Comments
This informational trip to the Oregon Department of Transportationís (ODOT) District 3 Maintenance Headquarters in

Salem was not recorded. District 3 is one of 16 ODOT districts and covers much of the area around Salem and McMinnville. While displaying paving and maintenance machinery to the committee members, ODOT managers and employees touched on the wide range of their responsibilities, from traffic control and emergency response to road grading and clean-up. Committee members showed particular interest in the equipment that had been modified by facility employees, the incident response team and the level of partnership between ODOT and local governments. No bills were discussed or official action taken.
