		Wrong wires used
		• Someone drills through a firewall
		• Unlicensed individuals doing work on owners side of private
		side putting in boxes or wires
		Not permitted and inspected
284	Chair Nelson	Asks about concern with statute.
289	Broadfoot	Responds concern is equipment exempted. Refers to language in

TAPE, 39, B 007	Steve Wiege	President, Progressive Communications. Testifies in opposition
007	Sleve wiege	of SB 822. Expresses concerns with SB 822. States a level

023	Sen. Metsger	Asks what exempted companies were previously referred to.
027	Philips	Responds as many as four hundred companies.

098	Sen. Walker	Expresses confusion with different bills.

115	Dewey	Discusses what SB 822 deals with and discusses politics. Feels there are two different issues.
152	Brandt Wolf	Oregon Telecommunications Association (OTA). Comments SB 822 and HB 3465 address separate issues. States SB 822 is a licensing issue and HB 3465 is a permitting issue.
189	Sen. Metsger	Provides example on demarcation issue.
195	Wolf	Feels SB 822 should be passed with no harm imposed.
204	Mark Long	Administrator, Building Codes Division. Testifies in neutral position of SB 822. Feels issues are separate but need equality and close to being worked out. Expresses concern if SB 822 passed by itself because the overall regulatory picture would lack addressing permit inspection issue and confusing language would still exist.
234 235	Chair Nelson Long	Asks about demarcation, permitting and licensing issues. Responds there are three main issues:
255	Long	 Getting everybody equal
		• Getting demarcation regulated in and out of the building
		• Penetrating firewalls and working on safety systems
247	Chair Nelson	Clarifies previous testimony wants equality addressed first and then worry about other two issues.
249	Long	Expresses appreciation of that.
250	Chair Nelson	States if SB 822 is not passed there will be no equality.
252	Long	Responds it has been a steep learning curve for Building Codes Division.
253	Chair Nelson	Comments if things explode over demarcation then there is inequality.
255	Long	Responds willing to provide an interpretation making it equal but it would not give certainty the statute would give.
258	Chair Nelson	Feels need to make everyone equal first and then worry about other issues.
263	Sen. Walker	Believes work group idea is a good idea.
268	Long	Appreciates opportunity to try to work things out but understands concerns of other parties.
270	Sen. Metsger	Feels a tight window should be given to solve the issues or move ahead and then maybe it will be solved.
277	Chair Nelson	Comments first make people equal and then work on other issues. Feels everyone should start out equal and seems trying to get to a decision of not putting people in equal starting position. Comments will try to work things out in a week and if not worked out will move forward with it.
285	Long	States that is fine and willing to give it a try and report back.
290	Chair Nelson	Closes the public hearing on SB 822 and opens a public hearing on SB 575.

307	Devin Kidman	The People Group. Testifies in favor of SB 575. Discusses SB 575.
350	Ed Glad	Pacific Northwest Regional Council of Carpenters. Expresses caution of SB 575.
TAPE, 40, A		
015	Mike Lehman	Cardinal Services. Comments issue is licensing building contractors on the job site. States good concerns have been raised and issue is administrative services that staffing companies and work releasing companies provide.
031	Chair Nelson	Asks if this has any issue with the definition of the independent contractor.
034	Glad	Responds many business interests do not want to handle payroll but with employee leasing conflicts will occur with independent contractor status.
047	Lehman	States does not want independent contractors. Adds Builders Board will most likely come up with regulations to make sure it is properly credited work releasing companies and staffing companies involved and if do not fit in parameters they will not allow it to happen.
061	Chair Nelson	Closes the public hearing on SB 575 and adjourns the meeting at 3:04 PM.
