OPENED CONFERENCE COMMITTEE ON HB 2612

010 Liz Martin-Mahar Retains sections 1 and 2 of the B-Engrossed Bill. Permits the Board of Property Tax Appeals to hear appeals of real market if the assessment date was July 1, instead of January 1, due to the property being damaged or destroyed. At the request of the Department of Revenue references were added to include all damaged and destroyed property being allowed a change in the assessment date with one exclusion. That exclusion is that if a property owner is convicted of arson then a change in the assessment date and an appeal of the real market value due to damage or destroyed property will not be provided. (Section 3 of the -B10 amendment) Deletes sections 3-8 of the B Engrossed Bill: Eliminates the adjustments in maximum assessed value if the property is not damaged and destroyed due to fire or Act-of-God. Creates a temporary stand-alone section 4 (-B10 Amendment) which provides a waiver of the additional taxes on cemetery land. The property owned or being purchased by a charitable institution must be purchased before January 1, 2006. Provides a 10-year sunset on the waiver of the additional tax on cemetery land.
