Meeting opened as subcommittee

03 Chair Kintigh: Meeting called to order 1:08 P.M.

Opens PUBLIC HEARING on HB -
2128

10 Phil Ward: Department of Agriculture. Reviews the error in the statute that needs to be corrected. Therefore all of the years given in the statutes will read the same in regards to cattle vaccination ages. This was an oversight.

40 John McColley: Oregon Cattleman's Association. This would benefit the cattleman in that they may take the cattle "out of the pasture" one time for vaccinations instead of two or more times. It should save time and money for everyone.
