About Us

Eastside Portland Lacrosse is a club team for boys and girls from 1st grade through 8th. We have multiple teams at each level that play in a spring league around Portland. During the summer and winter, we offer lacrosse clinics and during the early summer we field select teams. Our mission is to provide kids throughout the eastside of Portland with an opportunity to learn, enjoy, and compete in America's oldest and now fastest growing sport -- the great game of lacrosse.

Girls Lacrosse:

EPL now fields girls youth lacrosse teams in the spring for grades 1/2, 3/4, 5/6, and 7/8. Games are played throughout the greater Portland area. EPL also holds winter and summer clinics for girls and will continue to expand its offerings for girls to enjoy the great game of lacrosse. If you are interested in playing, click the Registration tab to find out when the next session starts. Click the Team tab to see schedule, practice, and contact information for each team.

Boys Lacrosse:

This season we have four boys teams (in Southeast and Northeast Portland) for grade levels 3/4, 5/6, and 7/8, plus two 1/2 teams. New players and late registrants will be assigned to teams based on their home address location so that the team sizes are all similar. Games are played against surrounding local clubs in Lake Oswego, Portland, Beaverton, Vancouver, Tualatin, and Hood River. Click the Team tab to see schedule, practice, and contact information for each team.

EPL Boys Practice Locations changes

As EPL prepares for the spring season we are working with PP&R to obtain permits and we are thinking ahead to our various practice locations in the SE/NE. We are no longer going to be practicing at Delta Park once per week. The team your son will be on will practice at the same location twice per week, either M/W or Tu/Th. No practices on Fridays. Games will periodically be during the week and most will fall on Saturdays.

We won't be finalizing team rosters until late February after registration ends. Once teams are formed, your coach will alert you to the practice location and times. Remember, we are limiting roster sizes this season, so once we reach our max numbers for each age group, we will create a waiting list. The order in which we receive registrations plays an important role in team assignments. Don't delay.

Thank you to our Sponsors
