<b>TAPE 26, A</b>		
003	Vice-Chair Wooten	Opens meeting at 7:06 p.m. Opens a public hearing on HB 3649.
<b><u>HB 3649</u></b> <b><u>PUBLIC</u></b> <b><u>HEARING</u></b>		
008	Sen. Kate Brown	State Senator, Senate District #7. Describes the Oregon Women's Health and Wellness Alliance. States that the bills sponsored by the alliance are categorized under either economics, health, or public safety.
025	Rep. Kitty Piercy	State Representative, House District #39. Briefly describes the bills to be presented, stating that the bills represent a "step forward" for women in the state. (EXHIBIT A)
050	Rep. Barbara Ross	State Representative, House District #35. Talks specifically to the bill dealing with breast cancer, HB's 3217, 2800, and 2882. States that her sisters have survived breast cancer due to the excellent health care they received. Mentions economic pressures moving the state away from quality medical care.
079	Rep. Anitra Rasmussen	State Representative, House District #11. States that she will save her comments to when the committee discusses specific bills. (EXHIBIT D2)
086	Rep. Chris Beck	State Representative, House District #12. Supports the bills. Expresses admiration for the alliance.
108	Kevin Earls	Associated Oregon Industries. Submits written testimony (EXHIBIT B). Speaks generally about the public policy tradeoff with the proposed mandates to health insurance. Notes the state's success in increasing the percentage of residents receiving coverage. States that in the last three years the rate of uninsured has dropped from 14% to 10.5%. Opposes adding new costs to health benefits.
158	Earls	Continues testimony, talking of Oregon's managed care. States that mandates disproportionately affect small employers.
183	Barney Speight	Health Plan Administrator's Office. Describes the membership and the purpose of the Health Resources Commission. States that the commission performs a publicly-funded medical technology assessment program.
231	Vice-Chair Wooten	Closes the public hearing on HB 3649. Opens a public hearing on HB 3217.
<b><u>HB 3217 -</u></b> <b><u>PUBLIC</u></b> <b><u>HEARING</u></b>		
235	Rep. Hill	Asks Mr. Earls if he has a cost estimate.
241	Earls	Answers that each mandate will be significant, but that he doesn't know specifics.
262		Introduces her legislative aide, Brenda Teig.

	<b>Rep. Rasmussen</b>	
270	<b>Brenda Teig</b>	<b>Legislative Aide. Submits written testimony (EXHIBIT C). States that bone marrow transplants save lives. Explains the medical procedures for treating breast cancer. Describes legal and financial uncertainty faced by patients.</b>
321	<b>Jan Ryan</b>	<b>Resident of Eugene. Relates personal experience with breast cancer and chemotherapy.</b>
373	<b>Ryan</b>	<b>Continues relating personal experience.</b>
<b>TAPE 27, A</b>		
030	<b>Ryan</b>	<b>Continues relating personal experience.</b>
065	<b>Speight</b>	<b>Introduces Dan Harris.</b>
070	<b>Dan Harris</b>	<b>Executive Director for the Oregon Health Resources Commission. Submits written materials (EXHIBIT D). Talks of a recently appointed panel established to guide the commission on its research on bone marrow transplants. Relates findings of the commission on the medical procedures.</b>
120	<b>Harris</b>	<b>Continues testimony. States that there is suggestive evidence that there are benefits for some patients.</b>
170	<b>Harris</b>	<b>Continues testimony. States that they will provide the committee with the results of their study as well as a set of recommendations.</b>
189	<b>Rep. Devlin</b>	<b>Asks how many cases there are a year where this treatment would be a viable option.</b>
195	<b>Harris</b>	<b>Answers approximately 10% of the women suffering from breast cancer. States that nationally there have been 181,600 cases in 1997.</b>
223	<b>Teig</b>	<b>States that 70 bone marrow transplants were performed in 1996 in Oregon.</b>
227	<b>Rep. Taylor</b>	<b>Asks if they would characterize this procedure as experimental.</b>
230	<b>Harris</b>	<b>Replies they he wouldn't characterize it as experimental but rather evolving.</b>
243	<b>Rep. Taylor</b>	<b>States that 2003 is a long way away.</b>
259	<b>Rep. Hill</b>	<b>Asks if a medical doctor would prescribe this treatment casually in cases where it isn't needed.</b>
284	<b>Harris</b>	<b>Notes that physicians often respond to their patients wishes. Expresses concern with clinical trials requiring volunteer patients. States that there are unanswered questions regarding the procedure.</b>
330	<b>Speight</b>	<b>Refers to a report from U.S. Congressman Ron Wyden stating that health insurance mandates endanger clinical research which could answer unanswered questions.</b>
354	<b>Gerry Thompson</b>	<b>Oregon Association of Health Underwriters and Pacific Health and Life Insurance Company. States that the industry has worked hard</b>

		on market reform, making insurance more available. States that mandates increase insurers' costs and decrease consumers' ability to choose their own level of coverage.
<b>TAPE 26, B</b>		
007	Rep. Hill	Asks if she has any data on the costs associated with bill.
016	Thompson	Responds that they are working on compiling the information.
021	Rep. Hill	Asks how much it would cost to cover this procedure. Asks if the procedure is available as an "add-on."
033	Thompson	Responds that it is not an add on, noting that it would be extremely expensive as an add on.
040	Rep. Hill	Asks if the witness knows when the compilation will be complete.
042	Thompson	States that she doesn't know.
044	Rep. Devlin	Asks if the witness will provide data to the committee.
047	Thompson	Answers yes.
051	Rep. Whelan	Asks if the procedure will become covered if studies find that it is "good science."
058	Thompson	Answers yes.
067	Vice-Chair Wooten	Asks if an insurer in the state currently covers the procedure.
071	Thompson	Defers to the representatives of the insurance companies.
075	John Powell	Blue Cross and Blue Shield of Oregon. Introduces Mona Simons. (EXHIBIT C2)
080	Mona Simons	Transplant Oncology Senior Medical Management Coordinator for Region's Blue Cross and Blue Shield of Oregon. Expresses ambivalence yet opposes the bill. States that out of 75 requests for the procedure she has had to turn down two women. States that their policies are consistent with the Health Resources Commission's recommendations. Notes inconclusive findings on bone marrow transplants. Notes that if coverage is mandated that it will be very difficult to recruit women to participate in research trials in order to find definite answers. Suggests waiting for the results of the trials.
130	Simons	Reads quote from Dr. Jim Sabian citing the need for "reasonable resource restraints."
140	Rep. Hill	Asks if individuals choosing to participate in the trials have their treatment covered.
150	Simons	Answers yes.
179	Rep. Devlin	Asks if anyone in need of the treatment can participate in the study and thus receive treatment.
184	Simons	Answers yes if they meet the clinical criteria of protocol. Reiterates that if treatment is mandated then participation in the trials will decrease.

203	Powell	States that Blue Cross believes very strongly in the research trials.
221	Rep. Hill	Asks about the costs of the procedure.
223	Simons	Answers from \$70,000 to \$115,000 per treatment, not including follow-up care or outpatient management.
229	Powell	Adds that the medical doctor for Blue Cross told him that with complications the cost can escalate to \$500,000.
234	Jenny Ulum	SelectCare Health Plans. Introduces Tom Jefferson. Submits written testimony (EXHIBIT E).
242	Dr. Tom Jefferson	Chief Medical Officer of SelectCare Health Plans. Opposes the bill as written and submits written testimony (EXHIBIT F).States that the bill proposes a simple solution to a complex problem, and provides a good example of why government shouldn't mandate health care benefits. Describes various procedures for replacing bone marrow damaged by chemotherapy. States that the procedure is scientifically unproven.
294	Jefferson	Continues testimony, listing independent research groups stating that the procedure is scientifically unproven.
344	Jefferson	Continues testimony.
349	Vice-Chair Wooten	Asks the witness to summarize his major points.
351	Jefferson	Briefly review bullet points of written testimony.
<b>TAPE 27, B</b>		
000	Rep. Taylor	Asks if SelectCare covers the procedure when appropriate.
002	Jefferson	Answers yes.
004	Rep. Hill	Asks if science has found a cure for the common cold.
005	Jefferson	Answers no.
007	Rep. Hill	Asks if a doctor diagnoses a patient as having a cold if insurance will pay for its treatment.
008	Jefferson	Answers yes.
010	Marcia Latta	Women's Rights Coalition. Supports the bill and submits written testimony (EXHIBIT G).
010	Vice-Chair Wooten	Closes the public hearing on HB 3217 and opens a public hearing on HB 2882.
<b><u>HB 2882 - PUBLIC HEARING</u></b>		
012	Vice-Chair Wooten	State Representative, House District #41. Submits written testimony (EXHIBIT H). States that nearly 2,000 women will be hospitalized this year in Oregon for mastectomies. Mentions psychological concerns. Mentions problems with the quick release of patients after the surgery. Notes that Medicaid requested the

		hospitals not limit the amount of days women may remain in the hospital after surgery.
062	Lee Smith	President, Oregon Breast Cancer Coalition gives testimony in support of HB 2882 (EXHIBIT I). Provides statistical information about breast cancer in Oregon. Describes medical concerns related to early release from the hospital.
093	Yulonda Evans	Lane County resident gives testimony in support of HB 2882 (EXHIBIT J). Relates personal mastectomy experience.
119	Rep. Whelan	Asks if her entire breast and lymph nodes were removed and then she was discharged within 24 hours.
120	Evans	Explains that she was discharged within 20 hours.
121	Rep. Whelan	Asks if her surgeon knew of the time limit imposed by the insurance company.
123	Evans	Indicates that she knew before the surgery that she would be allowed 24 hours in the hospital unless there were drastic complications.
128	Beth Prescott	Representative, Monoclonal Antibody Facility, Institute of Neuroscience, University of Oregon gives testimony in support of HB 2882 (EXHIBIT K). Relates personal mastectomy experience. Explains subsequent illness related to the surgery. Expresses frustration with dealing with her HMO.
173	Rep. Taylor	Asks if she had complications.
174	Prescott	Answers affirmatively.
182	Evans	Summarizes testimony on behalf of Molly Gibson in support of HB 2882 (EXHIBIT L).
191	Rep. Hill	Asks who their insurance companies are.
193	Evans	Select Care and Blue Cross and Blue Shield of Oregon.
211	Kathleen Dunn	Representative, Women's Rights Coalition gives testimony in support of HB 2882 (EXHIBIT M). Explains support of the Women's Rights Coalition of urging insurance companies to allow a minimum stay of 48 hours for mastectomy patients.
234	Vice-Chair Wooten	Closes public hearing on HB 2882. Opens public hearing on HB 3233.
<b><u>HB 3233</u></b> <b><u>PUBLIC</u></b> <b><u>HEARING</u></b>		
236	Vice-Chair Wooten	State Representative gives testimony in support of HB 3233 (EXHIBIT N). Introduces -2 amendments to the bill. Encourages insurance coverage of annual mammogram screenings for women over 40.
270	Dr. David Fleming	State Epidemiologist, Health Division, Department of Human Resources gives testimony in support of HB 3233 (EXHIBIT O). Explains the benefits of early diagnosis of breast cancer with the aid

		of mammography. Indicates that the National Cancer Institute approves of annual screenings.
308	Rep. Whelan	Verifies that Dr. Fleming is an epidemiologist.
312	Fleming	Answers affirmatively.
313	Rep. Whelan	Asks if there has been an increase in the number of cases of breast cancer.
314	Fleming	Indicates that the number of incidents of breast cancer has remained stable or increased slightly due to early detection.
317	Rep. Devlin	Asks why the bill is not encouraging coverage of women over 50.
324	Fleming	States that the Health Division strongly encourages annual mammograms for women over 50 and that the bill will extend the age limit down to 40.
332	Vice-Chair Wooten	Describes information from the American Cancer Society relating to mammograms and breast cancer detection.
341	Fleming	Agrees with information from the American Cancer Society. States that there is no way to prevent breast cancer, but the medical field can prevent more deaths from breast cancer.
352	Sen. Kate Brown	State Senator, District #7 Explains that legislation related to mammograms that was passed during the 1993 session will sunset during the 1999 session.
368	Vice-Chair Wooten	Requests the Committee Administrator to address the sunset clause with an additional amendment to the bill.
374	Betty Haus	Representative, Women's Rights Coalition and the American Association of University Women. Presents testimony in support of HB 3233 (EXHIBIT P).

039	Dr. David Fleming	State Epidemiologist, Oregon Health Division, Department of Human Resources. Provides testimony in support of HB 2880. (EXHIBIT R) Encourages access to breast reconstruction.

060	Rep. Whelan	Verifies that some women will not seek treatment for breast cancer due to the potential disfigurement.
062	Fleming	Answers affirmatively. Indicates that women view disfigurement as a significant reason to not seek testing for possible diagnosis.
076	Lee Smith	President, Breast Cancer Coalition. Provides testimony in support of HB 2880 (EXHIBIT S). Concurs that women do not seek diagnosis due to possible disfigurement. Explains that women who have had reconstruction agree that it helps to but the cancer experience behind them. Encourages insurance companies to provide coverage for reconstructive surgery or prostheses.
110	Smith	On behalf of Dr. Barbara Myrick, provides testimony in support of HB 2880 (EXHIBIT T).
121	Vice-Chair Wooten	Asks how many insurance companies cover reconstructive surgery and prostheses.
124	Smith	Does not know, but there are a few companies that do cover reconstructive surgery and many do not cover prostheses.
129	Vice-Chair Wooten	Indicates that the Oregon Health Plan does not cover reconstructive surgery. Suggests that the major issue of the bill is to include prostheses as an option.
139	Beth Prescott	Eugene resident gives testimony in support of HB 2880. Explains that her reconstructive surgery was psychologically helpful.
168	Kaaryn Keller	Representative, Women's Rights Coalition gives testimony in support of HB 2880 (EXHIBIT U). Explains that breast reconstruction is a matter of fairness and safety.
