These minutes contain materials which paraphrase and/or summarize statements made during this session. Only text enclosed in quotation marks report a speaker's exact words. For complete contents of the proceedings, please refer to the tapes.

Members of the Senate Committee on Transportation and the House General Government and Regulatory Reform Subcommittee on Transportation were invited by Tri-Met and the Portland Chamber of Commerce to attend a briefing of the South/North Light Rail project, a tour of the Westside Light Rail tunnel, and a reception.

Westside MAX Project Briefing [EXHIBIT A] was distributed to attending members; it contains sections on project overview, status, economic impact, and financing.
