TAPE 62A, SIDE A 006 CHAIR WALDEN: Calls the meeting to order at 2:38 p.m SB 1000 - WORK SESSION - LEGISLATIVE REDISTRICTING

007 CHAIR WALDEN: "There are some changes that need to be made, and we need to wait for Ray Baum."

007 REP. MARKHAM: "What's the changes?"

007 REP. PARKINSON: "Is there any discussion?"

008 CHAIR WALDEN: "Is there any discussion?"

009 REP. MASON: "Mr Chair, do you want me to go through line by line changes?"

010 CHAIR WALDEN: "Why don't you go through them." House Committee on Legislative Rules and Reapportionment: June 24, 1991 - Page 2

010 REP. MASON: "Mr. Chair, I doubt whether or not you'll accept this as an amendment to your plan but should the minority report be filed I'm looking at a map entitled "Clackamas County Alternative" which Rep. Miller's salivating over. And for the record the user is GRY, plan name FSCWest12B. Basically it's another version of Clackamas County. The version of Clackamas County would now create a new Milwaukie district. This new district would vary somewhat from our current minority plan proposal in that it would extend farther to the east and the district below that would encompass Oregon City and there would be a district to the east of it. Interestingly enough the district just happens to come out to where there is a sitting incumbent in all but one of the districts here. Fine line."

"These districts would be paired in this manner: the Lake Oswego/Milwaukie district would be paired with the Senate district, the Oregon City, what you might call the Happy Valley, the Oregon City/Happy Valley district would be paired into a Senate district, and the Wilsonville rep district and the remnants of northern, part of southern Clackamas County would be paired into a Senate district. Changes here, there have been slight changes around the Sherwood area at the request of some representatives there. And these pairings here would remain the same."

031 REP. MASON: "This has the support of a lot of the Clackamas County delegation, Rep. Miller included, perhaps."

035 CHAIR WALDEN: "May I describe the amendment we'll be voting on? Rep. Parkinson, this plan is "House Seats 6/15 South", and what we did was make some minor modifications down around here, around the south Coos Bay, and to accommodate a little problem we discovered this morning where we, because of some problems, put two members in the same district. It just didn't seem to make sense, that was not our intent along the way, and resulted from where the little "H" showed up in the computer representing where somebody lived."

046 CHAIR WALDEN: "Is there further discussion? If not, we are in work session and Representative...what do we want to call this amendment? Is the dash..."

049 ADMINISTRATOR SEXTON: "B-15."

049 CHAIR WALDEN: "B-15 is the majority amendment. Representative Parkinson?"
