		support of SB 636.
035	Chuck Carpenter	Executive Director, Manufactured Housing Communities of
	-	Oregon. Testifies in support of SB 636.
055	John VanLandingham	Legal Services Lawyer, Eugene, Oregon. Testifies in support of
	-	SB 636.
093	Chair Shields	Asks how many park managers are unaware of manufactured
		home laws.
095	Schwoch	Responds that it is approximately fifty percent.
107	VanLandingham	Notes there is a subsequent referral to Ways and Means and
	-	continues an explanation of the intent of the bill.
145	Chair Shields	Asks if the tenants would support the idea of sub-metering.
152	Schwoch	Responds that the tenants are in favor of that provision.
158	Sen. Verger	Asks who would cover the costs of putting in the meters.
160	VanLandingham	Replies that the costs would be covered by an increase in rent.
172	Sen. Verger	Asks if the savings on the water bills by a tenant would be offset
	C	by the rent increase.
188	VanLandingham	Responds that this change would benefit the residents in the
	C	long run as it would not be a huge capital cost to install the
		meters.
201	Schwoch	Adds that a roll back for those residents who are using less
		e

011	<b>C U</b>	water would be worthwhile.
211	Sen. Verger	Notes that she is not sure that would happen with the additional
210	0 -11-	cost of installing the meters.
219	Schwoch	Answers that the vacancy rate would keep the rent increases
		down, and reemphasizes the change will benefit the residents in
230	VanI andinaham	the long run.
230	VanLandingham	Reviews how tenants pay utilities and how the bill changes that mechanism.
253	Chair Shields	Comments that he respects the effort to come to agreement in
233	Chair Shields	this bill.
259	Carpenter	Adds that with an expected drought, those who conserve should
23)	Carpenter	not have to pay for those who are wasting resources.
270	Carpenter	Adds that he does not see a situation where the rent increases are
270	Carpenter	greater than the savings for the individual tenants.
299	VanLandingham	States that the third issue within the bill deals with recreational
277	v unDununghum	vehicles.
341	Chair Shields	Notes that this will be the only public hearing on this bill.
362	Sen. Verger	Comments that the education section of the bill is important but
202		fears that the rents will increase to pay for the meters.
389	Sen. George	Asks if there is an opportunity for advertising for motor home
		business to offset the large number of vacancies.
404	Carpenter	Responds that it does present an opportunity, particularly with
	I	those owners who only have single-wide spaces.
418	Chair Shields	Closes the public hearing in SB 636 and opens a public hearing
		on SB 425.
<u>SB 425 – PUB</u>	LIC HEARING
