|                  |                         | AYE:       In a roll call vote, all members present vote         AYE.                                               |
|                  |                         | EXCUSED: 3 - Barker, Dalto, Westlund                                                                                |

| 022       | Chair Kruse             | The motion CARRIES.                                                                                                                                                           |
|-----------|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 039       | Chair Kruse             | Closes work session on HB 2462 and opens work session on HB 2641.                                                                                                             |
| HB 2641 - | - WORK SESSION          |                                                                                                                                                                               |
| 041       | Thiele-Cirka            | Summarizes bill and -1 amendments, dated 5/20/03 (EXHIBIT B).                                                                                                                 |
| 058       | Edge                    | Testifies in support of concept. Details concerns with bill<br>and -1amendments. Notes issues with Center for<br>Medicare/Medicaid Services (CMS) approval.                   |
| 077       | Chair Kruse             | States intent regarding bill and CMS.                                                                                                                                         |
| 087       | Rep. Anderson           | Inquires legislation versus administrative rule regarding changes.                                                                                                            |
| 089       | Chair Kruse             | Discusses process to establish policy.                                                                                                                                        |
| 095       | Edge                    | Concurs with suggested options.                                                                                                                                               |
| 101       | Rep. Tomei              | Inquires on impact to hospitals regarding cost shifts.                                                                                                                        |
| 102       | Edge                    | Reports cost shift absorbed by hospitals.                                                                                                                                     |
| 108       | Rep. Anderson           | Inquires on hospital administration policies regarding emergency care.                                                                                                        |
| 110       | Edge                    | Relates emergency intake policy.                                                                                                                                              |
| 120       | Bruce Bishop            | Oregon Association of Hospitals and Health Systems. Testifies in support of concept.                                                                                          |
| 137       | Rep. Tomei              | Inquires on impact of cost shift to hospitals.                                                                                                                                |
| 139       | Bishop                  | Discusses current and potential impact. Notes preventative nature of bill.                                                                                                    |
| 151       | Rep. Tomei              | Clarifies use of bill as deterrent.                                                                                                                                           |
| 154       | Bishop                  | Addresses appropriate and inappropriate levels of care.                                                                                                                       |
| 161       | Rep. Anderson           | Inquires on fully capitated care in regard to indigent care and emergency services.                                                                                           |
| 168       | Bishop                  | Relates benefits and consequences of current models.                                                                                                                          |
| 176       | Chair Kruse             | Discusses issues related to access to appropriate care. Orders                                                                                                                |
| 195       | Rep. Anderson           | committee to stand at ease. Reconvenes meeting.<br>MOTION: Moves to ADOPT HB 2641-1 amendments dated                                                                          |
| 196       | Bon Monnog              | 5/22/03.                                                                                                                                                                      |
| 190       | Rep. Monnes<br>Anderson | Comments on impact to hospitals. Notes proposed legislation<br>regarding managed care model for Oregon Health Plan (OHP).<br>Comments on CMS approval process. Explains vote. |
| 229       | Rep. Tomei              | Expresses reservations. Explains vote.                                                                                                                                        |
| 231       | Rep. Anderson           | Notes time frame with CMS.                                                                                                                                                    |
| 233       | Chair Kruse             | Reports on time line.                                                                                                                                                         |
| 238       | Rep. Anderson           | Comments on long range planning.                                                                                                                                              |
