BASCO APPLIANCE SUPPLY COMPANY

PORTLAND

SEATTLE

Buy your appliances from the store who is

STREET OF DREAMS

There is a reason that Basco is the Street Of Dreams Sponsor. They offer the best line of built-in appliances you may find anywhere else in Oregon. Many people consider BASCO to be the best appliance store in Oregon and Washington because of their EXTREMELY knowledgeable sales staff, their vast selection of appliances and their LOW LOW prices. They have special builder pricing on appliances that are often way below what other stores in this area "claim" to be "builder prices." Shopping for appliances at BASCO is a very unique experience.

Food cooking demonstrations, live displays of appliances actually hooked up and running in the showroom and a sales staff of the friendliest, most intelligent and best informed sales people make shopping for appliances at BASCO an experience you'll never forget. If you ever shopped at the old Smith's Home Furnishings stores in the Portland area you know what it's like to get steamrolled and hustled by a bunch of smoothie salespeople who didn't care what "you" wanted. They only cared what made them the biggest commissions.

BASCO sales staff is the most professional you may find anywhere and they educate you and help you find the items that "YOU" want rather than pushing the ones on you that give them the biggest spiff.

Shop at BASCO and see what a truly quality shopping experience can be.

BASCO, Builder's Appliance Supply Company, is the Northwest's first Appliance Gallery, catering to Designers, Builders, Remodelers and their clients. We show a wide variety of products displayed in warm, inviting kitchen environments. These appliances are displayed "Live" awaiting your discerning, hands-on critique. Sit by the river rock fireplace and sample a cup of coffee from the "Live" Miele Coffee System while viewing a product demonstration of the incomparable La Cornue Range from Paris.

While BASCO has an extensive collection of high end appliances, we also carry products suited for low to mid-range projects. We are very proud of our professional staff. They are up to date on the newest innovations and are well versed on specifications for your cabinet makers and installers. We cover everything from Custom Home projects to Condominium Complexes and Spec Homes with products from Wolf, Dacor, DCS, Thermador, Asko, Bosch, Gaggenau, Miele, GE Monogram, Jenn Air, Electrolux Icon, AGA, Amana, Sub-Zero, Viking, Frigidaire, Ventahood, Sharp, LG, U-Line, Northland, EVO, FiveStar and more. You'll find us in Portland's trendy Pearl District.
