PUBLIC HEARING.  
TAPE 60, SIDE A

005 CHAIR JOLIN: Calls the hearing to order at 1:09 p.m.

010 SB 902 BOARD OF OPROMETRY, WORK SESSION.  
      Witnesses: Jim Minnick, Oregon Board of Optometry.

016 CHERIE COPELAND: Summarizes the SB 902-4 amendments (EXHIBIT A). The amendments substitute language for the original bill. The amendments would add an alternate public member to the Board of Optometry. The public member would have the same voting rights and would be required not to be a member of the health care profession and would serve in the place of the regular member in that person's absence.

025 JIM MINNICK: Gives testimony in favor of SB 902-4. I have been on the Board of Optometry for 3 years and there are times due to another engagement that a member can't attend. Having only 5 members there have been times when a quorum hasn't been present and we can't conduct business. This bill would be an opening to have another member on the committee that can be called upon when we needed another member. This bill would have no fiscal impact.

MOTION: Chair Jolin moves the SB 902-4 amendments.

VOTE:          There being no objections the motion carries.

035 MOTION: Chair Jolin moves SB 902 as amended to the floor with a Do Pass recommendation.

040 VOTE: In a roll call vote the motion carries with Senators Bunn, Kennemer, and Chair Jolin voting "AYE." Senator Otto voting "NAY." Senator Shoemaker excused.

Senator Kennemer will carry the bill.

052 CHAIR JOLIN: Adjourns hearing at 1:15 p.m.
