 067 Sen. Ringo Asks if witness believes federal lands are being under-harvested.
 070 Heiken Discusses restoration of federal forest lands.
 079 Sen. Ringo Comments all the interests need to be balanced. Points out that substantially less is being harvested than what was contemplated under the Clinton plan. Wonders if witness believes that is a problem and if the harvest targets need to be increased.
 084 Heiken Explains the Clinton plan applies west of the Cascades. Discusses implementation of the forest plan that would provide more wood products and more jobs and is also better for habitat.
 094 Sen. Ringo Asks about the -2 amendments.
 098 Heiken Explains the -2 amendments are a product of a lot of discussion. Believes their concerns have been addressed in the -2 amendments.
 106 Sen. Ringo Wonders about compromise.
 107 Heiken Explains they received the -2 amendments a short time ago and have not had a chance to look at them in detail.
 108 Sen. Ferrioli Discusses different approaches to forest management. Suggests utilizing SB 1072 as a vehicle for compromise.
 145 Jim Geisinger Associated Oregon Loggers. Submits and reads written testimony in support of SB 1072 (**EXHIBIT T**).
 200 Geisinger Discusses concerns with the -2 amendments.
 228 Marvin Brown Director, Department of Forestry. Refers to testimony submitted by Sen. Nelson on behalf of the Department of Forestry. Submits a letter on behalf of Gov. Ted Kulongoski in support of SB 1072

		(EXHIBIT U). Testifies in support of SB 1072.

255	Sen. Shields	Verifies they manage to get to approximately one percent.
256	Brown	Replies yes.
257	Brown	Continues testimony in support of SB 1072.
281	Vice-Chair Ferrioli	Asks if there is a way to characterize the backlog in untreated acres on federal forest lands.
285	Brown	Offers to try and retrieve the information. States there are approximately 10 million acres at high risk in the state and they are getting to a little more than one percent of that a year.
291	Vice-Chair Ferrioli	Verifies the percentage of treated acres is a fraction over the percentage of high risk acres, not a percentage of the total acres.
295	Brown	Replies correct.
297	Vice-Chair Ferrioli	Asks if the Governor has had a chance to look at the -2 amendments. Wonders if his written support is for the bill as drafted.
301	Brown	Explains the letter was written before the -2 amendments were drafted.
307	Vice-Chair Ferrioli	Wonders if the Governor supports SB 1072 as drafted or the amended version.
309	Brown	States he would not want to speak on behalf of the Governor.
311	Sen. Shields	Explains he thought the Governor was supportive of the -2 amendments. Asks about biomass.
331	Brown	Discusses management concepts.
343	Sen. Shields	Wonders if gathering up the biomass in the federal forests could be done within the concepts of the structured based management that has been promoted on state forests. Verifies that would enhance wildlife habitat.
352	Brown	Replies yes.
354	Sen. Shields	Explains he had visualized biomass as the blanket of debris that builds up over time on the forest floor. Points out it is a lot more than that.
358	Brown	Explains they are mainly concerned with standing trees and the density of the forest. Explains in detail.
368	Sen. Shields	Verifies that forest fires clean up the forest floor and also knock out the dead standing trees without harming the healthier trees.
376	Brown	Explains forest fires in the east side of the state. Provides background information on fire protection.
396	Sen. Ferrioli	Comments on the differences between forests in the west side of the state and the east side of the state. Discusses history of forest management in the eastern part of the state. Comments on long term forest health.
TAPE 128, B		
003	Sen. Ringo	Wonders about the economics of biomass operations. Discusses loss of money with regards to the management of federal forests. Wonders biomass could be financially self-sustaining.
010	Brown	Explains it is close to not being profitable primarily because of transportation costs. Discusses use of biomass.
019	Sen. Ringo	Wonders if financial loss with regards to biomass is part of the cost of managing forests. Inquires as to a funding source.
026	Brown	Explains they do not anticipate that money from the state. States they would have to operate under a federal grant. Provides further explanation.

036	Sen. Ringo	Points out this is a long term investment for the health of the forest.
040	Brown	Responds.
043	Sen. Ringo	Asks if there are examples of biomass operations in place in Oregon currently.
051	Brown	Believes there is an example in the Lakeview area. Discusses Sun Pass State Forest.
057	Sen. Ringo	Asks if that is a place where they are specifically removing the overstocked material for the purpose of forest health.
058	Brown	Replies yes and explains they also generate revenue.
060	Sen. Ringo	Wonders what happens to the removed materials.
061	Brown	Explains they are purchased by saw mills and local industry.
062	Chair Brown	Makes comments regarding today's agenda.
070	Chair Brown	Recesses the public hearing on SB 1072 and opens a public hearing on HB 2932A.

HB 2932A - PUBLIC HEARING

073	Sen. Ben Westlund	Senate District 27. Explains the -A2 amendments. States that Rep. Nelson supports the -A2 amendments.
090	Sen. Ringo	Comments on relating clauses.
094	Sen. Westlund	Responds. Continues testimony in support of HB 2932A with the -A2 amendments.
102	Chair Brown	Makes comments.
120	Chair Brown	Closes the public hearing on HB 2932A and re-opens the public hearing on SB 1072.

280	Bill J. Kluting	Western Council of Industrial Workers, Oregon. Testifies in support of SB 1072.
328	Chair Brown	Comments the environmental community and the timber industry both have concerns with the -2 amendments.
333	Sen. Shields	Wonders if the definition of biomass given by witness is

338 Miller different than the definition of biomass in the -2 amendments.
Replies correct.

339 Sen. Shields Asks if they are competing definitions. Inquires as to an explanation of the difference in definitions.

341 Miller States he does not know the intent of the proponents of the -2 amendments.

344 Sen. Shields Verifies witness does not know where the definition in the -2 amendments comes from.

345 Miller Confirms this. Explains they are comfortable with the definition of biomass as defined in HB 3481 (2005) and with the way the Oregon Public Utility Commission has defined it.

357 Chair Brown Mentions SB 1082 (2005) regarding Warm Springs biomass generation. Believes the same issue occurred in that bill.

360 Miller Believes there was no definition in SB 1082.

361 Chair Brown Replies yes and explains that is the problem with SB 1082.

362 Miller Verifies that someone wants a definition in the bill.

363 Chair Brown Replies yes.

364 Miller Comments on the definition of biomass.

366 Sen. Shields States that the main difference in the definitions seems to be with the pulping liquor.
Replies yes.

367 Miller Requests explanation of the carbon neutral paragraph.

368 Sen. Shields Inquires as to what Sen. Shields is looking at.

373 Miller Replies he is looking at the fact sheet discussing the benefit of using pulping liquor for renewable energy.

374 Sen. Shields Refers to and explains the flow chart in the submitted packet (EXHIBIT V).

380 Miller Wonders if the added pulping chemicals become part of the liquor that gets burned.
Explains it gets separated out.

407 Sen. Shields Asks clarifying question.

410 Miller Provides clarification.

411 Sen. Shields Verifies reasons for objections to the -2 amendments.

413 Miller Wonders what specifically about the definition of biomass in the -2 amendments the witness finds objectionable.

419 Sen. Ringo Provides explanation.

433 Sen. Ringo

437 Miller

TAPE 129, A

006 Sen. Ringo Asks if witness had discussions with Sen. Nelson on this issue.

008 Miller Replies no. Explains the dialogues with Sen. Nelson have been about the basic concept of the bill. Explains today was the first time he had seen the -2 amendments. Explains he expressed his concerns to Sen. Nelson prior to the hearing. Explains one alternative is to strike the definition of biomass from the bill.

020 Sen. Ringo Verifies those are the only two objections the witness has and if those concerns are addressed he would support the -2 amendments.
Replies yes.

022 Miller Wonders about the economics of biomass operations in the forest.

023 Sen. Ringo Discusses the economics of biomass operations.

026 Miller Closes the public hearing on SB 1072 and opens a public hearing on SJR 9.
