TAPE 88, A		
005	Chair Starr	<p>Calls the meeting to order at 8:07 am. States that the bills on today's agenda are not workable for the following reasons:</p> <p>HB 2499, the department has worked out an agreement with the rangers to assist them with their problems of predatory animal control.</p> <p>SB 1086, has largely been solved as an agreement between the departments regarding the land managing departments. Water Resources will be listed as a non-land managing department.</p>

		SB 1202, has constitutional problems.
034	Chair Starr	Adjourns meeting 8:12 am.
