motor impairment, substance abuse, personality disorder, learning disability, or ADHD.

(D) The condition and impairment must continue, or be expected to continue, indefinitely.

(c) REDETERMINATION OF ELIGIBILITY.

(A) Any time there is evidence that contradicts an eligibility determination, the Department or the designee of the Department may redetermine eligibility or obtain additional information, including securing an additional evaluation for clarification purposes.

(B) The CDDP must notify a child and the legal representative of the child any time that a redetermination of eligibility is needed. Notification of the redetermination and the reason for the review of eligibility must be in writing and sent prior to the eligibility redetermination.

(C) Redetermination for school aged eligibility for a child who was originally determined eligible as a child less than 7 years of age using a standardized and normed early childhood assessment as described in subsection (b)(A)(i) of this section must be completed no later than the child's 9th year birthdate.

(D) Redetermination for school aged eligibility for a child who was originally determined eligible as a child less than 7 years of age using a medical statement by a licensed medical practitioner as described in subsection (b)(A)(ii) of this section must be completed no later than the child's 7th year birthdate.

(6) ELIGIBILITY FOR SCHOOL AGED CHILDREN. Eligibility for school aged children as defined in OAR 411-320-0020 is always provisional.

(a) Eligibility determinations for school aged children must be completed on children who are at least 5 years of age and who have had school aged testing completed.

(b) Eligibility determinations for school aged children may be completed:

(A) Up to age 18 for school aged children who are provisionally eligible based on a condition of an intellectual disability; and

(B) Up to age 22 for school aged children who are provisionally eligible based on a condition of an other developmental disability.

(c) Eligibility determinations for school aged children must include:

(A) Documentation of an intellectual disability and significant impairment in adaptive behavior as described in section (3) of this rule; or

(B) A diagnosis and documentation of an other developmental disability and significant impairment in adaptive behavior as described in section (4) of this rule.

(d) Eligibility determinations for school aged children must be based on documentation that is no more than three years old.

(e) REDETERMINATION OF ELIGIBILITY.

(A) Any time there is evidence that contradicts an eligibility determination, the Department or the designee of the Department may redetermine eligibility or obtain additional information, including securing an additional evaluation for clarification purposes.

(B) The CDDP must notify a school aged child and the legal representative of the child any time that a redetermination of eligibility is needed. Notification of the redetermination and the reason for the review of eligibility must be in writing and sent prior to the eligibility redetermination.

(f) REDETERMINATION OF SCHOOL AGED CHILDREN FOR ADULT ELIGIBILITY.

(A) Redetermination of school aged children for adult eligibility must be completed:

(i) Between the ages of 16 and 18 if school aged eligibility was determined based on an intellectual disability as described in section (3) of this rule; or

(ii) Between the ages of 20 and 22 if school aged eligibility was determined based on an other developmental disability as described in section (4) of this rule.

(B) The documentation of an intellectual disability or an other developmental disability must include:

(i) Information no more than three years old for individuals less than 22 years of age; or

(ii) Information obtained after the 17th birthday of an individual for individuals 22 years of age and older.

(C) If school aged eligibility was determined based on an intellectual disability as described in section (3) of this rule, an intellectual functioning assessment may be used to determine adult eligibility. An adult intellectual functioning assessment completed within the last three years is not needed if the school aged child has:

(i) More than one completed intellectual functioning assessment and all full scale IQ scores are 65 or less as described in section (3)(a)(A) of this rule; and

(ii) Impairment in adaptive behavior as identified in section (3) of this rule; and

(iii) Current documentation that supports eligibility.

(D) If school aged eligibility was determined based on an other developmental disability as described in section (4) of this rule, the following criteria must be met:

(i) A current medical or clinical diagnosis of an other developmental disability is required unless all of the following are met:

(I) Documentation of an other developmental disability by a qualified professional as described in section (4) of this rule;

(II) Impairment in adaptive behavior that continues to be directly related to the other developmental disability;

(III) Current documentation that continues to support eligibility; and

(IV) No other medical or mental or emotional disorder.

(ii) If an individual has additional medical or mental or emotional disorders a new assessment may be required.

(iii) An informal adaptive behavior assessment as defined in OAR 411-320-0020 may be completed if all of the following apply:

(I) An assessment of adaptive behavior is required in order to redetermine eligibility;

(II) An assessment of adaptive behavior has already been completed by a licensed school or clinical psychologist; and

(III) The school aged child has obvious significant impairment in adaptive behavior.

(7) ELIGIBILITY FOR ADULTS.

(a) Eligibility for adults must include:

(A) Documentation of an intellectual disability and significant impairment in adaptive behavior as described in section (3) of this rule; or

(B) Documentation of an other developmental disability and significant impairment in adaptive behavior as described in section (4) of this rule.

(b) Documentation for an initial adult eligibility determination must include:

(A) Information no more than three years old for individuals less than 22 years of age; or

(B) Information obtained after the 17th birthday of an individual for individuals 22 years of age and older.

(c) INTELLECTUAL FUNCTIONING ASSESSMENT.

(A) An intellectual functioning assessment completed on or after the age of 16 may be used to determine adult eligibility.

(B) An adult Intellectual Functioning Assessment may not be needed if an individual has:

(i) More than one completed intellectual functioning assessment and all full scale IQ scores are 65 or less as described in section (3)(a)(A) of this rule; and

(ii) Significant impairment in adaptive behavior as identified in section (3) of this rule.

(C) An adult intellectual functioning assessment may not be needed if an individual has a diagnosis and documentation of an other developmental disability as described in section (4) of this rule.

(d) REDETERMINATION OF ELIGIBILITY.

(A) Any time there is evidence that contradicts an eligibility determination, the Department or the designee of the Department may redetermine

# ADMINISTRATIVE RULES

eligibility or obtain additional information, including securing an additional evaluation for clarification purposes.

(B) The CDDP must notify an individual and if applicable the legal representative of the individual any time that a redetermination of eligibility is needed. Notification of the redetermination and the reason for the review of eligibility must be in writing and sent prior to the eligibility redetermination.

(C) In the event the eligibility of an adult requires a redetermination, the redetermination must be completed as described in subsections (a), (b), and (c) of this section.

## (8) ABSENCE OF DATA IN DEVELOPMENTAL YEARS.

(a) In the absence of sufficient data during the developmental years, current data may be used if:

(A) There is no evidence of head trauma;

(B) There is no evidence or history of significant mental or emotional disorder; or

(C) There is no evidence or history of substance abuse.

(b) If there is evidence or a history of head trauma, significant mental or emotional disorder, or substance abuse, then a clinical impression by a qualified professional regarding how the functioning of the individual may be impacted by the identified condition must be obtained in order to determine if the significant impairment in adaptive behavior is directly related to a developmental disability and not primarily related to a head trauma, significant mental or emotional disorder, or substance abuse.

(9) SECURING EVALUATIONS. In the event that an eligibility specialist has exhausted all local resources to secure the necessary evaluations for an eligibility determination, the Department or the designee of the Department shall assist in obtaining additional testing if required to complete the eligibility determination.

(10) PROCESSING ELIGIBILITY DETERMINATIONS. The CDDP in the county of origin is responsible for making the eligibility determination.

(a) The CDDP must work in collaboration with the individual or the legal representative of the individual to gather historical records related to the intellectual or developmental disability of an individual.

(b) The CDDP must process an application for developmental disability services in the following time frames:

(A) The CDDP must complete an eligibility determination and issue a notice as described in section (11) of this rule within 90 calendar days of the date that the application for services is received by the CDDP, except in the following circumstances:

(i) The CDDP may not make an eligibility determination because the individual or the legal representative of the individual fails to complete an action;

(ii) There is an emergency beyond the control of the CDDP; or

(iii) More time is needed to obtain additional records by the CDDP, the individual, or the legal representative of the individual.

(B) The process of making an eligibility determination may be extended up to 90 calendar days by mutual agreement among all parties. Mutual agreement may be in oral or written form. The CDDP must document the reason for the delay in the service record for the individual, including the type of contact made to verify the agreement of the individual or the legal representative of the individual to an extension.

(c) The CDDP must make an eligibility determination unless the following applies and is documented in the progress notes for an individual:

(A) The individual or the legal representative of the individual voluntarily withdraws the application for the individual;

(B) The individual dies; or

(C) The individual cannot be located.

(d) The CDDP may not use the time frames established in subsection (b) of this section as:

(A) A waiting period before determining eligibility; or

(B) A reason for denying eligibility.

(11) NOTICE OF ELIGIBILITY DETERMINATION. The CDDP, based upon a review of the documentation used to determine eligibility, must issue written notification (notice) of the eligibility determination of the CDDP.

(a) The CDDP must send or hand deliver the notice to the individual and if applicable the legal representative of the individual within 10 working days of making the eligibility determination or 90 calendar days of receiving an application for services, whichever comes first.

(b) The notice must be on the following forms prescribed by the Department:

(A) The Notice of Eligibility Determination (SDS 5103); or

(B) The Notification of Planned Action (SDS 0947).

(12) REQUESTING A HEARING. An individual or the legal representative of an individual may request a hearing as described in OAR 411-318-0025 if the individual or the legal representative of the individual disagrees with the eligibility determination or redetermination made by the CDDP.

(13) TRANSFERABILITY OF ELIGIBILITY DETERMINATION. An eligibility determination made by one CDDP must be honored by another CDDP when an individual moves from one county to another.

(a) The receiving CDDP must notify the individual and if applicable the legal representative of the individual on forms prescribed by the Department that a transfer of services to a new CDDP has taken place within 10 days of the enrollment date identified on the Developmental Disability Enrollment Form (SDS 0337).

(b) The receiving CDDP must continue services for the individual as soon as it is determined that the individual is residing in the county of the receiving CDDP.

(c) The receiving CDDP must ensure verification of the eligibility of the individual for developmental disability services in the form of the following:

(A) Statement of an eligibility determination;

(B) Notification of eligibility determination; and

(C) Evaluations and assessments supporting eligibility.

(d) In the event that the items in subsection (c) of this section cannot be located, written documentation from the sending CDDP verifying eligibility and enrollment in developmental disability services may be used. Written verification may include documentation from the electronic payment system of the Department.

(e) If the receiving CDDP receives information that suggests the individual is not eligible for developmental disability services, the receiving CDDP may complete a redetermination. The CDDP that determined the individual was eligible for developmental disability services may be responsible for the services authorized on the basis of that eligibility determination.

(f) If an individual submits an application for developmental disability services and discloses that he or she has previously received developmental disability services in another CDDP and the termination of case management services as described in OAR 411-320-0100(3) occurred within the past 12 months, the eligibility determination from the other CDDP shall transfer as outlined in this section of the rule.

## 411-320-0090

### Case Management Program Responsibilities

(1) AVAILABILITY. As required by these rules, the CDDP must assure the availability of a services coordinator to meet the service needs of an individual and any emergencies or crisis. The assignment of the services coordinator must be appropriately documented in the service record for an individual and the CDDP must accurately report enrollment in the Department payment and reporting systems.

(2) POLICIES AND PROCEDURES. The CDDP must adopt written procedures to assure that the delivery of services meet the standards in section (4) of this rule.

(a) The CDDP must have procedures for the ongoing involvement of individuals and the family members of individuals in the planning and review of consumer satisfaction with the delivery of case management or direct services provided by the CDDP.

(b) Copies of the procedures for planning and review of case management services, consumer satisfaction, and complaints must be maintained on file at the CDDP offices. The procedures must be available to:

(A) CDDP employees who work with individuals;

(B) Individuals who are receiving services from the CDDP and the families of individuals;

(C) Legal or designated representatives (as applicable) and service providers of individuals; and

(D) The Department.

(3) NOTICE OF SERVICES. The CDDP must inform the individuals, and as applicable the family members and legal or designated representatives of the individuals, of the minimum case management services that are set out in section (4) of this rule.

## ADMINISTRATIVE RULES

### (4) MINIMUM STANDARDS FOR CASE MANAGEMENT SERVICES.

(a) The CDDP must ensure that eligibility for services is determined by an eligibility specialist trained in accordance with OAR 411-320-0030.

(b) A services coordinator must maintain documentation of the referral process of an individual to a service provider and if applicable, include the reason the service provider preferred by the individual, or as applicable the legal or designated representative of the individual, declined to deliver services to the individual.

(c) An Annual Plan for an individual receiving case management services through the CDDP must be developed and reviewed in accordance with OAR 411-320-0120.

(d) Program services must be authorized in accordance with OAR 411-320-0120.

(e) Services coordinators must monitor services and supports for all individuals enrolled in case management services through the CDDP in accordance with the standards described in OAR 411-320-0130.

(f) If an individual loses OSIP-M or OHP Plus eligibility and the individual is receiving case management services through the CDDP, a services coordinator must assist the individual in identifying why OSIP-M or OHP Plus eligibility was lost and whenever possible, assist the individual in becoming eligible for OSIP-M or OHP Plus again. The services coordinator must document efforts taken to assist the individual in becoming OSIP-M or OHP Plus eligible in the service record for the individual.

(g) Entry, exit, and transfers from comprehensive services must be in accordance with OAR 411-320-0110.

(h) Crisis diversion services for an individual receiving case management services through a CDDP must be assessed, identified, planned, monitored, and evaluated by a services coordinator in accordance with OAR 411-320-0160.

(i) Abuse investigations and protective services for adults must be provided as described in OAR 407-045-0250 to 407-045-0360 and include investigating complaints of abuse, writing investigation reports, and monitoring the implementation of report recommendations.

(j) Civil commitment services must be provided in accordance with ORS 427.215 to 427.306.

(k) The CDDP must describe case management and other service delivery options within the geographic service area provided by the CDDP or support services brokerage to an individual. Choice advising must begin at least 6 months before the 18th birthday of a child and must be provided to individuals 18 years and older.

(A) An individual newly determined eligible for developmental disability services must receive choice advising prior to or concurrent with the initial level of care determination for the individual.

(B) An individual moving into a county with an existing eligibility determination who is not enrolled in support services must receive choice advising within 10 days of the move or of the CDDP learning of the move.

(C) Choice advising must be provided initially and at least annually thereafter. Annual choice advising must include informing the individual of the right of the individual to request access to other available services. Documentation of the discussion must be included in the service record for the individual.

(D) If an individual is not eligible for state plan or waiver services, initial and annual choice advising must also inform the individual of the right of the individual to access case management from the CDDP or a support services brokerage.

(l) A services coordinator must coordinate services with the child welfare (CW) caseworker assigned to a child to ensure the provision of required supports from the Department, CDDP, and CW.

(m) A services coordinator may attend IEP planning meetings or other transition planning meetings for a child when the services coordinator is invited to participate by the family or guardian of the child.

(A) The services coordinator may, to the extent resources are available, assist the family of the child in accessing critical non-educational services that the child or the family of the child may need.

(B) Upon request and to the extent possible, the services coordinator may act as a proponent for the child or the family of the child at IEP meetings.

(C) The services coordinator must participate in transition planning by attending IEP meetings or other transition planning meetings for students 16 years of age or older, or until the student is no longer enrolled in CDDP case management, to discuss the transition of the individual to adult living and work situations unless the attendance of the services coordinator is refused by the parent or guardian of the child or the individual if the individual is 18 years or older.

(n) The CDDP must ensure that individuals eligible for and receiving developmental disability services are enrolled in the Department payment and reporting systems. The county of origin must enroll the individual into the Department payment and reporting systems for all developmental disability service providers except in the following circumstances:

(A) The Department completes the enrollment or termination form for children entering or leaving a licensed 24-hour residential program that is directly contracted with the Department.

(B) The Department completes the Department payment and reporting systems enrollment, termination, and billing forms for children entering or leaving CIIS.

(C) The Department completes the enrollment, termination, and billing forms as part of an interagency agreement for purposes of billing for crisis diversion services by a region.

(o) When appropriate, a services coordinator must facilitate referrals to nursing facilities as described in OAR 411-070-0043.

(p) A services coordinator must coordinate and monitor the specialized services provided to an eligible individual living in a nursing facility in accordance with OAR 411-320-0150.

(q) A services coordinator must ensure that all serious events related to an individual are reported to the Department using the SERT system. The CDDP must ensure that there is monitoring and follow-up on both individual events and system trends.

(r) When a services coordinator completes a level of care determination, the services coordinator must ensure that OHP Plus and OSIP-M eligible individuals are offered the choice of home and community-based waiver and state plan services, provided a notice of hearing rights (FACT sheet for Complaints, Fair Hearing, Administrative Review SDS 0948), and have a completed level of care determination that is reviewed annually or at any time there is a significant change.

(s) A services coordinator must participate in the appointment of the health care representative of an individual as described in OAR chapter 411, division 365.

(t) A services coordinator must coordinate with other state, public, and private agencies regarding services to individuals.

(u) The CDDP must ensure that a services coordinator is available to provide or arrange for comprehensive in-home supports for adults, in-home supports for children, or family supports as required to meet the support needs of eligible individuals. This includes:

(A) Identifying needs through a functional needs assessment for individuals accessing Community First Choice;

(B) Providing assistance in planning supports;

(C) Providing assistance in finding and arranging resources and supports;

(D) Providing education and technical assistance to make informed decisions about support need and direct service providers;

(E) Arranging fiscal intermediary services;

(F) Arranging employer-related supports; and

(G) Providing assistance with monitoring and improving the quality of supports.

(5) SERVICE PRIORITIES. If it becomes necessary for the CDDP to prioritize the availability of case management services, the CDDP must request and have approval of a variance prior to implementation of any alternative plan. If the reason for the need for the variance could not have been reasonably anticipated by the CDDP, the CDDP has 15 working days to submit the variance request to the Department. The variance request must:

(a) Document the reason the service prioritization is necessary, including any alternatives considered;

(b) Detail the specific service priorities being proposed; and

(c) Provide assurances that the basic health and safety of individuals continues to be addressed and monitored.

(6) FAMILY RECONNECTION. The CDDP and a services coordinator must provide assistance to the Department when a family member is attempting to reconnect with an individual who was previously discharged from Fairview Training Center or Eastern Oregon Training Center or an individual who is currently receiving developmental disability services.

(a) If a family member contacts the CDDP for assistance in locating an individual, the CDDP must refer the family member to the Department. A family member may contact the Department directly.

(b) The Department shall send the family member a Department form requesting further information to be used in providing notification to the individual. The form shall include the following information:

(A) Name of requestor;

(B) Address of requestor and other contact information;

# ADMINISTRATIVE RULES

- (C) Relationship to individual;
- (D) Reason for wanting to reconnect; and
- (E) Last time the family had contact.
- (c) The Department shall determine:
  - (A) If the individual was previously a resident of Fairview Training Center or Eastern Oregon Training Center;
  - (B) If the individual is deceased or living;
  - (C) Whether the individual is currently or previously enrolled in Department services; and
  - (D) The county in which services are being provided, if applicable.
  - (d) Within 10 working days from the receipt of the request, the Department shall notify the family member if the individual is enrolled or no longer enrolled in Department services.
  - (e) If the individual is enrolled in Department services, the Department shall send the completed family information form to the individual, or as applicable the legal or designated representative of the individual, and the services coordinator.
  - (f) If the individual is deceased, the Department shall follow the process for identifying the personal representative of the individual as provided for in ORS 192.526.
    - (A) If the personal representative and the requesting family member are the same, the Department shall inform the personal representative that the individual is deceased.
    - (B) If the personal representative is different from the requesting family member, the Department shall contact the personal representative for permission before sharing information about the individual with the requesting family member. The Department must make a good faith effort to find the personal representative and obtain a decision concerning the sharing of information as soon as practicable.
    - (g) When an individual is located, the services coordinator when the individual is enrolled in case management or the CDDP in conjunction with the personal agent when the individual is enrolled in a support services brokerage, must facilitate a meeting with the individual, or as applicable the legal or designated representative of the individual, to discuss and determine if the individual wishes to have contact with the family member.
      - (A) The services coordinator or the CDDP in conjunction with the personal agent, as applicable, must assist the individual, or as applicable the legal or designated representative of the individual, in evaluating the information to make a decision regarding initiating contact, including providing the information from the form and any relevant history with the family member that may support contact or present a risk to the individual.
      - (B) If the individual does not have a legal or designated representative or is unable to express his or her wishes, the ISP team of the individual must be convened to review factors and choose the best response for the individual after evaluating the situation.
      - (h) If the individual, or as applicable the legal or designated representative of the individual, wishes to have contact, the individual, or as applicable the legal or designated representative of the individual or ISP team designee, may directly contact the family member to make arrangements for the contact.
      - (i) If the individual, or as applicable the legal or designated representative of the individual, does not wish to have contact, the services coordinator or the CDDP in conjunction with the personal agent (as applicable), must notify the Department. The Department shall inform the family member in writing that no contact is requested.
      - (j) The notification to the family member regarding the decision of the individual, or as applicable the legal or designated representative of the individual, must be within 60 business days from the receipt of the information form from the family member.
      - (k) The decision by the individual, or as applicable the legal or designated representative of the individual, is not appealable.

### Coordination of Services

#### (1) DESIGNATION OF A SERVICES COORDINATOR OR PERSONAL AGENT.

(a) When an individual chooses case management services through a personal agent, the CDDP must send referral information to the appropriate support services brokerage within 10 days following the decision of the

individual. If there is no available brokerage capacity for an individual requesting brokerage services, the individual may receive case management through the CDDP and receive other available, chosen supports until brokerage capacity becomes available.

(b) When an individual chooses case management services through a services coordinator, the CDDP must designate a services coordinator within five days following the decision of the individual.

(c) When an individual is enrolled in a support services brokerage and moves from one CDDP geographic service area to another CDDP geographic service area, the new CDDP must enroll the individual in the Department payment and reporting systems.

#### (2) CHANGE OF CASE MANAGEMENT SERVICE PROVIDER.

(a) The CDDP must keep the change of services coordinators to a minimum unless the individual, or as applicable the legal or designated representative of the individual requests the change of services coordinators. If the CDDP changes the assignment of a services coordinator, the CDDP must notify the individual, the legal or designated representative of the individual (as applicable), and all current service providers within 10 working days of the change. The notification must be in writing and include the name, telephone number, and address of the new services coordinator.

(b) The individual receiving services, or as applicable the legal or designated representative of the individual, may request a new services coordinator within the same CDDP or request case management services from a support services brokerage.

(A) The CDDP must develop standards and procedures that support timely response to requests for a change of a services coordinator or when referring case management services to a support services brokerage.

(B) If another services coordinator is assigned by the CDDP as the result of a request by the individual, or as applicable the legal or designated representative of the individual, the CDDP must notify the individual, the legal or designated representative of the individual (as applicable), and all current service providers within 10 working days of the change. The notification must be in writing and include the name, telephone number, and address of the new services coordinator.

#### (3) TERMINATION OF CASE MANAGEMENT SERVICES.

(a) A services coordinator retains responsibility for providing case management services to an individual until the responsibility is terminated in accordance with this rule, until another services coordinator is designated, or until the individual is enrolled in support services. A CDDP must terminate case management services when any of the following occur:

(A) An individual or the legal representative of an individual delivers a signed written request that case management services be terminated or such a request is made by telephone and documented in the service record for the individual. An individual, or as applicable the legal or designated representative of the individual, may refuse contact by a services coordinator as well as the involvement of the services coordinator at the ISP meeting for the individual, unless the services are mandatory as described in section (5) of this rule.

(B) The individual dies.

(C) The individual is determined to be ineligible for developmental disability services in accordance with OAR 411-320-0080.

(D) The individual moves out of state or to another county in Oregon. If an individual moves to another county, case management services must be referred and transferred to the new county, unless an individual requests otherwise and both the referring CDDP and the CDDP in the new county mutually agree. In the case of a child moving into a foster home or 24-hour residential program, the county of parental residency or court jurisdiction must retain case management responsibility.

(E) An individual cannot be located after repeated attempts by letter and telephone.

(b) If an individual is being terminated from services for any reason listed in subsection (a) of this section, the CDDP must issue a Notification of Planned Action consistent with OAR 411-318-0020 to notify the individual of the intent of the CDDP to terminate services.

#### (4) TERMINATION FROM DEPARTMENT PAYMENT AND REPORTING SYSTEMS.

(a) The CDDP must terminate an individual in the Department payment and reporting systems when:

(A) The individual or the legal representative of the individual delivers a signed written request to the support services brokerage requesting brokerage services be terminated. An individual who declines support services but wishes to continue receiving developmental disability services through the CDDP is terminated from the support services brokerage but is not terminated from developmental disability services;

(B) The individual dies;

# ADMINISTRATIVE RULES

(C) The individual is determined to be ineligible for developmental disability services in accordance with OAR 411-320-0080;

(D) The individual moves out of state or to another county in Oregon. If an individual moves to another county, developmental disability services must be referred and transferred to the new county, unless an individual requests otherwise and both the referring CDDP and the CDDP in the new county mutually agree; or

(E) Notification from the support services brokerage that an individual cannot be located after repeated attempts by letter and telephone.

(b) The CDDP retains responsibility for maintaining enrollment in the Department payment and reporting systems for individuals enrolled in support services until the responsibility is terminated as described in this section of this rule.

(5) **MANDATORY SERVICES.** An individual in developmental disability services must accept the following services:

(a) Case management provided by a services coordinator or personal agent

(b) Abuse investigations;

(c) The presence of a services coordinator, when applicable, at Department-funded program entry, exit, or transfer meetings or transition planning meetings required for entry or exit to adult services, including support services and in-home comprehensive services for adults;

(d) Monitoring of service provider programs in accordance with OAR 411-320-0130 (when applicable); and

(e) Access to the service record for the individual by the services coordinator.

## 411-320-0110

### Entry and Exit Requirements

(1) **ENTRY TO A DEPARTMENT-FUNDED DEVELOPMENTAL DISABILITY PROGRAM.**

(a) The Department authorizes entry into children's residential services, CIIS, and the Stabilization and Crisis Unit. A services coordinator must make referrals for entry and participate in all entry meetings for children's residential services, CIIS, and the Stabilization and Crisis Unit.

(b) Entry to all other Department-funded programs for individuals must be coordinated and authorized by a services coordinator in accordance with these rules.

(2) **RESIDENTIAL PLACEMENT SETTING OPTIONS.** In accordance with ORS 427.121, a services coordinator must present at least three appropriate residential placement setting options, including at least two different types of residential settings, to an adult individual eligible to receive comprehensive services prior to the initial placement of the adult individual into comprehensive services. The services coordinator is not required to present the residential placement setting options if:

(a) The services coordinator demonstrates that three appropriate placement settings or two different types of residential settings are not available within the geographic area where the adult individual wishes to reside;

(b) The adult individual selects a placement setting option and waives the right to be presented with other residential placement setting options; or

(c) The adult individual is at imminent risk to health or safety in the current placement setting.

(3) **WRITTEN INFORMATION REQUIRED.** Prior to the entry of an individual into comprehensive services, a services coordinator or the designee of the services coordinator must provide available and sufficient written information necessary to meet the support needs of an individual to the service provider for the individual.

(a) The written information must be provided in a timely manner and include:

(A) A copy of the eligibility determination document for the individual;

(B) A statement indicating the safety skills of the individual, including the ability of the individual to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

(C) A brief written history of any behavioral challenges of the individual, including supervision and support needs;

(D) The medical history of the individual and information on health care supports that includes when available:

(i) The results of a physical exam (if any) made within 90 days prior to the entry;

(ii) The results of any dental evaluation;

(iii) A record of immunizations;

(iv) A record of known communicable diseases and allergies; and

(v) A record of major illnesses and hospitalizations.

(E) A written record of any current or recommended medications, treatments, diets, and aids to physical functioning for the individual;

(F) A copy of the most recent needs assessment. If the needs of an individual have changed over time, the previous needs assessments must also be provided;

(G) Copies of protocols, the risk tracking record, and any support documentation (if applicable);

(H) Copies of documents relating to the guardianship or conservatorship of the individual, health care representative for the individual, power of attorney, court orders, probation and parole information, or any other legal restrictions on the rights of the individual (if applicable);

(I) Written documentation to explain why preferences or choices of the individual cannot be honored at that time;

(J) Written documentation that the individual is participating in out-of-residence activities, including public school enrollment for individuals less than 21 years of age; and

(K) A copy of the most recent Behavior Support Plan and assessment, ISP, Nursing Service Plan, IEP, and mental health treatment plan (if applicable).

(b) If the individual is being admitted from the family home of the individual and the information required in subsection (a) of this section is not available, the services coordinator must ensure that the service provider assesses the individual upon entry for issues of immediate health or safety.

(A) The services coordinator must document a plan to secure the information listed in subsection (a) of this section no later than 30 days after entry.

(B) The plan must include a written justification as to why the information is not available and a copy must be given to the service provider at the time of entry.

(c) If the individual is being admitted from comprehensive services, the information listed in subsection (a) of this section must be made available prior to entry.

(d) If an individual is admitted to a program for crisis diversion services for a period not to exceed 30 days, subsection (a) of this section does not apply.

(4) **ENTRY MEETING.** Prior to the date of entry of an individual into a Department-funded comprehensive service, the ISP team must meet to review referral material in order to determine appropriateness of placement. The members of the ISP team are determined according to OAR 411-320-0120. Findings of the entry meeting must be recorded in the service record for the individual and distributed to the ISP team members. The findings of the entry meeting must include at a minimum:

(a) The name of the individual proposed for services;

(b) The date of the entry meeting;

(c) The date determined to be the date of entry of the individual;

(d) Documentation of the participants included in the entry meeting;

(e) Documentation of the pre-entry information required by section

(3)(a) of this rule;

(f) Documentation of the decision to serve the individual requesting services; and

(g) A written Transition Plan for no longer than 60 days after entry that includes all medical, behavior, and safety supports needed by the individual.

(5) **TRANSFER OR EXIT FROM DEPARTMENT-FUNDED PROGRAMS.**

(a) The CDDP must authorize all transfers or exits from Department-funded developmental disability services.

(b) The Department authorizes all transfers or exits from services directly contracted with the Department for children's residential services, CIIS, and the Stabilization and Crisis Unit.

(c) In accordance with ORS 427.121, a services coordinator must present at least three appropriate residential placement setting options, including at least two different types of residential settings, to an adult individual receiving comprehensive services prior to transferring the adult individual from one placement setting to another placement setting. The services coordinator is not required to present the residential placement setting options if:

(A) The services coordinator demonstrates that three appropriate placement settings or two different types of residential settings are not

# ADMINISTRATIVE RULES

available within the geographic area where the adult individual wishes to reside;

(B) The adult individual selects a placement setting option and waives the right to be presented with other residential placement setting options; or

(C) The adult individual is at imminent risk to health or safety in the current placement setting.

(d) Prior to the transfer or exit date of an individual, the ISP team must meet to review the transfer or exit and to plan and coordinate any services necessary during or following the transfer or exit. The members of the ISP team are determined according to OAR 411-320-0120.

(6) EXIT MEETING. A meeting of the ISP team must precede any decision to exit the individual. Findings of the exit meeting must be recorded in the service record for the individual and include at a minimum:

- (a) The name of the individual considered for exit;
- (b) The date of the exit meeting;
- (c) Documentation of the participants included in the exit meeting;
- (d) Documentation of the circumstances leading to the proposed exit;
- (e) Documentation of the discussion of the strategies to prevent the exit of the individual from services, unless the individual, or as applicable the legal or designated representative of the individual, is requesting the exit;

(f) Documentation of the decision regarding the exit of the individual, including verification of the voluntary decision to exit or a copy of the Notice of Involuntary Transfer or Exit; and

(g) The written plan for services for the individual after the exit.

(7) TRANSFER MEETING. A meeting of the ISP team must precede any decision to transfer an individual. Findings of the transfer meeting must be recorded in the service record for the individual and include at a minimum:

- (a) The name of the individual considered for transfer;
- (b) The date of the transfer meeting;
- (c) Documentation of the participants included in the transfer meeting;

(d) Documentation of the circumstances leading to the proposed transfer;

(e) Documentation of the alternatives considered instead of transfer;

(f) Documentation of the reasons any preferences of the individual, or as applicable the legal or designated representative or family members of the individual, may not be honored;

(g) Documentation of the decision regarding the transfer, including verification of the voluntary decision to transfer or a copy of the Notice of Involuntary Transfer or Exit; and

(h) The written plan for services for the individual after transfer.

(8) ENTRY TO SUPPORT SERVICES.

(a) Referrals of eligible individuals to a support services brokerage must be made in accordance with OAR 411-340-0110. Referrals must be made in accordance with Department guidelines and the Department-mandated application and referral form must be used.

(b) The CDDP of the county of origin of an individual may find the individual eligible for support services from a brokerage when:

(A) The individual is an Oregon resident who has been determined eligible for developmental disability services by the CDDP;

(B) The individual is an adult living in his or her own home or family home;

(C) At the time of initial entry to the support services brokerage, the individual is not enrolled in comprehensive services;

(D) At the time of initial entry to the support services brokerage, the individual is not receiving crisis diversion services from the Department because the individual does not meet one or more of the crisis risk factors listed in OAR 411-320-0160; and

(E) The individual or the legal representative of the individual has chosen to use a support service brokerage for assistance with design and management of personal supports.

(c) An eligible individual must be referred into support services within 10 days of requesting support services and selecting an available support services brokerage within the geographic service area of the CDDP unless a later date is mutually agreed upon by the individual, the brokerage, and the CDDP.

(d) The services coordinator must communicate with the support services brokerage staff and provide all relevant information upon request and as needed to assist support services brokerage staff in developing an ISP that best meets the support needs of the individual including:

(A) A current application or referral on the Department-mandated application or referral form;

(B) A completed level of care determination, if present;

(C) A copy of a current functional needs assessment, if present;

(D) A copy of the eligibility determination;

(E) Copies of financial eligibility information;

(F) Copies of any legal documents, such as guardianship papers, conservatorship, civil commitment status, probation and parole, etc.;

(G) Copies of relevant progress notes; and

(H) A copy of any current plans.

### Service Planning

(1) PRINCIPLES FOR SERVICE PLANNING. This rule prescribes standards for the development and implementation of the ISP or Annual Plan for an individual. An ISP or Annual Plan must:

(a) Be developed using a person-centered process and in a manner that addresses issues of independence, integration, and productivity;

(b) Enhance the quality of life of the individual with intellectual or developmental disabilities; and

(c) Be consistent with the following principles:

(A) Personal control and family participation. While the service system reflects the value of family member participation in the planning process, adult individuals have the right to make informed choices about the level of family member participation. It is the intent of this rule to fully support the provision of education about personal control and decision-making to individuals who are receiving services.

(B) Choice and preferences. The planning process is critical in determining the preferences of an individual and the family of the individual for services and supports. The preferences of the individual and the family of the individual must serve to guide the ISP team. The active participation of the individual and input must be facilitated throughout the planning process.

(C) Barriers. The planning process is designed to identify the types of services and supports necessary to achieve the preferences of an individual and the family of the individual, identify the barriers to providing those preferred services, and develop strategies for reducing the barriers.

(D) Health and safety. The planning process must also identify strategies to assist an individual in the exercise of the individual's rights. This may create tensions between the freedom of choice and interventions necessary to protect the individual from harm. The ISP team must carefully nurture the individual's exercise of rights while being equally sensitive to protecting the health and safety of the individual.

(E) Children in alternate living situations. When planning for children in 24-hour residential or foster care services, maintaining family connections is an important consideration. The following must apply:

(i) Unless contraindicated, there must be a goal for family reunification;

(ii) The number of moves or transfers must be kept to a minimum; and

(iii) If the placement of a child is distant from the family of the child, the services coordinator must continue to seek a placement that brings the child closer to the family.

(2) LEVEL OF CARE DETERMINATION

(a) A services coordinator must assure that an individual who will have an ISP that authorizes a comprehensive service has a level of care determination made on using a Department approved form. The ISP must be completed and authorized no later than the end of the month following the month in which the level of care determination was made.

(b) A services coordinator must assure that a level of care determination is reviewed for every individual enrolled in a comprehensive service annually within 60 days of the renewal of the ISP.

(c) A level of care determination may be made by a services coordinator or a personal agent.

(3) FUNCTIONAL NEEDS ASSESSMENT. A services coordinator must complete a functional needs assessment initially and at least annually for each individual who has an ISP. The functional needs assessment must be completed:

(a) Prior to the development of an initial ISP;

(b) Within 60 days prior to the annual renewal of an ISP; and

## ADMINISTRATIVE RULES

(c) Within 45 days from the date an individual, or as applicable the legal or designated representative of the individual, requests a functional needs assessment.

(4) **INDIVIDUAL SUPPORT PLANS (ISP).** Individuals enrolled in waiver or Community First Choice state plan services must have an ISP.

(a) A services coordinator and ISP team must develop the ISP for an individual within 90 days of the entry of the individual into comprehensive services and at least annually thereafter.

(b) Upon the request for a new functional needs assessment by an individual, or as applicable the legal or designated representative of the individual, a services coordinator must revise the ISP for the individual as needed if a revision of the ISP is requested by the individual or the legal or designated representative of the individual (as applicable). The revision of the ISP must be completed within 30 days from the new functional needs assessment. The revised ISP must be developed with the individual, the legal or designated representative of the individual (as applicable), and other invited ISP team members.

(c) The CDDP must provide a written copy of the most current ISP to the individual, the legal or designated representative of the individual (as applicable), and others as identified by the individual.

(d) **PERSON-CENTERED ISP REQUIREMENTS.** The person-centered ISP must reflect the services and supports that are important for the individual to meet the needs of the individual identified through a Department approved assessment, as well as what is important to the individual with regard to preferences for the delivery of such services and supports. Commensurate with the level of need of the individual and the scope of services and supports, the ISP must include:

(A) The name of the individual and the name of the legal or designated representative of the individual (as applicable);

(B) A description of the supports required that is consistent with the support needs identified in the assessment of the individual, including the reason the support is necessary;

(C) The projected dates of when specific supports are to begin and end;

(D) A list of personal, community, and public resources that are available to the individual and how the resources may be applied to provide the required supports. Sources of support may include waiver services, state plan services, state general funds, or natural supports;

(E) The manner in which services are delivered and the frequency of services;

(F) Service provider type for each person responsible for providing services and supports;

(G) The setting in which the individual resides as chosen by the individual;

(H) The strengths and preferences of the individual;

(I) The clinical and support needs as identified through the assessment;

(J) Individually identified goals and desired outcomes;

(K) The services and supports (paid and unpaid) to assist the individual to achieve identified goals and the providers of the services and supports, including voluntarily provided natural supports;

(L) The risk factors and the measures in place to minimize the risk factors, including back up plans;

(M) The identity of the person responsible for case management and monitoring the ISP;

(N) A provision to prevent unnecessary or inappropriate care; and

(O) The alternative settings considered by the individual.

(e) The ISP for an individual must be finalized and agreed to in writing by the individual, the legal or designated representative of the individual (as applicable), and others invited by the individual including, but not limited to, service providers or other family members.

(f) The ISP must be understandable to the individual receiving services and supports and the people important in supporting the individual.

(g) A services coordinator must track the ISP timelines and coordinate the resolution of complaints and conflicts arising from ISP discussions.

(h) An ISP must be developed, implemented, and authorized as follows:

(A) **FOSTER CARE AND 24-HOUR RESIDENTIAL SERVICES.**

(i) A services coordinator must attend and assure that an annual ISP meeting is held for individuals receiving foster care or 24-hour residential services and any associated employment services or day support activities.

(ii) A services coordinator must conduct the ISP for an individual receiving foster care or 24-hour residential services and any associated employment services or day support activities.

(iii) If a child is in 24-hour residential services directly contracted with the Department, the ISP for the child is coordinated by Department staff.

(iv) A services coordinator must ensure that the ISP for an individual receiving foster care or 24-hour residential services is developed and updated in accordance with Department guidelines.

(B) **SUPPORTED LIVING SERVICES.** A services coordinator must ensure the development of an annual ISP for an adult receiving supported living services and any associated employment services or day support activities.

(i) The services coordinator must coordinate with the individual, and as applicable the family or legal or designated representative of the individual, in the development of the annual ISP for the individual.

(ii) The ISP for an adult receiving supported living services and any associated employment services or day support activities must include the information described in subsection (d) of this section.

(C) **COMPREHENSIVE IN-HOME SUPPORTS FOR ADULTS.** A services coordinator must ensure the development of an annual ISP for an individual receiving comprehensive in-home supports.

(i) The services coordinator must coordinate with the individual, and as applicable the family or legal or designated representative of the individual, in the development of the annual ISP for the individual.

(ii) The ISP for an individual receiving comprehensive in-home supports must be in accordance with OAR 411-330-0050.

(i) As of July 1, 2014, a Career Development Plan must be attached to the ISP of an adult in accordance with OAR 411-345-0160.

(5) **ANNUAL PLANS.** Individuals enrolled in developmental disability services not accessing waiver or state plan services must have an Annual Plan.

(a) A services coordinator must complete an Annual Plan within 60 days of the enrollment of an individual into case management services, and annually thereafter if the individual is not enrolled in any waiver or state plan services.

(b) An Annual Plan must be developed as follows:

(A) For an adult, a written Annual Plan must be documented as an Annual Plan or as a comprehensive progress note in the service record for the individual and consist of:

(i) A review of the current living situation of the individual;

(ii) A review of any personal health, safety, or behavioral concerns;

(iii) A summary of the support needs of the individual; and

(iv) Actions to be taken by the services coordinator and others.

(B) For a child receiving family support services, a services coordinator must coordinate with the child and the family or guardian of the child in the development of the Annual Plan for the child. The Annual Plan for a child receiving family support services must be in accordance with OAR 411-305-0080.

(6) **PLANS FOR IN-HOME SUPPORTS FOR CHILDREN.** For a child receiving in-home supports, a services coordinator must coordinate with the child and the family or guardian of the child in the development of the ISP or Annual Plan for the child. The ISP or Annual Plan for a child receiving in-home supports must be in accordance with OAR chapter 411, division 308 and sections (3) and (4) of this rule, as applicable.

(7) **PLAN FORMATS.** An ISP or Annual Plan developed at an annual or update meeting must be conducted in a manner specified by the Department and on forms required by the Department. In the absence of a Department-mandated form, the CDDP with the affected service providers may develop an ISP format that conforms to the rules for the service provider and provides for an integrated plan across the funded developmental disability service settings.

(8) **PLAN UPDATES.** An ISP or Annual Plan must be kept current. A services coordinator, the residential services coordinator for the Department for children in 24-hour residential services directly contracted with the Department, and CIIS services coordinators for children served through the CIIS waiver must ensure that a current ISP or Annual Plan is authorized and maintained for each individual receiving services.

(a) The ISP or Annual Plan must be kept in the service record for an individual.

(b) ISP or Annual Plan updates must occur as required by this rule and any rules governing the operation of the service.

(c) When there is a significant change, the ISP or Annual Plan must be updated.

(9) **PLAN REVIEWS.** The ISP must be reviewed and revised:

(a) No more than 30 days following a new functional needs assessment;

(b) At least every 12 months;

# ADMINISTRATIVE RULES

(c) When the circumstances or needs of an individual change significantly; and

(d) At the request of an individual or the legal or designated representative of the individual (as applicable).

(10) **TEAM PROCESS IN SERVICE AND SUPPORT PLANNING.** This section applies to an ISP developed for an individual in comprehensive services by the individual and the ISP team for the individual.

(a) An ISP for an individual in comprehensive services is developed at least by the individual, the legal or designated representative of the individual (as applicable), and the services coordinator. Others may be included as a part of the ISP team at the invitation of the individual or the legal or designated representative of the individual (as applicable). The ISP team assigns responsibility for obtaining or providing services to meet the identified needs of the individual.

(A) Membership on the ISP team must at least conform to this rule and any relevant service provider rules. An individual, or as applicable the legal or designated representative of the individual, may include additional participants, friends, or significant others on the ISP team.

(B) The individual may raise an objection to the inclusion of a particular person or service provider on the ISP team. When the individual raises objections to a person, the ISP team must respect the request of the individual. In order to assure adequate planning, service provider representatives are necessary informants to the ISP team.

(b) An ISP developed by an ISP team must respect and honor individual choice in the development of a meaningful plan.

(c) In circumstances where an individual is unable to express his or her opinion or choice using words, behaviors, or other means of communication and the individual does not have a legal or designated representative, the ISP team is empowered to make a decision on behalf of the individual.

(d) No one member of an ISP team has the authority to make decisions for the ISP team.

(e) Consensus amongst ISP team members is prioritized. When consensus may not be reached, majority agreement is used. For purposes of reaching a majority agreement, a service provider, family member, CDDP, or designated representative are considered as one member of the ISP team.

(f) Any objections to decisions of the ISP team by a member of the ISP team must be documented in the ISP.

(g) The legal or designated representative of an individual directing services for the individual (as applicable) may not also be a paid service provider for the individual.

(h) An ISP is authorized by a services coordinator using a person-centered planning process and with agreement by the individual and the legal or designated representative of the individual (as applicable).

(i) An individual or the legal representative of the individual retains the right to consent to treatment and training and to note any specific areas of the ISP that they object to and wish to file a complaint.

(j) ISP team members must inform the services coordinator whenever there are significant needs or changes or there is a crisis or potential for a crisis. The services coordinator must reconvene the ISP team if ISP adjustments are required due to a significant change in the support needs or desired goals of an individual.

### Case Management Contact, Site Visits, and Monitoring of Services

(1) **CASE MANAGEMENT CONTACT.** Every individual who has an ISP must have a case management contact no less than once every three months. Individuals with significant health and safety risks must have more frequent case management contact. At least one case management contact per year must be face to face. If an individual agrees, other case management contacts may be made by telephone or by other interactive methods. The outcome of the case management contact must be recorded in the progress note for an individual. The purpose of the case management contact is:

(a) To assure known health and safety risks are adequately addressed;

(b) To assure that the support needs of the individual have not significantly changed; and

(c) To assure that the individual is satisfied with the current supports.

(2) **SITE VISITS.**

(a) The CDDP must ensure that site visits are conducted at each child or adult foster home, each 24-hour residential program, and each site for

employment services and day support activities licensed or certified and endorsed (as applicable) by the Department to serve individuals with intellectual or developmental disabilities.

(b) The CDDP must establish a quarterly schedule for site visits to each child or adult foster home and each 24-hour residential program.

(c) The CDDP must establish an annual schedule for site visits to each employment services or day support activities site. If a visit to an integrated employment site disrupts the work occurring, a mutually agreed upon location for the site visit must be arranged.

(d) The CDDP must establish an annual schedule for visits with individuals receiving supported living services. If an individual opposes a visit to his or her home, a mutually agreed upon location for the visit must be arranged.

(e) Site visits may be increased for any of the following reasons, including but not limited to:

(A) Increased certified and licensed capacity;

(B) New individuals receiving services;

(C) Newly licensed or certified and endorsed provider;

(D) An abuse investigation;

(E) A serious event;

(F) A change in the management or staff of the licensed or certified and endorsed provider;

(G) An ISP team request;

(H) Individuals receiving services are also receiving crisis diversion services; or

(I) Significant change in the functioning of an individual who receives services at the site.

(f) The CDDP must develop a procedure for the conduct of the visits to these sites.

(g) The CDDP must document site visits and provide information concerning the site visits to the Department upon request.

(h) If there are no Department-funded individuals at the site, a visit by the CDDP is not required.

(i) When a service provider is a Department-contracted and licensed, certified, and endorsed 24-hour residential program for children and the children's residential services coordinator for the Department is assigned to monitor services, the children's residential services coordinator and the CDDP shall coordinate the site visit. If the site visit is made by Department staff, Department staff shall provide the results of the site visit to the local services coordinator.

(j) The Department may conduct site visits on a more frequent basis than described in this section based on program needs.

(3) **MONITORING OF SERVICES:** A services coordinator must conduct monitoring activities using the framework described in this section.

(a) For all individuals with an authorized ISP, an ongoing review of the ISP for the individual must determine whether the actions identified by the ISP team are being implemented by the service providers and others. The review of an ISP must include an assessment of the following:

(A) Are services being provided as described in the ISP and do the services result in the achievement of the identified action plans?

(B) Are the personal, civil, and legal rights of the individual protected in accordance with these rules?

(C) Are the personal desires of the individual, and as applicable the legal or designated representative or family of the individual, addressed?

(D) Do the services provided for in the ISP continue to meet what is important to, and for, the individual?

(E) Do identified goals remain relevant and are the goals supported and being met?

(b) For an individual residing in 24-hour residential services, supported living, foster care, or receiving employment services or day support activities, the monitoring of services may be combined with the site visits described in section (1) of this rule. In addition:

(A) During a one year period, the services coordinator must review, at least once, services specific to health, safety, and behavior using questions established by the Department.

(B) A semi-annual review of the process by which an individual accesses and utilizes funds must occur using questions established by the Department. The services coordinator must determine whether financial records, bank statements, and personal spending funds are correctly reconciled and accounted for.

(i) The financial review standards for 24-hour residential services are described in OAR 411-325-0380.

(ii) The financial review standards for adult foster home services are described in OAR 411-360-0170.

# ADMINISTRATIVE RULES

(iii) Any misuse of funds must be reported to the CDDP and the Department. The Department determines whether a referral to the Medicaid Fraud Control Unit is warranted.

(C) The services coordinator must monitor reports of serious and unusual incidents.

(c) For an individual receiving employment services, the services coordinator must also assess the progress of the individual toward a path to employment.

(d) The frequency of service monitoring must be determined by the needs of an individual. Events identified in section (1)(d) of this rule provide indicators that may potentially increase the need for service monitoring.

(e) For an individual receiving only case management services and not enrolled in any other funded developmental disability services, the services coordinator must make contact with the individual at least once annually.

(A) Whenever possible, annual contact must be made in person. If annual contact is not made in person, a progress note in the service record for the individual must document how contact was achieved.

(B) The services coordinator must document annual contact in the Annual Plan for the individual as described in OAR 411-320-0120.

(C) If the individual has any identified high-risk medical issue including, but not limited to, risk of death due to aspiration, seizures, constipation, dehydration, diabetes, or significant behavioral issues, the services coordinator must maintain contact in accordance with planned actions as described in the Annual Plan for the individual.

(D) Any follow-up activities must be documented in a progress note.

(4) MONITORING FOLLOW-UP. A services coordinator and the CDDP are responsible for ensuring the appropriate follow-up to monitoring of services, except in the instance of children in 24-hour residential services directly contracted with the Department when the Department conducts the follow-up.

(a) If the services coordinator determines that comprehensive services are not being delivered as agreed in the ISP or Annual Plan for an individual or that the service needs of an individual have changed since the last review, the services coordinator must initiate action to update the ISP or Annual Plan of the individual.

(b) If there are concerns regarding the ability of a service provider to provide services, the CDDP in consultation with the services coordinator must determine the need for technical assistance or other follow-up activities such as coordination or provision of technical assistance, referral to the CDDP manager for consultation or corrective action, requesting assistance from the Department for licensing or other administrative support, or meeting with the executive director or board of directors of the service provider.

(5) DEPARTMENT NOTIFICATION. In addition to conducting abuse or other investigations as necessary, the CDDP must notify the Department when:

(a) A service provider demonstrates substantial failure to comply with any applicable licensing, certification, or endorsement rules for Department-funded programs;

(b) The CDDP finds a serious and current threat endangering the health, safety, or welfare of individuals in a program for which an immediate action by the Department is required; or

(c) Any individual receiving Department-funded developmental disability services dies. Notification must be made to the Director of the Department within one working day of the death. Entry must be made into the Serious Event Review System according to Department guidelines.

### Contractor Disputes

(1) When a dispute exists between a CDDP and a subcontracted service provider regarding the terms of their contract or the interpretation of administrative rule and local dispute resolution efforts have been unsuccessful, either party may request assistance from the Department in mediating the dispute.

(a) The parties must demonstrate a spirit of cooperation, mutual respect, and good faith in all aspects of the mediation process. Mediation must be conducted as follows:

(A) The party requesting mediation must send a written request to the Director of the Department, the CDDP Director, and the Executive Director of the service provider, unless other people are named as official contact people in the specific rule or contract under dispute. The request must describe the nature of the dispute and identify the specific rule or contract provisions that are central to the dispute.

(B) Department staff shall arrange the first meeting of the parties at the earliest possible date. The agenda for the first meeting shall include:

(i) Consideration of the need for services of an outside mediator. If the services of an unbiased mediator are desired, agreement shall be made on arrangements for obtaining these services;

(ii) Development of rules and procedures that shall be followed by all parties during the mediation; and

(iii) Agreement on a date by which mediation shall be completed unless extended by mutual agreement.

(C) Unless otherwise agreed to by all parties:

(i) Each party shall be responsible for the compensation and expenses of their own employees and representatives; and

(ii) Costs that benefit the group, such as services of a mediator, rental of meeting space, purchase of snack food and beverage, etc. shall be shared equally by all parties.

(b) A written statement documenting the outcome of the mediation must be prepared. This statement must consist of a brief written statement signed by all parties or separate statements from each party declaring their position on the dispute at the conclusion of the mediation process. In the absence of written statements from other parties, the Department shall prepare the final report. A final report on each mediation must be retained on file at the Department.

(2) A service provider may appeal the imposition of a disputed term or condition in the contract if the service provider believes that the contract offered by the CDDP contains terms or conditions that are not substantially similar to those established by the Department in the model contract. The appeal of the imposition of the disputed terms or conditions must be in writing and sent to the Director of the Department within 30 calendar days after the effective date of the contract requirement.

(a) A copy of the notice of appeal must be sent to the CDDP. The notice of appeal must include:

(A) A copy of the contract and any pertinent contract amendments;

(B) Identification of the specific terms that are in dispute; and

(C) A complete written explanation of the dissimilarity between terms.

(b) Upon receipt of the notice of appeal, the CDDP must suspend enforcement of compliance with any contract requirement under appeal by the service provider until the appeal process is concluded.

(c) The Director of the Department must offer to mediate a solution in accordance with the procedure outlined in sections (1)(a) and (1)(b) of this rule.

(A) If a solution cannot be mediated, the Director of the Department shall declare an impasse through written notification to all parties and immediately appoint a panel to consider arguments from both parties. The panel must include at a minimum:

(i) A representative from the Department;

(ii) A representative from another CDDP; and

(iii) A representative from another service provider organization.

(B) The panel must meet with the parties, consider the respective arguments, and send written recommendations to the Director of the Department within 45 business days after an impasse is declared, unless the Director of the Department grants an extension.

(C) If an appeal requiring panel consideration has been received from more than one contractor, the Department may organize materials and discussion in any manner deemed necessary, including combining appeals from multiple contractors, to assist the panel in understanding the issues and operating efficiently.

(D) The Director of the Department must notify all parties of his or her decision within 15 business days from the receipt of the recommendations of the panel. The decision of the Department is final. The CDDP must take immediate action to amend contracts as needed to comply with the decision.

(E) Notwithstanding section (2)(c) of this rule, the Director of the Department has the right to deny the appeal or a portion of the appeal if, upon receipt and review of the notice of appeal, the Director of the Department finds that the contract language being contested is identical to the current language in the county financial assistance agreement with the Department.

# ADMINISTRATIVE RULES

(d) The CDDP or the contractor may request an expedited appeal process that provides a temporary resolution if it can be shown that the time needed to follow procedures to reach a final resolution would cause imminent risk of serious harm to individuals or organizations.

(A) The request must be made in writing to the Director of the Department. The request must describe the potential harm and level of risk that shall be incurred by following the appeal process.

(B) The Department must notify all parties of the decision to approve an expedited appeal process within two business days.

(C) If an expedited process is approved, the Department shall notify all parties of the decision concerning the dispute within three additional business days. The decision resulting from an expedited appeal process shall be binding, but temporary, pending completion of the appeal process. All parties must act according to the temporary decision until notified of a final decision.

### Individual Complaints, Notification of Planned Action, and Hearings

#### (1) INDIVIDUAL COMPLAINTS.

(a) The CDDP must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015.

(b) Complaints by or on behalf of individuals must be addressed in accordance with OAR 411-318-0015.

(c) Upon entry, request, and annually thereafter, the policy and procedures for complaints as described in OAR 411-318-0015 must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

(2) NOTIFICATION OF PLANNED ACTION. In the event developmental disability services are involuntarily denied, reduced, suspended, or terminated or voluntarily reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

#### (3) HEARINGS.

(a) Hearings must be addressed in accordance with ORS Chapter 183 and OAR 411-318-0025.

(b) An individual, or as applicable the legal or designated representative of the individual, may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025 for involuntary denials, reductions, suspensions, or terminations or 411-318-0030 for involuntary transfers or exits.

(c) Upon entry, request, and annually thereafter, a notice of hearing rights and the policy and procedures for hearings as described in OAR chapter 411, division 318 must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

**Subject:** The Department of Human Services (Department) is immediately updating the rules in:

- OAR chapter 411, division 323 for agency certification and endorsement to provide program services to individuals with intellectual or developmental disabilities;

- OAR chapter 411, division 325 for 24-hour residential services for individuals with intellectual or developmental disabilities; and

- OAR chapter 411, division 328 for supported living services for individuals with intellectual or developmental disabilities.

These temporary rules:

- Update the Medicaid eligibility criteria, remove crisis eligibility requirements, and incorporate service eligibility requirements related to the transfer of assets in accordance with OAR 461-140-0210 to 461-140-0300;

- Implement Senate Bill 22 by updating the rights of individuals and providing a consistent dispute resolution process;

- Offer appropriate placement setting options upon a transfer as described in OAR 411-320-0110 and ORS 427.121;

- Incorporate the requirement for individuals of working age to have a Career Development Plan attached to their ISP, and replace references to alternatives to employment services with day support activities to align with waiver and state plan requirements;

- Align the supported living services rules for behavior support services with the rules for 24-hour residential services by updating the requirements for documenting and reporting occurrences of injury, accidents, acts of physical aggression, protective physical intervention, or unusual incidents;

- Incorporate the general definitions in OAR 411-317-0000, update the definitions to reflect correct terminology, and include definitions for terms created by the temporary rulemaking;

- Remove references to proctor care services; and

- Update provider qualifications, personnel requirements, and the administrator review process.

### Statement of Purpose

(1) The rules in OAR chapter 411, division 323 prescribe standards, responsibilities, and procedures for agencies to obtain a certificate and endorsement in order to provide person-centered services to individuals with intellectual or developmental disabilities in the following community-based settings:

(a) 24-hour residential as described in OAR chapter 411, division 325;

(b) Supported living as described in OAR chapter 411, division 328;

or

(c) Employment and day support as described in OAR chapter 411, division 345.

(2) To provide person-centered services to individuals with intellectual or developmental disabilities in community-based settings, agencies must have:

(a) A certificate to provide Medicaid services in the state of Oregon as described in OAR 411-323-0030;

(b) Endorsement to provide Medicaid services as described in OAR 411-323-0035;

(c) A Medicaid Agency Identification Number assigned by the Department as described in OAR chapter 411, division 370; and

(d) For each licensed site or geographic location where direct program services are to be delivered, a Medicaid Performing Provider Number assigned by the Department as described in OAR chapter 411, division 370.

(c) Has a combination of direct and indirect ownership interests equal to 5 percent or more in a disclosing entity;

(d) Owns an interest of 5 percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least 5 percent of the value of the property or assets of the disclosing entity;

(e) Is an officer or director of a disclosing entity that is organized as a corporation; or

(f) Is a partner in a disclosing entity that is organized as a partnership.

(43) "Person-Centered Planning":

(a) Means a timely and formal or informal process that is driven by an individual, includes people chosen by the individual, ensures that the individual directs the process to the maximum extent possible, and that the individual is enabled to make informed choices and decisions consistent with CFR 441.540.

(b) Person centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, service providers, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(44) "Positive Behavioral Theory and Practice" means a proactive approach to behavior and behavior interventions that:

(a) Emphasizes the development of functional alternative behavior and positive behavior intervention;

(b) Uses the least intervention possible;

(c) Ensures that abusive or demeaning interventions are never used; and

(d) Evaluates the effectiveness of behavior interventions based on objective data.

(45) "Productivity" as defined in ORS 427.005 means:

(a) Engagement in income-producing work by an individual that is measured through improvements in income level, employment status, or job advancement; or

(b) Engagement by an individual in work contributing to a household or community.

(46) "Program" means "agency" as defined in these rules.

(47) "Program Services" mean the person-centered services provided in a community-based setting as described in:

(a) OAR chapter 411, division 325 for 24-hour residential;

(b) OAR chapter 411, division 328 for supported living; and

(c) OAR chapter 411, division 345 for employment and day support.

(48) "Program Rules" mean the rules in:

(a) OAR chapter 411, division 325 for 24-hour residential;

(b) OAR chapter 411, division 328 for supported living; and

(c) OAR chapter 411, division 345 for employment and day support.

(49) "Protection" means necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, and to safeguard the person, property, and funds of the individual.

(50) "Protective Physical Intervention" means any manual physical holding of, or contact with, an individual that restricts freedom of movement.

(51) "Provider" means "agency" as defined in this rule.

(52) "Revocation" means the action taken by the Department to rescind:

(a) A certificate to operate an agency after the Department has determined that the agency is not in compliance with these rules or the corresponding program rules; or

(b) An endorsement for an agency to provide program services after the Department has determined that the agency is not in compliance with these rules or the corresponding program rules.

(53) "Services" mean supportive services including, but not limited to, supervision, protection, and assistance in bathing, dressing, grooming, eating, management of money, transportation, or recreation. Services also include being aware of the general whereabouts of an individual at all times and monitoring the activities of the individual to ensure the health, safety, and welfare of the individual.

(54) "Services Coordinator" means "Services Coordinator" as defined in OAR 411-320-0020.

(55) "Staff" means a paid employee responsible for providing services to an individual whose wages are paid in part or in full with funds sub-contracted with the CDDP or contracted directly through the Department.

(56) "Substantiated" means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(57) "Support" means the assistance that an individual requires, solely because of the affects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(58) "Suspension" means an immediate temporary withdrawal of the:

(a) Certificate to operate an agency after the Department determines that the agency is not in compliance with these rules or the corresponding program rules; or

(b) Endorsement for an agency to provide program services after the Department determines that the agency is not in compliance with these rules or the corresponding program rules.

(59) "These Rules" mean the rules in OAR chapter 411, division 323.

(60) "Unacceptable Background Check" means a check that precludes the agency from being certified or endorsed for the following reasons:

(a) The agency or any person holding 5 percent or greater ownership interest in the agency has been disqualified under OAR 407-007-0275; or

(b) A background check and fitness determination has been conducted resulting in a "denied" status as defined in OAR 407-007-0210.

(61) "Variance" means a temporary exception from a regulation or provision of these rules that may be granted by the Department upon written application by the agency.

## 411-323-0030

### Certification

(1) **CERTIFICATION.** A person, agency, or governmental unit acting individually or jointly with any other person, agency, or governmental unit intending to provide program services as defined in OAR 411-323-0020 must be certified by the Department under these rules before establishing, conducting, maintaining, managing, or operating an agency.

(a) Certificates are not transferable.

(b) The Department issues or renews a certificate to an agency found to be in compliance with these rules and the corresponding program rules. The certificate is effective for five years from the date issued unless sooner revoked or suspended.

(c) If an agency fails to provide complete, accurate, and truthful information during the application or renewal process, the Department may delay initial certification, deny the application, or revoke or refuse to renew the application for certification.

(d) For the purpose of certification, any applicant or person with an ownership interest in an agency is considered responsible for acts occurring during, and relating to, the operation of the agency.

(e) The Department may consider the background and operating history of the applicant and each person with an ownership interest when determining whether to issue or renew a certificate.

(f) A review of the agency is conducted by the Department prior to the issuance or renewal of a certificate.

(2) **CURRENT AGENCY CERTIFICATION.**

(a) All agencies providing program services as of July 1, 2011 are certified for five years unless the certification is sooner revoked or suspended.

(b) Agencies licensed or certified under OAR chapter 411, division 054 for residential care and assisted living facilities, OAR chapter 309, division 035 for residential treatment facilities for people who are mentally or emotionally disturbed, OAR chapter 413, division 215 for child welfare private child caring agencies, or OAR chapter 416, division 550 for youth offender treatment foster care do not require additional certification as an agency under these rules to provide program services. Current license or certification is considered sufficient demonstration of ability to:

(A) Recruit, hire, supervise, and train qualified staff;

(B) Provide program services according to an ISP; and

(C) Develop and implement operating policies and procedures required for managing an agency and delivering program services, including provisions for safeguarding individuals receiving program services.

(3) **INITIAL CERTIFICATION.** Notwithstanding section (2) of this rule, an applicant intending to provide program services as defined in OAR 411-323-0020 must apply for an initial certificate and demonstrate to the satisfaction of the Department that the applicant is in compliance with these rules and the corresponding program rules.

(a) The applicant must submit an application to the Department at least 90 days prior to anticipated certification. The completed application must be on a form provided by the Department and must include all information requested by the Department.

(b) At a minimum, the applicant must provide:

(A) A copy of any management agreements or contracts relative to the operation and ownership of the agency;

(B) A financial plan that includes financial statements indicating capital and the financial plan developed to assure sustainability, partnerships, loans, and any other financial assistance; or

(C) As required by 42 CFR 455.104, the name, date of birth, and social security number for each person currently serving as the Board of Directors for the agency, and as changes are made.

(c) The applicant must develop a plan identifying the scope of program services the applicant intends to provide and request endorsement for each program service as described in OAR 411-323-0035.

(d) The applicant must demonstrate proof of liability and operational insurance coverage.

(A) The agency must, at the expense of the agency, maintain in effect with respect to all occurrences taking place during the certification period, liability and operational insurance as described in the contract the agency has with the Department including, but not limited to, automobile liability insurance, comprehensive or commercial general liability insurance, and workers' compensation coverage if required.

(B) The agency must name the State of Oregon, Department of Human Services and the divisions, officers, and employees of the Department as additionally insured on any insurance policies required by their contract with respect to agency activities being performed under the certification of the agency. Such insurance must be issued by an insurance

company licensed to do business in the state of Oregon and must contain a 30 day notice of cancellation endorsement.

(C) The agency must forward certificates of insurance indicating coverage to the Department as required by this rule.

(D) In the event of unilateral cancellation or restriction by the insurance company of any insurance coverage required by the contract the agency has with the Department, the agency must immediately notify the Department orally of the cancellation or restriction and must confirm the cancellation or restriction in writing within three days of receiving notification from the insurance company.

(4) **CERTIFICATE RENEWAL.**

(a) To renew a certificate, the agency must:

(A) Submit an application to the Department at least 90 days prior to the expiration date of the existing certificate for the agency. The completed application must be on a form provided by the Department and must include all information requested by the Department. At a minimum, the agency must provide:

(i) A copy of any management agreements or contracts relative to the operation and ownership of the agency;

(ii) A financial plan that includes financial audits for the last two years as described in section (5) of this rule; and

(iii) As required by 42 CFR 455.104, the name, date of birth, and social security number for each person currently serving as the Board of Directors for the agency, and as changes are made.

(B) Identify the scope of program services the agency provides and provide proof of endorsement for each program service as described in OAR 411-323-0035;

(C) Demonstrate to the satisfaction of the Department that the agency is in compliance with these rules and the corresponding program rules; and

(D) Demonstrate proof of continued liability and operational insurance coverage as described in section (3)(d) of this rule.

(b) An application for renewal filed with the Department before the date of expiration extends the effective date of the existing certificate until the Department takes action upon the application for renewal.

(c) If the renewal application is not submitted to the Department prior to the date the certificate expires, the agency is considered a non-certified Medicaid agency and is subject to termination of their Medicaid Agency Identification Number.

(5) **FINANCIAL AUDITS.** Agencies certified and endorsed to provide program services must obtain an audit at least once during the biennium. On alternating years, the agency may obtain an audit review as defined in OAR 411-323-0020 or another financial audit. The audit or the audit review must be submitted to the Department within 90 days of the end of the fiscal year.

(6) **CERTIFICATE EXPIRATION.** Unless revoked, suspended, or terminated earlier, each certificate to operate as a Medicaid agency expires five years following the date of issuance.

(7) **CERTIFICATE TERMINATION.** The certificate automatically terminates on the date agency operation is discontinued or if there is a change in ownership.

(8) **RETURN OF CERTIFICATE.** The certificate must be returned to the Department immediately upon suspension or revocation of the certificate or when agency operation is discontinued.

(9) **CHANGE OF OWNERSHIP, LEGAL ENTITY, LEGAL STATUS, OR MANAGEMENT CORPORATION.**

(a) The agency must notify the Department in writing of any pending change in the ownership, legal entity, legal status, or management corporation of the agency.

(b) A new certificate is required upon a change in the ownership, legal entity, legal status, or management corporation of the agency. The agency must submit an application as described in section (3) of this rule to the Department at least 30 days prior to a change in ownership, legal entity, legal status, or management corporation.

(10) **CERTIFICATE ADMINISTRATIVE SANCTION.** An administrative sanction may be imposed for non-compliance with these rules. An administrative sanction on a certificate includes one or more of the following actions:

(a) A condition as described in section (11) of this rule;

(b) Denial, revocation, or refusal to renew a certificate as described in section (12) of this rule; or

(c) Immediate suspension of a certificate as described in section (13) of this rule.

(11) **CERTIFICATE CONDITIONS.**

(a) The Department may attach conditions to a certificate that limit, restrict, or specify other criteria for operation of the agency. The type of

# ADMINISTRATIVE RULES

condition attached to a certificate must directly relate to the risk of harm or potential risk of harm to individuals. The Department may attach a condition to a certificate upon a finding that:

- (A) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of individuals;
- (B) A threat to the health, safety, or welfare of an individual exists;
- (C) There is reliable evidence of abuse, neglect, or exploitation; or
- (D) The agency is not being operated in compliance with these rules or the corresponding program rules.

(b) Conditions that the Department may impose on a certificate include, but are not limited to:

- (A) Restricting the total number of individuals to whom a program may provide services;
- (B) Restricting the total number of individuals to whom a program may provide services based upon the capability and capacity of the agency and staff to meet the health and safety needs of all individuals;
- (C) Restricting the type of support and services the program may provide to individuals based upon the capability and capacity of the agency and staff to meet the health and safety needs of all individuals;
- (D) Requiring additional staff or staff qualifications;
- (E) Requiring additional training;
- (F) Restricting the agency from allowing a person on the premises who may be a threat to the health, safety, or welfare of an individual;
- (G) Requiring additional documentation; or
- (H) Restricting admissions.

(c) **NOTICE OF CERTIFICATE CONDITIONS.** A written notice is issued to the agency by the Department when the Department imposes conditions on the certificate of the agency. The written notice of certificate conditions includes the conditions imposed by the Department, the reason for the conditions, and the opportunity to request a hearing under ORS chapter 183. Conditions take effect immediately upon issuance of the written notice of certificate conditions or at a later date as indicated on the notice and are a final order of the Department unless later rescinded through the hearing process. The conditions imposed remain in effect until the Department has sufficient cause to believe the situation that warranted the condition has been remedied.

(d) **HEARING.** The agency may request a hearing in accordance with ORS chapter 183 and this rule upon receipt of written notice of certificate conditions.

(A) The agency must request a hearing in writing within 21 days from the receipt of the written notice of certificate conditions.

(B) In addition to, or in-lieu of a hearing, an agency may request an administrator review as described in section (14) of this rule. The administrator review does not diminish the right of the agency to a hearing.

(e) The agency may send a written request to the Department to remove a condition if the agency believes the situation that warranted the condition has been remedied.

(f) Conditions must be posted with the certificate in a prominent location and be available for inspection at all times.

(12) **CERTIFICATE DENIAL, REFUSAL TO RENEW, OR REVOCATION.**

(a) The Department may deny, refuse to renew, or revoke a certificate when the Department finds the agency or any person holding 5 percent or greater ownership interest in the agency:

(A) Demonstrates substantial failure to comply with these rules or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized and the agency fails to correct the non-compliance within 30 calendar days from the receipt of written notice of non-compliance;

(B) Has demonstrated a substantial failure to comply with these rules or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized;

(C) Has been convicted of any crime that would have resulted in an unacceptable background check upon hiring or authorization of program services;

(D) Has been convicted of a misdemeanor associated with the operation of an agency or program services;

(E) Falsifies information required by the Department to be maintained or submitted regarding individual program services, agency finances, or funds belonging to the individuals;

(F) Has been found to have permitted, aided, or abetted any illegal act that has had significant adverse impact on individual health, safety, or welfare; or

(G) Has been placed on the list of excluded or debarred providers maintained by the Office of the Inspector General.

(b) **NOTICE OF CERTIFICATE DENIAL, REVOCATION, OR REFUSAL TO RENEW.** The Department may issue a notice of denial, refusal to renew, or revocation of a certificate following a Department finding that there is a substantial failure to comply with these rules or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized, or that one or more of the events listed in subsection (a) of this section has occurred.

(c) **HEARING.** An applicant for a certificate or a certified agency, as applicable, may request a hearing in accordance with ORS Chapter 183, this rule, and 443.440 for 24-hour residential services, upon written notice from the Department of denial, refusal to renew, or revocation of a certificate.

(A) **DENIAL.** The applicant must request a hearing within 60 days from the receipt of the written notice of denial.

(B) **REFUSAL TO RENEW.** The agency must request a hearing within 60 days from the receipt of the written notice of refusal to renew. The request for a hearing must be in writing.

(C) **REVOCATION.**

(i) Notwithstanding subsection (ii) of this section, the agency must request a hearing in writing within 21 days from the receipt of the written notice of revocation. In addition to, or in-lieu of a hearing, the agency may request an administrator review as described in section (14) of this rule. The administrator review does not diminish the right of the agency to a hearing. The request for a hearing or administrator review must be in writing.

(ii) **24-HOUR RESIDENTIAL SERVICES.** An agency endorsed to provide 24-hour residential services as described in OAR chapter 411, division 325 must request a hearing within 10 days from the receipt of the written notice of revocation. The request for a hearing must be in writing.

(13) **IMMEDIATE SUSPENSION OF CERTIFICATE.**

(a) When the Department finds a serious and immediate threat to individual health and safety and sets forth the specific reasons for such findings, the Department may, by written notice to the agency, immediately suspend a certificate without a pre-suspension hearing and the agency may not continue operating.

(b) **HEARING.** The agency may request a hearing in accordance with ORS chapter 183, this rule, and ORS 443.440 for 24-hour residential services, upon written notice from the Department of the immediate suspension of the certificate.

(A) Notwithstanding subsection (B) of this section, the agency must request a hearing within 21 days from the receipt of the written notice of suspension. In addition to, or in-lieu of a hearing, the agency may request an administrator review as described in section (14) of this rule. The administrator review does not diminish the right of the agency to a hearing.

(B) **24-HOUR RESIDENTIAL SERVICES.** An agency endorsed to provide 24-hour residential services as described in OAR chapter 411, division 325 must request a hearing within 10 days from the receipt of the written notice of suspension.

(14) **ADMINISTRATOR REVIEW.**

(a) In addition to the right to a contested case hearing, an agency may request an administrator review notwithstanding subsection (b) of this section.

(b) **24-HOUR RESIDENTIAL SERVICES.** An agency endorsed to provide 24-hour residential services as described in OAR chapter 411, division 325 may not request an administrator review for revocation or suspension. An agency endorsed to provide 24-hour residential services as described in OAR chapter 411, division 325 may request an administrator review for imposition of conditions.

(c) The Department must receive a written request for an administrator review within 10 business days from the receipt of the notice of suspension, revocation, or imposition of conditions. The agency may submit, along with the written request for an administrator review, any additional written materials the agency wishes to have considered during the review.

(d) The determination of the administrator review is issued in writing within 10 business days from the receipt of the written request for a review, or by a later date as agreed to by the agency.

(e) The agency, notwithstanding subsection (b) of this section, may request a hearing if the decision of the Department is to affirm the suspension, revocation, or condition. The Department must receive a written request for a hearing within 21 days from the receipt of the original written notice of suspension, revocation, or imposition of conditions.

(15) **INFORMAL CONFERENCE.** Unless an administrator review has been completed as described in section (14) of this rule, an applicant or agency requesting a hearing may have an informal conference with the Department.

### Endorsement

(1) **ENDORSEMENT REQUIRED.** A person, agency, or governmental unit acting individually or jointly with any other person, agency, or governmental unit intending to provide program services as defined in OAR 411-323-0020 must be endorsed by the Department under these rules before establishing, conducting, maintaining, managing, or operating program services.

(a) Endorsements are not transferable or applicable to any other program services. Separate endorsements are required for each program service provided by a certified agency. A certified agency intending to provide additional program services once initial endorsement has been issued must apply for an additional endorsement as described in section (3) of this rule.

(b) A certified agency must report each geographic location where program services are provided to the Department and to the corresponding CDDP of the geographic location as described in this rule.

(c) The Department issues or renews an endorsement to a certified agency found to be in compliance with these rules and the corresponding program rules. The effective date for each endorsement corresponds with the effective date for the certification of the agency unless sooner revoked or suspended.

(d) If a certified agency fails to provide complete, accurate, and truthful information during the application or renewal process, the Department may delay initial endorsement, deny the application, or revoke or refuse to renew the endorsement for program services.

(e) For the purpose of endorsement, any applicant or person with an ownership interest in a certified agency is considered responsible for acts occurring during, and relating to, the operation of the agency.

(f) The Department may consider the background and operating history of the applicant and each person with an ownership interest when determining whether to issue or renew an endorsement.

(g) A review of the certified agency is conducted by the Department prior to the issuance or renewal of an endorsement.

### (2) CURRENT AGENCY ENDORSEMENT.

(a) All certified agencies providing program services as of July 1, 2011 are endorsed for five years for the program services being provided as of July 1, 2011 unless the endorsement is sooner revoked or suspended.

(b) A certified agency intending to provide additional program services after July 1, 2011 must apply for endorsement as described in section (3) of this rule.

(c) Agencies licensed or certified under OAR chapter 411, division 054 for residential care and assisted living facilities, OAR chapter 309, division 035 for residential treatment facilities for individuals who are mentally or emotionally disturbed, OAR chapter 413, division 215 for child welfare private child caring agencies, or OAR chapter 416, division 550 for youth offender treatment foster care do not require additional endorsement as an agency under these rules to provide program services.

### (3) INITIAL ENDORSEMENT.

(a) Notwithstanding section (2) of this rule, a certified agency intending to provide program services as defined in OAR 411-323-0020 must apply for initial endorsement and demonstrate to the satisfaction of the Department that the agency is in compliance with these rules and the corresponding program rules.

(b) The certified agency must submit an application to the Department at least 90 days prior to providing program services that identifies the program services that the certified agency intends to provide and all geographic locations where program services are to be provided.

(A) The completed application must be on a form provided by the Department and must include all information requested by the Department.

(B) Each licensed site or geographic location where direct program services are to be delivered must be assigned a Medicaid Performing Provider Number by the Department as described in OAR chapter 411, division 370.

### (4) ENDORSEMENT RENEWAL.

(a) To renew endorsement, the certified agency must:

(A) Submit an application prior to the expiration date of the existing endorsement for the certified agency. The completed application must identify the program services that the certified agency provides and all geographic locations that provide program services. The completed application must be on a form provided by the Department and must include all information requested by the Department.

(B) Demonstrate to the satisfaction of the Department that the certified agency is in compliance with these rules and the corresponding program rules.

(b) Additional program services are not endorsed on renewal unless specifically approved by the Department. A certified agency requesting to provide additional program services must reapply for initial endorsement as described in section (3) of this rule.

(c) An application for renewal filed with the Department before the date of expiration extends the effective date of the existing endorsement until the Department takes action upon the application for renewal.

(d) A certified agency may not provide program services if a renewal application is not submitted to the Department prior to the date the endorsement expires.

(e) Renewal of endorsements for program services is contingent upon the successful renewal of the certificate of the agency.

### (5) EXISTING ENDORSEMENT — ADDING A GEOGRAPHIC LOCATION.

Adding a geographic location to an existing endorsement must be reported by the agency to the Department and to the corresponding CDDP of the geographic location. The agency must report the additional geographical location on a form provided by the Department at least 30 days prior to providing program services at the additional geographic location.

(6) **ENDORSEMENT EXPIRATION.** Unless revoked, suspended, or terminated earlier, the effective date of each endorsement corresponds with the effective date of the certification of the agency.

(7) **ENDORSEMENT TERMINATION.** Endorsement automatically terminates on the date program services are discontinued or agency certification is terminated.

(8) **CHANGE OF CERTIFICATION.** New endorsement is required upon a change of the certification of an agency. The recertified agency must submit an application for endorsement as described in section (3) of this rule to the Department at least 30 days prior to a change of the certification of the agency including, but not limited to, a change in ownership, legal entity, legal status, or management corporation.

(9) **ENDORSEMENT ADMINISTRATIVE SANCTION.** An administrative sanction may be imposed for non-compliance with these rules. An administrative sanction on an endorsement includes one or more of the following actions:

(a) A condition as described in section (10) of this rule;

(b) Denial, revocation, or refusal to renew an endorsement as described in section (11) of this rule; or

(c) Immediate suspension of an endorsement as described in section (12) of this rule.

### (10) ENDORSEMENT CONDITIONS.

(a) The Department may attach conditions to an endorsement that limit, restrict, or specify other criteria for program services. The type of condition attached to an endorsement must directly relate to a risk of harm or potential risk of harm to individuals. The Department may attach a condition to an endorsement upon a finding that:

(A) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of individuals;

(B) A threat to the health, safety, or welfare of an individual exists;

(C) There is reliable evidence of abuse, neglect, or exploitation; or

(D) The agency is not being operated in compliance with these rules or the corresponding program rules.

(b) Conditions that the Department may impose on an endorsement include, but are not limited to:

(A) Restricting the total number of individuals to whom a program may provide services;

(B) Restricting the total number of individuals to whom a program may provide services based upon the capability and capacity of the agency and staff to meet the health and safety needs of all individuals;

(C) Restricting the type of support and services the program may provide to individuals based upon the capability and capacity of the agency and staff to meet the health and safety needs of all individuals;

(D) Requiring additional staff or staff qualifications;

(E) Requiring additional training;

(F) Restricting the agency from allowing a person on the premises who may be a threat to the health, safety, or welfare of an individual;

(G) Requiring additional documentation; or

(H) Restricting admissions.

(c) **NOTICE OF ENDORSEMENT CONDITIONS.** A written notice is issued to an agency by the Department when the Department imposes a condition on the endorsement of program services. The written notice of conditions includes the conditions imposed by the Department, the reason

# ADMINISTRATIVE RULES

for the conditions, and the opportunity to request a hearing under ORS chapter 183. Conditions take effect immediately upon issuance of the written notice of conditions or at a later date as indicated on the notice and are a final order of the Department unless later rescinded through the hearing process. The condition imposed remains in effect until the Department has sufficient cause to believe the situation that warranted the condition has been remedied.

(d) HEARING. The agency may request a hearing in accordance with ORS chapter 183 and this rule upon written notice of endorsement conditions.

(A) The agency must request a hearing within 21 days from the receipt of the written notice of conditions.

(B) In addition to, or in lieu of a hearing, the agency may request an administrator review as described in section (13) of this rule. The administrator review does not diminish the right of the agency to a hearing.

(e) The agency may send a written request to the Department to remove a condition if the agency believes the situation that warranted the condition has been remedied.

(f) Conditions must be posted with the endorsement in a prominent location and be available for inspection at all times.

(11) ENDORSEMENT DENIAL, REFUSAL TO RENEW, OR REVOCATION.

(a) The Department may deny, refuse to renew, or revoke an endorsement when the Department finds the agency or any person holding 5 percent or greater ownership interest in the agency:

(A) Fails to maintain agency certification as described in OAR 411-323-0030;

(B) Demonstrates substantial failure to comply with these rules or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized and the agency fails to correct the non-compliance within 30 calendar days from the receipt of the written notice of non-compliance;

(C) Has demonstrated a substantial failure to comply with these rules or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized;

(D) Has been convicted of any crime that would have resulted in an unacceptable background check upon hiring or authorization of program services;

(E) Has been convicted of a misdemeanor associated with the operation of an agency or program services;

(F) Falsifies information required by the Department to be maintained or submitted regarding individual program services, agency finances, or funds belonging to the individuals;

(G) Has been found to have permitted, aided, or abetted any illegal act that has had significant adverse impact on individual health, safety, or welfare; or

(H) Has been placed on the list of excluded or debarred providers maintained by the Office of the Inspector General.

(b) NOTICE OF ENDORSEMENT DENIAL, REFUSAL TO RENEW, OR REVOCATION. The Department may issue a notice of denial, refusal to renew, or revocation of an endorsement following a Department finding that there is a substantial failure to comply with these rules or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized, or that one or more of the events listed in subsection (a) of this section has occurred.

(c) HEARING. An applicant for an endorsement or an endorsed agency, as applicable, may request a hearing in accordance with ORS chapter 183, this rule, and ORS 443.440 for 24-hour residential services, upon written notice from the Department of denial, refusal to renew, or revocation of an endorsement.

(A) DENIAL. The applicant must request a hearing within 60 days from the receipt of the written notice of denial.

(B) REFUSAL TO RENEW. The agency must request a hearing within 60 days from the receipt of the written notice of refusal to renew.

(C) REVOCATION.

(i) Notwithstanding subsection (ii) of this section, the agency must request a hearing within 21 days from the receipt of the written notice of revocation. In addition to, or in lieu of a hearing, an agency may request an administrator review as described in section (13) of this rule. The administrator review does not diminish the right of the agency to a hearing.

(ii) 24-HOUR RESIDENTIAL SERVICES. An agency endorsed to provide 24-hour residential services as described in OAR chapter 411, division 325 must request a hearing within 10 days from the receipt of the written notice of revocation.

(12) IMMEDIATE SUSPENSION OF ENDORSEMENT.

(a) When the Department finds a serious and immediate threat to individual health and safety and sets forth the specific reasons for such findings, the Department may, by written notice to the agency, immediately suspend an endorsement without a pre-suspension hearing and the program service may not continue operating.

(b) HEARING. The agency may request a hearing in accordance with ORS Chapter 183, this rule, and 443.440 for 24-hour residential services, upon written notice from the Department of the immediate suspension of the endorsement.

(A) Notwithstanding OAR subsection (B) of this section, the endorsed agency must request a hearing within 21 days from the receipt of the written notice of suspension. In addition to, or in-lieu of a hearing, the agency may request an administrator review as described in section (13) of this rule. The administrator review does not diminish the right of the agency to a hearing.

(B) 24-HOUR RESIDENTIAL SERVICES. An agency endorsed to provide 24-hour residential services as described in OAR chapter 411, division 325 must request a hearing within 10 days from the receipt of the written notice of suspension.

(13) ADMINISTRATOR REVIEW.

(a) In addition to the right to a contested case hearing, an agency may request an administrator review notwithstanding subsection (b) of this section.

(b) 24-HOUR RESIDENTIAL SERVICES. An agency endorsed to provide 24-hour residential services as described in OAR chapter 411, division 325 may not request an administrator review for revocation or suspension. An agency endorsed to provide 24-hour residential services as described in OAR chapter 411, division 325 may request an administrator review for imposition of conditions.

(c) The Department must receive a written request for an administrator review within 10 business days from the receipt of the notice of suspension, revocation, or imposition of conditions. The agency may submit, along with the written request for an administrator review, any additional written materials the agency wishes to have considered during the review.

(d) The determination of the administrator review is issued in writing within 10 business days from the receipt of the written request for a review, or by a later date as agreed to by the agency.

(e) The agency, notwithstanding subsection (b) of this section, may request a hearing if the decision of the Department is to affirm the suspension, revocation or condition. The Department must receive a request for a hearing within 21 days from the receipt of the original written notice of suspension, revocation, or imposition of conditions.

(14) INFORMAL CONFERENCE. Unless an administrator review has been completed as described in subsection (13) of this rule, an applicant or agency requesting a hearing may have an informal conference with the Department.

### Agency Management and Personnel Practices

(1) NON-DISCRIMINATION. The agency must comply with all applicable state and federal statutes, rules, and regulations in regard to non-discrimination in employment policies and practices.

(2) BASIC PERSONNEL POLICIES AND PROCEDURES. The agency must have in place and implement personnel policies and procedures that address suspension, increased supervision, or other appropriate disciplinary employment procedures when a staff member, program services provider, or subcontractor, including respite providers and volunteers, has been identified as an accused person in an abuse investigation or when the allegation of abuse has been substantiated.

(3) PROHIBITION AGAINST RETALIATION. The agency or program services provider may not retaliate against any staff member or subcontractor, including relief providers and volunteers, that report in good faith suspected abuse or retaliate against the individual receiving services with respect to any report. An accused person may not self-report solely for the purpose of claiming retaliation.

(a) Any agency, program services provider, or person that retaliates against any person because of a report of suspected abuse or neglect is liable according to ORS 430.755 in a private action to that person for actual damages and, in addition, is subject to a penalty up to \$1000, notwithstanding any other remedy provided by law.

(b) Any adverse action is evidence of retaliation if taken within 90 days of a report of abuse. For purposes of this section, "adverse action"

# ADMINISTRATIVE RULES

means any action taken by an agency, program services provider, or person involved in a report against the person making the report or against the individual receiving services because of the report and includes, but is not limited to:

- (A) Discharge or transfer from the agency, except for clinical reasons;
- (B) Discharge from or termination of employment;
- (C) Demotion or reduction in remuneration for program services; or
- (D) Restriction or prohibition of access to the agency or the individuals served by the agency.

## (4) MANDATORY ABUSE REPORTING PERSONNEL POLICIES AND PROCEDURES.

(a) Any staff, program services providers, substitute caregivers, independent contractors, and volunteers are mandatory reporters.

(b) The agency must notify all agency staff, program services providers, substitute caregivers, independent contractors, and volunteers of mandatory reporting status at least annually on forms provided by the Department.

(c) The agency must provide all agency staff, program services providers, substitute caregivers, independent contractors, and volunteers with a Department produced card regarding abuse reporting status and abuse reporting requirements.

(d) Agencies providing program services to adults must report suspected abuse to the CDDP where the adult resides. A report must also be made to law enforcement if there is reason to believe a crime has been committed.

(e) Agencies providing program services to children must report suspected abuse to the Department or law enforcement in the county where the child resides.

(5) APPLICATION FOR EMPLOYMENT. An application for employment at the agency must inquire whether an applicant has had any founded reports of child abuse or substantiated abuse.

(6) BACKGROUND CHECKS. Any staff, volunteer, program services provider, relief care provider, crisis provider, advisor, or any subject individual defined by OAR 407-007-0210, including staff who are not identified in this rule but use public funds intended for the operation of an agency, who has or shall have contact with an individual in program services, must have an approved background check in accordance with 407-007-0200 to 407-007-0370 and ORS 181.534.

(a) Effective July 28, 2009, the agency may not use public funds to support, in whole or in part, any person described above in section (6) of this rule in any capacity who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(b) Subsection (a) of this section does not apply to agency staff who were hired prior to July 28, 2009 that remain in the current position for which the staff member was hired.

(c) Any person described above in section (6) of this rule must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290. The person must notify the Department or the designee of the Department within 24 hours.

(7) EXECUTIVE DIRECTOR QUALIFICATIONS. The agency must be operated under the supervision of an Executive Director who has a minimum of a bachelor's degree and two years of experience, including supervision, in intellectual or developmental disabilities, mental health, rehabilitation, social services, or a related field. Six years of experience in the identified fields may be substituted for a degree.

(8) GENERAL STAFF QUALIFICATIONS. Any staff member providing program services to individuals must meet the following criteria:

- (a) Be at least 18 years of age;
- (b) Have approval to work based on current Department policy and a background check completed by the Department in accordance with OAR 407-007-0200 to 407-007-0370 and section (6) of this rule;
- (c) If hired on or after July 28, 2009, not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275;
- (d) Be legally eligible to work in the United States;
- (e) Hold a current, valid, and unrestricted professional license or certification where services and supervision requires specific professional education, training, and skill;
- (f) Understand requirements of maintaining confidentiality and safeguarding individual information;
- (g) Not be on the list of excluded or debarred providers maintained by the Office of the Inspector General;
- (h) Be literate and capable of understanding written and oral orders;
- (i) Be able to communicate with individuals, physicians, services coordinators, and appropriate others;

(j) Be able to respond appropriately to emergency situations at all times;

(k) Be certified in CPR and First Aid by a recognized training agency within 90 days of employment;

(l) Receive 12 hours of job-related in-service training annually;

(m) Have clear job responsibilities as described in a current signed and dated job description; and

(n) If transporting individuals, have a valid license to drive and vehicle insurance in compliance with the laws of the Department of Motor Vehicles.

(9) PERSONNEL FILES AND QUALIFICATION RECORDS. The agency must maintain up-to-date written job descriptions for all staff as well as a file available to the Department or the designee of the Department for inspection that includes written documentation of the following for each staff member:

(a) Written documentation that references and qualifications were checked;

(b) Written documentation by the Department of an approved background check as defined in OAR 407-007-0210;

(c) Written documentation of staff notification of mandatory abuse training and reporter status prior to supervising individuals and annually thereafter;

(d) Written documentation of any complaints filed against the staff member and the results of the complaint process, including, if any, disciplinary action;

(e) Written documentation of any founded report of child abuse or substantiated abuse;

(f) Written documentation of 12 hours of job-related in-service training annually;

(g) Documentation that the staff member has been certified in CPR and First Aid by a recognized training agency within 90 days of employment and that certification is kept current; and

(h) For staff operating vehicles that transport individuals, documentation of a valid license to drive and proof of vehicle insurance in compliance with the laws of the Department of Motor Vehicles.

(10) DISSOLUTION OF AN AGENCY. Prior to the dissolution of an agency, a representative of the governing body or owner of the agency must notify the Department 30 days in advance in writing and make appropriate arrangements for the transfer of the records for the individuals.

### Policies and Procedures

#### (1) INDIVIDUAL RIGHTS.

(a) The agency must have and implement written policies and procedures that protect the individual rights described in subsection (d) of this section.

(b) Upon enrollment, request, and annually thereafter, the individual rights described in subsection (d) of this section must be provided to an individual and the legal or designated representative of an individual.

(c) The individual rights described in this rule apply to all individuals eligible for or receiving developmental disability services. A parent or guardian may place reasonable limitations on the rights of a child.

(d) While receiving developmental disability services, an individual has the right to:

(A) Be free and protected from abuse or neglect and to report any incident of abuse or neglect without being subject to retaliation;

(B) Be free from seclusion, unauthorized training or treatment, protective physical intervention, chemical restraint, or mechanical restraint and assured that medication is administered only for the clinical needs of the individual as prescribed by a health care provider, unless an imminent risk of physical harm to the individual or others exists and only for as long as the imminent risk continues;

(C) Individual choice for an adult to consent to or refuse treatment, unless incapable and then an alternative decision maker must be allowed to consent to or refuse treatment for the adult. For a child, the parent or guardian of the child must be allowed to consent to or refuse treatment, except as described in ORS 109.610 or limited by court order;

(D) Informed, voluntary, written consent prior to receiving services, except in a medical emergency or as otherwise permitted by law;

(E) Informed, voluntary, written consent prior to participating in any experimental programs;

## ADMINISTRATIVE RULES

(F) A humane service environment that affords reasonable protection from harm, reasonable privacy in all matters that do not constitute a documented health and safety risk to the individual, and access and the ability to engage in private communications with any public or private rights protection program, services coordinator, and others chosen by the individual, through personal visits, mail, telephone, or electronic means;

(G) Contact and visits with legal and medical professionals, legal or designated representatives, family members, friends, advocates, and others chosen by the individual, except where prohibited by court order;

(H) Participate regularly in the community and use community resources, including recreation, developmental disability services, employment services and day support activities, school, educational opportunities, and health care resources;

(I) Access to a free and appropriate public education for children and adults less than 21 years of age, including a procedure for school attendance or refusal to attend.

(J) Reasonable and lawful compensation for performance of labor, except personal housekeeping duties;

(K) Manage the individual's own money and financial affairs unless the right has been taken away by court order or other legal procedure;

(L) Keep and use personal property, personal control and freedom regarding personal property, and a reasonable amount of personal storage space;

(M) Adequate food, housing, clothing, medical and health care, supportive services, and training;

(N) Seek a meaningful life by choosing from available services, service settings, and service providers consistent with the support needs of the individual identified through a functional needs assessment, and enjoying the benefits of community involvement and community integration:

(i) Services must promote independence and dignity and reflect the age and preferences of the individual; and

(ii) The services must be provided in a setting and under conditions that are most cost effective and least restrictive to the liberty of the individual, least intrusive to the individual, and that provide for self-directed decision-making and control of personal affairs appropriate to the preferences, age, and identified support needs of the individual;

(O) An individualized written plan for services created through a person-centered planning process, services based upon the plan, and periodic review and reassessment of service needs;

(P) Ongoing opportunity to participate in the planning of services in a manner appropriate to the capabilities of the individual, including the right to participate in the development and periodic revision of the plan for services, the right to be provided with a reasonable explanation of all service considerations through choice advising, and the right to invite others chosen by the individual to participate in the plan for services;

(Q) Request a change in the plan for services;

(R) A timely decision upon request for a change in the plan for services;

(S) Advance written notice of any action that terminates, suspends, reduces, or denies a service or request for service, and notification of other available sources for necessary continued services;

(T) A hearing to challenge an action that terminates, suspends, reduces, or denies a service or request for service;

(U) Exercise all rights set forth in ORS 426.385 and 427.031 if the individual is committed to the Department;

(V) Be informed at the start of services and annually thereafter of the rights guaranteed by this rule, the contact information for the protection and advocacy system described in ORS 192.517(1), the procedures for reporting abuse, and the procedures for filing complaints, reviews, or requests for hearings if services have been or are proposed to be terminated, suspended, reduced, or denied;

(W) Have these rights and procedures prominently posted in a location readily accessible to individuals and made available to representatives of the individual;

(X) Be encouraged and assisted in exercising all legal, civil, and human rights accorded to other citizens of the same age, except when limited by a court order;

(Y) Be informed of, and have the opportunity to assert complaints as described in OAR 411-318-0015 with respect to infringement of the rights described in this rule, including the right to have such complaints considered in a fair, timely, and impartial complaint procedure without any form of retaliation or punishment; and

(Z) Freedom to exercise all rights described in this rule without any form of reprisal or punishment.

(e) The rights described in this rule are in addition to, and do not limit, all other statutory and constitutional rights that are afforded all citizens, including but not limited to the right to exercise religious freedom, vote, marry, have or not have children, own and dispose of property, and enter into contracts and execute documents, unless specifically prohibited by law in the case of children less than 18 years of age.

(f) An individual who is receiving developmental disability services, or as applicable a legal or designated representative of the individual, has the right under ORS 430.212 to be informed that a family member has contacted the Department to determine the location of the individual and to be informed of the name and contact information of the family member, if known.

(g) The rights described in this rule may be asserted and exercised by an individual, the legal representative of an individual, and any representative designated by an individual.

(h) Nothing in this rule may be construed to alter any legal rights and responsibilities between a parent and child.

(i) A guardian is appointed for an adult only as is necessary to promote and protect the well-being of the adult. A guardianship for an adult must be designed to encourage the development of maximum self-reliance and independence of the adult, and may be ordered only to the extent necessitated by the actual mental and physical limitations of the adult. An adult for whom a guardian has been appointed is not presumed to be incompetent. An adult with a guardian retains all legal and civil rights provided by law, except those that have been expressly limited by court order or specifically granted to the guardian by the court. Rights retained by the adult include, but are not limited to, the right to contact and retain counsel and to have access to personal records. (ORS 125.300).

(2) HEALTH. The agency must have and implement policies and procedures that maintain and protect the health of individuals.

(3) INDIVIDUAL AND FAMILY INVOLVEMENT. The agency must have and implement a written policy that addresses:

(a) Opportunities for the individual to participate in decisions regarding the operations of the agency;

(b) Opportunities for families, guardians, legal and designated representatives, and significant others of the individuals to interact; and

(c) Opportunities for individuals, families, guardians, legal and designated representatives, and significant others to participate on the Board of Directors or on committees or to review policies of the agency that directly affect the individuals.

(4) INDEPENDENCE, PRODUCTIVITY, AND INTEGRATION. As stated in ORS 427.007, the agency must have a written policy that states each ISP is developed to meet the level of independence, productivity, and integration into the local community.

(5) CONFIDENTIALITY OF RECORDS. The agency must have and implement written policies and procedures that ensure all records for individuals are kept confidential except as otherwise provided by applicable state and federal rule or laws.

(a) For the purpose of disclosure from individual medical records under this rule, an agency is considered a "public provider" as defined in ORS 179.505.

(b) Access to records by the Department does not require authorization by an individual or the legal or designated representative or family of the individual.

(c) For the purpose of disclosure of non-medical individual records, all or portions of the information contained in the non-medical individual records may be exempt from public inspection under the personal privacy information exemption to the public records law set forth in ORS 192.502.

(6) BEHAVIOR SUPPORT. The agency must have and implement a written policy for behavior support that utilizes individualized positive behavioral theory and practice and prohibits abusive practices.

(7) PROTECTIVE PHYSICAL INTERVENTION. The agency must have and implement written policies and procedures for protective physical interventions that address the following:

(a) Circumstances allowing the use of protective physical intervention. The agency must only employ protective physical intervention techniques that are included in the approved OIS curriculum or as approved by the OIS Steering Committee.

(b) Protective physical intervention techniques must only be applied:

(A) When the health and safety of an individual or others is at risk, the ISP team has authorized the procedures as documented by the decision of the ISP team, the procedures are documented in the ISP, and the procedures are intended to lead to less restrictive intervention strategies;

(B) As an emergency measure if absolutely necessary to protect the individual or others from immediate injury; or

# ADMINISTRATIVE RULES

(C) As a health related protection prescribed by a physician if absolutely necessary during the conduct of a specific medical or surgical procedure or for the protection of an individual during the time that a medical condition exists.

(8) **HANDLING AND MANAGING INDIVIDUALS' MONEY.** The agency must have and implement written policies and procedures for the handling and management of individuals' money. Such policies and procedures must provide for:

(a) Financial planning and management of an individual's funds unless the ISP documents and justifies limitations to self-management;

(b) Safeguarding of an individual's funds;

(c) Individuals receiving and spending his or her money; and

(d) Taking into account the interests and preferences of the individual.

(9) **COMPLAINTS.**

(a) Complaints must be addressed in accordance with OAR 411-318-0015.

(b) The agency must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015.

(c) Upon enrollment, request, and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual.

(10) **AGENCY DOCUMENTATION REQUIREMENTS.** The agency must have and implement policies and procedures that address agency documentation requirements. Documentation must:

(a) Be prepared at the time or immediately following the event being recorded;

(b) Be accurate and contain no willful falsifications;

(c) Be legible, dated, and signed by the person making the entry; and

(d) Be maintained for no less than three years.

### Variations

(1) The Department may grant a variance to these rules based upon a demonstration by the agency that an alternative method or different approach provides equal or greater agency effectiveness and does not adversely impact the welfare, health, safety, or rights of individuals or violate federal Medicaid law.

(2) The agency requesting a variance must submit, in writing, an application to the Department that contains the following:

(a) The section of the rule from which the variance is sought;

(b) The reason for the proposed variance;

(c) The alternative practice, service, method, concept, or procedure proposed; and

(d) If the variance applies to the program services for an individual, evidence that the variance is consistent with the currently authorized ISP for the individual.

(3) The request for a variance is approved or denied by the Department.

(4) The decision of the Department is sent to the agency, the CDDP, and to all relevant Department programs or offices within 30 calendar days from the receipt of the variance request.

(5) The agency may request an administrator review of the denial of a variance request. The Department must receive a written request for an administrator review within 10 business days from the receipt of the denial. The decision of the Director is the final response from the Department.

(6) The Department determines the duration of the variance.

(7) The agency may implement a variance only after written approval from the Department.

## 411-325-0020

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in chapter 411, division 325:

(1) "24-Hour Residential Program" means a comprehensive residential home licensed by the Department under ORS 443.410 to provide residential care and training to individuals with intellectual or developmental disabilities.

(2) "Abuse" means:

(a) For a child:

(A) "Abuse" as defined in ORS 419B.005; and

(B) "Abuse" as defined in OAR 407-045-0260 when a child resides in a home licensed to provide 24-hour residential services for children with intellectual or developmental disabilities.

(b) For an adult, "abuse" as defined in OAR 407-045-0260.

(3) "Abuse Investigation" means the reporting and investigation activities as required by OAR 407-045-0300 and any subsequent services or supports necessary to prevent further abuse as required in 407-045-0310.

(4) "Administrator Review" means the Director of the Department reviews a decision upon request, including the documentation related to the decision, and issues a determination.

(5) "Adult" means an individual who is 18 years or older with an intellectual or developmental disability.

(6) "Agency" means "service provider" as defined in this rule.

(7) "Aids to Physical Functioning" means any special equipment prescribed for an individual by a physician, therapist, or dietician that maintains or enhances the physical functioning of the individual.

(8) "Apartment" means "24-hour residential program" as defined in this rule.

(9) "Appeal" means the process under ORS chapter 183 that a service provider may use to petition a civil penalty.

(10) "Applicant" means a person, agency, corporation, or governmental unit who applies for a license to operate a residential home providing 24-hour comprehensive residential services.

(11) "Baseline Level of Behavior" means the frequency, duration, or intensity of a behavior, objectively measured, described, and documented prior to the implementation of an initial or revised Behavior Support Plan. The baseline level of behavior serves as the reference point by which the ongoing efficacy of an ISP is to be assessed. A baseline level of behavior is reviewed and reestablished at least yearly, at the time of an ISP team meeting.

(12) "Behavior Data Collection System" means the methodology specified within a Behavior Support Plan that directs the process for recording observations, interventions, and other support provision information critical to the analysis of the efficacy of the Behavior Support Plan.

(13) "Behavior Data Summary" means the document composed by a service provider to summarize episodes of protective physical intervention. The behavior data summary serves as a substitution for the requirement of an incident report for each episode of protective physical intervention.

(14) "Board of Directors" means "board of directors" as defined in OAR 411-323-0020.

(15) "Career Development Plan" means the part of an ISP that identifies the employment goals and objectives for an individual, the services and supports needed to achieve those goals, the people, agencies, and providers assigned to assist the individual to attain those goals, the obstacles to the individual working in an individualized job in an integrated employment setting, and the services and supports necessary to overcome those obstacles.

(16) "CDDP" means "community developmental disability program" as defined in OAR 411-320-0020.

(17) "Certificate" means the document issued by the Department to a service provider that certifies the service provider is eligible under the rules in OAR chapter 411, division 323 to receive state funds for the provision of endorsed 24-hour residential services.

(18) "Chemical Restraint" means the use of a psychotropic drug or other drugs for punishment or to modify behavior in place of a meaningful behavior or treatment plan.

(19) "Child" means an individual who is less than 18 years of age that has a provisional determination of an intellectual or developmental disability.

(20) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, service providers, services, and service settings. Personal outcomes, goals, and activities are supported in the context of balancing the rights, risks, and personal choices of the individual. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated orally, through sign language, or by other communication methods.

(21) "Competency Based Training Plan" means the written description of the process of the service provider for providing training to newly hired staff. At a minimum, the Competency Based Training Plan:

(a) Addresses health, safety, rights, values and personal regard, and the mission of the service provider; and

## ADMINISTRATIVE RULES

(b) Describes competencies, training methods, timelines, how competencies of staff are determined and documented, including steps for remediation, and when a competency may be waived by a service provider to accommodate the specific circumstances of a staff member.

(22) "Complaint" means "complaint" as defined in OAR 411-318-0005.

(23) "Condition" means a provision attached to a new or existing certificate, endorsement, or license that limits or restricts the scope of the certificate, endorsement, or license or imposes additional requirements on the licensee.

(24) "Crisis" means "crisis" as defined in OAR 411-320-0020.

(25) "Denial" means the refusal of the Department to issue a certificate, endorsement, or license to operate a 24-hour residential home for individuals with intellectual or developmental disabilities because the Department has determined that the applicant or the home is not in compliance with these rules or the rules in OAR chapter 411, division 323.

(26) "Department" means the Department of Human Services.

(27) "Designated Representative" means any adult, such as a parent, family member, guardian, advocate, or other person authorized in writing by an individual to serve as the representative of the individual in connection with the provision of funded supports, who is not also a paid service provider for the individual. An individual is not required to appoint a designated representative.

(28) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(29) "Direct Nursing Service" means the provision of individual-specific advice, plans, or interventions by a nurse at a home based on the nursing process as outlined by the Oregon State Board of Nursing. Direct nursing service differs from administrative nursing services. Administrative nursing services include non-individual-specific services, such as quality assurance reviews, authoring health related agency policies and procedures, or providing general training for staff.

(30) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services or the designee of the Director.

(31) "Domestic Animals" mean the animals domesticated so as to live and breed in a tame condition, such as dogs, cats, and domesticated farm stock.

(32) "Duplex" means "24-hour residential program" as defined in this rule.

(33) "Educational Surrogate" means the person who acts in place of the parent of a child in safeguarding the rights of the child in the public education decision-making process:

(a) When the parent of the child cannot be identified or located after reasonable efforts;

(b) When there is reasonable cause to believe that the child has a disability and is a ward of the state; or

(c) At the request of the parent of the child or young adult student.

(34) "Endorsement" means the authorization to provide 24-hour residential services issued by the Department to a certified service provider that has met the qualification criteria outlined in these rules and the rules in OAR chapter 411, division 323.

(35) "Entry" means admission to a Department-funded developmental disability service.

(36) "Executive Director" means the person designated by a board of directors or corporate owner that is responsible for the administration of 24-hour residential services.

(37) "Exit" means termination or discontinuance of a Department-funded developmental disability service by a Department licensed or certified provider.

(38) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors, choices and preferences, service and support needs, strengths, and goals; and

(C) Determines the service level.

(b) The functional needs assessment for an individual less than 18 years of age receiving, or targeted to receive, 24-hour residential services is known as the Support Needs Assessment Profile (SNAP). The Department incorporates the SNAP into these rules by this reference. The SNAP is maintained by the Department at <http://www.oregon.gov/dhs/dd/rebar/pages/assess-afc.aspx>.

(c) The functional needs assessment for an individual 18 years of age and older receiving, or targeted to receive, 24-hour residential services is

known as the Supports Intensity Scale (SIS). The Department incorporates the SIS into these rules by this reference.

(d) Printed copies may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rule Coordinator, 500 Summer Street NE, Salem, OR 97301.

(39) "Guardian" means the parent of an individual less than 18 years of age or the person or agency appointed and authorized by a court to make decisions about services for an individual.

(40) "Health Care Representative" means:

(a) A health care representative as defined in ORS 127.505; or

(b) A person who has authority to make health care decisions for an individual under the provisions of OAR chapter 411, division 365.

(41) "Hearing" means a contested case hearing subject to OAR 137-003-0501 to 137-003-0070, which results in a final order.

(42) "Home" means "24-hour residential program" as defined in this rule.

(43) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving an individual.

(44) "Independence" means the extent to which an individual exerts control and choice over his or her own life.

(45) "Individual" means an adult or a child with an intellectual or developmental disability applying for, or determined eligible for, developmental disability services.

(46) "Individualized Education Plan" means the written plan of instructional goals and objectives developed in conference with an individual less than 21 years of age, the parent or legal representative of the individual (as applicable), teacher, and a representative of the public school district.

(47) "Integration" as defined in ORS 427.005 means:

(a) The use by individuals with intellectual or developmental disabilities of the same community resources used by and available to other people;

(b) Participation by individuals with intellectual or developmental disabilities in the same community activities in which people without an intellectual or developmental disability participate, together with regular contact with people without an intellectual or developmental disability; and

(c) Individuals with intellectual or developmental disabilities reside in homes or home-like settings that are in proximity to community resources and foster contact with people in the community.

(48) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in OAR 411-320-0080.

(49) "Involuntary Transfer" means a service provider has made the decision to transfer an individual and the individual, or as applicable the legal or designated representative of the individual, has not given prior approval.

(50) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects the services and supports that are important for an individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for service providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, state plan, or natural supports.

(51) "ISP Team" means a team composed of an individual receiving services, the legal or designated representative of the individual (as applicable), services coordinator, and others chosen by the individual, or as applicable the legal or designated representative of the individual, such as service providers or family members.

(52) "Legal Representative" means a person who has the legal authority to act for an individual.

(a) For a child, the legal representative is the parent of the child unless a court appoints another person or agency to act as the guardian of the child.

(b) For an adult, the legal representative is the attorney at law who has been retained by or for the adult, the power of attorney for the adult, or a person or agency authorized by a court to make decisions about services for the adult.

(53) "License" means a document granted by the Department to an applicant who is in compliance with the requirements of these rules and the rules in OAR chapter 411, division 323.

(54) "Licensee" means the person or organization to whom a certificate, endorsement, and license is granted.

## ADMINISTRATIVE RULES

(55) "Mandatory Reporter":

(a) Means any public or private official as defined in OAR 407-045-0260 who:

(A) Is a staff or volunteer working with a child who comes in contact with a child with or without an intellectual or developmental disability and has reasonable cause to believe the child has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the child, regardless of whether or not the knowledge of the abuse was gained in the official capacity of the public or private official.

(B) Is a staff or volunteer working who, while acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult.

(b) Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, attorney, or guardian ad litem appointed under ORS 419B.231 is not required to report if the communication is privileged under ORS 40.225 to 40.295.

(56) "Mechanical Restraint" means any mechanical device, material, object, or equipment that is attached or adjacent to the body of an individual that the individual cannot easily remove or easily negotiate around that restricts freedom of movement or access to the body of the individual.

(57) "Medicaid Agency Identification Number" means the numeric identifier assigned by the Department to a service provider following the enrollment of the service provider as described in OAR chapter 411, division 370.

(58) "Medicaid Performing Provider Number" means the numeric identifier assigned to an entity or person by the Department following the enrollment of the entity or person as described in OAR chapter 411, division 370. The Medicaid Performing Provider Number is used by the rendering service provider for identification and billing purposes associated with service authorizations and payments.

(59) "Modified Diet" means the texture or consistency of food or drink is altered or limited, such as no nuts or raw vegetables, thickened fluids, mechanical soft, finely chopped, pureed, or bread only soaked in milk.

(60) "Natural Supports" means the parental responsibilities for a child and the voluntary resources available to an individual from the relatives, friends, significant others, neighbors, roommates, and the community of the individual that are not paid for by the Department.

(61) "Nursing Service Plan" means the plan that is developed by a registered nurse based on an initial nursing assessment, reassessment, or an update made to a nursing assessment as the result of a monitoring visit.

(a) The Nursing Service Plan is specific to an individual and identifies the diagnoses and health needs of the individual and any service coordination, teaching, or delegation activities.

(b) The Nursing Service Plan is separate from the ISP and any service plans developed by other health professionals.

(62) "OHP Plus" means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b).

(63) "OIS" means "Oregon Intervention System". OIS is the system of providing training to people who work with designated individuals to provide elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques that are used to maintain health and safety.

(64) "Oregon Core Competencies" means:

(a) The list of skills and knowledge required for newly hired staff in the areas of health, safety, rights, values and personal regard, and the mission of the service provider; and

(b) The associated timelines in which newly hired staff must demonstrate the competencies.

(65) "OSIP-M" means "Oregon Supplemental Income Program-Medical" as described in OAR 461-001-0030. OSIP-M is Oregon Medicaid insurance coverage for individuals who meet the eligibility criteria described in OAR chapter 461.

(66) "Person-Centered Planning":

(a) Means a timely and formal or informal process that is driven by an individual, includes people chosen by the individual, ensures that the individual directs the process to the maximum extent possible, and that the individual is enabled to make informed choices and decisions consistent with CFR 441.540.

(b) Person centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, service providers, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(67) "Protection" means the necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of an individual.

(68) "Protective Physical Intervention" means any manual physical holding of, or contact with, an individual that restricts freedom of movement.

(69) "Protective Services" means "protection" as defined in this rule.

(70) "Provider" means "service provider" as defined in this rule.

(71) "Psychotropic Medication" means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(72) "Relief Care" means the intermittent services that are provided on a periodic basis for the relief of, or due to the temporary absence of, a person normally providing supports to an individual.

(73) "Revocation" means the action taken by the Department to rescind a certificate, endorsement, or license after the Department has determined that the service provider is not in compliance with these rules or the rules in OAR chapter 411, division 323.

(74) "Service Level" means the amount of services determined necessary by a functional needs assessment and made available to meet the identified support needs of an individual.

(75) "Service Provider" means a public or private community agency or organization that provides recognized developmental disability services and is certified and endorsed by the Department to provide these services under these rules and the rules in OAR chapter 411, division 323.

(76) "Services" mean supportive services including, but not limited to, supervision, protection, and assistance in bathing, dressing, grooming, eating, management of money, transportation, or recreation. Services also include being aware of the general whereabouts of an individual at all times and monitoring the activities of the individual to ensure the health, safety, and welfare of the individual.

(77) "Services Coordinator" means an employee of the Department, CDDP, or other agency that contracts with the county or Department who provides case management services including, but not limited to, planning, procuring, coordinating, and monitoring services.

(78) "Special Diet" means the specially prepared food or particular types of food that are specific to the medical condition or diagnosis of an individual and in support of an evidence-based treatment regimen.

(79) "Staff" means paid employees responsible for providing services to individuals whose wages are paid in part or in full with funds sub-contracted with the CDDP or contracted directly through the Department.

(80) "Substantiated" means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(81) "Support" means the assistance that an individual requires, solely because of the affects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(82) "Suspension" means an immediate temporary withdrawal of the approval to operate 24-hour residential services after the Department determines a service provider or 24-hour residential home is not in compliance with one or more of these rules or the rules in OAR chapter 411, division 323.

(83) "These Rules" mean the rules in OAR chapter 411, division 325.

(84) "Transfer" means movement of an individual from one home to another home administered or operated by the same service provider.

(85) "Transition Plan" means the written plan of services and supports for the period of time between the entry of an individual into a particular service and the development of an ISP for the individual. The Transition Plan is approved by a services coordinator and includes a summary of the services necessary to facilitate adjustment to the services offered, the sup-

# ADMINISTRATIVE RULES

ports necessary to ensure health and safety, and the assessments and consultations necessary for ISP development.

(86) "Unusual Incident" means any incident involving an individual that includes serious illness or an accident, death, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, a fire requiring the services of a fire department, an act of physical aggression, or any incident requiring an abuse investigation.

(87) "Variance" means the temporary exception from a regulation or provision of these rules that may be granted by the Department upon written application by a service provider.

### Conditions on License

The Department may attach conditions to a license that limit, restrict, or specify other criteria for operation of a home. The type of condition attached to a license must directly relate to the risk of harm or potential risk of harm to individuals.

(1) The Department may attach a condition to a license upon a finding that:

- (a) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of individuals;
- (b) A threat to the health, safety, or welfare of an individual exists;
- (c) There is reliable evidence of abuse, neglect, or exploitation;
- (d) The home is not being operated in compliance with these rules; or
- (e) The service provider is licensed to provide services for a specific person only and further placements may not be made into that home or facility.

(2) Conditions that the Department may impose on a license include, but are not limited to:

- (a) Restricting the total number of individuals that may be served;
- (b) Restricting the total number of individuals allowed within a licensed classification level based upon the capability and capacity of the service provider and staff to meet the health and safety needs of all individuals;
- (c) Restricting the support level of individuals allowed within a licensed classification level based upon the capability and capacity of the service provider and staff to meet the health and safety needs of all individuals;
- (d) Requiring additional staff or staff qualifications;
- (e) Requiring additional training;
- (f) Restricting the service provider from allowing a person on the premises who may be a threat to the health, safety, or welfare of an individual;
- (g) Requiring additional documentation; or
- (h) Restricting admissions.

(3) A written notice is issued to the service provider by the Department when the Department imposes a condition on the license. The written notice of conditions includes the conditions imposed by the Department, the reason for the conditions, and the opportunity to request a hearing under ORS Chapter 183. Conditions take effect immediately upon issuance of the written notice of conditions, or at a later date as indicated on the notice and are a final order of the Department unless later rescinded through the hearing process. The condition imposed remains in effect until the Department has sufficient cause to believe the situation that warranted the condition has been remedied.

(4) The service provider may request a hearing in accordance with ORS Chapter 183 and this rule upon written notice of conditions.

(a) The service provider must request a hearing within 21 days from the receipt of the written notice of conditions.

(b) In addition to, or in lieu of a hearing, a service provider may request an administrator review as described in section (5) of this rule. The administrator review does not diminish the right of the service provider to a hearing.

#### (5) ADMINISTRATOR REVIEW.

(a) In addition to the right to a contested case hearing, a service provider may request an administrator review by the Director of the Department for imposition of conditions.

(b) The Department must receive a written request for an administrator review within 10 days from the receipt of the notice of conditions. The service provider may submit, along with the written request for an admin-

istrator review, any additional written materials the service provider wishes to have considered during the review.

(c) The determination of the administrator review is issued in writing within 10 days from the receipt of the written request for review, or by a later date as agreed to by the service provider.

(d) The service provider may request a hearing if the decision of the Department is to affirm the condition. The Department must receive a request for a hearing within 21 days from the receipt of the original written notice of conditions.

(6) The service provider may send a written request to the Department to remove a condition if the service provider believes the situation that warranted the condition has been remedied.

(7) Conditions must be posted with the license in a prominent location and be available for inspection at all times.

### Variations

(1) The Department may grant a variance to these rules based upon a demonstration by the service provider that an alternative method or different approach provides equal or greater effectiveness and does not adversely impact the welfare, health, safety, or rights of the individuals or violate federal Medicaid law.

(2) The service provider requesting a variance must submit, in writing, an application to the CDDP that contains the following:

(a) The section of the rule from which the variance is sought;

(b) The reason for the proposed variance;

(c) The alternative practice, service, method, concept, or procedure proposed; and

(d) If the variance applies to the services of an individual, evidence that the variance is consistent with the currently authorized ISP for the individual.

(3) The CDDP must forward the signed variance request form to the Department within 30 days from the receipt of the request indicating the position of the CDDP on the proposed variance.

(4) The request for a variance is approved or denied by the Department.

(5) The decision of the Department is sent to the service provider, the CDDP, and to all relevant Department programs or offices within 30 calendar days from the receipt of the variance request.

(6) The service provider may request an administrator review of the denial of a variance request. The Department must receive a written request for an administrator review within 10 working days from the receipt of the denial. The service provider must send a copy of the written request for an administrator review to the CDDP. The decision of the Director is the final response from the Department.

(7) The duration of the variance is determined by the Department.

(8) The service provider may implement a variance only after written approval from the Department.

### Medical Services

(1) The service provider must have and implement policies and procedures that maintain and protect the physical health of individuals. Policies and procedures must address the following:

(a) Individual health care;

(b) Medication administration;

(c) Medication storage;

(d) Response to emergency medical situations;

(e) Nursing service provision, if provided;

(f) Disposal of medications; and

(g) Early detection and prevention of infectious disease.

#### (2) INDIVIDUAL HEALTH CARE.

(a) An individual must receive care that promotes the health and well-being of the individual as follows:

(A) The service provider must ensure each individual has a primary physician or primary health care provider whom the individual, or as appli-

# ADMINISTRATIVE RULES

cable the parent or legal representative of the individual, has chosen from among qualified providers;

(B) The service provider must ensure each individual receives a medical evaluation by a qualified health care provider no fewer than every two years or as recommended by a physician;

(C) The service provider must monitor the health status and physical conditions of each individual and take action in a timely manner in response to identified changes or conditions that may lead to deterioration or harm;

(b) A written, signed order from a physician or qualified health care provider is required prior to the usage or implementation of all of the following:

- (A) Prescription medications;
- (B) Non prescription medications except over the counter topical;
- (C) Treatments other than basic first aid;
- (D) Modified or special diets;
- (E) Adaptive equipment; and
- (F) Aids to physical functioning.

(c) The service provider must implement the order of a physician or qualified health care provider.

(d) The service provider must maintain records on each individual to aid physicians, licensed health professionals, and the service provider in understanding the medical history of the individual. Such documentation must include:

(A) A list of known health conditions, medical diagnoses, known allergies, and immunizations;

(B) A record of visits to licensed health professionals that include documentation of the consultation and any therapy provided; and

(C) A record of known hospitalizations and surgeries.

(3) MEDICATION.

(a) All medications must be:

(A) Kept in their original containers;

(B) Labeled by the dispensing pharmacy, product manufacturer, or physician, as specified per the written order of a physician or qualified health care provider; and

(C) Kept in a secured locked container and stored as indicated by the product manufacturer.

(b) All medications and treatments must be recorded on an individualized medication administration record (MAR). The MAR must include:

(A) The name of the individual;

(B) A transcription of the written order of a physician or qualified health care provider, including the brand or generic name of the medication, prescribed dosage, frequency, and method of administration;

(C) For topical medications and treatments without the order of a physician or qualified health care provider, a transcription of the printed instructions from the package;

(D) Times and dates of administration or self-administration of the medication;

(E) Signature of the person administering the medication or the person monitoring the self-administration of the medication;

(F) Method of administration;

(G) An explanation of why a PRN (i.e., as needed) medication was administered;

(H) Documented effectiveness of any PRN (i.e., as needed) medication administration;

(I) An explanation of any medication administration irregularity; and

(J) Documentation of any known allergy or adverse drug reaction.

(c) Self-administration of medication.

(A) For individuals who independently self-administer medications, the ISP team must determine a plan for the periodic monitoring and review of the self-administration of medications.

(B) The service provider must ensure that individuals able to self-administer medications keep the medications in a secure locked container unavailable to other individuals residing in the same residence and store them as recommended by the product manufacturer.

(d) PRN (i.e., as needed) orders are not allowed for psychotropic medication.

(e) Safeguards to prevent adverse effects or medication reactions must be utilized and include:

(A) Whenever possible, obtaining all prescription medication for an individual, except samples provided by a health care provider, from a single pharmacy which maintains a medication profile for the individual;

(B) Maintaining information about the desired effects and side effects of each medication;

(C) Ensuring that medications prescribed for one individual are not administered to, or self-administered by, another individual or staff member; and

(D) Documentation in the record for an individual of the reason why all medications are not provided through a single pharmacy.

(f) All unused, discontinued, outdated, recalled, and contaminated medications must be disposed of in a manner designed to prevent the illegal diversion of the medication. A written record of the disposal of the medication must be maintained and include documentation of:

(A) Date of disposal;

(B) Description of the medication, including dosage strength and amount being disposed;

(C) Individual for whom the medication was prescribed;

(D) Reason for disposal;

(E) Method of disposal;

(F) Signature of the person disposing of the medication; and

(G) For controlled medications, the signature of a witness to the disposal.

(4) DIRECT NURSING SERVICES. When direct nursing services are provided to an individual, the service provider must:

(a) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the individual; and

(b) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and the registered nurse.

(5) DELEGATION AND SUPERVISION OF NURSING TASKS. Nursing tasks must be delegated by a registered nurse to a service provider in accordance with the rules of the Oregon State Board of Nursing in OAR chapter 851, division 47.

(a) The delegation process includes:

(A) Assessing an individual in a specific situation;

(B) Evaluating the ability of the service provider to perform the nursing task;

(C) Teaching the nursing task;

(D) Ensuring supervision of the service provider; and

(E) Re-evaluating the nursing task at regular intervals.

(b) The service provider performs nursing tasks under the delegated authority of a registered nurse.

(6) When the medical, behavioral, or physical needs of an individual change to a point that they may not be met by the service provider, the services coordinator must be notified immediately and notification must be documented.

## 411-325-0300

### General Rights

(1) INDIVIDUAL RIGHTS.

(a) The service provider must protect the rights of individuals described in subsection (d) of this section and encourage and assist individuals to understand and exercise these rights.

(b) Upon enrollment, request, and annually thereafter, the individual rights described in subsection (d) of this section must be provided to an individual and the legal or designated representative of an individual.

(c) The individual rights described in this rule apply to all individuals eligible for or receiving developmental disability services. A parent or guardian may place reasonable limitations on the rights of a child.

(d) While receiving developmental disability services, an individual has the right to:

(A) Be free and protected from abuse or neglect and to report any incident of abuse or neglect without being subject to retaliation;

(B) Be free from seclusion, unauthorized training or treatment, protective physical intervention, chemical restraint, or mechanical restraint and assured that medication is administered only for the clinical needs of the individual as prescribed by a health care provider, unless an imminent risk of physical harm to the individual or others exists and only for as long as the imminent risk continues;

(C) Individual choice for an adult to consent to or refuse treatment, unless incapable and then an alternative decision maker must be allowed to consent to or refuse treatment for the adult. For a child, the parent or guardian of the child must be allowed to consent to or refuse treatment, except as described in ORS 109.610 or limited by court order;

(D) Informed, voluntary, written consent prior to receiving services, except in a medical emergency or as otherwise permitted by law;

# ADMINISTRATIVE RULES

(E) Informed, voluntary, written consent prior to participating in any experimental programs;

(F) A humane service environment that affords reasonable protection from harm, reasonable privacy in all matters that do not constitute a documented health and safety risk to the individual, and access and the ability to engage in private communications with any public or private rights protection program, services coordinator, and others chosen by the individual, through personal visits, mail, telephone, or electronic means;

(G) Contact and visits with legal and medical professionals, legal or designated representatives, family members, friends, advocates, and others chosen by the individual, except where prohibited by court order;

(H) Participate regularly in the community and use community resources, including recreation, developmental disability services, employment services and day support activities, school, educational opportunities, and health care resources;

(I) Access to a free and appropriate public education for children and adults less than 21 years of age, including a procedure for school attendance or refusal to attend.

(J) Reasonable and lawful compensation for performance of labor, except personal housekeeping duties;

(K) Manage the individual's own money and financial affairs unless the right has been taken away by court order or other legal procedure;

(L) Keep and use personal property, personal control and freedom regarding personal property, and a reasonable amount of personal storage space;

(M) Adequate food, housing, clothing, medical and health care, supportive services, and training;

(N) Seek a meaningful life by choosing from available services, service settings, and service providers consistent with the support needs of the individual identified through a functional needs assessment, and enjoying the benefits of community involvement and community integration:

(i) Services must promote independence and dignity and reflect the age and preferences of the individual; and

(ii) The services must be provided in a setting and under conditions that are most cost effective and least restrictive to the liberty of the individual, least intrusive to the individual, and that provide for self-directed decision-making and control of personal affairs appropriate to the preferences, age, and identified support needs of the individual;

(O) An individualized written plan for services created through a person-centered planning process, services based upon the plan, and periodic review and reassessment of service needs;

(P) Ongoing opportunity to participate in the planning of services in a manner appropriate to the capabilities of the individual, including the right to participate in the development and periodic revision of the plan for services, the right to be provided with a reasonable explanation of all service considerations through choice advising, and the right to invite others chosen by the individual to participate in the plan for services;

(Q) Request a change in the plan for services;

(R) A timely decision upon request for a change in the plan for services;

(S) Advance written notice of any action that terminates, suspends, reduces, or denies a service or request for service, and notification of other available sources for necessary continued services;

(T) A hearing to challenge an action that terminates, suspends, reduces, or denies a service or request for service;

(U) Exercise all rights set forth in ORS 426.385 and 427.031 if the individual is committed to the Department;

(V) Be informed at the start of services and annually thereafter of the rights guaranteed by this rule, the contact information for the protection and advocacy system described in ORS 192.517(1), the procedures for reporting abuse, and the procedures for filing complaints, reviews, or requests for hearings if services have been or are proposed to be terminated, suspended, reduced, or denied;

(W) Have these rights and procedures prominently posted in a location readily accessible to individuals and made available to representatives of the individual;

(X) Be encouraged and assisted in exercising all legal, civil, and human rights accorded to other citizens of the same age, except when limited by a court order;

(Y) Be informed of, and have the opportunity to assert complaints as described in OAR 411-318-0015 with respect to infringement of the rights described in this rule, including the right to have such complaints considered in a fair, timely, and impartial complaint procedure without any form of retaliation or punishment; and

(Z) Freedom to exercise all rights described in this rule without any form of reprisal or punishment.

(e) The rights described in this rule are in addition to, and do not limit, all other statutory and constitutional rights that are afforded all citizens, including but not limited to the right to exercise religious freedom, vote, marry, have or not have children, own and dispose of property, and enter into contracts and execute documents, unless specifically prohibited by law in the case of children less than 18 years of age.

(f) An individual who is receiving developmental disability services, or as applicable a legal or designated representative of the individual, has the right under ORS 430.212 to be informed that a family member has contacted the Department to determine the location of the individual and to be informed of the name and contact information of the family member, if known.

(g) The rights described in this rule may be asserted and exercised by an individual, the legal representative of an individual, and any representative designated by an individual.

(h) Nothing in this rule may be construed to alter any legal rights and responsibilities between a parent and child.

(i) A guardian is appointed for an adult only as is necessary to promote and protect the well-being of the adult. A guardianship for an adult must be designed to encourage the development of maximum self-reliance and independence of the adult, and may be ordered only to the extent necessitated by the actual mental and physical limitations of the adult. An adult for whom a guardian has been appointed is not presumed to be incompetent. An adult with a guardian retains all legal and civil rights provided by law, except those that have been expressly limited by court order or specifically granted to the guardian by the court. Rights retained by the adult include, but are not limited to, the right to contact and retain counsel and to have access to personal records. (ORS 125.300).

## (2) COMPLAINTS.

(a) Complaints must be addressed in accordance with OAR 411-318-0015.

(b) The service provider must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015.

(c) Upon entry, request, and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

(3) NOTIFICATION OF PLANNED ACTION. In the event that a developmental disability service is involuntarily denied, reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

## (4) HEARINGS.

(a) Hearings must be addressed in accordance with ORS Chapter 183 and OAR 411-318-0025.

(b) An individual, or as applicable the legal or designated representative of the individual, may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025 for involuntary denials, reductions, suspensions, or terminations or 411-318-0030 for involuntary transfers or exits.

(c) Upon entry, request, and annually thereafter, a notice of hearing rights and the policy and procedures for hearings must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

### Entry, Exit, and Transfer

(1) **NON-DISCRIMINATION.** An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, national origin, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) **QUALIFICATIONS FOR DEPARTMENT-FUNDED SERVICES.** An individual who enters 24-hour residential services is subject to eligibility as described in this section.

(a) To be eligible for 24-hour residential services, an individual must:

(A) Be an Oregon resident;

(B) Be eligible for OHP Plus;

(C) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080;

(D) Meet the level of care as defined in OAR 411-320-0020; and

(E) Be an individual who is not receiving other Department-funded in-home or community living support.

(b) To be eligible for Department-funded relief care, an individual must:

(A) Meet the criteria in subsection (a)(A-D) of this section;

(B) Be referred by a CDDP or support services brokerage; and

(C) Not be receiving supported living services for adults with intellectual or developmental disabilities as described in OAR chapter 411, division 328.

(c) **TRANSFER OF ASSETS.**

(A) As of October 1, 2014, an individual receiving medical benefits under OAR chapter 410, division 200 requesting Medicaid coverage for services in a nonstandard living arrangement (see 461-001-0000) is subject to the rules regarding transfer of assets (see 461-140-0210 to 461-140-0300) in the same manner as if the individual was requesting these services under OSIP-M. This includes, but is not limited to, the following assets:

(i) An annuity that is evaluated according to OAR 461-145-0022;

(ii) A transfer of property when an individual retains a life estate that is evaluated according to OAR 461-145-0310;

(iii) A loan made by an individual that is evaluated according to OAR 461-145-0330; or

(iv) An irrevocable trust that is evaluated according to OAR 461-145-0540;

(B) When an individual is disqualified for a transfer of assets, the individual must receive a notice meeting the requirements of OAR 461-175-0310 in the same manner as if the individual was requesting services under OSIP-M.

(C) An individual found to have transferred assets is not eligible for 24-hour residential services.

(3) **ENTRY.**

(a) The Department authorizes entry into residential services for children and stabilization and crisis units.

(b) The CDDP services coordinator authorizes entry into 24-hour residential programs, except in the cases of residential services for children and stabilization and crisis units.

(4) **DOCUMENTATION UPON ENTRY.**

(a) A service provider must acquire the following information prior to or upon an entry ISP team meeting:

(A) A copy of the eligibility determination document for the individual;

(B) A statement indicating the safety skills of the individual including the ability of the individual to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

(C) A brief written history of any behavioral challenges of the individual, including supervision and support needs;

(D) The medical history of the individual and information on health care supports that includes when available:

(i) The results of a physical exam made within 90 days prior to entry;

(ii) The results of any dental evaluation;

(iii) A record of immunizations;

(iv) A record of known communicable diseases and allergies; and

(v) A record of major illnesses and hospitalizations.

(E) A written record of any current or recommended medications, treatments, diets, and aids to physical functioning for the individual;

(F) Copies of documents relating to the guardianship or conservatorship of the individual, health care representative for the individual, or any other legal restrictions on the rights of the individual (if applicable);

(G) Written documentation that the individual is participating in out of residence activities, including public school enrollment for individuals less than 21 years of age; and

(H) A copy of the most recent Behavior Support Plan and assessment, ISP, Nursing Service Plan, and Individualized Education Plan (if applicable).

(b) If an individual is being admitted from the family home of the individual and the information required in subsection (a) of this section is not available, the service provider must assess the individual upon entry for issues of immediate health or safety and document a plan to secure the remaining information no later than 30 days after entry. The plan must include a written justification as to why the information is not available.

(5) **ENTRY MEETING.** An entry ISP team meeting must be conducted prior to the onset of services to an individual. Findings of the entry meeting must be recorded in the file for the individual and include at a minimum:

(a) The name of the individual proposed for services;

(b) The date of the meeting;

(c) The date determined to be the date of entry of the individual;

(d) Documentation of the participants included in the meeting;

(e) Documentation of the pre-entry information required by section

(4)(a) of this rule;

(f) Documentation of the decision to serve the individual requesting services; and

(g) A written Transition Plan for no longer than 60 days after entry that includes all medical, behavior, and safety supports needed by the individual.

(6) **VOLUNTARY TRANSFERS AND EXITS.**

(a) A service provider must promptly notify a services coordinator if an individual, or as applicable the legal or designated representative of the individual, gives notice of the intent of the individual to exit or the individual abruptly exits services.

(b) A service provider must notify a services coordinator prior to the voluntary transfer or exit of an individual from services.

(c) Notification and authorization of the voluntary transfer or exit of the individual must be documented in the record for the individual.

(d) A service provider is responsible for the provision of services until an individual exits the home.

(7) **INVOLUNTARY TRANSFERS AND EXITS.**

(a) A service provider must only transfer or exit an individual involuntarily for one or more of the following reasons:

(A) The behavior of the individual poses an imminent risk of danger to self or others;

(B) The individual experiences a medical emergency;

(C) The service needs of the individual exceed the ability of the service provider;

(D) The individual fails to pay for services; or

(E) The certification or endorsement for the service provider described in OAR chapter 411, division 323 is suspended, revoked, not renewed, or voluntarily surrendered or the license for the home is suspended, revoked, not renewed, or voluntarily surrendered.

(b) **NOTICE OF INVOLUNTARY TRANSFER OR EXIT.** A service provider must not transfer or exit an individual involuntarily without 30 days advance written notice to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator, except in the case of a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others in the home as described in subsection (c) of this section.

(A) The written notice must be provided on the Notice of Involuntary Transfer or Exit form approved by the Department and include:

(i) The reason for the transfer or exit; and

(ii) The right of the individual to a hearing as described in subsection

(e) of this section.

# ADMINISTRATIVE RULES

(B) A notice is not required when an individual, or as applicable the individual's legal or designated representative, requests a transfer or exit.

(c) A service provider may give less than 30 days advance written notice only in a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others in the home. The notice must be provided to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator immediately upon determination of the need for a transfer or exit.

(d) A service provider is responsible for the provision of services until an individual exits the home.

(e) HEARING RIGHTS. An individual must be given the opportunity for a hearing under ORS chapter 183 to dispute an involuntary transfer or exit as described in OAR 411-318-0030. If an individual or the legal or designated representative of an individual (as applicable) requests a hearing, the individual must receive the same services until the hearing is resolved. When an individual has been given less than 30 days advance written notice of a transfer or exit as described in subsection (c) of this section and the individual or the legal or designated representative of the individual (as applicable) has requested a hearing, the service provider must reserve the room of the individual until receipt of the final order.

## (8) EXIT MEETING.

(a) An ISP team must meet before any decision to exit is made. Findings of the exit meeting must be recorded in the file for the individual and include at a minimum:

- (A) The name of the individual considered for exit;
- (B) The date of the meeting;
- (C) Documentation of the participants included in the meeting;
- (D) Documentation of the circumstances leading to the proposed exit;
- (E) Documentation of the discussion of the strategies to prevent the exit of the individual from services (unless the individual, or as applicable the legal or designated representative of the individual, is requesting the exit);

(F) Documentation of the decision regarding the exit of the individual, including verification of the voluntary decision to exit or a copy of the Notice of Involuntary Transfer or Exit; and

(G) Documentation of the proposed plan for services for the individual after the exit.

(b) Requirements for an exit meeting may be waived if an individual is immediately removed from the home under the following conditions:

- (A) The individual, or as applicable the legal or designated representative of the individual, requests an immediate move from the home; or
- (B) The individual is removed by legal authority acting pursuant to civil or criminal proceedings other than detention for an individual less than 18 years of age.

(9) TRANSFER MEETING. An ISP team must meet to discuss any proposed transfer of an individual before any decision to transfer is made. Findings of the transfer meeting must be recorded in the file for an individual and include at a minimum:

- (a) The name of the individual considered for transfer;
- (b) The date of the meeting or telephone call;
- (c) Documentation of the participants included in the meeting or telephone call;
- (d) Documentation of the circumstances leading to the proposed transfer;
- (e) Documentation of the alternatives considered instead of transfer;
- (f) Documentation of the reasons any preferences of the individual, or as applicable the legal or designated representative of the individual, parent, or family members, may not be honored;
- (g) Documentation of the decision regarding the transfer, including verification of the voluntary decision to transfer or a copy of the Notice of Involuntary Transfer or Exit; and

(h) The written plan for services for the individual after transfer.

### Grievance of Entry, Exit, and Transfer

(1) In cases where the individual, or as applicable the individual's legal or designated representative, objects to an entry refusal, a grievance may be filed.

(2) All grievances must be made in writing to the CDDP director or the CDDP director's designee in accordance with the CDDP's dispute resolution policy. The CDDP must provide a written response to the individ-

ual, or as applicable the individual's legal or designated representative, within the timelines specified in the CDDP's dispute resolution policy.

(3) In cases where the CDDP's decision is in dispute, a written grievance must be made to the Department within 10 days of receipt of the CDDP's decision.

(4) Unresolved grievances are reviewed by the Department's director and a written response is provided within 45 days of receipt of the written request for the Department's review. The decision of the Department's director is final.

(5) Documentation of each grievance and resolution must be filed or noted in the individual's record.

### Individual Support Plan

(1) A copy of each ISP for an individual and supporting documentation on the required Department forms must be available at the home within 60 days of entry and annually thereafter.

(2) The following information must be collected and summarized prior to the ISP meeting:

- (a) Personal Focus Worksheet;
- (b) Risk Tracking Record;
- (c) Necessary protocols or plans that address health, behavioral, safety, and financial supports as identified on the Risk Tracking Record;
- (d) A Nursing Service Plan, if applicable, including but not limited to those tasks required by the Risk Tracking Record;
- (e) Other documents required by the ISP team; and
- (f) The functional needs assessment of an individual.

(3) A completed ISP must be documented on the Department required form and include the following:

- (a) The name of the individual and the name of the legal or designated representative of the individual (as applicable);
- (b) A description of the supports required that is consistent with the functional needs assessment of the individual, including the reason the support is necessary;
- (c) The projected dates of when specific supports are to begin and end;

(d) A list of personal, community, and public resources that are available to the individual and how the resources may be applied to provide the required supports. Sources of support may include waiver services, state plan services, state general funds, or natural supports;

(e) The manner in which services are delivered and the frequency of services;

(f) Service provider type for each person responsible for providing services and supports;

(g) The setting in which the individual resides as chosen by the individual;

(h) The strengths and preferences of the individual;

(i) The clinical and support needs as identified through the functional needs assessment;

(j) Individually identified goals and desired outcomes;

(k) The services and supports (paid and unpaid) to assist the individual to achieve identified goals and the providers of the services and supports, including voluntarily provided natural supports;

(l) The risk factors and the measures in place to minimize the risk factors, including back up plans;

(m) The identity of the person responsible for case management and monitoring the ISP;

(n) A provision to prevent unnecessary or inappropriate care; and

(o) The alternative settings considered by the individual.

(4) As of July 1, 2014, a Career Development Plan must be attached to the ISP of an adult in accordance with OAR 411-345-0160.

(5) The provider must maintain documentation of implementation of each support and services specified in sections (2)(c) to (2)(e) of this rule in the ISP for the individual. This documentation must be kept current and be available for review by the individual, the legal representative of the individual, CDDP, and Department representatives.

# ADMINISTRATIVE RULES

## 411-325-0460

### Civil Penalties

(1) For purposes of imposing civil penalties, 24-hour residential programs licensed under ORS 443.400 to 443.455 and 443.991(2) are considered to be long-term care facilities subject to 441.705 to 441.745.

(2) The Department issues the following schedule of penalties applicable to 24-hour residential programs as provided for under ORS 441.705 to 441.745:

(a) Violations of any requirement within any part of the following rules may result in a civil penalty up to \$500 per day for each violation not to exceed \$6,000 for all violations for any licensed 24-hour residential program within a 90-day period:

- (A) 411-325-0025(3), (4), (5), (6), and (7);
- (B) 411-325-0120(2), and (4);
- (C) 411-325-0130;
- (D) 411-325-0140;
- (E) 411-325-0150;
- (F) 411-325-0170;
- (G) 411-325-0190;
- (H) 411-325-0200;
- (I) 411-325-0220(1), and (2);
- (J) 411-325-0230;
- (K) 411-325-0240, 0250, 0260, 0270, 0280, and 0290;
- (L) 411-325-0300, 0340, and 0350;
- (M) 411-325-0360;
- (N) 411-325-0380;
- (O) 411-325-0430(3) and (4); and
- (P) 411-325-0440.

(b) Civil penalties of up to \$300 per day per violation may be imposed for violations of any section of these rules not listed in subsection (a)(A) to (a)(N) of this section if a violation has been cited on two consecutive inspections or surveys of a 24-hour residential program where such surveys are conducted by an employee of the Department. Penalties assessed under this section of this rule may not exceed \$6,000 within a 90-day period.

(3) Monitoring occurs when a 24-hour residential program is surveyed, inspected, or investigated by an employee or designee of the Department or an employee or designee of the Office of State Fire Marshal.

(4) In imposing a civil penalty pursuant to the schedule published in section (2) of this rule, the Department considers the following factors:

(a) The past history of the service provider incurring a penalty in taking all feasible steps or procedures necessary or appropriate to correct any violation;

(b) Any prior violations of statutes or rules pertaining to 24-hour residential programs;

(c) The economic and financial conditions of the service provider incurring the penalty; and

(d) The immediacy and extent to which the violation threatens or threatened the health, safety, or well-being of individuals.

(5) Any civil penalty imposed under ORS 443.455 and 441.710 becomes due and payable when the service provider incurring the penalty receives a notice in writing from the Director of the Department. The notice referred to in this section of this rule is sent by registered or certified mail and includes:

(a) A reference to the particular sections of the statute, rule, standard, or order involved;

(b) A short and plain statement of the matters asserted or charged;

(c) A statement of the amount of the penalty or penalties imposed; and

(d) A statement of the right of the services provider to request a hearing.

(6) The person representing the service provider to whom the notice is addressed has 20 days from the date of mailing of the notice in which to make a written application for a hearing before the Department.

(7) All hearings are conducted pursuant to the applicable provisions of ORS chapter 183.

(8) If the service provider notified fails to request a hearing within 20 days, an order may be entered by the Department assessing a civil penalty.

(9) If, after a hearing, the service provider is found to be in violation of a license, rule, or order listed in ORS 441.710(1), an order may be entered by the Department assessing a civil penalty.

(10) A civil penalty imposed under ORS 443.455 or 441.710 may be remitted or reduced upon such terms and conditions as the Director of the Department considers proper and consistent with individual health and safety.

(11) If the order is not appealed, the amount of the penalty is payable within 10 days after the order is entered. If the order is appealed and is sus-

tained, the amount of the penalty is payable within 10 days after the court decision. The order, if not appealed or sustained on appeal, constitutes a judgment and may be filed in accordance with the provisions of ORS 183.745. Execution may be issued upon the order in the same manner as execution upon a judgment of a court of record.

(12) A violation of any general order or final order pertaining to a 24-hour residential program issued by the Department is subject to a civil penalty in the amount of not less than \$5 and not more than \$500 for each and every violation.

(13) Judicial review of civil penalties imposed under ORS 441.710 are provided under 183.480, except that the court may, in its discretion, reduce the amount of the penalty.

(14) All penalties recovered under ORS 443.455 and 441.710 to 441.740 are paid into the State Treasury and credited to the General Fund.

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 328:

(1) "Abuse" means "abuse of an adult" as defined in OAR 407-045-0260.

(2) "Abuse Investigation and Protective Services" means the reporting and investigation activities as required by OAR 407-045-0300 and any subsequent services or supports necessary to prevent further abuse as required in 407-045-0310.

(3) "Administrator Review" means the Director of the Department reviews a decision upon request, including the documentation related to the decision, and issues a determination.

(4) "Adult" means an individual 18 years or older with an intellectual or developmental disability.

(5) "Aids to Physical Functioning" means any special equipment prescribed for an individual by a physician, therapist, or dietician that maintains or enhances the individual's physical functioning.

(6) "Baseline Level of Behavior" means the frequency, duration, or intensity of a behavior, objectively measured, described, and documented prior to the implementation of an initial or revised Behavior Support Plan. The baseline level of behavior serves as the reference point by which the ongoing efficacy of an ISP is to be assessed. A baseline level of behavior is reviewed and reestablished at minimum yearly, at the time of an ISP team meeting.

(7) "Behavior Data Collection System" means the methodology specified within a Behavior Support Plan that directs the process for recording observations, interventions, and other support provision information critical to the analysis of the efficacy of the Behavior Support Plan.

(8) "Behavior Data Summary" means the document composed by a service provider to summarize episodes of protective physical intervention. The behavior data summary serves as a substitution for the requirement of an incident report for each episode of protective physical intervention.

(9) "Board of Directors" means "board of directors" as defined in OAR 411-323-0020.

(10) "Career Development Plan" means the part of an ISP that identifies the employment goals and objectives for an individual, the services and supports needed to achieve those goals, the people, agencies, and providers assigned to assist the individual to attain those goals, the obstacles to the individual working in an individualized job in an integrated employment setting, and the services and supports necessary to overcome those obstacles.

(11) "CDDP" means "community developmental disability program" as defined in OAR 411-320-0020.

(12) "Certificate" means the document issued by the Department to a service provider that certifies the service provider is eligible under the rules in OAR chapter 411, division 323 to receive state funds for the provision of endorsed supported living services.

(13) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, service providers, services, and service settings. Personal outcomes, goals, and activities are supported in the context of balancing the rights, risks, and personal choices of the individual. Individuals are supported in opportuni-

## ADMINISTRATIVE RULES

ties to make changes when so expressed. Choice may be communicated orally, through sign language, or by other communication methods.

(14) "Complaint" means "complaint" as defined in OAR 411-318-0005.

(15) "Department" means the Department of Human Services.

(16) "Designated Representative" means any adult, such as a parent, family member, guardian, advocate, or other person, authorized in writing by an individual to serve as the representative of the individual in connection with the provision of funded supports, who is not also a paid service provider for the individual. An individual is not required to appoint a designated representative.

(17) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in OAR 411-320-0080.

(18) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services or the designee of the Director.

(19) "Endorsement" means the authorization to provide supported living services issued by the Department to a certified service provider that has met the qualification criteria outlined in these rules and the rules in OAR chapter 411, division 323.

(20) "Entry" means admission to a Department-funded developmental disability service.

(21) "Executive Director" means the person designated by a board of directors or corporate owner that is responsible for the administration of supported living services.

(22) "Exit" means termination or discontinuance of a Department-funded developmental disability service by a Department licensed or certified service provider.

(23) "Functional Needs Assessment":

(A) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors, choices and preferences, service and support needs, strengths, and goals; and

(C) Determines the service level.

(b) The functional needs assessment for an adult is known as the Adult Needs Assessment. The Department incorporates Version B of the Adult Needs Assessment dated July 1, 2014 into these rules by this reference. The Adult Needs Assessment is maintained by the Department at: [www.dhs.state.or.us/spd/tools/dd/cm/ANA\\_Adult\\_In-home.xls](http://www.dhs.state.or.us/spd/tools/dd/cm/ANA_Adult_In-home.xls). Printed copies may be obtained by calling (503) 945-6398 or writing to the Department of Human Services, Developmental Disabilities, ATTN: Rule Coordinator, 500 Summer Street NE, Salem, OR 97301.

(24) "Hearing" means a contested case hearing subject to OAR 137-003-0501 to 137-003-0070, which results in a final order.

(25) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving an individual.

(26) "Independence" means the extent to which an individual exerts control and choice over his or her own life.

(27) "Individual" means an adult with an intellectual or developmental disability applying for, or determined eligible for, developmental disability services.

(28) "Individual Profile" means the written profile that describes an individual entering into supported living services. The profile may consist of materials or assessments generated by a service provider or other related agencies, consultants, family members, or the legal or designated representative of the individual.

(29) "Integration" as defined in ORS 427.005 means:

(a) The use by individuals with intellectual or developmental disabilities of the same community resources used by and available to other people;

(b) Participation by individuals with intellectual or developmental disabilities in the same community activities in which people without an intellectual or developmental disability participate, together with regular contact with people without an intellectual or developmental disability; and

(c) Individuals with intellectual or developmental disabilities reside in homes or home-like settings that are in proximity to community resources and foster contact with people in the community.

(30) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in OAR 411-320-0080.

(31) "Involuntary Transfer" means a service provider has made the decision to transfer an individual and the individual, or as applicable the legal or designated representative of the individual, has not given prior approval.

(32) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects the services and supports that are important for an individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for service providers, delivery, and frequency of services and support. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, state plan, or natural supports.

(33) "ISP Team" means a team composed of an individual receiving services and the legal or designated representative of the individual (as applicable), services coordinator, and others chosen by the individual, or as applicable the legal or designated representative of the individual, such as service providers and family members.

(34) "Legal Representative" means an attorney at law who has been retained by or for an individual, a power of attorney for an individual, or a person or agency authorized by a court to make decisions about services for an individual.

(35) "Mandatory Reporter" means any public or private official as defined in OAR 407-045-0260 who, while acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult individual has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult individual. Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, or attorney is not required to report if the communication is privileged under ORS 40.225 to 40.295.

(36) "Medicaid Agency Identification Number" means the numeric identifier assigned by the Department to a service provider following the enrollment of the service provider as described in OAR chapter 411, division 370.

(37) "Medicaid Performing Provider Number" means the numeric identifier assigned to an entity or person by the Department following the enrollment of the entity or person as described in OAR chapter 411, division 370. The Medicaid Performing Provider Number is used by a rendering service provider for identification and billing purposes associated with service authorizations and payments.

(38) "Natural Supports" means the voluntary resources available to an individual from the relatives, friends, significant others, neighbors, roommates, and the community of the individual that are not paid for by the Department.

(39) "Needs Meeting" means a process in which an ISP team identifies the services and supports an individual needs to live in his or her own home and makes a determination as to the feasibility of creating such services. The information generated in a needs meeting or discussion is used for completion of the functional needs assessment to develop the Transition Plan for the individual.

(40) "OHP Plus" means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b).

(41) "OIS" means "Oregon Intervention System". OIS is the system of providing training to people who work with designated individuals to provide elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques that are used to maintain health and safety.

(42) "OSIP-M" means "Oregon Supplemental Income Program-Medical" as described in OAR 461-001-0030. OSIP-M is Oregon Medicaid insurance coverage for individuals who meet the eligibility criteria described in OAR chapter 461.

(43) "Person-Centered Planning":

(a) Means a timely and formal or informal process that is driven by an individual, includes people chosen by the individual, ensures that the individual directs the process to the maximum extent possible, and that the individual is enabled to make informed choices and decisions consistent with CFR 441.540.

(b) Person centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, service providers, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

# ADMINISTRATIVE RULES

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(44) "Positive Behavioral Theory and Practice" means a proactive approach to behavior and behavior interventions that:

(a) Emphasizes the development of functional alternative behavior and positive behavior intervention;

(b) Uses the least intervention possible;

(c) Ensures that abusive or demeaning interventions are never used; and

(d) Evaluates the effectiveness of behavior interventions based on objective data.

(45) "Protection" means the necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of an individual.

(46) "Protective Physical Intervention" means any manual physical holding of, or contact with, an individual that restricts freedom of movement.

(47) "Protective Services" means "protection" as defined in this rule.

(48) "Psychotropic Medication" means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(49) "Program" means "service provider" as defined in this rule.

(50) "Service Level" means the amount of services determined necessary by a functional needs assessment and made available to meet the identified support needs of an individual.

(51) "Service Provider" means a public or private community agency or organization that provides recognized developmental disability services and is certified and endorsed by the Department to provide these services under these rules and the rules in OAR chapter 411, division 323.

(52) "Services Coordinator" means "services coordinator" as defined in OAR 411-320-0020.

(53) "Staff" means paid employees responsible for providing services to individuals whose wages are paid in part or in full with funds sub-contracted with the CDDP or contracted directly through the Department.

(54) "Substantiated" means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(55) "Support" means the assistance that an individual requires, solely because of the effects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(56) "Supported Living" means the endorsed service that provides the opportunity for individuals to live in a residence of their own choice within the community. Supported living is not grounded in the concept of "readiness" or in a "continuum of services model" but rather provides the opportunity for individuals to live where they want, with whom they want, for as long as they desire, with a recognition that needs and desires may change over time.

(57) "These Rules" mean the rules in OAR chapter 411, division 328.

(58) "Transfer" means movement of an individual from one type of service to another type of service administered or operated by the same service provider.

(59) "Transition Plan" means the written plan of services and supports for the period of time between the entry of an individual into a particular service and the development of the ISP for the individual. The Transition Plan is approved by the services coordinator and includes a summary of the services necessary to facilitate adjustment to the services offered, the supports necessary to ensure health and safety, and the assessments and consultations necessary for ISP development.

(60) "Unusual Incident" means any incident involving an individual that includes serious illness, accident, death, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, a fire requiring the services of a fire department, or any incident requiring an abuse investigation.

(61) "Variance" means the temporary exception from a regulation or provision of these rules that may be granted by the Department upon written application by a service provider.

### Incident Reports and Emergency Notifications

(1) An incident report, as defined in OAR 411-328-0560, must be placed in the record for an individual upon injury, accident, act of physical aggression, or unusual incident. The incident report must include:

(a) Conditions prior to, or leading to, the incident;

(b) A description of the incident;

(c) Staff response at the time; and

(d) Follow-up to be taken to prevent a recurrence of the incident.

(2) A copy of all incident reports must be sent to the services coordinator within five working days of the incident.

(a) Upon request of the legal representative of an individual, copies of incident reports must be sent to the legal representative within five working days of the incident.

(b) Copies sent to the legal representative of an individual must have any confidential information about other individuals removed or redacted as required by federal and state privacy laws.

(c) Copies of unusual incident reports may not be provided to the legal representative when the report is part of an abuse or neglect investigation.

(3) The service provider must notify the CDDP immediately if an incident or allegation falls within the scope of abuse as defined in OAR 407-045-0260. When an abuse investigation has been initiated, the CDDP must ensure that either the services coordinator or the service provider also immediately notifies the legal or designated representative of the individual (as applicable). The parent, next of kin, or other significant person of the individual may also be notified unless the individual requests the parent, next of kin, or other significant person not be notified about the abuse investigation or protective services, or notification has been specifically prohibited by law.

(4) In the case of a serious illness, injury, or death of an individual, the service provider must immediately notify:

(a) The legal or designated representative, parent, next of kin, and other significant person of the individual (as applicable);

(b) The CDDP; and

(c) Any other agency responsible for the individual.

(5) In the case of an individual who is missing beyond the timeframes established by the ISP team, the service provider must immediately notify:

(a) The designated representative of the individual;

(b) The legal representative of the individual, if any, or nearest responsible relative;

(c) The local police department; and

(d) The CDDP.

### Individual Rights, Complaints, Notification of Planned Action, and Hearings

#### (1) INDIVIDUAL RIGHTS.

(a) The service provider must protect the rights of individuals described in subsection (d) of this section and encourage and assist individuals to understand and exercise these rights.

(b) Upon enrollment, request, and annually thereafter, the individual rights described in subsection (d) of this section must be provided to an individual and the legal or designated representative of an individual.

(c) The individual rights described in this rule apply to all individuals eligible for or receiving developmental disability services. A parent or guardian may place reasonable limitations on the rights of a child.

(d) While receiving developmental disability services, an individual has the right to:

(A) Be free and protected from abuse or neglect and to report any incident of abuse or neglect without being subject to retaliation;

(B) Be free from seclusion, unauthorized training or treatment, protective physical intervention, chemical restraint, or mechanical restraint and assured that medication is administered only for the clinical needs of the individual as prescribed by a health care provider, unless an imminent risk

# ADMINISTRATIVE RULES

of physical harm to the individual or others exists and only for as long as the imminent risk continues;

(C) Individual choice for an adult to consent to or refuse treatment, unless incapable and then an alternative decision maker must be allowed to consent to or refuse treatment for the adult. For a child, the parent or guardian of the child must be allowed to consent to or refuse treatment, except as described in ORS 109.610 or limited by court order;

(D) Informed, voluntary, written consent prior to receiving services, except in a medical emergency or as otherwise permitted by law;

(E) Informed, voluntary, written consent prior to participating in any experimental programs;

(F) A humane service environment that affords reasonable protection from harm, reasonable privacy in all matters that do not constitute a documented health and safety risk to the individual, and access and the ability to engage in private communications with any public or private rights protection program, services coordinator, and others chosen by the individual, through personal visits, mail, telephone, or electronic means;

(G) Contact and visits with legal and medical professionals, legal or designated representatives, family members, friends, advocates, and others chosen by the individual, except where prohibited by court order;

(H) Participate regularly in the community and use community resources, including recreation, developmental disability services, employment services and day support activities, school, educational opportunities, and health care resources;

(I) Access to a free and appropriate public education for children and adults less than 21 years of age, including a procedure for school attendance or refusal to attend.

(J) Reasonable and lawful compensation for performance of labor, except personal housekeeping duties;

(K) Manage the individual's own money and financial affairs unless the right has been taken away by court order or other legal procedure;

(L) Keep and use personal property, personal control and freedom regarding personal property, and a reasonable amount of personal storage space;

(M) Adequate food, housing, clothing, medical and health care, supportive services, and training;

(N) Seek a meaningful life by choosing from available services, service settings, and service providers consistent with the support needs of the individual identified through a functional needs assessment, and enjoying the benefits of community involvement and community integration:

(i) Services must promote independence and dignity and reflect the age and preferences of the individual; and

(ii) The services must be provided in a setting and under conditions that are most cost effective and least restrictive to the liberty of the individual, least intrusive to the individual, and that provide for self-directed decision-making and control of personal affairs appropriate to the preferences, age, and identified support needs of the individual;

(O) An individualized written plan for services created through a person-centered planning process, services based upon the plan, and periodic review and reassessment of service needs;

(P) Ongoing opportunity to participate in the planning of services in a manner appropriate to the capabilities of the individual, including the right to participate in the development and periodic revision of the plan for services, the right to be provided with a reasonable explanation of all service considerations through choice advising, and the right to invite others chosen by the individual to participate in the plan for services;

(Q) Request a change in the plan for services;

(R) A timely decision upon request for a change in the plan for services;

(S) Advance written notice of any action that terminates, suspends, reduces, or denies a service or request for service, and notification of other available sources for necessary continued services;

(T) A hearing to challenge an action that terminates, suspends, reduces, or denies a service or request for service;

(U) Exercise all rights set forth in ORS 426.385 and 427.031 if the individual is committed to the Department;

(V) Be informed at the start of services and annually thereafter of the rights guaranteed by this rule, the contact information for the protection and advocacy system described in ORS 192.517(1), the procedures for reporting abuse, and the procedures for filing complaints, reviews, or requests for hearings if services have been or are proposed to be terminated, suspended, reduced, or denied;

(W) Have these rights and procedures prominently posted in a location readily accessible to individuals and made available to representatives of the individual;

(X) Be encouraged and assisted in exercising all legal, civil, and human rights accorded to other citizens of the same age, except when limited by a court order;

(Y) Be informed of, and have the opportunity to assert complaints as described in OAR 411-318-0015 with respect to infringement of the rights described in this rule, including the right to have such complaints considered in a fair, timely, and impartial complaint procedure without any form of retaliation or punishment; and

(Z) Freedom to exercise all rights described in this rule without any form of reprisal or punishment.

(e) The rights described in this rule are in addition to, and do not limit, all other statutory and constitutional rights that are afforded all citizens, including but not limited to the right to exercise religious freedom, vote, marry, have or not have children, own and dispose of property, and enter into contracts and execute documents, unless specifically prohibited by law in the case of children less than 18 years of age.

(f) An individual who is receiving developmental disability services, or as applicable a legal or designated representative of the individual, has the right under ORS 430.212 to be informed that a family member has contacted the Department to determine the location of the individual and to be informed of the name and contact information of the family member, if known.

(g) The rights described in this rule may be asserted and exercised by an individual, the legal representative of an individual, and any representative designated by an individual.

(h) Nothing in this rule may be construed to alter any legal rights and responsibilities between a parent and child.

(i) A guardian is appointed for an adult only as is necessary to promote and protect the well-being of the adult. A guardianship for an adult must be designed to encourage the development of maximum self-reliance and independence of the adult, and may be ordered only to the extent necessitated by the actual mental and physical limitations of the adult. An adult for whom a guardian has been appointed is not presumed to be incompetent. An adult with a guardian retains all legal and civil rights provided by law, except those that have been expressly limited by court order or specifically granted to the guardian by the court. Rights retained by the adult include, but are not limited to, the right to contact and retain counsel and to have access to personal records. (ORS 125.300).

## (2) COMPLAINTS.

(a) Complaints must be addressed in accordance with OAR 411-318-0015.

(b) Upon entry, request, and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

(3) NOTIFICATION OF PLANNED ACTION. In the event that a developmental disability service is involuntarily denied, reduced, suspended, or terminated a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

## (4) HEARINGS.

(a) Hearings must be addressed in accordance with ORS chapter 183 and OAR 411-318-0025.

(b) An individual, or as applicable the legal or designated representative of the individual, may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025 for involuntary denials, reductions, suspensions, or terminations or 411-318-0030 for involuntary transfers or exits.

(c) Upon entry, request, and annually thereafter, a notice of hearing rights and the policy and procedures for hearings must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

### Personalized Plans

(1) The decision to support an individual so that the individual may live in and maintain his or her own home requires significant involvement from the individual and the ISP team. In supported living, this process is characterized by a functional needs assessment and a series of team meetings or discussions to determine what personalized supports the individual needs to live in his or her own home, a determination as to the feasibility of creating such supports, and the development of a written plan that describes services the individual must receive upon entry into supported living.

(2) **NEEDS MEETING.** Prior to an individual receiving supported living services, the ISP team must meet to discuss the projected service needs of the individual in a needs meeting. This meeting must:

(a) Review information related to the health and medical, safety, dietary, financial, social, leisure, staff, mental health, and behavioral support needs and preferences of the individual;

(b) Include any potential service providers, the individual, and other ISP team members;

(c) As part of a functional needs assessment activity, identify the supports required for the individual to live in his or her own home; and

(d) Discuss the selection of potential service providers based on the list of support and services needed.

(3) **TRANSITION PLAN.** The service provider must spend time getting to know the individual personally before the development of the Transition Plan for the individual. The individual, service provider, and other ISP team members must participate in an entry meeting prior to the initiation of services. The outcome of the entry meeting must be a written Transition Plan that takes effect upon entry. The Transition Plan must:

(a) Address the health and medical, safety, dietary, financial, staffing, mental health, and behavioral support needs and preferences of the individual as required by the ISP team;

(b) Indicate who is responsible for providing the supports described in the Transition Plan for the individual;

(c) Be based on the list of supports identified in the functional needs assessment and consultation required by the ISP team; and

(d) Be in effect and available at the site until the ISP for the individual is developed and approved by the ISP team.

#### (4) INDIVIDUAL SUPPORT PLAN (ISP).

(a) An ISP must be developed and approved by an ISP team, be available at the home of the individual within 30 days of development and approval, and updated at least annually or as changes occur.

(b) The ISP or attached documents must include:

(A) The name of the individual and the name of the legal or designated representative of the individual (as applicable);

(B) A description of the supports required that is consistent with the functional needs assessment of the individual, including the reason the support is necessary;

(C) The projected dates of when specific supports are to begin and end;

(D) A list of personal, community, and public resources that are available to the individual and how the resources may be applied to provide the required supports. Sources of support may include waiver services, state plan services, state general funds, or natural supports;

(E) The manner in which services are delivered and the frequency of services;

(F) Service provider type for each person responsible for providing services and supports;

(G) The setting in which the individual resides as chosen by the individual;

(H) The strengths and preferences of the individual;

(I) The clinical and support needs of the individual as identified through a functional needs assessment;

(J) Individually identified goals and desired outcomes;

(K) The services and supports (paid and unpaid) to assist the individual to achieve identified goals and the providers of the services and supports, including voluntarily provided natural supports;

(L) The risk factors and the measures in place to minimize the risk factors, including back up plans;

(M) The identity of the person responsible for case management and monitoring the ISP;

(N) A provision to prevent unnecessary or inappropriate care; and

(O) The alternative settings considered by the individual.

(c) As of July 1, 2014, a Career Development Plan must be attached to the ISP of an adult in accordance with OAR 411-345-0160.

(d) The services coordinator must distribute a copy of the ISP to all ISP team members within 30 calendar days of the ISP team meeting.

#### (5) INDIVIDUAL PROFILE.

(a) The service provider must develop a written profile that describes the individual. This information is used in training new staff. The profile must be completed within 90 days of entry. The profile must include information related to the history or personal highlights of the individual, lifestyle and activity choices and preferences, social network and significant relationships, and other information that helps describe the individual.

(b) The profile must be composed of written information generated by the service provider. The profile may include:

(A) Reports of assessments or consultations;

(B) Historical or current materials developed by the CDDP or nursing facility;

(C) Material and pictures from the family and friends of the individual;

(D) Newspaper articles; and

(E) Other relevant information.

(c) The profile must be maintained at the service site and updated as significant changes occur.

## 411-328-0760

### Behavior Support

(1) The service provider must have and implement a written policy for behavior support that utilizes individualized positive behavioral theory and practice and prohibits abusive practices.

(2) The service provider must inform the individual, and as applicable the legal or designated representative of the individual, of the behavior support policy and procedures at the time of entry and as changes occur.

(3) A decision to develop a plan to alter a behavior must be made by the ISP team. Documentation of the ISP team decision must be maintained by the service provider.

(4) The behavior consultant or a trained staff member must conduct a functional behavioral assessment of the behavior that is based upon information provided by one or more people who know the individual. The functional behavioral assessment must include:

(a) A clear, measurable description of the behavior including frequency, duration, and intensity of the behavior (as applicable);

(b) A clear description and justification of the need to alter the behavior;

(c) An assessment of the meaning of the behavior, including the possibility that the behavior is one or more of the following:

(A) An effort to communicate;

(B) The result of a medical condition;

(C) The result of a psychiatric condition; or

(D) The result of environmental causes or other factors.

(d) A description of the context in which the behavior occurs; and

(e) A description of what currently maintains the behavior.

(5) The Behavior Support Plan must include:

(a) An individualized summary of the needs, preferences, and relationships of the individual;

(b) A summary of the function of the behavior as derived from the functional behavioral assessment;

(c) Strategies that are related to the function of the behavior and are expected to be effective in reducing problem behaviors;

(d) Prevention strategies including environmental modifications and arrangements;

(e) Early warning signals or predictors that may indicate a potential behavioral episode and a clearly defined plan of response;

(f) A general crisis response plan that is consistent with OIS;

(g) A plan to address post crisis issues;

(h) A procedure for evaluating the effectiveness of the Behavior Support Plan including a method of collecting and reviewing data on frequency, duration, and intensity of the behavior;

(i) Specific instructions for staff who provide support to follow regarding the implementation of the Behavior Support Plan; and

(j) Positive behavior supports that includes the least intrusive intervention possible.

# ADMINISTRATIVE RULES

(6) Providers must maintain the following additional documentation for implementation of a Behavior Support Plan:

(a) Written evidence that the individual, the legal representative of the individual (if applicable), and the ISP team are aware of the development of the Behavior Support Plan and any objections or concerns have been documented;

(b) Written evidence of the ISP team decision for approval of the implementation of the Behavior Support Plan; and

(c) Written evidence of all informal and positive strategies used to develop an alternative behavior.

## 411-328-0770

### Protective Physical Intervention

(1) The service provider must only employ protective physical intervention techniques that are included in the current approved OIS curriculum or as approved by the OIS Steering Committee. Protective physical intervention techniques must only be applied:

(a) When the health and safety of the individual and others are at risk and the ISP team has authorized the procedures in a documented ISP team decision that is included in the ISP and uses procedures that are intended to lead to less restrictive intervention strategies;

(b) As an emergency measure if absolutely necessary to protect the individual or others from immediate injury; or

(c) As a health related protection ordered by a licensed health care provider if absolutely necessary during the conduct of a specific medical or surgical procedure or for the protection of the individual during the time that a medical condition exists.

(2) Staff supporting an individual must be trained by an instructor certified in OIS when the individual has a history of behavior requiring protective physical intervention and the ISP team has determined there is probable cause for future application of protective physical intervention. Documentation verifying OIS training must be maintained in the personnel file for the staff person.

(3) The service provider must obtain the approval of the OIS Steering Committee for any modification of standard OIS protective physical intervention techniques. The request for modification of a protective physical intervention technique must be submitted to the OIS Steering Committee and must be approved in writing by the OIS Steering Committee prior to the implementation of the modification. Documentation of the approval must be maintained in the record for the individual.

(4) Use of protective physical intervention techniques that are not part of an approved Behavior Support Plan in emergency situations must:

(a) Be reviewed by the Executive Director or the designee of the Executive Director within one hour of application;

(b) Be only used until the individual is no longer an immediate threat to self or others;

(c) Result in the submission of an incident report to the services coordinator or other Department designee (if applicable) and the legal representative of the individual (if applicable), no later than one working day after the incident has occurred ; and

(d) Prompt an ISP meeting if emergency protective physical intervention is used more than three times in a six month period.

(5) Any use of protective physical intervention must be documented in an incident report, excluding circumstances described in section (7) of this rule. The report must include:

(a) The name of the individual to whom the protective physical intervention was applied;

(b) The date, type, and length of time the protective physical intervention was applied;

(c) A description of the incident precipitating the need for the use of protective physical intervention;

(d) Documentation of any injury;

(e) The name and the position of the staff member applying the protective physical intervention;

(f) The name and position of any staff member witnessing the protective physical intervention;

(g) The name and position of the person providing the initial review of the use of the protective physical intervention; and

(h) Documentation of a review by the Executive Director or the designee of the Executive Director who is knowledgeable in OIS, as evident by a job description that reflects this responsibility. The review must include the follow-up to be taken to prevent a recurrence of the incident.

(6) A copy of the incident report must be forwarded within five working days of the incident to the services coordinator and the legal representative of the individual (when applicable).

(a) The services coordinator or the Department designee (when applicable) must receive complete copies of incident reports.

(b) Copies of incident reports may not be provided to a legal representative or other service provider when the report is part of an abuse or neglect investigation.

(c) Copies provided to a legal representative or other service provider must have confidential information about other individuals removed or redacted as required by federal and state privacy laws.

(d) All protective physical interventions resulting in injuries must be documented in an incident report and forwarded to the services coordinator or other Department designee (if applicable) within one working day of the incident.

### (7) BEHAVIOR DATA SUMMARY.

(a) The service provider may substitute a behavior data summary in lieu of individual incident reports when:

(A) There is no injury to the individual or others;

(B) The intervention utilized is not a protective physical intervention;

(C) There is a formal written functional behavioral assessment and a written Behavior Support Plan;

(D) The Behavior Support Plan of the individual defines and documents the parameters of the baseline level of behavior;

(E) The protective physical intervention techniques and the behavior for which the protective physical intervention techniques are applied remain within the parameters outlined in the Behavior Support Plan of the individual and OIS curriculum; and

(F) The behavior data collection system for recording observations, interventions, and other support information critical to the analysis of the efficacy of the Behavior Support Plan is also designed to record the items described in section (5)(a)–(c) and (e)–(h) of this rule.

(b) A copy of the behavior data summary must be forwarded every 30 days to the services coordinator or other Department designee (if applicable) and the legal representative of the individual (if applicable).

## 411-328-0790

### Entry, Exit, and Transfer

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, national origin, gender, religion, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) QUALIFICATIONS FOR DEPARTMENT-FUNDED SERVICES. An individual who enters supported living services is subject to eligibility as described in this section.

(a) To be eligible for supported living services, an individual must:

(A) Be an Oregon resident;

(B) Be eligible for OHP Plus;

(C) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080;

(D) Meet the level of care defined in OAR 411-320-0020;

(E) Be an individual who is not receiving other Department-funded in-home or community living support;

(F) Have access to the financial resources to afford living expenses, such as food, utilities, rent and other housing expenses; and

(G) Be eligible for Community First Choice state plan services.

(b) TRANSFER OF ASSETS.

(A) As of October 1, 2014, an individual receiving medical benefits under OAR chapter 410, division 200 requesting Medicaid coverage for services in a nonstandard living arrangement (see 461-001-0000) is subject to the rules regarding transfer of assets (see OAR 461-140-0210 to 461-140-0300) in the same manner as if the individual was requesting these services under OSIP-M. This includes, but is not limited to, the following assets:

(i) An annuity that is evaluated according to OAR 461-145-0022;

(ii) A transfer of property when an individual retains a life estate that is evaluated according to OAR 461-145-0310;

(iii) A loan made by an individual that is evaluated according to OAR 461-145-0330; or

(iv) An irrevocable trust that is evaluated according to OAR 461-145-0540;

# ADMINISTRATIVE RULES

(B) When an individual is disqualified for a transfer of assets, the individual must receive a notice meeting the requirements of OAR 461-175-0310 in the same manner as if the individual was requesting services under OSIP-M.

(C) An individual found to have transferred assets is not eligible for supported living services.

## (3) ENTRY.

(a) A service provider must acquire the following information prior to or upon an entry ISP team meeting:

(A) A copy of the eligibility determination document for the individual;

(B) A statement indicating the safety skills of the individual including the ability of the individual to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

(C) A brief written history any behavioral challenges of the individual, including supervision and support needs;

(D) The medical history of the individual and information on health care supports that includes when available:

(i) The results of a physical exam made within 90 days prior to entry;

(ii) The results of any dental evaluation;

(iii) A record of immunizations;

(iv) A record of known communicable diseases and allergies; and

(v) A record of major illnesses and hospitalizations.

(E) Information related to the lifestyle, activities, and other choices and preferences of the individual;

(F) Documentation of the financial resources of the individual;

(G) A written record of any current or recommended medications, treatments, diets, and aids to physical functioning for the individual;

(H) Copies of protocols, risk tracking record, and any support documentation (if applicable);

(I) Copies of documents relating to the guardianship or conservatorship of the individual, health care representation of the individual, or any other legal restriction on the rights of the individual (if applicable); and

(J) A copy of the most recent ISP and Behavior Support Plan and assessment (if applicable).

(b) ENTRY MEETING. An entry ISP team meeting must be conducted prior to the onset of services to an individual. The findings of the entry meeting must be recorded in the file for the individual and include at a minimum:

(A) The name of the individual proposed for services;

(B) The date of the entry meeting;

(C) The date determined to be the date of entry of the individual;

(D) Documentation of the participants included in the entry meeting;

(E) Documentation of the pre-entry information required by subsection (a) of this section;

(F) Documentation of the decision to serve the individual requesting services; and

(G) A written Transition Plan for no longer than 60 days after entry that includes all medical, behavior, and safety supports needed by the individual.

## (4) VOLUNTARY TRANSFERS AND EXITS.

(a) A service provider must promptly notify a services coordinator if an individual, or as applicable the legal or designated representative of the individual, gives notice of the intent of the individual to exit or the individual abruptly exits services.

(b) A service provider must notify a services coordinator prior to the voluntary transfer or exit of an individual from services.

(c) Notification and authorization of the voluntary transfer or exit of the individual must be documented in the record for the individual.

(d) Before a transfer, an individual must be presented with at least three appropriate placement setting options, including at least two different types of residential settings, as described in OAR 411-320-0110.

## (5) INVOLUNTARY TRANSFERS AND EXITS.

(a) A service provider must only transfer or exit an individual involuntarily for one or more of the following reasons:

(A) The behavior of the individual poses an imminent risk of danger to self or others;

(B) The individual experiences a medical emergency;

(C) The service needs of the individual exceed the ability of the service provider;

(D) The individual fails to pay for services; or

(E) The certification or endorsement for the service provider described in OAR chapter 411, division 323 is suspended, revoked, not renewed, or voluntarily surrendered.

(b) NOTICE OF INVOLUNTARY TRANSFER OR EXIT. A service provider must not transfer or exit an individual involuntarily without 30 days advance written notice to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator, except in the case of a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others as described in subsection (c) of this section.

(A) The written notice must be provided on the Notice of Involuntary Transfer or Exit form approved by the Department and include:

(i) The reason for the transfer or exit; and

(ii) The right of the individual to a hearing as described in subsection (d) of this section.

(B) A notice is not required when an individual, or as applicable the legal or designated representative of the individual, requests a transfer or exit.

(c) A service provider may give less than 30 days advance written notice only in a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others. The notice must be provided to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator immediately upon determination of the need for a transfer or exit.

(d) HEARING RIGHTS. An individual must be given the opportunity for a hearing under ORS Chapter 183 to dispute an involuntary transfer or exit as described in OAR 411-318-0030. If an individual or the legal or designated representative of the individual (as applicable) requests a hearing, the individual must receive the same services until the hearing is resolved. When an individual has been given less than 30 days advance written notice of a transfer or exit as described in subsection (c) of this section and the individual or the legal or designated representative of the individual (as applicable) has requested a hearing, the service provider must reserve service availability for the individual until receipt of the final order.

## (6) EXIT MEETING.

(a) An ISP team must meet before any decision to exit is made. Findings of such a meeting must be recorded in the file for the individual and include at a minimum:

(A) The name of the individual considered for exit;

(B) The date of the meeting;

(C) Documentation of the participants included in the meeting;

(D) Documentation of the circumstances leading to the proposed exit;

(E) Documentation of the discussion of the strategies to prevent the exit of the individual from services (unless the individual, or as applicable the legal or designated representative of the individual, is requesting the exit);

(F) Documentation of the decision regarding the exit of the individual, including verification of the voluntary decision to transfer or exit or a copy of the Notice of Involuntary Transfer or Exit; and

(G) Documentation of the proposed plan for services for the individual after the exit.

(b) Requirements for an exit meeting may be waived if an individual is immediately removed from services under the following conditions:

(A) The individual, or as applicable the legal or designated representative of the individual, requests an immediate removal from services; or

(B) The individual is removed by legal authority acting pursuant to civil or criminal proceedings.

(7) TRANSFER MEETING. An ISP team must meet to discuss any proposed transfer of an individual before any decision to transfer is made. Findings of such a meeting must be recorded in the file for the individual and include at a minimum:

(a) The name of the individual considered for transfer;

(b) The date of the meeting or telephone call;

(c) Documentation of the participants included in the meeting or telephone call;

(d) Documentation of the circumstances leading to the proposed transfer;

(e) Documentation of the alternatives considered instead of transfer;

(f) Documentation of the reasons any preferences of the individual, or as applicable the legal or designated representative or family members of the individual, cannot be honored;

(g) Documentation of the voluntary decision to transfer or exit or a copy of the Notice of Involuntary Transfer or Exit; and

(h) The written plan of services for the individual after the transfer.

# ADMINISTRATIVE RULES

## 411-328-0800

### Entry, Exit, and Transfer: Appeal Process

(1) In cases where the individual and the individual's parent, guardian, advocate, or the provider objects to, or the ISP team cannot reach majority agreement regarding an admission refusal, an appeal may be filed by any member of the ISP team. In the case of a refusal to serve, the slot must be held vacant but the payment for the slot must continue.

(2) All appeals must be made in writing to the CDDP Director or the CDDP Director's designee for decision using the county's appeal process. The CDDP Director or the CDDP Director's designee must make a decision within 30 working days of receipt of the appeal and notify the appellant of the decision in writing.

(3) The decision of the CDDP may be appealed by the individual, the individual's parent, guardian, advocate, or the provider by notifying the Office of Developmental Disability Services in writing within ten working days of receipt of the county's decision.

(a) A committee is appointed by the Director or the Director's designee in the Office of Developmental Disability Services every two years and is composed of a Department representative, a residential service representative, and a services coordinator;

(b) In case of a conflict of interest, as determined by the Director or the Director's designee, alternative representatives may be temporarily appointed by the Director or the Director's designee to the committee;

(c) The committee reviews the appealed decision and makes a written recommendation to the Director or the Director's designee within 45 working days of receipt of the notice of appeal;

(d) The Director or the Director's designee makes a decision on the appeal within ten working days after receipt of the recommendation from the committee; and

(e) If the decision is for admission or continued placement and the provider refuses admission or continued placement, the funding for the slot may be withdrawn by the contractor.

## 411-330-0020

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 330:

(1) "Abuse" means "abuse of an adult" as defined in OAR 407-045-0260.

(2) "Abuse Investigation and Protective Services" means the reporting and investigation activities as required by OAR 407-045-0300 and any subsequent services or supports necessary to prevent further abuse as required by 407-045-0310.

(3) "ADL" means "activities of daily living". ADL are basic personal everyday activities, such as eating, using the restroom, grooming, dressing, bathing, and transferring.

(4) "Adult" means an individual who is 18 years or older with an intellectual or developmental disability.

(5) "Assistive Devices" mean the devices, aids, controls, supplies, or appliances described in OAR 411-330-0110 that are necessary to enable an individual to increase the ability of the individual to perform ADL or to perceive, control, or communicate with the environment in which the individual lives.

(6) "Assistive Technology" means the devices, aids, controls, supplies, or appliances described in OAR 411-330-0110 that are purchased to provide additional security for an individual and replace the need for direct interventions to enable self-direction of care and maximize independence of the individual.

(7) "Attendant Care" means assistance with ADL, IADL, and health-related tasks through cueing, monitoring, reassurance, redirection, set-up, hands-on, standby assistance, and reminding, as described in OAR 411-330-0110.

(8) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210.

(9) "Behavior Consultant" means a contractor with specialized skills who develops a Behavior Support Plan.

(10) "Behavior Support Plan" means the written strategy based on person-centered planning and a functional assessment that outlines specific instructions for a provider to follow to cause the challenging behaviors of an individual to become unnecessary and to change the behavior of the provider, adjust environment, and teach new skills.

(11) "Behavior Support Services" mean the services consistent with positive behavioral theory and practice that are provided to assist with behavioral challenges due to the intellectual or developmental disability of an individual that prevents the individual from accomplishing ADL, IADL, health related tasks, and cognitive supports to mitigate behavior. Behavior support services are provided in the home or community.

(12) "CDDP" means "community developmental disability program" as defined in OAR 411-320-0020.

(13) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, service providers, services, and service settings. Personal outcomes, goals, and activities are supported in the context of balancing the rights, risks, and

# ADMINISTRATIVE RULES

personal choices of the individual. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated orally, through sign language, or by other communication methods.

(14) "Chore Services" mean the services described in OAR 411-330-0110 that are needed to restore a hazardous or unsanitary situation in the home of an individual to a clean, sanitary, and safe environment.

(15) "Collective Bargaining Agreement" means a contract based on negotiation between organized workers and their designated employer for purposes of collective bargaining to determine wages, hours, rules, and working conditions.

(16) "Community First Choice (K Plan)" means the state plan amendment authorized under section 1915(k) of the Social Security Act.

(17) "Community Nursing Services" mean the nursing services described in OAR 411-330-0110 that focus on the chronic and ongoing health and safety needs of an individual living in his or her own home. Community nursing services include an assessment, monitoring, delegation, training, and coordination of services. Community nursing services are provided according to the rules in OAR chapter 411, division 48 and the Oregon State Board of Nursing rules in OAR chapter 851.

(18) "Community Transportation" means the services described in OAR 411-330-0110 that enable an individual to gain access to community-based state plan and waiver services, activities and resources. Community transportation is provided in the area surrounding the home of the individual that is commonly used by people in the same area to obtain ordinary goods and services. The area is not determined by the social or recreational groups or activities of an individual.

(19) "Comprehensive Services" means developmental disability services and supports that include 24-hour residential services provided in a licensed home, foster home, or through a supported living program. Comprehensive services are regulated by the Department alone or in combination with an associated Department-regulated employment or day support activities program. Comprehensive services are in-home services provided to an individual with an intellectual or developmental disability when the individual receives case management services from a CDDP. Comprehensive services do not include support services for adults with intellectual or developmental disabilities enrolled in brokerages.

(20) "CPMS" means "Client Process Monitoring System". CPMS is the Department computerized system for enrolling and terminating services for individuals with intellectual or developmental disabilities.

(21) "Day Supports Activities" means "day support activities" in OAR 411-345-0020.

(22) "Department" means the Department of Human Services.

(23) "Designated Representative" means any adult, such as a parent, family member, guardian, advocate, or other person authorized in writing by an individual to serve as the representative of the individual in connection with the provision of funded supports, who is not also a paid service provider for the individual. An individual is not required to appoint a designated representative.

(24) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(25) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services, or the designee of the Director.

(26) "Discovery and Career Exploration" means "discovery and career exploration" as defined in OAR 411-345-0020.

(27) "Employer" means, for the purposes of obtaining in-home support through an independent provider as described in these rules, an individual or a person selected by the individual or the legal representative of the individual to act on the behalf of the individual to provide the employer responsibilities described in OAR 411-330-0065. An employer may also be a designated representative.

(28) "Employer-Related Supports" mean the activities that assist an individual, and when applicable the legal or designated representative or family members of the individual, with directing and supervising provision of services described in the ISP for the individual. Employer-related supports include, but are not limited to:

- (a) Education about employer responsibilities;
- (b) Orientation to basic wage and hour issues;
- (c) Use of common employer-related tools, such as job descriptions;

and

- (d) Fiscal intermediary services.

(29) "Employment Path Services" means "employment path services" as defined in OAR 411-345-0020.

(30) "Employment Services" means "employment services" as defined in OAR 411-345-0020.

(31) "Employment Specialist" means "employment specialist" as defined in OAR 411-345-0020.

(32) "Entry" means admission to a Department-funded licensed or certified developmental disability service provider.

(33) "Environmental Accessibility Adaptations" mean the physical adaptations described in OAR 411-330-0110 that are necessary to ensure the health, welfare, and safety of an individual in his or her own home, or that are necessary to enable the individual to function with greater independence around his or her own home.

(34) "Environmental Safety Modifications" mean the physical adaptations described in OAR 411-330-0110 that are made to the exterior of the home of an individual or the home of the family of the individual as identified in the ISP for the individual to ensure the health, welfare, and safety of the individual or to enable the individual to function with greater independence around the home.

(35) "Exit" means termination or discontinuance of a Department-funded developmental disability service by a licensed or certified provider organization.

(36) "Family":

(a) Means a unit of two or more people that includes at least one individual with an intellectual or developmental disability where the primary caregiver is:

(A) Related to the individual with an intellectual or developmental disability by blood, marriage, or legal adoption; or

(B) In a domestic relationship where partners share:

(i) A permanent residence;

(ii) Joint responsibility for the household in general, such as child-rearing, maintenance of the residence, and basic living expenses; and

(iii) Joint responsibility for supporting the individual with an intellectual or developmental disability when the individual is related to one of the partners by blood, marriage, or legal adoption.

(b) The term "family" is defined as described above for purposes of:

(A) Determining the eligibility of an individual for in-home support as a resident in the family home;

(B) Identifying people who may apply, plan, and arrange for individual supports; and

(C) Determining who may receive family training.

(37) "Family Training" means the training services described in OAR 411-330-0110 that are provided to the family of an individual to increase the capacity of the family to care for, support, and maintain the individual in the home of the individual.

(38) "Fiscal Intermediary" means a person or entity that receives and distributes in-home support funds on behalf of an individual according to the ISP for the individual. The fiscal intermediary acts as an agent for the individual, or as applicable the legal or designated representative of the individual, and performs activities and maintains records related to payroll and payment of employer-related taxes and fees. In this capacity, the fiscal intermediary does not recruit, hire, supervise, evaluate, dismiss, or otherwise discipline employees.

(39) "Founded Reports" means the determination by the Department or Law Enforcement Authority (LEA), based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to the person alleged to have engaged in the conduct.

(40) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors, choices and preferences, service and support needs, strengths, and goals; and

(C) Determines the service level.

(b) The functional needs assessment for an adult is known as the Adult Needs Assessment. The Department incorporates Version B of the Adult Needs Assessment dated July 1, 2014 into these rules by this reference. The Adult Needs Assessment is maintained by the Department at: [www.dhs.state.or.us/spd/tools/dd/cm/ANA\\_Adult\\_In-home.xls](http://www.dhs.state.or.us/spd/tools/dd/cm/ANA_Adult_In-home.xls). Printed copies may be obtained by contacting the Department of Human Services, Developmental Disabilities, ATTN: Rule Coordinator, 500 Summer Street NE, Salem, OR 97301.

(41) "General Business Provider" means an organization or entity selected by an individual, or as applicable the legal or designated representative of the individual, and paid with in-home support funds that:

(a) Is primarily in business to provide the service chosen by the individual, or as applicable the legal or designated representative of the individual, to the general public;

## ADMINISTRATIVE RULES

(b) Provides services for the individual through employees, contractors, or volunteers; and

(c) Receives compensation to recruit, supervise, and pay the person who actually provides support for the individual.

(42) "Home" means the primary residence for an individual that is not under contract with the Department to provide services as a certified foster home or a licensed or certified residential care facility, assisted living facility, nursing facility, or other residential support program site.

(43) "Home and Community-Based Waiver Services" mean the services approved by the Centers for Medicare and Medicaid Services in accordance with section 1915(c) and 1115 of the Social Security Act.

(44) "IADL" means "instrumental activities of daily living." IADL include activities other than ADL required to continue independent living such as:

- (a) Meal planning and preparation;
- (b) Budgeting;
- (c) Shopping for food, clothing, and other essential items;
- (d) Performing essential household chores;
- (e) Communicating by phone or other media; and
- (f) Participating in the community.

(45) "ICF/IDD" means an intermediate care facility for individuals with intellectual disabilities.

(46) "IHS" means "in-home support" as defined in this rule.

(47) "Immediate Family" means, for the purpose of determining whether in-home support funds may be used to pay a family member to provide services, the spouse of an adult with an intellectual or developmental disability.

(48) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving an individual.

(49) "Independence" means the extent to which an individual exerts control and choice over his or her own life.

(50) "Independent Provider" means a person selected by an individual, or as applicable the legal or designated representative of the individual, and paid with in-home support funds to directly provide services to the individual.

(51) "Individual" means an adult with an intellectual or developmental disability applying for, or determined eligible for, developmental disability services.

(52) "In-Home Support (IHS)" means services that are:

- (a) Required for an individual with an intellectual or developmental disability to live in the home or the family home of the individual;
- (b) Designed, selected, and managed by the individual or the legal or designated representative of the individual (as applicable); and
- (c) Provided in accordance with the ISP for the individual.

(53) "Integration" as defined in ORS 427.005 means:

(a) The use by individuals with intellectual or developmental disabilities of the same community resources used by and available to other people;

(b) Participation by individuals with intellectual or developmental disabilities in the same community activities in which people without an intellectual or developmental disability participate, together with regular contact with people without an intellectual or developmental disability; and

(c) Individuals with intellectual or developmental disabilities reside in homes or home-like settings that are in proximity to community resources and foster contact with people in the community.

(54) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(55) "Intervention" means the action the Department or the designee of the Department requires when an employer fails to meet the employer responsibilities described in OAR 411-330-0065. Intervention includes, but is not limited to:

(a) A documented review of the employer responsibilities described in OAR 411-330-0065;

(b) Training related to employer responsibilities;

(c) Corrective action taken as a result of an independent provider filing a complaint with the Department, the designee of the Department, or other agency who may receive labor related complaints;

(d) Identifying an employer representative if an individual is not able to meet the employer responsibilities described in OAR 411-330-0065; or

(e) Identifying another representative if the current employer representative of an individual is not able to meet the employer responsibilities described in OAR 411-330-0065.

(56) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an indi-

vidual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects the services and supports that are important for the individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for service providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, state plan, or natural supports.

(57) "Job Coaching" means "Job Coaching" as defined in OAR 411-345-0020.

(58) "Job Development" means "Job Development" as defined in OAR 411-345-0020.

(59) "Legal Representative" means an attorney at law who has been retained by or for an individual, a power of attorney for an individual, or a person or agency authorized by a court to make decisions about services for an individual.

(60) "Mandatory Reporter" means any public or private official as defined in OAR 407-045-0260 who, while acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult. Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, or attorney is not required to report if the communication is privileged under 40.225 to 40.295.

(61) "Natural Supports" means the voluntary resources available to an individual from the relatives, friends, significant others, neighbors, roommates, and the community of the individual that are not paid for by the Department.

(62) "Nursing Service Plan" means the plan that is developed by a registered nurse based on an initial nursing assessment, reassessment, or an update made to a nursing assessment as the result of a monitoring visit.

(a) The Nursing Service Plan is specific to an individual and identifies the diagnoses and health needs of the individual and any service coordination, teaching, or delegation activities.

(b) The Nursing Service Plan is separate from the ISP and any service plans developed by other health professionals.

(63) "OHP Plus" means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b).

(64) "Oregon Intervention System (OIS)" means the system of providing training to people who work with designated individuals to provide elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques that are used to maintain health and safety.

(65) "OSIP-M" means "Oregon Supplemental Income Program-Medical" as described in OAR 461-001-0030. OSIP-M is Oregon Medicaid insurance coverage for individuals who meet the eligibility criteria described in OAR chapter 461.

(66) "Person-Centered Planning":

(a) Means a timely and formal or informal process that is driven by an individual, includes people chosen by the individual, ensures that the individual is enabled to make informed choices and decisions consistent with CFR 441.540.

(b) Person-centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, providers, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(67) "Personal Support Worker" means "personal support worker" as defined in OAR 411-375-0010.

(68) "Positive Behavioral Theory and Practice" means a proactive approach to behavior and behavior interventions that:

(a) Emphasizes the development of functional alternative behavior and positive behavior intervention;

(b) Uses the least intervention possible;

(c) Ensures that abusive or demeaning interventions are never used; and

# ADMINISTRATIVE RULES

(d) Evaluates the effectiveness of behavior interventions based on objective data.

(69) "Productivity" as defined in ORS 427.005 means:

(a) Engagement in income-producing work by an individual that is measured through improvements in income level, employment status, or job advancement; or

(b) Engagement by an individual in work contributing to a household or community.

(70) "Progress Note" means a written record of an action taken by a services coordinator in the provision of case management, administrative tasks, or direct services to support an individual. A progress note may also be a recording of information related to the services, support needs, or circumstances of the individual which is necessary for the effective delivery of services.

(71) "Provider" means a person, organization, or business selected by an individual, or as applicable the legal or designated representative of the individual, and paid with in-home support funds to provide support to an individual according to the ISP for the individual.

(72) "Provider Organization" means an entity selected by an individual, or as applicable the legal or designated representative of the individual, and paid with in-home support funds that:

(a) Is primarily in business to provide supports for individuals with intellectual or developmental disabilities;

(c) Receives compensation to recruit, supervise, and pay the person who actually provides support for the individual.

(73) "Relief Care" means the intermittent services described in OAR 411-330-0110 that are provided on a periodic basis for the relief of, or due to the temporary absence of, a person normally providing supports to an individual.

(74) "Self-Direction" means that an individual, or as applicable the legal or designated representative of the individual, has decision-making authority over services and takes direct responsibility for managing services with the assistance of a system of available supports that promotes personal choice and control over the delivery of waiver and state plan services.

(75) "Service Level" means the amount of attendant care, hourly relief care, or skills training services determined necessary by a functional needs assessment and made available to meet the identified support needs of an individual.

(76) "Services Coordinator" means "services coordinator" as defined in OAR 411-320-0020.

(77) "Skills Training" means the activities described in OAR 411-330-0110 that are intended to maximize the independence of an individual through training, coaching, and prompting the individual to accomplish ADL, IADL, and health-related skills.

(78) "Social Benefit" means the service or financial assistance solely intended to assist an individual with an intellectual or developmental disability to function in society on a level comparable to that of a person who does not have an intellectual or developmental disability. Social benefits are pre-authorized by a services coordinator and provided according to the description and limits written in an ISP.

(a) Social benefits may not:

(A) Duplicate benefits and services otherwise available to a person regardless of intellectual or developmental disability;

(B) Provide financial assistance with food, clothing, shelter, and laundry needs common to a person with or without an intellectual or developmental disability; or

(C) Replace other governmental or community services available to an individual.

(b) Assistance provided as a social benefit is reimbursement for an expense previously authorized in an ISP or prior payment in anticipation of an expense authorized in a previously authorized ISP.

(c) Assistance provided as a social benefit may not exceed the actual cost of the support required by an individual to be supported in the home of the individual.

(79) "Specialized Medical Supplies" mean the medical and ancillary supplies described in OAR 411-330-0110, such as:

(a) Necessary medical supplies, specified in an ISP that are not available under the state plan;

(b) Ancillary supplies necessary to the proper functioning of items necessary for life support or to address physical conditions; and

(c) Supplies necessary for the continued operation of augmentative communication devices or systems.

(80) "State Plan" means Community First Choice or state plan personal care.

(81) "Substantiated" means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(82) "Support" means the assistance that an individual requires, solely because of the affects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(83) "Supported Employment — Individual Employment Support" means "Supported Employment — Individual Employment Support" as defined in OAR 411-345-0020.

(84) "Supported Employment — Small Group Employment" means "Supported Employment — Small Group Employment" as defined in OAR 411-345-0020.

(85) "These Rules" mean the rules in OAR chapter 411, division 330.

(86) "Transition Costs" mean the expenses described in OAR 411-330-0110, such as rent and utility deposits, first month's rent and utilities, bedding, basic kitchen supplies, and other necessities required for an individual to make the transition from a nursing facility or ICF/IDD to a community-based home setting where the individual resides.

(87) "Unusual Incident" means any incident involving an individual that includes serious illness or an accident, death, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, a fire requiring the services of a fire department, an act of physical aggression, or any incident requiring an abuse investigation.

(88) "Variance" means the temporary exception from a regulation or provision of these rules that may be granted by the Department as described in OAR 411-330-0170.

(89) "Vehicle Modifications" means the adaptations or alterations described in OAR 411-330-0110 that are made to the vehicle that is the primary means of transportation for an individual in order to accommodate the service needs of the individual.

(90) "Waiver Services" means "home and community-based waiver services" as defined in this rule.

### Eligibility for In-Home Support Services

(1) An eligible individual may not be denied in-home support services or otherwise discriminated against on the basis of age, diagnostic or disability category, race, color, creed, national origin, citizenship, income, or duration of Oregon residence.

(2) An individual who enters in-home support services is subject to eligibility as described in this section. To be eligible for in-home support services, an individual must:

(a) Be an Oregon resident;

(b) Be determined eligible for developmental disability services by the CDDP of the individual's county of residence as described in OAR 411-320-0080;

(c) Be an adult who is living in his or her own home or the family home who is not receiving other Department-funded in-home or community living support;

(d) Choose to use a CDDP for assistance with design and management of in-home support services;

(e) Be eligible for Community First Choice state plan services; and

(f) Be determined to meet the level of care defined in OAR 411-320-0020.

(3) Individuals are not eligible for services by more than one CDDP unless the concurrent eligibility:

(a) Is necessary to effect transition from one county to another with a change of residence; and

(b) Is part of a collaborative plan developed by both CDDPs in which services and expenditures authorized by one CDDP are not duplicated by the other CDDP.

### In-Home Support Service Entry and Exit

(1) The CDDP must make accurate, up-to-date, written information about in-home support services available to eligible individuals and the individuals' legal or designated representatives. These materials must include:

(a) Criteria for entry, conditions for exit, and how the limits of assistance with purchasing supports are determined;

(b) A description of processes involved in using in-home support services, including person-centered planning, evaluation, and how to raise and resolve concerns about in-home support services;

(c) Clarification of CDDP employee responsibilities as mandatory abuse reporters;

(d) A brief description of an individual's and an individual's legal or designated representative's responsibility for use of public funds; and

(e) An explanation of an individual's right to select and direct providers of services authorized through the individual's ISP and purchased with IHS funds from among those qualified according to OAR 411-330-0070, 411-330-0080, and 411-330-0090, as applicable.

(2) The CDDP must make the information required in section (1) of this rule available using language, format, and presentation methods appropriate for effective communication according to individuals' needs and abilities.

(3) An individual may enter in-home support services when funds are authorized by the CDDP specifically to support the individual.

(4) An eligible individual who has entered a CDDP's in-home support service may continue to receive in-home support services as long as the Department continues to provide funds specifically for that individual through a contract with the CDDP and the individual continues to require the services to remain at home or in the family home.

(5) An individual must exit in-home support services:

(a) At the end of a service period agreed upon by all parties and specified in the individual's ISP;

(b) At the oral or written request of the individual, or as applicable the individual's legal or designated representative, to end the service relationship;

(c) No fewer than 30 days after the CDDP has served the individual, and as applicable the individual's legal or designated representative, written notice of intent to exit the individual from in-home support services when the individual has been determined to no longer meet eligibility for in-home support services as described in OAR 411-330-0030, except when the individual, or as applicable the individual's legal or designated representative, appeals the notice and requests continuing services in accordance with ORS Chapter 183;

(d) When the individual moves from the CDDP's service area, unless services are part of a time-limited plan for transition to a new county of residence;

(e) Upon entry into support services case management services;

(f) Upon entry into another comprehensive service;

(g) When funds to support the individual are no longer authorized by the CDDP of the individual's county of residence;

(h) When the CDDP has sufficient evidence to believe that an individual, or as applicable the individual's legal or designated representative, has engaged in fraud or misrepresentation, failed to use resources as agreed upon in the individual's ISP, refused to cooperate with documenting expenses, or otherwise knowingly misused public funds associated with these services;

(i) After the individual, or as applicable the individual's legal or designated representative, either cannot be located or has not responded after 30 days of repeated attempts by CDDP staff to complete ISP development or monitoring activities; or

(j) Any individual being exited from in home support services must be given written notice of the intent to terminate service consistent with OAR chapter 411, division 318.

## 411-330-0050

### Required In-Home Support Services

(1) Each CDDP must provide or arrange for the following services as required to meet the support needs of eligible individuals:

(a) Assistance to determine needs and plan supports;

(b) Assistance to find and arrange resources and supports;

(c) Education and technical assistance to make informed decisions about support needs and direct support providers;

(d) Fiscal intermediary services;

(e) Employer-related supports; and

(f) Assistance to monitor and improve the quality of personal supports.

(2) A CDDP must complete a functional needs assessment and use a person-centered planning approach to assist an individual, and as applicable the individual's legal or designated representative, to establish outcomes, determine needs, plan for supports, and review and redesign support strategies. The planning process must address the individual's basic health and safety needs and supports, including informed decisions by the individual, or as applicable the individual's legal or designated representative, regarding any identified risks.

(3) An individual's services coordinator must authorize an initial ISP that addresses the individual's needs. If the individual has a determined service level, the needs identified in the functional needs assessment must be addressed in the individual's ISP. Prior to services beginning, the ISP must be signed by the individual or the individual's legal or designated representative (as applicable). The ISP and attached documents must include the information described in OAR 411-320-0120, including:

(a) The individual's name and the name of the individual's legal or designated representative (as applicable);

(b) The purpose of ISP activities, addressing one or more of the following:

(A) Independence such as the degree of choice and control an individual hopes to achieve or maintain;

(B) Integration such as the regular access to relationships and community resources the individual hopes to achieve or maintain;

(C) Productivity such as the employment or other contributing roles an individual hopes to achieve or maintain; or

(D) Developing or maintaining the capacity of an individual's family to continue to provide services for the individual in the family home.

(c) A description of the supports required to accomplish the purpose, including a brief statement of the nature of the individual's disability that make the supports necessary. If the individual has a determined service level, the description must be consistent with the individual's functional needs assessment, including the reason the support is necessary;

(d) The projected dates of when specific supports are to begin and end, as well as the end date, if any, of the period of service covered by the ISP;

(e) Projected costs with sufficient detail to support estimates;

(f) A list of personal, community, and public resources that are available to the individual and how the resources may be applied to provide the required supports. Sources of support may include waiver services, state plan services, state general funds, or natural supports;

(g) The manner in which services are delivered and the frequency of services;

(h) Service providers;

(i) The setting in which the individual resides as chosen by the individual;

(j) The individual's strengths and preferences;

(k) If the individual has a determined service level, the clinical and support needs as identified through the functional needs assessment;

(l) Individually identified goals and desired outcomes;

(m) The services and supports (paid and unpaid) to assist the individual to achieve identified goals and the providers of the services and supports, including voluntarily provided natural supports;

(n) The risk factors and the measures in place to minimize the risk factors, including back-up plans;

(o) The identity of the person responsible for case management and monitoring the ISP;

(p) A provision to prevent unnecessary or inappropriate care;

(q) The alternative settings considered by the individual;

(r) Final IHS fund costs;

(s) Schedule of ISP reviews; and

(t) If the individual has a determined service level, any changes in support needs identified through a functional needs assessment.

(4) A Nursing Care Plan must be attached to the ISP when IHS funds are used to purchase care and services requiring the education and training of a licensed professional nurse.

(5) An individual's services coordinator must conduct and document reviews of an individual's ISP and resources with the individual, and as applicable the individual's legal or designated representative, as follows:

# ADMINISTRATIVE RULES

(a) At least quarterly, review and reconcile receipts and records related to purchases of supports with IHS funds; and

(b) At least annually and as major activities or purchases are completed:

(A) Evaluate an individual's progress toward achieving the purposes of the individual's ISP;

(B) Note effectiveness of the use of IHS funds based on the services coordinator's observation as well as the satisfaction of the individual or the individual's legal or designated representative (as applicable); and

(C) Determine whether changing needs or availability of other resources has altered the need for continued use of IHS funds to purchase supports.

(6) For an individual moving to another service area within Oregon, the CDDP must collaborate with the receiving CDDP to transfer IHS funds designated for the individual to continue the individual's ISP for supports.

(7) For an individual transferring from a support services brokerage to in home comprehensive services, the brokerage ISP may be used as authorization for available in home comprehensive services for up to 90 days.

## 411-330-0060

### Assistance with Purchasing In-Home Supports

(1) A CDDP must only use IHS funds to assist an individual, or as applicable the individual's legal or designated representative, to purchase supports when:

(a) The individual's services coordinator has developed a written and approved ISP that meets requirements for development and content as described in OAR 411-330-0050;

(b) For Community First Choice services, the support will address a need that has been determined to be necessary by a functional needs assessment;

(c) The ISP specifies cost-effective arrangements for obtaining the required supports and applying public, private, formal, and informal resources available to the eligible individual;

(d) The ISP identifies the resources needed to purchase the remainder of necessary supports; and

(e) The ISP is the most cost-effective plan to safely meet the goals of the individual's ISP.

(2) Goods and services purchased with IHS funds must be provided only as a social benefit as defined in OAR 411-330-0020.

(3) The method, amount, and schedule of payment must be specified in written agreements between the CDDP and the individual and the individual's legal or designated representative (as applicable). The CDDP is specifically prohibited from:

(a) Reimbursing an individual, or as applicable the individual's legal or designated representative or family, for expenses related to services; and

(b) Advancing funds to an individual, or as applicable the individual's legal or designated representative or family, to obtain services.

(4) Supports purchased for an individual with IHS funds are limited to those described in OAR 411-330-0110. The CDDP must arrange for these supports to be provided:

(a) In settings and under contractual conditions that enable the individual, or as applicable the individual's legal or designated representative, the choice to receive supports and services from another provider;

(b) In a manner consistent with positive behavioral theory and practice as defined in OAR 411-330-0020;

(c) In accordance with applicable state and federal wage and hour regulations in the case of personal care, training, and supervision;

(d) In accordance with applicable state or local building codes in the case of environmental accessibility adaptations to the home; and

(e) According to the Oregon Board of Nursing rules in OAR chapter 851 when services involve performance of nursing care or delegation, teaching, and assignment of nursing tasks.

(5) SERVICE LIMITS. The use of IHS funds to purchase individual supports in any plan year is limited to:

(a) The individual's service level as determined by the functional needs assessment. The functional needs assessment determines a total number of hours available to meet identified needs. This amount may not be exceeded in without prior approval from the Department. The types of services that contribute to the total of hours used are: Attendant Care, Hourly Relief Care, and Skills Training. Attendant Care and Skill Training hours that constitute Day Support Activities contribute to the total of hours used.

(b) Other services and supports determined by the personal agent to be necessary to meet identified support needs.

(c) 108.3 hours per month of Employment Path Services and Individual Supported Employment - Small Group Employment individual-ly or combined.

(d) 40 hours per week of Supported Employment — Individual Employment, not including Job Development. If an individual is receiving less than 25 hours per week of Supported Employment — Individual Employment services, the individual may also receive any combination of Small Group Employment Services, and Employment Path Services, the total of which (including the Supported Employment — Individual Employment services) shall not exceed an annual average of 108.3 hours per month.

(6) When IHS funds are used to purchase supports for individuals, the CDDP must require and document that providers are informed of:

(a) Mandatory responsibility to report suspected abuse of an adult;

(b) Responsibility to immediately notify an individual's legal or designated representative (as applicable), family (if services are provided to an individual in the family home), and the CDDP of injury, illness, accidents, or any unusual circumstances that may have a serious effect on the health, safety, physical, emotional well-being, or level of services required by the individual for whom services are being provided; and

(c) Limits of payment:

(A) IHS fund payments for the agreed-upon services must be considered full payment and the provider under no circumstances may demand or receive additional payment for these services from the individual, the individual's legal or designated representative (as applicable), the individual's family, or any other source.

(B) The provider must bill all third party resources before using IHS funds unless another arrangement is agreed upon by the CDDP in the individual's ISP.

(7) USE OF IHS FUNDS PROHIBITED.

(a) Effective July 28, 2009, IHS funds may not be used to support, in whole or in part, a provider in any capacity who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(b) Section (6)(a) of this rule does not apply to employees of the individual, the individual's legal or designated representative (as applicable), or provider organizations, who were hired prior to July 28, 2009 that remain in the current position for which the employee was hired.

(c) IHS funds must not pay for:

(A) Services, materials, or activities that are illegal;

(B) Services or activities that are carried out in a manner that constitutes abuse as defined in OAR 407-045-0260;

(C) Materials or equipment that has been determined unsafe for the general public by recognized consumer safety agencies;

(D) Individual or family vehicles;

(E) Health and medical costs that the general public normally must pay, including but not limited to:

(i) Medications;

(ii) Health insurance co-payments;

(iii) Mental health evaluation and treatment;

(iv) Dental treatments and appliances;

(v) Medical treatments;

(vi) Dietary supplements; or

(vii) Treatment supplies not related to nutrition, incontinence, or infection control;

(F) Basic or specialized food or nutrition essential to sustain the individual, including but not limited to high caloric supplements, gluten-free supplements, diabetic, ketogenic, or other metabolic supplements;

(G) Ambulance services;

(H) Legal fees, including but not limited to costs of representation in educational negotiations, establishing trusts, or creating guardianships;

(I) Vacation costs for transportation, food, shelter, and entertainment that are normally incurred by a person on vacation, regardless of disability, and are not strictly required by the individual's need for personal assistance in all home and community-based settings;

(J) Individual support that has not been arranged according to applicable state and federal wage and hour regulations;

(K) Rate enhancements to an individual's existing employment and alternatives to employment services under OAR chapter 411, division 345;

(L) Employee wages or contractor payments for services when the individual is not present or available to receive services, such as employee paid time off, hourly "no-show" charges, and contractor preparation hours;

(M) Services, activities, materials, or equipment, that are not necessary or cost-effective and do not meet the definition of in-home supports, supports, and social benefits, as defined in OAR 411-330-0020;

(N) Educational services for school-age adults, including professional instruction, formal training, and tutoring in communication, socialization, and academic skills;

(O) Services, activities, materials, or equipment that may be obtained by the individual, or as applicable the individual's legal or designated representative, through other available means such as private or public insurance, philanthropic organizations, or other governmental or public services;

(P) Services or activities for which the legislative or executive branch of Oregon government has prohibited use of public funds; or

(Q) Service in circumstances where the CDDP determines there is sufficient evidence to believe that the individual, the individual's legal or designated representative (as applicable), family, or service provider has engaged in fraud or misrepresentation, failed to use resources as agreed upon in the ISP, refused to cooperate with record keeping required to document use of IHS funds, or otherwise knowingly misused public funds associated with in-home support services.

(8) The CDDP must inform an individual, and as applicable the individual's legal or designated representative, in writing of records and procedures required in OAR 411-330-0140 regarding expenditure of IHS funds for direct assistance. During development of the ISP, the individual's services coordinator must determine the need or preference for the CDDP to provide support with documentation and procedural requirements and must include delineations of responsibility for maintenance of records in the ISP and any other written service agreements.

### Standards for Independent Providers Paid with In-Home Support Funds

(1) PERSONAL SUPPORT WORKER QUALIFICATIONS. Each personal support worker must meet the qualifications described in OAR chapter 411, division 375.

(2) INDEPENDENT PROVIDER QUALIFICATIONS. Each independent provider who is paid as a contractor or a self-employed person, who is not a personal support worker, selected to provide the services and supports in OAR 411-330-0110 must:

(a) Be at least 18 years of age;

(b) Have approval to work based on current Department policy and a background check completed by the Department in accordance with OAR 407-007-0200 to 407-007-0370. A subject individual as defined in 407-007-0210 may be approved for one position to work with multiple individuals statewide when the subject individual is working in the same employment role. The Department's Background Check Request Form must be completed by the subject individual to show intent to work statewide;

(A) Prior background check approval for another Department provider type is inadequate to meet background check requirements for personal support worker enrollment.

(B) Background check approval is effective for two years from the date a personal support worker is hired or contracted with to provide in-home services, except in the following circumstances:

(i) Based on possible criminal activity or other allegations against the personal support worker, a new fitness determination is conducted resulting in a change in approval status; or

(ii) The background check approval has ended because the Department has inactivated or terminated the provider enrollment for the personal support worker.

(c) Effective July 28, 2009, not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275;

(d) Be legally eligible to work in the United States;

(e) Not be the spouse of an individual receiving services;

(f) Not be the individual's employer of record or designated representative;

(g) Demonstrate by background, education, references, skills, and abilities that he or she is capable of safely and adequately performing the tasks specified on an individual's ISP, with such demonstration confirmed in writing by the employer including:

(A) Ability and sufficient education to follow oral and written instructions and keep any records required;

(B) Responsibility, maturity, and reputable character exercising sound judgment;

(C) Ability to communicate with the individual; and

(D) Training of a nature and type sufficient to ensure that the provider has knowledge of emergency procedures specific to the individual receiving services;

(h) Hold a current, valid, and unrestricted appropriate professional license or certification where services and supervision requires specific professional education, training, and skill;

(i) Understand requirements of maintaining confidentiality and safeguarding individual information;

(j) Not be on the Office of Inspector General's list of excluded or debarred providers (<http://exclusions.oig.hhs.gov/>);

(k) Sign a Medicaid provider agreement and be enrolled as a Medicaid provider prior to delivery of any services; and

(l) If providing transportation, have a valid driver's license and proof of insurance, as well as any other license or certificate that may be required under state and local law, depending on the nature and scope of the transportation service.

(3) Section (1)(c) of this rule does not apply to employees of an employer or employees of provider organizations who were hired prior to July 28, 2009 that remain in the current position for which the employee was hired.

(4) All providers must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290. The provider must notify the Department or the Department's designee within 24 hours.

(5) BEHAVIOR CONSULTANTS. Behavior consultants are not Personal Support Workers. Behavior consultants providing specialized supports must:

(a) Have education, skills, and abilities necessary to provide behavior consultation services, including knowledge and experience in developing Behavior Support Plans based on positive behavioral theory and practice;

(b) Have received at least two days of training in the Oregon Intervention System and have a current certificate; and

(c) Submit a resume to the CDDP indicating at least one of the following:

(A) A bachelor's degree in special education, psychology, speech and communication, occupational therapy, recreation, art or music therapy, or a behavioral science field, and at least one year of experience with individuals who present difficult or dangerous behaviors; or

(B) Three years experience with individuals who present difficult or dangerous behaviors and at least one year of that experience includes providing the services of a behavior consultant.

(6) NURSE. A nurse providing community nursing services or skilled nursing is not a personal support worker. The nurse must:

(a) Have a current Oregon nursing license; and

(b) Submit a resume to the CDDP indicating the education, skills, and abilities necessary to provide nursing services in accordance with Oregon law, including at least one year of experience with individuals with intellectual or developmental disabilities.

### Standards for Provider Organizations Paid with In-Home Support Funds

(1) A provider organization certified, licensed, and endorsed under OAR chapter 411, division 325 for 24-hour residential services, or licensed under OAR chapter 411, division 360 for adult foster homes, or certified under OAR chapter 411, division 340 for support services, or certified and endorsed under OAR chapter 411, division 345 for employment and alternatives to employment services or OAR chapter 411, division 328 for supported living services, does not require additional certification as an organization to provide relief care, attendant care, skills training, community transportation, or behavior consultation.

(2) Current license, certification, or endorsement is considered sufficient demonstration of ability to:

(a) Recruit, hire, supervise, and train qualified staff;

(b) Provide services according to an ISP; and

# ADMINISTRATIVE RULES

(c) Develop and implement operating policies and procedures required for managing an organization and delivering services, including provisions for safeguarding individuals receiving services.

(3) A person directed by a provider organization to provide services paid for with IHS funds as an employee, contractor, or volunteer, must meet the qualifications of an independent provider outlined in OAR 411-330-0070.

### Standards for General Business Providers

(1) General business providers providing services to individuals and paid with IHS funds must hold any current license appropriate to function required by the state of Oregon or federal law or regulation, including but not limited to:

- (a) For a home health agency, a license under ORS 443.015;
- (b) For an in-home care agency, a license under ORS 443.315;

(c) For providers of environmental accessibility adaptations involving building modifications or new construction, a current license and bond as a building contractor as required by OAR chapter 812 (Construction Contractor's Board) or OAR chapter 808 (Landscape Contractors Board);

(d) For environmental accessibility consultants, a current license as a general contractor as required by OAR chapter 812, including experience evaluating homes, assessing the needs of an individual, and developing cost-effective plans to make homes safe and accessible;

(e) For public transportation providers, the established standards;

(f) For private transportation providers, a business license and drivers licensed to drive in Oregon; and

(g) For vendors and medical supply companies providing assistive devices or specialized medical supplies, a current retail business license, including enrollment as Medicaid providers through the Division of Medical Assistance Programs if vending medical equipment.

(2) Services provided and paid for with IHS funds must be limited to the services within the scope of the general business provider's license.

### Provider Termination

(1) A personal support worker's provider enrollment may be terminated by a brokerage or the Department consistent with OAR chapter 411, division 375.

(2) An independent provider who is not a personal support worker may have their provider enrollment terminated.

(a) Provider enrollment may be terminated when the CDDP or Department determines that, at some point after the provider's initial qualification and authorization to provide supports purchased with IHS funds, the provider has:

(A) Been convicted of any crime that would have resulted in an unacceptable background check upon hiring or authorization of service;

(B) Been convicted of unlawfully manufacturing, distributing, prescribing, or dispensing a controlled substance;

(C) Surrendered his or her professional license or had his or her professional license suspended, revoked, or otherwise limited;

(D) Notwithstanding abuse as defined in OAR 407-045-0260, failed to safely and adequately provide the services authorized;

(E) Had a founded report of child abuse or substantiated abuse;

(F) Failed to cooperate with the Department or CDDP investigation or grant access to, or furnish, records or documentation as requested;

(G) Billed excessive or fraudulent charges or been convicted of fraud;

(H) Made a false statement concerning conviction of crime or substantiated abuse;

(I) Falsified required documentation;

(J) Not adhered to the provisions of OAR 411-330-0060(6) and OAR 411-330-0070;

(K) Been suspended or terminated as a provider by the Department or Oregon Health Authority;

(L) Violates the requirement to maintain a drug-free work place;

(M) Fails to provide services as required; or

(N) Fails to provide a tax identification number or social security number that matches the independent provider's legal name, as verified by the Internal Revenue Service or Social Security Administration.

(b) If the CDDP makes a decision to terminate a provider's enrollment, the CDDP must issue a written notice that shall include:

(A) An explanation of the reason for termination of the provider enrollment;

(B) The alleged violation as listed in section (a) of this rule; and

(C) The independent provider's appeal rights, including where to file the appeal.

(D) For terminations based on substantiated protective services allegations, the notice may only contain the limited information allowed by law. In accordance with ORS 124.075, 124.085, 124.090, and OAR 411-020-0030, complainants, witnesses, the name of the alleged victim, and protected health information may not be disclosed.

(c) The provider may appeal a termination within 30 calendar days of the date the termination notice was mailed to the provider. The provider must appeal a termination separately from any appeal of audit findings and overpayments.

(A) A provider of Medicaid services may appeal a termination by requesting an administrative review by the Department's director or their designee.

(B) For an appeal regarding provision of Medicaid services to be valid, written notice of the appeal must be received by the Department within 30 days of the date the termination notice was mailed to the provider.

(d) At the discretion of the Department, providers who have previously been terminated or suspended by the Department or by the Oregon Health Authority may not be authorized as providers of Medicaid services.

### Supports Purchased with In-Home Support Funds

(1) For an initial or annual ISP, IHS funds may be used to purchase a combination of the following waiver and state plan services when the conditions of purchase in OAR 411-330-0060 are met:

(a) Community First Choice state plan services. An individual who is eligible for OHP Plus and meets Level of Care may access Community First Choice services when supported by an assessed need.

(b) Effective October 1, 2014, an individual receiving medical benefits under OAR 410-200 requesting Medicaid coverage for services in a nonstandard living arrangement (see 461-001-0000) is subject to the rules regarding transfer of assets (see 461-140-0210 to 461-140-0300) in the same manner as if they were requesting these services under OSIPM.

(A) This includes, but is not limited to, the following assets:

(i) An annuity is evaluated according to OAR 461-145-0022;

(ii) A transfer of property when an individual retains a life estate is evaluated according to OAR 461-145-0310;

(iii) A loan made by an individual is evaluated according to OAR 461-145-0330;

(iv) An Irrevocable trust is evaluated according to OAR 461-145-0540;

(B) When an individual will be disqualified for a transfer of assets they must receive a notice meeting the requirements of OAR 461-175-0310 in the same manner as if they were requesting services under OSIPM.

(C) An individual found to have transferred assets is not eligible for Community First Choice Services.

(c) Community First Choice services include:

(A) Community nursing services as described in section (2) of this rule;

(B) Chore services as described in section (3) of this rule;

(C) Attendant care as described in section (4) of this rule;

(D) Skills training as described in section (5) of this rule;

(E) Community transportation as described in section (6) of this rule;

(F) Assistive Devices as described in section (7) of this rule;

(G) Assistive Technology as described in section (8) of this rule;

(H) Relief care as described in section (9) of this rule;

(I) Behavior support services as described in section (10) of this rule;

(J) Environmental accessibility adaptations as described in section (11) of this rule; and

(K) Transition costs as described in section (12) of this rule.

(d) Home and Community-Based Waiver Services. Individuals who are eligible for OSIP-M and meet Level of Care may access Community First Choice Services and the following services:

## ADMINISTRATIVE RULES

(A) Employment Services as described in section (13) of this rule that include:

- (i) Supported employment - Individual Employment Support;
- (ii) Supported Employment - Small Group Employment Support;
- (iii) Employment Path Services;
- (iv) Discovery/Career Exploration Services;
- (B) Case management as defined in OAR 411-320-0020;
- (C) Family training as described in section (14) of this rule;
- (D) Environmental Safety Modifications as described in section (15)

of this rule;

- (E) Vehicle modifications as described in section (16) of this rule;
- (F) Specialized Medical Supplies as described in section (17) of this

rule.

### (2) COMMUNITY NURSING SERVICES.

(a) Community nursing services include:

(A) Evaluation, including medication reviews, and identification of supports that minimize health risks while promoting an individual's autonomy and self-management of healthcare;

(B) Collateral contact with a services coordinator regarding an individual's community health status to assist in monitoring safety and well-being and to address needed changes to the ISP; and

(C) Delegation and training of nursing tasks to an individual's provider so the provider may safely perform health related tasks.

(b) Community nursing services exclude direct nursing care.

(c) Community nursing services are not covered by other Medicaid spending authorities.

(3) CHORE SERVICES. Chore services may be provided only in situations where no one else is responsible or able to perform or pay for the services.

(a) Chore services include heavy household chores such as:

(A) Washing floors, windows, and walls;

(B) Tacking down loose rugs and tiles; and

(C) Moving heavy items of furniture for safe access and egress.

(b) Chore services may include yard hazard abatement to ensure the outside of the home is safe for the individual to traverse and enter and exit the home.

### (4) ATTENDANT CARE SERVICES.

(a) ADL services include but are not limited to:

(A) Basic personal hygiene — providing or assisting with such needs as bathing (tub, bed, bath, shower), hair care, grooming, shaving, nail care, foot care, dressing, skin care, or oral hygiene;

(B) Toileting, bowel, and bladder care — assisting to and from the bathroom, on and off toilet, commode, bedpan, urinal, or other assistive device used for toileting, changing incontinence supplies, following a toileting schedule, managing menses, cleansing an individual or adjusting clothing related to toileting, emptying a catheter drainage bag or assistive device, ostomy care, or bowel care;

(C) Mobility, transfers, and repositioning — assisting with ambulation or transfers with or without assistive devices, turning an individual or adjusting padding for physical comfort or pressure relief, or encouraging or assisting with range-of-motion exercises;

(D) Nutrition -- preparing meals and special diets, assisting with adequate fluid intake or adequate nutrition, assisting with food intake (feeding), monitoring to prevent choking or aspiration, assisting with adaptive utensils, cutting food, and placing food, dishes, and utensils within reach for eating;

(E) Medication and medical equipment — assisting with ordering, organizing, and administering medications (including pills, drops, ointments, creams, injections, inhalers, and suppositories), monitoring an individual for choking while taking medications, assisting with the administration of medications, maintaining equipment, or monitoring for adequate medication supply; and

(F) Delegated nursing tasks.

(b) IADL services include but are not limited to:

(A) Light housekeeping — tasks necessary to maintain an individual in a healthy and safe environment, including cleaning surfaces and floors, making the individual's bed, cleaning dishes, taking out the garbage, dusting, and laundry;

(B) Grocery and other shopping necessary for the completion of other ADL and IADL tasks;

(C) Assistance with necessary medical appointments, including help scheduling appointments, arranging medical transportation services, accompaniment to appointments, follow up from appointments, or assistance with mobility, transfers, or cognition in getting to and from appointments;

(D) Observation of an individual's status and reporting of significant changes to physicians, health care professionals, or other appropriate people;

(E) First aid and handling emergencies, including addressing medical incidents related to conditions such as seizures, aspiration, constipation, or dehydration or responding to an individual's call for help during an emergent situation or for unscheduled needs requiring immediate response; and

(F) Cognitive assistance or emotional support provided to an individual due to an intellectual or developmental disability, including helping the individual cope with change and assisting the individual with decision-making, reassurance, orientation, memory, or other cognitive functions.

(G) Support in the community around socialization, and participation in the community.

(i) Support with socialization includes assisting participants in acquiring, retaining, and improving self-awareness and self-control, social responsiveness, social amenities, and interpersonal skills.

(ii) Support with community participation includes assisting individuals in acquiring, retaining, and improving skills to use available community resources, facilities, or businesses.

(iii) Support with communication provided to assist individuals in acquiring, retaining, and improving expressive and receptive skills in verbal and non-verbal language and the functional application of acquired reading and writing skills.

(c) Attendant care services means an individual requires assistance with ADLs. Assistance may include cueing, monitoring, reassurance, redirection, set-up, hands-on, or standby assistance. Assistance may be provided through human assistance or the use of electronic devices or other assistive devices. Assistance may also require verbal reminding to complete any of the tasks described in subsection (b) of this section.

(A) "Cueing" means giving verbal, audio, or visual clues during an activity to help an individual complete the activity without hands-on assistance.

(B) "Hands-on" means a provider physically performs all or parts of an activity because an individual is unable to do so.

(C) "Monitoring" means a provider observes an individual to determine if assistance is needed.

(D) "Reassurance" means to offer an individual encouragement and support.

(E) "Redirection" means to divert an individual to another more appropriate activity.

(F) "Set-up" means the preparation, cleaning, and maintenance of personal effects, supplies, assistive devices, or equipment so that an individual may perform an activity.

(G) "Stand-by" means a provider is at the side of an individual ready to step in and take over the task if the individual is unable to complete the task independently.

(5) SKILLS TRAINING. Skills training is specifically tied to the functional needs assessment and ISP and is a means for an individual to acquire, maintain, or enhance independence in supports otherwise provided through state plan or waiver services.

(a) Skills training may be applied to the use and care of assistive devices and technologies.

(b) Skills training is authorized when:

(A) The anticipated outcome of the skills training, as documented in the ISP, is measurable;

(B) Timelines for measuring progress towards the anticipated outcome are established in the ISP; and

(C) Progress towards the anticipated outcomes are measured and the measurements are evaluated by a services coordinator no less frequently than every six months based on the start date of the initiation of the skills training.

(c) When anticipated outcomes are not achieved, the services coordinator must reassess the use of skills training with the individual.

### (6) COMMUNITY TRANSPORTATION.

(a) Community transportation services include but are not limited to:

(A) Community transportation provided by common carriers, taxicab, or bus in accordance with standards established for these entities;

(B) Reimbursement on a per-mile basis for transporting an individual to accomplish ADL, IADL, health related task or employment goal identified on an ISP; or

(C) Assistance with the purchase of a bus pass.

(b) Community transportation services exclude medical transportation, purchase of individual or family vehicles, routine vehicle maintenance and repair, ambulance services, payment to the spouse of an individual

## ADMINISTRATIVE RULES

receiving in-home support services, and costs for transporting a person other than the individual.

(c) Mileage reimbursement must be limited to those destinations where other members of the individual's local community would typically get similar services.

(d) Community transportation is not provided by the Department to obtain medical or non-medical items that may be delivered by a supplier or sent by mail order without cost to the eligible individual.

(e) Community transportation must be prior authorized by an individual's service coordinator and documented in the individual's service plan. The Department does not pay any provider under any circumstances for more than the total number of hours, miles, or rides prior authorized by the brokerage and documented in the individual's service plan.

(A) Personal support workers who use their own personal vehicle for community transportation are reimbursed according to the terms defined in their Collective Bargaining Agreement between the Home Care Commission and Service Employees International Union, Local 503, OPEU.

(B) The Department or CDDP does not authorize reimbursement for travel to or from the residence of a personal support worker. The Department or CDDP only authorizes community transportation and mileage from the home of an eligible individual to the destination necessary to meet the goal stated in the individual's service plan and back to the individual's home.

(7) ASSISTIVE DEVICES. When assistive devices are primarily and customarily used to serve a medical purpose, the purchase, rental, or repair of assistive devices with IHS funds must be limited to the types of equipment and supplies that are not excluded under OAR 410-122-0080.

(a) Assistive devices may include the purchase of devices, aids, controls, supplies, or appliances primarily and customarily used to enable an individual to increase the individual's ability to perform and support ADLs and IADLs or to perceive, control, or communicate with the environment in which the individual lives.

(b) Assistive devices may be purchased with IHS funds when an individual's intellectual or developmental disability otherwise prevents or limits the individual's independence in areas identified in a functional needs assessment.

(c) Assistive devices that may be purchased for the purpose described in subsection (b) of this section must be of direct benefit to the individual and may include:

(A) Electronic devices to secure assistance in an emergency in the community and other reminders such as medication minders, alert systems for ADL or IADL supports, or mobile electronic devices;

(B) Assistive devices not covered by other Medicaid programs to assist and enhance an individual's independence in performing ADLs or IADLs, such as durable medical equipment, mechanical apparatus, electrical appliances, or information technology devices.

(i) Expenditures for assistive devices are limited to \$5,000 per plan year without Department approval.

(ii) Any single device or assistance costing more than \$500 must be approved by the Department prior to expenditure.

(d) Assistive devices may not include items not of direct medical or remedial benefit to the individual.

(e) Assistive devices must meet applicable standards of manufacture, design, and installation.

(f) To be authorized by a services coordinator, Assistive devices must be:

(A) In addition to any medical equipment and supplies furnished under OHP and private insurance;

(B) Determined necessary to the daily functions of the individual; and

(C) Directly related to the disability of the individual.

(g) Assistive devices exclude:

(A) Items that are not necessary or of direct medical or remedial benefit to the individual;

(B) Assistive devices intended to supplant similar items furnished under OHP or private insurance;

(C) Items available through the family, community, or other governmental resources;

(D) Items that are considered unsafe for an individual;

(E) Toys or outdoor play equipment; and

(F) Equipment and furnishings of general household use.

(8) ASSISTIVE TECHNOLOGY Assistive technology to provide additional security and replace the need for direct interventions to enable self-direction of care and maximize independence, such as motion or sound

sensors, two-way communication systems, automatic faucets and soap dispensers, incontinent and fall sensors, or other electronic backup systems;

(a) Expenditures for assistive technology are limited to \$5,000 per plan year without Department approval.

(b) Any single purchase costing more than \$500 must be approved by the Department prior to expenditure.

(9) RELIEF CARE.

(a) Relief care includes two types of care, neither of which may be characterized as daily or periodic services provided to allow an individual's provider to attend school or work.

(A) Twenty-four hour relief care must be provided in segments of 24-hour units that may be sequential but may not exceed 7 consecutive days without permission from the Department.

(B) Hourly relief care is substitute work for the usual attendant care provider.

(b) Relief care may include both day and overnight services that may be provided in:

(A) The home of the individual;

(B) A licensed or certified setting;

(C) The home of a qualified provider. If relief care is provided in the home of a qualified provider, the personal agent and the individual, or the representative of the individual, must document that the home of the qualified provider is a safe setting for the individual;

(D) The community, during the provision of ADL, IADL, health related tasks, and other supports identified in the ISP.

(10) BEHAVIOR SUPPORT SERVICES.

(a) Behavior support services consist of:

(A) Assessing an individual or the needs of the individual's family and the environment;

(B) Developing positive behavior support strategies, including a Behavior Support Plan if needed;

(C) Implementing the Behavior Support Plan with an individual's provider or family; and

(D) Revising and monitoring the Behavior Support Plan as needed.

(b) Behavior support services may include:

(A) Training, modeling, and mentoring an individual's family;

(B) Developing visual communication systems as behavior support strategies; and

(C) Communicating as authorized by an individual, or as applicable the individual's legal or designated representative, with school, medical, or other professionals about the strategies and outcomes of the Behavior Support Plan.

(c) Behavior support services exclude:

(A) Mental health therapy or counseling;

(B) Health or mental health plan coverage;

(C) Educational services, including but not limited to consultation and training for classroom staff;

(D) Adaptations to meet the needs of an individual at school;

(E) An assessment in a school setting;

(F) Attendant Care;

(G) Skills Training; or

(H) Relief Care.

(11) ENVIRONMENTAL ACCESSIBILITY ADAPTATIONS.

(a) Environmental accessibility adaptations include but are not limited to:

(A) An environmental modification consultation to determine the appropriate type of adaptation;

(B) Installation of shatter-proof windows;

(C) Hardening of walls or doors;

(D) Specialized, hardened, waterproof, or padded flooring;

(E) An alarm system for doors or windows;

(F) Protective covering for smoke alarms, light fixtures, and appliances;

(G) Sound and visual monitoring systems;

(H) Installation of ramps, grab-bars, and electric door openers;

(I) Adaptation of kitchen cabinets and sinks;

(J) Widening of doorways;

(K) Handrails;

(L) Modification of bathroom facilities;

(M) Individual room air conditioners for an individual whose temperature sensitivity issues create behaviors or medical conditions that put the individual or others at risk;

(N) Installation of non-skid surfaces;

(O) Overhead track systems to assist with lifting or transferring;

# ADMINISTRATIVE RULES

(P) Specialized electric and plumbing systems that are necessary to accommodate the medical equipment and supplies necessary for the welfare of the individual; and

(Q) Adaptations to control lights, heat, stove, etc.

(b) Environmental accessibility adaptations exclude:

(A) Adaptations or improvements to the home that are of general utility and are not of direct medical or remedial benefit to the individual, such as carpeting, roof repair, and central air conditioning; and

(B) Adaptations that add to the total square footage of the home,

(C) Except for ramps that attach to the home for the purpose of entry or exit, adaptations outside of the home.

(c) Environmental accessibility adaptations are limited to \$5,000 per modification. A services coordinator may request approval for additional expenditures through the Department prior to expenditure. Approval is based on the individual's service and support needs and goals and the Department's determination of appropriateness and cost-effectiveness.

(d) Environmental accessibility adaptations must be tied to supporting ADL, IADL, and health-related tasks as identified in the individual's ISP.

(e) Environmental accessibility adaptations must be completed by a state licensed contractor. Any modification requiring a permit must be inspected by a local inspector and certified as in compliance with local codes. Certification of compliance must be filed in the provider's file prior to payment.

(f) Environmental accessibility adaptations must be made within the existing square footage of the home, except for external ramps, and may not add to the square footage of the home.

(g) Payment to the contractor is to be withheld until the work meets specifications.

(12) TRANSITION COSTS.

(a) Transition costs are limited to individuals transitioning from a nursing facility, ICF/IDD, or acute care hospital to a home or community-based setting where the individual resides.

(b) Transition costs are based on an individual's assessed need determined during the person-centered service planning process and must support the desires and goals of the individual receiving services and supports. Final approval for transition costs must be through the Department prior to expenditure. The Department's approval is based on the individual's need and the Department's determination of appropriateness and cost-effectiveness.

(c) Financial assistance for transition costs is limited to:

(A) Moving and move-in costs, including movers, cleaning and security deposits, payment for background or credit checks (related to housing), or initial deposits for heating, lighting, and phone;

(B) Payment of previous utility bills that may prevent the individual from receiving utility services and basic household furnishings, such as a bed; and

(C) Other items necessary to re-establish a home.

(d) Transition costs are provided no more than twice annually.

(e) Transitions costs for basic household furnishings and other items are limited to one time per year.

(13) Employment services must be:

(a) Delivered according to OAR 411-345-0025; and

(b) Provided by an employment specialist meeting the requirements described in OAR 411-345-0030.

(14) FAMILY TRAINING. Family training services are provided to an individual's family to increase the family's capability to care for, support, and maintain the individual in the individual's home.

(a) Family training services include:

(A) Instruction about treatment regimens and use of equipment specified in an individual's ISP;

(B) Information, education, and training about an individual's disability, medical, and behavioral conditions; and

(C) Organized conferences and workshops specifically related to an individual's disability, identified support needs, or specialized medical or behavioral support needs.

(b) Family training services exclude:

(A) Mental health counseling, treatment, or therapy;

(B) Training for paid care providers;

(C) Legal fees;

(D) Training for families to carry out educational activities in lieu of school;

(E) Vocational training for family members; and

(F) Paying for training to carry out activities that constitute abuse of an adult.

(c) Prior authorization by the CDDP is required for attendance by family members at organized conferences and workshops funded with IHS funds.

(15) ENVIRONMENTAL SAFETY ADAPTATIONS.

(a) Materials must be of the most cost effective type and decorative additions will not be considered.

(b) Fencing will be limited to 200 linear feet without approval from DHS to exceed the limit. Large gates such as automobile gates are excluded. Costs for paint and stain are excluded.

(16) VEHICLE MODIFICATIONS. Vehicle modification does not include:

(a) Adaptations or improvements to the vehicle that are of general utility, and are not of direct medical or remedial benefit to the individual;

(b) Purchase or lease of a vehicle; or

(c) Regularly scheduled upkeep and maintenance of a vehicle except upkeep and maintenance of the modifications.

(17) SPECIALIZED MEDICAL SUPPLIES. Specialized Medical supplies will not cover services which are otherwise available to the individual under section 110 of the Rehabilitation Act of 1973, or the IDEA (20 U.S.C. 1401 et seq.). This service will not overlap with, supplant, or duplicate other services provided through the waiver or Medicaid state plan services.

(18) Day support activities must be provided according to OAR 411-345-0025.

(19) Educational services for school age individuals, such as professional instruction, formal training, and tutoring in communication, socialization, and academic skills are not allowable expenses covered by IHS funds.

## ADMINISTRATIVE RULES

**Subject:** The Department of Human Services (Department) is immediately updating the rules in OAR chapter 411, division 340 for support services for adults with intellectual or developmental disabilities.

OAR 411-340-0020 is being amended to incorporate the general definitions in OAR 411-317-0000, update the definitions to reflect correct terminology, and include definitions for terms created by the temporary rulemaking.

OAR 411-340-0060 is being updated to provide a uniform dispute resolution process by incorporating the complaint, Notification of Planned Action, and hearing rules adopted in OAR chapter 411, division 318.

OAR 411-340-0100 is being amended to clarify that eligibility for support services is determined by the CDDP of the county of residence according to 411-320-0110.

OAR 411-340-0110 is being amended to refer to the individual's rights adopted in 411-318-0010 that implement Senate Bill 22, incorporate the complaint, Notification of Planned Action, and hearing rules adopted in OAR chapter 411, division 318, and clarify the conditions under which an individual must be exited from support services.

OAR 411-340-0120 is being amended to:

- Come into compliance with monitoring requirements established in the Community First Choice 1915(k) state plan;
- Add requirements for individual participation in assessment processes;
- Provide clarity around transfers from one case management entity to another; and
- Incorporate the requirement for individuals to have a Career Development Plan.

OAR 411-340-0130 is being amended to:

- Account for changes in service eligibility related to the types of Medicaid eligibility an individual may have and incorporate service eligibility requirements related to the transfer of assets in accordance with OAR 461-140-0210 to 461-140-0300;
- Update the language to reflect the completion of the transition period for implementation of the Community First Choice 1915(k) state plan;
- Specify the use of support services funds to purchase individual supports based on assessments and approved waiver language;
- Update the available supports to reflect changes to the proposed Support Services 1915(c) Home and Community Based Services waiver; and
- Specify the circumstances that lead to the inactivation of the provider enrollment for personal support workers and independent providers.

OAR 411-340-0135 Standards for Employers is being adopted to assure the proper authority exists to withdraw employer authority in cases where it is necessary to protect an individual or an employee from misuse. The rule defines indications of misuse of employer authority, the steps that must be taken to remove employer authority, and appeals of the removal.

OAR 411-340-0150 is being amended to reflect the completed transition period for the implementation of the Community First Choice 1915(k) state plan and to make terminology consistent with the proposed Support Services 1915 (c) Home and Community Based Services waiver.

OAR 411-340-0160 is being amended to:

- Incorporate the provider qualification requirements for personal support workers adopted in OAR chapter 411, division 375; and
- Update provider types to reflect changes in the Support Services 1915(c) Home and Community Based Services waiver and the Long Term Care Community Nursing Program.

OAR 411-340-0170 is being amended to:

- Reflect terminology associated with service descriptions found in the Community First Choice 1915(k) state plan;

- Refer to the individual's rights adopted in OAR 411-318-0010 that implement Senate Bill 22 and incorporate the complaint process adopted in OAR chapter 411, division 318; and

- Clarify that the authority to sanction a certified provider organization lies with the Department.

#### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 340:

(1) "Abuse" means "abuse of an adult" as defined in OAR 407-045-0260.

(2) "Abuse Investigation and Protective Services" means the reporting and investigation activities as required by OAR 407-045-0300 and any subsequent services or supports necessary to prevent further abuse as required by 407-045-0310.

(3) "ADL" means "activities of daily living". ADL are basic personal everyday activities, such as eating, using the restroom, grooming, dressing, bathing, and transferring.

(4) "Administrative Review" means "administrator review" as defined in this rule.

(5) "Administrator Review" means the Director of the Department reviews a decision upon request, including the documentation related to the decision, and issues a determination.

(6) "Adult" means an individual who is 18 years or older with an intellectual or developmental disability.

(7) "Alternative Resources" mean possible resources, not including support services, for the provision of supports to meet the needs of an individual. Alternative resources include, but are not limited to, private or public insurance, vocational rehabilitation services, supports available through the Oregon Department of Education, or other community supports.

(8) "Annual Plan" means the written summary a personal agent completes for an individual who is not enrolled in waiver or Community First Choice services. An Annual Plan is not an ISP and is not a plan of care for Medicaid purposes.

(9) "Assistive Devices" mean the devices, aids, controls, supplies, or appliances described in OAR 411-340-0130 that are necessary to enable an individual to increase the ability of the individual to perform ADL and IADLs or to perceive, control, or communicate with the environment in which the individual lives.

(10) "Assistive Technology" means the devices, aids, controls, supplies, or appliances described in OAR 411-340-0130 that are purchased to provide additional security for an individual and replace the need for direct interventions to enable self direction of care and maximize independence of the individual.

(11) "Attendant Care" means assistance with ADL, IADL, and health-related tasks through cueing, monitoring, reassurance, redirection, set-up, hands-on, standby assistance, and reminding as described in OAR 411-340-0130.

(12) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210.

(13) "Behavior Consultant" means a contractor with specialized skills who develops a Behavior Support Plan.

(14) "Behavior Support Plan" means the written strategy based on person-centered planning and a functional assessment that outlines specific instructions for a provider to follow to cause the challenging behaviors of an individual to become unnecessary and to change the behavior of a provider, adjust environment, and teach new skills.

(15) "Behavior Support Services" mean the services consistent with positive behavioral theory and practice that are provided to assist with behavioral challenges due to the intellectual or developmental disability of an individual that prevents the individual from accomplishing ADL, IADL, health related tasks, and cognitive supports to mitigate behavior. Behavior support services are provided in the home or community.

(16) "Brokerage" means an entity or distinct operating unit within an existing entity that uses the principles of self-determination to perform the functions associated with planning and implementation of support services for individuals with intellectual or developmental disabilities.

(17) "Brokerage Director" means the Director of a publicly or privately-operated brokerage who is responsible for administration and provision of services according to these rules, or the designee of the Brokerage Director.

## ADMINISTRATIVE RULES

(18) "Career Development Plan" means the part of an ISP that identifies the employment goals and objectives for an individual, the services and supports needed to achieve those goals, the people, agencies, and providers assigned to assist the individual to attain those goals, the obstacles to the individual working in an individualized job in an integrated employment setting, and the services and supports necessary to overcome those obstacles.

(19) "Case Management" means the functions performed by a services coordinator or personal agent. Case management includes determining service eligibility, developing a plan of authorized services, and monitoring the effectiveness of services and supports.

(20) "Case Management Contact" means a reciprocal interaction between a personal agent and an individual or the legal or designated representative of the individual (as applicable).

(21) "CDDP" means "community developmental disability program" as defined in OAR 411-320-0020.

(22) "Certificate" means the document issued by the Department to a brokerage, or to a provider organization requiring certification under OAR 411-340-0170(2), that certifies the brokerage or provider organization is eligible to receive state funds for the provision of services.

(23) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, providers, services, and service settings. Personal outcomes, goals, and activities are supported in the context of balancing the rights, risks, and personal choices of the individual. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated orally, through sign language, or by other communication methods.

(24) "Choice Advising" means the impartial sharing of information about case management and other service delivery options available to individuals with intellectual or developmental disabilities provided by a person that meets the qualifications identified in OAR 411-340-0150(5).

(25) "Chore Services" mean the services described in OAR 411-340-0130 that are needed to restore a hazardous or unsanitary situation in the home of an individual to a clean, sanitary, and safe environment.

(26) "Collective Bargaining Agreement" means a contract based on negotiation between organized workers and their designated employer for purposes of collective bargaining to determine wages, hours, rules, and working conditions.

(27) "Community First Choice (K Plan)" means the state plan amendment authorized under section 1915(k) of the Social Security Act.

(28) "Community Nursing Services" mean the nursing services described in OAR 411-340-0130 that focus on the chronic and ongoing health and safety needs of an individual living in his or her own home. Community nursing services include an assessment, monitoring, delegation, training, and coordination of services. Community nursing services are provided according to the rules in OAR chapter 411, division 048 and the Oregon State Board of Nursing rules in OAR chapter 851.

(29) "Community Transportation" means the services described in OAR 411-340-0130 that enable an individual to gain access to community-based state plan and waiver services, activities, and resources. Community transportation is provided in the area surrounding the home of the individual that is commonly used by people in the same area to obtain ordinary goods and services. The area is not determined by the social or recreational groups or activities of an individual.

(30) "Complaint" means "complaint" as defined in OAR 411-318-0005.

(31) "Comprehensive Services" means developmental disability services and supports that include 24-hour residential services provided in a licensed home, foster home, or through a supported living program. Comprehensive services are regulated by the Department alone or in combination with an associated Department-regulated employment or day support activities program. Comprehensive services are in-home services provided to an individual with an intellectual or developmental disability when the individual receives case management services from a CDDP. Comprehensive services do not include support services for adults with intellectual or developmental disabilities enrolled in brokerages.

(32) "Cost Effective" means being responsible and accountable with Department resources by offering less costly alternatives when providing choices that adequately meet the support needs of an individual. Less costly alternatives include other programs available from the Department, the utilization of assistive devices, natural supports, environmental modifications, and alternative resources. Less costly alternatives may include resources not paid for by the Department.

(33) "CPMS" means "Client Process Monitoring System". CPMS is the Department computerized system for enrolling and terminating services for individuals with intellectual or developmental disabilities.

(34) "Crisis" means "crisis" as defined in OAR 411-320-0020.

(35) "Crisis Diversion Services" mean the services authorized and provided according to OAR 411-320-0160 that are intended to maintain an individual at home or in the family home while the individual is in emergent status. Crisis diversion services include short-term residential placement services indicated on a Support Services Brokerage Crisis Addendum.

(36) "Day" means a calendar day unless otherwise specified in these rules.

(37) "Day Support Activities" means "day support activities" as defined in OAR 411-345-0020.

(38) "Delegation" means that a registered nurse authorizes an unlicensed person to perform nursing tasks and confirms that authorization in writing. Delegation may occur only after a registered nurse follows all steps of the delegation process as outlined in OAR chapter 851, division 47. Delegation by a physician is also allowed.

(39) "Department" means the Department of Human Services.

(40) "Designated Representative" means any adult, such as a parent, family member, guardian, advocate, or other person authorized in writing by an individual to serve as the representative of the individual in connection with the provision of funded supports, who is not also a paid provider for the individual. An individual is not required to appoint a designated representative.

(41) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in OAR 411-320-0080.

(42) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services, or the designee of the Director.

(43) "Discovery and Career Exploration" means "discovery and career exploration" as defined in OAR 411-345-0020.

(44) "Emergent Status" means an individual has been determined to be eligible for crisis diversion services according to OAR 411-320-0160.

(45) "Employer" means, for the purposes of obtaining in-home support through an independent provider as described in these rules, an individual or a person selected by the individual or the legal representative of the individual to act on the behalf of the individual to provide the employer responsibilities described in OAR 411-340-0135. An employer may also be a designated representative.

(46) "Employer-Related Supports" mean the activities that assist an individual, and when applicable the legal or designated representative or family members of an individual, with directing and supervising provision of services described in the ISP for the individual. Employer-related supports include, but are not limited to:

- (a) Education about employer responsibilities;
- (b) Orientation to basic wage and hour issues;
- (c) Use of common employer-related tools, such as job descriptions;

and

- (d) Fiscal intermediary services.

(47) "Employment Path Services" means "employment path services" as defined in OAR 411-345-0020.

(48) "Employment Services" means "employment services" as defined in OAR 411-345-0020.

(49) "Employment Specialist" means "employment specialist" as defined in OAR 411-345-0020.

(50) "Entry" means admission to a Department-funded developmental disability service.

(51) "Environmental Accessibility Adaptations" mean the physical adaptations described in OAR 411-340-0130 that are necessary to ensure the health, welfare, and safety of an individual in his or her own home, or that are necessary to enable the individual to function with greater independence around his or her own home.

(52) "Environmental Safety Modifications" mean the physical adaptations described in OAR 411-340-0130 that are made to the exterior of the home of an individual or the home of the family of the individual as identified in the ISP for the individual to ensure the health, welfare, and safety of the individual or to enable the individual to function with greater independence around the home.

(53) "Exit" means termination or discontinuance of a Department-funded developmental disability service by a licensed or certified provider organization.

(54) "Family":

## ADMINISTRATIVE RULES

(4) Means a unit of two or more people that includes at least one individual with an intellectual or developmental disability where the primary caregiver is:

(A) Related to the individual with an intellectual or developmental disability by blood, marriage, or legal adoption; or

(B) In a domestic relationship where partners share:

(i) A permanent residence;

(ii) Joint responsibility for the household in general, such as child-rearing, maintenance of the residence, and basic living expenses; and

(iii) Joint responsibility for supporting the individual with an intellectual or developmental disability when the individual is related to one of the partners by blood, marriage, or legal adoption.

(b) The term "family" is defined as described above for purposes of:

(A) Determining the eligibility of an individual for brokerage services as a resident in the family home;

(B) Identifying people who may apply, plan, and arrange for individual services; and

(C) Determining who may receive family training.

(55) "Family Training" means the training services described in OAR 411-340-0130 that are provided to the family of an individual to increase the capacity of the family to care for, support, and maintain the individual in the home of the individual.

(56) "Fiscal Intermediary" means a person or entity that receives and distributes support services funds on behalf of an individual, who employs a provider to provide services, supervision, or training to the individual in the home or community of the individual according to the ISP for the individual.

(67) "Independent Provider" means a person selected by an individual, or as applicable the legal or designated representative of the individual, and paid with support services funds to directly provide services to the individual.

(68) "Individual" means an adult with an intellectual or developmental disability applying for, or determined eligible for, developmental disability services.

(69) "Integration" as defined in ORS 427.005 means:

(a) The use by individuals with intellectual or developmental disabilities of the same community resources used by and available to other people;

(b) Participation by individuals with intellectual or developmental disabilities in the same community activities in which people without an intellectual or developmental disability participate, together with regular contact with people without an intellectual or developmental disability; and

(c) Individuals with intellectual or developmental disabilities reside in homes or home-like settings that are in proximity to community resources and foster contact with people in the community.

(70) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(71) "Intervention" means the action the Department or the designee of the Department requires when an employer fails to meet the employer responsibilities described in OAR 411-340-0135. Intervention includes, but is not limited to:

(a) A documented review of the employer responsibilities described in OAR 411-340-0135;

(b) Training related to employer responsibilities;

(c) Corrective action taken as a result of an independent provider filing a complaint with the Department, the designee of the Department, or other agency who may receive labor related complaints;

(d) Identifying an employer representative if an individual is not able to meet the employer responsibilities described in OAR 411-340-0135; or

(e) Identifying another representative if the current employer representative of an individual is not able to meet the employer responsibilities described in OAR 411-340-0135.

(72) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects the services and supports that are important for the individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for service providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, state plan, or natural supports.

(73) "Job Coaching" means "job coaching" as defined in OAR 411-345-0020.

(74) "Job Development" means "job development" as defined in OAR 411-345-0020.

(75) "Legal Representative" means an attorney at law who has been retained by or for an individual, a power of attorney for an individual, or a person or agency authorized by a court to make decisions about services for an individual.

(76) "Level of Care" means an individual meets the following institutional level of care for an ICF/IDD:

(a) The individual has an intellectual disability or a developmental disability as defined in OAR 411-320-0020 and meets the eligibility criteria in OAR 411-320-0080 for developmental disability services; and

(b) The individual has a significant impairment in one or more areas of adaptive behavior as determined in OAR 411-320-0080.

(77) "Mandatory Reporter" means any public or private official as defined in OAR 407-045-0260 who, while acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult. Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, or attorney is not required to report if the communication is privileged under 40.225 to 40.295.

## ADMINISTRATIVE RULES

(78) “Natural Supports” means the voluntary resources available to an individual from the relatives, friends, significant others, neighbors, roommates, and the community of the individual that are not paid for by the Department.

(79) “Nursing Service Plan” means the plan that is developed by a registered nurse based on an initial nursing assessment, reassessment, or an update made to a nursing assessment as the result of a monitoring visit.

(a) The Nursing Service Plan is specific to an individual and identifies the diagnoses and health needs of the individual and any service coordination, teaching, or delegation activities.

(b) The Nursing Service Plan is separate from the ISP and any service plans developed by other health professionals.

(80) “OHP Plus” means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b).

(81) “OSIP-M” means “Oregon Supplemental Income Program-Medical” as described in OAR 461-001-0030. OSIP-M is Oregon Medicaid insurance coverage for individuals who meet the eligibility criteria described in OAR chapter 461.

(82) “Person-Centered Planning”:

(a) Means a timely and formal or informal process that is driven by an individual, includes people chosen by the individual, ensures that the individual directs the process to the maximum extent possible, and that the individual is enabled to make informed choices and decisions consistent with CFR 441.540.

(b) Person centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, service providers, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(83) “Personal Agent” means a person who is a case manager for the provision of case management services, works directly with individuals and the legal or designated representatives and families of individuals to provide or arrange for support services as described in these rules, meets the qualifications set forth in OAR 411-340-0150(5), and is a trained employee of a brokerage or a person who has been engaged under contract to the brokerage to allow the brokerage to meet responsibilities in geographic areas where personal agent resources are severely limited. A personal agent is the person-centered plan coordinator of an individual as defined in the Community First Choice state plan amendment.

(84) “Personal Support Worker” means “personal support worker” as defined in OAR 411-375-0010.

(85) “Plan Year” means not more than 12 consecutive months that, unless otherwise set according to the conditions of OAR 411-340-0120, begins on the start date specified in the first authorized ISP for an individual after entry to a brokerage. Subsequent plan years begin on the anniversary of the start date of the initial ISP.

(86) “Policy Oversight Group” means the group that meets the requirements of OAR 411-340-0150(1) that is formed to provide individual-based leadership and advice to each brokerage regarding issues such as development of policy, evaluation of services, and use of resources.

(87) “Positive Behavioral Theory and Practice” means a proactive approach to behavior and behavior interventions that:

(a) Emphasizes the development of functional alternative behavior and positive behavior intervention;

(b) Uses the least intervention possible;

(c) Ensures that abusive or demeaning interventions are never used; and

(d) Evaluates the effectiveness of behavior interventions based on objective data.

(88) “Primary Caregiver” means the person identified in an ISP as providing the majority of service and support for an individual in the home of the individual.

(89) “Productivity” as defined in ORS 427.005 means:

(a) Engagement in income-producing work by an individual that is measured through improvements in income level, employment status, or job advancement; or

(b) Engagement by an individual in work contributing to a household or community.

(90) “Progress Note” means a written record of an action taken by a personal agent in the provision of case management, administrative tasks, or direct services to support an individual. A progress note may also be a recording of information related to the services, support needs, or circumstances of the individual which is necessary for the effective delivery of support services.

(91) “Protection” means “protective services” as defined in this rule.

(92) “Protective Physical Intervention” means any manual physical holding of, or contact with, an individual that restricts freedom of movement.

(93) “Protective Services” mean the necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of an individual.

(94) “Provider” means a person, organization, or business selected by an individual, or as applicable the legal or designated representative of an individual, and paid with support services funds to provide support to an individual according to the ISP for the individual.

(95) “Provider Organization” means an entity selected by an individual, or as applicable the legal or designated representative of the individual, and paid with support services funds that:

(a) Is primarily in business to provide supports for individuals with intellectual or developmental disabilities;

(b) Provides supports for an individual through employees, contractors, or volunteers; and

(c) Receives compensation to recruit, supervise, and pay the person who actually provides support for the individual.

(96) “Provider Organization Director” means the Director of a provider organization who is responsible for the administration and provision of services according to these rules, or the designee of the Director of the provider organization.

(97) “Psychotropic Medication” means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(98) “Quality Assurance” means a systematic procedure for assessing the effectiveness, efficiency, and appropriateness of services.

(99) “Regional Crisis Diversion Program” means “Regional Crisis Diversion Program” as defined in OAR 411-320-0020.

(100) “Relief Care” means the intermittent services described in OAR 411-340-0130 that are provided on a periodic basis for the relief of, or due to the temporary absence of, a person normally providing supports to an individual.

(101) “Self-Determination” means a philosophy and process by which individuals with intellectual or developmental disabilities are empowered to gain control over the selection of support services that meet their needs. The basic principles of self-determination are:

(a) Freedom. The ability for an individual with an intellectual or developmental disability, together with freely-chosen family and friends, to plan a life with necessary support services rather than purchasing a pre-defined program;

(b) Authority. The ability for an individual with an intellectual or developmental disability, with the help of a social support network if needed, to control resources in order to purchase support services;

(c) Autonomy. The arranging of resources and personnel, both formal and informal, that assists an individual with an intellectual or developmental disability to live a life in the community rich in community affiliations; and

(d) Responsibility. The acceptance of a valued role of an individual with an intellectual or developmental disability in the community through competitive employment, organizational affiliations, personal development, and general caring for others in the community, as well as accountability for spending public dollars in ways that are life-enhancing for the individual.

(102) “Self Direction” means that an individual, or as applicable the legal or designated representative of the individual, has decision-making authority over services and takes direct responsibility for managing services with the assistance of a system of available supports that promotes personal choice and control over the delivery of waiver and state plan services.

(103) “Service Level” means the amount of attendant care, hourly relief care, or skills training services determined necessary by a functional needs assessment and made available to meet the identified support needs of an individual.

# ADMINISTRATIVE RULES

(104) “Services Coordinator” means “services coordinator” as defined in OAR 411-320-0020.

(105) “Skills Training” means the activities described in OAR 411-340-0130 that are intended to maximize the independence of an individual through training, coaching, and prompting the individual to accomplish ADL, IADL, and health-related skills.

(106) “Social Benefit” means the service or financial assistance solely intended to assist an individual with an intellectual or developmental disability to function in society on a level comparable to that of a person who does not have an intellectual or developmental disability. Social benefits are pre-authorized by a personal agent and provided according to the description and limits written in an ISP.

(a) Social benefits may not:

(A) Duplicate benefits and services otherwise available to a person regardless of intellectual or developmental disability;

(B) Provide financial assistance with food, clothing, shelter, and laundry needs common to a person with or without an intellectual or developmental disability; or

(C) Replace other governmental or community services available to an individual.

(b) Assistance provided as a social benefit is reimbursement for an expense previously authorized in an ISP or prior payment in anticipation of an expense authorized in a previously authorized ISP.

(c) Assistance provided as a social benefit may not exceed the actual cost of the support required by an individual to be supported in the home of the individual.

(107) “Special Diet” means the specially prepared food or particular types of food described in OAR 411-340-0130 that are specific to the medical condition or diagnosis of an individual and in support of an evidence-based treatment regimen.

(108) “Specialized Medical Supplies” mean the medical and ancillary supplies described in OAR 411-340-0130, such as:

(a) Necessary medical supplies, specified in an ISP that are not available under the state plan;

(b) Ancillary supplies necessary to the proper functioning of items necessary for life support or to address physical conditions; and

(c) Supplies necessary for the continued operation of augmentative communication devices or systems.

(109) “State Plan” means Community First Choice or state plan personal care.

(110) “Substantiated” means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(111) “Support” means the assistance that an individual requires, solely because of the affects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(112) “Support Services” mean the services of a brokerage listed in OAR 411-340-0120 as well as the uniquely determined activities and purchases arranged through the brokerage that:

(a) Complement the existing formal and informal supports that exist for an individual living in her or her own home or the family home;

(b) Are designed, selected, and managed by an individual or the legal or designated representative of the individual (as applicable);

(c) Are provided in accordance with the ISP for an individual; and

(d) May include purchase of supports as a social benefit required for an individual to live in his or her own home or the family home.

(113) “Support Services Brokerage Crisis Addendum” means the short-term plan that is required by the Department to be added to an ISP to describe crisis diversion services an individual is to receive while the individual is in emergent status.

(114) “Support Services Expenditure Guideline” means the guidelines that describe allowable uses for support services funds. The Department incorporates the expenditure guidelines into these rules by this reference. The expenditure guidelines are maintained by the Department at: ([http://www.oregon.gov/dhs/dd/adults/ss\\_exp\\_guide.pdf](http://www.oregon.gov/dhs/dd/adults/ss_exp_guide.pdf)). Printed copies may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rule Coordinator, 500 Summer Street NE, Salem, Oregon 97301.

(115) “Support Services Funds” mean the public funds designated by the brokerage for assistance with the purchase of supports according to an Individual Support Plan.

(116) “Supported Employment — Individual Employment Support” means “supported employment — individual employment support” as defined in OAR 411-345-0020.

(117) “Supported Employment — Small Group Employment Support” means “supported employment — small group employment support” as defined in OAR 411-345-0020.

(118) “These Rules” mean the rules in OAR chapter 411, division 340.

(119) “Transition Costs” mean the expenses described in OAR 411-340-0130, such as rent and utility deposits, first month’s rent and utilities, bedding, basic kitchen supplies, and other necessities required for an individual to make the transition from a nursing facility or ICF/IDD to a community-based home setting where the individual resides.

(120) “Unusual Incident” means any incident involving an individual that includes serious illness or an accident, death, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, a fire requiring the services of a fire department, an act of physical aggression, or any incident requiring an abuse investigation.

(121) “Variance” means the temporary exception from a regulation or provision of these rules that may be granted by the Department as described in OAR 411-340-0090.

(122) “Vehicle Modifications” mean the adaptations or alterations described in OAR 411-340-0130 that are made to the vehicle that is the primary means of transportation for an individual in order to accommodate the service needs of the individual.

(123) “Waiver Services” means “home and community-based waiver services” as defined in this rule.

## 411-340-0110

### Standards for Support Service Brokerage Entry and Exit

(1) The brokerage must make accurate, up-to-date, information about the brokerage available to individuals referred for services and the legal or designated representatives of individuals. This information must include:

- (a) A declaration of brokerage philosophy;
- (b) A brief description of the services provided by the brokerage, including typical timelines for activities;
- (c) A description of processes involved in using the services, including application and referral, assessment, planning, and evaluation;
- (d) A declaration of brokerage employee responsibilities as mandatory abuse reporters;
- (e) A brief description of individual responsibilities for use of public funds;

(f) An explanation of the individual rights in OAR 411-318-0010, including the right of an individual to:

(A) Choose a brokerage from among Department-contracted brokerages in the county of residence of an individual that is serving less than the total number of individuals specified in the current contract between the brokerage and the Department;

(B) Choose a personal agent among those available in the selected brokerage;

(C) Select providers among those willing, available, and qualified according to OAR 411-340-0160, 411-340-0170, and 411-340-0180 to provide supports authorized through the ISP for the individual;

(D) Direct the services of providers; and

(E) Raise and resolve concerns about brokerage services, including specific rights to notification of planned action and hearings according to OAR 411-340-0060 and the rules in OAR chapter 411, division 318.

(g) Indication that additional information about the brokerage is available on request. The additional information must include, but not be limited to:

(A) A description of the organizational structure of the brokerage;

(B) A description of any contractual relationships the brokerage has in place, or may establish, to accomplish the brokerage functions required by rule; and

(C) A description of the relationship between the brokerage and the Policy Oversight Group of the brokerage.

(2) The brokerage must make the information required in section (1) of this rule available using language, format, and presentation methods appropriate for effective communication according to the needs and abilities of individuals.

(3) ENTRY INTO BROKERAGE SERVICES.

(a) To enter brokerage services:

(A) An individual must be determined eligible according to OAR 411-320-0110(8); and

(B) The individual, or as applicable the legal or designated representative of the individual, must choose to receive services from a selected brokerage.

(b) The Department may implement guidelines that govern entries when the Department has determined that such guidelines are prudent and necessary for the continued development and implementation of support services.

(c) The brokerage may not accept individuals for entry beyond the total number of individuals specified in the current contract between the brokerage and the Department.

(4) EXIT FROM A BROKERAGE.

(a) An individual must exit a brokerage:

(A) At the oral or written request of an individual, or as applicable the legal or designated representative of the individual, to end the service relationship;

(B) After an individual, or as applicable the legal or designated representative of the individual, either cannot be located or has not responded after 30 days of repeated attempts by brokerage staff to complete ISP development or monitoring activities;

(C) Upon the entry of an individual into CDDP case management services;

(D) When an individual is incarcerated or admitted to a medical hospital, psychiatric hospital, sub-acute facility, nursing facility, ICF/IDD, or other 24-hour residential program and it is determined that the individual is not returning home or is not returning home after 90 consecutive days; or

(E) When an individual does not reside in Oregon or resides in an area outside the geographic service area of the brokerage.

(b) In the event an individual exits a brokerage, a written Notification of Planned Action must be provided as described in OAR 411-340-0060 and OAR chapter 411, division 318.

(c) Each brokerage must have policies and procedures for notifying the CDDP of the county of residence of an individual when the individual plans to exit, or exits, brokerage services. Notification method, timelines, and content must be based on agreements between the brokerage and the CDDP of each county in which the brokerage provides services.

### Support Service Brokerage Services

(1) Each brokerage must provide or arrange for the following services as required to meet individual support needs:

(a) Assistance for individuals to determine needs and plan supports in response to needs;

(b) Case management;

(c) Assistance for individuals to find and arrange the resources to provide planned supports;

(d) Assistance with development and expansion of community resources required to meet the support needs of individuals served by the brokerage;

(e) Information, education, and technical assistance for individuals to use to make informed decisions about support needs and to direct providers;

(f) Fiscal intermediary services in the receipt and accounting of support services funds on behalf of individuals in addition to making payment to providers with the authorization of an individual;

(g) Employer-related supports; and

(h) Assistance for individuals to effectively put plans into practice, including help to monitor and improve the quality of supports as well as assess and revise plan goals.

(2) SELF-DETERMINATION. Brokerages must apply the principles of self-determination to provision of services required in section (1) of this rule.

(3) PERSON-CENTERED PLANNING. A brokerage must use a person-centered planning approach to assist individuals to establish outcomes, determine needs, plan for supports, and review and redesign support strategies.

(4) HEALTH AND SAFETY ISSUES. The planning process must address basic health and safety needs and supports including, but not limited to:

(a) Identification of risks including risk of serious neglect, intimidation, and exploitation;

(b) Informed decisions by the individual, or as applicable the legal or designated representative of the individual, regarding the nature of supports or other steps taken to ameliorate any identified risks; and

## ADMINISTRATIVE RULES

(c) Education and support to recognize and report abuse.

(5) PERSONAL AGENT SERVICES.

(a) An individual entered into brokerage services must be assigned a personal agent for case management services.

(b) INITIAL DESIGNATION OF PERSONAL AGENT.

(A) The brokerage must designate a personal agent for individuals newly entered in support services within 10 working days from the date entry becomes known to the brokerage.

(B) In the instance of an individual transferring into a brokerage from another brokerage, the brokerage must designate a personal agent within 10 days of entry to the new brokerage.

(C) The brokerage must send a written notice that includes the name, telephone number, and location of the personal agent or brokerage to the individual, and as applicable the legal or designated representative of the individual, within 10 working days from the date entry becomes known to the brokerage.

(D) Prior to implementation of the initial ISP for an individual, the brokerage must ask the individual, or as applicable the legal or designated representative of the individual, to identify any family and other advocates to whom the brokerage must provide the name, telephone number, and location of the personal agent.

(c) CHANGE OF PERSONAL AGENT. Changes of personal agents initiated by the brokerage must be kept to a minimum. If the brokerage must change personal agent assignments, the brokerage must notify the individual, or as applicable the legal or designated representative of the individual, and all current providers within 10 working days of the change. The notification must be in writing and include the name, telephone number, and address of the new personal agent, if known, or of a contact person at the brokerage.

(d) OSIP-M/OHP PLUS ELIGIBILITY. If an individual loses OSIP-M or OHP Plus eligibility, a personal agent must assist the individual in identifying why OSIP-M or OHP Plus eligibility was lost. Whenever possible, the personal agent must assist the individual in becoming eligible for OSIP-M or OHP Plus again. The personal agent must document efforts taken to assist the individual in becoming OSIP-M or OHP Plus eligible.

(e) CASE MANAGEMENT CONTACT. Every individual who has an ISP must have a case management contact no less than once every three months. Individuals with significant health and safety risks must have more frequent case management contact. At least one case management contact per year must be face to face. If an individual agrees, other case management contacts may be made by telephone or by other interactive methods. The outcome of the case management contact must be recorded in the progress note for an individual. The purpose of the case management contact is:

(A) To assure known health and safety risks are adequately addressed;

(B) To assure that the support needs of the individual have not significantly changed; and

(C) To assure that the individual is satisfied with the current supports.

(6) PARTICIPATION IN PROTECTIVE SERVICES. The brokerage and personal agent are responsible for the delivery of protective services, in cooperation with the CDDP when necessary, through the timely completion of activities necessary to address immediate health and safety concerns.

(7) CHOICE ADVISING. Choice advising regarding the provision of case management and other services must be provided to individuals who are eligible for, and desire, developmental disability services. Choice advising must be provided at least annually.

(8) LEVEL OF CARE DETERMINATION.

(a) The brokerage must assure that an individual who is eligible for services identified in OAR 411-340-0130(7) or who becomes eligible for the services after entry into the brokerage:

(A) Receives a level of care determination;

(B) Is offered the choice between home and community-based services or institutional care;

(C) Is provided a notice of fair hearing rights; and

(D) Has the level of care determination reviewed annually or at any time there is a significant change in a condition that qualified the individual for the level of care.

(b) A level of care determination may be made by a services coordinator or a personal agent.

(c) The level of care determination must be documented in a progress note in the record for the individual. The level of care determination must be completed no more than two months prior to the authorization of the ISP for the individual and no more than 60 days prior to the annual reauthorization of the ISP.

(9) FUNCTIONAL NEEDS ASSESSMENT. The brokerage or CDDP must complete a functional needs assessment initially and at least annually for any individual who is enrolled in waiver or Community First Choice services.

(a) A functional needs assessment must be completed:

(A) Prior to the development of an initial ISP;

(B) Within 60 days prior to the annual renewal of an ISP; and

(C) Within 45 days from the date an individual, or as applicable the legal or designated representative of the individual, requests a functional needs assessment.

(b) Individuals must be notified of the need for re-assessment at least 14 days prior to the expiration of the most recent assessment.

(c) The assessment must be conducted face to face.

(d) An individual, or as applicable the legal or designated representative of the individual, must participate in a functional needs assessment and provide information necessary to complete the functional needs assessment and re-assessments within the time frame required by the Department.

(A) Failure to participate in the functional needs assessment or provide information necessary to complete the functional needs assessment or re-assessment within the applicable time frame results in a denial of service eligibility. In the event service eligibility is denied, a written Notification of Planned Action must be provided as described in OAR 411-340-0060 and OAR chapter 411, division 318.

(B) The Department may allow additional time if circumstances beyond the control of the individual, or as applicable the legal or designated representative of the individual, prevent timely participation in the functional needs assessment or timely submission of information necessary to complete the functional needs assessment.

(10) INDIVIDUAL SUPPORT PLANS.

(a) An individual who is accessing waiver or Community First Choice services must have an authorized ISP.

(A) The ISP must be facilitated, developed, and authorized by a personal agent.

(B) The initial ISP must be authorized;

(i) No more than 90 days from the date of eligibility determination made by the CDDP according to OAR 411-320-0080; or

(ii) No later than the end of the month following the month in which the level of care determination was made.

(C) The brokerage must provide a written copy of the most current ISP to the individual and the legal or designated representative of the individual (as applicable).

(b) PERSON-CENTERED ISP REQUIREMENTS. The person-centered ISP must reflect the services and supports that are important for the individual to meet the needs of the individual identified through a Department approved assessment, as well as what is important to the individual with regard to preferences for the delivery of such services and supports. Commensurate with the level of need of the individual and the scope of services and supports, the ISP must include:

(A) The name of the individual and the name of the legal or designated representative of the individual (as applicable);

(B) A description of the supports required that is consistent with support needs identified in the assessment of the individual, including the reason the support is necessary;

(C) The projected dates of when specific supports are to begin and end;

(D) A list of personal, community, and public resources that are available to the individual and how the resources may be applied to provide the required supports. Sources of support may include waiver services, state plan services, state general funds, or natural supports;

(E) The manner in which services are delivered and the frequency of services;

(F) The providers of supports to be purchased with support services funds or the type of provider, such as an independent provider, provider organization, or general business provider, when the provider is unknown or is likely to change frequently;

(G) The setting in which the individual resides as chosen by the individual;

(H) The strengths and preferences of the individual;

(I) Individually identified goals and desired outcomes;

(J) The services and supports (paid and unpaid) to assist the individual to achieve identified goals and the providers of the services and supports, including voluntarily provided natural supports;

(K) The risk factors and the measures in place to minimize the risk factors, including back up plans;

# ADMINISTRATIVE RULES

(L) The identity of the person responsible for case management and monitoring the ISP;

(M) A provision to prevent unnecessary or inappropriate care;

(N) The alternative settings considered by the individual;

(O) Schedule of ISP reviews;

(P) Any changes in support needs identified in an assessment; and

(Q) Any revisions to the ISP that may alter:

(i) The amount of support services funds required;

(ii) The amount of support services required;

(iii) Types of support purchased with support services funds; and

(iv) The type of support provider.

(c) **ISP SCHEDULE.** The schedule of the support services ISP, developed in compliance with this rule after an individual enters a brokerage, may be adjusted with the consent of, or at the request of, an individual or the legal or designated representative of the individual (as applicable).

(A) An adjustment may only occur one time per individual upon ISP renewal.

(B) An ISP date adjustment must be clearly documented in the ISP.

(d) **ISP AUTHORIZATION.**

(A) An initial and annual ISP must be authorized prior to implementation.

(B) A revision to an initial or annual ISP that involves the types of support purchased with support services funds must be authorized prior to implementation.

(C) A revision to an initial or annual ISP that does not involve the types of support purchased with support services funds does not require authorization. Documented verbal agreement to the revision by the individual, or as applicable the legal or designated representative of the individual, is required prior to implementation of the revision.

(D) An ISP is authorized when:

(i) The signature of the individual, or as applicable the legal or designated representative of the individual, is present on the ISP or documentation is present explaining the reason an individual who does not have a legal or designated representative may be unable to sign the ISP.

(I) Acceptable reasons for an individual without a legal or designated representative not to sign the ISP include physical or behavioral inability to sign the ISP.

(II) Unavailability is not an acceptable reason for an individual, or as applicable the legal or designated representative of an individual, not to sign the ISP.

(III) In the case of a revision to an initial or annual ISP that is in response to immediate, unexpected change in circumstance, and is necessary to prevent injury or harm to the individual, documented verbal agreement may substitute for a signature for no more than 10 working days.

(ii) The signature of the personal agent involved in the development of, or revision to, the ISP is present on the ISP; and

(iii) A designated brokerage representative has reviewed the ISP for compliance with Department rules and policy.

(E) For an individual transferring from in-home comprehensive services, the CDDP ISP may be used as authorization for available support services for up to 90 days.

(e) **PERIODIC REVIEW OF ISP AND RESOURCES.**

(A) A personal agent must conduct and document reviews of the ISP and resources for an individual with the individual and the legal or designated representative of the individual (as applicable).

(B) At least annually, as part of preparation for a new ISP, the personal agent must:

(i) Evaluate the progress of the individual toward achieving the purposes of the ISP and assess and revise goals as needed;

(ii) Note effectiveness of the use of support services funds based on personal agent observation as well as individual satisfaction; and

(iii) Determine whether changing needs or availability of other resources has altered the need for continued use of support services funds to purchase supports.

(11) **ANNUAL PLANS.** An Annual Plan must be completed for individuals who do not access waiver or Community First Choice services.

(A) A personal agent must complete an Annual Plan within 60 days of the enrollment of an individual into support services, and annually thereafter if the individual is not enrolled in any waiver or Community First Choice services.

(B) A written Annual Plan must be documented as an Annual Plan or as a comprehensive progress note in the record for the individual and consist of:

(A) A review of the current living situation of the individual;

(B) A review of any personal health, safety, or behavioral concerns;

(C) A summary of the support needs of the individual; and

(D) Actions to be taken by the personal agent and others.

(12) **PROFESSIONAL OR OTHER SERVICE PLANS.**

(a) A Nursing Service Plan must be present when support services funds are used to purchase services requiring the education and training of a licensed professional nurse.

(b) A Support Services Brokerage Crisis Addendum, or other document prescribed by the Department for use in these circumstances, must be attached to the ISP when an individual enrolled in a brokerage is in emergent status in a short-term, out-of-home, residential placement as part of the crisis diversion services for the individual.

(c) As of July 1, 2014, a Career Development Plan must be attached to the ISP of an adult in accordance with OAR 411-345-0160.

(13) **CASE MANAGEMENT TRANSITION TO ANOTHER BROKERAGE OR TO A CDDP.** At the request of an individual enrolled in brokerage services, or as applicable the legal or designated representative of the individual, who has selected another brokerage or CDDP, the brokerage must collaborate with the receiving brokerage or CDDP of the county of residence of the individual to transition case management and other authorized services.

(a) If an individual requests case management services from a CDDP, the brokerage must notify the local CDDP of the request within five working days. A transfer of case management services must occur within ten working days of the request unless a later date is mutually agreed upon by the individual, the brokerage, and the CDDP.

(b) An individual may request case management services from another brokerage when the selected brokerage has capacity available within the limits of the contract between the brokerage and the Department.

(c) If an individual requests case management services from an available brokerage, the brokerage must notify the local CDDP of the request within five working days. A transfer of case management services to the available brokerage must occur within ten working days of the request unless a later date is mutually agreed upon by the individual, the brokerage, and the CDDP of the county of residence of the individual.

(d) If the Department has designated and contracted funds solely for the support of the transitioning individual, the brokerage must notify the Department to consider transfer of the funds for the individual to the receiving brokerage.

(e) The ISP in place at the time of request for transfer may remain in effect 90 days after entry to the new brokerage while a new ISP is developed and authorized.

## 411-340-0130

### Using Support Services Funds to Purchase Supports

(1) Support services funds may be used to assist individuals to purchase supports defined in OAR 411-340-0130(7), in accordance with an ISP when:

(a) The supports are necessary for an individual to live in the individual's own home or in the individual's family home or meet individual support needs;

(b) For Community First Choice services, the support will address a need that has been determined to be necessary by a functional needs assessment;

(c) An enrolled individual meets the criteria for level of care;

(d) The individual is eligible for home and community-based waiver services or Community First Choice state plan services;

(e) Cost-effective arrangements for obtaining the required supports, applying public, private, formal, and informal resources available to the eligible individual are specified in the individual's ISP;

(A) Support services funds are not intended to replace the resources available to an individual from the individual's natural supports. Support services funds may be authorized only when the individual's natural supports are unavailable, insufficient, or inadequate to meet the needs of the individual.

(B) Support services funds are not available when an individual's support needs may be met by alternative resources. Support services funds may

## ADMINISTRATIVE RULES

be authorized only when alternative resources are unavailable, insufficient, or inadequate to meet the needs of the individual.

(f) The ISP has been authorized for implementation.

(2) A brokerage may use support services funds to assist individuals that do not meet the criteria in section (1)(d) of this rule when, up to the individual's 18th birthday, the individual was receiving children's intensive in-home services as described in OAR chapter 411, division 300 or in-home supports as described in OAR chapter 411, division 308.

(3) An individual is no longer eligible to access support services funds when the individual is eligible for support services funds based on section (2) of this rule and --

(a) The individual does not apply for a disability determination and Medicaid within 10 business days of the individual's 18th birthday;

(b) The Social Security Administration or the Department's Presumptive Medicaid Disability Determination Team finds that the individual does not have a qualifying disability; or

(c) The individual is determined by the state of Oregon to be ineligible for OHP Plus or OSIP-M.

(4) Goods and services purchased with support services funds on behalf of individuals are provided only as social benefits.

(5) SERVICE LIMITS. The use of support services funds to purchase individual supports is limited to:

(a) The individual's service level as determined by the functional needs assessment. The functional needs assessment determines a total number of hours available to meet identified needs. This amount may not be exceeded without prior approval from the Department. The types of services that contribute to the total of hours used are: Attendant Care, Hourly Relief Care, Skills Training, Attendant Care and Skill Training hours that constitute Day Support Activities contribute to the total of hours used.

(b) Other services and supports determined by the personal agent to be necessary to meet identified support needs.

(c) An average of 108.3 hours per month of Employment Path Services and Individual Supported Employment — Small Group Employment Support individually or combined.

(d) 40 hours per week of Supported Employment — Individual Employment Support, not including Job Development. If an individual is receiving less than 25 hours per week of Supported Employment — Individual Employment Support, the individual may also receive any combination of Small Group Employment Support, and Employment Path Services, the total of which (including the Supported Employment — Individual Employment services) shall not exceed an annual average of 108.3 hours per month.

(6) AMOUNT, METHOD, AND SCHEDULE OF PAYMENT.

(a) The brokerage must disburse, or arrange for disbursement of, support services funds to qualified providers on behalf of individuals in the amount required to implement an authorized ISP. The brokerage is specifically prohibited from reimbursement of individuals or individuals' families for expenses related to services and from advancing funds to individuals or individuals' families to obtain services.

(b) The method and schedule of payment must be specified in written agreements between the brokerage and the individual or the individual's legal or designated representative (as applicable).

(7) TYPES OF SUPPORTS. Supports eligible for purchase with support services funds must be consistent with published Expenditure Guidelines and are limited to:

(a) Community First Choice services. An individual who is eligible for OHP Plus and meets Level of Care may access Community First Choice services.

(b) Effective October 1, 2014, an individual receiving medical benefits under OAR 410-200 requesting Medicaid coverage for services in a nonstandard living arrangement (see OAR 461-001-0000) is subject to the rules regarding transfer of assets (see OAR 461-140-0210 to 461-140-0300) in the same manner as if they were requesting these services under OSIPM. This includes, but is not limited to, the following assets:

(A) An annuity is evaluated according to OAR 461-145-0022;

(B) A transfer of property when an individual retains a life estate is evaluated according to OAR 461-145-0310;

(C) A loan made by an individual is evaluated according to OAR 461-145-0330;

(D) An Irrevocable trust is evaluated according to OAR 461-145-0540.

(c) When an individual will be disqualified for a transfer of assets they must receive a notice meeting the requirements of OAR 461-175-0310 in the same manner as if they were requesting services under OSIPM.

(d) An individual found to have transferred assets is not eligible for Community First Choice Services.

(e) Community First Choice services include:

(A) Community nursing services as described in section (8) of this rule;

(B) Chore services as described in section (9) of this rule;

(C) Attendant care as described in section (10) of this rule;

(D) Skills training as described in section (11) of this rule;

(E) Community transportation as described in section (12) of this rule;

(F) Assistive Devices as described in section (13) of this rule;

(G) Assistive Technology as described in section (14) of this rule;

(H) Relief care as described in section (15) of this rule;

(I) Behavior support services as described in section (16) of this rule;

(J) Environmental accessibility adaptations as described in section (17) of this rule; and

(K) Transition costs as described in section (18) of this rule.

(f) Home and Community Based Waiver Services. Individuals who are eligible for OSIP-M and meet Level of Care may access Community First Choice Services and the following services:

(A) Case management as defined in OAR 411-340-0020;

(B) Employment Services as described in section (19) of this rule that include:

(i) Supported employment — Individual Employment Support;

(ii) Supported Employment — Small Group Employment Support;

(iii) Employment Path Services;

(iv) Discovery/Career Exploration Services.

(C) Family training as described in section (20) of this rule;

(D) Special diets as described in section (21) of this rule;

(E) Environmental Safety Adaptations as described in section (22) of this rule;

(F) Vehicle modifications as described in section (23) of this rule; and

(G) Specialized Medical Supplies as described in section (24) of this rule.

(g) State Plan personal care as described in OAR chapter 411, division 034.

(8) COMMUNITY NURSING SERVICES.

(a) Community nursing services include:

(A) Evaluation, including medication reviews, and identification of supports that minimize health risks while promoting an individual's autonomy and self-management of healthcare;

(B) Collateral contact with a personal agent regarding an individual's community health status to assist in monitoring safety and well-being and to address needed changes to the person-centered ISP; and

(C) Delegation and training of nursing tasks to an individual's provider so the provider may safely perform health related tasks.

(b) Community nursing services exclude direct nursing care.

(c) Community nursing services are not covered by other Medicaid spending authorities.

(9) CHORE SERVICES. Chore services may be provided only in situations where no one else is responsible or able to perform or pay for the services.

(a) Chore services include heavy household chores such as:

(A) Washing floors, windows, and walls;

(B) Tacking down loose rugs and tiles; and

(C) Moving heavy items of furniture for safe access and egress.

(b) Chore services may include yard hazard abatement to ensure the outside of the home is safe for the individual to traverse and enter and exit the home.

(10) ATTENDANT CARE SERVICES.

(a) ADL services include but are not limited to:

(A) Basic personal hygiene — providing or assisting with such needs as bathing (tub, bed, bath, shower), hair care, grooming, shaving, nail care, foot care, dressing, skin care, or oral hygiene;

(B) Toileting, bowel, and bladder care — assisting to and from the bathroom, on and off toilet, commode, bedpan, urinal, or other assistive device used for toileting, changing incontinence supplies, following a toileting schedule, managing menses, cleansing an individual or adjusting clothing related to toileting, emptying a catheter drainage bag or assistive device, ostomy care, or bowel care;

(C) Mobility, transfers, and repositioning — assisting with ambulation or transfers with or without assistive devices, turning an individual or adjusting padding for physical comfort or pressure relief, or encouraging or assisting with range-of-motion exercises;

## ADMINISTRATIVE RULES

(D) Nutrition — preparing meals and special diets, assisting with adequate fluid intake or adequate nutrition, assisting with food intake (feeding), monitoring to prevent choking or aspiration, assisting with adaptive utensils, cutting food, and placing food, dishes, and utensils within reach for eating;

(E) Medication and medical equipment including but not limited to assisting with ordering, organizing, and administering medications (including pills, drops, ointments, creams, injections, inhalers, and suppositories), monitoring an individual for choking while taking medications, assisting with the administration of medications, maintaining equipment, or monitoring for adequate medication supply; and

(F) Delegated nursing tasks.

(b) IADL services include but are not limited to:

(A) Light housekeeping — tasks necessary to maintain an individual in a healthy and safe environment, including cleaning surfaces and floors, making the individual's bed, cleaning dishes, taking out the garbage, dusting, and laundry;

(B) Grocery and other shopping necessary for the completion of other ADL and IADL tasks;

(C) Assistance with necessary medical appointments, including help scheduling appointments, arranging medical transportation services, accompaniment to appointments, follow up from appointments, or assistance with mobility, transfers, or cognition in getting to and from appointments;

(D) Observation of an individual's status and reporting of significant changes to physicians, health care professionals, or other appropriate people;

(E) First aid and handling emergencies, including addressing medical incidents related to conditions such as seizures, aspiration, constipation, or dehydration or responding to an individual's call for help during an emergent situation or for unscheduled needs requiring immediate response; and

(F) Cognitive assistance or emotional support provided to an individual due to an intellectual or developmental disability, including helping the individual cope with change and assisting the individual with decision-making, reassurance, orientation, memory, or other cognitive functions.

(G) Social support in the community around socialization, and participation in the community.

(i) Support with socialization includes assisting participants in acquiring, retaining, and improving self-awareness and self-control, social responsiveness, social amenities, and interpersonal skills.

(ii) Support with community participation, includes assisting individuals in acquiring, retaining, and improving skills to use available community resources, facilities, or businesses.

(H) Support with communication provided to assist individuals in acquiring, retaining, and improving expressive and receptive skills in verbal and non-verbal language and the functional application of acquired reading and writing skills.

(c) Attendant care services means an individual requires assistance with ADLs. Assistance may include cueing, monitoring, reassurance, redirection, set-up, hands-on, or standby assistance. Assistance may be provided through human assistance or the use of electronic devices or other assistive devices. Assistance may also require verbal reminding to complete any of the tasks described in subsection (b) of this section.

(A) "Cueing" means giving verbal, audio, or visual clues during an activity to help an individual complete the activity without hands-on assistance.

(B) "Hands-on" means a provider physically performs all or parts of an activity because an individual is unable to do so.

(C) "Monitoring" means a provider observes an individual to determine if assistance is needed.

(D) "Reassurance" means to offer an individual encouragement and support.

(E) "Redirection" means to divert an individual to another more appropriate activity.

(F) "Set-up" means the preparation, cleaning, and maintenance of personal effects, supplies, assistive devices, or equipment so that an individual may perform an activity.

(G) "Stand-by" means a provider is at the side of an individual ready to step in and take over the task if the individual is unable to complete the task independently.

(11) SKILLS TRAINING. Skills training is specifically tied to the functional needs assessment and ISP and is a means for an individual to acquire, maintain, or enhance independence in supports otherwise provided through state plan or waiver services.

(a) Skills training may be applied to the use and care of assistive devices and technologies.

(b) Skills training is authorized when:

(A) The anticipated outcome of the skills training, as documented in the ISP, is measurable;

(B) Timelines for measuring progress towards the anticipated outcome are established in the ISP; and

(C) Progress towards the anticipated outcome are measured and the measurements are evaluated by a personal agent no less frequently than every six months, based on the start date of the initiation of the skills training.

(c) When anticipated outcomes are not achieved, the personal agent must reassess the use of skills training with the individual.

(12) COMMUNITY TRANSPORTATION.

(a) Community transportation services include but are not limited to:

(A) Community transportation provided by common carriers, taxicab, or bus in accordance with standards established for these entities;

(B) Reimbursement on a per-mile basis for transporting an individual to accomplish ADL, IADL, health related task or employment goal identified on an ISP; or

(C) Assistance with the purchase of a bus pass.

(b) Community transportation services exclude medical transportation, purchase of individual or family vehicles, routine vehicle maintenance and repair, ambulance services, payment to the spouse of an individual receiving support services, and costs for transporting a person other than the individual.

(c) Mileage reimbursement must be limited to those destinations where other members of the individual's local community would typically get similar services.

(d) Community transportation is not provided by the Department to obtain medical or non-medical items that may be delivered by a supplier or sent by mail order without cost to the eligible individual.

(e) Community transportation must be prior authorized by an individual's personal agent and documented in the individual's service plan. The Department does not pay any provider under any circumstances for more than the total number of hours, miles, or rides prior authorized by the brokerage and documented in the individual's service plan.

(A) Personal support workers who use their own personal vehicle for community transportation are reimbursed according to the terms defined in their Collective Bargaining Agreement between the Home Care Commission and Service Employees International Union, Local 503, OPEU.

(B) The Department or brokerage does not authorize reimbursement for travel to or from the residence of a personal support worker. The Department or brokerage only authorizes community transportation and mileage from the home of an eligible individual to the destination necessary to meet the goal stated in the individual's service plan and back to the individual's home.

(13) Assistive Devices. When assistive devices are primarily and customarily used to serve a medical purpose, the purchase, rental, or repair of assistive devices with support service funds must be limited to the types of equipment that are not excluded under OAR 410-122-0080.

(a) Assistive devices may include the purchase of devices, aids, controls, supplies, or appliances primarily and customarily used to enable an individual to increase the individual's ability to perform and support ADLs and IADLs or to perceive, control, or communicate with the environment in which the individual lives.

(b) Assistive devices may be purchased with support service funds when an individual's intellectual or developmental disability otherwise prevents or limits the individual's independence in areas identified in a functional needs assessment.

(c) Assistive devices that may be purchased for the purpose described in subsection (b) of this section must be of direct benefit to the individual and may include:

(A) Electronic devices to secure assistance in an emergency in the community and other reminders such as medication minders, alert systems for ADL or IADL supports, or mobile electronic devices;

(B) Assistive devices, not covered by other Medicaid programs, to assist and enhance an individual's independence in performing ADLs or IADLs, such as durable medical equipment, mechanical apparatus, electrical appliances, or information technology devices.

(i) Expenditures for assistive devices are limited to \$5,000 per plan year without Department approval.

(ii) Any single device or assistance costing more than \$500 must be approved by the Department prior to expenditure.

## ADMINISTRATIVE RULES

(d) Assistive devices may not include items not of direct medical or remedial benefit to the individual.

(e) Assistive devices must meet applicable standards of manufacture, design, and installation.

(f) To be authorized by a services coordinator, Assistive devices must be:

(A) In addition to any medical equipment and supplies furnished under OHP and private insurance;

(B) Determined necessary to the daily functions of the individual; and  
(C) Directly related to the disability of the individual.

(g) Assistive devices exclude:

(A) Items that are not necessary or of direct medical or remedial benefit to the individual;

(B) Assistive devices intended to supplant similar items furnished under OHP or private insurance;

(C) Items available through the family, community, or other governmental resources;

(D) Items that are considered unsafe for an individual;

(E) Equipment and furnishings of general household use.

(14) ASSISTIVE TECHNOLOGY Assistive technology to provide additional security and replace the need for direct interventions to enable self direction of care and maximize independence, such as motion or sound sensors, two-way communication systems, automatic faucets and soap dispensers, incontinent and fall sensors, or other electronic backup systems;

(a) Expenditures for assistive technology are limited to \$5,000 per plan year without Department approval.

(b) Any single purchase costing more than \$500 must be approved by the Department prior to expenditure.

(15) RELIEF CARE.

(a) Relief care includes two types of care, neither of which may be characterized as daily or periodic services provided to allow an individual's primary caregiver to attend school or work.

(A) Twenty-four hour relief care must be provided in segments of 24-hour units that may be sequential but may not exceed 7 consecutive days without permission from the Department.

(B) Hourly relief care is substitute work for the usual attendant care provider.

(b) Relief care may include both day and overnight services that may be provided in:

(A) The home of the individual;

(B) A licensed or certified setting;

(C) The home of a qualified provider. If relief care is provided in the home of a qualified provider, the personal agent and the individual, or the representative of the individual, must document that the home of the qualified provider is a safe setting for the individual;

(D) The community, during the provision of ADL, IADL, health related tasks, and other supports identified in the ISP.

(16) BEHAVIOR SUPPORT SERVICES.

(a) Behavior support services consist of:

(A) Assessing an individual or the needs of the individual's family and the environment;

(B) Developing positive behavior support strategies, including a Behavior Support Plan if needed;

(C) Implementing the Behavior Support Plan with an individual's provider or family; and

(D) Revising and monitoring the Behavior Support Plan as needed.

(b) Behavior support services may include:

(A) Training, modeling, and mentoring an individual's family;

(B) Developing visual communication systems as behavior support strategies; and

(C) Communicating as authorized by an individual, or as applicable the individual's legal or designated representative, with school, medical, or other professionals about the strategies and outcomes of the Behavior Support Plan.

(c) Behavior support services exclude:

(A) Mental health therapy or counseling;

(B) Health or mental health plan coverage;

(C) Educational services, including, but not limited to consultation and training for classroom staff;

(D) Adaptations to meet needs of an individual at school;

(E) An assessment in a school setting;

(F) Attendant Care;

(G) Skills Training; or

(H) Relief Care.

(17) ENVIRONMENTAL ACCESSIBILITY ADAPTATIONS.

(a) Environmental accessibility adaptations include but are not limited to:

(A) An environmental modification consultation to determine the appropriate type of adaptation;

(B) Installation of shatter-proof windows;

(C) Hardening of walls or doors;

(D) Specialized, hardened, waterproof, or padded flooring;

(E) An alarm system for doors or windows;

(F) Protective covering for smoke alarms, light fixtures, and appliances;

(G) Sound and visual monitoring systems;

(H) Installation of ramps, grab-bars, and electric door openers;

(I) Adaptation of kitchen cabinets and sinks;

(J) Widening of doorways;

(K) Handrails;

(L) Modification of bathroom facilities;

(M) Individual room air conditioners for an individual whose temperature sensitivity issues create behaviors or medical conditions that put the individual or others at risk;

(N) Installation of non-skid surfaces;

(O) Overhead track systems to assist with lifting or transferring;

(P) Specialized electric and plumbing systems that are necessary to accommodate the medical equipment and supplies necessary for the welfare of the individual; and

(Q) Adaptations to control lights, heat, stove, etc.

(b) Environmental accessibility adaptations exclude:

(A) Adaptations or improvements to the home that are of general utility and are not of direct medical or remedial benefit to the individual, such as carpeting, roof repair, and central air conditioning;

(B) Adaptations that add to the total square footage of the home except for ramps that attach to the home for the purpose on entry or exit;

(C) Adaptations outside of the home; and

(D) General repair or maintenance and upkeep required for the home, including repair of damage caused by the individual.

(c) Environmental accessibility adaptations are limited to \$5,000 per modification. A personal agent may request approval for additional expenditures through the Department prior to expenditure. Approval is based on the individual's service and support needs and goals and the Department's determination of appropriateness and cost-effectiveness.

(d) Environmental accessibility adaptations must be tied to supporting ADL, IADL, and health-related tasks as identified in the individual's ISP.

(e) Environmental accessibility adaptations must be completed by a state licensed contractor. Any modification requiring a permit must be inspected by a local inspector and certified as in compliance with local codes. Certification of compliance must be filed in the provider's file prior to payment.

(f) Environmental accessibility adaptations must be made within the existing square footage of the home, except for external ramps, and may not add to the square footage of the home.

(g) Payment to the contractor is to be withheld until the work meets specifications.

(18) TRANSITION COSTS.

(a) Transition costs are limited to individuals transitioning from a nursing facility, ICF/IDD, or acute care hospital, to a home or community-based setting where the individual resides.

(b) Transition costs are based on an individual's assessed need determined during the person-centered service planning process and must support the desires and goals of the individual receiving services and supports. Final approval for transition costs must be through the Department prior to expenditure. The Department's approval is based on the individual's need and the Department's determination of appropriateness and cost-effectiveness.

(c) Financial assistance for transition costs is limited to:

(A) Moving and move-in costs, including movers, cleaning and security deposits, payment for background or credit checks (related to housing), or initial deposits for heating, lighting, and phone;

(B) Payment of previous utility bills that may prevent the individual from receiving utility services and basic household furnishings, such as a bed; and

(C) Other items necessary to re-establish a home.

(d) Transition costs are provided no more than twice annually.

(e) Transitions costs for basic household furnishings and other items are limited to one time per year.

(19) Employment services must be:

## ADMINISTRATIVE RULES

(a) Delivered according to OAR 411-345-0025; and  
(b) Provided by an employment specialist meeting the requirements described in OAR 411-345-0030.

(20) **FAMILY TRAINING.** Family training services are provided to an individual's family to increase the family's capability to care for, support, and maintain the individual in the home.

(a) Family training services include:

(A) Instruction about treatment regimens and use of equipment specified in an individual's ISP;

(B) Information, education, and training about an individual's disability, medical, and behavioral conditions; and

(C) Organized conferences and workshops specifically related to an individual's disability, identified support needs, or specialized medical or behavioral support needs.

(b) Family training services exclude:

(A) Mental health counseling, treatment, or therapy;

(B) Training for paid care providers;

(C) Legal fees;

(D) Training for families to carry out educational activities in lieu of school;

(E) Vocational training for family members; and

(F) Paying for training to carry out activities that constitute abuse of an adult.

(c) Prior authorization by the brokerage is required for attendance by family members at organized conferences and workshops funded with support services funds.

(21) **SPECIAL DIET.** Special diets are specially prepared food or particular types of food, ordered by a physician and periodically monitored by a dietician, specific to an individual's medical condition or diagnosis that are needed to sustain an individual in the individual's home. Special diets are supplements and are not intended to meet an individual's complete daily nutritional requirements.

(22) **ENVIRONMENTAL SAFETY ADAPTATIONS.**

(a) Materials must be of the most cost effective type and decorative additions will not be considered.

(b) Fencing will be limited to 200 linear feet without approval from DHS to exceed the limit. Large gates such as automobile gates are excluded. Costs for paint and stain are excluded.

(23) **VEHICLE MODIFICATIONS.** Vehicle modification does not include:

(a) Adaptations or improvements to the vehicle that are of general utility, and are not of direct medical or remedial benefit to the individual;

(b) Purchase or lease of a vehicle; or

(c) Regularly scheduled upkeep and maintenance of a vehicle except upkeep and maintenance of the modifications.

(24) **SPECIALIZED MEDICAL SUPPLIES.** Specialized Medical supplies will not cover services which are otherwise available to the individual under section 110 of the Rehabilitation Act of 1973, or the IDEA (20 U.S.C. 1401 et seq.). This service will not overlap with, supplant, or duplicate other services provided through the waiver or Medicaid state plan services.

(25) Day support activities must be provided according to OAR 411-345-0025.

(26) **EDUCATIONAL SERVICES.** Educational services such as professional instruction, formal training, and tutoring in communication, socialization, and academic skills, are not allowable expenses covered by support services funds.

(27) **CONDITIONS OF PURCHASE.** The brokerage must arrange for supports purchased with support services funds to be provided:

(a) In settings and under contractual conditions that enable the individual to freely choose to receive supports and services from another qualified provider;

(A) Individuals who choose to combine support services funds to purchase group services must receive written instruction from the brokerage about the limits and conditions of such arrangements;

(B) Combined support services funds may not be used to purchase existing, or create new, comprehensive services;

(C) Individual support expenses must be separately projected, tracked, and expensed, including separate contracts, employment agreements, and timekeeping for staff working with more than one individual; and

(D) Combined arrangements for residential supports must include a plan for maintaining an individual at home after the loss of roommates.

(b) In a manner consistent with positive behavioral theory and practice and where behavior intervention is not undertaken unless the behavior:

(A) Represents a risk to health and safety of the individual or others;

(B) Is likely to continue and become more serious over time;

(C) Interferes with community participation;

(D) Results in damage to property; or

(E) Interferes with learning, socializing, or vocation.

(c) In accordance with applicable state and federal wage and hour regulations in the case of personal services, training, and supervision;

(d) In accordance with applicable state or local building codes in the case of environmental accessibility adaptations to the home;

(e) In accordance with Oregon Board of Nursing rules in OAR chapter 851 when services involve performance of nursing services or delegation, teaching, and assignment of nursing tasks;

(f) In accordance with OAR 411-340-0160 through 411-340-0180 governing provider qualifications and responsibilities; and

(g) In accordance with the Department's Support Services Expenditure Guidelines.

(28) **INDEPENDENT PROVIDER, PROVIDER ORGANIZATION, AND GENERAL BUSINESS PROVIDER AGREEMENTS AND RESPONSIBILITIES.** When support services funds are used to purchase services, training, supervision, or other personal assistance for individuals, the brokerage must require and document that providers are informed of:

(a) Mandatory reporter responsibility to report suspected abuse;

(b) Responsibility to immediately notify the people, if any, specified by the individual, or as applicable the individual's legal or designated representative, of any injury, illness, accident, or unusual circumstance that occurs when the provider is providing individual services, training, or supervision that may have a serious effect on the health, safety, physical or emotional well-being, or level of services required;

(c) Limits of payment:

(A) Support services fund payments for the agreed-upon services are considered full payment and the provider under no circumstances may demand or receive additional payment for these services from the individual, the individual's family, or any other source unless the payment is a financial responsibility (spend-down) of an individual under the Medically Needy Program; and

(B) The provider must bill all third party resources before using support services funds unless another arrangement is agreed upon by the brokerage and described in an individual's ISP.

(d) The provisions of section (31) of this rule regarding sanctions that may be imposed on providers; and

(e) The requirement to maintain a drug-free workplace.

(29) **PROVIDER TERMINATION.**

(a) A personal support worker's provider enrollment may be inactivated or terminated consistent with OAR 411-375-0070.

(b) An Independent Provider who is not a Personal Support Worker.

(A) The provider enrollment for a personal support worker may be inactivated in the following circumstances:

(i) The provider has not provided any paid in-home services to an individual within the last previous 12 months;

(ii) The provider informs the Department, CDDP, CIIS, or Support Services Brokerage that the personal support worker is no longer providing in-home services in Oregon;

(iii) The background check for a provider results in a closed case pursuant to OAR 407-007-0325;

(iv) Services to an individual, is being investigated by Adult or Child Protective Services for suspected abuse that poses imminent danger to current or future individuals; or

(v) Provider payments, all or in part, for the provider have been suspended based on a credible allegation of fraud or has a conviction of for fraud pursuant to federal law under 42 CFR 455.23.

(B) An independent provider who is not a personal support worker may have their provider enrollment terminated when the brokerage or Department determines that, at some point after the provider's initial qualification and authorization to provide supports purchased with support services funds, the provider has:

(i) Been convicted of any crime that would have resulted in an unacceptable background check upon hiring or authorization of service;

(ii) Been convicted of unlawfully manufacturing, distributing, prescribing, or dispensing a controlled substance;

(iii) Surrendered his or her professional license or had his or her professional license suspended, revoked, or otherwise limited;

(iv) Failed to safely and adequately provide the authorized services;

(v) Had a founded report of child abuse or substantiated abuse;

(vi) Failed to cooperate with any Department or brokerage investigation or grant access to, or furnish, records or documentation, as requested;

# ADMINISTRATIVE RULES

(vii) Billed excessive or fraudulent charges or been convicted of fraud;

(viii) Made a false statement concerning conviction of crime or substantiated abuse;

(ix) Falsified required documentation;

(x) Failed to comply with the provisions of section (30) of this rule or OAR 411-340-0140;

(xi) Been suspended or terminated as a provider by the Department or Oregon Health Authority;

(xii) Violates the requirement to maintain a drug-free work place;

(xiii) Fails to provide services as required;

(xiv) Fails to provide a tax identification number or social security number that matches the independent provider's legal name, as verified by the Internal Revenue Service or Social Security Administration; or

(xv) Has been excluded or debarred by the Office of the Inspector General.

(C) If the brokerage or Department makes a decision to terminate a provider's enrollment, the brokerage or Department must issue a written notice that shall include:

(i) An explanation of the reason for termination of the provider enrollment;

(ii) The alleged violation as listed in subsection (b) of this section; and

(iii) The independent provider's appeal rights, including where to file the appeal.

(iv) For terminations based on substantiated protective services allegations, the notice may only contain the limited information allowed by law. In accordance with ORS 124.075, 124.085, 124.090, and OAR 411-020-0030, complainants, witnesses, the name of the alleged victim, and protected health information may not be disclosed.

(v) The effective date of the termination.

(D) The provider may appeal a termination within 30 days of the date the termination notice was mailed to the provider. The provider must appeal a termination separately from any appeal of audit findings and overpayments.

(i) A provider of Medicaid services may appeal a termination by requesting an administrator's review by the Department's director or their designee.

(ii) For an appeal regarding provision of Medicaid services to be valid, written notice of the appeal must be received by the Department within 30 days of the date the termination notice was mailed to the provider.

(E) At the discretion of the Department, providers who have previously been terminated or suspended by the Department or by the Oregon Health Authority may not be authorized as providers of Medicaid services.

## 411-340-0135

### Standards for Employers

(1) An employer of record is required when a personal support worker who is not an independent contractor is selected by the family to provide supports. The Department may not act as the employer of record.

(2) **JOB DESCRIPTION.** The employer is responsible for creating and maintaining a job description for potential independent providers that is in coordination with the services authorized in the ISP.

(3) **PERSONAL SUPPORT WORKER BENEFITS.** The only benefits available to independent providers are for those who are personal support workers and negotiated in the collective bargaining agreement and provided in Oregon Revised Statute. The collective bargaining agreement does not include participation in the Public Employees Retirement System or the Oregon Public Service Retirement Plan. Independent providers, including personal support workers, are not state or brokerage employees.

(4) **EMPLOYER RESPONSIBILITIES.**

(a) For an individual to be eligible for support provided by an independent provider, an employer must demonstrate the ability to:

(A) Locate, screen, and hire a qualified independent provider;

(B) Supervise and train the independent provider;

(C) Schedule work, leave, and coverage;

(D) Track the hours worked and verify the authorized hours completed by the independent provider;

(E) Recognize, discuss, and attempt to correct, with the independent provider, any performance deficiencies and provide appropriate, progressive, disciplinary action as needed; and

(F) Discharge an unsatisfactory independent provider.

(b) Indicators that an employer may not be meeting the employer responsibilities described in subsection (4)(a) of this section include but are not limited to:

(A) Independent provider complaints;

(B) Multiple complaints from an independent provider requiring intervention from the Department or Brokerage;

(C) Frequent errors on time sheets, mileage logs, or other required documents submitted for payment that results in repeated coaching from the Department or Brokerage;

(D) Complaints to Medicaid Fraud involving the employer; or

(E) Documented observation by the Brokerage of services not being delivered as identified in the individual's ISP.

(c) The Department or the Brokerage may require intervention as defined in OAR 411-340-0020 when an employer has demonstrated difficulty meeting the employer responsibilities described in subsection (4)(a) of this section.

(d) After appropriate intervention and assistance, an individual unable to meet the employer responsibilities described in subsection (4)(a) of this section may be determined ineligible for support provided by an independent provider.

(A) An individual determined ineligible to be an employer of an independent provider and unable to designate an employer representative, may not request support provided by an independent provider until the individual's next annual ISP. Improvements in health and cognitive functioning may be factors in demonstrating the individual's ability to meet the employer responsibilities described in section (4)(a) of this rule. If an individual is able to demonstrate the ability to meet the employer responsibilities sooner than the next annual ISP, the individual may request the waiting period be shortened.

(B) An individual determined ineligible to be an employer of an independent provider is offered other available service options that meet the individual's service needs, including support through a contracted qualified provider organization or general business provider when available.

(5) **DESIGNATION OF EMPLOYER RESPONSIBILITIES.**

(a) An individual not able to meet all of the employer responsibilities described in section (4)(a) of this rule must:

(A) Designate an employer representative in order to receive or continue to receive in home support; or

(B) Select other available services.

(b) An individual able to demonstrate the ability to meet some of the employer responsibilities described in section (4)(a) of this rule must:

(A) Designate an employer representative to fulfill the responsibilities the individual is not able to meet to receive or continue to receive support from an independent provider; and

(B) On a Department approved form, document the specific employer responsibilities performed by the individual and the employer responsibilities performed by the individual's employer representative.

(c) When an individual's employer representative is not able to meet the employer responsibilities described in section (4)(a) or the qualifications in section (6)(c) of this rule, an individual must:

(A) Designate a different employer representative to receive or continue to receive in home support; or

(B) Select other available services.

(6) **EMPLOYER REPRESENTATIVE.**

(a) An individual, or the individual's legal representative, may designate an employer representative to act on behalf of the individual, to meet the employer responsibilities described in section (4)(a) of this rule. An individual's legal or designated representative may be the employer.

(b) An employer who is also an individual's independent provider of support must seek an alternate employer for purposes of the independent provider's employment. The alternate employer must:

(A) Track the hours worked and verify the authorized hours completed by the independent provider; and

(B) Document the specific employer responsibilities performed by the employer on a Department approved form.

(c) The Department or the Brokerage may suspend, terminate, or deny an individual's request for an employer representative if the requested employer representative has:

# ADMINISTRATIVE RULES

(A) A history of substantiated abuse of an adult as described in OAR 411-045-0250 to 411-045-0370;

(B) A history of founded abuse of a child as described in ORS 419B.005;

(C) Participated in billing excessive or fraudulent charges; or

(D) Failed to meet the employer responsibilities in section (4)(a) or (6)(b) of this rule, including previous termination as a result of failing to meet the employer responsibilities in section (4)(a) or (6)(b).

(d) An individual is given the option to select another employer representative if the Department or Brokerage suspends, terminates, or denies an individual's request for an employer representative for the reasons described in subsection (6)(c) of this section.

(7) APPEALS.

(a) The Department or the Brokerage, respectively, shall mail a notice identifying the individual and if applicable the individual's employer representative and legal or designated representative, when:

(A) The Department or the Brokerage denies, suspends, or terminates an employer from performing the employer responsibilities described in sections (4)(a) or (6)(b) of this rule; and

(B) The Department or the Brokerage denies, suspends, or terminates an employer representative from performing the employer responsibilities described in section (4)(a) or (6)(b) of this rule because the employer representative does not meet the qualifications in section (6)(c) of this rule.

(b) BROKERAGE ISSUED NOTICES. An individual receiving support from an independent provider, or as applicable the individual's legal or designated representative or employer representative, may appeal a notice issued by the Brokerage by requesting a review by the Brokerage's director.

(A) For an appeal regarding denial, suspension, or termination of an employer to be valid, written notice of the appeal and request for review must be received by the Brokerage within 45 calendar days of the date of the notice.

(B) The Brokerage director shall complete a review and issue a decision within 30 calendar days of the date the written appeal was received by the Brokerage.

(C) If an individual, or as applicable the individual's legal or designated representative or employer representative, is dissatisfied with the Brokerage director's decision, the individual, or as applicable the individual's legal or designated representative or employer representative, may request an administrator review by the Department's director or the Department's designee.

(D) For an appeal of the Brokerage's decision to be valid, written notice of the appeal and request for an administrator review must be received by the Department within 15 calendar days of the date of the Brokerage's decision.

(E) The Department's director or the Department's designee shall complete an administrator review within 30 calendar days of the date the written appeal was received by the Department.

(F) The Department's decision of an administrator review is considered final.

(c) DEPARTMENT ISSUED NOTICES. An individual receiving support from an independent provider, or as applicable the individual's legal or designated representative, may appeal a notice issued by the Department by requesting an administrator review by the Department's director or the Department's designee.

(A) For an appeal regarding denial, suspension, or termination of an employer to be valid, written notice of the appeal and request for an administrator review must be received by the Department within 45 calendar days of the date of the notice.

(B) The Department's director or Department's designee shall complete an administrator review and issue a decision within 30 calendar days of the date the written appeal was received by the Department.

(C) The Department's decision of an administrator review is considered final.

(d) An individual has appeal rights as described in OAR 411-340-0060 when the denial, suspension, or termination of the employer results in the Department or CDDP denying, suspending, or terminating an individual from support services.

## 411-340-0150

### Standards for Support Services Brokerage Administration and Operations

(1) POLICY OVERSIGHT GROUP. The brokerage must develop and implement procedures for incorporating the direction, guidance, and advice of individuals and family members of individuals in the administration of the organization.

(a) The brokerage must establish and utilize a Policy Oversight Group, of which the membership majority must be individuals with intellectual or developmental disabilities and family members of individuals with intellectual or developmental disabilities.

(b) Brokerage procedures must be developed and implemented to assure the Policy Oversight Group has the maximum authority that may be legally assigned or delegated over important program operational decisions, including such areas as program policy development, program planning and goal setting, budgeting and resource allocation, selection of key personnel, program evaluation and quality assurance, and complaint resolution.

(c) If the Policy Oversight Group is not also the governing body of the brokerage, then the brokerage must develop and implement a written procedure that describes specific steps of appeal or remediation to resolve conflicts between the Policy Oversight Group and the governing body of the brokerage.

(d) A Policy Oversight Group must develop and implement operating policies and procedures.

(2) FULL-TIME BROKERAGE DIRECTOR REQUIRED. The brokerage must employ a full-time director who is responsible for the daily operations of the brokerage in compliance with these rules and who has authority to make budget, staffing, policy, and procedural decisions for the brokerage.

(3) DIRECTOR QUALIFICATIONS. In addition to the general staff qualifications of OAR 411-340-0070(1) and (2), the brokerage director must have:

(a) A minimum of a bachelor's degree and two years experience, including supervision, in the field of intellectual or developmental disabilities, social services, mental health, or a related field; or

(b) Six years of experience, including supervision, in the field of intellectual or developmental disabilities, social services, or mental health.

(4) FISCAL INTERMEDIARY REQUIREMENTS.

(a) A fiscal intermediary must:

(A) Demonstrate a practical understanding of laws, rules, and conditions that accompany the use of public resources;

(B) Develop and implement accounting systems that operate effectively on a large scale as well as track individual budgets;

(C) Establish and meet the time lines for payments that meet individuals' needs;

(D) Develop and implement an effective payroll system, including meeting payroll-related tax obligations;

(E) Generate service, management, and statistical information and reports required by the brokerage director and Policy Oversight Group to effectively manage the brokerage and by individuals to effectively manage supports;

(F) Maintain flexibility to adapt to changing circumstances of individuals; and

(G) Provide training and technical assistance to individuals as required and specified in the individuals' ISPs.

(b) A fiscal intermediary may not recruit, hire, supervise, evaluate, dismiss, or otherwise discipline those employed to provide services described in an individual's authorized ISP.

(c) FISCAL INTERMEDIARY QUALIFICATIONS.

(A) A fiscal intermediary may not:

(i) Be a provider of support services paid using support services funds; or

(ii) Be a family member or other representative of an individual for whom they provide fiscal intermediary services.

(B) The brokerage must obtain and maintain written evidence that:

(i) Contractors providing fiscal intermediary services have sufficient education, training, or work experience to effectively and efficiently perform all required activities; and

(ii) Employees providing fiscal intermediary services have sufficient education, training, or work experience to effectively and efficiently perform all required activities prior to hire or that the brokerage has provided requisite education, training, and experience.

(5) PERSONAL AGENT QUALIFICATIONS.

# ADMINISTRATIVE RULES

(a) Each personal agent must have knowledge of the public service system for developmental disability services in Oregon and at least:

(A) A bachelor's degree in a behavioral science, social science, or a closely related field; or

(B) A bachelor's degree in any field and one year of human services related experience, such as work providing assistance to individuals and groups with issues such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing; or

(C) An associate's degree in a behavioral science, social science, or a closely related field and two years of human services related experience such as work providing assistance to individuals and groups with issues, such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing; or

(D) Three years of human services related experience.

(b) A brokerage must submit a written variance request to the Department prior to employing a person not meeting the minimum qualifications for a personal agent set forth in subsection (a) of this section. The variance request must include:

(A) An acceptable rationale for the need to employ a person who does not meet the qualifications; and

(B) A proposed alternative plan for education and training to correct the deficiencies.

(i) The proposal must specify activities, timelines, and responsibility for costs incurred in completing the alternative plan.

(ii) A person who fails to complete the alternative plan for education and training to correct the deficiencies may not fulfill the requirements for the qualifications.

(6) **PERSONAL AGENT TRAINING.** The brokerage must provide or arrange for personal agents to receive training needed to provide or arrange for brokerage services, including but not limited to:

(a) Principles of self-determination;

(b) Person-centered planning processes;

(c) Identification and use of alternative support resources;

(d) Fiscal intermediary services;

(e) Basic employer and employee roles and responsibilities;

(f) Developing new resources;

(g) Major public health and welfare benefits;

(h) Constructing and adjusting individualized support plans; and

(i) Assisting individuals to judge and improve quality of personal supports.

(7) **INDIVIDUAL RECORD REQUIREMENTS.** The brokerage must maintain current, up-to-date records for each individual receiving services and must make these records available to the Department upon request. The individual or the individual's legal representative may access any portion of the individual's record upon request. Individual records must include at minimum:

(a) Application and eligibility information received from the referring CDDP;

(b) An easily-accessed summary of basic information, including the individual's name, family name (if applicable), individual's legal or designated representative (if applicable), address, telephone number, date of entry into the program, date of birth, sex, marital status, individual financial resource information, and plan year anniversary date;

(c) Documents related to determining eligibility for brokerage services;

(d) Records related to receipt and disbursement of funds, including expenditure authorizations, expenditure verification, copies of CPMS expenditure reports, and verification that providers meet the requirements of OAR 411-340-0160 through 411-340-0180;

(e) Documentation, signed by the individual, or as applicable the individual's legal or designated representative, that the individual, or as applicable the individual's legal or designated representative, has been informed of responsibilities associated with the use of support services funds;

(f) Incident reports;

(g) The completed functional needs assessment and other assessments used to determine supports required, preferences, and resources;

(h) ISP and reviews. If an individual is unable to sign the ISP, the individual's record must document that the individual was informed of the contents of the ISP and that the individual's agreement to the ISP was obtained to the extent possible;

(i) Names of those who participated in the development of the ISP. If an individual was not able to participate in the development of the ISP, the individual's record must document the reason;

(j) Written service agreements. A written service agreement must be consistent with the individual's ISP and must describe at a minimum:

(A) Type of service to be provided;

(B) Hours, rates, location of services, and expected outcomes of services; and

(C) Any specific individual health, safety, and emergency procedures that may be required, including action to be taken if an individual is unable to provide for the individual's own safety and the individual is missing while in the community under the service of a contractor or provider organization.

(k) A written job description for all services to be delivered by an employee of the individual or the individual's legal or designated representative (as applicable). The written job description must be consistent with the individual's ISP and must describe at a minimum:

(A) Type of service to be provided;

(B) Hours, rates, location, duration of services, and expected outcomes of services; and

(C) Any specific individual health, safety, and emergency procedures that may be required, including action to be taken if an individual is unable to provide for the individual's own safety and the individual is missing while in the community under the service of an employee of the individual.

(l) Personal agent correspondence and notes related to resource development and plan outcomes;

(m) Progress notes. Progress notes must include documentation of the delivery of services by a personal agent to support each case service provided. Progress notes must be recorded chronologically and documented consistent with brokerage policies and procedures. All late entries must be appropriately documented. Progress notes must, at a minimum, include:

(A) The month, day, and year the services were rendered and the month, day, and year the entry was made if different from the date service was rendered;

(B) The name of the individual receiving services;

(C) The name of the brokerage, the person providing the service (i.e., the personal agent's signature and title), and the date the entry was recorded and signed;

(D) The specific services provided and actions taken or planned, if any;

(E) Place of service. Place of service means the name of the brokerage and where the brokerage is located, including the address. The place of service may be a standard heading on each page of the progress notes; and

(F) The names of other participants (including titles and agency representation, if any) in notes pertaining to meetings with or discussions about the individual.

(n) Information about individual satisfaction with personal supports and the brokerage's services.

(8) **SPECIAL RECORD REQUIREMENTS FOR SUPPORT SERVICES FUND EXPENDITURES.**

(a) The brokerage must develop and implement written policies and procedures concerning use of support services funds. These policies and procedures must include but may not be limited to:

(A) Minimum acceptable records of expenditures:

(i) Itemized invoices and receipts to record purchase of any single item;

(ii) A trip log indicating purpose, date, and total miles to verify vehicle mileage reimbursement;

(iii) Itemized invoices for any services purchased from independent contractors, provider organizations, and professionals. Itemized invoices must include:

(I) The name of the individual to whom services were provided;

(II) The date of the services; and

(III) A description of the services.

(iv) Pay records, including timesheets signed by both employee and employer, to record employee services; and

(v) Documentation that services provided were consistent with an individual's authorized ISP.

(B) Procedures for confirming the receipt, and securing the use of, assistive devices, environmental safety modifications, and environmental accessibility adaptations.

(i) When an assistive device is obtained for the exclusive use of an individual, the brokerage must record the purpose, final cost, and date of receipt.

(ii) The brokerage must secure use of equipment or furnishings costing more than \$500 through a written agreement between the brokerage and the individual or the individual's legal representative that specifies the time

# ADMINISTRATIVE RULES

period the item is to be available to the individual and the responsibilities of all parties if the item is lost, damaged, or sold within that time period.

(iii) The brokerage must ensure that projects for environmental accessibility adaptations and environmental safety modifications involving renovation or new construction in an individual's home or property costing \$5,000 or more per single instance or cumulatively over several modifications:

(I) Are approved by the Department before work begins and before final payment is made;

(II) Are completed or supervised by a contractor licensed and bonded in Oregon; and

(III) That steps are taken as prescribed by the Department for protection of the Department's interest through liens or other legally available means.

(iv) The brokerage must obtain written authorization from the owner of a rental structure before any environmental accessibility adaptations are made to the rental structure.

(b) Any goods purchased with support services funds that are not used according to an individual's ISP or according to an agreement securing the state's use may be immediately recovered.

(c) Failure to furnish written documentation upon the written request from the Department, the Oregon Department of Justice Medicaid Fraud Unit, Centers for Medicare and Medicaid Services, or their authorized representatives, immediately or within timeframes specified in the written request, may be deemed reason to recover payments or deny further assistance.

## (9) QUALITY ASSURANCE.

(a) The Policy Oversight Group must develop a Quality Assurance Plan and review the plan at least twice a year. The Quality Assurance Plan must include a written statement of values, organizational outcomes, activities, and measures of progress that:

(A) Uses information from a broad range of individuals, legal or designated representatives, professionals, and other sources to determine community support needs and preferences;

(B) Involves individuals in ongoing evaluation of the quality of their personal supports; and

(C) Monitors:

(i) Customer satisfaction with the services of the brokerage and with individual plans in areas such as individual access to supports, sustaining important personal relationships, flexible and unique support strategies, individual choice and control over supports, responsiveness of the brokerage to changing needs, and preferences of the individuals; and

(ii) Service outcomes in areas such as achievement of personal goals and effective use of resources.

(b) The brokerage must participate in statewide evaluation, quality assurance, and regulation activities as directed by the Department.

## (10) BROKERAGE REFERRAL TO AFFILIATED ENTITIES.

(a) When a brokerage is part of, or otherwise directly affiliated with, an entity that also provides services that an individual may purchase using private or support services funds, brokerage staff may not refer, recommend, or otherwise encourage the individual to utilize this entity to provide services unless:

(A) The brokerage conducts a review of provider options that demonstrates that the entity's services are cost-effective and best-suited to provide the services determined by the individual to be the most effective and desirable for meeting needs and circumstances represented in the individual's ISP; and

(B) The entity is freely selected by the individual and is the clear choice by the individual among all available alternatives.

(b) The brokerage must develop and implement a policy that addresses individual selection of an entity that the brokerage is a part of, or otherwise directly affiliated, to provide services purchased with private or support services funds. This policy must address, at minimum:

(A) Disclosure of the relationship between the brokerage and the potential provider;

(B) Provision of information about all other potential providers to the individual, or as applicable the individual's legal or designated representative, without bias;

(C) A process for arriving at the option for selecting a provider;

(D) Verification of the fact that the providers were freely chosen among all alternatives;

(E) Collection and review of data on services purchased by an individual enrolled in the brokerage by an entity that the brokerage is a part of or otherwise directly affiliated; and

(F) Training of personal agents and individuals in issues related to the selection of providers.

(11) GENERAL OPERATING POLICIES AND PRACTICES. The brokerage must develop and implement such written statements of policy and procedure in addition to those specifically required by this rule as are necessary and useful to enable the brokerage to accomplish the brokerage's objectives and to meet the requirements of these rules and other applicable standards and rules.

### Standards for Independent Providers Paid with Support Services Funds

(1) PERSONAL SUPPORT WORKER QUALIFICATIONS. Each personal support worker must meet the qualifications described in OAR chapter 411, division 375.

(2) INDEPENDENT PROVIDER QUALIFICATIONS. Each independent provider who is paid as a contractor or a self-employed person, who is not a personal support worker, selected to provide the services and supports in OAR 411-340-0130 must:

(a) Be at least 18 years of age;

(b) Have approval to work based on current Department policy and a background check completed by the Department in accordance with OAR 407-007-0200 to 407-007-0370. A subject individual as defined in 407-007-0210 may be approved for one position to work with multiple individuals statewide when the subject individual is working in the same employment role. The Department's Background Check Request form must be completed by the subject individual to show intent to work statewide;

(A) Prior background check approval for another Department provider type is inadequate to meet background check requirements for personal support worker enrollment.

(B) Background check approval is effective for two years from the date a personal support worker is hired or contracted with to provide in-home services, except in the following circumstances:

(i) Based on possible criminal activity or other allegations against the personal support worker, a new fitness determination is conducted resulting in a change in approval status; or

(ii) The background check approval has ended because the Department has inactivated or terminated the provider enrollment for the personal support worker.

(c) Effective July 28, 2009, not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275;

(d) Be legally eligible to work in the United States;

(e) Not be the spouse of an individual receiving services;

(f) Demonstrate by background, education, references, skills, and abilities that he or she is capable of safely and adequately performing the tasks specified in an individual's ISP, with such demonstration confirmed in writing by the individual, or as applicable the individual's legal or designated representative, and including:

(A) Ability and sufficient education to follow oral and written instructions and keep any records required;

(B) Responsibility, maturity, and reputable character exercising sound judgment;

(C) Ability to communicate with the individual; and

(D) Training of a nature and type sufficient to ensure that the provider has knowledge of emergency procedures specific to the individual receiving services.

(g) Hold a current, valid, and unrestricted appropriate professional license or certification where services and supervision requires specific professional education, training, and skill;

(h) Understand requirements of maintaining confidentiality and safeguarding individual information;

(i) Not be on the Office of Inspector General's list of excluded or debarred providers (<http://exclusions.oig.hhs.gov/>); and

(j) If providing transportation, have a valid driver's license and proof of insurance, as well as any other license or certification that may be required under state and local law, depending on the nature and scope of the transportation service.

# ADMINISTRATIVE RULES

(k) Sign a Medicaid provider agreement and be enrolled as a Medicaid provider prior to delivery of any services.

(3) Section (1)(c) of this rule does not apply to employees of individuals, individuals' legal or designated representatives, employees of general business providers, or employees of provider organizations, who were hired prior to July 28, 2009 that remain in the current position for which the employee was hired.

(4) All providers must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and OAR 407-007-0290. The provider must notify the Department or the Department's designee within 24 hours.

(5) **BEHAVIOR CONSULTANTS.** Behavior consultants are not Personal Support Workers. Behavior consultants providing specialized supports must:

(a) Have education, skills, and abilities necessary to provide behavior consultation services, including knowledge and experience in developing Behavior Support Plans based on positive behavioral theory and practice;

(b) Have received at least two days of training in the Oregon Intervention Services Behavior Intervention System, and have a current certificate; and

(c) Submit a resume to the brokerage indicating at least one of the following:

(A) A bachelor's degree in special education, psychology, speech and communication, occupational therapy, recreation, art or music therapy, or a behavioral science field, and at least one year of experience with individuals who present difficult or dangerous behaviors; or

(B) Three years experience with individuals who present difficult or dangerous behaviors and at least one year of that experience includes providing the services of a behavior consultant.

(6) **NURSE.** A nurse providing community nursing services is not a personal support worker. The nurse must:

(a) Have a current Oregon nursing license;

(b) Be enrolled in the Long Term Care Community Nursing Program as described in OAR chapter 411, division 048; and

(c) Submit a resume to the brokerage indicating the education, skills, and abilities necessary to provide nursing services in accordance with state law, including at least one year of experience with individuals.

(7) **DIETICIANS.** Dietitians providing special diets must be licensed according to ORS 691.415 through 691.465.

## 411-340-0170

### Standards for Provider Organizations Paid with Support Services Funds

(1) **PROVIDER ORGANIZATIONS WITH CURRENT LICENSE OR CERTIFICATION.** A provider organization certified, licensed, and endorsed under OAR chapter 411, division 325 for 24-hour residential services, or licensed under OAR chapter 411, division 360 for adult foster homes, or certified and endorsed under OAR chapter 411, division 345 for employment and alternatives to employment services or 411-328-0550 to 411-328-0830 for supported living services, may not require additional certification as an organization to provide relief care, attendant care, skill training, community transportation, or behavior consultation.

(a) Current license, certification, or endorsement is considered sufficient demonstration of ability to:

(A) Recruit, hire, supervise, and train qualified staff;

(B) Provide services according to ISPs; and

(C) Develop and implement operating policies and procedures required for managing an organization and delivering services, including provisions for safeguarding individuals receiving services.

(b) Provider organizations must assure that all people directed by the provider organization as employees, contractors, or volunteers to provide services paid for with support services funds meet the standards for qualification of independent providers described in OAR 411-340-0160.

(c) Provider organizations developing new sites, owned or leased by the provider organization, that are not reviewed as a condition of the current license or certification and where individuals are regularly present and receiving services purchased with support services funds, must meet the conditions of section (2)(f) of this rule in each such site.

(2) **PROVIDER ORGANIZATIONS REQUIRING CERTIFICATION.** A provider organization without a current license or certification as described in section (1) of this rule must be certified as a provider organization according to OAR 411-340-0030 prior to selection for providing the services listed in OAR 411-340-0130 and paid for with support services funds.

(a) The provider organization must develop and implement policies and procedures required for administration and operation in compliance with these rules, including but not limited to:

(A) Policies and procedures required in OAR 411-340-0040, 411-340-0050, 411-340-0070, 411-340-0080, and 411-340-0090 related to abuse and unusual incidents, inspections and investigations, personnel policies and practices, records, and variances.

(B) Individual rights. The provider organization must have, and implement, written policies and procedures that protect the individual rights described in OAR 411-318-0010 and that:

(i) Provide for individual participation in selection, training, and evaluation of staff assigned to provide the individual's services;

(ii) Protect individuals during hours of service from financial exploitation that may include but is not limited to:

(I) Staff borrowing from or loaning money to individuals;

(II) Witnessing wills in which the staff or provider organization is beneficiary; or

(III) Adding the staff member's or provider organization's name to the individual's bank account or other personal property without approval of the individual or the individual's legal representative (as applicable).

(C) Complaints.

(i) Complaints must be addressed in accordance with OAR 411-318-0015.

(ii) The provider organization must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015.

(iii) Upon enrollment, request, and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual.

(D) Policies and procedures appropriate to scope of service, including but not limited to those required to meet minimum standards set forth in subsections (f) to (k) of this section and consistent with written service agreements for individuals currently receiving services.

(b) The provider organization must deliver services according to a written service agreement.

(c) The provider organization must maintain a current record for each individual receiving services. The record must include:

(A) The individual's name, current home address, and home phone number;

(B) A current written service agreement, signed and dated by the individual or the individual's legal or designated representative (as applicable);

(C) Contact information for the individual's legal or designated representative (as applicable) and any other people designated by the individual, or as applicable the individual's legal or designated representative, to be contacted in case of incident or emergency;

(D) Contact information for the brokerage assisting the individual to obtain services; and

(E) Records of service provided, including type of services, dates, hours, and personnel involved.

(d) Staff, contractors, or volunteers who provide services to individuals must meet independent provider qualifications in OAR 411-340-0160. Additionally, those staff, contractors, or volunteers must have current CPR and first aid certification obtained from a recognized training agency prior to working alone with an individual.

(e) The provider organization must ensure that employees, contractors, and volunteers receive appropriate and necessary training.

(f) Provider organizations that own or lease sites, provide services to individuals at those sites, and regularly have individuals present and receiving services at those sites, must meet the following minimum requirements:

(A) A written emergency plan must be developed and implemented and must include instructions for staff and volunteers in the event of fire, explosion, accident, or other emergency including evacuation of individuals served.

(B) Posting of emergency information:

(i) The telephone numbers of the local fire, police department, and ambulance service, or "911" must be posted by designated telephones; and

(ii) The telephone numbers of the provider organization director and other people to be contacted in case of emergency must be posted by designated telephones.

## ADMINISTRATIVE RULES

(C) A documented safety review must be conducted quarterly to ensure that the service site is free of hazards. Safety review reports must be kept in a central location by the provider organization for three years.

(D) The provider organization must train all individuals when the individuals begin attending the service site to leave the site in response to an alarm or other emergency signal and to cooperate with assistance to exit the site.

(i) Each provider organization must conduct an unannounced evacuation drill each month when individuals are present.

(ii) Exit routes must vary based on the location of a simulated fire.

(iii) Any individual failing to evacuate the service site unassisted within the established time limits set by the local fire authority for the site must be provided specialized training or support in evacuation procedures.

(iv) Written documentation must be made at the time of the drill and kept by the provider organization for at least two years following the drill. The written documentation must include:

(I) The date and time of the drill;

(II) The location of the simulated fire;

(III) The last names of all individuals and staff present at the time of the drill;

(IV) The amount of time required by each individual to evacuate if the individual needs more than the established time limit; and

(V) The signature of the staff conducting the drill.

(v) In sites providing services to individuals who are medically fragile or have severe physical limitations, requirements of evacuation drill conduct may be modified. The modified plan must:

(I) Be developed with the local fire authority, the individual or the individual's legal or designated representative (as applicable), and the provider organization director; and

(II) Be submitted as a variance request according to OAR 411-340-0090.

(E) The provider organization must provide necessary adaptations to ensure fire safety for sensory and physically impaired individuals.

(F) At least once every three years, the provider organization must conduct a health and safety inspection.

(i) The inspection must cover all areas and buildings where services are delivered to individuals, including administrative offices and storage areas.

(ii) The inspection must be performed by:

(I) The Oregon Occupational Safety and Health Division;

(II) The provider organization's worker's compensation insurance carrier; or

(III) An appropriate expert such as a licensed safety engineer or consultant as approved by the Department; and

(IV) The Oregon Health Authority, Public Health Division, when necessary.

(iii) The inspection must cover:

(I) Hazardous material handling and storage;

(II) Machinery and equipment used at the service site;

(III) Safety equipment;

(IV) Physical environment; and

(V) Food handling, when necessary.

(iv) The documented results of the inspection, including recommended modifications or changes and documentation of any resulting action taken, must be kept by the provider for five years.

(G) The provider organization must ensure that each service site has received initial fire and life safety inspections performed by the local fire authority or a Deputy State Fire Marshal. The documented results of the inspection, including documentation of recommended modifications or changes and documentation of any resulting action taken, must be kept by the provider for five years.

(H) Direct service staff must be present in sufficient number to meet health, safety, and service needs specified in the individual written agreements of the individuals present. When individuals are present, staff must have the following minimum skills and training:

(i) At least one staff member on duty with CPR certification at all times;

(ii) At least one staff member on duty with current First Aid certification at all times;

(iii) At least one staff member on duty with training to meet other specific medical needs identified in the individual service agreement; and

(iv) At least one staff member on duty with training to meet other specific behavior intervention needs as identified in individual service agreements.

(g) Provider organizations providing services to individuals that involve assistance with meeting health and medical needs must:

(A) Develop and implement written policies and procedures addressing:

(i) Emergency medical intervention;

(ii) Treatment and documentation of illness and health care concerns;

(iii) Administering, storing, and disposing of prescription and non-prescription drugs, including self-administration;

(iv) Emergency medical procedures, including the handling of bodily fluids; and

(v) Confidentiality of medical records;

(B) Maintain a current written record for each individual receiving assistance with meeting health and medical needs that includes:

(i) Health status;

(ii) Changes in health status observed during hours of service;

(iii) Any remedial and corrective action required and when such actions were taken if occurring during hours of service; and

(iv) A description of any restrictions on activities due to medical limitations.

(C) If providing medication administration when an individual is unable to self-administer medications and there is no other responsible person present who may lawfully direct administration of medications, the provider organization must:

(i) Have a written order or copy of the written order, signed by a physician or physician designee, before any medication, prescription or non-prescription, is administered;

(ii) Administer medications per written orders;

(iii) Administer medications from containers labeled as specified per physician written order;

(iv) Keep medications secure and unavailable to any other individual and stored as prescribed;

(v) Record administration on an individualized Medication Administration Record (MAR), including treatments and PRN, or "as needed", orders;

(vi) Not administer unused, discontinued, outdated, or recalled drugs; and

(vii) Not administer PRN psychotropic medication. PRN orders may not be accepted for psychotropic medication.

(D) Maintain a MAR (if required). The MAR must include:

(i) The name of the individual;

(ii) The brand name or generic name of the medication, including the prescribed dosage and frequency of administration as contained on physician order and medication;

(iii) Times and dates the administration or self-administration of the medication occurs;

(iv) The signature of the staff administering the medication or monitoring the self-administration of the medication;

(v) Method of administration;

(vi) Documentation of any known allergies or adverse reactions to a medication;

(vii) Documentation and an explanation of why a PRN, or "as needed", medication was administered and the results of such administration; and

(viii) An explanation of any medication administration irregularity with documentation of a review by the provider organization director.

(E) Provide safeguards to prevent adverse medication reactions, including:

(i) Maintaining information about the effects and side-effects of medications the provider organization has agreed to administer;

(ii) Communicating any concerns regarding any medication usage, effectiveness, or effects to the individual or the individual's legal or designated representative (as applicable); and

(iii) Prohibiting the use of one individual's medications by another individual or person.

(F) Maintain a record of visits to medical professionals, consultants, or therapists if facilitated or provided by the provider organization.

(h) Provider organizations that own or operate vehicles that transport individuals must:

(A) Maintain the vehicles in safe operating condition;

(B) Comply with Department of Motor Vehicles laws;

(C) Maintain insurance coverage on the vehicles and all authorized drivers;

(D) Carry a fire extinguisher and first aid kit in each vehicle; and

(E) Assign drivers who meet applicable Department of Motor Vehicles requirements to operate vehicles that transport individuals.

# ADMINISTRATIVE RULES

(i) If assisting with management of funds, the provider organization must have and implement written policies and procedures related to the oversight of the individual's financial resources that include:

(A) Procedures that prohibit inappropriately expending an individual's personal funds, theft of an individual's personal funds, using an individual's funds for staff's own benefit, commingling an individual's personal funds with the provider organization's or another individual's funds, or the provider organization becoming an individual's legal or designated representative; and

(B) The provider organization's reimbursement to the individual of any funds that are missing due to theft or mismanagement on the part of any staff of the provider organization, or of any funds within the custody of the provider organization that are missing. Such reimbursement must be made within 10 working days of the verification that funds are missing.

(j) Additional standards for assisting individuals to manage difficult behavior.

(A) The provider organization must have, and implement, a written policy concerning behavior intervention procedures. The provider organization must inform the individual, and as applicable the individual's legal or designated representative, of the behavior intervention policy and procedures prior to finalizing the individual's written service agreement.

(B) Any intervention to alter an individual's behavior must be based on positive behavioral theory and practice and must be:

(i) Approved in writing by the individual or the individual's legal or designated representative (as applicable); and

(ii) Described in detail in the individual's record.

(C) Psychotropic medications and medications for behavior must be:

(i) Prescribed by a physician through a written order; and

(ii) Monitored by the prescribing physician for desired responses and adverse consequences.

(k) Additional standards for supports that involve protective physical intervention.

(A) The provider organization must only employ protective physical intervention:

(i) As part of an individual's ISP;

(ii) As an emergency measure, but only if absolutely necessary to protect the individual or others from immediate injury; or

(iii) As a health-related protection prescribed by a physician, but only if necessary for individual protection during the time that a medical condition exists.

(B) Provider organization staff members who need to apply protective physical intervention under an individual's service agreement must be trained by a Department-approved trainer and documentation of the training must be maintained in the staff members' personnel file.

(C) Protective physical intervention in emergency situations must:

(i) Be only used until the individual is no longer a threat to self or others;

(ii) Be authorized by the provider organization director or the individual's physician within one hour of application of the protective physical intervention;

(iii) Result in the immediate notification of the individual's legal or designated representative (as applicable); and

(iv) Prompt a review of the individual's written service agreement, initiated by the provider organization, if protective physical intervention is used more than three times in a six month period.

(D) Protective physical intervention must be designed to avoid physical injury to an individual or others and to minimize physical and psychological discomfort.

(E) All use of protective physical intervention must be documented and reported according to procedures described in OAR 411-340-0040. The report must include:

(i) The name of the individual to whom the protective physical intervention is applied;

(ii) The date, type, and length of time of the application of protective physical intervention;

(iii) The name and position of the person authorizing the use of the protective physical intervention;

(iv) The name of the staff member applying the protective physical intervention; and

(v) Description of the incident.

(l) Additional standards for supports that involve employment services are found in OAR 411-345-0160.

(3) CERTIFICATE ADMINISTRATIVE SANCTION. An administrative sanction may be imposed for non-compliance with these rules. An administrative sanction includes one or more of the following actions:

(a) Conditions;

(b) Denial, revocation, or refusal to renew a certificate; or

(c) Immediate suspension of a certificate.

(4) CERTIFICATE CONDITIONS.

(a) The Department may attach conditions to a certificate that limit, restrict, or specify other criteria for operation of the agency. The type of condition attached to a certificate shall directly relate to a risk of harm or potential risk of harm to individuals. The Department may attach a condition to a certificate upon a finding that:

(A) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of individuals;

(B) A threat to the health, safety, or welfare of an individual exists;

(C) There is reliable evidence of abuse, neglect, or exploitation; or

(D) The agency is not being operated in compliance with these rules.

(b) Conditions that the Department may impose on a certificate include but are not limited to:

(A) Restricting the total number of individuals that may be served;

(B) Restricting the number of individuals allowed within program services based upon the capacity of the agency and staff to meet the health and safety needs of all individuals;

(C) Restricting the support level of individuals allowed within program services based upon the capacity of the agency and staff to meet the health and safety needs of all individuals;

(D) Requiring additional staff or staff qualifications;

(E) Requiring additional training;

(F) Restricting the agency from allowing persons on the premises who may be a threat to an individual's health, safety, or welfare;

(G) Requiring additional documentation; or

(H) Restricting admissions.

(c) NOTICE OF CERTIFICATE CONDITIONS. The Department shall notify the agency in writing of any conditions imposed, the reason for the conditions, and the opportunity to request a hearing under ORS chapter 183. Conditions take effect immediately upon issuance of the notice, or at such later date as indicated on the notice, and shall continue until removed by the Department.

(d) HEARING. The agency may request a contested case hearing in accordance with ORS chapter 183 and this rule upon written notice from the Department of the imposition of conditions.

(A) The agency must request a hearing within 21 days of receipt of the Department's written notice of certificate conditions.

(B) In addition to, or in-lieu of a hearing, an agency may request an administrator review as described in section (7) of this rule. The administrator review does not diminish an agency's right to a hearing.

(e) The agency may send a written request to the Department to remove a condition if the agency believes the situation that warranted the condition has been remedied.

(5) CERTIFICATE DENIAL, REFUSAL TO RENEW, OR REVOCATION.

(a) The Department may deny, refuse to renew, or revoke a certificate when the Department finds the agency, or any person holding 5 percent or greater ownership interest in the agency:

(A) Demonstrates substantial failure to comply with these rules or the corresponding program services rules such that the health, safety, or welfare of individuals is jeopardized and the agency fails to correct the non-compliance within 30 calendar days of receipt of written notice of non-compliance;

(B) Has demonstrated a substantial failure to comply with these rules or the corresponding program services rules such that the health, safety, or welfare of individuals is jeopardized;

(C) Has been convicted of any crime that would have resulted in an unacceptable background check upon hiring or authorization of service;

(D) Has been convicted of a misdemeanor associated with the operation of an agency or program services;

(E) Falsifies information required by the Department to be maintained or submitted regarding individual services, program services finances, or individuals' funds;

(F) Has been found to have permitted, aided, or abetted any illegal act that has had significant adverse impact on individual health, safety, or welfare; or

(G) Has been placed on the current Centers for Medicare and Medicaid Services list of excluded or debarred providers.

(b) NOTICE OF CERTIFICATE DENIAL, REVOCATION, OR REFUSAL TO RENEW. The Department may issue a notice of denial, refusal to renew, or revocation of the certificate following a Department finding that there is a substantial failure to comply with these rules or such

# ADMINISTRATIVE RULES

that the health, safety, or welfare of individuals is jeopardized, or that one or more of the events listed in subsection (a) of this section has occurred.

(c) HEARING. An applicant for a certificate or a certified agency, as applicable, may request a contested case hearing in accordance with ORS chapter 183, this rule, and 443.440 for 24-hour residential services, upon written notice from the Department of denial, refusal to renew, or revocation of the certificate.

(A) DENIAL. The applicant must request a hearing within 60 days of receipt of the Department's written notice of denial.

(B) REFUSAL TO RENEW. The agency must request a hearing within 60 days of receipt of the Department's written notice of refusal to renew.

(C) REVOCATION. The agency must request a hearing within 21 days of receipt of the Department's written notice of revocation. In addition to, or in-lieu of a hearing, the agency may request an administrator review as described in section (7) of this rule. The administrator review does not diminish the agency's right to a hearing.

## (6) IMMEDIATE SUSPENSION OF CERTIFICATE.

(a) When the Department finds a serious and immediate threat to individual health and safety and sets forth the specific reasons for such findings, the Department may, by written notice to the agency, immediately suspend a certificate without a pre-suspension hearing and the agency may not continue operation.

(b) HEARING. The agency may request a contested case hearing in accordance with ORS Chapter 183 and this rule upon written notice from the Department of the immediate suspension of the certificate.

(A) The agency must request a hearing within 21 days of receipt of the Department's written notice of suspension.

(B) In addition to, or in-lieu of a hearing, the agency may request an administrator review as described in section (7) of this rule. The administrator review does not diminish the agency's right to a hearing.

## (7) ADMINISTRATOR REVIEW.

(a) The agency, in addition to the right to a contested case hearing, may request an administrator review by the Department's Director or designee.

(b) The request for administrator review must be received by the Department within 10 days from the date of the Department's notice of suspension, revocation, or imposition of conditions. The agency may submit, along with the request for administrator review, any additional written materials the agency wishes to have considered during the administrator review.

(c) The Department shall conduct the administrator review and issue a decision within 10 days from the date of receipt of the request for administrator review, or by a later date as agreed to by the agency.

(d) If the decision of the Department is to affirm the suspension, revocation, or condition, the agency may appeal the decision to a contested case hearing as long as the request for a contested case hearing was received by the Department within 21 days of the original written notice of suspension, revocation, or imposition of conditions.

(8) INFORMAL CONFERENCE. After the Department has received a request for hearing, the Department shall offer the applicant or the agency an opportunity for an informal conference unless an administrator review has been completed as described in section (7) of this rule.

**Rules Suspended:** 411-345-0100

**Subject:** The Department of Human Services (Department) is immediately updating the rules in OAR chapter 411, division 345 for employment and day support activities for adults with intellectual or developmental disabilities to reflect the following:

- Alignment with Oregon Administrative Rules 407-025-0000 through 407-025-0120, Executive Order No.13-04, and Oregon's "Employment First" policy;

- Alignment with the 1915(c) Home and Community Based Services waivers and the services available under the waivers;

- Alignment with the Executive Order by outlining the requirements for the Career Development Plan completed as a part of the annual ISP;

- Recognizing changes to provider types who may deliver the employment and day support activities;

- Changes in the funding authority for non-employment services from the 1915(c) Home and Community Based Services waiver to the 1915(k) Community First Choice state plan amendment; and

- Alignment of provider qualifications and requirements with Oregon Administrative Rules 407-025-0000 through 407-025-0120 and Executive Order No. 13-04.

The rules have been amended in the following ways:

- Change title of Alternatives to Employment to Day Support Activities;

- OAR 411-345-0020 is being amended to incorporate the general definitions in OAR 411-317-0000 and to update the definitions relating to employment and day support services, provider types, and service descriptions;

- OAR 411-345-0027 describes who is eligible to receive services as described in these rules. Assures employment services are only available to individuals who are eligible for OSIPM;

- OAR 411-345-0030 describes updates to provider requirements consistent with the 1915(c) Home and Community Based Services waiver. It updates qualifications by service type and incorporates new provider types;

- OAR 411-345-0050 and 411-345-0090 are updated due to the inclusion of independent provider types and to clarify these rules do not apply to them;

- OAR 411-345-0080 is added to assure adequate documentation of services is kept by service providers;

- OAR 411-345-0095 incorporates limits to employment services as described in the 1915(c) Home and Community Based Services waivers;

- OAR 411-345-0100 is being suspended due to substantially similar requirements being added to OAR 411-345-0030;

- OAR 411-345-0110 and 411-345-0130 are being amended to account for the adoption of rules in OAR chapter 411, division 318 and to recognize the authority of that rule in matters of complaints, individual rights, Notification of Planned Action, and hearings;

- OAR 411-345-0140 is updated:

Due to the inclusion of independent provider types;

To clarify that these rules do not apply to them and due to eligibility language being moved to OAR 411-345-0027; and

To account for the adoption of rules in OAR chapter 411, division 318 and to recognize the authority of that rule in matters of appeals.

- OAR 411-345-0160 is amended to require and describe a Career Development Plan; and

- OAR 411-345-0170, 411-345-0180, 411-345-0190, 411-345-0200, 411-345-0230, 411-345-0240, 411-345-0250, 411-345-0260, and 411-345-0270 are being amended due to the presence of an allowable agency provider type that may provide employment and day support activities that is not certified under these rules. The changes clarify that these rules only apply to agencies certified under them.

## 411-345-0010

### Statement of Purpose

(1) These rules, OAR 411-345-0010 through 411-315-0270, effectuate Oregon's Employment First policy under which the employment of

# ADMINISTRATIVE RULES

individuals with developmental disabilities in fully integrated work settings is the highest priority over unemployment, segregated employment, day support activities, or other non-work day activities.

(2) For those who successfully achieve the goal of integrated employment, future service planning focuses on maintaining employment or considering additional career or advancement opportunities.

(3) Employment Services are specifically addressed in the Individual Support Plan (ISP) and are considered and provided using a person-centered approach based on informed choice and consistent with the philosophy of self-determination.

(4) These rules prescribe service standards and requirements for providing employment services and day support activities, and the qualifications and requirements for eligibility for those services, for adults with intellectual or developmental disabilities. These rules also prescribe the standards and procedures by which the Department endorses agency service providers to provide employment services and day support activities.

## 411-345-0020

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 345:

(1) "Abuse" means "abuse of an adult" as defined in OAR 407-045-0260.

(2) "ADL" means "activities of daily living". ADL are basic personal everyday activities, such as eating, using the restroom, grooming, dressing, bathing, and transferring.

(3) "Adult" means an individual who is 18 years or older with an intellectual or developmental disability.

(4) "Agency Service Provider" means a public or private community agency or organization that provides recognized developmental disability services and is certified by the Department to provide services under these rules and is endorsed under these rules or the rules in OAR chapter 411, division 323.

(5) "Attendant Care" means assistance with ADL, IADL, and health-related tasks through cueing, monitoring, reassurance, redirection, set-up, hands-on, standby assistance, and reminding as described in OAR 411-345-0025.

(6) "Brokerage" means "brokerage" as defined in OAR 411-340-0020.

(7) "Career Development Plan" means the part of an ISP that identifies the employment goals and objectives for an individual, the services and supports needed to achieve those goals, the people, agencies, and providers assigned to assist the individual to attain those goals, the obstacles to the individual working in an individualized job in an integrated employment setting, and the services and supports necessary to overcome those obstacles.

(8) "CDDP" means "community developmental disability program" as defined in OAR 411-320-0020.

(9) "Certificate" means the document issued by the Department to an agency service provider that certifies the service provider is eligible under these rules or the rules in OAR chapter 411, division 323 to receive state funds for the provision of endorsed employment services and day support activities.

(10) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, service providers, services, and service settings. Personal outcomes, goals, and activities are supported in the context of balancing the rights, risks, and personal choices of the individual. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated orally, through sign language, or by other communication methods.

(11) "Collective Bargaining Agreement" means the Collective Bargaining Agreement between the Home Care Commission and the Service Employee's International Union, Local 503, Oregon Public Employees' Union regarding wages, hours, rules, and working conditions.

(12) "Day Supports Activities":

(a) Means an organized set of attendant care, ADL, or IADL skills training activities provided by a provider organization that support an individual to socialize and engage in community integration:

(A) Support with socialization includes assisting an individual in acquiring, retaining, and improving self-awareness and self-control, social responsiveness, social amenities, and interpersonal skills.

(B) Support for community integration includes those supports necessary to allow an individual to engage in recreation or leisure activities. The support includes assisting individuals in acquiring, retaining, and improving skills to use available community resources, facilities, or businesses. Support for community integration does not include the cost of recreation or leisure activities.

(b) Day support activities are available through the Community First Choice state plan amendment.

(13) "Department" means the Department of Human Services.

(14) "Designated Representative" means any adult, such as a parent, family member, guardian, advocate, or other person authorized in writing by an individual to serve as the representative of the individual in connection with the provision of funded supports, who is not also a paid provider for the individual. An individual is not required to appoint a designated representative.

(15) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(16) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services, or the designee of the Director.

(17) "Discovery and Career Exploration" is a person-centered, comprehensive, employment planning and support service that provides assistance for individuals to obtain, maintain, or advance in a competitive, customized, or self-employment setting.

(18) "Discovery Profile" means a report, meeting requirements established by the Department, produced as an outcome of discovery and career exploration, representing an individual and providing information to better inform employment service planning and job development activities. The discovery profile includes information about the strengths, interests, abilities, skills, experiences, and support needs of the individual as well as information about conditions and settings for the success of the individual.

(19) "Employment Path Services" mean services to provide learning and work experiences, including volunteer opportunities, for an individual to develop general, non-job-task-specific strengths, and skills that contribute to employability in paid employment in integrated community settings.

(20) "Employment Services" mean any services that has the employment of individuals as the primary goal, including individual supported employment (job development or job coaching), small group supported employment, discovery and career exploration, and employment path services. Employment services do not include vocational assessments in sheltered workshops. Employment services are home and community-based waiver services.

(21) "Employment Specialist" means an employee of an independent provider or an employee of an agency service provider who has specific qualifications and training to provide employment services under these rules, including supported employment - individual employment support (job coaching and job development), supported employment - small group supported employment, employment path, or discovery and career exploration.

(22) "Endorsement" means the authorization to provide employment services and day support activities issued by the Department to a certified service provider agency that has met the qualification criteria outlined in these rules and the rules in OAR chapter 411, division 323.

(23) "Entry" means admission to a Department-funded developmental disability service offered by an agency provider.

(24) "Evidence-Based Practices" means well-defined best practices, which have been demonstrated to be effective by multiple peer-reviewed research studies that are specific to the relevant population or subset of that population.

(25) "Executive Director" means the person designated by a board of directors or corporate owner of an agency service provider who is responsible for the administration of agency provided employment services and day support activities.

(26) "Exit" means termination or discontinuance of a Department-funded developmental disability service offered by an agency provider.

(27) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning; and

(B) Identifies risk factors, choices and preferences, service and support needs, strengths, and goals.

## ADMINISTRATIVE RULES

(b) The functional needs assessment may be the Adult Needs Assessment (ANA), Support Needs Assessment Profile (SNAP), or Supports Intensity Scale (SIS).

(A) The Department incorporates Version B of the ANA dated July 1, 2014 into these rules by this reference. The ANA is maintained by the Department at: [www.dhs.state.or.us/spd/tools/dd/cm/ANA\\_Adult\\_In-home.xls](http://www.dhs.state.or.us/spd/tools/dd/cm/ANA_Adult_In-home.xls).

(B) The Department incorporates the SNAP into these rules by this reference. The SNAP is maintained by the Department at <http://www.oregon.gov/dhs/dd/rebar/pages/assess-afc.aspx>.

(C) The Department incorporates the SIS into these rules by this reference.

(c) Printed copies may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rule Coordinator, 500 Summer Street NE, Salem, OR 97301.

(28) "IADL" means "instrumental activities of daily living". IADL include activities other than ADL required to continue independent living such as:

- (a) Meal planning and preparation;
- (b) Budgeting;
- (c) Shopping for food, clothing, and other essential items;

(29) "Important for an Individual" means the areas of the life of an individual that relate to being healthy, safe, and a valued member of the community.

(30) "Important to an Individual" means the perspective of an individual on the people, places, and things the individual likes, personal values, spirituality, and a sense of self. This is learned by listening to what is being said by words or actions. When there is a conflict between words and actions, actions are considered first.

(31) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving an individual.

(32) "Independence" means the extent to which an individual exerts control and choice over his or her own life.

(33) "Independent Provider" means a person selected by an individual, or as applicable the legal or designated representative of the individual, acting in the role of an independent contractor or self-employed person authorized to provide services for the individual based upon the ISP for the individual. Services provided by an independent provider do not require Department certification and endorsement.

(34) "Individual" means an adult with an intellectual or developmental disability applying for, or determined eligible for, developmental disability services.

(35) "Integrated Employment Setting" means an employment setting that allows an individual to interact with non-disabled people in a typical community work environment, including self-employment or business models. An integrated employment setting may include a group enclave or a mobile crew that allows an individual to interact with non-disabled people in the employment setting. An integrated employment setting does not mean facility-based work in a sheltered workshop or non-work activities.

(36) "Integration" as defined in ORS 427.005 means:

(a) The use by individuals with an intellectual or developmental disabilities of the same community resources used by and available to other people;

(b) Participation by individuals with intellectual or developmental disabilities in the same community activities in which people without an intellectual or developmental disability participate, together with regular contact with people without an intellectual or developmental disability; and

(c) Individuals with intellectual or developmental disabilities reside in homes or home-like settings that are in proximity to community resources and foster contact with people in the community.

(37) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(38) "Involuntary Transfer" means an agency service provider has made the decision to transfer an individual to be served at another site and the individual, or as applicable the legal or designated representative of the individual, has not given prior approval.

(39) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering.

The ISP reflects the services and supports that are important for the individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for service providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, state plan, or natural supports.

(40) "ISP Action Plan" means the written documentation of the commitment of an ISP team in supporting an individual to resolve or improve particular aspects of the life of the individual. An ISP Action Plan identifies the necessary measurable steps to be taken, who is accountable for assuring implementation, and timelines for completion.

(41) "ISP Meeting" means an annual meeting facilitated by a services coordinator or personal agent and attended by the ISP team. The purpose of the ISP meeting is to determine the needs of an individual, coordinate services and training, and develop the ISP for the individual.

(42) "ISP Team" means a team composed of an individual receiving services, the legal or designated representative of an individual (as applicable), services coordinator or personal agent, and others chosen by the individual or the legal or designated representative of the individual, such as service providers and family members.

(43) "Job Coaching" means initial and on-going identification and delivery of services and support for individuals working in an individualized job in an integrated setting and earning or working toward earning minimum wage. Job coaching may also include identification and delivery of services and supports that assist the individual in maintaining self-employment.

(44) "Job Development" means support for an individual to obtain job placement in an integrated setting in the general workforce or support for an individual to identify potential self-employment business opportunities.

(45) "Legal Representative" means an attorney at law who has been retained by or for an individual, a power of attorney for an individual, or a person or agency authorized by a court to make decisions about services for an individual.

(46) "Mandatory Reporter" means any public or private official as defined in OAR 407-045-0260 who, while acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult. Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, or attorney is not required to report if the communication is privileged under 40.225 to 40.295.

(47) "Medicaid Agency Identification Number" means the numeric identifier assigned by the Department to a service provider following the enrollment of the service provider as described in OAR chapter 411, division 370.

(48) "Medicaid Performing Provider Number" means the numeric identifier assigned to an entity or person by the Department following enrollment to deliver Medicaid funded services as described in OAR chapter 411, division 370. The Medicaid Performing Provider Number is used by the rendering service provider for identification and billing purposes associated with service authorizations and payments.

(49) "OHP Plus" means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b).

(50) "OIS" means "Oregon Intervention System". OIS is the system of providing training to people who work with designated individuals to provide elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques that are used to maintain health and safety.

(51) "OSIP-M" means "Oregon Supplemental Income Program-Medical" as described in OAR 461-001-0030. OSIP-M is Oregon Medicaid insurance coverage for individuals who meet the eligibility criteria described in OAR chapter 461.

(52) "Person-Centered Planning":

(a) Means a timely and formal or informal process that is driven by an individual, includes people chosen by the individual, ensures that the individual directs the process to the maximum extent possible, and that the individual is enabled to make informed choices and decisions consistent with CFR 441.540.

(b) Person centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, service providers, and lifestyle preferences;

# ADMINISTRATIVE RULES

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(53) "Personal Agent" means "personal agent" as defined in OAR 411-340-0020.

(54) "Personal Support Worker" means "personal support worker" as defined in OAR 411-375-0010.

(56) "Productivity" as defined in ORS 427.005 means:

(a) Regular engagement in income producing work, preferably competitive employment with supports and accommodations to the extent necessary, by an individual with an intellectual or developmental disability, which is measured through improvements in income level, employment status, or job advancement; or

(b) Engagement by an individual with an intellectual or developmental disability in work contributing to a household or community.

(57) "Protection" means the necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of an individual.

(58) "Protective Physical Intervention" means any manual physical holding of, or contact with, an individual that restricts freedom of movement.

(59) "Psychotropic Medication" means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(60) "Self-Determination" means a philosophy and process by which an individual is empowered to gain control over the selection of services that meets the needs of the individual. The basic principles of self-determination are:

(a) Freedom. The ability for an individual, together with freely chosen family, friends, and professionals, to plan for employment beyond the parameters of a predefined program;

(b) Authority. The ability for an individual, together with the ISP team, to declare a chosen employment path and to plan supports accordingly;

(c) Autonomy. Planning for and accessing resources that support an individual to seek employment; and

(d) Responsibility. The acceptance of a valued role of an individual in the community through employment, organizational affiliations, personal development, and general caring for others in the community, as well as accountability for spending public dollars in ways that are life-enhancing for the individual.

(61) "Service Provider" means:

(a) An agency service provider as defined by these rules;

(b) An independent provider, as defined by these rules, qualified to provide services under these rules; or

(c) A personal support worker as defined in OAR 411-375-0010, qualified to provide services under these rules.

(62) "Services Coordinator" means "services coordinator" as defined in OAR 411-320-0020.

(63) "Sheltered Workshop" means a facility-based service that congregates more than eight adults with intellectual or developmental disabilities. Sheltered workshops are operated by service provider entities. In general, a sheltered workshop employs only individuals with intellectual or developmental disabilities except for service support staff.

(64) "Situational Assessment" means an assessment that maintains the qualities of a vocational assessment but is administered on-site in an integrated employment setting, where an individual is evaluated in the performance of work activities typical to the setting where the assessment is administered.

(65) "Skills Training" means the activities described in OAR 411-345-0025 that are intended to maximize the independence of an individual through training, coaching, and prompting the individual to accomplish ADL and IADL.

(66) "Staff" means paid employees of agencies responsible for providing supports or services to individuals for which payment is made through the Department.

(67) "Support" means the assistance that an individual requires, solely because of the affects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(68) "Support Services" means "support services" as defined in OAR 411-340-0020.

(69) "Supported Employment - Individual Employment Support" means services for individuals who need on-going support to obtain and maintain a job in an integrated competitive, customized, or self-employment (including home-based) setting in the general workforce.

(70) "Supported Employment - Small Group Employment Support" means services and training activities provided in regular business, industry, and community settings for groups of two to eight individuals with disabilities. Examples include mobile crews and other business-based workgroups. Supported employment - small group employment support is provided in a manner that promotes integration into the workplace and interaction between participants and people without disabilities in those workplaces.

## 411-345-0025

### Services Provided

(1) Employment is the preferred activity for individuals receiving services under these rules. Employment in fully integrated work settings is the highest priority over unemployment, segregated or sheltered employment, or other non-work day activities.

(2) The delivery of employment services provided under these rules presumes all individuals eligible for services are capable of working in an integrated employment setting and earning at least minimum wage.

(3) Consistent with the person-centered approach to these services, individuals accessing employment services under these rules must be encouraged, on an ongoing basis, to explore their interests, strengths, and abilities relating to employment or career advancement.

(4) Employment services have an optimal and expected outcome of sustained paid employment and work experience leading to further career development and individual integrated employment for which an individual is compensated at or above the state's minimum wage, with a goal of not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals without disabilities.

(5) Employment services are provided under these rules in accordance with the State of Oregon Executive Order No. 13-04 and Oregon Administrative Rules 407-025-0000 to 407-025-0120.

(6) Employment services must be evidence-based where evidence-based practices have been identified.

(7) Employment services must be:

## ADMINISTRATIVE RULES

(a) Offered to eligible adult individuals in accordance with OAR 411-345-0140;

(b) Provided to eligible adult individuals under the authorization of an ISP in accordance with OAR 411-345-0160;

(c) Offered in accordance with OAR 411-345-0140, when services are provided by an agency service provider;

(d) Provided in a non-residential setting, unless an individual is operating a home-based business;

(e) Provided in the most integrated employment setting appropriate to the individual's needs, consistent with the choice of the individuals regarding services, providers, and goals; and

(f) Designed to:

(A) Increase an individual's independence, integration, and productivity;

(B) Promote an individual's integration into the workforce and workplace;

(C) Promote interaction with people without disabilities; and

(D) Support successful employment outcomes consistent with the individual's personal and career goals.

(8) Employment services do not include:

### Variances for Agency Providers

(1) The Department may grant a variance to these rules based upon a demonstration by an agency service provider that an alternative method or different approach provides equal or greater program effectiveness and

# ADMINISTRATIVE RULES

does not adversely impact the welfare, health, safety, or rights of individuals.

(2) The agency service provider requesting a variance must submit, in writing, an application to the CDDP that contains the following:

- (a) The section of the rule from which the variance is sought;
- (b) The reason for the proposed variance;
- (c) The alternative practice, service, method, concept, or procedure proposed; and

(d) If the variance applies to an individual's services, evidence that the variance is consistent with an individual's currently authorized ISP.

(3) The CDDP must forward the signed variance request form to the Department within 30 days of receipt of the request for variance indicating the CDDP's position on the proposed variance.

(4) The Department shall approve or deny the request for a variance.

(5) The Department's decision shall be sent to the service provider, the CDDP, and to all relevant Department programs or offices within 30 calendar days of the receipt of the variance request.

(6) The service provider may appeal the denial of a variance, within 10 working days of the denial, by sending a written request for review to the Director and a copy of the request to the CDDP. The Director's decision is final.

(7) The Department shall determine the duration of the variance.

(8) The service provider may implement a variance only after written approval from the Department.

### Service and Payment Limitations

(1) Effective service rates as authorized in Department payment and reporting systems for individuals enrolled in employment and day support activities and paid to service providers for delivering employment or day support activities, as described in these rules, shall be based upon collective bargaining agreement or an agency fee schedule published by the Department.

(2) Only one service may be billed per individual per hour. Payments based on an outcome are not in conflict with payments made based on direct service delivery.

(3) Employment Services and payment for employment service are limited to:

(a) 25 hours per week or 108.3 hours per month, on average, for any combination of Job Coaching, Small Group Employment Support, and Employment Path services;

(b) Forty (40) hours in any one week for Job Coaching; and

(c) If an individual is utilizing less than 25 hours of Job Coaching in any one week, Employment Services may be combined with Small Group Employment Support and Employment Path Services so long as the combination of services does not exceed 25 hours per week or 108.3 hours per month on average.

(4) Exceptions to the service and payment limitations may be considered by the Department based upon applicable Department policy.

### Individual Rights

(1) The agency must have and implement written policies and procedures that protect the individual rights described in subsection (4) of this section.

(2) Upon enrollment, request, and annually thereafter, the individual rights described in subsection (4) of this section must be provided to an individual and the legal or designated representative of an individual.

(3) The individual rights described in this rule apply to all individuals eligible for or receiving developmental disability services. A parent or guardian may place reasonable limitations on the rights of a child.

(4) While receiving developmental disability services, an individual has the right to:

(a) Be free and protected from abuse or neglect and to report any incident of abuse or neglect without being subject to retaliation;

(b) Be free from seclusion, unauthorized training or treatment, protective physical intervention, chemical restraint, or mechanical restraint and assured that medication is administered only for the clinical needs of the individual as prescribed by a health care provider, unless an imminent risk of physical harm to the individual or others exists and only for as long as the imminent risk continues;

(c) Individual choice for an adult to consent to or refuse treatment, unless incapable and then an alternative decision maker must be allowed to consent to or refuse treatment for the adult. For a child, the parent or guardian of the child must be allowed to consent to or refuse treatment, except as described in ORS 109.610 or limited by court order;

(d) Informed, voluntary, written consent prior to receiving services, except in a medical emergency or as otherwise permitted by law;

(e) Informed, voluntary, written consent prior to participating in any experimental programs;

(f) A humane service environment that affords reasonable protection from harm, reasonable privacy in all matters that do not constitute a documented health and safety risk to the individual, and access and the ability to engage in private communications with any public or private rights protection program, services coordinator, and others chosen by the individual, through personal visits, mail, telephone, or electronic means;

(g) Contact and visits with legal and medical professionals, legal or designated representatives, family members, friends, advocates, and others chosen by the individual, except where prohibited by court order;

(h) Participate regularly in the community and use community resources, including recreation, developmental disability services, employment services and day support activities, school, educational opportunities, and health care resources;

(i) Access to a free and appropriate public education for children and adults less than 21 years of age, including a procedure for school attendance or refusal to attend.

(j) Reasonable and lawful compensation for performance of labor, except personal housekeeping duties;

(k) Manage the individual's own money and financial affairs unless the right has been taken away by court order or other legal procedure;

(l) Keep and use personal property, personal control and freedom regarding personal property, and a reasonable amount of personal storage space;

(m) Adequate food, housing, clothing, medical and health care, supportive services, and training;

(n) Seek a meaningful life by choosing from available services, service settings, and service providers consistent with the support needs of the individual identified through a functional needs assessment, and enjoying the benefits of community involvement and community integration.

# ADMINISTRATIVE RULES

(A) Services must promote independence and dignity and reflect the age and preferences of the individual; and

(B) The services must be provided in a setting and under conditions that are most cost effective and least restrictive to the liberty of the individual, least intrusive to the individual, and that provide for self-directed decision-making and control of personal affairs appropriate to the preferences, age, and identified support needs of the individual;

(o) An individualized written plan for services created through a person-centered planning process, services based upon the plan, and periodic review and reassessment of service needs;

(p) Ongoing opportunity to participate in the planning of services in a manner appropriate to the capabilities of the individual, including the right to participate in the development and periodic revision of the plan for services, the right to be provided with a reasonable explanation of all service considerations through choice advising, and the right to invite others chosen by the individual to participate in the plan for services;

(q) Request a change in the plan for services;

(r) A timely decision upon request for a change in the plan for services;

(s) Advance written notice of any action that terminates, suspends, reduces, or denies a service or request for service, and notification of other available sources for necessary continued services;

(t) A hearing to challenge an action that terminates, suspends, reduces, or denies a service or request for service;

(u) Exercise all rights set forth in ORS 426.385 and 427.031 if the individual is committed to the Department;

(v) Be informed at the start of services and annually thereafter of the rights guaranteed by this rule, the contact information for the protection and advocacy system described in ORS 192.517(1), the procedures for reporting abuse, and the procedures for filing complaints, reviews, or requests for hearings if services have been or are proposed to be terminated, suspended, reduced, or denied;

(w) Have these rights and procedures prominently posted in a location readily accessible to individuals and made available to representatives of the individual;

(x) Be encouraged and assisted in exercising all legal, civil, and human rights accorded to other citizens of the same age, except when limited by a court order;

(y) Be informed of, and have the opportunity to assert complaints as described in OAR 411-318-0015 with respect to infringement of the rights described in this rule, including the right to have such complaints considered in a fair, timely, and impartial complaint procedure without any form of retaliation or punishment; and

(z) Freedom to exercise all rights described in this rule without any form of reprisal or punishment.

(5) The rights described in this rule are in addition to, and do not limit, all other statutory and constitutional rights that are afforded all citizens, including but not limited to the right to exercise religious freedom, vote, marry, have or not have children, own and dispose of property, and enter into contracts and execute documents, unless specifically prohibited by law in the case of children less than 18 years of age.

(6) An individual who is receiving developmental disability services, or as applicable a legal or designated representative of the individual, has the right under ORS 430.212 to be informed that a family member has contacted the Department to determine the location of the individual and to be informed of the name and contact information of the family member, if known.

(7) The rights described in this rule may be asserted and exercised by an individual, the legal representative of an individual, and any representative designated by an individual.

(8) Nothing in this rule may be construed to alter any legal rights and responsibilities between a parent and child.

(9) A guardian is appointed for an adult only as is necessary to promote and protect the well-being of the adult. A guardianship for an adult must be designed to encourage the development of maximum self-reliance and independence of the adult, and may be ordered only to the extent necessitated by the actual mental and physical limitations of the adult. An adult for whom a guardian has been appointed is not presumed to be incompetent. An adult with a guardian retains all legal and civil rights provided by law, except those that have been expressly limited by court order or specifically granted to the guardian by the court. Rights retained by the adult include, but are not limited to, the right to contact and retain counsel and to have access to personal records. (ORS 125.300).

### Entry, Exit, and Transfer Requirements for Agency Service Providers

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, national origin, gender, religion, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) ENTRY. For individuals who receive case management from a CDDP an entry ISP team meeting must be conducted prior to the initiation of services for an individual.

(a) A service provider must acquire the following information prior to or upon an individual's entry ISP team meeting:

(A) A copy of the individual's eligibility determination document;

(B) A statement indicating the individual's safety skills, including the individual's ability to evacuate from a building when warned by a signal device;

(C) A brief written history of any behavioral challenges, including supervision and support needs;

(D) Documentation of the individual's current physical condition, including any physical limitations that may affect employment;

(E) Documentation of any guardianship, conservatorship, health care representation, or any other legal restriction on the rights of the individual (if applicable); and

(F) A copy of the individual's most recent ISP (if applicable) and CDP (if applicable).

(b) The findings of the entry meeting must be recorded in the individual's file and include at a minimum:

(A) The name of the individual proposed for services;

(B) The date of the meeting;

(C) The date determined to be the individual's date of entry;

(D) Documentation of the participants included in the meeting;

(E) Documentation as required by OAR 411-345-0190 and 411-345-0200;

(F) Documentation of the pre-entry information required by subsection (a) of this section;

(G) Documentation of the proposed Transition Plan for services to be provided;

(H) Documentation of the type of employment or day support activities service the individual is to receive; and

(I) Documentation of the decision to serve the individual requesting services.

(3) VOLUNTARY TRANSFERS AND EXITS.

(a) An agency service provider must promptly notify an individual's services coordinator or personal agent if an individual, or as applicable the individual's legal or designated representative, gives notice of the individual's intent to exit services or the individual abruptly exits services.

(b) A service provider must notify an individual's services coordinator or personal agent prior to an individual's voluntary transfer or exit from services.

(c) Notification and authorization of an individual's voluntary transfer or exit must be documented in the individual's record.

# ADMINISTRATIVE RULES

(d) Before a transfer, an individual must be presented with at least three appropriate placement setting options, including at least two different types of settings, as described in OAR 411-320-0110.

## (4) INVOLUNTARY TRANSFERS AND EXITS.

(a) An agency service provider must only transfer or exit an individual involuntarily for one or more of the following reasons:

(A) The individual's behavior poses an imminent risk of danger to self or others;

(B) The individual experiences a medical emergency;

(C) The individual's service needs exceed the ability of the service provider;

(D) The individual fails to pay for services; or

(E) The service provider's certification or endorsement described in OAR chapter 411, division 323 is suspended, revoked, not renewed, or voluntarily surrendered.

(b) NOTICE OF INVOLUNTARY TRANSFER OR EXIT. An agency service provider must not transfer or exit an individual involuntarily without 30 days advance written notice to the individual, the individual's legal or designated representative (as applicable), and the services coordinator or personal agent, except in the case of a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others as described in subsection (c) of this section.

(A) The written notice must be provided on the Notice of Involuntary Transfer or Exit form approved by the Department and include:

(i) The reason for the transfer or exit; and

(ii) The individual's right to a hearing as described in subsection (d) of this section.

(B) A notice is not required when an individual, or as applicable the individual's legal or designated representative, requests a transfer or exit.

(c) An agency service provider may give less than 30 days advanced written notice only in a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others. The notice must be provided to the individual, the individual's legal or designated representative (as applicable), and the services coordinator or personal agent immediately upon determination of the need for a transfer or exit.

(d) HEARING RIGHTS. An individual must be given the opportunity for a hearing under ORS cChapter 183 to dispute an involuntary transfer or exit as described in OAR 411-318-0030. If an individual or the legal or designated representative of the individual (as applicable) requests a hearing, the individual must receive the same services until the hearing is resolved. When an individual has been given less than 30 days advance written notice of a transfer or exit as described in subsection (c) of this section and the individual or the legal or designated representative of the individual (as applicable) has requested a hearing, the service provider must reserve service availability for the individual until receipt of the final order.

## (5) EXIT MEETING.

(a) An individual's ISP team must meet before any decision is made to exit services. Findings of such a meeting must be recorded in the individual's file and include at a minimum:

(A) The name of the individual considered for exit;

(B) The date of the meeting;

(C) Documentation of the participants included in the meeting;

(D) Documentation of the circumstances leading to the proposed exit;

(E) Documentation of the discussion of the strategies to prevent the individual's exit from services (unless the individual, or as applicable the individual's legal or designated representative, is requesting the exit);

(F) Documentation of the decision regarding the individual's exit, including verification of the voluntary decision to transfer or exit or a copy of the Notice of Involuntary Transfer or Exit; and

(G) Documentation of the proposed plan for services for the individual after the exit.

(b) Requirements for an exit meeting may be waived if an individual is immediately removed from services under the following conditions:

(A) The individual, or as applicable the individual's legal or designated representative, requests an immediate removal from services; or

(B) The individual is removed by legal authority acting pursuant to civil or criminal proceedings.

(6) TRANSFER MEETING. An individual's ISP team must meet to discuss any proposed transfer of an individual from one agency site to another before any decision to transfer is made. Findings of such a meeting must be recorded in the individual's file and include at a minimum:

(a) The name of the individual considered for transfer;

(b) The date of the meeting or telephone call;

(c) Documentation of the participants included in the meeting or telephone call;

(d) Documentation of the circumstances leading to the proposed transfer;

(e) Documentation of the alternatives considered instead of transfer;

(f) Documentation of the reasons any preferences of the individual, or as applicable the individual's legal or designated representative or family members, cannot be honored;

(g) Documentation of the voluntary decision to transfer or exit or a copy of the Notice of Involuntary Transfer or Exit; and

(h) The individual's written plan for services after the transfer.

### Individual Support Plan

(1) An individual has the right to participate in his or her ISP meeting and must be afforded every opportunity to develop and direct his or her ISP.

(2) In order to receive Employment Services, an individual must have an employment related goal in his or her ISP.

(3) A Career Development Plan (CDP) and informal vocational assessment must be developed and implemented with the ISP as follows:

(a) The CDP must:

(A) Focus on the strengths of the individual;

(B) Prioritize employment in integrated settings;

(C) Be based on person-centered planning principles;

(D) Include a current and accurate vocational assessment; and

(E) Be completed with the goal of maximizing the number of hours spent working consistent with an individual's interests, abilities, and choices.

(b) The following individuals must develop a CDP as a part of the annual ISP process:

(A) All working age individuals who work in Sheltered Workshops;

(B) Transition aged youth no later than one year after departure from the Oregon public schools; and

(C) All other individuals who request a Career Development Plan.

(c) Effective January 1, 2015, all individuals receiving services under these rules must develop a Career Development Plan as a part of the annual ISP.

(4) For agency provided services, the ISP must be implemented, including a Career Development Plan (CDP), where applicable, and a copy of each individual's ISP must be available at the service site within 60 days of entry and updated at least annually or as changes occur.

(5) Agency service providers must:

(a) Assign a staff member to participate as a team member in the development of an individual's ISP and CDP when invited by the individual or the individual's legal or designated representative (as applicable);

(b) Follow any required process and format as described in this rule;

(c) Train staff to understand each individual's ISP, CDP, and supporting documents and to provide individual services; and

(d) Comply with Department rules and policies regarding the ISP and CDP.

(6) Agency providers must participate in a face-to-face meeting annually with an individual's ISP team. An exception is made when:

(a) The individual chooses not to participate in the meeting or the individual's legal representative objects to the individual's participation in the face-to-face meeting. The individual must receive a copy of the ISP and CDP related to the necessary delivery of services; or

(b) The individual, or as applicable the individual's legal or designated representative, objects to the participation of a service provider during the face-to-face meeting.

(7) In preparation for the ISP meeting, the agency service provider must:

(a) Gather person-centered information regarding preferences, interests, and desires of the individual supported;

(b) Review the individual's current ISP and CDP to determine the ongoing appropriateness and adequacy of the services and supports identified in the ISP and CDP; and

(c) Share all materials drafted in preparation for the ISP meeting with the ISP team one week in advance of the ISP meeting.

(8) The service provider must receive a copy of the ISP and CDP, or at least portions thereof, related to the necessary delivery of services.

### Behavior Support

For an agency certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) Agency service providers must have and implement a written policy for behavior support utilizing individualized positive support techniques and prohibiting abusive practices.

(2) The agency service provider must inform the individual, and as applicable the individual's legal or designated representative, of the behavior support policy and any applicable procedures at the time of entry to services and as changes to the behavior policy occur.

(3) Prior to the development of a Behavior Support Plan, the agency service provider must conduct a functional behavioral assessment of the behavior, which must be based upon information provided by one or more people who know the individual. The functional behavioral assessment must include:

(a) A clear, measurable description of the behavior that includes (as applicable) frequency, duration, and intensity of the behavior;

(b) A clear description and justification of the need to alter the behavior;

(c) An assessment of the meaning of the behavior that includes the possibility that the behavior is one or more of the following:

(A) An effort to communicate;

(B) The result of a medical condition;

(C) The result of a psychiatric condition; or

(D) The result of environmental causes or other factors.

(d) A description of the context in which the behavior occurs; and

(e) A description of what currently maintains the behavior.

(4) A Behavior Support Plan must include:

(a) An individualized summary of the individual's needs, preferences, and relationships;

(b) A summary of the functions of the behavior as derived from the functional behavioral assessment;

(c) Strategies that are related to the functions of the behavior and are expected to be effective in reducing problem behaviors;

(d) Prevention strategies, including environmental modifications and arrangements;

(e) Early warning signals or predictors that may indicate a potential behavioral episode and a clearly defined plan of response;

(f) A general crisis response plan that is consistent with OIS;

(g) A plan to address post crisis issues;

(h) A procedure for evaluating the effectiveness of the Behavior Support Plan that includes a method of collecting and reviewing data on frequency, duration, and intensity of the behavior;

(i) Specific instructions for staff who provide support to follow regarding the implementation of the Behavior Support Plan; and

(j) Positive behavior supports that includes the least intrusive intervention possible.

(5) Agency service providers must maintain the following additional documentation for implementation of Behavior Support Plans:

(a) Written evidence that the individual, the individual's legal or designated representative (as applicable), and the ISP team are aware of the development of the Behavior Support Plan and any objections or concerns;

(b) Written evidence of the ISP team decision for approval of the implementation of the Behavior Support Plan; and

(c) Written evidence of all informal and positive strategies used to develop an alternative behavior.

### Protective Physical Intervention for Agency Providers

For an agency certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The service provider must only employ protective physical intervention techniques that are included in the approved OIS curriculum or as approved by the OIS Steering Committee. Protective physical intervention techniques must only be applied:

(a) When the health and safety of the individual and others are at risk and the ISP team has authorized the procedures in a documented ISP team decision that is included in the ISP and uses procedures that are intended to lead to less restrictive intervention strategies;

(b) As an emergency measure if absolutely necessary to protect the individual or others from immediate injury; or

(c) As a health related protection ordered by a physician if absolutely necessary during the conduct of a specific medical or surgical procedure, or for the individual's protection during the time that a medical condition exists.

(2) Staff supporting an individual must be trained and certified in OIS when the individual has a history of behavior requiring protective physical intervention and the ISP team has determined there is probable cause for future application of protective physical intervention. Documentation verifying current OIS certification of staff must be maintained in the staff person's personnel file and be available for review by the Department or the Department's designee.

(3) The service provider must obtain the approval of the OIS Steering Committee for any modification of standard OIS protective physical intervention techniques. The request for modification of protective physical intervention techniques must be submitted to the OIS Steering Committee and must be approved in writing by the OIS Steering Committee prior to the implementation of the modification. Documentation of the approval must be maintained in the individual's record.

(4) Use of protective physical intervention techniques in emergency situations that are not part of an approved Behavior Support Plan must:

(a) Be reviewed by the service provider's executive director or the executive director's designee within one hour of application;

(b) Be used only until the individual is no longer an immediate threat to self or others;

(c) Be documented as an incident report and submitted to the services coordinator, personal agent, or other Department designee (if applicable) and the individual's legal representative (if applicable), no later than one working day after the incident has occurred; and

(d) Prompt an ISP team meeting if an emergency intervention is used more than three times in a six-month period.

(5) Any use of protective physical intervention must be documented in an incident report, excluding circumstances as described in section (8) of this rule. The incident report must include:

(a) The name of the individual to whom the protective physical intervention was applied;

(b) The date, type, and length of time the protective physical intervention was applied;

(c) A description of the incident precipitating the need for the use of the protective physical intervention;

(d) Documentation of any injury;

(e) The name and position of the staff member applying the protective physical intervention;

(f) The name and position of the staff witnessing the protective physical intervention;

(g) The name and position of the person providing the initial review of the use of the protective physical intervention; and

(h) Documentation of an administrative review by the service provider's executive director or the executive director's designee who is knowledgeable in OIS as evident by a job description that reflects this responsibility, which includes the follow-up to be taken to prevent a recurrence of the incident.

(6) The service provider must forward a copy of the incident report within five working days of the incident to the services coordinator or personal agent and the individual's legal representative (if applicable).

(a) The services coordinator, personal agent, or the Department designee (if applicable) must receive a complete copy of the incident report.

(b) A copy of an incident report may not be provided to an individual's legal representative or other service provider when the report is part of an abuse or neglect investigation.

(c) A copy of an incident report provided to an individual's legal representative or other service provider must have confidential information about other individuals removed or redacted as required by federal and state privacy laws.

(7) All protective physical interventions resulting in injuries must be documented in an incident report and forwarded to the services coordinator, personal agent, or other Department designee (if applicable), within one working day of the incident.

(8) The service provider may substitute a behavior data summary in lieu of individual incident reports when:

# ADMINISTRATIVE RULES

- (a) There is no injury to the individual or others;
- (b) The intervention utilized is not a protective physical intervention;
- (c) There is a formal written functional behavioral assessment and a written Behavior Support Plan;
- (d) The individual's Behavior Support Plan defines and documents the parameters of the baseline level of behavior;
- (e) The protective physical intervention techniques and the behaviors for which the protective physical intervention techniques are applied remain within the parameters outlined in the individual's Behavior Support Plan and the OIS curriculum;
- (f) The behavior data collection system for recording observation, intervention, and other support information critical to the analysis of the efficacy of the Behavior Support Plan is also designed to record items as required in section (5) of this rule; and
- (g) There is written documentation of an ISP team decision that a behavior data summary had been authorized for substitution in lieu of incident reports.

(9) A copy of the behavior data summary must be forwarded every 30 days to the services coordinator, personal agent, or other Department designee (if applicable) and the individual's legal representative (if applicable).

### Medical Services

For an agency certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) All individuals' medical records must be kept confidential as described in OAR 411-323-0060.

(2) Agency service providers must have and implement written policies and procedures that describe the medical management system, including medication administration, early detection and prevention of infectious disease, self-administration of medication, drug disposal, emergency medical procedures including the handling of bodily fluids, and confidentiality of medical records.

(3) Individuals must receive care that promotes their health and well-being as follows:

(a) The service provider must observe the health and physical condition of an individual and take action in a timely manner in response to identified changes in condition that may lead to deterioration or harm;

(b) The service provider must assist an individual with the use and maintenance of prosthetic devices as necessary for the activities of the service;

(c) The service provider, with the individual's knowledge, must share information regarding medical conditions with the individual's residential contact (if applicable) and the services coordinator or personal agent; and

(d) The service provider must provide rest and lunch periods at least as required by applicable law unless the individual's needs dictate additional time.

(4) Agency service providers must maintain records on each individual to aid physicians, medical professionals, and the service provider in understanding the individual's medical history and current treatment program. These records must be kept current and organized in a manner that permits a staff and medical person to easily follow the individual's course of treatment. Such documentation must include:

(a) A medical history obtained prior to entry to services including where available:

(A) A copy of a record of immunizations; and

(B) A list of known communicable diseases and allergies.

(b) A record of the individual's current medical condition including:

(A) A copy of all current orders for medication administered and maintained at the service provider's site;

(B) A list of all current medications; and

(C) A record of visits to medical professionals, consultants, or therapists if facilitated or provided by the service provider.

(5) The administration of medication at the service site must be avoided whenever possible. When medications, treatments, equipment, or special diets must be administered or monitored for self-administration, the service provider must:

(a) Obtain a copy of a written order signed by a physician, physician's designee, or medical practitioner prescribing the medication, treatment, special diet, equipment, or other medical service; and

(b) Follow written orders.

(6) PRN orders are not accepted for psychotropic medication.

(7) All medications administered or monitored in the case of self-administration must be:

(a) Kept in their original containers;

(b) Labeled by the dispensing pharmacy, product manufacturer, or physician, as specified per the physician's or licensed health care practitioner's written order;

(c) Kept in a secured locked container and stored as indicated by the product manufacturer; and

(d) Recorded on an individualized Medication Administration Record (MAR), including treatments and PRN orders.

(8) The MAR must include:

(a) The name of the individual;

(b) The brand or generic name of the medication, including the prescribed dosage and frequency of administration as contained on the physician's order and medication;

(c) For topical medications and basic first aid treatments utilized without a physician's order, a transcription of the printed instructions from the package or the description of the basic first aid treatment provided;

(d) Times and dates of administration or self-administration of the medication;

(e) The signature of the staff administering the medication or monitoring the self-administration of the medication;

(f) Method of administration;

(g) Documentation of any known allergies or adverse reactions to a medication;

(h) Documentation and an explanation of why a PRN medication was administered and the results of such administration; and

(i) An explanation of any medication administration irregularity with documentation of administrative review by the service provider's executive director or the executive director's designee.

(9) Safeguards to prevent adverse medication reactions must be utilized to include:

(a) Maintaining information about each prescribed medication's effects and side-effects;

(b) Communicating any concerns regarding any medication usage, effectiveness, or effects to the residential contact (if applicable) and the services coordinator or personal agent; and

(c) Prohibiting the use of one individual's medications by another.

(10) The service site or service provider may not keep unused, discontinued, outdated, or recalled medication, or medication containers with worn, illegible, or missing labels. All unused, discontinued, outdated, or recalled medication or medication containers with worn, illegible, or missing labels must be promptly disposed of in a manner consistent with federal statutes and designed to prevent illegal diversion of the substances into the possession of people other than for whom the medication was prescribed. The service provider must maintain a written record of all disposed medications that includes:

(a) Date of disposal;

(b) A description of the medication, including amount;

(c) The name of the individual for whom the medication was prescribed;

(d) The reason for disposal;

(e) The method of disposal;

(f) Signature of staff disposing; and

(g) For controlled medications, the signature of a witness to the disposal.

(11) For any individual who is self-administering medication while receiving services from an agency provider, the service provider must:

(a) Have documentation that a training program was initiated with approval of the individual's ISP team or that training for the individual is unnecessary;

(b) If necessary, have a training program that is consistent with the self-administration training program in place at the individual's residence;

(c) If necessary, have a training program that provides for retraining when there is a change in dosage, medication, or time of delivery;

(d) Have specific supports identified and documented for the individual when training has been deemed unnecessary; and

(e) Provide for an annual review, at a minimum, as part of the ISP process, upon completion of the training program or when training for the individual has been deemed necessary by the individual's ISP team.

(12) The service provider must ensure that individuals able to self-administer medications keep the medications secured, unavailable to any other person, and stored as recommended by the product manufacturer.

# ADMINISTRATIVE RULES

(13) The service provider must immediately contact the services coordinator or personal agent when an individual's medical, behavioral, or physical needs change to a point that the individual's needs may not be met by the service provider. The ISP team may determine alternative service providers or may arrange other services if necessary.

### Individual Summary Sheets and Emergency Information for Agency Providers

For an agency certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) A current one to two page summary sheet record must be maintained at the agency service provider's primary place of business for each individual receiving services. The record must include:

(a) The individual's name, current address, telephone number, date of entry into services, date of birth, gender, preferred hospital, medical prime and private insurance number (if applicable), and guardianship status; and

(b) The name, address, and telephone number of:

(A) The individual's legal or designated representative, family, and other significant person (as applicable);

(B) The individual's preferred physician, secondary physician, and clinic;

(C) The individual's preferred dentist;

(D) The individual's services coordinator or personal agent; and

(E) Other agencies and representatives providing services and supports to the individual.

(2) A service provider must maintain emergency information for each individual receiving supports and services from the service provider in addition to an individual summary sheet identified in section (1) of this rule. The emergency information must be kept current and must include:

(a) The individual's name;

(b) The service provider's name, address, and telephone number;

(c) The address and telephone number of the residence where the individual lives;

(d) The individual's physical description, which may include a picture and the date the picture was taken, and identification of:

(A) The individual's race, gender, height, weight range, hair, and eye color; and

(B) Any other identifying characteristics that may assist in identifying the individual may the need arise, such as marks or scars, tattoos, or body piercing.

(e) Information on the individual's abilities and characteristics including:

(A) How the individual communicates;

(B) The language the individual uses or understands;

(C) The ability of the individual to know and take care of bodily functions; and

(D) Any additional information that may assist a person not familiar with the individual to understand what the individual may do for him or herself.

(f) The individual's health support needs including:

(A) Diagnosis;

(B) Allergies or adverse drug reactions;

(C) Health issues that a person needs to know when taking care of the individual;

(D) Special dietary or nutritional needs, such as requirements around the textures or consistency of foods and fluids;

(E) Food or fluid limitations due to allergies, diagnosis, or medications the individual is taking that may be an aspiration risk or other risk for the individual;

(F) Additional special requirements the individual has related to eating or drinking, such as special positional needs or a specific way foods or fluids are given to the individual;

(G) Physical limitations that may affect the individual's ability to communicate, respond to instructions, or follow directions; and

(H) Specialized equipment needed for mobility, positioning, or other health related needs.

(g) The individual's emotional and behavioral support needs including:

(A) Mental health or behavioral diagnosis and the behaviors displayed by the individual; and

(B) Approaches to use when dealing with the individual to minimize emotional and physical outbursts.

(h) Any court ordered or legal representative authorized contacts or limitations;

(i) The individual's supervision requirements and why; and

(j) Any additional pertinent information the service provider has that may assist in the care and support of the individual in the event of a natural or man-made disaster.

### Incident Reports and Emergency Notifications by Agency Providers

For an agency certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) A written incident report describing any injury, accident, act of physical aggression, or unusual incident involving an individual must be placed in the individual's record. The incident report must include:

(a) Conditions prior to, or leading to, the incident;

(b) A description of the incident;

(c) Staff response at the time; and

(d) Administrative review and follow-up to be taken to prevent a recurrence of the injury, accident, physical aggression, or unusual incident.

(2) Copies of incident reports for all unusual incidents (as defined by OAR 411-345-0020) must be sent to the services coordinator or personal agent within five working days of the unusual incident.

(3) The service provider must immediately notify the CDDP or Brokerage of an incident or allegation of abuse falling within the scope of OAR 407-045-0260(1).

(4) In the case of an unusual incident requiring emergency response, the service provider must immediately notify:

(a) The individual's legal representative, parent, next of kin, designated representative, and other significant person (as applicable);

(b) The CDDP or Brokerage;

(c) The individual's residential contact; and

(d) Any other agency responsible for the individual.

(5) In the case of an individual who is missing or absent without supervision beyond the time frames established by the ISP team, the service provider must immediately notify:

(a) The individual's designated representative (if applicable);

(b) The individual's legal representative or nearest responsible relative (as applicable);

(c) The individual's residential contact;

(d) The local police department; and

(e) The CDDP or Brokerage.

For an agency certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) Agency service providers must develop, keep current, and implement a written emergency plan for the protection of all individuals in the event of an emergency or disaster. The emergency plan must:

(a) Be practiced at least annually;

(b) Consider the needs of the individuals being supported and address all natural and human-caused events identified as a potential significant risk to the individuals, such as a pandemic or an earthquake;

(c) Coordinate with each residential provider or residential contact to address the possibility of emergency or disaster resulting in the following:

(A) Extended utility outage;

(B) No running water;

(C) Inability to provide food or supplies; and

(D) Staff unable to report as scheduled.

(d) Include provisions for evacuation and relocation that identifies:

(A) The duties of staff during evacuation, transport, and housing of individuals;

# ADMINISTRATIVE RULES

(B) The requirement for staff to notify the Department and the local CDDP and Brokerage offices of the plan to evacuate or the evacuation of the facility, as soon as the emergency or disaster reasonably allows;

(C) The method and source of transportation;

(D) Planned relocation sites that are reasonably anticipated to meet the needs of the individuals;

(E) A method that provides a person unknown to the individual the ability to identify the individual by the individual's name and to identify the name of the individual's service provider; and

(F) A method for tracking and reporting to the Department, local CDDP and Brokerage offices, or designee, the physical location of each individual until a different entity resumes responsibility for the individual.

(e) Address the needs of the individual, including medical needs; and

(f) Be submitted to the Department as a summary, per Department format, at least annually and upon revision and change of ownership.

(2) Agency service providers must post the following emergency telephone numbers in close proximity to all phones used by staff:

(a) The telephone numbers of the local fire, police department, and ambulance service, if not served by a 911 emergency service; and

(b) The telephone number of the service provider's executive director and additional people to be contacted in the case of an emergency.

(3) If an individual regularly accesses the community independently, the service provider must provide the individual information about appropriate steps to take in an emergency, such as emergency contact telephone numbers, contacting police or fire personnel, or other strategies to obtain assistance.

(4) A documented safety review must be conducted quarterly to ensure the service site is free of hazards. The service provider must keep the quarterly safety review reports for five years and must make them available upon request by the CDDP, Brokerage, or the Department.

### Evacuation

For an agency certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The service provider must train all individuals immediately upon entry to each service site to leave the site in response to an alarm or other emergency signal.

(2) The service provider must document the level of assistance needed by each individual to safely evacuate and such documentation must be maintained in the individual's entry records.

(3) The service provider must provide, or assure provision of, necessary adaptations or accommodations to ensure evacuation safety for individuals with sensory and physically impairments.

(4) Site-based agency service providers must:

(a) Conduct unannounced evacuation drills one per quarter each year when individuals are present, unless required more often by the Oregon Occupational Safety and Health Division.

(A) Drills must occur at different times of the day.

(B) Routes to leave the site for the drill must vary based on the location of a simulated emergency.

(C) Any individual failing to evacuate the service site unassisted within three minutes, or an amount of time set by the local fire authority for the site, must be provided specialized training and support in evacuation procedures.

(b) Make written documentation at the time of each drill and keep the documentation for at least two years following the drill. Documentation must include:

(A) The date and time of the drill;

(B) The location of the simulated emergency and route of evacuation;

(C) The last names of all individuals and staff present in the service area at the time of the drill;

(D) The type of evacuation assistance provided by staff to individuals' that need more than three minutes to evacuate as specified in an individual's safety plan;

(E) The amount of time required by each individual to evacuate if the individual needs more than three minutes to evacuate;

(F) The amount of time for all individuals to evacuate exclusive of individuals with specialized support as described in section (3)(c) of this rule; and

(G) The signature of the staff conducting the drill.

(c) Develop a written safety plan for individuals who are unable to evacuate the site within the required evacuation time or who, with concurrence of the ISP team, request not to participate in evacuation drills. The safety plan must include:

(A) Documentation of the risk to the individual's medical, physical condition, and behavioral status;

(B) Identification of how the individual must evacuate the site, including level of support needed;

(C) The routes to be used to evacuate the individual to a point of safety;

(D) Identification of assistive devices required for evacuation;

(E) The frequency the plan must be practiced and reviewed by the individual and staff;

(F) The alternative practices;

(G) Approval of the plan by the individual's legal representative, services coordinator or personal agent, and the service provider's executive director; and

(H) A plan to encourage future participation in evacuation drills.

### Physical Environment

For an agency certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) All employment and day support activities providers must ensure that the service site has no known health or safety hazards in the immediate environment and that individuals are trained to avoid recognizable hazards.

(2) Agency service providers must:

(a) assure that at least once every five years a health and safety inspection is conducted of owned, leased, or rented buildings and property.

(A) The inspection must cover all areas and buildings where services are delivered to individuals, administrative offices, and storage areas.

(B) The inspection may be performed by:

(i) Oregon Occupational Safety and Health Division;

(ii) The service provider's workers compensation insurance carrier;

(iii) An appropriate expert, such as a licensed safety engineer or consultant approved by the Department; or

(iv) The Oregon Public Health Division, when necessary.

(C) The inspection must cover:

(i) Hazardous material handling and storage;

(ii) Machinery and equipment used by the service provider;

(iii) Safety equipment;

(iv) Physical environment; and

(v) Food handling, when necessary.

(D) The documented results of the inspection, including recommended modifications or changes, and documentation of any resulting action taken must be kept by the service provider for five years.

(b) Ensure buildings and property at each owned, leased, or rented service site has annual fire and life safety inspections performed by the local fire authority or a Deputy State Fire Marshal. The documented results of the inspection, including documentation of recommended modifications or changes, and documentation of any resulting action taken must be kept by the service provider for five years.

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in chapter 411, division 346:

(1) "Abuse" means:

(a) "Abuse" as defined in ORS 419B.005 for a child under the age of 18; and

(b) "Abuse" as defined in OAR 407-045-0260 when a young adult between the ages of 18 and 21 resides in a certified child foster home.

(2) "Alternate Caregiver" means any person 18 years of age and older responsible for the care or supervision of a child in foster care.

(3) "Alternative Educational Plan" means any school plan that does not occur within the physical school setting.

(4) "Appeal" means the process for a contested hearing under ORS Chapter 183 that a foster provider may use to petition the suspension, denial, non-renewal, or revocation of their certificate or application.

(5) "Applicant" means a person who wants to become a child foster provider, lives at the residence where a child in foster care is to live, and is applying for a child foster home certificate or is renewing a child foster home certificate.

(6) "Aversive Stimuli" means the use of any natural or chemical product to alter a child's behavior, such as the use of hot sauce or soap in the mouth and spraying ammonia or lemon water in the face of a child. Psychotropic medications are not considered aversive stimuli.

(7) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210.

(8) "Behavior Support" means the services consistent with positive behavioral theory and practice that are provided to assist with behavioral challenges due to the intellectual or developmental disability of a child that prevents the child from accomplishing activities of daily living, instrumental activities of daily living, health related tasks, and cognitive supports to

mitigate behavior. Behavior supports are provided in the home or community.

(9) "BSP" means "Behavior Support Plan". A BSP is the written strategy based on person-centered planning and a functional assessment that outlines specific instructions for a foster provider to follow to cause the challenging behaviors of a child to become unnecessary and to change the behavior of the foster provider, adjust environment, and teach new skills.

(10) "Case Plan" means the goal-oriented, time-limited, individualized plan of action for a child and the family of the child developed by the family and the Children, Adults, and Families Division of the Department for promotion of the safety, permanency, and well-being of the child.

(11) "Case Worker" means an employee of the Children, Adults, and Families Division of the Department.

(12) "CDDP" means "Community Developmental Disability Program" as defined in OAR 411-320-0020.

(13) "Certificate" means a document issued by the Department that notes approval to operate a child foster home for a period not to exceed two years.

(14) "Certifying Agency" means the Department, CDDP, or an agency approved by the Department who is authorized to gather required documentation to issue or maintain a child foster home certificate.

(15) "Child" means:

(a) An individual who is less than 18 years of age who has a provisional determination of an intellectual or developmental disability by the CDDP; or

(b) A young adult age 18 through 21 with an intellectual or developmental disability who is remaining in the same foster home for the purpose of completing their IEP based on the recommendation of the ISP team and an approved certification variance.

(16) "Child Foster Home" means a home certified by the Department that is maintained and lived in by the person named on the foster home certificate.

(17) "Child Foster Home Contract" means an agreement between a foster provider and the Department that describes the responsibility of the foster provider and the Department.

(18) "Child Placing Agency" means the Department, CDDP, or the OYA.

(19) "Commercial Basis" means providing and receiving compensation for the temporary care of individuals not identified as members of the household.

(20) "Community Nursing Services" mean the nursing services that focus on the chronic and ongoing health and safety needs of a child. Community nursing services include an assessment, monitoring, delegation, training, and coordination of services. Community nursing services are provided according to the rules in OAR chapter 411, division 48 and the Oregon State Board of Nursing rules in OAR chapter 851.

(21) "Delegation" means that a registered nurse authorizes a foster provider or alternate caregiver to perform nursing tasks in selected situations and confirms that authorization in writing. Delegation may only occur after a registered nurse follows all steps of the delegation process as outlined in OAR chapter 851, division 047. Delegation by a physician is also allowed.

(22) "Denial" means the refusal of the certifying agency to issue a certificate of approval to operate a child foster home because the certifying agency has determined that the home or the applicant is not in compliance with one or more of these rules.

(23) "Department" means the Department of Human Services.

(24) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(25) "DHS-CW" means the child welfare program area within the Children, Adults, and Families Division of the Department.

(26) "Direct Nursing Services" means the provision of individual-specific advice, plans, or interventions by a nurse at a home based on the nursing process as outlined by the Oregon State Board of Nursing. Direct nursing service differs from administrative nursing services. Administrative nursing services include non-individual-specific services, such as quality assurance reviews, authoring health related agency policies and procedures, or providing general training for the foster provider or alternate caregivers.

(27) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services or the designee of the Director.

(28) "Discipline" means "behavior support" as defined in this rule.

(29) "Domestic Animals" mean the animals domesticated so as to live and breed in a tame condition such as dogs, cats, and domesticated farm stock.

## ADMINISTRATIVE RULES

(30) "Educational Surrogate" means the person who acts in place of a parent in safeguarding the rights of a child in the public education decision-making process:

(a) When the parent of the child cannot be identified or located after reasonable efforts;

(b) When there is reasonable cause to believe that the child has a disability and is a ward of the state; or

(c) At the request of the parent of the child or young adult student.

(31) "Emergency Certificate" means a foster home certificate issued for 30 days.

(32) "Exit" means termination or discontinuance of a Department-funded developmental disability service by a Department licensed or certified provider.

(33) "Foster Care" means a child is placed away from their parent or guardian in a certified child foster home.

(34) "Foster Provider" means the certified care provider who resides at the address listed on the foster home certificate. A foster provider is considered a private agency for purposes of mandatory reporting of abuse.

(35) "Founded Report" means the determination by the Department or Law Enforcement Authority (LEA), based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to the person alleged to have engaged in the conduct.

(36) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors, choices and preferences, service and support needs, strengths, and goals; and

(C) Determines the service level.

(b) The functional needs assessment for a child residing in a foster home is known as the Support Needs Assessment Profile (SNAP).

(37) "Guardian" means the parent of a child or a person or agency appointed and authorized by a court to make decisions about services for a child in foster care.

(38) "Hearing" means a contested case hearing subject to OAR 137-003-0501 to 137-003-0070, which results in a final order.

(39) "Home Inspection" means the on-site, physical review of the home of an applicant to assure the applicant meets all health and safety requirements within these rules.

(40) "Home Study" means the assessment process used for the purpose of determining the ability of an applicant to care for a child in need of foster care placement.

(41) "ICWA" means the Native American Child Welfare Act.

(42) "IEP" means "Individualized Education Plan". An IEP is a written plan of instructional goals and objectives developed in conference with a teacher, student, the guardian of the student, and a representative of the school district.

(43) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving a child in foster care.

(44) "Individual" means a person with an intellectual or developmental disability applying for, or determined eligible for, developmental disability services.

(45) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in OAR 411-320-0080.

(46) "Involuntary Transfer" means a foster provider has made the decision to transfer a child and the child or the parent or guardian of the child has not given prior approval.

(47) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for a child to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects the services and supports that are important for an individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for service providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, state plan, or natural supports.

(48) "ISP Team" means a team composed of the child in foster care (when appropriate), parent or guardian of the child, CDDP services coordinator, and others chosen by the child or the parent or guardian of the child, such as the foster provider or family members of the child.

(49) "Licensed Medical Professional" means a person who meets the following:

(a) Holds at least one of the following valid licensures or certifications:

(A) Physician licensed to practice in Oregon;

(B) Nurse practitioner certified by the Oregon State Board of Nursing under ORS 678.375; or

(C) Physician's assistant licensed to practice in Oregon; and

(b) Whose training, experience, and competence demonstrate expertise in children's mental health and the ability to conduct a mental health assessment and provide psychotropic medication management for a child in foster care.

(50) "Mandatory Reporter":

(a) Means any public or private official as defined in OAR 407-045-0260 who:

(A) Is a foster provider, staff, or volunteer who comes in contact with a child with or without an intellectual or developmental disability and has reasonable cause to believe the child has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused a child, regardless of whether or not the knowledge of the abuse was gained in the official capacity of the public or private official.

(B) Is a foster provider, staff, or volunteer who, while acting in an official capacity, comes in contact with an adult individual with an intellectual or developmental disability 18 years and older and has reasonable cause to believe the adult individual has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult individual.

(b) Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, attorney, or guardian ad litem appointed under 419B.231 is not required to report if the communication is privileged under 40.225 to 40.295.

(51) "MAR" means medication administration record.

(52) "Mechanical Restraint" means any mechanical device, material, object, or equipment that is attached or adjacent to the body that cannot be easily removed or easily negotiated around that restricts freedom of movement or access to the body.

(53) "Member of the Household" means any adult or child living in the home, including an employee or volunteer assisting in the care provided to a child placed in the home. A child in foster care is not considered a member of the household.

(54) "Mental Health Assessment" means the assessment used to determine the need for mental health services by interviewing a child and obtaining all pertinent biopsychosocial information as identified by the child, the family of the child, and collateral sources. A mental health assessment:

(a) Addresses the condition presented by the child;

(b) Determines a diagnosis; and

(c) Provides treatment direction and individualized services and supports.

(55) "Misuse of Funds" includes, but is not limited to, a foster provider or staff person:

(a) Borrowing from, or loaning money to, a child in foster care;

(b) Witnessing a will in which the foster provider or a staff person is a beneficiary;

(c) Adding the name of the foster provider or staff person to the bank account of a child or other titles for personal property without approval of the child when of age to give legal consent, or the child's guardian of the child and authorization of the ISP team;

(d) Inappropriately expending or theft of the personal funds of the child;

(e) Using the personal funds of a child for the benefit of the foster provider or staff person; or

(f) Commingling the funds of a child with the funds of the foster provider or the funds of another child.

(56) "Monitoring" means the observation of a certified child foster home by the Department or the designee of the Department to determine continuing compliance with these rules.

(57) "Nursing Service Plan" means the plan that is developed by a registered nurse based on an initial nursing assessment, reassessment, or an update made to a nursing assessment as the result of a monitoring visit.

(a) The Nursing Service Plan is specific to a child and identifies the diagnoses and health needs of the child and any service coordination, teaching, or delegation activities.

(b) The Nursing Service Plan is separate from the ISP and any service plans developed by other health professionals.

# ADMINISTRATIVE RULES

(58) "Occupant" means any person having official residence in a certified child foster home.

(59) "OIS" means "Oregon Intervention System". OIS is the system of providing training to people who work with designated individuals to provide elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques that are used to maintain health and safety.

(60) "OYA" means "Oregon Youth Authority". OYA is the agency that has been given commitment and supervision responsibilities over a youth offender by order of the juvenile court under ORS 137.124 or other statute, until the time that a lawful release authority authorizes release or terminates the commitment or placement.

(61) "Permanent Foster Care" means the long term contractual agreement between a foster provider and the Children, Adults, and Families Division of the Department, approved by the juvenile court that specifies the responsibilities and authority of the foster provider and the commitment by the permanent foster provider to raise a child until the age of majority or until the court determines that permanent foster care is no longer the appropriate plan for the child.

(62) "Positive Behavioral Theory and Practice" means a proactive approach to behavior and behavior interventions that:

(a) Emphasizes the development of functional alternative behavior and positive behavior intervention;

(b) Uses the least intervention possible;

(c) Ensures that abusive or demeaning interventions are never used; and

(d) Evaluates the effectiveness of behavior interventions based on objective data.

(63) "Protected Health Information" means any oral or written health information that identifies a child and relates to the past, present, or future physical or mental health condition of the child, health care treatment, or payment for health care treatment.

(64) "Protective Physical Intervention" means any manual physical holding of, or contact with, a child that restricts freedom of movement.

(65) "Psychotropic Medication" means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(66) "Qualified Entity Initiator" has the meaning set forth in OAR 407-007-0210 (Criminal Records and Abuse Checks for Providers).

(67) "Qualified Mental Health Professional" means a licensed medical practitioner or any other meeting the minimum qualifications specified in OAR 309-019-0125.

(68) "Relief Care" means the intermittent services that are provided on a periodic basis for the relief of or due to the temporary absence of a person normally providing supports to a child in foster care. Relief care may include 24-hour relief care or hourly relief care.

(69) "Revocation" means the action taken by the certifying agency to rescind a child foster home certificate of approval after the certifying agency has determined that the foster provider or the child foster home is not in compliance with one or more of these rules.

(70) "Services Coordinator" means "services coordinator" as defined in OAR 411-320-0020.

(71) "Significant Medical Needs" includes, but is not limited to, total assistance required for all activities of daily living, such as access to food or fluids, daily hygiene that is not attributable to the chronological age of a child, and frequent medical interventions required by a Nursing Service Plan or ISP for health and safety of the child.

(72) "Special Diet" means the specially prepared food or particular types of food that are specific to the medical condition or diagnosis of a child and in support of an evidence-based treatment regimen.

(73) "Substantiated" means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(74) "Suspension" means an immediate temporary withdrawal of the approval to operate a child foster home after the certifying agency determines that the foster provider or the child foster home is not in compliance with one or more of these rules or there is a threat to the health, safety, or welfare of a child.

(75) "These Rules" mean the rules in OAR chapter 411, division 346.

(76) "Transfer" means movement of a child from one home to another home administered or operated by the same foster provider.

(77) "Unauthorized Absence" means any length of time when a child is absent from a foster home without prior approval as specified in the ISP for the child.

(78) "Unusual Incident" means any incident involving a child that includes serious illness or an accident, death, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, a fire requiring the services of a fire department, an act of physical aggression, or any incident requiring an abuse investigation.

(79) "Urgent Medical Need" means the onset of psychiatric or medical symptoms requiring attention within 48 hours to prevent a serious deterioration in the mental or physical condition of a child.

(80) "Variance" means the temporary exemption from a regulation or provision of these rules that may be granted by the Department upon written application by the certifying agency.

(81) "Young Adult" means an individual age 18 through 21 who resides in a child foster home.

### General Requirements for Certification

(1) An applicant or foster provider must participate in certification and certification renewal studies and in the ongoing monitoring of their home.

(2) An applicant or foster provider must give the information required by the Department to verify compliance with all applicable rules, including change of address and change of number of people in the household such as relatives, employees, or volunteers.

(3) An applicant seeking certification from the Department must complete the Department application forms. When two or more adults living in the home share foster provider responsibilities to any degree, each adult must be listed on the application as applicant and co-applicant.

(4) An applicant must disclose each state or territory the applicant has lived in the last five years and for a longer period if requested by the certifying agency. The disclosure must include the address, city, state, and zip code of previous residences.

(5) An applicant must provide the following information:

(a) Names and addresses of any agencies in the United States where any occupant of the home has been licensed or certified to provide care to children or adults and the status of such license or certification, such as licenses or certificates for residential care, nurse, nurse's aide, and foster care;

(b) Proposed number, gender, age range, disability, and support needs of children to be served in foster care;

(c) School reports for any child of school age living in the home at the time of initial application. School reports for any child of school age living in the home within the last year may also be required;

(d) Names and addresses of at least four people, three of whom are unrelated, who have known each applicant for two years or more and who can attest to the character of the applicant and the ability of the applicant to care for children. The Department may contact schools, employers, adult children, and other sources as references;

(e) Reports of all criminal charges, arrests, or convictions, including the date of offense and the resolution of those charges, for all employees or volunteers and people living in the home. If the minor children of the applicant are living in the home, the applicant must also list reports of all criminal or juvenile delinquency charges, arrests, or convictions, including the date of offense and the resolution of those charges;

(f) Founded reports of child abuse or substantiated abuse, including dates, locations, and resolutions of those reports, for all people living in the home, as well as all applicant or provider employees, independent contractors, and volunteers;

(g) Demonstration, upon initial certification, of successful completion of 15 hours of pre-service training.

(h) Demonstration, upon initial certification, of income sufficient to meet the needs and to ensure the stability and financial security of the family independent of the foster care payment;

(i) All child support obligations in any state, including whether the obligor is current with payments or in arrears, and whether any wages of the applicant or foster provider are being attached or garnished for any reason;

## ADMINISTRATIVE RULES

(j) A statement from a physician, on a form provided by the Department, that each applicant is physically and mentally capable of providing care;

(k) A floor plan of the house showing the location of:

(A) Rooms, indicating the bedrooms for the child in foster care, caregiver, and other occupants of the home;

(B) Windows;

(C) Exit doors;

(D) Smoke alarms and fire extinguishers; and

(E) Wheel chair ramps, if applicable; and

(l) A diagram of the house and property showing safety devices for fire places, wood stoves, water features, outside structures, and fencing.

(6) Falsification or omission of any of the information for certification may be grounds for denial or revocation of the child foster home certification.

(7) Applicants must be at least 21 years of age. Applicants who are "Native American" as defined in the ICWA may be 18 years of age or older if a Native American child to be placed in the legal custody of DHS-CW.

(8) Applicants, foster providers, alternate caregivers, employees of foster providers, volunteers, other occupants in the foster home who are 18 years of age or older, other adults having regular contact in the foster home with a child in foster care, and any subject individual as defined in OAR 407-007-0210 must consent to a background check by the Department in accordance with 407-007-0200 to 407-007-0370 (Background Check Rules) and under ORS 181.534. The Department may require a background check on members of the household less than 18 years of age if there is reason to believe that a member of the household may pose a risk to a child placed in the home. All people subject to a background check are required to complete an Oregon background check and a national background check as described in OAR 407-007-0200 to 407-007-0370, including the use of fingerprint cards.

(a) Alternate caregivers, employees of foster providers, and volunteers may be approved to work in multiple homes within a county only when working in the same employment role at each home. The indication of worksite location must be included by a qualified entity initiator for each alternate caregiver, employee of the foster provider, or volunteer who intends to work at various child foster homes within the licensing jurisdiction of the county.

(b) Effective July 28, 2009, public funds may not be used to support, in whole or in part, a person described in section (8) of this rule in any capacity who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(c) A person does not meet qualifications as described in this rule if the person has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(d) Section (8)(a) and (b) of this rule do not apply to employees hired prior to July 28, 2009 that remain in the current position for which the employee was hired.

(e) Any person as described in section (8) of this rule must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290. The person must notify the Department or the designee of the Department within 24 hours.

(9) The Department may not issue or renew a certificate if an applicant or member of the household:

(a) Has, after completing the background check, a fitness determination of "denied".

(b) Has, at any time, been convicted of a felony in Oregon or any jurisdiction that involves:

(A) Child abuse or neglect;

(B) Spousal abuse;

(C) Criminal activity against children, including child pornography;

or

(D) Rape, sexual assault, or homicide.

(c) Has, within the past five years from the date the background check was signed, been convicted of a felony in Oregon or any jurisdiction that involves:

(A) Physical assault or battery (other than against a spouse or child);

or

(B) Any drug-related offense.

(d) Has been found to have abused or neglected a child or adult as defined in ORS 419B.005 or as listed in OAR 407-045-0260.

(e) Has, within the past five years from the date the child foster home application was signed, been found to have abused or neglected a child or adult in the United States as defined by that jurisdiction or any other jurisdiction.

(10) An applicant or foster provider may request to withdraw an application any time during the certification process by notifying the certifying agency in writing. Written documentation by the certifying agency of oral notice may substitute for written notification.

(11) The Department may suspend or revoke a certificate or may not issue or renew a certificate for a minimum of five years, if an applicant is found to have a license or certificate to provide care to children or adults suspended, revoked, or not renewed by other than voluntary request.

(12) The Department may not issue or renew a certificate based on an evaluation of any negative references, school reports, statement of a physician, or previous licensing or certification reports from other agencies or states.

(13) A Department employee may be a foster provider, or an employee of an agency that contracts with the Department as a foster provider, if the position of the employee with the Department does not influence referral, regulation, or funding of such activities. Prior to engaging in such activity, the employee must obtain written approval from the Director of the Department. The written approval must be on file with the Director of the Department and in the certification file maintained by the Department.

(14) An application is incomplete and void unless all supporting materials are submitted to the Department within 90 days from the date of the application.

(15) An application may not be considered complete until all required information is received and verified by the Department. A decision to approve or deny certification is made by the Department within 60 days from the receipt of the completed application.

(16) Compliance with these rules is determined by the Department based on receipt of the completed application material, an investigation of information submitted, an inspection of the home, a completed home study, and a personal interview with the provider. A certificate issued on or after February 1, 2010 is valid for a maximum of two years unless revoked or suspended.

(17) The Department may attach conditions to a certificate that limit, restrict, or specify other criteria for operation of the child foster home.

(18) A condition may be attached to a certificate that limits a foster provider to the care of a specific child. A foster provider with this limitation does not receive referrals.

(19) A child foster home certificate is not transferable or applicable to any location or people other than those specified on the certificate.

(20) A foster provider who cares for a child funded by the Department must enter into a contract with the Department and follow the Department rules governing reimbursement for services and refunds.

(21) A foster provider may not be the parent or legal guardian of any child placed in their home for foster care services funded by the Department.

(22) If an applicant or foster provider intends to provide care for a child with significant medical needs, at least one provider or applicant must have the following:

(a) An equivalent of one year of full-time experience in providing direct care to individuals;

(b) Health care professional qualifications, such as a registered nurse (RN) or licensed practical nurse (LPN), or the equivalent of two additional years full-time experience providing care and support to an individual who has a medical condition that is serious and may be life-threatening;

(c) Copies of all current health related licenses or certificates and provide those documents to the certifying agent;

(d) Current certification in First Aid and Cardiopulmonary Resuscitation (CPR). The CPR training must be done by a recognized training agency and the CPR certificate must be appropriate to the ages of the child served in the foster home;

(e) Current satisfactory references from at least two medical professionals, such as a physician and registered nurse, who have direct knowledge of the ability of the applicant and past experiences as a caregiver. The medical professional references may serve as two of the four references in section (5)(d) of this rule; and

(f) Positive written recommendation from the Medically Fragile Children's Unit (MFCU) of the Department if the foster provider or applicant has provided services through the MFCU or if the foster provider or applicant has a child in the family home or foster home that has historically received services through the MFCU.

(23) A foster provider may not accept a child with significant medical needs unless an initial Nursing Service Plan for the child is in place at the time of placement that addresses the health and safety supports for the child.

### Professional Responsibilities of the Foster Provider

#### (1) TRAINING AND DEVELOPMENT.

(a) The foster provider must complete a minimum of 15 hours of pre-service training prior to certification and 10 hours annually for certification renewal. The Department or the certifying agency may require additional hours of training based on the needs of the child served in the home.

(b) The foster provider must participate in training provided or approved by the Department or the certifying agency. Such training must include educational opportunities designed to enhance the awareness, understanding, and skills of the foster provider to meet the special needs of a child placed in the home of the foster provider.

(c) The foster provider must complete mandatory reporter training prior to initial certification and annually thereafter.

(d) Mandatory reporter training must be appropriate to the ages of the individuals living in the child foster home.

(2) RELATIONSHIP WITH THE CHILD PLACING AGENCY. The foster provider must:

(a) Take part in planning, preparation, pre-placement activities, and visitation for the child placed in their home;

(b) Participate as team members in developing and implementing the ISP when initiated by the CDDP services coordinator for the child placed in their home;

(c) In advance or within one working day, notify the certifying agency of changes likely to affect the life and circumstances of the foster family or the safety in the home including, but not limited to, the following:

(A) Foster family illness;

(B) Divorce, legal separation, or loss of a household member;

(C) Significant change in financial circumstances;

(D) New household members or placement of a child in foster care by another agency, including relief care;

(E) Arrests or criminal involvement;

(F) The addition of hunting equipment and weapons;

(G) The addition of a swimming pool; or

(H) The addition of a pet.

(d) Immediately notify the CDDP services coordinator and guardian of an injury, illness, or accident of the child or any unusual incident or circumstance involving the child that may have a serious effect on the health, safety, physical, or emotional well-being of the child in foster care;

(e) Notify the guardian and CDDP staff of any unauthorized absence of a child in foster care within 12 hours or other mutually agreed upon time as determined by the ISP team;

(f) Sign and abide by the responsibilities described in the Child Foster Home Contract;

(g) Allow the certifying agency and child placing agency reasonable access to the child foster home and to the child placed in the care of the foster provider. Allow family members of the child reasonable access to the child foster home and the child when placement is voluntary. For the purpose of these rules, reasonable access means with advance notice unless there is cause for not giving such notice;

(h) Allow the Department or certifying agency staff access to:

(A) Investigate reports of abuse and violations of a regulation or provision of these rules;

(B) Inspect or examine the home, the records and accounts of a child, and the physical premises including the buildings, grounds, equipment, and any vehicles; and

(C) Interview the child, adult, or alternate caregivers.

(i) Participate in interviews conducted by the Department or the certifying agency; and

(j) Authorize substitute caregivers to permit entrance by the Department or the certifying agency for the purpose of inspection and investigation.

#### (3) ACCEPTING CHILDREN FOR CARE.

(a) Except as described in section (3)(c) of this rule, a certified provider may not exceed the following maximum number of children in the foster home including the biological children of the provider:

(A) A total of four children when one certified adult lives in the home;

or

(B) A total of seven children when two certified adults live in the home.

(b) All homes are limited to two children under the age of three.

(c) Any providers certified prior to July 1, 2007 with a capacity greater than the numbers listed in section (3)(a) of this rule must meet the standard through attrition as children move out of the foster home.

(d) At the time of referral, the foster provider must be given available information about the child including behavior, skill level, medical status, and other relevant information. The foster provider is obligated to decline the referral of any child based on the referral information, parameters of the certification of the child foster home, or if the provider feels his or her skill level may not safely or effectively support the child.

(e) A foster provider may provide relief care in the child foster home for a child upon approval by the certifying agency or the Department.

(f) A foster provider must obtain approval from the certifying agency prior to accepting a child for placement.

(g) A child who turns 18 may continue to reside in their current certified child foster home when the ISP team determines it is in the best interest of the child to remain in their current certified child foster home. When the ISP team determines a child who is turning 18 may remain in their current certified child foster home, the foster provider must:

(A) Submit a variance request to the Department in accordance with OAR 411-346-0210; and

(B) Submit to the Department and the certifying agency, a copy of the ISP addendum signed by the ISP team noting it is in the best interest of the child to remain in the current certified child foster home.

(h) Any variance to subsections (3)(a) through (3)(h) of this section must take into consideration the maximum safe physical capacity of the home including:

(A) Sleeping arrangements;

(B) The ratio of adults to children;

(C) The level of supervision available;

(D) The skill level of the foster provider;

(E) Individual plans for egress during fire;

(F) The needs of the other children in placement; and

(G) The desirability of keeping siblings placed together.

(i) The foster provider may not care for unrelated adults on a commercial basis in the child foster home or accept children for day care in the child foster home while currently certified as a foster provider.

(j) The foster provider must notify the Department prior to a voluntary closure of a child foster home and give the parent or guardian of the child and the CDDP 30 days written notice, except in circumstances where undue delay might jeopardize the health, safety, or well-being of the child or foster provider.

#### (4) INVOLUNTARY TRANSFERS AND EXITS.

(a) A foster provider must only transfer or exit a child involuntarily for one or more of the following reasons:

(A) The behavior of the child poses an imminent risk of danger to self or others;

(B) The child experiences a medical emergency;

(C) The service needs of the child exceed the ability of the foster provider;

(D) Failure to pay for services; or

(E) The certification for the child foster home is suspended, revoked, not renewed, or voluntarily surrendered.

(b) NOTICE OF INVOLUNTARY EXIT. A foster provider must not transfer or exit a child involuntarily without 30 days advance written notice to the parent or guardian of the child and the CDDP services coordinator, except in the case of a medical emergency or when a child is engaging in behavior that poses an imminent danger to self or others as described in subsection (c) of this section.

(A) The written notice must be provided on the Notice of Involuntary Transfer or Exit form approved by the Department and include:

(i) The reason for the transfer or exit; and

(ii) The right to a hearing as described in subsection (e) of this section.

(B) A notice is not required when the parent or guardian of a child requests a transfer or exit.

(c) A foster provider may give less than 30 days advanced written notice only in a medical emergency or when a child is engaging in behavior that poses an imminent danger to self or others in the home. The notice must be provided to the parent or guardian of the child and CDDP services coordinator immediately upon determination of the need for a transfer or exit.

# ADMINISTRATIVE RULES

(d) A foster provider is responsible for the provision of services until a child exits the home.

(e) **HEARING RIGHTS.** A child and the parent or guardian of a child must be given the opportunity for a hearing under ORS chapter 183 to dispute an involuntary transfer or exit as described in OAR 411-318-0030. If a child or the parent or guardian of a child requests a hearing, the child must receive the same services until the hearing is resolved. When a child has been given less than 30 days advanced written notice of a transfer or exit as described in subsection (c) of this section and the child or the parent or guardian of the child has requested a hearing, the foster provider must reserve the room of the child until receipt of the final order.

(5) **RELATIONSHIP WITH THE FAMILY OF A CHILD.** In accordance with the ISP for a child and the guardian of the child, the foster provider must:

(a) Support the relationship of the child with family members, including siblings;

(b) Assist the CDDP staff and the guardian in planning visits with the child and the family members of the child; and

(c) Provide the child reasonable opportunities to communicate with his or her family members.

(6) **CONFIDENTIALITY.**

(a) The foster provider and the family of the foster provider must treat personal information about a child or the family of a child in a confidential manner. Confidential information is to be disclosed on a need to know basis to law enforcement, certifying agency staff, CDDP staff, DHS-CW child protective services staff, DHS-CW case workers, and medical professionals who are treating or providing services to the child. The information shared must be limited to the health, safety, and service needs of the child.

(b) In addition to the requirements in subsection (6)(a) of this section, the foster provider and the family of the foster provider must comply with the provisions of ORS 192.518 to 192.523 and therefore may use or disclose the protected health information of a child only:

(A) To law enforcement, certifying agency staff, CDDP staff, and DHS-CW staff;

(B) As authorized by the personal representative or guardian of the child appointed under ORS 125.305, 419B.370, 419C.481, or 419C.555;

(C) For purposes of obtaining health care treatment for the child;

(D) For purposes of obtaining payment for health care treatment; or

(E) As permitted or required by state or federal law or by order of a court.

(c) The foster provider must keep all written records for each child in a manner that ensures their confidentiality.

(7) **MANDATORY REPORTING.**

(a) The foster provider and the employees and volunteers of the foster provider are mandatory reporters of suspected abuse of any child as defined by ORS 419B.005. Upon reasonable cause to believe that abuse has occurred, all adult members of the household and any foster provider, employees, independent contractors, or volunteers must report pertinent information to DHS-CW or law enforcement.

(b) When the certified child foster provider, employees of the foster provider, independent contractors, or volunteers are providing services to an individual 18 years or older and have reason to believe abuse as defined in OAR 407-045-0260 has occurred, the foster provider, employees of the foster provider, independent contractors, or volunteers must report the pertinent information to the CDDP or law enforcement in accordance with ORS 430.737.

(c) Any protective physical intervention that results in an injury to the child, as defined in ORS 419B.005, must be reported to DHS-CW and the CDDP services coordinator by the foster provider. Same day oral notification is required.

### Standards and Practices for Care and Services

(1) The foster provider must:

(a) Provide structure and daily activities designed to promote the physical, social, intellectual, cultural, spiritual, and emotional development of the child in the child foster home;

(b) Provide playthings and activities in the foster home, including games, recreational and educational materials, and books, appropriate to the chronological age, culture, and developmental level of the child;

(c) In accordance with the ISP and as defined in the DHS-CW case plan (if applicable), encourage the child to participate in community activities with family, friends, and on his or her own when appropriate;

(d) Promote the independence and self-sufficiency of the child by encouraging and assisting the child to develop new skills and perform age-appropriate tasks;

(e) In accordance with the ISP and as defined in the DHS-CW case plan (if applicable), ask the child in foster care to participate in household chores appropriate to the age and ability of the child that are commensurate with household chores expected of the children of the foster provider;

(f) Provide the child with reasonable access to a telephone and to writing materials;

(g) In accordance with the ISP and as defined in the DHS-CW Case Plan (if applicable), permit and encourage the child to have visits with family and friends;

(h) Allow regular contacts and private visits or phone calls with the CDDP services coordinator and the DHS-CW case worker (if applicable); and

(i) Not allow a child in foster care to baby-sit in the child foster home or elsewhere without permission of the CDDP services coordinator and the guardian.

(2) **RELIGIOUS, ETHNIC, AND CULTURAL HERITAGE.**

(a) The foster provider must recognize, encourage, and support the religious beliefs, ethnic heritage, cultural identity, and language of a child and the family of a child.

(b) In accordance with the ISP and the preferences of the guardian of the child, the foster provider must participate with the ISP team to arrange transportation and appropriate supervision during religious services or ethnic events for a child whose beliefs and practices are different from those of the foster provider.

(c) The foster provider may not require a child to participate in religious activities or ethnic events contrary to the beliefs of the child.

(3) **PUBLIC EDUCATION.** The foster provider:

(a) Must enroll each child of school age in public school within five school days of the placement and arrange for transportation;

(b) Must comply with any Alternative Educational Plan described in the IEP for the child;

(c) Must be actively involved in the school program for the child and must participate in the development of the IEP. The foster provider may apply to be the educational surrogate of the child if requested by the parent or guardian of the child;

(d) Must consult with school personnel when there are issues with the child in school and report to the guardian and CDDP services coordinator any serious situations that may require Department involvement;

(e) Must support the child in his or her school or educational placement;

(f) Must assure the child regularly attends school or educational placement and monitor the educational progress of the child; and

(g) May sign consent to the following school related activities:

(A) School field trips within the state of Oregon;

(B) Routine social events;

(C) Sporting events;

(D) Cultural events; and

(E) School pictures for personal use only unless prohibited by the court or legal guardian.

(4) **ALTERNATE CAREGIVERS.**

(a) The foster provider must arrange for safe and responsible alternate care.

(b) A child care plan for a child in foster care must be approved by the Department, the CDDP, or DHS-CW before it is implemented. When a child is cared for by a child care provider or child care center, the provider or center must be certified as required by the State Child Care Division (ORS 657A.280) or be a certified foster provider.

(c) The foster provider must have a Relief Care Plan approved by the certifying agency or the Department when using alternate caregivers.

(d) The foster provider must assure the alternate caregivers, consultants, and volunteers are:

(A) 18 years of age or older;

(B) Capable of assuming foster care responsibilities;

(C) Present in the home;

(D) Physically and mentally capable to perform the duties of the foster provider as described in these rules;

# ADMINISTRATIVE RULES

(E) Cleared by a background check as described in OAR 411-346-0150, including a DHS-CW background check;

(F) Able to communicate with the child, individuals, agencies providing care to the child, the CDDP services coordinator, and appropriate others;

(G) Trained on fire safety and emergency procedures;

(H) Trained on the ISP, BSP, and any related protocols for the child;

(I) Able to provide the care needed for the child;

(J) Trained on the required documentation for health, safety, and behavioral needs of the child;

(K) A licensed driver and vehicle insurance in compliance with the Oregon DMV laws when transporting children by motorized vehicle;

(L) Not be a person who requires care in a foster care or group home; and

(M) Not be the parent or guardian of the child.

(e) When the foster provider uses an alternate caregiver and the child is staying at the home of the alternate caregiver, the foster provider must assure the home of the alternate caregiver meets the necessary health, safety, and environmental needs of the child.

(f) When the foster provider arranges for social activities of the child for less than 24 hours, including an overnight arrangement, the foster provider must assure that the person is responsible and capable of assuming child care responsibilities and is present at all times. The foster provider still maintains primary responsibility for the child.

## (5) FOOD AND NUTRITION.

(a) The foster provider must offer three nutritious meals daily at times consistent with those in the community.

(A) Daily meals must include food from the four basic food groups, including fresh fruits and vegetables in season, unless otherwise specified in writing by a licensed medical professional or qualified health care provider.

(B) There must be no more than a 14-hour span between the evening meal and breakfast unless snacks and liquids are served as supplements.

(C) Consideration must be given to cultural and ethnic background in food preparation.

(b) Any home canned food used must be processed according to the guidelines of Oregon State University extension services (<http://extension.oregonstate.edu/fch/food-preservation>).

(c) All food items must be used prior to the expiration date.

(d) The foster provider must implement special diets only as prescribed in writing by a licensed medical professional or qualified health care provider.

(e) The foster provider must prepare and serve meals in the foster home where the child lives. Payment for meals eaten away from the foster home (e.g. restaurants) for the convenience of the foster provider is the responsibility of the foster provider.

(f) When serving milk, the foster provider must only use pasteurized liquid or powdered milk for consumption by a child in foster care.

(g) A child who must be bottle-fed and cannot hold the bottle, or is 11 months or younger, must be held during bottle-feeding.

## (6) CLOTHING AND PERSONAL BELONGINGS.

(a) The foster provider must assure that each child has his or her own clean, well-fitting, seasonal clothing appropriate to age, gender, culture, individual needs, and comparable to the community standards.

(b) A school-age child must participate in choosing his or her own clothing whenever possible.

(c) The foster provider must allow a child to bring and acquire appropriate personal belongings.

(d) The foster provider must assure that when a child leaves the child foster home the belongings of the child, including all personal funds, medications, and personal items, remain with the child. This includes all items brought with the child and obtained while living in the child foster home.

## (7) BEHAVIOR SUPPORT AND DISCIPLINE PRACTICES.

(a) The foster provider must teach and discipline a child with respect, kindness, and understanding, using positive behavioral theory and practice. Unacceptable practices include, but are not limited to:

(A) Physical force, spanking, or threat of physical force inflicted in any manner upon the child;

(B) Verbal abuse, including derogatory remarks about the child or the family of the child that undermine the self-respect of the child;

(C) Denial of food, clothing, or shelter;

(D) Denial of visits or contacts with family members, except when otherwise indicated in the ISP or the DHS-CW case plan (if applicable);

(E) Assignment of extremely strenuous exercise or work;

(F) Threatened or unauthorized use of protective physical intervention;

(G) Threatened or unauthorized use of mechanical restraints;

(H) Punishment for bed-wetting or punishment related to toilet training;

(I) Delegating or permitting punishment of a child by another child;

(J) Threat of removal from the child foster home as a punishment;

(K) Use of shower or aversive stimuli as punishment; and

(L) Group discipline for misbehavior of one child.

(b) The foster provider must set clear expectations, limits, and consequences of behavior in a non-punitive manner.

(c) If time-out separation from others is used to manage behavior, time-out must be included on the ISP for the child and the foster provider must provide time-out in an unlocked, lighted, well-ventilated room of at least 50 square feet.

(A) The ISP must include whether the child needs to be within hearing distance or within sight of an adult during the time-out.

(B) The time limit must take into consideration the chronological age, emotional condition, and developmental level of the child.

(C) Time-out is to be used for short duration and frequency as approved by the ISP team.

(d) No child in foster care or other child in a child foster home is to be subjected to physical abuse, sexual abuse, sexual exploitation, neglect, emotional abuse, mental injury, or threats of harm as defined in ORS 419B.005 and OAR 407-045-0260.

(e) BEHAVIOR SUPPORT PLAN (BSP). For a child who has demonstrated a serious threat to self, others, or property and for whom it has been decided a BSP is needed, the BSP must be developed with the approval of the ISP team.

(f) PROTECTIVE PHYSICAL INTERVENTION. A protective physical intervention must be used only for health and safety reasons and under the following conditions:

(A) As part of the ISP team approved BSP.

(i) When protective physical intervention is employed as part of the BSP, the foster provider and alternate caregivers must complete OIS training prior to the implementation of the BSP.

(ii) The use of any modified OIS protective physical intervention must have written approval from the OIS Steering Committee prior to implementation. Documentation of the approval of the OIS Steering Committee must be maintained in the records for the child.

(B) As in a health-related protection prescribed by a physician or qualified health care provider, but only if absolutely necessary during the conduct of a specific medical or surgical procedure, or only if absolutely necessary for protection during the time that a medical condition exists.

(C) As an emergency measure if absolutely necessary to protect the child or others from immediate injury and only until the child is no longer an immediate threat to self or others.

(g) MECHANICAL RESTRAINT.

(A) The foster provider may not use mechanical restraints on a child in foster care other than car seat belts or normally acceptable infant safety products unless ordered by a physician or health care provider and with the agreement of the ISP team.

(B) The foster provider must maintain the original order of the physician or health care provider in the records for the child and forward a copy to the CDDP services coordinator and guardian.

(h) DOCUMENTATION AND NOTIFICATION OF USE OF PROTECTIVE PHYSICAL INTERVENTION.

(A) The foster provider must document the use of all protective physical interventions or mechanical restraints in an incident report. A copy of the incident report must be provided to the CDDP services coordinator and guardian.

(B) If an approved protective physical intervention is used, the foster provider must send a copy of the incident report within five working days to the CDDP services coordinator and guardian.

(C) If an emergency or non ISP team approved protective physical intervention is used, the foster provider must send a copy of the incident report within 24 hours to the CDDP services coordinator and guardian. The foster provider must make oral notification to the CDDP services coordinator and guardian no later than the next working day.

(D) The original incident report must be on file with the foster provider in the records for the child.

(E) The incident report must include:

(i) The name of the child to whom the protective physical intervention was applied;

## ADMINISTRATIVE RULES

(ii) The date, location, type, and duration of entire incident and protective physical intervention;

(iii) The name of the provider and witnesses or people involved in applying the protective physical intervention;

(iv) The name and position of the person notified regarding the use of the protective physical intervention; and

(v) A description of the incident, including precipitating factors, preventive techniques applied, description of the environment, description of any physical injury resulting from the incident, and follow-up recommendations.

(8) **MEDICAL AND DENTAL CARE.** The foster provider must:

(a) Provide care and services as appropriate to the chronological age, developmental level, and condition of the child, and as identified in the ISP;

(b) Assure that the orders of a physician, qualified health care provider, or other licensed medical professional are implemented as written;

(c) Inform the physicians or qualified health care providers of current medications and changes in health status and if the child refuses care, treatments, or medications;

(d) Inform the guardian and CDDP services coordinator of any changes in the health status of the child except as otherwise indicated in the DHS-CW Permanent Foster Care contract agreement and as agreed upon in the ISP;

(e) Obtain the necessary medical, dental, therapies, and other treatments of care including, but not limited to:

(A) Making appointments;

(B) Arranging for or providing transportation to appointments; and

(C) Obtaining emergency medical care.

(f) Have prior consent from the guardian of the child for medical treatment that is not routine, including surgery and anesthesia, except in cases where a DHS-CW Permanent Foster Care contract agreement exists;

(g) Keep current medical records. The records must include when applicable:

(A) Any history of physical, emotional, and medical problems, illnesses, and mental health status;

(B) Current orders for all medications, treatments, therapies, use of protective physical intervention, special diets, adaptive equipment, and any known food or medication allergies;

(C) Completed medication administration record (MAR) from previous months;

(D) Pertinent medical and behavioral information, such as hospitalizations, accidents, immunization records, including Hepatitis B status and previous TB tests, and incidents or injuries affecting the health, safety, or emotional well-being of the child;

(E) Documentation or other notations of guardian consent for medical treatment that is not routine including surgery and anesthesia;

(F) Record of medical appointments;

(G) Medical appointment follow-up reports provided to the foster provider; and

(H) Copies of previous mental health assessments, assessment updates including multi-axial DSM diagnosis and treatment recommendations, and progress records from mental health treatment services.

(h) Provide, when requested, copies of medical records and medication administration records to the legal guardian of the child, CDDP services coordinator, and DHS-CW caseworker; and

(i) Provide copies, as applicable, of the medical records described in subsection (8)(g)(H) of this section to a licensed medical professional prior to a medical appointment or no later than the time of the appointment with the licensed medical professional.

(9) **MEDICATIONS AND PHYSICIAN OR QUALIFIED HEALTH CARE PROVIDER ORDERS.**

(a) There must be authorization by a physician or qualified health care provider in the file for the child prior to the usage of, or implementation of, any of the following:

(A) All prescription medications;

(B) Nonprescription medications except over the counter topicals;

(C) Treatments other than basic first aid;

(D) Therapies and use of mechanical restraint as a health and safety related protection;

(E) Modified or special diets;

(F) Prescribed adaptive equipment; and

(G) Aids to physical functioning.

(b) The foster provider must have:

(A) A copy of the authorization in the format of a written order signed by a physician or a qualified health care provider; or

(B) Documentation of a telephone order by a physician or qualified health care provider with changes clearly documented on the MAR, including the name of the person giving the order, the date and time, and the name of the person receiving the telephone order; or

(C) A current prescription or label from the manufacturer as specified by the order of a physician on file with the pharmacy.

(c) A provider or alternate caregiver must carry out orders as prescribed by a physician or a qualified health care provider. Changes may not be made without the authorization of a physician or a qualified health care provider.

(d) Each medication for a child, including refrigerated medication, must be clearly labeled with the label of the pharmacist or in the originally labeled container from the manufacturer and kept in a locked location or stored in a manner that prevents access by children.

(e) Unused, outdated, or recalled medications may not be kept in the child foster home and must be disposed of in a manner that prevents illegal diversion into the possession of people other than for which the medication was prescribed.

(f) The foster provider must keep a MAR for each child. The MAR must be kept for all medications administered by the foster provider or alternate caregiver to that child, including over the counter medications and medications ordered by physicians or qualified health care providers and administered as needed (PRN) for the child.

(g) The MAR must include:

(A) The name of the child in foster care;

(B) A transcription of the written order of the physician or licensed health care provider, including the brand or generic name of the medication, prescribed dosage, frequency, and method of administration;

(C) A transcription of the printed instructions from the package for topical medications and treatments without an order from a physician or licensed health care provider;

(D) Times and dates of administration or self-administration of the medication;

(E) Signature of the person administering the medication or the person monitoring the self-administration of the medication;

(F) Method of administration;

(G) An explanation of why a PRN medication was administered;

(H) Documented effectiveness of any PRN medication administration;

(I) An explanation of all medication administration or documentation irregularities; and

(J) Any known allergy or adverse drug reactions and procedures that maintain and protect the physical health of the child placed in the foster home.

(h) Any errors in the MAR must be corrected by circling the error and then writing on the back of the MAR what the error was and why.

(i) Treatments, medication, therapies, and special diets must be documented on the MAR when not used or applied according to the order of a physician or licensed health care provider.

(j) **SELF-ADMINISTRATION OF MEDICATION.** For any child who is self-administering medication, the foster provider must:

(A) Have documentation that a training program was initiated with approval of the ISP team or that training for the child was unnecessary;

(B) Have a training program that provides for retraining when there is a change in dosage, medication, and time of delivery;

(C) Provide for an annual review, at a minimum as part of the ISP process, upon completion of the training program;

(D) Assure that the child is able to handle his or her own medication regime;

(E) Keep medications stored in a locked area inaccessible to others; and

(F) Maintain written documentation of all training in the medical record for the child.

(k) The foster provider may not use alternative medications intended to alter or affect mood or behavior, such as herbals or homeopathic remedies, without direction and supervision of a licensed health care provider.

(l) Any medication that is used with the intent to alter the behavior of a child must be documented in the ISP for the child.

(m) **BALANCING TEST.** When a psychotropic medication is first prescribed and annually thereafter, the foster provider must obtain a signed balancing test from the prescribing health care provider using the Balancing Test Form from the Department. Foster providers must present the physician or health care provider with a full and clear description of the behavior and symptoms to be addressed as well as any side effects observed.

(n) PRN prescribed psychotropic medication is prohibited.

## ADMINISTRATIVE RULES

(o) A mental health assessment by a qualified mental health professional or licensed medical professional must be completed, except as noted in subparagraph (A) of this subsection, prior to the administration of a new medication for more than one psychotropic or any antipsychotic medication to a child in foster care.

(A) A mental health assessment is not required in the following situations:

- (i) In a case of urgent medical need;
- (ii) For a substitution of a current medication within the same class;

or

- (iii) A medication order given prior to a medical procedure.

(B) When a mental health assessment is required, the foster provider:

(i) Must notify the DHS-CW caseworker when the child is in legal custody of DHS-CW; or

(ii) Must arrange for a mental health assessment when the child is a voluntary care placement.

(C) The mental health assessment:

(i) Must have been completed within three months prior to the prescription; or

(ii) May be an update of a prior mental health assessment that focuses on a new or acute problem.

(D) Whenever possible, information from the mental health assessment must be communicated to the licensed medical professional prior to the issuance of a prescription for psychotropic medication.

(p) Within one business day after receiving a new prescription or knowledge of a new prescription for psychotropic medication for the child in foster care, the foster provider must notify:

(A) The CDDP services coordinator; and

(B) The parent of the child when the parent retains legal guardianship or the person who has legal guardianship; or

(C) DHS-CW when DHS-CW is the legal guardian of the child.

(q) The notification from the foster provider to the parent or guardian and the CDDP services coordinator must contain:

(A) The name of the prescribing physician or qualified health care provider;

(B) The name of the medication;

(C) The dosage, any change of dosage, suspension, or discontinuation of the current psychotropic medication;

(D) The dosage administration schedule prescribed; and

(E) The reason the medication was prescribed.

(r) The foster provider must get a written informed consent prior to filling a prescription for any new psychotropic medication except in a case of urgent medical need from DHS-CW when DHS-CW is the legal guardian.

(s) The foster provider must cooperate as requested, when a review of psychotropic medications is indicated.

(10) DIRECT NURSING SERVICES. When direct nursing services are provided to a child, the foster provider must:

(a) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the child; and

(b) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and the registered nurse.

(11) COMMUNITY NURSING SERVICES.

(a) Community nursing services include:

(A) Nursing assessments, including medication reviews;

(B) Care coordination;

(C) Monitoring;

(D) Delegation and training of nursing tasks to a foster provider or alternate caregiver;

(E) Teaching and education of the foster provider and identifying supports that minimize health risks while promoting the autonomy of a child and self-management of healthcare; and

(F) Collateral contact with a services coordinator regarding the community health status of a child to assist in monitoring safety and well-being and to address needed changes to the ISP for the child.

(b) After an initial nursing assessment, a nursing reassessment must be completed every six months or sooner if a change in medical condition requires an update to the Nursing Service Plan.

(c) Community nursing services exclude direct nursing care.

(d) A Nursing Service Plan must be present when Department funds are used for community nursing services. A services coordinator must authorize the provision of community nursing services as identified in an ISP.

(e) When community nursing services are provided to a child, the foster provider must:

(A) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the child; and

(B) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

(f) A registered nurse providing community nursing services must comply with:

(A) Provider record and documentation requirements referenced in OAR 407-120-0100 -1505 for financial, clinical, and other records including the Provider Enrollment Agreement and electronic billing procedures;

(B) Department direct contracts (if applicable); and

(C) Service record requirements outlined in this rule.

(12) DELEGATION AND SUPERVISION OF NURSING TASKS.

Nursing tasks must be delegated by a registered nurse to a foster provider or alternate caregiver in accordance with the rules of the Oregon State Board of Nursing in OAR chapter 851, division 047.

(a) The delegation process includes:

(A) Assessing a child in a specific situation;

(B) Evaluating the ability of the foster provider or alternate caregiver to perform the nursing task;

(C) Teaching the nursing task;

(D) Ensuring supervision of the foster provider or alternate caregiver; and

(E) Re-evaluating the nursing task at regular intervals.

(b) The foster provider or substitute caregiver performs nursing tasks under the delegated authority of a registered nurse.

(13) CHILD RECORDS.

(a) GENERAL INFORMATION OR SUMMARY RECORD. The provider must maintain a record for each child in the home. The record must include:

(A) The name, date of entry into the foster home, date of birth, gender, religious preference, and guardianship status of the child;

(B) The names, addresses, and telephone numbers of the guardian, family, or other significant person of the child;

(C) The name, address, and telephone number of the preferred primary health care provider, designated back up health care provider and clinic, dentist, preferred hospital, medical card number and any private insurance information, and Oregon Health Plan choice of the child;

(D) The name, address, and telephone number of the school program for the child; and

(E) The name, address, and telephone number of the CDDP services coordinator and representatives of other agencies providing services to the child.

(b) EMERGENCY INFORMATION. The foster provider must maintain emergency information for each child receiving foster care services in the child foster home. The emergency information must be kept current and must include:

(A) The name of the child;

(B) The address and telephone number of the child;

(C) The physical description of the child, which may include a picture and the date it was taken, and identification of:

(i) The race, gender, height, weight range, hair, and eye color of the child; and

(ii) Any other identifying characteristics that may assist in identifying the child if the need arises, such as marks or scars, tattoos, or body piercing.

(D) Information on the abilities and characteristics of the child including:

(i) How the child communicates;

(ii) The language the child uses or understands;

(iii) The ability of the child to know how to take care of bodily functions; and

(iv) Any additional information that may assist a person not familiar with the child to understand what the child may do for him or herself.

(E) The health support needs of the child including:

(i) Diagnosis;

(ii) Allergies or adverse drug reactions;

(iii) Health issues that a person needs to know when taking care of the child;

(iv) Special dietary or nutritional needs such as requirements around textures or consistency of foods and fluids;

## ADMINISTRATIVE RULES

(v) Food or fluid limitations due to allergies, diagnosis, or medications the child is taking that may be an aspiration risk or other risk for the child;

(vi) Additional special requirements the child has related to eating or drinking such as special positional needs or a specific way foods or fluids are given to the child;

(vii) Physical limitations that may affect the ability of the child to communicate, respond to instructions, or follow directions;

(viii) Specialized equipment needed for mobility, positioning, or other health related needs;

(ix) The emotional and behavioral support needs of the child including:

(I) Mental health or behavioral diagnosis and the behaviors displayed by the child; and

(II) Approaches to use when supporting the child to minimize emotional and physical outbursts.

(x) Any court ordered or guardian authorized contacts or limitations;

(xi) The supervision requirements of the child and why; and

(xii) Any additional pertinent information the provider has that may assist in the care and support of the child if a natural or man-made disaster occurs.

(c) EMERGENCY PLANNING. The foster provider must post emergency telephone numbers in close proximity to all phones utilized by the foster provider or alternate caregivers. The posted emergency telephone numbers must include:

(A) Telephone numbers of the local fire, police department, and ambulance service if not served by a 911 emergency services; and

(B) The telephone number of any emergency physician and additional people to be contacted in the case of an emergency.

(d) WRITTEN EMERGENCY PLAN.

(A) Foster providers must develop, maintain, update, and implement a written Emergency Plan for the protection of all children in foster care in the event of an emergency or disaster. The Emergency Plan must:

(i) Be practiced at least annually. The Emergency Plan practice may consist of a walk-through of the responsibilities of the foster provider and alternative caregiver.

(ii) Consider the needs of the child and address all natural and human-caused events identified as a significant risk for the child foster home such as a pandemic or an earthquake.

(iii) Include provisions and sufficient supplies, such as sanitation and food supplies, to shelter in place when unable to relocate for a minimum of three days under the following conditions:

(I) Extended utility outage;

(II) No running water;

(III) Inability to replace food supplies; and

(IV) An alternate caregiver is unable to provide relief care or additional support and care.

(iv) Include provisions for evacuation and relocation that identifies:

(I) The duties of the alternate caregivers during evacuation, transporting, and housing of the child, including instructions to notify the parent or legal guardian of the child, the Department or the designee of the Department, the CDDP services coordinator, and DHS-CW as applicable, of the plan to evacuate or the evacuation of the child foster home as soon as the emergency or disaster reasonably allows;

(II) The method and source of transportation;

(III) Planned relocation sites that are reasonably anticipated to meet the needs of the child;

(IV) A method that provides people unknown to the child the ability to identify each child by the name of the child and to identify the name of the supporting provider for the child; and

(V) A method for tracking and reporting to the Department or the designee of the Department and the local CDDP, the physical location of each child in foster care until a different entity resumes responsibility for the child.

(v) Address the needs of the child including provisions to provide:

(I) Immediate and continued access to medical treatment, information necessary to obtain care, treatment, food, and fluids for the child during and after an evacuation and relocation;

(II) Continued access to life sustaining pharmaceuticals, medical supplies, and equipment during and after an evacuation and relocation;

(III) Behavior support needs anticipated during an emergency; and

(IV) The supports needed to meet the life-sustaining and safety needs of the child.

(B) The foster provider must provide and document all training to alternate caregivers regarding the responsibilities of the alternate caregiver for implementing the Emergency Plan.

(C) The foster provider must re-evaluate and revise the Emergency Plan at least annually or when there is a significant change in the child foster home.

(D) The foster provider must complete the Emergency Plan Summary, on the form supplied by the Department, and must send the Emergency Plan Summary to the Department annually and upon change of foster provider or location of the child foster home.

(e) INDIVIDUAL SUPPORT PLAN (ISP). Within 60 days of placement, the ISP for a child must be prepared and updated at least annually.

(A) If requested by the child or guardian, the foster provider must participate with the ISP team in the development and implementation of the ISP to address the behavior, medical, social, financial, safety, and other support needs of the child.

(B) Prior to, or upon entry to, or exit from the child foster home, the foster provider must participate in the development and implementation of a Transition Plan for the child.

(i) The Transition Plan must include a summary of the services necessary to facilitate the adjustment of the child to the child foster home or after care plan; and

(ii) Identify the supports necessary to ensure the health, safety, and any assessments and consultations needed for ISP development.

(f) FINANCIAL RECORDS.

(A) The foster provider must maintain a separate financial record for each child. Errors must be corrected with a single strike through and initialed by the person making the correction. The financial record must include:

(i) The date, amount, and source of all income received on behalf of the child;

(ii) The room and board fee that is paid to the foster provider at the beginning of each month;

(iii) The date, amount, and purpose of funds disbursed on behalf of the child; and

(iv) The signature of the person making the entry.

(B) Any single transaction over \$25 purchased with the personal funds of the child, unless otherwise indicated in the ISP for the child, must be documented in the financial record for the child and include the receipt.

(C) The ISP team may address how the personal spending money of a child is managed.

(D) If the child has a separate commercial bank account, records from the account must be maintained with the financial record for the child.

(E) The personal funds of a child must be maintained in a safe manner and separate from the funds of other members of the household.

(F) Misuse of funds may be cause for suspension, revocation, or denial of renewal of the child foster home certificate.

(g) PERSONAL PROPERTY RECORD.

(A) The foster provider must maintain a written record of the property of a child of monetary value of more than \$25 or that has significant personal value to the child, parent, or guardian, or as determined by the ISP team. Errors must be corrected with a single strike through and initialed by the person making the correction.

(B) Personal property records are not required for children who have a court approved Permanent Foster Care contract agreement unless requested by the guardian of the child.

(C) The personal property record must include:

(i) The description and identifying number, if any;

(ii) The date when the child brought in the personal property or made a new purchase;

(iii) The date and reason for the removal from the record; and

(iv) The signature of the person making the entry.

(h) EDUCATIONAL RECORDS. The foster provider must maintain the following educational records when available:

(A) The report cards for the child;

(B) Any reports received from the teacher or the school;

(C) Any evaluations received as a result of educational testing or assessment; and

(D) Disciplinary reports regarding the child.

(i) Child records must be available to representatives of the Department, the certifying agency, and DHS-CW conducting inspections or investigations, as well as to the child, if appropriate, and the guardian or other legally authorized people.

# ADMINISTRATIVE RULES

(j) Child records must be kept for a period of three years. If a child moves or the foster home closes, copies of pertinent information must be transferred to the new home of the child.

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 360:

(1) "Abuse" means:

- (a) Abuse of a child as defined in ORS 419B.005; and
- (b) Abuse of an adult as defined in OAR 407-045-0260.

(2) "Abuse Investigation and Protective Services" means the reporting and investigation activities as required by OAR 407-045-0300 and any subsequent services or supports necessary to prevent further abuse as required by OAR 407-045-0310.

(3) "Administrator Review" means the Director of the Department reviews a decision upon request, including the documentation related to the decision, and issues a determination.

(4) "Adult" means an individual 18 years or older with an intellectual or developmental disability.

(5) "Adult Foster Home (AFH)" means any family home or facility licensed by the Department in which residential care and services are provided in a home-like environment for compensation to five or fewer adults

who are not related to the provider by blood, marriage, or adoption. An adult foster home does not include any house, institution, hotel, or other similar living situation that supplies room or board only, if no individual thereof requires any element of care.

(6) "Adult Foster Home for Individuals with Intellectual or Developmental Disabilities (AFH-DD)" means an adult foster home licensed by the Department to provide residential care and services to support individuals with intellectual or developmental disabilities.

(7) "Advance Directive" or "Advance Directive for Health Care" means the legal document signed by an individual or the legal representative of the individual that provides health care instructions in the event the individual is no longer able to give directions regarding his or her wishes. The Advance Directive gives the individual the means to control his or her own health care in any circumstance. An Advance Directive for Health Care does not include Physician Orders for Life-Sustaining Treatment (POLST).

(8) "Advocate" means a person other than a paid caregiver who has been selected by an individual or the legal representative of the individual to help the individual understand and make choices in matters relating to identification of needs and choices of services, especially when rights are at risk or have been violated.

(9) "AFH" means "adult foster home" as defined in this rule.

(10) "AFH-DD" means an "adult foster home for individuals with intellectual or developmental disabilities" as defined in this rule.

(11) "Aids to Physical Functioning" means any special equipment prescribed for an individual by a physician, therapist, or dietician that maintains or enhances the physical functioning of the individual.

(12) "Applicant" means a person who completes an application for an adult foster home license who is also the owner of the business or a person who completes an application to become a resident manager. The term applicant includes a co-applicant (if applicable).

(13) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210 (Criminal Records and Abuse Check for Providers).

(14) "Bill of Rights" means civil, legal, or human rights afforded to individuals in an adult foster home that are in accordance with those rights afforded to all other U.S. citizens including, but not limited to, those rights delineated in the Adult Foster Home Bill of Rights for individuals with intellectual or developmental disabilities described in OAR 411-360-0170.

(15) "Care" means supportive services that encourage maximum individual independence and enhance the quality of life for an individual including, but not limited to:

(a) Provision of 24-hour supervision, being aware of the whereabouts of the individual, and ensuring the health, safety, and welfare of the individual;

(b) Assistance with activities of daily living, such as bathing, dressing, grooming, eating, money management, transportation, socialization, recreation, and medication management; and

(c) Monitoring the activities of the individual to ensure the health, safety, and welfare of the individual.

(16) "Career Development Plan" means the part of an ISP that identifies the employment goals and objectives for an individual, the services and supports needed to achieve those goals, the people, agencies, and providers assigned to assist the individual to attain those goals, the obstacles to the individual working in an individualized job in an integrated employment setting, and the services and supports necessary to overcome those obstacles.

(17) "Caregiver" means any person responsible for providing care and services to support individuals. A caregiver includes a provider, resident manager, and any temporary, substitute, or supplemental caregiver or other person designated to provide care and service to support individuals in an adult foster home for individuals with intellectual or developmental disabilities.

(18) "Case Management" means an organized service to assist individuals to select, obtain, and utilize resources and services.

(19) "Centers for Medicare and Medicaid Services (CMS)" means the federal agency within the United States Department of Health and Human Services responsible for the administration of Medicaid and the Health Insurance Portability and Accountability Act (HIPAA) and overseeing Medicaid programs administered by the states through survey and certification.

(20) "CDDP" means "Community Developmental Disability Program" as defined in OAR 411-320-0020.

(21) "Chemical Restraint" means the use of a psychotropic drug or other drugs for punishment or to modify behavior in place of a meaningful behavior or treatment plan.

## ADMINISTRATIVE RULES

(22) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, service providers, services, and service settings. Personal outcomes, goals, and activities are supported in the context of balancing the rights, risks, and personal choices of the individual. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated orally, through sign language, or by other communication methods.

(23) "CMS" means "Centers for Medicare and Medicaid Services".

(24) "Community Nursing Services" mean the nursing services that focus on the chronic and ongoing health and safety needs of an individual. Community nursing services include an assessment, monitoring, delegation, training, and coordination of services. Community nursing services are provided according to the rules in OAR chapter 411, division 048 and the Oregon State Board of Nursing rules in OAR chapter 851.

(25) "Compensation" means monetary or in-kind payments by or on behalf of an individual to a provider in exchange for room and board, care, and services as indicated in the ISP. Compensation does not include the voluntary sharing of expenses between or among roommates.

(26) "Complaint" means an allegation that a licensee or caregiver has violated these rules or an expression of dissatisfaction with a service provider, the services provided, or the condition of an adult foster home.

(27) "Complaint Investigation" means the investigation of any complaint that has been made to a proper authority that is not covered by an abuse investigation.

(28) "Condition" means a provision attached to a new or existing license that limits or restricts the scope of the license or imposes additional requirements on the licensee.

(29) "Controlled Substance" means any drug classified as schedules one through five under the Federal Controlled Substance Act.

(30) "Crisis" means "crisis" as defined in OAR 411-320-0020.

(31) "Day Care" means care, assistance, and supervision of an individual who does not stay overnight. Individuals receiving day care services are included in the licensed capacity of a home as described in OAR 411-360-0060.

(32) "Delegation" means that a registered nurse authorizes a provider, resident manager, or substitute caregiver to perform nursing tasks in selected situations and confirms that authorization in writing. Delegation may only occur after a registered nurse follows all steps of the delegation process as outlined in OAR chapter 851, division 047. Delegation by a physician is also allowed.

(33) "Denial" means the refusal of the Department to issue a license to operate an adult foster home for individuals with intellectual or developmental disabilities because the Department has determined that an applicant or the home is not in compliance with one or more of these rules.

(34) "Department" means the Department of Human Services or the designee of the Department.

(35) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(36) "Direct Nursing Services" means the provision of individual-specific advice, plans, or interventions by a nurse at a home based on the nursing process as outlined by the Oregon State Board of Nursing. Direct nursing service differs from administrative nursing services. Administrative nursing services include non-individual-specific services, such as quality assurance reviews, authoring health related agency policies and procedures, or providing general training for caregivers.

(37) "Director" means the Director of the Department or the designee of the Director.

(38) "Disaster" means an occurrence beyond the control of a licensee, whether natural, technological, or man-made that renders a home uninhabitable on a temporary, extended, or permanent basis.

(39) "Domestic Animals" mean the animals domesticated so as to live and breed in a tame condition, such as dogs, cats, and domesticated farm stock.

(40) "Enjoin" means to prohibit by judicial order.

(41) "Entity" means a person, a trust or estate, a partnership, a corporation (including associations, joint stock companies, and insurance companies), a state, or a political subdivision or instrumentality, including a municipal corporation.

(42) "Entry" means admission to a licensed adult foster home for individuals with intellectual or developmental disabilities.

(43) "Exempt Area" means a county where there is a county agency that provides similar programs for licensing and inspection of adult foster homes that the Director finds are equal to or superior to the requirements of ORS 443.705 to 443.825 and that the Director has exempted from the

license, inspection, and fee provisions described in 443.705 to 443.825. Exempt area county licensing rules require review and approval by the Director prior to implementation.

(44) "Exit" means termination or discontinuance of a Department-funded developmental disability service by a Department licensed or certified provider.

(45) "Facility" means the physical structure of an adult foster home for individuals with intellectual or developmental disabilities.

(46) "Founded Report" means the determination by the Department or Law Enforcement Authority (LEA), based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to a person alleged to have engaged in the conduct.

(47) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors, choices and preferences, service and support needs, strengths, and goals; and

(C) Determines the service level.

(b) The functional needs assessment for an individual residing in an adult foster home for individuals with intellectual or developmental disabilities is known as the Support Needs Assessment Profile (SNAP). The Department incorporates Version 14a of the SNAP dated March 31, 2014 into these rules by this reference. The SNAP is maintained by the Department at <http://www.oregon.gov/dhs/dd/rebar/pages/assess-afc.aspx>. Printed copies may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rule Coordinator, 500 Summer Street NE, Salem, OR 97301.

(48) "Guardian" means the parent of an individual less than 18 years of age or a person or agency appointed and authorized by a court to make decisions about services for an individual. A paid provider for an individual may not be the guardian of the individual.

(49) "Hearing" means a contested case hearing subject to OAR 137-003-0501 to 137-003-0070, which results in a final order.

(50) "Home" means the physical structure of an adult foster home for individuals with intellectual or developmental disabilities.

(51) "Homelike" means an environment that promotes the dignity, security, and comfort of individuals through the provision of personalized care and services to support and encourage independence, choice, and decision making by the individuals.

(52) "House Rules" means the written and posted statements governing house activities in an adult foster home that do not conflict with the Adult Foster Home Bill of Rights.

(53) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving an individual.

(54) "Independence" means the extent to which an individual exerts control and choice over his or her own life.

(55) "Indirect Ownership Interest" means an ownership interest in an entity that has an ownership interest in the disclosing entity.

(56) "Individual" means an adult residing in an adult foster home for individuals with intellectual or developmental disabilities, regardless of source of compensation.

(57) "Individualized Education Plan" means the written plan of instructional goals and objectives developed in conference with an individual less than 21 years of age, the parent or legal representative of the individual (as applicable), teacher, and a representative of the public school district.

(58) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(59) "Involuntary Transfer" means a provider has made the decision to transfer an individual and the individual or the legal representative of the individual has not given prior approval.

(60) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects the services and supports that are important for the individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for service providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, state plan, or natural supports.

## ADMINISTRATIVE RULES

(61) “ISP Team” means a team composed of an individual receiving services and the legal representative of the individual, services coordinator or personal agent, and others chosen by the individual or the legal representative of the individual, such as providers or family members.

(62) “Legal Representative” means a person who has the legal authority to act for an individual. The term “legal representative” includes the guardian of an individual, as well as:

(a) For health care decisions, a court-appointed guardian, a health care representative under an Advance Directive for Health Care, or a power of attorney for health care.

(b) For financial decisions, a court-appointed conservator, an agent under a power of attorney, or a representative payee.

(63) “License” means a document granted by the Department to an applicant who is in compliance with the requirements of these rules.

(64) “Licensee” means the person who is issued a license, whose name is on the license, and who is responsible for the operation of an adult foster home. The licensee of an adult foster home does not include the owner or lessor of the building in which the adult foster home is situated unless the owner or lessor of the building is the provider.

(65) “Limited License” means a license is issued to a licensee who intends to provide care and services for compensation to a specific individual who is unrelated to the licensee but with whom the licensee has an established relationship of no less than one year.

(66) “Liquid Resource” means cash or those assets that may readily be converted to cash, such as a life insurance policy that has a cash value, stock certificates, or a guaranteed line of credit from a financial institution.

(67) “Mandatory Reporter”:

(a) Means any public or private official as defined in OAR 407-045-0260 who:

(A) Is a provider, resident manager, caregiver, or volunteer who, while acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult.

(B) Is a provider, resident manager, caregiver, or volunteer who comes in contact with a child with or without an intellectual or developmental disability and has reasonable cause to believe the child has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the child, regardless of whether or not the knowledge of the abuse was gained in the official capacity of the public or private official.

(b) Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, attorney, or guardian ad litem appointed under 419B.231 is not required to report if the communication is privileged under 40.225 to 40.295.

(68) “Marijuana” means all parts of the plant Cannabis family Moraceae, whether growing or not, the resin extracted from any part of the plant, and every compound, manufacture, salt derivative, mixture, or preparation of the plant or its resin. Marijuana does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted there from), fiber, oil, or cake, or the sterilized seed of the plant which is incapable of germination. “Legal medical marijuana” refers to the use of marijuana authorized under the Oregon Medical Marijuana Act (OMMA), ORS 475.300 to 475.346.

(69) “Mechanical Restraint” means any mechanical device, material, object, or equipment that is attached or adjacent to the body of an individual that the individual cannot easily remove or easily negotiate around that restricts freedom of movement or access to the body of the individual.

(70) “Mental Health Assessment” means the assessment used to determine the need for mental health services by interviewing an individual and obtaining all pertinent biopsychosocial information as identified by the individual, the family of the individual and collateral sources. A mental health assessment:

(a) Addresses the condition presented by the individual;

(b) Determines a diagnosis; and

(c) Provides treatment direction and individualized services and supports.

(71) “Modified Diet” means the texture or consistency of food or drink is altered or limited, such as no nuts or raw vegetables, thickened fluids, mechanical soft, finely chopped, pureed, or bread only soaked in milk.

(72) “Monitoring” means the periodic review of the implementation of services and supports identified in an Individual Support Plan and the quality of services delivered by other organizations.

(73) “Natural Supports” mean the voluntary resources available to an individual from the relatives, friends, significant others, neighbors, roommates, and the community of the individual that are not paid for by the Department.

(74) “Nursing Service Plan” means the plan that is developed by a registered nurse based on an initial nursing assessment, reassessment, or an update made to a nursing assessment as the result of a monitoring visit.

(a) The Nursing Service Plan is specific to an individual and identifies the diagnoses and health needs of the individual and any service coordination, teaching, or delegation activities.

(b) The Nursing Service Plan is separate from the ISP and any service plans developed by other health professionals.

(75) “Occupant” means any person residing in or using the facilities of an adult foster home including the individuals, licensee, resident manager, friends, family members, a person receiving day care services, and room and board tenants.

(76) “OHP Plus” means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b).

(77) “OIS” means the “Oregon Intervention System”. OIS is the system of providing training to people who work with designated individuals to provide elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques that are used to maintain health and safety.

(78) “OSIP-M” means “Oregon Supplemental Income Program-Medical” as described in OAR 461-001-0030. OSIP-M is Oregon Medicaid insurance coverage for individuals who meets the eligibility criteria described in OAR chapter 461.

(79) “Over the Counter Topical” means a medication that is purchased without a prescription and is applied to the skin and not in an orifice.

(80) “Ownership Interest” means the possession of equity in the capital, stock, or profits of an adult foster home. A person with an ownership or control interest means a person or corporation that:

(a) Has an ownership interest totaling 5 percent or more in a disclosing entity;

(b) Has an indirect ownership interest equal to 5 percent or more in a disclosing entity;

(c) Has a combination of direct and indirect ownership interests equal to 5 percent or more in a disclosing entity;

(d) Owns an interest of 5 percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least 5 percent of the value of the property or assets of the disclosing entity;

(e) Is an officer or director of a disclosing entity that is organized as a corporation; or

(f) Is a partner in a disclosing entity that is organized as a partnership.

(81) “Personal Agent” means “personal agent” as defined in OAR 411-340-0020.

(82) “Protection” means necessary actions taken as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of an individual.

(83) “Protective Physical Intervention” means any manual physical holding of or contact with an individual that restricts freedom of movement.

(84) “Provider” means any person operating an adult foster home, such as a licensee or resident manager. “Provider” does not include caregivers or the owner or lessor of the building in which an adult foster is situated unless the owner or lessor of the building is also the operator of the adult foster home.

(85) “Provider Enrollment” means an agreement between the Department and a Medicaid provider to provide room and board and care and services for compensation to support a Medicaid eligible individual in an adult foster home.

(86) “Provisional License” means a 60-day license issued in an emergency situation when a licensed provider is no longer overseeing the operation of an adult foster home. A provisional license is issued to a qualified person who meets the standards of OAR 411-360-0070 and 411-360-0110.

(87) “Psychotropic Medication” means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

# ADMINISTRATIVE RULES

(88) "Qualified Entity Initiator (QEI)" has the meaning set forth in OAR 407-007-0210 (Criminal Records and Abuse Checks for Providers).

(89) "Qualified Mental Health Professional" means a licensed medical practitioner or any other person meeting the qualifications specified in OAR 309-019-0125.

(90) "Relief Care" means the intermittent services that are provided on a periodic basis for the relief of, or due to the temporary absence of, a person normally providing care and services to support an individual. Relief care may include 24-hour relief care or hourly relief care. Individuals receiving relief care are included in the licensed capacity of a home as described in OAR 411-360-0060.

(91) "Reside" means for a person to live in an adult foster home for a permanent or extended period of time. For the purpose of a background check, a person is considered to reside in a home if the visit of the person is for four consecutive weeks or greater.

(92) "Resident Manager" means an employee of a licensee approved by the Department, who resides in an adult foster home and is directly responsible for the care and services to support individuals on a day-to-day basis.

(93) "Respite" means "relief care" as defined in this rule.

(94) "Revocation" means the action taken by the Department to rescind an adult foster home license after the Department has determined that the provider is not in compliance with one or more of these rules.

(95) "Room and Board" means receiving compensation for the provision of meals, a place to sleep, laundry, basic utilities, and housekeeping to a person that does not need assistance with activities of daily living. Room and board facilities for two or more people are required to register with the Department as described in OAR chapter 411, division 068, unless registered with the local authority having jurisdiction. Room and board does not include provision of care.

(96) "Self-Preservation" in relation to fire and life safety means the ability of an individual to respond to an alarm without additional cues and reach a point of safety without assistance.

(97) "Services" mean the activities and supports that assist an individual to develop appropriate skills to increase or maintain his or her level of functioning. Services available in the community and arranged for by the provider may include mental health services, rehabilitation services, social services, activities of daily living, medical, dental, other health care services, educational services, financial management services, legal services, vocational services, transportation, recreational and leisure activities, and other services required to meet the needs of the individual as described in the ISP for the individual.

(98) "Services Coordinator" means "services coordinator" as defined in OAR 411-320-0020.

(99) "Special Diet" means the specially prepared food or particular types of food that are specific to the medical condition or diagnosis of an individual and in support of an evidence-based treatment regimen.

(100) "Subject Individual" means:

(a) Any person 16 years of age or older, including:

(A) A licensed adult foster home provider and provider applicant;

(B) A person intending to work in or currently working in an adult foster home, including but not limited to a substitute caregiver and a potential substitute caregiver in training;

(C) A volunteer if allowed unsupervised access to an individual; and

(D) An occupant, excluding an individual, residing in or on the premises of a proposed or currently licensed adult foster home, including:

(i) A member of the household;

(ii) A room and board tenant; and

(iii) A person visiting for four consecutive weeks or greater.

(b) Subject individual does not apply to:

(A) An individual of the adult foster home or a visitor of an individual;

(B) A person who resides or works in an adult foster home who does not have:

(i) Regular access to the home for meals;

(ii) Regular use of the appliances or facilities of the adult foster home; or

(iii) Unsupervised access to an individual or the personal property of an individual.

(C) A person providing services to an individual that is employed by a private business not regulated by the Department.

(101) "Substantiated" means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(102) "Substitute Caregiver" means any person who provides care and services in an adult foster home under the jurisdiction of the Department that is left in charge of the individuals for any period of time and has access to the individuals' records.

(103) "Support" means the assistance that an individual requires, solely because of the effects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(104) "Suspension" means an immediate, temporary withdrawal of the approval to operate an adult foster home after the Department determines a provider or home is not in compliance with one or more of these rules or there is a threat to the health, safety, or welfare of individuals.

(105) "Tenant" means an individual who resides in an adult foster home and receives services such as meal preparation, laundry, and house-keeping.

(106) "These Rules" mean the rules in OAR chapter 411, division 360.

(107) "Transfer" means movement of an individual from one home to another home administered or operated by the same provider.

(108) "Transition Plan" means the written plan of services and supports for the period of time between the entry of an individual into an adult foster home and the development of an ISP for the individual. The Transition Plan is approved by a services coordinator and includes a summary of the services necessary to facilitate adjustment to the adult foster home, the supports necessary to ensure health and safety, and the assessments and consultations necessary for ISP development.

(109) "Unusual Incident" means any incident involving an individual that includes an act of physical aggression, serious illness or an accident, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, death, when an individual contacts the police or is contacted by the police, a fire requiring the services of a fire department, or any incident requiring an abuse investigation.

### Standards and Practices for Health Care

(1) INDIVIDUAL HEALTH CARE. An individual must receive care and services that supports and promotes the health and well-being of the individual as follows:

(a) The AFH-DD must ensure each individual has a primary physician or primary licensed health care provider whom the individual or the legal representative of the individual has chosen from among qualified providers.

(b) The AFH-DD must ensure each individual receives a medical evaluation by a licensed health care provider no less than every two years or as recommended by the licensed health care provider.

(c) The AFH-DD must monitor the health status and physical conditions of each individual and take action in a timely manner in response to identified changes or conditions that may lead to deterioration or harm.

(d) A written and signed order from a physician or licensed health care provider is required prior to the use or implementation of any of the following:

(A) Prescription medications;

(B) Non-prescription medications except over the counter topicals;

(C) Treatments other than basic first aid;

(D) Modified or special diets;

(E) Adaptive equipment; and

(F) Aids to physical functioning.

(e) The provider must implement the order of a physician or licensed health care provider.

(f) Injections may be self-administered by the individual or administered by a relative of the individual, a currently licensed registered nurse, a

## ADMINISTRATIVE RULES

licensed practical nurse under registered nurse supervision, or the provider, resident manager, or substitute caregiver who has been trained and is monitored by a physician or delegated by a registered nurse in accordance with the rules of the Board of Nursing in OAR chapter 851, division 47. Documentation regarding the training or delegation must be maintained in the record for the individual.

### (2) REQUIRED DOCUMENTATION.

(a) A provider must maintain and keep current records on each individual to aid physicians, licensed health care providers, the CDDP, and the Department in understanding the medical history of the individual. Such documentation must include:

(A) A list of known health conditions, medical diagnoses, any known allergies, immunizations, Hepatitis B status, previous TB tests, incidents or injuries affecting the health, safety, or emotional well-being of the individual, and history of emotional or mental health status that may be pertinent to current care and services;

(B) A record of visits and appointments to licensed health care providers that includes documentation of the consultation, any treatment provided, and any follow-up reports provided to the provider;

(C) A record of known hospitalizations and surgeries;

(D) Current signed orders for all medications, treatments, therapies, special diets, and adaptive equipment;

(E) Medication administration records (MARs);

(F) Documentation of the consent from the legal representative of the individual for medical treatment that is not routine including surgery and anesthesia; and

(G) Copies of previous mental health assessments and assessment updates, including multi-axial DSM diagnosis, treatment recommendations, and progress records for mental health treatment services.

(b) When requested, copies of medical records and MARs must be provided to the legal guardian, Department caseworker, or services coordinator.

(3) MEDICATION PROCUREMENT AND STORAGE. All medications must be:

(a) Kept in the original containers;

(b) Labeled by the dispensing pharmacy, product manufacturer, or physician, as specified by the written order of a physician or licensed health care provider; and

(c) Kept in a secured, locked container and stored as indicated by the product manufacturer.

### (4) MEDICATION ADMINISTRATION.

(a) All medications and treatments must be recorded on an individualized MAR. The MAR must include:

(A) The name of the individual;

(B) A transcription of the written order of the physician or licensed health care provider including the brand or generic name of the medication, prescribed dosage, frequency, and method of administration;

(C) For over the counter topical medications without a written order from a physician or licensed health care provider, a transcription of the printed instructions from the topical medication package;

(D) Times and dates of administration or self-administration of the medication;

(E) Signature of the person administering the medication or the person monitoring the self-administration of the medication;

(F) Method of administration;

(G) An explanation of why a PRN (as needed) medication was administered;

(H) Documented effectiveness of any PRN (as needed) medication administration;

(I) An explanation of all medication administration or documentation irregularities; and

(J) Documentation of any known allergy or adverse drug reaction.

(b) Any errors in the MAR must be corrected with a circle of the error and the initials of the person making the correction.

### (5) SELF-ADMINISTRATION OF MEDICATION.

(a) For individuals who independently self-administer medications, there must be a plan as determined by the ISP team for the periodic monitoring and review of the self-administration of medications.

(b) The AFH-DD must ensure that individuals able to self-administer medications keep the medications in a place unavailable to other individuals residing in the AFH-DD and store the medications as recommended by the product manufacturer.

### (6) USE OF MEDICAL MARIJUANA.

(a) Prior to using medical marijuana in an AFH-DD, an individual must:

(A) Possess a valid OMMP registry card. A copy of the current OMMP registry card for the individual must be made available to the provider and maintained in the individual's record;

(B) Provide a copy of the written statement by the physician that indicates medical marijuana may mitigate the symptoms of the qualifying condition of the individual and includes instructions for the use of medical marijuana;

(C) Be responsible for obtaining the marijuana from an OMMP approved third party grower who is not the provider, caregiver, resident manager, or any other occupant in or on the premises of the AFH-DD; and

(D) Sign an agreement that the individual understands that:

(i) Marijuana is not allowed to be grown by any person in or on the premises of the AFH-DD;

(ii) A participant in the OMMP may not possess more than one ounce of marijuana at any one time while in or on the premises of the AFH-DD;

(iii) Medical marijuana may only be administered by ingesting it with food and by a vaporizer. If assistance with administration is necessary, the individual must agree to arrange for a "designated primary caregiver". The designated primary caregiver must be authorized by the OMMP and identified on the OMMP registry card for the individual;

(iv) A provider, caregiver, resident manager, or any occupants of the AFH-DD cannot be designated as the OMMP-approved designated primary caregiver of the individual and identified on the OMMP registry card for the individual;

(v) A provider, caregiver, resident manager, or any occupants of the AFH-DD cannot assist with the preparation, administration, or delivery of medical marijuana;

(vi) The individual must maintain any equipment used to administer marijuana;

(vii) Marijuana must be kept in locked storage in the bedroom of the individual when not being administered;

(viii) The individual must immediately notify the OMMP of any change in status such as a change in address, designated primary caregiver, or person responsible for the marijuana grow site. A copy of the updated OMMP registry card for the individual must be made available to the provider for the record of the individual; and

(ix) Failure to comply with Oregon laws, Oregon rules, or the house rules of the AFH-DD may result in additional action.

(b) An individual must comply with the Oregon Medical Marijuana Act, the rules for the OMMP in OAR chapter 333, division 8, these rules, and any other requirements for the OMMP.

(c) An individual must self-administer medical marijuana by ingesting the marijuana or inhaling the marijuana with a vaporizer. Smoking marijuana in or on the premises of the AFH-DD is prohibited. Marijuana must be administered privately in a room that is not shared with another person. The individual may not have visitors, other individuals, or any other person in this private space while self-administering the marijuana.

(d) An individual must designate a grower to provide the marijuana as necessary. The grower must not be the provider, resident manager, caregiver, or any occupant in or on the premises of the AFH-DD. The grower designated by the individual must be authorized by OMMP and identified on the OMMP registry card for the individual.

(A) The designated grower for individuals being served in the foster care system must accommodate the specific needs related to the dispensation and tracking of the controlled substance. Not more than 28 grams at a time may be stored on the property of the AFH-DD per card holder. The remainder of the OMMP card holder's marijuana must be stored at the site of the grower.

(B) Each 28 grams, as needed, must be packaged in an airtight container clearly dated and labeled as to the total amount in grams with the name of the OMMP card holder. The container must be stored in a locked cabinet as is done with all controlled medications. Each administration must be tracked on the individual's MAR as to dosage in grams as weighed on a scale, date, and time of day.

(e) A provider, caregiver, resident manager, or any other occupants in or on the premises of the AFH-DD must not prepare or in any way assist with the administration or procurement of an individual's marijuana. The provider must monitor the individual's usage of medical marijuana to ensure safety and to document that the individual's use of medical marijuana is in compliance with the physician's instructions for using marijuana as documented in the individual's ISP.

(f) If a provider, resident manager, or caregiver also has an OMMP card for medical purposes, a substitute caregiver must be available to support the individuals when the provider, resident manager, or caregiver is under the influence of the medical marijuana. Any OMMP card holder in or

## ADMINISTRATIVE RULES

on the premises of the AFH-DD must not smoke marijuana in or on the premises of the AFH-DD but may ingest the marijuana or inhale the marijuana with a vaporizer.

### (7) PSYCHOTROPIC MEDICATIONS.

(a) Psychotropic medications and medications for behavior must be:

(A) Prescribed by a physician or licensed health care provider through a written order; and

(B) Monitored by the prescribing physician, licensed health care provider, ISP team, and provider for desired responses and adverse consequences.

(b) A provider, resident manager, or any caregiver may not discontinue, change, or otherwise alter the prescribed administration of a psychotropic medication for an individual without direction from a licensed health care provider.

(c) A provider, resident manager, or any caregiver may not use alternative medications intended to alter or affect mood or behavior, such as herbals or homeopathic remedies, without direction and supervision of a licensed health care provider.

(d) PRN (as needed) psychotropic medication orders are not allowed.

(e) PSYCHOTROPIC MEDICATIONS FOR YOUNG ADULTS. A qualified mental health professional or a licensed health care provider must provide a mental health assessment prior to any young adult being prescribed one or more psychotropic medications or any antipsychotic medication.

(A) A mental health assessment is not required in the following situations:

- (i) In case of urgent medical need;
- (ii) For a change in the delivery system of the same medication;
- (iii) For a change in medication within the same classification;
- (iv) A one-time medication order given prior to a medical procedure;

or

(v) An anti-epileptic medication prescribed for a seizure disorder.

(B) When a mental health assessment is required, the provider must notify and inform the following of the need for a mental health assessment:

(i) The parent who retains legal guardianship of the young adult, the legal guardian of the young adult, or the caseworker of the Department when the Department is the legal guardian of the young adult; and

(ii) The services coordinator.

(C) The required mental health assessment:

(i) Must be completed within three months prior to the prescription of a psychotropic medication; or

(ii) May be an update of a prior mental health assessment that focuses on a new or acute problem.

(D) Information from the mental health assessment must be provided to the licensed health care provider prior to the issuance of a prescription for a psychotropic medication.

(E) Within one business day after receiving a new prescription or knowledge of a new prescription for a psychotropic medication for the young adult, the provider must notify:

(i) The parent who retains legal guardianship of the young adult, the legal guardian of the young adult, or the caseworker of the Department when the Department is the legal guardian of the young adult; and

(ii) The services coordinator.

(F) The notification described in subsection (E) of this section must contain:

(i) The name of the prescribing physician or licensed health care provider;

(ii) The name of the medication;

(iii) The dosage, any change of dosage, or suspension or discontinuation of the current psychotropic medication;

(iv) The dosage administration schedule prescribed; and

(v) The reason the medication was prescribed.

(G) The provider must get a written informed consent from one of the following prior to filling a prescription for any new psychotropic medication, except in case of urgent medical need:

(i) The parent who retains legal guardianship of the young adult;

(ii) The legal guardian of the young adult; or

(iii) The Department when the Department is the legal guardian of the young adult.

(H) When a young adult has more than two prescriptions for psychotropic medications, an annual review of the psychotropic medications must occur by a licensed health care provider or a qualified mental health professional who has the authority to prescribe drugs, such as the Oregon Medicaid Drug Use Review Program.

(f) BALANCING TEST. When a psychotropic medication is first prescribed and annually thereafter, the provider must obtain a signed balancing test from the prescribing licensed health care provider using the Balancing Test Form maintained by the Department, or by inserting the required form content into a form maintained by the provider.

(A) The provider must present the physician or licensed health care provider with a full and clear description of the behavior and symptoms to be addressed, as well as any side effects observed; and

(B) The provider must keep signed copies of the balancing test in the medical record for the individual for seven years.

### (8) MEDICATION SAFEGUARDS.

(a) Safeguards to prevent adverse effects or medication reactions must be utilized and include:

(A) Whenever possible, obtaining all prescription medication for an individual, except samples provided by the licensed health care provider, from a single pharmacy that maintains a medication profile for the individual;

(B) Maintaining information about each desired effects and side effects of the medication; and

(C) Ensuring that medications prescribed for one individual are not administered to, or self-administered by, another individual or caregiver.

(b) An individual's record must include documentation of the reason when all medications may not be provided through a single pharmacy.

(9) MEDICATION DISPOSAL. All unused, discontinued, outdated, recalled, and contaminated medications including over-the-counter medications may not be kept in the AFH-DD and must be disposed of within 10 days of expiration, discontinuation, or the knowledge of the provider of recall or contamination. A provider may contact the local DEQ waste management company in the area for instructions on proper disposal of medications. Disposal of all controlled medications must be documented and witnessed by at least one other person who is 18 years of age or older. A written record of the disposal of the medication must be maintained that includes documentation of:

(a) Date of disposal;

(b) Description of the medication, including dosage, strength, and amount being disposed;

(c) Name of the individual for whom the medication was prescribed;

(d) Reason for disposal;

(e) Method of disposal;

(f) Signature of the person disposing of the medication; and

(g) For controlled medications, the signature of a witness to the disposal.

(10) DIRECT NURSING SERVICES. When direct nursing services are provided to an individual the provider must:

(a) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the individual; and

(b) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

### (11) COMMUNITY NURSING SERVICES.

(a) Community nursing services include:

(A) Nursing assessments, including medication reviews;

(B) Care coordination;

(C) Monitoring;

(D) Delegation and training of nursing tasks to a provider, resident manager, or substitute caregiver;

(E) Teaching and education of the provider and identifying supports that minimize health risks while promoting the autonomy of an individual and self-management of healthcare; and

(F) Collateral contact with a services coordinator regarding the community health status of an individual to assist in monitoring safety and well-being and to address needed changes to the ISP for the individual.

(b) After an initial nursing assessment, a nursing reassessment must be completed every six months or sooner if a change in medical condition requires an update to the Nursing Service Plan.

(c) Community nursing services exclude direct nursing care.

(d) A Nursing Service Plan must be present when Department funds are used for community nursing services. A services coordinator must authorize the provision of community nursing services as identified in an ISP.

(e) When community nursing services are provided to an individual the provider must:

(A) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the individual; and

# ADMINISTRATIVE RULES

(B) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

(f) A registered nurse providing community nursing services must comply with:

(A) Provider record and documentation requirements referenced in OAR 407-120-0100 -1505 for financial, clinical, and other records including the Provider Enrollment Agreement and electronic billing procedures;

(B) Department direct contracts (if applicable); and

(C) Service record requirements outlined in this rule.

(12) DELEGATION AND SUPERVISION OF NURSING TASKS.

Nursing tasks must be delegated by a registered nurse to a provider, resident manager, and a substitute caregiver in accordance with the rules of the Oregon State Board of Nursing in OAR chapter 851, division 47.

(a) The delegation process includes:

(A) Assessing an individual in a specific situation;

(B) Evaluating the ability of the provider, resident manager, or substitute caregiver to perform the nursing task;

(C) Teaching the nursing task;

(D) Ensuring supervision of the provider, resident manager, or substitute caregiver; and

(E) Re-evaluating the nursing task at regular intervals.

(b) The provider, resident manager, or substitute caregiver performs nursing tasks under the delegated authority of a registered nurse.

### Documentation and Record Requirements

(1) INDIVIDUAL RECORDS. A record must be developed, kept current, and available on the premises of the AFH-DD for each individual admitted to the AFH-DD.

(a) The provider must maintain a summary sheet for each individual in the AFH-DD. The summary sheet must include:

(A) The name of the individual, current and previous address, date of entry into the AFH-DD, date of birth, gender, marital status, religious preference, preferred hospital, Medicaid prime and private insurance number (if applicable), and guardianship status; and

(B) The name, address, and telephone number of:

(i) The legal representative, family, advocate, or other significant person;

(ii) The primary licensed health care provider preferred by the individual and designated back up licensed health care provider or clinic;

(iii) The dentist preferred by the individual;

(iv) The day program or employer (if any);

(v) The services coordinator; and

(vi) Other representatives providing care and services to the individual.

(b) EMERGENCY INFORMATION. The provider must maintain emergency information for each individual receiving care and services in the AFH-DD in addition to the individual summary sheet identified in subsection (a) of this section. The emergency information must be kept current and must include:

(A) The name of the individual;

(B) The name, address, and telephone number of the provider;

(C) The address and telephone number of the AFH-DD where the individual resides if different from that of the provider;

(D) The physical description of the individual, which may include a picture of the individual with the date the picture was taken, and identification of:

(i) The race, gender, height, weight range, hair, and eye color of the individual; and

(ii) Any other identifying characteristics that may assist in identifying the individual such as marks or scars, tattoos, or body piercings.

(E) Information on the abilities and characteristics of the individual including:

(i) How the individual communicates;

(ii) The language the individual uses and understands;

(iii) The ability of the individual to know how to take care of bodily functions; and

(iv) Any additional information that may assist a person not familiar with the individual to understand what the individual can do for him or herself.

(F) The health support needs of the individual including:

(i) Diagnosis;

(ii) Allergies or adverse drug reactions;

(iii) Health issues that a person needs to know when taking care of the individual;

(iv) Special dietary or nutritional needs such as requirements around textures or consistency of foods and fluids;

(v) Food or fluid limitations due to allergies, diagnosis, or medications the individual is taking that may be an aspiration risk or other risk for the individual;

(vi) Additional special requirements the individual has related to eating or drinking such as special positional needs or a specific way foods or fluids are given to the individual;

(vii) Physical limitations that may affect the ability of the individual to communicate, respond to instructions, or follow directions; and

(viii) Specialized equipment needed for mobility, positioning, or other health related needs.

(G) The emotional and behavioral support needs of the individual including:

(i) Mental health or behavioral diagnosis and the behaviors displayed by the individual; and

(ii) Approaches to use when dealing with the individual to minimize emotional and physical outbursts.

(H) Any court ordered or guardian authorized contacts or limitations;

(I) The supervision requirements of the individual and why; and

(J) Any additional pertinent information the provider has that may assist in the care and services to support the individual if a natural or man-made disaster occurs.

(c) Individual records must be made available to representatives of the Department conducting inspections or investigations as well as to individuals to whom the information pertains, the legal representative of the individual, or other legally authorized people.

(d) Individual records must be kept by the provider for a period of at least three years. When an individual moves or an AFH-DD closes, copies of pertinent information must be transferred to the new place of residence for the individual.

(e) Providers must comply with ORS 179.505 in all other matters pertaining to confidential records and release of information.

(2) INDIVIDUAL ACCOUNT RECORDS. For those individuals not yet capable of managing money as determined by the ISP team or legal representative of the individual, the provider must prepare, maintain, and keep current a separate and accurate written record of all money received or disbursed on behalf of or by the individual.

(a) The account record must include:

(A) The date, amount, and source of income received;

(B) The date, amount, and purpose of funds disbursed; and

(C) The signature of the provider or caregiver making each entry.

(b) Purchases of \$10.00 or more made on behalf of an individual must be documented by receipts unless an alternate amount is otherwise specified by the ISP team.

(c) Personal Incidental Funds (PIF) are to be used at the discretion of the individual for things such as clothing, video games, and snacks (not part of daily diet) as addressed in the ISP for the individual.

(d) Each account record must include the disposition of the room and board fee that the individual pays to the provider at the beginning of each month.

(e) REIMBURSEMENT TO INDIVIDUAL. The provider must reimburse the individual any funds that are missing due to theft or mismanagement on the part of the provider, resident manager, or caregiver of the AFH-DD, or for any funds within the custody of the provider that are missing. Such reimbursement must be made within 10 working days of the verification that funds are missing.

(f) Financial records must be maintained for at least seven years.

(3) PERSONAL PROPERTY RECORD. A provider must prepare and maintain an accurate individual written record of personal property that has significant emotional or monetary value to each individual as determined by a documented ISP team or legal representative decision. The personal property record must include:

(a) The description and identifying number (if any);

(b) Date of inclusion in the record;

(c) Date and reason for removal from record;

(d) Signature of provider making each entry; and

(e) A signed and dated annual review of the personal property record for accuracy.

(4) INDIVIDUAL SUPPORT PLAN. A health and safety transition plan must be developed for an individual at the time of entry for the first 60 days of care and services. A complete ISP must be developed by the end of

# ADMINISTRATIVE RULES

60 days. The ISP must be updated at least annually and more often when the support needs of the individual change.

(a) A completed ISP must be documented on the Department-mandated Foster Care ISP Form and include the following:

(A) What is most important to the individual and what works and doesn't work;

(B) The care, services, and support needs as identified by a functional needs assessment;

(C) The type and frequency of care, services, and supports to be provided; and

(D) The person responsible for carrying out the care, services, and supports.

(b) As of July 1, 2014, a Career Development Plan must be attached to the ISP of an adult in accordance with OAR 411-345-0160.

(c) For an individual in employment services, day support activities, or other Department-funded day services, a copy of the plan maintained by the service provider for employment services, day support activities, or other Department-funded services must be integrated or attached to the ISP for the individual.

(d) The ISP must include at least six hours of activities each week that are of interest to the individual that do not include television or movies made available by the provider. Activities are those available in the community and made available or offered by the provider or the CDDP.

(A) Activities may include:

(i) Recreational and leisure activities; and

(ii) Other activities required to meet the needs of an individual as described in the ISP for the individual.

(B) Activities may not include:

(i) Day support activities;

(ii) Rehabilitation;

(iii) Educational services; or

(iv) Employment services.

(5) HOUSE RULES.

(a) A provider must establish house rules regarding hours, visitors, designated smoking areas, alcohol, use and presence of medical marijuana, meal times, use of telephones and kitchen, monthly charges and services to be provided, and policies on refunds in case of departure, hospitalization, or death. The house rules must also include:

(A) House rules specific to the immediate notification of substantiated abuse as described in OAR 411-360-0210; and

(B) Any restrictions the AFH-DD may have on the use and presence of alcohol, tobacco, medical marijuana (if applicable), pets, visiting hours, dietary restrictions, or religious preference.

(i) Use of tobacco must be in compliance with the Oregon Indoor Clean Air Act and OAR 411-360-0130.

(ii) Use and presence of medical marijuana must be in compliance with the Oregon Medical Marijuana Act and OAR 411-360-0140. The house rules for medical marijuana must be reviewed and approved by the Department. If an individual intends to use medical marijuana in the AFH-DD, the house rules for medical marijuana must be signed and dated by the individual or the legal representative of the individual and included in the record for the individual.

(b) House rules may not violate the rights of an individual as stated in ORS 430.210, 443.739, OAR 411-318-0010, and described in section (9) of this rule.

(c) House rules may not be in conflict with the family atmosphere of the AFH-DD or any of these rules.

(d) House rules are subject to review and approval by the Department prior to the issuance of a license and prior to implementing changes.

(e) A provider must discuss and provide a copy of the house rules to each individual and the legal representative of the individual at the time of entry and annually or as changes occur. The provider must document in the file for the individual that a copy of the house rules was provided.

(f) House rules must be posted in a conspicuous location in the AFH-DD that is accessible to individuals and visitors.

(6) UNUSUAL INCIDENTS. A written report of all unusual incidents relating to an individual must be sent to the CDDP within five working days of the incident. The report must include how and when the incident occurred, who was involved, what action was taken by the provider or caregiver, the outcome to the individual, and what action is being taken to prevent the reoccurrence of the incident.

(7) GENERAL INFORMATION. The provider must maintain all other information or correspondence pertaining to the individual.

(8) MONTHLY PROGRESS NOTES. The provider must maintain and keep current monthly progress notes for each individual residing in the

AFH-DD that include, at a minimum, the progress of the ISP supports, any medical, behavioral, or safety issues, or any other events that are significant to the individual.

(9) BILL OF RIGHTS FOR INDIVIDUALS.

(a) The provider must abide by the Bill of Rights for individuals.

(b) The Bill of Rights must be posted in a conspicuous location in the AFH-DD that is accessible to individuals and the legal representatives of the individuals. The Bill of Rights must include the name and phone number of the office to call in order to report a complaint.

(c) The provider must explain and provide a copy of the Bill of Rights along with a description of how to exercise these rights to each individual and the legal representative of the individual at the time of entry and document in the file for the individual that a copy of the Bill of Rights was provided.

(d) The provider must review the Bill of Rights with each individual and the legal representative of the individual annually or as changes occur.

(e) The Bill of Rights states each individual has the right to:

(A) Be treated as an adult with respect and dignity;

(B) Be free from abuse and neglect;

(C) Be encouraged and assisted to exercise constitutional and legal rights as a citizen including the right to vote;

(D) Receive appropriate care and services and prompt health care as needed;

(E) Have adequate personal privacy and privacy to associate and communicate privately with any person of choice such as family members, friends, advocates, and legal, social service, and medical professionals;

(F) Send and receive personal mail unopened and engage in telephone conversations as explained in OAR 411-360-0130;

(G) Have access to and participate in activities of social, religious, and community groups;

(H) Be able to keep and use personal clothing and possessions as space permits;

(I) Be free of discrimination in regard to race, color, national origin, gender, sexual orientation, or religion;

(J) Manage his or her financial affairs unless determined unable by the ISP team or legally restricted;

(K) Have a safe and secure environment;

(L) Have a written agreement regarding the services to be provided;

(M) Voice grievance without fear of retaliation;

(N) Have freedom from training, treatment, mechanical or chemical restraint, or protective physical interventions except as agreed to, in writing, in the ISP for an individual;

(O) Be allowed and encouraged to learn new skills, to act on his or her own behalf to his or her maximum ability and to relate to others in an age appropriate manner;

(P) Have an opportunity to exercise choices including such areas as food selection, personal spending, friends, personal schedule, leisure activities, and place of residence;

(Q) Be free from punishment. Behavior intervention programs must be approved in writing in the ISP for an individual;

(R) Have the opportunity to contribute to the maintenance and normal activities of the household;

(S) Have access and opportunity to interact with people with or without disabilities; and

(T) Have the right to not be transferred or moved without advance notice as provided in ORS 443.739(18) and OAR 411-088-0070 and the opportunity for a hearing as provided in ORS 443.738(11)(c) and OAR 411-088-0080.

(10) AFH-DD records must be kept current and maintained by the provider and be available for inspection upon request.

(11) EMPLOYMENT RECORDS. AFH-DD records must include proof that the provider, resident manager, and any other caregivers have met the minimum qualifications as required by OAR 411-360-0110. The following documentation must be included in the AFH-DD record and made available for review upon request:

(a) Completed employment applications including the names, addresses, and telephone numbers of all caregivers employed by the provider. An application for employment in an AFH-DD must include a question asking whether the person applying for employment has ever been found to have committed abuse;

(b) Proof that the provider has the approval from the Department for each subject individual, as defined in OAR 411-360-0020, to have contact with older adults, adults with disabilities, or adults with intellectual or developmental disabilities as a result of a background check as defined in OAR 407-007-0210;

# ADMINISTRATIVE RULES

(c) Proof of required training according to OAR 411-360-0120. Documentation must include the date of each training, subject matter, name of agency or organization providing the training, and number of training hours;

(d) A certificate to document completion of the Department's Basic Training Course for the provider, resident manager, and substitute caregivers;

(e) Proof of mandatory abuse report training for the provider, resident manager, and substitute caregivers;

(f) Proof of any additional training required for the specific classification of an AFH-DD or the provider, resident manager, and all caregivers; and

(g) Documentation of caregiver orientation to the AFH-DD, training of emergency procedures, training on the ISPs for individuals, and training on behavior supports and the Nursing Service Plan (if applicable).

### Standards for Admission, Transfers, Respite, Crisis Placements, Exit, and Closures

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, gender, sexual orientation, national origin, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) QUALIFICATIONS FOR DEPARTMENT-FUNDED SERVICES. An individual who enters an AFH-DD is subject to eligibility as described in this section.

(a) To become a Department-funded resident of an AFH-DD, an individual must:

(A) Be an Oregon resident;

(B) Be eligible for OHP Plus;

(C) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080;

(D) Meet the level of care as defined in OAR 411-320-0020; and

(E) Be an individual who is not receiving other Department-funded in-home or community living support.

(b) To be eligible for Department-funded relief care in an AFH-DD, an individual must:

(A) Meet the criteria in subsection (2)(a)(A-D) of this section;

(B) Be referred by a CDDP or support services brokerage; and

(C) Not be receiving 24-hour residential services for children and adults with intellectual or developmental disabilities as described in OAR chapter 411, division 325 or supported living services for adults with intellectual or developmental disabilities as described in OAR chapter 411, division 328.

(c) TRANSFER OF ASSETS.

(A) As of October 1, 2014, an individual receiving medical benefits under OAR chapter 410, division 200 requesting Medicaid coverage for services in a nonstandard living arrangement (see 461-001-0000) is subject to the rules regarding transfer of assets (see 461-140-0210 to 461-140-0300) in the same manner as if the individual was requesting these services under OSIP-M. This includes, but is not limited to, the following assets:

(i) An annuity that is evaluated according to OAR 461-145-0022;

(ii) A transfer of property when an individual retains a life estate that is evaluated according to OAR 461-145-0310;

(iii) A loan made by an individual that is evaluated according to OAR 461-145-0330; or

(iv) An irrevocable trust that is evaluated according to OAR 461-145-0540;

(B) When an individual is disqualified for a transfer of assets, the individual must receive a notice meeting the requirements of OAR 461-175-0310 in the same manner as if the individual was requesting services under OSIP-M.

(C) An individual found to have transferred assets is not eligible for adult foster care services.

(3) ENTRY. All individuals considered for entry into the AFH-DD must:

(a) Be referred by the CDDP or have prior written approval of the CDDP or Department if the services for the individual are paid for by the Department; or

(b) Be placed with the agreement of the CDDP if the individual is either private pay or not eligible for developmental disability services.

(4) DOCUMENTATION UPON ENTRY.

(a) At the time of a referral from the CDDP, a provider must be given:

(A) A copy of the eligibility determination document for an individual;

(B) A statement indicating the safety skills of the individual including the ability of the individual to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

(C) A brief written history of any behavioral challenges of the individual including supervision and support needs;

(D) The medical history of the individual and information on health care support that includes when available:

(i) The results of a physical exam made within 90 days prior to entry;

(ii) The results of any dental evaluation;

(iii) A record of immunizations;

(iv) A record of known communicable diseases and allergies; and

(v) A record of major illnesses and hospitalizations.

(E) A written record of the current or recommended medications, treatments, diets, and aids to physical functioning for the individual;

(F) Copies of documents relating to the guardianship or conservatorship of the individual, health care representation of the individual, or any other legal restrictions on the rights of the individual (if applicable);

(G) A copy of the most recent Behavior Support Plan and assessment, ISP, Nursing Service Plan, and Individualized Education Plan (if applicable); and

(H) Copies of protocols, risk tracking record, and any support documentation (if applicable).

(b) If an individual is being admitted from the family home of the individual and the information required in subsection (a) of this section is not available, the provider must assess the individual upon entry for issues of immediate health or safety and document a plan to secure the remaining information no later than 30 days after entry. The plan must include a written justification as to why the information is not available.

(5) ENTRY MEETING. An ISP team meeting must be conducted prior to an individual entering an AFH-DD. The findings of the ISP team meeting must be recorded in the file for the individual and include at a minimum:

(a) The name of the individual proposed for services;

(b) The date of the meeting and the date determined to be the date of entry for the individual;

(c) Documentation of the participants included in the meeting;

(d) Documentation of the pre-entry information required by section (4) of this rule;

(e) Documentation of the decision to serve the individual requesting services; and

(f) A written Transition Plan for no longer than 60 days after entry that includes all medical, behavior, and safety supports needed by the individual.

(6) The provider retains the right to deny the entry of any individual if the provider feels the support needs of the individual may not be met by the provider or for any other reason specifically prohibited by these rules.

(7) An AFH-DD may not be used as a site for foster care for children, adults from other agencies, or any other type of shelter or day care without the written approval of the Department.

(8) TRANSFERS.

(a) An individual may not be transferred by a provider to another AFH-DD or moved out of the AFH-DD without 30 days advance written notice to the individual, the legal representative of the individual, and the CDDP stating reasons for the transfer as provided in ORS 443.739(18) and OAR 411-088-0070, and the right of the individual to a hearing as provided in ORS 443.738(11)(c) and OAR 411-088-0080, except for a medical emergency or to protect the welfare of the individual or other individuals. Individuals may only be transferred by a provider for the following reasons:

(A) Behavior that poses a significant danger to the individual or others;

(B) Failure to make payment for care and services;

(C) The license for the AFH-DD has been suspended, revoked, not renewed, or the provider voluntarily surrendered the license;

(D) The care and service needs of the individual exceed the ability of the provider; or

(E) There is a mutual decision made by the individual, the legal representative of the individual, and the ISP team that a transfer is in the best interest of the individual and all ISP team members agree.

## ADMINISTRATIVE RULES

(b) Before a transfer, an individual must be presented with at least three appropriate placement setting options including at least two different types of residential settings.

(A) The Department or the designee of the Department may not transfer an adult from a placement setting without first complying with subsection (b) of this section.

(B) The Department or the designee of the Department is not required to present the options under subsection (b) of this section if:

(i) The Department or the designee of the Department demonstrates that three appropriate placement settings or two different types of residential settings are not available within the geographic area where the adult wishes to reside;

(ii) The adult selects a placement setting option and waives the right to be presented with the placement setting options described in subsection (b) of this section; or

(iii) The adult is at imminent risk to health or safety in the current placement setting.

(c) Individuals who object to the transfer by the AFH-DD provider must be given the opportunity for a hearing as provided in ORS 443.738(11)(c) and OAR 411-088-0080. Participants may include the individual and at the request of the individual, the provider, a family member, and the CDDP. If a hearing is requested to appeal a transfer, the individual must continue to receive the same services until the appeal is resolved.

### (9) RELIEF CARE.

(a) Relief care may be provided to one or more individuals if the addition of the individual receiving relief care in the AFH-DD does not cause the capacity of the AFH-DD as determined by OAR 411-360-0060 to exceed five. Relief care may not be provided for longer than 14 days duration without prior approval from the Department. A provider may exceed the licensed capacity of the AFH-DD by one or more individuals receiving relief care if:

(A) Approved by the Department;

(B) The capacity of the AFH-DD as determined by OAR 411-360-0060 does not exceed five; and

(C) There is adequate bedroom and living space available in the AFH-DD for the individuals receiving relief care.

(b) The provider must have information sufficient to provide for the health and safety of an individual receiving relief care that includes the following:

(A) Medications provided in a container labeled from a pharmacy or in the original container labeled from the manufacturer;

(B) A list of medications, administration times, and self-administration information as needed. Administration of medication must be documented on a MAR;

(C) Basic summary sheet for the individual that includes the following:

(i) The name of the physician of the individual and the phone number for the physician;

(ii) The name of the emergency contact person of the individual and the phone number for the emergency contact;

(iii) List of supports related to food and drink (textures, special diets, allergies, preferences);

(iv) List of supports related to health supports;

(v) List of supports related to safety including ability to adjust water temperature; and

(vi) List of supports related to challenging behaviors.

(c) On the first relief care visit of an individual, the provider must practice and document a fire drill immediately upon the arrival of the individual. For subsequent relief care visits, the provider must review the fire evacuation procedures with the individual and document the review.

(d) No use of PRN (as needed) psychotropic medications is allowed.

### (10) CRISIS SERVICES.

(a) All individuals considered for crisis services received in an AFH-DD must:

(A) Be referred by the CDDP or Department;

(B) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080; and

(C) Have a written Crisis Plan developed by the CDDP or Regional Crisis Diversion Program that serves as the justification for, and the authorization of, care, services and supports, and expenditures pertaining to an individual receiving crisis services provided under this rule.

(b) An individual receiving support services under OAR chapter 411, division 340 and receiving crisis services in an AFH-DD must have a Support Services ISP and a Support Services Brokerage Crisis Addendum upon the entry of the individual to the AFH-DD.

(c) Individuals not enrolled in support services receiving services to avert a crisis situation for less than 90 consecutive days must have a Transition Plan at the time of entry that addresses any critical information relevant to the health and safety of the individual including the current orders of a physician.

(d) An entry meeting as described in section (5) of this rule is required for an individual receiving crisis services in an AFH-DD.

(e) An exit meeting as described in section (11) of this rule is required for an individual receiving crisis services in an AFH-DD when the individual exits the AFH-DD.

(f) An individual receiving crisis services in an AFH-DD does not have appeal rights regarding exit upon completion of the Crisis Plan for the individual.

### (11) IMMEDIATE EXIT.

(a) An individual who was admitted on or after July 1, 2014 may be moved without advance notice if all of the following are met:

(A) The AFH-DD provider was not notified prior to the entry of the individual to the AFH-DD that the individual is on probation, parole, or post-prison supervision after being convicted of a sex crime; and

(B) The AFH-DD provider learns that the individual is on probation, parole, or post-prison supervision after being convicted of a sex crime; and

(C) The individual presents a current risk of harm to another individual, staff, or visitor in the AFH-DD as evidenced by:

(i) Current or recent sexual inappropriateness, aggressive behavior of a sexual nature, or verbal threats of a sexual nature; or

(ii) Current communication from the State Board of Parole and Post-Prison Supervision, Department of Corrections, or community corrections agency parole or probation officer that the Static 99 score for the individual or other assessment indicates a probable sexual re-offense risk to others in the AFH-DD.

(b) Prior to the move, the AFH-DD provider must contact the Central Office of the Department by telephone to review the criteria in subsection (a) of this section. The Department shall respond within one working day of contact by the AFH-DD. The parole or probation officer of the Department of Corrections must be included in the review, if available. The Department shall advise the AFH-DD provider if rule criteria for immediate exit are not met. The Department shall assist in locating placement options.

(c) A written move-out notice must be completed on form number SDS 0719DD. The form must be filled out in its entirety and a copy of the notice must be delivered in person to the individual or if applicable the legal representative of the individual. Where an individual lacks capacity and there is no legal representative, a copy of the notice to move-out must be immediately faxed to the State Long Term Care Ombudsman.

(d) Prior to the move, the AFH-DD licensee must orally review the notice and the right to object with the individual, or as applicable the legal representative of the individual, and determine if a hearing is requested. A request for hearing does not delay the exit. The AFH-DD must immediately telephone the Central Office of the Department when a hearing is requested. The hearing must be held within five business days of the exit of the individual. An informal conference may not be held prior to the hearing.

### (12) EXIT.

(a) A provider may only exit an individual for valid reasons equivalent to those for transfers as described in section (8)(a) of this rule or for an immediate exit as described in section (11) of this rule.

(b) The provider must give at least 30 days written notice to an individual, the services coordinator, and the Department before termination of residency, unless an immediate exit as described in section (11) of this rule or where undue delay might jeopardize the health, safety, or well-being of the individual or others. If an individual requests a hearing to appeal an exit from an AFH-DD, the individual must receive the same services until the appeal is resolved. This does not apply to an immediate exit as described in section (11) of this rule.

(c) The provider must promptly notify the CDDP in writing if an individual gives notice or plans to leave the AFH-DD or if an individual abruptly leaves. An individual is not required to give notice to an AFH-DD provider if the individual chooses to exit the AFH-DD.

(13) EXIT MEETING. An ISP team must meet before any decision to exit is made. Findings of such a meeting must be recorded in the individual's file and include at a minimum:

(a) The name of the individual considered for exit;

(b) The date of the exit meeting;

(c) Documentation of the participants included in the meeting;

(d) Documentation of the circumstances leading to the proposed exit;

# ADMINISTRATIVE RULES

(e) Documentation of the discussion of strategies to prevent the exit of the individual from the AFH-DD (unless the individual or the legal representative of the individual is requesting the exit or the individual must exit immediately as described in section (11) of this rule);

(f) Documentation of the decision regarding the exit of the individual, including verification of the voluntary decision to exit or a copy of the Notice of Involuntary Transfer or Exit; and

(g) Documentation of the proposed plan for services for the individual after the exit.

(14) **WAIVER OF EXIT MEETING.** Requirements for an exit meeting may be waived if an individual is immediately removed from the AFH-DD under the following conditions:

(a) The individual or the legal representative of an individual requests an immediate move from the AFH-DD; or

(b) The individual is removed by legal authority acting pursuant to civil or criminal proceedings.

(15) **CLOSURE.** Providers must notify the Department and CDDP in writing prior to announcing a voluntary closure of the AFH-DD to individuals and the legal representatives of the individuals.

(a) The provider must give each individual, the legal representative of the individual, and the CDDP 30 days written notice of the planned closure, except in circumstances where undue delay might jeopardize the health, safety, or welfare of the individuals, provider, or caregivers.

(b) If a provider has more than one AFH-DD, the individuals may not be shifted from one AFH-DD to another AFH-DD without providing each individual, the legal representative of the individual, and the CDDP 30 days written notice of the planned closure, unless prior approval is given and agreement obtained from the individuals, the legal representative of the individuals, and the CDDP or when undue delay might jeopardize the health, safety, or well-being of the individuals, provider, or caregivers.

(c) A provider must return the AFH-DD license to the Department if the AFH-DD closes prior to the expiration of the license.

## 411-360-0250

### Conditions

(1) The Department may attach conditions to a license that take effect immediately upon notification by the Department or the delivery of the notice of condition whichever is sooner. The type of conditions attached to an AFH-DD license must directly relate to a risk of harm or potential risk of harm to individuals. The Department may attach a condition to a license upon a finding that:

(a) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of individuals;

(b) A threat to the health, safety, or welfare of an individual exists;

(c) There is reliable evidence of abuse, neglect, or exploitation; or

(d) The AFH-DD is not being operated in compliance with these rules.

(2) Conditions that the Department may impose on a license include, but are not limited to:

(a) Restricting the total number of individuals in the AFH-DD based upon the ability of the licensee to meet the health and safety needs of the individuals;

(b) Restricting the number and impairment level of individuals in the AFH-DD based upon the capacity of the caregivers to meet the health and safety needs of all individuals;

(c) Requiring additional caregivers to meet the needs of the individuals;

(d) Requiring additional qualifications or training of the licensee and caregivers to meet specific individual care and service needs;

(e) Requiring additional documentation;

(f) Restricting a provider from opening an additional AFH-DD;

(g) Restricting admissions:

(A) When there is a threat of harm to the individuals of the AFH-DD and admitting new individuals compounds that threat; or

(B) When the Department has issued a notice of intent to revoke or not renew the license; and

(h) Restricting a licensee from allowing a person on the premises who may be a threat to the health, safety, or welfare of an individual.

(3) A written notice is issued to the licensee by the Department when the Department imposes conditions. The written notice of conditions

includes the conditions imposed by the Department, the reason for the conditions, and the opportunity to request a hearing under ORS chapter 183.

(4) The licensee may request a hearing in accordance with ORS Chapter 183 and this rule upon written notice of the imposition of conditions.

(a) The licensee must request a hearing within 21 calendar days from the receipt of the written notice of conditions. Conditions take effect immediately upon issuance of the written notice of conditions and are a final order of the Department unless later rescinded through the hearings process.

(b) In addition to, or in lieu of a hearing, a licensee may request an administrator review by the Director of the Department. The administrator review does not diminish the right of the licensee to a hearing.

(5) Conditions imposed remain in effect until the Department has sufficient cause to believe the situation that warranted the condition has been remedied. The licensee may send a written request to the Department to remove a condition if the licensee believes the situation that warranted the condition has been remedied.

(6) Conditions must be posted with the AFH-DD license in a prominent location in the AFH-DD and be available for inspection at all times.

## 411-360-0275

### Suspension

(1) The Department may suspend a license for reasons of abuse, neglect, or exploitation of an individual if:

(a) An immediate threat to the health, safety, or welfare of any individual exists;

(b) There is reliable evidence of abuse, neglect, or exploitation of any individual;

(c) The AFH-DD is not operated in compliance with ORS 443.705 to 443.825 or the rules adopted there under; or

(d) The provider has been found to have been convicted of a crime that would have resulted in a denied fitness determination of a background check.

(2) The licensee may request an administrator review of the decision of the Department to suspend an AFH-DD license. The Department must receive a written request for an administrator review within 10 calendar days from the receipt of the notice and order of suspension.

(a) Within 10 calendar days from the receipt of the request for an administrator review from the licensee, all material relating to the allegation of abuse, neglect, or exploitation and the suspension of the AFH-DD license, including any written documentation submitted by the licensee within that timeframe, is reviewed by the Director of the Department. Based on review of the material, the Director determines whether to sustain the decision to suspend the AFH-DD license.

(b) A suspension is rescinded immediately if the Director does not sustain the decision to suspend the AFH-DD license.

(c) The decision of the Director is subject to a hearing under ORS chapter 183 if requested within 90 calendar days from the date of the decision of the administrator review.

(3) In the event the license to maintain an AFH-DD is ordered immediately suspended, the Department withholds service payments until the license is reinstated.

(4) For the protection of the individuals, the Department arranges for the individuals in the AFH-DD to move when the AFH-DD license is suspended.

## 411-375-0010

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 375.

(1) “Abuse” means:

(a) For a child:

(A) “Abuse” as defined in ORS 419B.005; and

(B) “Abuse” as defined in OAR 407-045-0260 when a child resides in a home licensed to provide 24-hour residential services as described in OAR chapter 411, division 325.

(b) For an adult, “abuse” as defined in OAR 407-045-0260.

(2) “ADL” means “activities of daily living”. ADL are basic personal everyday activities, such as eating, using the restroom, grooming, dressing, bathing, and transferring.

(3) “Administrator Review” means the review of a decision as described in OAR 411-375-0080.

(4) “Background Check” means a criminal records and abuse check as defined in OAR 407-007-0210.

(5) “Burden of Proof” means that the existence or nonexistence of a fact is established by a preponderance of the evidence.

(6) “CDDP” means “Community Developmental Disability Program” as defined in OAR 411-320-0020.

(7) “CIIS” means “children’s intensive in-home services”. CIIS include the services described in:

(a) OAR chapter 411, division 300 for the Children’s Intensive In-Home Services, Behavior Program;

(b) OAR chapter 411, division 350 for medically fragile children’s services; and

(c) OAR chapter 411, division 355 for the Medically Involved Children’s Program.

(8) “Collective Bargaining Agreement” means the ratified Collective Bargaining Agreement between the Home Care Commission and the Service Employees International Union, Local 503. The Collective Bargaining Agreement is maintained on the Department’s website: ([http://www.oregon.gov/dhs/spd/Pages/adv/hcc/tools\\_hcw.aspx](http://www.oregon.gov/dhs/spd/Pages/adv/hcc/tools_hcw.aspx)). Printed copies may be obtained by calling (503) 945-6398 or writing the Department of Human Services, ATTN: Rules Coordinator, 500 Summer Street NE, E-10, Salem, Oregon 97301.

(9) “Community Transportation” is transportation provided to enable an individual to gain access to community-based state plan and waiver services, activities, and resources. Community transportation is provided in the area surrounding the home of the individual that is commonly used by people in the same area to obtain ordinary goods and services. The area is

not determined by the social or recreational groups or activities of an individual.

(10) “Comprehensive Services” means “comprehensive services” as defined in OAR 411-320-0020.

(11) “Confidentiality” means the conditions for use and disclosure of specific information governed by other laws and rules including, but not limited to, OAR 407-014-0000 to 407-014-0070 (Privacy of Protected Information).

(12) “Contracted Personal Support Worker” means a personal support worker who is contracted by an individual with an intellectual or developmental disability or the representative of the individual. A contracted personal support worker is an independent contractor except for purposes of collective bargaining.

(13) “CPMS” means the “Client Process Monitoring System” as defined in OAR 411-317-0000.

(14) “Department” means the Department of Human Services.

(15) “Designated Representative” means any adult, such as a parent, family member, guardian, advocate, or other person, authorized in writing by an individual to serve as the representative of the individual in connection with the provision of funded supports, who is not also a paid provider for the individual. An individual is not required to appoint a designated representative.

(16) “Developmental Disability” means “developmental disability” as defined in OAR 411-320-0020 and described in 411-320-0080.

(17) “Director” means the Director of the Department of Human Services, Office of Developmental Disability Services or the designee of the Director.

(18) “Employed Personal Support Worker” means a personal support worker who is hired by an individual with an intellectual or developmental disability or the representative of the individual. An employed personal support worker is not an independent contractor.

(19) “Employer” means the person who provides the employer responsibilities described in these rules and applicable in-home services rules. The employer may be the individual or a person selected by the individual or the legal representative of the individual.

(20) “Employer Representative” means the person selected by the individual or the legal representative of the individual to act on the behalf of the individual to provide the responsibilities of an employer.

(21) “Enrolled Provider” means a personal support worker who has completed the provider enrollment process, has been issued a provider number, and is authorized by the Department to receive payment for providing in-home services to an individual.

(22) “Evidence” means testimony, writings, material objects, or other things presented to the senses that are offered to prove the existence or nonexistence of a fact.

(23) “FICA” means “Federal Insurance Contributions Act”.

(24) “Fiscal Improprieties” means financial misconduct involving the money, property, or benefits of an individual.

(a) Fiscal improprieties include, but are not limited to, financial exploitation, borrowing money from an individual, taking property or money from an individual, having an individual purchase items for the personal support worker, forging the signature of an individual, falsifying payment records, claiming payment for hours not worked, or similar acts intentionally committed for financial gain.

(b) Fiscal improprieties do not include the exchange of money, gifts, or property between a personal support worker and an individual with whom the personal support worker is related unless an allegation of financial exploitation, as defined in OAR 411-020-0002 or OAR 407-045-0260, has been substantiated based on an adult protective services investigation.

(25) “Fiscal Intermediary” means a person or entity that receives and distributes service funds on behalf of an individual who employs or contracts with a personal support worker to provide in-home services.

(26) “General Business Provider” means an organization or entity selected by an individual or the representative of an individual and paid with service funds that:

(a) Is primarily in business to provide the service chosen by the individual or the representative of the individual to the general public;

(b) Provides services for the individual through employees, contractors, or volunteers; and

(c) Receives compensation to recruit, supervise, and pay the person who actually provides support for the individual.

(27) “Hearing” means a contested case hearing subject to OAR 137-003-0501 to 137-003-0070, which results in a final order.

# ADMINISTRATIVE RULES

(28) "IADL" means "instrumental activities of daily living". IADL include activities other than ADL required to continue independent living, such as:

- (a) Meal planning and preparation;
- (b) Budgeting;
- (c) Shopping for food, clothing, and other essential items;
- (d) Performing essential household chores;
- (e) Communicating by phone or other media; and
- (f) Participating in the community.

(29) "Imminent Danger" means there is reasonable cause to believe the life or physical, emotional, or financial well-being of an individual is in danger if no intervention is immediately initiated.

(30) "Independent Contractor" means "independent contractor" as defined in ORS 670.600.

(31) "Individual" means an adult or a child with an intellectual or developmental disability who receives Department-funded services in accordance with an ISP.

(32) "In-Home Services" mean the services provided in accordance with:

(a) OAR chapter 411, division 034 for state plan personal care services;

(b) OAR chapter 411, division 300 for the Children's Intensive In-Home Services, Behavior Program;

(c) OAR chapter 411, division 305 for family support services for children with intellectual or developmental disabilities;

(d) OAR chapter 411, division 308 for in-home support for children with intellectual or developmental disabilities;

(e) OAR chapter 411, division 330 for comprehensive in-home support for adults with intellectual or developmental disabilities;

(f) OAR chapter 411, division 340 for support services for adults with intellectual or developmental disabilities;

(g) OAR chapter 411, division 345 for employment services and day support activities for adults with intellectual or developmental disabilities;

(h) OAR chapter 411, division 350 for medically fragile children's services; or

(i) OAR chapter 411, division 355 for the Medically Involved Children's Program.

(33) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects the services and supports that are important for an individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for service providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, state plan, or natural supports.

(34) "Lack of Skills, Knowledge, or Ability to Adequately or Safely Provide In-Home Services" means a personal support worker does not possess the skills to perform in-home services as defined in this rule. The personal support worker may not be physically, mentally, or emotionally capable of providing in-home services. The lack of skills may put an individual at risk because the personal support worker fails to perform, or learn to perform, the duties needed to adequately meet the needs of the individual.

(35) "Legal Representative":

(a) For a child, means the parent of the child unless a court appoints another person or agency to act as the guardian of the child; and

(b) For an adult, means an attorney at law who has been retained by or for an adult individual, a power of attorney for an adult individual, or a person or agency authorized by a court to make decisions about services for an adult individual.

(36) "Mandatory Reporter":

(a) Means any public or private official as defined in OAR 407-045-0260 who:

(A) Comes in contact with a child with or without an intellectual or developmental disability and has reasonable cause to believe the child has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused a child, regardless of whether or not the knowledge of the abuse was gained in the official capacity of the public or private official; and

(B) While acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any

person whom the public or private official has reasonable cause to believe abused an adult.

(b) Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, attorney, or guardian ad litem appointed under 419B.231 is not required to report if the communication is privileged under 40.225 to 40.295.

(37) "Office of Administrative Hearings" means the panel described in ORS 183.605 to 183.690 established within the Employment Department to conduct contested case proceedings and other such duties on behalf of designated state agencies.

(38) "Personal Agent" means "personal agent" as defined in OAR 411-340-0020.

(39) "Personal Support Worker":

(a) Means a person:

(A) Who is either hired by an individual with an intellectual or developmental disability or the representative of the individual, or an independent contractor contracted by an individual with an intellectual or developmental disability or the representative of the individual;

(B) Who receives money from the Department for the purpose of providing in-home services to an individual in the home or community of the individual; and

(C) Whose compensation for providing in-home services is provided in whole or in part through the Department, CDDP, CIIS, or Support Service Brokerage.

(b) This definition of personal support worker is intended to be interpreted consistently with ORS 410.600.

(40) "Preponderance of the Evidence" means the greater weight of evidence, such as 51 percent vs. 49 percent, that when weighed with the evidence opposed to it has more convincing force and probable truth and accuracy than not.

(41) "Protective Service and Abuse Rules" mean the rules described in OAR chapter 411, division 20, OAR chapter 407, division 45, and OAR chapter 943, division 45.

(42) "Provider" means a person, organization, or business selected by an individual or the representative of an individual and paid with service funds to provide in-home services according to the ISP for the individual.

(43) "Provider Enrollment" means the process for enrolling a personal support worker employed or contracted by an individual for the purpose of receiving payment for authorized in-home services provided to the individual. Provider enrollment includes the completion and submission of a Provider Enrollment Agreement before receiving a provider number.

(44) "Provider Number" means the identifying number issued to an enrolled provider.

(45) "Registry" means the Provider Registry and Referral System maintained by the Oregon Home Care Commission.

(46) "Restricted Personal Support Worker" means the Department or the designee of the Department has placed restrictions on the provider enrollment of a personal support worker as described in OAR 411-375-0020.

(47) "Service Funds" means state public funds or Medicaid funds used to purchase developmental disability services for individuals enrolled in in-home services as defined in this rule.

(48) "Services Coordinator" means an employee of the Department, CDDP, or other agency that contracts with the county or Department who provides case management services including, but not limited to, planning, procuring, coordinating, and monitoring services.

(49) "Support Services Brokerage" means "brokerage" as defined in OAR 411-340-0020.

(50) "These Rules" mean the rules in OAR chapter 411, division 375.

(51) "Unacceptable Background Check" means a check that produces information related to the background of a person that precludes the person from being a personal support worker for one or more of the following reasons:

(a) The person applying to be a personal support worker has been disqualified under OAR 407-007-0275;

(b) The person was enrolled as a personal support worker for the first time, or after any break in enrollment, after July 28, 2009 and has been disqualified under OAR 407-007-0275; or

(c) A background check and fitness determination has been conducted resulting in a "denied" status as defined in OAR 407-007-0210.

## 411-375-0020

### Provider Enrollment and Personal Support Worker Qualifications and Orientation

(1) A personal support worker must complete the provider enrollment process and possess a current provider number issued by the Department to receive service funds from the Department for providing in-home services.

(2) Provider enrollment with the Department is not a guarantee that an enrolled provider shall receive any minimum amount of work or payment from the Department, CDDP, CIIS, or Support Service Brokerage.

(3) The Department may deny an application for provider enrollment in the following circumstances:

(a) The applicant has been suspended or terminated as a provider by another division within the Department or the Oregon Health Authority;

(b) The applicant has a history of violating protective service and abuse rules or has a founded report of child abuse or substantiated abuse;

(c) The applicant has committed fiscal improprieties;

(d) The applicant demonstrates a lack of skills, knowledge, or ability to adequately or safely provide in-home services;

(e) The applicant has an unacceptable background check and the background check results in a closed case pursuant to OAR 407-007-0325;

(f) The applicant is less than 18 years of age;

(g) The applicant is on the list of excluded or debarred providers maintained by the Office of the Inspector General (<http://exclusions.oig.hhs.gov/>);

(h) The Department, CDDP, CIIS, or Support Services Brokerage has information that enrolling the applicant as a personal support worker may put vulnerable individuals at risk; or

(i) The tax identification number or social security number for the applicant does not match the legal name of the applicant as verified by the Internal Revenue Service or Social Security Administration.

#### (4) RESTRICTED PROVIDER ENROLLMENT.

(a) The Department may enroll an applicant as a restricted personal support worker. A restricted personal support worker may only provide services to a specific individual who is a family member, neighbor, or friend.

(A) After conducting a weighing test as described in OAR 407-007-0200 to 407-007-0370, the Department may approve a restricted enrollment for an applicant with a prior criminal record, unless the applicant is disqualified under 407-007-0275.

(B) The Department may approve a restricted enrollment for an applicant based on the lack of skills, knowledge, or ability of the applicant to adequately or safely provide in-home services.

(b) To remove restricted personal support worker status, the applicant must complete a new application and background check and be approved by the Department.

(5) To be eligible to become an enrolled provider, a personal support worker must:

(a) Maintain a drug-free work place;

(b) Be at least 18 years of age;

(c) Have approval to work based on a background check completed by the Department as described in OAR 407-007-0200 to 407-007-0370 and section (7) of this rule, and be free of convictions or founded allegations of abuse by the appropriate agency including, but not limited to, the Department, CDDP, CIIS, or Support Services Brokerage;

(d) Not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275 unless hired or contracted with prior to July 28, 2009 and remaining in the original position for which the personal support worker was hired or contracted for;

(e) Be legally eligible to work in the United States;

(f) Demonstrate by background, education, references, skills, and abilities that the personal support worker is capable of safely and adequately performing the tasks specified in an ISP, with such demonstration confirmed in writing by an individual or the representative of the individual, including:

(A) Ability and sufficient education to follow oral and written instructions and keep any required records;

(B) Responsibility, maturity, and reputable character exercising sound judgment;

(C) Ability to communicate with the individual; and

(D) Training of a nature and type sufficient to ensure that the personal support worker has knowledge of emergency procedures specific to the individual;

(g) Maintain confidentiality and safeguard individual information.

Unless given specific permission by an individual or the representative of an individual, the personal support worker may not share any personal

information about the individual including medical, social service, financial, public assistance, legal, or other personal details;

(h) Not be on the list of excluded or debarred providers maintained by the Office of the Inspector General (<http://exclusions.oig.hhs.gov/>);

(i) Complete and submit a Provider Enrollment Agreement to the Department and possess a current provider number issued by the Department;

(j) Have a tax identification number or social security number that matches the legal name of the personal support worker as verified by the Internal Revenue Service or Social Security Administration; and

(k) If providing in-home services requiring professional licensure, possess a current and unencumbered license. The individual, representative of the individual, Department, CDDP, CIIS, or Support Service Brokerage must check the license status to verify the license is current and unencumbered.

#### (6) BACKGROUND CHECKS.

(a) A subject individual as defined in OAR 407-007-0210 may be approved for one position to work statewide when the subject individual is working in the same employment role with the same population. The Background Check Request Form must be completed by the subject individual to show intent to work statewide.

(b) When a personal support worker is approved without restrictions following a background check fitness determination, the approval must meet the personal support worker provider enrollment requirement whether the qualified entity is the Department, CDDP, CIIS, or Support Services Brokerage.

(c) If a personal support worker has been approved under OAR 407-007-0200 to 407-007-0370 on a background check submitted to the Department between July 1, 2012 and July 1, 2014, the personal support worker may use that approval notice to work statewide. Statewide clearance does not apply to a restricted personal support worker.

(d) Prior background check approval for another Department provider type is inadequate to meet background check requirements for personal support worker enrollment.

(e) Background check approval is effective for two years from the date a personal support worker is hired or contracted with to provide in-home services except in the following circumstances:

(A) Based on possible criminal activity or other allegations against the personal support worker, a new fitness determination is conducted resulting in a change in approval status; or

(B) The background check approval has ended because the Department has inactivated or terminated the provider enrollment for the personal support worker.

(f) The Department, CDDP, CIIS, or Support Services Brokerage may conduct a background recheck more frequently based on additional information discovered about the personal support worker, such as possible criminal activity or other allegations.

(g) A personal support worker must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and OAR 407-007-0290 to the Department, CDDP, CIIS, or Support Services Brokerage within 24 hours.

(7) ORIENTATION. A personal support worker who wants to be active for referral on the Registry must attend a New Member Orientation provided by the Oregon Home Care Commission. As indicated in the Collective Bargaining Agreement, a personal support worker who wants to be active on the Registry must attend a New Member Orientation within 90 days from the issuance of a provider number or the provider number for the personal support worker is inactivated.

### Personal Support Worker-Individual Relationship

(1) A personal support worker may not be the parent of the individual if the individual is less than 18 years of age or the spouse of the individual.

(2) The relationship between a personal support worker and an individual or the representative of the individual is:

(a) For an employed personal support worker, an employee and employer relationship; and

(b) For a contracted personal support worker, a contractor relationship.

(3) It is the responsibility of an individual or the representative of the individual to create and maintain:

(a) A written job description for each potential employed personal support worker. The job description must contain:

# ADMINISTRATIVE RULES

(A) The elements from an authorized ISP that are relevant to the position;

(B) The specific duties and available hours to provide in-home services as identified in the ISP; and

(C) Authorized hours of in-home services provided by the employed personal support worker to the individual. Authorized hours may not exceed the maximum amounts of units of service as assessed for the individual by a functional needs assessment.

(b) A written service agreement for each contracted personal support worker that describes the services and responsibilities of the contracted personal support worker. The service agreement must contain all the elements from an authorized ISP to assure the contracted personal support worker may execute the service agreement.

(4) An individual or the representative of the individual carries primary responsibility for locating, interviewing, screening, and hiring or contracting with a personal support worker. The individual or the representative of the individual has the right to employ or contract with any personal support worker enrolled as a provider as described in OAR 411-375-0020.

(a) The CDDP, CIIS, or Support Services Brokerage shall assist the Department in determining whether a personal support worker meets the minimum qualifications to provide the authorized in-home services paid by the Department. This assistance may include, but is not limited to:

(A) Facilitating a background check;

(B) Verifying the legal eligibility of a personal support worker to work; and

(C) Reviewing and verifying the valid certifications or licenses for the personal support worker if required to perform needed in-home services.

(b) The Department makes the final determination as to whether the personal support worker meets the minimum qualifications to provide the authorized in-home services paid by the Department.

(5) The terms of the employer-employee or contractor relationship are the responsibility of the individual or the representative of the individual to establish at the time of hire or written service agreement. The terms of employment may include dismissal or notice of resignation, work scheduling, and absence reporting.

## 411-375-0040

### Fiscal and Accountability Responsibility

(1) DIRECT SERVICE PAYMENTS. The Department, CDDP, CIIS, CDDP, Support Services Brokerage, or contracted fiscal intermediary makes payment to a personal support worker on behalf of an individual for all in-home services. Payment is considered full payment for the in-home services rendered. The personal support worker may not, under any circumstances, demand or receive additional payment for in-home services from the individual or any other source. The Department only makes payment for in-home services that are identified in a functional needs assessment, authorized in an ISP, and included in a written job description or contract.

(2) TIMELY SUBMISSION OF CLAIMS. In accordance with 42 CFR 447.45, all claims for in-home services must be submitted within 12 months from the date of in-home services in order to be considered for payment. A claim submitted after 12 months from the date of in-home services may not be considered for payment.

(3) CLAIM OR ENCOUNTER SUBMISSION. Submission of a claim, encounter, or other payment request document constitutes the agreement of a personal support worker that:

(a) The in-home services were provided in compliance with all applicable rules and requirements in effect on the date of service;

(b) The information on the claim, encounter, or other payment request document, regardless of the format, is true, accurate, and complete; and

(c) The personal support worker understands that payment of the claim, encounter, or other payment request document is from service funds and that any falsification or concealment of a material fact may result in prosecution under federal and state laws.

(4) ANCILLARY CONTRIBUTIONS.

(a) FICA. Acting on behalf of the individual, the Department, CDDP, CIIS, CDDP, Support Services Brokerage, or contracted fiscal intermediary shall apply any applicable FICA regulations including:

(A) Withholding the FICA contribution of the personal support worker from the payment to the personal support worker; and

(B) Submitting the FICA contribution of the individual and the amounts withheld from the payment to the personal support worker to the Social Security Administration.

(b) BENEFIT FUND ASSESSMENT. The Workers' Benefit Fund pays for programs that provide direct benefits to an injured worker and the beneficiary of the injured worker and also assists an employer in helping an injured worker return to work. The Department of Consumer and Business Services sets the Workers' Benefit Fund assessment rate for each calendar year. The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary calculates the hours rounded up to the nearest whole hour and deducts an amount rounded up to the nearest cent. Acting on behalf of the individual, the Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary:

(A) Deducts the share of the Benefit Fund assessment rate for the personal support worker for each hour or partial hour worked;

(B) Collects the share of the Benefit Fund assessment rate for the individual for each hour or partial hour of paid in-home services received; and

(C) Submits the contributions of the personal support worker and the individual to the Workers' Benefit Fund.

(c) The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary pays the unemployment tax.

(5) ANCILLARY WITHHOLDINGS. For the purposes of this subsection of the rule, "Union" means any labor organization that represents personal support workers in employment or contractor relations.

(a) The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary deducts a specified amount of fair share or dues from the monthly salary or wages of a personal support worker for payment to the Union.

(b) In order for the Union to receive payment for the fair share and dues of the personal support worker, the Union must enter into a written agreement with the Department, CDDP, Support Services Brokerage, or designated fiscal intermediary to pay the actual administrative costs of the deductions. A CDDP or Support Services Brokerage who has a written agreement with the Department must have a written agreement with a contracted fiscal intermediary.

(c) The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary pays the deducted amount of fair share and dues to the designated Union monthly.

(6) STATE AND FEDERAL INCOME TAX WITHHOLDING.

(a) The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary withholds state and federal income taxes on all payments to personal support workers as indicated in the Collective Bargaining Agreement.

(b) Employed personal support workers must complete and return a current Internal Revenue Service (IRS) W-4 form. Contracted personal support workers must complete and return a current IRS W-9 form.

(A) Personal support workers for a CDDP or Support Services Brokerage must return the IRS forms to the local office of the CDDP or Support Services Brokerage.

(B) Personal support workers for CIIS must return the IRS forms to the Central Office of the Department.

(C) The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary must apply standard income tax withholding practices in accordance with 26 CFR 31.

### Personal Support Worker Benefits and Secondary Expenses

(1) The only benefits available to personal support workers are negotiated in the Collective Bargaining Agreement and provided in Oregon Revised Statute. The Collective Bargaining Agreement does not include participation in the Public Employees Retirement System or the Oregon Public Service Retirement Plan. Personal support workers are not employees of the Department, CDDP, CIIS, or Support Services Brokerage.

(2) Workers' compensation, as defined in Oregon Revised Statute, is available to eligible personal support workers as described in the Collective Bargaining Agreement. In order to receive in-home services provided by a personal support worker, an individual or the representative of the individual must provide written authorization and consent to the Department for the provision of workers' compensation insurance for the personal support worker.

(3) TRANSPORTATION. A personal support worker may be reimbursed for providing community transportation related to in-home services if the community transportation is prior authorized by a services coordinator or personal agent and reflected in the ISP for an individual. A personal support worker providing community transportation must have a valid license to drive, a good driving record, and proof of insurance for the vehicle.

# ADMINISTRATIVE RULES

cle used to transport the individual, as well as any other license or certificate that may be required under state and local law depending on the nature and scope of the transportation.

(a) Community transportation services exclude medical transportation. Medical transportation is provided through the Division of Medical Assistance Programs (DMAP).

(b) The Department is not responsible for vehicle damage or personal injury sustained while using a personal motor vehicle for DMAP or ISP-related transportation except as may be covered by workers' compensation.

(c) Reimbursement for transporting an individual to accomplish an ADL, IADL, or health related task within the community in which the individual lives or an employment goal identified on an ISP is on a per-mile basis as outlined in the Collective Bargaining Agreement.

(4) GLOVES AND MASKS. Once all public and private resources have been exhausted, an emergency supply of protective gloves and masks must be made available to a personal support worker for the safety of the personal support worker in response to documented changing individual need as outlined in the Collective Bargaining Agreement.

### Overpayments

An overpayment is any payment made by the Department, CDDP, CIIS, or Support Services Brokerage to a personal support worker that is more than the personal support worker is authorized to receive.

(1) Overpayments are categorized as follows:

(a) ADMINISTRATIVE ERROR. The Department, CDDP, CIIS, or Support Services Brokerage failed to authorize, compute, or process the correct amount of in-home service hours or wage rate.

(b) PERSONAL SUPPORT WORKER ERROR. The Department overpays the personal support worker due to a misunderstanding or unintentional error.

(c) FRAUD. "Fraud" means taking actions that may result in the personal support worker receiving a benefit in excess of the correct amount whether by intentional deception, misrepresentation, or failure to account for payments or money received. "Fraud" also means spending payments or money the personal support worker was not entitled to and any act that constitutes fraud under applicable federal or state law (including 42 CFR 455.2). The Department of Justice, Medicaid Fraud Unit determines when a Medicaid fraud allegation is pursued for prosecution.

(2) Overpayments for employed personal support workers are recovered as follows:

(a) Overpayments are collected prior to garnishments such as child support, Internal Revenue Service back taxes, or educational loans.

(b) Administrative error or personal support worker error overpayments are recouped at no more than five percent of the total for the hours paid until repaid in full.

(c) When a fraud overpayment has occurred, the Department shall determine the manner and the amount to be recovered.

(d) When a provider is no longer employed as a personal support worker, any remaining overpayment is deducted from the final check to the provider. The provider is responsible for repaying the amount in full when the final check is insufficient to cover the remaining overpayment.

(3) Overpayments for contracted personal support workers are recovered as follows:

(a) For overpayments discovered within 10 calendar days after the overpayment, the full amount is deducted from the next payment to the contracted personal support worker.

(b) For overpayments discovered more than 10 calendar days after the overpayment, the overpayment must be repaid within 30 calendar days of the discovery of the overpayment on a schedule to be negotiated between the contracted personal support worker, services coordinator or personal agent, and the individual or the representative of the individual. The repayment period may not exceed two pay cycles. If possible, the overpayment must be repaid within the current ISP year for the individual.

(c) If a contracted personal support worker terminates his or her employment contract as a personal support worker before the overpayment has been fully recovered, any remaining amount is deducted from the final payment to the contracted personal support worker. The contracted personal support worker is responsible for repaying the amount in full when the final payment is insufficient to cover the remaining overpayment.

## 411-375-0070

### Provider Enrollment Inactivation and Termination

(1) The provider enrollment for a personal support worker may be inactivated in the following circumstances:

(a) The personal support worker has not provided any paid in-home services to an individual within the previous 12 months;

(b) The personal support worker informs the Department, CDDP, CIIS, or Support Services Brokerage that the personal support worker is no longer providing in-home services in Oregon;

(c) The personal support worker fails to participate in a New Member Orientation for personal support workers for inclusion on the Registry as described in OAR 411-375-0020;

(d) The background check for a personal support worker results in a closed case pursuant to OAR 407-007-0325;

(e) The personal support worker, even if not providing any paid in-home services to an individual, is being investigated by Adult or Child Protective Services for suspected abuse that poses imminent danger to current or future individuals; or

(f) Provider payments, all or in part, for the personal support worker have been suspended based on a credible allegation of fraud or has a conviction for fraud pursuant to federal law under 42 CFR 455.23.

(2) The Department, CDDP, CIIS, or Support Services Brokerage may terminate the provider enrollment for a personal support worker in the following circumstances:

(a) The personal support worker violates the requirement to maintain a drug-free work place by:

(A) Being intoxicated by alcohol, inhalants, prescription drugs, or other drugs, including over-the-counter medications, while responsible for the care of an individual, while in the home of the individual, or while transporting the individual; or

(B) Manufacturing, possessing, selling, offering to sell, trading, or using illegal drugs while providing authorized services to an individual or while in the home of the individual.

(b) The personal support worker has an unacceptable background check and the background check results in a closed case pursuant to OAR 407-007-0325;

(c) The personal support worker demonstrates a lack of skills, knowledge, or ability to adequately or safely provide in-home services;

(d) The personal support worker violates the protective service and abuse rules;

(e) Notwithstanding abuse as defined in OAR 407-045-0260, the personal support worker fails to safely and adequately provide authorized in-home services;

(f) The personal support worker commits fiscal improprieties including, but not limited to, billing excessive or fraudulent charges or has a conviction for fraud pursuant to federal law under 42 CFR 455.23;

(g) The personal support worker fails to provide in-home services as described in the ISP and position description;

(h) The personal support worker lacks the ability or willingness to maintain individual confidentiality;

(i) The personal support worker engages in repeated unacceptable conduct at work such as:

(A) Delay in arriving to work or absences from work not scheduled in advance with the individual or the representative of the individual that are either unsatisfactory to the individual or the representative of the individual or that neglect the service needs of the individual; or

(B) Inviting unwelcome guests or pets into the home or community with the individual resulting in the dissatisfaction of the individual or the representative of the individual or inattention to the required service needs of the individual.

(j) The personal support worker has been excluded or debarred by the Office of the Inspector General; or

(k) The personal support worker fails to provide a tax identification number or social security number that matches the legal name of the personal support worker as verified by the Internal Revenue Service or Social Security Administration.

(3) NOTICE OF TERMINATION. When the Department, CDDP, CIIS, or Support Services Brokerage decides to terminate the provider enrollment of a personal support worker, the Department, CDDP, CIIS, or Support Services Brokerage must issue a written notice to the personal support worker.

(a) The written notice must include:

(A) An explanation of the reason for terminating the provider enrollment;

(B) The alleged violation as listed in section (2) of this rule;

# ADMINISTRATIVE RULES

(C) The appeal rights of the personal support worker as described in OAR 411-375-0080 including the right to Union representation and where to file an appeal; and

(D) The effective date of the termination.

(b) For terminations based on substantiated protective services allegations, the written notice of termination may only contain the information allowed by law. In accordance with ORS 430.753, 430.763, and OAR 411-020-0030, the name of a complainant, witness, or alleged victim, and protected health information may not be disclosed.

(4) IMMEDIATE TERMINATION. The Department, CDDP, CIIS, or Support Services Brokerage may immediately terminate the provider enrollment for a personal support worker on the date an alleged violation listed in section (2) of this rule is discovered, prior to the outcome of an administrator review, when the alleged violation presents imminent danger to current or future individuals. The personal support worker must file an appeal within 10 business days from the date of the notice of termination as described in OAR 411-375-0080.

(5) TERMINATION PENDING APPEAL. When a violation does not present imminent danger to current or future individuals, the provider enrollment of a personal support worker may not be terminated during the first 10 business days to provide the opportunity for the personal support worker to file an appeal. The personal support worker must file an appeal within 10 business days from the date of the notice of termination as described in OAR 411-375-0080. If the personal support worker files an appeal in writing prior to the deadline, the provider enrollment of the personal support worker may not be terminated until the appeal is resolved unless subsequent conduct of the personal support worker presents an imminent danger to a current individual recipient of in-home services provided by the personal support worker.

(6) TERMINATION IF NO APPEAL FILED. The decision of the Department, CDDP, CIIS, or Support Services Brokerage becomes final if a personal support worker does not request a hearing within 10 business days from the date of the notice of termination. The provider enrollment for a personal support worker is terminated once the time period for the personal support worker to request a hearing has expired.

## 411-375-0080

### Administrator Review and Hearing Rights

(1) EXCLUSIONS. The following are excluded from the appeal process described in this rule:

(a) Terminations based on a background check. The personal support worker has the right to a hearing in accordance with OAR 407-007-0200 to 407-007-0370.

(b) Personal support workers that have not worked within the previous 12 months. The provider enrollment may become inactivated but may not be terminated. To activate the provider enrollment number, the personal support worker must complete an application and background check.

(c) Personal support workers that fail to complete a background recheck.

(d) Personal support workers that are denied a provider enrollment number at the time of initial application.

(e) Personal support workers not currently providing services to any individuals whose provider enrollment is inactivated while an Adult or Child Protective Services investigation is being completed.

(f) Personal support workers who have been excluded or debarred by the Office of the Inspector General.

(2) FILING AN APPEAL. If a personal support worker decides to file an appeal, the personal support worker must specify in the appeal, the issues or decisions being appealed and the reason for the appeal. The appropriate party, as stated in the notice of termination, must receive the appeal within 10 business days of the notice of termination.

(3) INFORMAL CONFERENCE. The program manager or the designee of the program manager at the local office of the Department, CDDP, CIIS, or Support Services Brokerage must conduct an informal conference, as described in OAR 461-025-0325, if requested by a personal support worker within five business days from the receipt of an appeal. The informal conference must be scheduled with the personal support worker and, if requested, a representative of the Union. The program manager or the designee of the program manager at the local office of the Department, CDDP, CIIS, or Support Services Brokerage must meet with the personal support worker, review the facts, and explain the decision to terminate the provider enrollment. The informal conference may be held by telephone.

(4) ADMINISTRATOR REVIEW. The administrator review process allows an opportunity for the Department, CDDP, CIIS, or Support Services Brokerage to review and reconsider the decision to terminate the provider enrollment of a personal support worker. The administrator review may include the provision of new information or other actions that may result in the Department, CDDP, CIIS, or Support Services Brokerage changing the decision to terminate the provider enrollment of the personal support worker.

(a) The first level of an administrator review for a termination pending an appeal as described in OAR 411-375-0070 is performed by a program manager or the designee of the program manager at the local office of the Department, CDDP, CIIS, or Support Services Brokerage. A provider termination may be overturned at the first level of an administrator review and provider enrollment may be reinstated. If the first level of an administrator review results in a provider termination being upheld, a new notice of termination with a new effective date shall be issued to the provider by the program manager or the designee of the program manager. A provider has 10 business days from the effective date of the notice of termination to appeal the notice with the Central Office of the Department.

(b) The second level of an administrator review for a termination pending an appeal as described in OAR 411-375-0070 is performed by the Central Office of the Department. An administrator review by the Central Office of the Department is the only level of review before a hearing with the Department for an immediate termination described in OAR 411-375-0070.

(c) A written response of the outcome of an administrator review shall be sent to the personal support worker within 10 business days from the receipt of the request for an administrator review.

(d) If the administrator review determines that the decision to terminate the provider enrollment was unjustified, the provider enrollment for the personal support worker must be restored to active status and any earned benefits must be reinstated. The written response of the outcome of the administrator review must notify the personal support worker that the provider enrollment is restored.

### (5) OFFICE OF ADMINISTRATIVE HEARINGS.

(a) A personal support worker may file a request for a hearing with the Department if all levels of an administrator review have been exhausted and the personal support worker continues to dispute the decision to terminate the provider enrollment of the personal support worker.

(b) The request for a hearing must be filed with the Department within 30 calendar days of the written response of the administrator review by the Central Office of the Department as described in section (3) of this rule.

(c) The Department shall refer a request for a hearing to the Office of Administrative Hearings for scheduling a contested case hearing in accordance with OAR chapter 137, division 003.

(d) An Administrative Law Judge (ALJ) with the Office of Administrative Hearings shall determine whether the decision from the administrator review to terminate the provider enrollment is affirmed or reversed. The ALJ shall issue a final order with the decision to all appropriate parties.

(e) No additional hearing rights have been granted to personal support workers by this rule other than the right to a hearing on the decision from the administrator review to terminate the provider enrollment of a personal support worker.

(6) BURDEN OF PROOF. The Department, CDDP, CIIS, or Support Services Brokerage has the burden of proving the decision to terminate the provider enrollment of a personal support worker by a preponderance of the evidence. Evidence submitted for a hearing is governed by OAR 137-003-0050.

(7) REQUEST FOR EXTENSION TO DEADLINE. The Department, CDDP, CIIS, Support Services Brokerage, or the personal support worker may request an extension of the 10-day deadline for circumstances beyond their control if further information needs to be gathered to make a decision or there is difficulty in scheduling a meeting between the parties.

# ADMINISTRATIVE RULES

**Certified to be Effective:** 7-1-14 thru 12-28-14

**Notice Publication Date:**

**Rules Amended:** 413-015-0115, 413-015-0409, 413-015-0415, 413-015-0420, 413-015-0432, 413-015-0540, 413-015-1105, 413-015-9040, 413-200-0414

**Subject:** The Department of Human Services, Office of Child Welfare Programs, is amending rules in chapter 413 to assure consistency with and correct errors in rules that were adopted effective May 27, 2014, which implemented a Differential Response (DR) system in Oregon and updated the Oregon Safety Model (OSM) practice, and to implement changes required in SB 1548 (2014) relating to health care practitioners authorized to perform child abuse medical assessments. Specifically:

OAR 413-015-0115, which defines terms used in Child Protective Services (CPS) rules, is amended to: (1) change the definition of “domestic violence” so it is not limited to individuals age 18 and over; and (2) correct the definition of “safe” to accurately state that safe means the absence of any threats.

OAR 413-015-0409 about exceptions to completing CPS assessment activities is amended to remove a requirement that no longer applies under the Department’s current electronic information system.

OAR 413-015-0415 about CPS assessment activities is amended to make the language in paragraph (10)(b)(B) consistent with changes to ORS 419B.023(4)(a) made by Senate Bill 1548, which becomes effective July 1, 2014.

OAR 413-015-0420 about making initial contact in a CPS assessment is amended to make language internally consistent. Changes to paragraph (2)(c)(B) that went into effect May 27, 2014 refer to a decision to delay interview of an alleged perpetrator; these amendments make the language in the same sentence about documenting the decision consistent.

OAR 413-015-0432 about developing safety plans is amended to correct an error. Section (6)(d) of the rule requires that an exception granted under subsection (2)(g) of the rule be documented; the exception was removed from subsection (2)(g) effective May 27, 2014, but the documentation requirement was inadvertently left in the rule.

OAR 413-015-0540 about making initial contact in an investigation of abuse or neglect in a day care facility is amended to make the language regarding assessment of safety consistent with other OSM rule changes that went into effect May 27, 2014.

OAR 413-015-1105, which describes the purpose of the rules about Access to Law Enforcement Data System (LEDS) in Local Child Welfare Offices, is amended to make the language about threats consistent with other OSM rule changes that went into effect May 27, 2014.

OAR 413-015-9040 about CPS assessments in counties that are implementing DR is amended to correct an error. When this rule was adopted effective May 27, 2014, an exception to determining if the family has moderate to high needs when the family is a Department-certified foster parent or relative caregiver was not included but should have been included, consistent with the rule about CPS assessments that applies in counties that are not implementing DR.

OAR 413-200-0414 about Department actions during screening of reports of abuse or neglect in the home of a Department-certified foster parent or relative caregiver is amended to update the agencies to which information is provided, and with whom the Department response is coordinated, when the young adult victim has a physical, developmental, or mental disability, consistent with changes to the CPS screening and assessment rules that went into effect May 27, 2014.

## 413-015-0115

### Definitions

Unless the context indicates otherwise, these terms are defined for use in OAR chapter 413, division 015:

(1) “Caregiver” means a guardian, legal custodian, or other person acting in loco parentis, who exercises significant authority over and responsibility for a child.

(2) “Child” means a person under 18 years of age.

(3) “Child abuse or neglect” means any form of abuse, including abuse through neglect and abuse or neglect by a third party, of a person under age 18.

(4) “Child protective services” (CPS) means a specialized social service program that the Department provides on behalf of children who may be unsafe after a report of child abuse or neglect is received.

(5) “Child protective services assessment” (CPS assessment) means an investigation into a report of child abuse pursuant to ORS 419B.020, that includes activities and interventions to identify and analyze threats to child safety, determine if there is reasonable cause to believe child abuse or neglect occurred, and assure child safety through protective action plans, initial safety plans, or ongoing safety planning.

(6) “Child protective services supervisor” (CPS supervisor) means an employee of the Department trained in child protective services and designated as a supervisor.

(7) “Child protective services worker” (CPS worker) means an employee of the Department who has completed the mandatory Department training for child protective service workers.

(8) “Child Safety Meeting” means a meeting held at the conclusion of a CPS assessment for the purpose of developing an ongoing safety plan.

(9) “Children’s Care Provider” (CCP) means a DHS-licensed Residential Care Agency, Day Treatment Program, Foster Care Agency, Therapeutic Boarding School, or Outdoor Youth Program that has assumed responsibility for all or a portion of the care of a child. The term includes the CCP’s employees, agents, contractors and their employees, and volunteers.

(10) “Conditions for return” means a written statement of the specific behaviors, conditions, or circumstances that must exist within a child’s home before a child can safely return and remain in the home with an in-home initial safety plan or in-home ongoing safety plan.

(11) “Day Care Facility” means each of the following:

(a) A Registered Family Child Care Home, which is the residence of a provider who has a current Family Child Care Registration at that address and who provides care in the family living quarters.

(b) A Certified Family Child Care Home, which is a child care facility located in a building constructed as a single family dwelling that has certification to care for a maximum of 16 children at any one time.

(c) A Certified Child Care Center, which is certified to care for 13 or more children, or a facility that is certified to care for twelve or fewer children and located in a building constructed as other than a single family dwelling.

(d) A Listed Facility, which is a child care provider that is exempt from Office of Child Care licensing and that receives subsidy payments for child care on behalf of clients of the Department of Human Services.

(12) “Department” means the Department of Human Services, Child Welfare.

(13) “Department response” means how the Department intends to respond to information that a child is unsafe after a report of alleged abuse or neglect is received.

(14) “Designated medical professional” means (as described in ORS 418.747(9)) a physician, physician assistant, or nurse practitioner who has been designated by the local multi-disciplinary team and trained to conduct child abuse medical assessments (as defined in ORS 418.782), and who is — or who may designate another physician, physician assistant, or nurse practitioner who is — regularly available to conduct these medical assessments.

(15) “Domestic violence” means a pattern of coercive behavior, which can include physical, sexual, economic, and emotional abuse that an individual uses against a past or current intimate partner to gain power and control in a relationship.

(16) “Face-to-face” means an in-person interaction between individuals.

(17) “Former foster child” means a person under 21 years of age who was in substitute care at or after 16 years of age, including substitute care provided by federally recognized tribes, and had been in substitute care for at least 180 cumulative days after 14 years of age.

(18) “Guardian” means an individual who has been granted guardianship of a child through a judgment of the court.

(19) “Harm” means any kind of impairment, damage, detriment, or injury to a child’s physical, sexual, psychological, cognitive, or behavioral

## ADMINISTRATIVE RULES

development or functioning. "Harm" is the result of child abuse or neglect and may vary from mild to severe.

(20) "ICWA" means the Indian Child Welfare Act.

(21) "Impending danger safety threat" means a family behavior, condition, or circumstance that meets all five safety threshold criteria. A threat to a child that is not immediate, obvious, or occurring at the onset of the CPS intervention. This threat is identified and understood more fully by evaluating and understanding individual and family functioning.

(22) "Initial contact" means the first face-to-face contact between a CPS worker and a family. The initial contact includes face-to-face contact with the alleged child victim, his or her siblings, parent or caregiver, and other children and adults living in the home; accessing the home environment; and gathering sufficient information on the family conditions and functioning to determine if present danger safety threats or impending danger safety threats exist.

(23) "Initial safety plan" means a documented set of actions or interventions sufficient to protect a child from an impending danger safety threat in order to allow for completion of the CPS assessment.

(24) "Moderate to high needs" means observable family behaviors, conditions, or circumstances that are occurring now; and over the next year without intervention, are likely to have a negative impact on a child's physical, sexual, psychological, cognitive, or behavioral development or functioning. The potential negative impact is not judged to be severe. While intervention is not required for the child to be safe, it is reasonable to determine that short-term, targeted services could reduce or eliminate the likelihood that the negative impact will occur.

(25) "Multi-disciplinary team" (MDT) means a county child abuse investigative team as defined in ORS 418.747.

(26) "Observable" means specific, real, can be seen and described. Observable does not include suspicion or gut feeling.

(27) "Ongoing safety plan" means a documented set of actions or interventions that manage a child's safety after the Department has identified one or more impending danger safety threats at the conclusion of a CPS assessment or anytime during ongoing work with a family.

(28) "Out of control" means family behaviors, conditions, or circumstances that can affect a child's safety are unrestrained, unmanaged, without limits or monitoring, not subject to influence or manipulation within the control of the family, resulting in an unpredictable and chaotic family environment.

(29) "Personal representative" means a person who is at least 18 years of age and is selected to be present and supportive during the CPS assessment by a child who is the victim of a person crime as defined in ORS 147.425 and is at least 15 years of age at the time of the crime. The personal representative may not be a person who is a suspect in, party or witness to, the crime.

(30) "Pre-adoptive family" means an individual or individuals who:

(a) Has been selected to be a child's adoptive family; and

(b) Is in the process of legalizing the relationship to the child through the judgment of the court.

(31) "Present danger safety threat" means an immediate, significant, and clearly observable family behavior, condition, or circumstance occurring in the present tense, already endangering or threatening to endanger a child. The family behavior, condition, or circumstance is happening now and it is currently in the process of actively placing a child in peril.

(32) "Private child-caring agency" is defined in ORS 418.205, and means a "child-caring agency" that is not owned, operated, or administered by any governmental agency or unit.

(a) A "child-caring agency" means an agency or organization providing:

(A) Day treatment for disturbed children;

(B) Adoption placement services;

(C) Residential care, including but not limited to foster care or residential treatment for children;

(D) Outdoor youth programs as defined in OAR 413-215-0911; or

(E) Other similar services for children.

(b) A child-caring agency does not include residential facilities or foster care homes certified or licensed by the Department under ORS 443.400 to 443.455, 443.830, and 443.835 for children receiving developmental disability services.

(33) "Protective action plan" means an immediate, same day, short-term plan, lasting a maximum of ten calendar days, sufficient to protect a child from a present danger safety threat.

(34) "Protective capacity" means behavioral, cognitive, and emotional characteristics that can specifically and directly be associated with a person's ability and willingness to care for and keep a child safe.

(35) "Protective custody" means custody authorized by ORS 419B.150.

(36) "Reasonable suspicion" means a reasonable belief given all of the circumstances, based upon specific and describable facts, that the suspicious physical injury may be the result of abuse. Explanation: The belief must be subjectively and objectively reasonable. In other words, the person subjectively believes that the injury may be the result of abuse, and the belief is objectively reasonable considering all of the circumstances. The circumstances that may give rise to a reasonable belief may include, but not be limited to, observations, interviews, experience, and training. The fact that there are possible non-abuse explanations for the injury does not negate reasonable suspicion.

(37) "Referral" means a report that has been assigned for the purpose of CPS assessment.

(38) "Report" means an allegation of child abuse or neglect provided to the Department that the screener evaluates to determine if it constitutes a report of child abuse or neglect as defined in ORS 419B.005.

(39) "Reporter" means an individual who makes a report.

(40) "Safe" means there is an absence of present danger safety threats and impending danger safety threats.

(41) "Safety service provider" means a participant in a protective action plan, initial safety plan, or ongoing safety plan whose actions, assistance, or supervision help a family in managing a child's safety.

(42) "Safety services" mean the actions, assistance, and supervision provided by safety service providers to manage the identified present danger safety threats or impending danger safety threats to a child.

(43) "Safety threshold" means the point at which family behaviors, conditions, or circumstances are manifested in such a way that they are beyond being risk influences and have become an impending danger safety threat. In order to reach the "safety threshold" the behaviors, conditions, or circumstances must meet all of the following criteria: be imminent, be out of control, affect a vulnerable child, be specific and observable, and have potential to cause severe harm to a child. The "safety threshold" criteria are used to determine the presence of an impending danger safety threat.

(44) "School administrator" means the principal, vice principal, assistant principal, or any other person performing the duties of a principal, vice principal, or assistant principal at a school, as defined in the Teacher Standards and Practices Commission (TSPC) OAR 584-005-0005.

(45) "Screener" means a Department employee with training required to provide screening services.

(46) "Screening" means the process used by a screener to determine the Department response when information alleging abuse or neglect is received.

(47) "Severe harm" means:

(a) Significant or acute injury to a child's physical, sexual, psychological, cognitive, or behavioral development or functioning;

(b) Immobilizing impairment; or

(c) Life threatening damage.

(48) "Substance" means any controlled substance as defined by ORS 475.005, prescription medications, over-the-counter medications, or alcoholic beverages.

(49) "Suspicious physical injury" (as defined in ORS 419B.023) includes, but is not limited to:

(a) Burns or scalds;

(b) Extensive bruising or abrasions on any part of the body;

(c) Bruising, swelling, or abrasions on the head, neck, or face;

(d) Fractures of any bone in a child under the age of three;

(e) Multiple fractures in a child of any age;

(f) Dislocations, soft tissue swelling, or moderate to severe cuts;

(g) Loss of the ability to walk or move normally according to the child's developmental ability;

(h) Unconsciousness or difficulty maintaining consciousness;

(i) Multiple injuries of different types;

(j) Injuries causing serious or protracted disfigurement or loss or impairment of the function of any bodily organ; or

(k) Any other injury that threatens the physical well-being of the child.

(50) "Teacher" means (as defined in TSPC OAR 584-005-0005) a licensed or registered employee in a public school or charter school, or employed by an education service district, who has direct responsibility for instruction, coordination of educational programs, or supervision or evaluation of teachers; and who is compensated for services from public funds.

(51) "Third-party abuse" means abuse by a person who is not the child's parent, not the child's caregiver or other member of the child's

# ADMINISTRATIVE RULES

household, and not a person responsible for the child's care, custody, and control. Examples of persons who could be considered as a third-party under this definition include school personnel, day-care providers, coaches, and church personnel.

(52) "Unsafe" means the presence of a present danger safety threat or an impending danger safety threat.

(53) "Vulnerable child" means a child who is unable to protect him or herself. This includes a child who is dependent on others for sustenance and protection. A "vulnerable child" is defenseless, exposed to behaviors, conditions, or circumstances that he or she is powerless to manage, and is susceptible and accessible to a threatening parent or caregiver. Vulnerability is judged according to physical and emotional development, ability to communicate needs, mobility, size, and dependence.

## 413-015-0409

### Exception to Completing CPS Assessment Activities

(1) The only exception to completing the CPS assessment activities required by these rules (OAR 413-015-0400 to 413-015-0485) on an assigned referral is when a CPS worker, in consultation with a CPS supervisor or designee, determines prior to the initial contact (see 413-015-0420) that the referral does not require a CPS assessment because:

(a) The referral was opened in error; or

(b) There is no longer an allegation of abuse or neglect. The CPS worker received information after being assigned the referral and that information in combination with the corresponding screening report no longer constitutes a report of child abuse or neglect as defined in ORS 419B.005. This exception may be used only when the CPS worker and the CPS supervisor or designee determine the information:

(A) Is not from the alleged perpetrator;

(B) Relates directly to and specifically negates all allegations in the screening report; and

(C) Is considered on the basis of the objectivity of the individual providing the information and the quality of the information.

(2) The exception in section (1) of this rule is not permitted and a CPS assessment must be completed when the CPS worker has already made contact with the parent, caregiver, or alleged victim, unless the parent, caregiver, or alleged victim is the original reporter.

(3) The CPS worker must document the determination in the Department's electronic information system and explain the basis for the determination that a CPS assessment is not necessary.

### CPS Assessment Activities

The required CPS assessment activities are outlined below. The activities are described in a logical order in these rules, but the order in which they occur is controlled by the specific circumstances in a given case.

(1) Review Records.

(a) The assigned CPS worker must:

(A) Thoroughly review the documentation in the referral;

(B) Thoroughly review the paper and electronic records maintained by the Department for historical information on the family and the child that may be useful in completing the CPS assessment;

(C) Thoroughly review available Self-Sufficiency records; and

(D) Make diligent efforts to contact another state's child welfare agency to obtain records, if any, when the CPS worker has information that the family has lived in another state.

(b) The CPS worker must review the documents to identify information related to:

(A) Present danger safety threats or impending danger safety threats;

(B) History or a pattern of abuse or neglect;

(C) Child and family support systems and protective capacity; and

(D) Worker safety.

(2) Addressing Prior Allegations That Have Not Been Assessed Because the Department was Unable to Locate the Family. The assigned CPS worker must address in the current assessment any allegations not previously assessed because the Department was unable to locate the family as follows:

(a) Discuss the prior unassessed allegations during interviews;

(b) Consider all information about prior unassessed allegations when determining child safety; and

(c) Document the consideration of prior unassessed allegations in interviews, observations, and dispositional findings.

(3) Contact Collateral Sources.

(a) The CPS worker must contact collateral sources who can clarify or supplement the information in the referral and in records already reviewed.

(A) The CPS worker must contact the assigned Self-Sufficiency worker, if any.

(B) The CPS worker may contact other collateral sources including, but not limited to:

(i) Individuals who have regular contact with the child;

(ii) Doctors or others who have evaluated or maintain records on the child;

(iii) People who are in an established personal or professional relationship with the parent or caregiver and who can judge the quality and nature of the parent or caregiver behavior and functioning; and

(iv) People who have records or information about the parent or caregiver as a result of their involvement with, or exposure to, the parent or caregiver.

(b) The CPS worker must gather information from collateral sources throughout the CPS assessment.

(c) The CPS worker must:

(A) Protect the identity of collateral sources to the extent possible.

(B) Consult with the district attorney or the assistant attorney general to obtain a court order for records from a collateral source, if the source is unable or unwilling to share information with the Department.

(4) Consult with CPS Supervisor.

(a) The CPS worker must consult with a CPS supervisor or designee:

(A) When the CPS worker has reasonable cause to believe the alleged perpetrator is an employee of any program, office, or division of the Department of Human Services or Oregon Youth Authority (OYA);

(B) When a referral involves the home of a Department certified foster parent or relative caregiver;

(C) When a referral involves allegations that child abuse or neglect occurred in a private child-caring agency;

(D) When a CPS worker receives notification from a screener that a closed at screening or new referral was created on an open CPS assessment;

(E) Prior to a decision to place a child in protective custody, or after placement if consultation before placement will delay the safety intervention;

(F) Prior to initiating court action, or after initiating court action if consultation before will delay the safety intervention;

(G) Prior to developing an initial safety plan with a Department certified foster parent or relative caregiver;

(H) When the referral involves a child fatality;

(I) When making a disposition in a complicated or sensitive situation or case; or

(J) When closing an assessment with the disposition of "unable to locate".

(b) Subject to the discretion of the CPS supervisor, the CPS worker will consult with a CPS supervisor or designee at additional key points during the assessment, such as:

(A) Before making initial contact with the family; or

(B) When a referral indicates potential danger to the worker.

(5) Contact and Work with Other Entities. The CPS worker may need to work with representatives of other entities to gather and analyze safety-related information, develop a sufficient protective action plan, initial safety plan, or ongoing safety plan, and to complete the CPS assessment.

(a) The CPS worker may, as appropriate, notify or consult with other Department of Human Services programs or other agencies, including but not limited to the Office of Vocational Rehabilitation Services and Animal Control.

(b) The CPS worker must report to or contact and work with other entities as follows:

(A) Office of Child Care. The CPS worker must notify and coordinate with the Compliance Unit of the Office of Child Care when a report

## ADMINISTRATIVE RULES

involves a registered day-care home or a licensed day-care center, as required by ORS 419B.020(1).

(B) Oregon Youth Authority (OYA). The CPS worker must notify OYA when the allegation involves an OYA certified foster home.

(C) Office of Adult Abuse Prevention and Investigation (OAAPI). The CPS worker must notify the OAAPI when an allegation involves a child with intellectual or developmental disabilities in a residential group home licensed by the Office of Developmental Disabilities Services.

(D) Office of Licensing and Regulatory Oversight. The CPS worker must notify the Office of Licensing and Regulatory Oversight Children's Care Licensing Unit when the allegation involves a licensed private child-caring agency which is not a Children's Care Provider (CCP).

(E) Community Mental Health Program, Community Developmental Disabilities Program, or Adult Protective Services. The CPS worker must make a report to the Community Mental Health Program, Community Developmental Disabilities Program, or the local Adult Protective Service office when the CPS worker has reasonable cause to believe:

(i) That any person 18 years of age or older with a mental illness, a developmental disability or a physical disability, or any person 65 years of age or older, with whom the CPS worker comes into contact while acting in an official capacity, has suffered abuse.

(ii) That any person with whom the CPS worker comes into contact, while acting in an official capacity, has abused a person 18 years of age or older with a mental illness, a developmental disability or a physical disability, or any person 65 years of age or older.

(F) Indian Tribes. If the CPS worker knows or has reason to know that the child is an Indian child, the CPS worker must give notice within 24 hours to the Indian child's tribe that a CPS assessment is being conducted unless the screener documented completion of this notification in the referral.

(G) Probation and Parole. The CPS worker must contact probation and parole when the allegation involves a parent or caregiver, or alleged perpetrator who is supervised by probation or parole.

(H) Law Enforcement. If the screener did not cross report, the CPS worker must contact one or more law enforcement agencies (LEA) in accordance with the protocols of the local MDT agreement and in accordance with cross reporting rules, OAR 413-015-0300 to 413-015-0310. When there is a joint response involving a CPS worker and LEA staff, the CPS worker is still responsible for all of the activities necessary to complete a CPS assessment which are summarized in 413-015-0400. The CPS worker must, in consultation with a CPS supervisor, determine whether to coordinate assessment activities with LEA in the following situations:

(i) Presence of danger. When the CPS worker has information that indicates that the child is unsafe right now.

(ii) Family cooperation. When the CPS worker has information that the family may not allow the CPS worker to observe the alleged victim or other children in the home.

(iii) Protective custody. When the CPS worker has information that a child may need to be placed in protective custody for the child's safety.

(iv) Child interview. When the CPS worker and the LEA officer must each interview a child, it is preferable to coordinate the interviews to reduce the number of interactions with the child.

(v) Worker safety. When the CPS worker has information that indicates the family behaviors, conditions, or circumstances could pose a danger to the CPS worker.

(vi) Crime committed. When the CPS worker suspects or receives a report that a crime may have been committed.

(I) Public or Private Schools. The CPS worker may interview a child at school when the worker believes it will be the best environment in which to assure a child's safety when making contact with the child. ORS 419B.045 provides requirements for CPS investigations that are conducted on school premises. The CPS worker must do following:

(i) Notify the school administrator that a CPS assessment must be conducted. If the school administrator is a subject of the CPS assessment, then notification is not required.

(ii) Report to the school office, provide identification, inform school personnel of the CPS assessment, and provide the name of the child to be interviewed.

(iii) Request information from school personnel regarding the disabilities of the child, if any, prior to an interview with the affected child.

(iv) Interview the child out of the presence of other persons, unless the CPS worker believes the presence of a school employee or other person would facilitate the interview. If the CPS worker believes that a school employee does not need to be present, but the school employee insists on

being present during the interview, the worker may confer with the CPS supervisor for assistance in handling the situation.

(v) Discuss further actions with the child at the conclusion of the interview.

(vi) Inform school personnel when the interview has been completed.

(vii) Inform school personnel if the child is taken into protective custody.

(viii) Inform school personnel that the CPS worker will notify parents of the interview.

(ix) Contact the CPS supervisor if school officials refuse to allow the assessment to take place on school property.

(J) Multi-Disciplinary Teams (MDTs). Department district managers must develop interagency agreements regarding assessment of child abuse and neglect, as necessary, with local MDTs. Requirements for MDT protocols are set out in ORS 418.747.

(6) Obtain Interpreters and Translation. The CPS worker must obtain the services of a competent interpreter and competent written translation service for families, including hearing-impaired family members, who have limited or no means of communicating in or reading English.

(7) Determine Indian Child Welfare Act (ICWA) Status and Comply with ICWA, if Applicable. The CPS worker must initiate the process to determine the child's ICWA status and notify the Indian child's tribe if ICWA applies. To initiate this process, the CPS worker must:

(a) Assure completion of a form CF 1270, "Verification of ICWA Eligibility", to assist in determining ICWA eligibility.

(b) Contact the child's tribe when an Indian child is the subject of a CPS assessment. Federally recognized tribes must be notified within 24 hours after information alleging abuse or neglect is received by the Department.

(c) If the Indian child is enrolled or eligible for enrollment in a federally recognized tribe, notify the child's tribe if the child may be placed in protective custody.

(d) Consult with the local Department ICWA liaison, a supervisor, or the ICWA manager if the worker has questions regarding the involvement of a tribe or the ICWA status of a child.

(e) Make a diligent attempt to address the following when determining the placement resource:

(A) Contact the tribe's social services department;

(B) Search for relative resources;

(C) Search for available Indian homes; and

(D) Contact other Indian tribes and other Indian organizations with available placement resources.

(f) Unless the Indian child's tribe has established a different order of preference, comply with the ICWA placement preference, which is:

(A) Placement with a member of Indian child's extended family.

(B) Placement with a foster family that is licensed, approved or specified by the Indian child's tribe.

(C) Placement with an Indian foster home licensed or approved by an authorized non-Indian licensing authority.

(D) Placement with an institution for children approved by an Indian tribe or operated by an Indian organization which has a program suitable to meet the Indian child's needs.
