Ms. Cynthia Quarterman
Department of Insurance and Finance
21 Labor and Industries
Salem, Oregon 97310

Dear Cindy:

Just a note of personal thanks for the extra mile you went in helping our children's agenda.

I know we asked you to do a big job in a time when you were already piled high with work. But you did it and you showed a lot of patience and understanding along the way.

Thanks for being on the team.

Sincerely,

Janice Yaden
Assistant to the Governor
for Human Resources
