District #30

009 CHAIR OAKLEY: Notes the issue in this bill may be addressed in  
another bill.

012 REP. JOHN SCHOON: Testifies in support of the bill that would  
help small remote school districts to retain students and receive more  
state money. It would prohibit a large district from preventing the  
transfer of a student to a small district. > Five schools are being  
disqualified from remote school funding because they no longer comply  
with standards.

052 TIM ADSIT, superintendent of Perrydale School District #30:  
Reads his testimony listing the reasons why his school district  
supports HB 3640 (EXH. A).

3640 (EXH. B). Work Session on HB 3083

Public Hearing on HB 3335 Rep. Lee Beyer Jim Markee, Professional Cosmetologists Asssoc. Susan Wilson, Board of Hairdressers and Barkers

225 REP. LEE BEYER, District 42: The HB 3335-3 amendment clarifies that temporary make-up and hair combing assistance done without compensation as part of preparation for having your picture taken or participation in a theatrical performance is an allowable activity under Oregon Law (EXH. F) and refers to his written testimony (EXH. G).

311 JIM MARKEE, Professional Cosmetologists Assoc.: Reviews what the HB 333 5-1 amendment does (see EXH. C, 4/13/93). > The Board has no choice but to regulate the type of activity addressed by the HB 3335-3 amendment. Not sure what is meant by "without separate compensation". Concerned about places charging more for the photograph because makeup and hair styling were part of the package.

REP. BEYER: Explains why he feels the word "separate" should be left in.

403 SUSAN WILSON, Board of Hairdressers and Barbers: Reviews the intent in the original bill and explains the changes in the -2 amendment (EXHIBIT H).

TAPE 68, SIDE A

041 MARKEE: Proposes deleting the word "separate" prior to compensation, and after compensation insert "specifically". > Fiscal analysis provided on HB 3335-2 (EXH. I).
