OPENS WORK SESSION FOR HOUSE BILL 2340

- 413 Genoa Ingram Informational testimony about the standard statute language regarding fines and/or imprisonment as stated in ORS 198.600. Discusses the fees that would be charged if HB 2340 is passed: EMT calls, ambulance calls, and second and third fire inspections. Discusses full-costing vs. incremental costing for recovery. Rural districts want the ability to recover their full costs for providing specific services.
- 474 Rep. Komp Discussion with Ingram regarding service fees assessed against non-residents.
- 492 Ingram Uses Adair Village as an example of a fire district that is funded only by property taxes. However, because of its proximity to Hwy. 99W, the Adair fire district provides several emergency service calls to non-residents. The district would like to be able to charge fees to people outside their fire district.

special districts (not rural fire districts) are charging fees as authorized by previous legislation. Additional discussion with Rep. Riley.
