TAPE/#	Speaker	Comments
TAPE 22, A		
004	Chair Patridge	Convenes committee at 3:30 p.m. and opens a public hearing on HB 3359 and HB 3389.
020	Mark Jolley	Committee Administrator. Gives background information on HB 3359 and HB 3389.
034	Rep. Lowe	Asks how are these items going to be stored and is there a cost related to storage.
035	Chair Patridge	Responds that they will be posted on the internet and there will be some associated cost.
043	Rep. Lowe	Asks if there were various drafts and revisions would they be required to be disclosed under the "Freedom of Information Act" and if they were stored would they need to be posted on the internet.
049	Chair Patridge	Responds that just the reports required by state law would be posted on the internet.
054	Ralph Saperstein	Representing Boise Cascade. Expresses concern that the Archives Division has decided that tables and graphs take up too much memory and they are not put on the internet for the various Oregon Revised Statutes (ORS) and Oregon Administrative Rules (OAR). Asks when this bill requires reports be added is that report minus the tables and graphs or in addition. States if that is the case for reports then it should be the same for ORS's and OAR's.
071	Chair Patridge	Comments that it should be the complete report in its entirety and agrees that tables and graphs are important parts of these reports. For Legislative history we should probably discuss this.
075	Saperstein	States with the feeling that tables and graphs are an important part of the reports you must also believe that they are an important part of the ORS and OAR and that tables, graphs, charts and exhibits should be a part of them also.
078	Chair Patridge	Agrees with that comment.
081	Rep. Lowe	Expresses the need for a fiscal and that indeterminate hardly qualifies.

082	Chair Patridge	Closes the public hearing on HB 3359 and HB 3389 and opens a work session on HB 3389.
085	Chair Patridge	States there is a fiscal for both bills but they are indeterminate and explains.
093	Rep. Lowe	Questions if Department of Administrative Services (DAS) and Archives will have an opportunity to comment and asks where these bills go from here.
095	Chair Patridge	Explains the bills will go to the floor.
097	Rep. Lowe	Comments that for purposes of moving these bills to the floor only and reserves the right to vote sideways if Archives or DAS comes forward with new information that would make the bill look bad.
099	Rep. Lowe	MOTION: Moves HB 3389 to the floor WITHOUT RECOMMENDATION as to passage.
110	Chair Patridge	Asks if Archives and DAS had been contacted regarding this bill.
113	Jolley	States that DAS was contacted they supported the bill and had no reason to testify but he had not talked with Archives.
115	Rep. Lowe	Asks that DAS and Archives be contacted again. VOTE: 2-0 EXCUSED: 1 - Rep. Hill

161	Rep. Lowe	MOTION: Moves to ADOPT HB 2987-1 amendments dated 3/14/01.
169	Chair Patridge	Expresses concern about the -1 amendments prohibiting the use of cell phones in restaurants like they do smoking if the amendment is limited to motor vehicles.
174	Rep. Lowe	Gives information regarding the history of discussions on HB 2987.
220	Chair Patridge	Asks what is the nature of the -1 amendments as opposed to the bill.
