TAPE 43, SIDE A

CHAIR HAYDEN: Calls meeting to order at 11:15 a.m.

WORK SESSION HB 3181

JANET ADKINS, COMMITTEE ADMINISTRATOR: Describes HB 3181; submits (-2)  
amendments and informative material (EXHIBIT A).

035 REP. HOSTICKA: Asks about city size clarification.

JANET ADKINS: Responds.

045 REP. HOSTICKA: Will someone be testifying in favor of these  
amendments?

CHAIR HAYDEN: I don't think so.

REP. HOSTICKA: I'm wondering if the intent here is to give the cities  
the option to use their services and pay fees or if it just to say  
they don't have to pay fees and then if they use the services the rest  
of the people in the county have to pay for it - is this drafted  
incorrectly?

057 JANET ADKINS: Asked the speakers office two questions: Do they  
want to include fees and assessments both or just assessments?, and  
they wanted to include both service charges and assessments; and if  
they wanted these smaller cities to be completely out of the  
jurisdiction of the boundary commission and that wasn't what they  
wanted in the bill.

PUBLIC HEARING 3181 Witnesses: Steve Gordon, Lane Co. Boundary

Commission

078 STEVE GORDON, LANE CO. BOUNDARY COMMISSION: Testifies in opposition; submits written testimony and informative material from James A Saul. (EXHIBIT B)

142 REP. ROBERTS: How do you make a determination of what the fees are going to be? Isn't that set down in statute?

GORDON: Yes it is. The amount that we charge is not.

REP. ROBERTS: Then how do you make a determination on who is going to pay?

GORDON: Under the statute all cities are assessed based on population.

153 REP. ROBERTS: Would a Springfield person pay the same per person as Eugene?

GORDON: Yes.

167 REP. EDMUNSON and GORDON: Discuss the fee amount comparison between cities.

REP. EDMUNSON: Of the proposed fee assessment of \$485 to Junction City, does that pay for the staff time if Junction City had to process these themselves?

GORDON: No.

REP. EDMUNSON: Why would Junction City support abolishing its arrangement?

GORDON: The issue in Junction City is a philosophical one.
