## 411-340-0130

### Using Support Services Funds to Purchase Supports

(1) Support services funds may be used to assist individuals to purchase supports described in section (8) of this rule, in accordance with an ISP when:

(a) The supports are necessary for an individual to live in his or her own home or in the family home or meet individual support needs;

(b) For Community First Choice state plan services, the support shall address a need that has been determined to be necessary by a functional needs assessment;

(c) An enrolled individual meets the criteria for level of care;

(d) The individual is eligible for the services as described in section (8) of this rule;

(e) Cost-effective arrangements for obtaining the required supports, applying public, private, formal, and informal resources available to the eligible individual are specified in the ISP for the individual;

(A) Support services funds are not intended to replace the resources available to an individual from the voluntarily provided natural supports of the individual.

(B) Support services funds are not available when the support needs of an individual may be met by alternative resources. Support services

# ADMINISTRATIVE RULES

funds may be authorized only when alternative resources are unavailable, insufficient, or inadequate to meet the needs of the individual.

(f) The ISP has been authorized for implementation.

(2) A brokerage may use support services funds to assist individuals that do not meet the criteria in section (1)(d) of this rule when, up to the 18th birthday of the individual, the individual was receiving children's intensive in-home services as described in OAR chapter 411, division 300 or in-home supports as described in OAR chapter 411, division 308.

(3) An individual is no longer eligible to access support services funds when the individual is eligible for support services funds based on section (2) of this rule; and

(a) The individual does not apply for a disability determination and Medicaid within 10 business days of the 18th birthday of the individual;

(b) The Social Security Administration or the Presumptive Medicaid Disability Determination Team of the Department finds that the individual does not have a qualifying disability; or

(c) The individual is determined by the state of Oregon to be ineligible for OHP Plus and OSIPM.

(4) Goods and services purchased with support services funds on behalf of individuals are provided only as social benefits.

(5) **POST ELIGIBILITY TREATMENT OF INCOME.** Individuals with excess income must contribute to the cost of service pursuant to OAR 461-160-0610 and 461-160-0620.

(6) **SERVICE LIMITS.** The use of support services funds to purchase individual supports is limited to:

(a) The service level for an individual as determined by a functional needs assessment. The functional needs assessment determines the total number of hours available to meet identified needs. The total number of hours may not be exceeded without prior approval from the Department. The types of services that contribute to the total of hours used include:

(A) Attendant care;

(B) Hourly relief care;

(C) Skills training; and

(D) State plan personal care services as described in OAR chapter 411, division 034.

(b) Other services and supports determined by a personal agent to be necessary to meet the support needs identified through a person-centered planning process and consistent with the In-home Expenditure Guidelines; and

(c) Employment services and payment for employment services are limited to:

(A) An average of 25 hours per week for any combination of job coaching, small group employment support, and employment path services; and

(B) 40 hours in any one week for job coaching if job coaching is the only service utilized.

(7) **AMOUNT, METHOD, AND SCHEDULE OF PAYMENT.**

(a) The brokerage must disburse, or arrange for disbursement of, support services funds to qualified providers on behalf of individuals in the amount required to implement an authorized ISP. The brokerage is specifically prohibited from reimbursement of individuals or families of individuals for expenses related to services and from advancing funds to individuals or families of individuals to obtain services.

(b) The method and schedule of payment must be specified in written agreements between the brokerage and the individual or the legal or designated representative of the individual (as applicable).

(8) **TYPES OF SUPPORTS.** Supports eligible for purchase with support services funds must be consistent with the In-home Expenditure Guidelines and are limited to:

(a) Community First Choice state plan services. An individual who is eligible for OHP Plus and meets the Level of Care may access Community First Choice state plan services when supported by an assessed need.

(b) Transfer of Assets.

(A) As of October 1, 2014, an individual receiving medical benefits under OAR chapter 410, division 200 requesting Medicaid coverage for services in a nonstandard living arrangement (see 461-001-0000) is subject to the requirements of the rules regarding transfer of assets (see 461-140-0210 to 461-140-0300) in the same manner as if the individual was requesting these services under OSIPM. This includes, but is not limited to, the following assets:

(i) An annuity evaluated according to OAR 461-145-0022;

(ii) A transfer of property when an individual retains a life estate evaluated according to OAR 461-145-0310;

(iii) A loan made evaluated according to OAR 461-145-0330; or

(iv) An irrevocable trust evaluated according to OAR 461-145-0540.

(B) When an individual is considered ineligible due to a disqualifying transfer of assets, the individual must receive a notice meeting the requirements of OAR 461-175-0310 in the same manner as if the individual was requesting services under OSIPM.

(c) Community First Choice state plan services include:

(A) Behavior support services as described in section (9) of this rule;

(B) Community nursing services as described in section (10) of this rule;

(C) Environmental modifications as described in section (11) of this rule; and

(D) Attendant care as described in section (12) of this rule;

(E) Skills training as described in section (13) of this rule;

(F) Relief care as described in section (14) of this rule;

(G) Assistive devices as described in section (15) of this rule;

(H) Assistive technology as described in section (16) of this rule;

(I) Chore services as described in section (17) of this rule;

(J) Community transportation as described in section (18) of this rule;

(K) Transition costs as described in section (19) of this rule; and

(L) Home delivered meals as described in OAR chapter 411, division 040.

(d) Individuals who are eligible for OSIPM and meet the Level of Care may access Community First Choice state plan services and the following home and community-based waiver services:

(A) Case management as defined in OAR 411-340-0020;

(B) Employment services as described in section (20) of this rule that include:

(i) Supported employment — individual employment support;

(ii) Supported employment — small group employment support;

(iii) Employment path services; and

(iv) Discovery and career exploration services.

(C) Family training as described in section (21) of this rule;

(D) Special diets as described in section (22) of this rule;

(E) Environmental safety modifications as described in section (23) of this rule;

(F) Vehicle modifications as described in section (24) of this rule; and

(G) Specialized medical supplies as described in section (25) of this rule.

(e) State Plan personal care as described in OAR chapter 411, division 34.

(9) **BEHAVIOR SUPPORT SERVICES.**

(a) Behavior support services consist of:

(A) Assessing an individual or the needs of the family of the individual and the environment;

(B) Developing positive behavior support strategies, including a Behavior Support Plan, by a qualified behavior consultant as described in OAR 411-340-0160, if needed;

(C) Implementing the Behavior Support Plan with the provider or family; and

(D) Revising and monitoring the Behavior Support Plan as needed.

(b) Behavior support services may include:

(A) Training, modeling, and mentoring the family of an individual;

(B) Developing a visual communication system as a strategy for behavior support; and

(C) Communicating, as authorized by an individual, with school, medical, or other professionals about the strategies and outcomes of the Behavior Support Plan.

(c) Behavior support services exclude:

(A) Mental health therapy or counseling;

(B) Health or mental health plan coverage;

(C) Educational services including, but not limited to, consultation and training for classroom staff;

(D) Adaptations to meet the needs of an individual at school;

(E) An assessment in a school setting;

(F) Attendant care;

(G) Skills training; or

(H) Relief care.

(10) **COMMUNITY NURSING SERVICES.**

(a) Community nursing services include:

(A) Nursing assessments, including medication reviews;

(B) Care coordination;

(C) Monitoring;

(D) Development of a Nursing Service Plan;

(E) Delegation and training of nursing tasks to a provider and primary caregiver;

## ADMINISTRATIVE RULES

(F) Teaching and education of the provider and primary caregiver and identifying supports that minimize health risks while promoting the autonomy of an individual and self-management of healthcare; and

(G) Collateral contact with a services coordinator regarding the community health status of an individual to assist in monitoring safety and well-being and to address needed changes to the ISP for the individual.

(b) Community nursing services exclude direct nursing care.

(c) A Nursing Service Plan must be present when support services funds are used for community nursing services. A personal agent must authorize the provision of community nursing services as identified in an ISP.

(d) After an initial nursing assessment, a nursing re-assessment must be completed every six months or sooner if a change in a medical condition requires an update to the Nursing Service Plan.

(11) ENVIRONMENTAL MODIFICATIONS.

(a) Environmental modifications include, but are not limited to:

(A) An environmental modification consultation to determine the appropriate type of adaptation;

(B) Installation of shatter-proof windows;

(C) Hardening of walls or doors;

(D) Specialized, hardened, waterproof, or padded flooring;

(E) An alarm system for doors or windows;

(F) Protective covering for smoke alarms, light fixtures, and appliances;

(G) Installation of ramps, grab-bars, and electric door openers;

(H) Adaptation of kitchen cabinets and sinks;

(I) Widening of doorways;

(J) Handrails;

(K) Modification of bathroom facilities;

(L) Individual room air conditioners for an individual whose temperature sensitivity issues create behaviors or medical conditions that put the individual or others at risk;

(M) Installation of non-skid surfaces;

(N) Overhead track systems to assist with lifting or transferring;

(O) Specialized electric and plumbing systems that are necessary to accommodate the medical equipment and supplies necessary for the welfare of the individual; and

(P) Adaptations to control lights, heat, stove, etc.

(b) Environmental modifications exclude:

(A) Adaptations or improvements to the home that are of general utility, such as carpeting, roof repair, and central air conditioning, unless directly related to the assessed health and safety needs of the individual and identified in the ISP for the individual;

(B) Adaptations that add to the total square footage of the home except for ramps that attach to the home for the purpose of entry or exit;

(C) Adaptations outside of the home; and

(D) General repair or maintenance and upkeep required for the home.

(c) Environmental modifications must be tied to supporting assessed ADL, IADL, and health-related tasks as identified in the needs assessment and ISP for an individual.

(d) Environmental modifications are limited to \$5,000 per modification. A personal agent must request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service and support needs and goals of the individual and the determination by the Department of appropriateness and cost-effectiveness. In addition, separate environmental modification projects that cumulatively total up to over \$5,000 in a plan year must be submitted to the Department for review.

(e) Environmental modifications must be completed by a state licensed contractor with a minimum of \$1,000,000 liability insurance. Any modification requiring a permit must be inspected by a local inspector and certified as in compliance with local codes. Certification of compliance must be filed in the file for the contractor prior to payment.

(f) Environmental modifications must be made within the existing square footage of the home, except for external ramps, and may not add to the square footage of the home.

(g) Payment to the contractor is to be withheld until the work meets specifications.

(h) A scope of work as defined in OAR 411-340-0020 must be completed for each identified environmental modification project. All contractors submitting bids must be given the same scope of work.

(i) Personal agents must follow the processes outlined in the In-home Expenditure Guidelines for contractor bids and the awarding of work.

(j) All dwellings must be in good repair and have the appearance of sound structure.

(k) The identified home may not be in foreclosure or be the subject of legal proceedings regarding ownership.

(l) Environmental modifications must only be completed to the primary residence of the individual.

(m) Upgrades in materials that are not directly related to the health and safety needs of the individual are not paid for or permitted.

(n) Environmental modifications are subject to Department requirements regarding materials and construction practices based on industry standards for safety, liability, and durability, as referenced in building codes, materials, manuals, and industry and risk management publications.

(o) RENTAL PROPERTY.

(A) Environmental modifications to rental property may not substitute or duplicate services otherwise the responsibility of the landlord under the landlord tenant laws, the Americans with Disabilities Act, or the Fair Housing Act.

(B) Environmental modifications made to a rental structure must have written authorization from the owner of the rental property prior to the start of the work.

(C) The Department does not fund work to restore the rental structure to the former condition of the rental structure.

(12) ATTENDANT CARE SERVICES. Attendant care services include direct support provided to an individual in the home of the individual or community by a qualified personal support worker or provider organization. ADL and IADL services provided through attendant care must support the individual to live as independently as possible, and be based on the identified goals, preferences, and needs of the individual.

(a) ADL services include, but are not limited to:

(A) Basic personal hygiene — providing or assisting with needs such as bathing (tub, bed, bath, shower), hair care, grooming, shaving, nail care, foot care, dressing, skin care, or oral hygiene;

(B) Toileting, bowel, and bladder care — assisting to and from the bathroom, on and off toilet, commode, bedpan, urinal, or other assistive device used for toileting, changing incontinence supplies, following a toileting schedule, managing menses, cleansing an individual or adjusting clothing related to toileting, emptying a catheter, drainage bag, or assistive device, ostomy care, or bowel care;

(C) Mobility, transfers, and repositioning — assisting with ambulation or transfers with or without assistive devices, turning an individual or adjusting padding for physical comfort or pressure relief, or encouraging or assisting with range-of-motion exercises;

(D) Nutrition - assisting with adequate fluid intake or adequate nutrition, assisting with food intake (feeding), monitoring to prevent choking or aspiration, assisting with adaptive utensils, cutting food, and placing food, dishes, and utensils within reach for eating;

(E) Delegated nursing tasks;

(F) First aid and handling emergencies — addressing medical incidents related to the conditions of an individual, such as seizure, aspiration, constipation, or dehydration, responding to the call of the individual for help during an emergent situation, or for unscheduled needs requiring immediate response;

(G) Assistance with necessary medical appointments — help scheduling appointments, arranging medical transportation services, accompaniment to appointments, follow up from appointments, or assistance with mobility, transfers, or cognition in getting to and from appointments; and

(H) Observation of the status of an individual and reporting of significant changes to a physician, health care provider, or other appropriate person.

(b) IADL services include, but are not limited to:

(A) Light housekeeping tasks necessary to maintain a healthy and safe environment — cleaning surfaces and floors, making the individual's bed, cleaning dishes, taking out the garbage, dusting, and laundry;

(B) Grocery and other shopping necessary for the completion of other ADL and IADL tasks;

(C) Meal preparation and special diets;

(D) Cognitive assistance or emotional support provided to an individual due to an intellectual or developmental disability — helping the individual cope with change and assisting the individual with decision-making, reassurance, orientation, memory, or other cognitive functions;

(E) Medication and medical equipment — assisting with ordering, organizing, and administering medications (including pills, drops, ointments, creams, injections, inhalers, and suppositories), monitoring an individual for choking while taking medications, assisting with the administration of medications, maintaining equipment, or monitoring for adequate medication supply; and

## ADMINISTRATIVE RULES

(F) Support in the community around socialization and participation in the community.

(i) Support with socialization — assisting an individual in acquiring, retaining, and improving self-awareness and self-control, social responsiveness, social amenities, and interpersonal skills;

(ii) Support with community participation — assisting an individual in acquiring, retaining, and improving skills to use available community resources, facilities, or businesses; and

(iii) Support with communication — assisting an individual in acquiring, retaining, and improving expressive and receptive skills in verbal and non-verbal language and the functional application of acquired reading and writing skills.

(c) Assistance with ADLs, IADLs, and health-related tasks may include cueing, monitoring, reassurance, redirection, set-up, hands-on, or standby assistance. Assistance may be provided through human assistance or the use of electronic devices or other assistive devices. Assistance may also require verbal reminding to complete any of the IADL tasks described in subsection (b) of this section.

(A) “Cueing” means giving verbal, audio, or visual clues during an activity to help an individual complete the activity without hands-on assistance.

(B) “Hands-on” means a provider physically performs all or parts of an activity because an individual is unable to do so.

(C) “Monitoring” means a provider observes an individual to determine if assistance is needed.

(D) “Reassurance” means to offer an individual encouragement and support.

(E) “Redirection” means to divert an individual to another more appropriate activity.

(F) “Set-up” means the preparation, cleaning, and maintenance of personal effects, supplies, assistive devices, or equipment so that an individual may perform an activity.

(G) “Stand-by” means a provider is at the side of an individual ready to step in and take over the task if the individual is unable to complete the task independently.

(13) SKILLS TRAINING. Skills training is specifically tied to accomplishing ADL, IADL, and other health-related tasks as identified by the functional needs assessment and ISP and is a means for an individual to acquire, maintain, or enhance independence.

(a) Skills training may be applied to the use and care of assistive devices and technologies.

(b) Skills training is authorized when:

(A) The anticipated outcome of the skills training, as documented in the ISP, is measurable;

(B) Timelines for measuring progress towards the anticipated outcome are established in the ISP; and

(C) Progress towards the anticipated outcome are measured and the measurements are evaluated by a personal agent no less frequently than every six months, based on the start date of the initiation of the skills training.

(c) When anticipated outcomes are not achieved within the timeframe outlined in the ISP, the personal agent must reassess or redefine the use of skills training with the individual for that particular goal.

(14) RELIEF CARE.

(a) Relief care may not be characterized as daily or periodic services provided solely to allow the primary caregiver to attend school or work. Daily relief care may be provided in segments that are sequential but may not exceed seven consecutive days without permission from the Department. No more than 14 days of relief care in a plan year are allowed without approval from the Department.

(b) Relief care may include both day and overnight services that may be provided in:

(A) The home of the individual;

(B) A licensed or certified setting;

(C) The home of a qualified provider, chosen by the individual or the representative of the individual, that is a safe setting for the individual; or

(D) The community, during the provision of ADL, IADL, health-related tasks, and other supports identified in the ISP for the individual.

(15) ASSISTIVE DEVICES. Assistive devices are primarily and customarily used to meet an ADL, IADL, or health-related support need. The purchase, rental, or repair of assistive devices with support service funds must be limited to the types of equipment and supplies that are not excluded under OAR 410-122-0080.

(a) Assistive devices may include the purchase of devices, aids, controls, supplies, or appliances primarily and customarily used to enable an

individual to increase the ability of the individual to perform and support ADLs and IADLs or to perceive, control, or communicate within the home and community environment in which the individual lives.

(b) Assistive devices may be purchased with support service funds when the intellectual or developmental disability of an individual otherwise prevents or limits the independence of the individual in areas identified in a functional needs assessment.

(c) Assistive devices that may be purchased for the purpose described in subsection (b) of this section must be of direct benefit to the individual and may include:

(A) Devices to secure assistance in an emergency in the community and other reminders, such as medication minders, alert systems for ADL or IADL supports, or mobile electronic devices; and

(B) Assistive devices, not provided by any other funding source, to assist and enhance the independence of an individual in performing ADLs or IADLs, such as durable medical equipment, mechanical apparatus, or electronic devices.

(d) Expenditures for assistive devices are limited to \$5,000 per plan year without Department approval. Any single purchase costing more than \$500 must be approved by the Department prior to expenditure. A personal agent must request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service and support needs and goals of the individual and a determination by the Department of appropriateness and cost-effectiveness.

(e) Devices must be limited to the least costly option necessary to meet assessed need of an individual.

(f) Assistive devices must meet applicable standards of manufacture, design, and installation.

(g) To be authorized by a personal agent, assistive devices must be:

(A) In addition to any assistive devices, medical equipment, and supplies furnished under OHP, the state plan, private insurance, or alternative resources;

(B) Determined necessary to the daily functions of the individual; and

(C) Directly related to the disability of the individual.

(h) Assistive devices exclude:

(A) Items that are not necessary or of direct medical benefit to the individual or do not address the underlying need for the device;

(B) Items intended to supplant similar items furnished under OHP, private insurance, or alternative resources;

(C) Items that are considered unsafe for an individual;

(D) Toys or outdoor play equipment; and

(E) Equipment and furnishings of general household use.

(16) ASSISTIVE TECHNOLOGY. Assistive technology is primarily and customarily used to provide additional safety and support and replace the need for direct interventions, to enable self-direction of care, and maximize independence. Assistive technology includes, but is not limited to, motion or sound sensors, two-way communication systems, automatic faucets and soap dispensers, incontinence and fall sensors, or other electronic backup systems, including the expense necessary for the continued operation of the assistive technology;

(a) Expenditures for assistive technology are limited to \$5,000 per plan year without Department approval. Any single purchase costing more than \$500 must be approved by the Department prior to expenditure. A personal agent must request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service and support needs and goals of the individual and a determination by the Department of appropriateness and cost-effectiveness.

(b) Payment for on-going electronic back-up systems or assistive technology costs must be paid to providers each month after services are received.

(A) Ongoing costs do not include electricity or batteries.

(B) Ongoing costs may include minimally necessary data plans and the services of a company to monitor emergency response systems.

(17) CHORE SERVICES. Chore services may be provided only in situations where no one else is responsible or able to perform or pay for the services.

(a) Chore services include heavy household chores, such as:

(A) Washing floors, windows, and walls;

(B) Tacking down loose rugs and tiles; and

(C) Moving heavy items of furniture for safe access and egress.

(b) Chore services may include yard hazard abatement to ensure the outside of the home is safe for the individual to traverse and enter and exit the home.

(18) COMMUNITY TRANSPORTATION.

(a) Community transportation includes, but is not limited to:

## ADMINISTRATIVE RULES

(A) Community transportation provided by a common carrier, taxicab, or bus in accordance with standards established for these entities;

(B) Reimbursement on a per-mile basis for transporting an individual to accomplish ADL, IADL, a health-related task, or employment goal identified in an ISP; or

(C) Assistance with the purchase of a bus pass.

(b) Community transportation may only be authorized when natural supports or volunteer services are not available and one of the following is identified in the ISP of the individual:

(A) The individual has an assessed need for ADL, IADL, or health-related task during transportation; or

(B) The individual has either an assessed need for ADL, IADL, or health-related task at the destination or a need for waiver funded services at the destination;

(c) Community transportation must be provided in the most cost effective manner which meets the needs identified in the ISP for the individual.

(d) Community transportation expenses exceeding \$500 per month must be approved by the Department.

(e) Community transportation must be prior authorized by a personal agent and documented in an ISP. The Department does not pay any provider under any circumstances for more than the total number of hours, miles, or rides prior authorized by the brokerage and documented in the ISP. Personal support workers who use their own personal vehicles for community transportation are reimbursed as described in OAR chapter 411, division 375.

(f) Community transportation services exclude:

(A) Medical transportation;

(B) Purchase or lease of a vehicle;

(C) Routine vehicle maintenance and repair, insurance, and fuel;

(D) Ambulance services;

(E) Costs for transporting a person other than the individual;

(F) Transportation for a provider to travel to and from the workplace of the provider;

(G) Transportation that is not for the sole benefit of the individual;

(H) Transportation to vacation destinations or trips for relaxation purposes;

(I) Transportation provided by family members who are not personal support workers and are not simultaneously providing other paid supports at the time of the transportation;

(J) Payment to the spouse of an individual receiving support services;

(K) Reimbursement for out-of-state travel expenses; and

(L) Mileage reimbursement for the vehicle of the supported individual.

### (19) TRANSITION COSTS.

(a) Transition costs are limited to an individual transitioning to the home or community-based setting where the individual resides from a nursing facility, ICF/ID, or acute care hospital.

(b) Transition costs are based on the assessed need of an individual determined during the person-centered service planning process and must support the desires and goals of the individual receiving services and supports. Final approval for transition costs must be through the Department prior to expenditure. The approval of the Department is based on the need of an individual and the determination by the Department of appropriateness and cost-effectiveness.

(c) Financial assistance for transition costs is limited to:

(A) Moving and move-in costs, including movers, cleaning and security deposits, payment for background or credit checks (related to housing), or initial deposits for heating, lighting, and phone;

(B) Payment of previous utility bills that may prevent the individual from receiving utility services and basic household furnishings, such as a bed; and

(C) Other items necessary to re-establish a home.

(d) Transition costs are provided no more than twice annually.

(e) Transitions costs for basic household furnishings and other items are limited to one time per year.

### (20) EMPLOYMENT SERVICES. Employment services must be:

(a) Delivered according to OAR 411-345-0025; and

(b) Provided by an employment specialist meeting the requirements described in OAR 411-345-0030.

(21) FAMILY TRAINING. Family training services are provided to the family of an individual to increase the abilities of the family to care for, support, and maintain the individual in the home of the individual.

(a) Family training services include:

(A) Instruction about treatment regimens and use of equipment specified in an ISP;

(B) Information, education, and training about the disability, medical, and behavioral conditions of an individual; and

(C) Registration fees for organized conferences and workshops specifically related to the intellectual or developmental disability of the individual or the identified, specialized, medical, or behavioral support needs of the individual.

(i) Conferences and workshops must be prior authorized by a personal agent, directly relate to the intellectual or developmental disability of the individual, and increase the knowledge and skills of the family to care for and maintain the individual in the home of the individual.

(ii) Conference and workshop costs exclude:

(I) Travel, food, and lodging expenses;

(II) Services otherwise provided under OHP or available through other resources; or

(III) Costs for individual family members who are employed to care for the individual.

(b) Family training services exclude:

(A) Mental health counseling, treatment, or therapy;

(B) Training for a paid provider;

(C) Legal fees;

(D) Training for a family to carry out educational activities in lieu of school;

(E) Vocational training for family members; and

(F) Paying for training to carry out activities that constitute abuse of an adult.

(c) Prior authorization by the brokerage is required for attendance by family members at organized conferences and workshops funded with support services funds.

(22) SPECIAL DIET. Special diets are specially prepared food or particular types of food, ordered by a physician and periodically monitored by a dietician, specific to the medical condition or diagnosis of an individual that are needed to sustain the individual in the home of the individual. Special diets are supplements and are not intended to meet the complete daily nutritional requirements of the individual. Special diet supplies must be supported by an evidence-based treatment regimen.

### (23) ENVIRONMENTAL SAFETY MODIFICATIONS.

(a) Environmental safety modifications must be made from materials of the most cost effective type and may not include decorative additions.

(b) Fencing may not exceed 200 linear feet without approval from the Department.

(c) Environmental safety modifications exclude:

(A) Large gates, such as automobile gates;

(B) Costs for paint and stain;

(C) Adaptations or improvements to the home that are of general utility and are not for the direct safety or long-term benefit to the individual or do not address the underlying environmental need for the modification; and

(D) Adaptations that add to the total square footage of the home.

(d) Environmental safety modifications must be tied to supporting ADL, IADL, and health-related tasks as identified in the ISP.

(e) Environmental safety modifications are limited to \$5,000 per modification. A personal agent must request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service and support needs and goals of the individual and the determination by the Department of appropriateness and cost-effectiveness. In addition, separate environmental safety modification projects that cumulatively total up to over \$5,000 in a plan year must be submitted to the Department for review.

(f) Environmental safety modifications must be completed by a state licensed contractor with a minimum of \$1,000,000 liability insurance. Any modification requiring a permit must be inspected by a local inspector and certified as in compliance with local codes. Certification of compliance must be filed in the file for the contractor prior to payment.

(g) Environmental safety modifications must be made within the existing square footage of the home and may not add to the square footage of the home.

(h) Payment to the contractor is to be withheld until the work meets specifications.

(i) A scope of work as defined in OAR 411-340-0020 must be completed for each identified environmental safety modification project. All contractors submitting bids must be given the same scope of work.

(j) A personal agent must follow the processes outlined in the In-home Expenditure Guidelines for contractor bids and the awarding of work.

(k) All dwellings must be in good repair and have the appearance of sound structure.

## ADMINISTRATIVE RULES

(l) The identified home may not be in foreclosure or the subject of legal proceedings regarding ownership.

(m) Environmental safety modifications must only be completed to the primary residence of the individual.

(n) Upgrades in materials that are not directly related to the health and safety needs of the individual are not paid for or permitted.

(o) Environmental safety modifications are subject to Department requirements regarding material and construction practices based on industry standards for safety, liability, and durability, as referenced in building codes, materials manuals, and industry and risk management publications.

### (p) RENTAL PROPERTY.

(A) Environmental safety modifications to rental property may not substitute or duplicate services otherwise the responsibility of the landlord under the landlord tenant laws, the Americans with Disabilities Act, or the Fair Housing Act.

(B) Environmental safety modifications made to a rental structure must have written authorization from the owner of the rental property prior to the start of the work.

(C) The Department does not fund work to restore the rental structure to the former condition of the rental structure.

### (24) VEHICLE MODIFICATIONS.

(a) Vehicle modifications may only be made to the vehicle primarily used by an individual to meet the unique needs of the individual. Vehicle modifications may include a lift, interior alterations to seats, head and leg rests, belts, special safety harnesses, other unique modifications to keep the individual safe in the vehicle, and the upkeep and maintenance of a modification made to the vehicle.

(b) Vehicle modifications exclude:

(A) Adaptations or improvements to a vehicle that are of general utility and are not of direct medical benefit to the individual or do not address the underlying need for the modification;

(B) The purchase or lease of a vehicle; or

(C) Routine vehicle maintenance and repair.

(c) Vehicle modifications are limited to \$5,000 per modification. A personal agent must request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service and support needs and goals of the individual and the determination by the Department of appropriateness and cost-effectiveness. In addition, separate vehicle modification projects that cumulatively total up to over \$5,000 in a plan year must be submitted to the Department for review.

(d) Vehicle modifications must meet applicable standards of manufacture, design, and installation.

(25) SPECIALIZED MEDICAL SUPPLIES. Specialized medical supplies do not cover services which are otherwise available to an individual under Vocational Rehabilitation and Other Rehabilitation Services, 29 U.S.C. 701-7961, as amended, or the Individuals with Disabilities Education Act, 20 U.S.C. 1400 as amended. Specialized medical supplies may not overlap with, supplant, or duplicate other services provided through a waiver, OHP, or Medicaid state plan services.

(26) Educational services, such as professional instruction, formal training, and tutoring in communication, socialization, and academic skills, are not allowable expenses covered by support services funds.

(27) CONDITIONS OF PURCHASE. The brokerage must arrange for supports purchased with support services funds to be provided:

(a) In settings and under contractual conditions that enable the individual to freely choose to receive supports and services from another qualified provider;

(A) Individuals who choose to combine support services funds to purchase group services must receive written instruction from the brokerage about the limits and conditions of such arrangements;

(B) Combined support services funds may not be used to purchase existing, or create new, comprehensive services;

(C) Individual support expenses must be separately projected, tracked, and expensed, including separate contracts, service agreements, and timekeeping for staff working with more than one individual; and

(D) Combined arrangements for residential supports must include a plan for maintaining an individual at home after the loss of roommates.

(b) In a manner consistent with positive behavioral theory and practice and where behavior intervention is not undertaken unless the behavior:

(A) Represents a risk to health and safety of the individual or others;

(B) Is likely to continue and become more serious over time;

(C) Interferes with community participation;

(D) Results in damage to property; or

(E) Interferes with learning, socializing, or vocation.

(c) In accordance with applicable state and federal wage and hour regulations in the case of personal services, training, and supervision;

(d) In accordance with applicable state or local building codes in the case of environmental modifications to the home;

(e) In accordance with Oregon Board of Nursing rules in OAR chapter 851 when services involve performance of nursing services or delegation, teaching, and assignment of nursing tasks;

(f) In accordance with OAR 411-340-0160 through 411-340-0180 governing provider qualifications and responsibilities; and

(g) In accordance with the In-home Expenditure Guidelines.

(28) INDEPENDENT PROVIDER, PROVIDER ORGANIZATION, AND GENERAL BUSINESS PROVIDER AGREEMENTS AND RESPONSIBILITIES. When support services funds are used to purchase services, training, supervision, or other personal assistance for individuals, the brokerage must require and document that providers are informed of:

(a) Mandatory reporter responsibility to report suspected abuse;

(b) Responsibility to immediately notify the people, if any, specified by the individual of any injury, illness, accident, or unusual circumstance that occurs when the provider is providing individual services, training, or supervision that may have a serious effect on the health, safety, physical or emotional well-being, or level of services required;

(c) Limits of payment:

(A) Support services fund payments for the agreed-upon services are considered full payment and the provider under no circumstances may demand or receive additional payment for these services from the individual, the family of the individual, or any other source unless the payment is a financial responsibility (spend-down) of an individual under the Medically Needy Program; and

(B) The provider must bill all third party resources before using support services funds unless another arrangement is agreed upon by the brokerage and described in the ISP for an individual.

(d) The provisions of section (29) of this rule regarding sanctions that may be imposed on providers; and

(e) The requirement to maintain a drug-free workplace.

### (29) PROVIDER TERMINATION.

(a) The provider enrollment for a personal support worker is terminated as described in OAR chapter 411, division 375.

(b) An independent provider who is not a personal support worker may have their provider enrollment terminated in the following circumstances:

(A) The provider has not provided any paid in-home services to an individual within the last previous 12 months;

(B) The provider informs the Department, CDDP, CIIS, or brokerage that the personal support worker is no longer providing in-home services in Oregon;

(C) The background check for a provider results in a closed case pursuant to OAR 407-007-0325;

(D) Services to an individual, is being investigated by adult or child protective services for suspected abuse that poses imminent danger to current or future individuals; or

(E) Provider payments, all or in part, for the provider have been suspended based on a credible allegation of fraud or has a conviction of for fraud pursuant to federal law under 42 CFR 455.23.

(c) Provider enrollment may be terminated when the brokerage or Department determines that, at some point after the initial qualification and authorization of the provider to provide supports purchased with support services funds, the provider has:

(A) Been convicted of any crime that would have resulted in an unacceptable background check upon hiring or authorization of service;

(B) Been convicted of unlawfully manufacturing, distributing, prescribing, or dispensing a controlled substance;

(C) Surrendered his or her professional license or had his or her professional license suspended, revoked, or otherwise limited;

(D) Notwithstanding abuse as defined in OAR 407-045-0260, failed to safely and adequately provide the authorized services;

(E) Had a founded report of child abuse or substantiated adult abuse;

(F) Failed to cooperate with any Department or brokerage investigation or grant access to, or furnish, records or documentation, as requested;

(G) Billed excessive or fraudulent charges or been convicted of fraud;

(H) Made a false statement concerning conviction of crime or substantiated abuse;

(I) Falsified required documentation;

(J) Failed to comply with the provisions of section (28) of this rule or OAR 411-340-0140;

# ADMINISTRATIVE RULES

(K) Been suspended or terminated as a provider by the Department or Oregon Health Authority;

(L) Violated the requirement to maintain a drug-free work place;

(M) Failed to provide services as required;

(N) Failed to provide a tax identification number or social security number that matches the legal name of the independent provider, as verified by the Internal Revenue Service or Social Security Administration; or

(O) Has been excluded or debarred by the Office of the Inspector General.

(d) If the brokerage or Department makes a decision to terminate provider enrollment, the Department must issue a written notice that includes:

(A) An explanation of the reason for termination of the provider enrollment;

(B) The alleged violation as listed in subsection (b) and (c) of this section; and

(C) The appeal rights of the individual, including where to file the appeal; and

(D) For terminations based on substantiated abuse allegations, only the limited information allowed by law. In accordance with ORS 124.075, 124.085, 124.090, and OAR 411-020-0030, complainants, witnesses, the name of the alleged victim, and protected health information may not be disclosed.

(E) The effective date of the termination.

(e) The provider may appeal a termination within 30 days from the date the termination notice was mailed to the provider. The provider must appeal a termination separately from any appeal of audit findings and overpayments.

(A) A provider of Medicaid services may appeal a termination by requesting an administrator review by the Director of the Department.

(B) For an appeal regarding provision of Medicaid services to be valid, written notice of the appeal must be received by the Department within 30 days from the date the termination notice was mailed to the provider.

(f) At the discretion of the Department, providers who have previously been terminated or suspended by the Department or by the Oregon Health Authority may not be authorized as providers of Medicaid services.

## 411-340-0135

### Standards for Employers

(1) **EMPLOYER OF RECORD.** An employer of record is required when a personal support worker who is not an independent contractor is selected by an individual to provide supports. The Department may not act as the employer of record.

(2) **SERVICE AGREEMENT.** The employer must create and maintain a service agreement for a personal support worker that is in coordination with the services authorized in the ISP. The service agreement serves as a written job description for the employed personal support worker.

(3) **BENEFITS.** Only personal support workers qualify for benefits. The benefits provided to personal support workers are described in OAR chapter 411, division 375.

(4) **INTERVENTION.** For the purpose of this rule, "intervention" means the action the Department or the designee of the Department requires when an employer fails to meet the employer responsibilities described in this rule. Intervention includes, but is not limited to:

(a) A documented review of the employer responsibilities described in section (5) of this rule;

(b) Training related to employer responsibilities;

(c) Corrective action taken as a result of a personal support worker filing a complaint with the Department, the designee of the Department, or other agency who may receive labor related complaints;

(d) Identifying an employer representative if an individual is not able to meet the employer responsibilities described in section (5) of this rule; or

(e) Identifying another representative if the current employer representative is not able to meet the employer responsibilities described in section (5) of this rule.

### (5) EMPLOYER RESPONSIBILITIES.

(a) For an individual to be eligible for support provided by a personal support worker, an employer must demonstrate the ability to:

(A) Locate, screen, and hire a qualified personal support worker;

(B) Supervise and train the personal support worker;

(C) Schedule work, leave, and coverage;

(D) Track the hours worked and verify the authorized hours completed by the personal support worker;

(E) Recognize, discuss, and attempt to correct, with the personal support worker, any performance deficiencies and provide appropriate, progressive, disciplinary action as needed; and

(F) Discharge an unsatisfactory personal support worker.

(b) Indicators that an employer may not be meeting the employer responsibilities described in subsection (a) of this section include, but are not limited to:

(A) Personal support worker complaints;

(B) Multiple complaints from a personal support worker requiring intervention from the Department or Brokerage as defined in section (4) of this rule;

(C) Frequent errors on timesheets, mileage logs, or other required documents submitted for payment that results in repeated coaching from the Department or Brokerage;

(D) Complaints to Medicaid Fraud involving the employer; or

(E) Documented observation by the Department or Brokerage of services not being delivered as identified in an ISP.

(c) The Department or the Brokerage may require intervention as defined in section (4) of this rule when an employer has demonstrated difficulty meeting the employer responsibilities described in subsection (a) of this section.

(d) An individual may not receive support provided by a personal support worker if, after appropriate intervention and assistance, an employer is not able to meet the employer responsibilities described in subsection (a) of this section.

(A) An individual determined ineligible to be an employer of a personal support worker and unable to designate an employer representative, may not request support provided by a personal support worker until the next annual ISP. Improvements in health and cognitive functioning may be factors in demonstrating the ability of the individual to meet the employer responsibilities described in subsection (a) of this section. If an individual is able to demonstrate the ability to meet the employer responsibilities sooner than the next annual ISP, the individual may request the waiting period be shortened.

(B) An individual determined ineligible to be an employer of a personal support worker is offered other available service options that meet the service needs of the individual, including support through a contracted qualified provider organization or general business provider when available. As an alternative to in-home support, the Department or the designee of the Department may offer other available services through the Home and Community Based Services Waiver or State Plan.

### (6) DESIGNATION OF EMPLOYER RESPONSIBILITIES.

(a) An individual not able to meet all of the employer responsibilities described in section (5)(a) of this rule must:

(A) Designate an employer representative in order for the individual to receive or continue to receive in home support provided by a personal support worker; or

(B) Select a provider organization or general business provider to provide support for the individual.

(b) An individual able to demonstrate the ability to meet some of the employer responsibilities described in section (5)(a) of this rule must:

(A) Designate an employer representative to fulfill the responsibilities the individual is not able to meet in order for the individual to receive or continue to receive support provided by a personal support worker; and

(B) On a Department approved form, document the specific employer responsibilities performed by the individual and the employer responsibilities performed by the employer representative of the individual.

(c) When the employer representative of an individual is not able to meet the employer responsibilities described in section (5)(a) or the qualifications in section (7)(c) of this rule, an individual must:

(A) Designate a different employer representative in order for the individual to receive or continue to receive in home support provided by a personal support worker; or

# ADMINISTRATIVE RULES

(B) Select a provider organization or general business provider to provide in-home support for the individual.

(7) EMPLOYER REPRESENTATIVE.

(a) An individual, or the legal representative of an individual, may designate an employer representative to act on behalf of the individual, to meet the employer responsibilities described in section (5)(a) of this rule. The legal or designated representative of an individual may be the employer.

(b) An employer who is also the personal support worker of support must seek an alternate employer for purposes of the employment of the personal support worker. The alternate employer must:

(A) Track the hours worked and verify the authorized hours completed by the personal support worker; and

(B) Document the specific employer responsibilities performed by the employer on a Department approved form.

(c) The Department or the Brokerage may suspend, terminate, or deny a request for an employer representative if the requested employer representative has:

(A) A history of substantiated abuse of an adult as described in OAR 411-045-0250 to 411-045-0370;

(B) A history of founded abuse of a child as described in ORS 419B.005;

(C) Participated in billing excessive or fraudulent charges; or

(D) Failed to meet the employer responsibilities in section (5)(a) or (7)(b) of this rule, including previous termination as a result of failing to meet the employer responsibilities in section (5)(a) or (7)(b).

(d) If the Department or Brokerage suspends, terminates, or denies a request for an employer representative for the reasons described in subsection (c) of this section, an individual may select another employer representative.

(8) NOTICE.

(a) The Department or the Brokerage, respectively, shall mail a notice identifying the individual, and if applicable the employer representative and legal or designated representative of the individual, when:

(A) The Department or the Brokerage denies, suspends, or terminates an employer from performing the employer responsibilities described in sections (5)(a) or (7)(b) of this rule; and

(B) The Department or the Brokerage denies, suspends, or terminates an employer representative from performing the employer responsibilities described in section (5)(a) or (7)(b) of this rule because the employer representative does not meet the qualifications in section (7)(c) of this rule.

(b) BROKERAGE ISSUED NOTICES. An individual receiving support from a personal support worker, or as applicable the legal or designated representative or employer representative of the individual, may appeal a notice issued by the Brokerage by requesting a review by Director of the Brokerage.

(A) For an appeal regarding denial, suspension, or termination of an employer to be valid, written notice of the appeal and request for review must be received by the Brokerage within 45 days from the date of the notice.

(B) The Brokerage Director shall complete a review and issue a decision within 30 days of the date the written appeal was received by the Brokerage.

(C) If an individual, or as applicable the legal or designated representative or employer representative of the individual, is dissatisfied with the decision of the Brokerage Director, the individual, or as applicable the legal or designated representative or employer representative of the individual, may request an administrator review by the Director of the Department.

(D) For an appeal of the decision of the Brokerage to be valid, written notice of the appeal and request for an administrator review must be received by the Department within 15 days from the date of the decision of the Brokerage.

(E) The Director shall complete an administrator review within 30 days from the date the written appeal was received by the Department.

(F) The determination of the Director is the final response from the Department.

(c) DEPARTMENT ISSUED NOTICES. An individual receiving support from a personal support worker, or as applicable the legal or designated representative of the individual, may appeal a notice issued by the Department by requesting an administrator review by the Director of the Department.

(A) For an appeal regarding denial, suspension, or termination of an employer to be valid, written notice of the appeal and request for an administrator review must be received by the Department within 45 days of the date of the notice.

(B) The Director shall complete an administrator review and issue a decision within 30 days from the date the written appeal was received by the Department.

(C) The determination of the Director is the final response from the Department.

(d) When a denial, suspension, or termination of an employer results in the Department denying, suspending, or terminating an individual from in-home support, the hearing rights in OAR chapter 411, division 318 apply.

Stat. Auth.: ORS 409.050, 427.402, 430.662

Stats. Implemented: ORS 427.005, 427.007, 427.400-410, 430.610, 430.620, 430.662-695

Hist.: APD 26-2014(Temp), f. & cert. ef. 7-1-14 thru 12-28-14; APD 44-2014, f. 12-26-14, cert. ef. 12-28-14

## 411-340-0140

### Using Support Services Funds for Certain Purchases Is Prohibited

(1) Effective July 28, 2009, support services funds may not be used to support, in whole or in part, a provider in any capacity who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(2) Section (1) of this rule does not apply to employees of individuals, individuals' legal representatives, employees of general business providers, or employees of provider organizations, who were hired prior to July 28, 2009 that remain in the current position for which the employee was hired.

(3) Support services funds may not be used to pay for:

(a) Services, materials, or activities that are illegal;

(b) Services or activities that are carried out in a manner that constitutes abuse as defined in OAR 407-045-0260;

(c) Materials or equipment that has been determined unsafe for the general public by recognized consumer safety agencies;

(d) Individual or family vehicles;

(e) Health and medical costs that the general public normally must pay, including but not limited to:

(A) Medications;

(B) Health insurance co-payments;

(C) Dental treatments and appliances;

(D) Medical treatments;

(E) Dietary supplements, including but not limited to vitamins and experimental herbal and dietary treatments; or

(F) Treatment supplies not related to nutrition, incontinence, or infection control.

(f) Ambulance services;

(g) Legal fees;

(h) Vacation costs for transportation, food, shelter, and entertainment that are normally incurred by a person on vacation, regardless of disability, and are not strictly required by the individual's need for personal assistance in all home and community-based settings;

(i) Individual services, training, or supervision that has not been arranged according to applicable state and federal wage and hour regulations;

(j) Services, activities, materials, or equipment that are not necessary, cost-effective, or do not meet the definition of support or social benefits as defined in OAR 411-340-0020;

(k) Educational services for school-age individuals over the age of 18, including professional instruction, formal training, and tutoring in communication, socialization, and academic skills, and post-secondary educational services, such as those provided through two- or four-year colleges for individuals of all ages;

(l) Services provided in a nursing facility, correctional institution, or hospital;

(m) Services, activities, materials, or equipment that may be obtained by the individual or the individual's family through alternative resources or natural supports;

(n) Unless under certain conditions and limits specified in Department guidelines, employee wages or contractor charges for time or services when the individual is not present or available to receive services, including but not limited to employee paid time off, hourly "no show" charge, and contractor travel and preparation hours;

(o) Services or activities for which the legislative or executive branch of Oregon government has prohibited use of public funds;

(p) Notwithstanding abuse as defined in OAR 407-045-0260, services when there is sufficient evidence to believe that an individual, or as applicable the legal or designated representative of the individual, has engaged in fraud or misrepresentation, failed to use resources as agreed upon in the ISP, refused to accept or delegate record keeping required to use

# ADMINISTRATIVE RULES

brokerage resources, or otherwise knowingly misused public funds associated with brokerage services;

(q) Any purchase that is not generally accepted by the relevant mainstream professional or academic community as an effective means to address an identified support need; or

(r) Services, supplies, or supports that are illegal, experimental, or determined unsafe for the general public by recognized consumer safety agencies.

## 411-340-0150

### Standards for Support Services Brokerage Administration and Operations

(1) **POLICY OVERSIGHT GROUP.** The brokerage must develop and implement procedures for incorporating the direction, guidance, and advice of individuals and family members of individuals in the administration of the organization.

(a) The brokerage must establish and utilize a Policy Oversight Group, of which the membership majority must be individuals with intellectual or developmental disabilities and family members of individuals with intellectual or developmental disabilities.

(b) Brokerage procedures must be developed and implemented to assure the Policy Oversight Group has the maximum authority that may be legally assigned or delegated over important program operational decisions, including such areas as program policy development, program planning and goal setting, budgeting and resource allocation, selection of key personnel, program evaluation and quality assurance, and complaint resolution.

(c) If the Policy Oversight Group is not also the governing body of the brokerage, then the brokerage must develop and implement a written procedure that describes specific steps of appeal or remediation to resolve conflicts between the Policy Oversight Group and the governing body of the brokerage.

(d) A Policy Oversight Group must develop and implement operating policies and procedures.

(2) **FULL-TIME BROKERAGE DIRECTOR REQUIRED.** The brokerage must employ a full-time director who is responsible for the daily operations of the brokerage in compliance with these rules and who has authority to make budget, staffing, policy, and procedural decisions for the brokerage.

(3) **DIRECTOR QUALIFICATIONS.** In addition to the general staff qualifications of OAR 411-340-0070(1) and (2), the brokerage director must have:

(a) A minimum of a bachelor's degree and two years' experience, including supervision, in the field of intellectual or developmental disabilities, social services, mental health, or a related field; or

(b) Six years of experience, including supervision, in the field of intellectual or developmental disabilities, social services, or mental health.

(4) **FISCAL INTERMEDIARY REQUIREMENTS.**

(a) A fiscal intermediary must:

(A) Demonstrate a practical understanding of laws, rules, and conditions that accompany the use of public resources;

(B) Develop and implement accounting systems that operate effectively on a large scale as well as track individual budgets;

(C) Establish and meet the time lines for payments that meet individuals' needs;

(D) Develop and implement an effective payroll system, including meeting payroll-related tax obligations;

(E) Generate service, management, and statistical information and reports required by the brokerage director and Policy Oversight Group to effectively manage the brokerage and by individuals to effectively manage supports;

(F) Maintain flexibility to adapt to changing circumstances of individuals; and

(G) Provide training and technical assistance to individuals as required and specified in the individuals' ISPs.

(b) A fiscal intermediary may not recruit, hire, supervise, evaluate, dismiss, or otherwise discipline those employed to provide services described in an individual's authorized ISP.

(c) **FISCAL INTERMEDIARY QUALIFICATIONS.**

(A) A fiscal intermediary may not:

(i) Be a provider of support services paid using support services funds; or

(ii) Be a family member or other representative of an individual for whom they provide fiscal intermediary services.

(B) The brokerage must obtain and maintain written evidence that:

(i) Contractors providing fiscal intermediary services have sufficient education, training, or work experience to effectively and efficiently perform all required activities; and

(ii) Employees providing fiscal intermediary services have sufficient education, training, or work experience to effectively and efficiently perform all required activities prior to hire or that the brokerage has provided requisite education, training, and experience.

(5) **PERSONAL AGENT QUALIFICATIONS.**

(a) Each personal agent must have knowledge of the public service system for developmental disability services in Oregon and at least:

(A) A bachelor's degree in a behavioral science, social science, or a closely related field; or

(B) A bachelor's degree in any field and one year of human services related experience, such as work providing assistance to individuals and groups with issues, such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing; or

(C) An associate's degree in a behavioral science, social science, or a closely related field and two years of human services related experience, such as work providing assistance to individuals and groups with issues, such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing; or

(D) Three years of human services related experience.

(b) A brokerage must submit a written variance request to the Department prior to employing a person not meeting the minimum qualifications for a personal agent set forth in subsection (a) of this section. The variance request must include:

(A) An acceptable rationale for the need to employ a person who does not meet the qualifications; and

(B) A proposed alternative plan for education and training to correct the deficiencies.

(i) The proposal must specify activities, timelines, and responsibility for costs incurred in completing the alternative plan.

(ii) A person who fails to complete the alternative plan for education and training to correct the deficiencies may not fulfill the requirements for the qualifications.

(6) **PERSONAL AGENT TRAINING.** The brokerage must provide or arrange for personal agents to receive training needed to provide or arrange for brokerage services, including but not limited to:

(a) Principles of self-determination;

(b) Person-centered planning processes;

(c) Identification and use of alternative support resources;

(d) Fiscal intermediary services;

(e) Basic employer and employee roles and responsibilities;

(f) Developing new resources;

(g) Major public health and welfare benefits;

(h) Constructing and adjusting individualized support plans; and

(i) Assisting individuals to judge and improve quality of personal supports.

(7) **INDIVIDUAL RECORD REQUIREMENTS.** The brokerage must maintain current, up-to-date records for each individual receiving services and must make these records available to the Department upon request. The individual or the individual's legal representative may access any portion of the individual's record upon request. Individual records must include, at minimum:

(a) Application and eligibility information received from the referring CDDP;

(b) An easily-accessed summary of basic information, including the individual's name, family name (if applicable), individual's legal or designated representative (if applicable), address, telephone number, date of entry into the program, date of birth, gender, marital status, individual financial resource information, and plan year anniversary date;

(c) Documents related to determining eligibility for brokerage services;

## ADMINISTRATIVE RULES

(d) Records related to receipt and disbursement of funds, including expenditure authorizations, expenditure verification, copies of CPMS expenditure reports, and verification that providers meet the requirements of OAR 411-340-0160 through 411-340-0180;

(e) Documentation, signed by the individual, or as applicable the individual's legal or designated representative, that the individual, or as applicable the individual's legal or designated representative, has been informed of responsibilities associated with the use of support services funds;

(f) Incident reports;

(g) The completed functional needs assessment and other assessments used to determine supports required, preferences, and resources;

(h) ISP and reviews. If an individual is unable to sign the ISP, the individual's record must document that the individual was informed of the contents of the ISP and that the individual's agreement to the ISP was obtained to the extent possible;

(i) Names of those who participated in the development of the ISP. If an individual was not able to participate in the development of the ISP, the individual's record must document the reason;

(j) Written service agreements. A written service agreement must be consistent with the individual's ISP and must describe, at a minimum:

(A) Type of service to be provided;

(B) Hours, rates, location of services, and expected outcomes of services; and

(C) Any specific individual health, safety, and emergency procedures that may be required, including action to be taken if an individual is unable to provide for the individual's own safety and the individual is missing while in the community under the service of a contractor or provider organization.

(k) Personal agent correspondence and notes related to resource development and plan outcomes;

(l) Progress notes. Progress notes must include documentation of the delivery of services by a personal agent to support each case service provided. Progress notes must be recorded chronologically and documented consistent with brokerage policies and procedures. All late entries must be appropriately documented. Progress notes must, at a minimum, include:

(A) The month, day, and year the services were rendered and the month, day, and year the entry was made if different from the date service was rendered;

(B) The name of the individual receiving services;

(C) The name of the brokerage, the person providing the service (i.e., the personal agent's signature and title), and the date the entry was recorded and signed;

(D) The specific services provided and actions taken or planned, if any;

(E) Place of service. Place of service means the name of the brokerage and where the brokerage is located, including the address. The place of service may be a standard heading on each page of the progress notes; and

(F) The names of other participants (including titles and agency representation, if any) in notes pertaining to meetings with or discussions about the individual.

(m) Information about individual satisfaction with personal supports and the brokerage's services.

(8) SPECIAL RECORD REQUIREMENTS FOR SUPPORT SERVICES FUND EXPENDITURES.

(a) The brokerage must develop and implement written policies and procedures concerning use of support services funds. These policies and procedures must include but may not be limited to:

(A) Minimum acceptable records of expenditures;

(i) Itemized invoices and receipts to record purchase of any single item;

(ii) A trip log indicating purpose, date, and total miles to verify vehicle mileage reimbursement;

(iii) Itemized invoices for any services purchased from independent contractors, provider organizations, and professionals. Itemized invoices must include:

(I) The name of the individual to whom services were provided;

(II) The date of the services; and

(III) A description of the services.

(iv) Pay records, including timesheets signed by both employee and employer, to record employee services; and

(v) Documentation that services provided were consistent with an individual's authorized ISP.

(B) Procedures for confirming the receipt, and securing the use of, assistive devices, environmental safety modifications, and environmental modifications.

(i) When an assistive device is obtained for the exclusive use of an individual, the brokerage must record the purpose, final cost, and date of receipt.

(ii) The brokerage must secure use of equipment or furnishings costing more than \$500 through a written agreement between the brokerage and the individual or the individual's legal representative that specifies the time period the item is to be available to the individual and the responsibilities of all parties if the item is lost, damaged, or sold within that time period.

(iii) The brokerage must ensure that projects for environmental modifications and environmental safety modifications involving renovation or new construction in an individual's home or property costing \$5,000 or more per single instance or cumulatively over several modifications:

(I) Are approved by the Department before work begins and before final payment is made;

(II) Are completed or supervised by a contractor licensed and bonded in Oregon; and

(b) Any goods purchased with support services funds that are not used according to an individual's ISP or according to an agreement securing the state's use may be immediately recovered.

(c) Failure to furnish written documentation upon the written request from the Department, the Oregon Department of Justice Medicaid Fraud Unit, Centers for Medicare and Medicaid Services, or their authorized representatives, immediately or within timeframes specified in the written request, may be deemed reason to recover payments or deny further assistance.

(9) QUALITY ASSURANCE.

(a) The Policy Oversight Group must develop a Quality Assurance Plan and review the plan at least twice a year. The Quality Assurance Plan must include a written statement of values, organizational outcomes, activities, and measures of progress that:

(A) Uses information from a broad range of individuals, legal or designated representatives, professionals, and other sources to determine community support needs and preferences;

(B) Involves individuals in ongoing evaluation of the quality of their personal supports; and

(C) Monitors:

(i) Customer satisfaction with the services of the brokerage and with individual plans in areas, such as individual access to supports, sustaining important personal relationships, flexible and unique support strategies, individual choice and control over supports, responsiveness of the brokerage to changing needs, and preferences of the individuals; and

(ii) Service outcomes in areas such as achievement of personal goals and effective use of resources.

(b) The brokerage must participate in statewide evaluation, quality assurance, and regulation activities as directed by the Department.

(10) BROKERAGE REFERRAL TO AFFILIATED ENTITIES.

(a) When a brokerage is part of, or otherwise directly affiliated with, an entity that also provides services that an individual may purchase using private or support services funds, brokerage staff may not refer, recommend, or otherwise encourage the individual to utilize this entity to provide services unless:

(A) The brokerage conducts a review of provider options that demonstrates that the entity's services are cost-effective and best-suited to provide the services determined by the individual to be the most effective and desirable for meeting needs and circumstances represented in the individual's ISP; and

(B) The entity is freely selected by the individual and is the clear choice by the individual among all available alternatives.

(b) The brokerage must develop and implement a policy that addresses individual selection of an entity that the brokerage is a part of, or otherwise directly affiliated, to provide services purchased with private or support services funds. This policy must address, at minimum:

(A) Disclosure of the relationship between the brokerage and the potential provider;

(B) Provision of information about all other potential providers to the individual, or as applicable the individual's legal or designated representative, without bias;

(C) A process for arriving at the option for selecting a provider;

(D) Verification of the fact that the providers were freely chosen among all alternatives;

(E) Collection and review of data on services purchased by an individual enrolled in the brokerage by an entity that the brokerage is a part of or otherwise directly affiliated; and

(F) Training of personal agents and individuals in issues related to the selection of providers.

# ADMINISTRATIVE RULES

(11) GENERAL OPERATING POLICIES AND PRACTICES. The brokerage must develop and implement such written statements of policy and procedure in addition to those specifically required by this rule as are necessary and useful to enable the brokerage to accomplish the brokerage's objectives and to meet the requirements of these rules and other applicable standards and rules.

## 411-340-0160

### Standards for Independent Providers Paid with Support Services Funds

(1) PERSONAL SUPPORT WORKER QUALIFICATIONS. Each personal support worker must meet the qualifications described in OAR chapter 411, division 375.

(2) INDEPENDENT PROVIDER QUALIFICATIONS. Each independent provider who is not a personal support worker who is paid as a contractor or a self-employed person that is selected to provide the services and supports in OAR 411-340-0130 must:

(a) Be at least 18 years of age;

(b) Have approval to work based on current Department policy and a background check completed by the Department in accordance with OAR 407-007-0200 to 407-007-0370. A subject individual as defined in 407-007-0210 may be approved for one position to work with multiple individuals statewide when the subject individual is working in the same employment role. The Department Background Check Request form must be completed by the subject individual to show intent to work statewide;

(A) Prior background check approval for another Department provider type is inadequate to meet background check requirements for independent provider enrollment.

(B) Background check approval is effective for two years from the date an independent provider is contracted with to provide in-home support, except in the following circumstances:

(i) Based on possible criminal activity or other allegations against the independent provider, a new fitness determination is conducted resulting in a change in approval status; or

(ii) The background check approval has ended because the Department has inactivated or terminated the provider enrollment for the independent provider.

(c) Effective July 28, 2009, not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275;

(d) Be legally eligible to work in the United States;

(e) Not be the spouse of an individual receiving services;

(f) Demonstrate by background, education, references, skills, and abilities that he or she is capable of safely and adequately performing the tasks specified the ISP, with such demonstration confirmed in writing by the individual, or as applicable the individual's legal or designated representative, and including:

(A) Ability and sufficient education to follow oral and written instructions and keep any records required;

(B) Responsibility, maturity, and reputable character exercising sound judgment;

(C) Ability to communicate with the individual; and

(D) Training of a nature and type sufficient to ensure that the provider has knowledge of emergency procedures specific to the individual.

(g) Hold a current, valid, and unrestricted appropriate professional license or certification where services and supervision requires specific professional education, training, and skill;

(h) Understand requirements of maintaining confidentiality and safeguarding individual information;

(i) Not be on the list of excluded or debarred providers maintained by the Office of the Inspector General (<http://exclusions.oig.hhs.gov/>);

(j) If transporting an individual, have a valid license to drive and proof of insurance, as well as any other license or certification that may be required under state and local law, depending on the nature and scope of the transportation; and

(k) Sign a Medicaid provider agreement and be enrolled as a Medicaid provider prior to delivery of any services.

(3) Section (2)(c) of this rule does not apply to employees of individuals, legal or designated representatives, employees of general business providers, or employees of provider organizations, who were hired prior to July 28, 2009 that remain in the current position for which the employee was hired.

(4) All providers must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290. The provider must notify the Department or the designee of the Department within 24 hours.

(5) Independent providers, including personal support workers, are not employees of the state, CDDP, or Brokerage.

(6) BEHAVIOR CONSULTANTS. Behavior consultants are not personal support workers. Behavior consultants may include, but are not limited to, autism specialists, licensed psychologists, or other behavioral specialists. Behavior consultants providing specialized supports must:

(a) Have education, skills, and abilities necessary to provide behavior support services as described in OAR 411-340-0130;

(b) Have received current certification demonstrating completion of OIS training; and

(c) Submit a resume or the equivalent to the brokerage indicating at least one of the following:

(A) A bachelor's degree in special education, psychology, speech and communication, occupational therapy, recreation, art or music therapy, or a behavioral science field, and at least one year of experience with individuals who present difficult or dangerous behaviors; or

(B) Three years' experience with individuals who present difficult or dangerous behaviors and at least one year of that experience includes providing the services of a behavior consultant as described in OAR 411-340-0130.

(7) NURSE. A nurse providing community nursing services is not a personal support worker. The nurse must:

(a) Have a current Oregon nursing license;

(b) Be enrolled in the Long Term Care Community Nursing Program as described in OAR chapter 411, division 048; and

(c) Submit a resume to the brokerage indicating the education, skills, and abilities necessary to provide nursing services in accordance with state law, including at least one year of experience with individuals.

(8) DIETICIANS. Dietitians providing special diets must be licensed according to ORS 691.415 through 691.465.

Stat. Auth.: ORS 409.050, 427.402 & 430.662  
Stats. Implemented: ORS 427.005, 427.007, 427.400-427.410, 430.610, 430.620 & 430.662-430.695

Hist.: MHD 9-2001(Temp), f. 8-30-01, cert. ef. 9-1-01 thru 2-27-02; MHD 5-2002, f. 2-26-02 cert. ef. 2-27-02; Renumbered from 309-041-1900, SPD 22-2003, f. 12-22-03, cert. ef. 12-28-03; SPD 8-2005, f. & cert. ef. 6-23-05; SPD 17-2006, f. 4-26-06, cert. ef. 5-1-06; SPD 8-2008, f. 6-27-08, cert. ef. 6-29-08; SPD 8-2009, f. & cert. ef. 7-1-09; SPD 25-2009(Temp), f. 12-31-09, cert. ef. 1-1-10 thru 6-30-10; SPD 2-2010(Temp), f. & cert. ef. 3-18-10 thru 6-30-10; SPD 5-2010, f. 6-29-10, cert. ef. 7-1-10; SPD 50-2013, f. 12-27-13, cert. ef. 12-28-13; APD 26-2014(Temp), f. & cert. ef. 7-1-14 thru 12-28-14; APD 44-2014, f. 12-26-14, cert. ef. 12-28-14

## 411-340-0170

### Standards for Provider Organizations Paid with Support Services Funds

(1) PROVIDER ORGANIZATIONS WITH CURRENT LICENSE OR CERTIFICATION. A provider organization certified, licensed, and endorsed under OAR chapter 411, division 325 for a 24-hour residential setting, or licensed under OAR chapter 411, division 360 for an adult foster home, or certified and endorsed under OAR chapter 411, division 345 for employment services or OAR chapter 411, division 328 for a supported living setting, does not require additional certification as an organization to provide relief care, attendant care, skills training, community transportation, or behavior consultation.

(a) Current license, certification, or endorsement is considered sufficient demonstration of ability to:

(A) Recruit, hire, supervise, and train qualified staff;

(B) Provide services according to ISPs; and

(C) Develop and implement operating policies and procedures required for managing an organization and delivering services, including provisions for safeguarding individuals receiving services.

(b) Provider organizations must assure that all people directed by the provider organization as employees, contractors, or volunteers to provide services paid for with support services funds meet the standards for qualification of independent providers described in OAR 411-340-0160.

(c) Provider organizations developing new sites, owned or leased by the provider organization, that are not reviewed as a condition of the current license or certification and where individuals are regularly present and

## ADMINISTRATIVE RULES

receiving services purchased with support services funds, must meet the conditions of section (2)(f) of this rule in each such site.

(2) PROVIDER ORGANIZATIONS REQUIRING CERTIFICATION. A provider organization without a current license or certification as described in section (1) of this rule must be certified as a provider organization according to OAR 411-340-0030 prior to selection for providing the services listed in OAR 411-340-0130 and paid for with support services funds.

(a) The provider organization must develop and implement policies and procedures required for administration and operation in compliance with these rules, including but not limited to:

(A) Policies and procedures required in OAR 411-340-0040, 411-340-0050, 411-340-0070, 411-340-0080, and 411-340-0090 related to abuse and unusual incidents, inspections and investigations, personnel policies and practices, records, and variances.

(B) Individual rights. The provider organization must have, and implement, written policies and procedures that protect the individual rights described in OAR 411-318-0010 and that:

(i) Provide for individual participation in selection, training, and evaluation of staff assigned to provide services to individuals;

(ii) Protect individuals during hours of service from financial exploitation that may include, but is not limited to:

(I) Staff borrowing from or loaning money to individuals;

(II) Witnessing wills in which the staff or provider organization is beneficiary; or

(III) Adding the name of the staff member or provider organization to the bank account or other personal property of the individual without approval of the individual or the legal representative of the individual (as applicable).

(C) Complaints.

(i) Complaints must be addressed in accordance with OAR 411-318-0015.

(ii) The provider organization must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015.

(iii) Upon entry and request and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual.

(D) Policies and procedures appropriate to scope of service including, but not limited to, those required to meet minimum standards set forth in subsections (f) to (k) of this section and consistent with written service agreements for individuals currently receiving services.

(b) The provider organization must deliver services according to a written service agreement.

(c) The provider organization must maintain a current record for each individual receiving services. The record must include:

(A) The name, current home address, and home phone number of the individual;

(B) A current written service agreement signed and dated by the individual;

(C) Contact information for the legal or designated representative of the individual (as applicable) and any other people designated by the individual to be contacted in case of incident or emergency;

(D) Contact information for the brokerage assisting the individual to obtain services; and

(E) Records of service provided, including type of services, dates, hours, and personnel involved.

(d) Staff, contractors, or volunteers who provide services to individuals must meet independent provider qualifications in OAR 411-340-0160. Additionally, those staff, contractors, or volunteers must have current CPR and first aid certification obtained from a recognized training agency prior to working alone with an individual.

(e) The provider organization must ensure that employees, contractors, and volunteers receive appropriate and necessary training.

(f) Provider organizations that own or lease sites, provide services to individuals at those sites, and regularly have individuals present and receiving services at those sites, must meet the following minimum requirements:

(A) A written emergency plan must be developed and implemented and must include instructions for staff and volunteers in the event of fire, explosion, accident, or other emergency including evacuation of individuals served.

(B) Posting of emergency information:

(i) The telephone numbers of the local fire, police department, and ambulance service, or "911" must be posted by designated telephones; and

(ii) The telephone numbers of the provider organization director and other people to be contacted in case of emergency must be posted by designated telephones.

(C) A documented safety review must be conducted quarterly to ensure that the service site is free of hazards. Safety review reports must be kept in a central location by the provider organization for three years.

(D) The provider organization must train all individuals when the individuals begin attending the service site to leave the site in response to an alarm or other emergency signal and to cooperate with assistance to exit the site.

(i) Each provider organization must conduct an unannounced evacuation drill each month when individuals are present.

(ii) Exit routes must vary based on the location of a simulated fire.

(iii) Any individual failing to evacuate the service site unassisted within the established time limits set by the local fire authority for the site must be provided specialized training or support in evacuation procedures.

(iv) Written documentation must be made at the time of the drill and kept by the provider organization for at least two years following the drill. The written documentation must include:

(I) The date and time of the drill;

(II) The location of the simulated fire;

(III) The last names of all individuals and staff present at the time of the drill;

(IV) The amount of time required by each individual to evacuate if the individual needs more than the established time limit; and

(V) The signature of the staff conducting the drill.

(v) In sites providing services to individuals who are medically fragile or have severe physical limitations, requirements of evacuation drill conduct may be modified. The modified plan must:

(I) Be developed with the local fire authority, the individual or the individual's legal or designated representative (as applicable), and the provider organization director; and

(II) Be submitted as a variance request according to OAR 411-340-0090.

(E) The provider organization must provide necessary adaptations to ensure fire safety for sensory and physically impaired individuals.

(F) At least once every three years, the provider organization must conduct a health and safety inspection.

(i) The inspection must cover all areas and buildings where services are delivered to individuals, including administrative offices and storage areas.

(ii) The inspection must be performed by:

(I) The Oregon Occupational Safety and Health Division;

(II) The provider organization's worker's compensation insurance carrier; or

(III) An appropriate expert, such as a licensed safety engineer or consultant as approved by the Department; and

(IV) The Oregon Health Authority, Public Health Division, when necessary.

(iii) The inspection must cover:

(I) Hazardous material handling and storage;

(II) Machinery and equipment used at the service site;

(III) Safety equipment;

(IV) Physical environment; and

(V) Food handling, when necessary.

(iv) The documented results of the inspection, including recommended modifications or changes and documentation of any resulting action taken, must be kept by the provider for five years.

(G) The provider organization must ensure that each service site has received initial fire and life safety inspections performed by the local fire authority or a Deputy State Fire Marshal. The documented results of the inspection, including documentation of recommended modifications or changes and documentation of any resulting action taken, must be kept by the provider for five years.

(H) Direct service staff must be present in sufficient number to meet health, safety, and service needs specified in the individual written agreements of the individuals present. When individuals are present, staff must have the following minimum skills and training:

(i) At least one staff member on duty with CPR certification at all times;

(ii) At least one staff member on duty with current First Aid certification at all times;

(iii) At least one staff member on duty with training to meet other specific medical needs identified in the individual service agreement; and

## ADMINISTRATIVE RULES

(iv) At least one staff member on duty with training to meet other specific behavior intervention needs as identified in individual service agreements.

(g) Provider organizations providing services to individuals that involve assistance with meeting health and medical needs must:

(A) Develop and implement written policies and procedures addressing:

- (i) Emergency medical intervention;
- (ii) Treatment and documentation of illness and health care concerns;
- (iii) Administering, storing, and disposing of prescription and non-prescription drugs, including self-administration;
- (iv) Emergency medical procedures, including the handling of bodily fluids; and

(v) Confidentiality of medical records;

(B) Maintain a current written record for each individual receiving assistance with meeting health and medical needs that includes:

- (i) Health status;
- (ii) Changes in health status observed during hours of service;
- (iii) Any remedial and corrective action required and when such actions were taken if occurring during hours of service; and
- (iv) A description of any restrictions on activities due to medical limitations.

(C) If providing medication administration when an individual is unable to self-administer medications and there is no other responsible person present who may lawfully direct administration of medications, the provider organization must:

(i) Have a written order or copy of the written order, signed by a physician or physician designee, before any medication, prescription or non-prescription, is administered;

(ii) Administer medications per written orders;

(iii) Administer medications from containers labeled as specified per physician written order;

(iv) Keep medications secure and unavailable to any other individual and stored as prescribed;

(v) Record administration on an individualized Medication Administration Record (MAR), including treatments and PRN, or "as needed", orders;

(vi) Not administer unused, discontinued, outdated, or recalled drugs; and

(vii) Not administer PRN psychotropic medication. PRN orders may not be accepted for psychotropic medication.

(D) Maintain a MAR (if required). The MAR must include:

- (i) The name of the individual;
- (ii) The brand name or generic name of the medication, including the prescribed dosage and frequency of administration as contained on physician order and medication;

(iii) Times and dates the administration or self-administration of the medication occurs;

(iv) The signature of the staff administering the medication or monitoring the self-administration of the medication;

(v) Method of administration;

(vi) Documentation of any known allergies or adverse reactions to a medication;

(vii) Documentation and an explanation of why a PRN, or "as needed", medication was administered and the results of such administration; and

(viii) An explanation of any medication administration irregularity with documentation of a review by the provider organization director.

(E) Provide safeguards to prevent adverse medication reactions, including:

(i) Maintaining information about the effects and side-effects of medications the provider organization has agreed to administer;

(ii) Communicating any concerns regarding any medication usage, effectiveness, or effects to the individual or the individual's legal or designated representative (as applicable); and

(iii) Prohibiting the use of one individual's medications by another individual or person.

(F) Maintain a record of visits to medical professionals, consultants, or therapists if facilitated or provided by the provider organization.

(h) Provider organizations that own or operate vehicles that transport individuals must:

(A) Maintain the vehicles in safe operating condition;

(B) Comply with Department of Motor Vehicles laws;

(C) Maintain insurance coverage on the vehicles and all authorized drivers;

(D) Carry a first aid kit in each vehicle; and

(E) Assign drivers who meet applicable Department of Motor Vehicles requirements to operate vehicles that transport individuals.

(i) If assisting with management of funds, the provider organization must have and implement written policies and procedures related to the oversight of the individual's financial resources that include:

(A) Procedures that prohibit inappropriately expending an individual's personal funds, theft of an individual's personal funds, using an individual's funds for staff's own benefit, commingling an individual's personal funds with the provider organization's or another individual's funds, or the provider organization becoming an individual's legal or designated representative; and

(B) The provider organization's reimbursement to the individual of any funds that are missing due to theft or mismanagement on the part of any staff of the provider organization, or of any funds within the custody of the provider organization that are missing. Such reimbursement must be made within 10 business days of the verification that funds are missing.

(j) Additional standards for assisting individuals to manage difficult behavior.

(A) The provider organization must have, and implement, a written policy concerning behavior intervention procedures. The provider organization must inform the individual, and as applicable the individual's legal or designated representative, of the behavior intervention policy and procedures prior to finalizing the individual's written service agreement.

(B) Any intervention to alter an individual's behavior must be based on positive behavioral theory and practice and must be:

(i) Approved in writing by the individual or the individual's legal or designated representative (as applicable); and

(ii) Described in detail in the individual's record.

(C) Psychotropic medications and medications for behavior must be:

(i) Prescribed by a physician through a written order; and

(ii) Monitored by the prescribing physician for desired responses and adverse consequences.

(k) Additional standards for supports that involve protective physical intervention.

(A) The provider organization must only employ protective physical intervention:

(i) As part of an individual's ISP;

(ii) As an emergency measure, but only if absolutely necessary to protect the individual or others from immediate injury; or

(iii) As a health-related protection prescribed by a physician, but only if necessary for individual protection during the time that a medical condition exists.

(B) Provider organization staff members who need to apply protective physical intervention under an individual's service agreement must be trained by a Department-approved trainer and documentation of the training must be maintained in the staff members' personnel file.

(C) Protective physical intervention in emergency situations must:

(i) Be only used until the individual is no longer a threat to self or others;

(ii) Be authorized by the provider organization director or the physician of the individual within one hour of application of the protective physical intervention;

(iii) Result in the immediate notification of the individual's legal or designated representative (as applicable); and

(iv) Prompt a review of the individual's written service agreement, initiated by the provider organization, if protective physical intervention is used more than three times in a six month period.

(D) Protective physical intervention must be designed to avoid physical injury to an individual or others and to minimize physical and psychological discomfort.

(E) All use of protective physical intervention must be documented and reported according to procedures described in OAR 411-340-0040. The report must include:

(i) The name of the individual to whom the protective physical intervention is applied;

(ii) The date, type, and length of time of the application of protective physical intervention;

(iii) The name and position of the person authorizing the use of the protective physical intervention;

(iv) The name of the staff member applying the protective physical intervention; and

(v) Description of the incident.

(I) Additional standards for supports that involve employment services are found in OAR 411-345-0160.

## ADMINISTRATIVE RULES

(3) **CERTIFICATE ADMINISTRATIVE SANCTION.** An administrative sanction may be imposed for non-compliance with these rules. An administrative sanction includes one or more of the following actions:

- (a) Conditions;
  - (b) Denial, revocation, or refusal to renew a certificate; or
  - (c) Immediate suspension of a certificate.
- (4) **CERTIFICATE CONDITIONS.**

(a) The Department may attach conditions to a certificate that limit, restrict, or specify other criteria for operation of the provider organization. The type of condition attached to a certificate must directly relate to the risk of harm or potential risk of harm to individuals.

(b) The Department may attach a condition to a certificate upon a finding that:

- (A) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of individuals;
- (B) A threat to the health, safety, or welfare of an individual exists;
- (C) There is reliable evidence of abuse, neglect, or exploitation; or
- (D) The provider organization is not being operated in compliance with these rules.

(c) Conditions that the Department may impose on a certificate include, but are not limited to:

(A) Restricting the total number of individuals to whom a provider organization may provide services;

(B) Restricting the total number of individuals to whom a provider organization may provide services based upon the capability and capacity of the provider organization and staff to meet the health and safety needs of all individuals;

(C) Restricting the type of support and services the provider organization may provide to individuals based upon the capability and capacity of the provider organization and staff to meet the health and safety needs of all individuals;

- (D) Requiring additional staff or staff qualifications;
- (E) Requiring additional training;

(F) Restricting the provider organization from allowing a person on the premises who may be a threat to the health, safety, or welfare of an individual;

- (G) Requiring additional documentation; or
- (H) Restricting admissions.

(d) **NOTICE OF CERTIFICATE CONDITIONS.** The Department issues a written notice to the provider organization when the Department imposes conditions on the certificate of the provider organization. The written notice of certificate conditions includes the conditions imposed by the Department, the reason for the conditions, and the opportunity to request a hearing under ORS chapter 183. Conditions take effect immediately upon issuance of the written notice of certificate conditions or at a later date as indicated on the notice and are a Final Order of the Department unless later rescinded through the hearing process. The conditions imposed remain in effect until the Department has sufficient cause to believe the situation that warranted the condition has been remedied.

(e) **HEARING.** The provider organization may request a hearing in accordance with ORS Chapter 183 and this rule upon receipt of written notice of certificate conditions. The request for a hearing must be in writing.

(A) The provider organization must request a hearing within 21 days of receipt of the written notice of certificate conditions.

(B) In addition to, or in-lieu of a hearing, a provider organization may request an administrative review as described in section (7) of this rule. The administrative review does not diminish a provider organization's right to a hearing.

(f) The provider organization may send a written request to the Department to remove a condition if the provider organization believes the situation that warranted the condition has been remedied.

(5) **CERTIFICATE DENIAL, REFUSAL TO RENEW, OR REVOCATION.**

(a) The Department may deny, refuse to renew, or revoke a certificate when the Department finds the provider organization, or any person holding 5 percent or greater ownership interest in the provider organization:

(A) Demonstrates substantial failure to comply with these rules or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized and the provider organization fails to correct the non-compliance within 30 days from the receipt of written notice of non-compliance;

(B) Has demonstrated a substantial failure to comply with these rules or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized;

(C) Has been convicted of any crime that would have resulted in an unacceptable background check upon hiring or authorization of services;

(D) Has been convicted of a misdemeanor associated with the operation of a provider organization or services;

(E) Falsifies information required by the Department to be maintained or submitted regarding individual services, provider organization finances, or funds belonging to the individuals;

(F) Has been found to have permitted, aided, or abetted any illegal act that has had significant adverse impact on individual health, safety, or welfare; or

(G) Has been placed on the current Centers for Medicare and Medicaid Services list of excluded or debarred providers maintained by the Office of the Inspector General.

(b) **NOTICE OF CERTIFICATE DENIAL, REVOCATION, OR REFUSAL TO RENEW.** The Department may issue a notice of denial, refusal to renew, or revocation of a certificate following a Department finding that there is a substantial failure to comply with these rules or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized, or that one or more of the events listed in subsection (a) of this section has occurred.

(c) **HEARING.** An applicant for a certificate or a certified provider organization, as applicable, may request a hearing in accordance with ORS chapter 183, this rule, and ORS 443.440 for a 24-hour residential setting, upon written notice from the Department of denial, refusal to renew, or revocation of the certificate. The request for a hearing must be in writing.

(A) **DENIAL.** The applicant must request a hearing within 60 days from the receipt of the written notice of denial.

(B) **REFUSAL TO RENEW.** The provider organization must request a hearing within 60 days from the receipt of the written notice of refusal to renew.

(C) **REVOCATION.** The provider organization must request a hearing within 21 days from the receipt of the written notice of revocation.

(i) In addition to, or in-lieu of a hearing, the provider organization may request an administrative review as described in section (7) of this rule.

(ii) The administrative review does not diminish the right of the provider organization to a hearing.

(6) **IMMEDIATE SUSPENSION OF CERTIFICATE.**

(a) When the Department finds a serious and immediate threat to individual health and safety and sets forth the specific reasons for such findings, the Department may, by written notice to the provider organization, immediately suspend a certificate without a pre-suspension hearing and the provider organization may not continue operating.

(b) **HEARING.** The provider organization may request a hearing in accordance with ORS chapter 183 and this rule upon written notice from the Department of the immediate suspension of the certificate. The request for a hearing must be in writing.

(A) The provider organization must request a hearing within 21 days from the receipt of the written notice of suspension.

(B) In addition to, or in-lieu of a hearing, the provider organization may request an administrative review as described in section (7) of this rule. The request for an administrative review must be in writing. The administrative review does not diminish right of the provider organization to a hearing.

(7) **ADMINISTRATIVE REVIEW.**

(a) The provider organization, in addition to the right to a hearing, may request an administrative review. The request for an administrative review must be in writing.

(b) The Department must receive a written request for an administrative review within 10 business days from the receipt of the notice of suspension, revocation, or imposition of conditions. The provider organization may submit, along with the written request for an administrative review, any additional written materials the provider organization wishes to have considered during the administrative review.

(c) The determination of the administrative review is issued in writing within 10 business days from the receipt of the written request for an administrative review, or by a later date as agreed to by the provider organization.

(d) The provider organization may request a hearing if the decision of the Department is to affirm the suspension, revocation, or condition. The request for a hearing must be in writing. The Department must receive the written request for a hearing within 21 days from the receipt of the original written notice of suspension, revocation, or imposition of conditions.

(8) **INFORMAL CONFERENCE.** Unless an administrative review has been completed as described in section (7) of this rule, a provider

## 411-340-0180

### Standards for General Business Providers Paid with Support Services Funds

(1) General business providers providing services to individuals and paid with support services funds must hold any current license appropriate to function required by the state of Oregon or federal law or regulation, including but not limited to:

- (a) For a home health agency, a license under ORS 443.015;
- (b) For an in-home care agency, a license under ORS 443.315;

(c) For providers of environmental modifications involving building modifications or new construction, a current license and bond as a building contractor as required by either OAR chapter 812 (Construction Contractor's Board) or OAR chapter 808 (Landscape Contractors Board);

(d) For environmental accessibility consultants, a current license as a general contractor as required by OAR chapter 812, including experience evaluating homes, assessing the needs of an individual, and developing cost-effective plans to make homes safe and accessible;

(e) For public transportation providers, the established standards;

(f) For private transportation providers, a business license and drivers licensed to drive in Oregon;

(g) For vendors and medical supply companies assistive devices or specialized medical supplies, a current retail business license, including enrollment as Medicaid providers through the Division of Medical Assistance Programs if vending medical equipment;

(h) A current business license for providers of personal emergency response systems; and

(i) Retail business licenses for vendors and supply companies providing special diets.

(2) Services provided and paid for with support services funds must be limited to the services within the scope of the license of the general business provider.

**Subject:** The Department of Human Services (Department), Office of Developmental Disability Services is permanently updating the rules in OAR chapter 411, division 345 for employment services for

adults with intellectual or developmental disabilities to reflect the following:

Alignment with the rules in OAR chapter 407, division 025, Executive Order No.13-04, and Oregon's "Employment First" policy;

Alignment with the 1915(c) Home and Community-Based Services waivers and the services available under the waivers;

Alignment with the Executive Order by outlining the requirements for a Career Development Plan completed as a part of the annual Individual Support Plan (ISP);

Changes to provider types who may deliver employment services;

Changes in the funding authority for non-employment services from the 1915(c) Home and Community-Based Services waiver to the 1915(k) Community First Choice state plan amendment; and

Alignment of provider qualifications and requirements with the rules in OAR chapter 407, division 025 and Executive Order No. 13-04.

The updated rules:

Make permanent temporary rule language that became effective on July 1, 2014;

Change the references to "alternatives to employment" to "attendant care" or "skills training" where appropriate;

Incorporate the general definitions in OAR 411-317-0000 and update the definitions relating to employment and other available services, provider types, and service descriptions;

Describe who is eligible to receive services as described in these rules and assure employment services are only available to individuals who are eligible for OSIPM;

Update provider requirements consistent with the 1915(c) Home and Community-Based Services waiver, incorporate new provider types, and include qualifications for providers by service type;

Assure that adequate documentation of services is kept by providers;

Incorporate limits to employment services as described in the 1915(c) Home and Community-Based Services waivers;

Account for the adoption of rules in OAR chapter 411, division 318 and to recognize the authority of that rule in matters of complaints, individual rights, Notification of Planned Action, and hearings;

Require and describe a Career Development Plan;

Reflect new Department terminology and current practice; and

Correct formatting and punctuation.

**Rules Coordinator:** Kimberly Colkitt-Hallman — (503) 945-6398

## 411-345-0010

### Statement of Purpose

(1) These rules, OAR 411-345-0010 through 411-345-0270, effectuate Oregon's Employment First policy under which the employment of individuals with developmental disabilities in competitive integrated employment is the highest priority over unemployment, segregated employment, or other non-work day activities.

(2) For those who successfully achieve the goal of competitive integrated employment, future service planning focuses on maintaining employment or considering additional career or advancement opportunities.

(3) Employment services are considered and provided using a person-centered approach based on informed choice and consistent with the philosophy of self-determination.

(4) These rules prescribe service standards and requirements for providing employment services and the qualifications and eligibility requirements for employment services for adults with intellectual or developmental disabilities. These rules also prescribe the standards and procedures by which the Department endorses agency service providers to provide employment services.

# ADMINISTRATIVE RULES

## 411-345-0020

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 345:

(1) "Abuse" means "abuse of an adult" as defined in OAR 407-045-0260.

(2) "ADL" means "activities of daily living". ADL are basic personal everyday activities, such as eating, using the restroom, grooming, dressing, bathing, and transferring.

(3) "Adult" means an individual who is 18 years or older with an intellectual or developmental disability.

(4) "Agency Service Provider" means a public or private community agency or organization that provides recognized developmental disability services and is certified by the Department to provide services under these rules and is endorsed under these rules or the rules in OAR chapter 411, division 323.

(5) "Attendant Care" means assistance with ADL, IADL, and health-related tasks through cueing, monitoring, reassurance, redirection, set-up, hands-on, standby assistance, and reminding as described in OAR 411-345-0025.

(6) "Brokerage" means "Brokerage" as defined in OAR 411-340-0020.

(7) "Career Development Plan" means the part of an ISP that identifies:

- (a) The employment goals and objectives for an individual;
- (b) The services and supports needed to achieve those goals;
- (c) The people, agencies, and providers assigned to assist the individual to attain those goals;
- (d) The obstacles to the individual working in an individualized job in an integrated employment setting; and
- (e) The services and supports necessary to overcome those obstacles.

(8) "CDDP" means "Community Developmental Disability Program" as defined in OAR 411-320-0020.

(9) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, service providers, services, and service settings. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated through a variety of methods, including orally, through sign language, or by other communication methods.

(10) "Collective Bargaining Agreement" means the Collective Bargaining Agreement between the Home Care Commission and the Service Employees International Union, Local 503, Oregon Public Employees Union regarding wages, hours, rules, and working conditions.

(11) "Competitive Integrated Employment" means work that is performed on a full-time or part-time basis (including self-employment):

- (a) For which an individual:
  - (A) Is compensated at a rate that:
    - (i) Is not less than the higher of the rate specified in section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C.206(a)(1)) or the rate specified in the applicable state or local minimum wage law; and
    - (ii) Is not less than the customary rate paid by the employer for the same or similar work performed by other employees who are not individuals with disabilities, and who are similarly situated in similar occupations by the same employer and who have similar training, experience, and skills; or
  - (iii) In the case of an individual who is self-employed, yields an income that is comparable to the income received by other individuals who are not individuals with disabilities, and who are self-employed in similar occupations or on similar tasks and who have similar training, experience, and skills; and
- (B) Is eligible for the level of benefits provided to other employees.

(b) That is at a location where an employee interacts with other persons who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that individuals who are not individuals with disabilities and who are in comparable positions interact with other persons and that, as appropriate, presents opportunities for advancement that are similar to those for other employees who are not individuals with disabilities and who have similar positions; and(c) That, as appropriate, presents opportunities for advancement that are similar to those for other employees who are not individuals with disabilities and who have similar positions.

(12) "Customized Employment" means competitive integrated employment for an individual with a disability that is based on an individualized determination of the strengths, needs, and interests of the individual, is designed to meet the specific abilities of the individual and the business needs of the employer.

(13) "Department" means the Department of Human Services.

(14) "Designated Representative" means any adult, such as a parent, family member, guardian, advocate, or other person, who is chosen by an individual or the legal representative of the individual, not a paid provider for the individual, and authorized by the individual or the legal representative of the individual to serve as the representative of the individual or the legal representative of the individual in connection with the provision of funded supports. An individual or the legal representative of the individual is not required to appoint a designated representative.

(15) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(16) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services or Office of Licensing and Regulatory Oversight, or the designee of the Director.

(17) "Discovery" is a comprehensive and person-centered employment planning support service to better inform an individual seeking an individualized job in a competitive integrated employment setting and create a Discovery Profile. Discovery includes a series of work or volunteer related activities to inform the individual and the job developer about the strengths, interests, abilities, skills, experiences, and support needs of the individual, as well as identify the conditions and settings in which the individual will be successful. Discovery is also an opportunity for the individual to begin active pursuit of competitive integrated employment.

(18) "Discovery Profile" is a comprehensive and person-centered report produced as an outcome of discovery, representing an individual and providing information to better inform employment service planning and job development activities. The Discovery Profile includes information about the strengths, interests, abilities, skills, experiences, and support needs of the individual, as well as information about conditions and settings for the success of the individual.

(19) "Employment Path Services" means services to provide learning and work experiences, including volunteer opportunities, for an individual to develop general, non-job-task-specific strengths, and skills that contribute to employability in competitive integrated employment settings.

(20) "Employment Service" means a service that has obtaining and maintaining competitive integrated employment as the primary goal. Employment services include supported employment - individual employment support (job coaching and job development), supported employment - small group employment support, discovery, and employment path services. Employment services do not include vocational assessments in sheltered workshops or facility-based settings.

(21) "Employment Professional" means an employee of an agency service provider, an independent provider, or an employee of an independent provider who has specific qualifications and training to provide employment services under these rules, including supported employment - individual employment support (job coaching and job development), supported employment - small group employment support, discovery, and employment path services.

(22) "Endorsement" means the authorization issued by the Department to a certified agency service provider that has met the qualification criteria outlined in these rules and the rules in OAR chapter 411, division 323.

(23) "Entry" means admission to a Department-funded developmental disability service.

(24) "Evidence-Based Practices" means well-defined best practices, which have been demonstrated to be effective by multiple peer-reviewed research studies that are specific to the relevant population or subset of that population.

(25) "Executive Director" means the person designated by a board of directors or corporate owner of an agency service provider who is responsible for the administration of agency provided employment services, attendant care, and skills training.

(26) "Exit" means termination or discontinuance of a Department-funded developmental disability service by an agency service provider.

(27) "Facility-Based" means a service that is operated at a fixed site owned, operated, or controlled by a service provider where an individual has few or no opportunities to interact with people who do not have a disability except for paid staff.

(28) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors and support needs; and

# ADMINISTRATIVE RULES

(C) Determines the service level.

(b) The functional needs assessment may be the Adult Needs Assessment (ANA), Child Needs Assessment, Support Needs Assessment Profile (SNAP), or Supports Intensity Scale (SIS).

(A) Effective December 31, 2014, the Department incorporates Version C of the ANA and CNA into these rules by this reference.

(i) The ANA is maintained by the Department at: <http://www.dhs.state.or.us/spd/tools/dd/ANAAadultInhome.xls>.

(ii) The CNA is maintained by the Department at: <http://www.dhs.state.or.us/spd/tools/dd/CNAchildInhome.xls>.

(B) The Department incorporates the SNAP into these rules by this reference. The SNAP is maintained by the Department at <http://www.oregon.gov/dhs/dd/rebar/pages/assess-afc.aspx>.

(C) The Department incorporates the SIS into these rules by this reference.

(c) A printed copy of a blank functional needs assessment may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, OR 97301.

(29) "IADL" means "instrumental activities of daily living". IADL include activities other than ADL required to continue independent living, such as:

- (a) Meal planning and preparation;
- (b) Budgeting;
- (c) Shopping for food, clothing, and other essential items;
- (d) Performing essential household chores;
- (e) Communicating by phone or other media; and
- (f) Traveling around and participating in the community.

(30) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving an individual.

(31) "Independence" means the extent to which an individual exerts control and choice over his or her own life.

(32) "Independent Provider" means a qualified person who is contracted or employed by an individual to provide employment services based on the ISP for the individual.

(33) "Individual" means a person with an intellectual or developmental disability applying for, or determined eligible for, Department-funded services. Unless otherwise specified, references to individual also include the legal or designated representative of the individual, who has the ability to act for the individual and exercise the rights of the individual.

(34) "Integrated Employment Setting" means employment at a location where an employee interacts with other persons who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that individuals who are not individuals with disabilities and who are in comparable positions interact with other persons; and that, as appropriate, presents opportunities for advancement that are similar to those for other employees who are not individuals with disabilities and who have similar positions.

(35) "Integration" as defined in ORS 427.005 means:

(a) Use by individuals with intellectual or developmental disabilities of the same community resources that are used by and available to other people;

(b) Participation by individuals with intellectual or developmental disabilities in the same community activities in which people without disabilities participate, together with regular contact with people without disabilities; and

(c) Residence by individuals with intellectual or developmental disabilities in homes or in home-like settings that are in proximity to community resources, together with regular contact with people without disabilities in their community.

(36) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(37) "Involuntary Reduction" means an agency service provider has made the decision to reduce services provided to an individual without prior approval from the individual.

(38) "Involuntary Transfer" means an agency service provider has made the decision to transfer an individual to be served at another site without prior approval from the individual.

(39) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects services and supports that are important for the individual

to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for service providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, the Community First Choice state plan, natural supports, or alternative resources. The ISP includes the Career Development Plan.

(40) "ISP Team" means a team composed of an individual receiving services and the legal or designated representative of the individual (as applicable), services coordinator or personal agent, and others chosen by the individual, such as service providers and family members.

(41) "Job Coaching" means support for an individual to maintain an individual job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment.

(42) "Job Development" means support for an individual to obtain an individual job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment.

(43) "Legal Representative" means an attorney at law who has been retained by or for an individual, an individual acting under the authority granted in a power of attorney, or a person or agency authorized by a court to make decisions about services for an individual.

(44) "Mandatory Reporter" means any public or private official as defined in OAR 407-045-0260 who, while acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult. Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, or attorney is not required to report if the communication is privileged under ORS 40.225 to 40.295.

(45) "OHP Plus" means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b). This excludes individuals receiving Title XXI benefits.

(46) "OIS" means "Oregon Intervention System". OIS is the system of providing training of elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques used to maintain health and safety.

(47) "OSIPM" means "Oregon Supplemental Income Program-Medical" as described in OAR 461-001-0030. OSIPM is Oregon Medicaid insurance coverage for individuals who meet the eligibility criteria described in OAR chapter 461.

(48) "Person-Centered Planning":

(a) Means a timely and formal or informal process driven by an individual, includes people chosen by the individual, ensures the individual directs the process to the maximum extent possible, and the individual is enabled to make informed choices and decisions consistent with 42 CFR 441.540.

(b) Person-centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, service providers, service settings, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(49) "Personal Agent" means "personal agent" as defined in OAR 411-340-0020.

(50) "Personal Support Worker" means "personal support worker" as defined in OAR 411-375-0010.

(51) "PRN" means the administration of medication to an individual on an 'as needed' basis (pro re nata).

(52) "Productivity" as defined in ORS 427.005 means regular engagement in income producing work, preferable competitive employment with supports and accommodations to the extent necessary, by an individual that is measured through improvements in income level, employment status, or job advancement, or engagement by an individual with an intellectual or developmental disability in work contributing to a household or community.

(53) "Protection" means the necessary actions offered to an individual as soon as possible to prevent subsequent abuse or exploitation of the

# ADMINISTRATIVE RULES

individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of an individual.

(54) "Protective Physical Intervention" means any manual physical holding of, or contact with, an individual that restricts freedom of movement.

(55) "Psychotropic Medication" means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(56) "Self-Determination" means a philosophy and process by which an individual is empowered to gain control over the selection of services and supports that meets the needs of the individual. The basic principles of self-determination are:

(a) Freedom. The ability for an individual, together with freely chosen family, friends, and professionals, to plan for employment beyond the parameters of a predefined program;

(b) Authority. The ability for an individual to declare a chosen employment path and to plan supports accordingly;

(c) Autonomy. Planning for and accessing resources that support an individual to seek employment; and

(d) Responsibility. The acceptance of a valued role of an individual in the community through employment, organizational affiliations, personal development, and general caring for others in the community, as well as accountability for spending public dollars in ways that are life-enhancing for the individual.

(57) "Service Agreement":

(a) Is the written agreement consistent with an ISP that describes at a minimum:

(A) Type of service to be provided;

(B) Hours, rates, location of services, and expected outcomes of services; and

(C) Any specific individual health, safety, and emergency procedures that may be required, including action to be taken if an individual is unable to provide for their own safety and the individual is missing while in the community under the service of a contractor or provider organization.

(b) For employed personal support workers, the service agreement serves as the written job description.

(58) "Service Level" means the amount of attendant care, hourly relief care, or skills training services determined necessary by a functional needs assessment and made available to meet the identified support needs of an individual.

(59) "Service Provider" means:

(a) An agency service provider as defined by these rules;

(b) An independent provider, as defined by these rules, qualified to provide services under these rules; or

(c) A personal support worker as defined in OAR 411-375-0010, qualified to provide services under these rules.

(60) "Services Coordinator" means "services coordinator" as defined in OAR 411-320-0020.

(61) "Sheltered Workshop" means the service as defined under OAR 407-025-0010.

(62) "Skills Training" means the activities described in OAR 411-345-0025 that are intended to maximize the independence of an individual through training, coaching, and prompting the individual to accomplish ADL, IADL, and health-related skills.

(63) "Staff" means paid employees of service provider agencies responsible for providing supports or services to individuals for which payment is made through the Department.

(64) "Support Services" means "support services" as defined in OAR 411-340-0020.

(65) "Supported Employment - Individual Employment Support" means job coaching or job development services to obtain or maintain an individual job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment.

(66) "Supported Employment - Small Group Employment Support" means services and training activities provided in regular business, industry, and community settings for groups of two to eight individuals with disabilities. Supported employment - small group employment support is provided in a manner that promotes integration into the workplace and interaction between participants and people without disabilities in those workplaces.

(67) "These Rules" mean the rules in OAR chapter 411, division 345.

(68) "Transfer" means movement of an individual from one site to another site administered or operated by the same agency service provider.

(69) "Transition Plan" means the ISP describing necessary services and supports for an individual upon entry to a new service setting. The Transition Plan is approved by a services coordinator or personal agent and includes a summary of the services necessary to facilitate adjustment to the services offered, the supports necessary to ensure health and safety, and the assessments and consultations necessary for further ISP development.

(70) "Unusual Incident" means any incident involving an individual that includes serious illness or an accident, death, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, a fire requiring the services of a fire department, an act of physical aggression, or any incident requiring an abuse investigation.

(71) "Variance" means the temporary exception from a regulation or provision of these rules that may be granted by the Department upon written application by an agency service provider.

(72) "Vocational Assessment" means an assessment administered to provide employment related information essential to the development of, or revision of, the employment related planning documents for an individual.

## 411-345-0025

### Services Provided

(1) The delivery of employment services provided under these rules presumes all individuals eligible for services are capable of working in an integrated employment setting and earning minimum wage or better.

(2) Employment is the preferred activity for individuals receiving services under these rules. Competitive integrated employment is the highest priority over unemployment, segregated or sheltered employment, supported employment - small group employment support, or non-work day activities.

(3) Consistent with the person-centered approach to these services, individuals accessing employment services under these rules must be encouraged, on an ongoing basis, to explore their interests, strengths, and abilities relating to employment or career advancement.

(4) All employment services have an optimal and expected outcome of sustained paid employment and work experience leading to further career development and competitive integrated employment for which an individual is compensated at or above minimum wage, with a goal of not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals without disabilities.

(5) Employment services are provided under these rules in accordance with the State of Oregon Executive Order No. 13-04 and OAR chapter 407, division 025.

(6) Employment services must be evidence-based where evidence-based practices have been identified.

(7) Employment services must be:

(a) Offered to eligible individuals in accordance with OAR 411-345-0140;

(b) Provided to eligible individuals under the authorization of an ISP in accordance with OAR 411-345-0160;

(c) Offered in accordance with these rules when services are provided by a certified provider organization;

(d) Provided in a non-residential setting, unless an individual is operating a home-based business;

(e) Provided in the most integrated employment setting appropriate to the needs of an individual, and consistent with the choice of the individual regarding services, providers, and goals; and

(f) Designed to:

(A) Increase independence, integration, and productivity;

(B) Promote integration into the workforce and workplace;

(C) Promote interaction with people without disabilities; and

(D) Support successful employment outcomes consistent with personal and career goals.

(8) Employment services do not include:

(a) Services available to an individual under Vocational Rehabilitation and Other Services, 29 U.S.C. § 701-7961, as amended;

(b) Services available to an individual under the Individuals with Disabilities Education Act, 20 U.S.C. § 1400, as amended; or

(c) Vocational assessments in a sheltered workshop.

(9) Employment services include the following:

## ADMINISTRATIVE RULES

### (a) SUPPORTED EMPLOYMENT — INDIVIDUAL EMPLOYMENT SUPPORT:

#### (A) JOB COACHING:

(i) Support to assist an individual to maintain an individualized job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment. Job coaching does not include support in volunteer work.

(ii) Individuals utilizing this service for jobs obtained prior to December 28, 2014 are optimally compensated at or above the minimum wage. Individuals utilizing this service for jobs obtained after December 28, 2014, must be compensated at or above the minimum wage. Effective July 1, 2015, all jobs that pay below minimum wage must be supported through another employment service available under these rules, including all jobs obtained prior to December 28, 2014.

(iii) Job coaching services must be provided, at minimum, for the number of hours identified in an ISP.

#### (iv) Support to maintain self-employment requires the following:

(I) Ongoing assistance, counseling, and guidance after a business has been launched.

(II) This service cannot be provided to defray the operational expenses of the business.

(III) The self-employment must yield an income that is comparable to the income received by other individuals who are not individuals with disabilities, and who are self-employed in similar occupations or in similar tasks and who have similar training, experience, and skills.

(IV) Evidence of the self-employment must be documented and reviewed by the service coordinator or personal agent on an annual basis. Documentation may include, but is not limited to, tax records submitted to the Internal Revenue Service and an annual business plan.

#### (B) JOB DEVELOPMENT:

(i) Support for an individual to obtain an individual job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment.

(ii) The job developed must provide compensation at or above the minimum wage but not less than the customary wage and level of benefits paid by the employer for the same or similar work.

(iii) The job developed must meet criteria established in a Career Development Plan.

(iv) Job development may be authorized in the limited circumstances where the service is not available through Vocational Rehabilitation and the Department has approved authorization.

### (b) SUPPORTED EMPLOYMENT — SMALL GROUP EMPLOYMENT SUPPORT:

(A) To provide services and training activities in regular business, industry, and community settings.

(B) May be provided in groups of two to eight individuals.

(C) Must be provided in a manner that promotes integration into the work place and interaction with people without disabilities in those work places.

(D) Does not include vocational services provided in a provider owned, operated, or controlled setting, or a facility-based work setting.

(E) This service does not include support in volunteer work.

(F) Individuals utilizing this service for jobs obtained prior to December 28, 2014, are optimally compensated at or above the minimum wage. Individuals utilizing this service for jobs obtained after December 28, 2014, must be compensated at or above the minimum wage. Effective July 1, 2015, a job that pays below minimum wage must be supported through another Employment Service available under these rules, including all jobs obtained prior to December 28, 2014.

#### (c) DISCOVERY:

(A) A comprehensive and person-centered employment planning support service to better inform an individual seeking competitive integrated employment and develop a Discovery Profile. It includes a series of work or volunteer related activities, completed in integrated employment settings, to inform the individual and the job developer about the strengths, interests, abilities, skills, experiences, and support needs of the individual. Discovery includes analyzing detailed information from novel and past experiences in order to identify the conditions or integrated employment settings in which the individual shall be most successful.

(B) May include job and task analysis activities, assessment for use of assistive technology, job shadowing, informational interviewing, employment preparation, resume development, and volunteerism to identify transferable skills and job or career interests.

(C) Must be completed within a three month period. A three month extension may be authorized if the individual and the services coordinator

or personal agent determines there is a legitimate reason. Legitimate reasons may include, but are not limited to:

(i) The individual has a medical event that delayed completing discovery;

(ii) The individual had a medical event that significantly changed his or her strengths, interests, and abilities; or

(iii) An opportunity to participate in particular work trials or volunteer positions may only be scheduled outside of the three month period.

(D) Must have an outcome of a Discovery Profile. The Discovery Profile must meet requirements established by the Department.

(E) Discovery should result in a referral to vocational rehabilitation services.

#### (d) EMPLOYMENT PATH SERVICES:

(A) To provide learning and work experiences, including volunteer work, where an individual may develop general, non-job-task-specific strengths and skills that contribute to employability in competitive integrated employment settings. Producing goods or services may be incidental to this service but the primary purpose must be to develop general employment skills that may be transferred to an individual integrated job.

(B) Are expected to occur over a defined period of time with specific outcomes to be achieved, as determined by the individual and his or her service and supports planning team through an ongoing person-centered planning process.

(C) Requires that an individual have an employment-related goal in his or her ISP. General habilitation activities accessed through employment path services must be designed to support such employment goals.

(D) Employment path services are a facility-based service if delivered at a fixed site operated, owned, or controlled by the service provider and where the supported individual has few or no opportunities to interact with people who do not have a disability except for paid staff.

#### (10) Attendant care and skills training must be:

(a) Provided to eligible individuals under the authorization of an ISP; and

(b) Offered in accordance with these rules, when services are provided by an agency service provider.

#### (11) Attendant care and skills training do not include:

(a) Services available to an individual under Vocational Rehabilitation and Other Rehabilitation Services, 29 U.S.C. § 701-7961, as amended; or

(b) Services available to an individual under the Individuals with Disabilities Education Act, 20 U.S.C §1400, as amended.

(12) Agency service providers operating under these rules may provide one or more of the following services:

#### (a) ATTENDANT CARE SERVICES:

##### (A) ADL services that include, but are not limited to:

(i) Basic personal hygiene — providing or assisting with needs, such as bathing (tub, bed, bath, shower), hair care, grooming, shaving, nail care, foot care, dressing, skin care, or oral hygiene;

(ii) Toileting, bowel, and bladder care — assisting to and from the bathroom, on and off toilet, commode, bedpan, urinal, or other assistive device used for toileting, changing incontinence supplies, following a toileting schedule, managing menses, cleansing an individual or adjusting clothing related to toileting, emptying a catheter, drainage bag, or assistive device, ostomy care, or bowel care;

(iii) Mobility, transfers, and repositioning — assisting with ambulation or transfers with or without assistive devices, turning an individual or adjusting padding for physical comfort or pressure relief, or encouraging or assisting with range-of-motion exercises;

(iv) Nutrition - assisting with adequate fluid intake or adequate nutrition, assisting with food intake (feeding), monitoring to prevent choking or aspiration, assisting with adaptive utensils, cutting food, and placing food, dishes, and utensils within reach for eating;

##### (v) Delegated nursing tasks

(vi) First aid and handling emergencies — addressing medical incidents related to the conditions of an individual, such as seizure, aspiration, constipation, or dehydration, or responding to the call of the individual for help during an emergent situation or for unscheduled needs requiring immediate response;

(vii) Assistance with necessary medical appointments — help scheduling appointments, arranging medical transportation services, accompaniment to appointments, follow up from appointments, or assistance with mobility, transfers, or cognition in getting to and from appointments; and

(viii) Observation of the status of an individual and reporting of significant changes to a physician, health care provider, or other appropriate person;

##### (B) IADL services that include, but are not limited to:

# ADMINISTRATIVE RULES

(i) Light housekeeping tasks necessary to maintain an individual in a healthy and safe environment — cleaning surfaces and floors, making the individual's bed, cleaning dishes, taking out the garbage, dusting, and laundry;

(ii) Grocery and other shopping necessary for the completion of other ADL and IADL tasks;

(iii) Meal preparation and special diets;

(iv) Cognitive assistance or emotional support provided to an individual due to an intellectual or developmental disability — helping the individual cope with change and assisting the individual with decision-making, reassurance, orientation, memory, or other cognitive functions;

(v) Medication and medical equipment assisting with ordering, organizing, and administering medications (including pills, drops, ointments, creams, injections, inhalers, and suppositories), monitoring an individual for choking while taking medications, assisting with the administration of medications, maintaining equipment, or monitoring for adequate medication supply;

(vi) Social support in the community around socialization and participation in the community.

(I) Support with socialization — assisting an individual in acquiring, retaining, and improving self-awareness and self-control, social responsiveness, social amenities, and interpersonal skills;

(II) Support with community participation — assisting an individual in acquiring, retaining, and improving skills to use available community resources, facilities, or businesses; and

(III) Support with communication — assisting an individual in acquiring, retaining, and improving expressive and receptive skills in verbal and non-verbal language and the functional application of acquired reading and writing skills.

(C) Assistance with ADLs, IADLs, and health-related tasks may include cueing, monitoring, reassurance, redirection, set-up, hands-on, or standby assistance. Assistance may be provided through human assistance or the use of electronic devices or other assistive devices. Assistance may also require verbal reminding to complete any of the IADL tasks described in subsection (B) of this section.

(i) "Cueing" means giving verbal, audio, or visual clues during an activity to help an individual complete the activity without hands-on assistance.

(ii) "Hands-on" means a provider physically performs all or parts of an activity because an individual is unable to do so.

(iii) "Monitoring" means a provider observes an individual to determine if assistance is needed.

(iv) "Reassurance" means to offer an individual encouragement and support.

(v) "Redirection" means to divert an individual to another more appropriate activity.

(vi) "Set-up" means the preparation, cleaning, and maintenance of personal effects, supplies, assistive devices, or equipment so that an individual may perform an activity.

(vii) "Stand-by" means a provider is at the side of an individual ready to step in and take over the task if the individual is unable to complete the task independently.

(b) SKILLS TRAINING. Skills training is specifically tied to accomplishing ADL, IADL, and other health-related tasks as identified by the functional needs assessment and ISP and is a means for an individual to acquire, maintain, or enhance independence.

(A) Skills training may be applied to the use and care of assistive devices and technologies.

(B) Skills training is authorized when:

(i) The anticipated outcome of the skills training, as documented in the ISP, is measurable;

(ii) Timelines for measuring progress towards the anticipated outcome are established in the ISP; and

(iii) Progress towards the anticipated outcome are measured and the measurements are evaluated by a services coordinator or personal agent no less frequently than every six months, based on the start date of the initiation of the skills training.

(C) When anticipated outcomes are not achieved within the timeframe outline in the ISP, the services coordinator or personal agent must reassess or redefine the use of skills training with the individual for that particular goal.

(c) Attendant care and skills training are facility-based services if delivered at a fixed site operated, owned, or controlled by the service provider and where the supported individual has few or no opportunities to interact with people who do not have a disability except for paid staff.

## 411-345-0027

### Qualification for Services

(1) To receive employment services, attendant care, or skills training, an individual must:

(a) Be an Oregon resident;

(b) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080;

(c) Meet the level of care as defined in OAR 411-320-0020; and

(d) Have services under these rules authorized in an ISP by the CDDP or Brokerage providing case management services.

(2) To be eligible for employment services, an individual must:

(a) Meet the criteria in section (1) of this rule;

(b) Be eligible for OSIPM;

(c) Be legally eligible to work in the United States; and

(d) Have an employment related goal in their ISP.

(3) Employment services for individuals under the age of 18 years must have Department approval.

(4) To be eligible for attendant care or skills training, an individual must meet the criteria in section (1) of this rule and must:

(a) Be eligible for OHP Plus;

(b) Have an assessed need for attendant care based upon a functional needs assessment; and

(c) Have attendant care or skills training identified as a service in their ISP.

(5) As of October 1, 2014, an individual receiving medical benefits under OAR chapter 410, division 200 requesting Medicaid coverage for services in a nonstandard living arrangement (see OAR 461-001-0000) is subject to the requirements of the rules regarding transfer of assets (see OAR 461-140-0210 to 461-140-0300) in the same manner as if the individual was requesting these services under OSIPM.

(a) This includes, but is not limited to, the following assets:

(A) An annuity evaluated according to OAR 461-145-0022;

(B) A transfer of property when an individual retains a life estate evaluated according to OAR 461-145-0310;

(C) A loan evaluated according to OAR 461-145-0330; or

(D) An irrevocable trust evaluated according to OAR 461-145-0540.

(b) When an individual is considered ineligible due to a disqualifying transfer of assets, the individual must receive a notice meeting the requirements of OAR 461-175-0310 in the same manner as if the individual was requesting services under OSIPM.

Stat. Auth.: ORS 409.050, 430.662

Stats. Implemented: ORS 430.610, 430.662, 430.670

Hist.: APD 27-2014(Temp), f. & cert. ef. 7-1-14 thru 12-28-14; APD 45-2014, f. 12-26-14, cert. ef. 12-28-14

## 411-345-0030

### Service Provider Requirements

(1) Providers of employment services must be:

(a) A provider certified under OAR chapter 411, division 323;

(b) A provider certified under OAR chapter 411, division 340; or

(c) A qualified independent provider. Independent providers who are employed by the individual may only provide Individual Employment support – Job Coaching.

(2) EMPLOYMENT SERVICE PROVIDER REQUIREMENTS:

(a) EMPLOYMENT PROFESSIONALS. All employment professionals who provide employment services must:

(A) Provide services designed to support successful employment outcomes consistent with the personal and career goals of an individual, including goals identified in the ISP and Career Development Plan for the individual;

(B) Ensure all records are confidential as described in OAR 411-323-0060;

(C) Perform the duties as a mandatory reporter when appropriate and as required by law; and

(D) Have a service agreement or job description with clearly stated job responsibilities. The service agreement must be current, signed by the employment professional, and dated. The service agreement must also include duties specific to the area of specialization, including job coach, job developer, discovery provider, or employment path services provider.

(b) INDEPENDENT PROVIDERS. All qualified independent providers must:

(A) Be at least 18 years of age.

# ADMINISTRATIVE RULES

(B) Have approval to work based on Department policy and a background check completed by the Department in accordance with OAR 407-007-0200 to 407-007-0370. Additionally:

(i) A subject individual as defined in OAR 407-007-0210 may be approved for one position to work with multiple individuals statewide when the subject individual is working in the same employment role; and

(ii) The Background Check Request form must be completed by the subject individual to show intent to work statewide;

(C) Not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275, unless hired or contracted with prior to July 28, 2009, remaining in the current position for which the independent provider was hired.

(D) Be legally eligible to work in the United States;

(E) Not be the spouse of the supported individual;

(F) Hold a current, valid, and unrestricted appropriate professional license or certification where services and supervision requires specific professional education, training, and skill;

(G) Understand requirements of maintaining confidentiality and safeguarding individual information;

(H) Not be on the list of excluded or debarred providers maintained by the Office of Inspector General (<http://exclusions.oig.hhs.gov/>);

(I) If providing transportation, have a valid license to drive and proof of insurance, as well as any other license or certification that may be required under state and local law depending on the nature and scope of the transportation service;

(J) Meet the required qualifications for the employment service provided including those required for an employment professional; and

(K) Sign a Medicaid provider agreement and be enrolled as a Medicaid provider prior to delivery of any services.

(c) AGENCY SERVICE PROVIDERS.

(A) INSPECTIONS AND INVESTIGATIONS. The agency service provider must allow inspections and investigations as described in OAR 411-323-0040.

(B) AGENCY MANAGEMENT AND PERSONNEL PRACTICES. The agency service provider must comply with the agency management and personnel practices as described in OAR 411-323-0050.

(C) PERSONNEL FILES AND QUALIFICATION RECORDS. The agency service provider must maintain written documentation of six hours of pre-service training prior to staff providing services or supports to individuals, including mandatory abuse reporting training, training to work with individuals with developmental disabilities, and training on the support needs of the individual to whom they will provide support;

(D) STAFFING REQUIREMENTS:

(i) Each agency service provider must provide direct service staff appropriate to the number and level of individuals served, to ensure individual rights, basic health, and safety are met;

(ii) Staff must have approval to work based on current Department policy and procedures for background checks in OAR 411-323-0050;

(iii) When individuals are present at an agency site, the service provider must provide and document there are staff trained in the following areas:

(I) At least one staff member on duty with CPR certification at all times;

(II) At least one staff member on duty with current First Aid certification at all times;

(III) At least one staff member on duty with training to meet other specific medical needs as determined through ISP processes; and

(IV) At least one staff member on duty with training to meet other specific behavior intervention needs as determined through ISP processes.

(3) EMPLOYMENT PROVIDER QUALIFICATIONS:

(a) EMPLOYMENT PROFESSIONAL. Each employment professional must possess and demonstrate the following qualifications:

(A) Knowledge of developmental disability services;

(B) Knowledge of the rules governing employment services;

(C) Ability to provide skills training for individuals to increase employability;

(D) Ability to support individuals to maintain and be successful in employment; and

(E) Demonstrate by background, education, references, skills, and abilities that the employment professional is capable of safely and adequately performing the tasks to support the ISP and Career Development Plan for an individual, with such demonstration confirmed in writing by the individual, including:

(i) Ability and sufficient education to follow oral and written instructions and keep any records required;

(ii) Responsibility, maturity, and reputable character exercising sound judgment;

(iii) Ability to communicate with the individual; and

(iv) Training of a nature and type sufficient to ensure that the employment professional has knowledge of emergency procedures specific to the individual receiving services.

(b) JOB DEVELOPERS. A provider of job development services must also possess and demonstrate the following qualifications:

(A) Possess knowledge of best practice methodologies for job development; and

(B) Be able to demonstrate the core competencies of a job developer within one year of employment, including those pertaining to skills assessment, job matching, job customization, job carving, community building, mapping and networking, analyzing labor trends, identifying patterns in job markets, identifying incentives for businesses, and mentoring job seekers.

(c) JOB COACHES. A provider of job coaching services must also possess and demonstrate the following qualifications:

(A) Knowledge of best practice methodologies for job coaching; and

(B) Be able to demonstrate the core competencies of a job coach within one year of employment, including skills to recognize and adapt supports to individual learning styles and needs, conduct task design and accommodations, train instructional and schedule procedures, and collaborate with employee, employer, co-workers, and support team.

(d) DISCOVERY PROVIDER.

(A) A provider of discovery services must also possess and demonstrate the following qualifications:

(i) Knowledge of best practice methodologies for conducting discovery; and

(ii) Be able to demonstrate the core competencies of a discovery provider within one year of employment, including skills to facilitate the discovery process, apply person-centered planning techniques, develop an employment portfolio, identify a job seekers' strengths, interests, and talents, and integrate all pertinent information required by the Department into a Discovery Profile.

(B) Effective July 1, 2015, a discovery provider must be qualified as a vendor of Vocational Rehabilitation job placement in order to provide the discovery service.

(e) EMPLOYMENT PATH SERVICE PROVIDERS. A provider of employment path services must also possess and demonstrate the following qualifications:

(A) Knowledge of best practice methodologies for providing employment path services; and

(B) Be able to demonstrate the core competencies of an employment path skills provider within one year of employment, including skills to provide learning and work experiences to teach general, non-job-task-specific strengths and skills.

(4) EMPLOYMENT PROVIDER TRAINING:

(a) Employment professional employed by an agency service provider must complete the following training:

(A) A review of these rules;

(B) CPR and First Aid by a recognized training agency within 90 calendar days of hire;

(C) Six hours of pre-service training including:

(i) Mandatory abuse reporting training;

(ii) Training to work with individuals with developmental disabilities;

and

(iii) Training on the employment service and support needs of the individual to whom they will provide support.

(b) An agency service provider must keep documentation of required training in the personnel files of the employment professional.

(c) All employment specialists must complete a competency based employment training as follows:

(A) Job coaches must complete at least one Department approved training for job coaching within 90 days of providing job coaching.

(B) Job developers must complete at least one Department approved training for job developers within 90 days of providing job development.

(C) Discovery providers must complete at least one Department approved training for discovery before being authorized to provide discovery.

(D) Employment path providers must complete at least one Department approved training for employment path providers within 90 days of providing employment path services.

(d) Effective July 1, 2016, agency service providers must have at least one employee who has the Department approved credentialing. Effective

# ADMINISTRATIVE RULES

July 1, 2016, providers independently contracted to provide an employment service must have the Department approved credentialing.

(5) **DISQUALIFICATION.** Employment professionals must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and OAR 407-007-0290. The employment professionals must notify the Department or the designee of the Department within 24 hours.

### Reciprocal Compliance for Agency Providers

(1) The Department may accept compliance with other formally recognized standards as assurance of compliance with all or part of these rules.

(2) An employment service provider seeking an endorsement based on compliance with other standards must provide the Department with a copy of the complete detailed report from the reviewing group. Where there are differences between other standards and Oregon Administrative Rules, the Oregon Administrative Rules shall take precedence.

### Reports and Recordkeeping

(1) For each individual supported, service providers being paid for job development services must report activity at least monthly to the services coordinator or personal agent for the individual.

(2) For each individual supported, service providers being paid for discovery services must complete a Discovery Profile and submit the Discovery Profile to the services coordinator or personal agent for the individual.

(3) All documentation required by these rules, unless stated otherwise, must:

(a) Be prepared at the time, or immediately following the event being recorded;

(b) Be accurate and contain no willful falsifications;

(c) Be legible, dated, and signed by the person making the entry; and

(d) Be maintained for no less than five years.

## 411-345-0090

### Variances for Agency Providers

(1) The Department may grant a variance to these rules based upon a demonstration by the agency service provider that an alternative method or different approach provides equal or greater program effectiveness and does not adversely impact the welfare, health, safety, or rights of individuals or violate state or federal laws.

(2) The agency service provider requesting a variance must submit a written application to the CDDP that contains the following:

(a) The section of the rule from which the variance is sought;

(b) The reason for the proposed variance;

(c) The alternative practice, service, method, concept, or procedure proposed; and

(d) If the variance applies to the services of an individual, evidence that the variance is consistent with the currently authorized ISP for the individual.

(3) The CDDP must forward the signed variance request form to the Department within 30 calendar days from the receipt of the request indicating the position of the CDDP on the proposed variance.

(4) The request for a variance is approved or denied by the Department. The decision of the Department is sent to the agency service provider, the CDDP, and to all relevant Department programs or offices within 30 calendar days from the receipt of the variance request.

(5) The agency service provider may request an administrative review of the denial of a variance. The Department must receive a written request for an administrative review within 10 business days from the receipt of the

denial. The agency service provider must send a copy of the written request for an administrative review to the CDDP. The decision of the Director is the final response from the Department.

(6) The duration of the variance is determined by the Department.

(7) The agency service provider may implement a variance only after written approval from the Department.

## 411-345-0095

### Service and Payment Limitations

(1) Effective service rates as authorized in Department payment and reporting systems for individuals enrolled in employment, attendant care, and skills training and paid to providers for delivering services, as described in these rules, shall be based upon the Collective Bargaining Agreement or the agency fee schedule published by the Department.

(2) Only one service may be billed per individual per hour. Payments based on an outcome are not in conflict with payments made based on direct service delivery.

(3) Employment services and payment for employment service are limited to:

(a) An average of 25 hours per week for any combination of job coaching, supported employment - small group employment support, and employment path services; and

(b) 40 hours in any one week for job coaching if job coaching is the only service utilized.

(4) Exceptions to the service and payment limitations may be considered by the Department based upon applicable Department policy.

## 411-345-0110

### Individual Rights

(1) An agency service provider must have and implement written policies and procedures that protect the rights of individuals described in subsection (3) of this section and encourage and assist individuals to understand and exercise these rights.

(2) Upon entry and request and annually thereafter, the individual rights described in section (3) of this rule must be provided to an individual and the legal or designated representative of the individual.

(3) While receiving developmental disability services, an individual has the right to:

(a) Be free and protected from abuse or neglect and to report any incident of abuse or neglect without being subject to retaliation;

(b) Be free from seclusion, unauthorized training or treatment, protective physical intervention, chemical restraint, or mechanical restraint and assured that medication is administered only for the clinical needs of the individual as prescribed by a health care provider unless an imminent risk of physical harm to the individual or others exists and only for as long as the imminent risk continues;

(c) Individual choice to consent to or refuse treatment unless incapable and then an alternative decision maker must be allowed to consent to or refuse treatment for the individual;

(d) Informed, voluntary, written consent prior to receiving services, except in a medical emergency or as otherwise permitted by law;

(e) Informed, voluntary, written consent prior to participating in any experimental programs;

(f) A humane service environment that affords reasonable protection from harm, reasonable privacy in all matters that do not constitute a documented health and safety risk to the individual, and access and the ability to engage in private communications with any public or private rights protection program, services coordinator, and others chosen by the individual through personal visits, mail, telephone, or electronic means;

(g) Contact and visits with legal and medical professionals, legal and designated representatives, family members, friends, advocates, and others chosen by the individual, except where prohibited by court order;

(h) Participate regularly in the community and use community resources, including recreation, developmental disability services, employment services, school, educational opportunities, and health care resources;

# ADMINISTRATIVE RULES

(i) For individuals less than 21 years of age, access to a free and appropriate public education, including a procedure for school attendance or refusal to attend;

(j) Reasonable and lawful compensation for performance of labor, except personal housekeeping duties;

(k) Manage his or her own money and financial affairs unless the right has been taken away by court order or other legal procedure;

(l) Keep and use personal property, personal control and freedom regarding personal property, and a reasonable amount of personal storage space;

(m) Adequate food, housing, clothing, medical and health care, supportive services, and training;

(n) Seek a meaningful life by choosing from available services, service settings, and providers consistent with the support needs of the individual identified through a functional needs assessment and enjoying the benefits of community involvement and community integration:

(A) Services must promote independence and dignity and reflect the age and preferences of the individual; and

(B) The services must be provided in a setting and under conditions that are most cost effective and least restrictive to the liberty of the individual, least intrusive to the individual, and that provide for self-directed decision-making and control of personal affairs appropriate to the preferences, age, and identified support needs of the individual;

(o) An individualized written plan for services created through a person-centered planning process, services based upon the plan, and periodic review and reassessment of service needs;

(p) Ongoing opportunity to participate in the planning of services in a manner appropriate to the capabilities of the individual, including the right to participate in the development and periodic revision of the plan for services, the right to be provided with a reasonable explanation of all service considerations through choice advising, and the right to invite others chosen by the individual to participate in the plan for services;

(q) Request a change in the plan for services and a reassessment of service needs;

(r) A timely decision upon request for a change in the plan for services;

(s) Advance written notice of any action that terminates, suspends, reduces, or denies a service or request for service and notification of other available sources for necessary continued services;

(t) A hearing to challenge an action that terminates, suspends, reduces, or denies a service or request for service;

(u) Exercise all rights set forth in ORS 426.385 and 427.031 if the individual is committed to the Department;

(v) Be informed at the start of services and annually thereafter of the rights guaranteed by this rule, the contact information for the protection and advocacy system described in ORS 192.517(1), the procedures for reporting abuse, and the procedures for filing complaints, reviews, or requests for hearings if services have been or are proposed to be terminated, suspended, reduced, or denied;

(w) Have these rights and procedures prominently posted in a location readily accessible to individuals and made available to representatives of the individual;

(x) Be encouraged and assisted in exercising all legal, civil, and human rights accorded to other citizens of the same age, except when limited by a court order;

(y) Be informed of and have the opportunity to assert complaints as described in OAR 411-318-0015 with respect to infringement of the rights described in this rule, including the right to have such complaints considered in a fair, timely, and impartial complaint procedure without any form of retaliation or punishment; and

(z) Freedom to exercise all rights described in this rule without any form of reprisal or punishment.

(4) The rights described in this rule are in addition to, and do not limit, all other statutory and constitutional rights that are afforded all citizens including, but not limited to, the right to exercise religious freedom, vote, marry, have or not have children, own and dispose of property, and enter into contracts and execute documents unless specifically prohibited by law.

(5) An individual who is receiving developmental disability services has the right under ORS 430.212 and OAR 411-320-0090 to be informed that a family member has contacted the Department to determine the location of the individual and to be informed of the name and contact information of the family member, if known.

(6) The rights described in this rule may be asserted and exercised by an individual, the legal representative of an individual, and any representative designated by an individual.

(7) A guardian is appointed for an adult only as is necessary to promote and protect the well-being of the adult. A guardianship for an adult must be designed to encourage the development of maximum self-reliance and independence of the adult, and may be ordered only to the extent necessitated by the actual mental and physical limitations of the adult. An adult for whom a guardian has been appointed is not presumed to be incompetent. An adult with a guardian retains all legal and civil rights provided by law, except those that have been expressly limited by court order or specifically granted to the guardian by the court. Rights retained by an adult include, but are not limited to, the right to contact and retain counsel and to have access to personal records. (ORS 125.300).

## 411-345-0130

### Complaints, Notification of Planned Action, and Hearings

#### (1) INDIVIDUAL COMPLAINTS.

(a) Complaints by or on behalf of individuals must be addressed in accordance with OAR 411-318-0015.

(b) An agency service provider must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015.

(c) Upon entry and request and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

(2) NOTIFICATION OF PLANNED ACTION. In the event that a developmental disability service is denied, reduced, suspended, or terminated or voluntarily reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

#### (3) HEARINGS.

(a) Hearings must be addressed in accordance with ORS chapter 183 and OAR 411-318-0025.

(b) An individual may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025 for a denial, reduction, suspension, or termination of a developmental disability service or OAR 411-318-0030 for an involuntary reduction, transfer, or exit.

(c) Upon entry and request and annually thereafter, a notice of hearing rights and the policy and procedures for hearings must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

## 411-345-0140

### Entry, Exit, and Transfer Requirements for Agency Service Providers

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, national origin, gender, religion, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) ENTRY. For individuals who receive case management from a CDDP an entry ISP team meeting must be conducted prior to the initiation of employment services, attendant care, or skill training for an individual. This meeting shall be conducted as follows:

(a) Prior to or upon an entry ISP team meeting, an agency service provider must acquire the following individual information:

(A) A copy of the eligibility determination document;

(B) A statement indicating safety skills, including the ability of the individual to evacuate from a building when warned by a signal device;

(C) A brief written history of any relevant behavioral challenges, including supervision and support needs;

(D) Documentation of any relevant physical limitations that may affect services;

(E) Copies of documents relating to the guardianship, conservatorship, health care representation, power of attorney, court orders, probation

# ADMINISTRATIVE RULES

and parole information, or any other relevant legal restrictions on the rights of the individual (if applicable); and

(F) A copy of the most recent ISP (if applicable) and Career Development Plan (if applicable).

(b) The findings of the entry meeting must be recorded in the file for the individual and include, at a minimum:

- (A) The name of the individual;
- (B) The date of the entry meeting;
- (C) The date determined to be the date of entry;
- (D) Documentation of the participants included in the entry meeting;
- (E) Documentation as required by OAR 411-345-0190 and 411-345-0200;

(F) Documentation of the pre-entry information required by subsection (a) of this section;

(G) The written Transition Plan for no longer than 60 calendar days that includes all medical, behavior, and safety supports needed by the individual;

(H) Documentation of the type of services the individual is to receive; and

(I) Documentation of the decision to serve the individual requesting services.

## (3) VOLUNTARY TRANSFERS AND EXITS.

(a) An agency service provider must promptly notify a services coordinator or personal agent if an individual gives notice of the intent to exit services or abruptly exits services.

(b) An agency service provider must notify a services coordinator or personal agent prior to the voluntary transfer or exit of an individual from services.

(c) Notification and authorization of the voluntary transfer or exit of the individual must be documented in the record for the individual.

## (4) INVOLUNTARY REDUCTIONS, TRANSFERS, AND EXITS.

(a) An agency service provider must only reduce, transfer, or exit an individual involuntarily for one or more of the following reasons:

(A) The behavior of the individual poses an imminent risk of danger to self or others;

(B) The individual experiences a medical emergency;

(C) The service needs of the individual exceed the ability of the agency service provider;

(D) The individual fails to pay for services; or

(E) The certification or endorsement for the agency service provider described in OAR chapter 411, division 323 is suspended, revoked, not renewed, or voluntarily surrendered.

(b) NOTICE OF INVOLUNTARY REDUCTION, TRANSFER, OR EXIT. An agency service provider must not reduce services, transfer, or exit an individual involuntarily without 30 calendar days advance written notice to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator or personal agent, except in the case of a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others as described in subsection (c) of this section.

(A) The written notice must be provided on the Notice of Involuntary Reduction, Transfer, or Exit form approved by the Department and include:

(i) The reason for the reduction, transfer, or exit; and

(ii) The right of the individual to a hearing as described in subsection (d) of this section.

(B) A Notice of Involuntary Reduction, Transfer, or Exit is not required when an individual requests the reduction, transfer, or exit.

(c) An agency service provider may give less than 30 calendar days advance written notice only in a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others. The notice must be provided to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator or personal agent immediately upon determination of the need for a reduction, transfer, or exit.

(d) HEARING RIGHTS. An individual must be given the opportunity for a hearing under ORS Chapter 183 and OAR 411-318-0030 to dispute an involuntary reduction, transfer, or exit. If an individual requests a hearing, the individual must receive the same services until the hearing is resolved. When an individual has been given less than 30 calendar days advance written notice of a reduction, transfer, or exit as described in subsection (c) of this section and the individual has requested a hearing, the agency service provider must reserve service availability for the individual until receipt of the Final Order.

## (5) EXIT MEETING.

(a) The ISP team for an individual must meet before any decision is made to exit services. Findings of the exit meeting must be recorded in the file for the individual and include, at a minimum:

(A) The name of the individual considered for exit;

(B) The date of the exit meeting;

(C) Documentation of the participants included in the exit meeting;

(D) Documentation of the circumstances leading to the proposed exit;

(E) Documentation of the discussion of the strategies to prevent the exit of the individual from services (unless the individual is requesting the exit);

(F) Documentation of the decision regarding the exit of the individual, including verification of the voluntary decision to exit or a copy of the Notice of Involuntary Reduction, Transfer, or Exit; and

(G) Documentation of the proposed plan for services after the exit.

(b) Requirements for an exit meeting may be waived if an individual is immediately removed from services under the following conditions:

(A) The individual requests an immediate removal from services; or

(B) The individual is removed by legal authority acting pursuant to civil or criminal proceedings.

(6) TRANSFER MEETING. An ISP team must meet to discuss any proposed transfer of an individual from one site to another site before any decision to transfer is made. Findings of the transfer meeting must be recorded in the file for the individual and include, at a minimum:

(a) The name of the individual considered for transfer;

(b) The date of the transfer meeting;

(c) Documentation of the participants included in the transfer meeting;

(d) Documentation of the circumstances leading to the proposed transfer;

(e) Documentation of the alternatives considered instead of transfer;

(f) Documentation of the reasons any preferences of the individual, or as applicable the legal or designated representative or family members of the individual, may not be honored;

(g) Documentation of the decision regarding the, including verification of the voluntary decision to transfer or exit or a copy of the Notice of Involuntary Reduction, Transfer, or Exit; and

(h) The written plan for services after the transfer.

### Individual Support Plan

(1) An individual has the right to participate in his or her ISP meeting and must be afforded every opportunity to develop and direct his or her ISP and Career Development Plan.

(2) In order to receive employment services, an individual must have an employment related goal in his or her ISP and Career Development Plan.

(3) All individuals utilizing services under these rules must participate in career development planning as a part of the annual ISP.

(4) A Career Development Plan and informal vocational assessment must be developed and implemented with the ISP as follows. The Career Development Plan must:

(a) Focus on the strengths of the individual;

(b) Prioritize employment in integrated settings;

(c) Be based on person-centered planning principles;

(d) Include a current and accurate vocational assessment; and

(e) Be completed with the goal of maximizing the number of hours spent working consistent with the interests, abilities, and choices of the individual.

(5) For services provided by an agency service provider, the ISP and Career Development Plan must be implemented, and a copy of the sections of the ISP and Career Development Plan for each individual that are necessary to deliver the employment services must be available for the employment service provider prior to the start of services and at least annually or as changes occur.

(6) Agency service providers must:

(a) Assign a staff member to participate as a team member in the development of the ISP and Career Development Plan when invited by the individual;

(b) Follow any required process and format as described in this rule;

# ADMINISTRATIVE RULES

(c) Train staff to understand the ISP, Career Development Plan, and supporting documents for each individual and to provide individual services; and

(d) Comply with Department rules and policies regarding the ISP and Career Development Plan.

(7) Agency service providers must participate in a face-to-face meeting annually with the ISP team of an individual. An exception is made when:

(a) The individual chooses not to participate in the meeting or the legal representative of the individual objects to the participation of the individual in the face-to-face meeting. The individual must receive a copy of the ISP and Career Development Plan related to the necessary delivery of services; or

(b) The individual objects to the participation of an agency service provider during the face-to-face meeting.

(8) In preparation for the ISP meeting, the agency service provider must:

(a) Gather person-centered information regarding preferences, interests, and desires of the individual supported;

(b) Review the current ISP and Career Development Plan of the individual to determine the ongoing appropriateness and adequacy of the services and supports identified in the ISP and Career Development Plan; and

(c) Share all materials drafted in preparation for the ISP meeting with the ISP team one week prior to the ISP meeting.

(9) The agency service provider must receive a copy of the ISP and Career Development Plan, or at least portions thereof, related to the necessary delivery of services.

## 411-345-0170

### Behavior Support

For an agency service provider certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The agency service provider must have and implement a written policy for behavior support utilizing individualized positive support techniques and prohibiting abusive practices.

(2) The agency service provider must inform the individual, and as applicable the legal or designated representative of the individual, of the behavior support policy and any applicable procedures at the time of entry to services and as changes to the behavior policy occur.

(3) Prior to the development of a Behavior Support Plan, the agency service provider must conduct a functional behavioral assessment of the behavior, which must be based upon information provided by one or more people who know the individual. The functional behavioral assessment must include:

(a) A clear, measurable description of the behavior that includes (as applicable) frequency, duration, and intensity of the behavior;

(b) A clear description and justification of the need to alter the behavior;

(c) An assessment of the meaning of the behavior that includes the possibility that the behavior is one or more of the following:

(A) An effort to communicate;

(B) The result of a medical condition;

(C) The result of a psychiatric condition; or

(D) The result of environmental causes or other factors.

(d) A description of the context in which the behavior occurs; and

(e) A description of what currently maintains the behavior.

(4) A Behavior Support Plan must include:

(a) An individualized summary of the needs, preferences, and relationships of an individual;

(b) A summary of the functions of the behavior as derived from the functional behavioral assessment;

(c) Strategies that are related to the functions of the behavior and are expected to be effective in reducing problem behaviors;

(d) Prevention strategies, including environmental modifications and arrangements;

(e) Early warning signals or predictors that may indicate a potential behavioral episode and a clearly defined plan of response;

(f) A general crisis response plan that is consistent with OIS;

(g) A plan to address post crisis issues;

(h) A procedure for evaluating the effectiveness of the Behavior Support Plan that includes a method of collecting and reviewing data on frequency, duration, and intensity of the behavior;

(i) Specific instructions for staff who provide support to follow regarding the implementation of the Behavior Support Plan; and

(j) Positive behavior supports that includes the least intrusive intervention possible.

(5) The agency service provider must maintain the following additional documentation for implementation of Behavior Support Plans:

(a) Written evidence that the individual, the legal or designated representative of the individual (as applicable), and the ISP team are aware of the development of the Behavior Support Plan and any objections or concerns;

(b) Written evidence of the ISP team decision for approval of the implementation of the Behavior Support Plan; and

(c) Written evidence of all informal and positive strategies used to develop an alternative behavior.

## 411-345-0180

### Protective Physical Intervention for Agency Providers

For an agency service provider certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The agency service provider must only employ protective physical intervention techniques that are included in the approved OIS curriculum or as approved by the OIS Steering Committee. Protective physical intervention techniques must only be applied:

(a) When the health and safety of the individual and others are at risk and the ISP team has authorized the procedures in a documented ISP team decision that is included in the ISP and uses procedures that are intended to lead to less restrictive intervention strategies;

(b) As an emergency measure if absolutely necessary to protect the individual or others from immediate injury; or

(c) As a health-related protection ordered by a physician if absolutely necessary during the conduct of a specific medical or surgical procedure, or for the protection of the individual during the time that a medical condition exists.

(2) Staff supporting an individual must be trained and certified in OIS when the individual has a history of behavior requiring protective physical intervention and the ISP team has determined there is probable cause for future application of protective physical intervention. Documentation verifying current OIS certification of staff must be maintained in the personnel file for the staff person and be available for review by the Department or the designee of the Department.

(3) The service provider must obtain the approval of the OIS Steering Committee for any modification of standard OIS protective physical intervention techniques. The request for modification of protective physical intervention techniques must be submitted to the OIS Steering Committee and must be approved in writing by the OIS Steering Committee prior to the implementation of the modification. Documentation of the approval must be maintained in the record for the individual.

(4) Use of protective physical intervention techniques in emergency situations that are not part of an approved Behavior Support Plan must:

(a) Be reviewed by the executive director of the agency service provider or the designee of the executive director within one hour of application;

(b) Be used only until the individual is no longer an immediate threat to self or others;

(c) Be documented as an incident report and submitted to the services coordinator, personal agent, or other Department designee (if applicable) and the legal representative of the individual (if applicable), no later than one business day after the incident has occurred; and

(d) Prompt an ISP team meeting if an emergency intervention is used more than three times in a six-month period.

(5) Any use of protective physical intervention must be documented in an incident report, excluding circumstances as described in section (8) of this rule. The incident report must include:

(a) The name of the individual to whom the protective physical intervention was applied;

(b) The date, type, and length of time the protective physical intervention was applied;

# ADMINISTRATIVE RULES

(c) A description of the incident precipitating the need for the use of the protective physical intervention;

(d) Documentation of any injury;

(e) The name and position of the staff member applying the protective physical intervention;

(f) The name and position of the staff witnessing the protective physical intervention;

(g) The name and position of the person providing the initial review of the use of the protective physical intervention; and

(h) Documentation of an administrative review by the executive director of the agency service provider or the designee of the executive director who is knowledgeable in OIS as evident by a job description that reflects this responsibility, which includes the follow-up to be taken to prevent a recurrence of the incident.

(6) The agency service provider must forward a copy of the incident report within five business days of the incident to the services coordinator or personal agent and the legal representative of the individual (if applicable).

(a) The services coordinator, personal agent, or the Department designee (if applicable) must receive a complete copy of the incident report.

(b) A copy of an incident report may not be provided to the legal representative or other agency service provider of an individual when the report is part of an abuse or neglect investigation.

(c) A copy of an incident report provided to the legal representative or other service provider of an individual must have confidential information about other individuals removed or redacted as required by federal and state privacy laws.

(7) All protective physical interventions resulting in injuries must be documented in an incident report and forwarded to the services coordinator, personal agent, or other Department designee (if applicable), within one business day of the incident.

(8) The agency service provider may substitute a behavior data summary in lieu of individual incident reports when:

(a) There is no injury to the individual or others;

(b) There is a formal written functional behavioral assessment and a written Behavior Support Plan;

(c) The Behavior Support Plan defines and documents the parameters of the baseline level of behavior;

(d) The protective physical intervention techniques and the behaviors for which the protective physical intervention techniques are applied remain within the parameters outlined in the Behavior Support Plan for the individual and the OIS curriculum;

(e) The behavior data collection system for recording observation, intervention, and other support information critical to the analysis of the efficacy of the Behavior Support Plan is also designed to record items as required in section (5) of this rule; and

(f) There is written documentation of an ISP team decision that a behavior data summary had been authorized for substitution in lieu of incident reports.

(9) A copy of the behavior data summary must be forwarded every 30 calendar days to the services coordinator, personal agent, or other Department designee (if applicable) and the legal representative of an individual (if applicable).

## 411-345-0190

### Medical Services

For an agency service provider certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) All medical records for the individuals must be kept confidential as described in OAR 411-323-0060.

(2) The agency service provider must have and implement written policies and procedures that describe the medical management system, including medication administration, early detection and prevention of infectious disease, self-administration of medication, drug disposal, emergency medical procedures including the handling of bodily fluids, and confidentiality of medical records.

(3) Individuals must receive care that promotes their health and well-being as follows:

(a) The agency service provider must observe the health and physical condition of an individual and take action in a timely manner in response to identified changes in condition that may lead to deterioration or harm;

(b) The agency service provider must assist an individual with the use and maintenance of prosthetic devices as necessary for the activities of the service;

(c) The agency service provider, with the knowledge of the individual, must share information regarding medical conditions with the residential contact (if applicable) and the services coordinator or personal agent of the individual; and

(d) The agency service provider must provide rest and lunch periods at least as required by applicable law unless the needs of the individual dictate additional time.

(4) The agency service provider must maintain records on each individual to aid physicians, health care providers, and the agency service provider in understanding the medical history and current treatment program for the individual. These records must be kept current and organized in a manner that permits a staff and health care provider to easily follow the course of treatment for the individual. Such documentation must include:

(a) A medical history obtained prior to entry to services including where available:

(A) A copy of a record of immunizations; and

(B) A list of known communicable diseases and allergies.

(b) A record of the current medical condition of the individual, including:

(A) A copy of all current orders for medication administered and maintained at the site of the agency service provider;

(B) A list of all current medications; and

(C) A record of visits to health care providers if facilitated or provided by the agency service provider.

(5) The administration of medication at the service site must be avoided whenever possible. When medications, treatments, equipment, or special diets must be administered or monitored for self-administration, the agency service provider must:

(a) Obtain a copy of a written order signed by a physician, designee of a physician, or health care provider prescribing the medication, treatment, special diet, equipment, or other medical service; and

(b) Follow written orders.

(c) PRN orders are not accepted for psychotropic medication.

(7) All medications administered or monitored in the case of self-administration must be:

(a) Kept in their original containers;

(b) Labeled by the dispensing pharmacy, product manufacturer, or physician or health care provider, as specified per the written order of a physician or health care provider;

(c) Kept in a secured locked container and stored as indicated by the product manufacturer; and

(d) Recorded on an individualized Medication Administration Record (MAR), including treatments and PRN orders.

(8) The MAR must include:

(a) The name of the individual;

(b) The brand or generic name of the medication, including the prescribed dosage and frequency of administration as contained on the order of the physician or health care provider and medication;

(c) For topical medications and basic first aid treatments utilized without the order of a physician or health care provider, a transcription of the printed instructions from the package or the description of the basic first aid treatment provided;

(d) Times and dates of administration or self-administration of the medication;

(e) The signature of the staff administering the medication or monitoring the self-administration of the medication;

(f) Method of administration;

(g) Documentation of any known allergies or adverse reactions to a medication;

(h) Documentation and an explanation of why a PRN medication was administered and the results of such administration; and

(i) An explanation of any medication administration irregularity with documentation of administrative review by the executive director of the agency service provider or the designee of the executive director.

(9) Safeguards to prevent adverse medication reactions must be utilized to include:

(a) Maintaining information about the effects and side-effects of each prescribed medication;

# ADMINISTRATIVE RULES

(b) Communicating any concerns regarding any medication usage, effectiveness, or effects to the residential contact (if applicable) and the services coordinator or personal agent; and

(c) Prohibiting the use of the medications of one individual by another individual.

(10) The service site or agency service provider may not keep unused, discontinued, outdated, or recalled medication, or medication containers with worn, illegible, or missing labels. All unused, discontinued, outdated, or recalled medication or medication containers with worn, illegible, or missing labels must be promptly disposed of in a manner consistent with federal statutes and designed to prevent illegal diversion of the substances into the possession of people other than for whom the medication was prescribed. The agency service provider must maintain a written record of all disposed medications that includes:

- (a) Date of disposal;
- (b) A description of the medication, including amount;
- (c) The name of the individual for whom the medication was prescribed;
- (d) The reason for disposal;
- (e) The method of disposal;
- (f) Signature of staff disposing; and
- (g) For controlled medications, the signature of a witness to the disposal.

(11) For any individual who is self-administering medication while receiving services from an agency service provider, the agency service provider must:

(a) Have documentation that a training program was initiated with approval of the ISP team for the individual or that training for the individual is unnecessary;

(b) If necessary, have a training program that is consistent with the self-administration training program in place at the residence of the individual;

(c) If necessary, have a training program that provides for retraining when there is a change in dosage, medication, or time of delivery;

(d) Have specific supports identified and documented for the individual when training has been deemed unnecessary; and

(e) Provide for an annual review, at a minimum, as part of the ISP process, upon completion of the training program or when training for the individual has been deemed necessary by the ISP team.

(12) The agency service provider must ensure that individuals able to self-administer medications keep the medications secured, unavailable to any other person, and stored as recommended by the product manufacturer.

(13) The agency service provider must immediately contact the services coordinator or personal agent when the medical, behavioral, or physical needs of an individual change to a point that the needs of the individual may not be met by the agency service provider. The ISP team may determine alternative service providers or may arrange other services if necessary.

## 411-345-0200 Individual Summary Sheets and Emergency Information for Agency Providers

For an agency service provider certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The agency service provider must maintain a current one to two page summary sheet record at the primary place of business of the agency service provider for each individual receiving services. The record must include:

(a) The name of the individual and his or her current address, telephone number, date of entry into services, date of birth, gender, preferred hospital, medical prime and private insurance number (if applicable), and guardianship status; and

(b) The name, address, and telephone number of:

(A) The legal or designated representative, family, and other significant person of the individual (as applicable);

(B) The primary care provider and clinic preferred by the individual;

(C) The dentist preferred by the individual;

(D) The services coordinator or personal agent of the individual; and  
(E) Other agencies and representatives providing services and supports to the individual.

(2) An agency service provider must maintain emergency information for each individual receiving supports and services from the agency service provider in addition to an individual summary sheet identified in section (1) of this rule. The emergency information must be kept current and must include:

(a) The name of the individual;

(b) The name, address, and telephone number of the agency service provider;

(c) The address and telephone number of the residence where the individual lives;

(d) The physical description of the individual, which may include a picture and the date the picture was taken, and identification of:

(A) The race, gender, height, weight range, hair, and eye color of the individual; and

(B) Any other identifying characteristics that may assist in identifying the individual may the need arise, such as marks or scars, tattoos, or body piercing.

(e) Information on the abilities and characteristics of the individual, including:

(A) How the individual communicates;

(B) The language the individual uses or understands;

(C) The ability of the individual to know and take care of bodily functions; and

(D) Any additional information that may assist a person not familiar with the individual to understand what the individual may do for him or herself.

(f) The health support needs of the individual, including:

(A) Diagnosis;

(B) Allergies or adverse drug reactions;

(C) Health issues that a person needs to know when taking care of the individual;

(D) Special dietary or nutritional needs, such as requirements around the textures or consistency of foods and fluids;

(E) Food or fluid limitations due to allergies, diagnosis, or medications the individual is taking that may be an aspiration risk or other risk for the individual;

(F) Additional special requirements the individual has related to eating or drinking, such as special positional needs or a specific way foods or fluids are given to the individual;

(G) Physical limitations that may affect the ability of the individual to communicate, respond to instructions, or follow directions; and

(H) Specialized equipment needed for mobility, positioning, or other health-related needs.

(g) The emotional and behavioral support needs of the individual, including:

(A) Mental health or behavioral diagnosis and the behaviors displayed by the individual; and

(B) Approaches to use when dealing with the individual to minimize emotional and physical outbursts.

(h) Any court ordered or legal representative authorized contacts or limitations;

(i) The supervision requirements of the individual and why; and

(j) Any additional pertinent information the agency service provider has that may assist in the care and support of the individual in the event of a natural or man-made disaster.

## 411-345-0230 Incident Reports and Emergency Notifications by Agency Providers

For an agency service provider certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) A written incident report describing any injury, accident, act of physical aggression, or unusual incident involving an individual must be placed in the record for the individual. The incident report must include:

(a) Conditions prior to, or leading to, the incident;

(b) A description of the incident;

(c) Staff response at the time; and

# ADMINISTRATIVE RULES

(d) Follow-up to be taken to prevent a recurrence of the injury, accident, physical aggression, or unusual incident.

(2) Copies of incident reports for all unusual incidents (as defined by OAR 411-345-0020) must be sent to the services coordinator or personal agent within five business days of the unusual incident.

(3) The agency service provider must immediately notify the CDDP or Brokerage of an incident or allegation of abuse falling within the scope of OAR 407-045-0260.

(4) In the case of an unusual incident requiring emergency response, the agency service provider must immediately notify:

(a) The legal representative, parent, next of kin, designated representative, and other significant person of the individual (as applicable);

(b) The CDDP or Brokerage;

(c) The residential contact of the individual; and

(d) Any other agency responsible for the individual.

(5) In the case of an individual who is missing or absent without supervision beyond the time frames established by the ISP team, the agency service provider must immediately notify:

(a) The designated representative of the individual (if applicable);

(b) The legal representative of the individual or nearest responsible relative (as applicable);

(c) The residential contact of the individual;

(d) The local police department; and

(e) The CDDP or Brokerage.

### Emergency Plan and Safety Review for Agency Providers

For an agency service provider certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) An agency service provider must develop, keep current, and implement a written emergency plan for the protection of all individuals in the event of an emergency or disaster. The emergency plan must:

(a) Be practiced at least annually;

(b) Consider the needs of the individuals being supported and address all natural and human-caused events identified as a potential significant risk to the individuals, such as a pandemic or an earthquake;

(c) Coordinate with each residential provider or residential contact to address the possibility of emergency or disaster resulting in the following:

(A) Extended utility outage;

(B) No running water;

(C) Inability to provide food or supplies; and

(D) Staff unable to report as scheduled.

(d) Include provisions for evacuation and relocation that identifies:

(A) The duties of staff during evacuation, transport, and housing of individuals;

(B) The requirement for staff to notify the Department and the local CDDP and Brokerage offices of the plan to evacuate or the evacuation of the facility, as soon as the emergency or disaster reasonably allows;

(C) The method and source of transportation;

(D) Planned relocation sites that are reasonably anticipated to meet the needs of the individuals;

(E) A method that provides a person unknown to the individual the ability to identify the individual by name and to identify the name of the agency service provider for the individual; and

(F) A method for tracking and reporting to the Department, local CDDP and Brokerage offices, or designee, the physical location of each individual until a different entity resumes responsibility for the individual.

(e) Address the needs of the individual, including medical needs; and

(f) Be submitted to the Department as a summary, per Department format, at least annually and upon revision and change of ownership.

(2) An agency service provider must post the following emergency telephone numbers in close proximity to all phones used by staff:

(a) The telephone numbers of the local fire, police department, and ambulance service, if not served by a 911 emergency service; and

(b) The telephone number of the executive director of the agency service provider and additional people to be contacted in the case of an emergency.

(3) If an individual regularly accesses the community independently, the agency service provider must provide the individual information about appropriate steps to take in an emergency, such as emergency contact telephone numbers, contacting police or fire personnel, or other strategies to obtain assistance.

(4) A documented safety review must be conducted quarterly to ensure the service site is free of hazards. The agency service provider must keep the quarterly safety review reports for five years and must make them available upon request by the CDDP, Brokerage, or the Department.

## 411-345-0250

### Evacuation

For an agency service provider certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The agency service provider must train all individuals immediately upon entry to each service site to leave the site in response to an alarm or other emergency signal.

(2) The agency service provider must document the level of assistance needed by each individual to safely evacuate and such documentation must be maintained in the entry records for the individual.

(3) The agency service provider must provide, or assure provision of, necessary adaptations or accommodations to ensure evacuation safety for individuals with sensory and physical impairments.

(4) Site-based agency service providers must:

(a) Conduct unannounced evacuation drills one per quarter each year when individuals are present, unless required more often by the Oregon Occupational Safety and Health Division.

(A) Drills must occur at different times of the day.

(B) Routes to leave the site for the drill must vary based on the location of a simulated emergency.

(C) Any individual failing to evacuate the service site unassisted within three minutes, or an amount of time set by the local fire authority for the site, must be provided specialized training and support in evacuation procedures.

(b) Make written documentation at the time of each drill and keep the documentation for at least two years following the drill. Documentation must include:

(A) The date and time of the drill;

(B) The location of the simulated emergency and route of evacuation;

(C) The last names of all individuals and staff present in the service area at the time of the drill;

(D) The type of evacuation assistance provided by staff to individuals that need more than three minutes to evacuate as specified in the safety plan for the individuals;

(E) The amount of time required by each individual to evacuate if the individual needs more than three minutes to evacuate;

(F) The amount of time for all individuals to evacuate exclusive of individuals with specialized support as described in section (3)(c) of this rule; and

(G) The signature of the staff conducting the drill.

(c) Develop a written safety plan for individuals who are unable to evacuate the site within the required evacuation time or who, with concurrence of the ISP team, request not to participate in evacuation drills. The safety plan must include:

(A) Documentation of the risk to the medical, physical condition, and behavioral status of the individual;

(B) Identification of how the individual must evacuate the site, including level of support needed;

(C) The routes to be used to evacuate the individual to a point of safety;

(D) Identification of assistive devices required for evacuation;

(E) The frequency the plan must be practiced and reviewed by the individual and staff;

(F) The alternative practices;

(G) Approval of the plan by the legal representative of the individual, services coordinator or personal agent, and the executive director of the agency service provider; and

(H) A plan to encourage future participation in evacuation drills.

### Physical Environment

For an agency service provider certified by the Department to provide services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) All agency service providers must ensure that the service site has no known health or safety hazards in its immediate environment and that individuals are trained to avoid recognizable hazards.

(2) The agency service provider must:

(a) Assure that at least once every five years a health and safety inspection is conducted of owned, leased, or rented buildings and property.

(A) The inspection must cover all areas and buildings where services are delivered to individuals, administrative offices, and storage areas.

(B) The inspection may be performed by:

(i) Oregon Occupational Safety and Health Division;

(ii) The workers compensation insurance carrier of the agency service provider;

(iii) An appropriate expert, such as a licensed safety engineer or consultant approved by the Department; or

(iv) The Oregon Public Health Division, when necessary.

(C) The inspection must cover:

(i) Hazardous material handling and storage;

(ii) Machinery and equipment used by the agency service provider;

(iii) Safety equipment;

(iv) Physical environment; and

(v) Food handling, when necessary.

(D) The documented results of the inspection, including recommended modifications or changes, and documentation of any resulting action taken must be kept by the agency service provider for five years.

(b) Ensure buildings and property at each owned, leased, or rented service site has annual fire and life safety inspections performed by the local fire authority or a Deputy State Fire Marshal. The documented results of the inspection, including documentation of recommended modifications or changes, and documentation of any resulting action taken must be kept by the agency service provider for five years.

## 411-345-0270

### Vehicles and Drivers

For an agency service provider certified by the Department to provide services under these rules and endorsed under the rules in OAR 411-323:

(1) An agency service provider that owns or operates vehicles that transports individuals must:

(a) Maintain the vehicles in safe operating condition;

(b) Comply with the laws of the Driver and Motor Vehicle Services Division;

(c) Maintain insurance coverage; and

(d) Carry a first-aid kit in the vehicles.

(2) A driver operating vehicles to transport individuals must meet all applicable requirements of the Driver and Motor Vehicle Services Division.

**Rule Caption:** ODDS — Foster Homes for Children with Intellectual or Developmental Disabilities

**Adm. Order No.:** APD 46-2014

**Filed with Sec. of State:** 12-26-2014

**Certified to be Effective:** 12-28-14

**Notice Publication Date:** 11-1-2014

**Rules Amended:** 411-346-0110, 411-346-0150, 411-346-0180, 411-346-0190, 411-346-0210

**Rules Repealed:** 411-346-0110(T), 411-346-0150(T), 411-346-0180(T), 411-346-0190(T)

**Subject:** The Department of Human Services (Department), Office of Developmental Disability Services is permanently updating the rules in OAR chapter 411, division 346 for foster homes for children with intellectual or developmental disabilities (CFH).

The updated rules:

Make permanent temporary rule language that became effective on July 1, 2014;

Incorporate the general definitions in OAR 411-317-0000, update the definitions to reflect correct terminology, and include definitions for terms created by the temporary rulemaking;

Include portability of background check approval to allow alternate caregivers, employees of foster providers, and volunteers to have approval to work in multiple foster homes within a county when working in the same employment role at each foster home;

Incorporate the hearing process for provider notices of involuntary reductions, transfers, and exits adopted in OAR 411-318-0030;

Clarify nursing services to provide consistency with the rules for community nursing services in OAR chapter 411, division 048;

Reflect new Department terminology and current practice; and

Correct formatting and punctuation.

**Rules Coordinator:** Kimberly Colkitt-Hallman—(503) 945-6398

## 411-346-0110

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 346:

(1) “Abuse” means:

(a) “Abuse” as defined in ORS 419B.005 for a child less than 18 years of age; and

(b) “Abuse” as defined in OAR 407-045-0260 when a young adult between the ages of 18 and 21 resides in a certified child foster home.

(2) “Alternate Caregiver” means any person 18 years of age and older responsible for the care or supervision of a child in foster care.

(3) “Alternative Educational Plan” means any school plan that does not occur within the physical school setting.

(4) “Appeal” means the process for a contested hearing under ORS chapter 183 that a foster provider may use to petition the suspension, denial, non-renewal, or revocation of their certificate or application.

(5) “Applicant” means a person who wants to become a child foster provider, lives at the residence where a child in foster care is to live, and is applying for a child foster home certificate or is renewing a child foster home certificate.

(6) “Aversive Stimuli” means the use of any natural or chemical product to alter the behavior of a child, such as the use of hot sauce or soap in the mouth and spraying ammonia or lemon water in the face of a child. Psychotropic medications are not considered aversive stimuli.

(7) “Background Check” means a criminal records check and abuse check as defined in OAR 407-007-0210.

(8) “Behavior Support” means the services consistent with positive behavioral theory and practice that are provided to assist with behavioral challenges due to the intellectual or developmental disability of a child that prevents the child from accomplishing activities of daily living, instrumental activities of daily living, health related tasks, and provides cognitive supports to mitigate behavior. Behavior supports are provided in the home or community.

(9) “Behavior Support Plan” means the written strategy based on person-centered planning and a functional assessment that outlines specific instructions for a foster provider to follow to cause the challenging behaviors of a child to become unnecessary and to change the behavior of the provider, adjust environment, and teach new skills.

(10) “Case Plan” means the goal-oriented, time-limited, individualized plan of action for a child and the family of the child developed by the family and the Children, Adults, and Families Division of the Department for promotion of the safety, permanency, and well-being of the child.

(11) “Case Worker” means an employee of the Children, Adults, and Families Division of the Department.

(12) “CDDP” means “Community Developmental Disability Program” as defined in OAR 411-320-0020.

## ADMINISTRATIVE RULES

(13) "Certificate" means a document issued by the Department that notes approval to operate a child foster home for a period not to exceed two years.

(14) "Certifying Agency" means the Department, CDDP, or an agency approved by the Department who is authorized to gather required documentation to issue or maintain a child foster home certificate.

(15) "Child" means:

(a) An individual who is less than 18 years of age who has a provisional determination of an intellectual or developmental disability by the CDDP; or

(b) A young adult age 18 through 21 with an intellectual or developmental disability who is remaining in the same foster home for the purpose of completing their IEP based on the recommendation of the ISP team and an approved certification variance.

(16) "Child Foster Home" means a home certified by the Department that is maintained and lived in by the person named on the foster home certificate.

(17) "Child Foster Home Contract" means an agreement between a foster provider and the Department that describes the responsibility of the foster provider and the Department.

(18) "Child Placing Agency" means the Department, CDDP, or the OYA.

(19) "Commercial Basis" means providing and receiving compensation for the temporary care of individuals not identified as members of the household.

(20) "Community Nursing Services" mean the nursing services that focus on the chronic and ongoing health and safety needs of a child. Community nursing services include an assessment, monitoring, delegation, training, and coordination of services. Community nursing services are provided according to the rules in OAR chapter 411, division 48 and the Oregon State Board of Nursing rules in OAR chapter 851.

(21) "Delegation" means that a registered nurse authorizes a foster provider or alternate caregiver to perform nursing tasks and confirms that authorization in writing. Delegation may occur only after a registered nurse follows all steps of the delegation process as outlined in OAR chapter 851, division 47.

(22) "Denial" means the refusal of the certifying agency to issue a certificate of approval to operate a child foster home because the certifying agency has determined that the home or the applicant is not in compliance with one or more of these rules.

(23) "Department" means the Department of Human Services.

(24) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in OAR 411-320-0080.

(25) "DHS-CW" means the child welfare program area within the Children, Adults, and Families Division of the Department.

(26) "Direct Nursing Services" means the provision of individual-specific advice, plans, or interventions by a nurse at a home based on the nursing process as outlined by the Oregon State Board of Nursing. Direct nursing service differs from administrative nursing services. Administrative nursing services include non-individual-specific services, such as quality assurance reviews, authoring health related agency policies and procedures, or providing general training for the foster provider or alternate caregivers.

(27) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services, or the designee of the Director.

(28) "Discipline" means "behavior support" as defined in this rule.

(29) "Domestic Animals" mean the animals domesticated so as to live and breed in a tame condition, such as dogs, cats, and domesticated farm stock.

(30) "Educational Surrogate" means the person who acts in place of a parent in safeguarding the rights of a child in the public education decision-making process:

(a) When the parent of the child cannot be identified or located after reasonable efforts;

(b) When there is reasonable cause to believe that the child has a disability and is a ward of the state; or

(c) At the request of the parent of the child or young adult student.

(31) "Emergency Certificate" means a foster home certificate issued for 30 days.

(32) "Entry" means admission to a Department-funded developmental disability service.

(33) "Exit" means termination or discontinuance of a Department-funded developmental disability service by a Department licensed or certified provider.

(34) "Foster Care" means a child is placed away from their parent or guardian in a certified child foster home.

(35) "Foster Provider" means the certified care provider who resides at the address listed on the foster home certificate. A foster provider is considered a private agency for purposes of mandatory reporting of abuse.

(36) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors, choices and preferences, service and support needs, strengths, and goals; and

(C) Determines the service level.

(b) The functional needs assessment for a child residing in a foster home is known as the Support Needs Assessment Profile (SNAP).

(37) "Guardian" means the parent of a minor child or a person or agency appointed and authorized by a court to make decisions about services for a child in foster care.

(38) "Home Inspection" means the on-site, physical review of the home of an applicant to assure the applicant meets all health and safety requirements within these rules.

(39) "Home Study" means the assessment process used for the purpose of determining the ability of an applicant to care for a child in need of foster care placement.

(40) "ICWA" means the Indian Child Welfare Act.

(41) "IEP" means "Individualized Education Plan". An IEP is a written plan of instructional goals and objectives developed in conference with a teacher, student, the guardian of the student, and a representative of the school district.

(42) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving a child in foster care.

(43) "Individual" means a child or an adult with an intellectual or developmental disability applying for, or determined eligible for, Department-funded services. Unless otherwise specified, references to individual also include the legal or designated representative of the individual, who has the ability to act for the individual and to exercise the rights of the individual.

(44) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in OAR 411-320-0080.

(45) "Involuntary Reduction" means a foster provider has made the decision to reduce services provided to a child and the child or the parent or guardian of the child has not given prior approval.

(46) "Involuntary Transfer" means a foster provider has made the decision to transfer a child and the child or the parent or guardian of the child has not given prior approval.

(47) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for a child to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering that is driven by the child. The ISP reflects the services and supports that are important to meet the needs of the child identified through a functional needs assessment as well as the preferences for providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, Community First Choice state plan, natural supports, or alternative resources.

(48) "ISP Team" means a team composed of the child in foster care (when appropriate) and the parent or guardian of the child, CDDP services coordinator, and others chosen by the child or the parent or guardian of the child, such as the foster provider or family members of the child.

(49) "Licensed Medical Professional" means a person who meets the following:

(a) Holds at least one of the following valid licensures or certifications:

(A) Physician licensed to practice in Oregon;

(B) Nurse practitioner certified by the Oregon State Board of Nursing under ORS 678.375; or

(C) Physician's assistant licensed to practice in Oregon; and

(b) Whose training, experience, and competence demonstrate expertise in children's mental health and the ability to conduct a mental health assessment and provide psychotropic medication management for a child in foster care.

(50) "MAR" means medication administration record.

(51) "Mechanical Restraint" means any mechanical device, material, object, or equipment that is attached or adjacent to the body that cannot be

# ADMINISTRATIVE RULES

easily removed or easily negotiated around that restricts freedom of movement or access to the body.

(52) "Member of the Household" means any adult or child living in the home, including an employee or volunteer assisting in the care provided to a child placed in the home. A child in foster care is not considered a member of the household.

(53) "Mental Health Assessment" means the assessment used to determine the need for mental health services by interviewing a child and obtaining all pertinent biopsychosocial information as identified by the child, the family of the child, and collateral sources. A mental health assessment:

- (a) Addresses the condition presented by the child;
- (b) Determines a diagnosis; and
- (c) Provides treatment direction and individualized services and supports.

(54) "Misuse of Funds" includes, but is not limited to, a foster provider or staff person:

- (a) Borrowing from, or loaning money to, a child in foster care;
- (b) Witnessing a will in which the foster provider or a staff person is a beneficiary;
- (c) Adding the name of the foster provider or staff person to the bank account of a child or other titles for personal property without approval of the child when of age to give legal consent, or the guardian of the child and authorization of the ISP team;

(d) Inappropriately expending or theft of the personal funds of a child;

(e) Using the personal funds of a child for the benefit of the foster provider or staff person; or

(f) Commingling the funds of a child with the funds of the foster provider or the funds of another child.

(55) "Monitoring" means:

(a) The observation of a certified child foster home by the Department or the designee of the Department to determine continuing compliance with these rules; and

(b) The periodic review of the implementation of services and supports identified in an ISP and the quality of services delivered.

(56) "Nursing Service Plan" means the plan that is developed by a registered nurse based on an initial nursing assessment, reassessment, or an update made to a nursing assessment as the result of a monitoring visit.

(a) The Nursing Service Plan is specific to a child and identifies the diagnoses and health needs of the child and any service coordination, teaching, or delegation activities.

(b) The Nursing Service Plan is separate from the ISP as well as and any service plans developed by other health professionals.

(57) "Occupant" means any person having official residence in a certified child foster home.

(58) "OIS" means "Oregon Intervention System". OIS is the system of providing training of elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques used to maintain health and safety.

(59) "OYA" means "Oregon Youth Authority". OYA is the agency that has been given commitment and supervision responsibilities over a youth offender by order of the juvenile court under ORS 137.124 or other statute, until the time that a lawful release authority authorizes release or terminates the commitment or placement.

(60) "Permanent Foster Care" means the long term contractual agreement between a foster provider and the Children, Adults, and Families Division of the Department, approved by the juvenile court that specifies the responsibilities and authority of the foster provider and the commitment by the permanent foster provider to raise a child until the age of majority or until the court determines that permanent foster care is no longer the appropriate plan for the child.

(61) "Positive Behavioral Theory and Practice" means a proactive approach to behavior and behavior interventions that:

(a) Emphasizes the development of functional alternative behavior and positive behavior intervention;

(b) Uses the least intrusive intervention possible;

(c) Ensures that abusive or demeaning interventions are never used; and

(d) Evaluates the effectiveness of behavior interventions based on objective data.

(62) "PRN (pro re nata)" means the administration of a medication to a child on an 'as needed' basis.

(63) "Protected Health Information" means any oral or written health information that identifies a child and relates to the past, present, or future

physical or mental health condition, health care treatment, or payment for health care treatment.

(64) "Protective Physical Intervention" means any manual physical holding of, or contact with, a child that restricts freedom of movement.

(65) "Psychotropic Medication" means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(66) "Qualified Mental Health Professional" means a licensed medical practitioner or any other meeting the minimum qualifications specified in OAR 309-019-0125.

(67) "Relief Care" means the intermittent services that are provided on a periodic basis for the relief of, or due to the temporary absence of, a person normally providing supports to a child in foster care. Relief care may include 24-hour relief care or hourly relief care.

(68) "Revocation" means the action taken by the certifying agency to rescind a child foster home certificate of approval after the certifying agency has determined that the foster provider or the child foster home is not in compliance with one or more of these rules.

(69) "Services Coordinator" means "services coordinator" as defined in OAR 411-320-0020.

(70) "Significant Medical Needs" includes, but is not limited to, total assistance required for all activities of daily living, such as access to food or fluids, daily hygiene that is not attributable to the chronological age of a child, and frequent medical interventions required by a Nursing Service Plan or ISP for health and safety of the child.

(71) "Special Diet" means the specially prepared food or particular types of food that are specific to the medical condition or diagnosis of a child and in support of an evidence-based treatment regimen.

(72) "Suspension" means an immediate, temporary withdrawal of the approval to operate a child foster home after the certifying agency determines a foster provider or the child foster home is not in compliance with one or more of these rules or there is a threat to the health, safety, or welfare of a child.

(73) "These Rules" mean the rules in OAR chapter 411, division 346.

(74) "Transfer" means movement of a child from one home to another home administered or operated by the same foster provider.

(75) "Transition Plan" means the ISP describing necessary services and supports for a child upon entry to a new service setting. The Transition Plan is approved by a services coordinator and includes a summary of the services necessary to facilitate adjustment to the services offered, the supports necessary to ensure health and safety, and the assessments and consultations necessary for further ISP development.

(76) "Unauthorized Absence" means any length of time when a child is absent from a foster home without prior approval as specified in the ISP for the child.

(77) "Unusual Incident" means any incident involving a child that includes an act of physical aggression, serious illness or an accident, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, death, a fire requiring the services of a fire department, or any incident requiring an abuse investigation.

(78) "Urgent Medical Need" means the onset of psychiatric or medical symptoms requiring attention within 48 hours to prevent a serious deterioration in the mental or physical condition of a child.

(79) "Variance" means the temporary exemption from a regulation or provision of these rules that may be granted by the Department upon written application by the certifying agency.

(80) "Young Adult" means an individual age 18 through 21 who resides in a child foster home.

## 411-346-0150

### General Requirements for Certification

(1) An applicant or foster provider must participate in certification and certification renewal studies and in the ongoing monitoring of their home.

(2) An applicant or foster provider must give the information required by the Department to verify compliance with all applicable rules, including

## ADMINISTRATIVE RULES

change of address and change of number of people in the household such as relatives, employees, or volunteers.

(3) An applicant seeking certification from the Department must complete the Department application forms. When two or more adults living in the home share foster provider responsibilities to any degree, each adult must be listed on the application as applicant and co-applicant.

(4) An applicant must disclose each state or territory the applicant has lived in the last five years and for a longer period if requested by the certifying agency. The disclosure must include the address, city, state, and zip code of previous residences.

(5) An applicant must provide the following information:

(a) Names and addresses of any agencies in the United States where any occupant of the home has been licensed or certified to provide care to children or adults and the status of such license or certification, such as licenses or certificates for residential care, nurse, nurse's aide, and foster care;

(b) Proposed number, gender, age range, disability, and support needs of children to be served in foster care;

(c) School reports for any child of school age living in the home at the time of initial application. School reports for any child of school age living in the home within the last year may also be required;

(d) Names and addresses of at least four people, three of whom are unrelated, who have known each applicant for two years or more and who can attest to the character of the applicant and the ability of the applicant to care for children. The Department may contact schools, employers, adult children, and other sources as references;

(e) Reports of all criminal charges, arrests, or convictions, including the date of offense and the resolution of those charges, for all employees or volunteers and people living in the home. If the minor children of the applicant are living in the home, the applicant must also list reports of all criminal or juvenile delinquency charges, arrests, or convictions, including the date of offense and the resolution of those charges;

(f) Founded reports of child abuse or substantiated abuse, including dates, locations, and resolutions of those reports, for all people living in the home, as well as all applicant or provider employees, independent contractors, and volunteers;

(g) Demonstration, upon initial certification, of successful completion of 15 hours of pre-service training.

(h) Demonstration, upon initial certification, of income sufficient to meet the needs and to ensure the stability and financial security of the family independent of the foster care payment;

(i) All child support obligations in any state, including whether the obligor is current with payments or in arrears, and whether any wages of the applicant or foster provider are being attached or garnished for any reason;

(j) A statement from a physician, on a form provided by the Department, that each applicant is physically and mentally capable of providing care;

(k) A floor plan of the house showing the location of:

(A) Rooms, indicating the bedrooms for the child in foster care, caregiver, and other occupants of the home;

(B) Windows;

(C) Exit doors;

(D) Smoke alarms and fire extinguishers; and

(E) Wheel chair ramps, if applicable; and

(l) A diagram of the house and property showing safety devices for fire places, wood stoves, water features, outside structures, and fencing.

(6) Falsification or omission of any of the information for certification may be grounds for denial or revocation of the child foster home certification.

(7) Applicants must be at least 21 years of age. Applicants who are "Indian" as defined in the ICWA may be 18 years of age or older if an Indian child to be placed is in the legal custody of DHS-CW.

(8) Applicants, foster providers, alternate caregivers, employees of foster providers, volunteers, other occupants in the foster home who are 18 years of age or older, other adults having regular contact in the foster home with a child in foster care, and any subject individual as defined in OAR 407-007-0210 must consent to a background check by the Department in accordance with 407-007-0200 to 407-007-0370 (Background Check Rules) and under ORS 181.534. The Department may require a background check on members of the household less than 18 years of age if there is reason to believe that a member of the household may pose a risk to a child placed in the home. All people subject to a background check are required to complete an Oregon background check and a national background check

as described in OAR 407-007-0200 to 407-007-0370, including the use of fingerprint cards.

(a) Alternate caregivers, employees of foster providers, and volunteers may be approved to work in multiple homes within a county only when working in the same employment role at each home. The indication of worksite location must be included in the background check request for each alternate caregiver, employee of the foster provider, or volunteer who intends to work at various child foster homes within the licensing jurisdiction of the county.

(b) Effective July 28, 2009, public funds may not be used to support, in whole or in part, a person described in section (8) of this rule in any capacity who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(c) A person does not meet qualifications as described in this rule if the person has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(d) Section (8)(a) and (b) of this rule do not apply to employees hired prior to July 28, 2009 that remain in the current position for which the employee was hired.

(e) Any person as described in section (8) of this rule must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290. The person must notify the Department or the designee of the Department within 24 hours.

(9) The Department may not issue or renew a certificate if an applicant or member of the household:

(a) Has, after completing the background check, a fitness determination of "denied".

(b) Has, at any time, been convicted of a felony in Oregon or any jurisdiction that involves:

(A) Child abuse or neglect;

(B) Spousal abuse;

(C) Criminal activity against children, including child pornography;

or

(D) Rape, sexual assault, or homicide.

(c) Has, within the past five years from the date the background check was signed, been convicted of a felony in Oregon or any jurisdiction that involves:

(A) Physical assault or battery (other than against a spouse or child);

or

(B) Any drug-related offense.

(d) Has been found to have abused or neglected a child or adult as defined in ORS 419B.005 or as listed in OAR 407-045-0260.

(e) Has, within the past five years from the date the child foster home application was signed, been found to have abused or neglected a child or adult in the United States as defined by that jurisdiction or any other jurisdiction.

(10) An applicant or foster provider may request to withdraw an application any time during the certification process by notifying the certifying agency in writing. Written documentation by the certifying agency of oral notice may substitute for written notification.

(11) The Department may suspend or revoke a certificate or may not issue or renew a certificate for a minimum of five years, if an applicant is found to have a license or certificate to provide care to children or adults suspended, revoked, or not renewed by other than voluntary request.

(12) The Department may not issue or renew a certificate based on an evaluation of any negative references, school reports, statement of a physician, or previous licensing or certification reports from other agencies or states.

(13) A Department employee may be a foster provider, or an employee of an agency that contracts with the Department as a foster provider, if the position of the employee with the Department does not influence referral, regulation, or funding of such activities. Prior to engaging in such activity, the employee must obtain written approval from the Director of the Department. The written approval must be on file with the Director of the Department and in the certification file maintained by the Department.

(14) An application is incomplete and void unless all supporting materials are submitted to the Department within 90 days from the date of the application.

(15) An application may not be considered complete until all required information is received and verified by the Department. A decision to approve or deny certification is made by the Department within 60 days from the receipt of the completed application.

(16) Compliance with these rules is determined by the Department based on receipt of the completed application material, an investigation of information submitted, an inspection of the home, a completed home study,

# ADMINISTRATIVE RULES

and a personal interview with the provider. A certificate issued on or after February 1, 2010 is valid for a maximum of two years unless revoked or suspended.

(17) The Department may attach conditions to a certificate that limit, restrict, or specify other criteria for operation of the child foster home.

(18) A condition may be attached to a certificate that limits a foster provider to the care of a specific child. A foster provider with this limitation does not receive referrals.

(19) A child foster home certificate is not transferable or applicable to any location or people other than those specified on the certificate.

(20) A foster provider who cares for a child funded by the Department must enter into a contract with the Department and follow the Department rules governing reimbursement for services and refunds.

(21) A foster provider may not be the parent or legal guardian of any child placed in their home for foster care services funded by the Department.

(22) If an applicant or foster provider intends to provide care for a child with significant medical needs, at least one provider or applicant must have the following:

(a) An equivalent of one year of full-time experience in providing direct care to individuals;

(b) Health care professional qualifications, such as a registered nurse (RN) or licensed practical nurse (LPN), or the equivalent of two additional years full-time experience providing care and support to an individual who has a medical condition that is serious and may be life-threatening;

(c) Copies of all current health related licenses or certificates and provide those documents to the certifying agent;

(d) Current certification in First Aid and Cardiopulmonary Resuscitation (CPR). The CPR training must be done by a recognized training agency and the CPR certificate must be appropriate to the ages of the child served in the foster home;

(e) Current satisfactory references from at least two medical professionals, such as a physician and registered nurse, who have direct knowledge of the ability of the applicant and past experiences as a caregiver. The medical professional references may serve as two of the four references in section (5)(d) of this rule; and

(f) Positive written recommendation from the Medically Fragile Children's Unit (MFCU) of the Department if the foster provider or applicant has provided services through the MFCU or if the foster provider or applicant has a child in the family home or foster home that has historically received services through the MFCU.

(23) A foster provider may not accept a child with significant medical needs unless an initial Nursing Service Plan for the child is in place at the time of placement that addresses the health and safety supports for the child.

## 411-346-0180

### Professional Responsibilities of the Foster Provider

#### (1) TRAINING AND DEVELOPMENT.

(a) The foster provider must complete a minimum of 15 hours of pre-service training prior to certification and 10 hours annually for certification renewal. The Department or the certifying agency may require additional hours of training based on the needs of the child served in the home.

(b) The foster provider must participate in training provided or approved by the Department or the certifying agency. Such training must include educational opportunities designed to enhance the awareness, understanding, and skills of the foster provider to meet the special needs of a child placed in the home of the foster provider.

(c) The foster provider must complete mandatory reporter training prior to initial certification and annually thereafter.

(d) Mandatory reporter training must be appropriate to the ages of the individuals living in the child foster home.

(2) RELATIONSHIP WITH THE CHILD PLACING AGENCY. The foster provider must:

(a) Take part in planning, preparation, pre-placement activities, and visitation for the child placed in their home;

(b) Participate as team members in developing and implementing the ISP when initiated by the CDDP services coordinator for the child placed in their home;

(c) In advance or within one business day, notify the certifying agency of changes likely to affect the life and circumstances of the foster family or the safety in the home including, but not limited to, the following:

(A) Foster family illness;

(B) Divorce, legal separation, or loss of a household member;

(C) Significant change in financial circumstances;

(D) New household members or placement of a child in foster care by another agency, including relief care;

(E) Arrests or criminal involvement;

(F) The addition of hunting equipment and weapons;

(G) The addition of a swimming pool; or

(H) The addition of a pet.

(I) Immediately notify the CDDP services coordinator and guardian of an injury, illness, or accident of the child or any unusual incident or circumstance involving the child that may have a serious effect on the health, safety, physical, or emotional well-being of the child in foster care;

(e) Notify the guardian and CDDP staff of any unauthorized absence of a child in foster care within 12 hours or other mutually agreed upon time as determined by the ISP team;

(f) Sign and abide by the responsibilities described in the Child Foster Home Contract;

(g) Allow the certifying agency and child placing agency reasonable access to the child foster home and to the child placed in the care of the foster provider. Allow family members of the child reasonable access to the child foster home and the child when placement is voluntary. For the purpose of these rules, reasonable access means with advance notice unless there is cause for not giving such notice;

(h) Allow the Department or certifying agency staff access to:

(A) Investigate reports of abuse and violations of a regulation or provision of these rules;

(B) Inspect or examine the home, the records and accounts of a child, and the physical premises including the buildings, grounds, equipment, and any vehicles; and

(C) Interview the child, adult, or alternate caregivers.

(i) Participate in interviews conducted by the Department or the certifying agency; and

(j) Authorize substitute caregivers to permit entrance by the Department or the certifying agency for the purpose of inspection and investigation.

#### (3) ACCEPTING CHILDREN FOR CARE.

(a) Except as described in section (3)(c) of this rule, a certified provider may not exceed the following maximum number of children in the foster home including the biological children of the provider:

(A) A total of four children when one certified adult lives in the home; or

(B) A total of seven children when two certified adults live in the home.

(b) All homes are limited to two children under the age of three.

(c) Any providers certified prior to July 1, 2007 with a capacity greater than the numbers listed in section (3)(a) of this rule must meet the standard through attrition as children move out of the foster home.

(d) At the time of referral, the foster provider must be given available information about the child including behavior, skill level, medical status, and other relevant information. The foster provider is obligated to decline the referral of any child based on the referral information, parameters of the certification of the child foster home, or if the provider feels his or her skill level may not safely or effectively support the child.

(e) A foster provider may provide relief care in the child foster home for a child upon approval by the certifying agency or the Department.

(f) A foster provider must obtain approval from the certifying agency prior to accepting a child for placement.

(g) A child who turns 18 may continue to reside in their current certified child foster home when the ISP team determines it is in the best interest of the child to remain in their current certified child foster home. When the ISP team determines a child who is turning 18 may remain in their current certified child foster home, the foster provider must:

(A) Submit a variance request to the Department in accordance with OAR 411-346-0210; and

(B) Submit to the Department and the certifying agency, a copy of the ISP addendum signed by the ISP team noting it is in the best interest of the child to remain in the current certified child foster home.

(h) Any variance to subsections (3)(a) through (3)(h) of this section must take into consideration the maximum safe physical capacity of the home including:

(A) Sleeping arrangements;

# ADMINISTRATIVE RULES

- (B) The ratio of adults to children;
- (C) The level of supervision available;
- (D) The skill level of the foster provider;
- (E) Individual plans for egress during fire;
- (F) The needs of the other children in placement; and
- (G) The desirability of keeping siblings placed together.

(i) The foster provider may not care for unrelated adults on a commercial basis in the child foster home or accept children for day care in the child foster home while currently certified as a foster provider.

(j) The foster provider must notify the Department prior to a voluntary closure of a child foster home and give the parent or guardian of the child and the CDDP 30 days written notice, except in circumstances where undue delay might jeopardize the health, safety, or well-being of the child or foster provider.

#### (4) INVOLUNTARY REDUCTIONS, TRANSFERS, AND EXITS.

(a) A foster provider must only reduce, transfer, or exit a child involuntarily for one or more of the following reasons:

(A) The behavior of the child poses an imminent risk of danger to self or others;

(B) The child experiences a medical emergency;

(C) The service needs of the child exceed the ability of the foster provider;

(D) Failure to pay for services; or

(E) The certification for the child foster home is suspended, revoked, not renewed, or voluntarily surrendered.

(b) NOTICE OF INVOLUNTARY REDUCTION, TRANSFER, OR EXIT. A foster provider must not reduce services, transfer, or exit a child involuntarily without 30 days advance written notice to the parent or guardian of the child and the CDDP services coordinator, except in the case of a medical emergency or when a child is engaging in behavior that poses an imminent danger to self or others as described in subsection (c) of this section.

(A) The written notice must be provided on the Notice of Involuntary Reduction, Transfer, or Exit form approved by the Department and include:

(i) The reason for the reduction, transfer, or exit; and

(ii) The right to a hearing as described in subsection (e) of this section.

(B) A Notice of Involuntary Reduction, Transfer, or Exit is not required when the parent or guardian of a child requests the reduction, transfer, or exit.

(c) A foster provider may give less than 30 days advance written notice only in a medical emergency or when a child is engaging in behavior that poses an imminent danger to self or others in the home. The notice must be provided to the parent or guardian of the child and the CDDP services coordinator immediately upon determination of the need for a reduction, transfer, or exit.

(d) A foster provider is responsible for the provision of services until a child exits the home.

(e) HEARING RIGHTS. A child and the parent or guardian of a child must be given the opportunity for a hearing under ORS chapter 183 and OAR 411-318-0030 to dispute an involuntary reduction, transfer, or exit. If a child or the parent or guardian of a child requests a hearing, the child must receive the same services until the hearing is resolved. When a child has been given less than 30 days advance written notice of a reduction, transfer, or exit as described in subsection (c) of this section and the child or the parent or guardian of the child has requested a hearing, the foster provider must reserve the room of the child until receipt of the final order.

(5) RELATIONSHIP WITH THE FAMILY OF A CHILD. In accordance with the ISP for a child and the guardian of the child, the foster provider must:

(a) Support the relationship of the child with family members, including siblings;

(b) Assist the CDDP staff and the guardian in planning visits with the child and the family members of the child; and

(c) Provide the child reasonable opportunities to communicate with his or her family members.

#### (6) CONFIDENTIALITY.

(a) The foster provider and the family of the foster provider must treat personal information about a child or the family of a child in a confidential manner. Confidential information is to be disclosed on a need to know basis to law enforcement, certifying agency staff, CDDP staff, DHS-CW child protective services staff, DHS-CW case workers, and medical professionals who are treating or providing services to the child. The information shared must be limited to the health, safety, and service needs of the child.

(b) In addition to the requirements in subsection (6)(a) of this section, the foster provider and the family of the foster provider must comply with the provisions of ORS 192.553 to 192.568 and therefore may use or disclose the protected health information of a child only:

(A) To law enforcement, certifying agency staff, CDDP staff, and DHS-CW staff;

(B) As authorized by the personal representative or guardian of the child appointed under ORS 125.305, 419B.372, 419C.481, or 419C.555;

(C) For purposes of obtaining health care treatment for the child;

(D) For purposes of obtaining payment for health care treatment; or

(E) As permitted or required by state or federal law or by order of a court.

(c) The foster provider must keep all written records for each child in a manner that ensures their confidentiality.

#### (7) MANDATORY REPORTING.

(a) The foster provider and the employees and volunteers of the foster provider are mandatory reporters of suspected abuse of any child as defined by ORS 419B.005. Upon reasonable cause to believe that abuse has occurred, all adult members of the household and any foster provider, employees, independent contractors, or volunteers must report pertinent information to DHS-CW or law enforcement.

(b) When the certified child foster provider, employees of the foster provider, independent contractors, or volunteers are providing services to an individual 18 years or older and have reason to believe abuse as defined in OAR 407-045-0260 has occurred, the foster provider, employees of the foster provider, independent contractors, or volunteers must report the pertinent information to the CDDP or law enforcement in accordance with ORS 430.737.

(c) Any protective physical intervention that results in an injury to the child, as defined in ORS 419B.005, must be reported to DHS-CW and the CDDP services coordinator by the foster provider. Same day oral notification is required.

## 411-346-0190

### Standards and Practices for Care and Services

(1) The foster provider must:

(a) Provide structure and daily activities designed to promote the physical, social, intellectual, cultural, spiritual, and emotional development of the child in the child foster home;

(b) Provide playthings and activities in the foster home, including games, recreational and educational materials, and books, appropriate to the chronological age, culture, and developmental level of the child;

(c) In accordance with the ISP and as defined in the DHS-CW case plan (if applicable), encourage the child to participate in community activities with family, friends, and on his or her own when appropriate;

(d) Promote the independence and self-sufficiency of the child by encouraging and assisting the child to develop new skills and perform age-appropriate tasks;

(e) In accordance with the ISP and as defined in the DHS-CW case plan (if applicable), ask the child in foster care to participate in household chores appropriate to the age and ability of the child that are commensurate with household chores expected of the children of the foster provider;

(f) Provide the child with reasonable access to a telephone and to writing materials;

(g) In accordance with the ISP and as defined in the DHS-CW Case Plan (if applicable), permit and encourage the child to have visits with family and friends;

(h) Allow regular contacts and daily private visits or phone calls with the CDDP services coordinator and the DHS-CW case worker (if applicable); and

(i) Not allow a child in foster care to baby-sit in the child foster home or elsewhere without permission of the CDDP services coordinator and the guardian.

#### (2) RELIGIOUS, ETHNIC, AND CULTURAL HERITAGE.

(a) The foster provider must recognize, encourage, and support the religious beliefs, ethnic heritage, cultural identity, and language of a child and the family of a child.

(b) In accordance with the ISP and the preferences of the guardian of the child, the foster provider must participate with the ISP team to arrange

## ADMINISTRATIVE RULES

transportation and appropriate supervision during religious services or ethnic events for a child whose beliefs and practices are different from those of the foster provider.

(c) The foster provider may not require a child to participate in religious activities or ethnic events contrary to the beliefs of the child.

(3) PUBLIC EDUCATION. The foster provider:

(a) Must enroll each child of school age in public school within five school days of the placement and arrange for transportation;

(b) Must comply with any Alternative Educational Plan described in the IEP for the child;

(c) Must be actively involved in the school program for the child and must participate in the development of the IEP. The foster provider may apply to be the educational surrogate of the child if requested by the parent or guardian of the child;

(d) Must consult with school personnel when there are issues with the child in school and report to the guardian and CDDP services coordinator any serious situations that may require Department involvement;

(e) Must support the child in his or her school or educational placement;

(f) Must assure the child regularly attends school or educational placement and monitor the educational progress of the child; and

(g) May sign consent to the following school related activities:

(A) School field trips within the state of Oregon;

(B) Routine social events;

(C) Sporting events;

(D) Cultural events; and

(E) School pictures for personal use only unless prohibited by the court or legal guardian.

(4) ALTERNATE CAREGIVERS.

(a) The foster provider must arrange for safe and responsible alternate care.

(b) A child care plan for a child in foster care must be approved by the Department, the CDDP, or DHS-CW before it is implemented. When a child is cared for by a child care provider or child care center, the provider or center must be certified as required by the State Child Care Division (ORS 657A.280) or be a certified foster provider.

(c) The foster provider must have a Relief Care Plan approved by the certifying agency or the Department when using alternate caregivers.

(d) The foster provider must assure the alternate caregivers, consultants, and volunteers are:

(A) 18 years of age or older;

(B) Capable of assuming foster care responsibilities;

(C) Present in the home;

(D) Physically and mentally capable to perform the duties of the foster provider as described in these rules;

(E) Cleared by a background check as described in OAR 411-346-0150, including a DHS-CW background check;

(F) Able to communicate with the child, individuals, agencies providing care to the child, the CDDP services coordinator, and appropriate others;

(G) Trained on fire safety and emergency procedures;

(H) Trained on the ISP, Behavior Support Plan, and any related protocols for the child;

(I) Able to provide the care needed for the child;

(J) Trained on the required documentation for health, safety, and behavioral needs of the child;

(K) A licensed driver and vehicle insurance in compliance with the laws of the Driver and Motor Vehicle Services Division when transporting children by motorized vehicle;

(L) Not be a person who requires care in a foster care or group home; and

(M) Not be the parent or guardian of the child.

(e) When the foster provider uses an alternate caregiver and the child is staying at the home of the alternate caregiver, the foster provider must assure the home of the alternate caregiver meets the necessary health, safety, and environmental needs of the child.

(f) When the foster provider arranges for social activities of the child for less than 24 hours, including an overnight arrangement, the foster provider must assure that the person is responsible and capable of assuming child care responsibilities and is present at all times. The foster provider still maintains primary responsibility for the child.

(5) FOOD AND NUTRITION.

(a) The foster provider must offer three nutritious meals daily at times consistent with those in the community.

(A) Daily meals must include food from the four basic food groups, including fresh fruits and vegetables in season, unless otherwise specified in writing by a licensed medical professional or qualified health care provider.

(B) There must be no more than a 14-hour span between the evening meal and breakfast unless snacks and liquids are served as supplements.

(C) Consideration must be given to cultural and ethnic background in food preparation.

(b) Any home canned food used must be processed according to the guidelines of Oregon State University extension services (<http://extension.oregonstate.edu/fch/food-preservation>).

(c) All food items must be used prior to the expiration date.

(d) The foster provider must implement special diets only as prescribed in writing by a licensed medical professional or qualified health care provider.

(e) The foster provider must prepare and serve meals in the foster home where the child lives. Payment for meals eaten away from the foster home (e.g. restaurants) for the convenience of the foster provider is the responsibility of the foster provider.

(f) When serving milk, the foster provider must only use pasteurized liquid or powdered milk for consumption by a child in foster care.

(g) A child who must be bottle-fed and cannot hold the bottle, or is 11 months or younger, must be held during bottle-feeding.

(6) CLOTHING AND PERSONAL BELONGINGS.

(a) The foster provider must assure that each child has his or her own clean, well-fitting, seasonal clothing appropriate to age, gender, culture, individual needs, and comparable to the community standards.

(b) A school-age child must participate in choosing his or her own clothing whenever possible.

(c) The foster provider must allow a child to bring and acquire appropriate personal belongings.

(d) The foster provider must assure that when a child leaves the child foster home the belongings of the child, including all personal funds, medications, and personal items, remain with the child. This includes all items brought with the child and obtained while living in the child foster home.

(7) BEHAVIOR SUPPORT AND DISCIPLINE PRACTICES.

(a) The foster provider must teach and discipline a child with respect, kindness, and understanding, using positive behavioral theory and practice. Unacceptable practices include, but are not limited to:

(A) Physical force, spanking, or threat of physical force inflicted in any manner upon the child;

(B) Verbal abuse, including derogatory remarks about the child or the family of the child that undermine the self-respect of the child;

(C) Denial of food, clothing, or shelter;

(D) Denial of visits or contacts with family members, except when otherwise indicated in the ISP or the DHS-CW case plan (if applicable);

(E) Assignment of extremely strenuous exercise or work;

(F) Threatened or unauthorized use of protective physical intervention;

(G) Threatened or unauthorized use of mechanical restraints;

(H) Punishment for bed-wetting or punishment related to toilet training;

(I) Delegating or permitting punishment of a child by another child;

(J) Threat of removal from the child foster home as a punishment;

(K) Use of shower or aversive stimuli as punishment; and

(L) Group discipline for misbehavior of one child.

(b) The foster provider must set clear expectations, limits, and consequences of behavior in a non-punitive manner.

(c) If time-out separation from others is used to manage behavior, time-out must be included on the ISP for the child and the foster provider must provide time-out in an unlocked, lighted, well-ventilated room of at least 50 square feet.

(A) The ISP must include whether the child needs to be within hearing distance or within sight of an adult during the time-out.

(B) The time limit must take into consideration the chronological age, emotional condition, and developmental level of the child.

(C) Time-out is to be used for short duration and frequency as approved by the ISP team.

(d) No child in foster care or other child in a child foster home is to be subjected to physical abuse, sexual abuse, sexual exploitation, neglect, emotional abuse, mental injury, or threats of harm as defined in ORS 419B.005 and OAR 407-045-0260.

(e) BEHAVIOR SUPPORT PLAN. For a child who has demonstrated a serious threat to self, others, or property and for whom it has been decid-

## ADMINISTRATIVE RULES

ed a Behavior Support Plan is needed, the Behavior Support Plan must be developed with the approval of the ISP team.

(f) **PROTECTIVE PHYSICAL INTERVENTION.** A protective physical intervention must be used only for health and safety reasons and under the following conditions:

(A) As part of the ISP team approved Behavior Support Plan.

(i) When protective physical intervention is employed as part of the Behavior Support Plan, the foster provider and alternate caregivers must complete OIS training prior to the implementation of the Behavior Support Plan.

(ii) The use of any modified OIS protective physical intervention must have written approval from the OIS Steering Committee prior to implementation. Documentation of the approval of the OIS Steering Committee must be maintained in the records for the child.

(B) As in a health-related protection prescribed by a physician or qualified health care provider, but only if absolutely necessary during the conduct of a specific medical or surgical procedure, or only if absolutely necessary for protection during the time that a medical condition exists.

(C) As an emergency measure if absolutely necessary to protect the child or others from immediate injury and only until the child is no longer an immediate threat to self or others.

(g) **MECHANICAL RESTRAINT.**

(A) The foster provider may not use mechanical restraints on a child in foster care other than car seat belts or normally acceptable infant safety products unless ordered by a physician or health care provider and with the agreement of the ISP team.

(B) The foster provider must maintain the original order of the physician or health care provider in the records for the child and forward a copy to the CDDP services coordinator and guardian.

(h) **DOCUMENTATION AND NOTIFICATION OF USE OF PROTECTIVE PHYSICAL INTERVENTION.**

(A) The foster provider must document the use of all protective physical interventions or mechanical restraints in an incident report. A copy of the incident report must be provided to the CDDP services coordinator and guardian.

(B) If an approved protective physical intervention is used, the foster provider must send a copy of the incident report within five business days to the CDDP services coordinator and guardian.

(C) If an emergency or non ISP team approved protective physical intervention is used, the foster provider must send a copy of the incident report within 24 hours to the CDDP services coordinator and guardian. The foster provider must make oral notification to the CDDP services coordinator and guardian no later than the next business day.

(D) The original incident report must be on file with the foster provider in the records for the child.

(E) The incident report must include:

(i) The name of the child to whom the protective physical intervention was applied;

(ii) The date, location, type, and duration of entire incident and protective physical intervention;

(iii) The name of the provider and witnesses or people involved in applying the protective physical intervention;

(iv) The name and position of the person notified regarding the use of the protective physical intervention; and

(v) A description of the incident, including precipitating factors, preventive techniques applied, description of the environment, description of any physical injury resulting from the incident, and follow-up recommendations.

(8) **MEDICAL AND DENTAL CARE.** The foster provider must:

(a) Provide care and services as appropriate to the chronological age, developmental level, and condition of the child, and as identified in the ISP;

(b) Assure that the orders of a physician, qualified health care provider, or other licensed medical professional are implemented as written;

(c) Inform the physicians or qualified health care providers of current medications and changes in health status and if the child refuses care, treatments, or medications;

(d) Inform the guardian and CDDP services coordinator of any changes in the health status of the child except as otherwise indicated in the DHS-CW Permanent Foster Care contract agreement and as agreed upon in the ISP;

(e) Obtain the necessary medical, dental, therapies, and other treatments of care including, but not limited to:

(A) Making appointments;

(B) Arranging for or providing transportation to appointments; and

(C) Obtaining emergency medical care.

(f) Have prior consent from the guardian of the child for medical treatment that is not routine, including surgery and anesthesia, except in cases where a DHS-CW Permanent Foster Care contract agreement exists;

(g) Keep current medical records. The records must include when applicable:

(A) Any history of physical, emotional, and medical problems, illnesses, and mental health status;

(B) Current orders for all medications, treatments, therapies, use of protective physical intervention, special diets, adaptive equipment, and any known food or medication allergies;

(C) Completed medication administration record (MAR) from previous months;

(D) Pertinent medical and behavioral information, such as hospitalizations, accidents, immunization records, including Hepatitis B status and previous TB tests, and incidents or injuries affecting the health, safety, or emotional well-being of the child;

(E) Documentation or other notations of guardian consent for medical treatment that is not routine including surgery and anesthesia;

(F) Record of medical appointments;

(G) Medical appointment follow-up reports provided to the foster provider; and

(H) Copies of previous mental health assessments, assessment updates including multi-axial DSM diagnosis and treatment recommendations, and progress records from mental health treatment services.

(h) Provide, when requested, copies of medical records and medication administration records to the legal guardian of the child, CDDP services coordinator, and DHS-CW caseworker; and

(i) Provide copies, as applicable, of the medical records described in subsection (8)(g)(H) of this section to a licensed medical professional prior to a medical appointment or no later than the time of the appointment with the licensed medical professional.

(9) **MEDICATIONS AND PHYSICIAN OR QUALIFIED HEALTH CARE PROVIDER ORDERS.**

(a) There must be authorization by a physician or qualified health care provider in the file for the child prior to the usage of, or implementation of, any of the following:

(A) All prescription medications;

(B) Nonprescription medications except over the counter topicals;

(C) Treatments other than basic first aid;

(D) Therapies and use of mechanical restraint as a health and safety related protection;

(E) Modified or special diets;

(F) Prescribed adaptive equipment; and

(G) Aids to physical functioning.

(b) The foster provider must have:

(A) A copy of the authorization in the format of a written order signed by a physician or a qualified health care provider; or

(B) Documentation of a telephone order by a physician or qualified health care provider with changes clearly documented on the MAR, including the name of the person giving the order, the date and time, and the name of the person receiving the telephone order; or

(C) A current prescription or label from the manufacturer as specified by the order of a physician on file with the pharmacy.

(c) A provider or alternate caregiver must carry out orders as prescribed by a physician or a qualified health care provider. Changes may not be made without the authorization of a physician or a qualified health care provider.

(d) Each medication for a child, including refrigerated medication, must be clearly labeled with the label of the pharmacist or in the originally labeled container from the manufacturer and kept in a locked location or stored in a manner that prevents access by children.

(e) Unused, outdated, or recalled medications may not be kept in the child foster home and must be disposed of in a manner that prevents illegal diversion into the possession of people other than for which the medication was prescribed.

(f) The foster provider must keep a MAR for each child. The MAR must be kept for all medications administered by the foster provider or alternate caregiver to that child, including over the counter medications and medications ordered by physicians or qualified health care providers and administered as needed (PRN) for the child.

(g) The MAR must include:

(A) The name of the child in foster care;

## ADMINISTRATIVE RULES

(B) A transcription of the written order of the physician or licensed health care provider, including the brand or generic name of the medication, prescribed dosage, frequency, and method of administration;

(C) A transcription of the printed instructions from the package for topical medications and treatments without an order from a physician or licensed health care provider;

(D) Times and dates of administration or self-administration of the medication;

(E) Signature of the person administering the medication or the person monitoring the self-administration of the medication;

(F) Method of administration;

(G) An explanation of why a PRN medication was administered;

(H) Documented effectiveness of any PRN medication administration;

(I) An explanation of all medication administration or documentation irregularities; and

(J) Any known allergy or adverse drug reactions and procedures that maintain and protect the physical health of the child placed in the foster home.

(h) Any errors in the MAR must be corrected by circling the error and then writing on the back of the MAR what the error was and why.

(i) Treatments, medication, therapies, and special diets must be documented on the MAR when not used or applied according to the order of a physician or licensed health care provider.

(j) SELF-ADMINISTRATION OF MEDICATION. For any child who is self-administering medication, the foster provider must:

(A) Have documentation that a training program was initiated with approval of the ISP team or that training for the child was unnecessary;

(B) Have a training program that provides for retraining when there is a change in dosage, medication, and time of delivery;

(C) Provide for an annual review, at a minimum as part of the ISP process, upon completion of the training program;

(D) Assure that the child is able to handle his or her own medication regime;

(E) Keep medications stored in a locked area inaccessible to others; and

(F) Maintain written documentation of all training in the medical record for the child.

(k) The foster provider may not use alternative medications intended to alter or affect mood or behavior, such as herbals or homeopathic remedies, without direction and supervision of a licensed health care provider.

(l) Any medication that is used with the intent to alter the behavior of a child must be documented in the ISP for the child.

(m) BALANCING TEST. When a psychotropic medication is first prescribed and annually thereafter, the foster provider must obtain a signed balancing test from the prescribing health care provider using the Balancing Test Form (form SDS 4110). Foster providers must present the physician or health care provider with a full and clear description of the behavior and symptoms to be addressed as well as any side effects observed.

(n) PRN prescribed psychotropic medication is prohibited.

(o) A mental health assessment by a qualified mental health professional or licensed medical professional must be completed, except as noted in subparagraph (A) of this subsection, prior to the administration of a new medication for more than one psychotropic or any antipsychotic medication to a child in foster care.

(A) A mental health assessment is not required in the following situations:

(i) In a case of urgent medical need;

(ii) For a substitution of a current medication within the same class;

or

(iii) A medication order given prior to a medical procedure.

(B) When a mental health assessment is required, the foster provider:

(i) Must notify the DHS-CW caseworker when the child is in legal custody of DHS-CW; or

(ii) Must arrange for a mental health assessment when the child is a voluntary care placement.

(C) The mental health assessment:

(i) Must have been completed within three months prior to the prescription; or

(ii) May be an update of a prior mental health assessment that focuses on a new or acute problem.

(D) Whenever possible, information from the mental health assessment must be communicated to the licensed medical professional prior to the issuance of a prescription for psychotropic medication.

(p) Within one business day after receiving a new prescription or knowledge of a new prescription for psychotropic medication for the child in foster care, the foster provider must notify:

(A) The CDDP services coordinator; and

(B) The parent of the child when the parent retains legal guardianship or the person who has legal guardianship; or

(C) DHS-CW when DHS-CW is the legal guardian of the child.

(q) The notification from the foster provider to the parent or guardian and the CDDP services coordinator must contain:

(A) The name of the prescribing physician or qualified health care provider;

(B) The name of the medication;

(C) The dosage, any change of dosage, suspension, or discontinuation of the current psychotropic medication;

(D) The dosage administration schedule prescribed; and

(E) The reason the medication was prescribed.

(r) The foster provider must get a written informed consent prior to filling a prescription for any new psychotropic medication except in a case of urgent medical need from DHS-CW when DHS-CW is the legal guardian.

(s) The foster provider must cooperate as requested, when a review of psychotropic medications is indicated.

(10) DIRECT NURSING SERVICES. When direct nursing services are provided to a child, the foster provider must:

(a) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the child; and

(b) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and the registered nurse.

(11) COMMUNITY NURSING SERVICES.

(a) Community nursing services include:

(A) Nursing assessments, including medication reviews;

(B) Care coordination;

(C) Monitoring;

(D) Development of a Nursing Service Plan;

(E) Delegation and training of nursing tasks to a foster provider or alternate caregiver;

(F) Teaching and education of the foster provider and identifying supports that minimize health risks while promoting the autonomy of a child and self-management of healthcare; and

(G) Collateral contact with a services coordinator regarding the community health status of a child to assist in monitoring safety and well-being and to address needed changes to the ISP for the child.

(b) Community nursing services exclude direct nursing services.

(c) A Nursing Service Plan must be present when Department funds are used for community nursing services. A services coordinator must authorize the provision of community nursing services as identified in an ISP.

(d) After an initial nursing assessment, a nursing reassessment must be completed every six months or sooner if a change in medical condition requires an update to the Nursing Service Plan.

(e) When community nursing services are provided to a child, the foster provider must:

(A) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the child; and

(B) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

(f) A registered nurse providing community nursing services must comply with:

(A) Provider record and documentation requirements referenced in OAR 407-120-0100 -1505 for financial, clinical, and other records including the Provider Enrollment Agreement and electronic billing procedures;

(B) Department direct contracts (if applicable); and

(C) Service record requirements outlined in this rule.

(12) DELEGATION AND SUPERVISION OF NURSING TASKS. Nursing tasks must be delegated by a registered nurse to a foster provider or alternate caregiver in accordance with the rules of the Oregon State Board of Nursing in OAR chapter 851, division 047.

(13) CHILD RECORDS.

(a) GENERAL INFORMATION OR SUMMARY RECORD. The provider must maintain a record for each child in the home. The record must include:

(A) The name, date of entry into the foster home, date of birth, gender, religious preference, and guardianship status of the child;

## ADMINISTRATIVE RULES

(B) The names, addresses, and telephone numbers of the guardian, family, or other significant person of the child;

(C) The name, address, and telephone number of the preferred primary health care provider, designated back up health care provider and clinic, dentist, preferred hospital, medical card number and any private insurance information, and Oregon Health Plan choice of the child;

(D) The name, address, and telephone number of the school program for the child; and

(E) The name, address, and telephone number of the CDDP services coordinator and representatives of other agencies providing services to the child.

(b) EMERGENCY INFORMATION. The foster provider must maintain emergency information for each child receiving foster care services in the child foster home. The emergency information must be kept current and must include:

(A) The name of the child;

(B) The address and telephone number of the child;

(C) The physical description of the child, which may include a picture and the date it was taken, and identification of:

(i) The race, gender, height, weight range, hair, and eye color of the child; and

(ii) Any other identifying characteristics that may assist in identifying the child if the need arises, such as marks or scars, tattoos, or body piercing.

(D) Information on the abilities and characteristics of the child including:

(i) How the child communicates;

(ii) The language the child uses or understands;

(iii) The ability of the child to know how to take care of bodily functions; and

(iv) Any additional information that may assist a person not familiar with the child to understand what the child may do for him or herself.

(E) The health support needs of the child including:

(i) Diagnosis;

(ii) Allergies or adverse drug reactions;

(iii) Health issues that a person needs to know when taking care of the child;

(iv) Special dietary or nutritional needs such as requirements around textures or consistency of foods and fluids;

(v) Food or fluid limitations due to allergies, diagnosis, or medications the child is taking that may be an aspiration risk or other risk for the child;

(vi) Additional special requirements the child has related to eating or drinking such as special positional needs or a specific way foods or fluids are given to the child;

(vii) Physical limitations that may affect the ability of the child to communicate, respond to instructions, or follow directions;

(viii) Specialized equipment needed for mobility, positioning, or other health related needs;

(ix) The emotional and behavioral support needs of the child including:

(I) Mental health or behavioral diagnosis and the behaviors displayed by the child; and

(II) Approaches to use when supporting the child to minimize emotional and physical outbursts.

(x) Any court ordered or guardian authorized contacts or limitations;

(xi) The supervision requirements of the child and why; and

(xii) Any additional pertinent information the provider has that may assist in the care and support of the child if a natural or man-made disaster occurs.

(c) EMERGENCY PLANNING. The foster provider must post emergency telephone numbers in close proximity to all phones utilized by the foster provider or alternate caregivers. The posted emergency telephone numbers must include:

(A) Telephone numbers of the local fire, police department, and ambulance service if not served by a 911 emergency services; and

(B) The telephone number of any emergency physician and additional people to be contacted in the case of an emergency.

(d) WRITTEN EMERGENCY PLAN.

(A) Foster providers must develop, maintain, update, and implement a written Emergency Plan for the protection of all children in foster care in the event of an emergency or disaster. The Emergency Plan must:

(i) Be practiced at least annually. The Emergency Plan practice may consist of a walk-through of the responsibilities of the foster provider and alternative caregiver.

(ii) Consider the needs of the child and address all natural and human-caused events identified as a significant risk for the child foster home such as a pandemic or an earthquake.

(iii) Include provisions and sufficient supplies, such as sanitation and food supplies, to shelter in place when unable to relocate for a minimum of three days under the following conditions:

(I) Extended utility outage;

(II) No running water;

(III) Inability to replace food supplies; and

(IV) An alternate caregiver is unable to provide relief care or additional support and care.

(iv) Include provisions for evacuation and relocation that identifies:

(I) The duties of the alternate caregivers during evacuation, transporting, and housing of the child, including instructions to notify the parent or legal guardian of the child, the Department or the designee of the Department, the CDDP services coordinator, and DHS-CW as applicable, of the plan to evacuate or the evacuation of the child foster home as soon as the emergency or disaster reasonably allows;

(II) The method and source of transportation;

(III) Planned relocation sites that are reasonably anticipated to meet the needs of the child;

(IV) A method that provides people unknown to the child the ability to identify each child by the name of the child and to identify the name of the supporting provider for the child; and

(V) A method for tracking and reporting to the Department or the designee of the Department and the local CDDP, the physical location of each child in foster care until a different entity resumes responsibility for the child.

(v) Address the needs of the child including provisions to provide:

(I) Immediate and continued access to medical treatment, information necessary to obtain care, treatment, food, and fluids for the child during and after an evacuation and relocation;

(II) Continued access to life sustaining pharmaceuticals, medical supplies, and equipment during and after an evacuation and relocation;

(III) Behavior support needs anticipated during an emergency; and

(IV) The supports needed to meet the life-sustaining and safety needs of the child.

(B) The foster provider must provide and document all training to alternate caregivers regarding the responsibilities of the alternate caregiver for implementing the Emergency Plan.

(C) The foster provider must re-evaluate and revise the Emergency Plan at least annually or when there is a significant change in the child foster home.

(D) The foster provider must complete the Emergency Plan Summary, on the form supplied by the Department, and must send the Emergency Plan Summary to the Department annually and upon change of foster provider or location of the child foster home.

(e) INDIVIDUAL SUPPORT PLAN (ISP). Within 60 days of placement, the ISP for a child must be prepared and updated at least annually.

(A) If requested by the child or guardian, the foster provider must participate with the ISP team in the development and implementation of the ISP to address the behavior, medical, social, financial, safety, and other support needs of the child.

(B) Prior to, or upon entry to, or exit from the child foster home, the foster provider must participate in the development and implementation of a Transition Plan for the child.

(i) The Transition Plan must include a summary of the services necessary to facilitate the adjustment of the child to the child foster home or after care plan; and

(ii) Identify the supports necessary to ensure the health, safety, and any assessments and consultations needed for ISP development.

(f) FINANCIAL RECORDS.

(A) The foster provider must maintain a separate financial record for each child. Errors must be corrected with a single strike through and initialed by the person making the correction. The financial record must include:

(i) The date, amount, and source of all income received on behalf of the child;

(ii) The room and board fee that is paid to the foster provider at the beginning of each month;

(iii) The date, amount, and purpose of funds disbursed on behalf of the child; and

(iv) The signature of the person making the entry.

# ADMINISTRATIVE RULES

(B) Any single transaction over \$25 purchased with the personal funds of the child, unless otherwise indicated in the ISP for the child, must be documented in the financial record for the child and include the receipt.

(C) The ISP team may address how the personal spending money of a child is managed.

(D) If the child has a separate commercial bank account, records from the account must be maintained with the financial record for the child.

(E) The personal funds of a child must be maintained in a safe manner and separate from the funds of other members of the household.

(F) Misuse of funds may be cause for suspension, revocation, or denial of renewal of the child foster home certificate.

## (g) PERSONAL PROPERTY RECORD.

(A) The foster provider must maintain a written record of the property of a child of monetary value of more than \$25 or that has significant personal value to the child, parent, or guardian, or as determined by the ISP team. Errors must be corrected with a single strike through and initialed by the person making the correction.

(B) Personal property records are not required for children who have a court approved Permanent Foster Care contract agreement unless requested by the guardian of the child.

(C) The personal property record must include:

(i) The description and identifying number, if any;

(ii) The date when the child brought in the personal property or made a new purchase;

(iii) The date and reason for the removal from the record; and

(iv) The signature of the person making the entry.

(h) EDUCATIONAL RECORDS. The foster provider must maintain the following educational records when available:

(A) The report cards for the child;

(B) Any reports received from the teacher or the school;

(C) Any evaluations received as a result of educational testing or assessment; and

(D) Disciplinary reports regarding the child.

(i) Child records must be available to representatives of the Department, the certifying agency, and DHS-CW conducting inspections or investigations, as well as to the child, if appropriate, and the guardian or other legally authorized people.

(j) Child records must be kept for a period of three years. If a child moves or the foster home closes, copies of pertinent information must be transferred to the new home of the child.

### Variance

(1) The Department may grant a variance to these rules based upon a demonstration by the foster provider that an alternative method or different approach provides equal or greater program effectiveness and does not adversely impact the welfare, health, safety, or rights of a child or violate state or federal laws.

(2) The foster provider requesting a variance must submit to the certifying agency, a Department variance request form that contains the following:

(a) The section of the rule from which the variance is sought;

(b) The reason for the proposed variance;

(c) The alternative practice, service, method, concept, or procedure proposed; and

(d) If the variance applies to the services of a child, evidence that the variance is consistent with the currently approved ISP for the child.

(3) The certifying agency must forward the signed variance request form to the Department within 30 days from the receipt of the request indicating the position of the certifying agency on the proposed variance.

(4) The request for a variance is approved or denied by the Department. The decision of the Department is sent to the foster provider, the certifying agency, and to all relevant Department programs or offices within 30 days from the receipt of the variance request.

(5) The foster provider may request an administrative review of the denial of a variance request within 30 days from the receipt of the denial by sending a written request for review to the Director and a copy of the request to the certifying agency. The decision of the Director is the final response from the Department.

(6) The Department determines the duration of the variance.

(7) Granting a variance does not set a precedent that must be followed by the child placing agency when evaluating subsequent requests for variances.

(8) The foster provider may implement a variance only after written approval from the Department.

**Subject:** The Department of Human Services (Department), Office of Developmental Disability Services is permanently updating the rules in OAR chapter 411, division 360 for adult foster homes for individuals with intellectual or developmental disabilities (AFH-DD).

The updated rules:

Make permanent temporary rule language that became effective on July 1, 2014;

Incorporate the general definitions in OAR 411-317-0000, update existing definitions to reflect correct terminology, and include definitions for terms created by the proposed rulemaking;

Clarify nursing services to provide consistency with the rules for community nursing services in OAR chapter 411, division 048;

Incorporate the requirement for individuals of working age to have a Career Development Plan attached to their Individual Support Plan;

Incorporate the rights of individuals adopted in OAR 411-318-0010;

Update the Medicaid eligibility criteria, remove crisis eligibility requirements, and incorporate service eligibility requirements related to the transfer of assets in accordance with OAR 461-140-0210 to 461-140-0300

Implement House Bill 4151 which provides the ability for an AFH-DD provider to immediately exit an individual on parole, probation, or post-release supervision after being convicted of a sex crime;

Reflect new Department terminology and current practice; and

Correct formatting and punctuation.

**Rules Coordinator:** Kimberly Colkitt-Hallman—(503) 945-6398

## 411-360-0020

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 360:

(1) "Abuse" means:

(a) Abuse of a child as defined in ORS 419B.005; and

(b) Abuse of an adult as defined in OAR 407-045-0260.

(2) "Abuse Investigation" means the reporting and investigation activities as required by OAR 407-045-0300 and any subsequent services or supports necessary to prevent further abuse as required by 407-045-0310.

(3) "Adult" means an individual who is 18 years or older with an intellectual or developmental disability.

(4) "Adult Foster Home (AFH)" means any family home or facility licensed by the Department in which residential care and services are provided in a home-like environment for compensation to five or fewer adults who are not related to the provider by blood, marriage, or adoption. An adult foster home does not include any house, institution, hotel, or other

## ADMINISTRATIVE RULES

similar living situation that supplies room or board only, if no individual thereof requires any element of care.

(5) "Adult Foster Home for Individuals with Intellectual or Developmental Disabilities (AFH-DD)" means an adult foster home licensed by the Department to provide residential care and services to support individuals with intellectual or developmental disabilities.

(6) "Advance Directive" or "Advance Directive for Health Care" means the legal document signed by an individual or the legal representative of the individual that provides health care instructions in the event the individual is no longer able to give directions regarding his or her wishes. The Advance Directive gives the individual the means to control his or her own health care in any circumstance. An Advance Directive for Health Care does not include Physician Orders for Life-Sustaining Treatment (POLST).

(7) "Advocate" means a person other than a paid caregiver who has been selected by an individual or the legal representative of the individual to help the individual understand and make choices in matters relating to identification of needs and choices of services, especially when rights are at risk or have been violated.

(8) "AFH" means "adult foster home" as defined in this rule.

(9) "AFH-DD" means an "adult foster home for individuals with intellectual or developmental disabilities" as defined in this rule.

(10) "Aids to Physical Functioning" means any special equipment prescribed for an individual by a physician, therapist, or dietician that maintains or enhances the physical functioning of the individual.

(11) "Applicant" means a person who completes an application for an adult foster home license who is also the owner of the business or a person who completes an application to become a resident manager. The term applicant includes a co-applicant (if applicable).

(12) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210 (Criminal Records and Abuse Check for Providers).

(13) "Bill of Rights" means civil, legal, or human rights afforded to individuals in an adult foster home that are in accordance with those rights afforded to all other U.S. citizens including, but not limited to, those rights delineated in the Adult Foster Home Bill of Rights for individuals with intellectual or developmental disabilities described in OAR 411-360-0170.

(14) "Brokerage" means "Brokerage" as defined in OAR 411-340-0020.

(15) "Care" means supportive services that encourage maximum individual independence and enhance the quality of life for an individual including, but not limited to:

(a) Provision of 24-hour supervision, being aware of the whereabouts of the individual, and ensuring the health, safety, and welfare of the individual;

(b) Assistance with activities of daily living as defined in OAR 411-317-0000;

(c) Assistance with instrumental activities of daily living as defined in OAR 411-317-0000;

(d) Assistance with quality of life activities, such as socialization and recreation; and

(e) Monitoring the activities of the individual to ensure the health, safety, and welfare of the individual.

(16) "Career Development Plan" means the part of an ISP that identifies:

(a) The employment goals and objectives for an individual;

(b) The services and supports needed to achieve those goals;

(c) The people, agencies, and providers assigned to assist the individual to attain those goals;

(d) The obstacles to the individual working in an individualized job in an integrated employment setting; and

(e) The services and supports necessary to overcome those obstacles.

(17) "Caregiver" means any person responsible for providing care and services to support individuals. A caregiver includes a provider, resident manager, and any temporary, substitute, or supplemental caregiver or other person designated to provide care and service to support individuals in an adult foster home for individuals with intellectual or developmental disabilities.

(18) "Centers for Medicare and Medicaid Services (CMS)" means the federal agency within the United States Department of Health and Human Services responsible for the administration of Medicaid and the Health Insurance Portability and Accountability Act (HIPAA) and overseeing Medicaid programs administered by the states through survey and certification.

(19) "CDDP" means "Community Developmental Disability Program" as defined in OAR 411-320-0020.

(20) "Chemical Restraint" means the use of a psychotropic drug or other drugs for punishment or to modify behavior in place of a meaningful behavior or treatment plan.

(21) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, providers, services, and service settings. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated through a variety of methods, including orally, through sign language, or by other communication methods.

(22) "CMS" means "Centers for Medicare and Medicaid Services".

(23) "Community Nursing Services" mean the nursing services that focus on the chronic and ongoing health and safety needs of an individual. Community nursing services include an assessment, monitoring, delegation, training, and coordination of services. Community nursing services are provided according to the rules in OAR chapter 411, division 048 and the Oregon State Board of Nursing rules in OAR chapter 851.

(24) "Compensation" means monetary or in-kind payments by or on behalf of an individual to a provider in exchange for room and board, care, and services as indicated in the ISP. Compensation does not include the voluntary sharing of expenses between or among roommates.

(25) "Complaint" means an allegation that a licensee or caregiver has violated these rules or an expression of dissatisfaction with a provider, the services provided, or the condition of an adult foster home.

(26) "Complaint Investigation" means the investigation of any complaint that has been made to a proper authority that is not covered by an abuse investigation.

(27) "Condition" means a provision attached to a new or existing license that limits or restricts the scope of the license or imposes additional requirements on the licensee.

(28) "Controlled Substance" means any drug classified as schedules one through five under the Federal Controlled Substance Act.

(29) "Crisis" means "crisis" as defined in OAR 411-320-0020.

(30) "Day Care" means care, assistance, and supervision of an individual who does not stay overnight. Individuals receiving day care services are included in the licensed capacity of a home as described in OAR 411-360-0060.

(31) "Delegation" is the process by which a registered nurse authorizes a provider, resident manager, or substitute caregiver to perform nursing tasks in selected situations and confirms that authorization in writing. Delegation may only occur after a registered nurse follows all steps of the delegation process as outlined in OAR chapter 851, division 047.

(32) "Denial" means the refusal of the Department to issue a license to operate an adult foster home for individuals with intellectual or developmental disabilities because the Department has determined that an applicant or the home is not in compliance with one or more of these rules.

(33) "Department" means the Department of Human Services or the designee of the Department.

(34) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in OAR 411-320-0080.

(35) "Direct Nursing Services" means the provision of individual-specific advice, plans, or interventions by a nurse at a home based on the nursing process as outlined by the Oregon State Board of Nursing. Direct nursing service differs from administrative nursing services. Administrative nursing services include non-individual-specific services, such as quality assurance reviews, authoring health-related agency policies and procedures, or providing general training for caregivers.

(36) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services or Office of Licensing and Regulatory Oversight, or the designee of the Director.

(37) "Disaster" means an occurrence beyond the control of a licensee, whether natural, technological, or man-made that renders a home uninhabitable on a temporary, extended, or permanent basis.

(38) "Domestic Animals" mean the animals domesticated so as to live and breed in a tame condition, such as dogs, cats, and domesticated farm stock.

(39) "Enjoin" means to prohibit by judicial order.

(40) "Entity" means a person, a trust or estate, a partnership, a corporation (including associations, joint stock companies, and insurance companies), a state, or a political subdivision or instrumentality, including a municipal corporation.

(41) "Entry" means admission to a licensed adult foster home for individuals with intellectual or developmental disabilities.

(42) "Exempt Area" means a county where there is a county agency that provides similar programs for licensing and inspection of adult foster

## ADMINISTRATIVE RULES

homes that the Director finds are equal to or superior to the requirements of ORS 443.705 to 443.825 and that the Director has exempted from the license, inspection, and fee provisions described in ORS 443.705 to 443.825. Exempt area county licensing rules require review and approval by the Director prior to implementation.

(43) "Exit" means termination or discontinuance of a Department-funded developmental disability service by a Department licensed or certified provider.

(44) "Facility" means the physical structure of an adult foster home for individuals with intellectual or developmental disabilities.

(45) "Founded Report" means the determination by the Department or Law Enforcement Authority (LEA), based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to a person alleged to have engaged in the conduct.

(46) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors and support needs; and

(C) Determines the service level.

(b) The functional needs assessment for an individual residing in an adult foster home for individuals with intellectual or developmental disabilities is known as the Support Needs Assessment Profile (SNAP). The Department incorporates the SNAP into these rules by this reference. The SNAP is maintained by the Department at <http://www.oregon.gov/dhs/dd/rebar/pages/assess-afc.aspx>. A printed copy may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, OR 97301.

(47) "Guardian" means the parent for an individual less than 18 years of age or the person or agency appointed and authorized by a court to make decisions about services for an individual. A paid provider for an individual may not be the guardian of the individual.

(48) "Hearing" means a contested case hearing subject to OAR 137-003-0501 to 137-003-0070, which results in a Final Order.

(49) "Home" means the physical structure of an adult foster home for individuals with intellectual or developmental disabilities.

(50) "Homelike" means an environment that promotes the dignity, security, and comfort of individuals through the provision of personalized care and services to support and encourage independence, choice, and decision making by the individuals.

(51) "House Rules" means the written and posted statements governing house activities in an adult foster home that do not conflict with the Adult Foster Home Bill of Rights.

(52) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving an individual.

(53) "Independence" means the extent to which an individual exerts control and choice over his or her own life.

(54) "Indirect Ownership Interest" means an ownership interest in an entity that has an ownership interest in the disclosing entity.

(55) "Individual" means an adult residing in an adult foster home for individuals with intellectual or developmental disabilities, regardless of source of compensation.

(56) "Individualized Education Program" means the written plan of instructional goals and objectives developed in conference with an individual less than 21 years of age, the parent or legal representative of the individual (as applicable), teacher, and a representative of the public school district.

(57) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(58) "Involuntary Transfer" means a provider has made the decision to transfer an individual without prior approval from the individual.

(59) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering that is driven by the individual. The ISP reflects services and supports that are important for the individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, the Community First Choice state plan,

natural supports, or alternative resources. The ISP includes the Career Development Plan.

(60) "ISP Team" means a team composed of an individual receiving services and the legal representative of the individual, services coordinator or personal agent, and others chosen by the individual, or as applicable the legal representative of the individual, such as providers or family members.

(61) "Legal Representative" means a person who has the legal authority to act for an individual. The term "legal representative" includes the guardian of an individual, as well as:

(a) For health care decisions, a court-appointed guardian, a health care representative under an Advance Directive for Health Care, or a power of attorney for health care.

(b) For financial decisions, a court-appointed conservator, an agent under a power of attorney, or a representative payee.

(62) "License" means a document granted by the Department to an applicant who is in compliance with the requirements of these rules.

(63) "Licensee" means the person who is issued a license, whose name is on the license, and who is responsible for the operation of an adult foster home. The licensee of an adult foster home does not include the owner or lessor of the building in which the adult foster home is situated unless the owner or lessor of the building is the provider.

(64) "Limited License" means a license is issued to a licensee who intends to provide care and services for compensation to a specific individual who is unrelated to the licensee but with whom the licensee has an established relationship of no less than one year.

(65) "Liquid Resource" means cash or those assets that may readily be converted to cash, such as a life insurance policy that has a cash value, stock certificates, or a guaranteed line of credit from a financial institution.

(66) "Mandatory Reporter":

(a) Means any public or private official as defined in OAR 407-045-0260 who:

(A) Is a provider, resident manager, caregiver, or volunteer who, while acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult.

(B) Is a provider, resident manager, caregiver, or volunteer who comes in contact with a child with or without an intellectual or developmental disability and has reasonable cause to believe the child has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the child, regardless of whether or not the knowledge of the abuse was gained in the official capacity of the public or private official.

(b) Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, attorney, or guardian ad litem appointed under 419B.231 is not required to report if the communication is privileged under ORS 40.225 to 40.295.

(67) "Marijuana" means all parts of the plant Cannabis family Moraceae, whether growing or not, the resin extracted from any part of the plant, and every compound, manufacture, salt derivative, mixture, or preparation of the plant or its resin. Marijuana does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted there from), fiber, oil, or cake, or the sterilized seed of the plant which is incapable of germination. "Legal medical marijuana" refers to the use of marijuana authorized under the Oregon Medical Marijuana Act (OMMA), ORS 475.300 to 475.346.

(68) "Mechanical Restraint" means any mechanical device, material, object, or equipment attached or adjacent to the body that cannot be easily removed or easily negotiated around that restricts freedom of movement or access to the body.

(69) "Mental Health Assessment" means the assessment used to determine the need for mental health services by interviewing an individual and obtaining all pertinent biopsychosocial information as identified by the individual, the family of the individual, and collateral sources. A mental health assessment:

(a) Addresses the condition presented by the individual;

(b) Determines a diagnosis; and

(c) Provides treatment direction and individualized services and supports.

(70) "Modified Diet" means the texture or consistency of food or drink is altered or limited, such as no nuts or raw vegetables, thickened fluids, mechanical soft, finely chopped, pureed, or bread only soaked in milk.

## ADMINISTRATIVE RULES

(71) "Monitoring" means the periodic review of the implementation of services and supports identified in an Individual Support Plan and the quality of services delivered by other organizations.

(72) "Natural Supports" mean the voluntary resources available to an individual from the relatives, friends, significant others, neighbors, roommates, and the community of the individual that are not paid for by the Department.

(73) "Nursing Service Plan" means the plan that is developed by a registered nurse based on an initial nursing assessment, reassessment, or an update made to a nursing assessment as the result of a monitoring visit.

(a) The Nursing Service Plan is specific to an individual and identifies the diagnoses and health needs of the individual and any service coordination, teaching, or delegation activities.

(b) The Nursing Service Plan is separate from the ISP as well as any service plans developed by other health professionals.

(74) "Occupant" means any person residing in or using the facilities of an adult foster home including the individuals, licensee, resident manager, friends, family members, a person receiving day care services, and room and board tenants.

(75) "OHP Plus" means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b). This excludes individuals receiving Title XXI benefits.

(76) "OIS" means the "Oregon Intervention System". OIS is the system of providing training of elements of positive behavior support and non-aversive behavior intervention. OIS uses principles of pro-active support and describes approved protective physical intervention techniques that are used to maintain health and safety.

(77) "OSIPM" means "Oregon Supplemental Income Program-Medical" as described in OAR 461-001-0030. OSIPM is Oregon Medicaid insurance coverage for individuals who meets the eligibility criteria described in OAR chapter 461.

(78) "Over the Counter Topical" means a medication that is purchased without a prescription and is applied to the skin and not in an orifice.

(79) "Ownership Interest" means the possession of equity in the capital, stock, or profits of an adult foster home. A person with an ownership or control interest means a person or corporation that:

(a) Has an ownership interest totaling 5 percent or more in a disclosing entity;

(b) Has an indirect ownership interest equal to 5 percent or more in a disclosing entity;

(c) Has a combination of direct and indirect ownership interests equal to 5 percent or more in a disclosing entity;

(d) Owns an interest of 5 percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least 5 percent of the value of the property or assets of the disclosing entity;

(e) Is an officer or director of a disclosing entity that is organized as a corporation; or

(f) Is a partner in a disclosing entity that is organized as a partnership.

(80) "Person-Centered Planning":

(a) Means a timely and formal or informal process driven by an individual, includes people chosen by the individual, ensures the individual directs the process to the maximum extent possible, and the individual is enabled to make informed choices and decisions consistent with 42 CFR 441.540.

(b) Person-centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, providers, service settings, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(81) "Personal Agent" means "personal agent" as defined in OAR 411-340-0020.

(82) "Protection" means the necessary actions offered to an individual as soon as possible to prevent subsequent abuse or exploitation of an individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of the individual.

(83) "Protective Physical Intervention" means any manual physical holding of, or contact with, an individual that restricts freedom of movement.

(84) "Provider" means any person operating an adult foster home, such as a licensee or resident manager. "Provider" does not include caregivers or the owner or lessor of the building in which an adult foster is situated unless the owner or lessor of the building is also the operator of the adult foster home.

(85) "Provider Enrollment" means an agreement between the Department and a Medicaid provider to provide room and board and care and services for compensation to support a Medicaid eligible individual in an adult foster home.

(86) "Provisional License" means a 60-day license issued in an emergency situation when a licensed provider is no longer overseeing the operation of an adult foster home. A provisional license is issued to a qualified person who meets the standards of OAR 411-360-0070 and OAR 411-360-0110.

(87) "Psychotropic Medication" means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(88) "Qualified Entity Initiator (QEI)" has the meaning set forth in OAR 407-007-0210 (Criminal Records and Abuse Checks for Providers).

(89) "Qualified Mental Health Professional" means a licensed medical practitioner or any other person meeting the qualifications specified in OAR 309-019-0125.

(90) "Relief Care" means the intermittent services that are provided on a periodic basis for the relief of, or due to the temporary absence of, a person normally providing care and services to support an individual. Relief care may include 24-hour relief care or hourly relief care. Individuals receiving relief care are included in the licensed capacity of a home as described in OAR 411-360-0060.

(91) "Reside" means for a person to live in an adult foster home for a permanent or extended period of time. For the purpose of a background check, a person is considered to reside in a home if the visit of the person is for four consecutive weeks or greater.

(92) "Resident Manager" means an employee of a licensee approved by the Department, who resides in an adult foster home and is directly responsible for the care and services to support individuals on a day-to-day basis.

(93) "Respite" means "relief care" as defined in this rule.

(94) "Revocation" means the action taken by the Department to rescind an adult foster home license after the Department has determined that the provider is not in compliance with one or more of these rules.

(95) "Room and Board" means receiving compensation for the provision of meals, a place to sleep, laundry, basic utilities, and housekeeping to a person that does not need assistance with activities of daily living. Room and board facilities for two or more people are required to register with the Department as described in OAR chapter 411, division 68, unless registered with the local authority having jurisdiction. Room and board does not include provision of care.

(96) "Self-Preservation" in relation to fire and life safety means the ability of an individual to respond to an alarm without additional cues and reach a point of safety without assistance.

(97) "Services" mean the activities and supports that assist an individual to develop appropriate skills to increase or maintain his or her level of functioning. Services available in the community and arranged for by the provider may include mental health services, rehabilitation services, social services, activities of daily living, medical, dental, other health care services, educational services, financial management services, legal services, vocational services, transportation, and other services required to meet the needs of the individual as described in the ISP for the individual.

(98) "Services Coordinator" means "services coordinator" as defined in OAR 411-320-0020.

(99) "Special Diet" means the specially prepared food or particular types of food that are specific to the medical condition or diagnosis of an individual and in support of an evidence-based treatment regimen. Examples include, but are not limited to, low-calorie, high fiber, diabetic, low salt, lactose free, or low fat diets. A special diet does not include a diet where extra or additional food is offered without the order of a physician or licensed health care provider but may not be eaten, such as offering prunes each morning at breakfast or including fresh fruit with each meal.

(100) "Subject Individual" means:

(a) Any person 16 years of age or older, including:

(A) A licensed adult foster home provider and provider applicant;

# ADMINISTRATIVE RULES

(B) A person intending to work in or currently working in an adult foster home, including but not limited to a substitute caregiver and a potential substitute caregiver in training;

(C) A volunteer if allowed unsupervised access to an individual; and

(D) An occupant, excluding an individual, residing in or on the premises of a proposed or currently licensed adult foster home, including:

(i) A member of the household;

(ii) A room and board tenant; and

(iii) A person visiting for four consecutive weeks or greater.

(b) Subject individual does not apply to:

(A) An individual of the adult foster home or a visitor of an individual;

(B) A person who resides or works in an adult foster home who does not have:

(i) Regular access to the home for meals;

(ii) Regular use of the appliances or facilities of the adult foster home;

or

(iii) Unsupervised access to an individual or the personal property of an individual.

(C) A person providing services to an individual that is employed by a private business not regulated by the Department.

(101) “Substantiated” means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(102) “Substitute Caregiver” means any person who provides care and services in an adult foster home under the jurisdiction of the Department that is left in charge of the individuals for any period of time and has access to the individuals’ records.

(103) “Support” means the assistance that an individual requires, solely because of the effects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(104) “Suspension” means an immediate, temporary withdrawal of the approval to operate an adult foster home after the Department determines a provider or home is not in compliance with one or more of these rules or there is a threat to the health, safety, or welfare of individuals.

(105) “Tenant” means an individual who resides in an adult foster home and receives services, such as meal preparation, laundry, and house-keeping.

(106) “These Rules” mean the rules in OAR chapter 411, division 360.

(107) “Transfer” means movement of an individual from one home to another home administered or operated by the same provider.

(108) “Transition Plan” means the ISP describing necessary services and supports for an individual upon entry to a new service setting. The Transition Plan is approved by a services coordinator and includes a summary of the services necessary to facilitate adjustment to the services offered, the supports necessary to ensure health and safety, and the assessments and consultations necessary for further ISP development.

(109) “Unusual Incident” means any incident involving an individual that includes an act of physical aggression, serious illness or an accident, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, death, when an individual contacts the police or is contacted by the police, a fire requiring the services of a fire department, or any incident requiring an abuse investigation.

(110) “Urgent Medical Need” means the onset of psychiatric or medical symptoms requiring attention within 48 hours to prevent a serious deterioration in the mental or physical condition of an individual.

(111) “Variance” means the temporary exception from a regulation or provision of these rules that may be granted by the Department upon written application by the provider.

(112) “Young Adult” means a young individual age 18 through 21 who resides in an adult foster home under the custody of the Department, voluntarily, or under guardianship. A young adult may include an individual who is less than 18 years of age.

## 411-360-0030

### Variance

(1) A provider or applicant may apply to the Department for a variance from a provision of these rules. The provider must justify to the Department that such a variance does not jeopardize the health, safety, or welfare of the individuals or violate state or federal laws. If the variance applies to the care and services for an individual, the provider must provide evidence that the variance is consistent with the currently approved ISP for the individual.

(2) A variance is granted in writing on a Department-approved form. A variance granted to one AFH-DD provider does not constitute a precedent for any other AFH-DD provider. A variance is specific to a licensed site.

## 411-360-0130

### Facility Standards

In order to qualify for or renew a license, an AFH-DD must meet the following provisions.

(1) GENERAL CONDITIONS.

(a) Each AFH-DD must maintain up-to-date documentation verifying the AFH-DD meets applicable local business license, zoning, building, and housing codes, and state and local fire and safety regulations for a single-family residence. General buildings must be of sound construction and meet all applicable state and local fire and safety regulations in effect at the time of construction. It is the duty of the provider to check with local government to be sure all applicable local codes have been met. A current floor plan of the house must be on file with the local CDDP.

(b) Mobile homes must have been built since 1976 and designed for use as a home rather than a travel trailer. The mobile home must have the label from the manufacturer permanently affixed to the home that states the mobile home meets the requirements of the Department of Housing and Urban Development (HUD) or authority having jurisdiction.

(c) The building, patios, decks, walkways, and furnishings must be clean and in good repair. The interior and exterior must be well maintained and accessible according to the needs of the individuals. Walls, ceilings, and floors must be of such character to permit frequent washing, cleaning, or painting, as appropriate. There must be no accumulation of garbage, debris, rubbish, or offensive odors.

(d) Stairways (interior and exterior) must have handrails and be adequately lighted. Yard and exterior steps must be accessible and appropriate to the needs of the individuals.

(e) Adequate lighting must be provided in each room, internal and external stairways, and internal and external exit ways. Incandescent light bulbs and florescent tubes must be protected and installed per the directions of the manufacturer.

(f) The heating system must be in working order. Areas of the AFH-DD used by individuals must be maintained at a comfortable temperature. Minimum temperatures during the day (when individuals are home) must be no less than 68 degrees F and no less than 60 degrees at night when individuals are sleeping. During times of extreme summer heat, the provider must make every reasonable effort to make the individuals comfortable and safe using ventilation, fans, or air conditioners. The temperature may not exceed 85 degrees in the house.

(g) There must be at least 150 square feet of common space and sufficient comfortable furniture in the AFH-DD to accommodate the recreational and socialization needs of the occupants at one time. Common space may not be located in the basement or in garages unless such space was constructed for that purpose or has otherwise been legalized under permit. Additional space may be required if wheelchairs are to be accommodated.

(h) Providers must not permit individuals to access or use swimming or other pools, hot tubs, saunas, or spas on the AFH-DD premise without supervision. Swimming pools, hot tubs, spas, or saunas must be equipped with sufficient safety barriers or devices designed to prevent accidental injury or unsupervised access.

(i) Hallways and exit ways must be at least 36 inches wide or as approved by the authority having jurisdiction. Interior doorways used by individuals must be wide enough to accommodate wheelchairs and walkers if used by individuals.

(j) Only ambulatory individuals capable of self-preservation may be housed on a second floor or in a basement.

(k) Split level homes must be evaluated according to accessibility, emergency egress, and evacuation capability of the individuals.

## ADMINISTRATIVE RULES

(l) Ladders, rope, chain ladders, and other devices may not be used as a secondary means of egress.

(m) Marijuana must not be grown in or on the premises of the AFH-DD. Individuals with Oregon Medical Marijuana Program (OMMP) registry cards must arrange for and obtain their own supply of medical marijuana from a designated grower as authorized by OMMP. The licensed provider, the caregiver, other employee, or any occupant in or on the premises of the AFH-DD must not be designated as the grower for and individual and must not deliver marijuana from the supplier.

### (2) SANITATION.

(a) A public water supply must be utilized if available. If a non-municipal water source is used, the water source must be tested for coliform bacteria by a certified agent yearly and records must be retained for two years. Corrective action must be taken to ensure potability.

(b) If a septic tank or other non-municipal sewage disposal system is used, it must be in good working order.

(c) Garbage and refuse must be suitably stored in readily cleanable, rodent proof, covered containers, pending weekly removal.

(d) Prior to laundering, soiled linens and clothing must be stored in containers in an area separate from food storage, kitchen, and dining area. Special pre-wash attention must be given to soiled and wet bed linens.

(e) Sanitation for household pets and other domestic animals must be adequate to prevent health hazards. Proof of rabies or other vaccinations as required by a licensed veterinarian must be maintained on the premises of the AFH-DD for household pets. Pets not confined in enclosures must be under control and must not present a danger to individuals or guests.

(f) There must be adequate control of insects and rodents, including screens in good repair on doors and windows used for ventilation.

(g) Universal precautions for infection control must be followed in care to individuals. Hands and other skin surfaces must be washed immediately and thoroughly if contaminated with blood or other body fluids.

(h) All caregivers must take precautions to prevent injuries caused by needles and other sharp instruments or devices during procedures. After they are used, disposable syringes and needles and other sharp items must be placed in puncture-resistant containers for disposal. The puncture-resistant containers must be located as close as practical to the use area. Disposal must be according to local regulations and resources (ORS 459.386 to 459.405).

### (3) BATHROOMS. Bathrooms must:

(a) Provide for individual privacy and have a finished interior, a mirror, a window capable of being opened or other means of ventilation, and a window covering. No person must have to walk through the bedroom of another person to access a bathroom;

(b) Be clean and free of objectionable odors;

(c) Have tubs or showers, toilets, and sinks in good repair. A sink must be located near each toilet. A toilet and sink must be provided on each floor where rooms of non-ambulatory individuals or individuals with limited mobility are located. There must be at least one toilet, one sink, and one tub or shower for each six household occupants, including the provider and the family of the provider;

(d) Have hot and cold water in sufficient supply to meet the needs of the individuals for personal hygiene. Hot water temperature sources for bathing areas may not exceed 120 degrees F;

(e) Have shower enclosures with nonporous surfaces. Glass shower doors must be tempered safety glass. Shower curtains must be clean and in good condition. Non-slip floor surfaces must be provided in tubs and showers;

(f) Have grab bars for toilets, tubs, and showers for the safety of individuals as required by the disabilities of the individuals;

(g) Have barrier-free access to toilet and bathing facilities with appropriate fixtures if there are non-ambulatory individuals in the AFH-DD. Alternative arrangements for non-ambulatory individuals must be appropriate to individual needs for maintaining good personal hygiene;

(h) Have adequate supplies of toilet paper for each toilet and soap for each sink; and

(i) Individuals must be provided with individual towels and wash cloths that are laundered in hot water at least weekly or more often if necessary. Individuals must have appropriate racks or hooks for drying bath linens. If individual hand towels are not provided, individuals must be provided with individually dispensed paper towels.

### (4) BEDROOMS.

(a) Bedrooms for all household occupants must:

(A) Have been constructed as a bedroom when the home was built or remodeled under permit;

(B) Be finished with walls or partitions of standard construction that go from floor to ceiling and a door that opens directly to a hallway or common use room without passage through another bedroom or common bathroom;

(C) Be adequately ventilated, heated, and lighted with at least one window capable of being opened that meets the fire regulations described in subsection (h) of this section;

(D) Have at least 70 square feet of usable floor space for each individual or 120 square feet of usable floor space for two individuals; and

(E) Have no more than two persons per room.

(b) Providers, resident managers, or their family members must not sleep in areas designated as common use living areas or share bedrooms with individuals.

(c) There must be a bed for each individual. The bed must include a frame unless otherwise documented by an ISP Team decision. The bed must include a clean and comfortable mattress, a waterproof mattress cover if an individual is incontinent, and a pillow.

(d) Each bedroom must have sufficient, separate, private dresser and closet space for the clothing and personal effects for each individual, including hygiene and grooming supplies. Individuals must be allowed to keep and use reasonable amounts of personal belongings and to have private, secure storage space.

(e) Drapes or shades for windows must be in good condition and allow privacy for individuals.

(f) Bedrooms must be on ground level for individuals who are non-ambulatory or have impaired mobility.

(g) Individual bedrooms must be in close enough proximity to the provider to alert the provider to nighttime needs or emergencies, or be equipped with an intercom or audio monitor as approved by an ISP team.

(h) Bedrooms must have at least one window or exterior door that readily opens from the inside without special tools and that provides a clear opening of not less than 821 square inches (5.7 sq. ft.), with the least dimensions not less than 22 inches in height or 20 inches in width. Sill height must not be more than 44 inches from the floor level or there must be approved steps or other aids to window egress that may be used by individuals. Windows with a clear opening of not less than 5.0 square feet or 720 square inches with sill heights of 48 inches may be accepted when approved by the State Fire Marshal or the designee of the State Fire Marshal.

### (5) MEALS.

(a) Three nutritious meals must be served daily at times consistent with those in the community.

(A) Each daily menu must include food from the four basic food groups and fresh fruit and vegetables in season unless otherwise specified in writing by a physician.

(B) There must be no more than a 14-hour span between the evening meal and breakfast unless snacks and liquids are served as supplements.

(C) Food preparation must include consideration of cultural and ethnic backgrounds, as well as, the food preferences of individuals. Special consideration must be given to individuals with chewing difficulties and other eating limitations.

(D) Food may not be used as an inducement to control the behavior of an individual.

(b) Menus for the coming week that consider individual preferences must be prepared and posted weekly in a location that is accessible to individuals and the families of the individuals. Menu substitutions in compliance with subsection (a) of this section are acceptable.

(c) MODIFIED OR SPECIAL DIETS. For individuals with modified or special diets ordered by a physician or licensed health care provider, the provider must:

(A) Have menus for the current week that provide food and beverages that consider the preferences of the individual and are appropriate to the modified or special diet; and

(B) Maintain documentation that identifies how modified or special diets are prepared and served to individuals.

(d) Adequate storage must be available to maintain food at a proper temperature, including a properly working refrigerator. Food storage must be such that food is protected from dirt and contamination and maintained at proper temperatures to prevent spoilage.

(e) Utensils, dishes, glassware, and food supplies must not be stored in bedrooms, bathrooms, or living areas.

(f) Meals must be prepared and served in the AFH-DD where individuals reside. Payment for meals eaten away from the AFH-DD for the convenience of the provider (e.g. restaurants, senior meal sites) is the

## ADMINISTRATIVE RULES

responsibility of the provider. Meals and snacks as part of an individual recreational outing are the responsibility of the individual.

(g) Utensils, dishes, and glassware must be washed in hot soapy water, rinsed, and stored to prevent contamination.

(h) Food storage and preparation areas and equipment must be clean, free of objectionable odors, and in good repair.

(i) Home-canned foods must be processed according to the guidelines of the Oregon Extension Service. Freezing is the most acceptable method of food preservation. Milk must be pasteurized.

### (6) TELEPHONE.

(a) A telephone must be provided in the AFH-DD that is available and accessible for the use of the individuals for incoming and outgoing calls. Telephone lines must be unblocked to allow for access.

(b) Emergency telephone numbers for the local CDDP, police, fire, medical if not served by 911, an emergency number to reach a provider who does not reside in the AFH-DD, and any emergency physician and additional persons to be contacted in the case of an emergency, must be posted in close proximity to all phones utilized by the licensee, resident manager, individuals, and caregivers.

(c) Telephone numbers for making complaints or a report of alleged abuse to the Department, the local CDDP, and Disability Rights Oregon must also be posted.

(d) Limitations on the use of the telephone by individuals are to be specified in the written house rules. Individual restrictions must be specified in the ISP. In all cases, a telephone must be accessible to individuals for outgoing calls (emergencies) 24 hours a day.

(e) AFH-DD telephone numbers must be listed in the local telephone directory.

(f) The licensee must notify the Department, individuals, and as applicable the families, legal representatives, and service coordinators of the individuals of any change in the AFH-DDs telephone number within 24 hours of the change.

### (7) SAFETY.

(a) Buildings must meet all applicable state and local building, mechanical, and housing codes for fire and life safety. The AFH-DD may be inspected for fire safety by the Office of the State Fire Marshal at the request of the Department using the standards in these rules as appropriate.

(b) Heating in accordance with the specifications of the manufacturer and electrical equipment, including wood stoves, must be installed in accordance with all applicable fire and life safety codes. Such equipment must be used and maintained properly and be in good repair.

(A) Providers who do not have a permit verifying proper installation of an existing wood stove must have the wood stove inspected by a qualified inspector, Certified Oregon Chimney Sweep Association member, or Oregon Hearth Products Association member and follow the recommended maintenance schedule.

(B) Fireplaces must have protective glass screens or metal mesh curtains attached to the top and bottom of the fireplace.

(C) The installation of a non-combustible heat resistant safety barrier may be required to be installed 36 inches around wood stoves to prevent individuals with ambulation or confusion problems from coming in contact with the stove.

(D) Un-vented portable oil, gas, or kerosene heaters are prohibited. Sealed electric transfer heaters or electric space heaters with tip-over shut-off capability may be used when approved by the authority having jurisdiction.

(c) Extension cord wiring and multi-plug adaptors must not be used in place of permanent wiring. UL-approved, re-locatable power tabs (RPTs) with circuit breaker protection are permitted for indoor use only and must be installed and used in accordance with the manufacturer's instructions. If RPTs are used, the RPTs must be directly connected to an electrical outlet, never connected to another RPT (known as daisy-chaining or piggy-backing), and never connected to an extension cord.

(d) All exit doors and interior doors used for exit purposes must have simple hardware that cannot be locked against exit and must have an obvious method of single action operation. Hasps, sliding bolts, hooks and eyes, and double key deadbolts are not permitted. Homes with one or more individuals who have impaired judgment and are known to wander away from their place of residence must have a functional and activated alarm system to alert a caregiver of an unsupervised exit by the individual.

(e) CARBON MONOXIDE ALARMS. Carbon monoxide alarms must be listed as complying with ANSI/UL 2034 and must be installed and maintained in accordance with the instructions of the manufacturer. Carbon monoxide alarms must be installed within 15 feet of each bedroom at the height recommended by the manufacturer.

(A) Carbon monoxide alarms may be hard wired, plug-in, or battery operated. Hard wired and plug-in alarms must be equipped with battery back-up. Battery operated alarms must be equipped with a device that warns of a low battery.

(B) Bedrooms used by hearing-impaired occupants who may not hear the sound of a regular carbon monoxide alarm must be equipped with an additional carbon monoxide alarm that has visual or vibrating capacity.

(f) SMOKE ALARMS. Smoke alarms must be installed in accordance with the instructions of the manufacturer in each bedroom, hallways or access areas that adjoin bedrooms, the family room or main living area where occupants congregate, laundry rooms, office rooms, and basements. In addition, smoke alarms must be installed at the top of all stairways in multi-level homes.

(A) Ceiling placement of smoke alarms is recommended. If wall mounted, smoke alarms must be between 6 inches and 12 inches from the ceiling and not within 12 inches of a corner.

(B) Smoke alarms must be equipped with a device that warns of low battery when battery operated or with a battery back-up if hard wired.

(C) Smoke alarms when activated must be audible in all sleeping rooms.

(D) Bedrooms used by hearing-impaired occupants who may not hear the sound of a regular smoke alarm must be equipped with an additional smoke alarm that has visual or vibrating capacity.

(g) All carbon monoxide alarms and smoke alarms must contain a sounding device or be interconnected to other alarms to provide, when actuated, an alarm that is audible in all sleeping rooms. The alarms must be loud enough to wake occupants when all bedroom doors are closed.

(h) The licensee must test all carbon monoxide alarms and smoke alarms in accordance with the instructions of the manufacturer at least monthly (per NFPA 72). Testing must be documented in the AFH-DD records.

(i) FIRE EXTINGUISHERS. At least one 2A-10BC rated fire extinguisher must be in a visible and readily accessible location on each floor, including basements. Fire extinguishers must be inspected at least once a year by a qualified person that is well versed in fire extinguisher maintenance. All recharging and hydrostatic testing must be completed by a qualified agency properly trained and equipped for this purpose and documentation must be maintained in the AFH-DD records.

(j) The licensee must maintain carbon monoxide alarms, smoke alarms, and fire extinguishers in functional condition. If there are more than two violations in maintaining battery operated alarms in working condition, the Department may require the licensee to hard wire the alarms into the electrical system.

### (8) EMERGENCY PROCEDURES AND PLANNING.

#### (a) EVACUATION DRILLS.

(A) The provider must conduct unannounced evacuation drills when individuals are present, once every quarter with at least one drill per year occurring during the hours of sleep. Drills must occur at different times of the day, evening, and night, with exit routes being varied based on the location of a simulated fire. All occupants must participate in the evacuation drills.

(B) Written documentation must be made at the time of the drill and kept by the provider for at least two years following the drill. Evacuation drill documentation must include:

(i) The date and time of the drill or simulated drill;

(ii) The location of the simulated fire and exit route;

(iii) The last names of all individuals, the provider, caregivers, and all other occupants present on the premises at the time of the drill;

(iv) The type of evacuation assistance provided by the provider to individuals;

(v) The amount of time required by each individual to evacuate; and

(vi) The signature of the provider or caregiver conducting the drill.

(b) The provider must document that, within 24 hours of arrival, each new individual receives an orientation to basic safety and is shown how to respond to a fire and carbon monoxide alarm and how to exit from the AFH-DD in an emergency.

(c) The provider must demonstrate the ability to evacuate all individuals from the AFH-DD within three minutes. If there are problems in demonstrating this evacuation time, the Department may apply conditions to the license that include, but are not limited to, reduction of individuals under care, additional staffing, increased fire protection, or revocation of the license.

(d) The provider must provide, post, and keep up to date, a floor plan on each floor. The floor plan must contain room sizes, the location of the bed for each individual, windows, exit doors, the sleeping rooms for the

# ADMINISTRATIVE RULES

resident manager or provider, smoke and carbon monoxide alarms, fire extinguishers, escape routes, and wheelchair ramps. A copy of the floor plan must be updated to reflect any change and a copy of the updated floor plan must be submitted to the Department.

(e) There must be at least one plug-in rechargeable flashlight available for emergency lighting in a readily accessible area on each floor including the basement.

(f) If an individual accesses the community independently, the provider must provide the individual information about appropriate steps to take in an emergency, such as emergency contact telephone numbers, contacting police or fire personnel, or other strategies to obtain assistance.

(g) WRITTEN EMERGENCY PLAN. Providers must develop, maintain, update, and implement a written Emergency Plan for the protection of all the individuals in the event of an emergency or disaster. The Emergency Plan must:

(A) Be practiced at least annually. The Emergency Plan practice may consist of a walk-through of the duties or a discussion exercise dealing with a hypothetical event, commonly known as a tabletop exercise;

(B) Consider the needs of the individuals being served and address all natural and human-caused events identified as a significant risk for the AFH-DD, such as a pandemic or an earthquake;

(C) Include provisions and sufficient supplies, such as sanitation and food supplies, to shelter in place, when unable to relocate, for at least three days under the following conditions:

- (i) Extended utility outage;
- (ii) No running water;
- (iii) Inability to replace food supplies; and
- (iv) Caregivers unable to report as scheduled.

(D) Include provisions for evacuation and relocation that identifies:

(i) The duties of caregivers during evacuation, transporting, and housing of individuals including instructions to caregivers to notify the Department and local CDDP of the plan to evacuate or the evacuation of the AFH-DD as soon as the emergency or disaster reasonably allows;

(ii) The method and source of transportation;

(iii) Planned relocation sites that are reasonably anticipated to meet the needs of the individuals in the AFH-DD;

(iv) A method that provides persons unknown to the individual the ability to identify each individual by name, and to identify the name of the supporting provider for the individual; and

(v) A method for tracking and reporting to the Department and the local CDDP the physical location of each individual until a different entity resumes responsibility for the individual.

(E) Address the needs of the individuals including provisions to provide:

(i) Immediate and continued access to medical treatment with the evacuation of the individual summary sheet and the emergency information identified in OAR 411-360-0170, and other information necessary to obtain care, treatment, food, and fluids for individuals;

(ii) Continued access to life sustaining pharmaceuticals, medical supplies, and equipment during and after an evacuation and relocation;

(iii) Behavior support needs anticipated during an emergency; and

(iv) Adequate staffing to meet the life-sustaining and safety needs of the individuals.

(F) Providers must instruct and provide training to all caregivers about the duties and responsibilities of the caregivers for implementing the Emergency Plan.

(i) Documentation of caregiver training must be kept on record by the provider.

(ii) The provider must re-evaluate the Emergency Plan at least annually or when there is a significant change in the AFH-DD.

(G) Applicable parts of the Emergency Plan must coordinate with each applicable employment provider or day program provider to address the possibility of an emergency or disaster during day time hours.

(9) SPECIAL HAZARDS.

(a) Flammable and combustible liquids and hazardous materials must be safely and properly stored in original, properly labeled containers or safety containers, and secured to prevent tampering by individuals and vandals.

(b) Oxygen and other gas cylinders in service or in storage must be adequately secured to prevent cylinders from falling or being knocked over. No smoking signs must be visibly posted where oxygen or other gas cylinders are present. Oxygen and other gas cylinders may not be used or stored in rooms where a wood stove, fireplace, or open flames are located.

(c) To protect the safety of an individual in an AFH-DD, the provider must store hunting equipment and weapons in a safe and secure manner

inaccessible to the individuals in the AFH-DD. Ammunition must be secured in a locked area separate from the firearms.

(d) For AFH-DDs with one or more employees, smoking regulations in compliance with the Indoor Clean Air Act must be adopted to allow smoking only in outdoor designated areas. Signs must be posted prohibiting smoking in the workplace per OAR 333-015-0040.

(e) Smoking is prohibited in sleeping rooms. Ashtrays of noncombustible material and safe design must be provided in areas where smoking is permitted. Designated smoking areas must be at least 10 feet from any entrance, exit, window that opens, ventilation intake, or accessibility ramp. Smoking is prohibited in vehicles when individuals or employees occupy the vehicle.

(f) Cleaning supplies, poisons, and insecticides must be properly stored in original, properly labeled containers in a safe area away from food, food preparation and storage, dining areas, and medications and in a manner to prevent tampering by individuals.

## 411-360-0140

### Standards and Practices for Health Care

(1) INDIVIDUAL HEALTH CARE. An individual must receive care and services that supports and promotes the health and well-being of the individual as follows:

(a) The AFH-DD must ensure each individual has a primary physician or primary licensed health care provider whom the individual or the legal representative of the individual has chosen from among qualified providers.

(b) The AFH-DD must ensure each individual receives a medical evaluation by a licensed health care provider no less than every two years or as recommended by the licensed health care provider.

(c) The AFH-DD must monitor the health status and physical conditions of each individual and take action in a timely manner in response to identified changes or conditions that may lead to deterioration or harm.

(d) A written and signed order from a physician or licensed health care provider is required prior to the use or implementation of any of the following:

- (A) Prescription medications;
- (B) Non-prescription medications except over the counter topicals;
- (C) Treatments other than basic first aid;
- (D) Modified or special diets;
- (E) Adaptive equipment; and
- (F) Aids to physical functioning.

(e) The provider must implement the order of a physician or licensed health care provider.

(f) Injections may be self-administered by the individual or administered by a relative of the individual, a currently licensed registered nurse, a licensed practical nurse under registered nurse supervision, or the provider, resident manager, or substitute caregiver who has been trained and is monitored by a physician or delegated by a registered nurse in accordance with the rules of the Board of Nursing in OAR chapter 851, division 047. Documentation regarding the training or delegation must be maintained in the record for the individual.

(2) REQUIRED DOCUMENTATION.

(a) A provider must maintain and keep current records on each individual to aid physicians, licensed health care providers, the CDDP, and the Department in understanding the medical history of the individual. Such documentation must include:

(A) A list of known health conditions, medical diagnoses, any known allergies, immunizations, Hepatitis B status, previous TB tests, incidents or injuries affecting the health, safety, or emotional well-being of the individual, and history of emotional or mental health status that may be pertinent to current care and services;

(B) A record of visits and appointments to licensed health care providers that includes documentation of the consultation, any treatment provided, and any follow-up reports provided to the provider;

(C) A record of known hospitalizations and surgeries;

(D) Current signed orders for all medications, treatments, therapies, special diets, and adaptive equipment;

(E) Medication administration records (MARs);

(F) Documentation of the consent from the legal representative of the individual for medical treatment that is not routine including surgery and anesthesia; and

# ADMINISTRATIVE RULES

(G) Copies of previous mental health assessments and assessment updates, including multi-axial DSM diagnosis, treatment recommendations, and progress records for mental health treatment services.

(b) When requested, copies of medical records and MARs must be provided to the legal guardian, Department caseworker, or services coordinator.

(3) MEDICATION PROCUREMENT AND STORAGE. All medications must be:

(a) Kept in the original containers;

(b) Labeled by the dispensing pharmacy, product manufacturer, or physician, as specified by the written order of a physician or licensed health care provider; and

(c) Kept in a secured, locked container and stored as indicated by the product manufacturer.

(4) MEDICATION ADMINISTRATION.

(a) All medications and treatments must be recorded on an individualized MAR. The MAR must include:

(A) The name of the individual;

(B) A transcription of the written order of the physician or licensed health care provider including the brand or generic name of the medication, prescribed dosage, frequency, and method of administration;

(C) For over the counter topical medications without a written order from a physician or licensed health care provider, a transcription of the printed instructions from the topical medication package;

(D) Times and dates of administration or self-administration of the medication;

(E) Signature of the person administering the medication or the person monitoring the self-administration of the medication;

(F) Method of administration;

(G) An explanation of why a PRN (as needed) medication was administered;

(H) Documented effectiveness of any PRN (as needed) medication administration;

(I) An explanation of all medication administration or documentation irregularities; and

(J) Documentation of any known allergy or adverse drug reaction.

(b) Any errors in the MAR must be corrected with a circle of the error and the initials of the person making the correction.

(5) SELF-ADMINISTRATION OF MEDICATION.

(a) For individuals who independently self-administer medications, there must be a plan as determined by the ISP team for the periodic monitoring and review of the self-administration of medications.

(b) The AFH-DD must ensure that individuals able to self-administer medications keep the medications in a place unavailable to other individuals residing in the AFH-DD and store the medications as recommended by the product manufacturer.

(6) USE OF MEDICAL MARIJUANA.

(a) Prior to using medical marijuana in an AFH-DD, an individual must:

(A) Possess a valid OMMP registry card. A copy of the current OMMP registry card for the individual must be made available to the provider and maintained in the individual's record;

(B) Provide a copy of the written statement by the physician that indicates medical marijuana may mitigate the symptoms of the qualifying condition of the individual and includes instructions for the use of medical marijuana;

(C) Be responsible for obtaining the marijuana from an OMMP approved third party grower who is not the provider, caregiver, resident manager, or any other occupant in or on the premises of the AFH-DD; and

(D) Sign an agreement that the individual understands that:

(i) Marijuana is not allowed to be grown by any person in or on the premises of the AFH-DD;

(ii) A participant in the OMMP may not possess more than one ounce of marijuana at any one time while in or on the premises of the AFH-DD;

(iii) Medical marijuana may only be administered by ingesting it with food and by a vaporizer. If assistance with administration is necessary, the individual must agree to arrange for a "designated primary caregiver". The designated primary caregiver must be authorized by the OMMP and identified on the OMMP registry card for the individual;

(iv) A provider, caregiver, resident manager, or any occupants of the AFH-DD cannot be designated as the OMMP-approved designated primary caregiver of the individual and identified on the OMMP registry card for the individual;

(v) A provider, caregiver, resident manager, or any occupants of the AFH-DD cannot assist with the preparation, administration, or delivery of medical marijuana;

(vi) The individual must maintain any equipment used to administer marijuana;

(vii) Marijuana must be kept in locked storage in the bedroom of the individual when not being administered;

(viii) The individual must immediately notify the OMMP of any change in status, such as a change in address, designated primary caregiver, or person responsible for the marijuana grow site. A copy of the updated OMMP registry card for the individual must be made available to the provider for the record of the individual; and

(ix) Failure to comply with Oregon laws, Oregon rules, or the house rules of the AFH-DD may result in additional action.

(b) An individual must comply with the Oregon Medical Marijuana Act, the rules for the OMMP in OAR chapter 333, division 008, these rules, and any other requirements for the OMMP.

(c) An individual must self-administer medical marijuana by ingesting the marijuana or inhaling the marijuana with a vaporizer. Smoking marijuana in or on the premises of the AFH-DD is prohibited. Marijuana must be administered privately in a room that is not shared with another person. The individual may not have visitors, other individuals, or any other person in this private space while self-administering the marijuana.

(d) An individual must designate a grower to provide the marijuana as necessary. The grower must not be the provider, resident manager, caregiver, or any occupant in or on the premises of the AFH-DD. The grower designated by the individual must be authorized by OMMP and identified on the OMMP registry card for the individual.

(A) The designated grower for individuals being served in the foster care system must accommodate the specific needs related to the dispensation and tracking of the controlled substance. Not more than 28 grams at a time may be stored on the property of the AFH-DD per card holder. The remainder of the OMMP card holder's marijuana must be stored at the site of the grower.

(B) Each 28 grams, as needed, must be packaged in an airtight container clearly dated and labeled as to the total amount in grams with the name of the OMMP card holder. The container must be stored in a locked cabinet as is done with all controlled medications. Each administration must be tracked on the individual's MAR as to dosage in grams as weighed on a scale, date, and time of day.

(e) A provider, caregiver, resident manager, or any other occupants in or on the premises of the AFH-DD must not prepare or in any way assist with the administration or procurement of an individual's marijuana. The provider must monitor the individual's usage of medical marijuana to ensure safety and to document that the individual's use of medical marijuana is in compliance with the physician's instructions for using marijuana as documented in the individual's ISP.

(f) If a provider, resident manager, or caregiver also has an OMMP card for medical purposes, a substitute caregiver must be available to support the individuals when the provider, resident manager, or caregiver is under the influence of the medical marijuana. Any OMMP card holder in or on the premises of the AFH-DD must not smoke marijuana in or on the premises of the AFH-DD but may ingest the marijuana or inhale the marijuana with a vaporizer.

(7) PSYCHOTROPIC MEDICATIONS.

(a) Psychotropic medications and medications for behavior must be:

(A) Prescribed by a physician or licensed health care provider through a written order; and

(B) Monitored by the prescribing physician, licensed health care provider, ISP team, and provider for desired responses and adverse consequences.

(b) A provider, resident manager, or any caregiver may not discontinue, change, or otherwise alter the prescribed administration of a psychotropic medication for an individual without direction from a licensed health care provider.

(c) A provider, resident manager, or any caregiver may not use alternative medications intended to alter or affect mood or behavior, such as herbals or homeopathic remedies, without direction and supervision of a licensed health care provider.

(d) PRN (as needed) psychotropic medication orders are not allowed.

(e) PSYCHOTROPIC MEDICATIONS FOR YOUNG ADULTS. A qualified mental health professional or a licensed health care provider must provide a mental health assessment prior to any young adult being prescribed one or more psychotropic medications or any antipsychotic medication.

# ADMINISTRATIVE RULES

(A) A mental health assessment is not required in the following situations:

- (i) In case of urgent medical need;
- (ii) For a change in the delivery system of the same medication;
- (iii) For a change in medication within the same classification;
- (iv) A one-time medication order given prior to a medical procedure;

or

- (v) An anti-epileptic medication prescribed for a seizure disorder.

(B) When a mental health assessment is required, the provider must notify and inform the following of the need for a mental health assessment:

(i) The legal guardian of the young adult, or the caseworker of the Department when the Department is the legal guardian of the young adult; and

- (ii) The services coordinator.

(C) The required mental health assessment:

(i) Must be completed within three months prior to the prescription of a psychotropic medication; or

(ii) May be an update of a prior mental health assessment that focuses on a new or acute problem.

(D) Information from the mental health assessment must be provided to the licensed health care provider prior to the issuance of a prescription for a psychotropic medication.

(E) Within one business day after receiving a new prescription or knowledge of a new prescription for a psychotropic medication for the young adult, the provider must notify:

(i) The legal guardian of the young adult, or the caseworker of the Department when the Department is the legal guardian of the young adult; and

- (ii) The services coordinator.

(F) The notification described in subsection (E) of this section must contain:

(i) The name of the prescribing physician or licensed health care provider;

- (ii) The name of the medication;

(iii) The dosage, any change of dosage, or suspension or discontinuation of the current psychotropic medication;

- (iv) The dosage administration schedule prescribed; and

- (v) The reason the medication was prescribed.

(G) The provider must get a written informed consent from one of the following prior to filling a prescription for any new psychotropic medication, except in case of urgent medical need:

- (i) The legal guardian of the young adult; or

(ii) The Department when the Department is the legal guardian of the young adult.

(H) When a young adult has more than two prescriptions for psychotropic medications, an annual review of the psychotropic medications must occur by a licensed health care provider or a qualified mental health professional who has the authority to prescribe drugs, such as the Oregon Medicaid Drug Use Review Program.

(f) **BALANCING TEST.** When a psychotropic medication is first prescribed and annually thereafter, the provider must obtain a signed balancing test from the prescribing licensed health care provider using the Balancing Test Form (form SDS 4110), or by inserting the required form content into a form maintained by the provider.

(A) The provider must present the physician or licensed health care provider with a full and clear description of the behavior and symptoms to be addressed, as well as any side effects observed; and

(B) The provider must keep signed copies of the balancing test in the medical record for the individual for seven years.

(8) **MEDICATION SAFEGUARDS.**

(a) Safeguards to prevent adverse effects or medication reactions must be utilized and include:

(A) Whenever possible, obtaining all prescription medication for an individual, except samples provided by the licensed health care provider, from a single pharmacy that maintains a medication profile for the individual;

(B) Maintaining information about each desired effects and side effects of the medication; and

(C) Ensuring that medications prescribed for one individual are not administered to, or self-administered by, another individual or caregiver.

(b) An individual's record must include documentation of the reason when all medications are not provided through a single pharmacy.

(9) **MEDICATION DISPOSAL.** All unused, discontinued, outdated, recalled, and contaminated medications including over-the-counter medications may not be kept in the AFH-DD and must be disposed of within 10

days of expiration, discontinuation, or the knowledge of the provider of recall or contamination. A provider may contact the local DEQ waste management company in the area for instructions on proper disposal of medications. Disposal of all controlled medications must be documented and witnessed by at least one other person who is 18 years of age or older. A written record of the disposal of the medication must be maintained that includes documentation of:

- (a) Date of disposal;

(b) Description of the medication, including dosage, strength, and amount being disposed;

- (c) Name of the individual for whom the medication was prescribed;

- (d) Reason for disposal;

- (e) Method of disposal;

- (f) Signature of the person disposing of the medication; and

(g) For controlled medications, the signature of a witness to the disposal.

(10) **DIRECT NURSING SERVICES.** When direct nursing services are provided to an individual the provider must:

(a) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the individual; and

(b) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

(11) **COMMUNITY NURSING SERVICES.**

(a) Community nursing services include:

(A) Nursing assessments, including medication reviews;

(B) Care coordination;

(C) Monitoring;

(D) Delegation and training of nursing tasks to a provider, resident manager, or substitute caregiver;

(E) Teaching and education of the provider and identifying supports that minimize health risks while promoting the autonomy of an individual and self-management of healthcare; and

(F) Collateral contact with a services coordinator regarding the community health status of an individual to assist in monitoring safety and well-being and to address needed changes to the ISP for the individual.

(b) After an initial nursing assessment, a nursing reassessment must be completed every six months or sooner if a change in medical condition requires an update to the Nursing Service Plan.

(c) Community nursing services exclude direct nursing care.

(d) A Nursing Service Plan must be present when Department funds are used for community nursing services. A services coordinator must authorize the provision of community nursing services as identified in an ISP.

(e) When community nursing services are provided to an individual the provider must:

(A) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the individual; and

(B) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

(f) A registered nurse providing community nursing services must comply with:

(A) Provider record and documentation requirements referenced in OAR chapter 411, division 048 for financial, clinical, and other records including the Provider Enrollment Agreement and electronic billing procedures;

(B) Department direct contracts (if applicable); and

(C) Service record requirements outlined in this rule.

(12) **DELEGATION AND SUPERVISION OF NURSING TASKS.**

Nursing tasks must be delegated by a registered nurse to a provider, resident manager, and a substitute caregiver in accordance with the rules of the Oregon State Board of Nursing in OAR chapter 851, division 047.

## 411-360-0170

### Documentation and Record Requirements

(1) **INDIVIDUAL RECORDS.** A record must be developed, kept current, and available on the premises of the AFH-DD for each individual admitted to the AFH-DD.

(a) The provider must maintain a summary sheet for each individual in the AFH-DD. The summary sheet must include:

## ADMINISTRATIVE RULES

(A) The name of the individual, current and previous address, date of entry into the AFH-DD, date of birth, gender, marital status, religious preference, preferred hospital, Medicaid prime and private insurance number (if applicable), and guardianship status; and

(B) The name, address, and telephone number of:

- (i) The legal representative, family, advocate, or other significant person;
- (ii) The primary licensed health care provider and designated back up licensed health care provider or clinic preferred by the individual;
- (iii) The dentist preferred by the individual;
- (iv) The day program or employer (if applicable);
- (v) The services coordinator; and
- (vi) Other representatives providing care and services to the individual.

(b) EMERGENCY INFORMATION. The provider must maintain emergency information for each individual receiving care and services in the AFH-DD in addition to the individual summary sheet identified in subsection (a) of this section. The emergency information must be kept current and must include:

(A) The name of the individual;

(B) The name, address, and telephone number of the provider;

(C) The address and telephone number of the AFH-DD where the individual resides if different from that of the provider;

(D) The physical description of the individual, which may include a picture of the individual with the date the picture was taken, and identification of:

(i) The race, gender, height, weight range, hair, and eye color of the individual; and

(ii) Any other identifying characteristics that may assist in identifying the individual, such as marks or scars, tattoos, or body piercings.

(E) Information on the abilities and characteristics of the individual including:

(i) How the individual communicates;

(ii) The language the individual uses and understands;

(iii) The ability of the individual to know how to take care of bodily functions; and

(iv) Any additional information that may assist a person not familiar with the individual to understand what the individual can do for him or herself.

(F) The health support needs of the individual including:

(i) Diagnosis;

(ii) Allergies or adverse drug reactions;

(iii) Health issues that a person needs to know when taking care of the individual;

(iv) Special dietary or nutritional needs, such as requirements around textures or consistency of foods and fluids;

(v) Food or fluid limitations due to allergies, diagnosis, or medications the individual is taking that may be an aspiration risk or other risk for the individual;

(vi) Additional special requirements the individual has related to eating or drinking, such as special positional needs or a specific way foods or fluids are given to the individual;

(vii) Physical limitations that may affect the ability of the individual to communicate, respond to instructions, or follow directions; and

(viii) Specialized equipment needed for mobility, positioning, or other health-related needs.

(G) The emotional and behavioral support needs of the individual including:

(i) Mental health or behavioral diagnosis and the behaviors displayed by the individual; and

(ii) Approaches to use when dealing with the individual to minimize emotional and physical outbursts.

(H) Any court ordered or guardian authorized contacts or limitations;

(I) The supervision requirements of the individual and why; and

(J) Any additional pertinent information the provider has that may assist in the care and services to support the individual if a natural or man-made disaster occurs.

(c) Individual records must be made available to representatives of the Department conducting inspections or investigations as well as to individuals to whom the information pertains, the legal representative of the individual, or other legally authorized people.

(d) Individual records must be kept by the provider for a period of at least three years. When an individual moves or an AFH-DD closes, copies of pertinent information must be transferred to the new place of residence for the individual.

(e) Providers must comply with ORS 179.505 in all other matters pertaining to confidential records and release of information.

(2) INDIVIDUAL ACCOUNT RECORDS. For those individuals not yet capable of managing money as determined by the ISP team or legal representative of the individual, the provider must prepare, maintain, and keep current a separate and accurate written record of all money received or disbursed on behalf of or by the individual.

(a) The account record must include:

(A) The date, amount, and source of income received;

(B) The date, amount, and purpose of funds disbursed; and

(C) The signature of the provider or caregiver making each entry.

(b) Purchases of \$10.00 or more made on behalf of an individual must be documented by receipts unless an alternate amount is otherwise specified by the ISP team.

(c) Personal Incidental Funds (PIF) are to be used at the discretion of the individual for things, such as clothing, video games, and snacks (not part of daily diet) as addressed in the ISP for the individual.

(d) Each account record must include the disposition of the room and board fee that the individual pays to the provider at the beginning of each month.

(e) REIMBURSEMENT TO INDIVIDUAL. The provider must reimburse the individual any funds that are missing due to theft or mismanagement on the part of the provider, resident manager, or caregiver of the AFH-DD, or for any funds within the custody of the provider that are missing. Such reimbursement must be made within 10 business days of the verification that funds are missing.

(f) Financial records must be maintained for at least seven years.

(3) PERSONAL PROPERTY RECORD. A provider must prepare and maintain an accurate individual written record of personal property that has significant emotional or monetary value to each individual as determined by a documented ISP team or legal representative decision. The personal property record must include:

(a) The description and identifying number (if any);

(b) Date of inclusion in the record;

(c) Date and reason for removal from record;

(d) Signature of provider making each entry; and

(e) A signed and dated annual review of the personal property record for accuracy.

(4) INDIVIDUAL SUPPORT PLAN. A health and safety transition plan must be developed for an individual at the time of entry for the first 60 days of care and services. An updated ISP must be developed by the end of 60 days. The ISP must be updated at least annually and more often when the support needs of the individual change.

(a) A completed ISP must be documented on the Department-mandated ISP Form and include the following:

(A) What is most important to the individual and what works and doesn't work;

(B) The care, services, and support needs as identified by a functional needs assessment;

(C) The type and frequency of care, services, and supports to be provided; and

(D) The person responsible for carrying out the care, services, and supports.

(b) As of July 1, 2014, a Career Development Plan must be attached to the ISP of an adult in accordance with OAR 411-345-0160.

(c) For an individual in employment services or other Department-funded day services, a copy of the plan maintained by the provider for employment services or other Department-funded day services must be integrated or attached to the ISP for the individual.

(d) The ISP must include at least six hours of activities each week that are of interest to the individual that do not include television or movies made available by the provider. Activities are those available in the community and made available or offered by the provider or the CDDP.

(A) Activities may include:

(i) Recreational and leisure activities; and

(ii) Other activities required to meet the needs of an individual as described in the ISP for the individual.

(B) Activities may not include:

(i) Rehabilitation;

(ii) Educational services; or

(iii) Employment services.

(5) HOUSE RULES.

(a) A provider must establish house rules regarding hours, visitors, designated smoking areas, alcohol, use and presence of medical marijuana, meal times, use of telephones and kitchen, monthly charges and services to

# ADMINISTRATIVE RULES

be provided, and policies on refunds in case of departure, hospitalization, or death. The house rules must also include:

(A) House rules specific to the immediate notification of substantiated abuse as described in OAR 411-360-0210; and

(B) Any restrictions the AFH-DD may have on the use and presence of alcohol, tobacco, medical marijuana (if applicable), pets, visiting hours, dietary restrictions, or religious preference.

(i) Use of tobacco must be in compliance with the Oregon Indoor Clean Air Act and OAR 411-360-0130.

(ii) Use and presence of medical marijuana must be in compliance with the Oregon Medical Marijuana Act and OAR 411-360-0140. The house rules for medical marijuana must be reviewed and approved by the Department. If an individual intends to use medical marijuana in the AFH-DD, the house rules for medical marijuana must be signed and dated by the individual or the legal representative of the individual and included in the record for the individual.

(b) House rules may not violate the rights of an individual as stated in ORS 430.210, ORS 443.739, OAR 411-318-0010, and described in section (9) of this rule.

(c) House rules may not be in conflict with the family atmosphere of the AFH-DD or any of these rules.

(d) House rules are subject to review and approval by the Department prior to the issuance of a license and prior to implementing changes.

(e) A provider must discuss and provide a copy of the house rules to each individual and the legal representative of the individual at the time of entry and annually or as changes occur. The provider must document in the file for the individual that a copy of the house rules was provided.

(f) House rules must be posted in a conspicuous location in the AFH-DD that is accessible to individuals and visitors.

(6) UNUSUAL INCIDENTS. A written report of all unusual incidents relating to an individual must be sent to the CDDP within five business days of the incident. The report must include how and when the incident occurred, who was involved, what action was taken by the provider or caregiver, the outcome to the individual, and what action is being taken to prevent the reoccurrence of the incident.

(7) GENERAL INFORMATION. The provider must maintain all other information or correspondence pertaining to the individual.

(8) MONTHLY PROGRESS NOTES. The provider must maintain and keep current monthly progress notes for each individual residing in the AFH-DD that include, at a minimum, the progress of the ISP supports, any medical, behavioral, or safety issues, or any other events that are significant to the individual.

(9) BILL OF RIGHTS FOR INDIVIDUALS.

(a) The provider must abide by the Bill of Rights for individuals.

(b) The Bill of Rights must be posted in a conspicuous location in the AFH-DD that is accessible to individuals and the legal representatives of the individuals. The Bill of Rights must include the name and phone number of the office to call in order to report a complaint.

(c) The provider must explain and provide a copy of the Bill of Rights along with a description of how to exercise these rights to each individual and the legal representative of the individual at the time of entry and document in the file for the individual that a copy of the Bill of Rights was provided.

(d) The provider must review the Bill of Rights with each individual and the legal representative of the individual annually or as changes occur.

(e) The Bill of Rights states each individual has the right to:

(A) Be treated as an adult with respect and dignity;

(B) Be free from abuse and neglect;

(C) Be encouraged and assisted to exercise constitutional and legal rights as a citizen including the right to vote;

(D) Receive appropriate care and services and prompt health care as needed;

(E) Have adequate personal privacy and privacy to associate and communicate privately with any person of choice, such as family members, friends, advocates, and legal, social service, and medical professionals;

(F) Send and receive personal mail unopened and engage in telephone conversations as explained in OAR 411-360-0130;

(G) Have access to and participate in activities of social, religious, and community groups;

(H) Be able to keep and use personal clothing and possessions as space permits;

(I) Be free of discrimination in regard to race, color, national origin, gender, sexual orientation, or religion;

(J) Manage his or her financial affairs unless determined unable by the ISP team or legally restricted;

(K) Have a safe and secure environment;

(L) Have a written agreement regarding the services to be provided;

(M) Voice grievance without fear of retaliation;

(N) Have freedom from training, treatment, chemical restraint, or protective physical interventions except as agreed to, in writing, in the ISP for an individual;

(O) Have freedom from mechanical restraint, except as approved by the Department;

(P) Be allowed and encouraged to learn new skills, to act on his or her own behalf to his or her maximum ability and to relate to others in an age appropriate manner;

(Q) Have an opportunity to exercise choices including such areas as food selection, personal spending, friends, personal schedule, leisure activities, and place of residence;

(R) Be free from punishment. Behavior intervention programs must be approved in writing in the ISP for an individual;

(S) Have the opportunity to contribute to the maintenance and normal activities of the household;

(T) Have access and opportunity to interact with people with or without disabilities; and

(U) Have the right to not be transferred or moved without advance notice as provided in ORS 443.739(18) and OAR 411-088-0070 and the opportunity for a hearing as provided in ORS 443.738(11)(c) and OAR 411-088-0080.

(10) AFH-DD records must be kept current and maintained by the provider and be available for inspection upon request.

(11) EMPLOYMENT RECORDS. AFH-DD records must include proof that the provider, resident manager, and any other caregivers have met the minimum qualifications as required by OAR 411-360-0110. The following documentation must be included in the AFH-DD record and made available for review upon request:

(a) Completed employment applications including the names, addresses, and telephone numbers of all caregivers employed by the provider. An application for employment in any capacity in an AFH-DD must include a question asking whether the person applying for employment has ever been found to have committed abuse;

(b) Proof that the provider has the approval from the Department for each subject individual, as defined in OAR 411-360-0020, to have contact with older adults, adults with disabilities, or adults with intellectual or developmental disabilities as a result of a background check as defined in OAR 407-007-0210;

(c) Proof of required training according to OAR 411-360-0120. Documentation must include the date of each training, subject matter, name of agency or organization providing the training, and number of training hours;

(d) A certificate to document completion of the Department's Basic Training Course for the provider, resident manager, and substitute caregivers;

(e) Proof of mandatory abuse report training for the provider, resident manager, and substitute caregivers;

(f) Proof of any additional training required for the specific classification of an AFH-DD or the provider, resident manager, and all caregivers; and

(g) Documentation of caregiver orientation to the AFH-DD, training of emergency procedures, training on the ISPs for individuals, and training on behavior supports and the Nursing Service Plan (if applicable).

## 411-360-0190

### Standards for Admission, Transfers, Respite, Crisis Placements, Exit, and Closures

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, gender, sexual orientation, national origin, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) QUALIFICATIONS FOR DEPARTMENT-FUNDED SERVICES. An individual who enters an AFH-DD is subject to eligibility as described in this section.

# ADMINISTRATIVE RULES

(a) To become a Department-funded resident of an AFH-DD, an individual must:

- (A) Be an Oregon resident;
- (B) Be eligible for OHP Plus;
- (C) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080;
- (D) Meet the level of care as defined in OAR 411-320-0020; and
- (E) Be an individual who is not receiving other Department-funded in-home or other funded comprehensive residential services.

(b) To be eligible for Department-funded relief care in an AFH-DD, an individual must:

- (A) Meet the criteria in subsection (2)(a)(A-D) of this section;
- (B) Be referred by a CDDP or Brokerage; and
- (C) Not be receiving services in a 24-hour residential setting as described in OAR chapter 411, division 325 or a supported living setting as described in OAR chapter 411, division 328.

(c) TRANSFER OF ASSETS.

(A) As of October 1, 2014, an individual receiving medical benefits under OAR chapter 410, division 200 requesting Medicaid coverage for services in a nonstandard living arrangement (see OAR 461-001-0000) is subject to the requirements of the rules regarding transfer of assets (see OAR 461-140-0210 to 461-140-0300) in the same manner as if the individual was requesting these services under OSIPM. This includes, but is not limited to, the following assets:

- (i) An annuity evaluated according to OAR 461-145-0022;
- (ii) A transfer of property when an individual retains a life estate evaluated according to OAR 461-145-0310;
- (iii) A loan evaluated according to OAR 461-145-0330; or
- (iv) An irrevocable trust evaluated according to OAR 461-145-0540;
- (B) When an individual is considered ineligible due to a disqualifying transfer of assets, the individual must receive a notice meeting the requirements of OAR 461-175-0310 in the same manner as if the individual was requesting services under OSIPM.

(3) ENTRY. All individuals considered for entry into the AFH-DD must:

- (a) Be referred by the CDDP or have prior written approval of the CDDP or Department if the services for the individual are paid for by the Department; or
- (b) Be placed with the agreement of the CDDP if the individual is either private pay or not eligible for developmental disability services.

(4) DOCUMENTATION UPON ENTRY.

(a) At the time of a referral from the CDDP, a provider must be given:

- (A) A copy of the eligibility determination document for an individual;

- (B) A statement indicating the safety skills of the individual including the ability of the individual to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

- (C) A brief written history of any behavioral challenges of the individual including supervision and support needs;

- (D) The medical history of the individual and information on health care support that includes when available:

- (i) The results of the most recent physical exam;
- (ii) The results of any dental evaluation;
- (iii) A record of immunizations;
- (iv) A record of known communicable diseases and allergies; and
- (v) A record of major illnesses and hospitalizations.

- (E) A written record of the current or recommended medications, treatments, diets, and aids to physical functioning for the individual;

- (F) Copies of documents relating to the guardianship or conservatorship of the individual, health care representation of the individual, or any other legal restrictions on the rights of the individual (if applicable);

- (G) A copy of the most recent Behavior Support Plan and assessment, ISP, Nursing Service Plan, and Individualized Education Program (if applicable); and

- (H) Copies of protocols, risk tracking record, and any support documentation (if available).

(b) If an individual is being admitted from the family home of the individual and the information required in subsection (a) of this section is not available, the provider must assess the individual upon entry for issues of immediate health or safety and document a plan to secure the remaining information no later than 30 days after entry. The plan must include a written justification as to why the information is not available.

(5) ENTRY MEETING. An ISP team meeting must be conducted prior to an individual entering an AFH-DD. The findings of the ISP team

meeting must be recorded in the file for the individual and include, at a minimum:

- (a) The name of the individual proposed for services;
- (b) The date of the meeting and the date determined to be the date of entry for the individual;

- (c) Documentation of the participants included in the meeting;
- (d) Documentation of the pre-entry information required by section (4) of this rule;

- (e) Documentation of the decision to serve the individual requesting services; and

- (f) A written Transition Plan for no longer than 60 days after entry that includes all medical, behavior, and safety supports needed by the individual.

(6) The provider retains the right to deny the entry of any individual if the provider feels the support needs of the individual may not be met by the provider or for any other reason specifically prohibited by these rules.

(7) An AFH-DD may not be used as a site for foster care for children, adults from other agencies, or any other type of shelter or day care without the written approval of the Department.

(8) TRANSFERS.

(a) An individual may not be transferred by a provider to another AFH-DD or moved out of the AFH-DD without 30 days advance written notice to the individual, the legal representative of the individual, and the CDDP stating reasons for the transfer as provided in ORS 443.739(18) and OAR 411-088-0070, and the right of the individual to a hearing as provided in ORS 443.738(11)(c) and OAR 411-088-0080, except for a medical emergency or to protect the welfare of the individual or other individuals. Individuals may only be transferred by a provider for the following reasons:

- (A) Behavior that poses a significant danger to the individual or others;

- (B) Failure to make payment for care and services;

- (C) The license for the AFH-DD has been suspended, revoked, not renewed, or the provider voluntarily surrendered the license;

- (D) The care and service needs of the individual exceed the ability of the provider; or

- (E) There is a mutual decision made by the individual, the legal representative of the individual, and the ISP team that a transfer is in the best interest of the individual and all ISP team members agree.

(b) Individuals who object to the transfer by the AFH-DD provider must be given the opportunity for a hearing as provided in ORS 443.738(11)(c) and OAR 411-088-0080. Participants may include the individual and at the request of the individual, the provider, a family member, and the CDDP. If a hearing is requested to appeal a transfer, the individual must continue to receive the same services until the appeal is resolved.

(9) RELIEF CARE.

(a) Relief care may be provided to one or more individuals if the addition of the individual receiving relief care in the AFH-DD does not cause the capacity of the AFH-DD as determined by OAR 411-360-0060 to exceed five. Relief care may not be provided for longer than 14 days duration without prior approval from the Department. A provider may exceed the licensed capacity of the AFH-DD by one or more individuals receiving relief care if:

- (A) Approved by the Department;

- (B) The capacity of the AFH-DD as determined by OAR 411-360-0060 does not exceed five; and

- (C) There is adequate bedroom and living space available in the AFH-DD for the individuals receiving relief care.

(b) The provider must have information sufficient to provide for the health and safety of an individual receiving relief care that includes the following:

- (A) Medications provided in a container labeled from a pharmacy or in the original container labeled from the manufacturer;

- (B) A list of medications, administration times, and self-administration information as needed. Administration of medication must be documented on a MAR;

- (C) Basic summary sheet for the individual that includes the following:

- (i) The name of the physician of the individual and the phone number for the physician;

- (ii) The name of the emergency contact person of the individual and the phone number for the emergency contact;

- (iii) List of supports related to food and drink (textures, special diets, allergies, preferences);

- (iv) List of supports related to health supports;

# ADMINISTRATIVE RULES

(v) List of supports related to safety including ability to adjust water temperature; and

(vi) List of supports related to challenging behaviors.

(c) On the first relief care visit of an individual, the provider must practice and document a fire drill immediately upon the arrival of the individual. For subsequent relief care visits, the provider must review the fire evacuation procedures with the individual and document the review.

(d) No use of PRN (as needed) psychotropic medications is allowed.

(10) CRISIS SERVICES.

(a) All individuals considered for crisis services received in an AFH-DD must:

(A) Be referred by the CDDP or Department;

(B) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080; and

(C) Have a written Crisis Plan developed by the CDDP or Regional Crisis Diversion Program that serves as the justification for, and the authorization of, care, services and supports, and expenditures pertaining to an individual receiving crisis services provided under this rule.

(b) An individual receiving support services under OAR chapter 411, division 340 and receiving crisis services in an AFH-DD must have a Support Services ISP and a Support Services Brokerage Crisis Addendum upon the entry of the individual to the AFH-DD.

(c) Individuals not enrolled in support services receiving services to avert a crisis situation for less than 90 days must have a Transition Plan at the time of entry that addresses any critical information relevant to the health and safety of the individual including the current orders of a physician.

(d) An entry meeting as described in section (5) of this rule is required for an individual receiving crisis services in an AFH-DD.

(e) An exit meeting as described in section (11) of this rule is required for an individual receiving crisis services in an AFH-DD when the individual exits the AFH-DD.

(f) An individual receiving crisis services in an AFH-DD does not have appeal rights regarding exit upon completion of the Crisis Plan for the individual.

(11) IMMEDIATE EXIT.

(a) An individual who was admitted on or after July 1, 2014 may be moved without advance notice if all of the following are met:

(A) The AFH-DD provider was not notified prior to the entry of the individual to the AFH-DD that the individual is on probation, parole, or post-prison supervision after being convicted of a sex crime; and

(B) The AFH-DD provider learns that the individual is on probation, parole, or post-prison supervision after being convicted of a sex crime; and

(C) The individual presents a current risk of harm to another individual, staff, or visitor in the AFH-DD as evidenced by:

(i) Current or recent sexual inappropriateness, aggressive behavior of a sexual nature, or verbal threats of a sexual nature; or

(ii) Current communication from the State Board of Parole and Post-Prison Supervision, Department of Corrections, or community corrections agency parole or probation officer that the Static 99 score for the individual or other assessment indicates a probable sexual re-offense risk to others in the AFH-DD.

(b) Prior to the move, the AFH-DD provider must contact the Central Office of the Department by telephone to review the criteria in subsection (a) of this section. The Department shall respond within one business day of contact by the AFH-DD. The parole or probation officer of the Department of Corrections must be included in the review, if available. The Department shall advise the AFH-DD provider if rule criteria for immediate exit are not met. The Department shall assist in locating placement options.

(c) A written move-out notice must be completed on form number SDS 0719DD. The form must be filled out in its entirety and a copy of the notice must be delivered in person to the individual or if applicable the legal representative of the individual. Where an individual lacks capacity and there is no legal representative, a copy of the notice to move-out must be immediately faxed to the State Long Term Care Ombudsman.

(d) Prior to the move, the AFH-DD licensee must orally review the notice and the right to object with the individual, or as applicable the legal representative of the individual, and determine if a hearing is requested. A request for hearing does not delay the exit. The AFH-DD must immediately telephone the Central Office of the Department when a hearing is requested. The hearing must be held within five business days of the exit of the individual. An informal conference may not be held prior to the hearing.

(12) EXIT.

(a) A provider may only exit an individual for valid reasons equivalent to those for transfers as described in section (8)(a) of this rule or for an immediate exit as described in section (11) of this rule.

(b) The provider must give at least 30 days written notice to an individual, the services coordinator, and the Department before termination of residency, unless an immediate exit as described in section (11) of this rule or where undue delay might jeopardize the health, safety, or well-being of the individual or others. If an individual requests a hearing to appeal an exit from an AFH-DD, the individual must receive the same services until the appeal is resolved. This does not apply to an immediate exit as described in section (11) of this rule.

(c) The provider must promptly notify the CDDP in writing if an individual gives notice or plans to leave the AFH-DD or if an individual abruptly leaves. An individual is not required to give notice to an AFH-DD provider if the individual chooses to exit the AFH-DD.

(13) EXIT MEETING. An ISP team must meet before any decision to exit is made. Findings of such a meeting must be recorded in the file for an individual and include, at a minimum:

(a) The name of the individual considered for exit;

(b) The date of the exit meeting;

(c) Documentation of the participants included in the meeting;

(d) Documentation of the circumstances leading to the proposed exit;

(e) Documentation of the discussion of strategies to prevent the exit of the individual from the AFH-DD (unless the individual or the legal representative of the individual is requesting the exit or the individual must exit immediately as described in section (11) of this rule);

(f) Documentation of the decision regarding the exit of the individual, including verification of the voluntary decision to exit or a copy of the Notice of Involuntary Transfer or Exit; and

(g) Documentation of the proposed plan for services for the individual after the exit.

(14) WAIVER OF EXIT MEETING. Requirements for an exit meeting may be waived if an individual is immediately removed from the AFH-DD under the following conditions:

(a) The individual or the legal representative of an individual requests an immediate move from the AFH-DD; or

(b) The individual is removed by legal authority acting pursuant to civil or criminal proceedings.

(15) CLOSURE. Providers must notify the Department and CDDP in writing prior to announcing a voluntary closure of the AFH-DD to individuals and the legal representatives of the individuals.

(a) The provider must give each individual, the legal representative of the individual, and the CDDP 30 days written notice of the planned closure, except in circumstances where undue delay might jeopardize the health, safety, or welfare of the individuals, provider, or caregivers.

(b) If a provider has more than one AFH-DD, the individuals may not be shifted from one AFH-DD to another AFH-DD without providing each individual, the legal representative of the individual, and the CDDP 30 days written notice of the planned closure, unless prior approval is given and agreement obtained from the individuals, the legal representative of the individuals, and the CDDP or when undue delay might jeopardize the health, safety, or well-being of the individuals, provider, or caregivers.

(c) A provider must return the AFH-DD license to the Department if the AFH-DD closes prior to the expiration of the license.

## 411-360-0250

### Conditions

(1) The Department may attach conditions to a license that take effect immediately upon notification by the Department or the delivery of the notice of condition whichever is sooner. The type of conditions attached to an AFH-DD license must directly relate to a risk of harm or potential risk of harm to individuals. The Department may attach a condition to a license upon a finding that:

(a) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of individuals;

(b) A threat to the health, safety, or welfare of an individual exists;

(c) There is evidence of abuse, neglect, or exploitation; or

(d) The AFH-DD is not being operated in compliance with these rules.

# ADMINISTRATIVE RULES

(2) Conditions that the Department may impose on a license include, but are not limited to:

(a) Restricting the total number of individuals in the AFH-DD based upon the ability of the licensee to meet the health and safety needs of the individuals;

(b) Restricting the total number and impairment level of individuals in the AFH-DD based upon the capacity of the caregivers to meet the health and safety needs of all individuals;

(c) Requiring additional caregivers to meet the needs of the individuals;

(d) Requiring additional qualifications or training of the licensee and caregivers to meet specific individual care and service needs;

(e) Requiring additional documentation;

(f) Restricting a provider from opening an additional AFH-DD;

(g) Restricting entry:

(A) When there is a threat of harm to the individuals of the AFH-DD and admitting new individuals compounds that threat; or

(B) When the Department has issued a notice of intent to revoke or not renew the license; and

(h) Restricting a licensee from allowing a person on the premises who may be a threat to the health, safety, or welfare of an individual.

(3) The Department issues a written notice to the provider when the Department imposes conditions to a license. The written notice of conditions includes the conditions imposed by the Department, the reason for the conditions, and the opportunity to request a hearing under ORS chapter 183.

(4) The licensee may request a hearing in accordance with ORS Chapter 183 and this rule upon written notice of the imposition of conditions.

(a) The licensee must request a hearing within 21 days from the receipt of the written notice of conditions. Conditions take effect immediately upon issuance of the written notice of conditions and are a Final Order of the Department unless later rescinded through the hearings process.

(b) In addition to, or in lieu of a hearing, a licensee may request an administrative review by the Director of the Department. The administrative review does not diminish the right of the licensee to a hearing.

(5) Conditions imposed remain in effect until the Department has sufficient cause to believe the situation that warranted the condition has been remedied. The licensee may send a written request to the Department to remove a condition if the licensee believes the situation that warranted the condition has been remedied.

(6) Conditions must be posted with the AFH-DD license in a prominent location in the AFH-DD and be available for inspection at all times.

Stat. Auth.: ORS 409.050, 410.070, 443.725, 443.730, 443.735, 443.738, 443.742, 443.760, 443.765, 443.767, 443.775, & 443.790

Stats. Implemented: ORS 443.705 - 443.825

Hist.: SPD 3-2005, f. 1-10-05, cert. ef. 2-1-05; SPD 13-2010, f. 6-30-10, cert. ef. 7-1-10; SPD 5-2012, f. & cert. ef. 5-29-12; SPD 34-2013, f. & cert. ef. 9-27-13; APD 29-2014(Temp), f. & cert. ef. 7-1-14 thru 12-28-14; APD 47-2014, f. 12-26-14, cert. ef. 12-28-14

## 411-360-0275

### Suspension

(1) The Department may suspend a license for reasons of abuse, neglect, or exploitation of an individual if:

(a) An immediate threat to the health, safety, or welfare of any individual exists;

(b) There is evidence of abuse, neglect, or exploitation of any individual;

(c) The AFH-DD is not operated in compliance with ORS 443.705 to 443.825 or the rules adopted there under; or

(d) The provider has been found to have been convicted of a crime that would have resulted in a denied fitness determination of a background check.

(2) The licensee may request an administrative review of the decision of the Department to suspend an AFH-DD license. The Department must receive a written request for an administrative review within 10 days from the receipt of the notice and order of suspension.

(a) Within 10 days from the receipt of the request for an administrative review from the licensee, all material relating to the allegation of abuse, neglect, or exploitation and the suspension of the AFH-DD license, including any written documentation submitted by the licensee within that timeframe, is reviewed by the Director of the Department. Based on review of the material, the Director determines whether to sustain the decision to suspend the AFH-DD license.

(b) A suspension is rescinded immediately if the Director does not sustain the decision to suspend the AFH-DD license.

(c) The decision of the Director is subject to a hearing under ORS Chapter 183 if requested within 90 days from the date of the decision of the administrative review.

(3) In the event the license to maintain an AFH-DD is ordered immediately suspended, the Department withholds service payments until the license is reinstated.

(4) For the protection of the individuals, the Department arranges for the individuals in the AFH-DD to move when the AFH-DD license is suspended.

Stat. Auth.: ORS 409.050, 410.070, 443.725, 443.730, 443.735, 443.738, 443.742, 443.760, 443.765, 443.767, 443.775, & 443.790

**Subject:** The Department of Human Services (Department), Office of Developmental Disability Services is permanently adopting rules in OAR chapter 411, division 375 for personal support workers providing home and community-based waiver, state plan, and general fund home care services to individuals eligible for developmental disability services and receiving supports authorized by the Department, Children's Intensive In-Home Services (CIIS), Community Developmental Disability Programs (CDDPs), or Support Services Brokerages (Brokerages).

The rules make permanent the temporary rule language that became effective on July 1, 2014 that established the standards and procedures governing personal support workers and the fiscal services provided on behalf of individuals who employ or contract with personal support workers.

**Rules Coordinator:** Kimberly Colkitt-Hallman—(503) 945-6398

## 411-375-0000

### Purpose

(1) The rules in OAR chapter 411, division 375 establish the standards and procedures governing personal support workers and the fiscal services provided on behalf of individuals who employ or contract with a personal support worker.

(2) Personal support workers provide home and community-based waiver, state plan, and general fund home care services to individuals eligible for developmental disability services and receiving supports authorized by the Department, Children's Intensive In-Home Services (CIIS), Community Developmental Disability Programs (CDDP), or Support Services Brokerages.

## 411-375-0010

### Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 375.

(1) "Abuse" means:

(a) For a child:

(A) "Abuse" as defined in ORS 419B.005; and

(B) "Abuse" as defined in OAR 407-045-0260 when a child resides in a 24-hour residential setting licensed by the Department as described in OAR chapter 411, division 325.

(b) For an adult, "abuse" as defined in OAR 407-045-0260.

(2) "Active Provider Number" means an identifying number that is issued by the Department to a personal support worker after the personal

## ADMINISTRATIVE RULES

support worker completes the qualification and enrollment conditions as described in OAR 411-375-0020. An Active Provider Number is a provider number that is not currently in inactivated or terminated status.

(3) "ADL" means "activities of daily living". ADL are basic personal everyday activities, such as eating, using the restroom, grooming, dressing, bathing, and transferring.

(4) "Background Check" means a criminal records and abuse check as defined in OAR 407-007-0210.

(5) "Burden of Proof" means that the existence or nonexistence of a fact is established by a preponderance of the evidence.

(6) "CDDP" means "Community Developmental Disability Program" as defined in OAR 411-320-0020.

(7) "CIIS" means "children's intensive in-home services". CIIS include the services described in:

(a) OAR chapter 411, division 300 for the Children's Intensive In-Home Services, Behavior Program;

(b) OAR chapter 411, division 350 for Medically Fragile Children's services; and

(c) OAR chapter 411, division 355 for the Medically Involved Children's Program.

(8) "Collective Bargaining Agreement" means the Collective Bargaining Agreement between the Home Care Commission and the Service Employees International Union, Local 503, Oregon Public Employees Union regarding wages, hours, rules, and working conditions.

(9) "Community Transportation" is transportation provided to enable an individual to gain access to community-based state plan and waiver services, activities, and resources that are not medical in nature. Community transportation is provided in the area surrounding the home of the individual that is commonly used by people in the same area to obtain ordinary goods and services.

(10) "Comprehensive Services" means "comprehensive services" as defined in OAR 411-320-0020.

(11) "Confidentiality" means the conditions for use and disclosure of specific information governed by other laws and rules including, but not limited to, OAR 407-014-0000 to 407-014-0070 (Privacy of Protected Information).

(12) "Department" means the Department of Human Services.

(13) "Designated Representative" means any adult, such as a parent, family member, guardian, advocate, or other person, who is chosen by an individual or the legal representative of the individual, not a paid provider for the individual, and authorized by the individual or the legal representative of the individual to serve as the representative of the individual or the legal representative of the individual in connection with the provision of funded supports. An individual or a legal representative of the individual is not required to appoint a designated representative.

(14) "Developmental Disability" means "developmental disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(15) "Director" means the Director of the Department of Human Services, Office of Developmental Disability Services or the designee of the Director.

(16) "Employed Personal Support Worker" means a personal support worker who is hired by an individual with an intellectual or developmental disability or the representative of the individual. An employed personal support worker is not an independent contractor.

(17) "Employer" means the person who conducts the employer responsibilities described in these rules and applicable rules for home care services. The employer may be the individual or a person selected by the individual or the legal representative of the individual.

(18) "Enhanced Personal Support Worker" means a personal support worker who is certified by the Home Care Commission to provide services for individuals who require advanced medical or behavioral driven services and supports as defined and assessed through a functional needs assessment tool.

(19) "Exceptional Personal Support Worker" means a personal support worker who is certified by the Home Care Commission to provide services for individuals who require extensive medical or behavioral driven services and supports, beyond the enhanced services provided by an enhanced personal support worker, as assessed by a functional needs assessment tool and whose service needs also require staff to be awake more than twenty hours in a twenty-four hour period.

(20) "Evidence" means testimony, writings, material objects, or other things presented to the senses that are offered to prove the existence or nonexistence of a fact.

(21) "FICA" means "Federal Insurance Contributions Act".

(22) "Fiscal Improprieties" means financial misconduct involving the money, property, or benefits of an individual.

(a) Fiscal improprieties include, but are not limited to, financial exploitation, borrowing money from an individual, taking property or money from an individual, having an individual purchase items for the personal support worker, forging the signature of an individual, falsifying payment records, claiming payment for hours not worked, or similar acts intentionally committed for financial gain.

(b) Fiscal improprieties do not include the exchange of money, gifts, or property between a personal support worker and an individual with whom the personal support worker is related unless an allegation of financial exploitation, as defined in OAR 411-020-0002 or OAR 407-045-0260, has been substantiated based on an adult protective services investigation.

(23) "Fiscal Intermediary" means a person or entity that receives and distributes service funds on behalf of an individual who employs or contracts with a personal support worker to provide home care services.

(24) "Hearing" means a contested case hearing subject to OAR 137-003-0501 to 137-003-0070, which results in a Final Order.

(25) "Home Care Services" mean the services provided in accordance with:

(a) OAR chapter 411, division 034 for state plan personal care services;

(b) OAR chapter 411, division 300 for the Children's Intensive In-Home Services, Behavior Program;

(c) OAR chapter 411, division 305 for family support services for children with intellectual or developmental disabilities;

(d) OAR chapter 411, division 308 for in-home support for children with intellectual or developmental disabilities;

(e) OAR chapter 411, division 330 for comprehensive in-home support for adults with intellectual or developmental disabilities;

(f) OAR chapter 411, division 340 for support services for adults with intellectual or developmental disabilities;

(g) OAR chapter 411, division 345 for employment services for individuals with intellectual or developmental disabilities;

(h) OAR chapter 411, division 350 for medically fragile children's services; or

(i) OAR chapter 411, division 355 for the Medically Involved Children's Program.

(26) "IADL" means "instrumental activities of daily living". IADL include activities other than ADL required to continue independent living, such as:

(a) Meal planning and preparation;

(b) Budgeting;

(c) Shopping for food, clothing, and other essential items;

(d) Performing essential household chores;

(e) Communicating by phone or other media; and

(f) Traveling around and participating in the community.

(27) "Imminent Danger" means there is reasonable cause to believe the life or physical, emotional, or financial well-being of an individual is in danger if no intervention is immediately initiated.

(28) "Inactive Provider Number" means a personal support worker has a Department issued provider number that has been terminated or inactivated by the failure to act in accordance with the qualifying actions as described in OAR 411-375-0020. A personal support worker may not be paid for work performed while their provider number is inactive.

(29) "Independent Contractor" means "independent contractor" as defined in ORS 670.600.

(30) "Individual" means a child or an adult with an intellectual or developmental disability applying for, or determined eligible for, Department-funded services. Unless otherwise specified, references to individual also include the legal or designated representative of the individual, who has the ability to act for the individual and exercise the rights of the individual.

(31) "Intellectual Disability" means "intellectual disability" as defined in OAR 411-320-0020 and described in 411-320-0080.

(32) "ISP" means "Individual Support Plan". An ISP includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering that is driven by the individual. The ISP reflects services and supports that are important for the individual to meet the needs of the individual identified through a functional needs assessment as well as the preferences of the individual for providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether serv-

# ADMINISTRATIVE RULES

ices are provided through a waiver, the Community First Choice state plan, natural supports, or alternative resources.

(33) "Lack of Skills, Knowledge, or Ability to Adequately or Safely Provide Home Care Services" means a personal support worker does not possess the skills to perform home care services as defined in this rule. The personal support worker may not be physically, mentally, or emotionally capable of providing home care services. The lack of skills may put an individual at risk because the personal support worker fails to perform, or learn to perform, the duties needed to adequately meet the needs of the individual.

(34) "Legal Representative":

(a) For a child, means the parent of the child unless a court appoints another person or agency to act as the guardian of the child; and

(b) For an adult, means an attorney at law who has been retained by or for an individual, a person acting under the authority granted in a power of attorney, or a person or agency authorized by a court to make decisions about services for an individual.

(35) "Mandatory Reporter":

(a) Means any public or private official as defined in OAR 407-045-0260 who:

(A) Comes in contact with a child with or without an intellectual or developmental disability and has reasonable cause to believe the child has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused a child, regardless of whether the knowledge of the abuse was gained in the official capacity of the public or private official; and

(B) While acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused an adult.

(b) Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, attorney, or guardian ad litem appointed under ORS 419B.231 is not required to report if the communication is privileged under ORS 40.225 to 40.295.

(36) "Office of Administrative Hearings" means the panel described in ORS 183.605 to 183.690 established within the Employment Department to conduct contested case proceedings and other such duties on behalf of designated state agencies.

(37) "Personal Agent" means "personal agent" as defined in OAR 411-340-0020.

(38) "Personal Support Worker":

(a) Means a person:

(A) Who has an active or inactive provider number.

(B) Who is either hired by an individual with an intellectual or developmental disability or the representative of the individual, or an independent contractor contracted by an individual with an intellectual or developmental disability or the representative of the individual;

(C) Who receives money from the Department for the purpose of providing home care services to an individual in the home or community of the individual;

(D) Whose compensation for providing home care services is provided in whole or in part through the Department, CDDP, CIIS, or Support Services Brokerage.

(b) This definition of personal support worker is intended to be interpreted consistently with ORS 410.600.

(39) "Preponderance of the Evidence" means the greater weight of evidence, such as 51 percent vs. 49 percent, that when weighed with the evidence opposed to it has more convincing force and probable truth and accuracy than not.

(40) "Protective Service and Abuse Rules" mean the rules described in OAR chapter 411, division 20, OAR chapter 407, division 45, and OAR chapter 943, division 45.

(41) "Provider" means a person, organization, or business selected by an individual or the representative of an individual and paid with service funds to provide home care services according to the ISP for the individual.

(42) "Provider Enrollment" means the process for enrolling a personal support worker employed or contracted by an individual for the purpose of receiving payment for authorized home care services provided to the individual. Provider enrollment includes the completion and submission of a Provider Enrollment Agreement before receiving a provider number.

(43) "Provider Number" means the identifying number issued to a personal support worker.

(44) "PSW" means "Personal Support Worker" as defined in this rule.

(45) "PSW-IC" means "Personal Support Worker-Independent Contractor". A PSW-IC is a personal support worker who is contracted by an individual with an intellectual or developmental disability or the representative of the individual. A PSW-IC is an independent contractor except for purposes of collective bargaining.

(46) "Registry" means the Provider Registry maintained by the Oregon Home Care Commission.

(47) "Restricted Personal Support Worker" means the Department or the designee of the Department has placed restrictions on the provider enrollment of a personal support worker as described in OAR 411-375-0020.

(48) "Service Agreement":

(a) Is the written agreement consistent with an ISP that describes at a minimum:

(A) Type of service to be provided;

(B) Hours, rates, location of services, and expected outcomes of services; and

(C) Any specific individual health, safety, and emergency procedures that may be required, including action to be taken if an individual is unable to provide for their own safety and the individual is missing while in the community under the service of a contractor or provider organization.

(b) For employed personal support workers, the service agreement serves as the written job description.

(49) "Service Funds" means state public funds or Medicaid funds used to purchase developmental disability services for individuals enrolled in home care services as defined in this rule.

(50) "Services Coordinator" means "services coordinator" as defined in OAR 411-320-0020.

(51) "Support Services Brokerage" means "Brokerage" as defined in OAR 411-340-0020.

(52) "These Rules" mean the rules in OAR chapter 411, division 375.

(53) "Unacceptable Background Check" means an administrative process that produces information related to the background of a person that precludes the person from being a personal support worker for one or more of the following reasons:

(a) Under OAR 407-007-0275, the person applying to be a personal support worker has been found ineligible due to ORS 443.004;

(b) Under OAR 407-007-0275, the person was enrolled as a personal support worker for the first time, or after any break in enrollment, after July 28, 2009 and has been found ineligible due to ORS 443.004; or

(c) A background check and fitness determination has been conducted resulting in a "denied" status as defined in OAR 407-007-0210.

Stat. Auth.: ORS 409.050

Stats. Implemented: ORS 410.600, 410.606-619, 427.007

Hist.: APD 30-2014(Temp), f. & cert. ef. 7-1-14 thru 12-28-14; APD 48-2014, f. 12-26-14, cert. ef. 12-28-14

## 411-375-0020

### Provider Enrollment and Personal Support Worker Qualifications and Orientation

(1) A personal support worker must possess an active provider number issued by the Department to receive service funds from the Department for providing home care services.

(2) An active provider number with the Department is not a guarantee that a personal support worker shall receive any minimum amount of work or payment from the Department, CDDP, CIIS, or Support Services Brokerage.

(3) The CDDP, CIIS, or Support Services Brokerage shall assist the Department in determining whether a personal support worker meets the minimum qualifications to provide the authorized home care services paid by the Department. This assistance may include, but is not limited to:

(a) Facilitating a background check;

(b) Verifying the legal eligibility of a personal support worker to work; and

(c) Reviewing and verifying the valid certifications or licenses for the personal support worker if required to perform needed home care services.

(4) The Department, CDDP, CIIS, or Support Services Brokerage may deny a provider enrollment in the following circumstances:

(a) The applicant has been suspended or terminated as a provider by another division within the Department or the Oregon Health Authority;

(b) The applicant has a history of violating protective service and abuse rules or has a founded report of child abuse or substantiated adult abuse;

(c) The applicant has committed fiscal improprieties;

(d) The applicant has demonstrated a lack of skills, knowledge, or ability to adequately or safely provide home care services;

# ADMINISTRATIVE RULES

(e) The applicant has an unacceptable background check or the background check results in a closed case pursuant to OAR 407-007-0325;

(f) The applicant is on the list of excluded or debarred providers maintained by the Office of the Inspector General (<http://exclusions.oig.hhs.gov/>);

(g) The Department, CDDP, CIIS, or Support Services Brokerage has information that enrolling the applicant as a personal support worker may put vulnerable individuals at risk; or

(h) The tax identification number or Social Security number for the applicant does not match the legal name of the applicant as verified by the Internal Revenue Service or Social Security Administration.

## (5) RESTRICTED PROVIDER ENROLLMENT.

(a) The Department may enroll an applicant as a restricted personal support worker. A restricted personal support worker may only provide services to a specific individual who is a family member, neighbor, or friend.

(A) After conducting a weighing test as described in OAR 407-007-0200 to 407-007-0370, the Department may approve a restricted enrollment for an applicant with a prior criminal record, unless under 407-007-0275 the applicant has been found ineligible due to ORS 443.004.

(B) The Department may approve a restricted enrollment for an applicant based on the lack of skills, knowledge, or ability of the applicant to adequately or safely provide home care services.

(b) To remove restricted personal support worker status, the applicant must complete a new application and background check and be approved by the Department.

(6) A personal support worker who is paid to provide home care services must:

(a) Be at least 18 years of age;

(b) Have approval to work based on a background check completed by the Department as described in OAR 407-007-0200 to 407-007-0370 and section (7) of this rule, and be free of convictions or founded allegations of abuse by the appropriate agency including, but not limited to, the Department, CDDP, CIIS, or Support Services Brokerage;

(c) Not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275 unless hired or contracted with prior to July 28, 2009 and remaining in the original position for which the personal support worker was hired or contracted for;

(d) Be legally eligible to work in the United States;

(e) Demonstrate by background, education, references, skills, and abilities that the personal support worker is capable of safely and adequately performing the tasks specified in an ISP, with such demonstration confirmed in writing by an individual or the representative of the individual, including:

(A) Ability and sufficient education to follow oral and written instructions and keep any required records;

(B) Possess the physical health, mental health, good judgment, and good personal character determined necessary to provide home care services;

(C) Ability to communicate with the individual; and

(D) Training of a nature and type sufficient to ensure that the personal support worker has knowledge of emergency procedures specific to the individual;

(f) Maintain confidentiality and safeguard individual information. Unless given specific permission by an individual or the representative of an individual, the personal support worker may not share any personal information about the individual including medical, social service, financial, public assistance, legal, or other personal details;

(g) Not be on the list of excluded or debarred providers maintained by the Office of the Inspector General (<http://exclusions.oig.hhs.gov/>);

(h) Complete and submit a Provider Enrollment Agreement to the Department and possess a current provider number issued by the Department;

(i) Have a tax identification number or Social Security number that matches the legal name of the personal support worker as verified by the Internal Revenue Service or Social Security Administration; and

(j) If providing home care services requiring professional licensure, possess a current and unencumbered license. The individual, representative of the individual, Department, CDDP, CIIS, or Support Service Brokerage must check the license status to verify the license is current and unencumbered.

## (7) BACKGROUND CHECKS.

(a) A subject individual as defined in OAR 407-007-0210 may be approved for one position to work statewide when the subject individual is working in the same employment role with the same population. The

Background Check Request Form must be completed by the subject individual to show intent to work statewide.

(b) When a personal support worker is approved without restrictions following a background check fitness determination, the approval must meet the personal support worker provider enrollment requirement whether the qualified entity is the Department, CDDP, CIIS, or Support Services Brokerage.

(c) If a personal support worker has been approved under OAR 407-007-0200 to 407-007-0370 on a background check submitted to the Department between July 1, 2012 and June 30, 2014, the personal support worker may use that approval notice to work statewide with the same population until a new background check is needed. Statewide clearance does not apply to a restricted personal support worker.

(d) Background check approval is effective for two years from the date of fitness determination to provide home care services except in the following circumstances:

(A) A new fitness determination is conducted resulting in a change in approval status; or

(B) The Department has terminated the provider enrollment for the personal support worker.

(e) The Department, CDDP, CIIS, or Support Services Brokerage may conduct a background recheck more frequently based on;

(A) Additional information discovered about the personal support worker, such as possible criminal activity or other allegations; or

(B) At the request of the individual or employer. Upon request, the personal support worker must provide any additional info to complete the updated background recheck within 30 days.

(f) A personal support worker must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290 to the Department, CDDP, CIIS, or Support Services Brokerage within 24 hours.

## (8) ORIENTATION.

(a) A personal support worker who wants to be available for referral on the Registry must attend a Personal Support Worker Orientation provided by the Department consistent with OAR 418-020-0020.

(b) A personal support worker must attend a Personal Support Worker Orientation consistent with the Collective Bargaining Agreement.

(9) ENHANCED AND EXCEPTIONAL PERSONAL SUPPORT WORKERS. Enhanced Personal Support Workers and Exceptional Personal Support Workers must meet the certification requirements as described in OAR 418-020-0030.

Stat. Auth.: ORS 409.050

Stats. Implemented: ORS 410.600, 410.606-619, 427.007

Hist.: APD 30-2014(Temp), f. & cert. ef. 7-1-14 thru 12-28-14; APD 48-2014, f. 12-26-14, cert. ef. 12-28-14

## 411-375-0030

### Personal Support Worker-Individual Relationship

(1) A personal support worker may not be:

(a) The parent of the individual if the individual is less than 18 years of age;

(b) The legal representative who has not appointed a designated representative to plan supports for the individual;

(c) A designated representative of the individual.; or

(d) The spouse of the individual.

(2) For an employed personal support worker, the relationship between a personal support worker and an individual or the representative of the individual is an employee and employer relationship.

(3) For a PSW-IC, the relationship between a PSW-IC and an individual or the representative of the individual is a contractor relationship.

(4) It is the responsibility of an employer to create and maintain:

(a) A written job description, signed by the personal support worker and the employer, for each potential employed personal support worker. The job description must contain:

(A) The elements from an authorized ISP and supporting documents that are relevant to the position;

(B) The specific duties and available hours to provide home care services as identified in the ISP; and

(C) Authorized hours of home care services provided by the employed personal support worker to the individual. Authorized hours may not exceed the maximum amounts of units of service authorized in the ISP or annual plan.

(b) A written service agreement for each PSW-IC must:

(A) Describe the services and responsibilities of the PSW-IC;

(B) Contain all the elements from an authorized ISP and supporting documents to assure the PSW-IC may execute the service agreement; and

# ADMINISTRATIVE RULES

(C) Be signed by the parties to the contract.

(5) An individual or the representative of the individual carries primary responsibility for locating, interviewing, screening, hiring, firing, or contracting with a personal support worker. The individual or the representative of the individual has the right to employ or contract with any personal support worker enrolled as a provider as described in OAR 411-375-0020 who meets the specific home care services program qualifications.

(6) The terms of the employer-employee or contractor relationship are the responsibility of the individual or the representative of the individual to establish at the time of hire or written service agreement. The terms of employment may include dismissal or notice of resignation, work scheduling, and absence reporting. The Support Services Brokerage, CDDP, or CIIS are available to provide assistance in developing the service agreement with the individual in accordance with all applicable home care services program rules.

Stat. Auth.: ORS 409.050

Stats. Implemented: ORS 410.600, 410.606-619, 427.007

Hist.: APD 30-2014(Temp), f. & cert. ef. 7-1-14 thru 12-28-14; APD 48-2014, f. 12-26-14, cert. ef. 12-28-14

## 411-375-0040

### Fiscal and Accountability Responsibility

(1) DIRECT SERVICE PAYMENTS. The Department, CIIS, CDDP, Support Services Brokerage, or contracted fiscal intermediary makes payment to a personal support worker on behalf of an individual for all home care services.

(a) Payment is considered full payment for the home care services rendered. The personal support worker may not, under any circumstances, demand or receive additional payment for home care services from the individual or any other source.

(b) The Department only makes payment for home care services that are authorized in an ISP or annual plan, and included in a written job description or contract.

(c) The Department does not make service funds available to an employer to pay a personal support worker.

(d) All service funds paid to a personal support worker must come through a fiscal intermediary

(2) TIMELY SUBMISSION OF CLAIMS. In accordance with 42 CFR 447.45, all claims for home care services must be submitted within 12 months from the date of home care services in order to be considered for payment. A claim submitted after 12 months from the date of home care services may not be considered for payment.

(3) CLAIM OR ENCOUNTER SUBMISSION. Submission of a claim, encounter, or other payment request document constitutes the agreement of a personal support worker that:

(a) The home care services were provided in compliance with the service agreement or job description in effect on the date of service;

(b) The information on the claim, encounter, or other payment request document, regardless of the format, is true, accurate, and complete; and

(c) The personal support worker understands that payment of the claim, encounter, or other payment request document is from service funds and that any falsification or concealment of a material fact may result in prosecution under federal and state laws.

(4) CLAIM OR ENCOUNTER AUTHORIZATION. Authorization of a submitted claim, encounter, or other payment request document by the employer, constitutes agreement that the personal support worker provided services in accordance with the claim.

(5) ANCILLARY CONTRIBUTIONS.

(a) FICA. Acting on behalf of the individual, the Department, CIIS, CDDP, Support Services Brokerage, or contracted fiscal intermediary shall apply any applicable FICA regulations including:

(A) Withholding the FICA contribution of the personal support worker from the payment to the personal support worker; and

(B) Submitting the FICA contribution of the individual and the amounts withheld from the payment to the personal support worker to the Social Security Administration.

(b) BENEFIT FUND ASSESSMENT. The Workers' Benefit Fund pays for programs that provide direct benefits to an injured worker and the beneficiary of the injured worker and also assists an employer in helping an injured worker return to work. The Department of Consumer and Business Services sets the Workers' Benefit Fund assessment rate for each calendar year. The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary calculates the hours rounded up to the nearest whole hour and deducts an amount rounded up to the nearest cent. Acting on behalf of the individual, the Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary:

(A) Deducts the share of the Benefit Fund assessment rate for the personal support worker for each hour or partial hour worked;

(B) Collects the share of the Benefit Fund assessment rate for the individual for each hour or partial hour of paid home care services received; and

(C) Submits the contributions of the personal support worker and the individual to the Workers' Benefit Fund.

(c) The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary submits the unemployment tax.

(6) STATE AND FEDERAL INCOME TAX WITHHOLDING.

(a) The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary withholds state and federal income taxes on all payments to personal support workers as indicated in the Collective Bargaining Agreement.

(b) Employed personal support workers must complete and return a current Internal Revenue Service (IRS) W-4 form. A PSW-IC must complete and return a current IRS W-9 form.

(A) Personal support workers working with individuals receiving services through a CDDP or Support Services Brokerage must return all applicable IRS forms to the local office of the CDDP or Support Services Brokerage.

(B) Personal support workers working with individuals receiving services through CIIS must return the IRS forms to the Central Office of the Department.

(C) The Department, CDDP, CIIS, Support Services Brokerage, or contracted fiscal intermediary must apply standard income tax withholding practices in accordance with 26 CFR 31.

Stat. Auth.: ORS 409.050

Stats. Implemented: ORS 410.600, 410.606-619, 427.007

Hist.: APD 30-2014(Temp), f. & cert. ef. 7-1-14 thru 12-28-14; APD 48-2014, f. 12-26-14, cert. ef. 12-28-14

## 411-375-0050

### Personal Support Worker Benefits and Secondary Expenses

(1) The only benefits available to personal support workers are negotiated in the Collective Bargaining Agreement and provided in Oregon Revised Statute. The Collective Bargaining Agreement does not include participation in the Public Employees Retirement System or the Oregon Public Service Retirement Plan. Personal support workers are not employees of the Department, CDDP, CIIS, or Support Services Brokerage.

(2) Workers' compensation, as defined in Oregon Revised Statute, is available to eligible personal support workers as described in the Collective Bargaining Agreement. In order to receive home care services provided by a personal support worker, an individual or the representative of the individual must provide written authorization and consent to the Department for the provision of workers' compensation insurance for the personal support worker.

(3) TRANSPORTATION. A personal support worker may be reimbursed for providing community transportation related to home care services if the community transportation is prior authorized by a services coordinator or personal agent and reflected in the ISP for an individual. A personal support worker providing community transportation must have a valid license to drive, a good driving record, and proof of insurance for the vehicle used to transport the individual, as well as any other license or certificate that may be required under state and local law depending on the nature and scope of the transportation.

(a) Community transportation services exclude medical transportation. Medical transportation is provided through Medical Assistance Programs (MAP).

(b) The Department is not responsible for vehicle damage or personal injury sustained while using a personal motor vehicle for ISP-related transportation except as may be covered by workers' compensation.

(c) Reimbursement for transporting an individual to accomplish ADL, IADL, or a health-related task within the community in which the individual lives or an employment goal identified on an ISP is on a per-mile basis as outlined in the Collective Bargaining Agreement.

(4) GLOVES AND MASKS. Once all public and private resources have been exhausted, an emergency supply of protective gloves and masks must be made available to a personal support worker for the safety of the personal support worker in response to documented changing or newly identified individual need as outlined in the Collective Bargaining Agreement.

## 411-375-0060

### Overpayments

An overpayment is any payment made by the Department, CDDP, CIIS, or Support Services Brokerage to a personal support worker that is more than the personal support worker is authorized to receive. A personal support worker is authorized to receive payment for a number of hours that does not exceed the amount stated in a service agreement and are actually provided.

(1) Overpayments are categorized as follows:

(a) **ADMINISTRATIVE ERROR.** The Department, CDDP, CIIS, or Support Services Brokerage failed to authorize, compute, or process the correct amount of home care service hours or wage rate.

(b) **PERSONAL SUPPORT WORKER ERROR.** The Department overpays the personal support worker due to a misunderstanding or unintentional error.

(c) **FRAUD.** "Fraud" means taking actions that may result in the personal support worker receiving a benefit in excess of the correct amount whether by intentional deception, misrepresentation, or failure to account for payments or money received. "Fraud" also means spending payments or money the personal support worker was not entitled to and any act that constitutes fraud under applicable federal or state law (including 42 CFR 455.2). The Department of Justice, Medicaid Fraud Unit determines when a Medicaid fraud allegation is pursued for prosecution.

(2) Overpayments for employed personal support workers are recovered as follows:

(a) Overpayments are collected prior to garnishments, such as child support, Internal Revenue Service back taxes, or educational loans.

(b) Administrative error or personal support worker error overpayments are recouped at no more than five percent of the total for the hours paid until repaid in full.

(c) When a fraud overpayment has occurred, the Department shall determine the manner and the amount to be recovered.

(d) When a provider is no longer employed as a personal support worker, any remaining overpayment is deducted from the final check to the provider. The provider is responsible for repaying the amount in full when the final check is insufficient to cover the remaining overpayment.

(3) Overpayments for a PSW-IC are recovered as follows:

(a) For overpayments discovered within 10 days after the overpayment, the full amount is deducted from the next payment to the PSW-IC.

(b) For overpayments discovered more than 10 days after the overpayment, the overpayment must be repaid within 30 days of the discovery of the overpayment on a schedule to be negotiated between the PSW-IC, services coordinator or personal agent, and the individual or the representative of the individual. The repayment period may not exceed two pay cycles. If possible, the overpayment must be repaid within the current ISP year for the individual.

(c) If a PSW-IC terminates his or her employment contract as a personal support worker before the overpayment has been fully recovered, any remaining amount is deducted from the final payment to the PSW-IC. The PSW-IC is responsible for repaying the amount in full when the final payment is insufficient to cover the remaining overpayment.

## 411-375-0070

### Provider Enrollment Inactivation and Termination

(1) The provider enrollment for a personal support worker may be inactivated in the following circumstances:

(a) The personal support worker has not provided any paid home care services to an individual within the previous 12 months;

(b) The personal support worker informs the Department, CDDP, CIIS, or Support Services Brokerage that the personal support worker is no longer providing home care services in Oregon;

(c) The personal support worker fails to participate in a New Member Orientation for personal support workers as described in OAR 411-375-0020;

(d) The background check for a personal support worker results in a closed case pursuant to OAR 407-007-0325;

(e) The personal support worker, even if not providing any paid home care services to an individual, is being investigated by adult or child protective services for suspected abuse that poses imminent danger to current or future individuals; or

(f) The personal support worker has a credible allegation of fraud or has a conviction for fraud pursuant to federal law under 42 CFR 455.23.

(2) The Department may terminate the provider enrollment for a personal support worker in the following circumstances:

(a) The personal support worker violates the requirement to maintain a drug-free work place by:

(A) Being intoxicated by alcohol, inhalants, prescription drugs, or other drugs, including over-the-counter medications, while responsible for the care of an individual, while in the home of the individual, or while transporting the individual; or

(B) Manufacturing, possessing, selling, offering to sell, trading, or using illegal drugs while providing authorized services to an individual or while in the home of the individual.

(b) The personal support worker has an unacceptable background check and the background check results in a closed case pursuant to OAR 407-007-0325;

(c) The personal support worker demonstrates a lack of skills, knowledge, or ability to adequately or safely provide home care services;

(d) The personal support worker violates the protective service and abuse rules;

(e) Notwithstanding abuse as defined in OAR 407-045-0260, the personal support worker fails to safely and adequately provide authorized home care services;

(f) The personal support worker commits fiscal improprieties including, but not limited to, billing excessive or fraudulent charges or has a conviction for fraud pursuant to federal law under 42 CFR 455.23;

(g) The personal support worker fails to provide home care services as described in the ISP and service agreement;

(h) The personal support worker lacks the ability or willingness to maintain individual confidentiality;

(i) The personal support worker engages in repeated unacceptable conduct at work, such as:

(A) Delay in arriving to work or absences from work not scheduled in advance with the individual or the representative of the individual that are either unsatisfactory to the individual or the representative of the individual or that neglect the service needs of the individual; or

(B) Inviting unwelcome guests or pets into the home or community with the individual resulting in the dissatisfaction of the individual or the representative of the individual or inattention to the required service needs of the individual.

(j) The personal support worker has been excluded or debarred by the Office of the Inspector General.

(3) **NOTICE OF TERMINATION.** When the Department terminates the provider enrollment of a personal support worker, the Department must issue a written notice to the personal support worker.

(a) The written notice must include:

(A) An explanation of the reason for terminating the provider enrollment;

(B) The alleged violation as listed in section (2) of this rule;

(C) The appeal rights of the personal support worker as described in OAR 411-375-0080 including the right to Union representation and where to file an appeal; and

(D) The effective date of the termination.

(b) For terminations based on substantiated abuse allegations, the written notice of termination may only contain the information allowed by law. In accordance with ORS 430.753, 430.763, and OAR 411-020-0030, the name of a complainant, witness, or alleged victim, and protected health information may not be disclosed.

(4) **IMMEDIATE INACTIVATION.** The Department, on the recommendation of the CDDP, CIIS, or Support Services Brokerage, may immediately inactivate the provider enrollment for a personal support worker on the date an alleged violation listed in section (2) of this rule is discovered when the alleged violation presents imminent danger to current or future individuals. The Department must make a determination to terminate or reactivate the provider number within 3 business days from the date of the notice of inactivation as described in OAR 411-375-0080. The personal support worker must file an appeal within 10 business days from the date of the notice of inactivation as described in 411-375-0080.

(5) **TERMINATION PENDING APPEAL.** When a violation does not present imminent danger to current or future individuals, the provider enrollment of a personal support worker may not be terminated during the first 10 business days to provide the opportunity for the personal support worker to file an appeal. The personal support worker must file an appeal within 10 business days from the date of the notice of termination if they wish to continue to work during the hearing process as described in OAR 411-375-0080. If the personal support worker files an appeal in writing prior to the deadline, the provider enrollment of the personal support work-

# ADMINISTRATIVE RULES

er may not be terminated until the appeal is resolved unless subsequent conduct of the personal support worker presents an imminent danger to a current individual recipient of home care services provided by the personal support worker.

(6) **TERMINATION IF NO APPEAL FILED.** The decision of the Department becomes final if a personal support worker does not request a hearing within 10 business days from the date of the notice of termination. The provider enrollment for a personal support worker is terminated once the time period for the personal support worker to request a hearing has expired.

## 411-375-0080

### Administrator Review and Hearing Rights

(1) **EXCLUSIONS.** The following are excluded from the appeal process described in this rule:

(a) Terminations based on a background check. The personal support worker has the right to a hearing in accordance with OAR 407-007-0200 to 407-007-0370.

(b) Personal support workers that have not worked within the previous 12 months. The provider enrollment may become inactivated but may not be terminated. To activate the provider enrollment number, the personal support worker must complete an application and background check.

(c) Personal support workers that fail to complete a background recheck.

(d) Personal support workers that are denied a provider enrollment number at the time of initial application.

(e) Personal support workers not currently providing services to any individuals whose provider enrollment is inactivated while an Adult or Child Protective Services investigation is being completed.

(f) Personal support workers who have been excluded or debarred by the Office of the Inspector General.

(2) **FILING AN APPEAL.** If a personal support worker decides to file an appeal, the personal support worker must specify in the appeal, the issues or decisions being appealed and the reason for the appeal. The appropriate party, as stated in the notice of termination, must receive the appeal within 10 business days of the notice of termination.

(3) **INFORMAL CONFERENCE.** The Department must conduct an informal conference, as described in OAR 461-025-0325, if requested by a personal support worker within 5 business days from the receipt of an appeal. The informal conference must be scheduled with the personal support worker and, if requested, a representative of the Union. The informal conference must involve the personal support worker and the Department to review the facts, and explain the decision to terminate the provider enrollment. The informal conference may be held by telephone.

### (4) OFFICE OF ADMINISTRATIVE HEARINGS.

(a) A personal support worker may file a request for a hearing with the Department if the personal support worker continues to dispute the decision to terminate the provider enrollment of the personal support worker.

(b) The request for a hearing must be filed with the Department within:

(A) 10 days of the effective date of the termination notice issued by the Department if the personal support worker wishes to continue to work during the hearing process; or

(B) 90 days from the effective date on the termination notice.

(c) The Department shall refer a request for a hearing to the Office of Administrative Hearings for scheduling a contested case hearing in accordance with OAR chapter 137, division 3.

(d) An Administrative Law Judge (ALJ) with the Office of Administrative Hearings shall determine whether the decision from the Department to terminate the provider enrollment is affirmed or reversed. A Final Order will be issued according to ORS 183 and OAR 461-025-0371 with the decision to all appropriate parties.

(e) No additional hearing rights have been granted to personal support workers by this rule.

(5) **BURDEN OF PROOF.** The Department has the burden of proving the decision to terminate the provider enrollment of a personal support worker by a preponderance of the evidence. Evidence submitted for a hearing is governed by OAR 137-003-0050.

**Rule Caption:** Eligibility for Medicaid K-State Plan in Long-Term Care Service Priorities; K-State Plan; and In-Home Services

**Adm. Order No.:** APD 49-2014(Temp)

**Filed with Sec. of State:** 12-30-2014

**Certified to be Effective:** 1-1-15 thru 6-29-15

**Notice Publication Date:**

**Rules Amended:** 411-015-0100, 411-030-0040, 411-035-0015, 411-035-0025, 411-035-0040, 411-035-0055, 411-035-0070, 411-035-0085

**Subject:** The Department of Human Services (Department) is immediately amending OAR 411-015, 30, and 35 to be in compliance with the Center for Medicare and Medicaid Services (CMS), which must be in effect no later than January 1st, 2015. Medicaid for Modified Adjusted Gross Income (MAGI) OHP Plus medical benefit eligibility does not have any limitation on the individual's resources or the home equity value of their home.

CMS requires that individuals applying for Medicaid State Plan K-option with an underlying Medicaid OHP Plus benefit package under 410-200 through the Medicaid for Modified Adjusted Gross Income (MAGI) are eligible only if certain other eligibility criteria are met, including the equity value of an individual's home as established in OAR 461-145-0220. These individuals are subject to requirements of 461-145-0220 regarding the equity value of the home in the same manner as if they were requesting these services under OSIPM.

As part of this amendment, stronger language was added to emphasize "requirements of the rules" for transfer of assets to be applied in the same manner as if they were requesting these services under OSIPM. The wording "requirements of the rules" is then consistent with the rule pertaining to the equity value of the home.

The in-home service rules in division 030 and K-Plan division 35 are required to use all the eligibility criteria as the 411-015 rules, as well as eligibility criteria specific to each of the program rules in divisions 30 and 35. This means all mutual eligibility criteria was tied back to the 411-015 eligibility criteria.

**Rules Coordinator:** Kimberly Colkitt-Hallman—(503) 945-6398

## 411-015-0100

### Eligibility for Nursing Facility or Medicaid Home and Community-Based Services

(1) To be eligible for nursing facility services or Medicaid home and community-based services, a person must:

(a) Be age 18 or older.

(b) Be eligible for the Medicaid OHP Plus benefit package.

(A) Individuals receiving Medicaid OHP Plus under OAR 410-200 coverage for services in a nonstandard living arrangement as defined in OAR 461-001-0000 are subject to the requirements in the same manner as if they were requesting these services under OSIPM, including the rules regarding:

(i) The transfer of assets as set forth in OAR 461-140-0210 to 461-140-0300; and

(ii) The equity value of a home which exceeds the limits as set forth in OAR 461-145-0220.

(B) When an individual is disqualified for a transfer of assets, a notice for transfer of assets is required in accordance with OAR 461-175-0310.

(C) When an individual is determined ineligible for the equity value of a home, a notice for being over resources is required in accordance with 461-175-0200.

(c) Meet the functional impairment level within the service priority levels currently served by the Department as outlined in OAR 411-015-0010 and the requirements in OAR 411-015-0015.

(2) To be eligible for services paid through the Spousal Pay Program, an individual must meet the requirements listed above in section (1) of this rule in addition to the requirements in OAR 411-030-0080.

(3) Individuals who are age 17 or younger and reside in a nursing facility, are eligible for nursing facility services only and are not eligible to receive Medicaid home and community-based services administered by the Department's Aging and People with Disabilities.

## 411-030-0040

### Eligibility Criteria

(1) In-home services are provided to individuals who meet the established priorities for service as described in OAR chapter 411, division 015 who have been assessed to be in need of in-home services.

(a) Payments for in-home services are not intended to replace the resources available to an individual from the individual's natural supports.

(b) An individual whose service needs are sufficiently and appropriately met by available natural supports is not eligible for in-home services.

(2) An individual receiving Medicaid in-home services must:

(a) Meet the established priorities for service as described in OAR chapter 411, division 015;

(b) Meet all the eligibility requirements in 411-015-0010 through 411-015-0100; and(c) Reside in a living arrangement described in OAR 411-030-0033;

(3) An individual receiving services through the Independent Choices Program must:

(a) Meet the established priorities for service as described in OAR chapter 411, division 015;

(b) Be a current recipient of OSIPM (Oregon Supplemental Income Program Medical).

(c) Reside in a living arrangement described in OAR 411-030-0033; and

(d) Be 18 years of age or older.

(4) To be eligible for Medicaid in-home services, an individual must employ an enrolled homemaker worker or contracted in-home care agency. To be eligible for ICP, a participant must employ an employee provider.

(5) Initial eligibility for Medicaid in-home services, or the ICP, does not begin until an individual's service plan has been authorized by the Department or the Department's designee. The service plan must identify the provider who delivers the authorized services, include the date when the provision of services begins, and include the maximum number of hours authorized. Service plans must be based upon the least costly means of providing adequate services.

(6) If, for any reason, the employment relationship between an individual and provider is discontinued, an enrolled homemaker worker or contracted in-home care agency must be employed within 14 business days for the individual to remain eligible for in-home services. A participant of ICP must employ an employee provider within 14 business days to remain eligible for ICP services. The individual's case manager has the authority to waive the 14 business day restriction if the individual is making progress towards employing a provider.

(7) An eligible individual who has been receiving in-home services who temporarily enters a nursing facility or medical institution must employ an enrolled homemaker worker or contracted in-home care agency within 14 business days of discharge from the facility or institution for the individual to remain eligible for in-home services. A participant of ICP must employ an employee provider within 14 business days of discharge to remain eligible for ICP services.

(8) EMPLOYER RESPONSIBILITIES.

(a) In order to be eligible for in-home services provided by a homemaker worker, an individual must be able to, or designate a representative to:

(A) Locate, screen, and hire a qualified homemaker worker;

(B) Supervise and train the homemaker worker;

(C) Schedule the homemaker worker's work, leave, and coverage;

(D) Track the hours worked and verify the authorized hours completed by the homemaker worker;

(E) Recognize, discuss, and attempt to correct any performance deficiencies with the homemaker worker; and

(F) Discharge an unsatisfactory homemaker worker.

(b) Individuals who are unable to meet the responsibilities in subsection (a) of this section are ineligible for in-home services provided by a homemaker worker. Except as set forth in subsection (f) of this section, individuals ineligible for in-home services provided by a homemaker worker may designate a representative to manage the individual's responsibilities as an employer on the individual's behalf. A representative of an individual may not be a homemaker worker providing homemaker worker services to the individual. Individuals must also be offered other available community-based service options to meet the individual's service needs, including contracted

in-home care agency services, nursing facility services, or other community-based service options.

(c) An individual determined ineligible for in-home services provided by a homemaker worker and who does not have a representative may request in-home services provided by a homemaker worker at the individual's next re-assessment, but no sooner than 12 months from the date the individual was determined ineligible. To reestablish eligibility for in-home services provided by a homemaker worker, an individual must attend training and acquire, or otherwise demonstrate, the ability to meet the employer responsibilities in subsection (a) of this section. Improvements in health and cognitive functioning, for example, may be factors in demonstrating the individual's ability to meet the employer responsibilities in subsection (a) of this section. If the Department determines an individual may not meet the individual's employer responsibilities, the Department may require the individual appoint an acceptable representative.

(d) The Department retains the right to approve the representative selected by an individual. Approval may be based on, but is not limited to, the representative's criminal history, protective services history, or credible allegations of fraud or collusion in fraudulent activities involving a public assistance program.

(e) If an individual's designated representative is unable to meet the employer responsibilities of subsection (a) of this section, or the Department does not approve the representative, the individual must designate a different representative or select other available services.

(f) An individual with a history of credible allegations of fraud or collusion in fraud with respect to in-home services is not eligible for in-home services provided by a homemaker worker.

(9) REPRESENTATIVE.

(a) The Department, or the Department's designee, may deny an individual's request for any representative if the representative has a history of a substantiated adult protective service complaint as described in OAR chapter 411, division 020. The individual may select another representative.

(b) An individual with a guardian must have a representative for service planning purposes. A guardian may designate themselves as the representative.

(10) Additional eligibility criteria for Medicaid in-home services exist for individuals eligible for:

(a) The Consumer-Employed Provider Program as described in OAR chapter 411, division 031;

(b) The Independent Choices Program as described in OAR 411-030-0100 of these rules; and

(c) The Spousal Pay Program as described in OAR 411-030-0080 of these rules.

(11) Residents of licensed community-based care facilities, nursing facilities, prisons, hospitals, and other institutions that provide assistance with ADLs, are not eligible for in-home services.

(12) Individuals with excess income must contribute to the cost of service pursuant to OAR 461-160-0610 and OAR 461-160-0620.

### Eligibility for Supplemental K State Plan Services

To be eligible for any Medicaid Supplemental K State Plan services defined in this division, consumers must:

(1) Be eligible for Medicaid long term care services and supports as described in OAR 411-015-0010 through 411-015-0100.

(2) Not have natural supports or other services available in the community that would meet the identified need.

(3) Not be eligible for the item through Medicare, other Medicaid programs, or other medical coverage.

(4) Have an identified need in their person-centered service plan that:

(a) Supports the desires and goals of the consumer receiving services and increases a consumer's independence;

(b) Reduces a consumer's need for assistance from another person; or

(c) Maintains a consumer's health and safety.

(5) Be provided the choice to accept or deny the service being offered.

### Eligibility for Consumer Electronic Back-up Systems and Assistive Technology

(1) To be eligible for electronic back-up systems or mechanisms, a consumer must not be receiving community-based care in a licensed care setting.

(2) Electronic back-up systems and assistive technologies must be appropriate and cost effective to meet the service needs of the consumer and:

(a) For new equipment:

(A) Are limited to a maximum of \$5000 for purchasing of a device.

(B) Monthly rentals or lease fee limits are posted on the APD rate table.

(b) For repairs:

(A) Repair of purchased devices may be done if the repair is more cost effective than purchasing a new device.

(B) Repairs of rented or leased equipment are the responsibility of the provider.

(c) Monthly maintenance, fees or service charges are not included in the maximums described in (a) or (b).

(3) Exceptions to the \$5000 limitation may be granted if the consumer has service needs that warrant an exception for payment and no alternative is available to meet the needs of the consumer.

(4) Expenditures over \$500 must be approved by the Department.

### Eligibility Criteria for Chore Services

(1) To be eligible for chore services, a consumer must not be receiving community-based care in a licensed care setting.

(2) An eligible consumer may receive chore services under any of the following circumstances:

(a) The consumer is the owner, buyer, or renter of premises in which the consumer lives.

(A) If a renter, the consumer must have received an eviction notice, written warning, or deficiency notice from the landlord or a public housing agency related to cleanliness or health issues of the unit; or

(B) If an owner or buyer, the consumer must have received a written notice from a government agency or a lender concerning health, safety, or public nuisance deficiencies or violations.

(b) The consumer needs garbage pick-up and removal, or payment of previous garbage bills, in order to continue or resume receiving services to ensure the home is safe for the consumer and their service providers.

(c) The consumer's premises requires heavy cleaning to remove hazardous debris or dirt in the home to ensure the consumer's home is safe and allows for independent living.

(d) The consumer's premises require the removal of outside debris (for example, trees, leaves, clutter) which is endangering the structure of the home or the ability of the consumer to enter or exit safely.

(e) The services must be completed to enable the consumer to move from one residence to another and to establish services in the new home.

(3) If the service is done in a rental location, the service must be a service that is not required of the landlord under applicable landlord-tenant law.

(4) Chore services are not part of the consumer's on-going service plan. Once the chore service is complete, homecare workers may begin or continue ongoing housekeeping.

(5) Chore services must be appropriate and cost effective to meet the service need of the consumer.

(a) If feasible, three bids are required from companies or vendors who provide chore services. A bid is not comparative pricing through the Internet.

(b) Bids over \$500.00 require a state licensed contractor.

(c) The consumer must sign a written agreement to:

(a) Have a vendor clean their home;

(b) Remove hazardous debris; or

(c) To haul off agreed upon items that may pose a health and safety risk to the consumer or others.

## 411-035-0055

### Eligibility for Consumer Environmental Modifications

(1) To be eligible for environmental modifications, a consumer must not be receiving community-based care in a licensed care setting.

(2) An eligible consumer may receive environmental modification under any of the following circumstances:

(a) The consumer is the owner, buyer, or renter of premises in which the consumer lives.

(b) If in a rental location, the consumer must have a written and signed agreement between the consumer receiving services and the owner or landlord of the rental property.

(A) The agreement must include:

(i) The scope of work provided;

(ii) That the modification is permissible; and

(iii) That the Department shall not restore the rental unit to its former condition.

(B) Environmental modifications in rental locations must not be for services that are required of the landlord under applicable landlord-tenant law.

(3) Environmental modifications are not part of the consumer's on-going service plan. Once the environmental modification is complete, environmental modification services shall cease and a reduction notice must not be issued.

(4) Environmental modifications must be appropriate, cost effective, and meet the service need of the consumer.

(a) Environmental modifications are limited to a maximum of \$5000 per environmental modification.

(b) If feasible, three bids are required from companies or vendors. A bid is not comparative pricing through the Internet.

(5) Exceptions to the \$5000 limitation may be granted if the consumer has service needs that warrant an exception for payment and no alternative is available to meet the needs of the consumer.

### Eligibility for Consumer Transition Services

(1) Eligibility for transition services covered through the K-State Plan are restricted to consumers transitioning from a nursing facility or the Oregon State Hospital, as defined in OAR 309-091-0005(16), into a community-based or in-home program.

(2) Consumers transitioning from an acute care hospital directly to a community-based or in-home program are not eligible for transition services under this rule.

## 411-035-0085

### Consumer Eligibility Criteria for Voluntary Consumer Training Services

(1) To be eligible for K-State Plan Voluntary Consumer Training Services, consumers must be or be expected to, receive services in a setting described in OAR 411-030-0033, In-Home Service Living Arrangement.

(2) Services are voluntary in nature.

(3) Services may be provided to designated representatives performing the duties of a consumer-employer on behalf of the consumer.

(4) Natural supports and designated representatives may receive services in addition to the eligible consumer.

(5) All in-home consumers participating in the Consumer-Employed Provider Program must be offered the voluntary training during the in-home service planning process. Case managers must make a referral to an approved training provider.

**Rule Caption:** Licensure of Adult Foster Homes for Adults who are Older or Adults with Physical Disabilities

**Adm. Order No.:** APD 50-2014(Temp)

**Filed with Sec. of State:** 12-31-2014

# ADMINISTRATIVE RULES

**Certified to be Effective:** 1-1-15 thru 6-29-15

**Notice Publication Date:**

**Rules Amended:** 411-050-0602, 411-050-0625, 411-050-0640, 411-050-0645, 411-050-0655, 411-050-0665

**Subject:** The Department is immediately amending the adult foster home rules in OAR chapter 411, division 050 to comply with the 2014 legislative changes from HB 4151. The Department will do this by amending rules in OAR 411-050-0645 and 411-050-0655 to add in:

411-050-0655 the requirement that the Department or AAA notifies the adult foster home, if known, that a person who is applying for admission to the home is on probation, parole, or post-prison supervision after being convicted of a sex crime as defined in ORS 181.805;

411-050-0655 that a licensed provider may refuse to admit a person who is on probation, parole, or post-prison supervision after being convicted of a sex crime as defined in ORS 181.805; and

411-050-0645 that in the event the licensed provider learns, after the resident's admission, the resident is on probation, parole, or post-prison supervision after being convicted of a sex crime defined in ORS 181.805, an involuntary move-out notice may be issued without reasonable advance notice.

The Department is also amending the rules in OAR 411-050-0602; 411-050-0625; 411-050-0640; 411-050-0645 for the purpose of clarifying existing rules and to make housekeeping changes by fixing wording, formatting, grammar, punctuation, and to fix an incorrect rule reference.

**Rules Coordinator:** Kimberly Colkitt-Hallman—(503) 945-6398

## 411-050-0602

### Definitions

Unless the context indicates otherwise, the following definitions apply to the rules in OAR chapter 411, division 050:

(1) "AAA" means an Area Agency on Aging, which is an established public agency within a planning and service area designated under Section 305 of the Older Americans Act that has responsibility for local administration of programs within the Department of Human Services. For the purpose of these rules, Type B AAAs contract with the Department to perform specific activities in relation to licensing adult foster homes, including processing applications, conducting inspections and investigations, issuing licenses, and making recommendations to the Department regarding adult foster home license denial, revocation, suspension, non-renewal, and civil penalties.

(2) "Abuse" means abuse as defined in OAR 411-020-0002 (Adult Protective Services).

(3) "Activities of Daily Living (ADL)" mean the personal, functional activities defined in OAR 411-015-0006 (Long-term Care Service Priorities for Individuals Served) required by an individual for continued well-being, which are essential for health and safety.

(4) "Adult Foster Home (AFH)" means any family home or other facility in which residential care is provided in a home-like environment for compensation to five or fewer adults who are not related to the licensee, resident manager, or floating resident manager, by blood, marriage, or adoption and who are 65 years of age or older or an adult with a physical disability. For the purpose of these rules, adult foster home does not include any house, institution, hotel, or other similar living situation that supplies room or board only, if no resident thereof requires any element of care. "Facility" and "Home" are synonymous with "Adult Foster Home".

(5) "Advance Directive" or "Advance Directive for Health Care" means the legal document signed by a resident that provides health care instructions in the event the resident is no longer able to give directions regarding his or her wishes. The directive gives the resident the means to control his or her own health care in any circumstance. "Advance Directive for Health Care" does not include Physician Orders for Life-Sustaining Treatment (POLST).

(6) "Applicant" means a person who completes an application for an adult foster home license or who completes an application to become a resident manager, floating resident manager, or shift caregiver. "Applicant" is synonymous with "Co-applicant".

(7) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210 (Criminal Records and Abuse Check for Providers).

(8) "Back-Up Provider" means a licensee, approved resident manager, or approved floating resident manager who does not live in the home, who has agreed to oversee the operation of an adult foster home, of the same license classification or level, in the event of an emergency.

(9) "Behavioral Interventions" mean those interventions that modify a resident's behavior or a resident's environment.

(10) "Board of Nursing Rules" means the standards for Registered Nurse Teaching and Delegation to Unlicensed Persons according to the statutes and rules of the Oregon State Board of Nursing, ORS 678.010 to 678.445 and OAR chapter 851, division 047.

(11) "Care" means the provision of assistance with activities of daily living to promote a resident's maximum independence and enhance the resident's quality of life. Care includes, but is not limited to, assistance with bathing, dressing, grooming, eating, money management, recreation, and medication management excluding assistance with self-medication.

(12) "Caregiver" means any person responsible for providing care and services to residents, including the licensee, resident manager, floating resident manager, shift caregivers, and any temporary, substitute, or supplemental staff, or other person designated to provide care and services to residents.

(13) "Care Plan" means a licensee's written description of a resident's needs, preferences, and capabilities, including by whom, when, and how often care and services are to be provided.

(14) "Centers for Medicare and Medicaid Services (CMS)" means the federal agency within the United States Department of Health and Human Services responsible for the administration of Medicaid and the Health Insurance Portability and Accountability Act (HIPAA).

(15) "Classification" means a designation of license assigned to a licensee based on the qualifications of the licensee, resident manager, floating resident manager, and shift caregivers, as applicable.

(16) "Co-Applicant" is synonymous with "Applicant" as defined in this rule.

(17) "Co-Licensee" is synonymous with "Licensee" as defined in this rule.

(18) "Compensation" means monetary or in-kind payments by or on behalf of a resident to a licensee in exchange for room, board, care, and services. Compensation does not include the voluntary sharing of expenses between or among roommates.

(19) "Complaint" means an allegation of abuse, a violation of these rules, or an expression of dissatisfaction relating to a resident or the condition of an adult foster home.

(20) "Condition" means a provision attached to a new or existing license that limits or restricts the scope of the license or imposes additional requirements on the licensee.

(21) "Consumer" means an individual eligible for Medicaid services for whom case management services are provided by the Department.

(22) "Criminal Records and Abuse Check Rules" refers to OAR 407-007-0200 to 407-007-0370.

(23) "Day Care" means care, assistance, and supervision of an individual who does not stay overnight.

(24) "Delegation" means the process by which a registered nurse teaches and supervises a skilled nursing task.

(25) "Department" means the Department of Human Services.

(26) "Director" means the Director of the Department of Human Services or that person's designee.

(27) "Disability" means a physical, cognitive, or emotional impairment, which for an individual, constitutes or results in a functional limitation in one or more activities of daily living.

(28) "Disaster" means a sudden emergency occurrence beyond the control of the licensee, whether natural, technological, or man-made that renders the licensee unable to operate the facility or renders the facility uninhabitable on a temporary, extended, or permanent basis.

(29) "Emergency Preparedness Plan" means a written procedure that identifies a facility's response to an emergency or disaster for the purpose of minimizing loss of life, mitigating trauma, and to the extent possible, maintaining services for residents, and preventing or reducing property loss.

(30) "Entity" means an individual, a trust or estate, a partnership, a corporation (including associations, joint stock companies, and insurance companies), a state, or a political subdivision or instrumentality, including a municipal corporation.

(31) "Exempt Area" means a county where there is a county agency that provides similar programs for licensing and inspection of adult foster homes that the Director finds are equal or superior to the requirements of ORS 443.705 to 443.825 and that the Director has exempted from the

## ADMINISTRATIVE RULES

license, inspection, and fee provisions of ORS 443.705 to 443.825. Exempt area county licensing rules require review and approval by the Director prior to implementation.

(32) "Facility" is synonymous with "Adult Foster Home" as defined in this rule.

(33) "Family Member" spouses in a legally recognized marriage or domestic partnership, natural parent, child, sibling, adopted child, adoptive parent, adoptive sibling, stepparent, stepchild, stepbrother, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, grandchild, aunt, uncle, niece, nephew, or first cousin.

(34) "Final Point of Safety" means a designated assembly area located on a public sidewalk or street not less than 50 feet away from an adult foster home where occupants of the home evacuate to in the event of an emergency.

(35) "Floating Resident Manager" means an employee of the licensee, approved by the local licensing authority, who under the direction of the licensee, is directly responsible for the care of residents in one or more adult foster homes owned by that licensee. A floating resident manager is not required to live in any one adult foster home owned by his or her employer, except on a temporary basis, as directed by the licensee, when the regularly scheduled caregiver is unavailable.

(36) "Home" means the physical structure in which residents live. "Home" is synonymous with "Adult Foster Home" as defined in this rule.

(37) "Home-like" means an environment that promotes the dignity, security, and comfort of residents through the provision of personalized care and services, and encourages independence, choice, and decision-making by the residents.

(38) "House Policies" means the written and posted statements addressing house activities in an adult foster home.

(39) "Indirect Ownership Interest" means an ownership interest in an entity that has an ownership interest in the disclosing entity. Indirect ownership interest includes an ownership interest in any entity that has an indirect ownership interest in the disclosing entity.

(40) "Initial Point of Safety" means a designated area that has unobstructed direct access to a public sidewalk or street located not less than 25 feet away from an adult foster home where occupants of the home evacuate to in the event of an emergency and for the purpose of conducting evacuation drills.

(41) "Investigative Authority" means the Office of Adult Abuse Prevention and Investigation, local Department offices, and Area Agencies on Aging that contract with the Department to provide adult protective services to adults who are older or adults with physical, mental, or developmental disabilities.

(42) "Legal Representative" means a person who has the legal authority to act for a resident.

(a) For health care decisions, the legal representative is a court-appointed guardian, a health care representative under an Advance Directive for Health Care, or a power of attorney for health care.

(b) For financial decisions, the legal representative is a legal conservator, an agent under a power of attorney, or a representative payee.

(43) "Level" means the designation of ventilator-assisted care assigned to an adult foster home license based on the qualifications of the licensee, resident manager, floating resident manager, and shift caregivers, as applicable.

(44) "Licensed Health Care Professional" means a person who possesses a professional medical license that is valid in Oregon. Examples include but are not limited to a registered nurse (RN), nurse practitioner (NP), licensed practical nurse (LPN), medical doctor (MD), osteopathic physician (DO), respiratory therapist (RT), physical therapist (PT), physician assistant (PA), or occupational therapist (OT).

(45) "Licensee" means the person who was issued a license, whose name is on the license, and who is responsible for the operation of an adult foster home. The licensee of the adult foster home does not include the owner or lessor of the building in which the adult foster home is situated unless the owner or lessor of the building is also the operator.

(46) "Limited Adult Foster Home" means a home that provides care and services for compensation to a specific individual who is unrelated to the licensee but with whom the licensee has an established relationship of no less than one year.

(47) "Liquid Resource" means cash or those assets that may readily be converted to cash, such as a life insurance policy that has a cash value, stock certificates, or a guaranteed line of credit from a financial institution.

(48) "Local Licensing Authority" means the local Department offices and Area Agencies on Aging that contract with the Department to perform specific functions of the adult foster home licensing process.

(49) "Nursing Care" means the practice of nursing by a licensed nurse, including tasks and functions relating to the provision of nursing care that are taught or delegated under specified conditions by a registered nurse to a person other than licensed nursing personnel, as governed by ORS chapter 678 and rules adopted by the Oregon State Board of Nursing in OAR chapter 851.

(50) "Occupant" means any person residing in or using the facilities of an adult foster home, including residents, licensees, resident manager, friends or family members, day care individuals, and room and board tenants. A floating resident manager who resides in an adult foster home on a temporary basis is considered an occupant.

(51) "Older" means any person at least 65 years of age.

(52) "Ombudsman" means the Oregon Long-Term Care Ombudsman or a designee appointed by the Long-Term Care Ombudsman to serve as a representative of the Ombudsman Program in order to investigate and resolve complaints on behalf of adult foster home residents.

(53) "Operator" is synonymous with "Licensee" as defined in this rule.

(54) "Ownership Interest" means the possession of equity in the capital, stock, or profits of an adult foster home. Persons with an ownership or control interest mean a person or corporation that:

(a) Has an ownership interest totaling 5 percent or more in a disclosing entity;

(b) Has an indirect ownership interest equal to 5 percent or more in a disclosing entity;

(c) Has a combination of direct and indirect ownership interests equal to 5 percent or more in a disclosing entity;

(d) Owns an interest of 5 percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least 5 percent of the value of the property or assets of the disclosing entity;

(e) Is an officer or director of a disclosing entity that is organized as a corporation; or

(f) Is a partner in a disclosing entity that is organized as a partnership.

(55) "Physical Restraint" means any manual method or physical or mechanical device, material, or equipment attached to, or adjacent to, a resident's body that the resident may not easily remove and that restricts freedom of movement or normal access to his or her body. Physical restraints include, but are not limited to, wrist or leg restraints, soft ties or vests, hand mitts, wheelchair safety bars, lap trays, and any chair that prevents rising (such as a Geri-chair). Side rails (bed rails) are considered restraints when they are used to prevent a resident from getting out of a bed. The side rail is not considered a restraint when a resident requests a side rail for the purpose of assistance with turning.

(56) "Prescribing Practitioner" means a physician, nurse practitioner, physician assistant, chiropractor, dentist, ophthalmologist, or other health-care practitioner with prescribing authority.

(57) "Primary Caregiver" means a qualified licensee or resident manager, who lives in the home, personally provides care and services, and ensures the health and safety of residents a minimum of five consecutive days per week. More than one person who meets this criterion may be considered a primary caregiver as specified below:

(a) Co-licensees working three and four consecutive days and nights per week;

(b) Two approved resident managers working three and four consecutive days and nights per week; or

(c) A licensee and an approved resident manager working three and four consecutive days and nights per week.

(58) "P.R.N. (pro re nata)" means those medications and treatments that have been ordered by a qualified practitioner to be administered as needed.

(59) "Provider" means any person operating an adult foster home (i.e., licensee, resident manager, floating resident manager, or shift caregiver). "Provider" does not include substitute caregivers or the owner or lessor of the building in which the adult foster home is situated unless the owner or lessor is also the operator of the adult foster home.

(60) "Provisional License" means a 60-day license issued in an emergency situation when a licensed provider is no longer overseeing the operation of an adult foster home. A provisional license is issued to a qualified person who meets the standards of OAR 411-050-0625 and OAR 411-050-0630, except for completing the training and testing requirements. (See OAR 411-050-0635)

# ADMINISTRATIVE RULES

(61) "Psychoactive Medications" mean various medications used to alter mood, anxiety, behavior, or cognitive processes. For the purpose of these rules, psychoactive medications include, but are not limited to, antipsychotics, sedatives, hypnotics, and anti-anxiety medications.

(62) "Qualified Entity Initiator (QEI)" has the meaning set forth in OAR 407-007-0210 (Criminal Records and Abuse Checks for Providers).

(63) "Relative" means those persons identified as family members as defined in this rule.

(64) "Reside" means for a person to live in an adult foster home for a permanent or extended period of time. For the purpose of a background check, a person is considered to reside in a home if the person's visit is four weeks or greater.

(65) "Resident" means an adult who is older or an adult with a physical disability who is receiving room and board and care and services for compensation in an adult foster home on a 24-hour day basis.

(66) "Resident Manager" means an employee of the licensee, approved by the local licensing authority, who lives in the adult foster home, and is directly responsible for the care of the residents.

(67) "Resident Rights" or "Rights" means civil, legal, or human rights, including, but not limited to, those rights listed in the Adult Foster Home Residents' Bill of Rights. (See ORS 443.739 and OAR 411-050-0655)

(68) "Residential Care" means the provision of care on a 24-hour day basis.

(69) "Room and Board" means receiving compensation for the provision of meals, a place to sleep, laundry, and housekeeping to adults who are older or adults with physical disabilities and who do not need assistance with activities of daily living. Room and board facilities for two or more persons are required to register with the Department under the rules in OAR chapter 411, division 068, unless registered with the local authority having jurisdiction. Adult foster homes with room and board tenants are not subject to OAR chapter 411, division 068.

(70) "Screening" means the evaluation process used to identify an individual's ability to perform activities of daily living and address health and safety concerns.

(71) "Self-Administration of Medication" means the act of a resident placing a medication in or on his or her own body. The resident identifies the medication, the time and manner of administration, and places the medication internally or externally on his or her own body without assistance.

(72) "Self-Preservation" in relation to fire and life safety means the ability of a resident to respond to an alarm without additional cues and reach a point of safety without assistance.

(73) "Services" mean activities that help the residents develop skills to increase or maintain their level of functioning or assist the residents to perform personal care, activities of daily living, or individual social activities.

(74) "Shift Caregivers" mean caregivers who, by written variance of the local licensing authority, are responsible for providing care for regularly scheduled periods of time, such as 8 or 12 hours per day, in homes where there is no licensee or resident manager living in the home.

(75) "Subject Individual" means:

(a) Any person 16 years of age or older, including:

(A) All licensed adult foster home providers and provider applicants;

(B) All persons intending to work in or currently working in an adult foster home, including, but not limited to, direct caregivers and individuals in training;

(C) Volunteers if allowed unsupervised access to residents; and

(D) Occupants, excluding residents, residing in or on the premises of the proposed or currently licensed adult foster home, including:

(i) Household members;

(ii) Room and board tenants; and

(iii) Persons visiting for four weeks or greater.

(b) "Subject Individual" does not apply to:

(A) Residents of the adult foster home or the residents' visitors;

(B) A person who lives or works on the adult foster home premises who does not:

(i) Have regular access to the home for meals;

(ii) Have regular use of the adult foster home's appliances or facilities; or

(iii) Have unsupervised access to the residents or the residents' personal property.

(C) A person providing services to the residents that is employed by a private business not regulated by the Department.

(76) "Substantial Compliance" means a level of compliance with these rules where any deficiencies pose no greater risk to resident health or safety than the potential for causing minor harm.

(77) "Substitute Caregiver" means any person other than the licensee, resident manager, floating resident manager, or shift caregiver who provides care and services in an adult foster home under the jurisdiction of the Department.

(78) "Tenant" means any individual who is residing in an adult foster home who receives services, such as meal preparation, laundry, and house-keeping.

(79) "These Rules" mean the rules in OAR chapter 411, division 050.

(80) "Variance" means an exception from a regulation or provision of these rules in accordance with OAR 411-050-0642.

(81) "Ventilator Assisted Care" means the provision of mechanical assistance to replace spontaneous breathing. Devices used include, but are not limited to, mechanical ventilators, manual ventilators, and positive airway pressure ventilators.

Stat. Auth.: ORS 410.070, 443.001, 443.004, 443.725, 443.730, 443.735, 443.738, 443.742, 443.760, 443.767, 443.775, & 443.790

## 411-050-0625

### Qualification and Training Requirements

(1) APPLICANT AND LICENSEE QUALIFICATIONS. An adult foster home applicant and licensee must meet and maintain the requirements specified in this section. An adult foster home applicant and licensee must:

(a) Live in the home that is to be licensed at least five days and nights per week and function as the primary caregiver as defined in OAR 411-050-0602 unless:

(A) There is, or shall be upon licensure, an approved resident manager who lives in the home and works five consecutive days and nights per week as the primary caregiver; or

(B) There is, or shall be upon licensure, two approved primary caregivers who live in the home and work three and four consecutive days and nights per week respectively; or

(C) A variance for shift caregivers has been granted according to section (6) of this rule.

(b) Subsections (a)(A), (B), and (C) of this section are not intended to prohibit the occasional and temporary absence of the primary caregiver from the adult foster home;

(c) Be at least 21 years of age;

(d) Possess physical health, mental health, good judgment, and good personal character, including truthfulness, determined necessary by the Department to provide 24-hour care for adults who are older or adults with physical disabilities. An applicant and licensee must have a statement from a physician, nurse practitioner, or physician assistant indicating that the applicant or licensee is physically, cognitively, and emotionally capable of providing care to residents. An applicant or licensee with documented history or substantiated complaints of substance abuse or mental illness must provide evidence satisfactory to the Department of successful treatment, rehabilitation, or references regarding current condition;

(e) Have an approved background check annually in accordance with OAR 411-050-0620 and maintain that approval as required;

(f) Be literate in the English language and demonstrate the ability to comprehend and communicate in English orally and in writing with the residents and the residents' family members or representatives, emergency personnel (e.g., emergency operator, law enforcement, paramedics, and fire fighters), licensed health care professionals, case managers, Department and local licensing authority staff, and others involved in the care of the residents;

(g) Be able to respond appropriately to emergency situations at all times;

(h) Have a clear understanding of his or her responsibilities, knowledge of the residents' care plans, and the ability to provide the care specified for each resident; and

(i) Not be listed on the Office of Inspector General's or General Services Administration's Exclusion Lists.

(2) APPLICANT AND LICENSEE TRAINING REQUIREMENTS.

# ADMINISTRATIVE RULES

(a) Applicants and licensees must have the education, experience, and training to meet the requirements of the requested classification of the home (See OAR 411-050-0630).

(b) A potential applicant or applicant must complete the following training requirements prior to obtaining a license:

(A) Attend a Department-approved orientation program conducted by the local licensing authority responsible for the licensing of the proposed adult foster home;

(B) Attend the Department's Ensuring Quality Care Course and pass the examination to meet application requirements for licensure;

(i) Potential applicants and applicants who fail the first examination may take the examination a second time, however successful completion of the examination must take place within 90 calendar days of the end of the Department's Ensuring Quality Care Course.

(ii) Potential applicants and applicants who fail a second examination must retake the Department's Ensuring Quality Care Course prior to repeating the examination.

(C) Comply with the Department's January 1, 2015 student policies for the Department's Ensuring Quality Care Course; and

(D) Have current CPR and First Aid certification.

(i) Accepted CPR and First Aid courses must be provided or endorsed by the American Heart Association, the American Red Cross, the American Safety and Health Institute, or MEDIC First Aid.

(ii) CPR or First Aid courses conducted online are only accepted by the Department when an in-person skills competency check is conducted by a qualified instructor endorsed by the American Heart Association, the American Red Cross, the American Safety and Health Institute, or MEDIC First Aid.

(3) **FINANCIAL REQUIREMENTS.** A licensee applicant and licensee must have the financial ability and maintain sufficient liquid resources to pay the operating costs of the adult foster home for at least two months without solely relying on potential resident income.

(a) If an initial license applicant is unable to demonstrate the financial ability and resources required by this section, the Department may require the applicant to furnish a financial guarantee, such as a line of credit or guaranteed loan, to fulfill the requirements of this rule.

(b) If at any time there is reason to believe an applicant or licensee may not have sufficient financial resources to operate the home in compliance with these rules, the local licensing authority may request additional documentation, which may include verification of the applicant's or licensee's ability to readily access the requested funds. Circumstances that may prompt the request of additional financial information include, but are not limited to, reports of insufficient food, inadequate heat, or failure to pay employees, utilities, rent, or mortgage. Additional documentation of financial resources may include, but are not limited to:

(A) The Department's Verification of Financial Resources form (SDS 0448F) completed and stamped or notarized by the applicant's or licensee's financial institution;

(B) Documentation on letterhead of the applicant's or licensee's financial institution that includes:

(i) The last four digits of the applicant's or licensee's account number;

(ii) The name of the account holder, and if the account is not in the applicant's or licensee's name, verification the applicant or licensee has access to the account's funds;

(iii) The highest and lowest balances for each of the most recent three full months;

(iv) The number of any non-sufficient fund (NSF) payments in each of the last three full months, if any; and

(v) Signature of the banking institution's representative completing the form and date; or

(C) Demonstration of cash on hand equal to a minimum of two months of operating expenses.

(c) The local licensing authority must request the least information necessary to verify compliance with this section.

(4) **RESIDENT MANAGER REQUIREMENTS.** A resident manager must live in the home as specified in section (1)(a) of this rule and function as the primary caregiver under the licensee's supervision. A resident manager must meet and maintain the qualification and training requirements specified in sections (1)(a) through (2)(b)(D) of this rule. The local licensing authority shall verify all the requirements of these rules have been satisfied prior to approval of a resident manager.

(5) **FLOATING RESIDENT MANAGER REQUIREMENTS.**

(a) A floating resident manager must meet and maintain the qualification and training requirements specified in sections (1)(a) through (2)(b)(D) of this rule, except as indicated in (5)(b) of this rule.

(b) If the licensee has one or more homes within the jurisdiction of more than one local licensing authority, a currently approved floating resident manager is not required to complete the Department-approved orientation in more than one licensing authority's jurisdiction. This exception does not prohibit the local licensing authority within an exempt area from requiring the floating resident manager applicant to attend the local licensing authority's orientation.

(c) The floating resident manager must be oriented to each home prior to providing resident care in each home. Documentation of orientation to every home the floating resident manager works in must be available with in each home as stated in section (7)(a)-(j) of this rule.

(d) Facility records in each of the homes a floating resident manager is assigned to work must maintain proof the floating resident manager has a current and approved background check.

(e) A floating resident manager may not be used in lieu of a shift caregiver, except on temporary basis, when the regular shift caregiver is unavailable due to circumstances, such as illness, vacation, or termination of employment.

(6) **SHIFT CAREGIVER REQUIREMENTS.**

(a) Shift caregivers may be used in lieu of a resident manager if granted a written variance by the local licensing authority. Use of shift caregivers detracts from the intent of a home-like environment, but may be allowed for specific resident populations. The type of residents served must be a specialized population with intense care needs, such as those with Alzheimer's disease, AIDS, or head injuries. If shift caregivers are used, each shift caregiver must meet or exceed the experience and training qualifications for the license classification requested.

(b) Shift caregivers must meet and maintain the qualification and training requirements specified in sections (1)(b) through (2)(b)(D) of this rule. The local licensing authority shall verify all the requirements of these rules have been satisfied prior to approval of a shift caregiver.

(7) **CAREGIVER ORIENTATION.** Prior to providing care to any resident, a resident manager, floating resident manager, and shift caregiver must be oriented to the home and to the residents by the licensee. Orientation must be clearly documented in the facility records. Orientation includes, but is not limited to:

(a) Location of any fire extinguishers;

(b) Demonstration of evacuation procedures;

(c) Instruction of the emergency preparedness plan;

(d) Location of resident records;

(e) Location of telephone numbers for the residents' physicians, the licensee, and other emergency contacts;

(f) Location of medications and the key for the medication cabinet;

(g) Introduction to residents;

(h) Instructions for caring for each resident;

(i) Delegation by a registered nurse for nursing tasks, if applicable; and

(j) Policies and procedures related to Advance Directives. (See OAR 411-050-0645)

(8) **EMPLOYMENT APPLICATION.** An application for employment in any capacity in an adult foster home must include a question asking whether the person applying for employment has been found to have committed abuse. Employment applications must be retained for at least three years. (See OAR 411-050-0645)

(9) **EXCLUSION VERIFICATION.** A licensee must verify the resident manager and shift caregivers are not listed on either the Office of Inspector General's (<http://oig.lhs.gov>) or the General Services Administration's (<https://www.sam.gov>) Exclusion Lists prior to the resident manager or shift caregivers working or training in the home. Verification must be clearly documented in the facility records. (See also 411-050-0625(11)(h))

(10) **TRAINING WITHIN FIRST YEAR OF INITIAL LICENSING OR APPROVAL.** Within the first year of obtaining an initial license or approval, the licensee, resident manager, floating resident manager, and shift caregivers must complete the Six Rights of Safe Medication Administration and a Fire and Life Safety training as available. The Department or local licensing authority and the Office of the State Fire Marshal or the local fire prevention authority may coordinate the Fire and Life Safety training program.

(11) **ANNUAL TRAINING REQUIREMENTS.**

(a) Each year after initial licensure, the licensee, resident manager, floating resident manager, and shift caregivers must complete at least 12 hours of Department-approved training related to the care of adults who are older or adults with physical disabilities in an adult foster home setting. Up

# ADMINISTRATIVE RULES

to four of those hours may be related to the business operation of the adult foster home.

(b) A licensee, resident manager, floating resident manager, and shift caregivers, as applicable, must maintain CPR certification.

(c) Registered nurse delegation or consultation, CPR certification and First Aid training, Ensuring Quality Care Course (not including EQC refresher courses), adult foster home orientation, Ventilator Assisted Care Course and skills competency checks, or consultation with an accountant do not count toward the required 12 hours of annual training.

(12) **SUBSTITUTE CAREGIVER REQUIREMENTS.** A substitute caregiver left in charge of the residents for any period of time, may not be a resident, and must at a minimum, meet the following qualifications prior to working or training in the home:

(a) Be at least 18 years of age;

(b) Have an approved background check annually in accordance with OAR 411-050-0620 and maintain that approval as required;

(c) Be literate in the English language and demonstrate the ability to comprehend and communicate in English orally and in writing with the residents and the residents' family members and representatives, emergency personnel (e.g., emergency operator, law enforcement, paramedics, and fire fighters), licensed health care professionals, case managers, Department and local licensing authority staff, and others involved in the care of the residents;

(d) Be able to respond appropriately to emergency situations at all times;

(e) Have a clear understanding of his or her responsibilities, have knowledge of the residents' care plans, and be able to provide the care specified for each resident, including appropriate delegation or consultation by a registered nurse;

(f) Possess physical health, mental health, good judgment, and good personal character, including truthfulness, determined necessary by the Department to provide care for adults who are older or adults with physical disabilities, as determined by reference checks and other sources of information;

(g) Have current CPR and First Aid certification within 30 calendar days of the start of employment.

(A) Accepted CPR and First Aid courses must be provided by or endorsed by the American Heart Association, the American Red Cross, the American Safety and Health Institute, or MEDIC First Aid.

(B) CPR or First Aid courses conducted online are only accepted by the Department when an in-person skills competency check is conducted by a qualified instructor endorsed by the American Heart Association, the American Red Cross, the American Safety and Health Institute, or MEDIC First Aid.

(h) Not be listed on the Office of Inspector General's or General Services Administration's Exclusion Lists. Licensees must verify the substitute caregiver is not listed on either the Office of Inspector General's ([oig.hhs.gov](http://oig.hhs.gov)) or the General Services Administration's ([www.sam.gov](http://www.sam.gov)) Exclusion Lists prior to the substitute caregiver working or training in the home. Verification must be clearly documented in the facility records.

(13) **TRAINING REQUIREMENTS FOR SUBSTITUTE CAREGIVERS.**

(a) A substitute caregiver must be oriented to the home and to the residents by the licensee or resident manager prior to the provision of care to any residents. Orientation includes, but is not limited to:

(A) Location of any fire extinguishers;

(B) Demonstration of evacuation procedures;

(C) Instruction of the emergency preparedness plan;

(D) Location of resident records;

(E) Location of telephone numbers for the residents' physicians, the licensee, and other emergency contacts;

(F) Location of medications and the key for the medication cabinet;

(G) Introduction to residents;

(H) Instructions for caring for each resident;

(I) Delegation by a registered nurse for nursing tasks if applicable; and

(J) Education on the policies and procedures related to Advance Directives. (See OAR 411-050-0645)

(b) A substitute caregiver must complete the Department's Caregiver Preparatory Training Study Guide (DHS 9030) and Workbook (DHS 9030-W) and receive instruction in specific care responsibilities from the licensee, resident manager, or floating resident manager prior to working or training in the home. The Workbook must be completed by the substitute caregiver without the help of any others. The Workbook is considered part of the required orientation to the home and residents.

(A) The local licensing authority may grant a variance to the Caregiver Preparatory Training Study Guide and Workbook requirement for a substitute caregiver who:

(i) Holds a current Oregon license as a health care professional, such as a physician, nurse practitioner, physician assistant, registered nurse, or licensed practical nurse; and

(ii) Who demonstrates the ability to provide adequate care to residents based on similar training or at least one year of experience providing direct care to adults who are older or adults with physical disabilities.

(B) A certified nursing assistant (CNA) or certified medical assistant (CMA) must complete the Caregiver Preparatory Training Study Guide and Workbook and have a certificate of completion signed by the licensee.

(c) A substitute caregiver routinely left in charge of an adult foster home for any period that exceeds 48 continuous hours is required to meet the education, experience, and training requirements of a resident manager as specified in this rule. A licensee may not leave a substitute caregiver or concurrent substitute caregivers routinely in charge of the home for any period that exceeds 48 continuous hours within one calendar week. This requirement is not intended to prevent a qualified substitute caregiver from providing relief care in the absence of the primary caregiver, such as for a one or two week vacation. In such an event, the licensee must arrange for the qualified back-up provider to be available as needed.

(14) If a licensee has demonstrated non-compliance with one or more of these rules, the Department may require, by condition, additional training in the deficient area.

## 411-050-0640

### Renewal Application and Fees

(1) At least 60 calendar days prior to the expiration of a license, the local licensing authority must send a reminder notice and renewal application to the licensed provider. The local licensing authority must investigate any information in the renewal application and conduct an unannounced inspection of the adult foster home prior to the license renewal.

(2) A separate application is required for each location where an adult foster home is to be operated.

(3) **RENEWAL APPLICATION REQUIREMENTS.** To renew an adult foster home license, the licensee must complete the Department's Renewal Application form (SDS 448C) and submit the form to the local licensing authority with the non-refundable fee prior to the expiration date of the current license. Timely submission of the renewal application and non-refundable fee shall keep the license in effect until the local licensing authority or the Department takes action.

(a) The renewal application is not complete until all of the required application information is submitted to the local licensing authority.

(b) A renewal application remaining incomplete at the time of license expiration or failure to provide accurate information on the renewal application shall result in the denial of the application.

(4) The license renewal application must include:

(a) Complete contact information for the licensee, including:

(A) A mailing address if different from the adult foster home; and

(B) A business address for electronic mail, if applicable.

(b) The maximum resident capacity;

(c) Identification of:

(A) Any relatives needing care;

(B) The maximum number of any room and board tenants;

(C) The maximum number of day care individuals; and

(D) The names of any other occupants in the home.

(d) A Health History and Physician or Nurse Practitioners' Statement (form SDS 0903). The Health History and Physician or Nurse Practitioners' Statement must be updated every third year or sooner if there is reasonable cause for health concerns;

(e) **FINANCIAL INFORMATION FOR THE HOME'S FIRST LICENSE RENEWAL.** A completed Financial Information Worksheet (form SDS 0448A) demonstrating the financial ability to maintain sufficient liquid resources to pay the home's operating costs for at least two months;

# ADMINISTRATIVE RULES

(f) If the home is leased or rented, a copy of the current signed and dated lease or rental agreement. The agreement must be a standard lease or rental agreement for residential use and include the following:

- (A) The owner and landlord's name;
- (B) Verification that the rent is a flat rate; and
- (C) Signatures and date signed by the landlord and applicant, as applicable;

(g) Documentation of a current approved background check for each subject individual as described in OAR 411-050-0620;

- (h) A \$20 per bed non-refundable fee for each non-relative resident;
- (i) If the licensee intends to use a resident manager, floating resident manager, or shift caregivers, the Department's supplemental application (form SDS 448B) completed by the applicant or applicants, as appropriate;
- (j) Written information describing the operational plan for the adult foster home, including:

- (A) The use of substitute caregivers and other staff;
- (B) A plan of coverage for the absence of the resident manager or the shift caregivers, if applicable; and
- (C) The name of a qualified back-up licensee, approved resident manager, or floating resident manager who does not live in the home but has been oriented to the home. The licensee must submit a signed agreement with the listed back-up provider annually and maintain a copy in the facility records.

(k) Proof of required continuing education credits as specified in OAR 411-050-0625.

(5) LATE RENEWAL REQUIREMENTS (UNLICENSED ADULT FOSTER HOME). The home shall be treated as an unlicensed facility, subject to civil penalties, if the required renewal information and fee are not submitted to the local licensing authority prior to the license expiration date and residents remain in the home. (See OAR 411-050-0685)

(6) The local licensing authority shall provide the licensee a copy of the Department's inspection report, (form SDS 517A and, if applicable, form SDS 517B) citing any violations and specifying a time frame for correction. The time frame for correction of violations may not exceed 30 calendar days from the date of inspection.

(7) The Department shall deny a renewal application if cited violations are not corrected within the time frame specified by the local licensing authority.

(8) The local licensing authority shall not renew a license unless the following requirements are met:

(a) The applicant and the adult foster home are in compliance with ORS 443.705 to 443.825 and these rules, including any applicable conditions and other final orders of the Department;

(b) The local licensing authority has completed an inspection of the adult foster home;

(c) The Department has completed a background check in accordance with OAR 411-050-0620;

(d) The local licensing authority has reviewed the record of sanctions available from the local licensing authority's files;

(e) The local licensing authority has determined the nursing assistant registry maintained under 42 CFR 483.156 contains no finding that the licensee or any nursing assistant employed by the licensee has been responsible for abuse; and

(f) The local licensing authority has determined the licensee is not listed on the Office of Inspector General's and General Services Administration's Exclusion Lists.

(9) In seeking the renewal of a license when an adult foster home has been licensed for less than 24 months, the burden of proof to establish compliance with ORS 443.705 to 443.825 and these rules is upon the licensee.

(10) In seeking the renewal of a license when an adult foster home has been licensed for 24 or more continuous months, the burden of proof to establish noncompliance with ORS 443.705 to 443.825 and these rules is upon the Department.

Stat. Auth.: ORS 410.070, 443.001, 443.004, 443.725, 443.730, 443.735, 443.738, 443.742, 443.760, 443.767, 443.775, & 443.790

Stats. Implemented: ORS 443.001 to 443.004, 443.705 to 443.825, 443.875, & 443.991  
Hist.: SSD 14-1985, f. 12-31-85, ef. 1-1-86; SSD 11-1988, f. 10-18-88, cert. ef. 11-1-88; SSD 3-1992, f. 5-26-92, cert. ef. 6-1-92; SSD 3-1992, f. 5-26-92, cert. ef. 6-1-92; SSD 3-1996, f. 3-29-96, cert. ef. 4-1-96; SDSD 4-2001, f. & cert. ef. 3-1-01; SPD 31-2006, f. 12-27-06, cert. ef. 1-1-07; SPD 9-2007, f. 6-27-07, cert. ef. 7-1-07; SPD 22-2009(Temp), f. 12-31-09, cert. ef. 1-1-10 thru 6-30-10; SPD 9-2010, f. 6-30-10, cert. ef. 7-1-10; Renumbered from 411-050-0420, SPD 33-2013, f. 8-30-13, cert. ef. 9-1-13; SPD 42-2013(Temp), f. & cert. ef. 10-16-13 thru 4-13-14; APD 6-2014, f. 3-31-14, cert. ef. 4-1-14; APD 50-2014(Temp), f. 12-31-14, cert. ef. 1-1-15 thru 6-29-15

## 411-050-0645

### Operational Standards

- (1) GENERAL PRACTICES.

(a) A licensee must own, rent, or lease the home to be licensed, however, the local licensing authority may grant a variance to churches, hospitals, non-profit associations, or similar organizations. If a licensee rents or leases the premises where the adult foster home is located, the licensee may not enter into a contract that requires anything other than a flat rate for the lease or rental. A licensed provider of a building in which an adult foster home is located may not allow the owner, landlord, or lessor to interfere with the admission, transfer, or voluntary or involuntary move of any resident in the adult foster home unless the owner, landlord, or lessor is named on the license.

(b) Each adult foster home must meet:

(A) All applicable local business license, zoning, building, and housing codes;

(B) The Fair Housing Act; and

(C) State and local fire and safety regulations for a single-family residence.

(c) ZONING. Adult foster homes are subject to applicable sections of ORS 197.660 to 197.670.

(d) COOPERATION AND ACCESS. The licensee must cooperate with the Department, Centers for Medicare and Medicaid Services (CMS), and local licensing and investigative personnel in inspections, complaint investigations, planning for resident care, application procedures, and other necessary activities.

(A) Department, CMS, local licensing, and investigative personnel must be provided access to all resident and facility records and may conduct private interviews with residents.

(B) The State Long-Term Care Ombudsman must be provided access to all resident and facility records. Deputy Ombudsman and Certified Ombudsman Volunteers must be provided access to facility records and, with written permission from the resident or the resident's legal representative, may have access to resident records. (See OAR 114-005-0030)

(e) CONFIDENTIALITY. Information related to residents must be kept confidential, except as may be necessary in the planning or provision of care or medical treatment, or related to an inspection, investigation, or sanction action under these rules.

(f) TRANSPORTATION. A licensee must arrange for or provide appropriate transportation for residents when needed.

(g) STAFFING STANDARDS. The licensee must have qualified caregivers, including awake caregivers as necessary, sufficient in number to meet the 24-hour needs of each resident in addition to caring for any children or relatives beyond the license capacity of the adult foster home.

(A) A licensee may not employ a resident manager, floating resident manager, or shift caregiver who does not meet or exceed the qualifications, training, and classification standards for the adult foster home as described in OAR 411-050-0625 and 411-050-0630; and

(B) A licensee may not employ or allow any caregiver to train or work in the home who is on the Office of Inspector General's or General Services Administration's Exclusion Lists.

(h) ABSENCE OF A PRIMARY CAREGIVER. If a primary caregiver is absent from the home for 10 days or more, the licensee must notify the local licensing authority in writing at least seven days prior to the primary caregiver's absence or immediately upon knowing of the absence. Notification must state the reason for and anticipated length of the absence. The licensee must also submit a staffing plan to the local licensing authority, signed by the back-up provider, demonstrating coverage that meets the needs of the residents during the primary caregiver's absence.

(i) CHANGE OF PRIMARY CAREGIVER. If a primary caregiver changes during the period the license covers, the licensee must notify the local licensing authority within 24 hours and identify who is providing care.

(A) If a licensee assumes the role as the primary caregiver or shift caregiver when there has been a change in primary caregiver, the licensee must submit an updated plan of 24-hour coverage to the local licensing authority within seven days.

(B) If a resident manager, floating resident manager, or shift caregiver changes, the licensee must submit a request for a change of resident manager, floating resident manager, or shift caregiver, as applicable, to the local licensing authority along with:

(i) The Department's supplemental application form (SDS 448B) completed by the resident manager applicant, floating resident manager applicant, or shift caregiver applicant;

(ii) A completed Health History and Physician or Nurse Practitioner's Statement (form SDS 903) for the new applicant;

(iii) Documentation of the initiation of or a copy of an approved background check; and

(iv) A \$10 non-refundable fee.

## ADMINISTRATIVE RULES

(C) When there is a change in primary caregiver, an approved floating resident manager may assume the responsibilities of the live-in, primary caregiver until a new primary caregiver is employed. If a new primary caregiver is not employed within 60 calendar days, the floating resident manager must be designated as the home's resident manager and the licensee must notify the local licensing authority of the change in status.

(D) The local licensing authority shall issue a revised license when there is a change in a primary caregiver who is identified on the license.

(j) UNEXPECTED AND URGENT STAFFING NEED. If the local licensing authority determines an unexpected and urgent staffing need exists, the local licensing authority may authorize a person who has not completed the Department's current Ensuring Quality Care Course and passed the current examination to act as a resident manager or shift caregiver until training and testing are completed, or for 60 calendar days, whichever period is shorter. The licensee must notify the local licensing authority of the unexpected and urgent staffing need in writing and satisfactorily demonstrate:

(A) The licensee's inability to live in the home and act as the primary caregiver;

(B) The licensee's inability to find a qualified resident manager or shift caregiver, as applicable; and

(C) The proposed staff person is 21 years of age and meets the requirements of a substitute caregiver for the adult foster home as described in OAR 411-050-0625 and 411-050-0630.

(k) RESPONSIBILITY. A licensee is responsible for the supervision, training, and overall conduct of all caregivers, family members, and friends when acting within the scope of their employment, duties, or when present in the home.

(l) SEXUAL RELATIONS. Sexual relations between residents and any employee of the adult foster home, licensee, or any member of the licensee's household or family is prohibited unless a pre-existing relationship existed.

(m) COMMUNICATION.

(A) Applicants for an initial license must obtain and provide to the local licensing authority a current, active business address for electronic mail prior to obtaining a license.

(B) A licensee must notify the local licensing authority within 24 hours upon a change in the home's business address for electronic mail;

(C) A licensee must notify the local licensing authority, the residents and the resident's family members, legal representatives, and case managers, as applicable, of any change in the telephone number for the licensee or the adult foster home within 24 hours of the change.

(D) A licensee must notify the local licensing authority in writing prior to any change of the licensee's residence or mailing address.

(2) SALE OR LEASE OF EXISTING ADULT FOSTER HOMES AND TRANSFER OF LICENSES.

(a) A license is not transferable and does not apply to any location or person other than the location and person indicated on the license obtained from the local licensing authority.

(b) The licensee must inform real estate agents, prospective buyers, lessees, and transferees in all written communication, including advertising and disclosure statements, that the license to operate the adult foster home is not transferable and the licensee must refer them to the local licensing authority for information about licensing.

(c) When a home is to be sold or otherwise transferred or conveyed to another person who intends to operate the home as an adult foster home, that person must apply for and obtain a license from the local licensing authority prior to the transfer of operation of the home.

(d) The licensee must promptly notify the local licensing authority in writing about the licensee's intent to close or convey the adult foster home to another person. The licensee must provide written notice to the residents and the residents' representatives and case managers, as applicable, according to section (13)(a) of this rule.

(e) The licensee must inform a person intending to assume operation of an existing adult foster home that the residents currently residing in the home must be given at least 30 calendar days' written notice of the licensee's intent to close the adult foster home for the purpose of conveying the home to another person.

(f) The licensee must remain licensed and responsible for the operation of the home and care of the residents in accordance with these rules until the home is closed and the residents have been relocated, or the home is conveyed to a new licensee who is licensed by the local licensing authority at a level appropriate to the care needs of the residents in the home.

(3) FORECLOSURE.

(a) A licensee must provide written notification to the local licensing authority within 10 calendar days after receipt of any notice of default, or any notice of potential default, with respect to a real estate contract, trust deed, mortgage, or other security interest affecting any property occupied or used by the licensee.

(b) The licensee must provide a copy of the notice of default or warning of potential default to the local licensing authority.

(c) The licensee must provide written updates to the local licensing authority at least every 30 days until the default or warning of potential default has been resolved and no additional defaults or potential defaults have been declared and no additional warnings have been issued. Written updates must include:

(A) The current status on what action has been or is about to be taken by the licensee with respect to the notice received;

(B) The action demanded or threatened by the holder of the security interest; and

(C) Any other information reasonably requested by the local licensing authority.

(d) The licensee must provide written notification within 24 hours to the local licensing authority upon final resolution of the matters leading up to or encompassed by the notice of default or the notice warning of potential default.

(e) If the subject default property is licensed as an adult foster home, the licensee must provide written notification of the following within 24 hours to the local licensing authority, and all the residents and the residents' representatives, if applicable, regarding:

(A) The filing of any litigation regarding such security interest, including the filing of a bankruptcy petition by or against the licensee or an entity owning any property occupied or used by the licensee;

(B) The entry of any judgment with respect to such litigation;

(C) The passing of the date 40 days prior to any sale scheduled pursuant to the exercise of legal rights under a security interest, or a settlement or compromise related thereto, of the licensee's property or property occupied or used by the licensee; and

(D) The sale, pursuant to the exercise of legal rights under a security interest, or a settlement or compromise related thereto, of the licensee's property or property occupied or used by the licensee.

(4) MEALS.

(a) Three nutritious meals must be served daily at times consistent with those in the community. Each meal must include food from the basic food groups according to the United States Department of Agriculture (USDA's) My Plate and include fresh fruit and vegetables when in season.

(b) Meals must reflect consideration of a resident's preferences and cultural and ethnic background. This does not mean the licensee must prepare multiple, unique meals for the residents at the same time.

(c) A schedule of meal times and menus for the coming week must be prepared and posted weekly in a location accessible to residents and families.

(A) Meal substitutions for scheduled menu items in compliance with section (4)(a) of this rule are acceptable and must be documented on, or attached to, the weekly menu.

(B) The licensee must maintain the weekly menus for a minimum of the 12 most recent months during which the home has conducted business.

(d) There must be no more than a 14-hour span between the evening and morning meals. Snacks do not substitute for a meal in determining the 14-hour span. Nutritious snacks and liquids must be offered to fulfill each resident's nutritional requirements.

(e) Food may not be used as an inducement to control the behavior of a resident.

(f) Home-canned foods must be processed according to the guidelines of the Oregon State University Extension Service. Freezing is the most acceptable method of food preservation. Milk must be pasteurized.

(g) Special consideration must be given to a resident with chewing difficulties and other eating limitations. Special diets must be followed, as prescribed in writing, by the resident's physician, nurse practitioner, or physician assistant.

(h) Adequate storage must be available to maintain food at a proper temperature, including a properly working refrigerator. Storage and food preparation areas must be free from food that is spoiled or expired.

(i) The household utensils, dishes, glassware, and household food may not be stored in bedrooms, bathrooms, or living areas.

(j) Meals must be prepared and served in the home where the residents live. Payment for meals eaten away from the home for the convenience of the licensee (e.g., restaurants, senior meal sites) is the responsibility

# ADMINISTRATIVE RULES

ity of the licensee. Meals and snacks, as part of an individual recreational outing by choice, are the responsibility of the resident.

(k) Utensils, dishes, and glassware must be washed in hot soapy water, rinsed, and stored to prevent contamination. A dishwasher with a sani-cycle is recommended.

(l) Food preparation areas and equipment, including utensils and appliances, must be clean, free of offensive odors, and in good repair.

## (5) TELEPHONE.

(a) The home must have a working landline and corded telephone with a listed number that is separate from any other number the home has, such as, but not limited to, internet or fax lines, unless the system includes features that notify the caregiver of an incoming call, or automatically switches to the appropriate mode. If a licensee has a caller identification service on the home number, the blocking feature must be disabled to allow incoming calls to be received unhindered. A licensee may have only one phone line as long as the phone line complies with the requirements of these rules. Voice over internet protocol (VoIP), voice over broadband (VoBB), or cellular telephone service may not be used in place of a landline.

(b) The licensee must make a telephone that is in good working order available and accessible for the residents use with reasonable accommodation for privacy during telephone conversations. A resident with a hearing impairment, to the extent the resident may not hear a normal telephone conversation, must be provided with a telephone that is amplified with a volume control or a telephone that is hearing aid compatible.

(c) Restrictions on the use of the telephone by the residents must be specified in the written house policies and may not violate the residents' rights. Individual restrictions must be well documented in the resident's care plan.

## (6) FACILITY RECORDS.

(a) Facility records must be kept current, maintained in the adult foster home, and made available for review upon request. Facility records include, but are not limited to:

(A) Proof the licensee and all subject individuals have a background check approved by the Department as required by OAR 411-050-0620;

(B) Proof the licensee and all other caregivers have met and maintained the minimum qualifications as required by OAR 411-050-0625, including:

(i) Proof of required continuing education. Documentation must include the date of each training, subject matter, name of agency or organization providing the training, and number of Department-approved classroom hours;

(ii) Completed certificates to document the substitute caregivers' completion of the Department's Caregiver Preparatory Training Study Guide and Workbook and to document the resident manager, floating resident manager, and shift caregivers, as applicable, completion and passing of the Department's Ensuring Quality Care Course and examination;

(iii) Documentation of orientation to the adult foster home for the resident manager, floating resident manager, shift caregivers, and substitute caregivers, as applicable;

(iv) Employment applications and the names, addresses, and telephone numbers of all caregivers employed or used by the licensee; and

(v) Verification that all caregivers are not listed on the Office of Inspector General's or General Services Administration's Exclusion Lists.

(C) Copies of notices sent to the local licensing authority pertaining to changes in the resident manager, floating resident manager, shift caregiver, or other primary caregiver;

(D) Proof of required vaccinations for animals on the premises;

(E) Well water tests, if required, according to OAR 411-050-0650. Test records must be retained for a minimum of three years;

(F) Agreements and specialized contracts with the Department, copies of the adult foster home's private-pay contracts, any contracts with residents eligible for Medicaid services, such as an agreement pertaining to storage fees after leaving the home, and any other contracts, such as contracts with room and board tenants or individuals receiving day care services; and

(G) Records of evacuation drills according to OAR 411-050-0650, including the date, time of day, evacuation route, length of time for evacuation of all occupants, names of all residents and occupants, and which residents and occupants required assistance. The records must be kept at least three years.

(b) REQUIRED POSTED ITEMS. The following items must be posted in one location in the entryway or other equally prominent place in the home where residents, visitors, and others may easily read them:

(A) The adult foster home license;

(B) Conditions attached to the license, if any;

(C) A copy of a current floor plan meeting the requirements of OAR 411-050-0650;

(D) The Residents' Bill of Rights;

(E) The home's current house policies that have been reviewed and approved by the local licensing authority;

(F) The Department's procedure for making complaints;

(G) The Long-Term Care Ombudsman poster;

(H) The Department's inspection forms (form SDS 517A and if applicable, form SDS 517B), including how corrections were made since the last annual inspection;

(I) The Department's notice pertaining to the use of any intercoms, monitoring devices, and video cameras that may be used in the adult foster home; and

(J) A weekly menu according to section (4) of this rule.

(c) POST BY PHONE. Emergency telephone numbers, including the contact number for at least one back-up provider who has agreed to respond in person in the event of an emergency and an emergency contact number for the licensee must be readily visible and posted by a central telephone in the adult foster home.

## (7) RESIDENT RECORDS.

(a) An individual resident record must be developed, kept current, and readily accessible on the premises of the home for each individual admitted to the adult foster home. The record must be legible and kept in an organized manner so as to be utilized by staff. The record must contain the following information:

(A) A complete initial screening assessment and general information form (SDS 902) as described in OAR 411-050-0655;

(B) Documentation on form SDS 913 that the licensee has informed private-pay residents of the availability of a long-term care assessment;

(C) Documentation that the licensee has informed all residents of the right to formulate an Advance Directive;

## (D) FINANCIAL INFORMATION:

(i) Detailed records and receipts if the licensee manages or handles a resident's money. The Resident Account Record (form SDS 713) or other expenditure forms may be used if the licensee manages or handles a resident's money. The record must show amounts and sources of funds received and issued to, or on behalf of, the resident and be initialed by the person making the entry. Receipts must document all deposits and purchases of \$5 or more made on behalf of a resident.

(ii) Contracts signed by residents or the residents' representatives may be kept in a separate file but must be made available for inspection by the local licensing authority.

(E) Medical and legal information, including, but not limited to:

(i) Medical history, if available;

(ii) Current prescribing practitioner orders;

(iii) Nursing instructions, delegations, and assessments, as applicable;

(iv) Completed medication administration records retained for at least the last six months or from the date of admission, whichever is less. (Older records may be stored separately); and

(v) Copies of Guardianship, Conservatorship, Advance Directive for Health Care, Health Care Power of Attorney, and Physician's Order for Life Sustaining Treatment (POLST) documents, as applicable.

(F) A complete, accurate, and current care plan;

(G) A copy of the current house policies and the current Residents' Bill of Rights, signed and dated by the resident or the resident's representative;

(H) SIGNIFICANT EVENTS. A written report (using form SDS 344 or its equivalent) of all significant incidents relating to the health or safety of the resident, including how and when the incident occurred, who was involved, what action was taken by the licensee and staff, as applicable, and the outcome to the resident;

(I) NARRATIVE OF RESIDENT'S PROGRESS. Narrative entries describing each resident's progress must be documented at least weekly and maintained in each resident's individual record. All entries must be signed and dated by the person writing them; and

(J) Non-confidential information or correspondence pertaining to the care needs of the resident.

## (b) ACCESS TO RESIDENT RECORDS.

(A) Resident records must be readily available at the adult foster home to residents, the residents' authorized representatives or other legally authorized persons, all caregivers working in the home, and the Department, the local licensing authority, the investigative authority, case managers, and the Centers for Medicare and Medicaid Services (CMS) for the purpose of conducting inspections or investigations.

## ADMINISTRATIVE RULES

(B) The State Long-Term Care Ombudsman must be provided access to all resident and facility records. A Deputy Ombudsman and Certified Ombudsman Volunteers must be provided access to facility records relevant to caregiving and resident records with written permission from the resident or the resident's legal representative. (See OAR 114-005-0030)

(c) RECORD RETENTION. Records, including any financial records for residents, must be kept for a period of three years from the date the resident left the home.

(d) CONFIDENTIALITY. In all other matters pertaining to confidential records and release of information, licensees must be guided by the principles and definitions described in OAR chapter 411, division 005 (Privacy of Protected Information).

(8) HOUSE POLICIES. House policies must be in writing and a copy given to the resident and the resident's family or representative at the time of admission and at the time the screening and assessment is conducted. A signed copy of the house policies must be obtained at the time of admission and placed in the resident's record. House policies must be consistent with the practices of the licensee, staff, occupants, and visitors of the home. House policies established by the licensee must:

(a) Include any restrictions the adult foster home may have on the use of alcohol, tobacco, pets, visiting hours, dietary restrictions, or religious preferences;

(b) Indicate the home's policy regarding the presence and use of legal marijuana on the premises;

(c) Include a schedule of meal times;

(d) Include the home's policy regarding refunds for residents eligible for Medicaid services, including pro-rating partial months and if the room and board is refundable;

(e) Include a clear and precise statement of any limitation to the implementation of Advance Directives on the basis of conscience. This rule does not apply to medical professional or hospice orders for administration of medications. The statement must include:

(A) A description of conscientious objections as they apply to all occupants of the adult foster home;

(B) The legal authority permitting such objections under ORS 127.505 to 127.660; and

(C) Description of the range of medical conditions or procedures affected by the conscientious objection. (See OAR 411-050-0655)

(f) Not be in conflict with the Residents' Bill of Rights, the family atmosphere of the home, or any of these rules;

(g) Be reviewed and approved by the local licensing authority prior to the issuance of a license and prior to implementing any changes; and

(h) Be posted with the required posted items, in a location where they are easily seen and read by residents and visitors as described in section (7) of this rule.

(9) RESIDENT MOVES AND TRANSFERS. The Department encourages licensees to support a resident's choice to remain in his or her living environment while recognizing that some residents may no longer be appropriate for the adult foster care setting due to safety and medical limitations.

(a) If a resident moves out of an adult foster home for any reason, the licensee must submit copies of pertinent information from the resident's record to the resident's new place of residence at the time of move. Pertinent information must include at a minimum:

(A) Copies of current prescribing medical practitioner's orders for medications, current medication sheets, and an updated care plan; and

(B) Documentation of actions taken by the adult foster home staff, resident, or the resident's representative pertaining to the move or transfer.

(b) A licensee must immediately document voluntary and involuntary moves or transfers from the adult foster home in the resident's record as events take place. (See sections (11) and (12) of this rule)

(10) VOLUNTARY MOVES AND TRANSFERS.

(a) If a resident eligible for Medicaid services or the resident's representative gives notice of the resident's intent to leave the adult foster home, or the resident leaves the home abruptly, the licensee must promptly notify the resident's case manager.

(b) A licensee must obtain prior authorization from the resident, the resident's legal representative, and case manager, as applicable, prior to the resident's:

(A) Voluntary move from one bedroom to another in the adult foster home;

(B) Voluntary transfer from one adult foster home to another home that has a license issued to the same person; or

(C) Voluntary move to any other location.

(c) Notifications and authorizations of voluntary moves and transfers must be documented and available in the resident's record.

(d) The licensee remains responsible for the provision of care and services until the resident has moved from the home.

(11) INVOLUNTARY MOVES AND TRANSFERS.

(a) A resident may only be moved involuntarily to another room within the adult foster home, transferred to another adult foster home operated by the same licensee for a temporary or permanent stay, or moved from the adult foster home for the following reasons:

(A) Medical reasons. The resident has a medical or nursing condition that is complex, unstable, or unpredictable that exceeds the level of care and services the facility provides;

(B) The adult foster home is unable to accomplish evacuation of the adult foster home in accordance with OAR 411-050-0650;

(C) Welfare of the resident or other residents;

(i) The resident exhibits behavior that poses an imminent danger to self or others, including acts that result in the resident's arrest or detention;

(ii) The resident engages in behavior or action that repeatedly and substantially interfere with the rights, health, or safety of the residents or others; or

(iii) The resident engages in illegal drug use or commits a criminal act that causes potential harm to the resident or others.

(D) Failure to make payment for care or failure to make payment for room and board;

(E) The adult foster home has had its license revoked, not renewed, or the license was voluntarily surrendered by the licensee;

(F) The home was not notified prior to the resident's admission, or learns following the resident's admission, that the resident is on probation, parole, or post-prison supervision after being convicted of a sex crime defined in ORS 181.805.

(G) The licensee's Medicaid Provider Enrollment Agreement or specialized contract is terminated (pertains only to residents eligible for Medicaid); or

(H) The resident engages in the use of medical marijuana in violation of the home's written policies or contrary to Oregon Law under the Oregon Medical Marijuana Act, ORS 475.300 to 475.346.

(b) MANDATORY WRITTEN NOTICE. A resident may not be moved involuntarily from the adult foster home, or to another room within the adult foster home, or transferred to another adult foster home for a temporary or permanent stay without a minimum of 30 calendar days' written notice. The notice must be delivered in person to the resident and must be delivered in person or sent by registered or certified mail to the resident's legal representative, guardian, or conservator, and a copy must be immediately submitted to the resident's case manager, as applicable. Where a resident lacks capacity and there is no legal representative, a copy of the notice must be immediately submitted to the State Long Term Care Ombudsman. The written notice must:

(A) Be on the Department's Notice of Involuntary Move or Transfer of Resident form (SDS 901);

(B) Be completed by the licensee; and

(C) Include the following information:

(i) The resident's name;

(ii) The reason for the proposed move or transfer, including the specific reasons the facility is unable to meet the resident's needs;

(iii) The date of the proposed change;

(iv) The location to which the resident is going, if known;

(v) A notice of the right to hold an informal conference and hearing;

(vi) The name, address, and telephone number of the person giving the notice; and

(vii) The date the notice is issued.

(c) LESS THAN 30 DAYS' WRITTEN NOTICE. A licensee may give less than 30 calendar days' written notice in specific circumstances as identified in paragraphs (A) to (C) below, but must do so as soon as possible using the Department's Notice of Involuntary Move or Transfer of Resident form (SDS 901). The notice must be given in person to the resident, the resident's representative, guardian, conservator, and a copy must be immediately submitted to the resident's case manager, as applicable. The reasons for the notice must be fully documented in the resident's record. The licensee remains responsible for the provision of care and services until the resident has moved from the home. A licensee may give less than 30 calendar days' notice ONLY if:

(A) Undue delay in moving the resident would jeopardize the health, safety, or well-being of the resident, including:

(i) The resident has a medical emergency that requires the immediate care of a level or type the adult foster home is unable to provide.

# ADMINISTRATIVE RULES

(ii) The resident exhibits behavior that poses an immediate danger to self or others.

(B) The resident is hospitalized or is temporarily out of the home and the licensee determines he or she is no longer able to meet the needs of the resident; or

(C) The home was not notified prior to the resident's admission, or learns following the resident's admission, the resident is on probation, parole, or post-prison supervision after being convicted of a sex crime defined in ORS 181.805.

(i) In the event a resident is given notice of an involuntary move due to (11)(c)(C) of this rule, the notice may be given without reasonable advance notice.

(ii) The resident shall be given the Department's Notice of Involuntary Move or Transfer of Resident form (SDS 901) as stated in (11) of this rule.

(12) **RESIDENT HEARING RIGHTS.** A resident, who has been given formal notice of an involuntary move or refused the right of return or re-admission, is entitled to an informal conference and hearing prior to the involuntary move or transfer as follows:

(a) **INFORMAL CONFERENCE.** The local licensing authority must hold an informal conference as promptly as possible after the request is received. The local licensing authority must send written notice of the time and place of the conference to the licensee and all persons entitled to the notice. Participants may include the resident and at the resident's request a family member, case manager, Ombudsman, legal representative of the resident, the licensee, and a representative from an adult foster home association or SEIU if requested by the licensee. The purpose of the informal conference is to resolve the matter without an administrative hearing. If a resolution is reached at the informal conference, the local licensing authority must document the outcome in writing and no administrative hearing is needed.

(b) **ADMINISTRATIVE HEARING.** If a resolution is not reached as a result of the informal conference, the resident or the resident's representative may request an administrative hearing. If the resident is being moved or transferred with less than 30 calendar days' notice according to section (11)(c) of this rule, the hearing must be held within seven business days of the move or transfer. The licensee must hold a space available for the resident pending receipt of an administrative order. These administrative rules and ORS 441.605(4) governing transfer notices and hearings for residents of long-term care facilities apply to adult foster homes.

(13) **CLOSURE OF ADULT FOSTER HOMES.**

(a) A licensee must notify the local licensing authority prior to the voluntary closure, proposed sale, or transfer of ownership of the home, and give the residents and the residents' families, representatives, and case managers, as appropriate, a minimum of 30 calendar days' written notice on the Department's form (SDS 901) according to section (11) of this rule.

(b) In circumstances where undue delay might jeopardize the health, safety, or well-being of residents, licensees, or staff, written notice must be given as soon as possible, according to section (11)(c).

(c) A licensee must surrender the physical license to operate an adult foster home to the local licensing authority at the time of the adult foster home's closure.

## 411-050-0655

### Standards and Practices for Care and Services

(1) **SCREENING AND ASSESSMENT.**

(a) Prior to admission, the licensee must conduct and document a screening to determine if a prospective resident's care needs exceed the license classification of the home. The screening must:

(A) Evaluate the ability of the prospective resident to evacuate the home within three minutes along with all the occupants of the home;

(B) Determine if the licensee and caregivers are able to meet the prospective resident's needs in addition to meeting the needs of the other residents of the home; and

(C) Include medical diagnoses, medications, personal care needs, nursing care needs, cognitive needs, communication needs, night care needs, nutritional needs, activities, lifestyle preferences, and other information, as needed, to assure the prospective resident's care needs shall be met.

(b) The screening process must include interviews with the prospective resident and the prospective resident's family, prior care providers, and

case manager, as appropriate. The licensee must also interview, as necessary, any physician, nurse practitioner, physician assistant, registered nurse, pharmacist, therapist, or mental health or other licensed health care professional involved in the care of the prospective resident. A copy of the screening document must be:

(A) Given to the prospective resident or the prospective resident's legal representative; and

(B) Placed in the resident's record if admitted to the home; or

(C) Maintained for a minimum of three years if the prospective resident is not admitted to the home.

(c) If the Department or AAA knows that a person who is on probation, parole, or post-prison supervision after being convicted of a sex crime defined in ORS 181.805 is applying for admission to an adult foster home, the Department or AAA shall notify the home of the person's status as a sex offender.

(d) The licensee may refuse to admit a person who is on probation, parole, or post-prison supervision after being convicted of a sex crime as defined in ORS 181.805.

(e) **REQUIRED DISCLOSURES.** The licensee must disclose the home's policies and practices to a prospective resident or the prospective resident's legal representative, as applicable, including:

(A) **HOUSE POLICIES.** The licensee must provide a copy of the house policies and disclose any policies that may limit the prospective resident's activities or preferences while living in the adult foster home. Examples include, but are not limited to, the use of tobacco or alcohol, pets, religious practices, dietary restrictions, and the use of intercoms and monitors. The licensee must disclose the home's policy regarding the legal presence and use of medical marijuana. (See OAR 411-050-0645);

(B) **CONTRACT.** The licensee must provide a copy of any contract a prospective resident or the prospective resident's legal representative may be asked to sign;

(C) **MEDICAID ENROLLMENT STATUS.** The licensee must inform a prospective resident or the prospective resident's representative if the home serves individuals eligible for Medicaid services; and

(D) **LONG-TERM CARE ASSESSMENT.** The licensee must inform a prospective private-pay resident or the prospective resident's representative, if appropriate, of the availability of long-term care assessment services provided through the Department or a certified assessment program. The licensee must document on the Department's form (SDS 913) that the prospective private-pay resident has been advised of the right to receive a long-term care assessment. The licensee must maintain a copy of the form in the resident's record upon admission and make a copy available to the Department upon request.

(2) **PRIOR TO ADMISSION.**

(a) The licensee must obtain and document general information regarding a resident prior to the resident's admission. The information must include the names, addresses, and telephone numbers of the resident's relatives, significant persons, case managers, and medical or mental health providers. The information must also include the date of admission and, if available, the resident's medical insurance information, birth date, prior living facility, and mortuary;

(b) Prior to admission, the licensee must obtain and place in the resident's record:

(A) Prescribing practitioner's written or verbal orders for medications, treatments, therapies, and special diets, as applicable. Any verbal orders must be followed with written orders within seven calendar days of the resident's admission. Attempts to obtain written orders must be documented in the resident's record;

(B) Prescribing practitioner or pharmacist review of the resident's preferences for over-the-counter medications and home remedies; and

(C) Any medical information available, including the resident's history of accidents, illnesses, impairments, or mental status that may be pertinent to the resident's care.

(c) The licensee must ask for copies of the resident's Advance Directive, Physician's Order for Life Sustaining Treatment (POLST), and proof of court-appointed guardianship or conservatorship, if applicable. Copies of these documents must be placed in a prominent place in the resident's record and sent with the resident if the resident is transferred for medical care;

(d) The licensee must provide written information to the resident or the resident's representative about the resident's right to make decisions concerning Advance Directives and the resident's right to accept or refuse medical care. The licensee must provide:

(A) A written copy of the adult foster home's policies regarding implementation of Advance Directives; and

## ADMINISTRATIVE RULES

(B) A clear and precise statement of limitation if the licensee is not able to implement an Advance Directive on the basis of conscience that includes:

(i) Identification of the state legal authority under ORS 127.625 permitting a conscientious objection; and

(ii) Descriptions of medical conditions or procedures affected by the licensee's conscientious objection.

(e) The licensee must review the Residents' Bill of Rights and the home's current house policies with the resident and the resident's legal representative, as appropriate. The discussion must be documented by having the resident sign and date a copy of the house policies that have been approved by the local licensing authority and the current Residents' Bill of Rights (form SDS 305A). A copy of the signed house policies and Residents' Bill of Rights must be maintained in the resident's record.

### (3) CARE PLAN.

(a) During the initial 14 calendar days following the resident's admission to the home, the licensee must continue to assess and document the resident's preferences and care needs. The assessment and care plan must be completed by the licensee and documented within the initial 14-day period. The care plan must describe the resident's needs, preferences, and capabilities, and what assistance the resident requires for various tasks. The resident's care plan must also include:

(A) By whom, when, and how often care and services shall be provided;

(B) The resident's ability to perform activities of daily living (ADLs);

(C) Special equipment needs;

(D) Communication needs (examples may include, but are not limited to, hearing or vision needs, such as eraser boards or flash cards, or language barriers, such as sign language or non-English speaking);

(E) Night needs;

(F) Medical or physical health problems, including physical disabilities, relevant to care and services;

(G) Cognitive, emotional, or other impairments relevant to care and services;

(H) Treatments, procedures, or therapies;

(I) Registered nurse consultation, teaching, delegation, or assessment;

(J) Behavioral interventions;

(K) Social, spiritual, and emotional needs, including lifestyle preferences, activities, and significant others involved;

(L) The ability to exit in an emergency, including assistance and equipment needed;

(M) Any use of physical restraints or psychoactive medications; and

(N) Dietary needs and preferences.

(b) The licensee must review and update each resident's care plan every six months or as a resident's condition changes. The review must be documented in the resident's record at the time of the review and include the date of the review and the licensee's signature. If a care plan contains many changes and becomes less legible, a new care plan must be written.

### (4) REGISTERED NURSE CONSULTATION.

(a) RN CONSULTATION AND ASSESSMENT. A licensee must obtain a medical professional consultation and assessment to meet the care needs of a resident as required in these rules. A registered nurse consultation must be obtained when a skilled nursing care task, as defined by the Oregon State Board of Nursing, has been ordered by a physician or other licensed health care professional.

(b) A licensee must also request a registered nurse consultation under the following conditions:

(A) When a resident has a health concern or behavioral symptoms that may benefit from a nursing assessment and provider education;

(B) When written parameters are needed to clarify a prescribing practitioner p.r.n. order for medication and treatment (See section (5)(g) of this rule);

(C) Prior to the use of physical restraints when not assessed, taught, and reassessed, according to section (5)(m) of this rule, by a physician, nurse practitioner, physician assistant, Christian Science practitioner, mental health clinician, physical therapist, or occupational therapist;

(D) Prior to requesting psychoactive medications to treat behavioral symptoms or the use of new psychoactive medications when not assessed, taught, and reassessed according to section (5)(h) of this rule, by a physician, nurse practitioner, physician assistant, or mental health practitioner; and

(E) When care procedures are ordered that are new for a resident, the licensee, or other caregivers.

(c) RN DELEGATIONS. A registered nurse may determine a nursing care task be taught utilizing the delegation process. RN delegations are not

transferable to other residents or caregivers. (Refer to OAR chapter 851, division 047)

(d) Documentation of nurse consultations, delegations, assessments, and reassessments must be maintained in the resident's record and made available to the Department upon request.

### (5) STANDARDS FOR MEDICATIONS, TREATMENTS, AND THERAPIES.

(a) MEDICATIONS. The licensee and caregivers must demonstrate an understanding of each resident's medication administration regimen. Medication resource material must be readily available at the home and include the reason a medication is used, any specific instructions, the medication's actions, and common side effects.

(b) WRITTEN ORDERS. The licensee must obtain and place a signed order in the resident's record for any medications, dietary supplements, treatments, or therapies that have been ordered by a prescribing practitioner. The written orders must be carried out as prescribed unless the resident or the resident's legal representative refuses to consent. The prescribing practitioner must be notified if the resident refuses to consent to an order.

(A) CHANGED ORDERS. Changes to a written order may not be made without a prescribing practitioner order. The prescribing practitioner must be notified if the resident refuses to consent to the change order. Changes to medical orders obtained by telephone must be followed-up with signed orders within seven calendar days. Changes in the dosage or frequency of an existing medication require a new properly labeled and dispensed medication container. If a new properly labeled and dispensed medication container is not obtained, the change must be written on an auxiliary label attached to the medication container, not to deface the existing original pharmacy label, and must match the new medication order. Attachment of the auxiliary label must be documented in the residents' record. (See section (5)(f)(D) of this rule)

(B) DOCUMENTATION OF CHANGED ORDERS. Attempts to obtain the signed written changes must be documented and readily available for review in the resident's record. The resident's medications, including medications that are prescribed, over-the-counter medications, and home remedies, must be reviewed by the resident's prescribing practitioner or pharmacist at least annually. The review must be in writing, include the date of the review, and contain the signature of the prescribing practitioner or a pharmacist.

(c) MEDICATION SUPPLIES. The licensee must have all currently prescribed medications, including p.r.n. medications, and all prescribed over-the-counter medications available in the home for administration. Refills must be obtained prior to depletion of current medication supplies. Attempts to order refills must be documented in the resident's record.

(d) HEALTH CARE PROFESSIONAL ORDERS (IMPLEMENTED BY AFH STAFF). The licensee who implements a hospice, home health, or other licensed medical professional-generated order must:

(A) Have a copy of the hospice, home health, or licensed medical professional document that communicates the written order;

(B) Transcribe the order onto the medication administration record (MAR);

(C) Implement the order as written; and

(D) Include the order on subsequent medical visit reports for the prescribing practitioner to review.

(e) HOSPICE AND HOME HEALTH ORDERS (IMPLEMENTED BY NON-AFH STAFF). A licensee must allow a resident to receive hospice services. The licensee who provides adult foster home services to a recipient of hospice or home health services, but who does not implement a hospice or home health-generated order must:

(A) Have a copy of the hospice or home health document that communicates the written order; and

(B) Include the order on subsequent medical visit reports for the prescribing practitioner to review.

(f) MEDICATION ADMINISTRATION RECORD (MAR). A current, written medication administration record (MAR) must be kept for each resident and must:

(A) List the name of all medications administered by a caregiver, including over-the-counter medications and prescribed dietary supplements. The MAR must identify the dosage, route, and the date and time each medication or supplement is to be given;

(B) Identify any treatments and therapies administered by a caregiver. The MAR must indicate the type of treatment or therapy and the time the procedure must be performed;

(C) Be immediately initialed by the caregiver administering the medication, treatment, or therapy as it is completed. A resident's MAR must contain a legible signature that identifies each set of initials;

# ADMINISTRATIVE RULES

(D) Document changed and discontinued orders immediately showing the date of the change or discontinued order. A changed order must be written on a new line with a line drawn to the start date and time; and

(E) Document missed or refused medications, treatments, or therapies. If a medication, treatment, or therapy is missed or refused by the resident, the initials of the caregiver administering the medication, treatment, or therapy must be circled, and a brief, but complete, explanation must be recorded on the back of the MAR.

(g) P.R.N. MEDICATIONS. Prescription medications ordered to be given "as needed" or "p.r.n." must have specific parameters indicating what the medication is for and specifically when, how much, and how often the medication may be administered. Any additional instructions must be available for the caregiver to review before the medication is administered to the resident.

(A) P.R.N. DOCUMENTATION. As needed (p.r.n) medications must be documented on the resident's MAR with the time, dose, the reason the medication was given, and the outcome.

(B) P.R.N. ADVANCE SET-UP. As needed (p.r.n.) medications may not be included in any advance set-up of medication.

(h) PSYCHOACTIVE MEDICATIONS.

(A) A licensee is not required to request an evaluation of a resident's use of a psychoactive medication if the resident is admitted to the home and the resident has been prescribed the psychoactive medication for a condition that is currently monitored by a physician, nurse practitioner, physician assistant, or mental health professional and the written order for the psychoactive medication is in the resident's record.

(B) If a resident is admitted to a home with no documented history as to the reason for taking a psychoactive medication, or if the licensee requests medical professional intervention to address behavioral symptoms, the licensee must request a physician, nurse practitioner, physician assistant, or mental health professional evaluate the resident's need for the psychoactive medication and the intended effect of the medication, common side effects, and circumstances for reporting. The evaluation request must be documented in the resident's record and include:

(i) A probable cause of the resident's behavior;

(ii) Behavioral and environmental interventions to be used instead of or in addition to psychoactive medication, if applicable. Alternative interventions must be tried as instructed by a licensed medical professional and the resident's response to the alternative interventions must be documented in the resident's record prior to administering a psychoactive medication; and

(iii) A plan for reassessment by the resident's prescribing physician, nurse practitioner, physician assistant, or mental health professional.

(C) The prescription and order for a psychoactive medication must specify the dose, frequency of administration, and the circumstance for use (i.e., specific symptoms). The licensee and all caregivers must be aware of and comply with these parameters.

(D) The licensee and all caregivers must know the intended effect of a psychoactive medication for a particular resident and the common side effects, as well as the circumstances for reporting to the resident's physician, nurse practitioner, physician assistant, or mental health professional.

(E) The resident's care plan must identify and describe the behavioral symptoms for which psychoactive medications are prescribed and a list of all interventions, including behavioral, environmental, and medication.

(F) Psychoactive medications must never be given to discipline a resident or for the convenience of the caregivers.

(i) MEDICATION CONTAINERS, STORAGE, AND DISPOSAL.

(A) MEDICATION CONTAINERS. Each of the resident's prescribed medication containers, including bubble packs, must be clearly labeled by the pharmacy. All medications, including over-the-counter medications, must be in the original container. Medications stored in advanced set up containers are required to be labeled as described in this rule.

(B) OVER-THE-COUNTER MEDICATIONS. Over-the-counter medication purchased for a specific resident's use must be marked with the resident's name. Over-the-counter medications in stock bottles (with original labels) may be used for multiple residents in the home and must be clearly marked as the house supply.

(C) STORAGE OF RESIDENT MEDICATION. All resident medications, including over-the-counter medications, must be kept in a locked, central location that is cool, clean, dry, not subject to direct sunlight, and separate from medications belonging to the licensee, caregivers, and all other non-residents. Medications requiring refrigeration must also be locked and stored separately from non-resident medications. Residents may not have access to medications belonging to the licensee, caregivers, or other household members.

(D) STORAGE OF NON-RESIDENT MEDICATION. All non-resident medications must be kept locked and separate from resident medications.

(E) DISPOSAL OF MEDICATION. Outdated, discontinued, recalled, or contaminated medications, including over-the-counter medications, may not be kept in the home and must be disposed of within 10 calendar days of expiration, discontinuation, or the licensee's knowledge of a recall or contamination. A licensee must contact the local DEQ waste management company in their area for instructions on proper disposal of unused or expired medications.

(i) The disposal of a resident's medication must be documented in the resident's record and the documentation must be readily available in the resident's record.

(ii) The disposal of a controlled substance must be documented in the resident's record and the disposal must be witnessed by a caregiver who is 18 years of age or older.

(iii) DOCUMENTATION OF DISPOSAL. Documentation regarding the disposal of medications and controlled substances must include:

(I) The date of disposal;

(II) Description of the medication, (i.e., name, dosage, and amount being disposed);

(III) Name of the resident for whom the medication was prescribed;

(IV) Reason for disposal;

(V) Method of disposal;

(VI) Signature of the person disposing of the medication; and

(VII) For controlled substances, the signature of the caregiver who witnessed the disposal according to this rule.

(j) ADVANCED SET-UP. The licensee may set-up each resident's medications for up to seven calendar days in advance (excluding p.r.n. medications) by using a closed container manufactured for the advanced set-up of medications. If used, each resident must have his or her own container with divisions for the days of the week and times of the day the medications are to be given. The container must be clearly labeled with the resident's name, name of each medication, time to be given, dosage, amount, route, and description of each medication. The container must be stored in the locked area with the residents' medications.

(k) SELF-ADMINISTRATION OF MEDICATION. A licensee must have a prescribing practitioner written order of approval for a resident to self-medicate. A resident able to handle his or her own medical regimen may keep their medications in their own room in a lockable storage area or device. Medications must be kept locked except those medications on the residents' own person. The licensee must notify the prescriber of the medication if the resident shows signs of no longer being able to self-medicate safely.

(l) INJECTIONS. Subcutaneous, intramuscular, and intravenous injections may be self-administered by a resident if the resident is fully independent in the task or may be administered by a relative of the resident or an Oregon licensed registered nurse (RN). An Oregon licensed practical nurse (LPN) may give subcutaneous and intramuscular injections. A caregiver who has been delegated and trained by a registered nurse under provision of the Oregon State Board of Nursing (OAR 851-047-0000 to 851-047-0040) may give subcutaneous injections. Intramuscular and intravenous injections may not be delegated.

(m) PHYSICAL RESTRAINTS. Physical restraints may only be used when required to treat a resident's medical symptoms or to maximize a resident's physical functioning. Physical restraints may only be used after a written assessment is completed as described below and all alternatives have been exhausted. Licensees and caregivers may use physical restraints in adult foster homes only in compliance with these rules, including the Residents' Bill of Rights listed in section (7) of this rule. Prior to the use of any type of physical restraint, the following must be completed:

(A) ASSESSMENT. A written assessment must be obtained from the resident's physician, nurse practitioner, physician assistant, registered nurse, Christian Science practitioner, mental health clinician, physical therapist, or occupational therapist that includes consideration of all other alternatives.

(B) ORDERS. If it is determined that a physical restraint is necessary following the assessment and trial of other measures, the least restrictive restraint must be used and as infrequently as possible. The licensee must obtain a written order from the resident's physician, nurse practitioner, physician assistant, or Christian Science practitioner prior to the use of a physical restraint. The written order must include specific parameters, including the type of physical restraint, circumstances for use, and duration of use, including:

(i) Procedural guidance for the use of the physical restraint;

# ADMINISTRATIVE RULES

- (ii) The frequency for reassessment;
- (iii) The frequency and procedures for nighttime use; and
- (iv) Dangers and precautions for using the physical restraint.

(C) Physical restraints may not be used on an as needed (p.r.n.) basis in an adult foster home.

(D) CONSENT. Physical restraints must not be used without first obtaining the written consent of the resident or the resident's legal representative.

(E) DOCUMENTATION. If it is determined a physical restraint is necessary following the assessment and trial of other measures, the written order for the use of a physical restraint must be documented in the resident's care plan explaining why and when the restraint is to be used, along with instructions for periodic release. Any less restrictive, alternative measures planned during the assessment, and cautions for maintaining the resident's safety while restrained must also be recorded in the resident's care plan. The resident's record must include:

- (i) The completed assessment as described in this rule;
- (ii) The written order authorizing the use of the physical restraint from the resident's physician, nurse practitioner, physician assistant, or Christian Science practitioner;
- (iii) Written consent of the resident or the resident's legal representative to use the specific type of physical restraint; and
- (iv) The reassessments completed by a medical professional as described above in subsection (B) of this rule.

(F) DAYTIME USE. A resident physically restrained during waking hours must have the restraints released at least every two hours for a minimum of 10 minutes and be repositioned, offered toileting, and provided exercise or range-of-motion exercises during this period. The use of restraints, restraint release, and activities that occurred during the release period must be documented in the resident's record.

(G) NIGHTTIME USE. The use of physical restraints at night is discouraged and must be limited to unusual circumstances. If used, the restraint must be of a design to allow freedom of movement with safety. The frequency of night monitoring to address resident safety and care needs must be determined in the assessment. Tie restraints of any kind must not be used to keep a resident in bed.

(H) If any physical restraints are used in an adult foster home, the restraints must allow for quick release at all times. Use of restraints may not impede the three-minute evacuation of all occupants of the home.

(I) Physical restraints may not be used for the discipline of a resident or for the convenience of the adult foster home.

## (6) RESIDENT CARE.

(a) Care and supervision of residents must be in a home-like atmosphere. The training of the licensee and caregivers and care and supervision of residents must be appropriate to the age, care needs, and conditions of the residents in the home (See OAR 411-050-0625). Additional staff may be required if, for example, day care individuals are in the home or if necessary to safely evacuate the residents and all occupants from the home as required by OAR 411-050-0650.

(b) If a resident has a medical regimen or personal care plan prescribed by a licensed health care professional, the provider must cooperate with the plan and ensure the plan is implemented as instructed.

(c) NOTIFICATION. The licensee must notify emergency personnel, the resident's physician, nurse practitioner, physician assistant, registered nurse, family representative, and case manager, as applicable, under the following circumstances:

(A) EMERGENCIES (MEDICAL, FIRE, POLICE). In the event of an emergency, the licensee, or caregiver with the resident at the time of the emergency must first call 911 or the appropriate emergency number for their community. This does not apply to a resident with a medical emergency who practices Christian Science;

(i) If a resident is receiving hospice services, the caregivers must follow the written instructions for medical emergencies from the hospice nurse.

(ii) If a resident has a completed Physician's Orders for Life-Sustaining Treatment (POLST) or other legal documents, such as an Advance Directive or Do Not Resuscitate (DNR) order, copies of the documents must be made available to the emergency personnel when they arrive.

(B) HOSPITALIZATION. In the event the resident is hospitalized;

(C) HEALTH STATUS CHANGE. When the resident's health status or physical condition changes; and

(D) DEATH. Upon the death of the resident.

(d) The licensee shall not inflict, or tolerate to be inflicted, abuse or punishment, financial exploitation, or neglect of the residents.

(e) The licensee must exercise reasonable precautions against any conditions that may threaten the health, safety, or welfare of the residents.

(f) A qualified caregiver must always be present and available at the home when a resident is in the home. A resident may not be left in charge in lieu of a caregiver.

(g) ACTIVITIES. The licensee must make available at least six hours of activities per week that are of interest to the residents, not including television and movies. Information regarding activity resources is available from the local licensing authority. Activities must be oriented to individual preferences as indicated in the resident's care plan (See section (3)(a)(J) of this rule). Documentation of the activities offered to each resident and the resident's participation in those activities must be recorded in the resident's records.

(h) DAY CARE. Prior to the admission of each day care individual, the licensee must:

(A) Conduct and document a screening as described in section (1)(a) of this rule;

(B) Obtain current medical professional orders as described in section (5)(b) of this rule if medications are to be administered and the necessary delegations, as applicable; and

(C) Develop and maintain a current, written medication administration record (MAR) as described in section (5)(f) of this rule if medications are to be administered.

(i) DIRECT INVOLVEMENT OF CAREGIVERS. The licensee or caregivers must be directly involved with the residents on a daily basis. If the physical characteristics of the adult foster home do not encourage contact between the caregivers and residents and among residents, the licensee must demonstrate how regular positive contact occurs.

(j) RESIDENT MONEY. If the licensee manages or handles a resident's money, a separate account record must be maintained in the resident's name. The licensee may not under any circumstances commingle, borrow from, or pledge any of a resident's funds. The licensee may not act as a resident's guardian, conservator, trustee, or attorney-in-fact unless related by birth, marriage, or adoption to the resident as follows: parent, child, brother, sister, grandparent, grandchild, aunt, uncle, niece, or nephew. Nothing in this rule may be construed to prevent the licensee or the licensee's employee from acting as a representative payee for the resident. (See also OAR 411-020-0002 and ORS 127.520)

(A) Personal incidental funds (PIF) for individuals eligible for Medicaid services must be used at the discretion of the individual for such things as clothing, tobacco, and snacks (not part of daily diet).

(B) The licensee and other caregivers may not accept gifts from the residents through undue influence or accept gifts of substantial value. Caregivers and family members of the caregivers may not accept gifts of substantial value or loans from the resident or the resident's family. The licensee or other caregivers may not influence, solicit from, or suggest to any of the residents or the residents' legal representatives that the residents or the residents' legal representatives give the caregiver or the caregiver's family money or property for any purpose.

(C) The licensee may not subject the resident or the resident's representative to unreasonable rate increases.

(k) The licensee and other caregivers may not loan money to the residents.

(7) RESIDENTS' BILL OF RIGHTS. The licensee, the licensee's family, and employees of the home must guarantee not to violate these rights and to help the residents exercise them. The Residents' Bill of Rights provided by the Department must be explained and a copy given to each resident at the time of admission. The Residents' Bill of Rights states each resident has the right to:

(a) Be treated as an adult with respect and dignity;

(b) Be informed of all resident rights and all house policies;

(c) Be encouraged and assisted to exercise constitutional and legal rights, including the right to vote;

(d) Be informed of their medical condition and the right to consent to or refuse treatment;

(e) Receive appropriate care, services, and prompt medical care as needed;

(f) Be free from abuse;

(g) Complete privacy when receiving treatment or personal care;

(h) Associate and communicate privately with any person of choice and send and receive personal mail unopened;

(i) Have access to and participate in activities of social, religious, and community groups;

(j) Have medical and personal information kept confidential;

# ADMINISTRATIVE RULES

(k) Keep and use a reasonable amount of personal clothing and belongings, and to have a reasonable amount of private, secure storage space;

(l) Be free from chemical and physical restraints except as ordered by a physician or other qualified practitioner. Restraints are used only for medical reasons, to maximize a resident's physical functioning, and after other alternatives have been tried. Restraints are not to be used for discipline or convenience;

(m) Manage their own financial affairs unless legally restricted;

(n) Be free from financial exploitation. The licensee may not charge or ask for application fees or non-refundable deposits or solicit, accept, or receive money or property from a resident other than the amount agreed to for services;

(o) A written agreement regarding services to be provided and the rates to be charged. The licensee must give 30 days' written notice before any change in the rates or the ownership of the home;

(p) Not be transferred or moved out of the adult foster home without 30 calendar days' written notice and an opportunity for a hearing. A licensee may transfer a resident only for medical reasons, for the welfare of the resident or other residents, or for nonpayment;

(q) A safe and secure environment;

(r) Be free of discrimination in regard to race, color, national origin, gender, sexual orientation, or religion;

(s) Make suggestions or complaints without fear of retaliation; and

(t) Be free of discrimination in regard to the execution of an Advance Directive, Physician's Order for Life-Sustaining Treatment (POLST), or Do Not Resuscitate (DNR) orders.

## 411-050-0665

### Abuse Reporting, Complaints, and Notification of Findings

(1) ABUSE REPORTING. Abuse is prohibited. The facility employees and licensee may not permit, aid, or engage in abuse of residents who are under their care. Abuse and suspected abuse must be reported in accordance with OAR 411-020-0020.

(a) STAFF REPORTING. All facility employees must immediately report abuse and suspected abuse to the investigative authority.

(b) LICENSEE REPORTING. The licensee must immediately notify the investigative authority of any incident of abuse or suspected abuse, including events overheard or witnessed by observation.

(c) LAW ENFORCEMENT AGENCY. The local law enforcement agency must be called first when the suspected abuse is believed to be a crime (e.g., rape, murder, assault, burglary, kidnapping, theft of controlled substances).

(2) IMMUNITY AND PROHIBITION OF RETALIATION.

(a) The licensee may not retaliate against any resident after the resident or someone acting on the resident's behalf has filed a complaint in any manner, including, but not limited to:

(A) Increasing or threatening to increase charges;

(B) Decreasing or threatening to decrease services;

(C) Withholding rights or privileges;

(D) Taking or threatening to take any action to coerce or compel the resident to leave the facility; or

(E) Threatening to harass or abuse a resident in any manner.

(b) The licensee must ensure any complainant, witness, or employee of a facility is not subjected to retaliation by any caregiver, (including the caregiver's family and friends who may live in or frequent the adult foster home) for making a report, being interviewed about a complaint, or being a witness, including, but not limited to, restriction of access to the home or a resident or, if an employee, dismissal or harassment.

(c) Anyone who, in good faith, reports abuse or suspected abuse has immunity, as approved by law, from any civil liability that might otherwise be incurred or imposed with respect to the making or content of an abuse complaint.

(3) Immunity under this rule does not protect self-reporting licensees from liability for the underlying conduct that is alleged in the complaint.

(4) The local licensing authority must furnish each adult foster home with a Complaint Notice that states the telephone number of the Department, the investigative authority, and the Long-Term Care Ombudsman, and the procedure for making complaints.

(5) Any person who believes these rules have been violated may file a complaint with the Department, the local licensing authority, or the investigative authority.

(6) The Department or the investigative authority shall investigate complaints in accordance with the adult protective services rules in OAR chapter 411, division 20, OAR chapter 407, division 45, or OAR chapter 943, division 45, as applicable.

(7) Immediate protection shall be provided for the residents by the Department, the local licensing authority, or the investigative authority, as necessary, regardless of whether the investigative report is completed. The licensee must immediately cease any practice that places a resident at risk of serious harm.

(8) PRELIMINARY FINDINGS. The Department, through the investigative authority, shall provide, by written communication or electronic mail, a copy of the preliminary abuse investigation report to the licensee and complainant within seven business days of the completion of the investigation:

(a) The report shall be accompanied by a notice informing the licensee and complainant of their right to give additional information about the content of the report to the investigative authority within 10 calendar days of receipt of the report.

(b) The investigative authority must review the responses and reopen the investigation or amend the report if the additional evidence warrants a change.

(9) A copy of the entire report shall be sent to the Department upon completion of the investigation report.

(10) NOTIFICATION OF FINDINGS. Upon a determination of substantiated abuse or a rule violation, the Department must provide written notification of its findings to the licensee.

(a) CONTENT. The written notice shall:

(A) Explain the nature of each allegation;

(B) Include the date and time of each occurrence;

(C) For each allegation, include a determination of whether the allegation is substantiated, unsubstantiated, or inconclusive;

(D) For each substantiated allegation, state whether the violation was abuse or another rule violation;

(E) Include a copy of the complaint investigation report;

(F) State that the complainant, any person reported to have committed wrongdoing, and the facility have 15 calendar days to provide additional or different information; and

(G) For each allegation, explain the applicable appeal rights available.

(b) APPORTIONMENT. If the Department determines there is substantiated abuse, the Department may determine the licensee, an individual, or both the licensee and an individual were responsible for abuse. In determining responsibility, the Department shall consider intent, knowledge, and ability to control, and adherence to professional standards, as applicable.

(A) LICENSEE RESPONSIBLE. Examples of when the Department shall determine the licensee is responsible for the abuse include, but are not limited to, the following:

(i) Failure to provide sufficient, qualified staffing in accordance with these rules without reasonable effort to correct;

(ii) Failure to check for or act upon relevant information available from a licensing board;

(iii) Failure to act upon information from any source regarding a possible history of abuse by any staff or prospective staff;

(iv) Failure to adequately train, orient, or provide sufficient oversight to staff;

(v) Failure to provide adequate oversight to residents;

(vi) Failure to allow sufficient time to accomplish assigned tasks;

(vii) Failure to provide adequate services;

(viii) Failure to provide adequate equipment or supplies; or

(ix) Failure to follow orders for treatment or medication.

(B) INDIVIDUAL RESPONSIBLE. Examples of when the Department determines an individual is responsible includes, but is not limited to:

(i) Intentional acts against a resident, including assault, rape, kidnapping, murder, or sexual, verbal, or mental abuse;

(ii) Acts contradictory to clear instructions from the facility, such as those identified in section (9)(b)(A) of this rule, unless the act is determined by the Department to be the responsibility of the facility;

(iii) Callous disregard for resident rights or safety; or

(iv) Intentional acts against a resident's property (e.g., theft or misuse of funds).

(C) An individual shall not be considered responsible for the abuse if the individual demonstrates the abuse was caused by factors beyond the

# ADMINISTRATIVE RULES

individual's control. "Factors beyond the individual's control" are not intended to include such factors as misuse of alcohol or drugs or lapses in sanity.

(D) NURSING ASSISTANTS. In cases of substantiated abuse by a nursing assistant, the written notice shall explain:

(i) The Department's intent to enter the finding of abuse into the Nursing Assistant Registry following the procedure set out in OAR 411-089-0140; and

(ii) The nursing assistant's right to provide additional information and request a contested case hearing as provided in OAR 411-089-0140.

(c) DISTRIBUTION.

(A) The written notice shall be mailed to:

(i) The licensee;

(ii) Any person reported to have committed wrongdoing;

(iii) The complainant, if known;

(iv) The Long-term Care Ombudsman; and

(v) The local licensing authority.

(B) A copy of the written notice must be placed in the Department's facility complaint file.

(10) Upon receipt of a notice that substantiates abuse for victims covered by ORS 430.735, the facility must provide written notice of the findings to the individual found to have committed abuse, residents of the facility, and the residents' case managers and legal representatives.

(11) Licensees who acquire substantiated complaints pertaining to the health, safety, or welfare of residents may be assessed civil penalties, have conditions placed on their licenses, or have their licenses suspended, revoked, or not renewed.

(12) COMPLAINT REPORTS. Copies of all completed complaint reports must be maintained and available to the public at the local licensing authority. Individuals may purchase a photocopy upon requesting an appointment to do so.

(13) The Department and the local licensing authority shall not disclose information that may be used to identify a resident in accordance with OAR 411-020-0030, Confidentiality, and federal HIPAA Privacy Rules. Completed reports placed in the public file must be in compliance with OAR 411-050-0670 and:

(a) Protect the privacy of the complainant and the resident. The identity of the person reporting suspected abuse must be confidential and may be disclosed only with the consent of that person, by judicial process (including administrative hearing), or as required to perform the investigation by the Department or a law enforcement agency;

(b) Treat the names of the witnesses as confidential information; and

(c) Clearly designate the final disposition of the complaint.

(A) PENDING COMPLAINT REPORTS. Any information regarding the investigation of the complaint may not be filed in the public file until the investigation has been completed.

(B) COMPLAINT REPORTS AND RESPONSES. The investigation reports, including copies of the responses with confidential information deleted, must be available to the public at the local licensing authority office along with other public information regarding the adult foster home.

**Rule Caption:** Investigations of potential elder abuse in nursing facilities

**Adm. Order No.:** APD 51-2014(Temp)

**Filed with Sec. of State:** 12-31-2014

**Certified to be Effective:** 1-1-15 thru 6-29-15

**Notice Publication Date:**

**Rules Amended:** 411-085-0005, 411-085-0010, 411-085-0013, 411-085-0015, 411-085-0030, 411-085-0040, 411-085-0060, 411-085-0310, 411-085-0350, 411-085-0360, 411-085-0370, 411-089-0010, 411-089-0020, 411-089-0030, 411-089-0040, 411-089-0050, 411-089-0070, 411-089-0075, 411-089-0100, 411-089-0110, 411-089-0120, 411-089-0130, 411-089-0140

**Subject:** To implement House Bill 4151 (2014 Regular Session), the Department of Human Services (Department) is proposing to amend

the rules for Nursing Facilities in OAR chapter 411, divisions 85 and 89 to:

Amend the definition of "sexual abuse" used by corrective action coordinators to determine enhanced civil penalties as required by HB 4151. Following the substantiation of alleged "abuse" in nursing facilities, this definition is used to determine the amount of an enhanced civil penalty the nursing facility corrective action applies in any given case.

Define role of "Office of Licensing and Regulatory Oversight (OLRO)" concerning the regulation of nursing facilities.

Amend definitions to be consistent with current Department terminology.

Amend program and division names throughout the rules to ensure current agency program names are correctly referenced.

Amend the amount of time local APD and AAA offices have to complete an abuse investigation report to ensure consistency with the HB 4151 requirement of completing investigations within 120 days.

Make minor wording, formatting, punctuation, and grammatical adjustments to the rules.

**Rules Coordinator:** Kimberly Colkitt-Hallman — (503) 945-6398

## 411-085-0005

### Definitions

Unless the context requires otherwise, the following definitions apply to the rules in OAR chapter 411, divisions 70, 85, and 89:

(1) "AAA" means "Area Agency on Aging" as defined in this rule.

(2) "Abuse" means:

(a) Any physical injury to a resident that has been caused by other than accidental means. This includes injuries a reasonable and prudent individual is able to prevent, such as hitting, pinching or striking, or injury resulting from rough handling.

(b) Failure to provide basic care or services to a resident that results in physical harm, unreasonable discomfort, or serious loss of human dignity.

(c) Sexual contact with a resident, including fondling, caused by an employee, agent, or other resident of a long-term care facility by force, threat, duress or coercion, or sexual contact where the resident has no ability to consent.

(d) Illegal or improper use of a resident's resources for the personal profit or gain of another individual, borrowing resident funds, spending resident funds without the resident's consent, or if the resident is not capable of consenting, spending resident funds for items or services from which the resident is unable to benefit or appreciate, or spending resident funds to acquire items for use in common areas when such purchase is not initiated by the resident.

(e) Verbal abuse as prohibited by federal law, including the use of oral, written, or gestured communication to a resident or visitor that describes a resident in disparaging or derogatory terms.

(f) Mental abuse as prohibited by law including humiliation, harassment, threats of punishment, or deprivation, directed toward the resident.

(g) Corporal punishment.

(h) Involuntary seclusion for convenience or discipline.

(3) "Abuse Complaint" means any oral or written communication to the Department, one of the Department's agents, or a law enforcement agency alleging abuse.

(4) "Activities Program" means services offered to each resident that encourage the resident to participate in physical and mental exercises that are designed to maintain or improve physical and mental well-being and social skills.

(5) "Acute Sexual Assault" means any non-consensual or unwanted sexual contact that warrants medical treatment or forensic collection.

(6) "Applicant" means the individual required to complete a nursing facility application for a license. Applicant includes a sole proprietor, each partner in a partnership, or the corporation that owns the nursing facility business. Applicant also includes a sole proprietor, each partner in a partnership, or a corporation that operates a nursing facility on behalf of the nursing facility business owner.

(7) "Area Agency on Aging (AAA)" means the Department designated agency charged with the responsibility to provide a comprehensive and coordinated system of service to individuals in a planning and service area. The term Area Agency on Aging is inclusive of both Type A and Type B Area Agencies on Aging as defined in ORS 410.040 and described in ORS 410.210 to 410.300.

## ADMINISTRATIVE RULES

(8) "Aging and People with Disabilities" means the program area of Aging and People with Disabilities, within the Department of Human Services.

(9) "APD" means "Aging and People with Disabilities."

(10) "Assessment" means a written evaluation of a resident's abilities, condition, and needs based upon resident interview, observation, clinical and social records, and other available sources of information.

(11) "Care" means services required to maximize resident independence, personal choice, participation, health, self-care, and psychosocial functioning, as well as to provide reasonable safety, all consistent with the preferences of the resident.

(12) "Certified Medication Aide" means "certified medication assistant" as defined in this rule.

(13) "Certified Medication Assistant" means a certified nursing assistant who has been certified as a medication assistant or medication aide pursuant to ORS chapter 678 and the rules adopted thereunder.

(14) "Certified Nursing Assistant" means an individual who has been certified as a nursing assistant pursuant to ORS chapter 678 and the rules adopted thereunder.

(15) "Change of Operator" means "change of ownership" as defined in this rule.

(16) "Change of Ownership" means a change in the individual or entity that owns the facility business, a change in the individual or entity responsible for the provision of services at the facility, or both. Events that change ownership include, but are not limited to:

(a) A change in the form of legal organization of the licensee;

(b) Transfer of the title to the nursing facility enterprise by the owner to another party;

(c) If the licensee is a corporation, dissolution of the corporation, merger of the corporation with another corporation, or consolidation of one or more corporations to form a new corporation;

(d) If the licensee is a partnership, any event that dissolves the partnership;

(e) Any lease, management agreement, or other contract or agreement that results in a change in the legal entity responsible for the provision of services at the facility; or

(f) Any other event that results in a change of the operating entity.

(17) "Control Interest" means "management" as defined in this rule.

(18) "Day Care Resident" means an individual who is not bedfast who receives services and care in a nursing facility for not more than 16 hours per day.

(19) "Department" means the Department of Human Services (DHS).

(20) "Drug" has the same meaning set forth in ORS chapter 689.005.

(21) "Entity" means "Individual" as defined in this rule.

(22) "Establish a Nursing Facility" means to possess or hold an incident of ownership in a nursing facility business.

(23) "Facility" means an establishment that is licensed and certified by the Department as a nursing facility.

(24) "Facility Fund" means a fund created under ORS 441.303 to meet expenses relating to the appointment of a trustee under ORS 441.277 to 441.323 or the appointment of a temporary manager under ORS 441.333 for a nursing facility or a residential care facility.

(25) "Health Care Facility" means a health care facility as defined in ORS 442.015, a residential care facility as defined in ORS 443.400, and an adult foster home as defined in ORS 443.705.

(26) "Hearing" means a contested case hearing according to the Administrative Procedures Act and the rules of the Department.

(27) "Incident of Ownership" means:

(a) An ownership interest;

(b) An indirect ownership interest; or

(c) A combination of direct and indirect ownership interest.

(28) "Indirect Ownership Interest" means an ownership interest in an entity that has an ownership interest in another entity. Indirect ownership interest includes an ownership interest in an entity that has an indirect ownership interest in another entity.

(29) "Individual" means an entity including an individual, a trust, an estate, a partnership, a corporation, or a state or governmental unit as defined in ORS 442.015 including associations, joint stock companies, insurance companies, the state, or a political subdivision or instrumentality, including a municipal corporation.

(30) "Inpatient Beds" means a bed in a facility available for occupancy by a resident who is cared for and treated on an overnight basis.

(31) "Inspection" means any on-site visit to the facility by anyone designated by the Secretary of the U.S. Department of Health and Human Services, the Department, or a "Type B" Area Agency on Aging and

includes, but is not limited to, a licensing inspection, certification inspection, financial audit, Medicaid Fraud Unit review, monitoring, or complaint investigation.

(32) "Legal Representative" means an attorney at law, the individual holding a general power of attorney or special power of attorney for health care, a guardian, a conservator, any individual appointed by a court to manage the personal or financial affairs of a resident, or an individual or agency legally responsible for the welfare or support of a resident other than the facility.

(33) "Licensed Nurse" means a registered nurse or a licensed practical nurse.

(34) "Licensed Practical Nurse (LPN)" means an individual licensed under ORS chapter 678 to practice practical nursing.

(35) "Licensee" means the applicant to whom a nursing facility license has been issued.

(36) "Local Designee of the Department" means the local unit of the Department or the Area Agency on Aging.

(37) "Long Term Care Facility" means "nursing facility" as defined in this rule.

(38) "LPN" means "licensed practical nurse" as defined in this rule.

(39) "Maintain a Nursing Facility" means "establish a nursing facility" as defined in this rule.

(40) "Major Alteration" means change other than repair or replacement of building materials or equipment with materials and equipment of a similar type.

(41) "Management" means:

(a) Possessing the right to exercise operational or management control over, or to directly or indirectly conduct the day-to-day operation of, an institution, organization, or agency; or

(b) An interest as an officer or director of an institution, organization, or agency organized as a corporation.

(42) "New Construction" means:

(a) A new building;

(b) An existing building or part of a building that is not currently licensed as a nursing facility;

(c) A part of an existing building that is not currently licensed for the purpose for which such part is proposed to be licensed, such as, rooms that are proposed to be licensed as nursing facility resident rooms, but are not currently licensed as nursing facility resident rooms;

(d) A major alteration to an existing building;

(e) An addition to an existing building;

(f) A conversion in use; or

(g) Renovation or remodeling of an existing building.

(43) "NFPA" means "National Fire Protection Association".

(44) "Nurse Aide" means "nursing assistant" as defined in this rule.

(45) "Nurse Practitioner" means an individual certified under ORS chapter 678 as a nurse practitioner.

(46) "Nursing Assessment" means evaluation of fluids, nutrition, bowel or bladder elimination, respiration, circulation, skin, vision, hearing, musculoskeletal systems, allergies, personal hygiene, mental status, communicative skills, safety needs, rest, sleep, comfort, pain, other appropriate measures of physical status, and medication and treatment regimes. Nursing assessment includes data collection, comparison with previous data, analysis or evaluation of that data, and utilization of available resource information.

(47) "Nursing Assistant" means an individual who assists licensed nurses in the provision of nursing care services. "Nursing Assistant" includes, but is not limited to, a certified nursing assistant, a certified medication assistant, and individuals who have successfully completed a state approved nurse assistant training course.

(48) "Nursing Care" means direct and indirect care provided by a registered nurse, licensed practical nurse, or nursing assistant.

(49) "Nursing Facility" means an establishment with permanent facilities, including inpatient beds, that provides medical services, including nursing services, but excluding surgical procedures, and that provides care and treatment for two or more unrelated residents. In this definition, "treatment" means complex nursing tasks that may not be delegated to an unlicensed individual. "Nursing Facility" only includes facilities licensed and operated pursuant to ORS 441.020(2).

(50) "Nursing Facility Administrator" means an individual licensed under ORS chapter 678 who is responsible to the licensee and is responsible for planning, organizing, directing, and controlling the operation of a nursing facility.

(51) "Nursing Facility Law" means ORS chapter 441 and the rules for nursing facilities adopted thereunder.

# ADMINISTRATIVE RULES

(52) "Nursing Home" means "nursing facility" as defined in this rule.

(53) "Nursing Staff" means registered nurses, licensed practical nurses, and nursing assistants providing direct resident care in a facility.

(54) The "Office of Licensing and Regulatory Oversight (OLRO)" is the DHS office responsible for the licensing, regulation, survey, corrective action, and related policy development functions for the Nursing Facility, Community Based Care, Adult Foster Home, Intellectual and Developmental Disabilities, and Child Care Licensing Units.

(55) "Owner" means an individual with an ownership interest.

(56) "Ownership Interest" means the possession of equity in the capital, stock, or profits of an entity.

(57) "Pharmacist" has the same meaning as set forth in ORS 689.005.

(58) "Pharmacy" has the same meaning as set forth in ORS 689.005.

(59) "Physician" means an individual licensed under ORS chapter 677 as a physician.

(60) "Physician's Assistant" means an individual registered under ORS chapter 677 as a physician's assistant.

(61) "Podiatrist" means an individual licensed under ORS chapter 677 to practice podiatry.

(62) "Prescription" has the same meaning as set forth in ORS 689.005.

(63) "Public or Private Official" means:

(a) Physician, naturopathic physician, osteopathic physician, chiropractor, podiatric physician, physician assistant, or surgeon including any intern or resident;

(b) Licensed practical nurse, registered nurse, nurse practitioner, nurse's aide, home health aide, or employee of an in-home health agency;

(c) Employee of the Department, Oregon Health Authority, Area Agency on Aging, county health department, community mental health program, community developmental disability program, or nursing facility;

(d) Individual who contracts to provide services to a nursing facility;

(e) Peace officer;

(f) Clergy;

(g) Licensed clinical social worker, psychologist, licensed professional counselor, or licensed marriage and family therapist;

(h) Physical, speech, or occupational therapist, respiratory therapist, audiologist, or speech language pathologist;

(i) Senior center employee;

(j) Information and referral or outreach worker;

(k) Any public official who comes in contact with elderly individuals in the performance of the official's official duties;

(l) Firefighter or emergency medical technician;

(m) Legal counsel for a resident; or

(n) Guardian for, or family member of, a resident.

(64) "Registered Nurse (RN)" means an individual licensed under ORS chapter 678.

(65) "Rehabilitative Services" means specialized services provided by a therapist or a therapist's assistant to a resident to attain optimal functioning, including, but not limited to, physical therapy, occupational therapy, speech and language therapy, and audiology.

(66) "Relevant Evidence" means factual information that tends to either prove or disprove the following:

(a) Whether abuse or other rule violation occurred;

(b) How abuse or other rule violation occurred; or

(c) Who was involved in the abuse or other rule violation.

(67) "Resident" means an individual who has been admitted, but not discharged from a facility.

(68) "Restorative Aide" means a certified nursing assistant primarily assigned to perform therapeutic exercises and activities to maintain or re-establish a resident's optimum physical function and abilities according to the resident's restorative plan of care and pursuant to OAR 411-086-0150.

(69) "Restorative Nursing" means "restorative services" as defined in this rule.

(70) "Restorative Services" mean the measures provided by nursing staff and directed toward re-establishing and maintaining a residents' fullest potential.

(71) "RN" means "registered nurse" as defined in this rule.

(72) "Safety" means the condition of being protected from environmental hazards without compromise to a resident's or legal guardian's choice, or undue sacrifice of a resident's independence.

(73) "Significant Other" means an individual designated by the resident or by the court to act on behalf of the resident. If the resident is not capable of such designation and there is no court-appointed individual, then a significant other means a family member or friend who has demonstrated consistent concern for the resident. No rule using this term is intended to

allow release of, or access to, confidential information to individuals who are not otherwise entitled to such information, or to allow such individuals to make decisions they are not entitled to make on behalf of a resident.

(74) "Suspected Abuse" means reasonable cause to believe abuse may have occurred.

## 411-085-0010

### Issuance of License

(1) No person acting individually or jointly with any other person shall establish, conduct, maintain, manage, or operate a nursing facility without a license from the Department.

(2) Each nursing facility license issued by the Department applies only to person or persons named on the license. The license is not transferable or assignable. The license is valid only for the specific premises designated on the license and for the time period specified on the license.

(3) A license may not be issued for a new facility, an expanded facility, or a facility offering new services unless the Oregon Health Authority has issued a certificate of need for said facility or service, or has determined a certificate of need is not required.

### (4) APPLICATION FOR INITIAL LICENSURE AND LICENSE RENEWAL.

(a) The application must be on a form or forms provided by the Department and must include all information requested by the Department including, but not limited to, identity and financial interest of any person, including stockholders who have an incident of ownership in the applicant representing an interest of 10 percent or more or 10 percent of a lease agreement for the facility. Facilities applying for Medicaid, Medicare, or both Medicaid and Medicare certification are required by federal law to identify applicants representing a 5 percent or more interest.

(b) If the owner of the nursing facility business is a different entity from the operator of the nursing facility, an application for licensure is required from both the operator and the owner. Only one license fee is required. Each application must be signed and dated by a legally authorized representative of the entity submitting the application. The names of owners and operators shall appear on the license.

(c) The applicant must identify any person who has 10 percent incident of ownership, direct or indirect, in a pharmacy or in any business that provides services or supplies to nursing facilities. If any such person exists, the applicant must identify the person and the name and address of the pharmacy or business.

(d) The applicant must identify the number of beds the facility is presently capable of operating considering existing equipment, ancillary service capability, and the physical requirements as specified within OAR chapter 411, divisions 85-89. The number of beds requested to be licensed may not exceed the number identified on the license to be renewed unless prior approval has been issued by the Department or a certificate of need has been issued when required pursuant to ORS chapter 442.

(e) The applicant must include a floor plan showing the location of each bed and the dimensions and room number of each room in which a bed is located. The plan must also show the location of dining and activities areas, shower and tub rooms, toilet rooms, clean and dirty utility rooms, therapy service areas, laundry areas, and dietary service areas. After the first filing, plans need only be submitted when changes in the information required in this subsection occur or when requested by the Department.

(f) The applicant must include a copy of all leases, management, and ownership of the facility.

(g) The applicant must list all states in which the applicant or persons having a 10 percent or more incident of ownership in the facility currently are or previously have been licensed to provide long-term care.

(h) If a renewal is desired, the licensee must apply at least 45 days before the expiration date of the existing license.

(i) The license fee must accompany the application.

(j) If the applicant fails to provide complete and accurate information on the application, the Department may deny or revoke the license if the Department determines the missing or corrected information is needed to determine if a license shall be granted.

(k) An application is not considered to be complete until all requested information and signatures have been provided.

# ADMINISTRATIVE RULES

(l) Each application for a new license (excludes license renewal) must include a completed and signed credit and background check authorization form for the applicant and each person with 10 percent incident of ownership in the applicant.

(m) Applicants for license renewal must provide the Department with a completed and signed credit and background check authorization form for the applicant and each person with incident of ownership in the applicant, when required by the Department.

(n) Applications must state whether or not the applicant and persons with incident of ownership in the applicant, have ever been convicted of a crime associated with operation of a health care facility or agency under federal law or the laws of any state.

(o) Applicants must provide such other information and documentation as the Department may reasonably require for proper administration of these rules including, but not limited to, information about ownership interest in other business enterprises, if relevant.

(p) The Department shall issue the license or issue a denial of licensure within 60 days of receipt of the license fee, completed application, and after determination of substantial compliance with the on-site inspection.

## (5) DEMONSTRATED CAPABILITY.

(a) Before issuance of a license or a license renewal, the applicant must demonstrate to the satisfaction of the Department that the applicant is capable of providing care in a manner consistent with the requirements of the rules in OAR chapter 411, divisions 85-89.

(b) The Department may consider the background and qualifications of any person owning 10 percent or more interest in the nursing facility operation when determining whether an applicant may be licensed.

(c) The Department may consider the applicant's history of compliance with Department rules and orders, including the history of compliance of each person with a 10 percent or more incident of ownership in the applicant.

(d) Any person with a past or present interest of 10 percent or more incident of ownership in any nursing facility operation shall be considered responsible for acts occurring during, and relating to, the operation of the nursing facility for the purpose of licensing.

(6) SEPARATE BUILDINGS. Separate licenses are not required for separate buildings located contiguously and operated as an integrated unit by the same ownership or management.

Stat. Auth.: ORS 410.070, 441.025 & 441.060

Stats. Implemented: ORS 441.025 & 441.060

## 411-085-0013

### New Applicant Qualifications

For the purpose of this rule, "applicant" means each person, as defined in ORS 442.015, who holds 10 percent or greater incident of ownership in the facility. Applicants for licensure (excluding license renewal, but including all changes of ownership) must meet the following criteria:

(1) CRIMINAL HISTORY. Each applicant must complete a Criminal History Clearance conducted by the Department in accordance with OAR chapter 407, division 007. The Department conducts the fitness determination. If determined "unfit," applicants may appeal as described in OAR 407-007-0330.

(2) PERFORMANCE HISTORY. Each applicant must:

(a) Be free of incident of ownership history in any facility in Oregon that provides or provided (at the time of ownership) care to children, elderly, ill or disabled persons and was involuntarily terminated from licensure or certification, or voluntarily terminated during any state or federal termination process, during the past five years;

(b) Be free of incident of ownership history in any nursing facility in any state that was involuntarily terminated from licensure or certification, or voluntarily terminated during any state or federal termination process, during the past five years;

(c) Be free of history of termination of licensure as a nursing facility administrator or health care provider during the past five years;

(d) Failure to demonstrate required performance history may result in the Department's denial of a license.

(3) FINANCIAL HISTORY. Each applicant must:

(a) Be free of incident of ownership history in any facility or business that failed to reimburse any state for Medicaid overpayments or civil penalties during the past five years;

(b) Be free of incident of ownership history in any facility or business that failed to compensate employees or pay worker's compensation, food supplies, or other costs necessary for facility operation, during the past five years;

(c) Have a record of good credit as evidenced by an OLRO credit check;

(d) Submit proof of fiscal responsibility, including an auditor's certified financial statement and other verifiable documentary evidence of fiscal solvency, documenting that the prospective licensee has sufficient resources to operate the facility for 60 days. Proof of fiscal responsibility must include liquid assets sufficient to operate the facility for 45 days. Anticipated Medicaid income is not considered to be "liquid assets," but may be considered to be "financial resources." Liquid assets may be demonstrated by:

(A) An unencumbered line of credit;

(B) A joint escrow account with the Department;

(C) A performance bond; or

(D) Any other method satisfactory to the Department.

(e) Provide a pro forma (revenues, expenditures, and resident days) by month for the first 12 months of operation of the facility and demonstrate the ability to cover any cash flow problems identified by the pro forma.

(4) EXPERIENCE. If an applicant does not have experience in the provision of nursing facility care, the applicant must employ the services of a consultant with experience in the provision of nursing facility care for a period of at least six months. The consultant and the terms and length of employment are subject to the approval of the Department. Costs incurred for such consulting services are not an allowable cost for Medicaid reimbursement.

(5) DEMONSTRATION OF RIGHT TO PROPERTY AND BUSINESS. The applicant must demonstrate that they have the legal right to possess the nursing facility property and operate the nursing facility business. Examples include, but are not limited to:

(a) If purchasing the property, the applicant must include documentation demonstrating clear title and current right to possess the property; and

(b) If leasing the facility property, or planning to operate it under a management agreement, the applicant must provide all legal documents needed to demonstrate the right to possess the property and operate the business.

## 411-085-0015

### License Expiration, Termination of Operation, License Return

(1) EXPIRATION. Effective May 16, 2011, unless revoked or terminated earlier, or issued for a shorter specified period, each license to operate a nursing facility expires annually, following the date of issue.

(2) TERMINATION OF OPERATION. Except as otherwise provided in this rule, if facility operation is discontinued for any reason, the license shall expire. The licensee has appeal rights under ORS chapter 183.

(3) INACTIVE LICENSE.

(a) When the licensee proposes to replace an existing (original) licensed nursing facility with a new building, the Department may grant the licensee an inactive license for up to 24 months after closure of the original facility (departure of the last resident) under the following conditions:

(A) The existing facility may not meet the physical environment requirements for new construction in OAR chapter 411, division 087;

(B) The licensee must comply with the Oregon Health Authority's certificate of need process, including the physical environment requirements for new construction;

(C) The licensee must submit to the Department a written request for an extension to continue the license, an application for license renewal, and the license fee before the annual renewal date;

(D) The licensee must comply with plan review as described in OAR 411-087-0010 and all other applicable requirements; and

(E) The licensee's written request must include information that assures the Department that the new facility shall provide an improved quality of care that is needed in the community and is determined by the Department to be in the public's interest.

(b) The licensee must provide written notice of intent to apply for an inactive license at least 30 days before closure of the original building. This notice must be provided to the Department and every licensed nursing facility, assisted living facility, and residential care facility within 20 miles of the proposed new building site.

(c) The licensee must provide a minimum of two written progress reports to the Department regarding the status of the new building.

(A) The first report must be received by the Department between six and nine months after the original facility is closed.

# ADMINISTRATIVE RULES

(B) The second report must be received by the Department between 18 and 21 months after the original facility is closed.

(4) **EXTENSION.** If the licensee fails to open the new building within 24 months of the closure of the original facility, the Department may extend the inactive license for an additional 18 months. The licensee must submit written request to the Department for an extension before expiration of the inactive license. The following must be included in the request for extension:

(a) **NOTICE TO NEARBY FACILITIES.** A statement certifying that the licensee has made a reasonable attempt to provide written notice to each nursing, assisted living, and residential care facility within 20 miles of the site of the proposed facility of the intent to request an extension. Upon request, the Department shall provide a list of the names and addresses of all nursing, assisted living, and residential care facilities in the state.

(b) **SITE PLAN.** A completed site plan that has been submitted to the local jurisdiction (city or county planning agency).

(c) **ARCHITECTURAL DRAWINGS.** Working architectural drawings that have been stamped or prepared by a licensed architect.

(d) **BUILDING SITE.** Evidence that the land proposed for the new building is under control of the licensee.

(e) **LOCAL JURISDICTION COMMUNICATION.** Evidence of continued contact with the local jurisdiction.

(f) **FINANCIAL COMMITMENT.** Evidence of financial commitments towards completion of the project, including proof of lender commitments and cash on hand sufficient to complete the construction.

(g) **CONSTRUCTION CONTRACTS.** Construction contracts or other evidence showing the project shall be completed before the expiration of the extended inactive license.

(5) **RETURN OF LICENSE.** Each license certificate must be returned to the Department immediately upon issuance of a final order revoking or suspending the license. If a license is terminated voluntarily or involuntarily because operation has been discontinued, the license certificate must be immediately returned to the Department.

### Required Postings

(1) **PUBLIC NOTICES:**

(a) Content. Public notices required to be posted include:

(A) The most recent licensing and, if applicable, certification survey reports;

(B) The placard provided by the Department that includes information on reporting of abuse and summarizes the nursing facility rules. In addition to the location specified in subsection (1)(b) of this rule, this placard must also be prominently and conspicuously posted in close proximity to each nursing station and in any area where residents are admitted;

(C) The current week's menu and activities schedule;

(D) The facility license and the administrator's license. (It is recommended the titles and names of the administrator, the DNS, the Social Services Director, the Activities Director, the Dietary Services Supervisor and the RN Care Manager(s) are also posted);

(E) Waivers received from the Department pursuant to OAR 411-085-0040 and 411-087-0030, and waivers of any federal regulations; and

(F) Any other notice relevant to residents or visitors required by state or federal law.

(b) Location. The facility shall designate a specific area where notices listed in subsection (1)(a) of this rule must be posted. The location shall be in an area that:

(A) Is routinely accessible and conspicuous to residents and visitors, including those in wheelchairs; and

(B) Provides sufficient space for prominent, conspicuous display of each notice.

(2) **NOTICES FOR STAFF.** The facility must post the names of registered nurses as required by OAR 411-086-0020 and any physician available for emergencies as required by OAR 411-086-0200 at each nursing station.

## 411-085-0040

### Alternative Methods, Waivers

(1) **APPLICATION.** While all nursing facilities are required to maintain compliance with the Department's rules, these requirements do not prohibit the use of alternative concepts, methods, procedures, techniques, equipment, facilities, personnel qualifications, or the conducting of pilot projects or research. Requests for waivers to the rules must:

(a) Be submitted to the Department in writing;

(b) Identify the specific rule for which a waiver is requested;

(c) Describe the special circumstances relied upon to justify the waiver;

(d) Describe what alternatives were considered, if any, and why alternatives (including compliance) were not selected;

(e) Demonstrate the proposed waiver is desirable to maintain or improve the quality of care for the residents, maintains or improves resident potential for self-direction and self-care, and is not going to jeopardize resident health and safety; and

(f) Identify the proposed duration of the waiver.

(2) **APPROVAL PERIOD.** Upon finding that the licensee has satisfied the conditions of this rule, the Department may grant a waiver for a specified period of time, not to exceed a period of three years.

(3) **REVOCATION.** The Department may revoke any waiver or variance issued by the Department immediately upon finding that the facility's operation under the waiver or variance has endangered, or if continued may endanger, the health or safety of one or more residents.

(4) **IMPLEMENTATION.** The facility may implement a waiver only after written approval from the Department.

## 411-085-0060

### Specialty Nursing Facilities

(1) **APPLICATION.** Facilities that have successfully obtained from the Oregon Health Authority a certificate of need for "specialty long-term care beds" pursuant to OAR 333-610 must make application to the Department for licensure as a "Specialty Nursing Facility" in accordance with OAR 411-085-0010.

(2) **ISSUANCE OF LICENSE.** Licenses shall only be issued to a Specialty Nursing Facility after written notification from the Oregon Health Authority that the facility is eligible for such licensure. The license issued shall state "Specialty Nursing Facility" and shall identify the type of residents and specialized services the facility is authorized to admit and retain.

(3) **COMPLIANCE WITH RULES.** Specialty Nursing Facilities are required to meet all Oregon Administrative Rules that apply to Nursing Facilities.

(4) **ADMISSIONS.** Facilities and distinct parts of facilities licensed as Specialty Nursing Facilities must only admit and provide services for residents consistent with the Certificate of Need issued by the Oregon Health Authority.

## 411-085-0310

### Residents' Rights: Generally

The facility must protect, encourage, and assist the resident in exercising the rights identified in OAR 411-085-0300 – OAR 411-085-0350. Each resident and the resident's legal representative, as appropriate, have the right to:

(1) Be encouraged and assisted while in the facility to exercise rights as a citizen or resident of Oregon and of the United States.

(2) Be fully informed, orally and in writing, in a language the resident understands of these rights, and of all facility guidelines for resident conduct and responsibilities. This must be documented by the resident's written acknowledgment, before or at the time of admission.

(3) Be fully informed, before or at the time of admission and during the resident's stay, of services available in the facility, including Medicaid and Medicare certification status and the potential consequences thereof to the resident. The facility must assist the resident to apply for Medicaid and Medicare benefits, by ensuring the resident is able to contact the local Medicaid agency, whenever a resident may be eligible.

(4) Be fully informed of his or her total health status, including, but not limited to medical status. The resident must be informed of the right to choose his or her own physician and to be fully informed in advance of any

# ADMINISTRATIVE RULES

changes in care or treatment. The facility staff must encourage the resident to exercise the right to make his or her own decisions and fully participate in care and care planning unless the resident has been found legally incapable of doing so.

(5) Refuse any medication, treatment, care, or any participation in experimental research unless the resident has been found legally incapable of doing so.

(6) Be encouraged, but not required, to perform activities for therapeutic purposes when identified in the resident's care plan.

(7) Be free from verbal, sexual, mental and physical abuse, corporal punishment, and involuntary seclusion. Chemical and physical restraints may only be used to ensure the physical safety of the residents and may not be used for discipline or convenience. Except as provided in OAR 411-086-0140, restraints may only be used on order of a physician.

(8) Be transferred or discharged only in accordance with the Aging and People with Disabilities transfer and discharge rules in OAR chapter 411, division 088.

(9) Not be reassigned to a new room within the facility without cause and without adequate preparation for the move in order to avoid harmful effects.

(a) Involuntary reassignment of rooms may only be made after reasonable advance notification (oral or written) and preparation. Unless there is clear and adequate written justification for a shorter time frame, "reasonable advance notification" means no less than 14 days.

(b) Residents must not be involuntarily reassigned rooms within the facility if such reassignment may have a significant adverse impact on the resident's medical or psychological status.

(c) Moving residents on the basis of source of payment is not just cause for intra-facility transfers.

(d) Residents and significant others must receive prior notice of any move and any change in roommate assignment.

(10) Voice grievances and suggest changes in policies and services to either staff or outside representatives without fear of restraint, interference, coercion, discrimination, or reprisal. The facility staff must listen to and act promptly upon grievances and recommendations received from residents and family groups.

(11) Be treated with consideration, respect, and dignity and assured complete privacy during treatment and when receiving personal care.

(12) Associate and communicate privately with persons of the resident's choice, to send and receive personal mail unopened, and to have regular access to the private use of a telephone.

(13) Be provided privacy for visits when requested, including meetings with other residents and family groups.

(14) Have clinical and personal records kept confidential. Copies of the records must not be transferred outside the facility unless the resident is transferred, or examination of the records is required by the attending physician, the third party payment contractor, Aging and People with Disabilities, Type B Area Agency on Aging, or the Long Term Care Ombudsman. Nothing in this rule is intended to prevent a resident from authorizing access to the resident's clinical and personal records by another person.

(15) Promptly inspect all records pertaining to the resident.

(16) Purchase photocopies of records pertaining to the resident. Photocopies requested by the resident must be promptly provided, but in no case require more than two business days (days excluding Saturdays, Sundays and state holidays).

(17) Participate in social, religious, and community activities at the discretion of the resident.

(18) Keep and use personal clothing and possessions as space permits unless to do so infringes on other residents' rights. The resident must be permitted to have a lockable storage space for personal property. Both the resident and facility management may have keys.

(19) Be free of retaliation. After the resident, or the resident's legal representative, has exercised rights provided by law or rule, the facility, or any person subject to the supervision, direction, or control of the facility, shall not retaliate by:

(a) Increasing charges or decreasing services, rights, or privileges;

(b) Threatening to increase charges or decrease services, rights, or privileges;

(c) Taking or threatening any action to coerce or compel the resident to leave the facility; or

(d) Abusing, harassing, or threatening to abuse or harass a resident.

(20) Not be required to sign any contract or agreement that purports to waive any resident's right, including the right to collect payment for lost or stolen articles.

(21) Be fully informed of the facility policy on possession of firearms and ammunition within the facility.

(22) Receive care from facility staff trained to provide care that is specific to the resident's disease or medical condition.

(23) Receive a modified or special diet that meets the specific requirements of the resident's disease or medical condition.

## 411-085-0350

### Residents' Rights: Personal Funds

(1) RESIDENT HELD FUNDS. The resident has the right to manage his or her financial affairs and the facility may not require residents to deposit personal funds with the facility.

(2) FACILITY HELD FUNDS.

(a) Resident Request. The facility must hold, safeguard, manage, and account for the personal funds of the resident when requested in writing. The resident must be fully informed of the facility's system for protecting personal funds. When the resident requests the facility hold such funds, the facility must ensure the request is in writing;

(b) Accounting System. The facility must establish and maintain a system that assures a full and complete and separate accounting, according to generally accepted accounting principles, of each resident's personal funds entrusted to the facility. The system may allow resident funds to be pooled together, however, it must preclude any commingling of resident funds with facility funds;

(c) Report to Resident. The facility must provide a copy of the individual financial record to the resident no less often than quarterly and upon the request of the resident. The statement must include the following information:

(A) Identification number and location of the account in which the resident's personal funds have been deposited.

(B) The resident's account balance at the beginning of the statement period.

(C) A listing of each deposit and withdrawal, to and from the resident's account. Each withdrawal must include an explanation of the reason for the withdrawal (e.g., If money is requested by the resident, facility may document "resident request").

(D) The interest earned, if any, and the current interest rate.

(E) The ending balance.

(d) Resident Control of Funds. The facility must take all reasonable precautions to ensure the resident's funds are handled according to the resident's wishes. If the resident's wishes are unable to be determined, funds must be handled in accordance with the best interests of the resident;

(e) Resident Access to Funds. The facility must allow residents access to funds on weekdays, (Monday through Friday, excluding holidays) during business office hours, (no less than six hours per day) and at least two hours per day on all other days;

(f) Funds Under \$50. The facility may hold up to \$50 for each resident in a non-interest-bearing, petty cash fund. All resident funds held by the facility that are not in the petty cash fund must be deposited in an interest-bearing account as described in subsection (g) of this rule,

(g) Funds \$50 and over.

(A) Whenever money held by the facility for a resident exceeds \$50, the excess above \$50 must, within 7 days of receipt, be deposited in the resident's interest-bearing account, unless the money is managed in a Trust and Agency Account held by the Department.

(B) If the interest-bearing account for residents is pooled, the facility must have a system that accurately and promptly allocates earned interest to the appropriate resident.

(h) SSI Resource Limit Exceeded. The facility must notify any resident receiving Medicaid benefits whenever his or her account reaches within \$200 of the SSI resource limit for one person; and that, if the amount in the account and the value of the resident's non-exempt resources reaches the SSI resource limit for one person, the resident may lose eligibility for Medicaid or SSI;

(i) Death of Resident. Upon the death of a Medicaid or General Assistance resident with no known surviving spouse, any personal incidental funds held by the facility for the resident must be forwarded to the Department of Human Services, Estate Administration Unit, P.O. Box 14021, Salem, OR 97309, within 10 business days of the death of the resident. The facility must maintain documentation of the action taken and the amount of funds conveyed;

# ADMINISTRATIVE RULES

(j) Surety Bond. The licensee must purchase a surety bond, or provide self-insurance to assure the security of all personal funds of residents deposited with the facility. The amount of the bond must be sufficient to cover the highest amount of the account with resident funds, plus the petty cash funds, during the previous 12 months.

(3) CHANGE OF OWNERSHIP OR LICENSEE. At the time of a change of ownership or licensee, the new owner or licensee must ensure:

(a) Written Accounting of Funds. Each resident or delegate receives a written accounting of his or her funds held by the facility at the time of the change. A copy of the written accounting for each resident must be provided to the local APD or Type B AAA.

(b) Resident Wishes Respected. That the wishes of each resident regarding management of facility held funds is determined and documented (see OAR 411-070-0095 for Medicaid clients), and that funds held by the prior owner or licensee are transferred to the new owner or licensee, or to another party designated by the resident.

## 411-085-0360

### Abuse

(1) ABUSE IS PROHIBITED. The facility employees, agents, and licensee must not permit, aid, or engage in abuse of residents under their care.

(2) REPORTERS AND MANDATORY REPORTERS. All persons are encouraged to report abuse and suspected abuse. The following persons are required to immediately report abuse and suspected abuse to The Department or law enforcement agency:

(a) Physicians, including any resident physician or intern;

(b) Licensed practical or registered nurses;

(c) Employees of the Department, Area Agency on Aging, county health department, or community mental health program;

(d) Nursing facility employees or any individual who contracts to provide services in a nursing facility;

(e) Peace officers;

(f) Clergy;

(g) Licensed social workers;

(h) Physical, speech, or occupational therapists; and

(i) Family members of a resident, guardians, or legal counsel for a resident.

(3) FACILITY REPORTING OF ABUSE OR SUSPECTED ABUSE.

(a) The nursing facility administration must immediately notify the Department, local designee of the Department, or local law enforcement agency of any incident of abuse or suspected abuse. Physical injury of an unknown cause must be reported to the Department as suspected abuse, unless an immediate facility investigation reasonably concludes the physical injury is not the result of abuse.

(b) The local law enforcement agency must be called first when the suspected abuse is believed to be a crime (for example, rape, murder, assault, burglary, kidnapping, or theft of controlled substances).

(c) The local law enforcement agency must be called if the offices of the Department or designee are closed and there are no arrangements for after hours investigation.

(4) ABUSE COMPLAINT. The oral or written abuse complaint must include the following information when available:

(a) Names, addresses, and phone numbers of alleged perpetrators, residents, and witnesses;

(b) The nature and extent of the abuse or suspected abuse, including any evidence of previous abuse;

(c) Any explanation given for the abuse or suspected abuse; and

(d) Any other information the person making the report believes might be helpful in establishing the circumstances surrounding the abuse and the identity of the perpetrator.

(5) PRIVILEGE. In the case of abuse of a resident, the physician-patient privilege, the husband-wife privilege, and the privileges extended under ORS 40.225 to 40.295 shall not be a ground for excluding evidence regarding the abuse, or the cause thereof, in any judicial proceeding resulting from an abuse complaint made pursuant to this section.

(6) IMMUNITY AND PROHIBITION OF RETALIATION.

(a) The facility licensee, employees, and agents must not retaliate in any way against anyone who participates in the making of an abuse complaint, including, but not limited to, restricting otherwise lawful access to the facility or to any resident or, if an employee, to dismissal or harassment;

(b) The facility licensee, employees, and agents must not retaliate against any resident who is alleged to be a victim of abuse.

(c) Anyone who, in good faith, reports abuse or suspected abuse shall have immunity from any liability that might otherwise be incurred or imposed with respect to the making or content of an abuse complaint. Any such person shall have the same immunity with respect to participating in judicial or administrative proceedings relating to the complaint.

(7) INVESTIGATION BY FACILITY. In addition to immediately reporting abuse or suspected abuse to the Department or law enforcement agency, the facility must promptly investigate all reports of abuse and suspected abuse and must take measures necessary to protect residents from abuse and prevent recurrence of abuse.

## 411-085-0370

### Confidentiality

This rule applies to facility licensees, employees, and agents, to Department staff, and the staff of all Area Agencies on Aging.

(1) RESIDENTS. The names of residents and all documentation that may allow the identification of a resident must be kept confidential and are not accessible for public inspection.

(2) COMPLAINANTS, WITNESSES. The names and identity of complainants and witnesses referred to in Department complaint investigations must be kept confidential and are not accessible for public inspection.

## 411-089-0010

### Inspections and Surveys

(1) Frequency. The Office of Licensing and Regulatory Oversight (OLRO) shall, in addition to any investigations conducted pursuant to complaints, conduct a general inspection of each facility to determine compliance with nursing facility laws on a schedule consistent with the survey schedule defined by the Centers for Medicare and Medicaid Services (CMS), and at such other times as the OLRO deems necessary.

(2) Content. The general inspection includes a review of resident care practices. Results of the review shall be summarized on the survey form.

(3) Documentation. A nursing facility shall maintain all written documentation required by Oregon law. Such written documentation shall be kept on the facility premises. When documents and records are requested by the OLRO, the facility shall make the requested materials available to the investigator or inspector for review and copying.

## 411-089-0020

### Sanctions, Generally

(1) Information collected during a visit by any OLRO, local APD, or Area Agency on Aging representative, regardless of the reason for the visit, may be used as a basis for any sanction imposed by the OLRO.

(2) The use of any one sanction by the OLRO does not preclude the implementation of any other sanctions for the same deficiencies.

(3) The OLRO may seek appropriate administrative or injunctive relief before the completion of an investigation or inspection if it appears a resident might otherwise be deprived of rights secured by federal or state law.

(4) If after an investigation or inspection the OLRO believes there is substantial evidence a violation has occurred or is occurring, the OLRO may seek, by administrative or judicial means, to obtain such remedial relief as may be appropriate, including voluntary compliance, contested case, and injunction proceedings.

## 411-089-0030

### Civil Penalties

(1) CONSIDERATIONS. In determining the amount of a civil penalty the Department shall consider:

(a) Any prior violations of statute or rule by the facility or licensee that relates to operation of a nursing facility;

# ADMINISTRATIVE RULES

(b) The financial benefits, if any, realized by the facility as a result of the violation, such as costs avoided as a result of not having obtained sufficient staffing, equipment, or supplies;

(c) The gravity of the violation, including the actual and potential threat to health, safety, and well-being of residents, the duration of the threat or number or times the threat occurred, and the number of residents threatened;

(d) The severity of the actual or potential harm caused by the violation, including whether the actual or potential harm included loss of life or serious physical or emotional injury;

(e) The facility's history of correcting violations and preventing recurrence of violations; and

(f) Exhibit 89-1, Civil Penalty Chart, which is incorporated by reference and is a part of this rule.

(2) **SINGLE VIOLATION CIVIL PENALTIES.** Violations of any requirement within any part of the following statutes, rules, or sections of the following rules are a violation that may result in a civil penalty after a single occurrence.

(a) Violations involving direct resident care, feeding, or sanitation involving direct resident care, including any violation of:

(A) OAR 411-085-0060 (Specialty Nursing Facilities);

(B) OAR 411-085-0200(2) (Facility Employees);

(C) OAR 411-085-0210 to 411-085-0220 (Facility Policies, Quality Assurance);

(D) OAR 411-085-0360 (Abuse);

(E) OAR 411-086-0010 to 411-086-0020 (Administrator, Director of Nursing Services);

(F) OAR 411-086-0040 (except section (3)) (Admission of Residents);

(G) OAR 411-086-0050 to 411-086-0060 (Day Care, Assessment, and Care Plan);

(H) OAR 411-086-0110 to 411-086-0150 (Nursing Services);

(I) OAR 411-086-0200 to 411-086-0260 (Physician, Dental, Rehabilitative, Activity, Social, Dietary, and Pharmaceutical Services);

(J) OAR 411-086-0300 (except section (6)) (Clinical Records);

(K) OAR 411-086-0310 to 411-086-0360 (Employee Orientation and Training, Disaster Preparation, Infection Control, Smoking, Furnishings, and Equipment);

(L) OAR 411-087-0100(1)(a) and (c) (Repair and Cleanliness); or

(M) OAR 411-087-0440 (Alarm and Nurse Call Systems).

(b) Violation involving failure to provide staff-to-resident ratio, including any violation of:

(A) OAR 411-086-0030 (except section (1)) (RN Care Manager); or

(B) OAR 411-086-0100 (Nursing Staffing).

(c) Violation of any rule adopted pursuant to ORS 441.610, including:

(A) OAR 411-085-0300 to 411-085-0350 (Resident Rights);

(B) OAR 411-086-0040(3) (Advance Directives);

(C) OAR 411-086-0300(6) (Record Retention); or

(D) OAR chapter 411, division 088 (Rights Regarding Transfers).

(d) Violation of ORS 441.605 (Resident Rights) or any general or final order of the Department.

(3) **CIVIL PENALTIES REQUIRING REPEAT VIOLATIONS.** Violation of any Department rule not listed in section (2) of this rule is subject to a civil penalty under the following circumstances:

(a) Such violation is determined to exist on two consecutive surveys, inspections, or visits; and

(b) The Department prescribed a reasonable time for elimination of the violation at the time of, or subsequent to, the first citation.

(4) **AMOUNT OF CIVIL PENALTY.**

(a) Violation of any requirement or order listed in section (2) of this rule is subject to a civil penalty of not more than \$500 for each day the violation occurs, unless otherwise provided by this section;

(b) Violation of any requirement listed in section (3) of this rule is subject to a civil penalty of not more than \$500 per violation, unless otherwise provided by this section;

(c) Violation involving resident abuse that resulted in serious injury or death is subject to a civil penalty of not less than \$500 nor more than \$1,000, or as otherwise required by federal law (ORS 441.995(3) and ORS 441.715(1)(c));

(d) The Department shall impose a civil penalty of not less than \$2,500 for each occurrence of substantiated abuse that resulted in the death, serious injury, rape, or sexual abuse of a resident. The civil penalty may not exceed \$15,000 in any 90-day period.

(A) To impose this civil penalty, the Department shall establish:

(i) The abuse arose from deliberate or other than accidental action or inaction;

(ii) The conduct resulting in the abuse was likely to cause death, serious injury, rape, or sexual abuse of a resident; and

(iii) The person substantiated for the abuse had a duty of care toward the resident.

(B) For the purposes of this civil penalty, the following definitions apply:

(i) "Serious injury" means a physical injury that creates a substantial risk of death or that causes serious disfigurement, prolonged impairment of health, or prolonged loss or impairment of the function of any bodily organ.

(ii) "Rape" means rape in the first, second, or third degree as described in ORS 163.355, 163.365, and 163.375.

(iii) "Sexual abuse" means any form of sexual contact between an employee of a nursing facility or a person providing services in the nursing facility and a resident of that facility, including, but not limited to, sodomy, sexual coercion, sexually explicit photographing, or sexual harassment. The sexual contact must be in the form of any touching of the sexual or other intimate parts of a person or causing such person to touch the sexual or other intimate parts of the actor for the purpose of arousing or gratifying the sexual desire of either party.

(iv) "Other than accidental" means failure on the part of the licensee, or licensee's employees, agents, or volunteers for whose conduct the licensee is responsible, to comply with applicable Oregon Administrative Rules.

(5) **ADMINISTRATOR SANCTIONS - NURSING FACILITY CLOSURES.** Any individual who is or was the administrator of a facility and fails or failed to comply with the requirements at OAR 411-085-0025(2)(d)(e)(f)(h), 411-085-0025(3)(a), or 411-088-0070(1)(g), (3)(d), or (4):

(a) Are subject to a civil monetary penalty as follows:

(A) A minimum of \$500 for the first offense;

(B) A minimum of \$1,500 for the second offense; and

(C) A minimum of \$3,000 for the third and subsequent offenses.

(b) May be subject to exclusion from participation in any Federal health care program as defined in section 1128B(f) of the Patient Protection and Affordable Care Act; and

(c) Are subject to any other penalties that may be prescribed by law.

(6) **PAYMENT TO BE CONSIDERED ADMISSION OF VIOLATION.** Unless the Department agrees otherwise, for purposes of history of the facility, any payment of a civil penalty is treated by the Department as a violation of the statutes or rules alleged in the civil penalty notice for which the civil penalty was paid.

(7) All penalties recovered are deposited in the Quality Care Fund.

(8) **NOTICE.** The Department's notice of its intent to impose a civil penalty shall include the statements set out in OAR 411-089-0040(3)(a)-(f) and shall also include a statement that if the licensee fails to request a hearing within 10 days of the date the notice was mailed, the licensee shall have waived the right to a hearing.

(9) **HEARING REQUEST.**

(a) If the Department issues a notice of intent to impose a civil penalty, the licensee is entitled to a hearing in accordance with ORS chapter 183.

(b) A request for a hearing must be in writing and must be received by the Department within 10 days of the date the notice of intent to impose a civil penalty was mailed to the licensee. The hearing request must include an admission or denial of each factual matter alleged in the notice and must affirmatively allege a short plain statement of each relevant affirmative defense the licensee may have. The Department may extend the time allowed for submission of the admission or denial and affirmative defenses for up to 30 calendar days.

(10) **DEFAULT ORDER.** If a hearing is not timely requested, if the licensee withdraws a hearing request, or fails to appear at a scheduled hearing, the Department may enter a final order by default imposing the civil penalty. In the event of a default, the Department's file on the subject of the civil penalty automatically becomes a part of the record for purposes of proving the Department's prima facie case.

## 411-089-0040

### Nursing Facility License Denial, Suspension, Revocation

(1) **Basis for Denial, Revocation — Mandatory.** A license shall be suspended or revoked, or both, or denied if a certificate of noncompliance is

## ADMINISTRATIVE RULES

issued by the State Fire Marshal, Deputy, or other approved representative pursuant to ORS Chapter 479.

(2) Basis for Denial or Revocation — Discretionary. A license may be denied or revoked by the OLRO when it finds the licensee or applicant:

(a) Failed to comply with nursing facility law such that the health, safety, or welfare of residents is or was jeopardized;

(b) Failed to substantially comply with nursing facility law during any three inspections within a five year period. For the purpose of this rule, “inspection” means an on-site visit to the facility by the OLRO for licensing or certification;

(c) Has been convicted, under any state or federal law, of a felony or of a misdemeanor associated with the operation of a health care facility or agency within the preceding ten years;

(d) Had an incident of ownership of ten percent or greater in or had a management or control interest in any facility in any state when the facility was terminated from participation in the Medicaid or Medicare program, or at a time when the facility voluntarily terminated participation in the Medicaid or Medicare program during any state or federal termination process;

(e) Had an incident of ownership of ten percent or greater in any facility in any state that failed to reimburse any state or the federal government for Medicaid or Medicare overpayments on a timely basis within the preceding five year period;

(f) Had an incident of ownership of ten percent or greater or a management or control interest in a health care facility or agency whose license was involuntarily suspended, revoked, or not renewed within the preceding five years;

(g) Had a nursing home administrator’s license revoked, suspended, or not renewed in any state, excluding revocation based on failure to pay license fee or failure to maintain required continuing education requirements when not serving as an administrator, within the preceding five year period;

(h) Provided false, incorrect, or misleading information to the OLRO on the license application form;

(i) Provided false, incorrect, or misleading information to the Department regarding care of residents, facility finances, or resident funds;

(j) Failed to provide workers’ compensation coverage for health care facility employees when required by state law in any state;

(k) Permitted, aided, or abetted any illegal act that had a significant adverse impact on resident health, safety, or welfare within the preceding five year period;

(l) Had an incident of ownership of ten percent or greater in any health care facility in any state at a time when the facility was denied an operating license, excluding denial based upon absence of bed need;

(m) Demonstrated fiscal instability within the preceding five years and such instability relates to the licensee or applicant’s ability to provide care or operate a facility, or both provide care and operate a facility. Examples of fiscal instability include, but are not limited to, experiencing more than one instance of any of the following events or experiencing more than one of the following events:

(A) Failure to compensate employees in a timely manner;

(B) Failure to maintain, in any facility, an adequate inventory of medical supplies, personal supplies, or food;

(C) Failure to promptly pay any judgments, taxes, warrants, or other liens;

(D) Failure to pay utility bills or other bills related to the operation or maintenance of any facility, excluding failure to pay when the facility has a clear basis to dispute the billing; or

(E) A poor credit rating.

(n) Has demonstrated fiscal instability within the past five years by having experienced a history of poor credit or poor financial management; or

(o) Has failed to pay a civil penalty imposed by the OLRO.

(3) Notice of Intent to Revoke or Deny. The OLRO’s notice of its intent to deny or revoke a nursing facility license shall include:

(a) A statement that the licensee or applicant has a right to a contested case hearing or a statement of the time and place of the hearing;

(b) A statement of the authority and jurisdiction under which the hearing is to be held;

(c) A reference to the particular sections of the statute and rules involved;

(d) A short and plain statement of the matters asserted or charged;

(e) A statement that the licensee or applicant is entitled to be represented by counsel and to respond and present evidence and argument on all issues involved;

(f) A statement that the record of the proceeding to date, including information in the OLRO’s file or files on the subject of the revocation or denial of the license, automatically becomes part of the contested case record upon default for purposes of proving the OLRO’s prima facie case; and

(g) A statement that if the licensee or applicant fails to request a hearing within 21 days of the date the notice of revocation was received, or within 60 days of the date the notice of denial was received, whichever is applicable, the licensee or applicant shall have waived the right to a hearing.

(4) Informal Conference. When the OLRO issues a notice of intent to revoke or deny a license, the licensee or applicant shall be entitled to an informal conference to respond to the notice. The conference shall be held before a person authorized to issue the order or to make recommendations regarding issuance of the order. A request for an informal conference must be received in writing by the OLRO within ten days of the date the notice of the intent to revoke or deny the license was received by the licensee or applicant. If the licensee or applicant fails to submit a timely request for a conference, the licensee or applicant shall have waived the right to the conference.

(5) Hearing:

(a) Right to Hearing. When the OLRO issues a notice of intent to revoke or deny a license, the licensee or applicant shall be entitled to a contested case hearing in accordance with the provisions of ORS Chapter 183;

(b) Request for Hearing. A request for hearing must be in writing and must be received by the OLRO within:

(A) 21 days of the date the licensee received the notice of revocation;

or

(B) 60 of the date the applicant received the notice of denial of licensure.

(c) Date of Hearing. The hearing shall be held within 60 days of the request for hearing unless the OLRO and the licensee or applicant agree to a later date;

(d) Continued Operation Prohibited. A facility may not continue operation if the facility license is immediately suspended because of serious and immediate danger to resident health or safety pursuant to OAR 411-089-0040(2).

(6) Default Order. If the licensee or applicant fails to request a contested case hearing within the prescribed time period, withdraws a previous hearing request, or fails to appear at a scheduled hearing, the OLRO may enter an order denying or revoking the license by default. In the event of a default, the OLRO’s files on the subject of revocation or denial automatically become part of a contested case record for the purposes of proving the OLRO’s prima facie case.

(7) Emergency Suspension Order:

(a) When the Department finds a serious and immediate threat to resident health and safety exists, the OLRO may immediately suspend a nursing facility license. An emergency suspension order must be in writing. The order may be issued without prior notice to the licensee and without prior opportunity for a contested case hearing;

(b) Except where the threat to residents is so imminent that the OLRO determines that pre-suspension notice is not practical, the OLRO must provide the licensee with a pre-suspension notice and an opportunity to object before issuing an emergency suspension order. The pre-suspension order shall:

(A) Describe generally the acts of the licensee or circumstances that are grounds for an emergency suspension order under this rule, or both;

(B) Describe generally the reasons why the acts of the licensee or the circumstances seriously and immediately endanger resident health and safety, or both; and

(C) Identify a person whom the licensee may contact at the OLRO who is authorized to make recommendations regarding issuance of the order.

(c) If a pre-suspension notice is issued, the licensee shall be entitled to an immediate opportunity to respond to the notice before an authorized person issues the order or makes recommendations regarding issuance of the order. The emergency suspension order may be issued at any time thereafter;

(d) When an emergency suspension order is issued, the OLRO must serve the order on the licensee either personally or by registered or certified mail. The order shall include the following statements:

(A) The licensee’s right to a hearing, or a statement of the time and place of the hearing;

(B) The authority and jurisdiction under which the hearing is to be held;

# ADMINISTRATIVE RULES

- (C) A short plain statement of the matters asserted or charged;
- (D) A reference to the particular sections of the statutes and rules involved;
- (E) That the licensee may elect to be represented by counsel and may respond and present evidence and argument on all issues involved;
- (F) That the licensee has a right to demand a hearing, if requested, be held as soon as practical;
- (G) That if the demand for a hearing is not received by the OLRO within 90 days of the date of the emergency suspension order, the licensee shall have waived its right to a hearing under ORS Chapter 183;
- (H) The effective date of the emergency suspension order;
- (I) Findings of the specific acts or omissions of the licensee that are the grounds for the suspension, and the reasons the acts or omissions seriously and immediately threaten the health and safety of the residents; and
- (J) That the OLRO may combine the hearing on the emergency suspension order with any other OLRO proceeding affecting the license. The procedures for the combined proceeding shall be those applicable to the other proceeding affecting the license.

(e) If a timely request for a hearing is received, the OLRO must hold the hearing as soon as practical. At the hearing the OLRO shall consider the facts and circumstances, including, but not limited to:

- (A) Whether the acts or omissions of the licensee pose a serious danger to resident health and safety; and
  - (B) Whether the circumstances at the time of the hearing justify confirmation, alteration, or revocation of the order.
- (8) License Expiration. If the OLRO determines a license has expired due to the facility's discontinued operation, the licensee has a right to an informal conference under section (4) of this rule and a hearing under section (5) of this rule. The OLRO may issue a default order pursuant to section (6) of this rule.

## 411-089-0050

### Restriction of Admissions

(1) Purpose. The purpose of this rule is to protect nursing facility residents and prospective residents from threats to their health, safety, and welfare, and to help ensure the attention of facilities with serious deficiencies is directed toward correcting those deficiencies.

(2) Basis for Admission Restriction. When the Department finds an immediate threat to resident health and safety, the OLRO may order an immediate restriction of admissions, or may immediately restrict the number or type of admissions at the facility. An Admission Restriction Order shall be in writing and may be issued without prior notice to the licensee and without an opportunity for a contested case hearing:

(a) In determining whether to order a restriction of admission under this rule, the OLRO shall consider:

- (A) The needs of the residents and prospective residents;
- (B) The severity of the threat to current and prospective residents; and
- (C) The history of the care provided by the licensee.

(b) For the purposes of this rule, an immediate threat to resident health and safety may exist when a facility lacks adequate alarm systems including, but not limited to, call bells, fire or door alarms, or any other means to protect against a threat to resident health and safety;

(c) For the purposes of this rule, an immediate threat to resident health and safety exists when:

(A) The Department finds a pattern of:

(i) Failure to assess or take action to prevent or treat decubitus ulcers, weight loss, infection, dehydration or other changes in the physical condition of residents;

(ii) Failure to follow physician's orders, including failure to correctly administer medications; or

(iii) Abuse as defined by ORS 441.630, or preventable injuries.

(B) The Department finds any other condition or combination of conditions exist that in the opinion of the Department, constitute an immediate threat to resident health and safety, or a potential threat to new residents.

(3) Impending Admission Restriction Notice. Except where the threat to residents is so imminent that the OLRO determines pre-restriction notice is not practical, the OLRO must provide the licensee with a pre-restriction notice and an opportunity for an informal conference at least 48 hours before issuing an Admission Restriction Order. The Notice of Impending Restriction of Admission may be provided in writing, sent by certified or registered mail to the licensee, or provided orally in person or by telephone to the licensee or to the person in charge at the facility. When the notice is

delivered orally, the OLRO shall subsequently provide written notice to the licensee by registered or certified mail. The pre-restriction notice shall:

(a) Describe generally, the acts or omissions of the licensee and the circumstances which led to the finding that an immediate threat to resident health and safety exists at the facility;

(b) Describe generally, why the acts or omissions and the circumstances create an immediate threat to resident or prospective resident health and safety;

(c) Identify a person at the OLRO whom the licensee may contact who is authorized to enter the Admission Restriction Order or to make recommendations regarding issuance of an order; and

(d) Specify the date and time the Admission Restriction Order takes effect.

(4) Informal Conference. If an informal conference is requested, the conference shall be held at a location designated by the OLRO. If determined to be appropriate by the OLRO, the conference may be held by telephone:

(a) With Pre-Admission Restriction Notice. If a pre-admission restriction notice is issued, the licensee shall be provided with an opportunity for an informal conference to object to the OLRO's proposed action. The Admission Restriction Order may be issued at any time after the informal conference;

(b) Without Pre-Admission Restriction Notice. If an Admission Restriction Order is issued without prior notice, the licensee may request an immediate informal conference to object to the OLRO's action.

(5) Admission Restriction Order. When an Admission Restriction Order is issued, the OLRO shall serve the order on the licensee either personally or by registered or certified mail. The order shall include the following statements:

(a) The licensee's right to a hearing or a statement of the time and place of the hearing;

(b) The authority and jurisdiction under which the hearing is being held;

(c) A reference to the particular sections of the statute and rules involved;

(d) The effective date of the restriction;

(e) A short and plain statement of the nature of the matter asserted or charged;

(f) That the licensee may elect to be represented by counsel and to respond and present evidence and argument on all issues involved. If the licensee is to be represented by counsel, the licensee shall notify the OLRO;

(g) That the licensee has the right to demand a hearing, if requested, be held as soon as practical;

(h) That if a demand for hearing is not received by the OLRO within 90 days of the date of the notice of the Admission Restriction Order, the licensee shall have waived the right to a hearing under ORS Chapter 183;

(i) Findings of specific acts or omissions of the licensee are grounds for the admission restriction, and the reasons these acts or omissions constitute an immediate and serious threat to the health and safety of the residents; and

(j) That the OLRO may combine the hearing on the Admission Restriction Order with any other OLRO proceeding affecting the licensee. The procedures for the combined proceeding shall be those applicable to the other proceedings affecting the license.

(6) Posting of Admission Restriction Order. A licensee who has been ordered to restrict admissions to a facility shall immediately post a "Restriction of Admissions Notice" on both the inside and outside faces of each door of the facility through which any person may enter or exit the facility. Such public notices shall be provided by the OLRO. The notices shall not be removed, altered, or obscured until the restriction has been lifted by the OLRO. Removal of the notice without the OLRO's authorization is a Class C misdemeanor.

(7) Hearing:

(a) Right to Hearing. If the OLRO issues an Admission Restriction Order, the licensee is entitled to a contested case hearing pursuant to ORS Chapter 183;

(b) Hearing Request. The request for a hearing must be received within 90 days of the Admission Restriction Order;

(c) Date of Hearing. When a timely request for hearing is received, the hearing must be held as soon as practical, but not later than 30 days after the request for hearing, unless the OLRO and the licensee agree to a later date;

(d) At the hearing, the OLRO shall consider the facts and the circumstances including, but not limited to:

# ADMINISTRATIVE RULES

(A) Whether at the time of the issuance of the restriction there was probable cause from evidence available to the OLRO to believe there were grounds for the Admission Restriction Order;

(B) Whether the acts or omissions of the licensee posed an immediate threat to resident health and safety;

(C) Whether changed circumstances, including implementation of effective systems to help ensure deficiencies causing the restriction do not recur, eliminate the need for continuing the restriction; and

(D) Whether the agency followed the appropriate procedures in issuing the restriction.

(8) Re-inspection.

(a) Request for Re-inspection. When the licensee determines the circumstances causing the restriction no longer exist, and that effective systems are in place to help ensure similar deficiencies do not recur, the licensee may make written request to the OLRO for a re-inspection. The Department must conduct the re-inspection within 15 working days following receipt of the written request.

(b) If the Department finds there is no longer an immediate threat to resident health and safety, and finds effective systems are in place to ensure similar deficiencies do not recur, the restriction must be lifted. The OLRO must notify the facility by telephone of the decision to lift or not lift the restriction within five working days from the completion of the re-inspection. Telephone notification must be followed by written notification;

(c) If the Department determines an immediate threat to resident health and safety continues to exist after a re-inspection, the admission restriction is not lifted and the Department is not obligated to re-inspect again for at least 45 days. A decision not to rescind the Admission Restriction Order shall be given to the licensee in writing and the licensee shall be informed of the right to a contested case hearing pursuant to ORS Chapter 183. Nothing in this rule is intended to limit the Department's authority to visit or inspect the facility at any time.

(9) Exceptions to Admission Restriction Order. While an Admission Restriction Order is in place, the OLRO, in its sole discretion, may authorize the facility to admit former residents with a right of return or right of readmission. The OLRO, in its sole discretion, may also authorize the facility to admit new residents for whom the OLRO determines that alternate placement is not feasible.

## 411-089-0070

### Facility Fund

(1) Moneys in the Facility Fund are appropriated to the Department to pay for the reasonable expenses of a trustee or temporary manager.

(2) BASIS FOR APPOINTMENT.

(a) A trustee may be appointed when a court finds the health and welfare of facility residents are in jeopardy pursuant to ORS 441.281.

(b) A temporary manager may be appointed by the Department, with consent of the licensee, if the Department determines the health or safety of facility residents is in jeopardy pursuant to OAR 411-089-0075.

(3) LICENSEE REPAYMENT TO FACILITY FUND. When the Department is required to utilize the Facility Fund to meet expenses of a trustee or temporary manager, the amount used shall constitute a loan to the facility and shall be repayable to the Facility Fund.

(4) FACILITY FUND FEE ASSESSMENT.

(a) Licensees shall pay an annual fee that does not exceed the annual license fee until the Facility Fund balance reaches \$750,000.

(b) When the Facility Fund balance reaches \$750,000, annual fee collection shall be discontinued.

(c) When the Facility Fund balance falls below \$600,000, annual fee collection shall be reinstated.

(5) ALLOWABLE COST. The facility payment described in section

(4)(a) of this rule shall be considered an allowable cost.

## 411-089-0075

### Temporary Manager

(1) APPOINTMENT. The Department, with the consent of the licensee, may appoint a temporary manager to assume control of the day-to-day operation of the facility in accordance with Oregon Laws 2009, chapter 539, sections 14 through 18. The appointment may be for a period not to exceed six months.

(2) CRITERIA. A temporary manager may be appointed if the Department determines the health or safety of residents in the facility are, or in the immediate future shall be, in jeopardy based upon:

(a) The licensee's unwillingness or inability to comply with Department rules in the operation of the facility;

(b) The imminent insolvency of the facility;

(c) The Department's revocation or suspension of the license of the facility; or

(d) The Department's determination the licensee intends to cease operations and to close the facility without adequate arrangements for the relocation of the residents.

(3) DUTIES AND POWERS. The temporary manager has all of the duties and powers, as agreed upon between the Department and the licensee, that are necessary to ensure the safety and well-being of the residents and the continued operation of the facility.

(4) QUALIFICATIONS. In order to qualify for appointment as temporary manager, the prospective appointee must:

(a) Be familiar with the Department's rules for the operation of the facility to be served;

(b) Be familiar with the needs of the resident population in the facility to be served; and

(c) Have a demonstrated history (five year minimum) of operating and managing a similar facility in substantial compliance with Department rules.

## 411-089-0100

### Complaint Intake, Investigation

(1) Complaint Intake. The local APD or AAA office receiving a complaint shall ask questions to obtain as much of the information requested on the APD Complaint Intake Form as possible. The local APD or AAA office shall have at least one person designated and available to receive complaint calls throughout the work day.

(2) Complaint Investigation.

(a) All Complaints Investigated. The Department shall ensure all complaints, including anonymous complaints, received regarding violation of nursing facility laws are investigated.

(b) Multiple Problems. If the complaint alleges more than one problem, each allegation of abuse or another rule violation shall be treated as a separate complaint, and shall be given a separate finding. This is not intended to require a separate status report or complaint investigation report for each allegation.

(c) Complainant Interview. The APD or AAA office representative shall interview the complainant immediately and, as necessary, during the investigation.

(d) Accompany Investigator. The investigator shall ask if the complainant, a designee, or both wish to accompany the investigator to the site. The purpose of allowing the complainant or a designee to accompany the investigator is to identify individuals and circumstances relevant to the complaint. If someone is to accompany the investigator, the investigator shall notify such party of the time and allow the party to accompany the investigator during the site visit.

(e) Timeframe to Begin Investigation. The investigations shall be initiated as follows:

(A) If the complaint alleges a resident's health or safety is in imminent danger or the resident has recently died, been hospitalized, or been treated in an emergency department, the on-site investigation shall begin within two hours of the complaint.

(B) If the complainant alleges circumstances that may result in abuse and the circumstances may place a resident's health or safety in imminent danger, the on-site investigation shall begin before the end of the first working day following receipt of the complaint.

(C) All other complaint investigations shall begin and be completed within 90 days following receipt of the complaint.

(f) Prior Notification Prohibited. Neither the OLRO nor the local APD or AAA office shall contact the facility before the on-site investigation.

(g) Facility Visit. The investigation shall include at least one unannounced visit to the facility. Upon arrival at the facility, the investigator shall announce his or her presence to the administrator or other person designated to be in charge. The investigator shall explain the purpose of the visit, unless the investigator has reason to believe that disclosing the purpose of the visit would impede the investigation.

# ADMINISTRATIVE RULES

(h) Witness Interview. Reasonable effort shall be made to interview all possible witnesses, including alleged perpetrators (if any), the involved residents and any other persons, including other residents, identified by any source as having personal knowledge about any allegations.

(A) Investigators have the authority to conduct the interview in private unless the witness expressly makes an unsolicited request that a third party be present.

(B) The investigator shall obtain the mailing address of the alleged perpetrator.

(C) If the investigator is unable to interview a witness identified by the complainant, the complainant shall be notified before the investigation is concluded.

(i) Investigation Format. In addition to interviews, the investigator shall make personal observations of physical circumstances and review any documentation, including clinical records. The facility shall promptly provide all requested documentation that is available, for review and copying.

## 411-089-0110

### Initial Status Report (Abuse Complaints Only)

(1) Initial Status Report for Abuse Investigations (Local APD or AAA Office). Except in cases where the investigation is part of a general inspection pursuant to federal law, the local APD or AAA office shall complete an Initial Status Report for all abuse investigations within two working days of the start of the investigation.

(2) Content. The Initial Status Report shall include:

(a) A summary of the complaint identifying each alleged incident or problem. The Initial Status Report shall not include names of residents, complainants, or other people interviewed during the investigation;

(b) The status of the investigation;

(c) Whether the complaint was filed at the direction of facility administration;

(d) A determination of whether action to protect the residents is needed and whether the facility must take action;

(e) The name and telephone number of the investigator;

(f) The projected date the Complaint Investigation Report must be completed; and

(g) A statement that the Complaint Investigation Report is available upon request after the OLRO issues a Letter of Determination.

(3) Distribution. The Initial Status Report shall be provided either in person or by mail to the following individuals as soon as practical, but no later than two working days after its completion:

(a) The complainant, unless the complainant waives the requirement;

(b) If the complaint involves a specific resident or residents, to the residents or persons designated to receive information concerning the residents;

(c) A representative of the Long Term Care Ombudsman, upon request;

(d) The facility; and

(e) The OLRO.

(4) Availability of Initial Status Report. Upon completion, the Initial Status Report shall be placed in the local APD or AAA facility files and available for public inspection.

## 411-089-0120

### Complaint Investigation Report (Local SPD/AAA Office)

(1) Report Required. The investigator shall write a complaint investigation report after each investigation is completed.

(2) Content. The complaint investigation and the findings of the investigation shall be summarized on the Complaint Investigation Report Form. The Form shall not include the names of any resident, complainant, or persons interviewed. The investigation report shall include:

(a) The nature of the allegations;

(b) The investigator's personal observations relating to relevant evidence, including the dates and times of each incident (as appropriate);

(c) A summary of the documents reviewed;

(d) A summary of each interview.

(e) The investigator's findings regarding the incident or problem alleged in each allegation; and

(f) The factual basis for the finding.

(3) Investigator's Conclusions. For each alleged wrongdoing, the investigator shall prepare a separate evaluation and written conclusion. The conclusion shall be:

(a) The alleged wrongdoing is substantiated;

(b) The alleged wrongdoing is not substantiated; or

(c) The investigator is unable to determine whether the alleged wrongdoing is substantiated or not substantiated because necessary, relevant information is unable to be obtained; or following a complete investigation, a reasonable person is unable objectively to conclude whether it was likely the wrongdoing occurred.

(4) Timeframe for Completion Processing (Local APD or AAA Office).

(a) If a complaint alleges abuse, the complaint report shall be completed within five working days after the investigation is completed, but not later than 60 days after receipt of the complaint.

(b) All other complaint investigation reports shall be completed within 90 days of the receipt of the complaint.

(c) Investigation reports shall be sent to the OLRO promptly upon completion.

Stat. Auth.: ORS 410.070, 441.055 & 441.637

## 411-089-0130

### Division Findings for Complaint Investigations (Central Office)

OLRO Review. The OLRO shall review the Complaint Investigation Report and any evidence submitted with the report.

(1) OLRO Determination. The OLRO shall review the Complaint Investigation Report and shall determine for each alleged violation:

(a) There is "Substantiated abuse," which means a reasonable person is able objectively to conclude it is more likely than not abuse occurred, including identification of rule violated;

(b) There is "Substantiated, non-abuse," which means a reasonable person is able objectively to conclude it is more likely than not a rule violation, other than abuse, occurred, including identification of rule violated;

(c) Is "Unsubstantiated," which means a reasonable person is able objectively to conclude it is unlikely any rule violation occurred; or

(d) Is "Unable to Substantiate," which means an investigation is not completed because necessary, relevant information is unable to be obtained; or that following a complete investigation, a reasonable person is unable objectively to conclude whether it was more or less likely a rule violation occurred.

(2) If the OLRO determines there is substantiated abuse, the OLRO shall determine whether the facility, or an individual, or both, were responsible. In determining responsibility, the OLRO shall consider intent, knowledge, ability to control, and adherence to professional standards, as applicable.

(a) Facility Responsible. Examples of when the OLRO shall determine the facility is responsible for the abuse include, but are not limited to the following:

(A) Failure to provide minimum staffing in accordance with OAR 411-086-0100(2), without reasonable effort to correct;

(B) Failure to check for, or act upon, relevant information available from a licensing board;

(C) Failure to act upon information from any source regarding a possible history of abuse by any staff or prospective staff;

(D) Failure to adequately train or orient staff;

(E) Failure to provide adequate supervision of staff or residents, or both;

(F) Failure to allow sufficient time to accomplish assigned tasks;

(G) Failure to provide adequate services;

(H) Failure to provide adequate equipment or supplies; or

(I) Failure to follow orders for treatment or medication.

(b) Individual Responsible. Examples of when the OLRO shall determine an individual is responsible shall include, but are not limited to:

(A) Intentional acts against a resident including assault, rape, kidnapping, murder, sexual abuse, or verbal or mental abuse;

(B) Acts contradictory to clear instructions from the facility, unless the act is determined by the OLRO to be caused by a "facility problem" such as those identified in paragraph (2)(b)(A) of this rule;

(C) Callous disregard for resident rights or safety; or

(D) Intentional acts against a resident's property (e.g., theft, misuse of funds).

(c) An individual shall not be considered responsible for the abuse if the individual demonstrates the abuse was caused by factors beyond the

# ADMINISTRATIVE RULES

individual's control. "Factors beyond the individual's control" are not intended to include such factors as misuse of alcohol or drugs or lapses in sanity.

Stat. Auth.: ORS 410.070, 441.055 & 441.637  
Stats. Implemented: ORS 441.637, 441.650, 441.665 & 441.677

## 411-089-0140

### Letters of Determination

Within 60 days of receipt by the OLRO of the investigation report, the OLRO shall issue a letter of determination.

(1) **CONTENT.** The letter of determination shall:

- (a) Explain the nature of each allegation;
- (b) Include the date and time of each occurrence;
- (c) For each allegation, include a determination of whether the allegation is substantiated, unsubstantiated, or unable to substantiate;
- (d) For each substantiated allegation, state whether the violation was abuse or another rule violation;
- (e) For each substantiated allegation of abuse, explain the OLRO's determination of responsibility;
- (f) Include a copy of the complaint investigation report;
- (g) State that the complainant, any individual found responsible for abuse, and the facility have 10 days to provide additional or different information; and

(h) Explain, when applicable, if sanctions (e.g., civil penalty, license revocation) are pursued, a formal appeal process shall be available.

(2) **APPEAL RIGHTS, NURSING ASSISTANT.** The letter of determination, in cases of substantiated abuse by a nursing assistant, shall explain the following:

- (a) The OLRO's intent to enter the finding of abuse into the Nursing Assistant Registry;
- (b) The nursing assistant may provide additional information for inclusion in the Nursing Assistant Registry if provided within 10 days;
- (c) The Nursing Assistant Registry;
- (d) The nursing assistant has 10 days to respond in writing with different or additional information, 30 days to request in writing a contested case hearing as provided in ORS 183.411 to 183.470, and the consequences of failure to respond; and

(e) If the opportunity to request a contested case hearing expires without a request for hearing by the nursing assistant, the nursing assistant shall be found responsible for the abuse and the finding shall be entered in the Nursing Assistant Registry.

(3) **DISTRIBUTION.**

(a) The letter of determination shall be distributed to the facility, the complainant (if known), and the local APD or AAA office;

(b) The letter of determination shall be sent by certified mail or delivered in person to any nursing assistant found responsible for abuse. In the case of a nursing assistant, notice sent to the nursing assistant's last known address is sufficient to meet the requirements of this rule;

(c) The letter of determination shall also be mailed to any health-related board or agency that certified or licensed an individual determined to be responsible for abuse. However, if the party determined to be responsible is a nursing assistant, the letter may not be mailed to the State Board of Nursing until the nursing assistant has exhausted all his or her appeal rights; and

(d) A copy of the letter of determination shall be placed in the OLRO's facility complaint file.

(4) **REVISION.**

(a) The OLRO may reinvestigate a complaint, issue a revised letter of determination, or both if the OLRO determines further information provided by the complainant, accused individual, or facility merits such action.

(b) If the OLRO issues a revised letter of determination, the letter shall be distributed to all individuals identified in section (3) of this rule.

(5) **FAILURE TO REQUEST HEARING OR TO APPEAR.**

(a) If the nursing assistant fails to request a contested case hearing in writing within 30 days of the letter of determination, or if the nursing assistant scheduled to attend the hearing fails to attend, the OLRO shall affirm the letter of determination and notify the State Board of Nursing of OLRO's finding. The abuse finding shall be entered into the Nursing Assistant Registry.

(b) If the nursing assistant is scheduled to appear at a contested case hearing, but fails to attend at the scheduled time, or within 15 minutes thereafter, the nursing assistant shall be considered to have waived the right to a hearing. The hearing may be rescheduled if:

(A) A written request to reschedule the hearing is received by the OLRO within 10 days after the scheduled hearing; and

(B) The causes for not attending at the scheduled time for the hearing and for not requesting a postponement of the hearing before the hearing were beyond the control of the nursing assistant.

(6) **JUDICIAL REVIEW.** The nursing assistant found to be responsible for abuse shall be provided notice of the opportunity for judicial review pursuant to ORS 183.482. This notice shall accompany or be incorporated within the OLRO's final order regarding the nursing assistant's responsibility for abuse.

**Adm. Order No.:** APD 1-2015

**Filed with Sec. of State:** 1-14-2015

**Certified to be Effective:** 1-15-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 411-054-0005, 411-054-0012, 411-054-0090, 411-054-0093, 411-054-0200, 411-054-0300

**Subject:** The Department of Human Services (Department) is permanently updating the rules for residential care and assisted living facilities in OAR chapter 411, division 054 to comply with changes in the building codes in regards to physical building structure, initial licensing requirements, and Fire and Life safety. The rules also need to be amended to comply with direction from Centers for Medicare and Medicaid Services (CMS) regarding locked resident unit doors for residential care facilities (RCF). Minor grammar, punctuation, and wording adjustments were made to all of the rules as well.

**Rules Coordinator:** Kimberly Colkitt-Hallman—(503) 945-6398

## 411-054-0005

### Definitions

For the purpose of these rules, the following definitions apply:

(1) "Abuse" means abuse as defined in OAR 411-020-0002 (Adult Protective Services).

(2) "Activities of Daily Living (ADL)" mean those personal functional activities required by an individual for continued well-being, health, and safety. Activities consist of eating, dressing, grooming, bathing, personal hygiene, mobility (ambulation and transfer), elimination (toileting, bowel, and bladder management), and cognition/behavior.

(3) "Acute Sexual Assault" means any non-consensual or unwanted sexual contact that warrants medical treatment or forensic collection.

(4) "Administrator" means the individual who is designated by the licensee that is responsible for the daily operation and maintenance of the facility as described in OAR 411-054-0065.

(5) "Advance Directive" means a document that contains a health care instruction or a power of attorney for health care.

(6) "Aging and People with Disabilities" means the program area of Aging and People with Disabilities, within the Department of Human Services.

(7) "APD" means "Aging and People with Disabilities".

(8) "Applicant" means the individual, individuals, or entity, required to complete a facility application for license.

(a) Except as set forth in OAR 411-054-0013(1)(b), applicant includes a sole proprietor, each partner in a partnership, and each member with a 10 percent or more ownership interest in a limited liability company, corporation, or entity that:

(A) Owns the residential care or assisted living facility business; or

(B) Operates the residential care or assisted living facility on behalf of the facility business owner.

(b) Except as set forth in OAR 411-054-0013(1)(b), for those who serve the Medicaid population, applicant includes a sole proprietor, each partner in a partnership, and each member with a 5 percent or more ownership interest in a limited liability company, corporation, or entity that:

(A) Owns the residential care or assisted living facility business; or

(B) Operates the residential care or assisted living facility on behalf of the facility business owner.

(9) "Area Agency on Aging (AAA)" as defined in ORS 410.040 means the Department designated agency charged with the responsibility to

# ADMINISTRATIVE RULES

provide a comprehensive and coordinated system of services to seniors or individuals with disabilities in a planning and service area. For the purpose of these rules, the term Area Agency on Aging is inclusive of both Type A and B Area Agencies on Aging that contract with the Department to perform specific activities in relation to residential care and assisted living facilities including:

(a) Conducting inspections and investigations regarding protective service, abuse, and neglect;

(b) Monitoring; and

(c) Making recommendations to the Department regarding facility license approval, denial, revocation, suspension, non-renewal, and civil penalties.

(10) "Assisted Living Facility (ALF)" means a building, complex, or distinct part thereof, consisting of fully, self-contained, individual living units where six or more seniors and adult individuals with disabilities may reside in homelike surroundings. The assisted living facility offers and coordinates a range of supportive services available on a 24-hour basis to meet the activities of daily living, health, and social needs of the residents as described in these rules. A program approach is used to promote resident self-direction and participation in decisions that emphasize choice, dignity, privacy, individuality, and independence.

(11) "Building Codes" are comprised of the set of specialty codes, including the Oregon Structural Specialty Code (OSSC), Oregon Mechanical Specialty Code (OMSC), Oregon Electrical Specialty Code (OESC), Oregon Plumbing Specialty Code (OPSC) and their reference codes and standards.

(12) "Caregiver" means a facility employee who is trained in accordance with OAR 411-054-0070 to provide personal care services to residents. The employee may be either a direct care staff or universal worker.

(13) "Change in Use" means altering the purpose of an existing room, within the facility, that requires structural changes.

(14) "Change of Condition — Short Term" means a change in the resident's health or functioning, that is expected to resolve or be reversed with minimal intervention, or is an established, predictable, cyclical pattern associated with a previously diagnosed condition.

(15) "Change of Condition — Significant" means a major deviation from the most recent evaluation, that may affect multiple areas of functioning or health, that is not expected to be short term, and imposes significant risk to the resident. Examples of significant change of condition include, but are not limited to:

(a) Broken bones;

(b) Stroke, heart attack, or other acute illness or condition onset;

(c) Unmanaged high blood sugar levels;

(d) Uncontrolled pain;

(e) Fast decline in activities of daily living;

(f) Significant unplanned weight loss;

(g) Pattern of refusing to eat;

(h) Level of consciousness change; and

(i) Pressure ulcers (stage 2 or greater).

(16) "Choice" means a resident has viable options that enable the resident to exercise greater control over his or her life. Choice is supported by the provision of sufficient private and common space within the facility that allows residents to select where and how to spend time and receive personal assistance.

(17) "Condition" means a provision attached to a new or existing license that limits or restricts the scope of the license or imposes additional requirements on the licensee.

(18) "Department" means the Department of Human Services (DHS).

(19) "Dignity" means providing support in such a way as to validate the self-worth of the individual. Dignity is supported by creating an environment that allows personal assistance to be provided in privacy and by delivering services in a manner that shows courtesy and respect.

(20) "Direct Care Staff" means a facility employee whose primary responsibility is to provide personal care services to residents. These personal care services may include:

(a) Medication administration;

(b) Resident-focused activities;

(c) Assistance with activities of daily living;

(d) Supervision and support of residents; and

(e) Serving meals, but not meal preparation.

(21) "Directly Supervised" means a qualified staff member maintains visual contact with the supervised staff.

(22) "Director" means the Director of the Department's Licensing and Regulatory Oversight, or that individual's designee. The term "Director" is synonymous with "Assistant Director".

(23) "Disaster" means a sudden emergency occurrence beyond the control of the licensee, whether natural, technological, or manmade, that renders the licensee unable to operate the facility or makes the facility uninhabitable.

(24) "Disclosure" means the written information the facility is required to provide to consumers to enhance the understanding of facility costs, services, and operations.

(25) "Entity" means an individual, a trust or estate, a partnership, a corporation (including associations, joint stock companies, and insurance companies), a state, or a political subdivision or instrumentality, including a municipal corporation of a state.

(26) "Exception" means a written variance granted by the Department from a regulation or provision of these rules.

(27) "Facility" means the residential care or assisted living facility licensee and the operations, policies, procedures, and employees of the residential care or assisted living facility.

(28) "FPS" means the Facilities, Planning, and Safety Program within the Public Health Division.

(29) "Homelike Environment" means a living environment that creates an atmosphere supportive of the resident's preferred lifestyle. Homelike environment is also supported by the use of residential building materials and furnishings.

(30) "Incident of Ownership" means an ownership interest, an indirect ownership interest, or a combination of direct and indirect ownership interest.

(31) "Independence" means supporting resident capabilities and facilitating the use of those abilities. Creating barrier free structures and careful use of assistive devices supports independence.

(32) "Indirect Ownership Interest" means an ownership interest in an entity that has an ownership interest in another entity. Indirect ownership interest includes an ownership interest in an entity that has an indirect ownership interest in another entity.

(33) "Individuality" means recognizing variability in residents' needs and preferences and having flexibility to organize services in response to different needs and preferences.

(34) "Licensed Nurse" means an Oregon licensed practical or registered nurse.

(35) "Licensee" means the entity that owns the residential care or assisted living facility business, and to whom an assisted living or residential care facility license has been issued.

(36) "Major Alteration":

(a) Means:

(A) Any structural change to the foundation, floor, roof, exterior or load bearing wall of a building;

(B) The addition of floor area to an existing building; or

(C) The modification of an existing building that results in a change in use where such modification affects resident services or safety.

(b) Does not include cosmetic upgrades to the interior or exterior of an existing building (for example: changes to wall finishes, floor rings, or casework).

(37) "Managed Risk" means a process by which a resident's high-risk behavior or choices are reviewed with the resident. Alternatives to and consequences of the behavior or choices are explained to the resident and the resident's decision to modify behavior or accept the consequences is documented.

(38) "Management" or "Operator" means possessing the right to exercise operational or management control over, or directly or indirectly conduct, the day-to-day operation of a facility.

(39) "Modified Special Diet" means a diet ordered by a physician or other licensed health care professional that may be required to treat a medical condition (for example: heart disease or diabetes).

(a) Modified special diets include, but are not limited to:

(A) Small frequent meals;

(B) No added salt;

(C) Reduced or no added sugar; and

(D) Simple textural modifications.

(b) Medically complex diets are not included.

(40) "New Construction" means:

(a) A new building;

(b) An existing building or part of a building that is not currently licensed;

(c) A major alteration to an existing building; or

(d) Additions, conversions, renovations, or remodeling of existing buildings.

# ADMINISTRATIVE RULES

(41) "Nursing Care" means the practice of nursing as governed by ORS Chapter 678 and OAR chapter 851.

(42) "Owner" means an individual with an ownership interest.

(43) "Ownership Interest" means the possession of equity in the capital, the stock, or the profits of an entity.

(44) "Personal Incidental Funds (PIF)" means the monthly amount allowed each Medicaid resident for personal incidental needs. For purposes of this definition, personal incidental funds include monthly payments, as allowed, and previously accumulated resident savings.

(45) "Privacy" means a specific area or time over which the resident maintains a large degree of control. Privacy is supported with services that are delivered with respect for the resident's civil rights.

(46) "P.R.N." means those medications and treatments that have been ordered by a qualified practitioner to be administered as needed.

(47) "Psychoactive Medications" mean medications used to alter mood, level of anxiety, behavior, or cognitive processes. Psychoactive medications include antidepressants, anti-psychotics, sedatives, hypnotics, and anti-anxiety medications.

(48) "Remodel" means a renovation or conversion of a building that requires a building permit and meets the criteria for review by the Facilities Planning and Safety Program as described in OAR 333-675-0000.

(49) "Renovate" means to restore to good condition or to repair.

(50) "Resident" means any individual who is receiving room, board, care, and services on a 24-hour basis in a residential care or assisted living facility for compensation.

(51) "Residential Care Facility (RCF)" means a building, complex, or distinct part thereof, consisting of shared or individual living units in a homelike surrounding, where six or more seniors and adult individuals with disabilities may reside. The residential care facility offers and coordinates a range of supportive services available on a 24-hour basis to meet the activities of daily living, health, and social needs of the residents as described in these rules. A program approach is used to promote resident self-direction and participation in decisions that emphasize choice, dignity, individuality, and independence.

(52) "Restraint" means any physical device the resident cannot manipulate that is used to restrict movement or normal access to the resident's body.

(53) "Retaliation" means to threaten, intimidate, or take an action that is detrimental to an individual (for example, harassment, abuse, or coercion).

(54) "Service Plan" means a written, individualized plan for services, developed by a service planning team and the resident or the resident's legal representative, that reflects the resident's capabilities, choices, and if applicable, measurable goals, and managed risk issues. The service plan defines the division of responsibility in the implementation of the services.

(55) "Service Planning Team" means two or more individuals, as set forth in OAR 411-054-0036, that assist the resident in determining what services and care are needed, preferred, and may be provided to the resident.

(56) "Services" mean supervision or assistance provided in support of a resident's needs, preferences, and comfort, including health care and activities of daily living, that help develop, increase, maintain, or maximize the resident's level of independent, psychosocial, and physical functioning.

(57) "Subject Individual" means any individual 16 years of age or older on whom the Department may conduct a background check as defined in OAR 407-007-0210 and from whom the Department may require fingerprints for the purpose of conducting a national background check.

(a) For the purpose of these rules, subject individual includes:

(A) All applicants, licensees, and operators of a residential care or assisted living facility;

(B) All individuals employed or receiving training in an assisted living or residential care facility; and

(C) Volunteers, if allowed unsupervised access to residents.

(b) For the purpose of these rules, subject individual does not apply to:

(A) Residents and visitors of residents; or

(B) Individuals that provide services to residents who are employed by a private business not regulated by the Department.

(58) "Supportive Device" means a device that may have restraining qualities that supports and improves a resident's physical functioning.

(59) "These Rules" mean the rules in OAR chapter 411, division 054.

(60) "Underserved" means services are significantly unavailable within the service area in a comparable setting for:

(a) The general public; or

(b) A specific population, for example, residents with dementia or traumatic brain injury.

(61) "Unit" means an individual living space constructed as a completely private apartment, including living and sleeping space, kitchen area, bathroom, and adequate storage areas.

(62) "Universal Worker" means a facility employee whose assignments include other tasks (for example, housekeeping, laundry, or food service) in addition to providing direct resident services. Universal worker does not include administrators, clerical or administrative staff, building maintenance staff, or licensed nurses who provide services as specified in OAR 411-054-0034.

## 411-054-0012

### Requirements for New Construction or Initial Licensure

(1) An applicant requesting approval of a potential license for new construction or licensing of an existing building that is not operating as a licensed facility, must communicate with the Department before submitting a letter of intent as described in section (3) of this rule.

(2) Prior to beginning new construction of a building, or purchase of an existing building with intent to request a license, the applicant must provide the following information for consideration by the Department for a potential license:

(a) Demonstrate a past history, if any, of substantial compliance with all applicable state and local laws, rules, codes, ordinances, and permit requirements in Oregon, and the ability to deliver quality services to citizens of Oregon; and

(b) Provide a letter of intent as set forth in section (3) of this rule.

(3) LETTER OF INTENT. Prior to application for a building permit, a prospective applicant, with intent to build or operate a facility, must submit to the Department a letter of intent that includes the following:

(a) Identification of the potential applicant;

(b) Identification of the city and street address of the intended facility;

(c) Intended facility type (for example, RCF, ALF, or memory care), the intended number of units, and maximum resident capacity;

(d) Statement of whether the applicant is willing to provide care and services for an underserved population and a description of any underserved population the applicant is willing to serve;

(e) Indication of whether the applicant is willing to provide services through the state medical assistance program;

(f) Identification of operations within Oregon or within other states that provide a history of the applicant's ability to serve the intended population; and

(g) An independent market analysis completed by a third party professional that meets the requirements of section (4) of this rule.

(4) MARKET ANALYSIS. The applicant must submit a current market analysis to the Department for review and consideration prior to application for a building permit. A market analysis is not required for change of owner applicants of existing licensed buildings. The market analysis must show the need for the services offered by the license applicant and must include:

(a) A description of the intended population to be served, including underserved populations and those eligible to receive services through the state medical assistance program, as applicable;

(b) A current demographic overview of the area to be served;

(c) A description of the area and regional economy and the effect on the market for the project;

(d) Identification of the number of individuals in the area to be served who are potential residents;

(e) A description of available amenities (for example, transportation, hospital, shopping center, or traffic conditions);

(f) A description of the extent, types, and availability of existing and proposed facilities, as described in ORS 443.400 to 443.455, located in the area to be served; and

(g) The rate of occupancy, including waiting lists, for existing and recently completed developments competing for the same market segment.

(5) The Department shall issue a written decision of a potential license within 60 days of receiving all required information from the applicant.

# ADMINISTRATIVE RULES

(a) If the applicant is dissatisfied with the decision of the Department, the applicant may request a contested case hearing in writing within 14 calendar days from the date of the decision.

(b) The contested case hearing shall be in accordance with ORS chapter 183.

(6) Prior to issuing a license, the Department shall consider the applicant's stated intentions and compliance with the requirements of this rule and all structural and other licensing requirements as stated in these rules.

(7) **BUILDING DRAWINGS.** After the letter of intent has been submitted to the Department, one set of building drawings and specifications must be submitted to FPS and must comply with OAR chapter 333, division 675.

(a) Building drawings must be submitted to FPS:

(A) Prior to beginning construction of any new building;

(B) Prior to beginning construction of any addition to an existing building;

(C) Prior to beginning any remodeling, modification, or conversion of an existing building that requires a building permit; or

(D) Subsequent to application for an initial license of a facility not previously licensed under this rule.

(b) Drawings must comply with the building codes and the Oregon Fire Code (OFC) as required for the occupancy classification and construction type.

(c) Drawings submitted for a licensed assisted living or residential facility must be prepared by and bear the stamp of an Oregon licensed architect or engineer.

(8) **SIXTY-DAYS PRIOR.** At least 60 days prior to anticipated licensure the applicant must submit to the Department:

(a) A completed application form with the required fee;

(b) A copy of the facility's written rental agreements;

(c) Disclosure information; and

(d) Facility policies and procedures to ensure the facility's administrative staff, personnel, and resident care operations are conducted in compliance with these rules.

(9) **THIRTY-DAYS PRIOR.** Thirty days prior to anticipated licensure the applicant must submit:

(a) To the Department, a completed and signed Administrator Reference Sheet that reflects the qualifications and training of the individual designated as facility administrator and a background check request; and

(b) To FPS, a completed and signed Project Substantial Completion Notice that attests substantial completion of the building project and requests the scheduling of an onsite licensing inspection.

(10) **TWO-DAYS PRIOR.** At least two working days prior to the scheduled onsite licensing inspection of the facility, the applicant must submit, to the Department and FPS, a completed and signed Project Completion/Inspection Checklist that confirms the building project is complete and fully in compliance with these rules.

(a) The scheduled, onsite licensing inspection may not be conducted until the Project Completion/Inspection Checklist has been received by both FPS and the Department.

(b) The onsite licensing inspection may be rescheduled at the Department's convenience if the scheduled, onsite licensing inspection reveals the building is not in compliance with these rules as attested to on the Project Completion/Inspection Checklist.

(11) **CERTIFICATE OF OCCUPANCY.** The applicant must submit to the Department and FPS a copy of the Certificate of Occupancy issued by the building codes agency having jurisdiction that indicates the intended occupancy classification and construction type.

(12) **CONFIRMATION OF LICENSURE.** The applicant, prior to admitting any resident into the facility, must receive a written confirmation of licensure issued by the Department.

## 411-054-0090

### Fire and Life Safety

(1) **FIRE DRILLS.** All fire drills shall be conducted according to the Oregon Fire Code (OFC).

(a) Unannounced fire drills must be conducted and recorded every other month at different times of the day, evening, and night shifts.

(b) Fire and life safety instruction to staff must be provided on alternate months.

(c) The Fire Authority may develop an alternative fire drill plan for the facility. Any such plan must be submitted to the Department.

(d) A written fire drill record must be kept to document fire drills that include:

(A) Date and time of day;

(B) Location of simulated fire origin;

(C) The escape route used;

(D) Problems encountered and comments relating to residents who resisted or failed to participate in the drills;

(E) Evacuation time period needed;

(F) Staff members on duty and participating; and

(G) Number of occupants evacuated.

(e) Alternate exit routes must be used during fire drills to react to varying potential fire origin points.

(f) The evacuation capability of the residents and staff is a function of both the ability of the residents to evacuate and the assistance provided by the staff.

(g) Staff must provide fire evacuation assistance to residents from the building to a designated point of safety as determined by the Fire Authority having jurisdiction. Points of safety may include, outside the building, through a horizontal exit, or other areas as determined by the Fire Authority having jurisdiction.

(h) The fire alarm system shall be activated during each fire drill, unless otherwise directed by the Fire Authority having jurisdiction.

(2) If the facility is unable to meet the applicable evacuation level, the facility must make an immediate effort to make changes to ensure the evacuation standard is met. Changes must include, but not be limited to:

(a) Increasing staff levels,

(b) Changing staff assignments,

(c) Requesting change in resident rooms, and

(d) Arranging for special equipment.

After making necessary changes, if the facility fails to meet the applicable evacuation level, the facility must issue an involuntary move-out notice to the residents in accordance with OAR 411-054-0080.

(3) Fire detection and protection equipment, including visual signals with alarms for hearing impaired residents, must be maintained in accordance with the OFC and the manufacturer's instructions.

(a) The facility must provide and maintain one or more 2A:10B:C fire extinguishers on each floor in accordance with the OFC.

(b) Flammable and combustible liquids and hazardous materials must be safely and properly stored in original containers in accordance with the fire authority having jurisdiction.

(4) **SAFETY PROGRAM.** A safety program must be developed and implemented to avoid hazards to residents, such as dangerous substances, sharp objects, unprotected electrical outlets, slippery floors or stairs, exposed heating devices, broken glass, water temperatures, and fire prevention.

(5) **TRAINING FOR RESIDENTS.** Residents must be instructed about the facility's fire and life safety procedures per OFC.

(a) Each resident must be instructed within 24 hours of admission and re-instructed, at least annually, in general safety procedures, evacuation methods, responsibilities during fire drills, and designated meeting places outside the building or within the fire safe area in the event of an actual fire. This requirement does not apply to residents whose mental capability does not allow for following such instruction.

(b) A written record of fire safety training, including content of the training sessions and the residents attending, must be kept.

(6) **UNOBSTRUCTED EGRESS.** Stairways, halls, doorways, passageways, and exits from rooms and the building must be unobstructed.

(7) **FIRST AID SUPPLIES.** First aid supplies must be provided, properly labeled, and readily accessible.

## 411-054-0093

### Emergency and Disaster Planning

An emergency preparedness plan is a written procedure that identifies a facility's response to an emergency or disaster for the purpose of minimizing loss of life, mitigating trauma, and to the extent possible, maintaining services for residents, and preventing or reducing property loss.

(1) The facility must prepare and maintain a written emergency preparedness plan in accordance with the OFC.

(2) The emergency preparedness plan must:

# ADMINISTRATIVE RULES

(a) Include analysis and response to potential emergency hazards, including, but not limited to:

- (A) Evacuation of a facility;
- (B) Fire, smoke, bomb threat, and explosion;
- (C) Prolonged power failure, water, and sewer loss;
- (D) Structural damage;
- (E) Hurricane, tornado, tsunami, volcanic eruption, flood, and earthquake;

- (F) Chemical spill or leak; and
- (G) Pandemic.

(b) Address the medical needs of the residents, including:

- (A) Access to medical records necessary to provide services and treatment; and
- (B) Access to pharmaceuticals, medical supplies, and equipment during and after an evacuation.

(c) Include provisions and supplies sufficient to shelter in place for a minimum of three days without electricity, running water, or replacement staff.

(3) The facility must notify the Department, the local AAA office, or designee, of the facility's status in the event of an emergency that requires evacuation and during any emergent situation when requested.

(4) The facility must conduct a drill of the emergency preparedness plan at least twice a year in accordance with the OFC and other applicable state and local codes as required. One of the practice drills may consist of a walk-through of the duties or a discussion exercise with a hypothetical event, commonly known as a tabletop exercise. These simulated drills may not take the place of the required fire drills.

(5) The facility must annually review or update the emergency preparedness plan as required by the OFC and the emergency preparedness plan must be available on-site for review upon request.

## 411-054-0200

### Residential Care Facility Building Requirements

A residential care facility (RCF), as defined by OAR 411-054-0005, shall be built to the following requirements and may have individual or shared living units.

(1) Applicability for 411-054-0200 shall apply to the following;

(a) A RCF not licensed prior to 01/15/2015, with the exception of 411-054-0200 (5)(a) related to lockable doors. This will apply to all existing and new construction on the effective date as indicated.

(b) A major alteration to a RCF for which plans were not submitted to Facilities, Planning, and Safety (FPS) prior to 01/15/2015; or

(c) OAR 411-054-0200 shall apply only to the major alteration and shall not apply to any other area of the facility.

(2) BUILDING CODES. Each RCF must meet the requirements of the facility standards set forth in these rules and with the building codes in effect at the time of original licensure.

(a) Subsequent modifications made to a RCF after original licensure, including, but not limited to demolition, remodeling, construction, maintenance, repair, or replacement must comply with all applicable state and local building, electrical, plumbing, and zoning codes in place at the time of the modification.

(b) If a change in use and building code occupancy classification occurs, license approval shall be contingent on meeting the requirements of the building codes.

(c) A RCF must comply with FPS program requirements for submission of building drawings and specifications as described in OAR 333-675-0000 through 333-675-0050.

(3) GENERAL BUILDING EXTERIOR.

(a) All exterior pathways and accesses to the RCF common-use areas, entrance, and exit ways must be made of hard, smooth material, be accessible, and maintained in good repair.

(b) A RCF must take measures to prevent the entry of rodents, flies, mosquitoes, and other insects. There must be locked storage for all poisons, chemicals, rodenticides, and other toxic materials. All materials must be properly labeled.

(c) RCF grounds must be kept orderly and free of litter and refuse. Garbage must be stored in covered refuse containers.

(d) As described in OAR 411, division 057, memory care communities licensed as a RCF must be located on the ground floor.

(e) A RCF must provide storage for all maintenance equipment, including yard maintenance tools, if not provided by a third party contract.

(f) A RCF must provide an accessible outdoor recreation area. The outdoor recreation area must be available to all residents. Lighting must be equal to a minimum of five foot candles. Memory Care Communities must provide residents with direct access to a secure outdoor recreation area as described in OAR chapter 411, division 057.

(g) Outdoor perimeter fencing may not be secured to prevent exit unless the RCF has written approval from the Department or the RCF is in compliance with OAR chapter 411, division 057 (Memory Care Communities) or OAR 309-032-1500 through 309-032-1565 (Enhanced Care Services).

(h) A RCF must have an entry and exit drive to and from the main building entrance that allows for a vehicle to pick up and drop off residents and mail deliveries without the need for vehicles to back up.

(4) GENERAL BUILDING INTERIOR. The design of a RCF must emphasize a residential appearance while retaining the features required to support special resident needs as outlined in this rule.

(a) RECEPTION AREA. A reception area must be visible and accessible to residents and visitors when entering the doors of the main entrance to the RCF.

(b) CORRIDORS. Resident-use areas and units must be connected through temperature controlled common corridors.

(A) Resident-use corridors exceeding 20 feet in length to an exit or common-use area, must have a minimum width of 72 inches.

(B) Corridors shall not exceed 150 feet in length from any resident unit to a seating or other common-use area.

(C) Handrails must be installed at one or both sides of resident-use corridors.

(c) FLOORS.

(A) Hard surface floors and base must be free from cracks and breaks.

(B) Carpeting and other floor materials must be constructed and installed to minimize resistance for passage of wheelchairs and other ambulation aids.

(C) Thresholds and floor junctures must be maintained to allow for the passage of wheelchairs and to prevent a tripping hazard.

(d) INTERIOR DOORS. Lever-type door handles must be provided on all doors used by residents.

(e) EXIT DOORS. Exit doors may not include locks that delay evacuation except as specified by the building codes. Such locks may not be installed except with written approval of the Department.

(A) Exit doors may not include locks that prevent evacuation.

(B) If an electronic code must be entered to use an exit door that code must be clearly posted for residents, visitors, and staff use.

(f) WALLS AND CEILINGS. Walls and ceilings must be cleanable in kitchen, laundry, and bathing areas. Kitchen walls must be finished smooth per OAR 333-150-0000 (Food Sanitation Rules).

(g) ELEVATORS. A RCF with residents on more than one floor must provide at least one elevator that meets Oregon Elevator Specialty Code (OESC) requirements.

(h) The interior of the facility must be free from unpleasant odors.

(i) All interior and exterior materials and surfaces (e.g., floors, walls, roofs, ceilings, windows, and furniture) and all equipment necessary for the health, safety, and comfort of the resident will be kept clean and in good repair.

(5) RESIDENT UNITS. Resident units may be limited to a bedroom only, with bathroom facilities centrally located off common corridors. Each resident unit shall be limited to not more than two residents.

(a) Resident units must have a lockable door with lever type handles, effective 01/15/2017. This applies to all existing and new construction.

(b) For bedroom units, the door must open to an indoor, temperature controlled common-use area or common corridor. Residents may not enter a room through another resident's bedroom.

(c) Resident units must include a minimum of 80 square feet per resident, exclusive of closets, vestibules, and bathroom facilities and allow for a minimum of three feet between beds;

(d) All resident bedrooms must be accessible for individuals with disabilities and meet the requirements of the building codes. Adaptable units are not acceptable.

(e) A lockable storage space (e.g., drawer, cabinet, or closet) must be provided for the safekeeping of a resident's small valuable items and funds. Both the administrator and resident may have keys.

(f) WARDROBE CLOSET. A separate wardrobe closet must be provided for each resident's clothing and personal belongings. Resident wardrobe and storage space must total a minimum volume of 64 cubic feet for each resident. The rod must be adjustable for height or fixed for reach

## ADMINISTRATIVE RULES

ranges per building codes. In calculating useable space closet height may not exceed eight feet and a depth of two feet.

(g) **WINDOWS.**

(A) Each sleeping and living unit must have an exterior window that has an area at least one tenth of the floor area of the room.

(B) Unit windows must be equipped with curtains or blinds for privacy and control of sunlight.

(C) Operable windows must be designed to prevent accidental falls when sill heights are lower than 36 inches and above the first floor.

(h) **RESIDENT UNIT BATHROOMS.** If resident bathrooms are provided within a resident unit, the bathroom must be a separate room and include a toilet, hand wash sink, mirror, towel bar, and storage for toiletry items. The bathrooms must be accessible for individuals who use wheelchairs.

(i) **UNIT KITCHENS.** If cooking facilities are provided in resident units, cooking appliances must be readily removable or disconnect-able and the RCF must have and carry out a written safety policy regarding resident-use and nonuse. A microwave is considered a cooking appliance.

(6) **COMMON-USE AREAS.**

(a) **BATHING FACILITIES.** Centralized bathing fixtures must be provided at a minimum ratio of one tub or shower for each ten residents not served by fixtures within their own unit.

(A) At least one centralized shower or tub must be designed for disabled access without substantial lifting by staff.

(B) Bathing facilities must be located or screened to allow for resident privacy while bathing and provide adequate space for an attendant.

(C) A slip-resistant floor surface in bathing areas is required.

(D) Grab bars must be provided in all resident showers.

(E) Showers must be equipped with a hand-held showerhead and a cleanable shower curtain.

(b) **TOILET FACILITIES.** Toilet facilities must be located for resident-use at a minimum ratio of one to six residents for all residents not served by toilet facilities within their own unit. Toilet facilities must include a toilet, hand wash sink, and mirror.

(A) Toilet facilities for all of the licensed resident capacity must be accessible to individuals with disabilities in accordance with the building codes.

(B) A RCF licensed for more than 16 residents must provide at least one separate toilet and hand wash lavatory for staff and visitor use.

(c) **DINING AREA.** The dining area must be provided with the capacity to seat 100 percent of the residents. The dining area must provide a minimum of 22 square feet per resident for seating, exclusive of serving carts and other equipment or items that take up space in the dining area. A RCF must have policies and equipment to assure food is served fresh and at proper temperatures.

(d) **SOCIAL AND RECREATION AREAS.** A RCF must include lounge and activity areas for social and recreational use totaling a minimum of 15 square feet per resident.

(e) **COOKING STOVE.** If a stove is provided in the activities or common-use area, and is available for resident-use, a keyed, remote switch, or other safety device must be provided to ensure staff control.

(7) **SUPPORT SERVICE AREAS.**

(a) **MEDICATION STORAGE.** A RCF must have a locked and separate closed storage area for medications, supportive of the distribution system utilized including:

(A) A method for refrigeration of perishable medications that provides for locked separation from stored food items;

(B) Medications must be stored in an area that is separate from any poisons, hazardous material, or toxic substance; and

(C) A RCF licensed for more than 16 residents must provide a medication sink.

(b) **HOUSEKEEPING AND SANITATION.**

(A) A RCF must have a secured janitor closet for storing supplies and equipment, with a floor or service sink.

(B) The wall base shall be continuous and covered with the floor, tightly sealed to the wall, and constructed without voids that can harbor insects or moisture.

(c) **LAUNDRY FACILITIES.** Laundry facilities may be located to allow for both resident and staff use, when a time schedule for resident-use is provided and equipment is of residential type. When the primary laundry is not in the building or suitable for resident-use, a RCF must provide separate resident-use laundry facilities.

(A) Laundry facilities must be operable and at no additional cost to the resident.

(B) Laundry facilities must have space and equipment to handle laundry-processing needs. Laundry facilities must be separate from food preparation and other resident-use areas.

(C) On-site laundry facilities, used by staff for facility and resident laundry, must have capacity for locked storage of chemicals and equipment.

(D) The wall base shall be continuous and covered with the floor, tightly sealed to the wall, and constructed without voids that can harbor insects or moisture.

(d) **SOILED LINEN PROCESSING.** For the purpose of this rule, "soiled linens and soiled clothing," means linens or clothing contaminated by an individual's bodily fluids (for example, urine, feces, or blood).

(A) There must be a separate area with closed containers that ensure the separate storage and handling of soiled linens and soiled clothing. There must be space and equipment to handle soiled linen and soiled clothing processing needs that is separate from regular linens and clothing.

(B) Arrangement must provide a one-way flow of soiled linens and soiled clothing from the soiled area to the clean area and preclude potential for contamination of clean linens and clothing.

(C) The soiled linen room or area, must include a flushing rim clinical sink with a handheld rinsing device and a hand wash sink or lavatory.

(D) When washing soiled linens and soiled clothing, washers must have a minimum rinse temperature of 140 degrees Fahrenheit unless a chemical disinfectant is used.

(E) Personnel handling soiled laundry must be provided with waterproof gloves.

(F) Covered or enclosed clean linen storage must be provided and may be on shelves or carts. Clean linens may be stored in closets outside the laundry area.

(G) The wall base shall be continuous and covered with the floor, tightly sealed to the wall, and constructed without voids that can harbor insects or moisture.

(e) **KITCHEN AND FOOD STORAGE.** Kitchen facilities and equipment in residential care facilities with a capacity of 16 or fewer may be of residential type except as required by the building codes. Residential care facilities licensed for a capacity of more than 16, must comply with OAR 333-150-0000 (Food Sanitation Rules). The following are required:

(A) Dry storage space, not subject to freezing, for a minimum one-week supply of staple foods.

(B) Refrigeration and freezer space at proper temperature to store a minimum two days' supply of perishable foods.

(C) Storage for all dishware, utensils, and cooking utensils used by residents must meet OAR 333-150-0000 (Food Sanitation Rules).

(D) In facilities licensed to serve 16 or fewer residents, a dishwasher must be provided (may be residential type) with a minimum final rinse temperature of 140 degrees Fahrenheit (160 degrees recommended), unless a chemical disinfectant is used in lieu of the otherwise required water temperature. In facilities of 17 or more capacity, a commercial dishwasher is required meeting OAR 333-150-0000 (Food Sanitation Rules).

(E) In residential care facilities with a capacity of 16 or fewer, a two compartment sink or separate food preparation sink and hand wash lavatory must be provided. In residential care facilities with 17 or more capacity, a triple pot wash sink (unless all pots are sanitized in the dishwasher), a food prep sink, and separate hand wash lavatory must be provided.

(F) Food preparation and serving areas must have smooth and cleanable counters.

(G) Stove and oven equipment for cooking and baking needs.

(H) Storage in the food preparation area for garbage must be enclosed and separate from food storage.

(I) Storage for a mop and other cleaning tools and supplies used for dietary areas must be separate from those used in toilet rooms, resident rooms, and other support areas. In residential care facilities with a capacity of 17 or more, a separate janitor closet or alcove must be provided with a floor or service sink and storage for cleaning tools and supplies.

(J) Storage must be available for cookbooks, diet planning information, and records.

(K) The wall base shall be continuous and covered with the floor, tightly sealed to the wall, and constructed without voids that can harbor insects or moisture.

(8) **HEATING AND VENTILATION SYSTEMS.** A RCF must have heating and ventilation systems that comply with the building codes in effect at the time of facility construction.

(a) **TEMPERATURE.** For all areas occupied by residents, design temperature for construction must be 75 degrees Fahrenheit.

(A) A RCF must provide heating systems capable of maintaining 70 degrees Fahrenheit in resident areas. Required minimum temperatures are

# ADMINISTRATIVE RULES

no less than 70 degrees Fahrenheit during the day and 60 degrees Fahrenheit during sleeping hours.

(B) During times of extreme summer heat, fans must be made available when air conditioning is not provided.

(b) EXHAUST SYSTEMS. All toilet and shower rooms must be equipped with a mechanical exhaust fan or central exhaust system that discharges to the outside.

(c) FIREPLACES, FURNACES, WOODSTOVES, AND BOILERS. Where used, installation must meet standards of the building codes in effect at the time of construction. The glass and area surrounding the fireplace must not exceed 120 degrees Fahrenheit.

(d) WALL HEATERS. Covers, grates, or screens of wall heaters and associated heating elements may not exceed 120 degrees Fahrenheit when they are installed in locations that are subject to incidental contact by people or with combustible material. Effective 01/15/2014, wall heaters are not acceptable in new construction or remodeling.

(9) PLUMBING SYSTEMS. Plumbing systems must conform to the building codes in effect at the time of facility construction.

(a) Hot water temperature in residents' units must be maintained within a range of 110 - 120 degrees Fahrenheit.

(b) Hot water temperatures serving dietary areas must meet OAR 333-150-0000 (Food Sanitation Rules).

(c) An outside area drain and hot and cold water hose bibs must be provided for sanitizing laundry carts, food carts, and garbage cans.

## (10) ELECTRICAL REQUIREMENTS.

(a) WIRING SYSTEMS. All wiring systems must meet the building codes in effect at the date of installation and shall be maintained and in good repair.

(b) The use of extension cords and other special taps is not allowed.

(c) LIGHTING. Lighting fixtures must be provided in each resident bedroom and bathroom, and be switchable and near the entry door.

(A) Each resident bedroom must have illumination of at least 20-foot candles measured at three feet above the floor for way finding from the room entrance, to each bed, and to the adjoining toilet room, if one exists.

(B) Lighting in toilet rooms and bathing facilities used by residents must be at least 50-foot candles, measured at the hand wash sink and three feet above the shower floor with the curtain open.

(C) Corridor lighting must equal a minimum of 20-foot candles measured from the floor.

(D) Table height lighting in dining rooms must equal a minimum of 25-foot candles, without light from windows.

(11) CALL SYSTEM. A RCF must provide a call system that connects resident units to the care staff center or staff pagers. Wireless call systems are allowed.

(a) A manually operated emergency call system must be provided in each toilet and bathing facility used by residents and visitors.

(b) EXIT DOOR ALARMS. An exit door alarm or other acceptable system must be provided for security purposes and to alert staff when residents exit the RCF. The door alarm system may be integrated with the call system.

(c) Security devices intended to alert staff of an individual resident's potential elopement may include, but not be limited to, electronic pendants, bracelets, pins.

(12) TELEPHONES. Adequate telephones must be available for resident, staff, and visitor use, including those individuals who have physical disabilities. If the only telephone is located in a staff area, it must be posted that the telephone is available for normal resident-use at any time and that staff shall ensure the resident's uninterrupted privacy. Staff may provide assistance when necessary or requested.

(13) TELEVISION ANTENNA OR CABLE SYSTEM. A RCF must provide a television antenna or cable system with an outlet in each resident unit.

## 411-054-0300

### Assisted Living Facility Building Requirements

An assisted living facility (ALF), as defined by OAR 411-054-0005, shall be built to the following requirements and have individual living units that have a lockable door, private bathroom, and kitchenette.

(1) Applicability for 411-054-0300 shall apply to the following:

(a) An ALF not licensed prior to 01/15/2015; or

(b) A major alteration to an ALF for which plans were not submitted to Facilities, Planning, and Safety prior to 01/15/2015;

(c) OAR 411-054-0300 shall apply only to the major alteration and shall not apply to any other area of the facility.

(2) BUILDING CODES. Each ALF must meet the requirements of the facility standards set forth in these rules and with the building codes in effect at the time of original licensure.

(a) Subsequent modifications made to an ALF after original licensure, including, but not limited to, demolition, remodeling, construction, maintenance, repair, or replacement must comply with all applicable state and local building, electrical, plumbing, and zoning codes in place at the time of the modification.

(b) If a change in use and building code occupancy classification occurs, license approval shall be contingent on meeting the requirements of the building codes.

(c) An ALF must comply with FPS program requirements for submission of building drawings and specifications as described in OAR 333-675-0000 through 333-675-0050.

## (3) GENERAL BUILDING EXTERIOR.

(a) All exterior pathways and accesses to the ALF's common-use areas, entrance, and exit ways must be made of hard, smooth material, be accessible, and maintained in good repair.

(b) An ALF must take measures to prevent the entry of rodents, flies, mosquitoes, and other insects. There must be locked storage for all poisons, chemicals, rodenticides, and other toxic materials. All materials must be properly labeled.

(c) ALF grounds must be kept orderly and free of litter and refuse. Garbage must be stored in covered refuse containers.

(d) As described in OAR chapter 411, division 057, memory care communities licensed as an ALF must be located on the ground floor.

(e) An ALF must provide storage for all maintenance equipment, including yard maintenance tools, if not provided by third party contract.

(f) An ALF must provide an accessible outdoor recreation area. The outdoor recreation area must be available to all residents. Lighting must be equal to a minimum of five foot candles. Memory care communities must provide residents with direct access to a secure outdoor recreation area as described in OAR chapter 411, division 57.

(g) Outdoor perimeter fencing may not be secured to prevent exit unless the ALF has received written approval from the Department or the ALF is in compliance with OAR chapter 411, division 57 (Memory Care Communities) or OAR 309-032-1500 through 309-032-1565 (Enhanced Care Services).

(h) An ALF must have an entry and exit drive to and from the main building entrance that allows for a vehicle to pick up and drop off residents and mail deliveries without the need for vehicles to back up.

(4) GENERAL BUILDING INTERIOR. The design of an ALF must emphasize a residential appearance while retaining the features required to support special resident needs as outlined in this rule.

(a) RECEPTION AREA. A reception area must be visible and accessible to residents and visitors when entering the doors of the main entrance to the ALF.

(b) CORRIDORS. Resident-use areas and units must be connected through temperature controlled common corridors.

(A) Resident-use corridors exceeding 20 feet in length to an exit or common-use area, must have a minimum width of 72 inches.

(B) Corridors shall not exceed 150 feet in length from any resident unit to a seating or other common-use area.

(C) Handrails must be installed at one or both sides of resident-use corridors.

## (c) FLOORS.

(A) Hard surface floors and base must be free from cracks and breaks.

(B) Carpeting and other floor materials must be constructed and installed to minimize resistance for passage of wheelchairs and other ambulation aids.

(C) Thresholds and floor junctures must be maintained to allow for the passage of wheelchairs and to prevent a tripping hazard.

(d) INTERIOR DOORS. Lever-type door handles must be provided on all doors used by residents.

(e) EXIT DOORS. Exit doors may not include locks that delay evacuation except as specified by building codes. Such locks may not be installed except with written approval of the Department.

(A) Exit doors may not include locks that prevent evacuation.

(B) If an electronic code must be entered to use an exit door that code must be clearly posted for residents, visitors, and staff use.

(f) WALLS AND CEILINGS. Walls and ceilings must be cleanable in kitchen, laundry, and bathing areas. Kitchen walls must be finished smooth per OAR 333-150-0000 (Food Sanitation Rules).

## ADMINISTRATIVE RULES

(g) **ELEVATORS.** An ALF with residents on more than one floor must provide at least one elevator that meets Oregon Elevator Specialty Code (OESC) requirements.

(h) The interior of the facility must be free from unpleasant odors.

(i) All interior and exterior materials and surfaces (e.g. floors, walls, roofs, ceilings, windows, and furniture) and all equipment necessary for the health, safety, and comfort of the resident must be kept clean and in good repair.

(5) **RESIDENT UNITS.** All resident units must be accessible per building codes. These apartments must have a lockable entry door with lever type handle, a private bathroom, and kitchenette facilities. Adaptable units are not acceptable.

(a) **UNIT DIMENSIONS.** New construction units must have a minimum of 220 net square feet, not including the bathroom. Units in pre-existing structures being remodeled must have a minimum of 160 square feet, not including the bathroom.

(b) **RESIDENT STORAGE SPACE.**

(A) Each unit must provide usable space totaling at least 100 cubic feet for resident clothing and belongings and include one clothes closet with a minimum of four linear feet of hanging space.

(B) The rod must be adjustable for reach ranges per building codes. In calculating useable space, closet height may not exceed eight feet and a depth of two feet.

(C) Kitchen cabinets must not be included when measuring storage space.

(D) A lockable storage space (e.g., drawer, cabinet, or closet) must be provided for the safekeeping of a resident's small valuable items and funds. Both the administrator and resident may have keys.

(c) **WINDOWS.**

(A) Each resident's living room and bedroom must have an exterior window that has an area at least one-tenth of the floor area of the room.

(B) Unit windows must be equipped with curtains or blinds for privacy and control of sunlight.

(C) Operable windows must be designed to prevent accidental falls when sill heights are lower than 36 inches and above the first floor.

(d) **DOORS.** Each unit must have an entry door that does not swing into the exit corridor.

(A) A locking device must be included that is released with action of the inside lever. Locks for the entry door must be individually keyed, master keyed, and a key supplied to the resident.

(B) The unit exit door must open to an indoor, temperature controlled, common-use area or common corridor.

(e) **BATHROOM.** The unit bathroom must be a separate room with a toilet, sink, a roll-in curbless shower, towel bar, toilet paper holder, mirror, and storage for toiletry items.

(A) The door to the bathroom must open outward or slide into the wall.

(B) Showers must have a slip-resistant floor surface in front of roll-in showers, a hand-held showerhead, cleanable shower curtains, and appropriate grab bar.

(f) **KITCHENS OR KITCHENETTES.** Each unit must have a kitchen area equipped with the following:

(A) A sink, refrigerator, and cooking appliance that may be removed or disconnected. A microwave is considered a cooking appliance.

(B) Adequate space for food preparation.

(C) Storage space for utensils and supplies.

(D) Counter heights may not be higher than 34 inches.

(6) **COMMON-USE AREAS.**

(a) **PUBLIC RESTROOMS.** There must be accessible public restrooms for visitor, staff, and resident-use, convenient to dining and recreation areas.

(A) The public restroom must contain a toilet, sink, waste container, and a hand drying means that cannot be reused.

(B) There must be a manually operated emergency call system in the public restrooms.

(b) **DINING AREA.** The building must have a dining area with the capacity to seat 100 percent of the residents. The dining area must provide 22 square feet per resident for seating, exclusive of service carts and other equipment or items that take up space in the dining area. This rule is exclusive of any separate private dining areas.

(c) **SOCIAL AND RECREATION AREAS.** An ALF must include lounge and activity areas for social and recreational-use totaling a minimum of 15 square feet per resident.

(d) **COOKING STOVE.** If a stove is provided in the activities or common-use area, and is available for resident-use, a keyed, remote switch, or other safety device must be provided to ensure staff control.

(e) **RESIDENT LAUNDRY FACILITIES.** Laundry facilities must be operable and at no additional cost to the resident. Resident laundry facilities must have at least one washer and dryer.

(f) **MAILBOX.** Each resident or unit must be provided a mailbox that meets US Postal Service requirements.

(7) **SUPPORT SERVICE AREAS.**

(a) **MEDICATION STORAGE.** An ALF must provide a secure space for medication storage, with access to a sink and cold storage in the same area. Space for necessary medical supplies and equipment must be provided.

(b) **HOUSEKEEPING AND SANITATION.**

(A) An ALF must have a secured janitor closet for storing supplies and equipment, with a floor or service sink.

(B) The wall base shall be continuous and coved with the floor, tightly sealed to the wall, and constructed without voids that can harbor insects or moisture.

(c) **LAUNDRY FACILITIES.** Laundry facilities may be located to allow for both resident and staff use when a time schedule for resident-use is provided and equipment is of residential type.

(A) If the primary laundry facility is not suitable for resident-use, an ALF must provide separate resident laundry facilities.

(B) Laundry facilities must be separate from food preparation and other resident-use areas.

(C) On-site laundry facilities, used by staff for facility and resident laundry, must have capacity for locked storage of chemicals and equipment.

(D) An ALF must provide covered or enclosed clean linen storage that may be on shelves or carts. Clean linens may be stored in closets outside the laundry area.

(E) The wall base of the laundry facilities must be continuous and coved with the floor, tightly sealed to the wall and constructed without voids that may harbor insects or moisture.

(d) **SOILED LINEN PROCESSING.** For the purpose of this rule, "soiled linens and soiled clothing," means linens or clothing contaminated by an individual's bodily fluids (for example, urine, feces, and blood).

(A) There must be a separate area with closed containers that ensure the separate storage and handling of soiled linens and soiled clothing. There must be space and equipment to handle soiled linen and soiled clothing processing needs that is separate from regular linen and clothing.

(B) Arrangement must provide a one-way flow of soiled linens and soiled clothing from the soiled area to the clean area and preclude potential for contamination of clean linens and clothing.

(C) The soiled linen area must include a flushing rim clinical sink with a handheld rinsing device and a hand wash sink or lavatory.

(D) When washing soiled linens and soiled clothing, washers must have a minimum rinse temperature of 140 degrees Fahrenheit unless a chemical disinfectant is used.

(E) Personnel handling soiled laundry must be provided with waterproof gloves.

(F) Covered or enclosed clean linen storage must be provided and may be on shelves or carts. Clean linens may be stored in closets outside the laundry area.

(G) The wall base of the laundry facilities must be continuous and coved with the floor, tightly sealed to the wall and constructed without voids that may harbor insects or moisture.

(e) **KITCHEN AND FOOD STORAGE.** An ALF must comply with OAR 333-150-0000 (Food Sanitation Rules), for food handling and primary meal preparation areas. Each ALF must have:

(A) Dry storage space, not subject to freezing, for a minimum one-week supply of staple foods.

(B) Refrigeration and freezer space at the proper temperature to store a minimum two days' supply of perishable foods.

(C) Storage for all dishware, utensils, and cooking utensils used by residents must meet OAR 333-150-0000 (Food Sanitation Rules).

(D) Storage for a mop, other cleaning tools, and supplies used for dietary areas. Such tools must be separate from those used in toilet rooms, resident rooms, and other support areas.

(E) A separate janitor closet or alcove with a floor or service sink and storage for cleaning tools and supplies.

(F) Storage in the food preparation area for garbage must be enclosed and separate from food storage.

(G) Storage must be available for cookbooks, diet planning information, and records.

# ADMINISTRATIVE RULES

Hist.: SPD 14-2007, f. 8-31-07, cert. ef. 11-1-07; SPD 13-2009, f. 9-30-09, cert. ef. 10-1-09; APD 1-2015, f. 1-14-15, cert. ef. 1-15-15

.....  
**Department of Human Services,  
Child Welfare Programs  
Chapter 413**

(H) All kitchen and food storage areas must have a wall base that is continuous and coved with the floor, tightly sealed to the wall, and constructed without voids that can harbor insects or moisture.

(8) HEATING AND VENTILATION SYSTEMS. An ALF must have heating and ventilation systems that comply with the building codes in effect at the time of facility construction.

(a) TEMPERATURE. For all areas occupied by residents, design temperature for construction must be 75 degrees Fahrenheit.

(A) An ALF must provide heating systems capable of maintaining 70 degrees Fahrenheit in resident areas. Required minimum temperatures are no less than 70 degrees Fahrenheit during the day and 60 degrees Fahrenheit during sleeping hours.

(B) During times of extreme summer heat, fans must be made available when air conditioning is not provided.

(C) Each unit must have individual thermostatic heating controls.

(b) EXHAUST SYSTEMS. All toilet and shower rooms must be equipped with a mechanical exhaust fan or central exhaust system that discharges to the outside.

(c) WALL HEATERS. Covers, grates, or screens of wall heaters and associated heating elements may not exceed 120 degrees Fahrenheit when they are installed in locations that are subject to incidental contact by individuals or with combustible material. Effective 01/15/2015 wall heaters are not acceptable in new construction or remodeling.

(d) VENTILATION. Ventilation in each unit must occur via an open window to the outside, or with a mechanical venting system capable of providing two air changes per hour with one-fifth of the air supply taken from the outside.

(9) PLUMBING SYSTEMS. Plumbing systems must conform to the building codes in effect at the time of facility construction.

(a) Hot water temperature in residents' units must be maintained within a range of 110 - 120 degrees Fahrenheit.

(b) Hot water temperatures serving dietary areas must meet OAR 333-150-0000 (Food Sanitation Rules).

(c) An outside area drain and hot and cold water hose bibs must be provided for sanitizing laundry carts, food carts, and garbage cans.

(10) ELECTRICAL SYSTEMS.

(a) WIRING SYSTEMS. All wiring systems must meet the building codes in effect at the date of installation and devices shall be maintained and in good repair.

(b) The use of extension cords and other special taps is not allowed.

(c) LIGHTING. Each unit must have general illumination in the bath, kitchen, living space, and sleeping area. The general lighting intensity in the unit for way finding must be at least 20-foot candles measured from the floor.

(A) Lighting in the unit bathroom must be at least 50-foot candles measured from the height of the hand-wash basin and three feet above the shower floor with the curtain open.

(B) Task lighting at the unit food preparation or cooking area must be at least 50-foot candles measured from counter height.

(C) Corridor lighting must equal a minimum of 20-foot candles measured from the floor.

(D) Table height lighting in the dining room must equal a minimum of 25-foot candles without light from windows.

(11) CALL SYSTEM. An ALF must provide a call system that connects resident units to the care staff center or staff pagers. Wireless call systems are allowed.

(a) A manually operated emergency call system must be provided at each resident bathroom, central bathing rooms, and public-use restrooms.

(b) EXIT DOOR ALARMS. Exit door alarms or other acceptable systems must be provided for security purposes and to alert staff when residents exit the ALF. The door alarm system may be integrated with the call system.

(c) Security devices intended to alert staff of an individual resident's potential elopement may include, but not be limited to, electronic pendants, bracelets, pins.

(12) TELEPHONES.

(a) RESIDENT PHONES. Each unit must have at least one telephone jack to allow for individual phone service.

(b) PUBLIC TELEPHONE. There must be an accessible local access public telephone in a private area that allows a resident or another individual to conduct a private conversation.

(13) TELEVISION ANTENNA OR CABLE SYSTEM. An ALF must provide a television antenna or cable system with an outlet in each resident unit.

**Rules Repealed:** 413-015-0115(T), 413-015-0409(T), 413-015-0415(T), 413-015-0420(T), 413-015-0432(T), 413-015-0540(T), 413-015-1105(T), 413-015-9040(T), 413-200-0414(T)

**Subject:** The Department of Human Services, Office of Child Welfare Programs, is making rule changes to clarify, assure consistency with, and correct errors in rules that were adopted effective May 27, 2014, which implemented a Differential Response (DR) system in Oregon and updated the Oregon Safety Model (OSM) practice. These rule changes make permanent temporary rules that were adopted effective July 1, 2014, and include additional changes. Specifically:

OAR 413-015-0115, which defines terms used in Child Protective Services (CPS) rules, is amended to: (1) revise the definition of "conditions for return" to clarify that they are only used with ongoing safety plans; (2) change the definition of "domestic violence" so it is not limited to individuals age 18 and over; and (3) correct the definition of "safe" to accurately state that safe means the absence of any threats.

OAR 413-015-0400 about the purpose of the CPS assessment rules is amended to clarify that conditions for return are only used with ongoing safety plans, not initial safety plans.

OAR 413-015-0409 about exceptions to completing CPS assessment activities is amended to remove a requirement that no longer applies under the Department's current electronic information system.

OAR 413-015-0415 about CPS assessment activities is amended to make the language in paragraph (10)(b)(B) consistent with changes to ORS 419B.023(4)(a) made by Oregon Laws 2014, Chapter 45, Section 42 (Senate Bill 1548), which became effective July 1, 2014.

OAR 413-015-0420 about making initial contact in a CPS assessment is amended to make language internally consistent. Changes to paragraph (2)(c)(B) that went into effect May 27, 2014, refer to a decision to delay interview of an alleged perpetrator; these amendments make the language in the same sentence about documenting the decision consistent.

OAR 413-015-0432 about developing safety plans is amended to: (1) remove the redundant requirement that all types of safety plans explain how they are the least intrusive means to effectively manage the identified threat; (2) remove the requirement that all types of safety plans include conditions for return, which only apply to ongoing safety plans; and (3) correct an error. Section (6)(d) of the rule requires that an exception granted under subsection (2)(g) of the rule be documented; the exception was removed from subsection (2)(g) effective May 27, 2014, but the documentation requirement was inadvertently left in the rule.

OAR 413-015-0450 about ongoing safety plans is amended to add the requirement (removed from 413-015-0432) that the plan include conditions for return, and to clarify that the worker need only reevaluate an initial safety plan to determine if it is appropriate and sufficient as an ongoing safety plan, and would not reevaluate a pro-

# ADMINISTRATIVE RULES

tective action plan for that purpose, consistent with other OSM rule changes that went into effect May 27, 2014.

OAR 413-015-0540 about making initial contact in an investigation of abuse or neglect in a day care facility is amended to make the language regarding assessment of safety consistent with other OSM rule changes that went into effect May 27, 2014.

OAR 413-015-1105, which describes the purpose of the rules about Access to Law Enforcement Data System (LEDS) in Local Child Welfare Offices, is amended to make the language about threats consistent with other OSM rule changes that went into effect May 27, 2014.

OAR 413-015-9030 about CPS screening in counties that are implementing DR is amended to: (1) provide that a traditional response assessment is required when there is a new report on an open Department case with an identified impending danger safety threat; (2) limit the requirement that the screener consult with a supervisor when the screener determines a traditional response assessment is required to report in which there is an open alternative response assessment; and (3) require that a “within 24 hours” response time line is required for an alternative response assessment when the information indicates that a child has a current injury as a result of the alleged abuse or neglect.

OAR 413-015-9040 about CPS assessments in counties that are implementing DR is amended to clarify that conditions for return are only used with ongoing safety plans, not initial safety plans, to clarify that a community partner or support person may accompany the worker on initial contact, and to correct an error. When this rule was adopted effective May 27, 2014, an exception to determining if the family has moderate to high needs when the family is a Department-certified foster parent or relative caregiver was not included but should have been included, consistent with the rule about CPS assessments that applies in counties that are not implementing DR.

OAR 413-200-0414 about Department actions during screening of reports of abuse or neglect in the home of a Department-certified foster parent or relative caregiver is amended to update the agencies to which information is provided, and with whom the Department response is coordinated, when the young adult victim has a physical, developmental, or mental disability, consistent with changes to the CPS screening and assessment rules that went into effect May 27, 2014.

In addition, minor edits were made to the above rules to reflect new Department terminology and to correct formatting and punctuation.

**Rules Coordinator:** Kris Skaro—(503) 945-6067

## 413-015-0115

### Definitions

Unless the context indicates otherwise, these terms are defined for use in OAR chapter 413, division 015:

(1) “Caregiver” means a guardian, legal custodian, or other person acting in loco parentis, who exercises significant authority over and responsibility for a child.

(2) “Child” means a person under 18 years of age.

(3) “Child abuse or neglect” means any form of abuse, including abuse through neglect and abuse or neglect by a third party, of a person under age 18.

(4) “Child protective services” (CPS) means a specialized social service program that the Department provides on behalf of children who may be unsafe after a report of child abuse or neglect is received.

(5) “Child protective services assessment” (CPS assessment) means an investigation into a report of child abuse pursuant to ORS 419B.020, that includes activities and interventions to identify and analyze threats to child safety, determine if there is reasonable cause to believe child abuse or neglect occurred, and assure child safety through protective action plans, initial safety plans, or ongoing safety planning.

(6) “Child protective services supervisor” (CPS supervisor) means an employee of the Department trained in child protective services and designated as a supervisor.

(7) “Child protective services worker” (CPS worker) means an employee of the Department who has completed the mandatory Department training for child protective service workers.

(8) “Child Safety Meeting” means a meeting held at the conclusion of a CPS assessment for the purpose of developing an ongoing safety plan.

(9) “Children’s Care Provider” (CCP) means a DHS-licensed Residential Care Agency, Day Treatment Program, Foster Care Agency, Therapeutic Boarding School, or Outdoor Youth Program that has assumed responsibility for all or a portion of the care of a child. The term includes the CCP’s employees, agents, contractors and their employees, and volunteers.

(10) “Conditions for return” means a written statement of the specific behaviors, conditions, or circumstances that must exist within a child’s home before a child can safely return and remain in the home with an in-home ongoing safety plan.

(11) “Day Care Facility” means each of the following:

(a) A Registered Family Child Care Home, which is the residence of a provider who has a current Family Child Care Registration at that address and who provides care in the family living quarters.

(b) A Certified Family Child Care Home, which is a child care facility located in a building constructed as a single family dwelling that has certification to care for a maximum of 16 children at any one time.

(c) A Certified Child Care Center, which is certified to care for 13 or more children, or a facility that is certified to care for twelve or fewer children and located in a building constructed as other than a single family dwelling.

(d) A Listed Facility, which is a child care provider that is exempt from Office of Child Care licensing and that receives subsidy payments for child care on behalf of clients of the Department of Human Services.

(12) “Department” means the Department of Human Services, Child Welfare.

(13) “Department response” means how the Department intends to respond to information that a child is unsafe after a report of alleged abuse or neglect is received.

(14) “Designated medical professional” means (as described in ORS 418.747(9)) a physician, physician assistant, or nurse practitioner who has been designated by the local multi-disciplinary team and trained to conduct child abuse medical assessments (as defined in ORS 418.782), and who is — or who may designate another physician, physician assistant, or nurse practitioner who is — regularly available to conduct these medical assessments.

(15) “Domestic violence” means a pattern of coercive behavior, which can include physical, sexual, economic, and emotional abuse that an individual uses against a past or current intimate partner to gain power and control in a relationship.

(16) “Face-to-face” means an in-person interaction between individuals.

(17) “Former foster child” means a person under 21 years of age who was in substitute care at or after 16 years of age, including substitute care provided by federally recognized tribes, and had been in substitute care for at least 180 cumulative days after 14 years of age.

(18) “Guardian” means an individual who has been granted guardianship of a child through a judgment of the court.

(19) “Harm” means any kind of impairment, damage, detriment, or injury to a child’s physical, sexual, psychological, cognitive, or behavioral development or functioning. “Harm” is the result of child abuse or neglect and may vary from mild to severe.

(20) “ICWA” means the Indian Child Welfare Act.

(21) “Impending danger safety threat” means a family behavior, condition, or circumstance that meets all five safety threshold criteria. A threat to a child that is not immediate, obvious, or occurring at the onset of the CPS intervention. This threat is identified and understood more fully by evaluating and understanding individual and family functioning.

(22) “Initial contact” means the first face-to-face contact between a CPS worker and a family. The initial contact includes face-to-face contact with the alleged child victim, his or her siblings, parent or caregiver, and other children and adults living in the home; accessing the home environment; and gathering sufficient information on the family conditions and functioning to determine if present danger safety threats or impending danger safety threats exist.

(23) “Initial safety plan” means a documented set of actions or interventions sufficient to protect a child from an impending danger safety threat in order to allow for completion of the CPS assessment.

(24) “Moderate to high needs” means observable family behaviors, conditions, or circumstances that are occurring now; and over the next year without intervention, are likely to have a negative impact on a child’s physical, sexual, psychological, cognitive, or behavioral development or functioning. The potential negative impact is not judged to be severe. While

# ADMINISTRATIVE RULES

intervention is not required for the child to be safe, it is reasonable to determine that short-term, targeted services could reduce or eliminate the likelihood that the negative impact will occur.

(25) "Multi-disciplinary team" (MDT) means a county child abuse investigative team as defined in ORS 418.747.

(26) "Observable" means specific, real, can be seen and described. Observable does not include suspicion or gut feeling.

(27) "Ongoing safety plan" means a documented set of actions or interventions that manage a child's safety after the Department has identified one or more impending danger safety threats at the conclusion of a CPS assessment or anytime during ongoing work with a family.

(28) "Out of control" means family behaviors, conditions, or circumstances that can affect a child's safety are unrestrained, unmanaged, without limits or monitoring, not subject to influence or manipulation within the control of the family, resulting in an unpredictable and chaotic family environment.

(29) "Personal representative" means a person who is at least 18 years of age and is selected to be present and supportive during the CPS assessment by a child who is the victim of a person crime as defined in ORS 147.425 and is at least 15 years of age at the time of the crime. The personal representative may not be a person who is a suspect in, party or witness to, the crime.

(30) "Pre-adoptive family" means an individual or individuals who:

(a) Has been selected to be a child's adoptive family; and

(b) Is in the process of legalizing the relationship to the child through the judgment of the court.

(31) "Present danger safety threat" means an immediate, significant, and clearly observable family behavior, condition, or circumstance occurring in the present tense, already endangering or threatening to endanger a child. The family behavior, condition, or circumstance is happening now and it is currently in the process of actively placing a child in peril.

(32) "Private child-caring agency" is defined in ORS 418.205, and means a "child-caring agency" that is not owned, operated, or administered by any governmental agency or unit.

(a) A "child-caring agency" means an agency or organization providing:

(A) Day treatment for disturbed children;

(B) Adoption placement services;

(C) Residential care, including but not limited to foster care or residential treatment for children;

(D) Outdoor youth programs as defined in OAR 413-215-0911; or

(E) Other similar services for children.

(b) A "child-caring agency" does not include residential facilities or foster care homes certified or licensed by the Department under ORS 443.400 to 443.455, 443.830, and 443.835 for children receiving developmental disability services.

(33) "Protective action plan" means an immediate, same day, short-term plan, lasting a maximum of ten calendar days, sufficient to protect a child from a present danger safety threat.

(34) "Protective capacity" means behavioral, cognitive, and emotional characteristics that can specifically and directly be associated with a person's ability and willingness to care for and keep a child safe.

(35) "Protective custody" means custody authorized by ORS 419B.150.

(36) "Reasonable suspicion" means a reasonable belief given all of the circumstances, based upon specific and describable facts, that the suspicious physical injury may be the result of abuse. Explanation: The belief must be subjectively and objectively reasonable. In other words, the person subjectively believes that the injury may be the result of abuse, and the belief is objectively reasonable considering all of the circumstances. The circumstances that may give rise to a reasonable belief may include, but not be limited to, observations, interviews, experience, and training. The fact that there are possible non-abuse explanations for the injury does not negate reasonable suspicion.

(37) "Referral" means a report that has been assigned for the purpose of CPS assessment.

(38) "Report" means an allegation of child abuse or neglect provided to the Department that the screener evaluates to determine if it constitutes a report of child abuse or neglect as defined in ORS 419B.005.

(39) "Reporter" means an individual who makes a report.

(40) "Safe" means there is an absence of present danger safety threats and impending danger safety threats.

(41) "Safety service provider" means a participant in a protective action plan, initial safety plan, or ongoing safety plan whose actions, assistance, or supervision help a family in managing a child's safety.

(42) "Safety services" mean the actions, assistance, and supervision provided by safety service providers to manage the identified present danger safety threats or impending danger safety threats to a child.

(43) "Safety threshold" means the point at which family behaviors, conditions, or circumstances are manifested in such a way that they are beyond being risk influences and have become an impending danger safety threat. In order to reach the "safety threshold" the behaviors, conditions, or circumstances must meet all of the following criteria: be imminent, be out of control, affect a vulnerable child, be specific and observable, and have potential to cause severe harm to a child. The "safety threshold" criteria are used to determine the presence of an impending danger safety threat.

(44) "School administrator" means the principal, vice principal, assistant principal, or any other person performing the duties of a principal, vice principal, or assistant principal at a school, as defined in the Teacher Standards and Practices Commission (TSPC) OAR 584-005-0005.

(45) "Screener" means a Department employee with training required to provide screening services.

(46) "Screening" means the process used by a screener to determine the Department response when information alleging abuse or neglect is received.

(47) "Severe harm" means:

(a) Significant or acute injury to a child's physical, sexual, psychological, cognitive, or behavioral development or functioning;

(b) Immobilizing impairment; or

(c) Life threatening damage.

(48) "Substance" means any controlled substance as defined by ORS 475.005, prescription medications, over-the-counter medications, or alcoholic beverages.

(49) "Suspicious physical injury" (as defined in ORS 419B.023) includes, but is not limited to:

(a) Burns or scalds;

(b) Extensive bruising or abrasions on any part of the body;

(c) Bruising, swelling, or abrasions on the head, neck, or face;

(d) Fractures of any bone in a child under the age of three;

(e) Multiple fractures in a child of any age;

(f) Dislocations, soft tissue swelling, or moderate to severe cuts;

(g) Loss of the ability to walk or move normally according to the child's developmental ability;

(h) Unconsciousness or difficulty maintaining consciousness;

(i) Multiple injuries of different types;

(j) Injuries causing serious or protracted disfigurement or loss or impairment of the function of any bodily organ; or

(k) Any other injury that threatens the physical well-being of the child.

(50) "Teacher" means (as defined in TSPC OAR 584-005-0005) a licensed or registered employee in a public school or charter school, or employed by an education service district, who has direct responsibility for instruction, coordination of educational programs, or supervision or evaluation of teachers; and who is compensated for services from public funds.

(51) "Third-party abuse" means abuse by a person who is not the child's parent, not the child's caregiver or other member of the child's household, and not a person responsible for the child's care, custody, and control. Examples of persons who could be considered as a third-party under this definition include school personnel, day-care providers, coaches, and church personnel.

(52) "Unsafe" means the presence of a present danger safety threat or an impending danger safety threat.

(53) "Vulnerable child" means a child who is unable to protect him or herself. This includes a child who is dependent on others for sustenance and protection. A "vulnerable child" is defenseless, exposed to behaviors, conditions, or circumstances that he or she is powerless to manage, and is susceptible and accessible to a threatening parent or caregiver. Vulnerability is judged according to physical and emotional development, ability to communicate needs, mobility, size, and dependence.

# ADMINISTRATIVE RULES

## 413-015-0400

### Purpose and Overview of the CPS Assessment Rules

(1) These rules, OAR 413-015-0400 to 413-015-0485, describe the activities required to sufficiently complete a CPS assessment.

(2) Completing a CPS assessment involves the following:

(a) Making face-to-face contact with the alleged victim, his or her siblings, his or her parent or caregiver, including the non-custodial legal parent, other children and adults living in the home, and the alleged perpetrator;

(b) Accessing the home environment;

(c) Gathering safety-related information through interviews and observation;

(d) Determining if there is a present danger safety threat;

(e) Determining if there is an impending danger safety threat by applying the safety threshold criteria:

(A) Imminent;

(B) Observable;

(C) Vulnerable child;

(D) Out of control; and

(E) Severity

(f) Developing a protective action plan when a child is determined to be unsafe due to a present danger safety threat;

(g) Developing an initial safety plan when a child is determined to be unsafe due to an impending danger safety threat;

(h) Developing an ongoing safety plan when a child is determined to be unsafe from an impending danger safety threat at the conclusion of a CPS assessment;

(i) Determining whether the initial safety plan or ongoing safety plan is the least intrusive plan sufficient to manage child safety by identifying how the impending danger safety threat is occurring and applying the in-home safety plan criteria;

(j) Developing conditions for return when an out-of-home ongoing safety plan is established;

(k) Determining whether a family has moderate to high needs when a child is determined to be safe;

(l) Offering and, if appropriate, referring a family with moderate to high needs to available non-contracted community services; and

(m) Determining if there is reasonable cause to believe that child abuse or neglect has occurred.

Stat. Auth.: ORS 418.005

## 413-015-0409

### Exception to Completing CPS Assessment Activities

(1) The only exception to completing the CPS assessment activities required by these rules (OAR 413-015-0400 to 413-015-0485) on an assigned referral is when a CPS worker, in consultation with a CPS supervisor or designee, determines prior to the initial contact (see OAR 413-015-0420) that the referral does not require a CPS assessment because:

(a) The referral was opened in error; or

(b) There is no longer an allegation of abuse or neglect. The CPS worker received information after being assigned the referral and that information in combination with the corresponding screening report no longer constitutes a report of child abuse or neglect as defined in ORS 419B.005. This exception may be used only when the CPS worker and the CPS supervisor or designee determine the information:

(A) Is not from the alleged perpetrator;

(B) Relates directly to and specifically negates all allegations in the screening report; and

(C) Is considered on the basis of the objectivity of the individual providing the information and the quality of the information.

(2) The exception in section (1) of this rule is not permitted and a CPS assessment must be completed when the CPS worker has already made contact with the parent, caregiver, or alleged victim, unless the parent, caregiver, or alleged victim is the original reporter.

(3) The CPS worker must document the determination in the Department's electronic information system and explain the basis for the determination that a CPS assessment is not necessary.

## 413-015-0415

### CPS Assessment Activities

The required CPS assessment activities are outlined below. The activities are described in a logical order in these rules, but the order in which they occur is controlled by the specific circumstances in a given case.

(1) Review Records.

(a) The assigned CPS worker must:

(A) Thoroughly review the documentation in the referral;

(B) Thoroughly review the paper and electronic records maintained by the Department for historical information on the family and the child that may be useful in completing the CPS assessment;

(C) Thoroughly review available Self-Sufficiency records; and

(D) Make diligent efforts to contact another state's child welfare agency to obtain records, if any, when the CPS worker has information that the family has lived in another state.

(b) The CPS worker must review the documents to identify information related to:

(A) Present danger safety threats or impending danger safety threats;

(B) History or a pattern of abuse or neglect;

(C) Child and family support systems and protective capacity; and

(D) Worker safety.

(2) Addressing Prior Allegations That Have Not Been Assessed Because the Department was Unable to Locate the Family. The assigned CPS worker must address in the current assessment any allegations not previously assessed because the Department was unable to locate the family as follows:

(a) Discuss the prior unassessed allegations during interviews;

(b) Consider all information about prior unassessed allegations when determining child safety; and

(c) Document the consideration of prior unassessed allegations in interviews, observations, and dispositional findings.

(3) Contact Collateral Sources.

(a) The CPS worker must contact collateral sources who can clarify or supplement the information in the referral and in records already reviewed.

(A) The CPS worker must contact the assigned Self-Sufficiency worker, if any.

(B) The CPS worker may contact other collateral sources including, but not limited to:

(i) Individuals who have regular contact with the child;

(ii) Doctors or others who have evaluated or maintain records on the child;

(iii) People who are in an established personal or professional relationship with the parent or caregiver and who can judge the quality and nature of the parent or caregiver behavior and functioning; and

(iv) People who have records or information about the parent or caregiver as a result of their involvement with, or exposure to, the parent or caregiver.

(b) The CPS worker must gather information from collateral sources throughout the CPS assessment.

(c) The CPS worker must:

(A) Protect the identity of collateral sources to the extent possible.

(B) Consult with the district attorney or the assistant attorney general to obtain a court order for records from a collateral source, if the source is unable or unwilling to share information with the Department.

(4) Consult with CPS Supervisor.

(a) The CPS worker must consult with a CPS supervisor or designee:

(A) When the CPS worker has reasonable cause to believe the alleged perpetrator is an employee of any program, office, or division of the Department of Human Services or Oregon Youth Authority (OYA);

(B) When a referral involves the home of a Department certified foster parent or relative caregiver;

(C) When a referral involves allegations that child abuse or neglect occurred in a private child-caring agency;

(D) When a CPS worker receives notification from a screener that a closed at screening or new referral was created on an open CPS assessment;

(E) Prior to a decision to place a child in protective custody, or after placement if consultation before placement will delay the safety intervention;

(F) Prior to initiating court action, or after initiating court action if consultation before will delay the safety intervention;

(G) Prior to developing an initial safety plan with a Department certified foster parent or relative caregiver;

(H) When the referral involves a child fatality;

## ADMINISTRATIVE RULES

(I) When making a disposition in a complicated or sensitive situation or case; or

(J) When closing an assessment with the disposition of “unable to locate”.

(b) Subject to the discretion of the CPS supervisor, the CPS worker will consult with a CPS supervisor or designee at additional key points during the assessment, such as:

(A) Before making initial contact with the family; or

(B) When a referral indicates potential danger to the worker.

(5) Contact and Work with Other Entities. The CPS worker may need to work with representatives of other entities to gather and analyze safety-related information, develop a sufficient protective action plan, initial safety plan, or ongoing safety plan, and to complete the CPS assessment.

(a) The CPS worker may, as appropriate, notify or consult with other Department of Human Services programs or other agencies, including but not limited to the Office of Vocational Rehabilitation Services and Animal Control.

(b) The CPS worker must report to or contact and work with other entities as follows:

(A) Office of Child Care. The CPS worker must notify and coordinate with the Compliance Unit of the Office of Child Care when a report involves a registered day-care home or a licensed day-care center, as required by ORS 419B.020(1).

(B) Oregon Youth Authority (OYA). The CPS worker must notify OYA when the allegation involves an OYA certified foster home.

(C) Office of Adult Abuse Prevention and Investigation (OAAPI). The CPS worker must notify the OAAPI when an allegation involves a child with intellectual or developmental disabilities in a residential group home licensed by the Office of Developmental Disabilities Services.

(D) Office of Licensing and Regulatory Oversight. The CPS worker must notify the Office of Licensing and Regulatory Oversight Children’s Care Licensing Unit when the allegation involves a licensed private child-caring agency which is not a Children’s Care Provider (CCP).

(E) Community Mental Health Program, Community Developmental Disabilities Program, or Adult Protective Services. The CPS worker must make a report to the Community Mental Health Program, Community Developmental Disabilities Program, or the local Adult Protective Service office when the CPS worker has reasonable cause to believe:

(i) That any person 18 years of age or older with a mental illness, a developmental disability or a physical disability, or any person 65 years of age or older, with whom the CPS worker comes into contact while acting in an official capacity, has suffered abuse.

(ii) That any person with whom the CPS worker comes into contact, while acting in an official capacity, has abused a person 18 years of age or older with a mental illness, a developmental disability or a physical disability, or any person 65 years of age or older.

(F) Indian Tribes. If the CPS worker knows or has reason to know that the child is an Indian child, the CPS worker must give notice within 24 hours to the Indian child’s tribe that a CPS assessment is being conducted unless the screener documented completion of this notification in the referral.

(G) Probation and Parole. The CPS worker must contact probation and parole when the allegation involves a parent or caregiver, or alleged perpetrator who is supervised by probation or parole.

(H) Law Enforcement. If the screener did not cross report, the CPS worker must contact one or more law enforcement agencies (LEA) in accordance with the protocols of the local MDT agreement and in accordance with cross reporting rules, OAR 413-015-0300 to OAR 413-015-0310. When there is a joint response involving a CPS worker and LEA staff, the CPS worker is still responsible for all of the activities necessary to complete a CPS assessment which are summarized in OAR 413-015-0400. The CPS worker must, in consultation with a CPS supervisor, determine whether to coordinate assessment activities with LEA in the following situations:

(i) Presence of danger. When the CPS worker has information that indicates that the child is unsafe right now.

(ii) Family cooperation. When the CPS worker has information that the family may not allow the CPS worker to observe the alleged victim or other children in the home.

(iii) Protective custody. When the CPS worker has information that a child may need to be placed in protective custody for the child’s safety.

(iv) Child interview. When the CPS worker and the LEA officer must each interview a child, it is preferable to coordinate the interviews to reduce the number of interactions with the child.

(v) Worker safety. When the CPS worker has information that indicates the family behaviors, conditions, or circumstances could pose a danger to the CPS worker.

(vi) Crime committed. When the CPS worker suspects or receives a report that a crime may have been committed.

(I) Public or Private Schools. The CPS worker may interview a child at school when the worker believes it will be the best environment in which to assure a child’s safety when making contact with the child. ORS 419B.045 provides requirements for CPS investigations that are conducted on school premises. The CPS worker must do following:

(i) Notify the school administrator that a CPS assessment must be conducted. If the school administrator is a subject of the CPS assessment, then notification is not required.

(ii) Report to the school office, provide identification, inform school personnel of the CPS assessment, and provide the name of the child to be interviewed.

(iii) Request information from school personnel regarding the disabilities of the child, if any, prior to an interview with the affected child.

(iv) Interview the child out of the presence of other persons, unless the CPS worker believes the presence of a school employee or other person would facilitate the interview. If the CPS worker believes that a school employee does not need to be present, but the school employee insists on being present during the interview, the worker may confer with the CPS supervisor for assistance in handling the situation.

(v) Discuss further actions with the child at the conclusion of the interview.

(vi) Inform school personnel when the interview has been completed.

(vii) Inform school personnel if the child is taken into protective custody.

(viii) Inform school personnel that the CPS worker will notify parents of the interview.

(ix) Contact the CPS supervisor if school officials refuse to allow the assessment to take place on school property.

(J) Multi-Disciplinary Teams (MDTs). Department district managers must develop interagency agreements regarding assessment of child abuse and neglect, as necessary, with local MDTs. Requirements for MDT protocols are set out in ORS 418.747.

(6) Obtain Interpreters and Translation. The CPS worker must obtain the services of a competent interpreter and competent written translation service for families, including hearing-impaired family members, who have limited or no means of communicating in or reading English.

(7) Determine Indian Child Welfare Act (ICWA) Status and Comply with ICWA, if Applicable. The CPS worker must initiate the process to determine the child’s ICWA status and notify the Indian child’s tribe if ICWA applies. To initiate this process, the CPS worker must:

(a) Assure completion of a form CF 1270, “Verification of ICWA Eligibility”, to assist in determining ICWA eligibility.

(b) Contact the child’s tribe when an Indian child is the subject of a CPS assessment. Federally recognized tribes must be notified within 24 hours after information alleging abuse or neglect is received by the Department.

(c) If the Indian child is enrolled or eligible for enrollment in a federally recognized tribe, notify the child’s tribe if the child may be placed in protective custody.

(d) Consult with the local Department ICWA liaison, a supervisor, or the ICWA manager if the worker has questions regarding the involvement of a tribe or the ICWA status of a child.

(e) Make a diligent attempt to address the following when determining the placement resource:

(A) Contact the tribe’s social services department;

(B) Search for relative resources;

(C) Search for available Indian homes; and

(D) Contact other Indian tribes and other Indian organizations with available placement resources.

(f) Unless the Indian child’s tribe has established a different order of preference, comply with the ICWA placement preference, which is:

(A) Placement with a member of Indian child’s extended family.

(B) Placement with a foster family that is licensed, approved or specified by the Indian child’s tribe.

(C) Placement with an Indian foster home licensed or approved by an authorized non-Indian licensing authority.

(D) Placement with an institution for children approved by an Indian tribe or operated by an Indian organization which has a program suitable to meet the Indian child’s needs.

## ADMINISTRATIVE RULES

(8) Determine Refugee Status and Comply with the Refugee Children Act, if applicable. During a CPS assessment, the CPS worker must consider whether the child is a refugee child. Under ORS 418.925, a "refugee child" is a "person under 18 years of age who has entered the United States and is unwilling or unable to return to the person's country because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular group or political opinion, or whose parents entered the United States within the preceding 10 years and are or were unwilling or unable to return to their country because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular group or political opinion."

(a) If it appears that a child is a refugee child, the CPS worker must ask about the child or parents' country of origin, length of time the child or parents have been in the United States, reasons why the child or parents came to the United States, and ethnic and cultural information relevant to the child's status as a refugee. The CPS worker does not have to make a legal determination that the child and parent are refugees, but if the child or the parents indicate they are refugees, then the CPS worker must proceed as if they are, until or unless it is known that they are not refugees.

(b) The CPS worker may not take a refugee child into protective custody unless, in addition to the other requirements for taking a child into custody, the CPS worker determines that:

(A) Removal is necessary to prevent imminent serious emotional or physical harm to the child; and

(B) Reasonable efforts to alleviate the harm through remedial or preventive services do not alleviate the harm, have failed, or are not practical in an emergency situation.

(c) Unless it is a voluntary placement, no refugee child may remain in placement more than five days unless there has been a judicial determination, supported by clear and convincing evidence that:

(A) Preventative or remedial services provided by the Department have failed to alleviate the need for removal; and

(B) Return to the home will likely result in psychological or physical damage to the child.

(d) When a refugee child is placed in care, the juvenile court petition must include, in addition to the information required by ORS 419B.809, the following information:

(A) A specific and detailed account of the circumstances that led the Department to conclude that the child was in imminent danger of serious emotional or physical harm;

(B) Specific actions the Department has taken or is taking to alleviate the need for removal;

(C) Assurance that the Department has complied with placement preferences listed in ORS 418.937 and listed in subsection (e) of this section; and

(D) Assurance that the Department is making or has made diligent efforts to locate and give notice to all affected refugee family members and to the Refugee Child Welfare Advisory Committee that the petition has been filed.

(e) The CPS worker must consider the refugee child's culture and tradition when making any placement decision for a refugee child and, unless shown to be inappropriate and inconsistent with the best interests of the child, place the child with the following in order of preference:

(A) Natural parents.

(B) Extended family member.

(C) Members from the same cultural heritage.

(D) Persons with knowledge and appreciation of the child's cultural heritage.

(f) The CPS worker may determine that placement under subsection (e) of this section is inappropriate and inconsistent with the best interests of the child if:

(A) The preferred placement presents a threat to the child's safety;

(B) The extreme medical, physical, or psychological needs of the child cannot be met in the placement; or

(C) There is an informed request from either of the child's biological parents not to use a placement, if the request is consistent with stability, security, and the individual needs of the child.

(g) When a juvenile court petition is filed and a refugee child is placed in care, the CPS worker must staff the case with the Refugee Child Welfare Advisory Committee (RCWAC). The CPS worker must contact the International Case Consultant for the Department to arrange a time for the staffing. In preparation for the staffing, the CPS worker must:

(A) Invite the CPS supervisor to the staffing; and

(B) Be prepared to discuss the reasons for the CPS referral, the information indicating that family members are refugees, and their country of origin.

(9) Take Photographs. The CPS worker must, during the CPS assessment, take photographs and document, as necessary, child abuse or neglect and the observable nature of any present danger safety threat or impending danger safety threat.

(a) As provided in ORS 419B.028, a law enforcement officer or the CPS worker may take photographs for the purpose of documenting the child's condition at the time of the CPS assessment.

(b) As provided in ORS 419B.028, if the CPS worker conducting a CPS assessment observes a child who has suffered suspicious physical injury and the CPS worker is certain or has a reasonable suspicion that the injury is or may be the result of abuse, the CPS worker, in accordance with the protocols and procedures of the county multi-disciplinary team described in ORS 418.747, will immediately photograph or cause to have photographed the suspicious physical injuries. Regardless of whether the child has previously been photographed or assessed during a CPS assessment, the CPS worker will photograph or cause to be photographed any suspicious injuries if the CPS worker is certain or has a reasonable suspicion the suspicious injuries are the result of abuse:

(A) During the assessment of a new allegation of abuse; and

(B) Each time, during the assessment, an injury is observed that was not previously observed by the assigned CPS worker.

(c) When a child is photographed pursuant to subsection (b) of this section:

(A) The person taking the photographs or causing to have the photographs taken must, within 48 hours or by the end of the next regular business day, whichever occurs later:

(i) Provide hard copies or prints of the photographs and, if available, copies of the photographs in an electronic format to the designated medical professional; and

(ii) Place hard copies or prints of the photographs and, if available, copies of the photographs in an electronic format in the Department record labeled with the case name, case number, child's name, and date taken.

(B) If a county multidisciplinary team staffing of the case is held, photographs of the injury will be made available to each team member involved in the case staffing at the first meeting regarding the child's case.

(d) The CPS worker must document injuries, hazardous environments, and the observable nature of any present danger safety threat or impending danger safety threat in the assessment narrative by use of photographs, written description, or illustrations.

(e) Photographs of the anal or genital region may be taken only by medical personnel.

(10) Obtain Medical Assessment. The CPS worker must, during the CPS assessment as required in this section, facilitate a medical assessment of the child and obtain the child's medical history when necessary to assure child safety, determine treatment needs, reassure the child and family, or assist in analyzing safety-related information.

(a) When the CPS worker determines that the child is in need of a medical assessment as part of a CPS assessment, the CPS worker must consult with a CPS supervisor as soon as possible, but not at the expense of delaying medical treatment.

(b) If a person conducting an assessment under ORS 419B.020 observes a child who has suffered suspicious physical injury as defined in ORS 419B.023 and the person is certain or has a reasonable suspicion that the injury is or may be the result of abuse, the person must, in accordance with the protocols and procedures of the county multi-disciplinary team described in ORS 418.747, ensure that:

(A) A designated medical professional conducts a medical assessment within 48 hours of the observation of the suspicious physical injury, or sooner if dictated by the child's medical needs; or

(B) An available physician, physician assistant, or nurse practitioner conducts a medical assessment if, after reasonable efforts to locate a designated medical professional, a designated medical professional is not available to conduct a medical assessment within 48 hours. The CPS worker is required to document in the Department's electronic information system efforts to locate the designated medical professional when an available physician, physician assistant, or nurse practitioner is used.

(c) The CPS worker must facilitate an assessment by a medical professional if the alleged child abuse or neglect involves injury to the anal or genital region.

(d) When there are indications of severe physical trauma to the child, the CPS worker must make arrangements to immediately transport the child to a medical facility, which may include calling 911. The CPS worker must

# ADMINISTRATIVE RULES

also make arrangements for medical examination of a child for mild or moderate physical trauma.

(e) To make arrangements for the medical examination of a child, the CPS worker must do the following, unless completing the action would delay medical treatment for the child:

(A) Discuss with the parent or caregiver the need for medical examination or treatment.

(B) Ask the parent or caregiver to take the child to a medical facility for a medical examination or treatment.

(C) Request that the parent sign a form DHS 2099, "Authorization for Use and Disclosure of Information".

(D) Contact an LEA immediately and seek a juvenile court order to obtain protective custody of the child for the purpose of obtaining a medical examination or treatment when:

(i) The parent or caregiver refuses to obtain needed medical examination or treatment;

(ii) The parent or caregiver may flee with the child; or

(iii) Delaying medical examination or treatment could result in severe harm to the child.

(E) Immediately seek medical care and consultation when the child may have a life-threatening condition, or a deteriorating condition that may become life-threatening.

(F) As soon as possible and not later than 24 hours after learning of the exposure, make arrangements to have the child tested for chemical exposure to harmful substances when there is reason to believe a child has been exposed to dangerous chemicals such as those found in a chemical drug lab.

(f) When a report of suspected medical neglect of an infant with a disability and with life-threatening conditions is referred for CPS assessment, the assigned CPS worker must comply with Child Welfare Policy I-B.2.2.2, "Investigation of Suspected Medical Neglect-Infants", OAR 413-030-0600 to 413-030-0650.

(g) When it is medically indicated to subject a child in the custody of the Department to HIV testing, the CPS worker must comply with Child Welfare Policy I-B.5.1, "HIV Testing of Children in Custody and HIV Confidentiality", OAR 413-040-0400 to 413-040-0450.

(h) As provided in ORS 147.425, a child who is the victim of a person crime and is at least 15 years of age at the time of the abuse may have a personal representative present during a medical examination. If a CPS worker believes that a personal representative would compromise the CPS assessment, a CPS worker may prohibit a personal representative from being present during the medical examination.

(i) When the CPS worker is assessing a CPS allegation of medical neglect, the CPS worker must consult with a health care professional as part of the assessment.

(11) Obtain Psychological and Psychiatric Evaluations.

(a) The CPS worker must make a referral for a psychological or psychiatric evaluation of the parent, caregiver, or child by a mental health professional to assure child safety, determine treatment needs, or assist in analyzing safety-related information when during the CPS assessment the CPS worker identifies a specific condition or behavior that requires additional professional evaluation. This includes but is not limited to:

(A) Unusual or bizarre forms of punishment;

(B) Mental illness;

(C) Suicidal ideation;

(D) Homicidal ideation; or

(E) Unusual or bizarre child or parental behavior that is indicative of emotional problems.

(b) The CPS worker must obtain consent of the parent or caregiver prior to making a referral for a psychological or psychiatric evaluation of the parent, caregiver, or child, unless the evaluation is court ordered.

## 413-015-0420

### Make Initial Contact

(1) The CPS worker must make an initial contact within the assigned response time line.

(2) The following outlines contacts the CPS worker is required to attempt and, when possible, complete at initial contact. The CPS worker must:

(a) Have face-to-face contact with and interview the alleged victim, his or her siblings, and other children living in the home. The purpose of the face-to-face contact and interview with the alleged victim, his or her siblings, and other children living in the home is to gather information regarding possible child abuse and neglect, gather information about the children's functioning and vulnerability, and assess the children's immediate safety.

(A) Interview and observe children as follows:

(i) The CPS worker must notify parents of the intent to interview a child, unless notification could compromise the child's safety.

(ii) The CPS worker must make diligent efforts to contact the child at home, school, day care, or any other place where the worker believes the child may be found. If the CPS worker is unsuccessful, the CPS worker must document in the Department's electronic information system all attempts made to contact the child and the dates of those attempted contacts.

(iii) When the CPS worker contacts the child at home and the parent or caregiver is not present:

(I) The CPS worker must consult with a CPS supervisor and seek assistance from LEA if the referral indicates there is reasonable cause to believe the child's health or safety is endangered by the conditions of the dwelling; or the child is inadequately supervised and there is an immediate need to evaluate the child's health and safety.

(II) The CPS worker must wait until the parent is present in the home to complete a child interview in the home if there is not reasonable cause to believe the child's health or safety is endangered by the conditions of the dwelling or that the child is inadequately supervised.

(iv) When the CPS worker is denied access to the child or to the child's residence, the CPS worker must, if the referral indicates that the child may be unsafe, request assistance from LEA in assessing the situation and in taking the child into protective custody if needed. If the referral indicates that the child is presently safe, the CPS worker must consider the following:

(I) Attempting to contact other persons who may have relevant information regarding the referral;

(II) Persisting in attempts to gain cooperation from the family or caregivers, depending on the known child safety information;

(III) Seeking LEA assistance;

(IV) Consulting with the CPS supervisor, the district attorney, assistant attorney general, or the county juvenile department to discuss possible juvenile court action; or

(V) Seeking a protective custody order from the juvenile court.

(v) The CPS worker must conduct interviews in a manner that assures privacy for the child.

(vi) If the parent or caregiver is the alleged perpetrator or if the presence of the parent or caregiver might impede the interview, the CPS worker must attempt to interview children outside the presence of their parents or caregivers.

(vii) A CPS worker must allow a child who is the victim of a person crime as defined in ORS 147.425 and is at least 15 years of age at the time of the abuse to have a personal representative be present during an interview. If a CPS worker believes that the personal representative would compromise the CPS assessment, the CPS worker may prohibit a personal representative from being present during the interview.

(viii) The CPS worker must observe the child's injuries or signs of neglect. The CPS worker may need to remove a child's clothing to make adequate observations. In that event, the CPS worker must:

(I) Use discretion and make the child as comfortable as possible.

(II) Seek parental consent and assistance, when possible and appropriate.

(III) Consider requesting a worker or other support person, who is the same gender as the child, be present to serve as a witness and provide comfort for the child.

(ix) The CPS worker may observe injuries to a child's anal or genital region if the child is not school aged and if the injury can be observed without the CPS worker touching the child's anal or genital region.

(B) The CPS worker must notify the parents or caregivers the same day a child is interviewed. If the same day notification could make a child or adult unsafe, a CPS supervisor may authorize an extension for one day to allow a planned notification that is less likely to compromise safety. The CPS worker must document in the Department's electronic information system the supervisory approval and an explanation describing the basis for the approval.

(b) Have face-to-face contact with and interview the non-offending parent or caregiver and all adults living in the home. The purpose of this

# ADMINISTRATIVE RULES

face-to-face contact and interview is to find out what the non-offending parent or caregiver and other adults living in the home know about the alleged child abuse or neglect, gather information related to the safety of the child, including parent and caregiver functioning, and gather information to determine if the parent or caregiver can or cannot and will or will not protect the child.

(A) Whenever practicable, the CPS worker must interview both parents and caregivers in person, as follows:

(i) Interview each person in a manner that considers each person's privacy and safety and assures effective communication. This may require interviewing parents or caregivers individually and also together depending on the information being gathered;

(ii) Ask questions about domestic violence in separate interviews only; and

(iii) Provide all adults living in the home with a written notice that a criminal records check may be conducted on them.

(B) The CPS worker must provide each parent or caregiver with a "What you need to know about a Child Protective Services assessment" pamphlet, which includes written information regarding the CPS assessment process, including the court process and the rights of the parent and caregiver.

(C) The CPS worker must interview the non-custodial legal parent during the CPS assessment. This is not required during the initial contact, but must be completed as part of the assessment process because the non-custodial parent may have essential information or be a placement resource. If the interview of the non-custodial legal parent may make a child or adult unsafe, a CPS supervisor may authorize an exception to this requirement based on written documentation that supports the conclusion that an interview with a non-custodial legal parent should not be conducted.

(c) Have face-to-face contact with and interview the alleged perpetrator. Except as provided in this subsection, the CPS worker must make face-to-face contact with and interview the alleged perpetrator during the initial contact when he or she is the child's custodial parent, caregiver, any person living in the home, or is present in the home when the CPS worker makes contact. The purpose of this interview is to evaluate the alleged perpetrator's reaction to allegations of abuse or neglect as well as to the child and his or her condition, and to gather further information about the alleged perpetrator and the family in relation to the safety of the child. When the alleged perpetrator is a minor parent, the purpose is also to determine if the minor parent is an alleged victim of abuse (under paragraph (D) of this subsection).

(A) The CPS worker is not required to make face-to-face contact with or interview the alleged perpetrator during the initial contact if:

(i) The alleged perpetrator is not a custodial parent, caregiver, anyone living in the home, or is not present in the home when the CPS worker makes contact and delaying contact will not compromise child safety. The CPS worker still must interview the alleged perpetrator, but may complete the interview during the course of the CPS assessment; or

(ii) There is a criminal investigation and the interview cannot be coordinated with an LEA within the time lines for initial contact.

(B) The decision to delay interview of an alleged perpetrator as provided in subparagraphs (A)(i) or (ii) of this subsection must be approved by a CPS supervisor, and the CPS worker must document in the Department's electronic information system both the approval and the reason for delaying the interview.

(C) When interviewing the alleged perpetrator, the CPS worker must:

(i) Coordinate the interviews of the alleged perpetrator with LEA when law enforcement is conducting an investigation;

(ii) Consult with a CPS supervisor if an interview with the alleged perpetrator could make a child or adult unsafe;

(iii) Provide the alleged perpetrator with a written notice that a criminal records check may be conducted on them; and

(iv) Make inquiries about the employment status of the alleged perpetrator. If the CPS worker has reasonable cause to believe the alleged perpetrator is an employee of any program, office, or division of the Department of Human Services (DHS) or OYA, the CPS worker must notify a CPS supervisor. The CPS supervisor must confirm the person's employee status by contacting a Central Office Field Services representative. If the CPS supervisor determines the alleged perpetrator is an employee of the DHS or OYA, the CPS supervisor must notify the DHS Office of Human Resources at the time of the assessment and at the time the assessment is reviewed as required in OAR 413-015-0475. The CPS supervisor must document the notifications in the Department's electronic information system.

(D) When interviewing the alleged perpetrator who is a minor and the parent of the alleged victim, the CPS worker must ask questions to determine if there is an allegation of abuse or neglect with the minor parent as an alleged victim. If it is determined that there is an allegation of abuse or neglect with the minor parent as an alleged victim, the information must be reported to a screener.

(E) When interviewing an alleged perpetrator who is the parent or caregiver, the CPS worker must provide the parent or caregiver with a "What you need to know about a Child Protective Services assessment" pamphlet, which includes written information regarding the CPS assessment process, including the court process and the rights of the parent and caregiver.

(3) Gather safety-related information through interviews and observation. The CPS worker must begin to gather safety-related information through interviews and observation as outlined in OAR 413-015-0422, "Gather Safety Related Information through Interview and Observation".

(4) Determine if there is a present danger safety threat or impending danger safety threat. During the initial contact, the CPS worker must determine, based on the information obtained at that time, if there is a present danger safety threat or impending danger safety threat to the child as outlined in OAR 413-015-0425, "Determine if there is a Present Danger Safety Threat or Impending Danger Safety Threat".

(5) Documentation of the Initial Contact. The CPS worker must document the dates of attempted and successful contacts in the Department's electronic information system. If it was not possible during the initial contact for the CPS worker to successfully complete a required contact, the CPS worker must document why contact was not made and must complete the face-to-face contact and interview as soon as possible.

## 413-015-0432

### Develop Safety Plans

(1) When a present danger safety threat or impending danger safety threat is identified, a CPS worker must put a safety plan in place to manage the threat. There are three types of safety plans: the protective action plan which manages present danger safety threats, and the initial safety plan and the ongoing safety plan, which manage impending danger safety threats.

(2) Shared requirements for a protective action plan, initial safety plan, or ongoing safety plan:

(a) When developing a protective action plan, initial safety plan, or ongoing safety plan, the CPS worker must:

(A) Assure the plan focuses on and controls the identified present danger safety threat or impending danger safety threat;

(B) Not use a parent or caregiver who is the alleged perpetrator of physical abuse, sexual abuse, or domestic violence to provide protection or any other adult who was aware of the threats to child safety and did not protect;

(C) Include safety service providers that have been confirmed to be suitable to provide safety for the child (refer to OAR 413-015-1200 through 413-015-1230, "Assessment of an Individual as a Safety Service Provider");

(D) Involve the child's parent or caregiver;

(E) Use the Indian child's tribe as a resource, unless the tribe declines, when the CPS worker knows or has reason to know the child is an Indian child; and

(F) Assure it has been approved by a Department supervisor.

(b) The protective action plan, initial safety plan, or ongoing safety plan, whether in-home or out-of-home, must:

(A) Be a written document between the parent or caregiver and the Department;

(B) Provide a detailed description of the present danger safety threat or impending danger safety threat;

(C) Describe how identified present danger safety threats or impending danger safety threats will be managed, including:

(i) If impending danger safety threats will be managed in-home, an explanation of how the in-home criteria outlined in (2)(c)(B) of this rule were met;

(ii) If impending danger safety threats will be managed out-of-home, an explanation of how the in-home criteria outlined in (2)(c)(B) of this rule were not met; and

# ADMINISTRATIVE RULES

(iii) How the plan will be monitored.

(D) Identify the safety service providers and the safety services necessary to implement the plan; and

(E) Establish the time commitments and availability of those involved in the plan.

(c) The CPS worker must determine whether the impending danger safety threat will be managed with an in-home or out-of-home initial safety plan or ongoing safety plan by determining how the impending danger safety threat is occurring and applying the in-home safety plan criteria.

(A) The CPS worker must understand how the impending danger safety threat is occurring as required in OAR 413-015-0428, "Identify How the Impending Danger Safety Threat is Occurring", and use the information about how the impending danger safety threat is occurring to develop the least intrusive plan that can manage the identified impending danger safety threat occurring within the particular family;

(B) An in-home initial safety plan or in-home ongoing safety plan is required when all of the following in-home safety plan criteria are met:

(i) There is a home-like setting where the parent and child live.

(ii) The home is calm enough to allow safety service providers access and activities to occur.

(iii) At least one parent is willing to cooperate with the plan.

(iv) The necessary safety activities and resources are available to implement the plan.

(C) An out-of-home initial safety plan or out-of-home ongoing safety plan is required when any of the in-home safety plan criteria outlined in (B)(i) through (iv) above are not met.

(d) A protective action plan, initial safety plan, or ongoing safety plan may be a combination of in-home and out-of-home in order to assure the least intrusive intervention.

(e) The CPS worker must make modifications to the protective action plan, initial safety plan, or ongoing safety plan, as necessary, to continue to control the identified present danger safety threats or impending danger safety threats.

(f) When assessing an allegation of sexual abuse, if a plan includes a parent or caregiver, who is the alleged perpetrator, consenting to leave the family home, the CPS worker must notify the local district attorney responsible for the MDT in the county where the child resides that a plan of this type has been developed, pursuant to ORS 418.800. The notice must:

(A) Be in writing; and

(B) Be provided within three business days of the date the parent or caregiver leaves the family home.

(g) When a plan includes a parent or caregiver, who is the alleged perpetrator, consenting to leave the family home without their children or have their children leave the family home without them, the CPS worker must, in consultation with a supervisor, file a petition alleging the child is within the jurisdiction of the juvenile court pursuant to ORS 419B.100 within 10 calendar days of the date the parent or caregiver or their children leave the home if the plan is still necessary to assure child safety and will continue to be necessary for the immediate future.

(3) Additional Requirements for a Protective Action Plan. Refer to OAR 413-015-0435, "Develop a Protective Action Plan", for additional requirements when developing a protective action plan.

(4) Additional Requirements for an Initial Safety Plan. Refer to OAR 413-015-0437, "Develop an Initial Safety Plan", for additional requirements when developing an initial safety plan.

(5) Additional Requirements for an Ongoing Safety Plan. Refer to OAR 413-015-0450, "Develop an Ongoing Safety Plan", for additional requirements when developing an ongoing safety plan.

(6) Documentation. The CPS worker must provide a detailed description of the protective action plan, initial safety plan, or ongoing safety plan developed to manage the present danger safety threat or impending danger safety threat. Documentation must be completed in the Department's electronic information system within five business days following the identification of the threat and must include:

(a) All requirements outlined in paragraphs (2)(b)(A) through (G) of this rule;

(b) A summary of the parents' and caregivers' agreement to and acceptance of the plan; and

(c) The date the plan was reviewed by a supervisor and the name of the supervisor who reviewed it.

Stat. Auth.: ORS 418.005

## 413-015-0450

### Develop an Ongoing Safety Plan

(1) At the completion of the CPS assessment when the CPS worker determines, through an analysis of the safety-related information, that a child is unsafe, the CPS worker must develop and document an ongoing safety plan unless completing a CPS assessment involving the home of a Department certified foster parent or relative caregiver. The purpose of the ongoing safety plan is to control the impending danger safety threats as they are uniquely occurring within a particular family.

(2) Requirements for an Ongoing Safety Plan. When developing an ongoing safety plan the CPS worker must assure all requirements in OAR 413-015-0432, "Develop Safety Plans", are met and:

(a) Use a Child Safety Meeting unless a supervisor approved an exception;

(b) Include conditions for return when an out-of-home ongoing safety plan is developed; and

(c) Re-evaluate the initial safety plan, if one is in place, to determine if it is appropriate and sufficient as an ongoing safety plan and re-confirm all commitments with all safety service providers identified in the initial safety plan if it is to become an ongoing safety plan.

## 413-015-0540

### Make Initial Contact

The CPS worker must make an initial contact within the assigned response time line with the alleged child victim's custodial parent or caregiver and the alleged child victim as follows:

(1) As required by OAR 413-015-0420, notify the custodial parents or caregivers of the intent to interview an alleged child victim.

(2) Have face-to-face contact with and interview the alleged child victim or victims. The purpose of the face-to-face contact and each interview is to gather information regarding possible child abuse, observe any signs of neglect or child injuries, determine if there are other alleged child victims, and assess the immediate safety of the child or children.

(3) Have face-to-face contact with and interview each custodial parent or caregiver of the alleged child victim or victims. The purpose of this face-to-face contact and interview is to find out what the parent or caregiver knows about the alleged child abuse or neglect and to gather information about their ability and willingness to protect.

## 413-015-1105

### Purpose

(1) The primary purposes of LEDS access in local Child Welfare offices are to assist staff in making decisions about child safety, specifically related to child protective services, assessing safety service providers, and emergency certification as outlined in these rules (OAR 413-015-1100 to 413-015-1125). Criminal history information obtained from LEDS will be considered, along with other safety-related information, to:

(a) Identify present danger safety threats and impending danger safety threats; or

(b) Determine if behavior that is revealed by criminal history is inconsistent with providing care to children or having access to children.

(2) These rules do not address criminal records checks for non-emergency certification or adoption approval. Criminal records checks for non-emergency certification or adoption approval are governed by OAR 413-120-0400 to 413-120-0470.

## 413-015-9030

### Screening CPS Information — Determining Department's Response, Type of CPS Assessment, and Response Time Lines

Except as provided below, screeners in DR implementation counties must comply with OAR 413-015-0200 through 413-015-0225. OAR 413-015-0210(1) through (3) are replaced by the following:

(1) After the screener completes activities required by OAR 413-015-0205, and determines the information received is CPS information, the

# ADMINISTRATIVE RULES

screeener must determine the Department response, either CPS assessment required or close at screening. If a CPS assessment is required, the screener must determine the type of CPS assessment and the time line for the Department response.

(2) CPS assessment required. A CPS assessment is required if:

(a) The screener determines that information received constitutes a report of child abuse or neglect, as defined in ORS 419B.005, and the information indicates:

(A) The alleged perpetrator is a legal parent of the alleged child victim;

(B) The alleged perpetrator resides in the alleged child victim's home;

(C) The alleged perpetrator may have access to the alleged child victim, and the parent or caregiver may not be able or willing to protect the child; or

(D) The alleged child abuse occurred in a day care facility, the home of a Department certified foster parent or relative caregiver, or a private child-caring agency that is not a Children's Care Provider (CCP).

(b) A tribe or law enforcement agency (LEA) requests assistance from the Department with an investigation of child abuse or neglect, and a CPS supervisor agrees that assistance from the Department is appropriate.

(3) Type of CPS Assessment. If the screener determines that a CPS assessment is required, the screener must:

(a) Determine the type of CPS assessment required. The screener must determine if the report is assigned for a traditional response assessment or an alternative response assessment.

(A) Traditional Response Assessment. This type of CPS assessment is required when the report alleges or the information gathered indicates:

(i) The child has suffered or could likely suffer severe harm;

(ii) The abuse occurred in a day care facility, the home of a Department certified foster parent or relative caregiver, or a private child-caring agency that is not a Children's Care Provider (CCP);

(iii) The perpetrator is a day care employee, certified foster parent or relative caregiver, or a Department of Human Services employee;

(iv) There are multiple allegations in the same report and any of the allegations meet one of the criteria outlined in (i) through (iii) of this paragraph for a traditional response assessment;

(v) There is a prior report of child abuse or neglect that has not been assessed because the Department was unable to locate the family and the prior allegation or the current allegation meets the criteria for a traditional response assessment;

(vi) There is an open traditional response assessment and the date the open traditional response assessment was assigned is within 60 days of the date the new report will be assigned; or

(vii) There is an open Department case with an identified impending danger safety threat.

(B) Alternative Response Assessment. This type of CPS assessment is required when the report alleges or the information gathered indicates the child has suffered or could likely suffer harm, but the harm is not severe harm and none of the conditions outlined in (A)(i) through (vii) of this rule apply.

(b) Consult with a CPS supervisor. The screener must consult with the CPS supervisor or designee when the screener determines the type of CPS assessment required is a traditional response assessment and there is an open alternative response assessment.

(c) Document the type of CPS assessment required. The screener must document the type of CPS assessment required and document the justification for the determination.

(4) Response Time Lines. If the screener determines that a CPS assessment is required, the screener must:

(a) Determine the CPS assessment response time line. The time line for the Department response refers to the amount of time between when the report is received at screening and when the CPS worker is required to make an initial contact. When determining the response time, the screener must take into account the location of the child, how long the child will be in that location, and access that others have to the child.

(A) Traditional Response Assessment. The screener is required to assign the following response time lines for a traditional response assessment:

(i) A "within 24 hours" response time line unless (ii) below applies.

(ii) A "within five calendar days" response time line is only permitted for a traditional response assessment when the screener can clearly document how the information indicates child safety will not be compromised or an intentional delay to allow for a planned response is less likely to compromise the safety of the child.

(B) Alternative Response Assessment. The screener is required to assign the following response time lines for an alternative response assessment:

(i) A "within five calendar days" response time line is required unless (ii) below applies.

(ii) A "within 24 hours" response time line is only required for an alternative response assessment when the information indicates:

(I) A child is in danger right now; or

(II) A child has a current injury as a result of the alleged abuse or neglect.

(b) Complete a screening report form immediately when a "within 24 hour" response time line is assigned or the same day when a "within five calendar days" response time is assigned. A CPS supervisor may grant an extension for the completion of a screening report form as provided in OAR 413-015-0220.

(c) Refer the CPS assessment to the appropriate county as described in OAR 413-015-0213.

## 413-015-9040

### Assessment

(1) Except as provided in this rule, CPS workers in DR implementation counties must comply with OAR 413-015-0400 through 413-015-0485.

(2) Overview. The following outlines the primary components of all CPS assessments and the components unique to traditional response assessment and alternative response assessment.

(a) Completing a CPS assessment, whether traditional response assessment or alternative response assessment, involves all of the following:

(A) Making efforts to schedule the initial contact when a response timeline of "within five calendar" days is assigned.

(B) Making face-to-face contact with the alleged victim, his or her siblings, his or her parent or caregiver, other children and adults living in the home, and the alleged perpetrator.

(C) Accessing and viewing the home environment.

(D) Gathering safety-related information through interviews and observation.

(E) Determining if there is a present danger safety threat.

(F) Determining if there is an impending danger safety threat by applying the safety threshold criteria:

(i) Imminent;

(ii) Observable;

(iii) Vulnerable child;

(iv) Out of control; and

(v) Severity.

(G) Developing a protective action plan when a child is determined to be unsafe due to a present danger safety threat.

(H) Developing an initial safety plan when a child is determined to be unsafe due to an impending danger safety threat.

(I) Developing an ongoing safety plan when a child is determined to be unsafe from an impending danger safety threat at the conclusion of a CPS assessment.

(J) Determining whether the initial safety plan or ongoing safety plan is the least intrusive plan sufficient to manage child safety by identifying how the impending danger safety threat is occurring and applying the in-home safety plan criteria.

(K) Developing conditions for return when an out-of-home ongoing safety plan is established.

(L) Determining whether a family has moderate to high needs when a child is determined to be safe.

(M) Referring a family for a strengths and needs assessment and subsequently for community services when a family is determined to have moderate to high needs and accepts the referrals.

(b) In addition to the components of a CPS assessment outlined in paragraphs (a)(A) through (M) of this section, completing a traditional response assessment includes determining if there is reasonable cause to believe that child abuse or neglect occurred.

(c) In addition to the components of a CPS assessment outlined in paragraphs (a)(A) through (M) of this section, completing an alternative response assessment includes offering the family the option of having a community partner or support person accompany the worker when a response timeline of "within five calendar" days is assigned.

# ADMINISTRATIVE RULES

(3) Make Initial Contact. When completing a traditional response assessment or an alternative response assessment the CPS worker must comply with OAR 413-015-0420, "Make Initial Contact", and the additional requirements outlined in this section when a response timeline of "within five calendar days" is assigned:

(a) The CPS worker must make efforts to schedule the initial contact; and

(b) The CPS worker must, when completing an alternative response assessment:

(A) Offer the family the option of having a community partner or support person accompany the worker on initial contact;

(B) Obtain a release of information signed by the parent or caregiver specific to the identified community partner or support person; and

(C) Document, if applicable, whether the CPS worker completed the initial contact with a community partner or support person. When a community partner or support person was not present at initial contact, the CPS worker must document why not. When a community partner or support person was present, the CPS worker must document who was present.

(4) Change from Alternative Response Assessment to Traditional Response Assessment. When changing the type of CPS assessment from alternative response assessment to traditional response assessment the CPS worker must:

(a) Assure one of the following applies:

(A) Any of the criteria outlined in 413-015-9030(3)(a)(A)(i) through (vi);

(B) A referral is received on an open alternative response assessment within 60 days of the date the open assessment was assigned and the new referral meets the screening criteria to assign as a traditional response assessment;

(C) The CPS worker filed a petition alleging the child is within the jurisdiction of the juvenile court pursuant to ORS 419B.100; or

(D) The CPS worker determined the child is unsafe at the conclusion of the CPS assessment and an ongoing safety plan will be established and the case will be opened for services.

(b) Assure the decision is approved by a Department supervisor; and

(c) Document in the Department's electronic information system the decision to change from alternative response assessment to traditional response assessment and explain the basis for the decision.

(5) Make Child Safety Decision and Determine Whether to Open a Case. The CPS worker must comply with the requirements outlined in this section which replaces OAR 413-015-0445, "Child Safety Decision".

(a) After all the necessary information is gathered for the CPS assessment and the disposition has been determined, the CPS worker must determine if the child is safe or unsafe at the conclusion of the CPS assessment. To make a child safety decision at the conclusion of a CPS assessment, the CPS worker must again determine if an impending danger safety threat is present as outlined in OAR 413-015-0425, "Determine if there is a Present Danger Safety Threat or an Impending Danger Safety Threat".

(b) When at the conclusion of the CPS assessment the CPS worker determines one or more impending danger safety threats are present, including a previously identified impending danger safety threat that has not been eliminated, the CPS worker must conclude the child is unsafe. When the CPS worker concludes the child is unsafe at the conclusion of the CPS assessment, the CPS worker must:

(A) Determine how the impending danger safety threat is occurring to support the development of an ongoing safety plan as outlined in OAR 413-015-0428, "Identify How the Impending Danger Safety Threat is Occurring";

(B) Develop an ongoing safety plan as outlined in OAR 413-015-0450, "Develop an Ongoing Safety Plan";

(C) Complete the CPS assessment; and

(D) Open a case.

(c) When at the conclusion of the CPS assessment the CPS worker determines no present danger safety threats or impending danger safety threats are present and any identified previously have been eliminated, the CPS worker must conclude the child is safe. When the CPS worker concludes the child is safe at the conclusion of the CPS assessment, the CPS worker must:

(A) Dismiss the protective action plan or initial safety plan if one is in place; and

(B) Determine if the family has moderate to high needs unless completing a CPS assessment involving the home of a Department certified foster parent or relative caregiver.

(d) When the CPS worker determines the family does not have moderate to high needs the CPS worker must complete and close the CPS assessment.

(e) When the CPS worker determines the family does have moderate to high needs, the CPS worker must offer the family the option to have a strengths and needs assessment completed by a strengths and needs assessment provider:

(A) If the family declines the offer to have a strengths and needs assessment completed the CPS worker must:

(i) Offer the family referrals to relevant non-contracted community services as available;

(ii) If the family accepts the offer, the CPS worker must refer the family to relevant non-contracted community services as available; and

(iii) Complete and close the CPS assessment.

(B) If the family accepts the offer to have a strengths and needs assessment completed the CPS worker must:

(i) Refer the family to a strengths and needs assessment provider;

(ii) Meet with the family and the strengths and needs assessment provider after the completion of the strengths and needs assessment, discuss contracted and non-contracted community service referral options, offer relevant community service referrals as available, and identify the family's preferences;

(iii) If the family accepts the offer for community service referrals, refer the family to relevant contracted or non-contracted community services as available.

(C) Complete and close the CPS assessment.

(f) The CPS worker must document in the Department's electronic information system the child safety decision including all of the following:

(A) If the child is safe and the assessment will be closed, or if the child is unsafe and the case will be opened.

(B) If the child is safe:

(i) Whether the family was determined to have moderate to high needs and the basis for the determination;

(ii) Whether the family accepted or declined to participate in a strengths and needs assessment and if they declined whether the family accepted the offer for relevant non-contracted community service referrals;

(iii) Whether the family accepted or declined to participate in services recommended as the result of the strengths and needs assessment; and

(iv) If applicable, what contracted or non-contracted community services were declined or accepted.

(6) CPS Assessment Documentation, Supervisory Review Requirements, and Extensions.

(a) The CPS worker must comply with OAR 413-015-0475, "CPS Assessment Documentation and Supervisory Review Requirements", with the exception of section (2) which this subsection replaces. The CPS worker must complete the CPS assessment and electronically submit the CPS assessment for review by a CPS supervisor, within 45 days of the day that the information alleging child abuse or neglect is received by the screener, except as provided in subsection (b) of this section.

(b) This subsection replaces OAR 413-015-0480, "CPS Assessment Extensions". The CPS supervisor may approve a one-time extension of an additional 15 days for completion of the CPS assessment if the supervisor has confirmed critical information (information necessary to determine child safety or a child abuse or neglect disposition) is outstanding or, if applicable, the strengths and needs assessment is not complete. Additional extension of time may be approved by the Child Welfare program manager if the ability to obtain critical information is beyond the reasonable control of the CPS worker.

## 413-200-0414

### Department Actions During Screening

(1) Screener Actions.

(a) When a screener receives information involving the home of a certified family, the screener must--

(A) Refer to and follow Child Welfare Policy I-AB.2, "Screening", OAR 413-015-0200 to 413-015-0225 to gather and share information;

(B) Consult with the CPS supervisor before determining the Department's response;

(C) Notify the assigned caseworker of each child or young adult placed in the home, each assigned caseworker's supervisor, the assigned certifier, and the certifier's supervisor of all information received; and

# ADMINISTRATIVE RULES

(D) If the information is closed at screening as described in Child Welfare Policy I-AB.2, "Screening", OAR 413-015-0210(4):

(i) Document the information in provider case notes in the Department's information system; and

(ii) Notify the individuals listed in paragraph (C) of this subsection that the information was closed at screening.

(b) When a screener receives information alleging abuse or neglect of a young adult living in the home of a certified family, the screener must provide the information to the young adult's caseworker; and

(A) Provide the information to the Department's Aging and People with Disabilities Division local office, Community Developmental Disabilities Program, or Community Mental Health Program when the young adult is an individual with a diagnosed physical, developmental, or mental disability, respectively; or

(B) Provide the information to law enforcement.

(2) Certifier Actions. When the assigned certifier is notified by a screener that information involving the home of a certified family was closed at screening, the certifier must examine the information received and follow Child Welfare Policy II-B.1.1., "Responsibilities for Certification and Supervision of Foster Parents and Relative Caregivers and Approval of Potential Adoptive Resources" (OAR 413-200-0270 to 413-200-0296).

(3) Assigned Caseworker Actions.

(a) When a report of information alleging abuse or neglect of a young adult has been shared with the Department's Aging and People with Disabilities Division local office, Community Developmental Disabilities Program, or Community Mental Health Program because the young adult is an individual with a diagnosed physical, developmental, or mental disability, the young adult's caseworker must coordinate the Department's response.

(b) When a report of information alleging abuse or neglect of a young adult has been shared with law enforcement, the young adult's caseworker must coordinate the Department's response with law enforcement.

(c) When a report is received alleging that a child or young adult in substitute care in the home of a certified family may have been subjected to abuse or neglect, and the screener determines that the report constitutes a report of child abuse or neglect as defined in ORS 419B.005, within three business days of the Department's receipt of the report, the caseworker of the child or young adult in substitute care who is the alleged victim must notify the following individuals that a report was received:

(A) The attorney for the child or young adult;

(B) The court appointed special advocate (CASA) for the child or young adult;

(C) The parents of the child or young adult;

(D) Any attorney representing the parents of the child or young adult; and

(E) If the disclosure is authorized by ORS 419B.035, others who are involved in the case plan as necessary.

(d) The notification of the parents of the child or young adult and any attorney representing the parents of the child or young adult in paragraphs (3)(c)(C) and (D) of this rule is not required if the notification may interfere with an investigation or assessment or jeopardize the safety of the child or young adult. The CPS supervisor, or the supervisor of a caseworker of the child or young adult may authorize an exception to the requirement to provide notification based on documentation that supports this conclusion.

**Rule Caption:** Revising rules regarding the rights of children in the custody of the Department

**Adm. Order No.:** CWP 1-2015

**Filed with Sec. of State:** 1-1-2015

**Certified to be Effective:** 1-1-2015

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 413-010-0180, 413-010-0185

**Subject:** The Department of Human Services, Office of Child Welfare Programs, is revising rules regarding the rights of children and young adults in the legal custody of the Department to expressly establish the Oregon Foster Children's Bill of Rights and to list in rule the rights of foster children specified in ORS 418.201, as required by ORS 418.202. These rule changes do not make any substantive changes to the rights of children or young adults in the legal

custody of the Department. The rules are also revised to add references and clarify language.

**Rules Coordinator:** Kris Skaro—(503) 945-6067

## 413-010-0180

### Rights of Children and Young Adults

(1) Every child and young adult in the legal custody of the Department has rights, including but not limited to the right:

(a) To be placed in the least restrictive environment that appropriately meets individual needs;

(b) To be provided basic needs such as adequate food, clothing, and shelter;

(c) To receive appropriate care, supervision, and discipline, and to be taught to act responsibly and respect the rights of others;

(d) To be provided routine and necessary medical, dental, and mental health care and treatment;

(e) To be provided with free and appropriate public education;

(f) To be protected from physical and sexual abuse, emotional abuse, neglect, and exploitation;

(g) To be provided services designed for reunification with the parent or guardian except when there is clear evidence that the parent or guardian may not protect the child's or young adult's welfare;

(h) To be provided services to develop a safe permanent alternative to the family, when family resources are not available;

(i) To be accorded the least restrictive legal status that is consistent with the need for protection, to have the Department present its position on best interests to the court, and to attend court hearings and speak directly to the judge;

(j) To receive respect, be nurtured, and attend activities in accordance with his or her background, religious heritage, race, and culture within reasonable guidelines as set by the case plan, the visitation plan, and the court;

(k) To visit and communicate with a parent or guardian, siblings, members of his or her family, and other significant people within reasonable guidelines as set by the case plan, the visitation plan, and the court;

(l) To be involved, in accordance with his or her age and ability and with the law, in making major decisions that affect his or her life, to participate in the development of his or her case plan, permanency plan, and comprehensive transition plan and to discuss his or her views about the plans with the judge;

(m) To receive encouragement and be afforded reasonable opportunities to participate in extracurricular, cultural, and personal enrichment activities consistent with his or her age and developmental level; and

(n) To earn and keep his or her own money and to receive guidance in managing resources to prepare him or her for living independently.

(2) This section establishes the Oregon Foster Children's Bill of Rights. In addition to the rights listed in section (1) of this rule, every child and young adult in the legal custody of the Department who is or was in substitute care has the following rights, as provided in ORS 418.201:

(a) To have the ability to make oral and written complaints about care, placement, or services that are unsatisfactory or inappropriate, and to be provided with information about a formal process for making complaints without fear of retaliation, harassment, or punishment.

(b) To be notified of, and provided with transportation to, court hearings and reviews by local citizen review boards pertaining to the child's or young adult's case when the matters to be considered or decided upon at the hearings and reviews are appropriate for the child or young adult, taking into account the age and developmental stage of the child or young adult.

(c) To be provided with written contact information of specific individuals whom the child or young adult may contact regarding complaints, concerns, or violations of rights, that is updated as necessary and kept current.

(d) When the child or young adult is 14 years of age or older, to be provided with written information within 60 days of the date of any placement or any change in placement, regarding:

(A) How to establish a bank account in the child's or young adult's name as allowed under state law;

(B) How to acquire a driver license as allowed under state law;

(C) How to remain in foster care after reaching 18 years of age;

(D) The availability of a tuition and fee waiver for a current or former foster child under ORS 351.293;

(E) How to obtain a copy of the child's or young adult's credit report, if any;

(F) How to obtain medical, dental, vision, mental health services, or other treatment, including services and treatments available without parental consent under state law; and

# ADMINISTRATIVE RULES

(G) A transition toolkit, including a comprehensive transition plan.

(e) With respect to a child's or young adult's rights under the federal and state constitutions, laws, including case law, rules, and regulations:

(A) To receive a document setting forth such rights that is age and developmentally appropriate within 60 days of the date of any placement or any change in placement;

(B) To have a document setting forth such rights that is age and developmentally appropriate posted at the residences of all foster parents, child-caring agencies, and independent resident facilities; and

(C) To have an annual review of such rights that is age and developmentally appropriate while the child or young adult is in substitute care.

(f) To be provided with current and updated contact information for adults who are responsible for the care of the child or young adult and who are involved in the child's or young adult's case, including but not limited to caseworkers, caseworker supervisors, attorneys, foster youth advocates and supporters, court appointed special advocates, local citizen review boards, and employees of the Department that provide certification of foster parents, child-caring agencies, and independent resident facilities.

(g) To have a hotline phone number that is available to the child or young adult at all times for the purposes of enabling the child or young adult to make complaints and assert grievances regarding the child's or young adult's care, safety, or well-being.

(3) Children and young adults in the legal custody of the Department may have other rights not specified in this rule as appropriate to the child's or young adult's age and developmental stage.

Stat. Auth.: ORS 418.005 & 418.201

## 413-010-0185

### Department Responsibilities

(1) The Department will develop information and materials to be provided to children and young adults in the legal custody of the Department who are or were in substitute care regarding their rights under OAR 413-010-0180(2). The Department will review and update the information and materials periodically, and may develop other information and materials it determines will be helpful in informing children and young adults about their rights and how to assert and protect them.

(2) The Department will make training available to caseworkers and other employees who will provide the information and materials specified in section (1) to children and young adults, to ensure the information and materials are provided in a manner that is timely and appropriate to age and developmental stage.

(3) The Department will make training available to caseworkers and other employees about the Department's obligations under ORS 418.201, OAR 413-010-0180(2), and this rule, to ensure the obligations are carried out in a manner that is timely and appropriate to age and developmental stage.

(4) The Department will develop information and materials and make training available to substitute caregivers regarding their obligations to ensure the children and young adults in their care are informed of their rights under OAR 413-010-0180(2) in a manner that is timely and appropriate to age and developmental stage.

(5) The Department will develop and publish a process for children and young adults in the legal custody of the Department who are or were in substitute care to make complaints regarding their care. The process will include a phone number that is available at all times.

**Rule Caption:** Amending child welfare rules related to personal care services for children and young adults

**Adm. Order No.:** CWP 2-2015

**Filed with Sec. of State:** 1-1-2015

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 11-1-2014

**Rules Amended:** 413-090-0110, 413-090-0120, 413-090-0133, 413-090-0135, 413-090-0136, 413-090-0140, 413-090-0150, 413-090-0210

**Subject:** The Department of Human Services, Office of Child Welfare Programs, is amending the rules related to personal care services for children and young adults placed with a foster parent or relative caregiver. The rule changes: allow the Department to pay for

personal care services using federal funds sooner if there is a delay in the process; clarify when personal care services end and a new assessment is required; add rating criteria that are specific to infants; add references to applicable forms; update terminology, position titles, and references; clarify language; and correct punctuation.

## 413-090-0110

### Definitions

The following definitions apply to OAR 413-090-0100 to 413-090-0210:

(1) "Certified family" means an individual or individuals who hold a current Certificate of Approval from the Department to operate a home to provide care, in the home in which he or she resides, to a child or young adult in the care or custody of the Department.

(2) "Child" means a person under 18 years of age.

(3) "Contract registered nurse" means a licensed registered nurse under a contract with the Department who provides nursing assessment, consultation, teaching, delegation, or on-going nursing services to a child or young adult in the care or custody of the Department.

(4) "Delegated nursing task" means a task, normally requiring the education and license of a registered nurse (RN) and within the RN scope of practice to perform, that an RN authorizes an unlicensed person to perform.

(5) "Department" means the Department of Human Services, Child Welfare.

(6) "Foster parent" means a person who operates a home that has been approved by the Department to provide care for an unrelated child or young adult placed in the home by the Department.

(7) "Legally responsible relative" means the parent or stepparent of a child or young adult or a person related to the child or young adult by blood or marriage who has legal custody or legal guardianship of the child or young adult.

(8) "Level of personal care payment" means the payment to a qualified provider for performing the personal care services for an eligible child or young adult based on the child's or young adult's need for personal care services as determined by applying the personal care services algorithm to the results of the personal care services rating scale.

(9) "Personal Care Nurse Coordinator" means a registered nurse (RN) who is a licensed registered nurse employed by the Department to provide oversight of contract registered nurses and personal care services authorized through the Department.

(10) "Personal care services" means the provision of or assistance with those functional activities described in OAR 413-090-0120 consisting of mobility, transfers, repositioning, basic personal hygiene, toileting, bowel and bladder care, nutrition, medication management, and delegated nursing tasks that a child or young adult requires for his or her continued well-being.

(11) "Personal care services assessment" means an evaluation by a registered nurse of a child or young adult's ability to perform the functional activities required to meet the child or young adult's daily needs.

(12) "Personal care services plan" means a written plan to provide personal care services for the child or young adult documenting:

(a) The determination that the individual is a qualified provider;

(b) The frequency or intensity of each personal care service to be provided; and

(c) The date personal care services begin.

(13) "Qualified provider" means an individual who:

(a) Is authorized by the Department through the contract registered nurse or Personal Care Nurse Coordinator;

(b) Demonstrates by background, skills, and abilities the capability to safely and adequately provide the authorized personal care services;

(c) Maintains a drug-free household;

(d) Has been approved through the background check process described in Child Welfare Policy I-G.1.4, "Criminal Records Check Requirements for Relative Caregivers, Foster Parents, Adoptive Resources, and Other Persons in the Household," OAR 413-120-0400 to 413-120-0475, or under DHS Criminal History Checks rules, OAR 407-007-0200 to 407-007-0370; and

(e) Is not the parent, step-parent, or legally responsible relative of the child or young adult eligible for personal care services.

(14) "Registered nurse" means an individual licensed and registered to practice nursing.

# ADMINISTRATIVE RULES

(15) "Relative caregiver" means an individual who operates a home that has been approved by the Department to provide care for a related child or young adult placed in the home by the Department.

(16) "Young adult" means a person aged 18 through 20 years.

## 413-090-0120

### Scope of Services

(1) Personal care services are provided directly to the eligible child or young adult and do not include respite or other services, nor are they implemented for the purpose of benefiting others in the household or the household in general.

(2) Personal care services include:

(a) Mobility, transfers, repositioning — assisting a child or young adult with ambulation or transfers with or without an assistive device, turning the individual or adjusting padding for physical comfort or pressure relief, or encouraging or assisting with range-of-motion exercises;

(b) Basic personal hygiene — providing or assisting a child or young adult with needs such as bathing (tub, bed bath, shower), washing hair, grooming, shaving, nail care, foot care, dressing, skin care, mouth care, and oral hygiene;

(c) Toileting, bowel and bladder care — assisting a child or young adult to and from bathroom, on and off a toilet, commode, bedpan, urinal or other assistive device used for toileting, changing incontinence supplies, following a toileting schedule, cleansing the individual or adjusting clothing related to toileting, emptying catheter drainage bag or assistive device, ostomy care, or bowel care;

(d) Nutrition — preparing meals and special diets, assisting with adequate fluid intake or adequate nutrition, assisting with food intake (feeding), monitoring to prevent choking or aspiration, assisting with special utensils, cutting food, and placing food, dishes, and utensils within reach for eating;

(e) Medication management — assisting with ordering, organizing, and administering prescribed medications (including pills, drops, ointments, creams, injections, inhalers, and suppositories), monitoring for choking while taking medications; and

(f) A delegated nursing task.

## 413-090-0133

### Conducting a Personal Care Services Assessment

(1) When a child or young adult with a diagnosed physical or mental impairment appears to require personal care services and the caseworker becomes aware of the apparent need for personal care services, the caseworker must refer the child or young adult to the contract registered nurse or the Personal Care Nurse Coordinator for an assessment.

(2) When a child or young adult with an approved personal care services assessment or an existing personal care services plan moves to a new foster parent or relative caregiver, the caseworker must refer the child or young adult to the contract registered nurse or the Personal Care Nurse Coordinator for an assessment.

(3) Upon receipt of a referral, the contract registered nurse or the Personal Care Nurse Coordinator must conduct a personal care services assessment.

(4) To conduct the personal care services assessment, the contract registered nurse or the Personal Care Nurse Coordinator must:

(a) Review available medical records of the child or young adult;

(b) Meet with the child or young adult and the foster parent or relative caregiver;

(c) Gather information about the child or young adult's condition and functioning;

(d) Assess the child or young adult's ability to perform functional activities necessary to meet his or her daily needs at a level appropriate for the child or young adult's chronological age;

(e) Document the findings of the personal care services assessment using the Department's Personal Care Services Assessment form that is applicable to the age of the child or young adult; and

(f) Submit the completed personal care services assessment to the Personal Care Nurse Coordinator.

(5) The Personal Care Nurse Coordinator must:

(a) Review the findings of the personal care services assessment;

(b) Apply the rating scale in Exhibit 1 to the personal care services assessment;

(c) Determine whether the child or young adult meets the threshold for a level of personal care payment;

(d) Determine the level of personal care payment; and

(e) When the personal care services assessment scores a child or young adult's level of personal care needs at Level 4 based on the rating scale in Exhibit 1, determine the additional payment and the intensive personal care services required to meet the child or young adult's identified needs, which may involve consulting with the foster parent, relative caregiver, or others involved in the child or young adult's care.

(6) The responsibilities set forth in section (5) of this rule may be conducted by another medical professional employed by or under contract with the Department when the Personal Care Nurse Coordinator is unavailable.

[ED. NOTE: Exhibits & forms referenced are available from the Agency.]

## 413-090-0135

### Provider Eligibility

(1) Personal care services may be provided only by a qualified provider.

(2) The contract registered nurse or the Personal Care Nurse Coordinator may authorize a qualified provider to provide personal care services to a child or young adult in the care or custody of the Department if the contract registered nurse or Personal Care Nurse Coordinator determines that the provider meets the definition of a qualified provider in OAR 413-090-0110.

(3) The qualified provider must sign the personal care services plan with the Department and agree to provide the personal care services to the child or young adult described in the personal care services plan.

(4) The qualified provider may be authorized to provide personal care services when the personal care services assessment has been completed and the contract registered nurse or Personal Care Nurse Coordinator has verified that the provider is a qualified provider.

Stat. Auth.: ORS 409.050 & 418.005

Stats. Implemented: ORS 409.010, 418.005 & 418.015

## 413-090-0136

### Developing the Personal Care Services Plan

(1) After conducting the personal care services assessment when it has been determined that a child or young adult is eligible for personal care services, the contract registered nurse or Personal Care Nurse Coordinator must develop a personal care services plan using the Department's Personal Care Services Plan form.

(2) The personal care services plan must:

(a) Specify the frequency or intensity of each personal care service;

(b) Identify the qualified provider to provide the personal care service;

(c) If the plan includes a delegated nursing task, the personal care services plan must include:

(A) The written authorization of the registered nurse permitting the qualified provider to perform the delegated nursing task;

(B) The written instructions on how to perform the delegated nursing task;

(C) How frequently the child or young adult is to be reassessed with respect to the delegated nursing task;

(D) How the qualified provider is to be supervised; and

(E) How frequently the qualified provider is to be reevaluated.

(d) Identify the date that the personal care services are to begin and the date that the personal care services plan ends; and

(e) Be signed by the contract registered nurse or Personal Care Nurse Coordinator and each qualified provider providing services under the personal care services plan.

(3) If the contract registered nurse or Personal Care Nurse Coordinator determines that the child or young adult requires a delegated nursing task, the contract registered nurse or Personal Care Nurse Coordinator must follow the requirements in Oregon State Board of Nursing rules, OAR 851-047-0000 to 851-047-0040.

# ADMINISTRATIVE RULES

(a) An authorization permitting a qualified provider to perform a nursing task does not permit the qualified provider to perform the task for a different child or young adult, and the authorization may not be transferred.

(b) The skill of the qualified provider and the condition of the child or young adult must be reevaluated as appropriate.

(c) The registered nurse may rescind the delegation, as provided in OAR 851-047-0030(7), and revise the personal care services plan accordingly.

## 413-090-0140

### Periodic Review of Personal Care Services Eligibility

(1) A child or young adult's eligibility for personal care services must be reviewed annually from the initial date of the personal care services plan, unless an earlier date for reassessment has been approved in the personal care services plan.

(2) The child or young adult's caseworker may refer the child or young adult for a personal care services reassessment earlier than the date approved in the personal care services plan if the child or young adult's need for personal care services has changed. The Personal Care Nurse Coordinator must approve the referral.

(3) The Department must send a notice to the foster parent or relative caregiver, on behalf of the child or young adult, at least 14 days prior to conducting a personal care services reassessment. The notice must include:

(a) A description and explanation of the personal care services assessment process;

(b) An explanation of the process for appealing the results of the personal care services assessment; and

(c) A description of the foster parent or relative caregiver's right, on behalf of the eligible child or young adult, to set the date, time, and place of the personal care services assessment at a location that is convenient for him or her and to invite other persons to participate in the personal care services assessment.

(4) The contract registered nurse or Personal Care Nurse Coordinator must follow the process set forth in OAR 413-090-0133 when conducting a personal care services reassessment.

Stat. Auth.: ORS 409.050 & 418.005  
Stats. Implemented: ORS 409.010, 418.005 & 418.015

## 413-090-0150

### Payment Determination

(1) Payment for the personal care services identified in the personal care services plan is based on the eligible child or young adult's personal care services at a level of personal care payment that corresponds to the needs identified in the personal care services assessment and is determined by the Department. The levels of personal care are set forth in Exhibit 1.

(a) If the eligible child or young adult qualifies as Level 1 (moderate care), the payment is a maximum of \$207 per month based on the days within the month the child or young adult is eligible for and receives personal care services.

(b) If the eligible child or young adult qualifies as Level 2 (intermediate care), the payment is a maximum of \$413 per month based on the days within the month the child or young adult is eligible for and receives personal care services.

(c) If the eligible child or young adult qualifies as Level 3 (advanced care), the payment is a maximum of \$620 per month based on the days within the month the child or young adult is eligible for and receives personal care services.

(d) If the eligible child or young adult qualifies as Level 4 (intensive care), the payment is an amount authorized by the Department, based on the days within the month the child or young adult is eligible for and receives personal care services and on the intensity and frequency of the personal care services in conjunction with all other medical services provided for the child or young adult.

(2) Payment for personal care services is calculated based on the number of days personal care services were provided to the eligible child or young adult.

(3) Except as provided in section (4) of this rule, payment for personal care services is authorized by the Department when the personal care

services assessment is completed and the contract registered nurse or Personal Care Nurse Coordinator has verified that the provider is a qualified provider.

(4) If the referral for a personal care services assessment was delayed, the Personal Care Nurse Coordinator may authorize payment before the assessment is completed when personal care services were provided by a qualified provider and there is documentation of the child's or young adult's personal care needs.

## 413-090-0210

### Termination of Personal Care Services and Payments

(1) Personal care services provided to a child or young adult are terminated when the child or young adult no longer meets the eligibility requirements under OAR 413-090-0130 or the child or young adult moves.

(2) Personal care services payments are made to the qualified provider as described in OAR 413-190-0150 until a personal care services plan is terminated or the date the child or young adult is no longer in the care of the foster parent or relative caregiver, whichever is earlier.

**Rule Caption:** Changing rules relating to psychotropic medication management for children and young adults in substitute care

**Adm. Order No.:** CWP 3-2015

**Filed with Sec. of State:** 1-1-2015

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 11-1-2014

**Rules Amended:** 413-070-0410, 413-070-0430, 413-070-0450, 413-070-0470, 413-070-0480, 413-070-0490

**Subject:** The Department of Human Services, Office of Child Welfare Programs, is amending its rules related to Psychotropic Medication Management, which describe the responsibilities of the substitute caregiver and the Department when a child or young adult in substitute care is prescribed or administered psychotropic medication. The primary change is to clarify that the Department authorizes, but does not consent to, the administration of psychotropic medication. Other changes are also made to update terminology, clarify language, correct grammar and punctuation, and add and update references.

**Rules Coordinator:** Kris Skaro—(503) 945-6067

## 413-070-0410

### Definitions

The following definitions apply to OAR 413-070-0400 to 413-070-0490:

(1) "Antipsychotic medication" means a medication, specified in class 28:16:08 by the American Hospital Formulary Service, used to treat psychosis and other conditions.

(2) "Assessment" means the determination of a child or young adult's need for mental health services through interviewing the child or young adult and obtaining all pertinent medical and psychosocial history information from the individual, family, and collateral sources. The "assessment:"

(a) Addresses the current complaint or condition presented by the child or young adult;

(b) Determines a diagnosis; and

(c) Provides treatment direction and individualized services and supports.

(3) "Child" means a person under 18 years of age.

(4) "Department" means the Department of Human Services, Child Welfare.

(5) "Foster parent" means a person who operates a home that has been approved by the Department to provide care for an unrelated child or young adult placed in the home by the Department.

# ADMINISTRATIVE RULES

(6) "Licensed medical professional" means an individual who meets the criteria of both of the following subsections:

(a) The individual holds at least one of the following valid licensures or certifications:

(A) Physician licensed to practice in the State of Oregon;

(B) Nurse practitioner certified by the Oregon State Board of Nursing under ORS 678.375; or

(C) Physician assistant licensed to practice in the State of Oregon.

(b) The individual's training, experience, and competence demonstrate expertise in children's mental health, the ability to conduct a mental health assessment, and the ability to provide psychotropic medication management for children and young adults.

(7) "Medically accepted indication," defined in ORS 418.517, means any use for a covered outpatient drug that is approved under the Federal Food, Drug and Cosmetic Act, recommended by the Drug Use Review Board, or the use of which is supported by one or more citations included or approved for inclusion in any of the following compendia:

(a) American Hospital Formulary Services drug information;

(b) United States Pharmacopoeia drug information or any successor publication;

(c) The DRUGDEX Information System; or

(d) Peer-reviewed medical literature.

(8) "Provider" means a person approved by a licensed private child-caring agency to provide care for a child or young adult, or an employee of a licensed private child-caring agency approved to provide care for a child or young adult.

(9) "Psychotropic medication," defined in ORS 418.517, means medication, the prescribed intent of which is to affect or alter thought processes, mood, or behavior, including, but not limited to antipsychotic, antidepressant, and anxiolytic medication and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed because it may have many different effects.

(10) "Qualified mental health professional" means an individual who meets the requirements of both of the following subsections:

(a) Holds at least one of the following educational degrees:

(A) Graduate degree in psychology;

(B) Bachelor's degree in nursing and is licensed by the State of Oregon;

(C) Graduate degree in social work;

(D) Graduate degree in a behavioral science field;

(E) Graduate degree in recreational, art, or music therapy; or

(F) Bachelor's degree in occupational therapy and is licensed by the State of Oregon.

(b) Whose education and experience demonstrates the competencies to:

(A) Identify precipitating events;

(B) Gather histories of mental and physical disabilities, alcohol and drug use, past mental health services, and criminal justice contacts;

(C) Assess family, social, and work relationships;

(D) Conduct a mental status examination;

(E) Document a multiaxial DSM diagnosis;

(F) Develop and supervise a treatment plan;

(G) Conduct a mental health assessment; and

(H) Provide individual, family, or group therapy within the scope of his or her practice.

(11) "Relative caregiver" means an individual who operates a home that has been approved by the Department to provide care for a related child or young adult placed in the home by the Department.

(12) "Substitute care" means the out-of-home placement of a child or young adult who is in the legal or physical custody and care of the Department.

(13) "Substitute caregiver" means a relative caregiver, foster parent, or provider authorized to provide care to a child or young adult in the legal or physical custody of the Department.

(14) "Urgent medical need" means the onset of psychiatric symptoms requiring professional attention within 48 hours to prevent a serious deterioration in a child or young adult's mental or physical condition.

(15) "Young adult" means a person aged 18 through 20 years.

## 413-070-0430

### Department Records, Medication Review, and Consent and Authorization Requirements

(1) The Department must keep the medical and mental health records of any child or young adult in substitute care. As used in this section, "medical and mental health care records" includes a child or young adult's records of medical and mental health care, including but not limited to the names of former and current health providers, medical services and diagnoses, evaluations, immunizations, and prescribed medications.

(2) The caseworker must support timely exchange of medical and mental health care information for a child or young adult in substitute care unless:

(a) A child or young adult has the authority to consent to his or her own health and mental health care; or

(b) The child or young adult's parent or legal guardian retains authority to consent to health care decisions through a Voluntary Custody Agreement or Voluntary Placement Agreement.

(3) The caseworker must:

(a) Provide records of previous mental health assessments and assessment updates, including multiaxial DSM diagnosis and treatment recommendations, and progress records from mental health treatment services to the licensed medical professional prior to the medical appointment or no later than the time at which the licensed medical professional examines the child or young adult when a child or young adult may be receiving a prescription for a psychotropic medication.

(b) Document and timely inform the substitute caregiver of the child or young adult's known health information, including information regarding any prescribed and administered psychotropic medication:

(A) At the time of placement; and

(B) When new or updated health information becomes known to the Department.

(4) To keep accurate medical records and documentation for a child or young adult's medical and mental health history record, the caseworker must:

(a) Retain copies of all medical and mental health records received by the Department in the medical section of the case file of the child or young adult in substitute care.

(b) Document and update records of known health conditions, services, and supports of the child or young adult in substitute care when developing the case plan and at each case plan review.

(c) Receive and review monthly the medication log of the child or young adult in substitute care and retain a copy in the medical section of the case file of the child or young adult and the Department's electronic information system.

(d) Document the medical information of the child or young adult in the Department's electronic information system.

(5) The Department must inform the substitute caregiver of the child or young adult that written authorization, as set forth in the following subsections, is required prior to filling a prescription for a new psychotropic medication unless there is an urgent medical need, in which case prior written authorization is not required.

(a) Unless an exception in subsection (d) of this section applies, the Child Welfare Program Manager or designee must provide written authorization prior to the administration of any new prescription of psychotropic medication to a child or young adult in substitute care when the requirements of at least one of the following paragraphs applies:

(A) The Department is the legal guardian of the child or young adult;

(B) Parental rights have been terminated and the court has ordered permanent commitment of the child or young adult and placed the child or young adult in the legal custody and guardianship of the Department; or

(C) A child or young adult's parents have signed a Release or Surrender Agreement giving the Department guardianship and control over the child or young adult.

(b) When the authority to provide authorization for psychotropic medication is not given to the Department in the Voluntary Placement Agreement or Voluntary Custody Agreement, the Department must obtain the written consent of a child or young adult's parent or legal guardian for the administration of psychotropic medication.

(c) A child, 15 years of age or older or a young adult may provide written consent for psychotropic medication under ORS 109.640.

(d) Written authorization of the Child Welfare Program Manager or designee is not required prior to the administration of any new prescription of psychotropic medication to a child or young adult in substitute care when the requirements of at least one of the following paragraphs applies:

# ADMINISTRATIVE RULES

(A) A change in the delivery system of a previously prescribed medication;

(B) A change in the dosage of a previously prescribed medication;

(C) A change in medication within the same drug classification;

(D) A one-time medication given prior to a medical procedure; or

(E) An anti-epileptic medication prescribed for a seizure disorder.

(6) After the caseworker has obtained the written authorization for psychotropic medication required under section (5) of this rule, the caseworker must do all of the following:

(a) Complete the notifications required under OAR 413-070-0480 and 413-070-0490.

(b) Ensure a report has been made to the prescribing licensed medical professional when the condition of the child or young adult in substitute care is not improving, is deteriorating, or when the child or young adult, caseworker, substitute caregiver, or other individual has observed suspected side effects of the medication.

(c) Request and receive updated health information about the child or young adult in substitute care and the effects of the prescribed psychotropic medication therapy from the substitute caregiver during the monthly contact with the substitute caregiver required under Child Welfare Policy I-B.1, "Monthly Contact and Monitoring Child and Young Adult Safety," OAR 413-080-0054.

(7) Prior to authorization and administration of a new prescription for more than one psychotropic medication or any antipsychotic medication, the Department must ensure a child or young adult in substitute care has received an assessment from a qualified mental health professional or licensed medical professional unless:

(a) A medication was prescribed for an urgent medical need; or

(b) The prescription is described in paragraphs (5)(d)(A) to (E) of this rule.

(8) The assessment required under section (7) of this rule either must:

(a) Have been completed within the three months prior to the prescription for psychotropic medication; or

(b) Be an update of a prior assessment, which focuses on a new or acute problem, and information from the assessment must be communicated to the licensed medical professional prior to the issuance of a prescription for psychotropic medication.

(9) The Department must ensure the requirements of both of the following subsections are met:

(a) An annual review of psychotropic medications, by an individual other than the prescriber when:

(A) A child or young adult has more than two prescriptions for psychotropic medications; or

(B) A child under six years of age has a prescription for psychotropic medication.

(b) The annual review required under subsection (a) of this section must be conducted by one of the following:

(A) A licensed medical professional;

(B) A qualified mental health professional with the authority to prescribe drugs; or

(C) A licensed pharmacist with the Drug Use Review Program under the Oregon Health Authority, Division of Medical Assistance Programs OAR 410-121-0100.

## 413-070-0450

### Disclosure Requirements for the Department Regarding a Child 14 Years of Age and Older and a Young Adult in Substitute Care

Pursuant to ORS 109.675, a child 14 years of age or older or young adult in substitute care may obtain, without parental knowledge or consent, outpatient diagnosis or treatment of a mental or emotional disorder, or a chemical dependency, excluding methadone maintenance, by a licensed physician, licensed physician assistant, licensed psychologist, registered nurse practitioner, licensed clinical social worker, licensed professional counselor or marriage and family therapist, or a community mental health program established and operated pursuant to ORS 430.620. However, when a child 14 years of age or older or young adult is in substitute care, and the substitute caregiver or the Department has knowledge of any prescription, the notification requirements of OAR 413-070-0470, 413-070-0480, and 413-070-0490 apply.

## 413-070-0470

### Substitute Caregiver Responsibilities

(1) The substitute caregiver must:

(a) Notify the Department within one business day after receiving a new prescription or knowledge of a new prescription for psychotropic medication for a child or young adult; and

(b) Obtain authorization from the Department prior to filling a prescription for and administering a new psychotropic medication.

(2) The substitute caregiver must provide written or verbal notification to the caseworker or caseworker's supervisor within one business day when a licensed medical professional prescribes a change in dosage, suspension, or discontinuation of the current psychotropic medication.

(3) The substitute caregiver must keep current medical and mental health care records and medication logs of a child or young adult in the care or custody of the Department. The records must include all of the following:

(a) Medical and mental health appointments for the child or young adult in substitute care.

(b) Medical and mental health appointment follow-up reports provided to the substitute caregiver.

(c) Any record of any immunization obtained while in the care of the substitute caregiver.

(d) A record of all prescribed medications administered to the child or young adult in substitute care.

(4) A substitute caregiver certified by the Department must keep a current medication log on a form approved by the Department. A provider must keep a current medication log either on the form approved by the Department or on a form provided by the private child-caring agency. The medication log record must include all medications administered to the child or young adult in substitute care and must include all of the following:

(a) The name of the child or young adult in substitute care.

(b) The brand or generic name of the medication, including the prescribed dosage and prescribed dosage administration schedule.

(c) Times and dates of administration or monitored self-administration of the medication.

(d) The name or initials of the substitute caregiver administering the medication or monitoring the self-administration.

(5) The substitute caregiver must provide completed medication logs and any medication records obtained during medical visits and records of appointments to the Department at the end of each month. This must include logs of all medication administered to the child or young adult at school or in settings other than the home of the substitute caregiver.

(6) The substitute caregiver must keep all psychotropic medications properly stored and must:

(a) Ensure the psychotropic medication specifies the dosage and prescribed dosage administration schedule of the licensed medical professional for the psychotropic medication; and

(b) Ensure the psychotropic medication is stored in a safe manner and as prescribed. Psychotropic medication requiring refrigeration must be safely stored under refrigeration.

(7) The substitute caregiver may not discontinue, change, or otherwise alter the prescribed administration of a psychotropic medication for a child or young adult in substitute care without direction from the licensed medical professional.

(8) The substitute caregiver may not use alternative medications intended to alter or affect mood or behavior, such as herbal supplements, nutritional supplements, or homeopathic remedies, without direction and supervision of a licensed medical professional, and must notify the Department when any such alternative medication is directed.

## 413-070-0480

### Notification Timelines for Psychotropic Medication Therapy

(1) The Department must provide written notification to the parties identified in section (2) of this rule within a timely manner, not to exceed ten business days after:

(a) The Department receives notice that a psychotropic medication has been prescribed for a child or young adult in substitute care; or

# ADMINISTRATIVE RULES

(b) Either of the following changes occur in the treatment of a child or young adult in substitute care:

- (A) The prescribed dosage of a psychotropic medication; or
  - (B) Discontinuation of existing psychotropic medication therapy.
- (2) When a child or young adult is in substitute care, written notification is provided to:

- (a) The parent or legal guardian, unless a parent has relinquished parental rights or had parental rights terminated;
- (b) The attorney of the parent or legal guardian;
- (c) The attorney of the child or young adult;
- (d) The court appointed special advocate of the child or young adult, if one has been appointed;

- (e) Any other legal parties to the case; and
- (f) The substitute caregiver.

## 413-070-0490

### Notification Content for Psychotropic Medication Therapy

The notification described in OAR 413-070-0480 must contain all of the following:

- (1) The name and contact information of the prescribing licensed medical professional.
- (2) The diagnosed condition of the child or young adult for which the medication was prescribed.
- (3) The name of the prescribed psychotropic medication.
- (4) The prescribed dosage.
- (5) The dosage recommended pursuant to a medically accepted indication.
- (6) The reason the medication was prescribed.
- (7) The expected benefit of the medication.
- (8) The side effects of the medication.
- (9) Notice of the right to petition the juvenile court for a hearing if there is an objection to the use of the prescribed medication or prescribed dosage.

**Rule Caption:** Clarify that individuals participating in a JOBS Plus activity use the Change Reporting System

**Adm. Order No.:** SSP 1-2015(Temp)

**Filed with Sec. of State:** 1-1-2015

**Certified to be Effective:** 1-1-15 thru 6-29-15

**Notice Publication Date:**

**Rules Amended:** 461-170-0101

**Subject:** OAR 461-170-0101 about the Simplified Reporting System (SRS) is being amended to add a provision that an individual participating in a JOBS (Jobs Opportunity Basic Skills) Plus activity for the JOBS Program will remain in the Change Reporting System (CRS).

**Rules Coordinator:** Kris Skaro—(503) 945-6067

## 461-170-0101

### Simplified Reporting System (SRS); ERDC, SNAP

In the ERDC and SNAP programs:

- (1) OAR 461-170-0101 to 461-170-0104 establish and explain the Simplified Reporting System (SRS).
- (2) A filing group (see OAR 461-110-0370) certified to receive SNAP program benefits for less than six months may not participate in SRS.
- (3) A filing group (see OAR 461-110-0350 and 461-110-0370) with a member working under a JOBS Plus agreement may not participate in SRS.

**Notice Publication Date:**

**Rules Amended:** 461-145-0200

**Subject:** OAR 461-145-0200 about foster care payments and Guardianship Assistance program benefits is being amended to state that the Employment Related Day Care (ERDC) program will no longer count foster care payments or guardianship assistance program benefits as income when a child is receiving such payments.

**Rules Coordinator:** Kris Skaro—(503) 945-6067

## 461-145-0200

### Foster Care Payments and Guardianship Assistance Benefits

Payments for foster care and benefits from the Guardianship Assistance program are treated as follows:

- (1) In all programs except the ERDC and SNAP programs:

(a) If the provider of foster care or the guardian is in the financial group (see OAR 461-110-0530), the payments or benefits are treated as earned income except that it is excluded in the following situations:

(A) The amount the placement agency identifies as being for room and board, clothing, or personal incidental needs (including recreational expenses) of the foster care client is excluded.

(B) The amount designated for special need items of the foster care client is excluded.

(b) If the provider of foster care or the guardian is not in the financial group, the payments or benefits are excluded.

- (2) In the ERDC program, the payments or benefits are excluded.

- (3) In the SNAP program:

(a) The payments or benefits are counted as unearned income only if the person in foster care or under guardianship is in the filing group (see OAR 461-110-0370). The payments or benefits are excluded if the person in foster care or under guardianship is in the household group (see 461-110-0210) but not in the filing group.

(b) The payments or benefits are counted as self-employment income if the provider of foster care and the person receiving the care or the guardian and the person under guardianship are not in the same household.

**Rule Caption:** Allowing some TANF clients to voluntarily participate in the JOBS program

**Adm. Order No.:** SSP 3-2015(Temp)

**Filed with Sec. of State:** 1-1-2015

**Certified to be Effective:** 1-1-15 thru 6-29-15

**Notice Publication Date:**

**Rules Amended:** 461-190-0211

**Subject:** OAR 461-190-0211 about case plan activities and standards for support service payments for the Department's Temporary Assistance for Needy Families (TANF) Job Opportunity and Basic Skills (JOBS) program is being amended to allow TANF individuals who are not required to participate in JOBS requirements due to having a child under the age of six months old to voluntarily participate in the JOBS program.

**Rules Coordinator:** Kris Skaro—(503) 945-6067

## 461-190-0211

### Case Plan Activities and Standards for Support Service Payments; JOBS, Post-TANF, Pre-TANF, REF, SFPSS, TA-DVS, TANF

In the JOBS, Post-TANF, Pre-TANF, REF, SFPSS, TA-DVS, and TANF programs, notwithstanding any other administrative rule in Chapter 461 and subject to the limitations of state funding, the following special provisions apply:

(1) Participation in an activity (see OAR 461-001-0025) is limited as provided in each of the following subsections:

(a) An individual who is determined to be a work-eligible individual according to federal definition (45 CFR 261.2(n)(1)). Unless section (10), (11), or (12) of this rule applies, no other individual may participate in and

# ADMINISTRATIVE RULES

access JOBS contract activities and support services (see OAR 461-001-0025).

(b) An individual who is an applicant in the Pre-TANF program, a recipient of TANF or Post-TANF program benefits, or has become over-income due to earnings in an on-the-job training (see OAR 461-001-0025) activity pursuant to section (12) of this rule.

(2) For eligible individuals, subject to the requirements and limitations in sections (1), (5), (6), and (7) of this rule, the following activities will be available, and include support services payments if needed:

(a) Job search (see OAR 461-001-0025).

(b) JOBS Plus (see OAR 461-001-0025 and OAR 461-101-0010) is limited to six months per individual, unless circumstances unique to the employment situation are identified and warrant the Department to approve a limited number of additional months.

(c) Work experience (see OAR 461-001-0025).

(d) Sheltered or supported work (see OAR 461-001-0025).

(e) High School or GED Completion Attendance (see OAR 461-001-0025).

(f) Parents as Scholars (see OAR 461-001-0025).

(g) Limited family stability (see OAR 461-001-0000).

(A) Drug and alcohol services (see OAR 461-001-0025).

(B) Mental health services (see OAR 461-001-0025).

(C) Attending medical appointments or services.

(D) Rehabilitative activities (see OAR 461-001-0025).

(E) Crisis Intervention (see OAR 461-001-0025).

(F) SSI application process.

(h) Vocational training (see OAR 461-001-0025).

(i) Life Skills (see OAR 461-001-0025).

(j) On-the-job training (see OAR 461-001-0025).

(k) Unsubsidized employment (work).

(l) Adult Basic Education (see OAR 461-001-0025).

(3) The following activities will not include support services payments:

(a) Domestic Violence Intervention.

(b) Family Support & Connections.

(c) Microenterprise (see OAR 461-001-0025).

(d) Post-TANF.

(e) Program entry (see OAR 461-001-0025).

(f) Self Initiated Training (see OAR 461-001-0025).

(4) Participation in an activity is based on whether an individual is Job Ready, Near Job Ready, Not Job Ready, or a teen parent (see OAR 461-001-0000 and 461-001-0025).

(a) Job Ready means the individual has no barrier (see OAR 461-001-0025) or current barriers do not impact participation or employment. In addition, the individual has all of the following:

(A) Prior stable work history, either paid or unpaid.

(B) Had not voluntarily quit or been dismissed from their most recent employment (see OAR 461-135-0070), without good cause (see OAR 461-135-0070).

(C) Reliable or available transportation.

(D) No outstanding legal issues that would impact or prevent employment.

(E) Access to reliable child care within support services limits, or does not need help to pay for child care, or does not need child care.

(b) Near Job Ready means the individual has minimal barriers to participation or employment and the individual is addressing the barriers. In addition, the individual has all of the following:

(A) Limited or no work history, either paid or unpaid.

(B) Reliable or available transportation.

(C) No outstanding legal issues that would impact or prevent employment, or such legal issues are identified and are being addressed.

(D) Access to reliable child care within support services limits, or does not need help to pay for child care, or does not need child care.

(c) Not Job Ready means the individual has one or more barriers to participation or employment or is in crisis, and the individual is not addressing the barriers. For example, the individual has one or more of the following:

(A) Lack of stable housing that is preventing participation in an activity or employment.

(B) Domestic violence, mental health or alcohol and drug issues, and the individual is not addressing the issue.

(C) Medical issues that prevent participation in an activity or employment.

(D) Outstanding legal issues that would impact or prevent employment.

(E) Literacy issues that impact the ability for the individual to participate in an activity or obtain employment.

(5) In approving JOBS program support services payments, the Department must consider lower cost alternatives. It is not the intent of the Department or of this rule to supplant Department funding with other funding that is available in the community. It is the Department's expectation that case managers and clients will work collaboratively to seek resources that are reasonably available to the client in order to participate in activities.

(6) Payments for support services are only provided when:

(a) Necessary to participate in activities in a signed case plan;

(b) Authorized in advance; and

(c) All other provisions of this rule are met.

(7) Payments for support services are subject to the following limitations:

(a) Child Care. Payments for child care may be authorized, as limited by OAR 461-160-0040, if necessary to enable Job Ready or Near Job Ready individuals or teen parents to participate in an approved JOBS program activity specified in the individual's case plan, or a Not Job Ready individual approved by the district to complete a family stability activity. If authorized, payment for child care will be:

(A) The lesser of the actual rate charged by the care provider and the rate established in OAR 461-155-0150. The Department rate for children in care less than 158 hours in a month is limited by OAR 461-155-0150.

(B) The minimum hours necessary, including meal and commute time, for the individual to participate in an approved JOBS program activity.

(b) Transportation. The Department may provide payments for a Job Ready or Near Job Ready individual or teen parent for transportation costs incurred in travel to and from an approved JOBS program activity or a Not Job Ready individual approved by the district to complete a family stability activity. Payment is made only for the cost of public transportation or the cost of fuel. Payments are subject to the following considerations:

(A) Payment for public transportation is a priority over payment for a privately owned vehicle.

(B) Payment for fuel costs for a privately-owned vehicle is only provided if the client or individual providing the transportation has a valid driver's license and vehicle insurance and either of the following is true:

(i) No public transportation is available or the client is unable to use public transportation because of a verifiable medical condition or disability for which no accommodation is available.

(ii) Public transportation is available but is more costly than the cost of fuel.

(c) Housing and Utilities. Payments for housing and utilities are not allowed.

(d) Other Payments. When the need is identified by the district and no other sources are available, the Department may provide other payments needed:

(A) To look for work.

(B) To accept a job offer.

(C) To attain a high school diploma or GED.

(D) For books and supplies for a participant to complete a district-approved vocational training.

(E) Other payments with manager approval that are not otherwise restricted by rule.

(e) None of the following payments are allowed:

(A) Non-essential items.

(B) Television, cable, and internet.

(C) Fines, reinstatement fees, restitution, legal fees, civil fees, court costs, or other costs associated with a penalty.

(D) Purchase of a car, recreational vehicle, or motor home.

(E) Support services for exempt individuals.

(F) Pet-related costs.

(G) ERDC co-payments.

(8) The Department may require an individual to provide verification of a need for, or costs associated with, support services prior to approval and issuance of payment if verification is reasonably available.

(9) The Department may reduce, close, or deny in whole or in part an individual's request for a support services payment in the following circumstances:

(a) The individual is disqualified for failing to comply with a case plan, unless the payment in question is necessary for the individual to demonstrate cooperation with his or her case plan.

(b) The purpose for the payment is not related to the individual's case plan.

# ADMINISTRATIVE RULES

(c) The individual disagrees with a support services payment offered or made by the Department as outlined in the individual's case plan.

(d) The individual is not determined to be a Job Ready or Near Job Ready individual, a Not Job Ready individual in a family stability activity, or a teen parent.

(10) Subject to the availability of services and local budget, an individual who is not a teen parent and who is otherwise exempt from JOBS requirements as a one-parent household with a dependent child (see OAR 461-001-0000) under six months of age may be a volunteer (see 461-130-0305) and participate, and may be eligible for support services payments.

(11) An individual who has gone over-income for the TANF program due to earnings and needs to increase activity hours to meet Post-TANF federally required participation rates (see OAR 461-001-0025) may be a volunteer and participate.

(12) An individual who has become over-income for the TANF program due to earnings in an on-the-job training activity is eligible to receive support services for no more than three months, unless circumstances unique to the situation are identified and warrant the Department to approve a limited number of additional months. Eligibility for support services under this section is only permitted while the individual continues to participate in the on-the-job training activity.

**Rule Caption:** Amending rules relating to public assistance programs, including SNAP, TANF, and OSIPM

**Adm. Order No.:** SSP 4-2015

**Filed with Sec. of State:** 1-1-2015

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 11-1-2014

**Rules Amended:** 461-115-0071, 461-135-0780, 461-145-0220, 461-155-0250, 461-155-0270, 461-155-0300, 461-160-0015, 461-160-0580, 461-160-0620

**Rules Repealed:** 461-115-0071(T), 461-125-0190, 461-160-0015(T)

**Subject:** OAR 461-115-0071 about who must sign the application and complete the application process is being amended to make permanent temporary changes adopted July 16, 2014 to allow an employee of a public institution to witness the mark of an inmate who is applying for OSIPM Medicaid services, when that inmate is unable to sign the application.

OAR 461-125-0190 about the unemployment or underemployment of the principal wage earner (PWE) is being repealed because the concept of the PWE is no longer used when determining TANF eligibility.

OAR 461-135-0780 about eligibility for Pickle Amendment clients in the OSIPM program, 461-145-0220 about treatment of the home, 461-155-0250 about income and payment standard for OSIPM, 461-155-0270 about room and board standards for OSIPM, 461-155-0300 about shelter-in-kind standard for OSIP, OSIPM and QMB, 461-160-0580 about excluded resources (community spouse provision) OSIPM program (except OSIP-EPD and OSIPM-EPD), and 461-160-0620 about income deductions and client liability for Long Term Care Services and Waivered Services are being amended to reflect the annual federal cost of living adjustments.

461-160-0015 about resource limits is being amended to reflect the annual federal cost of living adjustments and to make permanent a

temporary change adopted October 1, 2014 that increased the resource limit for some SNAP households from \$2,000 to \$2,250.

**Rules Coordinator:** Kris Skaro—(503) 945-6067

## 461-115-0071

### Who Must Sign the Application and Complete the Application Process

(1) In the ERDC, REF, REFM, and TANF programs, the following individuals must sign the application and complete the application process:

(a) In the ERDC program, a caretaker (see OAR 461-001-0000).

(b) In the REF, REFM, and TANF programs, at least one caretaker relative (see OAR 461-001-0000).

(2) In the EA program:

(a) A caretaker relative must sign the application and complete the application process for a child (see OAR 461-001-0000). If the child is not living with a caretaker relative, another adult may act on behalf of the child.

(b) If the caretaker relative lives with a spouse (see OAR 461-001-0000), both must sign the application.

(c) A dependent child 18 years of age who applies must sign the application and complete the application process.

(3) In the GA, GAM, OSIPM, and QMB programs, at least one adult requesting assistance must complete the application process and sign the application, if able. If there is no adult who is able to sign the application and complete the application process, this may be done by the authorized representative (see OAR 461-115-0090). If the applicant dies prior to the determination of eligibility for OSIPM, the application may be processed if the Department receives the required verification.

(4) In the SNAP program, the primary person (see OAR 461-001-0015), the spouse of the primary person, or another adult member of the filing group (see 461-110-0370) must sign the application and complete the application process.

(5) An individual required to sign the application but unable to sign may sign with a mark, witnessed by an employee of the:

(a) Branch office (see OAR 461-001-0000); or

(b) Public institution (see OAR 461-135-0950), when the individual applying is an inmate (see 461-135-0950) and is applying for benefits under the OSIPM program.

## 461-135-0780

### Eligibility for Pickle Amendment Clients; OSIPM

(1) An individual is eligible for OSIPM under this rule and the so-called Pickle amendment (Pub. L. No. 94 566, § 503, title V, 90 Stat. 2685 (1976)), if the individual meets all other eligibility requirements, and:

(a) Is receiving Social Security Benefits (SSB);

(b) Was eligible for and receiving SSI or state supplements but became ineligible for those payments after April 1977; and

(c) Would be eligible for SSI or state supplement if the SSB COLA increases paid under section 215(i) of the Social Security Act, after the last month the individual was both eligible for and received SSI or a supplement and was entitled to SSB, were deducted from current SSB.

(2) The SSB amount received by the individual when the individual became ineligible for SSI or OSIPM is used as the individual's countable (see OAR 461-001-0000) Social Security income, for the purposes of the Pickle Amendment. If the amount cannot be determined using the information provided by the SSA, it is calculated in accordance with sections (3) and (5) of this rule.

(3) Determine the month in which the individual was entitled to Social Security and received SSI in the same month. Use the table in section (5) of this rule to find the percentage that applies to that month. Multiply the present amount of the individual's Social Security benefits by the applicable percentage. This amount, rounded down to the next lower whole dollar, is the individual's countable Social Security for purposes of this rule and the Pickle Amendment.

(4) Add the amount determined in accordance with section (2) or (3) of this rule to any other countable unearned income plus adjusted earned income of the individual, and if the total is less than the full SSI income standard for a single individual plus the \$20 unearned income deduction (OAR 461-160-0550), the individual is eligible for OSIPM for purposes of this rule and the Pickle amendment.

# ADMINISTRATIVE RULES

(a) For spouses in the same financial group (see OAR 461-110-0530), determine the spouse's SSB amount in the year the individual stopped receiving SSI or perform the above calculation for the spouse's Social Security benefit using the same multiplier, regardless of whether or not the spouse (see 461-001-0000) received SSI, combine the results and add the subtotal to all other countable unearned and adjusted earned income.

(b) If the total is less than the full SSI standard for a couple plus the \$20 unearned income deduction (OAR 461-160-0550), the couple is eligible for OSIPM for purposes of this rule and the Pickle amendment. All other financial and non-financial eligibility criteria must be met.

(5) The following guide contains the calculations used to determine the SSB for prior years (use this table only if you cannot determine the prior year's amount using information provided by SSA): [Table not included. See ED. NOTE.]

[ED. NOTE: Calculations referenced are available from the agency.]

## 461-145-0220

### Home

(1) Home defined: A home is the place where the filing group (see OAR 461-110-0310) lives. A home may be a house, boat, trailer, mobile home, or other habitation. A home also includes the following:

(a) Land on which the home is built and contiguous property.

(A) In all programs except the GA, GAM, OSIP, OSIPM, QMB, and SNAP programs, property must meet all the following criteria to be considered contiguous property:

(i) It must not be separated from the land on which the home is built by land owned by people outside the financial group (see OAR 461-110-0530).

(ii) It must not be separated by a public right-of-way, such as a road.

(iii) It must be property that cannot be sold separately from the home.

(B) In the GA, GAM, OSIP, OSIPM, QMB, and SNAP programs, contiguous property is property not separated from the land on which the home is built by land owned by people outside the financial group.

(b) Other dwellings on the land surrounding the home that cannot be sold separately from the home.

(2) Exclusion of home and other property:

(a) For an individual who has an initial month (see OAR 461-001-0000) of long-term care on or after January 1, 2006:

(A) For purposes of this subsection:

(i) The definition of "child" in OAR 461-001-0000 does not apply.

(ii) "Child" means a biological or adoptive child who is:

(I) Under age 21; or

(II) Any age and meets the Social Security Administration criteria for blindness or disability.

(B) The equity value of a home is excluded if the requirements of at least one of the following subparagraphs are met:

(i) The "child" of the individual occupies the home.

(ii) The spouse (see OAR 461-001-0000) of the individual occupies the home.

(iii) The equity in the home is \$552,000 or less, and the requirements of at least one of the following sub-subparagraphs are met:

(I) The individual occupies the home.

(II) The home equity is excluded under OAR 461-145-0250.

(III) The home is listed for sale per OAR 461-145-0420.

(iv) Notwithstanding OAR 461-120-0330, the equity in the home is more than \$552,000 and the individual is unable legally to convert the equity value in the home to cash.

(b) For all other filing groups, the value of a home is excluded when the home is occupied by any member of the filing group.

(c) In the SNAP program, the value of land is excluded while the group is building or planning to build their home on it, except that if the group owns (or is buying) the home they live in and has separate land they intend to build on, only the home in which they live is excluded, and the

land they intend to build on is treated as real property in accordance with OAR 461 145 0420.

(3) Exclusion during temporary absence: If the value of a home is excluded under section (2) of this rule, the value of this home remains excluded in each of the following situations:

(a) In all programs except the GA, GAM, OSIP, OSIPM, and QMB programs, during the temporary absence of all members of the filing group from the property, if the absence is due to illness or uninhabitability (from casualty or natural disaster), and the filing group intends to return home.

(b) In the SNAP program, when the financial group is absent because of employment or training for future employment.

(c) In the GA, GAM, OSIP, OSIPM, and QMB programs, when the individual is absent to receive care in a medical institution, if one of the following is true:

(A) The absent individual has provided evidence that the individual will return to the home. The evidence must reflect the subjective intent of the individual, regardless of the individual's medical condition. A written statement from a competent individual is sufficient to prove the intent.

(B) The home remains occupied by the individual's spouse, child, or a relative dependent on the individual for support. The child must be less than 21 years of age or, if over the age of 21, blind or an individual with a disability as defined by SSA criteria.

(d) In the REF, REFM, and TANF programs, when all members of the filing group are absent because:

(A) The members are employed in seasonal employment and intend to return to the home when the employment ends; or

(B) The members are searching for employment, and the search requires the members to relocate away from their home. If all members of the filing group are absent for this reason, the home may be excluded for up to six months from the date the last member of the filing group leaves the home to search for employment. After the six months, if a member of the filing group does not return, the home is no longer excluded.

## 461-155-0250

### Income and Payment Standard; OSIPM

(1) An individual who is assumed eligible per OAR 461-135-0010(6) is presumed to meet the income limits for the OSIPM program.

(2) An individual in a nonstandard living arrangement (see OAR 461-001-0000) meeting the requirements of 461-135-0750, who is not assumed eligible and does not meet the income standards set out in section (4) of this rule, must have countable (see 461-001-0000) income that is equal to or less than 300 percent of the full SSI standard for a single individual (except OSIPM-EPD) or have established a qualifying trust as specified in 461-145-0540(9)(c).

(3) The OSIPM (except OSIPM-EPD) adjusted income standard takes into consideration the need for shelter (housing and utilities), food, and other items. The standard is itemized as follows: [Table not included. See ED. NOTE.]

(4) An individual, other than one identified in section (1), (2), or (6) of this rule, must have adjusted income below the standard in this section. The Department determines the adjusted number in the household under OAR 461-155-0020. [Table not included. See ED. NOTE.]

(5) In the OSIPM (except OSIPM-EPD) program, an individual in a nursing facility or an ICF-MR is allowed the following amounts for clothing and personal incidentals:

(a) For an individual who receives a VA pension based on unreimbursed medical expenses (UME), \$90 is allowed.

(b) For all other individuals, \$60 is allowed.

(c) For an individual identified in subsection (b) of this section with countable income (including any SSI) that is less than \$60, the payment standard is equal to the difference between the individual's countable income (including any SSI) and \$60. For the purposes of this subsection, countable income includes income that would otherwise be countable for an individual who is assumed eligible under OAR 461-135-0010.

(6) In the OSIPM-EPD program, the adjusted earned income limit is 250 percent of the federal poverty level for a family of one.

[ED. NOTE: Tables referenced are available from the agency.]

## 461-155-0270

### Room and Board Standard; OSIPM

For an OSIPM program client in a community based care (see OAR 461-001-0000) facility, the room and board standard is \$570.00. A client residing in a community based care facility must pay room and board.

### Shelter-in-Kind Standard

In the OSIP, OSIPM, and QMB programs, the Shelter-in-Kind Standard is:

(1) For a single individual:

(a) Living alone, \$450 for total shelter or \$270 for housing costs only.

(b) Living with others, \$208 for total shelter or \$125 for housing costs only.

(2) For a couple:

(a) Living alone, \$557 for total shelter or \$334 for housing costs only.

(b) Living with others, \$206 for total shelter or \$124 for housing costs only.

## 461-160-0015

### Resource Limits

(1) In the EA program, all countable (see OAR 461-001-0000) resources must be used to meet the emergent need.

(2) In the ERDC and REFM programs, there is no resource limit.

(3) In the GA, GAM, OSIP, and OSIPM programs, the resource limit is as follows:

(a) \$2,000 for a one-person need group (see OAR 461-110-0630) and \$3,000 for a two-person need group.

(b) \$1,000 for an OSIP need group eligible under OAR 461 135 0771. The total cash resources may not exceed \$500 for a one-person need group or \$1,000 for a two-person need group.

(c) \$5,000 is the limit for the OSIP-EPD and OSIPM-EPD programs (see OAR 461-001-0035 and 461-145-0025 for funds that may be excluded as approved accounts).

(4) In the REF and TANF programs, the resource limit is:

(a) \$2,500 for any of the following:

(A) A new REF or TANF applicant for benefits.

(B) REF and TANF need groups which do not have at least one caretaker relative (see OAR 461-001-0000) or parent (see OAR 461-001-0000) who is receiving TANF.

(C) REF and TANF need groups which have at least one JOBS participant who is:

(i) Receiving TANF and not progressing in an activity (see OAR 461-001-0025) of an open JOBS case plan (see 461-001-0025); or

(ii) Serving a current JOBS disqualification (see OAR 461-130-0330).

(b) \$10,000 for a need group not covered under subsection (a) of this section.

(5) In the QMB program, the resource limit is amended in January of each year based on the low income subsidy for Medicare Part D as published by the Health Resources and Services Administration of the U.S. Department of Health and Human Services. Effective January 1, 2015 the resource limit is \$7,280 for a one-person need group and \$10,930 for a need group containing two or more individuals.

(6) In the SNAP program, the resource limit is:

(a) \$3,250 for a financial group (see OAR 461-110-0530) with at least one member who is elderly (see 461-001-0015) or an individual with a disability (see 461-001-0015).

(b) \$2,250 for all other financial groups.

## 461-160-0580

### Excluded Resource; Community Spouse Provision (OSIPM except OSIPM-EPD)

In the OSIPM (except OSIPM-EPD) program:

(1) This rule applies to an institutionalized spouse (see OAR 461-001-0030) who has applied for benefits because the individual is in or will be in a continuous period of care (see 461-001-0030).

(2) Whether a legally married (see OAR 461-001-0000) couple lives together or not, the determination of whether the value of the couple's resources exceeds the eligibility limit for the institutionalized spouse for the OSIPM program is made as follows:

(a) The first step is the determination of what the couple's combined countable (see OAR 461-001-0000) resources were at the beginning of the most recent continuous period of care. (The beginning of the continuous period of care is the first month of that continuous period.)

(A) Division 461-140 and 461-145 rules applicable to OSIPM describe which of the couple's resources are countable resources, and are applicable to determine whether a community spouse's resources are countable, even if the rule only applies to OSIPM clients.

(B) The countable resources of both spouses are combined.

(C) At this point in the computation, the couple's combined countable resources are considered available equally to both spouses.

# ADMINISTRATIVE RULES

(b) The second step is the calculation of one half of what the couple's combined countable resources were at the beginning of the continuous period of care. The community spouse's half of the couple's combined resources is treated as a constant amount when determining eligibility.

(c) The third step is the determination of the community spouse's resource allowance. The community spouse's resource allowance is the largest of the four following amounts:

(A) The community spouse's half of what the couple's combined countable resources were at the beginning of the continuous period of care, but not more than \$119,220.

(B) \$23,844 (the state community-spouse resource allowance).

(C) A court-ordered community spouse resource allowance. In this paragraph and paragraph (2)(f)(C) of this rule, the term "court-ordered community spouse resource allowance" means a "court-ordered community spouse resource allowance" that, in relation to the income generated, would raise the community spouse's income to a court-approved monthly maintenance needs allowance. In cases where the client became an institutionalized spouse on or after February 8, 2006, this resource allowance must use all of the client's available income and the community spouse's income to meet the community spouse's monthly maintenance needs allowance before any resources are used to generate interest income to meet the allowance.

(D) After considering the income of the community spouse (see OAR 461-001-0030) and the income available from the institutionalized spouse, an amount which, if invested, would raise the community spouse's income to the monthly maintenance needs allowance. The amount described in this paragraph is the amount required to purchase a single premium immediate annuity to make up the shortfall; and the amount described in this paragraph is considered only if the amount described in subparagraph (i) of this paragraph is larger than the amount described in subparagraph (ii); it is the difference between the following:

(i) The monthly income allowance computed in accordance with OAR 461-160-0620.

(ii) The difference between:

(I) The sum of gross countable income of the community spouse and the institutionalized spouse; and

(II) The applicable need standard under OAR 461-160-0620(3)(c).

(d) The fourth step is the determination of what the couple's current combined countable resources are when a resource assessment is requested or the institutionalized spouse applies for OSIPM. The procedure in subsection (2)(a) (first step) of this rule is used.

(e) The fifth step is the subtraction of the community spouse's resource allowance from the couple's current combined countable resources. The resources remaining are considered available to the institutionalized spouse.

(f) The sixth step is a comparison of the value of the remaining resources to the OSIPM resource standard for one person (under OAR 461-160-0015(3)(a)). If the value of the remaining resources is at or below the standard, the institutionalized spouse meets this eligibility requirement. If the value of the remaining resources is above the standard, the institutionalized spouse cannot be eligible until the value of the couple's combined countable resources is reduced to the largest of the four following amounts:

(A) The community spouse's half of what the couple's combined countable resources were at the beginning of the continuous period of care (but not more than \$119,220) plus the OSIPM resource standard for one person.

(B) \$23,844 (the state community-spouse resource allowance), plus the OSIPM resource standard for one person.

(C) A "court-ordered community spouse resource allowance" plus the OSIPM resource standard for one person. (See paragraph (2)(c)(C) of this rule for a description of the "court-ordered community spouse resource allowance".)

(D) The OSIPM resource standard for one person plus the amount described in the remainder of this paragraph. After considering the income of the community spouse and the income available from the institutionalized spouse, add an amount which, if invested, would raise the community spouse's income to the monthly maintenance needs allowance. This amount is the amount required to purchase a single premium immediate annuity to make up the shortfall. Add this amount only if the amount described in subparagraph (i) of this paragraph is larger than the amount described in subparagraph (ii); it is the difference between the following:

(i) The monthly income allowance computed in accordance with OAR 461-160-0620.

(ii) The difference between:

(I) The sum of gross countable income of the community spouse and the institutionalized spouse; and

(II) The applicable need standard under OAR 461-160-0620(3)(c).

(3) Once eligibility has been established, resources equal to the community spouse's resource allowance (under subsection (2)(c) of this rule) must be transferred to the community spouse if those resources are not already in that spouse's name. The institutionalized spouse must indicate his or her intent to transfer the resources and must complete the transfer to the community spouse within 90 days. This period may be extended for good cause. These resources are excluded during this period. After this period, resources owned by the institutionalized spouse but not transferred out of that spouse's name will be countable and used to determine ongoing eligibility.

(4) The provisions of paragraph (2)(c)(C) of this rule requiring income to be considered first may be waived if the Department determines that the resulting community resource allowance would create an undue hardship on the spouse (see OAR 461-001-0000) of the client.

## 461-160-0620

### Income Deductions and Client Liability; Long-Term Care Services or Home and Community-Based Care; OSIPM

In the OSIPM program:

(1) Deductions from income are made for an individual residing in or entering a long-term care facility or receiving home and community-based care (see OAR 461-001-0030) as explained in subsections (3)(a) to (3)(h) of this rule.

(2) Except as provided otherwise in OAR 461-160-0610, the liability of the individual is determined according to subsection (3)(i) of this rule.

(3) Deductions are made in the following order:

(a) One standard earned income deduction of \$65 is made from the earned income in the OSIPM-AD and OSIPM-OAA programs. The deduction is \$85 in the OSIPM-AB program.

(b) The deductions under the plan for self-support as allowed by OAR 461-145-0405.

(c) One of the following need standards:

(A) A \$60 personal needs allowance for an individual receiving long-term care services.

(B) A \$90 personal needs allowance for an individual receiving long-term care services who is eligible for VA benefits based on unreimbursed medical expenses. The \$90 allowance is allowed only when the VA benefit has been reduced to \$90.

(C) For an individual who receives home and community-based care:

(i) Except as provided in subparagraph (ii) of this paragraph, the OSIPM maintenance standard.

(ii) For an individual who receives in-home services, the OSIPM maintenance standard plus \$500.

(d) A community spouse (see OAR 461-001-0030) monthly income allowance is deducted from the income of the institutionalized spouse (see OAR 461-001-0030) to the extent that the income is made available to or for the benefit of the community spouse, using the following calculation.

(A) Step 1 — Determine the maintenance needs allowance. \$1,967 is added to the amount over \$590 that is needed to pay monthly shelter expenses for the principal residence of the couple. This sum or \$2,980.50 whichever is less, is the maintenance needs allowance. For the purpose of this calculation, shelter expenses are the rent or home mortgage payment (principal and interest), taxes, insurance, required maintenance charges for a condominium or cooperative, and the full standard utility allowance for the SNAP program (see OAR 461-160-0420).

(B) Step 2 — Compare maintenance needs allowance with community spouse's countable income. The countable (see OAR 461-001-0000)

# ADMINISTRATIVE RULES

## Department of Human Services, Vocational Rehabilitation Services Chapter 582

income of the community spouse is subtracted from the maintenance needs allowance determined in step 1. The difference is the income allowance unless the allowance described in step 3 is greater.

(C) Step 3 — If a spousal support order or exceptional circumstances resulting in significant financial distress require a greater income allowance than that calculated in step 2, the greater amount is the allowance.

(e) A dependent income allowance as follows:

(A) For a case with a community spouse, a deduction is permitted only if the monthly income of the eligible dependent is below \$1,967. To determine the income allowance of each eligible dependent:

(i) The monthly income of the eligible dependent is deducted from \$1,967.

(ii) One-third of the amount remaining after the subtraction in paragraph (A) of this subsection is the income allowance of the eligible dependent.

(B) For a case with no community spouse:

(i) The allowance is the TANF adjusted income standard for the individual and eligible dependents.

(ii) The TANF standard is not reduced by the income of the dependent.

(f) Costs for maintaining a home if the individual meets the criteria in OAR 461-160-0630.

(g) Medical deductions allowed by OAR 461-160-0030 and 461-160-0055 are made for costs not covered under the state plan. This includes the public and private health insurance premiums of the community spouse and the individual's dependent.

(h) After taking all of the deductions allowed by this rule, the remaining balance is the adjusted income.

(i) The individual's liability is determined as follows:

(A) For an individual receiving home and community-based care (except an individual identified in OAR 461-160-0610(4)), the liability is the actual cost of the home and community-based care or the adjusted income of the individual, whichever is less. This amount must be paid to the Department each month as a condition of being eligible for home and community-based care. In OSIPM-IC, the liability is subtracted from the gross monthly benefit.

(B) For an individual who resides in a nursing facility, a state psychiatric hospital, an Intermediate Care Facility for the Mentally Retarded, or a mental health facility, there is a liability as described at OAR 461-160-0610.

(4) The deduction used to determine adjusted income for a GA and GAM client receiving long-term care services or home and community-based care is as follows:

(a) One standard earned income deduction of \$65 is made from the earned income for an individual who is not blind; or

(b) One standard earned income deduction of \$85 is made from the earned income for an individual who is blind.

**Rule Caption:** Establish 90 days to vocational plan; aligns Vocational Rehabilitation definitions with WIOA amended Rehabilitation Act.

**Adm. Order No.:** VRS 1-2014

**Filed with Sec. of State:** 12-30-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 582-001-0010, 582-050-0000

**Rules Repealed:** 582-001-0003, 582-001-0005

**Subject:** Vocational Rehabilitation proposes these amendments to comply with requirements of the Rehabilitation Act of 1973, as amended by the Workforce Innovation and Opportunity Act (WIOA), enacted July 22, 2014. See WIOA Bill Public Law No. 113-128.

OAR 582-050-0003 Purpose for Adoption of Procedural Rules and OAR 582-001-0005 General Procedures are no longer necessary.

OAR 582-050-0010 Definitions for Chapter 582 is amended to comply with new and revised definitions in WIOA Bill Public Law No. 113-128.

OAR 582-050-0000 is amended to comply with the required 90 days to plan in WIOA Bill Public Law No. 113-128.

**Rules Coordinator:** Robin Brandt—(503) 945-5857

### 582-001-0010

#### Definitions for Chapter 582

The following definitions apply to each division in chapter 582 of the Oregon Administrative Rules unless otherwise indicated:

(1) "Act" means Public Law No: 113-128, Title IV — Amendments to the Rehabilitation Act of 1973.

(2) "Administrator" means the Administrator of Vocational Rehabilitation.

(3) "Applicant" means an individual who submits an application for vocational rehabilitation services in accordance with 34 CFR 361.41(b)(2).

(4) "Assessment for determining eligibility and vocational rehabilitation needs" means, as appropriate in each case:

(a) A review of existing data to determine if an individual is eligible for vocational rehabilitation services; and to assign priority for an order of selection if in effect; and

(b) To the extent necessary, the provision of appropriate assessment activities to obtain necessary additional data to make the eligibility determination and priority assignment;

(c) To the extent additional data are necessary to make a determination of the employment outcomes and the nature and scope of vocational rehabilitation services to be included in the individualized plan for employment of an eligible individual, a comprehensive assessment to determine the unique strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice, including the need for supported employment, of the eligible individual. This comprehensive assessment:

(A) Is limited to information that is necessary to identify the rehabilitation needs of the individual and to develop the individualized plan for employment of the eligible individual;

(B) Uses as a primary source of information, to the maximum extent possible and appropriate and in accordance with confidentiality requirements: Existing information obtained for the purposes of determining the eligibility of the individual and assigning priority for an order of selection for the individual; and Information that can be provided by the individual and, if appropriate, by the family of the individual;

(C) May include an assessment of the individual's personality, interests, interpersonal skills, intelligence and related functional capacities, educational achievements, work experience, vocational aptitudes, personal and social adjustments, and employment opportunities and the medical, psychiatric, psychological, and other pertinent vocational, educational, cultural, social, recreational, and environmental factors that affect the individual's employment and rehabilitation needs; and

(D) May include an appraisal of the individual's patterns of work behavior and services needed for the individual to acquire occupational skills and to develop work attitudes, work habits, work tolerance, and social and behavior patterns necessary for successful job performance, including the use of work in real job situations to assess and develop the individual's capacities to perform adequately in a work environment;

## ADMINISTRATIVE RULES

(E) To the maximum extent possible, relies on information obtained from experiences in integrated employment settings in the community, and other integrated community settings. (Public Law No: 113-128, Title IV--Amendments to the Rehabilitation Act of 1973 Sec. 404, Definitions)

(d) Referral, for the provision of rehabilitation technology services to the individual, to assess and develop the capacities of the individual to perform in a work environment; and

(e) An exploration of the individual's abilities, capabilities, and capacity to perform in work situations, which must be assessed periodically during trial work experiences, including experiences in which the individual is provided appropriate supports and training.

(5) "Assistive technology" means technology designed to be utilized in an assistive technology device or assistive technology service.

(6) "Assistive technology device" refers to any item, piece of equipment, or product system, whether acquired commercially off the shelf, modified, or customized, that is used to increase, maintain, or improve the functional capabilities of an individual with a disability.

(7) "Assistive technology service" means any service that directly assists an individual with a disability in the selection, acquisition, or use of an assistive technology device, including:

(a) The evaluation of the needs of an individual with a disability, including a functional evaluation of the individual in his or her customary environment;

(b) Purchasing, leasing, or otherwise providing for the acquisition by an individual with a disability of an assistive technology device;

(c) Selecting, designing, fitting, customizing, adapting, applying, maintaining, repairing, or replacing assistive technology devices;

(d) Coordinating and using other therapies, interventions, or services with assistive technology devices, such as those associated with existing education and rehabilitation plans and programs;

(e) Training or technical assistance for an individual with a disability or, if appropriate, the family members, guardians, advocates, or authorized representatives of the individual; and

(f) Training or technical assistance for professionals (including individuals providing education and rehabilitation services), employers, or others who provide services to, employ, or are otherwise substantially involved in the major life functions of individuals with disabilities, to the extent that training or technical assistance is necessary to the achievement of an employment outcome by an individual with a disability.

(8) "CFR" means the Code of Federal Regulations.

(9) "Client Assistance Program" or "CAP" means a federally-funded program authorized under 34 CFR 370 that is independent of the Program and whose purpose is to provide information, advocacy, and legal representation to individuals seeking Program services.

(10) "Community Rehabilitation Program" or "CRP" means:

(a) A program that provides directly or facilitates the provision of one or more of the following vocational rehabilitation services to individuals with disabilities to enable those individuals to maximize their opportunities for employment, including career advancement:

(A) Medical, psychiatric, psychological, social, and vocational services that are provided under one management.

(B) Testing, fitting, or training in the use of prosthetic and orthotic devices.

(C) Recreational therapy.

(D) Physical and occupational therapy.

(E) Speech, language, and hearing therapy.

(F) Psychiatric, psychological, and social services, including positive behavior management.

(G) Assessment for determining eligibility and vocational rehabilitation needs, including technicians for assessment tests.

(H) Rehabilitation technology.

(I) Job development, placement, and retention services.

(J) Evaluation or control of specific disabilities.

(K) Orientation and mobility services for individuals who are blind.

(L) Extended employment.

(M) Psychosocial rehabilitation services.

(N) Supported employment services and extended services.

(O) Customized employment as defined in section (13).

(P) Services to family members if necessary to enable the applicant or eligible individual to achieve an employment outcome.

(Q) Personal assistance services.

(R) Services similar to the services described in subsections (A) through (R) of this definition, including vendors who provide training, write resumes, consult on self-employment plans, assist with a self-employed business, or write PASS plans.

(b) For the purposes of this definition, the agency, organization, or institution, or unit of an agency, organization, or institution, that provides directly or facilitates the provision of vocational rehabilitation services as one of its major functions. It does not include the prospective employer of the individual.

(11) "Comparable services and benefits" means:

(a) Services and benefits that are:

(A) Provided or paid for, in whole or in part, by other Federal, State, or local public agencies, health insurance, or employee benefits;

(B) Available to the individual at the time needed to ensure the progress of the individual toward achieving the employment outcome in the individual's individualized plan for employment in accordance with 34 CFR 361.53; and

(C) Commensurate to the services that the individual would otherwise receive from the Program.

(b) Comparable services and benefits does not include awards and scholarships based on merit.

(12) Competitive Integrated Employment means work that is performed on a full-time or part-time basis and includes self-employment:

(a) For which an individual is compensated at a rate that:

(A) Shall be not less than the higher of the rate specified in section 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)) or the rate specified in the applicable State or local minimum wage law; and

(B) Is not less than the customary rate paid by the employer for the same or similar work performed by other employees who are not individuals with disabilities, and who are similarly situated in similar occupations by the same employer and who have similar training, experience, and skills; or

(C) In the case of an individual who is self-employed, yields an income that is comparable to the income received by other individuals who are not individuals with disabilities, and who are self-employed in similar occupations or on similar tasks and who have similar training, experience, and skills; and

(D) Is eligible for the level of benefits provided to other employees;

(b) That is at a location where the employee interacts with others who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that individuals who are not individuals with disabilities and who are in comparable positions interact with other persons; and

(c) That, if applicable, presents opportunities for advancement that are similar to those for other employees who are not individuals with disabilities and who have similar positions. (Public Law No: 113-128, Title IV--Amendments to the Rehabilitation Act of 1973, Sec. 404, Definitions)

(13) Customized Employment means competitive integrated employment, for an individual with a significant disability, that is based on an individualized determination of the strengths, needs, and interests of the individual with a significant disability, is designed to meet the specific abilities of the individual with a significant disability and the business needs of the employer, and is carried out through flexible strategies, including but not limited to:

(a) Job exploration by the individual;

(b) Working with an employer to facilitate placement, including:

(A) Customizing a job description based on current employer needs or on previously unidentified and unmet employer needs;

(B) Developing a set of job duties, a work schedule and job arrangement, and specifics of supervision, performance evaluation and review, and determining a job location;

(C) Representation by a professional chosen by the individual, or self-representation of the individual, in working with an employer to facilitate placement; and

(D) Providing services and supports at the job location.

(14) "Department" means the Department of Human Services.

(15) "Eligible individual" means an applicant for vocational rehabilitation services who meets the eligibility requirements of 34 CFR 361.42(a).

(16) "Employment outcome" means, with respect to an individual, entering or retaining full-time or, if appropriate, part-time integrated competitive employment, as defined in OAR 582-001-0010(12), in the integrated labor market, supported employment, or any other type of employment in an integrated setting, including customized employment, self-employment, telecommuting, or business ownership, that is consistent with an individual's strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice.

(17) "Extended employment" means work in a non-integrated or sheltered setting for a public or private nonprofit agency or organization that provides compensation in accordance with the Fair Labor Standards Act.

## ADMINISTRATIVE RULES

(18) "Extended services" means ongoing support services and other appropriate services that are needed to support and maintain an individual with a most significant disability in supported employment and that are:

(a) Provided singly or in combination and are organized and made available in such a way as to assist an eligible individual in maintaining supported employment;

(b) Based on a determination of the needs of an eligible individual, as specified in an individualized plan for employment; and,

(c) Provided by a State agency, a private nonprofit organization, employer, or any other appropriate resource, from funds other than Vocational Rehabilitation funds after an individual with a most significant disability has made the transition from support provided by the Program.

(19) "Extreme medical risk" means a probability of substantially increasing functional impairment or death if medical services, including mental health services, are not provided expeditiously.

(20) "Family member," for purposes of receiving vocational rehabilitation services in accordance with 34 CFR 361.48(i), means an individual who:

(a) Is a relative or guardian or lives in the same household of an applicant or eligible individual; and

(b) Has a substantial interest in the well-being of that individual; and

(c) Whose receipt of vocational rehabilitation services is necessary to enable the applicant or eligible individual to achieve an employment outcome.

(21) "Impartial hearing officer" means an individual who:

(a) Is not an employee of a public agency (other than an administrative law judge, hearing examiner, or employee of an institution of higher education). An individual is not considered to be an employee of a public agency for the purposes of this definition solely because the individual is paid by the agency to serve as a hearing officer;

(b) Is not a member of the State Rehabilitation Council for the Program;

(c) Has not been involved previously in the vocational rehabilitation of the applicant or eligible individual;

(d) Has knowledge of the delivery of vocational rehabilitation services, the State plan, and the Federal and State regulations governing the provision of services;

(e) Has received training with respect to the performance of official duties; and

(f) Has no personal, professional, or financial interest that would be in conflict with the objectivity of the individual.

(22) "Individual with a disability" means an individual:

(a) Who has a physical or mental impairment; and

(b) Whose impairment constitutes or results in a substantial impediment to employment; and

(c) Who can benefit in terms of an employment outcome from the receipt of vocational rehabilitation services.

(23) "Individual with a most significant disability" means an eligible individual who:

(a) Has a severe mental or physical impairment that seriously limits two or more functional capacities in mobility, communication, self-care, self-direction, interpersonal skills, work tolerance, or work skills in terms of an employment outcome; and

(b) Is expected to require two or more vocational rehabilitation services over an extended period of time to achieve or maintain a successful employment outcome.

(24) "Individual with a significant disability" means an eligible individual who does not qualify as an individual with a most significant disability as defined in section (23); and

(a) The individual is currently receiving or eligible to receive Social Security Income or Social Security Disability Insurance payments; or

(b) The individual:

(A) Has a severe mental or physical impairment that seriously limits one functional capacity in mobility, communication, self-care, self-direction, interpersonal skills, work tolerance, or work skills in terms of an employment outcome; and

(B) Is expected to require two or more vocational rehabilitation services over an extended period of time to achieve or maintain a successful employment outcome.

(25) "The Individualized Plan for Employment" (IPE) is a blueprint or action plan for attaining the individual's vocational objective. The IPE identifies services necessary to assist the individual to prepare for, secure, retain, or regain an employment outcome consistent with his or her strengths, resources, priorities, concerns, abilities, capabilities, interests and informed choice. The IPE identifies the employment objective,

approved service providers, all program costs, time frames, and the individual's responsibilities under the plan.

(26) "Informed Choice" means that individuals who are applicants for vocational rehabilitation services or eligible individuals receiving such services must be active and full partners throughout the vocational rehabilitation process. Program participants must have the opportunity to make meaningful decisions during assessment for eligibility and in the selection of the employment outcome, services needed to achieve the outcome, service providers, and method of securing services. The Program shall provide information and support services sufficient to inform each applicant and eligible individual about the availability of and opportunity to exercise informed choice

(27) "Integrated setting with respect to providing services" means a setting typically found in the community in which applicants or eligible individuals interact with non-disabled individuals other than non-disabled individuals who are providing services to those applicants or eligible individuals;

(28) "Integrated setting with respect to an employment outcome" means a setting typically found in the community in which applicants or eligible individuals interact with non-disabled individuals, other than non-disabled individuals who are providing services to those applicants or eligible individuals, to the same extent that non-disabled individuals in comparable positions interact with other persons.

(29) "Maintenance" means monetary support provided to an individual for expenses, such as food, shelter, and clothing, that are in excess of the normal expenses of the individual and that are necessitated by the individual's participation in an assessment for determining eligibility and vocational rehabilitation needs or the individual's receipt of vocational rehabilitation services under an individualized plan for employment.

(30) "Mediation" means the act or process of using an independent third party to act as a mediator, intermediary, or conciliator to assist individuals in settling differences or disputes prior to pursuing formal administrative or other legal remedies. Mediation under the Program must be conducted in accordance with the requirements in 34 CFR 361.57(d) by a qualified and impartial mediator as defined in 34 CFR 361.5(b)(43).

(31) "Ongoing support services," as used in the definition of "Supported employment"

(a) Means services that are:

(A) Needed to support and maintain an individual with a most significant disability in supported employment;

(B) Identified based on a determination by the Program of the individual's need as specified in an individualized plan for employment; and

(C) Furnished by the Program from the time of job placement until transition to extended services, unless post-employment services are provided following transition, and thereafter by one or more extended services providers throughout the individual's term of employment in a particular job placement or multiple placements if those placements are being provided under a program of transitional employment;

(b) Must include an assessment of employment stability and provision of specific services or the coordination of services at or away from the worksite that are needed to maintain stability based on:

(A) At a minimum, twice-monthly monitoring at the worksite of each individual in supported employment; or

(B) If under specific circumstances, especially at the request of the individual, the individualized plan for employment provides for off-site monitoring, twice monthly meetings with the individual;

(c) Consist of:

(A) Any particularized assessment supplementary to the comprehensive assessment of rehabilitation needs;

(B) The provision of skilled job trainers who accompany the individual for intensive job skill training at the work site;

(C) Job development and training;

(D) Social skills training;

(E) Regular observation or supervision of the individual;

(F) Follow-up services including regular contact with the employers, individuals, parents, family members, guardians, advocates or authorized representatives of the individuals, and other suitable professional and informed advisors, in order to reinforce and stabilize the job placement;

(G) Facilitation of natural supports at the worksite;

(H) Any other service identified in the scope of vocational rehabilitation services for individuals, described in 34 CFR 361.48; or

(I) Any service similar to the foregoing services.

(32) "Program" means Vocational Rehabilitation.

## ADMINISTRATIVE RULES

(33) "Parent or Guardian" means a person having legal responsibility for the overall welfare and well-being of an individual under age 18 or an individual who, if over age 18, is considered legally incompetent.

(34) "Personal assistance services" means a range of services provided by one or more persons designed to assist an individual with a disability to perform daily living activities on or off the job that the individual would typically perform without assistance if the individual did not have a disability.

(35) "Qualified Personnel" means an individual licensed or certified by the state or an individual who maintains an equivalent licensure or certification from another state to make the diagnosis of an applicant's impairment.

(36) "Pre-Employment Transition Services" means services provided in accordance with Public Law No: 113-128, Title IV--Amendments to the Rehabilitation Act of 197, Section 113.

(a) "Required Activities" provided with funds reserved under Section 110 29 U.S.C. 730, and any funds made available from State, local, or private funding sources shall be used to make available to students with disabilities for

(A) Job exploration counseling;

(B) Work-based learning experiences, which may include in-school or after school opportunities, or experience outside the traditional school setting (including internships), that is provided in an integrated environment to the maximum extent possible;

(C) Counseling on opportunities for enrollment in comprehensive transition or postsecondary educational programs at institutions of higher education;

(D) Workplace readiness training to develop social skills and independent living; and

(E) Instruction in self-advocacy, which may include peer mentoring.

(b) "Authorized Activities" provided with funds available under subsection (a) and remaining after the provision of the required activities described in subsection (a) may be used to improve the transition of students with disabilities described in subsection (a) from school to postsecondary education or an employment outcome by:

(A) Implementing effective strategies to increase the likelihood of independent living and inclusion in communities and competitive integrated workplaces;

(B) Developing and improving strategies for individuals with intellectual disabilities and individuals with significant disabilities to live independently, participate in postsecondary education experiences, and obtain and retain competitive integrated employment;

(C) Providing instruction to vocational rehabilitation counselors, school transition personnel, and other persons supporting students with disabilities;

(D) Disseminating information about innovative, effective, and efficient approaches to achieve the goals of this section;

(E) Coordinating activities with transition services provided by local educational agencies under the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.);

(F) Applying evidence-based findings to improve policy, procedure, practice, and the preparation of personnel, in order to better achieve the goals of this section;

(G) Developing model transition demonstration projects;

(H) Establishing or supporting multistate or regional partnerships involving States, local educational agencies, designated State units, developmental disability agencies, private businesses, or other participants to achieve the goals of this section; and

(I) Disseminating information and strategies to improve the transition to postsecondary activities of individuals who are members of traditionally unserved populations.

(c) "Pre-Employment Transition Coordination" means each local office of the Program shall carry out responsibilities consisting of:

(A) Attending individualized education program meetings for students with disabilities, when invited;

(B) Working with the local workforce development boards, one-stop centers, and employers to develop work opportunities for students with disabilities, including internships, summer employment and other employment opportunities available throughout the school year, and apprenticeships;

(C) Working with schools, including those carrying out activities under section 614(d)(1)(A)(i)(VIII) of the Individuals with Disabilities Education Act (20 U.S.C. 1414(d)(1)(A)(i)(VIII)), to coordinate and ensure the provision of pre-employment transition services; and

(D) When invited, attend person-centered planning meetings for individuals receiving services under title XIX of the Social Security Act (42 U.S.C. 1396 et seq.).

(37) "Physical and mental restoration services" means:

(a) Corrective surgery or therapeutic treatment that is likely, within a reasonable period of time, to correct or modify substantially a stable or slowly progressive physical or mental impairment that constitutes a substantial impediment to employment;

(b) Diagnosis and treatment for mental or emotional disorders by qualified personnel in accordance with State licensure laws;

(c) Dentistry;

(d) Nursing services;

(e) Necessary inpatient or outpatient care hospitalization in connection with surgery or treatment and clinic services;

(f) Drugs and supplies;

(g) Prosthetic and orthotic devices;

(h) Eyeglasses and visual services, including visual training, and the examination and services necessary for the prescription and provision of eyeglasses, contact lenses, microscopic lenses, telescopic lenses, and other special visual aids prescribed by personnel that are qualified in accordance with State licensure laws (ORS 683);

(i) Podiatry;

(j) Physical therapy;

(k) Occupational therapy;

(l) Speech or hearing therapy;

(m) Mental health services;

(n) Treatment of either acute or chronic medical complications and emergencies that are associated with or arise out of the provision of physical and mental restoration services, or that are inherent in the condition under treatment;

(o) Special services for the treatment of individuals with end-stage renal disease, including transplantation, dialysis, artificial kidneys, and supplies; and

(p) Other medical or medically related rehabilitation services.

(38) "Physical or mental impairment" means:

(a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological, musculo-skeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, hemic and lymphatic, skin, and endocrine; or

(b) Any mental or psychological disorder such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

(39) "Post-employment services" means the services identified in 34 CFR 361.48 that are provided subsequent to the achievement of an employment outcome and that are necessary for an individual to maintain, regain, or advance in employment, consistent with the individual's strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice.

(40) "Provider of community rehabilitation services" means any community rehabilitation program, business, or independent contractor that is paid by the Program to provide any service listed in OAR 582-001-0010(11).

(41) "Qualified and impartial mediator" means an individual who:

(a) Is not an employee of a public agency (other than an administrative law judge, hearing examiner, employee of a State office of mediators, or employee of an institution of higher education). An individual serving as a mediator is not considered to be an employee of a public agency for the purposes of this definition solely because the individual is paid by a public agency to serve as a mediator;

(b) Is not a member of the State Rehabilitation Council for the Program;

(c) Has not been involved previously in the vocational rehabilitation of the applicant or eligible individual;

(d) Is knowledgeable of the vocational rehabilitation program and the applicable Federal and State laws, regulations, and policies governing the provision of vocational rehabilitation services;

(e) Has been trained in effective mediation techniques consistent with any State-approved or -recognized certification, licensing, registration, or other requirements; and

(f) Has no personal, professional, or financial interest that would be in conflict with the objectivity of the individual requesting mediation during the mediation proceedings.

(42) "Rehabilitation engineering" means the systematic application of engineering sciences to design, develop, adapt, test, evaluate, apply, and

# ADMINISTRATIVE RULES

distribute technological solutions to problems confronted by individuals with disabilities in functional areas, such as mobility, communications, hearing, vision, and cognition, and in activities associated with employment, independent living, education, and integration into the community.

(43) "Rehabilitation technology" means the systematic application of technologies, engineering methodologies, or scientific principles to meet the needs of, and address the barriers confronted by, individuals with disabilities in areas that include education, rehabilitation, employment, transportation, independent living, and recreation. The term includes rehabilitation engineering, assistive technology devices, and assistive technology services.

(44) "Representative" means any person identified by the individual as being authorized to speak or act on behalf of the individual or to assist the individual in any matter pertaining to services of the Program, unless a representative has been appointed by a court to represent the individual, in which case the court-appointed representative is the individual's representative.

(45) "State plan" means the State plan for vocational rehabilitation services submitted by the Program under 34 CFR 361.10.

(46) "Substantial impediment to employment" means a physical or mental impairment that (in light of medical, psychological, vocational, educational, communication, and other related factors) hinders an individual from preparing for, entering into, engaging in, or retaining employment consistent with the individual's unique strengths, resources, priorities, concerns, abilities and capabilities.

(47) "Supported employment" means: competitive integrated employment, customized employment, or employment in an integrated work setting in which individuals are working on a short-term basis toward competitive integrated employment, that is individualized and customized consistent with the strengths, abilities, interests, and informed choice of the individuals involved, for individuals with the most significant disabilities and:

(a) For whom competitive integrated employment has not historically occurred; or

(b) For whom competitive integrated employment has been interrupted or intermittent as a result of a significant disability; and

(c) Who, because of the nature and severity of their disability, need intensive supported employment services and extended services after the transition described in section (49), in order to perform the work involved.

(48) "Supported employment services" means ongoing support services, including customized employment, needed to support and maintain an individual with a most significant disability in supported employment, that are:

(a) Provided singly or in combination and are organized and made available in such a way as to assist an eligible individual to achieve competitive integrated employment;

(b) Based on a determination of the needs of an eligible individual, as specified in an individualized plan for employment; and

(c) Provided by the designated State unit for a period of not more than 24 months, except that period may be extended, if necessary, in order to achieve the employment outcome identified in the IPE.

(49) "Transportation" means travel and related expenses that are necessary to enable an applicant or eligible individual to participate in a vocational rehabilitation service, including expenses for training in the use of public transportation vehicles and systems.

(50) "Vocational rehabilitation services":

(a) If provided to an individual, means those services listed in 34 CFR 361.48; and

(b) If provided for the benefit of groups of individuals, also means those services listed in 34 CFR 361.49.

(51) "Vocational rehabilitation training" means skill training in which the basis and focus of the training are individualized or customized. Vocational rehabilitation training may include focus on disability related issues as those issues impact the skills training. Vocational rehabilitation training may include, but is not limited to:

(a) Supported employment;

(b) Disability and related skills training;

(c) On the job training;

(d) One-on-one specialized business training provided to individuals who are working to establish their own business;

(e) Customized training offered by an employer to a group of individuals for the purpose of training and possibly hiring the individuals.

(52) "Vocational training" means skills training for a specific occupation.

## 582-050-0000

### Referrals and Applications

(1) Referrals to and applications for vocational rehabilitation services provided by the Program shall be handled promptly and equitably.

(2) The Program shall establish timelines for making a good faith effort to inform individuals referred to or seeking services from the Program of application requirements and to gather information necessary to initiate an assessment for determining eligibility and priority for services.

(3) Assessment to determine eligibility and priority for services shall commence as soon as an application for services is received and to the maximum extent possible shall be expedited through use of existing information, including school, Social Security, medical and family member records.

(4) An individual is considered to have submitted an application only when all the following conditions have been satisfied:

(a) The individual or the individual's representative, as appropriate, has completed and signed a Program application form or has otherwise requested services;

(b) The individual or the individual's representative, as appropriate, has provided the information necessary to initiate an assessment for eligibility; and

(c) The individual is available to complete the assessment process.

(5) Once the Program has received an application for vocational rehabilitation services, including applications for vocational rehabilitation services made through common intake procedures in One-Stop centers established under section 121 of the federal Workforce Investment Act of 1998, the Program must make an eligibility determination within 60 days, unless:

(a) Exceptional and unforeseen circumstances beyond the control of the Program preclude making an eligibility determination within 60 days and the Program and the individual agree to a specific extension of time; or

(b) A trial work experience or exploration of the individual's abilities, capabilities, and capacity to perform in work situations is carried out in accordance with 34 CFR 361.42(e) or, if appropriate, an extended evaluation is carried out in accordance with 34 CFR 361.42(f).

(6) The Program may not close an applicant's record of services prior to making an eligibility determination unless the applicant declines to participate in, or is unavailable to complete, an assessment for determining eligibility and priority for services, and the Program has made a reasonable number of attempts to contact the applicant or, if appropriate, the applicant's representative, to encourage the applicant's participation.

(7) The length of time between eligibility determination and the signing of the Individualized Plan for Employment (IPE) by the Program counselor and the individual or the individual's representative may not exceed 90 days. If the Program invokes an Order of Selection, the length of time begins once the individual is removed from the waitlist. Exceptions to the 90 day time frame include:

(a) Mutual agreement by the individual and counselor to an extension to a specific date by which the IPE shall be completed, taking into consideration the unique needs of the individual;

(b) Individual involvement in the Program dispute resolution process addressing issues critical to plan development;

(8) The Program shall make information regarding application requirements and forms available statewide.

## Department of Justice

### Chapter 137

**Rule Caption:** Relating to Good Cause.

**Adm. Order No.:** DOJ 1-2015

**Filed with Sec. of State:** 1-5-2015

**Certified to be Effective:** 1-5-15

**Notice Publication Date:** 11-1-2014

**Rules Amended:** 137-055-1090

## ADMINISTRATIVE RULES

**Subject:** OAR 137-055-1090 is amended to conform the rule to the Department of Human Service's policy regarding removal of good cause coding, upon request of the obligee and the program currently providing services, when the program that originally granted good cause is no longer providing services. This amendment also changes the process for removing arrears from a case when closing the case for good cause.

**Rules Coordinator:** Carol Riches—(503) 947-4700

### 137-055-1090

#### Good Cause

(1) For the purposes of OAR chapter 137, division 55, good cause means the Child Support Program (CSP) is exempt from providing services as defined in ORS 25.080. Specifically excluded from this definition are good cause for not withholding as defined in 25.396 and OAR 137-055-4060 and good cause found for not disbursing support to a child attending school under ORS 107.108 and OAR 137-055-5110.

(2) If an obligee believes that physical or emotional harm to the family may result if services under ORS 25.080 are provided, the obligee may request, either verbally or in writing, that the administrator discontinue all activity against the obligor. Upon such a request by an obligee, the administrator will:

(a) On an open TANF or Medicaid case, immediately suspend all activity on the case, notify DHS or OHA to add good cause coding, and send a safety packet to the obligee requesting a response be sent to DHS; or

(b) On any other case, immediately suspend all activity on the case, add good cause case coding pending a final determination, and send a Client Safety Packet on Good Cause to the obligee requesting a response within 30 days.

(3) Good cause must be determined by:

(a) The Department of Human Services (DHS), pursuant to OAR 413-100-0830, 461-120-0350, 461-135-1200 or 461-135-1205, if TANF or Title IV-E benefits are being provided;

(b) The Oregon Health Authority (OHA), pursuant to OAR 461-120-0350 and 410-200-0220, if Medicaid benefits are being provided;

(c) The Oregon Youth Authority (OYA), pursuant to OAR 416-100-0020 and Policy Statement I-B-7.0, if the child is in OYA's custody;

(d) The Director of the CSP when the provisions of OAR 137-055-3080 apply; or

(e) The administrator when the provisions of subsections (a) through (d) of this section do not apply.

(4) When the provisions of subsection (3)(e) apply and the obligee makes a written claim that the provision of services may result in emotional or physical harm to the child or obligee or completes and returns the good cause form, the administrator will:

(a) Make a finding and determination that it is in the best interests of the child not to provide services;

(b) Proceed with case closure pursuant to OAR 137-055-1120; and

(c) File credit all arrears.

(5) In determining whether providing services is in the best interest of the child under section (3)(d), the CSP Director will consider:

(a) The likelihood that provision of services will result in physical or emotional harm to the child or obligee, taking into consideration:

(A) Information received from the obligee; or

(B) Records or corroborative statements of past physical or emotional harm to the child or obligee, if any.

(b) The likelihood that failure to provide services will result in physical or emotional harm to the child or obligee;

(c) The degree of cooperation needed to complete the service;

(d) The availability and viability of other protections, such as a finding of risk and order for non-disclosure pursuant to OAR 137-055-1160; and

(e) The extent of involvement of the child in the services sought.

(6) A finding and determination by the CSP Director that good cause does not apply, may be appealed as provided in ORS 183.484.

(7) A finding and determination of good cause applies to any case which involves the same obligee and child, or any case in which a child is no longer in the physical custody of the obligee, but there is a support order for the child in favor of the obligee.

(8) When an application for services is received from an obligee and TANF, Title IV-E or Medicaid benefits are not being provided, the child is not in OYA's custody, and there has been a previous finding and determination of good cause, the administrator will:

(a) Notify the obligee of the previous finding and determination of good cause and provide a Client Safety Packet;

(b) Allow the obligee 30 days to retract the application for services or return appropriate documents from the Client Safety Packet; and

(c) If no objection to proceeding or good cause form is received from the obligee, document CSEAS, remove the good cause designation and, if the case has been closed, reopen the case.

(9) When an application for services is received from a physical custodian of a child, the physical custodian is not the obligee who originally claimed good cause and TANF, Title IV-E or Medicaid benefits are not being provided, the child is not in OYA's custody and there is no previous support award, the administrator will open a new case without good cause coding with the physical custodian as the obligee.

(10)(a) When an application for services is received from a physical custodian of a child, the physical custodian is not the obligee who originally claimed good cause and TANF, Title IV-E or Medicaid benefits are not being provided, the child is not in OYA's custody, and the case in which there has been a finding and determination of good cause has a support award in favor of the obligee who originally claimed good cause, the administrator will:

(A) Notify the obligee who originally claimed good cause that an application has been received and provide a Client Safety Packet; and

(B) Advise the obligee who originally claimed good cause that the previous good cause finding and determination will be treated as a claim of risk as provided in OAR 137-055-1160; and

(C) Allow the obligee 30 days to provide a contact address as provided in OAR 137-055-1160.

(b) If an objection or good cause form is received from the obligee who originally claimed good cause, or if the location of the obligee who originally claimed good cause is unknown, the administrator will forward the objection, form or case to the Director of the CSP for a determination of whether to proceed;

(c) If no objection or good cause form is received from the obligee who originally claimed good cause, the administrator will document CSEAS, make a finding of risk and order for non-disclosure pursuant to OAR 137-055-1160 for that obligee, remove the good cause designation, and, if the case has been closed, reopen the case.

(11)(a) If a request for services under ORS chapter 110 is received from another jurisdiction and TANF, Title IV-E or Medicaid benefits are not being provided by the State of Oregon, the child is not in OYA's custody and there has been a finding and determination of good cause, the administrator will:

(A) Notify the referring jurisdiction of the finding and determination of good cause and request that the jurisdiction consult with the obligee to determine whether good cause should still apply; and

(B) If the location of the obligee is known, notify the obligee that the referral has been received, provide a Client Safety Packet and ask the obligee to contact both the referring agency and the administrator if there is an objection to proceeding; and

(C) Advise the obligee who originally claimed good cause that the previous good cause finding and determination will be treated as a claim of risk as provided in OAR 137-055-1160; and

(D) Allow the obligee 30 days to provide a contact address as provided in OAR 137-055-1160.

(b) If an objection or good cause form is received from the obligee, the administrator will forward the objection, form or case to the Director of the CSP for a determination of whether to proceed.

(c) If there is no objection or good cause form received from the obligee, or if the obligee's address is unknown, and the referring jurisdiction advises that the finding and determination of good cause no longer applies, the administrator will document CSEAS, remove the good cause designation and, if the case has been closed, reopen the case.

(12) If a referral for services under ORS 25.080 is received because TANF, Title IV-E or Medicaid benefits are being provided or the child is in OYA's custody, and there has been a good cause determination, the administrator will notify the state agency currently providing services of the previous good cause determination. The administrator will not provide services unless the program currently providing services determines good cause no longer applies and requests the administrator remove the coding.

(13) Notwithstanding any other provision of this rule, when a case has not previously had a good cause finding and determination and TANF, Title IV-E or Medicaid benefits are being provided or the child is in OYA's custody, and DHS, OHA or OYA makes a current good cause finding and determination on a related case, the administrator will not provide services

# ADMINISTRATIVE RULES

on the case or related cases unless and until good cause coding is removed by DHS, OHA or OYA.

(14) In any case in which a good cause finding and determination has been made and subsequently removed, past support under ORS 416.422 and OAR 137-055-3220 may not be sought for any periods prior to the determination that good cause no longer applies.

(15) In any case in which a good cause finding and determination has been made, and a child attending school as defined in ORS 107.108 and OAR 137-055-5110 is a party to the case, the child attending school may file an application for services pursuant to OAR 137-055-1060, 137-055-1070 and 137-055-5110.

**Department of Public Safety Standards and Training**  
**Chapter 259**

**Rule Caption:** To update the pre-employment background investigation rules.

**Adm. Order No.:** DPSST 31-2014

**Filed with Sec. of State:** 12-29-2014

**Certified to be Effective:** 12-29-14

**Notice Publication Date:** 12-1-2014

**Rules Adopted:** 259-009-0015

**Rules Amended:** 259-008-0015

**Subject:** In April, 2014, the Board on Public Safety Standards and Training requested that a workgroup be assembled to review DPSST's current background investigation administrative rule. In July and August, 2014, a background investigation workgroup comprised of representatives from law enforcement and fire service, met to discuss the current standard. The workgroup reviewed the current rule language and developed additional background investigation requirements to update the guidelines. This rule change updates OAR 259-008-0015 and provides housekeeping. Further, OAR 259-009-0015 (Background Investigations) has been added for fire service professionals.

**Rules Coordinator:** Sharon Huck—(503) 378-2432

## 259-008-0015

### Background Investigation

(1) A background investigation must be conducted by a public or private safety agency on each individual being considered for employment as a public safety professional to determine if applicant is of good character.

(a) The background investigation must include, but is not limited to, investigation into the following:

- (A) Criminal history and arrests;
- (B) Department of Motor Vehicles (DMV) records;
- (C) Drug and alcohol use;
- (D) Education verification;
- (E) Employment history;
- (F) Military history verification;
- (G) Personal and professional references. Personal and professional references may include, but are not limited to, friends, associates, family members, and neighbors;

(H) Personal Interview. The personal interview may occur before or after the investigation and may be used to clarify discrepancies in the investigation;

- (I) Records checks, which may include, but are not limited to:
  - (i) Police records, district attorney, court and Oregon Judicial Information Network (OJIN) records;
  - (ii) Open sources or social media, as permitted by law;
  - (iii) Financial information, as permitted by law; and
  - (iv) Department of Public Safety Standards and Training Professional Standards records.

- (J) Residential history; and
- (K) Work eligibility.

(b) Each individual being considered for employment must provide a notarized personal history statement. The statement must include, but is not limited to:

(A) Verification of the background information referred to in section (1)(a);

(B) A complete list of all public safety agencies an individual has applied with; and

(C) A signed release allowing background investigation information to be shared with other potential employers.

(2) Results of the background investigation on all public safety professionals must be retained by the public or private safety agency in accordance with the Secretary of State's Record Retention Schedule and must be available for review at any reasonable time by the Department.

### Background Investigation

(1) A background investigation must be conducted by a fire service agency on each individual being considered for employment as a fire service professional to determine if applicant is of good character.

(a) The background investigation must include, but is not limited to, investigation into the following:

- (A) Criminal history and arrests;
- (B) Department of Motor Vehicles (DMV) records;
- (C) Drug and alcohol use;
- (D) Education verification;
- (E) Employment history;
- (F) Military history verification;
- (G) Personal and professional references. Personal and professional references may include, but are not limited to, friends, associates, family members, and neighbors;

(H) Personal Interview. The personal interview may occur before or after the investigation and may be used to clarify discrepancies in the investigation;

(I) Records checks, which may include, but are not limited to:

- (i) Police records, district attorney, court and Oregon Judicial Information Network (OJIN) records;
- (ii) Open sources or social media, as permitted by law;
- (iii) Financial information, as permitted by law; and
- (iv) Department of Public Safety Standards and Training Professional Standards records.

(J) Residential history; and

(K) Work eligibility.

(b) Each individual being considered for employment must provide a notarized personal history statement. The statement must include, but is not limited to:

(A) Verification of the background information referred to in section (1)(a);

(B) A complete list of all fire service agencies an individual has applied with; and

(C) A signed release allowing background investigation information to be shared with other potential employers.

(2) Results of the background investigation on all fire service professionals must be retained by the fire service agency in accordance with the Secretary of State's Record Retention Schedule and must be available for review at any reasonable time by the Department.

\*\*\*\*\*

**Rule Caption:** Amends academic proficiency standard to include all law enforcement officers; provides exception for certified individuals.

**Adm. Order No.:** DPSST 32-2014

**Filed with Sec. of State:** 12-29-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 259-008-0010, 259-008-0011

**Subject:** This permanent rule change amends the academic proficiency standard to include all law enforcement officers. It also removes "challenging basic police training" from section (7) (c) of rule, since challenging basic police training is no longer an option for students. Additionally, this rule change waives the academic pro-

# ADMINISTRATIVE RULES

iciency standard for certified individuals applying for training in the same discipline.

**Rules Coordinator:** Sharon Huck—(503) 378-2432

## 259-008-0010

### Minimum Standards for Employment as a Law Enforcement Officer

#### (1) Citizenship.

(a) A person may not be employed as a corrections officer for more than one year unless the person is a citizen of the United States.

(b) A person may not be employed as a police or parole and probation officer for more than 18 months unless the person is a citizen of the United States.

(2) Age. No law enforcement unit in this state may employ any person under the age of 21 years as a police officer, corrections officer or parole and probation officer.

(3) Fingerprints. Within 90 days of the date of employment in a certifiable position, each police, corrections, or parole and probation officer must be fingerprinted on a standard applicant fingerprint card.

(a) The hiring agency is responsible for fingerprinting and must forward one card to the Oregon State Police Identification Services Section for processing and the assignment of an identification number.

(b) If any procedural change is made by either the Federal Bureau of Investigation or the Oregon State Police Identification Services Section, the Department must comply with the most current requirements.

(c) Applications for certification will not be processed until an applicant's fingerprints have cleared Oregon State Police Identification Services.

(4) Criminal Records. No police, corrections, or parole and probation officer may have been convicted:

(a) In this state or any other jurisdiction, of a crime designated under the law where the conviction occurred as being punishable as a felony or as a crime for which a maximum term of imprisonment of more than one (1) year may be imposed;

(b) Of violating any law involving the unlawful use, possession, delivery, or manufacture of a controlled substance, narcotic, or dangerous drug;

(c) In this state of violating any law subject to denial or revocation as identified in OAR 259-008-0070 or has been convicted of violating the statutory counterpart of any of those offenses in any other jurisdiction.

#### (5) Notification of Conviction:

(a) A law enforcement officer who is convicted of a crime, as identified in OAR 259-008-0070, while employed by a public or private safety agency must notify the agency head within 72 hours of the conviction.

(b) When an agency receives notification of a conviction from its employee, or another source, they must notify the Department within five (5) business days. The notification to the Department must be in writing and include the specific charges of the conviction, the county and state where the conviction occurred, the investigating agency and the date of the conviction.

(6) Moral Fitness (Professional Fitness). All law enforcement officers must be of good moral fitness. For purposes of this standard, lack of good moral fitness includes, but is not limited to:

(a) Mandatory disqualifying misconduct as described in OAR 259-008-0070(3); or

(b) Discretionary disqualifying misconduct as described in OAR 259-008-0070(4).

#### (7) Education:

(a) Applicants for the position of a law enforcement officer will be required to furnish documentary evidence of one of the following:

(A) High School diploma;

(B) Successful completion of the General Educational Development (GED) Test; or

(C) A four-year, post-secondary degree issued by an accredited, degree-granting college or university recognized by the Oregon Office of Degree Authorization under the provisions of ORS 348.604.

(i) For the purpose of determining high school graduation level as required by these rules, the applicant must have achieved a score no less than that required by the Oregon Board of Education before issuing an Oregon GED certificate.

(ii) Applicants holding a GED from another state may be required to obtain an Oregon certificate at the discretion of the Department.

(b) Evidence of the above must consist of official transcripts, diplomas, or GED test report forms. Other documentation may be accepted, at the discretion of the Department.

(c) Academic Proficiency Standard. Before beginning basic training or beginning the career officer development course, each applicant must

provide evidence to DPSST that the applicant possesses the academic tools necessary to successfully complete basic training.

(A) The hiring agency is responsible for ensuring a law enforcement proficiency test or validated written test designed to evaluate predictors of job-related skills and behaviors has been administered. The hiring agency must verify the completion of the test and report the date of completion to the Department on a Form F-5 (Application for Training) prior to the applicant being admitted to basic training.

(B) Individuals submitting transcripts verifying that they possess at least a four-year academic degree from an institution recognized by the Department under the provisions of OAR 259-008-0045 are exempt from this testing requirement.

(C) Individuals who have successfully completed training resulting in the award of certification in the discipline they are applying for training are exempt from this testing requirement. Individuals must submit proof of training and certification.

(8) Physical Examination. All law enforcement officers and applicants must be examined by a licensed physician or surgeon.

(a) The medical examination must be completed not more than 180 days prior to initial offer of employment, nor more than 90 days after initial offer of employment, and must conform to applicable standards of the Americans with Disabilities Act (ADA), Title 42 USC 1210.

(b) Individuals who have had a successfully completed physical examination (while at the same employer) and are selected for a certifiable position in a discipline in which the individual is not yet certified must complete and pass a new physical examination.

(c) Except as provided in (e) below, the Department will not require a new physical examination when a law enforcement officer obtains employment, or re-employment, in the same discipline if the officer:

(A) Has had a successfully completed a physical examination; and

(B) Is currently certified; or

(C) Is an officer currently employed full-time in another jurisdiction who has successfully completed a comparable physical examination in that jurisdiction.

(d) Notwithstanding subsection (c), a medical examination may be required by a hiring agency at its discretion.

(e) Notwithstanding subsection (c), any law enforcement officer who is separated from employment for a reason related to a physical inability to perform an essential task of a law enforcement officer must successfully complete a physical examination prior to obtaining re-employment in a certifiable position.

(f) Police, Corrections, and Parole and Probation applicants must meet the following criteria:

(A) Visual Acuity. Corrected vision must be at least 20/30 (Snellen) in each eye. Due to the demonstrated likelihood of dislodgment or breakage, candidates who are able to wear only glasses with frames must meet an uncorrected standard not worse than 20/100 (Snellen) in each eye. Those candidates who use soft contact lenses (SCLs) must have vision correctable to at least 20/30 in each eye, with no uncorrected standard, provided the employing agency will monitor compliance. Replacement glasses or lenses (as appropriate) must be on the person or readily available at all times during each work shift.

(B) Color Vision. Red or green deficiencies may be acceptable, providing the applicant can read at least nine (9) of the first thirteen (13) plates of the Ishihara Test (24 Plate Edition). Applicants who fail the Ishihara test can meet the color vision standard by demonstrating that they can correctly discriminate colors via a field test conducted by the employer and approved by DPSST.

(C) Depth Perception. Depth Perception must be sufficient to demonstrate stereopsis adequate to perform the essential tasks of the job. The recommended test is the Random Stereo Test with 60 seconds of arc.

(D) Peripheral Vision. Visual Field Performance must be 140 degrees in the horizontal meridian combined.

(E) Night Blindness. A history of night blindness should be evaluated to determine applicant's capacity to perform essential tasks at night or in dark or low light settings.

(g) Applicants for the position of police or corrections officer must have sufficient hearing in both ears to perform essential tasks without posing a direct threat to themselves or others. The applicant must have no average loss greater than 25 decibels (db) at the 500, 1,000, 2,000 and 3,000-Hertz levels in either ear with no single loss in excess of 40 db.

(h) Applicants for the position of parole and probation officer must have sufficient hearing in both ears to perform essential tasks without posing a direct threat to themselves or others. The applicant must have no aver-

# ADMINISTRATIVE RULES

age loss greater than 35 decibels (db) at the 500, 1000, 2000, and 3000 Hertz levels in either ear with no single loss in excess of 45 db.

(i) If amplification device(s) is (are) necessary to meet the criteria in (g) or (h) above, or if applicant cannot meet the above criteria and wishes to pursue application, applicant must:

(A) Obtain a hearing evaluation by a licensed audiologist or otorhinolaryngologist (ear, nose, throat) to determine current hearing aid requirement; and

(B) Achieve a Speech Reception Threshold (SRT) of no greater than 25 db for each ear;

(C) Police, corrections and parole and probation officers must achieve a Speech Discrimination test score of no less than 90% utilizing a standard 50-word presentation at 60 db Hearing Threshold Level (HTL). The Department may require an applicant to have another examination by a licensed audiologist or otorhinolaryngologist (ear, nose, and throat) designated by the Department to verify that the applicant's hearing meets the Board's minimum hearing standard. The verification examination will be at the expense of the applicant or the applicant's employing agency. The equipment utilized for all of these evaluations must be calibrated annually using current ANSI standards.

(D) Hearing amplification devices used to meet the hearing standard must be the type that protects the applicant from further hearing degradation due to amplification of loud sounds.

(j) Applicants for the position of police, corrections, or parole and probation officer must be able to use vocal chords and have significant speaking ability to perform speaking-related essential tasks. For police and corrections officers abnormalities of the nose, throat or mouth must not interfere with the applicant's breathing or proper fitting of gas mask or similar device.

(k) Applicants for the position of police, corrections, or parole and probation officer who have a history of organic cardio-vascular disease or a finding during the medical examination of organic cardio-vascular disease will necessitate further medical evaluation.

(A) Resting blood pressure must be less than or equal to 140 mmHg systolic and 90 mmHg diastolic on three successive readings.

(B) Applicants must not have a functional and therapeutic cardiac classification greater than the Heart Association's Class A.

(C) Failure to meet guidelines (k), (A) and (B) will require further medical evaluation.

(D) If the applicant has controlled hypertension not exceeding the above standards and is on medication with side effect profiles, which do not interfere with performance of duty, then the condition may not be excludable.

(E) Functional Capacity I patients with cardiac disease may not be excludable, if they have no limitations of physical activity and ordinary physical activity does not cause discomfort and they do not have symptoms of cardiac insufficiency, nor experience angina pain.

(F) Therapeutic Classification A patients with cardiac disease, whose physical activity is restricted, should be evaluated thoroughly.

(G) If further medical examination is required under (k), it will be at the expense of the applicant or hiring authority.

(l) All law enforcement applicants must submit a current-version DPSST Medical Examination Report (DPSST Form F2), or a medical report completed by a licensed physician containing at a minimum the information on Form F2 and a signed statement by the examining physician that the applicant does not have any condition, physical, mental, or emotional, which, in his/her opinion, suggests further examination. This Report will be furnished to the examining physician by the hiring agency. The physician must indicate that the applicant is or is not physically able to perform the duties of a law enforcement officer as prescribed by DPSST.

(m) A copy of the Medical Examination Report must be sent to the Department prior to acceptance into a basic course, or any course where such report is required by the Department.

(n) The Department may require an applicant offered conditional employment to take a subsequent examination by a licensed physician of the Department's choice at the expense of the applicant or the hiring authority.

(o) The Board may waive any physical requirement where, in its judgment, the waiver would not be detrimental to the performance of an officer's duties, including the protection of the public and the safety of co-workers. The applicant may be required to demonstrate the ability to perform the essential functions of the job.

(p) A person or department head requesting a waiver of any physical requirement set forth in section (8) of this rule shall submit the request to the Department in writing, accompanied by supporting documents or perti-

nent testimony which would justify the action requested. The supporting documents must include information pertinent to the waiver request. The Board or Department may require additional documentation or testimony by the person or department head requesting the waiver if clarification is needed. Any expense associated with providing documentation or testimony will be borne by the person requesting the waiver or the requesting agency. If the person requesting the waiver does not obtain employment within one (1) year from the date a waiver is granted, the waiver will be considered void.

(A) If the Board grants a waiver, it will be recorded on the certification and any subsequent certification unless removed by the Board upon proof that the condition prompting the waiver no longer exists.

(B) If the Board denies a request for a waiver of any physical requirement set forth in section (8) of this rule, the Department will issue Notice and proceed as provided in section (9) of this rule.

(9) Contested Case Hearing Process for Denial of Waiver.

(a) Initiation of Proceedings: Upon determination that the reason for denial of a waiver is supported by factual data meeting the statutory and administrative rule requirements, a contested case notice will be prepared.

(b) Contested Case Notice: All contested case notice will be prepared in accordance with the applicable provisions of the Attorney General's Model Rules of Procedure adopted under OAR 259-005-0015.

(c) Response Time: A party who has been served with a "Contested Case Notice of Intent to Deny a Waiver" has 60 days from the date of mailing or personal service of the notice in which to file a written request for a hearing with the Department.

(d) Default Order: If a timely request for a hearing is not received, the Contested Case Notice will become a final order denying the requested waiver pursuant to OAR 137-003-0672.

(e) Hearing Request: If a timely request for a hearing is received, the Department will refer the matter to the Office of Administrative Hearings in accordance with OAR 137-003-0515.

(f) Proposed and Final Orders: In cases in which a hearing was requested, proposed orders, exceptions, and final orders will be issued pursuant to the applicable provisions of the Attorney General's Model Rules of Procedure adopted under OAR 259-005-0015.

[ED. NOTE: Forms referenced are available from the agency.]

## 259-008-0011

### Minimum Standards for Employment as a Telecommunicator and Emergency Medical Dispatcher

(1) Fingerprints. Within 90 days of the date of employment in a certifiable position, each telecommunicator and emergency medical dispatcher must be fingerprinted on a standard applicant fingerprint card.

(a) If the hiring agency is a public agency, it is responsible for fingerprinting and forwarding one fingerprint card to the Oregon State Police Identification Services Section for processing and the assignment of an identification number.

(b) If the hiring agency is a private agency, it is responsible for fingerprinting and forwarding one fingerprint card to the Department along with the appropriate fee.

(c) Applications for certification will not be processed until an applicant's fingerprints have cleared Oregon State Police Identification Services.

(d) If any procedural change is made by either the Federal Bureau of Investigation or the Oregon State Police Identification Services Section, the Department will comply with the most current requirements.

(2) Criminal Records. No telecommunicator or emergency medical dispatcher will have been convicted:

## ADMINISTRATIVE RULES

(a) In this state or any other jurisdiction, of a crime designated under the law where the conviction occurred as being punishable as a felony or as a crime for which a maximum term of imprisonment of more than one (1) year may be imposed;

(b) Of violating any law involving the unlawful use, possession, delivery, or manufacture of a controlled substance, narcotic, or dangerous drug;

(c) In this state of violating any law subject to denial or revocation as identified in OAR 259-008-0070 or has been convicted of violating the statutory counterpart of any of those offenses in any other jurisdiction.

(3) Notification of Conviction:

(a) A telecommunicator or emergency medical dispatcher who is convicted of a crime as identified in OAR 259-008-0070 while employed by a public or private public safety agency must notify the agency head within 72 hours of conviction.

(b) When an agency receives notification of a conviction from its employee or another source, they must notify the Department within five (5) business days. The notification to the Department must be in writing and include the specific charges of the conviction, the county and state where the conviction occurred, the investigating agency and the date of conviction.

(4) Moral Fitness (Professional Fitness). All telecommunicators and emergency medical dispatchers must be of good moral fitness. For purposes of this standard, lack of good moral fitness includes, but is not limited to:

(a) Mandatory disqualifying misconduct as described in OAR 259-008-0070(3); or

(b) Discretionary disqualifying misconduct as described in OAR 259-008-0070(4).

(5) Education:

(a) Applicants for the position of a telecommunicator or emergency medical dispatcher will be required to furnish documentary evidence of one of the following:

(A) High School diploma;

(B) Successful completion of the General Educational Development (GED) Test; or

(C) A four-year, post-secondary degree issued by a degree-granting college or university accredited by a recognized national or regional accrediting body, or recognized by the Oregon Office of Degree Authorization under the provisions of ORS 348.604.

(i) For the purpose of determining high school graduation level as required by these rules, the applicant must have achieved a score no less than that required by the Oregon Board of Education before issuing an Oregon GED certificate.

(ii) Applicants holding a GED from another state may be required to obtain an Oregon certificate at the discretion of the Department.

(b) Evidence of the above must consist of official transcripts, diplomas, or GED test report forms. Other documentation may be accepted, at the discretion of the Department.

(6) Academic Proficiency Standard. Before beginning basic telecommunicator or Emergency Medical Dispatcher (EMD) training or challenging basic telecommunicator training, each applicant must provide evidence to DPSST that the applicant possesses the academic tools necessary to successfully complete basic telecommunicator or EMD training.

(a) The hiring agency is responsible for ensuring a telecommunicator/EMD proficiency test or validated written test designed to evaluate predictors of job-related skills and behavior has been administered. The hiring agency must verify the completion of the test and report the date of completion to the Department on a Form F-5 (Application for Training) prior to the applicant being admitted to basic telecommunicator or EMD training.

(b) Individuals submitting transcripts verifying that they possess at least a four-year academic degree from an institution recognized by DPSST under the provisions of OAR 259-008-0045 are exempt from this testing requirement.

(c) Individuals who have successfully completed training resulting in the award of certification in the discipline they are applying for training are exempt from this testing requirement. Individuals must submit proof of training and certification.

(7) Physical Examination. All Telecommunicators and Emergency Medical Dispatcher applicants must be examined by a licensed health professional.

(a) The medical examination must be completed not more than 180 days prior to initial offer of employment, and not more than 90 days after the initial offer of employment.

(b) The examination must conform to applicable standards of the Americans with Disabilities Act (ADA). Title 42 USC 12101.

(c) Individuals who have successfully completed a physical examination (while at the same employer) and are selected for a certifiable position in a discipline in which the individual is not yet certified must complete and pass a new physical examination.

(d) The Department will not require a new physical examination when a Telecommunicator or Emergency Medical Dispatcher obtains employment or re-employment in the same discipline if the Telecommunicator or Emergency Medical Dispatcher:

(A) Has had a successfully completed a physical examination, and

(B) Is currently certified; or

(C) Is currently employed full-time in another jurisdiction and has successfully completed a comparable physical examination in that jurisdiction.

(e) Notwithstanding subsection (d), a medical examination may be required by a hiring agency at its discretion.

(f) Telecommunicator and Emergency Medical Dispatcher applicants must meet the following criteria:

(A) Visual Acuity. Corrected vision must be at least 20/30 (Snellen) when tested using both eyes together.

(B) Color Vision. Red or green deficiencies may be acceptable, providing the applicant can read at least nine (9) of the first thirteen (13) plates of the Ishihara Test (24 Plate Edition). Applicants who fail the Ishihara test can meet the color vision standard by demonstrating that they can correctly discriminate colors via a field test conducted by the employer and approved by DPSST. The results of the field test and the methods for testing must be maintained by the employing agency.

(i) Any employing agency that conducts a field test to meet the color vision standard must also complete a Department approved affidavit attesting that the applicant can either correctly discriminate colors or is able to successfully perform the required tasks of a Telecommunicator or Emergency Medical Dispatcher, notwithstanding the applicant's inability to correctly discriminate colors.

(ii) Any affidavit required by (i), that the Department receives and accepts, is non-transferable to any subsequent employer and may not be used by any other entity for certification purposes.

(iii) Notwithstanding subsection (d) of this rule, each employer must complete an agency-specific field test and a Department approved affidavit as described in subsection (i) of this section for any Telecommunicator or Emergency Medical Dispatcher who previously met the color vision standard by completing a field test.

(C) Peripheral Vision. Visual Field Performance must be 120 degrees in the horizontal meridian combined.

(g) Applicants for the position of Telecommunicator or Emergency Medical Dispatcher must have sufficient hearing in both ears to perform essential tasks without posing a direct threat to themselves or others.

(A) The applicant must meet National Emergency Number Association (NENA) hearing standard 54-002 (June 10, 2006).

(B) If the applicant cannot meet the identified hearing standard without correction, the applicant may utilize hearing amplification devices to meet the hearing standard. The Department may require an applicant to have another examination by a licensed audiologist or otorhinolaryngologist (ear, nose, throat) designated by the Department to verify that the applicant's corrected hearing meets the Board's minimum hearing standard.

(h) Applicants for the position of Telecommunicator or Emergency Medical Dispatcher must be able to use vocal cords and exhibit normal speech patterns, sufficient to perform speaking-related essential tasks.

(8) If further medical examination is required, it will be at the expense of the applicant or the hiring authority.

(9) All Telecommunicator and Emergency Medical Dispatcher applicants must submit a current-version Medical Examination Report for Telecommunicators and Emergency Medical Dispatchers (DPSST Form F-2T) or a signed medical report completed by a licensed health professional identified by the Department containing, at a minimum, the information on Form F-2T prior to the acceptance into a basic course or any course where such a report is required by the Department. The Form F-2T will be furnished to the examining health professional by the hiring agency.

(10) The Department may require an applicant offered conditional employment to take a subsequent examination by a licensed physician of the Department's choice at the expense of the applicant or the hiring authority.

(11) The Board may waive any physical requirement where, in its judgment, the waiver would not be detrimental to the performance of a Telecommunicator or Emergency Medical Dispatcher's duties. The appli-

# ADMINISTRATIVE RULES

cant may be required to demonstrate the ability to perform the essential functions of the job.

(12) A person or department head requesting a waiver of any physical requirement set forth in section (11) of this rule must submit the request to the Department in writing, accompanied by supporting documents or pertinent testimony which would justify the action requested. The supporting documents must include information pertinent to the waiver request.

(a) The Board or Department may require additional documentation or testimony by the person or department head requesting the waiver if clarification is needed.

(b) Any expense associated with providing documentation or testimony will be borne by the person requesting the waiver or the requesting agency.

(c) If the person requesting the waiver does not obtain employment within one (1) year from the date a waiver is granted, the waiver will be considered void.

(d) If the Board grants a waiver, it will be recorded on the certification and any subsequent certification unless removed by the Board upon proof that the condition prompting the waiver no longer exists.

(e) If the Board denies a request for a waiver of any physical requirement set forth in section (7) of this rule, the Department will issue Notice and proceed as provided in section (13) of this rule.

(13) Contested Case Hearing Process for Denial of Waiver.

(a) Initiation of Proceedings: Upon determination that the reason for denial of a waiver is supported by factual data meeting the statutory and administrative rule requirements, a contested case notice will be prepared.

(b) Contested Case Notice: All contested case notice will be prepared in accordance with the applicable provisions of the Attorney General's Model Rules of Procedure adopted under OAR 259-005-0015.

(c) Response Time: A party who has been served with a "Contested Case Notice of Intent to Deny a Waiver" has 60 days from the date of mailing or personal service of the notice in which to file a written request for a hearing with the Department.

(d) Default Order: If a timely request for a hearing is not received, the Contested Case Notice will become a final order denying the requested waiver pursuant to OAR 137-003-0672.

(e) Hearing Request: If a timely request for a hearing is received, the Department will refer the matter to the Office of Administrative Hearings in accordance with OAR 137-003-0515.

(f) Proposed and Final Orders: In cases in which a hearing was requested, proposed orders, exceptions, and final orders will be issued pursuant to the applicable provisions of the Attorney General's Model Rules of Procedure adopted under OAR 259-005-0015.

\*\*\*\*\*

**Rule Caption:** To eliminate the need for tribal law enforcement units to submit a DPSST Form F-8.

**Adm. Order No.:** DPSST 33-2014

**Filed with Sec. of State:** 12-30-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 259-008-0069

**Subject:** OAR 259-008-0069 outlines the requirements for individuals employed as public safety officers by a tribal government to be certified. Because DPSST does not have access to tribal court criminal records, tribal public safety officers were required to submit an Applicant Disclosure of Convictions in Tribal Jurisdiction (Form F-8), when submitting a Personnel Action Form (Form F-4) or an Application for Certification (Form F-7).

In 2013, the Violence Against Women Act gave tribal courts limited authority to prosecute and convict non-tribal members. This change means that any applicant for DPSST certification could potentially have a conviction in a tribal court. Further, officers employed by non-tribal agencies are only required to make a sworn statement that they have not been convicted of any crime, including

traffic crimes, in any jurisdiction, including local, state, federal, and tribal. Additionally, unlike the Form F-8, these sworn statements do not need to be notarized. Falsification of information is subject to denial or revocation of certification.

DPSST has determined that the requirement that tribal public safety officers submit an Applicant Disclosure of Convictions in Tribal Jurisdiction (F-8 Form) is redundant. This rule change eliminates the need for tribal law enforcement units to submit a Form F-8.

## 259-008-0069

### Tribal Law Enforcement

(1) In order for individuals employed as public safety officers by a tribal government to be eligible for certification as a public safety officer:

(a) The tribal government must comply with all requirements found in ORS 181.610 to 181.712 and OAR 259, Section 8, applicable to law enforcement units.

(b) Tribal law enforcement units must annually complete an Annual Affidavit for Tribal Law Enforcement Units (Form F-8a).

(c) A certified public safety officer employed by a tribal government must comply with all requirements found in ORS 181.610 to 181.712 and OAR 259, Section 8, applicable to public safety officers.

(2) Failure of a tribal government to comply with any requirements of section (1) of this rule will result in the lapse of certification of all certified public safety officers employed with the affected tribal government. Upon reemployment as a public safety officer or upon compliance with requirements by a tribal government, a person whose certification has lapsed may apply for recertification in the manner provided in 2011 OR SB 412 and this rule.

(3) Tribal governments choosing to comply with the provisions of OR Laws 2011 Chapter 644 regarding authorized tribal police officers must submit a resolution to the Department that includes the following:

(a) A declaration of compliance with all requirements of OR Laws 2011 Chapter 644;

(b) Proof of insurance. Acceptable proof of insurance consists of:

(A) A full copy of the public liability and property damage insurance for vehicles operated by the tribal government's authorized tribal police officers and a full copy of the police professional liability insurance policy from a company licensed to sell insurance in the state of Oregon; or

(B) A description of the tribal government's self-insurance program which is in compliance with OR Laws 2011 Chapter 644.

(c) Tribal governments must file a written description of all material changes to insurance policies or the tribal government's self-insurance program with the Department within 30 days of the change.

**Rule Caption:** To ensure compliance with the Federal Constitution and DOJ directives regarding same-sex marriage recognition.

**Adm. Order No.:** DPSST 34-2014

**Filed with Sec. of State:** 12-30-2014

**Certified to be Effective:** 12-30-14

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 259-070-0010

**Rules Repealed:** 259-070-0010(T)

**Subject:** All state agencies administering state laws must recognize the marriages of same-sex couples validly performed in other jurisdictions to the same extent that they recognize other marriages validly performed in other jurisdictions. This direction has a direct impact on the administration of the Public Safety Memorial Fund program, as the spouses of public safety officers are named as eligible family members for the benefit, per ORS 243.954. To ensure compliance with the federal Constitution and DOJ directives, DPSST filed a temporary rule on August 11, 2014, to address this issue. This permanent rule change repeals the temporary rule.

# ADMINISTRATIVE RULES

## 259-070-0010

### Eligibility

(1) Eligibility of award applies to public safety officers who suffered a qualifying death or disability on or after October 23, 1999. Subject to availability of funds, the Board may award benefits to:

(a) Eligible family members of public safety officers who suffered a qualifying death or disability on or after October 23, 1999;

(b) A designee of a public safety officer who suffered a qualifying death or disability on or after January 1, 2008.

(c) Family members of public safety officers who suffered a qualifying death or disability after January 1, 1997, but prior to October 23, 1999 as described in Section 12, Chapter 981, Oregon Laws 1999.

(2) Prior to acceptance of an initial application, any individual applying for benefits based on a qualifying disability must provide satisfactory evidence that they meet the definition of "permanent total disability" found in ORS 656.206 and OAR 436-030-0055. Satisfactory evidence is established by submitting:

(a) Proof of Determination of Permanent Total Disability in compliance with the Worker's Compensation Division of the Department of Consumer and Business Services; or

(b) Competent written vocational testimony by a person fully certified by the State of Oregon to render vocational services that the applicant meets the definition of "permanent total disability" found in ORS 656.206 and OAR 430-030-0055.

(3) For the purposes of ORS 243.954(3)(a), "spouse" includes members of same-sex couples whose marriage was validly performed in another jurisdiction, effective January 1, 2014.

**Certified to be Effective:** 12-30-14

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 259-020-0010, 259-020-0015

**Subject:** On December 26, 2012, DPSST adopted an administrative rule indicating that a conviction of a person felony or person class A misdemeanor, as defined by the Criminal Justice Commission (CJC), is a "course of behavior" that would render a polygraph examiner or trainee unable to perform the required duties. The rule language failed to include the effective date of the CJC definitions that were adopted. This rule change corrects this error.

**Rules Coordinator:** Sharon Huck—(503) 378-2432

## 259-020-0010

### Minimum Standards for a Polygraph Examiner Trainee License

(1) Any applicant for a license as a polygraph examiner trainee must:

(a)(A) Have graduated from a polygraph examiner's course approved by the Department; or

(B) Provide documentation of military experience or training that the Department determines is substantially equivalent to the education required by subsection (a)(A) above.

(b) Be at least 18 years of age;

(c) Be a citizen of the United States;

(d) Not have demonstrated a course of behavior in the preceding 10 years that would indicate the applicant is unable to perform the duties of a polygraph examiner in a manner that would serve the interests of the public. When the Department refuses to issue a license based upon an applicant's failure to meet this requirement, the Department must follow the procedures set forth in OAR 259-020-0030.

(e) For the purposes of this rule, an applicant demonstrates a course of behavior indicating they are unable to perform the duties of a polygraph examiner in a manner that would serve the interests of the public if the applicant:

(A) Has been convicted of a Person Felony as defined by the Criminal Justice Commission in OAR 213-003-0001 in effect on February 4, 2014 or any crime with similar elements in any other jurisdiction;

(B) Has been convicted of a Person Class A Misdemeanor as defined by the Criminal Justice Commission in OAR 213-003-0001 in effect on February 4, 2014 or any crime with similar elements in any other jurisdiction;

(C) Demonstrates a lack of respect for the laws of this state and nation by engaging in a pattern of behavior which leads to 3 or more arrests; or

(D) Engages in conduct involving untruthfulness.

(f) Provide any information required by the Department relating to the circumstances of a conviction, if the applicant has previously been convicted of a criminal offense. ORS 670.280 is applicable when the Department considers information provided under this paragraph.

(g) Be fingerprinted and submit one completed fingerprint card to the Department for submission to the Oregon State Police, Identification Services Section.

(A) Appropriate fees must accompany the applicant's fingerprints to pay the costs of the state and federal fingerprint background checks.

(B) Currently employed corrections officers, parole and probation officers, or police officers as defined in ORS 181.610, whose fingerprints are on file in accordance with OAR 259-008-0010, are exempt from this fingerprinting requirement.

(h) Submit a completed Application for Polygraph Examiner's License (DPSST Form F-203) as prescribed by OAR 259-020-0060, accompanied by documentation of qualifications as required by the Department.

(i) Submit appropriate fees to the Department as prescribed by OAR 259-020-0035.

(2) The internship requirements of any person who is licensed as a trainee under this rule include:

(a) Periodic consultation with licensed general polygraph examiners of the trainee's own choice;

(b) A total review of 20 examinations from the first 200 examinations conducted must be reviewed by a licensed general polygraph examiner. The following review format is mandatory:

(A) 1st series — 5 examinations reviewed of the first 20 conducted;

(B) 2nd series — 5 examinations reviewed of the next 30 conducted;

(C) 3rd series — 5 examinations reviewed of the next 50 conducted;

(D) 4th series — 5 examinations reviewed of the last 100 conducted.

(E) During each review series, the trainee must have a general polygraph examiner complete a Polygraph Review Critique (DPSST Form F-203a) on each set of examinations reviewed. The trainee must forward the original critiques to the Department. One copy of the form must be retained by the reviewer, and one copy must be retained by the trainee. These reviews must be completed and forwarded to the Department within 30 days of the completion date of each of the four (4) series of examinations shown above. The Department will not renew a trainee license unless the trainee has complied with the examination requirements in this subsection.

(F) At least two of the review series must be completed with a general polygraph examiner during personal interviews. However, if time and distance are a distinct problem, up to two of the review series may be completed by mail. These review procedures cannot be interpreted as detracting from the trainee examiner's ability or expertise, but will be considered as legitimate, professional consultation.

(c) When participating in this prescribed course of study, trainees may administer specific issue examinations. If the trainee conducts a test which is to be offered as evidence in a court of law, the trainee must seek and utilize the assistance of a general polygraph examiner during the administration of the case and must have that general polygraph examiner available for continued consultation, including joint court appearances, if necessary. Each trainee should obtain legal advice concerning all questions relating to admissibility of polygraph examination evidence.

(d) Every trainee must maintain basic records of examinations conducted. A numerical log or ledger (beginning with #1) must provide a brief record of the name of the person examined, date, time, type of examination, and results, as well as other information the trainee examiner considers pertinent. Folder or envelope "case" files containing all available test information, including notes, questions, charts, reports, and correspondence, must be maintained for a minimum of five years unless State Archivist rules require longer maintenance.

(e) A person may not hold a license as a trainee for more than two years. An extension of the two-year period may be granted for good cause.

(A) If the applicant requests an extension of time to hold the trainee license beyond the initial two year limitation, the Department may grant an extension to the date of the next regularly scheduled Polygraph Licensing Advisory Committee meeting. The applicant will be scheduled to appear at the next committee meeting. The applicant must provide his or her request

# ADMINISTRATIVE RULES

and justification for the extension, polygraph log, and the last ten polygraph reports and charts performed by the trainee. If just cause is presented, the Polygraph Licensing Advisory Committee may recommend an extension to the Department.

(B) The Polygraph Licensing Advisory Committee may recommend additional requirements that must be met during the extension period. Failure to complete any additional requirements imposed by the Department during an extension period may be grounds to deny any additional extension requests.

(f) Trainees must clearly indicate their trainee status on all letterhead, business cards, advertising, signage, and any other type of written material that describes a polygraph examination.

(3) A trainee must not conduct more than five completed examinations, of any type, in any one calendar day.

(4) A trainee must not perform any type of review or provide a professional opinion of any completed polygraph examination performed by another polygraph examiner or polygraph trainee.

## 259-020-0015

### Minimum Standards for a Polygraph Examiner

(1) Any applicant for a license as a general polygraph examiner must:

(a) Be at least 18 years of age;

(b) Be a citizen of the United States;

(c) Not have demonstrated a course of behavior in the preceding 10 years that would indicate the applicant is unable to perform the duties of a polygraph examiner in a manner that would serve the interests of the public. When the Department refuses to issue a license based upon an applicant's failure to meet this requirement, the Department must follow the procedures set forth in OAR 259-020-0030;

(d) For the purposes of this rule, an applicant demonstrates a course of behavior indicating they are unable to perform the duties of a polygraph examiner in a manner that would serve the interests of the public if the applicant:

(A) Has been convicted of a Person Felony as defined by the Criminal Justice Commission in OAR 213-003-0001 in effect on February 4, 2014 or any crime with similar elements in any other jurisdiction;

(B) Has been convicted of a Person Class A Misdemeanor as defined by the Criminal Justice Commission in OAR 213-003-0001 in effect on February 4, 2014 or any crime with similar elements in any other jurisdiction;

(C) Demonstrates a lack of respect for the laws of this state and nation by engaging in a pattern of behavior which leads to 3 or more arrests; or

(D) Engages in conduct involving untruthfulness.

(e) If previously convicted for a criminal offense, provide information relating to the circumstances of the conviction as required by the Department. ORS 670.280 is applicable when the Department considers information provided under this paragraph;

(f) Be fingerprinted and submit one (1) completed fingerprint cards to the Department for subsequent submission to the Oregon State Police, Identification Services Section.

(A) Appropriate fees must accompany the applicant's fingerprints to pay costs of the state and federal fingerprint background checks. No general license will be issued until the Department has received fingerprint clearance from the Oregon State Police Identification Services Section.

(B) Currently employed corrections officers, parole and probation officers, or police officers, as defined in ORS 181.610, whose fingerprints are on file in accordance with OAR 259-008-0010, are exempt from this fingerprinting requirement.

(g)(A) Have received a baccalaureate degree from an accredited college or university; or

(B) Have graduated from high school or have been awarded a General Educational Development (GED) certificate; and have at least five years of active investigative experience before the date of the application.

(i) Active investigative experience is acquired through full-time employment as an investigator. An investigator is a person whose primary

assigned duty is the investigation of actual or suspected violations of law, either criminal or civil.

(ii) Administering polygraph examinations will satisfy the investigative experience requirement of this section.

(iii) The Department may, upon application of an individual polygraph examiner, accept the examiner's professional experience as being equal in professional value to the five years of active investigative experience required by this section.

(h) Have graduated from a polygraph examiner's course approved by the Department and have completed at least 200 examinations, or have worked as a polygraph examiner for a period of at least five years for a governmental agency within the State of Oregon and have satisfactorily completed at least 200 examinations.

(i) An applicant may meet the requirements of subsection (f) and (g) of this section if the applicant provides the Department with documentation of military training or experience that the Department determines is substantially equivalent to the education or experience requirements.

(j) Have successfully completed an examination conducted by the Department in consultation with the Advisory Committee as defined in OAR 259-020-0055, to determine competency to act as a polygraph examiner. The Department, in consultation with the Advisory Committee, will prescribe the manner and contents of any examination conducted by the Department under provisions of the Act.

(k) Submit a fully-completed Application for Polygraph Examiner's License (DPSST Form F-203) as prescribed by OAR 259-020-0060, accompanied by documentation of qualifications as required by the Department.

(l) Submit to the Department appropriate fees as prescribed by OAR 259-020-0035.

(2) Any person who has held a trainee license for longer than 12 months and who has completed the 200 exams required under OAR 259-020-0015 must take the general license examination within 12 months of completing the required exams.

(3) The Department in consultation with the advisory committee may prescribe requirements for:

(a) The internship of an applicant who fails to pass the first or second oral or written part of the examination described in OAR 259-020-0015(1)(h);

(b) An applicant who resides in a state other than Oregon. The minimum requirements for an out-of-state examiner who does not qualify under ORS 703.130 must include:

(A) Substantial compliance with the applicable requirements for in-state examiners;

(B) A log meeting Oregon guidelines;

(C) Passing the Oregon licensing examination;

(D) Submitting at least 20 of the last 100 polygraph examinations conducted to a licensed Oregon general polygraph examiner for review. A Polygraph Review Critique (DPSST Form F-203a) must be completed on the examinations and provided to the Department for review by the Polygraph Licensing Advisory Committee; and

(E) Demonstrating proficiency in the field of polygraphy by an oral interview with the Polygraph Licensing Advisory Committee.

(c) Any individual whose license has expired for a period of more than two years and who reapplies for licensure. These requirements may include, but are not limited to:

(A) Documentation indicating any necessary training requirements have been met; and

(B) Verification that the individual has the current knowledge, skills and ability to perform the duties of a polygraph examiner.

(4) The Department will immediately suspend an applicant's trainee license if the applicant fails the third examination. The applicant may submit a new application for a general license only after retaking and successfully completing a polygraph examiner's course approved by the Department and meeting any additional requirements.

(5) The Director, acting on the written recommendation of the Polygraph Examiners Licensing Advisory Committee, may require a licensed general polygraph examiner to appear for reexamination as directed.

(a) In preparing its written recommendation, the Committee must identify the good cause reasons for its recommendation.

(b) Based on the written recommendation, the reexamination may include the written examination, the oral examination, or both.

(c) Failure of the licensee to comply with the directive to appear for reexamination will result in the suspension of the license by the Department, until the licensee appears as directed.

# ADMINISTRATIVE RULES

(6) Every examiner must maintain basic records of examinations conducted. A numerical log or ledger (beginning with #1) will provide a brief record of the name of the person examined, date, time, type of examination, and results, as well as other information the examiner considers pertinent. Folder or envelope “case” files containing all available test information, including notes, questions, charts, reports, and correspondence, must be maintained for a minimum of five years unless any applicable Oregon State Archives Records Retention Schedules require longer retention.

(7) An examiner must not conduct more than five (5) completed examinations, of any type, in any one calendar day.

[ED. NOTE: Forms referenced are available from the agency.]

## 259-009-0005

### Definitions

(1) “Agency Head” means the chief officer of a fire service agency directly responsible for the administration of that unit.

(2) “Authority having jurisdiction” means the Department of Public Safety Standards and Training.

(3) “Board” means the Board on Public Safety Standards and Training.

(4) “Chief Officer” means an individual of an emergency fire agency at a higher level of responsibility than a company officer. A chief officer supervises two or more fire companies in operations or manages and supervises a particular fire service agency program such as training, communications, logistics, prevention, emergency medical services provisions and other staff related duties.

(5) “Community College” means a public institution operated by a community college district for the purpose of providing courses of study limited to not more than two years full-time attendance and designed to meet the needs of a geographical area by providing educational services, including but not limited to vocational or technical education programs or lower division collegiate programs.

(6) “Company Officer” means a fire officer who supervises a company of fire fighters assigned to an emergency response apparatus.

(7) “Content Expert” means a person who documents their experience, knowledge, training and education for the purposes of course instruction.

(8) “Content Level Course” is a course that includes an identifiable block of learning objectives or outcomes that are required for certification at one or more levels.

(9) “Department” means the Department of Public Safety Standards and Training.

(10) “Director” means the Director of the Department of Public Safety Standards and Training.

(11) “Field Training Officer” means an individual who is authorized by a fire service agency or by the Department to sign as verifying completion of tasks required by task books.

(12) “Fire and Life Safety Educator I” means a person who has demonstrated the ability to coordinate and deliver existing education programs and information.

(13) “Fire and Life Safety Educator II” means a person who has demonstrated the ability to prepare educational programs and information to meet identified needs.

(14) “Fire and Life Safety Educator III” means a person who has demonstrated the ability to create, administer, and evaluate educational programs and information.

(15) “Fire Company” means a group of fire fighters, usually three or more, who staff and provide the essential emergency duties of a particular emergency response apparatus.

(16) “Fire Fighter” is a term used to describe an individual who renders a variety of emergency response duties primarily to save lives and protect property. This applies to career and volunteer personnel.

(17) “Fire Fighter I” means a person at the first level of progression who has demonstrated the knowledge and skills to function as an integral member of a fire-fighting team under direct supervision in hazardous conditions.

(18) “Fire Fighter II” means a person at the second level of progression who has demonstrated the skills and depth of knowledge to function under general supervision.

(19) “Fire Ground Leader” means a Fire Service Professional who is qualified to lead emergency scene operations.”

(20) “Fire Inspector” means an individual whose primary function is the inspection of facilities in accordance with the specific jurisdictional fire codes and standards.

(21) “Fire Service Agency” means any unit of state or local government, a special purpose district or a private firm which provides, or has authority to provide, fire protection services.

(22) “Fire Service Professional” means a paid (career) or volunteer fire fighter, an officer or a member of a public or private fire protection agency who is engaged primarily in fire investigation, fire prevention, fire safety, fire control or fire suppression or providing emergency medical services, light and heavy rescue services, search and rescue services or hazardous materials incident response. “Fire service professional” does not include forest fire protection agency personnel.

(23) “Fire Training Officer” means a fire service member assigned the responsibility for administering, providing, and managing or supervising a fire service agency training program.

(24) “First Responder” means an “NFPA Operations Level Responder.”

(25) “Juvenile Firesetter Intervention Specialist I” means a person who has demonstrated the ability to conduct an intake/interview with a fire-setter and his or her family using prepared forms and guidelines and who, based on program policies and procedures, determines the need for referral for counseling and/or implements educational intervention strategies to mitigate effects of fire setting behavior.

(26) “Juvenile Firesetter Intervention Specialist II” means a person who has demonstrated the ability to manage juvenile firesetting intervention program activities and the activities of Juvenile Firesetter Intervention Specialist I.

(27) “NFPA” stands for National Fire Protection Association which is a body of individuals representing a wide variety of professions, including fire protection, who develop consensus standards and codes for fire safety by design and fire protection agencies.

(28) “NFPA Aircraft Rescue and Fire-Fighting Apparatus” means a Fire Service Professional who has met the requirements of Fire Fighter II as specified in NFPA 1001, Fire Apparatus Driver/Operator as specified in NFPA 1002 Chapter 4, NFPA Airport Fire Fighter as specified in NFPA 1003 and the job performance requirements defined in NFPA 1002 Sections 9.1 and 9.2.

(29) “NFPA Airport Firefighter” means a member of a Fire Service Agency who has met job performance requirements of NFPA Standard 1003.

(30) “NFPA Apparatus Equipped with an Aerial Device” means a Fire Service Professional who has met the requirements of Fire Fighter I as specified in NFPA 1001, Fire Apparatus Driver/Operator as specified in NFPA 1002 Chapter 4 and the job performance requirements defined in NFPA 1002 Sections 6.1 and 6.2.

(31) “NFPA Apparatus Equipped with a Tiller” means a Fire Service Professional who has met the requirements of Fire Fighter I as specified in NFPA 1001, Fire Apparatus Driver/Operator as specified in NFPA 1002 Chapter 4, Apparatus Equipped with an Aerial Device as specified in NFPA 1002 Chapter 6 and the job performance requirements defined in NFPA 1002 Sections 7.2.

(32) “NFPA Apparatus Equipped with Fire Pump” means a Fire Service Professional who has met the requirements of Fire Fighter I as

## ADMINISTRATIVE RULES

specified in NFPA 1001, Fire Apparatus Driver/Operator as specified in NFPA 1002 Chapter 4 and the job performance requirements defined in NFPA 1002 Sections 5.1 and 5.2.

(33) “NFPA Cargo Tank Specialty” means a person who provides technical support pertaining to cargo tank cars, provides oversight for product removal and movement of damaged cargo tanks, and acts as liaison between technicians and outside resources.

(34) “NFPA Confined Space Rescue” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 7 sections 7.1 and 7.2.

(35) “NFPA Dive Rescue” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 11 sections 11.1 and 11.2, and Chapter 13 sections 13.1 and 13.2.

(36) “NFPA Fire Apparatus Driver/Operator” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1002, Chapter 4 sections 4.2 and 4.3.

(37) “NFPA Fire Fighter I” means a member of a fire service agency who has met the Level I job performance requirements of NFPA standard 1001 (sometimes referred to as a journeyman fire fighter).

(38) “NFPA Fire Fighter II” means a member of a fire service agency who met the more stringent Level II job performance requirements of NFPA Standard 1001 (sometimes referred to as a senior fire fighter).

(39) “NFPA Fire Inspector I” means an individual who conducts basic fire code inspections and has met the Level I job performance requirements of NFPA Standard 1031.

(40) “NFPA Fire Inspector II” means an individual who conducts complicated fire code inspections, reviews plans for code requirements, and recommends modifications to codes and standards. This individual has met the Level II job performance requirements of NFPA standard 1031.

(41) “NFPA Fire Inspector III” means an individual at the third and most advanced level of progression who has met the job performance requirements specified in this standard for Level III. The Fire Inspector III performs all types of fire inspections, plans review duties, and resolves complex code-related issues.

(42) “NFPA Fire Instructor I” means a fire service instructor who has demonstrated the knowledge and ability to deliver instruction effectively from a prepared lesson plan, including instructional aids and evaluation instruments; adapts lesson plans to the unique requirements of the students and the authority having jurisdiction; organizes the learning environment so that learning is maximized; and meets the record-keeping requirements of the authority having jurisdiction.

(43) “NFPA Fire Instructor II” means a fire service instructor who, in addition to meeting NFPA Fire Instructor I qualifications, has demonstrated the knowledge and ability to develop individual lesson plans for specific topics, including learning objectives, instructional aids, and evaluation instruments; schedules training sessions based on an overall training plan for the authority having jurisdiction; and supervises and coordinates the activities of other instructors.

(44) “NFPA Fire Instructor III” means a fire service instructor who, in addition to meeting NFPA Fire Instructor II qualifications, has demonstrated the knowledge and ability to develop comprehensive training curricula and programs for use by single or multiple organizations; conducts organization needs analysis; and develops training goals and implementation strategies.

(45) “NFPA Fire Investigator” means an individual who conducts post fire investigations to determine the cause and the point of origin of a fire. This individual has met the job performance requirements of NFPA Standard 1033.

(46) “NFPA Fire Officer I” means a fire officer, at the supervisory level, who has met the job performance requirements specified in NFPA 1021 Standard Fire Officer Professional Qualifications (company officer rank).

(47) “NFPA Fire Officer II” means the fire officer, at the supervisory/managerial level, who has met the job performance requirements in NFPA Standard 1021 (station officer, battalion chief rank).

(48) “NFPA Fire Officer III” means a fire officer, at the managerial/administrative level, who has met the job performance requirements in NFPA Standard 1021 (district chief, assistant chief, division chief, deputy chief rank).

(49) “NFPA Fire Officer IV” means a fire officer, at the administrative level, who has met the job performance requirements in NFPA Standard 1021 (fire chief).

(50) “NFPA Incident Commander” (IC) means a person who is responsible for all incident activities, including the development of strategies and tactics and the ordering and release of resources.

(51) “NFPA Intermodal Tank Specialty” means a person who provides technical support pertaining to intermodal tanks, provides oversight for product removal and movement of damaged intermodal tanks, and acts as a liaison between technicians and outside resources.

(52) “NFPA Hazardous Materials Safety Officer” means a person who works within an incident management system (IMS), specifically, the hazardous materials branch/group, to ensure that recognized hazardous materials or weapons of mass destruction (WMD) safe practices are followed at hazardous materials or WMD incidents.

(53) “NFPA Hazardous Materials Technician” means a person who responds to hazardous materials or WMD incidents using a risk-based response process where they analyze a problem involving hazardous materials or WMD, select applicable decontamination procedures, and control a release using specialized protective and control equipment.

(54) “NFPA Marine Land-Based Fire Fighter” means a member of a fire service agency who meets the job performance requirements of NFPA 1005.

(55) “NFPA Marine Tank Vessel Specialty” means a person who provides technical support pertaining to marine tank vessels, provides oversight for product removal and movement of damaged marine tank vessels, and acts as a liaison between technicians and outside resources.

(56) “NFPA Mobile Water Supply Apparatus” means a Fire Service Professional who has met the requirements of Fire Apparatus Driver/Operator as specified in NFPA 1002 Chapter 4 and the job performance requirements defined in NFPA 1002 Sections 10.1 and 10.2.

(57) “NFPA Operations Level Responder” means a person who responds to hazardous materials or WMD incidents for the purpose of implementing or supporting actions to protect nearby persons, the environment, or property from the effects of the release.

(58) “NFPA Rope Rescue — Level I” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 6 section 6.1.

(59) “NFPA Rope Rescue — Level II” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 6 section 6.2.

(60) “NFPA Structural Collapse Rescue” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 9 sections 9.1 and 9.2.

(61) “NFPA Surf Rescue” means a Fire Service Professional who had met the job performance requirements defined in NFPA 1006, Chapter 11 sections 11.1 and 11.2, and Chapter 15 sections 15.1 and 15.2.

(62) “NFPA Surface Water Rescue — Level I” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 11 section 11.1.

(63) “NFPA Surface Water Rescue — Level II” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 11 section 11.2.

(64) “NFPA Swiftwater Rescue” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 6 sections 6.1 and 6.2, Chapter 11 sections 11.1 and 11.2, and Chapter 12 sections 12.1 and 12.2.

(65) “NFPA Tank Car Specialty” means a person who provides technical support pertaining to tank cars, provides oversight for product removal and movement of damaged tank cars, and acts as a liaison between technicians and outside resources.

(66) “NFPA Trench Rescue” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 8 sections 8.1 and 8.2.

(67) “NFPA Vehicle and Machinery Rescue” means a Fire Service Professional who has met the job performance requirements defined in NFPA 1006, Chapter 10 sections 10.1 and 10.2.

(68) “NFPA Wildland Fire Apparatus” means a Fire Service Professional who has met the requirements of Fire Apparatus Driver/Operator as specified in NFPA 1002 Chapter 4 and the job performance requirements defined in NFPA 1002 Sections 8.1 and 8.2.

(69) “NWCG Firefighter Type 2 (FFT2)” means a person who is the basic resource used in the control and extinguishment of wildland fires and works either as an individual or as a member of a crew under the supervision of a higher qualified individual.

(70) “NWCG Firefighter Type 1 (FFT1)” means a person who is a working leader of a small group (usually not more than seven members) and is responsible for keeping assigned personnel fully employed on assigned jobs. Normally this position is supervised by a Single Resource Crew Boss but may be assigned independently on occasion.

# ADMINISTRATIVE RULES

(71) “NWCG Single Resource Boss (CRWB, ENGB, FELB, FIRB, HEQB or HMGB)” means a person who is responsible for supervising and directing a fire suppression module, such as a hand crew, engines, one or more fallers, a firing team, heavy equipment or helicopters.

(72) “NWCG Task Force Leader (TFLD) / NWCG Strike Team Leader Engine (STEN)” means a person who is the ICS position responsible for supervising a task force of resources. The NWCG Strike Team Leader Engine (STEN) is the ICS position responsible for the direct supervision of a strike team of engines. Both positions report to a Division/Group Supervisor or Operations Section Chief.

(73) “NWCG Division/Group Supervisor (DIVS)” means a person who is the ICS position responsible for supervising equipment and personnel assigned to a division or group. Reports to a Branch Director or Operations Section Chief.

(74) “Public Information Officer” means a person who has demonstrated the ability to conduct media interviews and prepare news releases and media advisories.

(75) “Service Delivery” means to be able to adequately demonstrate, through job performance, the knowledge, skills, and abilities of a certification level.

(76) “Staff” means employees occupying full-time, part-time, or temporary positions with the Department.

(77) “Task Performance” means to demonstrate the ability to perform tasks of a certification level, in a controlled environment, while being evaluated.

(78) “The Act” refers to the Public Safety Standards and Training Act (ORS 181.610 to 181.705).

(79) “Topical Level Course” is a course that does not include an identifiable block of learning objectives or outcomes that are required for certification at one or more levels.

(80) “Track” means a field of study required for certification.

(81) “Waiver” means to refrain from pressing or enforcing a rule.

## 259-009-0062

### Fire Service Personnel Certification

(1) A fire service professional affiliated with an Oregon fire service agency may be certified by:

(a) Satisfactorily completing the requirements specified in section (2) of this rule;

(b) Through participation in a fire service agency training program accredited by the Department;

(c) Through a course certified by the Department; or

(d) By evaluation of experience as specified in OAR 259-009-0063.

(e) The Department may certify a fire service professional who has satisfactorily completed the requirements for certification as prescribed in section (2) of this rule, including the Task Performance Evaluations (TPE) if applicable.

(2) The following standards for fire service personnel are adopted by reference:

(a) The provisions of the NFPA Standard 1001, 2013 Edition, entitled “Fire Fighter Professional Qualifications”;

(A) Delete section 1.3.1.

NOTE: This references NFPA 1500.

(B) Delete section 2.2.

NOTE: This references NFPA 1500 and 1582.

(C) For certification as Fire Fighter II, the applicant must be certified at NFPA 1001 Fire Fighter I as defined by the Department and meet the job performance requirements defined in Sections 6.1 through 6.5.5 of this Standard.

(D) All applicants for certification must complete a task performance evaluation or a Department-approved task book for NFPA Fire Fighter I and NFPA Fire Fighter II. The evaluation or task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(b) The provisions of the NFPA Standard 1002, 2009 Edition, entitled “Standard for Fire Apparatus Driver/Operator Professional Qualifications,” are adopted subject to the following definitions and modifications:

(A) 5.1 General. The job performance requirements defined in Sections 5.1 and 5.2 must be met prior to certification as a Fire Service Agency Driver/Operator-Pumper.

(B) 6.1 General. The requirements of NFPA 1001 Fire Fighter I and NFPA 1002 Fire Apparatus Driver/Operator, as specified by the Department and the job performance requirements defined in Sections 6.1 and 6.2, must be met prior to certification as a Fire Service Agency Driver/Operator-Aerial.

(C) 7.1 General. The requirements of NFPA 1001 Fire Fighter I and NFPA 1002 Fire Apparatus Driver/Operator, as specified by the Department and the job performance requirements defined in Sections 7.1 and 7.2 must be met prior to certification as a Fire Service Agency Driver/Operator-Tiller.

(D) 8.1 General. The requirements of NFPA 1001 Fire Fighter I and NFPA 1002 Fire Apparatus Driver/Operator, as specified by the Department and the job performance requirements defined in Sections 8.1 and 8.2, must be met prior to certification as a Fire Service Agency Driver/Operator-Wildland Fire Apparatus.

(E) 9.1 General. The requirements of NFPA 1001 Fire Fighter II and NFPA 1002 Fire Apparatus Driver/Operator, as specified by the Department and the job performance requirements defined in Sections 9.1 and 9.2, must be met prior to certification as a Fire Service Agency Driver/Operator-Aircraft Rescue and Fire Fighting Apparatus (ARFF).

(F) 10.1 General. The requirements of NFPA 1002 Fire Apparatus Driver/Operator, as specified by the Department and the job performance requirements defined in Sections 10.1 and 10.2, must be met prior to certification as a Fire Service Agency Driver/Operator-Mobile Water Supply Apparatus.

(G) Delete “the requirements of NFPA 1500, Standard on Fire Department Occupational Safety and Health Program”.

(H) All applicants for certification must complete a task performance evaluation or a Department-approved task book for: NFPA Fire Apparatus Driver/Operator, NFPA Apparatus Equipped with Fire Pump, NFPA Apparatus Equipped with an Aerial Device, NFPA Apparatus Equipped with a Tiller, NFPA Wildland Fire Apparatus, NFPA Aircraft Rescue and Firefighting Apparatus or NFPA Mobile Water Supply Apparatus. The task books must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(c) The provisions of the NFPA Standards 1003, 2010 Edition, entitled “Standard for Airport Fire Fighter Professional Qualifications”.

(A) 6.1 General. Prior to certification as a Fire Service Agency NFPA 1003 Airport Fire Fighter, the requirements of NFPA 1001 Fire Fighter II, as specified by the Department and the job performance requirements defined in sections 5.1 through 5.4, must be met.

(B) All applicants for certification must complete a Department-approved task book for Airport Fire Fighter. The task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(d) The provisions of NFPA Standard 1005, 2007 Edition, entitled “Marine Fire Fighting for Land Based Fire Fighters Professional Qualifications,” are adopted subject to the following definitions and modifications:

(A) Delete section 2.2.

NOTE: This references NFPA 1500.

(B) Delete sections of 2.4.

NOTE: This references NFPA 1000, NFPA 1081, NFPA 1405, NFPA 1670 and NFPA 1710.

(C) 5.1 General. Prior to certification as a Fire Service Agency NFPA 1005 Marine Land-Based Fire Fighter, the requirements of NFPA 1001 Fire Fighter II, as specified by the Department.

(D) All applicants for certification must complete a Department approved task book for Marine Fire Fighting for Land Based Fire Fighters. The task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(E) Transition Phase:

(i) An application for certification in Marine Fire Fighting for Land Based Fire Fighters must be submitted to the Department no later than June 30, 2009 to receive consideration for certification without having to complete a task book.

(ii) All applications received on or after July 1, 2009 will need to show completion of the approved task book.

(e) The provisions of the NFPA Standard No. 1031, Edition of (2009), entitled “Professional Qualifications for Fire Inspector and Plan Examiner” are adopted.

(A) All applicants for certification as an NFPA Fire Inspector I must:

(i) Successfully complete a Department-approved task book; and

# ADMINISTRATIVE RULES

(ii) Furnish proof that they have passed an exam demonstrating proficiency in the model fire code adopted by the State of Oregon or an equivalent.

(B) All applicants for certification as an NFPA Fire Inspector II must:

- (i) Hold a certification as a NFPA Fire Inspector I; and
- (ii) Successfully complete a Department-approved task book.

(C) All applicants for certification as an NFPA Fire Inspector III must:

- (i) Hold a certification as a NFPA Fire Inspector II; and
- (ii) Successfully complete a Department-approved task book.

(D) Task books must be monitored by a Field Training Officer approved by the Department. The Field Training Officer must be certified at or above the level being monitored and have at least five years inspection experience. The Department may approve other Field Training Officers with equivalent training, education and experience as determined by designated Department staff.

(f) The provisions of the NFPA Standard No. 1033, Edition of (2009), entitled "Professional Qualifications for Fire Investigator" are adopted subject to the following definitions and requirements:

(A) An individual must successfully complete a Department-approved task book before the Department will administer a written examination for the Fire Investigator certification level. Exception: Anyone holding a valid IAAI Fire Investigator Certification, National Association of Fire Investigators (NAFI) certification, or Certified Fire Explosion Investigators (CFEI) certification is exempt from taking the Department's Fire Investigator written exam.

(B) A Department approved Field Training Officer must monitor the completion of a task book. The Field Training Officer must be certified at or above the level being monitored and have at least five (5) years fire investigation experience. Exception: The Department may approve Field Training Officers with equivalent training, education and experience.

(g) The provisions of the NFPA Standard No. 1035, Edition of 2010, entitled "Professional Qualifications for Public Fire and Life Safety Educator" are adopted subject to the following definitions and modifications:

(A) A task book will be completed prior to certification as a NFPA Public Fire and Life Safety Educator I, II or III. The Task Book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(B) A task book will be completed prior to certification as a NFPA Public Information Officer. The task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(C) A task book will be completed prior to certification as a NFPA Juvenile Firesetter Intervention Specialist I and II. The task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(h) The provisions of the NFPA Standard No. 1041, Edition of 2012, entitled "Standard for Fire Service Instructor Professional Qualifications," are adopted subject to the successful completion of an approved task book for NFPA Fire Instructor I, II and III.

(i) The provisions of the NFPA Standard 1021, 2009 Edition, entitled "Standards for Fire Officer Professional Qualifications," are adopted subject to the following definitions and modifications:

(A) 4.1 General. For certification as NFPA Fire Officer I, the candidate must be certified at NFPA 1001 Fire Fighter II, and NFPA 1041 Fire Instructor I, as defined by the Department, and meet the job performance requirements defined in Sections 4.1 through 4.7 of this Standard.

(i) Amend section 4.1.2 General Prerequisite Skills to include college courses or Department- approved equivalent courses in the following areas of study: Communications, Math, Physics, Chemistry, or Fire Behavior and Combustion. Refer to the suggested course guide for detailed course, curriculum and training information.

(ii) All applicants for certification must complete a task performance evaluation or a Department-approved task book for NFPA Fire Officer I. The evaluation or task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(B) 5.1 General. For certification as NFPA Fire Officer II, the candidate must be certified as NFPA Fire Officer I, as defined by the Department, and meet the job performance requirements defined in Section 5.1 through 5.7 of the Standard.

(i) Amend section 5.1.2 General Prerequisite Skills to include college courses or Department- approved equivalent courses Psychology or Sociology.

(ii) Amend section 5.3 Community and Government Relations to include State and Local Government or Department-approved equivalent courses.

(iii) All applicants for certification must complete a task performance evaluation or a Department-approved task book for NFPA Fire Officer II. The evaluation or task book must be approved off by the Agency Head or Training Officer, before an applicant can qualify for certification.

(C) 6.1 General. For certification as NFPA Fire Officer III, the candidate must be certified as a NFPA Fire Officer II, NFPA, NFPA 1041 Fire Instructor II, as defined by the Department, and meet the job performance requirements defined in Sections 6.1 through 6.7 of the Standard.

(i) All applicants for certification must complete a Department-approved task book for NFPA Fire Officer III.

(ii) The task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(D) 7.1 General. For certification as NFPA Fire Officer IV the candidate must be certified as NFPA Fire Officer III, as defined by the Department, and meet the job performance requirements in Sections 7.1 through 7.7 of the Standard.

(i) All applicants for certification must complete a Department-approved task book for NFPA Fire Officer IV.

(ii) The task book must be approved by the Agency Head or Training Officer, before an applicant can qualify for certification.

(j) Hazardous Materials Responder (DPSST-P-12 1/96).

(k) Fire Ground Leader.

(A) This is a standard that is Oregon-specific.

(B) An applicant applying for Fire Ground Leader must first be certified as an NFPA Fire Fighter II.

(C) An applicant applying for Fire Ground Leader must document training in all of the following areas:

(i) Building Construction: Non-Combustible and Combustible;

(ii) Emergency Service Delivery;

(iii) Fire Behavior;

(iv) Fire Ground Safety; and

(v) Water Supply Operations.

(D) All applicants for certification must complete a task performance evaluation or a Department-approved task book for Fire Ground Leader. The evaluation or task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(l) NWCG Firefighter Type 2 (FFT2).

(A) This is a NWCG standard.

(B) An individual applying for NWCG Firefighter (FFT2) must document training in all of the following areas at the time of application:

(i) S-130 Firefighter Training;

(ii) S-190 Wildland Fire Behavior;

(iii) L-180 Human Factors on the Fireline;

(iv) I-100 Introduction to ICS.

(v) NIMS, Introduction IS700; and

(vi) I-100 Introduction to ICS or IS100.

(m) NWCG Firefighter Type 1 (FFT1).

(A) This is a NWCG standard.

(B) An individual applying for NWCG Firefighter Type 1 (FFT1) must be certified as a NWCG Firefighter Type 2 (FFT2) prior to applying for NWCG Firefighter Type 1 (FFT1) and must document training in all of the following areas at the time of application:

(i) S-131 Firefighter Type I;

(ii) S-133 Look Up, Look Down, Look Around;

(iii) Annual Fireline Safety Refresher (RT-130); and

(iv) Completion of the NWCG Firefighter Type 1 (FFT1)/Incident Commander Type 5 (ICT5) Task Book.

(n) NWCG Single Resource, Engine Boss (ENGB).

(A) This is a NWCG standard.

(B) An individual applying for NWCG Single Resource, Engine Boss must be certified as a NWCG Firefighter Type 1 (FFT1) prior to applying for NWCG Single Resource, Engine Boss and must document training in all of the following areas at the time of application:

(i) I-200 Basic Incident Command;

(ii) S-230 or Crew Boss (Single Resource);

(iii) S-290 Intermediate Wildland Fire Behavior;

(iv) NIMS I-200 or IS200;

(v) Annual Fireline Safety Refresher (RT-130); and

(vi) Completion of the task book for NWCG Single Resource Engine Boss

(o) NWCG Single Resource, Crew Boss (CRWB).

(A) This is a NWCG standard.

(B) An individual applying for NWCG Single Resource Crew Boss must be certified as a NWCG Firefighter Type 1 (FFT1) prior to applying

# ADMINISTRATIVE RULES

for NWCG Single Resource Crew Boss and must document training in all of the following areas at the time of application:

- (i) S-230 Crew Boss (Single Resource);
- (ii) S-290 Intermediate Wildland Fire Behavior;
- (iii) NIMS I-200 or IS200;
- (iv) Annual Fireline Safety Refresher (RT-130); and
- (v) Completion of the task book for NWCG Single Resource Crew Boss.

- (p) NWCG Single Resource, Heavy Equipment Boss (HEBQ).
- (A) This is a NWCG standard.

(B) An individual applying for NWCG Single Resource, Heavy Equipment Boss must be certified as a NWCG Firefighter Type 1 (FFT1) prior to applying for NWCG Single Resource, Heavy Equipment Boss and must document training in all of the following areas at the time of application:

- (i) I -200 Basic Incident Command or IS200;
- (ii) S-230 Crew Boss (Single Resource);
- (iii) S-290 Intermediate Wildland Fire Behavior;
- (iv) Annual Fireline Safety Refresher (RT-130); and
- (v) Completion of the task book for NWCG Single Resource, Heavy Equipment Boss.

- (q) NWCG Single Resource, Felling Boss (FELB).
- (A) This is a NWCG standard.

(B) An individual applying for NWCG Single Resource, Felling Boss must be certified as a NWCG Firefighter Type 1 (FFT1) prior to applying for NWCG Single Resource, Felling Boss and must document training in all of the following areas at the time of application:

- (i) I -200 Basic Incident Command or IS200;
- (ii) S-230 Crew Boss (Single Resource);
- (iii) S-290 Intermediate Wildland Fire Behavior;
- (iv) Annual Fireline Safety Refresher (RT-130); and
- (v) Completion of the task book for NWCG Single Resource, Felling Boss.

- (r) NWCG Single Resource, Firing Boss (FIRB)
- (A) This is a NWCG standard.

(B) An individual applying for NWCG Single Resource, Firing Boss must be certified as NWCG Firefighter Type 1 (FFT1) prior to applying for NWCG Single Resource, Firing Boss and must document training in all of the following areas at the time of application:

- (i) I -200 Basic Incident Command or IS200;
- (ii) S-230 Crew Boss (Single Resource);
- (iii) S-290 Intermediate Wildland Fire Behavior;
- (iv) Annual Fireline Safety Refresher (RT-130); and
- (v) Completion of the task book for NWCG Single Resource, Firing Boss.

- (s) NWCG Strike Team Leader Engine (STEN.)
- (A) This is a NWCG standard.

(B) An individual applying for NWCG Strike Team Leader Engine (STEN) must be certified as NWCG Single Resource, Engine Boss prior to applying for NWCG Strike Team Leader Engine and must document training in all of the following areas at the time of application:

- (i) S-215 Fire Operations in the Wildland Urban Interface WUI;
- (ii) S-330 Task Force Strike Team Leader;
- (iii) I-300 Incident Command Systems for Expanding Incidents;
- (iv) NRF: Introduction IS800B;
- (v) Annual Fireline Safety Refresher (RT-130); and
- (vi) Completion of the task book for NWCG Strike Team Leader Engine.

- (t) NWCG Task Force Leader (TFLD).
- (A) This is a NWCG standard.

(B) An individual applying for NWCG Task Force Leader (TFLD) must complete "Required Experience" as defined in PMS 310-1 and must document training in all of the following areas at the time of application:

- (i) S-215 Fire Operation in the Wildland Urban Interface (WUI);
- (ii) S-330 Task Force/Strike Team Leader;
- (iii) I-300 Incident Command Systems for Expanding Incidents;
- (iv) NRF: Introduction IS800B;
- (v) Annual Fireline Safety Refresher (RT-130); and
- (vi) Completion of the task book for NWCG Task Force Leader.

- (u) NWCG Division/Group Supervisor (DIVS).
- (A) This is a NWCG standard.

(B) An individual applying for NWCG Division/Group Supervisor must complete "Required Experience" as defined in PMS 310-1 and must document training in all of the following areas at the time of application:

- (i) S-390 Introduction to Wildland Fire Behavior Calculations;

- (ii) S-339 Division/Group Supervisor;
- (iii) Annual Fireline Safety Refresher (RT-130); and
- (iv) Completion of the task book for NWCG Division/Group Supervisor.

(v) Maritime Fire Service Operator Standards Professional Qualifications (October, 1999) and completion of an approved task book. Historical Recognition:

(A) The application must be submitted with the fire chief or designee's signature attesting to the skill level and training of the applicant.

(B) The application must be submitted to the Department no later than October 1, 2004, to receive certification for Maritime Fire Service Operator without having to complete the task book.

(C) All applications received after October 1, 2004, will need to show completion of the approved task book.

- (w) Certification guide for Wildland Fire Investigator (August, 2005).

(x) The provisions of the 2008 Edition of NFPA 1006 entitled, "Standards for Technical Rescuer Professional Qualifications" are adopted subject to the following modifications:

- (A) Historical Recognition:

(i) Applicants who currently hold active Department of Public Safety Standards and Training NFPA Surface Water Rescue Technician and NFPA Rope Rescue levels of certification may apply for NFPA Swiftwater Rescue level of certification.

(ii) The NFPA Technical Rescuer application for certification under (i) above must be submitted to the Department of Public Safety Standards and Training on or before December 30, 2011.

- (B) Instructors:

(i) Curriculum must be certified by the Department to meet NFPA 1006 standards.

(ii) An instructor delivering training under a fire service agency's accreditation agreement must be a certified technician in that specialty rescue area.

- (C) Task Books:

(i) A task book must be completed for each of the eleven specialty rescue areas applied for.

(ii) Only a certified technician in that specialty rescue area can approve the task book.

(iii) The requirements in Chapters 4 and 5 only need to be met once for all eleven specialty rescue areas.

- (y) Urban Search and Rescue.

(A) This is a standard that is Oregon-specific.

(B) The following eleven (11) specialty Urban Search and Rescue (USAR) certifications are adopted:

- (i) Task Force Leader;
- (ii) Safety Officer;
- (iii) Logistics Manager;
- (iv) Rescue Team Manager;
- (v) Rescue Squad Officer;
- (vi) Rescue Technician;
- (vii) Medical Technician;
- (viii) Rigging Technician;
- (ix) Search Team Manager;
- (x) Search Squad Officer; and
- (xi) Search Technician.

(C) An applicant applying for any USAR certification(s) must complete the appropriate application attesting to completion of the required training.

(z) The provisions of the NFPA Standard 472, 2008 Edition, entitled "Standard for Hazardous Materials and Weapons of Mass Destruction" are adopted subject to the following definitions and modifications:

(A) NFPA Hazardous Materials Technician: All applicants for certification must first certify as an NFPA Operations Level Responder and complete a Department-approved task book. The task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification.

(B) NFPA Hazardous Materials Safety Officer: All applicants for certification must first certify as a NFPA Hazardous Materials Technician and complete a Department-approved task book. The task book must be approved by the Agency Head or Training Officer before an applicant can qualify for certification. This certification level includes, but is not limited to, the following course work:

- (i) Analyzing the Incident;
- (ii) Planning the Response;
- (iii) Implementing the Planned Response;
- (iv) Evaluating the Progress.

# ADMINISTRATIVE RULES

(C) Incident Commander: The level of certification formerly known as “On-Scene Incident Commander” is now known as “NFPA Hazardous Materials Incident Commander.” The Incident Commander correlates directly with NFPA 472. All applicants for certification must first certify as an NFPA Operations Level Responder.

(D) Operations Level Responder: The level of certification formerly known as “First Responder” is now known as “NFPA Operations Level Responder.” The NFPA Operations Level Responder correlates directly with NFPA 472. Successful completion of skills sheets or task performance evaluations (TPE) must be met prior to certification as an NFPA Operations Level Responder.

(aa) Specialty Levels of Certification. All applicants for specialty levels of certification must first certify as a NFPA Hazardous Materials Technician.

(A) The following four (4) specialty certifications are adopted:

- (i) NFPA Cargo Tank Specialty;
- (ii) NFPA Intermodal Tank Specialty;
- (iii) NFPA Marine Tank Vessel Specialty;
- (iv) NFPA Tank Car Specialty;

(B) Successful completion of task performance evaluations (TPE) must be met prior to obtaining a specialty level of certification.

(3) Task performance evaluations, where prescribed, will be required prior to certification. Such examinations will be conducted in the following manner:

(a) Task performance competency will be evaluated by three people nominated by the employing fire service agency’s Chief Officer for approval by the Department or its designated representative.

(b) The employing fire service agency’s equipment and operational procedures must be used in accomplishing the task performance to be tested.

(c) Specific minimum testing procedures, as provided by the Department, will be used for administration of the evaluation.

(d) The training officer for an accredited fire service agency training program must notify the Department or its designated representative prior to performing a task performance evaluation.

(e) At the request of the fire chief, a representative of the Department will be designated to monitor the task performance evaluation for personnel from a fire service agency whose training program is not accredited.

\*\*\*\*\*

**Rule Caption:** Updates fingerprint requirements; allows summary staff disposition or administrative closure in cases involving discretionary convictions.

**Adm. Order No.:** DPSST 37-2014

**Filed with Sec. of State:** 12-31-2014

**Certified to be Effective:** 12-31-14

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 259-009-0059, 259-009-0070

**Subject:** Current rule does not require fingerprint submission for fire service professionals applying for certification who have never been fingerprinted. This rule change remedies this oversight. Further, because the maximum period of ineligibly for discretionary disqualifying misconduct is seven years, DPSST cannot take action on any discretionary conviction occurring over seven years ago. The implementation of the denial and revocation procedure for fire service professionals used the date of the conviction to dictate DPSST’s action. Since it will have been more than seven years since the implementation date (January 15, 2008), the language found in rule is no longer relevant and often creates confusion amongst constituents. This rule change does not alter the intent of the original procedure, but simply updates the rule language to allow for summary staff disposition or administrative closure in cases involving discretionary

convictions occurring seven years or more prior to the date of review. Several housekeeping changes have been made for consistency.

**Rules Coordinator:** Sharon Huck—(503) 378-2432

## 259-009-0059

### Minimum Standards for Employment as a Fire Service Professional

(1) No person may be certified as a Fire Service Professional who is not 18 years of age.

(2) Only training received after attaining the age of 16 will be applied for certification purposes.

(3) DPSST Fire Service Agency affiliation must be attained after the age of 16 via submission of a Personnel Agency Form.

(4) Fingerprints. Any individual utilized by a fire service agency that has never been fingerprinted or is identified in the Oregon LEDS system as a multi-source offender is required to be fingerprinted on standard applicant fingerprint cards. The hiring agency is responsible for fingerprinting and must forward one card with the appropriate fees to the Department.

(5) Notification of Conviction:

(a) A fire service professional or instructor who is convicted of a crime, as identified in OAR 259-009-0070, while employed by a fire service agency, must notify the agency head within five business days of the conviction.

(b) When an agency receives notification of a conviction from a fire service professional, instructor, or another source, the agency must notify the Department within 30 calendar days. The notification to the Department must be in writing and include the specific charges of the conviction, the county and state where the conviction occurred, the investigating agency and the date of the conviction.

## 259-009-0070

### Denial/Revocation

(1) It is the responsibility of the Board to set the standards, and of the Department to uphold them, to ensure the highest levels of professionalism and discipline. These standards will be upheld at all times, unless the Board determines that the safety of the public or respect of the profession is compromised.

(2) Definitions. For purposes of this rule, the following definitions will apply:

(a) “Denial” or “Deny” means the refusal to grant a fire service certification for mandatory grounds or discretionary disqualifying misconduct as identified in this rule, pursuant to the procedures identified in (7) of this rule.

(b) “Discretionary Conviction” means a conviction identified in OAR 259-009-0070(4).

(c) “Discretionary Disqualifying Misconduct” means misconduct identified in OAR 259-009-0070(4).

(d) “Revocation” or “Revoke” means to withdraw the certification of a fire service professional or instructor for mandatory grounds or discretionary disqualifying misconduct as identified in this rule, pursuant to the procedures identified in section (7) of this rule.

(3) Mandatory Grounds for Denying or Revoking Certification of a Fire Service Professional or Instructor:

(a) The Department must deny or revoke the certification of any fire service professional or instructor, after written notice, and a hearing if requested, based upon a finding that:

(A) The fire service professional or instructor has been convicted in this state of a crime listed in ORS 137.700 or in any other jurisdiction of a crime that, if committed in this state would constitute a crime listed in 137.700. Those crimes are:

163.095 Attempted Aggravated Murder;

163.115 Attempted Murder;

163.115 Murder;

163.118 Manslaughter in the First Degree;

163.125 Manslaughter in the Second Degree;

163.149 Aggravated Vehicular Homicide;

163.175 Assault in the Second Degree;

163.185 Assault in the First Degree;

163.225 Kidnapping in the Second Degree;

163.235 Kidnapping in the First Degree;

163.365 Rape in the Second Degree;

163.375 Rape in the First Degree;

163.395 Sodomy in the Second Degree;

163.405 Sodomy in the First Degree;

163.408 Sexual Penetration in the Second Degree;

163.411 Sexual Penetration in the First Degree;

# ADMINISTRATIVE RULES

163.427 Sexual Abuse in the First Degree;  
163.670 Using a Child in a Display of Sexually Explicit Conduct;  
164.325 Arson in the First Degree (See exception under OAR 259-009-0070(4));  
164.405 Robbery in the Second Degree;  
164.415 Robbery in the First Degree;  
167.017 Compelling Prostitution.

(B) The fire service professional or instructor has been discharged for cause from employment as a fire service professional or instructor.

(b) For purposes of this rule, “discharged for cause”, means an employer initiated termination of employment for any of the following reasons after a final determination has been made. If, after service by the Department of a Notice of Intent to Deny or Revoke Certifications (NOI), the fire service professional or instructor provides notice to the Department within the time stated in the NOI that the discharge has not become final, then the Department may stay further action pending a final determination.

(A) Dishonesty: Includes untruthfulness, dishonesty by admission or omission, deception, misrepresentation, falsification;

(B) Disregard for the Rights of Others: Includes violating the constitutional or civil rights of others, conduct demonstrating a disregard for the principles of fairness, respect for the rights of others, protecting vulnerable persons, and the fundamental duty to protect and serve the public;

(C) Gross Misconduct: An act or failure to act that creates a danger or risk to persons, property, or to the efficient operation of the agency, recognizable as a gross deviation from the standard of care that a reasonable fire service professional or instructor would observe in a similar circumstance;

(D) Incompetence: A demonstrated lack of ability to perform the essential tasks of a fire service professional or instructor that remedial measures have been unable to correct;

(E) Misuse of Authority: Includes abuse of public trust, abuse of authority to obtain a benefit, avoid a detriment, or harm another, and abuse under the color of office.

(4) Discretionary Disqualifying Misconduct as Grounds for Denying or Revoking Certification(s) of a Fire Service Professional or Instructor:

(a) The Department may deny or revoke the certification of any fire service professional or instructor, after written notice, and a hearing, if requested, based upon a finding that:

(A) The fire service professional or instructor falsified any information submitted on the application for certification or on any documents submitted to the Board or Department;

(B) The fire service professional or instructor has been convicted of an offense listed in subsection (4)(c), punishable as a crime, other than a mandatory disqualifying crime listed in section (3) of this rule, in this state or any other jurisdiction.

(b) For purposes of this rule, the Department, through the Fire Policy Committee and Board, has defined core values that are integral to the fire service profession. These values are:

(A) Category I: Honesty. Honesty includes straightforwardness of conduct; integrity, adherence to the facts; freedom from subterfuge or duplicity; truthfulness and sincerity.

(B) Category II: Professionalism. Professionalism includes the conduct, aims, or qualities that characterize or mark a profession or a professional person; extreme competence in an occupation or pursuit.

(C) Category III: Justice. Justice includes just treatment, the quality or characteristics of being just, impartial, or fair.

(c) Pursuant to ORS 181.662(3)(b), the Department has determined that, in the absence of a determination to the contrary by the Fire Policy Committee and Board, a fire service professional or instructor who has been convicted of the following crimes has violated the core values of the fire service profession and may not be fit to receive or hold certification:

25.785(3) (False Submission Social Security Number) – Category I;  
92.337 (Furnishing False Information or Making a False Representation) – Category I;  
162.015 (Bribe Giving) – Category III;  
162.025 (Bribe Receiving) – Category III;  
162.065 (Perjury) – Category I;  
162.117 (Public Investment Fraud) – Category I;  
162.155 (Escape in the Second Degree) – Category II;  
162.165 (Escape in the First Degree) – Category II;  
162.185 (Supplying Contraband) – Category II;  
162.205 (Failure to Appear in the First Degree) – Category II;  
162.265 (Bribing a Witness) – Category III;  
162.275 (Bribe Receiving by a Witness) – Category III;  
162.285 (Tampering with a Witness) – Category III;  
162.305 (Tampering with Public Records) – Category III;  
162.325 (Hindering Prosecution) – Category III;  
162.355 (Simulating Legal Process) – Category III;  
162.365 (Criminal Impersonation) – Category I;  
162.367 (Criminal Impersonation of a Peace Officer) – Category I;  
162.415 (Official Misconduct in the First Degree) – Category II;  
163.145 (Criminally Negligent Homicide) – Category III;  
163.160 (Assault in the Fourth Degree) – Category III;  
163.165 (Assault in the Third Degree) – Category III;

163.205 (Criminal Mistreatment in the First Degree) – Category III;  
163.207 (Female Genital Mutilation) – Category III;  
163.208 (Assaulting a Public Safety Officer) – Category III;  
163.213 (Unlawful Use of an Electrical Stun Gun, Tear Gas or Mace in the First Degree) – Category II;  
163.245 (Custodial Interference in the Second Degree) – Category III;  
163.257 (Custodial Interference in the First Degree) – Category III;  
163.275 (Coercion) – Category III;  
163.355 (Rape in the Third Degree) – Category III;  
163.425 (Sexual Abuse in the Second Degree) – Category III;  
163.465 (Public Indecency) – Category III;  
163.515 (Bigamy) – Category III;  
163.525 (Incest) – Category III;  
163.535 (Abandonment of a Child) – Category III;  
163.537 (Buying or Selling a Person Under 18 years of age) – Category III;  
163.547 (Child Neglect in the First Degree) – Category III;  
163.555 (Criminal Non-Support) – Category III;  
163.684 (Encouraging Child Sexual Abuse in the First Degree) – Category III;  
163.686 (Encouraging Child Sexual Abuse in the Second Degree) – Category III;  
163.688 (Possession of Materials Depicting Sexually Explicit Conduct of a Child in the Second Degree) – Category III;  
163.689 (Possession of Materials Depicting Sexually Explicit Conduct of a Child in the Second Degree) – Category III;  
163.732 (Stalking) – Category III;

(A) Any crime that requires the fire service professional or instructor to register as a sex offender;

(B) “Attempt,” “Solicitation,” or “Conspiracy” to commit any crime identified in OAR 259-009-0070(3), in any jurisdiction;

(C) “Attempt,” “Solicitation,” or “Conspiracy” to commit any crime identified in OAR 259-009-0070(4), resulting in a conviction of a felony or Class A misdemeanor, in any jurisdiction.

(5) Guidelines for Denial or Revocation Based on Discretionary Disqualifying Misconduct.

(a) The Department may take action on any conviction constituting discretionary disqualifying misconduct identified in section (4) of this rule that occurred after January 15, 2008;

(b) Convictions that occurred seven years or more prior to the date of review may be appropriate for summary staff disposition or administrative closure.

(6) Initial Minimum Periods of Ineligibility.

(a) Upon determination to proceed with the denial or revocation of a fire service professional’s or instructor’s certification based on discretionary disqualifying misconduct identified in section (4), the Fire Policy Committee and Board will determine an initial minimum period of ineligibility to apply for certification. The initial minimum period of ineligibility will range from 30 days to seven years.

(b) In determining the initial minimum period of ineligibility for discretionary disqualifying misconduct listed in section (4) of this rule, the Fire Policy Committee and the Board will take into consideration any aggravating or mitigating factors subject to the provisions of section (7) of this rule.

(c) A person is not eligible to reapply for training or certification if the person had training or certification denied or revoked for mandatory grounds identified in section (3) of this rule.

(d) The initial minimum period of ineligibility will be included in any Final Order of the Department.

(e) Any subsequent eligibility to apply for certification will be determined by the Board, after a review by the Fire Policy Committee, subject to the provisions of section (9) of this rule.

(7) Denial and Revocation Procedure.

(a) Agency Initiated Review: When an agency utilizing a fire service professional or instructor requests that their certification be revoked or denied, the agency must submit the reason for the requested revocation or denial to the Department, in writing, including all factual information supporting the request.

(b) Department Initiated Review: Upon receipt of factual information from any source, and pursuant to ORS 181.662, the Department may request that the fire service professional’s or instructor’s certification be revoked or denied.

(c) Department Staff Review: When the Department receives information, from any source, that a fire service professional or instructor may not meet established Oregon fire service standards, the Department will review the request and the supporting factual information to determine if the request for denial or revocation meets statutory and administrative rule requirements.

(A) If the reason for the request does not meet the statutory and administrative rule requirements for denial or revocation the Department will notify the requestor.

(B) If the reason for the request does meet statutory and administrative rule requirements, but is not supported by adequate factual information, the Department will request further information from the employer or conduct its own investigation of the matter.

(C) If the Department determines that a fire service professional or instructor may have engaged in discretionary disqualifying misconduct listed in section (4), the case may be presented to the Board, through the Fire Policy Committee.

(D) The Department will seek input from the affected fire service professional or instructor, allowing him or her to provide, in writing, information for the Fire Policy Committee and Board’s review.

(E) In misconduct cases where there has been an arbitrator’s opinion related to the fire service professional’s or instructor’s employment, the Department will proceed as follows:

(i) If the arbitrator’s opinion finds that underlying facts supported the allegations of misconduct, the Department will proceed as identified in paragraphs (A) through (D) of this subsection.

(ii) If the arbitrator has ordered employment reinstatement after a discharge for cause without a finding related to whether the misconduct occurred, the Department will proceed as identified in paragraphs (A) through (D) of this subsection.

(iii) If the arbitrator’s opinion finds that underlying facts did not support the allegation(s) of misconduct, the Department will proceed as identified in paragraph (A) of this subsection and administratively close the matter.

(d) Policy Committee and Board Review: In making a decision to authorize initiation of proceedings under subsection (f) of this rule, based on discretionary disqualifying misconduct, the Fire Policy Committee and Board may consider mitigating and aggravating circumstances including, but not limited to the following:

(A) When the misconduct occurred in relation to the fire service professional’s or instructor’s service as a fire service professional or instructor (i.e., before, during, after);

# ADMINISTRATIVE RULES

(B) Whether the fire service professional or instructor served time in prison or jail and the length of incarceration;

(C) Whether restitution was ordered and if the fire service professional or instructor met all obligations;

(D) Whether the fire service professional or instructor has ever been on parole or probation. If so, the date the parole or probation period expired or will expire;

(E) Whether the fire service professional or instructor has more than one conviction and over what period of time;

(F) Whether the misconduct involved domestic violence;

(G) Whether the fire service professional or instructor self-reported the misconduct;

(H) Whether the conduct involved dishonesty, fraud, deceit, or misrepresentation;

(I) Whether the conduct was prejudicial to the administration of justice;

(J) Whether the conduct adversely reflects on the fitness of the fire service professional or instructor to perform as a fire service professional or instructor;

(K) Whether the conduct makes the fire service professional or instructor otherwise unfit to render effective service because of the agency's or public's loss of confidence that the fire service professional or instructor possesses the core values integral to the fire service profession; and

(L) What the fire service professional's or instructor's physical or emotional condition was at the time of the conduct.

(e) Scope of Revocation. When the Department denies or revokes the certification of any fire service professional or instructor under the provisions of OAR 259-009-0070, the revocation will encompass all fire service certificates the Department has issued to that person.

(f) Initiation of Proceedings: Upon determination by the policy committee that the reason for denial or revocation is supported by factual data meeting the statutory and administrative rule requirements, a contested case notice will be prepared and served on the fire service professional or instructor.

(g) Contested Case Notice:

(A) All contested case notices will be prepared in accordance with the applicable provisions of the Attorney General's Model Rules of Procedures adopted under OAR 259-005-0015.

(B) In discretionary cases heard by a policy committee, the contested case notice will be served on the fire service professional or instructor prior to Board review. If the Board disapproves the policy committee's recommendation, the Department will withdraw the Contested Case Notice.

(h) Response Time:

(A) A party who has been served with a "Contested Case Notice of Intent to Deny Certification" has 60 days from the date of mailing or personal service of the notice in which to file a written request for a hearing with the Department.

(B) A party who has been served with a "Contested Case Notice of Intent to Revoke Certification" has 20 days from the date of mailing or personal service of the notice in which to file a written request for a hearing with the Department.

(i) Default Orders:

(A) If a timely request for a hearing is not received, the Contested Case Notice will become a final order revoking or denying certification pursuant to OAR 137-003-0672.

(B) If a timely request for a hearing is not received in cases heard by a policy committee, the Contested Case Notice will become a final order denying or revoking certification pursuant to OAR 137-003-0672, pending Board affirmation.

(j) Hearing Request: If a timely request for a hearing is received, the Department will refer the matter to the Office of Administrative Hearings in accordance with OAR 137-003-0515.

(k) Proposed and Final Orders:

(A) In cases where a hearing is requested, proposed orders, exceptions, and final orders will be issued pursuant to the applicable provision of the Attorney General's Model Rules of Procedure adopted under OAR 259-005-0015.

(B) Department-proposed amendments to a proposed order issued by an Administrative Law Judge in a case that was originally heard by a policy committee must be considered and approved by the policy committee that originally reviewed the case before a final order can be issued.

(l) Stipulated Order Revoking Certification: The Department may enter a stipulated order revoking the certification of a fire service professional or instructor upon the person's voluntary agreement to terminate an

administrative proceeding to revoke a certification, or to relinquish a certification under the terms and conditions outlined in the stipulated order.

(8) Appeal Procedure. A fire service professional or instructor, aggrieved by the findings and Order of the Department may, as provided in ORS 183.480, file an appeal with the Court of Appeals from the final Order of the Department.

(9) Reapplication Process and Eligibility Determinations.

(a) Any fire service professional or instructor whose certification has been denied or revoked under section (4) of this rule for discretionary disqualifying misconduct may reapply for certification within the applicable timeframes described in section (6) of this rule.

(b) Any fire service professional or instructor whose certification has been denied or revoked based on discretionary disqualifying misconduct may not reapply for certification until:

(A) The initial minimum period of ineligibility stated in an Order of the Department denying or revoking certification has been satisfied;

(i) If the initial period of ineligibility for the individual was for a period of less than the maximum period identified in section (6) of this rule, and the Board determines that an individual must remain ineligible to apply for certification, then the individual may not reapply for certification under the provisions of this rule until the maximum initial period of ineligibility identified in (6) of this rule has been satisfied.

(ii) If the individual has satisfied the maximum initial period of ineligibility and the Board determines that an individual must remain ineligible to apply for certification, then the individual may not submit any further requests for an eligibility determination, and the original denial or revocation remains permanent.

(B) A written request for an eligibility determination has been submitted to the Department and the Fire Policy Committee has recommended that a fire service professional's or instructor's eligibility to apply for fire service or instructor certification be restored and the Board has upheld the recommendation;

(i) A request for an eligibility determination should include documentation or information that supports the fire service professional's or instructor's request for eligibility to apply for certification.

(ii) In considering a request for an eligibility determination, the Fire Policy Committee and the Board may consider mitigating and aggravating circumstances identified in section (7)(d) of this rule.

(iii) After reviewing a written request for an eligibility determination, the Board, through the Fire Policy Committee, may determine that the individual's eligibility to apply for certification be restored if the criteria for certification have been met; or determine that the factors that originally resulted in denial or revocation have not been satisfactorily mitigated and the individual must remain ineligible to apply for certification.

(C) The fire service professional or instructor is employed or utilized by a fire service agency; and

(D) All requirements for certification have been met.

**Rule Caption:** To clarify that DPSST certifies police officers for the purposes of ORS 813.131(2).

**Adm. Order No.:** DPSST 1-2015

**Filed with Sec. of State:** 1-5-2015

**Certified to be Effective:** 1-5-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 259-008-0060

**Rules Repealed:** 259-008-0060(T)

**Subject:** ORS 813.131(2), which is the statute governing implied consent, prohibits police officers from requesting a urine test in cases of suspected impaired driving unless the officer is "... certified by the Board on Public Safety Standards and Training as having completed at least eight hours of training in recognition of drug impaired driving ..." [ORS 813.131(2)].

Recently, DPSST was contacted by the Department of Motor Vehicles (DMV) with concerns about the inconsistency of the statute requiring that officers be certified by the Board on Public Safety

## ADMINISTRATIVE RULES

Standards and Training (Board) and the DPSST's Oregon Administrative Rules (OAR) that state that the Department of Public Safety Standards and Training (DPSST) certifies police officers who have met the minimum standards for certification prescribed by the Board. Because ORS 813.131(2) requires that an officer be certified by the Board, evidence that the officer was certified by DPSST may not be sufficient for the statute.

DPSST filed a temporary rule on October 8th, 2014, adding language to our rule clarifying that DPSST certifies police officers for the purposes of ORS 813.131(2). This rule change completes the permanent rule filing and repeals the temporary rule.

**Rules Coordinator:** Sharon Huck—(503) 378-2432

### 259-008-0060

#### Public Safety Officer Certification

(1)(a) Basic, Intermediate, Advanced, Supervisory, Management, and Executive Certificates are awarded by the Department to law enforcement officers and telecommunicators meeting prescribed standards of training, education, experience; and the levels established by the employing law enforcement units, or public or private safety agencies. Emergency medical dispatchers may be awarded basic certification only.

(b) The Department of Public Safety Standards and Training certifies police officers for the purposes of ORS 813.131(2).

(2) Basic certification is mandatory and must be acquired by all police officers, parole and probation officers, telecommunicators, and emergency medical dispatchers within 18 months of employment, and by all corrections officers within one year of employment unless an extension is granted by the Department.

(3) To be eligible for the award of a certificate, law enforcement officers must be full-time employees as defined by ORS 181.610 and OAR 259-008-0005 or part-time parole and probation officers, as described in ORS 181.610 and OAR 259-008-0066.

(4) To be eligible for the award of a certificate, law enforcement officers must meet the Board's prescribed minimum employment standards as established by OAR 259-008-0010.

(5) To be eligible for the award of a certificate, telecommunicators must meet the Board's prescribed minimum employment standards as established by OAR 259-008-0011.

(6) To be eligible for the award of a certificate, law enforcement officers must subscribe to and swear or affirm to abide by the Criminal Justice Code of Ethics (Form F11). Telecommunicators and emergency medical dispatchers must subscribe to and swear or affirm to abide by the Telecommunicator Code of Ethics (Form F-11T).

(7) Application for certification must be submitted on Form F7 (Application for Certification), with all applicable sections of the form completed. The form must be signed by the applicant. In order to ensure that the applicant meets the minimum standards of employment, training, education, and experience, and is competent to hold the level of certification for which the applicant has applied, the department head or authorized representative must sign the form recommending that the certificate be issued or withheld. If the department head chooses not to recommend the applicant's request for certification, the reason for this decision must be specified in writing and must accompany the Form F7.

(8) When a department head is the applicant, the above recommendation must be made by the department head's appointing authority such as the city manager or mayor, or in the case of a specialized agency, the applicant's superior. Elected department heads are authorized to sign as both applicant and department head.

(9) In addition to the requirements set forth above, each applicant must have completed the designated education and training, combined with the prescribed corrections, parole and probation, police or telecommunications experience for the award of an Intermediate, Advanced, Supervisory, Management, or Executive Certificate.

(a) Each quarter credit unit granted by an accredited college or university which operates on a quarterly schedule will equal one (1) education credit.

(b) Each semester credit unit granted by an accredited college or university operating on a semester schedule will equal one and one half (1-1/2) education credits.

(c) The Department must receive sealed official transcripts from a college prior to entering college credit on an individual's official record.

(10) Training:

(a) Basic courses certified by the Department shall be approved by the Board.

(b) The Department may record training hours for departmental or other in-service training which is recorded and documented in the personnel files of the trainee's department. These records must include the subject, instructor, classroom hours, date, sponsor, and location.

(c) Training completed in other states, military training, and other specialized training, if properly documented, may be accepted, subject to staff evaluation and approval. These records must include the subject, date, and classroom hours, and must be certified true copies of the original.

(d) College credits earned may be counted for either training hours or education credits, whichever is to the advantage of the applicant.

(e) College credit awarded based on training completed may be applied toward either training hours or education credits, whichever is to the advantage of the applicant.

(A) Prior to applying an applicant's college credit toward any upper level of certification, the Department must receive documentation of the number of college credits awarded based on training attended.

(B) The training hours identified under paragraph (A) and submitted as college credit toward an upper level of certification will not be included in any calculation of whether the applicant has earned sufficient training hours to qualify for the requested certification level.

(i) Any college credit received for practical or skills-based training attended will be calculated at a ratio of 1:20 hours for each quarter credit, for purposes of training hour deductions.

(ii) Any college credit received for academic training attended will be calculated at a ratio of 1:10 hours for each quarter credit, for purposes of training hour deductions.

(f) No credit can be applied toward both education credits and training hours when originating from the same training event.

(11) Experience/Employment:

(a) Experience gained as a corrections, parole and probation, or police officer employed full time with municipal, county, state, or federal agencies, may be accepted if the experience is in the field in which certification is requested and is approved by the Department. For the purpose of this rule, creditable service time for experience will not accrue under the following circumstances:

(A) When an individual is employed in a casual, seasonal, or temporary capacity;

(B) When an individual is on leave. A public safety officer may submit a written request for credit for military time served upon return from his or her military duty. The Department will evaluate each written request to determine whether an individual is eligible for any credit for time served;

(C) From the date a public safety officer's certification is suspended until it is reinstated by the Department; or

(D) When a public safety officer fails to obtain Basic certification within a mandated timeframe and is prohibited from being employed as a public safety officer.

(b) Experience acquired as a telecommunicator or emergency medical dispatcher employed with a public or private safety agency may be accepted if the experience is in the field in which certification is requested and is approved by the Department.

(c) Experience acquired as a certified part-time telecommunicator or emergency medical dispatcher as defined in OAR 259-008-0005, or part time parole and probation officer as defined under 259-008-0005 and 259-008-0066, will count on a pro-rated basis.

(d) Police, corrections, parole and probation, telecommunicator, or emergency medical dispatch experience in fields other than that in which certification is requested may receive partial credit when supported by job descriptions or other documentary evidence. In all cases, experience claimed is subject to evaluation and approval by the Department.

(12) The Basic Certificate. In addition to the requirements set forth in section (1) of this rule, the following are required for the award of the Basic Certificate:

(a) Applicants must have completed a period of service of not less than nine (9) months with one or more law enforcement units or public or private safety agencies in a certifiable position in the field in which certification is being requested;

(b) Applicants must have satisfactorily completed the required Basic Course in the field in which certification is requested or have completed equivalent training as determined by the Department; and

(c) Applicants must have valid first aid and cardiopulmonary resuscitation (CPR) cards.

(13) The Intermediate Certificate. In addition to the requirements set forth in section (1) of this rule, the following are required for the award of the Intermediate Certificate:

# ADMINISTRATIVE RULES

(a) Applicants must possess a Basic Certificate in the field in which certification is requested; and

(b) Applicants must have acquired the combinations of education hours and training hours combined with the prescribed years of police, corrections, parole and probation or telecommunications experience, or the college degree designated combined with the prescribed years of experience as identified on the chart effective through October 31, 2012: [Table not included. See ED. NOTE.]

(14) Effective November 1, 2012:

(a) Applicants for an Intermediate Certificate in police, corrections or parole and probation must have acquired the combinations of education hours and training hours combined with the prescribed years of experience, or college degree designated combined with the prescribed years of experience as identified on the chart effective November 1, 2012: [Table not included. See ED. NOTE.]

(b) Applicants for an Intermediate Certificate in telecommunications must have acquired the following combinations of education hours, training hours, prescribed years of telecommunications experience, and competency as identified on the chart effective November 1, 2012: [Table not included. See ED. NOTE.]

(c) The years experience must be full-time employment within the discipline for which Intermediate certification is being applied.

(d) The training hours originating from a single training event that are used to meet the training hour requirement for Intermediate certification cannot be applied towards future levels of certification.

(e) The required years of experience are for the purpose of developing and demonstrating competency at the Intermediate level. The signature of the agency head or designee on an F-7 Application for Certification at the Intermediate level represents the agency's attestation that the applicant is performing at a level of competence expected at that certification level.

(15) Applicants for Intermediate certification may apply by satisfying the requirements described in subsection (13) or the requirements described in subsection (14) through October 31, 2015.

(16) The Advanced Certificate. In addition to the requirements set forth in section (1) of this rule, the following are required for the award of the Advanced Certificate:

(a) Applicants must possess or be eligible to possess the Intermediate Certificate in the field in which certification is requested; and

(b) Applicants must have acquired the combinations of education and training hours combined with the prescribed years of corrections, parole and probation, police, telecommunications experience, or the college degree designated combined with the prescribed years of experience as identified on the chart effective through October 31, 2012: [Table not included. See ED. NOTE.]

(17) Effective November 1, 2012:

(a) Applicants for an Advanced Certificate in police, corrections or parole and probation must have acquired the following combinations of education and training hours combined with the prescribed years of experience, or the college degree designated combined with the prescribed years of experience as identified on the chart effective November 1, 2012: [Table not included. See ED. NOTE.]

(b) Applicants for an Advanced Certificate in telecommunications must have acquired the following combinations of education hours, training hours, prescribed years of telecommunications experience, and competency as identified on the chart effective November 1, 2012: [Table not included. See ED. NOTE.]

(c) The years of experience must be full-time employment within the discipline for which Advanced certification is being applied.

(d) The training hours originating from a single training event that are used to meet the training hour requirement for Advanced certification cannot be applied towards future levels of certification.

(e) The required years of experience are for the purpose of developing and demonstrating competency at the Advanced level. The signature of the agency head or designee on an F-7 Application for Certification at the Advanced level represents the agency's attestation that the applicant is performing at a level of competence expected at that certification level.

(18) Applicants for Advanced certification may apply by satisfying the requirements described in subsection (16) or the requirements described in subsection (17) through October 31, 2015.

(19) The Supervisory Certificate. In addition to requirements set forth in section (1) of this rule, the following are required for the award of the Supervisory Certificate:

(a) Applicants must possess or be eligible to possess the Advanced Certificate in the field in which certification is requested;

(b) Applicants must have satisfactorily completed no less than 45 education credits as defined in section (10) of this rule;

(c) Applicants must have satisfactorily completed the prescribed Supervision training within five (5) years prior to application for the Supervisory Certificate; and

(d) Applicants must be presently employed in, or have satisfactorily performed the duties associated with, the position of a first-level supervisor as defined in OAR 259-008-0005 and as attested to by the applicant's department head during the time such duties were performed for a period of one (1) year. The required experience must have been acquired within five (5) years prior to the date of application.

(e) Upon request of the employing agency, the Department may waive the requirements of subsection (c) or (d) of this section, provided the employing agency demonstrates that the applicant performs, on a regular basis, supervisory duties.

(20) The Management Certificate. In addition to requirements set forth in section (1) of this rule, the following are required for the award of the Management Certificate:

(a) Applicants must possess or be eligible to possess the Supervisory Certificate in the field in which certification is requested;

(b) Applicants must have satisfactorily completed no less than 90 education credits as defined in section (10) of this rule;

(c) Applicants must have satisfactorily completed the prescribed Middle Management training within five (5) years prior to application for the Management Certificate; and

(d) Applicants must be presently employed in and must have served satisfactorily in a Middle Management position as a Department Head or Assistant Department Head as defined in OAR 259-008-0005 for a period of two (2) years. The required experience must have been acquired within five (5) years prior to the date of application.

(e) Upon request of the employing agency, the Department may waive the requirements of subsection (c) or (d) of this section, provided the employing agency demonstrates that the applicant performs, on a regular basis, management duties.

(21) The Executive Certificate. In addition to requirements set forth in section (1) of this rule, the following are required for the award of the Executive Certificate:

(a) Applicants must possess or be eligible to possess the Management Certificate in the field in which certification is requested;

(b) Applicants must have satisfactorily completed no less than 90 education credits as defined in section (10) of this rule;

(c) Applicants must have satisfactorily completed 100 hours of Department-approved executive level training within five (5) years prior to application for the Executive Certificate; and

(d) Applicants must be presently employed in and must have served satisfactorily in a Middle Management position as Department Head or Assistant Department Head as defined in OAR 259-008-0005 for a period of two (2) years. The required experience must have been acquired within five (5) years prior to the date of the application.

(e) Upon request of the employing agency, the Department may waive the requirements of subsection (c) or (d) of this section, provided the employing agency demonstrates that the applicant performs, on a regular basis, the duties associated with that of a department head or assistant department head.

(22) Multi-discipline Certification. Upon receiving written request from the department head stating a justified and demonstrated need exists for the efficient operation of the employing agency, the Department may approve multi-discipline certification for law enforcement officers who meet all minimum employment, training and education standards established in OAR 259-008-0010, 259-008-0011, 259-008-0025, and this rule, in the disciplines which they are requesting certification. The officer must meet the following requirements for the award of multi-discipline certification:

(a) Basic certification. A law enforcement officer who is certified in one discipline may apply for multi-discipline certification if employed in or transferred to another discipline within the same law enforcement unit. The applicant must demonstrate completion of all training requirements in the discipline in which certification is being requested.

(b) Higher levels of certification. Law enforcement officers who possess higher levels of certification in one discipline may, upon employment in or transfer to another discipline within the same law enforcement unit, apply for the same level of certification after completion of nine (9) months experience in the discipline in which they are requesting certification and meeting the requirements for those higher levels of certification as outlined

# ADMINISTRATIVE RULES

in this rule. This section does not apply to the emergency medical dispatcher discipline since it only exists at the basic certification level.

(c) Retention of multi-discipline certification. In order to maintain multi-discipline certification, each discipline in which certification is held requires successful completion and documentation of training hours by the holders of the certificates every twelve (12) months. The training must be reported to the Department, as follows:

(A) For a law enforcement officer who also holds emergency medical dispatcher certification, a minimum of four (4) hours of training specific to the emergency medical dispatcher discipline must be reported annually as required under OAR 259-008-0064.

(B) For a law enforcement officer who also holds telecommunicator certification, a minimum of twelve (12) hours of training specific to the telecommunicator discipline must be reported annually as required under OAR 259-008-0064.

(C) A minimum of twenty (20) hours of training specific to each law enforcement discipline in which certification is held must be reported annually as required under subsections (h) through (l) of this section.

(d) The same training may be used for more than one discipline if the content is specific to each discipline. It is the responsibility of the agency head to determine if the training is appropriate for more than one discipline.

(e) The maintenance training cycle for law enforcement officers who are certified in more than one discipline begins on July 1st of each year and ends on June 30th the following year.

(f) The employing agency must maintain documentation of all required maintenance training completed.

(g) If reported on a Form F-6 (Course Attendance Roster), required maintenance training must be submitted to the Department by June 30th of each year. Training reported on a Form F-6 will result in credit for training hours. No training hours will be added to a law enforcement officer's record, unless accompanied by a Form F-6 Course Attendance Roster.

(h) On or after July 1st of each year, the Department will identify all law enforcement officers who are deficient in maintenance training according to Department records. A Contested Case Notice of Intent to Suspend will be prepared and served on the law enforcement officer pursuant to ORS 181.662(c) and these rules. A copy of the Notice will be sent to the officer's employing agency.

(A) All Contested Case Notices will be prepared in accordance with the applicable provisions of the Attorney General's Model Rules of Procedure adopted under OAR 259-005-0015.

(B) A law enforcement officer who has been served with a Contested Case Notice of Intent to Suspend has 30 days from the date of mailing or personal service of the notice to notify the Department of the training status identified as deficient by submitting a Form F-16 (Maintenance Training Log) to the Department identifying the maintenance training completed during the previous one (1) year reporting period or to file a written request for hearing with the Department.

(C) Maintenance training hours reported to the Department on a Form F-16 will be used solely to verify completion of maintenance training requirements and will not be added to an officer's training record.

(i) Default Order: If the required training is not reported to the Department or a request for a hearing received within 30 days from the date of the mailing or personal service of the notice, the Contested Case Notice will become a final order suspending certification pursuant to OAR 137-003-0672.

(j) A law enforcement officer with a suspended certification is prohibited from being employed in any position for which the certification has been suspended.

(k) Recertification following a suspension may be obtained, subject to Department approval, by submitting the following:

(A) A written request from the employing agency head requesting recertification, along with a justification of why the maintenance training was not completed; and

(B) Verification that the missing training was completed.

(l) Failure to complete the required maintenance training may not result in a suspension of certification if the law enforcement officer is on leave from a public or private safety agency.

(23) Certificates and awards are the property of the Department. The Department has the power to revoke or suspend any certificate or award as provided in the Act.

**Rule Caption:** To clarify continuing education guidelines and housekeeping.

**Adm. Order No.:** DPSST 2-2015

**Filed with Sec. of State:** 1-5-2015

**Certified to be Effective:** 1-5-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 259-061-0005, 259-061-0240

**Rules Repealed:** 259-061-0260

**Subject:** Private Investigators are required to submit a DPSST Form PI-6 to prove compliance with continuing education requirements listed in Oregon Administrative Rules (OAR.) Constituents have expressed confusion regarding the many continuing education categories in rule and how to determine which category applies to their continuing education endeavors. Further, many of the continuing education categories in OAR contain outdated references. This rule change combines all the continuing education guidelines under OAR 259-061-0240 and updates the continuing education categories. Further, it repeals OAR 259-061-0260. Finally, the definition of "Continuing Education" in OAR 259-061-0005 has been revised and housekeeping has been performed for clarity and consistency.

**Rules Coordinator:** Sharon Huck—(503) 378-2432

## 259-061-0005

### Definitions

(1) "Administrative Termination" means the Department has stopped the processing of an application due to non-response from applicant or non-compliance with the application requirements or the requirements of these rules."

(2) "Board" means Board on Public Safety Standards and Training.

(3) "Complainant" means any person or group of persons who file(s) a complaint. The Department may, on its own action, initiate a complaint.

(4) "Complaint" means a specific charge filed with the Department that a licensed investigator or candidate thereto, or any person apparently operating as an investigator without a license, has committed an act in violation of ORS Chapter 703 or OAR chapter 259.

(5) "Committee" means the Private Security and Investigator Policy Committee.

(6) "Continuing Education" means any educational endeavor that reasonably could be considered beneficial to the work of the investigator.

(7) "Department" means the Department of Public Safety Standards and Training.

(8) "Disciplinary Procedure" means all action up to the final resolution of a complaint after the issuance of a "Notice of Intent."

(9) "Educational endeavor that reasonably could be beneficial to the work of the investigator" as used in ORS 703.447(4) means those educational endeavors that are in compliance with the Department's Continuing Education Guidelines, or are approved by the Private Security and Investigator Policy Committee.

(10) "Employee," as used in ORS 703.401 to 703.490, means a person who is employed lawfully by an employer. The employer controls the performance of that person; pays the salary, unemployment insurance, and worker's compensation insurance; and has sole authority to fire and control work hours and the conditions of work. "Employee" in this context does not include a person engaged as an independent contractor.

(11) "Expired license": A license is considered expired on the date of expiration. A person may not practice as an investigator with an expired license.

(12) "Hours of experience" means documented clock hours.

(13) "Investigatory work" means any work performed in accordance with ORS 703.401(2).

# ADMINISTRATIVE RULES

(14) “Licensee” or “Licensed Investigator”, as used in OAR 259-061-0005 through 259-061-0300 means a person licensed as an investigator under ORS 703.430.

(15) “Private investigator” is a licensed investigator who has completed a minimum of 1500 documented clock hours of investigatory work experience or an approved course of study or a combination of work and study as approved by the Department.

(16) “Provisional investigator” is a licensed investigator who has completed fewer than 1500 documented clock hours of investigatory work experience, or an approved course of study, or a combination of work and study as approved by the Department; and who may not employ or supervise other investigators. Under 1997 and 1999 editions of governing statute, this type of investigator was referred to as a “Registered Operative.”

(17) “Respondent” means an investigator who is a licensee or candidate for licensure, or any person apparently operating as an investigator without a license, against whom a complaint has been filed.

(18) “Stipulated Agreement” means a written agreement entered into between the Department and a respondent.

(19) “Violation” means a violation of Oregon Revised Statutes or Oregon Administrative Rules as they pertain to the licensing requirements of investigators in the state of Oregon.

Stat. Auth.: ORS 703.401 & 703.480

Stats. Implemented: ORS 703.401 & 703.480

## 259-061-0240

### Continuing Education Requirements

(1) A licensed Private Investigator must complete and report 32 hours of continuing education. Two of the hours must be in ethics.

(2) A licensed Provisional Investigator must complete and report 40 hours of continuing education. Two of the hours must be in ethics.

(3) Except as listed in (a)(ix) below, A licensed investigator may carry over up to 15 hours of unused continuing education to his or her next licensing period. “Continuing Education” as defined in OAR 259-061-0005(6), includes, but is not limited to:

(a) Books and manuals: Two hours of continuing education will be granted for each non-fiction book or professional/technical manual read, with a limit of six continuing education hours per licensing period. Books will be approved on a case-by-case basis;

(b) College, internet or correspondence courses;

(c) Conferences, seminars and interactive webinars;

(d) Pre-recorded or non-interactive media: Limited to 24 continuing education hours per licensing period.

(e) Department/Board/Committee Meetings: One hour of continuing education will be granted for each hour in attendance of a Board or Committee Meeting, with a limit of eight continuing education hours per licensing period;

(f) Lectures and public presentations: One hour of continuing education will be granted for each hour of presenting or attending a lecture or public presentation, with a limit of eight hours of continuing education per licensing period;

(g) Mentoring: One hour of continuing education per eight hours of training will be granted to licensed investigators who provide training to another investigator, with a limit of eight continuing educational hours per licensing period;

(h) Network meetings: One hour of continuing education will be granted for each network meeting attended, with a limit of eight continuing education hours per licensing period;

(i) Publications: Continuing education hours will be granted to individuals who have authored or co-authored publications. Continuing education hours awarded for publications will be at the Department’s discretion, with a limit of 10 continuing education hours per licensing period, with no carry over.

(j) Any other continuing education that reasonably could be considered beneficial to the work of the investigator. The Department reserves the right to approve or disapprove any continuing education request.

(4) License renewal. An investigator must provide proof of completed continuing education by completing a Form PI-6 (Continuing Education Summary), upon application of license renewal.

(5) Licensed Investigators must retain documentation of proof of continuing education for four years.

(6) At the Department’s discretion, the Department may audit continuing education documents to ensure compliance with this rule.

Stat. Auth.: ORS 703.430, 703.447 & 703.480

Stats. Implemented: ORS 703.447

Hist.: DPSST 7-2006, f. & cert. ef. 5-15-06; DPSST 2-2015, f. & cert. ef. 1-5-15

**Rule Caption:** Amends definition of “Temporary Work Permit” and other definitions; changes private security executive manager responsibilities.

**Adm. Order No.:** DPSST 3-2015

**Filed with Sec. of State:** 1-5-2015

**Certified to be Effective:** 1-5-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 259-060-0010, 259-060-0130

**Subject:** On February 18, 2014, DPSST presented a proposed rule change to the Private Security and Investigator Policy Committee (PSIPC) amending the definition of “Temporary Work Permit.” On April 29, 2014, the amended language was filed with the Secretary of State’s Office as a proposed rule. On June 6, 2014, a public comment was received.

After reviewing the public comment, DPSST staff recommended leaving the proposed language regarding temporary work permits in OAR 259-060-0010 as previously amended. However, to address the public comment concerns, staff recommended changing the private security executive manager responsibilities in 259-060-0130 to include that an executive manager is considered an employing licensed manager when contracting with businesses or entities. Further, staff also recommended clarifying the definitions of private security professional and supervisory manager to exclude them from contracting with businesses or entities while providing services as private security professionals or supervisory managers. The PSIPC met and discussed the public comment, the staff recommendation, and the proposed amendments to 259-060-0010 and 259-060-0130. The PSIPC recommended approving the amended language to the Board and the Board affirmed the PSIPC’s recommendation.

On October 30, 2014, the amended language was filed with the Secretary of State’s Office as a proposed rule. No further comments were received. This rule change completes the permanent filing process.

**Rules Coordinator:** Sharon Huck—(503) 378-2432

## 259-060-0010

### Definitions

(1) “Accreditation Program Manager” means a person who is designated as the administrator of an employer accredited training program and is primary liaison with the Department.

(2) “Alarm Monitor” means an individual whose primary duties are the processing of alarms in an alarm monitoring facility.

(3) “Alarm Monitoring Facility” mean any organization, contract or proprietary, with the primary responsibility of reviewing incoming traffic transmitted to alarm receiving equipment and follows up with actions that may include notification of public agencies to address imminent threats related to public safety. This does not include:

(a) Facilities that monitor only production or environmental signals not directly impacting public safety;

(b) Proprietary alarm systems being monitored by Department-certified private security professionals that generate an internal response by another Department-certified private security professional;

(c) Facilities that monitor Personal Emergency Response Systems (PERS) only; or

(d) Facilities utilizing alarms that never generate a response from a public safety agency.

(4) “Applicant” means an individual who is applying for or renewing certification or licensure as a private security provider.

(5) “Armed Private Security Professional” means a private security professional who is certified to possess or has access to a firearm at any time while performing private security services.

(6) “Assessment module” means a Department-approved curriculum given to private security providers that includes, but is not limited to, the demonstration of task-related skills learned in the classroom instruction as applied to hypothetical situations.

(7) “Board” means the Board on Public Safety Standards and Training.

(8) “Certification” means recognition by the Department that a private security professional meets all the qualifications listed in ORS 181.875 and these rules.

# ADMINISTRATIVE RULES

(9) "Consideration" means something of value promised, given or done that has the effect of making an agreement to provide private security services.

(10) "De Minimis" means non-monetary compensation received by a volunteer performing private security services for a non-profit organization as defined in ORS 181.871. The compensation may not exceed a fair market value of \$125 per day.

(11) "Denial" or "Deny" means the Department's refusal to grant private security certification or issue a license to an applicant who fails to meet the minimum standards for certification or licensure as identified in OAR 259-060-0020, including the mandatory and discretionary disqualifying misconduct identified in 259-060-0300.

(12) "Department" and "DPSST" means the Department of Public Safety Standards and Training.

(13) "Director" means the Director of the Department of Public Safety Standards and Training.

(14) "Employer" means an individual or entity who employs persons to provide private security services.

(15) "Executive Manager" means a person:

(a) Who is authorized to act on behalf of a company or business in matters of licensure and certification;

(b) Who is authorized to hire and terminate personnel;

(c) Whose primary responsibility is the management of certified private security professionals; and

(d) Who has final responsibility for a company's or business's compliance with the ORS 181.870 to 181.991.

(16) "Flagrant Violation" means an act by a provider, contractor, owner or manager who, after being notified of a violation, intentionally continues or repeats the violation within a 36 month period after the initial violation.

(17) "Fundamental" means a duty that is a basic task or function and may be low frequency, but is an essential component of a job.

(18) "Instructor" means any person who has been certified by the Department as meeting the requirements to provide instruction to private security providers or applicants.

(19) "License" means recognition by the Department that executive manager or supervisory manager meets the requirements listed in ORS 181.875 and these rules.

(20) "Policy Committee" means the Private Security and Investigator Policy Committee.

(21) "Primary Responsibility" means an activity that is fundamental to, and required or expected in, the regular course of employment and is not merely incidental to employment.

(22) "Private" as used in the Act means those activities intended for or restricted to the use of a particular person, group or interest, or belonging to or concerning an individual person, company or interest.

(23) "Private Security Professional" means an individual who performs, as the individual's primary responsibility, private security services for consideration, regardless of whether the individual, while performing private security services, is armed or unarmed or wears a uniform or plain clothes, and regardless of whether the individual is employed part-time or full-time to perform private security services. A private security professional is not authorized to independently contract with businesses or entities to provide services as a private security professional.

(24) "Private Security Provider" means any individual who performs the functions of a private security professional, executive manager, supervisory manager or instructor.

(25) "Private Security Services" means the performance of at least one of the following activities:

(a) Observing and reporting unlawful activity;

(b) Preventing or detecting theft or misappropriation of any goods, money or other items of value;

(c) Protecting individuals or property, including, but not limited to proprietary information, from harm or misappropriation;

(d) Controlling access to premises being protected or, with respect to a licensee of the Oregon Liquor Control Commission, controlling access to premises at an entry to the premises or any portion of the premises where minors are prohibited;

(e) Securely moving prisoners;

(f) Taking enforcement action by detaining persons or placing persons under arrest under ORS 133.225; or

(g) Providing canine services for guarding premises or for the detection of unlawful devices or substances.

(26) "Private Security Services Providers Act" or "The Act" means the Private Security Providers Act (ORS Chapter 181.870 through 181.991).

(27) "Revocation" or "Revoke" means action taken by the Department to rescind the certification or licensure of a private security provider who fails to meet the minimum standards for certification or licensure as identified in OAR 259-060-0020, including the mandatory and discretionary disqualifying misconduct identified in 259-060-0300.

(28) "Supervisory Manager" means an employee of or a person supervised by an executive manager who has as a primary responsibility the supervision of certified private security professionals. A supervisory manager is not authorized to independently contract with businesses or entities to provide services as a supervisory manager.

(29) "Surrender" means the voluntary relinquishment of private security certification or licensure to the Department.

(30) "Suspension" or "Suspend" means action taken by the Department in temporarily depriving the holder of a license or certificate that authorizes the individual to provide private security services.

(31) "Temporary Work Permit" means a temporary certification or licensure issued by an employing, licensed manager to allow a company to employ and deploy a private security professional, executive or supervisory manager while the application for certification or licensure is being processed. A temporary work permit will not be issued for armed security professionals.

(32) "Unarmed Private Security Professional" means a private security professional who is not in possession of, or has access to, a firearm at any time while performing private security services.

(33) "Violation" means an act or omission that is prohibited under the Act or these rules.

(34) "Withdraw" means action taken by the applicant or private security provider to remove an application from consideration.

## 259-060-0130

### Private Security Executive Manager and Supervisory Manager Licensure and Responsibilities

(1) All private security executive or supervisory manager applicants must complete an application in accordance with OAR 259-060-0025.

(2) All private security executive or supervisory manager applicants must be in compliance with the minimum standards for licensure as listed in OAR 259-060-0020.

(3) Private security executive managers are responsible for ensuring compliance of all private security providers employed by businesses or entities by which the executive manager is employed or contracted. An executive manager is authorized to perform the duties defined in OAR 259-060-0010.

(4) Private security supervisory managers have the responsibility and authority of supervising persons providing security services. A supervisory manager is authorized to perform the duties defined in OAR 259-060-0010.

(5) Basic training for executive and supervisory private security managers consists of successful completion of the following:

(a) Eight-hour basic classroom instruction and exam; and

(b) Manager course, exam and assessment module.

(6) Biennial renewal training consists of the manager course, exam and assessment module.

(7) Each business, employer or entity with private security professional staff of at least one person must designate an individual to perform the duties of an executive manager as described in these rules. This provision applies to any business, employer or entity that provides private security services within this state, regardless of whether the business, employer or entity is located in or out of this state.

(a) An employer may obtain licensure for more than one executive manager.

(b) In the event of a staff change of executive managers or supervisory managers, the company or entity must select a replacement manager and immediately notify the Department of the staff change on the Form PS-23

# ADMINISTRATIVE RULES

(Change of Information.)

(8) Employing, licensed managers may issue temporary work permits to private security applicants upon verification that all application requirements have been completed.

(9) An executive manager is authorized to contract with businesses or entities to provide services as an executive manager.

(a) An executive manager is required to notify the Department in writing of the names, addresses and contact information of each business or entity with which they contract within two days of beginning the contract.

(b) An executive manager must notify the Department within two days of the termination or completion of a contract with a business or entity.

(c) For the purposes of this rule, an executive manager who contracts with businesses or entities to provide services as an executive manager is considered an employing, licensed manager.

(10) A licensed manager who performs private security services must complete the full training required for that classification and be certified.

(11) Failure to complete any training requirements as prescribed by this rule may result in denial or revocation of private security certification or licensure as prescribed in OAR 259-060-0300 and civil penalties as prescribed in 259-060-0450.

**Rule Caption:** To add individuals utilized as volunteers to the fire service background investigation rule.

**Adm. Order No.:** DPSST 4-2015(Temp)

**Filed with Sec. of State:** 1-15-2015

**Certified to be Effective:** 1-15-15 thru 7-13-15

**Notice Publication Date:**

**Rules Amended:** 259-009-0015

**Subject:** The background investigation rule for fire service professionals filed permanently on December 29, 2014, failed to extend the background investigation requirement to agencies considering individuals who would be utilized as volunteers. The clear intent of the Background Investigation Workgroup was to include all fire service professionals, whether they are career or volunteer. DPSST is filing a temporary rule to add individuals who are utilized as volunteers to the background investigation rule language. This will eliminate any confusion amongst fire service constituents while the permanent rule-making process is underway.

**Rules Coordinator:** Sharon Huck—(503) 378-2432

## 259-009-0015

### Background Investigation

(1) A background investigation must be conducted by a fire service agency on each individual being considered for employment or utilization as a fire service professional to determine if applicant is of good character.

(a) The background investigation must include, but is not limited to, investigation into the following:

- (A) Criminal history and arrests;
- (B) Department of Motor Vehicles (DMV) records;
- (C) Drug and alcohol use;
- (D) Education verification;
- (E) Employment history;
- (F) Military history verification;

(G) Personal and professional references. Personal and professional references may include, but are not limited to, friends, associates, family members, and neighbors;

(H) Personal Interview. The personal interview may occur before or after the investigation and may be used to clarify discrepancies in the investigation;

(I) Records checks, which may include, but are not limited to:

(i) Police records, district attorney, court and Oregon Judicial Information Network (OJIN) records;

(ii) Open sources or social media, as permitted by law;

(iii) Financial information, as permitted by law; and

(iv) Department of Public Safety Standards and Training Professional Standards records.

(J) Residential history; and

(K) Work eligibility.

(b) Each individual being considered for employment or utilization as a fire service professional must provide a notarized personal history statement. The statement must include, but is not limited to:

(A) Verification of the background information referred to in section (1)(a);

(B) A complete list of all fire service agencies an individual has applied with; and

(C) A signed release allowing background investigation information to be shared with other public or private safety agencies in which the applicant may become affiliated with.

(2) Results of the background investigation on all fire service professionals must be retained by the fire service agency in accordance with the Secretary of State's Record Retention Schedule and must be available for review at any reasonable time by the Department.

## Department of Revenue Chapter 150

**Rule Caption:** Define "last known address" for purposes of mailing notices to taxpayers.

**Adm. Order No.:** REV 5-2014

**Filed with Sec. of State:** 12-23-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 11-1-2014

**Rules Amended:** 150-305.265(11)

**Subject:** 150-305.265(11) — Clarifies what constitutes a "last known address" for the purpose of mailing notices to taxpayers. Removes IRS information as a source of the last known address. Implements 2013 SB 183, delivery of notices by electronic means.

**Rules Coordinator:** Deanna Mack—(503) 947-2082

### 150-305.265(11)

#### Last Known Address

(1) Notices of Deficiency and Notices of Assessment are required to be mailed to the last-known address or via other means as agreed upon by the taxpayer. Pursuant to ORS 305.127, the department may provide notice to a person by means other than regular mail if a notification agreement exists between the department and the person affirmatively indicates that the department may use means other than regular mail for any required notice to the person.

(2) The department will use the address on the most recently filed return as the last-known address unless the taxpayer has notified the department in writing, electronically, or through a documented phone call that this address is incorrect.

(a) "In writing" means a letter written to the department, a completed Form 150-800-738 Change of Address/Name, or a completed Form 150-211-156 Oregon Combined Payroll Tax Business Change in Status submitted to the department by the taxpayer or the taxpayer's authorized representative.

(b) "Electronically" means a taxpayer provides the department with a new address or other contact information via their online taxpayer account.

(c) "Documented phone call" means a call that is noted or described in a contemporaneous record of the substance of the phone call, made by the taxpayer, the taxpayer's authorized representative or an employee of the department and must include the date and time of the call and the names of the parties involved in the conversation.

(3) When the department receives information indicating that the last-known address is incorrect or outdated, the department may use the following methods to determine the last-known address:

(a) An Address Information Request, which is a letter sent to the United States Postal Service by the Department of Revenue requesting verification of the taxpayer's address.

# ADMINISTRATIVE RULES

(b) Address information received from the United States Postal Service or from a service using an address-updating method approved by the United States Postal Service.

(c) Address information received from other third-parties, except that other third party information will be accepted only after contact is made with the taxpayer and the taxpayer has verified that the address is a permanent address.

**Example 1:** The department sends a letter to X Company to obtain employment information regarding Alice, a taxpayer that is employed by X Company. When X Company responds, they indicate a new address for Alice. The department must contact Alice to verify that the new address is correct before Alice's last-known address is changed.

(4) If a taxpayer has never filed an income tax return with the department, or if the most recently filed income tax return was filed more than two years prior to the date the notice is mailed, the department may, in addition to those procedures described in section (3) of this rule, use address information received from another government agency to determine last-known address. That agency must follow strict policies regarding address verification, such as:

(a) Address documentation must be in writing and be signed by the taxpayer.

(b) The agency must use at least one method from section (3) of this rule to verify address changes.

**Example 2:** Tom has not filed income tax returns with Oregon for the last two years. He holds a business license regulated by a governmental agency that meets the criteria above. The department may use an address provided by the other agency as Tom's last-known address. The department may send notices of deficiency and notices of assessment to Tom at this address.

(5) If a clear typographical error has been made on the taxpayer's most recently filed return, the department may take the following actions:

(a) If the address on the return is the same address on the taxpayer's account except for a typographical error, the department will revert back to the current account address. A change in street number or apartment number is not to be considered a typographical error.

**Example 3:** Carl's account is 1234 Main Street, Salem, OR 97301, but the return indicates 1234 Main Street, Salem, OR 97301. The department will retain the current account address.

(b) If the address on the return is wholly different than the address on the taxpayer's account, which includes a typographical error, the department will use the procedures described in sections (3) and (4) of this rule to determine a taxpayer's last-known address.

**Example 4:** Linda's account shows an address of 1234 Main Street, Salem, OR 97301, but Linda's return has an address of 5678 1st Street, Salem, OR 97301, the department will first attempt to contact Linda before attempting other methods of verification.

**Adm. Order No.:** REV 6-2014

**Filed with Sec. of State:** 12-23-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 11-1-2014

**Rules Adopted:** 150-317.131

**Rules Amended:** 150-314.515(2)

**Subject:** 150-314.515(2) provides a method to determine the application of a corporate refund application and clarifies the date an amended return is posted.

150-317.131 provides guidance regarding how the department handles long-term enterprise zone distributions after a change in underlying corporate tax liability; also provides a procedure regarding how the department may recover erroneous distributions.

**Rules Coordinator:** Deanna Mack—(503) 947-2082

## 150-314.515(2)

### Estimated Tax: Application of Payments

(1) Overpayments of tax

(a) Election. When a corporation files its completed excise or income tax return and the tax shown due thereon is less than the amounts previously paid for that year, the corporation may make an irrevocable election to have the overpayment of tax either refunded or applied as a payment of estimated tax. The election is made by entering the amount in the appropriate

space provided on the corporation excise tax return or corporation income tax return.

(b) Application to estimated tax installment. The department will apply the elected amount to the estimated tax installment that next becomes due on or after the due date of the return (not including extensions) or the date the overpayment of tax was made, whichever is later. The amount will be credited to the estimated tax installment as of the due date of the return (not including extensions) or the date the overpayment of tax was made, whichever is later. In the case of an amended or delinquent return, the amount will be credited to the estimated tax installment as of the date the amended or delinquent return was filed.

(c) Short-year returns — application to estimated tax installment. If a taxpayer files a tax return for a period of less than twelve months and that return requests an overpayment of tax be applied to an installment of estimated tax, the department will credit the overpayment of tax to the estimated tax installment as explained in subsection (1)(b) of this rule unless the taxpayer requests that the department apply the amount to the estimated tax installment due immediately following the installment that next becomes due.

**Example:** Corporation Zee is a fiscal year taxpayer that changed its accounting period to a calendar year. Zee's short year return is a four-month return. Zee files its short year return on November 15th (the due date of the short year return). Zee requests its overpayment of tax be applied to estimated tax. As explained in subsection (1)(b) of this rule, the department will credit the amount to the installment of estimated tax due December 15th. Alternatively, Zee could request that the department instead credit the amount to the first installment for the following tax period; April 15th, the first estimated tax installment due date for calendar year filers.

(2) Payments of estimated tax. The department will credit estimated tax payments as of the date that they are received. The department will apply estimated tax payments to any prior underpayment and the remainder, if any, will be applied to the next required installment.

**Example:** Corporation A is a calendar year taxpayer. A's return is filed timely on April 15, 2014. Its 2013 tax after credits is \$12,000. The corporation must make the following estimated tax payments on or before the indicated dates to avoid having an underpayment of estimated tax:

April 15, 2013 — \$3,000.

June 16, 2013 — \$3,000.

Sept. 15, 2013 — \$3,000.

Dec. 15, 2013 — \$3,000.

Corporation A pays as follows:

April 15, 2013 — \$3,000.

June 16, 2013 — \$3,000.

Sept. 15, 2013 — \$0.

Sept. 30, 2013 — \$3,500.

Dec. 15, 2013 — \$0.

The \$3,500 payment will be credited as of September 30, 2013. Of the \$3,500 payment, \$3,000 is applied to the payment due September 15, 2013. The \$500 remainder is applied to the payment due December 15, 2013.

## 150-317.131

### Long Term Enterprise Zone Distributions

(1) Distributions from the Long Term Enterprise Zone Fund to local taxing districts under ORS 317.131 include only corporate tax liability payments received prior to the department's calculation of the distribution for the year.

(2) Any reduction of corporate tax liability of a taxpayer for a tax year, which is recognized and accepted subsequent to the deposit of that taxpayer's tax payments for the tax year into the Fund, will not be considered when determining the amount of the distribution to local taxing districts.

(3) If the department errs when calculating the correct amount of a distribution, the department may adjust the erroneous distribution and may require the return of any erroneously distributed payments made to local taxing districts.

(4) If the department requires the return of erroneously distributed payments made to local taxing districts; the department shall, if practicable, subtract the amount of the erroneously distributed payment to the local taxing district from the next distribution to the local taxing district. Otherwise, the department shall bill the local taxing district for any amount of an erroneously distributed payment that the department is unable to recover from the local taxing district by subtracting funds from the next distribution to the local taxing district.

**Subject:** 150-294.311(30) to 150-294.311(31) aligns the rule number with the current numbering in the statute.

150-306.265 enables county assessors to accept other electronic exemption and special assessment applications.

150-307.130-(B) content of this rule is covered in OAR 150-311.216

150-307.145 provides guidance to taxpayers and county assessor staff regarding what constitutes a “school” or “academy” that qualifies for property tax exemption under the statute.

150-308.057 prescribes continuing education requirements for county assessors.

150-308.059-(A) sets continuing education requirements for non-appraisal managers.

150-308.149(6) prescribes procedures for calculating the minor construction thresholds.

150-309.115(2)(b) to 150-309.115(2) clarifies the procedure to adjust an adjudicated value.

150-311.670(1) to 150.311670(1)(a) clarifies what constitutes being away from the home “by reason of health” for Property Tax Deferral Programs.

150-311.672(1)(a) outlines the required supplemental information that the county assessor includes with the Property Tax Deferral Application prior to forwarding the application to the Department of Revenue.

150-457.440(9)-(B) provides direction for calculating urban renewal division of tax rates derived from city taxes when the city’s taxes are being phased-in.

**Rules Coordinator:** Deanna Mack — (503) 947-2082

## 150-294.311(31)

### Definition of Organizational Unit

As used in ORS 294.305 to 294.565, an organizational unit is an administrative subdivision of a municipal corporation accountable for specific services, functions, or activities.

**Example 1:** Cities may allocate expenditures within the general fund to organizational units such as: City Recorder, Police Department, Fire Department, Library, etc.

**Example 2:** Counties may allocate expenditures within the general fund to organizational units such as: Assessor’s Office, Treasurer’s Office, Clerk’s Office, Health Department, etc.

**Example 3:** For municipalities other than cities or counties, the governing body may identify organizational units within the general fund by the responsibilities assigned, e.g., General Administration, Plant Maintenance, etc.

## 150-307.145

### Definition of Schools and Academies

(1) “Schools” and “academies” mean educational institutions that:

(a) Offer education in kindergarten or grades 1 through 12, or any combination of those grade levels; or are post-secondary colleges or universities; and

(b) Provide a comprehensive instructional program that is not limited to dance, drama, music, religious or athletic instruction, or other special art or technical skill.

**Example 1:** An incorporated, charitable nonprofit organization that promotes the arts in its community offers several weekly dance classes at its Arts Center. The organization would not qualify for exemption as a “school” or “academy” under ORS 307.145 because it does not offer a comprehensive instructional program. Failure to qualify for exemption under 307.145 does not preclude exemption under another statute if the property qualifies for exemption under that statute.

**Example 2:** An incorporated charitable school focuses on teaching children about a foreign culture through a foreign language immersion program where children spend the school day speaking and hearing a foreign language as they learn about literature, mathematics, science, language, and social studies. The school would qualify for exemption under ORS 307.145 because it provides a comprehensive instructional program.

(2) Schools or academies focusing primarily on providing on-the-job training do not qualify.

(3) To qualify for exemption under ORS 307.145, a pre-school or pre-kindergarten must qualify as a “child care facility” as defined in 307.145(3)(a).

## 150-308.057

### Continuing Education Requirements for Assessors

(1) Assessors and directors of assessment and taxation must have 15 credits of technical training, 15 credits of management training and 15 credits which they can allocate in any combination of technical or management credits for a total of 45 credits every two years. Newly appointed or elected assessors must complete 20 credits of technical training, 20 credits of management training and 20 credits which they can allocate in any combination of technical or management credits for a total of 60 credits within the first two calendar years following their appointment or election.

(a) Technical training must be in the area of assessment and taxation such as appraisal, budgets, ratio studies, and tax rate computation. A minimum of 15 credits of technical training must be completed every two years. Assessors and directors of assessment and taxation must complete a course in Basic Mass Appraisal.

(b) Management training must be in the area of personnel relations (hiring, discipline, dismissals) office management and management of an appraisal program. A minimum of 15 credits of management training must be taken every two years.

(2) Completion of the continuing education requirements under this rule for assessors and directors of assessment and taxation shall be considered to meet the continuing education requirements of ORS 308.010(4)(a).

### Continuing Education Requirement for Appraisal Managers in County Assessment Offices

(1) Appraisal managers means employees classified in the county’s management personnel category who supervise appraisal staff. Appraisal managers must be registered appraisers under ORS 308.010.

(2) Appraisal managers must meet the same continuing education requirements as assessors under OAR 150-308.057.

(3) Completion of the continuing education requirements under this rule for appraisal managers shall be considered to meet the continuing education requirements of ORS 308.010(4)(a).

## 150-308.149(6)

### Minor Construction

(1) Definition: “Minor construction” is an improvement to real property that results in an addition to real market value (RMV), but does not

# ADMINISTRATIVE RULES

qualify as an addition to maximum assessed value (MAV) due to a value threshold. The value threshold is an RMV of over \$10,000 in any one assessment year, or over \$25,000 for all cumulative additions made over five assessment years.

(2) Minor construction does not include general ongoing maintenance and repairs.

(3) When testing the over \$25,000 threshold, use the cumulative RMV of all minor and major construction over a period not to exceed five consecutive assessment years.

(a) Minor and major construction values are not market trended.

(b) Values for retirements are not considered in the threshold test.

(c) Values for minor construction items that are removed or destroyed prior to being an adjustment to MAV are subtracted from the minor construction cumulative RMV.

(4) Once the over \$25,000 threshold is met, use the following steps to calculate the MAV adjustment:

(a) Use minor construction values that are not market trended.

(b) Make adjustments for any retirements from the prior assessment year. The net value of additions and retirements may not go below zero.

(c) Apply the changed property ratio (CPR) from the year the cumulative RMV becomes an addition to MAV.

(d) Reset the cumulative RMV for minor construction to zero and restart the 5-year period. The following examples demonstrate the over \$25,000 threshold. RMVs in the following examples are not market trended and/or depreciated.

**Example 1:** Over \$25,000 Not Met. [Example not included. See ED. NOTE.]

**Example 2:** Over \$25,000 Not Met, Prior Years Drop Off. [Example not included. See ED. NOTE.]

**Example 3:** Cumulative RMV Reset. [Example not included. See ED. NOTE.]

**Example 4:** Cumulative RMV Reset. [Example not included. See ED. NOTE.]

**Example 5:** Individual Year and Cumulative Year Adjustments. [Example not included. See ED. NOTE.]

**Example 6:** Removal of Destroyed Minor Construction. [Example not included. See ED. NOTE.]

[ED. NOTE: Examples referenced are available from the agency.]

Stat. Auth.: ORS 305.100

Stats. Implemented: ORS 308.149

Hist.: REV 8-1998, f. 11-13-98, cert. ef. 12-31-98; REV 8-2000, f. & cert. ef. 8-3-00; REV 7-2014, f. 12-23-14, cert. ef. 1-1-15

## 150-309.115(2)

### Trending and Indexing an Adjudicated Value

(1) "Adjudicated value" means a real market value that has been corrected by a final order of the Department of Revenue, the board of property tax appeals, the tax court or other court, and is adjusted only as allowed under ORS 309.115 for the subsequent five tax years.

(2) A single trend or index applied to all properties of a certain class in a market area shall be applied in the same manner to adjudicated values in the same property class and market area. For purposes of this rule, a market area may be identified to exist within a county or include properties in multiple counties. This section applies, but is not limited, to ratio studies conducted under ORS 309.200 and economic studies conducted for industrial properties appraised by the Department of Revenue under 306.126.

(3) Assessors may develop valuation models to determine the real market value of property in the same property class and in the same defined market area that rely on applying trending, indexing, and depreciation factors to multiple, identifiable property characteristics on file.

(4) The assessor shall apply the same adjustments to adjudicated values as those applied to values of other properties in the same property class in the same defined market area where valuation modeling for multiple property characteristics is used to calculate real market value.

(5) The adjudicated value in section (4) must be calculated using the method in either subsection (a) or (b) of this section. The methods in subsections (a) and (b) in this section are mathematically equivalent, although differences due to rounding may occur. Such differences are de minimus.

(a) Adjust the prior year's adjudicated value proportionately to the change in value produced by the valuation model.

(A) Calculate the ratio of the real market value produced by the valuation model in the current year to the real market value produced by the valuation model in the prior year.

(B) Apply the ratio in paragraph (A) to the prior year's adjudicated value.

**Example 1:** Real property is originally listed on the 2013-14 tax roll with an RMV of \$100,000. The county board of property tax appeals reduces the RMV to \$85,000. The county applies a valuation model, which is recalculated each year, to all like properties in the market area. The table below shows the real market values produced

by the valuation model, the ratio to the real market value produced by the valuation model for the prior year to those values, and the result of multiplying the prior year's adjudicated value by the ratio for each tax year. [Table not included. See ED. NOTE.]

(b) Adjust the real market value produced by the valuation model for the current year proportionately to the correction ordered in the first year of adjudication.

(A) Calculate the ratio of the adjudicated value to the real market value produced by the valuation model in the first year of adjudication,

(B) Apply the ratio to the real market value produced by the valuation model for the current year.

**Example 2:** The facts are the same as for Example 1. The table below shows the real market values produced by the valuation model, the ratio of the adjudicated value to the original real market value produced by the valuation model in the first year of adjudication, and the result of multiplying the real market value produced by the valuation model by the ratio for each tax year. [Table not included. See ED. NOTE.]

(6) Notwithstanding section (5), if the adjudicated value is the result of correcting a specific error in the description of property characteristics used in the valuation model, the real market value produced by the valuation model for the corrected property characteristics is the adjudicated value for the subsequent five years.

**Example 3:** The Department of Revenue reduces the real market value of a home based on evidence that the square footage is less than the square footage shown on the architectural plans as used by the assessor. The real market value found by the department is based upon a price per square foot used by the assessor in the valuation model multiplied by the corrected square footage. The adjudicated value in subsequent years is the price per square foot determined by that year's valuation model multiplied by the corrected square footage ordered by the department.

[ED. NOTE: Tables referenced are available from the agency.]

## 150-311.670(1)(a)

### Homestead Requirements

(1) For property to qualify for tax deferral under ORS 311.666 to 311.701, the property must be the homestead of the applicant while the property taxes are being deferred. This means all individual or joint applicants must live on the property.

(2) The only exception to section (1) is for situations in which the applicant is required to live away from the homestead by reason of the applicant's health. "By reason of health" means that the applicant needs to be away from the property in order to facilitate or obtain medical care or to provide the applicant's basic life needs. Basic life needs include but are not limited to preparation of meals, personal hygiene, or daily care of oneself.

(3) If the applicant in the deferral program is not living at the homestead for reasons of health, the applicant must provide a letter from a medical provider stating the applicant is unable to provide medical care or basic life needs for himself or herself.

(4) Neither the applicant nor the medical provider is required to give a specific date by which the applicant will return to the homestead.

(5) If the applicant is absent from the homestead by reason of the health of the applicant, the Oregon Department of Revenue will continue paying the property taxes as long as the property remains otherwise eligible or until one of the events under ORS 311.684 occurs.

**Example 1:** Jack and Jane are co-applicants and have been participants in the Senior Deferral program for five years. During a snowstorm in February, Jack fell and broke a hip. Jack has been sent to a nursing home for physical therapy and rehabilitation. Jane notified the department of the situation through a letter from Jack's doctor. Because Jack and Jane both meet the homestead requirement, the Oregon Department of Revenue will continue to pay the property taxes to the county through the deferral program.

**Example 2:** Same basic scenario as in Example 1. Jane, Jack's co-applicant, moves closer to the nursing home so she doesn't have so far to travel to visit him. All applicants must either live on the property or meet "by reason of health" requirements. Because Jane does not meet the "by reason of health" exception and does not live on the property, the property will not qualify for the deferral program. Both co-applicants must meet the homestead requirements.

(6) An applicant who is away from the homestead by reason of health may rent or lease the homestead to another individual or individuals. This activity will not affect the payment of the property taxes by the department unless it causes the household income to exceed the maximum income allowed for the year in question.

## 150-311.672(1)(a)

### Data Requirements for Property Description on Tax Deferral Application

(1) The county assessor's office must complete the property description portion of the deferral application to include:

# ADMINISTRATIVE RULES

(a) Information about the current deed as follows:

- (A) The document or instrument number;
- (B) Year recorded;
- (C) Book and page number, if applicable;

(b) Information about the earliest deed showing applicant's ownership as follows:

- (A) The document of instrument number;
- (B) Year recorded;
- (C) Book and page number, if applicable;
- (c) Assessor's account number;
- (d) Code area; and
- (e) A description of the property as follows:

(A) For a property that is platted, the lot and block number and the addition name if the property is in a recorded subdivision;

(B) For a property that is unplatted a description that includes township, range, section and acres;

(C) For a manufactured structure, the model year, make, and home number assigned by the Building Codes Division of the Department of Consumer and Business Services.

(D) Multiunit property information:

(i) Notation if property contains multiple units:

(ii) The percentage of property to be deferred. This is determined by comparing the value of the taxpayer's unit (excluding the land and common areas) with the total value of all the units located on the property.

(iii) The real market values of the taxpayer's homestead. This is determined by comparing the percentage to be deferred with the real market value of the property.

(2) The county assessor must send the department a copy of the recorded deed if requested by the department.

## 150-457.440(9)-(B)

### Calculation of Urban Renewal with City Rate Phase-in

(1) Applicability: This rule must be used in conjunction with OAR 150-457.440(9) when an urban renewal agency sponsored by a city has certified a request for tax increment financing to the assessor under ORS 457.440 and the city has adopted an annexation ordinance under ORS 222.111 with a rate phase-in provision that is applicable to the city's taxes for the tax year.

(2) When the conditions described in section (1) are present, the assessor must modify the calculations under OAR 150-457.440(9) as follows, or by using a method allowed under section (3):

(a) The division of tax rate derived from the city's taxes must be calculated separately for the area of the city that is subject to rate phase-in and for the area of the city not subject to rate phase-in. This is relevant for determining proper division of tax rates to use by code area under OAR 150-457.440(9) subsection (1)(c) and sections (9), (10), (11), and (12).

(A) Calculate the division of tax rate applicable to the shared property that is not subject to rate phase-in by dividing the total division of tax amount from city taxes by the sum of:

(i) The taxable assessed value of the shared property that is not in the phase-in area, and

(ii) The product of the taxable assessed value of the shared property that is in the phase-in area multiplied by the phase-in percentage.

(B) Calculate the division of tax rate applicable to the shared property that is subject to rate phase-in by multiplying the phase-in percentage by the division of tax rate from paragraph (A) of subsection (2)(a).

(b) Division of tax rates derived from taxes of taxing districts other than the city with rate phase-in remain calculated in accordance with OAR 150-457.440(9) and without modification due to the city tax phase-in.

(3) A county may use a different calculation method if approved by the Department of Revenue, it provides an equivalent phase-in of the division of tax rate derived from the city taxes, and the taxes to be raised for the urban renewal agency and city remain comparable to the calculations under section (2).

**Rules Coordinator:** Valerie Abrahamson—(503) 934-8211

### 837-095-0010

#### Purpose and Scope

These rules establish emergency planning districts as required by the Emergency Planning and Community Right to Know Act (EPCRA) of 1986 (42 U.S.C. Chapter 116, Section 11001 et seq.). The rules provide guidelines for the establishment of a Local Emergency Planning Committee (LEPC) within each emergency planning district. The rules also establish a State Emergency Response Commission (SERC) Executive Committee.

Stat. Auth.: ORS 476.030(2)

Stats. Implemented: ORS 453.520

Hist.: OSFM 5-2014, f. 12-22-14, cert. ef. 1-1-15

### 837-095-0020

#### Definitions

For purposes of Oregon Revised Statutes (ORS) 453.520 only, the following definitions apply:

(1) "Emergency Planning District" means geographic boundaries designated by the State Emergency Response Commission to facilitate preparation and implementation of emergency plans related to hazardous materials incidents.

(2) "Industry" means facilities subject to the Emergency Planning and Community Right to Know Act of 1986 (42 U.S.C. Chapter 11001 et seq.).

(3) "Local Emergency Planning Committee" means a federally mandated, quasi-governmental entity representing local government, emergency response officials, facility owners/operators, environmental and citizen groups and other interested parties.

(4) "State Emergency Response Commission" means the Office of the State Fire Marshal as designated by the Governor pursuant to the Emergency Planning and Community Right to Know Act of 1986 (42 U.S.C. Chapter 11001 et seq.).

(5) "State Emergency Response Commission Executive Committee" means a body established to assist the SERC in carrying out the responsibilities mandated in EPCRA.

Stat. Auth.: ORS 476.030(2)

Hist.: OSFM 5-2014, f. 12-22-14, cert. ef. 1-1-15

### 837-095-0030

#### SERC Executive Committee

(1) The State Emergency Response Commission shall form a SERC Executive Committee whose purposes include but are not limited to:

(a) Advising the SERC on the designation of Emergency Planning Districts consistent with Oregon Administrative Rules (OAR) 837-095;

(b) Advising the SERC on the creation, modification, or dissolving of Local Emergency Planning Committees (LEPC) and on the confirmation of appointments to those committees;

(c) Reviewing plans developed by Local Emergency Planning Committees and making plan recommendations to the SERC;

(d) Supporting Local Emergency Planning Committee efforts to implement EPCRA and ORS 453.520;

(e) Supporting and assisting SERC and Local Emergency Planning Committee efforts to enhance hazardous materials emergency preparedness and response capabilities; and

(f) Coordinating hazardous materials training, education, and outreach activities as well as grant and technical assistance opportunities in support of the SERC and Local Emergency Planning Committees.

# ADMINISTRATIVE RULES

(2) The membership of the SERC Executive Committee shall be by agency or organization, each with one representative and one alternate. The SERC Executive Committee shall consist of the following:

- (a) The director or a designee of the following state agencies:
  - (A) Oregon State Fire Marshal
  - (B) Oregon Office of Emergency Management
  - (C) Oregon Department of Transportation
  - (D) Oregon State Police
  - (E) Oregon Governor's Office
  - (F) Oregon Health Authority
  - (G) Oregon Department of Environmental Quality
- (b) A representative from each of the following organizations or

groups:

- (A) Local Emergency Management
- (B) Oregon Emergency Management Association
- (C) Local Emergency Planning Committees
- (D) Industry
- (E) Oregon Fire Chiefs Association
- (F) Oregon Regional Hazardous Materials Response Teams
- (G) Oregon State Sheriffs' Association
- (H) Oregon Tribes
- (I) Association of Oregon Counties
- (3) The SERC Executive Committee shall adopt bylaws and establish

such policies and procedures as necessary to conduct its work.

## 837-095-0040

### Emergency Planning Districts

The SERC designates each of the 36 counties of Oregon as an Emergency Planning District (EPD) for the purposes of EPCRA.

(a) Two or more emergency planning districts may combine resources and function as a single EPD by providing documentation of such request to the SERC from an authorized representative of each county.

(b) Should any county participating in a combined EPD desire to dissolve the combined EPD for any reason, an authorized representative of the county must notify the SERC as well as the other county(ies) involved in the combined EPD of their desire to withdraw from the combined EPD.

Hist.: OSFM 5-2014, f. 12-22-14, cert. ef. 1-1-15

## 837-095-0050

### Local Emergency Planning Committees

(1) A Local Emergency Planning Committee (LEPC) shall be formed in each EPD.

Membership in the LEPC should be guided by the EPCRA and be reflective of the stakeholders within each EPD.

(2) The duties and responsibilities of the LEPC should be consistent with the intent of EPCRA and focus on enhancing hazardous materials emergency planning, preparedness and response capabilities within the EPD.

(3) Each LEPC shall appoint a chairperson and adopt such policies and procedures as are necessary to conduct its work.

(4) Each LEPC shall maintain and provide to the SERC a list of contact information for all committee members.

(5) Each LEPC shall prepare an emergency plan, or annex to an appropriate county emergency operations plan, in accordance with EPCRA.

(6) Each LEPC shall review its community emergency response plan annually and submit the reviewed plan to the SERC for review and recommendations.

Stat. Auth.: ORS 476.030(2)

## 837-085-0270

### Penalty Criteria for Noncompliance — General

(1) Issuance of any penalty is subject to appeal in accordance with OAR 837-085-0330 through 837-085-0370.

(2) Any covered employer, owner or operator found to be in noncompliance may be assessed a penalty of up to a maximum of \$1,000 per day for each day of noncompliance in accordance with ORS 453.357.

(a) The number of days the covered employer owner or operator is considered in noncompliance shall be based on the total number of days that pass between the date compliance was required to the date compliance is achieved.

(b) Compliance shall be considered achieved when the required correct and accurate information is received by the Office of State Fire Marshal or in the case of noncompliance with OAR 837-85-0170(1) or (2) the required information is received by the requesting health professional.

(c) The daily maximum penalty is calculated by dividing the total penalties assessed by the number of days it takes the covered employer, owner or operator to achieve compliance.

(3) The noncompliance classification established in OAR 837-085-0280 shall be used to determine the penalty, if any, that will be assessed.

(4) Covered employers, owners or operators found to be in noncompliance in more than one Noncompliance Class (OAR 837-085-0280) shall have a penalty calculated and assessed for each Noncompliance Class.

(5) At any time prior to a Notice of Noncompliance and Proposed/Final Penalty Assessment Order becoming final, the Office of State Fire Marshal may modify the notice to reflect the correct noncompliance classification or penalty assessment.

(6) Nothing in these rules shall affect the ability of the Office of State Fire Marshal to modify penalties through a Stipulated Final Order.

(7) Penalty suspensions may be made in accordance with OAR 837-085-0310.

(8) Daily penalties shall be assessed in accordance with OAR 837-085-0305.

### Noncompliance Classes

For the purpose of determining the penalties that may be assessed for noncompliance, the following Noncompliance Classes are established:

(1) Class I Noncompliance. Covered employers, owners, and operators who fail to notify the Office of State Fire Marshal they have reportable quantities of hazardous substances, or fail to submit their Hazardous Substance Information Survey or substantive changes when required shall be considered in Class I Noncompliance.

(2) Class II Noncompliance. Covered employers, owners, and operators who fail to maintain records in accordance with OAR 837-085-0110; or when requested by the Office of State Fire Marshal, fail to provide an MSDS or other hazardous substance information not elsewhere classified, who report all their hazardous substances but fail to submit the information required by OAR 837-085-0090 or who report the information incorrectly, shall be considered in Class II Noncompliance. Exceptions: Failing to submit or submitting incorrect information on the following will not be considered Class II Noncompliance or any other class of noncompliance:

- (a) North American Industry Classification System;
- (b) Dun and Bradstreet Number;
- (c) Send to Attention of;
- (d) Department or Division;

# ADMINISTRATIVE RULES

- (e) Written Emergency Plan and, if so, the location;
- (f) Automatic Fire Suppression System;
- (g) NFPA 704 Placarding;
- (h) Other Types of Placarding.;
- (i) UN or NA Numbers

(3) Class III Noncompliance. Covered employers, owners, and operators who, when submitting their Hazardous Substance Information Survey, substantive changes or survey corrections, fails to report the hazardous substance information correctly, shall be considered in Class III Noncompliance.

(4) Class IV Noncompliance. Covered employers, owners, and operators who when submitting their hazardous substance information survey, substantive changes or survey corrections, fail to report all reportable hazardous substances or fail to report the correct maximum daily quantity shall be considered in Class IV Noncompliance.

(5) Class V Noncompliance. Covered employers, owners, and operators who intentionally misreport on their Hazardous Substance Information Survey, substantive changes, survey corrections or records of hazardous substances or fail to provide health professionals with any pertinent hazardous substance information, in accordance with OAR 837-085-0170, shall be considered in Class V Noncompliance.

### Penalties for Class I, II and III Noncompliance

(1) Covered employers, owners or operators identified as being in Class I, II, or III Noncompliance shall be assessed a penalty for each Noncompliance Class for which they are found to be in noncompliance. The penalty assessments shall be made using the penalty schedule set forth in subsection 2 of this section. Exception: If penalties are assessed for Class I non-compliance then no other penalties will be assessed for any of the other classes of non-compliance.

(2) Class I, II and III Noncompliance Penalty Schedule:

- (a) Class I — \$1000.
- (b) Class II — \$150.
- (c) Class III — \$200.

## 837-085-0300

### Penalties for Class IV Noncompliance

(1) A penalty shall be calculated for unreported radioactive substances, radioactive wastes, explosives or highly toxic materials. These substances are required to be reported at the "Lower Reporting Levels" (LRL) of five gallons, ten pounds or 20 cubic feet. Penalties for all Extremely Hazardous Substances shall be calculated at the LRL.

(2) A separate penalty shall be calculated for all other unreported hazardous substances. These substances are required to be reported at the "Upper Reporting Levels" (URL) of 500 gallons, pounds, or cubic feet.

(3) For the purpose of determining individual substances, Material Safety Data Sheets will be used.

(4) A penalty determination shall be made for Lower Reporting Levels (LRL) and Upper Reporting Levels (URL) substances using the following criteria:

(a) When the facility fails to report any number of substances required to be reported at the LRL, a penalty of \$425 will be assessed.

(b) When the facility fails to report any number of substances required to be reported at the URL, a penalty of \$225 will be assessed.

## 837-085-0310

### Penalty Suspensions

(1) Penalties assessed for Class I, II, III and IV Noncompliance will be suspended in accordance with the following criteria:

(a) To receive a penalty suspension covered employers, owners or operators receiving a Notice of Noncompliance and Proposed/Final Penalty Assessment Order must comply with all the noncompliance issues identified in the notice.

(b) Compliance must be achieved no later than the established compliance date set forth in the notice.

(c) Penalty suspensions will be calculated for each class of noncompliance identified in the Notice of Noncompliance and Proposed/Final Penalty Assessment Order.

(d) Penalty suspensions will be calculated using the Penalty Suspension Schedule set forth in subsection 3 of this section.

(2) If a covered employer, owner or operator is found to be in repeat noncompliance with in a three year period of time the amount of penalty suspended shall be reduced based on the instance of the repeat noncompliance.

(3) Penalty Suspension Schedule:

(a) Instance — Amount Suspended.

(b) 1st — 100%.

(c) 2nd — 50%.

(d) 3rd — 0%.

(4) Penalty suspensions will not be made on Class V Noncompliance penalty assessments.

## Department of Transportation, Driver and Motor Vehicle Services Division Chapter 735

**Rule Caption:** Updates DMV's procedural rule on agency representation at contested case hearings

**Adm. Order No.:** DMV 16-2014

**Filed with Sec. of State:** 12-19-2014

**Certified to be Effective:** 12-19-14

**Notice Publication Date:** 11-1-2014

**Rules Amended:** 735-001-0040

**Subject:** The Attorney General is authorized to consent to agency representation by an agency officer or employee in particular hearings or a particular class of contested case hearings, in accordance with ORS 183.452. Earlier this year, DMV requested and was granted authorization from the Attorney General for agency representation to conduct contested case hearings for: Civil penalties for violations related to dismantlers assessed under authority of ORS 822.137 and OAR chapter 735, division 152; Cancellation of vehicle title and registration under authority of ORS 809.090 and 809.095; Implied consent cases under ORS 813.410 and OAR 735, division 90; Denial, suspension or revocation of a commercial driving school certificate; Denial, suspension or revocation of a commercial driver training instructor certificate; Suspension or cancellation of identification cards.

**Rules Coordinator:** Lauri Kunze—(503) 986-3171

## 735-001-0040

### DMV Representation at Contested Case Hearings

(1) This rule authorizes an agency officer or employee to represent DMV at a contested case hearing as described in this rule. Except for a hearing described under ORS 183.430(2), the Attorney General has granted authority to DMV to appoint officers or employees to represent DMV at contested case hearings regarding:

(a) Suspension, revocation and cancellation of driving privileges;

(b) Non-issuance of driver licenses and identification cards;

(c) Suspension or cancellation of identification cards;

(d) Suspension, revocation, cancellation, probation and denial of vehicle dealer certificates;

(e) Suspension, revocation, cancellation and denial of dismantler certificates;

# ADMINISTRATIVE RULES

(f) Suspension, revocation, denial and refusal to issue or renew a towing company certificate;

(g) Revocation and denial of a vehicle transporter certificate;

(h) Civil penalties assessed on unlicensed dealers and on licensed dealers who violate the laws and rules relating to the sale of vehicles under the authority of ORS 822.009 and OAR chapter 735, division 150;

(i) Civil penalties for violations related to dismantlers assessed under authority of ORS 822.137 and OAR chapter 735, division 152;

(j) Cancellation of vehicle title and registration under authority of ORS 809.090 and 809.095;

(k) Implied consent cases under ORS 813.410 and OAR 735, division 90;

(l) Denial, suspension or revocation of a commercial driving school certificate; and

(m) Denial, suspension or revocation of a commercial driver training instructor certificate.

(2) The administrative law judge shall not allow an agency representative appearing under section (1) of this rule to present legal argument as defined in this rule.

(a) "Legal Argument" includes arguments on:

(A) The jurisdiction of the agency to hear the contested case;

(B) The constitutionality of a statute or rule or the application of a constitutional requirement to an agency; and

(C) The application of court precedent to the facts of the particular contested case proceeding.

(b) "Legal Argument" does not include presentation of motions, evidence, examination and cross-examination of witnesses or presentation of factual arguments or arguments on:

(A) The application of the statutes or rules to the facts in the contested case;

(B) Comparison of prior actions of the agency in handling similar situations;

(C) The literal meaning of the statutes or rules directly applicable to the issues in the contested case;

(D) The admissibility of evidence; and

(E) The correctness of procedures being followed in the contested case hearing.

(3) If the administrative law judge determines that statements or objections made by an agency representative appearing under section (1) involve legal argument as defined in this rule, the administrative law judge shall provide reasonable opportunity for the agency representative to consult the Attorney General and permit the Attorney General to present argument at the hearing or to file written legal argument within a reasonable time after conclusion of the hearing.

(4) An agency representative appearing under section (1) must read and be familiar with the most recently published Code of Conduct for Non-Attorney Representatives at Administrative Hearings, which is maintained by the Oregon Department of Justice and available on its website at <http://www.doj.state.or.us>.

## Department of Transportation, Highway Division Chapter 734

**Rule Caption:** Adds definitions; adds criteria for non-OAS illuminated (digital) signs; clarifies restrictions on temporary signs

**Adm. Order No.:** HWD 11-2014

**Filed with Sec. of State:** 12-19-2014

**Certified to be Effective:** 12-19-14

**Notice Publication Date:** 11-1-2014

**Rules Adopted:** 734-059-0040, 734-060-0190

**Rules Amended:** 734-059-0015, 734-059-0020, 734-059-0025, 734-059-0220, 734-060-0000, 734-060-0007, 734-060-0175

**Subject:** This rulemaking adds language in the definitions portion of chapter 734 that will assist the Department in communicating the scope of certain rules as they apply to the location of outdoor advertising signs. In addition, guidance is provided for non-outdoor advertising digital signs that are visible to a state highway. This addresses an ongoing issue with driver safety caused by lack of clear

standards for digital sign illumination and brings non-outdoor advertising signs into an illumination standard comparable to regulated outdoor advertising digital signs. Some edits further clarify current practices and policies of the department regarding the outdoor advertising permit process.

**Rules Coordinator:** Lauri Kunze—(503) 986-3171

### 734-059-0015

#### Definitions

(1) The terms "neat," "clean," "attractive" and "good repair" as used in ORS 377.710(18) and 377.720(8) are defined as follows:

(a) The terms "neat" and "attractive" mean without rotting or broken parts, having parts that are solid and sound, without chipping or peeling paint, paper, vinyl or plastic, without graffiti, and without faded, washed-out or illegible copy. The terms apply to all component parts of a sign.

(b) The term "clean" means free of dirt, unsoiled, without grime or soot. The term does not include a minor dust coating that is undetected from the main-traveled way of a state highway. The term applies to all component parts of a sign that are visible to the main-traveled way of a state highway.

(c) The term "good repair" means having sound and solid parts, without rotting or broken parts, firmly fixed in place so as to be able to withstand a wind pressure of 20 pounds per square foot of exposed surface. The term includes all component parts of a sign.

(2) In interpreting ORS 377.720(9), to be considered "used in transportation" the owner or operator must demonstrate the vehicle or trailer is regularly used in a manner consistent with its usual purpose. The Department may consider but is not limited to the following factors:

(a) Whether it is used only for storage;

(b) Whether it is incapable of being moved in its normal way, such as due to a flat tire or mechanical problems;

(c) Whether its movement would be illegal such as if its registration has expired;

(d) Whether its location is compatible with being regularly used in transportation;

(e) How frequently it is moved;

(f) How far it is moved;

(g) Whether any change in location appears to be a mere attempt to qualify a sign structure under the exemption.

(3) In interpreting ORS 377.773, "abandoned" means any sign that does not have a message on the display surface for a period of six months, a sign for which there is no display surface for a period of six months or a sign whose structure has been removed for a period of six months. For abandoned signs under ORS 377.773 the sign permit may be canceled at the end of the 6-month period. If requested prior to the next January permit renewal period, upon written request by the sign owner of record, and payment of the required relocation credit banking fee, the canceled permit may be converted to a relocation credit for future use.

(4) In interpreting ORS 377.700 to 377.844 and 377.992 the term "person" includes individuals, joint ventures, partnerships, corporations and associations or their officers, employees, agents, lessees, assignees, trustees or receivers.

(5) In interpreting ORS 377.700 to 377.844 and 377.992 an Outdoor Advertising Sign Permit Owner is a single person, or their authorized representative, who holds the right to authorize an activity associated with the permit including sign reconstruction, direct relocation, relocation credit request or the sale of a sign permit or relocation credit.

(6) Signs visible to or from the "Traveled Way" or "Main Traveled Way."

(a) For the purposes of the outdoor advertising sign program, to qualify as a business or activity open to the public, some portion of the regularly used buildings, parking lots, storage or processing areas where the qualifying business or activity is conducted must be immediately adjacent to the sign and a permanent building or structure where the business or activity is conducted must be visible from the traveled way or main-traveled way.

(b) The following criteria will be used in determining which signs have been erected for the purpose of their messages being read from the traveled way or the main traveled way:

(A) Location of sign;

(B) Local terrain and physical obstructions;

(C) Size of sign;

(D) Angle of sign in relation to a state highway;

(E) Distance from a state highway in relation to size of sign.

Stat. Auth.: ORS 184.616, 184.619, 377.710 & 377.720

# ADMINISTRATIVE RULES

## 734-059-0020

### Business Defined

(1) As used in OAR chapter 734, division 059, unless the context of the rule requires otherwise, a business means a commercial or industrial enterprise operated with the intent of economic gain.

(2) The location of a business includes the main buildings as well as other physical areas necessary or customarily incident to the business, including a limited amount of open space as is arranged and designed to be used in immediate connection with such buildings and uses.

## 734-059-0025

### Activity Open to the Public

As used in OAR chapter 734, division 059, unless the context of the rule requires otherwise, an activity open to the public means a location, the main purpose of which involves the admission of or providing service to members of the public. This includes:

- (1) Places of worship;
- (2) Educational facilities;
- (3) Meeting halls;
- (4) Facilities of non-profit or charitable organizations;
- (5) Public parks;
- (6) Government offices.

Stat. Auth.: ORS 184.616, 184.619, 377.710, 377.720  
Stats. Implemented: ORS 377.710, 377.720

## 734-059-0040

### Qualifying as a Business or Activity Open to the Public

(1) The following are not Businesses or Activities Open to the Public for the purposes of the Outdoor Advertising Sign Program:

- (a) Outside advertising sign structures;
- (b) Agricultural, forestry, ranching, grazing, farming land and related activities, including, but not limited to, temporary roadside food and produce stands including seasonal stands;
- (c) Activities that are housed in a temporary building or structure that are visible to the traffic lanes of the traveled way and do not have indoor restrooms, utilities, running water, functioning electrical connections or adequate heating;

(d) Where conducted in a building that is primarily used as a residence, apartment house or residential condominium;

(e) Recreational facilities such as campgrounds, golf courses, tennis courts, wild animal parks, and zoos, except for the portion of the activities occupied by permanent buildings and parking lots which otherwise meet the criteria in this subsection;

(f) Public or private utilities including telephone poles, radio, microwave or cellular communication towers; and,

(g) Railroad tracks

(2) In determining whether a location is a business or activity open to the public, the Department may consider the totality of the circumstances, including but not limited to the following:

- (a) If a business license has been issued by the state;
- (b) Whether the facility is open to potential customers, with regular hours of operation;

(c) Whether there is appropriate vehicular access and parking present;

(d) Whether there are indices of operation such as a telephone, or other communication service, appropriate utility connections, appropriate equipment, restroom facilities, permanent facility structures, etc.; and,

(e) How long the operation has been in existence.

Stat. Auth.: ORS 184.616, 184.619, 377.710, 377.720  
Stats. Implemented: ORS 377.720  
Hist.: HWD 11-2014, f. & cert. ef. 12-19-14

## 734-059-0220

### Aggregation of Small Relocation Credits

(1) Upon request from the sign permit owner, or their authorized representative, the Department shall issue a relocation credit for the total square footage of the single, largest sign face of one side of an outdoor advertising sign.

(2) As provided in ORS 377.763 the owner of relocation credits may apply to combine (aggregate) them into a single credit. This rule establish-

es the criteria for aggregation, the procedure to request aggregation, and the procedure the Department will follow to process those requests.

(3) Qualification for participation:

(a) The relocation credit must be recognized as valid under ORS 377.766. This includes verification by the Department that the sign structure was removed.

(b) The relocation credit size may be no larger than 249 square feet.

(c) If the Department is aware of any dispute about the ownership or right to utilize the credit it may not be aggregated unless the issue has been resolved.

(4) Application for Aggregation of Relocation Credits

(a) To aggregate relocation credits, the owner of a relocation credit must submit a written request to the Department of Transportation Outdoor Advertising Sign office. The request must be dated and must bear the original signature of the owner or owner's authorized representative.

(b) The request must include the relocation credit numbers sought to be aggregated, and the area (described in square feet) the owner calculates for the anticipated single credit.

(5) Department Processing of Application for Aggregation of Relocation Credits

(a) The Department will determine whether each relocation credit qualifies for aggregation. If any do not, the Department will advise owner and attempt to reach agreement on the qualification under law. If an agreement is not reached the Department will reject the request to aggregate.

(b) If each relocation credit qualifies for aggregation, the Department will determine whether the area of the anticipated credit calculated by the owner is the same as the area calculated by the Department, and whether it is within the statutory maximum for size. If the anticipated sizes are not the same, or if the projected size exceeds the statutory maximum, the Department will advise applicant and attempt to reach agreement on the correct size under the law. If an agreement is not reached the Department will reject the request to aggregate.

(c) If each relocation credit qualifies for aggregation and no issue exists as to the size of the anticipated credit, the Department will notify the owner in writing of the cancellation of the smaller credits and the creation of the single larger credit.

Stat. Auth.: ORS 184.616, 184.619, 377.763, 377.759, & 377.992

## 734-060-0000

### Outdoor Advertising Sign Application Process

(1) Application forms. An application for a sign permit under the Oregon Motorist Information Act (OMIA) is made by completing and submitting the appropriate form, attaching to the form all documents necessary to show the application meets the requirements of the law, and submitting the correct fee to the Outdoor Advertising Sign Program of the Oregon Department of Transportation. Application forms are available from the Outdoor Advertising Sign Program. There are three different Outdoor Advertising Sign application forms: "Standard Outdoor Advertising Sign Permit Application" for new permits for outdoor advertising signs that pre-existed the law change on May 30, 2007, relocations and reconstructions of such permitted signs; "Digital Billboard Outdoor Advertising Sign Application" for digital permits newly issued under ORS 377.710, or relocation and reconstruction of such permitted signs and "Application for Transit Bench or Shelter Sign" for signs on bus/transit benches and bus/transit shelters. The Department may deny a permit application if the applicant does not use the correct form.

(2) Copies of sign laws. The Department will make available copies of all state sign statutes, administrative rules, federal statutes, federal regulations, and federal-state agreements in effect. The Department may charge for the copies at the rate established by law for public records requests, and may require prepayment. The Department may also provide these documents by e-mail, web site, or in other forms for the convenience of the public and the Department.

(3) Summary of regulations. To assist potential permit applicants and the general public, the Department will make available a summary of sign permit regulations. The summary does not bind the Department to the items listed or waive its right and duty to enforce all requirements under the law.

(4) Contents of applications for Standard Outdoor Advertising Signs and Digital Billboard Outdoor Advertising Signs. To be complete the application must include the following.

(a) Application form Part 1: Applicant Information, Sign Specifications. Information must be complete and accurate for applicant, sign builder, purpose of application, description, township/range/section/tax lot, highway route number or name and side of highway, how

## ADMINISTRATIVE RULES

site is marked, name and address of property owner, and why the sign will be an "outdoor advertising sign." The location boxes should be completed to the best of applicant's ability to enable the Department to find the site.

(b) Application form Part 2: Certification of Applicant. The application form must be signed and dated by the applicant, certifying the information provided by applicant is accurate and has not been changed after the local government certification (see section (c) below). If the applicant is a corporate or other business entity the individual signing must include their title so as to indicate the authority to sign for the applicant.

(c) Application form Part 3: Certification of Local Jurisdiction. After completing Part 1, applicant must submit the complete application to the local jurisdiction for zoning and local compliance information. The local official must complete Part 3 and, if relevant, attach a letter of explanation of local code compliance. The local official must sign and date Part 3. This section does not apply to transit signs.

(d) Fee. The fee is based on square footage as described in OAR 734-059-0100. To be complete applicant must submit the correct application fee. The Sign Program does not accept cash, debit or credit cards; checks must be made out to Oregon Department of Transportation.

(e) Written proof of landowner consent. All applications, except transit sign applications, must include written proof that the landowner consents to have applicant maintain the proposed sign. The document must be signed by the landowner and the application filed during the base term of the agreement, or during a renewal term that is automatic or at applicant's election. If during a renewal period applicant must certify that the renewal was exercised and continues in effect. Examples of acceptable documents are the land lease, land lease plus applicant's certification as described above, land lease plus owner's written confirmation that an extension is being exercised, or a current memo signed and dated by land owner stating that applicant has permission to put the sign at the specified location. Payment information need not be included unless it is the evidence that compensation is exchanged making it an outdoor advertising sign.

(f) Business License. The applicant and the sign builder must have a current outdoor advertising sign business license as required under ORS 377.730. It is the responsibility of the Business License holder who erects or maintains an outdoor advertising sign to ensure that the outdoor advertising sign, visible to a state highway, is in compliance with the OMIA. Compliance includes ensuring signs have an active state sign permit prior to placing or maintaining any message on the sign, and ensuring that the sign stays in compliance during the time that the licensee operates or maintains the sign. Violations may result in suspension or revocation of the licensee's business license as allowed under ORS 377.730.

(g) Relocation permit application. For a relocation application, if the zoning was first commercial or industrial after 1/1/1973, or if the local jurisdiction cannot determine the date, the applicant must submit a sketch or other document showing the site is within 750 feet of a commercial or industrial area to comply with ORS 377.767(3).

(h) Pre-existing sign permit application. For an application for a new pre-existing sign under ORS 377.712 the following additional items are required:

(A) Complete the application form "Supplement for Pre-existing Sign Permit" and sign it before a notary public;

(B) Submit documents demonstrating each of your claims, such as a lease showing the sign was posted for compensation; and

(C) Pursuant to ORS 377.712(1), include documentation demonstrating how applicant was ignorant of the permit requirement for outdoor advertising signs as of May 30, 2007.

(5) Digital Billboard applications must also include the following information:

(a) When being reconstructed or relocated for the first time as a digital billboard the applicant must provide the eligible permit(s) or relocation credit(s) being retired pursuant 377.700 to 377.840 and OAR 734-060-0007.

(b) Whether the proposed sign is a "Poster," "Bulletin," or other sign as described in OAR 734-060-0007(2).

(c) Emergency malfunction contact information including name, phone number along with proposed response procedure to possible malfunction.

(d) Whether or not a renewable energy resource is available and being utilized. If none, then the applicant must complete the affidavit attesting that no renewable resource is available.

(6) Transit Bench or Shelter Application. A transit shelter or bus bench application must provide documentation demonstrating that the site is at an official bus or transit stop on a city or urban transit system route.

(7) Complete Applications.

(a) The Outdoor Advertising Sign Program's mailing address is: Oregon Department of Transportation, Right of Way Section — Sign Program, 4040 Fairview Industrial Drive SE, MS #2, Salem OR 97302. The Sign Program receives hand deliveries at 4040 Fairview Industrial Drive SE, Salem Oregon. The Sign Program receives facsimiles at 503-986-3625. The Sign Program receives electronic mail at [OutdoorAdvertising@odot.state.or.us](mailto:OutdoorAdvertising@odot.state.or.us).

(b) The Department requires original signatures and original initials to any changes on the application form. Therefore the Department will not accept the application form by electronic transmission (including facsimile). The Department may accept other documents by electronic transmission. The Department will not accept any changes made verbally; all changes must be in writing.

(c) The Department will indicate on each application document the date and time received. Application materials received by mail will be treated as received at the time a representative of the sign program physically receives the program's mail for that day. Application materials received in person, by fax, or by electronic transmission will be treated as received when a representative of the sign program physically receives those materials.

(d) The Department will only process applications that are complete. An application is complete when the Outdoor Advertising Sign program receives the signed application form including all necessary information, all documents necessary for issuance of a permit, and the correct application fee.

(A) Within 15 calendar days of receiving an application the Department will provide to the applicant written notice whether the application is complete. If the Department determines the application is complete, the notice will state the application's priority among all pending, complete applications.

(B) If the Department determines any information provided is incorrect, the application is not complete. The Department may rescind a notice of completeness and priority date if it later determines that information provided by applicant is not correct.

(c) If an application is not complete, within 15 calendar days of receiving the application the Department will return the entire application with written instructions on what is needed to complete it. The applicant must initial any subsequent changes and, if the changes are substantive to the local jurisdiction, must obtain a new certification from the local jurisdiction.

(A) If an application form is complete but the application is considered incomplete due to insufficient supporting documents or failure to submit the fee, the Department may return the entire application with written instructions on how to complete it or the Department may hold the application and notify the applicant in writing of what is needed and when it must be provided.

(B) Within 15 days of receiving the corrected form or additional materials the Department will provide the applicant written notification whether the application is complete and, if complete, the priority among all pending, complete applications.

(C) If the applicant makes any change to the application after it is deemed complete, the Department will change the priority date to the date of that change.

(D) If the Department has held an incomplete application for 60 days from the date of initial receipt, the application is deemed withdrawn by the applicant. The Department will return a copy of the application and may refund any eligible deposited fee. The Department will retain the original application for our records.

(8) Processing of complete permit application.

(a) The Department will approve or deny a permit within 60 days of the complete application's priority date as determined under section (7)(d) or (e) of this rule if the application clearly does not conflict with another complete application.

(b) An application for a permit that conflicts with the location of an expired or canceled permit will not be processed until the time for any hearing or appeal on the latter permit has passed, unless the permit is being canceled as a condition for issuance of the new permit.

(c) When a complete application might conflict with another complete application due to spacing or any other reason, the application with the earliest priority date and time takes precedence over later applications. Subject to all other requirements of the OMIA, the Department will issue the permit to the earlier applicant.

(d) If multiple complete applications have the same priority date and time, and are determined by the Department to compete for the same spot, the Department shall notify the applicants of the circumstances within

# ADMINISTRATIVE RULES

seven days of the Department's determination. If an affected applicant requests a contested case hearing, the matter will be determined by a single contested case hearing under Oregon's Administrative Procedures Act. The Department shall refer the matter to the Office of Administrative Hearings within seven days of an applicant's written hearing request.

(e) If the Department does not approve or deny a permit application within the time allowed under section (8)(a) of this rule, such actions do not require the Department to issue a permit or require any remedy except as provided otherwise in law.

(9) Field checks; applicant requirements and Department method.

(a) When the Department determines an application is complete, the Department will perform a field check to determine the milepoint and all other information necessary to process the application.

(b) The applicant must place a marking at the site to show the proposed location for the sign permit. The applicant may use a stake, ribbon, paint, or any method or material that will allow the Department to easily locate the site and attribute it to the applicant. If the marked site is other than that represented to the local authority in obtaining its signature on the application form, or is other than where the applicant actually builds the sign, the Department may consider that a violation of ORS 377.725(10).

(c) If the Department cannot locate the site it will notify the applicant pursuant to (5)(e) above that the application is incomplete due to incorrect information and may request reasonable action by the applicant to identify the site.

(d) The Department will conduct a field check by traveling to the proposed site and calculating the milepoint to the one-hundredth of a mile or, when necessary, to the one-thousandth of a mile. The Department may also determine the engineering station. The Department may also make any other determination regarding the site that is relevant to the application, such as proximity to the right of way and to a commercial or industrial area. Once a field check has been conducted the application fee is non-refundable.

(e) The Department may use intersections, highway structures, or other highway feature and its corresponding milepoint or engineering station, to measure and calculate the milepoint of the proposed site. Milepost markers are for the convenience of motorists and are not precise indications of the milepoint, therefore the Department will not use milepost markers for these calculations without other indication of accuracy.

(10) Denied Permit Applications. If the Department denies an application, it will consider that site as conflicting with other applications:

(a) Until the time to request a hearing elapses without a hearing request from the applicant; or

(b) If a hearing is requested, until the time to request an appeal on the final order has elapsed or until the final appellate court enters a judgment on the matter, whichever is later.

(c) The Department will keep the original application and any accompanying documents and return a copy after an application is denied.

(11) Issued Permits.

(a) The permit will specify the 180th day by which the sign must be constructed.

(b) Within 190 days of permit issuance, the permittee must notify the Department in writing if the action described in the permit has been completed, and include at least one photograph demonstrating that completion. For a reconstruction permit or a relocation permit based on a relocation credit, the notice must state that the new sign has been constructed. For a direct relocation the notice must state that the new sign has been constructed and the former sign on which the permit was based has been removed. If the Department has not received the notification within 180 days the Department will alert the permittee about the upcoming 190-day deadline. If the permittee fails to submit the written notice and photograph within the time allowed, the Department will cancel the permit to relocate or reconstruct, and the permit will revert to its prior status. No fees will be refunded.

(c) "Constructed" means that the structure and all sign faces are permanently in place and the permit plate is attached. "Removed" means the taking down, removing, or eliminating all sign structure elements that are visible from the state right of way

## 734-060-0007

### Digital Billboard Procedures

(1) This rule describes the process for applying for a permit for a digital billboard.

(2) Definitions for the purposes of this rule:

(a) "Sign" means the sign structure, the display surfaces of the sign, and all other component parts of the sign.

(b) "Retire" means to use a relocation credit such that it no longer exists or to remove an existing sign to become a relocation permit or credit for use.

(c) "Bulletin" means an outdoor advertising sign with a display surface that is 14 feet by 48 feet.

(d) "Poster" means an outdoor advertising sign with a display surface that is 12 feet by 25 feet.

(e) "Digital Billboard" means an outdoor advertising sign that is static and changes messages by any electronic process or remote control, provided that the change from one message to another message is no more frequent than once every eight seconds and the actual change process is accomplished in two seconds or less.

(3) Qualifications for receiving a digital billboard state sign permit:

(a) The proposed site and digital billboard must meet all requirements of the OMIA including, but not limited to, the following:

(A) the digital billboard is not illuminated by a flashing or varying intensity light.

(B) the display surface of the digital billboard does not create the appearance of movement.

(C) the digital billboard must operate at an intensity level of not more than 0.3 foot-candles over ambient light as measured by the distance to the sign depending upon its size.

(D) The distance measurement for ambient light is: 150 feet if the display surface of the sign is 12 feet by 25 feet, 200 feet if the display surface is 10.5 by 36 feet, and 250 feet if the display surface is 14 by 48 feet.

(b) Applicant must submit a completed application for a digital billboard state sign permit using the approved form that may be obtained by one of the following methods:

(A) Requesting from Sign Program Staff by phone at 503-986-3650;

(B) Email: [OutdoorAdvertising@odot.state.or.us](mailto:OutdoorAdvertising@odot.state.or.us);

(C) Website: <http://www.oregon.gov/ODOT/HWY/SIGNPROGRAM/pages/index.aspx>.

(c) The Department shall confirm that any existing permitted Outdoor Advertising Sign or relocation credit being retired for the purpose of receiving a new digital billboard state sign permit has been removed within the 180 days allowed to construct the new permitted sign. The Department will not charge a Banking Permit Fee for the cancellation of state sign permits retired for the purpose of receiving a new digital billboard permit.

(4) This section sets forth the criteria for determining the required relocation credits or existing permitted signs that an applicant shall retire to receive one new digital billboard state sign permit:

(a) Applicants who own 10% or less of all active relocation credits at the time the application is submitted shall either remove one existing state permitted outdoor advertising sign with a display area of at least 250 square feet or provide one active relocation credit of at least 250 square feet and retire that permit. Applicants meeting these criteria are not limited to either "Bulletin" or "Poster" billboards.

(b) Applicants who own more than 10% of all active relocations credits shall apply for a new digital billboard state sign permit as follows:

(A) For a digital billboard that is intended to be a bulletin, the applicant has three options:

(i) Remove two existing bulletins, retire the permits for those signs, and retire three relocation credits; or

(ii) Remove one existing bulletin and two existing posters, retire those permits and retire three active relocation credits; or

(iii) Remove four existing posters, retire the permits for those signs, and retire three relocation credits.

(B) For a digital billboard that is intended to be a poster, the applicant has two options:

(i) Remove two existing posters, retire the permits for those signs, and retire three relocation credits;

(ii) Remove one existing bulletin, retire the permit for that sign, and retire three relocation credits.

(c) For an active relocation credit to be eligible it must be at least 250 square feet. All permits and relocation credits submitted under these procedures will be permanently cancelled and are not eligible for renewal.

(d) Any state sign permits submitted for retirement must include the written statement notifying the Department that the "lease has been lost or cancelled."

(5) The Department will determine the percentage of relocation credits owned by an applicant by dividing the total number of unused relocation

# ADMINISTRATIVE RULES

credits by the total number of unused relocation credits owned by the applicant on the day the application is received.

(6) Two digital billboard state sign permits are required for any back to back or V-type digital sign. A separate application is required for each digital sign face.

(7) The first time a digital billboard is permitted it is not subject to the 100-mile rule in ORS 377.767(4). The site of the newly permitted billboard will become the established location for future reference.

(8) Relocation of permitted digital billboards. The Department will issue one digital relocation credit for each permitted digital sign that is removed. The digital relocation credit issued will be for the same square footage as the permitted digital sign that was removed. A digital relocation credit can only be used to relocate a digital billboard. A permitted digital sign can only be reconstructed as a digital billboard.

(9) Use of renewable energy resource. The applicant must provide a statement with the application that clarifies what, if any, renewable energy resources are available at the site and are being utilized. If none, then a notarized statement to that effect must be included with the application.

(10) All permitted digital billboards must have the capacity to either freeze in a static position or display a black screen in the event of a malfunction.

(a) The applicant must provide emergency contact information that has the ability and authority to make modifications to the display and lighting levels in the event of emergencies or a malfunction.

(b) The Department will notify the sign owner of a malfunction that has been confirmed by ODOT in the following instances:

(A) The light impairs the vision of a driver of any motor vehicle; or

(B) The message is in violation of ORS 377.710(6) or 377.720(3)(d).

(11) All digital billboard signs must comply with the light intensity and sensor requirements of ORS 377.720(3)(d).

(a) The Department will take measurements of the permitted digital billboard when notified that the sign has been constructed and the permit plate has been installed.

(b) The Department will use an approved luminance meter designed for use in measuring the amount of light emitted from digital billboards using the industry standard for size and distance as follows:

(A) 150 feet for 12'x 25.'

(B) 200 feet for 10.5'x 36'.

(C) 250 feet for 14'x 48'.

Stat. Auth.: ORS 184.616, 184.619, 377.710, 377.729, 377.753

Stats. Implemented: ORS 377.710, 377.720, 377.750, 377.767

## 734-060-0175

### Temporary Signs

(1) This rule is enacted pursuant to ORS 377.735 regarding the permit exemption for temporary signs and in furtherance of the Oregon Motorist Information Act (OMIA, 377.700 through 377.840 and 377.992).

(2) Location generally. A temporary sign may be erected outside of state highway right of way, within view of a state highway, subject to the requirements of the local jurisdiction and the OMIA. A sign that complies with all the provisions of ORS 377.735(1)(b) may be erected without prior approval of the Department. A sign that requires a variance to comply must obtain that variance before erecting the sign. The Department may, at its discretion, retroactively grant a variance.

(3) The entire message must be contained on one sign. Fragmentation of messages on separate sign panels is prohibited.

(4) Changes in copy or location. For the sake of the time limits described in ORS 377.735(1)(b), the following will be considered one sign:

(a) The same sign structure, regardless of copy, moved less than 600 feet from a former site; or

(b) A different sign structure, regardless of copy, in approximately the same location as another sign that was removed.

(5) Variance Procedure.

(a) A variance request must be in writing on a form provided by the Department. The request must be sent to the Outdoor Advertising Sign Program. There is no fee for a variance.

(b) A variance request must describe the specific location including:

(A) Name or number of highway;

(B) Side of highway; and

(C) Approximate milepoint, distance from a known highway feature (e.g. an intersection), or physical address.

(c) A variance request must describe the reason that constitutes good cause to grant the variance. If a reason is the amount of copy itself,

requester must include the proposed copy. The Department may consider the amount, not the substance, of the copy.

(d) The request must include the name and mailing address of the requester. If the requester wants the Department to be able to make contact in any other way, such as to obtain supplemental information to process the request, requester may also include that contact information. The requester will be considered a sign owner for the sake of violation of sign laws.

(e) The request must include the date the sign will be posted and the date it will be removed so as to comply with the time limits to qualify for the exemption.

(f) Requester must certify that he or she:

(A) Has permission from the person in control of the property to post the sign;

(B) Will comply with all requirements of the local jurisdiction;

(C) Will not pay or receive any form of compensation for posting the sign; and

(D) Will comply with all requirements of the OMIA.

(g) The Department must grant or deny the request within 14 days after the Outdoor Advertising Sign Program receives it. The Department may deny applicant's variance request due to lack of required information; the applicant may re-submit the request. If the Department denies a request, fails to make a decision within 14 days, or grants and later revokes a variance, the requester may request a contested case hearing. Failure of the Department to meet the time limits required by this rule does not require that the variance be granted.

(h) If the Department determines a requester provided false information, including a false certification under (3)(f), it may deny the request and revoke any variance already granted to that person or the organization the applicant represents.

(i) Variances for both size and time will not be granted to the same sign or location. The Department will not grant more than 10 variances to one requester or organization for the same period of time.

(6) Specific Variance Criteria.

(a) Variance for size. The Department may grant a variance for size up to 32 square feet per side of a back-to-back sign. Good cause to grant a size variance may include, but is not limited to the following:

(A) Due to highway speed, width of right of way, topography, or other similar reasons beyond the applicant's control, the sign copy will not be legible to motorists if the sign is 12 square feet or less;

(B) Due to the amount of copy on the sign, the copy will not be legible to motorists if the sign is 12 square feet or less; or

(C) The sign was manufactured before the 12/13/2001 change in administrative rules regarding exempt signs, and the sign continues to comply with those former rules.

(b) Variance for time. The Department may grant a variance for time up to a total of 90 continuous days in a calendar year. The Department may grant the variance for good cause shown. Good cause may include, but is not limited to, a showing that:

(A) The applicant is attempting to obtain an outdoor advertising sign permit for the sign but will be unable to complete the application process within 60 days;

(B) Due to conditions of the land, weather, or similar reasons beyond requester's control, requester will be unable to remove the sign within 60 days.

(7) Prohibitions and penalties.

(a) Other than official traffic control devices, signs are prohibited in state highway right of way. Accessing a sign or sign site by crossing access-controlled right of way is prohibited. Violations of this rule are subject to ORS 377.725(9) and any other removal or penalty provision under law. Signs in or overhanging state highway right of way may be removed pursuant to ORS 377.650 and OAR 734-060-0060 to 734-060-0070.

(b) Signs outside of right of way are subject to the removal procedures of ORS 377.775, and the penalty provisions of ORS 377.992 as well as any other penalty provision under law.

(c) If the sign or site has been accessed from access-controlled right of way, or the sign has been placed in or overhanging right of way, the Department may revoke any variance for that sign, by that requester, or by the represented organization. The Department may deny any subsequent variance request for that sign, by that requester, or by that organization at any location. If the Department discovers multiple violations of (a) above, it may file for an injunction under ORS 374.415.

(8) Signs erected under this rule are subject to the provisions of ORS 377.720 and to all applicable state and federal requirements.

## 734-060-0190

### Illuminated, Digital, or LED Signs Other than Outdoor Advertising Signs

(1) By statute, all signs visible to state highways are subject to state sign prohibited sign and safety regulations. No signs visible to a state highway, other than official traffic control signals or devices, may include moving or rotating parts or lights. Signs may not be made to resemble an official traffic signal or device and they may not have lights that project onto the roadway or impede the sight of traveling motorist.

(2) In interpreting ORS 377.715 and 377.720, signs visible to a state highway, other than official traffic control signals or devices, may not:

- (a) Be illuminated by flashing lights or a light that varies in intensity;
- (b) Have a display surface that creates the appearance of movement;
- (c) May not operate at a brightness level of more than 0.3 foot-candles over ambient light, nor intensity greater than the luminance indicated in the table 1, as measured perpendicular to the face of the billboard at the indicated measurement distance for a designated sign dimension: [Table not included. See ED. NOTE.]

(3) Newly constructed signs visible to a state highway, other than official traffic control signals or devices, must be:

- (a) Equipped with a light sensor that automatically adjusts the intensity of the sign illumination according to the amount of ambient light, and;
- (b) Designed to freeze the display in one static position, display a full black screen or turn off in the event of a malfunction.

[ED. NOTE: Tables referenced are available from the agency.]

### Health Licensing Office, Board of Direct Entry Midwifery Chapter 332

**Rule Caption:** Requirement that LDM's must disclose whether they've obtained the initial legend drugs and devices training.

**Adm. Order No.:** DEM 1-2014(Temp)

**Filed with Sec. of State:** 12-31-2014

**Certified to be Effective:** 1-2-15 thru 6-27-15

**Notice Publication Date:**

**Rules Amended:** 332-015-0030, 332-025-0020, 332-025-0110

**Subject:** During analysis and alignment of statutes and HB 2997 the Health Licensing Office (HLO) found that the Board of Direct Entry Midwifery (Board) does not have authority to require education and training for the initial Legend Drugs and Devices upon application of an initial license. Prior to January 1, 2015 it was required that at the time of application the applicant provide proof of completing the 40 hours of legend drugs and devices training. As of January 1, 2015 completion of the initial legend drugs and devices training is not required until annual renewal of a license.

The temporary rule requires each licensed direct entry midwife disclose to each patient whether or not they have received the initial legend drugs and devices training. The rule also requires the disclosure is documented within the patient records of care.

The Board and HLO are encouraging applicants to obtain the 40 hours of initial Legend Drugs and Devices Training prior to application and submit proof of completion at time of application which will be filed with annual renewal records.

**Rules Coordinator:** Samantha Patnode—(503) 373-1917

## 332-015-0030

### Application Requirements Direct Entry Midwifery License

An individual applying for licensure to practice direct entry midwifery must:

- (1) Meet the requirements of OAR 331 division 30.
- (2) Submit a completed application form prescribed by the agency, which must contain the information listed in OAR 331-030-0000 and be accompanied by payment of the required application and license fees.
- (3) Submit current certification in cardiopulmonary resuscitation for adults, neonates and infants.
- (4) Submit a written plan for emergency transport for mother or newborn pursuant to OAR 332-025-0020.

(5) Submit satisfactory evidence of having current CPM credential from NARM; and

(6) Pursuant to ORS 687.420, participation as an assistant at 25 deliveries, 25 deliveries for which the applicant was the primary birth attendant, participation in 100 prenatal care visits, 25 newborn examinations, and 40 postnatal examinations. The applicant must have provided continuity care for at least 10 of the primary birth attendant deliveries, including four prenatal visits, one newborn examination and one postpartum exam. Of these 50 births, at least 25 deliveries must have taken place in an out-of-hospital setting and 10 births must have occurred within the two years or 24 months preceding the date of application.

(7) If there is more than one birth attendant present at the same birth, the birth attendants must designate which birth attendant is primary.

(8) If the applicant received the initial Legend Drugs and Devices Training within 12 months of applying for licensure the applicant must submit proof of receiving the training on a form prescribed by the agency.

(9) If the applicant has not received the initial Legend Drugs and Devices Training at the time of application this information must be disclosed to each patient on the patient disclosure form required under OAR 332-025-0020.

### General Practice Standards

Pursuant to ORS 687.480, licensees must comply with the following practice standards when, advising the mother and in rendering antepartum, intrapartum and postpartum care.

(1) A licensee must include the designation LDM after the licensee's name when completing birth certificates; and

(2) As a condition of license renewal, licensees must participate in peer review meetings in their regions or in conjunction with professional organization meeting(s), which must include, but are not limited to, the discussion of cases and obtaining feedback and suggestions regarding care. Documentation must be made on forms approved by the board. Licensees must participate in peer review according to the following schedule:

(a) Once per year if the licensee served as the primary birth attendant at 40 or fewer births during the license year; or

(b) Twice per year if the licensee served as the primary birth attendant at more than 40 births during the license year.

(c) For the purpose of reporting peer review, if there is more than one birth attendant present at the same birth, the birth attendants must designate which birth attendant is primary.

(d) If a licensee has not attended any births, participation in peer review is not required. Licensee must attest to not having attended any births on a form prescribed by the agency.

(3) In accordance with ORS 687.480 and 687.493 a licensee must maintain equipment necessary to: assess maternal, fetal and newborn well being; maintain aseptic technique; respond to emergencies requiring immediate attention; and to resuscitate mother and newborn when attending an out-of-hospital birth.

(4) A licensee must dispose of pathological waste resulting from the birth process in accordance with the Department of Human Services Public Health Division under OAR 333 Division 056. Provisions include:

(a) Incineration, provided the waste is properly containerized at the point of generation and transported without compaction to the site of incineration; or

(b) Burial on private property if burial of human remains on such property is not prohibited or regulated by a local government unit at the designated site.

(5) Licensees must dispose of biological waste materials that come into contact with blood and/or body fluids in a sealable plastic bag (separate from sealable trash or garbage liners) or in a manner that protects the licensee, mother, baby, and others who may come into contact with the material during disposal. Biological wastes may also be incinerated or autoclaved in equipment dedicated to treatment of infectious wastes.

(6) Licensees must dispose of sharps that come into contact with blood or bodily fluids in a sealable, (puncture proof) container that is strong enough to protect the licensee, mother, baby and others from accidental cuts or puncture wounds during the disposal process.

(7) Sharps must be placed into appropriate containers at the point of generation and may be transported without compaction to a landfill having an area designed for sharps burial or transported to an appropriate health care facility equipped to handle sharps disposal, provided the lid of the con-

# ADMINISTRATIVE RULES

tainer is tightly closed or taped to prevent the loss of content and the container is appropriately labeled.

(8) Licensees must maintain a “patient disclosure form” providing current and accurate information to prospective clients. Licensees must provide the mother with this information. This statement must include, but is not limited to:

- (a) Philosophy of care;
- (b) Midwifery training and education;
- (c) Clinical experience;
- (d) Services provided to mother and baby;
- (e) Types of emergency medications and equipment used if appropriate;

(f) Responsibilities of the mother and her family;

(g) Fees for services including financial arrangements;

(h) Malpractice coverage;

(i) Risk assessment criteria as listed in OAR 332-025-0021;

(j) Whether the licensee has obtained the 40 hours of initial Legend Drugs and Devices Training required under OAR 332-020-0010; and

(k) Signature of mother and date of signature documenting discussion and receipt of patient disclosure form.

(9) A licensee must maintain a plan for emergency transport and must discuss the plan with the mother. The plan must include, but is not limited to:

- (a) Place of transport;
- (b) Mode of transport;
- (c) Provisions for hospital and physician support including location and telephone numbers; and
- (d) Availability of private vehicle or ambulance including emergency delivery equipment carried in the vehicle.

(10) Signature of mother and date of signature documenting discussion of emergency transport plan must be placed in the mother’s record.

(11) A licensee must maintain complete and accurate written records documenting the course of midwifery care as listed under OAR 332-025-0110.

(12) A licensee must maintain current certification in cardiopulmonary resuscitation for adults and infants and current certification in neonatal resuscitation.

(13) All births must be registered with the Department of Human Services Vital Records Section, as provided in ORS Chapter 432.

## 332-025-0110

### Records of Care Practice Standards

(1) The LDM must maintain complete and accurate records of each mother and baby.

(2) Records mean written documentation, including but not limited to:

- (a) Midwifery care provided to mother and baby;
- (b) Demographic information;
- (c) Medical history;
- (d) Diagnostic studies and laboratory findings;
- (e) Emergency transport plan defined under OAR 332-025-0020;
- (f) Informed consent and risk information documentation under OAR 332-025-0120;

(g) Health Insurance Portability and Accountability Act (HIPAA) releases;

(h) Description of the reasoning for transfer of care defined under OAR 332-025-0021 of the mother and baby;

(i) Documentation of all consultations and recommendations from health care providers as defined under OAR 332-015-0000;

(j) Documentation of all consultations and recommendations regarding non-absolute risk factors from Oregon licensed health care providers as defined under OAR 332-025-0021;

(k) Documentation of any declined procedures under OAR 332-025-0022;

(l) Documentation of termination of care under OAR 332-025-0130; and

(m) Documentation that the patient disclosure form, including information regarding completion of the 40 hours of initial Legend Drugs and

Devices Training, has been received by the mother under OAR 332-025-0020.

(3) Records must be maintained for no less than seven years. All records are subject to review by the agency.

(4) All records must be legibly written or typed, dated and signed.

(5) All records must include a signature or initial of the LDM.

\*\*\*\*\*

**Rule Caption:** Align rules with legislative changes including mandatory licensing, continuing education and traditional midwife requirements.

**Adm. Order No.:** DEM 2-2014

**Filed with Sec. of State:** 12-31-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 11-1-2014

**Rules Adopted:** 332-015-0025, 332-025-0125

**Rules Amended:** 332-015-0000, 332-015-0030, 332-020-0000, 332-020-0010

**Rules Repealed:** 332-015-0070, 332-030-0000

**Subject:** During the 2013 Legislative Session House Bill 2997 passed requiring mandatory licensure for direct entry midwives as of January 1, 2015 unless the individual met one of the statutory exemptions including the traditional midwifery exemption. As part of their statutory exemption a traditional midwife may perform direct entry midwifery services if a disclosure statement is provided to each patient on a form prescribed by the Board of Direct Entry Midwifery. The disclosure statement must include but is not limited to the person stating they do not possess a professional license issued by the state; the person’s education and qualification have not been reviewed by the state; that the person is not

authorized to carry and administer potentially lifesaving medications.

HB 2997 also requires all applicants for licensure must be a certified professional midwife through the North American Registry of Midwives (NARM).

Align rules with statutory authority to allow for continuing education for legend drugs and devices upon renewal rather than a requirement for initial licensure. Increase the number of standard continuing education hours from 30 hours to 35 hours every two years and allow licensed direct entry midwives to obtain continuing education hours from online sources.

**Rules Coordinator:** Samantha Patnode—(503) 373-1917

## 332-015-0000

### Definitions

The following definitions apply as used in OAR 332-015-0000 through 332-030-0000.

(1) “Agency” means the Oregon Health Licensing Agency. The agency is responsible for the budget, personnel, performance-based outcomes, consumer protection, fee collection, mediation, complaint resolution, discipline, rulemaking and record keeping.

(2) “Antepartum” means the period of time before the onset of labor.

(3) “Board” means, pursuant to ORS 687.470, the entity that advises the agency on matters relating to the practice of direct entry midwifery, and determines practice standards, education and training, and provides consultation to the agency on all disciplinary issues in accordance with ORS 687.405 to 687.495.

(4) “Baby” means the fetus and the newborn.

(5) “Consultation” means a dialogue for the purpose of obtaining information or advice from a health care provider by phone, written notes, or in person, which may include, but is not limited to identification of and recommendation regarding management of maternal or fetal conditions.

(6) “Fetal distress” is a condition in which the fetus demonstrates progressive and irresolvable clinical signs of compromise, which may include, but are not limited to, abnormal fetal movement; loss of heart tone variability; non-reassuring fetal heart rate deceleration patterns such as late decelerations; and non-reassuring changes in fetal heart baseline rate.

(7) “Informed Consent” means the consent obtained following a thorough and easily understood explanation of the information to the mother or

# ADMINISTRATIVE RULES

the mother's guardian. Refer to OAR 332-025-0120. Informed consent used in OAR 332-025-0125 does not apply to this definition.

(8) "Intrapartum" means the period of time from the onset of labor through the birth of the placenta.

(9) "LDM" means licensed direct entry midwife.

(10) "MANA" means the Midwives Alliance of North America.

(11) "MEAC" means the Midwifery Education and Accreditation Council.

(12) "NARM" means the North American Registry of Midwives.

(13) "Peer review" means the discussion of cases with other health care providers and students for the purpose of obtaining and providing suggestions regarding care.

(14) "Postpartum" means the period of time immediately after and up to eight weeks following the birth of the baby.

(15) "Prenatal" means the period of time from conception to the onset of labor.

(16) "Primary birth attendant" means the midwife who assumes direct responsibility for mother and baby care.

(17) "Sharps" means items that includes needles, intravenous tubing with needles attached, scalpel blades, lancets, glass tubes that could be broken during handling and syringes that have been removed from their original sterile containers.

(18) "Traditional Midwife" Pursuant to ORS 687.415 an individual who is acting as a traditional midwife, does not use legend drugs and devices, does not advertise as a midwife, and provides the required disclosures to clients may practice direct entry midwifery in this state without a license to practice direct entry midwifery.

### Direct Entry Midwifery License

(1) A direct entry midwife, licensed under ORS 687.420, may perform direct entry midwifery services defined under 687.405.

(2) A direct entry midwife license is good for one year and becomes inactive on the last day of the month one year from the date of issuance.

Stat. Auth.: ORS 676.615, 676.616, 687.410, 687.415, 687.420, 687.425, 687.445, 687.480 & 687.493

## 332-015-0030

### Application Requirements Direct Entry Midwifery License

An individual applying for licensure to practice direct entry midwifery must:

(1) Meet the requirements of OAR 331 division 30.

(2) Submit a completed application form prescribed by the agency, which must contain the information listed in OAR 331-030-0000 and be accompanied by payment of the required application and license fees.

(3) Submit current certification in cardiopulmonary resuscitation for adults, neonates and infants.

(4) Submit a written plan for emergency transport for mother or newborn pursuant to OAR 332-025-0020.

(5) Submit satisfactory evidence of having current CPM credential from NARM; and

(6) Pursuant to ORS 687.420, participation as an assistant at 25 deliveries, 25 deliveries for which the applicant was the primary birth attendant, participation in 100 prenatal care visits, 25 newborn examinations, and 40 postnatal examinations. The applicant must have provided continuity care for at least 10 of the primary birth attendant deliveries, including four prenatal visits, one newborn examination and one postpartum exam. Of these 50 births, at least 25 deliveries must have taken place in an out-of-hospital setting and 10 births must have occurred within the two years or 24 months preceding the date of application.

(7) If there is more than one birth attendant present at the same birth, the birth attendants must designate which birth attendant is primary.

(8) If the applicant received the Initial Legend Drugs and Devices Training within 12 months of applying for licensure the applicant must submit proof to receiving the training on a form prescribed by the agency. The applicant is not required to attest to having taken the Initial Legend Drugs and Devices Training upon first renewal pursuant to OAR 332-020-0010(10).

### License Issuance and Renewal

(1) LICENSING: A licensee is subject to the provisions of OAR chapter 331, division 30 regarding the issuance and renewal of a license, and provisions regarding authorization to practice, identification, and requirements for issuance of a duplicate license.

(2) LICENSE RENEWAL: To avoid delinquency penalties, license renewal must be made prior to the license entering inactive status. The licensee must submit the following:

(a) Renewal application form;

(b) Payment of required renewal fee;

(c) Attestation of having obtained required continuing education under OAR 332-020-0010, on a form prescribed by the agency, whether license is current or inactive.

(d) Evidence of current certification in cardiopulmonary resuscitation for adults and infants;

(e) Evidence of current certification in neonatal resuscitation;

(f) Evidence of having completed peer review documented on a form prescribed by the agency pursuant to OAR 332-040-0000; and

(g) Submit a copy of individual MANAstats practice report pursuant to OAR 332-020-0017.

(3) INACTIVE LICENSE RENEWAL: A license may be inactive for up to three years. When renewing after entering inactive status, the licensee must submit the following:

(a) Renewal application form;

(b) Payment of delinquency and license fees pursuant to OAR 332-020-0020;

(c) Attestation of having obtained required continuing education under OAR 332-020-0010, on a form prescribed by the agency, whether license is current or inactive.

(d) Evidence of current certification in cardiopulmonary resuscitation for adults and infants;

(e) Evidence of current certification in neonatal resuscitation; and

(f) Evidence of having completed peer review on a form prescribed by the agency pursuant to 332-025-0020.

(g) Submit a copy of individual MANAstats practice report pursuant to OAR 332-020-0017.

(4) EXPIRED LICENSE: A license that has been inactive for more than three years is expired and the licensee must reapply and meet the requirements listed in OAR 332-015-0030.

Stat. Auth.: ORS 676.605, 676.615, 687.420, 687.425, 687.430, 687.485 & 687.493

Stats. Implemented: ORS 676.605, 676.615, 687.420, 687.425, 687.430, 687.485 & 687.493

Hist.: DEM 1-1993(Temp), f. & cert. ef. 12-22-93; DEM 1-1994, f. & cert. ef. 6-15-94; DEM 1-2001(Temp), f. & cert. ef. 10-1-01 thru 3-29-02; DEM 1-2002, f. 2-25-02 cert. ef. 3-1-02; DEM 1-2004, f. 6-29-04, cert. ef. 7-1-04; DEM 1-2008, f. 9-15-08 cert. ef. 10-1-08; DEM 5-2010, f. 12-30-10, cert. ef. 1-1-11; DEM 5-2011, f. & cert. ef. 9-26-11; DEM 2-2014, f. 12-31-14, cert. ef. 1-1-15

## 332-020-0010

### Continuing Education

(1) Standard Continuing Education Renewal Requirements: To maintain licensure an LDM must complete 35 clock hours of continuing education related to services listed in ORS 687.405, cultural competency, patient charting, ethics, communication, or professional development every two years from the date of initial licensure and every two years thereafter.

(2) Legend Drugs and Devices Initial Continuing Education: Upon first renewal or to purchase and administer legend drugs and devices an LDM must successfully complete the 40 clock hours of instruction in an approved legend drugs and devices program approved by the Board. The program is composed of theory, hands-on practice, and skills testing for competency which must include the following:

(a) Eight clock hours in Pharmacology covering drugs listed in ORS 687.493, OAR 332-026-0010 and 332-026-0020;

(b) Four clock hours of administration of medications through injection;

(c) Four clock hours in advanced treatment of shock;

(d) 10 clock hours in intravenous therapy;

(e) Four clock hours in neonatal resuscitation; and

(f) 10 clock hours in suturing.

(3) Legend Drugs and Devices Continuing Education Renewal Requirements: To maintain licensure an LDM must complete eight and a half clock hours of legend drugs and devices (LDD) continuing education,

# ADMINISTRATIVE RULES

every two-years and attest on renewal application. The LDD continuing education must include components listed under subsection (1) of this rule with the exception of neonatal resuscitation which is required for annual renewal. Components must include the following:

- (a) One hour in pharmacology;
- (b) One half hour in administration of medications through injection;
- (c) One hour in advanced treatment of shock;
- (d) Three hours in intravenous therapy; and
- (e) Three hours in suturing.

(4) In accordance with ORS 687.425 a licensee who has attended fewer than five births in the previous year is required to take an additional ten hours of continuing education in subjects listed in subsection (1)(a)(A) of this rule during the next annual renewal cycle.

(5) Continuing Education listed in subsection (1) or (3) may be obtained through online courses, attendance at lectures, sessions, courses, workshops, symposiums seminars or other presentations offered by:

- (a) Institutions or programs accredited by a federally recognized accrediting agency;
- (b) Institutions or programs approved by an agency within the Oregon Higher Education Coordinating Commission;
- (c) An organization offering continuing medical education opportunities, including but not limited to, Accreditation Council for Continuing Medical Education, MEAC accredited or pre-accredited schools and the Oregon Midwifery Council.

(d) Any additional board approved professional organization, or association, hospital, or health care clinic offering continuing education related to subject matter listed in (1) or (2) of this rule.

(6) Continuing education relating to subject matter listed in subsection (1) of this rule may also be obtained through research, authorship or teaching, provided that no more than half the required hours be in research, authorship or teaching.

(7) Up to nine clock hours of continuing education relating to subject matter listed in subsection (1) of this rule may be completed through self-study. Documentation substantiating the completion of continuing education through self-study must be submitted on forms provided by the agency and must include the following:

(a) Name of sponsor or source, type of study, description of content, date of completion, and duration in hours in accordance with subsection (8) of this rule;

(b) Name of approved correspondence courses or national home study issues;

(c) Name of publications, textbooks, printed material or audiocassette's, including date of publication, publisher, and ISBN identifier; and

(d) Name of films, videos, or slides, including date of production, name of sponsor or producer and catalog number.

(8) Obtaining and maintaining proof of participation in continuing education is the responsibility of the licensee. The licensee must ensure that adequate proof of attainment of required continuing education is available for audit or investigation or when otherwise requested by the agency. Adequate proof of participation is listed under OAR 332-020-0015(3).

(9) Documentation of participation in continuing education requirements must be maintained for a period of two years following renewal, and must be available to the agency upon request.

(10) Hours of continuing education that are obtained in excess of the minimum requirements listed in this rule will not be carried forward as credit for the subsequent license renewal reporting cycle.

(11) For the purpose of this rule continuing education must include periods of continuous instruction and education, not to include breaks, rest periods, travel registration or meals.

(12) A copy of Board-approved curriculum objectives for LDD program is available at the Health Licensing Office or on the office website at <http://www.oregon.gov/ohla/Pages/index.aspx>. Payment of administrative fees may be required. Refer to OAR 331-010-0030 for applicable public record request fees.

## 332-025-0125

### Disclosure for Patients of Traditional Midwives

(1) Pursuant to ORS 687.415 an individual who is acting as a traditional midwife, does not use legend drugs and devices, does not advertise

as a midwife, and provides the required written disclosures to clients, may practice direct entry midwifery in this state without a license to practice direct entry midwifery.

(2) Pursuant to ORS 687.415 a traditional midwife is prohibited from the following:

- (a) Advertising that the person is a midwife; and
- (b) Use of legend drugs and devices pursuant to ORS 687.493.

(3) A traditional midwife must disclose the following information to clients both verbally and in writing when the mother initially comes into care using a Board adopted form that is located on the Office's website at <http://www.oregon.gov/OHLA/DEM/pages/index.aspx>:

(a) That the person does not possess a professional license issued by the state;

(b) That the person's education and qualification have not been reviewed by the state;

(c) That the person is not authorized to carry and administer potentially lifesaving medications;

(d) That the risk of harm or death to a mother or newborn may increase as a result of the information described ORS 687.415(2)(b)(C) (i) and (ii);

(e) A plan for transporting the client to the nearest hospital, as defined in ORS 442.015, if a problem arises during labor or childbirth;

(f) That the client will not have recourse through a complaint process;

(g) The types of midwives who are licensed by the state; and

(h) Signature from the patient that they have been given the information both in writing and verbally.

(4) The traditional midwife must also obtain a patient signature when the mother initially comes into care on the Board's adopted form containing the information described in subsection (3). A traditional midwife must retain a copy of the signed form in the patient record and make it available to HLO upon request.

## Higher Education Coordinating Commission Chapter 715

**Rule Caption:** Creates single teacher registration scheme for career schools. Creates new rule for competency schools.

**Adm. Order No.:** HECC 6-2014

**Filed with Sec. of State:** 12-18-2014

**Certified to be Effective:** 12-18-14

**Notice Publication Date:** 9-1-2014

**Rules Adopted:** 715-045-0220

**Rules Amended:** 715-045-0012, 715-045-0200

**Subject:** Corrects references in OAR 715-045-0012 and clarifies language in OAR 715-045-0012 and 715-045-0200.

Transfers requirements for obtaining a cosmetology teacher registration and cosmetology school teacher training program requirements from OAR 715-045-0200 to 715-045-0012. Eliminates requirement that cosmetology school teachers obtain 30 hours of commission-approved continuing education units every three years. Transfers competency-based cosmetology school requirements from OAR 715-045-0200 and places them into a new rule, OAR 715-045-0220.

Amends career school teacher provisions of OAR 715-045-0012 to create a unified scheme for overseeing and registering individuals teaching in licensed career schools. Establishes that registrations issued to career school teachers will expire after three years and must be renewed.

Directs career schools to provide notice to the commission if the school has employed a substitute teacher within 14 days of hiring the substitute teacher.

**Rules Coordinator:** Kelly Dickinson — (503) 378-5690

## 715-045-0012

### Personnel

(1) A career school shall establish, publish, and enforce specific written policies that set standards for the staff's:

- (a) Professional performance and conduct;
- (b) Evaluation; and

# ADMINISTRATIVE RULES

(c) Continuing education.

(2) Career schools shall employ as teachers only those individuals who are registered with the Commission and who meet the applicable requirements of this rule. All applications for teacher registration shall:

- (a) Be recorded on forms provided by the Commission;
- (b) Indicate the specific subjects the prospective teacher will teach;
- (c) Be signed by the prospective teacher and a director at the school;

and

(d) Be accompanied by relevant official transcripts, letters, and documents that confirm that the teacher meets the minimum requirements listed in subsections (3) and (4) of this rule.

(3) Individuals applying for registration as career school teachers must:

(a) Be at least 18 years of age.

(b) Hold all licenses, permits, certificates, or other credentials, as well as successfully pass any examinations, required for employment in the field in which the applicant proposes to prepare students to enter by the state in which the school is located. In limited circumstances, the Executive Director may grant a waiver from this requirement upon receipt of a written request from the school showing that a credential issued by another state would be accepted as an equivalent by the state in which the school is located.

(c) Have graduated from high school as evidenced by a photocopy of the applicant's high school diploma, a high school transcript indicating graduation, or a foreign equivalent. As an alternative, the applicant may show evidence of a General Education Development (GED) certificate. The Executive Director may grant a waiver to this requirement if the applicant provides a postsecondary degree or diploma, or a transcript indicating graduation, from a postsecondary program which would typically require completion of high school, or an equivalent course of study, as a condition of admission.

(d) Have a minimum of one year of work experience and one year of combined training and work experience, for a total of two years of work experience and training within the past five years. If a credential or qualifying examination is required for employment in the field by the state in which the school is located, the applicant must have at least one year of experience as a credentialed worker in that field. The amount of work experience must equal either 1,875 hours in a single year or 3,750 hours in the past four years.

(e) Pay the applicable registration fee specified in OAR 715-045-0007.

(f) Notwithstanding the work experience and training requirement specified in paragraph (c) of this subsection, an applicant applying for registration to teach hair design, barbering, esthetics, nail technology, or some other cosmetology field or area of practice at a career school offering cosmetology programs may qualify to teach by completing a commission-approved:

(A) 1,000 hour cosmetology teacher training program offered by a licensed career school, if the applicant possess a valid credential from the Health Licensing Office; or

(B) 200 hour cosmetology teacher training program, if the applicant taught hair design, barbering, esthetics, nail technology, or some other cosmetology field or area of practice in another state whose licensing requirements are less than those established by the State of Oregon, or if the applicant's commission-issued teacher registration expired three or more years ago.

(4) Career schools offering programs in hair design, barbering, esthetics, nail technology, or some other cosmetology field or area of practice may use individuals who are not registered teachers for the purpose of providing specialty training on behalf of a product manufacturer or supplier. Such specialty trainers, also known as resource persons, may not provide more than a total of:

(a) 340 hours of instruction in a hair design program;

(b) 270 hours of instruction in a barbering program;

(c) 100 hours of instruction in an esthetics program; or

(d) 100 hours of instruction in a nail technology program.

(5)(a) In emergency situations, not to exceed three months, schools may hire substitute teachers who are the best-qualified persons available. Under no circumstances shall students be allowed to substitute as approved teachers.

(b) Within 14 days of hiring a substitute teacher, a career school must provide written notice to the commission. The notice must include, at a minimum, the substitute teacher's name, telephone number, mailing address, and e-mail address, as well as a list of the programs and courses the substitute teacher will teach and, if applicable, copies of the substitute

teacher's credentials. (6) If a school utilizes any form of teacher assistants, aides, or trainees, it shall establish and maintain policies that set forth qualifications, duties, procedures for use of these personnel, and maintain a copy of these policies for review by the commission. Teacher assistants, aides, or trainees:

(A) May not be used as substitutes or replacements for regular teachers;

(B) Must work under the direct supervision of a registered teacher; and

(C) May evaluate students only under direct supervision of a registered teacher.

(7)(a) The school shall have and implement written policies to promote improvement of teacher competency in their fields and in levels of performance in their teaching assignments. A recommended minimum for continuing education is 30 hours during each three-year period.

(b) If a credential or qualifying examination is required for employment in a field by the state in which the school is located, then a registered teacher preparing students to enter that field must comply with any applicable continuing education requirements.

(c) Notwithstanding paragraph (b) of this subsection, registered teachers who teach hair design, barbering, esthetics, nail technology, or some other cosmetology field or area of practice at a career school offering cosmetology programs must complete a minimum of 30 hours of commission-approved continuing education three years after the date their registration was issued or reissued.

(8) Teacher registrations shall expire three years after the date the registration was issued. To renew a teacher registration, a registered teacher must submit a completed teacher registration form to the commission accompanied by:

(a) The applicable registration fee specified in OAR 715-045-0007;

(b) Evidence that the teacher has satisfied any applicable continuing education requirements;

(c) If applicable, evidence that the teacher possesses a valid credential required by the state in which the school is located for employment in the field the teacher is preparing students to enter; and

(d) A listing of the career schools where the registered teacher has taught during the previous three years, as well as the programs and courses taught by the teacher.

(9) School directors must have at least two years of experience in school or business administration, teaching, or other experience directly related to their duties within the school's organization. The experience must have been obtained within the last five years. Part-time experience will be allowed if the total hours equal the equivalent of two years of full-time experience. Full-time work experience is a minimum of 1,875 hours per year (37.5 hours per week times 50 weeks). Qualified persons who do not meet the criteria in section (12) of this rule may be appointed as directors with prior approval by the Superintendent and with a letter as required in subsection (12)(c) of this rule.

(10) Owners and directors, administrators, agents, supervisors, and instructors (hereinafter collectively "employees") subject to registration, licensure, or approval pursuant to ORS 345.010 to 345.450 are subject to suspension, revocation, or other discipline if the employee:

(a) Is charged with knowingly making any false statements in the application for a license, registration, or approval;

(b) Is charged with gross neglect of duty; or

(c) Is charged with gross unfitness.

(11) Gross neglect of duty is any serious and material inattention to or breach of professional responsibilities. The following acts constitute gross neglect of duty:

(a) Knowing falsification of any document or knowing misrepresentation directly related to licensure, employment, or professional duties;

(b) Substantial deviation from professional standards of competency;

(c) Violation of any ethical standard contained in OAR 715-045-0012(13);

(d) Engaging in acts in violation of laws or rules applicable to the profession;

(e) Failure or refusal to respond to questions, to provide information, or to furnish documents to a Department of Education representative pursuant to review, assessment, or investigation; or

(f) Any other statement or act or omission not consistent with personal integrity, ethics, or honesty.

(12) Gross unfitness is any conduct that renders an owner or employee unqualified to perform duties. The following acts constitute gross unfitness:

# ADMINISTRATIVE RULES

(a) Convictions of a crime or offense specified in subsection (13) of this rule or engaging in such wrongful acts even in the absence of a conviction;

(b) Commission of fraud, misrepresentation, or deceit;

(c) Commission of unfair, deceptive, or unlawful trade practices as defined in the Oregon Unlawful Trade Practices Act.

(13) No licensed school shall be owned by or employ an individual who is not of good moral character and reputation.

(a) Upon review by the Department, the Superintendent may find a person not to be of good moral character and reputation when the person:

(A) Has been convicted of a felony or a misdemeanor that involves the illegal use, sale or possession of a controlled substance, or that involves any sexual offense, or any violent offense;

(B) Has been convicted of an offense involving fraud or misrepresentation, or has committed fraud, misrepresentation, or deceit or has committed unfair, deceptive, or unlawful trade practices regulated by the Oregon Unlawful Trade Practices Act (ORS 646.605–646.652), or

(C) Is currently subject to suspension or revocation of a commission-issued license or registration.

(b) The Executive Director shall not make a finding that a person is not of good moral character and reputation solely for the reason that the person has been convicted of a crime, but shall consider the relationship of the facts that support the conviction and all intervening circumstances as they relate to the specific occupational standards and requirements; and

(c) If the prospective employee has been convicted of a crime listed in subsection (13) of this rule, the Executive Director shall request a letter of recommendation from the employing school and the individual's most recent employer, parole officer, or other appropriate professional source. The Superintendent shall fully consider such recommendation along with all other supporting materials submitted by the prospective employee. The Superintendent, after reviewing submitted materials, may approve an employee registration on a probationary basis for a period not to exceed one year. Upon completion of the probationary period, if no further violation of subsection (13) has occurred, the probationary status will be removed.

(14) The school shall set minimum expectations and provide training for all instructional personnel and supervisors of instructional personnel in:

(a) Curriculum and Instruction — including the educator's competent application of:

(A) The school approved curriculum; and

(B) Effective teaching strategies; and

(b) Supervision and Evaluation of Students — including the educator's responsibility to:

(A) Record progress of individual students;

(B) Evaluate student performance; and

(C) Use effective classroom management;

(c) Ethics — including the educator's responsibility to:

(A) Know, respect, and obey all policies of the school;

(B) Exemplify personal integrity, ethics, and honesty;

(C) Keep student information confidential; and

(D) Avoid exploiting students for personal profit or advantage.

## 715-045-0200

### Barbering, Hair Design, Esthetics, and Nail Technology

In addition to OAR 581-045-0001 through 581-045-0190, schools of barbering, hair design, esthetics, and nail technology shall comply with this rule and 581-045-0210.

(1) Minimum hourly training requirements:

(a) For hair design, 1,450 hours;

(b) For barbering, 1,100 hours;

(c) For esthetics, 250 hours;

(d) For nail technology, 350 hours; and

(e) In addition to the programs listed above, students are required to successfully complete the following requirements once:

(A) Safety and sanitation, 150 hours; and

(B) Career development, 100 hours.

(2) Individual progress records must be regularly maintained for the purpose of monitoring each student's progress through the instructional program and verifying actual hours of instruction in each certifiable classification. Once a student completes the minimum hourly training requirements specified in subsection (1) of this section and the school's own program completion requirements, the school shall administer a Department-

approved written and practical exam prior to the student taking the State Board exam for licensure. The time required to take the practical exam shall be included as part of the contracted program hours included in the tuition cost.

(3) The Commission, with the assistance of a curriculum committee, will develop minimum standards for each certificated program or any combination of programs.

(4) No student shall perform any task in a clinic lab without first having achieved verifiable minimum competence. The following hours are recommended as a guideline for classroom and laboratory instruction that students should experience prior to any assignment in the clinic lab:

(a) Hair design, 160 hours;

(b) Esthetics, 40 hours;

(c) Nail technology, 40 hours; and

(d) Barbering, 100 hours.

(5) The instructional program shall determine the type of assignments students will receive in the clinic lab. Clinic lab assignments should, as nearly as possible, reflect the emphasis of the student's current and cumulative theory and laboratory experiences. Schools shall establish a minimum and maximum number of clinic activities for each type of task required in the clinic lab. These minimums/maximums should show a comparable distribution of activities reflective of industry practice. Only when students have completed the minimum in all areas can they be assigned to clinic activities in excess of the maximums.

(6) With the exception of a commission approved cosmetology teacher training program, a school shall not conduct both fixed-hour and student competency-based training programs in the same school facility concurrently unless the school is in transition from one training program to another. The Commission may set a time limit in which the transition must be completed.

(7) No school shall enroll a student wishing to transfer hours from a school of barbering, hair design, esthetics, and nail technology in Oregon or out-of-state without first receiving an official transcript properly signed or sealed directly from the previous schools. A school may admit a student on a temporary basis without receiving an official transcript. In no event should a student be considered a graduate until an official transcript from all prior schools is in the graduating school's student file. Schools shall evaluate and grant appropriate credit for any education and training students received at state regulated postsecondary schools.

(8) Schools shall validate only their own hours of instruction provided a student but not any hours provided by other schools.

(9) Upon receipt and evaluation of official transcripts from schools previously attended:

(a) Schools shall give full credit for hours earned within the last ten years; and

(b) Schools may grant credit for hours earned prior to the last ten years, if approved by the Superintendent.

(10) No school shall deny a student a record of hours earned. A record of hours does not infer or include the official transcript.

(11) The school shall have as a minimum the following staff present at all times:

(a) 1–15 students present — one approved teacher;

(b) 16–30 students present — two approved teachers; and

(c) One additional approved teacher for each additional 20 students or part thereof. Teachers must be certified in all areas they teach and supervise. When only one teacher is present at the school, clinic lab operations, and classroom instruction shall not occur simultaneously. The lone teacher shall conduct and supervise one or the other but not both concurrently. Teachers who supervise the clinic lab and/or approve student practical performance must be certified in all areas they supervise or approve;

(d) Exceptions to the student to teacher ratios in (a)–(c) may be granted for theory/lecture classes only. All hands-on practical lab and clinic lab classes are required to maintain specified staffing ratios.

(12) The minimum teaching staff, as set forth in these rules, shall not perform administrative or financial aid or any other non-instructional duties during the time that the clinic lab and classroom instruction are taking place concurrently.

(13) A teacher or student teacher shall not perform any services in the school during school hours except for teaching purposes.

(14) All services performed by students shall take place under the supervision and direction of a certified teacher.

(15) Premises shall be used during school hours only for instructing students and teacher trainees in barbering, hair design, esthetics, or nail technology.

# ADMINISTRATIVE RULES

(16) The school shall provide a minimum of 2,800 square feet of total floor space to be allocated as follows; one work station for each of the first twenty students; one additional work station for every five students in excess of twenty; and, where hair design is taught, one shampoo bowl for every five work stations. The executive director must approve any exception to this requirement. Classroom and clinic space are in compliance with OAR 715-045-0022. Schools must comply with ORS 345.240 relative to accessibility of programs for persons with handicapping conditions.

(17) The executive director may approve a facility of less than 2,800 square feet of floor space for schools if the school presents a written plan as to how the number of students will be served in the space provided. The plan must include how the school meets the entire model curriculum standards.

(18) The school shall be separated from adjoining rooms used for another business or for domestic purposes, by means of walls or substantial partitions extending from floor to ceiling; all doors leading to the school from the aforesaid adjoining rooms must be kept closed. Access to the school shall be provided by means of an outside or separate entrance, or from a public passageway in a public building.

(19) Each school shall include the names of all actively employed (full-time or part-time) approved teachers on its annual license renewal application.

(20) A licensed school of barbering, hair design, esthetics, or nail technology may offer a teacher training program if it complies with the following:

(a) Courses of teacher training for instruction in barbering, hair design, esthetics, and nail technology may be offered only in a school of hair design licensed under the provisions of ORS Chapter 345 or Mt. Hood Community College. Courses of study must be submitted to the Superintendent for approval;

(b) The Standard Course of Study shall require 1,000 hours of instruction that shall include the following:

(A) Preparation and use of lesson plans,

(B) Use of audiovisual and other instructional aids,

(C) Development and administration of tests and evaluation of test results,

(D) Evaluation and recording of student progress, and recording of attendance,

(E) Observation of practical demonstrations,

(F) Assisting with practical demonstrations,

(G) Setting up and performance of practical demonstrations, and

(H) Practice teaching.

(c) The Superintendent shall approve teacher-training programs of 200 hours for:

(A) Teachers whose certification has lapsed more than three years, and

(B) Teachers from other states whose licensing requirements are less than the minimum requirements for Oregon.

(d) The school shall:

(A) Maintain daily records of the teacher trainee's attendance, and the subject matter covered; and

(B) Conduct and record the results of periodic evaluations of each teacher trainee.

(e) The school may evaluate and give up to 500 hours credit for professional teaching experience or any academic training received in a community college or institution of higher education when that academic training contributes to achievement of the total approved Standard Course of Study. The Superintendent may grant a waiver to the 500 hour limitation if sufficient evidence is submitted;

(f) A school shall not have more than three approved teacher trainees at one time. The school shall designate who shall have the principal supervisory responsibility for the student in the teacher-training program. Each trainee, when in the clinic lab, must be under direct supervision of an approved teacher with a minimum of two years teaching experience;

(g) Teacher trainees shall evaluate students only under the direct supervision of a certified teacher; and

(h) Teacher training students must be registered with the Superintendent prior to commencement of their training.

## 715-045-0220

### Untitled

As an alternative to the minimum hourly training requirements specified in OAR 715-045-0200, a proficiency-based training program that is self-paced may be approved by the Executive Director when the school has developed written requirements which it administers for graduation including:

(1) Clearly defined student performance objectives that measure levels of performance at each level of instruction for each skill/task and knowledge required for students to successfully pass the appropriate practitioner certificate examination and successfully and safely perform on members of the public all services allowed in the certificate classifications;

(2) Individual progress records maintained for the purpose of monitoring each student's progress through the instructional program and recording/verifying actual hours of instruction and performance achievement by each student;

(3) A curriculum design, which the Superintendent determines to be comparable to the Board adopted model curriculum, showing a logical progression of academic and practical training experiences leading to the levels of student performance required for graduation and certification;

(4) The identification of specific levels of competence to be achieved by each student prior to any clinic lab experience that will ensure students have achieved sufficient skill and knowledge to successfully and safely perform assigned tasks on members of the general public;

(5) A diagnosis of each student's beginning level of competency and a prescriptive instructional program for specific competency completion with projected timelines resulting in an estimated program completion date; a copy to be given to the student on commencement of the program and on file in the student's personal file. Revisions to the prescriptive program must be based on recorded performance evaluations and as a result of school/student negotiation. Copies of revisions must be given to the student and on file in the student's academic file;

(6) Assurances that the instructional program will determine the type of assignments that students receive for the clinic lab; that, as nearly as possible, the clinic lab assignments reflect the emphasis of the student's current and cumulative theory and laboratory experiences;

(7) School catalogs and/or student enrollment agreements, that show the average time for students to complete the requirements for the various certificate programs during the previous reporting period;

(8) An annual report at the time of relicensing to the Department showing the actual total hours of instruction received by each student who has completed or left the school during the previous reporting period;

(9) Assurances that no student's competency-based prescriptive training program will be significantly altered or regulated in any way, once the student and the school administration have signed a competency-based agreement; and

(10) When the school informs a student that he/she is competent, the student may elect to leave the school with a diploma at that time or stay in school until he/she has been trained for an amount of time equal to the training hours listed in section (1) of this rule, and no additional tuition may be charged. The student shall notify the school of his/her decision within two weeks of notice of competency.

\*\*\*\*\*

**Rule Caption:** Amend civil penalty rule to reflect ORS 345.992, 345.995 and 2013 OL Ch. 643.

**Adm. Order No.:** HECC 7-2014

**Filed with Sec. of State:** 12-18-2014

**Certified to be Effective:** 12-18-14

**Notice Publication Date:** 9-1-2014

**Rules Amended:** 715-045-0190

**Subject:** In 2013, the legislative assembly amended ORS 345.005 to allow the Higher Education Coordinating Commission (commission) to retain reasonable costs related to the investigation and assessment of a civil penalty from the penalties assessed. ORS 345.995 also established factors the commission must consider when determining whether to assess a civil penalty and the amount of that penalty.

The proposed amendments will implement the provisions of ORS 345.995 which allow the commission to retain costs resulting from an investigation that leads to the assessment of civil penalties. The proposed amendments will also eliminate the tiered civil penalty structure from OAR 715-045-0190, and instead rely upon the factors

# ADMINISTRATIVE RULES

listed in ORS 345.995 when assessing a civil penalty. The proposed amendments also clarify that the commission will assess civil penalties for violations of administrative rules adopted pursuant to ORS 345.010 to 345.450, as provided in ORS 345.992.

**Rules Coordinator:** Kelly Dickinson—(503) 378-5690

## 715-045-0190 Civil Penalties

(1) Amendments to OAR 715-045-0001 through 715-045-0210 must be implemented by the schools within 90 days after the effective date of the amendments. Failure to implement rule changes within 90 days shall subject a school to civil penalties.

(2) The commission may assess a civil penalty of \$500 per violation of ORS 345.010 to 345.450, or any administrative rules adopted pursuant to 345.010 to 345.450. Before imposing a civil penalty under this subsection, the commission shall consider the factors established in 345.995.

(3) Each act in violation of ORS 345.010 to 345.450, or any administrative rules adopted pursuant to 345.010 to 345.450 shall constitute a separate violation. The imposition of penalties under this section shall be in addition to, and does not preclude the imposition of, any other penalties for the same act or conduct pursuant to any other provision of law.

(4) Failure to pay civil penalties within 30 days of the service of a final order imposing penalties, unless stayed pending appeal by subsequent order of the Executive Director or a court of competent jurisdiction, may result in revocation of license to operate a school.

(5) The commission may retain reasonable costs related to the investigation and assessment of a civil penalty from civil penalties imposed under ORS 345.995 and this section. In support of its decision to retain civil penalties, the commission shall provide an accounting of the costs incurred during its investigation and the assessment of civil penalties, including but not limited to staff time, mailing costs, and attorney fees.

\*\*\*\*\*

**Rule Caption:** Establish new student data reporting requirements for career schools.

**Adm. Order No.:** HECC 8-2014

**Filed with Sec. of State:** 12-18-2014

**Certified to be Effective:** 12-18-14

**Notice Publication Date:** 9-1-2014

**Rules Amended:** 715-045-0018

**Subject:** The Higher Education Coordinating Commission (commission) is proposing to establish new student data reporting requirements for licensed career schools. These new requirements will increase the amount of student data that career schools collect and report to the commission as part of each school's annual license renewal application. Oregon's educational goal is to ensure that by 2025 40% of Oregonians have a bachelor's degree or higher, 40% have an associate's degree or post-secondary credential, and 20% have a high school diploma. ORS 351.009. To determine the number of students being served by Oregon's licensed career schools, the number of graduates those schools are contributing to the state's so-called "middle 40 goal," and the demographics of those students, the commission must increase and improve its career school student data collection efforts. The increased data collection will also allow the state to better track students as they progress from secondary to post-secondary schools, and from postsecondary school to employment.

The proposed rule includes general provisions for protecting student data.

To reduce the regulatory burden on career schools, the proposed rule eliminates a document previously required as part of each school's enrollment process. All of the information printed on that document, aside from a statement informing students that their enrollment agreements were binding contracts, was also printed on the enrollment agreement and in the school catalog. The binding contract statement has been added to the enrollment agreement.

**Rules Coordinator:** Kelly Dickinson—(503) 378-5690

## 715-045-0018 Recordkeeping

(1) Schools must furnish each prospective student, and have evidence of receipt acknowledged by student signature at the time of enrollment, with the following items:

(a) A copy of the school's most recent catalog that complies with OAR 581-045-0019, with any supplements and correction sheets;

(b) Completion and relevant program performance measures, including but not limited to placement data, as required by accrediting agencies, or certification or state licensing examination passage rates, or placement data for students enrolled in the program for the last two years;

(c) A program outline for the program(s) in which the student may potentially enroll that details the program outcomes, broken down by course including, the core abilities and individual course competencies addressed by the program(s); and

(d) Upon request of the student, a copy of or the web address for the Oregon Revised Statutes and Oregon Administrative Rules that govern Private Career Schools.

(2)(a) At the time of enrollment, a career school shall collect the following personally identifiable information from each enrolled student:

(A) First and last name;

(B) Mailing address;

(C) County of residence;

(D) State of residence;

(E) Telephone number;

(F) E-mail address;

(G) Social Security number;

(H) Date of birth;

(I) Gender;

(J) Veterans status;

(K) Disability status;

(L) National origin; and

(M) Ethnicity or race.

(b) Schools shall use the following categories to collect students' ethnicity or race data:

(A) Hispanic or Latino;

(B) Native American or Alaskan Native;

(C) Asian;

(D) Native Hawaiian or Pacific Islander;

(E) African American; and

(F) Caucasian.

(c) If a student refuses to release his or her Social Security number, the school may assign an alternative identification number.

(d) Students must provide their own personally identifiable information. Career school personnel may not enter personally identifiable information regarding a student that was derived from personal observations.

(e) Career schools must record for the name of the program in which each student has enrolled and the date on which each student graduated, withdrew, or was expelled from the school. This information must be reported to the commission at least once each year.

(3)(a) Each career school must adopt policies and procedures, and employ adequate safeguards, to protect their students' personally identifiable information from misuse, inadvertent disclosure, or theft.

(b) Career schools may not disclose students' personally identifiable information to anyone other than:

(A) The student, or the student's parent or guardian, if the student is a minor;

(B) The Higher Education Coordinating Commission; or

(C) Other local, state, or federal officials as allowed by law.

(c) Schools shall maintain students' personally identifiable information in accordance with applicable laws, including but not limited to the Oregon Consumer Identity Theft Prevention Act, ORS 646A.600 to 646A.628, and any rules adopted pursuant to ORS 646A.600 to 646A.628.

(4) Career schools shall maintain the student information specified in subsection (2) of this section in an Excel spreadsheet, or other electronic format identified by the commission. This information must be delivered to the Commission at least once a year, and may be included with the school's license renewal application, and may be delivered on a USB drive, CD or DVD, or via other means identified by the commission.

(5)(a) Upon enrollment, the student shall receive a copy of his or her enrollment agreement, signed by the student and a school official. The enrollment agreement must include a statement, located above the signature line, informing the student that the enrollment agreement is a binding contract. The actual enrollment agreement will be retained by the school;

# ADMINISTRATIVE RULES

(b) The school shall maintain the student's signed enrollment agreement as part of the student's file.

(6) Schools shall maintain a file for each student that must include:

(a) A statement signed by the student at the time of enrollment certifying receipt of all materials indicated in sections (1) and (5) of this rule (or copies of materials where indicated);

(b) The student's actual signed enrollment agreement;

(c) A copy of the student's signed statement acknowledging receipt of any books, supplies, kits, or other substantial materials required to participate in the instructional program that are issued to the student subsequent to enrollment. The statement must be itemized, indicate the fee paid by the student for the materials (if any), and identify the date the materials were received by the student. If not all materials are issued at the same time, the student must initial the date of receipt each time materials are issued; alternatively, the materials list may contain a statement to the effect that certain indicated materials will be issued at the time of instruction when they are to be used. By initialing the statement, students acknowledge that indicated materials are to be received at a date that corresponds with the sequencing of the instructional program.

(d) If an orientation is offered by the school on or before the first day of classes, an indication of attendance signed by the student on that orientation day acknowledging that school policies and procedures were explained and student questions were answered.

(e) A copy of the student's signed payment plan if separate from the enrollment agreement;

(f) A schedule of anticipated student payments due, payments made, and copies of receipts for all payments;

(g) All documentation regarding third party training contracts, e.g., NAFTA, Vocational Rehabilitation, etc.,

(h) Written progress reports that shall include at a minimum information on how the student is progressing in areas such as classroom attendance and performance (but not used as final grades) updated at appropriate intervals;

(i) Progress reports may be maintained by electronic means provided there is an electronic system in place with sufficient security protocols to allow for student access while maintaining confidentiality. A log of student access activity must be placed in the student file at intervals corresponding with the stated progress report intervals to demonstrate that the student is reviewing the progress report and receiving appropriate feedback and improvement planning;

(j) Copies of any documentation required for admission, or a written evaluation of required documentation, when appropriate, signed by a member of the school admissions staff explaining scoring of documentation and evaluation criteria;

(k) A copy of the results of any enrollment evaluation or examination or evaluation of transfer credit or competencies, and any calculations used to determine awarding of credit or hours; and

(l) Record of operations completed, if applicable, with dates and scores received;

(7) The school must maintain each student's file for a minimum of 3 years from the date the student graduated, withdrew, or was expelled.

(8) Schools shall maintain a record of each student's attendance, updated weekly. This record shall include each student's dates and hours of attendance.

(9) Upon the student's satisfactory completion of instruction, schools shall:

(a) Issue an appropriate certificate or diploma; and

(b) Issue appropriate educational transcripts that shall include, but are not limited to:

(A) School name and location;

(B) Student's name;

(C) First and last date of attendance;

(D) Specific program(s) taken;

(E) Clock and credit hours (if applicable);

(F) Grade for each course;

(G) Name of accrediting agency, if the school is accredited;

(H) Statement indicating the school maintains transcripts for a minimum of 25 years; and

(I) Signature of the appropriate school official with school seal (if any) and date of issue.

(10) Schools shall maintain and issue transcripts as follows:

(a) Store transcripts in a safe, vault, or file having a minimum one-hour fire-safe rating unless duplicate records are kept in a safe location outside the school building. The address of locations outside the school building must be on file with the Department;

(b) Keep transcripts of all former students that include the information described in subsection (5)(b)(A)—(H) of this rule for a period of no less than 25 years from date of termination of enrollment. Transcripts must be stored under the same conditions as described in paragraph (a) of this subsection;

(c) Make a student's records available to the student upon request. Availability of records shall comply with the "Family Educational Rights and Privacy Act" (Public Law 93-380 as amended by Public Law 93-568). The educational institution shall respond within a reasonable period of time, but not more than 45 days after receipt of the request;

(d) Deliver to the Superintendent all permanent student transcripts for safekeeping if the school should cease to operate. The Superintendent will maintain the transcripts of all closed schools. If available, certified copies of the transcripts will be provided, when a written request signed by the student, is received at the Department. A non-refundable search fee of \$10 must accompany the request; and

(e) A school may withhold an official transcript, certificate of completion, or diploma if the student has any outstanding debt owed to the school. Forms, letters, questionnaires, or other material printed or written for the purpose of debt collection must clearly and conspicuously state that they are used for the purpose of attempting to collect a debt or attempting to obtain information concerning a debtor.

**Rule Caption:** Establish new and increase existing fees for the administration and oversight of private career schools

**Adm. Order No.:** HECC 9-2014

**Filed with Sec. of State:** 12-18-2014

**Certified to be Effective:** 12-18-14

**Notice Publication Date:** 9-1-2014

**Rules Amended:** 715-045-0007

**Subject:** The Higher Education Coordinating Commission (commission) is proposing to adopt new fees and increase some existing fees to recover costs associated with oversight of private career schools and providing services to licensees, career school faculty, and former students. The proposed rule would raise the fee for conducting a search of a closed career school's transcripts and, if any are found, providing copies to former students from \$10 to \$12, and processing teacher registrations from \$0 for non-cosmetology school teachers, and from \$50 for an initial registration and \$25 for a renewal for cosmetology school teachers, to \$75.

The proposed rule would establish a new fee of \$25 for verifying a teacher's registration, training, or experience; \$7 for processing teacher-trainee registrations; \$25 for responding to requests to determine whether an out-of-state cosmetology license applicant is qualified to take a cosmetology license exam; \$100 for processing career school license renewal applications or semi-annual Tuition Protection Fund payments submitted after the applicable due date; and \$200 for conducting an investigation of a career school when the commission determines that the school has violated any provision of ORS 345.010 to 345.450 or any rule adopted pursuant to ORS 345.010 to 345.450. The proposed rule would also establish a new fee, not to exceed \$5,000, to recover the costs of engaging an individual or business for assistance in conducting an investigation of a career school.

**Rules Coordinator:** Kelly Dickinson—(503) 378-5690

**715-045-0007**

**Fees**

(1)(a) Before issuing a career school license under ORS 345.010 to 345.450, the Executive Director shall collect a nonrefundable, annual license fee based on the fee schedule in ORS 345.080.

(b) For purposes of ORS 345.080, "tuition income" means "gross tuition income," as that term is defined at OAR 581-045-0001 and 715-045-0007.

(2) Applications for a new license must be accompanied by a nonrefundable application fee, based on the fourth step of the fee schedule in ORS 345.080.

# ADMINISTRATIVE RULES

(3) The commission shall collect a nonrefundable fee of \$12 to conduct a search of a closed career school's transcripts and, if any are found, provide four copies of a former student's transcript. If more than four copies are requested, the requestor shall pay a nonrefundable fee of \$2 for each additional copy.

(4) Teacher registration applications shall be accompanied by a nonrefundable application fee of \$75.

(5) Requests to verify a teacher's registration, training, or experience shall be accompanied by a nonrefundable verification fee of \$25.

(6) Applications for teacher trainee registrations must be accompanied by a nonrefundable registration fee of \$7.

(7) Requests to determine whether an out-of-state applicant for a cosmetology license is qualified to take a test of the Board of Cosmetology shall be accompanied by a nonrefundable review fee of \$25.

(8) The commission shall collect a nonrefundable fee of \$100 for processing:

(a) Career school license renewal applications submitted after the applicable due date established in OAR 715-045-0062. This fee shall be in addition to any civil penalties that may be assessed for renewal applications that are not submitted in compliance with the requirements of OAR 715-045-0062 and any other applicable rules.

(b) Payments to the Tuition Protection Fund established under ORS 345.110 after the due dates established in OAR 715-045-0029. This fee shall be in addition to any civil penalties that may be assessed for payments to the Fund that are not submitted in compliance with the requirements of OAR 715-045-0029 and any other applicable rules.

(9) The commission shall collect the annual, nonrefundable cosmetology school inspection fee of \$100 established in ORS 345.450 from schools teaching hair design, barbering, esthetics, or nail technology. This inspection fee shall be transferred to the Health Licensing Office.

(10)(a) The commission shall assess a nonrefundable fee of \$200 for investigations of career schools when the commission determines that a career school has violated any provision of ORS 345.010 to 345.450, or any rule adopted pursuant to ORS 345.010 to 345.450.

(b) If the commission must engage an individual or business, such as a forensic accountant or an attorney, for assistance in conducting an investigation, then the commission shall assess a nonrefundable fee in an amount equal to the investigative costs incurred by the commission; however, the amount of the fee may not exceed \$5,000.

**Subject:** The Higher Education Coordinating Commission (Commission) is proposing to clarify instructional program requirements for Private Career Schools, and outlining that the Commission will develop instructional design guidelines and time frames to assist existing (licensed) schools so as to bring all approved programs into compliance.

**Rules Coordinator:** Kelly Dickinson—(503) 378-5690

## 715-045-0009

### Instructional Programs

(1) All schools shall:

(a) Offer programs of quality, content and duration, that are based on specific industry standards or an occupational task analysis, and with appropriate entrance criteria, instructional materials, staff, equipment and facilities to prepare students for the programs' occupational objectives; and

(b) Operate programs evaluated by appropriate program advisory committees as defined in OAR 715-045-0013, unless a program is exempt from the advisory committee requirement under 715-045-0014. Materials for exempt programs will be reviewed by the executive director to determine the adequacy and appropriateness of the instructional methodology. The school shall prepare instructional design documentation for review, evaluation and analysis that includes:

(A) A program outcome summary for each program offered that clearly states the program title, duration, educational or professional technical objective(s) of the program, and the job(s) title and level for which the training prepares the student. In addition the program outcome summary must include the following information:

(i) A description of the target population for enrollment;

(ii) The entrance requirements and prerequisite knowledge or skills needed to enroll;

(iii) Any state license exams or other certifications the student will be prepared to take upon successful completion of the program;

(B) A list of the industry standards or the occupational task analysis used to formulate the instructional design;

(C) The associated competencies taught in the program for each standard or occupational task;

(D) A list of core abilities incorporated throughout the program;

(E) Learning plans, which shall include:

(i) Core abilities and competencies taught in the lesson;

(ii) Learning objectives for each competency;

(iii) Learning activities that achieve the learning objectives;

(iv) Sequence of learning activities;

(v) Performance assessment statement(s);

(F) The performance assessment(s) plan(s) for each competency, which shall include directions for the student and the evaluator, the performance conditions and criteria, and checklists, rubrics, or scoring guides used;

(G) A program map. For programs comprised of multiple courses, the program map shall indicate the number of clock hours allowed for each course and the topics within each course. For programs not comprised of specific courses, the program map shall indicate each unit or major topic within the program, the number of clock hours for each unit or major topic and the specific subjects within each unit or major topic.

(i) If the school is approved to use a credit hour measurement, an explanation of how credit hours convert to clock hours must also be submitted;

(ii) If the instructional program is self-directed or measured in lessons, the total number of clock hours for the program and how that number is derived, the total number of lessons, and the maximum time allowed for completion of the program must be submitted.

(H) A teaching syllabus for each course in each program. If a program does not contain specific courses or the program is of short duration, then the teaching syllabus shall be for the program in its entirety. The content of the syllabus shall contain the elements in the sample provided by the commission;

(I) The grading system, standards of satisfactory progress, attendance and performance required of students in the program, as referenced in OAR 715-045-0019;

(c) Submit additional documentation that includes:

(A) A description of the instructional area or facility with space allocations and dimensions, equipment placement, and teaching stations for each program appropriately indicated;

(B) A description of the admission requirements and process for evaluating those requirements, including the criteria or tests used in the selection and placement of enrollees for the program;

(C) Labor market information, updated every two years with data no more than three years old, as described in OAR 715-045-0006(11); and

(D) A written placement assistance plan for assisting graduates in efforts to obtain employment in the field for which training was offered, or a related field, as described in OAR 715-045-0019.

(2) The program advisory committee shall submit to the school its analysis of the quality, content, duration and curriculum sequencing of the program of study, instructional materials, equipment and facilities provided to prepare the student in skills currently necessary for entry level employment in the occupation for which the program was designed:

(a) Program material prepared for the program advisory committee, as prescribed in subsection (1) (b) and (c) of this rule, will be filed with the executive director;

(b) The executive director may review:

(A) The school's program development procedures;

(B) The program advisory committee's involvement in program development; and

(C) The program advisory committee's analysis of a program as specified in subsection (2).

(c) The executive director may accept or reject the findings of the program advisory committee's analysis of the adequacy of the program.

# ADMINISTRATIVE RULES

(3) The executive director will review the program outcome summary, program map, core abilities, standards, competencies and syllabus for each program to determine the adequacy of the instructional design. The executive director's written approval of these elements is required prior to the commencement of any marketing, recruitment, enrollment or instructional activities.

(4) The executive director may request and review other instructional design materials outlined in subsections (1) and (2) of this rule, before granting approval, including learning plans, performance assessment plans, and learning activities.

(5) Licensed schools wishing to add a new program must:

(a) Prepare the instructional design elements described in subsections (1) and (2) of this rule for each new program requested and make them available to the commission upon request; and

(b) Prepare and submit for approval the elements described in subsection (3) of this rule for each new program requested.

(6) The commission will develop instructional design guidelines and timeframes to assist schools licensed prior to the implementation of this rule in bringing all approved programs into compliance.

## 715-010-0015

### Delegating the Duties

This rule is for the purpose of delegating the duties, functions, and powers of the Higher Education Coordinating Commission with respect to degree authorization, degree validation, administer interstate agreements and review of new academic programs under ORS 348.594 to 348.615 and 348.992 to the manager of these programs and activities.

(1) Degree authorization shall be the responsibility of the manager, who shall have final authority with regard to:

(a) Authorization of post-secondary schools to offer academic degree programs (under Oregon Administrative Rules 583-030);

(b) Authorization of approved degree-granting schools to offer academic programs leading to a certificate or diploma;

(c) Termination of any activities related to higher education by an education entity not authorized to offer degrees and post-secondary academic programs in Oregon and ineligible for exemption from authorization under Oregon statutes.

(2) Degree validation under OAR 583-050 shall be the responsibility of the manager, who shall have final authority with regard to:

(a) Validation of claims of degree possession and determination of appropriate degree use under Oregon law;

(b) Termination of substandard or fraudulent degree activities;

(c) Termination of activities of diploma mills operating in or from Oregon;

(d) Termination of any operation in or from Oregon of post-secondary accrediting bodies that are not recognized by the United States Department of Education.

(3) Administration of any interstate agreements, such as the State Authorization Reciprocity Agreement (SARA) shall be the responsibility of the executive director, which includes but is not limited to:

(a) Reviewing applications of and entering into agreements with educational institutions for authorization to participate in SARA;

(b) Administering agreements for participation in SARA between the commission and an educational institution; and

(c) Establishing application fees. The commission imposes a biennial fee on any educational institution applying to operate under or participate in SARA. The fee is based on an educational institution's total enrolled full-time equivalent (FTE) as shown in the Integrated Postsecondary Education Data System and is as follows:

(A) Under 2,500 Enrolled FTE: \$3,000.

(B) 2,500 to 9,999 Enrolled FTE: \$5,000.

(C) 10,000 or more Enrolled FTE: \$7,000.

## Oregon Department of Education

### Chapter 581

**Rule Caption:** Modifies Extended Diploma requirements for high school graduation

**Adm. Order No.:** ODE 44-2014

**Filed with Sec. of State:** 12-17-2014

**Certified to be Effective:** 12-17-14

**Notice Publication Date:** 11-1-2014

**Rules Amended:** 581-022-1133

**Subject:** Under current law, a student may earn an extended diploma if they have demonstrated an inability to maintain grade level achievement due to significant learning, instructional, or medical barrier. Additionally, a student must have participated in an alternative assessment beginning no later than grade six and lasting for two or more assessment cycles, or have an illness or injury that occurs after grade eight that changes the student's ability to achieve at grade level and that results in the student participating in alternative assessments. Some students have Individual Education Programs that exempt them from assessments because their team has determined that it is no longer useful for the student to take them. Others that have attended private schools or were homeschooled in their early school years did not have access to the alternative assessment and so could not meet the requirements in the statute. Finally, students who move to Oregon from out of state face the same issues meeting the requirements of the law. The result has been that many students who would otherwise have been eligible for an extended diploma have instead been prevented from taking advantage of the extended diploma option due to their unique circumstances. Instead many of these students accept an alternative certificate and because there are no standards for earning an Alternative Certificate, students are counted as non-completers.

HB 2913 and ORS 329.451 eliminates the requirement that students must have completed multiple alternate assessments in order to be eligible for an extended diploma. These changes also eliminate confusing language in the eligibility requirements. Specifically, the changes enable a student to qualify for an extended diploma if they have a documented history of inability to maintain grade level achievement due to significant learning and instructional barriers, a medical condition that creates a barrier to achievement, or a change in ability to participate in grade level activities due to a serious illness or injury that occurred after grade eight and eliminates the requirements related to the alternative assessment. Further, the new rules require school districts or public charter schools to provide information about extended diplomas to parents on an annual basis.

**Rules Coordinator:** Cindy Hunt—(503) 947-5651

## 581-022-1133

### Extended Diploma

(1) Definitions.

(a) "Other services" for the purposes of this rule means:

(A) Those services paid for or provided by another agency, such as Vocational Rehabilitation or Brokerages, which may be considered in the calculation of the total number of hours that equals at least the total number of instructional hours that is required to be provided to students who are attending public high school. These "other services" are not to be consid-

# ADMINISTRATIVE RULES

ered educational services and are not provided by or through the school district or public charter school.

(B) Those services identified in OAR 581-022-1620(4), such as school assemblies, student orientations, testing, etc., which may be considered in the calculation of the total number of hours that equals at least the total number of instructional hours that is required to be provided to students who are attending public high school. These services are provided by the school district or public charter school.

(2) A school district or public charter school shall award an extended diploma to a student who satisfies the requirements of this rule.

(3) A school district or public charter school shall award an extended diploma only to students who have demonstrated the inability to meet the full set of academic content standards for a high school diploma with reasonable modifications and accommodations.

(4) A school district or public charter school may award an extended diploma to a student only upon the consent of the parent or guardian of the student, or upon the consent of the adult student or emancipated minor student. A district or school must receive the consent in writing and during the school year in which the extended diploma is awarded.

(a) If student is under 18, consent must be received from the parent or guardian.

(b) If the student is under age 18 and emancipated, consent must be received from the student.

(c) If the adult student is 18 or older, consent must be received from the student.

(d) If the student is under guardianship from the courts, consent must come from the court-appointed authority.

(5) To be eligible for an extended diploma, a student must:

(a) While in grade nine through completion of high school, complete 12 credits, which may not include more than six credits earned in a self-contained special education classroom and shall include:

(A) Two credits of mathematics;

(B) Two credits of English;

(C) Two credits of Science;

(D) Three credits of history, geography, economics, or civics;

(E) One credit of health;

(F) One Credit of physical education; and

(G) One credit of arts or a second language; and;

(b) Have a documented history of:

(A) An inability to maintain grade level achievement due to significant learning and instructional barriers;

(B) A medical condition that creates a barrier to achievement; or

(C) A change in the student's ability to participate in grade level activities as a result of a serious illness or injury that occurred after grade eight.

(6)(a) A student shall have the opportunity to meet the requirements of an extended diploma by the later of:

(A) Four years after starting grade nine; or

(B) The student reaching the age of 21 years, if the student is entitled to a public education until the age of 21 years under state or federal law.

(b) A student may complete the requirements for an extended diploma in less than four years if the parent/guardian or adult student gives consent.

(A) The consent must be written and must clearly state that the parent/guardian or adult student is waiving the 4 years to complete the requirements for an extended diploma.

(B) A copy of all consents must be sent to the district superintendent.

(C) Each school district must annually provide the number of consents obtained to the State Superintendent of Public Instruction

(D) The consent may not be used to allow a student to satisfy the requirements for an extended diploma in less than three years.

(7) A school district or public charter school shall:

(a) Ensure that students have on-site access to the appropriate resources to achieve an extended diploma at each high school in the school district or at the public charter school.

(b) Beginning in grade five or beginning after a documented history described in section (5)(b) above has been established, annually provide to the parents or guardians of a student who has the documented history, described above, information about the availability of an extended diploma and the requirements for the extended diploma.

(c) A school district or public charter school may not deny a student who has the documented history described in subsection (1)(a) of this section the opportunity to pursue a diploma with more stringent requirements than a modified diploma or an extended diploma for the sole reason that the student has the documented history.

(8)(a) A student who receives an extended diploma shall have access to instructional hours, hours of transition services and hours of other services that are designed to meet the unique needs of the student.

(b) When added together, the school district or public charter school will provide a total number of hours of instruction and services to the student that equals at least the total number of instructional hours that is required to be provided to students who are attending a public high school; or,

(c) The total number of hours that are appropriate for a student shall be determined by the individualized education program (IEP) team if the student is eligible for special education;

(d) Based on the student's needs and performance level, the student's IEP team may decide that the student will not access the total number of hours of instruction and services required to be provided to students who are attending a public high school.

(e) The school district or public charter school may not unilaterally decrease the total number of hours of instruction and services to which the student has access regardless of the age of the student.

(f) If a student's IEP team decides that the student will not access the total number of hours of instruction and services to which the student has access, the school district or public charter school shall annually:

(A) Provide the following information in writing to the adult student, parent, or guardian of the student:

(i) The school district's or public charter school's duty to comply with the requirements to provide the total number of hours of instruction and services to the student; and

(ii) The prohibition against a school district's or public charter school's unilaterally decreasing the total number of hours of instruction and services to which the student has access.

(B) Obtain a signed acknowledgment from the adult student, parent or guardian of the student that the adult student, parent or guardian received the information.

(C) Include in the IEP for the student a written statement that explains the reasons the student is not accessing the total number of hours of instruction and services to which the student has access.

(g) Transition services and other services designed to meet the unique needs of the student may be provided to the student through an interagency agreement entered into by the school district if the individualized education program developed for the student indicates that the services may be provided by another agency. The school district or public charter school retains the responsibility for ensuring that the student has access to the number of service hours required to be provided to the student.

(h) An agency is not required to change any eligibility criteria or enrollment standards prior to entering into an interagency agreement with the school district.

(9) School districts and public charter schools shall make extended diplomas as required by ORS 329.451 and this rule first available to students during the 2009–2010 school year.

**Diploma Requirements**

(1) Each district school board and public charter school with jurisdiction over high school programs shall award diplomas to all students who fulfill all state requirements as described in sections (2) to (11) of this rule and all local school district requirements as described in district school board policies or all public charter school requirements as described in the policies or charter of the public charter school.

(2) Unit of Credit Requirements for students graduating before July 1, 2009:

## ADMINISTRATIVE RULES

(a) Each student shall earn a minimum of 22 units of credit to include at least:

(A) English Language Arts — 3 (shall include the equivalent of one unit in Written Composition);

(B) Mathematics — 2;

(C) Science — 2;

(D) Social Sciences 3 — (including history, civics, geography and economics (including personal finance));

(E) Health Education — 1;

(F) Physical Education — 1;

(G) Career and Technical Education, The Arts or World Languages — 1 (one unit shall be earned in any one or a combination).

(b) A district school board or public charter school with a three-year high school may submit through the waiver process alternative plans to meet unit requirements;

(c) A district school board or public charter school may increase the number of units required in specific areas, and may increase or decrease the number of elective units; however, the total units of credit required for graduation shall not be less than 22;

(d) A school district or public charter school may grant high school credit for courses taken prior to grade 9 if students taking pre-grade 9 courses are required to meet performance criteria that are equivalent to the performance criteria for students taking the same high school courses;

(e) Course syllabi shall be written for courses in grades 9 through 12 and shall be available to students, staff, parents, the district school board and other interested individuals.

(3) Except as provided in section (4) of this rule, Unit of Credit Requirements for students graduating on or after July 1, 2009 and who were first enrolled in grade 9 prior to the 2008–2009 school year:

(a) Each student shall earn a minimum of 24 units of credit to include at least:

(A) English Language Arts — 4 (shall include the equivalent of one unit in Written Composition);

(B) Mathematics — 3;

(C) Science — 2;

(D) Social Sciences 3 — (including history, civics, geography and economics (including personal finance));

(E) Health Education — 1;

(F) Physical Education — 1;

(G) Career and Technical Education, The Arts or World Languages — 1 (one unit shall be earned in any one or a combination).

(b) A district school board or public charter school with a three-year high school may submit through the waiver process alternative plans to meet unit requirements;

(c) A district school board or public charter school may increase the number of units required in specific areas, and may increase or decrease the number of elective units; however, the total units of credit required for graduation shall not be less than 24;

(d) A school district or public charter school may grant high school credit for courses taken prior to grade 9 if students taking pre-grade 9 courses are required to meet performance criteria that are equivalent to the performance criteria for students taking the same high school courses;

(e) Course syllabi shall be written for courses in grades 9 through 12 and shall be available to students, staff, parents, the district school board and other interested individuals.

(4) Notwithstanding sections (2) and (3) of this rule, for students who began grade 9 during the 2005–2006 school year and who attended school during the 2006–2007, 2007–2008 and 2008–2009 school years, the unit of credits required for graduating is as described in section (2) of this rule if the student graduates prior to July 1, 2010.

(5) Unit of Credit Requirements for students who were first enrolled in grade 9 during the 2008–2009 or 2009–2010 school year:

(a) Each student shall earn a minimum of 24 units of credit to include at least:

(A) English Language Arts — 4 (shall include the equivalent of one unit in Written Composition);

(B) Mathematics — 3;

(C) Science — 3;

(D) Social Sciences 3 — (including history, civics, geography and economics (including personal finance));

(E) Health Education — 1;

(F) Physical Education — 1;

(G) Career and Technical Education, The Arts or World Languages — 3 (units shall be earned in any one or a combination).

(b) A district school board or public charter school with a three-year high school may submit through the waiver process alternative plans to meet unit requirements;

(c) A district school board or public charter school may increase the number of units required in specific areas, and may increase or decrease the number of elective units; however, the total units of credit required for graduation shall not be less than 24;

(d) A school district or public charter school may grant high school credit for courses taken prior to grade 9 if students taking pre-grade 9 courses are required to meet performance criteria that are equivalent to the performance criteria for students taking the same high school courses;

(e) Course syllabi shall be written for courses in grades 9 through 12 and shall be available to students, staff, parents, the district school board and other interested individuals.

(6) Unit of Credit Requirements for students who were first enrolled in grade 9 during the 2010–2011 school year or first enrolled in grade 9 in any subsequent school year:

(a) Each student shall earn a minimum of 24 units of credit to include at least:

(A) English Language Arts — 4 (shall include the equivalent of one unit in Written Composition);

(B) Mathematics — 3 (shall include one unit at the Algebra I level and two units that are at a level higher than Algebra I);

(C) Science — 3;

(D) Social Sciences 3 — (including history, civics, geography and economics (including personal finance));

(E) Health Education — 1;

(F) Physical Education — 1;

(G) Career and Technical Education, The Arts or World Languages — 3 (units shall be earned in any one or a combination).

(b) A district school board or public charter school with a three-year high school may submit through the waiver process alternative plans to meet unit requirements;

(c) A district school board or public charter school may increase the number of units required in specific areas, and may increase or decrease the number of elective units; however, the total units of credit required for graduation shall not be less than 24;

(d) A school district or public charter school may grant high school credit for courses taken prior to grade 9 if students taking pre-grade 9 courses are required to meet performance criteria that are equivalent to the performance criteria for students taking the same high school courses;

(e) Course syllabi shall be written for courses in grades 9 through 12 and shall be available to students, staff, parents, the district school board and other interested individuals.

(7) Each student shall demonstrate proficiency in essential skills adopted by the State Board of Education as provided in OAR 581-022-0615;

(8) School districts shall develop a process that provides each student the opportunity to develop an education plan and build an education profile in grades 7 through 12 with adult guidance. The plan and profile shall be reviewed and updated periodically (at least annually) and be supported by a Comprehensive Guidance Program as defined in OAR 581-022-1510.

(9) Each student shall develop an education plan and build an education profile.

(a) Each student shall develop an education plan that:

(A) Identifies personal and career interests;

(B) Identifies tentative educational and career goals and post high school next steps (i.e. college, workforce, military, apprenticeship, other);

(C) Sets goals to prepare for transitions to next steps identified in section (7)(b);

(D) Designs, monitors and adjusts a course of study that meets the interest and goals of the student as described in subsection (a) (A), (B) and (C) of this rule that includes but is not limited to:

(i) Appropriate coursework and learning experiences;

(ii) Identified career-related learning experiences; and

(iii) Identified extended application opportunities.

(b) Through the education profile each student shall:

(A) Monitor progress and achievement toward standards including:

(i) Content standards;

(ii) Essential skills;

(iii) Extended application standard; and

(iv) Other standards where appropriate (e.g. industry standards).

(B) Document other personal accomplishments determined by the student or school district.

# ADMINISTRATIVE RULES

(C) Review progress and achievement in subsection (b)(A) and (B) of this subsection at least annually.

(10) Each student shall build a collection of evidence, or include evidence in existing collections(s), to demonstrate extended application (as defined in OAR 581-022-0102);

(11) Each student shall participate in career-related learning experiences outlined in the education plan (as defined in OAR 581-022-0102);

(12) Notwithstanding sections (1) to (11) of this rule, each district school board or public charter school governing board with jurisdiction over high school programs shall award a modified diploma to those students who have demonstrated the inability to meet the full set of academic content standards even with reasonable modifications and accommodations and who fulfill all requirements as described in OAR 581-022-1134.

(13) Notwithstanding sections (1) to (11) of this rule, each district school board or public charter school governing board with jurisdiction over high school programs shall award an extended diploma to those students who have demonstrated the inability to meet the full set of academic content standards even with reasonable modifications and accommodations and who fulfill all requirements as described in OAR 581-022-1133.

(14) Notwithstanding sections (1) to (11) of this rule and as provided in OAR 581-022-1135, schools districts and public charter schools shall make an alternative certificate available to students as an alternative for students who do not obtain the regular diploma, modified diploma or extended diploma.

(15) Attendance Requirements:

(a) Twelve school years shall be required beginning with grade 1, except when the school district adopts policies providing for early or delayed completion of all state and school district credit and performance requirements;

(b) Notwithstanding subsection (a) of this section, a student may satisfy the requirements of sections (2)(6) of this rule in less than four years. If the school district or public charter school has the consent of the student's parent or guardian, a school district or public charter school shall award a diploma to a student upon request from the student, if the student satisfies the requirements for the diploma that apply to the student based on the date of graduation of the student or the school year when the student first enrolled in grade 9, as applicable.

(c) If a school district or public charter school has the consent of a student's parent or guardian, the school district or public charter school may advance the student to the next grade level if the student has satisfied the requirements for the student's current grade level.

(d) The requirement for obtaining the consent of a student's parent or guardian under subsections (b) and (c) of this section does not apply to a student who is:

- (A) Emancipated pursuant to ORS 419B.550 to 419B.558; or
- (B) 18 years of age or older.

(e) The district school board may adopt policies for alternative learning experiences, such as credit by examination and credit for off-campus experiences;

(f) With any modification of the attendance requirements for graduation, school district and public charter school staff shall consider age and maturity of students, access to alternative learning experiences, performance levels, school district or public charter school guidelines and the wishes of parents and guardians.

(16) A school district or public charter school shall ensure that students have access to the appropriate resources to achieve a diploma at each high school in the school district or at the public charter school.

## 581-022-1133

### Extended Diploma

(1) Definitions.

(a) "Other services" for the purposes of this rule means:

(A) Those services paid for or provided by another agency, such as Vocational Rehabilitation or Brokerages, which may be considered in the calculation of the total number of hours that equals at least the total number of instructional hours that is required to be provided to students who are attending public high school. These "other services" are not to be considered educational services and are not provided by or through the school district or public charter school.

(B) Those services identified in OAR 581-022-1620(4), such as school assemblies, student orientations, testing, etc., which may be consid-

ered in the calculation of the total number of hours that equals at least the total number of instructional hours that is required to be provided to students who are attending public high school. These services are provided by the school district or public charter school.

(2) A school district or public charter school shall award an extended diploma to a student who satisfies the requirements of this rule.

(3) A school district or public charter school shall award an extended diploma only to students who have demonstrated the inability to meet the full set of academic content standards for a high school diploma with reasonable modifications and accommodations.

(4) A school district or public charter school may award an extended diploma to a student only upon the consent of the parent or guardian of the student, or upon the consent of the adult student or emancipated minor student. A district or school must receive the consent in writing and during the school year in which the extended diploma is awarded.

(a) If student is under 18, consent must be received from the parent or guardian.

(b) If the student is under age 18 and emancipated, consent must be received from the student.

(c) If the adult student is 18 or older, consent must be received from the student.

(d) If the student is under guardianship from the courts, consent must come from the court-appointed authority.

(5) To be eligible for an extended diploma, a student must:

(a) Have a documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers or have a documented history of a medical condition that creates a barrier to achievement; and

(b)(A) Participate in an alternate assessment beginning no later than grade six and lasting for two or more assessment cycles; or

(B) Have a serious illness or injury that occurs after grade eight, that changes the student's ability to participate in grade level activities and that results in the student participating in alternate assessments.

(c) While in grade nine through completion of high school, complete 12 credits, which may not include more than six credits earned in a self-contained special education classroom and shall include:

(A) Two credits of mathematics;

(B) Two credits of English;

(C) Two credits of science;

(D) Three credits of history, geography, economics or civics;

(E) One credit of health;

(F) One credit of physical education; and

(G) One credit of the arts or a world language;

(6)(a) A student shall have the opportunity to meet the requirements of an extended diploma by the later of:

(A) Four years after starting grade nine; or

(B) The student reaching the age of 21 years, if the student is entitled to a public education until the age of 21 years under state or federal law.

(b) A student may complete the requirements for an extended diploma in less than four years if the parent/guardian or adult student gives consent.

(A) The consent must be written and must clearly state that the parent/guardian or adult student is waiving the 4 years to complete the requirements for an extended diploma.

(B) A copy of all consents must be sent to the district superintendent.

(C) Each school district must annually provide the number of consents obtained to the State Superintendent of Public Instruction

(D) The consent may not be used to allow a student to satisfy the requirements for an extended diploma in less than three years.

(7) A school district or public charter school shall:

(a) Ensure that students have on-site access to the appropriate resources to achieve an extended diploma at each high school in the school district or at the public charter school.

(b) Beginning in grade five, annually provide information to the parents or guardians of a student taking an alternate assessment of the availability of an extended diploma and the requirements for the extended diploma.

(c) A school district or public charter school may not deny a student who has the documented history described in subsection (1)(a) of this section the opportunity to pursue a diploma with more stringent requirements than a modified diploma or an extended diploma for the sole reason that the student has the documented history.

(8)(a) A student who receives an extended diploma shall have access to instructional hours, hours of transition services and hours of other services that are designed to meet the unique needs of the student.

# ADMINISTRATIVE RULES

(b) When added together, the school district or public charter school will provide a total number of hours of instruction and services to the student that equals at least the total number of instructional hours that is required to be provided to students who are attending a public high school.

(c) The total number of hours that are appropriate for a student shall be determined by the individualized education program (IEP) team if the student is eligible for special education.

(d) Based on the student's needs and performance level, the student's IEP team may decide that the student will not access the total number of hours of instruction and services required to be provided to students who are attending a public high school.

(e) The school district or public charter school may not unilaterally decrease the total number of hours of instruction and services to which the student has access regardless of the age of the student.

(f) If a student's IEP team decides that the student will not access the total number of hours of instruction and services to which the student has access the school district or public charter school shall annually:

(A) Provide the following information in writing to the adult student, parent or guardian of the student:

(i) The school district's or public charter school's duty to comply with the requirements to provide the total number of hours of instruction and services to the student; and

(ii) The prohibition against a school district's or public charter school's unilaterally decreasing the total number of hours of instruction and services to which the student has access.

(B) Obtain a signed acknowledgment from the adult student, parent or guardian of the student that the adult student, parent or guardian received the information.

(C) Include in the IEP for the student a written statement that explains the reasons the student is not accessing the total number of hours of instruction and services to which the student has access.

(g) Transition services and other services designed to meet the unique needs of the student may be provided to the student through an interagency agreement entered into by the school district if the individualized education program developed for the student indicates that the services may be provided by another agency. The school district or public charter school retains the responsibility for ensuring that the student has access to the number of service hours required to be provided to the student.

(h) An agency is not required to change any eligibility criteria or enrollment standards prior to entering into an interagency agreement with the school district.

(9) School districts and public charter schools shall make extended diplomas as required by ORS 329.451 and this rule first available to students during the 2009-2010 school year.

Stat. Auth.: ORS 326.051

Stat. Implemented: ORS 329.451

## 581-022-1134

### Modified Diploma

(1) Definitions. As used in this rule:

(a) "Documented history" means evidence in the cumulative record and education plans of a student that demonstrates the inability over time to maintain grade level achievement even with appropriate modifications and accommodations.

(b) "Instructional barrier" means a significant physical, cognitive or emotional barrier that impairs a student's ability to maintain grade level achievement.

(c) "Modified course" means a course that has been systematically changed or altered for a student only after reasonable alternative instructional strategies (e.g. accommodations, remediation) are exhausted.

(d) "Other services" for the purposes of this rule means:

(A) Those services paid for or provided by another agency, such as Vocational Rehabilitation or Brokerages, which may be considered in the calculation of the total number of hours that equals at least the total number of instructional hours that is required to be provided to students who are attending public high school. These "other services" are not to be considered educational services and are not provided by or through the school district or public charter school.

(B) Those services identified in OAR 581-022-1620(4), such as school assemblies, student orientations, testing, etc, which may be considered in the calculation of the total number of hours that equals at least the total number of instructional hours that is required to be provided to students who are attending public high school. These services are provided by the school district or public charter school.

(2) On or after July 1, 2009, each district school board or public charter school governing board with jurisdiction over high school programs shall award a modified diploma only to students who have demonstrated the inability to meet the full set of academic content standards for a high school diploma even with reasonable modifications and accommodations but who fulfill all state requirements as described in this rule and all applicable local school district requirements as described in district school board policies or public charter school requirements as described in school policies. In addition, on or after July 1, 2009, a district school board or public charter school governing board may only award a modified diploma to a student who meets the eligibility criteria specified in section 3 of this rule.

(3)(a) Except as provided in paragraph (c) or (d) of this section, a school district or public charter school shall grant eligibility for a modified diploma to a student who has:

(A) A documented history of an inability to maintain grade level achievement due to significant learning and instructional barriers; or

(B) A documented history of a medical condition that creates a barrier to achievement.

(b) A student shall have the opportunity to meet the requirements of a modified diploma by the later of:

(A) Four years after starting grade nine; or

(B) The student reaching the age of 21 years, if the student is entitled to a public education until the age of 21 years under state or federal law.

(c) A student may complete the requirements for a modified diploma in less than four years if the parent/guardian or adult student gives consent.

(A) The consent must be written and must clearly state that the parent/guardian or adult student is waiving the 4 years to complete the requirements for a modified diploma.

(B) A copy of all consents must be sent to the district superintendent.

(C) Each school district must annually provide the number of consents obtained to the State Superintendent of Public Instruction.

(D) The consent may not be used to allow a student to satisfy the requirements for a modified diploma in less than three years.

(d) A school district or public charter school may not deny a student who has the documented history described in paragraph (a) of this subsection the opportunity to pursue a diploma with more stringent requirements than a modified diploma for the sole reason that the student has the documented history.

(e) Students currently engaged in the use of illegal drugs are not eligible for a modified diploma if the significant learning and instructional barriers are due to the use of illegal drugs.

(f) Students currently engaged in the illegal use of alcohol are not eligible for a modified diploma if the significant learning and instructional barriers are due to the alcohol abuse, regardless of whether that student is disabled under Section 504 on the basis of alcoholism.

(g) Notwithstanding paragraph (c) and (d) of this section, a school district or public charter school may grant eligibility for a modified diploma to a student who is no longer engaging in illegal use of drugs or alcohol if the student:

(A) Has successfully completed a supervised drug or alcohol rehabilitation program and are no longer engaged in the illegal use of drugs or alcohol; or

(B) Has been rehabilitated successfully and is no longer engaged in the illegal use of drugs or alcohol; or

(C) Is participating in a supervised rehabilitation program and is no longer engaging in the illegal use of drugs or alcohol.

(4)(a) A school district or public charter school shall determine which school teams shall decide if a student will work toward obtaining a modified diploma. A student's school team must include an adult student, parent/guardian of the student.

(b) A school district or public charter school may award a modified diploma to a student only upon the consent of the parent or guardian of the student or upon the consent of the adult student or emancipated minor student. A district or school must receive the consent in writing and during the school year in which the modified diploma is awarded.

(A) If student is under 18, consent must be received from the parent or guardian.

(B) If the student is under age 18 and emancipated, consent must be received from the student.

(C) If the adult student is 18 or older, consent must be received from the student or guardian.

(D) If the student is under guardianship from the courts, consent must come from the court-appointed authority.

(c) Except as provided in subsection (e) of this section, a student's school team shall decide that a student should work toward a modified

# ADMINISTRATIVE RULES

diploma no earlier than the end of the 6th grade and no later than 2 years before the student's anticipated exit from high school.

(d) Beginning in grade five, school district and public charter schools shall annually provide information to the parents or guardians of a student taking an alternate assessment of the availability of a modified diploma and the requirements for the modified diploma.

(e) A student's school team may formally decide to revise a modified diploma decision.

(f) A student's school team may decide that a student who was not previously working towards a modified diploma should work toward a modified diploma when a student is less than 2 years from anticipated exit from high school if the documented history of the student described in section (3) of this rule has changed.

(5) Unit of credit requirements for students graduating with a modified diploma:

(a) To receive a modified diploma a student must earn 24 units of credit, between grade 9 and the end of their high school career with at least 12 of those credits to include:

(A) English Language Arts — 3;

(B) Mathematics — 2;

(C) Science — 2;

(D) Social Sciences (which may include history, civics, geography and economics (including personal finance)) — 2;

(E) Health Education — 1;

(F) Physical Education — 1; and

(G) Career Technical Education, The Arts or World Languages (units may be earned in any one or a combination) — 1.

(b) School districts and public charter schools shall be flexible in awarding the remaining 12 units of credit. These credits must be awarded to meet the needs of the individual student as specified in the education plan of the student with the expectations and standards aligned to the appropriate grade level academic content standards. These credits may include:

(A) Additional core credits described in paragraph (a) of this section;

(B) Professional technical education;

(C) Electives; and

(D) Career development.

(c) Students may earn units of credit through regular education with or without accommodations or modifications and through modified courses.

(d) Students shall have the option to earn credit for demonstrating proficiency. A student may be given credit for successful demonstration of knowledge and skills that meets or exceeds defined levels of performance. Students may demonstrate proficiency through classroom work or documentation of learning experiences outside of school, or through a combination of these means.

(e) School districts and public charter schools shall ensure that students have access to needed courses, modifications and supports to pursue a modified diploma and to progress in the general education curriculum.

(f) A school district or public charter school may not require a student to earn more than 24 units of credit to receive a modified diploma.

(6) A school district or public charter school shall grant credit toward a modified diploma only for courses that contain substantial academic content. A school district or public charter school shall grant credit for a modified diploma through a continuum of instruction beginning at basic skills and progressing through high level skills.

(7) A school district or public charter school shall award a regular diploma under OAR 581-022-1130 if all requirements for a regular diploma are met. Completion of one or more modified courses shall not prohibit a student from earning a regular diploma; however, required core courses taken under modified conditions must be retaken under standard conditions to be counted toward a regular diploma.

(8) A school district or public charter school shall grant credit toward a modified diploma according to individual student needs across academic content areas including applied, consumer, academic, or knowledge and skill development.

(9) Each student shall develop an education plan and build an education profile as provided under OAR 581-022-1130.

(10) A school district or public charter school shall inform the student and parent or guardian of the student if the courses in grades 9-12 have been modified for an individual student.

(11) A school district or public charter school shall provide transcripts which clearly identify modified courses that do not count toward the regular diploma but that do count toward a modified diploma.

(12) Each student shall build a collection of evidence, or include evidence in existing collections, to demonstrate extended application of the standards as defined in OAR 581-022-0102;

(13) Each student receiving a modified diploma shall have the option of participating in the high school graduation ceremony with the members of their class receiving a high school diploma.

(14)(a) A student who receives a modified diploma shall have access to instructional hours, hours of transition services and hours of other services that are designed to meet the unique needs of the student.

(b) When added together, the school district or public charter school will provide a total number of hours of instruction and services to the student that equals at least the total number of instructional hours that is required to be provided to students who are attending a public high school.

(c) The total number of hours that are appropriate for a student shall be determined by the individualized education program (IEP) team if the student is eligible for special education.

(d) Based on the student's needs and performance level, the student's IEP team may decide that the student will not access the total number of hours of instruction and services required to be provided to students who are attending a public high school.

(e) The school district or public charter school may not unilaterally decrease the total number of hours of instruction and services to which the student has access regardless of the age of the student.

(f) If a student's IEP team or school team, decides that the student will not access the total number of hours of instruction and services to which the student has access the school district or public charter school shall annually:

(A) Provide the following information in writing to the adult student, parent or guardian of the student:

(i) The school district's or public charter school's duty to comply with the requirements to provide the total number of hours of instruction and services to the student; and

(ii) The prohibition against a school district's or public charter school's unilaterally decreasing the total number of hours of instruction and services to which the student has access.

(B) Obtain a signed acknowledgment from the adult student, parent or guardian of the student that the adult student, parent or guardian received the information.

(C) Include in the IEP for the student a written statement that explains the reasons the student is not accessing the total number of hours of instruction and services to which the student has access.

(g) Transition services and other services designed to meet the unique needs of the student may be provided to the student through an interagency agreement entered into by the school district if the individualized education program developed for the student indicates that the services may be provided by another agency. The school district or public charter school retains the responsibility for ensuring that the student has access to the number of service hours required to be provided to the student.

(h) An agency is not required to change any eligibility criteria or enrollment standards prior to entering into an interagency agreement with the school district.

(i) School districts and public charter schools shall ensure that students have on-site access to the appropriate resources to achieve a modified diploma at each high school in the school district or at the public charter school.

(15)(a) The unit of credit requirements in section (5) of this rule for a modified diploma apply to all students who enter 9th grade on or after July 1, 2007.

(b) If a student entered 9th grade prior to July 1, 2007, the student's team shall decide whether the student must meet the unit of credit requirements in section (5) of this rule to receive a modified diploma or the unit of credit requirements specified by the school district or public charter school for a modified diploma when the student entered 9th grade. If a student's team decides that a student may receive a modified diploma by meeting the unit of credit requirements required by the district or school when the student entered 9th grade, a school district or public charter school may award a student who entered 9th grade prior to July 1, 2007 a modified diploma if the student meets the unit of credit requirements for a modified diploma specified by the district or school when the student entered 9th grade.

## 581-022-1210

### District Curriculum

(1) Each school district shall provide a planned K–12 instructional program.

(2) The planned K-12 instructional program shall include the following:

(a) Common Curriculum Goals and academic content standards to include:

- (A) English;
- (B) Mathematics;
- (C) Science;
- (D) Social Science (including history, geography, economics and civics);

- (E) The Arts;
- (F) World Languages;
- (G) Health Education; and
- (H) Physical Education.

(b) Additional Common Curriculum Goals for technology.

(c) Essential Learning Skills, as contained in the Common Curriculum Goals and academic content standards;

(d) Career-related learning standards, as contained in the Common Curriculum Goals and academic content standards; and

(e) Career education which may include career and technical education.

(3) The school district shall also provide instruction in other areas identified in chapter 581, division 22 of the Oregon Administrative Rules, including:

- (a) Infectious diseases, including AIDS/HIV and Hepatitis B;
- (b) Prevention education in drugs and alcohol; and
- (c) Emergency plans and safety programs.

(4) The school district is also accountable to provide instruction in compliance with requirements set forth in ORS Chapter 336, Conduct of Schools Generally.

## 581-022-1610

### Operating Policies and Procedures

(1) Districts must comply with the state standards set forth in OAR chapter 581, division 22.

(2) Districts must maintain evidence of compliance with the state standards and make such evidence available upon request.

(3) Districts must report compliance with state standards:

(a) To the community by January 15 of each school year; and

(b) To the Department of Education, annually, on a form to be provided by the Department of Education.

## 581-015-2000

### Definitions

The definitions below apply to OARs 581-015-2000–2999, unless the context indicates otherwise.

(1) “Adult student” is a student for whom special education procedural safeguard rights have transferred as described in OAR 581-015-2325.

(2) “Assistive technology device” means any item, piece of equipment, or product system, whether acquired commercially off the shelf, modified, or customized, that is used to increase, maintain, or improve the functional capabilities of a child with a disability. The term does not include a medical device that is surgically implanted, or the replacement of such device.

(3) “Assistive technology service” means any service that directly assists a child with a disability in the selection, acquisition, or use of an assistive technology device. The term includes:

(a) The evaluation of the needs of a child with a disability, including a functional evaluation of the child in the child’s customary environment;

(b) Purchasing, leasing, or otherwise providing for the acquisition of assistive technology devices by children with disabilities;

(c) Selecting, designing, fitting, customizing, adapting, applying, maintaining, repairing, or replacing assistive technology devices;

(d) Coordinating and using other therapies, interventions, or services with assistive technology devices, such as those associated with existing education and rehabilitation plans and programs;

(e) Training or technical assistance for a child with a disability or, if appropriate, that child’s family; and

(f) Training or technical assistance for professionals (including individuals providing education or rehabilitation services), employers, or other individuals who provide services to, employ, or are otherwise substantially involved in the major life functions of that child.

(4) “Children with disabilities” or “students with disabilities” means children or students who require special education because of: autism; communication disorders; deafblindness; emotional disturbances; hearing impairments, including deafness; intellectual disability; orthopedic impairments; other health impairments; specific learning disabilities; traumatic brain injuries; or visual impairments, including blindness.

(a) “Autism” means a developmental disability significantly affecting verbal and nonverbal communication and social interaction that adversely affects a child’s educational performance. Other characteristics that may be associated with autism are engagement in repetitive activities and stereotyped movements, resistance to environmental change or change in daily routines, and unusual responses to sensory experiences. Essential features are typically but not necessarily manifested before age three. Autism may include autism spectrum disorders such as but not limited to autistic disorder, pervasive developmental disorder, not otherwise specified, and Asperger’s syndrome. The term does not apply if a child’s educational performance is adversely affected primarily because the child has an emotional disturbance. However, a child who qualifies for special education under the category of autism may also have an emotional disturbance as a secondary disability if the child meets the criteria under emotional disturbance.

(b) “Communication Disorder” means the impairment of speech articulation, voice, fluency, or the impairment or deviant development of language comprehension and/or expression, or the impairment of the use of a spoken or other symbol system that adversely affects educational performance. The language impairment may be manifested by one or more of the following components of language: morphology, syntax, semantics, phonology, and pragmatics.

(c) “Deafblindness” means having both hearing and visual impairments, the combination of which causes such severe communication and other developmental and educational problems that the child cannot be accommodated in special education programs designed solely for students having hearing or visual impairments.

(d) “Emotional Disturbance” means a condition exhibiting one or more of the following characteristics over a long period of time and to a marked degree that adversely affects a child’s educational performance:

# ADMINISTRATIVE RULES

(A) An inability to learn that cannot be explained by intellectual, sensory, or health factors;

(B) An inability to build or maintain satisfactory interpersonal relationships with peers and teachers;

(C) Inappropriate types of behavior or feelings under normal circumstances;

(D) A general pervasive mood of unhappiness or depression; or

(E) A tendency to develop physical symptoms or fears associated with personal or school problems;

(F) The term includes schizophrenia but does not apply to children who are socially maladjusted, unless it is determined that they have an emotional disturbance.

(e) "Hearing Impairment" means a hearing condition, whether permanent or fluctuating, that adversely affects a child's educational performance. The term includes those children who are hard of hearing or deaf.

(f) "Intellectual Disability" means significantly sub average general intellectual functioning, and includes a student whose intelligence test score is two or more standard deviations below the norm on a standardized individual intelligence test, existing concurrently with deficits in adaptive behavior and manifested during the developmental period, and that adversely affects a child's educational performance.

(g) "Orthopedic Impairment" means a motor disability that adversely affects the child's educational performance. The term includes impairments caused by an anomaly, disease or other conditions (e.g., cerebral palsy, spinal bifida, muscular dystrophy or traumatic injury).

(h) "Other Health Impairment" means limited strength, vitality, or alertness, including a heightened alertness to environmental stimuli that results in limited alertness with respect to the educational environment, that:

(A) Is due to chronic or acute health problems (e.g. a heart condition, tuberculosis, rheumatic fever, nephritis, asthma, sickle cell anemia, hemophilia, epilepsy, lead poisoning, attention deficit disorder, attention deficit hyperactivity disorder, leukemia, Tourette's syndrome or diabetes); and

(B) Adversely affects a child's educational performance.

(i) "Specific Learning Disability" means a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, which may manifest itself in an imperfect ability to listen, think, speak, read, write, spell or do mathematical calculations. Specific learning disability includes conditions such as perceptual disabilities, brain injury, dyslexia, minimal brain dysfunction, and developmental aphasia. The term does not include learning problems that are primarily the result of visual, hearing, or motor disabilities, intellectual disability, emotional disturbance, or environmental, cultural, or economic disadvantage.

(j) "Traumatic Brain Injury" means an acquired injury to the brain caused by an external physical force resulting in total or partial functional disability or psychosocial impairment, or both, that adversely affects a child's educational performance. The term includes open or closed head injuries resulting in impairments in one or more areas, including cognition; language; memory; attention; reasoning; abstract thinking; judgment; problem-solving; sensory, perceptual, and motor abilities; psychosocial behavior; physical functions; information processing; and speech. The term does not include brain injuries that are congenital or degenerative, or brain injuries induced by birth trauma.

(k) "Visual Impairment" means a visual impairment that, even with correction, adversely affects a child's educational performance. The term includes those children who are partially sighted or blind.

(5) "Consent" means that:

(a) The parent or adult student has been fully informed of all information relevant to the activity for which consent is sought, in the parent's native language or other mode of communication;

(b) The parent or adult student understands and agrees in writing to the carrying out of the activity for which consent is sought; and the consent describes that activity and lists any records that will be released and to whom; and

(c) The parent or adult student understands that the granting of consent is voluntary and may be revoked at any time in accordance with OAR 581-015-2090(4) or 581-015-2735.

(6) "Day" means calendar day unless otherwise indicated as:

(a) "Business day," which means Mondays through Fridays, other than holidays; or as

(b) "School day," which means any day, including partial days that children are in attendance at school for instructional purposes. The term "school day" has the same meaning for all children in school, including those with and without disabilities.

(7) "Department" means the Oregon Department of Education.

(8) "EI/ECSE" means early intervention/early childhood special education and refers to services or programs for preschool children with disabilities.

(9) "Elementary or secondary school or facility" means a school or facility with any combination of grades K through 12.

(10) "Evaluation" means procedures used to determine whether the child has a disability, and the nature and extent of the special education and related services that the child needs.

(11) "General education curriculum" means the same curriculum as for children without disabilities (children without disabilities). For preschool children with disabilities, the term means age-appropriate activities.

(12) "Health assessment statement" means a written statement issued by a nurse practitioner licensed by a State Board of Nursing specially certified as a nurse practitioner, or by a physician assistant licensed by a State Board of Medical Examiners. Both a nurse practitioner and a physician assistant must be practicing within his or her area of specialty.

(13) "Homeless children" (or "homeless youth") has the same meaning as in section 725 of the McKinney-Vento Act, 42 USC § 11434a(2).

(14) "Identification" means the process of determining a child's disability and eligibility for special education and related services.

(15) "Individualized Education Program" (IEP) means a written statement of an educational program which is developed, reviewed, revised and implemented for a school-aged child with a disability.

(16) "Individualized Family Service Plan" (IFSP) is defined in OAR 581-051-2700.

(17) "Limited English proficient" has the same meaning as in the Elementary and Secondary Education Act, 20 USC § 9101(25).

(18) "Mediation" means a voluntary process in which an impartial mediator assists and facilitates two or more parties to a controversy in reaching a mutually acceptable resolution of the controversy and includes all contacts between a mediator and any party or agent of a party, until such a time as a resolution is agreed to by the parties or the mediation process is terminated.

(19) "Medical statement" means a written statement issued by a physician licensed by a State Board of Medical Examiners.

(20) "Native language", when used with respect to a person who is limited English proficient, means the language normally used by that person or, in the case of a child, the language normally used by the parent of the child. For an individual with deafness, blindness, deafblindness or no written language, the term means the mode of communication normally used by the person (such as sign language, Braille, or oral communication). In direct contact with a child, the term means the language normally used by the child.

(21) "Parent" means:

(a) One or more of the following persons:

(A) A biological or adoptive parent of the child;

(B) A foster parent of the child,

(C) A legal guardian, other than a state agency;

(D) An individual acting in the place of a biological or adoptive parent (including a grandparent, stepparent, or other relative) with whom the child lives, or an individual who is legally responsible for the child's welfare; or

(E) A surrogate parent who has been appointed in accordance with OAR 581-015-2320, for school-age children, or 581-015-2760 for preschool children.

(b) Except as provided in subsection (c), if more than one party is qualified under subsection (a) to act as a parent and the biological or adoptive parent is attempting to act as the parent, the biological or adoptive parent is presumed to be the parent unless the biological or adoptive parent does not have legal authority to make educational decisions for the child.

(c) If a judicial decree or order identifies a specific person under subsection (a) to act as the parent of a child or to make educational decisions on behalf of a child, then that person will be the parent for special education purposes.

(22) "Participating agency" means a state or local agency, other than the school district responsible for a student's education, that is financially and legally responsible for providing transition services to the student.

(23) "Personally identifiable information" means information as defined in the Family Educational Rights and Privacy Act (FERPA), found at 34 CFR 99.3, which includes, but is not limited to:

(a) The name of the child, the child's parent or other family member;

(b) The address of the child or the child's family;

(c) A personal identifier, such as the child's social security number or student number, or biometric record; and

# ADMINISTRATIVE RULES

(d) Other indirect identifiers, such as the child's date of birth, place of birth, and mother's maiden name;

(e) Other information that alone or in combination is linked or linkable to a specific child that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the child with reasonable certainty; or

(f) Other information requested by a person who the educational agency or institution reasonably believes knows the identity of the student to whom the education record relates.

(24) "Placement" means educational placement, not social service placement by a state agency.

(25) "Preschool child" means "preschool child with a disability" as defined under OAR 581-015-2700.

(26) "Private school" means an educational institution or agency not operated by a public agency.

(27) "Public agency" means a school district, an education service district, a state agency or institution, EI/ECSE contractor or subcontractor, responsible for early intervention, early childhood special education or special education.

(28) "Related services" includes transportation and such developmental, corrective and other supportive services as are required to assist a child with a disability to benefit from special education, and includes orientation and mobility services, speech language pathology and audiology services, interpreting services, psychological services, physical and occupational therapy, recreation including therapeutic recreation, school health services and school nurse services, counseling services, including rehabilitation counseling services, social work services in schools, parent counseling and training, school health services and medical services for diagnostic or evaluation purposes, and includes early identification and assessment of disabling conditions in children. This definition incorporates the exception for services for children with surgically implanted devices, including cochlear implants, in 34 CFR 300.34(b) and the definitions for individual related services in 34 CFR 300.34(c).

(29) "School age child or children" means a child or children who have reached 5 years of age but have not reached 21 years of age on or before September 1 of the current school year.

(30) "Scientifically Based Research" is defined in section 9101(37) of the Elementary and Secondary Education Act of 1965, as amended ESEA.

(31) "School district" means the public education agency (school district, ESD, or state agency) that is responsible by statute, rule or contract for providing education to children with disabilities.

(32) "Services plan" is defined in OAR 581-015-2450.

(33) "Sheltered Workshop" is a facility based service that congregates more than eight adults with disabilities, including intellectual or developmental disabilities. Sheltered workshops are operated by service provider entities. In general, a sheltered workshop employs only individuals with an intellectual or developmental disability or other disabilities except for service or support staff. However, assessments, instruction, and activities that typically occur in public schools and that are provided either directly or by contract by public school districts, by public charter school, by an Educational Service District, or the Oregon Department of Education, in a school setting, are not considered sheltered workshops.

(34) "Short term objectives" means measurable intermediate performance steps that will enable parents, students and educators to gauge, at intermediate times during the year, how well the child is progressing toward the annual goals by either:

(a) Breaking down the skills described in the goal into discrete components, or

(b) Describing the amount of progress the child is expected to make within specified segments of the year.

(35) "Special education" means specially designed instruction that is provided at no cost to parents to meet the unique needs of a child with a disability "Special education" includes instruction that:

(a) May be conducted in the classroom, the home, a hospital, an institution, a special school or another setting; and

(b) May involve physical education services, speech language services, transition services or other related services designated by rule to be services to meet the unique needs of a child with a disability.

(36) "Specially designed instruction" means adapting, as appropriate to the needs of an eligible child under this part, the content, methodology, or delivery of instruction:

(a) To address the unique needs of the child that result from the child's disability; and

(b) To ensure access of the child to the general curriculum, so that he or she can meet the educational standards within the jurisdiction of the public agency that apply to all children.

(37) "Supplementary aids and services" means aids, services and other supports that are provided in regular education classes or other education-related settings and in extracurricular and nonacademic settings to enable children with disabilities to be educated with children without disabilities to the maximum extent appropriate.

(38) "Superintendent" means the State Superintendent of Public Instruction or the designee of the State Superintendent of Public Instruction.

(39) "Surrogate parent" means an individual appointed under OAR 581-015-2320 for school age children or 581-015-2760 for preschool children who acts in place of a biological or adoptive parent in safeguarding a child's rights in the special education decision-making process.

(40) "Transition services" means a coordinated set of activities for a student with a disability that:

(a) Is designed to be within a results-oriented process, that is focused on improving the academic and functional achievement of the student to facilitate the student's movement from school to post school activities, including postsecondary education, vocational education, integrated employment (including supported employment), continuing and adult education, adult services, independent living, or community participation;

(b) Is based on the individual student's needs, taking into account the student's preferences and interests; and

(c) Includes:

(A) Instruction;

(B) Related services;

(C) Community experiences;

(D) The development of employment and other post school adult living objectives; and

(E) If appropriate, acquisition of daily living skills and functional vocational evaluation; and

(d) May be special education, if provided as specially designed instruction, or related services, if required to assist a student with a disability to benefit from special education.

(41) "Ward of the state" means child who is in the temporary or permanent custody of, or committed to, the Department of Human Services or Oregon Youth Authority through the action of the juvenile court.

### Alternative Placements and Supplementary Aids and Services

School districts must ensure that a continuum of alternative placements is available to meet the needs of children with disabilities for special education and related services. The continuum must:

(1) Include as alternative placements, instruction in regular classes, special classes, special schools, home instruction and instruction in hospitals and institutions;

(2) Make provision for supplementary aids and services (such as resource room or itinerant instruction) to be provided in conjunction with regular class placement; and

(3) Not include sheltered workshops as defined in OAR 581-015-2000(33) and 407-025-0010(16)

## 581-026-0065

### Appeal Process

(1) An applicant whose resubmitted proposal to start a public charter school is disapproved following reconsideration may request the State Board of Education review the decision of the school district board within 30 days of the disapproval.

(2) The State Board of Education delegates to the Superintendent of Public Instruction or designee all administrative functions necessary or reasonable in order to conduct review. This delegation to the Superintendent includes, but is not limited to:

(a) Determining the form, contents and timelines of the petition for review;

(b) Determining the records required for review and ordering the production of those records from either the applicant or school district board and establishing timelines for the production of those records;

(c) Requiring the applicant or school district board to respond to written or oral inquiries related to board review; and

(d) Determining at any time during the review process to reject a review request if in the judgment of the Superintendent, the applicant fails to reasonably comply with the administrative review processes of the Superintendent.

(3) The Superintendent may review the decision only to determine whether:

(a) The school district board used the process required OAR 581-026-0060; and

(b) The proposal meets the criteria described in OAR 581-026-0060 (1); and

(c) The reasons stated by the school district board for the denial are valid and align with the criteria described in OAR 581-026-0060 (1).

(4) Following a review described in (9), the State Board of Education may:

(a) Uphold the decision of the school district board to disapprove the resubmitted proposal;

(b) Remand the resubmitted proposal to the school district board for reconsideration if the school district board and the applicant agree to the remand; or

(c) Consider becoming the sponsor of the public charter school if the applicant agrees to the sponsorship.

(5) At the conclusion of the administrative review process the Superintendent shall recommend in writing to the State Board to:

(a) Uphold the decision of the school district board to disapproved the resubmitted proposal; or

(b) Remand the resubmitted proposal to the school district board for reconsideration if the school district board and the applicant agree to the remand; or

(c) Sponsor the public charter school upon the terms in the proposal or upon such other terms specified.

(6) The State Board will consider the recommendation of the Superintendent and any other information it deems relevant and determine based on the requirements of ORS 338 to have the State Board sponsor the public charter school.

(a) If the State Board decides to consider the recommendation of the Superintendent to sponsor the public charter school, the State Board will complete a rigorous evaluation of the proposal as defined in State Board policy.

(7) The decision of the State Board to uphold the school district board decision to disapproved the resubmitted proposal will be based on substantial evidence in the record and will be made within 75 days of receipt by the State Board of the Superintendent's recommendation, unless extended for good cause.

(8) An applicant may seek judicial review of an order of the State Board of Education pursuant to ORS 183.484.

## 581-026-0130

### Procedure to Waive Certain Provisions of the Charter School Law

(1) A public charter school may petition the State Board of Education for a waiver of any provision of ORS 338. The written petition must specify the reason(s) the charter school is seeking the waiver and any other relevant information.

(2) The public charter school must notify the sponsor if a waiver under this section is being considered. Waivers granted by the State Board to a charter school may require amending the charter under the provisions of OAR 581-026-0100(7).

(3) The State Board of Education, upon receipt of a waiver petition, will review the petition and may grant the waiver upon a showing that approving the waiver would:

(a) Promote the development of programs by providers;

(b) Enhance the equitable access by underserved families to the public education of their choice;

(c) Extend the equitable access to public support by all students; or

(d) Permit the development of high quality programs of unusual cost.

(4) The State Board of Education may not waive any review provision under the Act or any provision under ORS 338.115(1).

### Annual Financial Reporting

(1)(a) A public charter school required to comply with ORS 338.035(2)(a)(B) and (C) shall have an annual audit of the accounts of the public charter school prepared in accordance with the Municipal Audit Law, ORS 297.405 to 297.555 and 297.990.

(b) A public charter school that is not required to comply with ORS 338.035(2)(a)(B) and (C) as provided by ORS 338.035(2)(b), must comply with OAR 581-026-0200 and must be included in the audit of the sponsoring district. The district audit for the public charter school must minimally include:

(A) An audit of all accounts and funds associated with the public charter school;

(B) A summary of significant accounting policies, cash and investments, and internal controls; and

(C) A statement of activities and a balance sheet containing a summary of the assets and liabilities of the public charter school as of the closing date of the preceding annual audit period for the school.

(2) After an audit, the public charter school shall forward a copy of the annual audit to the Department of Education.

(3) After an audit, the public charter school shall forward the following to the sponsor:

(a) A copy of the annual audit;

(b) Any statements from the public charter school that show the results of all operations and transactions affecting the financial status of the public charter school during the preceding annual audit period for the school; and

(c) A balance sheet containing a summary of the assets and liabilities of the public charter school as of the closing date of the preceding annual audit period for the school.

## 81-026-0505

### Process to Appeal Decision by Sponsor to Terminate Charter

(1) A public charter school governing body may request the State Board of Education review the decision to terminate a charter. The State Board of Education's review shall be limited to the grounds for termination as stated by the school district board or sponsor or a plan to correct deficiencies. Any notice of a request for State Board review must be made in writing and be delivered to the State Board of Education and the business address of the sponsor.

(2) The State Board of Education delegates to the Superintendent of Public Instruction or designee all administrative functions necessary or reasonable in order to conduct a timely review. This delegation to the Superintendent includes, but is not limited to:

(a) Determining the form, contents, and timelines of the petition for review;

# ADMINISTRATIVE RULES

(b) Determining the records required for review and ordering the production of those records from either the public charter school governing body or school district board and establishing timelines for the production of those records;

(c) Requiring the public charter school governing body or school district board to respond to written or oral inquiries related to board review;

(d) Delegating the review function to a hearings officer to hold a contested case hearing under ORS 183.411 through 183.470 and issue a proposed order; and

(e) Issuing a final order that may be appealed under the provisions of ORS 183.484.

(3) The State Board, or its designee, will where possible, issue its final order within 60 days from the sponsor's notification of intent to terminate as required in ORS 338.105(2). If it is not possible to issue the final order within 60 days, the charter school shall remain open pending issuance of the final order.

(4) The governing body of a public charter school that is closed under the provisions of ORS 338.105(4) may request the State Board of Education, or its designee, to review the decision of the sponsor to terminate the charter and close the public charter school. The State Board of Education, or its designee, will hold a hearing within 10 days of receiving the request for review. The review under this section will be accomplished under the provisions of subsection (2) of this rule and under the timelines set out in ORS 338.105(4) and, to the extent practicable, subsection (3) of this rule.

**Oregon Health Authority**  
**Chapter 943**

**Rule Caption:** Establishing rules for the development of Cultural Competence Continuing Education Opportunities for Health Care Professionals

**Adm. Order No.:** OHA 4-2014

**Filed with Sec. of State:** 12-18-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 9-1-2014

**Rules Adopted:** 943-090-0000, 943-090-0010, 943-090-0020

**Subject:** These rules create requirements for the Oregon Health Authority to provide resources and support for improving the cultural competence of regulated health care professionals in Oregon and to report to the Oregon State Legislature about the level of participation in cultural competence education among regulated health-care professionals. The rules require the Authority to establish an advisory committee to establish criteria for cultural competence continuing education and recommend continuing education opportunities for adoption. The rules require that the Authority collaborate with designated boards to create a documentation structure and model rules for implementation of continuing education documentation requirements.

**Rules Coordinator:** Keely L. West—(503) 945-6292

## 943-090-0000

### Purpose

These rules create requirements for the Oregon Health Authority to provide resources and support for improving the cultural competence of regulated health care professionals in Oregon and to report to the Oregon State Legislature as required by 2013 Oregon Law, Chapter 240 about the level of participation in cultural competence education among regulated health-care professionals.

Stat. Auth.: ORS 413.042 & 2013 OL Ch. 240

Stats. Implemented:

Hist.: OHA 4-2014, f. 12-18-14, cert. ef. 1-1-15

## 943-090-0010

### Definitions

The following definitions apply to OAR 943-090-0000 through 943-090-0020:

(1) "Authority" means the Oregon Health Authority.

(2) "Continuing Education" means a unit or units of education as defined by each board to which this statute is applicable.

(3) "Cultural competence" means a life-long process of examining values and beliefs and developing and applying an inclusive approach to health care practice in a manner that recognizes the context and complexities of provider-patient communication and interaction and preserves the dignity of individuals, families and communities.

(a) Cultural competence applies to all patients.

(b) Culturally competent providers do not make assumptions on the basis of an individual's actual or perceived abilities, disabilities or traits whether inherent, genetic or developmental including: race, color, spiritual beliefs, creed, age, tribal affiliation, national origin, immigration or refugee status, marital status, socio-economic status, veteran's status, sexual orientation, gender identity, gender expression, gender transition status, level of formal education, physical or mental disability, medical condition or any consideration recognized under federal, state and local law.

(4) "Patient" represents individuals in the broadest spectrum of the roles in health and home care services, including but not limited to: patient, consumer, client, patient representative, resident, and patient family or community.

(5) "Provider" represents individuals in the broadest spectrum of roles in health and home care services, including but not limited to: physicians, nurses, social workers, medical technicians, traditional health workers, and home care and personal support workers.

Stat. Auth.: ORS 413.042 & 2013 OL Ch. 240

## 943-090-0020

### Cultural Competence Resources, Support and Reporting

(1) The Authority, through its Office of Equity and Inclusion, shall create, maintain and make available a list of approved continuing education opportunities for developing cultural competence for regulated health care professionals.

(2) The Authority shall collaborate with legislatively designated boards to:

(a) Create model rule language for affected boards to document cultural competence continuing education.

(b) Create a reporting structure for affected boards to report on the cultural competence continuing education completed by regulated health care professionals.

(3) The Authority shall establish an advisory committee to:

(a) Develop or update criteria for approving cultural competence continuing education opportunities.

(b) Discuss and recommend cultural competence continuing education opportunities to the Authority for approval.

(4) The advisory committee shall include members of communities that experience health disparities because of race, ethnicity or culture.

(5) The Authority shall base the list of approved opportunities for cultural competence continuing education on the criteria established by the advisory committee.

(6) Authority approved continuing education opportunities shall teach attitudes, knowledge and skills enabling health care professionals to effectively communicate with and care for patients from diverse cultures, groups, and communities.

(a) These skills may include:

(A) Applying linguistic skills to communicate effectively with patients.

(B) Using cultural information to establish therapeutic relationships.

(C) Eliciting, understanding and applying cultural and ethnic data in the process of clinical care.

(b) Authority approved continuing education opportunities may include:

(A) Courses delivered in-person or electronically.

(B) Experiential learning such as cultural or linguistic immersion.

(C) Service learning.

(D) Specially designed cultural experiences.

(7) The affected boards shall report to the Authority no later than 30 days after the close of each biennium regarding:

(a) Regulated health care professionals who completed cultural competence continuing education.

(b) Audited health care professionals who completed cultural competence continuing education from the Authority approved list.

(c) Whether the board requires members participate in cultural competence continuing education.

(d) The level of reporting each board requires of members related to participation in cultural competence continuing education.

# ADMINISTRATIVE RULES

(8) The Authority shall compile a biennial report on the participation of health care professionals in cultural competence continuing education, including the number of:

(a) Regulated health care professionals who completed cultural competence continuing education.

(b) Audited health care professionals who completed cultural competence continuing education from the Authority approved list.

(c) The number of boards requiring that members participate in cultural competence continuing education.

(d) The level of reporting each board requires of members related to participation in cultural competence continuing education.

(9) On or before August 1 of each even-numbered year, the Authority shall report to the interim committees of the Legislative Assembly, including those related to health care, audits, information management, and information technology about the participation of health-care professionals in cultural competence continuing education as submitted to the Authority by the boards.

Stat. Auth.: ORS 413.042 & 2013 OL Ch. 240

## Oregon Health Authority, Division of Medical Assistance Programs Chapter 410

**Rule Caption:** Amendment of HERC Prioritized List of Health Services Reflecting Approved Modifications Effective Oct. 1, 2014  
**Adm. Order No.:** DMAP 79-2014

**Filed with Sec. of State:** 12-18-2014

**Certified to be Effective:** 12-31-14

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 410-141-0520

**Rules Repealed:** 410-141-0520(T)

**Subject:** The OHP program administrative rules govern the Division of Medical Assistance Programs' payments for services provided to clients. The Division needs to permanently amend 410-141-0520 to reference the Health Evidenced Review Committee (HERC) Prioritized List of Health Services' January 1, 2012–December 31, 2014. The HERC has made interim modifications and technical changes to the October 13, 2013 Prioritized List of Health Services. The changes will be effective October 1, 2014.

**Rules Coordinator:** Sandy Cafourek—(503) 945-6430

### 410-141-0520

#### Prioritized List of Health Services

(1) The Health Evidenced Review Commission (HERC) Prioritized List of Health Services (Prioritized List) is the listing of physical and mental health services with "expanded definitions" of preventive services and the practice guidelines, as presented to the Oregon Legislative Assembly. The Prioritized List is generated and maintained by HERC. The HERC maintains the most current list on their website: <http://www.oregon.gov/oha/herc/Pages/PrioritizedList.aspx>. For a hardcopy, contact the Medical Assistance Programs within the Oregon Health Authority (OHA). This rule, effective October 1, 2014, incorporates by reference the Centers for Medicare and Medicaid Services' (CMS) approved biennial January 1, 2012–December 31, 2014 Prioritized List, including October 1, 2014 interim modifications and technical changes, expanded definitions, practice guidelines and condition treatment pairs funded through line 498.

(2) Certain mental health services are only covered for payment when provided by a Mental Health Organization (MHO), Community Mental Health Program (CMHP) or authorized Coordinated Care Organization (CCO).

(3) Substance Use Disorder (SUD) treatment services are covered for eligible OHP clients when provided by an FCHP, PCO, and CCO or by a provider who has a letter of approval from the Addictions and Mental Health Division and approval to bill Medicaid for SUD services.

**Rule Caption:** Amendment of HERC Prioritized List of Health Services Effective 1/1/15 Incorporating Approved Modifications Effective 10/1/14

**Adm. Order No.:** DMAP 80-2014(Temp)

**Filed with Sec. of State:** 12-23-2014

**Certified to be Effective:** 1-1-15 thru 6-29-15

**Notice Publication Date:**

**Rules Amended:** 410-141-0520

**Subject:** The Authority needs to temporarily amend 410-141-0520. This change will reference the approved Health Evidenced Review Commission (HERC) Prioritized List of Health Services, effective January 1, 2015–December 31, 2015 and incorporating interim modifications and technical changes made October 1, 2014. The changes will be effective January 1, 2015.

**Rules Coordinator:** Sandy Cafourek—(503) 945-6430

### 410-141-0520

#### Prioritized List of Health Services

(1) The Health Evidenced Review Commission (HERC) Prioritized List of Health Services (Prioritized List) is the listing of physical and mental health services with "expanded definitions" of preventive services and the practice guidelines as presented to the Oregon Legislative Assembly. The Prioritized List is generated and maintained by HERC. The HERC maintains the most current list on their website: <http://www.oregon.gov/oha/herc/Pages/PrioritizedList.aspx>. For a hard copy, contact the Division of Medical Assistance Programs within the Oregon Health Authority (OHA).

(2) This rule, effective January 1, 2015, incorporates by reference the Centers for Medicare and Medicaid Services' (CMS) approved January 1, 2015–December 31, 2015 Prioritized List, including October 1, 2014 interim modifications and technical changes, expanded definitions, practice guidelines, and condition treatment pairs funded through line 476.

**Rule Caption:** Rule Rewritten to Ensure Language Is Consistent with HERC Coverage Guidelines

**Adm. Order No.:** DMAP 81-2014

**Filed with Sec. of State:** 12-23-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 410-122-0202

**Subject:** The Division needs to rewrite the rule to ensure coverage guidelines are consistent with HERC coverage guidelines. The rule is also reorganized to assist providers and staff in interpretation.

**Rules Coordinator:** Sandy Cafourek — (503) 945-6430

## 410-122-0202

### Positive Airway Pressure (PAP) Devices for Adult Obstructive Sleep Apnea

(1) The Division of Medical Assistance Programs (Division) may cover a positive airway pressure (PAP) device for treatment of obstructive sleep apnea (OSA) when:

(a) The client has a face-to-face clinical evaluation by the treating physician prior to a sleep test to assess the client for obstructive sleep apnea; and

(b) The client has a polysomnogram performed in a facility-based laboratory or a home sleep test that demonstrates positive diagnosis of OSA with either of the following:

(A) The apnea-hypopnea index (AHI) or Respiratory Disturbance Index (RDI) is greater than or equal to 15 events per hour; or

(B) The AHI or RDI is between 5 and 14 events with additional symptoms including one or more of the following:

(i) Excessive daytime sleepiness as documented by a score of greater than 10 on the Epworth Sleepiness Scale or daytime sleepiness interfering with ADLs that is not attributable to another modifiable sedating condition (e.g. narcotic dependence); or

(ii) Documented hypertension; or

(iii) Ischemic heart disease; or

(iv) History of stroke.

(c) The client or their caregiver has received instruction from the supplier of the PAP device and accessories in the proper use of the equipment.

(d) The client meets criteria listed in section (2) of this rule for the particular device to be used.

(2) Continuous Positive Airway Pressure (CPAP) or Auto-titrating Continuous Positive Airway Pressure (APAP) devices:

(a) A CPAP/APAP device (E0601) may be covered for clients with OSA when criteria in (1)(a)–(c) are met;

(b) A three-month trial (rental) period for PAP devices is required to determine benefit and ongoing coverage of the device;

(c) Rental charges apply toward purchase.

(3) Respiratory Assist devices:

(a) A respiratory assist device (RAD) without backup rate (E0470) may be covered for clients with OSA when:

(A) Criteria in (1)(a)–(c) of this rule are met, and

(B) A CPAP/APAP device (E0601) has been tried and proven ineffective;

(b) If a CPAP/APAP device is tried and found ineffective during the initial facility-based titration or three-month home trial, substitution of a RAD does not require a new face-to-face clinical evaluation or sleep test;

(c) If a CPAP/APAP device has been used for more than three months and the client is switched to a RAD, a clinical re-evaluation must occur, but a new sleep test is not required. A new three-month trial would begin for use of the RAD;

(d) Coverage, coding, and documentation requirements for the use of RADs for diagnoses other than OSA are addressed in 410-122-0205 Respiratory Assist Devices.

(e) A RAD with backup rate (E0471) is not medically indicated for the treatment of obstructive sleep apnea.

(4) For a client using a PAP device prior to Oregon Health Plan (OHP) enrollment, continuing coverage for the device and related accessories may be authorized on a case-by-case basis by the appropriate authorizing unit.

(5) Continued Coverage of PAP device:

(a) Ongoing rental of a PAP device (E0470 or E0601) beyond the three-month trial period is an option in lieu of purchase when medically appropriate, cost effective, and conditions of coverage have been met;

(b) Continued coverage of a PAP device (E0470 or E0601) beyond the first three months of therapy requires that, no sooner than the 31st day but no later than the 91st day after initiating therapy, the treating practitioner shall conduct a face-to-face clinical re-evaluation and document that the client is benefiting from PAP therapy;

(c) If the clinical re-evaluation does not occur until after the 91st day but the evaluation demonstrates that the client is benefiting from PAP therapy as defined in criteria, continued coverage of the PAP device will commence with the date of that re-evaluation;

(d) If a CPAP/APAP has been used more than three months and the client is switched to a RAD, then the clinical re-evaluation shall occur between the 31st and 91st day following initiation of the RAD.

(6) Accessories:

(a) Accessories used with a PAP device are covered when the coverage criteria for the device are met;

(b) Accessories are separately reimbursable at the time of initial issue and when replaced;

(c) Either a non-heated (E0561) or heated (E0562) humidifier is covered when ordered by the treating practitioner for use with a covered PAP device (E0470, E0601);

(d) The following represents the usual maximum amount of accessories expected to be medically appropriate:

(A) A4604 — 1 per 3 months;

(B) A7027 — 1 per 3 months;

(C) A7028 — 2 per month;

(D) A7029 — 2 per month;

(E) A7030 — 1 per 3 months;

(F) A7031 — 1 per month;

(G) A7032 — 2 per month;

(H) A7033 — 2 per month;

(I) A7034 — 1 per 3 months;

(J) A7035 — 1 per 6 months;

(K) A7036 — 1 per 6 months;

(L) A7037 — 1 per 3 months;

(M) A7038 — 2 per month;

(N) A7039 — 1 per 6 months;

(O) A7046 — 1 per 6 months.

(7) Payment Authorization:

(a) From the initial date of service through the second date of service, prior authorization (PA) is not required for PAP device rental and related accessories. The provider is responsible to ensure all rule requirements are met;

(b) Payment authorization (i.e., a payment authorization number for billing) is required prior to submitting claims and will be given once all required documentation has been received and any other applicable rule requirements have been met;

(c) Payment authorization is obtained from the same authorizing authority as specified in 410-122-0040;

(d) All subsequent services starting with the third date of service require PA;

(e) An order refill does not have to be approved by the ordering practitioner. However, a client or their caregiver must request specific ongoing PAP supplies and accessories, subject to rule limitations and requirements, before they are dispensed. The DMEPOS provider shall not automatically dispense a quantity of supplies and accessories on a predetermined regular basis, even if the client has “authorized” this in advance;

(f) It is the provider’s responsibility to monitor appropriate and effective use of the device as ordered by the treating practitioner. When the equipment is not being used as prescribed, the provider shall stop billing for the equipment and related accessories and supplies.

(8) Guidelines:

(a) Polysomnography is the continuous and simultaneous monitoring and recording of various physiological and pathophysiological parameters

# ADMINISTRATIVE RULES

of sleep with physician review, interpretation, and report. It shall include sleep staging, which is defined to include a 1–4 lead electroencephalogram (EEG), electro-oculogram (EOG), submental electromyogram (EMG) and an electrocardiogram (ECG). It shall also include at least the following additional parameters of sleep: airflow, respiratory effort, and oxygen saturation by oximetry. It may be performed as either a whole night study for diagnosis only or as a split night study to diagnose and initially evaluate treatment;

(b) Polysomnographic and home studies shall be ordered by the client's treating physician, conducted by an entity that qualifies as a Medicare provider of sleep tests, and in compliance with all applicable state regulatory requirements;

(c) Polysomnographic studies and home sleep tests shall be scored according to the recommended rules as described in the American Academy of Sleep Medicine (AASM) Manual for Scoring of Sleep and Associated Events;

(d) Polysomnographic studies may not be performed by a DMEPOS provider;

(e) Home sleep tests are performed unattended in the client's home using a portable monitoring device that meets the following criteria:

(A) Type II device — Monitors and records a minimum of seven (7) channels: EEG, EOG, EMG, ECG/heart rate, airflow, respiratory movement/effort, and oxygen saturation; or

(B) Type III device — Monitors and records a minimum of four (4) channels: respiratory movement/effort, airflow, ECG/heart rate, and oxygen saturations; or

(C) Type IV device — Monitors and records a minimum of three (3) channels, one of which is airflow; or

(D) Other — Devices that monitor and record a minimum of three (3) channels that include actigraphy, oximetry, and peripheral arterial tone;

(f) For all PAP devices, clients who undergo a home sleep study shall, prior to having the test, receive instruction on how to properly apply a portable sleep monitoring device. This instruction shall be provided by the entity conducting the home sleep test and may not be performed by a DME supplier.

(g) Apnea is defined as the cessation of airflow for at least 10 seconds and documented on a polysomnogram or home sleep monitoring equipment;

(h) Hypopnea is defined as an abnormal respiratory event lasting at least 10 seconds with at least a 30 percent reduction in thoracoabdominal movement or airflow as compared to baseline and with at least a 4 percent decrease in oxygen saturation;

(i) The apnea-hypopnea index (AHI) is defined as the average number of episodes of apnea and hypopnea per hour of sleep without the use of a positive airway pressure device;

(j) The respiratory disturbance index (RDI) is defined as the average number of apneas plus hypopneas per hour of recording without the use of a positive airway pressure device;

(k) If the AHI or RDI is calculated based on less than two hours of continuous recorded sleep, the total number of recorded events used to calculate the AHI or RDI (respectively) shall be at least the number of events that would have been required in a two-hour period (i.e., must reach >30 events without symptoms or >10 events with symptoms);

(l) Adherence to therapy is defined as use of PAP four hours or more per night on 70 percent of nights during a consecutive thirty-day period anytime during the first three months of initial usage.

## (9) Documentation Requirements:

(a) Initial coverage:

(A) For CPAP/APAP device, submit the facility-based polysomnogram report or home sleep study report that supports a diagnosis of OSA prior to the third date of service;

(B) For a RAD, submit specific documentation from the treating practitioner that a CPAP was tried and shown to be ineffective;

(b) For extended rental use or purchase of a PAP device beyond the first three months of initial therapy, submit the following documentation no sooner than the 61st day after initiating therapy and prior to the fourth date of service:

(A) Documentation of the face-to-face clinical re-evaluation by the treating practitioner that supports clinical benefit including client tolerance, compliance and efficacy, and demonstrates symptoms of OSA are improved; and

(B) Objective evidence of adherence to use of the PAP device, including a summary of PAP compliance report through a direct download of usage date; or

(C) When objective data does not support compliance and efficacy, a face-to-face visit with the treating practitioner clearly specifying a treatment plan with measurable goals to improve adherence to treatment; and

(D) Any other medical documentation that supports indications of coverage;

(E) If a CPAP/APAP device has been used more than three months and the client is switched to a RAD, documentation of adherence to therapy shall be submitted during the three-month trial with the RAD;

(c) For a client using a PAP device prior to OHP enrollment, submit the following:

(A) Documentation of clinical benefit including client tolerance, compliance and efficacy, and that symptoms of OSA are improved from the client's treating practitioner; and

(B) A facility-based polysomnogram report or home sleep test as described in this rule and scored as described in (1)(n) that supports a diagnosis of OSA, if available.

**Adm. Order No.:** DMAP 82-2014

**Filed with Sec. of State:** 12-23-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 410-122-0520

**Subject:** The Division needs to amend the rule listed above to ensure coverage guidelines are consistent with HERC coverage guidelines that reduces the quantity of diabetic supplies allowed for type 2 diabetics who are not insulin dependent.

**Rules Coordinator:** Sandy Cafourek—(503) 945-6430

## 410-122-0520

### Glucose Monitors and Diabetic Supplies

(1) Indications and limitations of coverage and medical appropriateness:

(a) The Division of Medical Assistance Programs (Division) may cover home blood glucose monitors and related diabetic supplies for clients with diabetes who can self-monitor blood glucose (SMBG) or be monitored with assistance;

(b) Coverage of home blood glucose monitors is limited to clients meeting all of the following conditions:

(A) The client has diabetes that is being treated by a practitioner; and

(B) The glucose monitor and related accessories and supplies have been ordered by a practitioner who is treating the client's diabetes; and

(C) The client or caregiver has successfully completed a structured education and feedback program for self-monitoring of blood glucose and is scheduled to begin training in the use of the monitor, test strips, and lancing devices; and

(D) The client or caregiver is capable of using the test results to assure the client's appropriate glycemic control; and

(E) The device is designed for home use;

(c) Home blood glucose monitors with special features (E2100 or E2101) may be covered for clients who meet the basic coverage criteria (1)(b)(A)–(E) of this rule and the following:

(A) For code E2100, the treating practitioner certifies that the client has a severe visual impairment (i.e., best corrected visual acuity of 20/200 or worse) requiring use of this special monitoring system; or

(B) For code E2101, the treating practitioner certifies that the client has an impairment of manual dexterity severe enough to require the use of this special monitoring system;

(d) If a glucose monitor is covered, lancets, blood glucose test reagent strips, glucose control solutions, insulin syringes, and spring powered devices for lancets may also be covered. Coverage limitations for these supplies are as follows:

(A) For A4258, only one spring powered device every six months;

## ADMINISTRATIVE RULES

(B) For A4253 and A4259, the provider of the test strips and lancets shall maintain in their records the order from the treating practitioner. The provider shall verify that the client has nearly exhausted their supply, before dispensing more test strips and lancets. The amount of test strips and lancets covered is based on the needs of the client according to the following limitations:

(i) For clients with type 2 diabetes not requiring multiple daily insulin injections, up to 50 test strips (1 unit) and 100 lancets (1 unit) at the time of diagnosis;

(ii) For clients with type 2 diabetes who require diabetic medication that may result in hypoglycemia, up to 50 test strips and 100 lancets per 90 days. An additional 50 test strips may be covered with clinical documentation of an acute change in glycemic control or active diabetic medication adjustment;

(iii) For clients with Type 1 diabetes and those with type 2 diabetes requiring multiple daily insulin injections, up to 100 test strips and 100 lancets per month;

(iv) For clients with gestational diabetes, up to 150 test strips and 200 lancets per month no longer than 60 days beyond the duration of the pregnancy;

(v) Quantities exceeding these utilization guidelines require prior authorization and may be covered when:

(I) Basic coverage criteria in (1)(b)(A)-(E) for home glucose monitors and related accessories and supplies are met; and

(II) The treating practitioner has seen the client and evaluated their diabetes control within six months prior to ordering quantities of test strips and lancets that exceed the utilization guidelines and has documented in the client's medical record the specific reason for the additional supplies for that particular client; and

(III) If refills of quantities of supplies that exceed utilization guidelines are dispensed, there shall be documentation in the physician's records (e.g., a specific narrative statement that adequately specifies the frequency at which the client is actually testing or a copy of the client's log) that the client is actually testing at a frequency that corroborates the quantity of supplies that have been dispensed. If the client is regularly using quantities of supplies that exceed the utilization guidelines, new documentation shall be present at least every six months;

(C) Home blood glucose monitors are subject to a limit of one monitor per two calendar years;

(e) Diabetic supply providers may not dispense a quantity of supplies exceeding a client's expected utilization. Providers should stay attuned to atypical utilization patterns on behalf of their clients and verify with the ordering practitioner that the atypical utilization is, in fact, warranted. Regardless of utilization, a provider may not dispense more than a three-month quantity of glucose testing supplies (i.e., up to 300 test strips, 300 lancets, and 500 insulin syringes) at a time. Prior authorization (PA) shall be obtained prior to dispensing amounts in excess of these utilization limits;

(f) Providers may contact the treating practitioner to renew an order; however, the request for renewal may only be made with the client's continued monthly use of testing supplies and only with the client's or caregiver's request to the provider for order renewal;

(g) An order refill does not have to be approved by the ordering practitioner; however, a client or their caregiver shall specifically request refills of glucose monitor supplies before they are dispensed. The provider may not automatically dispense a quantity of supplies on a predetermined regular basis, even if the client has "authorized" this in advance;

(h) Purchase fee for a glucose monitor includes normal, low and high-calibrator solution/chips (A4256), a battery (A4233, A4234, A4235 or A4236), and a spring-powered lancet device (A4258);

(i) The following services are not covered:

(A) Peroxide (A4244), betadine, or phisoHex (A4246, A4247);

(B) Alternate site blood glucose monitors;

(C) Blood glucose monitors and related supplies prescribed on an "as needed" basis;

(D) Blood glucose test or reagent strips that use a visual reading and are not used in a glucose monitor;

(E) Disposable gloves;

(F) Home blood glucose disposable monitors;

(G) Jet injectors;

(H) Insulin delivery devices and related supplies other than those identified in this rule and OAR 410-122-0525;

(I) Reflectance colorimeter devices used for measuring blood glucose levels in clinical settings;

(J) Urine test or reagent strips or tablets.

(2) Guidelines:

(a) Insulin-treated means that the client is receiving insulin injections to treat their diabetes. Insulin does not exist in an oral form and therefore clients taking oral medication to treat their diabetes are not insulin-treated;

(b) A severe visual impairment is defined as a best corrected visual acuity of 20/200 or worse in both eyes;

(c) An order renewal is the act of obtaining an order for an additional period of time beyond that previously ordered by the treating practitioner;

(d) An order refill is the act of replenishing quantities of previously ordered items during the time period in which the current order is valid;

(e) A4256 describes control solutions containing high, normal, and low concentrations of glucose that can be applied to test strips to check the integrity of the test strips. This code does not describe the strip or chip which is included in a vial of test strips and which calibrates the glucose monitor to that particular vial of test strips;

(f) For glucose test strips (A4253), 1 unit of service = 50 strips. For lancets (A4259), 1 unit of service = 100 lancets.

(3) Documentation requirements:

(a) For supplies requiring prior authorization (PA), submit documentation that supports coverage criteria as specified in this rule are met;

(b) The order for home blood glucose monitors and/or diabetic testing supplies shall include all of the following:

(A) All item(s) to be dispensed;

(B) The specific frequency of testing;

(C) The treating practitioner's signature;

(D) The date of the treating practitioner's signature;

(E) A start date of the order is only required if the start date is different than the signature date;

(c) A new order shall be obtained when there is a change in the testing frequency;

(d) For E2100 or E2101 in a client with impaired visual acuity, submit documentation that includes a narrative statement from the practitioner which indicates the client's specific numerical visual acuity (e.g., 20/400) and that this result represents "best corrected" vision;

(e) For E2101 clients with impaired manual dexterity, submit documentation that includes a narrative statement from the practitioner which indicates an explanation of the client's medical condition necessitating the monitor with special features;

(f) When requesting quantities of supplies that exceed utilization guidelines as specified in (1)(d)(B)(i)-(iv) (e.g., more than 100 blood glucose test strips per month for insulin-dependent diabetes mellitus), submit documentation supporting the medical appropriateness for the higher utilization as specified in (1)(d)(B)(v)(I)-(III) to the appropriate authorization authority for PA;

(g) Documentation that supports condition of coverage requirements for codes billed in this rule shall be kept on file by the Durable Medical Equipment, Prosthetics, Orthotics, and Supplies (DMEPOS) provider and made available to the Division on request;

(h) The appropriate diagnosis code describing the condition that necessitates glucose testing shall be included on each claim for the monitor, accessories, and supplies;

(i) Diabetic supply providers are not prohibited from creating data collection forms in order to gather medically appropriate information; however, the Division will not rely solely on those forms to prove the medical appropriateness of services provided;

(j) A client's medical records shall support the justification for supplies dispensed and billed to the Division.

(4) Billing and Payment Guidelines:

(a) Diabetic supplies shall be billed using a National Drug Code (NDC). DMEPOS provider types shall submit claims with appropriate NDC and HCPCS codes to the Division via the Web Portal or Point of Sale Systems via professional claim format. Pharmacy provider types shall submit claims with appropriate NDC to the Division via the Web Portal or Point of Sale Systems via pharmacy claim format. Claims submitted on these systems without NDC's will not be processed. This NDC requirement applies to:

(A) Home glucose monitors; and

(B) Blood glucose test reagent strips;

(C) Lancets;

(D) Insulin syringes;

(E) Spring powered lancet devices;

(F) Calibrating solutions and chips;

(b) For specialized glucose monitors and the respective testing supplies, such as those with special features for the visually impaired and those

# ADMINISTRATIVE RULES

with manual dexterity problems, the provider shall obtain PA. After PA the provider can submit a professional claim to the Division;

(c) Orders received from prescribing clinicians for blood glucose test reagent strips that exceed utilization guidelines outlined in section (1)(d)(B)(i)-(iv) will require PA from the Division. Diabetic supply providers may initially dispense up to utilization limits (i.e., 300 test strips, 300 lancets, and 500 insulin syringes) prior to obtaining PA for orders that exceed utilization guidelines. After PA is issued the remaining amount may be dispensed for a three-month time period.

(3) Procedure Codes: Table 122-0520 — Diabetic Supplies.

**Filed with Sec. of State:** 12-23-2014

**Certified to be Effective:** 1-1-15 thru 6-29-15

**Notice Publication Date:**

**Rules Amended:** 410-120-1340

**Subject:** The Division of Medical Assistance Programs (Division) will temporarily amend this rule to implement annual updates to the Centers for Medicare and Medicaid (CMS) Relative Value Unit (RVU) weights for physician services and Clinical Laboratory and Ambulatory surgical services.

**Rules Coordinator:** Sandy Cafourek—(503) 945-6430

## 410-120-1340

### Payment

(1) The Division of Medical Assistance Programs (Division) shall make payment only to the enrolled provider (see OAR 410-120-1260) who actually performs the service or to the provider's enrolled billing provider for covered services rendered to eligible clients.

(2) Division reimbursement for services may be subject to review prior to reimbursement.

(3) The Division that is administering the program under which the billed services or items are provided sets fee-for-service (FFS) payment rates.

(4) The Division uses FFS payment rates in effect on the date of service that are the lesser of:

(a) The amount billed;

(b) The Division maximum allowable amount or;

(c) Reimbursement specified in the individual program provider rules.

(5) Amount billed may not exceed the provider's "usual charge" (see definitions).

(6) The Division's maximum allowable rate setting process uses the following methodology for:

(a) Relative Value Unit (RVU) weight-based rates: For all CPT/HCPCS codes assigned an RVU weight, the 2015 Total RVU weights published in the Federal Register, Vol. 79, November 13, 2014 to be effective for dates of services on or after January 1, 2015:

(A) For professional services not typically performed in a facility, the Non-Facility Total RVU weight;

(B) For professional services typically performed in a facility, the Facility Total RVU weight;

(C) The Division applies the following conversion factors:

(i) \$40.79 for labor and delivery codes (59400-59622);

(ii) \$36.0666 for Federally Qualified primary care codes billed by providers meeting the criteria in OAR 410-130-0005 for dates of service between January 1, 2013 and December 31, 2014;

(iii) \$27.82 for Oregon primary care providers and services not specified in sub-paragraph (ii). A current list of primary care CPT, HCPCS, and provider specialty codes is available at [http://www.oregon.gov/OHA/healthplan/data\\_pubs/feeschedule/main.shtml](http://www.oregon.gov/OHA/healthplan/data_pubs/feeschedule/main.shtml).

(iv) \$25.48 for all remaining RVU weight based CPT/HCPCS codes.

(D) Rate calculation: Effective January 1, 2015, the Division shall calculate rates for each RVU weight-based code using statewide Geographic Practice Cost Indices (GPCIs) as follows:

(i) Work RVU) X (Work GPCI of 1) + (Practice Expense RVU) X (Practice GPCI of 0.974) + (Malpractice RVU) X (Malpractice GPCI of 0.708);

(ii) Sum in paragraph (D)(i) multiplied by the applicable conversion factor in paragraph (C) .

(b) Non RVU based rates:

(A) \$20.78 is the base rate for anesthesia service codes 00100-01996. The rate is based on per unit of service;

(B) Clinical lab codes are priced at 70 percent of the 2015 Medicare clinical lab fee schedule;

(C) All approved Ambulatory Surgical Center (ASC) procedures are reimbursed at 80 percent of the 2014 Medicare fee schedule;

(D) Physician administered drugs, billed under a HCPCS code, are based on Medicare's Average Sale Price (ASP). When no ASP rate is listed, the rate shall be based upon the Wholesale Acquisition Price (WAC) plus 6.25 percent. If no WAC is available, then the rate shall be reimbursed at Acquisition Cost. Pricing information for WAC is provided by First Data Bank. These rates may change periodically based on drug costs;

(E) All procedures used for vision materials and supplies are based on contracted rates that include acquisition cost plus shipping and handling;

(F) Individual provider rules may specify reimbursement rates for particular services or items.

(7) The rates in section (6) are updated periodically and posted on the Authority web site at [http://www.oregon.gov/OHA/healthplan/data\\_pubs/feeschedule/main.shtml](http://www.oregon.gov/OHA/healthplan/data_pubs/feeschedule/main.shtml).

(8) The Division reimburses inpatient hospital service under the DRG methodology, unless specified otherwise in the Hospital Services program administrative rules (chapter 410, division 125). Reimbursement for services, including claims paid at DRG rates, may not exceed any upper limits established by federal regulation.

(9) The Division reimburses all out-of-state hospital services at Oregon DRG or FFS rates as published in the Hospital Services Program rules (OAR chapter 410, division 125) unless the hospital has a contract or service agreement with the Division to provide highly specialized services.

(10) Payment rates for in-home services provided through Department of Human Services (Department) Aging and People with Disabilities (APD) may not exceed the costs of nursing facility services unless the criteria in OAR 411-027-0020 have been met.

(11) The Division sets payment rates for out-of-state institutions and similar facilities, such as skilled nursing care facilities and psychiatric and rehabilitative care facilities at a rate that is:

(a) Consistent with similar services provided in the State of Oregon; and

(b) The lesser of the rate paid to the most similar facility licensed in the State of Oregon or the rate paid by the Medical Assistance Programs in that state for that service; or

(c) The rate established by APD for out-of-state nursing facilities.

(12) The Division may not make payment on claims that have been assigned, sold, or otherwise transferred or when the billing provider, billing agent, or billing service receives a percentage of the amount billed or collected or payment authorized. This includes, but is not limited to, transfer to a collection agency or individual who advances money to a provider for accounts receivable.

(13) The Division may not make a separate payment or copayment to a nursing facility or other provider for services included in the nursing facility's all-inclusive rate. The following services are not included in the all-inclusive rate (OAR 411-070-0085) and may be separately reimbursed:

(a) Legend drugs, biologicals and hyperalimentation drugs and supplies, and enteral nutritional formula as addressed in the Pharmaceutical Services Program administrative rules (chapter 410, division 121) and Home Enteral/Parenteral Nutrition and IV Services Program administrative rules (chapter 410, division 148);

(b) Physical therapy, speech therapy, and occupational therapy provided by a non-employee of the nursing facility within the appropriate program administrative rules (chapter 410, division 129 and 131);

(c) Continuous oxygen that exceeds 1,000 liters per day by lease of a concentrator or concentrators as addressed in the Durable Medical Equipment, Prosthetics, Orthotics and Supplies program administrative rules (chapter 410, division 122);

(d) Influenza immunization serum as described in the Pharmaceutical Services program administrative rules (chapter 410, division 121);

# ADMINISTRATIVE RULES

(e) Podiatry services provided under the rules in the Medical-Surgical Services program administrative rules (chapter 410, division 130);

(f) Medical services provided by a physician or other provider of medical services, such as radiology and laboratory, as outlined in the Medical-Surgical Services program rules (chapter 410, division 130);

(g) Certain custom fitted or specialized equipment as specified in the Durable Medical Equipment, Prosthetics, Orthotics and Supplies program administrative rules (chapter 410, division 122).

(14) The Division reimburses hospice services based on CMS Core-Based Statistical Areas (CBSA's). A separate payment may not be made for services included in the core package of services as outlined in OAR chapter 410, division 142.

(15) Payment for Division clients with Medicare and full Medicaid:

(a) The Division limits payment to the Medicaid allowed amount, less the Medicare payment, up to the Medicare co-insurance and deductible, whichever is less. The Division's payment may not exceed the co-insurance and deductible amounts due;

(b) The Division pays the allowable rate for covered services that are not covered by Medicare.

(16) For clients with third-party resources (TPR), the Division pays the allowed rate less the TPR payment but not to exceed the billed amount.

(17) The Division payments, including contracted PHP or CCO payments, unless in error, constitute payment in full, except in limited instances involving allowable spend-down or copayments. For the Division, payment in full includes:

(a) Zero payments for claims where a third party or other resource has paid an amount equivalent to or exceeding Division allowable payment; and

(b) Denials of payment for failure to submit a claim in a timely manner, failure to obtain payment authorization in a timely and appropriate manner, or failure to follow other required procedures identified in the individual provider rules.

(18) Payment by the Division does not restrict or limit the Authority or any state or federal oversight entity's right to review or audit a claim before or after the payment. Claim payment may be denied or subject to recovery if medical review, audit, or other post-payment review determines the service was not provided in accordance with applicable rules or does not meet the criteria for quality of care or medical appropriateness of the care or payment.

**Rule Caption:** Remove Artificial Disc Procedures So Division May Reimburse Providers per Prioritized List of Health Services

**Adm. Order No.:** DMAP 84-2014(Temp)

**Filed with Sec. of State:** 12-24-2014

**Certified to be Effective:** 12-24-14 thru 3-30-15

**Notice Publication Date:**

**Rules Amended:** 410-130-0220

**Subject:** This rule lists medical billing services not covered or services that the Division of Medical Assistance Programs (Division) considers to be bundled in other services for payment purposes. No payment is issued for services listed in this rule. This temporary rule

change will remove artificial disc procedures from this rule so that the Division may pay for these services.

**Rules Coordinator:** Sandy Cafourek—(503) 945-6430

## 410-130-0220

### Not Covered/Bundled Services

(1) Refer to the Oregon Health Plan administrative rules (chapter 410, division 141) and General Rules (chapter 410, division 120) for coverage of services. Refer to Table 130-0220-1 in this rule for additional information regarding not covered services or for services that the Division of Medical Assistance Programs (Division) considers to be bundled in other services.

(2) The following are examples of not covered services. This is not an all-inclusive list:

(a) Psychotherapy services (covered only through local mental health clinics and Mental Health Organizations);

(b) Routine postoperative visits (included in the payment for the surgery) during 90 days following major surgery (global period) or 10 days following minor surgery;

(c) Services that are normally provided in the practitioner's office but at the client's request are provided in a location other than the practitioner's office;

(d) Telephone calls for purposes other than tobacco cessation, maternity case management, and telemedicine.

(3) For specific information, see General Rules OAR 410-120-1200, Medical Assistance Benefits: Excluded Services and Limitations.

(4) Table 130-0220-1.

[ED. NOTE: Tables referenced are available from the agency.]

**Subject:** These rules describe the process for Medicaid providers to receive payment for providing behavioral health services to Oregon Medicaid recipients.

**Rules Coordinator:** Sandy Cafourek—(503) 945-6430

# ADMINISTRATIVE RULES

## 410-172-0000

### Scope

These rules specify standards for authorized appropriate reimbursement of Medicaid or State Children's Health Plan funded addictions and mental health services and supports. This includes payments for community-based services as well as those payments made for acute inpatient services in a general medical setting or a freestanding facility meeting the federal definition as an institute for mental disease reimbursed as a result of a request for payment. The requirements set forth here in OAR 410-172-000 through 410-172-0510 and referenced rules must be met in order for Medicaid payment to have been made appropriately.

## 410-172-0010

### Definitions

(1) "Action" means:

(a) The denial, limitation or restriction of a requested covered services including the type or level of service;

(b) The reduction, suspension or termination of a previously authorized service; or

(c) The failure to provide services in a timely manner, as defined as the Oregon Health Authority.

(2) "Active Treatment" means a service provided as prescribed in a professionally developed and supervised Individual Services and Supports Plan to address or improve a condition.

(3) "Addictions and Mental Health Division" means the Division of the Oregon Health Authority responsible for the administration of addictions and mental health services provided in Oregon or to its residents.

(4) "Allowable Cost" means the cost of treatment services based on cost finding principles found in the appropriate OMB Circular such as "Cost Principles for Non-Profit Organization" (OMB Circular A-122) or "Cost Principles for State, Local, and Indian Tribal Governments" (OMB Circular A-87) and including allowable costs incurred for interest on the acquisition of buildings and improvements thereon.

(5) "Appeal" means a request by an Individual or their representative to review an Action as defined in this rule.

(6) "Assertive Community Treatment" (ACT) means an evidence-based practice which utilizes a highly integrated, trans-disciplinary team to deliver comprehensive and effective services to individuals with serious mental illness who have needs that have not been well met by traditional approaches to delivering services.

(7) "Certificate of Approval" means the document awarded by the AMH signifying that a specific, named organization is judged by AMH to operate in compliance with applicable rules. A "Certificate of Approval" for mental health services is valid only when signed by the Deputy Director of AMH and, in the case of a subcontract provider of a CMHP, the CMHP director.

(8) "Certification of Need" means the procedures established by the Authority to certify in writing a child's need for psychiatric residential treatment services.

(9) "Child" or "Children" means a person under the age of 18. An individual with Medicaid eligibility, who is in need of services specific to children, adolescents, or young adults in transition, will be considered a child until age 21 for purposes of these rules.

(10) "Children, Adults and Families" (CAF) means the Division serving as Oregon's child welfare agency.

(11) "Clean Claim(s)" means a claim that can be processed without obtaining additional information from the provider of the service or from a third party. It includes a claim with errors originating in the State's claims system. It does not include a claim from a provider who is under investigation for fraud or abuse, or a claim under review for medical necessity.

(12) "Commission on Accreditation of Rehabilitation" (CARF) means an organization that accredits behavioral health care and community providers based on the current edition of the "CARF Behavioral Health" standards manual.

(13) "Community Mental Health Program" (CMHP) means an entity that is responsible for planning and delivery of services for persons with substance use disorders, mental health diagnosis, or developmental disabilities, operated in a specific geographic area of the state under an intergovernmental agreement or direct contract with the Authority.

(14) "Complaint" means an expression of dissatisfaction from an Individual or their representative to a Practitioner or Provider about any matter other than an Action.

(15) "Council on Accreditation of Services for Families and Children Facilities" (COA) means an organization that accredits behavioral health care and social service programs based on the current edition of the COA "Standards for Behavioral Health Care Services and Community Support and Education Services Manual."

(16) "Disabling Mental Illness" means a mental illness that substantially limits functioning in one or more major life activity.

(17) "Division" means the Addictions and Mental Health Division of the Oregon Health Authority.

(18) "Division of Medical Assistance Programs" (DMAP) means the Division of the Oregon Health Authority responsible for coordinating the medical assistance programs within the State of Oregon including the Oregon Health Plan (OHP) Medicaid demonstration, the State Children's Health Insurance Program (SCHIP — Title XXI), and several other programs.

(19) "DMAP/AMH" means the Division of Medical Assistance or Addictions and Mental Health Division. Both DMAP and AMH have delegated responsibilities for the administration of Medicaid funded addictions and mental health services and supports. A lead agency will be identified to each entity involved in any process when the delegation of such is necessary.

(20) "Diagnostic and Statistical Manual" (DSM) means the current edition of the Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association.

(21) "Fidelity Review" means an on-site assessment utilizing a standardized, reliable, and valid evaluation tool to determine the degree to which an evidence-based practice is being implemented. Fidelity reviews include staff interviews, consumer and family member interviews, observation of service provision, review of program data, and/or chart reviews as necessary for the practice being reviewed.

(22) "Grievance System" means the overall system in which an Individual can express dissatisfaction and that expression acted on if necessary. The Grievance System includes a Complaint process, and Appeals process and access to the Division of Medical Assistance Programs Administrative Hearing process.

(23) "Habitatation Services" means services designed to help an individual attain or maintain their maximal level of independence, including the individual's acceptance of a current residence and the prevention of unnecessary changes in residence. Services are provided in order to assist an individual to acquire, retain or improve skills in one or more of the following areas: assistance with activities of daily living, cooking, home maintenance, recreation, community inclusion and mobility, money management, shopping, community survival skills, communication, self-help, socialization, and adaptive skills necessary to reside successfully in home and community-based settings.

(24) "Individual" means any person being considered for or receiving services and supports.

(25) "Individual Service and Support Plan" (ISSP) means a comprehensive plan for services and supports provided to or coordinated for an individual and his or her family, as applicable, that is reflective of the assessment and the desired outcomes of service.

(26) "Interdisciplinary Team" means the group of people designated to advise in the planning and provision of services and supports to individuals receiving Intensive Treatment Services (ITS) and Enhanced Care Services (ECS) and may include multiple disciplines or agencies. For ITS programs, the composition of the interdisciplinary team must be consistent with the requirements of 42 CFR Part 441.156.

(27) "Joint Commission, The" (TJC) means the commission which accredits psychiatric residential treatment facilities according to its current edition of the "Comprehensive Accreditation Manual for Hospitals" and the "Comprehensive Accreditation Manual for Behavioral Health Care."

(28) "Letter of Approval" means the document awarded to service providers under OAR 309-012-0010 which states that the provider is in compliance with applicable administrative rules of the AMH. Letters of Approval issued for mental health services are obsolete upon their expiration date, or upon the effective date of 309-012-0140, whichever is later.

(29) "Licensed Medical Practitioner" (LMP) means a person who meets the following minimum qualifications as documented by the LMHA or designee:

(a) Physician licensed to practice in the State of Oregon; or

(b) Nurse practitioner licensed to practice in the State of Oregon; or

(c) Physician's Assistant licensed to practice in the State of Oregon.

# ADMINISTRATIVE RULES

(d) In addition, whose training, experience and competence demonstrate the ability to conduct a mental health assessment and provide medication management.

(e) For ICTS and ITS providers, a “Licensed Medical Practitioner” or “LMP” means a board-certified or board-eligible child and adolescent psychiatrist licensed to practice in the State of Oregon.

(30) “Local Mental Health Authority” (LMHA) means one of the following entities:

(a) The board of county commissioners of one or more counties that establishes or operates a Community Mental Health Program (CMHP);

(b) The tribal council, in the case of a federally recognized tribe of Native Americans that elects to enter into an agreement to provide mental health services; or

(c) A regional local mental health authority comprised of two or more boards of county commissioners.

(31) “Medicaid” means the federal grant-in-aid program to state governments to provide medical assistance to eligible persons, under Title XIX of the Social Security Act.

(32) “Medicaid Management Information System” The mechanized claims processing and information retrieval system that all states are required to have according to section 1903(a)(3) of the Social Security Act and defined in regulation at 42 CFR 433.111. All states operate an MMIS to support Medicaid business functions and maintain information in such areas as provider enrollment; client eligibility, including third party liability; benefit package maintenance; managed care enrollment; claims processing; and prior authorization.

(33) “Medically Appropriate” means services and medical supplies required for prevention, diagnosis or treatment of a physical or mental health condition, or injuries, and which are:

(a) Consistent with the symptoms of a health condition or treatment of a health condition;

(b) Appropriate with regard to standards of good health practice and generally recognized by the relevant scientific community and professional standards of care as effective;

(c) Not solely for the convenience of an individual or a provider of the service or medical supplies; and

(d) The most cost effective of the alternative levels of medical services or medical supplies that can be safely provided to an individual.

(34) “National Provider Identifier” (NPI) means a unique 10-digit identifier mandated by the Administrative Simplification provisions of the federal Health Insurance Portability and Accountability Act (HIPAA) for all healthcare providers that is good for the life of the provider.

(35) “Non-Contiguous Area Provider” means a provider located more than 75 miles from Oregon and enrolled with the Division.

(36) “Plan of Care” (POC) means a tool within the Medicaid Management Information System used to authorize certain Medicaid funded services for Individuals.

(37) “Provider” means an organizational entity, or qualified person, that is operated by or contractually affiliated with, a community mental health program, or contracted directly with the Authority, for the direct delivery of addictions, problem gambling or mental health services and supports.

(38) “Psychiatric Residential Treatment Facility” means facilities that are structured residential treatment environments with daily 24-hour supervision and active psychiatric treatment, Psychiatric Residential Treatment Services (PRTS), Secure Children’s Inpatient Treatment Programs (SCIP), Secure Adolescent Inpatient Treatment Programs (SAIP), and Sub-acute psychiatric treatment for children who require active treatment for a diagnosed mental health condition in a 24-hour residential setting.

(39) “Psychiatric Residential Treatment Services” means services delivered in a PRTF that include 24-hour supervision for children who have serious psychiatric, emotional or acute mental health conditions that require intensive therapeutic counseling and activity and intensive staff supervision, support and assistance.

(40) “Qualified Mental Health Associate” (QMHA) means a person delivering services under the direct supervision of a Qualified Mental Health Professional (QMHP) and meeting the following minimum qualifications as documented by the LMHA or designee:

(a) A bachelor’s degree in a behavioral sciences field; or

(b) A combination of at least three year’s relevant work, education, training or experience; and

(c) Has the competencies necessary to:

(A) Communicate effectively;

(B) Understand mental health assessment, treatment and service terminology and to apply the concepts; and

(C) Provide psychosocial skills development and to implement interventions prescribed on a Treatment Plan within the scope of his or her practice.

(41) “Qualified Mental Health Professional” (QMHP) means a Licensed Medical Practitioner (LMP) or any other person meeting the following minimum qualifications as documented by the LMHA or designee:

(a) Graduate degree in psychology;

(b) Bachelor’s degree in nursing and licensed by the State of Oregon;

(c) Graduate degree in social work;

(d) Graduate degree in a behavioral science field;

(e) Graduate degree in recreational, art, or music therapy; or

(f) Bachelor’s degree in occupational therapy and licensed by the State of Oregon; and

(g) Whose education and experience demonstrates the competencies to identify precipitating events; gather histories of mental and physical disabilities, alcohol and drug use, past mental health services and criminal justice contacts; assess family, social and work relationships; conduct a mental status examination; document a multiaxial DSM diagnosis; write and supervise a Treatment Plan; conduct a Comprehensive Mental Health Assessment; and provide individual, family, and/or group therapy within the scope of his or her practice.

(42) “Representative” means a person who acts on behalf of an individual at the individual’s request with respect to a grievance, including, but not limited to a relative, friend, employee of the Authority, attorney or legal guardian.

(43) “Residential Alcohol and Other Drug Treatment Program” means a publicly or privately operated program as defined in ORS 430.010 that provides assessment, treatment, rehabilitation and twenty four hour observation and monitoring for individuals with alcohol and other drug dependence, consistent with Level III of American Society of Addiction Medicine (ASAM) PPC-2R.

(44) “Supported Employment” (SE) means an evidence-based practice which provides services and supports to enable individuals with a serious mental illness to obtain and maintain competitive employment.

(45) “System Of Care” means the comprehensive array of mental health and other necessary services which are organized to meet the multiple and changing needs of children with severe emotional disorders and their families.

(46) “Usual and Customary Charge” means the lesser of the following unless prohibited from billing by federal statute or regulation:

(a) The Provider’s charge per unit of service for the majority of non-medical assistance users of the same service based on the preceding month’s charges;

(b) The Provider’s lowest charge per unit of service on the same date that is advertised, quoted or posted. The lesser of these applies regardless of the payment source or means of payment;

(c) Where the Provider has established a written sliding fee scale based upon income for individuals and families with income equal to or less than 200% of the federal poverty level, the fees paid by these individuals and families are not considered in determining the usual charge. Any amounts charged to Third Party Resources (TPR) are to be considered.

### Submission

(1) Timely Submission Providers shall meet all requirements in Oregon Administrative Rule 410-120-1300 Medical Assistance Programs Timely Submission of Claims

#### (2) Submission Process

(a) Services may be received directly from any appropriately enrolled or Division Provider;

(b) All services shall be billed directly to the Division in accordance with billing instructions contained in the Division's administrative rules and supplemental information;

(c) The Division shall pay at the FFS rate in effect on the date the service is provided subject to the rules and limitations described in the appropriate Division administrative rules and supplemental information.

## 410-172-0050

### Allowable and Non-Allowable Costs

(1) Costs of a services will be subject, but not limited to the allowable and non-allowable costs as determined by cost finding principles found in "Cost Principles for a Non-Profit Organization" (OMB Circular A-122) or "Cost Principles for State, Local, and Indian Tribal Governments" (OMB Circular A-87) with the exception of interest: Mortgage interest on the acquisition of buildings and improvements, which is necessary and proper, will be classified as an allowable cost for a non-profit psychiatric residential treatment facility:

(a) "Necessary" requires that the interest be incurred on a loan made for a purpose reasonably related to patient care.

(b) "Proper" requires that interest be incurred at a rate not in excess of what a prudent borrower would have had to pay in the money market existing at the time the loan was made.

(2) In accord with the Deficit Reduction Act of 1984, as outlined in the Social Security Act, Section 1851(V)(1)(O), for determining the allowance for depreciation and interest on capital indebtedness with respect to a non-profit psychiatric residential treatment facility which has undergone a change of ownership, this rule provides that the valuation of the asset after such a change of ownership has occurred shall be the lesser of the allowable acquisition cost of such an asset to the owner of record as of July 18, 1984, or the acquisition cost of such an asset to the new owner. In the case where the asset was in existence prior to July 18, 1984, the value of the asset will be based on the allowable acquisition cost to the first owner of record after July 18, 1984, thereby eliminating upward revaluation of an asset. The recapture of depreciation only up to the full value of the initial asset is allowed.

(3) Non-allowable costs include but are not limited to:

(a) Room and Board except when providing Psychiatric Residential Treatment Services for children and adolescents reimbursed under the Inpatient psychiatric Services for Individuals Under Age 21 section of the Code of Federal Regulations (42 CFR 440.160).

(b) Educational program services as defined by the Department of Education.

(c) Costs of services otherwise reimbursed as payment(s) in full through Division medical programs.

(d) Costs (including legal fees, accounting and administrative costs, travel costs, and costs of feasibility studies) attributable to the negotiation or settlement of the sale or purchase of any capital asset (by acquisition or merger) for which any payment made as payment(s) in full has previously been made.

Stat. Auth.: ORS 413.042 & 430.640

## 410-172-0060

### Payment

(1) The Division will make payment in compliance with 42 CFR 447.10. Any contracted Billing Agent or Billing Service submitting claims on behalf of a Provider but not receiving payment in the name of or on

behalf of the Provider does not meet the requirements for Billing Provider enrollment. If electronic transactions will be submitted, Billing Agents and Billing Services must register and comply with Oregon Health Authority Electronic Data Interchange (EDI) rules, OAR 943-120-0100 through 943-120-0200. The Division may require that payment for services be made only after review by the Division.

(2) The Division sets Fee-for-Service (FFS) payment rates.

(3) All FFS payment rates are the rates in effect on the date of service that are the lesser of the amount billed, the AMH maximum allowable amount or the reimbursement specified in the individual program Provider rules:

(a) The Division's maximum allowable rate setting process uses a methodology that is based on the existing Medicaid fee schedule with adjustments for legislative changes and payment levels. The rates are updated periodically and posted on the Division's website at <http://www.oregon.gov/oha/healthplan/Pages/reports.aspx>.

(b) Provider rules may specify reimbursement rates for particular services or items. Provider specific rates are determined based on the Provider's allowable costs of providing the service.

(4) The Authority sets payment rates for out-of-state institutions and similar facilities, such as psychiatric and rehabilitative care facilities at a rate that is:

(a) Consistent with similar services provided in the State of Oregon; and

(b) The lesser of the rate paid to the most similar facility licensed in the State of Oregon or the rate paid by the Medical Assistance Programs in that state for that service.

(5) The Division will not make payment on claims that have been assigned, sold, or otherwise transferred or when the Billing Provider, Billing Agent or Billing Service receives a percentage of the amount billed or collected or payment authorized. This includes, but is not limited to, transfer to a collection agency or individual who advances money to a Provider for accounts receivable.

(6) Payment for Division Clients with Medicare and Medicaid, excluding qualified Medicare beneficiary programs:

(a) The Division limits payment to the Medicaid allowed amount less the Medicare payment up to the Medicare co-insurance and deductible, whichever is less. Division payment cannot exceed the co-insurance and deductible amounts due;

(b) The Division pays the Division's allowable rate for Division covered services that are documented to be not covered by Medicare.

(7) For Clients with Third-Party Resources (TPR), Division pays the the Division allowed rate less the TPR payment but not to exceed the billed amount.

(8) Division payments, including contracted Prepaid Health Plan (PHP) payments, unless in error, constitute payment in full, except in limited instances involving allowable spend-down or copayments. For the Division such payment in full includes:

(a) Zero payments for claims where a third party or other resource has paid an amount equivalent to or exceeding the Division allowable payment; and

(b) Denials of payment for failure to submit a claim in a timely manner, failure to obtain Payment Authorization in a timely and appropriate manner, or failure to follow other required procedures identified in the individual Provider rules.

(9) The Division will reimburse providers consistent with all requirements in 42CFR447.45 Timely Claims Payment including but not limited to:

(a) The Division must pay 90 percent of all clean claims from Providers within 30 days of the date of receipt.

(b) The Division must pay 99 percent of all clean claims from Providers within 90 days of the date of receipt.

(c) The Division must pay all other claims within 12 months of the date of receipt except in various circumstances listed in 42CFR447.45(4).

(10) Payment by the Division does not limit the Authority or any state or federal oversight entity from reviewing or auditing a claim before or after the payment. Payment may be denied or subject to recovery if medical review, audit or other post-payment review determines the service was not provided in accordance with applicable rules or does not meet the criteria for quality of care, or medical appropriateness of the care or payment.

# ADMINISTRATIVE RULES

## 410-172-0070

### Overpayment

(1) The Authority Identified. Notwithstanding OAR 410-120-1397 when the Authority determines an overpayment has been made to a Provider, the amount of overpayment is subject to recovery by the Authority. The overpayment amount will be determined at the Authority's discretion through direct examination of claims, through statistical sampling and extrapolation techniques or other means. Procedures for recovery of funds are as described in the Division of Medical Assistance Programs General Rules for the Division of Medical Assistance Programs (OAR 410-120-1505) or by applicable contract language.

(2) Provider identified. When a provider discovers that they requested and may have received reimbursement not in compliance with all applicable rules they must contact the Division's Medicaid Policy Unit and Office of Payment Accuracy and Recovery (OPAR) promptly to report the possible inappropriate payment and discuss the manner by which the appropriateness will be determined as well as programmatic changes and other notifications to be made.

## 410-172-0140

### Prior Authorization

Authorization of Payment.

(1) Some of the services or items covered by the Division require authorization before payment will be made. Some services require authorization before the service can be provided. Services requiring prior authorization can be found on the Mental Health Procedure Codes and Reimbursement Rates Table located at [www.oregon.gov/policy/health-plan/Pages/report.aspx](http://www.oregon.gov/policy/health-plan/Pages/report.aspx). The procedure for receiving authorization is detailed in the Provider Manual found on the same website.

(2) Documentation submitted when requesting authorization must support the medical justification for the service. A complete request is one that contains all necessary documentation and meets any other requirements as described in the appropriate Provider rules.

(3) The Division will authorize for the level of care or type of service that meets the Individual's medical need. Only services which are Medically Appropriate and for which the required documentation has been supplied may be authorized. The authorizing agency may request additional information from the Provider to determine medical appropriateness or appropriateness of the service.

(4) The Division and its authorizing agencies are not required to authorize services or to make payment for authorized services under the following circumstances:

(a) The individual was not eligible for Medicaid at the time services were provided. The provider is responsible for checking the individual's eligibility each time services are provided;

(b) The Provider does not hold a valid Certificate of Approval from the AMH for the service;

(c) The Provider cannot produce appropriate documentation to support medical appropriateness, or the appropriate documentation was not submitted to the Division;

(d) The service has not been adequately documented (see 410-172-0020); that is, the documentation in the Provider's files is not adequate to determine the type, medical appropriateness, or frequency and duration of services provided and required documentation is not in the Provider's files;

(e) The services billed or provided are not consistent with the information submitted when authorization was requested or the services provided are determined retrospectively not to be medically appropriate;

(f) The services billed are not consistent with those provided;

(g) The services were not provided within the timeframe specified on the authorization of payment document;

(h) The services were not authorized or provided in compliance with these rules, the General Rules and in the appropriate Provider rules.

(i) The provider was not eligible to receive reimbursement from Medicaid at the time the service was rendered.

(j) The individual's needs can be better met through another system of care, such as Aging and People with Disabilities; the individual is eligible for services under that system of care; the individual has been given notice of that eligibility; and the services necessary to support a successful transition to the alternate system of care have been provided.

(5) Payment made for services described in subsections (a)–(h) of this rule will be recovered (see also Basis for Mandatory Sanctions and Basis for Discretionary Sanctions).

(6) Retroactive Eligibility:

# ADMINISTRATIVE RULES

(a) In those instances when Individuals are made retroactively eligible, authorization for payment may be given if:

(A) The Individual was eligible on the date of service;

(B) The services provided meet all other criteria and Oregon Administrative Rules, and;

(C) The request for authorization is received by the Division within 90 days of the date of service;

(b) Services provided when a Medicaid-eligible Individual is retroactively dis-enrolled from a Prepaid Health Plan (PHP) or services provided after the Individual was dis-enrolled from a PHP may be authorized if:

(A) The Individual was eligible on the date of service;

(B) The services provided meet all other criteria and Oregon Administrative Rules; and

(C) The request for authorization is received by the Division within 90 days of the date of service;

(c) Any requests for authorization after 90 days from date of service require documentation from the Provider that authorization could not have been obtained within 90 days of the date of service.

(7) The Division will process requests for prior authorization that do not require additional information from the provider or third party consistent with timeliness of payments for clean claims described in 42CFR447.45 and included in 309-016-0630(9).

(8) Prior Authorization is valid for the time period specified on the authorization notice, but not to exceed 12 months, unless the Individual's benefit package no longer covers the service, in which case the authorization will terminate on the date coverage ends.

(9) Prior Authorization for Individuals with other insurance or for Medicare beneficiaries:

(a) When Medicare is the primary payer for a service, no Prior Authorization from the Division is required, unless specified in the appropriate program Provider rules;

(b) For Individuals who have private insurance or other Third Party Resources (TPRs), such as Blue Cross, Tri-Care, etc., the Division requires Prior Authorization as specified above and in the appropriate Provider rules when the other insurer or resource does not cover the service or when the other insurer reimburses less than the Division rate;

(c) For Individuals in a Medicare's Social Health Maintenance Organization (SHMO), the SHMO requires Payment Authorization for some services. the Division requires Prior Authorization for services which are covered by the Division but which are not covered under the SHMO as specified above and in the appropriate Provider rules.

## 410-172-0150

### Limitations

Published Payment Schedule.

(1) Payment will be made at each Provider's usual and customary charge or the Division's published reimbursement upper payment limit, whichever is less, minus payments received or due from other payors. Payments to other specified Providers will be made according to other approved schedules:

(a) Limitations contained in the Medicaid Rehabilitative Services Procedure Codes and Reimbursement Rates Schedule, such as the maximum rate and the amount, duration, and scope of services provided, are subject to change at the discretion of the Division. Providers will be notified of such changes in writing;

(b) Payment will be made for services listed in the Medicaid Rehabilitative Services Procedure Codes and Reimbursement Rates Schedule which are rendered to Medicaid-eligible Individuals by qualified staff meeting the definition of chapter 309 division 18, 19, or 22 during the period in which the Provider is enrolled in the Division of Medical Assistance Program.

(2) Reimbursement for specific services that are typically limited in frequency or when occurring on the same day as other services may be reimbursed for a special population of individuals who are at high-risk for long-term institutionalization and have been authorized by the Division for fee-for-service mental health rehabilitative services. Pending CMS approval, the following combination of services, when authorized prior to the service, billed with an HK modifier and when approved for a specific individual by the Division, will be reimbursed.

### Variations

A variance from those portions of these rules that are not derived from federal regulations, Oregon's Medicaid State Plan or the General Rules for Oregon Medical Assistance Programs may be granted to an applicant for a period of up to one year in the following manner:

(1) The applicant shall submit to the Division's Medicaid Policy Unit a written request which includes:

(a) The section(s) of the rule from which the variance is sought;

(b) The reason for the proposed variance;

(c) The alternative practice proposed; and

(d) A plan and timetable for compliance with the section of the rule from which the variance is sought unless under the discretion of the Division the practice detailed in the variance will be ongoing to be renewed annually.

(2) The Division's Director shall approve or deny the request for variance in writing.

(3) The Division's Medicaid Policy Unit shall notify the Provider of the decision in writing within 30 days of receipt of the request.

(4) Appeal of the denial of a variance request shall be to the Director, whose decision shall be final.

(5) Variations may only be granted for up to one year. A Provider requesting a Variance to be continued beyond one year must re-apply.

### Individual Eligibility

(1) To be eligible for State Plan Personal Care services under these rules, a person must require assistance from a qualified provider due to a disabling mental health condition with one or more of the Personal Assistance Services identified in OAR 411-034-0020(2)(a)-(f). The qualified provider must be providing these services, paid by the Division in accordance with an authorized service plan.

(2) A person eligible for State Plan Personal Care services under these rules must be a current recipient of at least one of the following programs defined in OAR 461-101-0010 and 410-200-0015;

(a) Extended Medical (EXT);

(b) Medical Assistance Assumed (MAA);

(c) Medical Assistance to Families (MAF);

(d) Oregon Health Plan (OHP);

(e) Oregon Supplemental Income Program Medical (OSIPM);

(f) Temporary Assistance to Needy Families (TANF); or

(g) Refugee Assistance (REF).

(3) State Plan Personal Care services are not available for individuals in a prison, hospital, sub-acute care facility, nursing facility or other medical institution.

(4) The Division or its designee has the authority to close the eligibility and authorization for State Plan Personal Care services if an individual fails to employ a qualified provider or to receive Personal Assistance Services from a qualified provider paid by the Division for thirty continuous calendar days or longer.

(5) Individuals served under the Medicaid 1915(c) Home and Community-Based Services waiver for the aged and physically disabled, or the 1115(c) Independent Choices waiver, are not eligible to receive State Plan Personal Care services.

(6) Individuals receiving medical and long-term care services through the Program of All-inclusive Care for the Elderly (PACE), as described in

# ADMINISTRATIVE RULES

OAR chapter 411, division 045, must not also receive State Plan Personal Care services under these rules.

## 410-172-0180

### Covered Services

Specific personal care services must be prescribed by a physician or licensed practitioner of the healing arts in accordance with a plan of treatment or authorized for the individual in accordance with a service plan approved by the State or designee. The services are provided by an individual who is qualified to provide such services and who is not a legally responsible relative of the Individual. The services may be furnished in a home or other allowable location.

(1) Personal Care tasks include:

(a) Basic personal hygiene — providing or assisting with:

(A) Bathing (tub, bed bath, shower);

(B) Shampoo, hair grooming;

(C) Shaving;

(D) Nail care — hands;

(E) Nail care — feet;

(F) Foot care;

(G) Dressing; and

(H) Skin care — application of emollients if approved by physician, repositioning (see 5b).

(b) Bowel and bladder care:

(A) Assisting on and off toilet, commode or bedpan, diapering;

(B) External cleansing of perineal area;

(C) External cleansing of Foley catheter — after demonstrating technique to RN;

(D) Emptying catheter drainage bag — after demonstrating technique to RN;

(E) Changing colostomy or ileostomy bag for individual with stabilized condition;

(F) Encouraging adequate fluid intake; and

(G) Maintenance bowel care;

(c) Assisting individual to take medications:

(A) Open and properly reseal medication containers if individual unable to do so;

(B) Observe to assure individual taking medication as ordered by physician;

(C) Remind appropriate person when prescription refill needed; and

(D) Administration of stabilized, maintenance medication(s).

(d) Assist oxygen:

(A) Maintain clean equipment; and

(B) Assist with maintaining adequate supply.

(e) Assist with mobility, transfers and comfort:

(A) Assist with ambulation with or without aids. Assure repositioning every two hours or more often for bedridden or wheelchair-using individuals

(B) Encourage active range-of-motion exercises when indicated;

(C) Assist with passive range-of-motion exercise if ordered by physician and RN has observed and approved technique; and

(D) Assist with transfers with or without mechanical devices.

(f) Nutrition:

(A) Prepare nutritional meals;

(B) Plan and prepare special diets as ordered by physician;

(C) Assure adequate fluid intake; and

(D) Feed if necessary.

(g) Care of disoriented, mentally or physically disabled individual:

(A) Assure maximum safety of individuals; and

(B) Provide or assist with approved activities.

(h) First aid and handling of emergencies;

(A) Discussed and approved at time of first visit; and

(B) Maintain and prioritize emergency notification system.

(i) Perform housekeeping tasks necessary to maintain a healthy and safe environment for the individual.

(j) Arrange and assist individual to and from necessary appointments.

(k) Observation of individual status and reporting of any significant changes to the appropriate case manager or other person as designated by the care plan.

(l) Tasks delegated by a nurse (reference nurse delegation act.

(2) Providers of personal care services must document the services provided in a manner consistent with the Integrated Services and Supports Rule (OAR 410-120-1360, and chapter 309, divisions 18, 19, or 22).

## 410-172-0190

### Qualified Provider

(1) A qualified provider is a person who, in the judgment of the Division or its designee, can demonstrate by background, skills and abilities the capability to safely and adequately provide the services authorized.

(2) A qualified provider must maintain a drug-free work place and must be approved through the criminal history check process described in OAR 943-007.

(3) A qualified provider paid by the Division must not be the parent, or step-parent of an eligible minor child, the eligible individual's spouse or another legally responsible relative consistent with 42CFR440.167.

(4) A qualified provider must be authorized to work in the United States, in accordance with U.S. Department of Homeland Security, Bureau of Citizenship and Immigration rules.

(5) A qualified provider must be enrolled as a PCA with an individual provider number

(6) Criminal History Re-checks:

(a) Criminal history re-checks may be conducted at the discretion of the Authority or designee, in accordance with OAR 943-007 and will be conducting at least every two years.

(b) Providers must comply with criminal history re-checks by completing a new criminal history authorization form when requested to do so by the Authority.

(c) The provider's failure to complete a new criminal history check authorization will result in the inactivation of the provider enrollment. Once inactivated, a provider must reapply and meet all of the standards described in this rule to have their provider enrollment reactivated.

(7) Provider must not be included on any US Office of Inspector General Exclusion lists

## 410-172-0200

### Qualified Provider

The Division, Division or designee may deny or terminate a Personal Care Attendant's provider enrollment and provider number if the Personal Care Attendant:

(1) Has been appointed the legal guardian of the individual;

(2) Is denied as the result of a weighing test performed as part of the criminal history check process described in OAR 943-007;

(3) Lacks the skills, knowledge, or ability to adequately or safely perform the required work;

(4) Violates protective service and abuse rules in OAR chapter 411, division 020, or OAR chapter 413, division 015 or OAR 943-045;

(5) Commits fiscal improprieties;

(6) Fails to provide the authorized services required by the eligible individual;

(7) Has been repeatedly late in arriving to work or has absences from work not authorized in advance by the individual;

(8) Has been intoxicated by alcohol or drugs while providing authorized services to the individual or while in the individual's home;

(9) Has manufactured or distributed drugs while providing authorized services to the individual or while in the individual's home; or

(10) Has been excluded as a provider by the U.S. Department of Health and Human Services, Office of Inspector General, from participation in Medicaid, Medicare or any other federal health care programs.

## 410-172-0210

### Employment Relationship

(1) The relationship between the eligible individual and his or her Personal Care Attendant is that of employer and employee.

# ADMINISTRATIVE RULES

(a) The eligible individual carries primary responsibility for locating, interviewing, screening, hiring, scheduling work periods, training and terminating his or her own employees. The individual is also responsible for tracking and confirming the service hours worked by his or her employee.

(b) The eligible individual exercises control as the employer and directs the employee in the provision of the services.

(c) The Division or designee determines whether the employee meets the minimum qualifications to provide the services authorized by the Division and makes direct service payment(s) to the provider on behalf of the individual.

(2) In order to receive State Plan Personal Care services from a Personal Care Attendant, the individual must be able to:

(a) Meet the employer responsibilities described in section (1)(a) of this rule; or

(b) Designate a natural support as the individual's representative to meet these employer responsibilities.

(3) Termination and the grounds for termination of employment are determined by the employer. Eligible individuals have the right to terminate their employment relationships with their providers at any time and for any reason. It is the responsibility of the employer to establish an employment agreement at the time of hire. The employment agreement may include grounds for dismissal and any requirements for the employee to provide advance notice before resigning.

## 410-172-0230

### Service Entry

(1) Mental Health Provider Responsibilities:

(a) Assessment and Re-Assessment:

(A) The provider or designated person will meet in person with the individual to assess the individual's ability to perform the tasks listed in OAR 410-172-0200.

(B) The individual's natural support persons may participate in the assessment if requested by the individual.

(C) The Mental Health Provider will assess the individual's service needs, identify the resources meeting any, some or all of the person's needs, and determine if the individual is currently eligible for Personal Care services.

(D) The Mental Health Provider will meet with the individual in person at least once every 365 days to review the individual's service needs.

(E) The assessment must be approved by a practitioner recognized by AMH as a Qualified Mental Health Professional.

(b) Service Planning:

(A) The Mental Health Provider will prepare a service plan identifying those tasks for which the individual requires assistance and the monthly number of approved hours of service. Not to exceed 20 hours per individual per month.

(B) The service plan will describe the tasks to be performed by the qualified provider and will approve the maximum monthly hours that can be reimbursed for those services.

(C) When developing service plans, Mental Health Providers will consider the cost effectiveness of services that adequately meet the individual's service needs.

(D) The service plan must be approved by a practitioner recognized by the AMH as a Qualified Mental Health Professional.

(E) Payment for State Plan Personal Care services must be approved by the Mental Health Provider and submitted to the Division based on the service needs of the individual as documented in the written service plan.

(c) Ongoing Monitoring and Approval:

(A) When there is an indication that the individual's Personal Assistance Service needs have changed, the Mental Health Provider will conduct a re-assessment in person with the individual (and any natural supports if requested by the individual).

(B) Following annual re-assessments and those conducted after a change in Personal Assistance Service needs, the Mental Health Provider will review service eligibility, the cost effectiveness of the service plan and whether the services provided are meeting the identified service needs of the individual. The Mental Health Provider may adjust the hours or services in the plan and will approve a new service plan, if appropriate, based on the individual's current service needs. The Mental Health Provider will then submit the adjusted service plan to the Division.

(d) Ongoing Case Management: The Mental Health Provider will provide ongoing coordination of Personal Care services, including approving changes in service providers and service hours, addressing risks, and providing information and referral to the individual when indicated.

Stat. Auth.: ORS 413.042 & 430.640

Stats. Implemented: ORS 413.042, 414.025, 414.065, 430.640, 430.705 & 430.715

## 410-172-0240

### Service Entry

(1) Program Provider Responsibilities:

(a) Assessment and Re-Assessment:

(A) Program staff will meet in person with the individual to assess the individual's ability to perform the tasks listed in OAR 410-172-0180.

(B) The individual's natural support persons may participate in the assessment if requested by the individual.

(C) Program staff will assess the individual's service needs, identify the resources meeting any, some or all of the person's needs, and determine if the individual is currently eligible for Personal Care services.

(D) Program staff will meet with the individual in person at least once every 365 days to review the individual's service needs.

(b) Service Planning:

(A) The program staff will prepare a Plan of Care identifying those tasks for which the individual requires assistance and the monthly number of requested hours of service.

(B) The Plan of Care will describe the tasks to be performed by the Program staff and will request a maximum monthly number of hours of service.

(C) When developing Plans of Care, Program staff will consider the cost effectiveness of services that adequately meet the individual's service needs.

(D) Payment for Personal Care services must be prior authorized by the Division based on the service needs of the individual as documented in the written Plan of Care.

(c) Ongoing Monitoring and Approval:

(A) When there is an indication that the individual's Personal Assistance Service needs have changed, the provider will conduct a re-assessment in person with the individual (and any natural supports if requested by the individual).

(B) Following annual re-assessments and those conducted after a change in Personal Assistance Service needs, the Provider will review service eligibility, the cost effectiveness of the Plan of Care and whether the services provided are meeting the identified service needs of the individual. The Provider may adjust the hours or services in the plan and will submit a new Plan of Care, if appropriate, based on the individual's current service needs. The Provider will submit the adjusted Plan of Care to the Division.

(d) Ongoing Case Management: The Provider will provide ongoing coordination of Personal Care services, including changes in service hours, addressing risks, and providing information and referral to the individual when indicated.

## 410-172-0250

### Program

The provider shall meet the following requirements:

(1) Possess the appropriate current and valid license, Letter of Approval and/or Certificate of Approval issued by the AMH for the mental health and addictions services provided, when required by rule;

(2) Provide services in accordance with the Civil Rights Act of 1964, the Americans with Disabilities Act and any other state and federal laws and regulations listed in the contract with the Authority;

(3) Participate in the claim review process outlined in OAR 410-120-1397;

# ADMINISTRATIVE RULES

(4) Providers offering mental health rehabilitative services under this program must meet requirements for providers identified in OAR 410-172-0110; and

(5) Providers must be enrolled with the Division of Medicaid Assistance Programs (DMAP) as a mental health provider. Providers shall meet all requirements in OAR 410-120-1260, Medical Assistance Programs Provider Enrollment; 943-120-0310, Provider Requirements; and 943-120-0320, Provider Enrollment.

## 410-172-0260

### Individual Eligibility

Individual eligibility for services under the 1915(i) State Plan HCBS will be determined by meeting the following requirements:

(1) Financial eligibility under the State's Medicaid State plan with an income that does not exceed 150 percent of the Federal Poverty level;

(2) A need for daily assistance of at least one hour per day to perform at least two Personal Care Services as identified in OAR 410-172-0180 due to a disabling mental illness; and

(3) Eligibility determined by an external quality review organization, as identified by the Division.

Stat. Auth.: ORS 413.042 & 430.640

## 410-172-0270

### Service Prior Authorizations

(1) Eligibility for reimbursement through the 1915(i) State Plan Home and Community-Based Services Program requires authorization prior to the services as follows:

(a) For mental health rehabilitative services, as detailed in OAR 410-120-1320 and 410-172-0140 and

(b) For personal care and habilitative services, as detailed in OAR 410-172-0240.

(2) Mental health rehabilitative services and facility-based personal care and habilitative services must be reauthorized every 180 days or whenever there is a change in services offered.

(3) Personal care and habilitative services must be reauthorized every 360 days or whenever there is a change in services provided.

### Conditions of Service Provider Participation

Service provider must:

(1) Provide psychiatric residential treatment services to children eligible for Medicaid benefits under the terms of a written agreement with the Authority. The agreement must require that the psychiatric residential treatment facility and the services provided comply with all applicable state and federal requirements.

(2) Support and protect the fundamental human, civil, constitutional, and statutory rights of each child.

(3) Be accredited as a psychiatric residential treatment facility for children under age 21 by JCAHO, CARF, COA, or any other accrediting organization, with comparable standards, that is recognized by the State; be licensed by CAF; hold a Certificate of Approval per OAR 309-012-0130 through 309-012-0220 from AMH and be in compliance with the treatment services standards described in the ISSR.

(4) Provide a program consistent with standards set by JCAHO, CARF, COA, or any other accrediting organization, with comparable standards, that is recognized by the State.

(5) Provide a physical facility suitable for treatment of children with attention to proper safety and sanitation, housekeeping, and general environment. Buildings shall comply with all applicable building, occupancy, electrical, plumbing, and zoning codes.

(6) Obtain certification for the admission of children to the psychiatric residential treatment facility following the AMH's Certification of Need procedures.

## 410-172-0290

### Eligibility and Admission Policy

(1) In considering a child for admission for psychiatric residential treatment services, Certification of Need procedures will certify that:

(a) Other treatment resources available in the community do not meet the treatment needs of the child;

(b) Proper treatment of the child's psychiatric condition requires services on a psychiatric residential treatment basis under the direction of licensed medical practitioner;

(c) The services can reasonably be expected to improve the child's condition or prevent further regression so that psychiatric residential treatment services may no longer be needed; and

(d) The child has a principal diagnosis on Axis I of a completed 5-Axes DSM diagnosis that is not solely a result of mental retardation or other developmental disabilities, epilepsy, drug abuse, or alcoholism.

(2) The child must be eligible for medical assistance under Medicaid, according to procedures established by the Division, and meet the criteria for admission to psychiatric residential treatment services as defined by these rules.

(3) The Division shall authorize payment for psychiatric residential treatment services for children upon the approval of a certificate of need by the Division or its agent.

## 410-172-0300

### Admission Procedures Related to Payment

(1) Admission procedures for children eligible for Medicaid will be reviewed through an independent psychiatric review process established by the Division to certify the need for services.

(2) The referring source or the facility will make available for the Certificate of Need (CONS) process, the following information about the referred child:

(a) Letter of support for admission from the identified county of responsibility or qualified tribal representative;

(b) Level of Need Determination screening outcome;

(c) Child and Adolescent Service intensity instrument (CASII) or Early Childhood Service Intensity Instrument (ECSII);

(d) Identified Intensive Community Treatment and Support (ICTS) provider;

(e) ICTS care coordinator;

(f) Child and family team members, and

(g) Copies of related available clinical documents such as updated mental health assessments, individual plan of care and service coordination plans.

## 410-172-0310

### Service Criteria

Children shall be served in the least restrictive, least intensive setting based on their treatment history, degree of impairment, current symptoms and the extent of family and other supports. The provider must recommend the appropriate level of care to the child and parent or guardian when a more restrictive or less restrictive level of care is determined to be medically necessary.

(1) The following criteria are used to determine the appropriateness of continued stay:

(a) The child is making observed progress toward identified treatment goals as documented in the individual plan of care, but the measurable treatment objectives necessary to reach the goals have not been completed;

(b) The child made no documented progress toward treatment goals, but the individual plan of care and measurable objectives necessary to reach the goals have been reviewed by the LMP and modified in order to reevaluate the child's treatment needs, clarify the nature of the identified problems, and/or initiate new therapeutic interventions; or

(c) The child exhibits new symptoms or maladaptive behaviors that justify continuation and can be safely and effectively treated at a commu-

# ADMINISTRATIVE RULES

nity-based residential level of care. The individual service and support plan has been revised accordingly.

(2) A planned transfer will occur when the following criteria are met:

(a) The child's targeted symptoms and maladaptive behaviors have abated to an established baseline level as documented by the attainment of specific goals and measurable objectives in the individual plan of care; or

(b) The child exhibits new symptoms and maladaptive behaviors which may not be safely or effectively treated at this level of care; or

(c) The child is not benefiting from treatment and made no progress toward specific treatment goals or measurable objectives even though appropriate individual service and support plan reviews and revisions were conducted.

(3) Planned transfer will be consistent with the transfer criteria established by the interdisciplinary team and documented in the ISSP. In addition:

(a) Providers will not transfer an individual unless the interdisciplinary team, in consultation with the child's parent or guardian and the next provider, agree that the child requires a more or less restrictive level of care; and

(b) If the determination is made to admit the child to acute care, the provider will not conclude services during the acute care stay unless the interdisciplinary team, in consultation with the child's parent or guardian and the next provider, agree that the child requires a more or less restrictive level of care following the acute care stay.

## 410-172-0320

### Payments

(1) Payments will be made for the provision of active psychiatric residential treatment services, including approved leave for children eligible for such services under Medicaid. If active treatment is not documented during any period in which Division payments are made on behalf of a child, the Division may recoup such payments.

(2) The Division will pay for the day of admission but not for the day of transfer or discharge.

(3) Medicaid eligible children receiving psychiatric residential treatment services will be subject to periodic review by an interdisciplinary team to determine medical appropriateness and quality of services. If a review reveals that a child received an inappropriate level of care, i.e., less than active treatment, payment will not be allowed under these rules.

(4) Payment for planned absences from the program such as home care visits, and transitions shall be allowed if the absences are:

(a) Based on the individual clinical needs of the child; and

(b) Specified in the child's Individual Service and Support Plan's measurable objectives and/or transfer plan; and

(c) Documented in individual service notes; and

(d) The duration of any single planned absence is no more than three consecutive days, unless a longer duration is authorized in writing by the Division.

(5) Payment for unplanned absences from the program such as runaway, hospitalization, and detention (check on eligibility) shall be allowed if;

(a) The provider clearly documents in the child's individual service record regular and ongoing service coordination efforts undertaken by the program during the unplanned absence; and

(b) The provider clearly documents in the child's individual service record that the child will be returned to the program when the unplanned absence is resolved; and

(c) The duration of any single unplanned absence is no more than seven consecutive days, unless longer duration is authorized in writing by the Division.

(6) Payment for unplanned absences from the program shall be disallowed if the child is not returned to the program, unless the interdisciplinary team, in consultation with the child's parent(s) or guardian or provider of the next level of care determines that the child requires a more or less restrictive level of care.

(7) Planned absences from the program which are not indicated in the child's Individual Services and Supports Plan and/or transfer plan shall be considered unplanned absences and payment will be disallowed.

(8) Payments for planned absences must be made consistent with 42CFR447.40.

## 410-172-0360

### Payment

(1) Payments will be made for the provision of active A&D residential treatment services, including approved leave for individuals for such services under Medicaid. If active treatment is not documented during any period in which Division payments are made on behalf of the individual, the Division may recoup such payments.

(2) Payment for planned absences from the program such as hospitalizations, home visits, and transitions shall be allowed if the absences are:

(a) Based on the individual clinical needs; and

(b) Specified in the Individual Service and Support Plan's measurable objectives and/or transfer plan; and;

(c) The provider clearly documents in the individual service record ongoing daily treatment service provided by the program during the absence; and

(d) The bed is not filled by any other individual during the absence; and

(e) The duration of any single planned absence is no more than seven consecutive days, unless a longer duration is authorized in writing by the Division

# ADMINISTRATIVE RULES

(3) Payment for unplanned absences from the program such as hospitalizations and incarceration (check Medicaid eligibility) shall be allowed if;

(a) The provider clearly documents in the individual service record ongoing daily treatment service provided by the program during the unplanned absence; and

(b) The provider clearly documents in the individual service record that the individual will be returned to the program when the unplanned absence is resolved and the bed is not filled by any other individual during the absence; and

(c) The duration of any single unplanned absence is no more than three consecutive days, unless longer duration is authorized in writing by the Division.

(4) Payment for a reserved bed is not covered under Medicaid consistent with 42 CFR 447.40

(5) Room and Board is not covered under Medicaid

(6) Payment will be made for each daily unit of service billed, reimbursed at the contracted per diem rate. A daily unit of service is defined in OAR 410-172-0320(2).

## 410-172-0410

### Payment

(1) The Division will make payment in compliance with 42 CFR 447.10. Any contracted Billing Agent or Billing Service submitting claims on behalf of a Provider but not receiving payment in the name of or on behalf of the Provider does not meet the requirements for Billing Provider enrollment. If electronic transactions will be submitted, Billing Agents and Billing Services must register and comply with Oregon Health Authority Electronic Data Interchange (EDI) rules, OAR 943-120-0100 through 943-120-0200. The Division may require that payment for services be made only after review by the Division.

(2) The Division sets Fee-for-Service (FFS) payment rates.

(3) All FFS payment rates are the rates in effect on the date of service that are the lesser of the amount billed, the Division's maximum allowable amount or the reimbursement specified in the individual program Provider rules: The Division's maximum allowable rate setting process uses a methodology that is based on the existing Medicaid fee schedule with adjustments for legislative changes and payment levels. The rates are updated periodically and posted on the Division's web site

### Supported Employment (SE) Overview

(1) Supported Employment is an evidence-based practice for individuals with serious mental illness.

(2) Supported Employment is characterized by:

(a) Emphasis on competitive employment;

(b) Every person who is interested in work is eligible for services regardless of symptoms, substance use disorders, treatment decisions, or any other issue;

(c) Employment services are integrated with mental health treatment;

(d) Individuals have access to personalized benefits planning;

(e) Job search begins soon after a person expresses interest in working; and

(f) Client preferences for jobs, and preferences for service delivery, are honored.

(3) Supported Employment services include, but are not limited to:

(a) Job development;

(b) Supervision and job training;

(c) On-the-job visitation;

(d) Consultation with the employer;

(e) Job coaching;

### Supported Employment Providers

(1) To be eligible for Medicaid reimbursement, SE services must be provided by a Qualified SE Provider.

(2) To become a Qualified SE Provider, an agency must provide the evidence-based practice of Individual Placement and Support Supported Employment (IPS SE), and submit a copy to AMH of a fidelity review conducted by a Fidelity Reviewer approved by AMH, which resulted in a score of 100 or better.

(3) Providers implementing IPS SE may become a Provisionally Qualified SE Provider by submitting a request to AMH with a letter of support which indicates receipt of technical assistance and training from an AMH approved IPS SE Trainer. Medicaid reimbursements to a Provisionally Qualified SE Provider end after 12 months. This option is intended only for providers initiating supported employment services.

## 410-172-0460

### Supported Employment Fidelity Requirements

(1) In order to maintain designation as a Qualified SE Provider, a provider must submit to AMH an annual fidelity review report, conducted by an AMH approved reviewer, which indicates a minimum score of 100.

(2) Qualified SE Providers achieving a fidelity score of 115 or higher are eligible to extend their review period to every 18 months.

(3) Fidelity reviews will be conducted utilizing the most current Dartmouth College IPS Fidelity Scale available at [www.oregon.gov/oha/amh](http://www.oregon.gov/oha/amh).

## 410-172-0470

### Failure to Meet Fidelity Standards

If a Qualified SE Provider does not receive a minimum score of 100 on a fidelity review, the following shall occur:

(1) Technical assistance shall be made available for a period of 90-days to address problem areas identified in the fidelity review.

(2) At the end of the 90-day period, a follow-up review will be conducted by an AMH approved reviewer.

(3) The provider shall forward a copy of the amended fidelity review report to AMH.

(4) If the 90-day re-review results in a score of less than 100, the agency's designation as a Qualified SE Provider may be suspended for up to one calendar year.

### Failure to Meet Fidelity Standards

(1) ACT is an evidence-based practice for individuals with a serious mental illness.

(2) ACT is characterized by:

- (a) A team approach;
- (b) In vivo services;
- (c) A caseload of approximately 10:1;
- (d) Time-unlimited services;
- (e) Flexible service delivery;
- (f) A fixed point of responsibility; and
- (g) 24/7 crisis availability

(3) ACT services include, but are not limited to:

- (a) Hospital discharge planning;
- (b) Case management;

(c) Symptom management;  
(d) Psychiatry services;  
(e) Nursing services;  
(f) Co-occurring substance use disorder services;  
(g) Vocational services;  
(h) Life skills training; and/or  
(i) Peer support services.

## 410-172-0500

### ACT Fidelity Requirements

(1) In order to maintain designation as a Qualified ACT Provider, an agency must submit to AMH an annual fidelity review report by an AMH approved reviewer, with a minimum score of 114.

(2) Qualified Providers achieving a fidelity score of 128 or better are eligible to extend their review period to every 18 months.

(3) Fidelity reviews will be conducted utilizing the Substance Abuse and Mental Health Services ACT Toolkit Fidelity Scale, available at [www.oregon.gov/oha/amh](http://www.oregon.gov/oha/amh)

(4) Providers approved by AMH to bill Medicaid for ACT services prior to January 1, 2013, will be deemed Qualified ACT Providers through July 1, 2014. In order to maintain their designation as a Qualified ACT Provider, these providers must submit to AMH, prior to July 1, 2014, a copy of a fidelity review conducted by an AMH approved ACT Fidelity Reviewer with a minimum score of 114.

## 410-172-0600

### Acronyms and Definitions

(1) "Active Treatment" means a service provided as prescribed in a professionally developed and supervised Individual Services and Supports Plan to address or improve a behavioral health condition.

## ADMINISTRATIVE RULES

(2) “Adult” means an individual 18 years of age or older or an emancipated minor. An individual with Medicaid eligibility who is in need of services specific to children, adolescents, or young adults in transition must be considered a child until age 21. Adults who are between the ages of 18 and 21 who are considered children for purposes of these rules must have all rights afforded to adults as specified in these rules.

(3) “AMH” means the Addictions and Mental Health Division of the Oregon Health Authority.

(4) “ASAM PPC” means the most current publication of the American Society of Addiction Medicine Patient Placement Criteria for the Treatment of Substance-related Disorders, which is a clinical guide used in matching individuals to appropriate levels of care.

(5) “Authority” means the Oregon Health Authority.

(6) “Authorization” means authorization granted by the responsible agency, office, or organization for payment prior or subsequent to the delivery of services.

(7) “Behavioral Health” means mental health, mental illness, addiction disorders, and substance use disorders.

(8) “Behavioral Health Services” means medically appropriate services rendered or made available to a recipient for treatment of a behavioral health or substance use disorders diagnosis.

(9) “Behavioral Health Assessment” means a determination by a Qualified Mental Health Professional (QMHP) of the recipient’s need for behavioral health services. It involves collection and assessment of data pertinent to the individual’s behavioral health history and current behavioral health status obtained through interview, observation, testing, and reviews of previous treatment records. It concludes with determination of a DSM diagnosis or other justification for behavioral health services.

(10) “Billing Provider (BP)” means an individual, agent, business, corporation, clinic, group, or other entity who submits claims to or receives payment from the Division on behalf of a rendering provider and has been delegated the authority to act on behalf of the rendering provider.

(11) “Certificate” means the document awarded by the Authority’s AMH division signifying that a specific, named organization is judged by AMH to operate in compliance with applicable rules.

(12) “Child” or “Children” means an individual under the age of 18. An individual with Medicaid eligibility who is in need of services specific to children, adolescents, or young adults in transition is considered a child until age 21.

(13) “Clinical Nurse Specialist” means a registered nurse approved and certified by the Board of Nursing to provide health care in an expanded specialty role.

(14) “Commission on Accreditation of Rehabilitation (CARF)” means an organization that accredits behavioral health care and community providers based on the current edition of the “CARF Behavioral Health” standards manual.

(15) “Community Mental Health Program (CMHP)” means an entity that is responsible for planning and delivery of services for individuals with behavioral health or substance use disorder conditions, operated in a specific geographic area of the state under an intergovernmental agreement or direct contract with the Division.

(16) “Coordinated Care Organization (CCO)” has the meaning given that term in OAR 410-141-0000.

(17) “Current Procedural Terminology (CPT)” means the physicians’ CPT, which is a listing of descriptive terms and identifying codes for reporting medical services and procedures performed by physicians and other health care providers.

(18) “Date of Service” means the date on which the recipient receives medical services or items, unless otherwise specified in the appropriate provider rules.

(19) “Division” means the Division of Medical Assistance Programs of the Oregon Health Authority.

(20) “Fidelity Review” means an on-site assessment utilizing a standardized, reliable, and valid evaluation tool to determine the degree to which an evidence-based practice is being implemented.

(21) “Flexible Service” means a service that is an alternative or addition to a service that is as likely or more likely to effectively treat the behavioral health condition or substance use disorder condition as documented in the recipient’s clinical record.

(22) “Healthcare Common Procedure Coding System (HCPCS)” means a method for reporting health care professional services, procedures, and supplies. HCPCS consists of:

(a) Level I — American Medical Association’s Physician’s Current Procedural Terminology (CPT);

(b) Level II — National codes.

(23) “Health Services Commission (HRC)” means a commission that, among other duties, develops and maintains a list of health services ranked by priority from the most to the least important representing the comparative benefits of each service to the population served.

(24) “Health Insurance Portability and Accountability Act (HIPAA) of 1996 (HIPAA)” means the federal law (Public Law 104-191, August 21, 1996) to assure health insurance portability, reduce health care fraud and abuse, enforce standards for health information, and guarantee security and privacy of health information.

(25) “JCAHO (Joint Commission: Accreditation, Health Care, Certification)” means the commission that accredits psychiatric residential treatment facilities according to its current edition of the “Comprehensive Accreditation Manual for Hospitals” and the “Comprehensive Accreditation Manual for Behavioral Health Care.”

(26) “Letter” means the document awarded to providers by AMH indicating the provider has complied with specific program requirements or administrative rule.

(27) “Level of Care” means the type, frequency, and duration of medically appropriate services provided to a recipient of behavioral health services.

(28) “Level of Care Determination” means the standardized process implemented to establish the type, frequency, and duration of medically appropriate services required to treat a diagnosed behavioral health condition.

(29) “Liability Insurance” means insurance that provides payment based on legal liability for injuries or illness. It includes, but is not limited to, automobile liability insurance, uninsured and underinsured motorist insurance, homeowner’s liability insurance, malpractice insurance, product liability insurance, Worker’s Compensation, and general casualty insurance. It also includes payments under state wrongful death statutes that provide payment for medical damages.

(30) “Mental Health Intern” means an individual who meets qualifications for QMHA but does not have the necessary graduate degree in psychology, social work, or in a behavioral science field to meet the educational requirement of QMHP. The individual must:

(a) Be currently enrolled in a graduate program for a master’s degree in psychology, social work, or in a behavioral science field;

(b) Have a collaborative educational agreement with the CMHP or other provider and the graduate program;

(c) Work within the scope of practice and competencies identified by the policies and procedures for credentialing of clinical staff as established by the provider; and

(d) Receive, at minimum, weekly supervision by a qualified clinical supervisor employed by the provider of services.

(31) “Natural Support” means resources and supports including, but not limited to, relatives, friends, significant others, neighbors, roommates, or the community who are willing to voluntarily provide services to an individual without the expectation of compensation. Natural supports are identified in collaboration with the individual and the potential “natural support.” The natural support must have the skills, knowledge, and ability to provide the needed services and supports.

(32) “Non-Paid Provider” means a provider employed by an enrolled entity who is able to order, refer, or prescribe services for an OHP recipient. These providers must comply with the federal database checks requirements listed in 42 CFR 455.436, which requires Division provider enrollment.

(33) “Nursing Services” means health care services provided to the recipient by a registered professional nurse or a licensed practical nurse under the direction of a licensed professional within the scope of practice as defined by state law.

(34) “Oregon Health Plan (OHP)” means the Medicaid and Children’s Health Insurance (CHIP) Demonstration Project that expands Medicaid and CHIP eligibility beyond populations traditionally eligible for Medicaid to other low-income populations and Medicaid and CHIP services under the State Plan.

(35) “OLRO” means the Office of Licensing and Regulatory Oversight (OLRO) of the Department of Human Services responsible for the licensing, regulatory and corrective action functions for Developmentally Disabled (DD), Adults and People with Disabilities (APD), and Child Welfare (CW) providers living in community settings including adult foster homes, assisted living facilities, residential care facilities, nursing homes, supportive living and employment programs for people with DD, and private child care agency licensing.

(36) “Paid Provider” means a provider who meets the requirements in this rule for enrollment, billing, and payment.

# ADMINISTRATIVE RULES

(37) "Peer Support Specialist" means an individual providing peer delivered services to an individual or family member with similar life experience. A peer support specialist must be a self-identified individual:

(a) Currently or formerly receiving mental health services; or

(b) In recovery from an addiction disorder, who meets the abstinence requirements for recovering staff in alcohol and other drug treatment programs;

(c) In recovery from problem gambling; or

(d) A family member of an individual who is a current or former recipient of addictions or mental health services.

(38) "Physician" means an individual licensed to practice medicine pursuant to state law of the state in which he or she practices medicine or an individual licensed to practice medicine pursuant to federal law for the purpose of practicing medicine under a contract with the federal government. A physician may be an individual licensed under ORS 677 or 685.

(39) "Physician Assistant" means an individual licensed as a physician assistant in accordance with ORS 677. Physician assistants provide medical services under the direction and supervision of an Oregon licensed physician according to a practice description approved by the Board of Medical Examiners.

(40) "Procedure Code" means a code assigned to a service from either of the two national code sets (CPT or HCPCS).

(41) "Provider Organization" means a group practice, facility, or organization that is:

(a) An employer of a provider, if the provider is required as a condition of employment to turn over fees to the employer; or

(b) The facility in which the service is provided, if the provider has a contract under which the facility submits claims; or

(c) A foundation, plan, or similar organization operating an organized health care delivery system, if the provider has a contract under which the organization submits the claim; and

(d) The group practice, facility, or organization is enrolled with the Authority, and payments are made to the group practice, facility, or organization;

(e) An agent if the entity solely submits billings on behalf of providers and payments are made to each provider.

(42) "Prepaid Health Plan (PHP)" means a managed health, dental, chemical dependency, or mental health organization that contracts with the Authority on a case managed, prepaid, capitated basis under OHP. PHPs may be a Chemical Dependency Organization (CDO), Dental Care Organization (DCO), Fully Capitated Health Plan (FCHP), Mental Health Organization (MHO), or Physician Care Organization (PCO).

(43) "Prior Authorization (PA)" means payment authorization for specified medical services or items given by Authority staff or its contracted agencies prior to provision of the service. A physician referral is not a PA.

(44) "Qualified Mental Health Associate (QMHA)" means an individual delivering services under the direct supervision of a Qualified Mental Health Professional (QMHP) and meeting the following minimum qualifications as documented by the CMHP or designee:

(a) A bachelor's degree in a behavioral science field; or

(b) A combination of at least three year's relevant work, education, training, or experience; and

(c) Has the competencies necessary to:

(A) Communicate effectively;

(B) Understand mental health assessment, treatment, and service terminology and to apply the concepts; and

(C) Provide psychosocial skills development and to implement interventions prescribed on a treatment plan within the scope of his or her practice.

(45) "Qualified Mental Health Professional (QMHP)" means a Licensed Medical Practitioner (LMP) or any other provider meeting the following minimum qualifications as documented by the CMHP or designee:

(a) Graduate degree in psychology;

(b) Bachelor's degree in nursing and licensed by the State of Oregon;

(c) Graduate degree in social work;

(d) Graduate degree in a behavioral science field;

(e) Graduate degree in recreational, art, or music therapy; or

(f) Bachelor's degree in occupational therapy and licensed by the State of Oregon; and

(g) Whose education and experience demonstrates the competencies to identify precipitating events; gather histories of mental and physical disabilities, alcohol and drug use, past mental health services, and criminal justice contacts; assess family, social, and work relationships; conduct a mental status examination; document a DSM diagnosis; write and supervise

a treatment plan; conduct a Comprehensive Mental Health Assessment; and provide individual, family, and group therapy within the scope of his or her practice.

(46) "Quality Improvement Organization (QIO)" means an entity that has a contract with CMS under Part B of Title XI to perform utilization and quality control review of the health care furnished, or to be furnished, to Medicare and Medicaid recipients; formerly known as a Peer Review Organization.

(47) "Recipient" means an individual currently eligible for medical assistance.

(48) "Recovery Assistant" means a provider who provides a flexible range of services. Recovery assistants provide face-to-face services in accordance with a service plan that enables a participant to maintain a home or apartment, encourages the use of existing natural supports, and fosters involvement in treatment, social, and community activities. A recovery assistant shall:

(a) Be at least 18 years old;

(b) Meet the background check requirements described in OAR 410-180-0326;

(c) Conform to the standards of conduct as described in OAR 410-180-0340.

(49) "Rendering provider" means an individual, facility, institution, corporate entity, or other organization that supplies health services or items, also termed a provider, or bills, obligates, and receives reimbursement on behalf of a provider of services, also termed a billing provider (BP). The term rendering provider refers to both providers and BP unless otherwise specified.

(50) "Residential Treatment Facility (RTF)" means a facility licensed by the AMH that is operated to provide services on a 24-hour basis for six or more residents.

(51) "Residential Treatment Home (RTH)" means a facility licensed by AMH that is operated to provide services on a 24-hour basis for five or fewer residents.

(52) "Residential Substance Use Disorder program" means a publicly or privately operated program as defined in ORS 430.010 that provides assessment, treatment, rehabilitation and 24-hour observation and monitoring for individuals with alcohol and other drug dependence, consistent with Level III of American Society of Addiction Medicine (ASAM) PPC-2R.

(53) "Secure Residential Treatment Facility (SRTF)" means any Residential Treatment Facility licensed by AMH or portion thereof that restricts a resident's exit from the facility or its grounds through the use of approved locking devices on resident exit doors, gates, or other closures. Locking devices must be installed in accordance with building code requirements.

(54) "Service Plan" means a comprehensive plan for services and supports provided to or coordinated for an individual and his or her family, as applicable, that is reflective of the assessment and the desired outcomes of service.

(55) "Substance Use Disorders Treatment Program" means a program that provides assessment, treatment, and rehabilitation on a regularly scheduled basis or in response to crisis for individuals with alcohol or other drug use disorders and their family members or significant others.

(56) "Telemedicine" means the use of telephonic or electronic communications by a provider to deliver health services to a recipient.

(57) "Treatment" means a planned, individualized program of medical, psychological, or rehabilitative procedures, experiences, and activities designed to relieve or minimize mental, emotional, physical, or other symptoms or social, educational, or vocational disabilities resulting from or related to a behavioral health or substance use disorder diagnosis.

(58) "Utilization Review (UR)" means the process of reviewing, evaluating, and assuring appropriate use of medical resources and services. The review encompasses quality, quantity, and appropriateness of medical care to achieve the most effective and economic use of health care services.

### Provider Enrollment

(1) Providers must be enrolled with the Division as a behavioral health provider. Paid providers of behavioral health services must possess a current and valid license, letter, or certificate.

(2) Providers must provide services within the scope of professional standards and practice defined by the providers licensing board or certifying organization.

# ADMINISTRATIVE RULES

(3) Providers shall meet all requirements in OAR 410-120-1260 (Medical Assistance Programs Provider Enrollment), OAR 943-120-0310 (Provider Requirements), and OAR 943-120-0320 (Provider Enrollment).

(4) Providers must not be included on any US Office of Inspector General Exclusion lists.

## 410-172-0620

### Documentation Standards

(1) OHP providers must maintain records that fully support the extent of services for which payment has been requested and provide the records to the Division upon request

(2) All records must document the specific service provided, the number of services comprising the service provided, the extent of the service provided, the dates on which the service was provided, and the individual who provided the service.

(3) Clinical records must document the recipient's diagnosis and the medical need for the service.

(4) The record must be annotated each time a service is provided and clearly indicate or be signed or initialed by the individual providing the service.

(5) Information contained in the record must be appropriate in quality and quantity to meet the professional standards applicable to the provider and any additional standards for documentation found in these rules, other Division rules, and pertinent contracts.

(6) For AMH certified providers, in addition to meeting the requirements in this rule, clinical documentation for behavioral health services must also comply with the requirements in OAR 309-019-0135 through 309-019-0140, and clinical documentation standards for substance use disorder services must comply with OAR 309-018-0140 through 309-018-0150.

## 410-172-0630

### Medically Appropriate

(1) In addition to the definition of medically appropriate in OAR 410-120-0000 for behavioral health services, "medically appropriate" means the services and supports required to diagnose, stabilize, care for, and treat a behavioral health condition.

(2) The Division shall make payment for medically appropriate behavioral health services when the services or supports are:

(a) Rendered by a provider whose training, credentials, or license is appropriate to treat the identified condition and deliver the service;

(b) Based on the standards of evidence-based practice, and the services provided are appropriate and consistent with the diagnosis identified in the behavioral health assessment;

(c) Provided in accordance with an individualized service plan and appropriate to achieve the specific and measurable goals identified in the service plan;

(d) Not provided solely for the convenience of the recipient, the recipient's family, or the provider of the services or supplies;

(e) Not provided solely for recreational purposes;

(f) Not provided solely for research and data collection;

(g) Not provided solely for the purpose of fulfilling a legal requirement placed on the recipient.

## 410-172-0640

### Behavioral Health Services Fee Schedule

(1) The Division shall pay providers based on the Behavioral Health Services Fee Schedule (fee-for-service (FFS) payment rates for behavioral health services) posted on the Authority web site.

(2) Payment shall be made at each provider's usual and customary charge or the Division's published reimbursement upper payment limit, whichever is less, minus payments received or due from other payers. Payments to other specified providers shall be made according to other approved schedules.

(3) The Division's maximum allowable rate-setting process uses a methodology that is based on the existing Medicaid fee schedule with adjustments for legislative changes and payment levels. The rates are updated periodically and posted on the Behavioral Health Services Fee

Schedule web site at [www.oregon.gov/oha/healthplan/pages/feeschedule.aspx](http://www.oregon.gov/oha/healthplan/pages/feeschedule.aspx).

(4) Limitations contained in the Behavioral Health Services Fee Schedule, such as the maximum rate and the amount, duration, and scope of services provided, are subject to change at the discretion of the Division. The Division shall notify providers of changes in writing.

(5) Payment shall be made for services listed in the Medicaid Behavioral Health Procedure Fee Schedule that are rendered to Medicaid-eligible individuals by a qualified provider during the period in which the provider is enrolled with the Division.

(6) For cost-reimbursed services, the provider must maintain adequate records to thoroughly explain how the amounts reported on the cost statement were determined. The records must be accurate and in sufficient detail to substantiate the data reported. Providers whose rates are paid based on a collective bargaining agreement are not exempt from this requirement.

(7) Payment by the Division does not limit the Authority or any state or federal oversight entity from reviewing or auditing a claim before or after the payment. Payment may be denied or subject to recovery if medical review, audit, or other post-payment review determines that payment for the service was not provided in accordance with applicable Oregon Administrative Rules or the service does not meet the criteria for quality or medical appropriateness of the care.

## 410-172-0650

### Prior Authorization

(1) Some services or items covered by the Division require authorization before the service may be provided. Services requiring prior authorization are published on the Medicaid Behavioral Health Services Fee Schedule.

(2) The Division shall authorize payment for the type of service or level of care that meets the recipient's medical need and that has been adequately documented.

(3) The Division shall only authorize services that are medically appropriate and for which the required documentation has been supplied. The Division may request additional information from the provider to determine medical appropriateness.

(4) Documentation submitted when requesting authorization must support the medical justification for the service. The authorization request must contain:

(a) A cover sheet detailing relevant provider and recipient Medicaid numbers;

(b) Requested dates of service;

(c) HCPCS or CPT procedure code requested; and

(d) Amount of service or units requested;

(e) A behavioral health assessment and service plan meeting the requirements described in OAR 309-019-0135 through 309-019-0140; or

(f) Any additional supporting clinical information supporting medical justification for the services requested;

(g) For substance use disorder services, the Division uses the American Society of Addiction Medicine (ASAM) Patient Placement Criteria second edition-revised (PPC-2R) to determine the appropriate level of SUD treatment of care. Providers must use the ASAM;

(h) For Applied Behavioral Analysis services, the Division requires submission of:

(A) An evaluation as described in OAR 410-172-0770(1) from a physician or psychologist experienced in the diagnosis and treatment of autism;

(B) An order for treatment as described in OAR 410-172-0770(1)(e) from a physician or psychologist experienced in the diagnosis and treatment of autism;

(C) A functional analysis and a behavior treatment plan from a BCBA or a BCaBA;

(D) A copy of the Authority's service intensity scale (SIS) supporting the level of service requested.

(i) Residential treatment services for children may require a letter of approval by a designated quality improvement organization (QIO) as defined in this rule;

(j) Some services require additional approval or authorization by a physician, the Authority, or designee. Services requiring additional approval are listed on the Behavioral Health Fee Schedule or described in this rule.

(5) The Division may not authorize services under the following circumstances:

# ADMINISTRATIVE RULES

- (a) The request received by the Division was not complete;
- (b) The provider did not hold the appropriate license, certificate, or credential at the time services were requested;
- (c) The recipient was not eligible for Medicaid at the time services were requested;
- (d) The provider cannot produce appropriate documentation to support medical appropriateness, or the appropriate documentation was not submitted to the Division;
- (e) The services requested are not in compliance with OAR 410-120-1260 through 410-120-1860;
- (f) Authorization for payment may be given for a past date of service if:

(A) On the date of service, the recipient was made retroactively eligible or was retroactively dis-enrolled from a Coordinated Care Organization (CCO) or Prepaid Health Plan (PHP);

(B) The services provided meet all other criteria and Division or Authority administrative rules and;

(C) The request for authorization is received within 30 days of the date of service.

(6) Any requests for authorization after 30 days from date of service require documentation from the provider that authorization could not have been obtained within 30 days of the date of service.

(7) Payment authorization is valid for the time period specified on the authorization notice but may not exceed 12 months unless the recipient's benefit package no longer covers the service, in which case the authorization shall terminate on the date coverage ends.

(8) Prior authorization of services shall be subject to periodic utilization review and retrospective review to ensure services meet the definition of medical appropriateness.

(9) All applicants for Title XIX or general assistance must complete Form DMAP 415A or 415B authorizing the release of any records regarding his or her health. When requested by the Division or its medical review contractor, behavioral health providers must submit sufficient medical documentation to verify the medical necessity, quality, and appropriateness of treatment and appropriateness of the length of stay for residential treatment services.

(10) Payments shall be made for the provision of active treatment services. If active treatment is not documented during any period in which the Division has prior authorized services, the Division may limit or cancel prior authorization or recoup such payments.

(11) If providers fail to comply with requests for documents for purposes of verifying medical appropriateness within the specified timeframes, the Authority may deem the records non-existent and cancel prior authorization.

## 410-172-0660

### Rehabilitative Mental Health Services

(1) Rehabilitative mental health services means medical or remedial services recommended by a physician or other practitioner to reduce impairment to an individual's functioning associated with the symptoms of a mental disorder or substance use disorder and are intended to restore functioning to the highest degree possible.

(2) Rehabilitative behavioral health services must be recommended by a physician or other licensed practitioner of the healing arts within the scope of their practice under state law.

(3) When appropriate, rehabilitative behavioral health services are provided under ongoing oversight of an LMP.

(4) Paid providers of rehabilitative behavioral health services must meet one of the following qualifications or hold at least one of the following educational degrees and valid licensure:

(a) Physician or Physician Assistant licensed by the Oregon Medical Board;

(b) Advanced Practice Nurse including Clinical Nurse Specialist and Certified Nurse Practitioner licensed by the Oregon Board of Nursing;

(c) Psychologist licensed by the Oregon Board of Psychology;

(d) Professional Counselor or Marriage and Family Therapist licensed by the Oregon Board of Licensed Professional Counselors and Therapists;

(e) Clinical Social Worker licensed by the Oregon Board of Licensed Social Workers;

(f) Certificate issued by AMH as described in OAR 309-012-0130 through 309-012-0220.

(5) Non-paid providers must be employed by a provider organization certified by AMH as described in OAR 309-012-0130 through 309-012-0220 and meet one of the following qualifications:

(a) Qualified mental health professional;

(b) Qualified mental health associate;

(c) Mental health intern; or

(d) Peer-Support Specialist.

## 410-172-0670

### Substance Use Disorder Treatment Services

(1) Substance Use Disorder (SUD) treatment services include, but are not limited to, screening; assessment; individual counseling; group counseling; individual family, group or couple counseling; care coordination; medication-assisted treatment; medication management; collection and handling of specimens for substance analysis; interpretation services; detoxification for substance use disorders; synthetic opioid treatment; and acupuncture.

(2) Paid providers of SUD treatment services shall meet one of the following requirements:

(a) Outpatient substance use disorder providers must have a certificate issued by AMH as described in OAR chapter 415, division 12;

(b) Any facility that meets the definition of a residential treatment facility for substance-dependent individuals under ORS 443.400 or a detoxification center as defined in ORS 430.306 must have a certificate issued by AMH as described in OAR chapter 415, division 012;

(c) Synthetic opioid treatment programs must meet the requirements described in OAR chapter 415, division 20;

(d) Substance use detoxification programs must meet the standards described in OAR 415, chapter 50;

(e) Physician or Physician Assistant licensed by the Oregon Medical Board;

(f) Advanced Practice Nurse including Clinical Nurse Specialist and Certified Nurse Practitioner licensed by the Oregon Board of Nursing;

(g) Professional Counselor or Marriage and Family Therapist licensed by the Oregon Board of Licensed Professional Counselors and Therapists;

(h) Clinical Social Worker licensed by the Oregon Board of Licensed Social Workers;

(i) Psychologist licensed by the Oregon Board of Psychology;

(j) Acupuncturist licensed by the Oregon Medical Board;

(k) Non-paid providers must be employed by a provider organization licensed or certified by AMH and meet one of the following qualifications for the scope of service provided:

(A) Qualified mental health professional;

(B) Qualified mental health associate;

(C) Mental health intern;

(D) Peer-support specialist.

(L) SUD counselor certified by a national or state accrediting body, including Certified Alcohol and Drug Counselor (CADC) certificate issued by the Addictions Counselor Certification Board of Oregon (ACCBO) including:

(A) CADC I — Requires education, supervised experience hours, and successful completion of a written examination; 150 hours of SUD education provided by an accredited or approved body; 1,000 hours of supervised experience; completion of the NCAC I professional psychometric national certification examination from the National Association of Alcohol and Drug Abuse Counselors;

(B) CADC II — A minimum of a BA or BS degree with a minimum of 300 hours of SUD education provided by an accredited or approved body; 4,000 hours of supervised experience; completion of the NCAC II professional psychometric national certification examination from the National Association of Alcohol and Drug Abuse Counselors;

(C) CADC III — A Minimum of a Master's degree with a minimum of 300 hours of SUD education provided by an accredited or approved body; 6,000 hours of supervised experience; completion of the NCAC II professional psychometric national certification examination from the National Association of Alcohol and Drug Abuse Counselors.

(3) Treatment staff holding certification in addiction counseling, qualification for the certification must include at least: 750 hours of supervised experience in substance use counseling; 150 contact hours of education and training in substance use related subjects; and successful completion of a written objective examination or portfolio review by the certifying body.

(4) For treatment staff holding a health license described in this rule, the provider must possess documentation of at least 60 (120 for supervi-

# ADMINISTRATIVE RULES

sors) contact hours of academic or continuing professional education in SUD treatment.

### Residential Treatment Services for Children

Paid providers of children's psychiatric residential treatment services shall:

(1) Hold a Certificate of Approval Pursuant to OAR 309-012-0130 through 309-012-0220 from AMH; and

(2) Be accredited as a psychiatric residential treatment facility for children under age 18 by JCAHO, CARF, or any other accrediting organization with comparable standards that is recognized by the State of Oregon;

(3) Be licensed by the Office of Licensing and Regulatory Oversight (OLRO);

(4) Provide a program consistent with standards set by JCAHO, CARF, or any other accrediting organization with comparable standards that is recognized by the state.

## 410-172-0690

### Admission Procedure for Residential Treatment Services for Children

(1) Admission procedures for children eligible for Medicaid shall be reviewed through an independent psychiatric review process established by the Division to certify the need for services.

(2) The referring source or the facility shall make available for the Certificate of Need (CONS) process the following information about the referred child:

(a) A written psychological or psychiatric evaluation completed within the previous 60 days;

(b) A written psychosocial history following the format required by the admission procedure of the facility to which the child has been referred;

(c) Results of any direct recipient observation and assessment subsequent to the referral;

(d) Other information from the referral source, other involved community agencies, and the family that are pertinent and appropriate to the admission procedure;

(e) Level of Need Determination Process outcome and Child and Adolescent Service intensity instrument (CASII) score;

(f) Identified care coordinator;

(g) Identified Intensive Community-Based Treatment Services (ICTS) provider;

(h) Identified child and family team members;

(i) Service Coordination Plan or expected date of completion;

(j) Documentation regarding attempt or failure at lower level of care placement;

(k) Letter from Community Mental Health Partner (CMHP) approving the referral to this level of care;

(l) Documentation that private insurance benefit will not fund stay.

(3) The Division shall authorize payment for psychiatric residential treatment services for children upon the approval of a certificate of need by the Division or designee.

## 410-172-0700

### 1915(i) Home and Community-Based Services

(1) Habilitation services are designed to help an individual attain or maintain their maximal level of independence, including the individual's acceptance of a current residence and the prevention of unnecessary changes in residence. Services are provided in order to assist an individual to acquire, retain, or improve skills in one or more of the following areas: assistance with activities of daily living, cooking, home maintenance, community inclusion and mobility, money management, shopping, community survival skills, communication, self-help, socialization, and adaptive skills necessary to reside successfully in home and community-based settings.

(2) Psychosocial rehabilitation services are medical or remedial services recommended by a physician or other practitioner to reduce impairment to an individual's functioning associated with the symptoms of a mental disorder or to restore functioning to the highest degree possible.

(3) Paid providers of 1915(i) services shall meet one of the following qualifications:

(a) Residential treatment home or facility licensed pursuant to OAR chapter 309, division 035;

(b) Adult Foster Home licensed pursuant to OAR chapter 309, division 040;

(c) Certificate issued by AMH pursuant to OAR chapter 309, division 012;

(4) Non-paid providers must be employed or subcontracted with a provider licensed or certified by AMH and meet one of the following qualifications: Non-paid providers including:

(a) Qualified Mental Health Professional;

(b) Qualified Mental Health Associate;

(c) Mental Health Intern;

(d) Peer-Support Specialist;

(e) Recovery Assistant.

(5) Providers of 1915(i) services may be required to meet Community Mental Health Program (CMHP) liability insurance requirements.

(6) Due to federal requirements for the Authority to ensure the impartiality of paid providers rendering services to 1915(i) eligible members, providers may be restricted from conducting eligibility reviews or developing the behavioral health assessment or service plan.

(7) To be eligible for services under the 1915(i) State Plan HCBS, the individual must meet the following requirements:

(a) Been diagnosed with a chronic mental illness as defined in ORS 426.495;

(b) Been assessed as needing assistance to perform at least two personal care services as identified in these rules due to a chronic mental illness.

(8) Eligibility for 1915(i) services is determined by an external Quality Improvement Organization (QIO) as identified by the Division.

## 410-172-0710

### Residential Personal Care

(1) Personal care services provided to a resident of an AMH licensed residential treatment program include a range of assistance as developmentally appropriate and are provided to individuals with behavioral health conditions that enable them to accomplish tasks that they would normally do for themselves if they did not have a behavioral health condition. Assistance may be in the form of hands-on assistance (actually performing a personal care task) or cueing (redirecting) so that the individual performs the task by him or herself.

(2) Personal care assistance most often relates to performance of activities of daily living (ADLs) and instrumental activities of daily living (IADLs). ADLs include eating, bathing, dressing, toileting, transferring, and maintaining continence. IADLs capture more complex life activities and include personal hygiene, light housework, laundry, meal preparation, transportation, grocery shopping, using the telephone, medication management, and money management.

(3) Personal care services may be provided on a continuing basis or on episodic occasions.

(4) Paid providers of facility-based personal care services must meet one of the following:

(a) Licensed residential facility pursuant to OAR chapter 309, divisions 35 and 40;

(b) Secure Residential Treatment Facility (SRTF);

(c) Residential Treatment Facility (RTF);

(d) Residential Treatment Home (RTH);

(e) Adult Foster Home (AFH).

## 410-172-0720

### Prior Authorization and Re-Authorization for Residential Treatment

(1) The Authority does not consider a request for a fixed episode of care or standardized length of stay to be medically appropriate. Requested length of stay must be based on an assessment of individual need and the medical appropriateness of the proposed time for treatment.

(2) Residential treatment is intended as an outcome-based, transitional, and episodic period of care to provide service and supports in a structured environment that will allow the individual to successfully reintegrate into an independent community-based living arrangement.

(3) Residential treatment is not intended to be used as a long-term substitute for lack of available supportive living environment in the community.

# ADMINISTRATIVE RULES

(4) Authority licensed residential treatment programs are reimbursed for the provision of rehabilitation, substance use disorder, habilitation, or personal care services as defined in these rules.

(5) The Division shall authorize admission and continued stay in residential programs based on the medical appropriateness of the request and supporting clinical documentation.

(6) Prior authorization requests for admission and continued stay may be reviewed to determine:

(a) The medical appropriateness of the admission for residential services provided;

(b) The appropriateness of the recommended length of stay;

(c) The appropriateness of the recommended plan of care;

(d) The appropriateness of the licensed setting selected for service delivery;

(e) A level of care determination was appropriately documented.

(7) If the Division determines that a residential service prior authorization request is not within coverage parameters, the provider shall be notified in writing and shall have ten business days to provide additional written documentation to support the medical necessity of the admission and procedures.

(8) If the reconsidered decision is to uphold the denial, prior authorization shall be denied.

(9) The provider may appeal any final decision through the Division administrative appeals process as described in OAR 410-120-1560 through 410-120-1875.

(10) Upon denial of a prior authorization request for continued stay, the Division shall authorize payment for up to 60 days of continued stay for the purposes of supporting transition management and planning for the recipient.

(11) The Division shall determine re-authorization and authorization of continued stay based upon one of the following: The recipient continues to meet all basic elements of medical necessity and one of the following criteria must be met:

(a) Documentation that the treatment provided is resulting in measurable clinical outcomes but that the recipient is not sufficiently stabilized or yet developed the skills necessary to support transition to a less restrictive level of care;

(b) The recipient has developed new or worsening symptoms or behaviors that require continued stay in the current level of care;

(c) Requests for continued stay based on these criteria must include documentation of ongoing re-assessment and necessary modification to the current plan of care.

Stat. Auth.: ORS 413.042 & 430.640

## 410-172-0730

### Payment Limitations for Behavioral Health Services

(1) Services shall be subject to periodic utilization review to determine medical appropriateness.

(2) If a review reveals that a recipient received less than active treatment, payment shall not be allowed under these rules, and prior authorization may be cancelled.

(3) The Division shall make no payment for services if the Division or designee has determined the service is not medically appropriate.

(4) Residential treatment services are provided to Medicaid Title XIX eligible individuals in facilities with 16 or fewer beds. Payment is excluded for individuals in "institutions of mental diseases (IMD)" who are over age 18 and under age 65. IMDs are defined in 42 CFR 435.1010.

(5) For residential facilities, the Division may not pay for planned or unplanned absences unless the provider can document clinical services were rendered during the temporary absence.

(6) For residential facilities, the Division shall pay for the day of admission but may not pay for the day of transfer or discharge.

(7) Medicaid may not reimburse costs associated with room and board for recipients residing in Authority licensed residential treatment programs.

(8) Consistent with 42 CFR 447.40, payment for a reserved bed is not covered under Medicaid.

Stat. Auth.: ORS 413.042 & 430.640

## 410-172-0740

### Supported Employment

(1) To be eligible for Medicaid reimbursement, supported employment (SE) services must be provided by a qualified SE provider.

(2) To become a qualified SE provider, an agency must provide the evidence-based practice of individual placement support (IPS) and SE and submit a copy to AMH of a fidelity review conducted by an AMH approved fidelity reviewer that resulted in a score of 100 or better.

(3) Providers implementing IPS supported employment may become a provisionally-qualified SE provider by submitting a request to AMH with a letter of support that indicates receipt of technical assistance and training from an AMH approved IPS SE trainer. Medicaid reimbursement to a provisionally-qualified SE provider ends after 12 months. This option is intended only for providers initiating SE services.

## 410-172-0750

### Assertive Community Treatment (ACT)

(1) To be eligible for Medicaid reimbursement, Assertive Community Treatment (ACT) services must be provided by a qualified ACT provider.

(2) To become a qualified ACT provider, an agency must provide the evidence-based practice of ACT and submit to AMH a copy of a fidelity review conducted by an AMH approved ACT Fidelity Reviewer with a minimum score of 114.

(3) Agencies may become a provisionally-qualified ACT provider by submitting to AMH a request with a letter of support that indicates receipt of technical assistance and training from an AMH approved ACT trainer. Provisional ability to receive Medicaid reimbursement shall end after 12 months. This option is intended only for providers initiating ACT services.

(4) If a Qualified ACT provider does not receive a minimum score of 114 on a fidelity review, the following shall occur:

(a) Technical assistance shall be made available for a period of 90 days to address problem areas identified in the fidelity review;

(b) At the end of the 90-day period, a follow-up review shall be conducted by an AMH approved reviewer.

(5) The provider shall forward a copy of the amended fidelity review report to AMH.

(6) If the 90-day review results in a score of less than 114, the agency's designation as a Qualified ACT provider may be suspended for up to one calendar year.

## 410-172-0760

### Applied Behavior Analysis

(1) ABA services must be recommended by a licensed physician or licensed psychologist who has experience or training in the diagnosis of autism spectrum disorder and holds at least one of the following educational degrees and valid licensure:

(a) Physician licensed to practice in the State of Oregon;

(b) Psychologist licensed to practice in the State of Oregon.

(2) Paid providers of ABA services must hold the following license or registration:

(a) Licensed Behavior Analyst as described in OAR 824-030-0010;

(b) Licensed health care professional who is registered with the Oregon Behavior Analyst Certification Board as described in OAR 824-030-0030.

(3) Non-paid providers of ABA services must hold the following license or registration:

(a) Assistant Behavior Analyst licensed by the Oregon Behavior Analysis Regulatory Board as described in OAR 824-030-0020;

(b) Behavior Analysis Interventionists registered by the Oregon Behavior Analysis Regulatory Board as described in OAR 824-030-0040.

### Individual Eligibility for Applied Behavioral Analysis Treatment

(1) Individuals receiving ABA must have an evaluation by a physician or psychologist experienced in the diagnosis and treatment of autism using the current DSM criteria that includes:

(a) A Diagnosis of an Autism spectrum disorder;

(b) Documentation of and results from a standardized tool that has been used to substantiate the autism disorder or questionnaires that have been used to substantiate a diagnosis of self-injurious behavior;

(c) Documented behaviors that are considered to have an adverse impact on the individual's development or communication or the individual demonstrates behavior that is injurious to themselves or others that:

# ADMINISTRATIVE RULES

(A) Interferes with everyday functions or activities;  
(B) Less intensive treatment or other therapy has been considered or found insufficient.

(d) Any other documentation that would substantiate the diagnosis of autism or self-injurious behavior such as:

(A) Notes from well-child visits or other medical professionals;  
(B) Copy of existing or past Individual Education Plans (IEP);  
(C) Results from any additional assessments, such as IQ tests, speech and language tests, or tests of auditory function.

(e) A prescription for ABA treatment that includes:

(A) A diagnosis of autism or self-injurious behavior;  
(B) A copy of the evaluation described above;  
(C) An order for ABA treatment without specifying hours or intensity.

(2) Recipients ages one through twelve are eligible for intensive and less intensive interventions:

(a) Intensive interventions include therapies that address multiple behaviors at once, are more comprehensive in nature, and start at an earlier age;

(b) Less intensive interventions focus on a few targeted behaviors and generally are used with older children.

(3) Recipients age 13 and older are eligible for less intensive services only.

(4) Intensive and less intensive interventions are based on medical appropriateness as defined in these rules.

### Behavioral Health Personal Care Attendant Program

(1) Behavioral health personal care attendant services are essential services that enable an individual to move into or remain in his or her own home. Behavioral health personal care attendant services are provided in accordance with an individual's authorized plan for services by a QMHA or QMHP:

(a) Behavioral health personal care attendant services are provided directly to an eligible individual and are not meant to provide respite or other services to an individual's natural support system. Behavioral health personal care attendant services may not be implemented for the purpose of benefiting an individual's family members or the individual's household in general;

(b) Behavioral health personal care attendant services are limited to 20 hours per month per eligible individual;

(c) To meet an extraordinary personal care need, an individual, representative, or legal representative may request an exception to the 20-hour per month limitation. An exception must be requested through the local community mental health program or agency contracted with AMH serving the individual. The Division has up to 45 days upon receipt of an exception request to determine whether an individual's assessed personal care needs warrant exceeding the 20-hour per month limitation.

(2) Personal care services include:

(a) Basic personal hygiene — providing or assisting an individual with such needs as bathing (tub, bed bath, shower), washing hair, grooming, shaving, nail care, foot care, dressing, skin care, mouth care, and oral hygiene;

(b) Toileting, bowel, or bladder care — assisting to and from bathroom, on and off toilet, commode, bedpan, urinal, or other assistive device used for toileting, changing incontinence supplies, following a toileting schedule, cleansing an individual or adjusting clothing related to toileting, emptying a catheter drainage bag or assistive device, ostomy care, and bowel care;

(c) Mobility, transfers, or repositioning — assisting an individual with ambulation or transfers with or without assistive devices, turning an individual or adjusting padding for physical comfort or pressure relief, and encouraging or assisting with range-of-motion exercises;

(d) Nutrition — preparing meals and special diets, assisting with adequate fluid intake or adequate nutrition, assisting with food intake (feeding), monitoring to prevent choking or aspiration, assisting with special utensils, cutting food, and placing food, dishes, and utensils within reach for eating;

(e) Medication or oxygen management — assisting with ordering, organizing, and administering oxygen or prescribed medications (including pills, drops, ointments, creams, injections, inhalers, and suppositories), monitoring for choking while taking medications, assisting with the admin-

istration of oxygen, maintaining clean oxygen equipment, and monitoring for adequate oxygen supply;

(f) Delegated nursing tasks as defined in OAR 411-034-0010.

(3) When any of the services listed in section (2) of this rule are essential to the health, safety, and welfare of an individual and the individual is receiving personal care paid by the Division, the following support services may also be provided:

(a) Housekeeping tasks necessary to maintain the individual in a healthy and safe environment, including cleaning surfaces and floors, making the individual's bed, cleaning dishes, taking out the garbage, dusting, and gathering and washing soiled clothing and linens. Only the housekeeping activities related to the individual's needs may be considered in housekeeping;

(b) Arranging for necessary medical appointments including help scheduling appointments and arranging medical transportation services (described in OAR chapter 410, division 136) and assistance with mobility and transfers or cognition in getting to and from appointments or to an office within a medical clinic or center;

(c) Observing the individual's health status and reporting any significant changes to physicians, health care professionals, or other appropriate persons;

(d) First aid and handling of emergencies, including responding to medical incidents related to conditions such as seizures, spasms, or uncontrollable movements where assistance is needed by another individual, and responding to an individual's call for help during an emergent situation or for unscheduled needs requiring immediate response; and

(e) Cognitive assistance or emotional support provided to an individual by another person due to confusion, dementia, behavioral symptoms, or mental or emotional disorders. Cognitive assistance or emotional support includes helping the individual cope with change and assisting the individual with decision-making, reassurance, orientation, memory, or other cognitive symptoms.

(4) Payment may not be made for any of the following excluded services:

(a) Shopping;

(b) Community transportation;

(c) Money management;

(d) Mileage reimbursement;

(e) Social companionship;

(f) Day care, adult day services (described in OAR chapter 411, division 066), respite, or baby-sitting services;

(g) Medicaid home delivered meals (described in OAR chapter 411, division 040);

(h) Care, grooming, or feeding of pets or other animals; or

(i) Yard work, gardening, or home repair.

### Eligibility for Behavioral Health Personal Care Attendant Services

(1) To be eligible for Behavioral Health personal care attendant services, an individual must:

(a) Demonstrate the need for assistance from a qualified provider due to a disabling behavioral health condition with personal care services and meet the eligibility criteria described in this rule;

(b) Be a current recipient of a Medicaid OHP full benefit package.

(2) An individual is not eligible to receive Behavioral Health personal care attendant services if:

(a) The individual is receiving personal care services from a licensed 24-hour residential services program (such as an adult foster home, residential treatment home, or residential treatment facility);

(b) The individual is in a prison, hospital, sub-acute care facility, nursing facility, or other medical institution;

(c) The individual's assessed service needs are being met under other Medicaid-funded home and community-based service options of the individual's choosing.

(3) Behavioral health personal care attendant services are not intended to replace routine care commonly needed by an infant or child typically provided by the infant's or child's parent.

(4) Behavioral health personal care attendant services may not be used to replace other non-Medicaid governmental services.

(5) The Authority may close the eligibility and authorization for Behavioral Health personal care attendant services if an individual fails to:

(a) Employ a provider that meets the requirements in this rule;

# ADMINISTRATIVE RULES

(b) Receive personal care from a qualified provider paid by the Authority for 30 continuous calendar days or longer.

(6) Behavioral health personal care attendant services may not duplicate other Medicaid services.

(7) Individuals eligible for Behavioral Health personal care attendant services as described must apply through the local community mental health program or agency contracted with AMH.

## 410-172-0800

### Personal Care Attendant Employer-Employee Relationship

(1) The relationship between a provider and an eligible individual or the individual's representative is that of employee and employer.

(2) As an employer, the individual must create and maintain a job description for a potential provider that is in coordination with the individual's plan for services.

(3) The only benefits available to homecare and personal support attendants are those negotiated in a collective bargaining agreement and as provided in statute. The collective bargaining agreement does not include participation in the Public Employees Retirement System or the Oregon Public Service Retirement Plan. Homecare and personal support workers are not state or Division employees.

(4) To be eligible for Behavioral Health personal care attendant services, the individual or the individual's representative must demonstrate the ability to:

(a) Locate, screen, and hire a provider meeting the requirements described in this rule;

(b) Supervise and train a provider;

(c) Schedule work, leave, and coverage;

(d) Track the hours worked and verify the authorized hours completed by a provider;

(e) Recognize, discuss, and attempt to correct any performance deficiencies with the provider and provide appropriate, progressive, disciplinary action as needed; and

(f) Discharge an unsatisfactory provider.

(5) The Authority shall pay for Behavioral Health personal care attendant services to the provider on an individual's behalf. Payment for services is not guaranteed until the Authority has verified that an individual's provider meets the qualifications set forth in this rule.

(6) In order to receive Behavioral Health personal care attendant services from a personal support worker or homecare worker, an individual must be able to meet or designate a representative to meet the employer responsibilities in section (4) of this rule.

(7) Termination and the grounds for termination of employment are determined by an individual or the individual's representative. An individual may terminate an employment relationship with a provider at any time and for any reason. An individual must establish an employment agreement at the time of hire. The employment agreement may include grounds for dismissal, notice of resignation, work scheduling, and absence reporting.

(8) After appropriate intervention, an individual unable to meet the employer responsibilities in section (4) of this rule may be determined ineligible for Behavioral Health personal care attendant services.

(9) An individual determined ineligible for Behavioral Health personal care attendant services may request these services at the individual's next annual re-assessment. Improvements in health and cognitive functioning may be factors in demonstrating the individual's ability to meet the employer responsibilities described in section (4) of this rule. The waiting period may be shortened if an individual is able to demonstrate the ability to meet the employer responsibilities sooner than the individual's next annual re-assessment.

(10) An individual may designate a representative to act on the individual's behalf to meet the employer responsibilities in section (4) of this rule. An individual's legal representative may be designated as the individual's representative:

(a) The Authority may deny an individual's designation of a representative if the representative has:

(A) A history of a substantiated abuse of an adult as described in OAR chapter 411, division 20, OAR chapter 407, division 45, or OAR chapter 943, division 45;

(B) A history of founded abuse of a child as described in ORS 419 B.005;

(C) Participated in billing excessive or fraudulent charges; or

(D) Failed to meet the employer responsibilities, including previous termination for failure to meet the employer responsibilities in section (4) of this rule.

(b) An individual may select another representative if the Authority suspends, terminates, or denies an individual's designation of a representative.

(11) An individual with a guardian must have a representative for service planning purposes. A guardian may designate themselves the individual's representative.

## 410-172-0810

### Personal Care Attendant Qualifications

(1) A qualified provider is an individual who, in the Authority's judgment, demonstrates by background, skills, and abilities knowledge and ability to perform or to learn to perform the required work. A qualified provider must:

(a) Maintain a drug-free work place;

(b) Complete the background check process described in OAR 943, division 007 with an outcome of approved or approved with restrictions;

(c) May not be an individual's legal representative;

(d) Be authorized to work in the United States in accordance with U.S. Department of Homeland Security, Bureau of Citizenship and Immigration rules;

(e) Be 18 years of age or older.

(2) A qualified provider may be employed through a contracted in-home care agency or enrolled as a homecare worker or personal support worker under a provider number. The Authority shall establish the rates for services.

(3) Providers that provide Behavioral Health personal care attendant services must:

(a) Be enrolled in the Consumer-Employed Provider Program and meet all of the standards in OAR chapter 411, division 31;

(b) Meet the provider enrollment and termination criteria described in OAR 411-031-0040 for personal support workers.

(4) The Authority shall conduct background rechecks at least every other year from the date a provider is enrolled. The Authority may conduct a recheck more frequently based on additional information discovered about a provider, such as possible criminal activity or other allegations.

(5) Prior background check approval for another Authority provider type is inadequate to meet background check requirements for homecare or personal support workers.

(6) Provider enrollment may be inactivated when a provider fails to comply with the background recheck process. Once a provider's enrollment is inactivated, the provider must reapply and meet the requirements described in these rules to reactivate provider enrollment.

Stat. Auth.: ORS 413.042 & 430.640

## 410-172-0820

### Provider Termination

(1) The Authority may deny or terminate a personal care attendant's provider enrollment and provider number as described in OAR 411-031-0050. The termination, administrative review, and hearings rights for homecare workers are set forth in OAR 411-031-0050.

(2) The Authority may deny or terminate a personal support worker's provider enrollment and provider number when the personal support worker:

(a) Has been appointed the legal guardian of an individual;

(b) Has a background check that results in a closed case pursuant to OAR chapter 943, division 007;

(c) Lacks the skills, knowledge, or ability to perform or learn to perform the required work;

(d) Violates the protective service and abuse rules in OAR chapter 411, division 20, OAR chapter 407, division 45, and OAR chapter 943, division 45;

(e) Commits fiscal improprieties;

(f) Fails to provide the authorized services required by an eligible individual;

(g) Has been repeatedly late in arriving to work or has absences from work not authorized in advance by an individual;

(h) Has been intoxicated by alcohol or drugs while providing authorized services to an individual or while in the individual's home;

# ADMINISTRATIVE RULES

(i) Has manufactured or distributed drugs while providing authorized services to an individual or while in the individual's home; or

(j) Has been excluded as a provider by the U.S. Department of Health and Human Services, Office of Inspector General from participation in Medicaid, Medicare, or any other federal health care programs.

(3) A personal support worker may contest the Authority's decision to terminate the personal support worker's provider enrollment and provider number:

(a) A designated employee from the Authority shall review the termination and notify the personal support worker of the decision;

(b) A personal support worker may file a request for a hearing with the Authority's local office if all levels of administrative review have been exhausted and the provider continues to dispute the Authority's decision. The local office shall file the request for a hearing with the Office of Administrative Hearings as described in OAR chapter 137, division 3. The request for a hearing must be filed within 30 calendar days of the date of the written notice from the Authority;

(c) When a contested case is referred to the Office of Administrative Hearings, the referral must indicate whether the Authority is authorizing a proposed order, a proposed and final order, or a final order.

(d) No additional hearing rights have been granted to a personal support worker by this rule other than the right to a hearing on the Authority's decision to terminate provider enrollment.

Stat. Auth.: ORS 413.042 & 430.640

## 410-172-0830

### Personal Care Attendant Service Assessment, Authorization, and Monitoring

(1) A behavioral health case manager must meet in person with an individual to assess the individual's ability to perform the personal care tasks listed in this rule:

(a) An individual's natural supports may participate in the assessment if requested by the individual;

(b) A behavioral health case manager must assess an individual's service needs, identify the resources meeting any, some, or all of the individual's needs, and determine if the individual is eligible for behavioral health personal care attendant services or other services;

(c) A behavioral health case manager must meet with an individual in person at least once every 365 days to review the individual's service needs.

(2) A behavioral health case manager must prepare a service plan identifying the tasks for which an individual requires assistance and the monthly number of authorized service hours. The case manager must document an individual's natural supports that currently meet some or all of the individual's assistance needs:

(a) The service plan must describe the tasks to be performed by a qualified provider and must authorize the maximum monthly hours that may be reimbursed for those services;

(b) When developing service plans, a case manager must consider the cost effectiveness of services that adequately meet the individual's service needs;

(c) Payment for behavioral health personal care attendant services must be prior authorized by a behavioral health case manager and based on the service needs of an individual as documented in the individual's written service plan.

(3) When there is an indication that an individual's personal care needs have changed, a case manager must conduct an in-person reassessment with the individual and any of the individual's natural supports if requested by the individual:

(a) Following annual reassessments and those conducted after a change in an individual's personal care needs, a case manager must review service eligibility, the cost effectiveness of the individual's service plan, and whether the services provided are meeting the individual's identified service needs;

(b) The case manager may adjust the hours or services in the individual's service plan and must authorize a new service plan, if appropriate, based on the individual's current service needs.

(4) A behavioral health case manager must provide ongoing coordination of behavioral health personal care attendant services, including authorizing changes in providers and service hours, addressing risks, and monitoring and providing information and referral to an individual when indicated.

(5) The Authority may not authorize services within an eligible individual's home when:

(a) The individual's home has dangerous conditions that jeopardize the health or safety of the individual or the provider and necessary safeguards cannot be taken to improve the setting;

(b) The services cannot be provided safely or adequately by a provider;

(c) The individual does not have the ability to make an informed decision, does not have a designated representative to make decisions on his or her behalf, and necessary safeguards cannot be provided to protect the individual's safety, health, and welfare.

(6) A behavioral health case manager must present an individual or the individual's representative with information on service alternatives and provide assistance to assess other choices when a provider or service setting selected by the individual or the individual's representative is not authorized.

## 410-172-0840

### Personal Care Attendant Payment Limitations

(1) The number of behavioral health personal care attendant service hours authorized for an individual per calendar month is based on projected amounts of time to perform specific personal care and supportive services to the eligible individual. The total of these hours are limited to 20 hours per individual per month. Individuals whose assessed service needs exceed the 20-hour limit may receive approval for additional hours.

(2) The Authority shall pay for behavioral health personal care attendant services when all acceptable provider enrollment standards have been verified and both the employer and provider have been formally notified in writing that payment by the Authority is authorized.

(3) In accordance with OAR 410-120-1300, all provider claims for payment must be submitted within 12 months of the date of service.

(4) Payment may not be claimed by a provider until the hours authorized for the payment period have been completed, as directed by an eligible individual or the individual's representative.

## 410-172-0850

### Telemedicine for Behavioral Health

(1) Telemedicine encompasses different types of programs, services, and delivery mechanisms for medically appropriate covered services within the recipient's benefit package:

(a) Patient consultations using telephone and online or electronic mail (e-mail) are covered when billed services comply with the practice guidelines set forth by the Health Service Commission (HSC) and the applicable HSC-approved code requirements, delivered consistent with the HSC practice guideline;

(b) Patient consultations using videoconferencing, a synchronous (live two-way interactive) video transmission resulting in real time communication between a provider located in a distant site and the recipient being evaluated and located in an originating site, is covered when billed services comply with the billing requirements stated below.

(2) Behavioral health services specifically identified as allowable for telephonic delivery are listed on the Behavioral Health Fee schedule published by the Authority.

(3) Unless expressly authorized in OAR 410-120-1200 (Exclusions), other types of telecommunications are not covered such as images transmitted via facsimile machines and electronic mail when:

(a) Those methods are not being used in lieu of videoconferencing, due to limited videoconferencing equipment access; or

(b) Those methods and specific services are not specifically allowed pursuant to the Health Evidence Review Commission's (HERC) Prioritized List of Health Services and Practice Guideline.

(4) Providers billing for covered telemedicine services must:

(a) Comply with HIPAA and the Authority's Confidentiality and Privacy Rules and security protections for the patient in connection with the telemedicine communication and related records;

(b) Obtain and maintain technology used in the telemedicine communication that is compliant with privacy and security standards in HIPAA and the Authority's Privacy and Confidentiality Rules set forth in OAR 943, division 14;

(c) Ensure policies and procedures are in place to prevent a breach in privacy or exposure of patient health information or records (whether oral or recorded in any form or medium) to unauthorized individuals;

# ADMINISTRATIVE RULES

(d) Comply with the relevant HERC practice guideline for telephone and e-mail consultation. Refer to the current prioritized list and practice guidelines at <http://www.oregon.gov/oha/herc/Pages/PrioritizedList.aspx>;

(e) Maintain clinical and financial documentation related to telemedicine services as required in OAR 410-120-1360.

**Notice Publication Date:**

**Rules Adopted:** 410-141-3269

**Subject:** Incorporate a process for resolving contract disputes between health care entities and existing Coordinated Care Organizations in accordance with ORS 414.635

**Rules Coordinator:** Sandy Cafourek—(503) 945-6430

## 410-141-3269

**Process for Resolving Contract Disputes Between Health Care Entities and Coordinated Care Organizations**

(1) Pursuant to ORS 414.635, Coordinated Care Organizations (CCOs) and Health Care Entities (HCE) shall participate in good faith contract negotiations. This rule covers the termination, extension, or renewal of an HCE's contract with a CCO.

(2) In the event of a dispute involving the termination, extension, or renewal of an HCE's contract with a CCO, the parties may take the following actions in an attempt to reach a good faith resolution:

(a) Both parties shall provide a written offer of terms and conditions to the other party. The parties shall explain the basis for their disagreement with the terms and conditions offered by the other party.

(b) The CCO's and HCE's chief financial officer, chief executive officer, or an individual authorized to make decisions on behalf of the HCE or CCO shall have at least one face-to-face meeting in a good faith effort to resolve the disagreement.

(c) The CCO or HCE may request the Authority to provide technical assistance. The Authority's technical assistance is limited to clarifying the CCO contractual provisions, subcontracting criteria, current reimbursement requirements, access standards and other legal requirements.

(3) If the CCO and HCE cannot reach agreement on contract terms, the parties may engage in mediation. Either the CCO or the HCE may request mediation.

(a) After the parties have agreed to enter into mediation, the parties shall attempt to agree on the selection of the mediator and complete paperwork required to secure the mediator's services. If the parties are unable to agree, each party shall appoint a mediator, and those mediators shall select the final mediator.

(b) To be qualified to propose resolutions for disputes under this rule, the mediator shall:

(A) Be a knowledgeable and experienced mediator;

(B) Be familiar with health care and contracting matters; and

(C) Follow the terms and conditions specified in this rule for the mediation process.

(c) The parties shall pay for all mediation costs, whether a conclusion is reached or not. In consideration of potentially varied financial resources between the parties, which may pose a barrier to the use of this process, the parties may ask the mediator to allocate costs between the parties based on the ability to pay.

(d) Within ten business days of a selection of a mediator, the CCO and HCE shall submit to each other and to the mediator the following:

(A) Contract offer; and

(B) Explanation of their position (i.e. advocacy brief).

(e) Unless an extension is agreed on by all parties, the mediator shall issue a report to the involved parties that will include mediation findings and recommendations no longer than 15 business days from the conclusion of the mediation.

(4) Pursuant to ORS 414.635, if the CCO and HCE cannot reach an agreement on contract terms within ten business days of receipt of the mediator's report, either party may request non-binding arbitration. The requesting party shall notify the other party in writing of the party's intent to refer the matter to arbitration.

(a) After notification that one party initiated arbitration, the parties shall agree on the selection of the arbitrator and complete the paperwork required to secure the arbitrator's services. If the parties are unable to agree, each party shall appoint an arbitrator, and these arbitrators shall select the final arbitrator.

(b) To be qualified to propose resolutions for disputes under this rule, the arbitrator shall:

(A) Be a knowledgeable and experienced arbitrator;

(B) Be familiar with health care provider contracting matters; and

(C) Follow the terms and conditions specified in this rule for the arbitration process.

(c) The parties shall pay for all arbitration costs. In consideration of potentially varied financial resources between the parties, which may pose a barrier to the use of this process, the parties may ask the arbitrator to allocate costs between the parties based on ability to pay.

(d) Within ten business days of a selection of an arbitrator, the CCO and HCE shall submit to each other and to the arbitrator the following:

(A) Final contract offer; and

(B) Explanation of their position (i.e. advocacy brief).

(e) The arbitrator must evaluate the final offers and the advocacy briefs from each party and issue a non-binding determination within 15 business days of the receipt of the parties' submissions.

**Adm. Order No.:** DMAP 87-2014

**Filed with Sec. of State:** 12-31-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 410-122-0080

**Subject:** The Division needs to amend the rule listed above to clarify the review process for items not already identified in rules as covered by DMAP and to meet requirements from the CMS guidance letter to Medicaid states.

**Rules Coordinator:** Sandy Cafourek—(503) 945-6430

## 410-122-0080

**Conditions of Coverage, Limitations, Restrictions and Exclusions**

(1) The Division of Medical Assistance Programs (Division) may pay for durable medical equipment, prosthetics, orthotics and medical supplies (DMEPOS) when the item meets all the criteria in this rule, including all of the following conditions. The item:

(a) Has been approved for marketing and registered or listed as a medical device by the Food and Drug Administration (FDA) and is otherwise generally considered to be safe and effective for the purpose intended. In the event of delay in FDA approval and registration, the Division shall review purchase options on a case-by-case basis;

(b) Is reasonable and medically appropriate for the individual client;

(c) Is primarily and customarily used to serve a medical purpose;

(d) Is generally not useful to a person in the absence of illness or injury;

(e) Is appropriate for use in a client's home;

(f) Specifically, for durable medical equipment, can withstand repeated use; i.e., could normally be rented and used by successive clients;

(g) Meets the coverage criteria as specified in this division and subject to service limitations of the Division rules;

(h) Is requested in relation to a diagnosis and treatment pair that is above the funding line and consistent with treatment guidelines of the Health Evidence Review Commission's (HERC) Prioritized List of Health Services (Prioritized List of Health Services or List) found in OAR 410-141-0520, and not otherwise excluded under OAR 410-141-0500;

(i) Is included in the Oregon Health Plan (OHP) client's benefit package of covered services; and

(j) Is the least costly, medically appropriate item that meets the medical needs of the client.

(2) Conditions for Medicare-Medicaid Services:

(a) If Medicare is the primary payer and Medicare denies payment, an appeal to Medicare must be filed timely prior to submitting the claim to the Division for payment. If Medicare denies payment based on failure to submit a timely appeal, the Division may reduce any amount the Division determines could have been paid by Medicare;

# ADMINISTRATIVE RULES

(b) If Medicare denies payment on appeal, the Division shall apply DMEPOS coverage criteria in this rule to determine whether the item or service is covered under the OHP.

(3) The Division may not cover DMEPOS items when the item or the use of the item is:

- (a) Not primarily medical in nature;
- (b) For personal comfort or convenience of the client or caregiver;
- (c) A self-help device;
- (d) Not therapeutic or diagnostic in nature;
- (e) Used for precautionary reasons (e.g., pressure-reducing support surface for prevention of decubitus ulcers);
- (f) Inappropriate for client use in the home (e.g., institutional equipment like an oscillating bed);
- (g) For a purpose where the medical effectiveness is not supported by evidence-based clinical practice guidelines; or
- (h) Reimbursed as part of the bundled rate in a nursing facility as described in OAR 411-070-0085, or as part of a home and community-based care waiver service, or by any other public, community, or third party resource.

(4) Codes that are identified in these rules or in fee schedules are provided as a mechanism to facilitate payment for covered items and supplies consistent with OAR 410-122-0186, but codes do not determine coverage. If prior authorization is required, the request for reimbursement shall document that prior authorization was obtained in compliance with the rules in this division.

(5) DMEPOS providers shall have documentation on file that supports coverage criteria are met.

(6) Billing records shall demonstrate that the provider has not exceeded any limitations and restrictions in the DMEPOS rules. The Division may require additional claim information from the provider consistent with program integrity review processes.

(7) Documentation described in (4), (5), and (6) above shall be made available to the Division upon request.

(8) To identify non-covered items at a code level, providers can refer to the Division fee schedule, subject to the limitation that fee schedules and codes do not determine coverage and are solely provided as a mechanism to facilitate payment for covered services and supplies consistent with OAR 410-122-0186. If an item or supply is not covered for an OHP client in accordance with these rules, there is no basis for payment regardless of whether there is a code for the item or supply on the fee schedule.

(9) Some benefit packages do not cover equipment and supplies (see OAR 410-120-1210, Medical Assistance Benefit Packages and Delivery System).

(10) Buy-ups are prohibited. Advanced Beneficiary Notices (ABN) constitutes a buy-up and is prohibited. Refer to the Division General Rules (chapter 410, division 120) for specific language on buy-ups.

(11) Equipment purchased by the Division for a client is the property of the client.

(12) Rental charges, starting with the initial date of service, regardless of payer, apply to the purchase price.

(13) A provider who supplies rented equipment is to continue furnishing the same item throughout the entire rental period, except under documented reasonable circumstances.

(14) Before renting, providers should consider purchase for long-term requirements.

(15) The Division may not pay DMEPOS providers for medical supplies separately while a client is under a home health plan of care and covered home health care services.

(16) The Division may not pay DMEPOS providers for medical supplies separately while a client is under a hospice plan of care where the supplies are included as part of the written plan of care and for which payment may otherwise be made by Medicare, the Division, or other carrier.

(17) Separate payment may not be made to DMEPOS providers for equipment and medical supplies provided to a client in their home when the cost of such items is already included in the capitated (per diem) rate paid to a facility or organization.

(18) Non-contiguous out-of-state DMEPOS providers may seek Medicaid payment only under the following circumstances:

- (a) Medicare/Medicaid clients:
  - (A) For Medicare covered services and then only Medicaid payment of a client's Medicare cost-sharing expenses for DMEPOS services when all of the following criteria are met:
    - (i) Client is a qualified Medicare beneficiary (QMB);
    - (ii) Service is covered by Medicare;

(iii) Medicare has paid on the specific code. Prior authorization is not required;

(B) Services not covered by Medicare:

(i) Only when the service or item is not available in the State of Oregon, and this is clearly substantiated by supporting documentation from the prescribing practitioner and maintained in the DMEPOS provider's records;

(ii) Some examples of services not reimbursable to a non-contiguous out-of-state provider are incontinence supplies, grab bars, etc. This list is not all-inclusive;

(iii) Services billed must be covered under the OHP;

(iv) Services provided and billed to the Division shall be in accordance with all applicable Division rules;

(b) Medicaid-only clients:

(A) For a specific Oregon Medicaid client who is temporarily outside Oregon or the contiguous borders of Oregon and only when the prescribing practitioner has documented that a delay in service may cause client harm;

(B) For foster care or subsidized adoption children placed out of state;

(C) Only when the service or item is not available in the State of Oregon, and this is clearly substantiated by supporting documentation from the prescribing practitioner and maintained in the DMEPOS provider's records;

(D) Services billed must be covered under the OHP;

(E) Services provided and billed to the Division shall be in accordance with all applicable Division rules.

(19) The items listed in Table 122-0080 generally do not meet the requirements under DMEPOS rules for purchase, rent, or repair of equipment or items.

(20) A request for an individual medical review may be made on DMEPOS services or items that are not already identified as covered by the Division. The request shall be submitted by the prescribing practitioner with supporting medical documentation. In no case shall a requested service or item be approved unless it is medically appropriate as defined in OAR 410-120-0000 and 410-141-0000 and meets the requirements of this rule. Requests under this section shall be directed in accordance with 410-122-0040(2).

(21) See General Rules OAR 410-120-1200, Excluded Services and Limitations for more information on general scope of coverage and limitations.

(22) Table 122-0080, Exclusions.

## 410-121-0030

### Practitioner-Managed Prescription Drug Plan

(1) The Practitioner-Managed Prescription Drug Plan (PMPDP) is a plan that ensures fee-for-service clients of the Oregon Health Plan shall have access to the most effective prescription drugs appropriate for their clinical conditions at the best possible price:

(a) Licensed health care practitioners (informed by the latest peer reviewed research) make decisions concerning the clinical effectiveness of the prescription drugs;

(b) The licensed health care practitioners also consider the health condition of a client or characteristics of a client, including the client's gender, race, or ethnicity.

(2) PMPDP Preferred Drug List (PDL):

(a) The PDL is the primary tool the Division developed to inform licensed health care practitioners about the results of the latest peer-reviewed research and cost effectiveness of prescription drugs;

(b) The PDL (as defined in 410-121-0000 (cc) consists of prescription drugs that the Division, in consultation with the Drug Use Review (DUR)/Pharmacy & Therapeutics Committee (P&T), has determined represent the most effective drugs available at the best possible price;

(c) The PDL shall include drugs that are Medicaid reimbursable and the Food and Drug Administration (FDA) has determined to be safe and effective.

(3) PMPDP PDL Selection Process:

(a) The Division shall utilize the recommendations made by the P&T that result from an evidence-based evaluation process as the basis for selecting the most effective drugs;

(b) The Division shall determine the drugs selected in (3)(a) that are available for the best possible price and shall consider any input from the P&T about other FDA-approved drugs in the same class that are available for a lesser relative price. The Division shall determine relative price using the methodology described in subsection (4);

(c) The Division shall evaluate selected drugs for the drug classes periodically:

(A) Evaluation shall occur more frequently at the discretion of the Division if new safety information or the release of new drugs in a class or other information that makes an evaluation advisable;

(B) New drugs in classes already evaluated for the PDL shall be non-preferred until the new drug has been reviewed by the P&T;

(C) The Division shall make all changes or revisions to the PDL using the rulemaking process and shall publish the changes on the Division's Pharmaceutical Services provider rules website.

(4) Relative cost and best possible price determination:

(a) The Division shall determine the relative cost of all drugs in each selected class that are Medicaid reimbursable and that the FDA has determined to be safe and effective;

(b) The Division may also consider dosing issues, patterns of use, and compliance issues. The Division shall weigh these factors with any advice provided by the P&T in reaching a final decision;

(5) Pharmacy providers shall dispense prescriptions in the generic form unless:

(a) The practitioner requests otherwise subject to the regulations outlined in OAR 410-121-0155;

(b) The brand name medication is listed as preferred on the PDL.

(6) The exception process for obtaining non-preferred physical health drugs that are not on the PDL drugs shall be as follows:

(a) If the prescribing practitioner in their professional judgment wishes to prescribe a physical health drug not on the PDL, they may request an exception subject to the requirements of OAR 410-121-0040;

(b) The prescribing practitioner must request an exception for physical health drugs not listed in the PDL subject to the requirements of OAR 410-121-0060;

(c) Exceptions shall be granted in instances:

(A) Where the prescriber in their professional judgment determines the non-preferred drug is medically appropriate after consulting with the Division or the Oregon Pharmacy Help Desk; or

(B) Where the prescriber requests an exception subject to the requirement of (6)(b) and fails to receive a report of PA status within 24 hours, subject to OAR 410-121-0060.

(7) Table 121-0030-1, PMPDP PDL dated January 1, 2015 is incorporated in rule by reference and is found on our website at: [www.orpd.org](http://www.orpd.org).

**Rules Amended:** 410-121-0040

**Subject:** The Pharmaceutical Services Program administrative rules (Division 121) govern Division payments for services provided to certain clients. The Division needs to amend rules as follows:

410-121-0040:

Sofosbuvir (Sovaldi®) — updated criteria.

ADHD (Attention Deficit Hyperactivity Disorder) Safety Edit — updated criteria (replaces CNS Stimulants).

Biologicals for RA, Psoriasis, Crohn's disease — updated criteria (replaces TIMS).

Botulinum Toxins — new criteria.

Growth Hormone — updated criteria.

Hepatitis C General — updated criteria.

Incretin Enhancers — updated criteria.

Incretin Mimetics — updated criteria.

Oral MS drugs — updated criteria.

Palivizumab (Synagis®) — updated criteria.

Peginterferon Beta 1-a — new criteria.

Sodium Glucose C-transporter 2 (SGLT2) — updated criteria.

ADHD Safety Edits — updated criteria.

# ADMINISTRATIVE RULES

Analgesics Non-Steroidal — updated criteria.  
Antiemetics — updated criteria.  
Benzodiazepines — new criteria.  
CNS Sedative Non-Benzodiazepines — updated criteria.  
LABA ICS Inhalers — updated criteria.  
Naltrexone Extended Release Inj. (Vivitrol®) — updated criteria.  
Nutritional Supplements (Oral Administration Only) — updated criteria.

Skeletal Muscle Relaxants — updated criteria.

**Rules Coordinator:** Sandy Cafourek—(503) 945-6430

## 410-121-0040

### Prior Authorization Required for Drugs and Products

(1) Prescribing practitioners are responsible for obtaining prior authorization (PA) for the drugs and categories of drugs requiring PA in this rule, using the procedures required in OAR 410-121-0060.

(2) All drugs and categories of drugs, including but not limited to those drugs and categories of drugs that require PA as described in this rule, are subject to the following requirements for coverage:

(a) Each drug must be prescribed for conditions funded by Oregon Health Plan (OHP) in a manner consistent with the Health Evidence Review Commission (HERC) Prioritized List of Health Services (OAR 410-141-0480 through 410-141-0520). If the medication is for a non-covered diagnosis, the medication shall not be covered unless there is a comorbid condition for which coverage would be extended. The use of the medication must meet corresponding treatment guidelines, be included within the client's benefit package of covered services, and not otherwise excluded or limited;

(b) Each drug must also meet other criteria applicable to the drug or category of drug in these pharmacy provider rules, including PA requirements imposed in this rule.

(3) The Oregon Health Authority (Authority) may require PA for individual drugs and categories of drugs to ensure that the drugs prescribed are indicated for conditions funded by OHP and consistent with the Prioritized List of Health Services and its corresponding treatment guidelines (see OAR 410-141-0480). The drugs and categories of drugs that the Authority requires PA for this purpose are found in the Oregon Medicaid Fee-For-Service Prior Authorization Approval Criteria (PA Criteria guide) dated January 1, 2015, incorporated in rule by reference and found on our Web page at: <http://www.dhs.state.or.us/policy/healthplan/guides/pharmacy/clinical.html>.

(4) The Authority may require PA for individual drugs and categories of drugs to ensure medically appropriate use or to address potential client safety risk associated with the particular drug or category of drug, as recommended by the Pharmacy & Therapeutics Committee (P&T) and adopted by the Authority in this rule (see OAR 410-121-0100 for a description of the DUR program). The drugs and categories of drugs for which the Authority requires PA for this purpose are found in the Pharmacy PA Criteria Guide.

(5) New drugs shall be evaluated when added to the weekly upload of the First Databank drug file:

(a) If the new drug is in a class where current PA criteria apply, all associated PA criteria shall be required at the time of the drug file load;

(b) If the new drug is indicated for a condition below the funding line on the Prioritized List of Health Services, PA shall be required to ensure that the drug is prescribed for a condition funded by OHP;

(c) PA criteria for all new drugs shall be reviewed by the DUR/P&T Committee.

(6) PA is required for brand name drugs that have two or more generically equivalent products available and that are NOT determined Narrow Therapeutic Index drugs by the Oregon DUR/P&T Committee:

(a) Immunosuppressant drugs used in connection with an organ transplant must be evaluated for narrow therapeutic index within 180 days after United States patent expiration;

(b) Manufacturers of immunosuppressant drugs used in connection with an organ transplant must notify the department of patent expiration within 30 days of patent expiration for (5)(a) to apply;

(c) Criteria for approval are:

(A) If criteria established in subsection (3) or (4) of this rule applies, follow that criteria;

(B) If (6)(A) does not apply, the prescribing practitioner must document that the use of the generically equivalent drug is medically contraindicated and provide evidence that either the drug has been used and has failed or that its use is contraindicated based on evidence-based peer reviewed literature that is appropriate to the client's medical condition.

(7) PA is required for non-preferred Preferred Drug List (PDL) products in a class evaluated for the PDL except in the following cases:

(a) The drug is a mental health drug as defined in OAR 410-121-0000;

(b) The original prescription is written prior to 1/1/10;

(c) The prescription is a refill for the treatment of seizures, cancer, HIV, or AIDS; or

(d) The prescription is a refill of an immunosuppressant.

(8) PA may not be required:

(a) When the prescription ingredient cost plus the dispensing fee is less than the PA processing fees as determined by the Authority;

(b) For over-the-counter (OTC) covered drugs when prescribed for conditions covered under OHP or;

(c) If a drug is in a class not evaluated from the Practitioner-Managed Prescription Drug Plan under ORS 414.334.

## Oregon Health Authority, Office for Oregon Health Policy and Research Chapter 409

**Rule Caption:** Amendments to the Physician Visa Waiver Program  
**Adm. Order No.:** OHP 1-2015

**Filed with Sec. of State:** 1-15-2015

**Certified to be Effective:** 2-1-15

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 409-035-0020, 409-035-0040

**Subject:** Amend criteria for providers recommending candidates to the Physician Visa Waiver Program.

**Rules Coordinator:** Zarie Haverkate—(503) 373-1574

## 409-035-0020

### Health Care Facility Participation Requirements

(1) Federally Qualified Health Centers with a:

(a) HPSA score at or above the requirements of 22 CFR 41.63 shall apply for a J-1 Waiver either through the Authority or through the United States Department of Health and Human Services (see: <http://www.globalhealth.gov/global-programs-and-initiatives/exchange-visitor-program>);

(b) HPSA score below the requirements of 22 CFR 41.63 shall apply for a J-1 Waiver through the Authority.

(2) If a health care facility is located in a Medically Underserved Area (MUA) or Medically Underserved Population (MUP) that is not a Health Professional Shortage Area (HPSA), or if the request is for a flex option, then the facility must obtain prior approval from the Authority and provide documentation substantiating the area's need for a physician.

(3) In order to qualify for the Oregon Physician Visa Waiver Program the health care facility must:

# ADMINISTRATIVE RULES

(a) Identify the nature of the business entity seeking to employ the physician, including but not limited to domestic or foreign professional corporation, domestic or foreign private corporation, LLC, or partnership, and provide a certificate of existence or proof of authorization to do business in Oregon;

(b) Have provided care for a minimum of six months in Oregon, or supply evidence of stability such as HRSA funding, prior to submitting an application;

(c) Currently serve Medicare, Medicaid, and low income uninsured patients that are members of the population of the local HRSA designation. Prior to the start of each program year on October 1, the Authority may set requirements for providers for the coming year for the percentage of physician's patient visits by low-income patients, as well as by those patients covered through Medicaid. The current requirements may be found at <http://www.oregon.gov/oha/OHPR/PCO/Pages/J1.aspx>

(d) Post a sliding fee schedule in the primary languages of the population being served;

(e) Document attempts to actively recruit an American doctor for at least six months prior to submission of the application;

(f) Execute an employment contract with the physician that includes the following provisions:

(A) Duration of at least three years;

(B) Wages and working conditions comparable to those for a graduate from an American medical school;

(C) A signed U.S. Department of Labor Prevailing Wage Form (ETA-9035);

(D) May not include a non-compete clause or restrictive covenant that prevents or discourages the physician from continuing to practice in any designated area after the term of the contract expires;

(E) Specifies the geographic shortage area within Oregon in which the physician will practice or, if requesting a flex option, the shortage area or areas where prospective patients live;

(F) The physician shall treat all patients regardless of their ability to pay;

(G) The physician shall provide patient care on a full-time basis, a minimum of 40 hours per week;

(4) The health care facility shall submit to the Authority a fee of \$2,000 and two original copies of the application packet for each waiver requested.

Stat. Auth.: ORS 413.248

Stats. Implemented: ORS 413.248

Hist.: PH 14-2003(Temp), f. 9-25-03 cert. ef. 10-1-03 thru 3-29-04; PH 11-2004, f. 3-25-04, cert. ef. 3-29-04; Renumbered from 333-005-0020 by OHP 7-2010, f. 12-29-10, cert. ef. 1-1-11; OHP 3-2013, f. 1-24-13, cert. ef. 2-1-13; OHP 1-2015, f. 1-15-15, cert. ef. 2-1-15

## 409-035-0040

### Application Review Process

(1) The Authority shall review completed health care facility applications that meet all requirements of 409-035-0020. Potential physician participants must meet all requirements set forth in 409-035-0030.

(2) The following factors shall be considered in determining whether to recommend a request for waiver of the foreign country residency requirement:

(a) The type of medicine to be practiced. Eighty percent of the slots allotted for each federal fiscal year are reserved for primary care physicians as defined in OAR 409-035-0010. Applications from community health centers with HPSA scores below 7 and from mental health facilities shall receive priority.

(b) Geographic distribution of physicians. To the extent possible, the Authority shall attempt equitable distribution of waiver requests for eligible areas of the state. The number of physicians already working under waivers or recommended for waivers in a particular geographic area shall be taken into consideration.

(c) Distribution of physicians among employers. The Authority may limit the number of slots to six per employer (as defined by EIN) in a program year.

(d) Facility patient profile. The health care facility's percentage of patient visits which are covered by the state Medicaid program, Medicare, or are low income, uninsured.

(3) The Authority shall return incomplete applications, including application fees. The Authority shall process completed resubmitted applications, including fees, as of the new date of receipt.

(4) The Authority shall review each completed application and notify the applicant of the results within 15 business days.

(5) The Authority shall forward the recommended waiver requests to the Department of State. The Department of State shall forward waiver requests recommended for approval to the United States Citizenship and

Immigration Services, which shall determine whether to issue or deny the waiver.

(6) The Authority may re-allocate positions based on a review of current access needs in the state. The Authority may also recommend or decline to recommend a waiver request.

## Oregon Health Authority, Public Employees' Benefit Board Chapter 101

**Rule Caption:** Program change to comply with Affordable Care Act regulations relative to medical coverage opt outs.

**Adm. Order No.:** PEGB 4-2014

**Filed with Sec. of State:** 12-31-2014

**Certified to be Effective:** 12-31-14

**Notice Publication Date:** 12-1-2014

**Rules Amended:** 101-020-0015

**Subject:** Program change to comply with Affordable Care Act regulations relative to medical coverage opt outs.

**Rules Coordinator:** Cherie Taylor—(503) 378-6296

### 101-020-0015

#### Opting Out of Medical Insurance Coverage

(1) An eligible employee opting out of medical coverage may receive cash in lieu of medical insurance coverage. PEGB determines the amount of money available to an employee who opts out of medical coverage. Eligible employees opting out of PEGB medical coverage must have other current medical insurance. Benefit eligible employees may opt out of only PEGB medical coverage.

(2) PEGB can require eligible employees enrolling to opt out of a medical coverage to enroll in other core benefits, such as dental, vision, and employee basic life coverage. The employee is responsible to pay any premium contribution required for the enrolled coverage.

(3) The eligible employee opting out of medical coverage must provide, to their agency, documentation of other current medical coverage. Examples of documentation include, but are not limited to, plan identification cards or an employer's letter of coverage. PEGB eligible employees receiving medical coverage from another PEGB eligible employee may request their agency to verify the other PEGB coverage electronically or contact PEGB for verification.

(4) Agencies will not enroll eligible employees in opt out until completed enrollment forms and proof of other coverage documentation are received. Employees must submit other medical coverage documentation to their agency for the opt out enrollment to become effective. The agency or PEGB will void an employee's opt out election if the documentation is not received within the required time. When an opt out election becomes void, PEGB enrolls a newly benefit eligible employee in the employee only tier of a PEGB medical plan that provides statewide coverage. All other employee plan elections take effect as enrolled.

(a) Employees enrolling in opt out during open enrollment must submit proof of other coverage within five business days following the close date of the open enrollment period. Example: John electronically enrolls in medical opt out during October open enrollment. On November 2, (within five business days of the close of the open enrollment period) John provides his agency with a copy of his medical ID cards from his wife's employer sponsored coverage. John's opt out election will start effective Jan. 1, the start of his new plan year.

(b) Newly eligible employees or employees with qualified mid-year plan changes may only enroll in opt out by submitting the correct enrollment forms and proof of other medical coverage to their agency within the allowable time for the enrollment.

**Example:** Mary is a newly eligible employee on March 15. On March 25, she submits her completed paper enrollment form electing to opt out of medical to her agency; however, she does not include her documentation of other medical coverage. Mary's agency cannot process her enrollment elections until she submits the required proof of coverage document. If Mary resubmits her enrollment and documentation during March, Mary's elections will be effective on April 1. If Mary submits her documentation in April, by the 15th of the month (30 days from eligibility date), her elections will be effective May 1.

(5) An eligible employee enrolled in, Medicaid, Veterans' Administration Health Benefit Programs, or Student Health Insurance may not choose to opt out of PEGB medical coverage.

# ADMINISTRATIVE RULES

(6) A PEBB retiree enrolled in a PEBB retiree or COBRA plan who receives a state premium subsidy (e.g., early retirement premium subsidy) and who returns to active benefit eligible employee status, and chooses to continue coverage under a PEBB retiree or COBRA plan is not eligible to enroll as an active employee in opt out and receive cash in lieu of active employee medical benefits.

**Subject:** The Oregon Health Authority, Public Health Division is permanently adopting and amending rules to clarify: a) the process for counties that choose to relinquish public health authority; b) the remaining responsibilities for counties that relinquish public health authority; and c) the new responsibilities for the state in maintaining basic public health functions in the county.

**Rules Coordinator:** Brittany Sande—(971) 673-1291

## 333-014-0040

### Purpose

The purpose of these rules is to establish minimum standards and administrative rules to:

(1) Define the organization, operation, and extent of activities required or expected of county and district health departments to carry out their responsibilities in implementing the public health laws of this state, and the rules and regulations of the State Public Health Division.

(2) Assist in the development, improvement, and support of local health departments in their efforts to promote and protect the health of Oregon citizens.

(3) Govern the process if a county or health district makes a decision to relinquish local public health authority and the actions that the Public Health Division must take following a relinquishment of local public health authority.

## 333-014-0042

### Definitions

As used in OAR chapter 333, division 14:

(1) "Enforcement" means an action taken to compel the requirements of the law.

(2) "Local public health administrator" has the meaning given that term in ORS 431.260.

(3) "Local public health authority" has the meaning given that term in ORS 431.260.

(4) "Public Health Division" means the public health division within the Oregon Health Authority.

(5) "Public health law" has the meaning given that term in ORS 431.260.

Stat. Auth.: ORS 413.042, 431.350

Stats. Implemented: ORS 431.345, 431.380, 431.385

Hist.: Hist.: PH 19-2014(Temp), f. & cert. ef. 6-20-14 thru 12-17-14; PH 31-2014, f. & cert. ef. 12-17-14

## 333-014-0080

### Relinquishment of Local Public Health Authority

(1) If a county or health district chooses to relinquish its local public health authority under ORS 431.375(2) it must submit a written notice to the Public Health Division that it intends to relinquish its local public health authority, at least 365 days prior to the date of relinquishment. The notice must include an explanation of why the county or health district intends to relinquish public health authority and must include the date of relinquishment. The date of relinquishment must not be less than 365 days from the date of the notice.

(2) Within 30 days of receipt of the notice described in section (1) of this rule the Public Health Division will schedule a public hearing in the affected county or health district to inform the public on the process of relinquishment and solicit input from the community. The Public Health Division shall conduct as many public meetings in the affected county or health district as it deems necessary to obtain public input.

(3) Within 45 days of receipt of the notice described in section (1) of this rule the Public Health Division must attempt to schedule a meeting with the governing body of the county, county board of health or district board of health, as applicable to determine what steps might be taken to reverse or mitigate the county's or health district's proposed action to relinquish public health authority.

(4) A county or health district that has relinquished its public health authority:

(a) Is not eligible for funds under ORS 431.380 or funds that are customarily distributed through an agreement delegating state public health authority to the county or health district; and

(b) May not be delegated any authority under ORS 433.855, 446.425, 448.100, 448.170, and 624.510 because in relinquishing its public health authority it has refused to provide environmental health services under 431.416(2)(d), or is no longer the local public health authority.

(5) On the date of relinquishment the county or health district must return any unexpended funds that were distributed under ORS 431.380, or through any other agreement through which state public health authority was delegated to a county or health district.

(6) A county or health district must continue to comply with any contract or agreement with the Public Health Division that concerns any of the services or activities required by a local public health authority under OAR 333-014-0050(2), including but not limited to the financial assistance agreement for local public health services, until the date of relinquishment. The county or health district must provide notice to the Public Health Division, in accordance with the termination provisions of the contract or agreement, that the contract or agreement is terminated as of the date of relinquishment.

(7) The Public Health Division will reasonably act to take actions necessary to ensure that basic public health services are provided in the affected county or health district in accordance with OAR 333-014-0090. Such actions by the Public Health Division do not:

(a) Relieve the county or health district of its obligations arising during the period of its authority;

(b) Constitute a release or waiver by the Public Health Division with respect to such obligations; or

(c) Relieve the county or health district of obligations it may have under state law notwithstanding the relinquishment of its local public health authority.

(8) A county or health district that relinquishes its local public health authority remains responsible for fulfilling the responsibilities of the county or health district, local public health administrator or local public health department as follows:

(a) Enforce public health laws under ORS 431.150.

(b) Appoint a local public health administrator and health officer under ORS 431.418.

(c) Receive reports of reportable diseases under ORS 433.004.

(d) Investigate reports of reportable diseases, in coordination with the Public Health Division, under ORS 433.006.

(e) Disease control in schools, including but not limited to review of administrative records for required vaccinations and related school exclusions under ORS 433.235 to 433.284 and OAR chapter 333, division 50.

(f) Receive reports of animal bites under ORS 433.345.

(g) Permit mass gatherings under ORS 433.745.

(9) A county or health district that has relinquished its public health authority may, at any time, request that its authority be restored. Such a request must be made to the State Public Health Director in writing and shall include an annual plan, a detailed explanation about how the issues that led to relinquishment have been addressed, and a plan to transition

# ADMINISTRATIVE RULES

authority from the Public Health Division to the county or health district. The State Public Health Director shall consider the request and respond, in writing, either granting or denying the request within 90 days of the receipt of the request.

(a) If the request is approved, the Public Health Division shall identify the date that authority shall be transferred back to the county or health district.

(b) If the request is denied the State Public Health Director shall explain the basis for rejecting the request and shall include information about how the county or health district can address its deficiencies.

## 333-014-0090

### Public Health Division as Local Public Health Authority

(1) If the local public health authority has relinquished its public health authority the Public Health Division shall perform the services or activities necessary to provide basic local public health services under ORS 431.380 to the extent funds are available, and may contract with a private person or entity; an agency; or another county or health district to perform all or part of the necessary public health services or activities. The services that are considered basic local public health services are those required to fulfill statutory obligations as follows:

(a) Investigation of reportable diseases, disease outbreaks, or epidemics under ORS 433.004;

(b) Isolation and quarantine under ORS 433.121 to 433.142;

(c) Investigation and control of tuberculosis (TB) under ORS 433.332;

(d) Order the destruction of animals with rabies under ORS 433.350;

(e) Indoor Clean Air Act enforcement under ORS 433.875;

(f) Family planning and birth control services under ORS 435.205;

(g) Initiate and conduct discussions of family planning under ORS 435.205;

(h) Women, Infants and Children (WIC) services under ORS 413.500;

(i) Licensure of tourist accommodations, including hostels, picnic parks, recreation parks and organizational camps under ORS 446.310 to 446.350;

(j) Licensure of pools and spas under ORS 448.005 to 448.100;

(k) Restaurant licensure, including commissaries, mobile units, vending machines and bed and breakfasts under ORS 624.310 to 624.430; and

(l) Regulation of public water systems under ORS 448.115 to 448.285

(2) A county or health district shall be financially responsible for the costs incurred by the Public Health Division or its contractor in taking enforcement actions as a result of a county or health district's relinquishment of local public health authority. Enforcement actions include but are not limited to:

(a) Any action taken by the Public Health Division necessary to fulfill a county, health district, local public health administrator or local public health department obligation described in OAR 333-014-0080(8);

(b) Any action taken by the Public Health Division under ORS 431.170;

(c) Isolation or quarantine under ORS 433.121 to 433.142;

(d) Inspections, investigations, and legally required activities under:

(A) ORS 433.004 and 433.006 (control of communicable disease);

(B) ORS 433.267 (immunization of school children); or

(C) ORS 433.235 to 433.284 (disease control in schools).

(e) Court actions to ensure compliance with state public health laws;

and

(f) The defense of any Public Health Division action in court.

(3) Notwithstanding section (2) of this rule, a county or health district shall not be financially responsible for an enforcement action as described in section (2) of this rule if the action was commenced by the Public Health Division under its own authority and not as a result of the relinquishment of local authority.

(e) The defense of any agency action in court.

Stat. Author: ORS 413.042, 431.262 & 431.375

Stats. Implemented: ORS 431.170 & 431.375

Hist.: PH 19-2014(Temp), f. & cert. ef. 6-20-14 thru 12-17-14; PH 31-2014, f. & cert. ef. 12-17-14

## 333-014-0100

### Applicability

(1) OAR 333-014-0080 and 333-014-0090 apply to any county or health district that provides notice of its intent to relinquish its local public

health authority or has relinquished its public health authority on or after June 20, 2014.

(2) For purposes of these rules the date of relinquishment is the date the county or health district identifies in its notice as the date it will no longer be the local public health authority.

Stat. Author: ORS 413.042 & 431.375

Stats. Implemented: ORS 431.375

**Rule Caption:** Update Radiation Protection Service's X-ray, tanning and radioactive materials program administrative rules

**Adm. Order No.:** PH 32-2014

**Filed with Sec. of State:** 12-22-2014

**Certified to be Effective:** 1-1-15

**Notice Publication Date:** 11-1-2014

**Rules Adopted:** 333-106-0060

**Rules Amended:** 333-102-0203, 333-102-0305, 333-106-0005, 333-106-0025, 333-106-0040, 333-106-0045, 333-106-0055, 333-106-0201, 333-106-0205, 333-106-0210, 333-106-0215, 333-106-0220, 333-106-0225, 333-106-0240, 333-106-0245, 333-106-0301, 333-106-0325, 333-106-0601, 333-106-0700, 333-106-0735, 333-106-0750, 333-116-0130, 333-116-0190, 333-119-0010, 333-119-0020, 333-119-0030, 333-119-0040, 333-119-0041, 333-119-0050, 333-119-0060, 333-119-0070, 333-119-0080, 333-119-0090, 333-119-0100, 333-119-0110, 333-119-0120, 333-119-0130, 333-120-0200, 333-120-0670, 333-121-0001, 333-121-0010, 333-121-0020, 333-122-0005

**Subject:** The Oregon Health Authority, Public Health Division, Center for Health Protection is permanently amending and adopting Oregon Administrative Rules in chapter 333, divisions 102, 106, 116, 119, 120, 121 and 122 pertaining to radiation protection. Final rules in relation to the Radioactive Material Licensing program are to meet compatibility with the Nuclear Regulatory Commission's requirements within 10 CFR. In addition, the final rules relating to the X-ray program outlines X-ray operator requirements, consolidates rules relating to the use of fluoroscopy and revises the breast density notification rule and statement. The Tanning program's rules have been amended to match the Food and Drugs Administration's definitions and requirements relating to a tanning device, with additional rules requiring all clients to have identification checked during the initial visit.

**Rules Coordinator:** Brittany Sande—(971) 673-1291

## 333-102-0203

### Definitions

The following definitions apply for Radioactive Material Licenses issued pursuant to this division and divisions 105, 113, 115, 117, and 121 of this chapter:

**NOTE:** Unless otherwise specified in this rule, the licenses described in this rule are limited by conditions of the radioactive materials license issued pursuant to OAR 333-102-0200, and other applicable rules in this chapter.

(1) "Analytical Leak Test" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(a), authorizing possession of environmental samples, sealed source leak-test, contamination wipe and samples for radioanalytical measurements. This license does not authorize collection of samples, or decommissioning or decontamination activities.

(2) "Assets" means anything of material value or usefulness. In the context of a materials license, assets include all existing capital, effects, possessions, and belongings and all probable future economic benefits obtained or controlled by a particular entity.

(3) "Basic License" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(b) authorizing the receipt, possession, use, transfer, and disposal of sources of radiation or radioactive materials incident to gauge service, teletherapy service, medical afterloader service, and other licensed service activities; pre-packaged waste pickup (not packaging), storage of materials prior to license termination, instrument quality control servicing or calibration (excluding activities authorized by 333-103-0010(2)(m)), or other minor activities not otherwise specified in these rules, such as authorization for "systems," as defined in these rules, pursuant to that definition.

## ADMINISTRATIVE RULES

(4) "Beneficiating" means subjecting a product to any process that can increase or concentrate any component (including the radioactive materials) to benefit the product.

(5) "Brachytherapy" means a Healing Arts facility-specific license issued pursuant to OAR 333-103-0010(2)(c) authorizing the use of brachytherapy sources for in vivo application of radiation in accordance with 333-116-0420. Brachytherapy includes radioactive material sealed sources in seeds, needles, plaques, or other localized medical devices, but excludes remote afterloaders.

(6) "Broad Scope A" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(d), authorizing activities in 333-102-0900(1)(a), under the authority of a Radiation Safety Committee.

(7) "Broad Scope B" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(e) authorizing activities described in 333-102-0900(1)(b), under the authority of a Radiation Safety Officer.

(8) "Broad Scope C" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(f) authorizing activities described in 333-102-0900(1)(c), under the authority of an authorized user.

(9) "Commencement of construction" means taking any action defined as "construction" or any other activity at the site of a facility subject to the regulations in this division that has a reasonable nexus to radiological health and safety.

(10) "Construction" means the installation of foundations, or in-place assembly, erection, fabrication, or testing for any structure, system, or component of a facility or activity subject to the regulations in this division that are related to radiological safety or security. The term "construction" does not include:

(a) Changes for temporary use of the land for public recreational purposes;

(b) Site exploration, including necessary borings to determine foundation conditions or other preconstruction monitoring to establish background information related to the suitability of the site, the environmental impacts of construction or operation, or the protection of environmental values;

(c) Preparation of the site for construction of the facility, including clearing of the site, grading, installation of drainage, erosion and other environmental mitigation measures, and construction of temporary roads and borrow areas;

(d) Erection of fences and other access control measures that are not related to the safe use of, or security of, radiological materials subject to this division;

(e) Excavation;

(f) Erection of support buildings (for example, construction equipment storage sheds, warehouse and shop facilities, utilities, concrete mixing plants, docking and unloading facilities, and office buildings) for use in connection with the construction of the facility;

(g) Building of service facilities (for example, paved roads, parking lots, railroad spurs, exterior utility and lighting systems, potable water systems, sanitary sewerage treatment facilities, and transmission lines);

(h) Procurement or fabrication of components or portions of the proposed facility occurring at other than the final, in-place location at the facility; or

(i) Taking any other action that has no reasonable nexus to radiological health and safety.

(11) "Current assets" means cash or other assets or resources commonly identified as those which are reasonably expected to be realized in cash or sold or consumed during the normal operating cycle of the business.

(12) "Decontamination and Decommissioning" means:

(a) A facility specific license issued pursuant to OAR 333-103-0010(2)(w) authorizing activities that result in returning a site to its original pre-license condition prior to termination of licensed activities; and

(b) Activities performed pursuant to OAR 333-102-0335 on any portion of a site prior to license termination.

(13) "Diagnosis" means examination, determination, identification, study, or analysis of a medical condition.

(14) "Distribution" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(g), authorizing transfer or distribution (sale) of general or specific license radioactive material to persons granted a general license or issued a specific license, or, in the case of NARM, to persons exempt from the rules in this chapter.

(15) "Exempt Source" means radioactive material, exempt from the rules in this chapter.

(16) "Facility" means location of licensed activities under the direct control of licensee management. If a "facility," as used in this division, includes multiple separate addresses, the Authority may determine how the

scope of licensed activities, pursuant to OAR 333-102-0190, 333-102-0300, 333-102-0305, 333-102-0315, 333-102-0320, or 333-102-0325, is authorized.

(17) "Fixed Gauge" means a source-specific license for measuring, gauging, or controlling devices pursuant to OAR 333-103-0010(2)(h). The fixed gauge license also includes X-ray & Hybrid Gauges pursuant to division 115 of this chapter, that contain either an X-ray source or a radioactive sealed source.

(18) "General License" means a granted license, as opposed to an issued license, effective under these rules, to acquire, own, possess, use, or transfer radioactive material or a device that contains radioactive material.

(19) "General License Depleted Uranium" means the general license granted subject to receipt of the registration application pursuant to OAR 333-101-0007, and fee, pursuant to 333-103-0015, for depleted uranium used for shielding or counter weights and issued pursuant to 333-102-0103.

(20) "General License Device" means the general license for in vitro materials granted subject to receipt of the registration application pursuant to OAR 333-101-0007, and fee, pursuant to 333-103-0015, for measuring, gauging.

(21) "General License In Vitro Laboratory" means the general license granted by OAR 333-102-0130, subject to receipt of the registration application pursuant to 333-101-0007, and fee, pursuant to 333-103-0015, for in vitro materials granted a general license by 333-102-0130.

(22) "General License Source Material" means the general license granted for use and possession of source material pursuant to OAR 333-102-0101.

(23) "General License for Certain Devices and Equipment" means the general license granted for use and possession of devices consisting of not more than 500 microcuries of polonium-210 or not more than 50 millicuries of tritium (H-3) per device, pursuant to 10 CFR 31.3.

(24) "General License for Luminous Devices for Aircraft" means the general license granted for use and possession of devices containing not more than ten curies of tritium or not more than 300 millicuries of promethium-147.

(25) "General License for Ownership of Radioactive Material and Limits of Possession" means the general license granted to own material that is not necessarily possessed; conversely, material that is possessed is, by grant of general license, not necessarily owned, pursuant to the general license in OAR 333-102-0120.

(26) "General License for Calibration and Reference Sources" means the general license granted to possess not more than five microcuries (185 kBq) of americium-241, plutonium-238, plutonium-239, or radium-226, pursuant to the general license in OAR 333-102-0125.

(27) "General License for Ice Detection Devices" means the general license granted to possess not more than 50 microcuries (1.85 MBq) of strontium-90, pursuant to the general license in OAR 333-102-0135.

(28) "Generators and Kits" means "Imaging and Localization."

(29) "Healing Arts Specific License" means a specific license authorizing activities in division 116 of this chapter.

(30) "High Doserate Remote Afterloader" means a source-specific license issued pursuant to OAR 333-103-0010(2)(i) authorizing the use of sources in accordance with 333-116-0475, which may be either mobile or stationary, and which deliver a doserate in excess of two Gray (200 rad) per hour at the point or surface where the dose is prescribed. A device may be designated as being high, medium, or pulsed dose remote afterloader or mobile high, medium, or pulsed doserate remote afterloader.

(31) "Hybrid Gauge" means a fixed gauging device that contains both a sealed source and an X-ray source, pursuant to division 115 of this chapter.

(32) "In Vitro Laboratory" means a Healing Arts facility-specific license, under management of a physician or Healing Arts specialist, issued pursuant to OAR 333-103-0010(2)(k) authorizing the use of prepackaged radioactive materials in quantities greater than those authorized by the General License granted by 333-102-0130(2).

(33) Imaging and Localization means a Healing Arts facility-specific license issued pursuant to OAR 333-103-0010(2)(j) authorizing the use of generators and kits for nuclear medicine imaging and localization in accordance with 333-116-0320 or positron emission tomography studies in accordance with 333-116-0800 through 333-116-0880.

(34) "Industrial Radiography" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(l) authorizing activities in division 105 of this chapter.

(35) "Instrument Calibration" means a source-specific radioactive materials license issued pursuant to OAR 333-103-0010(2)(m) for sources of radiation used to calibrate instruments.

# ADMINISTRATIVE RULES

(36) "Investigational New Drug" means a Healing Arts facility-specific license issued pursuant to OAR 333-103-0010(2)(n) authorizing the use of any investigational product or device approved by the US Food and Drug Administration (FDA) for human use research, diagnosis, or therapy, in accordance with the rules in this chapter.

(37) "Irradiator-Other" means an irradiator with greater than 10,000 curies (370 TBq) licensed pursuant to OAR 333-103-0010(2)(w) and 333-103-0010(7), designed to produce extremely high dose rates as authorized by division 121 of this chapter.

(38) "Irradiator Self-shielded or Other — Less than 10,000 Curies" means a source-specific license issued pursuant to OAR 333-103-0010(2)(o) authorizing self-shielded irradiators, including blood irradiators, panoramic irradiators, and converted teletherapy units, with less than 10,000 Ci (370 TBq) activity.

(39) "Liabilities" means probable future sacrifices of economic benefits arising from present obligations to transfer assets or provide services to other entities in the future as a result of past transactions or events.

(40) "Lot Tolerance Percent Defective" means, expressed in percent defective, the poorest quality in an individual inspection lot that can be accepted.

(41) "Low Doserate Remote Afterloader Device" means a Healing Arts source-specific license issued pursuant to OAR 333-103-0010(2)(b) authorizing devices 333-116-0475, which remotely deliver a doserate of less than two Gray (200 rad) per hour at the point or surface where the dose is prescribed.

(42) "Manufacturing or Compounding" means a facility-specific radioactive materials license issued pursuant to OAR 333-103-0010(2)(p) authorizing manufacture, fabrication, assembly, construction, combining, processing, concentrating, beneficiating, or processing items or products using or containing radioactive materials into a finished product containing radioactive material in accordance with applicable requirements in division 102 of this chapter.

(43) "Manufacturing or Compounding and Distribution" means activities performed as defined in sections (14) and (42) of this rule and require separate specific licenses for each activity.

(44) "Mobile Nuclear Medicine Service" means a facility-specific Healing Arts license issued pursuant to OAR 333-116-0120 authorizing the medical use of radioactive material at specified temporary locations.

(45) "Nationally Tracked Source" means a sealed source containing a quantity equal to or greater than Category 1 or 2 levels of any radioactive material listed in 10 CFR 20 Appendix E.

(46) "Naturally occurring radioactive material (NORM)" means radioactive material in the uranium or thorium decay series existing in nature in concentrations less than 0.05 percent source material.

(47) "Net working capital" means current assets minus current liabilities.

(48) "Net worth" means total assets minus total liabilities and is equivalent to owner's equity.

(49) "Neutron Howitzer" means a device that contains a sealed source containing Special Nuclear Material (see definition in OAR 333-100-0005) that generates neutrons that are used for analytical, teaching, or research purposes.

(50) "Neutron Production" denotes a process in which neutrons are produced, either by natural or artificial means.

(51) "NORM (no processing)" means a facility-specific license pursuant to OAR 333-103-0010(2)(r) authorizing possession, use, and transfer of NORM in accordance with division 117 of this chapter.

**NOTE:** NORM licenses authorize licensable quantities of radioactive material in the uranium or thorium decay series. Licensable quantities of NORM are derived from disposal limits in OAR chapter 345, division 50. Any material that contains NORM requires a specific license unless exempted in OAR chapter 345, division 50. Zircon sand is used as the NORM model for licensing purposes. Quantities of zircon sand in excess of 20,000 pounds in a year constitute a licensable quantity of NORM. NORM materials that are not zircon are based on the zircon model.

(52) "Nuclear Laundry" means a laundry facility designed specifically to clean or launder clothing contaminated with licensed radioactive materials. Nuclear Laundry facilities must have process and waste management control procedures to prevent reconcentrating of licensed materials in sewers, drains, premises, and the environment. Nuclear Laundry activities are authorized pursuant to OAR 333-103-0010(2)(w), "Radioactive Material Not Otherwise Specified Facility," see 333-102-0203(61).

(53) "Nuclear Pharmacy" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(s) for activities authorized by 333-102-0285 and the Oregon Board of Pharmacy rules, to compound Radiopharmaceutical and distribute (sell or transfer) to persons specifically licensed to receive such compounds or products.

**NOTE:** Nuclear Pharmacies, pursuant to policy provisions of chapter 345 division 50 may collect syringes containing residual licensed material from spent patient doses, since the syringe is considered to be a transport device under the administrative control of the pharmacy rather than the licensed material transferred as the dose. Residual licensed material may be considered either to be exempt pursuant to Table 1 of division 50 or under the authority of a division license if the receding licensee stores syringes for decay. In either case, the division license specifies which disposal method is being used by the pharmacy and licensee to avoid compatibility conflicts with division 50 requirements.

(54) "Other Measuring Device" means a source-specific license issued pursuant to OAR 333-103-0010(2)(t), authorizing analytical instruments, gas chromatograph electron capture detectors, and other non-portable analytical instruments, including those devices that contain multiple sources but are configured and used as a "system," in accordance with the definition in this rule.

**NOTE:** General license gas chromatograph detectors that formerly were granted a general license by OAR 333-102-0115, but which required a registration fee pursuant to 333-103-0015(2)(b), now are subject to the specific license in 333-103-0010(2)(t).

(55) "Pool-type Irradiator" means an irradiator with greater than 10,000 curies (370 TBq) in which water provides the radiation shielding, authorized in accordance with division 121 of this chapter.

(56) "Portable Gauge" means a source-specific license issued pursuant to OAR 333-103-0010(2)(u) for sources used in devices that can be transported and used at temporary job sites.

**NOTE:** Any device that meets the definition of "portable gauge" and is transported or used at temporary job sites within the state of Oregon, requires an application for and issuance of an Oregon specific license subject to OAR 333-103-0010(2)(u).

(57) "Positron Emission Tomography" (PET) means a licensed healing arts activity authorized by OAR 333-116-0800 and included in the facility specific license issued pursuant to 333-103-0010(2)(j). PET nuclides, which are NARM, are subject to all Oregon rules.

(58) "Possession or Storage of Industrial Wastes Containing Radioactive Material" means activities subject to division 110 of this chapter for the production or storage of wastes that are exempt from division 50 of chapter 345 facility siting requirements, and were generated under a current NRC, Agreement State, or Licensing State specific radioactive materials license.

(59) "Possession or Storage of Uranium Tailings" means activities incident to uranium processing or milling operations resulting in the production of tailings.

(60) "Principal Activities" means activities authorized by the license that are essential to achieving the purpose(s) for which the license was issued or amended. Storage during which no licensed material is accessed for use or disposal and activities incidental to decontamination or decommissioning are not principal activities.

(61) "Processing" means chemically or physically changing a licensed material from one physical form to another form or specie (for example, breaking an ore down into its components resulting in "tailings"; milling a raw licensed material and combining to form another product or material. See "Beneficiating"; "Manufacturing or Compounding").

(62) "Radiation Source" means source of radiation (see definition of "Source of radiation" in OAR 333-100-0005).

(63) "Radioactive Material Not Otherwise Specified Facility" means a license issued pursuant to OAR 333-103-0010(2)(w) authorizing activities that includes, but are not limited to, complex licensable activities such as facility decontamination and decommissioning, nuclear laundry activities, uranium mill tailings storage, storage of industrial wastes containing radioactive materials, large irradiator management, and other complex activities not otherwise specified in these rules.

(64) "Radioactive Materials License" means the document, pursuant to OAR 333-102-0300, issued after an application, pursuant to 333-102-0190, has been accepted as adequate, that specifies radioactive materials, use authorizations, safety procedures, and use locations.

(65) "Radiopharmaceutical Therapy" means a Healing Arts facility-specific license issued pursuant to OAR 333-103-0010(2)(v) authorizing the use of Radiopharmaceutical for therapy in accordance with 333-116-0360.

(66) "Remote Afterloader" means a medical device that moves a sealed source to an interstitial (in vivo) location without exposing the practitioner to the radiation dose. Remote afterloader sources may be manipulated using computer software and engineering techniques.

(67) "Research & Development" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(x) authorizing research and development activities, as defined in 333-100-0005, but does not authorize additional specific sources of radiation, which must be licensed separately pursuant to 333-103-0010 and 333-103-0015.

(68) "Responsible Representative" means

# ADMINISTRATIVE RULES

(a) The person designated as having responsibility for general license device or general license material;

(b) The person management has selected to certify general license inventory; and

(c) The individual responsible to the Authority and to management to ensure that all regulatory elements are adequate.

(69) "Sealed Source/Device Evaluation" means the review of a licensee's prototype source or device prior to registration by the Nuclear Regulatory Commission in the Sealed Source and Device Catalog.

**NOTE:** The Authority no longer has authority to review sources or devices. All source or device reviews must be forwarded to the NRC for review. Authority to conduct device or source evaluations was rescinded by the NRC in 1998.

(70) "Site Area Emergency" means events may occur, are in progress, or have occurred that could lead to a significant release of radioactive material and that could require a response by offsite response organizations to protect persons offsite.

(71) "Sealed Sources for Diagnosis" means a Healing Arts source-specific license issued pursuant to OAR 333-103-0010(2)(y) authorizing the use of sealed sources for diagnosis in accordance with 333-116-0400.

(72) "Special Nuclear Material" means:

(a) Plutonium, uranium 233, uranium enriched in the isotope 233 or in the isotope 235, and any other material which the NRC, pursuant to the provisions of section 51 of the act, determines to be special nuclear material, but does not include source material; or

(b) Any material artificially enriched by any of the foregoing but does not include source material.

(73) "Specific License Radioactive Material" means radioactive material that requires authorization in a specific license document pursuant to OAR 333-102-0075(2) where materials must be annotated on the specific license, and validated with a specific license fee pursuant to 333-103-0010(2)(a) through 333-103-0010(2)(hh) (see "Radioactive Materials License").

(74) "System," as used in this division, means multiple separate (individual) sources of radiation (sealed radioactive sources), which together, rather than independently, achieve a desired functionality. Such "system" is subject to one specific license fee or general license registration fee, as the case may be.

(75) "Tangible Net Worth" means the tangible assets that remain after deducting liabilities; such assets may not include intangibles such as goodwill and rights to patents or royalties.

(76) "Teletherapy" means a Healing Arts source-specific license issued pursuant to OAR 333-103-0010(2)(cc) authorizing teletherapy procedures in accordance with OAR 333-116-0480. This license also includes other high dose rate external beam therapy devices such as the "gamma knife."

(77) "Temporary Job Site" means any location, where specific license material is used that is either:

(a) Not the specific location of the licensee if an in-state licensee; or

(b) Any location in the state if an out-of-state specific licensee pursuant to a specific radioactive materials license.

**NOTE:** Persons authorized for temporary jobsites in Oregon must have a specific license for such activities.

(78) "Therapy" means a process that is meant to be restorative, promotes healing, or is beneficial to a patient in a healing arts context.

(79) "Unique" means a specific license issued pursuant to OAR 333-103-0010(2)(dd) to agencies in the Oregon Health Authority.

(80) "Uptake and Dilution" means a Healing Arts facility-specific license issued pursuant to OAR 333-103-0010(2)(ee) authorizing activities in 333-116-0300 for uptake, dilution, and excretion studies.

(81) "Use and Possession of Source Material" means a facility-specific radioactive materials license issued pursuant to OAR 333-103-0010(2)(z) to possess, use, process, or transfer source material, as defined in OAR 333-100-0005, in quantities greater than general license quantities or in concentrations greater than 0.05 percent source material.

**NOTE:** This definition was amended to avoid confusion between the definition of "source material" in division 100 of this chapter and the specific license (billable object) in division 103 of this chapter.

(82) "Use of Xenon Gas" means a Healing Arts facility-specific license issued pursuant to OAR 333-103-0010(2)(ff) authorizing the use of Xe-133 for diagnosis pursuant to 333-116-0280.

(83) "Waste Packaging" means a facility-specific license issued pursuant to OAR 333-103-0010(2)(gg), authorizing packaging, collection, storage, and transfer of radioactive waste. This specific license does not authorize storage of radioactive wastes, but does authorize temporary job sites.

(84) "Well Logging" means a license issued pursuant to OAR 333-103-0010(2)(hh) authorizing the possession, use, transfer, or disposal of

sources of radiation used for well logging activities authorized by division 113 of this chapter.

**NOTE:** Unless specifically authorized in this rule or in a radioactive materials license that authorizes temporary job sites, specific licenses must be used only at one authorized site.

[ED. NOTE: Appendices referenced are available from the agency.]

## 333-102-0305

### Specific Terms and Conditions of Licenses

(1) Each license issued pursuant to the rules in this division and divisions 103, 105, 113, 115, 116, 117, 120, 121 and 124 of this chapter are subject to all the provisions of the Act, now or hereafter in effect, and to all rules, regulations and orders of the Authority.

(2) No license issued or granted pursuant to the rules in this division and divisions 103, 105, 113, 115, 116, 117, 120 and 121 of this chapter nor any right may be transferred, assigned or in any manner disposed of, either voluntarily or involuntarily, directly or indirectly, through transfer of control of any license to any person, unless the Authority, after securing full information, shall find that the transfer is in accordance with the provisions of the Act, and shall give its consent in writing.

(3) An application for transfer of license must include:

(a) The identity, technical and financial qualification of the proposed transferee; and

(b) Financial assurance for decommissioning as required by OAR 333-102-0200(6)

(4) Each person licensed by the Authority pursuant to the rules in this division and divisions 103, 105, 113, 115, 116, 117, 120 and 121 of this chapter must confine the use and possession of the radioactive material to the locations and purposes authorized in the license. Except as otherwise provided in the license, a license issued pursuant to the rules in this division and divisions 105, 113, 115, 116, 117, and 121 of this chapter shall carry with it the right to receive, acquire, own, and possess radioactive material. Preparation for shipment and transport of radioactive material must be in accordance with the provisions of division 118 of this chapter.

(5) Each license issued pursuant to the rules in this division and divisions 105, 113, 115, 116, 117, and 121 of this chapter shall be deemed to contain the provisions set forth in section 183b.-d., inclusive, of the Atomic Energy Act of 1954, as amended, whether or not these provisions are expressly set forth in the license.

(6) The Authority may incorporate, in any license issued pursuant to the rules in this division and divisions 103, 105, 113, 115, 116, 117, 120 and 121 of this chapter, at the time of issuance, or thereafter by appropriate rule, regulation or order, such additional requirements and conditions with respect to the licensee's receipt, possession, use and transfer of radioactive material as it deems appropriate or necessary in order to:

(a) Promote the common defense and security;

(b) Protect health or to minimize danger to life or property;

(c) Protect restricted data; and

(d) Require such reports and the keeping of such records, and to provide for such inspections of activities under the license as may be necessary or appropriate to effectuate the purposes of the Act and regulations thereunder.

(7) Licensees required to submit emergency plans by OAR 333-102-0190(10) must follow the emergency plan approved by the Authority. The licensee may change the approved plan without Authority approval only if the changes do not decrease the effectiveness of the plan. The licensee must furnish the change to the Authority and to affected offsite response organizations within six months after the change is made. Proposed changes that decrease, or potentially decrease, the effectiveness of the approved emergency plan may not be implemented without prior application to and prior approval by the Authority.

(8) Each licensee preparing technetium-99m radiopharmaceuticals from molybdenum-99/technetium-99m generators or rubidium-82 from strontium-82/rubidium-82 generators must test the generator eluates for molybdenum-99 breakthrough or strontium-82 and strontium-85, respectively, in accordance with OAR 333-116-0330. The licensee must record the results of each test and retain each record for three years after the record is made.

(9)(a) Each general licensee subject to the registration requirement in OAR 333-101-0007 and each specific licensee must notify the Authority in

# ADMINISTRATIVE RULES

writing immediately following the filing of a voluntary or involuntary petition for bankruptcy under any chapter of Title 11 (Bankruptcy) of the United States Code by or against:

(A) The licensee;

(B) An entity (as that term is defined in 11 U.S.C. 101(14)) controlling the licensee or listing the licensee as property of the estate; or

(C) An affiliate (as that term is defined in 11 U.S.C. 101(2)) of the licensee.

(b) This notification must indicate:

(A) The bankruptcy court in which the petition for bankruptcy was filed; and

(B) The date of the filing of the petition.

(10) Sealed sources or detector cells containing licensed material must not be opened or sources removed from source holders or detector cells by the licensee.

(11) No licensee may acquire licensed radioactive material in a sealed source or in a device that contains a sealed source unless the source or device has been registered with the U.S. Nuclear Regulatory Commission under 10 CFR 32.210 or with an Agreement State.

(12) Any sealed source fabricated by a licensee must be registered, inspected, and tested for construction defects, leakage, and contamination prior to any use or transfer as a sealed source in accordance with requirements in 10 CFR 32.210.

(13) Each licensee must conduct a physical inventory at intervals not to exceed six months to account for all radioactive material received and possessed by licensee. Inventories must include the types and quantities of radioactive material, location of materials, date of receipt, and the date of the inventory; and for sealed sources, the inventory must include the types and quantities of sealed sources, sealed source manufacturer, model number, serial number, date of receipt, condition of sealed sources, and the date of the inventory. Records of the inventories required by this section must be kept until inspection by the Authority.

(14) Each licensee must transport radioactive material or deliver radioactive material to a carrier for transport in accordance with the provisions of Parts 170 through 189 of Title 49, Code of Federal Regulations and in accordance with division 118 of this chapter, "Transportation of Radioactive Material."

(15) Each licensee possessing a device licensed pursuant to OAR 333-103-0010(2)(h) must perform an inspection of all devices at intervals not to exceed six months. Inspections must include condition of labeling and posting of each radiation device, and corrective actions taken if any; condition of shutter operation, if applicable, of each device, and corrective actions taken if any; and location of each device. Records of the inspections required by this section must be kept until inspection by the Authority.

(16) No licensee may open or remove radioactive material from sealed sources or detector cells containing licensed radiation sources.

(17) No person may repair, modify, dismantle, or effect any change in licensed devices or radiation sources, nor modify nor alter labels affixed to licensed devices by the manufacturer

(18) Installation, initial radiation survey, relocation, removal from service, maintenance, and repair of fixed gauging devices containing radioactive sealed sources, and installation, replacement, and disposal of sealed sources must be performed only by persons specifically authorized by the Authority, the U.S. Nuclear Regulatory Commission, or another Agreement state to perform such services. Records of all surveys must be maintained for inspection by the Radiation Protection Services section.

(19) If the licensee has previously determined that monitoring for internal exposure pursuant to OAR 333-120-0130, 333-120-0210, or 333-120-0320 is required, the data and results of this evaluation must be placed in the worker's exposure records and included the worker's Oregon Form Z report.

(20) Testing for leakage or contamination of sealed sources must be in accordance with requirements in OAR 333-120-0460. In the absence of a certificate from a transferor indicating that a test has been made within six months prior to the transfer, a sealed source or detector cell received from another person must not be put into use until tested.

(21) Detector cells must be used only in conjunction with a properly operating temperature control mechanism that prevents foil temperatures from exceeding manufacturer's specifications. Exhaust from detector cells must be vented to keep exposures to personnel and the public as low as reasonably achievable pursuant to OAR 333-120-0180.

(22) Licensees who possess sealed sources used for testing at field sites must possess at such locations transport documents, a current copy of the specific radioactive materials license, specific license validation certi-

icates, the current leak test certificate, and the licensee's operating and emergency procedures. Licensed materials stored in an unrestricted area must be secured from unauthorized removal from the place of storage in accordance with provisions of OAR 333-120-0250 and 333-120-0260.

(23) Any specific licensee is authorized to receive, possess, use, transfer, and import up to 999 kilograms of uranium contained as shielding for specific licensed radioactive material authorized by license.

(24) A licensee may store, pursuant to OAR 333-120-0500, radioactive waste for decay in storage before disposal in accordance with 333-116-0290.

(25) Licensed materials in an unrestricted area and not in storage must be tended under the constant surveillance and immediate control of the licensee.

(26) Except as otherwise specified in a radioactive materials license, the licensee must have available and follow the instructions contained in the manufacturer's instruction manual for the chromatography device.

(27) In lieu of using the conventional radiation caution colors (magenta or purple on yellow background) as provided in OAR 333-120-0400(2), the licensee is hereby authorized to label detector cells and cell baths, containing licensed radioactive material and used in gas chromatography devices, with conspicuously etched or stamped radiation caution symbols without a color requirement.

(28) If a radiography licensee plans to use, during normal industrial radiographic operations subject to division 105 of this chapter, two or more exposure devices at one jobsite, the licensee must require at least one Radiographer or Radiographer Instructor authorized user for each exposure device, and the total number of authorized personnel (radiographers and assistant radiographers) at the temporary jobsite must not be less than n+1 where n=the number of cameras.

(29) Security requirements for portable devices containing licensed radioactive materials. Each portable device containing licensed radioactive materials must be secured using a minimum of two independent physical controls that form two separate tangible barriers to prevent unauthorized removal or use, whenever the portable device is not under the direct control and constant surveillance of the licensee.

(30) Authorization under OAR 333-102-0190(10)(c)(N) to produce Positron Emission Tomography (PET) radiopharmaceutical drugs for non-commercial transfer to medical use licensees in its consortium does not relieve the licensee from complying with applicable FDA, other federal, and state requirements governing radiopharmaceutical drugs.

(31) Each licensee authorized under OAR 333-102-0190(10)(c)(N) to produce PET radiopharmaceutical drugs for noncommercial transfer to medical use licensees in its consortium shall:

(a) Satisfy the labeling requirements in OAR 333-102-0285(1)(d) for each PET radiopharmaceutical drug transport radiation shield and each syringe, vial, or other container used to hold a PET radiopharmaceutical drug intended for noncommercial distribution to members of its consortium.

(b) Possess and use instrumentation to measure the radioactivity of the PET radiopharmaceutical drugs intended for noncommercial distribution to members of its consortium and meet the procedural, radioactivity measurement, instrument test, instrument check, and instrument adjustment requirements in OAR 333-102-0285(3).

(32) A licensee that is a pharmacy authorized under OAR 333-102-0190(10)(c)(N) to produce PET radiopharmaceutical drugs for noncommercial transfer to medical use licensees in its consortium shall require that any individual that prepares PET radiopharmaceutical drugs shall be:

(a) An authorized nuclear pharmacist who meets the requirements in OAR 333-116-0910; or

(b) An individual under the supervision of an authorized nuclear pharmacist as specified in OAR 333-116-0100.

(33) A pharmacy, authorized under OAR 333-102-0190(10)(c)(N) to produce PET radiopharmaceutical drugs for noncommercial transfer to medical use licensees in its consortium that allows an individual to work as an authorized nuclear pharmacist, shall meet the requirements of 333-116-0910.

## 333-106-0005

### Definitions

As used in this division, the following definitions apply:

## ADMINISTRATIVE RULES

- (1) "Accessible Surface" means the external surface of the enclosure or housing provided by the manufacturer.
- (2) "Added Filtration" means any filtration that is in addition to the inherent filtration.
- (3) "Aluminum Equivalent" means the thickness of type 1100 aluminum alloy affording the same attenuation, under specified conditions, as the material in question.
- NOTE:** The nominal chemical composition of type 1100 aluminum alloy is 99.00 percent minimum aluminum, 0.12 percent copper.
- (4) "Applications Training" means a vendor or manufacturer providing training for specific X-ray equipment.
- (5) "A.R.R.T." means the American Registry of Radiologic Technologists.
- (6) "Assembler" means any person engaged in the business of assembling, replacing, or installing one or more components into an X-ray system or subsystem. The term includes the owner of an X-ray system or his or her employee or agent who assembles components into an X-ray system that is subsequently used to provide professional or commercial services.
- (7) "Attenuation Block" means a block or stack, having dimensions 20 centimeters (cm) by 20 cm by 3.8 cm, of type 1100 aluminum alloy or other materials having equivalent attenuation.
- (8) "Authority approved instructor" means an individual who has been evaluated and approved by the Authority to teach Radiation Safety.
- (9) "Authority approved training course" means a course of training that has been evaluated and approved by the Authority.
- (10) "Automatic Exposure Control (AEC)" means a device that automatically controls one or more technique factors in order to obtain at a pre-selected location(s) a required quantity of radiation. (See also "Photo timer".)
- (11) "Barrier" (see "Protective Barrier").
- (12) "Beam Axis" means a line from the source through the centers of the X-ray fields.
- (13) "Beam-Limiting Device" means a device that provides a means to restrict the dimensions of the X-ray field.
- (14) "Beam Monitoring System" means a system designed to detect and measure the radiation present in the useful beam.
- (15) "C-arm X-ray system" means an X-ray system in which the image receptor and X-ray tube housing are connected by a common mechanical support system in order to maintain a desired spatial relationship. This system is designed to allow a change in the projection of the beam through the patient without a change in the position of the patient.
- (16) "Cephalometric Device" means a device intended for the radiographic visualization and measurement of the dimensions of the human head.
- (17) "Certified Components" means components of X-ray systems that are subject to the X-ray Equipment Performance Standards promulgated under Public Law 90-602, the Radiation Control Agency for Health and Safety Act of 1968.
- (18) "Certified System" means any X-ray system that has one or more certified component(s).
- (19) "Changeable Filters" means any filter, exclusive of inherent filtration, which can be removed from the useful beam through any electronic, mechanical or physical process.
- (20) "Coefficient of Variation (C)" means the ratio of the standard deviation to the mean value of a set of observations.
- (21) "Computed tomography (CT)" means the production of a tomogram by the acquisition and computer processing of X-ray transmission data.
- (22) "Computed radiography (CR)" means creating an X-ray image using plates consisting of a photo stimulable phosphor (PSP) that when exposed to radiation and then processed by a scanner, provides the information to a computer for display and manipulation.
- (23) "Contact Therapy System" means an X-ray system used for therapy with the tube port placed in contact with or within five centimeters of the surface being treated.
- (24) "Control Panel" means that part of the X-ray control upon which are mounted the switches, knobs, pushbuttons and other hardware necessary for manually setting the technique factors.
- (25) "Cooling Curve" means the graphical relationship between heat units stored and cooling time.
- (26) "Dead-Man Switch" means a switch so constructed that a circuit closing contact can be maintained only by continuous pressure on the switch by the operator.
- (27) "Detector" (see "Radiation detector").
- (28) "Diagnostic X-ray imaging system" means an assemblage of components for the generation, emission, and reception of X-rays and the transformation, storage, and visual display of the resultant X-ray image.
- (29) "Diagnostic Source Assembly" means the tube housing assembly with a beam-limiting device attached.
- (30) "Diagnostic-Type Protective Tube Housing" means a tube housing so constructed that the leakage radiation measured at a distance of one meter from the source does not exceed 100 milliroentgens (mR) in one hour when the tube is operated at its leakage technique factors.
- (31) "Diagnostic X-ray System" means an X-ray system designed for irradiation of any part of the human body or animal body for the purpose of diagnosis or visualization.
- (32) "Direct Digital Radiography (DR)" means creating an X-ray image by sending signals directly from a digital image receptor to a computer for display and manipulation.
- (33) "Direct Scattered Radiation" means that scattered radiation which has been deviated in direction only by materials irradiated by the useful beam (see "Scattered radiation").
- (34) "Entrance Exposure Rate" means the exposure free in air per unit of time.
- (35) "Field Emission Equipment" means equipment which uses a tube in which electron emission from the cathode is due solely to the action of an electric field.
- (36) "Filter" means material placed in the useful beam to absorb preferentially selected radiations.
- (37) "Fluoroscopic Benchmark" means a standard based upon the average cumulative fluoroscopic on-time normally found to be used for a specific fluoroscopic procedure at the site.
- (38) "Fluoroscopic Imaging Assembly" means a subsystem in which X-ray photons produce a visible image. It includes the image receptor(s) such as the image intensifier and spot-film device, electrical interlocks, if any, and structural material providing linkage between the image receptor and diagnostic source assembly.
- (39) "Fluoroscopic X-ray equipment operator" means any individual who, adjusts technique factors, activates the exposure switch or button of a fluoroscopic X-ray machine or physically positions patients or animals. Human holders, used solely for immobilization purposes (example being veterinarian human holders) are excluded from this rule.
- (40) "Focal Spot" means the area projected on the anode of the tube by the electrons accelerated from the cathode and from which the useful beam originates.
- (41) "General Purpose Radiographic X-ray System" means any radiographic X-ray system which, by design, is not limited to radiographic examination of specific anatomical regions.
- (42) "Gonad Shield" means a protective barrier for the testes or ovaries.
- (43) "Half-Value Layer (HVL)" means the thickness of specified material which attenuates the beam of radiation to an extent such that the exposure rate is reduced to one-half of its original value. In this definition, the contribution of all scattered radiation, other than any which might be present initially in the beam concerned, is deemed to be excluded.
- (44) "Healing arts screening" means the testing of human beings using X-ray machines for the detection or evaluation of health indications when such tests are not specifically and individually ordered by an Oregon licensed practitioner of the healing arts legally authorized to prescribe such X-ray tests for the purpose of diagnosis or treatment.
- (45) "Heat Unit" means a unit of energy equal to the product of the peak kilovoltage, milliamperes and seconds, example being kVp x mA x second.
- (46) "HVL" (see "Half-value layer").
- (47) "Image Intensifier" means a device, installed in its housing, which instantaneously converts an X-ray pattern into a corresponding light image of higher energy density.
- (48) "Image Receptor" means any device, such as a fluorescent screen or radiographic film, which transforms incident photons either into a visible image or into another form which can be made into a visible image by further transformations.
- (49) "Inherent Filtration" means the filtration of the useful beam provided by the permanently installed components of the tube housing assembly.
- (50) "Interlock" means a device arranged or connected such that the occurrence of an event or condition is required before a second event or condition can occur or continue to occur.
- (51) "Irradiation" means the exposure of matter to ionizing radiation.
- (52) "Kilovolt-Peak" (see "Peak tube potential").

# ADMINISTRATIVE RULES

- (53) “kV” means kilovolts.
- (54) “kVp” (see “Peak tube potential”).
- (55) “kWs” means kilowatt second.
- (56) “Lead Equivalent” means the thickness of lead affording the same attenuation, under specified conditions, as the material in question.
- (57) “Leakage Radiation” means radiation emanating from the diagnostic or therapeutic source assembly except for:
- (a) The useful beam; and
  - (b) Radiation produced when the exposure switch or timer is not activated.
- (58) “Leakage Technique Factors” means the technique factors associated with the diagnostic or therapeutic source assembly which are used in measuring leakage radiation. They are defined as follows:
- (a) For diagnostic source assemblies intended for capacitor energy storage equipment, the maximum rated peak tube potential and the maximum-rated number of exposures in an hour for operation at the maximum rated peak tube potential with the quantity of charge per exposure being 10 millicoulombs, example being 10 milliampere seconds (mAs), or the minimum obtainable from the unit, whichever is larger.
  - (b) For diagnostic source assemblies intended for field emission equipment rated for pulsed operation, the maximum-rated peak tube potential and the maximum-rated number of X-ray pulses in an hour for operation at the maximum-rated peak tube potential.
  - (c) For all other diagnostic or therapeutic source assemblies, the maximum-rated peak tube potential and the maximum-rated continuous tube current for the maximum-rated peak tube potential.
- (59) “Light Field” means that area of the intersection of the light beam from the beam-limiting device and one of the set of planes parallel to and including the plane of the image receptor, whose perimeter is the locus of points at which the illumination is one-fourth of the maximum in the intersection.
- (60) “Line-Voltage Regulation” means the difference between the no-load and the load line potentials expressed as a percent of the load line potential.
- (a) “mA” means milliamperes.
  - (b) “mAs” means milliamperes second.
- (63) “Maximum Line Current” means the root-mean-square current in the supply line of an X-ray machine operating at its maximum rating.
- (64) “Mobile Equipment” (see “X-ray Equipment”).
- (65) “Non-radiologist practitioner” means an individual who practices medicine as a medical doctor (M.D.), doctor of osteopathic medicine (D.O.), doctor of chiropractic medicine (D.C.), doctor of podiatric medicine (D.P.M.) or doctor of veterinary medicine (D.V.M.); and
- (a) Are not specifically certified in diagnostic or therapeutic use of X-rays; and
  - (b) Are currently licensed by their respective Oregon licensing board.
- (66) “Operator” means an individual who, under the supervision of a practitioner of the healing arts, handles ionizing radiation equipment, physically positions patients or animals, determines exposure parameters or applies the radiation for the diagnostic or therapeutic purposes intended.
- (67) “Patient” means an individual subjected to healing arts examination, diagnosis, or treatment.
- (68) “Peak Tube Potential” means the maximum value of the potential difference across the X-ray tube during an exposure.
- (69) “Phantom” means a volume of material behaving in a manner similar to tissue with respect to the attenuation and scattering of radiation. This requires that both the atomic number (Z) and the density of the material be similar to that of tissue.
- (70) “Photo timer” means a method for controlling radiation exposures to image receptors by measuring the amount of radiation which reaches a radiation monitoring device(s). The radiation monitoring device(s) is a part of an electronic circuit which controls the duration of time the tube is activated (see also “Automatic exposure control”).
- (a) “PID” (see “Position indicating device”).
  - (b) “Portable Equipment” (see “X-ray Equipment”).
- (73) “Position Indicating Device” means a device on dental X-ray equipment used to indicate the beam position and to establish a definite source-surface (skin) distance. It may or may not incorporate or serve as a beam-limiting device.
- (74) “Primary Dose Monitoring System” means a system which will monitor useful beam during irradiation and which will terminate irradiation when a pre-selected number of dose monitor units have been acquired.
- (75) “Primary Protective Barrier” (see “Protective barrier”).
- (76) “Protective Apron” means an apron made of radiation absorbing materials used to reduce radiation exposure.
- (77) “Protected Area” means an area shielded with primary or secondary protective barriers or an area removed from the radiation source such that the exposure rate within the area due to normal operating procedures and workload does not exceed any of the following limits:
- (a) 2 milliroentgens (mR) in any one hour; or
  - (b) 100 mR in any one year.
- (c) See OAR 333-120-0180 for additional information.
- (78) “Protective Barrier” means a barrier of radiation absorbing material(s) used to reduce radiation exposure. The types of protective barriers are as follows:
- (a) “Primary protective barrier” means the material, excluding filters, placed in the useful beam, for protection purposes, to reduce the radiation exposure;
  - (b) “Secondary protective barrier” means a barrier sufficient to attenuate the stray radiation to the required degree.
- (79) “Protective Glove” means a glove made of radiation absorbing materials used to reduce radiation exposure.
- (80) “Qualified Expert” means an individual, approved by the Authority, who has demonstrated, pursuant to these rules, that he/she possesses the knowledge, skills, and training to measure ionizing radiation, to evaluate radiation parameters, to evaluate safety techniques, and to advise regarding radiation protection needs. The individual shall:
- (a) Be certified in the appropriate field by the American Board of Radiology, the American Board of Health Physics, the American Board of Medical Physics or the American Board of Nuclear Medicine Science; or
  - (b) Hold a master’s or doctor’s degree in physics, biophysics, radiological physics, health physics, or medical physics and have completed one year of documented, full time training in the appropriate field and also one year of documented, full time work experience under the general supervision of a qualified expert in the appropriate field. To meet this requirement, the individual shall have performed the tasks required of a qualified expert during the year of work experience; or
  - (c) Receive approval from the Authority for specific activities.
- (81) “Quality Control Program” means a program directed at film processing and radiographic image quality whereby periodic monitoring of film processing is performed. Test films are compared against control film, either visually or by use of a densitometer, to determine if density or contrast have changed. Steps can then be taken to investigate such change and correct the problem. The X-ray machine itself can also be involved in the quality control program, as can other components of the imaging chain.
- (82) “Radiation Detector” means a device which in the presence of radiation provides a signal or other indication suitable for use in measuring one or more quantities of incident radiation.
- (83) “Radiation Therapy Simulation System” means a radiographic or fluoroscopic system intended for localizing the volume to be exposed during radiation therapy and confirming the position and size of the therapeutic irradiation field.
- (84) “Radiograph” means an image receptor on which the image is created directly or indirectly by a pattern and results in a permanent record.
- (85) “Radiographic Imaging System” means any system whereby a permanent or semipermanent image is recorded on an image receptor by the action of ionizing radiation.
- (86) “Radiological Physicist” means an individual who:
- (a) Is certified by the American Board of Radiology in therapeutic radiological physics, radiological physics, or x- and gamma-ray physics; or
  - (b) Has a bachelor’s degree in one of the physical sciences or engineering and three years full-time experience working in therapeutic radiological physics under the direction of a physicist certified by the American Board of Radiology. The work duties must include duties involving the calibration and spot checks of a medical accelerator or a sealed source teletherapy unit; or
  - (c) Has a master’s or a doctor’s degree in physics, biophysics, radiological physics, health physics, or engineering; has had one year’s full-time training in therapeutic radiological physics; and has had one year’s full-time work experience in a radiotherapy facility where the individual’s duties involve calibration and spot checks of a medical accelerator or a sealed source teletherapy unit.
- (87) “Radiologist” or “Oral Radiologist” means a physician or dentist trained in the diagnostic or therapeutic use of X-rays and who is:
- (a) Currently licensed by their respective Oregon licensing board; and
  - (b) Board certified by the American Board of Radiology (ABR) or American Osteopathic Board of Radiology (AOBR) or American Chiropractic Board of Radiology (DACBR) or Royal College of Physicians and Surgeons of Canada (RCPS) or the American Board of Oral and

# ADMINISTRATIVE RULES

Maxillo-Facial Radiology (ABOMFR) and currently licensed to practice medicine or dentistry in Oregon.

(88) "Radiology Physician's Assistant" (R.P.A.)/ "Registered Radiology Assistant" (R.R.A.).

(a) An R.P.A. means an American Registry of Radiologic Technologists (A.R.R.T.) technologist who has successfully completed an advanced training program and is certified by the Certification Board for Radiology Practitioner Assistants (CBRPA).

(b) An R.R.A. means an A.R.R.T. technologist who has successfully completed an advanced training program and is certified by A.R.R.T.

(89) "R.T." means a radiologic technologist certified in radiography and currently licensed by the Oregon Board of Medical Imaging.

(90) "Rating" means the operating limits as specified by the component manufacturer.

(91) "Recording" means producing a permanent form of an image resulting from X-ray photons.

(92) "Registrant," as used in this division, means any person who owns or possesses and administratively controls an X-ray system which is used to deliberately expose humans, animals or materials to the useful beam of the system and is required by the provisions contained in divisions 100 and 101 of this chapter to register with the Authority.

(93) "Response Time" means the time required for an instrument system to reach 90 percent of its final reading when the radiation-sensitive volume of the instrument system is exposed to a step change in radiation flux from zero, sufficient to provide a steady state midscale reading.

(94) "Scattered Radiation" means radiation that, during passage through matter, has been deviated in direction (see "Direct Scattered Radiation").

(95) "Screening" means the use of a systematic approach to obtain cursory examinations of a person or group of persons without regard to specific clinical indications.

(96) "Secondary Dose Monitoring System" means a system which will terminate irradiation in the event of failure of the primary system.

(97) "Secondary Protective Barrier" (see "Protective barrier").

(98) "Shutter" means a device attached to the tube housing assembly which can totally intercept the useful beam and which has a lead equivalency not less than that of the tube housing assembly.

(99) "SID" (see "Source-image receptor distance").

(100) "Source" means the focal spot of the X-ray tube.

(101) "Source-Image Receptor Distance" means the distance from the source to the center of the input surface of the image receptor.

(102) "Spot Check" means a procedure which is performed to assure that a previous calibration continues to be valid.

(103) "Spot Film" means a radiograph which is made during a fluoroscopic examination to permanently record conditions which exist during that fluoroscopic procedure.

(104) "Spot-Film Device" means a device intended to transport or position a radiographic image receptor between the X-ray source and fluoroscopic image receptor. It includes a device intended to hold a cassette over the input end of an image intensifier for the purpose of making a radiograph.

(105) "SSD" means the distance between the source and the skin of the patient.

(106) "Stationary Equipment" (see "X-ray Equipment").

(107) "Stray Radiation" means the sum of leakage and scattered radiation.

(108) "Supervision" means the supervising individual routinely reviews and monitors the work being performed. There are three categories of supervision:

(a) "General Supervision" means that the supervisor is not required to be on-site, but must be available for direct communication, either in person, by telephone, or other electronic means.

(b) "Direct Supervision" means that the supervisor is physically present in the building and immediately available to furnish assistance as needed.

(c) "Personal Supervision" means that the supervisor is physically present in the room during the performance of the procedure at all times.

(109) "Technique Factors" means the conditions of operation. They are specified as follows:

(a) For capacitor energy storage equipment, peak tube potential in kV and quantity of charge in mAs;

(b) For field emission equipment rated for pulsed operation, peak tube potential in kV and number of X-ray pulses;

(c) For all other equipment, peak tube potential in kV and either tube current in mA and exposure time in seconds, or the product of tube current and exposure time in mAs.

(110) "Termination of Irradiation" means the stopping of irradiation in a fashion which will not permit continuance of irradiation without the resetting of operating conditions at the control panel.

(111) "Traceable to a National Standard" means that a quantity or a measurement has been compared to a national standard directly or indirectly through one or more intermediate steps and that all comparisons have been documented.

(112) "Tube" means an X-ray tube, unless otherwise specified.

(113) "Tube Housing Assembly" means the tube housing with tube installed. It includes high-voltage and filament transformers and other appropriate elements when such are contained within the tube housing.

(114) "Tube Rating Chart" means the set of curves which specify the rated limits of operation of the tube in terms of the technique factors.

(115) "Unprotected Area" means any area in which the exposure rate, due to the use of the radiation machine under normal operating procedures and workload, exceeds any of the following limits:

(a) Two mR in any one hour;

(b) 100 mR in any seven consecutive days; or

(c) 500 mR in any one year.

(116) "Useful Beam" means the radiation emanating from the tube housing port or the radiation head and passing through the aperture of the beam limiting device when the exposure controls are in a mode to cause the system to produce radiation.

(117) "Variable-Aperture Beam-Limiting Device" means a beam-limiting device which has capacity for stepless adjustment of the X-ray field size at a given SID.

(118) "Visible Area" means that portion of the input surface of the image receptor over which the incident X-ray photons are producing a visible image.

(119) "Wedge Filter" means an added filter effecting continuous progressive attenuation on all or part of the useful beam.

(120) "X-ray Control" means a device which controls input power to the X-ray high-voltage generator and the X-ray tube. It includes equipment such as exposure switches (control), timers, photo timers, automatic brightness stabilizers and similar devices, which control the technique factors of an X-ray exposure.

(121) "X-ray Equipment" means an X-ray system, subsystem, or component thereof. Types of equipment are as follows:

(a) "Mobile equipment" means X-ray equipment mounted on a permanent base with wheels and casters for moving while completely assembled and intended to be taken from one geographical location to another or from one room to another;

(b) "Portable equipment" means X-ray equipment designed to be hand-carried but not hand-held during operations.

(c) "Stationary equipment" means X-ray equipment which is installed in a fixed location; such as bolted to the floor or wall;

(d) "Transportable" means X-ray equipment installed in a vehicle or trailer;

(e) "Hand-held unit" means a self contained X-ray machine designed so that it can be held in one or two hands to perform intra-oral radiography or other Authority approved radiography.

(122) "X-ray equipment operator" means any individual who handles, adjusts technique factors, activates the exposure switch/ or button of an X-ray machine, or physically positions patients or animals for a radiograph (see "Operator").

(123) "X-ray Field" means that area of the intersection of the useful beam and any one of the set of planes parallel to and including the plane of the image receptor, whose perimeter is the locus of points at which the exposure rate is one-fourth of the maximum in the intersection.

(124) "X-ray High-Voltage Generator" means a device which transforms electrical energy from the potential supplied by the X-ray control to the tube operating potential. The device may also include means for transforming alternating current to direct current, filament transformers for the X-ray tube(s), high-voltage switches, electrical protective devices and other appropriate elements.

(125) "X-ray System" means an assemblage of components for the controlled production of X-rays. It includes minimally an X-ray high-voltage generator, an X-ray control, a tube housing assembly, a beam-limiting device and the necessary supporting structures. Additional components which function with the system are considered integral parts of the system.

# ADMINISTRATIVE RULES

(126) "X-ray Subsystem" means any combination of two or more components of an X-ray system for which there are requirements specified in this division.

(127) "X-ray Tube" means any electron tube which is designed to be used primarily for the production of X-rays.

## 333-106-0025

### Protection of Patients and Personnel

(1) Except for patients who cannot be moved out of the unprotected area, only the staff and ancillary personnel required for the medical procedure or training shall be in the unprotected area during the radiographic exposure.

(2) Other than the patient being examined, all individuals shall be positioned such that no part of the body will be struck by the useful beam unless protected by 0.5 millimeter (mm) lead equivalent.

(3) Staff and ancillary personnel shall be protected from the direct scatter radiation by protective aprons or whole body protective barriers of not less than 0.25 mm lead equivalent.

(4) Patients who cannot be removed from the room shall be protected from the direct scatter radiation by whole body protective barriers of 0.25 mm lead equivalent or shall be so positioned that the nearest portion of the body is at least two meters from both the tube head and the nearest edge of the image receptor.

## 333-106-0040

### Patient Holding and Restraint

(1) When a patient or film must be provided with auxiliary support during a radiation exposure:

(a) Mechanical holding devices shall be provided and used when the technique permits. The safety rules, required by OAR 333-106-0020, shall list individual projections where holding devices cannot be used.

(b) Written safety procedures, as required by OAR 333-106-0020, shall indicate the requirements for selecting a holder and the procedure the holder shall follow.

(c) The human holder shall be protected, as required by OAR 333-106-0025.

(2) No individual shall be used routinely to hold film or patients.

(3) Occupationally exposed personnel are prohibited from holding human patients during radiographic examination.

(4) The Authority may require a separate record to be maintained which would include the name of the human holder, date of the examination, number of exposures and technique factor used for the exposure(s).

(5) In those cases where the patient must hold the film, except during intraoral examinations, any portion of the body other than the area of clinical interest exposed to the useful beam shall be protected by not less than 0.5 mm lead equivalent material.

(6) Holding of patients shall be permitted only when it is otherwise impossible to obtain the necessary radiograph.

(7) Individuals stressing joints shall be exempt from section (3) of this rule.

## 333-106-0045

### Use of Best Procedures and Equipment

(1) Procedures and auxiliary equipment designed to minimize patient and personnel exposure commensurate with the needed diagnostic information shall be utilized.

(2) The speed of film or screen and film combinations shall be the fastest speed consistent with the diagnostic objective of the examinations.

(3) The radiation exposure to the patient shall be the minimum exposure required to produce images of good diagnostic quality, see Tables 1, 2 and 3. The referenced tables are available on the Program's website: [www.healthoregon.org/rps](http://www.healthoregon.org/rps).

(4) Portable or mobile X-ray equipment shall be used only for examinations where it is impractical to transfer the patient(s) to a stationary X-ray installation due to the medical status of the patient or the inability of the patient to be left alone during the imaging procedure except as permitted under section (5) of this rule.

(5) Hand-held dental units may be used at facilities or programs as defined in ORS 680.205(1) and (2).

(6) X-ray systems subject to OAR 333-106-0301 shall not be utilized in procedures where the source to patient distance is less than 30 centimeters (cm).

(7) Cardboard cassettes without screens shall not be used (dental intraoral excluded).

(8) The number of radiographs taken for any radiographic examination should be the minimum number needed to adequately diagnose the clinical condition.

(9) Use of techniques designed to compensate for anatomical thickness variations after the primary beam has exited the patient is specifically prohibited. This includes "split screen" imaging techniques whereby multiple speed intensifying screens are placed in the same cassette, or any techniques which rely on attenuation of secondary (remnant) radiation for compensatory purposes. Lead lined grids, which are designed to reduce scattered radiation are excluded from this provision.

(10) Filter slot covers shall be provided for the X-ray operator's protection.

(11) Facilities shall determine or cause to be measured the typical patient exposure for their most common radiographic examinations. The exposures shall be recorded as milliroentgens measured in free air at the point of skin entrance for an average patient. These exposure amounts must then be compared to existing guidelines and rules, and if they exceed such guidelines or rules, action must be taken to reduce the exposure while at the same time maintaining or improving diagnostic image quality. In addition, typical patient exposure values shall be posted in the radiographic examination rooms so that they are readily available to administrators, X-ray operators, patients and practitioners.

(12) Protective equipment including aprons, gloves and shields shall be checked annually for defects, such as holes, cracks and tears to assure reliability and integrity. A record of this test shall be made and maintained for inspection by the Authority. If such defect is found, equipment shall be replaced or removed from service until repaired. Fluoroscopy shall only be used for this purpose if a visual and manual check indicated a potential problem.

(13) Dental X-ray machines designed and manufactured to be used for dental purposes shall be restricted to dental use only.

(14) An X-ray quality control program shall be implemented when required by the Authority.

(15) All X-ray equipment must be capable of functioning at the manufacturer's intended specifications.

(16) All patients' radiographic images or copies shall be made available for review by any practitioner of the healing arts, currently licensed by the appropriate Oregon licensing board, upon request of the patient.

[ED. NOTE: Tables referenced are available from the agency.]

## 333-106-0055

### X-ray Operator Training

(1) The registrant shall assure that individuals who will be operating the X-ray equipment by physically positioning patients or animals, determining exposure parameters, or applying radiation for diagnostic purposes shall have adequate training in radiation safety.

(a) Radiation safety training records shall be maintained by the registrant for each individual who operates X-ray equipment. Records must be legible and meet the requirements in OAR 333-120-0690.

(b) When requested by the Authority, radiation safety training records shall be made available.

(2) Adequate training in radiation safety means X-ray operators have completed an Authority approved radiation use and safety course.

(3) At a minimum, an Authority approved training course shall cover the following subjects:

(a) Nature of X-rays:

(A) Interaction of X-rays with matter ;

(B) Radiation units;

# ADMINISTRATIVE RULES

- (C) X-ray production;
- (D) Biological effects of X-rays; and
- (E) Risks of radiation exposure.
- (b) Principles of the X-ray machine:
  - (A) External structures and operating console;
  - (B) Internal structures:
    - (i) Anode; and
    - (ii) Cathode.
  - (C) Operation of an X-ray machine;
  - (D) Tube warm up;
  - (E) Factors affecting X-ray emission:
    - (i) mA;
    - (ii) kVp;
    - (iii) Filtration; and
    - (iv) Voltage waveform.
  - (c) Principles of radiation protection:
    - (A) Collimation;
    - (B) Types of personal protection equipment and who must wear it;
    - (C) ALARA;
    - (D) Time, distance, shielding;

      - (i) Types of dosimetry;
      - (ii) Proper placement of dosimetry; and
      - (iii) Situations that require dosimetry.
    - (G) Occupational and non-occupational dose limits.
  - (d) Radiographic technique:
    - (A) Factors affecting technique choice:
      - (i) Thickness of part;
      - (ii) Body composition;
      - (iii) Pathology; and
      - (iv) Film versus computed radiography (CR) and digital radiography (DR).
    - (B) How to develop an accurate chart;
    - (C) Low dose techniques;
    - (D) Pediatric techniques (does not apply to veterinary); and
    - (E) AEC Techniques.
  - (e) Darkroom:
    - (A) Safelights;
    - (B) Chemical storage;
    - (C) Film storage; and
    - (D) Darkroom cleanliness.
  - (f) Image processing:
    - (A) Automatic film processing;
    - (B) Dip tank film processing;
    - (C) Computed radiography (CR) processing; and
    - (D) Digital radiography (DR) processing.
  - (g) Image critique:
    - (A) Reading room conditions;
    - (B) Light box conditions;
    - (C) Image identification;
    - (D) Artifacts;
    - (E) Exposure indicators for CR and DR;
    - (F) Technical parameter evaluation; and
    - (G) Positioning evaluation.
  - (h) Veterinary X-ray use (for veterinary courses only):
    - (A) Types of animal restraints;
    - (B) Small animal versus large animal;
    - (C) Film holders; and
    - (D) Portable X-ray machine safety.
      - (i) Applicable federal and state radiation regulations including those portions of chapter 333, divisions 100, 101, 103, 106, 111, 120, and 124.
  - (4) Dental X-ray operators who meet the following requirements are considered to have met the requirements in section (1) of this rule:
    - (a) Currently licensed by the Oregon Board of Dentistry as a Dentist or Dental Hygienist; or
    - (b) Is a Dental Assistant who is certified by the Oregon Board of Dentistry in radiologic proficiency.
    - (c) Dental radiology students in an approved Oregon Board of Dentistry dental radiology course are permitted to take dental radiographs on human patients during their clinical training, under the direct supervision of a Dentist or Dental Hygienist currently licensed, or a Dental Assistant who has been certified in radiologic proficiency by the Oregon Board of Dentistry.

(5) Diagnostic medical X-ray operators who meet the following requirements are considered to have met the requirements of section (1) of this rule:

(a) Holds a current license from the Oregon Board of Medical Imaging; or

(b) Holds a current limited X-ray machine operator permit from the Oregon Board of Medical Imaging; or

(c) Is a student in a two-year approved school of Radiologic Technology as defined in ORS 688.405 while practicing Radiologic Technology under the direct supervision of a radiologist who is currently licensed with the Oregon Medical Board or a radiologic technologist who is currently registered with the American Registry of Radiologic Technologists and licensed with the Oregon Board of Medical Imaging; or

(d) Is a student in an Oregon Board of Medical Imaging approved limited permit program under a Radiologic Technologist who is currently registered with the American Registry of Radiologic Technologists and licensed by the Oregon Board of Medical Imaging.

(6) In addition to the training outlined in section (3) of this rule, medical X-ray equipment operators using diagnostic radiographic equipment on human patients, and who are not regulated by the Oregon Board of Medical Imaging, must have 100 hours or more of instruction in radiologic technology including, but not limited to:

(a) Anatomy physiology, patient positioning, exposure and technique; and

(b) Appropriate types of X-ray examinations that the individual will be performing; and in addition

(c) Receive 200 hours or more of X-ray laboratory instruction and practice in the actual use of an energized X-ray unit, setting techniques and practicing positioning of the appropriate diagnostic radiographic procedures that they intend to administer.

(7) All X-ray operators shall be able to demonstrate competency in the safe use of the X-ray equipment and associated X-ray procedures.

(8) When required by the Authority, applications training must be provided to the operator before use of X-ray equipment on patients.

(a) Records of this training must be maintained and made available to the Authority for inspection.

(b) The training may be in any format such as hands-on training by a manufacturer's representative, video or DVD instruction, or a training manual.

(9) X-ray equipment operators who have received their radiation safety training outside of Oregon will be considered to have met the training requirements in section (1) of this rule, if the Authority's or applicable Oregon Licensing Board's evaluation of their training or training and experience, reveals that they substantially meet the intent of section (3) of this rule.

## 333-106-0060

### Radiation Use and Safety Instructor Qualifications

The training required in OAR 333-106-0055(1) must be taught by an Authority approved instructor. Approval will be based upon the following criteria.

(1) A medical use and safety instructor is an individual who is currently:

(a) Licensed as a Radiologic Technologist and approved as an education provider by the Oregon Board of Medical Imaging; or

(b) A dental radiation use and safety instructor is an individual who is currently licensed by the Oregon Board of Dentistry as a Dentist, a Hygienist, or has been approved by the Oregon Board of Dentistry as a radiation use and safety instructor.

(2) A veterinarian radiation use and safety instructor is an individual who is currently:

(a) Licensed by the Oregon Veterinary Medical Examining board as a Veterinarian, or a Veterinary Technician; or

(b) Is currently licensed as a Radiologic Technologist by the Oregon Board of Medical Imaging, and has completed training specific to veterinarian radiography, including training in animal restraint, and has a minimum of two years of experience in taking veterinary radiographs.

(3) On a case by case basis, if an evaluation by the Authority reveals the individual has alternative qualifications that are substantially equivalent

# ADMINISTRATIVE RULES

to the qualifications listed in subsections (1)(a), (1)(b), (2)(a) or (2)(b) of this rule or is an individual who is qualified under OAR 333-106-0005(80) as a qualified expert, or OAR 333-101-0230 as a Hospital Radiology Inspector.

Stat. Auth.: ORS 453.605 – 453.807

## 333-106-0201

### Fluoroscopic X-ray Systems

All fluoroscopic X-ray systems shall meet the following requirements:

(1) Primary Barrier:

(a) The fluoroscopic imaging assembly shall be provided with a primary protective barrier which intercepts the entire cross section of the useful beam at any SID;

(b) The X-ray tube used for fluoroscopy shall not produce X-rays unless the barrier is in position to intercept the entire useful beam.

(2) Nonimage intensified types of fluoroscopes shall not be used.

(3) Image-Intensified Fluoroscopy and Spot Filming:

(a) For image-intensified fluoroscopic equipment, neither the length nor the width of the X-ray field in the plane of the image receptor shall exceed that of the visible area of the image receptor by more than three percent of the SID. The sum of the excess length and the excess width shall be no greater than four percent of the SID. In addition:

(A) Means shall be provided to permit further limitation of the field. Beam-limiting devices manufactured after May 22, 1979, and incorporated in equipment with a variable SID or a visible area of greater than 300 square cm shall be provided with means for stepless adjustment of the X-ray field;

(B) All equipment with a fixed SID and a visible area of 300 square cm or less shall be provided with either stepless adjustment of the X-ray field or with means to further limit the X-ray field size at the plane of the image receptor to 125 square cm or less. Stepless adjustment shall, at the greatest SID, provide continuous field sizes from the maximum obtainable to a field size of 5 cm by 5 cm or less;

(C) For equipment manufactured after February 25, 1978, when the angle between the image receptor and beam axis is variable, means shall be provided to indicate when the axis of the X-ray beam is perpendicular to the plane of the image receptor; and

(D) Compliance shall be determined with the beam axis indicated to be perpendicular to the plane of the image receptor. For rectangular X-ray fields used with circular image reception, the error in alignment shall be determined along the length and width dimensions of the X-ray field which pass through the center of the visible area of the image receptor.

(b) Spot-film devices which are certified components shall meet the following additional requirements:

(A) Means shall be provided between the source and the patient for adjustment of the X-ray field size in the plane of the film to the size of that portion of the film which has been selected on the spot-film selector. Such adjustment shall be automatically accomplished except when the X-ray field size in the plane of the film is smaller than that of the selected portion of the film. For spot film devices manufactured after June 21, 1979, if the X-ray field size is less than the size of the selected portion of the film, the means for adjustment of the field size shall be only at the operator's option;

(B) It shall be possible to adjust the X-ray field size in the plane of the film to a size smaller than the selected portion of the film. The minimum field size at the greatest SID shall be equal to, or less than, 5 cm by 5 cm;

(C) The center of the X-ray field in the plane of the film shall be aligned with the center of the selected portion of the film to within two percent of the SID; and

(D) On spot-film devices manufactured after February 25, 1978, if the angle between the plane of the image receptor and beam axis is variable, means shall be provided to indicate when the axis of the X-ray beam is perpendicular to the plane of the image receptor, and compliance shall be determined with the beam axis indicated to be perpendicular to the plane of the image receptor.

(c) If a means exists to override any of the automatic X-ray field size adjustments required in section (3) of this rule, that means:

(A) Shall be designed for use only in the event of system failure;

(B) Shall incorporate a signal visible at the fluoroscopist's position which will indicate whenever the automatic field size adjustment is overridden; and

(C) Shall be clearly and durably labeled as follows: "FOR X-RAY FIELD LIMITATION SYSTEM FAILURE"

## 333-106-0205

### Activation of the Fluoroscopic Tube

(1) X-ray production in the fluoroscopic mode shall be controlled by a device which requires continuous pressure by the fluoroscopist for the entire time of any exposure. When recording serial fluoroscopic images, the fluoroscopist shall be able to terminate the X-ray exposure(s) at any time, but means may be provided to permit completion of any single exposure of the series in process.

(2) Proper training in the operation of fluoroscopic X-ray equipment is required for all operators and shall include but not be limited to the following:

(a) Principles and operation of the fluoroscopic X-ray machine:

(A) Generating X-rays;

(B) kVp and mA;

(C) Image intensification;

(D) High level control versus standard operating mode;

(E) Magnification (multi-field);

(F) Automatic Brightness Control (ABC);

(G) Pulsed versus continuous X-ray dose rates;

(H) Image recording modes;

(I) Imaging Systems (TV and Digital); and

(J) Contrast, noise and resolution.

(b) Radiation units:

(A) Traditional units;

(B) SI units; and

(C) Dose Area Product.

(c) Typical fluoroscopic outputs:

(A) Patient skin entrance dose;

(B) Standard Roentgen per minute (R/min) dose rates; and

(C) High level/Boost enable Roentgen per minute (R/min) dose rates.

(d) Dose reduction techniques for fluoroscopy:

(A) Collimation;

(B) X-ray tube and image intensifier placement;

(C) Patient size versus technique selection;

(D) Grid use;

(E) Last image hold;

(F) Additional beam filtration;

(G) Gantry angles;

(H) Use of spacer cone; and

(I) Pulsed fluoroscopy.

(e) Factors affecting personnel dose:

(A) Patient dose;

(B) Scatter radiation;

(C) Tube and image intensifier placement; and

(D) Time, distance and shielding.

(f) Protective devices:

(A) Lead aprons and gloves;

(B) Thyroid collars;

(C) Protective glasses;

(D) Leaded drapes;

(E) Bucky slot cover; and

(F) Protective shields/barriers.

(g) Radiation exposure monitoring:

(A) Personnel monitors;

(B) Placement of personnel monitors; and

(C) Occupational and non-occupational dose limits.

(h) Biological effects of X-ray radiation:

(A) X-rays and particulate matter;

(B) Absorption variables (field size, dose rate, as an example);

(C) Scatter radiation;

(D) Cell sensitivity;

(E) Acute effects; and

(F) Latent effects.

(i) Applicable regulations:

(A) Federal; and

(B) Oregon Administrative Rules for the Control of Radiation to include, but not limited to, chapter 333, divisions 101, 103, 106, 111 and 120.

(3) The operation of fluoroscopic equipment shall be performed by a properly trained operator. The following categories of operators are considered to have met the training requirements in section (2) of this rule:

(a) Radiologists currently licensed in Oregon;

# ADMINISTRATIVE RULES

(b) Non-Radiologist practitioners who have successfully completed a training program from an Authority approved resource or have been operating fluoroscopic equipment prior to April 11, 2005;

(c) Radiologic Technologists who have a permanent or temporary license from the Oregon Board of Medical Imaging (OBMI) to practice radiography;

(d) R.P.A.s and R.R.A.s who are licensed by the OBMI; and

(e) Students currently enrolled in an approved school of Radiologic Technology as defined in ORS 688.405.

(4) Supervision requirements for operators of fluoroscopic equipment. The operation of fluoroscopic equipment by properly trained operators must comply with the following supervisory requirements:

(a) Radiologists may operate fluoroscopic equipment with no supervision.

(b) Non-radiologist practitioners who have had proper training in the use and operation of fluoroscopic X-ray equipment may operate fluoroscopic equipment without supervision provided that the registrant arranges to have a radiologist or medical or health physicist assist in:

(A) Developing fluoroscopic and radiation safety policies and procedures;

(B) Conducting an on-site practical evaluation of the Non-Radiologist practitioner's knowledge of radiation safety practices and ability to operate the fluoroscopic equipment; and

(C) At least annually, review the registrant's fluoroscopy program. The review includes an evaluation of the fluoroscopic on-times Quality Assurance reports, condition of fluoroscopic equipment and compliance with current rules. The registrant shall correct any deficiencies noted by the review.

(c) Radiologic Technologists who have a permanent or temporary license from the OBMI to practice radiography may operate fluoroscopic equipment under the personal or direct supervision of a radiologist or a non-radiologist practitioner who has had proper training in the use and operation of fluoroscopic X-ray equipment.

(d) R.R.A.s or R.P.A.s may operate fluoroscopic equipment under the direct supervision of a radiologist.

(e) Students currently enrolled in an approved school of Radiologic Technology as defined in ORS 688.405, may operate fluoroscopic equipment under the personal supervision of a radiologist or an R.T. while in the clinical phase of training.

(5) The operation of fluoroscopic equipment is restricted to the healing arts exclusively for the purpose of localization and to assist physicians in obtaining images for diagnostic purposes.

(6) Overhead fluoroscopy is not to be used as a positioning tool for radiographic examinations except for those fluoroscopic examinations specified in the registrant's written policies/procedures for fluoroscopy.

(7) All images formed by the use of fluoroscopy shall be viewed, directly or indirectly, and interpreted by a radiologist, cardiologist, non-radiologist practitioner or other qualified specialist. R.R.A.s and R.P.A.s may issue a preliminary report; however, the final report must be issued by their supervising radiologist.

(8) Written procedures for fluoroscopic X-ray equipment operators shall be available at the worksite and include:

(a) A list of all individuals who are permitted to operate fluoroscopic X-ray equipment at the facility;

(b) A list of the fluoroscopic X-ray equipment that each operator is qualified to operate;

(c) Written procedures regarding the set up and operation of each fluoroscopic X-ray machine registered to the facility;

(d) Written radiation safety procedures pertaining to the use and operation of fluoroscopy; and

(e) The name and title of the individual who is responsible for overseeing the fluoroscopy program.

(9) Facilities shall determine, or cause to be determined, the typical patient entrance exposure rate for their most common fluoroscopic examinations. The determination shall be made using an attenuation block as described in OAR 333-106-0005(7) using measurement protocol in compliance with OAR 333-106-0210 and expressed in Roentgens per minute (R/min.) or milliRoentgens per minute (mR/min.). In addition, these entrance exposure rates shall be posted in the room where fluoroscopic examinations are conducted so that they are readily available to administrators, X-ray operators, patients and practitioners.

(10) Facilities that utilize fluoroscopy shall maintain a record of the cumulative fluoroscopic exposure time used for each examination. The record must indicate the patient's name, the type of examination, the date of the examination, the fluoroscopist's name, the fluoroscopic room in

which the examination was done and the total cumulative fluoroscopic on-time for each fluoroscopic examination and:

(a) Established cumulative fluoroscopic on-time benchmarks for at least two (if applicable) of the most common types of fluoroscopic examinations performed at the facility's site in each of the following categories:

(A) Routine procedures performed on adults;

(B) Routine procedures performed on children;

(C) Orthopedic procedures performed in surgery;

(D) Urologic procedures performed in surgery;

(E) Angiographic procedures performed; and

(F) Interventional cardiac studies.

(b) Develop and perform periodic (not to exceed 12 month intervals) quality assurance studies to determine the status of each individual fluoroscopist's cumulative on-time in relation to the fluoroscopic benchmarks established for individual fluoroscopic examinations;

(c) Take appropriate action when the established benchmarks are consistently exceeded. The Radiation Safety Committee (RSC) must review the results of the cumulative fluoroscopic on-time Quality Assurance Study and take corrective action regarding those individuals who have exceeded the benchmarks established by the facility for a particular procedure more than 10 percent of the total times the individual performed the procedure during the study period. Documentation of the RSC review, as well as any corrective actions taken, must be available for Authority review. Corrective actions, at a minimum, include:

(A) Notification of the individual; and

(B) Recommendation that the individual undergo additional coaching and training in the safe use of fluoroscopic equipment in order to assist them in reducing their cumulative fluoroscopic on-times.

## 333-106-0210

### Fluoroscopic Entrance Exposure Rates

(1) Fluoroscopic equipment manufactured before May 19, 1995 that is provided with Automatic Exposure Rate Control (AERC) shall not be operable at any combination of tube potential and current that will result in an exposure rate in excess of 10 roentgens (R) (2.58 mC/kg) per minute, at a point where the center of the useful beam enters the patient, except:

(a) During the recording of fluoroscopic images; or

(b) When optional high-level control is provided. When so provided, the equipment shall not be operable at any combination of tube potential and current that will result in an exposure rate in excess of 5 R (1.29 mC/kg) per minute at a point where the center of the useful beam enters the patient, unless the high-level control is activated. Special means of activation of high-level controls shall be required. The high-level control shall be operable only when continuous manual activation is provided by the operator. A continuous signal audible to the fluoroscopist shall indicate that the high-level control is being employed.

(2) Fluoroscopic equipment that is not provided with AERC shall not be operable at any combination of tube potential and current that will result in an exposure rate in excess of 5 R (1.29 mC/kg) per minute at a point where the center of the useful beam enters the patient, except:

(a) During the recording of fluoroscopic images; or

(b) When optional high-level control is activated. Special means of activation of high-level controls shall be required. The high-level control shall be operable only when continuous manual activation is provided by the operator. A continuous signal audible to the fluoroscopist shall indicate that the high-level control is being employed.

(3) Equipment with both an AERC mode and a manual mode. Fluoroscopic equipment that is provided with both an AERC and a manual mode shall not be operable at any combination of tube potential and current that will result in an exposure rate in excess of 10 R (2.58 mC/kg) per minute in either mode at a point where the center of the useful beam enters the patient, except:

(a) During the recording of fluoroscopic images; or

(b) When the mode or modes have an optional high-level control, in which case that mode or modes shall not be operable at any combination of tube potential and current that will result in an exposure rate in excess of 5 R (1.29 mC/kg) per minute at a point where the center of the useful beam enters the patient, unless the high-level control is activated. Special means of activation of high-level controls shall be required. The high-level control shall be operable only when continuous manual activation is provided by the operator. A continuous signal audible to the fluoroscopist shall indicate that the high-level control is being employed.

# ADMINISTRATIVE RULES

(4) Exemptions. Fluoroscopic radiation therapy simulation systems are exempt from the requirements set forth in sections (1), (2), and (3) of this rule.

(5) For fluoroscopic equipment manufactured on and after May 19, 1995, the following requirements will apply:

(a) Fluoroscopic equipment operable at any combination of tube potential and current that will result in an exposure rate in excess of 5 R (1.29 mC/kg) per minute at a point where the center of the useful beam enters the patient shall be equipped with AERC. Provision for manual selection of the technique factors may be provided.

(b) Fluoroscopic equipment shall not be operable at any combination of tube potential and current that will result in an exposure rate in excess of 10 R (2.58 mC/kg) per minute at a point where the center of the useful beam enters the patient except:

(A) During the recording of fluoroscopic images from an X-ray image-intensifier tube using photographic film or a video camera when the X-ray source is operated in a pulsed mode.

(B) When an optional high-level control is activated, the equipment shall not be operable at any combination of tube potential and current that will result in an exposure rate in excess of 20 R per minute at a point where the center of the useful beam enters the patient. Special means of activation of high-level controls shall be required. The high-level control shall be operable only when continuous manual activation is provided by the operator. A continuous signal audible to the fluoroscopist shall indicate that the high-level control is being employed.

(6) Measuring compliance. Compliance with the requirements of this rule shall be determined as follows:

(a) Movable grids and compression devices shall be removed from the useful beam during the measurement;

(b) If the source is below the table, exposure rate shall be measured 1 cm above the tabletop or cradle;

(c) If the source is above the table, the exposure rate shall be measured at 30 cm above the tabletop with the end of the beam-limiting device or spacer positioned as closely as possible to the point of measurement;

(d) For a C-arm type of fluoroscope, the exposure rate shall be measured 30 cm from the input surface of the fluoroscopic imaging assembly, with the source positioned at any available SID, provided that the end of the beam-limiting device or spacer is no closer than 30 cm from the input surface of the fluoroscopic imaging assembly;

(e) For a lateral type fluoroscope, the exposure rate shall be measured at a point 15 cm from the centerline of the X-ray table and in the direction of the X-ray source with the end of the beam-limiting device or spacer positioned as closely as possible to the point of measurement. If the tabletop is moveable, it shall be positioned as closely as possible to the lateral X-ray source, with the end of the beam-limiting device or spacer no closer than 15 cm to the centerline of the X-ray table.

(7) Exemptions. Fluoroscopic radiation therapy simulation systems are exempt from the requirement set forth in section (5) of this rule.

(8) Periodic measurement of entrance exposure rate shall be performed as follows:

(a) Such measurement shall be made annually or after any maintenance of the system which might affect the exposure rate; and

(b) Results of these measurements shall be posted where any fluoroscopist may have ready access to such results while using the fluoroscope and in the record required in OAR 333-106-0105(1)(c). The measurement results shall be stated in roentgens per minute and include the technique factors used in determining such results. The name of the person performing the measurements and the date the measurements were performed shall be included in the results; and

(c) Personnel monitoring devices may be used to perform the measurements required by subsection (8)(a) of this rule, provided the measurements are made as described in subsection (8)(d) of this rule;

(d) Conditions of periodic measurement of entrance exposure rate are as follows:

(A) The measurement shall be made under the conditions that satisfy the requirements of section (6) of this rule; and

(B) The kVp shall be the kVp typical of clinical use of the X-ray system; and

(C) The X-ray system(s) that incorporates automatic exposure control shall have sufficient material placed in the useful beam to produce a milliamperage typical of the use of the X-ray system or the worst case; and

(D) X-ray system(s) that do not incorporate an automatic exposure control shall utilize a milliamperage typical of the clinical use of the X-ray system.

**NOTE:** Materials should be placed in the useful beam when conducting these periodic measurements to protect the imaging system.

## 333-106-0215

### Fluoroscopic Barrier Transmitted Radiation Rate Limits

(1) The exposure rate due to transmission through the primary protective barrier with the attenuation block in the useful beam, combined with radiation from the image intensifier, if provided, shall not exceed two mR (0.516 uC/kg) per hour at 10 cm from any accessible surface of the fluoroscopic imaging assembly beyond the plane of the image receptor for each roentgen per minute of entrance exposure rate.

(2) Measuring Compliance of Barrier Transmission:

(a) The exposure rate due to transmission through the primary protective barrier combined with radiation from the image intensifier shall be determined by measurements averaged over an area of 100 square cm with no linear dimension greater than 20 cm;

(b) If the source is below the tabletop, the measurement shall be made with the input surface of the fluoroscopic imaging assembly positioned 30 cm above the tabletop;

(c) If the source is above the tabletop and the SID is variable, the measurement shall be made with the end of the beam-limiting device or spacer as close to the tabletop as it can be placed, provided that it shall not be closer than 30 cm;

(d) Movable grids and compression devices shall be removed from the useful beam during the measurement; and

(e) The attenuation block shall be positioned in the useful beam 10 centimeters from the point of measurement of entrance exposure rate and between this point and the input surface of the fluoroscopic imaging assembly.

### Fluoroscopic Source-to-Skin Distance

The source-to-skin distance shall not be less than:

(1) 38 cm on stationary fluoroscopes manufactured on or after August 1, 1974;

(2) 35.5 cm on stationary fluoroscopes manufactured prior to August 1, 1974;

(3) 30 cm on all mobile fluoroscopes; and

(4) 20 cm for image intensified fluoroscopes used for specific surgical application. The written safety procedures must provide precautionary measures to be adhered to during the use of this device.

## 333-106-0240

### Fluoroscopic Control of Scattered Radiation

(1) Fluoroscopic table designs when combined with procedures utilized shall be such that no unprotected part of any staff or ancillary individual's body shall be exposed to unattenuated scattered radiation which originates from under the table. The attenuation required shall not be less than 0.25 mm lead equivalent.

(2) Equipment configuration when combined with procedures shall be such that no portion of any staff or ancillary individual's body, except the extremities, shall be exposed to the unattenuated scattered radiation emanating from above the tabletop unless that individual:

(a) Is at least 120 cm from the center of the useful beam; or

# ADMINISTRATIVE RULES

(b) The radiation has passed through not less than 0.25 mm lead equivalent material including, but not limited to, drapes, Bucky-slot cover, sliding or folding panel, or self-supporting curtains, in addition to any lead equivalency provided by the protective apron referred to in OAR 333-106-0025;

(c) Upon application to the Authority, providing adequate justification, exceptions to this section may be made in some special procedures where a sterile field will not permit the use of the normal protective barriers or where the protective barriers would interfere with the procedures.

## 333-106-0245

### Fluoroscopic Radiation Therapy Simulation Systems

Radiation therapy simulation systems shall be exempt from all the requirements of OAR 333-106-0201 through 333-106-0245 provided that:

(1) Such systems are designed and used in such a manner that no individual other than the patient is in the X-ray room during periods of time when the system is producing X-rays; and

(2) Systems which do not meet the requirements of OAR 333-106-0230 are provided with a means of indicating the cumulative time that an individual patient has been exposed to X-rays. Procedures shall require in such cases that the timer be reset between examinations.

## 333-106-0301

### Beam Limitation for Radiographic Systems Other Than Fluoroscopic, Dental Intraoral, Veterinary Systems, or Computed Tomography(CT)

(1) The useful beam shall be limited to the area of clinical interest.

(2) General Purpose Stationary and Mobile X-ray Systems:

(a) There shall be provided a means for stepless adjustment of the size of the X-ray field, where the adjustment of each dimension of the field is independent of the other;

(b) A method shall be provided for visually defining the perimeter of the X-ray field. The total misalignment of the edges of the visually defined field with the respective edges of the X-ray field along either the length or width of the visually defined field shall not exceed two percent of the distance from the source to the center of the visually defined field when the surface upon which it appears is perpendicular to the axis of the X-ray beam;

(c) Evidence of compliance with subsections (2)(a) and (b) of this rule shall be shown on each radiograph taken, either by imaging part of the collimator on the radiograph or by imaging collimator nubs or pointers;

(d) Beam-defining lights used for visually defining perimeters of the X-ray field shall have an illumination great enough to be visualized by the operator under ambient light conditions;

(e) The Authority may grant an exemption on noncertified X-ray systems to subsections (2)(a) and (b) of this rule provided the registrant makes a written application for such exemption and in that application:

(A) Demonstrates it is impractical to comply with subsections (2)(a) and (b) of this rule; and

(B) The purpose of subsections (2)(a) and (b) of this rule will be met by other methods.

(3) In addition to the requirements of section (2) of this rule, all stationary general purpose X-ray systems shall meet the following requirements:

(a) A method shall be provided to indicate when the axis of the X-ray beam is perpendicular to the plane of the image receptor, to align the center of the X-ray field with respect to the center of the image receptor to within two percent of the SID, and to indicate the SID to within two percent;

(b) The beam-limiting device shall indicate numerically the field size in the plane of the image receptor to which it is adjusted; and

(c) Indication of field size dimensions and SID's shall be specified in inches or centimeters, and shall be such that aperture adjustments result in X-ray field dimensions in the plane of the image receptor which correspond to those indicated by the beam-limiting device to within two percent of the SID when the beam axis is indicated to be perpendicular to the plane of the image receptor.

(4) Radiographic equipment designed for only one image receptor size at a fixed SID shall be provided with means to limit the field at the plane of the image receptor to dimensions no greater than those of the

image receptor, and to align the center of the X-ray field with the center of the image receptor to within two percent of the SID, or shall be provided with means to both size and align the X-ray field such that the X-ray field at the plane of the image receptor does not extend beyond any edge of the image receptor.

(5) Special Purpose X-ray Systems:

(a) Means shall be provided to limit the X-ray field in the plane of the image receptor so that such field does not exceed each dimension of the image receptor by more than two percent of the SID when the axis of the X-ray beam is perpendicular to the plane of the image receptor;

(b) Means shall be provided to align the center of the X-ray field with the center of the image receptor to within two percent of the SID, or means shall be provided to both size and align the X-ray field such that the X-ray field at the plane of the image receptor does not extend beyond any edge of the image receptor. Compliance shall be determined with the axis of the X-ray beam perpendicular to the plane of the image receptor;

(c) Subsections (5)(a) and (b) of this rule may be met with a system that meets the requirements for a general purpose X-ray system as specified in section (2) of this rule or, when alignment means are also provided, may be met with either:

(A) An assortment of removable, fixed-aperture, beam-limiting devices sufficient to meet the requirement for each combination of image receptor size and SID for which the unit is designed with each such device having clear and permanent markings to indicate the image receptor size and SID for which it is designed; or

(B) A beam-limiting device having multiple fixed apertures sufficient to meet the requirement for each combination of image receptor size and SID for which the unit is designed. Permanent, clearly legible markings shall indicate the image receptor size and SID for which each aperture is designed and shall indicate which aperture is in position for use.

## 333-106-0325

### Intraoral Dental Radiographic Systems

In addition to the provisions of OAR 333-106-0010 through 333-106-0101, the requirements of this rule apply to X-ray equipment and facilities where intraoral dental radiography is conducted. Requirements for extraoral dental radiographic systems are covered in OAR 333-106-0301 through 333-106-0320. Intraoral dental radiographic systems must meet the following requirements:

(1) Source-to-Skin Distance (SSD). X-ray systems designed for use with an intraoral image receptor shall be provided with means to limit source-to-skin distance, to not less than 18cm.

(2) Beam Limitation. Radiographic systems designed for use with an intraoral image receptor shall be provided with means to limit the X-ray beam such that:

(a) If the minimum source-to-skin distance (SSD) is 18 centimeters or more, the X-ray field, at the minimum SSD, shall be containable in a circle having a diameter of no more than seven centimeters; or

(b) If the minimum SSD is less than 18 centimeters, the X-ray field, at the minimum SSD, shall be containable in a circle having a diameter of no more than six centimeters.

(3) Radiation Exposure Control (Timers). Means shall be provided to control the radiation exposure through the adjustment of exposure time in seconds, milliseconds (ms) or, number of pulses, or current/milliamps (mA), or the product of current and exposure time (mAs) or adjustment of kVp. In addition:

(a) Exposure Initiation. Means shall be provided to initiate the radiation exposure by a deliberate action on the part of the operator, such as the depression of a switch. Radiation exposure shall not be initiated without such an action; and

(b) It shall not be possible to make an exposure when the timer is set to a "0" or "off" position if either position is provided;

(c) Exposure Indication. Means shall be provided for visual indication, observable at or from the operator's protected position, whenever X-rays are produced. In addition, a signal audible to the operator shall indicate that the exposure has terminated.

(d) Timer Reproducibility. With a timer setting of 0.5 second or less, the average exposure time (T) shall be greater than or equal to five times the minimum exposure time (Tmax) minus the minimum exposure time (Tmin) when four timer tests are performed:  $(T) > 5(T_{max} - T_{min})$ .

(A) Means shall be provided to terminate the exposure at a preset, time interval, mAs, number of pulses, or radiation to the image receptor.

# ADMINISTRATIVE RULES

(B) An X-ray exposure control shall be incorporated into each system such that an exposure can be terminated by the operator at any time, except for exposures of 0.5 second or less.

(C) Termination of an exposure shall cause automatic resetting of the timer to its initial setting or to "0".

(4) Radiation Exposure Control Location and Operator Protection. Each X-ray control must be located in such a way as to meet the following requirements:

(a) The exposure switch shall be able to be operated in a protected area, as defined in OAR 333-106-0005(77), and the operator shall remain in that protected area during the entire exposure; and

(b) The operator's protected area shall provide visual indication of the patient during the X-ray procedure.

(c) Mobile and portable X-ray systems which are:

(A) Used for greater than one week in the same location, such as a room or suite, shall meet the requirements of subsections (4)(a) and (4)(b) of this rule.

(B) Used for less than one week at the same location, such as a room or suite, shall be provided with:

(i) Either a protective barrier of at least 6.5 feet (2 meters) high for operator protection; or

(ii) A means to allow the operator to be at least nine feet (2.7 meters) from the tube housing assembly while making exposures; or

(iii) A full length protective apron, of not less than 0.25 millimeter lead equivalent for operator protection, when using a hand-held dental intraoral X-ray machine.

(5) Exposure Reproducibility. The coefficient of variation shall not exceed 0.05 when all technique factors are held constant. This requirement shall be deemed to have been met if, when four exposures are made at identical technique factors, the value of the average exposure (E) is greater than or equal to five times the maximum exposure (Emax) minus the minimum exposure (Emin):  $E > 5 (E_{max} - E_{min})$

(6) Accuracy.

(a) Deviation of technique factors from the indicated values for kVp and exposure time (if time is independently selectable) shall not exceed the limits specified for that system by its manufacturer.

(b) kVp Limitations. Dental X-ray machines with a nominal fixed kVp of less than 55 kVp shall not be used to make diagnostic dental radiographs on humans.

(7) Administrative Controls.

(a) Patient and film holding devices shall be used when the techniques permit;

(b) The tube housing and the PID shall not be hand held during an exposure;

(c) The X-ray system shall be operated in such a manner that the useful beam at the patient's skin does not exceed the requirements of section (2) of this rule or its updated version;

(d) All patients shall be provided with a leaded apron during any dental X-ray exposure;

(e) Dental fluoroscopy without image intensification shall not be used;

(f) Pointed cones shall not be utilized unless specific authorization has been granted by the Authority.

(8) Hand-held X-ray systems.

(a) Registrants must provide for security and safe storage while not in use. A report must be filed with the Authority within 72 hours if the hand-held unit is lost or stolen.

(b) The image receptor used with hand-held dental X-ray systems must either be:

(A) A speed class of intra-oral film designated as "E/F", "F" or faster; or

(B) A digitally acquired image (CR or DR).

(c) The hand-held X-ray system must be equipped with a permanently attached backscatter shield of 0.25 mm Pb equivalent.

(d) The backscatter shield must be designed to appropriately protect the operator during an exposure. The manufacturer of the hand-held unit must provide documentation to the Authority of the design specifications of the backscatter shield's protection to the operator prior to sale and distribution in the State of Oregon.

(e) The hand-held unit must be capable of a minimum of 60 kVp and 2.0 mA.

(f) Hand-held units not meeting the requirements of subsections (8)(c), (8)(d) and (8)(e) of this rule may not be sold, distributed or used in the State of Oregon.

(9) Hand-held dental X-ray administrative controls.

(a) The operator must wear a whole body protective apron and thyroid collar of 0.25 mm of lead equivalent when using the unit.

(b) Hand-held units must meet the requirement of OAR 333-106-0045(3).

(A) The hand-held unit shall not be used for patient examinations in hallways and waiting rooms.

(B) The unit can only be operated in an enclosed room when possible. All individuals except the X-ray operator and the patient must leave the room and stand behind a protective barrier or be at least six feet from the X-ray source if a protective barrier is not available during radiographic exposures.

(c) Operators must complete machine specific applications training as described in OAR 333-106-0055(8) before using a hand-held unit. Training on the safe use of the unit shall be documented and include at a minimum:

(A) Proper positioning of the unit to ensure an adequate protected position;

(B) Limitations on the use of position indicating devices that require longer distances to the patient's face;

(C) Diagrams such as drawings, illustrations, or schematics of protected position and location in relationship to the unit;

(D) Diagrams such as drawings, illustrations, or schematics of the effect of improper distance or removal of shielding device; and

(E) Diagrams such as drawings, illustrations, schematics of common examples of improper positioning of the unit and or location of the operator.

(d) An appropriate receptor holder must be used during the X-ray exposure.

(e) A PID must be used during the X-ray exposure.

(f) A hand-held unit shall be held without any motion during a patient examination. A tube stand may be utilized to immobilize the hand-held unit during a patient examination.

## 333-106-0601

### Veterinary Medicine Radiographic Installations Additional Requirements

(1) Equipment:

(a) The protective tube housing shall be of the diagnostic type;

(b) Collimating devices shall be provided and used for collimating the useful beam to the area of clinical interest;

(c) All X-ray equipment sold after October 1991 must be equipped with a variable adjustable collimator and beam-defining light that meets all of the requirements of OAR 333-106-0301(1), (2) and (3);

(d) The total filtration permanently in the useful beam shall not be less than 0.5 mm Al equivalent for machines operating up to 50 kVp, 1.5 mm Al equivalent for machines operating between 50 and 70 kVp, and 2.5 mm Al equivalent for machines operating above 70 kVp;

(e) A device shall be provided to terminate the exposure after a preset time or exposure;

(f) A dead-man type of exposure switch shall be provided, together with an electrical cord of sufficient length, so that the operator can stand out of the useful beam and at least 12 feet (3.66 m) from the animal during all X-ray exposures.

(2) Structural Shielding: All wall, ceiling and floor areas shall be equivalent to or provided with applicable protective barriers to assure compliance with division 120.

(3) Operating Procedures:

(a) All individuals shall stand well away from the useful beam and the animal during radiographic exposures;

(b) No individual shall be in the X-ray room while exposures are being made unless such individual's assistance is required;

(c) When an animal must be held in position during radiography, mechanical supporting or restraining devices shall be available and used as appropriate.

(d) If the animal must be held by an individual, that individual shall be protected with appropriate shielding devices, such as protective gloves and apron, and that individual shall be so positioned that no part of the body will be struck by the useful beam. The exposure of any individual used for this purpose shall be monitored with appropriate personnel monitoring devices.

## 333-106-0700

### Mammography X-Ray Systems Definitions

In addition to the definitions provided in division 100 and 106 of this chapter, the following definitions shall be applicable to the rules in this division.

(1) "Air Kerma" means the sum of the initial energies of all the charged particles liberated by uncharged ionizing particles in a given mass of air. The unit used to measure the quantity of kerma is the gray (Gy). For X-rays with energies below 300 kiloelectronvolts (keV), 1Gy=100 rad and is equivalent to 114 (R) of exposure.

(2) "FDA" means the Food and Drug Administration.

(3) An "image receptor support surface" means that portion of the image receptor support which is the X-ray input surface and is used to support the patient's breast during mammography.

(4) "Interpreting physician" means a licensed physician who interprets mammographic images and meets the qualifications of OAR 333-106-0750(2).

(5) "Lead Interpreting Physician" means a physician who interprets mammographic images, meets the qualifications of OAR 333-106-0750(2), and who has the general responsibility for ensuring that the registrant's quality assurance program meets all applicable rules and regulations.

(6) "Mammographic screening" means the use of radiation to test women for the detection of diseases of the breast when such tests are not specifically and individually ordered by a licensed practitioner of the healing arts legally authorized to prescribe such tests for the purposes of diagnosis. Screening is considered as self-referral by asymptomatic women without physicians orders (see OAR 333-100-0020(5)(6) and 333-106-0035(3)).

(7) "Mammography" means radiography of the breast.

(8) "Mammography equipment evaluation" means an onsite assessment of a mammography unit(s) or image processor performance by a medical physicist for the purpose of making a preliminary determination as to whether the equipment meets all of the applicable state and federal standards.

(9) "Mammography unit(s)" means an assemblage of components for the production of X-rays for use during mammography, including, at a minimum; An X-ray generator, an X-ray control, a tube housing assembly, a beam limiting device, and the supporting structures for these components.

(10) "Medical Physicist" means a person trained in evaluating the performance of mammography equipment and quality assurance programs and meets the qualifications of OAR 333-106-0750(3).

(11) "MQSA" means the Mammography Quality Standards Act of 1992.

(12) "Phantom" means a test object used to simulate radiographic characteristics of compressed breast tissue and containing components that radiographically model aspects of breast disease and cancer. (The "FDA accepted phantom" meets this requirement.)

(13) "Quality Assurance" is a comprehensive concept that comprises all of the management practices instituted by the registrant or the registrant's representative/s to ensure that:

(a) Every imaging procedure is necessary and appropriate to the clinical problem at hand;

(b) The images generated contain information critical to the solution of that problem;

(c) The recorded information is correctly interpreted and made available in a timely fashion to the patient's physician;

(d) The examination results in the lowest possible radiation exposure, cost, and inconvenience to the patient, consistent with subsection (13)(b) of this rule.

(14) "Quality Assurance Program" includes such facets as efficacy studies, continuing education, quality control, preventive maintenance, and calibration of equipment.

(15) "Quality Control" means a series of distinct technical procedures that ensure the production of a satisfactory product, such as a high quality screening or diagnostic image.

(16) "Quality Control Technologist" means an individual who is qualified under MQSA, and who is responsible for those quality assurance responsibilities not assigned to the Lead Interpreting Physician or to the Medical Physicist.

(17) "Resting period" means the period of time necessary to bleed out air that has been trapped between the radiographic film and intensifying

screen during the loading process in the darkroom. This period of time is usually measured in minutes and determined by the individual manufacturer of the intensifying screen/mammography cassette combination.

(18) "Standard Breast" means a 4.2 cm thick compressed breast, consisting of 50 percent adipose, and 50 percent glandular tissue.

(19) "Survey" means an onsite physics consultation and evaluation of a registrant's mammography equipment, and quality assurance program performed by a medical physicist.

## 333-106-0735

### Breast Density Notification

(1) As used in this rule:

(a) "Breast Density" refers to the relative amount of different tissues present in the breast. A dense breast has less fat than glandular and connective tissue. Mammogram films of breasts with higher density are harder to read and interpret than those of less dense breasts. (Source: National Cancer Institute).

(b) "Facility" has the meaning given that term in 42 U.S.C. 263b and includes but is not limited to a hospital, outpatient department, clinic, radiology practice, or mobile unit, an office of a physician, or other facility that conducts breast cancer screening or diagnosis through mammography activities. "Facility" does not include a facility of the Department of Veterans Affairs.

(c) "Mammography activities" means the operation of equipment to produce a mammogram, the processing of the film, the initial interpretation of the mammogram and the viewing conditions for that interpretation.

(2) In all cases where a mammogram shows a patient has extreme or heterogeneous breast density, the facility shall incorporate the following notification within the lay summary mammography report provided to the patient:

#### DENSE BREAST TISSUE NOTIFICATION

Your mammogram shows that your breast tissue is dense. Dense breast tissue is common and is not abnormal. However, dense breast tissue can make it harder to evaluate the results of your mammogram and may also be associated with an increased risk of breast cancer. This information about the results of your mammogram is given to you to raise your awareness and to promote discussion with your health care provider. Together, you can decide if you may benefit from further screening. A report of your results was sent to your health care provider.

(3) The Dense Breast Tissue Notification statement and guidelines shall be included in the facility's policy on how they communicate mammography results to the patient and their health care providers.

## 333-106-0750

### Mammography Personnel Qualifications

(1) Operator qualifications. In order to use any mammography X-ray machine the operator of the mammography X-ray unit must have the following qualifications:

(a) Have a current license issued by the Oregon Board of Medical Imaging; and

(b) Have prior to the effective date of these rules qualified as a radiologic technologist under the MQSA interim rules or completed 40 contact hours of documented training specific to mammography under the supervision of a qualified instructor. The hours of documented training shall include, but not be limited to:

(A) Training in breast anatomy and physiology, positioning and compression, quality assurance/quality control techniques, imaging patients with breast implants;

(B) The performance of 25 examinations under the personal supervision of an individual qualified under this section; and

(C) At least eight hours of training in each mammography modality to be used by the technologist in performing mammography exams; and

(D) Be currently registered and in good standing with the American Registry of Radiologic Technologist (ARRT); and

(E) Be certified in mammography by the ARRT or the equivalent; or

(F) Provide documented evidence that an ARRT mammography certification test is scheduled. Technologists meeting the requirements of subsection (1)(a) and paragraphs (1)(b)(A), (B), (C), and (D) of this rule may work under the supervision (supervision means that a fully qualified technologist is on-site and readily available to answer questions or assist) of a technologist, meeting all of the requirements of this rule, for up to one year while waiting to take the certification test.

# ADMINISTRATIVE RULES

(2) Interpreting Physician qualifications. All physicians interpreting mammograms shall meet MQSA qualifications and hold a current license to practice medicine in the State of Oregon.

(3) Medical Physicist qualifications. All Medical Physicists conducting surveys and equipment evaluations of mammography facilities and providing oversight of their quality assurance programs shall;

- (a) Meet MQSA requirements; and
- (b) Be currently licensed as a vendor by the Authority.

## 333-116-0130

### Records and Reports of Misadministrations

(1) For a misadministration that meets the definition in OAR 333-116-0020 a licensee must:

(a) Notify the Authority by telephone no later than the next calendar day after discovery of the misadministration and provide information as outlined in paragraphs (b)(A) through (b)(H) of this section.

**NOTE:** The 24-hour phone number of the Authority is (971) 673-0490.

(b) Submit a written report to the Authority within 15 days after the discovery of the misadministration. The written report must include:

- (A) The licensee's name;
- (B) The prescribing physician's name;
- (C) A brief description of the event to include:
  - (i) Prescribed dose; and
  - (ii) Delivered dose.
- (D) Why the event occurred;
- (E) The effect on the patient;
- (F) What improvements are needed to prevent recurrence;
- (G) Actions taken to prevent recurrence; and

(H) Certification that the licensee notified the patient, or the patient's responsible relative or guardian (this person will be subsequently referred to as "the patient" in this section), and if not, why not, and if the patient was notified, what information was provided to the patient. The report must not include the patient's name or other information that could lead to identification of the patient.

(c) The licensee must notify the referring physician of the affected patient and the patient or a responsible relative or guardian, unless the referring physician agrees to inform the patient or believes, based on medical judgment, that telling the patient or the patient's responsible relative or guardian would be harmful to one or the other, respectively. These notifications must be made within 24 hours after the licensee discovers the misadministration. If the referring physician, patient or the patient's responsible relative or guardian cannot be reached within 24 hours, the licensee must notify them as soon as practicable. The licensee is not required to notify the patient or the patient's responsible relative or guardian without first consulting the referring physician; however, the licensee must not delay medical care for the patient because of this.

(d) If the patient was notified, the licensee also must furnish, within 15 days after discovery of the misadministration, a written report to the patient by sending either:

- (A) A copy of the report that was submitted to the Authority; or
- (B) A brief description of both the event and the consequences as they may affect the patient, provided a statement is included that the report submitted to the Authority can be obtained from the licensee.

(2) Each licensee must retain a record of each misadministration in accordance with OAR 333-100-0057. The record must contain the names of all individuals involved in the event (including the physician, allied health personnel, the patient, and the patient's referring physician), the patient's social security number or identification number if one has been assigned, a brief description of the misadministration, why it occurred, the effect on the patient, what improvements are needed to prevent recurrence, and the actions taken to prevent recurrence.

(3) Aside from the notification requirement, nothing in this rule must affect any rights or duties of licensees and physicians in relation to each other, patients or responsible relatives or guardians.

## 333-116-0190

### Authorization for Calibration and Reference Source

Any person authorized by OAR 333-116-0030 for medical use of radioactive material may receive, possess and use the following radioactive material for check, calibration and reference use:

(1) Sealed sources manufactured and distributed by persons specifically licensed pursuant to OAR 333-102-0290 or equivalent provisions of the U.S. Nuclear Regulatory Commission (NRC) Agreement State or Licensing State and that do not exceed 1.11GBq (30 mCi) each;

(2) Any radioactive material listed in OAR 333-116-0300, 333-116-0320 or 333-116-0360 with a half-life of 100 days or less in individual amounts not to exceed 1.11GBq (30 mCi), except Y-90 sources not to exceed 2.8 GBq (75 mCi);

(3) Any radioactive material listed in OAR 333-116-0300, 333-116-0320 or 333-116-0360 with a half-life greater than 100 days in individual amounts not to exceed 7.4 MBq (200 uCi) each; and

(4) Technetium-99m in amounts as needed.

## 333-119-0010

### Definitions

(1) "Authority" means the Oregon Health Authority.

(2) "Customer" means any member of the public who is provided access to a tanning device in exchange for a fee or other compensation, or any individual who, in exchange for a fee or other compensation, is afforded use of a tanning device as a condition or benefit of membership or access.

(3) "Employee" means any individual, including a minor whether lawfully or unlawfully employed, who engages to furnish services for remuneration, financial or otherwise, subject to the direction and control of an employer and includes any individual who is required to have workers' compensation coverage.

(4) "EPA" means the U.S. Environmental Protection Agency.

(5) "FDA" means the U.S. Food and Drug Administration.

(6) "Fitzpatrick Skin Type Scale" means a numerical classification diagram used as a way to classify the response of different types of skin to ultraviolet (UV) light.

(7) "Formal Training" means a course of instruction reviewed and approved by the Authority and which is conducted or presented under formal classroom conditions or online by a qualified expert possessing adequate knowledge and experience to offer a curriculum, associated training, and certification testing pertaining to and associated with the correct use of tanning equipment. Operator training shall cover ultraviolet radiation and effects on the skin, photosensitivity, FDA and State of Oregon regulations, eye protection, and equipment maintenance.

(8) "Handrails" means a suitable physical aid that will help to maintain proper exposure distance.

(9) "Identification" means:

(a) A government-issued photo identification that displays the individual's date of birth; or

(b) A government or non-government issued photo identification when submitted with a completed Oregon Underage Tanning Medical Recommendation form.

(10) "Individual" means any human being.

(11) "Minor" means any individual under the age of 18 years old.

(12) "Operator" means the person who is an employee (defined by the Oregon Occupational Safety and Health Division, OAR 437-003-0011(2)) or contractor of the tanning facility who has received a certificate from an approved formal training course and who is responsible for any of the following:

(a) Determining customer's skin type;

(b) Determining the suitability for use of a tanning device;

(c) Providing information regarding the dangers of ultraviolet radiation exposure including photoallergic reactions and photosensitizing agents;

(d) Assuring that all required forms are understood and properly signed by the customer;

(e) Maintaining required exposure records;

(f) Recognizing and reporting injuries or alleged injuries to the registrant;

(g) Determining the customer's exposure schedule;

# ADMINISTRATIVE RULES

- (h) Setting timers which control the duration of exposure;
- (i) Instructing the customer in the proper use of protective eyewear;
- (j) Verifying and documenting age of clients; and
- (k) Sanitizing tanning devices.

(13) "Other Compensation" means the payment or exchange of goods, services or anything of value for use of the tanning device or devices.

(14) "Person" means any individual, corporation, partnership, firm, association, trust, estate, public or private institution, group, agency, political subdivision of this state, any other state or political subdivision or agency thereof, and any legal successor, representative, agent or agency of these entities.

(15) "Phototherapy Device" means equipment that emits ultraviolet radiation used by a health care professional in the treatment of disease or illness.

(16) "Program" means the Radiation Protection Services section of the Public Health Division.

(17) "Protective Eyewear" means suitable eyewear that protects the eye from ultraviolet radiation and allows adequate vision.

(18) "Public Places" means the area where members of the public may assemble and are not directly affected by tanning operations.

(19) "Recommendation" means a written directive using a form provided by the Authority and signed by a licensed physician.

(20) "Registrant" means a tanning facility registered with the Authority as required by provisions of this division.

(21) "Registration" means registration with the Authority in accordance with provisions of this division.

(22) "Remote" means a timer that is placed away from the tanning device so it can only be programmed by the tanning operator.

(23) "Safe Level" means not more than 50 colonies of microorganisms per four square inches of equipment surface.

(24) "Sanitize" means the effective bactericidal treatment of surfaces of equipment and devices by an EPA or FDA registered product that provides a sufficient concentration of chemicals, and enough time to reduce the bacterial count, including pathogens, to a safe level.

(25) Skin Types:

(a) "Type 1" means skin burns easily and severely (painful burn); tans little or none and peels.

(b) "Type 2" means skin burns easily and severely (painful burn); tans minimally or lightly and also peels.

(c) "Type 3" means skin burns moderately and tans about average.

(d) "Type 4" means skin burns minimally, tans easily and above average with each exposure; exhibits immediate pigment darkening reaction.

(e) "Type 5" means skin rarely burns, tans easily and substantial; always exhibits immediate pigment darkening reaction

(26) "Storage" means when a tanning device is not actively being used, as evidenced by the removal of all tanning lamps and lack of connection to a power supply.

(27) "Tanning Device" means any equipment used for tanning of the skin, that emits electromagnetic radiation with wavelengths in the air between 200 and 400 nanometers including, but not limited to, a sunlamp, Ultraviolet Lamp, tanning booth, facial unit, UVA wand, or tanning bed. "Tanning device" also means any accompanying equipment, including, but not limited to, protective eyewear, timers, ballasts, starters, lamps, reflectors, cooling fans, acrylics, comfort pillows and handrails.

(28) "Tanning Facility" means any location, place, area, structure, or business that provides persons access to any tanning device.

(29) "Timer" means an electronic device designed specifically to terminate tanning sessions at a preset time interval.

(30) "Ultraviolet Radiation" means radiation that has a wavelength between two hundred nanometers and four hundred nanometers.

## 333-119-0020

### Registration

(1) Prior to the operation of any tanning device used by the public for a fee or other compensation, the owner or operator shall file an application with the Authority and pay applicable fee(s) in the amount and in the manner specified in OAR 333-103-0025 to register each tanning device.

(2) If the owner or operator owns or operates more than one such tanning facility, the owner or operator shall file a separate application for each such facility owned or operated.

(3) Registration application shall be made on forms furnished by the Authority.

(4) A validation certificate or acknowledgement of validation will be issued by the Authority.

(5) The certificate issued by the Authority shall be effective for one year beginning January 1 through December 31.

(6) The certificate shall be displayed in a conspicuous open public area of the tanning facility.

(7) The Authority will provide an identification number that will be affixed by an Authority inspector to each tanning device during the initial or follow-up facility inspection:

(a) Identification numbers shall not be removed without written permission of the Authority; and

(b) Identification numbers shall not be defaced.

(8) The registrant shall notify the Authority in writing before making any change that would render the information contained in the application for registration or the validation of registration no longer accurate.

(9) No registration may be transferred from one person to another person, from one tanning facility to another tanning facility, or from one tanning device to another tanning device.

(10) Failure to properly register a tanning device is subject to the imposition of a civil penalty per ORS 431.950 and ORS 431.262.

(11) The Authority may require tanning facility registrants to complete and update application forms and information concerning tanning devices.

## 333-119-0030

### Administrative Responsibilities

(1) The registrant shall be responsible for directing the operation of the tanning facility that has been registered with the Authority. That individual or individual's agent shall assure that the provisions of these rules are met in the operation of tanning devices.

(2) A tanning device which does not meet the provisions of these rules shall not be operated and may be tagged "Out of Service for Non-compliance with OAR 333-119 Requirements" by Authority inspectors. Devices tagged as non-compliant shall not be operated until written authorization is received by the registrant from the Authority.

(3) The registrant shall assure that the tanning facility will comply with all applicable federal laws and regulations.

(4) In addition to the requirements of this division, all registrants are subject to the applicable requirements of divisions 100, 103 and 111 of this chapter.

(5) The Authority Inspection Findings report shall be conspicuously posted in public view until all items of non-compliance have been corrected and a written Authority release from this requirement is received by the registrant.

(6) The registrant shall post in a conspicuous place the Authority "Notice To The Public".

(7) The registrant shall ensure that the "Warning", "Notice to the Public" and "Persons Under Age 18" signs are not covered or obscured, and are easily seen by clients at either the main reception area of the establishment or in each tanning device room.

(8) The registrant shall notify the Authority of any injury for which medical attention was sought or obtained from the use of a registered tanning device within one working day after learning of the occurrence, and provide the Authority any information about the incident the Authority deems necessary.

## 333-119-0040

### Construction and Operation of Tanning Facilities

Unless otherwise ordered or approved by the Authority, each tanning facility shall be constructed, operated and maintained to meet the following minimum requirements:

(1) All tanning facilities shall be equipped with convenient toilet facilities and dressing rooms. Such toilet facilities shall include a toilet and hand washing sinks. Such toilet and dressing rooms shall be properly maintained, as well as meet all state and local codes.

# ADMINISTRATIVE RULES

(2) Rooms or other enclosures containing tanning devices shall be maintained below 100 degrees Fahrenheit (38 degrees Centigrade) during operation.

(3) Tanning facilities shall be constructed, operated and maintained in accordance with applicable city, county and state codes.

(4) Clean sanitary towels shall be provided to all patrons using tanning facilities.

(5) A hamper or receptacle must be provided for all soiled towels and linen.

(6) No pets or animals are permitted in tanning facilities other than service animals.

## 333-119-0041

### Cleaning and Sanitation

(1) All areas of the tanning facility, including tanning devices, equipment and apparatus, shall be maintained in a clean and sanitary manner by the facility operator.

(2) The tanning device(s) and protective eyewear shall be sanitized after each client use, by the facility operator.

(3) A clean paper or cloth towel shall be used each time the tanning device is sanitized.

(4) An operator cannot require the consumer to sanitize the tanning equipment or protective eyewear and shall not post any signs requesting such sanitation be performed by the consumer.

(5) The sanitizer must contain a concentration of Quaternary Ammonium between 400ppm-800ppm.

(6) A test kit that accurately measures the concentration of the sanitizing solution in parts per million (ppm) shall be used to measure the strength of the sanitizing solution when the concentrate and water dilution is initially prepared and tested weekly thereafter to ensure sufficient strength remains within the sanitizing solution.

Stat. Auth.: ORS 431.925 - 431.955

## 333-119-0050

### Warning Statement

(1) At each customer's initial visit to a tanning facility, and at least annually thereafter, the customer shall be provided a written statement to review and sign, which warns the customer that:

(a) Not wearing appropriate protective eyewear may cause damage to the eyes; and

(b) Overexposure to the tanning process may cause burns; and

(c) Repeated exposure to the tanning process may cause skin cancer or premature aging of the skin or both; and

(d) Abnormal skin sensitivity or burning may result from the tanning process if the customer is also consuming or using certain foods, cosmetics or medications (such as tranquilizers, antibiotics, diuretics, blood pressure medication or birth control pills); and

(e) Any person taking a prescription or over-the-counter drug should consult a physician before using a tanning device; and

(f) The frequency and duration of tanning sessions must not exceed tanning device manufacturer recommendations; and

(g) Frequent users should be regularly screened for skin cancer by a physician.

(2) An Authority approved tanning client card may be used to satisfy the requirement of section (1) of this rule.

(3) The warning language in the written statement must be in 14 point or larger font.

Stat. Auth.: ORS 431.925 - 431.955

Stats. Implemented: ORS 431.925 - 431.955

Hist.: HD 15-1991, f. & cert. ef. 10-1-91; HD 15-1994, f. & cert. ef. 5-6-94; PH 14-2008, f. & cert. ef. 9-15-08; PH 32-2014, f. 12-22-14, cert. ef. 1-1-15

## 333-119-0060

### Warning Sign

(1) The registrant shall conspicuously post the warning sign described in section (2) of this rule within one meter (39.37 inches) of each tanning device and in such a manner that the sign is clearly visible, not obstructed by any barrier, equipment or other object, and can be easily viewed by the customer before operating the tanning device.

(2) The warning sign in section (1) of this rule shall meet the following requirements:

(a) The sign shall be printed on paper or similar material no smaller than 8.5 inches by 11 inches. Signs are available for printing on the Authority's website.

(b) The major sign heading shall be labeled "DANGER" and the section entitled "FAILURE" shall be a minimum of Times New Roman, bold with a minimum font size of 40.

(c) The body text shall be a minimum of Times New Roman with a minimum font size of 20.

DANGER — ULTRAVIOLET RADIATION

Avoid overexposure. As with natural sunlight, overexposure can cause eye and skin injury and allergic reactions. Repeated exposure may cause premature aging of the skin and/or skin cancer.

Frequent users should be regularly screened for skin cancer.

FAILURE TO USE PROTECTIVE EYEWEAR MAY RESULT IN SEVERE BURNS OR LONG-TERM INJURY TO THE EYES.

Medications or cosmetics may increase your sensitivity to the Ultraviolet radiation. Consult a physician before using sunlamp or tanning device if you are using medications or have a history of skin problems or believe yourself to be especially sensitive to sunlight.

If you do not tan in the sun, you are unlikely to tan from the use of this product.

Tanning session frequency and time shall not exceed the device manufacturer's recommendations.

Stat. Auth.: ORS 431.925 - 431.955

Stats. Implemented: ORS 431.925 - 431.955

## 333-119-0070

### Protective Eyewear

(1) The registrant shall make available protective eyewear for use during tanning sessions.

(2) The protective eyewear in section (1) of this rule shall meet the requirements of 21 Code of Federal Regulations (CFR) Part 1040, Section 1040.20(c)(4).

(3) Tanning facility operators shall ensure, before each tanning session, that clients have approved protective eyewear.

Stat. Auth.: ORS 431.925 - 431.955

Stats. Implemented: ORS 431.925 - 431.955

## 333-119-0080

### Training of Personnel

(1) The registrant shall ensure that tanning devices are operated only while an adequately trained operator is present at the tanning facility.

(2) All operators of registered tanning devices must successfully complete an Authority approved tanning training course prior to commencement of tanning operations.

(3) Approved training will include, at a minimum, content covering the rules of this division, skin typing, recognition of overexposure, as well as any other topic determined by the Authority to be critical to client protection.

Stat. Auth.: ORS 431.925 - 431.955

Stats. Implemented: ORS 431.930

Hist.: HD 15-1991, f. & cert. ef. 10-1-91; HD 15-1994, f. & cert. ef. 5-6-94; PH 3-2003, f. & cert. ef. 3-27-03; PH 31-2004(Temp), f. & cert. ef. 10-8-04 thru 4-5-05; PH 36-2004, f. & cert. ef. 12-1-04; PH 14-2008, f. & cert. ef. 9-15-08; PH 4-2010, f. & cert. ef. 2-16-10; PH 20-2010, f. & cert. ef. 9-1-10; PH 4-2013, f. & cert. ef. 1-29-13; PH 32-2014, f. 12-22-14, cert. ef. 1-1-15

## 333-119-0090

### Protection of Consumers

The registrant and operators are responsible for protecting the customers from overexposure to Ultraviolet Light by ensuring that:

(1) Only one customer may occupy the tanning room. In the case of a customer using a tanning device who may need the aid or assistance from another person, that individual must also be provided with and wear protective eyewear.

(2) No customer under the age of 18 years shall be allowed to use a tanning device without a completed Oregon Underage Tanning Medical Recommendation form completed by a licensed physician and identification. The recommendation:

(a) Must identify the physician and client and describe the recommended tanning session frequency(s) and duration(s);

(b) Must identify dates for starting and ending of the tanning sessions; and

(c) Cannot exceed the exposure scheduled per OAR 333-119-0100(14)(b).

(3) A sign shall be posted in conspicuous view at or near the reception area with the following text in a minimum of at least 36 point type:

"PERSONS UNDER AGE 18 ARE NOT ALLOWED TO USE A TANNING DEVICE WITHOUT A WRITTEN RECOMMENDATION FROM A LICENSED PHYSICIAN"

# ADMINISTRATIVE RULES

(4) Each person using a tanning device shall be instructed by the operator on the maximum exposure time and proper exposure distance, as recommended by the manufacturer of the device. The operator shall also instruct the customer as to the location and proper operation of the tanning device's emergency shut off switch.

(5) Infants and minors are not permitted to be in the tanning device room during exposure by parents or guardians.

(6) Tanning operators shall limit exposure time to the device manufacturer's recommendations. The maximum exposure time recommended by the manufacturer of the device shall not be exceeded in any 24-hour period.

(7) A copy of the manufacturer's recommended exposure schedule shall be maintained at the remote timer controls for each device.

(8) At the time of their initial visit, all clients shall have their skin type determined according to the Fitzpatrick Skin Type Scale, and their skin type recorded in the client record.

(9) Tanning operators shall maintain a list of the common photosensitizing agents as provided by the Public Health Division, FDA, or other appropriate authorities, available for review by customers.

(10) Tanning facilities are prohibited from controlling the use of tanning devices solely with token timer systems or a mechanical timer system.

Stat. Auth.: ORS 431.925 - 431.955

Stats. Implemented: ORS 431.930

Hist.: HD 15-1991, f. & cert. ef. 10-1-91; HD 15-1994, f. & cert. ef. 5-6-94; PH 3-2003, f. & cert. ef. 3-27-03; PH 31-2004(Temp), f. & cert. ef. 10-8-04 thru 4-5-05; PH 36-2004, f. & cert. ef. 12-1-04; PH 14-2008, f. & cert. ef. 9-15-08; PH 4-2010, f. & cert. ef. 2-16-10; PH 10-2011, f. 9-30-11, cert. ef. 10-1-11; PH 14-2013, f. 12-26-13, cert. ef. 1-1-14; PH 32-2014, f. 12-22-14, cert. ef. 1-1-15

## 333-119-0100

### Equipment

(1) The registrant shall use only tanning devices manufactured in accordance with the specifications set forth in 21 CFR Part 1040, Section 1040.20, "Sunlamp Products and Ultraviolet Lamps Intended for Use in Sunlamp Products."

(2) Each tanning device shall be labeled in accordance with 21 CFR Part 1040.

(3) Adequate means shall be provided to enable a customer to summon assistance from the exposure position.

(4) All persons hired for servicing and repair of tanning devices shall be State of Oregon licensed electricians.

(5) State of Oregon electrical codes must be observed during service and repair actions.

(6) Replacement lamps shall be certified by the manufacturer as equivalent to the original lamp type as specified by the manufacturer, or certified as an equivalent lamp per 21 CFR 1040.20.

(7) If equivalent lamps are used instead of the Original Equipment Manufacturer (OEM) required lamps, a copy of the equivalency certification, provided by the lamp supplier, shall be maintained for review by the Authority during inspections.

(8) Lamps removed from a tanning device shall be disposed of in a safe and proper manner to prevent unauthorized and unsafe use as lighting devices. Used tanning lamps are prohibited from being resold for any purpose.

(9) If the ultraviolet tanning device is not in an individual cubicle, then a suitable screen, curtain, or other shield shall be provided, maintained, and used to prevent unnecessary exposure to ultraviolet radiation of persons not using the device.

(10) Each tanning device shall have a timer that complies with the requirements of 21 CFR Part 1040, Section 1040.20 (c)(2).

(11) The maximum timer interval shall not exceed the manufacturer's maximum recommended exposure time, or 20 minutes, whichever is less.

(12) A tanning facility shall use the following exposure schedule for tanning devices originally designed with a 30 minute maximum exposure time that have been reduced to a 20 minute maximum exposure time. A copy of this exposure schedule must be affixed to the tanning device, and a copy maintained at the timer controls.

(a) Skin type 1:

(A) Week 1: 1-3 minutes;

(B) Week 2: 4-6 minutes;

(C) Week 3: 7-10 minutes;

(D) Week 4: 11-15 minutes.

(b) Skin type 2 and 3:

(A) Week 1: 4 minutes;

(B) Week 2: 8 minutes;

(C) Week 3: 12 minutes;

(D) Week 4: 16 minutes;

(E) Weekly maintenance: 20 minutes.

(c) Skin Type 4 and 5:

(A) Week 1: 4 minutes;

(B) Week 2: 12 minutes;

(C) Week 3: 16 minutes;

(D) Week 4: 20 minutes;

(E) Weekly maintenance: 20 minutes.

(13) Tanning device timers shall be controlled by a trained operator. A remote timer control system shall be used for this purpose.

(14) Each tanning device shall be equipped with a functional emergency shut-off mechanism to allow manual termination of the UV exposure by the customer, as required by 21 CFR 1040.20(c)(3).

(15) Each timer must be functional and accurate to within  $\pm$  10 percent.

(16) The registrant shall ensure that the timer is checked annually for accuracy and the results recorded.

(17) The registrant shall ensure that the emergency shut-off is tested annually for proper function and results recorded.

(18) All tanning devices shall be maintained to the minimum requirements of the manufacturer.

Stats. Implemented: ORS 431.655, 431.930 & 431.945

Hist.: HD 15-1991, f. & cert. ef. 10-1-91; HD 15-1994, f. & cert. ef. 5-6-94; PH 3-2003, f. & cert. ef. 3-27-03; PH 31-2004(Temp), f. & cert. ef. 10-8-04 thru 4-5-05; PH 36-2004, f. & cert. ef. 12-1-04; PH 14-2008, f. & cert. ef. 9-15-08; PH 4-2010, f. & cert. ef. 2-16-10; PH 10-2011, f. 9-30-11, cert. ef. 10-1-11; PH 32-2014, f. 12-22-14, cert. ef. 1-1-15

## 333-119-0110

### Records and Reports

(1) The registrant shall maintain a record of each customer's total number of tanning visits, dates and durations of tanning exposures.

(2) The registrants shall maintain a record of each customer's signature and acknowledgement that they understand the potential risks involved with exposure to ultraviolet radiation and overexposure, and that they have reviewed a photosensitizing drug list.

(3) The registrant shall maintain and have available when requested by the Authority, all completed Oregon Underage Tanning Medical Recommendation forms with copies of the identification used for each minor allowed to use a tanning device.

(4) Upon their initial visit, all tanning clients must present acceptable identification as proof of age. The type of identification, identification number, client's name, and date of birth shall be recorded by the registrant in the client's record. When requested by the Authority, records shall be available for review.

(5) The registrant shall maintain a record of operator training as required in OAR 333-119-0080(3).

(6) The registrant shall maintain a copy of the owner's manual for each tanning device.

(7) Records shall be maintained showing the method of disposal of all tanning devices and lamps.

(8) All required records shall be maintained in a location and format as to be readily available for review during inspections conducted by the Authority.

## 333-119-0120

### Advertising

(1) Registrants shall not claim or distribute promotional materials that claim using a tanning device is safe, free from risk or that using the device will result in medical or health benefits. Only cosmetic claims can be promoted.

(2) No person, in any advertisement, shall refer to the fact that such person, or such person's facility is registered with the Authority pursuant to the provisions of this division, and no person shall state or imply that any activity under such registration has been approved by the Authority.

## 333-119-0130

### Exemptions

(1) The Authority may, upon application therefore or upon its own initiative, grant such exemptions or exceptions from the requirements of the

# ADMINISTRATIVE RULES

rules in this section as it determines are authorized by law and will not result in undue hazard to public health and safety.

(2) A phototherapy device used by or under the direct supervision of a physician licensed under ORS chapter 677 is exempt from the requirements of this division.

(3) Any individual is exempt from the provisions of this division to the extent that such individual owns a tanning device exclusively for personal use.

(4) Tanning devices, while in transit or storage, are exempt from the registration provisions of this division.

## 333-120-0200

### General

(1) Each licensee or registrant must make or cause to be made, surveys that:

(a) Are necessary for the licensee or registrant to comply with the rules in this division; and

(b) Are reasonable under the circumstances to evaluate:

(A) The magnitude and extent of radiation levels; and

(B) The concentrations or quantities of radioactive material; and

(C) The potential radiological hazards that could be present.

(2) Notwithstanding OAR 333-120-0620, records from surveys describing the location and amount of subsurface residual radioactivity identified at the site must be kept with records important for decommissioning. Records must be retained in accordance with 10 CFR parts 30.35(g), 40.36(f), and 70.25

(3) The licensee or registrant must ensure that instruments and equipment used for quantitative radiation measurements (such as dose rate and effluent monitoring) are calibrated at intervals not to exceed 12 months for the radiation measured, except when a more frequent interval is specified in another applicable division or a license condition.

(4) All personnel dosimeters (except for direct and indirect reading pocket ionization chambers and those dosimeters used to measure the dose to the extremities) that require processing to determine the radiation dose and that are used by licensees or registrants to comply with OAR 333-120-0100, with other applicable provisions of this division or with conditions specified in a license must be processed and evaluated by a dosimetry processor:

(a) Holding current personnel dosimetry accreditation from the National Voluntary Laboratory Accreditation Program (NVLAP) of the National Institute of Standards and Technology; and

(b) Approved in this accreditation process for the type of radiation or radiations included in the NVLAP program that most closely approximates the type of radiation or radiations for which the individual wearing the dosimeter is monitored.

(5) The licensee or registrant must ensure that adequate precautions are taken to prevent a deceptive exposure of an individual monitoring device.

## 333-120-0670

### Records of Waste Disposal

(1) Each licensee shall maintain records of the disposal of licensed materials made under OAR 333-120-0510, 333-120-0520, 333-120-0530, 333-120-0540, 10 CFR Part 61, and disposal by burial in soil, including burials authorized before January 28, 1981.

(2) The licensee shall maintain the records required by section (1) of this rule until the Authority terminates each pertinent license requiring the record. Requirements for disposition of these records, prior to license termination are located in OAR 333-100-0055, 333-102-0355 and 10 CFR Part 72.80 for licensed activities.

## 333-121-0001

### Purpose and Scope

(1) This division contains requirements for the issuance of a license authorizing the use of sealed sources containing radioactive material in irradiators used to irradiate objects or materials using gamma radiation. This division also contains radiation safety requirements for operating irradiators. The requirements of this division are in addition to other requirements of these regulations. In particular, the provisions of divisions 100, 102, 120, and 111 of chapter 333 apply to applications and licenses subject to this division. Nothing in this division relieves the licensee from complying with other applicable federal, state and local regulations governing the siting, zoning, land use, and building code requirements for industrial facilities.

(2) The regulations in this division apply to panoramic irradiators that have either dry or wet storage of the radioactive sealed sources and to underwater irradiators in which both the source and the product being irradiated are under water. Irradiators whose dose rates exceed 5 grays (500 rads) per hour at 1 meter from the radioactive sealed sources in air or in water, as applicable for the irradiator type, are covered by this division.

(3) The regulations in this division do not apply to self-contained dry-source-storage irradiators in which both the source and the area subject to irradiation are contained within a device and are not accessible by personnel; medical radiology or teletherapy; radiography for the irradiation of materials for nondestructive testing purposes; gauging; or open-field, agricultural, irradiations.

Stat. Auth.: ORS 453.675

## 333-121-0010

### Definitions

(1) "Annually" means at intervals not to exceed one year.

(2) "Commencement of construction" means taking any action defined as "construction" or any other activity at the site of a facility subject to the regulations in this division that has a reasonable nexus to radiological health and safety.

(3) "Construction" means the installation of foundations, or in-place assembly, erection, fabrication, or testing for any structure, system, or component of a facility or activity subject to the regulations in this division that are related to radiological safety or security. The term "construction" does not include:

(a) Changes for temporary use of the land for public recreational purposes;

(b) Site exploration, including necessary borings to determine foundation conditions or other preconstruction monitoring to establish background information related to the suitability of the site, the environmental impacts of construction or operation, or the protection of environmental values;

(c) Preparation of the site for construction of the facility, including clearing of the site, grading, installation of drainage, erosion and other environmental mitigation measures, and construction of temporary roads and borrow areas;

(d) Erection of fences and other access control measures that are not related to the safe use of, or security of, radiological materials subject to this division;

(e) Excavation;

(f) Erection of support buildings (such as construction equipment storage sheds, warehouse and shop facilities, utilities, concrete mixing plants, docking and unloading facilities, and office buildings) for use in connection with the construction of the facility;

(g) Building of service facilities (such as paved roads, parking lots, railroad spurs, exterior utility and lighting systems, potable water systems, sanitary sewerage treatment facilities, and transmission lines);

(h) Procurement or fabrication of components or portions of the proposed facility occurring at other than the final, in-place location at the facility; or

(i) Taking any other action that has no reasonable nexus to radiological health and safety.

(4) "Doubly encapsulated sealed source" means a sealed source in which the radioactive material is sealed within an inner capsule and that capsule is sealed within an outer capsule.

(5) "Irradiator" means a facility that uses radioactive sealed sources for the irradiation of objects or materials and in which radiation dose rates exceeding 5 grays (500 rads) per hour exist at 1 meter from the sealed radioactive sources in air or water, as applicable for the irradiator type, but does not include irradiators in which both the sealed source and the area

# ADMINISTRATIVE RULES

subject to irradiation are contained within a device and are not accessible to personnel.

(6) "Irradiator operator" means an individual who has successfully completed the training and testing described in OAR 333-121-0300 and is authorized by the terms of the license to operate the irradiator without a supervisor present.

(7) "Irradiator operator supervisor" means an individual who meets the requirements for an irradiator operator and who physically oversees operation of the irradiator by an individual who is currently receiving training and testing described in OAR 333-121-0300.

(8) "Panoramic dry-source-storage irradiator" means an irradiator in which the irradiations occur in air in areas potentially accessible to personnel and in which the sources are stored in shields made of solid materials. The term includes beam-type dry-source-storage irradiators in which only a narrow beam of radiation is produced for performing irradiations.

(9) "Panoramic irradiator" means an irradiator in which the irradiations are done in air in areas potentially accessible to personnel. The term includes beam-type irradiators.

(10) "Panoramic wet-source-storage irradiator" means an irradiator in which the irradiations occur in air in areas potentially accessible to personnel and in which the sources are stored under water in a storage pool.

(11) "Pool irradiator" means any irradiator at which the sources are stored or used in a pool of water including panoramic wet-source-storage irradiators and underwater irradiators.

(12) "Product conveyor system" means a system for moving the product to be irradiated to, from, and within the area where irradiation takes place.

(13) "Radiation room" means a shielded room in which irradiations take place. Underwater irradiators do not have radiation rooms.

(14) "Sealed source" means any radioactive material that is used as a source of radiation and is encased in a capsule designed to prevent leakage or escape of the byproduct material.

(15) "Seismic area" means any area where the probability of a horizontal acceleration in rock of more than 0.3 times the acceleration of gravity in 250 years is greater than 10 percent, as designated by the US Geological Survey.

(16) "Underwater irradiator" means an irradiator in which the sources always remain shielded under water and humans do not have access to the sealed sources or the space subject to irradiation without entering the pool.

## 333-121-0020

### Application for a Specific License

(1) Applications for specific licenses shall be filed on a form prescribed by the Authority and satisfy the general requirements specified in OAR 333-102-0200.

(2) The Authority may at any time after the filing of the original application, and before the expiration of the license, require further statements in order to enable the Authority to determine whether the application should be granted or denied or whether a license should be modified or revoked.

(3) Each application shall be signed by the applicant or licensee or a person duly authorized to act for and on his behalf.

(4) An application for a license may include a request for a license authorizing one or more activities.

(5) In the application, the applicant may incorporate by reference information contained in previous applications, statements, or reports filed with the Authority provided such references are clear and specific.

(6) Applications and documents submitted to the Authority may be made available for public inspection except that the Authority may withhold any document or part thereof from public inspection if disclosure of its content is not required in the public interest and would adversely affect the interest of a person concerned.

## 333-122-0005

### Definitions

As used in this division, the following definitions apply:

(1) "Annual refresher safety training" means a review conducted or provided by the registrant for its employees on radiation safety aspects of industrial X-ray. The review must include, as a minimum, a review of radiation safety aspects of industrial X-ray, any results of internal audits, Authority inspections, new procedures or equipment, new or revised regu-

lations, and accidents or errors that have been observed. The review must also provide opportunities for employees to ask safety questions.

(2) "ANSI" means the American National Standards Institute.

(3) "Cabinet radiography" means industrial radiography conducted in an enclosure or cabinet so shielded that every location on the exterior meets the dose limits for individual members of the public as specified in OAR 333-120-0180.

(4) "Cabinet X-ray system" means an X-ray system with the X-ray tube installed in an enclosure, hereinafter termed a cabinet that is independent of existing architectural structures except the floor. The cabinet X-ray system is intended to contain at least that portion of a material being irradiated, provide radiation attenuation and exclude personnel from its interior during generation of radiation. This definition includes X-ray systems designed primarily for the inspection of carry-on baggage at airline, railroad and bus terminals and in similar facilities, and all X-ray systems designed primarily for the inspection of letters, periodicals and packages in mailrooms. An X-ray tube used within a shielded part of a building, or X-ray equipment that may temporarily or occasionally incorporate portable shielding, is not considered a cabinet X-ray system.

(5) "Certifiable cabinet X-ray system" means an existing uncertified X-ray system that has been modified to meet the certification requirements specified in 21 CFR 1020.40.

(6) "Certified cabinet X-ray system" means an X-ray system that has been certified in accordance with 21 CFR 1010.2 as being manufactured and assembled pursuant to the provisions of 21 CFR 1020.40.

(7) "Hands-on experience" means experience in all of those areas considered to be directly involved in the X-ray process, and includes taking radiographs, calibration of survey instruments, operational and performance testing of survey instruments and devices, film development, posting of radiation areas, set-up of X-ray equipment, and radiation surveys, as applicable. Trainees undergoing the "hands-on experience" must do so under the direct supervision of a qualified industrial X-ray machine operator.

(8) "Industrial X-ray" means a nondestructive examination of the structure of materials using an X-ray machine to make radiographic images.

(9) "Industrial X-ray instructor" means any industrial X-ray operator who has been authorized by the Authority to provide on-the-job training to industrial X-ray trainees in accordance with OAR 333-122-0200.

(10) "Industrial X-ray trainee" means any individual who, under the direct supervision of an industrial X-ray instructor, uses industrial X-ray machines, related handling tools or radiation survey instruments during the course of his instruction.

(11) "Industrial X-ray operations" means all activities performed with an industrial X-ray machine. Activities include using, setting up equipment, and any activity inside restricted area boundaries.

(12) "Industrial X-ray personnel" means any X-ray operator, X-ray instructor or X-ray trainee.

(13) "Permanent X-ray installation" means an enclosed shielded room, cell, or vault in which industrial X-ray is performed.

(14) "Personal supervision" means supervision in which the X-ray operator is physically present at the site where X-ray machines and associated equipment are being used, watching the performance of the X-ray operator's assistant and in such proximity that immediate assistance can be given if required.

(15) "Practical examination" means a demonstration through application of the safety rules and principles in industrial X-ray including use of all procedures and equipment to be used by industrial X-ray personnel.

(16) "Radiation safety officer for industrial X-ray" means an individual with the responsibility for the overall radiation safety program on behalf of the registrant and who meets the requirements of OAR 333-122-0175.

(17) "Shielded room X-ray using X-ray machines" means an enclosed room or vault in which industrial X-ray is performed the interior of which is not occupied during X-ray operations. The room must be so shielded that every location on the exterior meets conditions for an unrestricted area as specified in OAR 333-120-0180, and the only access is through openings that are interlocked so that the X-ray machine will not operate unless all openings are securely closed.

(18) "X-ray Operator" means any individual who handles, adjusts technique factors, activates the exposure switch or button on an industrial X-ray machine and is qualified under OAR 333-122-0200.

(19) "X-ray operator's assistant" means any individual who, under the direct supervision of an industrial X-ray operator, uses radiographic X-ray machines, related handling tools or radiation survey instruments in industrial X-ray.

**Rule Caption:** Preventing transmission of disease by exclusion of susceptible persons from school and child care

**Adm. Order No.:** PH 1-2015(Temp)

**Filed with Sec. of State:** 1-7-2015

**Certified to be Effective:** 1-7-15 thru 7-5-15

**Notice Publication Date:**

**Rules Amended:** 333-019-0010

**Subject:** The Oregon Health Authority, Public Health Division, Acute and Communicable Disease Prevention section is temporarily amending OAR 333-019-0010 pertaining to control of communicable diseases through disease-related school, child care and work-site restrictions. These rules need to be adopted promptly so that public health measures may be taken to stem an ongoing outbreak of chickenpox.

**Rules Coordinator:** Brittany Sande—(971) 673-1291

## 333-019-0010

### Imposition of Restrictions

(1) For purposes of this rule “restrictable disease”:

(a) As applied to food service facilities includes but is not limited to diphtheria, measles, Salmonella enterica serotype Typhi infection, shigellosis, Shiga-toxigenic Escherichia coli (STEC) infection, hepatitis A, tuberculosis, open or draining skin lesions infected with Staphylococcus aureus or Streptococcus pyogenes, and any illness accompanied by diarrhea or vomiting.

(b) As applied to schools, child care, and health care facilities, includes but is not limited to chickenpox, mumps, pertussis, rubella, and scabies and may include a communicable stage of hepatitis B infection if, in the opinion of the local health officer, the child poses an unusually high risk to other children (for example, exhibits uncontrollable biting or spitting).

(2) To protect the public health, persons who attend or work at schools or child care facilities or who work at health care facilities or food service facilities shall not attend or work at these facilities whilst in a communicable stage of any restrictable diseases unless authorized to do so as hereunder specified.

(3) At the discretion of local school authorities or the local public health authority, pediculosis may be considered a school-restrictable condition.

(4) A child or employee in any school or children’s facility who has been exposed to a restrictable disease must be excluded by the administrator, as that term is defined in ORS 433.235, unless the local health officer determines, in accordance with section (5) of this rule, that exclusion is not necessary to protect the public’s health.

(5) An administrator may request that the local health officer determine whether an exclusion under section (4) of this rule is necessary. In making such a determination the local health officer may, in consultation as needed with the Authority, consider factors including but not limited to the following:

- (a) The severity of the disease;
- (b) The means of transmission of the disease;
- (c) The intensity of the child’s or employee’s exposure; and
- (d) The exposed child’s or employee’s susceptibility to the disease, as indicated by:
  - (A) A previous occurrence of the disease;
  - (B) Vaccination records;
  - (C) Evidence of immunity as indicated by laboratory testing;
  - (D) Year of birth; or
  - (E) History of geographic residence and the prevalence of the disease in those areas.

(6) The length of exclusion under section (4) of this rule is one incubation period following the child or employee’s most recent exposure to the disease.

(7) A child or employee may be excluded under this rule notwithstanding any claim of exemption under ORS 433.267(1).

(8) Nothing in these rules prohibits the adoption of more stringent rules regarding exclusion from schools or child care facilities. Such additional restrictions shall require formal certification that the disease or condition in question presents a significant public health risk in that setting. For schools, this action may be taken by the local public health authority or the

local school governing body. For child care facilities, this action may be taken by the local public health authority.

(9) The infection control committee at all health care facilities shall adopt policies to restrict the work of employees with restrictable diseases in accordance with recognized principles of infection control. Nothing in these rules prohibits health care facilities or the local public health authority from adopting additional or more stringent rules for exclusion from these facilities.

## Oregon Medical Board Chapter 847

**Rule Caption:** Volunteer Emeritus licensure qualifications and application requirements

**Adm. Order No.:** OMB 1-2015

**Filed with Sec. of State:** 1-13-2015

**Certified to be Effective:** 1-13-15

**Notice Publication Date:** 11-1-2014

**Rules Amended:** 847-023-0005, 847-023-0010, 847-023-0015

**Subject:** The rule amendments reference the complete list of acceptable licensing examinations or combination of examinations; allow applicants with ongoing maintenance of certification to request a SPEX/COMVEX waiver; require documents in a foreign language to be submitted with an official translation; remove references to a paper application form; revise the requirements for a photograph so that it may be submitted digitally; include fingerprints within the rule on documents to be submitted for licensure; clarify that the Board may ask for additional documents regarding information received during the processing of the application; include the ECFMG certificate among the documents that must be sent to the Board; and add rules on application withdrawals and denials.

**Rules Coordinator:** Nicole Krishnaswami—(971) 673-2667

## 847-023-0005

### Qualifications

(1) The Board may issue a volunteer emeritus license to a physician who volunteers at a health clinic provided that the physician:

(a) Has a current license to practice medicine in another state or territory of the United States or the District of Columbia; and

(b) Has successfully passed one of the examinations or combination of examinations per OAR 847-020-0170.

(2) A physician applying for a license to volunteer in health clinics who has not practiced medicine for more than twenty-four (24) months immediately prior to filing the application for licensure with the Board, may be required to take and pass the Special Purpose Examination (SPEX) or Comprehensive Osteopathic Medical Variable-Purpose Examination (COMVEX). This requirement may be waived if the applicant has done one or more of the following:

(a) Within ten years of filing an application with the Board, completed an accredited one year residency, or an accredited or Board approved one year clinical fellowship;

(b) Within ten years of filing an application with the Board, been certified or recertified by a specialty board recognized by the American Board of Medical Specialties (ABMS) or the American Osteopathic Association (AOA-BOS);

(c) Obtained continuing medical education to the Board’s satisfaction;

or

(d) Can demonstrate ongoing participation in maintenance of certification with the ABMS or AOA-BOS.

(3) The Limited License, SPEX/COMVEX may be granted for a period of 6 months and permits the licensee to practice medicine only until the grade results of the SPEX or COMVEX examination are available and the applicant completes the initial registration process. The Limited License, SPEX/COMVEX would become invalid should the applicant fail the SPEX or COMVEX examination and the applicant, upon notification of failure of the examination, must cease practice in this state as expeditiously as possible, but not to exceed two weeks after the applicant receives notice of failure of the examination.

## 847-023-0010

### Documents and Forms to be Submitted for Licensure

The documents submitted must be legible and no larger than 8 1/2" x 11". All documents and photographs will be retained by the Board as a permanent part of the application file. If original documents are larger than 8 1/2" x 11", the copies must be reduced to the correct size with all wording and signatures clearly shown. Official translations are required for documents issued in a foreign language. The following documents are required:

(1) Application: Completed formal application provided by the Board. Required dates must include month, day and year. The application fee is waived for physicians applying for a volunteer emeritus license.

(2) Birth Certificate: A copy of birth certificate.

(3) Medical School Diploma: A copy of a diploma showing graduation from an approved school of medicine or an international school of medicine. International medical graduates must have graduated after meeting the attendance requirements specified in OAR 847-020-0130.

(4) American Specialty Board Certification or Recertification: A copy of the certification or recertification certificate issued by the American Specialty Board in the applicant's specialty, if applicable.

(5) Photograph: A close-up, passport-quality photograph, front view, head and shoulders (not profile), with features distinct, taken within 90 days preceding the filing of the application.

(6) The results of a Practitioner Self-Query from the National Practitioner Data Bank sent directly to the Board by the applicant.

(7) Legible fingerprints as described in 847-008-0068 for the purpose of a criminal records background check.

(8) An applicant must pass an open-book examination on the Medical Practice Act (ORS Chapter 677) and an open-book examination on the Drug Enforcement Administration's regulations governing the use of controlled substances. If an applicant fails one or both examinations three times, the applicant's application will be reviewed by the Board's Administrative Affairs Committee and the applicant must attend an informal meeting with a Board member, a Board investigator and/or the Medical Director of the Board to discuss the applicant's failure of the examination(s) before being given a fourth and final attempt to pass the examination(s). If the applicant does not pass the examination(s) on the fourth attempt, the applicant may be denied licensure.

(9) Any other documentation or explanatory statements as required by the Board.

## 847-023-0015

### Letters and Official Verifications to be Submitted for Licensure

(1) The applicant must ensure that either official documents are sent directly to the Board from the source or a certified copy is sent directly to the Board from another state medical board where the applicant is licensed:

(a) The Verification of Medical Education form, which includes degree issued, date of degree, dates of attendance, dates and reason of any leaves of absence or repeated years, and dates, name and location of medical school if a transfer student. Graduates of medical schools in the United States must have graduated from a school per OAR 847-020-0120(1) and graduates of international medical schools must have graduated from a school per 847-020-0130(2).

(b) A Dean's Letter of Recommendation, which includes a statement concerning the applicant's moral and ethical character and overall performance as a medical student. If the school attests that a Dean's Letter is unavailable or the Board determines that it is unacceptable, a copy of the transcripts may be acceptable.

(c) A letter from the Fifth Pathway Hospital, if such applies, which includes an evaluation of overall performance and specific beginning and ending dates of training.

(d) A letter from the Director of Medical Education, Chairman or other official of the internship, residency and fellowship hospitals in the United States and other countries in which the postgraduate training was served, which includes an evaluation of overall performance and specific beginning and ending dates of training.

(2) The applicant must ensure that official documents are sent directly to the Board from:

(a) The Director or other official for practice and employment in hospitals, clinics, etc. in the United States and other countries: A currently dated original letter (a copy is not acceptable), from the hospital/clinic,

which must include an evaluation of overall performance and specific beginning and ending dates of practice and employment, for the past five (5) years only. If the applicant has not practiced for more than two years, employment verifications will be required for the past ten (10) years. For physicians who have been or are in solo practice without hospital privileges at the time of solo practice, provide three reference letters from physicians in the local medical community who are familiar with the applicant's practice and who have known the applicant for more than six months.

(b) The health licensing board in a state, district, territory or jurisdiction in the United States or Canada where the applicant has been licensed and is currently practicing or most recently practiced: Verification, which must show license number, date issued and status.

(c) Official Examination Certifications: An official examination certification showing the examination score is required from the National Board of Medical Examiners (NBME), the National Board of Osteopathic Medical Examiners (NBOME), the Federation Licensing Examination (FLEX), the Federation of State Medical Boards for the United States Medical Licensing Examination (USMLE), or the Medical Council of Canada.

(d) The Federation of State Medical Boards: A Board Action Databank Inquiry report.

(e) The Educational Commission for Foreign Medical Graduates Verification of Certification.

(f) Any other documentation as required by the Board, including but not limited to medical records and criminal or civil records.

## 847-026-0000

### Qualifications for License by Endorsement

(1) The Oregon Medical Board may issue a license by endorsement to a physician who:

(a) Meets the requirements for licensure as stated in OAR 847-020-0120, 847-020-0130, 847-020-0170, and 847-023-0005;

(b) Has not had privileges at a hospital, clinic, or surgical center denied, reduced, restricted, suspended, revoked, terminated and has not been subject to staff disciplinary action or non-renewal of an employment contract for reasons in the Board's judgment related to medical practice or unprofessional conduct, or been requested to voluntarily resign or had privileges suspended while under investigation;

(c) Is eligible for primary source verification of medical education, post-graduate training and examination scores through the state in which the applicant was originally licensed. The Board may use current certification by the American Board of Medical Specialties or the American Osteopathic Association's Bureau of Osteopathic Specialists as a proxy for verification of medical education, post-graduate training and examination scores from the initial state of licensure;

(d) Is in good standing, with no restrictions or limitations upon, actions taken against, or investigation or disciplinary action pending against his/her license in any state, district, territory, or jurisdiction where applicant is or has been licensed;

(e) Has no significant malpractice claim patterns or patient care issues as determined by the Board;

(f) Has one (1) year of current, active, unrestricted, unlimited clinical practice in their medical specialty, if any, as a licensee of a state, district, territory, or jurisdiction in the United States or Canada in the year preceding the physician's submission to the Board of an application to practice in Oregon, or if retired must have been retired for no more than one (1) cal-

# ADMINISTRATIVE RULES

endar year preceding the physician's submission to the Board of an application to practice in Oregon. Clinical patient practice will be documented by verification of staff privileges, or non-consulting medical employment. A year of accredited clinical fellowship in the applicant's medical specialty as a licensee of a state, district, territory or jurisdiction in the United States or Canada qualifies as a year of clinical practice.

(2) A physician is not eligible for licensure by endorsement if the Board finds that the applicant has engaged in conduct prohibited by ORS 677.190.

(3) An applicant ineligible for licensure by endorsement may make a full and complete application per the requirements of OAR 847-020, or 847-023.

## 847-070-0005

### Definitions

As used in the rules regulating the practice of acupuncture:

(1)(a) "Acupuncture" means an Oriental health care practice used to promote health and to treat neurological, organic or functional disorders by the stimulation of specific points on the surface of the body by the insertion of needles. "Acupuncture" includes the treatment method of moxibustion, as well as the use of electrical, thermal, mechanical or magnetic devices, with or without needles, to stimulate acupuncture points and acupuncture meridians and to induce acupuncture anesthesia or analgesia.

(b) The practice of acupuncture also includes the following modalities as authorized by the Oregon Medical Board:

(A) Traditional and modern Oriental Medical and acupuncture techniques of diagnosis and evaluation;

(B) Oriental massage, exercise and related therapeutic methods; and

(C) The use of Oriental pharmacopoeia, vitamins, minerals and dietary advice.

(2) "Board" means the Oregon Medical Board for the State of Oregon.

(3) "Clinical training" means supervised clinical training which consists of diagnosis and actual patient treatment which includes insertion of acupuncture needles.

(4) "Committee" means the Acupuncture Advisory Committee.

(5) "Licensed Acupuncturist" means an individual authorized by the Board to practice acupuncture pursuant to ORS Chapter 677.

(6) "Physician" means an individual licensed to practice medicine pursuant to ORS Chapter 677.

Stat. Auth.: ORS 677.265 & 677.759

## 847-070-0007

### Practice of Acupuncture

(1) No person may practice acupuncture without first obtaining a license to practice medicine and surgery or a license to practice acupuncture from the Oregon Medical Board.

(2) A physician who desires to be approved as a clinical supervisor must meet the requirements of OAR 847-070-0015.

## 847-070-0015

### Application

(1) Every applicant must satisfactorily complete an application and document evidence of qualifications listed in OAR 847-070-0016 to the satisfaction of the Board. Such application and documentation must be complete before an applicant may be considered eligible for licensure.

(2) False documentation is grounds for denial of licensure or disciplinary action by the Board.

(3) An applicant applying for licensure under these rules who has not completed the licensure process within a 12 month consecutive period must file a new application, documents, letters and pay a full filing fee as if filing for the first time.

(4) No applicant is entitled to licensure who:

(a) Has had his/her license or certificate revoked or suspended in this or any other state unless the said license or certificate has been restored or reinstated and the applicant's license or certificate is in good standing in the state which had revoked the same;

(b) Has been refused a license or certificate in any other state on any grounds other than failure in an acupuncture licensure examination; or

(c) Has been guilty of conduct similar to that which would be prohibited by or to which ORS 677.190 would apply.

## 847-070-0016

### Qualifications

(1) An applicant for licensure as an acupuncturist must have:

(a) Graduated from an acupuncture program that satisfies the standards of the Accreditation Commission for Acupuncture and Oriental Medicine (ACAOM), or its successor organization, or an equivalent accreditation body that are in effect at the time of the applicant's graduation. An acupuncture program may be established as having satisfied those standards by demonstration of one of the following:

(A) Accreditation, or candidacy for accreditation by ACAOM at the time of graduation from the acupuncture program; or

(B) Approval by a foreign government's Ministry of Education, or Ministry of Health, or equivalent foreign government agency at the time of graduation from the acupuncture program. Each applicant must submit their documents to a foreign credential equivalency service, which is approved by the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM) for the purpose of establishing equivalency to the ACAOM accreditation standard. Acupuncture programs that wish to be considered equivalent to an ACAOM accredited program must also meet the curricular requirements of ACAOM in effect at the time of graduation.

(b) Current certification in acupuncture by the NCCAOM. An applicant will be deemed certified by the NCCAOM in Acupuncture if the applicant has passed the NCCAOM Acupuncture Certification Examinations or has been certified through the NCCAOM Credentials Documentation Examination. The applicant has no more than four attempts to pass the NCCAOM Acupuncture Certification Examinations. If the applicant does not pass the NCCAOM Certification Examinations within four attempts, the applicant is not eligible for licensure.

(2) An applicant who does not meet the criteria in OAR 847-070-0016(1) must have the following qualifications:

(a) Five years of licensed clinical acupuncture practice in the United States. This practice must include a minimum of 500 acupuncture patient visits per year. Documentation must include:

(A) Two affidavits from office partners, clinic supervisors, accountants, or others approved by the Board, who have personal knowledge of the years of practice and number of patient visits per year; and

(B) Notarized copies of samples of appointment books, patient charts and financial records, or other documentation as required by the Board; and

(b) Practice as a licensed acupuncturist in the U.S. during five of the last seven years prior to application for Oregon licensure. Licensed practice includes clinical practice, clinical supervision, teaching, research, and other

# ADMINISTRATIVE RULES

work as approved by the Board within the field of acupuncture and oriental medicine. Documentation of this practice will be required and is subject to Board approval; and

(c) Successful completion of the ACAOM western medicine requirements in effect at the time of graduation from the acupuncture program, unless the applicant graduated from a non-accredited acupuncture program prior to 1989; and

(d) Current certification in acupuncture by the NCCAOM. An applicant will be deemed certified in Acupuncture by the NCCAOM if the applicant has passed the NCCAOM Acupuncture Certification Examinations or has been certified through the NCCAOM Credentials Documentation Examination. The applicant has no more than four attempts to pass the NCCAOM Acupuncture Certification Examinations. If the applicant does not pass the NCCAOM Certification Examinations within four attempts, the applicant is not eligible for licensure.

(3) An individual whose acupuncture training and diploma were obtained in a foreign country and who cannot document the requirements of subsections (1) or (2) of this rule because the required documentation is now unobtainable, may be considered eligible for licensure if it is established to the satisfaction of the Board that the applicant has equivalent skills and training and can document one year of training or supervised practice under a licensed acupuncturist in the United States.

(4) In addition to meeting the requirements in (1), (2) or (3) of this rule, all applicants for licensure must have the following qualifications:

(a) Licensure in good standing from the state or states of all prior and current health related licensure; and

(b) Have good moral character as those traits would relate to the applicant's ability properly engage in the practice of acupuncture; and

(c) Have the ability to communicate in the English language well enough to be understood by patients and physicians. This requirement is met if the applicant passes the NCCAOM written acupuncture examination in English, or if in a foreign language, must also have passed an English language proficiency examination, such as TOEFL (Test of English as a Foreign Language), or TSE (Test of Spoken English). An applicant must obtain a TOEFL score of 500 or more for the written TOEFL exam and 173 or more for the computer based TOEFL exam, or a TSE score of 200 or more prior to July 1995, and a score of 50 or more after July 1995. An applicant who is certified through the NCCAOM Credentials Documentation Examination must also have passed an English proficiency examination.

## 847-070-0019

### Interview and Examination

(1) In addition to all other requirements for licensure, the Board may require an applicant to appear for a personal interview regarding information received in the application process. Unless excused in advance, failure to appear before a Committee of the Board for a personal interview violates ORS 677.190(17) and may subject the applicant to disciplinary action.

(2) If there is reasonable cause to question the qualifications of an applicant, the Board in its discretion may require the applicant to do one or more of the following:

(a) Obtain certification or re-certification in Acupuncture or Oriental Medicine by the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM);

(b) Pass an evaluation which may be written, oral, practical, or any combination thereof;

(c) Provide documentation of current NCCAOM Acupuncture certification;

(d) Complete 15 hours of continuing education acceptable to the Board for every year the applicant has ceased practice prior to application for Oregon licensure. Continuing education that meets NCCAOM's recertification requirements would qualify as Board-approved continuing education;

(e) Complete a mentorship of at least 20 hours under a Board-approved mentor who must individually supervise the applicant. The mentor must report the successful completion of the mentorship to the Board.

(3) An applicant must pass an open-book examination on the Medical Practice Act (ORS Chapter 677) and Oregon Administrative Rules (OAR chapter 847, division 70).

### Documents to be Submitted for Licensure

The documents submitted must be legible and no larger than 8 ½" x 11". All documents and photographs will be retained by the Board as a permanent part of the application file. If original documents are larger than 8 ½" x 11", the copies must be reduced to the correct size with all wording and signatures clearly shown. Official translations are required for documents issued in a foreign language. The following documents are required:

(1) Application: Completed formal application provided by the Board. Required dates must include month, day and year.

(2) Birth Certificate: A copy of birth certificate and a copy of Change of Name documentation, Marriage Certificate, or Divorce Decree if the applicant's name has been changed by court order, adoption, marriage, divorce, etc.

(3) Acupuncture School Diploma: A copy of a diploma showing graduation from an approved school of acupuncture for those applicants who qualify under OAR 847-070-0016(1).

(4) Photograph: A close-up, passport-quality photograph, front view, head and shoulders (not profile), with features distinct, taken within 90 days preceding the filing of the application.

(5) A letter from the Dean of the applicant's program of acupuncture for those applicants who qualify under OAR 847-070-0016(1).

(6) A letter from the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM) verifying current certification in acupuncture by the NCCAOM for those applicants who qualify under OAR 847-070-0016(1) or (2).

(7) A letter verifying licensure in good standing from the state or states of all prior and current health-related licensure.

(8) A letter from the Director or other official for practice and employment to include an evaluation of overall performance and specific beginning and ending dates of practice and employment, for the past five (5) years only. For acupuncturists who have been or are in solo practice, three reference letters from acupuncturists in the local treatment community who are familiar with the applicant's practice and who have known the applicant for more than six months.

## 847-070-0045

### Inactive Registration and Re-Entry to Practice

(1) Any acupuncturist licensed in this state who changes location to some other state or country shall be listed by the Board as inactive.

(2) If the acupuncturist wishes to resume active status, the acupuncturist must file an Affidavit of Reactivation and pay a processing fee, satisfactorily complete the reactivation process and be approved by the Board before beginning active practice in Oregon.

(3) The Board may deny active registration if it judges the conduct of the acupuncturist during the period of inactive registration to be such that the acupuncturist would have been denied a license if applying for an initial license.

(4) If an acupuncturist applicant has ceased practice for a period of 24 or more consecutive months immediately preceding the application for licensure or reactivation, the applicant may be required to do one or more of the following:

(a) Obtain certification or re-certification in Acupuncture or Oriental Medicine by the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM);

(b) Provide documentation of current NCCAOM Acupuncture or Oriental Medicine certification;

(c) Complete 15 hours of continuing education acceptable to the Board for every year the applicant has ceased practice;

(d) Complete a mentorship of at least 20 hours under a Board-approved mentor who must individually supervise the licensee. The mentor must report the successful completion of the mentorship to the Board.

(5) The acupuncturist applicant who has ceased practice for a period of five or more consecutive years may be required to complete a re-entry plan to the satisfaction of the Board. The re-entry plan must be reviewed and approved through a Consent Agreement prior to the applicant beginning the re-entry plan. Depending on the amount of time out of practice, the re-entry plan may contain one or more of the requirements listed in section

# ADMINISTRATIVE RULES

(4) of this rule and such additional requirements as determined appropriate by the Board.

**Rule Caption:** Update OSGP rules to reflect changes to federal law and proposed improvements in the program.

**Adm. Order No.:** PERS 1-2015

**Filed with Sec. of State:** 1-8-2015

**Certified to be Effective:** 1-8-15

**Notice Publication Date:** 10-1-2014

**Rules Amended:** 459-050-0076, 459-050-0120

**Subject:** OAR 459-050-0076, In-Plan Roth Conversion, allows plan participants to convert their pre-tax dollars in OSGP to after-tax and move their money to the Roth 457 account. Initially, the Internal Revenue Code only allowed this option after plan participants had a severance from employment. However, with the passage of the American Taxpayer Relief Act of 2012, plan participants are now eligible to convert any pre-tax money in their OSGP account to the Roth 457 account while still employed.

Paragraph (1)(a)(A) of the rule has been modified and paragraph (B) has been deleted because plan participants no longer need a severance from employment to be eligible for an In-Plan Roth Conversion. Paragraph (1)(a)(E) has been deleted because the IRS has not provided guidance that non-spouse beneficiaries are eligible for In-Plan Roth Conversion.

Finally, subsection (3)(a) has been modified because only plan participants who are making a Roth conversion after a severance from employment are required to receive a written explanation on the rollover eligibility of their Roth conversion amount.

OAR 459-050-0120, Self-Directed Brokerage Option, was adopted in 2011 to implement the new option added to the OSGP. Previously, the Oregon State Treasury required that participants have at least \$20,000 in their OSGP account before they could participate in the Self-Directed Brokerage Option. Treasury has now agreed to lower the restriction to a \$10,000 account balance. This change was approved by the Oregon Investment Council (OIC) at its July 30, 2014 meeting. Subsection (2)(a) of the rule was modified to reflect the new dollar amount.

**Rules Coordinator:** Daniel Rivas—(503) 603-7713

### 459-050-0076

#### In-Plan Roth Conversion

(1) Definitions. For purposes of this rule:

(a) "Distributee" means:

(A) A Deferred Compensation Plan participant;

(B) The surviving spouse of a deceased participant; or

(C) The spouse or former spouse who is the alternate payee under a domestic relations order that satisfies the requirements of ORS 243.507.

(b) "In-Plan Roth Conversion" means payment by the Deferred Compensation Program directly from the Deferred Compensation Account to the Designated Roth Account as instructed by the Distributee and in compliance with IRC Section 402A(c)(4).

(2) Limitations.

(a) If a Distributee elects an In-Plan Roth Conversion, the Distributee may not roll the money back to the Deferred Compensation Account at a later date.

(b) Once completed, all balances from any In-Plan Roth Conversion shall be accounted for individually and separately within the Designated Roth Account.

(3) 402(f) Notice and Election Procedure.

(a) For a Distributee making an In-Plan Roth Conversion after severance from employment, the Deferred Compensation Program staff shall provide such Distributee with a written explanation of the direct rollover rules for any eligible distribution, as required by IRC Section 402(f).

(b) An In-Plan Roth Conversion election shall be in writing and must be signed by the Distributee or by his or her authorized representative pursuant to a valid power of attorney. The election must be on forms furnished by the Deferred Compensation Program.

### 459-050-0120

#### Self-Directed Brokerage Option

(1) For purposes of this rule:

(a) "Core Investment Option" means an investment alternative made available under ORS 243.421, but does not include the Self-Directed Brokerage Option.

(b) "Self-Directed Brokerage Option" means an investment alternative made available under ORS 243.421 that permits a participant to establish a brokerage account and participate in investment products other than core investment options.

(c) "Trade" has the same meaning as in OAR 459-050-0037.

(2) A participant may initiate participation in the Self-Directed Brokerage Option only by a trade from core investment options.

(a) The participant's combined Deferred Compensation and Designated Roth Accounts balance must be at least \$10,000 on the date of the trade.

(b) The amount of the trade may not exceed 50 percent of the participant's combined Deferred Compensation and Designated Roth Accounts balance on the date of the trade.

(3) A participant in the Self-Directed Brokerage Option may not:

(a) Contribute to the Self-Directed Brokerage Option by any means other than a trade from a core investment option.

(b) Make a trade from a core investment option to the Self-Directed Brokerage Option if:

(A) The participant's balance in the Self-Directed Brokerage Option exceeds the balance in the participant's core investment options on the date of the trade; or

(B) The trade would cause the participant's balance in the Self-Directed Brokerage Option to exceed the participant's balance in the core investment options on the date of the trade.

(4) The Self-Directed Brokerage Option may not be included in any automatic account rebalancing function offered by the Program.

(5) Notwithstanding OAR 459-050-0080, funds in the Self-Directed Brokerage Option are not available for distribution.

(a) Funds in the Self-Directed Brokerage Option must be traded to a core investment option to be available for distribution under OAR 459-050-0080.

(b) A participant, beneficiary, or alternate payee subject to Required Minimum Distributions, as described in OAR 459-050-0300, must maintain a balance in the core investment options that will accommodate the timely distribution of the required amount.

(c) A participant, beneficiary, or alternate payee who fails to comply with subsection (b) of this section is solely responsible for any tax, penalty, or cost imposed by reason of a delayed or partial required minimum distribution.

(6) The Deferred Compensation Manager, if necessary to comply with restrictions imposed by a participating mutual fund, a contracted broker, or the Securities and Exchange Commission, may establish additional temporary restrictions for the Self-Directed Brokerage Option.

(7) Any action taken by the Deferred Compensation Manager under section (6) of this rule must be presented to the Board at its next scheduled meeting. The Board may take action as authorized by ORS 243.401 to 243.507. If the Board does not act, the action(s) taken by the Deferred Compensation Manager shall expire on the first business day following the date of the meeting.

(8) The restrictions provided in this rule are not exclusive. The Board may establish additional restrictions or sanctions as authorized by ORS 243.401 to 243.507.

**Rule Caption:** Oregon Tourism Commission Notice of Proposed Rule and Model Rule Adoption

# ADMINISTRATIVE RULES

**Adm. Order No.:** ORTC 1-2014  
**Filed with Sec. of State:** 12-17-2014  
**Certified to be Effective:** 12-17-14  
**Notice Publication Date:**  
**Rules Adopted:** 976-001-0010, 976-001-0020  
**Subject:** These rules adopt the most current version of the model rules for state agencies applicable to rulemaking.  
**Rules Coordinator:** Sarah Watson—(503) 967-1568

## 976-001-0010

### Notice of Proposed Rule

Prior to adoption, amendment or repeal of any permanent rule, the Oregon Tourism Commission will give notice of the proposed adoption, amendment or repeal:

(1) In the Secretary of State's Oregon Bulletin referred to in ORS 183.360, at least 21 days prior to the effective date of the rule;

(2) By mailing a copy of the notice, at least 28 days prior to the effective date of the rule, to persons on the Oregon Tourism Commission's rules mailing list and to persons who have requested such notice in accordance with ORS 183.335(8);

(3) By posting notice on the Oregon Tourism Commission website at least 28 days prior to the effective date of the rule; and

(4) By mailing a copy of the notice to the legislators specified in ORS 183.335(15) at least 49 days before the effective date of the rule.

## Psychiatric Security Review Board Chapter 859

**Rule Caption:** Updates rulemaking notice recipients, cost of rules and definitions. Adds teleconferencing and media during hearings.

**Adm. Order No.:** PSRB 2-2014

**Filed with Sec. of State:** 12-18-2014

**Certified to be Effective:** 12-18-14

**Notice Publication Date:** 11-1-2014

**Rules Adopted:** 859-050-0100, 859-050-0105

**Rules Amended:** 859-001-0005, 859-001-0010, 859-010-0005

**Subject:** Amends outdated notice and cost sections in PSRB's Rulemaking Procedures' Division 10 and amends Definitions' section of rules found in PSRB's Division 50 to include new definitions such as "Abscond", "Escape", "Victim", "Tier One or Tier Two Offender" and "Case Managers". The amended version changes "Danger" and "Mental Disease or Defect". In addition, the PSRB has adopted new rules for "Use of Teleconferencing and Video Teleconferencing During Hearings" and "Protocol for Media at Hearings", found in Division 50 of its rules under Hearing Procedures.

**Rules Coordinator:** Lucy Heil—(503) 229-5596

## 859-001-0005

### Notice

Prior to the adoption, amendment or repeal of any rule, the Psychiatric Security Review Board shall give notice of the intended action:

(1) In the Secretary of State's Bulletin referred to in ORS 183.360 at least 21 days before the effective date of the rule;

(2) By mailing a copy of the notice to persons on the PSRB's mailing list established pursuant to ORS 183.335(8) at least 28 days before the rule takes effect;

(3) By mailing or furnishing a copy of the notice to Designated Legislators in accordance with ORS 183.335(15) at least 49 days before the rule takes effect;

(4) By mailing or furnishing a copy of the notice to:

(a) Associated Press;

(b) Attorney General;

(c) Attorneys for Adult Clients;

(d) DHS/AMH PSRB Liasons;

(e) Disability Rights Oregon (DRO);

(f) Oregon Association of Chiefs of Police

(g) Oregon Criminal Defense Lawyers Association;

(h) Oregon District Attorneys Association;

(i) Oregon Psychiatric Association

(j) Oregon Psychological Association

(k) Oregon State Sheriff's Association

(l) OSH Consumer and Family Services;

(m) PSRB Community Case Managers;

## 859-010-0005

### Definitions

(1) "Abscond" means a client on conditional release has departed without permission from the case manager or Board and the client's whereabouts are unknown.

(2) "Administrative Hearing" means a meeting of the Board where a quorum is present and a matter is reviewed (e.g. an outpatient supervisor request for modification to a client's conditional release plan). The Board shall consider information in the written record only and no oral testimony shall be received; If an objection is made to the administrative hearing, the client or the state has the right to request a full hearing. On its own motion, the Board may require further information, testimony or the presence of the client and therefore, set the matter for a full hearing.

(3) "Administrative Meeting" is any meeting of the Board where a quorum is present for the purpose of considering matters relating to Board policy and administration. Minutes shall be taken during an administrative meeting and distributed to Board members and interested persons. Minutes shall be voted on and approved at subsequent administrative meetings;

(4) "Case Managers" are individuals designated in the conditional release order who are responsible for ensuring clients on conditional release receive the services and support they need and reporting to the PSRB a client's progress, activities and compliance with conditions of release or lack thereof.

(5) "Client" refers to any person under the jurisdiction of the Board and may be used interchangeably with person or patient or outpatient.

(6) "Conditional Release" is a grant by the court or the Board for a client, patient or defendant to reside outside a state hospital in the community under conditions mandated by the court or Board for monitoring and treatment of mental and physical health.

(7) "Danger"; "Substantial Danger"; or "Dangerousness" means a demonstration or previous demonstration of intentional, knowing, reckless or criminally negligent behavior which places others at risk of physical injury because of the person's mental disease or defect.

(8) "Escape" means:

(a) A client committed to a state hospital:

(A) Leaves the supervision of hospital staff without permission;

(B) Leaves the hospital without permission; or

(C) Fails to return at the appointed time to the hospital.

(b) Any client who leaves the State of Oregon without authorization of the Board;

(c) Any client who fails to return to the State of Oregon as directed by the Board.

(9) "Full Hearing" is a meeting of the Board where parties are present, testimony is taken and written findings on the issue(s) before the Board are made.

(10) "Insanity Defense", also known as "GEI", refers to a plea or finding of "Guilty Except for Insanity". Nomenclature. For offenses committed on or after January 1, 1984, a person is guilty except for insanity if, as a result of a mental disease or defect at the time of engaging in criminal con-

# ADMINISTRATIVE RULES

duct, the person lacked substantial capacity either to appreciate the criminality of the conduct or to conform the conduct to the requirements of law. The name of the insanity defense from January 1, 1978, through December 31, 1983, was "not responsible due to mental disease or defect." From January 1, 1971, through December 31, 1977, the insanity defense was known as "not guilty by reason of mental disease or defect." The name of the insanity defense prior to 1971 was "not guilty by reason of insanity."

(11) "Mental Disease or Defect"

(a) "Mental Defect" is defined as mental retardation, traumatic brain injury, brain damage or other biological dysfunction that is associated with distress or disability causing symptoms or impairment in at least one important area of an individual's functioning and is defined in the current Diagnostic and Statistical Manual of Mental Disorders (DSM IV-TR) of the American Psychiatric Association.

(b) "Mental Disease" is defined as any diagnosis of a psychiatric condition which is a significant behavioral or psychological syndrome or pattern that is associated with distress or disability causing symptoms or impairment in at least one important area of an individual's functioning and is defined in the (c) Diagnostic and Statistical Manual of Mental Disorders (DSM IV-TR) of the American Psychiatric Association. \*\*Qualifying Mental Disease or Defect" or "Mental Disease or Defect" is defined as a mental disease or mental defect described in subsections (a) and (b), excluding those conditions described in subsection (d). A qualifying mental disease or defect includes:

(A) A mental disease or mental defect in a state of remission which could with reasonable medical probability occasionally become active; or

(B) A mental disease or mental defect that could become active as a result of a non-qualifying mental disease or defect.

(d) \*\*Non-Qualifying Mental Disease or Defect" is defined as a mental disease or defect where the condition is:

(A) A diagnosis solely constituting the ingestion of substances (e.g., chemicals or alcohol), including but not limited to alcohol-induced psychosis;

(B) An abnormality manifested solely by repeated criminal or otherwise antisocial conduct; or

(C) An abnormality constituting a personality disorder.

(12) "Party" means the State, which includes the Oregon Department of Justice or, if representing the State's interest, the District Attorney from the county where the GEI was adjudicated, client and client's counsel.

(13) "PSRB" or "Board" means the Oregon Psychiatric Security Review Board.

(14) "Quorum" means the presence of at least three members, in person or on the telephone, of the Adult Panel of the Board.

(15) "SHRP" means the State Hospital Review Panel. It is an entity established by OHA that supervises Tier Two GEI patients while they reside at the state hospital.

(16) "State Hospital" means any state institution or facility operated by the Oregon Health Authority.

(17) "Tier One or Tier Two Offender" means an individual adjudicated guilty except for insanity of a crime as defined in ORS 161.332.

(18) "Victim" means the person or persons who have suffered financial, social, psychological or physical harm as a result of a crime that brought the client under the Board's jurisdiction. In the case of a homicide or abuse of a corpse, a member of the immediate family of the decedent and, in the case of a minor victim, the legal guardian of the minor. In no event shall the PSRB client be considered a victim of his/her own GEI case.

Stat. Auth.: ORS 161.387

Stats. Implemented: ORS 161.295 - 161.400

Hist.: PSRB 1-1985, f. 1-3-85, ef. 1-15-85; PSRB 1-1987, f. & ef. 2-4-87; PSRB 1-1995, f. & cert. ef. 1-11-95; PSRB 2-2014, f. & cert. ef. 12-18-14

## 859-050-0100

### Use of Teleconferencing and Video Teleconferencing During Hearings

(1) The Board recognizes that in-person attendance at hearings is preferable yet is not always practicable. Therefore, teleconferencing and video teleconferencing may be permitted.

(2) Telephonic participation via telephone is permitted at PSRB Hearings.

(a) All participants on the phone, even if solely listening in, are expected to identify who they are or have a designated person, such as the Victim Advocate or client family member, identify they are participating by phone.

(b) Participants on the phone will be recorded, even if they are muted, by the recording equipment. Therefore, participants are expected to listen to the hearings in a location that will minimize any noise interference, such as television, wind/rain/weather background noise, and conversations with

others. When there are multiple participants on the conference line, it is expected that there will be professional decorum.

(c) If Board staff is given prior notice by a telephonic participant with a hearing day contact phone number or e-mail, staff will call or email participants approximately fifteen (15) minutes prior to the start of the hearing.

(3) Video teleconferencing may be used by clients, witnesses or victims when the hearings recording equipment allows for its use.

(a) If the client is appearing via video teleconference, Board staff will ensure that the defense counsel has the ability to consult with the client at any time during the hearing in a setting where the attorney-client privilege is not compromised.

(b) All clients who reside at Oregon Department of Corrections will appear for PSRB hearings via video teleconferencing.

(c) All clients who reside at Junction City State Hospital will appear for hearings via video teleconferencing, unless there is a basis for in-person attendance that cannot be accommodated by teleconferencing and the State Hospital can arrange for transportation.

(A) Either party must request in-person attendance in writing no later than ten (10) days prior to the scheduled hearing.

(B) In-person requests shall contain a basis for the request and some description as to why video teleconferencing is not appropriate for the particular hearing.

(d) Clients or attorneys may request that participants appear via video teleconference when in-person participating is not feasible, such as a client who has difficulty traveling to the hearing location or weather conditions that make travel dangerous.

(3) Any party may request the Board order in-person attendance of a witness or client if the written request is made at least 3 days prior to notice of the hearing. Parties need to give notice to the Board if the party wants in-person presence rather than video presence of other parties or witnesses. The request shall include the basis or reason for in-person attendance that cannot otherwise be achieved via telephone or video teleconferencing.

(4) PSRB Board members may appear by telephone or video teleconferencing when in-person attendance is not practicable.

Stat. Auth.: ORS 161.387

Stats. Implemented: ORS 161.295 - 161.400

Hist.: PSRB 2-2014, f. & cert. ef. 12-18-14

## 859-050-0105

### Protocol for Media at Hearings

(1) Public Access Coverage Defined. As used in this rule:

(a) "Public access coverage" means coverage by means of any public access coverage equipment.

(b) "Public access coverage equipment" means any of the following in the possession of persons other than the PSRB or the PSRB staff: television equipment; still photographer equipment; audio, video, or other electronic recording equipment.

(2) Notification to Record Hearings. The news media must notify the PSRB of their request to record video, still photography, or audio of a PSRB proceeding by submitting a request for media or other public access coverage of PSRB at least one business day (24 hours) prior to the scheduled hearing day. Notice of media or public access coverage requests given to the PSRB less than twenty-four (24) hours prior to a scheduled hearing will be taken under advisement by the Board and may result in coverage access being denied directly in the hearings room. PSRB rules require that an original be filed with the PSRB. Submissions shall be emailed to PSRB at: psrb@psrb.org.

(3) Equipment and Operators

(a) Only one television camera and/or one still camera each with a single camera operator will be permitted in the PSRB proceeding. Cameras and operators must be in designated locations. Interviews may only be conducted in the area designated by the Board, or AMH, if hearings are conducted at OSH.

(b) It is up to the PSRB Board Chair, or Acting Chair, typically through its staff, to decide where cameras and microphones may be placed in the hearings room. Each hearings room is different and PSRB Board members may differ on this so operators must ask for assistance to determine camera placement on the day of the hearing.

(c) Equipment and camera operators must be in place prior to the PSRB hearing. Equipment must not be installed, moved or removed from the hearings room while the PSRB hearing is in session. Camera operators may not move around the hearings room while hearings are in session.

(d) News media must arrange any pooling of footage, photographs or audio among themselves. Typically, the first camera to arrive at the hearings room will be allowed to set-up in the hearings room. The PSRB will not participate in any pooling agreement. The PSRB will not mediate in the

# ADMINISTRATIVE RULES

event of disagreements about pooling arrangements. Disagreements about pooling arrangements will not result in additional media equipment being allowed into the hearings room and they will not cause a delay in the hearing start time. In the absence of agreement on pooling issues by persons seeking public access coverage, the PSRB Chair or Acting Chair may exclude any or all public access coverage.

(e) No public access coverage device shall be operated by more than one person.

(f) No person shall use public access coverage equipment that interferes or distracts from proceedings in the hearings room.

(g) The video camera must be mounted on a tripod or other device or installed in the hearings room. The tripod or other device must not be moved while the proceedings are in session. Video equipment must be screened where practicable or located and operated as directed by the Board Chair.

(h) No artificial lighting devices of any kind shall be allowed.

(4) Limitations on Access/Media shall not record:

(a) Any notes or conversations intended to be private including, but not limited to counsel, victims, Board members and members of the public attending hearings.

(b) Portions of the hearing that would interfere with the rights of the parties to a fair hearing or would affect the presentation of evidence or outcome of the hearing. This may include if public access coverage affects the PSRB clients ability to effectively participate in his/her hearing.

(c) Any portion of the hearing that would interfere with a victim's entitlement to due dignity and respect. This may include prohibiting the recording of a victim impact statement or other portions of the hearing that include graphic depictions of the instant offense.

(d) Any cost or increased burden resulting from the public access coverage would interfere with the efficient administration of justice.

(e) Recording equipment may not be used in the visitor area.

(5) A Board Chair may summarily prohibit public access coverage of particular hearing attendees or witnesses, if the attendee or witness so requests.

(6) Violations. Any violation of this rule may result in sanctions including but not limited to the termination of media coverage privileges.
