## SENATE COMMITTEE ON GENERAL GOVERNMENT AND TRANSPORTATION

## January 23, 2001 Hearing Room 343 3:00 pm Tapes 10 - 12

| MEMBERS PRESENT: | Sen. Gary George, Chair<br>Sen. Rick Metsger, Vice-Chair<br>Sen. Sen. Margaret Carter<br>Sen. Sen. Beverly Clarno<br>Sen. Sen. Ken Messerle |
|------------------|---|
| STAFF PRESENT:   | Patrick Balducci, Administrator<br>Nancy Massee, Administrative Support   |

## **MEASURE/ISSUES HEARD:**

Overview of Driver and Motor Vehicles Division Overview of Motor Carrier Transportation Division SB 298 Public Hearing and Work Session SB 299 Public Hearing and Work Session

These minutes are in compliance with Senate and House Rules. <u>Only text enclosed in quotation marks reports a speaker's exact words.</u> For complete contents, please refer to the tapes.

| TAPE/#     | Speaker  | Comments   |
|------------|--|--|
| TAPE 10, A |  |  |
| 003        | Sen. Gary George   | Chair. Opens meeting at 3:05 pm.   |
| 009        | Patrick Balducci   | Staff. Gives introduction to meeting agenda.   |
| 014        | Lorna Youngs   | Driver and Motor Vehicles Division (DMV) Deputy Director.<br>Gives overview of DMV. Describes responsibilities of the<br>department ( <b>(EXHIBIT A)</b> . DMV is about transactions. Its<br>mission is to promote driver safety, protect financial and<br>ownership interests in vehicles and collect revenue for Oregon<br>roads. The two areas that DMV deals with are drivers and<br>vehicles. |
| 083        | Youngs   | Continues presentation of the work of the DMV. Explains<br>customer service. Discusses cost and productivity. Comments<br>on population growth in Oregon and its affect on DMV.  |
| 145 Youngs | Continues presentation. Discusses driving safety and customer service of DMV. Comments on accomplishments of the department. |  |
|            |  | • Maintained service level with budget cuts.   |
|            | • Implemented 40 legislative bills.  |  |
|            |  | • Automated many of their programs.  |
| 213        | Youngs   | • Prepared an Older Driver Study.<br>Discusses the future of DMV. States the present budget is \$116<br>million. Information technology will be implemented depending<br>on revenue. Comments that "credit card payment" needs to be<br>implemented. Screening for "impairment" as opposed to "age"<br>is a goal.  |

| 246   | Youngs   | Describes electronic processes that need to be implemented.   |
|---|--|---|
| 290   | Youngs   | Discusses "keeping ahead of the game".  |
| 310   | Sen. Metsger   | Asks about customer service and how personal information is to<br>be kept confidential. Relates the Gresham incident where DMV<br>offices were broken into.   |
| 336   | Youngs   | Explains the computers were recovered quickly and the database  |
| 550   | i oungo  | was determined in tact. Answers that storing no more than one   |
|   |  | day's information in the computers has tightened security.  |
|   |  | Confidentiality is protected.   |
| 353   | Sen. Metsger   | Asks about buyer-seller transfer of titles electronically through DMV.  |
| 367   | Youngs   | Describes what she knows about financial institutions that would<br>have to subscribe to the service for tracking buying and selling  |
| 202   | San Maggarla   | automobiles   |
| 393   | Sen. Messerle  | Asks about closing of the Coquille office and the options.  |
| 400   | Youngs   | Answers that there are proposals offering service. Explains at  |
|   |  | this point the department does not know what its budget   |
|   |  | allocations will be and what the policy will be. Says DMV is  |
|   |  | ready to negotiate what the policy will be according to legislative direction.  |
| 460   | Sen. Messerle  | Asks if DMV has responded to Coquille as of today.  |
| 467   | Youngs   | Answers she has not answered yet.   |
| 474   | Sen. George  | Introduces Gregg Dal Ponte.   |
| 480   | Gregg DalPonte   | Deputy Director, Motor Carrier Transportation Division of   |
| -00   | Olegg Dall Olice   | ODOT (EXHIBIT B). Gives overview of the Motor Carrier   |
|   |  | Transportation Division and states its mission is to promote a  |
|   |  | safe, efficient, and responsible commercial transportation  |
|   |  | industry.   |
| TAPE 11, A  |  | industry.   |
|   |  |   |
| 080   | DalPonte   | Continues presentation on motor carrier transportation division.  |
| 080   | DalPonte   | Continues presentation on motor carrier transportation division.<br>Discusses services delivered to the public, to the trucking   |
| 080   | DalPonte   | Discusses services delivered to the public, to the trucking   |
| 080   | DalPonte   | Discusses services delivered to the public, to the trucking industry, to the state. Describes trucking industry services.   |
| 080   | DalPonte   | Discusses services delivered to the public, to the trucking<br>industry, to the state. Describes trucking industry services.<br>Explains collection of highway use tax for the state.   |

|              |                          | safety of trucks and drivers.   |
|--------------|--------------------------|---|
| 355          | Sen. Messerle            | Asks about law enforcement's role in tracking down violators of   |
|              |                          | the system.   |
| 360          | DalPonte                 | Explains how law enforcement is used along with motor carrier enforcement.  |
| TAPE 10, B   |                          |   |
| 020          | DalPonte                 | Explains the department's role in reducing highway truck<br>accidents. ODOT certifies truck inspectors by classroom<br>training. There are 500 trained truck inspectors. There are about<br>1,700 truck crashes annually in Oregon.                                       |
| 060          | DalPonte                 | Continues presentation describing federal funding of safety measures.   |
| 065          | Sen. Messerle            | Asks if federal funds can be counted on in the future.  |
| 072          | DalPonte                 | Answers by noting that the motor carrier division has been<br>receiving federal funds for a long time. The division has to<br>follow certain federal requirements that, if followed, ensure<br>ongoing federal funding.   |
| 080          | Sen. Messerle            | Asks if the federal funds are only to start up a program.   |
| 088          | DalPonte                 | Describes Green Light program and funding.  |
| 108          | DalPonte                 | Refers to a letter from a constituent who inquired about<br>regulations for amputees. Describes a prosthetic device in<br>relation to medical waiver requirements for amputees.<br>(EXHIBIT C)  |
| 166          | DalPonte                 | Explains an individual example of an amputee driving a truck.   |
| 197          | Chair George             | Asks Sen. Carter to give her expectations of the committee.   |
| 218          | Sen. Carter              | Explains what her goals for the committee are <b>(EXHIBIT D).</b>   |
|              |                          | • Provide cost effective transportation for senior and disabled citizens.   |
|              |                          | • Include communities in planning for transportation  |
|              |                          | • Include transportation issues that consider national rail, port, highway and air services.  |
|              |                          | • Maintain and repair the aging and congested transportation systems already in existence.  |
|              |                          | Says transportation future should look to new goals. The committee needs to work for transportation network that serves the state.  |
| 367          | Chair George             | Closes informational meeting Opens public hearing on SB 298.  |
| SB 298 PUBLI |                          |   |
| 400          | Balducci                 | Describes SB 298. There is a fiscal impact. No revenue impact.  |
| 450          | Kelly Taylor             | ODOT. Supports SB 298. Explains the reasons why this measure should be passed. Says the bill gives the department authority to adjust and monitor the provisional driver improvement program rather than waiting for legislative sessions to modify programs (EXHIBIT E). |
| TAPE 11, B   |                          |   |
| 080          | Sen Carter               | Agrees increasing driver safety by administrative rule is more efficient than legislatively.  |
| 088          | Sen. Messerle            | Asks about costs.   |
| 093          | Balducci                 | Explains fiscal costs of program.   |
| 107          | Clarno                   | Asks if this is referred to Ways and Means.   |
| 110<br>112   | Balducci<br>Chair George | Replies it does not go to Ways and Means.<br>Closes public hearing on SB 298. Opens work session on SB  |
| 112          | Chan Ocolge              | Croses public hearing on SD 276. Opens work session on SD   |

|                   |                | 298.   |

|                   |                | VOTE: 5-0  |
| 1.50              |                |  |
| 152               | Chair          | Hearing no objection, declares the motion CARRIED.<br>SEN. CARTER will lead discussion on the floor.   |
| 153               | Chair George   | Closes work session on SB 298. Opens public hearing on SB 299.   |
| SB 299 PUBLI      | C HEARING      |  |
| 204               | Balducci       | Explains SB 299 regarding weighmasters issuing citations. States the bill will be referred to the Revenue Committee.                               |
| 207               | Steve Johnston | Manager, Field Motor Carrier Services, ODOT. Supports SB 299. Explains how this bill will help judges and provide uniform enforcement (EXHIBIT F). |
| 210               | Chair George   | Asks how much evasion occurs.  |
| 215               | Johnston       | Discusses fines and registration fees.   |
| 319               | Sen. Messerle  | Asks if the medical cards are part of registration.  |
| 322               | Johnston       | States the medical card is part of the licensing. There is a fine of   |
| 522               | Johnston       | \$77 for not having a medical card under federal motor carrier regulations.  |
| 329               | Sen. Messerle  | Asks if that should be included in the citations.  |
| 332               | Johnston       | Not necessary because it is part of the registration.  |
| 340               | Sen. Metsger   | Asks if there can be federal and state penalties.  |
| 347               | Johnston       | Explains there would be one citation, the state's.   |
| 358               |                | Asks if the State Police are notified when there is a suspended  |
| 558               | Sen. Metsger   | driver identified.   |
| 362               | Johnston       | Explains the procedure.  |
| 400               | Sen. Messerle  | Asks if that is the same procedures if somebody bypasses the scales.   |
| 405               | Johnston       | Explains the procedure followed to stop a truck.   |
| <b>TAPE 12, A</b> |                |  |
| 015               | Sen. Clarno    | Asks about violation of no chains.   |
| 020               | Johnston       | Explains the procedure to cite trucks for not being chained  |
| 020               | Vollibioli     | properly.  |
| 037               | Sen. Clarno    | Asks the authority and procedure in tracking unchained trucks in snow areas.   |
| 042               | Johnston       | Explains the procedure.  |
| 057               | Sen. Carter    | Asks Gregg DalPonte about preparing personnel who issue  |
|                   |                | citations and make arrests.  |
| 060               | DalPonte       | Responds on policy and procedures.   |
| 084               | Johnston       | States no citation is worth an escalation involving possible violence. Personnel are trained to handle hostile situations.                         |
| 100               | DalPonte       | States that Bob Russell, Oregon Trucking Association, has reported that he supports SB 299.  |
| 103               | Staff          | Submits (EXHIBIT G) from the State Police.   |
