INFORMATION ABOUT ADMINISTRATIVE RULES

General Information

The Administrative Rules Unit, Archives Division, Secretary of State publishes the Oregon *Administrative Rules Compilation* and the online *Oregon Bulletin*. The *Oregon Administrative Rules Compilation* is an annual print publication containing complete text of Oregon Administrative Rules (OARs) filed through November 15 of the previous year. The *Oregon Bulletin* is a monthly online supplement that contains rule text adopted or amended after publication of the print Compilation, as well as Notices of Proposed Rulemaking and Rulemaking Hearing. The Bulletin also includes certain non-OAR items when they are submitted, such as Executive Orders of the Governor, Opinions of the Attorney General and Department of Environmental Quality cleanup notices.

Background on Oregon Administrative Rules

ORS 183.310(9) defines "rule" as "any agency directive, standard, regulation or statement of general applicability that implements, interprets or prescribes law or policy, or describes the procedure or practice requirements of any agency." Agencies may adopt, amend, repeal or renumber rules, permanently or temporarily (up to 180 days), using the procedures outlined in the *Oregon Attorney General's Administrative Law Manual*. The Administrative Rules Unit assists agencies with the notification, filing and publication requirements of the administrative rulemaking process.

OAR Citations

Every Administrative Rule uses the same numbering sequence of a three-digit chapter number followed by a three-digit division number and a four-digit rule number (000-000-0000). For example, Oregon Administrative Rules, chapter 166, division 500, rule 0020 is cited as OAR 166-500-0020.

Understanding an Administrative Rule's "History"

State agencies operate in an environment of ever-changing laws, public concerns and legislative mandates which necessitate ongoing rulemaking. To track changes to individual rules and organize the original rule documents for permanent retention, the Administrative Rules Unit maintains history lines for each rule, located at the end of the rule text. OAR histories contain the rule's statutory authority, statutes implemented and dates of each authorized modification to the rule text. Changes are listed chronologically in abbreviated form, with the most recent change listed last. In the history line "OSA 4-1993, f. & cert. ef. 11-10-93," for example, "OSA" is short for Oregon State Archives; "4-1993" indicates this was 4th administrative rule filing by the Archives in 1993; "f. & cert. ef. 11-10-93" means the rule was filed and certified effective on November 10, 1993.

Locating Current Versions of Administrative Rules

The online version of the OAR Compilation is updated on the first of each month to include all rule actions filed with the Administrative Rules Unit by the 15th of the previous month. The annual printed OAR Compilation volumes contain text for all rules filed through November 15 of the previous year. Administrative Rules created or changed after publication in the print Compilation will appear in a subsequent edition of the online Bulletin. These are listed by rule number in the Bulletin's OAR Revision Cumulative Index, which is updated monthly. The listings specify each rule's effective date, rulemaking action, and the issue of the Bulletin that contains the full text of the adopted or amended rule.

Locating Administrative Rule Publications

Printed volumes of the Compilation are deposited in Oregon's Public Documents Depository Libraries listed in OAR 543-070-0000. Complete sets and individual volumes of the printed OAR Compilation may be ordered from the Administrative Rules Unit, Archives Division, 800 Summer Street NE, Salem, Oregon 97301, (503) 373-0701.

Filing Adminstrative Rules and Notices

All hearing and rulemaking notices, and permanent and temporary rules, are filed through the Administrative Rules Unit's online filing system. To expedite the rulemaking process, agencies are encouraged to file a Notice of Proposed Rulemaking Hearing specifying hearing date, time and location, and to submit their filings early in the submission period. All notices and rules must be filed by the 15th of the month to be included in the next month's Bulletin and OAR Compilation postings. Filings must contain the date stamp from the deadline day or earlier to be published the following month.

Administratrative Rules Coordinators and Delegation of Signing Authority

Each agency that engages in rulemaking must appoint a rules coordinator and file an Appointment of Agency Rules Coordinator form with the Administrative Rules Unit. Agencies that delegate rulemaking authority to an officer or employee within the agency must also file a Delegation of Rulemaking Authority form. It is the agency's responsibility to monitor the rulemaking authority of selected employees and keep the forms updated. The Administrative Rules Unit does not verify agency signatures as part of the rulemaking process.

Publication Authority

The Oregon Bulletin is published pursuant to ORS 183.360(3). Copies of the original Administrative Orders may be obtained from the Archives Division, 800 Summer Street, Salem, Oregon, 97310; (503) 373-0701. The Archives Division charges for such copies.

The official copy of an Oregon Administrative Rule is contained in the Administrative Order filed at the Archives Division. Any discrepancies with the published version are satisfied in favor of the Administrative Order.

TABLE OF CONTENTS

EXECUTIVE ORDER NO. 16 - 10

INVOCATION OF EMERGENCY CONFLAGRATION ACT FOR THE WASCO COUNTY TRAIN DERAILMENT IN WASCO COUNTY

Pursuant to my authority as Governor of the State of Oregon, I find that:

The fire known as the "Wasco County Train Derailment" is burning in Wasco County.

The resources necessary for protecting life and property from the rail car fire are beyond local capabilities. Assistance with life, safety, and structural fire protection was requested by Chief Jim Appleton, Mosier Rural Fire District. The State Fire Marshal concurs with that request.

In accordance with ORS 476.510 – ORS 476.610, I have determined that a threat to life, safety, and property exists due to a fire caused from the train derailment in Wasco County and the threat exceeds the firefighting capabilities of local firefighting personnel and equipment. Accordingly, I have invoked the Emergency Conflagration Act.

These findings were made at 9:32 p.m. on June 3, 2016 and I now confirm them with this Executive Order.

NOW THEREFORE, IT IS HEREBY DIRECTED AND ORDERED:

1. The Oregon State Police and the Office of State Fire Marshal shall mobilize fire resources statewide and coordinate with all appropriate Fire Defense Chiefs for the use of personnel and equipment in accordance with the Emergency Conflagration Act to suppress and contain this fire. Resources responding to Wasco County Train Derailment, burning near the town of Mosier may be redistributed by the State Fire Marshal.

2. This emergency is declared only for the town of Mosier threatening structures in Wasco County near the town of Mosier.

3. This order was made by verbal proclamation at 9:32 p.m. the 3rd day of June, 2016 and signed this 19th day of July, 2016, in Salem, Oregon.

EXECUTIVE ORDER NO. 16 - 11

INVOCATION OF EMERGENCY CONFLAGRATION ACT FOR THE AKAWANA FIRE IN JEFFERSON COUNTY

Pursuant to my authority as Governor of the State of Oregon, I find that:

The fire known as the "Akawana Fire" is burning in Jefferson County.

The resources necessary for protecting life and property from the Akawana Fire are beyond local capabilities. Assistance with life, safety, and structural fire protection was requested by Brian Huff, Jefferson County Fire Defense Board Chief. The State Fire Marshal concurs with that request.

In accordance with ORS 476.510 – ORS 476.610, I have determined that a threat to life, safety, and property exists due to a fire known as the Akawana Fire in Jefferson County and the threat exceeds the firefighting capabilities of local firefighting personnel and equipment. Accordingly, I have invoked the Emergency Conflagration Act.

These findings were made at 1:40 p.m. on June 8, 2016 and I now confirm them with this Executive Order.

NOW THEREFORE, IT IS HEREBY DIRECTED AND ORDERED:

1. The Oregon State Police and the Office of State Fire Marshal shall mobilize fire resources statewide and coordinate with all appropriate Fire Defense Chiefs for the use of personnel and equipment in accordance with the Emergency Conflagration Act to suppress and contain this fire. Resources responding to Akawana Fire, burning near the town of Culver may be redistributed by the State Fire Marshal.

2. This emergency is declared only for the Akawana Fire threatening structures in Jefferson County near the town of Culver.

3. This order was made by verbal proclamation at 1:40 p.m. the 8th day of June, 2016 and signed this 14th day of July, 2016, in Salem, Oregon.

EXECUTIVE ORDER NO 16 - 12

ENHANCING GUN SAFETY IN OREGON

In the past 17 months, more than 600 Oregonians have died from gun violence—more than 100 of those deaths were homicides.

This, coupled with several devastating episodes of gun violence in other states, calls for immediate action to protect Oregonians and our communities from gun violence.

Ensuring that existing Oregon laws are enforced to their fullest extent increases the likelihood that illegal firearm deals will be detected and guns kept out of the hands of people legally prohibited from having them ("prohibited persons"). Giving the Oregon State Police and other local authorities the tools to track and analyze gun transactions is an important step in that direction.

NOW, THEREFORE, IT IS HEREBY DIRECTED AND ORDERED:

1. Oregon Revised Statutes 166.412(7) and 166.436(5) make it clear that Oregon State Police (OSP) has authority to retain firearms transactions data for five years, although it currently does not retain the data for that long. I hereby direct OSP to update its software and backup programs and to begin retaining data for as long as the department is statutorily authorized to do so.

a. The department shall use data available from the federal eTRACE program, as well as the department's rolling five year data, to trace all firearms used in the commission of a crime that come into its possession: (1) as collected evidence; or (2) as submitted to the department by another agency for forensic examination.

b. The department shall examine data obtained in paragraph 1(a), above, to determine if purchase patterns exist thus allowing for appropriate investigations to be initiated.

2. Oregon Revised Statutes 166.412(7)(c) provides that OSP can report to local law enforcement agencies when a prohibited person attempts to obtain a firearm and the transaction is denied. When that occurs, either the department or a local agency conducts an investigation into the attempted unlawful acquisition. The department generates a report tracking all denials and the dispositions of any new criminal cases initiated after such an investigation is completed. I am directing the department to continue its current investigation and reporting practices. In addition, regardless of whether the department or another agency investigates the new potentially criminal activity, I am directing the department to share the report of the attempted acquisition with relevant local authorities in the following circumstances:

a. When the prohibited person is on probation, notification shall be made to the supervising judge, the supervising community corrections department, and the District Attorney's Office.

b. When the prohibited person is on parole or post-prison supervision, notification shall be made to the community corrections department or the Board of Parole and Post-prison Supervision.

c. When the prohibited person is subject to a court-issued release agreement or protective order, notification shall be made to the issuing judge and the District Attorney's Office.

d. When the prohibited person is subject to supervision by the Psychiatric Security Review Board (PSRB) or Juvenile PSRB, and a firearms prohibition has resulted from that supervision, notification shall be made to the supervising Board.

3. In order to develop future policies that will enhance firearm safety in Oregon:

a. I direct the Oregon Health Authority (OHA) to determine whether it receives the appropriate data to properly and thoroughly study the effects of gun violence and suicide in Oregon. If there is additional data that would further inform the agency, it shall work with my office to determine whether executive action or statutory amendment is necessary to obtain the data. OHA shall share any data it has available with an institution of higher learning or other entity engaged by the state to study firearms related deaths or crimes. Finally, OHA will report annually on gun violence and its effect on public health and, when warranted, recommend policies to reduce gun violence in Oregon.

b. I am creating a new work group to review and assess gun-related domestic violence offenses in two ways:

i. In counties that have established gun relinquishment protocols in domestic violence cases, review the outcomes and make recommendations as to whether a statewide policy would enhance the safety of domestic violence survivors and Oregonians generally; and

ii. Ensure that when an individual is subject to a court order in a domestic violence case that prohibits the individual from possessing a firearm, the prohibition is transmitted in a timely manner to the systems utilized for criminal history records checks when a concealed handgun license is sought or a firearms transaction is attempted. The work group will make recommendations to improve the effectiveness of the system and close any gaps that are identified.

4. This Executive Order will remain in effect unless and until it is superseded by statute or another Executive Order

Done at Salem, Oregon, this 15th day of July, 2016.

REQUEST FOR COMMENT
PROPOSAL TO SUBMIT 1915(I) STATE PLAN RENEWAL

COMMENTS DUE: 10/7/16
BACKGROUND: Section 6086 of the Deficit Reduction Act of 2005 (DRA) added section 1915(i) to the Social Security Act (the Act) providing states the option to offer home and community-based services through the state's Medicaid state plan that had previously been available only through 1915(c) HCBS waiver authority.

The Affordable Care Act expanded coverable services under 1915(i) to include any of the HCBS permitted under section 1915(c) HCBS waivers, certain services for individuals with mental health and substance use disorders, and other services requested by a state and approved by the Secretary of Health and Human Services.
PROPOSAL: OHA has operated a 1915(i) HCBS state plan since 2012 under a 5 year approval period. If approved, this submission will renew the plan for another 5 year period and assure that we are compliant with new federal requirements for home and community based services settings published by the Centers for Medicare and Medicaid Services on January 16, 2014. The services to be provided under Oregon's 1915(i) HCBS renewal are essentially the same as the original plan with services that include Home Based Habilitation, Behavioral Habilitation and Psychosocial Rehabilitation Services. The renewal will be adding a formal quality improvement strategy, and processes for independent assessments, person-centered planning, conflict free case management and person centered service plan development.

The reimbursement methodology has not changed from the prior plan, Procedure codes identified and allowed as (i) plan services are H0046 (Home-based Habilitation), T1020 (Facility-based habilitation), S5141 (adult foster care) and H2018 (Psychosocial Rehabilitation) with an HW modifier. The behavioral health fee schedule is located at: http://www.oregon.gov/oha/healthplan/pages/feeschedule.aspx

Additional information on the Oregon Medicaid behavioral health service webpage at: http://www.oregon.gov/oha/healthplan/Pages/behavioralhealth.aspx
EFFECTIVE DATE: 1/1/17
HOW TO COMMENT: Send written comments by fax, mail or email to:

Jesse S. Anderson, State Plan Manager
Oregon Health Authority, Health Policy and Ananlytics
Phone #(503)945-6958
Fax # (503)947-1119
jesse.anderson@state.or.us

NEXT STEPS: OHA will consider all comments received. A 1915(i) state plan renewal application will be submitted to the Centers for Medicare and Medicaid Services.

REQUEST FOR COMMENTS
PROPOSED PROSPECTIVE PURCHASER AGREEMENT FOR CARCO/VARICAST SITE

COMMENTS DUE: 5 p.m., Tuesday, Aug. 30, 2016
PROJECT LOCATION: 866-900 N Columbia Boulevard, Portland, Oregon
PROPOSAL: The Department of Environmental Quality seeks comments on its proposed consent judgment for a prospective purchaser agreement with The Pickle Factory, LLC concerning its acquisition of real property located at 866-900 N Columbia Boulevard, Portland, Oregon.

The CARCO/Varicast site has been in industrial use since the early 1920s including automobile tire manufacturing from the 1920s to 1950 followed by pipe and fitting work, metals casting, and glass recycling operations until recent times.

The site has been in the DEQ cleanup program since 2002. Soil contaminated with coal tar was removed from the site and the stormwater system was cleaned out. The site received a conditional no further action determination from DEQ, but the owner declined to settle with DEQ for potential Columbia Slough sediment contamination.

The site owner is updating the existing site stormwater system prior to property transaction and the Pickle Factory will provide $60,000 in funding to the Columbia Slough Settlement Program. After repair and upgrade of the existing buildings on the site, The Pickle Factory then plans to rent the updated space for craft/industrial use. The Pickle Factory will comply with an Easement and Equitable Servitudes and a Contaminated Media Management Plan as approved by DEQ, for all activities on the site.

DEQ created the prospective purchaser agreement program in 1995 through amendments to the state's Environmental Cleanup Law. The prospective purchaser agreement is a tool that expedites the cleanup of contaminated property and encourages property transactions that would otherwise not likely occur because of the liabilities associated with purchasing a contaminated site.

The proposed consent judgment will provide The Pickle Factory with a release from liability for claims by the State of Oregon under ORS 465.200 to 465.545 and 465.990, 466.640, and 468B.310 regarding existing hazardous substance releases at or from the property. The proposed consent judgment also will provide The Pickle Factory with third party liability protection.
HOW TO COMMENT: Send comments to DEQ Project Manager Robert Williams at 700 NE Multhomah St., Suite 600, Portland, Oregon 97232 or williams.robert.k@deq.state.or.us. For more information contact the project manager at 503-229-6802.

Find the file review application form:

If you do not have web access and want to review the project file contact the DEQ project manager.
THE NEXT STEP: DEQ will consider all public comments received by the date and time stated above before making a final decision regarding the proposed consent judgment.
ACCESSIBILITY INFORMATION: DEQ is committed to accommodating people with disabilities. If you need information in another format, please contact DEQ toll free in Oregon at 800-452-4011, email at deqinfo@deq.state.or.us, or 711 for people with hearing impairments.

REQUEST FOR COMMENTS
PROPOSED CERTIFICATE OF COMPLETION FOR HOYT STREET PROPERTIES, LLC

COMMENTS DUE: 5 p.m., Tuesday, Sept. 6, 2016
PROJECT LOCATION: 1075 NW Northrup St. and 1315 NW 11th Ave., Portland
PROPOSAL: DEQ is preparing to certify that all required actions have been satisfactorily completed on two blocks of the former Hoyt Street Railyard.
HIGHLIGHTS: In February 2002 Hoyt Street Properties, LLC entered into a Consent Decree with DEQ and agreed to remediate contaminated soils within the former Hoyt Street Railyard, including identifying and properly disposing of contaminated soils and capping each developed city block with a combination of buildings, pavement and three feet of clean soil.

Contaminated soils were removed from Block 15 of the railyard from July 2014 to March 2015 and a condominium tower was constructed on the block. Contaminated soils were removed from Block 17 of the railyard from February 2014 to June 2015 and an apartment tower was constructed on the block.

DEQ reviewed the requirements of the Consent Decree and the corresponding actions, and has made a preliminary determination that all obligations of the Consent Decree have been satisfactorily performed on Blocks 15 and 17 of the former Hoyt Street Railyard. DEQ proposes to issue a certification of completion for the two blocks.

HOW TO COMMENT: Send comments to DEQ Project Manager Kevin Dana at 700 NE Multnomah Street, Suite 600, Portland, Oregon, 97232 or dana.kevin@deq.state.or.us. For more information contact the project manager at 503-229-5369.

Find information about requesting a review of DEQ project files.

Find the file review application form.

To access site summary information and other documents in the DEQ Environmental Cleanup Site Information database, go to http://www.deq.state.or.us/lq/ECSI/ecsi.htm, select "Search complete ECSI database", then enter either **5894** for Block 15 or **5867** for Block 17 in the Site ID box and click "Submit" at the bottom of the page. Next, click the hyperlinked Site ID number in the Site ID/Info column. Alternatively, you may go directly to the database website for Block 15 at http://www.deq.state.or.us/Webdocs/Forms/Output/FPController.ashx?SourceId=5894&SourceIdType=11 or for Block 17 at http://www.deq.state.or.us/Webdocs/Forms/Output/FPController.ashx?SourceId=5867&SourceIdType=11.

If you do not have web access and want to review the project file contact the DEQ project manager.

THE NEXT STEP: DEQ will consider all public comments received by the date and time stated above before making a final decision regarding the completion certification of the remedial actions taken at the site. A public notice of DEQ's final decision will be issued.

ACCESSIBILITY INFORMATION: DEQ is committed to accommodating people with disabilities. If you need information in another format, please contact DEQ toll free in Oregon at 800-452-4011, email at deqinfo@deq.state.or.us, or 711 for people with hearing impairments.

REQUEST FOR COMMENTS
PROPOSED NO FURTHER ACTION FOR SHERIDAN FCI

COMMENTS DUE: 5 p.m., Wednesday, Aug. 31, 2016

PROJECT LOCATION: 27072 Ballston Rd., Sheridan, Oregon

PROPOSAL: The Sheridan Federal Correction Facility, south of the City of Sheridan in Yamhill County, proposes No Further Action related to the environmental contamination at the prison. Surface spills and leaking underground storage tanks allowed petroleum and other chemicals to enter the environment, contaminating soil and groundwater. The work is being done pursuant to Oregon Administrative Rules Chapter 340 Division 122, Sections 010 to 0140 and Oregon Revised Statute 465.200 through 465.455.

HIGHLIGHTS: The site operates as a federal prison that has had multiple releases during facility operations. A diesel spill from an above-ground storage tank occurred in 2003, creating Environmental Cleanup Site Inventory No. 4083. Emergency response actions included soil removal, pumping diesel-contaminated groundwater from utility trenches and placing absorbent booms in a nearby drainage ditch.

Numerous above-ground and underground storage tanks were used at various locations, including a warehouse and factory. Petroleum was detected in soil around the tanks following removal in 2006, initiating LUST 36-06-0382. However, water containing methyl-ethyl ketone was pumped from excavation at the factory tank. As part of cleanup actions, 10.86 tons of soil were removed from this location and disposed of at a landfill.

Methyl-ethyl ketone and other contaminants were detected in water from an on-site irrigation well first reported to DEQ in 2010. The well water was sampled several times, with the most recent tests indicating no methyl-ethyl ketone detections. Water from two private wells north of the prison were tested but did not contain any contaminants related to the site.

HOW TO COMMENT: Send comments to DEQ Project Manager Cathy Rodda at 165 E. 7th Ave., Ste. 100, Eugene, OR 97401 or email rodda.cathy@deq.state.or.us. For more information contact the project manager at 541-687-7325.

Find information about requesting a review of DEQ project files at: http://www.deq.state.or.us/records/recordsRequestFAQ.htm

Find the File Review Application form at: http://www.deq.state.or.us/records/RecordsRequestForm.pdf

To access site summary information and other documents in the DEQ Leaking Underground Storage Tank Cleanup database, go to: http://www.deq.state.or.us/lq/tanks/lust/LustPublicLookup.asp

Enter 36-06-0382 in the "LUST Number" boxes and click "Lookup" at the bottom of the page. Next, click the link labeled 36-06-0382 in the Log Number column. Alternatively, you may go directly to the database website for this page at: http://www.deq.state.or.us/WebDocs/Forms/Output/LustOutput.aspx?SourceId=30193&SourceIdType=10

If you do not have web access and want to review the project file contact the DEQ project manager.

THE NEXT STEP: DEQ will review comments submitted by the noted deadline. If no comments are received or there is no objection to closure, DEQ will issue No Further Action to the Sheridan site.

ACCESSIBILITY INFORMATION: DEQ is committed to accommodating people with disabilities. Please notify DEQ of any special physical or language accommodations or if you need information in large print, Braille or another format. To make these arrangements, call DEQ at 503-229-5696 or toll free in Oregon at 800-452-4011; fax to 503-229-6762; or email to deqinfo@deq.state.or.us. People with hearing impairments may call 711.

PUBLIC NOTICE
PROPOSED NO FURTHER ACTION DETERMINATION, HOY'S MARINE SITE IN NEWPORT, OREGON

COMMENTS DUE: 5 p.m., Thursday, Sept. 1, 2016

PROJECT LOCATION: 4592 Yaquina Bay Road, Newport, OR

PROPOSAL: The Oregon Department of Environmental Quality invites comments on its proposal to issue a no further action determination for the Hoy's Marine Site.

HIGHLIGHTS: The Hoy's Marine Site consists of two adjacent tax lots totaling 0.45 acres on the east bank of the Yaquina River approximately 3 miles upstream of the Newport. The site was used as a shipyard from 1974 to 1999. Activities associated with site operations included shipbuilding, welding, sandblasting, painting and maintenance. Wastes generated during these operations included paint chips, paint residue containing heavy metals and tri-n-butyl tin, waste paint, paint thinner and petroleum.

Numerous investigations and cleanup actions were conducted from 1989 to 2015 by DEQ, the United States Environmental Protection Agency and various consultants. Site investigations documented contamination in the upland area and Yaquina River sediment. Contamination was related to ship maintenance activities, including sand blast operations conducted over the shoreline and shallow tidal flats. Contaminants included tri-n-butyl tin and metals such as copper, nickel and zinc.

Because responsible parties were unable to complete a cleanup, DEQ assumed the lead in site investigation and cleanup under terms of a Deferral Agreement with the EPA. Under terms of the agreement EPA agreed to defer listing of the Hoy's site on the National Priority List (also known as Superfund) provided DEQ complete appropriate cleanup actions.

In 1999 DEQ removed approximately 700 gallons of petroleum-containing liquids and approximately 150 gallons of paint waste and solvents from the site. Sandblast grit and associated stained soil also were removed. These wastes were either taken off site for recycling or were disposed of as hazardous waste.

In 2004 DEQ completed a sediment removal action that included dredging of contaminated sediment to the extent practical. Shallow bedrock conditions beneath the sediment layer prevented a complete removal of contaminated sediments. A total of 2,000 cubic yards of contaminated sediment were removed and disposed of in an upland repository on Port of Newport property in Newport. Due to funding

limitations DEQ was unable to complete additional risk assessment and report preparation at that time.

In 2014 DEQ initiated additional work at the site, including sediment, pore water, shellfish tissue, and bioassay tests and risk assessment. While sediment testing showed persistent levels of tri-n-butyl tin and metals in sediment, contaminants were not detected in shellfish samples, and bioassay samples indicated that the sediment did not adversely affect sediment dwelling organisms.

Based on these results DEQ concludes the site is protective of human health and the environment, and proposes to issue a no further action determination for the site. DEQ has obtained EPA concurrence that the site has met Deferral Agreement requirements and is protective of human health and the environment.

HOW TO COMMENT: Send comments to DEQ Project Manager Mark Pugh at 700 NE Multnomah St., Suite No. 600, Portland, OR 97232 or pugh.mark@deq.state.or.us. For more information contact the project manager at 503-229-5587.

Find information about requesting a review of DEQ project files

Find the File Review Application form.

To access site summary information and other documents visit the DEQ Environmental Cleanup Site Information Database, select "Search complete ECSI database", then enter 2082 in the Site ID box and click "Submit" at the bottom of the page. Next, click the link labeled 2082 in the Site ID/Info column. Alternatively, you may go directly to the Hoy's Marine website documents page.

If you do not have web access and want to review the project file contact the DEQ project manager.

THE NEXT STEP: DEQ will review and consider all comments received during the comment period prior to issuance of the no further action determination.

ACCESSIBILITY INFORMATION: DEQ is committed to accommodating people with disabilities. Please notify DEQ of any special physical or language accommodations or if you need information in large print, Braille or another format. To make these arrangements, contact 503-229-5696 or toll free in Oregon at 800-452-4011; fax to 503-229-6762; or email to deqinfo@deq.state.or.us. People with hearing impairments may call 711.

Notices of Proposed Rulemaking and Proposed Rulemaking Hearings

The following agencies provide Notice of Proposed Rulemaking to offer interested parties reasonable opportunity to submit data or views on proposed rulemaking activity. To expedite the rulemaking process, many agencies have set the time and place for a hearing in the notice. Copies of rulemaking materials may be obtained from the Rules Coordinator at the address and telephone number indicated.

Public comment may be submitted in writing directly to an agency or presented orally at the rulemaking hearing. Written comment must be submitted to an agency by 5:00 p.m. on the Last Day for Comment listed, unless a different time of day is specified. Oral comments may be submitted at the appropriate time during a rulemaking hearing as outlined in OAR 137-001-0030.

Agencies providing notice request public comment on whether other options should be considered for achieving a proposed administrative rule's substantive goals while reducing negative economic impact of the rule on business.

In Notices of Proposed Rulemaking where no hearing has been set, a hearing may be requested by 10 or more people or by an association with 10 or more members. Agencies must receive requests for a public rulemaking hearing in writing within 21 days following notice publication in the Oregon Bulletin or 28 days from the date notice was sent to people on the agency mailing list, whichever is later. If sufficient hearing requests are received by an agency, notice of the date and time of the rulemaking hearing must be published in the Oregon Bulletin at least 14 days before the hearing.

**Auxiliary aids for persons with disabilities are available upon advance request. Contact the agency Rules Coordinator listed in the notice information.*

Board of Examiners for Engineering and Land Surveying
Chapter 820

Rule Caption: Amend rules related to registration and advertising or offering professional services; housekeeping.
Stat. Auth.: ORS 670.310, 672.255
Stats. Implemented: ORS 672.002–672.325
Proposed Amendments: 820-010-0520, 820-010-0720, 820-025-0005, 820-040-0040
Last Date for Comment: 8-31-16, Close of Business
Summary: 820-010-0520 — Housekeeping; removing language related to the take-at-home examination no longer required and removing language inconsistent with OAR 820-010-0635 related to PDH units.

820-010-0720 — Amended language addresses "full-time" status and hours the registrant works along with bringing the language consistent with the exception in ORS 672.060(9). Amended language also removes reference to project offices and addresses the rule's inapplicability to licensed Construction Contractors.

820-025-0005 — Housekeeping; makes language consistent with OAR 820-025-0010(3)(f).

820-040-0040 — Housekeeping; removes the language that defines a Traffic Engineer and to contain language in the rule that solely defines the practice of Traffic Engineering.
Rules Coordinator: Jenn Gilbert

Board of Parole and Post-Prison Supervision
Chapter 255

Rule Caption: Procedures and number of Board members required for Board hearings and decisions.
Stat. Auth.: ORS 144.035, 144.054 & 144.110
Stats. Implemented: ORS 144.035, 144.054 & 144.110
Proposed Amendments: 255-030-0015
Last Date for Comment: 8-22-16, 5 p.m.
Summary: Amend number of Board of Parole members required to conduct a hearing and to make a final decision to conform rule with statutes, now that the Board has added additional members. This amendment would adopt as permanent temporary changes implemented on April 26, 2016.

The changes would eliminate the current conflict between what ORS 144.035, 144.054, and 144.110 expressly authorize and the more restrictive provisions of OAR 255-030-0015.

The 2015 legislature provided funding for 5 Board Member positions. Previously only 3 positions were funded. The legislature also amended ORS 144.035, 144.054, and 144.110 to harmonize those statutes with the Board's increased membership. Those statutes, collectively, allow the Board to use hearings panels consisting of 2 Board members to conduct its business; they also specify when no fewer than 3 Board members are necessary to reach a decision. However, the current version of OAR 255-030-0015, which governs how many Board members are necessary to conduct a hearing and to reach a decision, was written when there were only 3 Board members.

Consequently, the current rule is more restrictive than the current versions of ORS 144.054, and 144.110. As written, OAR 255-030-0015 now prohibits a panel of 2 Board members from conducting certain hearings that are expressly allowed under ORS 144.035. Additionally, ORS 144.054 expressly allows for 3 Board members to decide all murder, aggravated murders, and cases where death was involved. However, because the current rules were written for a 3-member board, they require that the "Full Board" must decide those cases. As a result, the Board's current rule prevents it from conducting those hearings in a manner that is both lawful and more efficient - i.e., with 3 members instead of the Full Board.

Bureau of Labor and Industries
Chapter 839

Rule Caption: Modifies information to be included in wage statements provided to employees
Stat. Auth.: ORS 651.060(4), 653.040
Stats. Implemented: OL Ch. 115 (2016), S.B. 1587, 78th Leg., Reg. Session (Or.2016), ORS 653
Proposed Amendments: Rules in 839-020, 839-020-0012, 839-020-0080, 839-020-0083
Last Date for Comment: 8-21-16, 5 p.m.
Summary: The proposed rule amendments would conform the requirements of OAR 839-020-0012 (Wage Statements to Be Provided to Employees) and OAR 839-020-0083 (Records Availability) in the minimum wage rules to related provisions in OL Ch. 115 (2016), which take effect on January 1, 2017. The proposed rule

amendments would also correct an erroneous citation in OAR 839-020-0080.

Department of Consumer and Business Services, Finance and Securities Regulation
Chapter 441

Rule Caption: Commercial Construction Lending Exemption to Mortgage Loan Originator Licensing Requirements.

Date:	Time:	Location:
8-22-16	9 a.m.	Labor and Industries Bldg. Conference Rm. E 350 Winter St. NE Salem, OR 97301

Hearing Officer: Alex Cheng
Stat. Auth.: ORS 86A.242
Stats. Implemented: ORS 86A.203
Proposed Adoptions: 441-880-0009
Last Date for Comment: 8-29-16, 5 p.m.
Summary: The Secure and Fair Enforcement for Mortgage Licensing Act of 2008 (S.A.F.E. Act), 12 U.S.C. § 5101 et seq., requires states to license "loan originators" who are individuals that take a residential mortgage loan application and offer or negotiate terms of a "residential mortgage loan" for compensation or gain. The S.A.F.E. Act defines "residential mortgage loan" as "any loan primarily for personal, family, or household use that is secured by a mortgage, deed of trust, or other equivalent consensual security interest on a dwelling... or residential real estate upon which is constructed or intended to be constructed a dwelling (as so defined)."

To carry out the S.A.F.E. Act, ORS 86A.203 requires individuals engaged in business as a mortgage loan originator to obtain a license from DCBS. Subsection (5) grants authority to the DCBS Director to exempt an individual from the licensing requirement if the U.S. Consumer Financial Protection Bureau permits the exemption under 12 U.S.C. § 5101 et seq. Federal law only requires licensing for individual who deal in loans primarily for personal, family, or household use. This proposed rule would exempt lenders who make commercial construction loans from this licensing requirement under certain circumstances. To qualify for the exemption under this rule, a lender would have to verify that the borrower is a licensed general contractor, verify that the loan is for a business purpose and will be used to construct a residential structure, and refrain from certain other prohibited activities.

Chapter 945

Rule Caption: Establishes Requirements of COFA Premium and Cost-Sharing Payment Assistance Program

Date:	Time:	Location:
8-25-16	1:30 p.m.	Labor & Industries Bldg., Rm. F 350 Winter St. NE Salem, 97301

Hearing Officer: Victor Garcia
Stat. Auth.: OL 2016, Ch. 94
Stats. Implemented: OL 2016, Ch. 94
Proposed Adoptions: Rules in 945-050, 945-060
Last Date for Comment: 8-26-16, Close of Business
Summary: These rules establish the requirements for participation in the COFA Premium and Cost-Sharing Assistance Program mandated by Oregon Laws 2016, Chapter 94. The rules define necessary terms, both those used in the statute and those used in the rules. The rules set out the time line for submission of an application to participate in the program, authorize the department to obtain the necessary information from third parties to verify eligibility in the program and eligibility for reimbursement, set out the requirements applicable to the department related to its processing of applications and payment of cost-sharing and premiums, and provide appeal rights to program applicants and participants subject to an adverse decision by the department.

Proposed Amendments: 437-002-0382, 437-003-1000, 437-005-0001

Last Date for Comment: 9-16-16, 5 p.m.
Summary: This rulemaking is to keep Oregon OSHA in harmony with recent changes to Federal OSHA's standards.

On March 25, 2016, federal OSHA adopted final rules for crystalline silica for general industry, construction, and maritime. Before these rules, the only specific rule for crystalline silica was an airborne permissible exposure limit (PEL) of 100 micrograms per cubic meter of air (μg/m3). With the adoption of these rules, federal OSHA lowered the PEL from 100 μg/m3 to 50 μg/m3, and instituted an action level of 25 μg/m3. These rules require an exposure assessment, with periodic monitoring under certain circumstances, requires engineering and work practice controls to reduce exposure levels, institutes a written exposure control plan, requires provisions for regulating employee access to certain areas, respiratory protection, medical surveillance, and employee training and information. The construction rule also lists specific tasks with engineering controls, work practice controls, and respiratory protection for specific tasks that do not require an exposure assessment, and requires that a competent person ensure that the written program and specific tasks are followed.

Oregon OSHA proposes to combine the requirements of the general industry and construction rules into one set of rules applicable to both industries, as new Oregon-initiated rules OAR 437-002-1053 through 437-002-1065. These Oregon initiated rules provide the same options for construction employers to use certain specified methods in lieu of an exposure assessment as the federal rules, and maintain the same compliance dates as the federal standards.

Oregon OSHA also proposes to update the air contaminants rules for general industry and construction, OAR 437-002-0382 and 437-003-1000, to reflect the new silica rules.

Chapter 436

Rule Caption: Training, certification, and employment of claims examiners

Date:	Time:	Location:
8-23-16	9 a.m.	Labor & Industries Bldg., Rm. F 350 Winter St. NE Salem, OR

Hearing Officer: Fred Bruyns
Stat. Auth.: ORS 656.726, 656.780
Stats. Implemented: ORS 656.780
Proposed Amendments: 436-055-0003, 436-055-0005, 436-055-0008, 436-055-0070, 436-055-0085, 436-055-0100, 436-055-0110
Proposed Repeals: 436-055-0001, 436-055-0002
Last Date for Comment: 8-29-16, Close of Business
Summary: The public may also listen to the hearing or testify by telephone:

Dial-in number is 1-213-787-0529; Access code is 9221262#.

Proposed amendments to OAR 436-055, "Certification of Claims Examiners" include:

- Repeal of obsolete or redundant rules, and deletion of obsolete, redundant, or erroneous rule text;
- Revision and reorganization, including consolidation, of rules to enhance clarity, ease of reading, and consistency;
- Revision of definitions, including the definition of "process claims";
- Clarification of the insurer's responsibilities related to renewal of claims examiner certification;
- Reduction of the required number of training hours related to interactions with independent medical examination providers for renewal of claims examiner certification from three hours to one hour;
- Increase in the required number of training hours related to rules, statutes, and case law for renewal of claims examiner certification from four hours to six hours;
- Addition of some record-keeping requirements currently published on an agency website;
- Insertion of rule wording, inadvertently deleted during previous rulemaking, while removing obsolete elements;
- Clarification of an insurer's responsibility to issue certificates, acknowledge certifications from other insurers, and verify documentation that requirements have been met;
- Clarification of the roles and qualifications of a claims examiner trainee and a temporary claims examiner;
- Allowing a person who has not been certified for more than one year to be hired as a trainee;
- Allowing a person whose certification has lapsed for one year or less to renew certification if training requirements have been met; and
- Clarification that nothing in the rules precludes an insurer from providing additional training.

Chapter 340

Rule Caption: Water Quality Standards for Copper 2016

Date:	Time:	Location:
8-30-16	6 p.m.	DEQ Headquarters 811 SW 6th Ave. 10th Floor, Rm. EQC A Portland, OR
8-31-16	2 p.m.	DEQ Headquarters 811 SW 6th Ave. 10th Floor, Rm. EQC A Portland, OR

Hearing Officer: DEQ Staff
Stat. Auth.: ORS 468.020, 468B.030, 468B.035, 468B.048
Stats. Implemented: ORS 468B.030, 468B.035, 468B.048
Proposed Amendments: 340-041-0033, 340-041-8033
Last Date for Comment: 9-15-16, 4 p.m.
Summary: The U. S. Environmental Protection Agency disapproved Oregon's water quality criteria for copper in 2013. DEQ is proposing to adopt copper criteria to negate a need for the EPA to adopt copper criteria for Oregon. The proposed rule amendments will:

- Revise Oregon's water quality criteria for copper to protect freshwater aquatic life. The revised criteria are based on the U.S. Environmental Protection Agency's 2007 national recommendation to use the Biotic Ligand Model to derive site-specific criteria based on the water chemistry of a site that affects the bioavailability and toxicity of copper to aquatic life in fresh waters.
- Address EPA's January Jan. 31, 2013, disapproval of Oregon's current copper criteria in response to a National Marine Fisheries Service's Biological Opinion that concluded the current criteria would cause jeopardy to threatened and endangered species.

Stats. Implemented: ORS 496, 506, 508
Proposed Adoptions: Rules in 635-003, 635-004, 635-005, 635-006
Proposed Amendments: Rules in 635-003, 635-004, 635-005, 635-006
Proposed Repeals: Rules in 635-003, 635-004, 635-005, 635-006
Last Date for Comment: 9-2-16, Close of Hearing
Summary: Amendments to Oregon's regulations for commercial fisheries will bring the State concurrent with federally adopted regulations to provide additional protections to selected forage fish species in federal waters. These protections include trip-level and annual landing limits by vessels for Oregon ports and annual processing limits by at-sea and shore-based whiting fisheries. Consistent with a proposed new Oregon Forage Fish Management Plan, amendments to Oregon's regulations will also extend similar protections for forage fish species in State waters and apply to all commercial fishing vessels in the State's marine and brackish waters. The applicable State forage fish species include Pacific sand lance, Pacific saury, mesopelagic fishes (four families), osmerid smelts, silversides, and pelagic squids, excluding market squid and Humboldt squid. Two herring species are included under federal protections but do not occur in Oregon waters. These forage fish species have not been subject to direct commercial fishing in state or federal waters off Oregon. Proposed rules prohibit new directed commercial fisheries for these species and limit bycatch in other fisheries in order to support existing fisheries and ecosystem function. Proposed rules modify fish ticket requirements in order to improve tracking of commercial fisheries landings of these species. Housekeeping and technical corrections to the regulations may occur to ensure rule consistency.

Proposed Amendments: 411-031-0020, 411-031-0030, 411-031-0040, 411-031-0050
Proposed Repeals: 411-031-0020(T), 411-031-0040(T), 411-031-0050(T)
Last Date for Comment: 8-21-16, 5 p.m.
Summary: The Department of Human Services (Department) is amending OAR 411-031 to make permanent temporary changes that were implemented in March 2016 that bring the rules into compliance with new federal and state law and collective bargaining requirements in regards to homecare workers. The proposed rule changes:

- Permit the Department to begin calculating, tracking, and paying homecare workers for travel time between consumer-employers. This is a new requirement mandated by the United States Department of Labor (DOL) and the 2015-2019 Collective Bargaining Agreement between the Oregon Home Care Commission and the Service Employees International Union, Local 503, OPEU.
- Enable the Department to comply with Senate Bill 622, which adds homecare workers to the list of "Mandatory Reporters". The rules establish reporting standards and a process for what happens if a homecare worker does not report as they are required to do.
- Permit homecare workers to appeal terminations of their provider enrollment more quickly and to proceed to administrative hearing more easily than the current process allows. These temporary rules bring the Department into compliance with ORS 183.310.
- Update the language on the trusts process;
- Delete language in regards to benefits; and
- Minor grammar, formatting, and housekeeping changes were done to align the rules with other current program rule and definition changes.

Written comments may be submitted via e-mail to Kimberly.Colkitt-Hallman@state.or.us or mailed to 500 Summer Street NE, E48 Salem, Oregon, 97301-1064. All comments received will be given equal consideration before the Department proceeds with the permanent rulemaking.

Last Date for Comment: 8-26-16, 5 p.m.
Summary: The Department of Human Services is reestablishing the GA (General Assistance) program to comply with HB 4042 (2016). The program provides cash assistance to individuals who have a disability, are experiencing homelessness, and meet other eligibility requirements in OAR 461-135-0700. Rules throughout OAR chapter 461 are also being amended to remove all references to the GAM (General Assistance - Medical) program and remove references to GA when applicable. This makes permanent temporary rules adopted on July 1, 2016.

In addition, non-substantive edits may be made to: ensure consistent terminology throughout self-sufficiency program rules and policies; make general updates consistent with current Department practices; update statutory and rule references; correct formatting and punctuation; improve ease of reading; and clarify Department rules and processes.

Rule text showing edits for the rules described above is available at http://www.dhs.state.or.us/policy/selfsufficiency/ar_proposed.htm.

Hearing Officer: Kris Skaro
Stat. Auth.: ORS 409.050, 411.060, 411.070, 411.404, 411.706, 413.042, 413.085, 414.231, 416.340, 416.350
Other Auth.: 42 CFR 435.403, Social Security Act 1902e(12)
Stats. Implemented: ORS 409.010, 409.050, 411.060, 411.070, 411.404, 411.706, 413.042, 413.085, 414.231, 416.340, 416.350, Oregon Laws 2016, chapter 93
Proposed Amendments: 461-120-0030, 461-135-0010, 461-135-0835, 461-160-0015, 461-180-0040
Last Date for Comment: 8-26-16, 5 p.m.
Summary: OAR 461-120-0030 about the state of residence for an individual in a medical facility is being amended to change the criteria for determining the state of residence in the Oregon Supplemental Income Program Medical (OSIPM), the Qualified Medicare Beneficiary (QMB) program, and the Refugee Medical (REFM) program to align with federal policy. It is also being amended to remove a reference to General Assistance Medical (GAM).

OAR 461-135-0010 about assumed eligibility for medical programs is being amended to clarify that in the OSIPM program, continuous eligibility for children can apply at initial eligibility and at redetermination. It is also being amended to state that continuous eligibility does not apply if the child is eligible for any other Medicaid program that provides OHP Plus benefits. Previously there was no requirement that other programs be evaluated prior to providing continuous coverage under OSIPM.

OAR 461-135-0835 about limits on estate claims is being amended to clarify which Department personnel are authorized to present, file, and resolve estate recovery claims. It is also amended to authorize Estate Administration Unit managers to designate additional personnel with the authority to present, file, or resolve estate recovery claims. The rule is also amended to exclude, consistent with ORS 411.795 as amended by HB 4042 (2016), a claim against an estate for benefits correctly paid under HB 4042.

OAR 461-160-0015 about resource limits is being amended to align the Department with federal policy regarding the resource limits for QMB-DW and eliminate an outdated reference to OSIP resource limits.

OAR 461-180-0040 about effective dates for special or service needs is being amended to clarify that eligibility for special needs and services is contingent on OSIPM and OHP Plus eligibility. Specifically, the rule is amended to state that the effective date for a special need is either the date of request for the special need item or the effective date for OSIPM, whichever is later, and that the effective date for long-term care is the date for Department authorizes the service plan, except that the service plan may not be authorized prior to the effective date for Medicaid OHP Plus benefit package.

In addition, non-substantive edits may be made to these rules to: ensure consistent terminology throughout self-sufficiency program rules and policies; make general updates consistent with current Department practices; update statutory and rule references; correct formatting and punctuation; improve ease of reading; and clarify Department rules and processes.

Last Date for Comment: 8-22-16, 8:30 a.m.
Summary: Effective September 26, 2016, DMV will issue a Commercial Learner Permit (CLP) in accordance with ORS 807.285 and 49 CFR 384.204. The eligibility requirements, qualifications, testing procedures, endorsements and restrictions to be issued a CLP or commercial driver license (CDL) are different than those necessary to be issued a Class C non-commercial instruction permit, driver license, driver permit or identification card. Therefore, this rulemaking attempts to clearly delineate those differences by separating provisions of administrative rules that are specific to commercial

driving privileges and consolidate them into OAR chapter 735, division 63, and removing provisions specific to commercial driving privileges from chapter 735, division 62. The proposed expanded OAR chapter 735, division 63, also includes details regarding violations committed when operating a commercial motor vehicle or holding commercial driving privileges, sanctions, and options to regain commercial driving privileges. Once a person is issued a CLP, that person has commercial driving privileges and is subject to the various provisions of having commercial driving privileges the same as a person who has a CDL. Therefore, one of the amendments proposed in this rulemaking is to use the terminology "commercial driving privileges" consistently throughout these rules.

The following rules are repealed, amended, or renumbered and amended simply to conform with the purposes described above: The proposed rules to be repealed: OAR 735-062-0075, 735-062-0150, and 735-062-0200. The proposed amendment of: OAR 735-010-0030, 735-062-0002, 735-062-0005, 735-062-0007, 735-062-0032, 735-062-0070, 735-062-0080, 735-062-0090, 735-062-0110, 735-062-0125, 735-064-0220, 735-064-0230 and 735-064-0235. The proposed renumbering and amendment of: 735-062-0190 to 735-063-0290; 735-062-0210 to 735-063-0310; 735-070-0185 to 735-063-0320 and 735-070-0190 to 735-063-0330.

The following rules are renumbered in a logical order and amended to conform with other rule changes as OAR Chapter 735, Division 63 was expanded: 735-063-0000 to 735-063-0205, 735-063-0050 to 735-063-0210, 735-063-0060 to 735-063-0220 and 735-063-0065 to 735-063-0230; 735-063-0067 to 735-063-0340; 735-063-0130 to 735-063-0360; and 735-063-0180 to 735-063-0380.

Specific proposed changes to rules include:

Proposed adoption of OAR 735-062-0001 and 735-063-0200 - These two rules outline the purpose to their specific rule divisions, explaining the distinction between non-commercial and commercial driving privileges. OAR 735-063-0200 further establishes which rule provisions in OAR chapter 735, division 62 (such as renewal), apply to commercial driving privileges.

Proposed adoption of OAR 735-063-0250 establishes the knowledge testing and issuance requirements for a CLP.

Proposed adoption of OAR 735-063-0260 establishes the testing and issuance requirements for a CDL.

Proposed adoption of OAR 735-063-0270 establishes when DMV will accept CDL skills tests scores if a person with an Oregon CLP trains and tests out of state.

Proposed adoption of OAR 735-063-0280 captures the process previously outlined in OAR 735-062-0080 regarding waiving the CDL skills test for an applicant who gained experience driving commercial motor vehicles while in the military, when certain criteria are met.

Proposed adoption of 735-063-0300 establishes the restrictions that DMV may place on commercial driving privileges. This rule combines restrictions currently listed in OAR 735-063-0067 and 735-062-0150 with restrictions not previously delineated in rule.

This rulemaking also takes the opportunity to make small amendments to other rules that DMV has identified as follows:

Proposed amendments to OAR 735-016-0060 and 735-016-0070 conform rule language to current DMV practice regarding residency/domicile issues.

Proposed amendment to OAR 735-062-0016 authorizing DMV to make a copy of the document(s) a person presents when trying to prove his or her identity, allows DMV to thoroughly review the document(s) and complete any additional research needed to determine the identity of the person for whom DMV could not establish during the biometric check.

Proposed amendment to OAR 735-062-0030 clarifies what DMV may accept as proof of residence address and relates to the proposed changes in OAR 735-016-0060 and 735-016-0070.

Proposed adoption of OAR 735-062-0085 establishes in rule restrictions that DMV may place on a non-commercial Class C driver license or driver permit.

Proposed amendment of OAR 735-062-0300 and 735-062-0310 is to update a reference to Oregon law that has since been codified and to correct a reference to a range of rule numbers.

Proposed amendment of OAR 735-062-0330 is to allow a person who is experienced in driving with the use of bioptic telescopic lens in another state to qualify in Oregon by taking less than the same amount of training as a driver who has never driven using the device.

Last Date for Comment: 8-22-16, 8:30 a.m.
Summary: The proposed rulemaking is necessary to implement SB 142A. Regular route passenger carriage remains subject to full economic regulation including entry, rates and routes. The purpose behind state economic regulation historically has been to ensure the statewide availability of a reliable level of service while neither allowing service providers to realize excess profits as a sponsored monopoly or risk going under due to declining revenues insufficient to maintain a viable fleet and level of service.

There is a declining population of motor carriers possessing certificated authority to provide regular route passenger transportation subject to economic regulation and the simultaneous growth of public transit providers of the same passenger carrier services. Currently, these two models are sometimes bumping up against existing statutory economic regulation requirements which were unknown to them when they commenced operations. That fact has given rise to certain protestations from private providers of passenger carriage which find it difficult to compete with publicly provided competition. Today, there are only 11 motor carriers in Oregon that hold certificated authority to transport passengers. Of 11 passenger carriers with certificated authority, three are inactive, one was purchased by another, and three of them are receiving public transit subsidies either in the form of a route, fares, or equipment.

By deleting the barriers to entry and the requirements of rate regulation Senate Bill 142 seeks to enable public transportation entities to advance and continue their provision of services. Existing private providers will have opportunity to assist in provided contracted passenger carriage services for public transit providers. This will enable disconnected public transit districts in rural Oregon to link and provide more a connected service.

Additionally, Senate Bill 142 seeks to subject public transit entities to the oversight of Oregon Department of Transportation's transportation safety program as described in ORS Chapter 825. Currently, public transit providers are not subject to ODOT safety regulation as a specific exemption in ORS 825.017.

Oregon Business Development Department
Chapter 123

Rule Caption: Technical revisions to improve administrative rules for primarily standard enterprise zone exemptions.
Stat. Auth.: ORS 285A.075, 285C.060(1), 285C.066, 295C.067(2), 285C.102(3)(c), 285C.140(1) & (12), 285C.200(7) & 285C.215(3)
Stats. Implemented: ORS 285C.050–285C.250, 285C.309, 285C.400, 285C.403, 285C.500, 285C.503
Proposed Amendments: Rules in 123-674, 123-635-0150, 123-650-4500, 123-650-4800, 123-650-4900, 123-656-1600, 123-662-1000, 123-690-0500
Proposed Repeals: 123-674-1500
Last Date for Comment: 9-2-16, 5 p.m.
Summary: Proposed amendments to division 674 make a number of improvements for reading and technical/housekeeping-type purposes, respective to the standard enterprise zone property tax exemption; of particular note, the amendments will:

- Clarify and restate a number of issues related to employment, compensation and similar requirements, including as they pertain to transferring jobs into the zone and local sponsor waivers of basic requirement for 10% increase in zone employment.
- Explain how some concurrent, commonly qualified property can stop exemption after three years while other property receives full extended abatement up to five years.
- Include bulk prototype fabrication as eligible if not a function of professional service.
- Eliminate specific reference to hotel/resort zones.
- Re-specify steps of authorization approval by county assessor's office and the implications of a business firm's timely renewal (or not) of an unused authorization before the firm's property is in service and ready to begin exemption.
- Allow for transitory use of new property outside zone before its placed in service in the zone and address other intricacies of qualifying machinery & equipment (M&E).
- Fully describe elements to qualify major refurbishment, reconditioning, retrofits or upgrades of real property M&E under ORS 285C.190.
- Identify special leasing arrangements affecting an acceptable lease term.
- Comprehensive reformulation and enhancement of guidelines to deal with exemptions and grand-fathering in zones that terminate both before and programmatically in 2025.

This rulemaking also revises wording to recently amended rules in terms of:

- Timing and effect of economic data releases that determine geographic eligibility for the creation/extension of enterprise zones and for allowing business firms to use special tax benefits consistently across programs,
- Proper wording for time frame of enterprise zone determinations relative to local submissions and actions and for restrictions of hotel/resort eligibility within a zone as part of the standard enterprise zone program,
- Reservation enterprise zone tax credits, and
- Clarifying electronic commerce designation process and aligning it better with statutory language.

Oregon Department of Aviation
Chapter 738

Rule Caption: Eliminates the ODA-issued airport license exemption for airports holding an FAA Part 139 certification.
Stat. Auth.: ORS 835.035, 835.112, 836.105
Stats. Implemented: ORS 835.015, 835.025, 836
Proposed Amendments: 738-020-0030
Last Date for Comment: 8-22-16, 8:30 a.m.
Summary: The Legislature amended ORS 836.105 by changing the fee to be paid for airport licenses and airport license renewals. Currently, OAR 738-020-0030 exempts airports holding an FAA Part 139 certification from being required to hold an airport license issued by ODA. It is the intent of the Department to align the rule with the statute and collect the corresponding airport license fees.

Rule Caption: Ambulatory Surgery Center (ASC) Circulating Nurse Requirement

Date:	Time:	Location:
8-25-16	10:30 a.m.	Portland State Office Bldg. 800 NE Oregon St., Rm. 1B Portland, OR 97232

Hearing Officer: Jana Fussell
Stat. Auth.: ORS 441.025 & 676.890
Stats. Implemented: ORS 441-015–441.065, 441.098, 442.015, 676.870–676.890, 678.362
Proposed Amendments: 333-076-0101, 333-076-0106, 333-076-0137, 333-076-0165, 333-076-0250, 333-076-0255, 333-076-0260, 333-076-0270
Last Date for Comment: 8-26-16, 5 p.m.
Summary: The Oregon Health Authority, Public Health Division is proposing to permanently amend Oregon Administrative Rules relating to circulating nurse requirements in ambulatory surgery centers (ASC) in response to concerns raised by stakeholders. In addition, minor housekeeping changes are being made.

ORS 678.362 defines and specifies requirements of a circulating nurse in a Type I ASC which the Division incorporated into administrative rule 333-076-0135 in 2006. In 2009, SB 158 (ORS 441.086) was passed classifying ASCs into three categories: 1) Certified; 2) High-complexity noncertified; and 3) Moderate complexity noncertified. In 2010, the Division amended 333-076-0135 to remove reference to a Type I ASC given no such classification existed. In February 2016, the circulating nurse provision was moved to a new rule (OAR 333-076-0137) relating to surgery services. The Division received both oral and written testimony stating that the circulating nurse requirement should not be required in ASCs performing only the practice of gastrointestinal endoscopy given that such procedures are performed in a non-sterile environment and are typically low risk. In order to ensure that the circulating nurse regulations apply to ASCs that perform higher risk procedures as intended by ORS 678.362, the Division is modifying the rule. In addition, definitions are being modified for clarification.

Oregon Medical Board
Chapter 847

Rule Caption: Change the name of Consent Agreements to Consent Agreements for Re-entry to Practice
Stat. Auth.: ORS 677.235, 677.265, 677.759
Stats. Implemented: ORS 677.100, 677.110, 677.133, 677.172, 677.175, 677.190, 677.205, 677.235, 677.265, 677.270, 677.320, 677.420, 677.512, 677.759, 677.825, 677.830
Proposed Amendments: 847-001-0024, 847-001-0045, 847-008-0003, 847-020-0183, 847-050-0043, 847-070-0045, 847-080-0021
Last Date for Comment: 8-22-16, Close of Business
Summary: The proposed rule amendments memorialize the Board's decision to change the name of "Consent Agreements" to "Consent Agreements for Re-entry to Practice." The Board members voted to change the name at their April 2016 meeting in order to accurately reflect that these agreements between the Board and a licensee are used to establish a re-entry program for a licensee's return to clinical practice after two or more years. The name change is meant to eliminate any confusion that these agreements are disciplinary actions.

Rule Caption: Criminal Records Checks for Employees and Volunteers

Stat. Auth.: ORS 181.534, 181A.195, 303, 676, 676.303, 677.280
Stats. Implemented: ORS 181.534, 181A.170, 181A.195, 181A.215, 676.175, 676.303, 677.280
Proposed Amendments: 847-002-0045
Proposed Repeals: 847-002-0000, 847-002-0005, 847-002-0010, 847-002-0015, 847-002-0020, 847-002-0025, 847-002-0030, 847-002-0035, 847-002-0040
Last Date for Comment: 8-22-16, Close of Business
Summary: The proposed rulemaking repeals existing procedural rules on criminal background checks of employees, volunteers, and applicants and amends one rule to refer to new statewide rules and specify the individuals subject to the rule. This rulemaking is required by House Bill 3168 (2013) and House Bill 2250 (2015), which gave the Department of Administrative Services (DAS) authority to adopt statewide administrative rules for criminal records checks and required other agencies to repeal or amend existing rules as needed in order to be consistent with the statewide rules.

Rule Caption: Reduce workforce data fee for renewing licensees and reduce supervising physician application fee for volunteers
Stat. Auth.: ORS 181A.195, 431.972, 676.410, 677.265, 677.290
Stats. Implemented: ORS 181A.195, 192.440, 431.972, 676.410, 677.265, 677.290, 677.510
Proposed Amendments: 847-005-0005
Last Date for Comment: 8-22-16, Close of Business
Summary: The proposed rule amendment reduces the one-time supervising physician application fee to $50 for physicians volunteering in free clinics or non-profit organizations, reduces the workforce data fee from $5 per licensing period to $2 per year, and corrects references to the criminal records check statutes, which were recently renumbered.
Rules Coordinator: Nicole Krishnaswami

Rule Caption: Criminal Records Checks for Applicants and Licensees
Stat. Auth.: ORS 181A.195, 181A.215, 676.303, 677.265
Stats. Implemented: ORS 181.534, 181A.170, 181A.195, 181A.215, 670.280, 676.330, 677.100, 677.265
Proposed Amendments: 847-008-0068
Last Date for Comment: 8-22-16, Close of Business
Summary: The proposed rule amendment references new statewide rules on criminal records checks recently adopted by the Department of Administrative Services (DAS) and includes language specific to the Oregon Medical Board that is consistent with ORS chapter 181A and the DAS rules. The rule specifies that applicants and licensees are subject to a criminal records check under this rule, refers to statewide rules on criminal records checks, provides the appeals process, and maintains the fee charged to the individual. This rulemaking is required by House Bill 3168 (2013) and House Bill 2250 (2015), which gave DAS authority to adopt statewide administrative rules for criminal records checks and required other agencies to repeal or amend existing rules as needed in order to be consistent with the statewide rules.

Stats. Implemented: ORS 181A.195, 677.100, 677.120, 677.133, 677.190, 677.265, 677.512, 677.759, 677.820, 677.825, 677.830
Proposed Amendments: 847-020-0150, 847-023-0010, 847-026-0015, 847-050-0025, 847-070-0019, 847-080-0013
Last Date for Comment: 8-22-16, Close of Business
Summary: The proposed rule amendments remove references to the DEA exam. The prescription drug questions of highest importance have been incorporated into the new MPA exam. The rules also clearly state the attempt limitations on the open-book examination. The rule related to documents to be submitted in the Expedited Endorsement process has been updated and streamlined in keeping with other rule divisions and to allow for electronic fingerprint submission through the new Fieldprint program.

Oregon Public Employees Retirement System
Chapter 459

Rule Caption: Sets forth agency rule for pursuing legal remedies in cases of fraud.

Date:	Time:	Location:
8-23-16	2 p.m.	PERS Boardroom 11410 SW 68th Pkwy. Tigard, OR 97223

Hearing Officer: Daniel Rivas
Stat. Auth.: ORS 238.650, 238A.450
Stats. Implemented: ORS 238 & 238A
Proposed Adoptions: 459-005-0260
Last Date for Comment: 9-2-16, 5 p.m.
Summary: The purpose of this new rule is to emphasize that the PERS Board will actively pursue all available legal remedies in cases of fraud. These legal remedies include but are not limited to: working with the Oregon Attorney General's office in bringing civil actions under ORS 180.755 against individuals who have committed any number of enumerated prohibited acts against PERS, such as presenting for payment or approval, or cause to be presented for

payment or approval, a claim that the individual knows is a false claim; also, working with the appropriate district attorney's office in bringing criminal charges against individuals who have defrauded or attempted to defraud PERS by committing criminal acts of perjury, mail theft, forgery, and/or identity theft as these crimes are defined under Chapters 162, 164 and 165 of the Oregon Revised Statutes.

Public Utility Commission
Chapter 860

Rule Caption: Reporting Rules for Companies with a Qualified Project Determination from the Public Utility Commission

Date:	Time:	Location:
8-16-16	1:30 p.m.	Public Utility Commission 201 High St. SE, Hearing Rm. Salem, OR 97301

Hearing Officer: Ruth Harper
Stat. Auth.: ORS 308.681, 756.040, 756.060
Stats. Implemented: ORS 308.681

Proposed Adoptions: 860-200-0200, 860-200-0250
Last Date for Comment: 9-9-16, 5 p.m.
Summary: The proposed rules will enable the Public Utility Commission to implement ORS 308.681(2) which requires the Commission to submit a report each year to the Legislative Assembly regarding each company whose property is granted a property tax exemption under ORS 308.677. The Commission cannot make this report without first gathering information from the companies that may be granted any exemption under ORS 308.677. The proposed rules establish an annual reporting requirement for a company that has received a qualified project determination from the Commission under ORS 308.677, which is a prerequisite for the tax exemption.

The Commission encourages participants to file written comments as early as practicable in the proceedings so that other participants have the opportunity to consider and respond to the comments before the deadline. Please reference Docket No. AR 597 on comments and file them by e-mail to the Commission's Filing Center at PUC.FilingCenter@state.or.us.

Interested persons may review all filings online at http://apps.puc.state.or.us/edockets/docket.asp?DocketID=20055. For guidelines on filing and participation, please see OAR 860-001-0140 through 860-001-0160 and 860-001-0200 through 860-001-0250 found online at http://arcweb.sos.state.or.us/pages/rules/oars_800/oar_860/860_001.html.

Rule Caption: In the Matter of Rulemaking to Prescribe Application Requirements for Transportation Electrification Programs.

Date:	**Time:**	**Location:**
8-22-16	9:30 a.m.	Public Utility Commission 201 High St. SE, Hearing Rm. Salem, OR 97301

Hearing Officer: ALJ Ruth Harper
Stat. Auth.: ORS 756.040, 756.060, OL 2016 Ch. 028, Sec.. 20 (SB 1547)
Stats. Implemented: OL 2016 Ch. 028, Sec. 20 (SB 1547)
Proposed Adoptions: 860-087-0001, 860-087-0010, 860-087-0020, 860-087-0030, 860-087-0040
Last Date for Comment: 9-9-16, 5 p.m.
Summary: This rulemaking implements Oregon Laws 2016, chapter 028, section 20, which requires the Public Utility Commission of Oregon (PUC) to prescribe the form and manner of applications for programs to accelerate transportation electrification. The electric companies subject to this rule must file applications for programs to accelerate transportation electrification on or before December 31, 2016. The proposed rules list the information that an electric company must provide in a transportation electrification program application and plan and clarify filing deadlines.

The Commission encourages participants to file written comments as early as practicable in the proceedings so that other participants have the opportunity to consider and respond to the comments before the deadline. Please reference Docket No. AR 599 on comments and file them by e-mail to the Commission's Filing Center at PUC.FilingCenter@state.or.us.

Teacher Standards and Practices Commission
Chapter 584

Rule Caption: Adopts, amends and repeals rules related to educator licensure and approval of preparation programs.
Stat. Auth.: ORS 342
Stats. Implemented: OL 2015, ch 756 (SB 78); OL 2015 ch 279 (SB 83); OL 2015 ch 245 (HB 2412) and OL 2015, ch 647 (HB 2411).; ORS 342.120–342.430, 342.455–342.495 & 342.553
Proposed Adoptions: Division 10: 584-010-0004, 584-010-0125, Division 17: 584-017-1037
Proposed Amendments: Division 17: 584-017-1100, Division 20: 584-020-0060, Division 70: 584-070-0111, 584-070-0012 , Division 200: 584-200-0005, 584-200-0030, Division 210: 584-210-0030, 584-210-0040, 584-210-0050, 584-210-0060, 584-210-0070, 584-210-0100, 584-210-0160, Division 220: 584-220-0010, 584-220-0080, 584-220-0110, 584-220-0215, 584-220-0220, 584-220-0225, Division 225: 584-225-0050, 584-225-0060, Division 420: 584-420-0010, 584-420-0310, 584-420-0360, 584-420-0365, 584-420-0420, 584-420-0425, 584-420-0490, 584-420-0630
Proposed Repeals: Division 50: 584-050-0060; 584-050-0065; 584-050-0066; 584-050-0070 Division 420: 584-420-0300; 584-420-0375; 584-420-0390
Proposed Ren. & Amends: Division 50: 584-020-0060 to 584-050-0125
Last Date for Comment: 10-15-16, 5 p.m.
Summary: 584-020-0060 clarifies process for termination of informal reproval process and renumbers to 584-050-0060 so it will be with other professional practices rules.

584-050-0060; 584-050-0065; 584-050-0066; 584-050-0067; 584-050-0070: Repeals rules because the underlying statutory language was repealed in Or Laws 2015 ch 245 (HB 2412)).

584-010-0004 Adopts provisions to provide guidance to programs for state approval process during transition to national accreditation requirements pursuant to Or Laws 2015, ch 756 (SB 78) .

584-010-0125 Adopts a method to allow programs to create innovative and collaborative programs on an experimental basis.

584-017-0110 Clarifies that the edTPA assessments must be submitted for national scoring for 16-17 school year. Clarifies that candidates adding endorsements to existing licenses in a program-required area must still complete a work sample or edTPA (national scored or local evaluation).

584-017-0137 Adopts program standards for cooperating teachers pursuant to Or Laws 2015 ch 279 (SB 83).

584-070-0111 Changes name of license from Transitional to Reciprocal. Clarifies process for moving to Preliminary license.

584-200-0005 Permits applicants who previously held middle level endorsement to add foundational endorsements with only a test. Provides a 120 day grace period to all licenses that expire on June 30, 2016.including restricted sub licenses.

584-200-0030 Defines a month as 30 days for purposes of late fees. Adds provision to allow 30 days to reopen an application after issuing license if new information is received.

584-210-0030 Clarifies that recency requirements do not apply to applicants moving directly from a Reciprocal to a Preliminary.

584-210-0040 Clarifies the applicant must hold an Initial, Initial I, Initial II, reciprocal, preliminary teaching license or equivalent out-of-state license to count teaching experience for Professional license. Permits .5 to .99 teaching experience for six years to meet experience requirement for the Professional.

584-210-0050 Creates more flexible provisions related to teaching experience and evaluations for Teacher Leader license.

584-210-0060 Allows certain applicants who have previously held restricted licenses to apply for Reciprocal license.

584-210-0070 Removes provision that allows out-of-state people to be issued the legacy.

584-210-0100 Clarifies that an applicant may hold an emergency, charter school and restricted substitute license prior to qualifying restricted teaching license.

584-210-0160 Removes provisions related to highly qualified.

584-220-0010 Changes name from Family and Consumer Studies to Family and Consumer Sciences

584-220-0080 Changes name from Family and Consumer Studies to Family and Consumer Sciences

584-420-0010 Clarifies ELL standards apply to all candidates in all programs

Division 220: 584-220-0215; 584-220-0220; 584-220-0225; 584-420-0490: Clarifies requirements for language proficiency.

Division 225: 584-225-0050; 584-225-0060; 584-420-0630. Clarifies language proficiency requirements.

Division 420: 584-420-0310; 584-420-0360; 584-420-0365; 584-420-0415; 584-420-0420; 584-420-0425; 584-420-0475; 584-420-0490 Clarifies that work samples or edTPA (locally or nationally scored) are required for advanced candidates completing the program-required areas to add an endorsement.

584-420-0300; 584-420-0375; 584-420-0390 Repeals single subject endorsement area program standards: Advanced Mathematics Endorsement: Program Standards; Foundational Math Endorsement: Program Standards; Health: Program Standards

Makes other housekeeping changes.

The agency is seeking public comment on the proposed rules, including advantages, disadvantages, alternative options, and potential costs of implementing. Please submit written comments to TSPC.RuleTestimony@state.or.us by October 15, 2016 (5:00 pm).

Subject: To clarify the requirements and expectations for entering, complying, and successful completion of the Board's alternative to discipline program and the public discipline board orders.
Rules Coordinator: Peggy A. Lightfoot—(971) 673-0638

851-070-0000
Purpose, Intent and Scope

The Board believes that licensees who develop substance use disorders, mental disorders, or both disorders can, with appropriate treatment, be assisted with recovery and return to the practice of nursing with appropriate workplace monitoring. In assuring public protection, it is the intent of the Board that a licensee with a substance use disorder, a mental disorder or both types of disorders may have the opportunity to enter the Alternative to Discipline (ATD), known in Oregon as the Health Professionals' Services Program (HPSP) as a Board referral or a self-referral. Based upon review of each individual circumstance, the Board may, instead of allowing entry into HPSP, order public discipline. Substantial non-compliance with the requirements of the ATD or public discipline program may lead to further disciplinary action by the Board. For Licensees with Cognitive or Physical Impairment without associated Behavioral Health Diagnosis return to work monitoring will be done through public discipline and are not eligible for the ATD program.

Stat. Auth.: ORS 676.200

851-070-0005
Definitions

The following definitions apply to OAR chapter 851, division 070, except as otherwise stated in the definition:

(1) "Abstinence" means the avoidance of all intoxicating substances, including but not limited to prescription or over-the-counter drugs with a potential for abuse or the potential to develop a substance use disorder. Despite marijuana (either recreational or medical) and alcohol being legal, monitoring programs prohibit use of either substance. This definition does not include medically appropriate prescriptions.

(2) "Alternative to Discipline (ATD)" means that in the state of Oregon, the Alternative to Discipline program is known as the Health Professionals Services Program and is administered by the Oregon Health Authority, Addictions and Mental Health Division.

(3) "Assessment or evaluation" means the process an independent third-party evaluator uses to diagnose the licensee and to recommend treatment options for the licensee.

(4) "Authorized Prescription" means a prescription for medically appropriate medications obtained by the licensee from a prescriber authorized to prescribe by the statute and rules of the prescriber's specific regulatory Board.

(5) "Behavioral Health" is inclusive of substance use disorders, mental disorders, or combination of disorders as defined in DSM.

(6) "Board" means the Oregon State Board of Nursing.

(7) "Business day" means Monday through Friday, except legal holidays as defined in ORS 187.010 or 187.020.

(8) "Certificate Holder" means a Certified Nursing Assistant, Certified Medication Aide.

(9) Cognitive Impairment means an individual having trouble remembering, learning new things, concentrating or making decisions that affect their ability to practice nursing.

(10) "Diagnosis" means the principal mental health or substance use diagnosis listed in the Diagnostic and Statistical Manual (DSM). The diagnosis is determined through an assessment and any examinations, tests or consultations suggested by the assessment, and is the medically appropriate reason for services.

(11) "Division" means the Oregon Health Authority, Addictions and Mental Health Division.

(12) "DSM" means the Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association.

(13) "Federal regulations" means:

(a) As used in ORS 676.190(1)(f)(D), a "positive toxicology test result as determined by federal regulations pertaining to drug testing" means test results meeting or exceeding the cutoff concentrations shown in 49 CFR § 40.87 (2011) must be reported as substantial non-compliance, but positive toxicology results for other drugs and for alcohol may also constitute, and may be reported as, substantial non-compliance.

(b) As used in ORS 676.190(4)(i), requiring a "licensee to submit to random drug or alcohol testing in accordance with federal regulations" means licensees are selected for random testing by a scientifically valid method, such as a random number table or a computer-based random number generator that is matched with licensees' unique identification numbers or other comparable identifying numbers. Under the selection process used, each covered licensee shall have an equal chance of being tested each time selections are made, as described in 40 CFR § 199.105(c)(5) (2011). Random drug tests must be unannounced and the dates for administering random tests must be spread reasonably throughout the calendar year, as described in 40 CFR § 199.105(c)(7) (2011).

(14) "Fitness to practice evaluation" means the process a qualified evaluator uses to determine if the licensee can safely perform the essential functions of the licensee's health practice. Fitness to Practice evaluation may be in addition to a Treatment Program Evaluation.

(15) "Final enrollment" means the licensee has provided all documentation required by OAR 851-070-0040 and has met all eligibility requirements to participate in the ATD.

(16) "Final Board Order" means the document describing the terms and conditions of the public discipline.

(17) "Impaired Professional" as defined in ORS 676.303, means a licensee who is unable to practice with professional skill and safety by reason of habitual or excessive use or abuse of drugs, alcohol or other substances that impair ability or by reason of a mental disorder.

(18) "Independent third-party evaluator" means an individual who is approved by a licensee's Board to evaluate, diagnose, and offer treatment options for substance use disorders, mental disorders, or co-occurring disorders.

(19) "Individual monitoring/compliance record" means the official permanent documentation, written or electronic, for each licensee, which contains all information required by these rules and maintained to demonstrate compliance with these rules.

(20) "Interim Consent Order (ICO)" means an agreement in which a licensee voluntarily steps away from practice until further order of the Board.

(21) "Licensee" means a licensed practical nurse, registered nurse, or advanced practice registered nurse who is licensed or certified by the Oregon State Board of Nursing.

(22) "Mental disorder" means a clinically significant behavioral or psychological syndrome or pattern that occurs in an individual and that is associated with present distress or disability or with a significantly increased risk of suffering death, pain, disability, or an important loss of freedom that is identified in the DSM. "Mental disorder" includes gambling disorders.

(23) "Monitoring agreement" means an individualized agreement between a licensee and the vendor that meets the requirements for a non-disciplinary agreement set by ORS 676.190.

(24) "Monitored Practice" means practice under the direct supervision of a worksite monitor by agreement or Board order. The ability to provide monitored practice is determined by the employer.

(25) "Non-treatment compliance monitoring" means the non-medical, non-therapeutic services employed to track and report the licensee's compliance with the monitoring agreement or Board order.

(26) "Nurse Monitoring Program" (NMP) means the alternative to the Board of Nursing's discipline program prior to July 1, 2010.

(27) Physical Impairment means the ability to move, coordinate actions, or perform physical activities is significantly limited or delayed and is exhibited by difficulties in one or more of the following areas: physical and motor tasks; independent movement, performing daily life functions.

(28) "Provisional enrollment" means temporary enrollment, pending verification that a self-referred licensee meets all ATD eligibility criteria.

(29) "Public Discipline" means action against a licensee or certificate holder resulting in public reporting of the discipline, including posting on the OSBN website and in the OSBN publications. Public Discipline is a permanent document that remains publicly displayed for the life of the license/certificate even after all requirements of the public discipline are satisfied. For the impaired nurse public discipline usually takes the form of probation (which includes monitored practice), although the Board can levy discipline up to and including revocation. For this rule, Public Discipline will be referred to as "Probation."

(30) "Self-referred licensee" means an eligible licensee who entered participation in the HPSP program without a referral from the board.

(31) "Stipulated Agreement" means the document describing the terms and conditions of public discipline agreed to by the licensee and approved by Board order.

(32) "Substance use disorder" means a disorder related to the taking of a drug of abuse (including alcohol); to the side effects of a medication; and to a toxin exposure, including: substance use disorders (substance dependence and substance abuse) and substance-induced disorders (including but not limited to substance intoxication, withdrawal, delirium, and dementia, as well as substance induced psychotic disorders and mood disorders), as defined in DSM criteria.

(33) "Substantial non-compliance" means that a licensee is in violation of the terms of his or her monitoring agreement or Board Order in a way that gives rise to concerns about the licensee's ability or willingness to participate in the HPSP or is in violation of the Board Order. Substantial non-compliance and non-compliance include, but are not limited to, the factors listed in ORS 676.190(1)(f). Conduct that occurred before a licensee entered into a monitoring agreement does not violate the terms of that monitoring agreement, notwithstanding a complaint to the Board regarding conduct related to the reason for entering the monitoring agreement/Stipulated Order.

(34) "Successful completion" means that for the period of service deemed necessary by the vendor or by the Board by rule, the licensee has satisfactorily complied with the licensee's monitoring agreement or Board order.

(35) "Toxicology testing" means urine testing or alternative chemical monitoring including blood, saliva, breath, or hair as conducted by a laboratory certified, accredited or licensed and approved for toxicology testing.

(36) "Treatment" means the planned, specific, individualized health and behavioral health procedures, activities, services and supports that a treatment provider uses to remediate symptoms of a substance use disorder, mental disorder or both types of disorders.

(37) "Vendor" means the entity that has contracted with the Division to conduct the ATD.

(38) "Worksite Monitor" means a licensed health professional or appropriate individual approved by the Board designated to:

(a) Conduct routine observation/monitoring of licensee's performance.

(b) To make / contribute to verbal and written reports.

(c) To intervene when patient and/or public safety is at risk.

(d) To intervene, in the case of the licensee/certificate holder who does not directly care for patients, when there is indication of impairment in the workplace.

Participation in Health Professionals' Services Program

The Oregon State Board of Nursing's ATD is the HPSP program. (For the purposes of this rule, from here on, the ATD program will be referred to as the HPSP). Effective July 1, 2010, the Board shall participate in the Health Professionals' Services Program and may refer eligible nurses to the HPSP in lieu of or in addition to public discipline. Only licensed practical nurses, registered nurses, and advanced practice registered nurses who meet the eligibility criteria may be referred by the Board to HPSP.

851-070-0020
Eligibility for enrollment in Health Professionals' Services Program (HPSP)

(1) Licensee must be evaluated by an independent, third-party evaluator approved by the Board. The evaluation must include a diagnosis of a substance use disorder, mental disorder, or both types of disorders with the appropriate diagnostic code from the DSM, and treatment options. The evaluation must also include return to work conditions. If not included in the initial treatment evaluation, the licensee will need to obtain a second evaluation to identify specific return to work recommendations or this may be determined by qualified Board staff.

(2) Must have reasonable ability to meet the monitored practice requirement.

(3) Licensees who have successfully completed either the NMP or HPSP programs and who have had a reoccurrence of impairment may be permitted a maximum of one additional admittance into the HPSP upon Board approval.

(4) If eligibility for HPSP is met, the Board will make the final determination if the licensee may be referred to HPSP or be placed on public discipline.

(5) Sections 3 and 4 of this paragraph do not apply to the self-referred licensee.

851-070-0025
Public Discipline

Public discipline is determined by the Board after deliberation of investigatory information. Once ordered for public discipline, there is no option for entry into HPSP. The requirements for Board ordered monitored practice are stated in the specific Board documents.

Stat. Auth.: ORS 676.200

851-070-0030
Procedure for Board Referrals and Public Discipline

(1) The Board will review the report of the Investigator to determine if the licensee will be referred to the HPSP program or receive public discipline.

(2) A Board-referred licensee is enrolled in the program effective on the date the Board approves entry into the program.

(3) Upon final enrollment into the program, the vendor will notify the Board and the Board ends the ICO. The Board will dismiss, without prejudice, the complaint at the next Board meeting.

851-070-0040
Procedure for Self- Referred Licensees

(1) Self-referred licensees may participate in the HPSP as permitted by ORS 676.190(5). Licensees with physical or cognitive impairment, without an associated Behavioral Diagnosis are not eligible to self-refer to HPSP.

(2) Once a self-referred licensee seeks enrollment in the HPSP, failure to complete final enrollment may constitute substantial non-compliance and may be reported to the Board.

(3) If self-referral has completed final enrollment to the HPSP and the Board opens an investigation on the licensee not related to substantial non-compliance, the licensee may continue in the HPSP program for the monitoring of safe practice until the Board has determined their ongoing eligibility or determined discipline.

(4) If a licensee voluntarily enters treatment without exhibiting an established danger to the public (such as workplace impairment, multiple DUII, etc.), without self-referral to HPSP, or has otherwise not had any Board reportable incidences, there is no requirement to report to the Board by the individual or the employer at the time of treatment or discovery that the licensee was in treatment, however, the licensee must disclose the treatment upon renewal of licensure.

851-070-0045
Disqualification for self-referral to HPSP

(1) Reasonable expectation that a report will be made to the Board regarding work place impairment.

(2) Criminal activity involving injury or endangerment to others.

(3) A diagnosis requiring treatment because of sexual offenses or sexual misconduct.

(4) Pending or active investigations with the Board or Boards from other states.

(5) Previous failure to complete either the Nurse Monitoring Program or HPSP.

(6) Current participation in a monitoring program in another state.

(7) If during the safe practice investigation an issue is revealed that requires the HPSP program to report the issue to the Board.

Stat. Auth.: ORS 676.200

Hist.: BN 4-2016, f. 7-15-16, cert. ef. 8-1-16

851-070-0050
Disqualification Criteria for Board-referral entry into HPSP

In addition to the above, the Board may disqualify the licensee for entry into HPSP for factors including, but not limited to:

(1) Licensee's disciplinary history;

(2) Extent to which licensee's practice can be limited or managed to eliminate danger to the public;

(3) Likelihood that licensee's impairment cannot be managed with treatment;

(4) Evidence of patient harm related to the impairment;

(5) Evidence of non-compliance with a monitoring program from other state; or

(6) Previous Board investigations with findings of substantiated abuse or neglect.

851-070-0060
Approval of Independent Third-Party Evaluators

(1) To be approved by the Board as an independent third-party evaluator, an evaluator must:

(a) Be licensed as required by the jurisdiction in which the evaluator works;

(b) Have a minimum of a Master's Degree in a mental health discipline;

(c) Provide evidence of additional education and experience as shown by one of the following:

(A) Department of Transportation Substance Abuse Professional qualification;

(B) Certified Alcohol and Drug Counselor (CADC) II or III; an evaluation done by a CADC 1 may be accepted if:

(i) Signed off by a CADC II or III; or

(ii) Per the Board evaluation process be qualified to perform the appropriate level of evaluation;

(C) Board Certified in Addiction Medicine by either ASAM or American Board of Psychiatry and Neurology.

(d) Provide evidence of assessments at the licensure level of the licensee being evaluated.

(e) The Board will not accept an evaluator as independent in a particular case if, in the Board's judgment, the evaluator's judgment is likely to be influenced by a personal or professional relationship with a licensee.

(f) If the evaluation does not contain return to work criteria, qualified Board staff or another third party evaluator will review the evaluation to determine the return to work criteria.

(2) Evaluation of cognitive or physical impairment may be established by a Licensed Independent Practitioner who has met their Licensing Board's requirement for practice in the area of physical and cognitive assessment.

851-070-0070
Approval of Treatment Providers

(1) To be approved by the Board as a treatment provider, a provider must be:

(a) Licensed as required by the jurisdiction in which the provider works;

(b) Able to provide appropriate treatment considering licensee's diagnosis, degree of impairment, level of licensure, and treatment options proposed by the treatment program or the independent third-party evaluator; and

(c) Able to obtain a urinalysis of the licensee at intake.

(2) The Board will not accept a provider as a treatment provider in a particular case if, in the Board's judgment, the provider's judgment is likely to be influenced by a personal or professional relationship with a licensee.

851-070-0075
Approval of Worksite Monitors for both HPSP and Public Discipline

To be approved by the Board as a worksite monitor, a worksite monitor must be:

(1) Licensed as a registered nurse or other licensed health professional approved by the Board.

(2) Conduct routine observation/monitoring of licensee's performance. The worksite monitor may be the supervisor if the supervisor can meet the observation requirements or this may be delegated by the supervisor to another licensed individual who meets the requirements.

(3) Provide evidence of specialized education relevant to the worksite monitor as approved by the Board.

(4) The worksite monitor must agree in writing to perform the worksite monitor role.

(5) The written report must be completed by the worksite supervisor with input from workplace monitors.

851-070-0080
Licensee Responsibilities for Self/Board referred HPSP and Public Discipline

(1) All licensees must:

(a) Agree to report any arrest for or conviction of a misdemeanor or felony crime to the HPSP and/or the Board within three business days after the licensee is arrested or convicted of the crime; and

(b) Comply continuously with his or her monitoring agreement, including any restrictions on his or her practice for a minimum of two years for the HPSP program; or, for public discipline, as specified by the Board by rule or order. During the last two years of the HPSP program only, for a single isolated incident of substantial noncompliance the Board has discretion to determine if the substantial noncompliance warrants extension in the program.

(c) Abstain from mind-altering or intoxicating substances or potentially addictive drugs, unless prescribed for a documented medical condition by a person authorized by law to prescribe the drug to the licensee. The Board does not authorize the HPSP program to approve or disapprove medications prescribed to the Licensee for a documented medical condition;

(d) Report unauthorized use of mind-altering or intoxicating substances or potentially addictive drugs within 24 hours;

(e) Comply with the treatment plan. HPSP medical director may consult with the third party evaluator(s) regarding treatment recommendations. The Board does not authorize HPSP to independently modify treatment plans developed by an Independent third-party evaluator;

(f) Limit practice as required by the Third-Party Evaluator, Treatment Program, or Board order;

(g) Participate in monitored practice;

(h) Participate in a follow-up evaluation, when necessary, of licensee's fitness to practice;

(i) Submit to random toxicology testing for the duration of the HPSP or Public Discipline program;

(j) Report at least weekly to the HPSP regarding the licensee's compliance with the monitoring agreement; report at least monthly to the Public Discipline Program compliance staff;

(k) Report to the HPSP monitor/Board compliance staff applications for licensure in other states, changes in employment and changes in practice setting;

(l) Agree to be responsible for the cost of evaluations, toxicology testing and treatment;

(m) Report to the HPSP Board compliance staff any investigations or disciplinary action by any state or state agency, including Oregon;

(n) Participate in required meetings according to the treatment plan; and

(o) Maintain active license status.

(2) In addition to the requirements listed in section one of this rule, self-referred licensees must also provide to the HPSP a copy of a report of the licensee's criminal history, at least once per calendar year or more often if required by the HPSP.

851-070-0090
Completion Requirements

(1) To complete the HPSP successfully, licensees with a substance use disorder and with a mental disorder, must have participated in the HPSP program for a minimum of four years and have worked for at least two years in a monitored practice. Licensees must complete the required two years of monitored practice within four years of entering the HPSP.

(2) To complete the HPSP successfully, licensees with a mental health disorder, but no substance use disorder, must have participated in the HPSP program for a minimum of two years and have worked for at least one year in a monitored practice. Licensees with a mental health disorder may be required to submit to random alcohol or drug testing only in cases when such testing is recommended by a third-party evaluator or Board order based on a diagnosis of substance use disorder. Licensees must complete the required year of monitored practice within two years of entering the Health Professionals' Services Program.

(3) The Board may extend the time within which a licensee must complete monitored practice if the licensee has remained compliant with the program.

(4) A licensee who does not complete the required term of monitored practice will be discharged from the Health Professionals' Services Program and may be subject to discipline.

(5) The time spent working in monitored practice before transferring from the Nurse Monitoring Program to the Health Professionals' Services Program effective July 1, 2010, will be counted toward the required term of monitored practice.

(6) For probation, the licensee will be considered for completion as per Board order; however, the public discipline stays on the OSBN website for the life of the license.

851-070-0100
Substantial Non-Compliance Criteria

(1) The HPSP will report substantial non-compliance to the Board within one business day after the HPSP learns of non-compliance, including but not limited to information that a licensee:

(a) Engaged in criminal behavior;

(b) Engaged in conduct that caused injury, death or harm to the public, including engaging in sexual impropriety with a patient;

(c) Was impaired in a health care setting in the course of the licensee's employment;

(d) Received a positive toxicology test result as determined by federal regulations pertaining to drug testing or self report of unauthorized substance use;

(e) Violated a restriction on the licensee's practice imposed by the HPSP or the licensee's Board;

(f) Was civilly committed for mental illness or involuntary hospitalization;

(g) Entered into a monitoring agreement with HPSP, but failed to participate or discontinued participation in HPSP;

(h) Was referred to the HPSP, but failed to enroll in the HPSP;

(i) Forged, tampered with, or modified a prescription;

(j) Violated any rules of prescriptive/dispensing authority;

(k) Violated any provisions of OAR 851-070-0080;

(l) Violated any terms of the monitoring agreement; or

(m) Failed to complete the monitored practice requirements as stated in OAR 851-070-0090.

(2) The Board, upon being notified of a licensee's substantial non-compliance will investigate and determine the appropriate sanction, which may include a limitation of licensee's practice and any other sanction, up to and including termination from the HPSP and formal discipline.

(3) For Board Ordered discipline violation of any of the conditions of the final order is considered non-compliance and will be investigated and the appropriate sanction will be determined up to and including revocation of license or certificate.

Board of Pharmacy
Chapter 855

Rule Caption: Adopt, amend or repeal rules in Divisions 006, 025, 041, 043 and 110.
Adm. Order No.: BP 2-2016
Filed with Sec. of State: 6-30-2016
Certified to be Effective: 7-1-16
Notice Publication Date: 5-1-2016
Rules Adopted: 855-006-0020, 855-043-0700, 855-043-0705, 855-043-0710, 855-043-0715, 855-043-0720, 855-043-0725, 855-043-0730, 855-043-0735, 855-043-0740, 855-043-0745, 855-043-0750
Rules Amended: 855-006-0005, 855-025-0001, 855-025-0005, 855-025-0010, 855-025-0012, 855-025-0015, 855-025-0060, 855-041-4200, 855-110-0003, 855-110-0005, 855-110-0007, 855-110-0010
Rules Repealed: 855-043-0110, 855-043-0130, 855-043-0300, 855-043-0310
Subject: Amendments in Division 006 add a definition for "Quality Assurance Plan" and establish a new rule number for "Unprofessional Conduct".

Amendments in Division 025 change the annual Certified Oregon Pharmacy Technician license to a biennial license that expires June 30th in even numbered years. Other changes are primarily housekeeping related matters or changes that correspond with biennial licensure. Changes also clarify and update the Pharmacy Technician rules.

Amendments in Division 041 are minor housekeeping changes which include an updated rule reference related to Remote Distribution Facilities.

Rules in Division 043 Practitioner Dispensing rules repeal the existing County Health Clinic and Family Planning Clinic Drug Outlet rules and establish a new section of rules to combine these two licenses into one category that will be called a Community Health Clinic Drug Outlet. A facility must register when medication dispensing is performed by a Registered Nurse (RN). The new rules provide minimum requirements of operation and define requirements for personnel, policies, and procedures, security, drug acquisition, storage of drugs, labeling, dispensing and drug delivery, disposal of drugs and recordkeeping. The new rules go into effect 7/1/16; however, facilities currently registered with the Board under the former license categories will be issued a new Community Health Clinic Drug Outlet registration upon renewal in 2017.

Amendments in Division 110 correspond with the transition to biennial licensure for Certified Oregon Pharmacy Technicians and make other minor corrections as a result of changes to various rules.
Rules Coordinator: Karen MacLean—(971) 673-0001

855-006-0005
Definitions

As used in OAR chapter 855:

(1) "Board" means the Oregon Board of Pharmacy unless otherwise specified or required by the context.

(2) "Certified Pharmacy Technician" means a person licensed by the State Board of Pharmacy who assists the pharmacist in the practice of pharmacy pursuant to rules of the Board and has completed the specialized education program pursuant to OAR 855-025-0005. Persons used solely for clerical duties, such as recordkeeping, cashiering, bookkeeping and delivery of medications released by the pharmacist are not considered pharmacy technicians.

(3) "Clinical Pharmacy Agreement" means an agreement between a pharmacist or pharmacy and a health care organization or a physician that permits the pharmacist to engage in the practice of clinical pharmacy for the benefit of the patients of the health care organization or physician.

(4) "Collaborative Drug Therapy Management" means the participation by a pharmacist in the management of drug therapy pursuant to a written protocol that includes information specific to the dosage, frequency, duration and route of administration of the drug, authorized by a practitioner and initiated upon a prescription order for an individual patient and:

(a) Is agreed to by one pharmacist and one practitioner; or

(b) Is agreed to by one or more pharmacists at a single pharmacy registered by the board and one or more practitioners in a single organized medical group, such as a hospital medical staff, clinic or group practice, including but not limited to organized medical groups using a pharmacy and therapeutics committee.

(5) "Compounding" means the preparation, mixing, assembling, packaging, or labeling of a drug or device:

(a) As the result of a practitioner's prescription drug order, or initiative based on the relationship between the practitioner, the pharmacist and the patient, in the course of professional practice; or

(b) For the purpose of, or as an incident to, research, teaching, or chemical analysis and not for sale or dispensing; or

(c) The preparation of drugs or devices in anticipation of prescription drug orders based on routine, regularly observed prescribing patterns; or

(d) As a component of a Shared Pharmacy Service agreement as defined in section (21) of this rule.

(6) "Confidential Information" means any patient information obtained by a pharmacist or pharmacy.

(7) "Consulting Pharmacist" means a pharmacist that provides a consulting service regarding a patient medication, therapy management, drug storage and management, security, education, or any other pharmaceutical service.

(8) The "Container" is the device that holds the drug and that is or may be in direct contact with the drug.

(9) "Dispensing or Dispense" means the preparation and delivery of a prescription drug pursuant to a lawful order of a practitioner in a suitable container appropriately labeled for subsequent administration to or use by a patient or other individual entitled to receive the prescription drug.

(10) "Interpretation and evaluation of prescription orders" means the review of the order for therapeutic and legal correctness. Therapeutic review includes identification of the prescription drug ordered, its applicability and its relationship to the other known medications used by the patient and determination of whether or not the dose and time interval of administration are within accepted limits of safety. The legal review for correctness of the prescription order includes a determination that the order is valid and has not been altered, is not a forgery, is prescribed for a legitimate medical purpose, contains all information required by federal and state law, and is within the practitioner's scope of practice.

(11) "Labeling" means the process of preparing and affixing of a label to any drug container exclusive, however, of the labeling by a manufacturer, packer or distributor of a non-prescription drug or commercially packaged legend drug or device.

(12) "Monitoring of therapeutic response or adverse effect of drug therapy" means the follow up of the therapeutic or adverse effect of medication upon a patient, including direct consultation with the patient or his agent and review of patient records, as to result and side effect, and the analysis of possible interactions with other medications that may be in the medication regimen of the patient. This section shall not be construed to prohibit monitoring by practitioners or their agents.

(13) "Medication Therapy Management (MTM)" means a distinct service or group of services that is intended to optimize therapeutic outcomes for individual patients. Medication Therapy Management services are independent of, but can occur in conjunction with, the provision of a medication product.

(14) "Nationally Certified Exam" means an exam that is approved by the Board which demonstrates successful completion of a Specialized Education Program. The exam must be reliable, psychometrically sound, legally defensible and valid.

(15) "Non-legend drug" means a drug which does not require dispensing by prescription and which is not restricted to use by practitioners only.

(16) "Offering or performing of those acts, services, operations or transactions necessary in the conduct, operation, management and control of pharmacy" means, among other things:

(a) The creation and retention of accurate and complete patient records;

(b) Assuming authority and responsibility for product selection of drugs and devices;

(c) Developing and maintaining a safe practice setting for the pharmacist, for pharmacy staff and for the general public;

(d) Maintaining confidentiality of patient information.

(17) "Oral Counseling" means an oral communication process between a pharmacist and a patient or a patient's agent in which the pharmacist obtains information from the patient (or agent) and the patient's pharmacy records, assesses that information and provides the patient (or agent) with professional advice regarding the safe and effective use of the prescription drug for the purpose of assuring therapeutic appropriateness.

(18) Participation in Drug Selection and Drug Utilization Review:

(a) "Participation in drug selection" means the consultation with the practitioner in the selection of the best possible drug for a particular patient.

(b) "Drug utilization review" means evaluating prescription drug order in light of the information currently provided to the pharmacist by the patient or the patient's agent and in light of the information contained in the patient's record for the purpose of promoting therapeutic appropriateness by identifying potential problems and consulting with the prescriber, when appropriate. Problems subject to identification during drug utilization review include, but are not limited to:

(A) Over-utilization or under-utilization;

(B) Therapeutic duplication;

(C) Drug-disease contraindications;

(D) Drug-drug interactions;

(E) Incorrect drug dosage;

(F) Incorrect duration of treatment;

(G) Drug-allergy interactions; and

(H) Clinical drug abuse or misuse.

(19) "Pharmaceutical Care" means the responsible provision of drug therapy for the purpose of achieving definite outcomes that improve a patient's quality of life. These outcomes include:

(a) Cure of a disease;

(b) Elimination or reduction of a patient's symptomatology;

(c) Arrest or slowing of a disease process; or

(d) Prevention of a disease or symptomatology.

(20) "Pharmacy Technician" means a person licensed by the State Board of Pharmacy who assists the pharmacist in the practice of pharmacy pursuant to rules of the Board but has not completed the specialized education program pursuant to OAR 855-025-0012.

(21) "Practice of clinical pharmacy" means:

(a) The health science discipline in which, in conjunction with the patient's other practitioners, a pharmacist provides patient care to optimize medication therapy and to promote disease prevention and the patient's health and wellness;

(b) The provision of patient care services, including but not limited to post-diagnostic disease state management services; and

(c) The practice of pharmacy by a pharmacist pursuant to a clinical pharmacy agreement.

(22) "Practice of pharmacy" is as defined in ORS 689.005.

(23) "Prescription released by the pharmacist" means, a prescription which has been reviewed by the pharmacist that does not require further pharmacist intervention such as reconstitution or counseling.

(24) "Prohibited conduct" means conduct by a licensee that:

(a) Constitutes a criminal act against a patient or client; or

(b) Constitutes a criminal act that creates a risk of harm to a patient or client.

(25) "Proper and safe storage of drugs and devices and maintenance of proper records therefore" means housing drugs and devices under conditions and circumstances that:

(a) Assure retention of their purity and potency;

(b) Avoid confusion due to similarity of appearance, packaging, labeling or for any other reason;

(c) Assure security and minimize the risk of their loss through accident or theft;

(d) Accurately account for and record their receipt, retention, dispensing, distribution or destruction;

(e) Protect the health, safety and welfare of the pharmacist, pharmacy staff and the general public from harmful exposure to hazardous substances.

(26) "Quality Assurance Plan" is a written set of procedures to ensure that a pharmacy has a planned and systematic process for the monitoring and evaluation of the quality and appropriateness of pharmacy services and for identifying and resolving problems.

(27) "Responsibility for advising, when necessary or when regulated, of therapeutic values, content, hazards and use of drugs and devices" means advice directly to the patient, either verbally or in writing as required by these rules or federal regulation, of the possible therapeutic response to the medication, the names of the chemicals in the medication, the possible side effects of major importance, and the methods of use or administration of a medication.

(28) "Shared Pharmacy Service" means a written agreement, that has been approved in writing by the board, that exists for the processing by a pharmacy of a request from another pharmacy or a practitioner licensed to prescribe the drug, to fill or refill a prescription or a drug order, or to perform processing functions including but not limited to:

(a) Dispensing;

(b) Drug utilization review;

(c) Claims adjudication;

(d) Refill authorizations;

(e) Compounding by a pharmacy located in Oregon for a practitioner or dispenser located in Oregon for Oregon outlets and practitioners located in Oregon only; and

(f) Therapeutic interventions.

(29) "Specialized Education Program" means;

(a) A program providing education for persons desiring licensure as pharmacy technicians that is approved by the board and offered by an accredited college or university that grants a two-year degree upon successful completion of the program; or

(b) A structured program approved by the board and designed to educate pharmacy technicians in one or more specific issues of patient health and safety that is offered by:

(A) An organization recognized by the board as representing pharmacists or pharmacy technicians;

(B) An employer recognized by the board as representing pharmacists or pharmacy technicians; or

(C) A trade association recognized by the board as representing pharmacies.

(30) "Supervision by a pharmacist" means being stationed within the same work area as the pharmacy technician or certified pharmacy technician being supervised, coupled with the ability to control and be responsible for the pharmacy technician or certified pharmacy technician's action.

(31) "Therapeutic substitution" means the act of dispensing a drug product with a different chemical structure for the drug product prescribed under circumstances where the prescriber has not given clear and conscious direction for substitution of the particular drug for the one which may later be ordered.

(32) "Verification" means the confirmation by the pharmacist of the correctness, exactness, accuracy and completeness of the acts, tasks, or functions performed by an intern or a pharmacy technician or a certified pharmacy technician.

Unprofessional Conduct Defined

"Unprofessional conduct" means conduct unbecoming of a licensee or detrimental to the best interests of the public, including conduct contrary to recognized standards of ethics of pharmacy or conduct that endangers the health, safety or welfare of a patient or client. Unprofessional conduct includes but is not limited to:

(a) Fraud or misrepresentation in dealings relating to pharmacy practice with:

(A) Customers, patients or the public;

(B) Practitioners authorized to prescribe drugs, medications or devices;

(C) Insurance companies;

(D) Wholesalers, manufactures or distributors of drugs, medications or devices;

(E) Health care facilities;

(F) Government agencies; or

(G) Drug outlets.

(b) Illegal use of drugs, medications or devices without a practitioner's prescription, or otherwise contrary to federal or state law or regulation;

(c) Any use of intoxicants, drugs or controlled substances that endangers or could endanger the licensee or others;

(d) Theft of drugs, medications or devices, or theft of any other property or services under circumstances which bear a demonstrable relationship to the practice of pharmacy;

(e) Dispensing a drug, medication or device where the pharmacist knows or should know due to the apparent circumstances that the purported prescription is bogus or that the prescription is issued for other than a legitimate medical purpose, including circumstances such as:

(A) Type of drug prescribed;

(B) Amount prescribed; or

(C) When prescribed out of context of dose.

(f) Any act or practice relating to the practice of pharmacy that is prohibited by state or federal law or regulation;

(g) The disclosure of confidential information in violation of Board rule;

(h) Engaging in collaborative drug therapy management in violation of ORS Chapter 689 and the rules of the Board;

(i) Authorizing or permitting any person to practice pharmacy in violation of the Oregon Pharmacy Act or the rules of the Board;

(j) Any conduct or practice by a licensee or registrant which the Board determines is contrary to accepted standards of practice; or

(k) Failure to cooperate with the Board pursuant to OAR 855-001-0035.

855-025-0001
Purpose and Scope

The purpose of the Pharmacy Technician (PT) license is to provide an opportunity for an individual to obtain competency in the role as a Pharmacy Technician. This license will allow an individual time to take and pass a national pharmacy technician certification examination, which is required to be eligible for licensure as a Certified Oregon Pharmacy Technician (CPT). These rules facilitate the initial licensure of a nationally certified Pharmacy Technician seeking licensure in Oregon.

855-025-0005
Qualifications for Licensure as a Pharmacy Technician or Certified Oregon Pharmacy Technician

(1) To qualify for licensure as a Pharmacy Technician or Certified Oregon Pharmacy Technician, an applicant must demonstrate that the applicant is at least 18 years of age and has obtained a high school diploma or GED.

(2) Section one does not apply to persons under the age of 18 licensed by the Board as a Pharmacy Technician prior to January 1, 2015.

(3) An applicant for licensure as a Pharmacy Technician or Certified Oregon Pharmacy Technician must complete an application for licensure, provide the Board with a valid e-mail address and furnish documentation required to conduct a criminal background check.

(4) No person whose license has been denied, revoked, suspended or restricted by any healthcare professional regulatory Board may be licensed as a Pharmacy Technician or Certified Oregon Pharmacy Technician unless the Board determines that licensure will pose no danger to patients or to the public interest.

855-025-0010
Licensure as a Pharmacy Technician

(1) The license of a Pharmacy Technician expires the second June 30 from the date of issue and is not to exceed two years.

(2) The Pharmacy Technician license is not renewable.

(3) A time limited extension of a Pharmacy Technician license may be granted once by petition to the Board. The written completed petition must be received by the Board prior to the expiration of the PT license.

(4) An individual may reapply for a Pharmacy Technician license if the previous PT license is lapsed for a period greater than five years.

855-025-0012
Licensure as a Certified Oregon Pharmacy Technician

(1) To qualify for licensure as a Certified Oregon Pharmacy Technician, the applicant must demonstrate that he or she has taken and passed a national pharmacy technician certification examination offered by:

(a) The Pharmacy Technician Certification Board (PTCB); or

(b) The National Healthcareer Association (NHA).

(2) The license of a Certified Oregon Pharmacy Technician expires June 30 in even numbered years and must be renewed biennially.

Stat. Auth.: ORS 689.205
Stats. Implemented: ORS 689.225, 689.486
Hist.: BP 10-2014, f. 12-30-14, cert. ef. 1-1-15; BP 2-2016, f. 6-30-16, cert. ef. 7-1-16

855-025-0015
Renewal of Licensure as a Certified Oregon Pharmacy Technician

(1) A person who has taken and passed a national pharmacy technician certification examination listed in OAR 855-025-0012(1)(a)–(b) may use the following title, and is referred to in these rules as, and is licensed as a "Certified Oregon Pharmacy Technician."

(2) An applicant for renewal of a Certified Oregon Pharmacy Technician license must:

(a) Pay the biennial license fee prescribed in OAR 855-110.

(b) Satisfactorily complete a minimum of 20 continuing pharmacy educating hours during the period from July 1 through June 30, of each license renewal cycle. These hours must include:

(A) Two hours of continuing pharmacy education in pharmacy law;

(B) Two hours of continuing pharmacy education in patient safety or error prevention; and

(C) Sixteen other hours of continuing pharmacy education or documented onsite training approved by the Board.

(c) OAR 855-025-0015(2)(b) does not apply to a Certified Oregon Pharmacy Technician applying for the first renewal of their license, if they have not been licensed by the Board for at least one year prior to July 1 of the renewal period.

(d) Be subject to an annual criminal background check.

(3) The Board may randomly select and audit applications for renewal to verify completion of continuing education or documented onsite training reported on the application for renewal. A Certified Oregon Pharmacy Technician whose application for renewal is selected for audit must provide documentation of completion of the continuing pharmacy education reported.

(4) Effective January 1, 2015, national certification is not required to renew a license as a Certified Oregon Pharmacy Technician.

(5) A Certified Oregon Pharmacy Technician who fails to renew his or her license by the expiration date and whose license has been lapsed for less than one year may renew his or her license as follows:

(a) Complete the renewal process;

(b) Pay the biennial license fee as prescribed in OAR 855-110;

(c) Pay a delinquent fee; and

(d) Complete the required continuing education pursuant to OAR 855-025-0015(2)(b).

855-025-0060
Reinstatement of a Certified Oregon Pharmacy Technician License

(1) A Certified Oregon Pharmacy Technician who fails to renew their license by the deadline and whose license has been lapsed for greater than one year may reinstate their license as follows:

(a) Complete a new application for licensure and provide the Board with a valid e-mail address;

(b) Pay the biennial license fee as prescribed in OAR 855-110;

(c) Submit to a national fingerprint background check; and

(d) Provide certification of completion of 10 continuing education hours. These hours may not be counted toward renewal; and must include:

(A) One hour of continuing pharmacy education in pharmacy law;

(B) One hour of continuing pharmacy education in patient safety or error prevention; and

(C) Eight other hours of pharmacy technician-specific continuing education.

(2) A Certified Oregon Pharmacy Technician whose license has been lapsed greater than five years must:

(a) Re-take and pass a national pharmacy technician certification examination offered by:

(A) The Pharmacy Technician Certification Board (PTCB); or

(B) National Healthcareer Association (NHA).

(b) Satisfy reinstatement requirements pursuant to OAR 855-025-0060(1).

855-041-4200
Remote Distribution Facility (RDF)

(1) A pharmacy physically located in Oregon may make written application to operate an RDF.

(2) The Board may approve an application for registration as an RDF which includes the following:

(a) An operation plan;

(b) Policies and Procedures;

(c) A training plan;

(d) A quality assurance plan for ensuring that there is a planned and systematic process for the monitoring and evaluation of the quality and appropriateness of pharmacy services and for identifying and resolving problems; and

(e) The fee specified in OAR 855-110.

(3) Notwithstanding the definition of "supervision by a pharmacist" in OAR 855-006-0005, supervision in an RDF may be accomplished by a pharmacist via an audio-visual technology from the applying pharmacy.

(4) Notwithstanding rules in this division and in divisions 19 and 25, a Certified Oregon Pharmacy Technician who works in an RDF may have access to the facility without the physical presence of a pharmacist, but may only perform Board approved functions when under the supervision of a pharmacist.

855-043-0700
Purpose and Scope

(1) The purpose of 855-043-0700 to 855-043-0750 is to provide minimum requirements of operation for a Community Health Clinic (CHC) to utilize a Registered Nurse to dispense medications. A Community Health Clinic Drug Outlet registration replaces a Family Planning or County Health Drug Outlet registration. A legend or non-prescription drug may be dispensed to a client for the purpose of birth control, caries prevention, the treatment of amenorrhea, the treatment of a communicable disease, hormone deficiencies, urinary tract infections or sexually transmitted diseases by a practitioner who has been given dispensing privileges by their licensing Board, or a Registered Nurse, who is an employee of a clinic or local public health authority (LPHA), and is recognized by the Oregon Public Health Division for the purposes of providing public health services.

(2) Dispensing must be pursuant to the order or prescription of a person authorized by their Board to prescribe a drug or established by the Medical Director or clinic practitioner with prescriptive and dispensing authority.

(3) Family Planning or County Health Clinic registrations that expire March 31, 2017 will be converted to the CHC category upon renewal in 2017. However, rules take effect on July 1, 2016.

Stat. Auth.: ORS 689.205
Stats. Implemented: ORS 689.305
Hist.: BP 2-2016, f. 6-30-16, cert. ef. 7-1-16

855-043-0705
Registration

(1) A Community Health Clinic Drug Outlet must register with the Board on a form prescribed by the Board, and must renew its registration annually on a renewal form prescribed by the Board.

(2) An initial application and renewal application must be accompanied by the fee established in division 110 of this Chapter.

(3) A certificate of registration will be issued upon Board approval of the application.

(4) The CHC Drug Outlet registration expires March 31, annually. If the annual renewal fee is not paid by February 28 of the current year, the applicant for renewal must submit the delinquent fee established in division 110 of this Chapter with the renewal application.

(5) The registration is not transferable and the registration fee cannot be prorated.

(6) The registrant must notify the Board, within 15 days, of any substantial change to the information provided on the registration application. A substantial change shall include but not be limited to: a change of ownership; change of business address; change of normal business hours; any disciplinary action taken or pending by any state or federal authority against the registrant, or any of its principals, owners, directors, officers, or Medical Director.

(7) A new registration form is required for a change of ownership or location and must be submitted to the Board with the fees as specified in division 110 of this Chapter within 15 days of the change.

(8) A CHC Drug Outlet may be inspected by the Board.

Stat. Auth.: ORS 689.205

Hist.: BP 2-2016, f. 6-30-16, cert. ef. 7-1-16

855-043-0710
Personnel

(1) A Community Health Clinic Drug Outlet must employ a Medical Director who is an Oregon practitioner with prescriptive and dispensing authority. The Medical Director shall establish and enforce policies and procedures, drug dispensing formulary, and protocols for the dispensing of drugs by authorized persons in the CHC.

(2) A CHC Drug Outlet must designate a representative employee who will act as the contact person for the Oregon Board of Pharmacy. The designated representative must be onsite the majority of the CHC's normal operating hours.

(a) The Medical Director or designated representative must conduct and document an annual review of the outlet on a form provided by the Board. The completed report must be filed in the outlet, retained on file for three years and be available to the Board for inspection.

(b) The Medical Director shall develop policies and procedures for the outlet in collaboration with the designated representative.

Stat. Auth.: ORS 689.205

Hist.: BP 2-2016, f. 6-30-16, cert. ef. 7-1-16

855-043-0720
Security

(1) All drugs must be kept in a locked drug cabinet or designated drug storage area that is sufficiently secure to deny access to unauthorized persons. The drug cabinet or designated drug storage area must remain locked and secured when not in use.

(2) Only a Physician, Clinical Nurse Specialist, Nurse Practitioner, or Registered Nurse shall have a key to the drug cabinet or drug room. In their absence, the drug cabinet or drug room must remain locked.

(3) Upon written request, the Board may waive any of the requirements of this rule if a waiver will further public health or safety or the health and safety of a patient. A waiver granted under this section shall only be effective when it is issued by the Board in writing.

Labeling

(1) A prescription must be labeled with the following information:

(a) Unique identifier (i.e. prescription number);

(b) Name of patient;

(c) Name of prescriber;

(d) Name, address, and phone number of the clinic;

(e) Date of dispensing;

(f) Name of drug, strength, and quantity dispensed; when a generic name is used, the label must also contain the identifier of the manufacturer or distributor;

(g) Quantity dispensed;

(h) Directions for use;

(i) Initials of the practitioner who has been given dispensing privileges by their licensing Board or the Registered Nurse;

(j) Cautionary statements, if any, as required by law; and

(k) Manufacturer's expiration date, or an earlier date if preferable, after which the patient should not use the drug.

(2) Notwithstanding any other requirements in this rule, when a drug is dispensed in the practice of an Expedited Partner Therapy treatment protocol, the name of the patient may be omitted from the label, the patient's name may be omitted from the records and a drug may be dispensed to the patient to be given to the patient's partner even if the partner has not been examined by a licensed health care provider acting within their scope of practice.

Dispensing and Drug Delivery

(1) A drug may only be dispensed by a practitioner who has been given dispensing privileges by their licensing Board or by a Registered Nurse.

(2) A Registered Nurse may only provide over-the-counter drugs pursuant to established CHC protocols.

(3) A Registered Nurse may only dispense a drug listed in, or for a condition listed in, the formulary.

(4) Nonjudgmental dispensing functions may be delegated to staff assistants when the accuracy and completeness of the prescription is verified by a practitioner who has been given dispensing privileges by their licensing Board, or by a Registered Nurse, prior to being delivered or transferred to the patient.

(5) The CHC will provide appropriate drug information for medications dispensed to a patient, which can be provided by the Registered Nurse or practitioner at the time of dispensing.

(6) All drugs must be dispensed in a new container that complies with the current provisions of the Federal Consumer Packaging Act (Public Law 91-601, 91st Congress, S. 2162) and rules or regulations and with the current United States Pharmacopoeia/National Formulary monographs for preservation, packaging, storage and labeling.

(7) Drugs must be repackaged by the practitioner, Registered Nurse, a pharmacy; or a manufacturer registered with the Board.

(8) A CHC may not accept the return of drugs from a previously dispensed prescription and must maintain a list of sites in Oregon where drugs may be disposed.

(9) A CHC must have access to the most current issue of at least one pharmaceutical reference with current, properly filed supplements and updates appropriate to and based on the standards of practice for the setting.

Record Keeping

(1) A dispensing record must be maintained separately from the patient chart and kept for a minimum of three years. The record must show, at a minimum, the following:

(a) Name of patient;

(b) Unique identifier (i.e. prescription number);

(c) Dose, dosage form, quantity dispensed and either the brand name of drug, or generic name and name of manufacturer or distributor;

(d) Directions for use;

(e) Date of dispensing; and

(f) Initials of person dispensing the prescription.

(2) All records of receipt and disposal of drugs must be kept for a minimum of three years.

(3) All records required by these rules or by other State and federal law must be readily retrievable and available for inspection by the Board.

General

(1) All fees paid under these rules are non-refundable.

(2) Fees cannot be prorated.

(3) Fees for initial licensure as a Pharmacist or Certified Oregon Pharmacy Technician may be reduced to one half of a biennial rate, if the application is received or the mailing date of the application is postmarked within 180 days of expiration.

(4) A delinquent fee must be paid:

(a) When an application is postmarked after the date specified in these rules; or

(b) When the Board requests additional information from an applicant and this information is not provided within 30 days.

(5) A delinquent fee may be assessed when an application is submitted incomplete and the Board requests the missing information.

Department of Administrative Services, Chief Human Resources Office
Chapter 105

Rule Caption: Amending and repealing rules to include legislative changes and statutory requirements.
Adm. Order No.: CHRO 2-2016
Filed with Sec. of State: 6-22-2016
Certified to be Effective: 7-1-16
Notice Publication Date: 6-1-2016
Rules Amended: 105-020-0001, 105-020-0015, 105-040-0001, 105-050-0003, 105-050-0004, 105-050-0025, 105-050-0030
Rules Repealed: 105-010-0000, 105-010-0011, 105-010-0016, 105-040-0010, 105-040-0020, 105-040-0030, 105-040-0040(T), 105-

040-0050, 105-040-0060, 105-040-0065(T), 105-040-0070, 105-040-0080, 105-050-0006

Subject: The rule changes are based on a number of factors including legislative changes as well as statutory requirements, as cited below.

Division 10 - Definitions are being repealed and moved to CHRO policy, while the other rules in this division are being repealed due to statutory changes.

Division 20 - Changes to this chapter include revisions to compensation language due to statutory updates.

Division 40 - The majority of this chapter is being repealed and moved to policy, as there are no statutory requirements to develop, implement or maintain rules in this area. The remaining rules are being amended to reflect statutory changes and updated references.

Division 50 - This chapter is being amended to reflect statutory changes and federal requirements for these subjects. Rules repealed in this section are due to authority changes in responsibility residing with specific agencies.

Rules Coordinator: Janet Chambers—(503) 378-5522

Comparability of Work

(1) The Department of Administrative Services (DAS) shall use the Hay Method of job evaluation as the neutral and objective method to determine the comparability of the value of work performed by employees in the classified services within the State Executive Branch and the compensation and classification structure of the state system.

(2) DAS shall use a neutral and objective method to determine the comparability of the value of work performed by State Executive Branch employees in unclassified and management service, except those employees and agencies identified in ORS 240.240 as exempt from ORS 240.240. DAS shall use this method to determine the compensation and classification system for these categories or service, pursuant to ORS 292.951.

Stat. Auth.: ORS 184.340, 240.145, 240.250

105-020-0015
"Pick-up" of Employee Contributions to Retirement

(1) The Department of Administrative Services shall treat any employee contribution to PERS from the employees' salaries as the employer's contribution, thus "picking up" that contribution for purposes of Internal Revenue Code Section 414(h)(2).

(2) The contribution shall be deducted directly from the employee's wages and the employee shall not have the option of receiving his or her contribution as salary and of making the contribution himself or herself.

(3) The employee's reported salary on the W-2 form for tax purposes shall be reduced by the amount of that contribution.

[Publications: Publications referenced are available from the agency.]

105-040-0001
Equal Employment Opportunity and Affirmative Action

(1) Oregon State Government is committed to achieving a workforce that represents the diversity of the Oregon community and being a leader in providing its citizens with fair and equal employment opportunities. Accordingly:

(a) State agency heads shall ensure:

(A) Equal employment opportunities are afforded to all applicants and employees by making non-discriminatory employment related decisions;

(B) Employment practices shall be in compliance with the state's Affirmative Action Guidelines, state and federal laws to:

(i) Promote good faith efforts to achieve established affirmative action objectives; and

(ii) Take proactive steps to develop diverse applicant pools for position vacancies.

(b) The Department of Administrative Services (DAS) shall:

(A) Maintain an automated affirmative action tracking system which uses a uniform methodology for communicating affirmative action objectives for each state agency.

(B) Produce periodic reports showing Oregon State Government's progress toward achieving established affirmative action objectives identified by the Chief Human Resources Office at DAS and the Governor's Office of Diversity and Inclusion.

(c) Persons, who believe they have been subjected to discrimination by an agency in violation of this rule, may file a complaint with the agency's affirmative action representative within 365 calendar days of the alleged act or upon knowledge of the occurrence.

(2) Employment related decisions include, but are not limited to:

(a) Hiring,
(b) Promotion,
(c) Demotion,
(d) Transfer,
(e) Termination,
(f) Layoff,
(g) Training,
(h) Compensation,
(i) Benefits, and
(j) Performance evaluations;

(3) Diverse applicant pools are developed by using proactive outreach strategies.

(4) This rule does not preclude any person from filing a formal complaint in accordance with a collective bargaining agreement, or with appropriate state or federal agency under the applicable law.

105-050-0003
Alcohol and Controlled Substance Testing of Employees Having Commercial Drivers License

(1) To promote public and employee health, safety and productivity, agency heads shall apply to management service and classified unrepresented employees required to have a Commercial Driver's License (CDL):

(a) Federal Motor Carrier Safety Administration rules stated in 49 CFR Part 382 requiring pre-employment, post-accident, random, reasonable suspicion, return-to-duty and follow-up testing for alcohol or controlled substances; and

(b) U.S. Department of Transportation rules stated in 49 CFR Part 40 which provide procedures for alcohol testing, controlled substance testing, split specimen testing and urine specimen testing.

(2) An agency head shall approve the Alcohol and Drug Testing Contract between the Department of Administrative Services (DAS) and the vendor for the performance of alcohol and controlled substance testing, Substance Abuse Professional Services, Medical Review Officer Services, record keeping and other related service.

(3) An agency head shall provide or contract for training and educational materials as required by 49 CFR Part 382.601, 382.603 and 382.605.

(4) Except as otherwise provided in 49 CFR Part 382.505 regarding alcohol test results of 0.02 to 0.039, an employee who violates alcohol misuse or controlled substance use rules may be terminated by an agency head or, if not terminated, shall be removed from duties requiring a CDL and shall be evaluated by a substance abuse professional to assess any need for rehabilitation or treatment and, as determined to be appropriate by the agency head, may be assigned to duties not requiring a CDL, granted leave with or without pay at employee request, or disciplined.

(5) Any employee rehabilitation or treatment shall be at employee expense except as it may be covered by insurance. Leave with or without pay may be granted at employee request during the period of treatment or rehabilitation as stated in 40 CFR 40.289.

(6) As stated in 49 CFR 40.305, except as otherwise provided in 49 CFR Part 382.505 regarding alcohol test results of 0.02 to 0.039, an agency head may return an employee, who violates alcohol misuse or controlled substance use rules, to the former duties requiring a CDL if the employee:

(a) Has been evaluated by a substance abuse professional;

(b) Has complied with the recommended treatment or rehabilitation;

(c) Has taken a return to duty alcohol or controlled substance test and has a negative result; and

(d) Is subject to unannounced follow-up alcohol or controlled substance tests.

(7) An employee having a CDL shall inform the appointing authority of any medial use of controlled substances.

105-050-0004
Drug Testing of Final Applicants for Certain State Classifications/Positions

(1) Oregon State Government provides the public with a drug-free workplace.

(a) An appointing authority of an agency providing public safety, mental health services or positions meeting the federal standards for drug testing, may institute a drug testing program for the final applicant for classifications and/or positions designated by the appointing authority. A final applicant is the employing agency's first choice, prior to an offer of employment, but after completion of all hiring tests and standards, including reference and criminal records checks, when applicable.

(b) Prior to implementing the drug testing program for the final applicant the appointing authority shall develop an agency drug testing policy which shall include:

(A) The designated classifications and/or positions for which the final applicant shall be tested for prohibited drugs;

(B) The prohibited drugs/controlled substances for which a final applicant shall be tested;

(C) Assurance that the drug testing shall be conducted by a laboratory which is licensed and operated in accordance with ORS 438.010 and OAR 333-024-0305 through 333-024-0350;

(D) A description of the drug testing protocol, i.e., how and when the drug testing shall be carried out.

(c) An appointing authority shall not select a final applicant who refuses to take or fails a test for prohibited drug use.

(d) An applicant disqualified for a current opening may reapply for subsequent openings for those positions designated for pre-employment drug testing:

(A) Upon presenting proof of successful completion of a drug rehabilitation program; or

(B) Passing any drug test required for the final applicant for subsequent openings.

(e) Drug tests for the final applicant shall be paid for by the hiring agency and conducted in accordance with the agency's drug testing policy.

(f) At the time of implementation, an appointing authority shall submit a copy of the agency drug testing policy for the final applicant to the agency's Human Resources Office for filing.

(g) All recruiting announcements for designated classifications/positions shall include the statement: "All applicants for, and employees in this classification/position, shall be subject to testing for the use of prohibited drugs."

(h) An appointing authority shall maintain records of drug testing, stating the number of applicants tested, the number of confirmed positive tests and the classifications/positions involved.

(i) An agency's administration of its drug testing policy and drug testing records for applicants shall be subject to audit by the Chief Human Resources Office.

(2) Failing a drug test means the confirmation test result indicates positive evidence of a prohibited drug.

(3) Prohibited drugs are specified in Schedules I through V of Section 202 of the Controlled Substances Act, 21 USC 811, 812 and as defined in 21 CFR 1300.11 through 1300.15 unless authorized by legal prescription or are exempt from federal or state law.

(4) For the purpose of this rule, public safety services are those performed by police officers, firefighters, public safety trainers, correctional officers, group life coordinators at juvenile corrections institutions, parole and probation officers, strike-prohibited employees at mental health institutions and services performed by other strike-prohibited employees.

(5) For purpose of this rule, positions within the agencies, subject to federal standards, may be subject to pre-employment drug testing.

105-050-0025
Injured Worker Preference for Light Duty Assignments

(1) Definitions:

(a) Agency-at-injury: The state agency that employed the injured worker when the compensable injury occurred.

(b) Attending Physician: The physician primarily responsible for the injured worker's care related to the compensable condition in the workers' compensation claim.

(c) Independent and semi-independent agencies: State executive branch agencies not subject to all of ORS 240.

(d) Light duty assignment: A transitional assignment of an injured worker while the worker is recovering from job-related injuries or illnesses to duties within the worker's capacities and restrictions specified in writing by the worker's attending physician.

(2) If feasible, agencies-at-injury will make light duty assignments for injured workers after an attending physician authorizes a worker to return to work with temporary restrictions that preclude the worker from performing some or all of the worker's regular job duties.

(3) To identify light duty assignments, agencies-at-injury:

(a) Where feasible, temporarily modify a worker's regular job duties by removing or modifying those duties that conflict with physical restrictions specified by an injured worker's attending physician.

(b) If it is not feasible to remove or modify the worker's regular job duties to be consistent with the worker's restrictions, the agency-at-injury considers other work the agency may temporarily assign to the injured worker.

(c) If no light duty assignments are available within the agency-at-injury, the agency-at-injury may contact the Chief Human Resources Office (CHRO) or other executive branch agencies for assistance in locating light duty assignments.

(d) Agencies-at-injury monitor, adjust, or terminate temporary light duty assignments as appropriate.

(e) An injured worker temporarily assigned light duty work in another agency remains an employee of the agency-at-injury.

(f) CHRO may develop policies to implement this rule.

Stat. Auth.: ORS 240.145, 240.250, 659A.052

105-050-0030
Injured Worker Preference for Entry-Level Positions

(1) Definitions:

(a) Agency-at-injury: The state agency that employed the injured worker when the compensable injury occurred.

(b) Attending Physician: The physician primarily responsible for the injured worker's care related to the compensable condition in the workers' compensation claim.

(c) Independent and semi-independent agencies: State executive branch agencies not subject to all of ORS 240.

(d) Entry-level position: All limited competitive and non-competitive appointment classifications listed in OAR 105-040-0060; all classifications defined as entry in their title; single-level classifications and the first level of a classification series.

(2) Injured workers who make a timely demand for reemployment to available, suitable employment in accordance with Oregon Administrative Rule 839-006-0135 may also request consideration for permanent appointment to entry-level positions.

(a) The injured worker, seeking such reemployment, submits a written request to the agency-at-injury noting the specific entry-level positions to which he or she seeks appointment along with an updated employment application form.

(b) An agency-at-injury, subject to ORS 240, after receiving an eligible injured worker's request for permanent reemployment in a suitable or entry-level position, places the injured worker on the injured worker list for suitable and entry-level positions.

(c) The Chief Human Resources Office provides relevant information to semi-independent and independent state agencies regarding the injured workers who are eligible for reemployment to available, suitable, and entry-level positions.

(d) Independent and semi-independent state agencies give priority consideration according to subsection (2)(f) of this rule, to injured workers from other executive branch agencies who make a timely demand for reemployment.

(e) CHRO places workers injured in an independent or semi-independent agency on the injured worker list for appropriate classifications following receipt of notice from an independent or semi-independent agency of the injured worker's timely demand for reemployment to suitable and entry-level positions.

(f) All executive branch agencies, when filling vacancies, subject to the restrictions of an applicable collective bargaining agreement, offer entry-level and suitable positions to injured workers who meet the minimum and special qualifications of the position and can perform the duties within permanent restrictions.

Department of Agriculture
Chapter 603

Rule Caption: Amends rules regarding the Grade A Pasteurized Milk Ordinance, sediment testing, drug residues, and storage.
Adm. Order No.: DOA 13-2016
Filed with Sec. of State: 6-20-2016
Certified to be Effective: 6-20-16
Notice Publication Date: 5-1-2016
Rules Amended: 603-024-0017, 603-024-0041, 603-024-0211, 603-024-0594, 603-024-0641
Subject: This rule proposal uopdates Oregon Administrative Rules (OAR) to reference the 2015 Grade A Pasteurized Milk Ordinance (PMO) and its accompanying documents. The PMO outlines the federally mandated minimum requirements for Grade A milk production and processing. It is released on a biennial basis after amendments and standards are recommended through the National Conference on Interstate Milk Shipments (NCIMS). State and local regulatory officials make the recommendations and vote. Nonvoting representatives from industry, academia, and U.S. Food and Drug Administration (FDA) also participate in the NCIMS. After the NCIMS, the FDA accepts or rejects the proposed changes before releasing a new PMO. States then have the opportunity to adopt the PMO. In order for Oregon's dairy industry to participate in the interstate commerce of Grade A dairy products, the PMO must be adopted as a minimum. This rule will help to ensure that Oregon's dairy industry will be able to continue interstate activiites.

This rule proposes revisions to several other rules within Oregon's dairy product rules. First, is the removal of the No. 2 sediment test for Grade A Raw Goat Milk. This test is no longer used in a regulatory manner in Oregon. Second, the procedures and enforcment of drug residue tests need to be clarified to promote consistency with the PMO and Oregon rules. Previously, when a positive drug residue test was found, all milk production was stopped for 48 hours or four milkings. However, with modern scientific analysis, it is possible to continually test the milk for drug residues, and safe to allow milk production and sale to continue as soon as the milk tests negative for drug residues. This rule proposes to make that change, and also proposes clarifying language regarding when a suspension of grade designation can occur. Finally, the rule proposes to allow Grade A raw milk to be picked up at a minimum of once each 72 hours, and require a farm bulk tank to be completeley emptied once each 72 hours. Both of the 72 hour time requirements was 48 hours previously.
Rules Coordinator: Sue Gooch—(503) 986-4583

603-024-0017
Standards of Identity, Quantity and Labeling Requirements

(1) The weights and measures packaging and labeling requirements for butter, fluid milk and milk products shall be those specified in OAR 603-027-0105, and the weights and measures requirements as to the methods of sale of butter, milk and milk products shall be those specified in OAR 603-027-0206.

(2) Labeling, standards of identity and marking requirements for butter, fluid milk and milk products not provided for under section (1) of this rule, shall be those specified in the Grade "A" Pasteurized Milk Ordinance, 2015 Revision.

(3) Measuring devices used for determining weight by measuring quantity of milk in farm tanks shall be done in accordance with the requirements of OAR chapter 603, division 027, to effectuate the administration of ORS Chapter 618.

603-024-0041
Standard for Grade A Raw Goat Milk

(1) "Grade A Raw Goat Milk" is fluid milk bottled on a dairy farm and must be produced by a disease-free herd in conformance with all of the sanitation specified in OAR 603-024-0605 to 603-024-0641, and 603-024-0211.

(2) As determined in accordance with OAR 603-024-0557 to 603-024-0594 for each sampling period, Raw Goat Milk may not exceed:

(a) 80,000 bacteria count per milliliter;

(b) 10 coliform per milliliter;

(c) Cooling requirements covered in OAR 603-024-0211;

(d) The somatic cell limit in OAR 603-024-0592.

(3) Grade A Raw Goat milk must test negative for drug residue.

603-024-0211
Adoption of the Grade A Pasteurized Milk Ordinance (PMO) and Related Documents

On all dairy farms, plants, and transport tankers, the standards for building construction, equipment construction, sanitation, sampling, pasteurization, transportation and handling of milk and dairy products shall be those given in the Grade "A" Pasteurized Milk Ordinance (PMO), 2015 Revision. This adoption shall also include the following related documents:

(1) 2015 Revision of the Methods of Making Sanitation Ratings (MMSR);

(2) 2015 Revision of Procedures Governing the Cooperative State-Public Health Service/Food and Drug Administration Program of the Conference on Interstate Milk Shipments; and

(3) The 2015 Revision of the Evaluation of Milk Laboratories (EML).

603-024-0594
Drug Residue Test

(1) Antibiotic tests on each producer's milk or on commingled raw milk shall be conducted at least four times during any consecutive six months. When commingled milk is tested, all producers shall be represented in the samples. All individual sources of milk shall be tested when test results on the commingled milk are positive.

(2) Violation of drug residue test shall be cause for immediate embargo of all milk testing positive for drug residues that has not already been destroyed, consistent with the provisions of ORS 561.605–630. Additional milk produced after an embargo, if not immediately destroyed, shall be further until a representative sample taken from the producer's milk, prior to commingling with any other milk, is no longer positive for drug residue. This action shall not prevent the initiation of other enforcement actions as are available and necessary. If the milk testing positive for drug residues is destroyed prior to embargo, the distributor, producer-distributor, screening laboratory or certified laboratory must immediately notify the department and the producer must explain how the milk was destroyed. In addition to the requirements in ORS 561.305(3), a notice of embargo shall contain notice that another drug residue violation committed within six months of the embargo will be grounds for immediate suspension of a grade designation. The notice of embargo shall constitute a written notice for the purposes of ORS 621.073(3).

(a) Suspension of Grade Designation. If within six months of receiving a notice of embargo, an additional drug residue is detected, the Department may immediately suspend a producer's grade designation. Such notice of suspension is subject to review in the manner provided by ORS 183.484.

(3) After a third violation in a twelve month period, the Department shall initiate proceedings to revoke the producer's Grade "A" license pursuant to ORS 183.

Rule Caption: Rule requires aerial application licensing certification for persons that want to aerially apply pesticides.
Adm. Order No.: DOA 14-2016
Filed with Sec. of State: 6-28-2016
Certified to be Effective: 6-28-16
Notice Publication Date: 5-1-2016
Rules Adopted: 603-057-0108
Subject: These rules are a result of House Bill 3549, which passed through the Oregon Legislature last year, was signed by the Governor, and subsequently codified in Oregon Revised Statutes at ORS 634.128. The rules state that individuals may not spray or otherwise apply a pesticide by aircraft unless the individual holds a valid aerial pesticide applicator certificate issued by the Oregon Department of Agriculture. A certificate is a license, and certain conditions must be met to qualify for the certificate. An applicant must have at least 50 hours of experience on flights conducted for the purpose of carrying out, or training to carry out, spraying or otherwise applying pesticides by aircraft.

The proposed rules also have conditions that will not be in effect until January 1, 2017. These conditions will require all aerial pesticide applicators to take and pass an examination approved by ODA. The test will

evaluate the knowledge of the individual regarding proper application of pesticides, which will include spraying. Furthermore, as House Bill 3549 states, aerial applicator certificate holders must complete a

mini mum of 10 credit hours of ODA approved instruction or educational courses related to the spraying and application of pesticides by aircraft during each five year certification period.
Rules Coordinator: Sue Gooch—(503) 986-4583

603-057-0108
Aerial Applications Generally

(1) A person may not spray or otherwise apply a pesticide by aircraft unless the person is an individual that holds a valid aerial pesticide applicator certificate issued by the Oregon Department of Agriculture.

Aerial Pesticide Applicator

(2) An aerial pesticide applicator certificate is a type of license.

(3) For 2016, an aerial pesticide applicator certificate may only be issued to an individual upon receipt and approval by the department of:

(a) An appropriately completed license application form;

(b) Payment of the appropriate fee;

(c) Proof that the individual holds a valid commercial pilot certificate for the type of aircraft to be used by the aerial pesticide applicator in applying pesticides;

(d) Proof that the individual holds a valid pesticide applicator, public applicator, or private applicator license or certificate; and

(e) Proof, in the form of a sworn statement or a declaration that the individual has either:

(A) At least fifty (50) hours of experience as a licensed pesticide applicator, licensed public applicator or certified licensed private applicator on flights conducted for the purpose of carrying out spraying or otherwise applying pesticides by aircraft; or

(B) At least fifty (50) hours of flight training experience as a licensed pesticide applicator, licensed public applicator, or certified private applicator, or as a pesticide trainee or public trainee under the supervision of a licensed pesticide applicator, licensed public applicator, or certified licensed private applicator, on flights conducted for the purpose of carrying out, or training to carry out, spraying or otherwise applying pesticides by aircraft.

(4) The department shall suspend or revoke the aerial pesticide applicator certificate if the certificate holder fails to maintain the valid pesticide applicator license, public applicator license or private applicator certificate that was the basis of obtaining the aerial pesticide applicator certificate.

(5) The annual fee for an aerial pesticide applicator certificate shall be the same as the fee for pesticide applicators.

(6) The certification period for an aerial pesticide applicator certificate issued for 2016 will expire on December 31, 2016.

(7) As of January 1, 2017, the certification period for an aerial pesticide applicator certificate shall not exceed five years.

(8) Beginning January 1, 2017, an aerial pesticide applicator certificate may only be issued to an individual upon receipt and approval by the department of:

(a) An appropriately completed license application form;

(b) Payment of the appropriate fee;

(c) Proof that the individual holds a valid commercial pilot certificate for the type of aircraft to be used by the aerial pesticide applicator in applying pesticides;

(d) Proof that the individual holds a valid pesticide applicator, public applicator, or private applicator license or certificate;

(e) Proof, in the form of a sworn statement or a declaration that the individual has either:

(A) At least fifty (50) hours of experience as a licensed pesticide applicator, licensed public applicator or certified licensed private applicator on flights conducted for the purpose of carrying out spraying or otherwise applying pesticides by aircraft; or

(B) At least fifty (50) hours of flight training experience as a licensed pesticide applicator, licensed public applicator or certified licensed private applicator, or as a pesticide trainee or public trainee under the supervision of a certified aerial pesticide applicator, on flights conducted for the purpose of carrying out, or training to carry out, spraying or otherwise applying pesticides by aircraft; and

(f) Proof that the individual has passed a national examination, or other examination approved by the department, testing the knowledge of the individual regarding proper spraying and other application of pesticides by aircraft.

(9) An applicant for an aerial pesticide applicator certificate issued under OAR 603-057-0108 (7) shall be required to take a re-examination each fifth year after taking the original aerial pesticide applicator examination.

(10) If the department's records indicate that an applicant for certificate renewal has successfully completed during the preceding five years at least 10 credit hours in programs of instruction or educational courses satisfactory to the department and related to the spraying or other application of pesticides by aircraft:

(a) The department shall count any credit hours in satisfactory programs of instruction or educational courses as described above toward any instruction or education requirements imposed by the department for the issuance or renewal of a pesticide applicator or public pesticide applicator license.

(b) The department may not count any credit hours in satisfactory programs of instruction or educational courses described above toward any instruction or education requirements imposed by the department for the issuance or renewal of a private applicator's license.

(11) As of January 1, 2017, and for an individual, the certification period of their pesticide applicator, public applicator or private applicator license may be aligned with the certification period for their aerial pesticide applicator certificate.

(12) An aerial pesticide applicator that was certificated solely on the basis of a public applicator license shall not spray or otherwise apply pesticides by aircraft to any lands beyond those lands that he is authorized to spray or otherwise apply pesticides to from the ground.

(13) In order to be authorized to make aerial pesticide applications, a pesticide applicator that is also certificated as an aerial pesticide applicator, must be employed by a pesticide operator with an aerial endorsement or other similar specification assigned by the department.

Rule Caption: Update and implement new fees for fertilizer rules.
Adm. Order No.: DOA 15-2016
Filed with Sec. of State: 6-30-2016
Certified to be Effective: 7-1-16
Notice Publication Date: 10-1-2015
Rules Adopted: 603-059-0060

Rules Amended: 603-059-0020, 603-059-0030, 603-059-0050, 603-059-0055, 603-059-0070, 603-059-0080
Subject: The rules effectuate the implementation of fertilizer, soil amendment, lime, and compost product registration fees increase, an inspection fee on lime, product evaluation fee increase, and update the rules to conform with the American Association of Plant Food Control Officials, Publication #68 developed under ORS 633.311 through 633.479 and OAR Chapter 603, Division 59.
Rules Coordinator: Sue Gooch—(503) 986-4583

603-059-0020
Inspection Fees

(1) The inspection fees authorized to be established by ORS 633 and payable under ORS 633 are as follows:

(a) Forty five cents ($0.45) for each ton of fertilizer;

(b) Forty five cents ($0.45) for each ton of agricultural mineral;

(c) Forty five cents ($0.45) for each ton of agricultural amendment;

(d) Five cents ($0.05) for each ton of fertilizer, agricultural mineral, or agricultural amendment containing 100% "compost" as defined in ORS 633.311.

(e) Five cents ($0.05) for each ton of gypsum.

(f) Five cents ($0.05) for each ton of lime.

(2) Any person required to pay inspection fees established in ORS 633 that distributes less than 33.34 tons of fertilizer, agricultural mineral or agricultural amendment products or less than 300 tons of lime, gypsum or compost products in any semi-annual reporting period, must pay a minimum inspection fee of fifteen dollars ($15.00).

(3) A portion of the inspection fees paid to the department for fertilizer, agricultural minerals and agricultural amendments shall be continuously appropriated for the purpose of funding grants for research and development related to the interaction of fertilizer, agricultural mineral or agricultural amendment products and ground water or surface water as described in ORS 633. The portion of fees so appropriated shall be determined by the Department based on the recommendation of the Fertilizer Research Committee (ORS 633.479).

(4) The inspection fees specified in section (1) of this rule shall be in effect commencing July 1, 2016.

603-059-0055
Labeling Requirements

(1) Any fertilizer, agricultural mineral, agricultural amendment or lime product distributed in this state must have the following information included as part of the product label required by ORS 633.321 to 633.341. At a minimum, one of the following labeling statements:

(a) "Information regarding the contents and levels of metals in this product is available on the internet at http://www.regulatory-info-xx.com". Each registrant must substitute a unique alpha numeric identifier for "xx". This statement may be used only if the registrant establishes and maintains the internet site and the internet site meets the following criteria:

(A) There is no advertising or company-specific information on the site:

(B) There is a clearly visible, direct hyperlink to the department's internet site specified in (b) of this subsection (1); and

(C) Any other criteria adopted by the director by rule.

(b) "Information regarding the contents and levels of metals in this product is available at the Oregon Dept of Agriculture internet site: http://oda.state.or.us/fertilizer"

(c) "Information regarding the contents and levels of metals in this product is available on the internet at..." The Association of American Plant Food Control Officials' hosted website developed to provide a uniform label internet address to access product content information is to be inserted to complete the above sentence. This specific address is the only AAPFCO web address that will be allowed for this product labeling purpose.

(2) At a minimum, the following product information will be maintained by the Department on the internet:

(a) Product name including brand name;

(b) Registrant name;

(c) Guaranteed primary, secondary and micronutrients;

(d) Lime Score for lime products;

(e) Levels of arsenic, cadmium, lead, mercury, and nickel; and

(f) State registration status.

(3) Any fertilizer, agricultural mineral, agricultural amendment, or lime product sold, offered for sale, or distributed in this state must be labeled in accordance to 603-059-0055(1).

(4) Failure to label a fertilizer, agricultural mineral, agricultural amendment, or lime product pursuant to 603-059-0055(1) which is sold, offered for sale, or distributed in this state shall be considered mislabeled. Mislabeling of any fertilizer, agricultural mineral, agricultural amendment or lime product in this manner is a violation of ORS 633.366(1)(a) as a Category III violation.

(5) Registrants of products that contain live microorganism(s) as active ingredients shall provide proof of the taxonomic identity of the organism(s) to the genus and species level and provide strain when known. Microorganisms that are listed as Risk Group Level 2 by the American Biological Safety Association (ABSA) on at least 3 of 9 reporting agencies or Biosafety Level 2 as defined by the American Type Culture Collection (ATCC) shall include the following precautionary statement on the label unless the department determines that the registrant provided sufficient safety information to waive the requirement or elements specified therein: "This product contains live microorganisms and may cause adverse effects to persons with a compromised immune system. Avoid contact with eyes, mouth, and broken skin. Do not inhale product. Wear eye and skin protection when handling. Wash hands after using."

603-059-0060
Definition of Labeling Terms

(1) For labels and labeling, the State Department of Agriculture uses the following definitions:

(a) Organic. Organic materials are the remains, residues, or waste products of any organism, have a carbon base, are 100% natural, and are allowed as inputs in organic crop production under the USDA National Organic Program. If mixed with synthetic materials, such as processing aids for extraction, stabilization, or isolation, the combined material is no longer considered organic. An example of an organic material would be ground kelp meal to which nothing has been added. An example of a non-organic material would be kelp extract, processed with potassium hydroxide, as the added potassium hydroxide is not an organic material.

(b) Natural. Natural materials exist in nature and have been altered from their original structure only by physical manipulation (e.g. ground, screened, or pelletized), and may or may not have a carbon base. Natural materials are allowed as inputs in organic crop production under the USDA National Organic Program and must not be mixed with synthetic materials. Examples of non-carbon based natural materials would be mined limestone and mined potassium sulfate, to which nothing has been added.

(c) Organic-based. Organic-based materials are a mixed product in which more than half of the materials are organic. If it is an organic-based fertilizer, more than half of the sum of the guaranteed primary nutrient percentages must be derived from organic materials. If it is an organic-based agricultural mineral, more than half of the sum of the guaranteed nutrient

percentages must be derived from organic materials. If it is an agricultural amendment, more than half of the total materials (by weight) must be derived from organic materials.

(d) Natural-based. Natural-based materials are a mixed product in which more than half of the materials are natural. If it is a natural-based fertilizer, more than half of the sum of the guaranteed primary nutrient percentages must be derived from natural materials. If it is a natural-based agricultural mineral, more than half of the sum of the guaranteed nutrient percentages must be derived from natural materials. If it is an agricultural amendment, more than half of the total materials (by weight) must be derived from natural materials.

(e) Natural and Organic. Products containing both natural and organic ingredients may be listed as "natural and organic." Product labels may list the proportions of these materials, i.e., "95% organic." As an example a product made of 30% blood meal, 20% bone meal, 20% kelp meal, and 30% greensand could be described as "70% organic."

(f) Organic Input. A product in which all ingredients comply with the requirements for producing organic agricultural products under the USDA National Organic Program Final Rule, 7 CFR Part 205.

(g) Synthetic. A substance that is formulated or manufactured by a chemical process or by a process that chemically changes a substance extracted from naturally occurring plant, animal, or mineral sources, except that such term shall not apply to substances created by naturally occurring biological processes.

(h) Biotic or Bioactive. A product with a guaranteed content of microbiological inoculum.

(i) No Phosphate Fertilizer. Fertilizer products with less than 0.5% available phosphate (P2O5). This definition also applies to other acceptable phrases used as descriptors which include, but are not limited to, "phosphate free" and "phosphorus free".

(j) Low Phosphate Fertilizer. Fertilizer products with available phosphate levels (P2O5) equal to, or greater than, 0.5%, but less than 1%.

(k) Non-toxic. Materials incapable of causing harmful effects to living organisms. As determined by the department, the claim must be adequately substantiated by supporting data.

603-059-0070
Investigational Allowances, Minimum Detection Limits

(1) Investigational allowance means an allowance for variations inherent in the taking, preparation and analysis of an official sample. The following investigational allowances provide enforcement consistency in determining deficiencies in products addressed in the administration of ORS 633.311 to 633.479 and 633.994. Products will be deemed deficient if the analysis is below the guarantee by an amount exceeding the following values:

(a) Investigational allowances for primary nutrients are as follows:

% Guarantee — N — P2O5 — K2O
4% or Less — 0.49 — 0.67 — 0.41;
5% — 0.51 — 0.67 — 0.43;
6% — 0.52 — 0.67 — 0.47;
7% — 0.54 — 0.68 — 0.53;
8% — 0.55 — 0.68 — 0.60;
9% — 0.57 — 0.68 — 0.65;
10% — 0.58 — 0.69 — 0.70;
12% — 0.61 — 0.69 — 0.79;
14% — 0.63 — 0.70 — 0.87;
16% — 0.67 — 0.70 — 0.94;
18% — 0.70 — 0.71 — 1.01;
20% — 0.73 — 0.72 — 1.08;
22% — 0.75 — 0.72 — 1.15;
24% — 0.78 — 0.73 — 1.21;
26% — 0.81 — 0.73 — 1.27;
28% — 0.83 — 0.74 — 1.33;
30% — 0.86 — 0.75 — 1.39;
32% — 0.88 — 0.76 — 1.44;
34% — * — 0.79 — 1.46;
36% — * — 0.83 — 1.49;
38% — * — 0.86 — 1.51;
40% — * — 0.90 — 1.54;
42% — * — 0.93 — 1.56;
44% — * — 0.96 — 1.58;
46% — * — 1.00 — 1.46;
48% — * — 1.03 — 1.63;
50% — * — 1.07 — 1.66;
52% — * — 1.10 — 1.68;
54% — * — # — 1.70;
56% — * — # — 1.73;
58% — * — # — 1.75;
60% — * — # — 1.78;
62% — * — # — 1.80.

* For N guarantees above 32%, the investigational allowance shall be 0.88.
# For P2O5 guarantees above 52%, the investigational allowance shall be 1.10.
For K2O guarantees above 62%, the investigational allowance shall be 1.80.
For guarantees not listed, calculate the appropriate value by interpolation.

(b) Investigational allowances for secondary nutrients and micronutrients are as follows:

Element -- Investigational Allowance
Ca — 0.2 Unit + 5% of Guarantee;
Mg — 0.2 Unit + 5% of Guarantee;
S — 0.2 Unit + 5% of Guarantee;
B — 0.003 Unit + 15% of Guarantee;
Co — 0.0001 Unit + 30% of Guarantee;
Cl — 0.005 Unit + 10% of Guarantee;
Cu — 0.005 Unit + 10% of Guarantee;
Fe — 0.005 Unit + 10% of Guarantee;
Mn — 0.005 Unit + 10% of Guarantee;
Mo — 0.0001 Unit + 30% of Guarantee;
Na — 0.005 Unit + 10% of Guarantee;
Zn — 0.005 Unit + 10% of Guarantee.
"UNIT" is twenty (20) pounds of plant food or one percent (1%) of a ton
The maximum allowance when calculated in accordance to the above shall be 1 unit (1%).

(c) Investigational allowances for lime products are as follows:

(A) When the Lime Score is found to be more than 5% deficient from the stated Lime Score.

(B) When the amount of calcium carbonate, calcium oxide, magnesium carbonate or magnesium oxide content is found to be more than 10% below the guarantee.

(d) Investigational allowances for ingredients other than primary nutrients, secondary nutrients and micronutrients are as follows:

(A) When the amount of other ingredients is found to be more than 15% below the guarantee.

(2) Minimum detection limits for laboratory analysis reports of metal levels required by the department in accordance with ORS 633.362 must be declared at, or below, the following:

Arsenic — 10.0 ppm;
Cadmium — 05.0 ppm;
Lead — 05.0 ppm;
Mercury — 0.20 ppm;
Nickel — 05.0 ppm.

603-059-0080
Enforcement Guidelines

(1) In addition to any other penalty provided by law, the Director may assess civil penalties for prohibited acts identified in ORS 633.366. Civil penalties will be issued in accordance to the magnitude of the violation. The department is not precluded from utilizing other enforcement alternatives. Enforcement alternatives may include, but are not limited to, letter of advisement, notice of violation, stop sale, use or removal order, and license/registration revocation, suspension or denial. Commission of each prohibited act is a violation of ORS Chapter 633 and subject to a civil penalty. Prohibited acts are categorized as to the magnitude of violation as follows:

(a) Category I (Major): The Department will issue a civil penalty for initial Category I violations in addition to any alternative enforcement action deemed necessary to protect the public interests. Category I violations include:

(A) ORS 633.366(1)(b) Register or attempt to register any product using fraudulent or deceptive practices to evade or attempt to evade the requirements of ORS 633.311 to 633.479 and 633.994 or rules adopted thereunder;

(B) ORS 633.366(1)(g) Make false or fraudulent applications, records, invoices or reports;

(C) ORS 633.366(1)(j) Sell, use or remove any product subjected to a stop sale, use or removal order until the product has been released in accordance with ORS 633.445;

(D) ORS 633.366(1)(k) Impede, obstruct, hinder or otherwise prevent or attempt to prevent the department from the performance of department duties under ORS 633.311 to 633.479 and 633.994.;

(b) Category II (Moderate): The Department may take initial alternative enforcement action and may allow a specified amount of time to take corrective action prior to issuance of a civil penalty for a Category II violation. Failure to complete the required corrective action within the specified time period, or repeat violations, will result in the immediate issuance of a civil penalty. Category II violations include:

(A) Sell, offer for sale, or distribute adulterated products (ORS 633.366(1)(c));

(B) Fail, refuse, or neglect to keep or maintain records as required under ORS 633.476, Chapter 514, Oregon Laws 2015, section 2 and sec-

tion 3 or refuse to make available such records pursuant to ORS 633.385 upon request by the department (ORS 633.366(1)(f));

(C) Knowingly or intentionally make any false or misleading representations in connection with the sale, offer for sale, or distribution of fertilizer, agricultural amendment, agricultural mineral, or lime products (ORS 633.366(1)(L)).

(c) Category III (Minor): The Department will take initial alternative enforcement action in writing and will allow a specified amount of time to take corrective action prior to the issuance of a civil penalty for a Category III violation. Failure to complete the corrective action within the specified time period, or repeat violations, may result in the immediate issuance of a civil penalty. Category III violations include:

(A) Sell, offer for sale, or distribute mislabeled products (ORS 633.366(1)(a)), including, but not limited to, when the product is:

(i) Deemed deficient as defined in 603-059-0070(1)(a)–(d);

(ii) Not labeled pursuant to 603-059-0055(1) or 603-059-0055(5)

(B) Fail, refuse, or neglect to deliver to a purchaser of a bulk fertilizer, agricultural amendment, agricultural mineral or lime product a printed label that complies with ORS 633.321 to 633.341 (633.366(1)(d));

(C) Sell, offer for sale, or distribute a fertilizer, agricultural amendment, agricultural mineral or lime product that is not registered with the State Department of Agriculture under ORS 633.362 (633.366(1)(e));

(D) Fail, refuse, or neglect to provide notification to the department as required by ORS 633.318(5) or 633.362(8) (633.366(1)(h));

(E) Fail, refuse, or neglect to obtain a manufacturer-bulk distributor license required under ORS 633.318 (633.366(1)(i));

(F) Fail, refuse, or neglect to file a semiannual statement with the department as required under Chapter 514, Oregon Laws 2015, section 2 and section 3 (ORS 633.366(1)(m));

(G) Fail, refuse, or neglect to pay inspection fees required under Chapter 514, Oregon Laws 2015, section 3 (ORS 633.366(1)(n)).

(d) To "refuse", in the context of these prohibited acts, constitutes a willful misconduct violation and is subject to a civil penalty of not more than $10,000 for the initial violation or any subsequent violation.

(2) Maximum civil penalties are not to exceed the following:

Category — 1st Violation — 2nd Violation — 3rd+ Violation;
Category I (Major) — $500 — $1500 — $10,000;
Category II (Moderate) — $250 — $750 — $5000;
Category III (Minor) — $125 — $375 — $2500.

(3) As authorized by ORS 633.994(5) A civil penalty imposed under 633.311 to 633.479 and 633.994 may be remitted or reduced upon such terms and conditions as the Director of Agriculture considers proper and consistent with the public health and safety.

(4) As authorized by ORS 633.994(3), any violation that arises from gross negligence or willful misconduct and results in substantial harm to human health or the environment may be subject to a civil penalty of not more than $10,000 for the initial violation or any subsequent violation.

Department of Consumer and Business Services, Building Codes Division
Chapter 918

Rule Caption: Uniform Alternate Construction Standards
Adm. Order No.: BCD 7-2016(Temp)
Filed with Sec. of State: 6-28-2016
Certified to be Effective: 6-28-16 thru 12-24-16
Notice Publication Date:
Rules Adopted: 918-480-0125
Rules Suspended: 918-480-0100, 918-480-0110, 918-480-0120
Subject: This rule allows a building official to utilize uniform alternate construction standards when fire apparatus means of approach or water supply are inadequate as determined in accordance with ORS 455.610.
Rules Coordinator: Holly A. Tucker—(503) 378-5331

918-480-0100
Purpose and Scope

(1) The building official may allow an alternate to the minimum requirements of **Oregon Residential Specialty Code** as authorized by ORS 455.610, which may include, but is not limited to, installation of an automatic fire sprinkler system, where it is determined the fire apparatus means of approach to a property or the fire fighting water supply serving a property, does not meet the local standards adopted in accordance with the applicable fire code and state building code requirements. The rule applies only to dwellings and habitable rooms within accessory structures built under the **Oregon Residential Specialty Code** unless otherwise stated in the land use approvals for accessory structures built under this code.

(2) These rules are not intended to automatically require construction elements that are not otherwise required by the **Oregon Residential Specialty Code**.

(3) A request for an alternate under these rules may be approved only where the property is included in an area:

(a) Where there is an established and recognized provider of fire protection services; and

(b) Where there are local standards adopted in accordance with applicable fire code and state building code requirements identified for fire fighting water supply or fire apparatus access roads that include any or all of the following: public access roads, shared private access roads and private driveways.

[Publications: Publications referenced are available from the agency.]
Stat. Auth.: ORS 455.610
Stats. Implemented: ORS 455.610

918-480-0110
Definitions

For the purpose of these rules:

(1) "Fire Apparatus Means of Approach" may include a public access road, a shared private access road or a private driveway.

(2) "Private Driveway" means a private road giving fire apparatus access from a public access road or shared private access road to a building or buildings on a single property.

Stat. Auth.: ORS 455.610
Stats. Implemented: ORS 455.610
Hist.: BCD 20-2002, f. 8-1-02, cert. ef. 10-1-02; BCD 13-2011, f. 5-13-11, cert. ef. 7-1-11; Suspended by BCD 7-2016(Temp), f. & cert. ef. 6-28-16 thru 12-24-16

918-480-0120
Approval of an Alternate Method of Construction

The building official must ensure the following criteria have been met when allowing the use of an approved alternate method of fire protection under the scope of these rules:

(1) The alternate must be at the request of the applicant;

(2) For lots of record created on or after January 1, 2002, the building official must confirm the fire official having authority has, in accordance with the adopted fire code:

(a) Approved the alternate to adopted fire apparatus access road, private driveway or fire fighting water supply standards during the land use approval process; and

(b) The approved alternate has been recorded on the property deed as a requirement for future construction.

(3) For lots of record created before January 1, 2002, the building official must, prior to authorizing an alternate allowing the development of a parcel that could not otherwise be developed because it cannot meet adopted fire access road, private driveway or fire fighting water supply standards, consult with the fire official having authority to approve an alternate to fire access and water supply standards under the adopted fire code;

(4) Providing the requirements of this rule are met, the local building official is authorized to enforce the conditions of an approved alternate method of construction when it is part of the building construction; and

(5) When the approved alternate is a fire sprinkler system, the minimum standard for installation within one- and two-family dwellings must be the **NFPA 13-D, Standard for the Installation of Sprinkler Systems in One- and Two-Family Dwellings and Manufactured Homes** as adopted by reference in the **Oregon Residential Specialty Code**.

[Publications: Publications referenced are available from the agency.]
Stat. Auth.: ORS 455.610
Stats. Implemented: ORS 455.610

918-480-0125
Uniform Alternate Construction Standard

(1) For lots of record created on or after January 1, 2002, if the building official intends to allow one or more of the Uniform Alternate Construction Standards at the time of building permit application, triggered by fire official determinations of inadequate apparatus access or water supply, the building official must:

(a) Provide at least a general notification of the intent to allow such Uniform Alternate Construction Standards; and

(b) Provide such notification in conjunction with the approval of a land use application under ORS 197.522.

(2) The building official, acting in conformance with these rules, may choose to apply one or more Uniform Alternate Construction Standards to address determinations by fire officials with authority over water supply and apparatus access, that the water supply, apparatus access, or both are inadequate at a site. Such decisions by the building official are final. A building official shall give consideration to advice of the State Fire Marshal or local fire official that does not conflict with this rule, but shall retain the authority to make final decisions.

(3) A Uniform Alternate Construction Standard is not a Statewide Alternate Method.

(4) Uniform Alternate Construction Standards. Uniform Alternate Construction Standard determinations shall be made by the building official. Uniform Alternate Construction Standards are limited to one or more of the following fire suppression and fire containment components:

(a) Installation of a NFPA Standard 13D fire suppression system;

(b) Installation of a partial NFPA Standard 13D fire suppression system;

(c) Installation of additional layers of 5/8 inch, Type-X gypsum wallboard;

(d) Installation of fire-resistive compartmentalization of dwellings to limit the spread of fire by use of fire-resistant building elements, components or assemblies. Fire-resistance ratings shall be determined in accordance with the Oregon Structural Specialty Code;

(e) Installation of fire-resistive exterior wall covering and roofing components; or

(f) Provide fire separation containment in accordance with the default standards as set forth in the Wildland-Urban Interface rules adopted by the Oregon Department of Forestry (see OAR 629-044-1060).

Notice Publication Date: 6-1-2016
Rules Adopted: 918-098-1100, 918-098-1475
Rules Amended: 918-098-1010, 918-098-1012, 918-098-1015, 918-098-1025, 918-098-1028
Subject: These rules amend the division's certification requirements and obligations for building officials, inspectors and plans examiners. The rules contain a variety of changes, including, but not limited to: clarifying experience requirements for Oregon Code Certification applicants, creating a transition from International Code Council or other nationally recognized certifications to equivalent Oregon certifications, expanding the scope of work for residential structural inspectors to include mechanical work, clarifying the renewal process for OIC holders, removing the 5-year OIC reinstatement window for OIC holders, clarifying continuing education requirements for certification holders, and clarifying conflict of interest requirements for certification holders.
Rules Coordinator: Holly A. Tucker—(503) 378-5331

918-098-1010
Certification Requirements

(1) Plan review certification is not required for individuals reviewing one- and two-family dwelling permit applications for the following:

(a) First floor decks attached to a dwelling that:

(A) Extend not more than 12 feet from the dwelling but not closer than three feet to a property line;

(B) Are not more than 8 feet above grade;

(C) Will not exceed a 70 PSF live load and not a combined live and dead load of 80 PSF; and

(D) Are not in excess of a 2 horizontal 1 vertical ground slope.

(b) Car ports with a single slope that:

(A) Have a rafter span extending not more than 12 feet from a dwelling;

(B) Are attached to the dwelling for the full length not to exceed 30 feet;

(C) Have a maximum overhang of two feet that is not closer than three feet to a property line; and

(D) Will not exceed a combined 80 PSF live and dead load.

(c) Patio covers that:

(A) Have a single slope roof;

(B) Have a rafter span extending not more than 12 feet from the dwelling;

(C) Are attached to the dwelling the full length not to exceed 30 feet;

(D) Have a maximum overhang of two feet that is not closer than three feet to a property line; and

(E) Will not exceed a combined 80 PSF live and dead load.

(d) Fences not greater than 8 feet in height.

(e) Garage conversions as an accessory to a one- or two-family dwelling with no new cut openings in the existing wall.

(f) Window, door, or bathroom remodels where there are no load-bearing or lateral-bracing wall penetrations.

(g) Pole or manufactured steel structures with a maximum of 3,000 square feet that:

(A) Have a maximum 14-foot eave height;

(B) Are not closer than three feet to the property line and at least 6 feet from all other buildings on the same lot; and

(C) Fully engineered, including foundation where applicable.

(h) Mechanical equipment for the purposes of determining setback requirements have been met.

(2) Plan review certification is not required for individuals reviewing permit applications for buildings or structures that have plans and specifications provided by the department or a municipality under ORS 455.062.

(3) The building official is responsible for ensuring that persons performing permit reviews under this section utilize a division-approved checklist to perform reviews.

(4) The building official may determine based on unusual features, characteristics or other complicating circumstances that a certified individual must review a permit application.

(5) Where a jurisdiction routinely performs permit reviews for a type of project determined by the building official to be similar in complexity to the types of projects listed in sections (1) and (2) of this rule, the building official may submit a checklist to the division for approval. If approved, the jurisdiction may utilize the checklist in the same manner as section (3).

918-098-1012
Scope of Work Allowed for Persons with an Oregon Inspector Certification and a Nationally Recognized Certification

This rule is repealed effective November 1, 2016. After November 1, 2016, this rule will no longer be necessary because individuals may not perform inspections or plan reviews without an Oregon Code Certification. The scopes of work in this rule will be covered by OAR 918-098-1015. See also 918-098-1100 for information about transitioning nationally recognized certifications to Oregon Code Certifications.

(1) Individuals meeting the experience requirement in OAR 918-098-1025 who possess a valid Oregon Inspector Certification and a current International Code Council certification may perform work based on the type of International Code Council Certification they possess.

(2) A Certified Building Official Legal/ Management may oversee a jurisdiction's administration and enforcement of the state building code for those specialty codes assumed by the jurisdictions pursuant to ORS 455.148 or 455.150. Building officials may not perform plan reviews or inspections unless they possess the appropriate certification for the type of plan review or inspection being performed.

(a) Commercial Building Inspector certificate holders may conduct construction inspections for:

(A) All work regulated by the Oregon Structural Specialty Code; and

(B) Structural work on townhouse structures and apartment buildings regulated by the Oregon Residential Specialty Code.

(b) Commercial Building Plans Examiner certificate holders may review construction plans for:

(A) Compliance with the provisions of the Oregon Structural Specialty Code and Oregon Fire Code, except the fire and life safety plan

review provisions for structures required to receive a state fire and life safety plan review; and

(B) Fire and life safety construction on townhouse structures and apartment buildings regulated by the Oregon Residential Specialty Code.

(c) Commercial Fire Plans Examiner certificate holders who also have the Commercial Building Plans Examiner Certificate may review construction plans for compliance with the fire and life safety plan review provisions of the Oregon Structural Specialty Code and the Oregon Fire Code.

(d) A Commercial Mechanical Inspector certificate holder may conduct construction inspections and may review construction plans for:

(A) All work regulated by the Oregon Mechanical Specialty Code; and

(B) Mechanical work on townhouse structures and apartment buildings regulated by the Oregon Residential Specialty Code.

(e) A Residential Building Inspector certificate holder may conduct construction inspections and plan reviews for structural work regulated by the Oregon Residential Specialty Code; and

(A) Construction work on any aspect of manufactured structures and accessory buildings and structures regulated under the Oregon Manufactured Dwelling Installation Specialty Code;

(B) The provisions of OAR chapter 918, division 500;

(C) The Manufactured Home Construction and Safety Standards in 24 CFR 3280 and 24 CFR 3282; and

(D) Plan review and inspection of manufactured dwelling parks, recreational parks, organizational camps, and picnic parks.

(f) A Residential Mechanical Inspector certificate holder may conduct inspections and plan reviews for mechanical work regulated by the Oregon Residential Specialty Code; and

(A) Mechanical work on manufactured dwelling alterations under the Oregon Manufactured Dwelling Installation Specialty Code;

(B) The provisions of OAR chapter 918, division 500;

(C) The Manufactured Home Construction and Safety Standards located in 24 CFR 3280 and 3282; and

(D) Plan review and inspection of manufactured dwelling parks, recreational parks, organizational camps, and picnic parks.

918-098-1015

Scope of Work Allowed for Persons with an Oregon Inspector Certification and Oregon Code Certifications

Persons who possess a valid Oregon Inspector Certification and a valid Oregon Code Certification may perform inspections and plan reviews based on the class designated on their certificate. The classes, other than electrical and plumbing inspector classifications found in OAR 918-281-0020 and 918-695-0400, are:

(1) Building Official. Persons certified as an Oregon Building Official may oversee jurisdictions' administration and enforcement of the state building code for those specialty codes assumed by the jurisdiction pursuant to ORS 455.148 or 455.150. Building officials may not perform plan reviews or inspections unless they possess the appropriate certification for the plan review or inspection being performed.

(2) Fire and Life Safety. Persons certified as fire and life safety plans examiners may review construction plans for compliance with the fire and life safety plan review provisions of the Oregon Structural Specialty Code and the Oregon Fire Code for any structure regulated by the Oregon Structural Specialty Code.

(3) A-Level.

(a) Persons certified as A-level structural plans examiners may:

(A) Review construction plans for compliance with the provisions of the Oregon Structural Specialty Code and Oregon Fire Code for all work regulated by the Oregon Structural Specialty Code, except the fire and life safety plan review provisions for structures required to receive a state fire and life safety plan review; and

(B) Review construction plans for work that falls within the B-level structural plans examiner classification.

(b) Persons certified as A-level structural inspectors:

(A) Conduct construction inspections of all work regulated by the Oregon Structural Specialty Code; and

(B) Conduct inspections of work that falls within the B-level structural inspector classification.

(c) Persons certified as A-level mechanical inspectors may:

(A) Conduct construction inspections and may review construction plans for all work regulated by the Oregon Mechanical Specialty Code; and

(B) Conduct inspections and review construction plans for work that falls within the B-level mechanical inspector classification.

(4) B-Level.

(a) Persons certified as B-level structural plans examiners may review construction plans for compliance with the provisions of the Oregon Structural Specialty Code and Oregon Fire Code for work regulated by the Oregon Structural Specialty Code, except:

(A) Work in structures required to receive a state fire and life safety plan review; and

(B) Work in structures required to be designed by an Oregon registered architect or certified professional engineer pursuant to ORS chapter 671.

(b) Persons certified as B-level structural inspectors may conduct construction inspections of work regulated by the Oregon Structural Specialty Code, except:

(A) Work in structures required to receive a state fire and life safety plan review; and

(B) Work in structures required to be designed by an Oregon registered architect or certified professional engineer pursuant to ORS chapter 671.

(c) Persons certified as B-level mechanical inspectors may conduct construction inspections of work regulated by the Oregon Mechanical Specialty Code, except:

(A) Work in structures required to receive a state fire and life safety plan review; and

(B) Work in structures required to be designed by an Oregon registered architect or certified professional engineer pursuant to ORS chapter 671.

(d) Persons certified as B-level structural plans examiners, B-level structural inspectors, or B-level mechanical inspectors:

(A) May qualify to be certified to review construction plans or conduct inspections of structures regulated by the Oregon Residential Specialty Code; and

(B) May not be authorized to review construction plans or conduct inspections of structures that are outside the B-level classification without first obtaining the appropriate certification.

(5) One and two family dwelling or residential.

(a) Persons certified as one and two family dwelling or residential:

(A) Structural inspectors may conduct construction inspections of structural and mechanical work regulated by the Oregon Residential Specialty Code; and

(i) Manufactured structures and manufactured structure accessory buildings and structures under the Oregon Manufactured Dwelling Installation Specialty Code;

(ii) The provisions of OAR chapter 918, division 500;

(iii) The Manufactured Home Construction and Safety Standards located in 24 CFR 3280 and 3282; and

(iv) Plan review and inspection of manufactured dwelling parks, recreational parks, organizational camps, and picnic parks.

(B) Mechanical inspectors may conduct inspections for mechanical work regulated by the Oregon Residential Specialty Code; and

(i) Manufactured dwellings under the Oregon Manufactured Dwelling Installation Specialty Code;

(ii) The provisions of OAR chapter 918, division 500;

(iii) The Manufactured Home Construction and Safety Standards located in 24 CFR 3280 and 3282; and

(iv) Plan review and inspection of manufactured dwelling parks, recreational parks, organizational camps, and picnic parks.

(C) Plumbing inspectors may conduct inspections for plumbing work regulated by the Oregon Residential Specialty Code; and

(i) Manufactured dwellings under the Oregon Manufactured Dwelling Installation Specialty Code;

(ii) The provisions of OAR chapter 918, division 500;

(iii) The Manufactured Home Construction and Safety Standards located in 24 CFR 3280 and 3282;

(iv) Plan review and inspection of manufactured dwelling parks, recreational parks, organizational camps, and picnic parks; and

(v) Any portion of a solar water heating system installation up to 180 gallons of storage tank capacity.

(D) Electrical inspectors may conduct inspections for electrical work regulated by the Oregon Residential Specialty Code; and

(i) The Oregon Manufactured Dwelling Installation Specialty Code;

(ii) The provisions of OAR chapter 918, division 500;

(iii) The Manufactured Home Construction and Safety Standards located in 24 CFR 3280 and 3282;

(iv) Plan review and inspection of manufactured dwelling parks, recreational parks, organizational camps, and picnic parks; and

(v) Any portion of a solar PV installation up to 25 Kw.

(b) Persons certified as a one-and-two family dwelling plans examiners may review construction plans for compliance with provisions of the Oregon Residential Specialty Code; and

(i) Structures under the Oregon Manufactured Dwelling Installation Specialty Code;

(ii) The provisions of OAR chapter 918, division 500;

(iii) The Manufactured Home Construction and Safety Standards located in 24 CFR 3280 and 3282; and

(iv) Plan review and inspection of manufactured dwelling parks, recreational parks, organizational camps, and picnic parks.

(c) Persons certified as a one and two family dwelling or residential inspectors and plans examiners may not be authorized to review construction plans or conduct inspections of either A-level or B-level structures without the required commercial A-level or B-level certification.

(d) See OAR 918-098-1325 for additional requirements of one and two family dwelling residential inspectors and plans examiners performing manufactured dwelling alteration inspections or plan reviews.

(e) See OAR 918-098-1330 for additional requirements of one and two family dwelling residential inspectors performing manufactured structure accessory structure or accessory building inspections.

(6) Specialized Solar Photo-Voltaic. Persons certified as a Specialized Solar PV inspector may conduct inspections of the structural and electrical systems for solar PV installations up to 25 Kw that follow the "prescriptive installation" provisions in section 3111.5 of the Oregon Structural Specialty Code.

(7) Plumbing inspectors certified under OAR 918-695-0400 may, in addition to any other authority, inspect any portion of a solar water heating system installation up to 180 gallons of storage tank capacity. This rule does not apply to limited or special plumbing inspectors.

(8) Electrical inspectors certified under OAR 918-281-0020 may, in addition to any other authority, inspect any portion of a solar PV installation up to 25 Kw.

918-098-1025

Certification Requirements

(1) Unless otherwise stated in this rule, every person who performs building official duties, building code inspections, or plan reviews must possess a valid Oregon Inspector Certification and a valid appropriate Oregon Code Certification or authorization from the division for the work being performed.

(2)(a) Persons applying for the Oregon Inspector Certification must:

(A) Submit a division-approved application with the $125 fee; and

(B) Successfully pass the Oregon Inspector Certification examination.

(b) Applicants for an Oregon Inspector Certification who fail the examination may reapply under this section to retest for a fee of $80.

(3) Persons applying for an Oregon Code Certification under these rules, or under OAR 918-281-0020 and 918-695-0400 must:

(a) Submit a division-approved application demonstrating appropriate experience, if required for the certification by OAR chapter 918, division 281, 695, or these rules, or complete a certification training course administered by the division;

(b) Have a minimum level of experience as follows:

(A) Completion of a code certification training course administered by the division; or

(B) For an individual hired by a municipality, completion of a code certification training course administered by the division within six months of hire; or

(C) Two years experience working for or on behalf of a jurisdiction performing building permit inspections or plan reviews for buildings or structures regulated by the state building code or its equivalent; or

(D) Be a registered architect, a certified professional engineer, or have a Bachelor's or Master's degree in architecture or engineering.

(c) Pay the $80.00 fee; and

(d) Successfully pass the appropriate Oregon Code Certification exam, or submit proof of a valid appropriate International Code Council certification or other valid appropriate nationally recognized certification or license for:

(A) Commercial Building Inspector;

(B) Commercial Building Plans Examiner;

(C) Commercial Fire Plans Examiner;

(D) Commercial Mechanical Inspector;

(E) Residential Building Inspector;

(F) Residential Plans Examiner; and

(G) Any other International Code Council or other nationally recognized certification the division determines is equivalent to an Oregon Code Certification.

(4) Persons applying for a training course administered by the division must:

(a) Submit a division-approved registration form; and

(b) Pay the course registration fee.

(5) A person must successfully complete a division certification training course in order to obtain division certification through the course.

(6) Applicants for certification as a building official and certified Oregon building officials must possess a valid Oregon Inspector Certification and must enroll in or complete a certification training course for building officials administered by the division within six months of hire unless the person has previously completed a building official training course administered by the division. A person enrolled in a certification training course for building officials administered by the division must successfully complete this course to continue performing building official duties.

(7) Applicants for an Oregon Code Certification who fail the examination may reapply under section (3) of this rule to retest. Applicants may not retake the test for 30 days after each failed attempt.

(8) If an applicant fails to take the Oregon Inspector Certification exam or the Oregon Code Certification exam within 60 days of being approved to do so, the application is considered withdrawn, and the applicant must re-apply under section (2) or (3) of this rule.

(9) The division may extend the six-month period to complete a code certification training pursuant to (3)(b)(B) of this rule in the case of hardship or illness. The person must submit a request for extension to the division in writing.

(10) Persons with a valid Oregon Inspector Certification and a valid International Code Council certification or other nationally recognized certification identified in subsection (3)(d) of this rule, proof of passage of the International Code Council Building Official Legal/Management examination, or an International Code Council Certified Building Official certification may continue to perform work for which a certification is required until November 1, 2016. Persons who have not obtained the appropriate Oregon certification by November 1, 2016, may not perform duties as a building official or perform inspections or plan reviews for which an Oregon certification is required.

918-098-1028

Oregon Inspector Certification Renewal Process

Effective July 1, 2016:

(1) All Oregon Inspector Certifications expire on November 1, 2016, and every three years thereafter.

(2) Oregon Inspector certification renewals must be completed on or prior to the certification expiration date.

(3) To renew an Oregon Inspector Certification a person must:

(a) Submit the renewal form;

(b) Demonstrate completion of all continuing education requirements; and

(c) Submit the certification renewal fee of $125 for a three year term.

(4) The division mails one renewal notification to the last known address of the certification holder at least 45 days prior to certification expiration. It is the responsibility of the certification holder to notify the division of a change of address.

Stat. Auth.: ORS 455.720, 455.730 & 455.735

Stats. Implemented: ORS 455.720, 455.730 & 455.735

918-098-1100
2016 Certification Transition

(1) Notwithstanding OAR 918-098-1025, the division may issue an equivalent Oregon Code Certification to a person with a valid Oregon Inspector Certification, a valid appropriate International Code Council Certification, or an appropriate nationally recognized certification or license, issued prior to April 1, 2016, for:

(a) Commercial Building Inspector;

(b) Commercial Building Plans Examiner;

(c) Commercial Fire Plans Examiner;

(d) Commercial Mechanical Inspector;

(e) Residential Building Inspector;

(f) Residential Mechanical Inspector;

(g) Residential Plans Examiner; and

(h) Any other International Code Council or other nationally recognized certification the division determines is equivalent to an Oregon Code Certification.

(2) Notwithstanding OAR 918-098-1025, the division may issue an Oregon Building Official certification to a person with a valid Oregon Inspector Certification issued prior to April 1, 2016; and

(a) Successfully passed an International Code Council Building Official Legal/Management examination prior to April 1, 2016; or

(b) Obtained a valid International Code Council Certified Building Official certification prior to April 1, 2016.

(3) The division may deny the issuance of an equivalent Oregon certification under (1) and (2) of this rule if:

(a) A final order, including a consent order or default order, has been issued against the person pursuant to ORS chapter 455;

(b) The person is unable to produce evidence of a valid nationally recognized certification or successful passage of an International Code Council Building Official Legal/Management examination;

(c) The person has not completed all required continuing education for the certification pursuant to section (4) of this rule; or

(d) In addition to any other authority, the division finds the person is not entitled to possess the equivalent Oregon certification because of any prejudicial or unlawful action, including but not limited to, demonstrated lack of code knowledge, failing to properly administer the code, and not acting in the public interest.

(4) For the period between November 1, 2013 and November 1, 2016, code change continuing education is required for a person who received a certification before the effective date of a new applicable Oregon code for the certification. If the applicable Oregon code for the certification has not changed since the person received the certification, or if the division determined code change continuing education was not necessary for the applicable code, no code change continuing education is required.

(5) If a certification holder fails to complete required continuing education for a given certification by the deadline for renewal of their Oregon Inspector Certification, the certification for which they did not complete continuing education will be denied and the person may not re-apply for the certification pursuant to OAR 918-098-1025 for the three-year period covered by the Oregon Inspector Certification. Instead, to obtain the certification, the person must reapply and successfully pass an examination administered by the division.

(6) Applicants who fail the examination under section (5) of this rule may reapply and retest for a fee of $80.

(7) Persons who have not obtained the appropriate Oregon certification by November 1, 2016 may not perform duties as a building official or perform inspections or plan reviews for which an Oregon Code Certification is required.

Stat. Auth.: ORS 455.622, 455.720 & 455.730
Stat. Implemented: ORS 455.622, 455.720 & 455.730

918-098-1475
Conflict of Interest for Building Officials, Inspectors, and Plans Examiners

(1) A person with an Oregon Inspector Certification and an Oregon Code Certification may not get paid to perform or manage work regulated by the state building code for a company engaged in construction or property development in Oregon when employed as an inspector, plans examiner, or building official by the division, a municipality, or a registered business under ORS 455.457.

(2) Notwithstanding (1), a person hired by the division, a municipality, or a registered business under ORS 455.457 may continue to perform or manage work for a company engaged in construction or property development in Oregon for 6 months after hire only as necessary to complete or transition previously accepted work, if:

(a) The person does not engage in any conflicts of interest;

(b) The person submits written notice to the jurisdiction that hired them of their intent to continue outside work; and

(c) The jurisdiction that hired the person consents in writing to the continued outside work.

(3) For the purposes of this section "engaged in construction or property development" includes, but is not limited to:

(a) Designing, testing, or auditing of buildings or other structures, devices, and equipment regulated by the state building code; and

(b) Selling products or services that design, test, or audit buildings or other structures, devices, and equipment that are regulated by the state building code or that provide information related to the requirements of the state building code.

(4) For the purposes of this section, "employed" means working directly for an employer as an employee and completing a withholding exemptions certificate required by ORS 316.162 to 316.212.

(5) For the purposes of this section, "paid" means receiving any compensation from any source.

Department of Consumer and Business Services, Insurance Regulation
Chapter 836

Rule Caption: Requirements for limited lines travel producers directing travel retailers to offer and disseminate travel insurance.
Adm. Order No.: ID 7-2016
Filed with Sec. of State: 6-30-2016
Certified to be Effective: 7-1-16
Notice Publication Date: 5-1-2016
Rules Adopted: 836-071-0450
Rules Amended: 836-071-0108
Subject: Senate Bill 715 updated Oregon's producer licensing requirements for travel insurance based on a model act adopted by the National Conference of Insurance Legislators in November 2012, as well as uniform licensing standards adopted by the National Association of Insurance Commissioners in late 2010. The bill permits licensed insurance providers to be the licensees for products distributed through non-insurance travel retailers if specific conditions protecting consumers are met, including registration of the agents, training, and consumer disclosures. The proposed rules establish direction, for limited travel insurance producers to arrange travel insurance through travel retailers. The rules set out the conditions that must be met for the limited travel insurance producer to establish and maintain a register of required information for travel insurance retailers that arrange travel insurance through the limited travel insurance producer. The rules also address requirements for training travel retailers.
Rules Coordinator: Karen Winkel—(503) 947-7694

836-071-0108

Limited Class Insurance Licenses

For the purpose of ORS 744.062, the Director establishes the following classifications for limited class insurance licenses, for use on and after July 1, 2005:

(1) Under a "limited class credit insurance" license, the licensee may transact the following classes of insurance when the insurance is offered in connection with an extension of credit that is limited to partially or wholly extinguishing that credit obligation:

(a) Credit life insurance. Under this class, an insurance producer may transact credit life insurance as approved under ORS 743.371(1).

(b) Credit health insurance. Under this class an insurance producer may transact credit health insurance as approved under ORS 743.371(2).

(c) Credit unemployment and involuntary unemployment insurance. Under this class an insurance producer may transact approved liability coverage for unemployment.

(d) Credit property insurance. Under this class, an insurance producer may transact insurance against property loss or damage that may result in failure of debtors to pay their obligations to the insured, including but not limited to motor vehicle physical damage insurance. This class does not include mortgage insurance.

(e) Mortgage guarantee insurance. Under this class, an insurance producer may transact only the insurance that is issued by an authorized mortgage insurer under ORS 742.282 to 742.286.

(f) Mortgage life or disability insurance, or mortgage life and disability insurance. Under this class, a lending institution may transact mortgage cancellation insurance as approved under ORS 743.303(1)(b) and (5).

(g) Gap insurance. This class applies to a person described in ORS 731.036(9) who does not qualify for the exemption in 731.036(9) because the person imposes an additional charge to waive the amount described in 731.036(9)(b) pursuant to an agreement to lease or to finance the purchase of a motor vehicle.

(2) Under a "limited class insurance" license, the licensee may transact the following classes of insurance:

(a) Crop insurance. Under this class, an insurance producer may place insurance providing protection against damage to crops from unfavorable weather conditions, fire or lightning, flood, hail, insect infestation, disease or other yield-reducing conditions or perils provided by the private insurance market, or that is subsidized by the Federal Crop Insurance Corporation, including multi-peril crop insurance.

(b) Surety insurance. Under this class an insurance producer may place insurance or a bond that covers obligations to pay the debts of, or answer for the default of another, including faithlessness in a position of public or private trust as approved under ORS 742.350 to 742.376. For the purpose of this limited line license, surety does not include surety bail bonds.

(c) Mechanical breakdown insurance. Under this class an insurance producer may place insurance that provides repair or replacement service, or indemnification for repair or replacement service, for operational or structural failure of property due to defects in materials or workmanship or normal wear and tear, including but not limited to motor vehicles, mobile equipment, boats, appliances and electronics.

(3) Travel insurance. Under this class as defined in ORS 744.101, a limited travel insurance producer and any travel retailer offering travel insurance on behalf of and at the direction of a limited travel insurance producer shall comply with the requirements set forth in OAR 836-071-0450.

(4) For the purpose of making the transition to a mechanical breakdown insurance limited class insurance license under section (2) of this rule rather than as a limited class credit insurance license under section (1) of this rule, the change shall apply to renewals of limited class credit insurance licenses applied for on or after January 1, 2013. A licensee transacting mechanical breakdown insurance under a limited class credit insurance license may continue to do so until the first renewal of the limited class credit license after January 1, 2013.

Requirements for Limited Travel Insurance Producer and Travel Retailer

(1) In order to comply with ORS 744.104(2)(b), a limited travel insurance producer shall:

(a) Establish and maintain a register containing all of the information required under ORS 744.104(2)(a);

(b) Include on the register:

(A) The license number of any person described in ORS 744.104(d) and 744.104(e) who is a licensed insurance producer; or

(B) The fingerprints and background check results of any person described in ORS 744.104(d) and 744.104(e) who is not a licensed insurance producer; and

(c) Use the model form provided by the Director of the Department of Consumer and Business Services at www.insurance.oregon.gov or a substantially similar form filed with and approved by the director;

(d) Update retained information recorded on the register at least annually

(e) Maintain the register in such a manner that the document and all necessary required attachments are available to be submitted in electronic form to the director within 30 days of a request as under ORS 744.104(2)(c);

(f) Maintain records of the register after the expiration of a policy as required under ORS 744.068; and

(g) Notify the director in writing of any material changes in the affidavit described in ORS

(2) All persons specified in ORS 744.104(2)(d) must:

(a) Hold a license as an insurance producer under ORS 744.052 to 744.089;

(3) All persons specified in ORS 744.104(2)(e) must:

(a) Furnish fingerprints and results from criminal history check as defined under OAR 836-072-0010 to the limited travel insurance producer keeping the register required under ORS 744.104(2)

(4) A program of instruction or training described under ORS 744.104(2)(g) shall:

(a) Include compliance with requirements under ORS 744.104(3) and (4);

(b) Address the types of insurance offered by the limited travel insurance producer and ethical sales practices; and

(c) Be provided at least annually for all active travel retail employees.

Rule Caption: Eliminating duplicate notice requirements for long term care insurance.
Adm. Order No.: ID 8-2016
Filed with Sec. of State: 7-6-2016
Certified to be Effective: 7-6-16
Notice Publication Date: 5-1-2016
Rules Amended: 836-052-0740
Rules Repealed: 836-052-0536
Subject: This rulemaking repeals an existing Financial Regulation Division rule. OAR 836-052-0536 whose requirements are now established in ORS 743.658 and changes an internal reference to OAR 836-052-0536 in 836-052-0740(7) to reflect this change.
Rules Coordinator: Karen Winkel—(503) 947-7694

836-052-0740
Right to Reduce Coverage and Lower Premiums

(1) Every long term care insurance policy and certificate must include a provision that allows the policyholder or certificate holder to reduce coverage and lower the policy or certificate premium in at least one of the following ways:

(a) Reducing the maximum benefit; or

(b) Reducing the daily, weekly, or monthly benefit amount.

(2) An insurer may offer other reduction options that are consistent with the policy or certificate design or the insurer's administrative processes, in addition to the provision required in section (1) of this rule.

(3) If a reduction in coverage involves the reduction or elimination of the inflation protection provision, the insurer must allow the policyholder to continue the benefit amount in effect at the time of the reduction.

(4) The provision required in section (1) of this rule must include a description of the ways in which coverage may be reduced and the process for requesting and implementing a reduction in coverage.

(5) The premium for the reduced coverage shall:

(a) Be based on the same age and underwriting class used to determine the premium for the coverage currently in force; and

(b) Be consistent with the approved rate table.

(6) The insurer may limit any reduction in coverage to plans or options available for that policy form and to those for which benefits will be available after consideration of claims paid or payable.

(7) If a policy or certificate is about to lapse, the insurer shall provide a written reminder to the policyholder or certificate holder of the right of the policyholder or certificate holder to reduce coverage and premiums in the notice required by ORS 743.658.

(8) This rule does not apply to life insurance policies or riders containing accelerated long term care benefits.

(9) This rule applies to any long term care policy issued in this state on or after December 1, 2008.

(10) A premium increase notice required by OAR 836-052-0556(5) shall include:

(a) Information about the amount requested and the implementation schedule;

(b) Available benefit reduction or rate increase mitigation actions and the impact such action will have on the policy, such as the loss of asset protection in a partnership plan;

(c) A disclosure stating that all options available to the policyholder may not be of equal value;

(d) Clear disclosure addressing guaranteed renewable nature of policy and possibility of future rate increases;

(e) Offer of contingent benefit upon lapse or other nonforfeiture benefits, if applicable;

(f) Information about how to contact the insurer;

(g) A statement that the increase is on a class basis rather than for a particular individual and is related to expected future claims rather than economic conditions; and

(h) In the case of a partnership policy, a disclosure that some benefit reduction options may result in a loss in partnership status that may reduce policyholder protections.

(11) The requirements of section (10) of this rule apply to any rate increase implemented in this state on or after January 1, 2016.

Chapter 635

Rule Caption: Additional Commercial Spring Salmon and Shad Fishing Periods Authorized for Columbia River Select Areas
Adm. Order No.: DFW 78-2016(Temp)
Filed with Sec. of State: 6-23-2016
Certified to be Effective: 6-23-16 thru 7-31-16
Notice Publication Date:
Rules Amended: 635-042-0160, 635-042-0170
Rules Suspended: 635-042-0160(T), 635-042-0170(T)
Subject: This amended rule adds one new 12-hour fishing period in Blind and Knappa sloughs, and two new 12-hour periods in the Tongue Pont/South Channel commercial spring Chinook fisheries of the Columbia River of the Select Areas. Modifications are consistent with action taken June 22, 2016 by the Oregon and Washington Departments of Fish and Wildlife at a meeting of the Columbia River Compact.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-042-0160
Blind Slough and Knappa Slough Select Area Salmon Season

(1) Salmon and shad may be taken for commercial purposes during open 2016 fishing periods described as the winter fishery and the spring fishery in subsections (1)(a)(A) and (1)(a)(B) respectively, of this rule in those waters of Blind Slough and Knappa Slough. Retention and sale of white sturgeon is prohibited. Retention and sales of non-adipose finclipped Chinook salmon from the Blind Slough Select area is prohibited from 12:00 noon through midnite on March 29, 2016. The following restrictions apply:

(a) The open fishing periods are established in segments categorized as the winter fishery in Blind Slough and Knappa Slough in subsection (1)(a)(A), the winter fishery in Blind Slough only in subsection (1)(a)(B), and the spring fishery in Blind Slough and Knappa Slough in subsection (1)(a)(C). The seasons are open nightly from 7:00 p.m. to 7:00 a.m. the following morning (12 hours), as follows:

(A) Blind Slough and Knappa Slough:
Monday, Wednesday and Thursday nights beginning Monday, February 8 through Friday, March 11 (15 nights);
Monday, March 14 (1 night); and
Thursday, March 17 (1 night).

(B) Blind Slough Only: Monday and Thursday nights beginning Monday, March 21 through Tuesday, March 29 (3 nights).

(C) Blind Slough and Knappa Slough Thursday and Monday nights from 7:00 p.m. to 7:00 a.m. the following morning (12 hours) beginning Thursday, April 28 through Tuesday, June 28, 2016 (18 nights).

(b) The fishing areas for the winter and spring seasons are:

(A) Blind Slough are those waters from markers at the mouth of Blind Slough upstream to markers at the mouth of Gnat Creek which is located approximately 1/2 mile upstream of the county road bridge.

(B) Knappa Slough are all waters bounded by a line from the northerly most marker at the mouth of Blind Slough westerly to a marker on

Karlson Island downstream to a north-south line defined by a marker on the eastern end of Minaker Island to markers on Karlson Island and the Oregon shore.

(C) During the period from May 2 through June 14, the Knappa Slough fishing area extends downstream to the boundary lines defined by markers on the west end of Minaker Island to markers on Karlson Island and the Oregon shore.

(c) Gear restrictions are as follows:

(A) During the winter and spring fisheries, outlined above in subsections (1)(a)(A), (1)(a)(B), (1)(a)(C) and (1)(a)(D), gill nets may not exceed 100 fathoms in length with no weight limit on the lead line. The attachment of additional weight and/or anchors directly to the lead line is permitted.

(B) It is unlawful to use a gill net having a mesh size that is less than 7-inches during the winter fishery or greater than 9.75-inches during the spring fishery.

(C) Nets not specifically authorized for use in these areas may be onboard a vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater.

(2) Oregon licenses are required in the open waters upstream from the railroad bridge.

635-042-0170

Tongue Point Basin and South Channel

(1) Tongue Point includes all waters bounded by a line extended from the upstream (southern most) pier (#1) at the Tongue Point Job Corps facility through navigation marker #6 to Mott Island, a line from a marker at the southeast end of Mott Island northeasterly to a marker on the northwest tip of Lois Island, and a line from a marker on the southwest end of Lois Island westerly to a marker on the Oregon shore.

(2) South Channel area includes all waters bounded by a line from a marker on John Day Point to a marker on the southwest end of Lois Island upstream to an upper boundary line from a marker on Settler Point northwesterly to the flashing red USCG marker #10, northwesterly to a marker on the eastern tip of Burnside Island defining the upstream terminus of South Channel.

(3) Salmon and shad may be taken for commercial purposes in those waters of Tongue Point and South Channel as described in section (1) and section (2) of this rule. Retention and sale of white sturgeon is prohibited. The 2016 open fishing periods are:

(a) Winter Season:

Monday and Thursday nights from 7:00 p.m. to 7:00 a.m. the following morning (12 hours) beginning Monday, February 8 through Friday, March 11 (10 nights).

(b) Spring Season:

Thursday and Monday nights from 7:00 p.m. to 7:00 a.m. the following morning (12 hours) beginning Thursday, May 5 through Tuesday, June 28 (16 nights).

(4) Gear restrictions are as follows:

(a) In waters described in section (1) as Tongue Point basin, gill nets may not exceed 250 fathoms in length and weight limit on the lead line is not to exceed two pounds on any one fathom. It is unlawful to use a gill net having a mesh size that is less than 7 inches during the winter season or more than 9.75-inches during the spring season.

(b) In waters described in section (2) as South Channel, nets are restricted to 250 fathoms in length with no weight restrictions on the lead line. The attachment of additional weight and/or anchors directly to the lead line is permitted. It is unlawful to use a gill net having a mesh size that is less than 7 inches during the winter season or more than 9.75 inches during the spring season.

(c) Nets not specifically authorized for use in these areas may be onboard a vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater.

Rule Caption: July 1 White Sturgeon Recreational Fishery in Bonneville Pool Rescinded
Adm. Order No.: DFW 79-2016(Temp)
Filed with Sec. of State: 6-23-2016
Certified to be Effective: 6-30-16 thru 12-26-16
Notice Publication Date:
Rules Amended: 635-023-0095
Rules Suspended: 635-023-0095(T)
Subject: This amended rule rescinds the recreational white sturgeon fishery in the Bonneville Pool that was previously scheduled to begin July 1, 2016 for one day only. The annual white sturgeon retention guideline for the Bonneville Pool has been attained. Revisions are consistent with action taken June 22, 2016 by the Departments of Fish and Wildlife, for the States of Oregon and Washington, at a meeting of the Columbia River Compact.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-023-0095
Sturgeon Season

(1) The **2016 Oregon Sport Fishing Regulations** provide requirements for the Columbia River Zone and the Snake River Zone. However, additional regulations may be adopted in this rule division from time to time, and, to the extent of any inconsistency, they supersede the **2016 Oregon Sport Fishing Regulations**.

(2)(a) Retention of white sturgeon in the Columbia River from Bonneville Dam upstream to The Dalles Dam (Bonneville Pool), including adjacent tributaries, is prohibited from 12:01 a.m Sunday, June 19 until further notice.

(b) Catch-and-release angling is allowed during periods closed to sturgeon retention.

(c) All other limits, restrictions and regulations for the Bonneville Pool as described in the **2016 Fishing Regulations** remain in effect.

(3)(a) Retention of white sturgeon in the Columbia River from The Dalles Dam upstream to the John Day Dam (The Dalles Pool), including adjacent tributaries, is prohibited from 12:01 a.m. Saturday, April 30, 2016 until further notice.

(b) Catch-and-release angling is allowed during periods closed to sturgeon retention.

(c) All other limits, restrictions and regulations for The Dalles Pool as described in the **2016 Oregon Sport Fishing Regulations** remain in effect.

(4)(a) Retention of white sturgeon in the Columbia River from The John Day Dam upstream to McNary Dam (John Day Pool), including adjacent tributaries, is prohibited from 12:01 a.m. Sunday, May 29, 2016 until further notice.

(b) Catch-and-release angling is allowed during periods closed to sturgeon retention.

(c) All other limits, restrictions and regulations for the John Day Pool as described in the **2016 Oregon Sport Fishing Regulations** remain in effect.

Rule Caption: Spring Chinook Fisheries Open July 2 on the Wallowa River.
Adm. Order No.: DFW 80-2016(Temp)
Filed with Sec. of State: 6-24-2016
Certified to be Effective: 7-2-16 thru 8-31-16
Notice Publication Date:
Rules Amended: 635-019-0090
Rules Suspended: 635-019-0090(T)
Subject: This amended rule allows recreational anglers opportunities to harvest adipose fin-clipped adult Chinook salmon and adipose fin-clipped jack Chinook salmon, which are in excess of the Department's hatchery production needs, in the Wallowa River beginning Saturday, July 2, 2016 and until harvest guidelines are met.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-019-0090
Inclusions and Modifications

(1) The **2016 Oregon Sport Fishing Regulations** provide requirements for the Northeast Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2016 Oregon Sport Fishing Regulations**.

(2) The Imnaha River from the mouth to Summit Creek Bridge (River Mile 45) is open to angling for adipose fin-clipped adult Chinook salmon from June 15, 2016 until further notice.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) Statewide hook regulations apply: Single point hooks larger than 1 inch gap and multiple point hooks larger than 9/16 inch gap are prohibited.

(c) All other General, Statewide and Northeast Zone Regulations, as provided in the **2016 Oregon Sport Fishing Regulations**, remain in effect.

(3) The Wallowa River from a deadline at the lower end of Minam State Park upstream to the confluence with the Lostine River is open to angling for adipose fin-clipped adult Chinook salmon from July 2, 2016 until further notice.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) Statewide hook regulations apply: Single point hooks larger than 1 inch gap and multiple point hooks larger than 9/16 inch gap are prohibited.

(c) All other General, Statewide and Northeast Zone Regulations, as provided in the **2016 Oregon Sport Fishing Regulations**, remain in effect.

Junction City Pond (Lane County)

The Junction City Pond area is open for public use unless otherwise excluded or restricted by the following rules:

(1) Hunting is prohibited.

(2) Discharging firearms, crossbows, air guns, BB guns or paint ball guns is prohibited.

(3) Discharge of archery (recurve, long, or compound bows) is allowed only within the designated archery park.

(4) The area is closed to the public 10 pm to 4 am.

(5) Motor vehicles are prohibited except on parking areas or open roads: no cross-country travel or off road motor vehicle use allowed.

(6) Operating motor propelled boats prohibited.

(7) Open fires are prohibited.

(8) Trapping is prohibited except by access permit issued by ODFW.

(9) Dog training is prohibited.

(10) All dogs must be on a leash.

635-065-0001
Purpose and General Information

(1) Notwithstanding the provisions of the 2016 Oregon Big Game Regulations:

(a) The cost of a Uniformed Service Buck Deer Tag is $26.50 (page 6 of 2016 Oregon Big Game Regulations);

(b) No person younger than 14 years of age shall hunt with a firearm or bow and arrow unless person is accompanied by an adult, or is hunting on land owned by the parent or legal guardian of the person (per ORS 497.350)

(2) The purpose of these rules is to establish license and tag requirements, limits, areas, methods and other restrictions for hunting game mammals pursuant to ORS Chapter 496.

(3) OAR chapter 635, division 065 incorporates, by reference, the requirements for hunting game mammals set out in the document entitled 2016 Oregon Big Game Regulations," into Oregon Administrative Rules. Therefore, persons must consult the" 2016 Oregon Big Game Regulations" in addition to OAR chapter 635, to determine all applicable requirements for game mammals. The annual Oregon Big Game Regulations are available at hunting license agents and regional, district, and headquarters offices, and website of the Oregon Department of Fish and Wildlife.

(4) Additional regulation information is available on the Oregon Department of Fish and Wildlife website at www.odfw.com.

Other Restrictions

It is *unlawful*:

(1) To take or hold in captivity the young of any game mammal.

(2) To hold in captivity any wildlife of this state for which a permit is required without first securing a permit.

(3) To release without a permit any wildlife brought from another state or country, or raised in captivity in this state.

(4) To resist game law enforcement officers.

(5) To refuse inspection of any license, tag or permit by an employee of the Department; any person authorized to enforce the wildlife laws; or a landowner or agent of the landowner on his or her land while on that property.

(6) To refuse inspection, by an employee of the Oregon Department of Fish and Wildlife, or any person authorized to enforce wildlife laws, of any gear used for the purpose of taking wildlife.

(7) To take or attempt to take any game mammals, game birds, migratory waterfowl or any protected wildlife species of any size or sex or amount, by any method or weapon, during any time or in any area not prescribed in these rules.

(8) To disturb, damage, remove, alter or possess any official Department signs.

(9) To sell, lend, or borrow any big game tag.

(10) It is unlawful to operate or to be transported in a motor-propelled vehicle in violation of Cooperative Travel Management Areas. "Motor-propelled vehicle" includes aircraft not landing on designated airstrips. Through cooperative agreement, motor vehicle use is limited to specific roads during the dates for the areas listed below. There are two methods of posting road access information; negative marking in which closed roads are marked by signs, gates, berms, or other similar indicators, or positive marking in which open roads are marked by round green reflectors, orange carsonite posts, or similar indicators. Unit descriptions may be found in OAR 635-080-0000 through 635-080-0077. The following closures shall be effective during the specified periods each year:

(c) Luckiamute: Permanent Closure — Those parts of the Stott Mt. /Alsea Units as follows: 9 square miles in Townships 8 and 9 South, Ranges 7 and 8 West.

(d) Mid-Coast: Permanent Closure — That part of the Alsea Unit as follows: Open roads in the Siuslaw NF lands south of US Hwy 20 and north of State Hwy 126 are designated on the Siuslaw NF Motor Vehicle Use Map. However; additional roads may be posted as closed as part of the Cooperative TMA or for administrative purposes.

(e) Smith Ridge: Permanent Closure — That part of the McKenzie Unit as follows: 8 square miles in Townships 13 and 14 South, Ranges 6 and 7 East;

(f) Chucksney Mountain: September 1 through November 30 annually — That part of the McKenzie Unit as follows: 6 square miles in Township 19 South, Range 5 1/2 East;

(g) Skookum Flat: Permanent Closure — That part of the McKenzie Unit as follows: 8 square miles in Townships 19 and 20 South, Range 6 East;

(h) Scott Creek: Permanent Closure — That part of the McKenzie Unit as follows: 51 square miles in Townships 14, 15, and 16 South, Ranges 6 and 7 East;

(i) Wendling: opening of general buck deer season through November 30. Approximately 185 sq. mi in Unit 19 northeast of Springfield; north of Hwy 126, east of Marcola and Brush Creek Rds., and south of the Calapooia River Mainline. Roads open to motor vehicle use will be marked with orange road markers. Access may be closed due to fire danger.

(j) Coos Bay BLM: Permanent Closure — That part of the Tioga Unit as follows: Individual posted roads on lands administered by BLM, Coos Bay District.

(k) Upper Rogue: Three days prior to the general Cascade elk season through the end of the general Cascade elk season — That part of the Rogue Unit as follows: High Cascades Ranger District, Rogue River National Forest;

(l) Jackson: Three days prior to the general Cascade elk season through April 30 annually — That part of the Rogue, Dixon, and Evans Creek units as follows: 116 square miles in Townships

32, 33, 34, and 35 South, Ranges 1 and 2 West and 1 and 2 East; off-road motor vehicle travel is prohibited at all times;

(m) Pokegama: November 20 through March 31 annually — That part of the Keno Unit as follows: 97 square miles in Townships 40 and 41 South, Ranges 4, 5, and 6 East;

(n) Lower Klamath Hills: Permanent Closure — That part of the Klamath Unit as follows: 3 square miles in Township 40 South, Range 9 East;

(o) Goodlow Mountain Area Closure: December 1 through March 31 annually — That part of the Klamath Unit as follows: 17 square miles in Townships 38 and 39 South, Ranges 12 and 13 East;

(p) Sun Creek: November 1 through June 30 annually — That part of the Sprague Unit as follows: 14 square miles in Township 32 South, Ranges 6 and 7 1/2 East;

(q) Fox Butte: Three days prior to the opening of controlled buck deer season through the close of the controlled buck deer season — That part of the Paulina Unit as follows: 230 square miles in Townships 20, 21, 22, 23, and 24 South, Ranges 14, 15, and 16 East;

(r) Timbers: Permanent Closure — That part of the Paulina Unit as follows: 25 square miles in Townships 23 and 24 South, Ranges 9 and 10 East;

(s) Rager: Three days prior to the opening of controlled buck deer rifle season through the close of antlerless elk rifle season — That part of the Ochoco Unit as follows: 352 square miles south of U.S. Highway 26 and west of the South Fork John Day River.

(t) White River Wildlife Area: December 1 through March 31 annually — That part of the White River Unit as follows: 59 square miles along the eastern edge of the Mt. Hood National Forest in the southern half of the White River Unit;

(u) Lower Deschutes: Permanent Closure — That part of the Biggs Unit as follows: 12 square miles along lower 17 miles of Deschutes River except the county access road to Kloan;

(v) Murderers Creek-Flagtail: Three days prior to the opening of the archery deer and elk seasons through the close of controlled buck deer rifle season and from three days prior to the controlled Rocky Mountain bull elk first season through the Rocky Mountain bull elk second season — That part of the Murderers Creek Unit as follows: 185 square miles in Townships 13, 14, 15, 16, and 17 South, Ranges 26, 27, 28, and 29 East;

(w) Camp Creek: Three days prior to opening of controlled buck deer rifle season through the close of controlled buck deer rifle season and from three days prior to the controlled Rocky Mountain bull elk first season through the Rocky Mountain bull elk second season — That part of the Northside Unit as follows: 54 square miles in Townships 10, 11, and 12 South, Ranges 31, 32, and 33 East.

(x) Bridge Creek Wildlife Area: December 1 through April 14 annually except by permit: That part of the Ukiah Unit as follows: 20 square miles in Townships 5 and 6 south, Ranges 31 and 32 East in the Southwest corner of Ukiah Unit;

(y) Meacham: Three days prior to the opening of the archery deer and elk seasons through May 31. Approximately 41 square miles in Units 49, 52 and 54 in townships 1 and 2 south, township 1 north, ranges 34, 35, and 36 east.

(z) Dark Canyon: Three days prior to the opening of controlled buck deer season through the close of the last elk season encompassing this travel management area. That part of the Sumpter Unit as follows: 20 square miles in Townships 11 and 12 South, Ranges 40 and 41 East;

(aa) Patrick Creek: Three days prior to the opening of controlled buck deer season through the close of the last elk season and May 1 through June 30 encompassing this travel management area. That part of the Sumpter Unit as follows: 8 square miles in Townships 10 and 11 South, Ranges 35 1/2 and 36 East;

(bb) Dry Beaver/Ladd Canyon: Permanent Closure — That part of the Starkey Unit as follows: 125 square miles in Townships 4, 5 and 6 South, Ranges 35, 36, 37 and 38 East;

(cc) Clear Creek: Three days prior to opening of Rocky Mountain bull elk season through close of Rocky Mountain bull elk second season — That part of the Starkey Unit as follows: 21 square miles in Township 5 South, Ranges 37 and 38 East;

(dd) Trail Creek: Three days prior to opening of Rocky Mountain bull elk season through close of Rocky Mountain bull elk second season — That part of the Starkey Unit as follows: 29 square miles in Townships 6 and 7 South, Ranges 35 1/2 and 36 East;

(ee) Indian Creek-Gorham Butte: Three days prior to opening of Rocky Mountain bull elk season through close of Rocky Mountain bull elk second season — That part of the Starkey Unit as follows: 24 square miles in Townships 6 and 7 South, Ranges 36 and 37 East;

(ff) Elkhorn Wildlife Area: Permanent Closure — Those parts of the Starkey and Sumpter units as follows: 7 square miles in Township 6 South, Range 38 East;

(gg) Starkey Experimental Forest Enclosure: Permanent Closure — That part of the Starkey Unit as follows: 40 square miles in Townships 3 and 4 South, Range 34 East;

(hh) Hall Ranch: Three days prior to the opening of Rocky Mountain bull elk first season through April 30 — that part of the Catherine Creek Unit as follows: 3 square miles in Township 5 South, Range 41 East;

(ii) Little Catherine Creek: Three days prior to opening of archery season through May 31 — That part of the Catherine Creek Unit as follows: 22 square miles in Townships 3, 4 and 5 South, Ranges 40 and 41 East;

(jj) Walla Walla: Permanent Closure — Those parts of Walla Walla, Wenaha, and Mt. Emily units as follows: All gated, posted, and closed roads within the Walla Walla Ranger District of the Umatilla National Forest.

(kk) Wenaha Wildlife Area: Permanent Closure — That part of the Wenaha Unit as follows: 17 square miles in Townships 5 and 6 North, Ranges 42 and 43 East along eastern edge of Umatilla Forest in northeast corner of wenaha Unit;

(ll) Noregaard: Three days prior to archery season through May 31. However, roads will be open to permit removal of camping equipment during a time period extending through two Sundays following the end of the last antlerless elk rifle season. That part of the Sled Springs Unit as follows: 175 square miles in west one-third of Sled Springs Wildlife Unit.

(mm) Shamrock: Three days prior to archery season through May 31. However, roads will be open to permit removal of camping equipment during a time period extending through two Sundays following the end of the last antlerless elk rifle season. — That part of the Sled Springs Unit as follows: 20 square miles in Township 4 North, Range 44 East;

(nn) Chesnimnus: Three days prior to Chesnimnus rifle bull season through end of Chesnimnus rifle bull season — That portion of the Chesnimnus Wildlife Unit within the boundaries of the Wallowa-Whitman National Forest;

(oo) Cemetery Ridge Road: Permanent Closure — That part of the Chesnimnus Unit as follows: Cemetery Ridge Road north of the south boundary of Section 4, Township 3 North, and Range 48 East.

(pp) Lord Flat Trail (#1774): Three days prior to archery season through the end of all elk rifle seasons — 15 miles of road in Townships 1 South and 1 and 2 North, Ranges 49 and 50 East;

(qq) Grouse-Lick Creeks: Three days prior to opening of Rocky Mountain bull elk first season through the close of Rocky Mountain bull elk second season- That part of the Imnaha Unit as follows: 100 square miles in Townships 2, 3, 4, and 5 South, Ranges 46, 47 and 48 East;

(rr) Clear Lake Ridge: Three days prior to opening of archery season through December 1 annually — That part of the Imnaha Unit as follows: Five square miles in Township 2 South, Range 47 East, Sections 3 and 4 and Township 1 South, Range 47 East, Sections 28, 15, 33, 34 and 22.

(ss) Mehlorn: Permanent Closure: That part of the Pine Creek and Keating Units as follows: 26 square miles in Township 6 South, Ranges 45 and 46 East;

(tt) Lake Fork-Dutchman: Three days prior to opening of archery season to the end of all elk rifle seasons and from May 1 to July 1 — That part of the Pine Creek Unit as follows: 42 square miles in Townships 6 and 7 South, Ranges 46 and 47 East;

(uu) Okanogan-Fish: Three days prior to the opening of buck deer rifle season to the end of elk rifle seasons and from May 1 to July 1 — That part of the Pine Creek Unit as follows: 20 square miles in Township 6 and 7 South, Ranges 46 and 47 East;

(vv) Summit Point: Permanent Closure: That part of the Keating Unit as follows: 14 square miles in Townships 6 and 7 South, Ranges 44 and 45 East.

(ww) Eagle Creek: December 1 — April 15: That part of the Keating Unit as follows: 17 square miles in Townships 7 and 8 South, Range 44 and 45 East;

(xx) Conroy Cliff: Three days prior to the opening of controlled buck deer rifle season through the close of controlled buck deer rifle season and from three days prior to the controlled Rocky Mountain bull elk first season through the Rocky Mountain bull elk second season — That part of the Malheur River Unit as follows: 46 square miles in Townships 16, 17, and 18 South, Ranges 32 1/2, 34, and 35 East;

(yy) Devine Ridge-Rattlesnake: Three days prior to the opening of controlled buck deer rifle season through the close of controlled buck deer rifle season and from three days prior to the controlled Rocky Mountain bull elk first season through the Rocky Mountain bull elk second season — That part of the Malheur River Unit as follows: 59 square miles in Townships 20 and 21 South, Ranges 31, 32, 32 1/2 East;

(zz) Dairy Creek: Three days prior to the opening of controlled buck deer rifle season through the close of controlled buck deer rifle season and from three days prior to the controlled Rocky Mountain bull elk first season through the Rocky Mountain bull elk second season — That part of the Silvies Unit as follows: 98 square miles in Townships 19, 20, 21, and 22 South, Ranges 24, 25, and 26 East;

(aaa) Burnt Cabin: Three days prior to the opening of controlled buck deer rifle season through the close of controlled buck deer rifle season and from three days prior to the controlled Rocky Mountain bull elk first season through the Rocky Mountain bull elk second season — That part of the Silvies Unit as follows: 22 square miles in Townships 18 and 19 South, Ranges 26 and 27 East;

(bbb) Walker Rim; Three days prior to the opening of controlled buck deer season through the close of the controlled buck deer season — That part of the Fort Rock Unit as follows: 113 square miles in Townships 24, 25, and 26 South, Ranges 8, 9, and 10 East;

(ccc) North Paulina: Permanent Closure — That part of the Fort Rock Unit as follows: 12 square miles in Townships 25 and 26 South; Range 8 East;

(ddd) Sugarpine Mountain: Permanent Closure — That part of the Fort Rock Unit as follows: 40 square miles in Township 28, Ranges 9 and 10 East;

(eee) Stott Mt.-North Alsea: One day prior to opening of archery season through the bull elk rifle seasons — All gated and/or barrier closed roads within the Alsea Unit north of US Hwy 20 and west of State Hwy 223 (Kings Valley Hwy); and in the Stott Mt. Unit. Cooperators require: day use only on private lands, no ATV use on private lands and designated state lands, and no vehicle may block any road or gate. Access may be closed during extreme fire danger;

(fff) Spring Butte: Permanent Closure — That part of the Paulina Unit as follows: 30 square miles in Township 23 South, Range 11 East;

(ggg) Wildhorse Ridge/Teepee Butte: Three days prior to archery season through the end of all elk rifle seasons. Posted and gated roads north of 46 roads in Chesnimnus Unit are closed;

(hhh) Hells Canyon National Recreation Area: Permanent Closure — Those parts of the Chesnimnus, Imnaha, Snake River, and Pine Creek Units in Eastern Wallowa County that are closed by the National Recreation Area;

(iii) PO Saddle Road — Three days prior to opening of archery season through June 15th, annually — Three miles of road in Townships 3 and 4 South, Range 48 East.

(jjj) Whiskey Creek — Three days prior to archery season through May 31. However, roads will be open to permit removal of camping equipment during a time period extending through two Sundays following the last antlerless elk season. That part of the Sled Springs unit as follows — 45 square miles in Townships 2 and 3 North, Ranges 43, 44, and 45 East.

(kkk) South Boundary: Permanent Closure — That part of the Ochoco Unit as follows: 47 square miles in Townships 15 and 16 South, Ranges 20, 21, and 22 East.

(lll) Green Diamond Travel Management Area: Permanent Closure — Applies to all gated, posted, or barrier-closed roads within the Rogue, Keno, Klamath Falls, Sprague, Interstate, Silver Lake, and Fort Rock Units within the land holdings of Green Diamond Resource Company.

(mmm) Prineville Reservoir Wildlife Area: From November 15 or December 1 (as posted at each gate) through April 15 annually — That part of the Ochoco and Maury Units as follows: 5 square miles in Township 16 South, Range 17 East.

635-065-0765
Tagging, Possession, Transportation and Evidence of Sex

(1) When the owner of any game mammal tag kills a game mammal for which a tag is issued, the owner shall immediately remove in its entirety only the month and day of kill and attach the tag in plain sight securely to the game mammal. The tag shall be kept attached to such carcass or remain with any parts thereof so long as the same are preserved.

(2) It is unlawful to have in possession any game mammal tag from which all or part of any date has been removed or mutilated except when the tag is legally validated and attached to a game mammal.

(3) It is unlawful to possess the meat or carcass of any deer, elk, pronghorn antelope, bighorn sheep, or Rocky Mountain goat without evidence of sex while in the field, forest, or in transit on any of the highways or premises open to the public in Oregon, except processed or cut and wrapped meat. Evidence of sex for deer, elk, pronghorn antelope, bighorn sheep, or Rocky Mountain goat is:

(a) The animal's scalp which shall include the attached eyes and ears, if animal is female; or ears, antlers or horns, and eyes if the animal is male, or;

(b) Reproductive organs (testicles, scrotum, or penis if male; vulva or udder (mammary) if female) naturally attached to one quarter of the carcass or to another major portion of meat.

(i) For hunts with antler or horn restrictions, if the head is not attached to the carcass, in addition to leaving the testicles, scrotum, or penis naturally attached to one quarter of the carcass or to another major portion of meat, the head or skull plate with both antlers or horns naturally attached shall accompany the carcass or major portions of meat.

(ii) For hunts where only white-tailed deer and for hunts where only mule deer are legal: in addition to evidence of sex, (testicles, scrotum, penis, vulva, udder, mammary), either the head or tail shall remain naturally attached to one quarter of the carcass or to another major portion of meat as evidence of the species taken.

(4) When any game mammal or part thereof is transferred to the possession of another person, a written record describing the game mammal or part being transferred indicating the name and address of the person whose tag was originally attached to the carcass and the number of that tag shall accompany such transfer and shall remain with such game mammal or part so long as the same is preserved or until replaced by a tag or seal of the Department.

(5) All game mammals in possession in the field or forest or in transit more than 48 hours after the close of the open season for such mammal must be tagged with a tag or metal seal by the Department or by the Oregon State Police.

(6) All game mammals or portions thereof shipped by commercial carrier shall be tagged with a tag or metal seal provided by the Department or by the Oregon State Police.

(7) It is unlawful to receive or have in possession any game mammal or part thereof which:

(a) Is not properly tagged;

(b) Was taken in violation of any wildlife laws or regulations; or

(c) Was taken by any person who is or may be exempt from the jurisdiction of such laws or regulations.

(8) No person shall possess any game mammal or part thereof which has been illegally killed, found or killed for humane reasons, except shed antlers, unless he has notified and received permission from the Department or personnel of the Oregon State Police prior to transporting.

(9) No person shall possess the horns of bighorn sheep or Rocky Mountain goat that were not taken legally during an authorized season. Any horns of bighorn sheep or Rocky Mountain goat obtained by the Department may be made available to scientific and educational institutions and for ceremonial purposes.

(10) Except for the following parts, importation of a cervid carcass or parts of a cervid carcass is prohibited if the cervid was killed in a state or province with a documented case of Chronic Wasting Disease:

(a) Meat that is cut and wrapped commercially or privately;

(b) Meat that has been boned out;

(c) Quarters or other portions of meat with no part of the spinal column or head attached;

(d) Hides and/or capes with no head attached;

(e) Skull plates with antlers attached that have been cleaned of all meat and brain tissue;

(f) Antlers with no tissue attached;

(g) Upper canine teeth (buglers, whistlers, ivories);

(h) Finished taxidermy heads.

(11) For the purposes of the parts and carcass import ban in subsection 10, the states or provinces with a documented case of Chronic Wasting Disease (CWD) are Alberta, Arkansas, Colorado, Illinois, Kansas, Maryland, Michigan, Minnesota, Missouri, Montana, Nebraska, New Mexico, New York, North Dakota, Ohio, Oklahoma, Pennsylvania, South Dakota, Texas, Utah, Virginia, West Virginia, Wisconsin, Wyoming, and Saskatchewan. The Department shall add by temporary rule any additional states or provinces when any new cases of CWD arise.

(12) The parts and carcass import ban in subsection (11) does not apply to parts or carcasses shipped to the National Fish and Wildlife Forensics Laboratory (Ashland, Oregon) for the purpose of law enforcement investigations and also does not apply to parts or carcasses of reindeer/caribou.

(13) Cervid carcasses or parts of cervid carcasses found in Oregon in violation of the parts and carcass ban in subsection 10 shall be disposed of in a manner as follows:

(a) Brain tissue, spinal columns, and whole heads or heads minus the cleaned skull plate and attached antlers, shall be disposed of either by incineration at temperatures exceeding 800° F or at lined landfills registered by Oregon Department of Environmental Quality capable of accepting animal carcasses without environmental contamination; rendering is not an allowed means of disposal.

(b) The person(s) who imported parts in violation of the parts and carcass ban in subsection 10 shall pay for appropriate disposal of cervid carcasses or parts of cervid carcasses.

635-066-0010
General Season Regulations

(1) Pursuant to ORS 497.112, annual black bear tag sales to nonresident black bear hunters for the general fall season shall be limited to no more than three percent of the total tag sales based on previous year's hunter densities.

(a) Tags shall be available at any authorized license agent and through the Salem Headquarters office on a first-come, first-served basis.

(b) The application procedure shall be as follows:

(A) An applicant may purchase a nonresident general black bear tag at any hunting license agent or;

(B) An applicant shall mail or fax copies, through the Salem Headquarters only, of his/her nonresident driver's license, adult nonresident hunting license, juvenile nonresident hunting license, or provide documentation which includes the following information:

(i) Applicant's full name and current address;

(ii) Applicant's date of birth;

(iii) Applicant's Social Security number;

(iv) Applicant's telephone number;

(c) An applicant shall include a fee of $15.50 (includes a $10.00 license agent fee) with the application.

(2) Open Area: The entire state is open, except that lands within one mile of the Rogue River between Grave Creek and Lobster Creek are closed to all black bear hunting. Nonresidents shall be restricted to hunting black bear only in specific areas as described below.

(3) Nonresident black bear tags shall be distributed by areas as described in the Black Bear Management Plan. These areas are described as follows:

(a) Northwest: All of wildlife management units: 10, 11, 12, 14, 15, 17, and 18.

(b) Southwest: All of wildlife management units: 20, 23, 24, 25, 26, 27, 28, and 29.

(c) Cascades: All of wildlife management units: 16, 19, 21, 22, 30, 31, 34, 39, 41, and 42 and those portions of wildlife management units 33 and 77 lying west of Highway 97.

(d) Eastern: All of wildlife management units: 32, 35, 38, 40, and 43 and those portions of wildlife management units 33 and 77 lying east of Highway 97; and all other wildlife management units to the east of these units.

(4) No person shall use dogs to hunt or pursue black bear.

(5) No person shall use bait to attract or hunt black bear.

(6) The skull of any bear taken must be presented to an ODFW office or designated collection site. The person who took the animal is responsible to have it presented, within 10 days of the kill, to be checked and marked. Skull must be unfrozen when presented for check-in. Check-in at ODFW offices must occur during normal business hours (8-5, Mon-Fri.). Hunters are required to check in the skull only, for the purpose of inspection, tagging and removal of a tooth for aging.

(7) When the bear skull is presented at check-in information that must be provided includes:

(a) Date of harvest and location of harvest including Wildlife Management Unit, and

(b) Complete hunter information including tag number as found on the bear tag; a completed "Wildlife Transfer Record Form" as found in the current year's Oregon Big Game Regulations is an alternative for providing the required information.

635-067-0000
Purpose and General Information

(1) The purpose of these rules is to establish season dates, bag limits, areas, methods, and other restrictions for hunting pronghorn antelope, cougar, bighorn sheep, and Rocky Mountain goat pursuant to ORS Chapter 496.

(2) OAR chapter 635, division 067 incorporates, by reference, the requirements for hunting pronghorn antelope, cougar, bighorn sheep, and Rocky Mountain goat set out in the document entitled "2016 Oregon Big Game Regulations," into Oregon Administrative Rules. Therefore, persons must consult the "2016 Oregon Big Game Regulations" in addition to OAR chapter 635, to determine all applicable requirements for hunting pronghorn antelope, cougar, bighorn sheep, and Rocky Mountain goat. The annual Oregon Big Game Regulations are available at authorized license agents and regional, district and headquarters offices and website of the Oregon Department of Fish and Wildlife.

(3) Additional regulation information is available on the Oregon Department of Fish and Wildlife website at www.odfw.com.

(4) Controlled hunt tags shall be issued by a controlled hunt drawing following the procedures established in OAR chapter 635, division 060. Permitted weapons and ammunition are established in OAR chapter 635, division 065. Controlled hunt tag numbers for 2016 and 2017 are listed in Tables 1, 2, and 3 and are adopted and incorporated into OAR chapter 635, division 067 by reference.

635-069-0000
Purpose and General Information

(1) The purpose of these rules is to establish season dates, bag limits, areas, methods and other restrictions for hunting eastern Oregon deer pursuant to ORS Chapter 496.

(2) Controlled hunt tag numbers for 2016 and 2017 are listed in Tables 1 and 2 and are adopted and incorporated into OAR chapter 635, division 069 by reference.

(3) OAR chapter 635, division 069 incorporates, by reference, the requirements for hunting eastern Oregon deer set out in the document entitled "2016 Oregon Big Game Regulations," into Oregon Administrative Rules. Therefore, persons must consult the "2016 Oregon Big Game Regulations" in addition to OAR chapter 635, to determine all applicable requirements for hunting eastern Oregon deer. The annual Oregon Big Game Regulations are available at hunting license agents and regional, district and headquarters offices and website of the Oregon Department of Fish and Wildlife.

(4) Additional regulation information is available on the Oregon Department of Fish and Wildlife website at www.odfw.com.

635-073-0000
Purpose and General Information

(1) The purpose of these rules is to establish season dates, bag limits, areas and other restrictions for bow and muzzleloader hunting, Premium Hunts, and controlled deer and elk youth hunts; pursuant to ORS Chapter 496.

(2) Controlled hunt tag numbers for 2016 and 2017 for deer and elk bow and muzzleloader hunting and deer and elk youth hunts are listed in Tables 1, 2 and 3 and are adopted and incorporated into OAR chapter 635, division 073 by reference.

(3) OAR chapter 073 incorporates, by reference, the requirements for bow and muzzleloader hunting, Premium Hunts, and controlled deer and elk youth hunts set out in the document entitled "2016 Oregon Big Game Regulations," into Oregon Administrative Rules. Therefore, persons must consult the "2016 Oregon Big Game Regulations," in addition to OAR chapter 635, to determine all applicable requirements for bow and muzzleloader hunting, Premium Hunts, and controlled deer and elk youth hunts. The annual Oregon Big Game Regulations are available at hunting license agents and regional, district and headquarters offices and website of the Oregon Department of Fish and Wildlife.

(4) Additional regulation information is available on the Oregon Department of Fish and Wildlife website at www.odfw.com.

(5) Notwithstanding the provisions of the 2016 Oregon Big Game Regulations: The following text on page 16 of the Regulations is inaccurate and is being replaced: Hunt area: Entire wildlife management unit, units, or parts of units indicated by the hunt name, or as described in 635-073-0100(3). See pages 106-109 of the 2016 Oregon Big Game Regulations for specific area closures.

635-073-0100
Controlled Premium Hunt Regulations

(1) Tags shall be issued by a controlled hunt drawing following the procedures established in OAR chapter 635, division 060.

(2) "L" series Premium Hunt deer tags, "M" series Premium Hunt elk tags, and "N" series Premium Hunt pronghorn antelope tags are in addition to all other tags and permits approved by the commission.

(a) In addition to the number of deer, elk, and pronghorn antelope tags legally available to an individual, an individual is allowed one additional deer tag, one additional elk tag, and one additional pronghorn antelope tag annually provided these tags are Premium Hunt series tags.

(3)(a) N40 Maupin/W Biggs, same hunt area as hunt 440 on page 38 of the 2016 Oregon Big Game Regulations;

(b) N44 Columbia Basin/E Biggs, that part of unit 43 east of John Day River and unit 44;

(c) N70A E Beatys Butte, same hunt area as hunt 470A on page 38 of the 2016 Oregon Big Game Regulations;

(d) N70B W Beatys Butte, same hunt area as hunt 470B on page 38 of the 2016 Oregon Big Game Regulations and that part of Hart Mt National Antelope Refuge (NWR) within the Beatys Butte unit;

(e) N71 Juniper, unit 71 including that part of Hart Mt NWR within the Juniper unit, excluding that part of Malheur NWR north of Foster Flat Rd.

635-075-0022
Landowner Hunting Preference Tags for Mule Deer

(1) This rule further implements HB 2027A whereby the 2013 Legislative Assembly directed the Department through the commission to specify a formula that bases the number of landowner preference tags available for mule deer on the management, research, and habitat needs set forth in the wildlife management plan for mule deer.

(2) For purposes of this rule, the population management objectives (MOs) for each wildlife management unit that were adopted by the commission in June 2005 are considered representative of the management, research, and habitat needs for mule deer.

(3) The formula to determine the number of landowner hunting preference tags available for buck deer in a unit is as follows:

(a) In those wildlife management units where the estimated mule deer population is less than 100% of the established population management objective, the number of landowner hunting preference tags available for buck deer in that unit may be limited to five tags or 10 percent of the total controlled buck tags authorized for the public for each hunt in that unit by the commission, whichever is greater.

(b) In those wildlife management units where the estimated mule deer population is equal to or more than 100% of the established population management objective, the number of landowner hunting preference tags available for buck deer in that unit may be issued based upon a landowner's acreage as set forth in 635-075-0005 (8).

(4) For the purposes of OAR 635-075-0022(3), "qualified landowner" is a landowner who registered their land through the landowner preference program for the Wildlife Management Unit which includes the controlled hunt and who has a current tag distribution form filed with the Department.

(5) Landowner Hunting Preference Tag numbers for mule deer in 2016 and 2017 are listed in **Table 1** and are adopted and incorporated in OAR chapter 635, division 075 by reference.

[ED. NOTE: Tables referenced are available from the agency.]

Rule Caption: Spring Chinook Fisheries Close In the Imnaha River.
Adm. Order No.: DFW 82-2016(Temp)
Filed with Sec. of State: 6-27-2016
Certified to be Effective: 7-3-16 thru 8-31-16
Notice Publication Date:
Rules Amended: 635-019-0090
Rules Suspended: 635-019-0090(T)
Subject: This amended rule closes the recreational spring Chinook fishery on the Imnaha River at 11:59 p.m. Sunday, July 3, 2016. The harvest guideline for the fishery is expected to be attained by that time.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-019-0090
Inclusions and Modifications

(1) The **2016 Oregon Sport Fishing Regulations** provide requirements for the Northeast Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2016 Oregon Sport Fishing Regulations**.

(2) The Imnaha River from the mouth to Summit Creek Bridge (River Mile 45) is open to angling for adipose fin-clipped adult Chinook salmon from June 15, 2016 through July 3, 2016.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) Statewide hook regulations apply: Single point hooks larger than 1 inch gap and multiple point hooks larger than 9/16 inch gap are prohibited.

(c) All other General, Statewide and Northeast Zone Regulations, as provided in the **2016 Oregon Sport Fishing Regulations**, remain in effect.

(3) The Wallowa River from a deadline at the lower end of Minam State Park upstream to the confluence with the Lostine River is open to angling for adipose fin-clipped adult Chinook salmon from July 2, 2016 until further notice.

(a) The daily bag limit is two (2) adipose fin-clipped adult Chinook and five (5) adipose fin-clipped jacks; two daily jack salmon limits in possession. It is illegal to continue fishing for jack Chinook once the adult bag limit is met.

(b) Statewide hook regulations apply: Single point hooks larger than 1 inch gap and multiple point hooks larger than 9/16 inch gap are prohibited.

(c) All other General, Statewide and Northeast Zone Regulations, as provided in the **2016 Oregon Sport Fishing Regulations**, remain in effect.

Rule Caption: In-season Adjustments to Trip Limits for the Commercial Nearshore and Sablefish Fisheries.
Adm. Order No.: DFW 83-2016(Temp)
Filed with Sec. of State: 6-29-2016
Certified to be Effective: 7-5-16 thru 12-31-16
Notice Publication Date:
Rules Amended: 635-004-0275, 635-004-0355
Subject: These amended rules implement in-season trip limit adjustments for the Oregon commercial nearshore fishery, and adopt federal in-season decreases to sablefish trip limits. Federal in-season decreases are adopted by reference in Oregon's administrative rules. Black rockfish trip limits will be increased from 1,600 to 2,400 pounds in period 4, from 1,400 to 2,200 pounds in period 5, and from 1,000 to 1,800 pounds in period 6. In addition, 2016 trip limits for blue rockfish increased from 30 to 50 pounds. Other nearshore rockfish increased from 200 to 350 pounds, and greenling from 400 to 600 pounds for periods 4, 5 and 6.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-004-0275
Scope, Inclusion, and Modification of Rules

(1) The commercial groundfish fishery in the Pacific Ocean off Oregon is jointly managed by the state of Oregon and the federal government through the Pacific Fishery Management Council process. The Code of Federal Regulations provides federal requirements for this fishery, including but not limited to the time, place, and manner of taking groundfish. However, additional regulations may be promulgated subsequently by publication in the Federal Register, and these supersede, to the extent of any inconsistency, the Code of Federal Regulations. Therefore, the following publications are incorporated into Oregon Administrative Rule by reference:

(a) Code of Federal Regulations, Part 660, Subparts C, D, E and F (October 1, 2015 ed.) as amended;

(b) Federal Register Vol. 80, No. 46, dated March 10, 2015 (80 FR 12567);

(c) Federal Register Vol. 80. No. 222, dated November 18, 2015 (80 FR 71975);

(d) Federal Register Vol. 80. No. 239, dated December 14, 2015 (80 FR 77267.

(2) Persons must consult the federal regulations in addition to Division 004 to determine all applicable groundfish fishing requirements. Where federal regulations refer to the fishery management area, that area is extended from shore to three nautical miles from shore coterminous with the Exclusive Economic Zone.

(3) The Commission may adopt additional or modified regulations that are more conservative than federal regulations, in which case Oregon Administrative Rule takes precedence. See OAR 635-004-0205 through 635-004-0235 and 635-004-0280 through 635-004-0365 for additions or modifications to federal groundfish regulations.

(4) Notwithstanding the regulations defined in section (1) of this rule, the National Marine Fisheries Service, by means of Federal Register Vol. 81, No. 124, dated Tuesday, June 28, 2016 (81 FR 41868), announced inseason actions and management measures effective June 28, 2016, including but not limited to decreases to sablefish trip limits in the Limited Entry Fixed Gear and Open Access Sablefish Daily Trip Limit Fisheries.

635-004-0355
Trip Limits

(1) The trip limits outlined in this rule are set at the beginning of each calendar year based on commercial harvest caps and projected fishing effort, and are subject to in-season adjustments and closures. Fishers should refer to Nearshore Commercial Fishery Industry Notices on the Marine Resources Program Commercial Fishing Rules and Regulations webpage for the most up-to-date information regarding trip limits and other regulations affecting the Nearshore Commercial Fishery.

(2) Vessels with a Black Rockfish/Blue Rockfish/Nearshore Fishery Permit, with or without a Nearshore Endorsement, may land no more than the following cumulative trip limits:

(a) Black rockfish:

(A) 1200 pounds in period 1;

(B) 1400 pounds in period 2;

(C) 1700 pounds in period 3;

(D) 2,400 in period 4;

(E) 2,200 pounds in period 5; and

(F) 1,800 pounds in period 6.

(b) 50 pounds of blue rockfish and deacon rockfish combined in each period.

(3) For all other nearshore species, vessels with a Black Rockfish/Blue Rockfish/Nearshore Fishery Permit with Nearshore Endorsement may land no more than the following cumulative trip limits in each period:

(a) 350 pounds of other nearshore rockfish combined;

(b) 1,500 pounds of cabezon; and

(c) 600 pounds of greenling species.

Rule Caption: Commercial Salmon and Shad Fishing Periods Authorized for Columbia River Select Areas.
Adm. Order No.: DFW 85-2016(Temp)
Filed with Sec. of State: 6-30-2016
Certified to be Effective: 6-30-16 thru 7-31-16
Notice Publication Date:
Rules Amended: 635-042-0160, 635-042-0170
Rules Suspended: 635-042-0160(T), 635-042-0170(T)
Subject: This amended rule adds two new 12-hour fishing periods in both the Blind and Knappa sloughs, and in the Tongue Point/South Channel commercial salmon fisheries of the Columbia River Select Areas. Modifications are consistent with action taken June 30, 2016 by the Oregon and Washington Departments of Fish and Wildlife at a meeting of the Columbia River Compact.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-042-0160
Blind Slough and Knappa Slough Select Area Salmon Season

(1) Salmon and shad may be taken for commercial purposes during open 2016 fishing periods described as the winter fishery and the spring fishery in subsections (1)(a)(A) and (1)(a)(B) respectively, of this rule in those waters of Blind Slough and Knappa Slough. Retention and sale of white sturgeon is prohibited. Retention and sales of non-adipose finclipped Chinook salmon from the Blind Slough Select area is prohibited from 12:00 noon through midnite on March 29, 2016. The following restrictions apply:

(a) The open fishing periods are established in segments categorized as the winter fishery in Blind Slough and Knappa Slough in subsection (1)(a)(A), the winter fishery in Blind Slough only in subsection (1)(a)(B), and the spring fishery in Blind Slough and Knappa Slough in subsection (1)(a)(C). The seasons are open nightly from 7:00 p.m. to 7:00 a.m. the following morning (12 hours), as follows:

(A) Blind Slough and Knappa Slough:

Monday, Wednesday and Thursday nights beginning Monday, February 8 through Friday, March 11 (15 nights);

Monday, March 14 (1 night); and Thursday, March 17 (1 night).

(B) Blind Slough Only: Monday and Thursday nights beginning Monday, March 21 through Tuesday, March 29 (3 nights).

(C) Blind Slough and Knappa Slough from 7:00 p.m. Thursday, June 30, 2016 to 7:00 a.m. the following morning (12 hours); and 7:00 p.m. Tuesday, July 5, 2016 to 7:00 a.m. the following morning (12 hours).

(b) The fishing areas for the winter and spring seasons are:

(A) Blind Slough are those waters from markers at the mouth of Blind Slough upstream to markers at the mouth of Gnat Creek which is located approximately 1/2 mile upstream of the county road bridge.

(B) Knappa Slough are all waters bounded by a line from the northerly most marker at the mouth of Blind Slough westerly to a marker on Karlson Island downstream to a north-south line defined by a marker on the eastern end of Minaker Island to markers on Karlson Island and the Oregon shore.

(C) During the period from May 2 through June 14, the Knappa Slough fishing area extends downstream to the boundary lines defined by markers on the west end of Minaker Island to markers on Karlson Island and the Oregon shore.

(c) Gear restrictions are as follows:

(A) During the winter and spring fisheries, outlined above in subsections (1)(a)(A), (1)(a)(B), and (1)(a)(C), gill nets may not exceed 100 fathoms in length with no weight limit on the lead line. The attachment of additional weight and/or anchors directly to the lead line is permitted.

(B) It is unlawful to use a gill net having a mesh size that is less than 7-inches during the winter fishery or greater than 9.75-inches during the spring fishery.

(C) Nets not specifically authorized for use in these areas may be onboard a vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater. Oregon licenses are required in the open waters upstream from the railroad bridge.

635-042-0170
Tongue Point Basin and South Channel

(1) Tongue Point includes all waters bounded by a line extended from the upstream (southern most) pier (#1) at the Tongue Point Job Corps facility through navigation marker #6 to Mott Island, a line from a marker at the southeast end of Mott Island northeasterly to a marker on the northwest tip of Lois Island, and a line from a marker on the southwest end of Lois Island westerly to a marker on the Oregon shore.

(2) South Channel area includes all waters bounded by a line from a marker on John Day Point to a marker on the southwest end of Lois Island upstream to an upper boundary line from a marker on Settler Point northwesterly to the flashing red USCG marker #10, northwesterly to a marker on the eastern tip of Burnside Island defining the upstream terminus of South Channel.

(3) Salmon and shad may be taken for commercial purposes in those waters of Tongue Point and South Channel as described in section (1) and section (2) of this rule. Retention and sale of white sturgeon is prohibited. The 2016 open fishing periods are:

(a) Winter Season:

Monday and Thursday nights from 7:00 p.m. to 7:00 a.m. the following morning (12 hours) beginning Monday, February 8 through Friday, March 11 (10 nights).

(b) Spring Season:

From 7:00 p.m. Thursday, June 30, 2016 to 7:00 a.m. the following morning (12 hours); and

From 7:00 p.m. Tuesday, July 5, 2016 to 7:00 a.m. the following morning (12 hours).

(4) Gear restrictions are as follows:

(a) In waters described in section (1) as Tongue Point basin, gill nets may not exceed 250 fathoms in length and weight limit on the lead line is not to exceed two pounds on any one fathom. It is unlawful to use a gill net having a mesh size that is less than 7 inches during the winter season or more than 9.75-inches during the spring season.

(b) In waters described in section (2) as South Channel, nets are restricted to 250 fathoms in length with no weight restrictions on the lead line. The attachment of additional weight and/or anchors directly to the lead line is permitted. It is unlawful to use a gill net having a mesh size that is less than 7 inches during the winter season or more than 9.75 inches during the spring season.

(c) Nets not specifically authorized for use in these areas may be onboard a vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater.

Rule Caption: Treaty Indian Commercial Summer Salmon Fisheries Set.
Adm. Order No.: DFW 86-2016(Temp)
Filed with Sec. of State: 6-30-2016
Certified to be Effective: 7-5-16 thru 8-31-16
Notice Publication Date:
Rules Amended: 635-041-0076
Rules Suspended: 635-041-0076(T)
Subject: This amended rule authorizes the sales of fish caught in two 3-and-a-half day Treaty Indian commercial salmon gillnet fisheries above Bonneville Dam in the Columbia River. The first fishing period begins at 6:00 a.m. Tuesday, July 5 and the second period begins at 6:00 a.m. Monday, July 11. Modifications are consistent with action taken June 30, 2016 by the Departments of Fish and Wildlife for the States of Oregon and Washington in cooperation with the Columbia River Treaty Tribes at a meeting of the Columbia River Compact.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-041-0076
Summer Salmon Season

(1) Salmon, steelhead, shad, walleye, catfish, bass, yellow perch, and carp may be taken for commercial purposes from Zone 6, in the Columbia River Treaty Indian fishery, from 6:00 a.m. Thursday, June 16 through 11:59 p.m. Sunday, July 31, 2016. Fish caught during any open period may be sold after the period concludes.

(a) White sturgeon between 38–54 inches in fork length caught in the Bonneville Pool and between 43–54 inches in fork length caught in The Dalles Pool and John Day pools may not be sold but may be retained for subsistence use.

(b) Gear is restricted to subsistence fishing gear which includes hoopnets, dipnets, and rod and reel with hook-and-line, with the following exceptions:

(A) Fish may be taken by gill nets with no mesh size restrictions during the following periods: from 6:00 a.m. Monday, July 18 through 6:00 p.m. Friday, July 22 (4.5 days); and

(B) Fish may be taken by gill nets with no mesh size restrictions during the following periods: from 6:00 a.m. Monday, July 25 through 6:00 p.m. Friday, July 29 (4.5 days).

(c) Closed areas as set forth in OAR 635-041-0045 remain in effect with the exception of Spring Creek Hatchery sanctuary.

(2) Effective 6:00 a.m. Thursday, June 16 through 11:59 p.m. Sunday, July 31, 2016, commercial sales of salmon, steelhead, walleye, shad, catfish, carp, bass and yellow perch caught in Yakama Nation tributary fisheries in the Klickitat River, Wind River, Drano Lake, Icicle Creek and Yakima River are allowed for Yakama Nation members during those days and hours when these tributaries are open under lawfully enacted Yakama Nation fishing periods.

(a) Sturgeon between 38–54 inches in fork length harvested in tributaries within Bonneville Pool may not be sold but may be kept for subsistence purposes.

(b) Gear is restricted to subsistence fishing gear which includes hoop nets, bag nets, dip nets, and rod and reel with hook-and-line. Gillnets may only be used in Drano Lake.

Rule Caption: Commercial Salmon and Shad Fishing Periods Authorized for Columbia River Select Areas.
Adm. Order No.: DFW 87-2016(Temp)
Filed with Sec. of State: 7-7-2016
Certified to be Effective: 7-7-16 thru 7-31-16
Notice Publication Date:
Rules Amended: 635-042-0160, 635-042-0170
Rules Suspended: 635-042-0160(T), 635-042-0170(T)
Subject: This amended rule adds two new 12-hour commercial salmon fishing periods to both the Blind and Knappa sloughs and the Tongue Point/South Channel Select Area fisheries on the Columbia River. Modifications are consistent with action taken July 6, 2016 by the Oregon and Washington Departments of Fish and Wildlife at a meeting of the Columbia River Compact.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-042-0160
Blind Slough and Knappa Slough Select Area Salmon Season

(1) Salmon and shad may be taken for commercial purposes during open 2016 fishing periods described as the winter fishery and the spring fishery in subsections (1)(a)(A) and (1)(a)(B) respectively, of this rule in those waters of Blind Slough and Knappa Slough. Retention and sale of white sturgeon is prohibited. Retention and sales of non-adipose finclipped Chinook salmon from the Blind Slough Select area is prohibited from 12:00 noon through midnite on March 29, 2016. The following restrictions apply:

(a) The open fishing periods are established in segments categorized as the winter fishery in Blind Slough and Knappa Slough in subsection (1)(a)(A), the winter fishery in Blind Slough only in subsection (1)(a)(B), and the spring fishery in Blind Slough and Knappa Slough in subsection (1)(a)(C). The seasons are open nightly from 7:00 p.m. to 7:00 a.m. the following morning (12 hours), as follows:

(A) Blind Slough and Knappa Slough:
Monday, Wednesday and Thursday nights beginning Monday, February 8 through Friday, March 11 (15 nights);
Monday, March 14 (1 night); and Thursday, March 17 (1 night).

(B) Blind Slough Only: Monday and Thursday nights beginning Monday, March 21 through Tuesday, March 29 (3 nights).

(C) Blind Slough and Knappa Slough from 7:00 p.m. Thursday, July 7, 2016 to 7:00 a.m. the following morning (12 hours); and 7:00 p.m. Tuesday, July 12, 2016 to 7:00 a.m. the following morning (12 hours).

(b) The fishing areas for the winter and spring seasons are:

(A) Blind Slough are those waters from markers at the mouth of Blind Slough upstream to markers at the mouth of Gnat Creek which is located approximately 1/2 mile upstream of the county road bridge.

(B) Knappa Slough are all waters bounded by a line from the northerly most marker at the mouth of Blind Slough westerly to a marker on Karlson Island downstream to a north-south line defined by a marker on the eastern end of Minaker Island to markers on Karlson Island and the Oregon shore.

(C) During the period from May 2 through June 14, the Knappa Slough fishing area extends downstream to the boundary lines defined by markers on the west end of Minaker Island to markers on Karlson Island and the Oregon shore.

(c) Gear restrictions are as follows:

(A) During the winter and spring fisheries, outlined above in subsections (1)(a)(A), (1)(a)(B), and (1)(a)(C), gill nets may not exceed 100 fathoms in length with no weight limit on the lead line. The attachment of additional weight and/or anchors directly to the lead line is permitted.

(B) It is unlawful to use a gill net having a mesh size that is less than 7-inches during the winter fishery or greater than 9.75-inches during the spring fishery.

(C) Nets not specifically authorized for use in these areas may be onboard a vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater.

(2) Oregon licenses are required in the open waters upstream from the railroad bridge.

635-042-0170
Tongue Point Basin and South Channel

(1) Tongue Point includes all waters bounded by a line extended from the upstream (southern most) pier (#1) at the Tongue Point Job Corps facility through navigation marker #6 to Mott Island, a line from a marker at the southeast end of Mott Island northeasterly to a marker on the northwest tip of Lois Island, and a line from a marker on the southwest end of Lois Island westerly to a marker on the Oregon shore.

(2) South Channel area includes all waters bounded by a line from a marker on John Day Point to a marker on the southwest end of Lois Island upstream to an upper boundary line from a marker on Settler Point northwesterly to the flashing red USCG marker #10, northwesterly to a marker on the eastern tip of Burnside Island defining the upstream terminus of South Channel.

(3) Salmon and shad may be taken for commercial purposes in those waters of Tongue Point and South Channel as described in section (1) and section (2) of this rule. Retention and sale of white sturgeon is prohibited. The 2016 open fishing periods are:

(a) Winter Season:

Monday and Thursday nights from 7:00 p.m. to 7:00 a.m. the following morning (12 hours) beginning Monday, February 8 through Friday, March 11 (10 nights).

(b) Spring Season:

From 7:00 p.m. Thursday, July 7, 2016 to 7:00 a.m. the following morning (12 hours); and

From 7:00 p.m. Tuesday, July 12, 2016 to 7:00 a.m. the following morning (12 hours).

(4) Gear restrictions are as follows:

(a) In waters described in section (1) as Tongue Point basin, gill nets may not exceed 250 fathoms in length and weight limit on the lead line is not to exceed two pounds on any one fathom. It is unlawful to use a gill net having a mesh size that is less than 7 inches during the winter season or more than 9.75-inches during the spring season.

(b) In waters described in section (2) as South Channel, nets are restricted to 250 fathoms in length with no weight restrictions on the lead line. The attachment of additional weight and/or anchors directly to the lead line is permitted. It is unlawful to use a gill net having a mesh size that is less than 7 inches during the winter season or more than 9.75 inches during the spring season.

(c) Nets not specifically authorized for use in these areas may be onboard a vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater.

Rule Caption: Treaty Indian Commercial Summer Salmon Fishery Modified.
Adm. Order No.: DFW 88-2016(Temp)
Filed with Sec. of State: 7-7-2016
Certified to be Effective: 7-11-16 thru 7-31-16
Notice Publication Date:
Rules Amended: 635-041-0076
Rules Suspended: 635-041-0076(T)
Subject: This amended rule modifies gear restrictions for a previously authorized 3-and-a-half day Treaty Indian commercial salmon gillnet fishery in the Columbia River above Bonneville Dam. The modified fishery begins at 6:00 a.m. Monday, July 11, 2016. Modifications are consistent with action taken July 6, 2016 by the Departments of Fish and Wildlife for the States of Oregon and Washington, in cooperation with the Columbia River Treaty Tribes, at a meeting of the Columbia River Compact.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-041-0076
Summer Salmon Season

(1) Salmon, steelhead, shad, walleye, catfish, bass, yellow perch, and carp may be taken for commercial purposes from Zone 6, in the Columbia River Treaty Indian fishery, from 6:00 a.m. Thursday, June 16 through 11:59 p.m. Sunday, July 31, 2016. Fish caught during any open period may be sold after the period concludes.

(a) White sturgeon between 38–54 inches in fork length caught in the Bonneville Pool and between 43–54 inches in fork length caught in The Dalles Pool and John Day pools may not be sold but may be retained for subsistence use.

(b) Gear is restricted to subsistence fishing gear which includes hoopnets, dipnets, and rod and reel with hook-and-line, with the following exceptions:

(A) Fish may be taken by gill nets with a 7-inch minimum mesh size restriction during the period from 6:00 a.m. Tuesday, July 5 through 6:00 p.m. Friday, July 8 (3.5 days); and

(B) Fish may be taken by gill nets with no mesh size restrictions during the period from 6:00 a.m. Monday, July 11 through 6:00 p.m. Thursday, July 14 (3.5 days).

(c) Closed areas as set forth in OAR 635-041-0045 remain in effect with the exception of Spring Creek Hatchery sanctuary.

(2) Effective 6:00 a.m. Thursday, June 16 through 11:59 p.m. Sunday, July 31, 2016, commercial sales of salmon, steelhead, walleye, shad, catfish, carp, bass and yellow perch caught in Yakama Nation tributary fisheries in the Klickitat River, Wind River, Drano Lake, Icicle Creek and Yakima River are allowed for Yakama Nation members during those days

and hours when these tributaries are open under lawfully enacted Yakama Nation fishing periods.

(a) Sturgeon between 38–54 inches in fork length harvested in tributaries within Bonneville Pool may not be sold but may be kept for subsistence purposes.

(b) Gear is restricted to subsistence fishing gear which includes hoop nets, bag nets, dip nets, and rod and reel with hook-and-line. Gillnets may only be used in Drano Lake.

Rule Caption: Columbia River Commercial Summer Chinook Drift Net Fishery Set for July 11, 2016.
Adm. Order No.: DFW 89-2016(Temp)
Filed with Sec. of State: 7-7-2016
Certified to be Effective: 7-11-16 thru 7-31-16
Notice Publication Date:
Rules Amended: 635-042-0027
Rules Suspended: 635-042-0027(T)
Subject: This amended rule authorizes an 8-hour non-Indian commercial summer Chinook drift net fishery in the mainstem Columbia River to commence on Monday, July 11 at 9:00 p.m. and run through 5:00 a.m. Tuesday, July 12, 2016 (8 hours) in all of zones 1 through 5. Modifications are consistent with action taken July 6, 2016 by the Oregon and Washington Departments of Fish and Wildlife at a meeting of the Columbia River Compact.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-042-0027
Summer Salmon Season

(1) Chinook and sockeye salmon and shad may be taken by drift net for commercial purposes from the mouth of the Columbia River upstream to Beacon Rock (Zones 1 thru 5) during the period: 9:00 p.m Monday, July 11 to 5:00 a.m. Tuesday, July 12, 2016 (8 hours).

(2) During the summer Chinook fishery:

(a) It is unlawful to use a drift net having a mesh size less than 8 inches;

(b) Mesh size for the fishery is determined as described in OAR 635-042-0010(4); and

(c) Nets not specifically authorized for use in this fishery may be onboard the vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater. Other permanent gear regulations remain in effect.

(3) Sturgeon and steelhead must be released immediately to the river with care and with the least possible injury to the fish.

(4) Closed waters, as described in OAR 635-042-0005 for Elokomin-A, Cowlitz River, Kalama-A, Lewis-A, Sandy and Washougal river sanctuaries are in effect during the open fishing periods identified.

Rule Caption: Electronic Fish Tickets Reporting Commercial Sales Required for Limited Fish Sellers.
Adm. Order No.: DFW 90-2016(Temp)
Filed with Sec. of State: 7-12-2016
Certified to be Effective: 7-29-16 thru 12-31-16
Notice Publication Date:
Rules Amended: 635-006-0210
Rules Suspended: 635-006-0210(T)
Subject: This amended rule requires, by way of electronic fish receiving tickets (e-ticket), the reporting of commercial sales of salmon, sturgeon, smelt and shad landed by "Limited" fish dealers. This rule already requires wholesale fish dealers, wholesale fish bait dealers, and food fish canners to report sales by way of e-tickets. Modifications also require Limited Fish Sellers' e-tickets be submitted within 24 hours of the closure of a fishing period or within 24 hours of the landing when fishing periods are longer than 24 hours.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-006-0210
Fish Receiving Ticket — All Fish

(1) Except as provided in OAR 635-006-0211, for each purchase of food fish or shellfish by a licensed wholesale fish dealer, wholesale fish bait dealer, food fish canner, or shellfish canner from a commercial fisher or commercial bait fisher, the dealer or canner shall prepare at the time of landing a Fish Receiving Ticket, or a separate document in lieu of a Fish Receiving Ticket provided the original dock ticket is attached to the completed dealer copy of the Fish Receiving Ticket and kept on file for inspection by the Director, the Director's authorized agent, or by the Oregon State Police. Fish Receiving Tickets shall be issued in numerical sequence.

(2) Fish Receiving Tickets shall include the following:

(a) Fish dealer's name and license number, including the buying station and location if the food fish or shellfish were received at any location other than the licensed premises of the fish dealer;

(b) Date of landing;

(c) His or her name from whom purchase is made. If not landed from a vessel, then his or her commercial license number shall be added. If received from a Columbia River treaty Indian, his or her tribal affiliation and enrollment number as shown on the official identification card issued

by the U.S. Department of Interior, Bureau of Indian Affairs, or tribal government, shall be used in lieu of an address or commercial fishing license;

(d) Boat name, boat license number, and federal document or State Marine Board number from which catch made;

(e) For groundfish harvested in the limited entry fixed gear fishery, the federal limited entry fixed gear permit number associated with the landing or portion of landing, which shall be provided by the vessel operator to the preparer of the fish ticket;

(f) Port of first landing. The port of first landing will be recorded as where a vessel initially crosses from the Pacific Ocean to inland waters, or is physically removed from the Pacific Ocean, for the purposes of ending a fishing trip;

(g) Fishing gear used by the fisher;

(h) For salmon and Dungeness crab, zone or area of primary catch;

(i) Species or species group, as determined by the Department, of food fish or shellfish received;

(j) Pounds of each species or species group, as determined by the Department, received:

(A) Pounds must be determined and reported based on condition of the fish when landed, either dressed or round. Dressed pounds may only be used for species with a conversion factor listed at OAR 635-006-0215(3)(g). Measures must be taken using a certified scale.

(B) Pounds shall include "weighbacks" by species. "Weighbacks" are those fish or shellfish with no commercial value. The following species or species groups are exempt from fish ticket requirements when considered "weighbacks":

(i) Sponges;
(ii) Sea Pens;
(iii Sea Whips;
(iv) Black Corals;
(v) Sea Fans;
(vi) Anemone;
(vii) Jellyfish;
(viii) Whelks;
(ix) Squids other than Humboldt and market;
(x) Octopus other than Pacific giant octopus;
(xi) Mysids;
(xii) Shrimps other than pink shrimp, coonstripe prawns, and spot prawns;
(xiii) Crabs other than Dungeness, tanner, box, Oregon hair, and red rock crabs;
(xiv) Sea Stars including Brittle Stars;
(xv) Urchins;
(xvi) Sand dollars;
(xvii) Sea cucumbers;
(xviii) Eels other than hagfish;
(xix) Blacksmelts;
(xx) Spookfish;
(xxi) Stomiformes including Viperfish and Blackdragons;
(xxii) Slickheads;
(xxiii) Flatnoses;
(xxiv) Lancetfishes;
(xxv) Barricudinas;
(xxvi) Myctophids;
(xxvii) Tomcod;
(xxviii) Eelpouts including Bigfin, Two line, Black, and Snakehead;
(xxix) Dreamers;
(xxx) Anglerfish;
(xxxi) King of the Salmon;
(xxxii) Melamphids;
(xxxiii) Whalefish;
(xxxiv) Oxeye oreo;
(xxxv) Sculpins other than cabezon, buffalo sculpin, red Irish lord, and brown Irish lord;
(xxxvi) Poachers;
(xxxvii) Snailfish;
(xxxviii) Pricklebacks;
(xxxix) Gunnels;
(xl) Scabbardfish;
(xli) Lancetfish;
(xlii) Ragfish;
(xliii) Slender sole;
(xliv) Deepsea sole;
(xlv) Rays including Pacific and electric Rays and Devilfish;
(xlvi) Wolffishes including wolf eels.

(k) For Columbia River sturgeon the exact number of fish received and the actual round weight of that number of fish;

(l) Price paid per pound for each species received;

(m) Signature of the individual preparing the Fish Receiving Ticket;

(n) Signature of the vessel operator making the landing;

(o) Species name, pounds and value of fish retained by fisher for take home use.

(3) Except as provided in OAR 635-006-0212 and OAR 635-006-0213, the original of each Fish Receiving Ticket covering food fish and shellfish received shall be forwarded within five working days of the date of landing to the Oregon Department of Fish and Wildlife, 4034 Fairview Industrial Drive SE, Salem, OR 97302 or through the Pacific States Marine Fisheries Commission West Coast E-Ticket system or as required by Title 50 of the Code of Federal Regulations, part 660 Subpart C. All fish dealer amendments must be conducted in the same system in which the ticket was initially submitted.

(4) For Columbia River non-treaty mainstem and Select Area commercial fisheries downstream of Bonneville Dam, each licensed wholesale fish dealer, wholesale fish bait dealer, limited fish seller, and food fish canner must submit fish receiving tickets electronically through the Pacific States Marine Fisheries Commission (PSMFC) West Coast E-Ticket System for all salmon, sturgeon, smelt and shad landed. Electronic fish tickets (e-tickets) must be submitted within 24 hours of closure of the fishing period, or within 24 hours of landing for fishing periods lasting longer than 24 hours. All fish dealer amendments to electronic fish tickets must be conducted in the same system in which the tickets were initially submitted.

(5) Wholesale fish bait dealers landing small quantities of food fish or shellfish may request authorization to combine multiple landings on one Fish Receiving Ticket and to deviate from the time in which Fish Receiving Tickets are due to the Department. Such request shall be in writing, and written authorization from the Department shall be received by the wholesale fish bait dealer before any such deviations may occur.

Rule Caption: In-season Modification to Ocean Recreational Groundfish Depth Restriction.
Adm. Order No.: DFW 91-2016(Temp)
Filed with Sec. of State: 7-12-2016
Certified to be Effective: 7-14-16 thru 12-31-16
Notice Publication Date:
Rules Amended: 635-039-0090
Rules Suspended: 635-039-0090(T)
Subject: This amended rule changes the season closure regulations for rockfish from outside the 30-fathom regulatory curve to outside the 20-fathom curve; and closes the ocean to retention of groundfish outside the 20-fathom curve (as defined by coordinates) from 11:59 p.m. July 14 through December 31, 2016. This action is intended to reduce bycatch mortality of yelloweye rockfish, as the fishery is projected to exceed the allocation within current depth restrictions. These modifications replaced the depth restrictions and closure dates on page 77 of the 2016 Oregon Sport Fishing Regulations shown under the "season" column for: "Rockfish, Greenling, Pacific Cod, Cabezon, Skates, Spiny Dogfish, Leopard Shark, Soupfin Shark, Topsmelt, Jacksmelt, and other marine species not listed here on page 77."

635-039-0090
Inclusions and Modifications

(1) The **2016 Oregon Sport Fishing Regulations** provide requirements for sport fisheries for marine fish, shellfish, and marine invertebrates in the Pacific Ocean, coastal bays, and beaches, commonly referred to as

the Marine Zone. However, additional regulations may be adopted in this rule division from time to time and to the extent of any inconsistency, they supersede the **2016 Oregon Sport Fishing Regulations**.

(2) For the purposes of this rule, a "sport harvest guideline" is defined as a specified numerical harvest objective that is not a quota. Attainment of a harvest guideline does not automatically close a fishery. Upon attainment of a sport harvest guideline, the Department shall initiate consultation to determine if additional regulatory actions are necessary to achieve management objectives.

(a) The following sport harvest guidelines include the combined landings and other fishery related mortality by the Oregon sport fishery in a single calendar year:

(A) Black rockfish, 440.8 metric tons.

(B) Cabezon, 16.8 metric tons.

(C) Blue rockfish, deacon rockfish, and other nearshore rockfish combined, 26 metric tons.

(b) The following sport harvest guidelines include total landings in the Oregon sport ocean boat fishery in a single calendar year: Greenling, 5.2 metric tons.

(3) For the purposes of this rule, "Other nearshore rockfish" means the following rockfish species: black and yellow (Sebastes chrysolmelas); brown (S. auriculatus); calico (S. dalli); China (S. nebulosus); copper (S. caurinus); gopher (S. carnatus); grass (S. rastrelliger); kelp (S. atrovirens); olive (S. serranoides); quillback (S. maliger); and treefish (S. serriceps).

(4) In addition to the regulations for Marine Fish in the 2016 Oregon Sport Fishing Regulations, the following apply for the sport fishery in the Marine Zone:

(a) Lingcod (including green colored lingcod): 2 fish daily bag limit.

(b) All rockfish ("sea bass" "snapper"), greenling ("sea trout"), cabezon, skates, and other marine fish species not listed in the 2016 Oregon Sport Fishing Regulations in the Marine Zone, located under the category of Species Name, Marine Fish: 7 fish daily bag limit in aggregate (total sum or number), of which no more than three may be blue rockfish or deacon rockfish in aggregate, no more than one may be a canary rockfish, and no more than one may be a cabezon. Retention of the following species is prohibited:

(A) Yelloweye rockfish;

(B) China rockfish;

(C) Copper rockfish;

(D) Quillback rockfish; and

(E) Cabezon from January 1 through June 30.

(c) Flatfish (flounder, sole, sanddabs, turbot, and all halibut species except Pacific halibut): 25 fish daily bag limit in aggregate (total sum or number).

(d) Retention of all marine fish listed under the category of Species Name, Marine Fish, except Pacific cod, sablefish, flatfish, herring, anchovy, smelt, sardine, striped bass, hybrid bass, and offshore pelagic species (excluding leopard shark and soupfin shark), is prohibited when Pacific halibut is retained on the vessel during open days for the all-depth sport fishery for Pacific halibut. Persons must also consult all publications referenced in OAR 635-039-0080 to determine all rules applicable to the taking of Pacific halibut.

(e) Harvest methods and other specifications for marine fish in subsections (4)(a), (4)(b) and (4)(c) including the following:

(A) Minimum length for lingcod, 22 inches.

(B) Minimum length for cabezon, 16 inches.

(C) Minimum length for greenling, 10 inches.

(D) May be taken by angling, hand, bow and arrow, spear, gaff hook, snag hook and herring jigs.

(E) Mutilating the fish so the size or species cannot be determined prior to landing or transporting mutilated fish across state waters is prohibited.

(f) Sport fisheries for species in subsections (4)(a), (4)(b) and (4)(c) and including leopard shark and soupfin shark are open January 1 through December 31, twenty-four hours per day, except as provided in subsections 4(b) and (4)(d). Ocean waters are closed for these species during April 1 through July 14, outside of the 30-fathom curve (defined by latitude and longitude) as shown on Title 50 Code of Federal Regulations Part 660 Section 71, except as provided in subsection 4(d). Ocean waters are closed for these species from July 14 at 11:59 p.m. through December 31, outside of the 20-fathom curve (defined by latitude and longitude) as shown on Title 50 Code of Federal Regulations Part 660 Section 71, except as provided in subsection 4(d). A 20-fathom, 25-fathom, or 30-fathom curve, as shown on Title 50 Code of Federal Regulations Part 660 Section 71 may be implemented as the management line as in-season modifications necessitate. In addition, the following management lines may be used to set area specific regulations for inseason action only:

(A) Cape Lookout (45°20'30" N latitude); and

(B) Cape Blanco (42°50'20" N latitude).

(g) The Stonewall Bank Yelloweye Rockfish Conservation Area (YRCA) is defined by coordinates specified in Title 50 Code of Federal Regulations Part 660 Section 70 (October 1, 2015 ed.). Within the YRCA, it is unlawful to fish for, take, or retain species listed in subsections (4)(a), (4)(b) and (4)(c) of this rule, leopard shark, soupfin shark, and Pacific halibut using recreational fishing gear. A vessel engaged in recreational fishing within the YRCA is prohibited from possessing any species listed in subsections (4)(a), (4)(b) and (4)(c) of this rule, leopard shark, soupfin shark, and Pacific halibut. Recreational fishing vessels in possession of species listed in subsections (4)(a), (4)(b) and (4)(c) and including leopard shark, soupfin shark, and Pacific halibut may transit the YRCA without fishing gear in the water.

(5) Edible Shrimp:

(a) Daily limit is 20 lbs in the shell;

(b) May be taken by traps, pots, or rings.

(6) Razor Clams:

(a) May be taken by hand, shovel, clam gun, or tube with an opening no less than 4 inches in diameter (cylindrical) or 4 inches by 3 inches (elliptical);

(b) All razor clams must be retained regardless of size or condition;

(c) Each digger must have their own container, dig their own clams, and may not possess more than one limit of clams while in the clam digging area except under the allowances of an Oregon Disabilities Hunting and Fishing Permit.

(7) Whale Cove Habitat Refuge: No take of fish, shellfish and marine invertebrates in all areas in Whale Cove below the extreme high tide east of a line drawn across the mouth of the cove, as defined by points at:

(a) 44°47.237'N., 124°04.298'W; and

(b) 44°47.367'N., 124°04.320'W.

NOTE: Table 1, as referenced, is available from the Department.

Rule Caption: Commercial Salmon and Shad Fishing Periods Authorized for Columbia River Select Areas.
Adm. Order No.: DFW 92-2016(Temp)
Filed with Sec. of State: 7-13-2016
Certified to be Effective: 7-14-16 thru 7-31-16
Notice Publication Date:
Rules Amended: 635-042-0160, 635-042-0170
Rules Suspended: 635-042-0160(T), 635-042-0170(T)
Subject: This amended rule adds two new 12-hour commercial salmon fishing periods to both the Blind and Knappa sloughs and the Tongue Point/South Channel Select Area fisheries on the Columbia River. Modifications are consistent with action taken July 13, 2016 by the Oregon and Washington Departments of Fish and Wildlife at a meeting of the Columbia River Compact.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-042-0160
Blind Slough and Knappa Slough Select Area Salmon Season

(1) Salmon and shad may be taken for commercial purposes during open 2016 fishing periods described as the winter fishery and the spring fishery in subsections (1)(a)(A) and (1)(a)(B) respectively, of this rule in those waters of Blind Slough and Knappa Slough. Retention and sale of white sturgeon is prohibited. Retention and sales of non-adipose finclipped Chinook salmon from the Blind Slough Select area is prohibited from 12:00 noon through midnite on March 29, 2016. The following restrictions apply:

(a) The open fishing periods are established in segments categorized as the winter fishery in Blind Slough and Knappa Slough in subsection (1)(a)(A), the winter fishery in Blind Slough only in subsection (1)(a)(B), and the spring fishery in Blind Slough and Knappa Slough in subsection (1)(a)(C). The seasons are open nightly from 7:00 p.m. to 7:00 a.m. the following morning (12 hours), as follows:

(A) Blind Slough and Knappa Slough:
Monday, Wednesday and Thursday nights beginning Monday, February 8 through Friday, March 11 (15 nights);

Monday, March 14 (1 night); and Thursday, March 17 (1 night).

(B) Blind Slough Only: Monday and Thursday nights beginning Monday, March 21 through Tuesday, March 29 (3 nights).

(C) Blind Slough and Knappa Slough from 7:00 p.m. Thursday, July 14, 2016 to 7:00 a.m. the following morning (12 hours); and 7:00 p.m. Monday, July 18, 2016 to 7:00 a.m. the following morning (12 hours).

(b) The fishing areas for the winter and spring seasons are:

(A) Blind Slough are those waters from markers at the mouth of Blind Slough upstream to markers at the mouth of Gnat Creek which is located approximately 1/2 mile upstream of the county road bridge.

(B) Knappa Slough are all waters bounded by a line from the northerly most marker at the mouth of Blind Slough westerly to a marker on Karlson Island downstream to a north-south line defined by a marker on the eastern end of Minaker Island to markers on Karlson Island and the Oregon shore.

(C) During the period from May 2 through July 19, 2016, the Knappa Slough fishing area extends downstream to the boundary lines defined by markers on the west end of Minaker Island to markers on Karlson Island and the Oregon shore.

(c) Gear restrictions are as follows:

(A) During the winter and spring fisheries, outlined above in subsections (1)(a)(A), (1)(a)(B), and (1)(a)(C), gill nets may not exceed 100 fathoms in length with no weight limit on the lead line. The attachment of additional weight and/or anchors directly to the lead line is permitted.

(B) It is unlawful to use a gill net having a mesh size that is less than 7-inches during the winter fishery or greater than 9.75-inches during the spring fishery.

(C) Nets not specifically authorized for use in these areas may be onboard a vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater.

(2) Oregon licenses are required in the open waters upstream from the railroad bridge.

635-042-0170
Tongue Point Basin and South Channel

(1) Tongue Point includes all waters bounded by a line extended from the upstream (southern most) pier (#1) at the Tongue Point Job Corps facility through navigation marker #6 to Mott Island, a line from a marker at the southeast end of Mott Island northeasterly to a marker on the northwest tip of Lois Island, and a line from a marker on the southwest end of Lois Island westerly to a marker on the Oregon shore.

(2) South Channel area includes all waters bounded by a line from a marker on John Day Point to a marker on the southwest end of Lois Island upstream to an upper boundary line from a marker on Settler Point northwesterly to the flashing red USCG marker #10, northwesterly to a marker on the eastern tip of Burnside Island defining the upstream terminus of South Channel.

(3) Salmon and shad may be taken for commercial purposes in those waters of Tongue Point and South Channel as described in section (1) and section (2) of this rule. Retention and sale of white sturgeon is prohibited. The 2016 open fishing periods are:

(a) Winter Season:
Monday and Thursday nights from 7:00 p.m. to 7:00 a.m. the following morning (12

hours) beginning Monday, February 8 through Friday, March 11 (10 nights).

(b) Spring Season:

From 7:00 p.m. Thursday, July 14, 2016 to 7:00 a.m. the following morning (12 hours); and

From 7:00 p.m. Monday, July 118, 2016 to 7:00 a.m. the following morning (12 hours).

(4) Gear restrictions are as follows:

(a) In waters described in section (1) as Tongue Point basin, gill nets may not exceed 250 fathoms in length and weight limit on the lead line is not to exceed two pounds on any one fathom. It is unlawful to use a gill net having a mesh size that is less than 7 inches during the winter season or more than 9.75-inches during the spring season.

(b) In waters described in section (2) as South Channel, nets are restricted to 250 fathoms in length with no weight restrictions on the lead line. The attachment of additional weight and/or anchors directly to the lead line is permitted. It is unlawful to use a gill net having a mesh size that is less than 7 inches during the winter season or more than 9.75 inches during the spring season.

(c) Nets not specifically authorized for use in these areas may be onboard a vessel if properly stored. A properly stored net is defined as a net on a drum that is fully covered by a tarp (canvas or plastic) and bound with a minimum of ten revolutions of rope with a diameter of 3/8 (0.375) inches or greater.

Rule Caption: Treaty Indian Commercial Summer Salmon Fishery Extended.
Adm. Order No.: DFW 93-2016(Temp)
Filed with Sec. of State: 7-14-2016
Certified to be Effective: 7-18-16 thru 7-31-16
Notice Publication Date:
Rules Amended: 635-041-0076
Rules Suspended: 635-041-0076(T)
Subject: This amended rule authorizes two new 4.5 day fishing periods to the ongoing Treaty Indian commercial salmon gill net fishery in the Columbia River above Bonneville Dam. The first new fishing period begins at 6:00 a.m. Monday, July 18 and runs through 6:00 p.m. Friday, July 22, 2016. The second period begins at 6:00 a.m. Monday, July 25 and runs through 6:00 p.m. Friday, July 29, 2016). Modifications are consistent with action taken July 13, 2016 by the Departments of Fish and Wildlife for the States of Oregon and Washington, in cooperation with the Columbia River Treaty Tribes, at a meeting of the Columbia River Compact.
Rules Coordinator: Michelle Tate—(503) 947-6044

635-041-0076
Summer Salmon Season

(1) Salmon, steelhead, shad, walleye, catfish, bass, yellow perch, and carp may be taken for commercial purposes from Zone 6, in the Columbia River Treaty Indian fishery, from 6:00 a.m. Thursday, June 16 through 11:59 p.m. Sunday, July 31, 2016. Fish caught during any open period may be sold after the period concludes.

(a) White sturgeon between 38–54 inches in fork length caught in the Bonneville Pool and between 43–54 inches in fork length caught in The Dalles Pool and John Day pools may not be sold but may be retained for subsistence use.

(b) Gear is restricted to subsistence fishing gear which includes hoopnets, dipnets, and rod and reel with hook-and-line, with the following exceptions:

(A) Fish may be taken by gill nets with no mesh size restrictions during the following periods: from 6:00 a.m. Monday, July 18 through 6:00 p.m. Friday, July 22 (4.5 days); and

(B) Fish may be taken by gill nets with no mesh size restrictions during the following periods: from 6:00 a.m. Monday, July 25 through 6:00 p.m. Friday, July 29 (4.5 days).

(c) Closed areas as set forth in OAR 635-041-0045 remain in effect with the exception of Spring Creek Hatchery sanctuary.

(2) Effective 6:00 a.m. Thursday, June 16 through 11:59 p.m. Sunday, July 31, 2016, commercial sales of salmon, steelhead, walleye, shad, catfish, carp, bass and yellow perch caught in Yakama Nation tributary fisheries in the Klickitat River, Wind River, Drano Lake, Icicle Creek and Yakima River are allowed for Yakama Nation members during those days and hours when these tributaries are open under lawfully enacted Yakama Nation fishing periods.

(a) Sturgeon between 38–54 inches in fork length harvested in tributaries within Bonneville Pool may not be sold but may be kept for subsistence purposes.

(b) Gear is restricted to subsistence fishing gear which includes hoop nets, bag nets, dip nets, and rod and reel with hook-and-line. Gillnets may only be used in Drano Lake.

Department of Geology and Mineral Industries
Chapter 632

Rule Caption: Amend rule language that addresses ORS 517 revisions
Adm. Order No.: DGMI 2-2016
Filed with Sec. of State: 6-27-2016
Certified to be Effective: 6-27-16
Notice Publication Date: 4-1-2016
Rules Amended: 632-030-0016, 632-030-0022
Rules Repealed: 632-030-0016(T), 632-030-0022(T)
Subject: Establishes requirements for an Exclusion Certificate, including an $80 application fee, for a person that engages in surface mining activities at levels below thresholds for applicability of operating permit and reclamation requirements. An Exclusion Certificate application for an aggregate mining operation must be received no later than September 30, 2016, or within 90 days after excavation commences, whichever is later. An Exclusion Certificate application for a nonaggregate mineral mining operation must be received no later than July 31, 2017, or within 90 days after excavation commences, whichever is later. All EC annual renewal fees are set at $150 by statute (ORS 517.753).
Rules Coordinator: Robert Houston—(541) 619-4653

632-030-0016
Exclusion Certificates

(1) Pursuant to ORS 517.753, an exclusion certificate is required for a surface mining operation that falls under the yard and acre thresholds for which an operating permit is required. A person seeking an exclusion certificate must file an application as provided in section (2) of this rule and the application must be accompanied by the nonrefundable fee required under OAR 632-030-0022. The application must be filed in accordance with the schedule established in section (3) of this rule.

(a) When a mining operation that is subject to an exclusion certificate loses its eligibility and is required to obtain an operating permit, all areas and operations at the site are subject to the Act and the rules adopted thereunder. When multiple mining areas are located within one parcel or contiguous parcels, the yards produced and disturbed acreage will be calculated based on the total of all sites within the parcel or contiguous parcels.

(b) Excavation or other land disturbance operations reasonably necessary for farming include only the term "farming" as used in ORS 517.750(15)(b)(B) and means "farm use" as defined in ORS 215.203 but does not include other uses permitted in exclusive farm-use zones under ORS 215.213 or 215.283. Farm excavation or other land disturbance operations are reasonably necessary only if it substantially contributes to the profitability of the farm use and other alternatives to accomplish the same objective are significantly more expensive or otherwise impractical. Farming does not include excavation for ponds intended for recreational or aesthetics purposes or for fish or wildlife habitat.

(2) An application for an exclusion certificate must be made on the form approved by the Department. The application must include the following information:

(a) The name of the operator;

(b) Location of the excavation;

(c) The ownership of the property; if the operator is not the landowner, the operator will provide written proof of land owner's permission to mine the site on the landowner's property;

(d) Size of the site;

(e) Date of commencement of the excavation;

(f) A summary of the previous 36 months' activities and an estimate of the activity for the succeeding 36 months;

(g) An explanation of why the activity is exempt; and

(h) Any other information that the Department determines to be useful to determine whether an operation is properly excluded from permitting and reclamation requirements.

(3) Applications for nonaggregate mineral surface mining operations (including placer mines) must be filed no later than July 31, 2017, or within 90 days after excavation commences, whichever is later.

(4) Applications for sand, gravel, aggregate, or crushed stone mining operations must be received no later than September 30, 2016, or within 90 days after excavation commences, whichever is later.

(5) The Department will review an application upon receipt and notify the applicant whether the application is complete. If an application is deemed incomplete it will be returned to the applicant with a description of the missing information.

(6) The holder of an exclusion certificate must file an annual report on the anniversary date of the issuance of the certificate. The annual report must be accompanied by the annual fee established in ORS 517.753 and must include the following information:

(a) Volume of minerals extracted, or mineral deposits and overburden disturbed during the previous year;

(b) Amount of additional lands affected by mining during the previous year; and

(c) Total number of acres affected by the operation.

632-030-0022
Fees

(1) The fees applicable to this rule division are pursuant to ORS 517.753 and 517.800. The application fee for an exclusion certificate is $80. Each holder of an exclusion certificate will annually pay to the department a renewal fee of $150 pursuant to ORS 517.753.

(2) Annual fees are due on the anniversary date of the issuance of the operating permit, limited exemption certificate, or exclusion certificate unless a different renewal date is established by the Department. The Department will provide the permittee or certificate holder with 60 days advance notice before establishing a new renewal date. The Department will prorate annual fees at the permittee's or certificate holder's request if a new renewal date is established.

(3) A permittee or certificate holder must renew their permit or certificate annually, on or before the last day of the month shown on the permit or certificate as the renewal month. Operators that hold both a limited exemption certificate and an operating permit on the same property, or contiguous properties that are operated as a single mining activity, will pay a single annual renewal fee pursuant to ORS 517.800, based upon the total reported production from all sites within the parcel or contiguous parcels. The non refundable annual fee must be paid and the annual report form returned prior to renewal. A permittee or certificate holder must pay all delinquent fees and accrued interest owed to this Department prior to renewal, transfer, or amendment of the permit or certificate.

(4) The Department will impose a late fee equal to five percent of the amount of any annual fee that is more than 60 days past due.

(5) The fees established by this rule also apply to emergency permits issued pursuant to ORS 517. 832 and temporary operating permits issued under ORS 517.834.

(6) The Department may waive the fee for a minor amendment in those situations where significant administrative resources are not needed to process the amendment.

Department of Human Services,
Administrative Services Division and Director's Office
Chapter 407

Rule Caption: Implement SB 1515 Background Check Changes and Correct CMS Requirements in Provider Rules
Adm. Order No.: DHSD 6-2016(Temp)
Filed with Sec. of State: 7-1-2016
Certified to be Effective: 7-1-16 thru 12-27-16
Notice Publication Date:
Rules Amended: 407-007-0210, 407-007-0250, 407-007-0279, 407-007-0290, 407-007-0320
Subject: Oregon Laws 2016, chapter 106, section 6 (2016 SB1515) becomes effective 7/1/2016. It added requirements regarding proctor foster parent applying for certification or recertification through a child-caring agency. These requirements have been added to the rules, and include:

The addition of disclosure language needed in the background check request to allow the Department to release information to the child-caring agency.

The requirement that the proctor foster parent disclose all substantiated or founded abuse, and all protective orders or restraining orders against the proctor foster parent.

The addition of serious adult neglect, protective orders or restraining orders against the proctor foster parent, and financial abuse about these as potentially disqualifying.

The addition of false statement about abuse or protective orders/restraining orders by the proctor foster parent as a reason to close background check request.

OAR 407-007-0279 is being updated to follow CMS guidelines that the mandatory exclusion from holding a position due to certain convictions or conditions is only for 5 years; the previous rule language had an error that needed correcting immediately to match current requirements.

Proposed rules are available on the Department of Human Services website: http://www.oregon.gov/DHS/POLICIES/Pages/ss-admin-rules.aspx. For hardcopy requests, call: (503) 947-5250.
Rules Coordinator: Jennifer Bittel—(503) 947-5250

407-007-0210
Definitions

In addition to the definitions in OAR 125-007-0210 and 407-007-0010, the following definitions apply to OAR 407-007-0200 to 407-007-0370:

(1) "Appointing authority" means an individual designated by the qualified entity (QE) who is responsible for appointing QE designees (QEDs). Examples include but are not limited to human resources staff with the authority to offer and terminate employment, a business owner, a member of the board of directors, a director, or a program administrator.

(2) "Child-caring agency proctor foster parent" means an individual who is an applicant for certification or recertification of a proctor foster home by a child-caring agency pursuant to OAR 413-215-0301 to 413-215-0396.

(3) "Ineligible due to ORS 443.004" means BCU has determined that an SI, subject to ORS 443.004 and either OAR 407-007-0275 or 407-007-0277, has one or more convictions that prohibit the SI from holding the position listed in the background check request.

(4) "Mandatory exclusion" means BCU has determined that an SI, subject to federal law or regulation, has one or more convictions or conditions that prohibit the SI from holding the position listed in the background check request.

(5) "Qualified entity (QE)" means a community mental health or developmental disability program, local health department, or an individual, business, or organization, whether public, private, for-profit, nonprofit, or voluntary, that provides care, including a business or organization that licenses, certifies, or registers others to provide care (see ORS 181A.200).

(6) "QE designee (QED)" means an individual appointed by the QE's appointing authority to handle background checks on behalf of the QE.

(7) "QE Initiator (QEI)" means an approved SI who BCU has granted access to the Criminal Information Management System (CRIMS) for one QE for the purpose of entering background check request data.

(8) "Subject individual (SI)" means an individual on whom BCU conducts a criminal records check and an abuse check, and from whom BCU may require fingerprints for the purpose of conducting a national criminal records check.

(a) An SI includes any of the following:

(A) An individual who is licensed, certified, registered, or otherwise regulated or authorized for payment by the Department or Authority and who provides care.

(B) An employee, contractor, temporary worker, or volunteer who provides care or has access to clients, client information, or client funds within or on behalf of any entity or agency licensed, certified, registered, or otherwise regulated by the Department or Authority.

(C) Any individual who is paid directly or indirectly with public funds who has or will have contact with recipients of:

(i) Services within an adult foster home (defined in ORS 443.705); or

(ii) Services within a residential facility (defined in ORS 443.400).

(D) Any individual who works in a facility and provides care or has access to clients, client information, or client funds secured by any residential care or assisted living facility through the services of a personnel services or staffing agency.

(E) Any individual who works in a facility and provides care, or has access to clients, client information, or client funds secured by any nursing facility through the services of a personnel services or staffing agency.

(F) Except as excluded in section (8)(b)(C) and (D) of this rule, an individual who lives in a facility that is licensed, certified, registered, or otherwise regulated by the Department to provide care. The position of this SI includes but is not limited to resident manager, household member, or boarder.

(G) For any child foster home, proctor foster home or child adoptive home certified by a child-caring agency governed by OAR chapter 413 division 215:

(i) A child-caring agency proctor foster parent;

(ii) An adoptive parent applicant or an approved adoptive parent;

(ii) An employee, contractor, or volunteer;

(iii) An adult household member in an adoptive or child foster home 18 years of age and over; and

(iv) A household member in an adoptive or child foster home under 18 years of age if there is reason to believe that the household member may pose a risk to children placed in the home.

(H) An individual with contact with clients, client information, or client funds, who is working, contracted with, or volunteering for a child-caring agency or residential program for children governed by OAR chapter 413 division 215; an In-Home Safety and Reunification Services (ISRS) program, a Strengthening, Preserving and Reunifying Families (SPRF) provider, or system of care contractor providing child welfare services pursuant to ORS Chapter 418.

(I) A homecare worker as defined in ORS 410.600, a personal support worker as defined in ORS 410.600, a personal care services provider, or an independent provider employed by a Department or Authority client who provides care to the client if the Department or Authority helps pay for the services.

(J) A child care provider and their employees reimbursed through the Department's child care program and other individuals in child care facilities that are exempt from certification or registration by the Office of Child Care of the Oregon Department of Education. This includes all individuals listed in OAR 461-165-0180.

(K) An appointing authority, QED, or QEI associated with any entity or agency licensed, certified, registered, otherwise regulated by the Department, or subject to these rules.

(L) An individual providing on the job certified nursing assistant classes to staff within a long term care facility.

(M) A student enrolled in a Board of Nursing approved nursing assistant training program in which the instruction and training occurs solely in a nursing facility.

(N) Except for those excluded under section (8)(b)(B), a student or intern who provides care or has access to clients, client information, or client funds within or on behalf of a QE.

(O) Any individual serving as an owner, operator, or manager of a room and board facility pursuant to OAR chapter 411, division 68.

(P) An employee providing care to clients of the Department's Aging and People with Disabilities (APD) programs who works for an in-home care agency as defined by ORS 443.305 which has a contract with the Department's APD programs.

(Q) Any individual who is required to complete a background check pursuant to Department or Authority program rules or a contract with the

Department or Authority, if the requirement is within the Department or Authority's statutory authority. Specific statutory authority or reference to these rules and the positions under the contract subject to a background check must be specified in the contract. The exceptions in section (8)(b) do not apply to these SIs.

(b) An SI does not include:

(A) Any individual under 16 years of age.

(B) A student or intern in a clinical placement at a clinical training setting subject to administrative rules implemented under ORS 413.435.

(C) Department, Authority, or QE clients. The only circumstance in which BCU shall allow a check to be performed on a client pursuant to this paragraph is if the client falls within the definition of "subject individual" as listed in sections (8)(a)(A)–(F) and (8)(a)(G)–(Q) of this rule, or if the facility is dually licensed for different populations of vulnerable individuals.

(D) Individuals working in child care facilities certified or registered by OED.

(E) Individuals employed by a private business that provides services to clients and the general public and is not regulated by the Department or Authority.

(F) Individuals employed by a business that provides appliance or structural repair for clients and the general public and who are temporarily providing these services in a licensed or certified QE. The QE shall ensure active supervision of these individuals while on QE property and the QE may not allow unsupervised contact with QE clients or residents. This exclusion does not apply to a business that receives funds from the Department or Authority for care provided by an employee of the business.

(G) Individuals employed by a private business in which a client of the Department or Authority is working as part of a Department- or Authority-sponsored employment service program. This exclusion does not apply to an employee of a business that receives funds from the Department or Authority for care provided by the employee.

(H) Employees, contractors, students, interns, and volunteers working in hospitals, ambulatory surgical centers, outpatient renal dialysis facilities, and freestanding birthing centers, as defined in ORS 442.015, and special inpatient care facilities as defined by the Authority in administrative rule.

(I) Volunteers, who are not under the direction and control of a licensed, certified, registered, or otherwise regulated QE.

(J) Individuals employed or volunteering in a Medicare-certified health care business which is not subject to licensure or certification by the State of Oregon.

(K) Individuals working in restaurants or at public swimming pools.

(L) Hemodialysis technicians.

(M) Employees, contractors, temporary workers, or volunteers who provide care, or have access to clients, client information, or client funds of an alcohol and drug program that is certified, licensed, or approved by the Authority's Health Systems Division to provide prevention, evaluation, or treatment services. This exclusion does not apply to programs specifically required by other Authority program rules to conduct criminal records checks in accordance with these rules.

(N) Individuals working for a transit service provider which conducts background checks pursuant to ORS 267.237.

(O) Emergency medical technicians and first responders certified by the Authority's Emergency Medical Services and Trauma Systems program.

(P) Employees, contractors, temporary workers, or volunteers of continuing care retirement communities registered under OAR chapter 411, division 67.

(Q) Individuals hired by or on behalf of a resident in a QE to provide care privately to the resident.

(R) An employee, contractor, temporary worker, or volunteer who provides care or has access to clients, client information, or client funds within or on behalf of any entity or agency licensed, certified, registered, or otherwise regulated by the Department or Authority, where the clients served permanently reside in another state.

407-007-0250
Background Check Process

(1) A QE and SI shall use CRIMS to request a background check. In addition to information required in OAR 125-007-0220, the background check request shall include the following information regarding an SI:

(a) Worksite location or locations where the SI will be working;

(b) Disclosure of all criminal history;

(A) The SI must disclose all arrests, charges, and convictions regardless of outcome or when the arrests, charges, or convictions occurred. Disclosure includes any juvenile record of arrests, charges, or the outcome of arrests or charges against a juvenile.

(B) The disclosed crimes and the dates must reasonably match the SI's criminal offender information and other criminal records information, as determined by BCU.

(c) Disclosure of other information to be considered in the event of a weighing test.

(A) The SI may provide mitigating information for BCU to review in a weighing test.

(B) BCU may require the SI to provide other information as needed to conduct the weighing test.

(d) For an SI who is child-caring agency proctor foster parent:

(A) The SI must provide a release of information allowing the Department to provide the QE with information regarding the open or pending abuse investigations or substantiated allegations of abuse or neglect against the SI.

(B) The SI must also disclose:

(i) Any currently open or pending child or adult protective services abuse or neglect investigations;

(ii) Any substantiations of child or adult abuse or neglect investigations; and

(iii) Any restraining order or protective order against the SI.

(C) If the SI has any of the following, the Department shall provide the QE notification:

(i) Information regarding the open or pending abuse investigations in which the SI is a reported or alleged perpetrator.

(ii) Information regarding substantiated allegations of abuse or neglect against the SI.

(iii) Confirmation of the SI being certified or licensed by the Department Child Welfare programs as a child foster home provider.

(2) The background check request shall include the following notices to the SI:

(a) A notice regarding disclosure of Social Security number indicating that:

(A) The SI's disclosure is voluntary; and

(B) The Department requests the Social Security number solely for the purpose of positively identifying the SI during the criminal records check process.

(b) A notice that the SI may be subject to fingerprinting as part of a criminal records check.

(c) A notice that BCU shall conduct an abuse check on the SI. Unless required by program rule, an SI is not required to disclose any history of potentially disqualifying abuse, but may provide BCU with mitigating or other information.

(3) Using identifying information submitted in a background check request, BCU shall conduct an abuse check to determine if the subject individual has potentially disqualifying abuse.

(4) BCU shall conduct an Oregon criminal records check. Using information submitted on the background check request, BCU may obtain criminal offender information from LEDS and may request other criminal records information as needed.

(5) BCU shall handle criminal offender information in accordance with applicable OSP requirements in ORS chapter 181 and the rules adopted pursuant thereto (see OAR chapter 125, division 007 and chapter 257, division 15).

(6) BCU may conduct a fingerprint-based national criminal records check.

(a) A fingerprint-based national criminal records check may be completed under any of the following circumstances:

(A) The SI has been outside Oregon:

(i) For 60 or more consecutive days during the previous 18 months and the SI is a child care provider or other individual included in OAR 461-165-0180.

(ii) For 60 or more consecutive days during the previous five years for all other SIs.

(B) The LEDS check, SI disclosures, or any other criminal records information obtained by BCU indicate there may be criminal records outside of Oregon.

(C) The SI has an out-of-state driver license or out-of-state identification card.

(D) BCU or the QE has reason to question the identity of the SI or the information on the criminal record found in LEDS.

(E) A fingerprint-based criminal records check is required by federal or state laws or regulations, other Department or Authority rules, or by contract with the Department or Authority.

(F) The SI is an employee of an agency which the Centers for Medicare and Medicaid Services has designated high risk pursuant to 42 CFR 424.518.

(G) Any SI applying to be or renewing the position with regard to child adoption or children in foster care licensed by the Department or child-caring agencies. Renewing SIs do not need a fingerprint-based criminal records check if BCU has a record of a previous fingerprint-based criminal records checks that is within BCU's retention schedule. Applicable SI positions include:

(i) A relative caregiver, foster parent, or adoptive parent in Oregon;

(ii) An adult household member in an adoptive or child foster home 18 years of age and over;

(iii) A household member in an adoptive or child foster home under 18 years of age if there is reason to believe that the household member may pose a risk to children placed in the home; or

(iv) A respite care provider in an adoptive or child foster home.

(H) BCU has reason to believe that fingerprints are needed to make a final fitness determination.

(b) BCU shall request a fingerprint capture for an SI under the age of 18 in accordance with OAR 125-007-0220(3).

(c) The SI shall complete and submit a fingerprint capture when requested by BCU within the time frame indicated in a written notice. BCU shall send the request to the QE and the QED shall notify the SI.

(A) BCU shall give the SI notice regarding the Social Security number as set forth in section (2)(a) of this rule.

(B) BCU may require new fingerprint capture and its submission if previous fingerprint captures results in a rejection by OSP or the FBI.

(7) BCU may also conduct a state-specific criminal records check instead of or in addition to a national criminal records check. Reasons for a state-specific criminal records check include but are not limited to:

(a) When BCU has reason to believe that out-of-state criminal records may exist and a national criminal records check cannot be accomplished.

(b) When BCU has been unable to complete a national criminal records check due to illegible fingerprints.

(c) When the national criminal records check results show incomplete information about charges or criminal records without final disposition.

(d) When there is indication of residency or criminal records in a state that does not submit all criminal records to the FBI.

(e) When, based on available information, BCU has reason to believe that a state-specific criminal records check is necessary.

(8) In order to complete a background check and fitness determination, BCU may require additional information from the SI including but not limited to additional criminal, judicial, other background information, or proof of identity.

(9) BCU may conduct a background check in situations of imminent danger.

(a) If the Department or Authority determines there is indication of criminal or abusive behavior that could more likely than not pose an immediate risk to vulnerable individuals, BCU shall conduct a new criminal records check on an SI without the completion of a new background check request.

(b) If BCU determines that a fitness determination based on the new background check would be adverse to the SI, BCU shall provide the SI, if available, the opportunity to disclose criminal records, potentially disqualifying conditions, and other information as indicated in OAR 407-007-0300 before completion of the fitness determination.

(10) All criminal records checks conducted under this rule shall be documented.

407-007-0279

Federal Mandatory Exclusions

(1) Convictions and conditions under 42 USC 1320a-7(a) result in mandatory exclusion for SIs if they occurred within five years from the date the background check request was electronically submitted to BCU through CRIMS or the date BCU conducted a criminal records check due to imminent danger. If the convictions and conditions under 42 USC 1320a-7(a) occurred after five years, the individual is subject to a fitness determination under OAR 125-007-0260 and 407-007-0320.

(a) Section (1) of this rule applies to an SI who is:

(A) Home care worker or personal support worker as defined in ORS 410.600.

(B) Is employed by:

(i) A residential facility as defined in ORS 443.400 that receives Medicare or state health care funds;

(ii) An in-home care agency as defined in ORS 443.005 that receives Medicare or state health care funds;

(iii) A home health agency as defined in ORS 443.005 that receives Medicare or state health care funds;

(b) If BCU determines that an individual is subject to this rule and has an exclusion listed in 42 USC 1320a-7, BCU shall make the determination of mandatory exclusion. Convictions or conditions requiring mandatory exclusion include:

(A) Convictions related to the delivery of Medicare or State health care program services.

(B) Convictions related to the abuse of a client or patient.

(C) Felony convictions related to health care fraud.

(D) Felony convictions related to the manufacture, delivery, prescription or dispensing of a controlled substance.

(c) Under OAR 125-007-0260, the determination of mandatory exclusion is considered an incomplete fitness determination. A fitness determination with a weighing test is not required regardless of any other potentially disqualifying convictions and conditions the SI has.

(d) A determination of mandatory exclusion is subject to appeal rights only if allowed under 42 UCS 1320a-7(c) or 42 USC 1320a-7(d). If allowed, appeals shall comply with OAR 125-007-0300, 943-007-0335 and 943-007-0501.

(2) Convictions and conditions under 42 USC 12645g result in mandatory exclusion for SIs.

(a) Section (2) of this rule applies to a SIs who working or volunteering under the National and Community Service Act of 1990 as amended by the Serve America Act, including participants and employees in:

(A) Americorps;

(B) Foster Grandparents;

(C) Senior Companions; or

(D) Any other programs funded under national service laws.

(b) If BCU determines that an individual is subject to this rule and has an exclusion listed in 42 USC 12645g, BCU shall make the determination of mandatory exclusion. Exclusions include:

(A) Listing on, or requirement to be listed on a sex offender registry;

(B) Conviction for murder.

(C) Refusal to complete the background check.

(D) False statement by the SI in connection with criminal history disclosure.

(c) Under OAR 125-007-0260(2)(d), the determination of "mandatory exclusion" is considered an incomplete fitness determination. A fitness determination with a weighing test is not required regardless of any other potentially disqualifying convictions and conditions the SI has.

(d) A determination of "mandatory exclusion" due to 42 USC 12645g is not subject to appeal rights under OAR 125-007-0300, 407-007-0330, 407-007-0335, 943-007-0335, or 943-007-0501.

407-007-0290

Other Potentially Disqualifying Conditions

Pursuant to OAR 125-007-0270, the following are potentially disqualifying conditions, if they exist on the date the Department receives the background check request:

(1) The SI makes a false statement to the QE or Department, including the provision of materially false information, false information regarding criminal records, or failure to disclose information regarding criminal records. Nondisclosure of violation or infraction charges may not be considered a false statement.

(2) The SI is a registered sex offender in any jurisdiction. There is a rebuttable presumption that an SI is likely to engage in conduct that would pose a significant risk to vulnerable individuals if the SI has been designated a predatory sex offender in any jurisdiction under ORS 181.585 or found to be a sexually violent dangerous offender under ORS 144.635 (or similar statutes in other jurisdictions).

(3) The SI has an outstanding warrant for any crime in any jurisdiction.

(4) The SI has a deferred sentence, conditional discharge, or is participating in a diversion program for any crime in any jurisdiction.

(5) The SI is currently on probation, parole, or post-prison supervision for any crime in any jurisdiction, regardless of the original conviction date (or date of guilty or no contest plea if there is no conviction date).

(6) The SI has been found in violation of post-prison supervision, parole, or probation for any crime in any jurisdiction, regardless of the original conviction date (or date of guilty or no contest plea if there is no conviction date) within five years from the date the background check request was electronically submitted to BCU through CRIMS or the date BCU conducted a criminal records check due to imminent danger.

(7) The SI has an unresolved arrest, charge, or a pending indictment for any crime in any jurisdiction.

(8) The SI has been arrested in any jurisdiction as a fugitive from another state or a fugitive from justice, regardless of the date of arrest.

(9) The SI has an adjudication in a juvenile court in any jurisdiction, finding that the SI was responsible for a potentially disqualifying crime that would result in a conviction if committed by an adult. Subsequent adverse rulings from a juvenile court, such as probation violations, shall also be considered potentially disqualifying if within five years from the date the background check request was signed or the date BCU conducted a criminal records check due to imminent danger.

(10) The SI has a finding of "guilty except for insanity," "guilty except by reason of insanity," "not guilty by reason of insanity," "responsible except for insanity," "not responsible by reason of mental disease or defect," or similarly worded disposition in any jurisdiction regarding a potentially disqualifying crime, unless the local statutes indicate that such an outcome is considered an acquittal.

(11) The SI has potentially disqualifying abuse as determined from abuse investigation reports which have an outcome of founded, substantiated, or valid and in which the SI is determined to have been responsible for the abuse. For the following SIs, potentially disqualifying abuse includes:

(a) For SIs associated with child foster homes licensed by the Department's DD programs, child foster or adoptive homes certified through the Department's Child Welfare Division, child foster or adoptive homes governed by OAR chapter 413 division 215:

(A) Child protective services history held by the Department or OAAPI regardless of the date of initial report;

(B) Child protective services history reviewed pursuant to the federal Adam Walsh Act requirements, determined by BCU to be potentially disqualifying; and

(C) Adult protective services investigations of physical abuse, sexual abuse, or financial exploitation initiated on or after January 1, 2010, as provided to BCU by OAAPI and APD programs based on severity.

(b) For staff, volunteers, or contractors of a child-caring agency, an ISRS program, a SPRF provider, or a System of Care contractor providing child welfare services pursuant to ORS Chapter 418, potentially disqualifying abuse includes:

(A) Child protective services history held by the Department or OAAPI regardless of the date of initial report; and

(B) Adult protective services investigations of physical abuse, sexual abuse, or financial exploitation initiated on or after January 1, 2010, as provided to BCU by OAAPI and APD based on severity.

(c) For child care providers and associated subject individuals defined in OAR 407-007-0210:

(A) Child protective services history held by the Department or OAAPI regardless of the date of initial report, date of outcome, and considered potentially disqualifying pursuant to OAR 461-165-0420; and

(B) Adult protective services investigations of physical abuse, sexual abuse, or financial exploitation initiated on or after January 1, 2010, as provided to BCU by the OAAPI and APD programs based on severity.

(d) For all other SIs, potentially disqualifying abuse includes founded or substantiated adult protective services investigations of physical abuse, sexual abuse, or financial exploitation initiated on or after January 1, 2010, as provided to the BCU by OAAPI and APD programs based on severity.

(12) The SI has child protective services investigations open or pending through the Department or OAAPI as of the date the background check request was electronically submitted to BCU through CRIMS or the date BCU conducted a criminal records check due to imminent danger. This potentially disqualifying condition only applies to:

(a) SIs associated with child foster homes licensed by the Department's DD programs, child foster or adoptive homes certified through the Department's Child Welfare Division, child foster or adoptive homes governed by OAR chapter 413 division 215;

(b) Staff, volunteers or contractors of a child-caring agency, an ISRS program, a SPRF provider, or a System of Care contractor, providing child welfare services pursuant to ORS Chapter 418; or

(c) Child care providers and associated subject individuals defined in OAR 407-007-0210.

(13) For an SI who is child-caring agency proctor foster parent, the SI is the individual found responsible for substantiated adult protective services investigation of neglect initiated on or after January 1, 2010, as provided to BCU by OAAPI and APD based on severity.

(14) For an SI who is child-caring agency proctor foster parent, the SI has any restraining order or protective order against the SI.

(15) For an SI who is a child-caring agency proctor foster parent, the SI makes a false statement to the QE or Department, including the provision of materially false information, regarding abuse, restraining orders, or protective orders; , or failure to disclose information regarding abuse, restraining orders, or protective orders. Nondisclosure of unsubstantiated or inconclusive abuse or dismissed restraining orders or protective others, may not be considered a false statement.

407-007-0320

Final Fitness Determinations

BCU shall make a final fitness determination pursuant to OAR 125-007-0260 after all necessary background checks have been received and a weighing test, if necessary, has been completed.

(1) The final fitness determination results in one of the following outcomes:

(a) BCU may approve an SI if:

(A) The SI has no potentially disqualifying convictions or potentially disqualifying conditions; or

(B) The SI has potentially disqualifying convictions or potentially disqualifying conditions and, after a weighing test, BCU determines that more likely than not, the SI poses no risk to the physical, emotional, or financial well-being of vulnerable individuals.

(b) BCU may approve an SI with restrictions if BCU determines that more likely than not, the SI poses no risk to the physical, emotional, or financial well-being of vulnerable individuals if certain restrictions are placed on the SI. Restrictions may include but are not limited to restrictions to one or more specific clients, job duties, or environments. A new background check and fitness determination shall be completed on the SI before removing a restriction.

(c) BCU shall deny an SI who the BCU determines, after a weighing test, more likely than not poses a risk to the physical, emotional, or financial well-being of vulnerable individuals.

(d) In the following situations the SI shall have no hearing rights and BCU shall consider a background check to have an outcome of incomplete fitness determination:

(A) The QE or SI discontinues the application or fails to cooperate with the criminal records check or fitness determination process, including but not limited to failure to disclose all requested criminal, abuse or other information, refusal to be fingerprinted or failing to respond in a timely

manner to written correspondence from BCU. The background check request is considered closed.

(B) BCU determines that the SI is ineligible due to ORS 443.004 in accordance with OAR 407-007-0275 or 407-007-0277. The background check request is considered completed.

(C) BCU or the QE withdraws or closes the background check request before a final fitness determination for any reason. The background check request is considered closed.

(D) The SI withdraws the application, leaves the position prior to completion of the background check, or the Department cannot locate or contact the SI. The background check request is considered closed.

(E) The SI is determined to be ineligible for the position by the QE for reasons other than the background check. The background check request is considered closed.

(F) The SI is a child-caring agency proctor foster parent and fails to provide a release of information, the background check request is considered closed.

(e) BCU shall make the fitness determination of mandatory exclusion if the SI is subject to OAR 407-007-0279. If the SI has a conviction or condition listed, the background check request is considered completed. The SI has hearing rights only if granted under federal law.

(f) BCU shall issue an intent to deny if the fitness determination is made under OAR 407-007-0335. The SI has expedited hearings rights under OAR 407-007-0335.

(2) Upon completion of a final fitness determination, BCU or the QE shall provide notice to the SI.

(a) If approved, BCU shall provide notice to the QE through CRIMS. The QE shall provide the SI a copy of the notice or CRIMS documentation.

(b) If the final fitness determination is a denial based on potentially disqualifying abuse under OAR 407-007-0290(11)(d) and there are no other potentially disqualifying convictions or conditions, BCU shall issue a Notice of Denial.

(c) Except as required by section (4)(a) of this rule, if denied or approved with restrictions, BCU shall issue a notice of fitness determination to the SI which includes the potentially disqualifying convictions or conditions that the outcome was based upon, information regarding appeal rights, and the notice becoming a final order in the event of a withdrawal or failure to appear at the hearing.

(d) The effective date of action shall be recorded on the notice or CRIMS documentation.

(3) BCU shall provide the QE notification of the final fitness determination when the SI is being denied or approved with restrictions.

(4) When an SI is denied, the SI shall not be allowed to work, volunteer, be employed, or otherwise perform in the position listed on the background check request. A denial applies only to the position and application in question. A denial shall result in immediate termination, dismissal, or removal of the SI.

(5) When an SI is approved with restrictions, the SI shall only be allowed to work, volunteer, be employed, or otherwise perform in the position listed on the background check request and only under the stated restrictions. A restricted approval applies only to the position and application in question. A restricted approval shall result in immediate implementation of the restrictions.

(6) BCU shall maintain any documents obtained or created during the background check process.

(7) BCU shall make new fitness determinations for each background check request. The outcome of previous fitness determinations does not set a precedent for subsequent fitness determinations.

Subject: The Department of Human Services (Department) needs to immediately adopt, amend, and repeal rules in OAR 407-045-0800 through 407-045-0980 to comply with Oregon Laws 2016, chapter 106. The intent of this legislation is to enhance safety of children in child-caring agencies, align abuse definitions with paid caregiving expectations, define investigation outcomes, and improve communication within the Department. The proposed temporary rules outline the child-caring agencies in which The Department's Office of Adult Abuse Prevention and Investigations (OAAPI) investigates allegations of abuse and establishes requirements for OAAPI screeners and investigators when allegations of abuse are received in these settings. The rules require immediate screening and investigation of reports alleging child abuse in a child-caring agency, changes the definition of a child to include those up to the age of 21 if they are receiving care or services from a child-caring agency, requires OAAPI investigators and screeners to notify appropriate Department personnel to ensure notifications required by SB 1515 are made, and requires OAAPI to collaborate with appropriate personnel to share information and determine the appropriate Department response to ensure child safety. The Department must implement these changes by July 1, 2016 in order to comply with the law.

Proposed rules are available on the Department of Human Services website: http://www.oregon.gov/DHS/POLICIES/Pages/ss-admin-rules.aspx. For hardcopy requests, call: (503) 947-5250.
Rules Coordinator: Jennifer Bittel—(503) 947-5250

407-045-0800
Purpose and Applicability

(1) The purpose of OAR 407-045-0800 to 407-045-0980 is to describe the responsibility of the Office of Adult Abuse Prevention and Investigations (OAAPI) to investigate reports of abuse in certain Child-Caring Agencies (CCA). These rules govern reports of abuse or neglect in which the CCA, CCA employees or their staff, or proctor foster parent is reported to be responsible. All such reports shall be investigated by OAAPI. Every child deserves safe, respectful, and dignified treatment provided in a caring environment. All CCAs and proctor foster parent(s) shall conduct themselves in such a manner that every child is free from abuse.

(2) These rules apply to the following CCA entities:

(a) Children's residential care agencies;

(b) Day treatment programs as defined in OAR chapter 413, division 215;

(c) Therapeutic boarding schools as defined in OAR chapter 413, division 215;

(d) Foster care agencies and proctor foster parents certified by the CCA; and

(e) Outdoor youth programs as defined in OAR chapter 413, division 215.

(3) Nothing in these rules relieves any mandatory reporter, including a CCA or proctor foster parent, from reporting abuse alleged to have been caused by other individuals, including but not limited to family members.

Stat. Auth.: ORS 409.050, 418.005 & 418.189

Stats. Implemented: ORS 418.189 & 418.205–418.327, 409.185, 418.015, 419B.005-419B.050 & OL 2016, Ch 106

Hist.: DHSD 12-2007(Temp), f. & cert. ef.12-3-07 thru 5-30-08; DHSD 4-2008, f. & cert. ef. 5-30-08; DHSD 5-2010, f. 6-30-10, cert. ef. 7-1-10; DHSD 7-2016(Temp), f. & cert. ef. 7-1-16 thru 12-27-16

407-045-0810
General Policy and Applicability

(1) Every child deserves safe, respectful, and dignified treatment provided in a caring environment. All CCPs governed by these rules, and their staff, shall conduct themselves in such a manner that children are free from abuse.

(2) In these rules, the term "abuse" is defined in some detail because of the unique vulnerabilities of children served by CCPs and the nature of

the settings where abuse may occur. All forms of abuse are prohibited. CCPs and their staff must always be aware of the potential for abuse in interactions with children.

(3) These rules govern reports of abuse or neglect in which the CCP, or its staff, is reported to be responsible. All such reports shall be investigated by the Department of Human Services's (Department) Office of Investigations and Training (OIT).

(4) OIT shall evaluate each case based on available facts and on the individual circumstances of the child, including the child's particular vulnerabilities.

(5) Nothing in these rules relieves any mandatory reporter, including a CCP, from reporting abuse or neglect alleged to have been caused by other individuals, including but not limited to family members. Those reports shall continue to be investigated by the Department's Children, Adults and Families Division (CAF) or by law enforcement.

Stat. Auth: ORS 409.050, 418.005 & 418.189

407-045-0820
Definitions

The following definitions apply to OAR 407-045-0800 through 407-045-0980:

(1) "Abuse" means one or more of the following:

(a) Abandonment, including desertion or willful forsaking of a child in care or the withdrawal or neglect of duties and obligations owed a child in care by a child-caring agency, caretaker or other person.

(b) Involuntary seclusion of a child in care for the convenience of a child-caring agency or caretaker or to discipline the child in care.

(c) A wrongful use of a physical or chemical restraint of a child in care, excluding an act of restraint prescribed by a physician licensed under ORS Chapter 677 and any treatment activities that are consistent with an approved treatment plan or in connection with a court order.

(d) Financial exploitation.

(A) Financial exploitation includes:

(i) Wrongfully taking the assets, funds or property belonging to or intended for the use of a child in care.

(ii) Alarming a child in care by conveying a threat to wrongfully take or appropriate moneys or property of the child in care if the child would reasonably believe that the threat conveyed would be carried out.

(iii) Misappropriating, misusing or transferring without authorization any moneys from any account held jointly or singly by a child in care.

(iv) Failing to use the income or assets of a child in care effectively for the support and maintenance of the child in care.

(B) Financial exploitation does not include age-appropriate discipline that may involve the threat to withhold, or the withholding of, privileges.

(e) Neglect of a child in care. Neglect includes:

(A) Failure to provide the care, supervision or services necessary to maintain the physical and mental health of a child in care; or

(B) The failure of a child-caring agency, proctor foster home, caretaker or other person to make a reasonable effort to protect a child in care from abuse.

(f) Physical abuse of a child in care. Physical abuse includes:

(A) Any physical injury to a child in care caused by other than accidental means, or which appears to be at variance with the explanation given of the injury.

(B) Willful infliction of physical pain or injury upon a child in care.

(g) Sexual abuse. Sexual abuse includes:

(A) Sexual harassment, sexual exploitation or inappropriate exposure to sexually explicit material or language;

(B) Any sexual contact between a child in care and an employee of a child-caring agency or proctor foster home, caretaker or other person responsible for the provision of care or services to a child in care;

(C) Any sexual contact between a person and a child in care that is unlawful under ORS chapter 163 and not subject to a defense under that chapter; or

(D) Any sexual contact that is achieved through force, trickery, threat or coercion.

(E) An act that constitutes a crime under ORS 163.375, 163.405, 163.411, 163.415, 163.425, 163.427, 163.465, 163.467 or 163.525.

(h) Verbal abuse. Verbal abuse means to threaten physical or emotional harm to a child in care through the use of:

(A) Derogatory or inappropriate names, insults, verbal assaults, profanity or ridicule; or

(B) Harassment, coercion, threats, intimidation, humiliation, mental cruelty or inappropriate sexual comments.

(2) "Child" means an unmarried individual under 21 years of age.

(3) "Child-caring agency" is defined in ORS 418.205 and means:

(a) Any private school, private agency or private organization that provides:

(A) Day treatment for children with emotional disturbances;

(B) Adoption placement services;

(C) Residential care, including but not limited to foster care or residential treatment for children;

(D) Residential care in combination with academic education and therapeutic care, including but not limited to treatment for emotional, behavioral or mental health disturbances;

(E) Outdoor youth programs; or

(F) Other similar care or services for children.

(b) Includes the following:

(A) A shelter-care home that is not a foster home subject to ORS 418.625 to 418.645;

(B) An independent residence facility as described in ORS 418.475;

(C) A private residential boarding school; and

(D) A child-caring facility as defined in ORS 418.950.

(c) Child-caring agency does not include:

(A) Residential facilities or foster care homes certified or licensed by the Department of Human Services under ORS 443.400 to 443.455, 443.830 and 443.835 for children receiving developmental disability services;

(B) Any private agency or organization facilitating the provision of respite services for parents pursuant to a properly executed power of attorney under ORS 109.056. For purposes of this section, respite services means the voluntary assumption of short-term care and control of a minor child without compensation or reimbursement of expenses for the purpose of providing a parent in crisis with relief from the demands of ongoing care of the parent's child;

(C) A youth job development organization as defined in ORS 344.415;

(D) A shelter-care home that is a foster home subject to ORS 418.625 to 418.645; or

(E) A foster home subject to ORS 418.625 to 418.645.

(4) "Child in care" means an unmarried individual who is under 21 years of age who is residing in or receiving care or services from a child-caring agency or proctor foster home that is subject to ORS 418.205, 418.327, 418.470, 418.475, 418.950 and 418.970.

(5) "Department" means the Department of Human Services.

(6) "Designated medical professional" means a medical professional as defined in ORS 418.747 who has been trained to conduct child abuse medical assessments pursuant to 418.782.

(7) "Inconclusive" means there is some indication that the abuse of a child in care occurred, but there is insufficient evidence to conclude that there is reasonable cause to believe that the abuse occurred.

(8) "Intimidation" means compelling or deterring conduct by threat. Intimidation does not include age-appropriate discipline that may involve the threat to withhold privileges.

(9) "Law enforcement agency" means:

(a) Any city or municipal police department;

(b) Any county sheriff's office;

(c) The Oregon State Police;

(d) Any district attorney;

(e) A police department established by a university under ORS 352.121 or 353.125.

(10) "Legal finding" means a court or administrative finding, judgment, order, stipulation, plea, or verdict.

(11) "OAAPI" means the Department's Office of Adult Abuse Prevention and Investigations.

(12) "OAAPI investigator" means a Department employee who is authorized and receives OAAPI approved training to screen or investigate allegation of abuse under these rules.

(13) "OAAPI Substantiation Review Committee (OSRC)" means a group of three Department employees selected by the Department's Deputy Director or designee, none of whom was involved in any part of the investigation that resulted in the OAAPI substantiation under review. The committee shall consist of Department employees who are knowledgeable about the dynamics of child abuse and neglect, including the assessment or investigation of child abuse, and Department employees with knowledge of abuse investigations, especially where abuse is alleged to have occurred in out-of-home settings.

(14) "Person with substantiated abuse" means the person OAAPI has reasonable cause to believe is responsible for abuse of a child in care under these rules, and about whom a substantiated finding has been made.

(15) "Proctor foster home" means a foster home certified by a child-caring agency under Oregon Laws 2016, chapter 106, section 6 that is not subject to ORS 418.625 to 418.645.

(16) "Services" includes but is not limited to the provision of food, clothing, medicine, housing, medical services, assistance with bathing or personal hygiene or any other service essential to the well-being of a child in care.

(17) "Sexual contact" has the meaning given that term in ORS 163.305 (1)(a)(E).

(18) "Sexual exploitation" as described in ORS 419B.005 (1)(a)(E).

(19) "Substantiated" means there is reasonable cause to believe that abuse of a child in care occurred.

(20) "Suspicious physical injury" is defined in ORS 419B.023 (1)(B) and includes but is not limited to:

(a) Burns or scalds;

(b) Extensive bruising or abrasions on any part of the body;

(c) Bruising, swelling, or abrasions on the head, neck, or face;

(d) Fractures of any bone of a child in care under the age of three;

(e) Multiple bone fractures of a child in care;

(f) Dislocations, soft tissue swelling, or moderate to severe cuts;

(g) Loss of the ability to walk or move normally according to the child's developmental ability;

(h) Unconsciousness or difficulty maintaining consciousness;

(i) Multiple injuries of different types;

(j) Injuries causing serious or protracted disfigurement or loss or impairment of the function of any bodily organ; or

(k) Any other injury that threatens the physical well-being of the child in care.

(21) "Unsubstantiated" means there is no evidence that the abuse of a child in care occurred.

407-045-0825
Screening Reports of Abuse

(1) Within 24 hours of receiving a report of abuse, OAAPI shall determine if:

(a) The report meets the definition of abuse of a child in care as defined by OAR 407-045-0820;

(b) The CCA is listed in OAR 407-045-0800(2) or is a CCA certified proctor foster parent;

(c) The CCA, CCA employees, volunteers, contractors or their employees or their staff, or proctor foster home parent, is suspected or reported as responsible for the alleged abuse;

(d) The alleged victim of abuse is a child in care as defined by OAR 407-045-0820.

(2) If OAAPI determines the report of alleged abuse meets the conditions listed in section (1) of this rule, the report shall be assigned for immediate investigation.

(3) In instances where a child in care is reported to be in need of immediate protection or a condition exists which places other children at risk, OAAPI shall collaborate with law enforcement and Department personnel or other appropriate entities to ensure child safety is provided.

(4) If an OAAPI screener becomes aware of conditions that do not constitute abuse as defined by this rule and ORS 419B.005, but may pose a risk to the health, safety, or welfare of a child, including possible licensing violations or inadequate living conditions or access to food and personal supplies, the OAAPI screener shall make a report to Department personnel designated to accept such reports and make notifications as defined in OAR 407-045-0895.

(5) If OAAPI determines the report of alleged abuse does not meet the conditions listed in section (1) of this rule, the report shall be closed at screening. Supervisor approval is required prior to closing a report at screening.

(6) OAAPI shall document the information supporting the decision to either assign a report for investigation or close a report at screening.

(7) OAAPI shall immediately make all applicable cross reports and notifications as described in OAR 407-045-0895 and shall send the screening report to the Department personnel designated to make notifications required by Oregon Laws 2016, chapter 106 and OAR 413-080-0070.

(8) The OAAPI Director or designee may grant an extension of an additional 24 hours to the 24 hour screening deadline if critical information, such as the child's location, is still needed to determine the Department response. The screener shall document in the Department's electronic information system the reason for the extension, including the critical information that remains to be collected, and the Director or designee's approval. Such an extension does not relieve the Department of the responsibility to make notifications as described in 407-045-0895.

407-045-0830
Training of Children's Care Providers

(1) The Department shall provide training and consultation to CCPs to identify abuse and to prevent abuse from occurring.

(2) The Department shall provide training to assist CCPs to understand the abuse investigation process and the CCP's responsibility in cooperating with the investigation.

Stat. Auth.: ORS 409.050 & 418.005

407-045-0850
Responsibilities of the CCP

(1) CCPs and their staff are mandatory reporters governed by ORS 419B.005 to 419B.050. Mandatory reporters must immediately report when they have reasonable cause to believe any child with whom they have come in contact has suffered abuse or that any person with whom they have come in contact has abused a child. For purposes of reporting, the belief need only be a reasonable suspicion, and does not need to rise to the level of probable cause. All reports must be made verbally or in writing to the Department or to a law enforcement agency within the county where the individual making the report is located at the time of the contact.

(2) Concurrent with reporting the suspected abuse or neglect of a child, CCPs shall immediately assess the safety of the child and take any action necessary to remove the child from danger and keep the child safe. CCPs shall cooperate with OIT in establishing a safety plan for the child who is the subject of the report, and for other children who may be at risk of abuse or neglect. In establishing a safety plan, CCPs may not take any actions beyond determining:

(a) Whether the alleged victim is in danger or in need of immediate protective services, in light of the nature of the report; and

(b) Whether any immediate personnel action needs to be taken.

(c) When taking protective action as described in section (2) above, the CCP may not conduct an internal investigation without prior authorization from OIT. For purposes of this section, a prohibited internal investigation includes:

(A) Interviews with the alleged victim, witnesses, the accused person, or any other individual or witness who may have knowledge of the facts of the abuse allegation or related circumstances that include questions beyond those necessary for immediate protection of the child or other children; or

(B) Review of relevant evidence, other than the initial report or other documents necessary for immediate protection of the child or other children.

(3) CCPs shall document all reports of suspected abuse or neglect of a child including, to the extent possible, the following information:

(a) The name, age, and present location of the child;

(b) The names and addresses of individuals, programs, or facilities responsible for the child's care;

(c) The nature and extent of the alleged abuse;

(d) Any information that led the individual making the report to suspect abuse had occurred;

(e) Any information that the individual believes might aid in establishing the cause of the abuse and the identity of the individual alleged to be responsible for the abuse; and

(f) The date of the incident.

(4) Every CCP shall cooperate fully with OIT under these rules. Cooperation includes but is not limited to:

(a) Providing the investigator with access to the child, the facility, and to all potential witnesses; and

(b) Producing all records and reports requested, including but not limited to medical, psychiatric and psychological records and reports, and individual service or behavioral support plans for the child.

Stat. Auth.: ORS 409.050 & 418.005
Stats. Implemented: ORS 419B.010–419B.015
Hist.: DHSD 12-2007(Temp), f. & cert. ef.12-3-07 thru 5-30-08; DHSD 4-2008, f. & cert. ef. 5-30-08; DHSD 5-2010, f. 6-30-10, cert. ef. 7-1-10; Suspended by DHSD 7-2016(Temp), f. & cert. ef. 7-1-16 thru 12-27-16

407-045-0860
Responsibilities of the Office of Investigations and Training

(1) When OIT receives a report of abuse, OIT shall notify a law enforcement agency within the county where the report was made. If the abuse is reported to have occurred in a different county, OIT must also cross-report to the law enforcement agency in the county where the reported abuse occurred.

(2) OIT shall cross-report to law enforcement on the same day the OIT screener determines the report requires an immediate or a 24-hour response.

(a) Required same day cross-reports include but are not limited to reports of moderate to severe physical abuse, visible injuries to a child, sexual abuse, or the suspicious or unexpected death of a child. Same day reports may be cross-reported verbally, by electronic transmission, or by hand delivery.

(b) When a cross-report is verbal and OIT and law enforcement do not respond to the report together, OIT must send a completed screening report to law enforcement.

(3) All other reports, including those investigated at screening but closed, must be cross-reported to law enforcement no later than ten days after the Department receives the report. The cross-report may be made by electronic transmission, hand delivery, or regular mail.

(4) When OIT receives a report of alleged abuse or neglect, OIT shall notify the child's parent or legal guardian that an allegation has been made, unless notice is prohibited by law or court order or would compromise the child's safety or a criminal investigation. If the child is in the legal custody of the Department, OIT shall notify the child's assigned Department caseworker, if notice has not already been provided. If the child has been placed at the CCP through the Oregon Youth Authority (OYA), OIT shall notify OYA. If OIT has reason to believe the child is an Indian child, OIT shall notify the tribe within 24 hours from the time the report was received by the Department. In cases in which OIT finds reasonable cause to believe that a child has died as a result of abuse or where the death occurred under suspicious or unknown circumstances, OIT shall notify the appropriate law enforcement agency.

Office of Investigations and Training Screening Decision Time Frames

(1) When the information received constitutes a report of abuse in which a child may be unsafe, OIT shall interview the child, conduct a site visit, or coordinate with CCP staff to assure that the child is safe within 24 hours after the report is received. If OIT plans to interview the child, OIT must notify the child's parent or legal guardian, unless notification is prohibited by law or court order or would compromise the child's safety or a criminal investigation.

(2) When it has not been reported that the child is unsafe and there are no other indicators the child is unsafe, OIT may decide to open the case for investigation or to close it at screening. OIT must make the decision to open or close the case within five calendar days from the date the report is received by the Department. The OIT screener may request approval for an extension of time beyond five days if extenuating circumstances exist. Extensions may only be granted by the OIT Director or the Director's designee.

(3) OIT shall screen all reports to identify the nature and cause of the reported abuse.

(a) In all cases, the screener shall evaluate whether the child is safe or unsafe, assess the need for protective action, request that protective action be taken and necessary services provided, and assess the need for further investigation.

(b) In conducting the screening process, OIT may:

(A) Coordinate in-person or by telephone with any CCP staff authorized to take protective action on behalf of the child;

(B) Conduct a site visit at the CCP;

(C) Interview the child or other witnesses;

(i) Prior to interviewing a child victim or child witness, OIT shall give notice of its intent to interview to the child's legal guardian, unless notice is prohibited by law or court order, or would compromise the child's safety or a criminal investigation.

(ii) If OIT determines contact with the child should occur at the child's school, OIT shall comply with the requirements of ORS 419B.045.

(D) Gather and secure physical evidence as necessary;

(E) Take photographs of the child and obtain a medical assessment, as necessary, consistent with OAR 407-045-0880(2)(d) and (e) of this rule;

(F) Take photographs of the facility as necessary or appropriate; and

(G) Receive, review, or copy records pertaining to the child or the incident, including but not limited to incident reports, evaluations, treatment or support plans, treatment notes or progress records, or other documents concerning the welfare of the child.

(4) If OIT decides the information received does not constitute a report of child abuse or neglect as defined in these rules, the report shall be closed at screening. If the report is closed at screening, the screener shall document the information supporting the decision to close. If the child is in the legal custody of the Department, OIT shall notify the child's assigned caseworker of the decision to close the case. If the child has been placed in the CCP by OYA, OIT shall notify OYA. OIT shall notify the CCP and the individual who made the report that the report has been closed. All notices of the decision to close shall be made within three days of the decision.

(5) If, after screening, OIT determines that the information constitutes a report of child abuse or neglect under these rules, it shall open the case for investigation. If OIT decides to investigate, OIT shall immediately notify the child's legal guardian, unless notification is prohibited by law or by court order, or could compromise the child's safety or a criminal investigation. OIT shall also notify the child's caseworker if the child is in the legal custody of the Department and shall notify OYA or the child's tribe, as applicable.

(6) Whenever an OIT investigator takes photographs of physical injuries to a child who is in the custody of the Department, the investigator shall promptly forward copies of the photographs to the CAF caseworker assigned to the child. When conducting screenings or investigations in foster home settings, the investigator shall ascertain whether any other children living in the foster home are in the custody of the Department and if so, shall notify each child's caseworker that a report of abuse or neglect in the foster home is being investigated or screened, and the nature of the investigation.

407-045-0880
OIT Investigative Process in Cases Opened for Investigation

(1) OIT shall conduct thorough and unbiased investigations of abuse allegations.

(2) In conducting abuse investigations, the OIT investigator shall:

(a) Make in-person contact with the child;

(b) Interview the child, any witnesses, the accused person, and other individuals who may have knowledge of the facts of the abuse allegation or related circumstances;

(c) Review all relevant and material evidence;

(d) Take photographs as appropriate or necessary. If the investigator observes a child who has suffered a suspicious physical injury and the investigator has a reasonable suspicion that the injury may be the result of abuse, the investigator must immediately photograph or have photographed the suspicious physical injury, pursuant to ORS 418.747; and

(e) If the investigator observes a child who has suffered a suspicious physical injury and the investigator has a reasonable suspicion that the injury may be the result of abuse, the investigator must, pursuant to ORS 418.747, ensure that a designated medical professional conducts a medical assessment within 48 hours of the observation, or sooner if dictated by the child's medical needs. If a designated medical professional is not available, the investigator must ensure that an available physician conducts the medical assessment. The investigator must document the efforts made to locate the designated medical professional.

(3) A person accused of abuse may have a peer consultant present during the OIT interview. Any individual providing peer support shall be obligated to maintain the confidentiality of information declared to be confidential under state or federal law. Peer supporters shall not be involved in the investigation as witnesses or potential witnesses. CCP certification or human resources staff shall not serve as peer supporters. An accused person wishing to have a peer supporter present during the interview shall notify

the OIT investigator in advance of the scheduled interview and shall provide the investigator with the peer's name and job title.

(4) When a law enforcement agency is conducting an investigation of the alleged abuse, the OIT investigator shall cooperate with the law enforcement agency. When a law enforcement agency is conducting a criminal investigation of the alleged abuse, OIT may also conduct its own investigation, as long as it does not interfere with the law enforcement agency investigation, when:

(a) There is potential for action by a licensing agency;

(b) Timely investigation by law enforcement is not likely; or

(c) When the law enforcement agency does not complete a criminal investigation.

(5) During the investigation, if the investigator knows or has reason to believe the child is an Indian child, the investigator must give notice to the child's tribe within 24 hours that an investigation is being conducted, if the tribe has not already been notified.

Investigating Reports of Abuse

(1) OAAPI shall conduct thorough and unbiased investigations of abuse allegations.

(2) In conducting abuse investigations, the OAAPI investigator or designee shall:

(a) Make in-person contact with the child in care who is the alleged victim of the suspected abuse within 24 hours of the investigation being assigned.

(b) During the investigation, if the investigator knows or has reason to believe the child in care is an Indian child, the investigator or designee shall give notice to the child's tribe within 24 hours that an investigation is being conducted, if the tribe has not already been notified.

(c) If an investigator believes a child in care is in need of immediate protection or a condition exists which places the child or other children at risk, the investigator shall collaborate with law enforcement, Department personnel or other appropriate entities to ensure child safety.

(d) Interview the child in care, any witnesses, the person accused or person responsible for the agency accused of abuse, and other individuals who may have knowledge of the facts of the abuse allegation or related circumstances. The OAAPI investigator shall conduct in-person interviews where practicable.

(e) The interviewee shall be informed that they may decline to be interviewed and should be interviewed in a place and manner that allows them to leave or terminate the interview at any time.

(A) OAAPI may interview witnesses and the child in care who is the subject of suspected abuse without the presence of child-caring agency employees, proctor foster parent or Department personnel.

(B) Prior to interviewing any child in care, OAAPI shall notify the child's parent or legal guardian, unless notification is prohibited by law or court order, or would compromise the child's safety or a criminal investigation.

(C) When OAAPI interviews a child in care, the child shall be informed they have a right to decline the interview and may have present:

(i) The child in care's parent or guardian, if the child has not been committed to the custody of the Department or the Oregon Youth Authority (OYA), or

(ii) The child in care's attorney.

(D) The interview should be held in a place and manner that the child is free to leave or terminate the interview.

(E) If OAAPI determines contact with the child in care should occur at the child's school, OAAPI shall comply with the requirements of ORS 419B.045.

(f) A person accused of abuse may have a peer consultant present during the OAAPI interview. Any individual providing peer support shall be obligated to maintain the confidentiality of information declared to be confidential under state or federal law. Peer supporters shall not be involved in the investigation as witnesses or potential witnesses. CCA certification or human resources staff shall not serve as peer supporters. A person accused of abuse wishing to have a peer supporter present during the interview shall notify the OAAPI investigator in advance of the scheduled interview and shall provide the investigator with the peer's name and job title.

(g) Obtain and review all relevant and material evidence, which includes but is not limited to:

(A) Conducting a site visit at the CCA or proctor foster parent;

(B) Gathering and securing physical evidence as necessary; and

(C) Receiving, reviewing, or copying records pertaining to the child in care or the incident, including but not limited to incident reports, evaluations, treatment or support plans, treatment notes or progress records, or other documents concerning the welfare of the child.

(h) Take photographs as appropriate or necessary.

(3) If the investigator observes a child in care who has suffered a suspicious physical injury and the investigator has a reasonable suspicion that the injury may be the result of abuse, the investigator shall:

(a) Pursuant to ORS 418.747, immediately photograph or have photographed the suspicious physical injury pursuant to ORS 419B.023, unless the child is age 18 or older and exercises their right to decline being photographed; and

(b) Pursuant to ORS 418.747 and 419B.023, ensure that a designated medical professional conducts a medical assessment within 48 hours of the observation, or sooner if dictated by the child in care's medical needs. If a designated medical professional is not available, the investigator shall ensure that an available physician, physician's assistant or nurse practitioner conducts the medical assessment. The investigator shall document the efforts made to locate the designated medical professional.

(c) Whenever an OAAPI investigator takes photographs of physical injuries of a child in care who is in the custody of the Department, the investigator shall promptly forward copies of the photographs to the Department's Child Welfare caseworker assigned to the child.

(4) When a law enforcement agency is conducting an investigation of the alleged abuse, the OAAPI investigator shall cooperate with the law enforcement agency. When a law enforcement agency is conducting a criminal investigation of the alleged abuse, OAAPI shall also conduct its own investigation, as long as it does not interfere with the law enforcement agency investigation.

(5) During the course of the investigation, the OAAPI investigator shall coordinate with others in the Department, including but not limited to the Office of Licensing and Regulatory Oversight, the Child Welfare Well Being Unit, a child protective service worker assigned to investigate abuse of the child in care, and the child in care's Child Welfare caseworker if the child is in the custody of the Department.

(6) When the OAAPI investigation is complete, OAAPI shall issue a final abuse investigation report as described in OAR 407-045-0890 stating whether the allegation is substantiated, unsubstantiated, or inconclusive.

(7) Upon issuance of a final decision, OAAPI shall send the report described in OAR 407-045-0890 to the Department personnel designated to make notifications required by Oregon Laws 2016, chapter 106.

(8) Any deviations from the investigative process shall be staffed and approved by a supervisor. Deviations and approval shall be documented clearly in the investigative report.

(9) If during the course of an investigation and OAAPI investigator becomes aware of conditions that do not constitute abuse as defined by this rule and ORS 419B, but may pose a risk to the health, safety, or welfare of a child, including possible licensing violations or inadequate living conditions or access to food and personal supplies, the OAAPI investigator shall make a report to Department personnel designated to accept such reports and make notifications and take actions as required in Oregon Laws 2016, chapter 106 and OAR 413-080-0070.

Abuse Investigation Report

(1) When the investigation is complete, OAAPI shall prepare a written report that includes the following:

(a) A description of the allegation of abuse being investigated, including the date, location and time (if known);

(b) An outline of steps taken in the investigation, a list of all witnesses interviewed, and a summary of the information provided by each witness;

(c) A summary of findings and conclusion concerning the allegation of abuse;

(d) A specific finding of whether the abuse allegation is substantiated, unsubstantiated, or inconclusive;

(e) A list of all individuals and entities who receive the required notices as defined in OAR 407-045-0895;

(f) The name and title of the individual completing the report; and

(g) Documentation that a supervisor, or their designee, has reviewed and approved the completed report.

(2) The report shall be completed within 30 business days from the date the case was assigned for investigation. The OAAPI Director or designee may authorize an extension for good cause shown. Documentation of the date of the extension shall be noted in the report.

Cross Reporting and Notifications

(1) OAAPI shall immediately report to law enforcement, if not already done:

(a) Any crime that OAAPI suspects has occurred with respect to a child in care, at a child-caring agency or proctor foster home, even if the suspected crime is not related to a report of abuse made under these rules.

(b) If OAAPI has reasonable cause to believe that a child in care has died as a result of abuse or where the death occurred under suspicious or unknown circumstances.

(c) OAAPI shall notify the law enforcement agency within the city or county where the report was made. If the abuse or crime is reported to have occurred in a different city or county, OAAPI shall also cross-report to the law enforcement agency in the city or county where the reported abuse or crime occurred. Cross-reports to law enforcement agencies may be verbal, by electronic transmission, or by hand delivery.

(2) Unless the Department determines that disclosure is not permitted under ORS 419B.035, OAAPI will notify the reporter, if contact information is available:

(a) Whether contact was made with the child in care;

(b) Whether the Department determined that child abuse or neglect occurred.

(3) The Department shall make all other notifications as required by Oregon Laws 2016, chapter 106 and OAR 413-080-0070.

Notice of a Substantiated Finding of Abuse

(1) When OAAPI has substantiated an allegation of abuse of a child in care, OAAPI shall deliver a notice to the person with substantiated abuse or CCA named in the report. The notice shall be delivered:

(a) By certified mail, restricted delivery, return receipt requested to the last known address of the person with substantiated abuse or CCA; or

(b) By hand delivery to the person with substantiated abuse or CCA. If hand delivered, the notice shall be addressed to the person with substantiated abuse or to the OAAPI contact on record for a CCA and a copy of the notice shall be signed and dated by the person with substantiated abuse or CCA representative acknowledging receipt and signed by the individual delivering the notice.

(2) The notice of an OAAPI substantiation of abuse shall include the following:

(a) The case number assigned to the investigation that resulted in the OAAPI substantiation;

(b) The full name of the person with substantiated abuse or CCA who has been identified as responsible for the abuse as documented in the OAAPI report;

(c) A statement that the OAAPI investigation resulted in a substantiated finding of abuse, including a description of the type of abuse identified;

(d) A description of the OAAPI investigation, including a redacted summary of findings and conclusions;

(e) A statement that the person with substantiated abuse or CCA has a right to request a review;

(f) Instructions for making a request for review, including the requirement that the person with substantiated abuse or CCA provide a full explanation why the person with substantiated abuse or CCA believes the OAAPI substantiation is incorrect.

(g) A statement that the Department may not review an OAAPI substantiation if a legal proceeding is pending and that the person with substantiated abuse or CCA may request a review within 30 calendar days of the resolution of the pending legal proceeding unless the proceeding results in a legal finding that is consistent with the OAAPI substantiation;

(h) A statement that the person with substantiated abuse waives the right to request a review if the request for review is not received by OAAPI within 30 calendar days from the date of the notice of OAAPI substantiation, as documented by a returned receipt.

(i) A statement that the OSRC shall consider relevant documentary information, including the OAAPI report and accompanying exhibits, and information submitted with the request for review by the person with substantiated abuse or CCA requesting review.

(j) A statement that the OSRC may not re-interview the victim; interview the person with substantiated abuse or CCA, with others associated with the person with substantiated abuse or CCA, or with others mentioned in the report; or conduct a field assessment of the allegation of abuse; and

(k) A statement that OAAPI shall send the person with substantiated abuse or CCA a notice of OSRC decision within 60 calendar days of receiving a request for review.

(3) If a person with substantiated abuse or the CCA believes they are entitled to a notice of OAAPI substantiation but has not received one, the person with substantiated abuse or CCA may contact OAAPI to inquire about a review of the disposition.

(4) OAAPI shall determine whether a notice of OAAPI substantiation was delivered to the person with substantiated abuse or CCA or if the person with substantiated abuse or CCA refused delivery of the notice, as evidenced by the returned receipt.

(5) If a notice was delivered to the person with substantiated abuse or CCA or if the person with substantiated abuse or CCA refused delivery of the notice, as evidenced by a returned receipt, and the time for requesting review has expired, OAAPI shall:

(a) Prepare and deliver a notice of waived rights for review; or

(b) Inform the person with substantiated abuse or CCA by telephone of the information required in the notice of waived rights for review. OAAPI shall document the telephone call.

(c) If no return receipt exists or if it appears that notice was not properly provided, OAAPI shall deliver a notice of OAAPI substantiation as provided in these rules.

(6) If a person with substantiated abuse or CCA asks to review Department records for the purpose of reviewing an OAAPI substantiation, state and federal confidentiality laws, including OAR 413-010-0000 to 413-010-0075 and 413-350-0000 to 413-350-0090, govern the inspection and copying of records.

(7) OAAPI shall maintain records to demonstrate the following, when applicable:

(a) Whether the Department delivered a notice of OAAPI substantiation;

(b) Whether the notice of OAAPI substantiation was received by the addressee, as evidenced by a returned receipt documenting that the notice was received, refused, or not received; and

(c) The date a request for review was received by OAAPI.

(8) OAAPI shall maintain a comprehensive record of completed OAAPI substantiation reviews.

Claim of Lack of Notice

(1) If a person or CCP believes they are entitled to a notice of OIT substantiation but has not received one, the person or CCP may contact OIT to inquire about a review of the disposition.

(2) OIT must determine whether a notice of OIT substantiation was delivered to the person or CCP or if the person or CCP refused delivery of the notice, as evidenced by the returned receipt.

(3) If a notice was delivered to the person or CCP or if the person or CCP refused delivery of the notice, as evidenced by a returned receipt, and the time for requesting review has expired, OIT must:

(a) Prepare and deliver a notice of waived rights for review; or

(b) Inform the person or CCP by telephone of the information required in the notice of waived rights for review. OIT must document the telephone call.

(4) If no return receipt exists or if it appears that notice was not properly provided, OIT must deliver a notice of OIT substantiation as provided in these rules.

Information Included in the Notice of an OIT Substantiation

The notice of an OIT substantiation must include the following:

(1) The case number assigned to the investigation that resulted in the OIT substantiation;

(2) The full name of the person or CCP who has been identified as responsible for the child abuse as recorded in the OIT report;

(3) A statement that the OIT investigation resulted in a substantiation, including a description of the type of child abuse or neglect identified;

(4) A description of the OIT investigation, including a summary of findings and conclusions;

(5) A statement that the person or CCP has a right to request a review;

(6) Instructions for making a request for review, including the requirement that the person or CCP provide a full explanation why the person believes the OIT substantiation is wrong;

(7) A statement that the Department may not review an OIT substantiation if a legal proceeding is pending and that the person or CCP may request a review within 30 calendar days of the resolution of the pending legal proceeding unless the proceeding results in a legal finding that is consistent with the OIT substantiation;

(8) A statement that the person waives the right to request a review if the request for review is not received by OIT within 30 calendar days from the date of the notice of OIT substantiation, as documented by a returned receipt.

(9) A statement that the OSRC shall consider relevant documentary information, including the OIT report and accompanying exhibits, and information submitted with the request for review by the person or CCP requesting review.

(10) A statement that the OSRC may not re-interview the victim; interview or meet with the person or CCP, with others associated with the person or CCP, or with others mentioned in the report; or conduct a field assessment of the allegation of child abuse; and

(11) A statement that OIT shall send the person or CCP a notice of OSRC decision within 60 calendar days of receiving a request for review.

Review of Substantiated Abuse Finding

(1) When OAAPI has determined abuse has occurred, the person with substantiated abuse or a CCA against whom the finding has been made, has the right to request an administrative review of the OAAPI decision.

(2) A person with substantiated abuse or CCA requesting a review shall use information contained in the notice of OAAPI substantiation to prepare a written request for review. The written request for review shall be received by OAAPI within 30 calendar days of the receipt of the notice of OAAPI substantiation. If the request is submitted by mail, it shall be postmarked within 30 calendar days. The request shall include the following:

(a) Date the request for review is written;

(b) Case number found on the notice of OAAPI substantiation;

(c) Full name of the person with substantiated abuse or CCA;

(d) The person with substantiated abuse or CCA's current name (if it has changed from the name noted in section (c) of this rule);

(e) A full explanation, responsive to the information provided in the Department's notice, explaining why the person with substantiated abuse or CCA believes the OAAPI substantiation is wrong and any additional information and documents the person with substantiated abuse or CCA wants considered during the review;

(f) The person with substantiated abuse or CCA's current street address and telephone number; and

(g) The person with substantiated abuse signature or the signature of a CCA employee authorized to sign on behalf of the organization.

(3) Except as provided in OAR 407-045-0950, within 60 calendar days of OAAPI's receipt of a completed request for review, the OSRC shall conduct a review and issue a notice of OSRC decision that includes the following:

(a) Whether there is reasonable cause to believe that abuse occurred;

(b) Whether there is reasonable cause to believe that the person with substantiated abuse or CCA was responsible for the abuse;

(c) Whether the OSRC is changing the OAAPI substantiation;

(d) If the OAAPI substantiation is changed, whether the changed conclusion is being changed to "unsubstantiated" or "inconclusive;" and

(e) A summary of the information used by the OSRC and its reasoning in reaching its decision.

(4) The OSRC shall operate as follows:

(a) The OSRC shall consider relevant documentary information contained in the OAAPI investigation file, investigative report and exhibits, and information provided by the person with substantiated abuse.

(b) The OSRC may not re-interview the victim; interview or meet with the person with substantiated abuse or CCA staff, with others associated with the person with substantiated abuse or CCA, or with others mentioned in the report; or conduct a field assessment of the allegation of abuse.

(c) All OSRC decisions shall be decided by majority vote of the three participating committee members, all of whom shall be present.

(d) The OSRC shall make a determination as to:

(A) Whether there is reasonable cause to believe that abuse occurred; and

(B) Whether there is reasonable cause to believe that the person with substantiated abuse or CCA is responsible for the abuse.

(e) The OSRC shall decide to either uphold the OAAPI substantiation, or change that conclusion to unsubstantiated or inconclusive.

(5) OSRC shall send the notice of OSRC decision to the person with substantiated abuse or CCA, the OAAPI investigator who conducted the investigation, applicable public agencies, other entities or individuals who received notice of the original substantiation, and the OAAPI Director.

(6) The Department shall provide the person with substantiated abuse a notice of rights to appeal the OSRC determination.

Exception to the Right to Request a Review and Providing Notice of Legal Proceeding

(1) If OAAPI has knowledge of a pending legal proceeding, the OSRC may not review the disposition until the legal proceeding is completed.

(2) If OAAPI has knowledge of a pending legal proceeding, OAAPI shall prepare and deliver a notice of legal proceeding within 30 calendar days after receipt of a request for review informing the person with substantiated abuse or CCA that the Department may not review the substantiation until the legal proceeding is completed and may not take further action on the request.

(3) If the completed legal proceeding results in a legal finding consistent with the OAAPI substantiation, the Department may not conduct a review. In that case, OAAPI shall provide a notice of legal finding to the person with substantiated abuse or CCA.

(4) If the completed legal proceeding results in a legal finding which is inconsistent with the OAAPI substantiation, the person with substantiated abuse or CCA may, at the conclusion of the legal proceeding, re-submit a request for review within 30 calendar days from the date of resolution of legal proceeding.

407-045-0955
Confidentiality

(1) The report and underlying investigatory documents are confidential and not available for public inspection. Except as provided in ORS 419B.035, names of witnesses and the alleged abuse victim are confidential unless the provisions of ORS 419B.035(1)(h) and (2)(a) apply. The

names and identifying information about a reporter are confidential and may not be disclosed. Investigatory documents, including portions of the abuse investigation report that contain "individually identifiable health information," as defined in ORS 192.519 and 45 CFR160.103, are confidential under HIPAA privacy rules, 45 CFR Part 160 and 164, and ORS 192.520 and 179.505 to 179.509. Disclosure of substance abuse treatment records are governed by 42 U.S.C. 290dd-2 and 42 CFR Part 2. The Department shall make otherwise confidential records available to individuals identified in ORS 419B.035(1), and may release records if permitted by ORS 419B.035(3) and other federal and state confidentiality laws.

(2) Except as provided in section (1) of this rule, the Department shall make the confidential information, including any photographs, available, if appropriate, to any law enforcement agency, to any public agency that licenses or certifies facilities, and to any public agency providing protective services for the child in care.

(3) Subject to ORS 419B.035(3), the Department may make the abuse investigation report or relevant materials, in redacted form, available to the CCA, any public agency that licenses or certifies the individuals working in a CCA, or to any person who was alleged to have abused the child in care under these rules. The Department may not disclose confidential information which is prohibited by state or federal law.

(4) Individuals or entities receiving confidential information pursuant to this rule shall maintain the confidentiality of the information and may not re-disclose the confidential information to unauthorized individuals or entities, if disclosure is prohibited by state or federal law.

OIT Responsibilities Related to Notices and Reviews

(1) If a person or CCP asks to review Department records for the purpose of reviewing an OIT substantiation, state and federal confidentiality laws, including OAR 413-010-0000 to 413-010-0075 and 413-350-0000 to 413-350-0090, govern the inspection and copying of records.

(2) OIT must maintain records to demonstrate the following, when applicable:

(a) Whether the Department delivered a notice of OIT substantiation;

(b) Whether the notice of OIT substantiation was received by the addressee, as evidenced by a returned receipt documenting that the notice was received, refused, or not received; and

(c) The date a request for review was received by OIT.

(3) The OIT Director or designee must maintain a comprehensive record of completed OIT substantiation reviews.

407-045-0970
OSRC Review

(1) The OSRC shall conduct a review and issue a notice of OSRC decision within 60 calendar days from the date OIT receives a request for review.

(2) The OSRC shall operate as follows:

(a) The OSRC shall consider relevant documentary information contained in the OIT investigation file, investigative report and exhibits, and information provided by the person.

(b) The OSRC may not re-interview the victim; interview or meet with the person or CCP staff, with others associated with the person or CCP, or with others mentioned in the report; or conduct a field assessment of the allegation of child abuse or neglect.

(c) All OSRC decisions must be decided by majority vote of the three participating committee members, all of whom must be present.

(d) The OSRC shall make a determination as to:

(A) Whether there is reasonable cause to believe that child abuse or neglect occurred; and

(B) Whether there is reasonable cause to believe that the person or CCP is responsible for the child abuse or neglect.

(e) The OSRC shall decide to either uphold the OIT substantiation, or change that conclusion to not substantiated or inconclusive.

(3) Within 60 calendar days from the date the OSRC receives the request for review, the OSRC shall prepare and send to the requestor by certified mail or restricted delivery, with return receipt requested, a notice of OSRC decision that includes the following:

(a) Whether there is reasonable cause to believe that child abuse occurred;

(b) Whether there is reasonable cause to believe that the person or CCP was responsible for the child abuse;

(c) Whether the OSRC is changing the OIT substantiation;

(d) If the OIT substantiation is changed, whether the changed conclusion is being changed to "not substantiated" or "inconclusive;" and

(e) A summary of the information used by the OSRC and its reasoning in reaching its decision.

(4) OSRC shall send the notice of OSRC decision to the person or CCP, CAF, the OIT investigator who conducted the investigation, applicable public agencies, other entities or individuals who received notice of the original substantiation, and the OIT Director.

407-045-0980
Retaliation Prohibited

(1) No individual, including a child in care who reports suspected abuse, shall be subject to retaliatory action by a CCA.

(2) Any individual who makes a report of suspected abuse of a child in care to the Governor, the Department of Justice, or the Department in good faith and who has reasonable grounds for the making of the report shall have immunity:

(a) From any liability, civil or criminal, that might otherwise be incurred or imposed with respect to the making or content of such report;

(b) From disciplinary action taken by the individual's employer; and

(c) With respect to participating in any judicial proceeding resulting from or involving the report.

(3) An individual making a report under this section may include references to otherwise confidential information for the sole purpose of making the report, and any such disclosure shall be protected from further disclosure to other individuals or entities for any other purpose not related to the making of the report.

Department of Human Services, Aging and People with Disabilities and Developmental Disabilities
Chapter 411

Rule Caption: APD - Home and Community-Based Services and Settings for Adult Foster Homes
Adm. Order No.: APD 9-2016
Filed with Sec. of State: 6-27-2016
Certified to be Effective: 6-28-16
Notice Publication Date: 5-1-2016
Rules Amended: 411-050-0602, 411-050-0610, 411-050-0615, 411-050-0625, 411-050-0630, 411-050-0632, 411-050-0635, 411-050-0640, 411-050-0642, 411-050-0645, 411-050-0650, 411-050-0655, 411-050-0660, 411-050-0662, 411-050-0665, 411-050-0670, 411-050-0685
Rules Repealed: 411-050-0602(T), 411-050-0615(T), 411-050-0630(T), 411-050-0632(T), 411-050-0635(T), 411-050-0642(T), 411-050-0645(T), 411-050-0650(T), 411-050-0655(T), 411-050-0662(T), 411-050-0670(T), 411-050-0685(T)
Subject: The Department of Human Services (Department) is permanently amending the rules in OAR chapter 411, division 050 to make permanent temporary changes that became effective on January 1, 2016 for adult foster homes where care is provided to older adults or adults with physical disabilities to align the rules with the newly adopted rules in 411-004.

The Department is also updating the rules to improve and streamline processes and to make changes to enhance the safety and welfare of adult foster home residents and licensees. The Department updated the rules to ensure the rules were using current Department

terminology and to perform minor grammar, punctuation, formatting, and housekeeping changes.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-050-0602
Definitions

Unless the context indicates otherwise, the following definitions apply to the rules in OAR chapter 411, division 050:

(1) "AAA" means an Area Agency on Aging, which is an established public agency within a planning and service area designated under Section 305 of the Older Americans Act that has responsibility for local administration of programs within the Department of Human Services. For the purpose of these rules, Type B AAAs contract with the Department to perform specific activities in relation to licensing adult foster homes, including processing applications, conducting inspections and investigations, issuing licenses, and making recommendations to the Department regarding adult foster home license denial, revocation, suspension, non-renewal, and civil penalties.

(2) "Abuse" means "abuse" as defined in OAR 411-020-0002 (Adult Protective Services).

(3) "Activities of Daily Living (ADL)" mean the personal, functional activities defined in OAR 411-015-0006 (Long-term Care Service Priorities for Individuals Served) required by an individual for continued well-being, which are essential for health and safety.

(4) "Adult Foster Home (AFH)" means any family home or other facility where residential care is provided in a home-like environment for compensation to five or fewer adults who are not related to the licensee, resident manager, or floating resident manager, by blood, marriage, or adoption and who are 65 years of age or older or an adult with a physical disability. For the purpose of these rules, "adult foster home" does not include any house, institution, hotel, or other similar living situation that supplies room or board only, if no resident thereof requires any element of care. "Facility" and "Home" are synonymous with "Adult Foster Home".

(5) "Advance Directive" or "Advance Directive for Health Care" means the legal document signed by a resident that provides health care instructions in the event the resident is no longer able to give directions regarding his or her wishes. The directive gives the resident the means to control his or her own health care in any circumstance. "Advance Directive for Health Care" does not include Physician Orders for Life-Sustaining Treatment (POLST).

(6) "Applicant" means a person who completes an application for an adult foster home license or who completes an application to become a resident manager, floating resident manager, or shift caregiver. "Applicant" is synonymous with "Co-applicant".

(7) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210 (Criminal Records and Abuse Check for Providers).

(8) "Back-Up Provider" means a licensee, approved resident manager, or approved floating resident manager who does not live in the home, who has agreed to oversee the operation of an adult foster home, of the same license classification or level, in the event of an emergency.

(9) "Behavioral Interventions" mean those interventions that modify a resident's behavior or a resident's environment.

(10) "Board of Nursing Rules" means the standards for Registered Nurse Teaching and Delegation to Unlicensed Persons according to the statutes and rules of the Oregon State Board of Nursing, ORS 678.010 to 678.445 and OAR chapter 851, division 047.

(11) "Care" means the provision of assistance with activities of daily living to promote a resident's maximum independence and enhance the resident's quality of life. "Care" includes, but is not limited to, assistance with bathing, dressing, grooming, eating, money management, recreation, and medication management excluding assistance with self-medication.

(12) "Caregiver" means any person responsible for providing care and services to residents, including the licensee, resident manager, floating resident manager, shift caregivers, and any temporary, substitute, or supplemental staff, or other person designated to provide care and services to residents.

(13) "Care Plan" means a licensee's written description of a resident's needs, preferences, and capabilities, including by whom, when, and how often care and services are to be provided.

(14) "Centers for Medicare and Medicaid Services (CMS)" means the federal agency within the United States Department of Health and Human Services responsible for the administration of Medicaid and the Health Insurance Portability and Accountability Act (HIPAA).

(15) "Classification" means a designation of license assigned to a licensee based on the qualifications of the licensee, resident manager, floating resident manager, and shift caregivers, as applicable.

(16) "Co-Applicant" is synonymous with "Applicant" as defined in this rule.

(17) "Code of Federal Regulations" or "CFR" means the codification of the rules and regulations published in the Federal Register, and produced by the executive departments and agencies of the federal government of the United States.

(18) "Co-Licensee" is synonymous with "Licensee" as defined in this rule.

(19) "Compensation" means monetary or in-kind payments by or on behalf of a resident to a licensee in exchange for room, board, care, and services. "Compensation" does not include the voluntary sharing of expenses between or among roommates.

(20) "Complaint" means an allegation of abuse, a violation of these rules, or an expression of dissatisfaction relating to a resident or the condition of an adult foster home.

(21) "Condition" means a provision attached to a new or existing license that limits or restricts the scope of the license or imposes additional requirements on the licensee.

(22) "Consumer" means an individual eligible for Medicaid services for whom case management services are provided by the Department.

(23) "Criminal Records and Abuse Check Rules" refers to OAR 407-007-0200 to 407-007-0370.

(24) "Day Care" means care, assistance, and supervision of an individual who is older, as defined in these rules, who does not stay overnight.

(25) "Delegation" means the process where a registered nurse teaches and supervises a skilled nursing task.

(26) "Department" means the Department of Human Services.

(27) "Designated Representative" means:

(a) Any adult, such as a parent, family member, guardian, advocate, or other person who is:

(A) Chosen by the individual, or as applicable the legal representative;

(B) Not a paid provider for the individual; and

(C) Authorized by the individual, or as applicable the legal representative, to serve as the representative of the individual, or as applicable the legal representative, in connection with the provision of funded supports.

(b) The power to act as a designated representative is valid until the individual modifies the authorization or notifies the agency that the designated representative is no longer authorized to act on his or her behalf.

(c) An individual, or as applicable the legal representative, is not required to appoint a designated representative.

(28) "Director" means the Director of the Department of Human Services or that person's designee.

(29) "Disability" means a physical, cognitive, or emotional impairment, which for an individual, constitutes or results in a functional limitation in one or more activities of daily living.

(30) "Disaster" means a sudden emergency occurrence beyond the control of the licensee, whether natural, technological, or man-made that renders the licensee unable to operate the facility or renders the facility uninhabitable on a temporary, extended, or permanent basis.

(31) "Emergency Preparedness Plan" means a written procedure that identifies a facility's response to an emergency or disaster for the purpose of minimizing loss of life, mitigating trauma, and to the extent possible, maintaining services for residents, and preventing or reducing property loss.

(32) "Entity" means an individual, a trust or estate, a partnership, a corporation (including associations, joint stock companies, and insurance companies), a state, or a political subdivision or instrumentality, including a municipal corporation.

(33) "Exclusion Lists" mean the following federal lists that exclude listed individuals from receiving federal awards, not limited to Medicaid and Medicare programs:

(a) The U.S. Office of Inspector General's Exclusion List at www.exclusions.oig.hhs.gov/; and

(b) The U.S. General Services Administration's System for Award Management Exclusion List at www.sam.gov.

(34) "Exempt Area" means a county where there is a county agency that provides similar programs for licensing and inspection of adult foster homes that the Director finds are equal or superior to the requirements of ORS 443.705 to 443.825 and that the Director has exempted from the license, inspection, and fee provisions of ORS 443.705 to 443.825.

"Exempt area" county licensing rules require review and approval by the Director before implementation.

(35) "Facility" is synonymous with "Adult Foster Home" as defined in this rule.

(36) "Family Member" means spouses in a legally recognized marriage or domestic partnership, natural parent, child, sibling, adopted child, adoptive parent, adoptive sibling, stepparent, stepchild, stepbrother, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, grandchild, aunt, uncle, niece, nephew, or first cousin.

(37) "Final Point of Safety" means a designated assembly area located on a public sidewalk or street not less than 50 feet away from an adult foster home where occupants of the home evacuate to in the event of an emergency.

(38) "Floating Resident Manager" means an employee of the licensee, approved by the local licensing authority, who under the direction of the licensee, is directly responsible for the care of residents in one or more adult foster homes owned by that licensee. A "floating resident manager" is not required to live in any one adult foster home owned by his or her employer, except on a temporary basis, as directed by the licensee, when the regularly scheduled caregiver is unavailable.

(39) "Home" means the physical structure where residents live. "Home" is synonymous with "Adult Foster Home" as defined in this rule.

(40) "Home and Community-Based Services" or "HCBS" means Home and Community-Based Services as defined in OAR chapter 411, division 004.

(41) "Home and Community-Based Settings" or "HCB Settings" means a physical location meeting the qualities of OAR 411-004-0020 where an individual receives Home and Community-Based Services.

(42) "Home-like" means an environment that promotes the dignity, security, and comfort of residents through the provision of personalized care and services, and encourages independence, choice, and decision-making by the residents.

(43) "House Policies" or the "Home's Policies" means the written and posted statements addressing house activities in an adult foster home identified in the Residency Agreement.

(44) "Indirect Ownership Interest" means an ownership interest in an entity that has an ownership interest in the disclosing entity.

(45) "Individual" means an adult who is at least 65 years of age, or is an adult with physical disabilities who is receiving Home and Community-Based Services. For Home and Community-Based Settings, "Resident" includes individuals receiving day care services.

(46) "Individually-Based Limitation" or "Limitation" means:

(a) Any limitation to the following areas, as described in OAR 411-004-0020(2)(d) to (2)(j), which includes the right to:

(A) The freedom and support to access food at any time;

(B) Have visitors of the resident's choosing at any time;

(C) Have a lockable door in the resident's bedroom, which may be locked by the individual;

(D) Choose a roommate when sharing a bedroom;

(E) Furnish and decorate the resident's bedroom according to the Residency Agreement;

(F) The freedom and support to control the resident's schedule and activities;

(G) Privacy in the resident's bedroom;

(b) A limitation must be based on a specific assessed need, and may only be implemented with the informed consent of the resident or the resident's legal representative.

(47) "Informed Consent" means:

(a) Options, risks, and benefits have been explained to the individual and, as applicable the legal representative of the individual, in a manner that the individual, and as applicable, the representative, comprehends; and

(b) The individual or, as applicable, the legal representative of the individual, consents to a person-centered service plan of action, including any individually-based limitations to the rules, before implementation of the initial or updated person-centered service plan or any individually-based limitation.

(48) "Initial Point of Safety" means a designated area that has unobstructed direct access to a public sidewalk or street located not less than 25 feet away from an adult foster home where occupants of the home evacuate to in the event of an emergency and for the purpose of conducting evacuation drills.

(49) "Investigative Authority" means the Office of Adult Abuse Prevention and Investigation, local Department offices, and Area Agencies on Aging that contract with the Department to provide adult protective services to adults who are older or adults with physical, mental, or developmental disabilities.

(50) "Legal Representative" means a person who has the legal authority to act for an individual. The legal representative only has authority to act within the scope and limits of his or her authority as designated by the court or other agreement.

(a) Legal representatives acting outside of his or her authority or scope must meet the definition of designated representative.

(b) For an individual 18 years of age or older, a guardian appointed by a court order or an agent legally designated as the health care representative, where the court order or the written designation provide authority for the appointed or designated person to make the decisions indicated where the term "legal representative" is used in this rule.

(51) "Level" means the designation of ventilator-assisted care assigned to an adult foster home license based on the qualifications of the licensee, resident manager, floating resident manager, and shift caregivers, as applicable.

(52) "Licensed Health Care Professional" means a person who possesses a professional medical license that is valid in Oregon. Examples include, but are not limited to, a registered nurse (RN), nurse practitioner (NP), licensed practical nurse (LPN), medical doctor (MD), osteopathic physician (DO), respiratory therapist (RT), physical therapist (PT), physician assistant (PA), or occupational therapist (OT).

(53) "Licensee" means the person who was issued a license, whose name is on the license, and who is responsible for the operation of an adult foster home. The "licensee" of the adult foster home does not include the owner or lessor of the building where the adult foster home is situated unless the owner or lessor of the building is also the operator.

(54) "Limited Adult Foster Home" means a home that provides care and services for compensation to a specific individual who is unrelated to the licensee but with whom the licensee has an established relationship of no less than one year.

(55) "Liquid Resource" means cash or those assets that may readily be converted to cash, such as a life insurance policy that has a cash value, stock certificates, or a guaranteed line of credit from a financial institution.

(56) "Local Licensing Authority" means the local Department offices and Area Agencies on Aging that contract with the Department to perform specific functions of the adult foster home licensing process.

(57) "Nursing Care" means the practice of nursing by a licensed nurse, including tasks and functions relating to the provision of "nursing care" that are taught or delegated under specified conditions by a registered nurse to a person other than licensed nursing personnel, as governed by ORS chapter 678 and rules adopted by the Oregon State Board of Nursing in OAR chapter 851.

(58) "Occupant" means any person residing in or using the facilities of an adult foster home, including residents, licensees, resident manager, friends or family members, day care individuals, and room and board tenants. A floating resident manager who resides in an adult foster home on a temporary basis is considered an "occupant".

(59) "Older" means any person at least 65 years of age.

(60) "Ombudsman" means the Oregon Long-Term Care Ombudsman or a designee appointed by the Long-Term Care Ombudsman to serve as a representative of the Ombudsman Program in order to investigate and resolve complaints on behalf of adult foster home residents.

(61) "Operator" is synonymous with "Licensee" as defined in this rule.

(62) "Ownership Interest" means the possession of equity in the capital, stock, or profits of an adult foster home. Persons with an ownership or control interest mean a person or corporation that:

(a) Has an "ownership interest" totaling five percent or more in a disclosing entity;

(b) Has an indirect ownership interest equal to five percent or more in a disclosing entity;

(c) Has a combination of direct and indirect ownership interests equal to five percent or more in a disclosing entity;

(d) Owns an interest of five percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least five percent of the value of the property or assets of the disclosing entity;

(e) Is an officer or director of a disclosing entity that is organized as a corporation; or

(f) Is a partner in a disclosing entity that is organized as a partnership.

(63) "Person-Centered Service Plan" as defined in OAR chapter 411, division 004.

(a) FOR INDIVIDUALS RECEIVING MEDICAID. The person-centered service plan coordinator completes the person-centered service plan.

(b) FOR NON-MEDICAID INDIVIDUALS. The person-centered service plan may be completed by the resident, and as applicable, the representative of the individual, and others as chosen by the individual. The licensee may assist non-Medicaid individuals in developing person-centered service plans when no alternative resources are available. The elements of the individual's person-centered service plan may be incorporated into the resident's care plan.

(64) "Person-Centered Service Plan Coordinator" means case managers, services coordinators, personal agents, and other people designated by DHS or OHA to provide case management services or person-centered service planning for and with individuals.

(65) "Physical Restraint" means any manual method or physical or mechanical device, material, or equipment attached to, or adjacent to, a resident's body that the resident may not easily remove and that restricts freedom of movement or normal access to his or her body. Physical restraints include, but are not limited to, wrist or leg restraints, soft ties or vests, hand mitts, wheelchair safety bars, lap trays, and any chair that prevents rising (such as a Geri-chair). Side rails (bed rails) are considered restraints when they are used to prevent a resident from getting out of a bed. The side rail is not considered a restraint when a resident requests a side rail for the purpose of assistance with turning.

(66) "Prescribing Practitioner" means a physician, nurse practitioner, physician assistant, chiropractor, dentist, ophthalmologist, or other health-care practitioner with prescribing authority.

(67) "Primary Caregiver" means a qualified licensee or resident manager, who lives in the home, personally provides care and services, and ensures the health and safety of residents a minimum of five consecutive days per week. More than one person who meets this criterion may be considered a "primary caregiver" as specified below:

(a) Co-licensees working three and four consecutive days and nights per week;

(b) Two approved resident managers working three and four consecutive days and nights per week; or

(c) A licensee and an approved resident manager working three and four consecutive days and nights per week.

(68) "P.R.N. (pro re nata)" means those medications and treatments that have been ordered by a qualified practitioner to be administered as needed.

(69) "Provider" means any person operating an adult foster home (i.e., licensee, resident manager, floating resident manager, or shift caregiver). "Provider" does not include substitute caregivers or the owner or lessor of the building where the adult foster home is situated unless the owner or lessor is also the operator of the adult foster home.

(70) "Provisional License" means a 60-day license issued in an emergency situation when a licensed provider is no longer overseeing the operation of an adult foster home. A provisional license is issued to a qualified person who meets the standards of OAR 411-050-0625 and OAR 411-050-0630, except for completing the training and testing requirements. (See OAR 411-050-0635).

(71) "Psychoactive Medications" mean various medications used to alter mood, anxiety, behavior, or cognitive processes. For the purpose of these rules, "psychoactive medications" include, but are not limited to, antipsychotics, sedatives, hypnotics, and antianxiety medications.

(72) "Qualified Entity Initiator (QEI)" has the meaning set forth in OAR 407-007-0210 (Criminal Records and Abuse Checks for Providers).

(73) "Relative" means those persons identified as family members as defined in this rule.

(74) "Representative" means "Designated Representative" and "Legal Representative" as defined in these rules, unless otherwise stated.

(75) "Reside" means for a person to live in an adult foster home for a permanent or extended period of time. For the purpose of a background check, a person is considered to "reside" in a home if the person's visit is four weeks or greater.

(76) "Residency Agreement" or "Agreement" means the written and legally enforceable agreement between an adult foster home licensee and an individual receiving Home and Community Based Services (HCBS), or representative of the individual, in a provider owned, controlled, or operated setting. The Residency Agreement identifies the policies of the home, services to be provided, and the rights and responsibilities of the individual, and the licensee. The Residency Agreement provides the individual protection from eviction substantially equivalent to landlord-tenant laws.

(77) "Resident" means an adult who is at least 65 years of age, or an adult with a physical disability who is receiving room and board and care and services in an adult foster home on a 24-hour day basis in exchange for compensation. For the purposes of this definition, Resident includes individuals receiving day care services. (See OAR 411-050-0615).

(78) "Resident Manager" means an employee of the licensee, approved by the local licensing authority, who lives in the adult foster home, and is directly responsible for the care of the residents.

(79) "Resident Rights" or "Rights" means civil, legal, or human rights, including, but not limited to, those rights listed in the Adult Foster Home Residents' Bill of Rights. (See ORS 443.739 and OAR 411-050-0655).

(80) "Residential Care" means the provision of care on a 24-hour day basis.

(81) "Room and Board" means receiving compensation for the provision of meals, a place to sleep, laundry, and housekeeping to adults who are older or adults with physical disabilities and who do not need assistance with activities of daily living. Room and board facilities for two or more persons are required to register with the Department under the rules in OAR chapter 411, division 068, unless registered with the local authority having jurisdiction. Adult foster homes with room and board tenants are not subject to OAR chapter 411, division 068.

(82) "Screening" means the evaluation process used to identify an individual's ability to perform activities of daily living and address health and safety concerns.

(83) "Self-Administration of Medication" means the act of a resident placing a medication in or on his or her own body. The resident identifies the medication, the time and manner of administration, and places the medication internally or externally on his or her own body without assistance.

(84) "Self-Preservation" in relation to fire and life safety means the ability of a resident to respond to an alarm without additional cues and reach a point of safety without assistance.

(85) "Services" mean activities that help the residents develop skills to increase or maintain the resident's level of functioning or assist the residents to perform personal care, activities of daily living, or individual social activities.

(86) "Shift Caregivers" mean caregivers who, by written variance of the local licensing authority, are responsible for providing care for regularly scheduled periods of time, such as 8 or 12 hours per day, in homes where there is no licensee or resident manager living in the home.

(87) "Subject Individual" means "subject individual" as defined in OAR 407-007-0210 and means any person 16 years of age or older, including:

(a) All licensed adult foster home providers and provider applicants;

(b) All persons intending to work in, or currently working in an adult foster home, including, but not limited to, caregivers and individuals in training;

(c) Volunteers on the home's premises who provide services for, or who have unsupervised access to any resident, or any resident's funds, belongings, or confidential information; and

(d) Occupants, excluding residents, residing in or on the premises of a proposed or currently licensed adult foster home, including:

(A) Household members;

(B) Room and board tenants; and

(C) Persons staying in the home for a period of four weeks or more.

(e) "Subject Individual" does not apply to:

(A) Persons under 16 years of age;

(B) Residents of the adult foster home or the resident's visitors;

(C) Persons who live or work in or on the adult foster home premises who do not:

(i) Have regular access to the home for meals; or

(ii) Have regular use of the adult foster home's appliances or facilities; or

(iii) Have unsupervised access to the residents or the residents' personal property.

(D) A person providing services to the residents who is employed by a private business not regulated by the Department.

(88) "Substantial Compliance" means a level of compliance with these rules where any deficiencies pose no greater risk to resident health or safety than the potential for causing minor harm.

(89) "Substitute Caregiver" means any person other than the licensee, resident manager, floating resident manager, or shift caregiver who provides care and services in an adult foster home under the jurisdiction of the Department.

(90) "Tenant" means any individual who is residing in an adult foster home who receives services, such as meal preparation, laundry, and housekeeping.

(91) "Tenancy Agreement" means a written and legally enforceable agreement between an adult foster home licensee and an adult who is older or an adult with physical disabilities who resides in the home and does not require assistance with any activity of daily living. The agreement specifies the terms and conditions of a room and board residency in the home.

(92) "These Rules" mean the rules in OAR chapter 411, division 050.

(93) "Variance" means an exception from a regulation or provision of these rules in accordance with OAR 411-050-0642.

(94) "Ventilator-Assisted Care" means the provision of mechanical assistance to replace spontaneous breathing. Devices used include, but are not limited to, mechanical ventilators, manual ventilators, and positive airway pressure ventilators.

411-050-0610

Initial License Application and Fees

(1) The applicant must complete the Department's application form for the specific type of license requested and submit the application form to the local licensing authority with the non-refundable fee.

(a) The application is not complete until all of the required information is submitted to the local licensing authority. Incomplete applications are void after 60 calendar days from the date the local licensing authority receives the application form and non-refundable fee, and the Department may deny the application if not withdrawn.

(b) Failure to provide accurate information may result in the denial of the application.

(2) A separate application is required for each location where an adult foster home is to be operated.

(3) The license application must include:

(a) Complete contact information for the applicant including:

(A) A mailing address if different from the proposed adult foster home; and

(B) A business address for electronic mail.

(b) Verification of attendance at a Department-approved orientation program conducted by the local licensing authority responsible for the licensing of the proposed adult foster home and successful completion of the Department's Ensuring Quality Care Course and examination. (See OAR 411-050-0625);

(c) The maximum resident capacity requested;

(d) Identification of:

(A) Any relatives needing care;

(B) The maximum number of any room and board tenants;

(C) The maximum number of day care individuals; and

(D) The names of any other occupants in the home.

(e) The classification being requested with information and supporting documentation regarding qualifications, relevant work experience, and training of staff as required by the Department. To request a Class 3 license, the license application must include:

(A) Proof of at least three years of full-time experience providing direct care to adults who are older or adults with physical disabilities and who required full assistance in four or more of activities of daily living; and

(B) Current contact information from at least two licensed health care professionals who have direct knowledge of the applicant's abilities and past experience as a caregiver; or

(C) A copy of the applicant's current license as a health care professional in Oregon, if applicable.

(f) A Health History and Physician or Nurse Practitioner's Statement (form SDS 903) regarding the applicant's ability to provide care;

(g) FINANCIAL INFORMATION. A completed Financial Information Sheet (form SDS 448A).

(A) An applicant must have the financial ability and maintain sufficient liquid resources to pay the operating costs of an adult foster home for at least two months without solely relying on potential resident income.

(B) Documentation of two months of liquid resources must include:

(i) The Department's current Verification of Financial Resources form (SDS 0448F) completed and stamped or notarized by the applicant's financial institution; or

(ii) Documentation on letterhead of the applicant's financial institution, which includes:

(I) The last four digits of the applicant's account number;

(II) The name of the account holder and, if the account is not in the applicant's name, verification the applicant has access to the account's funds;

(III) The highest and lowest balances for each of the most recent three full months; and

(IV) The number of any non-sufficient fund (NSF) payments in each of the last three full months, if any; or

(iii) Demonstration of cash on hand equal to a minimum of two months of operating expenses.

(C) If an applicant uses income from another adult foster home to document possession of at least two months of operating expenses, the applicant must demonstrate the financial ability and maintain sufficient liquid resources to pay the operating costs of each home for at least two months without solely relying on potential resident income.

(h) If the home is leased or rented, a copy of the completed lease or rental agreement. The agreement must be a standard lease or rental agreement for residential use and include the following:

(A) The owner and landlord's name;

(B) Verification that the rent is a flat rate; and

(C) The signatures of the landlord and applicant and the date signed;

(i) If the applicant is purchasing or owns the home, verification of purchase or ownership;

(j) Documentation of the initiation of a background check or a copy of an approved background check for each subject individual as defined in OAR 411-050-0602;

(k) A current and accurate floor plan that indicates:

(A) The size of rooms;

(B) Which bedrooms are to be used by residents, the licensee, caregivers, for day care, and room and board tenants, as applicable;

(C) The location of all the exits on each level of the home, including emergency exits such as windows;

(D) The location of any wheelchair ramps;

(E) The location of all fire extinguishers, smoke alarms, and carbon monoxide alarms;

(F) The planned evacuation routes, initial point of safety, and final point of safety; and

(G) Any designated smoking areas in or on the adult foster home premises.

(l) If requesting a license to operate more than one home, a plan covering administrative responsibilities and staffing qualifications for each home;

(m) A $20 per bed non-refundable fee for each non-relative resident;

(n) Three personal references for the applicant who are not family members as defined in OAR 411-050-0602. Current or potential licensees and co-workers of current or potential licensees are not eligible as personal references;

(o) If the applicant intends to use a resident manager, floating resident manager, or shift caregivers, the Department's supplemental application (form SDS 448B) completed by the applicant, as appropriate;

(p) Written information describing the operational plan for the adult foster home including:

(A) The use of substitute caregivers and other staff;

(B) A plan of coverage for the absence of the primary caregiver; and

(C) The name of a qualified back-up provider, approved resident manager, or approved floating resident manager who does not live in the home but has been oriented to the home. The applicant must also submit a signed agreement with the listed back-up provider and maintain a copy in the facility records.

(q) Copies of the home's Residency Agreements according to OAR 411-050-0615(2).

(4) After receipt of the completed application materials including the non-refundable fee, the local licensing authority must investigate the information submitted including pertinent information received from outside sources, inspect the home, and conduct a personal interview with the applicant.

(5) The Department shall deny the issuance of a license if cited violations from the home inspection are not corrected within the time frames specified by the local licensing authority.

(6) The applicant may withdraw his or her application at any time during the application process by written notification to the local licensing authority.

(7) An applicant whose license has been revoked, non-renewed, voluntarily surrendered during a revocation or non-renewal process, or whose application for licensure has been denied, shall not be granted a new license by the local licensing authority for a period of not less than one year from the date the action was final, or for a longer period if specified in the final order.

(8) All moneys collected under ORS 443.725 to 443.825 are paid to the Quality Care Fund.

Stat. Auth.: ORS 410.070, 443.001, 443.004, 443.725, 443.730, 443.735, 443.738, 443.742, 443.760, 443.767, 443.775, 443.790

411-050-0615

Provider Enrollment Agreements, Residency Agreements, and Refunds

(1) MEDICAID PROVIDER ENROLLMENT AGREEMENT.

(a) An applicant or licensee who intends to care for residents who are or become eligible for Medicaid services must enter into a Medicaid Provider Enrollment Agreement with the Department, follow Department rules, and abide by the terms of the Medicaid Provider Enrollment Agreement. The local licensing authority shall determine that the applicant, licensee, and any owner or officer of the corporation, as applicable, is not listed on either of the Exclusion Lists before approval of a Medicaid Provider Enrollment Agreement.

(b) An approved Medicaid Provider Enrollment Agreement does not guarantee the placement of individuals eligible for Medicaid services in the adult foster home.

(c) An approved Medicaid Provider Enrollment Agreement is valid for the length of the license unless earlier terminated by the licensee or the Department. A Medicaid Provider Enrollment Agreement must be completed, submitted, approved, and renewed with each licensing cycle.

(d) The rate of compensation established by the Department is considered payment in full. The licensee may not request or accept additional funds or in-kind payment from any source.

(e) An individual eligible for Medicaid services may not be admitted into an adult foster home unless and until:

(A) The Department has approved a Medicaid Provider Enrollment Agreement. The Department shall not issue a Medicaid payment to a licensee without a current license and an approved Medicaid Provider Enrollment Agreement in place;

(B) The individual eligible for Medicaid services has been screened according to OAR 411-050-0655; and

(C) The Department has authorized the placement. The authorization must be clearly documented in the resident's record with other required admission materials. (See OAR 411-050-0655).

(f) The Department shall not make payment for the date a resident moves from the home, or for any time period thereafter.

(g) The licensee must enter into a written agreement with a resident who receives Medicaid services if the licensee charges for storage of belongings that remain in the adult foster home for more than 15 calendar days after the resident has left the home.

(A) The written agreement must be consistent with the licensee's policy with private-pay residents and entered into at the time of the resident's admission or at the time the resident becomes eligible for Medicaid services.

(B) The licensee must give written notice to the resident and the resident's family or other representatives 30 calendar days before any increases, additions, or other modifications to the charges for storage.

(h) A licensee who elects to provide care for individuals eligible for Medicaid services is not required to admit more than one resident eligible for Medicaid services. However, if the licensee has an approved Medicaid Provider Enrollment Agreement, private-pay residents who become eligible for Medicaid services may not be asked to leave solely on the basis of Medicaid eligibility.

(i) The licensee or the Department may terminate a Medicaid Provider Enrollment Agreement according to the terms of the Medicaid Provider Enrollment Agreement.

(j) The Department may terminate a Medicaid Provider Enrollment Agreement under the following circumstances:

(A) The licensee fails to maintain substantial compliance with all related federal, state, and local laws, ordinances, and regulations; or

(B) The license to operate the adult foster home has been voluntarily surrendered, revoked, or non-renewed.

(k) The Department must terminate a Medicaid Provider Enrollment Agreement under the following circumstances:

(A) The licensee fails to permit access by the Department, the local licensing authority, or the Centers for Medicare and Medicaid Services to any adult foster home licensed to and operated by the licensee;

(B) The licensee submits false or inaccurate information;

(C) Any person with five percent or greater direct or indirect ownership interest in the adult foster home did not submit timely and accurate information on the Medicaid Provider Enrollment Agreement form or fails to submit fingerprints if required under the criminal records and abuse check rules in OAR 407-007-0200 to 407-007-0370;

(D) Any person with five percent or greater direct or indirect ownership interest in the adult foster home has been convicted of a criminal offense related to the person's involvement with Medicare, Medicaid, or Title XXI programs in the last 10 years; or

(E) Any person with an ownership or control interest, or who is an agent or managing employee of the adult foster home, fails to submit timely and accurate information on the Medicaid Provider Enrollment Agreement form.

(l) If the licensee submits notice of termination of the Medicaid Provider Enrollment Agreement, the licensee must comply with the following requirements:

(A) Simultaneously issue the Department's Notice of Involuntary Move or Transfer of Resident form (SDS 901) to each resident eligible for Medicaid services in the licensee's adult foster home (See OAR 411-050-0645).

(B) Update Residency Agreement and submit to the local licensing authority for review.

(C) Obtain signatures of all current residents, or the resident's representative on the updated Residency Agreement following the local licensing authority's review.

(m) If either the licensee or the Department terminates a Medicaid Provider Enrollment Agreement, a new Medicaid Provider Enrollment Agreement shall not be approved by the local licensing authority for a period of not less than 180 days from the date the licensee or the Department terminated the Medicaid Provider Enrollment Agreement.

(n) DEATH OF RESIDENT ELIGIBLE FOR MEDICAID SERVICES WITH NO SURVIVING SPOUSE. The licensee must forward all personal incidental funds (PIF) to the Estate Administration Unit, P. O. Box 14021, Salem, Oregon 97309-5024, within 10 business days of the death of a resident eligible for Medicaid services with no surviving spouse. (See Limits on Estate Claims, OAR 461-135-0835).

(2) RESIDENCY AGREEMENT. A licensee must enter into a written Agreement with all residents or the residents' representatives, which details the care and services to be provided, and the rate to be charged. The written Agreement must be signed by all parties before the admission of the resident. A copy of the Agreement is subject to review for compliance with these rules by the local licensing authority before licensure and before the implementation of any changes to the Agreement.

(a) The Agreement must include, but not be limited to:

(A) Services to be provided and the rate to be charged. For individuals receiving Medicaid, the Residency Agreement may state the rate will be "as authorized by the Department". A payment range may not be used unless the Agreement plainly states when an increase in rate may be expected based on a resident's increased care or service needs.

(B) Conditions under which the rates may be changed.

(C) The home's refund policy in instances of a resident's hospitalization, death, transfer to a nursing facility or other care facility, and voluntary or involuntary move. The refund policy must be in compliance with section (3) of this rule.

(D) A statement indicating that the resident is not liable for damages considered normal wear and tear on the adult foster home and the adult foster home's contents.

(b) The Agreement must disclose:

(A) The home's policies on moves, including:

(i) Voluntary moves and whether or not the licensee requires written notification of a non-Medicaid resident's intent to not return.

(ii) Involuntary moves and the resident's rights according to OAR 411-050-0445(11) and (12).

(B) Any charges for storage of belongings that remain in the adult foster home for more than 15 calendar days after the resident has left the home.

(C) Any policies the adult foster home may have on the use of alcohol, tobacco, intercoms, and monitors.

(D) The home's smoking policies in compliance with OAR 411-050-0650.

(E) The home's policy regarding animals. Restrictions may not apply to animals that provide assistance or perform tasks for the benefit of a person with a disability. Such animals are often referred to as service animals, assistance animals, support animals, therapy animals, companion animals, or emotional support animals.

(F) The home's policy regarding the presence and use of legal medical and recreational marijuana on the premises.

(G) The home's schedule of meal times with no more than a 14-hour span between the evening meal and the following morning's meal (See OAR 411-050-0645).

(H) Whether the home serves individuals eligible for Medicaid services.

(I) The home's policy regarding refunds for residents eligible for Medicaid services, including pro-rating partial months and if the room and board is refundable.

(J) A clear and precise statement of any limitation to the implementation of Advance Directives on the basis of conscience. This rule does not apply to medical professional or hospice orders for administration of medications. The statement must include:

(i) A description of conscientious objections as they apply to all occupants of the adult foster home;

(ii) The legal authority permitting such objections under ORS 127.505 to 127.660; and

(iii) Description of the range of medical conditions or procedures affected by the conscientious objection.

(c) The Agreement must:

(A) Not conflict with the Resident's Rights, the family atmosphere of the home, or any of these rules; and

(B) Be reviewed and approved by the local licensing authority before the issuance of a license, and before implementing any changes.

(d) Providers initially licensed before January 1, 2016 have until September 1, 2018 to fully comply with this rule. The Agreement must include the freedoms authorized by 42 CFR 441.301(c)(4) & 42 CFR 441.530(a)(1), which must not be limited without the informed, written consent of the resident or the resident's representative, and approved by the person-centered service plan coordinator, which includes the right to:

(A) The freedom and support to access food at any time;

(B) To have visitors of the resident's choosing at any time;

(C) Have a lockable door in the resident's bedroom, which may be locked by the resident;

(D) Choose a roommate when sharing a bedroom;

(E) Furnish and decorate the resident's bedroom according to the Residency Agreement;

(F) The freedom and support to control the resident's schedule and activities;

(G) Privacy in the resident's bedroom.

(e) The licensee may not charge or ask for application fees or non-refundable deposits. Fees to hold a bed are permissible.

(f) The licensee must give a copy of the signed Agreement to the resident or the resident's representative and must retain the original signed Agreement and any amendments on the premises available for review.

(g) The licensee may not include any illegal or unenforceable provision in an Agreement with a resident and may not ask or require a resident to waive any of the resident's rights or licensee's liability for negligence.

(h) The licensee must give written notice to a non-Medicaid resident and the resident's family or other representatives 30 calendar days before any general rate increases, additions, or other modifications of the rates. The licensee is not required to give 30 day written notice if the rate change is due to the resident's increased care or service needs and the agreed upon rate schedule in the resident's Agreement has specified charges for those changes.

(3) REFUNDS FOR NON-MEDICAID RESIDENTS.

(a) If a resident dies, the licensee may not retain or require payment for more than 15 calendar days after the date of the resident's death, or the time specified in the licensee's Agreement, whichever is less.

(b) If a resident leaves an adult foster home for medical reasons and the resident or the resident's representative indicates the resident's intent to not return, the licensee may not retain or require payment for more than 15 calendar days after the date the licensee receives notification from the resident, the resident's representative, or the time specified in the licensee's Agreement, whichever is less.

(c) If a resident who has paid with private funds becomes eligible for Medicaid services, the licensee must accept payment from the Department from the date of eligibility forward as payment in full. The licensee must reimburse the resident or the resident's representative within 30 calendar days after the licensee receives payment from the Department for any private payment received after the resident became eligible for Medicaid services.

(d) The licensee must act in good faith to reduce the charge to a resident who has left the home by seeking a new resident to fill the vacancy.

(e) The licensee must refund any unused advance payment to the resident, or the resident's representative as appropriate, within 30 calendar days after the resident dies or leaves the home.

(f) If the adult foster home closes or the licensee gives written notice for the resident to leave, the licensee waives the right to collect any fees beyond the date of closure or the resident's departure, whichever is sooner.

(g) If a resident dies or leaves an adult foster home due to neglect or abuse at the adult foster home that is substantiated by a Department investigator, or due to conditions of imminent danger of life, health, or safety, the licensee may not charge the resident beyond the resident's last day in the home.

(h) The refund policies in these rules also apply to refunds for resident moves and transfers as described in OAR 411-050-0645.

411-050-0625
Qualification and Training Requirements

(1) APPLICANT AND LICENSEE QUALIFICATIONS. An adult foster home applicant and licensee must meet and maintain the requirements specified in this section. An adult foster home applicant and licensee must:

(a) Live in the home that is to be licensed at least five days and nights per week and function as the primary caregiver as defined in OAR 411-050-0602 unless:

(A) There is, or shall be upon licensure, an approved resident manager who lives in the home and works five consecutive days and nights per week as the primary caregiver;

(B) There is, or shall be upon licensure, two approved primary caregivers who live in the home and work three and four consecutive days and nights per week respectively; or

(C) A variance for shift caregivers has been granted according to section (6) of this rule.

(b) Subsections (a)(A), (B), and (C) of this section are not intended to prohibit the occasional and temporary absence of the primary caregiver from the adult foster home;

(c) Be at least 21 years of age;

(d) Possess physical health, mental health, good judgment, and good personal character, including truthfulness, determined necessary by the Department to provide 24-hour care for adults who are older or adults with physical disabilities. An applicant and licensee must have a statement from a physician, nurse practitioner, or physician assistant indicating that the applicant or licensee is physically, cognitively, and emotionally capable of providing care to residents. An applicant or licensee with documented history or substantiated complaints of substance abuse or mental illness must provide evidence satisfactory to the Department of successful treatment, rehabilitation, or references regarding current condition;

(e) Have an approved background check in accordance with OAR 411-050-0620 and maintain that approval as required;

(f) Be literate in the English language and demonstrate the ability to comprehend and communicate in English orally and in writing with the residents and the residents' family members or representatives, emergency personnel (e.g., emergency operator, law enforcement, paramedics, and fire fighters), licensed health care professionals, case managers, Department and local licensing authority staff, and others involved in the care of the residents;

(g) Be able to respond appropriately to emergency situations at all times; and

(h) Have a clear understanding of his or her responsibilities, knowledge of the residents' care plans, and the ability to provide the care specified for each resident; and not be listed on either of the Exclusion Lists.

(2) APPLICANT AND LICENSEE TRAINING REQUIREMENTS.

(a) Applicants and licensees must have the education, experience, and training to meet the requirements of the requested classification of the home. (See OAR 411-050-0630)

(b) A potential applicant or applicant must complete the following training requirements prior to obtaining a license:

(A) Attend a Department-approved orientation program conducted by the local licensing authority responsible for the licensing of the proposed adult foster home;

(B) Attend the Department's Ensuring Quality Care Course and pass the examination to meet application requirements for licensure;

(i) Potential applicants and applicants who fail the first examination may take the examination a second time; however, successful completion of the examination must take place within 90 calendar days of the end of the Department's Ensuring Quality Care Course.

(ii) Potential applicants and applicants who fail a second examination must retake the Department's Ensuring Quality Care Course prior to repeating the examination.

(C) Comply with the Department's January 1, 2015, student policies for the Department's Ensuring Quality Care Course; and

(D) Have current CPR and First Aid certification.

(i) Accepted CPR and First Aid courses must be provided by or meet the standards of the American Heart Association or the American Red Cross (e.g. the American Safety and Health Institute or MEDIC First Aid).

(ii) CPR or First Aid courses conducted online are only accepted by the Department when an in-person skills competency check is conducted by a qualified instructor meeting the standards of the American Heart Association, the American Red Cross.

(3) FINANCIAL REQUIREMENTS. A licensee applicant and licensee must have the financial ability and maintain sufficient liquid resources to pay the operating costs of the adult foster home for at least two months without solely relying on potential resident income.

(a) If an initial license applicant is unable to demonstrate the financial ability and resources required by this section, the Department may require the applicant to furnish a financial guarantee, such as a line of credit or guaranteed loan, to fulfill the requirements of this rule.

(b) If at any time there is reason to believe an applicant or licensee may not have sufficient financial resources to operate the home in compliance with these rules, the local licensing authority may request additional documentation, which may include verification of the applicant's or licensee's ability to readily access the requested funds. Circumstances that may prompt the request of additional financial information include, but are not limited to, reports of insufficient food, inadequate heat, or failure to pay employees, utilities, rent, or mortgage. Additional documentation of financial resources may include, but are not limited to:

(A) The Department's Verification of Financial Resources form (SDS 0448F) completed and stamped or notarized by the applicant's or licensee's financial institution;

(B) Documentation on letterhead of the applicant's or licensee's financial institution that includes:

(i) The last four digits of the applicant's or licensee's account number;

(ii) The name of the account holder, and if the account is not in the applicant's or licensee's name, verification the applicant or licensee has access to the account's funds;

(iii) The highest and lowest balances for each of the most recent three full months;

(iv) The number of any non-sufficient fund (NSF) payments in each of the last three full months, if any; and

(v) Signature of the banking institution's representative completing the form and date.

(C) Demonstration of cash on hand equal to a minimum of two months of operating expenses.

(c) The local licensing authority must request the least information necessary to verify compliance with this section.

(4) RESIDENT MANAGER REQUIREMENTS. A resident manager must live in the home as specified in section (1)(a) of this rule and function as the primary caregiver under the licensee's supervision. A resident manager must meet and maintain the qualification and training requirements specified in sections (1)(a) through (2)(b)(D) of this rule. The local licensing authority shall verify all the requirements of these rules have been satisfied prior to approval of a resident manager.

(5) FLOATING RESIDENT MANAGER REQUIREMENTS.

(a) A floating resident manager must meet and maintain the qualification and training requirements specified in sections (1)(c) through (2)(b)(D) of this rule, except as indicated in (5)(b) of this rule.

(b) If the licensee has one or more homes within the jurisdiction of more than one local licensing authority, a currently approved floating resident manager is not required to complete the Department-approved orientation in more than one licensing authority's jurisdiction. This exception does not prohibit the local licensing authority within an exempt area from requiring the floating resident manager applicant to attend the local licensing authority's orientation.

(c) The floating resident manager must be oriented to each home prior to providing resident care in each home. Documentation of orientation to every home the floating resident manager works in must be available within each home as stated in section (7) of this rule.

(d) Facility records in each of the homes a floating resident manager is assigned to work must maintain proof the floating resident manager has a current and approved background check.

(e) A floating resident manager may not be used in lieu of a shift caregiver, except on temporary basis, when the regular shift caregiver is unavailable due to circumstances, such as illness, vacation, or termination of employment.

(6) SHIFT CAREGIVER REQUIREMENTS.

(a) Shift caregivers may be used in lieu of a resident manager if granted a written variance by the local licensing authority. Use of shift caregivers detracts from the intent of a home-like environment, but may be allowed for specific resident populations. The type of residents served must be a specialized population with intense care needs, such as those with Alzheimer's disease, AIDS, or head injuries. If shift caregivers are used, each shift caregiver must meet or exceed the experience and training qualifications for the license classification requested.

(b) Shift caregivers must meet and maintain the qualification and training requirements specified in sections (1)(c) through (2)(b)(D) of this rule. The local licensing authority shall verify all the requirements of these rules have been satisfied prior to approval of a shift caregiver.

(7) CAREGIVER ORIENTATION. Prior to providing care to any resident, a resident manager, floating resident manager, and shift caregiver must be oriented to the home and to the residents by the licensee. Orientation must be clearly documented in the facility records. Orientation includes, but is not limited to:

(a) Location of any fire extinguishers;

(b) Demonstration of evacuation procedures;

(c) Instruction of the emergency preparedness plan;

(d) Location of resident records;

(e) Location of telephone numbers for the residents' physicians, the licensee, and other emergency contacts;

(f) Location of medications and the key for the medication cabinet;

(g) Introduction to residents;

(h) Instructions for caring for each resident;

(i) Delegation by a registered nurse for nursing tasks, if applicable; and

(j) Policies and procedures related to Advance Directives. (See OAR 411-050-0645)

(8) EMPLOYMENT APPLICATION. An application for employment in any capacity in an adult foster home must include a question asking whether the person applying for employment has been found to have committed abuse. Employment applications must be retained for at least three years.

(9) EXCLUSION VERIFICATION.

(a) A licensee must verify the resident manager, floating resident manager, and shift caregivers, as applicable, are not listed on either of the Exclusion Lists prior to employment.

(b) Verification of checking the Exclusion Lists must be clearly documented in the facility records.

(10) TRAINING WITHIN FIRST YEAR OF INITIAL LICENSING OR APPROVAL. Within the first year of obtaining an initial license or approval, the licensee, resident manager, floating resident manager, and shift caregivers must complete the Six Rights of Safe Medication Administration and a Fire and Life Safety training as available. The Department or local licensing authority and the Office of the State Fire Marshal or the local fire prevention authority may coordinate the Fire and Life Safety training program.

(11) ANNUAL TRAINING REQUIREMENTS.

(a) Each year after initial licensure, the licensee, resident manager, floating resident manager, and shift caregivers must complete at least 12 hours of Department-approved training related to the care of adults who are older or adults with physical disabilities in an adult foster home setting. Up to four of those hours may be related to the business operation of the adult foster home.

(b) A licensee, resident manager, floating resident manager, and shift caregivers, as applicable, must maintain approved CPR certification.

(c) Registered nurse delegation or consultation, CPR certification and First Aid training, Ensuring Quality Care Course (not including approved EQC refresher courses), adult foster home orientation, Ventilator Assisted Care Course and skills competency checks, or consultation with an accountant do not count toward the required 12 hours of annual training.

(12) SUBSTITUTE CAREGIVER REQUIREMENTS. A substitute caregiver left in charge of the residents for any period of time, may not be a resident, and must at a minimum, meet all of the following qualifications prior to working or training in the home:

(a) Be at least 18 years of age.

(b) Have an approved background check in accordance with OAR 411-050-0620 and maintain that approval as required.

(c) Be literate in the English language and demonstrate the ability to comprehend and communicate in English orally and in writing with the residents and the residents' family members and representatives, emergency personnel (e.g., emergency operator, law enforcement, paramedics, and fire fighters), licensed health care professionals, case managers, Department and local licensing authority staff, and others involved in the care of the residents.

(d) Be able to respond appropriately to emergency situations at all times.

(e) Have a clear understanding of his or her responsibilities, have knowledge of the residents' care plans, and be able to provide the care specified for each resident, including appropriate delegation or consultation by a registered nurse.

(f) Possess physical health, mental health, good judgment, and good personal character, including truthfulness, determined necessary by the Department to provide care for adults who are older or adults with physical disabilities, as determined by reference checks and other sources of information.

(g) Have current CPR and First Aid certification within 30 calendar days of the start of employment.

(A) Accepted CPR and First Aid courses must be provided by or meet the standards of the American Heart Association or the American Red Cross (e.g. the American Safety and Health Institute or MEDIC First Aid).

(B) CPR or First Aid courses conducted online are only accepted by the Department when an in-person skills competency check is conducted by a qualified instructor meeting the standards of the American Heart Association or the American Red Cross.

(h) Not be listed on either of the Exclusion Lists.

(A) Licensees must verify the substitute caregiver is not listed on either of these Exclusion Lists; and

(B) Clearly document that verification in the facility's records.

(13) TRAINING REQUIREMENTS FOR SUBSTITUTE CAREGIVERS.

(a) A substitute caregiver must be oriented to the home and to the residents by the licensee or resident manager prior to the provision of care to any residents. Orientation includes, but is not limited to:

(A) Location of any fire extinguishers;

(B) Demonstration of evacuation procedures;

(C) Instruction of the emergency preparedness plan;

(D) Location of resident records;

(E) Location of telephone numbers for the residents' physicians, the licensee, and other emergency contacts;

(F) Location of medications and the key for the medication cabinet;

(G) Introduction to residents;

(H) Instructions for caring for each resident;

(I) Delegation by a registered nurse for nursing tasks if applicable; and

(J) Education on the policies and procedures related to Advance Directives. (See OAR 411-050-0645)

(b) A substitute caregiver must complete the Department's Caregiver Preparatory Training Study Guide (DHS 9030) and Workbook (DHS 9030-W) and receive instruction in specific care responsibilities from the licensee, resident manager, or floating resident manager prior to working or training in the home. The Workbook must be completed by the substitute caregiver without the help of any others. The Workbook is considered part of the required orientation to the home and residents.

(A) The local licensing authority may grant a variance to the Caregiver Preparatory Training Study Guide and Workbook requirement for a substitute caregiver who:

(i) Holds a current Oregon license as a health care professional, such as a physician, nurse practitioner, physician assistant, registered nurse, or licensed practical nurse; and

(ii) Who demonstrates the ability to provide adequate care to residents based on similar training or at least one year of experience providing direct care to adults who are older or adults with physical disabilities.

(B) A certified nursing assistant (CNA) or certified medical assistant (CMA) must complete the Caregiver Preparatory Training Study Guide and Workbook and have a certificate of completion signed by the licensee.

(c) A substitute caregiver routinely left in charge of an adult foster home for any period that exceeds 48 continuous hours is required to meet the education, experience, and training requirements of a resident manager as specified in this rule. A licensee may not leave a substitute caregiver or concurrent substitute caregivers routinely in charge of the home for any period that exceeds 48 continuous hours within one calendar week. This requirement is not intended to prevent a qualified substitute caregiver from providing relief care in the absence of the primary caregiver, such as for a one or two week vacation. In such an event, the licensee must arrange for the qualified back-up provider to be available as needed.

(14) If a licensee has demonstrated non-compliance with one or more of these rules, the Department may require, by condition, additional training in the deficient area.

411-050-0630

Classification of Adult Foster Homes

(1) The local licensing authority shall issue a Class 1, Class 2, or Class 3 adult foster home license only if the qualifications of the applicant, resident manager, floating resident manager, and shift caregivers, as applicable, fulfill the classification requirements of these rules.

(a) After receipt of the completed application materials, including the non-refundable fee, the local licensing authority must investigate the information submitted, including any pertinent information received from outside sources.

(b) The local licensing authority shall not issue a license if unsatisfactory references or a history of substantial non-compliance of the applicant within the last 24 months is verified.

(c) The local licensing authority may issue a Class 1 license if the applicant and resident manager, as applicable, complete the training requirements outlined in OAR 411-050-0625;

(d) The local licensing authority may issue a Class 2 license if the applicant, resident manager, and floating resident manager, as applicable, complete the requirements outlined in OAR 411-050-0625. In addition, these caregivers must each have the equivalent of two years of full time experience providing direct care to adults who are older or adults with physical disabilities;

(e) The local licensing authority may issue a Class 3 license if the applicant, resident manager, floating resident manager, and shift caregivers, as applicable, complete the training requirements outlined in OAR 411-050-0625 and have a current license as a health care professional in Oregon or possess the following qualifications:

(A) Have the equivalent of three years of full time experience providing direct care to adults who are older or adults with physical disabilities and who require full assistance in four or more activities of daily living; and

(B) Have references satisfactory to the Department. The applicant must submit current contact information from at least two licensed health care professionals who have direct knowledge of the applicant's ability and past experience as a caregiver.

(2) The Department may approve a licensee to care for residents requiring ventilator-assisted care. The licensee, resident manager, floating resident manager, or shift caregivers, as applicable, must meet the criteria for a Class 3 home according to section (1)(e) of this rule and comply with the additional requirements for adult foster homes serving residents requiring ventilator-assisted care outlined in OAR 411-050-0660.

(3) To request a change in the classification of a licensed home, at any time other than the license renewal period, the licensee shall submit a written request to the local licensing authority, using the Department's form

DHS 0748, and DHS 0748A as applicable, to amend the licensee's previous application for a license.

(a) The complete request will include all the required information and documentation, as applicable, to demonstrate the applicant meets the standards for the requested classification according to these rules.

(b) Within 60 calendar days' receipt of the complete written request, the local licensing authority will investigate the information provided and shall:

(A) Approve the applicant's request and issue an amended license with the requested classification; or

(B) Deny the applicant's request, unless the applicant submits written notification to withdraw the requested change in classification. If the request is denied, the Department shall provide the applicant with notice and an opportunity for a contested case hearing pursuant to ORS 183. The Notice shall state the reasons for the denial and shall be served personally upon the applicant or by certified or registered mail. Any request for a contested case hearing must be submitted to the Department, in writing, by the applicant within 10 days of service.

(4) A licensee may only admit or continue to care for residents whose impairment levels are within the classification of the licensed home.

(a) A licensee with a Class 1 license may only admit residents who require assistance in no more than four activities of daily living.

(b) A licensee with a Class 2 license may provide care for residents who require assistance in all activities of daily living, but require full assistance in no more than three activities of daily living.

(c) A licensee with a Class 3 license may provide care for residents who require full assistance in four or more activities of daily living, but only one resident who requires bed-care or full assistance with all activities of daily living, not including cognition or behavior.

(5) A licensee must request, in writing, a variance from the local licensing authority if:

(a) A new resident wishes to be admitted whose impairment level exceeds the license classification;

(b) A current resident becomes more impaired, exceeding the license classification; or

(c) There is more than one resident in the home who requires full bed-care or full assistance with all activities of daily living, not including cognition or behavior.

(6) The local licensing authority may grant a variance that allows the resident to be admitted or remain in the adult foster home. The local licensing authority must respond in writing within 30 calendar days after receipt of the licensee's written variance request. The licensee must prove the following criteria are met by clear and convincing evidence:

(a) It is the choice of the resident to reside in the home;

(b) The licensee is able to provide appropriate care and service to the resident in addition to meeting the care and service needs of the other residents;

(c) Additional staff is hired to meet the additional care requirements of all residents in the home as necessary;

(d) Outside resources are available and obtained to meet the resident's care needs;

(e) The variance shall not jeopardize the care, health, safety, or welfare of the residents; and

(f) The licensee is able to demonstrate how all occupants shall be safely evacuated in three minutes or less.

411-050-0632
Capacity

(1) Residents must be limited to five adults who require care and are unrelated to the licensee and resident manager by blood, marriage, or adoption.

(2) The number of residents permitted to reside in an adult foster home is determined by the ability of the staff to meet the care needs of the residents, the fire and life safety standards for evacuation, and compliance with the facility standards of these rules.

(3) The licensee must demonstrate, to the local licensing authority's satisfaction, the ability to meet the needs of the residents, in addition to, caring for any children or relatives beyond the license capacity of the adult foster home.

(4) The local licensing authority's determination of maximum capacity must ensure:

(a) The ratio of at least one caregiver per five residents, including any day care individuals and others requiring care or supervision except as allowed under section (5) of this rule.

(b) Children over the age of five have a bedroom available that is separate from the child's parents.

(c) The well-being of the household, including any children or other family members, shall not be jeopardized.

(d) The care needs of day care individuals shall be met.

(5) When a family member requires care in a home where the licensee is the primary live-in caregiver, a maximum capacity of five unrelated residents are allowed if the following criteria are met:

(a) The licensee must be able to demonstrate the ability to evacuate all occupants from the adult foster home within three minutes or less (See OAR 411-050-0650).

(b) The licensee must have sufficient, qualified staff and demonstrate the ability to provide appropriate care for all residents (See OAR 411-050-0645).

(c) There must be an additional 40 square feet of common living space for each person above the five residents (See OAR 411-050-0650).

(d) Bathrooms and bedrooms must meet the requirements of OAR 411-050-0650.

(e) The care needs of day care individuals must be within the classification of the license and any conditions imposed on the license.

(f) The well-being of the household, including any children or other family members, shall not be jeopardized.

(6) If day care individuals are in the home, the licensee must have arrangements for the day care individuals to sleep in areas other than a resident's bed, a resident's room, or space designated as common use, in accordance with OAR 411-050-0650.

(7) If room and board tenants are in the home, each tenant must have:

(a) An approved background check in accordance with OAR 407-007-0200 to 407-007-0370 (Criminal Records and Abuse Check Rules).

(b) A tenancy agreement.

(c) A copy of the current tenancy agreement signed and dated by the tenant.

(8) To request a change to the maximum capacity of a licensed home at any time other than the license renewal period, the licensee shall submit to the local licensing authority a written request using the Department's form, DHS 0749, to amend the licensee's previous application for a license.

(a) The complete request will include:

(A) All the required information and documentation, as applicable, to demonstrate the applicant meets the standards for the requested capacity according to these rules; and

(B) A $20 non-refundable fee for each additional resident bed requested.

(b) Within 60 calendar days' receipt of the complete written request, the local licensing authority must investigate the information provided and must:

(A) Approve the request and issue an amended license with the requested capacity; or

(B) Deny the applicant's request, unless the applicant submits written notification to withdraw the requested change in classification. If the request is denied, the Department shall provide the applicant with notice and an opportunity for a contested case hearing pursuant to ORS 183. The notice shall state the reasons for the denial and shall be served personally upon the applicant or by certified or registered mail. Any request for a contested case hearing must be submitted to the Department, in writing, by the applicant within 10 days of service.

411-050-0635
Issuance

(1) The local licensing authority must issue a license within 60 calendar days after the completed application materials have been received if the home and applicant are in compliance with these rules.

(2) The license specifies the type of license and includes:

(a) The name of the licensee and the name of the resident manager or shift caregivers as applicable, who have met the requirements to operate the adult foster home.

(b) The address of the premises to which the license applies.

(c) The license classification and level if applicable.

(d) The maximum number of residents.

(e) The expiration date.

(3) The licensee must be given a copy of the Department's inspection report form as follows:

(a) INITIAL LICENSE. Form SDS 516 identifying any areas of noncompliance and a time frame for correction.

(b) RENEWAL LICENSE. Form SDS 517A and, if applicable, form SDS 517B citing any violations. The SDS 517B must specify a time frame for correction of each violation. The time frame for correction may not exceed 30 calendar days from the date of inspection.

(4) The licensee must post the most recent inspection reports in the entry of the home or an equally prominent place and must, upon request, provide a copy of the reports to each resident, person applying for admission to the home, or the legal representative, guardian, or conservator of a resident.

(5) The Department may attach conditions to the license that limit, restrict, or specify other criteria for operation of the home. The conditions must be visibly posted with the license.

(6) The local licensing authority shall not issue an initial license unless:

(a) The applicant and adult foster home are in compliance with ORS 443.705 to 443.825 and these rules;

(b) The applicant currently operates, or has operated, any other facility licensed by the applicant in substantial compliance with ORS 443.705 to 443.825;

(c) The local licensing authority has completed an inspection of the adult foster home that demonstrates the home is in compliance with these rules;

(d) The Department has completed a background check in accordance with OAR 411-050-0620;

(e) The local licensing authority has reviewed the record of sanctions available from the local licensing authority's files;

(f) The local licensing authority has determined that the nursing assistant registry maintained under 42 CFR 483.156 contains no finding that the applicant or any nursing assistant employed by the applicant has been responsible for abuse;

(g) The local licensing authority has verified the applicant is not listed on either of the Exclusion Lists; and

(h) The applicant has demonstrated to the local licensing authority the financial ability and resources necessary to operate an adult foster home.

(7) A license is valid for one year unless revoked or suspended by the Department.

(8) When the Department reviews a license and determines that the convenience of both the licensee and the Department will be served, a license period may be changed to match the renewal schedule of another license held by the same licensee. The request for a schedule change may be made by either the Department or the licensee. No license period may extend beyond one year.

(9) In seeking an initial license, the burden of proof to establish compliance with ORS 443.705 to 443.825, and these rules, is upon the applicant of the adult foster home.

(10) The local licensing authority shall not issue a license to operate an additional adult foster home to a licensee who has failed to achieve and maintain substantial compliance with the rules and regulations while operating his or her existing home or homes.

(11) PROVISIONAL LICENSE. Notwithstanding any other provision of this rule or ORS 443.725 or 443.738, the local licensing authority may issue a 60-day provisional license to a qualified person.

(a) A provisional license may be issued if the local licensing authority determines it is in the best interests of the residents currently residing in the home, and any of the following exist:

(A) An emergency situation exists after receiving notification that a licensed provider is no longer overseeing the operation of an adult foster home.

(B) A new applicant has submitted an application and bed fee for a license to operate a currently licensed home. The applicant has demonstrated a good faith effort to submit a timely and complete application, but the application process cannot be completed before the expiration date of the current license.

(b) A person is considered qualified for a provisional license if he or she:

(A) Is at least 21 years of age.

(B) Has the necessary experience working with adults who are older or adults with physical disabilities to potentially qualify for the license classification of the home.

(C) Fully understands and has the ability to meet the residents' care needs.

(D) Meets the requirements of a substitute caregiver as described in OAR 411-050-0625.

(c) A provisional license may be extended one time for a period of 30 calendar days if an applicant has demonstrated a good faith effort to complete the application process and obtain the required qualifications and trainings.

411-050-0640
Renewal Application and Fees

(1) At least 60 calendar days prior to the expiration of a license, the local licensing authority must send a reminder notice and renewal application to the licensed provider. The local licensing authority must investigate any information in the renewal application and conduct an unannounced inspection of the adult foster home prior to the license renewal.

(2) A separate application is required for each location where an adult foster home is to be operated.

(3) RENEWAL APPLICATION REQUIREMENTS. To renew an adult foster home license, the licensee must complete the Department's Renewal Application form (SDS 448C) and submit the form to the local licensing authority with the non-refundable fee prior to the expiration date of the current license. Timely submission of the renewal application and non-refundable fee shall keep the license in effect until the local licensing authority or the Department takes action.

(a) The renewal application is not complete until all of the required application information is submitted to the local licensing authority.

(b) A renewal application remaining incomplete at the time of license expiration or failure to provide accurate information on the renewal application shall result in the denial of the application.

(4) The license renewal application must include:

(a) Complete contact information for the licensee, including:

(A) A mailing address if different from the adult foster home; and

(B) A business address for electronic mail, if applicable.

(b) The maximum resident capacity;

(c) Identification of:

(A) Any relatives needing care;

(B) The maximum number of any room and board tenants;

(C) The maximum number of day care individuals; and

(D) The names of any other occupants in the home.

(d) A Health History and Physician or Nurse Practitioners' Statement (form SDS 0903). The Health History and Physician or Nurse Practitioners' Statement must be updated every third year or sooner if there is reasonable cause for health concerns;

(e) FINANCIAL INFORMATION FOR THE HOME'S FIRST LICENSE RENEWAL. A completed Financial Information Worksheet (form SDS 0448A) demonstrating the financial ability to maintain sufficient liquid resources to pay the home's operating costs for at least two months;

(f) If the home is leased or rented, a copy of the current signed and dated lease or rental agreement. The agreement must be a standard lease or rental agreement for residential use and include the following:

(A) The owner and landlord's name;

(B) Verification that the rent is a flat rate; and

(C) Signatures and date signed by the landlord and applicant, as applicable;

(g) Documentation of a current approved background check for each subject individual as described in OAR 411-050-0620;

(h) A $20 per bed non-refundable fee for each non-relative resident;

(i) If the licensee intends to use a resident manager, floating resident manager, or shift caregivers, the Department's supplemental application (form SDS 448B) completed by the applicant or applicants, as appropriate;

(j) Written information describing the operational plan for the adult foster home, including:

(A) The use of substitute caregivers and other staff;

(B) A plan of coverage for the absence of the resident manager or the shift caregivers, if applicable; and

(C) The name of a qualified back-up licensee, approved resident manager, or floating resident manager who does not live in the home but has been oriented to the home. The licensee must submit a signed agreement with the listed back-up provider annually and maintain a copy in the facility records.

(k) Copies of the home's Residency Agreement forms if changes to the original forms reviewed by the Local Licensing Authority are proposed.

(l) Proof of required continuing education credits as specified in OAR 411-050-0625.

(5) LATE RENEWAL REQUIREMENTS (UNLICENSED ADULT FOSTER HOME). The home shall be treated as an unlicensed facility, subject to civil penalties, if the required renewal information and fee are not submitted to the local licensing authority prior to the license expiration date and residents remain in the home. (See OAR 411-050-0685)

(6) The local licensing authority shall investigate the information submitted, review the licensing records for the applicant, conduct an inspection of the home, and provide the licensee a copy of the Department's inspection report (form SDS 517A and, if applicable, form SDS 517B) citing any violations and specifying a time frame for correction not to exceed 30 days.

(7) The Department may attach conditions to the license that limit, restrict, or specify other criteria for operation of the home. The licensee must visibly post the conditions, if applicable, with the license according to OAR 411-050-0645.

(8) The Department may deny a renewal application if cited violations are not corrected within the time frame specified by the local licensing authority.

(9) The local licensing authority shall not renew a license unless the following requirements are met:

(a) The applicant and the adult foster home are in compliance with ORS 443.705 to 443.825 and these rules, including any applicable conditions and other final orders of the Department;

(b) The local licensing authority has completed an inspection of the adult foster home;

(c) The Department has completed a background check in accordance with OAR 411-050-0620;

(d) The local licensing authority has reviewed the record of sanctions available from the local licensing authority's files;

(e) The local licensing authority has determined the nursing assistant registry maintained under 42 CFR 483.156 contains no finding that the licensee or any nursing assistant employed by the licensee has been responsible for abuse; and

(f) The local licensing authority has determined the licensee is not listed on either of the Exclusion Lists.

(10) In seeking the renewal of a license when an adult foster home has been licensed for less than 24 months, the burden of proof to establish compliance with ORS 443.705 to 443.825 and these rules is upon the licensee.

(11) In seeking the renewal of a license when an adult foster home has been licensed for 24 or more continuous months, the burden of proof to establish noncompliance with ORS 443.705 to 443.825 and these rules is upon the Department.

411-050-0642
Variances

(1) An applicant or licensee may request a variance to the provisions of these rules. The variance request must be in writing and must include clear and convincing evidence that:

(a) The requested variance does not jeopardize the care, health, welfare, or safety of the residents;

(b) All of the residents' needs shall be met; and

(c) All residents, in addition to other occupants in the home, may be evacuated in three minutes or less.

(2) VARIANCES NOT ALLOWED. Notwithstanding section (1) of this rule, no variance shall be granted by the local licensing authority from a regulation or provision of the rules pertaining to:

(a) Resident capacity as described in OAR 411-050-0632.

(b) Minimum age of licensee and any caregivers as described in OAR 411-050-0625.

(c) The training requirements of a licensee and all other caregivers except as allowed for provisional licenses as described in OAR 411-050-0635, or when a substitute caregiver holds an Oregon health care professional license as described in OAR 411-050-0625.

(d) Standards and practices for care and services as described in OAR 411-050-0655).

(e) Inspections of the facility as described in OAR 411-050-0670.

(f) Background checks as described in OAR 411-050-0620.

(3) The local licensing authority shall not grant a variance request to any rule that is inconsistent with Oregon Revised Statutes or 42 CFR 441.301(c)(2)(xiii) and 42 CFR 441.530(a)(1)(vi) (See OAR 411-050-0655(4)).

(4) The local licensing authority shall not grant a variance request related to fire and life safety without prior consultation with the Department.

(5) In making a determination to grant a variance, the local licensing authority must consider the licensee's history of compliance with rules governing adult foster homes or other long-term care facilities for adults who are older or adults with physical disabilities in Oregon and any other jurisdiction, if appropriate. The local licensing authority must determine that the variance is consistent with the intent and purpose of these rules before granting the variance. (See OAR 411-050-0600). The local licensing authority must respond, in writing, within 30 days of receiving a request for a variance. The written response must include the frequency of renewal.

(6) A variance is not effective until granted in writing by the local licensing authority. Variances are reviewed pursuant to these rules. If applicable, the licensee must re-apply for a variance at the time of license renewal, or more often if determined necessary by the local licensing authority.

(7) In seeking a variance, the burden of proof that the requirements of these rules have been met is upon the applicant or licensee.

(8) If a variance to any provision of these rules is denied, the applicant or licensee may request a meeting with the local licensing authority.

411-050-0645
Operational Standards

(1) GENERAL PRACTICES.

(a) A licensee must own, rent, or lease the home to be licensed, however, the local licensing authority may grant a variance to churches, hospitals, non-profit associations, or similar organizations. If a licensee rents or leases the premises where the adult foster home is located, the licensee may not enter into a contract that requires anything other than a flat rate for the lease or rental. A licensed provider of a building where an adult foster home is located may not allow the owner, landlord, or lessor to interfere with the admission, transfer, or voluntary or involuntary move of any resident in the adult foster home unless the owner, landlord, or lessor is named on the license.

(b) Each adult foster home must comply with:

(A) All applicable local business license, zoning, building, and housing codes.

(B) The Fair Housing Act.

(C) State and local fire and safety regulations for a single-family residence, and Oregon Fire Code, Appendix L.

(D) Federal regulations governing HCB Settings. Providers initially licensed before January 1, 2016 must fully comply with Home and Community-Based Services and Settings and Person-Centered Service Plans, OAR chapter 411, division 004, by no later than September 1, 2018.

(c) ZONING. Adult foster homes are subject to applicable sections of ORS 197.660 to 197.670.

(d) COOPERATION AND ACCESS. The licensee must cooperate with the Department, Centers for Medicare and Medicaid Services (CMS), and local licensing and investigative personnel in inspections, complaint

investigations, planning for resident care, application procedures, and other necessary activities.

(A) Department, CMS, local licensing, and investigative personnel must be provided access to all resident and facility records and may conduct private interviews with residents.

(B) The State Long-Term Care Ombudsman must be provided access to all resident and facility records. Deputy Ombudsman and Certified Ombudsman Volunteers must be provided access to facility records, and with written permission from the resident or the resident's legal representative, may have access to resident records. (See OAR 114-005-0030).

(e) CONFIDENTIALITY. Information related to residents must be kept confidential, except as may be necessary in the planning or provision of care or medical treatment, or related to an inspection, investigation, or sanction action under these rules.

(f) TRANSPORTATION. A licensee must arrange for or provide appropriate transportation for residents when needed.

(g) STAFFING STANDARDS. The licensee must have qualified caregivers, including awake caregivers as necessary, sufficient in number to meet the 24-hour needs of each resident in addition to caring for any children or relatives beyond the license capacity of the adult foster home. In addition, the licensee must comply with the following standards:

(A) A licensee may not employ a resident manager, floating resident manager, or shift caregiver who does not meet or exceed the qualifications, training, and classification standards for the adult foster home as described in OAR 411-050-0625 and 411-050-0630.

(B) A licensee may not employ or allow any caregiver to train or work in the home who is on either of the Exclusion Lists.

(h) ABSENCE OF A PRIMARY CAREGIVER. If a primary caregiver or a shift caregiver is absent from the home for 10 days or more, the licensee must notify the local licensing authority, in writing, at least seven days before the primary caregiver's absence or immediately upon knowing of the absence. Notification must state the reason for and anticipated length of the absence. The licensee must submit a staffing plan to the local licensing authority that demonstrates coverage to meet the needs of the residents during the primary caregiver's absence and is signed by the back-up provider.

(i) CHANGE OF PRIMARY CAREGIVER. If a primary caregiver or a shift caregiver changes during the period the license covers, the licensee must notify the local licensing authority within 24 hours and identify who is providing care.

(A) If a licensee assumes the role as the primary caregiver or shift caregiver when there has been a change in primary caregiver, the licensee must submit an updated plan of 24-hour coverage to the local licensing authority within seven days.

(B) If a resident manager, floating resident manager, or shift caregiver changes, the licensee must submit a request for a change of resident manager, floating resident manager, or shift caregiver, as applicable, to the local licensing authority along with:

(i) The Department's supplemental application form (SDS 448B) completed by the resident manager applicant, floating resident manager applicant, or shift caregiver applicant;

(ii) A completed Health History and Physician or Nurse Practitioner's Statement (form SDS 903) for the new applicant;

(iii) Documentation of the initiation of or a copy of an approved background check; and

(iv) A $10 non-refundable fee.

(C) When there is a change in primary caregiver, an approved floating resident manager may assume the responsibilities of the live-in, primary caregiver until a new primary caregiver is employed. If a new primary caregiver is not employed within 60 calendar days, the floating resident manager must be designated as the home's resident manager and the licensee must notify the local licensing authority of the change in status.

(D) The local licensing authority shall issue a revised license when there is a change in a primary caregiver who is identified on the license.

(j) UNEXPECTED AND URGENT STAFFING NEED. If the local licensing authority determines an unexpected and urgent staffing need exists, the local licensing authority may authorize a person who has not completed the Department's current Ensuring Quality Care Course and passed the current examination to act as a resident manager or shift caregiver until training and testing are completed, or for 60 calendar days, whichever period is shorter. The licensee must notify the local licensing authority of the unexpected and urgent staffing need in writing and satisfactorily demonstrate:

(A) The licensee's inability to live in the home and act as the primary caregiver;

(B) The licensee's inability to find a qualified resident manager or shift caregiver, as applicable; and

(C) The proposed staff person is 21 years of age and meets the requirements of a substitute caregiver for the adult foster home as described in OAR 411-050-0625 and 411-050-0630.

(k) RESPONSIBILITY. A licensee is responsible for the supervision, training, and overall conduct of all caregivers, family members, and friends when acting within the scope of their employment, duties, or when present in the home.

(l) SEXUAL ABUSE. Sexual abuse, as defined in OAR 411-020-0002 (Adult Protective Services), is prohibited.

(m) COMMUNICATION.

(A) Applicants for an initial license must obtain and provide to the local licensing authority a current, active business address for electronic mail before obtaining a license.

(B) A licensee must notify the local licensing authority within 24 hours upon a change in the home's business address for electronic mail.

(C) A licensee must notify the local licensing authority, the residents and the resident's family members, representatives, and case managers, as applicable, of any change in the telephone number for the licensee or the adult foster home within 24 hours of the change.

(D) A licensee must notify the local licensing authority in writing before any change of the licensee's residence or mailing address.

(2) SALE OR LEASE OF EXISTING ADULT FOSTER HOMES AND TRANSFER OF LICENSES.

(a) A license is not transferable and does not apply to any location or person other than the location and person indicated on the license obtained from the local licensing authority.

(b) The licensee must inform real estate agents, prospective buyers, lessees, and transferees in all written communication, including advertising and disclosure statements, that the license to operate the adult foster home is not transferable and the licensee must refer them to the local licensing authority for information about licensing.

(c) When a home is to be sold or otherwise transferred or conveyed to another person who intends to operate the home as an adult foster home, that person must apply for and obtain a license from the local licensing authority before the transfer of operation of the home.

(d) The licensee must promptly notify the local licensing authority in writing about the licensee's intent to close or convey the adult foster home to another person. The licensee must provide written notice to the residents and the residents' representatives and case managers, as applicable, according to section (13) of this rule.

(e) The licensee must inform a person intending to assume operation of an existing adult foster home that the residents currently residing in the home must be given at least 30 calendar days' written notice of the licensee's intent to close the adult foster home for the purpose of conveying the home to another person.

(f) The licensee must remain licensed and responsible for the operation of the home and care of the residents in accordance with these rules until the home is closed and the residents have been relocated, or the home is conveyed to a new licensee who is licensed by the local licensing authority at a level appropriate to the care needs of the residents in the home.

(3) FORECLOSURE.

(a) A licensee must provide written notification to the local licensing authority within 10 calendar days after receipt of any notice of default, or any notice of potential default, with respect to a real estate contract, trust deed, mortgage, or other security interest affecting any property occupied or used by the licensee.

(b) The licensee must provide a copy of the notice of default or warning of potential default to the local licensing authority.

(c) The licensee must provide written updates to the local licensing authority at least every 30 days until the default or warning of potential default has been resolved and no additional defaults or potential defaults have been declared and no additional warnings have been issued. Written updates must include:

(A) The current status on what action has been or is about to be taken by the licensee with respect to the notice received.

(B) The action demanded or threatened by the holder of the security interest.

(C) Any other information reasonably requested by the local licensing authority.

(d) The licensee must provide written notification within 24 hours to the local licensing authority upon final resolution of the matters leading up to or encompassed by the notice of default or the notice warning of potential default.

(e) If the subject default property is licensed as an adult foster home, the licensee must provide written notification of the following within 24 hours to the local licensing authority, and all the residents and the residents' representatives, if applicable, regarding:

(A) The filing of any litigation regarding such security interest, including the filing of a bankruptcy petition by or against the licensee or an entity owning any property occupied or used by the licensee;

(B) The entry of any judgment with respect to such litigation;

(C) The passing of the date 40 days before any sale scheduled pursuant to the exercise of legal rights under a security interest, or a settlement or compromise related thereto, of the licensee's property or property occupied or used by the licensee; and

(D) The sale, pursuant to the exercise of legal rights under a security interest, or a settlement or compromise related thereto, of the licensee's property or property occupied or used by the licensee.

(4) MEALS.

(a) Three nutritious meals must be served daily at times consistent with those in the community. Each meal must include food from the basic food groups according to the United States Department of Agriculture (USDA's) My Plate and include fresh fruit and vegetables when in season.

(b) Meals must reflect consideration of a resident's preferences and cultural and ethnic background. This does not mean the licensee must prepare multiple, unique meals for the residents at the same time.

(c) A schedule of meal times and menus for the coming week must be prepared and posted weekly in a location accessible to residents and families.

(A) Meal substitutions for scheduled menu items in compliance with section (4)(a) of this rule are acceptable and must be documented on, or attached to, the weekly menu.

(B) The licensee must maintain the weekly menus for a minimum of the 12 most recent months during which the home has conducted business.

(C) The licensee must support the resident's right to access food at any time. Limitations may only be used when there is a health or safety risk, as stated in OAR 411-050-0655, and when a written informed consent is obtained. Providers initially licensed before January 1, 2016 have until September 1, 2018 to fully comply with this HCB Settings requirement, OAR 411-050-0645(4)(c)(C).

(D) If a resident misses a meal at a scheduled time, an alternative meal must be made available.

(d) There must be no more than a 14-hour span between the evening and morning meals. Snacks do not substitute for a meal in determining the 14-hour span. Nutritious snacks and liquids must be offered to fulfill each resident's nutritional requirements.

(e) Food may not be used as an inducement to control the behavior of a resident.

(f) Home-canned foods must be processed according to the guidelines of the Oregon State University Extension Service. Freezing is the most acceptable method of food preservation. Milk must be pasteurized.

(g) Special consideration must be given to a resident with chewing difficulties or other eating limitations. Special diets must be followed, as prescribed in writing, by the resident's physician, nurse practitioner, or physician assistant.

(h) Adequate storage must be available to maintain food at a proper temperature, including a properly working refrigerator. Storage and food preparation areas must be free from food that is spoiled or expired.

(i) The household utensils, dishes, glassware, and household food may not be stored in bedrooms, bathrooms, or living areas.

(j) Meals must be prepared and served in the home where the residents live. Payment for meals eaten away from the home for the convenience of the licensee (e.g., restaurants, senior meal sites) is the responsibility of the licensee.

(A) Meals and snacks, as part of an individual recreational outing by choice, are the responsibility of the resident.

(B) Payment for food beyond the required three meals and snacks are the responsibility of the resident.

(k) Utensils, dishes, and glassware must be washed in hot soapy water, rinsed, and stored to prevent contamination. A dishwasher with a sani-cycle is recommended.

(l) Food preparation areas and equipment, including utensils and appliances, must be clean, free of offensive odors, and in good repair.

(5) TELEPHONE.

(a) The home must have a working landline and corded telephone with a listed number that is separate from any other number the home has, such as, but not limited to, internet or fax lines, unless the system includes features that notify the caregiver of an incoming call, or automatically switches to the appropriate mode. If a licensee has a caller identification service on the home number, the blocking feature must be disabled to allow incoming calls to be received unhindered. A licensee may have only one phone line as long as the phone line complies with the requirements of these rules. Voice over internet protocol (VoIP), voice over broadband (VoBB), or cellular telephone service may not be used in place of a landline.

(b) The licensee must make a telephone that is in good working order available and accessible for the residents use with reasonable accommodation for privacy during telephone conversations. A resident with a hearing impairment, to the extent the resident may not hear a normal telephone conversation, must be provided with a telephone that is amplified with a volume control or a telephone that is hearing aid compatible.

(c) Restrictions on the use of the telephone by the residents must be specified in the written Residency Agreement and may not violate the residents' rights. Individual restrictions must be well documented in the resident's care plan.

(6) FACILITY RECORDS.

(a) Facility records must be kept current, maintained in the adult foster home, and made available for review upon request. Facility records include, but are not limited to:

(A) Proof the licensee and all subject individuals have a background check approved by the Department as required by OAR 411-050-0620.

(B) Proof the licensee and all other caregivers have met and maintained the minimum qualifications as required by OAR 411-050-0625, including:

(i) Proof of required continuing education. Documentation must include the date of each training, subject matter, name of agency or organization providing the training, and number of Department-approved classroom hours.

(ii) Completed certificates to document the substitute caregivers' completion of the Department's Caregiver Preparatory Training Study Guide and Workbook and to document the resident manager, floating resident manager, and shift caregivers, as applicable, completion and passing of the Department's Ensuring Quality Care Course and examination.

(iii) Documentation of orientation to the adult foster home for the resident manager, floating resident manager, shift caregivers, and substitute caregivers, as applicable.

(iv) Employment applications and the names, addresses, and telephone numbers of all caregivers employed or used by the licensee.

(v) Verification that all caregivers are not listed on either of the Exclusion Lists.

(C) Copies of notices sent to the local licensing authority pertaining to changes in the resident manager, floating resident manager, shift caregiver, or other primary caregiver.

(D) Proof of required vaccinations for animals on the premises.

(E) Well water tests, if required, according to OAR 411-050-0650. Test records must be retained for a minimum of three years.

(F) Residency Agreements with all residents and, if applicable, specialized contracts with the Department, and tenancy agreements with room and board tenants.

(G) Records of evacuation drills according to OAR 411-050-0650, including the date, time of day, evacuation route, length of time for evacuation of all occupants, names of all residents and occupants, and names of residents and occupants that required assistance. The records must be kept at least three years.

(H) The Department's current Adult Foster Home Back-Up Agreement form (SDS 350) completed by the current back-up provider and the licensee, as stated in OAR 411-050-0610 and 411-050-0640.

(b) REQUIRED POSTED ITEMS. The following items must be posted in one location in the entryway or other equally prominent place in the home where residents, visitors, and others may easily read them:

(A) The adult foster home license;

(B) Conditions attached to the license, if any;

(C) A copy of a current floor plan meeting the requirements of OAR 411-050-0650;

(D) The Residents' Bill of Rights;

(E) The home's policies as stated in the current Residency Agreement that has been reviewed for compliance with these rules by the local licensing authority;

(F) The Department's procedure for making complaints;

(G) The Long-Term Care Ombudsman poster;

(H) The Department's inspection forms (form SDS 517A and, if applicable, form SDS 517B), including how corrections were made since the last annual inspection;

(I) The Department's notice pertaining to the use of any intercoms and monitoring devices that may be used in the adult foster home; and

(J) A weekly menu according to section (4) of this rule.

(c) POST BY PHONE. Emergency telephone numbers, including the contact number for at least one back-up provider who has agreed to respond in person in the event of an emergency and an emergency contact number for the licensee must be readily visible and posted by a central telephone in the adult foster home.

(7) RESIDENT RECORDS.

(a) An individual resident record must be developed, kept current, and readily accessible on the premises of the home for each individual admitted to the adult foster home. The record must be legible and kept in an organized manner so as to be utilized by staff. The record must contain the following information:

(A) A complete initial screening assessment and general information form (SDS 902) as described in OAR 411-050-0655.

(B) Documentation on form SDS 913 that the licensee has informed private-pay residents of the availability of a long-term care assessment.

(C) Documentation that the licensee has informed all residents of the right to formulate an Advance Directive.

(D) FINANCIAL INFORMATION:

(i) Detailed records and receipts, if the licensee manages or handles a resident's money. The Resident Account Record (form SDS 713) or other expenditure forms may be used if the licensee manages or handles a resident's money. The record must show amounts and sources of funds received and issued to, or on behalf of, the resident and be initialed by the person making the entry. Receipts must document all deposits and purchases of $5 or more made on behalf of a resident.

(ii) Residency Agreement signed and dated by the resident or the resident's representative may be kept in a separate file, but must be made available for inspection by the local licensing authority.

(E) Medical and legal information, including, but not limited to:

(i) Medical history, if available.

(ii) Current prescribing practitioner orders.

(iii) Nursing instructions, delegations, and assessments, as applicable.

(iv) Completed medication administration records retained for at least the last six months or from the date of admission, whichever is less. (Older records may be stored separately).

(v) Copies of Guardianship, Conservatorship, Advance Directive for Health Care, Power of Attorney, and Physician's Order for Life Sustaining Treatment (POLST) documents, as applicable.

(F) A complete, accurate, and current care plan.

(G) Effective January 1, 2017 and no later than February 28, 2018, documentation that supports or eliminates any individually-based limitation, as described in OAR 411-050-0655(4).

(H) A copy of the current house policies, as identified in the current Residency Agreement, and the current Resident's Bill of Rights, signed and dated by the resident or the resident's representative.

(I) SIGNIFICANT EVENTS. A written report (using form SDS 344 or its equivalent) of all significant incidents relating to the health or safety of the resident, including how and when the incident occurred, who was involved, what action was taken by the licensee and staff, as applicable, and the outcome to the resident.

(J) NARRATIVE OF RESIDENT'S PROGRESS. Narrative entries describing each resident's progress must be documented at least weekly and maintained in each resident's individual record. All entries must be signed and dated by the person writing them.

(K) Non-confidential information or correspondence pertaining to the care needs of the resident.

(b) ACCESS TO RESIDENT RECORDS.

(A) Resident records must be readily available at the adult foster home to residents, the residents' representatives or other legally authorized persons, all caregivers working in the home, and the Department, the local licensing authority, the investigative authority, case managers, and the Centers for Medicare and Medicaid Services (CMS) for the purpose of conducting inspections or investigations.

(B) The State Long-Term Care Ombudsman must be provided access to all resident and facility records. A Deputy Ombudsman and Certified Ombudsman Volunteers must be provided access to facility records relevant to caregiving and resident records with written permission from the resident or the resident's representative. (See OAR 114-005-0030).

(c) RECORD RETENTION. Records, including any financial records for residents, must be kept for a period of three years from the date the resident left the home.

(d) CONFIDENTIALITY. In all other matters pertaining to confidential records and release of information, licensees must be guided by the principles and definitions described in OAR chapter 411, division 005 (Privacy of Protected Information).

(8) RESIDENCY AGREEMENT. The current Residency Agreement must be given to the resident and the resident's representative, as applicable, at the time the screening and assessment is conducted. Before the resident's admission, a signed and dated copy of the Residency Agreement must be obtained and placed in the resident's record. The policies within the Residency Agreement must be consistent with the practices of the licensee, staff, occupants, and visitors of the home. (See OAR 411-050-0615).

(9) RESIDENT MOVES AND TRANSFERS. The licensee must support a resident's choice to remain in his or her living environment, while recognizing that some residents may no longer be appropriate for the adult foster care setting due to safety and medical limitations.

(a) If a resident moves, or intends to move, out of an adult foster home for any reason, the licensee must cooperate with the potential provider's screening and assessment activities as directed by the resident or the resident's representative, and submit copies of pertinent information from the resident's record to the resident's new place of residence at the time of move. Pertinent information must include, at a minimum:

(A) Copies of current prescribing medical practitioner's orders for medications, current medication sheets, an updated care plan, including the elements of any person-centered service plan, and any documentation of limitations.

(B) Documentation of actions taken by the adult foster home staff, resident, or the resident's representative pertaining to the move or transfer.

(b) A licensee must immediately document voluntary and involuntary moves or transfers from the adult foster home in the resident's record as events take place. (See sections (10)-(13) of this rule).

(10) VOLUNTARY MOVES AND TRANSFERS.

(a) If a resident eligible for Medicaid services or the resident's representative gives notice of the resident's intent to leave the adult foster home, or the resident leaves the home abruptly, the licensee must promptly notify the resident's case manager and the local licensing authority.

(b) A licensee must obtain prior authorization from the resident, the resident's representative, and case manager, as applicable, before the resident's:

(A) Voluntary move from one bedroom to another in the adult foster home;

(B) Voluntary transfer from one adult foster home to another home that has a license issued to the same person; or

(C) Voluntary move to any other location.

(c) Notifications and authorizations of voluntary moves and transfers must be documented and available in the resident's record.

(d) The licensee remains responsible for the provision of care and services until the resident has moved from the home.

(11) INVOLUNTARY MOVES AND TRANSFERS.

(a) A resident may only be moved involuntarily to another room within the adult foster home, transferred to another adult foster home operated by the same licensee for a temporary or permanent stay, or moved from the adult foster home for the following reasons:

(A) Medical reasons. The resident has a medical or nursing condition that is complex, unstable, or unpredictable that exceeds the level of care and services the facility provides.

(B) The adult foster home is unable to accomplish evacuation of the adult foster home in accordance with OAR 411-050-0650.

(C) Welfare of the resident or other residents, including:

(i) The resident exhibits behavior that poses an imminent danger to self or others, including acts that result in the resident's arrest or detention;

(ii) The resident engages in behavior or action that repeatedly and substantially interfere with the rights, health, or safety of the residents or others; or

(iii) The resident engages in illegal drug use or commits a criminal act that causes potential harm to the resident or others.

(D) Failure to make payment for care or failure to make payment for room and board.

(E) The adult foster home has had its license revoked, not renewed, or the license was voluntarily surrendered by the licensee.

(F) The home was not notified before the resident's admission, or learns following the resident's admission, that the resident is on probation, parole, or post-prison supervision after being convicted of a sex crime defined in ORS 181.805.

(G) The licensee's Medicaid Provider Enrollment Agreement or specialized contract is terminated (pertains only to residents eligible for Medicaid).

(H) The resident engages in the use of legal medical marijuana, recreational marijuana, or both, in violation of the home's written policies or contrary to Oregon Law under ORS chapter 475B, Cannabis Regulation.

(b) MANDATORY WRITTEN NOTICE. A resident may not be moved involuntarily from the adult foster home, to another room within the adult foster home, or transferred to another adult foster home for a temporary or permanent stay without a minimum of 30 calendar days' written notice. The notice must be delivered in person to the resident and must be delivered in person or sent by registered or certified mail to the resident's representative, guardian, or conservator, and a copy must be immediately submitted to the local licensing authority, and to the resident's case manager, as applicable. Where a resident lacks capacity and there is no representative, a copy of the notice must be immediately submitted to the State Long Term Care Ombudsman. The written notice must:

(A) Be on the Department's Notice of Involuntary Move or Transfer of Resident form (SDS 901);

(B) Be completed by the licensee; and

(C) Include the following information:

(i) The resident's name;

(ii) The reason for the proposed move or transfer, including the specific reasons the facility is unable to meet the resident's needs;

(iii) The date of the proposed change;

(iv) The resident's new location, if known;

(v) A notice of the right to hold an informal conference and hearing;

(vi) The name, address, and telephone number of the person giving the notice; and

(vii) The date the notice is issued.

(c) LESS THAN 30 DAYS' WRITTEN NOTICE. A licensee may give less than 30 calendar days' written notice in specific circumstances as identified in paragraphs (A) to (C) below, but must do so as soon as possible using the Department's Notice of Involuntary Move or Transfer of Resident form (SDS 901). The notice must be given in person to the resident, the resident's representative, guardian, conservator, and a copy must be immediately submitted to the local licensing authority, and to the resident's case manager, as applicable. The reasons for the notice must be fully documented in the resident's record. The licensee remains responsible for the provision of care and services until the resident has moved from the home. A licensee may give less than 30 calendar days' notice only if:

(A) Undue delay in moving the resident would jeopardize the health, safety, or well-being of the resident, including:

(i) The resident has a medical emergency that requires the immediate care of a level or type the adult foster home is unable to provide.

(ii) The resident exhibits behavior that poses an immediate danger to self or others.

(B) The resident is hospitalized or is temporarily out of the home and the licensee determines he or she is no longer able to meet the needs of the resident; or

(C) The home was not notified before the resident's admission, or learns following the resident's admission, the resident is on probation, parole, or post-prison supervision after being convicted of a sex crime defined in ORS 181.805.

(i) In the event a resident is given notice of an involuntary move due to (11)(c)(C) of this rule, the notice may be given without reasonable advance notice.

(ii) The resident shall be given the Department's Notice of Involuntary Move or Transfer of Resident form (SDS 901) as stated in (11) of this rule.

(12) RESIDENT HEARING RIGHTS. A resident, who has been given formal notice of an involuntary move or refused the right of return or re-admission, is entitled to an informal conference and hearing before the involuntary move or transfer as follows:

(a) INFORMAL CONFERENCE. The local licensing authority must hold an informal conference as promptly as possible after the request is received. The local licensing authority must send written notice of the time and place of the conference to the licensee and all persons entitled to the notice. Participants may include the resident and at the resident's request, a family member, case manager, Ombudsman, legal representative of the resident, the licensee, and a representative from an adult foster home association or SEIU if requested by the licensee. The purpose of the informal conference is to resolve the matter without an administrative hearing. If a resolution is reached at the informal conference, the local licensing authority must document the outcome in writing and no administrative hearing is needed.

(b) ADMINISTRATIVE HEARING. If a resolution is not reached as a result of the informal conference, the resident or the resident's representative may request an administrative hearing. If the resident is being moved or transferred with less than 30 calendar days' notice according to section (11)(c) of this rule, the hearing must be held within seven business days of the move or transfer. The licensee must hold a space available for the resident pending receipt of an administrative order. These administrative rules and ORS 441.605(4) governing transfer notices and hearings for residents of long-term care facilities apply to adult foster homes.

(13) CLOSURE OF ADULT FOSTER HOMES.

(a) A licensee must notify the local licensing authority before the voluntary closure, proposed sale, or transfer of ownership of the home, and give the residents and the residents' families, representatives, and case managers, as appropriate, a minimum of 30 calendar days' written notice on the Department's form (SDS 901) according to section (11) of this rule.

(b) In circumstances where undue delay might jeopardize the health, safety, or well-being of residents, licensees, or staff, written notice must be given as soon as possible, according to section (11)(c).

(c) A licensee must surrender the physical license to operate an adult foster home to the local licensing authority at the time of the adult foster home's closure.

Facility and Safety Standards

In order to qualify for or maintain a license, an adult foster home must comply with the following provisions:

(1) GENERAL CONDITIONS.

(a) INTERIOR AND EXTERIOR PREMISES. The building and furnishings, patios, decks, and walkways, as applicable, must be clean and in good repair. The interior and exterior premises must be well maintained and accessible according to the individual needs of the residents. There must be no accumulation of garbage, debris, rubbish, or offensive odors. Walls, ceilings, and floors must be of such character to permit washing, cleaning, or painting, as appropriate.

(b) ADDRESS. The address numbers of the adult foster home must be placed on the home in a position that is legible and clearly visible from the street or road fronting the property. If the home is so situated that the address number is not legible and clearly visible from the road fronting the property, such as when the home is accessed via a lengthy driveway or private access road, then the address numbers must also be posted where the driveway or private access road joins the fronting road. The address numbers must be at least four inches in height, made of reflective material, and contrast with the background.

(c) LIGHTING. Adequate lighting, based on the needs of the occupants, must be provided in each room, stairway, and exit way. Incandescent light bulbs and florescent tubes must be protected with appropriate covers.

(d) TEMPERATURE. The heating system must be in working order. Areas of the home used by the residents must be maintained at a comfortable temperature. Minimum temperatures during the day must be not less than 68 degrees, no greater than 85 degrees, and not less than 60 degrees during sleeping hours. Variations from the requirements of this rule must be based on resident care needs or preferences and must be addressed in each resident's care plan.

(A) During times of extreme summer heat, the licensee must make reasonable effort to keep the residents comfortable using ventilation, fans, or air conditioning. Precautions must be taken to prevent resident exposure to stale, non-circulating air.

(B) If the facility is air-conditioned, the system must be functional and the filters must be cleaned or changed as needed to ensure proper maintenance.

(C) If the licensee is unable to maintain a comfortable temperature for the residents during times of extreme summer heat, air conditioning or another cooling system may be required.

(e) COMMON USE AREAS. Common use areas for the residents must be accessible to all residents. There must be at least 150 square feet of common living space and sufficient furniture in the home to accommodate the recreational and socialization needs of all the occupants at one time.

Common space may not be located in an unfinished basement or garage unless such space was constructed for that purpose or has otherwise been legalized under permit. There may be additional space required if wheelchairs are to be accommodated. An additional 40 square feet of common living space is required for each day care individual, room and board tenant, or relative receiving care for remuneration that exceeds the limit of five.

(2) SANITATION AND PRECAUTIONS.

(a) NON-MUNICIPAL WATER SOURCE. A public water supply must be utilized if available. If a non-municipal water source is used, the licensor, a sanitarian, or a technician from a certified water-testing laboratory must collect a sample annually or as required by the Department. The water sample must be tested for coliform bacteria. Water testing and any necessary corrective action to ensure water is suitable for drinking must be completed at the licensee's expense. Water testing records must be retained for three years.

(b) Septic tanks or other non-municipal sewage disposal systems must be in good working order.

(c) COMMODES AND INCONTINENCE GARMENTS. Commodes used by residents must be emptied frequently and cleaned daily, or more frequently if necessary. Incontinence garments must be disposed of in closed containers.

(d) WATER TEMPERATURE. A resident who is unable to safely regulate the water temperature must be supervised.

(e) LAUNDRY. Before laundering, soiled linens and clothing must be stored in closed containers in an area that is separate from food storage, kitchen, and dining areas. Pre-wash attention must be given to soiled and wet bed linens. Sheets and pillowcases must be laundered at least weekly and more often if soiled.

(f) Garbage and refuse must be suitably stored in readily cleanable, rodent-proof, covered containers, pending weekly removal.

(g) VENTILATION. All doors and windows that are used for ventilation must have screens in good condition.

(h) INFECTION CONTROL. Standard precautions for infection control must be followed in resident care. Hands and other skin surfaces must be washed immediately and thoroughly if contaminated with blood or other body fluids.

(i) DISPOSAL OF SHARPS. Precautions must be taken to prevent injuries caused by needles, scalpels, and other sharp instruments or devices during procedures. The puncture-resistant container must be located as close as practical to the use area. Disposal must be made according to local regulations as stated in section (5) of this rule. (See 459.386 to 459.405).

(j) FIRST AID. Current, basic first-aid supplies and a first-aid manual must be readily available in the home.

(k) PESTS. Reasonable precautions must be taken to prevent pests (e.g., ants, cockroaches, other insects, and rodents).

(l) PETS OR OTHER ANIMALS. Sanitation for household pets and other domestic animals on the premises must be adequate to prevent health hazards. Proof of rabies vaccinations and any other vaccinations that are required for the pet by a licensed veterinarian must be maintained on the premises. Pets not confined in enclosures must be under control and not present a danger to the residents or guests.

(m) SAFETY BARRIERS. Patios, decks, walkways, swimming pools, hot tubs, spas, saunas, water features, and stairways, as appropriate, must be equipped with safety barriers designed to prevent injury. Resident access to or use of swimming or other pools, hot tubs, spas, or saunas on the premises must be supervised.

(3) BATHROOMS. Bathrooms must:

(a) Provide individual privacy and have a finished interior with a door that opens to a hall or common-use room. If a resident's bedroom includes a private bathroom, the door for the private bathroom must open to the bedroom. No person must have to walk through another person's bedroom to access a bathroom.

(b) Be large enough to accommodate the individual needs of the residents and any equipment that may be necessary.

(c) Have a mirror, a window that opens or other means of ventilation, and a window covering for privacy.

(d) Be clean and free of objectionable odors.

(e) Have bathtubs, showers, toilets, and sinks in good repair. A sink must be located near each toilet and a toilet and sink must be available for the resident's use on each floor with resident rooms. There must be at least one toilet, one sink, and one bathtub or shower for each six household occupants (including residents, day care individuals, room and board tenants, the licensee, and the licensee's family).

(f) Have hot and cold water at each bathtub, shower, and sink in sufficient supply to meet the needs of the residents.

(g) Have nonporous surfaces for shower enclosures. Glass shower doors, if applicable, must be tempered safety glass, otherwise, shower curtains must be clean and in good condition.

(h) Have non-slip floor surfaces in bathtubs and showers.

(i) Have grab bars for each toilet, bathtub, and shower to be used by the residents for safety.

(j) Have barrier-free access to toilet and bathing facilities.

(k) Have adequate supplies of toilet paper and soap supplied by the licensee. Residents must be provided with individual towels and washcloths that are laundered in hot water at least weekly or more often if necessary. Residents must have appropriate racks or hooks for drying bath linens. If individual hand towels are not provided, roller-dispensed hand towels or paper towels in a dispenser must be provided for the residents' use.

(4) BEDROOMS.

(a) Bedrooms for all household occupants must have:

(A) Been constructed as a bedroom when the home was built, or remodeled under permit.

(B) A finished interior with walls or partitions of standard construction that go from floor to ceiling.

(C) A door that opens directly to a hallway or common use room without passage through another bedroom or common bathroom. The bedroom door must be large enough to accommodate the occupant of the room and any mobility equipment that may be needed by the resident.

(D) Adequately ventilation, heating, and lighting with at least one window that opens and meets the requirements in section (5)(e) of this rule.

(E) At least 70 square feet of usable floor space for one resident or 120 square feet for two residents excluding any area where a sloped ceiling does not allow a person to stand upright.

(F) No more than two occupants per room. (See also OAR 411-050-0632 pertaining to a child's bedroom). This rule is not intended to prohibit a child five years of age or younger from occupying his or her parent's bedroom.

(b) The licensee, any other caregivers, and family members may not sleep in areas designated as living areas or share a bedroom with a resident. This rule is not intended to prohibit a caregiver or other person of the resident's choosing from temporarily staying in the resident's room when required by the resident's condition.

(c) There must be a bed at least 36 inches wide for each resident consisting of a mattress and springs, or equivalent, in good condition. Cots, rollaways, bunks, trundles, daybeds with restricted access, couches, and folding beds may not be used for residents. Each bed must have clean bedding in good condition consisting of a bedspread, mattress pad, two sheets, a pillow, a pillowcase, and blankets adequate for the weather. Waterproof mattress covers must be used for incontinent residents. Day care individuals may use a cot or rollaway bed if bedroom space is available that meets the requirements of section (4)(a) of this rule. A resident's bed may not be used by a day care individual.

(d) Each resident's bedroom must have a separate, private dresser and closet space sufficient for the resident's clothing and personal effects, including hygiene and grooming supplies. A resident must be provided a private, secure storage space to keep and use reasonable amounts of personal belongings. A licensee may not use a resident's bedroom for storage of items, supplies, devices, or appliances that do not belong to the resident.

(e) All resident bedroom doors must have a locking device on the inside of the door, released by a single action. (See OAR 411-050-0650(5)). Providers licensed before January 1, 2016 have until September 1, 2018 to fully implement this requirement.

(f) Drapes or shades for bedroom windows must be in good condition and allow privacy for the residents.

(g) A resident who is non-ambulatory, has impaired mobility, or is cognitively impaired must have a bedroom with a safe, second exit at ground level. A resident with a bedroom above or below the ground floor must demonstrate his or her capability for self-preservation.

(h) Resident bedrooms must be in close enough proximity to the licensee or caregiver in charge to alert the licensee or caregiver in charge to resident nighttime needs or emergencies, or the bedrooms must be equipped with a functional call bell or intercom within the residents' abilities to operate. Intercoms may not violate the resident's right to privacy and must have the capability of being turned off by the resident or at the resident's request.

(i) Bedrooms used by the licensee, resident manager, shift caregiver, and substitute caregiver, as applicable, must be located in the adult foster

home and must have direct access to the residents through an interior hallway or common use room.

(5) SAFETY.

(a) FIRE AND LIFE SAFETY. Buildings must meet all applicable state and local building, mechanical, and housing codes for fire and life safety. The home may be inspected for fire safety by the State Fire Marshal's Office, or the State Fire Marshal's designee, at the request of the local licensing authority or the Department using the standards in these rules, as appropriate.

(b) HEAT SOURCES. All heating equipment including, but not limited to, wood stoves, pellet stoves, and fireplaces must be installed in accordance with all applicable state and local building and mechanical codes. Heating equipment must be in good repair, used properly, and maintained according to the manufacturer's or a qualified inspector's recommendations.

(A) A licensee who does not have a permit verifying proper installation of an existing woodstove, pellet stove, or gas fireplace must have it inspected by a qualified inspector, Certified Oregon Chimney Sweep Association member, or Oregon Hearth, Patio, and Barbeque Association member and follow the inspector's recommended maintenance schedule.

(B) Fireplaces must have approved and listed protective glass screens or metal mesh screens anchored to the top and bottom of the fireplace opening.

(C) The local licensing authority may require the installation of a noncombustible, heat-resistant, safety barrier 36 inches around a woodstove to prevent residents with ambulation or confusion problems from coming in contact with the stove.

(D) Unvented, portable oil, gas, or kerosene heaters are prohibited. Sealed electric transfer heaters or electric space heaters with tip-over, shutoff capability may be used when approved by the State Fire Marshal or the State Fire Marshal's designee. A heater must be directly connected to an electrical outlet and may not be connected to an extension cord.

(c) EXTENSION CORDS AND ADAPTORS. Extension cord wiring and multi-plug adaptors may not be used in place of permanent wiring. UL-approved, re-locatable power taps (RPTs) with circuit breaker protection and no more than six electrical sockets are permitted for indoor use only and must be installed and used in accordance with the manufacturer's instructions. If RPTs are used, the RPT must be directly connected to an electrical outlet, never connected to another RPT (known as daisy-chaining or piggy-backing), and never connected to an extension cord.

(d) LOCKS AND ALARMS. Hardware for all exit doors and interior doors must be readily visible, have simple hardware that may not be locked against exit, and have an obvious method of operation. Hasps, sliding bolts, hooks and eyes, slide chain locks, and double key deadbolts are not permitted.

(A) All resident bedroom doors must have a locking device on the inside of the door, released by a single action.

(B) Each resident shall be provided a key that locks and unlocks only his or her bedroom door.

(C) A master key to all of the residents' bedroom door locks must be immediately available to the licensee and all other caregivers in the home.

(D) Providers licensed prior to January 1, 2016 must be in full compliance with (A) through (C) of this rule by September 1, 2018.

(E) If a home has a resident with impaired judgment who is known to wander away, the home must have an activated alarm system to alert a caregiver of the resident's unsupervised exit.

(e) WINDOWS. Bedrooms must have at least one window or exterior door that leads directly outside, readily opens from the inside without special tools, and provides a clear opening of not less than 821 square inches (5.7 sq. ft.), with the least dimensions not less than 24 inches in height or 20 inches in width. If the interior sill height of the window is more than 44 inches from the floor level, approved steps or other aids to the window exit that the occupants are capable of using must be provided. Windows with a clear opening of not less than 5.0 square feet or 720 square inches with interior sill heights of no more than 48 inches above the floor may be accepted when approved by the State Fire Marshal or the State Fire Marshal's designee.

(f) CONSTRUCTION. Interior and exterior doorways must be wide enough to accommodate the mobility equipment used by the residents such as wheelchairs and walkers. All interior and exterior stairways must be unobstructed, equipped with handrails on both sides, and appropriate to the condition of the residents. (See also section (5)(q) of this rule).

(A) Buildings must be of sound construction with wall and ceiling flame spread rates at least substantially comparable to wood lath and plaster or better. The maximum flame spread index of finished materials may not exceed 200 and the smoke developed index may not be greater than 450. If more than 10 percent of combined wall and ceiling areas in a sleeping room or exit way is composed of readily combustible material such as acoustical tile or wood paneling, such material must be treated with an approved flame retardant coating. Exception: Buildings supplied with an approved automatic sprinkler system.

(i) MANUFACTURED HOMES. A manufactured home (formerly mobile homes) must have been built in 1976 or later and designed for use as a home rather than a travel trailer. The manufactured home must have a manufacturer's label permanently affixed on the unit itself that states the manufactured home meets the requirements of the Department of Housing and Urban Development (HUD). The required label must read as follows:

"As evidenced by this label No. ABC000001, the manufacturer certifies to the best of the manufacturer's knowledge and belief that this mobile home has been inspected in accordance with the requirements of the Department of Housing and Urban Development and is constructed in conformance with the Federal Mobile Home Construction and Safety Standards in effect on the date of manufacture. See date plate."

(ii) If such a label is not evident and the licensee believes the manufactured home meets the required specifications, the licensee must take the necessary steps to secure and provide verification of compliance from the home's manufacturer.

(iii) Manufactured homes built in 1976 or later meet the flame spread rate requirements and do not have to have paneling treated with a flame retardant coating.

(B) STRUCTURAL CHANGES. The licensee must notify the local licensing authority, in writing, at least 15 calendar days before any remodeling, renovations, or structural changes in the home that require a building permit. Such activity must comply with local building, sanitation, utility, and fire code requirements applicable to a single-family dwelling (see ORS 443.760(1)). The licensee must forward all required permits and inspections, an evacuation plan as described in section (5)(l) of this rule, and a revised floor plan as described in section (5)(o) of this rule, to the local licensing authority within 30 calendar days of completion.

(g) FIRE EXTINGUISHERS. At least one fire extinguisher with a minimum classification of 2-A:10-B:C must be mounted in a location visible and readily accessible to any occupant of the home on each floor, including basements. Fire extinguishers must be checked at least once a year by a qualified person who is well versed in fire extinguisher maintenance. All recharging and hydrostatic testing must be completed by a qualified agency properly trained and equipped for this purpose.

(h) CARBON MONOXIDE AND SMOKE ALARMS.

(A) CARBON MONOXIDE ALARMS. Carbon monoxide alarms must be listed as complying with ANSI/UL 2034 and must be installed and maintained in accordance with the manufacturer's instructions. Carbon monoxide alarms must be installed within 15 feet of each bedroom at the height recommended by the manufacturer.

(i) If bedrooms are located in multi-level homes, carbon monoxide alarms must be installed on each level, including the basement.

(ii) Carbon monoxide alarms may be hard-wired, plug-in, or battery operated. Hard wired and plug-in alarms must be equipped with a battery back-up. Battery operated carbon monoxide alarms must be equipped with a device that warns of a low battery.

(iii) A bedroom used by a hearing-impaired occupant who may not hear the sound of a regular carbon monoxide alarm must be equipped with an additional carbon monoxide alarm that has visual or vibrating capacity.

(B) SMOKE ALARMS. Smoke alarms must be installed in accordance with the manufacturer's instructions in each bedroom, in hallways or access areas that adjoin bedrooms, the family room or main living area where occupants congregate, any interior designated smoking area, and in basements. In addition, smoke alarms must be installed at the top of all stairways in multi-level homes.

(i) Ceiling placement of smoke alarms is recommended.

(ii) Battery operated smoke alarms or hard-wired smoke alarms with a battery backup must be equipped with a device that warns of a low battery.

(iii) A bedroom used by a hearing-impaired occupant who may not hear the sound of a regular smoke alarm must be equipped with an additional smoke alarm that has visual or vibrating capacity.

(C) All carbon monoxide alarms and smoke alarms must contain a sounding device or be interconnected to other alarms to provide, when activated an alarm that is audible in all sleeping rooms. The alarms must be loud enough to wake occupants when all bedroom doors are closed. Intercoms and room monitors may not be used to amplify alarms.

(D) The licensee must test all carbon monoxide alarms and smoke alarms in accordance with the manufacturer's instructions at least monthly (per NFPA 72). Testing must be documented in the facility records. The licensee must maintain carbon monoxide alarms, smoke alarms, and fire extinguishers in functional condition. If there are more than two violations in maintaining battery operated alarms in working condition, the Department may require the licensee to hard wire the alarms into the electrical system.

(i) COMBUSTIBLES AND FIREARMS. Flammables, combustible liquids, and other combustible materials must be safely and properly stored in the original, properly labeled containers or safety containers and secured in areas to prevent tampering by residents or vandals.

(A) Oxygen and other gas cylinders in service or in storage, must be adequately secured to prevent the cylinders from falling or being knocked over.

(B) No smoking signs must be visibly posted where oxygen cylinders are present.

(C) Firearms must be stored, unloaded, in a locked cabinet. The firearms cabinet must be located in an area of the home that is not accessible to the residents.

(D) Ammunition must be secured in a locked area separate from the firearms.

(j) HAZARDOUS MATERIALS. Cleaning supplies, poisons, insecticides, and other hazardous materials must be properly stored in the original container, or in a container manufactured for the type of product. The containers must be properly labeled and kept in a safe area that is not accessible to residents, or near food preparation areas, food storage areas, dining areas, or medications.

(k) MEDICAL SHARPS. All sharps, including, but not limited to needles and lancets, must be disposed of in approved sharps containers. Sharps containers must:

(A) Be puncture-resistant;

(B) Be leak-proof;

(C) Be labeled or color-coded red to warn that the contents are hazardous;

(D) Have a lid, flap, door, or other means of closing the container and inhibits the ability to remove sharps from the container;

(E) Not be overfilled;

(F) Be stored in an upright position in a secure location that is not accessible to residents and not close to any food preparation or food storage area; and

(G) Must be closed immediately once full and properly disposed of within 10 days, according to the home's waste management company's or pharmacy's instructions.

(l) EVACUATION PLAN. An emergency evacuation plan must be developed and revised as necessary to reflect the current condition of the residents in the home. The evacuation plan must be rehearsed with all occupants.

(m) ORIENTATION TO EMERGENCY PROCEDURES. Within 24 hours of arrival, any new resident or caregiver must be shown how to respond to a smoke alarm, shown how to participate in an emergency evacuation drill, and receive an orientation to basic fire safety. New caregivers must also be oriented in how to conduct an evacuation.

(n) EVACUATION DRILL. An evacuation drill must be held at least once every 90 calendar days, with at least one evacuation drill per year conducted during sleeping hours. The evacuation drill must be clearly documented, signed by the caregiver conducting the drill, and maintained according to OAR 411-050-0645.

(A) The licensee and all other caregivers must:

(i) Be able to demonstrate the ability to evacuate all occupants from the facility to the initial point of safety within three minutes or less. The initial point of safety must:

(I) Be exterior to and a minimum of 25 feet away from the structure;

(II) Have direct access to a public sidewalk or street; and

(III) Not be in the backyard of a home unless the backyard has direct access to a public street or sidewalk.

(ii) Be able to demonstrate the ability to further evacuate all occupants from the initial point of safety to the final point of safety within two minutes or less. The final point of safety must be a minimum of 50 feet away from the structure, and:

(I) Have direct access to a public sidewalk or street; or

(II) Not be in the backyard of a home unless the backyard has direct access to a public street or sidewalk.

(B) Conditions may be applied to a license if the licensee or caregivers demonstrate the inability to meet the evacuation times described in this section. Conditions may include, but are not limited to, reduced capacity of residents, additional staffing, or increased fire protection. Continued problems are grounds for revocation or non-renewal of the license.

(o) FLOOR PLAN. The licensee must develop a current and accurate floor plan that indicates:

(A) The size of rooms;

(B) Which bedrooms are to be used by residents, the licensee, caregivers, and for day care and room and board tenants, as applicable;

(C) The location of all the exits on each level of the home, including emergency exits such as windows;

(D) The location of wheelchair ramps;

(E) The location of all fire extinguishers, smoke alarms, and carbon monoxide alarms;

(F) The planned evacuation routes, initial point of safety, and final point of safety; and

(G) Any designated smoking areas in or on the adult foster home's premises.

(p) RESIDENT PLACEMENT. A resident, who is unable to walk without assistance or not capable of self-preservation, may not be placed in a bedroom on a floor without a second ground level exit. (See also section (4)(g) of this rule).

(q) STAIRS. Stairs must have a riser height of between 6 to 8 inches and tread width of between 8 to 10.5 inches. Lifts or elevators are not an acceptable substitute for a resident's capability to ambulate stairs. (See also section (5)(f) of this rule).

(r) EXIT WAYS. All exit ways must be barrier free and the corridors and hallways must be a minimum of 36 inches wide or as approved by the State Fire Marshal or the State Fire Marshal's designee. Interior doorways used by the residents must be wide enough to accommodate residents' wheelchairs and walkers, and beds that are used by residents for evacuation purposes. Any bedroom window or door identified as an exit must remain free of obstacles that would interfere with evacuation.

(s) RAMPS. There must be at least one wheelchair ramp from a minimum of one exterior door if an occupant of the home is non-ambulatory. Wheelchair ramps must comply with the U.S. Department of Justice's 2010 Americans with Disabilities Act (ADA) Standards for Accessible Design (http://www.ada.gov/2010ADAstandards_index.htm, Chapter 4, Accessible Routes, Section 405, Ramps).

(t) EMERGENCY EXITS. There must be a second safe means of exit from all sleeping rooms. A provider whose sleeping room is above the first floor may be required to demonstrate at the time of licensure, renewal, or inspection, how the premises will be evacuated from the provider's sleeping room using the secondary exit.

(u) FLASHLIGHT. There must be at least one plug-in, rechargeable flashlight in good functional condition available on each floor of the home for emergency lighting.

(v) SMOKING. The licensee must identify the home's smoking policies in the home's Residency Agreement. If smoking is allowed in or on the premises of the home:

(A) The Residency Agreement must restrict smoking to designated areas, and prohibit smoking in:

(i) Any bedroom, including that of the residents, licensee, resident manager, any other caregiver, occupant, or visitor;

(ii) Any room where oxygen is used; and

(iii) Anywhere flammable materials are stored.

(B) Ashtrays of noncombustible material and safe design must be provided in areas where smoking is permitted.

(w) EMERGENCY PREPAREDNESS PLAN. A licensee must develop and maintain a written emergency preparedness plan for the protection of all occupants in the home in the event of an emergency or disaster. Emergency supplies, consistent with the community standards (as indicated at: www.redcross.org/prepare/location/home-family) must be kept current and readily available in the home.

(A) The written emergency plan must:

(i) Include an evaluation of potential emergency hazards including, but not limited to:

(I) Prolonged power failure or water or sewer loss;

(II) Fire, smoke, or explosion;

(III) Structural damage;

(IV) Hurricane, tornado, tsunami, volcanic eruption, flood, or earthquake;

(V) Chemical spill or leak; and

(VI) Pandemic.

(ii) Include an outline of the caregiver's duties during an evacuation.

(iii) Consider the needs of all occupants of the home including, but not limited to:

(I) Access to medical records necessary to provide services and treatment.

(II) Access to pharmaceuticals, medical supplies, and equipment during and after an evacuation.

(III) Behavioral support needs.

(iv) Include provisions and supplies sufficient to shelter in place for a minimum of three days without electricity, running water, or replacement staff.

(v) Planned relocation sites.

(B) The licensee must notify the Department or the local licensing authority of the home's status in the event of an emergency that requires evacuation and during any emergent situation when requested.

(C) The licensee must re-evaluate the emergency preparedness plan at least annually and whenever there is a significant change in the home.

Standards and Practices for Care and Services

(1) PRE-ADMISSION SCREENING AND ASSESSMENT.

(a) Before admission, the licensee must conduct and document a screening to determine if a prospective resident's care needs exceed the license classification of the home. The screening must:

(A) Evaluate the ability of the prospective resident to evacuate the home within three minutes along with all the occupants of the home.

(B) Determine if the licensee and caregivers are able to meet the prospective resident's needs in addition to meeting the needs of the other residents of the home.

(C) Include medical diagnoses, medications, personal care needs, nursing care needs, cognitive needs, communication needs, night care needs, nutritional needs, activities, lifestyle preferences, and other information, as needed, to assure the prospective resident's care needs shall be met.

(b) The screening process must include interviews with the prospective resident and the prospective resident's family, prior care providers, and case manager, as appropriate. The licensee must also interview, as necessary, any physician, nurse practitioner, physician assistant, registered nurse, pharmacist, therapist, or mental health or other licensed health care professional involved in the care of the prospective resident. A copy of the screening document must be:

(A) Given to the prospective resident or the prospective resident's representative.

(B) Placed in the resident's record if admitted to the home; or

(C) Maintained for a minimum of three years if the prospective resident is not admitted to the home.

(c) If the Department or AAA knows a person who is on probation, parole, or post-prison supervision after being convicted of a sex crime as defined in ORS 181.805 is applying for admission to an adult foster home, the Department or AAA shall notify the home of the person's status as a sex offender.

(d) The licensee may refuse to admit a person who is on probation, parole, or post-prison supervision after being convicted of a sex crime as defined in ORS 181.805.

(e) REQUIRED DISCLOSURES.

(A) The licensee must disclose the home's policies to a prospective resident or the prospective resident's representative, as applicable. A copy of the home's current and approved Residency Agreement identifying the home's policies shall be provided to the prospective resident and his or her representative. (See OAR 411-050-0615).

(B) LONG-TERM CARE ASSESSMENT. The licensee must inform a prospective private-pay resident or the prospective resident's representative, if appropriate, of the availability of long-term care assessment services provided through the Department or a certified assessment program. The licensee must document on the Department's form (SDS 913) that the prospective private-pay resident has been advised of the right to receive a long-term care assessment. The licensee must maintain a copy of the form in the resident's record upon admission and make a copy available to the Department upon request.

(2) BEFORE ADMISSION.

(a) The licensee must obtain and document general information regarding a resident before the resident's admission. The information must include the names, addresses, and telephone numbers of the resident's relatives, significant persons, case managers, and medical or mental health providers. The information must also include the date of admission and, if available, the resident's medical insurance information, birth date, prior living facility, and mortuary.

(b) Before admission, the licensee must obtain and place in the resident's record:

(A) Prescribing practitioner's written or verbal orders for medications, treatments, therapies, and special diets, as applicable. Any verbal orders must be followed by written orders within seven calendar days of the resident's admission. Attempts to obtain written orders must be documented in the resident's record.

(B) Prescribing practitioner or pharmacist review of the resident's preferences for over-the-counter medications and home remedies.

(C) Any medical information available, including the resident's history of accidents, illnesses, impairments, or mental status that may be pertinent to the resident's care.

(c) The licensee must ask for copies of the resident's Advance Directive, Physician's Order for Life Sustaining Treatment (POLST), and proof of court-appointed guardianship or conservatorship, if applicable. Copies of these documents must be placed in a prominent place in the resident's record and sent with the resident if the resident is transferred for medical care.

(d) The licensee must review the home's current Residency Agreement with the resident and the resident's representative, as appropriate. These reviews must be documented by having the resident, or the resident's representative, sign and date a copy of the Residency Agreement. A copy of the signed and dated Residency Agreement must be maintained in the resident's record.

(3) SCREENING BEFORE RE-ADMISSION. When a resident temporarily leaves the home including, but not limited to, a resident's hospitalization, the licensee shall conduct the necessary elements of the pre-admission and screening assessment requirements, and document those findings to:

(a) Determine whether readmission to the home is appropriate for the classification of the home.

(b) Determine whether the licensee can continue to meet the resident's care and safety needs in addition to those of the other residents.

(c) Demonstrate compliance with these rules.

(d) If applicable, demonstrate the basis for refusing the resident's readmission to the home according to OAR 411-050-0645(11).

(4) CARE PLAN.

(a) During the initial 14 calendar days following the resident's admission to the home, the licensee must continue to assess and document the resident's preferences and care needs. The assessment and care plan must be completed by the licensee and documented within the initial 14-day period. The care plan must describe the resident's needs, preferences, capabilities, what assistance the resident requires for various tasks, and must include:

(A) By whom, when, and how often care and services shall be provided;

(B) The resident's ability to perform activities of daily living (ADLs);

(C) Special equipment needs;

(D) Communication needs (examples may include, but are not limited to, hearing or vision needs, such as eraser boards or flash cards, or language barriers, such as sign language or non-English speaking);

(E) Night needs;

(F) Medical or physical health problems, including physical disabilities, relevant to care and services;

(G) Cognitive, emotional, or other impairments relevant to care and services;

(H) Treatments, procedures, or therapies;

(I) Registered nurse consultation, teaching, delegation, or assessment;

(J) Behavioral interventions;

(K) Social, spiritual, and emotional needs, including lifestyle preferences, activities, and significant others involved;

(L) The ability to exit in an emergency, including assistance and equipment needed;

(M) Any use of physical restraints or psychoactive medications; and

(N) Dietary needs and preferences.

(b) Effective January 1, 2017 and no later than February 28, 2018, the licensee must identify any individually-based limitations to the following freedoms on the Department's Individual Consent to HCBS Limitations form:

(A) Support to access to food at any time;

(B) Visitors of the resident's choosing at any time;

(C) A lock on the resident's bedroom, lockable by the resident;

(D) Choice of a roommate, if sharing a bedroom;

(E) Support to furnish and decorate the resident's bedroom as the resident chooses;

(F) Freedom and support to control the resident's schedule and activities; and

(G) Privacy in the resident's bedroom.

(c) Effective January 1, 2017 and no later than February 28, 2018, a limitation to any freedom in (b) of this rule must be supported by a specific assessed need due to threats to the health and safety of the resident or others. For Medicaid-eligible residents, the person-centered service plan coordinator must authorize the limitation and the individual must consent to the limitation. The licensee must incorporate and document all applicable elements identified in OAR 411-004-0040, including:

(A) The specific and individualized assessed need justifying the limitation.

(B) The positive interventions and supports used before any limitation.

(C) Less intrusive methods that have been tried, but did not work.

(D) A clear description of the condition that is directly proportionate to the specific assessed need.

(E) Regular reassessment and review to measure the ongoing effectiveness of the limitation.

(F) Established time limits for periodic review of the limitation to determine if the limitation should be terminated or remains necessary. The limitation must be reviewed at least annually.

(G) The informed consent of the resident or, as applicable, the legal representative of the resident, including any discrepancy between the wishes of the resident and the consent of the legal representative.

(H) An assurance that the interventions and support do not cause harm to the individual.

(d) Limitations are not transferable between care settings. Continued need for any limitation at the new care setting must comply with the requirements as stated in OAR 411-050-0655.

(e) The licensee must review and update each resident's care plan every six months and when a resident's condition changes. The review must be documented in the resident's record at the time of the review and include the date of the review and the licensee's signature. If a care plan contains many changes and becomes less legible, a new care plan must be written.

(5) PERSON-CENTERED SERVICE PLAN. A Medicaid-eligible resident's case manager will complete a person-centered service plan, pursuant to OAR 411-004-0030. The licensee must incorporate all applicable elements identified in the person-centered service plan that the provider is responsible for implementing.

(a) The licensee must notify the resident's case manager in the event a review and change or removal of an existing limitation is warranted, and when a new limitation is supported by a specific assessed need.

(A) All attempts to notify the resident's case manager about a review to change, remove, or add a limitation must be documented, and available in the resident's record.

(B) The licensee will not be held responsible for any failure on the case manager's part to conduct a review of current limitations or to complete the person-centered service plan.

(b) Providers may assist non-Medicaid residents in developing a person-centered service plan when no alternative resources are available.

(6) REGISTERED NURSE CONSULTATION.

(a) RN CONSULTATION AND ASSESSMENT. A licensee must obtain a medical professional consultation and assessment to meet the care needs of a resident as required in these rules. A registered nurse consultation must be obtained when a skilled nursing care task, as defined by the Oregon State Board of Nursing, has been ordered by a physician or other licensed health care professional.

(b) A licensee must also request a registered nurse consultation under the following conditions:

(A) When a resident has a health concern or behavioral symptoms that may benefit from a nursing assessment and provider education.

(B) When written parameters are needed to clarify a prescribing practitioner p.r.n. order for medication and treatment (See section (7)(g) of this rule).

(C) Before the use of physical restraints when not assessed, taught, and reassessed, according to section (7)(o) of this rule, by a physician, nurse practitioner, physician assistant, Christian Science practitioner, mental health clinician, physical therapist, or occupational therapist.

(D) Before requesting psychoactive medications to treat behavioral symptoms or the use of new psychoactive medications when not assessed, taught, and reassessed according to section (7)(h) of this rule, by a physician, nurse practitioner, physician assistant, or mental health practitioner.

(E) When care procedures are ordered that are new for a resident, the licensee, or other caregivers.

(c) RN DELEGATIONS. A registered nurse may determine a nursing care task be taught utilizing the delegation process. RN delegations are not transferable to other residents or caregivers. (Refer to OAR chapter 851, division 047).

(d) Documentation of nurse consultations, delegations, assessments, and reassessments must be maintained in the resident's record and made available to the Department upon request.

(7) STANDARDS FOR MEDICATIONS, TREATMENTS, AND THERAPIES.

(a) MEDICATIONS. The licensee and caregivers must demonstrate an understanding of each resident's medication administration regimen. Medication resource material must be readily available at the home and include the reason a medication is used, any specific instructions, the medication's actions, and common side effects.

(b) WRITTEN ORDERS. The licensee must obtain and place a signed order in the resident's record for any medications, dietary supplements, treatments, or therapies that have been ordered by a prescribing practitioner. The written orders must be carried out as prescribed unless the resident or the resident's legal representative refuses to consent. The prescribing practitioner must be notified if the resident refuses to consent to an order.

(A) CHANGED ORDERS. Changes to a written order may not be made without a prescribing practitioner order. The prescribing practitioner must be notified if the resident refuses to consent to the change order. Changes to medical orders obtained by telephone must be followed-up with signed orders within seven calendar days. Changes in the dosage or frequency of an existing medication require a new properly labeled and dispensed medication container. If a new properly labeled and dispensed medication container is not obtained, the change must be written on an auxiliary label attached to the medication container, not to deface the existing original pharmacy label, and must match the new medication order. Attachment of the auxiliary label must be documented in the residents' record. (See section (7)(f)(D) of this rule).

(B) DOCUMENTATION OF CHANGED ORDERS. Attempts to obtain the signed written changes must be documented and readily available for review in the resident's record. The resident's medications, including medications that are prescribed, over-the-counter medications, and home remedies, must be reviewed by the resident's prescribing practitioner or pharmacist at least annually. The review must be in writing, include the date of the review, and contain the signature of the prescribing practitioner or a pharmacist.

(c) MEDICATION SUPPLIES. The licensee must have all currently prescribed medications, including p.r.n. medications, and all prescribed over-the-counter medications available in the home for administration. Refills must be obtained before depletion of current medication supplies. Attempts to order refills must be documented in the resident's record.

(d) HEALTH CARE PROFESSIONAL ORDERS (IMPLEMENTED BY AFH STAFF). The licensee who implements a hospice, home health, or other licensed medical professional-generated order must:

(A) Have a copy of the hospice, home health, or licensed medical professional document that communicates the written order.

(B) Transcribe the order onto the medication administration record (MAR).

(C) Implement the order as written.

(D) Include the order on subsequent medical visit reports for the prescribing practitioner to review.

(e) HOSPICE AND HOME HEALTH ORDERS (IMPLEMENTED BY NON-AFH STAFF). A licensee must allow a resident to receive hospice services. The licensee who provides adult foster home services to a recipient of hospice or home health services, but who does not implement a hospice or home health-generated order must:

(A) Have a copy of the hospice or home health document that communicates the written order; and

(B) Include the order on subsequent medical visit reports for the prescribing practitioner to review.

(f) MEDICATION ADMINISTRATION RECORD (MAR). A current, written medication administration record (MAR) must be kept for each resident and must:

(A) List the name of all medications administered by a caregiver, including over-the-counter medications and prescribed dietary supplements. The MAR must identify the dosage, route, date, and time each medication and supplement is to be given.

(B) Identify any treatments and therapies administered by a caregiver. The MAR must indicate the type of treatment or therapy and the time the procedure must be performed.

(C) Be immediately initialed by the caregiver administering the medication, treatment, or therapy as it is completed. A resident's MAR must contain a legible signature that identifies each set of initials.

(D) Document changed and discontinued orders immediately showing the date of the change or discontinued order. A changed order must be written on a new line with a line drawn to the start date and time.

(E) Document missed or refused medications, treatments, or therapies. If a medication, treatment, or therapy is missed or refused by the resident, the initials of the caregiver administering the medication, treatment, or therapy must be circled, and a brief, but complete, explanation must be recorded on the back of the MAR.

(g) P.R.N. MEDICATIONS. Prescription medications ordered to be given "as needed" or "p.r.n." must have specific parameters indicating what the medication is for and specifically when, how much, and how often the medication may be administered. Any additional instructions must be available for the caregiver to review before the medication is administered to the resident.

(A) P.R.N. DOCUMENTATION. As needed (p.r.n) medications must be documented on the resident's MAR with the time, dose, the reason the medication was given, and the outcome.

(B) P.R.N. ADVANCE SET-UP. As needed (p.r.n.) medications may not be included in any advance set-up of medication.

(h) PSYCHOACTIVE MEDICATIONS.

(A) A licensee is not required to request an evaluation of a resident's use of a psychoactive medication if the resident is admitted to the home and the resident has been prescribed the psychoactive medication for a condition that is currently monitored by a physician, nurse practitioner, physician assistant, or mental health professional and the written order for the psychoactive medication is in the resident's record.

(B) If a resident is admitted to a home with no documented history as to the reason for taking a psychoactive medication, or if the licensee requests medical professional intervention to address behavioral symptoms, the licensee must request a physician, nurse practitioner, physician assistant, or mental health professional evaluate the resident's need for the psychoactive medication and the intended effect of the medication, common side effects, and circumstances for reporting. The evaluation request must be documented in the resident's record and include:

(i) A probable cause of the resident's behavior.

(ii) Behavioral and environmental interventions to be used instead of or in addition to psychoactive medication, if applicable. Alternative interventions must be tried as instructed by a licensed medical professional and the resident's response to the alternative interventions must be documented in the resident's record before administering a psychoactive medication.

(iii) A plan for reassessment by the resident's prescribing physician, nurse practitioner, physician assistant, or mental health professional.

(C) The prescription and order for a psychoactive medication must specify the dose, frequency of administration, and the circumstance for use (i.e., specific symptoms). The licensee and all caregivers must be aware of and comply with these parameters.

(D) The licensee and all caregivers must know the intended effect of a psychoactive medication for a particular resident and the common side effects, as well as the circumstances for reporting to the resident's physician, nurse practitioner, physician assistant, or mental health professional.

(E) The resident's care plan must identify and describe the behavioral symptoms psychoactive medications are prescribed for and a list of all interventions, including behavioral, environmental, and medication.

(F) Psychoactive medications must never be given to discipline a resident or for the convenience of the caregivers.

(i) MEDICATION CONTAINERS AND STORAGE.

(A) MEDICATION CONTAINERS. Each of the resident's prescribed medication containers, including bubble packs, must be clearly labeled by the pharmacy. All medications, including over-the-counter medications, must be in the original container. Medications stored in advanced set up containers are required to be labeled as described in these rules.

(B) OVER-THE-COUNTER PRODUCTS. Over-the-counter products such as medications, vitamins, and supplements purchased for a specific resident's use must be marked with the resident's name. Over-the-counter items in stock bottles (with original labels) may be used for multiple residents in the home and must be clearly marked as the house supply.

(C) STORAGE OF RESIDENT MEDICATION. All resident medications, including over-the-counter medications, must be kept in a locked, central location that is cool, clean, dry, not subject to direct sunlight, and separate from medications belonging to the licensee, caregivers, and all other non-residents. Medications requiring refrigeration must also be locked and stored separately from non-resident medications.

(D) STORAGE OF NON-RESIDENT MEDICATION. All non-resident medications must be kept locked and separate from resident medications. Residents shall not have access to medications belonging to the licensee, caregivers, other household members, or pets.

(j) DISPOSAL OF MEDICATION. Outdated, discontinued, recalled, or contaminated medications, including over-the-counter medications, may not be kept in the home and must be disposed of within 10 calendar days of expiration, discontinuation, or the licensee's knowledge of a recall or contamination. A licensee must contact the local DEQ waste management company in the home's area for instructions on proper disposal of unused or expired medications.

(k) DOCUMENTATION OF DISPOSAL. The disposal of a resident's medication must be documented in the resident's record and the documentation must be readily available in the resident's record.

(A) The disposal of a controlled substance must be documented in the resident's record and the disposal must be witnessed by a caregiver who is 18 years of age or older.

(B) Documentation regarding the disposal of medications and controlled substances must include:

(i) The date of disposal.

(ii) Description of the medication, (i.e., name, dosage, and amount being disposed).

(iii) Name of the resident for whom the medication was prescribed.

(iv) Reason for disposal.

(v) Method of disposal.

(vi) Signature of the person disposing of the medication.

(vii) For controlled substances, the signature of the caregiver who witnessed the disposal according to this rule.

(l) ADVANCED SET-UP. The licensee may set-up each resident's medications for up to seven calendar days in advance (excluding p.r.n. medications) by using a closed container manufactured for the advanced set-up of medications. If used, each resident must have his or her own container with divisions for the days of the week and times of the day the medications are to be given. The container must be clearly labeled with the resident's name, name of each medication, time to be given, dosage, amount, route, and description of each medication. The container must be stored in the locked area with the residents' medications.

(m) SELF-ADMINISTRATION OF MEDICATION. A licensee must have a prescribing practitioner written order of approval for a resident to self-medicate. A resident able to handle his or her own medical regimen may keep his or her medications in his or her own room in a lockable storage area or device. Medications must be kept locked except those medications on the residents' own person. The licensee must notify the prescriber of the medication if the resident shows signs of no longer being able to self-medicate safely.

(n) INJECTIONS. Subcutaneous, intramuscular, and intravenous injections may be self-administered by a resident if the resident is fully independent in the task or may be administered by a relative of the resident or an Oregon licensed registered nurse (RN). An Oregon licensed practical nurse (LPN) may give subcutaneous and intramuscular injections. A caregiver who has been delegated and trained by a registered nurse under provision of the Oregon State Board of Nursing (OAR 851-047-0000 to 851-047-0040) may give subcutaneous injections. Intramuscular and intravenous injections may not be delegated. (See OAR 411-050-0650(5) for storage and disposal requirements of sharps, including, but not limited to used needles and lancets).

(o) PHYSICAL RESTRAINTS. Physical restraints may only be used when required to treat a resident's medical symptoms or to maximize a resident's physical functioning. Physical restraints may only be used after a written assessment is completed as described below and all alternatives have been exhausted. Licensees and caregivers may use physical restraints in adult foster homes only in compliance with these rules, including the Resident's Rights listed in section (9) of this rule. Before the use of any type of physical restraint, the following must be completed:

(A) ASSESSMENT. A written assessment must be obtained from the resident's physician, nurse practitioner, physician assistant, registered nurse, Christian Science practitioner, mental health clinician, physical therapist, or occupational therapist that includes consideration of all other alternatives.

(B) ORDERS. If it is determined that a physical restraint is necessary following the assessment and trial of other measures, the least restrictive restraint must be used as infrequently as possible. The licensee must obtain a written order from the resident's physician, nurse practitioner, physician assistant, or Christian Science practitioner before the use of a physical restraint. The written order must include specific parameters, including the type of physical restraint, circumstances for use, and duration of use, including:

(i) Procedural guidance for the use of the physical restraint.

(ii) The frequency for reassessment.

(iii) The frequency and procedures for nighttime use.

(iv) Dangers and precautions for using the physical restraint.

(C) Physical restraints may not be used on an as needed (p.r.n.) basis in an adult foster home.

(D) CONSENT. Physical restraints must not be used without first obtaining the written consent of the resident or the resident's legal representative.

(E) DOCUMENTATION. If it is determined a physical restraint is necessary following the assessment and trial of other measures, the written order for the use of a physical restraint must be documented in the resident's care plan explaining why and when the restraint is to be used, along with instructions for periodic release. Any less restrictive, alternative measures planned during the assessment, and cautions for maintaining the resident's safety while restrained, must also be recorded in the resident's care plan. The resident's record must include:

(i) The completed assessment as described in this rule.

(ii) The written order authorizing the use of the physical restraint from the resident's physician, nurse practitioner, physician assistant, or Christian Science practitioner.

(iii) Written consent of the resident or the resident's legal representative to use the specific type of physical restraint.

(iv) The reassessments completed by a medical professional as described above in subsection (B) of this rule.

(F) DAYTIME USE. A resident physically restrained during waking hours must have the restraints released at least every two hours for a minimum of 10 minutes and be repositioned, offered toileting, and provided exercise or range-of-motion exercises during this period. The use of restraints, restraint release, and activities that occurred during the release period must be documented in the resident's record.

(G) NIGHTTIME USE. The use of physical restraints at night is discouraged and must be limited to unusual circumstances. If used, the restraint must be of a design to allow freedom of movement with safety. The frequency of night monitoring to address resident safety and care needs must be determined in the assessment. Tie restraints of any kind must not be used to keep a resident in bed.

(H) If any physical restraints are used in an adult foster home, the restraints must allow for quick release at all times. Use of restraints may not impede the three-minute evacuation of all occupants of the home.

(I) Physical restraints may not be used for the discipline of a resident or for the convenience of the adult foster home.

(8) RESIDENT CARE.

(a) Care and supervision of residents must be in a home-like atmosphere. The training of the licensee and caregivers and care and supervision of residents must be appropriate to the age, care needs, and conditions of the residents in the home. Additional staff may be required if, for example, day care individuals are in the home or if necessary to safely evacuate the residents and all occupants from the home as required by OAR 411-050-0650.

(b) If a resident has a medical regimen or personal care plan prescribed by a licensed health care professional, the provider must cooperate with the plan and ensure the plan is implemented as instructed.

(c) NOTIFICATION. The licensee must notify emergency personnel, the resident's physician, nurse practitioner, physician assistant, registered nurse, family representative, and case manager, as applicable, under the following circumstances:

(A) EMERGENCIES (MEDICAL, FIRE, POLICE). In the event of an emergency, the licensee or caregiver with the resident at the time of the emergency must first call 911 or the appropriate emergency number for the home's community. This does not apply to a resident with a medical emergency who practices Christian Science.

(i) If a resident is receiving hospice services, the caregivers must follow the written instructions for medical emergencies from the hospice nurse.

(ii) If a resident has a completed Physician's Orders for Life-Sustaining Treatment (POLST) or other legal documents, such as an Advance Directive or Do Not Resuscitate (DNR) order, copies of the documents must be made available to the emergency personnel when they arrive.

(B) HOSPITALIZATION. In the event the resident is hospitalized.

(C) HEALTH STATUS CHANGE. When the resident's health status or physical condition changes.

(D) DEATH. Upon the death of the resident.

(d) The licensee shall not inflict, or tolerate to be inflicted, abuse or punishment, financial exploitation, or neglect of the residents.

(e) The licensee must exercise reasonable precautions against any conditions that may threaten the health, safety, or welfare of the residents.

(f) A qualified caregiver must always be present and available at the home when a resident is in the home. A resident may not be left in charge in lieu of a caregiver.

(g) ACTIVITIES. The licensee must make available at least six hours of activities per week that are of interest to the residents, not including television and movies. Information regarding activity resources is available from the local licensing authority. Activities must be oriented to individual preferences as indicated in the resident's care plan. (See section (4) of this rule). Documentation of the activities offered to each resident and the resident's participation in those activities must be recorded in the resident's records.

(h) DAY CARE. Before the admission of each day care individual, the licensee must:

(A) Conduct and document a screening as described in section (1) of this rule.

(B) Obtain current medical professional orders as described in section (7) of this rule, if medications are to be administered and the necessary delegations, as applicable.

(C) Develop and maintain a current, written medication administration record (MAR) as described in section (7) of this rule, if medications are to be administered.

(i) DIRECT INVOLVEMENT OF CAREGIVERS. The licensee or caregivers must be directly involved with the residents on a daily basis. If the physical characteristics of the adult foster home do not encourage contact between the caregivers and residents and among residents, the licensee must demonstrate how regular positive contact occurs.

(j) RESIDENT MONEY. If the licensee manages or handles a resident's money, a separate account record must be maintained in the resident's name. The licensee may not under any circumstances commingle, borrow from, or pledge any of a resident's funds. The licensee may not act as a resident's guardian, conservator, trustee, or attorney-in-fact unless related by birth, marriage, or adoption to the resident as follows: parent, child, brother, sister, grandparent, grandchild, aunt, uncle, niece, or nephew. Nothing in this rule may be construed to prevent the licensee or the licensee's employee from acting as a representative payee for the resident. (See also OAR 411-020-0002 and ORS 127.520).

(A) Personal incidental funds (PIF) for individuals eligible for Medicaid services must be used at the discretion of the individual for such things as clothing, tobacco, and snacks (not part of daily diet).

(B) The licensee and other caregivers may not accept gifts from the residents through undue influence or accept gifts of substantial value. Caregivers and family members of the caregivers may not accept gifts of substantial value or loans from the resident or the resident's family. The licensee or other caregivers may not influence, solicit from, or suggest to any of the residents or the residents' representatives that the residents or the residents' representatives give the caregiver or the caregiver's family money or property for any purpose.

(C) The licensee may not subject the resident or the resident's representative to unreasonable rate increases.

(k) The licensee and other caregivers may not loan money to the residents.

(9) RESIDENT'S RIGHTS.

(a) Resident's Bill of Rights. The licensee, the licensee's family, and employees of the home must guarantee not to violate these rights and to help the residents exercise them. The Residents' Bill of Rights provided by the Department must be explained and a copy given to each resident at the time of admission. The Residents' Bill of Rights states each resident has the right to:

(A) Be treated as an adult with respect and dignity.

(B) Be informed of all resident rights and all house policies as written in the Residency Agreement.

(C) Be encouraged and assisted to exercise constitutional and legal rights, including the right to vote.

(D) Be informed of his or her medical condition and the right to consent to or refuse treatment.

(E) Receive appropriate care, services, and prompt medical care as needed.

(F) Be free from abuse.

(G) Complete privacy when receiving treatment or personal care.

(H) Associate and communicate privately with any person of choice and send and receive personal mail unopened.

(I) Have access to, and participate in, activities of social, religious, and community groups.

(J) Have medical and personal information kept confidential.

(K) Keep and use a reasonable amount of personal clothing and belongings, and to have a reasonable amount of private, secure storage space.

(L) Be free from chemical and physical restraints except as ordered by a physician or other qualified practitioner. Restraints are used only for medical reasons, to maximize a resident's physical functioning, and after other alternatives have been tried. Restraints are not to be used for discipline or convenience.

(M) Manage his or her own financial affairs unless legally restricted.

(N) Be free from financial exploitation. The licensee may not charge or ask for application fees or non-refundable deposits or solicit, accept, or receive money or property from a resident other than the amount agreed to for services.

(O) A written agreement regarding services to be provided and the rates to be charged. The licensee must give 30 days' written notice before any change in the rates or the ownership of the home.

(P) Not be transferred or moved out of the adult foster home without 30 calendar days' written notice and an opportunity for a hearing. A licensee may transfer a resident only for medical reasons, for the welfare of the resident or other residents, or for nonpayment.

(Q) A safe and secure environment.

(R) Be free of discrimination in regard to race, color, national origin, gender, sexual orientation, or religion.

(S) Make suggestions or complaints without fear of retaliation.

(T) Be free of discrimination in regard to the execution of an Advance Directive, Physician's Order for Life-Sustaining Treatment (POLST), or Do Not Resuscitate (DNR) orders.

(b) Providers initially licensed before January 1, 2016 have until September 1, 2018 to fully comply with this rule. Residents have the following rights and freedoms authorized by 42 CFR 441.301(c)(4) and 42 CFR 441.530(a)(1):

(A) To live under a legally enforceable Residency Agreement with protections substantially equivalent to landlord-tenant laws.

(B) The freedom and support to access food at any time.

(C) To have visitors of the resident's choosing at any time.

(D) To privacy in the resident's bedroom, and to have a lockable door in the resident's bedroom, which may be locked by the resident.

(E) To choose a roommate when sharing a bedroom.

(F) To furnish and decorate the resident's bedroom according to the Residency Agreement.

(G) The freedom and support to control the resident's schedule and activities.

(H) To privacy in the resident's bedroom.

(10) INDIVIDUALLY-BASED LIMITATIONS. This section and (11) of this rule will become effective on January 1, 2017 and must be in place no later than February 28, 2018.

(a) Individual limitations must be supported by a specific assessed need. A limitation may be implemented only with the informed consent of the resident, or the resident's legal representative. Limitations may only be considered to the rights identified in (9)(b)(B)-(H) of this rule.

(b) Limitations are not transferable between care settings.

(11) REQUIRED DOCUMENTATION FOR INDIVIDUALLY-BASED LIMITATIONS. Each limitation under consideration must be documented on the Department-approved consent form. Documentation must include:

(a) The reason the limitation is needed.

(b) The positive interventions and supports used before any individually-based limitation.

(c) Less intrusive methods that were tried before and did not work.

(d) A clear description of how the limitation supports the assessed need of the resident.

(e) A way to regularly measure if the limitation is working.

(f) When the limitation will be reviewed or removed.

(g) Informed consent from the resident or resident's legal representative, including any discrepancy between the wishes of the individual and the consent of the legal representative.

(h) An assurance that the limitation will not be harmful to the resident.

411-050-0660

Qualifications and Requirements for Ventilator-Assisted Care

(1) Adult foster homes that provide ventilator-assisted care for residents must meet the requirements of OAR 411-050-0660 in addition to the other requirements set forth in these rules.

(2) LICENSE REQUIRED. A person or entity may not represent themselves as operating an adult foster home that provides ventilator-assisted care or accept placement of an individual requiring ventilator-assisted care without being licensed as a ventilator-assisted care adult foster home.

(3) The licensee must comply with all HCB Settings requirements as described in OAR 411-050-0615(2), 411-050-0655(4(b)-(d), (5), (9)(b), (10) and (11).

(4) APPLICATION. An applicant or licensee must meet and maintain compliance with OAR 411-050-0610.

(a) To apply for a license to provide ventilator-assisted care, an applicant or licensee must complete the Department's ventilator-assisted care application form (SDS 448V) and submit the application with the required information and nonrefundable fee as outlined in OAR 411-050-0610 to the local licensing authority.

(b) To renew a license to provide ventilator-assisted care, a licensee must complete the Department's ventilator-assisted care application form (SDS 448V) and submit the application with the required information and nonrefundable fee as outlined in OAR 411-050-0640 to the local licensing authority.

(c) Applications are processed according to OAR 411-050-0610 and 411-050-0640.

(d) Applications must be approved by the Department prior to the issuance of a ventilator-assisted care license.

(5) QUALIFICATIONS AND TRAINING. An applicant, licensee, and all other caregivers must meet and maintain compliance with OAR 411-050-0625. In addition:

(a) The applicant, licensee, resident manager, floating resident manager, or shift caregivers, as applicable, must demonstrate one year of full-time experience in providing ventilator-assisted care.

(b) The applicant or licensee, as applicable, must have experience operating a Class 3 adult foster home in substantial compliance with these rules for at least one year.

(c) An applicant for an adult foster home providing ventilator-assisted care must be the primary caregiver and live in the home where ventilator-assisted care is to be provided for a minimum of one year from the date the initial ventilator-assisted care license is issued. The licensee may employ a resident manager to be the primary live-in caregiver after providing ventilator-assisted care for the one year period. The resident manager must be approved by the local licensing authority and the Department.

(d) The applicant, licensee, and all other caregivers must successfully complete the Department's approved training pertaining to ventilator-assisted care and other training as required. Training is required on an annual basis and must be completed by the licensee, resident manager, floating resident manager, shift caregivers, and substitute caregivers, as applicable, prior to approval of a renewed ventilator-assisted care license.

(6) CLASSIFICATION. An applicant for a ventilator-assisted care license must possess the minimum qualifications outlined in section (5) of this rule. The applicant and licensee must meet and maintain compliance with OAR 411-050-0630. The local licensing authority shall issue a Level A, Level B, or Level C ventilator-assisted care adult foster home license to qualified applicants.

(a) A licensee with a Level C ventilator-assisted care license may admit a maximum of one resident who requires ventilator-assisted care. The local licensing authority may issue a Level C license if the applicant has:

(A) Satisfied the requirements described in section (5) above; and

(B) Successfully operated a Class 3 home in substantial compliance with these rules for a period of not less than one year.

(b) A licensee with a Level B ventilator-assisted care license may admit a maximum of three residents who require ventilator-assisted care. The local licensing authority may issue a Level B license if the licensee has:

(A) Satisfied the requirements described in section (5) above; and

(B) Successfully operated and provided ventilator-assisted care in their Level C home in substantial compliance with these rules for a period of not less than one year; or

(C) The applicant or licensee, as applicable, has a current license as a health care professional in Oregon.

(c) A licensee with a Level A ventilator-assisted care license may admit a maximum of five residents who require ventilator-assisted care. The local licensing authority may issue a Level A license if the licensee has:

(A) Satisfied the requirements described in section (5) above; and

(B) Successfully operated and provided ventilator-assisted care in their Level B home in substantial compliance with these rules for a period of not less than one year.

(7) CAPACITY. An applicant and licensee must meet and maintain compliance with OAR 411-050-0632. The number of residents permitted to reside in a ventilator-assisted care adult foster home is determined by the level of the home, the ability of the staff to meet the care needs of the residents, the fire and life safety standards, and compliance with these rules. A licensee may only admit or continue to provide ventilator-assisted care for residents according to the level of the home's license. A licensee may admit other residents who do not require ventilator-assisted care within the approved license capacity listed on the home's license.

(8) OPERATIONAL STANDARDS. A licensee must meet and maintain compliance with OAR 411-050-0645. In addition:

(a) A minimum of two qualified and approved caregivers must be on site and available to meet the routine and emergency care and service needs of the residents 24 hours a day. A minimum of one of the two qualified and approved caregivers must be awake during nighttime hours.

(b) All caregivers must demonstrate competency in providing ventilator-assisted care.

(c) All caregivers must be able to evacuate the residents and any other occupants of the home within three minutes or less.

(d) The applicant and licensee must have a satisfactory system in place to ensure the caregivers are alert to the 24-hour needs of residents who may be unable to independently call for assistance.

(e) All caregivers must know how to operate the back-up generator without assistance and be able to demonstrate how to operate the back-up generator upon request by the Department or local licensing authority.

(9) FACILITY STANDARDS. An applicant and licensee must meet and maintain compliance with OAR 411-050-0650. In addition:

(a) The residents' bedrooms must be a minimum of 100 square feet, or larger if necessary, to accommodate the standard requirements of OAR 411-050-0650, the needs of the resident, and the equipment and supplies necessary for the care and services needed by individuals requiring ventilator-assisted care.

(b) Homes that provide ventilator-assisted care for residents must have a functional, emergency back-up generator. The generator must be adequate to maintain electrical service for resident needs until regular service is restored. Hard wired, back-up generators must be installed by a licensed electrician. Back-up generators must be tested monthly and the test must be documented in the facility records.

(c) The home must have a functional, interconnected carbon monoxide and smoke alarm system with back-up batteries.

(d) The home must have a functional sprinkler system and maintenance of the sprinkler system must be completed as recommended by the manufacturer. A home that does not have a functional sprinkler system but was approved to provide ventilator-assisted care prior to September 1, 2013, must install a functional whole-home sprinkler system no later than July 31, 2015.

(e) Each resident's bedroom must have a mechanism in place that enables the resident to summon a caregiver's assistance when needed. The mechanism must be within the abilities of the resident to use. The summons must be audible in all areas of the adult foster home.

(10) STANDARDS AND PRACTICES FOR CARE AND SERVICES. Licensees must meet and maintain compliance with OAR 411-050-0655. In addition:

(a) The licensee must conduct and document a thorough screening of a prospective resident on the Department's form (SDS 902).

(b) Prior to admitting a resident requiring ventilator care to the adult foster home, the licensee must obtain preauthorization from the Department.

(c) The licensee must have a primary care physician identified for each resident being considered for admission.

(d) The licensee must retain the services of a registered nurse (RN) consultant to work in the home who is licensed by the State of Oregon and trained in the care of individuals requiring ventilator-assisted care. RN services include, but are not limited to, the provision of medical consultation and supervision of resident care, skilled nursing care as needed, and delegation of nursing care to caregivers. When the licensee is an RN, a back-up RN licensed by the State of Oregon and trained in the care of individuals requiring ventilator-assisted care must be identified and available to provide nursing services in the absence of the licensee.

(e) The licensee must develop individual care plans for each resident with the RN consultant addressing the expected frequency of nursing supervision, consultation, and direct service intervention. The RN consultation must be documented on the resident's completed care plan with the RN's signature and date signed.

(f) The licensee must have physician, RN, and respiratory therapist consultation services, all licensed by the State of Oregon and trained in the care of individuals requiring ventilator-assisted care available on a 24-hour basis and for in-home visits as appropriate. The licensee must call the appropriate medical professional to attend to the emergent care needs of the residents.

411-050-0662

Qualifications and Requirements for Limited Adult Foster Homes

(1) The licensee must comply with all requirements for HCB Settings as described in OAR 411-050-0615(2), 411-050-0655(4)(b)-(d), (5), (9)(b), (10) and (11). (See OAR chapter 411, division 004).

(2) To qualify for a limited adult foster home license the applicant or licensee must submit:

(a) A completed application for initial or renewal limited licenses.

(b) The Department's Health History and Physician's or Nurse Practitioner's Statement that indicates the applicant or licensee is physically, cognitively, and emotionally capable of providing care to a specific adult who is older or who has a physical disability and with whom the applicant has an established relationship of not less than one year. The Health History and Statement must be submitted initially and every third year or sooner if there is reasonable cause for health concerns.

(c) Documentation of the initiation of a background check or copy of an approved background check for each subject individual.

(d) Completion of the Department's Caregiver Preparatory Training Study Guide (DHS 9030) and Workbook (DHS 9030-W).

(e) A $20 non-refundable fee. If the licensee requests and is granted a variance from the capacity limitation of one resident, a $20 per bed non-refundable fee for each non-relative resident is required.

(3) The applicant or licensee must demonstrate a clear understanding of the resident's care needs.

(4) The applicant or licensee must live in the home that is to be licensed.

(5) The applicant or licensee must own, rent, or lease the home where care is being provided. The applicant or licensee must provide verification of proof of ownership or a copy of the signed and dated rental or lease agreement as applicable.

(6) A caregiver must be available at all times, 24 hours a day, seven days a week, when the resident is in the home. The caregiver must have the knowledge and ability to meet the resident's care needs. All caregivers must:

(a) Have an approved background check according to the Criminal Records and Abuse Check rules (OAR 407-007-0200 through 407-007-0370) before working in the home.

(b) Complete the Department's Caregiver Preparatory Training Study Guide (DHS 9030) and Workbook (DHS 9030-W).

(c) Be at least 18 years of age.

(7) The licensee must notify the local licensing authority if the licensee shall be absent from the home 10 days or more and the resident shall be remaining in the home during the absence. The licensee must also submit a staffing plan to the local licensing authority demonstrating coverage during the absence that meets the needs of the resident.

(8) The resident's bedroom must be in close enough proximity to the licensee or caregiver in charge to alert him or her to nighttime needs or emergencies, or the bedroom must be equipped with a functional call bell or intercom within the resident's abilities to operate.

(9) The licensee and caregiver must have a complete understanding of the resident's medications. The licensee must have a copy of current prescribing practitioner orders including, if applicable, written authorization for self-administration of medications.

(10) Medications must be stored in the original labeled container except when stored in a seven-day closed container manufactured for advanced set-up of medications.

(11) The licensee and caregiver must place used, disposable syringes and needles, and other sharp items in a puncture-resistant, red container designed for disposal of sharp items. Disposal must be according to local regulations as stated in section 411-050-0655. (See ORS 459.386-405).

(12) The licensee, the licensee's family, and employees of the home must guarantee not to violate the Resident's Rights as outlined in OAR 411-050-0655.

(13) The licensee must have a copy of any applicable legal documents, such as Advance Directive, Physician Order for Life-Sustaining Treatment (POLST), and Do Not Resuscitate (DNR) orders.

(14) The home must have a working landline and corded telephone. If the licensee has a caller identification service on the home number, the blocking feature must be disabled to allow incoming calls to be received unhindered. Voice over internet protocol (VoIP), voice over broadband (VoBB), or cellular telephone service may not be used in place of a landline.

(15) CONSTRUCTION. Interior and exterior doorways used by a resident must be wide enough to accommodate wheelchairs and walkers if used by the resident. Interior and exterior stairways must be unobstructed, equipped with handrails, and appropriate to the condition of the resident.

(16) Hardware for all exit doors and interior doors must be readily visible and have simple hardware that may not be locked against exit and must have an obvious method of operation. Hasps, sliding bolts, hooks and eyes, slide chain locks, and double key deadbolts are not permitted.

(a) The resident's bedroom must have a lockable door for the resident's privacy, as stated in OAR 411-050-0650. The locking device must release by a single-action on the inside of the room and open to a hall or common-use room.

(b) The resident shall be provided a key that only locks and unlocks his or her bedroom door.

(c) A master key to the resident's door lock must be immediately available to the licensee and all other caregivers in the home.

(d) Providers licensed before January 1, 2016 have until September 1, 2018 to fully implement (a) through (c) of this rule.

(17) If a home has a resident with impaired judgment who is known to wander away, the home must have an activated alarm system to alert a caregiver of the resident's unsupervised exit.

(18) Buildings must be of sound construction with wall and ceiling flame spread rates at least substantially comparable to wood lath and plaster or better. The maximum flame spread of finished materials may not exceed 200 and the smoke developed index may not be greater than 450. If more than 10 percent of combined wall and ceiling areas in a sleeping room or exit way is composed of readily combustible material such as acoustical tile or wood paneling, such material must be treated with an approved flame retardant coating. Exception: Buildings supplied with an approved automatic sprinkler system.

(a) MANUFACTURED HOMES. Manufactured home (formerly mobile homes) units must have been built in 1976 or later and designed for use as a home rather than a travel trailer. The unit must have a manufacturer's label permanently affixed on the unit itself that states the unit meets the requirements of the Department of Housing and Urban Development (HUD). The required label must read as follows: "As evidenced by this label No. ABC000001, the manufacturer certifies to the best of the manufacturer's knowledge and belief that this mobile home has been inspected in accordance with the requirements of the Department of Housing and Urban Development and is constructed in conformance with the Federal Mobile Home Construction and Safety Standards in effect on the date of manufacture. See date plate."

(b) If such a label is not evident and the licensee believes the unit meets the required specifications, the licensee must take the necessary steps to secure and provide verification of compliance from the manufacturer.

(c) Mobile homes built in1976 or later meet the flame spread rate requirements and do not have to have paneling treated with a flame retardant coating.

(19) The applicant or licensee must meet minimal fire safety standards including:

(a) A functional smoke alarm with back-up battery must be installed in all sleeping areas and hallways or access ways that adjoin sleeping areas.

(b) A functional carbon monoxide alarm with back-up battery must be installed within 15 feet of each bedroom and at a height as recommended by the manufacturer.

(c) At least one fire extinguisher with a minimum classification of 2-A:10-B:C must be mounted in a visible and readily accessible location on each floor, including basements, and be checked at least once a year by a qualified person who is well versed in fire extinguisher maintenance. All recharging and hydrostatic testing must be completed by a qualified agency properly trained and equipped for this purpose.

(d) The licensee must have a safe evacuation plan and may be required to demonstrate the evacuation plan. The licensee may be required to install an Americans with Disabilities Act (ADA) compliant ramp for the safety of all occupants.

(e) The licensee and all occupants must be able to evacuate within three minutes to an initial point of safety exterior to and away from the structure, with access to a public sidewalk or street. The licensee and all occupants must be able to demonstrate the ability to further evacuate all occupants from the initial point of safety to the final point of safety within two minutes or less.

(f) Smoking is prohibited in any bedroom, including that of the resident, the licensee, occupants, or caregivers and in any room where oxygen is used or stored.

(g) The home must be built of standard construction and must meet all applicable state and local building, mechanical, and housing codes for fire and life safety.

(h) A resident must have a bedroom that:

(A) Was constructed as a bedroom when the home was built or remodeled under permit.

(B) Is finished with walls or partitions of standard construction that go from floor to ceiling.

(C) Has a door large enough to accommodate the occupant of the room and any equipment that may be necessary such as a hospital bed or wheelchair.

(D) Has adequate ventilation, heat, and lighting with at least one operable window or exterior door that leads directly outside as a secondary egress for resident use.

(E) Has at least 70 square feet of usable floor space.

(i) All exit ways, including windows, must remain unobstructed at all times.

(j) Flammable materials must not be stored within 36 inches of open flame or heat sources.

(k) Only sealed electric transfer heaters or electric space heaters with tip-over shut-off capability may be used when approved by the State Fire Marshal or State Fire Marshal's designee. Heaters must be plugged directly into an outlet and may not be used with extension cords.

(l) The licensee must install or make available, any supportive device necessary to meet the resident's needs and ensure resident safety including, but not limited to, grab bars, ramps, and door alarms.

(20) A license is not transferable and does not apply to any location or person other than the location and the person indicated on the license obtained from the local licensing authority.

(21) The licensee must notify the local licensing authority at least 30 days before any change in residential or mailing address.

(22) The Department, the local licensing authority, and the Centers for Medicare and Medicaid Services (CMS) have authority to conduct inspections with or without advance notice to the licensee or the resident of a home. The licensee must allow and authorize other caregivers and occupants to permit entrance and access to the home and the resident for the purpose of assessing, monitoring, inspection, investigation, and other duties within the scope of the Department, the local licensing authority, or CMS.

(23) The applicant or licensee must obtain any training and maintain resident record documentation deemed necessary by the Department to provide adequate care for the resident.

Stat. Auth.: ORS 410.070, 443.001, 443.004, 443.725, 443.730, 443.735, 443.738, 443.742, 443.760, 443.767, 443.775, 443.790

411-050-0665
Abuse Reporting, Complaints, and Notification of Findings

(1) ABUSE REPORTING. Abuse is prohibited. The facility employees and licensee may not permit, aid, or engage in abuse of residents. Abuse and suspected abuse must be reported in accordance with OAR 411-020-0020.

(a) STAFF REPORTING. All facility employees must immediately report abuse and suspected abuse to the investigative authority.

(b) LICENSEE REPORTING. The licensee must immediately notify the investigative authority of any incident of abuse or suspected abuse, including events overheard or witnessed by observation.

(c) LAW ENFORCEMENT AGENCY. The local law enforcement agency must be called first when the suspected abuse is believed to be a crime (e.g., rape, murder, assault, burglary, kidnapping, theft of controlled substances).

(2) IMMUNITY AND PROHIBITION OF RETALIATION.

(a) The licensee may not retaliate against any resident after the resident or someone acting on the resident's behalf has filed a complaint in any manner, including, but not limited to:

(A) Increasing or threatening to increase charges;

(B) Decreasing or threatening to decrease services;

(C) Withholding rights or privileges;

(D) Taking or threatening to take any action to coerce or compel the resident to leave the facility; or

(E) Threatening to harass or abuse a resident in any manner.

(b) The licensee must ensure any complainant, witness, or employee of a facility is not subjected to retaliation by any caregiver, (including the caregiver's family and friends who may live in or frequent the adult foster home) for making a report, being interviewed about a complaint, or being a witness, including, but not limited to, restriction of access to the home or a resident or, if an employee, dismissal or harassment.

(c) Anyone who, in good faith, reports abuse or suspected abuse has immunity, as approved by law, from any civil liability that might otherwise be incurred or imposed with respect to the making or content of an abuse complaint.

(3) Immunity under this rule does not protect self-reporting licensees from liability for the underlying conduct that is alleged in the complaint.

(4) The local licensing authority must furnish each adult foster home with a Complaint Notice that states the telephone number of the Department, the investigative authority, and the Long-Term Care Ombudsman, and the procedure for making complaints.

(5) Any person who believes these rules have been violated may file a complaint with the Department, the local licensing authority, or the investigative authority.

(6) The Department or the investigative authority shall investigate complaints in accordance with the adult protective services rules in OAR chapter 411, division 20 or OAR chapter 407, division 45, as applicable.

(7) Immediate protection shall be provided for the residents by the Department, the local licensing authority, or the investigative authority, as necessary, regardless of whether the investigative report is completed. The licensee must immediately cease any practice that places a resident at risk of serious harm.

(8) PRELIMINARY FINDINGS. The Department, through the investigative authority, shall provide, by written communication or electronic mail, a copy of the preliminary abuse investigation report to the licensee and complainant within seven business days of the completion of the investigation:

(a) The report shall be accompanied by a notice informing the licensee and complainant of the right to give additional information about the content of the report to the investigative authority within 10 calendar days of receipt of the report.

(b) The investigative authority must review the responses and reopen the investigation or amend the report if the additional evidence warrants a change.

(9) A copy of the entire report shall be sent to the Department upon completion of the investigation report.

(10) NOTIFICATION OF FINDINGS. Upon a determination of substantiated abuse or a rule violation, the Department must provide written notification of its findings to the licensee.

(a) CONTENT. The written notice shall:

(A) Explain the nature of each allegation.

(B) Include the date and time of each occurrence.

(C) For each allegation, include a determination of whether the allegation is substantiated, unsubstantiated, or inconclusive.

(D) For each substantiated allegation, state whether the violation was abuse or another rule violation.

(E) Include a copy of the complaint investigation report.

(F) State that the complainant, any person reported to have committed wrongdoing, and the facility have 15 calendar days to provide additional or different information.

(G) For each allegation, explain the applicable appeal rights available.

(b) APPORTIONMENT. If the Department determines there is substantiated abuse, the Department may determine the licensee, an individual, or both the licensee and an individual were responsible for abuse. In determining responsibility, the Department shall consider intent, knowledge, and ability to control, and adherence to professional standards, as applicable.

(A) LICENSEE RESPONSIBLE. Examples of when the Department shall determine the licensee is responsible for the abuse include, but are not limited to, the following:

(i) Failure to provide sufficient, qualified staffing in accordance with these rules without reasonable effort to correct.

(ii) Failure to check for or act upon relevant information available from a licensing board.

(iii) Failure to act upon information from any source regarding a possible history of abuse by any staff or prospective staff.

(iv) Failure to adequately train, orient, or provide sufficient oversight to staff.

(v) Failure to provide adequate oversight to residents.

(vi) Failure to allow sufficient time to accomplish assigned tasks.

(vii) Failure to provide adequate services.

(viii) Failure to provide adequate equipment or supplies.

(ix) Failure to follow orders for treatment or medication.

(B) INDIVIDUAL RESPONSIBLE. Examples of when the Department determines an individual is responsible include, but is not limited to:

(i) Intentional acts against a resident, including assault, rape, kidnapping, murder, or sexual, verbal, or mental abuse.

(ii) Acts contradictory to clear instructions from the facility, such as those identified in section (10)(b)(A) of this rule, unless the act is determined by the Department to be the responsibility of the facility.

(iii) Callous disregard for resident rights or safety.

(iv) Intentional acts against a resident's property (e.g., theft or misuse of funds).

(C) An individual shall not be considered responsible for the abuse if the individual demonstrates the abuse was caused by factors beyond the individual's control. "Factors beyond the individual's control" are not intended to include such factors as misuse of alcohol or drugs or lapses in sanity.

(D) NURSING ASSISTANTS. In cases of substantiated abuse by a nursing assistant, the written notice shall explain:

(i) The Department's intent to enter the finding of abuse into the Nursing Assistant Registry following the procedure set out in OAR 411-089-0140; and

(ii) The nursing assistant's right to provide additional information and request a contested case hearing as provided in OAR 411-089-0140.

(c) DISTRIBUTION.

(A) The written notice shall be mailed to:

(i) The licensee;

(ii) Any person reported to have committed wrongdoing;

(iii) The complainant, if known;

(iv) The Long-term Care Ombudsman; and

(v) The local licensing authority.

(B) A copy of the written notice must be placed in the Department's facility complaint file.

(11) Upon receipt of a notice that substantiates abuse for victims covered by ORS 430.735, the facility must provide written notice of the findings to the individual found to have committed abuse, residents of the facility, and the residents' case manager and representatives.

(12) Licensees who acquire substantiated complaints pertaining to the health, safety, or welfare of residents may be assessed civil penalties, have conditions placed on their licenses, or have their licenses suspended, revoked, or not renewed.

(13) COMPLAINT REPORTS. Copies of all completed complaint reports must be maintained and available to the public at the local licensing

authority. Individuals may purchase a photocopy upon requesting an appointment to do so.

(14) The Department and the local licensing authority shall not disclose information that may be used to identify a resident in accordance with OAR 411-020-0030 (Confidentiality) and federal HIPAA Privacy Rules. Completed reports placed in the public file must be in compliance with OAR 411-050-0670 and must:

(a) Protect the privacy of the complainant and the resident. The identity of the person reporting suspected abuse must be confidential and may be disclosed only with the consent of that person, by judicial process (including administrative hearing), or as required to perform the investigation by the Department or a law enforcement agency.

(b) Treat the names of the witnesses as confidential information.

(c) Clearly designate the final disposition of the complaint.

(A) PENDING COMPLAINT REPORTS. Any information regarding the investigation of the complaint may not be filed in the public file until the investigation has been completed.

(B) COMPLAINT REPORTS AND RESPONSES. The investigation reports, including copies of the responses with confidential information deleted, must be available to the public at the local licensing authority office along with other public information regarding the adult foster home.

411-050-0670
Inspections

(1) The local licensing authority must conduct an inspection of an adult foster home and all structures on the adult foster home property:

(a) Before issuance of a license;

(b) Before the annual renewal of a license. The local licensing authority must conduct this inspection unannounced;

(c) Upon receipt of an oral or written complaint of violations that threaten the health, safety, or welfare of residents; or

(d) Anytime the Department has probable cause to believe a home has violated a regulation or provision of these rules or is operating without a license.

(2) The Department may conduct inspections:

(a) Any time such inspections are authorized by these rules and any other time the Department considers it necessary to determine if a home is in compliance with these rules or with conditions placed upon the license.

(b) To determine if cited violations have been corrected.

(c) For the purpose of routine monitoring of the residents' care.

(3) State or local fire inspectors must be permitted access to enter and inspect adult foster homes regarding fire safety upon the Department's request.

(4) The Department, the local licensing authority, the investigative authority, and the Centers for Medicare and Medicaid Services (CMS) have authority and must have full access to examine and copy facility and resident records, including, but not limited to, Residency Agreements, and resident account records, as applicable.

(5) PRIVATE INTERVIEW. Department, local licensing authority, investigative authority, and CMS staff have authority to interview the licensee, resident manager, other caregivers, and the residents. Interviews must be confidential and conducted privately.

(6) Licensees must authorize all staff to permit the Department, local licensing authority, the investigative authority, and CMS staff, for the purpose of inspection, investigation, and other duties within the scope of the inspector's or investigator's authority:

(a) Entrance to the adult foster home and any other structure on the premises; and

(b) Access to resident and facility records.

(7) The Department, local licensing authority, the investigative authority, and CMS has authority to conduct inspections with or without advance notice to the licensee, staff, or the residents of the home. The Department, local licensing authority, and CMS shall not give advance notice of any inspection if it is believed that notice might obstruct or seriously diminish the effectiveness of the inspection or enforcement of these rules.

(8) If Department, local licensing authority, the investigative authority, or CMS staff are not permitted access for inspection, a search warrant may be obtained.

(9) The inspector must respect the private possessions of the residents, licensee, and staff while conducting an inspection.

(10) PUBLIC FILE. The local licensing authority must maintain current information on all licensed adult foster homes and must make all non-confidential information available to prospective residents and other interested members of the public at local licensing authority offices throughout the state as authorized by law. The information includes:

(a) The location of the adult foster home and the name and mailing address of the licensee if different.

(b) A brief description of the physical characteristics of the home.

(c) A copy of the current license that indicates the current classification, level, and capacity of the home, as applicable.

(d) The date the licensee was first licensed to operate that home.

(e) The date of the last licensing inspection including any fire inspection, the name and telephone number of the office that performed the inspection, and a summary of the inspection findings.

(f) Copies of all non-confidential portions of complaint investigations involving the home, together with the findings, actions taken by the Department, and responses from the licensee and complainant, as appropriate. All complaint terminology must be clearly defined and the final disposition clearly designated.

(g) Any license conditions, suspensions, denials, revocations, non-renewals, civil penalties, variances, or other actions taken by the Department involving the home.

(h) Whether care is provided primarily by the licensed provider, a resident manager, or shift caregivers.

411-050-0685
Civil Penalties

(1) Except as otherwise provided in this rule, civil penalties, not to exceed $100 per violation to a maximum of $250, may be assessed for a general violation of these rules.

(2) Mandatory penalties up to $500, unless otherwise required by law, shall be assessed for falsifying resident or facility records or causing another to do so.

(3) A mandatory penalty of $250 shall be imposed for failure to have either the licensee or other qualified caregiver on duty 24 hours per day in the adult foster home.

(4) A mandatory penalty of $250 shall be imposed for dismantling or removing the battery from any required smoke alarm or failing to install any required smoke alarm.

(5) The Department shall impose a civil penalty of not less than $250 and no more than $500 on a licensee who admits a resident knowing that the resident's care needs exceed the license classification of the licensee and the admission places the resident or other residents at risk of harm.

(6) Civil penalties up to a maximum of $1,000 per occurrence may be assessed for substantiated abuse.

(7) If the Department, or the Department's designee, conducts an investigation and abuse is substantiated and if the abuse resulted in the death, serious injury, rape, or sexual abuse of a resident, the Department shall impose a civil penalty of not less than $2,500 for each violation.

(a) To impose this civil penalty, the Department must establish:

(A) The abuse arose from deliberate or other than accidental action or inaction.

(B) The conduct resulting in the abuse was likely to cause death, serious injury, rape, or sexual abuse of a resident.

(C) The person with the finding of abuse had a duty of care toward the resident.

(b) For the purposes of this civil penalty, the following definitions apply:

(A) "Serious injury" means a physical injury that creates a substantial risk of death or that causes serious disfigurement, prolonged impairment of health, or prolonged loss or impairment of the function of any bodily organ.

(B) "Rape" means rape in the first, second, or third degree as described in ORS 163.355, 163.365, and 163.375.

(C) "Sexual abuse" means any form of nonconsensual sexual contact including, but not limited to, unwanted or inappropriate touching, sodomy, sexual coercion, sexually explicit photographing, or sexual harassment. The sexual contact must be in the form of any touching of the sexual or other intimate parts of a person or causing such person to touch the sexual or other intimate parts of the actor for the purpose of arousing or gratifying the sexual desire of either party.

(D) "Other than accidental" means failure on the part of the licensee, or licensee's employees, agents, or volunteers for whose conduct licensee is responsible, to comply with applicable Oregon Administrative Rules.

(8) In addition to any other liability or penalty provided by law, the Department may impose a penalty for any of the following:

(a) Operating the home without a license.

(b) The number of residents exceeds the licensed capacity.

(c) The licensee fails to achieve satisfactory compliance with the requirements of these rules within the time specified, or fails to maintain such compliance.

(d) The home is unable to provide adequate level of care to the residents.

(e) There is retaliation or discrimination against a resident, family, employee, or any other person for making a complaint against the home.

(f) The licensee fails to cooperate with the Department or fails to cooperate with the prescribing practitioner or licensed health care professional in carrying out a resident's care plan.

(g) The licensee fails to obtain an approved background check from the Department before employing a caregiver in the home.

(9) A civil penalty may be imposed for violations other than those involving the health, safety, or welfare of a resident if the licensee fails to correct the violation as required when a reasonable time frame for correction was given.

(10) Violations requiring a mandatory civil penalty, which occurred while the licensee was operating the AFH, will be imposed by the Department, even if the licensee subsequently closes the home or voluntarily surrenders the license.

(11) Any civil penalty imposed under this rule becomes due and payable 10 calendars days after the order imposing the civil penalty becomes final by operation of law or on appeal. The notice must be delivered in person or sent by registered or certified mail and must include:

(a) A reference to the particular sections of the statute, rule, standard, or order involved.

(b) A short and plain statement of the matters asserted or charged.

(c) A statement of the amount of the penalty or penalties imposed.

(d) A statement of the right to request a hearing.

(12) The person to whom the notice is addressed shall have 10 calendar days after receipt of the notice to make written application for a hearing. If a written request for a hearing is not timely received, the Department shall issue a final order by default.

(13) All hearings shall be conducted according to the applicable provisions of ORS 183.

(14) When imposing a civil penalty, the Department shall consider the following factors:

(a) The past history of the person incurring the penalty in taking all feasible steps or procedures to correct the violation;

(b) Any prior violations of statutes, rules, or orders pertaining to the facility;

(c) The economic and financial conditions of the person incurring the penalty;

(d) The immediacy and extent to which the violation threatens or threatened the health, safety, or welfare of one or more residents; and

(e) The degree of harm to residents.

(15) If the person notified fails to request a hearing within the time specified, or if after a hearing the person is found to be in violation of a license, rule, or order, an order may be entered assessing a civil penalty.

(16) Unless the penalty is paid within 10 calendar days after the order becomes final, the order constitutes a judgment and may be recorded by the county clerk, which becomes a lien upon the title to any interest in real property owned by that person. The Department may also initiate a notice of revocation for failure to comply with a final order.

(17) Civil penalties are subject to judicial review under ORS 183.480, except that the court may, at its discretion, reduce the amount of the penalty.

(18) All penalties recovered under ORS 443.790 to 443.815 are paid to the Quality Care Fund.

Subject: The Department of Human Services (Department) is amending OAR chapter 411, division 054 to permanently update the rules that became effective on January 1, 2016. The Department is amending the rules and adopting a new rule to add in requirements surrounding individually-based limitations for residential care and assisted living facilities to align the rules with the newly adopted rules in 411-004. The rules in 411-004 provide a foundation of standards to support the network of Medicaid-funded and private pay residential Home and Community-Based Services (HCBS), Home and Community-Based (HCB) settings, and person-centered service planning for individuals receiving HCBS in Oregon.

The amended rules ensure individuals in residential care and assisted living and facilities receive HCBS in settings that are integrated in and support the same degree of access to the greater community as people not receiving HCBS, including opportunities for individuals enrolled in or utilizing HCBS to:

- Engage in community life;
- Control personal resources; and
- Receive services in the community.

The Department is also updating language in 411-054-0012 (Market Study language) to comply with H.B. 2413 (2015) and 411-054-0025 (Criminal Background language) to comply with H.B. 4151 (2015).

The Department is updating the rules to match current Department terminology, and perform minor grammar, punctuation, formatting, and housekeeping changes.
Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-054-0000
Purpose

(1) The purpose of these rules is to establish standards for assisted living and residential care facilities that promote the availability of a wide range of individualized services for elderly and persons with disabilities, in a homelike environment. The standards are designed to enhance the dignity, independence, individuality, and decision making ability of the resident in a safe and secure environment while addressing the needs of the resident in a manner that supports and enables the individual to maximize abilities to function at the highest level possible.

(2) Residential care and assisted living facilities are also required to adhere to Home and Community-Based Services, OAR 411-004. For purposes of these rules, all residential care and assisted living facilities are considered home and community-based care settings and therefore shall be referred to as "facility".

Stat. Auth.: ORS 410.070 & 443.450

411-054-0005
Definitions

For the purpose of these rules, the following definitions apply:

(1) "Abuse" means abuse as defined in OAR 411-020-0002 (Adult Protective Services).

(2) "Activities of Daily Living (ADL)" mean those personal functional activities required by an individual for continued well-being, health, and safety. Activities consist of eating, dressing, grooming, bathing, personal hygiene, mobility (ambulation and transfer), elimination (toileting, bowel, and bladder management), cognition, and behavior.

(3) "Acute Sexual Assault" means any non-consensual or unwanted sexual contact that warrants medical treatment or forensic collection.

(4) "Administrator" means the individual who is designated by the licensee that is responsible for the daily operation and maintenance of the facility as described in OAR 411-054-0065.

(5) "Advance Directive" means a document that contains a health care instruction or a power of attorney for health care.

(6) "Aging and People with Disabilities" means the program area of Aging and People with Disabilities, within the Department of Human Services.

(7) "APD" means "Aging and People with Disabilities".

(8) "Applicant" means the individual, individuals, or entity, required to complete a facility application for license.

(a) Except as set forth in OAR 411-054-0013(1)(b), applicant includes a sole proprietor, each partner in a partnership, and each member with a 10 percent or more ownership interest in a limited liability company, corporation, or entity that:

(A) Owns the residential care or assisted living facility business; or

(B) Operates the residential care or assisted living facility on behalf of the facility business owner.

(b) Except as set forth in OAR 411-054-0013(1)(b), for those who serve the Medicaid population, applicant includes a sole proprietor, each partner in a partnership, and each member with a five percent or more ownership interest in a limited liability company, corporation, or entity that:

(A) Owns the residential care or assisted living facility business; or

(B) Operates the residential care or assisted living facility on behalf of the facility business owner.

(9) "Area Agency on Aging (AAA)" as defined in ORS 410.040 means the Department designated agency charged with the responsibility to provide a comprehensive and coordinated system of services to seniors or individuals with disabilities in a planning and service area. For the purpose of these rules, the term Area Agency on Aging is inclusive of both Type A and B Area Agencies on Aging that contract with the Department to perform specific activities in relation to residential care and assisted living facilities including:

(a) Conducting inspections and investigations regarding protective service, abuse, and neglect.

(b) Monitoring.

(c) Making recommendations to the Department regarding facility license approval, denial, revocation, suspension, non-renewal, and civil penalties.

(10) "Assisted Living Facility (ALF)" means a building, complex, or distinct part thereof, consisting of fully, self-contained, individual living units where six or more seniors and adult individuals with disabilities may reside in homelike surroundings. The assisted living facility offers and coordinates a range of supportive services available on a 24-hour basis to meet the activities of daily living, health, and social needs of the residents as described in these rules. A program approach is used to promote resident self-direction and participation in decisions that emphasize choice, dignity, privacy, individuality, and independence.

(11) "Building Codes" are comprised of the set of specialty codes, including the Oregon Structural Specialty Code (OSSC), Oregon Mechanical Specialty Code (OMSC), Oregon Electrical Specialty Code (OESC), Oregon Plumbing Specialty Code (OPSC), and their reference codes and standards.

(12) "Caregiver" means a facility employee who is trained in accordance with OAR 411-054-0070 to provide personal care services to residents. The employee may be either a direct care staff or universal worker.

(13) "Change in Use" means altering the purpose of an existing room, within the facility, that requires structural changes.

(14) "Change of Condition - Short-Term" means a change in the resident's health or functioning, that is expected to resolve or be reversed with minimal intervention, or is an established, predictable, cyclical pattern associated with a previously diagnosed condition.

(15) "Change of Condition - Significant" means a major deviation from the most recent evaluation, that may affect multiple areas of functioning or health, that is not expected to be short-term, and imposes significant risk to the resident. Examples of significant change of condition include, but are not limited to:

(a) Broken bones;

(b) Stroke, heart attack, or other acute illness or condition onset;

(c) Unmanaged high blood sugar levels;

(d) Uncontrolled pain;

(e) Fast decline in activities of daily living;

(f) Significant unplanned weight loss;

(g) Pattern of refusing to eat;

(h) Level of consciousness change; and

(i) Pressure ulcers (stage 2 or greater).

(16) "Choice" means a resident has viable options that enable the resident to exercise greater control over his or her life. Choice is supported by the provision of sufficient private and common space within the facility that allows residents to select where and how to spend time and receive personal assistance.

(17) "CMS" means the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services.

(18) "Condition" means a provision attached to a new or existing license that limits or restricts the scope of the license or imposes additional requirements on the licensee.

(19) "Department" means the Department of Human Services (DHS).

(20) "Designated Representative" means:

(a) Any adult, such as a parent, family member, guardian, advocate, or other person, who is:

(A) Chosen by the individual or, as applicable, the legal representative;

(B) Not a paid provider for the individual; and

(C) Authorized by the individual, or as applicable the legal representative, to serve as the representative of the individual, or as applicable the legal representative, in connection with the provision of funded supports.

(D) The power to act as a designated representative is valid until the individual modifies the authorization or notifies the agency that the designated representative is no longer authorized to act on his or her behalf.

(b) An individual or the legal representative of the individual is not required to appoint a designated representative.

(21) "Dignity" means providing support in such a way as to validate the self-worth of the individual. Dignity is supported by creating an environment that allows personal assistance to be provided in privacy and by delivering services in a manner that shows courtesy and respect.

(22) "Direct Care Staff" means a facility employee whose primary responsibility is to provide personal care services to residents. These personal care services may include:

(a) Medication administration.

(b) Resident-focused activities.

(c) Assistance with activities of daily living.

(d) Supervision and support of residents.

(e) Serving meals, but not meal preparation.

(23) "Directly Supervised" means a qualified staff member maintains visual contact with the supervised staff.

(24) "Director" means the Director of the Department or that individual's designee.

(25) "Disaster" means a sudden emergency occurrence beyond the control of the licensee, whether natural, technological, or man-made, that renders the licensee unable to operate the facility or makes the facility uninhabitable.

(26) "Disclosure" means the written information the facility is required to provide to consumers to enhance the understanding of facility costs, services, and operations.

(27) "Entity" means an individual, a trust or estate, a partnership, a corporation (including associations, joint stock companies, and insurance companies), a state, or a political subdivision or instrumentality, including a municipal corporation of a state.

(28) "Exception" means a written variance granted by the Department from a regulation or provision of these rules.

(29) "Facility" means the residential care or assisted living facility licensee and the operations, policies, procedures, and employees of the residential care or assisted living facility. For purposes of HCBS, "facility" can also mean "provider".

(30) "FPS" means the Facilities, Planning, and Safety Program within the Public Health Division of the Oregon Health Authority (OHA).

(31) "HCB" means "Home and Community-Based".

(32) "HCBS" means "Home and Community-Based Services." HCBS are services provided in the home or community of an individual. DHS, Office of Licensing and Regulatory Oversight and OHA provide

oversight and license, certify, and endorse programs, settings, or settings designated as HCB.

(33) "Homelike Environment" means a living environment that creates an atmosphere supportive of the resident's preferred lifestyle. Homelike environment is also supported by the use of residential building materials and furnishings.

(34) "Incident of Ownership" means an ownership interest, an indirect ownership interest, or a combination of direct and indirect ownership interests.

(35) "Independence" means supporting resident capabilities and facilitating the use of those abilities. Creating barrier free structures and careful use of assistive devices supports independence.

(36) "Indirect Ownership Interest" means an ownership interest in an entity that has an ownership interest in another entity. Indirect ownership interest includes an ownership interest in an entity that has an indirect ownership interest in another entity.

(37) "Individual" means a person enrolled in or utilizing HCBS.

(38) "Individually-Based Limitation" means any limitation to the qualities outlined in OAR 411-004-0020(2)(d) to (2)(j), due to health and safety risks. An individually-based limitation is based on specific assessed need and only implemented with the informed consent of the individual, or as applicable the legal representative, as described in OAR 411-004-0040.

(39) "Informed Consent" means options, risks, and benefits have been explained to an individual, and, as applicable, the legal representative of the individual, in a manner that the individual, and, as applicable, the legal representative, comprehends.

(40) "Individuality" means recognizing variability in residents' needs and preferences and having flexibility to organize services in response to different needs and preferences.

(41) "Licensed Nurse" means an Oregon licensed practical or registered nurse.

(42) "Licensee" means the entity that owns the residential care or assisted living facility business, and to whom an assisted living or residential care facility license has been issued.

(43) "Legal Representative" means a person who has the legal authority to act for an individual.

(a) The legal representative only has authority to act within the scope and limits of his or her authority as designated by the court or other agreement. Legal representatives acting outside of his or her authority or scope must meet the definition of designated representative.

(b) For an individual 18 years of age and older, a guardian appointed by a court order or an agent legally designated as the health care representative, where the court order or the written designation provide authority for the appointed or designated person to make the decisions indicated where the term "legal representative" is used in this rule.

(44) "Major Alteration":

(a) Means:

(A) Any structural change to the foundation, floor, roof, exterior, or load bearing wall of a building;

(B) The addition of floor area to an existing building; or

(C) The modification of an existing building that results in a change in use where such modification affects resident services or safety.

(b) Does not include, cosmetic upgrades to the interior or exterior of an existing building (for example: changes to wall finishes, floor rings, or casework).

(45) "Management" or "Operator" means possessing the right to exercise operational or management control over, or directly or indirectly conduct, the day-to-day operation of a facility.

(46) "Modified Special Diet" means a diet ordered by a physician or other licensed health care professional that may be required to treat a medical condition (for example: heart disease or diabetes).

(a) Modified special diets include, but are not limited to:

(A) Small frequent meals;

(B) No added salt;

(C) Reduced or no added sugar; and

(D) Simple textural modifications.

(b) Medically complex diets are not included.

(47) "New Construction" means:

(a) A new building.

(b) An existing building or part of a building that is not currently licensed.

(c) A major alteration to an existing building.

(d) Additions, conversions, renovations, or remodeling of existing buildings.

(48) "Nursing Care" means the practice of nursing as governed by ORS chapter 678 and OAR chapter 851.

(49) "OHA" means the Oregon Health Authority.

(50) "Owner" means an individual with an ownership interest.

(51) "Ownership Interest" means the possession of equity in the capital, the stock, or the profits of an entity.

(52) "Person-Centered Service Plan" means the details of the supports, desired outcomes, activities, and resources required for an individual to achieve and maintain personal goals, health, and safety, as described in OAR 411-004-0030.

(a) FOR INDIVIDUALS RECEIVING MEDICAID. The person-centered service plan coordinator completes the person-centered service plan.

(b) FOR NON-MEDICAID INDIVIDUALS. The person-centered service plan may be completed by the resident, and as applicable, the representative of the individual, and others as chosen by the individual. The licensee may assist non-Medicaid individuals in developing person-centered service plans when no alternative resources are available. The elements of the individual's person-centered service plan may be incorporated into the resident's care plan.

(53) "Person-Centered Service Plan Coordinator" means a:

(a) Resident's AAA or APD case manager assigned to provide case management services or person-centered service planning for and with individuals; or

(b) Person of the individual's choice for individuals who pay privately.

(54) "Personal Incidental Funds (PIF)" means the monthly amount allowed each Medicaid resident for personal incidental needs. For purposes of this definition, personal incidental funds include monthly payments, as allowed, and previously accumulated resident savings.

(55) "Privacy" means a specific area or time over which the resident maintains a large degree of control. Privacy is supported with services that are delivered with respect for the resident's civil rights.

(56) "Provider" means any person or entity providing HCBS.

(57) "P.R.N." means those medications and treatments that have been ordered by a qualified practitioner to be administered as needed.

(58) "Psychoactive Medications" mean medications used to alter mood, level of anxiety, behavior, or cognitive processes. Psychoactive medications include antidepressants, anti-psychotics, sedatives, hypnotics, and anti-anxiety medications.

(59) "Remodel" means a renovation or conversion of a building that requires a building permit and meets the criteria for review by the Facilities Planning and Safety Program as described in OAR 333-675-0000.

(60) "Renovate" means to restore to good condition or to repair.

(61) "Residency Agreement" means the written, legally enforceable agreement between a facility and an individual, or legal representative receiving services in a residential setting.

(62) "Resident" means any individual who is receiving room, board, care, and services on a 24-hour basis in a residential care or assisted living facility for compensation.

(63) "Residential Care Facility (RCF)" means a building, complex, or distinct part thereof, consisting of shared or individual living units in a homelike surrounding, where six or more seniors and adult individuals with disabilities may reside. The residential care facility offers and coordinates a range of supportive services available on a 24-hour basis to meet the activities of daily living, health, and social needs of the residents as described in these rules. A program approach is used to promote resident self-direction and participation in decisions that emphasize choice, dignity, individuality, and independence.

(64) "Restraint" means any physical device the resident cannot manipulate that is used to restrict movement or normal access to the resident's body.

(65) "Retaliation" means to threaten, intimidate, or take an action that is detrimental to an individual (for example, harassment, abuse, or coercion).

(66) " Risk Agreement" means a process where a resident's high-risk behavior or choices are reviewed with the resident. Alternatives to and consequences of the behavior or choices are explained to the resident and the resident's decision to modify behavior or accept the consequences is documented.

(67) "Service Plan" means a written, individualized plan for services, developed by a service planning team and the resident or the resident's legal representative, that reflects the resident's capabilities, choices, and if applicable, measurable goals, and managed risk issues. The service plan defines the division of responsibility in the implementation of the services.

(68) "Service Planning Team" means two or more individuals, as set forth in OAR 411-054-0036, that assist the resident in determining what services and care are needed, preferred, and may be provided to the resident.

(69) "Services" mean supervision or assistance provided in support of a resident's needs, preferences, and comfort, including health care and activities of daily living, that help develop, increase, maintain, or maximize the resident's level of independent, psychosocial, and physical functioning.

(70) "Subject Individual" means any individual 16 years of age or older on whom the Department may conduct a background check as defined in OAR 407-007-0210 and from whom the Department may require fingerprints for the purpose of conducting a national background check.

(a) For the purpose of these rules, subject individual includes:

(A) All applicants, licensees, and operators of a residential care or assisted living facility;

(B) All individuals employed or receiving training in an assisted living or residential care facility; and

(C) Volunteers, if allowed unsupervised access to residents.

(b) For the purpose of these rules, subject individual does not apply to:

(A) Residents and visitors of residents; or

(B) Individuals that provide services to residents who are employed by a private business not regulated by the Department.

(71) "Supportive Device" means a device that may have restraining qualities that supports and improves a resident's physical functioning.

(72) "These Rules" mean the rules in OAR chapter 411, division 054.

(73) "Underserved" means services are significantly unavailable within the service area in a comparable setting for:

(a) The general public.

(b) A specific population, for example, residents with dementia or traumatic brain injury.

(74) "Unit" means the personal and sleeping space of an individual receiving services in a RCF or ALF setting, as agreed to in the Residency Agreement.

(75) "Universal Worker" means a facility employee whose assignments include other tasks (for example, housekeeping, laundry, or food service) in addition to providing direct resident services. Universal worker does not include administrators, clerical or administrative staff, building maintenance staff, or licensed nurses who provide services as specified in OAR 411-054-0034.

411-054-0012

Requirements for New Construction or Initial Licensure

(1) An applicant requesting approval of a potential license for new construction or licensing of an existing building that is not operating as a licensed facility, must communicate with the Department before submitting a letter of intent as described in section (3) of this rule.

(2) Before beginning new construction of a building, or purchase of an existing building with intent to request a license, the applicant must provide the following information for consideration by the Department for a potential license:

(a) Demonstrate a past history, if any, of substantial compliance with all applicable state and local laws, rules, codes, ordinances, and permit requirements in Oregon, and the ability to deliver quality services to citizens of Oregon; and

(b) Provide a letter of intent as set forth in section (3) of this rule.

(3) LETTER OF INTENT. Before applying for a building permit, a prospective applicant, with intent to build or operate a facility, must submit to the Department a letter of intent that includes the following:

(a) Identification of the potential applicant.

(b) Identification of the city and street address of the intended facility.

(c) Intended facility type (for example, RCF, ALF, or memory care), the intended number of units, and maximum resident capacity.

(d) Statement of whether the applicant is able to provide care and services for an underserved population and a description of any underserved population the applicant is able to serve.

(e) Indication of whether the applicant is able to provide services through the state medical assistance program.

(f) Identification of operations within Oregon or within other states that provide a history of the applicant's ability to serve the intended population.

(g) An independent market analysis completed by a third party professional that meets the requirements of section (4) of this rule.

(4) MARKET ANALYSIS. The applicant must submit a current market analysis to the Department before applying for a building permit. A market analysis is not required for change of owner applicants of existing licensed buildings. The market analysis must include:

(a) A description of the intended population to be served, including underserved populations and those eligible to receive services through the state medical assistance program, as applicable.

(b) A current demographic overview of the area to be served.

(c) A description of the area and regional economy and the effect on the market for the project.

(d) Identification of the number of individuals in the area to be served who are potential residents.

(e) A description of available amenities (for example, transportation, hospital, shopping center, or traffic conditions).

(f) A description of the extent, types, and availability of existing and proposed facilities, as described in ORS 443.400 to 443.455, located in the area to be served.

(g) The rate of occupancy, including waiting lists, for existing and recently completed developments competing for the same market segment.

(5) The Department shall issue a written decision of a potential license within 60 days of receiving all required information from the applicant.

(a) If the applicant is dissatisfied with the decision of the Department, the applicant may request a contested case hearing in writing within 14 calendar days from the date of the decision.

(b) The contested case hearing shall be in accordance with ORS chapter 183.

(6) Before issuing a license, the Department shall consider the applicant's stated intentions and compliance with the requirements of this rule and all structural and other licensing requirements as stated in these rules.

(7) BUILDING DRAWINGS. After the letter of intent has been submitted to the Department, one set of building drawings and specifications must be submitted to FPS and must comply with OAR chapter 333, division 675.

(a) Building drawings must be submitted to FPS:

(A) Before beginning construction of any new building;

(B) Before beginning construction of any addition to an existing building;

(C) Before beginning any remodeling, modification, or conversion of an existing building that requires a building permit; or

(D) After application for an initial license of a facility not previously licensed under this rule.

(b) Drawings must comply with the building codes and the Oregon Fire Code (OFC) as required for the occupancy classification and construction type.

(c) Drawings submitted for a licensed assisted living or residential facility must be prepared by and bear the stamp of an Oregon licensed architect or engineer.

(8) 60 DAYS BEFORE LICENSURE. At least 60 days before anticipated licensure, the applicant must submit to the Department:

(a) A completed application form with the required fee.

(b) A copy of the facility's written rental agreements.

(c) Disclosure information.

(d) Facility policies and procedures to ensure the facility's administrative staff, personnel, and resident care operations are conducted in compliance with these rules.

(9) 30 DAYS BEFORE LICENSURE. 30 days before anticipated licensure the applicant must submit:

(a) To the Department, a completed and signed Administrator Reference Sheet that reflects the qualifications and training of the individual designated as facility administrator and a background check request.

(b) To FPS, a completed and signed Project Substantial Completion Notice that attests substantial completion of the building project and requests the scheduling of an onsite licensing inspection.

(10) TWO-DAYS BEFORE LICENSURE. At least two working days before the scheduled onsite licensing inspection of the facility, the applicant must submit, to the Department and FPS, a completed and signed Project

Completion/Inspection Checklist that confirms the building project is complete and fully in compliance with these rules.

(a) The scheduled, onsite licensing inspection may not be conducted until the Project Completion/Inspection Checklist has been received by both FPS and the Department.

(b) The onsite licensing inspection may be rescheduled at the Department's convenience if the scheduled, onsite licensing inspection reveals the building is not in compliance with these rules as attested to on the Project Completion/Inspection Checklist.

(11) CERTIFICATE OF OCCUPANCY. The applicant must submit to the Department and FPS, a copy of the Certificate of Occupancy issued by the building codes agency having jurisdiction that indicates the intended occupancy classification and construction type.

(12) CONFIRMATION OF LICENSURE. The applicant, before admitting any resident into the facility, must receive a written confirmation of licensure issued by the Department.

411-054-0025
Facility Administration

(1) FACILITY OPERATION.

(a) The licensee is responsible for the operation of the facility and the quality of services rendered in the facility.

(b) The licensee is responsible for the supervision, training, and overall conduct of staff when staff are acting within the scope of his or her employment duties.

(c) The licensee is responsible for ensuring that the facility complies with the tuberculosis screening recommendations in OAR 333-019-0041.

(d) The licensee is responsible for obtaining background checks on all subject individuals.

(2) BACKGROUND CHECK REQUIREMENTS.

(a) Background checks must be submitted to the Department for a criminal fitness determination on all subject individuals in accordance with OAR chapter 407-007-0200 to 407-007-0370, and 407-007-0600 to 0640, including before a subject individual's change in position.

(A) On or after July 28, 2009, no individual may be a licensee, or employed in any capacity in a facility, who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(B) Subject individuals who are employees and hired before July 28, 2009 are exempt from subsection (a) of this section provided that the employee remains in the same position working for the same employer after July 28, 2009. This exemption is not applicable to licensees.

(C) Background checks are to be completed every two years on all subject individuals.

(b) PORTABILITY OF BACKGROUND CHECK APPROVAL. A subject individual may be approved to work in multiple facilities under the same operational entity. The Department's Background Check Request form must be completed by the subject individual to show intent to work at various facilities.

(3) EMPLOYMENT APPLICATION. An application for employment in any capacity at a facility must include a question asking whether the applicant has been found to have committed abuse. The licensee must check all potential employees against the Oregon State Board of Nursing (Board) and inquire whether the individual is licensed or certified by the Board and whether there has been any disciplinary action by the Board against the individual or any substantiated abuse findings against a nursing assistant.

(4) Reasonable precautions must be exercised against any condition that may threaten the health, safety, or welfare of residents.

(5) REQUIRED POSTINGS. Required postings must be posted in a routinely accessible and conspicuous location to residents and visitors and must be available for inspection at all times. The licensee is responsible for posting the following:

(a) Facility license.

(b) The name of the administrator or designee in charge. The designee in charge must be posted by shift or whenever the administrator is out of the facility.

(c) The current facility staffing plan.

(d) A copy of the most recent re-licensure survey, including all revisits and plans of correction as applicable.

(e) The Ombudsman Notification Poster.

(f) Other notices relevant to residents or visitors required by state or federal law.

(6) NOTIFICATION. The facility must notify the Department's Central Office immediately by telephone, fax, or email, (if telephone communication is used the facility must follow-up within 72 hours by written or electronic confirmation) of the following:

(a) Any change of the administrator of record.

(b) Severe interruption of physical plant services where the health or safety of residents is endangered, such as the provision of heat, light, power, water, or food.

(c) Occurrence of epidemic disease in the facility. The facility must also notify the Local Public Health Authority as applicable.

(d) Facility fire or any catastrophic event that requires residents to be evacuated from the facility.

(e) Unusual resident death or suicide.

(f) A resident who has eloped from the facility and has not been found within 24 hours.

(7) POLICIES AND PROCEDURES. The facility must develop and implement written policies and procedures that promote high quality services, health and safety for residents, and incorporate the community-based care principles of individuality, independence, dignity, privacy, choice, and a homelike environment. The facility must develop and implement:

(a) A policy on the possession of firearms and ammunition within the facility. The policy must be disclosed in writing and by one other means of communication commonly used by the resident or potential resident in his or her daily living.

(b) A written policy that prohibits sexual relations between any facility employee and a resident who did not have a pre-existing relationship.

(c) Effective methods of responding to and resolving resident complaints.

(d) All additional requirements for written policies and procedures as established in OAR 411-054-0012 (Requirements for New Construction or Initial Licensure), OAR 411-054-0040 (Change of Condition and Monitoring), OAR 411-054-0045 (Resident Health Services), and OAR 411-054-0085 (Refunds and Financial Management).

(e) A policy on smoking.

(A) The smoking policy must be in accordance with:

(i) The Oregon Indoor Clean Air Act, ORS 433.835 to 433.875;

(ii) The rules in OAR chapter 333, division 015; and

(iii) Any other applicable state and local laws.

(B) The facility may designate itself as non-smoking.

(f) A policy for the referral of residents who may be victims of acute sexual assault to the nearest trained sexual assault examiner. The policy must include information regarding the collection of medical and forensic evidence that must be obtained within 86 hours of the incident.

(g) A policy on facility employees not receiving gifts or money from residents.

(8) RECORDS. The facility must ensure the preparation, completeness, accuracy, and preservation of resident records.

(a) The facility must develop and implement a written policy that prohibits the falsification of records.

(b) Resident records must be kept for a minimum of three years after the resident is no longer in the facility.

(c) Upon closure of a facility, the licensee must provide the Department with written notification of the location of all records.

(9) QUALITY IMPROVEMENT PROGRAM. The facility must develop and conduct an ongoing quality improvement program that evaluates services, resident outcomes, and resident satisfaction.

(10) DISCLOSURE - RESIDENCY AGREEMENT. The facility must provide a Department designated Uniform Disclosure Statement (form SDS 9098A) to each individual who requests information about the facility. The residency agreement and the disclosure information described in subsection (a) of this section must be provided to all potential residents before move-in. All disclosure information and residency agreements must be written in compliance with these rules.

(a) The residency agreement and the following disclosure information must be reviewed by the Department before distribution and must include the following:

(A) Terms of occupancy, including policy on the possession of firearms and ammunition.

(B) Payment provisions including the basic rental rate and what it includes, cost of additional services, billing method, payment system and due dates, deposits, and non-refundable fees, if applicable.

(C) The method for evaluating a resident's service needs and assessing the costs for the services provided.

(D) Policy for increases, additions, or changes to the rate structure. The disclosure must address the minimum requirement of 30 days prior written notice of any facility-wide increases or changes and the requirement for immediate written notice for individual resident rate changes that occur as a result of changes in the service plan.

(E) Refund and proration conditions.

(F) A description of the scope of resident services available according to OAR 411-054-0030.

(G) A description of the service planning process.

(H) Additional available services.

(I) The philosophy of how health care and ADL services are provided to the resident.

(J) Resident rights and responsibilities.

(K) The facility's system for packaging medications including the option for residents to choose a pharmacy that meets the requirements of ORS 443.437.

(L) Criteria, actions, circumstances, or conditions that may result in a move-out notification or intra-facility move.

(M) Resident rights pertaining to notification of involuntary move-out.

(N) Notice that the Department has the authority to examine resident records as part of the evaluation of the facility.

(O) The facility's staffing plan.

(P) Additional elements as listed in 411-054-0027 (2).

(b) The facility may not include any provision in the residency agreement or disclosure information that is in conflict with these rules and may not ask or require a resident to waive any of the resident's rights or the facility's liability for negligence.

(c) The facility must retain a copy of the original and any subsequent signed and dated residency agreements and must provide copies to the resident or to the resident's designated representative.

(d) The facility must give residents 30 days prior written notice of any additions or changes to the residency agreement. Changes to the residency agreement must be faxed, emailed, or mailed to the Department before distribution.

411-054-0027
Resident Rights and Protections

(1) The facility must implement a residents' Bill of Rights. Each resident and the resident's designated representative, if appropriate, must be given a copy of the resident's rights and responsibilities before moving into the facility. The Bill of Rights must state that residents have the right:

(a) To be treated with dignity and respect.

(b) To be given informed choice and opportunity to select or refuse service and to accept responsibility for the consequences.

(c) To participate in the development of their initial service plan and any revisions or updates at the time those changes are made.

(d) To receive information about the method for evaluating their service needs and assessing costs for the services provided.

(e) To exercise individual rights that do not infringe upon the rights or safety of others.

(f) To be free from neglect, financial exploitation, verbal, mental, physical, or sexual abuse.

(g) To receive services in a manner that protects privacy and dignity.

(h) To have prompt access to review all of their records and to purchase photocopies. Photocopied records must be promptly provided, but in no case require more than two business days (excluding Saturday, Sunday, and holidays).

(i) To have medical and other records kept confidential except as otherwise provided by law.

(j) To associate and communicate privately with any individual of choice, to send and receive personal mail unopened, and to have reasonable access to the private use of a telephone.

(k) To be free from physical restraints and inappropriate use of psychoactive medications.

(l) To manage personal financial affairs unless legally restricted.

(m) To have access to, and participate in, social activities.

(n) To be encouraged and assisted to exercise rights as a citizen.

(o) To be free of any written contract or agreement language with the facility that purports to waive their rights or the facility's liability for negligence.

(p) To voice grievances and suggest changes in policies and services to either staff or outside representatives without fear of retaliation.

(q) To be free of retaliation after they have exercised their rights provided by law or rule.

(r) To have a safe and homelike environment.

(s) To be free of discrimination in regard to race, color, national origin, gender, sexual orientation, or religion.

(t) To receive proper notification if requested to move-out of the facility, and to be required to move-out only for reasons stated in OAR 411-054-0080 (Involuntary Move-out Criteria) and have the opportunity for an administrative hearing, if applicable.

(2) HCBS RIGHTS.

(a) Effective January 1, 2016 for providers initially licensed after January 1, 2016, and effective no later than September 1, 2018 for providers initially licensed before January 1, 2016 the following rights must include the freedoms authorized by 42 CFR 441.301(c)(4) & 42 CFR 441.530(a)(1):

(A) Live under a legally enforceable residency agreement;

(B) The freedom and support to access food at any time;

(C) To have visitors of the resident's choosing at any time;

(D) Choose a roommate when sharing a bedroom;

(E) Furnish and decorate the resident's bedroom according to the Residency Agreement; and

(F) The freedom and support to control the resident's schedule and activities.

(b) The rights described in (B) through (F) of this section must meet the requirements set forth in OAR 411-054-0038 and shall not be limited without the informed, written consent of the resident or the resident's representative, and approved by the person-centered service plan coordinator.

(3) Licensees and facility personnel may not act as a resident's guardian, conservator, trustee, or attorney-in-fact unless related by birth, marriage, or adoption to the resident, as follows, parent, child, brother, sister, grandparent, grandchild, aunt or uncle, or niece or nephew. An owner, administrator, or employee may act as a representative payee for the resident or serve in other roles as provided by law.

(4) Licensees and facility personnel may not spend resident funds without the resident's consent.

(a) If the resident is not capable of consenting, the resident's representative must give consent.

(b) If the resident has no representative and is not capable of consenting, licensees and facility personnel must follow the requirements described in OAR 411-054-0085 and may not spend resident funds for items or services that are not for the exclusive benefit of the resident.

Stat. Auth.: ORS 410.070 & 443.450
Stats. Implemented: ORS 443.400 - 443.455, 443.991
Hist.: SPD 14-2007, f. 8-31-07, cert. ef. 11-1-07; SPD 11-2012, f. 8-31-12, cert. ef. 9-1-12; APD 26-2015(Temp), f. 12-29-15, cert. ef. 1-1-16 thru 6-28-16; APD 10-2016, f. 6-27-16, cert. ef. 6-28-16

411-054-0034
Resident Move-In and Evaluation

(1) INITIAL SCREENING AND MOVE-IN.

(a) The facility must determine whether a potential resident meets the facility's admission requirements.

(b) Before the resident moving in, the facility must conduct an initial screening to determine the prospective resident's service needs and preferences. The screening must determine the ability of the facility to meet the potential resident's needs and preferences, while considering the needs of the other residents and the facility's overall service capability.

(c) Each resident record must, before move-in and when updated, include the following information:

(A) Prior living arrangements;

(B) Emergency contacts;

(C) Service plan involvement - resident, family, and social supports;

(D) Financial and other legal relationships, if applicable, including, but not limited to:

(i) Advance directives;

(ii) Guardianship;

(iii) Conservatorship; and

(iv) Power of attorney.

(E) Primary language;

(F) Community connections; and

(G) Health and social service providers.

(2) RESIDENT EVALUATION - GENERAL. The resident evaluation is the foundation that a facility uses to develop the service plan and reflects the resident's current health and mental status. The evaluation information may be collected using tools and protocols established by the facility, but must contain the elements stated in this rule.

(a) Resident evaluations must be:

(A) Performed before the resident moves into the facility, with updates and changes as appropriate within the first 30 days; and

(B) Performed at least quarterly, to correspond with the quarterly service plan updates.

(C) Reviewed and any updates must be documented each time a resident has a significant change in condition.

(D) Done in person and the facility must gather data that is relevant to the needs and current condition of the resident.

(E) Documented, dated, and indicate who was involved in the evaluation process.

(b) 24 months of past evaluations must be kept in the resident's files in an accessible, on-site location.

(c) The facility administrator is responsible for assuring only trained and experienced staff perform resident evaluations.

(3) EVALUATION REQUIREMENTS AT MOVE-IN.

(a) The resident evaluation must be completed before the resident moves into the facility. This evaluation provides baseline information of the resident's physical and mental condition at move-in.

(b) If there is an urgent need and the evaluation is not completed before move-in, the facility must document the reasons and complete the evaluation within eight hours of move-in.

(c) The initial evaluation must contain the elements specified in section (5) of this rule, and address sufficient information to develop an initial service plan to meet the resident's needs.

(d) The initial evaluation must be updated and modified as needed during the 30 days following the resident's move into the facility.

(e) After the initial 30 day move-in period, the initial evaluation must be retained in the resident's file for 24 months. Future evaluations must be separate and distinct from the initial evaluation.

(4) QUARTERLY EVALUATION REQUIREMENTS.

(a) Resident evaluations must be performed quarterly after the resident moves into the facility.

(b) The quarterly evaluation is the basis of the resident's quarterly service plan.

(c) The most recent quarterly evaluation, with documented change of condition updates, must be in the resident's current record and available to staff.

(d) If the evaluation is revised and updated at the quarterly review, changes must be dated and initialed and prior historical information must be maintained.

(5) The resident evaluation must address the following elements:

(a) Resident routines and preferences including:

(A) Customary routines - sleep, dietary, social, and leisure;

(B) Spiritual, cultural preferences; and

(C) Additional elements as listed in 411-054-0027(2).

(b) Physical health status including:

(A) List of current diagnoses;

(B) List of medications and PRN use;

(C) Visits to health practitioners, emergency room, hospital, or nursing facility in the past year; and

(D) Vital signs if indicated by diagnoses, health problems, or medications.

(c) Mental health issues including:

(A) Presence of depression, thought disorders, or behavioral or mood problems;

(B) History of treatment; and

(C) Effective non drug interventions.

(d) Cognition, including:

(A) Memory;

(B) Orientation;

(C) Confusion; and

(D) Decision making abilities.

(e) Communication and sensory including:

(A) Hearing;

(B) Vision;

(C) Speech;

(D) Assistive devices; and

(E) Ability to understand and be understood.

(f) Activities of daily living including:

(A) Toileting, bowel, and bladder management;

(B) Dressing, grooming, bathing, and personal hygiene;

(C) Mobility ambulation, transfers, and assistive devices; and

(D) Eating, dental status, and assistive devices.

(g) Independent activities of daily living including:

(A) Ability to manage medications;

(B) Ability to use call system;

(C) Housework and laundry; and

(D) Transportation.

(h) Pain pharmaceutical and non-pharmaceutical interventions.

(i) Skin condition.

(j) Nutrition habits, fluid preferences, and weight if indicated.

(k) List of treatments type, frequency, and level of assistance needed.

(l) Indicators of nursing needs, including potential for delegated nursing tasks.

(m) Review of risk indicators including:

(A) Fall risk or history;

(B) Emergency evacuation ability;

(C) Complex medication regimen;

(D) History of dehydration or unexplained weight loss or gain;

(E) Recent losses;

(F) Unsuccessful prior placements;

(G) Elopement risk or history;

(H) Smoking. The resident's ability to smoke without causing burns or injury to themselves or others or damage to property must be evaluated and addressed in the resident's service plan; and

(I) Alcohol and drug use. The resident's use of alcohol or the use of drugs not prescribed by a physician must be evaluated and addressed in the resident's service plan.

(6) If the information has not changed from the previous evaluation period, the information does not need to be repeated. A dated and initialed notation of no changes is sufficient. The prior evaluation must then be kept in the current resident record for reference.

411-054-0036

Service Plan — General

(1) If the resident has a Person-Centered Service Plan pursuant to 411-004-0030, the facility must incorporate all elements identified in the person-centered service plan into the resident's service plan.

(2) SERVICE PLAN. The service plan must reflect the resident's needs as identified in the evaluation and include resident preferences that support the principles of dignity, privacy, choice, individuality, and independence.

(a) The service plan must be completed:

(A) Before resident move-in, with updates and changes as appropriate within the first 30-days; and

(B) Following quarterly evaluations.

(b) The service plan must be readily available to staff and provide clear direction regarding the delivery of services.

(c) The service plan must include a written description of who shall provide the services and what, when, how, and how often the services shall be provided.

(d) Changes and entries made to the service plan must be dated and initialed.

(e) When the resident experiences a significant change of condition the service plan must be reviewed and updated as needed.

(f) A copy of the service plan, including each update, must be offered to the resident or to the resident's legal representative.

(g) The facility administrator is responsible for ensuring the implementation of services.

(3) SERVICE PLAN REQUIREMENTS BEFORE MOVE-IN.

(a) Based on the resident evaluation performed before move-in, an initial service plan must be developed before move-in that reflects the identified needs and preferences of the resident.

(b) The initial service plan must be reviewed within 30-days of move-in to ensure that any changes made to the plan during the initial 30- days, accurately reflect the resident's needs and preferences.

(c) Staff must document and date adjustments or changes as applicable.

(4) QUARTERLY SERVICE PLAN REQUIREMENTS.

(a) Service plans must be completed quarterly after the resident moves into the facility.

(b) The quarterly evaluation is the basis of the resident's quarterly service plan.

(c) If the resident's service plan is revised and updated at the quarterly review, changes must be dated and initialed, and prior historical information must be maintained.

(5) SERVICE PLANNING TEAM. The service plan must be developed by a Service Planning Team that consists of the resident, the resident's legal representative, if applicable, any person of the resident's choice, the facility administrator or designee and at least one other staff person who is familiar with, or who is going to provide services to the resident. Involved family members and case managers must be notified in advance of the service-planning meeting.

(a) As applicable, the Service Planning Team must also include:

(A) Local APD or AAA case managers and family invited by the resident, as available.

(B) A licensed nurse if the resident shall need, or is receiving nursing services or experiences a significant change of condition as required in 411-054-0045(1)(f)(D) (Resident Health Services).

(C) The resident's physician or other health practitioner.

(b) Each resident must actively participate in the development of the service plan to the extent of the resident's ability and willingness to do so. If resident participation is not possible, documentation must reflect the facility's attempts to determine the resident's preferences.

(6) RISK AGREEMENT. When a resident's actions or choices pose a potential risk to that resident's health or well-being, the facility may utilize a risk agreement to explore alternatives and potential consequences with the resident.

(a) The facility must identify the need for and develop a written risk agreement following the facility's established guidelines and procedures. A risk agreement must include:

(A) An explanation of the cause of concern;

(B) The possible negative consequences to the resident or others;

(C) A description of the resident's preference;

(D) Possible alternatives or interventions to minimize the potential risks associated with the resident's current preferences and actions;

(E) A description of the services the facility shall provide to accommodate the residents' choice or minimize the potential risk; and

(F) The final agreement, if any, reached by all involved parties, must be included in the service plan.

(b) The licensing policy analyst must be consulted and alternatives reviewed before the resident signs the agreement.

(c) The facility must involve the resident, the resident's designated representative, and others as indicated, to develop, implement, and review the risk agreement. The resident's preferences shall take precedence over those of a family member.

(d) A risk agreement shall not be entered into or continued with, or on behalf of, a resident who is unable to recognize the consequences of their behavior or choices.

(e) The risk agreement must be reviewed at least quarterly.

411-054-0038
Individually-Based Limitations

This rule will begin being implemented January 1, 2017. The requirements in this rule must be in place no later than February 28, 2018.

(1) When threats to the health and safety of an individual or others arise, limitations may be applied in the following areas:

(a) To have unit entrance doors lockable by the individual, with only appropriate staff having a key to access the unit.

(b) For individuals sharing units, to have a choice of roommates.

(c) To have the freedom to decorate and furnish his or her own unit as agreed to within the Residency Agreement.

(d) To have visitors of his or her choosing at any time.

(e) To have the freedom and support to control his or her own schedule and activities.

(f) To have the freedom and support to have access to food at any time.

(2) An individually-based limitation must be supported by a specific assessed need and documented in the person-centered service plan by completing and signing a program approved form documenting the consent to the appropriate limitation. The form identifies and documents:

(a) The specific and individualized assessed need justifying the individually-based limitation;

(b) The positive interventions and supports used prior to any individually-based limitation;

(c) Less intrusive methods that have been tried but did not work;

(d) A clear description of the limitation that is directly proportionate to the specific assessed need;

(e) Regular collection and review of data to measure the ongoing effectiveness of the individually-based limitation;

(f) Established time limits for periodic reviews of the individually-based limitation to determine if the limitation should be terminated or remains necessary. The individually-based limitation must be reviewed at least annually;

(g) The informed consent of the individual or, as applicable, the legal representative of the individual, including any discrepancy between the wishes of the individual and the consent of the legal representative; and

(h) An assurance that the interventions and support do not cause harm to the individual.

(3) Providers are responsible for:

(a) Maintaining a copy of the completed and signed form documenting the consent to the appropriate limitation. The form must be signed by the individual, or, if applicable, the legal representative of the individual prior to the implementation being implemented;

(b) Regular collection and review of data to measure the ongoing effectiveness of and the continued need for the individually-based limitation; and

(c) Requesting a review of the individually-based limitation when a new individually-based limitation is indicated, or change or removal of an individually-based limitation is needed.

411-054-0065
Administrator Qualifications and Requirements

(1) FULL-TIME ADMINISTRATOR. Each licensed residential care and assisted living facility must employ a full-time administrator. The administrator must be scheduled to be on-site in the facility at least 40 hours per week.

(2) ADMINISTRATOR QUALIFICATIONS. The administrator must:

(a) Be at least 21 years of age:

(b) Possess a high school diploma or equivalent; and

(A) Have at least two years professional or management experience that has occurred within the last five years, in a health or social service related field or program, or have a combination of experience and education; or

(B) Possess an accredited Bachelor's Degree in a health or social service related field.

(3) ADMINISTRATOR REQUIREMENTS.

(a) Facility administrators must meet the following training requirements before employment:

(A) Complete a Department approved classroom administrator training program of at least 40 hours;

(B) Complete a Department approved administrator training program that includes both a classroom training of less than 40 hours and a Department approved 40-hour internship program with a Department approved administrator; or

(C) Complete another Department approved administrator training program.

(b) CONTINUING EDUCATION. Administrators must have 20 hours of documented Department approved continuing education credits each year. The approved administrator training program fulfills the 20-hour continuing education requirement for the first year.

(c) Persons who have met Department approved training program requirements, but have been absent from an administrator position for five years or less, do not have to re-take the administrator training, but must provide evidence of 20 hours of annual continuing education.

(d) Before employment as a facility administrator, persons must complete the criminal records check requirements in OAR 407-007-0200 to 407-007-0370 and comply with the tuberculosis screening recommendations in OAR 333-019-0041. An administrator of a facility may not have convictions of any of the crimes described in OAR 407-007-0275.

(e) ADMINISTRATOR REFERENCE SUMMARY. Newly hired administrators are responsible for the completion of form SDS 0566, Administrator Reference Summary, and are required to email or fax the

completed form to the Department upon hire. The Department may reject a form that has been falsified or is incomplete.

(f) DESIGNEE. The administrator must appoint a staff member as designee to oversee the operation of the facility in the administrator's absence. The administrator, or a designee, must at all times:

(A) Be in charge on-site;

(B) Ensure there are sufficient, qualified staff; and

(C) Ensure the care, health, and safety needs of the residents are met.

(4) ADMINISTRATOR TRAINING COURSE STANDARDS.

(a) The training curriculum for the administrator training course must be approved by the Department and shall be re-evaluated by the Department at periodic intervals.

(b) Individuals, companies, or organizations providing the administrator training course must be approved by the Department. The Department may withdraw approval under the following conditions:

(A) Failure to follow Department approved curriculum;

(B) The trainer demonstrates lack of competency in training;

(C) There is insufficient frequency of training to meet the need; or

(D) Facilities owned or operated by the training entity have a pattern of substantial non-compliance with these rules.

(c) Approved training must be open and available to all applicants and may not be used to orient trainees to a specific company's management or operating procedures.

411-054-0080

Involuntary Move-out Criteria

The Department of Human Services, Aging and People with Disabilities Office encourages facilities to support a resident's choice to remain in his or her living environment while recognizing that some residents may no longer be appropriate for the community-based care setting due to safety and medical limitations.

(1) Information must be specified in the facility's disclosure information that describes the types of health, nursing, behavior, and care services the facility is unable to provide. The minimum required services identified in OAR 411-054-0030 (Resident Services) must be provided before a resident may be asked to move-out. In addition, facilities indorsed under OAR chapter 411, division 057 (Indorsement of Alzheimer's Care Units) must provide services to support residents with the progressive symptoms of the disease.

(2) The facility must give written notification on form SDS 0567 to the resident, the resident's legal representative, and case manager, if applicable, when the facility requests a resident to move from the facility. The resident must be given 30 days advance written notice to move from the facility unless criteria in section (6) of this rule are met.

(3) The facility must demonstrate through service plan modification and documentation, attempts to resolve the reason for the move-out.

(4) A resident may be asked to move from a facility if one or more of the following circumstances exists:

(a) The resident's needs exceed the level of ADL services the facility provides as specified in the facility's disclosure information;

(b) The resident engages in behavior or actions that repeatedly and substantially interferes with the rights, health, or safety of residents or others;

(c) The resident has a medical or nursing condition that is complex, unstable or unpredictable, and exceeds the level of health services the facility provides as specified in the facility's disclosure information;

(d) The facility is unable to accomplish resident evacuation in accordance with OAR 411-054-0090 (Fire and Life Safety);

(e) The resident exhibits behavior that poses a danger to self or others;

(f) The resident engages in illegal drug use, or commits a criminal act that causes potential harm to the resident or others; or

(g) Non-payment of charges.

(5) The facility must fax or email a copy of the move-out notice to the Department's central office in Salem. Where a resident lacks capacity and there is no legal representative, a copy of the notice to move-out must be emailed or faxed to the State Long-Term Care Ombudsman who may request an informal conference and administrative hearing for the resident.

(6) LESS THAN 30-DAY NOTICE. The resident must be given 30 days advance written notice before being moved from the facility, except in the following unusual circumstances:

(a) A resident who leaves the facility to receive urgent medical or psychiatric care may return to the facility unless, at the time the resident is to return, facility staff have re-evaluated the resident's needs and have determined that the facility is unable to meet the resident's needs.

(A) An appropriate facility staff person must re-evaluate the resident's condition before determining the facility is unable to meet the resident's needs.

(B) A written notice on form SDS 0568 must be given to the resident or the resident's legal representative on the date the facility makes its determination. The written notice shall contain the specific reasons the facility is unable to meet the resident's needs, as determined by the facility's evaluation.

(C) If the resident or resident's designee requests an administrative hearing, the facility must hold the resident's room or unit and may charge room and board payment pending resolution of the administrative hearing.

(b) If the health or safety of the resident or others is in jeopardy and undue delay in moving the resident increases the risk of harm, the facility may give less than 30 days advance written notice on form SDS 0568.

(A) The Department's central office in Salem must be consulted and alternatives reviewed before the resident receives the notice.

(B) The resident is entitled to request an administrative hearing, as stated in section (7) of this rule.

(C) If the resident is moved out of the facility and requests an administrative hearing, the facility must hold the resident's room, without charge for room and board or services, pending resolution of the administrative hearing.

(c) The facility must fax or email a copy of the move-out notice to the Department's central office in Salem and the State Long-Term Care Ombudsman Office on the same day the notice is delivered to the resident or the resident's legal representative.

(7) ADMINISTRATIVE HEARING. Except when a facility has had its license revoked, not renewed, voluntarily surrendered, or terminates its Medicaid contract, a resident who receives an involuntary move-out notice is entitled to an administrative hearing, provided the resident or resident's designee requests a hearing in a timely manner.

(a) A resident who receives a 30-day notice to move has 10 working days to request an administrative hearing after receipt of the notice. The Department's central office in Salem must be notified of all hearing requests.

(b) The Department's central office in Salem shall notify the Office of Administrative Hearings of the resident's request for a formal administrative hearing.

(c) The Department may hold an informal conference to resolve the matter without a formal hearing. If a resolution is reached at the informal conference, no formal hearing shall be held.

(d) A resident who is not allowed to return to the facility after receiving medical or psychiatric care, or who is immediately moved out of the facility to protect the health or safety of the resident or others, as specified in section (6) of this rule, has five working days to request an administrative hearing after receiving the move-out notice.

(A) The Department's central office in Salem must be notified by telephone, email, or fax of a resident's request for hearing.

(B) When the resident is not allowed to remain in the facility, the Department's central office in Salem shall request an expedited administrative hearing.

(e) The facility may not rent the resident's unit pending resolution of the administrative hearing.

(8) A resident who was admitted January 1, 2006 or later may be moved without advance notice if all of the following are met:

(a) The facility was not notified before admission that the resident is on probation, parole, or post-prison supervision after being convicted of a sex crime.

(b) The facility learns the resident is on probation, parole, or post-prison supervision after being convicted of a sex crime.

(c) The resident presents a current risk of harm to another resident, staff, or visitor in the facility, as evidenced by:

(A) Current or recent sexual inappropriateness, aggressive behavior of a sexual nature, or verbal threats of a sexual nature; or

(B) Current communication from the State Board of Parole and Post-Prison Supervision, Department of Corrections, or community corrections agency parole or probation officer that the individual's Static 99 score or other assessment indicates a probable sexual re-offense risk to others in the facility.

(d) Before the move, the facility must contact the Department's central office in Salem by telephone and review the criteria in sections

(8)(c)(A) and (B) of this rule. The Department shall respond within one working day of contact by the facility. The Department of Corrections parole or probation officer must be included in the review, if available. The Department shall advise the facility if rule criteria for immediate move-out are not met. DHS shall assist in locating placement options.

(e) A written move-out notice must be completed on form SDS 0568A. The form must be filled out in its entirety and a copy of the notice delivered in person, to the resident, or the resident's legal representative, if applicable. Where a person lacks capacity and there is no legal representative, a copy of the notice to move-out shall be immediately faxed or emailed to the State Long Term Care Ombudsman.

(f) Before the move, the facility shall orally review the notice and right to object with the resident or legal representative and determine if a hearing is requested. A request for hearing does not delay the involuntary move-out. The facility shall immediately telephone the Department's central office in Salem when a hearing is requested. The hearing shall be held within five business days of the resident's move. No informal conference shall be held before the hearing.

Stats. Implemented: ORS 443.400 - 443.455, 443.991
Hist.: SPD 14-2007, f. 8-31-07, cert. ef. 11-1-07; APD 10-2016, f. 6-27-16, cert. ef. 6-28-16

411-054-0120
Civil Penalties

(1) For purposes of imposing civil penalties, facilities licensed under ORS 443.400 to 443.455 and subsection (2) of ORS 443.991 are considered to be long-term care facilities subject to ORS 441.705 to 441.745.

(2) For purposes of this rule, "person" means a licensee under ORS 443.420 or a person who the Department finds shall be so licensed but is not, but does not include any employee of such licensee or person.

(3) For purposes of this rule, "resident rights" means that each resident must be assured the same civil and human rights accorded to other citizens as described in OAR 411-054-0027.

(4) The Department shall exercise the powers under ORS 441.705 to 441.745 and thereby issues the following schedule of penalties applicable to residential care and assisted living facilities:

(a) A Class I violation exists when there is non-compliance involving direct resident care or feeding, adequate staff, or sanitation involving direct resident care or resident rights.

(b) The Department shall impose a civil penalty of not less than $2,500 for each occurrence of substantiated abuse that resulted in the death, serious injury, rape, or sexual abuse of a resident. The civil penalty may not exceed $15,000 in any 90-day period.

(A) To impose this civil penalty, the Department shall establish that:

(i) The abuse arose from deliberate or other than accidental action or inaction;

(ii) The conduct resulting in the abuse was likely to cause death, serious injury, rape, or sexual abuse of a resident; and

(iii) The person substantiated for the abuse had a duty of care toward the resident.

(B) For the purposes of this civil penalty, the following definitions apply:

(i) "Serious injury" means a physical injury that creates a substantial risk of death or that causes serious disfigurement, prolonged impairment of health, or prolonged loss or impairment of the function of any bodily organ.

(ii) "Rape" means rape in the first, second, or third degree as described in ORS 163.355, 163.365, and 163.375.

(iii) "Sexual Abuse" means abuse as defined under ORS 443.455.

(iv) "Other than accidental" means failure on the part of the licensee, or licensee's employees, agents, or volunteers for whose conduct the licensee is responsible, to comply with applicable Oregon Administrative Rules.

(c) A Class II violation exists when there is non-compliance with the license requirements relating to a license required, the license requirements relating to administrative management, or personal care services and activities. Class II violations may result in imposition of a fine for violations found on two consecutive monitorings of the facility.

(d) A Class III violation exists when there is non-compliance with the license requirements relating to building requirements and resident furnishings. Class III violations may result in imposition of a fine for violations found on two consecutive monitorings of the facility.

(5) For purposes of this rule, a monitoring occurs when a residential care or assisted living facility is surveyed, inspected, or investigated by an employee or designee of the Department or an employee or designee of the State Fire Marshal.

(6) In imposing a penalty pursuant to section (4) of this rule, the Department shall consider the following factors:

(a) The past history of the person incurring a penalty in taking all feasible steps or procedures necessary or appropriate to correct any violation;

(b) Any prior violations of statutes or rules pertaining to residential care or assisted living facilities;

(c) The economic and financial conditions of the person incurring the penalty; and

(d) The immediacy and extent the violation threatens the health, safety, and well being of residents.

(7) Any civil penalty imposed under ORS 443.455 and 441.710 shall become due and payable when the person incurring the penalty receives a notice in writing from the Department. The notice shall be sent by registered or certified mail and shall include:

(a) A reference to the particular sections of the statute, rule, standard, or order involved;

(b) A short and plain statement of the matters asserted or charged;

(c) A statement of the amount of the penalty or penalties imposed; and

(d) A statement of the party's right to request a hearing.

(8) The person to whom the notice is addressed shall have 10 days from the date of postmark to make written application for a hearing before the Department.

(9) All hearings shall be conducted pursuant to the applicable provisions of ORS chapter 183.

(10) If the person notified fails to request a hearing within 10 days, an order may be entered by the Department assessing a civil penalty.

(11) If, after a hearing, the person is found to be in violation of a license, rule, or order listed in ORS 441.710(1), an order may be entered by the Department assessing a civil penalty.

(12) A civil penalty imposed under ORS 443.455 or 441.710 may be remitted or reduced upon such terms and conditions as the Department considers proper and consistent with the public health and safety.

(13) If the order is not appealed, the amount of the penalty is payable within 10 days after the order is entered. If the order is appealed and is sustained, the amount of the penalty is payable within 10 days after the court decision. The order, if not appealed or sustained on appeal, shall constitute a judgment and may be filed in accordance with the provisions of ORS 18.005 to 18.428. Execution may be issued upon the order in the same manner as execution upon a judgment of a court of record.

(14) A violation of any general order or final order pertaining to a residential care or assisted living facility issued by the Department is subject to a civil penalty in the amount of not less than $5 and not more than $500 for each and every violation.

(15) Judicial review of civil penalties imposed under ORS 441.710 shall be as provided under ORS 183.480, except that the court may, in its discretion, reduce the amount of the penalty.

(16) All penalties recovered under ORS 443.455 and 441.710 to 441.740 shall be paid to the Quality Care Fund.

Rule Caption: Individually-Based Limitations Implementation Date Change
Adm. Order No.: APD 11-2016(Temp)
Filed with Sec. of State: 6-27-2016
Certified to be Effective: 7-1-16 thru 12-27-16
Notice Publication Date:
Rules Amended: 411-004-0040
Subject: OAR 411-004-0040 is being amended to delay the initial effective date of the rule by six months. The Department needs to immediately amend the rules to change the effective date and allow stakeholders, providers, and state and county employees additional time to prepare for implementation of the rule.
Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-004-0040
Individually-Based Limitations

This rule will begin being implemented January 1, 2017. The requirements in this rule must be in place no later than February 28, 2018.

(1) When conditions under OAR 411-004-0020(2)(d) to (2)(j) may not be met due to threats to the health and safety of an individual or others, provider owned, controlled, or operated residential settings must apply individually-based limitations as described in this rule.

(2) An individually-based limitation must be supported by a specific assessed need and documented in the person-centered service plan by completing and signing a program approved form documenting the consent to the appropriate limitation. The form identifies and documents:

(a) The specific and individualized assessed need justifying the individually-based limitation;

(b) The positive interventions and supports used prior to any individually-based limitation;

(c) Less intrusive methods that have been tried but did not work;

(d) A clear description of the limitation that is directly proportionate to the specific assessed need;

(e) Regular collection and review of data to measure the ongoing effectiveness of the individually-based limitation;

(f) Established time limits for periodic reviews of the individually-based limitation to determine if the limitation should be terminated or remains necessary. The individually-based limitation must be reviewed at least annually;

(g) The informed consent of the individual or, as applicable, the legal representative of the individual, including any discrepancy between the wishes of the individual and the consent of the legal representative; and

(h) An assurance that the interventions and support do not cause harm to the individual.

(3) Providers are responsible for:

(a) Maintaining a copy of the completed and signed form documenting the consent to the appropriate limitation. The form must be signed by the individual, or, if applicable, the legal representative of the individual;

(b) Regular collection and review of data to measure the ongoing effectiveness of and the continued need for the individually-based limitation; and

(c) Requesting a review of the individually-based limitation when a new individually-based limitation is indicated, or change or removal of an individually-based limitation is needed.

Adm. Order No.: APD 12-2016(Temp)
Filed with Sec. of State: 6-27-2016
Certified to be Effective: 7-1-16 thru 12-27-16
Notice Publication Date:
Rules Amended: 411-030-0068, 411-030-0070
Subject: The Department of Human Services (Department) is immediately amending OAR 411-030 to:

- Limit live-in services to individuals currently receiving the service.
- Add qualifications to receive a differential rate for homecare workers.
- Fix minor grammar, formatting, punctuation, and housekeeping issues in the rules.

These changes are effective July 1, 2016.
Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-030-0068
Live-In Services and Shift Services

(1) As of July 1, 2016, no individual may be approved to receive live-in services who did not receive live-in services on June 30, 2016.

(2) An individual is only eligible for shift services if the assessment determines the individual meets the criteria described in section (3) of this rule.

(3) Individuals with service plans that meet the definition of live-in services or shift services must meet subsections (a) and either (b) or (c) of this section of the rule.

(a) The provision of assistance with at least one ADL or IADL task must be required sometime during each hour the individual is awake in order to ensure the safety and well-being of the individual.

(b) The individual is assessed as full assist in mobility or elimination as defined in OAR 411-015-0006, and has at least one of the following conditions:

(A) A debilitating medical condition that includes, but is not limited to, any of the following symptoms:

(i) Cachexia;

(ii) Severe neuropathy;

(iii) Coma;

(iv) Persistent or reoccurring stage 3 or 4 wounds;

(v) Late stage cancer;

(vii) Frequent and unpredictable seizures; or

(viii) Debilitating muscle spasms.

(B) A spinal cord injury or similar disability with permanent impairment.

(C) An acute care or hospice need that is expected to last no more than six months.

(c) The individual is assessed as full assist in cognition as defined in OAR 411-015-0006 and meets all of the following criteria:

(A) A diagnosis of traumatic brain injury, dementia or a related disorder, or a debilitating mental health disorder that meets the criteria described in OAR 411-015-0015(2); and

(B) Has one of the following assessed needs as defined in OAR 411-015-0006:

(i) Full assist in danger to self or others.

(ii) Full assist in wandering.

(iii) Full assist in awareness.

(iv) Full assist in judgment.

(4) The following limitations apply:

(a) A homecare worker providing live-in services must be available to address the service needs of an eligible individual as they arise throughout an entire 24-hour period. A homecare worker is not providing live-in services if the homecare worker is outside the individual's home or building during the homecare worker's on-duty hours and the homecare worker engages in activities that are unrelated to the provision of the individual's ADL or IADL services and supports. A homecare worker is not providing live-in services if they are offsite and are not performing direct ADL or IADL services.

(b) Hourly services by another homecare worker or contracted in-home agency may be authorized in addition to live-in services for any task that requires more than one homecare worker to simultaneously perform the task, or to allow a live-in homecare worker to sleep for at least five continuous hours during a 24-hour work period.

(c) A homecare worker who is providing live-in services for an individual may not also provide hourly services for the same individual.

(5) Individuals who are receiving live-in services on June 30, 2016 may continue receiving live-in services until one of the following occurs:

(a) The individual moves from an in-home setting that does not meet the requirements of OAR 411-030-0033 for more than 30 days and later moves to an in-home setting that meets the requirements of OAR 411-030-0033.

(b) The individual ends his or her live-in services for more than 30 days.

(c) An assessment determines the individual does not meet the criteria described in section (3) of this rule.

(6) Individuals who currently receive live-in services for at least four days a week, or are receiving hours under live-in services in the Independent Choices Program, and who have been determined not to meet the criteria for live-in services per section (1) of this rule after an assessment created on or after August 31, 2015, may be granted an exception by central office under the following circumstances:

(a) The individual must be eligible for 159 hours of live-in services on the most recent assessment prior to August 31, 2015, and be assessed as meeting one of the following as defined in OAR 415-015-0006:

(A) Full assist in mobility and at least a substantial assist in ambulation or an assist in transfers.

(B) Full assist in cognition.

(C) Full assist in at least two ADLs under elimination.

(b) Exceptions granted under subsection (a) of this rule must end when the identified homecare worker per subsection (a) of this rule or the primary provider under the Independent Choices Program is no longer employed by the individual.

(7) An individual may employ homecare workers with a differential rate in accordance with the terms of the ratified collective bargaining agreement described in OAR 411-031-0020, if the following applies:

(a) The individual is diagnosed with quadriplegia or a condition that is substantially similar;

(b) The individual is dependent on a ventilator;

(c) The individual is eligible for and receives shift services;

(d) Within a 24-hour work period, the individual requires at least 16 hours of paid shift care and up to 8 hours of unpaid care; and

(e) The plan is approved by the Department.

411-030-0070
Maximum Hours of Service

(1) LEVELS OF ASSISTANCE FOR DETERMINING SERVICE PLAN HOURS.

(a) "Minimal Assistance" means an individual is able to perform the majority of an activity but requires some assistance from another person.

(b) "Substantial Assistance" means an individual is able to perform only a small portion of the tasks that comprise an activity without assistance from another person.

(c) "Full Assistance" means an individual needs assistance from another person through all phases of an activity every time the activity is attempted.

(2) MAXIMUM MONTHLY HOURS FOR ADL.

(a) The planning process uses the following limitations for time allotments for ADL tasks. Hours authorized must be based on the service needs of an individual. Case managers may authorize up to the amount of hours identified in these assistance levels (minimal, substantial, or full assist).

(A) Eating:
(i) Minimal assistance, 5 hours;
(ii) Substantial assistance, 20 hours;
(iii) Full assistance, 30 hours.
(B) Dressing and Grooming:
(i) Minimal assistance, 5 hours;
(ii) Substantial assistance, 15 hours;
(iii) Full assistance, 20 hours.
(C) Bathing and Personal Hygiene:
(i) Minimal assistance, 10 hours;
(ii) Substantial assistance, 15 hours;
(iii) Full assistance, 25 hours.
(D) Mobility:
(i) Minimal assistance, 10 hours;
(ii) Substantial assistance, 15 hours;
(iii) Full assistance, 25 hours.
(E) Elimination (Toileting, Bowel, and Bladder):
(i) Minimal assistance, 10 hours;
(ii) Substantial assistance, 20 hours;
(iii) Full assistance, 25 hours.
(F) Cognition and Behaviors:
(i) Minimal assistance, 5 hours;
(ii) Substantial assistance, 10 hours;
(iii) Full assistance, 20 hours.

(b) Service plan hours for ADL may only be authorized for an individual if the individual requires assistance (minimal, substantial, or full assist) from another person in that activity of daily living as determined by a service assessment applying the parameters in OAR 411-015-0006.

(c) For households with two or more eligible individuals, each individual's ADL service needs must be considered separately. In accordance with section (3)(c) of this rule, authorization of IADL hours is limited for each additional individual in the home.

(d) Hours authorized for ADL are paid at the rates in accordance with the rate schedule. The Independent Choices Program cash benefit is based on the hours authorized for ADLs paid at the rates in accordance with the rate schedule. Participants of the Independent Choices Program may determine their own employee provider pay rates, but must follow all applicable wage and hour rules and regulations.

(3) MAXIMUM MONTHLY HOURS FOR IADL.

(a) The planning process uses the following limitations for time allotments for IADL tasks. Hours authorized must be based on the service needs of an individual. Case managers may authorize up to the amount of hours identified in these assistance levels (minimal, substantial, or full assist).

(A) Medication and Oxygen Management:
(i) Minimal assistance, 2 hours;
(ii) Substantial assistance, 4 hours;
(iii) Full assistance, 6 hours.
(B) Transportation or Escort Assistance:
(i) Minimal assistance, 2 hours;
(ii) Substantial assistance, 3 hours;
(iii) Full assistance, 5 hours.
(C) Meal Preparation:
(i) Minimal assistance:
(I) Breakfast, 4 hours;
(II) Lunch, 4 hours;
(III) Supper, 8 hours.
(ii) Substantial assistance:
(I) Breakfast, 8 hours;
(II) Lunch, 8 hours;
(III) Supper, 16 hours.
(iii) Full assistance:
(I) Breakfast, 12 hours;
(II) Lunch, 12 hours;
(III) Supper, 24 hours.
(D) Shopping:
(i) Minimal assistance, 2 hours;
(ii) Substantial assistance, 4 hours;
(iii) Full assistance, 6 hours.
(E) Housecleaning:
(i) Minimal assistance, 5 hours.
(ii) Substantial assistance, 10 hours.
(iii) Full assistance, 20 hours.

(b) Hours authorized for IADL are paid at the rates in accordance with the rate schedule. The Independent Choices Program cash benefit is based on the hours authorized for IADLs paid at the rates in accordance with the rate schedule. Participants of the Independent Choices Program may determine their own employee provider pay rates, but must follow all applicable wage and hour rules and regulations.

(c) When two or more individuals eligible for IADL task hours live in the same household, the assessed IADL need of each individual must be calculated. Payment is made for the highest of the allotments and a total of four additional IADL hours per month for each additional individual to allow for the specific IADL needs of the other individuals.

(d) Service plan hours for IADL tasks may only be authorized for an individual if the individual requires assistance (minimal, substantial, or full assist) from another person in that IADL task as determined by a service assessment applying the parameters in OAR 411-015-0007.

(4) PAYMENT FOR LIVE-IN SERVICES.

(a) Payment for live-in services is authorized only when an individual employs a live-in homecare worker or enrolls in the Independent Choices Program and meets the requirements of OAR 411-030-0068.

(b) Effective January 1, 2016, payment for live-in services is authorized only when an individual employs a live-in homecare worker or enrolls in the Independent Choices Program and meets the requirements of OAR 411-030-0068. Individuals that meet these criteria will be authorized to receive at least 16 hours per day (496 hours per month). Additional hours may be authorized by the Department to meet the needs of the individual during the hours of the homecare worker's scheduled sleep period if the homecare worker's scheduled sleep period is routinely disrupted.

(c) Rates for live-in services are paid in accordance with the rate schedule.

(d) When a live-in homecare worker is employed less than seven days per week, the total service hours must be prorated.

(5) When one or more eligible individuals in the same household is eligible for and receiving in-home services, the amount of hours authorized is subject to the following maximums:

(a) If any eligible individual in a specific household is receiving live-in services, the combined authorized hours for all eligible individuals in the same household may not exceed 19 hours within any 24-hour period or 589 hours per month.

(b) Hourly and shift service plans may not exceed 24 hours within any 24-hour period or 744 hours per month in the same household.

(6) Beginning July 1, 2016, when a homecare worker begins employment with an individual, the following limitations to the authorized hours a homecare worker may work will apply:

(a) Hourly or shift service plans of no more than 220 hours per month, not to exceed 50 hours per workweek per individual.

(b) Hourly or shift services plan of no more than 16 hours of awake care during a 24-hour work period.

(7) A provider may not receive payment from the Department for more than the total amount authorized by the Department on the service plan authorization form under any circumstances. All service payments must be prior-authorized by a case manager.

(8) Case managers must assess and utilize as appropriate, natural supports, cost-effective assistive devices, durable medical equipment, housing accommodations, and alternative service resources (as defined in OAR 411-015-0005) that may reduce the need for paid assistance.

(9) The Department may authorize paid in-home services only to the extent necessary to supplement potential or existing resources within an individual's natural supports system.

(10) Payment by the Department for Medicaid home and community-based services are only made for the tasks described in this rule as ADL, IADL tasks, and live-in services. Services must be authorized to meet the needs of an eligible individual and may not be provided to benefit an entire household.

(11) EXCEPTIONS TO MAXIMUM HOURS OF SERVICE.

(a) To meet an extraordinary ADL service need that has been documented, the hours authorized for ADL may exceed the full assistance hours (described in section (2) of this rule) as long as the total number of ADL hours in the service plan does not exceed 145 hours per month.

(b) Monthly service payments that exceed 145 ADL hours per month may be approved by the Department when the exceptional payment criteria identified in OAR 411-027-0020 and OAR 411-027-0050 is met.

(c) As long as the total number of IADL task hours in the service plan does not exceed 85 hours per month and the service need is documented, the hours authorized for IADL tasks may exceed the hours for full assistance (as described in section (3) of this rule) for the following tasks and circumstances:

(A) Housekeeping based on medical need (such as immune deficiency);

(B) Short-term extraordinary housekeeping services necessary to reverse unsanitary conditions that jeopardize the health of an individual; or

(C) Extraordinary IADL needs in medication management or service-related transportation.

(d) Monthly service plans that exceed 85 hours per month in IADL tasks may be approved by the Department when an individual meets the exceptional payment criteria identified in OAR 411-027-0020 and OAR 411-027-0050.

(e) One or more individuals in the same household may exceed the maximums in section (5) of this rule in the following circumstances:

(A) The service plan authorizes payment that requires the assistance of more than one homecare worker to simultaneously perform a specific task.

(B) The service plan authorizes an additional hourly provider when the individual requires care throughout a 24 hour period and the live-in homecare worker is not able to receive five continuous hours of sleep.

(C) The ADLs of two or more individuals in the same household require a homecare worker for each individual at the same time.

(f) A homecare worker may be authorized to provide services totaling more than 176 hours per month or 40 hours per workweek if they are prior authorized by the Department. In emergency situations, when the Department is not available, a homecare worker may work critical hours, but must notify the Department within two business days.

(g) A homecare worker may be authorized by the Department to work more than 16 hours of hourly services during a 24-hour work period if an unanticipated need arises that requires the homecare worker to remain awake in order to provide the necessary care.

Rule Caption: ODDS: Direct Nursing Services for Adults with Intellectual or Developmental Disabilities
Adm. Order No.: APD 14-2016
Filed with Sec. of State: 6-28-2016
Certified to be Effective: 6-29-16
Notice Publication Date: 4-1-2016
Rules Adopted: 411-380-0010, 411-380-0020, 411-380-0030, 411-380-0040, 411-380-0050, 411-380-0060, 411-380-0070, 411-380-0080, 411-380-0090
Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is adopting rules in OAR chapter 411, division 380 to make permanent temporary rules that became effective on January 1, 2016 that establish standards and procedures for the provision of direct nursing services. Direct nursing services support individuals 21 years of age or older with intellectual or developmental disabilities and complex, long-term, medical conditions that require shift staff nursing level of supports.

The rules in OAR chapter 411, division 380 define direct nursing services, specify eligibility and limitations for direct nursing services, and specify nursing service requirements for case management entities and the Department. The rules also establish and detail provider requirements including qualifications, enrollment, billing and payment, and documentation and recordkeeping requirements.
Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-380-0010
Statement of Purpose

(1) The rules in OAR chapter 411, division 380 establish standards and procedures for the provision of direct nursing services for adults with intellectual or developmental disabilities and complex health management support needs. These rules define eligibility for services, prescribe Medicaid provider enrollment conditions, and enact service and documentation requirements.

(2) Direct nursing services provide medical tasks to adults with intellectual or developmental disabilities and complex health management support needs in order to live as independently as possible in their home and community.

Stat. Auth.: ORS 409.050, 413.085

Stats. Implemented: ORS 409.050, 413.085

Hist.: APD 28-2015(Temp), f. 12-31-15, cert. ef. 1-1-16 thru 6-28-16; APD 14-2016, f. 6-28-16, cert. ef. 6-29-16

411-380-0020
Definitions

(1) "Acuity Level" means the amount of the medically related support needs of an individual as measured by an assessment.

(2) "Authorization" means the approval of the case management entity for planning, provision, and payment of direct nursing services.

(3) "Case Management Entity" means the Community Developmental Disability Program or Support Services Brokerage contracted to deliver the functions of case management.

(4) "Complex Health Management Support Needs" mean those medical or nursing tasks, activities, or duties in response to a health condition or series of conditions that impacts all aspects of the care of an individual, requiring oversight by a nurse and physician.

(5) "Direct Nursing Services" mean the services described in OAR 411-380-0050 (Direct Nursing Service Requirements) that are determined medically necessary to support an individual with complex health management support needs in their home and community. Direct nursing services are provided on a shift staffing basis.

(6) "Direct Nursing Services Criteria" means the assessment to measure the acuity and support level of nursing tasks to determine eligibility for direct nursing services.

(7) "Enrolled Medicaid Provider" means an RN or LPN that meets and completes all the requirements in these rules, OAR 407-120-0300 to 0400 (Medicaid Provider Enrollment and Claiming), and OAR chapter 410, division 120 (OHA, Medicaid General Rules), as applicable.

(8) "Home Health Agency" has the meaning given that term in ORS 443.005.

(9) "Individual" means an adult applying for, or determined eligible for, Department-funded developmental disabilities services.

(10) "In-Home Care Agency" has the meaning given that term in ORS 443.305.

(11) "ISP" means "Individual Support Plan".

(12) "LPN" means a licensed practical nurse who holds a current license from the Oregon State Board of Nursing pursuant to ORS chapter 678 and OAR chapter 851, division 045 (Standards and Scope of Practice for the LPN and RN). An LPN providing direct nursing services under these rules is either an independent contractor who is an enrolled Medicaid provider or an employee of an in-home care or home health agency that is an enrolled Medicaid provider.

(13) "MMIS" means "Medicaid Management Information System". MMIS is the automated claims processing and information retrieval system for handling all Medicaid transactions. The objectives of the system include verifying provider enrollment and individual eligibility, managing health care provider claims and benefit package maintenance, and addressing a variety of Medicaid business needs.

(14) "Medicaid Provider Enrollment Agreement" means an agreement between the Department and a provider for the provision of covered services to covered individuals for payment.

(15) "National Provider Index Number" means a federally directed provider number mandated for use on Health Insurance Portability and Accountability Act (HIPAA) covered transactions by individuals, provider organizations, and subparts of provider organizations that meet the definition of health care provider (45 CFR 160.103) and who conduct HIPAA covered transactions electronically.

(16) "Nursing Intervention" means the actions deliberately designed, selected, and performed by a nurse to implement the Nursing Service Plan.

(17) "Nursing Service Plan" means the written guidelines developed by an RN as described in OAR 411-380-0050 (Direct Nursing Service Requirements) that identifies the specific needs of an individual and the intervention or regiment to assist the individual to achieve optimal health potential. Developing the Nursing Service Plan includes a comprehensive and focused nursing assessment of the health status of the individual as part of the standards outlined in OAR 851-045-0040(2) (Scope of Practice Standards for Registered Nurses), establishing individual and nursing goals, and determining nursing interventions to meet care objectives.

(a) The Nursing Service Plan is specific to an individual and identifies the diagnoses and health needs of the individual and all direct nursing service needs.

(b) The Nursing Service Plan is separate from the ISP as well as any service plans developed by other health professionals.

(18) "OHA" means "Oregon Health Authority".

(19) "OSIPM" means "Oregon Supplemental Income Program-Medical".

(20) "Prior Authorization for Services" means payment authorization for direct nursing services given by the Department or contracted agencies of the Department prior to provision of the service. A physician referral is not a prior authorization for services.

(21) "Provider" means an enrolled Medicaid provider who holds a current license from the Oregon State Board of Nursing as an RN or LPN pursuant to ORS chapter 678.

(22) "RN" means a registered nurse who holds a current license from the Oregon State Board of Nursing pursuant to ORS chapter 678 and OAR chapter 851, division 045 (Standards and Scope of Practice for the LPN and RN). An RN providing direct nursing services under these rules is either an independent contractor who is an enrolled Medicaid provider or an employee of an in-home care or home health agency that is an enrolled Medicaid provider.

(23) "These Rules" mean the rules in OAR chapter 411, division 380.

(24) "Third Party Resources" means a medical or financial resource that, under law, is available and applicable to pay for medical services and items for an individual.

Eligibility and Limitations for Direct Nursing Services

(1) ELIGIBILITY. To be eligible for direct nursing services, an individual must:

(a) Be 21 years of age or older;

(b) Be determined eligible for developmental disabilities services by a Community Developmental Disabilities Program in the county of origin as described in OAR 411-320-0080;

(c) Be OSIPM eligible;

(d) Meet the level of care as defined in OAR 411-320-0020;

(e) Based on a functional needs assessment, require oversight for complex health management support needs;

(f) Based on a Direct Nursing Services Criteria completed by the Department, score 45 or higher; and

(g) Have health impairments requiring long term direct nursing services determined medically necessary and appropriate based on the order of a physician.

(2) ACUITY LEVELS. The amount of hours available for direct nursing services is based on the following acuity levels as measured by the Direct Nursing Services Criteria:

(a) Level 1: Score of 75 or above and on a ventilator for 20 hours or more per day = up to a maximum of 554 hours per month for direct nursing services.

(b) Level 2: Score of 70 or above = up to a maximum of 462 hours per month for direct nursing services.

(c) Level 3: Score of 65 to 69 = up to a maximum of 385 hours per month for direct nursing services.

(d) Level 4: Score of 60 to 64 = up to a maximum of 339 hours per month for direct nursing services.

(e) Level 5: Score of 50 to 59 or if an individual requires ventilation for sleeping hours = up to a maximum of 293 hours per month for direct nursing services.

(f) Level 6: Score of 45 to 49 = up to a maximum of 140 hours per month for direct nursing services.

(3) SERVICE DELIVERY.

(a) Except as limited under section (4)(a) of this rule, direct nursing services may be delivered in the home of an individual, in an adult foster home, at an employment or day service site, or in the community.

(b) The hours for direct nursing services for individuals accessing other attendant care services at an employment setting or in the community, are prorated based on the acuity level of the individual between the employment setting and the home or adult foster home of the individual.

(4) LIMITATIONS.

(a) Direct nursing services are excluded for:

(A) An individual residing in a licensed 24-hour residential setting as described in OAR chapter 411, division 325;

(B) An individual while in a medical or psychiatric hospital; or

(C) An individual residing in a school, nursing facility, assisted living facility, or residential care facility.

(b) Direct nursing services may not substitute for or duplicate other direct or private duty nursing services provided by State Plan or third party resources.

(c) Direct nursing services provided concurrently with care being provided under OAR 410-142-0240 (OHA, Hospice Services) or OAR 410-127-0040 (OHA, Home Health Care Services) are not reimbursable under these rules.

(d) Direct nursing services are not covered in conjunction with any intravenous, enteral, or parenteral related skilled nursing services as described in OAR 410-148-0300 (OHA, Home Enteral/Parenteral Nutrition and IV Services).

(e) Direct nursing services may not duplicate school-based nursing services covered under the provision of the Individuals with Disabilities Education Act (IDEA).

(f) Direct nursing services do not include:

(A) Hours spent receiving professional training or career development;

(B) Administrative functions such as non-individual-specific services, quality assurance reviews, authoring health related agency policies and procedures, or providing general training for caregivers;

(C) Travel time spent in transit to or from the residence of the provider; or

(D) Nursing services as defined under OAR chapter 411, division 048 (Long Term Care Community Nursing). This includes nurse delegation.

Complaints, Notifications of Planned Actions and Hearings

(1) INDIVIDUAL COMPLAINTS.

(a) Complaints by or on behalf of individuals must be addressed in accordance with OAR 411-318-0015 (Complaints).

(b) The case management entity must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015 (Complaints).

(c) Upon entry and request and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

(2) NOTIFICATION OF PLANNED ACTION. In the event that direct nursing services are denied, reduced, suspended, or terminated or voluntarily reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020 (Notification of Planned Action).

(3) HEARINGS.

(a) Hearings must be addressed in accordance with ORS chapter 183 and OAR 411-318-0025 (Contested Case Hearings for Reductions, Suspensions, Terminations, or Denials).

(b) An individual may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025 (Contested Case Hearings for Reductions, Suspensions, Terminations, or Denials) for a denial, reduction, suspension, or termination of direct nursing services.

(c) Upon entry, individual request, and annually thereafter, a notice of hearing rights and the policy and procedures for hearings must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

411-380-0050
Direct Nursing Service Requirements

(1) DIRECT NURSING SERVICES CRITERIA. The Department completes an assessment using the Direct Nursing Services Criteria at the following times:

(a) For initial eligibility of direct nursing services;

(b) As part of annual ISP planning, but no longer than 12 months from the last assessment; and

(c) After any significant change of condition, such as hospitalization, emergency visits, or significant changes in the health status of the individual, reported by the case management entity or provider.

(2) NURSING SERVICE PLAN. Each individual must have a written Nursing Service Plan that meets the standards in OAR chapter 851, division 045 (Standards and Scope of Practice for the LPN and RN).

(a) An RN must develop a Nursing Service Plan within seven days of the initiation of direct nursing services and submit the Nursing Service Plan to the case management entity and Department for review.

(b) The RN must review, update, and resubmit the Nursing Service Plan to the case management entity and the Department in the following instances:

(A) Every six months;

(B) Within seven working days of a change of RN;

(C) With any request for authorization of an increase in hours of service; or

(D) After any significant change of condition, such as hospitalization, emergency visits, or significant change in the health status of the individual.

(c) The RN must share the Nursing Service Plan with the individual and if applicable, the legal representative, designated representative, foster care provider, or agency providers.

(3) Direct nursing services must be documented as part of the ISP. The maximum number of eligible hours based on the Direct Nursing Services Criteria must be authorized in the ISP.

(4) Direct nursing services may not duplicate or occur at the same time as attendant care services, except when the delivery of attendant care is provided by a personal support worker or provider agency as defined in OAR 411-317-0000, and the individual;

(a) Has been assessed needing Department approved 2:1 attendant care supports based on the results of a functional needs assessment;

(b) Is attending employment or day service activities; or

(c) Needs 2:1 staffing in the community.

(5) Direct nursing services include, but are not limited to:

(a) Continuous assessment and reassessment of the medical condition of the individual, as part of each shift;

(b) Skilled nursing tasks;

(c) Nursing interventions;

(d) Implementation of treatment and therapies;

(e) Data collection;

(f) Documentation;

(g) Written and oral communication with individuals, physicians and other health professionals, other caregivers, case management entities, ISP teams, foster care providers, and agency providers; and

(h) Other nursing responsibilities under OAR 851-045-0040 (Oregon State Board of Nursing Scope of Practice Standards for All Licensed Nurses) approved by the Department.

(6) Direct nursing services must be provided on a shift staffing basis. Shifts are from a minimum of four hours to a maximum of 16 hours.

411-380-0060
Qualifications for Providers of Direct Nursing Services

(1) The direct nursing services provided under these rules may be delivered by the following enrolled Medicaid providers:

(a) Self-employed LPNs or RNS licensed under ORS 678.021;

(b) Home health agencies licensed under ORS 443.015 and meeting the requirements in OAR chapter 333, division 027 (Home Health Agencies);

(c) In-home care agencies licensed under ORS 443.315 and meeting the requirements in OAR chapter 333, division 536 (In-Home Care Agencies);

(d) An adult foster home provider as described in OAR 411-360-0140 (Standards and Practices for Health Care) and section (2) of this rule; and

(e) A family member as described in section (2) of this rule.

(2) The decision to have an adult foster home provider or family member deliver direct nursing services must be made by the individual and the ISP team and may not be for the convenience of the adult foster home provider or family member.

(3) The legal representative of an individual is prohibited from providing direct nursing services.

(4) A provider of direct nursing services must;

(a) Be a licensed RN or LPN with a current and unencumbered license; and

(b) Meet and maintain provider enrollment requirements under OAR 407-120-0320 (Provider Enrollment) as follows:

(A) Providers delivering services prior to January 1, 2016 must meet the provider enrollment requirements under OAR 407-120-0320 (Provider Enrollment) no later than June 28, 2016.

(B) Provider applicants enrolling on or after January 1, 2016 must meet the provider enrollment requirements under OAR 407-120-0320 (Provider Enrollment) upon enrollment.

(5) Providers must submit a resume to the case management entity indicating the education, skills, and abilities necessary to provide nursing services in accordance with Oregon law. At least one year of experience working with individuals with intellectual or developmental disabilities is recommended, but not required.

(6) The provider must maintain in force, at the expense of the provider, professional liability insurance with a combined single limit of not less than $1,000,000 for each claim, incident, or occurrence. Professional liability insurance is to cover damages caused by error, omission, or negligent acts related to the professional services.

(a) The provider must provide written evidence of insurance coverage to the Department prior to beginning work and at any time upon the request of the Department.

(b) There must be no cancellation of insurance coverage without 30 days prior written notice to the Department.

(7) PROVIDER ENROLLMENT.

(a) Providers must enroll through the MMIS system by:

(A) Completing and submitting the Medicaid Provider Enrollment Application that includes the Provider Enrollment Agreement;

(B) Completing a Criminal Background Check as described in OAR 407-007-0200 to 0370 (Criminal History Checks); and

(C) Enrolling, receiving, and submitting a National Provider Index Number.

(b) An applicant listed in the exclusions database of the Office of the Inspector General is not eligible to become an enrolled Medicaid provider per OAR 410-120-1400(3)(b) (OHA, Provider Sanctions).

(8) All enrolled Medicaid providers must comply with federal, state, and Department conflict of interest regulations or policy.

411-380-0070
Provider Disenrollment and Termination

(1) Enrolled Medicaid providers may be denied enrollment, terminated, or prohibited from providing direct nursing services for any of the following:

(a) Violation of any part of these rules;

(b) A substantiation of a violation of the protective service and abuse rules in OAR chapter 411, division 020 (Adult Protective Services - General) or OAR chapter 407, division 045 (Office of Investigations and Training);

(c) Any sanction or action as a result of an investigation of the Oregon State Board of Nursing;

(d) Failure to keep required licensure or certifications current;

(e) Failure to provide copies of the records described in these rules to OHA, the Department, or case management entity;

(f) Failure to participate in the review of the Nursing Service Plan or care coordination meetings when requested by the case management entity;

(g) Failure to provide services;

(h) Fraud or misrepresentation in the provision of direct nursing services;

(i) Evidence of conduct derogatory to the standards of nursing as described in OAR 851-045-0070 (Conduct Derogatory to the Standards of Nursing Defined) that results in referral to the Oregon State Board of Nursing;

(j) A demonstrated pattern of repeated unsubstantiated complaints of neglect or abuse per OAR chapter 411, division 020 (Adult Protective Services - General) or OAR chapter 407, division 045 (Office of Investigations and Training); or

(k) The provider is listed in the exclusions database of the Office of the Inspector General.

(2) Enrolled Medicaid providers may appeal a termination of their Medicaid provider number based on OAR 407-120-0360(8)(g) (Consequences of Non-Compliance and Provider Sanctions) and OAR chapter 410, division 120 (OHA, Medical Assistance Programs), as applicable.

(3) An enrolled Medicaid provider of direct nursing services must provide advance written notice to the Department and any individuals the provider is delivering direct nursing services to at least 30 days prior to no longer providing direct nursing services.

411-380-0080
Provider Documentation and Records

(1) Documentation of direct nursing services must be written in an accurate, timely, thorough, and clear manner.

(2) Documentation must comply with OAR chapter 851 (Oregon State Board of Nursing) and must include:

(a) The name of the individual on each page of documentation;

(b) The date of service;

(c) Time of start and end of service delivery by each provider;

(d) Anything unusual from the standard plan of care expanded in the narrative;

(e) Interventions;

(f) Outcomes, including the response of the individual to services delivered;

(g) Nursing assessment of the status of the individual and any changes in that status per each working shift; and

(h) Full signature of the provider.

(3) Documentation of provided direct nursing services must be sent to the case management entity upon request or as outlined in the ISP and maintained in the home, foster home, or the place of business of the provider of services.

(4) Providers must furnish requested documentation immediately upon the written request from the Department, the Oregon Department of Justice Medicaid Fraud Unit, OHA, Centers for Medicare and Medicaid Services, or their authorized representatives, or within the timeframe specified in the written request. Failure to comply with the request may be considered by the Department as reason to deny or recover payments.

(5) Access to records by the Department including, but not limited to, medical, nursing, behavior, psychiatric, or financial records, to include providers and vendors providing goods and services, does not require authorization or release by the individual or the legal representative of the individual.

(6) Per OAR 410-120-1360(2)(e) (OHA, Requirements for Financial, Clinical and Other Records), providers must;

(a) Retain billing forms, timesheets, and financial records for at least five years from the date of service; and

(b) Retain clinical record documentation of provided services for at least seven years from the date of service.

411-380-0090
Provider Billing and Payment

(1) AUTHORIZATION OF HOURS. Authorization for direct nursing service hours are:

(a) Based on acuity levels from the Direct Nursing Services Criteria; and

(b) Authorized in the ISP by the case management entity.

(2) PRIOR AUTHORIZATION.

(a) Providers must request electronic authorization for direct nursing service hours through MMIS and have hours prior authorized by the Department.

(b) The Department may withdraw, modify, or deny prior authorizations in the event of any of the following:

(A) Change in the status of the individual, such as eligibility for direct nursing services, hospitalization, improvement in health status, or death;

(B) Decision of the individual, family, or legal representative, to change providers;

(C) Failure to comply with the delivery of direct nursing services and documentation; or

(D) Failure to perform other expected duties.

(3) CLAIMS.

(a) A provider must comply with the rules for authorization of claims as written in OAR 410-120-1300 (OHA, Timely Submission of Claims) and OAR 410-120-1320 (OHA, Authorization of Payment).

(b) A provider must follow all Department required documentation procedures for timesheets, invoices, and signatures and submit true and accurate information.

(c) Medicaid funds are the payer of last resort. A provider must bill all third party resources until all resources are exhausted.

(d) A provider may not submit the following to the Department or case management entity:

(A) A false billing form for payment;

(B) A billing form for payment that has been, or is expected to be, paid by another source; or

(C) Any billing form for services that have not been provided.

(e) The billing form used to submit a claim must include the prior authorization number.

(f) A provider must sign the billing form acknowledging agreement with the terms and conditions of the claim and attesting that the hours were delivered as billed.

(g) Timely submission of claims is required per OAR 410-120-1300(1) (OHA, Timely Submission of Claims). A provider must submit a claim for payment to the case management entity within 12 months of the date of service.

(h) The case management entity must review the claim and match the number of hours claimed by the provider against the number of hours prior authorized. The case management entity must review, approve, and forward the claim to the Department in a timely manner.

(4) PAYMENT.

(a) Payment for direct nursing services is made in accordance with;

(A) These rules;

(B) OAR 410-120-1300 (OHA, Timely Submission of Claims);

(C) OAR 411-120-1320 (OHA, Authorization of Payment);

(D) OAR 411-120-1340 (OHA, Payment);

(E) OAR 411-120-1380 (OHA, Compliance with Federal and State Statutes);

(F) OAR 407-120-300 to 400 (Provider Enrollment and Claiming); and

(G) OAR 407-120-1505 (Provider and Contractor Audits, Appeals, and Post Payment Recoveries).

(b) Funds may not be used to support, in whole or in part, a provider in any capacity who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275 (Convictions under ORS 443.004 Resulting in Ineligibility for Aging and People with Disabilities Program and Developmental Disabilities Program).

(c) Payment for direct nursing services are fee for service with payment made subsequent to the delivery of the services.

(d) The Department does not pay for services that are not authorized in the ISP.

(e) Providers must be present with an individual in the delivery of direct nursing services in order to claim payments.

(f) Holidays are paid at the same rate as non-holidays.

(g) Hours will not be authorized for overtime.

(h) Payment by the Department for direct nursing services is considered payment in full for the services rendered under Medicaid. A provider may not demand or receive additional payment for direct nursing services from an individual, family member, foster care provider, agency provider, or any other source, under any circumstances.

(i) Payment may be denied based on the provisions of OAR 410-120-1320 (OHA, Authorization of Payment) and the provisions of these rules.

(5) OVERPAYMENT. An overpayment occurs when a provider submits a claim or encounter, or received payment to which the provider is not properly entitled. The determination of overpayment is based on OAR 410-120-1397(5)(a)-(h) (OHA, Recovery of Overpayments to Providers - Recoupment). The Department and OHA recoup all overpayments under OAR 410-120-1397 (OHA, Recovery of Overpayments to Providers - Recoupment).

Rule Caption: ODDS: Support Service Brokerages for Adults with Intellectual or Developmental Disabilities

Adm. Order No.: APD 15-2016

Filed with Sec. of State: 6-28-2016

Certified to be Effective: 6-29-16

Notice Publication Date: 5-1-2016

Rules Amended: 411-340-0010, 411-340-0020, 411-340-0030, 411-340-0040, 411-340-0050, 411-340-0060, 411-340-0070, 411-340-0080, 411-340-0090, 411-340-0100, 411-340-0110, 411-340-0120, 411-340-0150

Rules Repealed: 411-340-0125, 411-340-0130, 411-340-0135, 411-340-0140, 411-340-0160, 411-340-0170, 411-340-0180

Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently updating the rules for Support Service Brokerages (Brokerages) in OAR chapter 411, division 340 to make permanent the following temporary changes that became effective on January 1, 2016:

- To provide consistency and streamline definitions across services, the Department removed general definitions included in OAR 411-317-0000; and

- The Department shortened the certification period of a Brokerage from five years to two years.

In addition, the Department is proposing to restructure the rules in OAR chapter 411, division 340 to ensure uniform standards for case management, provide more consistency, consolidate requirements, and remove redundancies. Specifically, the Department is proposing to —

- Relocate qualifications and related requirements for case management services to OAR chapter 411, division 415;

- Repeal OAR 411-340-0125 (Crisis Supports in Support Services) to align rules with current Department practice;

- Relocate eligibility requirements, provider qualifications, and service descriptions for the services that a personal agent may authorize. The portions related to attendant care, skills training, and relief care are being moved to new rules for community living supports in OAR chapter 411, division 450 and the remaining services available under the 1915(k) and 1915(c) funding authorities are being moved to new rules for ancillary services in OAR chapter 411, division 435;

- Move the language in OAR 411-340-0170 that is used to certify provider organizations to the new rules for in-home services in OAR chapter 411, division 450. Provider organizations will be required to become certified under OAR chapter 411, division 323 and endorsed to OAR chapter 411, division 450; and

- Move the language in OAR 411-340-0135 and 411-340-0160 that describes the requirements for independent providers and employers of independent providers to OAR chapter 411, division 375.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-340-0010
Statement of Purpose

(1) The rules in OAR chapter 411, division 340 prescribe standards, responsibilities, and procedures for Support Service Brokerages. Support Service Brokerages assist adults with intellectual or developmental disabilities to identify and address support needs so that an adult with an intellectual or developmental disability may live in his or her own home or in the family home.

(2) Support Service Brokerages certified under these rules are expected to identify, strengthen, expand, and where required, supplement private, public, formal, and informal support available to adults with intellectual or developmental disabilities so that an adult with an intellectual or developmental disability may exercise self-determination in the design and direction of his or her life.

Definitions and Acronyms

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 340:

(1) "Brokerage" means an entity or distinct operating unit within an existing entity that uses the principles of self-determination to perform the functions associated with planning and implementation of brokerage and support services for individuals with intellectual or developmental disabilities.

(2) "Brokerage Director" means the Director of a publicly or privately-operated Brokerage, who is responsible for administration and provision of services according to these rules, or the designee of the Brokerage Director.

(3) "CDDP" means "Community Developmental Disabilities Program".

(4) "Certificate" means the document issued by the Department to a Brokerage that certifies the Brokerage is eligible to receive state funds for the provision of services under these rules.

(5) "Geographic Service Area" means the area within the state of Oregon where a case management entity is approved to provide developmental disabilities services.

(6) "Policy Oversight Group" means the group that meets the requirements of OAR 411-340-0150 that is formed to provide individual-based leadership and advice to each Brokerage regarding issues, such as development of policy, evaluation of services, and use of resources.

(7) "Support Services" mean the case management services provided by a personal agent employed by a Brokerage and the services authorized by the Brokerage.

(8) "These Rules" mean the rules in OAR chapter 411, division 340.

411-340-0030
Certification of Support Service Brokerages

(1) CERTIFICATE REQUIRED.

(a) No person or governmental unit acting individually or jointly with any other person or governmental unit may establish, conduct, maintain, manage, or operate a Brokerage without being certified by the Department under this rule.

(b) Certificates are not transferable or assignable and are issued only for the Brokerage and people or governmental units named in the application.

(c) Certificates issued on or after January 1, 2016 are effective for a maximum of two years.

(d) The Department shall conduct a review of the Brokerage prior to the issuance of a certificate.

(2) CERTIFICATION. A Brokerage must apply for an initial certificate and for a certificate renewal.

(a) The application must be on a form provided by the Department and must include all information requested by the Department.

(b) The applicant requesting certification as a Brokerage must identify the maximum number of individuals to be served and the geographic service area.

(c) To renew certification, the Brokerage must make application at least 30 days, but not more than 120 days, prior to the expiration date of the existing certificate. On renewal of certification, no increase in the maximum number of individuals to be served by the Brokerage may be certified unless specifically approved by the Department.

(d) Application for renewal must be filed no more than 120 days prior to the expiration date of the existing certificate and extends the effective date of the existing certificate until the Department takes action upon the application for renewal.

(e) Failure to disclose requested information on the application or providing incomplete or incorrect information on the application may result in denial, revocation, or refusal to renew the certificate.

(f) Prior to issuance or renewal of the certificate, the applicant must demonstrate to the satisfaction of the Department that the applicant is capable of providing services identified in a manner consistent with the requirements of these rules.

(3) CERTIFICATION EXPIRATION, TERMINATION OF OPERATIONS, OR CERTIFICATE RETURN.

(a) Unless revoked, suspended, or terminated earlier, each certificate to operate a Brokerage expires on the expiration date specified on the certificate.

(b) If a certified Brokerage is discontinued, the certificate automatically terminates on the date operation is discontinued.

(4) CHANGE OF OWNERSHIP, LEGAL ENTITY, LEGAL STATUS, OR MANAGEMENT CORPORATION. The Brokerage must notify the Department in writing of any pending action resulting in a five percent or more change in ownership and of any pending change in the legal entity, legal status, or management corporation of the Brokerage.

(5) NEW CERTIFICATE REQUIRED. A new certificate for a Brokerage is required upon change in the ownership, legal entity, or legal status of a Brokerage. The Brokerage must submit a certificate application at least 30 days prior to change in ownership, legal entity, or legal status.

(6) CERTIFICATE DENIAL, REVOCATION, OR REFUSAL TO RENEW. The Department may deny, revoke, or refuse to renew a certificate when the Department finds the Brokerage, the Brokerage Director, or any person holding five percent or greater financial interest in the Brokerage:

(a) Demonstrates substantial failure to comply with these rules such that the health, safety, or welfare of individuals is jeopardized and the Brokerage fails to correct the noncompliance within 30 calendar days of receipt of written notice of non-compliance;

(b) Has demonstrated, during two inspections within a six year period, a substantial failure to comply with these rules such that the health, safety, or welfare of individuals is jeopardized. For the purpose of this rule, "inspection" means an on-site review of the service site by the Department for the purpose of investigation or certification;

(c) Has been convicted of a felony or any crime as described in OAR 407-007-0275;

(d) Has been convicted of a misdemeanor associated with the operation of a Brokerage;

(e) Falsifies information required by the Department to be maintained or submitted regarding services of individuals, program finances, or individuals' funds;

(f) Has been found to have permitted, aided, or abetted any illegal act that has had significant adverse impact on individual health, safety, or welfare; or

(g) Has been placed on the list of excluded or debarred providers by the Office of Inspector General (http://exclusions.oig.hhs.gov/).

(7) NOTICE OF CERTIFICATE DENIAL, REVOCATION, OR REFUSAL TO RENEW. Following a Department finding that there is a substantial failure to comply with these rules such that the health, safety, or welfare of individuals is jeopardized, or that one or more of the events listed in section (6) of this rule has occurred, the Department may issue a notice of certificate revocation, denial, or refusal to renew.

(8) IMMEDIATE SUSPENSION OF CERTIFICATE. When the Department finds a serious and immediate threat to individual health and safety and sets forth the specific reasons for such findings, the Department may, by written notice to the certificate holder, immediately suspend a certificate without a pre-suspension hearing and the Brokerage may not continue operation.

(9) HEARING. An applicant for a certificate or a certificate holder may request a hearing pursuant to the contested case provisions of ORS chapter 183 upon written notice from the Department of denial, suspension, revocation, or refusal to renew a certificate. In addition to, or in lieu of a hearing, the applicant or certificate holder may request an administrative review by the Director of the Department. An administrative review does not preclude the right of the applicant or certificate holder to a hearing.

(a) The applicant or certificate holder must request a hearing within 60 days of receipt of written notice by the Department of denial, suspension, revocation, or refusal to renew a certificate. The request for a hearing must include an admission or denial of each factual matter alleged by the Department and must affirmatively allege a short plain statement of each relevant, affirmative defense the applicant or certificate holder may have.

(b) In the event of a suspension pursuant to section (8) of this rule and during the first 30 days after the suspension of a certificate, the Brokerage may submit a written request to the Department for an administrative review. The Department shall conduct the review within 10 days after receipt of the request for an administrative review. Any review requested after the end of the 30-day period following certificate suspension is treated as a request for a hearing under subsection (a) of this section. If following the administrative review the suspension is upheld, the Brokerage may request a hearing pursuant to the contested case provisions of ORS chapter 183.

411-340-0040
Abuse and Unusual Incidents

(1) ABUSE PROHIBITED. No individual as defined in OAR 411-340-0020 shall be abused nor shall any employee, staff, or volunteer of a Brokerage condone abuse.

(a) Brokerages must have in place appropriate and adequate disciplinary policies and procedures to address instances when a staff member has been identified as an accused person in an abuse investigation as well as when the allegation of abuse has been substantiated.

(b) All employees of a Brokerage are mandatory reporters. The Brokerage must:

(A) Notify all employees of mandatory reporting status at least annually on forms provided by the Department; and

(B) Provide all employees with a Department-produced card regarding abuse reporting status and abuse reporting.

(2) INCIDENT REPORTS.

(a) A Brokerage must prepare an incident report for instances of potential or suspected abuse or an unusual incident, involving an individual and a Brokerage employee. The incident report must be placed in the record of the individual and must include:

(A) Conditions prior to or leading to the potential or suspected abuse or unusual incident;

(B) A description of the potential or suspected abuse or unusual incident;

(C) Staff response at the time; and

(D) Review by the Brokerage administration and follow-up to be taken to prevent recurrence of the potential or suspected abuse or unusual incident.

(b) A Brokerage must send copies of all incident reports involving potential or suspected abuse that occurs while an individual is receiving brokerage or support services to the CDDP.

(3) IMMEDIATE NOTIFICATION

(a) The brokerage must immediately report to the CDDP, any incident or allegation of potential or suspected abuse falling within the scope of OAR 407-045-0260.

(A) When an abuse investigation has been initiated, the CDDP provides notice according to OAR 407-045-0290.

(B) When an abuse investigation has been completed, the CDDP provides notice of the outcome of the investigation according to OAR 407-045-0320.

(b) In the case of emergency overnight hospitalization due to illness or injury to an individual, the Brokerage must immediately notify the legal representative, parent, next of kin, designated contact person, or other significant person of the individual (as applicable).

(c) In the event of the death of an individual, the Brokerage must immediately notify:

(A) The Office of Developmental Disabilities Services;

(B) The legal representative, parent, next of kin, designated contact person, or other significant person of the individual (as applicable); and

(C) The CDDP.

411-340-0050
Inspections and Investigations

(1) Brokerages certified under these rules must allow the following types of investigations and inspections:

(a) Quality assurance and on-site inspections;

(b) Complaint investigations; and

(c) Abuse investigations.

(2) The Department, CDDP, Oregon Health Authority, or other appropriate authority performs all inspections and investigations.

(a) Any inspection or investigation may be unannounced.

(b) The Department may review the implementation of these rules as needed to ensure compliance. Following a Department review, the Department issues a report to the Brokerage identifying areas of compliance and areas in need of improvement.

(c) The Department or the CDDP conducts abuse investigations as set forth in OAR 407-045-0250 to OAR 407-045-0360 and completes abuse investigation and protective services reports according to OAR 407-045-0320. Upon completion of the abuse investigation and protective services report and in accordance with OAR 407-045-0330, the Department or CDDP provides the sections of the report that are public records and not exempt from disclosure under the public records law.

(3) All documentation and written reports required by this rule and other relevant administrative rules must be:

(a) Open to inspection and investigation by the Department, CDDP, Oregon Health Authority, or other appropriate authority; and

(b) Submitted within the time allotted.

(4) If, following a Department review, the Brokerage is not in substantial compliance with these rules, the Brokerage must respond to a plan of improvement within 45 days of the review report being issued, or in a time specified by the Department. The Department may conduct additional reviews as necessary to ensure improvement measures have been achieved. The Department may offer, or the Brokerage may request, technical assistance or training.

(5) ABUSE INVESTIGATIONS.

(a) When abuse is alleged or death of an individual has occurred and a law enforcement agency, the Department, or CDDP has determined to initiate an investigation, the Brokerage may not conduct an internal investigation without prior authorization from the Department. For the purposes of this rule, an "internal investigation" is defined as:

(A) Conducting interviews with the alleged victim, witness, the accused person, or any other person who may have knowledge of the facts of the abuse allegation or related circumstances;

(B) Reviewing evidence relevant to the abuse allegation, other than the initial report; or

(C) Any other actions beyond the initial actions of determining:

(i) If there is reasonable cause to believe that abuse has occurred;

(ii) If the alleged victim is in danger or in need of immediate protective services;

(iii) If there is reason to believe that a crime has been committed; or

(iv) What, if any, immediate personnel actions must be taken.

(b) Upon completion of the abuse investigation by the Department, CDDP, or a law enforcement agency, a Brokerage may conduct an investigation without further Department approval to determine if any other personnel actions are necessary.

411-340-0060
Complaints, Notification of Planned Action, and Hearings

(1) COMPLAINTS.

(a) Complaints must be addressed in accordance with OAR 411-318-0015.

(b) The Brokerages must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015.

(c) Upon entry and request and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual.

(2) NOTIFICATION OF PLANNED ACTION. In the event that a developmental disabilities service is denied, reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

(3) HEARINGS.

(a) Hearings must be addressed in accordance with ORS chapter 183 and OAR 411-318-0025.

(b) An individual may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025.

(c) Upon entry and request and annually thereafter, a notice of hearing rights and the policy and procedures for hearings must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

411-340-0070
Personnel Policies and Practices

(1) Brokerages must maintain up-to-date written position descriptions for all staff as well as a file, available to the Department, the Oregon Health Authority, or other appropriate authority for inspection that includes written documentation of the following for each staff:

(a) Reference checks and confirmation of qualifications prior to hire;

(b) Written documentation of an approved background check completed by the Department in accordance with OAR 407-007-0200 to 407-007-0370;

(c) Satisfactory completion of basic orientation, including instructions for mandatory reporting and training specific to intellectual or developmental disabilities and skills required to carry out assigned work if the employee is to provide direct assistance to individuals;

(d) Written documentation of employee notification of mandatory reporter status;

(e) Written documentation of any founded report of child abuse or substantiated abuse;

(f) Written documentation of any complaints filed against the staff and the results of the complaint process, including any disciplinary action; and

(g) Legal eligibility to work in the United States.

(2) Any employee providing direct assistance to individuals must be at least 18 years of age and capable of performing the duties of the job as described in a current job description signed and dated by the employee.

(3) An application for employment at the Brokerage must inquire whether an applicant has had any founded reports of child abuse or substantiated abuse.

(4) Any employee of the Brokerage, or any subject individual defined by OAR 407-007-0210, who has or will have contact with an eligible individual of support services, must have an approved background check in accordance with OAR 407-007-0200 to 407-007-0370 and under ORS 181.534.

(5) A person may not be authorized as a provider or meet qualifications as described in this rule if the person has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(6) Section (5) of this rule does not apply to employees of the brokerage who were hired prior to July 28, 2009 and remain in the current position for which the employee was hired.

(7) Each Brokerage regulated by these rules must be a drug-free workplace.

(8) BROKERAGE DIRECTOR.

(a) The Brokerage must employ a full-time Brokerage Director who is responsible for the daily operations of the Brokerage in compliance with these rules and who has authority to make budget, staffing, policy, and procedural decisions for the Brokerage.

(b) In addition to the general staff qualifications in sections (1) and (2) of this rule, the Brokerage Director must have:

(A) A minimum of a bachelor's degree and two years of experience, including supervision, in the field of intellectual or developmental disabilities, social services, mental health, or a related field; or

(B) Six years of experience, including supervision, in the field of intellectual or developmental disabilities, social services, or mental health.

(9) PERSONAL AGENTS.

(a) Each personal agent must meet the qualifications of a case manager as described in OAR 411-415-0040.

(b) A Brokerage must submit a written variance request to the Department prior to employing a person not meeting the minimum qualifications for a personal agent set forth in subsection (a) of this section. The variance request must include:

(A) An acceptable rationale for the need to employ a person who does not meet the qualifications; and

(B) A proposed alternative plan for education and training to correct the deficiencies.

(i) The proposal must specify activities, timelines, and responsibility for costs incurred in completing the alternative plan.

(ii) A person who fails to complete the alternative plan for education and training to correct the deficiencies may not fulfill the requirements for the qualifications.

(c) The duties of the personal agent must be specified in a job description and include, at a minimum:

(A) The delivery of case management services to individuals as described in OAR chapter 411, division 415; and

(B) Assisting the Brokerage Director in the identification of existing and insufficient service delivery resources or options.

(10) Qualified staff of the Brokerage must maintain and enhance their knowledge and skills through participation in education and training. The Department provides training materials and the provision of training may be conducted by the Department or Brokerage staff, depending on available resources.

(11) Staff must appear as a witness on behalf of the Department during an informal conference and hearing when required by the Department. Staff may not act as a representative for the claimant during an informal conference and hearing.

411-340-0080
Record Requirements

(1) INDIVIDUAL RECORD REQUIREMENTS. The Brokerage must maintain current, up-to-date records for each individual receiving brokerage and support services and must make these records available to the Department upon request. The individual or the legal representative of the individual may access any portion of the record upon request. Individual records must include, at minimum:

(a) Application and eligibility information received from the referring CDDP; and

(b) Documents related to determining eligibility for brokerage and support services;

(2) CONFIDENTIALITY AND DISCLOSURE.

(a) Individual records must be kept confidential in accordance with ORS 179.505 and any Department rules or policies pertaining to individual records.

(b) For the purpose of disclosure from individual medical records under these rules, Brokerages are considered "providers" as defined in ORS 179.505(1) and ORS 179.505 is applicable.

(c) Access to records by the Department does not require authorization by an individual or the legal or designated representative or family of the individual.

(d) For the purpose of disclosure of non-medical individual records, all or portions of the information contained in the non-medical individual records may be exempt from public inspection under the personal privacy information exemption to the public records law set forth in ORS 192.502(2).

(3) GENERAL FINANCIAL POLICIES AND PRACTICES. The Brokerage must:

(a) Maintain up-to-date accounting records consistent with generally accepted accounting principles that accurately reflect all revenue by source, all expenses by object of expense, and all assets, liabilities, and equities;

(b) As a Brokerage offering services to the general public, establish and revise, as needed, a fee schedule identifying the cost of each service provided. Billings for Medicaid funds may not exceed the customary charges to private individuals for any like item or services charged by the Brokerage; and

(c) Develop and implement written statements of policy and procedure as are necessary and useful to assure compliance with any Department rule pertaining to fraud and embezzlement.

(4) RECORDS RETENTION. Records must be retained in accordance with OAR chapter 166, division 150, Secretary of State, Archives Division.

(a) Financial records, supporting documents, statistical records, and all other records (except individual records) must be retained for at least three years after the close of the contract period.

(b) Individual records must be kept for at least seven years.

Request for Variance

(1) A variance that does not adversely impact the welfare, health, safety, or rights of individuals or violate state or federal laws may be granted to a Brokerage:

(a) If the Brokerage lacks the resources needed to implement the standards required in these rules;

(b) If implementation of the proposed alternative services, methods, concepts, or procedures shall result in services or systems that meet or exceed the standards in these rules; or

(c) If there are other extenuating circumstances.

(2) The Brokerage requesting a variance must submit a written application to the Department that contains the following:

(a) The section of the rule from which the variance is sought;

(b) The reason for the proposed variance;

(c) A description of the alternative practice, service, method, concept, or procedure proposed, including how the health and safety of individuals receiving services shall be protected to the extent required by these rules;

(d) A plan and timetable for compliance with the section of the rule from which the variance is sought; and

(e) If the variance applies to the services to an individual, evidence that the variance is consistent with the currently authorized ISP for the individual.

(3) The request for a variance is approved or denied by the Department. The decision of the Department is sent to the Brokerage and to all relevant Department programs or offices within 45 days from the receipt of the variance request.

(4) The Brokerage may request an administrator review of the denial of a variance request by sending a written request for review to the Director of the Department. The decision of the Director is the final response from the Department.

(5) The Department determines the duration of the variance.

(6) The Brokerage may implement a variance only after written approval from the Department.

Eligibility for Brokerage and Support Services

(1) Individuals determined eligible for brokerage and support services may not be denied or otherwise discriminated against on the basis of age, diagnostic or disability category, race, color, creed, national origin, citizenship, income, or duration of Oregon residence.

(2) ELIGIBILITY. In order to be eligible for brokerage and support services, an individual must:

(a) Be an adult;

(b) Be an Oregon resident who meets the citizenship and alien status requirements of OAR 461-120-0110;

(c) Be determined eligible for developmental disabilities services by the CDDP of the county of origin as described in OAR 411-320-0080; and

(d) Reside in their own or family home.

411-340-0110
Standards for Entry and Exit

(1) ENTRY.

(a) To enter a Brokerage:

(A) An individual must be determined eligible for brokerage and support services as described in OAR 411-340-0100; and

(B) The individual must choose to receive services from a Brokerage operating in the geographic service area of the county of origin.

(b) The Department may implement guidelines that govern entries when the Department has determined that such guidelines are prudent and necessary for the continued development and implementation of brokerage and support services.

(c) The Brokerage may not accept individuals for entry beyond the total number of individuals specified in the current contract between the Brokerage and the Department.

(2) The Brokerage must make accurate, up-to-date, information about the Brokerage available to individuals referred for services and the legal or designated representatives of individuals. This information must include:

(a) A declaration of Brokerage philosophy;

(b) A declaration of Brokerage employees' responsibilities as mandatory abuse reporters;

(c) Indication that additional information about the Brokerage is available on request. The additional information must include, but not be limited to:

(A) A description of the organizational structure of the Brokerage;

(B) A description of any contractual relationships the Brokerage has in place, or may establish, to accomplish the functions required by rule; and

(C) A description of the relationship between the Brokerage and the Policy Oversight Group of the brokerage.

(3) The Brokerage must ensure that all individuals eligible for and receiving developmental disabilities services are enrolled in the Department payment and reporting systems.

(4) Individuals are not eligible for services by more than one Brokerage at any one time.

(5) EXIT.

(a) An individual must exit a Brokerage:

(A) When the individual is exited from case management services as described in OAR 411-415-0030; or

(B) Before the individual enrolls in a residential program.

(b) In the event an individual exits a Brokerage, a written Notification of Planned Action must be provided as described in OAR 411-340-0060 and OAR chapter 411, division 318.

(c) Each Brokerage must have policies and procedures for notifying the CDDP of the county of origin of an individual when the individual plans to exit, or exits, brokerage or support services. Notification method, timelines, and content must be based on agreements between the Brokerage and the CDDP of each county in which the Brokerage provides services.

(d) The Brokerage must terminate an individual in the Department payment and reporting systems when an individual exits all developmental disabilities services.

(6) When an individual may have long-term support needs that require enrollment into a residential program:

(a) The Brokerage must provide timely notification to the CDDP of the county of origin of the individual;

(b) The Brokerage must coordinate with the CDDP to facilitate a timely exit from the Brokerage and entry into appropriate, alternative services; and

(c) The Brokerage must assure that information required for a potential operator of a residential program is available as needed for a referral to be made.

411-340-0120
Brokerage and Support Services

(1) Each Brokerage must provide or arrange for the following services as required to meet individual support needs:

(a) Case management as described in OAR chapter 411, division 415; and

(b) Assistance with development and expansion of community resources required to meet the support needs of individuals served by the Brokerage.

(2) PARTICIPATION IN PROTECTIVE SERVICES. The Brokerage and personal agent are responsible for the delivery of protective services, in cooperation with the CDDP when necessary, through the timely completion of activities necessary to address immediate health and safety concerns.

411-340-0150
Standards for Administration and Operations

(1) POLICY OVERSIGHT GROUP. The Brokerage must develop and implement procedures for incorporating the direction, guidance, and advice of individuals and family members of individuals in the administration of the organization.

(a) The Brokerage must establish and utilize a Policy Oversight Group, of which the membership majority must be individuals and family members of individuals.

(b) Brokerage procedures must be developed and implemented to assure the Policy Oversight Group has the maximum authority that may be legally assigned or delegated over important program operational decisions, including such areas as program policy development, program planning and goal setting, budgeting and resource allocation, selection of key personnel, program evaluation and quality assurance, and complaint resolution.

(c) If the Policy Oversight Group is not also the governing body of the Brokerage, then the Brokerage must develop and implement a written procedure that describes specific steps of appeal or remediation to resolve conflicts between the Policy Oversight Group and the governing body of the Brokerage.

(d) A Policy Oversight Group must develop and implement operating policies and procedures.

(2) QUALITY ASSURANCE.

(a) The Policy Oversight Group must develop a Quality Assurance Plan and review the plan at least twice a year. The Quality Assurance Plan must include a written statement of values, organizational outcomes, activities, and measures of progress that:

(A) Uses information from a broad range of individuals, legal or designated representatives, professionals, and other sources to determine community support needs and preferences;

(B) Involves individuals in ongoing evaluation of the quality of his or her personal supports; and

(C) Monitors:

(i) Customer satisfaction with the services of the Brokerage and with individual plans in areas, such as individual access to supports, sustaining important personal relationships, flexible and unique support strategies, individual choice and control over supports, responsiveness of the Brokerage to changing needs, and preferences of the individuals; and

(ii) Service outcomes in areas such as achievement of personal goals and effective use of resources.

(b) The Brokerage must participate in statewide evaluation, quality assurance, and regulation activities as directed by the Department.

(3) GENERAL OPERATING POLICIES AND PRACTICES. The Brokerage must develop and implement such written statements of policy and procedure in addition to those specifically required by this rule as are necessary and useful to enable the Brokerage to accomplish the objectives of the Brokerage and to meet the requirements of these rules and other applicable standards and rules.

Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is proposing to permanently update the rules for Community Developmental Disabilities Programs (CDDPs) in OAR chapter 411, division 320 to make permanent the following temporary changes that became effective on January 1, 2016:

- To provide consistency and streamline definitions across services, the Department removed general definitions included in OAR 411-317-0000.

- To implement Senate Bill 659, the Department prescribed a process for CDDPs to follow when a child, who is not a resident of Oregon, seeks services while visiting a parent, who is a resident of Oregon, for six weeks of the year or more.

- To implement Senate Bill 97, the Department prescribed a process to reinstate services upon a child's return to Oregon after a temporary absence if the temporary absence of the child was due to the child's parent's military obligation.

- To clarify eligibility determinations, the Department specified:

Eligibility is based on the full criteria for the diagnosis of a developmental disability; and

Eligibility determinations for children less than 7 years of age must be based on an early childhood assessment if the assessment is within one year of intake.

In addition, the Department is restructuring the rules in OAR chapter 411, division 320 to ensure uniform standards for case management, provide more consistency, consolidate requirements, and remove redundancies. Specifically, the Department is:

- Removing the requirements now found in OAR chapter 411, division 415 related to the delivery of case management services and other service access activities, including requirements for CDDP employees who deliver case management services (services coordinators);

- Consolidating CDDP program and contract requirements and incorporate CDDP requirements currently located in other rule divisions;

- Including correct references to OAR chapter 411, division 318 for individual rights to ensure uniform standards related to individual rights across all types of entities involved in the delivery of developmental disabilities services;

- Incorporating Department payment and reporting system requirements for CDDPs;

- Repealing OAR 411-320-0160 for crisis diversion services to reflect current processes;

- Updating training requirements and staff duties to align with current practice;

- Adding qualifications, training requirements, and duties for a foster care licensor and certifier; and

- Reflecting current Department terminology, and perform minor grammar, punctuation, formatting, and housekeeping changes.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-320-0010
Statement of Purpose

The rules in OAR chapter 411, division 320 prescribe general administrative standards for the operation of a community developmental disabilities program (CDDP).

(1) A CDDP providing developmental disabilities services under a contract with the Department is required to meet the basic management, programmatic, and health, safety, and human rights regulations in the management of the community service system for individuals with intellectual or developmental disabilities.

(2) These rules prescribe the standards by which the Department provides services operated by the CDDP, including but not limited to eligibility determination and adult protective services.

411-320-0020
Definitions and Acronyms

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 320:

(1) "ABAS" means "Adaptive Behavior Assessment System".

(2) "ABES" means "Adaptive Behavior Evaluation Scale".

(3) "Adaptive Behavior" means the degree to which an individual meets the standards of personal independence and social responsibility expected for age and culture group. Other terms used to describe adaptive behavior include, but are not limited to, adaptive impairment, ability to function, daily living skills, and adaptive functioning. Adaptive behaviors are everyday living skills including, but not limited to, walking (mobility), talking (communication), getting dressed or toileting (self-care), going to school or work (community use), and making choices (self-direction).

(a) Adaptive behavior is measured by normed, standardized tests administered by a licensed clinical or school psychologist, or a doctor of medicine or doctor of osteopathic medicine with specific training and experience in test interpretation of adaptive behavior scales for individuals with intellectual or developmental disabilities. Adaptive behavior assessments include:

(A) Adaptive Behavior Assessment System (ABAS);

(B) Adaptive Behavior Evaluation Scale (ABES);

(C) Vineland Adaptive Behavior Scale (VABS);

(D) Scales of Independent Behavior-Revised (SIB-R); or

(E) Other assessments that are designed to measure adaptive behavior standardized and normed to a population consistent with the population of the applicant or approved by the Department of Human Services, Office of Developmental Disabilities Services (ODDS).

(b) DOMAIN SCORES. Adaptive behavior domain scores are identified on the following assessments of adaptive behavior:

(A) The ABAS and ABES are:

(i) Conceptual;

(ii) Practical; and

(iii) Social.

(B) The VABS are:

(i) Socialization;

(ii) Daily living skills;

(iii) Communication; and

(iv) Motor.

(C) The SIB-R are:

(i) Personal living skills;

(ii) Social interaction and communication skills;

(iii) Community living skills; and

(iv) Motor skills.

(c) COMPOSITE SCORE. The adaptive behavior composite score is the overall score which results from summing two or more domain scores on a given adaptive behavior assessment.

(d) SKILLED AREAS. Skilled areas are a particular assessed score. The skilled areas on the ABAS or ABES are the only skilled areas used for the purposes of OAR 411-320-0080 and include scaled scores in:

(A) Communication;

(B) Functional academics;

(C) Self-direction;

(D) Leisure;

(E) Social;

(F) Community use;

(G) Home and school living;

(H) Self-care;

(I) Health and safety; and

(J) Work.

(e) "Significant impairment" in adaptive behavior means:

(A) A composite score of at least two standard deviations below the norm;

(B) Two or more domain scores as identified in subsection (b) of this section are at least two standard deviations below the norm; or

(C) Two or more skilled areas as identified in subsection (d) of this section are at least two standard deviations below the norm.

(4) "CDDP" means "Community Developmental Disabilities Program".

(5) "CIIS" means "Children's Intensive In-Home Services".

(6) "CMS" means "Centers for Medicare and Medicaid Services".

(7) "Completed Application" means an application required by the Department that:

(a) Is filled out completely, signed, and dated. An applicant who is unable to sign may sign with a mark, witnessed by another person; and

(b) Contains documentation required to make an eligibility determination as outlined in OAR 411-320-0080(1)(a)(B).

(8) "Composite Score" means the score identified by an assessment of adaptive behavior as described in the definition for "adaptive behavior".

(9) "County of Origin" means:

(a) For an adult, the county of residence for the adult; and

(b) For a child, the county where the jurisdiction of guardianship exists.

(10) "Current Documentation" means documentation relating to the intellectual or developmental disabilities of an individual in regards to the functioning of the individual within the last three years. Current documentation may include, but is not limited to, an ISP, Annual Plan, Behavior Support Plan, required assessments, educational records, medical assessments related to the intellectual or developmental disabilities of an individual, psychological evaluations, and assessments of adaptive behavior.

(11) "Developmental Disability" means a neurological condition that:

(a) Originates before an individual is 22 years of age or 18 years of age for an intellectual disability;

(b) Originates in and directly affects the brain and has continued, or is expected to continue, indefinitely;

(c) Constitutes significant impairment in adaptive behavior as diagnosed and measured by a qualified professional as described in OAR 411-320-0080;

(d) Is not primarily attributed to other conditions including, but not limited to, a mental or emotional disorder, sensory impairment, motor impairment, substance abuse, personality disorder, learning disability, or Attention Deficit Hyperactivity Disorder (ADHD); and

(e) Requires training and support similar to an individual with an intellectual disability as described in OAR 411-320-0080.

(12) "Domain Score" means the score identified by an assessment of adaptive behavior as described in the definition for "adaptive behavior".

(13) "Eligibility Determination" means a decision by the CDDP or by the Department regarding the eligibility of a person for developmental disabilities services pursuant to OAR 411-320-0080 and is either a decision that a person is eligible or ineligible for developmental disabilities services.

(14) "Eligibility Specialist" means an employee of the CDDP, or other agency, that contracts with the county or Department to determine eligibility for developmental disabilities services.

(15) "History" means, for the purposes of an eligibility determination as defined in this rule, necessary evidence of an intellectual disability prior to 18 years of age or an other developmental disability prior to 22 years of age, including previous assessments and medical evaluations prior to the date of eligibility determination for developmental disabilities services.

(16) "IEP" means "Individualized Education Program".

(17) "Informal Adaptive Behavior Assessment" means:

(a) Observations of impairment in adaptive behavior recorded in the progress notes for an individual by a services coordinator or a trained eligibility specialist with at least two years of experience working with individuals with intellectual or developmental disabilities; or

(b) A standardized measurement of adaptive behavior, such as a Vineland Adaptive Behavior Scale (VABS) or Adaptive Behavior Assessment System (ABAS), that is administered and scored by a social worker or other professional with a graduate degree and specific training and experience in individual assessment, administration, and test interpretation of adaptive behavior scales for individuals with intellectual or developmental disabilities.

(18) "Intake" means the activity of completing the DD Intake Form (APD 0552) and necessary releases of information prior to the submission of a completed application to the CDDP.

(19) "Intellectual Disability (ID)" means significantly subaverage general intellectual functioning defined as full scale intelligence quotients (IQs) 70 and under as measured by a qualified professional and existing concurrently with significant impairment in adaptive behavior directly related to an intellectual disability as described in OAR 411-320-0080 that is manifested during the developmental period prior to 18 years of age. Individuals with a valid full scale IQ of 71-75 may be considered to have

an intellectual disability if there is also significant impairment in adaptive behavior as diagnosed and measured by a licensed clinical or school psychologist as described in OAR 411-320-0080.

(20) "Intellectual Functioning" means functioning as assessed by one or more of the individually administered general intelligence tests developed for the purpose of measuring intelligence. For purposes of making eligibility determinations, intelligence tests do not include brief intelligence measurements.

(21) "IQ" means intelligence quotient.

(22) "ISP" means "Individual Support Plan".

(23) "Licensed Medical Practitioner" means any of the following licensed professionals:

(a) Medical Doctor (MD);

(b) Doctor of Osteopathic Medicine (DO);

(c) Licensed Clinical Psychologist (Ph.D or Psy.D);

(d) Nurse Practitioner (NP);

(e) Physician Assistant (PA); or

(f) Naturopathic Doctor (ND).

(24) "LMHA" means "Local Mental Health Authority".

(25) "Management Entity" means the CDDP or private corporation that operates the Regional Program, including acting as the fiscal agent for regional funds and resources.

(26) "Military Service" means service in the Armed Forces of the United States, as defined in ORS 341.496.

(27) "Motor Impairment" means impairment in the ability to move caused by trauma, disease, or any condition affecting the muscular-skeletal system, spinal cord, or sensory or motor nerves.

(28) "OAAPI" means the "Department of Human Services, Office of Adult Abuse Prevention and Investigation".

(29) "OCCS" means the "Oregon Health Authority, Office of Client and Community Services."

(30) "OHP" means Oregon Health Plan.

(31) "OIS" means "Oregon Intervention System".

(32) "OSIPM" means "Oregon Supplemental Income Program-Medical".

(33) "Qualified Professional" means, for the purposes of OAR 411-320-0080, any of the following licensed professionals trained to make a diagnosis of a specific intellectual or developmental disability:

(a) Licensed clinical psychologist (Ph.D., Psy.D.);

(b) Medical doctor (MD);

(c) Doctor of Osteopathic Medicine (DO); or

(d) Nurse Practitioner (NP).

(34) "Quality Management Strategy" means the Department Quality Assurance Plan for meeting the CMS waiver quality assurances as required and defined by 42 CFR 441.301 and 441.302 and State Plan K option quality assurances as required and defined by 42 CFR 441.585.

(35) "Region" means a group of Oregon counties defined by the Department that have a designated management entity to coordinate regional backup services and be the recipient and administration of funds for those services.

(36) "Regional Program" means the regional coordination that the counties comprising the region agree are delivered more effectively or automatically on a regional basis.

(37) "Resident" means an individual that meets the residency requirements in OAR 461-120-0010. "Resident" includes an individual that is absent due to military obligation, if he or she intends to return Oregon, and Oregon remains his or her principal establishment, home of record, or permanent home during the absence.

(38) "Service Member" means a person who is in the military service or who has separated from military service in the previous 18 months through retirement, discharge, or other separation.

(39) "SIB-R" means "Scales of Independent Behavior-Revised".

(40) "Significantly Subaverage" means a score on a test of intellectual functioning that is two or more standard deviations below the mean for the test.

(41) "Skilled Areas" means a particular assessed score as described in the definition for "adaptive behavior".

(42) "SSI" means "Supplemental Security Income".

(43) "These Rules" mean the rules in OAR chapter 411, division 320.

(44) "U.S. Citizen" means an individual that meets the criteria in OAR 461-120-0110. A U.S. Citizen includes:

(a) An individual born in the United States, Puerto Rico, Guam, Northern Mariana Islands, Virgin Islands, American Samoa, or Swains Island;

(b) A foreign-born child less than 18 years of age residing in the United States with his or her birth or adoptive parents, at least one of whom is a U.S. citizen by birth or naturalization;

(c) An individual granted citizenship status by Immigration and Naturalization Services (INS);

(d) A qualified non-citizen as described in OAR 461-120-0125;

(e) A citizen of Puerto Rico, Guam, Virgin Islands, or Saipan, Tinian, Rota, or Pagan of the Northern Mariana Islands;

(f) A national from American Samoa or Swains Island; or

(g) An alien who is a victim of a severe form of trafficking in persons under section 107(b)(a)(A) of the Victims of Trafficking and Violence Protection Act of 2000 (22 U.S.C. 7101 to 7112).

(45) "VABS" means "Vineland Adaptive Behavior Scale".

411-320-0030
Organization and Program Management

(1) ORGANIZATION AND INTERNAL MANAGEMENT. Each service provider of community developmental disabilities services funded by the Department must have written standards governing the operation and management of the CDDP. Such standards must be up to date, available upon request, and include:

(a) An up-to-date organization chart showing lines of authority and responsibility from the LMHA to the CDDP manager and the components and staff within the CDDP;

(b) Position descriptions for all staff providing community developmental disabilities services;

(c) Personnel policies and procedures concerning:

(A) Recruitment and termination of employees;

(B) Employee compensation and benefits;

(C) Employee performance appraisals, promotions, and merit pay;

(D) Staff development and training;

(E) Employee conduct, including the requirement that abuse of an individual by an employee, staff, or volunteer of the CDDP is prohibited and is not condoned or tolerated; and

(F) Reporting of abuse, including the requirement that any employee of the CDDP is to report incidents of abuse when the employee comes in contact with and has reasonable cause to believe that an individual has suffered abuse. Notification of mandatory reporting status must be made at least annually to all employees and documented on forms provided by the Department.

(2) MANAGEMENT PLAN. The CDDP must maintain a current management plan assigning responsibility for the program management functions and duties described in this rule. The management plan must:

(a) Consider the unique organizational structure, policies, and procedures of the CDDP;

(b) Assure that the functions and duties are assigned to people who have the knowledge and experience necessary to perform them, as well as ensuring that the functions are implemented; and

(c) Reflect implementation of minimum quality assurance activities described in OAR 411-320-0045 that support the Department's Quality Management Strategy for meeting CMS' waiver quality assurances as required by 42 CFR 441.301 and 441.302.

(3) The CDDP must have and implement written policies and procedures that protect the individual rights described in OAR 411-318-0010.

(4) PROGRAM MANAGEMENT.

(a) Staff delivering developmental disabilities services must be organized under the leadership of a designated CDDP manager and receive clerical services sufficient to perform their required duties.

(b) The LMHA, public entity, or the public or private corporation operating the CDDP must designate a full-time employee who must, on at least a part-time basis, be responsible for management of developmental disabilities services within a specific geographic service area.

(c) In addition to other duties as may be assigned in the area of developmental disabilities services, the CDDP must at a minimum develop and assure:

(A) Implementation of plans as may be needed to provide a coordinated and efficient use of resources available to serve individuals;

(B) Maintenance of positive and cooperative working relationships with legal and designated representatives, families, service providers, support services brokerages, the Department, local government, and other state and local agencies with an interest in developmental disabilities services;

(C) Implementation of programs funded by the Department to encourage pursuit of defined program outcomes and monitor the programs to assure service delivery that is in compliance with related contracts and applicable local, state, and federal requirements;

(D) Collection and timely reporting of information as may be needed to conduct business with the Department, including but not limited to information needed to license foster homes, collect federal funds supporting services, and investigate complaints related to services or suspected abuse; and

(E) Use of procedures that attempt to resolve complaints involving individuals or organizations that are associated with developmental disabilities services.

(5) QUALIFIED STAFF. Each CDDP must provide a qualified CDDP manager, services coordinator, eligibility specialist, and abuse investigator specialist for adults with intellectual or developmental disabilities, or have an agreement with another CDDP to provide a qualified eligibility specialist and abuse investigator specialist for adults with intellectual or developmental disabilities.

(a) CDDP MANAGER.

(A) The CDDP manager must have knowledge of the public service system for developmental disabilities services in Oregon and at least:

(i) A bachelor's degree in behavioral science, social science, health science, special education, public administration, or human service administration and a minimum of four years of experience with at least two of those years of experience in developmental disabilities services that provided recent experience in program management, fiscal management, and staff supervision; or

(ii) Six years of experience with staff supervision; or

(iii) Six years of experience in technical or professional level staff work related to developmental disabilities services.

(B) On an exceptional basis, the CDDP may hire a person who does not meet the qualifications in subsection (A) of this section if the county and the Department have mutually agreed on a training and technical assistance plan that assures that the person quickly acquires all needed skills and experience.

(C) When the position of a CDDP manager becomes vacant, an interim CDDP manager must be appointed to serve until a permanent CDDP manager is appointed. The CDDP must request a variance as described in section (8) of this rule if the person appointed as interim CDDP manager does not meet the qualifications in subsection (A) of this section and the term of the appointment totals more than 180 days.

(b) CDDP SUPERVISOR. The CDDP supervisor (when designated) must have knowledge of the public service system for developmental disabilities services in Oregon and at least:

(A) A bachelor's degree or equivalent course work in a field related to management such as business or public administration, or a field related to developmental disabilities services may be substituted for up to three years required experience; or

(B) Five years of experience in staff supervision or five years of experience in technical or professional level staff work related to developmental disabilities services.

(c) SERVICES COORDINATOR. The services coordinator must meet the qualifications for a case manager described in OAR 411-415-0040.

(d) ELIGIBILITY SPECIALIST. The eligibility specialist must have knowledge of the public service system for developmental disabilities services in Oregon and at least:

(A) A bachelor's degree in behavioral science, social science, or a closely related field;

(B) A bachelor's degree in any field and one year of human services related experience;

(C) An associate's degree in behavioral science, social science, or a closely related field and two years of human services related experience; or

(D) Three years of human services related experience.

(e) ABUSE INVESTIGATOR SPECIALIST. The abuse investigator specialist must have at least:

(A) A bachelor's degree in human science, social science, behavioral science, or criminal science and two years of human services, law enforcement, or investigative experience; or

(B) An associate's degree in human science, social science, behavioral science, or criminal science and four years of human services, law enforcement, or investigative experience.

(f) FOSTER CARE LICENSING AND CERTIFICATION SPECIALIST. A foster care licensing and certification specialist must have knowledge of the public service system for developmental disabilities services in Oregon and at least:

(A) A master's degree in social work;

(B) A bachelor's degree in behavioral science, social work, social science, or a closely related field;

(C) A bachelor's degree in any field and one year of human services related experience, such as work providing assistance to individuals and groups with issues such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing;

(D) An associate's degree in a behavioral science, social science, or a closely related field and two years of human services related experience, such as work providing assistance to individuals and groups with issues such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing; or

(E) Three years of human services related experience, such as work providing assistance to individuals and groups with issues such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing.

(6) EMPLOYMENT APPLICATION. An application for employment at the CDDP must inquire whether an applicant has had any founded reports of child abuse or substantiated abuse.

(7) BACKGROUND CHECKS.

(a) Any employee, volunteer, advisor of the CDDP, or any subject individual defined by OAR 407-007-0210, including staff who are not identified in this rule but use public funds intended for the operation of the CDDP, who has or shall have contact with a recipient of CDDP services, must have an approved background check in accordance with OAR 407-007-0200 to 407-007-0370 and ORS 181.534.

(A) The CDDP may not use public funds to support, in whole or in part, any employee, volunteer, advisor of the CDDP, or any subject individual defined by OAR 407-007-0210, who shall have contact with a recipient of CDDP services and who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(B) A person does not meet the qualifications described in this rule if the person has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(C) Any employee, volunteer, advisor of the CDDP, or any subject individual defined by OAR 407-007-0210 must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290. The person must notify the Department or the Department's designee within 24 hours.

(b) Subsections (A) and (B) of section (a) do not apply to employees who were hired prior to July 28, 2009 that remain in the current position for which the employee was hired.

(8) VARIANCE. The CDDP must submit a written variance request to the Department prior to employing a person not meeting the minimum qualifications in section (5) of this rule. A variance request may not be requested for sections (6) and (7) of this rule. The written variance request must include:

(a) An acceptable rationale for the need to employ a person who does not meet the minimum qualifications in section (5) of this rule; and

(b) A proposed alternative plan for education and training to correct the deficiencies.

(A) The proposal must specify activities, timelines, and responsibility for costs incurred in completing the alternative plan.

(B) A person who fails to complete the alternative plan for education and training to correct the deficiencies may not fulfill the requirements for the qualifications.

(9) STAFF DUTIES.

(a) SERVICES COORDINATOR DUTIES. The duties of the services coordinator must be specified in the employee's job description and at a minimum include:

(A) The delivery of case management services to individuals as described in OAR chapter 411, division 415;

(B) Assisting the CDDP manager in monitoring the quality of services delivered within the county; and

(C) Assisting the CDDP manager in the identification of existing and insufficient service delivery resources or options.

(b) ELIGIBILITY SPECIALIST DUTIES. The duties of the eligibility specialist must be specified in the employee's job description and at a minimum include:

(A) Completing intake and eligibility determination for individuals applying for developmental disabilities services;

(B) Completing eligibility redetermination for individuals requesting continuing developmental disabilities services; and

(C) Assisting the CDDP manager in the identification of existing and insufficient service delivery resources or options.

(c) ABUSE INVESTIGATOR SPECIALIST DUTIES. The duties of the abuse investigator specialist must be specified in the employee's job description and at a minimum include:

(A) Conducting abuse investigation and protective services for adult individuals with intellectual or developmental disabilities enrolled in, or previously eligible and voluntarily terminated from, developmental disabilities services;

(B) Assisting the CDDP manager in monitoring the quality of services delivered within the county; and

(C) Assisting the CDDP manager in the identification of existing and insufficient service delivery resources or options.

(d) FOSTER CARE LICENSOR AND CERTIFIER DUTIES. The duties of the foster care licensor and certifier must be specified in the employee's job description and at a minimum include:

(A) In coordination with the Office of Licensing and Regulatory Oversight (OLRO), assist in the initial licensing and certification and renewals of licenses and certifications, of local adult foster homes as described in OAR chapter 411, division 360 and children's foster homes as described in OAR chapter 411, division 346.

(i) Assuring completed application forms from applicants are submitted to OLRO.

(ii) Completing and submitting inspection reports.

(iii) Completing and submitting background checks, as needed.

(iv) Making test sites available, administering tests provided by the Department and sending completed tests to the Department for scoring.

(v) Maintaining a link to the Adult Foster Home Training website where the Basic Training Course, self-study manual, and associated information are maintained and distributing information upon request.

(vi) Assisting in completing any other information necessary for licensing or certifying homes.

(B) Complete foster home visits for rule compliance, issue violation citations, and monitor for correction.

(C) Coordinate the recruitment, retention, placement, and training of foster providers.

(e) Staff must appear as a witness on behalf of the Department during an informal conference and hearing when required by the Department. Staff may not act as a representative for the claimant during an informal conference and hearing.

(10) STAFF TRAINING. Qualified staff of the CDDP must maintain and enhance their knowledge and skills through participation in education and training. The Department provides training materials and the provision of training may be conducted by the Department or CDDP staff, depending on available resources.

(a) The CDDP manager and CDDP supervisor (when designated) must complete Core Competencies for case management within the first year of entering into the position.

(b) The CDDP manager and CDDP supervisor (when designated) must continue to enhance his or her knowledge, as well as maintain a basic understanding of developmental disabilities services and the skills, knowledge, and responsibilities of the staff they supervise.

(A) Each CDDP manager and CDDP supervisor (when designated) must participate in a minimum of 20 hours per year of additional Department-sponsored training or other training in the areas of intellectual or developmental disabilities.

(B) Each CDDP manager and CDDP supervisor (when designated) must attend trainings to maintain a working knowledge of system changes in the area the CDDP manager is managing or supervising.

(c) SERVICES COORDINATOR TRAINING. The services coordinator must participate in the case manager training as described in OAR 411-415-0040.

(d) ELIGIBILITY SPECIALIST TRAINING. The eligibility specialist must participate in a basic training sequence. The basic training sequence is not a substitute for the normal procedural orientation that must be provided by the CDDP to the new eligibility specialist.

(A) The orientation provided by the CDDP to a new eligibility specialist must include:

(i) An overview of eligibility criteria and the intake process;

(ii) An overview of developmental disabilities services and related human services within the county;

(iii) An overview of the Department's rules governing the CDDP;

(iv) An overview of the Department's licensing and certification rules for service providers;

(v) An overview of the enrollment process and required documents needed for enrollment into the Department's payment and reporting systems;

(vi) A review and orientation of Medicaid, SSI, Social Security Administration, home and community-based waiver and state plan services, and OHP; and

(vii) A review (prior to having contact with individuals) of the eligibility specialist's responsibility as a mandatory reporter of abuse, including abuse of individuals with intellectual or developmental disabilities, individuals with mental illness, older adults, individuals with physical disabilities, and children.

(B) The eligibility specialist must attend and complete eligibility core competency training within the first year of entering into the position and demonstrate competency after completion of core competency training. Until completion of eligibility core competency training, or if competency is not demonstrated, the eligibility specialist must consult with another trained eligibility specialist or consult with a Department diagnosis and evaluation coordinator when making eligibility determinations.

(C) The eligibility specialist must continue to enhance his or her knowledge, as well as maintain a basic understanding of the skills, knowledge, and responsibilities necessary to perform the position.

(i) Each eligibility specialist must participate in Department-sponsored trainings for eligibility on an annual basis.

(ii) Each eligibility specialist must participate in a minimum of 20 hours per year of Department-sponsored training or other training in the areas of intellectual or developmental disabilities.

(e) ABUSE INVESTIGATOR SPECIALIST TRAINING. The abuse investigator specialist must participate in core competency training. Training materials are provided by OAAPI. The core competency training is not a substitute for the normal procedural orientation that must be provided by the CDDP to the new abuse investigator specialist.

(A) The orientation provided by the CDDP to a new abuse investigator specialist must include:

(i) An overview of developmental disabilities services and related human services within the county;

(ii) An overview of the Department's rules governing the CDDP;

(iii) An overview of the Department's licensing and certification rules for service providers;

(iv) A review and orientation of Medicaid, SSI, Social Security Administration, home and community-based waiver and state plan services, OHP, and the individual support planning processes; and

(v) A review (prior to having contact with individuals) of the abuse investigator specialist's responsibility as a mandatory reporter of abuse, including abuse of individuals with intellectual or developmental disabilities, individuals with mental illness, older adults, individuals with physical disabilities, and children.

(B) The abuse investigator specialist must attend and pass core competency training within the first year of entering into the position and demonstrate competency after completion of core competency training. Until completion of core competency training, or if competency is not demonstrated, the abuse investigator specialist must consult with OAAPI prior to completing the abuse investigation and protective services report.

(C) The abuse investigator specialist must continue to enhance his or her knowledge, as well as maintain a basic understanding of the skills, knowledge, and responsibilities necessary to perform the position. Each abuse investigator specialist must participate in quarterly meetings held by OAPPI. At a minimum, one meeting per year must be attended in person.

(f) FOSTER CARE LICENSOR AND CERTIFIER TRAINING. The foster care licensor and certifier must participate in any Department required trainings.

(A) The orientation provided by a CDDP to a new foster care licensor and certifier must include:

(i) An overview of developmental disabilities services and related human services within the county;

(ii) An overview of the Department's rules governing the CDDP;

(iii) An overview of the Department's licensing and certification rules for service providers;

(iv) A review of policy and procedures that address conflict of interests, including the prohibition against licensing or certifying a foster home:

(I) While also providing case management services to the individuals or children in the home.

(II) By a licensor or certifier who is related by blood, marriage, or adoption to the foster care applicant or current foster provider, or an individual or child to be served in the foster home.

(III) If after a local CDDP assessment of any conflict of interest or appearance of conflict of interest is identified.

(B) A review (prior to having contact with individuals) of the licensor and certifier's responsibility as a mandatory reporter of abuse, including abuse of individuals with intellectual or developmental disabilities, individuals with mental illness, older adults, individuals with physical disabilities, and children.

(g) DOCUMENTATION. The CDDP must keep documentation of required training in the personnel files of the individual employees including the CDDP manager, CDDP supervisor (when designated), services coordinator, eligibility specialist, abuse investigator specialist, and other employees providing services to individuals.

(11) ADVISORY COMMITTEE. Each CDDP must have an advisory committee.

(a) The advisory committee must meet at least quarterly.

(b) The membership of the advisory committee must be broadly representative of the community with a balance of age, sex, ethnic, socioeconomic, geographic, professional, and consumer interests represented. Membership must include advocates for individuals as well as individuals and the individuals' families.

(c) The advisory committee must advise the LMHA, CDDP director, and CDDP manager on community needs and priorities for services, and assist in planning, reviewing, and evaluating services, functions, duties, and quality assurance activities described in the CDDP's management plan.

(d) When the Department or a private corporation is operating the CDDP, the advisory committee must advise the LMHA, CDDP director, and CDDP manager on community needs and priorities for services, and assist in planning, reviewing, and evaluating services, functions, duties, and quality assurance activities described in the CDDP's management plan.

(e) The advisory committee may function as the disability issues advisory committee as described in ORS 430.625 if so designated by the LMHA.

(12) NEEDS ASSESSMENT, PLANNING, AND COORDINATION. Upon the Department's request, the CDDP must assess local needs for services to individuals and must submit planning and assessment information to the Department.

(13) FINANCIAL MANAGEMENT.

(a) There must be up-to-date accounting records for each developmental disabilities service accurately reflecting all revenue by source, all expenses by object of expense, and all assets, liabilities, and equities. The accounting records must be consistent with generally accepted accounting principles and conform to the requirements of OAR 309-013-0120 to 309-013-0220.

(b) There must be written statements of policy and procedure as are necessary and useful to assure compliance with any Department administrative rules pertaining to fraud and embezzlement and financial abuse or exploitation of individuals.

(c) Billing for Title XIX funds must in no case exceed customary charges to private pay individuals for any like item or service.

(14) POLICIES AND PROCEDURES. There must be such other written and implemented statements of policy and procedure as necessary and useful to enable the CDDP to accomplish its service objectives and to meet the requirements of the contract with the Department, these rules, and other applicable standards and rules.

(a) The CDDP must have procedures for the ongoing involvement of individuals and their requested family member or other representative in the planning and review of consumer satisfaction with the delivery of case management provided by the CDDP.

(b) Copies of the procedures for planning and review of case management services, consumer satisfaction, and complaints must be maintained on file at the CDDP offices. The procedures must be available to:

(A) CDDP employees who work with individuals;

(B) Individuals who are receiving services from the CDDP and the families of individuals;

(C) Legal or designated representatives (as applicable) and providers of individuals; and

(D) The Department.

411-320-0040
Program Responsibilities

The CDDP must ensure the provision of the following services and system supports.

(1) ACCESS TO SERVICES.

(a) In accordance with the Civil Rights Act of 1964 (codified as 42 USC 2000d et seq.), any person may not be denied community developmental disabilities services on the basis of race, color, creed, gender, national origin, or duration of residence. CDDP contractors must comply with Section 504 of the Rehabilitation Act of 1973 (codified as 29 USC 794 and as implemented by 45 CFR Section 84.4) that states in part, "No qualified person must, on the basis of handicap, be excluded from participation in, be denied benefits of, or otherwise be subjected to discrimination under any program or activity that receives or benefits from federal financial assistance".

(b) The CDDP must ensure that eligibility for developmental disabilities services is determined as described in OAR 411-320-0080 by an eligibility specialist trained in accordance with OAR 411-320-0030.

(c) Any individual determined eligible for developmental disabilities services by the CDDP must also be eligible for any developmental disabilities services subject to eligibility requirements described in the OAR associated with the service.

(2) COORDINATION OF SERVICES.

(a) COMMUNITY SERVICES. Planning and implementation of services for individuals served by the CDDP must be coordinated between components of the CDDP, other local and state human service agencies, and any other providers as appropriate for the needs of the individual.

(b) NONRESIDENT CHILDREN.

(A) The CDDP must compile and maintain a list of local providers who are qualified to provide home and community-based services in their service area. CDDPs shall assist a parent in obtaining home and community-based services for the parent's child if:

(i) The parent resides in Oregon;

(ii) The parent has a child who does not reside in Oregon but who visits the parent in Oregon for at least six weeks each year; and

(iii) The child qualifies for home and community-based services in the child's state of residence.

(B) CDDP ASSISTANCE. CDDPs shall:

(i) Provide the parent with a list of local providers;

(ii) Contact the state Medicaid agency in the child's state of residence to facilitate payment for the home and community-based services;

(iii) Assist the parent in providing any documentation required by the child's state of residence; and

(iv) Notify the Department of the individual seeking services.

(3) PAYMENT AND REPORTING SYSTEM.

(a) ENROLLMENT. The CDDP must ensure all individuals determined to be eligible for developmental disabilities services are enrolled in the Department payment and reporting systems. The county of origin must enroll the individual into the Department payment and reporting systems for all developmental disabilities service except in the following circumstances:

(A) The Department completes the enrollment or termination for children entering or leaving a licensed 24-hour residential setting that is directly contracted with the Department.

(B) The Department completes the enrollment, termination, and billing forms for children entering or leaving CIIS.

(C) When an individual is enrolled in a Brokerage and the individual moves from one CDDP geographic service area to another CDDP geographic service area, the new CDDP must enroll the individual in the Department payment and reporting systems.

(b) The CDDP must terminate an individual in the Department payment and reporting systems when an individual exits all developmental disabilities services.

(c) The CDDP retains responsibility for maintaining enrollment in the Department payment and reporting systems for individuals enrolled in support services until the individual exits support services.

(4) CASE MANAGEMENT SERVICES.

(a) The CDDP must deliver case management, as described in OAR chapter 411, division 415, to individuals who are eligible for and desire case management from the CDDP. A CDDP may provide case management

to individuals who are waiting for a determination of eligibility and reside in the county at the time they apply.

(b) For an individual newly determined eligible for developmental disabilities services, the CDDP must assure that the individual and legal representative are provided a description of case management and other service delivery options. This information must include:

(A) A description of processes involved in using developmental disabilities services, including person-centered planning, evaluation, and how to raise and resolve concerns about developmental disabilities services;

(B) Clarification of CDDP employee responsibilities as mandatory abuse reporters; and

(C) Disclosure of any potential affiliation between the CDDP and providers available to the individual.

(5) ABUSE INVESTIGATIONS.

(a) The CDDP must assure that abuse investigations for adults with intellectual or developmental disabilities are appropriately reported and conducted by trained staff according to statute and administrative rules, including the investigation of complaints of abuse, writing investigation reports, and monitoring the implementation of report recommendations. When there is reason to believe a crime has been committed, the CDDP must report to law enforcement.

(b) The CDDP must report any suspected or observed abuse of a child directly to the Department or local law enforcement.

(6) FOSTER HOMES. When there is need for additional foster care providers, the CDDP must recruit applicants to operate foster homes and maintain forms and procedures necessary to license or certify foster homes. The CDDP must maintain copies of the following records:

(a) Initial and renewal applications for a foster home;

(b) All inspection reports completed by the CDDP, including required annual renewal inspection and any other inspections;

(c) General information about the foster home;

(d) Documentation of references, classification information, credit check (if necessary), background check, and training for providers and substitute caregivers;

(e) Documentation of foster care exams for adult foster home providers;

(f) Correspondence;

(g) Any meeting notes;

(h) Financial records;

(i) Annual agreement or contract;

(j) Legal notices and final orders for rule violations, conditions, denials, or revocations (if any); and

(k) Copies of the annual license or certificate for the foster home.

(7) AGENCY COORDINATION. The CDDP must assure coordination with other agencies to develop and manage resources within the county or region to meet the needs of individuals.

(8) EMERGENCY PLANNING. The CDDP must ensure the availability of a written emergency procedure and disaster plan for meeting all civil or weather emergencies and disasters. The emergency procedure and disaster plan must be immediately available to the CDDP manager and employees. The emergency procedure and disaster plan must:

(a) Be integrated with the county emergency preparedness plan, where appropriate;

(b) Include provisions on coordination with all developmental disabilities service provider agencies in the county and any Department offices, as appropriate;

(c) Include provisions for identifying individuals most vulnerable; and

(d) Include any plans for health and safety checks, emergency assistance, and any other plans that are specific to the type of emergency.

(9) Civil commitment services must be provided in accordance with ORS 427.215 to 427.306.

(10) The CDDP must forward a signed variance request form submitted by a developmental disabilities service provider to the Department within 30 days from the receipt of the request indicating the position of the CDDP on the proposed variance.

411-320-0050
Management of Regional Services

(1) INTERGOVERNMENTAL AGREEMENT. The management entity for a group of counties to deliver community training, quality assurance activities, or other services, must have an intergovernmental agreement with each affiliated CDDP.

(2) REGIONAL PLAN. The CDDP or private corporation acting as the management entity for the region must prepare, in conjunction with affiliated CDDP's, a plan detailing the services that are to be administered regionally. The regional plan must be updated when needed and submitted to the Department for approval. The regional plan must include:

(a) A description of how services are to be administered;

(b) An organizational chart and staffing plan; and

(c) A detailed budget, on forms provided by the Department.

(3) IMPLEMENTATION. The CDDP or private corporation acting as the management entity for the region must work in conjunction with the affiliated CDDP's to implement the regional plan as approved by the Department, within available resources.

(4) MANAGEMENT STANDARDS. The region, through the management entity and the affiliated CDDP partners, must maintain compliance with the management standards outlined in OAR 411-320-0030 and this rule.

Stat. Auth.: ORS 409.050 & 430.662

Stats. Implemented: ORS 427.005, 427.007, 430.610, 430.620, 430.662 - 430.695

Hist.: SPD 24-2003, f. 12-29-03, cert. ef. 1-1-04; SPD 28-2004, f. & cert. ef. 8-3-04; SPD 16-2005(Temp), f. & cert. ef. 11-23-05 thru 5-22-06; SPD 5-2006, f. 1-25-06, cert. ef. 2-1-06; SPD 9-2009, f. & cert. ef. 7-13-09; SPD 57-2013, f. 12-27-13, cert. ef. 12-28-13; APD 16-2016, f. 6-28-16, cert. ef. 6-29-16

411-320-0070
Service Records

(1) CONFIDENTIALITY. The service record for an individual must be kept confidential in accordance with ORS 179.505, 192.515, 192.517, 192.553, and any Department rules or policies pertaining to individual service records.

(2) INFORMATION SHARING. Pertinent clinical, financial eligibility, and legal status information concerning an individual supported by the CDDP must be made available to other CDDPs responsible for the services of the individual, consistent with state statutes and federal laws and regulations concerning confidentiality and privacy.

(3) RECORD REQUIREMENTS. In order to meet Department and federal record documentation requirements, the CDDP, through the employees of the CDDP, must maintain a service record for each individual who receives services from the CDDP. Information contained in the service record must include:

(a) Documentation of any initial referral to the CDDP for services;

(b) The application for developmental disabilities services. The application for developmental disabilities services must be completed prior to an eligibility determination and must be on the application form required by the Department or transferred onto CDDP letterhead;

(c) Sufficient documentation to conform to Department eligibility requirements, including notices of eligibility determination;

(d) Documentation of the initial intake interview or home assessment, as well as any subsequent social service summaries;

(e) Documentation of the request for support services and the selection of an available Brokerage within the geographic service area of the CDDP;

(f) For individuals receiving case management services from the CDDP, the service record must contain the records requirements identified in OAR 411-415-0110.

(4) RETENTION OF RECORDS. The CDDP must have a record retention plan for all records relating to the provision of, and contracts for, CDDP services that is consistent with this rule and OAR 166-150-0055. The record retention plan must be made available to the public or the Department upon request.

(a) Financial records, supporting documents, and statistical records must be retained for at least three years after the close of the contract period or until the conclusion of the financial settlement process with the Department, whichever is longer.

(b) Individual service records must be kept for seven years after the date of the death of an individual, if known. If the case is closed, inactive, or the date of death is unknown, the individual service record must be kept for 70 years.

(c) Copies of annual ISPs must be kept for 10 years.

(5) TRANSFER OF RECORDS. In the event an individual moves from one county to another county in Oregon, the complete service record for an individual as described in section (3) of this rule must be transferred

to the receiving CDDP within 30 days of transfer. The sending CDDP must ensure that the service record required by this rule is maintained in permanent record and transferred to the CDDP having jurisdiction for the services for the individual. The sending CDDP must retain the following information to document that services were provided to the individual while enrolled in CDDP services:

(a) Documentation of eligibility for developmental disabilities services received while enrolled in services through the CDDP, including waiver or state plan eligibility;

(b) Service enrollment and termination forms;

(c) CDDP progress notes;

(d) Documentation of services provided to the individual by the CDDP; and

(e) Any required documentation necessary to complete the financial settlement with the Department.

411-320-0080

Application and Eligibility Determination

(1) APPLICATION.

(a) To apply for developmental disabilities services:

(A) An applicant or the legal representative of the applicant must submit a completed application as defined in OAR 411-320-0020 to the CDDP in the county of origin as defined in OAR 411-320-0020;

(B) The CDDP must receive all documentation required to make an eligibility determination as defined in OAR 411-320-0020. Documentation includes, but is not limited to:

(i) School psychological or comprehensive evaluations since entry into school;

(ii) Medical assessments related to a disability, mental health condition, or physical impairment;

(iii) Psychological evaluations or comprehensive evaluations through private health insurance or other programs;

(iv) Neurological evaluations completed through any entity;

(v) Records from all residential or psychiatric facilities;

(vi) Records completed through application process for other governmental benefits; and

(vii) Administrative medical examinations and reports, as defined in OAR 410-120-0000, determined necessary and authorized by the eligibility specialist.

(C) The applicant or the legal representative of the applicant must provide documentation of U.S. citizenship as defined in OAR 411-320-0020; and

(D) The applicant must reside in Oregon or if the applicant is less than 18 years of age, the applicant and the legal representative of the applicant must reside in Oregon.

(b) The CDDP may stop the intake process if the documents listed in subsection (a)(B) of this section are not submitted within 90 days of the date that the CDDP received the signed and dated Intake Form (APD 0552). If the CDDP stops the intake process, written notice of the information needed to determine eligibility or a withdrawal letter must be sent to the person identified on the Intake Form (APD 0552) as the person seeking services and the legal representative of the person seeking services.

(c) The CDDP must consider an application if the criteria in subsection (a) of this section are met. If the criteria in subsection (a) of this section are not met, the CDDP shall deny the application by sending a Notification of Planned Action (APD 0947).

(d) Upon receipt of a completed application, the CDDP must provide an applicant the Department required Notification of Rights (form APD 0948) within 10 business days.

(e) A new application may not be required if the file for an individual has been closed for less than 12 months following a closure, denial, or termination and the individual meets all of the criteria in subsection (a) of this section.

(f) The CDDP must identify whether an applicant receives any income.

(A) The CDDP must refer all applicants not currently receiving an OCCS medical package to the local Medicaid office for application and benefit determination.

(B) The CDDP must refer an applicant less than 18 years of age to Social Security if the CDDP identifies that the applicant may qualify for Social Security benefits.

(g) REINSTATEMENT OF ELIGIBILITY FOR CHILDREN OF SERVICE MEMBERS.

(A) WAIVER OF APPLICATION. A previously eligible child of a service member, who temporarily left Oregon due to a parent's military service obligation outside of Oregon, does not need to submit a new application for developmental disabilities services upon return. Upon return to Oregon and a request to a CDDP in the county of origin, the CDDP in the county of origin shall assign a services coordinator within 10 days of the request for services.

(B) COORDINATION OF SERVICES. The services coordinator must assist the child in establishing eligibility for OSIPM or OCCS medical coverage and meet face-to-face with the child and guardian, within 45 days of the request for services, to provide choice advising and to review the child's rights to a fair hearing and the service planning steps in OAR 411-415-0070.

(C) REDETERMINATION. The CDDP must follow section (5) and (6) of this rule regarding a redetermination of eligibility. As with all redeterminations, prior to a termination of developmental disabilities services, the CDDP must send a notice of redetermination, afford the child's parent or guardian the opportunity to provide documentation that supports eligibility, and schedule a diagnostic evaluation for the child, if appropriate. Upon the child's reentry to services, the CDDP in the county of origin shall initiate a redetermination if:

(i) The criteria used to determine eligibility for developmental disabilities services changed during the child's absence;

(ii) There are new records related to the eligibility criteria for developmental disabilities services, including medical, psychological, or school records related to an intellectual or developmental disability; or

(iii) The documents used to establish the child's original eligibility are more than three-years-old and medical, educational, or psychological records created during the child's absence do not support the child's eligibility for developmental disabilities services.

(2) ELIGIBILITY SPECIALIST. Each CDDP must identify at least one qualified eligibility specialist to act as a designee of the Department for purposes of making an eligibility determination. The eligibility specialist must meet performance qualifications and training expectations for determining eligibility for developmental disabilities services according to OAR 411-320-0030.

(3) INTELLECTUAL DISABILITY. A history of an intellectual disability as defined in OAR 411-320-0020 and significant impairment in adaptive behavior as described in OAR 411-320-0020 must be evident prior to the 18th birthday of an individual for the individual to be eligible for developmental disabilities services.

(a) Diagnosing an intellectual disability is done by measuring intellectual functioning and adaptive behavior as assessed by standardized tests administered by a licensed clinical or school psychologist with specific training and experience in test interpretation of intellectual functioning and adaptive behavior scales for individuals with intellectual disabilities.

(A) For individuals who have consistent and valid Full Scale IQ results of 65 and less, no assessment of adaptive behavior may be needed if current documentation supports eligibility.

(B) For individuals who have a valid Full Scale IQ or equivalent composite score results of 66-75, verification of an intellectual disability requires an assessment of adaptive behavior.

(C) A General Ability Index result must be used in place of a Full Scale IQ score to determine eligibility if a licensed clinical or school psychologist determines that the General Ability Index is a more valid measure of overall intelligence when compared to the Full Scale IQ score.

(D) A Specific Index IQ result must be used in place of a Full Scale IQ score to determine eligibility if a licensed clinical or school psychologist determines that the Specific Index IQ is a more valid measure of overall intelligence when compared to the Full Scale IQ score.

(E) If an individual is not able to participate in an intelligence test due to intellectual disability, a statement of intellectual disability must be documented by a qualified professional and an adaptive behavior assessment demonstrating a composite score of at least two standard deviations below the mean must be completed.

(b) Impairment of adaptive behavior must be directly related to an intellectual disability and cannot be primarily attributed to other conditions, including but not limited to a mental or emotional disorder, sensory impairment, motor impairment, substance abuse, personality disorder, learning disability, or ADHD.

(c) The condition and impairment must continue, or be expected to continue, indefinitely.

(4) OTHER DEVELOPMENTAL DISABILITY. A history of an other developmental disability as defined in OAR 411-320-0020 and significant impairment in adaptive behavior as described in OAR 411-320-0020 must be evident prior to the 22nd birthday of an individual for the individual to be eligible for developmental disabilities services.

(a) Diagnosing an other developmental disability requires a medical or clinical diagnosis of a developmental disability by a qualified professional and significant impairment in adaptive behavior as assessed by standardized tests administered by a licensed clinical or school psychologist, or a doctor of medicine or doctor of osteopathic medicine with specific training and experience in test interpretation of adaptive behavior scales. The individual must meet the full criteria for the diagnosis of the developmental disability. Individuals with a "provisional", "partial", or "rule-out" diagnosis do not meet the full criteria.

(A) Other developmental disabilities include autism, cerebral palsy, epilepsy, or other neurological disabling conditions that originate in and directly affect the brain.

(B) The individual must require training and support similar to that required by an individual with an intellectual disability, which means the individual has a composite or domain score that is at least two standard deviations below the mean, as measured on a standardized assessment of adaptive behavior administered by a licensed clinical or school psychologist, or a doctor of medicine or doctor of osteopathic medicine with specific training and experience in test interpretation of adaptive behavior scales.

(b) Significant impairment of adaptive behavior must be directly related to an other developmental disability and cannot be primarily attributed to other conditions including, but not limited to, a mental or emotional disorder, sensory impairment, motor impairment, substance abuse, personality disorder, learning disability, or ADHD.

(c) The condition and impairment must continue, or be expected to continue, indefinitely.

(5) ELIGIBILITY FOR CHILDREN LESS THAN 7 YEARS OF AGE.

(a) Eligibility determinations for children less than 7 years of age must be based on documentation that is no more than one year old.

(A) The documentation must include:

(i) A valid standardized-and-normed early-childhood assessment, completed by a professional with at least a master's degree and training to administer early childhood assessments, which demonstrates the functioning of the child is at least two standard deviations below the mean in two or more areas of the adaptive behavior described in paragraph (B) of this subsection; or

(ii) When a standardized-and-normed early-childhood assessment is not available or not completed within one year of the date the CDDP receives the intake form, a medical statement by a licensed medical practitioner that confirms the presence of an other developmental disability that is a neurological condition or syndrome that originates in and directly affects the brain and causes or is likely to cause impairment in at least two or more areas of the adaptive behavior described in paragraph (B) of this subsection.

(B) Areas of adaptive behavior include:

(i) Adaptive, self-care, or self-direction;

(ii) Receptive and expressive language or communication;

(iii) Learning or cognition;

(iv) Gross and fine motor; or

(v) Social.

(C) The impairment, condition, or syndrome cannot be primarily attributed to other conditions including, but not limited to, a mental or emotional disorder, sensory impairment, motor impairment, substance abuse, personality disorder, learning disability, or ADHD.

(D) The condition and impairment must continue, or be expected to continue, indefinitely.

(b) REDETERMINATION OF ELIGIBILITY.

(A) Eligibility for children less than 7 years of age is always provisional.

(i) Redetermination for school aged eligibility for a child who was originally determined eligible as a child less than 7 years of age using a standardized and normed early childhood assessment as described in subsection (b)(A)(i) of this section must be completed no later than the child's 9th year birthdate.

(ii) Redetermination for school aged eligibility for a child who was originally determined eligible as a child less than 7 years of age using a medical statement by a licensed medical practitioner as described in subsection (b)(A)(ii) of this section must be completed no later than the child's 7th year birthdate.

(B) Any time there is evidence that contradicts an eligibility determination, the Department or the designee of the Department may redetermine eligibility or obtain additional information, including securing an additional evaluation for clarification purposes.

(C) The CDDP must notify a child and the legal representative of the child any time that a redetermination of eligibility is needed. Notification of the redetermination and the reason for the review of eligibility must be in writing and sent prior to the eligibility redetermination.

(6) ELIGIBILITY FOR SCHOOL AGED CHILDREN. Eligibility for school aged children as defined in OAR 411-320-0020 is always provisional.

(a) Eligibility determinations for school aged children must be completed on children who are at least 5 years of age and who have had school aged testing completed.

(b) Eligibility determinations for school aged children may be completed:

(A) Up to age 18 for school aged children who are provisionally eligible based on a condition of an intellectual disability; and

(B) Up to age 22 for school aged children who are provisionally eligible based on a condition of an other developmental disability.

(c) Eligibility determinations for school aged children must include:

(A) Documentation of an intellectual disability and significant impairment in adaptive behavior as described in section (3) of this rule; or

(B) A diagnosis and documentation of an other developmental disability and significant impairment in adaptive behavior as described in section (4) of this rule.

(d) Eligibility determinations for school aged children must be based on documentation that is no more than three years old.

(e) REDETERMINATION OF ELIGIBILITY.

(A) Any time there is evidence that contradicts an eligibility determination, the Department or the designee of the Department may redetermine eligibility or obtain additional information, including securing an additional evaluation for clarification purposes.

(B) The CDDP must notify a school aged child and the legal representative of the child any time that a redetermination of eligibility is needed. Notification of the redetermination and the reason for the review of eligibility must be in writing and sent prior to the eligibility redetermination.

(f) REDETERMINATION OF SCHOOL AGED CHILDREN FOR ADULT ELIGIBLITY.

(A) Redetermination of school aged children for adult eligibility must be completed:

(i) Between the ages of 16 and 18 if school aged eligibility was determined based on an intellectual disability as described in section (3) of this rule; or

(ii) Between the ages of 20 and 22 if school aged eligibility was determined based on an other developmental disability as described in section (4) of this rule.

(B) The documentation of an intellectual disability or an other developmental disability must include for individuals less than 22 years of age, information no more than three years old.

(C) If school aged eligibility was determined based on an intellectual disability as described in section (3) of this rule, an intellectual functioning assessment may be used to determine adult eligibility. An adult intellectual functioning assessment completed within the last three years is not needed if the school aged child has:

(i) More than one completed intellectual functioning assessment and all full scale IQ scores are 65 or less as described in section (3)(a)(A) of this rule;

(ii) Impairment in adaptive behavior as identified in section (3) of this rule; and

(iii) Current documentation that supports eligibility.

(D) If school aged eligibility was determined based on an other developmental disability as described in section (4) of this rule, the following criteria must be met:

(i) A current medical or clinical diagnosis of an other developmental disability is required unless all of the following are met:

(I) Documentation of an other developmental disability by a qualified professional as described in section (4) of this rule;

(II) Impairment in adaptive behavior that continues to be directly related to the other developmental disability;

(III) Current documentation that continues to support eligibility; and

(IV) No other medical or mental or emotional disorder.

(ii) If an individual has additional medical or mental or emotional disorders a new assessment may be required.

(iii) An informal adaptive behavior assessment as defined in OAR 411-320-0020 may be completed if all of the following apply:

(I) An assessment of adaptive behavior is required in order to redetermine eligibility;

(II) An assessment of adaptive behavior has already been completed by a licensed school or clinical psychologist; and

(III) The school aged child has obvious significant impairment in adaptive behavior.

(7) ELIGIBILITY FOR ADULTS.

(a) Eligibility for adults must include:

(A) Documentation of an intellectual disability and significant impairment in adaptive behavior as described in section (3) of this rule; or

(B) Documentation of an other developmental disability and significant impairment in adaptive behavior as described in section (4) of this rule.

(b) Documentation for an adult eligibility determination must include:

(A) Information no more than three years old for individuals less than 22 years of age; or

(B) Information obtained after the 17th birthday of an individual for individuals 22 years of age and older.

(c) INTELLECTUAL FUNCTIONING ASSESSMENT.

(A) An intellectual functioning assessment completed on or after the age of 16 may be used to determine adult eligibility.

(B) An adult intellectual functioning assessment may not be needed if an individual has:

(i) More than one completed intellectual functioning assessment and all full scale IQ scores are 65 or less as described in section (3)(a)(A) of this rule; and

(ii) Significant impairment in adaptive behavior as identified in section (3) of this rule.

(C) An adult intellectual functioning assessment may not be needed if an individual has a diagnosis and documentation of an other developmental disability as described in section (4) of this rule.

(d) REDETERMINATION OF ELIGIBILITY.

(A) Any time there is evidence that contradicts an eligibility determination, the Department or the designee of the Department may redetermine eligibility or obtain additional information, including securing an additional evaluation for clarification purposes.

(B) The CDDP must notify an individual and if applicable the legal representative of the individual any time that a redetermination of eligibility is needed. Notification of the redetermination and the reason for the review of eligibility must be in writing and sent prior to the eligibility redetermination.

(C) In the event the eligibility of an adult requires a redetermination, the redetermination must be completed as described in subsections (a), (b), and (c) of this section.

(8) ABSENCE OF DATA IN DEVELOPMENTAL YEARS.

(a) In the absence of sufficient data during the developmental years, current data may be used if:

(A) There is no evidence of head trauma;

(B) There is no evidence or history of significant mental or emotional disorder; or

(C) There is no evidence or history of substance abuse.

(b) If there is evidence or a history of head trauma, significant mental or emotional disorder, or substance abuse, then a clinical impression by a qualified professional regarding how the functioning of the individual may be impacted by the identified condition must be obtained in order to determine if the significant impairment in adaptive behavior is directly related to a developmental disability and not primarily related to a head trauma, significant mental or emotional disorder, or substance abuse.

(9) SECURING EVALUATIONS. In the event that an eligibility specialist has exhausted all local resources to secure the necessary evaluations for an eligibility determination, the Department or the designee of the Department shall assist in obtaining additional testing if required to complete the eligibility determination.

(10) PROCESSING ELIGIBILITY DETERMINATIONS. The CDDP in the county of origin is responsible for making the eligibility determination.

(a) The CDDP must work in collaboration with the individual or the legal representative of the individual to gather historical records related to the intellectual or developmental disability of an individual during intake in order to complete an application for services.

(b) During intake, the CDDP must gather enough information and documentation in order to accept a completed application for developmental disabilities services within 90 days of the date of intake, except in the following circumstances:

(A) The CDDP is unable to obtain a complete application because the individual or the legal representative of the individual does not collaborate with the eligibility specialist or fails to execute an action necessary to obtain a completed application;

(B) There is an emergency beyond the control of the CDDP; or

(C) More time is needed to obtain additional records by the CDDP, the individual, or the legal representative of the individual.

(c) Upon receipt of the completed application, as defined in OAR 411-320-0020, the CDDP must make an eligibility determination unless the following applies and is documented in the progress notes for an individual:

(A) The individual or the legal representative of the individual voluntarily withdraws the application for the individual;

(B) The individual dies; or

(C) The individual cannot be located.

(d) The CDDP may not use the time frames established in subsection (b) of this section as:

(A) A waiting period before determining eligibility; or

(B) A reason for denying eligibility.

(11) NOTICE OF ELIGIBILITY DETERMINATION. Within 10 days from the receipt of a completed application, the CDDP must send or hand deliver a written notification (notice) of the eligibility determination. The notice must be on the following forms prescribed by the Department:

(a) The Notice of Eligibility Determination (form APD 5103); or

(b) The Notification of Planned Action (form APD 0947).

(12) REQUESTING A HEARING. An individual or the legal representative of an individual may request a hearing as described in OAR 411-318-0025 if the individual or the legal representative of the individual disagrees with the eligibility determination or redetermination made by the CDDP.

(13) TRANSFERABILITY OF ELIGIBILITY DETERMINATION. An eligibility determination made by one CDDP must be honored by another CDDP when an individual moves from one county to another.

(a) The receiving CDDP must notify the individual and if applicable the legal representative of the individual on forms prescribed by the Department that a transfer of services to a new CDDP has taken place within 10 days of the enrollment date identified on the Developmental Disabilities Enrollment Form (DHS 0337).

(b) The receiving CDDP must continue services for the individual as soon as it is determined that the individual is residing in the county of the receiving CDDP.

(c) The receiving CDDP must ensure verification of the eligibility of the individual for developmental disabilities services in the form of the following:

(A) Statement of an eligibility determination;

(B) Notification of eligibility determination; and

(C) Evaluations and assessments supporting eligibility.

(d) In the event that the items in subsection (c) of this section cannot be located, written documentation from the sending CDDP verifying eligibility and enrollment in developmental disabilities services may be used. Written verification may include documentation from the electronic payment system of the Department.

(e) If the receiving CDDP receives information that suggests the individual is not eligible for developmental disabilities services, the receiving CDDP may complete a redetermination. The CDDP that determined the individual was eligible for developmental disabilities services may be responsible for the services authorized on the basis of that eligibility determination.

(f) If an individual submits an application for developmental disabilities services and discloses that he or she has previously received developmental disabilities services in another CDDP and the termination of case management services as described in OAR 411-415-0030 occurred within the past 12 months, the eligibility determination from the other CDDP shall transfer as outlined in this section of the rule.

411-320-0170
Contracts and Contractor Disputes

(1) CONTRACTS.

(a) If the CDDP, or any of the CDDPs services as described in the Department's contract with the county, is not operated by the county, there must be a contract between the county and the organization operating the CDDP or the services, or a contract between the Department and the operating CDDP. The contract must specify the authorities and responsibilities of each party and conform to the requirements of the rules of the Department pertaining to contracts or any contract requirement with regard to operation and delivery of services.

(b) The CDDP may purchase certain services that are necessary for the CDDP to carry out its operations from a contractor without first providing an opportunity for competition among other contractors.

(A) The contractor selected must also meet Department certification or licensing requirements to provide the type of service to be contracted.

(B) There must be a contract between the service provider and the CDDP that specifies the authorities and responsibilities of each party and conforms to the requirements of the rules of the Department pertaining to contracts or any contract requirement with regard to operation and delivery of services.

(c) When a CDDP contracts with a public agency or private corporation for services, the CDDP must include in the contract only terms that are substantially similar to model contract terms established by the Department. The CDDP may not add contractual requirements, including qualifications for contractor selection that are nonessential to the services being provided under the contract. The CDDP must specify in contracts that disputes arising from these limitations must be resolved according to the complaint procedures contained in section (3) of this rule. For purposes of this rule, the following definitions apply:

(A) "Model contract terms established by the Department" means all applicable material terms and conditions of the omnibus contract, as modified to appropriately reflect a contractual relationship between the contractor and CDDP and any other requirements approved by the Department as local options under procedures established in these rules.

(B) "Substantially similar to model contract terms" means that the terms developed by the CDDP and the model contract terms require the service provider to engage in approximately the same type activity and expend approximately the same resources to achieve compliance.

(C) "Nonessential to the services being provided" means requirements that are not substantially similar to model contract terms developed by the Department.

(d) As a local option, the CDDP may impose a requirement on a public agency or private corporation delivering developmental disabilities services under a contract with the CDDP that is in addition to or different from requirements specified in the omnibus contract if all of the following conditions are met:

(A) The CDDP has provided the affected contractors with the text of the proposed local option as it is to appear in the contract. The proposed local option must include:

(i) The date upon which the local option is to become effective; and

(ii) A complete written description of how the local option is to improve individual independence, productivity, or integration or the protection of individual health, safety, or rights.

(B) The CDDP has sought input from the affected contractors concerning ways the proposed local option impacts individual services;

(C) The CDDP, with assistance from the affected contractors, has assessed the impact on the operations and financial status of the contractors if the local option is imposed;

(D) The CDDP has sent a written request for approval of the proposed local option to the Director of the Department that includes:

(i) A copy of the information provided to the affected contractors;

(ii) A copy of any written comments and a complete summary of oral comments received from the affected contractors concerning the impact of the proposed local option; and

(iii) The text of the proposed local option as it is to appear in contracts with service providers, including the proposed date upon which the requirement is to become effective.

(E) The Department has notified the CDDP that the new requirement is approved as a local option for that program; and

(F) The CDDP has advised the affected contractors of their right and afforded them an opportunity to request mediation as provided in these rules before the local option is imposed.

(e) The CDDP may add contract requirements that the CDDP considers necessary to ensure the siting and maintenance of residential facilities in which individual services are provided. These requirements must be consistent with all applicable state and federal laws and regulations related to housing.

(f) The CDDP must adopt a dispute resolution policy that pertains to disputes arising from contracts with service providers funded by the Department and contracted through the CDDP. Procedures implementing the dispute resolution policy must be included in the contract with any such service provider.

(2) CONTRACT MONITORING. The CDDP must monitor all community developmental disabilities subcontractors to assure that:

(a) Services are provided as specified in the contract between the CDDP and the Department; and

(b) Services are in compliance with these rules and other applicable Department rules.

(3) When a dispute exists between a CDDP and a subcontracted provider regarding the terms of the contract or the interpretation of administrative rule and local dispute resolution efforts have been unsuccessful, either party may request assistance from the Department in mediating the dispute.

(a) The parties must demonstrate a spirit of cooperation, mutual respect, and good faith in all aspects of the mediation process. Mediation must be conducted as follows:

(A) The party requesting mediation must send a written request to the Director of the Department, the CDDP Director, and the Executive Director of the provider, unless other people are named as official contact people in the specific rule or contract under dispute. The request must describe the nature of the dispute and identify the specific rule or contract provisions that are central to the dispute.

(B) Department staff shall arrange the first meeting of the parties at the earliest possible date. The agenda for the first meeting shall include:

(i) Consideration of the need for services of an outside mediator. If the services of an unbiased mediator are desired, agreement shall be made on arrangements for obtaining these services;

(ii) Development of rules and procedures that shall be followed by all parties during the mediation; and

(iii) Agreement on a date by which mediation shall be completed, unless extended by mutual agreement.

(C) Unless otherwise agreed to by all parties:

(i) Each party shall be responsible for the compensation and expenses of their own employees and representatives; and

(ii) Costs that benefit the group, such as services of a mediator, rental of meeting space, purchase of snack food and beverage, etc. shall be shared equally by all parties.

(b) A written statement documenting the outcome of the mediation must be prepared. This statement must consist of a brief written statement signed by all parties or separate statements from each party declaring their position on the dispute at the conclusion of the mediation process. In the absence of written statements from other parties, the Department shall prepare the final report. A final report on each mediation must be retained on file at the Department.

(4) A provider may appeal the imposition of a disputed term or condition in the contract if the provider believes that the contract offered by the CDDP contains terms or conditions that are not substantially similar to those established by the Department in the model contract. The appeal of the imposition of the disputed terms or conditions must be in writing and sent to the Director of the Department within 30 days after the effective date of the contract requirement.

(a) A copy of the notice of appeal must be sent to the CDDP. The notice of appeal must include:

(A) A copy of the contract and any pertinent contract amendments;

(B) Identification of the specific terms that are in dispute; and

(C) A complete written explanation of the dissimilarity between terms.

(b) Upon receipt of the notice of appeal, the CDDP must suspend enforcement of compliance with any contract requirement under appeal by the provider until the appeal process is concluded.

(c) The Director of the Department must offer to mediate a solution in accordance with the procedure outlined in sections (3)(a) and (3)(b) of this rule.

(A) If a solution cannot be mediated, the Director of the Department shall declare an impasse through written notification to all parties and immediately appoint a panel to consider arguments from both parties. The panel must include, at a minimum:

(i) A representative from the Department;

(ii) A representative from another CDDP; and

(iii) A representative from another provider organization.

(B) The panel must meet with the parties, consider the respective arguments, and send written recommendations to the Director of the Department within 45 business days after an impasse is declared, unless the Director of the Department grants an extension.

(C) If an appeal requiring panel consideration has been received from more than one contractor, the Department may organize materials and discussion in any manner deemed necessary, including combining appeals from multiple contractors, to assist the panel in understanding the issues and operating efficiently.

(D) The Director of the Department must notify all parties of his or her decision within 15 business days from the receipt of the recommendations of the panel. The decision of the Department is final. The CDDP must take immediate action to amend contracts as needed to comply with the decision.

(d) Notwithstanding subsection (c) of this section, the Director of the Department has the right to deny the appeal or a portion of the appeal if, upon receipt and review of the notice of appeal, the Director of the Department finds that the contract language being contested is identical to the current language in the county financial assistance agreement with the Department.

(e) The CDDP or the contractor may request an expedited appeal process that provides a temporary resolution if it can be shown that the time needed to follow procedures to reach a final resolution would cause imminent risk of serious harm to individuals or organizations.

(A) The request must be made in writing to the Director of the Department. The request must describe the potential harm and level of risk that shall be incurred by following the appeal process.

(B) The Department must notify all parties of the decision to approve an expedited appeal process within two business days.

(C) If an expedited process is approved, the Department shall notify all parties of the decision concerning the dispute within three additional business days. The decision resulting from an expedited appeal process shall be binding, but temporary, pending completion of the appeal process. All parties must act according to the temporary decision until notified of a final decision.

Inspections and Investigations

(1) All services covered by these rules must allow the following types of investigations and inspections:

(a) Quality assurance, certification, and on-site inspections;

(b) Complaint investigations; and

(c) Abuse investigations.

(2) The Department or the designee of the Department, the Oregon Health Authority, or proper authority must perform all inspections and investigations.

(3) Any inspection or investigation may be unannounced.

(4) A plan of correction must be submitted to the Department for any non-compliance found during an inspection under this rule.

Rule Caption: ODDS: Contested Case Hearings and Rights of Individuals Receiving Developmental Disabilities Services

Adm. Order No.: APD 17-2016

Filed with Sec. of State: 6-28-2016

Certified to be Effective: 6-29-16

Notice Publication Date: 4-1-2016

Rules Amended: 411-318-0000, 411-318-0005, 411-318-0010

Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently updating the rights for individuals receiving developmental disabilities services and the process to request a contested case hearing in OAR chapter 411, division 318.

The rules in OAR chapter 411, division 318 are being updated to:

- Make permanent temporary changes that became effective January 1, 2016;

- Incorporate the standards for home and community-based (HCB) services and settings and person-centered service planning adopted by the Department in OAR chapter 411, division 004 to implement the regulations and expectations of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS);

- Clarify that a request for a contested case hearing must be in writing;

- Reflect current Department terminology and the restructuring of the rules relating to developmental disabilities services; and

- Perform minor grammar, punctuation, formatting, and housekeeping changes.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-318-0000

Statement of Purpose and Scope

(1) The rules in OAR chapter 411, division 318 prescribe:

(a) The rights of individuals receiving developmental disabilities services;

(b) The process for reporting and investigating a complaint regarding dissatisfaction with a developmental disabilities service or provider;

(c) The requirements for notification in the event a developmental disabilities service is denied, reduced, suspended, or terminated and the contested case hearing process for challenging a denial, reduction, suspension, or termination of a developmental disabilities service; and

(d) The contested case hearing process for challenging an involuntary reduction, transfer, or exit.

(2) The rules in OAR chapter 411, division 318 apply to the developmental disabilities services and service settings described in OAR chapter 411, divisions 004 and 300 to 450.

Stat. Auth.: ORS 409.050, 427.107

Stats. Implemented: ORS 183.411-471, 409.010, 427.107, 427.109

411-318-0005

Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 318:

(1) "CDDP" means Community Developmental Disabilities Program.

(2) "Claimant" means the person directly impacted by an action that is the subject of a hearing request.

(3) "Complaint" means an oral or written expression of dissatisfaction with a developmental disabilities service or provider.

(4) "Complaint Investigation" means the investigation of a complaint that has been made to a proper authority that is not covered by an investigation of abuse.

(5) "Complaint Log" means a list of complaint-related information.

(6) "Continuing Services" means the continuation of a developmental disabilities service following the request for a hearing. Services continue until a Final Order is issued.

(7) "DD Administrative Hearing Request" means form SDS 0443DD.

(8) "Denial" means any rejection of a request for a developmental disabilities service or an increase in a developmental disabilities service. A denial of a Medicaid service requires a Notification of Planned Action.

(9) "Department Hearing Representative" means a person authorized by the Department to represent the Department in a hearing as described in OAR 411-001-0500.

(10) "Department Staff" means a person employed by the Department who is knowledgeable in a particular subject matter. For the purposes of the complaint process, Department staff may not be involved in a specific complaint prior to the receipt of the complaint or the request for a review of the complaint.

(11) "Exit" means termination or discontinuance of a Department-funded developmental disabilities service.

(12) "Good Cause" means an excusable mistake, surprise, excusable neglect (which may include neglect due to a significant cognitive or health issue), circumstances beyond the control of a claimant, reasonable reliance

on the statement of an employee of the Department or an adverse provider relating to procedural requirements, [or due to] fraud, misrepresentation, or other misconduct of the Department or a party adverse to a claimant.

(13) "Hearing" means a contested case hearing subject to OAR 137-003-0501 to 137-003-0700, which results in a Final Order.

(14) "Informal Conference" means the discussion between a claimant, the representative of the claimant, Department staff, and a Department representative that is held prior to a hearing to address any matters pertaining to the hearing, as described in OAR 411-318-0025. An administrative law judge does not participate in an informal conference. The informal conference may result in resolution of the issue.

(15) "Informal Discussion" means the conversation between an individual making a complaint, or as applicable the representative of the individual, and the designee of the Department or local program who received the complaint to address the content of the complaint. The informal discussion may result in resolution of the issue.

(16) "Involuntary Reduction" means a provider has made the decision to reduce services provided to an individual without prior approval from the individual.

(17) "Involuntary Transfer" means a provider has made the decision to transfer an individual without prior approval from the individual.

(18) "Local Program" means the case management entity, provider organization, or other certified, licensed, or endorsed provider or agency with which the Department contracts to provide developmental disabilities services and is providing services to the individual with whom a complaint is associated.

(19) "Notice of Involuntary Reduction, Transfer, or Exit" means form SDS 0719DD. This form is part of the AFH/DD Mandatory Written Notice of Exit or Transfer.

(20) "Notification of Planned Action" means form SDS 0947. The Notification of Planned Action is the written decision notice issued to an individual in the event that a developmental disabilities service is denied, reduced, suspended, or terminated.

(21) "OAH" means the Office of Administrative Hearings.

(22) "OHA" means the Oregon Health Authority.

(23) "Program Director" means the Director of a local program or the designee of the Director.

(24) "Program Staff" means a person employed by the local program who is knowledgeable in a particular subject matter. For the purposes of the complaint process, program staff may not be involved in a specific complaint prior to the receipt of the complaint or the request for a review of the complaint.

(25) "Representative" means any adult, such as a parent, family member, guardian, legal representative, advocate, or other person, who is chosen by an individual or the legal representative of the individual to represent the individual in connection with the provision of developmental disabilities services or during the complaint or hearing process. The representative may not be an employee of the Department, CDDP, or Support Services Brokerage acting in official capacity. An individual or the legal representative for the individual is not required to choose a representative.

(26) "Request for Service" means:

(a) Submission of a completed application for developmental disabilities services as described in OAR 411-320-0080;

(b) A written request for a new developmental disabilities service or provider; or

(c) A written request for a change in a developmental disabilities service currently provided.

(27) "Service" means the developmental disabilities services and service settings described in OAR chapter 411, divisions 004 and 300 to 450.

(28) "Service Funds" mean state public funds or Medicaid funds used to purchase developmental disabilities services.

(29) "These Rules" mean the rules in OAR chapter 411, division 318.

(30) "Transfer" means movement of an individual from one service setting to a different service setting administered or operated by the same provider.

(31) "Written Outcome" means the written response from the Department or the local program to a complaint following a review of the complaint.

411-318-0010

Individual Rights

(1) While receiving developmental disabilities services, an individual has the right to:

(a) Be free from abuse or neglect and to report any incident of abuse or neglect without being subject to retaliation;

(b) Be free from seclusion, unauthorized training or treatment, and personal, chemical, and mechanical restraints, unless an imminent risk of physical harm to the individual or others exists and only for as long as the imminent risk continues;

(c) Be assured that medication is administered only for the clinical needs of the individual as indicated by a health care provider, unless an imminent risk of physical harm to the individual or others exists and only for as long as the imminent risk continues;

(d) Individual choice for an adult to consent to or refuse treatment unless incapable and then an alternative decision maker must be allowed to consent to or refuse treatment for the adult. For a child, the parent or guardian of the child must be allowed to consent to or refuse treatment, except as described in ORS 109.610 or limited by court order;

(e) Informed, voluntary, written consent prior to receiving services, except in a medical emergency or as otherwise permitted by law;

(f) Informed, voluntary, written consent prior to participating in any experimental programs;

(g) A humane service environment that affords reasonable privacy and the ability to engage in private communications with people chosen by the individual through personal visits, mail, telephone, or electronic means;

(h) Visit with legal and designated representatives, family members, friends, advocates, legal and medical professionals, and others chosen by the individual, except where prohibited by court order;

(i) Participate regularly in the community and use community resources, including recreation, developmental disabilities services, employment services, school, educational opportunities, and health care resources;

(j) For individuals less than 21 years of age, access to a free and appropriate public education, including a procedure for school attendance or refusal to attend;

(k) Not be required to perform labor, except personal housekeeping duties, without reasonable and lawful compensation;

(l) Manage his or her own money and financial affairs unless the right has been taken away by court order or other legal procedure;

(m) Keep and use personal property and have a reasonable amount of personal storage space;

(n) Food, housing, clothing, medical and health care, supportive services, and training;

(o) Seek a meaningful life by choosing from available services and enjoying the benefits of community involvement and community integration in a manner that is most integrated, considering the preferences and age of the individual;

(p) An individualized written plan for services created through a person-centered planning process, services based upon the plan, and periodic review and reassessment of service needs;

(q) Ongoing participation in the planning of services, including the right to participate in the development and periodic revision of the plan for services, the right to be provided with an explanation of all service considerations in a manner that ensures meaningful individual participation, and the right to invite others chosen by the individual to participate in the plan for services;

(r) Request a change in the plan for services and a reassessment of service needs;

(s) A timely decision upon request for a change in the plan for services and a reassessment of service needs;

(t) Not be involuntarily terminated or transferred from services without prior notice, notification of available sources of necessary continued services, and exercise of a complaint procedure;

(u) Advance written notice of any action that terminates, suspends, reduces, or denies a service or request for service, notification of available sources of necessary continued services, and a hearing to challenge an action that terminates, suspends, reduces, or denies a service or request for service;

(v) Be informed at the start of services and annually thereafter of the rights guaranteed by this rule, the contact information for the protection and advocacy system described in ORS 192.517(1), and the procedures for filing complaints, reviews, hearings, or appeals if services have been or are proposed to be terminated, suspended, reduced, or denied;

(w) Be encouraged and assisted in exercising all legal, civil, and human rights;

(x) Exercise all rights set forth in ORS 426.385 and 427.031 if the individual is committed to the Department;

(y) Be informed of and have the opportunity to assert complaints as described in OAR 411-318-0015 with respect to infringement of the rights described in this rule, including the right to have such complaints considered in a fair, timely, and impartial complaint procedure without any form of retaliation or punishment;

(z) Freedom to exercise all rights described in this rule without any form of reprisal or punishment; and

(aa) Be informed that a family member has contacted the Department to determine the location of the individual, and to be informed of the name and contact information of the family member, if known, as provided under ORS 430.212 and OAR 411-320-0090.

(2) The individual rights described in section (1) of this rule apply to all individuals' eligible for or receiving a developmental disabilities service. A parent or guardian may place reasonable limitations on the rights of a child.

(3) In addition to the rights described in section (1) of this rule, individuals receiving home and community-based services in residential and non-residential home and community-based settings have the right to home and community-based settings with the qualities described in OAR 411-004-0020(1).

(4) In addition to the rights described in sections (1) of this rule, individuals receiving home and community-based services in provider owned, controlled, or operated residential settings have the right to provider owned, controlled, or operated residential settings with the qualities described in OAR 411-004-0020(2).

(a) For children under the age of 18, enrolled in or utilizing home and community-based services, and residing in provider owned, controlled, or operated residential settings, the qualities described in OAR 411-004-0020(2) apply in the context of addressing any limitations beyond what are typical health and safety precautions or discretions utilized for children of the same age without disabilities.

(b) Health and safety precautions or discretions utilized for children under the age of 18, enrolled in or utilizing home and community-based services, and residing in provider owned, controlled, or operated residential settings, must be addressed through a person-centered service planning process and documented in the ISP for the child.

(c) Limitations that deviate from and are more restrictive than what is typical for children of the same age without disabilities must comply with OAR 411-004-0040.

(5) The rights described in this rule are in addition to, and do not limit, all other statutory and constitutional rights that are afforded all citizens including, but not limited to, the right to exercise religious freedom, vote, marry, have or not have children, own and dispose of property, and enter into contracts and execute documents.

(6) The rights described in this rule may be asserted and exercised by an individual, the legal representative of an individual, and any representative designated by an individual.

(7) Nothing in this rule may be construed to alter any legal rights and responsibilities between a parent and child.

(8) A guardian is appointed for an adult only as is necessary to promote and protect the well-being of the adult. A guardianship for an adult must be designed to encourage the development of maximum self-reliance and independence of the adult, and may be ordered only to the extent necessitated by the actual mental and physical limitations of the adult. An adult for whom a guardian has been appointed is not presumed to be incompetent. An adult with a guardian retains all legal and civil rights provided by law, except those that have been expressly limited by court order or specifically granted to the guardian by the court. Rights retained by an adult include, but are not limited to, the right to contact and retain counsel and to have access to personal records. (ORS 125.300).

Notice Publication Date: 4-1-2016
Rules Repealed: 411-308-0010, 411-308-0020, 411-308-0030, 411-308-0040, 411-308-0050, 411-308-0060, 411-308-0070, 411-308-0080, 411-308-0090, 411-308-0100, 411-308-0110, 411-308-0120, 411-308-0130, 411-308-0135, 411-308-0140, 411-308-0150, 411-330-0010, 411-330-0020, 411-330-0030, 411-330-0040, 411-330-0050, 411-330-0060, 411-330-0065, 411-330-0070, 411-330-0080, 411-330-0090, 411-330-0100, 411-330-0110, 411-330-0120, 411-330-0130, 411-330-0140, 411-330-0150, 411-330-0160, 411-330-0170
Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently repealing the rules in:

- OAR chapter 411, division 308 for in-home support for children with intellectual or developmental disabilities; and
- OAR chapter 411, division 330 for comprehensive in-home support for adults with intellectual or developmental disabilities.

The Department is restructuring many of the rule divisions that relate to developmental disabilities services to provide more consistency, remove redundancies, and consolidate the requirements for services available through the Community First Choice state plan amendment and the 1915(c) waivers operated by the Department.

Due to the restructure, the Department will no longer need the rules in OAR chapter 411, divisions 308 and 330 because all of the rule language currently contained in OAR chapter 411, divisions 308 and 330 will be moved to the following rule divisions:

- OAR chapter 411, division 450 for community living supports will include the rule language for attendant care, relief care, and skills training.
- OAR chapter 411, division 435 for ancillary services will include the rule language for the services available through the Community First Choice state plan amendment and the 1915(c) waivers operated by the Department that do not fall within the purview of community living supports.
- OAR chapter 411, division 375 for independent providers will include the qualifications and standards for independent providers and employers.

Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently updating the rules for children's intensive in-home services (CIIS) in OAR chapter 411, division 300 to make permanent the temporary rule changes that became effective on January 1, 2016.

In addition, the Department is restructuring the CIIS rules to ensure uniform standards, provide more consistency, consolidate requirements, remove redundancies, and reduce the need for multiple rule changes in the future. Specifically, the Department is:

- Addressing the three CIIS programs (Behavior Program, Medically Fragile Children's Services (MFC), and Medically Involved

Children's Program (MICP)) in one rule and repeal the rules in OAR chapter 411, division 350 and 355;

- Removing:

- Terms included in the general definitions rule, OAR 411-317-0000;

- The requirements now found in OAR chapter 411, division 415 related to the delivery of case management services and other service access activities, including related requirements for CIIS services coordinators;

- Standards for employers and independent providers, including personal support workers now found in OAR chapter 411, division 375; and

- Community First Choice (K Plan) and waiver service descriptions as they are now included in OAR chapter 411, division 435 (Ancillary Services) and OAR chapter 411, division 450 (Community Living Supports);

- Incorporating the adoption of the rules for home and community-based (HCB) services and settings and person-centered service planning in OAR chapter 411, division 004 to implement the regulations and expectations of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS); and

- Moving the content related to private duty nursing and clarify the eligibility criteria for private duty nursing services authorized and administered by the MFC Program for children and young adults residing in the family home or a foster home.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-300-0100
Statement of Purpose

(1) The rules in OAR chapter 411, division 300 prescribe standards, responsibilities, and procedures for the Department to partner with families and community partners in the delivery of specialized in-home services through a combination of Community First Choice state plan services and one of three Children's Intensive In-Home Services (CIIS) Programs.

(2) CIIS programs are comprised of three 1915(c) Home and Community-Based Services (HCBS) Model Waivers:

(a) Behavioral Model Waiver services are exclusively intended for a child with an intellectual or developmental disability with significant behaviors as indicated by the Behavior Criteria who require an ICF/ID level of care.

(b) Medically Fragile Model Waiver services are exclusively intended for a child with significant medical needs as indicated by the Medically Fragile Clinical Criteria who require a hospital level of care.

(c) Medically Involved Model Waiver services are exclusively intended for a child with significant medical needs as indicated by the Medically Involved Children's Waiver Criteria who require a nursing facility level of care.

(3) The goals of CIIS are to:

(a) Provide appropriate supports and services to ensure health and safety in the family home;

(b) Maximize independence and increase the ability to engage in a life that is fully integrated into the community; and

(c) Prevent out-of-home placement of the child.

(4) CIIS complement and supplement the services that are available through the State Medicaid Plan and other federal, state, and local programs as well as the natural supports that families and communities provide.

(5) CIIS are delivered in a setting that is in compliance with OAR 411-004-0020(1).

411-300-0110
Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 300:

(1) "ADL" means "activities of daily living".

(2) "Alternative Resources" mean possible resources available for the provision of supports to meet the needs of a child. Alternative resources include, but are not limited to, private or public insurance, vocational rehabilitation services, supports available through the Oregon Department of Education, or other community supports.

(3) "Behavior Criteria" means the criteria used by the Department to evaluate the intensity of the behaviors, challenges, and service needs of a child and to determine eligibility for the ICF/ID Behavioral Model Waiver.

(4) "CDDP" means "Community Developmental Disabilities Program".

(5) "Child" means an individual who is less than 18 years of age, and applying for, or accepted for, CIIS.

(6) "CIIS" means "Children's Intensive In-home Services". CIIS includes case management from a Department-employed services coordinator and the services authorized by the Department delivered through:

(a) The ICF/ID Behavioral Program;

(b) The Medically Fragile Children's Program; and

(c) The Medically Involved Children's Program.

(7) "Clinical Criteria" means the Clinical Criteria used by the Department to assess a child's initial and ongoing eligibility for the Medically Fragile Children's Program and the support needs of a child annually, or as needed, to determine the overall assessed needs of the child. The Clinical Criteria incorporates documentation of the requirement for "Assist" or "Full Assist" in activities outlined in OAR 411-015-0010.

(8) "Cost Effective" means being responsible and accountable with Department resources by offering less costly alternatives when providing choices that adequately meet the support needs of a child. Less costly alternatives include other programs available from the Department and the utilization of assistive devices, natural supports, environmental modifications, and alternative resources. Less costly alternatives may include resources not paid for by the Department.

(9) "Daily Activity Log" means the record of services provided by a paid care provider to a child. The content and form of a daily activity log is agreed upon by both the parent or guardian and the services coordinator and documented in the ISP for the child.

(10) "Delegation" is the process where a registered nurse authorizes an unlicensed person to perform nursing tasks and confirms that authorization in writing. Delegation may occur only after a registered nurse follows all steps of the delegation process as outlined in OAR chapter 851, division 047.

(11) "Entry" means admission to a Department-funded service.

(12) "Exit" means termination or discontinuance of enrollment in CIIS.

(13) "Expenditure Guidelines" mean the guidelines published by the Department that describe allowable uses for Department funds. The Department incorporates the Expenditure Guidelines into these rules by this reference. The Expenditure Guidelines are maintained by the Department at: http://www.oregon.gov/dhs/dd/. Printed copies may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, Oregon 97301.

(14) "Family":

(a) Means a unit of two or more people that includes at least one child who is eligible for CIIS where the primary caregiver is:

(A) Related to the child by blood, marriage, or legal adoption; or

(B) In a domestic relationship where partners share:

(i) A permanent residence;

(ii) Joint responsibility for the household in general, such as child-rearing, maintenance of the residence, and basic living expenses; and

(iii) Joint responsibility for supporting a child when the child is related to one of the partners by blood, marriage, or legal adoption.

(b) The term "family" is defined as described above for purposes of:

(A) Determining the eligibility of a child for enrollment into CIIS as a resident in the family home;

(B) Identifying people who may apply, plan, and arrange for individual services; and

(C) Determining who may receive family training.

(15) "Family Home" means the primary residence for a child that is not under contract with the Department to provide services as a certified foster home or a licensed or certified residential care facility, assisted living facility, nursing facility, or other residential setting.

(16) "ICF/ID Behavioral Model Waiver" means the 1915(c) Home and Community-Based Services waiver granted by the federal Centers for Medicare and Medicaid Services that allows Medicaid funds to be spent on a child living in the family home who otherwise would have to be served in an intermediate care facility for individuals with intellectual or developmental disabilities if the waiver was not available.

(17) "ISP" means "Individual Support Plan".

(18) Medically Fragile Model Waiver" means the 1915(c) Home and Community-Based Services waiver granted by the federal Centers for Medicare and Medicaid Services that allows Medicaid funds to be spent on children living in the family home who otherwise would have to be served in a hospital if the waiver was not available.

(19) "Medically Involved Criteria" means the criteria used by the Department to evaluate the intensity of the physical and medical challenges of a child and to determine eligibility for MICW services.

(20) "MFC" means "Medically Fragile Children". Medically fragile children have a health impairment that requires, intensive, specialized services on a daily basis, who have been found eligible for MFC services by the Department.

(21) "MICW" means "Medically Involved Children's Waiver". MICW is the waiver granted by the federal Centers for Medicare and Medicaid Services that allows Medicaid funds to be spent on a child living in the family home who otherwise would have to be served in a nursing facility if the waiver program was not available.

(22) "OHP" means the Oregon Health Plan.

(23) "Parent" means the biological parent, adoptive parent, or stepparent of a child. Unless otherwise specified, references to parent also include a person chosen by the parent or guardian to serve as the designated representative of the parent or guardian in connection with the provision of Department funded supports.

(24) "Primary Caregiver" means the parent, guardian, relative, or other non-paid parental figure of a child that normally provides direct care to the child. In this context, the term parent or guardian may include a designated representative.

(25) "Private Duty Nursing" means the nursing services described in OAR 411-300-0150 that are determined medically necessary to support a child or young adult receiving MFC services in the family home.

(26) "Support" means the assistance that a child and a family requires, solely because of the effects of the qualifying disability of the child, to maintain or increase the age-appropriate independence of the child, achieve age-appropriate community presence and participation of the child, and to maintain the child in the family home. Support is subject to change with time and circumstances.

(27) "These Rules" mean the rules in OAR chapter 411, division 300.

(28) "Young Adult" means an individual aged 18 through 20.

411-300-0120
Eligibility for CIIS

(1) ASSESSMENT. An assessment of a child for a determination of eligibility for entry into CIIS, may be requested by a services coordinator, or the legal guardian.

(2) GENERAL ELIGIBILITY. In order to be eligible for CIIS, a child must:

(a) Be under the age of 18 or under 21 for young adults who meet the requirements of section (5) of this rule and are accessing Private Duty Nursing services only.

(b) Be an Oregon resident who meets the citizenship and alien status requirements of OAR 461-120-0110.

(c) Be receiving Medicaid Title XIX benefits under OSIPM. A child receiving CHIP Title XXI benefits is not eligible to receive supports and services through CIIS.

(d) For a child with excess income, contribute to the cost of services pursuant to OAR 461-160-0610 and 461-160-0620.

(e) Reside in the family home (except for children or young adults living in foster care who are eligible for private duty nursing services only).

(f) Be safely served in the family home. This includes, but is not limited to, a qualified primary caregiver demonstrating the willingness, skills, and ability to provide direct care as outlined in an ISP in a cost effective manner, as determined by a services coordinator, and participate in planning, monitoring, and evaluation of the services provided.

(3) ELIGIBILITY FOR ICF/ID BEHAVIOR PROGRAM. In addition to the requirements listed in section (2) of this rule, a child must:

(a) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080;

(b) Meet the ICF/IDD level of care as defined in OAR 411-317-0000; and

(c) Be accepted by the Department by scoring 200 or greater on the Behavior Conditions Criteria within two months prior to starting services and maintain a score of 200 or greater as determined by reassessment annually.

(4) ELIGIBILITY FOR MEDICALLY FRAGILE CHILDREN'S WAIVER. In addition to the requirements listed in section (2) of this rule, a child must:

(a) Meet the hospital level of care defined in OAR 411-317-0000.

(b) Be accepted by the Department by scoring 45 or greater on the MFC Clinical Criteria prior to starting services and have a status of medical need that is likely to last for more than two months and maintain a score of 45 or greater on the MFC Clinical Criteria as assessed every six months.

(5) ELIGIBILITY FOR INDIVIDUALS TO RECEIVE PRIVATE DUTY NURSING SERVICES THROUGH THE MEDICALLY FRAGILE CHILDREN'S PROGRAM. A child or young adult who is not enrolled on the MFC Waiver and who resides in a foster home or their family home may be eligible for private duty nursing when the requirements listed in section (2) of this rule are met, and the individual:

(a) Is accepted by the Department by scoring 45 or greater on the MFC Clinical Criteria prior to starting services and have a status of medical need that is likely to last for more than two months and maintain a score of 45 or greater on the MFC Clinical Criteria as assessed every six months.

(b) Resides in a foster home is eligible for private duty nursing only as described in OAR 411-300-0150;

(c) Meets the requirements to receive Private Duty Nursing only as described in OAR 411-300-0150 when a young adult resides in the family home.

(6) ELIGIBILITY FOR MEDICALLY INVOLVED CHILDREN'S WAIVER. In addition to the requirements listed in section (2) of this rule, a child must:

(a) Meet the nursing facility level of care as defined in OAR 411-317-0000;

(b) Be accepted by the Department by scoring 100 or greater on the MICW Criteria and maintain an eligibility score of 100 or greater as determined by reassessment annually; and

(c) Require services offered under the Medically Involved Children's Waiver.

(7) EXIT. A child may be exited from CIIS in any of the following circumstances:

(a) The child is exited from case management services as described in OAR 411-415-0030.

(b) The child no longer meets the general eligibility criteria in section (2) of this rule.

(c) The child or no longer meets the eligibility requirements for:

(A) The ICF/ID Behavioral Program described in section (3) of this rule;

(B) The Medically Fragile Children's Program described in section (4) of this rule; and

(C) The Medically Involved Children's Program described in section (5) of this rule.

(d) A young adult no longer meets criteria for Private Duty Nursing Services as described in OAR 411-300-0150.

(e) The Department has sufficient evidence the parent or guardian has engaged in fraud or misrepresentation, failed to use resources as agreed upon in the ISP, refused to cooperate with documenting expenses of Department funds, or otherwise knowingly misused public funds associated with CIIS.

(f) The child is incarcerated or admitted to a medical hospital, psychiatric hospital, sub-acute facility, nursing facility, intermediate care facility for individuals with intellectual or developmental disabilities, foster home, or other 24-hour residential setting and it is determined that the child is not returning to the family home or is not returning to the family home after 90 consecutive days.

(g) At the oral or written request of a parent or guardian to end the service relationship and documented in the file of the child.

(h) The child may not be safely served in the family home as described in section (2)(f) of this rule.

(i) The parent, guardian and child either cannot be located or has not responded after 30 days of repeated attempts by a services coordinator to complete ISP development or monitoring activities including participation in a functional needs assessment.

(j) The child does not reside in Oregon.

(8) TRANSITION DUE TO INELIGIBILITY FOR CIIS.

(a) A child who no longer meets eligibility criteria must be transitioned from CIIS no later than 30 days from the date of the assessment that determined ineligibility for the program.

(b) The CIIS program shall assist families to identify alternate resources.

(c) In the event a CIIS model waiver program enrollment is ended, a written Notification of Planned Action must be provided as described in OAR chapter 411, division 318.

(9) WAIT LIST. If the maximum number of children allowed on the approved Model Waiver are enrolled and being served in the program, the Department may place a child eligible for CIIS on a wait list. A child on the wait list may access other Medicaid or General Fund services for which the child is determined eligible.

(a) The date the Department has received the initial completed application for CIIS determines the order on the wait list.

(b) A child who was previously enrolled in CIIS and currently meets the criteria for eligibility as described in section (2) of this rule, is put on the wait list as of the date the original application for CIIS was complete.

(c) The date the application for CIIS is complete is the date that the Department has received the complete referral.

(d) Children on the wait list are served on a first come, first served basis as space in CIIS allows. A reassessment is completed prior to entry to determine current eligibility. A child must be:

(A) Reassessed for the behavior model waiver if the current assessment is more than 60 days old.

(B) Reassessed for the Medically Involved Waiver if the current assessment is more than 120 days old.

(C) Newly assessed for the Medically Fragile waiver.

(e) A child on the wait list is prioritized for entry into the Medically Involved Children's Waiver if the child is currently residing in a nursing facility for long term care and the family of the child wishes the child to return home, or the child resides in the community and is at imminent risk of placement in a nursing facility. An evaluation is completed prior to entry to determine current eligibility.

Scope of CIIS and Limitations

(1) Services available through CIIS are intended to support, not supplant, the naturally occurring services provided by a legally responsible primary caregiver and enable the primary caregiver to meet the needs of caring for a child in CIIS. CIIS services are not meant to replace other available governmental or community services and supports. All services funded by the Department must be provided in accordance with the Expenditure Guidelines and based on the actual and customary costs related to best practice standards of care for children with similar disabilities.

(2) A services coordinator is required to provide case management and other supports described in OAR chapter 411, division 415.

(3) To be authorized and eligible for payment by the Department, all CIIS services and supports must be:

(a) Directly related to the disability of the child or young adult;

(b) Required to maintain health and safety of a child;

(c) Cost effective;

(d) Considered not typical for a parent or guardian to provide to a child of the same age;

(e) Required to help the parent or guardian to continue to meet the needs of caring for the child;

(f) Included in an approved ISP;

(g) Provided in accordance with the Expenditure Guidelines; and

(h) Based on the actual and customary costs related to best practice standards of care for children with similar disabilities.

(4) Department funds may be used to purchase a combination of the following:

(a) Ancillary services as described in OAR chapter 411, division 435;

(b) Community living supports as described in OAR chapter 411, division 450;

(c) CIIS services as described in these rules;

(d) State Plan personal care services as described in OAR chapter 411, division 034; and

(e) Private duty nursing as described in OAR chapter 410, division 132.

(5) BEHAVIOR SUPPORT SERVICES. Positive Behavioral Support Services are provided to assist individuals with behavioral challenges due to their disability, that prevent them from accomplishing ADL's, IADL's, and health related tasks. Positive Behavior Support Services include coaching and support of positive behaviors, behavior modification and intervention supports to allow individuals to develop, maintain or enhance skills to accomplish ADL's, IADLs and health related tasks. The need for these services is determined through a functional needs assessment and the individual's goals as identified in the person centered planning process. Positive Behavioral Support Services may also include consultation to the care provider on how to mitigate behavior that may place the individual's health and safety at risk and prevent institutionalization. Services may be implemented in the home or community, based on an individual's assessed needs. All activities must be for the direct benefit of the Medicaid beneficiary.

(a) A qualified behavior consultant must:

(A) Work with the child, primary caregiver, and if applicable, caregivers to:

(i) Address the needs of the person to acquire, maintain and enhance skills necessary for the individual to accomplish activities of daily living, instrumental activities of daily living and health related tasks.

(ii) Areas of the family home life that are of most concern for the child and the parent or guardian;

(iii) The formal or informal responses the family or the provider has used in those areas; and

(iv) The unique characteristics of the child and family that may influence the responses that may work with the child.

(B) Assess the child. The assessment must include:

(i) Specific identification of the behaviors or areas of concern;

(ii) Identification of the settings or events likely to be associated with, or to trigger, the behavior;

(iii) Identification of early warning signs of the behavior;

(iv) Identification of the probable reasons that are causing the behavior and the needs of the child that are met by the behavior, including the possibility that the behavior is:

(I) An effort to communicate;

(II) The result of a medical condition;

(III) The result of an environmental cause; or

(IV) The symptom of an emotional or psychiatric disorder.

(v) Evaluation and identification of the impact of disabilities (i.e. autism, blindness, deafness, etc.) that impact the development of strategies and affect the child and the area of concern; and

(vi) An assessment of current communication strategies.

(C) Develop a variety of positive strategies that assist the primary caregiver and the provider to help the child use acceptable, alternative actions to assist the individual to develop or enhance skills to accomplish ADL/IADL and health related tasks in the safest, most positive, and cost effective manner. These strategies may include changes in the physical and social environment, developing effective communication, and appropriate responses by the primary caregiver.

(i) When interventions in behavior are necessary, the interventions must be performed in accordance with positive behavioral theory and practice as defined in OAR 411-317-0000.

(ii) The least intrusive intervention possible to keep the child and others safe must be used.

(iii) Abusive or demeaning interventions must never be used.

(iv) The strategies must be adapted to the specific disabilities of the child and the style or culture of the family.

(D) Develop a written Behavior Support Plan using clear, concrete language that is understandable to the individual, primary caregiver and the provider that describes the assessment, strategies, and procedures to be used.

(E) Develop emergency and crisis procedures to be used to keep the child, primary caregiver, and the provider safe. When interventions in the behavior of the child are necessary, positive, preventative, non-aversive interventions that conform to OIS must be utilized. The use of protective physical intervention must be part of the Behavior Support Plan for the child. When protective physical intervention is required, the protective physical intervention must only be used as a last resort and the provider must be appropriately trained in OIS.

(F) Teach the primary caregiver and the provider the strategies and procedures to be used.

(G) Monitor and revise the Behavior Support Plan as needed.

(b) Behavior support services may include:

(A) Training a primary caregiver or provider of a child on the behavior modifications and interventions identified in the BSP;

(B) Developing a visual communication system as a strategy for behavior support; and

(C) Communicating, as authorized by a parent or guardian through a release of information, with other professionals about the strategies and outcomes of the Behavior Support Plan as written in the Behavior Support Plan within authorized consultation hours only.

(c) Behavior support services exclude:

(A) Rehabilitation or treatment of mental health conditions, including but not limited to therapy or counseling;

(B) Health or mental health plan coverage;

(C) Educational services including, but not limited to, consultation and training for classroom staff;

(D) Adaptations to meet the needs of a child at school;

(E) An assessment in a school setting;

(F) Attendant care;

(G) Relief care; or

(H) Communication or activities not directly related to the development, implementation, or revision of the Behavior Support Plan.

(6) PRIVATE DUTY NURSING. If the service needs of a child or young adult enrolled in the Medically Fragile Children's Program require the presence of an RN or LPN on an ongoing basis as determined medically necessary based on the clinical criteria and the functional needs assessment of the child or young adult, private duty nursing services may be allocated to ensure medically necessary supports are provided.

(a) Private duty nursing may be provided on a shift staffing basis as necessary.

(b) Private duty nursing must be delivered by a licensed RN or LPN, who does not have limitations of service provision as defined in OAR 410-132-0080, as determined by the service needs of the child or young adult and documented in the ISP and Nursing Service Plan.

(c) The amount of private duty nursing available to a child or young adult is based on the acuity level of the child or young adult as measured by the MFC Clinical Criteria as follows:

(A) Level 1. Score of 75 or above and on a ventilator for 20 hours or more per day = up to a maximum of 554 nursing hours per month;

(B) Level 2. Score of 70 or above = up to a maximum of 462 nursing hours per month;

(C) Level 3. Score of 65 to 69 = up to a maximum of 385 nursing hours per month;

(D) Level 4. Score of 60 to 64 = up to a maximum of 339 nursing hours per month;

(E) Level 5. Score of 50 to 59 or if a child requires ventilation for sleeping hours = up to a maximum of 293 nursing hours per month; and

(F) Level 6. Score of 45 to 49 = up to a maximum of 140 nursing hours per month.

(7) All requests for expenditures exceeding limitations in the Expenditure Guidelines must be authorized by the Department. The approval of the Department is limited to 90 days unless re-authorized. A request for a General Fund expenditure or an expenditure exceeding limitations in the Expenditure Guidelines is only authorized in the following circumstances:

(a) The child is not safely served in the family home without the expenditure;

(b) The expenditure provides supports for the emerging or changing service needs or behaviors of the child;

(c) A significant medical condition or event, as documented by a primary care provider, prevents or seriously impedes the primary caregiver from providing services; or

(d) The program determines, with a behavior consultant or medical professional, that the child needs two staff present at one time to ensure the safety of the child and others. Prior to approval, the services coordinator must determine that a caregiver, including the parent or guardian, has been trained in behavior or medical management and that all other feasible recommendations from the behavior consultant or medical professional and the services coordinator have been implemented.

CIIS Documentation Needs

(1) Documentation of services provided, including but not limited to daily activity logs as prescribed by the services coordinator, must be provided to the services coordinator upon request or as outlined in the ISP and maintained in the family home or the place of business of the provider of services. The Department does not pay for services that are not outlined in the ISP.

(2) Daily activity logs must be completed by the provider for each shift worked and the responsibility to complete daily activity logs must be listed in the service agreement for the provider.

(3) Providers must maintain documentation of provided services for at least seven years from the date of service. If a provider is a nurse, the nurse must either maintain documentation of provided services for at least five years or send the documentation to the Department.

(4) Providers must furnish requested documentation immediately upon the written request from the Department, the Oregon Department of Justice Medicaid Fraud Unit, Centers for Medicare and Medicaid Services, or their authorized representatives, and within the time frame specified in the written request. Failure to comply with the request may be considered by the Department as reason to deny or recover payments.

(5) Access to records by the Department, including but not limited to medical, nursing, behavior, psychiatric, or financial records, and specifically including daily activity logs and records by providers and vendors providing goods and services, does not require an authorization for release of information by the child as applicable, or the parent or guardian of the child.

(6) CIIS services coordinators must comply with documentation requirements as described in OAR 411-415-0110.

Rights, Complaints, Notification of Planned Action, and Hearings

(1) INDIVIDUAL RIGHTS.

(a) The rights of a child are described in OAR 411-318-0010.

(b) Upon entry and request and annually thereafter, the individual rights described in OAR 411-318-0010 must be provided to the child as applicable, and parent or guardian of the child.

(2) COMPLAINTS.

(a) Complaints must be addressed in accordance with OAR 411-318-0015.

(b) Upon entry and request and annually thereafter, the policy and procedures for complaints as described in OAR 411-318-0015 must be explained and provided to the child as applicable, and the parent or guardian of the child.

(3) NOTIFICATION OF PLANNED ACTION. In the event services are denied, reduced, suspended, or terminated, a written advance Notification of Planned Action (form APD 0947) must be provided as described in OAR 411-318-0020.

(4) HEARINGS.

(a) Hearings must be addressed in accordance with ORS Chapter 183 and OAR 411-318-0025.

(b) A parent or guardian may request a hearing as provided in ORS Chapter 183 and OAR 411-318-0025.

(c) Upon entry and request and annually thereafter, a notice of hearing rights and the policy and procedures for hearings as described in OAR chapter 411, division 318 must be explained and provided to the child as applicable, and the parent or guardian of the child.

Rule Caption: ODDS: Ancillary Services for Individuals Receiving Office of Developmental Disabilities Services
Adm. Order No.: APD 20-2016
Filed with Sec. of State: 6-29-2016
Certified to be Effective: 6-29-16
Notice Publication Date: 5-1-2016

Rules Adopted: 411-435-0010, 411-435-0020, 411-435-0030, 411-435-0040, 411-435-0050, 411-435-0060, 411-435-0070, 411-435-0080

Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is adopting rules for ancillary services in OAR chapter 411, division 435 to include eligibility requirements, service descriptions, service limits, and provider qualifications for certain services available under the 1915(k) and 1915(c) funding authorities. These rules are drawn from portions of existing, almost identical, rules in OAR chapter 411 divisions 300, 308, 330, 340, 350, and 355. The relevant portions of those rules are being repealed and put into this new division. Adopting OAR chapter 411, division 435 will assure that variations in the present rules are eliminated.

The Department is also incorporating new sections into OAR chapter 411, division 435 that were not in prior rules, including:

- Department-wide financial eligibility requirements for long-term services as described in OAR 461-145-0220.

- A requirement that an individual must receive three bids before making an environmental modification or environmental safety modification.

- Clarify the policy requiring that purchases made to meet a single identified goal on an ISP must be considered together as one cost for the purpose of triggering a review by the Department prior to the purchase.

- Prohibiting, in most circumstances, providers who may have an advantage in being selected due to their relationship with the individual from providing services to the individual with which the relationship exists.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-435-0010
Statement of Purpose

(1) These rules ensure individuals receiving services provided by the Department of Human Services, Office of Developmental Disabilities Services through the Community First Choice State Plan Amendment and 1915(c) waivers are able to maximize independence, empowerment, dignity, and human potential through the provision of flexible, efficient, and suitable services.

(2) These rules ensure equal access to individuals who are eligible for the ancillary services provided through these rules.

411-435-0020
Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 435:

(1) "ADL" means "Activities of Daily Living".

(2) "Ancillary Services" mean the array of services described in these rules that may be authorized as stand-alone services, separate from attendant care, relief care, and skills training, and an all-inclusive rate paid to a residential program or a foster care provider.

(3) "Assistive Devices" mean the ancillary service that makes available devices, aids, controls, supplies, or appliances necessary to enable an individual to increase the ability of the individual to perform ADL and IADLs or to communicate in the home and community. Assistive devices are available through the Community First Choice State Plan Amendment.

(4) "Assistive Technology" means the ancillary service that makes available devices, aids, controls, supplies, or appliances that are purchased to provide support for an individual and replace the need for direct interventions or to increase independence. Assistive technology is available through the Community First Choice State Plan Amendment.

(5) "CDDP" means "Community Developmental Disabilities Program".

(6) "Chore Services" mean the ancillary services that are needed to restore a hazardous or unsanitary situation in the home of an individual to a sanitary, safe environment. Chore services are available through the Community First Choice State Plan Amendment.

(7) "CIIS" means "Children's Intensive In-home Services". CIIS include the services authorized by the Department delivered through:

(a) The ICF/ID Behavioral Program;

(b) The Medically Fragile Children's Program; and

(c) The Medically Involved Children's Waiver.

(8) "Community Nursing Services" means the ancillary service that provides for the nursing services that focus on the chronic and ongoing health and safety needs of an individual. Community nursing services are provided according to the rules in OAR chapter 411, division 048 and the Oregon State Board of Nursing rules in OAR chapter 851. Community nursing services are available through the Community First Choice State Plan Amendment.

(9) "Environmental Modifications" mean the ancillary service that provides for physical adaptations that are necessary to ensure the health, welfare, and safety of an individual in his or her own home, or that are necessary to enable the individual to function with greater independence around his or her own home or lead to a substitution for, or decrease in, direct human assistance to the extent expenditures may otherwise be made for human assistance. Environmental modifications are available through the Community First Choice State Plan Amendment.

(10) "Environmental Safety Modifications" mean the ancillary service that provides for physical adaptations that are made to the exterior of the home of an individual or the home of the family of the individual as identified in the ISP for the individual to ensure the health, welfare, and safety of the individual or to enable the individual to function with greater independence around the home or lead to a substitution for, or decrease in, direct human assistance to the extent expenditures may otherwise be made for human assistance. Environmental safety modifications are available through a 1915(c) waiver.

(11) "Family Training" means the ancillary service that provides for the training services that are available to the family of an individual to increase the capacity of the family to care for, support, and maintain the individual in the home of the individual. Family training is available through a 1915(c) waiver.

(12) "IADL" means "Instrumental Activities of Daily Living".

(13) "Individual-Directed Goods and Services" means the ancillary service that provides for services, equipment, or supplies not otherwise provided through other waiver or state plan services, that address an identified need in an ISP. Individual-directed goods and services may include services, equipment, or supplies that maintain a child in the community. Individual-directed goods and services are available through a 1915(c) waiver.

(14) "In-Home Expenditure Guidelines" mean the guidelines published by the Department that describe allowable uses for Department funds. Effective January 1, 2015, the Department incorporates Version 2.0 of the In-home Expenditure Guidelines into these rules by this reference. The In-home Expenditure Guidelines are maintained by the Department at: http://www.oregon.gov/dhs/dd/adults/ss_exp_guide.pdf. A printed copy may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, Oregon 97301.

(15) "ISP" means "Individual Support Plan".

(16) "OCCS" means the "Oregon Health Authority, Office of Client and Community Services".

(17) "OHP" means "Oregon Health Plan".

(18) "OSIPM" means "Oregon Supplemental Income Program-Medical".

(19) "Scope of Work" means the written statement of all proposed work requirements for an environmental modification which may include dimensions, measurements, materials, labor, any pertinent building permits, and outcomes necessary for a contractor to submit a proposal to complete such work. The scope of work is specific to the identified tasks and requirements necessary to address the needs outlined in the supplemental assessment referenced in the ISP and relating to the ADL, IADL, and health-related tasks of the individual as discussed by the individual, designated representative, legal representative, homeowner, case manager, and ISP team.

(20) "Special Diets" means the ancillary service that provides for the specially prepared food or particular types of food that are specific to the medical condition or diagnosis of an individual and in support of an evidence-based treatment regimen.

(21) "Specialized Medical Supplies" mean the ancillary service, available through a 1915(c) waiver, that provides for medical and ancillary supplies such as:

(a) Necessary medical supplies specified in an ISP that are not available through state plan or alternative resources;

(b) Ancillary supplies necessary to the proper functioning of items necessary for life support or to address physical conditions; and

(c) Supplies necessary for the continued operation of augmentative communication devices or systems.

(22) "These Rules" mean the rules in OAR chapter 411, division 435.

(23) "Transition Costs" means the ancillary service that provides for expenses such as rent and utility deposits, first month's rent and utilities, bedding, basic kitchen supplies, and other necessities required for an individual to make the transition from residing in a nursing facility or intermediate care facility for individuals with intellectual or developmental disabilities to residing in a community-based home. Transition costs are available through the Community First Choice State Plan Amendment.

(24) "Vehicle Modifications" means the ancillary service that provides for the adaptations or alterations that are made to the vehicle that is the primary means of transportation for an individual in order to accommodate the service needs of the individual. Vehicle modifications are available through a 1915(c) waiver.

411-435-0030
General Eligibility for Ancillary Services

(1) To be eligible for ancillary services an individual must:

(a) Be an Oregon resident.

(b) Be enrolled at a CDDP, a Brokerage, or a CIIS program.

(c) Be receiving Medicaid Title XIX (OHP) benefit package through OSIPM or OCCS medical program. Individuals receiving Medicaid OHP under OCCS medical coverage for services in a nonstandard living arrangement as defined in OAR 461-001-0000 are subject to the requirements in the same manner as if they were requesting these services under OSIPM, including the rules regarding:

(A) The transfer of assets as set forth in OAR 461-140-0210 to 461-140-0300; and

(B) The equity value of a home which exceeds the limits as set forth in OAR 461-145-0220.

(d) Be determined to meet the level of care as defined in OAR 411-415-0020.

(e) Demonstrate a need for the ancillary service.

(f) POST ELIGIBILITY TREATMENT OF INCOME. For individuals with excess income, contribute to the cost of service pursuant to OAR 461-160-0610 and 461-160-0620.

(g) For services available through the Community First Choice State Plan Amendment, participate in a functional needs assessment and provide information necessary to complete the functional needs assessments and reassessments within the time frame required by the Department.

(A) Failure to participate in the functional needs assessment or to provide information necessary to complete the functional needs assessment or reassessment within the applicable time frame results in the denial of service eligibility. In the event service eligibility is denied, a written Notification of Planned Action must be provided as described in OAR chapter 411, division 318.

(B) The Department may allow additional time if circumstances beyond the control of the individual or legal representative prevent timely participation in the functional needs assessment or timely submission of information necessary to complete the functional needs assessment or reassessment.

(h) A child receiving direct assistance funds under family support as described in OAR 411-305-0120 is not eligible to receive ancillary services.

(2) Additional service limits are described in these rules.

(3) Individuals who meet the general eligibility criteria described in this rule may be eligible for services equivalent to the services described in these rules from a residential program when the individual is enrolled to one through the program's all-inclusive rate.

411-435-0040
Conditions of Purchase

(1) Ancillary services must be authorized in an ISP consistent with OAR 411-415-0070.

(2) All ancillary services purchased must be in accordance with the In-home Expenditure Guidelines.

(3) Department funds may not be used for:

(a) A reimbursement to an individual, or the legal or designated representative or family of the individual, for expenses related to ancillary services.

(b) An advance payment of funds to an individual, or the legal or designated representative or family of the individual, to obtain ancillary services.

(c) Services, materials, or activities that are illegal.

(d) Services or activities that are carried out in a manner that constitutes abuse as defined in OAR 407-045-0260.

(e) Materials or equipment that has been determined unsafe for the general public by recognized consumer safety agencies.

(f) The purchase of a vehicle.

(g) Health and medical costs that the general public normally must pay, including, but not limited to:

(A) Medications;

(B) Health insurance co-payments;

(C) Mental health evaluation and treatment;

(D) Dental treatments and appliances;

(E) Medical treatments;

(F) Dietary supplements; or

(G) Treatment supplies not related to nutrition, incontinence, or infection control.

(h) Ambulance services.

(i) Legal fees including, but not limited to, costs of representation in educational negotiations, establishing trusts, or creating guardianships.

(j) Vacation costs that are normally incurred by a person on vacation, regardless of disability, and are not strictly required by the need of the individual for personal assistance in all home and community-based settings.

(k) Services or supports that are not necessary or cost-effective.

(l) Services that do not meet the description of ancillary services as described these rules, or that do not meet the definition of social benefits as defined in OAR 411-317-0000.

(m) Services, activities, materials, or equipment that may be obtained by the individual through other available means, such as private or public insurance, philanthropic organizations, or other governmental or public services.

(n) Services or activities for which the legislative or executive branch of Oregon government has prohibited use of public funds.

(o) Any purchase that is not generally accepted by the relevant mainstream professional or academic community as an effective means to address an identified support need.

(p) Services, supplies, or supports that are illegal, experimental, or determined unsafe for the general public by recognized child or consumer safety agencies.

(q) Services provided in a nursing facility, correctional institution, or hospital.

(r) Services, activities, materials, or equipment that may be obtained by the individual or the individual's family through alternative resources or natural supports.

(s) Services when there is sufficient evidence to believe that an individual or legal representative, or a provider chosen by an individual, has engaged in fraud or misrepresentation, failed to use resources as agreed upon in an ISP, refused to accept or delegate record keeping required to document use of Department funds.

411-435-0050
Developmental Disabilities Community First Choice Ancillary Services

The ancillary services described in this rule are available through the Community First Choice state plan amendment.

(1) COMMUNITY NURSING SERVICES.

(a) In addition to the general eligibility criteria listed in OAR 411-435-0030, to access community nursing services an individual may not be enrolled in a 24 hour residential program under OAR chapter 411, division 325. An individual enrolled in a supported living program under OAR chapter 411, division 328 is eligible to access community nursing services when the cost of the service is not included in the rate paid to the provider.

(b) Community nursing services include:

(A) Nursing assessments, including medication reviews;

(B) Care coordination;

(C) Monitoring;

(D) Development of a Nursing Service Plan;

(E) Delegation and training of nursing tasks to a provider and primary caregiver;

(F) Teaching and education of the provider and primary caregiver and identifying supports that minimize health risks while promoting the autonomy of an individual and self-management of healthcare; and

(G) Collateral contact with a case manager regarding the community health status of an individual to assist in monitoring safety and well-being and to address needed changes to the ISP for the individual.

(c) Community nursing services exclude direct nursing services as described in OAR chapter 411, division 380 and private duty nursing described in OAR chapter 411, division 300.

(d) A Nursing Service Plan must be present when Department funds are used for community nursing services. A case manager must authorize the provision of community nursing services as identified in an ISP.

(e) After an initial nursing assessment, a nursing re-assessment must be completed every six months or sooner if a change in a medical condition requires an update to the Nursing Service Plan.

(2) ENVIRONMENTAL MODIFICATIONS.

(a) In addition to the general eligibility criteria stated in OAR 411-435-0030, an individual may access this service if:

(A) Environmental modification may be reasonably expected to reduce the need for human assistance or increase an individual's independence with meeting an identified support need related to the completion of an ADL, IADL, or health related task; and

(B) The individual is not enrolled in a residential program, unless the enrollment is in a supported living program described in OAR chapter 411, division 328 and the dwelling is not a provider owned, controlled, or operated setting.

(b) Environmental modifications include, but are not limited to:

(A) Installation of shatter-proof windows;

(B) Hardening of walls or doors;

(C) Specialized, hardened, waterproof, or padded flooring;

(D) An alarm system for doors or windows;

(E) Protective covering for smoke alarms, light fixtures, and appliances;

(F) Installation of ramps, grab-bars, and electric door openers;

(G) Adaptation of kitchen cabinets and sinks;

(H) Widening of doorways;

(I) Handrails;

(J) Modification of bathroom facilities;

(K) Individual room air conditioners for an individual whose temperature sensitivity issues create behaviors or medical conditions that put the individual or others at risk;

(L) Installation of non-skid surfaces;

(M) Overhead track systems to assist with lifting or transferring;

(N) Specialized electric and plumbing systems that are necessary to accommodate the medical equipment and supplies necessary for the welfare of the individual; and

(O) Adaptations to control the home environment including lights and heat.

(c) Environmental modifications exclude:

(A) Adaptations or improvements to the home that are of general utility, such as carpeting, roof repair, and central air conditioning, unless directly related to the assessed health and safety needs of the individual and identified in the ISP for the individual as the most cost effective solution;

(B) Adaptations that add to the total square footage of the home except for ramps that attach to the home for the purpose of entry or exit;

(C) Except for ramps, adaptations outside of the home; and

(D) General repair or maintenance and upkeep required for the home.

(d) Environmental modifications must be tied to supporting assessed ADL, IADL, and health-related tasks as identified in the needs assessment and ISP for an individual.

(e) Environmental modifications are limited to $5,000 per modification. A case manager must request approval for additional expenditures through the Department prior to authorization of the service in an ISP. Approval is based on the service and support needs and goals of the individual and the determination by the Department of appropriateness and cost-effectiveness. In addition, separate environmental modification projects that cumulatively total up to over $5,000 in a plan year must be submitted to the Department for review.

(f) Any modification requiring a permit must be inspected by a local inspector and certified as in compliance with local codes. Certification of compliance must be filed in the file for the contractor prior to payment.

(g) Environmental modifications must be made within the existing square footage of the home, except for external ramps, and may not add to the square footage of the home.

(h) Payment to the contractor is to be withheld until the work meets specifications.

(i) A scope of work must be completed for each identified environmental modification project. All contractors submitting bids must be given the same scope of work.

(j) For all environmental modifications, a case management entity must assure a minimum of three written bids from qualified providers as described in OAR 411-435-0080 are acquired. When it is not possible to reasonably obtain three written bids, exceptions to this requirement may be granted by the Department.

(k) A case manager must assure the processes outlined in the In-home Expenditure Guidelines for contractor bids and the awarding of work are followed.

(l) All dwellings must be in good repair and have the appearance of sound structure.

(m) The identified home may not be in foreclosure or be the subject of legal proceedings regarding ownership.

(n) Environmental modifications must only be completed to the primary residence of the individual.

(o) Upgrades in materials that are not directly related to the health and safety needs of the individual are not paid for or permitted.

(p) Environmental modifications are subject to Department requirements regarding material and construction practices based on industry standards for safety, liability, and durability, as referenced in building codes, materials, manuals, and industry and risk management publications.

(q) RENTAL PROPERTY.

(A) Environmental modifications to rental property may not substitute or duplicate services otherwise the responsibility of the landlord under the landlord tenant laws, the Americans with Disabilities Act, or the Fair Housing Act.

(B) Environmental modifications made to a rental structure must have written authorization from the owner of the rental property prior to the start of the work.

(C) The Department does not fund work to restore the rental structure to the former condition of the rental structure.

(3) ASSISTIVE DEVICES. Assistive devices are primarily and customarily used to meet an ADL, IADL, or health-related support need. The purchase, rental, or repair of an assistive device with Department funds must be limited to the types of equipment and accessories that are not excluded under OAR 410-122-0080. An individual who meets the general eligibility criteria in OAR 411-435-0030 may access this service when assistive devices may be reasonably expected to reduce the need for human assistance, or increase an individual's independence, with meeting an identified support need related to the completion of an ADL, IADL, or health related task.

(a) Assistive devices may include the purchase of devices, aids, controls, supplies, or appliances primarily and customarily used to enable an individual to increase the ability of the individual to perform and support ADLs and IADLs or to communicate in the home and community.

(b) Assistive devices may be purchased with Department funds when the intellectual or developmental disability of an individual otherwise prevents or limits the independence of the individual in areas identified in a functional needs assessment.

(c) Assistive devices that may be purchased for the purpose described in subsection (b) of this section must be of direct benefit to the individual.

(d) Expenditures for assistive devices are limited to $5,000 per plan year without Department approval. Any single purchase costing more than $500 or any combination of items that meet a single assessed need totaling more than $500, must be approved by the Department prior to expenditure. A case manager must request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service and support needs and goals of the individual and a determination by the Department of appropriateness and cost-effectiveness.

(e) Devices must be limited to the least costly option necessary to meet the assessed need of an individual.

(f) Assistive devices must meet applicable standards of manufacture, design, and installation.

(g) Assistive devices exclude:

(A) Items that do not address the underlying need for the device;

(B) Items intended to supplant similar items furnished under OHP, private insurance, or alternative resources;

(C) Items that are unsafe for an individual;

(D) Toys or outdoor play equipment; and

(E) Equipment and furnishings of general household use.

(4) ASSISTIVE TECHNOLOGY Assistive technology is primarily and customarily used to provide additional safety and support and replace the need for direct interventions, to enable self-direction of care, or increase independence. An individual who meets the general eligibility criteria in OAR 411-435-0030 may access this service when assistive technology may be reasonably expected to reduce the need for human assistance, or increase an individual's independence, with meeting an identified support need related to the completion of an ADL, IADL, or health related task.

(a) Expenditures for assistive technology are limited to $5,000 per plan year without Department approval. Any single purchase costing more than $500, or any combination of items that meet a single assessed need totaling more than $500, must be approved by the Department prior to expenditure. A case manager must request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service and support needs and goals of the individual and a determination by the Department of appropriateness and cost-effectiveness.

(b) Payment for ongoing electronic back-up systems or assistive technology costs must be paid to providers each month after services are received.

(A) Ongoing costs do not include electricity or batteries.

(B) Ongoing costs may include minimally necessary data plans and the services of a company to monitor emergency response systems.

(c) Assistive technology includes, but is not limited to:

(A) Motion or sound sensors;

(B) Two-way communication systems;

(C) Automatic faucets and soap dispensers;

(D) Incontinence and fall sensors;

(E) Devices to secure assistance in an emergency in the community;

(F) Medication minders;

(G) Alert systems for ADL or IADL supports; or

(H) Mobile electronic devices or other electronic backup systems, including the expense necessary for the continued operation of the assistive technology.

(5) CHORE SERVICES.

(a) To be eligible to access chore services an individual must:

(A) Meet the general eligibility criteria in OAR 411-435-0030; and

(B) Not be enrolled in a residential program, unless the enrollment is in a supported living program described in OAR chapter 411, division 328 and the dwelling is not a provider owned, controlled, or operated setting.

(b) Chore services include heavy household chores, such as:

(A) Washing floors, windows, and walls;

(B) Tacking down loose rugs and tiles; and

(C) Moving heavy items of furniture for safe access and egress.

(c) Chore services may include yard hazard abatement to ensure the outside of the home is safe for the individual to traverse and enter and exit the home.

(d) Chore services may be provided only in situations where no one else is responsible to perform or pay for the services.

(6) COMMUNITY TRANSPORTATION.

(a) Community transportation may only be authorized on an ISP when an individual meets the general eligibility criteria in OAR 411-435-0030, voluntary natural supports or volunteer services are not available, when the individual is not enrolled in a residential program, when it is not the responsibility of the parent of a child, and one of the following is identified in the ISP of the individual:

(A) The individual has an assessed need for ADL, IADL, or health-related task during transportation; or

(B) The individual has either an assessed need for ADL, IADL, or health-related task at the destination or a need for waiver funded services at the destination.

(b) Community transportation includes, but is not limited to:

(A) Community transportation provided by a common carrier, taxicab, or bus in accordance with standards established for these entities.

(B) Reimbursement on a per-mile basis for transporting an individual to accomplish ADL, IADL, a health-related task, or employment goal identified in an ISP.

(C) The purchase of a bus pass.

(c) Community transportation must be provided in the most cost effective manner which meets the needs identified in the ISP for the individual.

(d) Community transportation expenses exceeding $500 per month must be approved by the Department.

(e) Community transportation must be prior authorized by a case manager and documented in an ISP. The Department does not pay any provider under any circumstances for more than the total number of hours, miles, or rides prior authorized by the case manager and documented in the ISP. Personal support workers who use their own personal vehicle for community transportation are reimbursed as described in OAR chapter 411, division 375.

(f) Mileage reimbursement for community transportation is only authorized when a provider is also being paid for delivering community living supports or job coaching. Mileage may not be authorized as a stand-alone payment.

(g) Community transportation services exclude:

(A) Medical transportation;

(B) Purchase or lease of a vehicle;

(C) Routine vehicle maintenance and repair, insurance, and fuel;

(D) Ambulance services;

(E) Costs for transporting a person other than the individual;

(F) Transportation for a provider to travel to and from the workplace of the provider;

(G) Transportation that is not for the sole benefit of the individual;

(H) Transportation as part of a vacation or trips for relaxation purposes;

(I) Transportation provided by family members who are not personal support workers;

(J) Reimbursement for out-of-state travel expenses;

(K) Mileage reimbursement to the individual or a personal support worker when the individual owns the vehicle doing the transportation;

(L) Transportation normally provided by schools;

(M) Transportation normally provided by a primary caregiver for a child of similar age without disabilities; and

(N) Transportation for a child that is typically the responsibility of a parent. Transportation for a child that is not typically a parental responsibility is limited to transportation:

(i) Concurrent with the delivery of relief care as described in OAR 411-450-0060; or

(ii) Included in a Behavior Support Plan.

(7) TRANSITION COSTS.

(a) To be eligible to access transition costs an individual must meet the general eligibility criteria in OAR 411-435-0030 and not be enrolled in a residential program.

(b) Transition costs are limited to an individual transitioning from residing in a nursing facility or intermediate care facility for individuals with intellectual or developmental disabilities to residing in a community-based home when the cost for the service is not included in the rate paid to the provider.

(c) Transition costs are based on an the assessed need of an individual determined during the person-centered service planning process and must support the desires and goals of the individual receiving services and supports. Final approval for transition costs must be through the Department prior to expenditure. The approval of the Department is based on the need of an individual and the determination by the Department of appropriateness and cost-effectiveness.

(d) Financial assistance for transition costs is limited to:

(A) Moving and move-in costs, including movers, cleaning and security deposits, payment for background or credit checks (related to housing), or initial deposits for heating, lighting, and phone;

(B) Payment of previous utility bills that may prevent the individual from receiving utility services and basic household furnishings, such as a bed; and

(C) Other items necessary to re-establish a home.

(e) Transition costs are provided no more than twice annually.

(f) Transitions costs for basic household furnishings and other items are limited to one time per year.

(g) Transition costs may not supplant the legal responsibility of the parent or guardian of a child. In this context, the term parent or guardian does not include a designated representative.

411-435-0060
Developmental Disabilities Waiver Services

The ancillary services described in this rule are available through the ICF/IDD Comprehensive Waiver, ICF/IDD Support Services Waiver, Medically Involved Children's Waiver, Medically Fragile (Hospital) Model Waiver, and Behavioral (ICF/IDD) Model Waiver.

(1) FAMILY TRAINING.

(a) To be eligible to access family training an individual must meet the general eligibility criteria in OAR 411-435-0030 and:

(A) Be enrolled in OSIPM; and

(B) Not be enrolled in a residential program.

(b) Family training services include:

(A) Instruction about treatment regimens and use of equipment specified in an ISP;

(B) Information, education, and training about the disability, medical, and behavioral conditions of an individual; and

(C) Registration fees for organized conferences and workshops specifically related to the intellectual or developmental disability of the individual or the identified, specialized, medical, or behavioral support needs of the individual.

(i) Conferences and workshops must be prior authorized by a case manager, directly relate to the intellectual or developmental disability of the individual, and increase the knowledge and skills of the family to care for and maintain the individual in the home of the individual.

(ii) Conference and workshop costs exclude:

(I) Travel, food, and lodging expenses;

(II) Services otherwise provided under OHP or available through other resources; or

(III) Costs for individual family members who are employed to care for the individual.

(c) Family training services exclude:

(A) Mental health counseling, treatment, or therapy;

(B) Training for a paid provider, including a paid family member;

(C) Legal fees;

(D) Training for a family to carry out educational activities in lieu of school;

(E) Vocational training for family members; and

(F) Paying for training to carry out activities that constitute abuse of an adult.

(d) Prior authorization by the case manager is required for attendance by family members at organized conferences and workshops funded with Department funds.

(2) ENVIRONMENTAL SAFETY MODIFICATIONS.

(a) To be eligible to access environmental safety modifications an individual must meet the general eligibility criteria in OAR 411-435-0030 and:

(A) Be enrolled in OSIPM; and

(B) Not enrolled in a residential program, unless the enrollment is in a supported living program described in OAR chapter 411, division 328 and the dwelling is not a provider owned, controlled, or operated setting.

(b) Environmental safety modifications must be made using materials of the most cost effective type and may not include decorative additions.

(c) Fencing may not exceed 200 linear feet without approval from the Department.

(d) Environmental safety modifications exclude:

(A) Large gates, such as automobile gates;

(B) Costs for paint and stain;

(C) Adaptations or improvements to the home that are of general utility and are not for the direct safety or long-term benefit to the individual or do not address the underlying environmental need for the modification;

(D) Adaptations that add to the total square footage of the home; and

(E) Adaptations that are prohibited by local codes and ordinances or neighborhood Covenants, Conditions, and Restrictions (CCR).

(e) Environmental safety modifications must be tied to supporting ADL, IADL, and health-related tasks as identified in the ISP.

(f) Environmental safety modifications are limited to $5,000 per modification. A case manager must request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service and support needs and goals of the individual and the determination by the Department of appropriateness and cost-effectiveness. In addition, separate environmental safety modification projects that cumulatively total up to over $5,000 in a plan year must be submitted to the Department for review.

(g) Environmental safety modifications must be completed by a state licensed contractor with a minimum of $1,000,000 liability insurance. Any modification requiring a permit must be inspected by a local inspector and certified as in compliance with local codes. Certification of compliance must be filed in the file for the contractor prior to payment.

(h) Environmental safety modifications must be made within the existing square footage of the home and may not add to the square footage of the home.

(i) Payment to the contractor is to be withheld until the work meets specifications.

(j) A scope of work as defined in OAR 411-435-0020 must be completed for each identified environmental safety modification project. All contractors submitting bids must be given the same scope of work.

(k) For all environmental safety modifications, a minimum of three written bids from qualified providers as described in OAR 411-435-0080 are required.

(l) A case manager must follow the processes outlined in the In-home Expenditure Guidelines for contractor bids and the awarding of work.

(m) The identified home may not be in foreclosure or the subject of legal proceedings regarding ownership.

(n) Environmental safety modifications must only be completed to the primary residence of the individual.

(o) Upgrades in materials that are not directly related to the health and safety needs of the individual are not paid for or permitted.

(p) Environmental safety modifications are subject to Department requirements regarding material and construction practices based on industry standards for safety, liability, and durability, as referenced in building codes, materials manuals, and industry and risk management publications.

(q) RENTAL PROPERTY.

(A) Environmental safety modifications to rental property may not substitute or duplicate services otherwise the responsibility of the landlord under the landlord tenant laws, the Americans with Disabilities Act, or the Fair Housing Act.

(B) Environmental safety modifications made to a rental structure must have written authorization from the owner of the rental property prior to the start of the work.

(C) The Department does not fund work to restore the rental structure to the former condition of the rental structure.

(3) VEHICLE MODIFICATIONS.

(a) To be eligible to access vehicle modifications an individual must meet the general eligibility criteria in OAR 411-435-0030 and:

(A) Be enrolled in OSIPM; and

(B) Not be enrolled in a residential program.

(b) Vehicle modifications may only be made to the vehicle primarily used by an individual to meet the unique needs of the individual. Vehicle modifications may include a lift, interior alterations to seats, head and leg rests, belts, special safety harnesses, other unique modifications to keep the individual safe in the vehicle, and the upkeep and maintenance of a modification made to the vehicle.

(c) Vehicle modifications exclude:

(A) Adaptations or improvements to a vehicle that are of general utility and are not of direct medical benefit to the individual or do not address the underlying need for the modification;

(B) The purchase or lease of a vehicle; or

(C) Routine vehicle maintenance and repair.

(d) Vehicle modifications are limited to $5,000 per modification. A services coordinator must request approval for additional expenditures through the Department prior to expenditure. Approval is based on the service and support needs and goals of the individual and the determination by the Department of appropriateness and cost-effectiveness. In addition, separate vehicle modification projects that cumulatively total up to over $5,000 in a plan year must be submitted to the Department for review.

(e) Vehicle modifications must meet applicable standards of manufacture, design, and installation.

(4) SPECIALIZED MEDICAL SUPPLIES. Specialized medical supplies do not cover services which are otherwise available to an individual under Vocational Rehabilitation and Other Rehabilitation Services, 29 U.S.C. 701-7961, as amended, or the Individuals with Disabilities Education Act, 20 U.S.C. 1400 as amended. Specialized medical supplies may not overlap with, supplant, or duplicate other services provided through a waiver, OHP, or Medicaid state plan services. To be eligible to access specialized medical supplies an individual must meet the general eligibility criteria in OAR 411-435-0030 and be enrolled in OSIPM.

411-435-0070

Developmental Disabilities Other Waiver Services

(1) SPECIAL DIET. Special diets are specially prepared food or particular types of food, ordered by a physician and periodically monitored by a dietician, specific to the medical condition or diagnosis of an individual that are needed to sustain the individual in the home of the individual. Special diets are supplements and are not intended to meet the complete daily nutritional requirements of the individual. Special diet supplies must be supported by an evidence-based treatment regimen. This ancillary serv-

ice is available through the ICF/IDD Support Services Waiver, Medically Involved Children's Waiver, Medically Fragile (Hospital) Model Waiver, and Behavioral (ICF/IDD) Model Waiver.

(a) Specials diets are available to only individuals who meet the general eligibility criteria in OAR 411-435-0030 and are enrolled in OSIPM and a Brokerage or a CIIS program.

(b) A special diet is a supplement and is not intended to meet complete, daily nutritional requirements.

(c) A special diet must be ordered at least annually by a physician licensed by the Oregon Board of Medical Examiners and periodically monitored by a dietician or physician.

(d) The maximum monthly purchase for special diet supplies for a child in a CIIS program may not exceed $100 per month.

(e) Special diet supplies must be in support of an evidence-based treatment regimen.

(f) A special diet excludes restaurant and prepared foods, vitamins, and supplements.

(2) INDIVIDUAL-DIRECTED GOODS AND SERVICES. This ancillary service is available through the Medically Involved Children's Waiver, Medically Fragile (Hospital) Model Waiver, and Behavioral (ICF/IDD) Model Waiver.

(a) Only a child who meets the general eligibility criteria in OAR 411-435-0030 and is enrolled in CIIS may access individual-directed goods and services.

(b) Individual-directed goods and services provide equipment and supplies that are not otherwise available through another source, such as waiver services or state plan services.

(c) Authorization of individual directed goods and services must be based on an assessed need.

(d) Individual-directed goods and services must directly address an identified disability related need of a child in the ISP.

(e) Individual-directed goods and services must:

(A) Decrease the need for other Medicaid services;

(B) Promote inclusion of a child in the community; or

(C) Increase the safety of a child in the family home.

(f) Individual-directed goods and services may not be:

(A) Otherwise available through another source, such as waiver services or state plan services;

(B) Experimental or prohibited treatment; or

(C) Goods or services that are normally purchased by a family for a typically developing child of the same age.

(g) Individual-directed goods and services purchased must be the most cost effective option available to meet the needs of the child.

Stat. Auth.: ORS 409.050, 427.104, 430.662
Stats. Implemented: ORS 427.005, 427.007, 430.610, 430.620, 430.662-430.670

411-435-0080
Ancillary Service Provider Requirements

(1) Providers of community nursing services.

(a) Independent providers are not personal support workers and must meet the minimum qualifications of an independent provider described in OAR chapter 411 division 375 and:

(A) Have a current Oregon nursing license;

(B) Be enrolled in the Long Term Care Community Nursing Program as described in OAR chapter 411, division 048; and

(C) Submit a resume to the case management entity indicating the education, skills, and abilities necessary to provide nursing services in accordance with state law.

(b) Agency providers must be enrolled in the Long Term Care Community Nursing Program as described in OAR chapter 411, division 048.

(2) Providers delivering goods or services to individuals and paid with Department funds must hold any current license appropriate to function required by the state of Oregon or federal law or regulation including, but not limited to:

(a) For providers of environmental modifications or environmental safety modifications involving building modifications or new construction, a current license and bond as a building contractor as required by OAR chapter 812 (Construction Contractor's Board) or OAR chapter 808 (Landscape Contractors Board) with a minimum of $1,000,000 liability insurance.

(b) For environmental accessibility consultants, a current license as a general contractor as required by OAR chapter 812, including experience evaluating homes, assessing the needs of an individual, and developing cost-effective plans to make homes safe and accessible.

(c) For public transportation providers, the established standards.

(d) For private transportation providers other than personal support workers, a business license and a license to drive in Oregon.

(e) For vendors and medical supply companies providing assistive devices or specialized medical supplies, a current retail business license, including enrollment as Medicaid providers through the Oregon Health Authority if vending medical equipment.

(f) Retail business licenses for vendors and supply companies providing special diets.

(3) Services provided and paid for with Department funds must be limited to the services within the scope of the license of the general business provider.

(4) A provider who is a writer of a scope of work, a contractor who is chosen to complete environmental modifications or environmental safety modifications, a contractor completing a vehicle modification, or a provider of chore services cannot have a conflict of interest associated with the delivery of the service unless the conflict is waived by the Department prior to delivering the service. A conflict of interest exists when the provider is:

(a) Related by blood or marriage to the individual, or to any paid caregiver of the individual.

(b) Financially responsible for the individual.

(c) Empowered to make financial or health-related decisions on behalf of the individual.

(d) May benefit financially from the provision of the environmental or vehicle modification.

(5) Payment by the Department for ancillary services is considered full payment for the services rendered under Medicaid. A provider may not demand or receive additional payment for ancillary services from the individual, legal representative, or any other source, under any circumstances.

(6) Medicaid funds are the payer of last resort. A provider must bill all third party resources until all third party resources are exhausted.

(7) The Department reserves the right to make a claim against any third party payer before or after making payment to the provider.

Rule Caption: ODDS: Adult Foster Homes for Individuals with Intellectual or Developmental Disabilities
Adm. Order No.: APD 21-2016
Filed with Sec. of State: 6-29-2016
Certified to be Effective: 6-29-16
Notice Publication Date: 5-1-2016
Rules Amended: 411-360-0010, 411-360-0020, 411-360-0050, 411-360-0055, 411-360-0060, 411-360-0110, 411-360-0140, 411-360-0160, 411-360-0170, 411-360-0180, 411-360-0190, 411-360-0200, 411-360-0260, 411-360-0130
Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently updating the rules in OAR chapter 411, division 360 for adult foster homes for individuals with intellectual or developmental disabilities.

These rules are being updated to:

- Make permanent temporary changes that became effective on January 1, 2016;

- Provide consistency across services by removing terms included in the general definitions rule, OAR 411-317-0000;

- Add clarifying language to the definition of a functional needs assessment;

- Clarify the authorization and administration of State Plan private duty nursing services by the Medically Fragile Children's Unit to support an individual aged 18 through 20;

- Incorporate direct nursing services to support an adult with complex health management support needs as described in OAR chapter 411, division 380;

- Incorporate the adoption of the rules for home and community-based (HCB) services and settings and person-centered service planning in OAR chapter 411, division 004;

- Require foster care providers to implement, as written by a behavior consultant, Behavior Support Plans and Interaction Guidelines;

- Incorporate changes to Bill of Rights language and requirements to match statutory language;

- Specify Individual Support Plan (ISP) participation requirements for foster care providers by removing the ISP requirements targeted for the case management entity;

- Clarify language to align the Medicaid benefits eligibility language under the qualifications for Department-funded services;

- Remove "crisis services" language; and

- Reflect current Department terminology, and perform minor grammar, punctuation, formatting, and housekeeping changes.

The rules in OAR chapter 411, division 004 implement the regulations and expectations of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS) by providing a foundation of standards to support the network of Medicaid-funded and private pay residential and non-residential HCB services and settings and person-centered service planning.

Under the HCB setting standards, adult foster homes meet the definition of a provider owned, controlled, or operated residential setting. A provider initially licensed on or after January 1, 2016 must meet the requirements in OAR chapter 411, division 004 prior to being licensed. A provider licensed prior to January 1, 2016 must make measurable progress toward compliance with the rules in OAR chapter 411, division 004 and be in full compliance by September 1, 2018.

By September 1, 2018, all provider owned, controlled, or operated residential settings must have all the following qualities:

- The setting is integrated in and supports the same degree of access to the greater community as people not receiving HCB services, including opportunities for individuals enrolled in or utilizing HCB services to seek employment and work in competitive integrated employment settings, engage in greater community life, control personal resources, and receive services in the greater community;

- The setting is selected by an individual, or as applicable the legal or designated representative of the individual, from among available setting options, including non-disability specific settings and an option for a private unit in a residential setting;

- The setting ensures individual rights of privacy, dignity, respect, and freedom from coercion and restraint;

- The setting optimizes, but does not regiment, individual initiative, autonomy, self-direction, and independence in making life choices including, but not limited to, daily activities, physical environment, and with whom to interact;

- The setting facilitates individual choice regarding services and supports, and who provides the services and supports;

- The setting is physically accessible to an individual;

- The unit is a specific physical place that may be owned, rented, or occupied by an individual under a legally enforceable Residency Agreement;

- Each individual has privacy in his or her own unit;

- Units have entrance doors lockable by the individual, with the individual and only appropriate staff having a key to access the unit;

- Individuals sharing units have a choice of roommates;

- Individuals have the freedom to decorate and furnish his or her own unit as agreed to within the Residency Agreement;

- Individuals may have visitors of their choosing at any time;

- Each individual has the freedom and support to control his or her own schedule and activities; and

- Each individual has the freedom and support to have access to food at any time.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-360-0010
Statement of Purpose

(1) The rules in OAR chapter 411, division 360 prescribe the standards and procedures for the licensure of adult foster homes for individuals with intellectual or developmental disabilities (AFH-DD).

(2) These rules incorporate the provisions for home and community-based services (HCBS) and settings set forth in OAR chapter 411, division 004 to ensure individuals with intellectual or developmental disabilities receive services in settings that are integrated in and support the same degree of access to the greater community as people not receiving HCBS.

(a) An AFH-DD provider initially licensed on or after January 1, 2016 must meet the requirements in OAR chapter 411, division 004 prior to being licensed.

(b) An AFH-DD provider licensed prior to January 1, 2016 must make measurable progress toward compliance with the rules in OAR chapter 411, division 004 and be in full compliance by September 1, 2018.

(3) An AFH-DD facilitates individual choice regarding services and supports, and who provides the services and supports, through a cooperative relationship between the AFH-DD provider, the individual, the legal or designated representative of the individual (if applicable), and the Community Developmental Disability Program.

(4) An AFH-DD protects and encourages the independence, dignity, choice, and decision making of the individual while addressing the needs of the individual in a manner that supports and enables the individual to achieve optimum physical, mental, and social well-being and independence.

411-360-0020
Definitions and Acronyms

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 360:

(1) "Adult Foster Home (AFH)" means any home in which residential care and services are provided in a home-like environment for compensation to five or fewer adults who are not related to the provider by blood, marriage, or adoption. An adult foster home does not include any house, institution, hotel, or other similar living situation that supplies room or board only, if no individual thereof requires any element of care.

(2) "Adult Foster Home for Individuals with Intellectual or Developmental Disabilities (AFH-DD)" means an adult foster home in which residential care and services are provided to support individuals with intellectual or developmental disabilities.

(3) "Advance Directive" or "Advance Directive for Health Care" means the legal document signed by an individual or the legal representative of the individual that provides health care instructions in the event the individual is no longer able to give directions regarding his or her wishes. The Advance Directive gives the individual the means to control his or her own health care in any circumstance. An Advance Directive for Health Care does not include Physician Orders for Life-Sustaining Treatment (POLST).

(4) "Advocate" means a person other than a paid caregiver who has been selected by an individual or the legal representative of the individual to help the individual understand and make choices in matters relating to identification of needs and choices of services, especially when rights are at risk or have been violated.

(5) "AFH-DD" means an "adult foster home for individuals with intellectual or developmental disabilities" as defined in this rule.

(6) "Applicant" means a person who completes an application for an adult foster home license who is also the owner of the business or a person who completes an application to become a resident manager. The term applicant includes a co-applicant (if applicable).

(7) "Bill of Rights" means civil, legal, or human rights afforded to individuals in an adult foster home that are in accordance with those rights afforded to all other U.S. citizens including, but not limited to, those rights delineated in the Adult Foster Home Bill of Rights for individuals with intellectual or developmental disabilities described in OAR 411-360-0170.

(8) "Care" means supportive services that encourage maximum individual independence and enhance the quality of life for an individual including, but not limited to:

(a) Provision of 24-hour supervision, being aware of the whereabouts of the individual, and ensuring the health, safety, and welfare of the individual;

(b) Assistance with activities of daily living as defined in OAR 411-317-0000;

(c) Assistance with instrumental activities of daily living as defined in OAR 411-317-0000;

(d) Assistance with quality of life activities, such as socialization and recreation; and

(e) Monitoring the activities of the individual to ensure the health, safety, and welfare of the individual.

(9) "Caregiver" means any person responsible for providing care and services to support individuals. A caregiver includes a provider, resident manager, and any temporary, substitute, or supplemental caregiver or other person designated to provide care and service to support individuals in an adult foster home for individuals with intellectual or developmental disabilities.

(10) "CDDP means "Community Developmental Disability Program".

(11) "CMS" means "Centers for Medicare and Medicaid Services".

(12) "Community Nursing Services" mean the nursing services that focus on the chronic and ongoing health and safety needs of an individual. Community nursing services include an assessment, monitoring, delegation, training, and coordination of services. Community nursing services are provided according to the rules in OAR chapter 411, division 048 and the Oregon State Board of Nursing rules in OAR chapter 851.

(13) "Compensation" means monetary or in-kind payments by or on behalf of an individual to a provider in exchange for room and board, care, and services as indicated in the ISP or Service Agreement. Compensation does not include the voluntary sharing of expenses between or among roommates.

(14) "Condition" means a provision attached to a new or existing license that limits or restricts the scope of the license or imposes additional requirements on the licensee.

(15) "Controlled Substance" means any drug classified as schedules one through five under the Federal Controlled Substance Act.

(16) "Day Care" means care, assistance, and supervision of an individual who does not stay overnight. Individuals receiving day care services are included in the licensed capacity of a home as described in OAR 411-360-0060.

(17) "Denial" means the refusal of the Department to issue a license to operate an adult foster home for individuals with intellectual or developmental disabilities because the Department has determined that an applicant or the home is not in compliance with one or more of these rules.

(18) "Disaster" means an occurrence beyond the control of a licensee, whether natural, technological, or man-made that renders a home uninhabitable on a temporary, extended, or permanent basis.

(19) "Domestic Animals" mean the animals domesticated so as to live and breed in a tame condition, such as dogs, cats, and domesticated farm stock.

(20) "Enjoin" means to prohibit by judicial order.

(21) "Exempt Area" means a county where there is a county agency that provides similar programs for licensing and inspection of adult foster homes that the Director finds are equal to or superior to the requirements of ORS 443.705 to 443.825 and that the Director has exempted from the license, inspection, and fee provisions described in ORS 443.705 to 443.825. Exempt area county licensing rules require review and approval by the Director prior to implementation.

(22) "Facility" means the physical structure of an adult foster home for individuals with intellectual or developmental disabilities.

(23) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors and support needs; and

(C) Determines the service level.

(b) A functional needs assessment may be:

(A) The Support Needs Assessment Profile (SNAP). The Department incorporates the SNAP into these rules by this reference. The SNAP is maintained by the Department at https://www.oregon.gov/DHS/SENIORS-DISABILITIES/DD/PROVIDERS-PARTNERS/Pages/rebar-assessments.aspx;

(B) The Adult Needs Assessment (ANA). The Department incorporates Version C of the ANA into these rules by this reference. The ANA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/cm; or

(C) The Children's Needs Assessment (CNA). The Department incorporates Version C of the CNA into these rules by this reference. The CNA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/cm.

(c) A printed copy of the assessment tools may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, OR 97301.

(24) "Guardian" means the parent for an individual less than 18 years of age or the person or agency appointed and authorized by a court to make decisions about services for the individual. A paid provider for an individual may not be the guardian of the individual.

(25) "Hearing" means a contested case hearing subject to OAR 137-003-0501 to 137-003-0070, which results in a Final Order.

(26) "Home" means the physical structure of an adult foster home for individuals with intellectual or developmental disabilities.

(27) "Homelike" means an environment that promotes the dignity, security, and comfort of individuals through the provision of personalized care and services to support and encourage independence, choice, and decision making by the individuals.

(28) "House Rules" mean the social courtesies identified through a voluntary collaborative process by members of the household. The identified rules are non-binding and may not be solely provider driven expectations for individuals residing in the home.

(29) "Indirect Ownership Interest" means an ownership interest in an entity that has an ownership interest in the disclosing entity.

(30) "Individual" means a young adult or adult residing in an adult foster home for individuals with intellectual or developmental disabilities, regardless of source of compensation.

(31) "Individualized Education Program" means the written plan of instructional goals and objectives developed in conference with an individual less than 21 years of age, the parent or legal representative of the individual (as applicable), teacher, and a representative of the public school district.

(32) "ISP" means "Individual Support Plan".

(33) "License" means a document granted by the Department to an applicant who is in compliance with the requirements of these rules.

(34) "Licensee" means the person who is issued a license, whose name is on the license, and who is responsible for the operation of an adult foster home. The licensee of an adult foster home does not include the owner or lessor of the building in which the adult foster home is situated unless the owner or lessor of the building is the provider.

(35) "Limited License" means a license is issued to a licensee who intends to provide care and services for compensation to a specific individual who is unrelated to the licensee but with whom the licensee has an established relationship of no less than one year.

(36) "Liquid Resource" means cash or those assets that may readily be converted to cash, such as a life insurance policy that has a cash value, stock certificates, or a guaranteed line of credit from a financial institution.

(37) "Marijuana" means all parts of the plant Cannabis family Moraceae, whether growing or not, the resin extracted from any part of the plant, and every compound, manufacture, salt derivative, mixture, or preparation of the plant or its resin. Marijuana does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted there from), fiber, oil, or cake, or the sterilized seed of the plant which is incapable of germination. "Legal medical marijuana" refers to the use of marijuana authorized under the Oregon Medical Marijuana Act (OMMA), ORS 475.300 to 475.346.

(38) "Mental Health Assessment" means the assessment used to determine the need for mental health services by interviewing an individual and obtaining all pertinent biopsychosocial information as identified by the individual, the family of the individual, and collateral sources. A mental health assessment:

(a) Addresses the condition presented by the individual;

(b) Determines a diagnosis; and

(c) Provides treatment direction and individualized services and supports.

(39) "Modified Diet" means the texture or consistency of food or drink is altered or limited, such as no nuts or raw vegetables, thickened fluids, mechanical soft, finely chopped, pureed, or bread only soaked in milk.

(40) "Nursing Services" means the provision of individual-specific advice, plans, or interventions by a nurse at a home based on the nursing process as outlined by the Oregon State Board of Nursing. Nursing services differ from administrative nursing services.

(41) "OCCS" means the "Oregon Health Authority, Office of Client and Community Services".

(42) "Occupant" means any person residing in or using the facilities of an adult foster home including the individuals, licensee, resident manager, friends, family members, a person receiving day care services, and room and board tenants.

(43) "OIS" means the "Oregon Intervention System".

(44) "OSIPM" means "Oregon Supplemental Income Program-Medical".

(45) "Over the Counter Topical" means a medication that is purchased without a prescription and is applied to the skin and not in an orifice.

(46) "Ownership Interest" means the possession of equity in the capital, stock, or profits of an adult foster home. A person with an ownership or control interest means a person or corporation that:

(a) Has an ownership interest totaling 5 percent or more in a disclosing entity;

(b) Has an indirect ownership interest equal to 5 percent or more in a disclosing entity;

(c) Has a combination of direct and indirect ownership interests equal to 5 percent or more in a disclosing entity;

(d) Owns an interest of 5 percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least 5 percent of the value of the property or assets of the disclosing entity;

(e) Is an officer or director of a disclosing entity that is organized as a corporation; or

(f) Is a partner in a disclosing entity that is organized as a partnership.

(47) "Provider" means any person operating an adult foster home, such as a licensee or resident manager. "Provider" does not include caregivers or the owner or lessor of the building in which an adult foster home is situated unless the owner or lessor of the building is also the operator of the adult foster home.

(48) "Provider Enrollment" means an agreement between the Department and a Medicaid provider to provide room and board and care and services for compensation to support a Medicaid eligible individual in an adult foster home.

(49) "Provisional License" means a 60-day license issued in an emergency situation when a licensed provider is no longer overseeing the operation of an adult foster home. A provisional license is issued to a qualified person who meets the standards of OAR 411-360-0070 and 411-360-0110.

(50) "Qualified Entity Initiator (QEI)" has the meaning set forth in OAR 407-007-0210 (Criminal Records and Abuse Checks for Providers).

(51) "Qualified Mental Health Professional" means a licensed medical practitioner or any other person meeting the qualifications specified in OAR 309-019-0125.

(52) "Relief Care" means the intermittent services that are provided on a periodic basis for the relief of, or due to the temporary absence of, a person normally providing care and services to support an individual. Relief care may include 24-hour relief care or hourly relief care. Individuals receiving relief care are included in the licensed capacity of a home as described in OAR 411-360-0060.

(53) "Reside" means for a person to live in an adult foster home for a permanent or extended period of time. For the purpose of a background check, a person is considered to reside in a home if the visit of the person is for four consecutive weeks or greater.

(54) "Resident Manager" means an employee of a licensee approved by the Department, who resides in an adult foster home and is directly responsible for the care and services to support individuals on a day-to-day basis.

(55) "Respite" means "relief care" as defined in this rule.

(56) "Revocation" means the action taken by the Department to rescind an adult foster home license after the Department determines the provider or home is not in compliance with one or more of these rules.

(57) "Room and Board" means receiving compensation for the provision of meals, a place to sleep, laundry, basic utilities, and housekeeping to a person that does not need assistance with activities of daily living. Room and board facilities for two or more people are required to register with the Department as described in OAR chapter 411, division 068, unless registered with the local authority having jurisdiction. Room and board does not include provision of care.

(58) "Self-Preservation" in relation to fire and life safety means the ability of an individual to respond to an alarm without additional cues and reach a point of safety without assistance.

(59) "Special Diet" means the specially prepared food or particular types of food that are specific to the medical condition or diagnosis of an individual and in support of an evidence-based treatment regimen. Examples include, but are not limited to, low calorie, high fiber, diabetic, low salt, lactose free, or low fat diets. A special diet does not include a diet where extra or additional food is offered without the order of a physician or licensed health care provider but may not be eaten, such as offering prunes each morning at breakfast or including fresh fruit with each meal.

(60) "Subject Individual" means:

(a) Any person 16 years of age or older, including:

(A) A licensed adult foster home provider and provider applicant;

(B) A person intending to work in or currently working in an adult foster home, including but not limited to a substitute caregiver and a potential substitute caregiver in training;

(C) A volunteer if allowed unsupervised access to an individual; and

(D) An occupant, excluding an individual, residing in or on the premises of a proposed or currently licensed adult foster home, including:

(i) A member of the household;

(ii) A room and board tenant; and

(iii) A person visiting for four consecutive weeks or greater.

(b) Subject individual does not apply to:

(A) An individual of the adult foster home or a visitor of an individual;

(B) A person who resides or works in an adult foster home who does not have:

(i) Regular access to the home for meals;

(ii) Regular use of the appliances or facilities of the adult foster home; or

(iii) Unsupervised access to an individual or the personal property of an individual.

(C) A person providing services to an individual that is employed by a private business not regulated by the Department.

(61) "Substitute Caregiver" means any person who provides care and services in an adult foster home under the jurisdiction of the Department that is left in charge of the individuals for any period of time and has access to the individuals' records.

(62) "Suspension" means an immediate, temporary withdrawal of the approval to operate an adult foster home after the Department determines a provider or home is not in compliance with one or more of these rules or there is a threat to the health, safety, or welfare of individuals.

(63) "Tenant" means an individual who resides in an adult foster home and receives services, such as meal preparation, laundry, and housekeeping.

(64) "These Rules" mean the rules in OAR chapter 411, division 360.

(65) "Urgent Medical Need" means the onset of psychiatric or medical symptoms requiring attention within 48 hours to prevent a serious deterioration in the mental or physical condition of an individual.

(66) "Variance" means the temporary exemption from a regulation or provision of these rules that may be granted by the Department upon written application by the provider.

(67) "Young Adult" means a young individual age 18 through 21 who resides in an adult foster home under the custody of the Department, voluntarily, or under guardianship. A young adult may include an individual who is less than 18 years of age.

License Application and Fees

(1) An applicant for an AFH-DD license must complete a written application on forms supplied by the Department and submit the application to the Department with the non-refundable fee.

(a) The application is not complete until the required information is submitted to the Department with the required non-refundable fee. Incomplete applications are void after 60 days from the date the application form is received by the Department.

(b) Failure to provide accurate information may result in the denial of the application.

(2) A separate application is required for each location where an AFH-DD is to be operated.

(3) An application for an AFH-DD that has a resident manager must include a completed application for the resident manager on the form supplied by the Department.

(4) The application for an AFH-DD license must include:

(a) The maximum capacity as described in OAR 411-360-0060;

(b) A list of all persons that reside in the home that receive care including family members that reside in the home that require care and persons receiving respite, relief care, and day care services;

(c) A list of all other occupants that reside in the home or on the property of the home, including family members, friends, and room and board tenants;

(d) The statement of a health care provider on the form supplied by the Department regarding the ability of the applicant to provide care and services;

(e) Financial information including:

(A) A completed Financial Information Sheet on the form supplied by the Department;

(i) An applicant must have the financial ability and maintain sufficient liquid resources to pay the operating costs of an AFH-DD for at least two months without solely relying on potential income from individuals and room and board payments.

(ii) If an applicant is applying to operate more than one AFH-DD, the applicant must demonstrate the financial ability and maintain sufficient liquid resources to pay the operating costs of all the homes for at least two months without solely relying on potential income from individuals and room and board payments.

(iii) If an applicant is unable to demonstrate the financial ability and resources required by this section of this rule, the Department may require the applicant to furnish a financial guarantee such as a line of credit or guaranteed loan to fulfill the requirements of this rule.

(B) Documentation of all unsatisfied judgments, liens, and pending lawsuits in which a claim for money or property is made against the applicant;

(C) Documentation of all bankruptcy filings by the applicant;

(D) Documentation of all unpaid taxes due from the applicant including but not limited to, property taxes, employment taxes, and state and federal income taxes;

(E) Copies of bank statements from the last three months demonstrating banking activity in both checking and savings accounts as applicable or demonstration of cash on hand may be requested; and

(F) A copy of a complete and current credit report for the applicant may be requested.

(f) If the home is leased or rented, a copy of the signed and dated lease or rental agreement. The agreement must be a standard lease or rental agreement for residential use and include the following:

(A) The name of the owner and landlord;

(B) Verification that the rent is a flat rate; and

(C) Signatures of the landlord and applicant and date signed.

(g) If the applicant is purchasing or owns the home, verification of purchase or ownership;

(h) A current and accurate floor plan for the home that indicates:

(A) The size of the rooms;

(B) The size of the windows;

(C) Which bedrooms are to be used by individuals, the licensee, caregivers, room and board tenants (as applicable), and for day care, relief care, and respite services;

(D) The location of all the exits on each level of the home, including emergency exits such as windows;

(E) The location of any wheelchair ramps;

(F) The location of all fire extinguishers, smoke alarms, and carbon monoxide alarms;

(G) Planned evacuation routes; and

(H) Any designated smoking areas in or on the premises of the home.

(i) If requesting a license to operate more than one AFH-DD, a plan covering administrative responsibilities and staffing qualifications for each home;

(j) Three personal references for the applicant. The personal references may not be family members, current or potential licensees, or co-workers of current or potential licensees;

(k) A written description of the daily operation of the AFH-DD including:

(A) The schedule of the provider, resident manager, and substitute caregivers; and

(B) A plan of coverage for the absence of the provider, resident manager, and substitute caregivers.

(l) Written information describing the operational plan for the AFH-DD including:

(A) The use of a substitute caregiver, if applicable; and

(B) A plan of coverage for the absence of the resident manager, if applicable;

(m) A signed background check and if needed, the mitigating information and fitness determination form for each person who is to have regular contact with the individuals, including the provider, the resident manager, caregivers, and other occupants of the home over the age of 16 (excluding individual service recipients);

(n) A signed consent form for a background check with regards to abuse of children;

(o) Founded reports of child abuse or substantiated abuse allegations with dates, locations, and resolutions of those reports for all persons that reside in the home, as well as all applicant or provider employees, independent contractors, and volunteers;

(p) The classification being requested with information and supporting documentation regarding qualifications, relevant work experience, and training of caregivers as required by the Department;

(q) A $20.00 per bed non-refundable fee for each individual service recipient (includes all private pay and publicly funded individuals, but does not include day care and family members);

(r) A copy of the Residency Agreement for the AFH-DD; and

(s) A mailing address if different from the address of the AFH-DD and a business address for electronic mail.

(5) After receipt of the completed application materials, including the non-refundable fee, the Department investigates the information submitted and inspects the home. Compliance with these rules is determined upon submission and completion of the application and the process described.

(a) The applicant is given a copy of the inspection form identifying any areas of noncompliance and specifying a timeframe for correction, but no later than 60 days from the date of inspection.

(b) Deficiencies noted during an inspection of the home must be corrected in the timeframe specified by the Department. Applicants must be in compliance with these rules before a license is issued. An application is denied if cited deficiencies are not corrected within the timeframes specified by the Department.

(6) Applicants must attend a local orientation offered by the local CDDP prior to being licensed.

(7) An applicant may withdraw a new or renewal application at any time during the application process by notifying the Department in writing.

(8) An applicant whose license has been revoked, non-renewed, or voluntarily surrendered during a revocation or non-renewal process, or whose application has been denied, may not be permitted to make a new application for one year from the date that the action is final, or for a longer period of time if specified in the final order.

(9) All monies collected under these rules are to be paid to the Quality of Care Fund.

Provider Enrollment Agreements, Contracts, and Residency Agreements

(1) MEDICAID PROVIDER ENROLLMENT AGREEMENT.

(a) An applicant or licensee who intends to provide care and services to support individuals who are or become eligible for Medicaid services must enter into a Medicaid Provider Enrollment Agreement with the Department, follow Department rules, and abide by the terms of the Agreement. A Medicaid Provider Enrollment Agreement is not approved unless the Department has determined that the applicant, licensee, co-licensee, or any owner or officer of the corporation, as applicable, is not listed on the Exclusion Lists for the Office of Inspector General or the U.S. General Services Administration (System for Award Management).

(b) An approved Medicaid Provider Enrollment Agreement does not guarantee the placement of individuals eligible for Medicaid services in an AFH-DD.

(c) An approved Medicaid Provider Enrollment Agreement is valid for the length of the license unless earlier terminated by the licensee or the Department. A Medicaid Provider Enrollment Agreement must be completed, submitted, approved, and renewed with each licensing cycle.

(d) An individual eligible for Medicaid services may not be admitted into an AFH-DD unless and until the Department has approved a Medicaid Provider Enrollment Agreement. Medicaid payment is not issued to a licensee without a current license and an approved Medicaid Provider Enrollment Agreement in place.

(e) The rate of compensation established by the Department is considered payment in full. The licensee may not request or accept additional funds or in-kind payment from any source.

(f) The Department does not issue payment for the date of the exit of an individual or for any time period thereafter.

(g) The licensee or the Department may terminate a Medicaid Provider Enrollment Agreement according to the terms of the Agreement.

(h) The Department may terminate a Medicaid Provider Enrollment Agreement under the following circumstances:

(A) The licensee fails to maintain substantial compliance with all related federal, state, and local laws, ordinances, and regulations; or

(B) The license to operate the AFH-DD has been voluntarily surrendered, revoked, or not renewed.

(i) The Department must terminate a Medicaid Provider Enrollment Agreement under the following circumstances:

(A) The licensee fails to permit access by the Department or CMS to any AFH-DD licensed to and operated by the licensee;

(B) The licensee submits false or inaccurate information;

(C) Any person with five percent or greater direct or indirect ownership in the AFH-DD did not submit timely and accurate information on the Medicaid Provider Enrollment Agreement form or fails to submit fingerprints if required under the background check rules in OAR 407-007-0200 to 407-007-0370;

(D) Any person with five percent or greater direct or indirect ownership interest in the AFH-DD has been convicted of a criminal offense related to his or her involvement with Medicare, Medicaid, or Title XXI programs in the last 10 years; or

(E) Any person with an ownership or control interest, or who is an agent or managing employee of the AFH-DD fails to submit timely and accurate information on the Medicaid Provider Enrollment Agreement form.

(j) If a licensee submits notice of termination of the Medicaid Provider Enrollment Agreement, the licensee must concurrently issue a Notice of Involuntary Move or Transfer to each individual eligible for Medicaid services residing in the AFH-DD.

(k) If either a licensee or the Department terminates the Medicaid Provider Enrollment Agreement, the licensee may not re-apply for a new Medicaid Provider Enrollment Agreement for a period of no less than 180 days from the date the licensee or the Department terminated the Agreement.

(l) A licensee must forward all of the personal incidental funds (PIF) of an individual who is a recipient of Medicaid services within 10 business days of the death of the individual to the Estate Administration Unit, PO Box 14021, Salem, Oregon 97309-5024.

(2) PRIVATE PAY CONTRACT. A licensee who provides care and services to support individuals who pay with private funds or individuals receiving only day care services must enter into a written contract with the individual or the person paying for the care and services of the individual. The written contract is the admission agreement. The written contract must be signed by all parties prior to the admission of the individual and updated as needed. A copy of the contract is subject to review by the Department prior to licensure and prior to the implementation of any changes to the contract.

(a) The contract must include but not be limited to:

(A) A person-centered service plan;

(B) A schedule of rates; and

(C) Conditions under which the rates may be changed.

(b) The provider must give a copy of the signed contract to the individual, or as applicable the legal representative of the individual and retain the original contract in the record for the individual.

(c) The licensee must give written notice to a private pay individual, or as applicable the person paying for the care and services of the individual, 30 days prior to any general rate increases, additions, or other modifications of the rates unless the change is due to a medical emergency resulting in a greater level of care in which case the notice must be given within 10 days of the change.

(3) RESIDENCY AGREEMENT.

(a) The licensee must enter into a written Residency Agreement with each individual specifying, at a minimum, the following:

(A) The eviction process, notice requirements, and appeal rights available to each individual;

(B) The right of the individual to furnish and decorate his or her bedroom, subject to the limitations specified herein; and

(C) Policies and conditions for the following:

(i) Designated smoking areas. Use of tobacco must be in compliance with the Oregon Indoor Clean Air Act and OAR 411-360-0130;

(ii) Use and presence of medical marijuana in compliance with the Oregon Medical Marijuana Act and OAR 411-360-0140. The Residency Agreement expectations for medical marijuana must be reviewed and approved by the Department. If an individual intends to use medical marijuana in the AFH-DD, the Residency Agreement including guidelines for medical marijuana must be signed and dated by the individual or the legal representative of the individual and included in the record for the individual;

(iii) Restriction related to pets, if any;

(iv) Monthly charges and services to be provided; and

(v) Refunds in case of departure or death.

(b) The Residency Agreement may not violate the rights of an individual as stated in ORS 430.210, 443.739, OAR 411-360-0170, and 411-318-0010.

(c) The Residency Agreement may not be in conflict with any of these rules or the rules in OAR chapter 411, division 004 for home and community-based services and settings.

(d) Prior to implementing changes to the Residency Agreement, the Residency Agreement may be subject to review by the Department or the designee of the Department.

(e) The provider must review and provide a copy of the Residency Agreement to each individual, and as applicable the legal representative of the individual, at the time of entry and annually or as changes occur. The reviews must be documented by having the individual, or as applicable the legal representative of the individual, sign and date a copy of the Residency Agreement. A copy of the signed and dated Residency Agreement must be maintained in the record for the individual.

411-360-0060
Capacity

(1) The maximum capacity of an AFH-DD is limited to five individuals who require care and services who are unrelated to the provider by blood, marriage, or adoption.

(2) The number of individuals permitted to reside in an AFH-DD is determined by the ability of the caregiver to meet the care, service, and support needs of the individuals, fire safety standards, physical structure standards, and the standards of these rules.

(a) Determination of maximum capacity includes consideration of total household composition including all children, adult relatives, and older adults.

(b) In determining maximum capacity, consideration is given to whether children over the age of 5 have a bedroom separate from their parents and the number and age of children or others that reside in the AFH-DD requiring care.

(3) Children under the age of 10 living in the AFH-DD and individuals requiring relief care, attendant care, or skills training services are included in the licensed capacity of the AFH-DD.

(4) A provider may only exceed the licensed capacity of the AFH-DD by one or more individuals if:

(a) Approved by the Department;

(b) There is adequate bedroom and living space available in the AFH-DD for the individuals receiving services; and

(c) The total capacity does not exceed five.

411-360-0110
Qualifications for Providers, Resident Managers, and Caregivers

(1) PROVIDER QUALIFICATIONS. An AFH-DD provider must meet the level requirements of the AFH-DD license as described in OAR 411-360-0070 and the following qualifications:

(a) Be at least 21 years of age;

(b) Reside in the home that is to be licensed as the AFH-DD or if the provider does not reside in the home there must be a resident manager who resides in the home. A provider or resident manager resides in the home when the provider or resident manager sleeps in the home four nights per week;

(c) Provide evidence satisfactory to the Department regarding experience, training, knowledge, interest, and concern in providing care and services to support individuals with intellectual or developmental disabilities. Such evidence may include, but not be limited to:

(A) Certified nurse's aide training;

(B) Nursing home, hospital, or institutional work experience;

(C) Licensed practical nurse or registered nurse training and experience;

(D) Training approved by the Department; or

(E) Experience providing care and services and home management skills to individuals with intellectual or developmental disabilities.

(d) Possess the physical health, mental health, good judgment, and good personal character determined necessary by the Department to provide 24-hour care and services to support individuals with intellectual or developmental disabilities. A provider must have a statement from a health care provider, on a form provided by the Department, indicating that the provider is physically and mentally capable of providing care and services. A provider with a documented history or substantiated complaints of substance abuse or mental illness must provide evidence satisfactory to the Department of successful treatment and rehabilitation and references regarding current condition;

(e) Have an approved background check annually as required in section (2) of this rule and maintain that approval as required;

(f) Have no founded reports of child abuse or a substantiated abuse allegation;

(g) Have the financial ability and maintain sufficient liquid resources to pay the operating costs of the AFH-DD for at least two months without solely relying on potential income from individuals and room and board payments. If a provider operates more than one AFH-DD, the provider must have the financial ability and maintain sufficient liquid resources to pay the operating costs of all the AFH-DDs for at least two months without solely relying on potential income from individuals and room and board payments;

(A) Upon application, documentation of the following must be provided to the Department:

(i) All unsatisfied judgments, liens, and pending lawsuits in which a claim for money or property is made against the applicant;

(ii) All bankruptcy filings by the applicant; and

(iii) All unpaid taxes due from the applicant including but not limited to property taxes, employment taxes, and state and federal income taxes.

(B) The Department may require or permit the applicant to provide a current credit report to satisfy this financial requirement.

(C) The Department may not issue an initial license to an applicant who has been adjudged bankrupt more than once.

(D) If an applicant has any unpaid judgments (other than a current judgment for support), pending lawsuits, liens, or unpaid taxes, proof that the applicant has the amount of resources necessary to pay those claims must be provided to the Department as required.

(E) If an applicant is unable to demonstrate the financial ability and resources as required, the Department may require the applicant to furnish a financial guarantee such as a line of credit or guaranteed loan as a condition of initial licensure.

(h) Be literate in the English language and demonstrate the ability to comprehend and communicate in English orally and in writing with the individuals, licensed health care providers, services coordinators, and others involved in the care of the individuals;

(i) Be able to respond appropriately to emergency situations at all times;

(j) If transporting individuals by motorized conveyance, have a current license to drive in compliance with the laws of the Department of Motor Vehicles and vehicle insurance as required by the state of Oregon;

(k) Document annual review of responsibility for mandatory reporting of abuse or neglect of an individual on forms provided by the Department;

(l) Have a clear understanding of the job responsibilities, knowledge of the individuals' ISPs or Service Agreements, and the ability to provide the care and services specified for each individual; and

(m) Not be listed on the Exclusion Lists of the Office of Inspector General or General Services Administration.

(2) BACKGROUND CHECKS.

(a) In accordance with OAR 407-007-0200 to 407-007-0370 and under ORS 181.534, all subject individuals as defined in OAR 411-360-0020 must have an approved background check prior to operating or working, training, or residing in an AFH-DD:

(A) Annually;

(B) Prior to a change in the position of a subject individual (i.e. changing from a caregiver to resident manager); and

(C) Prior to working in another AFH-DD regardless of whether the employer is the same or not unless subsection (b) of this section applies.

(b) PORTABILITY OF BACKGROUND CHECK APPROVAL. A subject individual, excluding licensees, may be approved to work in multiple homes within a county only when the subject individual is working in the same employment role. The indication of worksite location must be included by a qualified entity initiator for each subject individual to show the intent of the subject individual to work at various AFH-DDs within the licensing jurisdiction of the county.

(c) Public funds may not be used to support, in whole or in part, a provider, a resident manager, employees of the provider, alternate caregivers, volunteers, or any other subject individual under OAR 407-007-0200 to 407-007-0370 who is subject to background checks, who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275. This rule does not apply to caregivers of an AFH-DD hired prior to July 28, 2009.

(d) A person may not be authorized as a provider or meet qualifications as described in this rule if the person is subject to background checks and has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275. This rule does not apply to caregivers of the AFH-DD hired prior to July 28, 2009.

(e) A weighing test is applied to background checks for occupants who do not provide care in the AFH-DD but require a background check on or after July 28, 2009 for approval purposes.

(3) RESIDENT MANAGER REQUIREMENTS. A resident manager must meet the provider qualifications listed in section (1) of this rule and the level requirements of the AFH-DD license as described in OAR 411-360-0070.

(4) SUBSTITUTE CAREGIVER REQUIREMENTS. A substitute caregiver must meet the level requirements of the AFH-DD license as described in OAR 411-360-0070 and the following qualifications:

(a) Be at least 18 years of age;

(b) Have an approved background check annually as required in section (2) of this rule and maintain that approval as required. A person may not be authorized as a substitute caregiver or meet qualifications as described in this rule if the person has been hired on or after July 28, 2009, or is subject to a background check beginning July 28, 2009 as required by administrative rule, and the person has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275;

(c) Be notified annually of the responsibility of the substitute caregiver as a mandatory reporter of abuse or neglect. Annual mandatory reporter notification must be documented on forms provided by the Department;

(d) Be literate in the English language and demonstrate the ability to comprehend and communicate in English orally and in writing with the individuals, licensed health care providers, services coordinators, and others involved in the care of the individuals;

(e) Be able to respond appropriately to emergency situations at all times;

(f) Know fire safety and emergency procedures;

(g) Have a clear understanding of the job responsibilities, knowledge of the individuals' ISPs or Service Agreements, and the ability to provide the care and services specified for each individual's needs;

(h) Be able to meet the qualifications of a resident manager described in section (4) of this rule when left in charge of an AFH-DD for 30 days or longer;

(i) Not be an individual service recipient of the AFH-DD;

(j) If transporting individuals by motorized conveyance, have a current license to drive in compliance with the laws of the Department of Motor Vehicles and vehicle insurance as required by the state of Oregon;

(k) Possess the physical health, mental health, good judgment, and good personal character determined necessary by the Department to provide care and services to support individuals with intellectual or developmental disabilities. A substitute caregiver with a documented history or substantiated complaints of substance abuse or mental illness must provide evidence satisfactory to the Department of successful treatment and rehabilitation and references regarding current condition;

(l) Must meet the training requirements of the level of the AFH-DD license in OAR 411-360-0120; and

(m) Must disclose on an application for employment if they have been found to have committed abuse.

(5) A licensee may not hire or continue to employ a resident manager or substitute caregiver that does not meet the requirements stated in this rule.

(6) The licensee is responsible for the operation of the AFH-DD and the quality of care and services rendered in the AFH-DD.

(7) The licensee is responsible for the supervision and training of resident managers and substitute caregivers and their general conduct when acting within the scope of their employment or duties.

(8) A licensee, resident manager, caregiver, volunteer, or other subject individual must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290. The person must notify the Department within 24 hours.

411-360-0130
AFH-DD Standards

In order to qualify for or renew a license, an AFH-DD must meet the following provisions.

(1) GENERAL CONDITIONS.

(a) Each AFH-DD must maintain up-to-date documentation verifying the AFH-DD meets applicable local business license, zoning, building, and housing codes, and state and local fire and safety regulations for a single-family residence. General buildings must be of sound construction and meet all applicable state and local fire and safety regulations in effect at the time of construction. It is the duty of the provider to check with local government to be sure all applicable local codes have been met. A current floor plan of the house must be on file with the local CDDP.

(b) Mobile homes must have been built since 1976 and designed for use as a home rather than a travel trailer. The mobile home must have the label from the manufacturer permanently affixed to the home that states the mobile home meets the requirements of the Department of Housing and Urban Development (HUD) or authority having jurisdiction.

(c) The building, patios, decks, walkways, and furnishings must be clean and in good repair. The interior and exterior must be well maintained and accessible according to the needs of the individuals residing in the home. Walls, ceilings, and floors must be of such character to permit frequent washing, cleaning, or painting, as appropriate. There must be no accumulation of garbage, debris, rubbish, or offensive odors.

(d) Stairways (interior and exterior) must have handrails and be adequately lighted. Yard and exterior steps must be accessible and appropriate to the needs of the individuals residing in the home.

(e) Adequate lighting must be provided in each room, internal and external stairways, and internal and external exit ways. Incandescent light bulbs and florescent tubes must be protected and installed per the directions of the manufacturer.

(f) The heating system must be in working order. Areas of the AFH-DD used by individuals must be maintained at a comfortable temperature. Minimum temperatures during the day (when individuals are home) must be no less than 68 degrees F and no less than 60 degrees at night when individuals are sleeping. During times of extreme summer heat, the provider must make every reasonable effort to make the individuals comfortable and safe using ventilation, fans, or air conditioners. The temperature may not exceed 85 degrees in the house.

(g) There must be at least 150 square feet of common space and sufficient comfortable furniture in the AFH-DD to accommodate the recreational and socialization needs of the occupants at one time. Common space may not be located in the basement or in garages unless such space was constructed for that purpose or has otherwise been legalized under permit. Additional space may be required if wheelchairs are to be accommodated.

(h) Providers must not permit individuals to access or use swimming or other pools, hot tubs, saunas, or spas on the AFH-DD premise without supervision. Swimming pools, hot tubs, spas, or saunas must be equipped with sufficient safety barriers or devices designed to prevent accidental injury or unsupervised access.

(i) Hallways and exit ways must be at least 36 inches wide or as approved by the authority having jurisdiction. Interior doorways used by individuals must be wide enough to accommodate wheelchairs and walkers if used by individuals.

(j) Only ambulatory individuals capable of self-preservation may be housed on a second floor or in a basement.

(k) Split level homes must be evaluated according to accessibility, emergency egress, and evacuation capability of the individuals.

(l) Ladders, rope, chain ladders, and other devices may not be used as a secondary means of egress.

(m) Marijuana must not be grown in or on the premises of the AFH-DD. Individuals with Oregon Medical Marijuana Program (OMMP) registry cards must arrange for and obtain their own supply of medical marijuana from a designated grower as authorized by OMMP. The licensed provider, the caregiver, other employee, or any occupant in or on the premises of the AFH-DD must not be designated as the grower for and individual and must not deliver marijuana from the supplier.

(2) SANITATION.

(a) A public water supply must be utilized if available. If a non-municipal water source is used, the water source must be tested for coliform bacteria by a certified agent yearly and records must be retained for two years. Corrective action must be taken to ensure potability.

(b) Septic tanks or other non-municipal sewage disposal systems must be in good working order.

(c) Garbage and refuse must be suitably stored in readily cleanable, rodent proof, covered containers, pending weekly removal.

(d) Prior to laundering, soiled linens and clothing must be stored in containers in an area separate from food storage, kitchen, and dining area. Special pre-wash attention must be given to soiled and wet bed linens.

(e) Sanitation for household pets and other domestic animals must be adequate to prevent health hazards. Proof of current rabies or other vaccinations as required by a licensed veterinarian must be maintained on the premises. Pets not confined in enclosures must be under control and must not present a danger or health risk to individuals or guests.

(f) There must be adequate control of insects and rodents, including screens in good repair on doors and windows used for ventilation.

(g) Universal precautions for infection control must be followed in care to individuals. Hands and other skin surfaces must be washed immediately and thoroughly if contaminated with blood or other body fluids.

(h) All caregivers must take precautions to prevent injuries caused by needles and other sharp instruments or devices during procedures. After they are used, disposable syringes and needles and other sharp items must be placed in puncture-resistant containers for disposal. The puncture-resistant containers must be located as close as practical to the use area. Disposal must be according to local regulations and resources (ORS 459.386 to 459.405).

(3) BATHROOMS. Bathrooms must:

(a) Provide for individual privacy and have a finished interior, a mirror, a window capable of being opened or other means of ventilation, and a window covering. No person must have to walk through the bedroom of another person to access a bathroom;

(b) Be clean and free of objectionable odors;

(c) Have tubs or showers, toilets, and sinks in good repair. A sink must be located near each toilet. A toilet and sink must be provided on each floor where rooms of non-ambulatory individuals or individuals with limited mobility are located. There must be at least one toilet, one sink, and one tub or shower for each six household occupants, including the provider and the family of the provider;

(d) Have hot and cold water in sufficient supply to meet the needs of the individuals for personal hygiene. Hot water temperature sources for bathing areas may not exceed 120 degrees F;

(e) Have shower enclosures with nonporous surfaces. Glass shower doors must be tempered safety glass. Shower curtains must be clean and in good condition. Non-slip floor surfaces must be provided in tubs and showers;

(f) Have grab bars for toilets, tubs, and showers for the safety of individuals as required by the disabilities of the individuals;

(g) Have barrier-free access to toilet and bathing facilities with appropriate fixtures if there are non-ambulatory individuals in the AFH-DD. Alternative arrangements for non-ambulatory individuals must be appropriate to individual needs for maintaining good personal hygiene;

(h) Have adequate supplies of toilet paper for each toilet and soap for each sink; and

(i) Individuals must be provided with individual towels and wash cloths that are laundered in hot water at least weekly or more often if necessary. Individuals must have appropriate racks or hooks for drying bath linens. If individual hand towels are not provided, individuals must be provided with individually dispensed paper towels.

(4) BEDROOMS.

(a) Bedrooms for all household occupants must:

(A) Have been constructed as a bedroom when the home was built or remodeled under permit;

(B) Have a finished interior with walls or partitions of standard construction that go from floor to ceiling;

(C) Have a door that opens directly to a hallway or common use room without passage through another bedroom or common bathroom;

(D) Be adequately ventilated, heated, and lighted with at least one window capable of being opened that meets the fire regulations described in subsection (k) of this section;

(E) Have at least 70 square feet of usable floor space for each individual or 120 square feet of usable floor space for two individuals; and

(F) Have no more than two persons per room.

(b) If an individual chooses to share a bedroom with another individual, the individuals must be afforded an opportunity to have a choice of roommates.

(c) Individuals must have the freedom to decorate and furnish his or her own bedroom as agreed to within the Residency Agreement.

(d) SINGLE ACTION LOCKS.

(A) An AFH-DD licensed on or after January 1, 2016 must have single action locks on the entrance doors to the bedroom for each individual, lockable by the individual, with only appropriate staff having keys.

(B) An AFH-DD licensed prior to January 1, 2016 must have single action locks on the entrance doors to the bedroom for each individual, lockable by the individual, with only appropriate staff having keys by September 1, 2018.

(C) Limitations may only be used when there is a health or safety risk, as described in OAR 411-360-0170 and 411-004-0040, and when a written informed consent is obtained.

(e) Providers, resident managers, or their family members must not sleep in areas designated as common use living areas or share bedrooms with individuals.

(f) There must be a bed for each individual. The bed must include a frame unless otherwise documented by an ISP team decision. The bed must include a clean and comfortable mattress, a waterproof mattress cover if an individual is incontinent, and a pillow.

(g) Each bedroom must have sufficient, separate, private dresser and closet space for the clothing and personal effects for each individual, including hygiene and grooming supplies. Individuals must be allowed to keep and use reasonable amounts of personal belongings and to have private, secure storage space.

(h) Drapes or shades for windows must be in good condition and allow privacy for individuals.

(i) Bedrooms must be on ground level for individuals who are non-ambulatory or have impaired mobility.

(j) Individual bedrooms must be in close enough proximity to the provider to alert the provider to nighttime needs or emergencies, or be equipped with an intercom or audio monitor as approved by an ISP team.

(k) Bedrooms must have at least one window or exterior door that readily opens from the inside without special tools and that provides a clear opening of not less than 821 square inches (5.7 sq. ft.), with the least dimensions not less than 22 inches in height or 20 inches in width. Sill height must not be more than 44 inches from the floor level or there must be approved steps or other aids to window egress that may be used by individuals. Windows with a clear opening of not less than 5.0 square feet or 720 square inches with sill heights of 48 inches may be accepted when approved by the State Fire Marshal or the designee of the State Fire Marshal.

(5) MEALS.

(a) The provider must support the freedom of the resident to have access to his or her personal food at any time. Limitations may only be used when there is a health or safety risk, as described in OAR 411-360-0170 and OAR 411-004-0040, and when a written informed consent is obtained.

(b) Three nutritious meals and two snacks must be provided. Meals must be offered daily at times consistent with those in the community.

(A) Each meal must include food from the basic food groups according to the United States Department of Agriculture (USDA) and include fresh fruit and vegetables when in season unless otherwise specified in writing by a health care provider.

(B) Food preparation must include consideration of cultural and ethnic backgrounds, as well as, the food preferences of individuals.

(c) A schedule of meal times and menus for the coming week that consider individual preferences must be prepared and posted weekly in a location that is accessible to individuals and the families of the individuals. Menu substitutions in compliance with subsection (b) of this section are acceptable. If an individual misses or plans to miss a meal at a scheduled time, or requests an alternate meal time, an alternative meal must be made available. Individuals are not restricted to specific meal times and must be encouraged to choose when, where, and with whom to eat.

(d) The individual is responsible for the provision of food beyond the required three meals and two snacks.

(e) MODIFIED OR SPECIAL DIETS. For individuals with modified or special diets ordered by a physician or licensed health care provider, the provider must:

(A) Have menus for the current week that provide food and beverages that consider the preferences of the individual and are appropriate to the modified or special diet; and

(B) Maintain documentation that identifies how modified or special diets are prepared and served to individuals.

(f) Adequate storage must be available to maintain food at a proper temperature, including a properly working refrigerator. Food storage and preparation areas must be such that food is protected from dirt and contamination and free from food that is spoiled or expired.

(g) Meals must be prepared and served in the AFH-DD where individuals reside. Payment for meals eaten away from the AFH-DD for the convenience of the provider (e.g. restaurants, senior meal sites) is the responsibility of the provider. Meals and snacks as part of an individual recreational outing are the responsibility of the individual.

(h) Household utensils, dishes, and glassware must be washed in hot soapy water, rinsed, and stored to prevent contamination.

(i) Food storage and preparation areas and equipment must be clean, free of objectionable odors, and in good repair.

(j) Home-canned foods must be processed according to the guidelines of the Oregon State University Extension Service. Freezing is the most acceptable method of food preservation. Milk must be pasteurized.

(6) TELEPHONE.

(a) A telephone must be provided in the AFH-DD that is available and accessible for the use of the individuals for incoming and outgoing calls. Telephone lines must be unblocked to allow for access.

(b) Emergency telephone numbers for the following must be posted in close proximity to all phones utilized by the licensee, resident manager, individuals, and caregivers:

(A) Local CDDP;

(B) Police, fire, and medical if not served by 911;

(C) The provider if the provider does not reside in the AFH-DD;

(D) Emergency physician; and

(E) Additional persons to be contacted in the case of an emergency.

(c) Telephone numbers for making complaints or a report of alleged abuse to the Department, the local CDDP, and Disability Rights Oregon must also be posted.

(d) In all cases, a telephone must be accessible to individuals for outgoing calls 24 hours a day.

(e) AFH-DD telephone numbers must be listed in the local telephone directory.

(f) The licensee must notify the Department, individuals, and as applicable the families, legal representatives, and service coordinators of the individuals of any change in the AFH-DDs telephone number within 24 hours of the change.

(7) SAFETY.

(a) Buildings must meet all applicable state and local building, mechanical, and housing codes for fire and life safety. The AFH-DD may be inspected for fire safety by the Office of the State Fire Marshal at the request of the Department using the standards in these rules as appropriate.

(b) Heating in accordance with the specifications of the manufacturer and electrical equipment, including wood stoves, must be installed in accordance with all applicable fire and life safety codes. Such equipment must be used and maintained properly and be in good repair.

(A) Providers who do not have a permit verifying proper installation of an existing wood stove must have the wood stove inspected by a qualified inspector, Certified Oregon Chimney Sweep Association member, or Oregon Hearth Products Association member and follow the recommended maintenance schedule.

(B) Fireplaces must have protective glass screens or metal mesh curtains attached to the top and bottom of the fireplace.

(C) The installation of a non-combustible heat resistant safety barrier may be required to be installed 36 inches around wood stoves to prevent individuals with ambulation or confusion problems from coming in contact with the stove.

(D) Un-vented portable oil, gas, or kerosene heaters are prohibited. Sealed electric transfer heaters or electric space heaters with tip-over shut-off capability may be used when approved by the authority having jurisdiction.

(c) Extension cord wiring and multi-plug adaptors must not be used in place of permanent wiring. UL-approved, re-locatable power tabs (RPTs) with circuit breaker protection are permitted for indoor use only and must be installed and used in accordance with the instructions of the manufacturer. If RPTs are used, the RPTs must be directly connected to an electrical outlet, never connected to another RPT (known as daisy-chaining or piggy-backing), and never connected to an extension cord.

(d) All exit doors and interior doors used for exit purposes must have simple hardware that cannot be locked against exit and must have an obvious method of single action operation. Hasps, sliding bolts, hooks and eyes, and double key deadbolts are not permitted. Homes with one or more individuals who have impaired judgment and are known to wander away from their place of residence must have a functional and activated alarm system to alert a caregiver of an unsupervised exit by the individual.

(e) CARBON MONOXIDE ALARMS. Carbon monoxide alarms must be listed as complying with ANSI/UL 2034 and must be installed and maintained in accordance with the instructions of the manufacturer. Carbon monoxide alarms must be installed within 15 feet of each bedroom at the height recommended by the manufacturer.

(A) Carbon monoxide alarms may be hard wired, plug-in, or battery operated. Hard wired and plug-in alarms must be equipped with battery back-up. Battery operated alarms must be equipped with a device that warns of a low battery.

(B) Bedrooms used by hearing-impaired occupants who may not hear the sound of a regular carbon monoxide alarm must be equipped with an additional carbon monoxide alarm that has visual or vibrating capacity.

(f) SMOKE ALARMS. Smoke alarms must be installed in accordance with the instructions of the manufacturer in each bedroom, hallways or access areas that adjoin bedrooms, the family room or main living area where occupants congregate, laundry rooms, office rooms, and basements. In addition, smoke alarms must be installed at the top of all stairways in multi-level homes.

(A) Ceiling placement of smoke alarms is recommended. If wall mounted, smoke alarms must be between 6 inches and 12 inches from the ceiling and not within 12 inches of a corner.

(B) Smoke alarms must be equipped with a device that warns of low battery when battery operated or with a battery back-up if hard wired.

(C) When activated, smoke alarms must be audible in all bedrooms.

(D) Bedrooms used by hearing-impaired occupants who may not hear the sound of a regular smoke alarm must be equipped with an additional smoke alarm that has visual or vibrating capacity.

(g) All carbon monoxide alarms and smoke alarms must contain a sounding device or be interconnected to other alarms to provide, when activated, an alarm that is audible in all bedrooms. The alarms must be loud enough to wake occupants when all bedroom doors are closed.

(h) The licensee must test all carbon monoxide alarms and smoke alarms in accordance with the instructions of the manufacturer at least monthly (per NFPA 72). Testing must be documented in the AFH-DD records.

(i) FIRE EXTINGUISHERS. At least one 2A-10BC rated fire extinguisher must be in a visible and readily accessible location on each floor, including basements. Fire extinguishers must be inspected at least once a year by a qualified person that is well versed in fire extinguisher maintenance. All recharging and hydrostatic testing must be completed by a qualified agency properly trained and equipped for this purpose and documentation must be maintained in the AFH-DD records.

(j) The licensee must maintain carbon monoxide alarms, smoke alarms, and fire extinguishers in functional condition. If there are more than two violations in maintaining battery operated alarms in working condition, the Department may require the licensee to hard wire the alarms into the electrical system.

(8) EMERGENCY PROCEDURES AND PLANNING.

(a) EVACUATION DRILLS.

(A) The provider must conduct unannounced evacuation drills when individuals are present, once every quarter, with at least one drill per year occurring during the hours of sleep. Drills must occur at different times of the day, evening, and night, with exit routes being varied based on the location of a simulated fire. All occupants must participate in the evacuation drills.

(B) Written documentation must be made at the time of the drill and kept by the provider for at least two years following the drill. Evacuation drill documentation must include:

(i) The date and time of the drill or simulated drill;

(ii) The location of the simulated fire and exit route;

(iii) The last names of all individuals, the provider, caregivers, and all other occupants present on the premises at the time of the drill;

(iv) The type of evacuation assistance provided by the provider to individuals;

(v) The amount of time required by each individual to evacuate; and

(vi) The signature of the provider or caregiver conducting the drill.

(b) The provider must document that, within 24 hours of arrival, each new individual receives an orientation to basic safety and is shown how to respond to a fire and carbon monoxide alarm and how to exit from the AFH-DD in an emergency.

(c) The provider must demonstrate the ability to evacuate all individuals from the AFH-DD within three minutes. If there are problems in demonstrating this evacuation time, the Department may apply conditions to the license that include, but are not limited to, reduction of individuals under care, additional staffing, increased fire protection, or revocation of the license.

(d) The provider must provide, post, and keep up to date, a floor plan on each floor.

(A) The floor plan must contain:

(i) Room sizes;

(ii) The location of the bed for each individual;

(iii) Windows;

(iv) Exit doors;

(v) The sleeping rooms for the resident manager or provider;

(vi) Smoke and carbon monoxide alarms;

(vii) Fire extinguishers;

(viii) Escape routes; and

(ix) Wheelchair ramps.

(B) The floor plan must be updated to reflect any change and a copy of the updated floor plan must be submitted to the Department.

(e) There must be at least one plug-in rechargeable flashlight available for emergency lighting in a readily accessible area on each floor, including the basement.

(f) If an individual accesses the community independently, the provider must provide the individual information about appropriate steps to take in an emergency, such as emergency contact telephone numbers, contacting police or fire personnel, or other strategies to obtain assistance.

(g) WRITTEN EMERGENCY PLAN. Providers must develop, maintain, update, and implement a written Emergency Plan for the protection of all the individuals in the event of an emergency or disaster. The Emergency Plan must:

(A) Be practiced at least annually. The Emergency Plan practice may consist of a walk-through of the duties or a discussion exercise dealing with a hypothetical event, commonly known as a tabletop exercise;

(B) Consider the needs of the individuals being served and address all natural and human-caused events identified as a significant risk for the AFH-DD, such as a pandemic or an earthquake;

(C) Include provisions and sufficient supplies, such as sanitation and food supplies, to shelter in place, when unable to relocate, for at least three days under the following conditions:

(i) Extended utility outage;

(ii) No running water;

(iii) Inability to replace food supplies; and

(iv) Caregivers unable to report as scheduled.

(D) Include provisions for evacuation and relocation that Identifies:

(i) The duties of caregivers during evacuation, transporting, and housing of individuals including instructions to caregivers to notify the Department and local CDDP of the plan to evacuate or the evacuation of the AFH-DD as soon as the emergency or disaster reasonably allows;

(ii) The method and source of transportation;

(iii) Planned relocation sites that are reasonably anticipated to meet the needs of the individuals in the AFH-DD;

(iv) A method that provides persons unknown to the individual the ability to identify each individual by name, and to identify the name of the supporting provider for the individual; and

(v) A method for tracking and reporting to the Department and the local CDDP the physical location of each individual until a different entity resumes responsibility for the individual.

(E) Address the needs of the individuals including provisions to provide:

(i) Immediate and continued access to medical treatment with the evacuation of the individual summary sheet and the emergency information identified in OAR 411-360-0170, and other information necessary to obtain care, treatment, food, and fluids for individuals;

(ii) Continued access to life sustaining pharmaceuticals, medical supplies, and equipment during and after an evacuation and relocation;

(iii) Behavior support needs anticipated during an emergency; and

(iv) Adequate staffing to meet the life-sustaining and safety needs of the individuals.

(F) Providers must instruct and provide training to all caregivers about the duties and responsibilities of the caregivers for implementing the Emergency Plan.

(i) Documentation of caregiver training must be kept on record by the provider.

(ii) The provider must re-evaluate the Emergency Plan at least annually or when there is a significant change in the AFH-DD.

(G) Applicable parts of the Emergency Plan must coordinate with each applicable employment provider or day program provider to address the possibility of an emergency or disaster during day time hours.

(9) SPECIAL HAZARDS.

(a) Flammable and combustible liquids and hazardous materials must be safely and properly stored in original, properly labeled containers or safety containers, and secured to prevent tampering by individuals and vandals.

(b) Oxygen and other gas cylinders in service or in storage must be adequately secured to prevent cylinders from falling or being knocked over. No smoking signs must be visibly posted where oxygen or other gas cylinders are present. Oxygen and other gas cylinders may not be used or stored in rooms where a wood stove, fireplace, or open flames are located.

(c) To protect the safety of an individual in an AFH-DD, the provider must store hunting equipment and weapons in a safe and secure manner inaccessible to the individuals in the AFH-DD. Ammunition must be secured in a locked area separate from the firearms.

(d) For AFH-DDs with one or more employees, smoking regulations in compliance with the Indoor Clean Air Act must be adopted to allow smoking only in outdoor designated areas. Signs must be posted prohibiting smoking in the workplace per OAR 333-015-0040.

(A) Designated smoking areas must be at least 10 feet from any entrance, exit, window that opens, ventilation intake, or accessibility ramp.

(B) Smoking is prohibited in bedrooms.

(C) Smoking is prohibited in vehicles when individuals or employees occupy the vehicle.

(D) Ashtrays of noncombustible material and safe design must be provided in areas where smoking is permitted.

(e) Cleaning supplies, poisons, and insecticides must be properly stored in original, properly labeled containers in a safe area away from food, food preparation and storage, dining areas, and medications and in a manner to prevent tampering by individuals.

Standards and Practices for Health Care

(1) INDIVIDUAL HEALTH CARE. An individual must receive care and services that supports and promotes the health and well-being of the individual as follows:

(a) The AFH-DD must ensure each individual has a primary physician or primary licensed health care provider whom the individual or the legal representative of the individual has chosen from among qualified providers.

(b) The AFH-DD must ensure each individual receives a medical evaluation by a licensed health care provider no less than every two years or as recommended by the licensed health care provider.

(c) The AFH-DD must monitor the health status and physical conditions of each individual and take action in a timely manner in response to identified changes or conditions that may lead to deterioration or harm.

(d) A written and signed order from a physician or licensed health care provider is required prior to the use or implementation of any of the following:

(A) Prescription medications;

(B) Non-prescription medications except over the counter topicals;

(C) Treatments other than basic first aid;

(D) Modified or special diets;

(E) Adaptive equipment; and

(F) Aids to physical functioning.

(e) The provider must implement the order of a physician or licensed health care provider.

(f) Injections may be:

(A) Self-administered by the individual; or

(B) Administered by:

(i) A relative of the individual;

(ii) A currently licensed registered nurse;

(iii) A licensed practical nurse under registered nurse supervision; or

(iv) The provider, resident manager, or substitute caregiver who has been trained and is monitored by a physician or delegated by a registered nurse in accordance with the rules of the Board of Nursing in OAR chapter 851, division 047. Documentation regarding the training or delegation must be maintained in the record for the individual.

(2) REQUIRED DOCUMENTATION.

(a) A provider must maintain and keep current records on each individual to aid physicians, licensed health care providers, the CDDP, and the Department in understanding the medical history of the individual. Such documentation must include:

(A) A list of known health conditions, medical diagnoses, any known allergies, immunizations, Hepatitis B status, previous TB tests, incidents or injuries affecting the health, safety, or emotional well-being of the individual, and history of emotional or mental health status that may be pertinent to current care and services;

(B) A record of visits and appointments to licensed health care providers that includes documentation of the consultation, any treatment provided, and any follow-up reports provided to the provider;

(C) A record of known hospitalizations and surgeries;

(D) Current signed orders for all medications, treatments, therapies, special diets, and adaptive equipment;

(E) Medication administration records (MARs);

(F) Documentation of the consent from the legal representative of the individual for medical treatment that is not routine, including surgery and anesthesia; and

(G) Copies of previous mental health assessments and assessment updates, including multi-axial DSM diagnosis, treatment recommendations, and progress records for mental health treatment services.

(b) When requested, copies of medical records and MARs must be provided to the legal representative, Department case manager, or services coordinator.

(3) MEDICATION PROCUREMENT AND STORAGE. All medications must be:

(a) Kept in the original containers;

(b) Labeled by the dispensing pharmacy, product manufacturer, or physician, as specified by the written order of a physician or licensed health care provider; and

(c) Kept in a secured, locked container and stored as indicated by the product manufacturer.

(4) MEDICATION ADMINISTRATION.

(a) All medications and treatments must be recorded on an individualized MAR. The MAR must include:

(A) The name of the individual;

(B) A transcription of the written order of the physician or licensed health care provider including the brand or generic name of the medication, prescribed dosage, frequency, and method of administration;

(C) For over the counter topical medications without a written order from a physician or licensed health care provider, a transcription of the printed instructions from the topical medication package;

(D) Times and dates of administration or self-administration of the medication;

(E) Signature of the person administering the medication or the person monitoring the self-administration of the medication;

(F) Method of administration;

(G) An explanation of why a PRN (as needed) medication was administered;

(H) Documented effectiveness of any PRN (as needed) medication administration;

(I) An explanation of all medication administration or documentation irregularities; and

(J) Documentation of any known allergy or adverse drug reaction.

(b) Any errors in the MAR must be corrected with a circle of the error and the initials of the person making the correction.

(5) SELF-ADMINISTRATION OF MEDICATION.

(a) For individuals who independently self-administer medications, there must be a plan as determined by the ISP team for the periodic monitoring and review of the self-administration of medications.

(b) The AFH-DD must ensure that individuals able to self-administer medications keep the medications in a place unavailable to other individuals residing in the AFH-DD and store the medications as recommended by the product manufacturer.

(6) USE OF MEDICAL MARIJUANA.

(a) Prior to using medical marijuana in an AFH-DD, an individual must:

(A) Possess a valid OMMP registry card. A copy of the current OMMP registry card for the individual must be made available to the provider and maintained in the record for the individual;

(B) Provide a copy of the written statement by the physician that indicates medical marijuana may mitigate the symptoms of the qualifying condition of the individual and includes instructions for the use of medical marijuana;

(C) Be responsible for obtaining the marijuana from an OMMP approved third party grower who is not the provider, caregiver, resident manager, or any other occupant in or on the premises of the AFH-DD; and

(D) Sign an agreement that the individual understands that:

(i) Marijuana is not allowed to be grown by any person in or on the premises of the AFH-DD;

(ii) A participant in the OMMP may not possess more than one ounce of marijuana at any one time while in or on the premises of the AFH-DD;

(iii) Medical marijuana may only be administered by ingesting it with food and by a vaporizer. If assistance with administration is necessary, the individual must agree to arrange for a "designated primary caregiver". The designated primary caregiver must be authorized by the OMMP and identified on the OMMP registry card for the individual;

(iv) A provider, caregiver, resident manager, or any occupants of the AFH-DD cannot be designated as the OMMP-approved designated primary caregiver of the individual and identified on the OMMP registry card for the individual;

(v) A provider, caregiver, resident manager, or any occupants of the AFH-DD cannot assist with the preparation, administration, or delivery of medical marijuana;

(vi) The individual must maintain any equipment used to administer marijuana;

(vii) Marijuana must be kept in locked storage in the bedroom of the individual when not being administered;

(viii) The individual must immediately notify the OMMP of any change in status, such as a change in address, designated primary caregiver, or person responsible for the marijuana grow site. A copy of the updated OMMP registry card for the individual must be made available to the provider for the record of the individual; and

(ix) Failure to comply with Oregon laws, Oregon rules, or the Residency Agreement of the AFH-DD may result in additional action.

(b) An individual must comply with the Oregon Medical Marijuana Act, the rules for the OMMP in OAR chapter 333, division 008, these rules, and any other requirements for the OMMP.

(c) An individual must self-administer medical marijuana by ingesting the marijuana or inhaling the marijuana with a vaporizer. Smoking marijuana in or on the premises of the AFH-DD is prohibited. Marijuana must be administered privately in a room that is not shared with another person. The individual may not have visitors, other individuals, or any other person in this private space while self-administering the marijuana.

(d) An individual must designate a grower to provide the marijuana as necessary. The grower must not be the provider, resident manager, caregiver, or any occupant in or on the premises of the AFH-DD. The grower designated by the individual must be authorized by OMMP and identified on the OMMP registry card for the individual.

(A) The designated grower for individuals being served in the foster care system must accommodate the specific needs related to the dispensation and tracking of the controlled substance. Not more than 28 grams at a time may be stored on the property of the AFH-DD per card holder. The remainder of the OMMP card holder's marijuana must be stored at the site of the grower.

(B) Each 28 grams, as needed, must be packaged in an airtight container clearly dated and labeled as to the total amount in grams with the name of the OMMP card holder. The container must be stored in a locked cabinet as is done with all controlled medications. Each administration must be tracked on the individual's MAR as to dosage in grams as weighed on a scale, date, and time of day.

(e) A provider, caregiver, resident manager, or any other occupants in or on the premises of the AFH-DD must not prepare or in any way assist with the administration or procurement of an individual's marijuana. The provider must monitor the individual's usage of medical marijuana to ensure safety and to document that the individual's use of medical marijuana is in compliance with the physician's instructions for using marijuana as documented in the ISP or Service Agreement.

(f) If a provider, resident manager, or caregiver also has an OMMP card for medical purposes, a substitute caregiver must be available to support the individuals when the provider, resident manager, or caregiver is under the influence of the medical marijuana. Any OMMP card holder in or on the premises of the AFH-DD must not smoke marijuana in or on the premises of the AFH-DD but may ingest the marijuana or inhale the marijuana with a vaporizer.

(7) PSYCHOTROPIC MEDICATIONS.

(a) Psychotropic medications and medications for behavior must be:

(A) Prescribed by a physician or licensed health care provider through a written order; and

(B) Monitored by the prescribing physician or licensed health care provider, ISP team, and provider for desired responses and adverse consequences.

(b) A provider, resident manager, or any caregiver may not discontinue, change, or otherwise alter the prescribed administration of a psychotropic medication for an individual without direction from a physician or licensed health care provider.

(c) A provider, resident manager, or any caregiver may not use alternative medications intended to alter or affect mood or behavior, such as herbals or homeopathic remedies, without direction and supervision of a physician or licensed health care provider.

(d) PRN (as needed) psychotropic medication orders are not allowed.

(e) PSYCHOTROPIC MEDICATIONS FOR YOUNG ADULTS. A qualified mental health professional or a licensed health care provider must provide a mental health assessment prior to any young adult being prescribed one or more psychotropic medications or any antipsychotic medication.

(A) A mental health assessment is not required in the following situations:

(i) In case of urgent medical need;

(ii) For a change in the delivery system of the same medication;

(iii) For a change in medication within the same classification;

(iv) A one-time medication order given prior to a medical procedure; or

(v) An anti-epileptic medication prescribed for a seizure disorder.

(B) When a mental health assessment is required, the provider must notify and inform the following of the need for a mental health assessment:

(i) The legal guardian of the young adult, or the case manager of the Department when the Department is the legal guardian of the young adult; and

(ii) The services coordinator.

(C) The required mental health assessment:

(i) Must be completed within three months prior to the prescription of a psychotropic medication; or

(ii) May be an update of a prior mental health assessment that focuses on a new or acute problem.

(D) Information from the mental health assessment must be provided to a physician or licensed health care provider prior to the issuance of a prescription for a psychotropic medication.

(E) Within one business day after receiving a new prescription or knowledge of a new prescription for a psychotropic medication for the young adult, the provider must notify:

(i) The legal guardian of the young adult, or the case manager of the Department when the Department is the legal guardian of the young adult; and

(ii) The services coordinator.

(F) The notification described in subsection (E) of this section must contain:

(i) The name of the prescribing physician or licensed health care provider;

(ii) The name of the medication;

(iii) The dosage, any change of dosage, or suspension or discontinuation of the current psychotropic medication;

(iv) The dosage administration schedule prescribed; and

(v) The reason the medication was prescribed.

(G) The provider must get a written informed consent from one of the following prior to filling a prescription for any new psychotropic medication, except in case of urgent medical need:

(i) The legal guardian of the young adult; or

(ii) The Department when the Department is the legal guardian of the young adult.

(H) When a young adult has more than two prescriptions for psychotropic medications, an annual review of the psychotropic medications must occur by a physician, licensed health care provider, or a qualified mental health professional who has the authority to prescribe drugs, such as the Oregon Medicaid Drug Use Review Program.

(f) BALANCING TEST. When a psychotropic medication is first prescribed and annually thereafter, the provider must obtain a signed balanc-

ing test from the prescribing physician or licensed health care provider using the Balancing Test Form (form APD 4110), or by inserting the required form content into a form maintained by the provider.

(A) The provider must present the physician or licensed health care provider with a full and clear description of the behavior and symptoms to be addressed, as well as any side effects observed; and

(B) The provider must keep signed copies of the balancing test in the medical record for the individual for seven years.

(8) MEDICATION SAFEGUARDS.

(a) Safeguards to prevent adverse effects or medication reactions must be utilized and include:

(A) Whenever possible, obtaining all prescription medication for an individual, except samples provided by the physician or licensed health care provider, from a single pharmacy that maintains a medication profile for the individual;

(B) Maintaining information about each desired effects and side effects of the medication; and

(C) Ensuring that medications prescribed for one individual are not administered to, or self-administered by, another individual or caregiver.

(b) The record for an individual must include documentation of the reason when all medications are not provided through a single pharmacy.

(9) MEDICATION DISPOSAL. All unused, discontinued, outdated, recalled, and contaminated medications including over-the-counter medications may not be kept in the AFH-DD and must be disposed of within 10 days of expiration, discontinuation, or the knowledge of the provider of recall or contamination. A provider may contact the local Department of Environmental Quality waste management company in the area for instructions on proper disposal of medications. Disposal of all controlled medications must be documented and witnessed by at least one other person who is 18 years of age or older. A written record of the disposal of the medication must be maintained that includes documentation of:

(a) Date of disposal;

(b) Description of the medication, including dosage, strength, and amount being disposed;

(c) Name of the individual for whom the medication was prescribed;

(d) Reason for disposal;

(e) Method of disposal;

(f) Signature of the person disposing of the medication; and

(g) For controlled medications, the signature of a witness to the disposal.

(10) NURSING SERVICES.

(a) When nursing services are provided to an individual the provider must:

(A) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the individual; and

(B) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

(b) COMMUNITY NURSING SERVICES. When community nursing services as described in OAR chapter 411, division 048 are provided to an individual, the foster care provider must:

(A) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the individual; and

(B) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

(c) PRIVATE DUTY NURSING. Under OAR chapter 410, division 132, private duty nursing services may be allocated to a young adult aged 18 through 20 that resides in a foster home and meets the clinical criteria described in OAR 411-300-0120.

(A) A Nursing Service Plan must be present when Department funds are used for private duty nursing services. A services coordinator must authorize the provision of private duty nursing services as identified in an ISP.

(B) When private duty nursing services are provided to a young adult, the provider must:

(i) Coordinate with the registered nurse and the ISP team to ensure that the nursing services being provided are sufficient to meet the health needs of the young adult; and

(ii) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

(d) DIRECT NURSING SERVICES. Direct nursing services may be provided to individuals 21 years of age and over as described in OAR chapter 411, division 380.

(A) A Nursing Service Plan must be present when Department funds are used for direct nursing services. A services coordinator must authorize the provision of direct nursing services as identified in an ISP.

(B) When direct nursing services are provided to an individual the provider must:

(i) Coordinate with the registered nurse and the ISP team to ensure that the direct nursing services being provided are sufficient to meet the health needs of the individual; and

(ii) Implement the Nursing Service Plan, or appropriate portions therein, as agreed upon by the ISP team and registered nurse.

(C) An AFH-DD provider licensed by the Department may provide direct nursing services to individuals in the AFH-DD under the following conditions:

(i) The provider must meet the qualifications to provide direct nursing services described in OAR 411-380-0060;

(ii) More than one individual resides in the AFH-DD and requires direct nursing services;

(iii) The AFH-DD provider is the choice of the individual or the legal representative of the individual and is not for the convenience of the AFH-DD provider; and

(iv) The AFH-DD provider meets the requirements as an enrolled Medicaid Provider as described in OAR 411-380-0060 and has a separate and distinct Medicaid provider number.

(D) LIMITATIONS.

(i) While delivering a direct nursing service singularly to an eligible individual in the AFH-DD, the provider must assure the needs of other individuals in the home are met up to and including additional staffing, such as resident managers, substitute caregivers, or additional nurses in the home. Documentation must record staffing coverage; and

(ii) To assure the health and safety of individuals with medically complex conditions in an AFH-DD, an AFH-DD provider delivering direct nursing services in the licensed AFH-DD is limited to 40 total hours per week of direct nursing services.

(11) DELEGATION AND SUPERVISION OF NURSING TASKS. Nursing tasks must be delegated by a registered nurse to a provider, resident manager, and a substitute caregiver in accordance with the rules of the Oregon State Board of Nursing in OAR chapter 851, division 047.

411-360-0160
Behavior Support

(1) A decision to develop a plan to alter the behavior of an individual must be made by the ISP team.

(a) A foster care provider must implement a Behavior Support Plan as developed by a qualified Behavior Consultant.

(b) If an ISP team authorizes development of a Behavior Support Plan or interaction guidelines, the provider must participate as requested by the Behavior Consultant.

(c) A Behavior Support Plan may not be altered by the provider.

(2) FUNCTIONAL BEHAVIORAL ASSESSMENT. Prior to the development of a formal Behavior Support Plan, as agreed to by the ISP team, a functional behavioral assessment must be conducted. The functional behavioral assessment must be based upon information provided by one or more persons who know the individual and include:

(a) A clear, measurable description of the behavior, including (as applicable) frequency, duration, and intensity of the behavior;

(b) A clear description and justification of the need to alter the behavior;

(c) An assessment of the meaning of the behavior, including the possibility that the behavior is one or more of the following:

(A) An effort to communicate;

(B) The result of a medical condition;

(C) The result of a psychiatric condition; or

(D) The result of environmental causes or other factors.

(d) A description of the context in which the behavior occurs; and

(e) A description of what currently maintains the behavior.

(3) BEHAVIOR SUPPORT PLAN.

(a) A Behavior Support Plan must include:

(A) An individualized summary of the needs, preferences, and relationships of the individual;

(B) A summary of the function of the behavior (as derived from the functional behavioral assessment);

(C) Strategies that are related to the function of the behavior and are expected to be effective in reducing challenging behaviors;

(D) Prevention strategies, including environmental modifications and arrangements;

(E) Early warning signals or predictors that may indicate a potential behavioral episode and a clearly defined plan of response;

(F) A general crisis response plan that is consistent with OIS;

(G) A plan to address post crisis issues;

(H) A procedure for evaluating the effectiveness of the Behavior Support Plan, including a method of collecting and reviewing data on frequency, duration, and intensity of the behavior;

(I) Specific instructions for caregivers who provide support to follow regarding the implementation of the Behavior Support Plan; and

(J) Positive behavior supports that includes the least intrusive intervention possible.

(b) A provider must maintain written evidence that an individual, the legal representative of the individual (if applicable), and the ISP team are aware of the development of a Behavior Support Plan and any objections or concerns must be documented.

(4) PROTECTIVE PHYSICAL INTERVENTION.

(a) The AFH-DD must only employ protective physical intervention techniques that are included in the current approved OIS curriculum or as approved by the OIS Steering Committee.

(b) Protective physical intervention techniques must only be applied:

(A) When the health and safety of an individual or others is at risk and the ISP team has authorized the procedures as documented by the decision of the ISP team, the procedures are documented in the ISP or Service Agreement, and the procedures are intended to lead to less restrictive intervention strategies;

(B) As an emergency measure, if absolutely necessary to protect the individual or others from immediate injury; or

(C) As a health related protection prescribed by a physician or licensed health care provider if absolutely necessary during the conduct of a specific medical or surgical procedure or for the protection of an individual during the time that a medical condition exists.

(c) TRAINING. Providers, resident managers, and substitute caregivers who support individuals who have behavior support needs that may require the application of protective physical intervention must be trained by an instructor certified in OIS when an ISP team has determined that there is probable cause for future application of protective physical intervention. Documentation verifying OIS training must be maintained in the personnel file of the provider, resident manager, and substitute caregiver.

(d) MODIFICATION OF TECHNIQUES. A provider must obtain the approval of the OIS Steering Committee for any modification of standard OIS protective physical intervention techniques. The request for modification of protective physical intervention techniques must be submitted to the OIS Steering Committee and must be approved in writing by the OIS Steering Committee prior to the implementation of the modification. The provider must maintain documentation of the approval of the OIS Steering Committee in the record for the individual.

(e) USE IN EMERGENCY SITUATIONS.

(A) Use of protective physical intervention techniques in emergency situations that are not part of an approved Behavior Support Plan must:

(i) Be reviewed by the provider, resident manager, or designee within one hour of application; and

(ii) Be used only until the individual is no longer an immediate threat to self or others.

(B) No later than one working day after the use of protective physical intervention techniques in an emergency situation, an incident report as described in subsection (f) of this section must be submitted to the services coordinator, personal agent (if applicable), or other Department designee.

(C) The ISP team must meet if an emergency protective physical intervention is used more than three times in a six-month period.

(f) INCIDENT REPORT.

(A) Any use of protective physical intervention must be documented in an incident report. The report must include:

(i) The name of the individual to whom the protective physical intervention was applied;

(ii) The date, type, and length of time the protective physical intervention was applied;

(iii) A description of the incident precipitating the need for the use of the protective physical intervention;

(iv) Documentation of any injury;

(v) The name and position of the caregiver applying the protective physical intervention;

(vi) The name and position of the caregivers witnessing the protective physical intervention; and

(vii) The name and position of the person conducting the review of the incident that includes the follow-up to be taken to prevent a recurrence of the incident.

(B) Within five working days of the incident, a copy of the incident report must be forwarded to the services coordinator or other Department designee (if applicable).

(C) If the protective physical intervention results in an injury, a copy of the incident report must be forwarded within one working day of the incident to the services coordinator or other Department designee (if applicable).

(D) A copy of an incident report not associated with a protective service investigation must be provided to the personal agent (if applicable) and the legal representative (if applicable) within the timeframes specified in this rule.

411-360-0170
Documentation and Record Requirements

(1) INDIVIDUAL RECORDS. A record must be developed, kept current, and available on the premises of the AFH-DD for each individual admitted to the AFH-DD.

(a) The provider must maintain a summary sheet for each individual in the AFH-DD. The summary sheet must include:

(A) The name of the individual, current and previous address, date of entry into the AFH-DD, date of birth, gender, marital status, religious preference, preferred hospital, Medicaid prime and private insurance number (if applicable), and guardianship status; and

(B) The name, address, and telephone number of:

(i) The legal representative, family, advocate, or other significant person;

(ii) The primary physician or licensed health care provider and designated back up physician or licensed health care provider or clinic preferred by the individual;

(iii) The dentist preferred by the individual;

(iv) The day program or employer (if applicable);

(v) The services coordinator; and

(vi) Other representatives providing care and services to the individual.

(b) EMERGENCY INFORMATION. The provider must maintain emergency information for each individual receiving care and services in the AFH-DD in addition to the individual summary sheet identified in subsection (a) of this section. The emergency information must be kept current and must include:

(A) The name of the individual;

(B) The name, address, and telephone number of the provider;

(C) The address and telephone number of the AFH-DD where the individual resides if different from that of the provider;

(D) The physical description of the individual, which may include a picture of the individual with the date the picture was taken, and identification of:

(i) The race, gender, height, weight range, hair, and eye color of the individual; and

(ii) Any other identifying characteristics that may assist in identifying the individual, such as marks or scars, tattoos, or body piercings.

(E) Information on the abilities and characteristics of the individual including:

(i) How the individual communicates;

(ii) The language the individual uses and understands;

(iii) The ability of the individual to know how to take care of bodily functions; and

(iv) Any additional information that may assist a person not familiar with the individual to understand what the individual can do for him or herself.

(F) The health support needs of the individual including:

(i) Diagnosis;

(ii) Allergies or adverse drug reactions;

(iii) Health issues that a person needs to know when taking care of the individual;

(iv) Special dietary or nutritional needs, such as requirements around textures or consistency of foods and fluids;

(v) Food or fluid limitations due to allergies, diagnosis, or medications the individual is taking that may be an aspiration risk or other risk for the individual;

(vi) Additional special requirements the individual has related to eating or drinking, such as special positional needs or a specific way foods or fluids are given to the individual;

(vii) Physical limitations that may affect the ability of the individual to communicate, respond to instructions, or follow directions; and

(viii) Specialized equipment needed for mobility, positioning, or other health-related needs.

(G) The emotional and behavioral support needs of the individual including:

(i) Mental health or behavioral diagnosis and the behaviors displayed by the individual; and

(ii) Approaches to use when dealing with the individual to minimize emotional and physical outbursts.

(H) Any court ordered or guardian authorized contacts or limitations;

(I) The supervision requirements of the individual and why; and

(J) Any additional pertinent information the provider has that may assist in the care and services to support the individual if a natural or man-made disaster occurs.

(c) Individual records must be made available to representatives of the Department conducting inspections or investigations as well as to individuals to whom the information pertains, the legal representative of the individual, or other legally authorized people.

(d) Individual records must be kept by the provider for a period of at least three years. When an individual moves or an AFH-DD closes, copies of pertinent information must be transferred to the new place of residence for the individual.

(e) Providers must comply with ORS 179.505 in all other matters pertaining to confidential records and release of information.

(2) INDIVIDUAL ACCOUNT RECORDS. For those individuals not yet capable of managing money as determined by the ISP team or legal representative of the individual, the provider must prepare, maintain, and keep current a separate and accurate written record of all money received or disbursed on behalf of or by the individual.

(a) The account record must include:

(A) The date, amount, and source of income received;

(B) The date, amount, and purpose of funds disbursed; and

(C) The signature of the provider or caregiver making each entry.

(b) Purchases of $10.00 or more made on behalf of an individual must be documented by receipts unless an alternate amount is otherwise specified by the ISP team.

(c) Personal Incidental Funds (PIF) are to be used at the discretion of the individual for things, such as clothing, video games, and snacks (not part of daily diet) as addressed in the ISP for the individual.

(d) Each account record must include the disposition of the room and board fee that the individual pays to the provider at the beginning of each month.

(e) REIMBURSEMENT TO INDIVIDUAL. The provider must reimburse the individual any funds that are missing due to theft or mismanagement on the part of the provider, resident manager, or caregiver of the AFH-DD, or for any funds within the custody of the provider that are missing. Such reimbursement must be made within 10 business days of the verification that funds are missing.

(f) Financial records must be maintained for at least seven years.

(3) PERSONAL PROPERTY RECORD. A provider must prepare and maintain an accurate individual written record of personal property that has significant emotional or monetary value to each individual as determined by a documented ISP team or legal representative decision. The personal property record must include:

(a) The description and identifying number (if any):

(b) Date of inclusion in the record;

(c) Date and reason for removal from record;

(d) Signature of provider making each entry; and

(e) A signed and dated annual review of the personal property record for accuracy.

(4) INDIVIDUAL SUPPORT PLAN.

(a) The provider must collect and summarize the following information prior to an ISP meeting:

(A) One page profile reflecting, at a minimum, information gathered by the provider of the AFH-DD;

(B) Person-centered information reflecting, at a minimum, information gathered by the provider of the AFH-DD; and

(C) Information about known, identified serious risks.

(b) The following information must be developed by the provider and shared with the services coordinator and the individual, or if applicable the legal or designated representative of the individual, as directed by the Services Agreement.

(A) Implementation strategies, such as action plans, for desired outcomes or goals.

(B) Necessary protocols or plans that address health, behavioral, safety, and financial supports.

(C) A summary of the provider risk management strategies in place, including title of document, date, and where the document is located.

(D) A Nursing Service Plan, if applicable.

(E) Other documents required by the ISP team.

(c) When desired by the individual, the provider must participate in the ISP team meetings.

(d) A provider must agree in writing to implement the portion of the ISP for which the provider is responsible for implementing. Agreement may be recorded by a signature on the ISP or Service Agreement.

(e) The provider must maintain a copy of the ISP or Service Agreement provided the CDDP.

(f) The provider must maintain documentation of implementation of each support and services specified in subsections (b)(A) to (b)(E) of this section. This documentation must be kept current and be available for review by the individual, the legal representative of the individual, CDDP, and Department representatives.

(5) INDIVIDUALLY-BASED LIMITATIONS.

(a) For an initial or annual ISP authorized to begin on or after March 1, 2017, the provider must identify any individually-based limitations to the following freedoms:

(A) Support and freedom to access the individual's personal food at any time;

(B) Visitors of the individual's choosing at any time;

(C) A lock on the individual's bedroom, lockable by the individual;

(D) Choice of a roommate, if sharing a bedroom;

(E) Freedom to furnish and decorate the individual's bedroom as the individual chooses in accordance with the Residency Agreement; and

(F) Freedom and support to control the individual's schedule and activities.

(b) All individually-based limitations must be included in the ISP no later than February 28, 2018.

(c) An individually-based limitation to any freedom in subsection (a) of this section must be supported by a specific assessed need due to threats to the health and safety of the individual or others. The licensee must incorporate and document all applicable elements identified in OAR 411-004-0040, including:

(A) The specific and individualized assessed need justifying the individually-based limitation;

(B) The positive interventions and supports used prior to any individually-based limitation;

(C) Less intrusive methods that have been tried but did not work;

(D) A clear description of the condition that is directly proportionate to the specific assessed need;

(E) Regular reassessment and review to measure the ongoing effectiveness of the individually-based limitation;

(F) Established time limits for periodic review of the individually-based limitation to determine if the individually-based limitation should be terminated or remains necessary. The individually-based limitation must be reviewed at least annually;

(G) The informed consent of the individual or, as applicable, the legal representative of the individual, including any discrepancy between the wishes of the resident and the consent of the legal representative; and

(H) An assurance that the interventions and support do not cause harm to the individual.

(6) HOUSE RULES.

(a) House rules must be submitted and may be subject to review and approval by the Department or its designee prior to implementation and as changes occur.

(b) House rules must be posted in a conspicuous location in the AFH-DD that is accessible to individuals and visitors.

(c) House rules may not violate the rights of an individual as stated in ORS 430.210, ORS 443.739, OAR 411-318-0010, and described in section (11) of this rule.

(d) House rules may not be in conflict with these rules or the home and community-based services and settings rules in OAR chapter 411, division 004.

(e) A provider must review and provide a copy of the house rules to each individual, and as applicable the legal representative of the individual, at the time of entry and annually or as changes occur. The reviews must be documented by having the individual, or as applicable the legal representative of the individual, sign and date a copy of the house rules. A copy of the signed and dated house rules must be maintained in the record for the individual.

(7) RESIDENCY AGREEMENTS. The provider must maintain a Residency Agreement with all individuals as described in OAR 411-360-0055, and if applicable, specialized contracts with the Department, and tenancy agreements with room and board tenants.

(8) UNUSUAL INCIDENTS. A written report of all unusual incidents relating to an individual must be sent to the CDDP within five business days of the incident. The report must include how and when the incident occurred, who was involved, what action was taken by the provider or caregiver, the outcome to the individual, and what action is being taken to prevent the reoccurrence of the incident.

(9) GENERAL INFORMATION. The provider must maintain all other information or correspondence pertaining to the individual.

(10) MONTHLY PROGRESS NOTES. The provider must maintain and keep current monthly progress notes for each individual residing in the AFH-DD that include, at a minimum, the progress of the supports identified in the ISP or Service Agreement, any medical, behavioral, or safety issues, or any other events that are significant to the individual.

(11) BILL OF RIGHTS FOR INDIVIDUALS.

(a) As stated in ORS 443.739, each individual residing in an AFH-DD has the right to:

(A) Be treated as an adult, with respect and dignity.

(B) Be informed of all rights and all house rules.

(C) Be encouraged and assisted to exercise legal rights, including the right to vote.

(D) Be informed of his or her medical condition and the right to consent to or refuse treatment.

(E) Receive appropriate care and services, and prompt medical care as needed.

(F) A safe and secure environment.

(G) Be free from mental and physical abuse.

(H) Be free from chemical or physical restraints except as ordered by a physician or other qualified practitioner.

(I) Complete privacy when receiving treatment or personal care.

(J) Associate and communicate privately with any person the individual chooses.

(K) Send and receive personal mail unopened.

(L) Participate in activities of social, religious, and community groups.

(M) Have medical and personal information kept confidential.

(N) Keep and use a reasonable amount of personal clothing and belongings, and to have a reasonable amount of private, secure storage space.

(O) Manage the individual's own money and financial affairs unless legally restricted.

(P) Be free from financial exploitation. The provider may not charge or ask for application fees or nonrefundable deposits and may not solicit, accept, or receive money or property from an individual other than the amount agreed to for services.

(Q) A written agreement regarding the services to be provided and the rate schedule to be charged. The provider must give 30 days' written notice before any change in the rates or the ownership of the home.

(R) Not to be transferred or moved out of the AFH-DD without 30 days' advance written notice and an opportunity for a hearing. A provider may transfer or discharge an individual only for medical reasons including a medical emergency described in ORS 443.738(11)(b), or for the welfare of the individual or other individuals residing in the AFH-DD, or for nonpayment.

(S) Be free of discrimination in regard to race, color, religion, gender, sexual orientation, or national origin.

(T) Make suggestions and complaints without fear of retaliation.

(U) Be encouraged and assisted in exercising all legal, civil, and human rights accorded to other citizens of the same age, except when limited by a court order.

(b) The provider must guarantee these rights and help individuals exercise them.

(c) The provider shall post a copy of the Bill of Rights in the entry or other equally prominent place in the AFH-DD. The Bill of Rights must include the name and phone number of the office to call in order to report a complaint.

(d) The provider must explain and provide a copy of the Bill of Rights along with a description of how to exercise these rights to each individual and the legal representative of the individual at the time of entry and document in the file for the individual that a copy of the Bill of Rights was provided.

(e) The provider must review the Bill of Rights with each individual and the legal representative of the individual annually or as changes occur.

(f) In addition to the rights described in subsection (1)(a) of this section, individuals receiving home and community-based services in residential and non-residential home and community-based settings have the right to home and community-based settings with the qualities described in OAR 411-004-0020(1).

(g) In addition to the rights described in subsections (1)(a) of this section, individuals receiving home and community-based services in provider owned, controlled, or operated residential settings have the right to provider owned, controlled, or operated residential settings with the qualities described in OAR 411-004-0020(2).

(12) AFH-DD records must be kept current and maintained by the provider and be available for inspection upon request.

(13) EMPLOYMENT RECORDS. AFH-DD records must include proof that the provider, resident manager, and any other caregivers have met the minimum qualifications as required by OAR 411-360-0110. The following documentation must be included in the AFH-DD record and made available for review upon request:

(a) Completed employment applications including the names, addresses, and telephone numbers of all caregivers employed by the provider. An application for employment in any capacity in an AFH-DD must include a question asking whether the person applying for employment has ever been found to have committed abuse;

(b) Proof that the provider has the approval from the Department for each subject individual, as defined in OAR 411-360-0020, to have contact with older adults, adults with disabilities, or adults with intellectual or developmental disabilities as a result of a background check as defined in OAR 407-007-0210;

(c) Proof of required training according to OAR 411-360-0120. Documentation must include the date of each training, subject matter, name of agency or organization providing the training, and number of training hours;

(d) A certificate to document completion of the Department's Basic Training Course for the provider, resident manager, and substitute caregivers;

(e) Proof of mandatory abuse report training for the provider, resident manager, and substitute caregivers;

(f) Proof of any additional training required for the specific classification of an AFH-DD or the provider, resident manager, and all caregivers; and

(g) Documentation of caregiver orientation to the AFH-DD, training of emergency procedures, training on the ISPs or Service Agreements for individuals, and training on behavior supports and the Nursing Service Plan (if applicable).

411-360-0180
General Practices

The provider must:

(1) Post the license for the AFH-DD in a conspicuous location in the AFH-DD that is accessible to individuals and visitors;

(2) Cooperate with Department personnel in complaint investigation procedures, abuse investigations and protective services, planning for individual care and services, application procedures, and other necessary activities, and allow access of Department personnel to the AFH-DD, the individuals, and all records;

(3) Give care and services as appropriate to the age and condition of the individuals and as identified in the ISP or Service Agreement. The provider must be responsible for ensuring that the orders of physicians and health care providers are followed and that the physicians and health care

providers are informed of changes in health status and if the individual refuses care and services;

(4) In the absence of the provider, have a substitute caregiver on the premises that is capable of providing care and services as required by the age and condition of the individuals. An AFH-DD service recipient may not be a substitute caregiver. For provider absences beyond 72 hours, the CDDP must be notified of the name of the substitute caregiver and the plan of operation in the absence of the provider;

(5) A provider, resident manager, or caregiver must be present in the AFH-DD at all times individuals are present, unless specifically stated in an ISP or Service Agreement and granted as a variance by the Department;

(6) Allow individuals to exercise all civil and human rights accorded to other citizens;

(7) Not allow or tolerate physical, sexual, or emotional abuse or punishment, exploitation, or neglect of individuals;

(8) Provide care and services as agreed to in an ISP or Service Agreement;

(9) Keep information related to individuals confidential as required under ORS 179.505;

(10) Assure that the number of individuals requiring nursing care does not exceed the capability of the provider as determined by the Department;

(11) Not admit individuals without developmental or intellectual disabilities prior to the express permission of the Department. The provider must notify the CDDP prior to admitting an individual not referred for placement by the CDDP;

(12) Exercise reasonable precautions against any conditions that may threaten the health, safety, or welfare of individuals;

(13) Immediately notify the appropriate ISP team members (in particular the services coordinator and the legal representative) of any unusual incidents that include the following:

(a) Any significant change in medical status;

(b) An unexplained or unanticipated absence from the AFH-DD;

(c) Any alleged or actual abuse of the individual;

(d) Any major behavioral incident, accident, illness, or hospitalization;

(e) If the individual contacts or is contacted by the police; or

(f) The individual dies.

(14) Write an incident report for any unusual incident and forward a copy of the incident report to the CDDP within five working days of the incident unless the incident must be referred immediately for a protective services investigation. Copies of incident reports not involving a protective services investigation must be provided to the legal representative or personal agent, when applicable; and

(15) Notify the Department within 24 hours upon a change in the business address for electronic mail and the telephone number for the provider and the AFH-DD.

Standards for Entry, Transfer, Community Living Supports, Exit, and Closure

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, gender, sexual orientation, national origin, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) QUALIFICATIONS FOR DEPARTMENT-FUNDED SERVICES. An individual who enters an AFH-DD is subject to eligibility as described in this section.

(a) To become a Department-funded resident of an AFH-DD, an individual must:

(A) Be an Oregon resident;

(B) Be receiving a Medicaid Title XIX (OHP) benefit package through OSIPM or OCCS medical program;

(C) Be determined eligible for developmental disabilities services by the CDDP of the county of origin as described in OAR 411-320-0080;

(D) Meet the level of care as defined in OAR 411-320-0020; and

(E) Be an individual who is not receiving other Department-funded in-home or other funded comprehensive residential services.

(b) Individuals receiving Medicaid OHP under OCCS medical coverage for services in a nonstandard living arrangement as defined in OAR 461-001-0000 are subject to the requirements in the same manner as if they were requesting these services under OSIPM, including the rules regarding:

(A) The transfer of assets as set forth in OAR 461-140-0210 to 461-140-0300; and

(B) The equity value of a home which exceeds the limits as set forth in OAR 461-145-0220.

(3) ENTRY. All individuals considered for entry into the AFH-DD must:

(a) Be referred by the CDDP or have prior written approval of the CDDP or Department if the services for the individual are paid for by the Department; or

(b) Be placed with the agreement of the CDDP if the individual is either private pay or not eligible for developmental disability services.

(4) ENTRY.

(a) ENTRY MEETING. A provider must participate in an entry meeting prior to the individual moving in to the home.

(b) At the time of a referral from the CDDP, a provider must demonstrate efforts to acquire the following individual information from the referring CDDP:

(A) A copy of the eligibility determination document;

(B) A statement indicating the safety skills, including the ability of the individual to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

(C) A brief written history of any behavioral challenges, including supervision and support needs;

(D) A medical history and information on health care supports that includes (when available):

(i) The results of the most recent physical exam;

(ii) The results of any dental evaluation;

(iii) A record of immunizations;

(iv) A record of known communicable diseases and allergies; and

(v) A record of major illnesses and hospitalizations.

(E) A written record of any current or recommended medications, treatments, diets, and aids to physical functioning;

(F) Copies of documents relating to the guardianship, conservatorship, health care representation, , power of attorney, or any legal restrictions on the rights of the individual (if applicable);

(G) A copy of the most recent Behavior Support Plan and assessment, ISP or Service Agreement, Nursing Service Plan, and Individualized Education Program (if applicable); and

(H) Copies of protocols, the risk tracking record, and any support documentation (if available).

(c) If an individual is being admitted from the family home of the individual and the information required in subsection (b) of this section is not available, the provider must assess the individual upon entry for issues of immediate health or safety and document a plan to secure the remaining information no later than 30 days after entry. The plan must include a written justification as to why the information is not available.

(5) The provider retains the right to deny the entry of any individual if the provider feels the support needs of the individual may not be met by the provider or for any other reason specifically prohibited by these rules.

(6) An AFH-DD may not be used as a site for foster care for children, adults from other agencies, or any other type of shelter or day care without the written approval of the Department.

(7) TRANSFERS.

(a) An individual may not be transferred by a provider to another AFH-DD or moved out of the AFH-DD without 30 days advance written notice to the individual, the legal representative of the individual, and the CDDP stating reasons for the transfer as provided in ORS 443.739(18) and OAR 411-088-0070, and the right of the individual to a hearing as provided in ORS 443.738(11)(c) and OAR 411-088-0080, except for a medical emergency or to protect the welfare of the individual or other individuals. Individuals may only be transferred by a provider for the following reasons:

(A) Behavior that poses a significant danger to the individual or others;

(B) Failure to make payment for care and services;

(C) The license for the AFH-DD has been suspended, revoked, not renewed, or the provider voluntarily surrendered the license;

(D) The care and service needs of the individual exceed the ability of the provider; or

(E) There is a mutual decision made by the individual, the legal representative of the individual, and the ISP team that a transfer is in the best interest of the individual and all ISP team members agree.

(b) Individuals who object to the transfer by the AFH-DD provider must be given the opportunity for a hearing as provided in ORS

443.738(11)(c) and OAR 411-088-0080. Participants may include the individual and at the request of the individual, the provider, a family member, and the CDDP. If a hearing is requested to appeal a transfer, the individual must continue to receive the same services until the appeal is resolved.

(8) COMMUNITY LIVING SUPPORTS.

(a) Community living supports may be provided to one or more individuals if the addition of the individual receiving community living supports in the AFH-DD does not cause the capacity of the AFH-DD as determined by OAR 411-360-0060 to exceed five. Relief care may not be provided for more than 14 consecutive days to a single individual without prior approval from the Department.

(b) The provider must have information sufficient to provide for the health and safety of an individual receiving community living supports that includes the following:

(A) Medications provided in a container labeled from a pharmacy or in the original container labeled from the manufacturer;

(B) A list of medications, administration times, and self-administration information as needed. Administration of medication must be documented on a MAR;

(C) Basic summary sheet for the individual that includes the following:

(i) The name of the physician or health care provider of the individual and the phone number for the physician or health care provider;

(ii) The name of the emergency contact person of the individual and the phone number for the emergency contact;

(iii) List of supports related to food and drink (textures, special diets, allergies, preferences);

(iv) List of supports related to health supports;

(v) List of supports related to safety, including ability to adjust water temperature; and

(vi) List of supports related to challenging behaviors.

(c) On the first relief care visit of an individual, the provider must practice and document a fire drill immediately upon the arrival of the individual. For subsequent relief care visits, the provider must review the fire evacuation procedures with the individual and document the review.

(d) No use of PRN (as needed) psychotropic medications is allowed.

(9) IMMEDIATE EXIT.

(a) An individual who was admitted on or after July 1, 2014 may be moved without advance notice if all of the following are met:

(A) The AFH-DD provider was not notified prior to the entry of the individual to the AFH-DD that the individual is on probation, parole, or post-prison supervision after being convicted of a sex crime;

(B) The AFH-DD provider learns that the individual is on probation, parole, or post-prison supervision after being convicted of a sex crime; and

(C) The individual presents a current risk of harm to another individual, staff, or visitor in the AFH-DD as evidenced by:

(i) Current or recent sexual inappropriateness, aggressive behavior of a sexual nature, or verbal threats of a sexual nature; or

(ii) Current communication from the State Board of Parole and Post-Prison Supervision, Department of Corrections, or community corrections agency parole or probation officer that the Static 99 score for the individual or other assessment indicates a probable sexual re-offense risk to others in the AFH-DD.

(b) Prior to the move, the AFH-DD provider must contact the Central Office of the Department by telephone to review the criteria in subsection (a) of this section. The Department shall respond within one business day of contact by the AFH-DD. The parole or probation officer of the Department of Corrections must be included in the review, if available. The Department shall advise the AFH-DD provider if rule criteria for immediate exit are not met. The Department shall assist in locating placement options.

(c) A written move-out notice must be completed on form number APD 0719DD. The form must be filled out in its entirety and a copy of the notice must be delivered in person to the individual or if applicable the legal representative of the individual. Where an individual lacks capacity and there is no legal representative, a copy of the notice to move-out must be immediately faxed to the State Long Term Care Ombudsman.

(d) Prior to the move, the AFH-DD licensee must orally review the notice and the right to object with the individual, or as applicable the legal representative of the individual, and determine if a hearing is requested. A request for hearing does not delay the exit. The AFH-DD must immediately telephone the Central Office of the Department when a hearing is requested. The hearing must be held within five business days of the exit of the individual. An informal conference may not be held prior to the hearing.

(10) EXIT.

(a) A provider may only exit an individual for valid reasons equivalent to those for transfers as described in section (7)(a) of this rule or for an immediate exit as described in section (9) of this rule.

(b) The provider must give at least 30 days written notice to an individual, the services coordinator, and the Department before termination of residency, unless an immediate exit as described in section (9) of this rule or where undue delay might jeopardize the health, safety, or well-being of the individual or others. If an individual requests a hearing to appeal an exit from an AFH-DD, the individual must receive the same services until the appeal is resolved. This does not apply to an immediate exit as described in section (9) of this rule.

(c) The provider must promptly notify the CDDP in writing if an individual gives notice or plans to leave the AFH-DD or if an individual abruptly leaves. An individual is not required to give notice to an AFH-DD provider if the individual chooses to exit the AFH-DD.

(11) EXIT MEETING. A provider must participate in an exit meeting before any decision to exit is made if required by the case management entity.

(12) CLOSURE. Providers must notify the Department and CDDP in writing prior to announcing a voluntary closure of the AFH-DD to individuals and the legal representatives of the individuals.

(a) The provider must give each individual, the legal representative of the individual, and the CDDP 30 days written notice of the planned closure, except in circumstances where undue delay might jeopardize the health, safety, or welfare of the individuals, provider, or caregivers.

(b) If a provider has more than one AFH-DD, the individuals may not be shifted from one AFH-DD to another AFH-DD without providing each individual, the legal representative of the individual, and the CDDP 30 days written notice of the planned closure, unless prior approval is given and agreement obtained from the individuals, the legal representative of the individuals, and the CDDP or when undue delay might jeopardize the health, safety, or well-being of the individuals, provider, or caregivers.

(c) A provider must return the AFH-DD license to the Department if the AFH-DD closes prior to the expiration of the license.

411-360-0200
Adjustment, Suspension or Termination of Payment

(1) The Department may adjust, suspend, or terminate payment to a provider when any of the following conditions occur:

(a) The license for the AFH-DD is revoked, suspended, or terminated;

(b) Upon finding that the provider is failing to deliver any care or service as agreed to in an ISP or Service Agreement;

(c) When funding, laws, regulations, or the priorities of the Department change such that funding is no longer available, redirected to other purposes, or reduced;

(d) The care and service needs of an individual change;

(e) An individual is absent for five or more consecutive days without providing notice to the provider;

(f) An individual is determined to be ineligible for services; or

(g) An individual moves, with or without notice, from the AFH-DD. The provider is paid only through the last night the individual slept in the AFH-DD.

(2) The Department is under no obligation to maintain the AFH-DD at its licensed capacity or to provide payments to potential providers.

411-360-0260
Civil Penalties

(1) A civil penalty of not less than $100 and not more than $250 per violation, except as otherwise provided in this rule, is imposed on a licensee for a general violation of these rules.

(2) A civil penalty of up to $500, unless otherwise required by law, is imposed for falsifying individual or AFH-DD records or causing another to falsify individual or AFH-DD records.

(3) A civil penalty of $250 is imposed on a licensee for failure to have either the provider, resident manager, or other qualified caregiver on duty 24 hours per day in the AFH-DD per ORS 443.725(3), unless permitted under OAR 411-360-0180(7).

(4) A civil penalty of $250 is imposed for dismantling or removing the battery from any required smoke alarm or failing to install any required smoke alarm.

(5) A civil penalty of not less than $250 and not more than $500, unless otherwise required by law, is imposed on a licensee who admits knowing that the care or service needs of an individual exceed the license classification of the AFH-DD if the admission places the individual or other individuals at grave risk of harm.

(6) Civil penalties of up to $1,000 per occurrence may be assessed for substantiated abuse.

(7) If the Department conducts an abuse investigation and the substantiated abuse resulted in the death, serious injury, rape, or sexual abuse of an individual, a civil penalty of not less than $2,500 is imposed for each violation.

(a) To impose the civil penalty in section (7) of this rule, the Department must establish that:

(A) The abuse arose from deliberate or other than accidental action or inaction;

(B) The conduct resulting in the abuse was likely to cause death, serious injury, rape, or sexual abuse of an individual; and

(C) The person with the substantiated finding of abuse had a duty of care and services toward the individual.

(b) For the purpose of the civil penalty in section (7) of this rule, the following definitions apply:

(A) "Serious injury" means a physical injury that creates a substantial risk of death or that causes serious disfigurement, prolonged impairment of health, or prolonged loss or impairment of the function of any bodily organ.

(B) "Rape" means rape in the first, second, or third degree as described in ORS 163.355, 163.365, and 163.375.

(C) "Sexual abuse" means any form of nonconsensual sexual contact including, but not limited to, unwanted or inappropriate touching, sodomy, sexual coercion, sexually explicit photographing, or sexual harassment. The sexual contact must be in the form of any touching of the sexual or other intimate parts of a person or causing such person to touch the sexual or other intimate parts of the actor for the purpose of arousing or gratifying the sexual desire of either party.

(D) "Other than accidental" means failure on the part of the licensee, employees, agents, or volunteers for whose conduct licensee is responsible, to comply with applicable Oregon Administrative Rules.

(8) In addition to any other liability or penalty, the Department may impose a civil penalty for any of the following:

(a) Operating the AFH-DD without a license;

(b) The number of individuals exceeds the licensed capacity for the AFH-DD;

(c) The licensee fails to achieve satisfactory compliance with the requirements of these rules within the time specified or fails to maintain such compliance;

(d) The AFH-DD is unable to provide an adequate level of care and services to support individuals in the AFH-DD;

(e) There is retaliation or discrimination against an individual, family member, employee, or any other person for making a complaint against the AFH-DD;

(f) The licensee fails to cooperate with the Department, physician, registered nurse, or other health care provider in carrying out the ISP or Service Agreement for an individual;

(g) The licensee fails to obtain an approved background check from the Department on a subject individual as defined in OAR 411-360-0020 prior to the subject individual operating, working, training in, or residing in an AFH-DD;

(h) Violations are found on two consecutive inspections of an AFH-DD after a reasonable amount of time prescribed for elimination of the violations has passed; or

(i) Violations other than those involving the health, safety, or welfare of an individual if the licensee fails to correct the violation as required when a reasonable timeframe for correction was given.

(9) In imposing a civil penalty pursuant to this rule, except for a civil penalty imposed pursuant to section (7) of this rule, the following factors are considered by the Department:

(a) The past history of the licensee incurring a civil penalty in taking all feasible steps or procedures necessary or appropriate to correct any violation;

(b) Any prior violations of statutes or rules pertaining to AFH-DD;

(c) The economic and financial conditions of the licensee incurring the civil penalty; and

(d) The immediacy and extent to which the violation threatens or threatened the health, safety, and welfare of the individuals.

(10) The notice of civil penalty is delivered in person or sent by registered or certified mail and includes:

(a) A reference to the particular sections of the statute, rule, standard, or order involved;

(b) A short and plain statement of the matter asserted or charged;

(c) A statement of the amount of the civil penalty or penalties imposed; and

(d) A statement of the right of the licensee to request a contested case hearing.

(11) The licensee has10 calendar days after the receipt of the notice of civil penalty in which to make a written application for a contested case hearing before the Department. A final order by default is issued by the Department if a written request for a contested case hearing is not timely received.

(12) All contested case hearings are conducted pursuant to the applicable provisions of ORS chapter 183.

(13) Except as may be prohibited by state law, a civil penalty imposed under ORS 443.455 or 441.710 may be remitted or reduced upon such terms and conditions as the Director of the Department considers proper and consistent with individual health and safety.

(14) If a final order is not appealed, the amount of the civil penalty is payable within 10 days after the final order is entered. If the final order is appealed and is sustained, the amount of the civil penalty is payable within 10 days after the court decision. The final order, if not appealed or sustained on appeal, constitutes a judgment and may be filed in accordance with provisions of ORS Chapter 18. Execution may be issued upon the order in the same manner as execution upon a judgment of a court of record.

(15) A violation of any general order or final order pertaining to an AFH-DD issued by the Department is subject to a civil penalty in the amount of not less than $5 and not more than $500 for each and every violation.

(16) Judicial review of civil penalties imposed under ORS 441.710 is provided under ORS 183.480, except that the court may, in its discretion, reduce the amount of the penalty.

(17) All penalties recovered under ORS 443.455 and 441.710 to 441.740 are to be paid into the Quality Care Fund.

Filed with Sec. of State: 6-29-2016

Certified to be Effective: 6-29-16

Notice Publication Date: 4-1-2016

Rules Amended: 411-345-0010, 411-345-0020, 411-345-0025, 411-345-0027, 411-345-0030, 411-345-0085, 411-345-0095, 411-345-0110, 411-345-0130, 411-345-0140, 411-345-0160, 411-345-0170, 411-345-0180, 411-345-0190, 411-345-0200, 411-345-0230, 411-345-0240, 411-345-0250, 411-345-0260, 411-345-0270

Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently updating the rules in OAR chapter 411, division 345 for employment services for individuals with intellectual or developmental disabilities.

These rules are being amended to:

- Make permanent temporary changes that became effective on January 1, 2016;

- Remove general definitions included in OAR 411-317-0000;

- Incorporate the standards for home and community-based (HCB) services and settings and person-centered service planning adopted by the Department in OAR chapter 411, division 004 to implement the regulations and expectations of the U.S. Department of Health

and Human Services, Centers for Medicare and Medicaid Services (CMS);

- Incorporate the individual rights in OAR chapter 411, division 318 to ensure uniform standards related to individual rights across all types of entities involved in the delivery of developmental disabilities services;

- Ensure alignment with Executive Order 15-01 and OAR chapter 407, division 025 regarding integrated employment services to individuals with intellectual and developmental disabilities;

- Implement Oregon's Employment First Policy;

- Align with the terms of the Lane v. Brown settlement agreement;

- Move non-employment services to the new rules for community living supports in OAR chapter 411, division 450;

- Move case management requirements to the new rules for case management in OAR chapter 411, division 415;

- Require new provider organizations to be certified as agencies under OAR chapter 411, division 323 and endorsed to provide employment services under OAR chapter 411, division 345;

- Require existing providers certified under OAR chapter 411, division 340 to be certified under OAR chapter 411, division 323 as certification renews;

- Move the general provider enrollment requirements that are not specific to employment service providers to the rules in OAR chapter 411, division 370;

- Reflect current Department terminology and the restructuring of the rules relating to developmental disabilities services; and

- Perform minor grammar, punctuation, formatting, and housekeeping changes.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-345-0010
Statement of Purpose

(1) The rules in OAR chapter 411, division 345, effectuate Oregon's Employment First policy under which the employment of individuals with intellectual or developmental disabilities in competitive integrated employment is the highest priority over unemployment, segregated employment, or other non-work day activities.

(2) For individuals who successfully achieve the goal of competitive integrated employment, future person-centered service planning focuses on maintaining employment, maximizing the number of hours an individual works, consistent with his or her preferences and interests, and considering additional career or advancement opportunities.

(3) Employment services are considered and provided on an individualized basis using a person-centered approach based on informed choice and consistent with the philosophy of self-determination.

(4) These rules:

(a) Prescribe service standards and requirements for providers of home and community-based services in settings where employment services are provided;

(b) Prescribe the standards and procedures by which the Department endorses a provider agency to deliver employment services;

(c) Prescribe service eligibility requirements for individuals with intellectual or developmental disabilities to receive employment services; and

(d) Incorporate the provisions for home and community-based services and settings and person-centered service planning set forth in OAR chapter 411, division 004 to ensure individuals with intellectual or developmental disabilities receive services in settings that are integrated in and support the same degree of access to the greater community as people not receiving home and community-based services.

(5) Employment services are provided in accordance with these rules, Oregon's Employment First policy as described in the State of Oregon Executive Order No. 15-01, and OAR chapter 407, division 025 (Integrated Employment Services to Individuals with Intellectual and Developmental Disabilities).

411-345-0020
Definitions and Acronyms

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 345:

(1) "CDDP" means "Community Developmental Disabilities Program".

(2) "Competitive Integrated Employment" means work that is performed on a full-time or part-time basis (including self-employment):

(a) For which an individual:

(A) Is compensated at a rate that:

(i) Is not less than the higher of the rate specified in federal, state, or local minimum wage law, and also is not less than the customary rate paid by the employer for the same or similar work performed by other employees who are not individuals with disabilities, and who are similarly situated in similar occupations by the same employer and who have similar training, experience, and skills; or

(ii) In the case of an individual who is self-employed, yields an income that is comparable to the income received by other individuals who are not individuals with disabilities, and who are self-employed in similar occupations or on similar tasks and who have similar training, experience, and skills; and

(B) Is eligible for the level of benefits provided to other employees.

(b) That is at a location where the employee interacts with other persons who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that individuals who are not individuals with disabilities and who are in comparable positions interact with other persons; and

(c) That, as appropriate, presents opportunities for advancement that are similar to those for other employees who are not individuals with disabilities and who have similar positions.

(3) "Customized Employment" means competitive integrated employment for an individual with a disability that is based on an individualized determination of the strengths, needs, and interests of the individual, is designed to meet the specific abilities of the individual and the business needs of the employer.

(4) "Discovery" is a time-limited comprehensive, person-centered, and community-based employment planning support service to better inform an individual seeking an individualized job in a competitive integrated employment setting and to create a Discovery Profile. Discovery includes a series of work or volunteer related activities to inform the individual and the job developer about the strengths, interests, abilities, skills, experiences, and support needs of the individual, as well as identify the conditions and employment settings in which the individual will be successful. Discovery is also an opportunity for the individual to begin active pursuit of competitive integrated employment.

(5) "Discovery Profile" is a comprehensive and person-centered report produced as an outcome of discovery, representing an individual and providing information to better inform employment service planning and job development activities. The Discovery Profile includes information about the strengths, interests, abilities, skills, experiences, and support needs of the individual, as well as information about conditions and employment settings for the success of the individual.

(6) "Employment Path Services" means services to provide learning and work experiences, including volunteer opportunities, for an individual to develop general, non-job-task-specific, strengths and skills that contribute to employability in an individual job in a competitive integrated employment setting in the general workforce.

(7) "Employment Professional" means an employee of a provider agency or an independent provider who has the qualifications and training to provide employment services under these rules, including individual employment support, small group employment support, discovery, or employment path services.

(8) "Endorsement" means the authorization to provide program services issued by the Department to a certified provider agency that has met the qualification criteria outlined in these rules, the corresponding program rules, and the rules in OAR chapter 411, division 323.

(9) "Evidence-Based Practices" means well-defined best practices, which have been demonstrated to be effective by multiple peer-reviewed research studies that are specific to the relevant population or subset of that population.

(10) "Executive Director" means the person designated by a board of directors or corporate owner of a provider agency who is responsible for the administration of agency provided employment services.

(11) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors and support needs; and

(C) Determines the service level.

(b) The functional needs assessment may be the Adult Needs Assessment (ANA), Child Needs Assessment, Support Needs Assessment Profile (SNAP), or Supports Intensity Scale (SIS).

(A) The Department incorporates Version C of the ANA and CNA into these rules by this reference. The ANA and CNA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/cm.

(B) The Department incorporates the SNAP into these rules by this reference. The SNAP is maintained by the Department at https://www.oregon.gov/DHS/SENIORS-DISABILITIES/DD/PROVIDERS-PARTNERS/Pages/rebar-assessments.aspx.

(C) The Department incorporates the SIS into these rules by this reference. The SIS is maintained at http://aaidd.org/sis#.VvwgeaPn_Dc.

(c) A printed copy of a blank functional needs assessment may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, OR 97301.

(12) "Individual Employment Support" means job coaching or job development services to obtain, maintain, or advance in an individual job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment.

(13) "ISP" means "Individual Support Plan".

(14) "Job Coaching" means support for an individual to maintain or advance in an individual job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment.

(15) "Job Development" means support for an individual to obtain an individual job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment.

(16) "OSIPM" means "Oregon Supplemental Income Program-Medical".

(17) "PRN" means the administration of medication to an individual on an 'as needed' basis (pro re nata).

(18) "Small Group Employment Support" means services and training activities provided in regular business, industry, and community settings for groups of two to eight individuals with disabilities. Small group employment support is provided in a manner that promotes integration into the workplace and interaction between participants and people without disabilities in those workplaces.

(19) "These Rules" mean the rules in OAR chapter 411, division 345.

(20) "Vocational Assessment" means an assessment administered to provide employment related information essential to the development of, or revision of, the employment related planning documents for an individual.

411-345-0025
Services Provided

(1) The delivery of employment services provided under these rules presumes all individuals eligible for services can succeed in a job and career in an integrated employment setting in the general workforce and earn minimum wage or better.

(2) Employment is the preferred activity for individuals receiving services under these rules. Competitive integrated employment is the highest priority over unemployment, segregated or sheltered employment, small group employment support, or non-work day activities.

(3) Employment services must be individually planned based on person-centered planning principles. Consistent with the person-centered approach to these services, individuals accessing employment services under these rules must be encouraged, on an ongoing basis, to explore their interests, strengths, and abilities relating to employment or career advancement.

(4) All employment services have an optimal and expected outcome of sustained paid employment at the maximum number of hours, consistent with individual preferences, and work experience leading to further career development, maximizing hours, and competitive integrated employment for which an individual is compensated at or above minimum wage, with a goal of not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals without disabilities.

(5) A provider initially certified and endorsed on or after January 1, 2016 must meet the requirements in OAR chapter 411, division 004 prior to being certified and endorsed. A provider certified and endorsed prior to January 1, 2016 must make measurable progress toward compliance with the rules in OAR chapter 411, division 004 and be in full compliance by September 1, 2018

(6) Employment services are provided under these rules in accordance with the State of Oregon Executive Order No. 15-01 and OAR chapter 407, division 025 (Integrated Employment Services to Individuals with Intellectual and Developmental Disabilities).

(7) Employment services must be evidence-based where evidence-based practices have been identified.

(8) Employment services must be:

(a) Offered to eligible individuals in accordance with the exit, entry, and transfer requirements described in OAR 411-345-0140;

(b) Provided to eligible individuals under the authorization of an ISP and Career Development Plan in accordance with OAR 411-345-0160;

(c) Offered in accordance with these rules;

(d) Provided in a non-residential setting, unless an individual is operating a home-based business;

(e) Provided in the most integrated employment setting appropriate to the needs of an individual, and consistent with the choice of the individual regarding services, providers, and goals; and

(f) Designed to:

(A) Increase independence, integration, and regular engagement in income producing work, preferably competitive integrated employment, by an individual that is measured through improvements in income level, employment status, or job advancement, or engagement by an individual with an intellectual or developmental disability in work contributing to a household or community;

(B) Promote integration into the workforce and workplace;

(C) Promote interaction with people without disabilities; and

(D) Support successful employment outcomes consistent with personal and career goals.

(9) Employment services do not include:

(a) Services available to an individual under Vocational Rehabilitation and Other Services, 29 U.S.C. § 701-796l, as amended;

(b) Services available to an individual under the Individuals with Disabilities Education Act, 20 U.S.C §1400, as amended;

(c) Vocational assessments in a sheltered workshop; or

(d) Services used for support to work in a sheltered workshop setting for individuals who did not enter or use services for support in a sheltered workshop setting on or before June 30, 2015.

(10) Employment services include the following:

(a) SUPPORTED EMPLOYMENT.

(A) INDIVIDUAL EMPLOYMENT SUPPORT:

(i) JOB COACHING — Support to maintain or advance in an individualized job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment. This also includes support for maximizing hours, pay, benefits, and other opportunities for career advancement.

(I) Personal care or attendant care provided as an incidental part of job coaching is considered a component part of the employment service.

(II) Job coaching does not include support in volunteer work.

(III) Individuals utilizing job coaching must be compensated at a rate that is not less than the higher of the rate specified in federal, state, or local minimum wage law and also is not less than the customary rate and benefits paid by the employer for the same or similar work performed by other employees who are not individuals with disabilities, and who are similarly situated in similar occupations by the same employer and who have similar training, experience, and skills.

(IV) Direct and indirect job coaching support must be provided, at minimum, for the number of hours identified in an ISP or Service Agreement.

(V) Transportation provided within the course of job coaching is a component part of the employment service.

(ii) Job coaching support to maintain self-employment requires the following in addition to the requirements outlined under (i):

(I) Ongoing assistance, counseling, and guidance after a business has been launched.

(II) Support to maintain self-employment may not be provided to defray the operational expenses of the business.

(III) The self-employment must yield an income that is comparable to the income received by other people who are not individuals with disabilities, and who are self-employed in similar occupations or in similar tasks and who have similar training, experience, and skills.

(IV) Evidence of the self-employment must be documented and reviewed by the services coordinator or personal agent on an annual basis. Documentation may include, but is not limited to, business filings with the Secretary of State, tax records submitted to the Internal Revenue Service, and an annual business plan.

(iii) JOB DEVELOPMENT — Support to obtain an individual job in a competitive integrated employment setting in the general workforce, including customized employment or self-employment.

(I) Personal care or attendant care provided as an incidental part of job development is considered a component part of the employment service.

(II) The job developed must provide compensation at a rate that is not less than the higher of the rate specified in federal, state, or local minimum wage law and also is not less than the customary rate and benefits paid by the employer for the same or similar work performed by other employees who are not individuals with disabilities, and who are similarly situated in similar occupations by the same employer and who have similar training, experience, and skills.

(III) The job developed must meet criteria established in a Career Development Plan or Individual Plan for Employment (IPE) including, but not limited to, criteria regarding the number of hours the individual shall work in the job. The Career Development Plan must document either a goal or discussion regarding opportunities for maximizing work hours and other career advancement opportunities. The recommended standard for planning job coaching and job development is the opportunity to work at least 20 hours per week. Individualized planning should ultimately be based on person-centered planning principles, including individual choice, preferences, and circumstances, and recognize that some individuals may choose to pursue working full time, part time, or another goal identified by the individual.

(IV) Job development may be authorized in the limited circumstances where the service is not available through Vocational Rehabilitation and the Department has approved authorization.

(V) Transportation provided within the course of job development is a component part of the employment service.

(B) SMALL GROUP EMPLOYMENT SUPPORT — Services and training activities in regular business, industry, and community settings.

(i) Small group employment support may be provided in groups of two to eight individuals.

(ii) Small group employment support must be provided in a manner that promotes integration into the work place and interaction with people without disabilities in those work places.

(iii) Small group employment support does not include vocational services provided in a provider owned, operated, or controlled setting, or a facility-based work setting.

(iv) Small group employment support does not include support in volunteer work.

(v) Individuals utilizing small group employment support must be compensated at a rate that is not less than the higher of the rate specified in federal, state, or local minimum wage law and also is not less than the customary rate and benefits paid by the employer for the same or similar work performed by other employees who are not individuals with disabilities, and who are similarly situated in similar occupations by the same employer and who have similar training, experience, and skills.

(vi) Personal care or attendant care provided as an incidental part of small group employment support is considered a component part of the employment service.

(vii) Transportation provided within the course of small group employment support is a component part of the employment service.

(b) DISCOVERY — A comprehensive and person-centered employment planning support service to better inform an individual seeking competitive integrated employment in the general workforce and develop a Discovery Profile.

(A) Discovery must include a series of work or volunteer related activities, completed in competitive integrated employment settings, to inform the individual and the job developer about the strengths, interests, abilities, skills, experiences, and support needs of the individual. Discovery must include analyzing detailed information from novel and past experiences in order to identify the conditions or integrated employment settings in which the individual shall be most successful.

(B) Discovery may include job and task analysis activities, assessment for use of assistive technology, job shadowing, informational interviewing, employment preparation, resume development, and volunteerism to identify transferable skills and job or career interests.

(C) Discovery must be completed within a three month period. A three month extension may be authorized if the individual and the services coordinator or personal agent determines there is a legitimate reason. Legitimate reasons may include, but are not limited to:

(i) The individual had a medical event that delayed completing discovery;

(ii) The individual had a medical event that significantly changed his or her strengths, interests, and abilities; or

(iii) An opportunity to participate in particular work trials or volunteer positions may only be scheduled outside of the three month period.

(D) Discovery must have an outcome of a Discovery Profile. The Discovery Profile must meet requirements established by the Department.

(E) Discovery most often results in a referral to vocational rehabilitation services.

(F) Personal care or attendant care provided as an incidental part of discovery is considered a component part of the employment service.

(G) Transportation provided within the course of discovery is a component part of the employment service.

(c) EMPLOYMENT PATH SERVICES — Support to obtain experience and develop general skills that contribute to employability in competitive integrated employment settings in the general workforce.

(A) Personal care or attendant care provided as an incidental part of employment path services is considered a component part of the employment service.

(B) Producing goods or services may be incidental to employment path services but the primary purpose must be to develop general employment skills that may be used in an individual integrated job.

(C) Employment path services are time-limited based on the ISP. These services are expected to occur over a defined period of time with specific outcomes to be achieved, as determined by the individual and his or her service and supports planning team through an ongoing person-centered planning process.

(i) Prior to beginning employment path services there must be measureable goals outlined in the Career Development Plan that support the intended outcomes of this service.

(ii) The measureable goals must include a timeline for achieving the goals as well as the frequency and duration for which progress towards achieving the goals are monitored by the services coordinator or personal agent during service monitoring as outlined in OAR chapter 411, division 415.

(D) Employment path services require that an individual have an employment-related goal in his or her ISP. The employment goal must be related to obtaining, maintaining, or advancing in competitive integrated employment, or, at minimum, exploring competitive integrated employment. General habilitation activities accessed through employment path services must be designed to support such employment goals.

(E) Transportation provided within the course of employment path services is a component part of the employment service.

(F) Consistent with setting requirements for home and community-based services, employment path services must be provided in an integrated setting that supports an individual's full access to the community and where individuals using these services gain experience working with the general public to the same or a similar degree as individuals who do not have a disability and do not use home and community-based services.

(i) A provider agency initially certified or endorsed by the Department on or after January 1, 2016, must provide this service in settings that meet this requirement.

(ii) An existing provider agency certified and endorsed prior to January 1, 2016, must make measurable progress toward compliance with this requirement, consistent with a Department approved transition plan, and be in full compliance with this requirement by September 30, 2018.

(G) Employment path services are a facility-based service if delivered at a fixed site where the supported individual has few or no opportunities to interact with people who do not have a disability except for paid staff. Facility-based employment services under this definition are permissible until September 30, 2018.

(H) Employment path services are the only service that may be used for support in a sheltered workshop setting. Effective July 1, 2015, no service may be authorized in a sheltered workshop setting for any individual who has not already entered or used services for support to work in a sheltered workshop.

Stat. Auth.: ORS 409.050, 410.070

411-345-0027
Qualification for Employment Services

(1) To be eligible for employment services an individual must:

(a) Be an Oregon resident;

(b) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080;

(c) Meet the level of care as defined in OAR 411-320-0020;

(d) Be eligible for the Comprehensive Services Waiver or Support Services Waiver;

(e) Be legally eligible to work in the United States;

(f) Have services under these rules authorized in an ISP by the CDDP or Brokerage providing case management services; and

(g) Have an employment related goal in the ISP as outlined under these rules and the case management rules in OAR chapter 411, division 415. An employment related goal means a goal related to obtaining, maintaining, or advancing in competitive integrated employment, or, at minimum, exploring competitive integrated employment.

(2) Employment services for individuals under the age of 18 years must have Department approval. The provider must retain documentation of the approval.

(3) As of October 1, 2014, an individual receiving medical benefits under OAR chapter 410, division 200 requesting Medicaid coverage for services in a nonstandard living arrangement (see OAR 461-001-0000) is subject to the requirements of the rules regarding transfer of assets (see OAR 461-140-0210 to 461-140-0300) in the same manner as if the individual was requesting these services under OSIPM.

(a) This includes, but is not limited to, the following assets:

(A) An annuity evaluated according to OAR 461-145-0022;

(B) A transfer of property when an individual retains a life estate evaluated according to OAR 461-145-0310;

(C) A loan evaluated according to OAR 461-145-0330; or

(D) An irrevocable trust evaluated according to OAR 461-145-0540.

(b) When an individual is considered ineligible due to a disqualifying transfer of assets, the individual must receive a notice meeting the requirements of OAR 461-175-0310 in the same manner as if the individual was requesting services under OSIPM.

Stat. Auth.: ORS 409.050, 430.662

411-345-0030
Provider Requirements

(1) Available provider types. A provider of employment services must be:

(a) A provider certified and endorsed under OAR chapter 411, division 323;

(b) A provider certified under OAR 411-340-0170 (Standards for Provider Organizations) prior to January 1, 2016. Providers certified under OAR 411-340-0170 prior to January 1, 2016 must certify under OAR chapter 411, division 323 upon re-certification; or

(c) A qualified independent provider. Independent providers who are employed by the individual may only provide job coaching. Independent providers who are independent contractors may only provide job development and discovery.

(2) PROVIDER REQUIREMENTS:

(a) The provider must complete enrollment requirements outlined under OAR chapter 411, division 370. As part of enrollment, the provider must complete a Department designated assessment for each setting in which employment services are provided.

(b) Providers must meet requirements regarding Medicaid Performing Provider Numbers as described under OAR chapter 411, division 370.

(c) Providers must have a job description for its employment professionals or Service Agreement with clearly stated job responsibilities or service requirements. The job description or Service Agreement must be current, signed, and dated by the provider. Job descriptions for providers must also include duties specific to the area of specialization.

(d) A provider agency must have at least one employee in a supervisory position who has the Department approved credentialing. Providers independently contracted to provide an employment service must have the Department approved credentialing.

(3) EMPLOYMENT PROFESSIONAL REQUIREMENTS.

(a) Each employment professional must possess and demonstrate the following qualifications:

(A) Knowledge of developmental disabilities services.

(B) Knowledge of best practice methodologies regarding employment services.

(C) All core competencies for employment services must be demonstrated within one year of employment. Documentation that the employment professional has demonstrated these competencies must be maintained in the personnel file.

(D) Knowledge of the rules governing employment services.

(E) Ability to provide services designed to support successful employment outcomes consistent with individualized career goals, including goals identified in the ISP and Career Development Plan.

(F) Ability to support individuals to maintain and be successful in employment.

(G) Demonstrate by background, education, references, skills, and abilities that the employment professional is capable of safely and adequately performing the tasks to support the Service Agreement or ISP and Career Development Plan for an individual, including:

(i) Ability and sufficient education to follow oral and written instructions and keep any records required;

(ii) Responsibility, maturity, and reputable character exercising sound judgment;

(iii) Ability to communicate with the individual; and

(iv) Training of a nature and type sufficient to ensure that the employment professional has knowledge of emergency procedures specific to the individual receiving services.

(b) A job development provider must be qualified as a vendor of Vocational Rehabilitation job placement in order to provide the job development service.

(c) A discovery provider must be qualified as a vendor of Vocational Rehabilitation job placement in order to provide the discovery service.

(4) EMPLOYMENT PROFESSIONAL TRAINING:

(a) All employment professionals must complete an initial competency based employment training as follows:

(A) Employment professionals providing job coaching must complete at least one Department approved training for job coaching within 90 days of providing job coaching.

(B) Employment professionals providing job development must complete at least one Department approved training for job developers within 90 days of providing job development.

(C) Employment professionals providing discovery must complete at least one Department approved training for discovery before being authorized to provide discovery.

(D) Employment professionals providing small group services must complete at least one Department approved training within 90 days of providing small group.

(E) Employment professionals providing employment path must complete at least one Department approved training for employment path providers within 90 days of providing employment path services.

(b) All employment professionals must also complete annual training requirements.

(c) Documentation that the employment professionals have completed these training requirements must be maintained in the personnel file of the employment professional.

(5) DISQUALIFICATION. Employment professionals must self-report any potentially disqualifying condition as described in OAR 407-007-0280 (Potentially Disqualifying Conditions) and OAR 407-007-0290 (Other Potentially Disqualifying Conditions). The employment professionals must notify the Department or the designee of the Department within 24 hours.

Reports and Recordkeeping

(1) PROGRESS NOTES.

(a) Providers must maintain regular progress notes regarding the employment service provided. The progress note must include, at minimum, the following information regarding the service rendered:

(A) Date and time the service was provided;

(B) Information regarding progress towards achieving the intended employment goal for which the employment service was utilized, including progress towards outcomes and milestones outlined in the Career Development Plan and the implementation strategies or plan;

(C) At least every six months, documentation of the number of hours the supported individual works, the wages and level of benefits, as well as any any opportunities presented to the individual for increased work hours; and

(D) Any discussion about work hours and related goals.

(b) Progress notes must be made available upon request.

(2) For each individual supported, providers being paid for job development services must report activity at least monthly to the services coordinator or personal agent for the individual.

(3) For each individual supported, providers being paid for discovery services must complete a Discovery Profile and submit the Discovery Profile to the services coordinator or personal agent for the individual.

(4) All documentation required by these rules, unless stated otherwise, must:

(a) Be prepared at the time, or immediately following the event being recorded;

(b) Be accurate and contain no willful falsifications;

(c) Be legible, dated, and signed by the person making the entry; and

(d) Be maintained for no less than five years.

Service and Payment Limitations

(1) Employment service rates authorized in Department payment and reporting systems are paid to providers for delivering services, as described in these rules, and shall be based upon the Collective Bargaining Agreement and the Rate Schedule.

(2) Only one hourly employment service may be billed per individual per hour. Payments based on an outcome for job development and discovery are not in conflict with payments made based on direct service delivery.

(3) Employment services and payment for employment services are limited to:

(a) An average of 25 hours per week for any combination of job coaching, small group employment support, and employment path services; and

(b) 40 hours in any one week for job coaching if job coaching is the only service utilized.

(4) Exceptions to the service and payment limitations may be considered by the Department based upon applicable Department policy.

Individuals' Rights

(1) A provider agency must have and implement written policies and procedures that protect the rights of individuals described in OAR 411-318-0010 (Individual Rights) and encourage and assist individuals to understand and exercise these rights.

(2) Upon entry and request and annually thereafter, the individual rights described in OAR 411-318-0010 (Individual Rights) must be provided to an individual and the legal or designated representative of the individual.

Complaints, Notification of Planned Action, and Hearings

(1) INDIVIDUAL COMPLAINTS.

(a) Complaints by or on behalf of individuals must be addressed in accordance with OAR 411-318-0015.

(b) A provider agency must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015.

(c) Upon entry and request and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

(2) NOTIFICATION OF PLANNED ACTION. In the event that a developmental disability service is denied, reduced, suspended, or terminated or voluntarily reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

(3) HEARINGS.

(a) Hearings are addressed in accordance with ORS Chapter 183 and OAR 411-318-0025.

(b) An individual may request a hearing as provided in ORS Chapter 183 and OAR 411-318-0025 for a denial, reduction, suspension, or termination of a developmental disability service.

(c) Upon entry and request, and, at minimum, annually, a notice of hearing rights and the policy and procedures for hearings must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

411-345-0140

Entry, Exit, and Transfer Requirements for a Provider Agency

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, national origin, gender, religion, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) ENTRY. A provider agency must participate in an entry ISP team meeting when requested by the individual. A provider agency may require an entry meeting as a condition of employment services.

(a) Prior to or upon an entry ISP team meeting, a provider agency must acquire or demonstrate efforts to acquire and then maintain the following information:

(A) A copy of the Career Development Plan and an ISP or Service Agreement;

(B) All information related to the employment goals and interests of the individual. This may include, but is not limited to, provider implementation strategies, documentation available through Vocational Rehabilitation or the local school, or a Discovery Profile;

(C) A copy of the Service Agreement or job description; and

(D) Any other documentation required by a provider, and that is consistent with requirements under OAR chapter 411, division 415 (regarding case management).

(b) Prior to or during an entry ISP team meeting, or prior to the commencement of employment services, a provider must develop a preliminary written plan or implementation strategies that includes measurable goals and milestones to support the individual to achieve career goals and outcomes outlined in the Career Development Plan. Within 60 days of an ISP team meeting, or the start of services, the provider must update, revise, or further refine the written plan or implementation strategies to reflect updates from the ISP team meeting and updates to the Career Development Plan. The plan or strategies may become part of the Service Agreement or job description.

(3) VOLUNTARY TRANSFERS AND EXITS.

(a) A provider agency must promptly notify a services coordinator or personal agent if an individual gives notice of the intent to exit services or abruptly exits services.

(b) A provider agency must notify a services coordinator or personal agent prior to the voluntary transfer or exit of an individual from services.

(c) Notification and authorization of the voluntary transfer or exit of the individual must be documented in the record for the individual.

(4) INVOLUNTARY REDUCTIONS, TRANSFERS, AND EXITS.

(a) A provider agency may only reduce, transfer, or exit an individual or group of individuals involuntarily for one or more of the following reasons:

(A) The behavior of the individual poses an imminent risk of danger to self or others;

(B) The individual experiences a medical emergency;

(C) The service needs of the individual exceed the ability of the provider agency; or

(D) The certification or endorsement for the provider agency described in OAR chapter 411, division 323 is suspended, revoked, not renewed, or voluntarily surrendered.

(b) A notice of involuntary reduction, transfer, or exit is not required when an employment relationship between a community or general employer terminates. Notice requirements must be met if the job or work experience is in a provider owned, controlled, or operated setting or facility.

(c) NOTICE OF INVOLUNTARY INDIVIDUAL REDUCTION, TRANSFER, OR EXIT.

(A) A provider agency must not reduce services, transfer, or exit an individual involuntarily without 30 calendar days advance written notice to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator or personal agent, except in the case of a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others as described in subsection (B) of this section.

(i) The written notice must be provided on the Notice of Involuntary Reduction, Transfer, or Exit form approved by the Department and include:

(I) The reason for the reduction, transfer, or exit; and

(II) The right of the individual to a hearing as described in subsection (e) of this section.

(ii) A Notice of Involuntary Reduction, Transfer, or Exit is not required when an individual requests the reduction, transfer, or exit.

(B) A provider agency may give less than 30 calendar days advance written notice only in a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others. The notice must be provided to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator or personal agent immediately upon determination of the need for a reduction, transfer, or exit.

(d) NOTICE OF INVOLUNTARY GROUP REDUCTION, TRANSFER, OR EXIT. If a provider agency reduces, transfers, or exits more than 10 individuals within any 30 calendar day period, the provider agency must provide 60 days advance written notice to the individuals and their legal or designated representatives (as applicable), the Department, and the services coordinators or personal agents.

(A) The written notice must be provided on the Notice of Involuntary Reduction, Transfer, or Exit form approved by the Department and include:

(i) The reason for the reduction, transfer, or exit; and

(ii) The right of the individual to a hearing as described in subsection (e) of this section.

(B) A Notice of Involuntary Reduction, Transfer, or Exit is not required when an individual requests the reduction, transfer, or exit.

(e) HEARING RIGHTS. An individual must be given the opportunity for a hearing under ORS Chapter 183 and OAR 411-318-0030 to dispute an involuntary reduction, transfer, or exit. If an individual requests a hearing, the individual must receive the same services until the hearing is resolved. When an individual has been given less than 30 calendar days advance written notice of a reduction, transfer, or exit as described in subsection (c) of this section and the individual has requested a hearing, the provider agency must reserve service availability for the individual until receipt of the Final Order.

(5) EXIT MEETING.

(a) The ISP team for an individual must meet before any decision is made to exit services. Findings of the exit meeting must be recorded in the file for the individual and include, at a minimum:

(A) The name of the individual considered for exit;

(B) The date of the exit meeting;

(C) Documentation of the participants included in the exit meeting;

(D) Documentation of the circumstances leading to the proposed exit;

(E) Documentation of the discussion of the strategies to prevent the exit of the individual from services (unless the individual is requesting the exit);

(F) Documentation of the decision regarding the exit of the individual, including verification of the voluntary decision to exit or a copy of the Notice of Involuntary Reduction, Transfer, or Exit; and

(G) Documentation of the proposed plan for services after the exit.

(b) Requirements for an exit meeting may be waived if an individual is immediately removed from services under the following conditions:

(A) The individual requests an immediate removal from services; or

(B) The individual is removed by legal authority acting pursuant to civil or criminal proceedings.

(6) TRANSFER MEETING. An ISP team must meet to discuss any proposed transfer of an individual from one site to another site before any decision to transfer is made. Findings of the transfer meeting must be recorded in the file for the individual and include, at a minimum:

(a) The name of the individual considered for transfer;

(b) The date of the transfer meeting;

(c) Documentation of the participants included in the transfer meeting;

(d) Documentation of the circumstances leading to the proposed transfer;

(e) Documentation of the alternatives considered instead of transfer;

(f) Documentation of the reasons any preferences of the individual, or as applicable the legal or designated representative or family members of the individual, may not be honored;

(g) Documentation of the decision regarding the transfer of the individual, including verification of the voluntary decision to transfer or exit or a copy of the Notice of Involuntary Reduction, Transfer, or Exit; and

(h) The written plan for services after the transfer.

Individual Support Plan and Career Development Plan

(1) A Career Development Plan must be completed as part of the ISP consistent with the case management requirements outlined under OAR chapter 411, division 415.

(2) Providers must implement the Service Agreement or ISP, Career Development Plan, provider implementation strategies, and any other related documents.

(3) A provider agency must:

(a) Assign a staff member to participate as a team member in the development of the ISP and Career Development Plan when invited by the individual;

(b) Follow any required process and format as described in this rule;

(c) Train staff to understand the Service Agreement or ISP, Career Development Plan, and supporting documents for each individual and to provide individual services; and

(d) Comply with Department rules and policies regarding the Service Agreement or ISP and Career Development Plan.

(4) When invited by the individual, a provider agency must participate in a face-to-face meeting annually with the ISP team.

(5) In preparation for the annual ISP meeting, the provider agency must do the following, regardless of whether the provider agency participates in the meeting:

(a) Gather person-centered information regarding preferences, interests, and desires of the individual supported;

(b) Review the current Service Agreement or ISP and Career Development Plan of the individual to determine the ongoing appropriateness and adequacy of the services and supports identified in the Service Agreement or ISP and Career Development Plan;

(c) Develop a preliminary written plan or provider implementation strategies including measurable goals to support the individual to achieve career goals and outcomes outlined in the Career Development Plan; and

(d) Share all materials drafted in preparation for the ISP meeting with the ISP team one week prior to the ISP meeting.

(6) Within 60 days after the annual ISP meeting, the provider must update, revise, or further refine the written plan or implementation strategies to reflect updates from the ISP team meeting and updates to the Career Development Plan. The plan or strategies may become part of the Service Agreement or job description.

(7) The provider agency must make reasonable efforts to obtain a copy of the Career Development Plan and a Service Agreement and supporting documents necessary for delivery of services.

Behavior Support for a Provider Agency

For a provider agency certified by the Department to deliver services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The provider agency must have and implement a written policy for behavior support utilizing individualized positive support techniques and prohibiting abusive practices.

(2) The provider agency must inform the individual, and as applicable the legal or designated representative of the individual, of the behavior support policy and any applicable procedures at the time of entry to services and as changes to the behavior policy occur.

(3) Prior to the development of a Behavior Support Plan, the provider agency must conduct a functional behavioral assessment of the behavior, which must be based upon information provided by one or more people who know the individual. The functional behavioral assessment must include:

(a) A clear, measurable description of the behavior that includes (as applicable) frequency, duration, and intensity of the behavior;

(b) A clear description and justification of the need to alter the behavior;

(c) An assessment of the meaning of the behavior that includes the possibility that the behavior is one or more of the following:

(A) An effort to communicate;

(B) The result of a medical condition;

(C) The result of a psychiatric condition; or

(D) The result of environmental causes or other factors.

(d) A description of the context in which the behavior occurs; and

(e) A description of what currently maintains the behavior.

(4) A Behavior Support Plan must include:

(a) An individualized summary of the needs, preferences, and relationships of an individual;

(b) A summary of the functions of the behavior as derived from the functional behavioral assessment;

(c) Strategies that are related to the functions of the behavior and are expected to be effective in reducing problem behaviors;

(d) Prevention strategies, including environmental modifications and arrangements;

(e) Early warning signals or predictors that may indicate a potential behavioral episode and a clearly defined plan of response;

(f) A general crisis response plan that is consistent with OIS;

(g) A plan to address post crisis issues;

(h) A procedure for evaluating the effectiveness of the Behavior Support Plan that includes a method of collecting and reviewing data on frequency, duration, and intensity of the behavior;

(i) Specific instructions for staff who provide support to follow regarding the implementation of the Behavior Support Plan; and

(j) Positive behavior supports that includes the least intrusive intervention possible.

(5) The provider agency must maintain the following additional documentation for implementation of Behavior Support Plans:

(a) Written evidence that the individual, the legal or designated representative of the individual (as applicable), and the ISP team are aware of the development of the Behavior Support Plan and any objections or concerns;

(b) Written evidence of the ISP team decision for approval of the implementation of the Behavior Support Plan; and

(c) Written evidence of all informal and positive strategies used to develop an alternative behavior.

411-345-0180

Protective Physical Intervention for a Provider Agency

For a provider agency certified by the Department to deliver services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The provider agency must only employ protective physical intervention techniques that are included in the approved OIS curriculum or as approved by the OIS Steering Committee. Protective physical intervention techniques must only be applied:

(a) When the health and safety of the individual and others are at risk and the ISP team has authorized the procedures in a documented ISP team decision that is included in the ISP and uses procedures that are intended to lead to less restrictive intervention strategies;

(b) As an emergency measure if absolutely necessary to protect the individual or others from immediate injury; or

(c) As a health-related protection ordered by a physician if absolutely necessary during the conduct of a specific medical or surgical procedure, or for the protection of the individual during the time that a medical condition exists.

(2) Staff supporting an individual must be trained and certified in OIS when the individual has a history of behavior requiring protective physical intervention and the ISP team has determined there is probable cause for future application of protective physical intervention. Documentation verifying current OIS certification of staff must be maintained in the personnel file for the staff person and be available for review by the Department or the designee of the Department.

(3) The provider agency must obtain the approval of the OIS Steering Committee for any modification of standard OIS protective physical intervention techniques. The request for modification of protective physical intervention techniques must be submitted to the OIS Steering Committee and must be approved in writing by the OIS Steering Committee prior to the implementation of the modification. Documentation of the approval must be maintained in the record for the individual.

(4) Use of protective physical intervention techniques in emergency situations that are not part of an approved Behavior Support Plan must:

(a) Be reviewed by the executive director of the provider agency or the designee of the executive director within one hour of application;

(b) Be used only until the individual is no longer an immediate threat to self or others;

(c) Be documented as an incident report and submitted to the services coordinator, personal agent, or other Department designee (if applicable) and the legal representative of the individual (if applicable), no later than one business day after the incident has occurred; and

(d) Prompt an ISP team meeting if an emergency intervention is used more than three times in a six-month period.

(5) Any use of protective physical intervention must be documented in an incident report, excluding circumstances as described in section (8) of this rule. The incident report must include:

(a) The name of the individual to whom the protective physical intervention was applied;

(b) The date, type, and length of time the protective physical intervention was applied;

(c) A description of the incident precipitating the need for the use of the protective physical intervention;

(d) Documentation of any injury;

(e) The name and position of the staff member applying the protective physical intervention;

(f) The name and position of the staff witnessing the protective physical intervention;

(g) The name and position of the person providing the initial review of the use of the protective physical intervention; and

(h) Documentation of an administrative review by the executive director of the provider agency or the designee of the executive director who is knowledgeable in OIS as evident by a job description that reflects this responsibility, which includes the follow-up to be taken to prevent a recurrence of the incident.

(6) The provider agency must forward a copy of the incident report within five business days of the incident to the services coordinator or personal agent and the legal representative of the individual (if applicable).

(a) The services coordinator, personal agent, or the Department designee (if applicable) must receive a complete copy of the incident report.

(b) A copy of an incident report may not be provided to the legal representative or other provider agency of an individual when the report is part of an abuse or neglect investigation.

(c) A copy of an incident report provided to the legal representative or other service provider of an individual must have confidential information about other individuals removed or redacted as required by federal and state privacy laws.

(7) All protective physical interventions resulting in injuries must be documented in an incident report and forwarded to the services coordina-

tor, personal agent, or other Department designee (if applicable), within one business day of the incident.

(8) The provider agency may substitute a behavior data summary in lieu of individual incident reports when:

(a) There is no injury to the individual or others;

(b) There is a formal written functional behavioral assessment and a written Behavior Support Plan;

(c) The Behavior Support Plan defines and documents the parameters of the baseline level of behavior;

(d) The protective physical intervention techniques and the behaviors for which the protective physical intervention techniques are applied remain within the parameters outlined in the Behavior Support Plan for the individual and the OIS curriculum;

(e) The behavior data collection system for recording observation, intervention, and other support information critical to the analysis of the efficacy of the Behavior Support Plan is also designed to record items as required in section (5) of this rule; and

(f) There is written documentation of an ISP team decision that a behavior data summary had been authorized for substitution in lieu of incident reports.

(9) A copy of the behavior data summary must be forwarded every 30 calendar days to the services coordinator, personal agent, or other Department designee (if applicable) and the legal representative of an individual (if applicable).

411-345-0190
Medical Services for a Provider Agency

For a provider agency certified by the Department to deliver services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) All medical records for the individuals must be kept confidential as described in OAR 411-323-0060.

(2) The provider agency must have and implement written policies and procedures that describe the medical management system, including medication administration, early detection and prevention of infectious disease, self-administration of medication, drug disposal, emergency medical procedures including the handling of bodily fluids, and confidentiality of medical records.

(3) Individuals must receive care that promotes their health and well-being as follows:

(a) The provider agency must observe the health and physical condition of an individual and take action in a timely manner in response to identified changes in condition that may lead to deterioration or harm;

(b) The provider agency must assist an individual with the use and maintenance of prosthetic devices as necessary for the activities of the service;

(c) The provider agency, with the knowledge of the individual, must share information regarding medical conditions with the residential contact (if applicable) and the services coordinator or personal agent of the individual; and

(d) The provider agency must provide rest and lunch periods at least as required by applicable law unless the needs of the individual dictate additional time.

(4) The provider agency must maintain records on each individual to aid physicians, health care providers, and the provider agency in understanding the medical history and current treatment program for the individual. These records must be kept current and organized in a manner that permits a staff and health care provider to easily follow the course of treatment for the individual. Such documentation must include:

(a) A medical history obtained prior to entry to services including where available:

(A) A copy of a record of immunizations; and

(B) A list of known communicable diseases and allergies.

(b) A record of the current medical condition of the individual, including:

(A) A copy of all current orders for medication administered and maintained at the site of the provider agency;

(B) A list of all current medications; and

(C) A record of visits to health care providers if facilitated or provided by the provider agency.

(5) The administration of medication at the service site must be avoided whenever possible. When medications, treatments, equipment, or special diets must be administered or monitored for self-administration, the provider agency must:

(a) Obtain a copy of a written order signed by a physician, designee of a physician, or health care provider prescribing the medication, treatment, special diet, equipment, or other medical service; and

(b) Follow written orders.

(6) PRN orders are not accepted for psychotropic medication.

(7) All medications administered or monitored in the case of self-administration must be:

(a) Kept in their original containers;

(b) Labeled by the dispensing pharmacy, product manufacturer, or physician or health care provider, as specified per the written order of a physician or health care provider;

(c) Kept in a secured locked container and stored as indicated by the product manufacturer; and

(d) Recorded on an individualized Medication Administration Record (MAR), including treatments and PRN orders.

(8) The MAR must include:

(a) The name of the individual;

(b) The brand or generic name of the medication, including the prescribed dosage and frequency of administration as contained on the order of the physician or health care provider and medication;

(c) For topical medications and basic first aid treatments utilized without the order of a physician or health care provider, a transcription of the printed instructions from the package or the description of the basic first aid treatment provided;

(d) Times and dates of administration or self-administration of the medication;

(e) The signature of the staff administering the medication or monitoring the self-administration of the medication;

(f) Method of administration;

(g) Documentation of any known allergies or adverse reactions to a medication;

(h) Documentation and an explanation of why a PRN medication was administered and the results of such administration; and

(i) An explanation of any medication administration irregularity with documentation of administrative review by the executive director of the provider agency or the designee of the executive director.

(9) Safeguards to prevent adverse medication reactions must be utilized to include:

(a) Maintaining information about the effects and side-effects of each prescribed medication;

(b) Communicating any concerns regarding any medication usage, effectiveness, or effects to the residential contact (if applicable) and the services coordinator or personal agent; and

(c) Prohibiting the use of the medications of one individual by another individual.

(10) The service site or provider agency may not keep unused, discontinued, outdated, or recalled medication, or medication containers with worn, illegible, or missing labels. All unused, discontinued, outdated, or recalled medication or medication containers with worn, illegible, or missing labels must be promptly disposed of in a manner consistent with federal statutes and designed to prevent illegal diversion of the substances into the possession of people other than for whom the medication was prescribed. The provider agency must maintain a written record of all disposed medications that includes:

(a) Date of disposal;

(b) A description of the medication, including amount;

(c) The name of the individual for whom the medication was prescribed;

(d) The reason for disposal;

(e) The method of disposal;

(f) Signature of staff disposing; and

(g) For controlled medications, the signature of a witness to the disposal.

(11) For any individual who is self-administering medication while receiving services from a provider agency, the provider agency must:

(a) Have documentation that a training program was initiated with approval of the ISP team for the individual or that training for the individual is unnecessary;

(b) If necessary, have a training program that is consistent with the self-administration training program in place at the residence of the individual;

(c) If necessary, have a training program that provides for retraining when there is a change in dosage, medication, or time of delivery;

(d) Have specific supports identified and documented for the individual when training has been deemed unnecessary; and

(e) Provide for an annual review, at a minimum, as part of the ISP process, upon completion of the training program or when training for the individual has been deemed necessary by the ISP team.

(12) The provider agency must ensure that individuals able to self-administer medications keep the medications secured, unavailable to any other person, and stored as recommended by the product manufacturer.

(13) The provider agency must immediately contact the services coordinator or personal agent when the medical, behavioral, or physical needs of an individual change to a point that the needs of the individual may not be met by the provider agency. The ISP team may determine alternative service providers or may arrange other services if necessary.

Individual Summary Sheets and Emergency Information for a Provider Agency

For a provider agency certified by the Department to deliver services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The provider agency must maintain a current one to two page summary sheet record at the primary place of business of the provider agency for each individual receiving services. The record must include:

(a) The name of the individual and his or her current address, telephone number, date of entry into services, date of birth, gender, preferred hospital, medical prime and private insurance number (if applicable), and guardianship status; and

(b) The name, address, and telephone number of:

(A) The legal or designated representative, family, and other significant person of the individual (as applicable);

(B) The primary care provider and clinic preferred by the individual;

(C) The dentist preferred by the individual;

(D) The services coordinator or personal agent of the individual; and

(E) Other agencies and representatives providing services and supports to the individual.

(2) A provider agency must maintain emergency information for each individual receiving supports and services from the provider agency in addition to an individual summary sheet identified in section (1) of this rule. The emergency information must be kept current and must include:

(a) The name of the individual;

(b) The name, address, and telephone number of the provider agency;

(c) The address and telephone number of the residence where the individual lives;

(d) The physical description of the individual, which may include a picture and the date the picture was taken, and identification of:

(A) The race, gender, height, weight range, hair, and eye color of the individual; and

(B) Any other identifying characteristics that may assist in identifying the individual may the need arise, such as marks or scars, tattoos, or body piercing.

(e) Information on the abilities and characteristics of the individual, including:

(A) How the individual communicates;

(B) The language the individual uses or understands;

(C) The ability of the individual to know and take care of bodily functions; and

(D) Any additional information that may assist a person not familiar with the individual to understand what the individual may do for him or herself.

(f) The health support needs of the individual, including:

(A) Diagnosis;

(B) Allergies or adverse drug reactions;

(C) Health issues that a person needs to know when taking care of the individual;

(D) Special dietary or nutritional needs, such as requirements around the textures or consistency of foods and fluids;

(E) Food or fluid limitations due to allergies, diagnosis, or medications the individual is taking that may be an aspiration risk or other risk for the individual;

(F) Additional special requirements the individual has related to eating or drinking, such as special positional needs or a specific way foods or fluids are given to the individual;

(G) Physical limitations that may affect the ability of the individual to communicate, respond to instructions, or follow directions; and

(H) Specialized equipment needed for mobility, positioning, or other health-related needs.

(g) The emotional and behavioral support needs of the individual, including:

(A) Mental health or behavioral diagnosis and the behaviors displayed by the individual; and

(B) Approaches to use when dealing with the individual to minimize emotional and physical outbursts.

(h) Any court ordered or legal representative authorized contacts or limitations;

(i) The supervision requirements of the individual and why; and

(j) Any additional pertinent information the provider agency has that may assist in the care and support of the individual in the event of a natural or man-made disaster.

411-345-0230

Incident Reports and Emergency Notifications for a Provider Agency

For a provider agency certified by the Department to deliver services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) A written incident report describing any injury, accident, act of physical aggression, or unusual incident involving an individual must be placed in the record for the individual. The incident report must include:

(a) Conditions prior to, or leading to, the incident;

(b) A description of the incident;

(c) Staff response at the time; and

(d) Follow-up to be taken to prevent a recurrence of the injury, accident, physical aggression, or unusual incident.

(2) Copies of incident reports for all unusual incidents (as defined by OAR 411-317-0000) must be sent to the services coordinator or personal agent within five business days of the unusual incident.

(3) The provider agency must immediately notify the CDDP or Brokerage of an incident or allegation of abuse falling within the scope of OAR 407-045-0260.

(4) In the case of an unusual incident requiring emergency response, the provider agency must immediately notify:

(a) The legal representative, parent, next of kin, designated representative, and other significant person of the individual (as applicable);

(b) The CDDP or Brokerage;

(c) The residential contact of the individual; and

(d) Any other agency responsible for the individual.

(5) In the case of an individual who is missing or absent without supervision beyond the time frames established by the ISP team, the provider agency must immediately notify:

(a) The designated representative of the individual (if applicable);

(b) The legal representative of the individual or nearest responsible relative (as applicable);

(c) The residential contact of the individual;

(d) The local police department; and

(e) The CDDP or Brokerage.

411-345-0240

Emergency Plan and Safety Review for a Provider Agency

For a provider agency certified by the Department to deliver services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) A provider agency must develop, keep current, and implement a written emergency plan for the protection of all individuals in the event of an emergency or disaster. The emergency plan must:

(a) Be practiced at least annually;

(b) Consider the needs of the individuals being supported and address all natural and human-caused events identified as a potential significant risk to the individuals, such as a pandemic or an earthquake;

(c) Coordinate with each residential provider or residential contact to address the possibility of emergency or disaster resulting in the following:

(A) Extended utility outage;

(B) No running water;

(C) Inability to provide food or supplies; and

(D) Staff unable to report as scheduled.

(d) Include provisions for evacuation and relocation that identifies:

(A) The duties of staff during evacuation, transport, and housing of individuals;

(B) The requirement for staff to notify the Department and the local CDDP and Brokerage offices of the plan to evacuate or the evacuation of the facility, as soon as the emergency or disaster reasonably allows;

(C) The method and source of transportation;

(D) Planned relocation sites that are reasonably anticipated to meet the needs of the individuals;

(E) A method that provides a person unknown to the individual the ability to identify the individual by name and to identify the name of the provider agency for the individual; and

(F) A method for tracking and reporting to the Department, local CDDP and Brokerage offices, or designee, the physical location of each individual until a different entity resumes responsibility for the individual.

(e) Address the needs of the individual, including medical needs; and

(f) Be submitted to the Department as a summary, per Department format, at least annually and upon revision and change of ownership.

(2) A provider agency must post the following emergency telephone numbers in close proximity to all phones used by staff:

(a) The telephone numbers of the local fire, police department, and ambulance service, if not served by a 911 emergency service; and

(b) The telephone number of the executive director of the provider agency and additional people to be contacted in the case of an emergency.

(3) If an individual regularly accesses the community independently, the provider agency must provide the individual information about appropriate steps to take in an emergency, such as emergency contact telephone numbers, contacting police or fire personnel, or other strategies to obtain assistance.

(4) A documented safety review must be conducted quarterly to ensure the service site is free of hazards. The provider agency must keep the quarterly safety review reports for five years and must make them available upon request by the CDDP, Brokerage, or the Department.

Stat. Auth.: ORS 409.050 & 430.662

411-345-0250
Evacuation for a Provider Agency

For a provider agency certified by the Department to deliver services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) The provider agency must train all individuals immediately upon entry to each service site to leave the site in response to an alarm or other emergency signal.

(2) The provider agency must document the level of assistance needed by each individual to safely evacuate and such documentation must be maintained in the entry records for the individual.

(3) The provider agency must provide, or assure provision of, necessary adaptations or accommodations to ensure evacuation safety for individuals with sensory and physically impairments.

(4) A site-based provider agency must:

(a) Conduct unannounced evacuation drills one per quarter each year when individuals are present, unless required more often by the Oregon Occupational Safety and Health Division.

(A) Drills must occur at different times of the day.

(B) Routes to leave the site for the drill must vary based on the location of a simulated emergency.

(C) Any individual failing to evacuate the service site unassisted within three minutes, or an amount of time set by the local fire authority for the site, must be provided specialized training and support in evacuation procedures.

(b) Make written documentation at the time of each drill and keep the documentation for at least two years following the drill. Documentation must include:

(A) The date and time of the drill;

(B) The location of the simulated emergency and route of evacuation;

(C) The last names of all individuals and staff present in the service area at the time of the drill;

(D) The type of evacuation assistance provided by staff to individuals that need more than three minutes to evacuate as specified in the safety plan for the individuals;

(E) The amount of time required by each individual to evacuate if the individual needs more than three minutes to evacuate;

(F) The amount of time for all individuals to evacuate exclusive of individuals with specialized support as described in section (3)(c) of this rule; and

(G) The signature of the staff conducting the drill.

(c) Develop a written safety plan for individuals who are unable to evacuate the site within the required evacuation time or who, with concurrence of the ISP team, request not to participate in evacuation drills. The safety plan must include:

(A) Documentation of the risk to the medical, physical condition, and behavioral status of the individual;

(B) Identification of how the individual must evacuate the site, including level of support needed;

(C) The routes to be used to evacuate the individual to a point of safety;

(D) Identification of assistive devices required for evacuation;

(E) The frequency the plan must be practiced and reviewed by the individual and staff;

(F) The alternative practices;

(G) Approval of the plan by the legal representative of the individual, services coordinator or personal agent, and the executive director of the provider agency; and

(H) A plan to encourage future participation in evacuation drills.

411-345-0260
Physical Environment for a Provider Agency

For a provider agency certified by the Department to deliver services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) A provider agency must ensure that the service site has no known health or safety hazards in its immediate environment and that individuals are trained to avoid recognizable hazards.

(2) The provider agency must:

(a) Assure that at least once every five years a health and safety inspection is conducted of owned, leased, or rented buildings and property.

(A) The inspection must cover all areas and buildings where services are delivered to individuals, administrative offices, and storage areas.

(B) The inspection may be performed by:

(i) Oregon Occupational Safety and Health Division;

(ii) The workers compensation insurance carrier of the provider agency;

(iii) An appropriate expert, such as a licensed safety engineer or consultant approved by the Department; or

(iv) The Oregon Public Health Division, when necessary.

(C) The inspection must cover:

(i) Hazardous material handling and storage;

(ii) Machinery and equipment used by the provider agency;

(iii) Safety equipment;

(iv) Physical environment; and

(v) Food handling, when necessary.

(D) The documented results of the inspection, including recommended modifications or changes, and documentation of any resulting action taken must be kept by the provider agency for five years.

(b) Ensure buildings and property at each owned, leased, or rented service site has annual fire and life safety inspections performed by the local fire authority or a Deputy State Fire Marshal. The documented results of the inspection, including documentation of recommended modifications

or changes, and documentation of any resulting action taken must be kept by the provider agency for five years.

Vehicles and Drivers for a Provider Agency

For a provider agency certified by the Department to deliver services under these rules and endorsed under the rules in OAR chapter 411, division 323:

(1) A provider agency that owns or operates vehicles that transports individuals must:

(a) Maintain the vehicles in safe operating condition;

(b) Comply with the laws of the Driver and Motor Vehicle Services Division;

(c) Maintain insurance coverage; and

(d) Carry a first-aid kit in the vehicles.

(2) A driver operating vehicles to transport individuals must meet all applicable requirements of the Driver and Motor Vehicle Services Division.

Rules Amended: 411-328-0550, 411-328-0560, 411-328-0640, 411-328-0650, 411-328-0700, 411-328-0720, 411-328-0750, 411-328-0760, 411-328-0770, 411-328-0780, 411-328-0790
Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently updating the rules in OAR chapter 411, division 328 for supported living programs for adults with intellectual or developmental disabilities.

These rules are being updated to:

- Make permanent temporary changes that became effective on January 1, 2016;

- Provide consistency across services by removing terms included in the general definitions rule, OAR 411-317-0000;

- Provide clarity on the roles of supported living providers in entry, exit, and service planning;

- Incorporate the adoption of the rules for home and community-based (HCB) services and settings and person-centered service planning in OAR chapter 411, division 004;

- Incorporate the individual rights in OAR 411-318-0010 for individuals receiving HCB services; and

- Reflect current Department terminology, and perform minor grammar, punctuation, formatting, and housekeeping changes.

The rules in OAR chapter 411, division 004 implement the regulations and expectations of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS) by providing a foundation of standards to support the network of Medicaid-funded and private pay residential and non-residential HCB services and settings and person-centered service planning.

When an individual resides in a dwelling that is owned, rented, or leased by an agency endorsed to provide supported living services and the same agency is authorized to provide services to the individual, the dwelling is considered a provider owned, controlled, or operated residential setting and must have all the following qualities:

- The setting is integrated in and supports the same degree of access to the greater community as people not receiving HCB services, including opportunities for individuals enrolled in or utilizing HCB services to seek employment and work in competitive integrated employment settings, engage in greater community life, control personal resources, and receive services in the greater community;

- The setting is selected by an individual, or as applicable the legal or designated representative of the individual, from among available setting options, including non-disability specific settings and an option for a private unit in a residential setting;

- The setting ensures individual rights of privacy, dignity, respect, and freedom from coercion and restraint;

- The setting optimizes, but does not regiment, individual initiative, autonomy, self-direction, and independence in making life choices including, but not limited to, daily activities, physical environment, and with whom to interact;

- The setting facilitates individual choice regarding services and supports, and who provides the services and supports;

- The setting is physically accessible to an individual;

- The unit is a specific physical place that may be owned, rented, or occupied by an individual under a legally enforceable Residency Agreement;

- Each individual has privacy in his or her own unit;

- Units have entrance doors lockable by the individual, with the individual and only appropriate staff having a key to access the unit;

- Individuals sharing units have a choice of roommates;

- Individuals have the freedom to decorate and furnish his or her own unit as agreed to within the Residency Agreement;

- Individuals may have visitors of their choosing at any time;

- Each individual has the freedom and support to control his or her own schedule and activities; and

- Each individual has the freedom and support to have access to food at any time.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-328-0550
Statement of Purpose

(1) The rules in OAR chapter 411, division 328 prescribe standards for providers that support individuals with intellectual or developmental disabilities in a supported living setting and the procedures for the certification and endorsement of supported living settings under the rules in OAR chapter 411, division 323.

(2) These rules incorporate the provisions for home and community-based services and settings and person-centered service planning set forth in OAR chapter 411, division 004. These rules and the rules in OAR chapter 411, division 004 ensure individuals with intellectual or developmental disabilities receive services in settings that are integrated in and support the same degree of access to the greater community as people not receiving home and community-based services.

(3) Supported living provides the opportunity for an individual to live in the residence of his or her choice within the community with recognition that the needs and preferences of the individual may change over time. The levels of support for the individual are based upon individual needs and preferences as identified in a functional needs assessment and defined in an Individual Support Plan. Such services may include up to 24 hours per day of paid supports that are provided in a manner that protects the dignity of the individual.

(4) These rules ensure that providers meet basic management, programmatic, health and safety, and human rights regulations for individuals receiving services funded by the Department in supported living settings. The provider is responsible for developing and implementing policies and procedures that ensure that the requirements of these rules are met and ensuring services comply with all applicable local, state, and federal laws and regulations.

Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 328:

(1) "Board of Directors" means the group of people formed by the provider agency to set policy and give directions to a provider delivering supports to individuals in a community-based service setting. A board of directors may include local advisory boards used by multi-state organizations.

(2) "CDDP" means "Community Developmental Disabilities Program".

(3) "Certificate" means the document issued by the Department to a provider that certifies the provider is eligible under the rules in OAR chapter 411, division 323 to receive state funds for the provision of services in an endorsed supported living setting.

(4) "Endorsement" means the authorization to provide services in a supported living setting that is issued by the Department to a certified provider that has met the qualification criteria outlined in these rules and the rules in OAR chapter 411, division 323.

(5) "Executive Director" means the person designated by a board of directors or corporate owner that is responsible for the administration of services in a supported living setting.

(6) "Functional Needs Assessment":

(a) Means the comprehensive assessment or reassessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors and support needs; and

(C) Determines the service level.

(b) The functional needs assessment for an adult is known as the Adult Needs Assessment (ANA). The Department incorporates Version C of the ANA into these rules by this reference. The ANA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/cm. A printed copy of a blank ANA may be obtained by calling (503) 945-6398 or writing to the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, OR 97301.

(7) "Individual" means an adult applying for, or determined eligible for, Department-funded developmental disabilities services.

(8) "Individual Profile" means the written profile that describes an individual entering into a supported living setting. The profile may consist of materials or assessments generated by a provider or other related agencies, consultants, family members, or the legal or designated representative of the individual (as applicable).

(9) "ISP" means "Individual Support Plan".

(10) "OIS" means "Oregon Intervention System".

(11) "OSIPM" means "Oregon Supplemental Income Program-Medical".

(12) "Provider" means a public or private community agency or organization that provides recognized developmental disabilities services and is certified and endorsed by the Department to provide these services under these rules and the rules in OAR chapter 411, division 323.

(13) "Supported Living" means the endorsed program that provides the opportunity for individuals to live in the residence of their own choice within the community. Supported living is not grounded in the concept of "readiness" or in a "continuum of services model" but rather provides the opportunity for individuals to live where they want, with whom they want, for as long as they desire, with a recognition that needs and desires may change over time.

(14) "These Rules" mean the rules in OAR chapter 411, division 328.

(15) "Unit" means the personal space and bedroom of an individual receiving home and community-based services in a provider owned, controlled, or operated residential setting, as agreed to in the Residency Agreement.

411-328-0625
Provider Owned, Controlled, or Operated Residential Settings

(1) When an individual resides in a provider owned, controlled, or operated residential setting, the provider must assure that the setting complies with the qualities in OAR 411-004-0020 no later than September 1, 2018.

(2) Settings are considered provider owned, controlled, or operated when the provider authorized to deliver services to the individual:

(a) Owns, rents, leases, or co-leases the setting where the services are delivered; or

(b) Has a direct or indirect financial relationship with the owner of the property.

(3) RESIDENCY AGREEMENTS.

(a) The provider must enter into a written Residency Agreement with each individual specifying, at a minimum, the following:

(A) The rights and responsibilities of the individual and the provider; and

(B) The eviction process, notice requirements, and appeal rights available to each individual.

(b) The Residency Agreement may not violate the rights of an individual as stated in OAR 411-318-0010.

(c) The Residency Agreement may not be in conflict with any of these rules, the certification and endorsement rules in OAR chapter 411, division 323, or the home and community-based services and settings rules in OAR chapter 411, division 004.

(d) Prior to implementing changes to the Residency Agreement, the Residency Agreement may be subject to review and approval by the Department or the designee of the Department.

(e) The provider must review the Residency Agreement with and provide a copy to each individual and the legal representative of the individual, as applicable, at the time of entry and annually or as changes occur. The reviews must be documented by having the individual, or the legal representative of the individual, sign and date a copy of the Residency Agreement. A copy of the signed and dated Residency Agreement must be maintained in the record for the individual.

(4) INDIVIDUALLY-BASED LIMITATIONS.

(a) For an initial or annual ISP authorized to begin on or after March 1, 2017, the provider must identify any individually-based limitations to the following freedoms:

(A) Support and freedom to access the individual's personal food at any time;

(B) Visitors of the individual's choosing at any time;

(C) A lock on the individual's unit, lockable by the individual;

(D) Choice of a roommate, if sharing a bedroom;

(E) Freedom to furnish and decorate the individual's bedroom as the individual chooses in accordance with the Residency Agreement; and

(F) Freedom and support to control the individual's schedule and activities.

(b) All individually-based limitations must be included in the ISP no later than February 28, 2018.

(c) An individually-based limitation to any freedom in subsection (a) of this section must be supported by a specific assessed need due to threats to the health and safety of the individual or others. The provider must incorporate and document all applicable elements identified in OAR 411-004-0040, including:

(A) The specific and individualized assessed need justifying the individually-based limitation;

(B) The positive interventions and supports used prior to any individually-based limitation;

(C) Less intrusive methods that have been tried but did not work;

(D) A clear description of the condition that is directly proportionate to the specific assessed need;

(E) Regular reassessment and review to measure the ongoing effectiveness of the individually-based limitation;

(F) Established time limits for periodic review of the individually-based limitation to determine if the individually-based limitation should be terminated or remains necessary. The individually-based limitation must be reviewed at least annually;

(G) The informed consent of the individual or, as applicable, the legal representative of the individual, including any discrepancy between the wishes of the individual and the consent of the legal representative; and

(H) An assurance that the interventions and support do not cause harm to the individual.

411-328-0640
Dietary

(1) The provider is responsible for providing the support and guidance identified in the ISP to ensure individuals are provided access to a nutritionally adequate diet.

(2) Written dietary supports must be developed as required by an ISP team and integrated into a Transition Plan or ISP. The plan must be based on a review and identification of the dietary service needs and preferences of an individual and updated annually or as significant changes occur.

(3) The provider must have and implement policies and procedures related to maintaining adequate food supplies and meal planning, preparation, service, and storage.

(4) The provider must support the freedom of the individual to have access to the individual's personal food at any time.

411-328-0650
Physical Environment

(1) All floors, walls, ceilings, windows, furniture, and fixtures must be maintained. The interior and exterior must be safely maintained and accessible according to the needs of the individuals.

(2) The water supply and sewage disposal must meet the requirements of the current rules of the Oregon Health Authority governing domestic water supply.

(3) Each residence must have:

(a) A kitchen area for the preparation of hot meals; and

(b) A bathroom containing a properly operating toilet, handwashing sink, and a bathtub or shower.

(4) Each residence must be adequately heated and ventilated.

411-328-0700
Incident Reports and Emergency Notifications

(1) An incident report, as defined in OAR 411-328-0560, must be placed in the record for an individual upon injury, accident, act of physical aggression, or unusual incident. The incident report must include:

(a) Conditions prior to, or leading to, the incident;

(b) A description of the incident;

(c) Staff response at the time; and

(d) Follow-up to be taken to prevent a recurrence of the incident.

(2) A copy of all incident reports must be sent or made electronically available to the case manager within five business days of the incident.

(3) Upon request of the legal representative, a copy of the incident report must be sent or made electronically available to the legal representative within five business days of the incident. If a copy of the incident report is sent or made electronically available to the legal representative of an individual, any confidential information about other individuals must be removed or redacted as required by federal and state privacy laws. A copy of an incident report may not be provided to the legal representative of an individual when the report is part of an abuse or neglect investigation.

(4) The provider must immediately notify the case management entity if an incident or allegation falls within the scope of abuse as defined in OAR 407-045-0260.

(5) In the case of a serious illness, injury, or death of an individual, the provider must immediately notify:

(a) The legal or designated representative, parent, next of kin, and other significant person of the individual (as applicable);

(b) The case management entity; and

(c) Any other agency responsible for the individual.

(6) In the case of an individual who is missing beyond the timeframes established by the ISP team, the provider must immediately notify:

(a) The designated representative of the individual;

(b) The legal representative of the individual, if any, or nearest responsible relative;

(c) The local police department; and

(d) The case management entity.

411-328-0720
Individual Rights, Complaints, Notification of Planned Action, and Hearings

(1) INDIVIDUAL RIGHTS.

(a) A provider must protect the rights of individuals described in OAR 411-318-0010 and encourage and assist individuals to understand and exercise these rights.

(b) Upon entry and request and annually thereafter, the individual rights described in OAR 411-318-0010 must be provided to an individual and the legal or designated representative of the individual.

(2) COMPLAINTS.

(a) Complaints by or on behalf of individuals must be addressed in accordance with OAR 411-318-0015.

(b) Upon entry and request and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

(3) NOTIFICATION OF PLANNED ACTION. In the event that a developmental disability service is denied, reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

(4) HEARINGS.

(a) Hearings must be addressed in accordance with ORS chapter 183 and OAR 411-318-0025.

(b) An individual or the legal or designated representative of the individual may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025 for a denial, reduction, suspension, or termination of a developmental disability service or OAR 411-318-0030 for an involuntary reduction, transfer, or exit.

(c) Upon entry and request and annually thereafter, a notice of hearing rights and the policy and procedures for hearings must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

411-328-0750
Personalized Plans

(1) The following information must be collected and summarized by the provider prior to any ISP meeting:

(a) One page profile reflecting, at a minimum, information gathered by the site where the individual receives services;

(b) Person-centered information reflecting, at a minimum, information gathered by the site where the individual receives services; and

(c) Information about known, identified serious risks.

(2) The following information must be developed by the provider and shared with the case manager and the individual, or if applicable the legal or designated representative of the individual, as directed by the ISP or Service Agreement.

(a) Implementation strategies, such as action plans, for desired outcomes or goals.

(b) Necessary protocols or plans that address health, behavioral, safety, and financial supports.

(c) A summary of the provider risk management strategies in place, including title of document, date, and where it is kept.

(d) A Nursing Service Plan, if applicable.

(e) Other documents required by the ISP team.

(3) The provider must maintain a copy of the ISP or Service Agreement provided the case management entity and signed by the provider.

(4) The provider must participate in ISP team meetings as requested by the individual or the legal or designated representative of the individual (if applicable).

(5) The provider must maintain documentation of implementation of each support and services specified in sections (2)(a) to (2)(e) of this rule in the ISP or Service Agreement for the individual. This documentation must be kept current and be available for review by the individual, the legal representative of the individual, the case management entity, and Department representatives.

(6) INDIVIDUAL PROFILE.

(a) The provider must develop a written profile within 90 days of entry. The profile is used to train new staff. The profile must include information related to the history or personal highlights, lifestyle and activity choices and preferences, social network and significant relationships, and other information that helps describe an individual.

(b) The profile must be composed of written information generated by the provider. The profile may include:

(A) Reports of assessments or consultations;

(B) Historical or current materials developed by the case management entity or nursing facility;

(C) Material and pictures from the family and friends of the individual;

(D) Newspaper articles; and

(E) Other relevant information.

(c) The profile must be maintained at the service site and updated as significant changes occur.

411-328-0760
Behavior Support

(1) The provider must have and implement a written policy for behavior support that utilizes individualized positive behavioral theory and practice and prohibits abusive practices.

(2) The provider must inform an individual and, as applicable, the legal or designated representative of the individual, of the behavior support policy and procedures at the time of entry and as changes occur.

(3) A decision to develop a plan to alter a behavior must be made by the ISP team.

(4) The behavior consultant or a trained staff member must conduct a functional behavioral assessment of the behavior that is based upon information provided by one or more people who know the individual. The functional behavioral assessment must include:

(a) A clear, measurable description of the behavior, including frequency, duration, and intensity of the behavior (as applicable);

(b) A clear description and justification of the need to alter the behavior;

(c) An assessment of the meaning of the behavior, including the possibility that the behavior is one or more of the following:

(A) An effort to communicate;

(B) The result of a medical condition;

(C) The result of a psychiatric condition; or

(D) The result of environmental causes or other factors.

(d) A description of the context in which the behavior occurs; and

(e) A description of what currently maintains the behavior.

(5) The Behavior Support Plan must include:

(a) An individualized summary of the needs, preferences, and relationships of the individual;

(b) A summary of the function of the behavior as derived from the functional behavioral assessment;

(c) Strategies that are related to the function of the behavior and are expected to be effective in reducing problem behaviors;

(d) Prevention strategies, including environmental modifications and arrangements;

(e) Early warning signals or predictors that may indicate a potential behavioral episode and a clearly defined plan of response;

(f) A general crisis response plan that is consistent with OIS;

(g) A plan to address post crisis issues;

(h) A procedure for evaluating the effectiveness of the Behavior Support Plan, including a method of collecting and reviewing data on frequency, duration, and intensity of the behavior;

(i) Specific instructions for staff who provide support to follow regarding the implementation of the Behavior Support Plan; and

(j) Positive behavior supports that includes the least intrusive intervention possible.

(6) Providers must maintain the following additional documentation for implementation of a Behavior Support Plan:

(a) Written evidence that the individual, the legal or designated representative of the individual (if applicable), and the ISP team are aware of the development of the Behavior Support Plan and any objections or concerns have been documented;

(b) Written evidence of the ISP team decision for approval of the implementation of the Behavior Support Plan; and

(c) Written evidence of all informal and positive strategies used to develop an alternative behavior.

411-328-0770
Protective Physical Intervention

(1) The provider must only employ protective physical intervention techniques that are included in the current approved OIS curriculum or as approved by the OIS Steering Committee. Protective physical intervention techniques must only be applied:

(a) When the health and safety of the individual or others is at risk, the ISP team has authorized the procedures as documented by the decision of the ISP team, the procedures are documented in the ISP or Service Agreement, and the procedures are intended to lead to less restrictive intervention strategies;

(b) As an emergency measure if absolutely necessary to protect the individual or others from immediate injury; or

(c) As a health-related protection ordered by a licensed health care provider if absolutely necessary during the conduct of a specific medical or surgical procedure or for the protection of the individual during the time that a medical condition exists.

(2) Staff supporting an individual must be trained by an instructor certified in OIS when the individual has a history of behavior requiring protective physical intervention and the ISP team has determined there is probable cause for future application of protective physical intervention. Documentation verifying OIS training must be maintained in the personnel file for the staff person.

(3) The provider must obtain the approval of the OIS Steering Committee for any modification of standard OIS protective physical intervention techniques. The request for modification of a protective physical intervention technique must be submitted to the OIS Steering Committee and must be approved in writing by the OIS Steering Committee prior to the implementation of the modification. Documentation of the approval must be maintained in the record for the individual.

(4) Use of protective physical intervention techniques that are not part of an approved Behavior Support Plan in emergency situations must:

(a) Be reviewed by the Executive Director or the designee of the Executive Director within one hour of application;

(b) Be only used until the individual is no longer an immediate threat to self or others;

(c) Result in the submission of an incident report to the case manager or other Department designee (if applicable) and the legal or designated representative of the individual (if applicable), no later than one business day after the incident has occurred ; and

(d) Prompt an ISP meeting if emergency protective physical intervention is used more than three times in a six month period.

(5) Any use of protective physical intervention must be documented in an incident report, excluding circumstances described in section (7) of this rule. The report must include:

(a) The name of the individual to whom the protective physical intervention was applied;

(b) The date, type, and length of time the protective physical intervention was applied;

(c) A description of the incident precipitating the need for the use of protective physical intervention;

(d) Documentation of any injury;

(e) The name and the position of the staff member applying the protective physical intervention;

(f) The name and position of any staff member witnessing the protective physical intervention;

(g) The name and position of the person providing the initial review of the use of the protective physical intervention; and

(h) Documentation of a review by the Executive Director or the designee of the Executive Director who is knowledgeable in OIS, as evident by a job description that reflects this responsibility. The review must include the follow-up to be taken to prevent a recurrence of the incident.

(6) A copy of the incident report must be sent or made electronically available within five business days of the incident to the case manager and the legal or designated representative of the individual (when applicable).

(a) The case manager or the Department designee (when applicable) must receive complete copies of incident reports.

(b) Copies of incident reports may not be provided to a legal representative or other provider when the report is part of an abuse or neglect investigation.

(c) Copies sent or made electronically available to a legal representative or other provider must have confidential information about other individuals removed or redacted as required by federal and state privacy laws.

(d) All protective physical interventions resulting in injuries must be documented in an incident report and sent or made electronically available to the case manager or other Department designee (if applicable) within one business day of the incident.

(7) BEHAVIOR DATA SUMMARY.

(a) The provider may substitute a behavior data summary in lieu of individual incident reports when:

(A) There is no injury to the individual or others;

(B) There is a formal written functional behavioral assessment and a written Behavior Support Plan;

(C) The Behavior Support Plan defines and documents the parameters of the baseline level of behavior;

(D) The protective physical intervention techniques and the behavior for which the protective physical intervention techniques are applied remain within the parameters outlined in the Behavior Support Plan and OIS curriculum; and

(E) The behavior data collection system for recording observations, interventions, and other support information critical to the analysis of the efficacy of the Behavior Support Plan is also designed to record the items described in section (5)(a)-(c) and (e)-(h) of this rule.

(b) A copy of the behavior data summary must be forwarded or made electronically available every 30 days to the case manager or other Department designee (if applicable) and the legal or designated representative of the individual (if applicable).

Psychotropic Medications and Medications for Behavior

(1) Psychotropic medications and medications for behavior must be prescribed by a physician through a written order.

(2) The use of psychotropic medications and medications for behavior must be based on the decision of a physician that the harmful effects without the medication clearly outweigh the potentially harmful effects of the medication. Providers must present the physician with a full and clear written description of the behavior and symptoms to be addressed, as well as any side effects observed, to enable the physician to make this decision.

(3) Psychotropic medications and medications for behavior must be:

(a) Monitored by the prescribing physician, ISP team, and provider for desired responses and adverse consequences; and

(b) Reviewed to determine the continued need and lowest effective dosage in a carefully monitored program.

Entry, Exit, and Transfer

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, national origin, gender, religion, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) QUALIFICATIONS FOR DEPARTMENT-FUNDED SERVICES. An individual who enters supported living is subject to eligibility as described in this section. To be eligible for supported living, an individual must:

(a) Be an Oregon resident;

(b) Be receiving a Medicaid Title XIX (OHP) benefit package through OSIPM or OCCS medical program. Individuals receiving Medicaid OHP under OCCS medical coverage for services in a nonstandard living arrangement as defined in OAR 461-001-0000 are subject to the requirements in the same manner as if they were requesting these services under OSIPM, including the rules regarding:

(A) The transfer of assets as set forth in OAR 461-140-0210 to 461-140-0300; and

(B) The equity value of a home which exceeds the limits as set forth in OAR 461-145-0220.

(c) Be determined eligible for developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080;

(d) Meet the level of care as defined in OAR 411-320-0020;

(e) Be an individual who is not receiving other Department-funded in-home or community living support;

(f) Have access to the financial resources to afford living expenses, such as food, utilities, rent, and other housing expenses; and

(g) Be eligible for Community First Choice state plan services.

(3) ENTRY.

(a) A provider must participate in an entry meeting prior to the onset of services to an individual.

(b) Prior to or upon an entry ISP team meeting, a provider must demonstrate effort to acquire the following individual information from the referring case management entity:

(A) A copy of the eligibility determination document;

(B) A statement indicating safety skills, including the ability of the individual to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

(C) A brief written history of any behavioral challenges, including supervision and support needs;

(D) A medical history and information on health care supports that includes (when available):

(i) The results of the most recent physical exam;

(ii) The results of any dental evaluation;

(iii) A record of immunizations;

(iv) A record of known communicable diseases and allergies; and

(v) A record of major illnesses and hospitalizations.

(E) A written record of any current or recommended medications, treatments, diets, and aids to physical functioning;

(F) A copy of the most recent needs assessment. If the needs of the individual have changed over time, the previous needs assessments must also be provided;

(G) Copies of protocols, the risk tracking record, and any support documentation (if available);

(H) Copies of documents relating to the guardianship, conservatorship, health care representation, power of attorney, court orders, probation and parole information, or any other legal restriction on the rights of the individual (if applicable);

(I) Written documentation to explain why preferences or choices of the individual may not be honored at that time;

(J) A copy of the most recent ISP or Service Agreement, Behavior Support Plan, and assessment (if available);

(K) Information related to the lifestyle, activities, and other choices and preferences; and

(L) Documentation of financial resources.

(4) VOLUNTARY TRANSFERS AND EXITS.

(a) A provider must promptly notify the case manager if an individual or the legal or designated representative of the individual gives notice of the intent to exit or abruptly exits services.

(b) A provider must notify the case manager prior to the voluntary transfer or exit of an individual from services.

(c) Notification and authorization of the voluntary transfer or exit of the individual must be documented in the record for the individual.

(5) INVOLUNTARY REDUCTIONS, TRANSFERS, AND EXITS.

(a) A provider must only reduce, transfer, or exit an individual involuntarily for one or more of the following reasons:

(A) The behavior of the individual poses an imminent risk of danger to self or others;

(B) The individual experiences a medical emergency;

(C) The service needs of the individual exceed the ability of the provider;

(D) The individual fails to pay for services; or

(E) The certification or endorsement for the provider described in OAR chapter 411, division 323 is suspended, revoked, not renewed, or voluntarily surrendered.

(b) NOTICE OF INVOLUNTARY REDUCTION, TRANSFER, OR EXIT. A provider must not reduce services, transfer, or exit an individual involuntarily without 30 days advance written notice to the individual, the legal or designated representative of the individual (as applicable), and the

case manager, except in the case of a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others as described in subsection (c) of this section.

(A) The written notice must be provided on the Notice of Involuntary Reduction, Transfer, or Exit form approved by the Department and include:

(i) The reason for the reduction, transfer, or exit; and

(ii) The right of the individual to a hearing as described in subsection (d) of this section.

(B) A Notice of Involuntary Reduction, Transfer, or Exit is not required when an individual requests the reduction, transfer, or exit.

(c) A provider may give less than 30 days advance written notice only in a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others. The notice must be provided to the individual, the legal or designated representative of the individual (as applicable), and the case manager immediately upon determination of the need for a reduction, transfer, or exit.

(d) HEARING RIGHTS. An individual must be given the opportunity for a hearing under ORS Chapter 183 and OAR 411-318-0030 to dispute an involuntary reduction, transfer, or exit. If an individual or the legal or designated representative of the individual requests a hearing, the individual must receive the same services until the hearing is resolved. When an individual has been given less than 30 days advance written notice of a reduction, transfer, or exit as described in subsection (c) of this section and the individual has requested a hearing, the provider must reserve service availability for the individual until receipt of the Final Order.

(6) EXIT MEETING. A provider must participate in an exit meeting before any decision to exit an individual is made if required by the case management entity.

(7) TRANSFER MEETING.A provider must participate in a transfer meeting before any decision to transfer an individual is made if required by the case management entity.

Rule Caption: ODDS: 24-Hour Residential Programs for Children and Adults with Intellectual or Developmental Disabilities

Adm. Order No.: APD 24-2016

Filed with Sec. of State: 6-29-2016

Certified to be Effective: 6-29-16

Notice Publication Date: 4-1-2016

Rules Amended: 411-325-0010, 411-325-0020, 411-325-0025, 411-325-0030, 411-325-0040, 411-325-0110, 411-325-0130, 411-325-0140, 411-325-0150, 411-325-0170, 411-325-0220, 411-325-0270, 411-325-0280, 411-325-0290, 411-325-0300, 411-325-0390, 411-325-0410, 411-325-0430, 411-325-0460

Rules Repealed: 411-325-0420

Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently updating the rules in OAR chapter 411, division 325 for 24-hour residential programs for children and adults with intellectual or developmental disabilities.

These rules are being updated to:

- Make permanent temporary changes that became effective on January 1, 2016;

- Provide consistency across services by removing terms included in the general definitions rule, OAR 411-317-0000;

- Incorporate the adoption of the rules for home and community-based (HCB) services and settings and person-centered service planning in OAR chapter 411, division 004;

- Incorporate the individual rights in OAR 411-318-0010 for individuals receiving HCB services;

- Incorporate the changes addressed in OAR chapter 411, division 450 for Community Living Supports, including information regarding entry, exit, and transfer notices, expectations around transfer of assets, and removal of crisis services; and

- Reflect current Department terminology, and perform minor grammar, punctuation, formatting, and housekeeping changes.

The rules in OAR chapter 411, division 004 implement the regulations and expectations of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS) by providing a foundation of standards to support the network of Medicaid-funded and private pay residential and non-residential HCB services and settings and person-centered service planning.

Under the HCB setting standards, 24-hour residential settings meet the definition of a provider owned, controlled, or operated residential setting. A provider initially licensed on or after January 1, 2016 must meet the requirements in OAR chapter 411, division 004 prior to being licensed. A provider licensed prior to January 1, 2016 must make measurable progress toward compliance with the rules in OAR chapter 411, division 004 and be in full compliance by September 1, 2018.

By September 1, 2018, all provider owned, controlled, or operated residential settings must have all the following qualities:

- The setting is integrated in and supports the same degree of access to the greater community as people not receiving HCB services, including opportunities for individuals enrolled in or utilizing HCB services to seek employment and work in competitive integrated employment settings, engage in greater community life, control personal resources, and receive services in the greater community;

- The setting is selected by an individual, or as applicable the legal or designated representative of the individual, from among available setting options, including non-disability specific settings and an option for a private unit in a residential setting;

- The setting ensures individual rights of privacy, dignity, respect, and freedom from coercion and restraint;

- The setting optimizes, but does not regiment, individual initiative, autonomy, self-direction, and independence in making life choices including, but not limited to, daily activities, physical environment, and with whom to interact;

- The setting facilitates individual choice regarding services and supports, and who provides the services and supports;

- The setting is physically accessible to an individual;

- The unit is a specific physical place that may be owned, rented, or occupied by an individual under a legally enforceable Residency Agreement;

- Each individual has privacy in his or her own unit;

- Units have entrance doors lockable by the individual, with the individual and only appropriate staff having a key to access the unit;

- Individuals sharing units have a choice of roommates;

- Individuals have the freedom to decorate and furnish his or her own unit as agreed to within the Residency Agreement;

- Individuals may have visitors of their choosing at any time;

- Each individual has the freedom and support to control his or her own schedule and activities; and

- Each individual has the freedom and support to have access to food at any time.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-325-0010

Statement of Purpose

(1) The rules in OAR chapter 411, division 325 prescribe standards, responsibilities, and procedures for 24-hour residential programs delivering home and community-based services to individuals with intellectual or developmental disabilities in 24-hour residential settings.

(2) These rules incorporate the provisions for home and community-based services and settings and person-centered service planning set forth in OAR chapter 411, division 004. These rules and the rules in OAR chapter 411, division 004 ensure individuals with intellectual or developmental disabilities receive services in settings that are integrated in and support the same degree of access to the greater community as people not receiving home and community-based services.

(a) A provider initially licensed on or after January 1, 2016 must meet the requirements in OAR chapter 411, division 004 prior to being licensed.

(b) A provider licensed prior to January 1, 2016 must make measurable progress toward compliance with the rules in OAR chapter 411, division 004 and be in full compliance by September 1, 2018.

411-325-0020
Definitions and Acronyms

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 325:

(1) "24-Hour Residential Program" means the distinct method for the delivery of home and community-based services in a 24-hour residential setting by a provider certified and endorsed under the rules in OAR chapter 411, division 323.

(2) "24-Hour Residential Setting" means a residential home, apartment, or duplex licensed by the Department under ORS 443.410 in which home and community-based services are provided to individuals with intellectual or developmental disabilities. A 24-hour residential setting is considered a provider owned, controlled, or operated residential setting.

(3) "Apartment" means "24-hour residential setting" as defined in this rule.

(4) "Appeal" means the process under ORS Chapter 183 that a provider may use to petition a civil penalty.

(5) "Applicant" means a person, agency, corporation, or governmental unit who applies for a license to deliver home and community-based services in a 24-hour residential setting.

(6) "Board of Directors" means the group of people formed by the provider agency to set policy and give directions to a provider delivering supports to individuals in a community-based service setting. A board of directors may include local advisory boards used by multi-state organizations.

(7) "CDDP" means "Community Developmental Disabilities Program".

(8) "Certificate" means the document issued by the Department to a provider that certifies the provider is eligible under the rules in OAR chapter 411, division 323 to receive state funds for the delivery of services through an endorsed 24-hour residential program.

(9) "Competency Based Training Plan" means the written description of the process of the provider for providing training to newly hired staff. At a minimum, the Competency Based Training Plan:

(a) Addresses health, safety, rights, values and personal regard, and the mission of the provider; and

(b) Describes competencies, training methods, timelines, how competencies of staff are determined and documented, including steps for remediation, and when a competency may be waived by a provider to accommodate the specific circumstances of a staff member.

(10) "Condition" means a provision attached to a new or existing certificate, endorsement, or license that limits or restricts the scope of the certificate, endorsement, or license or imposes additional requirements on the provider.

(11) "Denial" means the refusal of the Department to issue a certificate, endorsement, or license to operate a 24-hour residential program or 24-hour residential setting because the Department has determined the provider or the home is not in compliance with these rules or the rules in OAR chapter 411, division 323.

(12) "Duplex" means "24-hour residential setting" as defined in this rule.

(13) "Educational Surrogate" means the person who acts in place of the parent of a child in safeguarding the rights of the child in the public education decision-making process:

(a) When the parent of the child cannot be identified or located after reasonable efforts;

(b) When there is reasonable cause to believe that the child has a disability and is a ward of the state; or

(c) At the request of the parent of the child or young adult student.

(14) "Endorsement" means the authorization to provide services in a 24-hour residential setting that is issued by the Department to a certified provider that has met the qualification criteria outlined in these rules and the rules in OAR chapter 411, division 323.

(15) "Executive Director" means the person designated by a board of directors or corporate owner responsible for the operation of a 24-hour residential program and the administration of services in a 24-hour residential setting.

(16) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors and support needs; and

(C) Determines the service level.

(b) A functional needs assessment may be:

(A) The Support Needs Assessment Profile (SNAP). The Department incorporates the SNAP into these rules by this reference. The SNAP is maintained by the Department at https://www.oregon.gov/DHS/SENIORS-DISABILITIES/DD/PROVIDERS-PARTNERS/Pages/rebar-assessments.aspx;

(B) The Supports Intensity Scale (SIS). The Department incorporates the SIS into these rules by this reference. The SIS is maintained at: http://aaidd.org/sis#.VvwgeaPn_Dc;

(C) The Adult Needs Assessment (ANA). The Department incorporates Version C of the ANA into these rules by this reference. The ANA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/cm; or

(D) The Children's Needs Assessment (CNA). The Department incorporates Version C of the CNA into these rules by this reference. The CNA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/cm.

(c) A printed copy of the assessment tools may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, OR 97301.

(17) "Home" means "24-hour residential setting" as defined in this rule.

(18) "ICF/ID" means "Intermediate Care Facility for Individuals with Intellectual or Developmental Disabilities".

(19) "ISP" means "Individual Support Plan".

(20) "License" means a document granted by the Department to an applicant who is in compliance with the requirements of these rules and the rules in OAR chapter 411, division 323.

(21) "Licensee" means the person or organization to whom a certificate, endorsement, and license is granted.

(22) "Modified Diet" means the texture or consistency of food or drink is altered or limited, such as no nuts or raw vegetables, thickened fluids, mechanical soft, finely chopped, pureed, or bread only soaked in milk.

(23) "Nursing Services" means the provision of individual-specific advice, plans, or interventions by a nurse at a home based on the nursing process as outlined by the Oregon State Board of Nursing. Nursing services differ from administrative nursing services.

(24) "OCCS" means the "Oregon Health Authority, Office of Client and Community Services".

(25) "OIS" means "Oregon Intervention System".

(26) "Oregon Core Competencies" means:

(a) The list of skills and knowledge required for newly hired staff in the areas of health, safety, rights, values and personal regard, and the mission of the provider; and

(b) The associated timelines in which newly hired staff must demonstrate the competencies.

(27) "OSIPM" means "Oregon Supplemental Income Program-Medical".

(28) "Revocation" means the action taken by the Department to rescind a certificate, endorsement, or license to operate a 24-hour residential program or 24-hour residential setting after the Department determines a provider or home is not in compliance with these one or more of these rules or the rules in OAR chapter 411, division 323.

(29) "Special Diet" means the specially prepared food or particular types of food that are specific to the medical condition or diagnosis of an individual and in support of an evidence-based treatment regimen. Examples include, but are not limited to, low calorie, high fiber, diabetic, low salt, lactose free, or low fat diets. A special diet does not include a diet where extra or additional food is offered without the order of a physician, but may not be eaten, such as offering prunes each morning at breakfast or including fresh fruit with each meal.

(30) "Suspension" means an immediate temporary withdrawal of the approval to operate a 24-hour residential program or 24-hour residential setting after the Department determines a provider or home is not in compliance with one or more of these rules or the rules in OAR chapter 411, division 323.

(31) "These Rules" mean the rules in OAR chapter 411, division 325.

(32) "Variance" means the temporary exception from a regulation or provision of these rules that may be granted by the Department upon written application by a provider.

411-325-0025
Program Management

(1) CERTIFICATION, ENDORSEMENT, AND ENROLLMENT. To operate a 24-hour residential program, a provider must have:

(a) A certificate and an endorsement for a 24-hour residential program as set forth in OAR chapter 411, division 323;

(b) A Medicaid Agency Identification Number assigned by the Department as described in OAR chapter 411, division 370; and

(c) For each specific geographic service area where 24-hour residential services shall be delivered, a Medicaid Performing Provider Number assigned by the Department as described in OAR chapter 411, division 370.

(2) INSPECTIONS AND INVESTIGATIONS. The provider must allow inspections and investigations as described in OAR 411-323-0040.

(3) MANAGEMENT AND PERSONNEL PRACTICES. The provider must comply with the management and personnel practices as described in OAR 411-323-0050.

(4) COMPETENCY BASED TRAINING PLAN. The provider must have and implement a Competency Based Training Plan that meets, at a minimum, the competencies and timelines set forth in the Department's Oregon Core Competencies.

(5) GENERAL STAFF QUALIFICATIONS. Any staff member providing direct assistance to individuals must:

(a) Have knowledge of the ISPs for all individuals and all medical, behavioral, and additional supports required by the individuals; and

(b) Have met the basic qualifications in the Competency Based Training Plan. The provider must maintain written documentation kept current that the staff member has demonstrated competency in areas identified by the Competency Based Training Plan as required by section (4) of this rule, and that is appropriate to their job description.

(6) CONFIDENTIALITY OF RECORDS. The provider must ensure all individuals' records are confidential as described in OAR 411-323-0060.

(7) DOCUMENTATION REQUIREMENTS. All entries required by these rules, unless stated otherwise must:

(a) Be prepared at the time, or immediately following the event being recorded;

(b) Be accurate and contain no willful falsifications;

(c) Be legible, dated, and signed by the person making the entry; and

(d) Be maintained for no less than three years.

411-325-0030
Issuance of License

(1) No person, agency, or governmental unit acting individually or jointly with any other person, agency, or governmental unit shall establish, conduct, maintain, manage, or operate a 24-hour residential program without being licensed for each 24-hour residential setting.

(2) No license is transferable or applicable to any location, home, agency, management agent, or ownership other than that indicated on the application and license.

(3) The Department issues a license to an applicant found to be in compliance with these rules. The license is in effect for two years from the date issued unless revoked or suspended.

Stat. Auth.: ORS 409.050, 443.450, 443.455
Stats. Implemented: ORS 443.400 - 443.455

411-325-0040
Application for Initial License

(1) At least 30 days prior to anticipated licensure, an applicant must submit an application and required non-refundable fee. The application is provided by the Department and must include all information requested by the Department.

(2) The application must identify the number of beds the 24-hour residential setting is presently capable of operating at the time of application, considering existing equipment, ancillary service capability, and the physical requirements as specified by these rules. For purposes of license renewal, the number of beds to be licensed may not exceed the number identified on the license to be renewed unless approved by the Department.

(3) The initial application must include:

(a) A copy of any lease agreements or contracts, management agreements or contracts, and sales agreements or contracts, relative to the operation and ownership of the home;

(b) A floor plan of the home showing the location and size of rooms, exits, smoke alarms, and extinguishers; and

(c) A copy of the Residency Agreement as described in OAR 411-325-0300.

(4) If a scheduled, onsite licensing inspection reveals that an applicant is not in compliance with these rules as attested to on the Licensing Onsite Inspection Checklist, the onsite licensing inspection may be rescheduled at the convenience of the Department.

(5) Applicants may not admit any individual to the home prior to receiving a written confirmation of licensure from the Department.

(6) If an applicant fails to provide complete, accurate, and truthful information during the application and licensing process, the Department may cause initial licensure to be delayed or may deny or revoke the license.

(7) Any applicant or person with a controlling interest in an agency is considered responsible for acts occurring during, and relating to, the operation of such home for the purpose of licensing.

(8) The Department may consider the background and operating history of each applicant and each person with a controlling ownership interest when determining whether to issue a license.

(9) When an application for initial licensure is made by an applicant who owns or operates other licensed homes or facilities in Oregon, the Department may deny the license if the applicant's existing home or facility is not, or has not been, in substantial compliance with the Oregon Administrative Rules.

(10) Separate licenses are not required for separate buildings located contiguously and operated as an integrated unit by the same management.

(11) A provider may not admit an individual whose service needs exceed the classification on the license of the home without prior written consent of the Department.

411-325-0110
Variances

(1) The Department may grant a variance to these rules based upon a demonstration by the provider that an alternative method or different approach provides equal or greater effectiveness and does not adversely impact the welfare, health, safety, or rights of the individuals or violate state or federal laws.

(2) The provider requesting a variance must submit a written application to the CDDP that contains the following:

(a) The section of the rule from which the variance is sought;

(b) The reason for the proposed variance;

(c) The alternative practice, service, method, concept, or procedure proposed; and

(d) If the variance applies to the services for an individual, evidence that the variance is consistent with the currently authorized ISP for the individual.

(3) The request for a variance is approved or denied by the Department. The decision of the Department is sent to the provider, the CDDP, and to all relevant Department programs or offices within 30 days from the receipt of the variance request.

(4) The provider may request an administrative review of the denial of a variance request. The Department must receive a written request for an administrative review within 10 business days from the receipt of the denial. The provider must send a copy of the written request for an administrative review to the CDDP. The decision of the Director is the final response from the Department.

(5) The duration of the variance is determined by the Department.

(6) The provider may implement a variance only after written approval from the Department.

411-325-0130
Food and Nutrition

(1) The provider must support the freedom of the resident to have access to his or her personal food at any time. Limitations may only be used when there is a health or safety risk, as described in OAR 411-325-0430 and 411-004-0040, and when a written informed consent is obtained.

(2) Three nutritious meals and two snacks must be provided. Meals must be offered daily at times consistent with those in the community.

(a) Each meal must include food from the basic food groups according to the United States Department of Agriculture (USDA) and include fresh fruit and vegetables when in season, unless otherwise specified in writing by a physician.

(b) Food preparation must include consideration of cultural and ethnic backgrounds, as well as, the food preferences of individuals. Special consideration must be given to individuals with chewing difficulties and other eating limitations as described in section (3) of this rule.

(c) If an individual misses or plans to miss a meal at a scheduled time, or requests an alternate mealtime, an alternative meal must be made available. Individuals are not restricted to specific mealtimes and are encouraged to choose when, where, and with whom to eat.

(d) Provision of food beyond the required three meals and two snacks are the responsibility of the individual.

(3) MODIFIED OR SPECIAL DIETS. For an individual with a physician or health care provider ordered modified or special diet, the provider must:

(a) Have menus for the current week that provide food and beverages that consider the preferences of the individual and are appropriate to the modified or special diet; and

(b) Maintain documentation that identifies how modified or special diets are prepared and served to individuals.

(4) Unpasteurized milk and juice or home canned meats and fish may not be served or stored in the home.

(5) Adequate supplies of staple foods for a minimum of one week and perishable foods for a minimum of two days must be maintained on the premises.

(6) Food must be stored, prepared, and served in a sanitary manner.

411-325-0140
Physical Environment

(1) All floors, walls, ceilings, windows, furniture, and fixtures must be kept in good repair, clean, and free from odors. Walls, ceilings, and floors must be of such character to permit frequent washing, cleaning, or painting.

(2) The interior and exterior must be well and safely maintained and accessible according to the needs of the individuals.

(3) The water supply and sewage disposal must meet the requirements of the current rules of the Oregon Health Authority governing domestic water supply.

(4) A public water supply must be utilized if available. If a non-municipal water source is used, a sample must be collected yearly by the provider, sanitarian, or a technician from a certified water-testing laboratory. The water sample must be tested for coliform bacteria and action taken to ensure potability. Test records must be retained for three years.

(5) Septic tanks or other non-municipal sewage disposal systems must be in good working order.

(6) Incontinence garments must be disposed of in closed containers.

(7) The temperature within the home must be maintained within a normal comfort range. During times of extreme summer heat, the provider must make reasonable effort to keep individuals comfortable using ventilation, fans, or air conditioning.

(8) Screening for workable fireplaces and open-faced heaters must be provided.

(9) All heating and cooling devices must be installed in accordance with current building codes and maintained in good working order.

(10) Handrails must be provided on all stairways.

(11) Yard and exterior steps must be accessible and appropriate to the needs of the individuals.

(12) Swimming pools, hot tubs, saunas, or spas must be equipped with safety barriers or devices designed to prevent accidental injury and unsupervised access.

(13) Sanitation for household pets and other domestic animals must be adequate to prevent health hazards. Proof of current rabies vaccinations and any other vaccinations that are required for the pet by a licensed veterinarian must be maintained on the premises. Pets not confined in enclosures must be under control and may not present a danger or health risk to individuals or guests.

(14) All measures necessary must be taken to prevent the entry of rodents, flies, mosquitoes, and other insects.

(15) The interior and exterior of the residence must be kept free of litter, garbage, and refuse.

(16) Any work undertaken at a residence, including, but not limited to demolition, construction, remodeling, maintenance, repair, or replacement must comply with all applicable state and local building, electrical, plumbing, and zoning codes appropriate to the individuals served.

(17) Providers must comply with all applicable legal zoning ordinances pertaining to the number of individuals receiving services at the home.

Stat. Auth.: ORS 409.050, 443.450, 443.455
Stats. Implemented: ORS 443.400 - 443.455

411-325-0150
General Safety

(1) All toxic materials, including, but not limited to poisons, chemicals, rodenticides, and insecticides must be:

(a) Properly labeled;

(b) Stored in the original container separate from all foods, food preparation utensils, linens, and medications; and

(c) Stored in a locked area unless the Risk Tracking records for all individuals residing in the home document that there is no risk present.

(2) All flammable and combustible materials must be properly labeled, stored, and locked in accordance with state fire code.

(3) For children, knives and sharp kitchen utensils must be locked unless otherwise determined by a documented ISP team decision.

(4) Window shades, curtains, or other covering devices must be provided for all bedroom and bathroom windows to assure privacy.

(5) Hot water in bathtubs and showers may not exceed 120 degrees Fahrenheit. Other water sources, except the dishwasher, may not exceed 140 degrees Fahrenheit.

(6) Bedrooms.

(a) Bedrooms on ground level must have at least one window that opens from the inside without special tools that provides a clear opening of not less than 821 square inches, with the least dimension not less than 22 inches in height or 20 inches in width. Sill height may not be more than 44 inches from the floor level. Exterior sill heights may not be greater than 72 inches from the ground, platform, deck, or landing. There must be stairs or a ramp to ground level. Those homes previously licensed having a minimum window opening of not less than 720 square inches are acceptable unless through inspection it is deemed that the window opening dimensions present a life safety hazard.

(b) Bedrooms must have 60 square feet per individual with beds located at least three feet apart.

(c) If an individual chooses to share a bedroom with another individual, the individuals must be afforded an opportunity to have a choice of roommates.

(d) Single Action Locks.

(A) A 24-hour residential setting licensed on or after January 1, 2016 must have single action locks on the entrance doors to the bedroom for each individual, lockable by the individual, with only appropriate staff having keys.

(B) A 24-hour residential setting licensed prior to January 1, 2016 must have single action locks on the entrance doors to the bedroom for each individual, lockable by the individual, with only appropriate staff having keys by September 1, 2018.

(C) Limitations may only be used when there is a health or safety risk and when a written informed consent is obtained as described in OAR 411-325-0430 and 411-004-0040.

(7) Operative flashlights, at least one per floor, must be readily available to staff in case of emergency.

(8) First-aid kits and first-aid manuals must be available to staff within each home in a designated location. First aid kits must be locked if, after evaluating any associated risk, items contained in the first aid kit present a hazard to individuals living in the home. First aid kits containing any medication including topical medications must be locked.

411-325-0170
Staffing Requirements

(1) Each residence must provide staff appropriate to the number of individuals served as follows:

(a) Each home serving five or fewer individuals must provide at a minimum one staff on the premises when individuals are present;

(b) Each home serving five or fewer individuals in apartments must provide at a minimum one staff on the premises of the apartment complex when individuals are present;

(c) Each home serving six or more individuals must provide a minimum of one staff on the premises for every 15 individuals during awake hours and one staff on the premises for every 15 individuals during sleeping hours, except residences licensed prior to January 1, 1990; and

(d) Each home serving children, for any number of children, must provide at a minimum one awake night staff on the premises when children are present.

(2) A home is granted an exception to the staffing requirements in sections (1)(a), (1)(b), and (1)(c) for adults to be home alone when the following conditions have been met:

(a) No more than two adults are to be left alone in the home at any time without on-site staff supervision;

(b) The amount of time any adult individual may be left alone may not exceed five hours within a 24-hour period and an adult individual may not be responsible for any other adult individual or child in the home or community;

(c) An adult individual may not be left home alone without staff supervision between the hours of 11:00 P.M. and 6:00 A.M.;

(d) The adult individual has a documented history of being able to do the following safety measures or there is a documented ISP team decision agreeing to an equivalent alternative practice:

(A) Independently call 911 in an emergency and give relevant information after calling 911;

(B) Evacuate the premises during emergencies or fire drills without assistance in three minutes or less;

(C) Knows when, where, and how to contact the provider in an emergency;

(D) Before opening the door, check who is there;

(E) Answer the door appropriately;

(F) Use or understands to not use small appliances, sharp knives, kitchen stove, and microwave safely if not used safely;

(G) Self-administer medications, if applicable;

(H) Safely adjust water temperature at all faucets; and

(I) Safely take a shower or bathe without falling.

(e) There is a documented ISP team decision annually noting team agreement that the adult individual meets the requirements of subsection (d) of this section.

(3) If at any time an adult individual is unable to meet the requirements in section (2)(d)(A)–(I) of this rule, the provider may not leave the adult individual alone without supervision. In addition, the provider must notify services coordinator for the adult individual within one working day and request that the ISP team meet to address the ability of the adult individual to be left alone without supervision.

(4) Each home must meet all requirements for staff ratios as specified by contract requirements.

Individual Furnishings

(1) Bedroom furniture must be provided or arranged for each individual and include:

(a) A bed including a frame unless otherwise documented by an ISP team decision, a clean comfortable mattress, a waterproof mattress cover if the individual is incontinent, and a pillow;

(b) A private dresser or similar storage area for personal belongings that is readily accessible to the individual; and

(c) A closet or similar storage area for clothing that is readily accessible to the individual.

(2) Individuals must have the freedom to decorate and furnish his or her own bedroom as agreed to within the Residency Agreement.

(3) Two sets of linens must be provided or arranged for each individual and include:

(a) Sheets and pillowcases;

(b) Blankets appropriate in number and type for the season and the comfort of the individual; and

(c) Towels and washcloths.

(4) Each individual must be assisted in obtaining personal hygiene items in accordance with individual needs and items must be stored in a sanitary and safe manner.

Fire Safety Requirements for Homes on a Single Property or on Contiguous Property Serving Six or More Individuals

(1) The home must provide safety equipment appropriate to the number and level of individuals served and meet the requirements of the State of Oregon Structural Specialty and Fire Code as adopted by the state:

(a) Each home housing six or more, but fewer than 11 individuals or each home that houses five or fewer individuals, but is licensed as a single facility due to the total number of individuals served per the license or meets the contiguous property provision, must meet the requirements of a SR 3.3 occupancy and must:

(A) Provide and maintain permanent wired smoke alarms from a commercial source with battery back-up in each bedroom and at a point centrally located in the corridor or area giving access to each separate sleeping area and on each floor;

(B) Provide and maintain a 13D residential sprinkler system as defined in the National Fire Protection Association standard; and

(C) Have simple hardware for all exit doors and interior doors that may not be locked against exit that has an obvious method of operation. Hasps, sliding bolts, hooks and eyes, double key deadbolts, and childproof doorknobs are not permitted. Any other deadbolts must be single action release so as to allow the door to open in a single operation.

(b) Each home housing 11 or more, but fewer than 17 individuals must meet the requirements of a SR 3.2 occupancy.

(c) Each home housing 17 or more individuals must meet the requirements of a SR 3.1 occupancy.

(2) The number of individuals receiving services may not exceed the licensed capacity, except that one additional individual at a time may receive community living supports. Community living supports may not violate the safety and health sections of these rules. Relief care may not be provided to any individual for more than 14 consecutive days.

(3) The provider may not admit individuals functioning below the level indicated on the license for the home.

411-325-0280
Fire Safety Requirements for Homes or Duplexes Serving Five or Fewer Individuals

(1) The home or duplex must be made fire safe.

(a) A second means of egress must be provided.

(b) A class 2A10BC fire extinguisher that is easily accessible must be provided on each floor in the home or duplex.

(c) Permanent wired smoke alarms from a commercial source with battery back up in each bedroom and at a point centrally located in the corridor or area giving access to each separate sleeping area and on each floor must be provided and maintained.

(d) A 13D residential sprinkler system in accordance with the National Fire Protection Association Code must be provided and maintained. Homes or duplexes rated as "Prompt" facilities per Chapter 3 of the 2000 edition NFPA 101 Life Safety Code are granted an exception from the residential sprinkler system requirement.

(e) Hardware for all exit doors and interior doors must be simple hardware that may not be locked against exit and must have an obvious method of operation. Hasp, sliding bolts, hooks and eyes, double key deadbolts, and childproof doorknobs are not permitted. Any other deadbolts must be single action release so as to allow the door to open in a single operation.

(2) A home or duplex is granted an exception to the requirements in sections (1)(c) and (d) of this rule under the following circumstances:

(a) All individuals residing in the home or duplex have demonstrated the ability to respond to an emergency alarm with or without physical assistance from staff to the exterior and away from the home or duplex in three minutes or less, as evidenced by three or more consecutive documented fire drills;

(b) Battery operated smoke alarms with a 10 year battery life and hush feature have been installed in accordance with the manufacturer's listing, in each bedroom, adjacent hallways, common living areas, basements, and in two-story homes or duplexes at the top of each stairway. Ceiling placement of smoke alarms is recommended. If wall mounted, smoke alarms must be mounted as per the manufacturer's instructions. Alarms must be equipped with a device that warns of low battery condition when battery operated. All smoke alarms are to be maintained in functional condition; and

(c) A written fire safety evacuation plan is implemented that assures that staff assist all individuals in evacuating the premises safely during an emergency or fire as documented by fire drill records.

(3) The number of individuals receiving services at the home or duplex may not exceed the maximum capacity of five individuals, including an individual receiving community living supports. Relief care may not be provided to any individual for more than 14 consecutive days. Community living supports may not violate the safety and health sections of these rules.

Fire Safety Requirements for Apartments Serving Five or Fewer Individuals

(1) The apartment must be made fire safe by:

(a) Providing and maintaining in each apartment, battery-operated smoke alarms with a 10-year life in each bedroom and in a central location on each floor;

(b) Providing first floor occupancy apartments. Individuals who are able to exit in three minutes or less without assistance may be granted a variance from the first floor occupancy requirement;

(c) Providing a class 2A10BC portable fire extinguisher easily accessible in each apartment;

(d) Providing access to telephone equipment or intercom in each apartment usable by the individual receiving services; and

(e) Providing constantly usable unblocked exits from the apartment and apartment building.

(2) The number of individuals receiving services at the apartment may not exceed the maximum capacity of five individuals, including an individual receiving community living supports. Relief care may not be provided to any individual for more than 14 consecutive days. Community living supports may not violate the safety and health sections of these rules.

411-325-0300
Residency Agreements, Individual Rights, Complaints, Notification of Planned Action, and Hearings

(1) RESIDENCY AGREEMENTS.

(a) The provider must enter into a written Residency Agreement with each individual specifying, at a minimum, the following:

(A) The rights and responsibilities of the individual and the provider; and

(B) The eviction process, notice requirements, and appeal rights available to each individual.

(b) The Residency Agreement may not violate the rights of an individual as stated in OAR 411-318-0010.

(c) The Residency Agreement may not be in conflict with any of these rules, the certification and endorsement rules in OAR chapter 411, division 323, or the home and community-based services and settings rules in OAR chapter 411, division 004.

(d) Prior to implementing changes to the Residency Agreement, the Residency Agreement may be subject to review by the Department or the designee of the Department.

(e) The provider must review and provide a copy of the Residency Agreement to each individual and the legal representative of the individual, as applicable, at the time of entry and annually or as changes occur. The reviews must be documented by having the individual, or the legal representative of the individual, sign and date a copy of the Residency Agreement. A copy of the signed and dated Residency Agreement must be maintained in the record for the individual.

(2) INDIVIDUAL RIGHTS.

(a) A provider must protect the rights of individuals described in OAR 411-318-0010 and encourage and assist individuals to understand and exercise these rights.

(b) Upon entry and request and annually thereafter, the individual rights described in OAR 411-318-0010 must be provided to an individual and the legal or designated representative of the individual.

(c) The individual rights apply to all individuals eligible for or receiving developmental disabilities services. A parent or guardian may place reasonable limitations on the rights of a child.

(3) COMPLAINTS.

(a) Complaints by or on behalf of individuals must be addressed in accordance with OAR 411-318-0015.

(b) Upon entry and request and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

(4) NOTIFICATION OF PLANNED ACTION. In the event that a developmental disability service is denied, reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

(5) HEARINGS.

(a) Hearings must be addressed in accordance with ORS chapter 183 and OAR 411-318-0025.

(b) An individual may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025 for a denial, reduction, suspension, or termination or OAR 411-318-0030 for an involuntary reduction, transfer, or exit.

(c) Upon entry and request and annually thereafter, a notice of hearing rights and the policy and procedures for hearings must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

411-325-0390
Entry, Exit, and Transfer

(1) NON-DISCRIMINATION. An individual considered for Department-funded services may not be discriminated against because of race, color, creed, age, disability, national origin, gender, religion, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) QUALIFICATIONS FOR DEPARTMENT-FUNDED SERVICES. An individual who enters a 24-hour residential setting is subject to eligibility as described in this section.

(a) To be eligible for services in a 24-hour residential setting, an individual must:

(A) Be an Oregon resident;

(B) Be eligible for OCCS Medical;

(C) Be determined eligible for:

(i) Developmental disability services by the CDDP of the county of origin as described in OAR 411-320-0080; or

(ii) Services for Aging and People with Disabilities as described in OAR chapter 411, division 015.

(D) Meet the level of care for an ICF/ID, nursing facility, or hospital; and

(E) Be an individual who is not receiving other Department-funded in-home or community living support.

(b) Individuals receiving Medicaid Title XIX (OHP) under OCCS medical coverage for services in a nonstandard living arrangement as defined in OAR 461-001-0000 are subject to the requirements in the same manner as if they were requesting these services under OSIPM, including the rules regarding:

(A) The transfer of assets as set forth in OAR 461-140-0210 to 461-140-0300; and

(B) The equity value of a home which exceeds the limits as set forth in OAR 461-145-0220.

(3) ENTRY.

(a) ENTRY MEETING. A provider must participate in an entry meeting prior to the onset of services to an individual.

(b) Prior to or upon an entry, a provider must demonstrate efforts to acquire the following individual information from the referring CDDP:

(A) A copy of the eligibility determination document;

(B) A statement indicating the safety skills, including the ability of the individual to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

(C) A brief written history of any behavioral challenges, including supervision and support needs;

(D) A medical history and information on health care supports that includes (when available):

(i) The results of the most recent physical exam;

(ii) The results of any dental evaluation;

(iii) A record of immunizations;

(iv) A record of known communicable diseases and allergies; and

(v) A record of major illnesses and hospitalizations.

(E) A written record of any current or recommended medications, treatments, diets, and aids to physical functioning;

(F) A copy of the most recent needs assessment. If the needs of the individual have changed over time, the previous needs assessments must also be provided;

(G) Copies of protocols, the risk tracking record, and any support documentation (if available);

(H) Copies of documents relating to the guardianship, conservatorship, health care representation, power of attorney, court orders, probation and parole information, or any other legal restrictions on the rights of the individual (if applicable);

(I) Written documentation that the individual is participating in out of residence activities, including public school enrollment for individuals less than 21 years of age;

(J) Written documentation to explain why preferences or choices of the individual may not be honored at that time; and

(K) A copy of the most recent Behavior Support Plan and assessment, ISP or Service Agreement, Nursing Service Plan, and Individualized Education Program (if available).

(c) If an individual is being admitted from the family home of the individual and the information required in subsection (b) of this section is not available, the provider must assess the individual upon entry for issues of immediate health or safety and document a plan to secure the remaining information no later than 30 days after entry. The plan must include a written justification as to why the information is not available.

(4) VOLUNTARY TRANSFERS AND EXITS.

(a) A provider must promptly notify a services coordinator if an individual gives notice of the intent to exit or abruptly exits services.

(b) A provider must notify a services coordinator prior to the voluntary transfer or exit of an individual from services.

(c) Notification and authorization of the voluntary transfer or exit of the individual must be documented in the record for the individual.

(d) A provider is responsible for the provision of services until an individual exits the home.

(5) INVOLUNTARY REDUCTIONS, TRANSFERS, AND EXITS.

(a) A provider must only reduce, transfer, or exit an individual involuntarily for one or more of the following reasons:

(A) The behavior of the individual poses an imminent risk of danger to self or others;

(B) The individual experiences a medical emergency;

(C) The service needs of the individual exceed the ability of the provider;

(D) The individual fails to pay for services; or

(E) The certification or endorsement for the provider described in OAR chapter 411, division 323 is suspended, revoked, not renewed, or voluntarily surrendered or the license for the home is suspended, revoked, not renewed, or voluntarily surrendered.

(b) NOTICE OF INVOLUNTARY REDUCTION, TRANSFER, OR EXIT. A provider must not reduce services, transfer, or exit an individual involuntarily without 30 days advance written notice to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator, except in the case of a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others in the home as described in subsection (c) of this section.

(A) The written notice must be provided on the Notice of Involuntary Reduction, Transfer, or Exit form approved by the Department and include:

(i) The reason for the reduction, transfer, or exit; and

(ii) The right of the individual to a hearing as described in subsection (e) of this section.

(B) A Notice of Involuntary Reduction, Transfer, or Exit is not required when an individual requests the reduction, transfer, or exit.

(c) A provider may give less than 30 days advance written notice only in a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others in the home. The notice must be provided to the individual, the legal or designated representative of the individual (as applicable), and the services coordinator immediately upon determination of the need for a reduction, transfer, or exit.

(d) A provider is responsible for the provision of services until an individual exits the home.

(e) HEARING RIGHTS. An individual must be given the opportunity for a hearing under ORS chapter 183 and OAR 411-318-0030 to dispute an involuntary reduction, transfer, or exit. If an individual requests a hearing, the individual must receive the same services until the hearing is resolved. When an individual has been given less than 30 days advance written notice of a reduction, transfer, or exit as described in subsection (c) of this section and the individual has requested a hearing, the provider must reserve the room of the individual until receipt of the Final Order.

(6) EXIT MEETING. A provider must participate in an exit meeting before any decision to exit an individual is made if required by the case management entity.

(7) TRANSFER MEETING.A provider must participate in a transfer meeting before any decision to transfer an individual is made if required by the case management entity.

411-325-0410
Community Living Supports

(1) All individuals considered for community living supports must:

(a) Be referred by the CDDP, Brokerage, or Department; and

(b) Not be discriminated against because of race, color, creed, age, disability, national origin, gender, religion, duration of Oregon residence, method of payment, or other forms of discrimination under applicable state or federal law.

(2) Relief care services may not be provided for more than 14 consecutive days to a single individual.

(3) Exit meetings are waived for individuals receiving community living supports.

(4) Individuals receiving community living supports do not have appeal rights regarding entry, exit, or transfer.

(5) A provider certified and endorsed under OAR chapter 411, division 323 to operate a 24-hour residential program does not require an endorsement under OAR chapter 411, division 450 to deliver community living supports when the community living supports are in or based out of a 24-hour residential setting licensed under these rules. Unless as part of a recreational outing, a provider endorsed to operate a 24-hour residential program may not deliver community living supports away from the licensed 24-hour residential setting.

411-325-0430
Individual Support Plan

(1) The following information must be collected and summarized by the provider prior to an ISP meeting:

(a) One page profile reflecting, at a minimum, information gathered by the provider at the setting where the individual receives services;

(b) Person-centered Information reflecting, at a minimum, information gathered by the provider at the setting where the individual receives services; and

(c) Information about known, identified serious risks.

(2) The following information must be developed by the provider and shared with the case manager and the individual, or if applicable the legal or designated representative of the individual, as directed by the ISP or Service Agreement.

(a) Implementation strategies, such as action plans, for desired outcomes or goals.

(b) Necessary protocols or plans that address health, behavioral, safety, and financial supports.

(c) A summary of the provider risk management strategies in place, including title of document, date, and where the document is located.

(d) A Nursing Service Plan, if applicable.

(e) Other documents required by the ISP team.

(3) When desired by the individual, the provider must participate in the ISP team meetings.

(4) A provider must agree in writing to implement the portion of the ISP for which the provider is responsible for implementing. Agreement may be recorded by a signature on the ISP or a Service Agreement.

(5) The provider must maintain a copy of the ISP or Service Agreement provided the CDDP.

(6) The provider must maintain documentation of implementation of each support and services specified in sections (2)(a) to (2)(e) of this rule in the ISP for the individual. This documentation must be kept current and be available for review by the individual, the legal representative of the individual, CDDP, and Department representatives.

(7) Individually-Based Limitations.

(a) For an initial or annual ISP authorized to begin on or after March 1, 2017, the provider must identify any individually-based limitations to the following freedoms:

(A) Support and freedom to access the individual's personal food at any time;

(B) Visitors of the individual's choosing at any time;

(C) A lock on the individual's bedroom, lockable by the individual;

(D) Choice of a roommate, if sharing a bedroom;

(E) Freedom to furnish and decorate the individual's bedroom as the individual chooses in accordance with the Residency Agreement; and

(F) Freedom and support to control the individual's schedule and activities.

(b) All individually-based limitations must be included in the ISP no later than February 28, 2018.

(c) An individually-based limitation to any freedom in subsection (a) of this section must be supported by a specific assessed need due to threats to the health and safety of the individual or others. The provider must incorporate and document all applicable elements identified in OAR 411-004-0040, including:

(A) The specific and individualized assessed need justifying the individually-based limitation;

(B) The positive interventions and supports used prior to any individually-based limitation;

(C) Less intrusive methods that have been tried, but did not work;

(D) A clear description of the condition that is directly proportionate to the specific assessed need;

(E) Regular reassessment and review to measure the ongoing effectiveness of the individually-based limitation;

(F) Established time limits for periodic review of the individually-based limitation to determine if the individually-based limitation should be terminated or remains necessary. The individually-based limitation must be reviewed at least annually;

(G) The informed consent of the individual or, as applicable, the legal representative of the individual, including any discrepancy between the wishes of the individual and the consent of the legal representative; and

(H) An assurance that the interventions and support do not cause harm to the individual.

(8) The provider must maintain documentation of implementation of each support and services specified in the ISP or Service Agreement for the individual. This documentation must be kept current and be available for review by the individual, the legal representative of the individual, CDDP, and Department representatives.

411-325-0460
Civil Penalties

(1) For purposes of imposing civil penalties, 24-hour residential settings licensed under ORS 443.400 to 443.455 and 443.991(2) are considered to be long-term care facilities subject to ORS 441.705 to 441.745.

(2) The Department issues the following schedule of penalties applicable to 24-hour residential settings as provided for under ORS 441.705 to 441.745:

(a) Violations of any requirement within any part of the following rules may result in a civil penalty up to $500 per day for each violation not to exceed $6,000 for all violations for any licensed 24-hour residential setting within a 90-day period:

(A) 411-325-0025(3), (4), (5), (6), and (7);

(B) 411-325-0120(2), and (4);

(C) 411-325-0130;

(D) 411-325-0140;

(E) 411-325-0150;

(F) 411-325-0170;

(G) 411-325-0190;

(H) 411-325-0200;

(I) 411-325-0220(1), and (3);

(J) 411-325-0230;

(K) 411-325-0240, 0250, 0260, 0270, 0280, and 0290;

(L) 411-325-0300, 0340, and 0350;

(M) 411-325-0360; and

(N) 411-325-0380.

(b) Civil penalties of up to $300 per day per violation may be imposed for violations of any section of these rules not listed in subsection (a)(A) to (a)(N) of this section if a violation has been cited on two consecutive inspections or surveys of a 24-hour residential setting where such surveys are conducted by an employee of the Department. Penalties assessed under this section of this rule may not exceed $6,000 within a 90-day period.

(3) Monitoring occurs when a 24-hour residential setting is surveyed, inspected, or investigated by an employee or designee of the Department or an employee or designee of the Office of State Fire Marshal.

(4) In imposing a civil penalty pursuant to the schedule published in section (2) of this rule, the Department considers the following factors:

(a) The past history of the provider incurring a penalty in taking all feasible steps or procedures necessary or appropriate to correct any violation;

(b) Any prior violations of statutes or rules pertaining to 24-hour residential settings;

(c) The economic and financial conditions of the provider incurring the penalty; and

(d) The immediacy and extent to which the violation threatens or threatened the health, safety, or well-being of individuals.

(5) Any civil penalty imposed under ORS 443.455 and 441.710 becomes due and payable when the provider incurring the penalty receives a notice in writing from the Director of the Department. The notice referred to in this section of this rule is sent by registered or certified mail and includes:

(a) A reference to the particular sections of the statute, rule, standard, or order involved;

(b) A short and plain statement of the matters asserted or charged;

(c) A statement of the amount of the penalty or penalties imposed; and

(d) A statement of the right of the services provider to request a hearing.

(6) The person representing the provider to whom the notice is addressed has 20 days from the date of mailing of the notice in which to make a written application for a hearing before the Department.

(7) All hearings are conducted pursuant to the applicable provisions of ORS chapter 183.

(8) If the provider notified fails to request a hearing within 20 days, an order may be entered by the Department assessing a civil penalty.

(9) If, after a hearing, the provider is found to be in violation of a license, rule, or order listed in ORS 441.710(1), an order may be entered by the Department assessing a civil penalty.

(10) A civil penalty imposed under ORS 443.455 or 441.710 may be remitted or reduced upon such terms and conditions as the Director of the Department considers proper and consistent with individual health and safety.

(11) If the order is not appealed, the amount of the penalty is payable within 10 days after the order is entered. If the order is appealed and is sustained, the amount of the penalty is payable within 10 days after the court decision. The order, if not appealed or sustained on appeal, constitutes a judgment and may be filed in accordance with the provisions of ORS 183.745. Execution may be issued upon the order in the same manner as execution upon a judgment of a court of record.

(12) A violation of any general order or Final Order pertaining to a 24-hour residential setting issued by the Department is subject to a civil penalty in the amount of not less than $5 and not more than $500 for each and every violation.

(13) Judicial review of civil penalties imposed under ORS 441.710 are provided under ORS 183.480, except that the court may, in its discretion, reduce the amount of the penalty.

(14) All penalties recovered under ORS 443.455 and 441.710 to 441.740 are paid into the State Treasury and credited to the General Fund.

Rule Caption: ODDS: Agency Certification and Endorsement - Medicaid Provider Enrollment Requirements
Adm. Order No.: APD 25-2016
Filed with Sec. of State: 6-29-2016
Certified to be Effective: 6-29-16
Notice Publication Date: 5-1-2016
Rules Adopted: 411-323-0065
Rules Amended: 411-323-0010, 411-323-0020, 411-323-0030, 411-323-0035, 411-323-0050, 411-323-0060, 411-323-0070, 411-370-0010, 411-370-0020, 411-370-0030, 411-370-0040
Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently to updating the rules in:

- OAR chapter 411, division 323 for agency certification and endorsement to provide developmental disabilities services in community-based settings; and

- OAR chapter 411, division 370 for Medicaid provider enrollment requirements.

The rules in OAR chapter 411, division 323 are being amended to:

- Make permanent temporary changes that became effective on January 1, 2016;

- Remove general definitions included in OAR 411-317-0000;

- Demonstrate the Department's commitment to the Employment First Policy by assuring that only agencies that have a current endorsement are able to deliver employment services under OAR chapter 411, division 345;

- Provide for a two year phase-in period for certification of agencies previously certified under OAR chapter 411, division 340;

- Require endorsement to the rules in OAR chapter 411, division 323 and corresponding program rules when an agency was previously able to deliver attendant care or employment services under a different endorsement or was certified under OAR chapter 411, division 340. This requirement will be phased in over a two year period;

- Change the certification and endorsement periods from five to two years;

- Adopt the standards for home and community-based (HCB) services and settings and person-centered service planning adopted by the Department in OAR chapter 411, division 004 on January 1, 2016;

- Incorporate a new requirement that agency certification and endorsement is contingent upon meeting the standards for HCB services and settings and person-centered service planning in OAR chapter 411, division 004;

- Include correct references to OAR chapter 411, division 318 for individual rights to ensure uniform standards related to individual rights across all types of entities involved in the delivery of developmental disabilities services;

- Establish an alternate fiscal auditing standard for agencies with less than $1,000,000 revenue per fiscal year;

- Include current Medicaid and Department standards for reimbursement for the delivery of developmental disabilities services; and

- Reflect current Department terminology, and perform minor grammar, punctuation, formatting, and housekeeping changes.

The rules in OAR chapter 411, division 370 are being amended to:

- Require agencies endorsed to operate a Community Living Support Program under OAR chapter 411, division 450 to acquire a Medicaid provider number and meet the associated provider enrollment requirements; and

- Reflect current Department terminology, identify that Support Services Brokerages authorize developmental disabilities services, and perform minor grammar, punctuation, formatting, and housekeeping changes.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-323-0010
Statement of Purpose

(1) The rules in OAR chapter 411, division 323 prescribe standards, responsibilities, and procedures for agencies to obtain a certificate and endorsement in order to operate a program that delivers person-centered services to individuals with intellectual or developmental disabilities in a community-based setting as described in:

(a) OAR chapter 411, division 325 for 24-hour residential programs;

(b) OAR chapter 411, division 328 for supported living programs;

(c) OAR chapter 411, division 345 for employment supports; and

(d) OAR chapter 411, division 450 for community living supports.

(2) To operate a program described in section (1) of this rule that delivers person-centered services to individuals with intellectual or developmental disabilities, agencies must have:

(a) A certificate to provide Medicaid services in the state of Oregon as described in OAR 411-323-0030;

(b) Endorsement for each developmental disabilities program type as described in OAR 411-323-0035;

(c) A Medicaid Agency Identification Number assigned by the Department as described in OAR chapter 411, division 370; and

(d) For each licensed site or geographic location where direct services are to be delivered, a Medicaid Performing Provider Number assigned by the Department as described in OAR chapter 411, division 370.

(e) Section (2) of this rule does not apply to an agency delivering community living supports that was certified, or that has applied for certification, according to OAR 411-340-0170 prior to January 1, 2016, until that organization requires renewal of its certification according to OAR 411-340-0030.

411-323-0020
Definitions

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 323:

(1) "Applicant" means a person, agency, corporation, or governmental unit who applies for certification and endorsement to operate an agency delivering services to individuals with intellectual or developmental disabilities.

(2) "Audit" means an inspection completed by a Certified Public Accountant using standards and accepted practices of accounting activities to ensure all state and federal funds are expended for the purpose the funds were contracted and intended for without fraudulent activity.

(3) "Audit Review" means a Certified Public Accountant, without applying comprehensive audit procedures, assesses the standards and accepted practices of accounting activities and ensures the accounting activities are in conformity with generally accepted accounting principles.

(4) "Board of Directors" means the group of people formed to set policy and give directions to an agency designed to provide services to individuals with intellectual or developmental disabilities. A board of directors may include local advisory boards used by multi-state organizations.

(5) "Certificate" means the document issued by the Department to an agency that certifies the agency is eligible to receive state funds for the delivery of services in an endorsed program.

(6) "Denial" means the refusal of the Department to issue:

(a) A certificate to operate an agency because the Department has determined the agency is not in compliance with these rules or the corresponding program rules; or

(b) An endorsement for an agency to operate a program because the Department has determined the agency is not in compliance with these rules or the corresponding program rules.

(7) "Endorsement" means the authorization to operate a program that delivers services. An endorsement is issued by the Department to a certified agency that has met the qualification criteria outlined in these rules and the corresponding program rules.

(8) "Executive Director" means the person designated by a board of directors or corporate owner of an agency that is responsible for the administration of the services delivered by the agency.

(9) "Informal Conference" means the discussion between the Department and an applicant or an agency that is held prior to a hearing to address any matters pertaining to the hearing. An administrative law judge does not participate in an informal conference. The informal conference may result in resolution of the issue.

(10) "ISP" means "Individual Support Plan".

(11) "Ownership Interest" means, as defined in 42 CFR 455.101, the possession of equity in the capital, the stock, or the profits of the disclosing entity as determined by 42 CFR 455.102. A person with an ownership or control interest means a person or corporation that:

(a) Has an ownership interest totaling 5 percent or more in a disclosing entity;

(b) Has an indirect ownership interest equal to 5 percent or more in a disclosing entity;

(c) Has a combination of direct and indirect ownership interests equal to 5 percent or more in a disclosing entity;

(d) Owns an interest of 5 percent or more in any mortgage, deed of trust, note, or other obligation secured by the disclosing entity if that interest equals at least 5 percent of the value of the property or assets of the disclosing entity;

(e) Is an officer or director of a disclosing entity that is organized as a corporation; or

(f) Is a partner in a disclosing entity that is organized as a partnership.

(12) "Program Rules" mean the rules in:

(a) OAR chapter 411, division 325 for 24-hour residential programs;

(b) OAR chapter 411, division 328 for supported living programs;

(c) OAR chapter 411, division 345 for employment supports; and

(d) OAR chapter 411, division 450 for community living supports.

(13) "Program" means the services delivered by a provider agency as described in:

(a) OAR chapter 411, division 325 for 24-hour residential programs;

(b) OAR chapter 411, division 328 for supported living programs;

(c) OAR chapter 411, division 345 for employment programs; and

(d) OAR chapter 411, division 450 for community living programs.

(14) "Revocation" means the action taken by the Department to rescind:

(a) A certificate to operate an agency after the Department has determined that the agency is not in compliance with these rules or the corresponding program rules; or

(b) An endorsement for an agency to operate a program after the Department has determined that the agency is not in compliance with these rules or the corresponding program rules.

(15) "Suspension" means an immediate temporary withdrawal of the:

(a) Certificate to operate an agency after the Department determines that the agency is not in compliance with these rules or the corresponding program rules; or

(b) Endorsement for an agency to operate a program after the Department determines that the agency is not in compliance with these rules or the corresponding program rules.

(16) "These Rules" mean the rules in OAR chapter 411, division 323.

(17) "Variance" means a temporary exception from a regulation or provision of these rules that may be granted by the Department upon written application by the agency.

411-323-0030
Certification

(1) CERTIFICATION. Except for an agency with a current certification, or that has applied for certification, according to OAR 411- 340-0140 prior to January 1, 2016, a person, agency, or governmental unit acting individually or jointly with any other person, agency, or governmental unit intending to operate a program as defined in OAR 411-323-0020 must be certified by the Department under these rules before establishing, conducting, maintaining, managing, or operating an agency.

(a) Certificates are not transferable.

(b) The Department issues or renews a certificate to an agency found to be in compliance with these rules, the rules in OAR chapter 411, division 004, and the corresponding program rules. The certificate is effective for two years from the date issued unless sooner revoked or suspended.

(c) If an agency fails to provide complete, accurate, and truthful information during the application or renewal process, the Department may delay initial certification, deny the application, or revoke or refuse to renew the application for certification.

(d) For the purpose of certification, any applicant or person with an ownership interest in an agency is considered responsible for acts occurring during, and relating to, the operation of the agency.

(e) The Department may consider the background and operating history of the applicant and each person with an ownership interest when determining whether to issue or renew a certificate.

(f) A review of the agency is conducted by the Department prior to the issuance or renewal of a certificate.

(2) CURRENT AGENCY CERTIFICATION.

(a) Within two years of January 1, 2016, all agency certification must be renewed as described in section (4) of this rule.

(b) All agencies, as of July 1, 2016, are certified for two years unless the certificate is sooner revoked or suspended.

(c) Agencies licensed or certified under OAR chapter 411, division 054 for residential care and assisted living facilities, OAR chapter 309, division 035 for residential treatment facilities for people who are mentally or emotionally disturbed, OAR chapter 413, division 215 for child welfare private child caring agencies, or OAR chapter 416, division 550 for youth offender treatment foster care, and as may be described in corresponding program rules, do not require additional certification as an agency under these rules to deliver services. Current license or certification is considered sufficient demonstration of ability to:

(A) Recruit, hire, supervise, and train qualified staff;

(B) Deliver services according to an ISP or Service Agreement; and

(C) Develop and implement operating policies and procedures required for managing an agency and delivering services, including provisions for safeguarding individuals receiving services.

(3) INITIAL CERTIFICATION. Notwithstanding section (2) of this rule, an applicant intending to provide program services as defined in OAR 411-323-0020 must apply for an initial certificate and demonstrate to the satisfaction of the Department that the applicant is in compliance with these rules, the rules in OAR chapter 411, division 004, and the corresponding program rules.

(a) The applicant must submit an application to the Department at least 90 days prior to the proposed date of delivery of services to individuals. The completed application must be on a form provided by the Department and must include all information requested by the Department.

(b) At a minimum, the applicant must provide:

(A) A copy of any management agreements or contracts relative to the operation and ownership of the agency;

(B) A financial plan that includes financial statements indicating capital and the financial plan developed to assure sustainability, partnerships, loans, and any other financial assistance; and

(C) As required by 42 CFR 455.104, the name, date of birth, and social security number for each person currently serving as the Board of Directors for the agency, and as changes are made.

(c) The applicant must develop a plan identifying the scope of services the applicant intends to provide and request endorsement for each program type as described in OAR 411-323-0035.

(d) The applicant must demonstrate proof of liability and operational insurance coverage.

(A) The agency must, at the expense of the agency, maintain in effect with respect to all occurrences taking place during the certification period, liability and operational insurance as described in the contract the agency has with the Department including, but not limited to, automobile liability insurance, comprehensive or commercial general liability insurance, and workers' compensation coverage if required.

(B) The agency must name the State of Oregon, Department of Human Services and the divisions, officers, and employees of the Department as additionally insured on any insurance policies required by their contract with respect to agency activities being performed under the certification of the agency. Such insurance must be issued by an insurance company licensed to do business in the state of Oregon and must contain a 30 day notice of cancellation endorsement.

(C) The agency must forward certificates of insurance indicating coverage to the Department as required by this rule.

(D) In the event of unilateral cancellation or restriction by the insurance company of any insurance coverage required by their contract, the agency must immediately notify the Department orally of the cancellation or restriction and must confirm the cancellation or restriction in writing within three days of receiving notification from the insurance company.

(4) CERTIFICATE RENEWAL.

(a) To renew a certificate, the agency must:

(A) Submit an application to the Department at least 90 days prior to the expiration date of the existing certificate for the agency. The completed application must be on a form provided by the Department and must include all information requested by the Department. At a minimum, the agency must provide:

(i) A copy of any management agreements or contracts relative to the operation and ownership of the agency;

(ii) A financial plan that includes audits for the last two years as described in section (5) of this rule; and

(iii) As required by 42 CFR 455.104, the name, date of birth, and social security number for each person currently serving as the Board of Directors for the agency, and as changes are made.

(B) Identify the scope of services the agency provides and provide proof of endorsement for each program service as described in OAR 411-323-0035;

(C) Demonstrate to the satisfaction of the Department that the agency is in compliance with these rules, the rules in OAR chapter 411, division 004, and the corresponding program rules; and

(D) Demonstrate proof of continued liability and operational insurance coverage as described in section (3)(d) of this rule.

(b) An application for renewal filed with the Department before the date of expiration extends the effective date of the existing certificate until the Department takes action upon the application for renewal.

(c) If the renewal application is not submitted to the Department prior to the date the certificate expires, the agency is considered a non-certified Medicaid agency and is subject to termination of their Medicaid Agency Identification Number.

(5) FINANCIAL AUDITS. Agencies certified and endorsed to provide program services, receiving revenue of $1,000,000 or more per fiscal year, must obtain an audit at least once during the biennium. Agencies certified and endorsed receiving less than $1,000,000 in revenue per fiscal year must submit an audit review as defined in OAR 411-323-0020 or another financial audit. The audit or the audit review must be submitted to the Department within 90 days of the end of the fiscal year.

(6) CERTIFICATE EXPIRATION. Unless revoked, suspended, or terminated earlier, each certificate to operate as a Medicaid provider agency expires two years following the date of issuance or December 31, 2017 if issued prior to January 1, 2016.

(7) CERTIFICATE TERMINATION. The certificate automatically terminates on the date agency operation is discontinued or if there is a change in ownership.

(8) RETURN OF CERTIFICATE. The certificate must be returned to the Department immediately upon suspension or revocation of the certificate or when agency operation is discontinued.

(9) CHANGE OF OWNERSHIP, LEGAL ENTITY, LEGAL STATUS, OR MANAGEMENT CORPORATION.

(a) The agency must notify the Department in writing of any pending change in the ownership, legal entity, legal status, or management corporation of the agency.

(b) A new certificate is required upon a change in the ownership, legal entity, legal status, or management corporation of the agency. The agency must submit an application as described in section (3) of this rule to the Department at least 30 days prior to a change in ownership, legal entity, legal status, or management corporation.

(10) CERTIFICATE ADMINISTRATIVE SANCTION. An administrative sanction may be imposed for non-compliance with these rules, the rules in OAR chapter 411 division 004, or the corresponding program rules. An administrative sanction on a certificate includes one or more of the following actions:

(a) A condition as described in section (11) of this rule;

(b) Denial, revocation, or refusal to renew a certificate as described in section (12) of this rule; or

(c) Immediate suspension of a certificate as described in section (13) of this rule.

(11) CERTIFICATE CONDITIONS.

(a) The Department may attach conditions to a certificate that limit, restrict, or specify other criteria for operation of the agency. The type of condition attached to a certificate must directly relate to the risk of harm or potential risk of harm to individuals.

(b) The Department may attach a condition to a certificate upon a finding that:

(A) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of individuals;

(B) A threat to the health, safety, or welfare of an individual exists;

(C) There is reliable evidence of abuse, neglect, or exploitation; or

(D) The agency is not being operated in compliance with these rules, the rules in OAR chapter 411, division 004, or the corresponding program rules.

(c) Conditions that the Department may impose on a certificate include, but are not limited to:

(A) Restricting the total number of individuals to whom an agency may provide services;

(B) Restricting the total number of individuals to whom an agency may provide services based upon the capability and capacity of the agency and staff to meet the health and safety needs of all individuals;

(C) Restricting the type of support and services the agency may provide to individuals based upon the capability and capacity of the agency and staff to meet the health and safety needs of all individuals;

(D) Requiring additional staff or staff qualifications;

(E) Requiring additional training;

(F) Restricting the agency from allowing a person on the premises who may be a threat to the health, safety, or welfare of an individual;

(G) Requiring additional documentation; or

(H) Restricting admissions.

(d) NOTICE OF CERTIFICATE CONDITIONS. The Department issues a written notice to the agency when the Department imposes conditions on the certificate of the agency. The written notice of certificate conditions includes the conditions imposed by the Department, the reason for the conditions, and the opportunity to request a hearing under ORS chapter 183. Conditions take effect immediately upon issuance of the written notice of certificate conditions or at a later date as indicated on the notice and are a Final Order of the Department unless later rescinded through the hearing process. The conditions imposed remain in effect until the Department has sufficient cause to believe the situation that warranted the condition has been remedied.

(e) HEARING. The agency may request a hearing in accordance with ORS chapter 183 and this rule upon receipt of written notice of certificate conditions. The request for a hearing must be in writing.

(A) The agency must request a hearing within 21 days from the receipt of the written notice of certificate conditions.

(B) In addition to, or in-lieu of a hearing, an agency may request an administrative review as described in section (14) of this rule. The request for an administrative review must be in writing. The administrative review does not diminish the right of the agency to a hearing.

(f) The agency may send a written request to the Department to remove a condition if the agency believes the situation that warranted the condition has been remedied.

(g) Conditions must be posted with the certificate in a prominent location and be available for inspection at all times.

(12) CERTIFICATE DENIAL, REFUSAL TO RENEW, OR REVOCATION.

(a) The Department may deny, refuse to renew, or revoke a certificate when the Department finds the agency or any person holding 5 percent or greater ownership interest in the agency:

(A) Demonstrates substantial failure to comply with these rules, the rules in OAR chapter 411, division 004, or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized and the agency fails to correct the non-compliance within 30 days from the receipt of written notice of non-compliance;

(B) Has demonstrated a substantial failure to comply with these rules, the rules in OAR chapter 411, division 004, or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized;

(C) Has been convicted of any crime that would have resulted in an unacceptable background check upon hiring or authorization of program services;

(D) Has been convicted of a misdemeanor associated with the operation of an agency or program services;

(E) Falsifies information required by the Department to be maintained or submitted regarding program services, agency finances, or funds belonging to the individuals;

(F) Has been found to have permitted, aided, or abetted any illegal act that has had significant adverse impact on individual health, safety, or welfare; or

(G) Has been placed on the current Centers for Medicare and Medicaid Services list of excluded or debarred providers maintained by the Office of the Inspector General.

(b) NOTICE OF CERTIFICATE DENIAL, REVOCATION, OR REFUSAL TO RENEW. The Department may issue a notice of denial, refusal to renew, or revocation of a certificate following a Department finding that there is a substantial failure to comply with these rules, the rules in

OAR chapter 411, division 004, or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized, or that one or more of the events listed in subsection (a) of this section has occurred.

(c) HEARING. An applicant for a certificate or a certified agency, as applicable, may request a hearing in accordance with ORS chapter 183, this rule, and ORS 443.440 for a 24-hour residential setting, upon written notice from the Department of denial, refusal to renew, or revocation of a certificate. The request for a hearing must be in writing.

(A) DENIAL. The applicant must request a hearing within 60 days from the receipt of the written notice of denial.

(B) REFUSAL TO RENEW. The agency must request a hearing within 60 days from the receipt of the written notice of refusal to renew.

(C) REVOCATION.

(i) Notwithstanding subsection (ii) of this section, the agency must request a hearing within 21 days from the receipt of the written notice of revocation.

(I) In addition to, or in-lieu of a hearing, the agency may request an administrative review as described in section (14) of this rule. The request for an administrative review must be in writing.

(II) The administrative review does not diminish the right of the agency to a hearing.

(ii) An agency endorsed to operate a 24-hour residential program as described in OAR chapter 411, division 325 must request a hearing within 10 days from the receipt of the written notice of revocation.

(13) IMMEDIATE SUSPENSION OF CERTIFICATE.

(a) When the Department finds a serious and immediate threat to individual health and safety and sets forth the specific reasons for such findings, the Department may, by written notice to the agency, immediately suspend a certificate without a pre-suspension hearing and the agency may not continue operating.

(b) HEARING. The agency may request a hearing in accordance with ORS chapter 183, this rule, and ORS 443.440 for a 24-hour residential setting, upon written notice from the Department of the immediate suspension of the certificate. The request for a hearing must be in writing.

(A) Notwithstanding subsection (B) of this section, the agency must request a hearing within 21 days from the receipt of the written notice of suspension.

(i) In addition to, or in-lieu of a hearing, the agency may request an administrative review as described in section (14) of this rule. The request for an administrative review must be in writing.

(ii) The administrative review does not diminish the right of the agency to a hearing.

(B) An agency endorsed to operate a 24-hour residential program as described in OAR chapter 411, division 325 must request a hearing within 10 days from the receipt of the written notice of suspension.

(14) ADMINISTRATIVE REVIEW.

(a) Notwithstanding subsection (b) of this section, the agency, in addition to the right to a hearing, may request an administrative review. The request for an administrative review must be in writing.

(b) An agency endorsed to operate a 24-hour residential program as described in OAR chapter 411, division 325 may not request an administrative review for revocation or suspension. An agency endorsed to operate a 24-hour residential program as described in OAR chapter 411, division 325 may request an administrative review for imposition of conditions.

(c) The Department must receive a written request for an administrative review within 10 business days from the receipt of the notice of suspension, revocation, or imposition of conditions. The agency may submit, along with the written request for an administrative review, any additional written materials the agency wishes to have considered during the administrative review.

(d) The determination of the administrative review is issued in writing within 10 business days from the receipt of the written request for an administrative review, or by a later date as agreed to by the agency.

(e) The agency, notwithstanding subsection (b) of this section, may request a hearing if the decision of the Department is to affirm the suspension, revocation, or condition. The request for a hearing must be in writing. The Department must receive the written request for a hearing within 21 days from the receipt of the original written notice of suspension, revocation, or imposition of conditions.

(15) INFORMAL CONFERENCE. Unless an administrative review has been completed as described in section (14) of this rule, an applicant or agency requesting a hearing may have an informal conference with the Department.

411-323-0035
Endorsement

(1) ENDORSEMENT REQUIRED. Except for an agency with a current certification, or that has applied for certification, according to OAR 411-340-0140 prior to January 1, 2016, a person, agency, or governmental unit acting individually or jointly with any other person, agency, or governmental unit intending to operate a program type as defined in OAR 411-323-0020 must be endorsed by the Department under these rules before establishing, conducting, maintaining, managing, or operating a program.

(a) Except as described in OAR 411-450-0070, endorsements are not transferable or applicable to any other program type. Separate endorsements are required for each program type operated by a certified agency. A certified agency intending to operate additional program types once initial endorsement has been issued must apply for an additional endorsement as described in section (3) of this rule.

(b) If required by the program rules, each geographic location where a program operates must be reported by the agency to the Department and to the corresponding CDDP of the geographic location as described in this rule.

(c) The Department issues or renews an endorsement to a certified agency found to be in compliance with these rules, the rules in OAR chapter 411 division 004, and the corresponding program rules. The effective date for each endorsement corresponds with the effective date for the certification of the agency unless sooner revoked or suspended.

(d) If a certified agency fails to provide complete, accurate, and truthful information during the application or renewal process, the Department may delay initial endorsement, deny the application, or revoke or refuse to renew the endorsement of the program.

(e) For the purpose of endorsement, any applicant or person with an ownership interest in a certified agency is considered responsible for acts occurring during, and relating to, the operation of the agency.

(f) The Department may consider the background and operating history of the applicant and each person with an ownership interest when determining whether to issue or renew an endorsement.

(g) A review of the certified agency is conducted by the Department prior to the issuance or renewal of an endorsement.

(2) CURRENT AGENCY ENDORSEMENT.

(a) All certified agencies endorsed to operate a program as of January 1, 2016 are endorsed for not more than two years.

(b) A certified agency intending to operate additional program types must apply for endorsement as described in section (3) of this rule.

(c) Agencies licensed or certified under OAR chapter 411, division 054 for residential care and assisted living facilities, OAR chapter 309, division 035 for residential care treatment facilities for individuals who are mentally or emotionally disturbed, OAR chapter 413, division 215 for child welfare private child caring agencies, or OAR chapter 416, division 550 for youth offender treatment foster care, and as may be described in corresponding program rules, do not require additional endorsement as an agency under these rules to deliver services described in the program rules.

(3) INITIAL ENDORSEMENT.

(a) Notwithstanding section (2) of this rule, a certified agency intending to operate a program as defined in OAR 411-323-0020 must apply for initial endorsement and demonstrate to the satisfaction of the Department that the agency is in compliance with these rules, the rules in OAR chapter 411 division 004, and the corresponding program rules.

(b) The certified agency must submit an application to the Department at least 90 days prior to delivering services that identifies the program type that the certified agency intends to operate.

(A) All geographic locations where programs are to be operated must be identified on the application, if required by the program rules.

(B) The completed application must be on a form provided by the Department and must include all information requested by the Department.

(C) Each licensed site or geographic location where direct services are to be delivered must be assigned a Medicaid Performing Provider Number by the Department as described in OAR chapter 411, division 370.

(4) ENDORSEMENT RENEWAL.

(a) To renew endorsement, the certified agency must:

(A) Submit an application to the Department at least 90 days prior to the expiration date of the existing endorsement for the certified agency. The completed application must identify the program type that the certified agency provides and all geographic locations where program services are

provided, when required by the program rules. The completed application must be on a form provided by the Department and must include all information requested by the Department.

(B) Demonstrate to the satisfaction of the Department that the certified agency is in compliance with these rules, the rules in OAR chapter 411 division 004, and the corresponding program rules.

(b) Only existing program types are endorsed on renewal. A certified agency requesting to operate additional program types must apply for initial endorsement as described in section (3) of this rule.

(c) An application for renewal filed with the Department before the date of expiration extends the effective date of the existing endorsement until the Department takes action upon the application for renewal.

(d) A certified agency may not operate a program if a renewal application is not submitted to the Department prior to the date the endorsement expires.

(e) Renewal of endorsements for a program is contingent upon the successful renewal of the certificate of the agency.

(5) EXISTING ENDORSEMENT — ADDING A GEOGRAPHIC LOCATION. Adding a geographic location to an existing endorsement must be reported by the agency to the Department and to the corresponding CDDP of the geographic location. The agency must report the additional geographical location on a form provided by the Department at least 30 days prior to delivering services at the additional geographic location.

(6) ENDORSEMENT EXPIRATION. Unless revoked, suspended, or terminated earlier, the effective date of each endorsement corresponds with the effective date of the certification of the agency.

(7) ENDORSEMENT TERMINATION. Endorsement automatically terminates on the date programs are discontinued or agency certification is terminated.

(8) CHANGE OF CERTIFICATION. New endorsement is required upon a change of the certification of an agency. The recertified agency must submit an application for endorsement as described in section (3) of this rule to the Department at least 30 days prior to a change of the certification of the agency including, but not limited to, a change in ownership, legal entity, legal status, or management corporation.

(9) ENDORSEMENT ADMINISTRATIVE SANCTION. An administrative sanction may be imposed for non-compliance with these rules, the corresponding program rules, or the rules in OAR chapter 411 division 004. An administrative sanction on an endorsement includes one or more of the following actions:

(a) A condition as described in section (10) of this rule:

(b) Denial, revocation, or refusal to renew an endorsement as described in section (11) of this rule; or

(c) Immediate suspension of an endorsement as described in section (12) of this rule.

(10) ENDORSEMENT CONDITIONS.

(a) The Department may attach conditions to an endorsement that limit, restrict, or specify other criteria for a program. The type of condition attached to an endorsement must directly relate to a risk of harm or potential risk of harm to individuals.

(b) The Department may attach a condition to an endorsement upon a finding that:

(A) Information on the application or initial inspection requires a condition to protect the health, safety, or welfare of individuals;

(B) A threat to the health, safety, or welfare of an individual exists;

(C) There is reliable evidence of abuse, neglect, or exploitation; or

(D) The agency is not being operated in compliance with these rules, the rules in OAR chapter 411 division 004, or the corresponding program rules.

(c) Conditions that the Department may impose on an endorsement include, but are not limited to:

(A) Restricting the total number of individuals to whom an agency may deliver services;

(B) Restricting the total number of individuals to whom an agency may deliver services based upon the capability and capacity of the agency and staff to meet the health and safety needs of all individuals;

(C) Restricting the type of support and services the agency may deliver to individuals based upon the capability and capacity of the agency and staff to meet the health and safety needs of all individuals;

(D) Requiring additional staff or staff qualifications;

(E) Requiring additional training;

(F) Restricting the agency from allowing a person on the premises who may be a threat to the health, safety, or welfare of an individual;

(G) Requiring additional documentation; or

(H) Restricting admissions.

(d) NOTICE OF ENDORSEMENT CONDITIONS. The Department issues a written notice to the agency when the Department imposes conditions on the endorsement of a program The written notice of endorsement conditions includes the conditions imposed by the Department, the reason for the conditions, and the opportunity to request a hearing under ORS chapter 183. Conditions take effect immediately upon issuance of the written notice of conditions or at a later date as indicated on the notice and are a Final Order of the Department unless later rescinded through the hearing process. The conditions imposed remain in effect until the Department has sufficient cause to believe the situation that warranted the condition has been remedied.

(e) HEARING. The agency may request a hearing in accordance with ORS chapter 183 and this rule upon written notice of endorsement conditions. The request for a hearing must be in writing.

(A) The agency must request a hearing within 21 days from the receipt of the written notice of conditions.

(B) In addition to, or in lieu of a hearing, the agency may request an administrative review as described in section (13) of this rule. The request for an administrative review must be in writing. The administrative review does not diminish the right of the agency to a hearing.

(f) The agency may send a written request to the Department to remove a condition if the agency believes the situation that warranted the condition has been remedied.

(g) Conditions must be posted with the endorsement in a prominent location and be available for inspection at all times.

(11) ENDORSEMENT DENIAL, REFUSAL TO RENEW, OR REVOCATION.

(a) The Department may deny, refuse to renew, or revoke an endorsement when the Department finds the agency or any person holding 5 percent or greater ownership interest in the agency:

(A) Fails to maintain agency certification as described in OAR 411-323-0030;

(B) Demonstrates substantial failure to comply with these rules, the rules in OAR chapter 411, division 004, or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized and the agency fails to correct the non-compliance within 30 days from the receipt of the written notice of non-compliance;

(C) Has demonstrated a substantial failure to comply with these rules, the rules in OAR chapter 411, division 004, or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized;

(D) Has been convicted of any crime that would have resulted in an unacceptable background check upon hiring or authorization of services;

(E) Has been convicted of a misdemeanor associated with the operation of an agency or program services;

(F) Falsifies information required by the Department to be maintained or submitted regarding program services, agency finances, or funds belonging to the individuals;

(G) Has been found to have permitted, aided, or abetted any illegal act that has had significant adverse impact on individual health, safety, or welfare; or

(H) Has been placed on the list of excluded or debarred providers maintained by the Office of the Inspector General.

(b) NOTICE OF ENDORSEMENT DENIAL, REFUSAL TO RENEW, OR REVOCATION. The Department may issue a notice of denial, refusal to renew, or revocation of an endorsement following a Department finding that there is a substantial failure to comply with these rules, the rules in OAR chapter 411, division 004, or the corresponding program rules such that the health, safety, or welfare of individuals is jeopardized, or that one or more of the events listed in subsection (a) of this section has occurred.

(c) HEARING. An applicant for an endorsement or an endorsed agency, as applicable, may request a hearing in accordance with ORS chapter 183, this rule, and ORS 443.440 for a 24-hour residential setting, upon written notice from the Department of denial, refusal to renew, or revocation of an endorsement. The request for a hearing must be in writing.

(A) DENIAL. The applicant must request a hearing within 60 days from the receipt of the written notice of denial.

(B) REFUSAL TO RENEW. The agency must request a hearing within 60 days from the receipt of the written notice of refusal to renew.

(C) REVOCATION.

(i) Notwithstanding subsection (ii) of this section, the agency must request a hearing within 21 days from the receipt of the written notice of revocation.

(I) In addition to, or in lieu of a hearing, an agency may request an administrative review as described in section (13) of this rule. The request for an administrative review must be in writing.

(II) The administrative review does not diminish the right of the agency to a hearing.

(ii) An agency endorsed to operate a 24-hour residential program as described in OAR chapter 411, division 325 must request a hearing within 10 days from the receipt of the written notice of revocation.

(12) IMMEDIATE SUSPENSION OF ENDORSEMENT.

(a) When the Department finds a serious and immediate threat to individual health and safety and sets forth the specific reasons for such findings, the Department may, by written notice to the agency, immediately suspend an endorsement without a pre-suspension hearing and the program may not continue operating.

(b) HEARING. The agency may request a hearing in accordance with ORS chapter 183, this rule, and ORS 443.440 for a 24-hour residential program, upon written notice from the Department of the immediate suspension of the endorsement. The request for a hearing must be in writing.

(A) Notwithstanding subsection (B) of this section, the endorsed agency must request a hearing within 21 days from the receipt of the written notice of suspension.

(i) In addition to, or in-lieu of a hearing, the agency may request an administrative review as described in section (13) of this rule. The request for an administrative review must be in writing.

(ii) The administrative review does not diminish the right of the agency to a hearing.

(B) An agency endorsed to operate a 24-hour residential program as described in OAR chapter 411, division 325 must request a hearing within 10 days from the receipt of the written notice of suspension.

(13) ADMINISTRATIVE REVIEW.

(a) Notwithstanding subsection (b) of this section, the agency, in addition to the right to a hearing, may request an administrative review. The request for an administrative review must be in writing.

(b) An agency endorsed to operate a 24-hour residential program as described in OAR chapter 411, division 325 may not request an administrative review for revocation or suspension. An agency endorsed to operate a 24-hour residential program as described in OAR chapter 411, division 325 may request an administrative review for imposition of conditions.

(c) The Department must receive a written request for an administrative review within 10 business days from the receipt of the notice of suspension, revocation, or imposition of conditions. The agency may submit, along with the written request for an administrative review, any additional written materials the agency wishes to have considered during the administrative review.

(d) The determination of the administrative review is issued in writing within 10 business days from the receipt of the written request for an administrative review, or by a later date as agreed to by the agency.

(e) The agency, notwithstanding subsection (b) of this section, may request a hearing if the decision of the Department is to affirm the suspension, revocation, or condition. The request for a hearing must be in writing. The Department must receive the written request for a hearing within 21 days from the receipt of the original written notice of suspension, revocation, or imposition of conditions.

(14) INFORMAL CONFERENCE. Unless an administrative review has been completed as described in subsection (13) of this rule, an applicant or agency requesting a hearing may have an informal conference with the Department.

411-323-0050

Agency Management and Personnel Practices

(1) NON-DISCRIMINATION. The agency must comply with all applicable state and federal statutes, rules, and regulations in regard to non-discrimination in employment policies and practices.

(2) BASIC PERSONNEL POLICIES AND PROCEDURES. The agency must have in place and implement personnel policies and procedures that address suspension, increased supervision, or other appropriate disciplinary employment procedures when a staff member, provider, or subcontractor, including relief providers and volunteers, has been identified as an accused person in an abuse investigation or when an allegation of abuse has been substantiated.

(3) PROHIBITION AGAINST RETALIATION. The agency or provider may not retaliate against any staff member or subcontractor including relief providers and volunteers that report in good faith suspected abuse or retaliate against the individual with respect to any report. An accused person may not self-report solely for the purpose of claiming retaliation.

(a) Any agency, provider, or person that retaliates against any person because of a report of suspected abuse or neglect is liable according to ORS 430.755 in a private action to the reporting person for actual damages and, in addition, is subject to a penalty up to $1000, notwithstanding any other remedy provided by law.

(b) Any adverse action is evidence of retaliation if taken within 90 days of a report of abuse. For purposes of this section, "adverse action" means any action taken by an agency, provider, or person involved in a report against the person making the report or against the individual because of the report and includes, but is not limited to:

(A) Discharge or transfer from the agency, except for clinical reasons;

(B) Discharge from or termination of employment;

(C) Demotion or reduction in remuneration for program services; or

(D) Restriction or prohibition of access to the agency or the individuals receiving services by the agency.

(4) MANDATORY ABUSE REPORTING PERSONNEL POLICIES AND PROCEDURES.

(a) Any staff, providers, substitute caregivers, independent contractors of the agency, and volunteers are mandatory reporters.

(b) The agency must notify all staff, providers, substitute caregivers, independent contractors of the agency, and volunteers of mandatory reporting status at least annually on forms provided by the Department.

(c) The agency must provide all staff, providers, substitute caregivers, independent contractors of the agency, and volunteers with a Department produced card regarding abuse reporting status and abuse reporting requirements.

(d) Agencies providing services to adults must report suspected abuse to the CDDP where the adult resides. A report must also be made to law enforcement if there is reason to believe a crime has been committed.

(e) Agencies providing services to children must report suspected abuse to the Department or law enforcement in the county where the child resides.

(5) APPLICATION FOR EMPLOYMENT. An application for employment at the agency must inquire whether an applicant has had any founded reports of child abuse or substantiated adult abuse.

(6) BACKGROUND CHECKS. Any staff, volunteer, provider, relief care provider, crisis provider, advisor, or any subject individual defined by OAR 407-007-0210, including staff who are not identified in this rule but use public funds intended for the operation of an agency, who has or shall have contact with an individual in services, must have an approved background check in accordance with OAR 407-007-0200 to 407-007-0370 and ORS 181.534.

(a) The agency may not use public funds to support, in whole or in part, any person described above in section (6) of this rule in any capacity who has been convicted of any of the disqualifying crimes listed in OAR 407-007-0275.

(b) Subsection (a) of this section does not apply to agency staff who were hired prior to July 28, 2009 that remain in the current position for which the staff member was hired.

(c) Any person described above in section (6) of this rule must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290. The person must notify the Department or the designee of the Department within 24 hours.

(7) EXECUTIVE DIRECTOR QUALIFICATIONS. The agency must be operated under the supervision of an Executive Director who has a minimum of a bachelor's degree and two years of experience, including supervision, in intellectual or developmental disabilities, mental health, rehabilitation, social services, or a related field. Six years of experience in the identified fields may be substituted for a degree.

(8) GENERAL STAFF QUALIFICATIONS. Any staff member providing services to individuals must meet the following criteria:

(a) Be at least 18 years of age;

(b) Consent to and pass a background check by the Department as described in OAR 407-007-0200 to 407-007-0370 and section (6) of this rule, and be free of convictions or founded allegations of abuse by the appropriate agency including, but not limited to, the Department;

(A) Background rechecks must be performed biennially, or as needed, if a report of criminal activity has been received by the Department.

(B) PORTABILITY OF BACKGROUND CHECK APPROVAL. A subject individual as defined in OAR 407-007-0210 may be approved for one position to work in multiple locations within the qualified entity as defined in OAR 407-007-0210. The Background Check Request form must be completed by the subject individual to show intent to work at various locations.

(c) If hired on or after July 28, 2009, not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275:

(d) Be legally eligible to work in the United States;

(e) Hold a current, valid, and unrestricted professional license or certification where services and supervision requires specific professional education, training, and skill;

(f) Understand requirements of maintaining confidentiality and safeguarding individual information;

(g) Not be on the list of excluded or debarred providers maintained by the Office of the Inspector General;

(h) Be literate and capable of understanding written and oral orders;

(i) Be able to communicate with individuals, health care providers, case managers, and appropriate others;

(j) Be able to respond to emergency situations at all times that services are being delivered;

(k) Be certified in CPR and First Aid by a recognized training agency within 90 days of employment;

(l) Receive 12 hours of job-related in-service training annually;

(m) Have clear job responsibilities as described in a current signed and dated job description;

(n) If transporting individuals, have a valid license to drive and vehicle insurance in compliance with the laws of the Department of Motor Vehicles; and

(o) Additional qualifications may exist in the applicable program rules for the staff of an agency endorsed to those rules.

(9) PERSONNEL FILES AND QUALIFICATION RECORDS. The agency must maintain up-to-date written job descriptions for all staff as well as a file available to the Department or the designee of the Department for inspection that includes written documentation of the following for each staff member:

(a) Written documentation that references and qualifications were checked;

(b) Written documentation by the Department of an approved background check as defined in OAR 407-007-0210;

(c) Written documentation of staff notification of mandatory abuse training and reporter status prior to supervising individuals and annually thereafter;

(d) Written documentation of any complaints filed against the staff member and the results of the complaint process, including, if any, disciplinary action;

(e) Written documentation of any founded report of child abuse or substantiated adult abuse;

(f) Written documentation of 12 hours of job-related in-service training annually;

(g) Documentation that the staff member has been certified in CPR and First Aid by a recognized training agency within 90 days of employment and that certification is kept current; and

(h) For staff operating vehicles that transport individuals, documentation of a valid license to drive and proof of vehicle insurance in compliance with the laws of the Department of Motor Vehicles.

(10) DISSOLUTION OF AN AGENCY. A representative of the governing body or owner of an agency must notify the Department in writing 30 days prior to the dissolution of the agency and make appropriate arrangements for the transfer of individual records.

411-323-0060
Policies and Procedures

(1) HEALTH. The agency must have and implement policies and procedures that maintain and protect the health of individuals.

(2) INDIVIDUAL AND FAMILY INVOLVEMENT. The agency must have and implement a written policy that addresses:

(a) Opportunities for the individual to participate in decisions regarding the operations of the agency;

(b) Opportunities for families, guardians, legal and designated representatives, and significant others of the individuals to interact; and

(c) Opportunities for individuals, families, guardians, legal and designated representatives, and significant others to participate on the Board of Directors or on committees or to review policies of the agency that directly affect the individuals receiving services from the agency.

(3) CONFIDENTIALITY OF RECORDS. The agency must have and implement written policies and procedures that ensure all records for individuals are kept confidential except as otherwise provided by applicable state and federal rule or laws.

(a) For the purpose of disclosure from individual medical records under this rule, an agency is considered a "public provider" as defined in ORS 179.505.

(b) Access to records by the Department does not require authorization by an individual or the legal or designated representative or family of the individual.

(c) For the purpose of disclosure of non-medical individual records, all or portions of the information contained in the non-medical individual records may be exempt from public inspection under the personal privacy information exemption to the public records law set forth in ORS 192.502.

(4) BEHAVIOR SUPPORT. The agency must have and implement a written policy for behavior support that utilizes individualized positive behavioral theory and practice and prohibits abusive practices.

(5) PROTECTIVE PHYSICAL INTERVENTION. The agency must have and implement written policies and procedures for protective physical interventions that address the following:

(a) The agency must only employ protective physical intervention techniques that are included in the approved OIS curriculum or as approved by the OIS Steering Committee.

(b) Protective physical intervention techniques must only be applied:

(A) When the health and safety of an individual or others is at risk, the ISP team has authorized the procedures as documented by the decision of the ISP team, the procedures are documented in the ISP, and the procedures are intended to lead to less restrictive intervention strategies;

(B) As an emergency measure if absolutely necessary to protect the individual or others from immediate injury; or

(C) As a health-related protection prescribed by a physician, if absolutely necessary during the conduct of a specific medical or surgical procedure, or for the protection of an individual during the time that a medical condition exists.

(6) HANDLING AND MANAGING INDIVIDUALS' MONEY. The agency must have and implement written policies and procedures for the handling and management of money for the individuals. Such policies and procedures must provide for:

(a) Financial planning and management of the funds for an individual;

(b) Safeguarding the funds for an individual;

(c) Individuals receiving and spending their own money; and

(d) Taking into account the interests and preferences of the individual.

(7) COMPLAINTS.

(a) Complaints by or on behalf of individuals must be addressed in accordance with OAR 411-318-0015.

(b) The agency must have and implement written policies and procedures for individual complaints in accordance with OAR 411-318-0015.

(c) Upon entry and request and annually thereafter, the policy and procedures for complaints must be explained and provided to an individual and the legal or designated representative of the individual (as applicable).

(8) AGENCY DOCUMENTATION REQUIREMENTS. The agency must have and implement policies and procedures that address agency documentation requirements. Documentation must:

(a) Be prepared at the time or immediately following the event being recorded;

(b) Be accurate and contain no willful falsifications;

(c) Be legible, dated, and signed by the person making the entry; and

(d) Be maintained for no less than three years.

411-323-0065
Payment to Agency Providers

(1) Authorization for payment in the appropriate electronic payment system must occur prior to the delivery of services

(2) Payment is made after services are delivered.

(3) For a service to be eligible for payment it must be included on a written agreement that specifies, at a minimum, the type and amount of

services to be delivered. The written agreement must be signed by the provider and may be:

(a) The individual ISP; or

(b) A service agreement specific to the individual.

(4) A provider must request payment authorization from the case management entity for services provided during an unforeseeable emergency on the first business day following the emergency service. A case manager must determine if the service is eligible for payment.

(5) Travel time of the provider to reach the setting where services are delivered, when not directly providing services to the individual, is not reimbursable.

(6) Payment by the Department for a service is considered full payment for the services rendered under Medicaid. A provider may not demand or receive additional payment for services rendered under Medicaid from the individual, parent, guardian, or any other source, under any circumstances.

(7) Medicaid funds are the payer of last resort. A provider must bill all third party resources until all third party resources are exhausted.

(8) The Department reserves the right to make a claim against any third party payer before or after making payment to the provider.

(9) Upon submission of a request for payment, a provider must comply with:

(a) All applicable rules in OAR chapter 407 and OAR chapter 411;

(b) 45 CFR Part 84 which implements Title V, Section 504 of the Rehabilitation Act of 1973 as amended;

(c) Title II and Title III of the Americans with Disabilities Act of 1991; and

(d) Title VI of the Civil Rights Act of 1964.

(10) All billings must be for services provided within the licensure and certification of the provider.

(11) The provider must submit true and accurate information with request for payment.

(12) An agency may not submit the following to the Department:

(a) A false request for payment;

(b) A request for payment that has been, or is expected to be, paid by another source; or

(c) Any request for payment for services that have not been provided.

(13) The Department only makes payment to an enrolled provider who actually performs the services or the enrolled provider organization. Federal regulations prohibit the Department from making payment to a collection agency.

(14) Payment is denied if any provisions of these rules, the rules in OAR chapter 411, division 004, or the associated program rules are not complied with.

(15) The Department may recoup overpayments as described in OAR 407-120.

(16) In order to be eligible for payment, requests for payments must be submitted to the Department within 12 months of the delivery of services.

411-323-0070
Variances

(1) The Department may grant a variance to these rules or the corresponding program rules based upon a demonstration by an agency that an alternative method or different approach provides equal or greater agency effectiveness and does not adversely impact the welfare, health, safety, or rights of individuals or violate state or federal laws.

(2) The agency requesting a variance must submit a written application to the Department that contains the following:

(a) The section of the rule from which the variance is sought;

(b) The reason for the proposed variance;

(c) The alternative practice, service, method, concept, or procedure proposed; and

(d) If the variance applies to the services for an individual, evidence that the variance is consistent with the currently authorized ISP for the individual.

(3) The request for a variance is approved or denied by the Department. The decision of the Department is sent to the agency, the CDDP, and to all relevant Department programs or offices within 30 days from the receipt of the variance request.

(4) The agency may request an administrative review of the denial of a variance request. The Department must receive a written request for an administrative review within 10 business days from the receipt of the denial. The decision of the Director is the final response from the Department.

(5) The duration of the variance is determined by the Department.

(6) The agency may implement a variance only after written approval from the Department.

411-370-0010
Definitions

(1) "Administrator" means the administrators of the Department of Human Services or that person's designee.

(2) "Appropriate Service" means services that are required by a recipient's approved individual service or support plan that are:

(a) Consistent with the recipient's identified needs, goals, and desired outcomes;

(b) Appropriate with regard to standards of generally recognized practice, evidence based practice, and professional standards of service as effective;

(c) Not solely for the convenience of a provider of the service;

(d) The most cost effective of the alternative services that may be effectively provided to a recipient; and

(e) Coordinated with the recipient's local case management entity.

(3) "Authorization" means either service or payment authorization for specified covered services given prior to services being rendered by Department staff, or the Department's designee including community developmental disability programs and support services brokerages.

(4) "Billing Provider" means an individual, agent, business, corporation, or other entity who, in connection with submission of claims to the Department, receives or directs payment from the Department on behalf of a performing provider and has been delegated the authority to obligate or act on behalf of the performing provider.

(5) "Claim" means a bill for services, a line item of a service, or all services for one recipient within a specified billing period. Claims include a bill submission, an invoice, or an encounter associated with requesting payment whether submitted on paper or electronically. Claim also includes any other methodology for requesting payment or as verification of an expenditure of an advanced payment that may be established in contract, provider enrollment agreement, or program-specific rules.

(6) "Express Payment and Reporting System (eXPRS)" means the Department's information system that tracks and documents service delivery of claims funded by the Department.

(7) "Community Developmental Disability Program (CDDP)" as defined in OAR 411-320-0020.

(8) "Community Services Programs" are developmental disability services provided for recipients under the following program names, service element numbers, or descriptions:

(a) Nursing facility specialized services (DD45) as described in OAR chapter 411, division 070.

(b) Residential programs (DD50) as described in OAR chapter 411, division 325.

(c) Supported living programs (DD51) as described in OAR chapter 411, division 328.

(d) Transportation services (DD 53) as described in the applicable service element standards and procedures and Community Transportation services described in OAR 411-435.

(e) Employment programs as described in OAR chapter 411, division 345.

(f) Community Living Supports as described in OAR chapter 411, division 450.

(g) Rent subsidies (DD 56) as described in the applicable service element standards and procedures.

(h) Developmental disabilities special projects (DD 57) as described in the applicable service element standards and procedures.

(i) Children's residential programs (DD142) as described in OAR chapter 411, division 325.

(j) Room and board (DD 156) as described in the applicable service element standards and procedures.

(9) "Covered Services" mean appropriate services that are funded by the legislature and applicable Department rules describing the community services programs provided to eligible recipients under service element standards and procedures, program-specific requirements, provider enrollment agreements, or contracts by providers required to enroll with the Department under these rules.

(10) "Date of Service" means the date the recipient receives community services program services, unless otherwise specified in the appropriate program-specific rules.

(11) "Department" means the Department of Human Services. For the purpose of these rules, Department also includes the responsibility for the day-to-day operation and administration of 1915(c) Home and Community-Based Services waiver and the 1915(k) Community First Choice State Plan Option programs of DHS as the operating agency designated by OHA.

(12) "Express Payment and Reporting System (eXPRS)" means the Department's information system for managing the disbursement and tracking of Department funding for certain developmental disability programs.

(13) "False Claim" means a claim or encounter that a provider knowingly submits or causes to be submitted that contains inaccurate or misleading information, and that information would result, or has resulted, in an overpayment or other improper payment.

(14) "Fraud" means an intentional deception or misrepresentation made by a recipient or provider with the knowledge that the deception may result in some unauthorized benefit to himself or herself, or some other recipient or provider. Fraud includes any act that constitutes fraud or false claim under applicable federal or state law.

(15) "Medicaid" means a federal and state funded program established by Title XIX of the Social Security Act, as amended, and administered in Oregon by the Department.

(16) "Medicaid Agency Identification Number" means the numeric identifier assigned by the Department to an enrolled provider once enrollment of that provider is completed as described in these rules.

(17) "Medicaid Performing Provider Number" means the numeric identifier assigned to an entity or person by the Department, following enrollment to deliver Medicaid funded services as described in these rules. The Medicaid Performing Provider Number is used by the rendering provider for identification and billing purposes associated with service authorizations and payments.

(18) "Medicaid Fraud Control Unit (MFCU)" means the unit of the Oregon Department of Justice that investigates and prosecutes billing fraud committed by Medicaid providers. MFCU also may investigate and prosecute physical, sexual, or financial abuse and neglect of residents who reside in Medicaid-funded facilities.

(19) "Medicaid Management Information System (MMIS)" means the automated claims processing and information retrieval system for handling all Medicaid transactions. The objectives of MMIS include verifying provider enrollment and client eligibility, managing health care provider claims and benefit package maintenance, and addressing a variety of Medicaid business needs.

(20) "Medicare" means the federal health insurance program for the aged and disabled administered by the Centers for Medicare and Medicaid Services under Title XVIII of the Social Security Act.

(21) "OHA" means Oregon Health Authority. OHA is the Single State Medicaid Agency for Oregon and retains ultimate authority and responsibility for the administration of the Medicaid State Plan.

(22) "Provider" or "Performing Provider" means an individual, agency, corporate entity, or other organization that provides community services program services that is enrolled with the Department in accordance with these rules to seek payment from the Department.

(23) "Quality Improvement" means the effort to improve the level of performance of key processes, practices, or outcomes in service provision. A quality improvement program measures the level of current performance of the processes and practices, finds ways to improve the performance or outcomes, and implements new and better methods for the processes or practices. Quality improvement includes the goals of quality assurance, quality control, quality planning, and quality management.

(24) "Recipient" means an individual found eligible by the community developmental disability program and the Department to receive community services program services for individuals with developmental disabilities under OAR chapter 411, division 320.

(25) "Service Element Standards and Procedures" means the standard for a particular service element number that further describes the applicable service and details the purpose, performance requirements, special reporting requirements, and applicable rules to adhere to when providing that particular service element.

(26) "SFMA" means the Oregon Statewide Financial Management Services.

(27) "Suspension" means a sanction prohibiting a provider's participation in the Department's community services programs by deactivation of the assigned provider number for a specified period of time or until the occurrence of a specified event.

(28) "These Rules" mean the rules in OAR chapter 411, division 370.

(29) "Third Party Resource (TPR)" means a service or financial resource that, by law, is available and applicable to pay for covered services for community services programs.

(30) "United States Department of Health & Human Services (USDHHS)" means the Cabinet department of the United States government with the goal of protecting the health of all Americans and providing essential human services.

411-370-0020
Provider Requirements

(1) These rules cover all programs and services of the Department's community services programs for recipients with developmental disabilities (hereinafter referred to as community services programs). All providers seeking payment from the Department for the provision of covered services to eligible service recipients of community services programs must comply with these rules and the applicable rules, standards, and procedures of the specific programs or services defined as community services programs in OAR 411-370-0010.

(2) COVERED PROVIDER AGREEMENTS. Agreements with providers for community services programs may include:

(a) Direct contracts with the Department;

(b) Contracts with Department designees, including CDDPs; or

(c) Provider enrollment agreements with the Department.

(3) Covered services paid for with state, Medicaid (Title XIX), or other funds by the Department for community services programs are also subject to federal and state Medicaid rules and requirements. In interpreting these rules and program-specific rules, the Department shall construe them as much as possible in a manner that shall comply with federal and state laws and regulations, and the terms and conditions of federal waivers and the state plans.

(4) A provider paid with state or Medicaid funds for community services programs must comply with all applicable federal and state laws and regulations pertaining to the provision of Medicaid services under the Medicaid Act, Title XIX, 42 United States Code (USC) 1396 et seq.

(5) Payment for any service by a provider of community services programs may not be made by or through (directly or by power of attorney) any individual or organization, such as a collection agency or service bureau, that advances money to a provider for accounts receivable that the provider has assigned, sold, or transferred to the person or organization for an added fee or a deduction of a portion of the accounts receivable.

(6) The Department shall make community services programs provider payments to only the following:

(a) The provider who actually performed the service;

(b) In accordance with a reassignment from the provider to a government agency or reassignment by a court order; or

(c) To an enrolled billing provider, such as a billing service or an accounting firm that, in connection with the submission of claims, receives or directs payments in the name of the provider, if the billing provider's compensation for this service is:

(A) Related to the cost of processing the billing; and

(B) Not related on percentage or other basis to the amount that is billed or collected and not dependent upon the collection of the payment.

(7) Providers must comply with TPR requirements in Department policies, program-specific rules, provider enrollment agreements, or contracts.

(8) PROGRAM INTEGRITY.

(a) The Department shall use several approaches to promote integrity of the community services programs. This section of the rule describes integrity actions related to:

(A) Provider billings and payments, including actions and expectations contained within service element standards and procedures, program-specific rules, or contracts with Department representatives including CDDPs or brokerages. The program integrity goal is to pay the correct amount to a properly enrolled provider for covered services provided to an eligible recipient according to these rules and the program-specific services in effect on the date of the service; and

(B) Provider performance in the delivery of services to recipients as well as general program practices. The program integrity goal includes approaches to assure the provision of appropriate services for which payment is to be made as well as compliance with these rules, service element

standards and procedures, program-specific rules, provider enrollment agreements, or contracts.

(b) Program integrity activities include but are not limited to the following:

(A) Review, including but not limited to the evaluation of services in accordance with appropriate service or process, error identification, and prior authorization processes including all actions taken to determine the provision of services in accordance with service element standards and procedures, program-specific rules, provider enrollment agreements, or contract;

(B) Onsite visits to verify compliance with service element standards and procedures, program-specific rules, provider enrollment agreements, or contracts;

(C) Quality improvement activities;

(D) Coordination with the Department of Justice MFCU and other oversight authorities including law enforcement; and

(E) For provider billings and payments:

(i) Implementation of transaction standards to improve accuracy and timeliness of claims processing;

(ii) Cost report settlement processes;

(iii) Audits; and

(iv) Investigation of false claims, fraud, or prohibited business relationships.

(F) For provider service delivery:

(i) Provider licensing or certification required responsibilities and activities; and

(ii) Specific service monitoring and evaluation activities provided in program-specific rules or Department policy.

(c) The following may engage in program integrity activities including but not limited to general monitoring of the provider's performance in service delivery, reviewing a request for services, or auditing a claim of services, before or after payment, for assurance that the specific care or service was provided in accordance with the program-specific rules and the generally accepted standards of performance:

(A) Department staff or designees, including staff of a CDDP or brokerage; and

(B) Federal or state oversight authority.

(d) Payment may be denied or may be subject to recovery if the review or audit determines the service was not provided in accordance with provider rules, program-specific rules, provider enrollment agreements or contracts, or does not meet the criteria for quality or appropriateness of the service or payment.

(e) If the Department or other federal or state oversight authorities determine that an overpayment has been made to a provider, the amount of overpayment is subject to recovery.

(f) The provider may face other sanctions or penalties, including termination of provider enrollment agreements or contracts as allowed by program-specific or Department rules.

(g) The Department may communicate with and coordinate any program integrity actions with the MFCU, USDHHS, other federal or state oversight authorities including law enforcement, or Department designees including CDDPs and brokerages.

411-370-0030

Provider Enrollment

(1) For the purpose of this rule, all providers of community services programs, authorized to utilize the eXPRS, SFMA, or MMIS, and licensed or certified by Department rules, or otherwise qualified by program-specific rules, prior to July 1, 2011 shall be deemed to be an enrolled provider as of July 1, 2011, subject to all provisions of these rules.

(2) Being an enrolled provider is a condition of eligibility for a Department payment for claims in community services programs. The Department requires billing providers to be enrolled as providers consistent with the provider enrollment processes set forth in this rule. If payment for community services program services shall be made under a contract with the Department or the Department's designees, including CDDPs, the provider must also meet the contract requirements. Contract requirements are separate from the requirements of these provider enrollment rules.

(3) Enrollment as a provider with the Department is not a promise that the enrolled provider shall receive any minimum amount of work from the Department, or the Department's designees, including CDDPs.

(4) RELATION TO SERVICE ELEMENT STANDARDS AND PROCEDURES, PROGRAM-SPECIFIC RULES, PROVIDER ENROLLMENT AGREEMENT, OR CONTRACT REQUIREMENTS. Provider enrollment establishes essential provider participation requirements for becoming an enrolled provider for the Department. The details of provider qualification requirements, recipient eligibility, covered services, how to obtain service authorization, documentation requirements, claims submission, available electronic access instructions, and other pertinent instructions and requirements are contained in the service element standards and procedures, program-specific rules, or provider enrollment agreement or contract.

(5) CRITERIA FOR ENROLLMENT. To be enrolled providers must:

(a) Meet the requirements, if applicable, of the statewide agency certification process as prescribed in OAR chapter 411, division 323.

(b) Meet all program-specific requirements identified in service element standards and procedures, program-specific rules, provider enrollment agreements, or contracts in addition to the requirements identified in these rules;

(c) Meet Department licensing, certification, or service endorsement requirements for the type of community services programs the provider shall deliver as described in the program-specific rules, provider enrollment agreements, or contracts; and

(d) Obtain a Medicaid Agency Identification Number and applicable Medicaid Performing Provider Number from the Department for the specific services for which the provider is enrolling.

(6) PARTICIPATION AS AN ENROLLED PROVIDER. Participation with the Department as an enrolled provider is open to qualified providers that:

(a) Meet the qualification requirements established in these rules and program-specific rules, provider enrollment agreements, or contracts;

(b) Enroll as a provider with the Department in accordance with these rules;

(c) Provide or shall provide a covered service within their scope of licensure, certification, or service endorsement, if applicable, to an eligible recipient in accordance with service element standards and procedures, program-specific rules, provider enrollment agreements, or contracts; and

(d) Accept the payment amounts established in accordance with the Department's program-specific payment structures, service element standards and procedures, program-specific rules, provider enrollment agreements, or contracts for services providers.

(7) ENROLLMENT PROCESS. To be enrolled as a provider with the Department, an individual or organization must submit a complete and accurate provider enrollment form, provider disclosure form, and provider enrollment agreement, available from the Department.

(a) PROVIDER ENROLLMENT REQUEST FORM. The provider enrollment form requests basic demographic information about the provider that shall be permanently associated with the provider or organization until changed on an updated form. For the purpose of provider enrollment, the Department may use, instead of the provider enrollment form required under these rules, the application for certification required under OAR chapter 411, division 323 if such an application is applicable to the provider.

(b) PROVIDER DISCLOSURE FORM. All individuals and entities are required to disclose information used by the Department to determine whether an exclusion applies that would prevent the Department from enrolling the provider. Individual performing providers must submit a disclosure statement. All providers that are enrolling as an entity (corporation, non-profit, partnership, sole proprietorship, governmental) must submit a disclosure of ownership and control interest statement. For the purpose of provider enrollment, the Department may use, instead of the provider disclosure form required under these rules, the application for certification required under OAR chapter 411, division 323 if such an application is applicable to the provider.

(A) Entities must disclose all the information required on the disclosure of ownership and control interest statement.

(B) Payment may not be made to any individual or entity that has been excluded from participation in federal or state programs or that employs or is managed by excluded individuals or entities.

(C) The Department may refuse to enter into or may suspend or terminate a provider enrollment agreement if the individual performing provider or any individual who has an ownership or control interest in the entity, or who is an agent or managing employee of the provider, has been sanctioned or convicted of a criminal offense related to that individual's involvement in any program established under Medicare, Medicaid, Title XIX services, or other public assistance program.

(D) The Department may refuse to enter into or may suspend or terminate a provider enrollment agreement or contract for provider services, if the Department determines that the provider did not fully and accurately make any disclosure required under this rule.

(8) PROVIDER ENROLLMENT AGREEMENT. The provider must sign the provider enrollment agreement and submit it to the Department for review at the time the provider submits the provider enrollment form and related documentation. Signing the provider enrollment agreement constitutes agreement by a provider to comply with all applicable Department service element standards and procedures, provider and program rules, and applicable federal and state laws and regulations in effect on the date of service. The provider enrollment agreement must be submitted even if alternatives to submitting the provider enrollment form and provider disclosure form are used, as provided in sections (7)(a) and (7)(b) of this rule.

(9) ENROLLMENT OF PROVIDERS. A provider shall be enrolled, assigned, and issued a Medicaid Agency Identification Number and Medicaid Performing Provider Number upon the following criteria:

(a) Provider submission, consistent with Department procedures, of a completed and signed provider enrollment form, provider disclosure form, provider enrollment agreement, any applicable provider licensure, certification, or service endorsement materials, and all other required documents to the Department.

(b) Provider signature on required forms must be the provider or an individual with actual authority for the provider to legally bind the provider to attest and certify to the accuracy and completeness of the information submitted.

(c) The provisions of this rule, OAR chapter 411, division 323 if applicable, program-specific rules, service element standards and procedures, provider enrollment agreements, or contracts relating to provider qualifications, certification, licensure, and service endorsement are completed.

(10) Provider enrollment is not complete until all required information has been submitted, verified, and the Medicaid Agency Identification Number and the Medicaid Performing Provider Number are issued.

(11) CLAIM OR ENCOUNTER SUBMISSION. Submission of a claim or encounter or other payment request document constitutes the enrolled provider's agreement that:

(a) The service was provided in compliance with all applicable rules and requirements in effect on the date of service;

(b) The provider has created and maintained all records necessary to disclose the extent of services provided and provider's compliance with applicable program and financial requirements, and that the provider agrees to make such information available upon request to the Department or the Department's designees including CDDPs, brokerages, the MFCU (for Medicaid-funded services), the Oregon Secretary of State, and (for federally-funded services) the federal funding authority and the Comptroller General of the United States;

(c) The information on the claim or encounter, regardless of the format or other payment document, is true, accurate, and complete; and

(d) The provider understands that payment of the claim or encounter or other payment document shall be from federal or state funds, or a combination of federal and state funds, and that any falsification, or concealment of a material fact, may result in prosecution under federal and state laws.

(12) Medicaid Agency Identification Numbers and Medicaid Performing Provider Numbers shall be specific to the provider, and the service sites, locations, or type of service authorized by the Department or the Department's designee including CDDPs and support services brokerages. Issuance of a Department-assigned Medicaid Agency Identification Number and Medicaid Performing Provider Number establishes enrollment of an individual or organization as a provider for community services programs.

(13) Providers must provide the following updates:

(a) An enrolled provider must notify the Department in writing of a material change in any status or condition on any element of their provider enrollment form. Providers must notify the Department of the following changes in writing within 30 calendar days:

(A) Business affiliation;

(B) Ownership;

(C) Federal tax identification number;

(D) Ownership and control information; or

(E) Criminal convictions.

(b) Claims submitted by, or payments made to, providers who have not timely furnished the notification of changes or have not submitted any of the items that are required due to a change may be denied payment or payment may be subject to recovery.

(14) The provider enrollment agreement may be terminated as follows:

(a) PROVIDER TERMINATION REQUEST.

(A) The provider may ask the Department to terminate the provider enrollment agreement upon the following conditions and timelines unless otherwise required by service element standards and procedures, program-specific rules, or provider enrollment agreement or contract.

(i) Upon the provider's convenience with at least 90 days advance written notice; or

(ii) Upon a minimum of 30 days advance written notice if the Department does not meet the obligations under these rules and such dispute remains unresolved at the end of the 30 day period or such longer period, if any, as specified by the provider in the notice.

(B) The request must be in writing, signed by the provider, and mailed or delivered to the Department. The notice must specify the Department-assigned Medicaid Agency Identification Number and Medicaid Performing Provider Number, if known.

(C) When accepted, the Department shall assign the Medicaid Agency Identification Number and Medicaid Performing Provider Number a termination status and the effective date of the termination status.

(D) Termination of the provider enrollment agreement does not relieve the provider of any obligations for covered services provided under these rules in effect for dates of services during which the provider enrollment agreement was in effect.

(b) DEPARTMENT TERMINATION. Pursuant to the provisions of OAR chapter 407, division 120, the Department may terminate the provider enrollment agreement immediately upon notice to the provider, or a later date as the Department may establish in the notice, upon the occurrence of any of the following events:

(A) The Department fails to receive funding, appropriations, limitations, or other expenditure authority at levels that the Department or the specific program determines to be sufficient to pay for the services covered under the agreement;

(B) Federal or state laws, regulations, or guidelines are modified or interpreted by the Department in a such a way that either providing the services under the agreement is prohibited or the Department is prohibited from paying for such services from the planned funding source;

(C) The Department has issued a final order revoking the Department-assigned Medicaid Agency Identification Number, service endorsement, or Medicaid Performing Provider Number based on a sanction; or

(D) The provider no longer holds a required license, certificate, service endorsement, or other authority to qualify as a provider. The termination shall be effective on the date the license, certificate, service endorsement, or other authority is no longer valid.

(c) In the event of any termination of the provider enrollment agreement, the provider's sole monetary remedy is limited to covered services the Department determines to be compensable under the provider agreement, a claim for unpaid invoices, hours worked within any limits set forth in the agreement but not yet billed, and Department-authorized expenses incurred prior to termination. Providers are not entitled to recover indirect or consequential damages. Providers are not entitled to attorney fees, costs, or other expenses of any kind.

(15) IMMEDIATE SUSPESION. When a provider fails to meet one or more of the requirements governing participation as a Department enrolled provider, the provider's Department-assigned Medicaid Agency Identification Number or Medicaid Performing Provider Number may be immediately suspended consistent with the provisions of OAR chapter 407, division 120. The provider may not provide services to recipients during a period of suspension. The Department shall deny claims for payment or other payment requests for dates of service during a period of suspension.

(16) The provision of a program-specific provider enrollment agreement or contract covered services to eligible recipients is voluntary on the part of the provider. Providers are not required to serve all recipients seeking service.

(17) The provider performs all services as an independent contractor. The provider is not an officer, employee, or agent of the Department.

(18) The provider is responsible for its employees and for providing employment-related benefits and deductions that are required by law. The provider is solely responsible for its acts or omissions including the acts or omissions of its own officers, employees, or agents. The Department's responsibility shall be limited to the Department's authorization and payment obligations for covered services provided in accordance with these rules.

Variances

(1) The Department may grant a variance to these rules based upon a demonstration by the provider that an alternative method or different approach provides equal or greater effectiveness and does not adversely impact the welfare, health, safety, or rights of individuals or violate state or federal laws.

(2) The provider requesting a variance must submit, in writing, an application on a Department approved form that contains the following:

(a) The section of the rule from which the variance is sought;

(b) The reason for the proposed variance; and

(c) The alternative practice, service, method, concept, or procedure proposed.

(3) The Department shall approve or deny the request for a variance. In reviewing the variance request, the Department may seek input or information from the Department's designees, including CDDPs and brokerages.

(4) The Department's decision shall be sent to the provider and to all relevant Department programs or offices within 30 calendar days of the receipt of the variance request.

(5) The provider may appeal the denial of a variance request by sending a written request for review to the Administrator, whose decision is final.

(6) The Department shall determine the duration of the variance.

(7) The provider may implement a variance only after written approval from the Department.

Rule Caption: ODDS: General Definitions and Acronyms for Developmental Disabilities Services
Adm. Order No.: APD 26-2016
Filed with Sec. of State: 6-29-2016
Certified to be Effective: 6-29-16
Notice Publication Date: 5-1-2016
Rules Amended: 411-317-0000
Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently updating the general definitions and acronyms for developmental disabilities services in OAR 411-317-0000.

OAR 411-317-0000 is being updated to:

- Make permanent temporary changes that became effective January 1, 2016;
- Provide consistency and streamline definitions;
- Incorporate definitions for home and community-based (HCB) services and settings and person-centered service planning to implement the regulations and expectations of the U.S. Department of Health and Human Services, Centers for Medicare and Medicaid Services (CMS); and
- Reflect current Department terminology, and perform minor grammar, punctuation, formatting, and housekeeping changes.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-317-0000
Definitions for Developmental Disability Services

This rule, OAR 411-317-0000, defines terms frequently used in OAR chapter 411, divisions 300 to 450 for developmental disabilities services. OAR chapter 411, divisions 300 to 450 may include definitions specific to the subject matter in that division. If a word or term is defined differently than what is in this rule, the definition in that division applies, when used in that division.

(1) "24-Hour Residential Program" means the distinct method for the delivery of person centered services as described in these rules by a certified and endorsed provider in one or more 24-hour residential settings.

(2) "24-Hour Residential Setting" means a residential home, apartment, or duplex licensed by the Department under ORS 443.410 in which home and community-based services are provided to individuals with intellectual or developmental disabilities. A 24-hour residential setting is considered a provider owned, controlled, or operated residential setting.

(3) "Abuse" means:

(a) For a child:

(A) "Abuse" as defined in ORS 419B.005; and

(B) "Abuse" as defined in OAR 407-045-0260 when a child resides in a 24-hour residential setting licensed by the Department as described in OAR chapter 411, division 325.

(b) For an individual between the ages of 18 and 21 residing in a certified child foster home, "abuse" as defined in OAR 407-045-0260.

(c) For an adult, "abuse" as defined in OAR 407-045-0260.

(4) "Abuse Investigation" means the reporting and investigation activities as required by OAR 407-045-0300 and any subsequent services or supports necessary to prevent further abuse as required by OAR 407-045-0310.

(5) "Accident" means an event that results in injury or has the potential for injury even if the injury does not appear until after the event.

(6) "Activities of Daily Living (ADL)" are the basic personal everyday activities, such as eating, using the restroom, grooming, dressing, bathing, and transferring. ADL services include, but are not limited to:

(a) Basic personal hygiene - providing or assisting with needs, such as bathing (tub, bed, bath, shower), hair care, grooming, shaving, nail care, foot care, dressing, skin care, or oral hygiene;

(b) Toileting, bowel, and bladder care - assisting to and from the bathroom, on and off toilet, commode, bedpan, urinal, or other assistive device used for toileting, changing incontinence supplies, following a toileting schedule, managing menses, cleansing an individual or adjusting clothing related to toileting, emptying a catheter, drainage bag, or assistive device, ostomy care, or bowel care;

(c) Mobility, transfers, and repositioning - assisting with ambulation or transfers with or without assistive devices, turning an individual or adjusting padding for physical comfort or pressure relief, or encouraging or assisting with range-of-motion exercises;

(d) Nutrition — assisting with adequate fluid intake or adequate nutrition, assisting with food intake (feeding), monitoring to prevent choking or aspiration, assisting with adaptive utensils, cutting food, and placing food, dishes, and utensils within reach for eating;

(e) Delegated nursing tasks;

(f) First aid and handling emergencies - addressing medical incidents related to the conditions of an individual, such as seizure, aspiration, constipation, or dehydration, responding to the call of the individual for help during an emergent situation, or for unscheduled needs requiring immediate response;

(g) Assistance with necessary medical appointments - help scheduling appointments, arranging medical transportation services, accompaniment to appointments, follow up from appointments, or assistance with mobility, transfers, or cognition in getting to and from appointments; and

(h) Observation of the status of an individual and reporting of significant changes to a physician, health care provider, or other appropriate person.

(7) "Administration of Medication" means the act of placing a medication in or on the body of an individual by a person responsible for the care of the individual and employed by, or under contract to, the individual or as applicable the legal or designated representative of the individual or provider organization.

(8) "Administrator Review" means the Director of the Department reviews a decision upon request, including the documentation related to the decision, and issues a determination.

(9) "Adult" means an individual who is 18 years of age or older with an intellectual or developmental disability.

(10) "Advocate" means a person other than paid staff who has been selected by an individual or by the legal representative of an individual to help the individual understand and make choices in matters relating to identification of needs and choices of services, especially when rights are at risk or have been violated.

(11) "Agency" means a public or private community agency or organization that is certified by the Department to deliver developmental disabilities services.

(12) "Aids to Physical Functioning" means any special equipment prescribed for an individual by a physician, therapist, or dietician that maintains or enhances the physical functioning of the individual.

(13) "Alternative Resources" mean possible resources, not including developmental disabilities services, for the provision of supports to meet the needs of an individual. Alternative resources include, but are not limited to, private or public insurance, vocational rehabilitation services, supports available through the Oregon Department of Education, or other community supports.

(14) "Annual Plan" means the written summary a services coordinator or personal agent completes for an individual who is not enrolled in waiver or Community First Choice state plan services. An Annual Plan is not an ISP and is not a plan of care for Medicaid purposes.

(15) "Attendant Care" means an hourly service that provides assistance with ADL, IADL, and health-related tasks through cueing, monitoring, reassurance, redirection, set-up, hands-on, standby assistance, and reminding. It is available through the Community First Choice State Plan Amendment.

(16) "Authority" means "Oregon Health Authority".

(17) "Background Check" means a criminal records check and abuse check as defined in OAR 407-007-0210.

(18) "Baseline Level of Behavior" means the frequency, duration, or intensity of a behavior, objectively measured, described, and documented prior to the implementation of an initial or revised Behavior Support Plan. The baseline level of behavior serves as the reference point by which the ongoing efficacy of a BSP is to be assessed.

(19) "Bedroom" means the personal space and sleeping area of an individual receiving home and community-based services in a provider owned, controlled, or operated residential setting, as agreed to in the Residency Agreement.

(20) "Behavior Consultant" means a contractor with specialized skills who meets the minimum qualifications defined in the Community First Choice state plan who conducts functional assessments and develops a Behavior Support Plan.

(21) "Behavior Data Collection System" means the methodology specified within a Behavior Support Plan that directs the process for recording observations, interventions, and other support provision information critical to the analysis of the efficacy of the Behavior Support Plan.

(22) "Behavior Data Summary" means the document composed to summarize episodes of protective physical intervention. The behavior data summary serves as a substitution for the requirement of an incident report for each episode of protective physical intervention.

(23) "Behavior Support Plan" means the written strategy, based on person-centered planning and a functional assessment that outlines specific instructions for a primary caregiver or provider to follow in order to reduce the frequency and intensity of the challenging behaviors of an individual and to and to modify the behavior of the primary caregiver or provider, adjust environment, and teach new skills.

(24) "Behavior Support Services" mean the services consistent with positive behavioral theory and practice that are delivered in accordance with a Behavior Support Plan to assist with behavioral challenges due to the intellectual or developmental disability of an individual that prevents the individual from accomplishing ADL, IADL, health-related tasks, and provides cognitive supports to mitigate behavior.

(25) "Brokerage" means an entity or distinct operating unit within an existing entity that uses the principles of self-determination to perform the functions associated with planning and implementation of services for individuals with intellectual or developmental disabilities.

(26) "BSP" means "Behavior Support Plan".

(27) "Career Development Plan":

(a) Means the part of an ISP that identifies:

(A) The employment goals and objectives for an individual;

(B) The services and supports needed to achieve those goals;

(C) The people, agencies, and providers assigned to assist the individual to attain those goals;

(D) The obstacles to the individual working in an individualized job in a competitive integrated employment setting; and

(E) The services and supports necessary to overcome those obstacles.

(b) A Career Development Plan is based on person-centered planning principles.

(28) "Case Management Contact" means a reciprocal interaction between a case manager and an individual or the legal or designated representative of the individual (as applicable).

(29) "Case Management Entity" means a CDDP, a Brokerage, a CIIS program, or the Department's Children's Residential Program.

(30) "Case Management Services" means the functions performed by a case manager that are funded by the Department. Case management services include, but are not limited to:

(a) Assessment of support needs;

(b) Developing an ISP or annual plan that may include authorized services;

(c) Information and referral for services; and

(d) Monitoring the effectiveness of services and supports.

(31) "Case Manager" means a person who delivers case management services who meets the qualifications of OAR 411-415-0040 and is employed:

(a) As a personal agent by a Brokerage;

(b) As a services coordinator by a CDDP; or

(c) As a services coordinator by the Department.

(32) "CDDP" means "Community Developmental Disabilities Program".

(33) "Centers for Medicare and Medicaid Services". The Centers for Medicare and Medicaid Services is the federal agency within the United States Department of Health and Human Services responsible for the administration of Medicaid and the Health Insurance Portability and Accountability Act (HIPAA) and overseeing Medicaid programs administered by the states through survey and certification.

(34) "Chemical Restraint" means the use of a psychotropic drug or other drugs for punishment or to modify behavior in place of a meaningful behavior or treatment plan.

(35) "Child" means an individual under the age of 18.

(36) "Children's Intensive In-Home Services" includes case management from a Department employed services coordinator and the services authorized by the Department delivered through:

(a) The ICF/ID Behavioral Program;

(b) The Medically Fragile Children's Program; and

(c) The Medically Involved Children's Waiver.

(37) "Choice" means the expression of preference, opportunity for, and active role of an individual in decision-making related to services received and from whom including, but not limited to, case management, providers, services, and service settings. Individuals are supported in opportunities to make changes when so expressed. Choice may be communicated through a variety of methods, including orally, through sign language, or by other communication methods.

(38) "Choice Advising" means the impartial sharing of information to individuals with intellectual or developmental disabilities about:

(a) Case management options;

(b) Service options;

(c) Service setting options; and

(d) Provider types.

(39) "CIIS" means "Children's Intensive In-Home Services".

(40) "Claimant" means the person directly impacted by an action that is the subject of a hearing request.

(41) "CME" means "Case Management Entity".

(42) "CMS" means "Centers for Medicare and Medicaid Services".

(43) "Collective Bargaining Agreement" means a contract based on negotiation between organized workers and their designated employer for purposes of collective bargaining to determine wages, hours, rules, and working conditions.

(44) "Community Developmental Disabilities Program" means the entity that is responsible for plan authorization, delivery, and monitoring of services for individuals who are not enrolled in a Brokerage. A Community Developmental Disabilities Program operates in a specific geographic service area of the state under a contract with the Department, local mental health authority, or other entity as contracted by the Department.

(45) "Community First Choice (K Plan)" means the state plan amendment for Oregon authorized under section 1915(k) of the Social Security Act.

(46) "Community Living Supports" means attendant care, skills training, and relief care, alone or in combination.

(47) "Community Transportation" means the ancillary service that provides for the services that enable an individual to gain access to community-based state plan and waiver services, activities and resources that are not medical in nature. Community transportation is provided in the area surrounding the home of the individual that is commonly used by people in the same area to obtain ordinary goods and services. Community transportation is available through the Community First Choice State Plan Amendment.

(48) "Complaint" means an oral or written expression of dissatisfaction with a developmental disabilities service or provider.

(49) "Complaint Investigation" means the investigation of a complaint that has been made to a proper authority that is not covered by an investigation of abuse.

(50) "Complaint Log" means a list of complaint-related information.

(51) "Completed Application" means an application required by the Department that:

(a) Is filled out completely, signed, and dated. An applicant who is unable to sign may sign with a mark, witnessed by another person; and

(b) Contains documentation required to make an eligibility determination as outlined in OAR 411-320-0080.

(52) "Condition" means a provision attached to a new or existing certificate, endorsement, or license that limits or restricts the scope of the certificate, endorsement, or license or imposes additional requirements on the provider.

(53) "Continuing Services" means the continuation of a developmental disabilities service following the request for a hearing. Services continue until a Final Order is issued.

(54) "Cost Effective" means being responsible and accountable with Department resources by offering less costly alternatives when providing choices that adequately meet the support needs of an individual. Less costly alternatives include other service settings available from the Department and the utilization of assistive devices, natural supports, environmental modifications, and alternative resources. Less costly alternatives may include resources not paid for by the Department.

(55) "County of Origin" means:

(a) For an adult, the county of residence for the adult; and

(b) For a child, the county where the jurisdiction of guardianship exists.

(56) "Day" means a calendar day unless otherwise specified.

(57) "DD Administrative Hearing Request" means form APD 0443DD.

(58) "Denial" means any rejection of a request for a developmental disabilities service or an increase in a developmental disabilities service. A denial of a Medicaid service requires a Notification of Planned Action.

(59) "Delegation" is the process by which a registered nurse authorizes an unlicensed person to perform nursing tasks and confirms that authorization in writing. Delegation may occur only after a registered nurse follows all steps of the delegation process as outlined in OAR chapter 851, division 047.

(60) "Department" means "Department of Human Services".

(61) "Department Hearing Representative" means a person authorized by the Department to represent the Department in a hearing as described in OAR 411-001-0500.

(62) "Department Staff" means a person employed by the Department who is knowledgeable in a particular subject matter.

(63) "Designated Representative" means:

(a) A person who is 18 years of age or older, such as a parent, family member, guardian, or advocate, who is:

(A) Chosen by an individual or the legal representative of the individual;

(B) Not a paid provider for the individual; and

(C) Authorized by the individual or, as applicable, the legal representative of the individual to serve as the representative of the individual or, as applicable, the legal representative in connection with the provision of funded supports.

(b) The power to act as a designated representative is valid until an individual modifies the authorization.

(c) An individual or the legal representative of the individual is not required to appoint a designated representative.

(64) "Developmental Disability" means a neurological condition that:

(a) Originates before an individual is 22 years of age or 18 y-ears of age for an intellectual disability;

(b) Originates in and directly affects the brain and has continued, or is expected to continue, indefinitely;

(c) Constitutes significant impairment in adaptive behavior as diagnosed and measured by a qualified professional as described in OAR 411-320-0080;

(d) Is not primarily attributed to other conditions including, but not limited to, a mental or emotional disorder, sensory impairment, motor impairment, substance abuse, personality disorder, learning disability, or Attention Deficit Hyperactivity Disorder (ADHD); and

(e) Requires training and support similar to an individual with an intellectual disability as described in OAR 411-320-0080.

(65) "Developmental Disabilities Services" mean services provided by or authorized by a CDDP, Brokerage, or ODDS that are comprised of:

(a) Case management services described in OAR chapter 411, division 415;

(b) Services available through the Community First Choices 1915(k) state plan amendment; and

(c) Services available through a 1915(c) waiver.

(66) "Director" means the Director of the Department of Human Services, Office of Developmental Disabilities Services or Office of Licensing and Regulatory Oversight, or the designee of the Director, which may include Department Staff.

(67) "Domestic Animals" means the animals domesticated so as to live and breed in a tame condition, such as dogs, cats, and domesticated farm stock.

(68) "Employer" means, for the purposes of obtaining services through a personal support worker, the common law employer. The common law employer is the individual or a person selected by the individual or the legal representative conduct the responsibilities of an employer. An employer may also be a designated representative.

(69) "Employer-Related Supports" mean the activities that assist an individual, and when applicable the legal or designated representative or family members of the individual, with directing and supervising provision of services described in the ISP for an individual. Employer-related supports may include, but are not limited to:

(a) Education about employer responsibilities;

(b) Orientation to basic wage and hour issues;

(c) Use of common employer-related tools such as service agreements; and

(d) Fiscal intermediary services.

(70) "Employment Service" means a home and community-based service that supports the primary objective of exploring, obtaining, maintaining, or advancing in an individual job in a competitive integrated employment setting in the general workforce.

(a) Employment services under the rules in OAR chapter 411, division 345 include:

(A) Supported Employment.

(i) Individual Employment Support.

(I) Job Coaching.

(II) Job Development.

(ii) Small Group Employment Support.

(B) Discovery.

(C) Employment Path Services.

(b) Employment services do not include vocational assessments in sheltered workshop settings or facility-based settings. Employment services do not include new participants in sheltered workshop settings.

(71) "Entity" means a person, a trust or estate, a partnership, a corporation (including associations, joint stock companies, and insurance companies), a state, or a political subdivision or instrumentality, including a municipal corporation of a state.

(72) "Entry" means the initial enrollment to a Department-funded developmental disabilities service delivered by a provider agency or case management entity.

(73) "Exit" means termination or discontinuance of a Department-funded developmental disabilities service.

(74) "Family Member" means spouse, domestic partner, natural parent, child, sibling, adopted child, adoptive parent, stepparent, stepchild, stepbrother, stepsister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, grandchild, aunt, uncle, niece, nephew, or first cousin.

(75) "Founded Report" means the determination by the Department or Law Enforcement Authority (LEA), based on the evidence, that there is reasonable cause to believe that conduct in violation of the child abuse statutes or rules has occurred and such conduct is attributable to the person alleged to have engaged in the conduct.

(76) "Functional Needs Assessment" means the comprehensive assessment or reassessment appropriate to the specific program in which an individual is enrolled that:

(a) Documents physical, mental, and social functioning;

(b) Identifies risk factors and support needs; and

(c) Determines the service level.

(77) "General Business Provider" means an organization or entity selected by an individual or the legal representative of the individual and paid with Department funds that:

(a) Is primarily in business to provide the service chosen by the individual or the legal representative of the individual to the general public;

(b) Provides services for the individual through employees, contractors, or volunteers; and

(c) Receives compensation to recruit, supervise, and pay the person who actually provides support for the individual.

(78) "Good Cause" means an excusable mistake, surprise, excusable neglect (which may include neglect due to a significant cognitive or health issue), circumstances beyond the control of a claimant, reasonable reliance on the statement of Department Staff or an adverse provider relating to pro-

cedural requirements, [or due to] fraud, misrepresentation, or other misconduct of the Department or a party adverse to a claimant.

(79) "Guardian" means the parent for an individual under the age of 18 or a person or agency appointed and authorized by a court to make decisions about services for an individual.

(80) "Health Care Provider" means the person or health care facility licensed, certified, or otherwise authorized or permitted by Oregon law to administer health care in the ordinary course of business or practice of a profession. Examples of a health care provider include, but are not limited to, a registered nurse (RN), nurse practitioner (NP), licensed practical nurse (LPN), medical doctor (MD), osteopathic physician (DO), chiropractor, respiratory therapist (RT), physical therapist (PT), physician assistant (PA), dentist, or occupational therapist (OT).

(81) "Health Care Representative" means:

(a) A health care representative as defined in ORS 127.505; or

(b) A person who has authority to make health care decisions for an individual under the provisions of OAR chapter 411, division 365.

(82) "Hearing" means a contested case hearing subject to OAR 137-003-0501 to 137-003-0070, which results in a final order.

(83) "Home" means the primary residence for an individual that is not under contract with the Department to provide services certified as a foster home for children under OAR chapter 411, division 346 or licensed as a foster home for adults under OAR chapter 411, division 360 or a licensed or certified residential care facility, assisted living facility, nursing facility, or other residential setting.

(a) A home for a child may include a foster home funded by Child Welfare.

(b) A foster home funded by Child Welfare is considered a provider owned, controlled, or operated residential setting.

(84) "Home and Community-Based Services" are services provided in the home or community of an individual.

(a) Home and community-based services are authorized under the following Medicaid authorities:

(A) 1915(c) — HCBS Waivers;

(B) 1915(i) — State Plan HCBS; or

(C) 1915(k) — Community First Choice (K State Plan Option).

(b) Home and community-based services are delivered through the following program areas:

(A) Department of Human Services, Aging and People with Disabilities;

(B) Department of Human Services, Office of Developmental Disabilities Services; and

(C) Oregon Health Authority.

(c) Home and community-based services may include alternative resources specifically authorized as home and community-based by the Department or Authority.

(85) "Home and Community-Based Setting" means a physical location meeting the qualities of OAR 411-004-0020 where an individual receives home and community-based services.

(86) "Hospital Level of Care" means a child:

(a) Has a documented medical condition and demonstrates the need for active treatment as assessed by the clinical criteria; and

(b) The medical condition requires the care and treatment of services normally provided in an acute medical hospital.

(87) "IADL" means "Instrumental Activities of Daily Living".

(88) "ICF/ID" means "Intermediate Care Facility for Individuals with Intellectual or Developmental Disabilities".

(89) "ICF/IDD Level of Care" means an individual meets the following institutional level of care for an intermediate care facility for individuals with intellectual or developmental disabilities:

(a) The individual has an intellectual disability or a developmental disability as defined in this rule and meets the eligibility criteria in OAR 411-320-0080 for developmental disabilities services; and

(b) The individual has a significant impairment in one or more areas of adaptive behavior as determined in OAR 411-320-0080.

(90) "IEP" means "Individualized Education Program".

(91) "Incident Report" means the written report of any injury, accident, act of physical aggression, use of protective physical intervention, or unusual incident involving an individual.

(92) "Independence" means the extent to which an individual exerts control and choice over his or her own life.

(93) "Independent Provider" means:

(a) A personal support worker; or

(b) An independent contractor delivering services including nursing services, discovery, job development, or behavior consultation.

(94) "Individual" means a child, young adult, or an adult applying for, or determined eligible for, Department-funded developmental disabilities services.

(95) "Individualized Education Program" is the written plan of instructional goals and objectives developed in conference with an individual, the parent or legal representative of an individual (as applicable), teacher, and a representative of the public school district.

(96) "Individually-Based Limitations" means any limitation to the qualities outlined in OAR 411-004-0020(2)(c) to (2)(j), due to health and safety risks. An individually-based limitation is based on specific assessed need and only implemented with the informed consent of the individual or, as applicable, the legal representative of the individual, as described in OAR 411-004-0040.

(97) "Individual Support Plan" includes the written details of the supports, activities, and resources required for an individual to achieve and maintain personal goals and health and safety. The ISP is developed at least annually to reflect decisions and agreements made during a person-centered process of planning and information gathering. The ISP reflects services and supports that are important to meet the needs of the individual identified through a functional needs assessment as well as the preferences for providers, delivery, and frequency of services and supports. The ISP is the plan of care for Medicaid purposes and reflects whether services are provided through a waiver, the Community First Choice state plan, natural supports, or alternative resources.

(98) "Instrumental Activities of Daily Living" are the activities other than activities of daily living required to continue independent living as described in the Community First Choice state plan amendment.

(99) "Intake" means the activity of completing the DD Intake Form (APD 0552) and necessary releases of information prior to the submission of a completed application to the CDDP.

(100) "Integrated Employment Setting" means employment at a location where an employee interacts with other persons who are not individuals with disabilities (not including supervisory personnel or individuals who are providing services to such employee) to the same extent that individuals who are not individuals with disabilities and who are in comparable positions interact with other persons; and that, as appropriate, presents opportunities for advancement that are similar to those for other employees who are not individuals with disabilities and who have similar positions. Employment in an Integrated Employment Setting cannot be facility-based work in a Sheltered Workshop, and cannot be non-work activities such as day support activities.

(101) "Integration" as defined in ORS 427.005 means:

(a) Use by individuals receiving developmental disabilities services of the same community resources used by and available to other people;

(b) Participation by individuals receiving developmental disabilities services in the same community activities in which people without disabilities participate, together with regular contact with people without disabilities; and

(c) Residence by individuals receiving developmental disabilities services in homes or in home-like settings that are in proximity to community resources, together with regular contact with people without disabilities in their community.

(102) "Intellectual Disability" means significantly sub-average general intellectual functioning defined as full scale intelligence quotients (IQs) 70 and under as measured by a qualified professional and existing concurrently with significant impairment in adaptive behavior directly related to an intellectual disability as described in OAR 411-320-0080 that is manifested during the developmental period prior to 18 years of age. Individuals with a valid full scale IQ of 71-75 may be considered to have an intellectual disability if there is also significant impairment in adaptive behavior as diagnosed and measured by a licensed clinical or school psychologist as described in OAR 411-320-0080.

(103) "Involuntary Reduction" means a provider has made the decision to reduce services provided to an individual without prior approval from the individual.

(104) "Involuntary Transfer" means a provider has made the decision to transfer an individual without prior approval from the individual.

(105) "ISP" means "Individual Support Plan".

(106) "ISP Team" means a team composed of an individual receiving services, the legal or designated representative of the individual (as applicable), services coordinator or personal agent, and others chosen by the individual, or as applicable the legal representative of the individual, such as providers and family members.

(107) "Legal Representative" means a person who has the legal authority to act for an individual. The legal representative only has author-

ity to act within the scope and limits of his or her authority as designated by a court or other agreement. A legal representative acting outside of his or her authority or scope must meet the definition of designated representative.

(a) For an individual under the age of 18, the legal representative is the parent, unless a court appoints another person or agency to act as the guardian; and

(b) For an individual 18 years of age or older, the legal representative is the guardian appointed by a court order or an agent legally designated as the health care representative, where the court order or the written designation provides authority for the appointed or designated person to make the decisions indicated where the term "legal representative" is used.

(108) "Mandatory Reporter":

(a) Means:

(A) Any public or private official as defined in ORS 419B.005 who comes in contact with a child with or without an intellectual or developmental disability and has reasonable cause to believe the child has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the child, regardless of whether or not the knowledge of the abuse was gained in the official capacity of the public or private official;

(B) Any public or private official as defined in ORS 430.735 who, while acting in an official capacity, comes in contact with an adult with an intellectual or developmental disability and has reasonable cause to believe the adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the adult;

(C) Any public or private official as defined in ORS 124.050 who comes in contact with an older adult, age 65 and older, and has reasonable cause to believe the older adult has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the older adult; and

(D) Any public or private official as defined in ORS 441.630 who comes in contact with a resident of a nursing facility and has reasonable cause to believe the resident has suffered abuse, or comes in contact with any person whom the public or private official has reasonable cause to believe abused the resident.

(b) Nothing contained in ORS 40.225 to 40.295 affects the duty to report imposed by this definition, except that a psychiatrist, psychologist, clergy, attorney, or guardian ad litem appointed under ORS 419B.231 is not required to report if the communication is privileged under ORS 40.225 to 40.295.

(109) "Mechanical Restraint" means any mechanical device, material, object, or equipment attached or adjacent to the body of an individual that the individual cannot easily remove or easily negotiate around that restricts freedom of movement or access to the body of the individual. Mechanical restraint is not:

(a) The use of acceptable infant safety products;

(b) The use of car safety systems, consistent with applicable state law for people without disabilities; or

(c) Safeguarding equipment when ordered by a physician or health care provider and approved by the ISP team.

(110) "Medicaid Agency Identification Number" means the numeric identifier assigned by the Department to a provider following the enrollment of the provider as described in OAR chapter 411, division 370.

(111) "Medicaid Performing Provider Number" means the numeric identifier assigned by the Department to an entity or person following the enrollment of the entity or person to deliver Medicaid funded services as described in OAR chapter 411, division 370. The Medicaid Performing Provider Number is used by the rendering provider for identification and billing purposes associated with service authorizations and payments.

(112) "Medicaid Title XIX (OHP) Benefit Package" means only the Medicaid benefit packages provided under OAR 410-120-1210(4)(a) and (b). This excludes individuals receiving CHIP Title XXI benefits.

(113) "Medication" means any drug, chemical, compound, suspension, or preparation in suitable form for use as a curative or remedial substance taken either internally or externally by any person.

(114) "Monitoring" means the periodic review of the implementation of services and supports identified in an Individual Support Plan or Annual Plan, and the quality of services delivered by other organizations.

(115) "Natural Support" means:

(a) For a child, the parental responsibilities for the child and the voluntary resources available to the child from the relatives, friends, neighbors, and the community of the child that are not paid for by the Department.

(b) For an adult, the voluntary resources available to an adult from the relatives, friends, significant others, neighbors, roommates, and the community of the adult that are not paid for by the Department.

(116) "Notice of Involuntary Reduction, Transfer, or Exit" means form APD 0719DD. This form is part of the AFH/DD Mandatory Written Notice of Exit or Transfer.

(117) "Notification of Planned Action" means form APD 0947. The Notification of Planned Action is the written decision notice issued to an individual in the event that a developmental disabilities service is denied, reduced, suspended, or terminated.

(118) "Nurse" means a person who holds a current license from the Oregon Board of Nursing as a registered nurse or licensed practical nurse pursuant to ORS chapter 678.

(119) "Nursing Facility Level of Care" means a child:

(a) Has a documented medical condition that demonstrates the need for active treatment as assessed by the Clinical Criteria as defined in OAR chapter 411, division 300; and

(b) The medical condition requires the care and treatment of services normally provided in a nursing facility.

(120) "Nursing Service Plan" means the plan that is developed by a registered nurse based on an initial nursing assessment, reassessment, or an update made to a nursing assessment as the result of a monitoring visit.

(a) The Nursing Service Plan is specific to a child and identifies the diagnoses and health needs of the child and any service coordination, teaching, or delegation activities.

(b) The Nursing Service Plan is separate from the ISP as well as any service plans developed by other health professionals.

(121) "Nursing Tasks" mean the care or services that require the education and training of a licensed professional nurse to perform. Nursing tasks may be delegated.

(122) "OAAPI" means the Department of Human Services, Office of Adult Abuse Prevention and Investigation.

(123) "OAH" means "Office of Administrative Hearings".

(124) "OCCS Medical" means medical programs under the "Office of Client and Community Services" as defined under OAR 410-200-0015. OCCS medical insurance may be Medicaid Title XIX or CHIP Title XXI as described under OAR 410-200-0305 through 410-200-0510.

(125) "ODDS" means the Department of Human Services, Office of Developmental Disabilities Services.

(126) "OIS" means "Oregon Intervention System".

(127) "OHA" means "Oregon Health Authority".

(128) "OHP" means "Oregon Health Plan".

(129) "Older Adult" means an adult at least 65 years of age.

(130) "Oregon Intervention System" is the system of providing training of elements of positive behavior support and non-aversive behavior intervention. The Oregon Intervention System uses principles of pro-active support and describes approved protective physical intervention techniques that are used in an emergency to maintain health and safety.

(131) "OSIPM" means "Oregon Supplemental Income Program-Medical".

(132) "Oregon Supplemental Income Program-Medical" is Oregon Medicaid insurance coverage for individuals who meet the eligibility criteria described in OAR chapter 461.

(133) "Parent" means the biological parent, adoptive parent, or stepparent of a child. Unless otherwise specified, references to parent also include a person chosen by the parent or guardian to serve as the designated representative of the parent or guardian in connection with the provision of ODDS funded supports.

(134) "Person-Centered Planning":

(a) Means a timely and formal or informal process driven by an individual, includes people chosen by the individual, ensures the individual directs the process to the maximum extent possible, and enables the individual to make informed choices and decisions consistent with 42 CFR 441.540.

(b) Person-centered planning includes gathering and organizing information to reflect what is important to and for the individual and to help:

(A) Determine and describe choices about personal goals, activities, services, providers, service settings, risks, and lifestyle preferences;

(B) Design strategies and networks of support to achieve goals and a preferred lifestyle using individual strengths, relationships, and resources; and

(C) Identify, use, and strengthen naturally occurring opportunities for support at home and in the community.

(c) The methods for gathering information vary, but all are consistent with the cultural considerations, needs, and preferences of the individual.

(135) "Personal Agent" means a person who:

(a) Is a case manager for the provision of case management services;

(b) Is the person-centered plan coordinator for an individual as defined in the Community First Choice State Plan Amendment;

(c) Works directly with individuals and, if applicable, the legal or designated representatives and families of individuals to provide or arrange for support services as described in these rules; and

(d) Meets the qualifications set forth in OAR 411-340-0150(5).

(136) "Personal Support Worker":

(a) Means a person:

(A) Who has a Medicaid provider number.

(B) Hired by an individual with an intellectual or developmental disability or the representative of the individual.

(C) Who receives money from the Department for the purpose of providing services to an individual in the home or community of the individual.

(D) Whose compensation for providing services is provided in whole or in part through the Department, CDDP, CIIS, or Support Services Brokerage.

(b) This definition of personal support worker is intended to be interpreted consistently with ORS 410.600.

(137) "Plan Year" means 12 consecutive months from the start date specified on an authorized ISP or Annual Plan.

(138) "Positive Behavioral Theory and Practice" means a proactive approach to behavior and behavior interventions that:

(a) Emphasizes the development of functional alternative behavior and positive behavior intervention;

(b) Uses the least intrusive intervention possible;

(c) Ensures that abusive or demeaning interventions are never used; and

(d) Evaluates the effectiveness of behavior interventions based on objective data.

(139) "Prescription Medication" means any medication that requires a prescription from a physician before the medication may be obtained from a pharmacist.

(140) "Primary Caregiver" means:

(a) For a child, the parent, guardian, relative, or other non-paid parental figure of a child that normally provides direct care to the child. In this context, the term parent or guardian may include a designated representative.

(b) For an adult, the person identified in an Individual Support Plan as providing the majority of services and support for an individual in the home of the individual.

(141) "Primary Care Provider" means the health care provider who delivers day-to-day comprehensive health care. Typically, the primary care provider acts as the first contact and principal point of continuing care for an individual within the health care system and coordinates other specialist care that the individual may need.

(142) "Private Duty Nursing" means the State Plan nursing services described in OAR chapter 410, division 132 (OHA, Private Duty Nursing Services) and OAR 411-350-0055 that are determined medically necessary to support an individual aged 18 through 20.

(143) "PRN (pro re nata)" means the administration of a medication to an individual on an 'as needed' basis.

(144) "Productivity" as defined in ORS 427.005 means regular engagement in income-producing work, preferable competitive employment with supports and accommodations to the extent necessary, by an individual that is measured through improvements in income level, employment status, or job advancement or engagement by an individual in work contributing to a household or community.

(145) "Progress Note" means a written record of an action taken by provider in the delivery of a service to support an individual. A progress note may also be a recording of information related to services, support needs, or circumstances of the individual which is necessary for the effective delivery of services.

(146) "Protection" means the necessary actions offered to an individual as soon as possible to prevent subsequent abuse or exploitation of the individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of the individual.

(147) "Protective Physical Interventions" are safety procedures utilized with an individual that assists in keeping the individual protected from harming themselves or others through supportive measures, as taught in the Oregon Intervention System.

(148) "Protective Services" mean the necessary actions offered to an individual as soon as possible to prevent subsequent abuse or exploitation of the individual, to prevent self-destructive acts, or to safeguard the person, property, and funds of the individual.

(149) "Provider" means a person, agency, organization, or business that is approved by the Department or other appropriate agency and selected by an individual, designated or legal representative to provide Department-funded services. The provider for a child may not also be the primary caregiver of the child.

(150) "Provider Agency" means a public or private community organization that delivers developmental disabilities services and is certified and endorsed by the Department under the rules in OAR chapter 411, division 323 or division 340, that:

(a) Is primarily in business to provide supports for individuals eligible to receive developmental disabilities;

(b) Provides supports for the individual through employees, contractors, or volunteers; and

(c) Receives compensation to recruit, supervise, and pay the person who actually provides support for the individual.

(151) "Provider Owned, Controlled, or Operated Setting" means:

(a) The provider is responsible for delivering home and community-based services to individuals in the setting and the provider:

(A) Owns the setting;

(B) Leases or co-leases the residential setting; or

(C) If the provider has a direct or indirect financial relationship with the property owner, the setting is presumed to be provider controlled or operated.

(b) A setting is not provider-owned, controlled, or operated if the individual leases directly from a third party that has no direct or indirect financial relationship with the provider.

(c) When an individual receives services in the home of a family member, the home is not considered provider-owned, controlled, or operated.

(152) "Psychotropic Medication" means a medication the prescribed intent of which is to affect or alter thought processes, mood, or behavior including, but not limited to, anti-psychotic, antidepressant, anxiolytic (anti-anxiety), and behavior medications. The classification of a medication depends upon its stated, intended effect when prescribed.

(153) "Quality Assurance" means a systematic procedure for assessing the effectiveness, efficiency, and appropriateness of services.

(154) "Relief Care" means the service that is provided on a periodic basis for the relief of, or due to the temporary absence of, a person normally available to provide supports to an individual. A unit of service of relief care is 24 hours. It is available through the Community First Choice State Plan Amendment

(155) "Request for Service" means:

(a) Submission of a completed application for developmental disabilities services as described in OAR 411-320-0080;

(b) A written request for a new developmental disabilities service or provider; or

(c) A written request for a change in a developmental disabilities service currently provided.

(156) "Residency Agreement" means the written and legally enforceable agreement between a residential provider and an individual or the legal or designated representative of the individual when the individual is receiving home and community-based services in a provider owned, controlled, or operated residential setting. The Residency Agreement identifies the rights and responsibilities of the individual and the residential provider and provides the individual protection from eviction substantially equivalent to landlord-tenant laws.

(157) "Residential Programs" means services delivered by:

(a) 24-hour residential programs described in OAR chapter 411, division 325;

(b) Adult foster homes described in OAR chapter 411, division 360;

(c) Supported living programs described in OAR chapter 411, division 328; and

(d) Foster homes for children described in OAR chapter 411, division 346.

(158) "Residential Settings" mean the location where individuals who get services from a residential program live.

(159) "Restraint" means any physical hold, device, or chemical substance that restricts, or is meant to restrict, the movement or normal functioning of an individual.

(160) "Review" means a request for reconsideration of a decision.

(161) "Safeguarding Equipment" means a device used to provide support to an individual for the purpose of achieving and maintaining func-

tional body position, proper balance, and protecting the individual from injury or symptoms of existing medical conditions.

(162) "School Aged" means the age at which an individual is old enough to attend kindergarten through high school.

(163) "Self-Administration of Medication" means an individual manages and takes his or her own medication, identifies his or her own medication and the times and methods of administration, places the medication internally in or externally on his or her own body without staff assistance upon written order of a physician, and safely maintains the medication without supervision.

(164) "Self-Determination" means a philosophy and process by which individuals with intellectual or developmental disabilities are empowered to gain control over the selection of support services that meet their needs. The basic principles of self-determination are:

(a) Freedom. The ability for an individual, together with freely-chosen family and friends, to plan a life with necessary support services rather than purchasing a predefined program;

(b) Authority. The ability for an individual, with the help of a social support network if needed, to control resources in order to purchase support services;

(c) Autonomy. The arranging of resources and personnel, both formal and informal, that assists an individual to live a life in the community rich in community affiliations; and

(d) Responsibility. The acceptance of a valued role of an individual in the community through competitive employment, organizational affiliations, personal development, and general caring for others in the community, as well as accountability for spending public dollars in ways that are life-enhancing for the individual.

(165) "Self-Direction" means that an individual, or as applicable the legal or designated representative of the individual, has decision-making authority over services and takes direct responsibility for managing services with the assistance of a system of available supports that promotes personal choice and control over the delivery of waiver and state plan services.

(166) "Sensory Impairment" means loss or impairment of sight or hearing from any cause, including involvement of the brain.

(167) "Service Agreement":

(a) Is the written agreement consistent with an ISP that describes at a minimum:

(A) Supports to be provided;

(B) Hours, rates, location of services, and expected outcomes of services; and

(C) Any specific individual health, safety, and emergency procedures that may be required, including action to be taken if an individual is unable to provide for their own safety and the individual is missing while in the community.

(b) For employed personal support workers, the service agreement serves as the written job description for Oregon Home Care Commission purposes.

(c) For non-personal support worker providers, the ISP when signed by the provider serves as the service agreement.

(168) "Service Element" means a funding stream to fund programs or services including, but not limited to, foster care, 24-hour residential, case management, supported living, support services, crisis diversion services, in-home comprehensive supports, or family support.

(169) "Service Level" means the amount of attendant care, skills training services, or personal care as described in OAR chapter 411, division 034, determined necessary by a functional needs assessment and made available to meet the identified support needs of an individual.

(170) "Service Record" means the combined information related to an individual.

(171) "Services Coordinator" means an employee of the Department, CDDP, or other agency that contracts with the county or Department who provides case management services. A services coordinator acts as the proponent for individuals with intellectual or developmental disabilities and is the person-centered plan coordinator for the individual as defined in the Community First Choice State Plan Amendment.

(172) "Setting" means the community-based location where services are delivered.

(173) "Sheltered Workshop" means a facility in which individuals with intellectual or developmental disabilities are congregated for the purpose of receiving employment services and performing work tasks for pay at the facility. A sheltered workshop primarily employs individuals with intellectual and developmental disabilities, or other disabilities, with the exception of service support staff. A sheltered workshop is a fixed site that is owned, operated, or controlled by a provider, where an individual has few or no opportunities to interact with individuals who do not have disabilities, not including paid support staff. A sheltered workshop is not small group employment in an integrated employment setting, and is not otherwise an integrated employment setting.

(174) "Significant Other" means a person selected by an individual to be the friend of the individual.

(175) "Skills Training" means the hourly service that is intended to increase the independence of an individual through training, coaching, and prompting the individual to accomplish ADL, IADL, and health-related skills. Skills training is available through the Community First Choice State Plan Amendment.

(176) "Social Benefit" means that developmental disabilities services are intended to assist an individual to function in society on a level comparable to that of a person who does not experience a developmental disability.

(a) Social benefits may not:

(A) Duplicate benefits and services otherwise available to a person regardless of disability;

(B) Replace normal parental responsibilities for the services, education, recreation, and general supervision of a child;

(C) Except as described in OAR chapter 411, division 435 for transition services, provide financial assistance with food, clothing, shelter, and laundry needs common to any person; or

(D) Replace other governmental or community services available to an individual.

(b) Assistance provided as a social benefit is reimbursement for an expense previously authorized in an ISP.

(c) Assistance provided as a social benefit may not exceed the actual cost of the support required by an individual to be supported in the home of the individual.

(177) "Staff" means a paid employee who is responsible for providing services and supports to individuals and whose wages are paid in part or in full with funds sub-contracted with a Community Developmental Disabilities Program, Brokerage, or contracted directly through the Department.

(178) "Substantiated" means an abuse investigation has been completed by the Department or the designee of the Department and the preponderance of the evidence establishes the abuse occurred.

(179) "Support" means:

(a) For a child, the assistance that a child and a family requires, solely because of the effects of a condition that makes the child eligible for developmental disabilities, to maintain or increase the age-appropriate independence of the child, achieve age-appropriate community presence and participation of the child, and to maintain the child in the family home. Support is subject to change with time and circumstances.

(b) For an adult, the assistance that an adult individual requires, solely because of the effects of an intellectual or developmental disability, to maintain or increase independence, achieve community presence and participation, and improve productivity. Support is subject to change with time and circumstances.

(180) "Transfer" means movement of an individual from one service setting to a different service setting administered or operated by the same provider.

(181) "Transition-Age" means:

(a) Not older than 24 years of age.

(b) Not younger than 14 years of age. With respect to Vocational Rehabilitation Services, persons who are under 16 years of age may receive employment services with Department approval. With respect to ODDS, persons who are under 18 years of age may receive employment services with Department approval.

(182) "Unacceptable Background Check" means an administrative process that produces information related to the background of a person that precludes the person from being an independent provider for one or more of the following reasons:

(a) Under OAR 407-007-0275, the person applying to be an independent provider has been found ineligible due to ORS 443.004;

(b) Under OAR 407-007-0275, the person was enrolled as an independent provider for the first time, or after any break in enrollment, after July 28, 2009 and has been found ineligible due to ORS 443.004; or

(c) A background check and fitness determination has been conducted resulting in a "denied" status as defined in OAR 407-007-0210.

(183) "Unusual Incident" means any incident involving an individual that includes serious illness or an accident, death, injury or illness requiring inpatient or emergency hospitalization, a suicide attempt, when an individ-

ual contacts the police or is contacted by the police, a fire requiring the services of a fire department, an act of physical aggression, or any incident requiring an abuse investigation.

(184) "Variance" means the temporary exemption from a regulation or provision of the rules that may be granted by the Department upon written application.

(185) "Volunteer" means any person assisting a provider without pay to support the services and supports provided to an individual.

(186) "Workday" means 12:00 AM through 11:59 PM.

(187) "Work Week" means 12:00 AM Sunday through 11:59 PM Saturday,

(188) "Written Outcome" means the written response from the Department or the local program to a complaint following a review of the complaint.

(189) "Young Adult" means a young individual aged 18 through 20.

Rule Caption: ODDS: Community Living Supports
Adm. Order No.: APD 27-2016
Filed with Sec. of State: 6-29-2016
Certified to be Effective: 6-29-16
Notice Publication Date: 5-1-2016
Rules Adopted: 411-450-0010, 411-450-0020, 411-450-0030, 411-450-0040, 411-450-0050, 411-450-0060, 411-450-0070, 411-450-0080, 411-450-0100
Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is adopting rules for community living supports in OAR chapter 411, division 450 to include the eligibility requirements, service descriptions, service limits, and provider qualifications for attendant care, relief care, and skills training available under the Community First Choice1915(k) funding authority. These rules were taken from portions of current rules located in OAR chapter 411, divisions 300, 308, 330, 340, 350, and 355. The relevant portions of those rules are being eliminated and consolidated into this new division. This will assure that variation within rules across program areas related to these services are eliminated.

The Department is also incorporating new sections into OAR chapter 411, division 450 that were not in prior rules, including:

- A financial eligibility requirement that an individual with a certain amount of home equity is ineligible for community living supports.

- Authority for the Department to deny services when the services are unable to adequately meet the needs of the individual or when the setting in which services are delivered is not safe for the individual or provider.

- Requiring agency providers to notify the Department when the provider intends to change operations in a way that multiple individuals will lose services.

- Adaptations to any rules that are impacted by OAR chapter 411, division 004 related to home and community-based requirements for facility-based services.

- The provision for these rules to be used as the basis for an agency endorsement as described in OAR chapter 411 division 323.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-450-0010
Statement of Purpose

(1) The rules in OAR chapter 411, division 450 prescribe standards, responsibilities, and procedures for the delivery of community living supports. Supports are intended to permit individuals to live independently in a community-based setting.

(2) Community living supports are designed to prevent out-of-home placement of a child, or to return a child to the family home from a residential setting other than the family home.

(3) These rules prescribe service eligibility requirements for individuals receiving community living supports, and standards and procedures for agency providers operating a community living supports program.

(4) The rules in OAR chapter 411, division 450 effectuate Oregon's Employment First policy under which the employment of individuals with developmental disabilities in competitive integrated employment is the highest priority over unemployment, segregated employment, or other non-work day activities. The delivery of services provided under these rules presumes all individuals eligible for services are capable of working in an integrated employment setting and earning minimum wage or better.

411-450-0020
Definitions and Acronyms

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 450:

(1) "ADL" means "Activities of Daily Living".

(2) "CDDP" means "Community Developmental Disabilities Program".

(3) "Facility-Based" means a service that is operated at a fixed site owned, operated, or controlled by a service provider where an individual has few or no opportunities to interact with people who do not have a disability except for paid staff.

(4) "Family":

(a) Means a unit of two or more people that includes at least one individual, found to be eligible for developmental disabilities services, where the primary caregiver is:

(A) A family member as defined in OAR chapter 411, division 317; or

(B) In a domestic relationship where partners share:

(i) A permanent residence;

(ii) Joint responsibility for the household in general, such as child-rearing, maintenance of the residence, and basic living expenses; and

(iii) Joint responsibility for supporting the individual when the individual is related to one of the partners by blood, marriage, or legal adoption.

(b) The term "family" is defined as described above for purposes of determining the service eligibility of an individual for community living supports as a resident in the family home.

(5) "Functional Needs Assessment":

(a) Means the comprehensive assessment or re-assessment that:

(A) Documents physical, mental, and social functioning;

(B) Identifies risk factors and support needs; and

(C) Determines the service level as defined in OAR 411-317-0000, including the maximum number of hours that may be authorized.

(b) The functional needs assessment required for an adult to access community living supports is known as the Adult Needs Assessment (ANA). The Department incorporates Version C of the ANA into these rules by this reference. The ANA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/.

(c) The functional needs assessment required for a child to access community living supports is known as the Children's Needs Assessment (CNA). The Department incorporates Version C of the CNA into these rules by this reference. The CNA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/.

(d) A printed copy of the assessment tool may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, OR 97301.

(6) "IADL" means "Instrumental Activities of Daily Living".

(7) "In-Home Expenditure Guidelines" mean the guidelines published by the Department that describe allowable uses for Department funds. Effective January 1, 2015, the Department incorporates Version 2.0 of the In-home Expenditure Guidelines into these rules by this reference. The In-home Expenditure Guidelines are maintained by the Department at: http://www.oregon.gov/dhs/dd/adults/ss_exp_guide.pdf. A printed copy may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, Oregon 97301.

(8) "ISP" means "Individual Support Plan".

(9) "OCCS" means the "Oregon Health Authority, Office of Client and Community Services".

(10) "OHP" means "Oregon Health Plan".

(11) "OSIPM" means "Oregon Supplemental Income Program-Medical".

(12) "Primary Caregiver" means the person identified in an ISP as providing the majority of service and support for an individual in the home of the individual.

(13) "PSW" means "Personal Support Worker".

(14) "These Rules" mean the rules in OAR chapter 411, division 450.

411-450-0030
Eligibility for Community Living Supports

(1) An individual may not be denied community living supports or otherwise discriminated against on the basis of age, diagnostic or disability category, race, color, creed, national origin, citizenship, income, or duration of Oregon residence.

(2) To be eligible for community living supports, an individual must:

(a) Be an Oregon resident.

(b) Be determined eligible for developmental disabilities services by the CDDP of the county of origin as described in OAR 411-320-0080, except for those enrolled in the Medically Involved Children's Waiver or the Medically Fragile Children's Program as described in OAR chapter 411, division 300.

(c) Choose to use a case management entity for assistance with design and management of developmental disabilities services.

(d) Be receiving a Medicaid Title XIX (OHP) benefit package through OSIPM or OCCS medical program.

(A) An adult is eligible for community living supports if the adult had been receiving community living supports as a child up to the 18th birthday and has not become ineligible due to section (2)(d)(B) of this rule.

(B) Eligibility for community living supports based on section (2)(d)(A) of this rule ends if:

(i) The individual does not apply for a disability determination and Medicaid within 10 business days of his or her 18th birthday;

(ii) The Social Security Administration or the Presumptive Medicaid Disability Determination Team of the Department finds that the individual does not have a qualifying disability; or

(iii) The individual is determined by the state of Oregon to be ineligible for a Medicaid Title XIX (OHP) benefit package through OSIPM or OCCS medical program.

(C) Individuals receiving Medicaid OHP under OCCS medical coverage for services in a nonstandard living arrangement as defined in OAR 461-001-0000 are subject to the requirements in the same manner as if they were requesting these services under OSIPM, including the rules regarding:

(i) The transfer of assets as set forth in OAR 461-140-0210 to 461-140-0300; and

(ii) The equity value of a home which exceeds the limits as set forth in OAR 461-145-0220.

(e) Be determined to meet the level of care defined in OAR 411-415-0020.

(f) POST ELIGIBILITY TREATMENT OF INCOME Individuals with excess income must contribute to the cost of service pursuant to OAR 461-160-0610 and OAR 461-160-0620.

(g) Participate in a functional needs assessment and provide information necessary to complete the functional needs assessment and reassessment within the time frame required by the Department.

(A) Failure to participate in the functional needs assessment or to provide information necessary to complete the functional needs assessment or reassessment within the applicable time frame results in the denial of service eligibility. In the event service eligibility is denied, a written Notification of Planned Action must be provided as described in OAR chapter 411, division 318.

(B) The Department may allow additional time if circumstances beyond the control of the individual prevent timely participation in the functional needs assessment or timely submission of information necessary to complete the functional needs assessment or reassessment.

(h) A child receiving supports and services under the family support program as described in OAR 411-305-0120 is not eligible to receive community living supports.

411-450-0040
Community Living Supports Entry and Exit

(1) A provider of community living supports must agree in writing to provide those supports identified in an ISP for the individual. Agreement may be shown by a signature on a Service Agreement. The agreement must include acknowledgement of:

(a) Limits of service that may be provided; and

(b) Payment rate.

(2) An individual must have community living supports terminated:

(a) At the end of a service period agreed upon by all parties and specified in the ISP;

(b) At the oral or written request of the individual or legal representative to end the service relationship;

(c) When the individual has been determined to no longer meet eligibility for community living supports as described in OAR 411-450-0030;

(d) When the case management entity has sufficient evidence to believe that an individual has engaged in fraud or misrepresentation, failed to use resources consistent with the services as agreed upon in the ISP, refused to cooperate with documenting expenses, or otherwise knowingly misused public funds associated with these services; or

(e) When the individual either cannot be located or has not responded following 30 days of repeated attempts by staff of the case management entity to complete ISP development or monitoring activities, including participation in a functional needs assessment. An individual, and as applicable the legal or designated representative of the individual, must participate in a functional needs assessment and provide information necessary to complete the functional needs assessment and reassessment within the time frame required by the Department.

(A) Failure to participate in the functional needs assessment or provide information necessary to complete the functional needs assessment or reassessment within the applicable time frame results in the denial of service eligibility.

(B) The Department may allow additional time if circumstances beyond the control of the individual prevent timely participation in the functional needs assessment or reassessment or timely submission of information necessary to complete the functional needs assessment or reassessment.

(3) INVOLUNTARY REDUCTIONS AND EXITS.

(a) A provider agency must only reduce or exit an individual involuntarily for one or more of the following reasons:

(A) The behavior of the individual poses an imminent risk of danger to self or others;

(B) The individual experiences a medical emergency;

(C) The service needs of the individual exceed the ability of the provider;

(D) The individual fails to pay for services when required to do so; or

(E) The certification or endorsement for the provider agency described in OAR chapter 411, division 323 is suspended, revoked, not renewed, or voluntarily surrendered.

(b) PROVIDER AGENCY NOTICE OF INVOLUNTARY REDUCTION OR EXIT. A provider agency must not reduce services, transfer, or exit an individual involuntarily without 30 days advance written notice to the individual, the legal or designated representative of the individual (as applicable), and the case manager, except in the case of a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others as described in subsection (c) of this section.

(A) The written notice must be provided on the Notice of Involuntary Reduction or Exit form approved by the Department and include:

(i) The reason for the reduction or exit; and

(ii) The right of the individual to a hearing as described in subsection (e) of this section.

(B) A Notice of Involuntary Reduction or Exit is not required when an individual requests the reduction or exit.

(c) A provider may give less than 30 days advance written notice only in a medical emergency or when an individual is engaging in behavior that poses an imminent danger to self or others. The notice must be provided to the individual, the legal or designated representative of the individual (as applicable), and the case manager immediately upon determination of the need for a reduction, transfer, or exit.

(d) NOTICE OF INVOLUNTARY GROUP REDUCTION, TRANSFER, OR EXIT. If a community living supports provider reduces or transfers more than 10 individuals within any 30 calendar day period, the community living supports provider must provide 60 days advance written notice to the individuals, the Department, the legal or designated representative of the individual (as applicable), and the case manager.

(A) The written notice must be provided on the Notice of Involuntary Reduction, Transfer, or Exit form approved by the Department and include:

(i) The reason for the reduction, transfer, or exit; and

(ii) The right of the individual to a hearing as described in subsection (e) of this section.

(B) A Notice of Involuntary Group Reduction, Transfer, or Exit is not required when an individual requests the reduction, transfer, or exit.

(e) HEARING RIGHTS. An individual must be given the opportunity for a hearing under ORS chapter 183 and OAR 411-318-0030 to dispute an involuntary reduction or exit. If an individual requests a hearing, the individual must receive the same services until the hearing is resolved. When an individual has been given less than 30 days advance written notice of a reduction, transfer, or exit as described in subsection (c) of this section and the individual has requested a hearing, the provider must reserve service availability for the individual until receipt of the Final Order.

411-450-0050
Minimum Standard for Community Living Supports

(1) ABUSE PROHIBITED. No adult or child shall be abused and abuse shall not be tolerated by any employee, staff, or volunteer of an individual, agency, or case management entity.

(2) Community living supports, purchased with Department funds, must be provided only as a social benefit.

(3) Community living supports must be delivered in a manner consistent with positive behavioral theory and practice, and where behavior intervention is not undertaken unless the behavior:

(a) Represents a risk to health and safety of the individual or others;

(b) Is likely to continue and become more serious over time;

(c) Interferes with community participation;

(d) Results in damage to property; or

(e) Interferes with learning, socializing, or vocation.

(4) Community living supports must be delivered in accordance with applicable state and federal wage and hour regulations.

(5) For a child, community living supports are considered to be for supports that are not typical for a parent or guardian to provide to a child of the same age.

(6) Community living supports may only be reimbursed when they are consistent with the In-Home Expenditure Guidelines.

(7) Community living supports shall only be reimbursed after community living supports are delivered as identified in an ISP or Service Agreement.

(8) Department funds may not be used for:

(a) A reimbursement to an individual, legal or designated representative, or family member of the individual, for expenses related to services.

(b) An advancement of funds to an individual, legal or designated representative, or family member of the individual, to obtain services.

(c) Services or activities that are carried out in a manner that constitutes abuse as defined in OAR 407-045-0260 or OAR chapter 411, division 317.

(d) Services that restrict the freedom of movement of an individual by seclusion in a locked room under any condition.

(e) Vacation costs that are normally incurred by a person on vacation, regardless of disability, and are not strictly required by the need of the individual for ADL, IADL, or health related tasks in all home and community-based settings.

(f) Rate enhancements to existing employment services under OAR chapter 411, division 345.

(g) Services or supports that are not necessary as determined by a functional needs assessment or are not cost-effective.

(h) Services that do not meet the description of community living supports as described in these rules, or that do not meet the definition of social benefits as defined in OAR 411-317-0000.

(i) Educational services for school-age individuals, including professional instruction, formal training, and tutoring in communication, socialization, and academic skills.

(j) Services, activities, materials, or equipment that may be obtained by the individual through other available means, such as private or public insurance, philanthropic organizations, or other governmental or public services.

(k) Services or activities for which the legislative or executive branch of Oregon government has prohibited use of public funds.

(l) Services in circumstances where the case management entity determines there is sufficient evidence to believe that the individual, the legal or designated representative of the individual (as applicable), legal representative, or provider has engaged in fraud or misrepresentation, failed to use resources as agreed upon in the ISP, refused to cooperate with record keeping required to document use of Department funds, or otherwise knowingly misused public funds associated with community living supports.

(m) Services provided in a nursing facility, correctional institution, Behavioral Rehabilitation Services facility, Psychiatric Residential Treatment Services facility, or hospital.

(n) Unless under certain conditions and limits specified in Department guidelines, employee wages or provider agency charges for time or services when the individual is not present or available to receive services, including, but not limited to hourly "no show" charge, and provider travel and preparation hours.

(o) Costs associated with training a PSW, other independent provider, or provider agency staff to deliver services.

(p) After September 1, 2018, services that are not delivered in a home and community-based setting.

(q) Services available to an individual under Vocational Rehabilitation and Other Rehabilitation Services, 29 U.S.C. § 701-796l, as amended.

(r) Services available to an individual under the Individuals with Disabilities Education Act, 20 U.S.C §1400, as amended.

(s) Notwithstanding abuse as defined in ORS 419B.005, services that the case management entity determines are characterized by failure to act or neglect that leads to, or is in imminent danger of causing, physical injury through negligent omission, treatment, or maltreatment of an individual.

(t) Support generally provided for a child of similar age without disabilities by the parent or guardian or other family members.

(u) Supports and services that are funded by child welfare in the family home.

(v) Educational and supportive services provided by schools as part of a free and appropriate public education for children and young adults under the Individuals with Disabilities Education Act.

(w) Home schooling.

411-450-0060
Community Living Supports

(1) Department funds may be used to purchase community living supports available through the Community First Choice state plan that include:

(a) Attendant care as described in section (2) of this rule;

(b) Skills training as described in section (3) of this rule; and

(c) Relief care as described in section (4) of this rule.

(2) ATTENDANT CARE SERVICES. Attendant care services include direct support provided to an individual in the home of the individual or community by a qualified provider. ADL and IADL services provided through attendant care must be needed to permit individuals to live independently in a community-based setting.

(a) ADL services include, but are not limited to:

(A) Basic personal hygiene — providing or assisting with needs such as bathing (tub, bed, bath, shower), hair care, grooming, shaving, nail care, foot care, dressing, skin care, or oral hygiene.

(B) Toileting, bowel, and bladder care - assisting to and from the bathroom, on and off toilet, commode, bedpan, urinal, or other assistive device used for toileting, changing incontinence supplies, following a toileting schedule, managing menses, cleansing an individual or adjusting clothing related to toileting, emptying a catheter, drainage bag, or assistive device, ostomy care, or bowel care.

(C) Mobility, transfers, and repositioning - assisting with ambulation or transfers with or without assistive devices, turning an individual or adjusting padding for physical comfort or pressure relief, or encouraging or assisting with range-of-motion exercises.

(D) Eating — assisting with adequate fluid intake or adequate nutrition, assisting with food intake (feeding), monitoring to prevent choking or aspiration, assisting with adaptive utensils, cutting food, and placing food, dishes, and utensils within reach for eating.

(E) Cognitive assistance or emotional support provided to an individual due to an intellectual or developmental disability - helping the individual cope with change and assisting the individual with decision-making, reassurance, orientation, memory, or other cognitive functions.

(b) IADL services include, but are not limited to:

(A) Light housekeeping tasks necessary to maintain an individual in a healthy and safe environment - cleaning surfaces and floors, making the individual's bed, cleaning dishes, taking out the garbage, dusting, and laundry.

(B) Grocery and other shopping necessary for the completion of other ADL and IADL tasks.

(C) Meal preparation and special diets.

(D) Support with participation in the community:

(i) Support with community participation — assisting an individual in acquiring, retaining, and improving skills to use available community resources, facilities, or businesses, and improving self-awareness and self-control; and

(ii) Support with communication — assisting an individual in acquiring, retaining, and improving expressive and receptive skills in verbal and non-verbal language, social responsiveness, social amenities, and interpersonal skills, and the functional application of acquired reading and writing skills.

(c) Assistance with ADLs, IADLs, and health-related tasks may include cueing, monitoring, reassurance, redirection, set-up, hands-on, or standby assistance. Assistance may be provided through human assistance or the use of electronic devices or other assistive devices. Assistance may also require verbal reminding to complete any of the IADL tasks described in subsection (b) of this section.

(A) "Cueing" means giving verbal, audio, or visual clues during an activity to help an individual complete the activity without hands-on assistance.

(B) "Hands-on" means a provider physically performs all or parts of an activity because an individual is unable to do so.

(C) "Monitoring" means a provider observes an individual to determine if assistance is needed.

(D) "Reassurance" means to offer an individual encouragement and support.

(E) "Redirection" means to divert an individual to another more appropriate activity.

(F) "Set-up" means the preparation, cleaning, and maintenance of personal effects, supplies, assistive devices, or equipment so that an individual may perform an activity.

(G) "Stand-by" means a provider is at the side of an individual ready to step in and take over the task if the individual is unable to complete the task independently.

(d) For a child, the primary caregiver is expected to be present or available during the provision of attendant care. ADL and IADL services provided through attendant care must support the child to live as independently as appropriate for the age of the child and support, but not supplant, the family in their primary caregiver role.

(3) SKILLS TRAINING. Skills training is specifically tied to accomplishing ADL, IADL, and other health-related tasks as identified by the functional needs assessment and ISP and permit an individual to live independently in a community-based setting.

(a) Skills training may be applied to the use and care of assistive devices and technologies.

(b) Skills training is authorized when:

(A) The anticipated outcome of the skills training, as documented in the ISP, is measurable;

(B) Timelines for measuring progress towards the anticipated outcome are established in the ISP; and

(C) Progress towards the anticipated outcomes are measured and the measurements are evaluated by a case manager no less frequently than every six months, based on the start date of the initiation of the skills training.

(c) When anticipated outcomes are not achieved within the timeframe outlined in the ISP, the case manager must reassess or redefine the use of skills training with the individual for that particular goal.

(d) For a child, the primary caregiver is expected to be present or available during the provision of skills training. ADL and IADL services provided through skills training must support the child to live as independently as appropriate for the age of the child and support, but not supplant, the family in their primary caregiver role.

(e) Skills training may not replace or supplant the services of the educational system in fulfilling its obligation to educate an individual.

(4) RELIEF CARE.

(a) Relief care may not be characterized as daily or periodic services provided solely to allow the primary caregiver to attend school or work. Daily relief care may be provided in segments that are sequential. Daily relief care delivered by a PSW may not exceed seven consecutive days without permission from the Department.

(b) Relief care may be provided in:

(A) The home of the individual;

(B) A licensed or certified setting;

(C) The home of a qualified provider, chosen by the individual or the representative of the individual, that is a safe setting for the individual; or

(D) The community, during the provision of ADL, IADL, health-related tasks, and other supports identified in the ISP for the individual.

(c) No other community living supports may be provided to an individual during the 24-hour unit of daily relief care.

(5) Community living supports may be delivered:

(a) Individually or in a group as indicated by the outcome of the person centered planning process for the individual.

(b) In the home, community, or a facility.

(A) Community living supports are facility-based if delivered at a fixed site outside of the home of the individual that is operated, owned, or controlled by the service provider.

(B) Facility-based community living supports must, at minimum, provide on-going opportunities and encouragement to individuals for going out into the broader community. Providers initially certified or endorsed by the Department or the Oregon Health Authority on or after January 1, 2016, must comply with this requirement prior to being certified and endorsed to provide services under these rules. Existing providers certified and endorsed prior to January 1, 2016, must make measurable progress toward compliance with this requirement, consistent with a department approved transition plan, and be in full compliance with these rules by September 1, 2018.

(6) SETTING LIMITATIONS.

(a) An individual who lives in their own or family home is eligible for community living supports described in these rules for which the individual has an assessed need and the person centered planning process determines to be appropriate unless:

(A) The Department determines that the health and safety of the individual cannot be reasonably assured through the delivery of community living supports; or

(B) Dangerous conditions in the service setting jeopardize the health or safety of the individual or provider, and the individual, or the legal or designated representative of the individual, is unable or unwilling to implement necessary safeguards to minimize the dangers.

(b) An individual enrolled to a residential program, an adult foster home licensed under OAR chapter 411, division 050, or an assisted living facility licensed under OAR chapter 411, division 054 is not eligible for:

(A) Community living supports provided by a personal support worker.

(B) Community living supports delivered in the home of the individual, whether the home is a licensed setting or not.

(C) Relief care.

(c) A child living in a Behavior Rehabilitation Services (BRS) program as described in OAR 410-170-0000 through 410-170-0120, or Psychiatric Residential Treatment Services (PRTS) as defined in OAR 309-022-0100 is not eligible for community living supports.

(7) SERVICE LIMITS.

(a) All community living supports must be authorized in an ISP as described in OAR 411-415-0070.

(b) For an individual residing in their own or family home, the amount of community living supports in any plan year is limited to the service level determined by a functional needs assessment. The functional needs assessment determines:

(A) The total number of hours available to meet identified needs. The total number of hours may not be exceeded without prior approval from the Department. The types of services that contribute to the total number of hours used include:

(i) Attendant care;

(ii) Skills training; and

(iii) State plan personal care service hours as described in OAR chapter 411, division 034.

(B) The need for two staff to be available simultaneously to provide community living supports to the individual. When such a need is identified, the functional needs assessment determines the maximum number of hours two staff may be simultaneously available.

(c) For an individual enrolled in a residential program, an adult foster home licensed under OAR chapter 411, division 050, or an assisted living facility licensed under OAR chapter 411, division 054, any combination of job coaching, supported employment - small group employment support, employment path services, and community living supports must not exceed an average of 25 hours per week.

(d) No more than 14 days of relief care in a plan year are allowed without approval from the Department. Each day of respite services described in and provided under OAR 411-070-0043(5) contributes to the 14-day limit for relief care.

411-450-0070

Community Living Supports Providers and Provider Requirements

Delivery of community living supports is limited to the following provider types:

(1) A PSW who meets the standards described in OAR chapter 411, division 375.

(a) Except for a PSW delivering supports to a child in a CIIS program, a PSW may not provide more than 50 hours of community living supports per work week, as defined in OAR 411-375-0020, per individual unless the case management entity or the Department has approved an exception. A PSW delivering supports to a child in a CIIS program may not provide more than 40 hours per work week. The 24 hour relief care service does not contribute to the weekly hour limit.

(b) A PSW is not an available provider type when there is not a common law employer as described in OAR 411-375-0070.

(c) A PSW may not provide community living supports to an individual when the PSW and individual reside together unless:

(A) The PSW is a family member;

(B) The PSW does not own or control the property; or

(C) The individual and the PSW have equal homeowner or rental property rights.

(2) A provider agency certified according to OAR chapter 411, division 323 with an endorsement to these rules.

(3) A home health agency with a current license issued under ORS 443.015.

(4) An in-home care agency with a current license issued under ORS 443.315.

(5) A provider organization currently certified under OAR chapter 411, division 340 whose certificate was issued or applied for prior to January 1, 2016.

(6) A provider agency certified under OAR chapter 411, division 323 and endorsed to OAR 411-340-0170 between January 1, 2016 and the adoption of these rules.

(7) An agency certified under OAR chapter 411, division 323 and endorsed to OAR chapter 411, division 328 for supported living programs or to OAR chapter 411, division 325 for 24-hour residential programs or OAR chapter 411, division 345 for employment may provide community living supports without an endorsement to these rules until the agency's certification is renewed following the adoption of these rules.

(8) An adult foster home licensed under OAR chapter 411, division 360.This provider type may only deliver community living supports:

(a) When they are in or based out of the licensed setting. An adult foster home provider may not provide community living supports to an individual in or based out of the individual's home.

(b) To an adult.

(9) A child foster home licensed under OAR chapter 411, division 346. This provider type may only deliver community living supports:

(a) When they are in or based out of the licensed setting. A child foster home provider may not provide community living supports to a child in or based out of the child's home.

(b) To a child.

(10) An agency certified under OAR chapter 411, division 323 and endorsed to OAR chapter 411, division 325 for 24-hour residential programs does not require endorsement to these rules to deliver community living supports when they are in or based out of the licensed setting. A provider of a 24-hour residential program may not provide community living supports to an individual in or based out of the individual's home.

(11) Providers qualified to deliver community living supports under sections (5) though (10) of this rule are subject to OAR 411-450-0040, 411-450-0050, 411-450-0060, and sections (6) through (23) of 411-450-0080 when delivering community living supports.

411-450-0080

Standards for Provider Agencies Delivering Community Living Supports

(1) CERTIFICATION, ENDORSEMENT, AND ENROLLMENT. To be endorsed to operate a community living support program, the agency must have:

(a) A certificate and an endorsement to operate a community living support program as set forth in OAR chapter 411, division 323; and

(b) A Medicaid Agency Identification Number assigned by the Department as described in OAR chapter 411, division 370.

(2) INSPECTIONS AND INVESTIGATIONS. The provider must allow inspections and investigations as described in OAR 411-323-0040.

(3) MANAGEMENT AND PERSONNEL PRACTICES. The provider must comply with the management and personnel practices as described in OAR 411-323-0050.

(4) PERSONNEL FILES AND QUALIFICATION RECORDS. The provider must maintain written documentation of six hours of pre-service training prior to supervising individuals that includes mandatory abuse reporting training, ISPs, and service agreements.

(5) CONFIDENTIALITY OF RECORDS. The provider must ensure the confidentiality of the records for individuals as described in OAR 411-323-0060.

(6) DOCUMENTATION REQUIREMENTS. Unless stated otherwise, all entries required by these rules must:

(a) Be prepared at the time or immediately following the event being recorded;

(b) Be accurate and contain no willful falsifications;

(c) Be legible, dated, and signed by the person making the entry; and

(d) Be maintained for no less than five years.

(7) Providers must maintain progress notes regarding the community living supports provided. The progress note must include, at minimum, the following information regarding the service rendered:

(a) The date and time the service was provided;

(b) The personnel involved; and

(c) Information regarding the nature of the support provided and how the support met an identified ADL or IADL support need or was a health related task.

(8) Progress notes must be made available monthly and upon request by a case management entity.

(9) Failure to furnish written documentation upon the written request from the Department, the Oregon Department of Justice Medicaid Fraud Unit, Centers for Medicare and Medicaid Services, or their authorized representatives, immediately or within timeframes specified in the written request, may be deemed reason to recover payment.

(10) Records must be retained in accordance with OAR chapter 166, division 150, Secretary of State, Archives Division.

(a) Financial records, supporting documents, statistical records, and all other records (except individual records) must be retained for at least three years after the close of the contract period.

(b) Individual records must be kept for at least seven years.

(11) UNUSUAL INCIDENTS.

(a) A written report that describes any injury, accident, act of physical aggression, or unusual incident involving an individual and a provider agency employee must be prepared at the time of the incident and placed in the individual's service record. The report must include:

(A) Conditions prior to, or leading to, the incident;

(B) A description of the incident;

(C) Staff response at the time; and

(D) Administrative review and follow-up to be taken to prevent recurrence of the injury, accident, physical aggression, or unusual incident.

(b) The agency must notify the case management entity immediately of an incident or allegation of abuse falling within the scope of OAR 407-045-0260.

(c) In the case of a serious illness, injury, or death of an individual, an agency must immediately notify the individual's legal or designated representative, parent, next of kin, and designated contact person, as applicable.

(d) An agency must send copies of incident reports of all potential or suspected abuse or unusual incidents that occur while the individual is receiving services from an agency to the individual's case management entity within five working days of the potential or suspected abuse or unusual incident.

(12) The agency must develop and implement policies and procedures required for administration and operation in compliance with these rules, including, but not limited to:

(a) Individual rights. The agency must have, and implement, written policies and procedures that protect the individual rights described in OAR 411-318-0010 and that:

(A) Provide for individual participation in selection, training, and evaluation of staff assigned to provide services to individuals;

(B) Protect individuals during hours of service from financial exploitation that may include, but is not limited to:

(i) Staff borrowing from or loaning money to individuals;

(ii) Witnessing wills in which the staff or agency may benefit directly or indirectly; or

(iii) Adding the name of the staff member or agency to the bank account or other personal property of the individual without approval of the individual or the legal representative of the individual (as applicable).

(b) Policies and procedures appropriate to scope of service including, but not limited to, those required to meet minimum standards set forth in sections (15) to (22) of this rule and consistent with the ISPs or written service agreements for individuals currently receiving services.

(13) The agency must deliver services according to an ISP or written Service Agreement.

(14) Service rates as authorized in Department payment and reporting systems for individuals authorized to receive in community living supports and paid to providers for delivering services, as described in these rules, shall be based upon the agency fee schedule published by the Department. For an agency offering services to the general public, billings for Medicaid funds may not exceed the customary charges to private individuals for any like item or services charged by the agency.

(15) The agency must maintain a current record for each individual receiving services. The record must include:

(a) The name, current home address, and home phone number of the individual;

(b) A current ISP or written Service Agreement;

(c) Contact information for the legal or designated representative of the individual (as applicable) and any other people designated by the individual to be contacted in case of incident or emergency;

(d) Contact information for the case management entity assisting the individual to obtain services; and

(e) Records of service provided, including type of services, dates, hours, and personnel involved.

(16) The agency must ensure that employees, contractors, and volunteers receive appropriate and necessary training.

(17) Each agency regulated by these rules must be a drug-free workplace.

(18) Agencies that own or lease sites, provide services to individuals at those sites, and regularly have individuals present and receiving services at those sites, must meet the following minimum requirements:

(a) A written emergency plan must be developed and implemented and must include instructions for staff and volunteers in the event of fire, explosion, accident, or other emergency including evacuation of individuals served.

(b) Posting of emergency information:

(A) The telephone numbers of the local fire, police department, and ambulance service, or "911" must be posted by designated telephones; and

(B) The telephone numbers of the agency director and other people to be contacted in case of emergency must be posted by designated telephones.

(c) A documented safety review must be conducted quarterly to ensure that the service site is free of hazards. Safety review reports must be kept in a central location by the agency for three years.

(d) The agency must train all individuals when the individuals begin attending the service site to leave the site in response to an alarm or other emergency signal and to cooperate with assistance to exit the site.

(A) Each agency must conduct an unannounced evacuation drill each month when individuals are present.

(B) Exit routes must vary based on the location of a simulated fire.

(C) Any individual failing to evacuate the service site unassisted within the established time limits set by the local fire authority for the site must be provided specialized training or support in evacuation procedures.

(D) Written documentation must be made at the time of the drill and kept by the agency for at least two years following the drill. The written documentation must include:

(i) The date and time of the drill;

(ii) The location of the simulated fire;

(iii) The last names of all individuals and staff present at the time of the drill;

(iv) The amount of time required by each individual to evacuate if the individual needs more than the established time limit; and

(v) The signature of the staff conducting the drill.

(E) In sites providing services to individuals who are medically fragile or have severe physical limitations, requirements of evacuation drill conduct may be modified. The modified plan must:

(i) Be developed with the local fire authority, the individual or the individual's legal or designated representative (as applicable), and the agency director; and

(ii) Be submitted as a variance request according to OAR 411-450-0170.

(e) The agency must provide necessary adaptations to ensure fire safety for sensory and physically impaired individuals.

(f) At least once every three years, the agency must conduct a health and safety inspection.

(A) The inspection must cover all areas and buildings where services are delivered to individuals, including administrative offices and storage areas.

(B) The inspection must be performed by:

(i) The Oregon Occupational Safety and Health Division;

(ii) The agency's worker's compensation insurance carrier;

(iii) An appropriate expert, such as a licensed safety engineer or consultant as approved by the Department; and

(iv) The Oregon Health Authority, Public Health Division, when necessary.

(C) The inspection must cover:

(i) Hazardous material handling and storage;

(ii) Machinery and equipment used at the service site;

(iii) Safety equipment;

(iv) Physical environment; and

(v) Food handling, when necessary.

(D) The documented results of the inspection, including recommended modifications or changes and documentation of any resulting action taken, must be kept by the provider for five years.

(g) The agency must ensure that each service site has received initial fire and life safety inspections performed by the local fire authority or a Deputy State Fire Marshal. The documented results of the inspection, including documentation of recommended modifications or changes and documentation of any resulting action taken, must be kept by the provider for five years.

(h) Direct service staff must be present in sufficient number to meet health, safety, and service needs specified in the individual written agreements of the individuals present. When individuals are present, staff must have the following minimum skills and training:

(A) At least one staff member on duty with CPR certification at all times;

(B) At least one staff member on duty with current First Aid certification at all times;

(C) At least one staff member on duty with training to meet other specific medical needs identified in the individual ISP or service agreement; and

(D) At least one staff member on duty with training to meet other specific behavior intervention needs as identified in individual the ISP or service agreements.

(19) Agencies providing services to individuals that involve assistance with meeting health and medical needs must:

(a) Develop and implement written policies and procedures addressing:

(A) Emergency medical intervention;

(B) Treatment and documentation of illness and health care concerns;

(C) Administering, storing, and disposing of prescription and non-prescription drugs, including self-administration;

(D) Emergency medical procedures, including the handling of bodily fluids; and

(E) Confidentiality of medical records.

(b) Maintain a current written record for each individual receiving assistance with meeting health and medical needs that includes:

(A) Health status as known;

(B) Changes in health status observed during hours of service;

(C) Any remedial and corrective action required and when such actions were taken if occurring during hours of service; and

(D) A description of any known restrictions on activities due to medical limitations.

(c) If providing medication administration when an individual is unable to self-administer medications and there is no other responsible person present who may lawfully direct administration of medications, the agency must:

(A) Have a written order or copy of the written order, signed by a physician or physician designee, before any medication, prescription or non-prescription, is administered;

(B) Administer medications per written orders;

(C) Administer medications from containers labeled as specified per physician written order;

(D) Keep medications secure and unavailable to any other individual and stored as prescribed;

(E) Record administration on an individualized Medication Administration Record (MAR), including treatments and PRN, or "as needed", orders;

(F) Not administer unused, discontinued, outdated, or recalled drugs; and

(G) Not administer PRN psychotropic medication. PRN orders may not be accepted for psychotropic medication.

(d) Maintain a MAR (if required). The MAR must include:

(A) The name of the individual;

(B) The brand name or generic name of the medication, including the prescribed dosage and frequency of administration as contained on physician order and medication;

(C) Times and dates the administration or self-administration of the medication occurs;

(D) The signature of the staff administering the medication or monitoring the self-administration of the medication;

(E) Method of administration;

(F) Documentation of any known allergies or adverse reactions to a medication;

(G) Documentation and an explanation of why a PRN, or "as needed", medication was administered and the results of such administration; and

(H) An explanation of any medication administration irregularity with documentation of a review by the agency director.

(e) Provide safeguards to prevent adverse medication reactions, including:

(A) Maintaining information about the effects and side-effects of medications the agency has agreed to administer;

(B) Communicating any concerns regarding any medication usage, effectiveness, or effects to the individual or the individual's legal or designated representative (as applicable); and

(C) Prohibiting the use of one individual's medications by another individual or person.

(f) Maintain a record of visits to medical professionals, consultants, or therapists if facilitated or provided by the agency.

(20) Agencies that own or operate vehicles that transport individuals must:

(a) Maintain the vehicles in safe operating condition;

(b) Comply with Department of Motor Vehicles laws;

(c) Maintain insurance coverage on the vehicles and all authorized drivers;

(d) Carry a first aid kit in each vehicle; and

(e) Assign drivers who meet applicable Department of Motor Vehicles requirements to operate vehicles that transport individuals.

(21) If assisting with management of funds, the agency must have and implement written policies and procedures related to the oversight of the individual's financial resources that include:

(a) Procedures that prohibit inappropriately expending an individual's personal funds, theft of an individual's personal funds, using an individual's funds for staff's own benefit, commingling an individual's personal funds with the agency's or another individual's funds, or the agency becoming an individual's legal or designated representative.

(b) The agency's reimbursement to the individual of any funds that are missing due to theft or mismanagement on the part of any staff of the agency, or of any funds within the custody of the agency that are missing. Such reimbursement must be made within 10 business days of the verification that funds are missing.

(22) Additional standards for assisting individuals to manage difficult behavior.

(a) The agency must have, and implement, a written policy concerning behavior intervention procedures. The agency must inform the individual, and as applicable the individual's legal or designated representative, of the behavior intervention policy and procedures prior to entry into the community living supports program.

(b) Any intervention to alter an individual's behavior must be based on positive behavioral theory and practice and must be:

(A) Approved in writing by the individual or the individual's legal or designated representative (as applicable); and

(B) Described in detail in the individual's record.

(c) Psychotropic medications and medications for behavior must be:

(A) Prescribed by a physician through a written order; and

(B) Monitored by the prescribing physician for desired responses and adverse consequences.

(23) Additional standards for supports that involve protective physical intervention.

(a) The agency must only employ protective physical intervention:

(A) As part of an individual's ISP;

(B) As an emergency measure, but only if absolutely necessary to protect the individual or others from immediate injury; or

(C) As a health-related protection prescribed by a physician, but only if necessary for individual protection during the time that a medical condition exists.

(b) Agency staff members who need to apply protective physical intervention under an individual's ISP or service agreement must be trained by a Department-approved trainer and documentation of the training must be maintained in the staff members' personnel file.

(c) Protective physical intervention in emergency situations must:

(A) Be only used until the individual is no longer a threat to self or others;

(B) Be authorized by the agency director or the physician of the individual within one hour of application of the protective physical intervention;

(C) Result in the immediate notification of the individual's legal or designated representative (as applicable); and

(D) Prompt a review of the individual's ISP or written service agreement, initiated by the agency, if protective physical intervention is used more than three times in a six month period.

(d) Protective physical intervention must be designed to avoid physical injury to an individual or others and to minimize physical and psychological discomfort.

(e) All use of protective physical intervention must be considered an unusual incident and result in the completion of an incident report as described in OAR 411-450-0080. The report must include:

(A) The name of the individual to whom the protective physical intervention is applied;

(B) The date, type, and length of time of the application of protective physical intervention;

(C) The name and position of the person authorizing the use of the protective physical intervention;

(D) The name of the staff member applying the protective physical intervention; and

(E) Description of the incident.

411-450-0100
Variances

(1) The Department may grant a variance to these rules based upon a demonstration by an agency that an alternative method or different approach provides equal or greater agency effectiveness and does not adversely impact the welfare, health, safety, or rights of individuals or violate state or federal laws.

(2) The agency requesting a variance must submit a written application to the Department that contains the following:

(a) The section of the rule from which the variance is sought;

(b) The reason for the proposed variance;

(c) The alternative practice, service, method, concept, or procedure proposed;

(d) A plan and timetable for compliance with the section of the rule from which the variance is sought; and

(e) If the variance applies to an individual's service, evidence that the variance is consistent with the individual's current ISP.

(3) The Department's director may approve or deny the request for a variance. The director's decision is final.

(4) The Department must notify the agency of the Department's decision. The decision notice must be sent within 45 calendar days of the receipt of the request by the Department with a copy sent to all relevant Department programs or offices.

(5) The agency may implement a variance only after written approval from the Department.

Rule Caption: ODDS: Case Management Services
Adm. Order No.: APD 28-2016
Filed with Sec. of State: 6-29-2016
Certified to be Effective: 6-29-16
Notice Publication Date: 5-1-2016

Rules Adopted: 411-415-0010, 411-415-0020, 411-415-0030, 411-415-0040, 411-415-0050, 411-415-0060, 411-415-0070, 411-415-0080, 411-415-0090, 411-415-0100, 411-415-0110, 411-415-0120
Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is adopting rules in OAR chapter 411, division 415 to streamline the qualifications and related requirements for providers of case management services related to assessments, Individual Support Plans (ISP), and service monitoring.

The rules in OAR chapter 411, division 415 are drawn primarily from the case management and related functions contained in OAR chapter 411, division 320 for Community Developmental Disabilities Programs (CDDPs) and OAR chapter 411, division 340 for Support Services Brokerages and are intended to describe case management services delivered by a CDDP, Brokerage, or the Department through the Children's Intensive In-Home Services Program (CIIS) or the children's residential program.

The rules in OAR chapter 411, division 415 also include standards incorporated into OAR chapter 411, division 320 and 340 by temporary rulemaking on January 1, 2016 relating to home and community-based (HCB) services and settings, person-centered service planning, and conflict free case management.

The rules in OAR chapter 411, division 415 include new language that was not in prior rules, including:

- Authority to make a termination of case management a termination of all other developmental disabilities services.

- Authority for a Brokerage to terminate case management and all other developmental disabilities services.

- A requirement for all case managers to complete core competency training.

- A requirement for a case management entity to complete payment authorization in the Department's payment and reporting system prior to the start of services.

- A requirement for all case management entities to carry out the obligations of family reconnection.

- Adaptation of language and requirements around the new Oregon ISP and processes associated with it.

- Updated expectations around the Career Development Plan.

- Aligned expectations across types of case management providers regarding case management services, including ISP authorizations and the use of service agreements, and the case management entity's role with independent providers.

- A requirement for an annual in home visit for all Department consumers and the authority to terminate services if the visit is not permitted.

- The authority to deny authorization of services when the setting for the delivery of those services is unsafe, or it is not possible for the chosen services to keep the individual safe.

- Updated requirements related to HCBS compliance, including residential and non-residential setting options.

- A rule that specifies the conditions that must be present in order for the Department to make payment for case management services.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-415-0010
Statement of Purpose

(1) The rules in OAR chapter 411, division 415 prescribe standards, responsibilities, and procedures for the delivery of case management services to individuals with intellectual or developmental disabilities.

(2) Providers of case management services are limited to employees of:

(a) A Community Developmental Disabilities Program (CDDP);

(b) A Support Services Brokerage (Brokerage);

(c) Other public or private agencies contracted by a local community mental health authority; or

(d) The Department of Human Services, Office of Developmental Disabilities Services.

(3) Case management services are delivered using person-centered practices to assist individuals in accessing needed medical, employment, social, educational, and other services. Case management services include, but are not limited to:

(a) Assessment and periodic reassessment of individual needs and preferences;

(b) Development and periodic revision of the Individual Support Plan;

(c) Referral and related activities;

(d) Monitoring; and

(e) Follow-up activities.

(4) Services provided under these rules are intended to identify, strengthen, expand, and where required, supplement private, public, formal, and informal support available to individuals with intellectual or developmental disabilities. The case management services described in these rules encourage the exercising of self-determination in the design and direction of the individual receiving services.

411-415-0020
Definitions and Acronyms

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 415:

(1) "Affiliated Entity" means an individual, a trust or estate, a partnership, a corporation (including associations, joint stock companies, and insurance companies), or a political subdivision or instrumentality, including a municipal corporation of a state, that has an incident of ownership in the CME.

(2) "Case Management Contact" means a reciprocal interaction between a case manager and an individual or the legal or designated representative of the individual (as applicable).

(3) "Case Management Services" mean the functions performed by a case manager that are funded by the Department. Case management services include, but are not limited to:

(a) Assessment of support needs;

(b) Developing an ISP or Annual Plan that may include authorized services;

(c) Information and referral for services; and

(d) Monitoring the effectiveness of services and supports.

(4) "Case Manager" means the person who delivers case management services who meets the qualifications of OAR 411-415-0040 and is employed:

(a) As a personal agent by a Brokerage;

(b) As a services coordinator by a CDDP; or

(c) As a services coordinator by the Department.

(5) "CDDP" means "Community Developmental Disabilities Program".

(6) "CIIS" means "Children's Intensive In-Home Services".

(7) "CME" means "Case Management Entity". A CME means:

(a) A CDDP;

(b) A Brokerage;

(c) CIIS; or

(d) The Department's Children's Residential Program.

(8) "Functional Needs Assessment" means the tool that identifies the needs of an individual that must be addressed to ensure the safety and well-being of the individual and to ensure the individual does not become unnecessarily institutionalized.

(a) A functional needs assessment may be:

(A) The Adult Needs Assessment (ANA). The Department incorporates Version C of the ANA into these rules by this reference. The ANA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/cm.

(B) The Children's Needs Assessment (CNA). The Department incorporates Version C of the CNA into these rules by this reference. The CNA is maintained by the Department at: http://www.dhs.state.or.us/spd/tools/dd/cm.

(C) The Support Needs Assessment Profile (SNAP). The Department incorporates the SNAP into these rules by this reference. The SNAP is maintained by the Department at: https://www.oregon.gov/DHS/SENIORS-DISABILITIES/DD/PROVIDERS-PARTNERS/Pages/rebar-assessments.aspx.

(D) The Supports Intensity Scale (SIS). The Department incorporates the SIS into these rules by this reference. The SIS is maintained at: http://aaidd.org/sis#.VvwgeaPn_Dc.

(b) A printed copy of the assessment tools may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, OR 97301.

(9) "Geographic Service Area" means the area within the state of Oregon where a CME is approved to provide developmental disabilities services. The geographic service area for a CDDP is the county.

(10) "IEP" means "Individualized Education Program".

(11) "Incident of Ownership" means an ownership interest, an indirect ownership interest, or a combination of direct and indirect ownership interest.

(12) "Indirect Ownership Interest" means an ownership interest in an entity that has an ownership interest in another entity. Indirect ownership interest includes an ownership interest in an entity that has an indirect ownership interest in another entity.

(13) "In-Home Expenditure Guidelines" mean the guidelines published by the Department that describe allowable uses for Department funds. The Department incorporates Version 2.0 of the In-home Expenditure Guidelines into these rules by this reference. The In-home Expenditure Guidelines are maintained by the Department at: http://www.oregon.gov/dhs/dd/adults/ss_exp_guide.pdf. A printed copy may be obtained by calling (503) 945-6398 or writing the Department of Human Services, Developmental Disabilities, ATTN: Rules Coordinator, 500 Summer Street NE, E-48, Salem, Oregon 97301.

(14) "Initial ISP" means the first ISP:

(a) For an individual who is newly entered into case management services; or

(b) Following a period when the individual did not have an authorized ISP.

(15) "Initial Level of Care" means the first level of care determination:

(a) For an individual who is newly accessing Community First Choice or waiver services; or

(b) Following a period when the individual was not determined to meet level of care.

(16) "ISP" means "Individual Support Plan".

(17) "Level of Care" means as defined in OAR 411-317-0000:

(a) ICF/IDD Level of Care;

(b) Hospital Level of Care; or

(c) Nursing Facility Level of Care.

(18) "OHP" means "Oregon Health Plan".

(19) "Owner" means a person with an ownership interest.

(20) "Ownership Interest" means the possession of equity in the capital, stock, or profits of an entity.

(21) "SSI" means "Supplemental Security Income".

(22) "These Rules" mean the rules in OAR chapter 411, division 415.

(23) "Transition Period" means the first 60 days after an individual enters a new program type, setting, or CME.

Stat. Auth.: ORS 409.050, 427.104, 427.154, 430.662

411-415-0030
Eligibility for Case Management Services — Entry, Exit, Transfers

(1) Individuals determined eligible for developmental disabilities services may not be denied case management services or otherwise discriminated against on the basis of age, diagnostic or disability category, race, color, creed, national origin, citizenship, income, or duration of Oregon residence.

(2) To be eligible for case management services, an individual must be determined eligible for developmental disabilities services by a CDDP as described in OAR 411-320-0080.

(a) An adult who is eligible for case management services who lives in his or her own or family home may select to have case management services provided by a CDDP or a Brokerage, when the Brokerage has the capacity to provide the service according to OAR 411-340-0110. When a local Brokerage is selected, but the local Brokerage does not have the capacity to provide case management, case management must be delivered by the local CDDP until the local Brokerage has capacity.

(b) A child or adult selecting services from a residential program may only have case management services delivered by a CDDP or the Department.

(c) A child who is eligible for and receives family support services as described in OAR chapter 411, division 305 may only have case management services delivered by a CDDP.

(d) A child who is eligible for and enrolled in a CIIS program as described in OAR chapter 411, division 300 may only have case management services delivered by the Department, and by the CDDP with respective roles identified in the ISP.

(e) In order to receive case management services, an individual, or as applicable the legal representative of the individual, must accept the following supports:

(A) Assistance from a CME with the design and management of Department-funded services and supports;

(B) Abuse investigations;

(C) The presence of a case manager at required entry or exit meetings;

(D) Monitoring of services (when applicable) in accordance with OAR 411-415-0090;

(E) Case management contacts as described in OAR 411-415-0090; and

(F) Case manager access to the service record.

(3) To be eligible for case management services delivered by a CIIS services coordinator, an individual must meet the eligibility requirements for a CIIS program in OAR 411-300-0120 and be enrolled to the program.

(4) ENTRY INTO CASE MANAGEMENT.

(a) The county of origin must enter an individual who is eligible for developmental disabilities services into case management services.

(b) Upon entry into case management services, the CME must provide an explanation of the individual rights described in OAR 411-318-0010 to the individual and if applicable the legal representative of the individual.

(c) The CME must assure the availability of a case manager to address the support needs of the individual and any emergency or crisis. The CME must appropriately document the assignment of the case manager in the service record for the individual and the CME must accurately report entry into case management services in the Department payment and reporting systems.

(A) Within 10 business days from the date of entry, the CME must send a written notice to the individual, and as applicable the legal representative of the individual, that includes the name, telephone number, and location of the case manager assigned to the individual.

(B) The CME must ask the individual, and as applicable the legal representative of the individual, to identify any family and other advocates to whom the CME must provide the name, telephone number, and location of the case manager.

(5) EXIT FROM CASE MANAGEMENT.

(a) A CME retains responsibility for providing case management services to an individual until the responsibility is terminated and the individual exits from case management services as described in this rule.

(b) A CME must exit an individual from case management services when any of the following occur:

(A) The individual, or as applicable the legal representative of the individual, submits a signed written request terminating case management services, or such a request is made by telephone and documented in the service record for the individual.

(B) The individual dies.

(C) The individual is determined to be ineligible for:

(i) Developmental disabilities services in accordance with OAR 411-320-0080; or

(ii) CIIS in accordance with OAR chapter 411, division 300.

(D) The individual moves out of Oregon.

(E) The individual moves out of the geographic service area of the CME. If an individual takes up residence in another geographic service area, a CME that operates in the new geographic service area may enter the individual into case management services.

(i) If an individual receiving case management from a CDDP moves to a new geographic service area, the original CDDP may continue to provide case management services to the individual. The individual, or as applicable the legal or designated representative of the individual, must request to retain case management services from the original CDDP, and both the original CDDP and the CDDP in the new location must agree in writing to the responsibilities for delivering case management services.

(ii) If an adult individual receiving case management from a Brokerage moves to a new geographic service area, the Brokerage may continue to provide case management services. The adult individual, or as applicable the legal or designated representative of the individual, must request to retain case management services from the original Brokerage, and the Department must approve. Approval may be granted if the Brokerage is available to meet the case management standards described in

OAR 411-415-0050 timely and adequately and the Brokerage has the capacity to deliver the case management services.

(iii) In the case of a child moving into a foster home or 24-hour residential program, the county of parental residency or court jurisdiction must retain responsibility for case management services unless:

(I) The child is entering into a state operated group home; or

(II) An agreement between the CDDPs and the legal representative of the child is reached that describes the responsibilities for case management services.

(F) After the individual either cannot be located or has not responded after a minimum of 30 days of repeated attempts by CME staff to complete ISP development, annual plan development, or monitoring activities, including participation in a functional needs assessment.

(c) An exit from case management services is an exit from all developmental disabilities services, except in the case of a move by an individual within the state, but out of the geographic service area of the CME.

(d) When an individual is being exited from case management services, the CME must issue a Notification of Planned Action consistent with OAR 411-318-0020 to notify the individual, and as applicable the legal representative of the individual, of the intent of the CME to terminate case management services and any other developmental disabilities services. A Notification of Planned Action is not required when the exit from case management is due to:

(A) The death of the individual; or

(B) A move by the individual within the state, but out of the geographic service area of the CME.

(e) When a child is exited from a CIIS program, the child may be entered into a CDDP for case management services if the child is eligible for developmental disabilities services according to OAR 411-320-0080.

(6) CHANGE OF CASE MANAGEMENT SERVICES PROVIDER.

(a) An available CME, chosen by the individual, or as applicable the legal or designated representative of the individual, must enter an eligible individual into the CME within 10 days of a request to change the CME unless a later date is mutually agreed upon by the individual, or as applicable the legal or designated representative of the individual, and the CMEs involved in the change. The agreement must be documented in the service record by the CME of the individual at the time of the agreement.

(b) A change in CME may only be to a CDDP or Brokerage that is within the same geographic service area as the residence of the individual, unless an exception is approved by the Department.

(c) The exiting CME must assure all relevant information is provided to the entering CME to assist the entering CME in implementing an ISP or Annual Plan that best meets the support needs of the individual, including, but not limited to:

(A) A current application on the Department-mandated application;

(B) A copy of the level of care determination, if present;

(C) A copy of the current functional needs assessment, if present;

(D) A copy of the eligibility determination;

(E) Copies of financial eligibility information;

(F) Copies of any legal documents, such as guardianship papers, conservatorship, civil commitment status, probation, and parole;

(G) Copies of progress notes; and

(H) A copy of the current ISP or Annual Plan, and any protocols, provider service agreements, behavior support, and nursing plans.

411-415-0040
Case Manager Staff Requirements

(1) CASE MANAGER. The case manager must have knowledge of the public service system for developmental disabilities services in Oregon and at least:

(a) A bachelor's degree in behavioral science, social science, or a closely related field;

(b) A bachelor's degree in any field and one year of human services related experience, such as work providing assistance to people and groups with issues, such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing;

(c) An associate's degree in a behavioral science, social science, or a closely related field and two years of human services related experience, such as work providing assistance to people and groups with issues, such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing; or

(d) Three years of human services related experience, such as work providing assistance to people and groups with issues, such as economical disadvantages, employment, abuse and neglect, substance abuse, aging, disabilities, prevention, health, cultural competencies, or housing.

(2) CASE MANAGER TRAINING. The case manager must participate in a core competency training sequence approved by the Department. The core competency training sequence is not a substitute for the normal procedural orientation that must be provided by the CME to the new case manager.

(a) The orientation provided by the CME to a new case manager must include:

(A) An overview of the role and responsibilities of a case manager.

(B) An overview of developmental disabilities services and related human services within the geographic service area of the CME.

(C) An overview of the Department's rules governing the CME.

(D) An overview of the Department's administrative rules, policies, and expenditure guidelines for services and service providers that may be authorized by the CME.

(E) An overview of the enrollment process and required documents needed for enrollment into the Department's payment and reporting systems.

(F) A review and orientation of Medicaid, SSI, Social Security Administration, home and community-based waiver and state plan services, OHP, and the individual support planning processes for the services they coordinate.

(G) A review (prior to having contact with individuals) of the case manager's responsibility as a mandatory reporter of abuse, including abuse of individuals with intellectual or developmental disabilities, individuals with mental illness, older adults, individuals with physical disabilities, and children.

(b) The case manager must participate in an on-line series of required case management core competency modules as follows:

(A) A case manager hired after the adoption of these rules must complete:

(i) Tier 1 trainings within 30 days of the employment start date and before working unassisted.

(ii) Tier 2 trainings within 90 days of the employment start date.

(B) Other case managers must complete core competency modules as directed by the Department.

(c) Within the first year, the case manager must attend or participate in ISP training that is endorsed or sponsored by the Department.

(d) The case manager must continue to enhance his or her knowledge, as well as maintain a basic understanding of developmental disabilities services, self-determination, person-centered thinking and practices, and the skills, knowledge, and responsibilities necessary to perform the duties of the position. Each case manager must participate in a minimum of 20 hours per year of Department sponsored training or other training in the areas of intellectual or developmental disabilities.

411-415-0050
Standards for Case Management Services

(1) The CME must apply the principles of self-determination and person-centered practices to provision of case management services.

(2) The CME must ensure that a case manager is available to provide case management services and other supports to the individual.

(a) Case management services include the activities related to:

(A) Assessment and periodic reassessment of an eligible individual to determine service needs, including activities that focus on needs identification, to determine the need for any medical, educational, social, or other services including those assessments described in OAR 411-415-0060.

(B) Development and periodic revision of an ISP or Annual Plan based on the information collected through an assessment or reassessment that specifies the desired outcomes, goals, and actions to address the medical, employment, social, educational, and other services needed by the eligible individual as described in OAR 411-415-0070.

(C) Accessing available services, including referral and related activities to help an individual obtain needed services as described in OAR 411-415-0080.

(D) Monitoring and follow-up activities, including activities and contacts that are necessary to ensure that the ISP or Annual Plan is effectively

implemented and adequately addresses the needs of the eligible individual as described in OAR 411-415-0090.

(b) Other supports provided by a CME may include, but are not limited to:

(A) Authorizing services in the Department's electronic payments and reporting system;

(B) Arranging employer-related supports that may include, but are not limited to:

(i) Education about employer responsibilities;

(ii) Orientation to basic wage and hour issues; and

(iii) Use of common employer-related tools, such as service agreements.

(C) Assisting the Department with establishing provider credentials; and

(D) Assistance with understanding and accessing financial, medical, and other benefits.

(3) At least annually and at the request of the individual, or as applicable the legal representative of the individual, the CME must provide an explanation of the individual rights described in OAR 411-318-0010 to the individual and if applicable the legal representative of the individual.

(4) A CME may not authorize services that are delivered by an affiliated entity.

(5) Developmental disabilities services must be authorized in accordance with OAR 411-415-0070. A case manager must authorize any developmental disabilities service chosen by the individual, or as applicable the legal or designated representative of the individual, for which the individual is eligible as described in the relevant program rules.

(a) NOTIFICATION OF PLANNED ACTION. In the event that a developmental disabilities service is denied, reduced, suspended, or terminated, a written advance Notification of Planned Action (form SDS 0947) must be provided as described in OAR 411-318-0020.

(b) HEARINGS.

(A) Hearings must be addressed in accordance with ORS chapter 183 and OAR 411-318-0025.

(B) An individual may request a hearing as provided in ORS chapter 183 and OAR 411-318-0025.

(c) Upon entry into case management, upon request, and annually thereafter, a notice of hearing rights and the policy and procedures for hearings as described in OAR chapter 411, division 318 must be explained and provided to an individual, and as applicable the legal or designated representative of the individual.

(6) Services authorized in an ISP must be entered into the Department's payment and reporting system within 30 days of the start of the services being delivered by any individual provider.

(7) If an individual loses eligibility for a Medicaid Title XIX (OHP) Benefit Package, a case manager must assist the individual to identify why the eligibility was lost. Whenever possible, the case manager must assist the individual in reestablishing the eligibility. The case manager must document the assistance given in the service record for the individual.

(8) A case manager must participate in the delivery of protective services for adults and children when required by Oregon Administrative Rule or Oregon Revised Statute.

(9) CHOICE ADVISING. Through choice advising, the CME must assure that case management and other developmental disabilities service options, provider options, and setting options, including non-disability specific settings and an option for a private or shared unit in a residential program, are described to all individuals receiving case management services from the CME, or to the legal representative of the individual.

(a) An individual newly determined eligible for developmental disabilities services must receive choice advising prior to or concurrent with the initial level of care determination.

(b) Choice advising occurs as part of the person-centered planning process and must be conducted prior to an initial ISP and prior to a review of the ISP when required according to OAR 411-415-0070(3).

(c) Choice advising must occur at least six months before the18th birthday of a child.

(d) If a CME is affiliated with an agency provider of developmental disabilities services in addition to case management services, the CME must disclose the relationship and inform the individual, or as applicable the legal or designated representative of the individual, that the CME cannot authorize the affiliated provider. The CME must discuss other case management provider options when the individual, or as applicable the legal or designated representative of the individual, expresses interest in receiving services from the affiliated provider.

(10) A case manager must coordinate services with the child welfare caseworker assigned to a child to ensure the provision of required supports from the Department, CDDP, and child welfare.

(11) The case manager must participate in transition planning by attending IEP meetings or other transition planning meetings for students 16 years of age or older to discuss the transition of the student to adult living and work situations, unless the attendance of the case manager is refused by the parent or guardian of the student or the student if the student is 18 years or older. The case manager must participate in transition planning as young as age 14, if transition planning deemed appropriate by the student's IEP team, unless the attendance of the case manager is refused by the parent or guardian of the student or the student if the student is 18 years or older.

(12) When appropriate, a case manager must coordinate with vocational rehabilitation regarding employment services. When appropriate, a case manager must facilitate referrals to vocational rehabilitation.

(13) A services coordinator at a CDDP must ensure that all serious events related to an individual are reported to the Department using the SERT system. The CDDP must ensure that there is monitoring and follow-up on both individual events and system trends.

(14) A services coordinator at a CDDP must participate in the appointment of the health care representative of an individual as described in OAR chapter 411, division 365.

(15) The CME must implement procedures to address individual, designated representative, or family complaints regarding service delivery that have not been resolved using the complaint procedures (informal or formal) of a provider agency. The complaint procedures must be consistent with the requirements in OAR 411-318-0015.

(16) A case manager must coordinate with other state, public, and private agencies regarding services to individuals.

(17) When appropriate, a case manager must facilitate referrals to nursing facilities as described in OAR 411-070-0043.

(18) A case manager must coordinate and monitor the services provided to an eligible individual living in a nursing facility.

(19) A Department case manager must make referrals for entry and participate in all entry meetings for children in residential programs, CIIS, and the Stabilization and Crisis Unit.

(20) The CME must provide case management services to individuals who are eligible for and desire them. If an individual receiving case management services from a CDDP is receiving other developmental disabilities services in more than one county, the county of origin must be responsible for case management services unless otherwise negotiated and documented in writing with the mutually agreed upon conditions.

(21) CHANGE OF CASE MANAGER.

(a) If the CME changes the assignment of a case manager for any reason, the CME must notify the individual, the legal and designated representative of the individual (as applicable), and all providers within 10 business days of the change. The notification must be in writing and include the name, telephone number, email address, and mailing address of the new case manager.

(b) The individual receiving services, or as applicable the legal or designated representative of the individual, may request a new case manager within the same CME or request a change of case management entity.

(22) FAMILY RECONNECTION. The CME and a case manager must provide assistance to the Department when a family member is attempting to reconnect with an individual who was previously discharged from Fairview Training Center or Eastern Oregon Training Center or an individual who is currently receiving developmental disabilities services.

(a) If a family member contacts the CME for assistance in locating an individual, the CME must refer the family member to the Department. A family member may contact the Department directly.

(b) The Department shall send the family member a Department form requesting further information to be used in providing notification to the individual. The form shall include the following information:

(A) Name of requestor;

(B) Address of requestor and other contact information;

(C) Relationship to individual;

(D) Reason for wanting to reconnect; and

(E) Last time the family had contact.

(c) The Department shall determine:

(A) If the individual was previously a resident of Fairview Training Center or Eastern Oregon Training Center;

(B) If the individual is deceased or living;

(C) Whether the individual is currently or previously enrolled in Department services; and

(D) The county in which services are being provided, if applicable.

(d) With permission from the individual, the Department shall notify the family member if the individual is enrolled or no longer enrolled in Department services within 10 business days from the receipt of the request.

(e) If the individual is enrolled in Department services, the Department shall send the completed family information form to the individual and the case manager.

(f) If the individual is deceased, the Department shall follow the process for identifying the personal representative of the individual as provided for in ORS 192.526.

(A) If the personal representative and the requesting family member are the same, the Department shall inform the personal representative that the individual is deceased.

(B) If the personal representative is different from the requesting family member, the Department shall contact the personal representative for permission before sharing information about the individual with the requesting family member. The Department must make a good faith effort to find the personal representative and obtain a decision concerning the sharing of information as soon as practicable.

(g) When an individual is located, the CME must facilitate a meeting with the individual to discuss and determine if the individual wishes to have contact with the family member.

(A) The case manager must assist the individual in evaluating the information to make a decision regarding initiating contact, including providing the information from the form and any relevant history with the family member that may support contact or present a risk to the individual.

(B) If the individual does not have a legal representative or is unable to express his or her wishes, the ISP team of the individual must be convened to review factors and choose the best response for the individual after evaluating the situation.

(h) If the individual wishes to have contact, the individual or ISP team designee may directly contact the family member to make arrangements for the contact.

(i) If the individual does not wish to have contact, the CME must notify the Department. The Department shall inform the family member in writing that no contact is requested.

(j) The notification to the family member regarding the decision of the individual must be within 60 business days from the receipt of the information form from the family member.

(k) The decision by the individual is not appealable.

411-415-0060
Assessment and Reassessment Activities

(1) LEVEL OF CARE DETERMINATION.

(a) A case manager must assure that an individual has an initial level of care determination prior to accessing Community First Choice state plan or waiver services. The level of care determination must be made using a Department prescribed form based on a face to face contact. An initial level of care determination must be submitted to the Department within 30 days of the date the individual or legal representative signed the completed level of care determination.

(b) A case manager must assure that a level of care determination is reviewed for every individual receiving Community First Choice state plan or waiver services:

(A) Within 12 months from the previous annual review:

(i) The first annual review must be completed no later than 12 months from the date of the approval of the Diagnosis and Evaluation Coordinator (D & E Coordinator).

(ii) The annual review date may be reset for a date earlier than 12 months from the date of the approval of the D & E Coordinator, but no later than 12 months from the date of the review of the D & E Coordinator.

(B) No earlier than 60 days prior to the implementation of a renewed ISP.

(C) Any time there is a significant change in a condition that qualified the individual for the level of care.

(c) When a case manager completes an initial level of care determination, the case manager must ensure that an individual enrolled to a Medicaid Title XIX (OHP) Benefit Package is:

(A) Offered and advised of all services available for which the individual is eligible including, but not limited to, the choice of institutional or home and community-based services.

(B) Provided a Notification of Rights (form APD 0948).

(d) The occasion of the level of care determination must be documented in a progress note in the service record for the individual, including that the determination was made based on a face to face contact with the individual.

(2) FUNCTIONAL NEEDS ASSESSMENT. A case manager must assure a functional needs assessment is conducted initially and at least annually for each individual who has or is expected to have an ISP.

(a) The functional needs assessment must be completed:

(A) Within 45 days from the date that the individual submitted a completed application or the date the CME learns of the eligibility of the individual for a Medicaid Title XIX (OHP) Benefit Package;

(B) Prior to the authorization of an initial ISP;

(C) No earlier than 60 days prior to the annual renewal of an ISP; and

(D) Within 45 days from the date an individual, or as applicable the legal or designated representative of the individual, requests a new functional needs assessment.

(b) The functional needs assessment must include a face to face contact with the individual by the assessor.

(c) The Department, at the discretion of the Department, may conduct or assign an alternate assessor to conduct the functional needs assessment in lieu of a case manager.

(d) No fewer than 14 days prior to conducting a functional needs assessment, the CME must mail a notice of the assessment process to the individual to be assessed. The notice must include a description and explanation of the assessment process and an explanation of the process for appealing the results of the assessment.

(3) An assessment for State Plan Personal Care must be completed by the case manager as described in OAR 411-034-0070.

411-415-0070
Service Planning

(1) PRINCIPLES FOR SERVICE PLANNING. This rule prescribes standards for the development and implementation of an ISP or Annual Plan. An ISP must:

(a) Be developed based on assessed need using a person-centered process consistent with OAR 411-004-0030(1) and in a manner that addresses issues of independence, integration, and provides opportunities to seek employment and work in competitive integrated employment settings, in order to assist individuals to establish outcomes, plan for supports, and review and redesign support strategies.

(b) Be designed to enhance the quality of life of the individual.

(c) Be consistent with the following principles:

(A) Adult individuals have the right to make informed choices about the level of family member participation.

(B) The preferences of the individual and the family of a child must serve to guide the ISP team. The case manager must facilitate active participation of the individual throughout the planning process.

(C) Barriers. The planning process is designed to identify the types of services and supports necessary to achieve the preferences of an individual and the family of a child, identify the barriers to providing those preferred services, and develop strategies for reducing the barriers.

(D) Specify cost-effective arrangements for obtaining the required supports and applying public, private, formal, and informal resources available to the eligible individual.

(E) When planning for a child in a 24-hour residential program or foster care, the following must apply:

(i) Unless contraindicated, there must be a goal for family reunification;

(ii) The number of moves or transfers must be kept to a minimum; and

(iii) Unless contraindicated, if the placement of a child is distant from the family of the child, the case manager must continue to seek a placement that brings the child closer to the family.

(2) INDIVIDUAL SUPPORT PLANS (ISP). An individual enrolled in waiver or Community First Choice state plan services must have an ISP, completed on a Department approved document, that is consistent with the outcome of the person centered planning process and OAR 411-004-0030(2).

(a) The initial ISP:

(A) May begin a transition period; and

(B) Must be authorized no more than 90 days from the date a completed application is submitted to the CDDP as described in OAR 411-320-0080.

(b) An initial ISP has a duration of twelve full months, beginning the month following the authorization of the ISP.

(c) The duration of an annual ISP may not exceed 12 months. A new start date for an ISP may be established within the 12 months, with the consent of the individual, or as applicable the legal or designated representative of the individual, when the individual enters or exits:

(A) A 24-hour residential program as described in OAR chapter 411, division 325. A transfer to a new setting within a program may not cause a new start date for an ISP.

(B) A supported living program as described in OAR chapter 411, division 328. A transfer to a new setting within a program may not cause a new start date for an ISP.

(C) A foster care home as described in OAR chapter 411, divisions 346 or 360.

(D) A CIIS program.

(d) During a transition period, the ISP must include the minimum necessary services and supports for an individual upon entry to a new program type, setting, or CME. The ISP during a transition period must include, at a minimum, an authorization of necessary services, the supports needed to facilitate adjustment to the services offered, the supports necessary to ensure health and safety, and the assessments and consultations necessary for further ISP development.

(e) All Department funded developmental disabilities services included in an ISP must be consistent with the ISP manual, Department policy, and the In-Home Expenditure Guidelines when applicable.

(f) For Community First Choice state plan and waiver services, the supports included in an ISP must address a need that has been determined to be necessary by a functional needs assessment and the identified goals and preferences of the individual.

(g) An initial or annual ISP authorized to begin on or after March 1, 2017 must include any individually-based limitations as described in OAR 411-004-0040. All individually-based limitations must be included in the ISP no later than February 28, 2018.

(h) A Career Development Plan must be completed as part of the ISP:

(A) When the individual is working-age; or

(B) Prior to the expected exit from school for students eligible for services under the Individuals with Disabilities Education Act (I.D.E.A.). If a student leaves school prior to the expected exit, the student must have the opportunity to have a Career Development Plan within one year of the unexpected exit.

(i) The Career Development Plan must:

(A) For individuals who use employment services under OAR chapter 411, division 345, include goals and objectives related to obtaining, maintaining, or advancing in competitive integrated employment, or, at minimum, exploring competitive integrated employment or developing skills that may be used in competitive integrated employment.

(B) Be developed based on a presumption that, with the right support and job match, the individual may succeed and advance in an integrated employment setting and earn minimum wage or better.

(C) Prioritize competitive integrated employment in the general workforce.

(D) For an individual who has competitive integrated employment, person-centered service planning must focus on maintaining employment, maximizing the number of hours an individual works consistent with his or her preferences and interests, improving wages and benefits, and promoting additional career or advancement opportunities.

(E) For an individual using job coaching or job development services, the Career Development Plan must document either a goal or discussion regarding opportunities for maximizing work hours and other career advancement opportunities. The recommended standard for planning job coaching and job development is the opportunity to work at least 20 hours per week. Individualized planning should ultimately be based on individual choice, preferences, and circumstances, and recognizes that some individuals may choose to pursue working full time, part time, or another goal identified by the individual.

(F) Document all employment service options presented, including the option to use employment services in a non-disability specific setting, meaning a setting that is not owned, operated, or controlled by a provider of home and community-based services.

(G) For individuals who use employment services in sheltered workshop settings, the Career Development Plan must document that the individual has been encouraged to choose a community-based employment service option and not a sheltered workshop setting option.

(j) Not more than two weeks after authorization, the CME must provide a copy of the most current ISP to the individual, the legal and designated representative of the individual (as applicable), and others as identified by the individual. The ISP must be made available using language, format, and presentation methods appropriate for effective communication according to the needs and abilities of the individual receiving services and the people important in supporting the individual. When an authorized ISP must be translated from English, translation must be initiated within two weeks of authorization and the translated document must be provided to the individual by the CME upon receipt.

(3) ISP REVIEWS.

(a) An ISP must be reviewed, revised, and authorized as needed:

(A) No more than 30 days following a new functional needs assessment;

(B) Prior to the expiration of the ISP;

(C) No later than the end of a transition period;

(D) When the circumstances or needs of an individual change significantly; and

(E) At the request of an individual or as applicable the legal or designated representative of the individual.

(b) For an individual who changes CME, but remains in an in-home setting, the ISP authorized by the previous CME may be used as authorization for available services for the new CME for up to 60 days when the services in the new setting remain appropriate services.

(4) TEAM PROCESS IN PERSON-CENTERED PLANNING. This section applies to an ISP developed for an individual receiving services in a residential program:

(a) The ISP is developed by the individual, the legal or designated representative of the individual (as applicable), and the services coordinator. Others may be included as a part of the ISP team at the invitation of the individual and as applicable the legal or designated representative of the individual. In order to assure adequate planning, provider representatives are necessary informants to the ISP team, even when they are not ISP team members.

(b) In circumstances where an individual is unable to express his or her opinion or choice using words, behaviors, or other means of communication and the individual does not have a legal or designated representative:

(A) The ISP team is empowered to make a decision on behalf of the individual that the ISP team feels best meets the health, safety, and assessed needs of the individual.

(B) Consensus amongst ISP team members is prioritized. When consensus may not be reached, majority agreement is used. For purposes of reaching a majority agreement each interested party, which may be represented by more than one person, is considered as one member of the ISP team. Interested parties may include, but are not limited to, the provider, family, CME, and designated representative.

(C) No one member of an ISP team has the authority to make decisions for the ISP team.

(c) Any objections to decisions of the ISP team by a member of the ISP team must be documented in the ISP.

(d) A services coordinator must track the ISP timelines and coordinate the resolution of complaints and conflicts arising from ISP discussions.

(5) ISP AUTHORIZATION.

(a) An initial and annual ISP must be authorized prior to implementation.

(b) A revision to an initial or annual ISP that involves the types of developmental disabilities services paid using Department funds must be authorized prior to implementation.

(c) A revision to an initial or annual ISP that does not involve the types of developmental disabilities services using Department funds does not require authorization. Documented agreement to the revision by the individual, or as applicable, the legal or designated representative of the individual, is required prior to implementation of the revision.

(d) An initial ISP, and a revision to an initial or annual ISP requiring authorization, is authorized on the date that:

(A) The signature of the individual, or as applicable the legal or designated representative of the individual, is present on the ISP or documentation is present explaining the reason an individual who does not have a legal or designated representative may be unable to sign the ISP.

(i) Acceptable reasons for an individual without a legal or designated representative not to sign the ISP include physical or behavioral inability to sign the ISP.

(ii) Unavailability is not an acceptable reason for an individual, or as applicable the legal or designated representative of an individual, not to sign the ISP.

(iii) In the case of a revision to an initial or annual ISP that is in response to immediate, unexpected change in circumstance, and is necessary to prevent injury or harm to the individual, documented oral agreement may substitute for a signature for up to 10 business days.

(B) The signature of the case manager involved in the development of, or revision to, the ISP is present on the ISP.

(e) A renewing ISP that has been signed as described in this section is authorized to begin the first day after the previous ISP expired.

(f) After September 1, 2018, newly authorized developmental disabilities services may only be authorized to occur in a setting that is consistent with OAR 411-004-0020. By March 17, 2019, all authorized developmental disabilities services must occur in a setting that is consistent with OAR-004-0020.

(g) Community First Choice state plan and waiver services are only funded by the Department when the services are authorized on an ISP developed in a manner consistent with this rule.

(h) A legal or designated representative responsible for directing the development of the ISP on behalf of the individual (as applicable) may not be authorized to be a paid provider for the individual.

(i) An ISP must not authorize any single personal support worker to be paid for more than 50 hours per week per individual unless the CME or the Department has approved an exception. Relief care service does not contribute to the 50 hour limit.

(j) The CME may not authorize a service provider, setting, or a combination of services selected by an eligible individual or the representative of the individual when:

(A) The setting has dangerous conditions that jeopardize the health or safety of the individual and necessary safeguards cannot be taken to improve the setting;

(B) Services cannot be provided safely or adequately by the service provider based on:

(i) The extent of the service needs of the individual; or

(ii) The choices or preferences of the eligible individual or as applicable the legal or designated representative of the individual.

(C) Dangerous conditions in the service setting jeopardize the health or safety of the service provider that is authorized and paid for by the Department, and necessary safeguards cannot be taken to minimize the dangers; or

(D) The individual does not have the ability to make an informed decision, does not have a designated representative to make decisions on his or her behalf, and the Department or CME cannot take necessary safeguards to protect the safety, health, and welfare of the individual.

(k) The case manager must present the individual, or as applicable the legal or designated representative of the individual, with information on service alternatives and provide assistance to assess other choices when the service provider or service setting selected by the individual, or as applicable the legal or designated representative of the individual, is not authorized.

(l) The ISP for an adult enrolled in foster care under OAR chapter 411, division 360, must include at least six hours of activities each week that are of interest to the individual that do not include television or movies made available by the provider. Activities are those available in the community and made available or offered by the provider or the CDDP.

(A) Activities may include:

(i) Recreational and leisure activities; and

(ii) Other activities required to meet the needs of an individual as described in the ISP for the individual.

(B) Activities that contribute to the six hours may not include:

(i) Rehabilitation;

(ii) Educational services; or

(iii) Employment services.

(m) DEVELOPMENTAL DISABILITIES SERVICE AUTHORIZATIONS.

(A) Services may not be authorized when:

(i) The individual does not meet the service eligibility requirements in the program rule corresponding to the service.

(ii) The case manager is not permitted to conduct a monitoring visit to the home as required in OAR 411-415-0090(3)(d).

(B) A services coordinator employed by a CDDP, or a sub-contractor of a CDDP contracted to deliver case management, may authorize an eligible individual to receive the following developmental disabilities services:

(i) Community First Choice 1915(k) state plan services.

(ii) Services described in the ICF/IDD Comprehensive 1915(c) waiver.

(iii) State Plan Personal Care as described in OAR chapter 411, division 034.

(iv) Home delivered meals as described in OAR chapter 411, division 40.

(v) Private duty nursing as described in OAR chapter 410, division 132 and OAR 411-300-0150.

(C) A personal agent may authorize an eligible individual to receive the following developmental disabilities services:

(i) Community First Choice 1915(k) state plan services, except services delivered as part of a residential program.

(ii) Services described in the Support Services 1915(c) waiver.

(iii) State Plan Personal Care as described in OAR chapter 411, division 034.

(iv) Home delivered meals as described in OAR chapter 411, division 40.

(v) Private duty nursing as described in OAR chapter 410, division 132 and OAR 411-300-0150.

(D) A CIIS services coordinator may authorize an eligible individual to receive the following developmental disabilities services:

(i) Community First Choice 1915(k) state plan services.

(ii) Services described in the following 1915(c) waivers:

(I) Medically Involved Children's Waiver;

(II) Medically Fragile (Hospital) Model Waiver; and

(III) Behavioral (ICF/IDD) Model Waiver.

(iii) State Plan Personal Care as described in OAR chapter 411, division 034.

(iv) Private duty nursing as described in OAR chapter 410, division 132 and OAR 411-300-0150.

(E) The Department authorizes entry for children into residential programs, CIIS, and the Stabilization and Crisis Unit.

(6) ANNUAL PLANS. Individuals enrolled in case management services, but not accessing Community First Choice state plan or waiver services must have an Annual Plan.

(a) A case manager must develop an Annual Plan within 90 days of the enrollment of an individual into case management services, and annually thereafter if the individual is not enrolled in any Community First Choice state plan or waiver services.

(b) An Annual Plan must be developed as follows:

(A) For an adult, a written Annual Plan must be documented as an Annual Plan or as a comprehensive progress note in the service record for the individual and consist of:

(i) A review of the current living situation of the individual;

(ii) A review of the employment status of the individual and a summary of any related support needs;

(iii) A review of any personal health, safety, or behavioral concerns;

(iv) A summary of the support needs of the individual; and

(v) Actions to be taken by the case manager and others.

(B) For a child receiving family support services, a services coordinator must coordinate with the child and the family or guardian of the child in the development of an Annual Plan. The Annual Plan for a child receiving family support services must be in accordance with OAR 411-305-0080.

(c) ANNUAL PLAN UPDATES. An Annual Plan must be kept current. A case manager must ensure that a current Annual Plan is maintained for each individual receiving services.

Stat. Auth.: ORS 409.050, 427.104, 427.154, 430.662
Stats. Implemented: ORS 427.005, 427.007, 427.101, 427.154-427.163, 430.212, 430.610, 430.620, 430.662-430.695

411-415-0080
Accessing Developmental Disabilities Services

(1) A CME is required to:

(a) Provide assistance in finding and arranging resources, services, and supports.

(b) Provide information and technical assistance to an individual, and as applicable the legal or designated representative of the individual, in order to make informed decisions. This may include, but is not limited to, information about support needs, settings, programs, and types of providers.

(c) Provide a brief description of the services available from the CME, including typical timelines for activities, required assessments, monitoring and other activities required for participation in a Medicaid program, and the planning process.

(d) Inform the individual, or as applicable the legal or designated representative of the individual, of any potential conflicts of interest between the CME and providers available to the individual.

(e) Inform providers of the responsibility:

(A) To carry out their duty as mandatory reporters of suspected abuse; and

(B) To immediately notify anyone specified by the individual of any incident that occurs when the provider is providing services when the incident may have a serious effect on the health, safety, physical, or emotional well-being, or level of services required.

(2) LICENSED OR CERTIFIED RESIDENTIAL PLACEMENT SETTING OPTIONS. In accordance with ORS 427.121, a case manager must present at least three appropriate licensed or certified residential setting options, including at least two different types of settings, to an adult individual eligible for and desiring to receive services in a licensed or certified residential setting, or to the legal representative, prior to the entry of the adult individual into a licensed or certified residential setting. The case manager is not required to present the licensed or certified residential placement setting options if:

(a) The case manager demonstrates that three appropriate licensed or certified residential placement settings or two different types of settings are not available within the geographic area where the individual wishes to reside;

(b) The individual selects a licensed or certified residential placement setting option and waives the right to be presented with other licensed or certified residential setting options; or

(c) The individual has an imminent risk to health or safety in the current licensed or certified residential setting.

(3) In accordance with the rules for home and community-based services in OAR chapter 411, division 004, an individual, or as applicable the legal or designated representative of the individual, must be advised regarding non-residential service options including employment services and non-residential community living supports. For services considered, a non-disability specific setting option must be presented and documented in the person-centered service plan.

(4) WRITTEN INFORMATION REQUIRED. A case manager must give the relevant content from the ISP that is necessary to for each provider to deliver the services the provider is authorized to deliver, prior to the start of services. The content must include the relevant risks identified in a risk identification tool. The risks are relevant when they may reasonably be expected to threaten the health and safety of the individual, the provider, or the community at large without appropriate precautions during the delivery of the service authorized for the provider to deliver. If an individual, or as applicable the legal representative of the individual, refuses to disclose the information, the CME must disclose the refusal to the provider, who may choose to refuse to deliver the services.

(a) The necessary information is conveyed on a Department approved Service Agreement containing the required content.

(b) For agency operators of a residential program or employment program, the case manager must provide to the agency:

(A) A document indicating safety skills, including the ability of the individual to evacuate from a building when warned by a signal device and adjust water temperature for bathing and washing;

(B) A brief written history of any behavioral challenges, including supervision and support needs;

(C) A record of known communicable diseases and allergies;

(D) Copies of protocols, the risk tracking record or risk identification tool, and any support documentation (if applicable);

(E) Copies of documents relating to health care representation; and

(F) A copy of the most recent Behavior Support Plan and assessment, Nursing Service Plan, and mental health treatment plan (if applicable).

(c) In addition to sub-section (b) of this section, residential programs must be given:

(A) A copy of the eligibility determination document;

(B) A medical history and information on health care supports that includes (when available):

(i) The results of the most recent physical exam;

(ii) The results of any dental evaluation;

(iii) A record of immunizations;

(iv) A record of major illnesses and hospitalizations; and

(v) A written record of any current or recommended medications, treatments, diets, and aids to physical functioning.

(C) A copy of the most recent functional needs assessment. If the needs of an individual have changed over time, the previous functional needs assessments must also be provided;

(D) Copies of documents relating to the guardianship or conservatorship, power of attorney, court orders, probation and parole information, or any other legal restrictions on the rights of the individual (if applicable);

(E) Written documentation that the individual is participating in out-of-residence activities, including public school enrollment for individuals less than 21 years of age; and

(F) A copy of any completed and signed forms documenting consent to an individually-based limitation described in OAR 411-004-0040. The form must be signed by the individual, or, if applicable the legal representative of the individual.

(d) In addition to sub-section (b) of this section, agency providers of employment services must be given:

(A) The Career Development Plan.

(B) Protocols that are necessary to assure the health and safety of the individual.

(e) When an individual is known to be accessing Vocational Rehabilitation services, the Vocational Rehabilitation counselor must be given the Career Development Plan.

(f) If the individual is being entered into a residential program from the family home and the information required in subsection (b) and (c) of this section is not available, the case manager must ensure that the residential program provider assesses the individual upon entry for issues of immediate health or safety.

(A) The case manager must develop and document a plan to secure the information listed in subsection (a) of this section no later than 30 days after entry.

(B) The plan must include a written justification as to why the information is not available and a copy of the plan must be given to the provider at the time of entry.

(5) ENTRY MEETING. No later than the date of entry of an individual into a residential program, a case manager must convene a meeting of the ISP team to review referral material in order to determine appropriateness of entry. An entry meeting may be held for entry into services other than a residential program when a member of the ISP team requests one. A potential provider may request an entry meeting and may refuse entry to an individual who refuses to permit one. Findings of the entry meeting must be recorded in the service record for the individual and distributed to the ISP team members. The findings of the entry meeting must include, at a minimum:

(a) The name of the individual proposed for services.

(b) The date of the entry meeting.

(c) The date determined to be the date of entry.

(d) Documentation of the participants included in the entry meeting;

(e) Documentation of information required by section (4) of this rule when entering a residential program.

(f) Documentation of the decision to serve the individual requesting services.

(6) TRANSFER MEETING. A meeting of the ISP team must precede any transfer of an individual that was not initiated by the individual, or as applicable the legal representative of the individual, unless the individual declines to have a meeting. Findings of the transfer meeting must be recorded in the service record for the individual and include, at a minimum:

(a) The name of the individual considered for transfer.

(b) The date of the transfer meeting.

(c) Documentation of the participants included in the transfer meeting.

(d) Documentation of the circumstances leading to the proposed transfer.

(e) Documentation of the alternatives considered instead of transfer.

(f) Documentation of the reasons any preferences of the individual, or as applicable the legal or designated representative or family members of the individual, may not be honored.

(g) Documentation of the decision regarding the transfer, including verification of the voluntary decision to transfer or a copy of the Notice of Involuntary Reduction, Transfer, or Exit.

(h) The written plan for services for the individual after transfer.

(7) EXIT MEETING. A case manager must offer the individual, and legal or designated representative, an opportunity to convene the ISP team prior to an exit of an individual from a residential program or from agency provided employment services. Findings of the exit meeting must be recorded in the service record for the individual and include, at a minimum:

(a) The name of the individual considered for exit.

(b) The date of the exit meeting.

(c) Documentation of the participants included in the exit meeting.

(d) Documentation of the circumstances leading to the proposed exit.

(e) Documentation of the discussion of the strategies to prevent the exit of the individual from services, unless the individual or legal representative is requesting the exit.

(f) Documentation of the decision regarding the exit of the individual, including verification of the voluntary decision to exit or a copy of the Notice of Involuntary, Reduction, Transfer, or Exit.

(g) The written plan for services for the individual after the exit.

(h) Requirements for an exit meeting may be waived if an individual is immediately removed from the applicable program under the following conditions:

(A) The individual or legal representative requests an immediate exit from the program; or

(B) The individual is removed by legal authority acting pursuant to civil or criminal proceedings other than detention for an individual less than 18 years of age.

(8) When services are provided by an independent provider:

(a) The case manager must provide the individual, and as applicable the designated representative of the individual, a brief description of the responsibilities for use of public funds.

(b) Using a Department approved service agreement, the CME must inform an independent provider engaged to provide supports of:

(A) The type and amount of services authorized in the ISP for the independent provider to deliver; and

(B) Behavioral, medical, known risks, and other information about the individual that is required for the provider to safely and adequately deliver services to the individual.

(c) When an individual or designated representative chooses to receive services from an independent provider, the CME must assure that a person is identified to act as a common law employer for the independent provider consistent with OAR 411-375-0055.

(A) The CME may require intervention as defined in OAR 411-375-0055.

(B) The CME may deny a request for an employer representative if the requested employer representative has:

(i) A history of substantiated abuse or neglect of an adult as described in OAR 407-045-0250 to 407-045-0370;

(ii) A history of founded abuse or neglect of a child as described in OAR 413-015-1000;

(iii) Participated in billing excessive or fraudulent charges; or

(iv) Failed to meet the employer responsibilities described in OAR 411-375-0055, including previous termination as a result of failing to meet the employer.

(C) The CME shall mail a notice informing the individual, and as applicable the legal or designated representative of the individual, when:

(i) The CME denies, suspends, or terminates an employer from performing the employer responsibilities described in 411-375-0055; and

(ii) The CME denies, suspends, or terminates an employer representative from performing the employer responsibilities because the employer representative does not meet the qualifications of an employer representative.

(D) If an individual, or as applicable the legal or designated representative or employer representative of the individual, is dissatisfied with the decision of the CME, the individual, or as applicable the legal or designated representative or employer representative of the individual, may request an administrator review by the Department as described in OAR 411-375-0070.

411-415-0090
Case Management Contact and Monitoring of Services

(1) CASE MANAGEMENT CONTACT. Every individual who has an ISP must have a case management contact no less than once every three months. Individuals with three or more significant health and safety risks as identified in the Risk Identification Tool, or if determined to be necessary by the case manager, must have monthly case management contact. At least one case management contact per year must be face to face. If an individual or legal representative agrees, other case management contact may be made by telephone or by other interactive methods. The outcome of the case management contact must be recorded in the progress notes. The purpose of the case management contact is:

(a) To assure known health and safety risks are adequately addressed;

(b) To assure that the support needs of an individual have not significantly changed; and

(c) To assure that an individual and designated representative is satisfied with the current supports.

(2) MONITORING OF SERVICES: A case manager must conduct monitoring activities using the framework described in this section.

(a) A case manager is required to provide assistance to the individual or the legal or designated representative with monitoring and improving the quality of supports.

(b) For all individuals with an ISP that authorizes waiver or Community First Choice state plan services, monitoring must include an assessment of the following:

(A) Are services being provided as described in the ISP and do the services result in the achievement of the identified action plans?

(B) Are the personal, civil, and legal rights of the individual protected in accordance with OAR chapter 411, division 318?

(C) Are the personal desires of the individual, and as applicable the legal or designated representative or family of the individual, addressed?

(D) Do the services authorized in the ISP continue to meet the assessed needs of the individual and what is important to, and for, the individual?

(E) Do identified desired outcomes and associated goals and action plans remain relevant and are the goals supported and being met?

(F) Are technological and adaptive equipment and environmental modifications being maintained and used as intended?

(G) Have changing needs or availability of other resources altered the need for continued use of Department funds to purchase supports?

(H) Are the services delivered in a setting that is in compliance with OAR 411-004-0020(1)?

(c) For an individual receiving employment services, the case manager must:

(A) Assess the progress of the individual toward competitive integrated employment; and

(B) When an individual is receiving facility based employment path services, visit each setting at least twice per plan year, while the individual is present, to verify and document the progress being made to support the individual to achieve employment goals documented in the Career Development Plan. Visits must occur no less than once every six months.

(d) When an individual or legal representative has consented to an individually-based limitation, service monitoring must include an evaluation of the ongoing need for the limitation.

(e) Unless specified in these rules, the minimum frequency of service monitoring must be determined by the needs of an individual.

(f) For an individual receiving only case management services and not enrolled in any other funded developmental disabilities services, the case manager must make contact with the individual at least once annually.

(A) Whenever possible, annual contact must be made in person. If annual contact is not made in person, a progress note in the service record must document how contact was achieved.

(B) If the individual has any identified high-risk medical issue including, but not limited to, risk of death due to aspiration, seizures, constipation, dehydration, diabetes, or significant behavioral issues, the case manager must maintain contact in accordance with planned actions as described in the Annual Plan.

(g) For an individual who is enrolled in a residential program the monitoring of services may be combined with the site visits described in section (3) of this rule. In addition:

(A) During a one year period, the services coordinator must review, at least once, services specific to health, safety, and behavior, using questions established by the Department.

(B) A semi-annual review of the process by which an individual accesses and utilizes funds must occur, using questions established by the Department. The services coordinator must determine whether financial records, bank statements, and personal spending funds are correctly reconciled and accounted for.

(i) The financial review standards for 24-hour residential programs are described in OAR 411-325-0380.

(ii) The financial review standards for adult foster homes are described in OAR 411-360-0170.

(iii) Any misuse of funds must be reported to the CDDP and the Department. The Department determines whether a referral to the Medicaid Fraud Control Unit is warranted.

(C) The services coordinator must monitor reports of serious and unusual incidents.

(h) If state plan personal care services as described in OAR 411-034-0070 are authorized in an Annual Plan, the services must be monitored as described in OAR 411-034-0070.

(3) SITE VISITS.

(a) The CDDP must ensure that quarterly site visits are conducted at each child or adult foster home and each 24-hour residential program setting licensed by the Department to serve individuals with intellectual or developmental disabilities.

(b) The CDDP must establish an annual schedule for site visits to each site that is owned, operated or controlled by:

(A) An employment program certified and endorsed under OAR chapter 411, division 345; and

(B) A community living supports program certified and endorsed under OAR chapter 411, division 450.

(c) The CDDP must conduct at least one visit annually to the home of an individual receiving services in a supported living setting.

(d) The CME must conduct at least one visit annually to the home of an individual receiving services in the home.

(e) Site visits may be increased for any of the following reasons including, but not limited to:

(A) Increased certified and licensed capacity;

(B) New individuals receiving services;

(C) Newly licensed or certified and endorsed provider;

(D) An abuse investigation;

(E) A serious event;

(F) A change in the management or staff of the licensed site or certified and endorsed program operator;

(G) An ISP team request; or

(H) Significant change in the functioning of an individual who receives services at the site.

(f) The CME must develop a procedure for the conduct of the site visits.

(g) The CME must document site visits and provide information concerning the site visits to the Department upon request.

(h) If there are no Department-funded individuals at the site, a visit by the CME is not required.

(i) When a provider is a Department-contracted and licensed, certified, and endorsed 24-hour residential program for children and the children's residential services coordinator for the Department is assigned to monitor services, the children's residential services coordinator and the CDDP shall coordinate the site visit. If the site visit is made by Department staff, Department staff shall provide the results of the site visit to the local services coordinator.

(j) The Department may conduct site visits on a more frequent basis than described in this section based on program needs.

(4) MONITORING FOLLOW-UP. A case manager and the CME are responsible for ensuring the appropriate follow-up to monitoring of services, except in the instance of children in 24-hour residential programs directly contracted with the Department when the Department conducts the follow-up.

(a) If the case manager determines that developmental disabilities services are not being delivered as agreed in the ISP for an individual, or that the service needs of an individual have changed since the last review, the case manager must initiate at least one of the following actions:

(A) Update the ISP of the individual.

(B) To remediate service delivery shortcomings, provide or refer technical assistance to an agency provider or common law employer for a personal support worker.

(b) If there are concerns regarding the ability of a provider to provide services, the CME must determine the need for technical assistance or other follow-up activities, such as coordination or provision of technical assistance, referral to the CDDP manager or brokerage director for consultation or corrective action, requesting assistance from the Department for licensing or other administrative support, or meeting with the executive director or board of directors of the provider.

(5) DEPARTMENT NOTIFICATION. The CME must notify the Department when:

(a) A provider demonstrates substantial failure to comply with any applicable licensing, certification, or endorsement rules for Department-funded programs.

(b) A personal support worker may have met any of the conditions identified in OAR 411-375-0070 that would cause the Department to inactivate or terminate the provider enrollment of the worker.

(c) The CME finds a serious and current threat endangering the health, safety, or welfare of individuals in a program for which an immediate action by the Department is required.

(d) Any individual receiving Department-funded developmental disabilities services dies. Notification must be made within one business day of the death. Entry must be made into the Serious Event Review System according to Department guidelines.

411-415-0100
Specialized Services in a Nursing Facility

An individual residing in a nursing facility determined to require specialized services, as described in OAR 411-070-0043, must have an annual plan for specialized services incorporated with a plan of care by the nursing facility.

(1) A case manager must coordinate with the individual, the legal representative of the individual, the staff of the nursing facility, and other service providers, as appropriate, to provide or arrange the specialized services. The plan for specialized services must include:

(a) The name of the service provider.

(b) A description of the specialized services to be provided.

(c) The number of hours of service per month.

(d) A description of how the services must be tracked.

(e) A description of the process of communication between the specialized service provider and the nursing facility in the event of unusual incidents, illness, absence, and emergencies.

(2) A case manager must complete an annual review of the plan for specialized services or when there has been a significant change in the level of functioning of the individual.

411-415-0110
Records Requirements

(1) In order to meet Department and federal record documentation requirements, the CME through the employees of the CME, must maintain a service record for each individual who receives services from the CME. The service record must include:

(a) Documentation of the functional needs assessment defining the support needs for ADL, IADL, and other health-related tasks.

(b) Documentation of choice advising.

(c) Documentation that the individual is eligible for any service authorized in an ISP.

(d) Referral information or documentation of referral materials sent to a provider or another CME.

(e) Progress notes written by a case manager as described in section (2) of this rule.

(f) The findings from service monitoring.

(g) Medical information, as appropriate.

(h) Entry and exit meeting documentation related to residential programs, including plans developed as a result of the meeting.

(i) Current and previous ISP or Annual Plan, including support documents and documentation that the plan is authorized by a case manager.

(j) A Nursing Service Plan must be present when Department funds are used to purchase services requiring the education and training of a licensed professional nurse.

(k) Copies of any incident reports initiated by a CME representative for any unusual incident that occurred at the CME or in the presence of the CME representative.

(l) Documentation of a review of unusual incidents received from providers. Documentation of the review of unusual incidents must be made in progress notes and a copy of the incident report must be maintained by the CME.

(m) Documentation of Medicaid eligibility, if applicable.

(n) The initial and annual level of care determination on a form prescribed by the Department.

(A) For individuals receiving CIIS or services in a 24-hour residential program for children, the CDDP must maintain a current copy of the annual level of care determination or reflect documentation of attempts to obtain a current copy.

(B) Once an individual is enrolled in a Brokerage, the CDDP must maintain a copy of the initial level of care determination form completed by the CDDP.

(o) Legal records, such as guardianship papers, civil commitment records, court orders, and probation and parole information (as appropriate).

(p) A case manager must maintain documentation of the referral process of an individual to a provider and if applicable, include the reason the provider preferred by the individual declined to deliver services to the individual.

(q) An information sheet or reasonable alternative must be kept current and reviewed at least annually for each individual receiving case management services. Information must include:

(A) The name of the individual, current address, date of entry into the CME, date of birth, gender, marital status (for individuals 18 or older), religious preference, preferred hospital, medical prime number and private insurance number (where applicable), and guardianship status; and

(B) The name, address, and telephone number of:

(i) For an adult, the legal or designated representative, family, and other significant person of the individual (as applicable), and for a child, the parent or guardian and education surrogate (if applicable);

(ii) The primary care provider and clinic preferred by the individual;

(iii) The dentist preferred by the individual;

(iv) The school, day program, or employer of the individual (if applicable);

(v) Other agency representatives providing services to the individual; and

(vi) Any court ordered or legal representative authorized contacts or limitations from contact for individuals living in a foster home, supported living program, or 24-hour residential program.

(2) PROGRESS NOTES. Progress notes must include documentation of the delivery of case management services provided to an individual by a case manager. Progress notes must be recorded chronologically in the order they are made and documented consistent with CME policies and procedures. All late entries must be appropriately noted as such. At a minimum, progress notes must include:

(a) The month, day, and year the services were rendered and the month, day, and year the entry was made if different from the date services were rendered;

(b) The name of the individual receiving service;

(c) The name of the CME, the person providing the services (i.e., the signature and title of the case manager), and the date the entry was recorded and signed;

(d) The nature and content of the case management services delivered and whether goals specified in the service plan have been achieved;

(e) Place of service. Place of service means the county where the CME or agency providing case management services is located, including the main address. The place of service may be a standard heading on each page of the progress notes; and

(f) For notes pertaining to meetings with or discussions about the individual, the names of other participants, including the titles and agency representation of the participants, if any.

(3) For individuals living in their own or family home, the CME must maintain a minimum acceptable record of expenditures for at least three years that includes:

(a) Itemized invoices and receipts to record the purchase of any single item.

(b) A trip log indicating purpose, date, and total miles to verify vehicle mileage reimbursement.

(c) Pay records to record employee services, including timesheets signed by both employee and employer.

(d) Itemized invoices for any services purchased from independent contractors, provider agencies, and professionals. Itemized invoices must include:

(A) The name of the individual to whom services were provided;

(B) The date of the services;

(C) The amount of services; and

(D) A description of the services.

(e) Evidence confirming the receipt, and securing the use of, assistive devices, environmental safety modifications, and environmental modifications.

(A) When an assistive device is obtained for the exclusive use of an individual, the CME must record the purpose, final cost, and date of receipt.

(B) The CME must secure use of equipment or furnishings costing more than $500 through a written agreement between the CME and the individual or the legal representative of the individual that specifies the time period the item is to be available to the individual and the responsibilities of all parties if the item is lost, damaged, or sold within that time period.

(4) Verification that providers meet the requirements to deliver services they are authorized to deliver including:

(a) Verification of a valid license to drive for any personal support worker, and proof of current auto insurance for the vehicle used for transportation, upon authorization of community transportation services.

(b) Documentation supporting the rate paid to a provider when it is above the minimum described in rule, policy, In-Home Expenditure Guidelines, or the base rate for a personal support worker identified in the current Collective Bargaining Agreement, including support for an enhanced and an exceptional personal support worker rate.

(5) Failure to furnish written documentation upon the written request from the Department, the Oregon Department of Justice Medicaid Fraud Unit, Centers for Medicare and Medicaid Services, or their authorized representatives, immediately or within timeframes specified in the written request, may be deemed reason to recover payments or deny further assistance.

411-415-0120
Reimbursement for Case Management Services

A CME is reimbursed for case management activities. Reimbursement may only be made when:

(1) The claim for reimbursement is for a service provided to an individual determined eligible for case management services.

(2) The individual providing the service is a qualified case manager as described in OAR 411-415-0040.

(3) An individual is properly enrolled into the Department's payment system.

(4) A claim has been made in the Department's payment system.

(5) Case management has been authorized on an ISP or as part of an Annual Plan.

(6) The claim is for a qualifying case management service.

(7) A progress note is in the individual file supporting the delivery of a case management service.

Rule Caption: ODDS: Independent Providers Delivering Developmental Disabilities Services
Adm. Order No.: APD 29-2016
Filed with Sec. of State: 6-29-2016
Certified to be Effective: 6-29-16
Notice Publication Date: 5-1-2016
Rules Adopted: 411-375-0035, 411-375-0055
Rules Amended: 411-375-0000, 411-375-0010, 411-375-0020, 411-375-0040, 411-375-0050, 411-375-0070, 411-375-0080
Rules Repealed: 411-375-0030
Rules Ren. & Amend: 411-375-0060 to 411-375-0045
Subject: The Department of Human Services, Office of Developmental Disabilities Services (Department) is permanently updating the rules for independent providers delivering developmental disabilities services in OAR chapter 411, division 375.

The rules in OAR chapter 411, division 375 are being amended to:

- Make permanent temporary changes that became effective on January 1, 2016;

- Provide consistency across services by removing terms included in the general definitions rule, OAR 411-317-0000;

- Implement changes associated with the Fair Labor Standards Act and Collective Bargaining Agreement regarding hours, pay, and benefits for personal support workers;

- Implement changes to the termination and inactivation procedures;

- Expand OAR chapter 411, division 375 to include standards and requirements related to independent providers that are not personal support workers, as well as pulling the standards for employers from other rules and incorporating them into OAR chapter 411, division 375; and

- Provide standards for documentation for independent providers.

Rules Coordinator: Kimberly Colkitt-Hallman—(503) 945-6398

411-375-0000
Purpose

(1) The rules in OAR chapter 411, division 375 establish the standards and procedures governing independent providers and the fiscal services provided on behalf of individuals who employ or contract with an independent provider.

(2) Independent providers provide home and community-based waiver, state plan, and general fund services to individuals eligible for developmental disabilities services and receiving supports authorized by a case management entity.

Stat. Auth.: ORS 409.050
Stats. Implemented: ORS 410.600, 410.606-619, 427.007

411-375-0010
Definitions and Acronyms

Unless the context indicates otherwise, the following definitions and the definitions in OAR 411-317-0000 apply to the rules in OAR chapter 411, division 375.

(1) "Active Provider Number" means an identifying number that is issued by the Department to an independent provider after the independent provider completes the qualification and enrollment conditions as described in OAR 411-375-0020. An active provider number is a provider number that is not currently in inactivated or terminated status.

(2) "ADL" means "activities of daily living".

(3) "Base Pay Rate" means the hourly wage to be paid to personal support workers, without any differentials, established in the Collective Bargaining Agreement.

(4) "Behaviorally-Driven Services and Supports" means the behavioral treatments identified in a functional needs assessment that an individual requires in addition to routine assessed ADL and IADL supports.

(5) "Burden of Proof" means that the existence or nonexistence of a fact is established by a preponderance of the evidence.

(6) "CDDP" means "Community Developmental Disability Program".

(7) "CIIS" means "Children's Intensive In-Home Services".

(8) "Collective Bargaining Agreement" means the Collective Bargaining Agreement between the Home Care Commission and the Service Employees International Union, Local 503, Oregon Public Employees Union regarding wages, hours, rules, and working conditions.

(9) "Common Law Employer" means a person responsible for the management of personal support workers in their duties described in these rules. Common law employers are also known as as an employer of record (EOR).

(10) "Common Law Employer Proxy" means a person who is delegated specific tasks to assist a common law employer in the duties of a common law employer.

(11) "Community Transportation" means the ancillary service described in OAR 411-435-0050 that enables an individual to gain access to community-based state plan and waiver services, activities and resources that are not medical in nature. Community transportation is provided in the area surrounding the home of the individual that is commonly used by people in the same area to obtain ordinary goods and services. Community transportation is available through the Community First Choice State Plan Amendment.

(12) "Confidentiality" means the conditions for use and disclosure of specific information governed by other laws and rules including, but not limited to, OAR 407-014-0000 to 407-014-0070 (Privacy of Protected Information).

(13) "Department Funds" means state public funds or Medicaid funds used to purchase developmental disabilities services for individuals enrolled in services as defined in this rule.

(14) "Enhanced Personal Support Worker" means a personal support worker who is certified by the Home Care Commission to provide services for individuals who require advanced medically or behaviorally-driven services and supports as defined and assessed through a functional needs assessment tool.

(15) "Evidence" means testimony, writings, material objects, or other things presented to the senses that are offered to prove the existence or nonexistence of a fact.

(16) "Exceptional Personal Support Worker" means a personal support worker who is certified by the Home Care Commission to provide services for individuals who require extensive medically or behaviorally-driven services and supports as assessed by a functional needs assessment tool and whose service needs also require staff to be awake more than 20 hours in a 24-hour period.

(17) "eXPRS" means "Express Payment and Reporting System". eXPRS is the Department's information system that tracks and documents service delivery of claims funded by the Department.

(18) "Failure to Act as a Mandatory Reporter" means that a personal support worker has reasonable cause to believe that the abuse of a child, an older adult, adult with an intellectual or developmental disability or mental illness, or a resident of a nursing facility has occurred, but fails to report the suspected abuse as required by ORS 419B.015, 124.065, 430.743, or 441.645.

(19) "Failure to Provide Services as Required" means an independent provider does not provide services to an individual as described in the service agreement.

(20) "FICA" means "Federal Insurance Contributions Act".

(21) "Fiscal Improprieties" means financial misconduct involving the money, property, or benefits of an individual.

(a) Fiscal improprieties include, but are not limited to, financial exploitation, borrowing money from an individual, taking property or money from an individual, having an individual purchase items for the independent provider, forging the signature of an individual, falsifying payment records, claiming payment for hours not worked, repeatedly claiming payment for hours not prior authorized, or similar acts intentionally committed for financial gain.

(b) Fiscal improprieties do not include the exchange of money, gifts, or property between a personal support worker and an individual with whom the personal support worker is related unless an allegation of financial exploitation, as defined in OAR 411-020-0002 or 407-045-0260, has been substantiated based on an adult protective services investigation.

(22) "Fiscal Intermediary" means a person or entity that receives and distributes Department funds on behalf of an individual who employs or contracts with a personal support worker to provide services.

(23) "IADL" means "instrumental activities of daily living".

(24) "Imminent Danger" means there is reasonable cause to believe the life or physical, emotional, or financial well-being of an individual is in danger if no intervention is immediately initiated.

(25) "Inactivation" means an independent provider has a Department issued provider number that has been inactivated in accordance with OAR 411-375-0070(1) or 411-375-0070(2).

(26) "Independent Provider" means a personal support worker, a person who is paid as a contractor, or a self-employed person. An agency or the employee of an agency is not an independent provider.

(27) "ISP" means "Individual Support Plan".

(28) "Lack of Skills, Knowledge, or Ability to Adequately or Safely Provide Services" means anan independent provider does not possess the skills to perform services as defined in this rule. The independent provider is not physically, mentally, or emotionally capable of providing services and the lack of skills puts an individual at risk because the independent provider fails to perform, or learn to perform, the duties needed to adequately meet the needs of the individual.

(29) "Medically-Driven Services and Supports" means the medical treatments identified in a functional needs assessment that an individual requires in addition to routine assessed ADL and IADL supports.

(30) "Office of Administrative Hearings" means the office described in ORS 183.605 established within the Employment Department to conduct contested case proceedings on behalf of designated state agencies.

(31) "Personal Support Worker":

(a) Means a person:

(A) Who has a Medicaid provider number;

(B) Hired by an individual with an intellectual or developmental disability or the representative of the individual;

(C) Who receives money from the Department for the purpose of providing services to an individual in the home or community of the individual; and

(D) Whose compensation for providing services is provided in whole or in part through a case management entity.

(b) This definition of personal support worker is intended to be interpreted consistently with ORS 410.600.

(32) "Preponderance of the Evidence" means that one party's evidence is more convincing than the other party's evidence in a contested case hearing.

(33) "Protective Service and Abuse Rules" mean the rules described in OAR chapter 411, division 020, OAR chapter 407, division 045, OAR chapter 413, division 015, and OAR chapter 943, division 045.

(34) "Provider Enrollment" means the process for enrolling an independent provider for the purpose of receiving payment for authorized services provided to an individual. Provider enrollment includes the completion and submission of a Provider Enrollment Agreement before receiving a provider number.

(35) "Provider Number" means the identifying number issued to a qualified independent provider.

(36) "Restricted Personal Support Worker" means the Department or the designee of the Department has placed restrictions on the provider enrollment of a personal support worker as described in OAR 411-375-0020.

(37) "Termination" means an independent provider has a Department issued provider number that has been terminated in accordance with OAR 411-375-0070(3).

(38) "Travel Directly" means that a personal support worker's travel from one individual's home or service setting to another individual's home or service setting is not interrupted for reasons other than to eat a meal, purchase fuel for the vehicle being used for the travel, use a restroom, or change buses, trains, or other modes of public transit.

(39) "These Rules" mean the rules in OAR chapter 411, division 375.

(40) "Unacceptable Conduct at Work" means an indpependent provider has repeatedly engaged in one or more of the following behaviors:

(a) Delay in arrival to work or absence from work not prior-scheduled with an individual that is either unsatisfactory to the individual or neglects the individual's service needs; or

(b) Inviting unwelcome guests or pets into an individual's home, resulting in the individual's dissatisfaction or a personal support worker's inattention to the individual's required service needs.

(41) "Violation of a Drug-Free Workplace" means there was a credible complaint against an independent provider for:

(a) Being intoxicated by alcohol, inhalants, prescription drugs, or other drugs, including over-the-counter medications, while:

(A) Responsible for the care of an individual;

(B) In the individual's home; or

(C) Transporting the individual.

(b) Manufacturing, possessing, selling, offering to sell, trading, or using illegal drugs while providing authorized services to an individual or while in the indivdiual's home.

(42) "Violation of Protective Service and Abuse Rules" means, based on a substantiated allegation of abuse, an independent provider was found to have violated the protective service and abuse rules described in OAR chapter 411, division 020, OAR chapter 407, division 045, OAR chapter 413, division 015, or OAR chapter 943, division 045.

(43) "Workday" means 12:00 AM through 11:59 PM.

(44) "Work Week" means 12:00 AM Sunday through 11:59 PM Saturday.

411-375-0020
Independent Provider Enrollment and Qualifications

(1) INDEPENDENT PROVIDER QUALIFICATIONS: An independent provider who is qualified to provide services must:

(a) Be at least 18 years of age.

(b) Have approval to work based on a background check completed by the Department as described in OAR 407-007-0200 to 407-007-0370 and section (3) of this rule.

(c) Not have been convicted of any of the disqualifying crimes listed in OAR 407-007-0275 unless hired or contracted with prior to July 28, 2009 and remaining in the original position for which the independent provider was hired or contracted.

(d) Be free of convictions, founded allegations of abuse, or substantiated allegations of abuse by the appropriate agency including, but not limited to, the Department or case management entity.

(e) Be legally eligible to work in the United States.

(f) Demonstrate by background, education, references, skills, and abilities that the independent provider is capable of safely and adequately performing the tasks specified in an ISP, with such demonstration confirmed in writing by the individual, or their legal or designated representative including:

(A) Ability and sufficient education to follow oral and written instructions and keep any required records;

(B) Possess the physical health, mental health, good judgment, and good personal character determined necessary to provide services;

(C) Ability to communicate with the individual; and

(D) Training of a nature and type sufficient to ensure that the independent provider has knowledge of emergency procedures specific to the individual.

(g) Maintain confidentiality and safeguard individual information. Unless given specific permission by an individual or the legal representative of an individual, the independent provider may not share any personal information about the individual including medical, social service, financial, public assistance, legal, or other personal details.

(h) Not be on the list of excluded or debarred providers maintained by the Office of the Inspector General (http://exclusions.oig.hhs.gov/).

(i) Complete and submit a Provider Enrollment Agreement to the Department and possess a current provider number issued by the Department.

(j) Have a tax identification number or Social Security number that matches the legal name of the independent provider as verified by the Internal Revenue Service or Social Security Administration.

(k) If providing services requiring professional licensure, possess a current and unencumbered license. The individual the designated or legal representative of the individual, or the case management entity must check the license status to verify the license is current and unencumbered.

(l) If transporting an individual, have a valid license to drive and proof of insurance, as well as any other license or certification that may be required under state and local law depending on the nature and scope of the transportation. Copies of these documents must be available to any case management entity that authorizes community transportation upon authorization and as requested.

(m) An independent provider must meet the qualifications for a provider as described in the Oregon Administrative Rules that are relevant to the specific service when applicable.

(2) INDEPENDENT PROVIDER EXCLUSIONS. An independent provider may not be authorized to provide services to an individual if:

(a) The independent provider is the parent of the individual if the individual is less than 18 years of age;

(b) The independent provider is the legal representative of the individual who has not appointed a designated representative to plan supports for the individual;

(c) The independent provider is the designated representative of the individual;

(d) The independent provider is the spouse of the individual; or

(e) The independent provider is the common law employer or commom law employer proxy for the individual.

(3) BACKGROUND CHECKS.

(a) A subject individual as defined in OAR 407-007-0210 may be approved for one position to work statewide when the subject individual is working in the same employment role with the same population. The Background Check Request Form must be completed by the subject individual to show intent to work statewide.

(b) When an independent provider is approved without restrictions following a background check fitness determination, the approval must meet the provider enrollment requirements for the employment role of the independent provider.

(c) If an independent provider has been approved under OAR 407-007-0200 to 407-007-0370 on a background check submitted to the Department between July 1, 2012 and June 30, 2014, the independent provider may use that approval notice to work statewide with the same population until a new background check is needed. Statewide clearance does not apply to a restricted personal support worker.

(d) Background check approval is effective for two years from the date of fitness determination to provide services except in the following circumstances:

(A) A new fitness determination is conducted resulting in a change in approval status; or

(B) The Department has terminated the provider enrollment for the independent provider.

(e) The case management entity may conduct a background recheck more frequently based on:

(A) Additional information discovered about the independent provider, such as possible criminal activity or other allegations; or

(B) At the request of the individual or designated common law employer. Upon request, the personal support worker must provide any additional info to complete the updated background recheck within 30 days.

(f) An independent provider must self-report any potentially disqualifying condition as described in OAR 407-007-0280 and 407-007-0290 to the case management entity within 24 hours.

(4) The Department may not complete provider enrollment in the following circumstances:

(a) The applicant has been suspended or terminated as a provider by another division within the Department or the Oregon Health Authority;

(b) The applicant has a history of violating protective service and abuse rules or has a founded report of child abuse or substantiated adult abuse;

(c) The applicant has committed fiscal improprieties;

(d) The applicant has demonstrated a lack of skills, knowledge, or ability to adequately or safely provide services;

(e) The applicant has an unacceptable background check or the background check results in a closed case pursuant to OAR 407-007-0325;

(f) The applicant is on the list of excluded or debarred providers maintained by the Office of the Inspector General (http://exclusions.oig.hhs.gov/);

(g) The case management entity has documentation the applicant is not capable of performing required services in a professionally competent, safe, legal, or ethical manner; or

(h) The tax identification number or Social Security number for the applicant does not match the legal name of the applicant as verified by the Internal Revenue Service or Social Security Administration.

(5) A personal support worker must attend a personal support worker orientation consistent with the Collective Bargaining Agreement.

(6) RESTRICTED PERSONAL SUPPORT WORKER PROVIDER ENROLLMENT.

(a) The Department may enroll an applicant as a restricted personal support worker. A restricted personal support worker may only provide services to a specific individual who is a family member, neighbor, or friend.

(A) After conducting a weighing test as described in OAR 407-007-0200 to 407-007-0370, the Department may approve a restricted enrollment for an applicant with a prior criminal record, unless under OAR 407-007-0275 the applicant has been found ineligible due to ORS 443.004.

(B) The Department may approve a restricted enrollment for an applicant based on the lack of skills, knowledge, or ability of the applicant to adequately or safely provide services.

(b) To remove restricted personal support worker status, the applicant must complete a new application and background check and be approved by the Department.

(7) ENHANCED AND EXCEPTIONAL PERSONAL SUPPORT WORKERS.

(a) ENHANCED PERSONAL SUPPORT WORKERS.

(A) A personal support worker must be certified by the Home Care Commission as an enhanced personal support worker to provide services for individuals who require advanced medically or behaviorally-driven services and supports as assessed by a functional needs assessment.

(B) Enhanced personal support workers are paid for providing ADL and IADL services at the enhanced personal support worker rate set forth in the Collective Bargaining Agreement.The enhanced personal support worker rate is effective the first day of the month following the month in which both:

(i) The personal support worker is certified by the Oregon Home Care Commission to provide services; and

(ii) The outcome of the individual's functional needs assessment indicates the need for assistance with advanced medically or behaviorally-driven services.

(b) EXCEPTIONAL PERSONAL SUPPORT WORKER.

(A) A personal support worker must be certified by the Home Care Commission as an exceptional personal support worker to provide services for individuals who require assistance with extensive medically or behaviorally-driven services and supports as assessed by a functional needs assessment.

(B) Exceptional personal support workers are paid for providing ADL and IADL services at the exceptional personal support worker rate set forth in the Collective Bargaining Agreement.The exceptional personal support worker rate is effective the first day of the month following the month in which both:

(i) The personal support worker is certified by the Oregon Home Care Commission to provide services; and

(ii) The outcome of the individual's functional needs assessment indicates the need for assistance with extensive medically or behaviorally-driven services and at least 20 hours per day of attendant care support excluding 2:1 support hours.

(c) A personal support worker who has been certified by the Oregon Home Care Commission to provide enhanced or exceptional supports may not receive the enhanced or exceptional rate when providing services to an individual whose functional needs assessment does not indicate the need for assistance with advanced or extensive medically or behaviorally-driven services except as required by the Collective Bargaining Agreement.

(8) INDEPENDENT PROVIDER CONTINUED ENROLLMENT RESPONSIBILITIES.

(a) An independent provider is responsible for maintaining an active provider number by:

(A) Completing and submitting a new Provider Enrollment Agreement to the Department at least 55 calendar days prior to the end date of the agreement; and

(B) Completing and submitting a Background Check Request Form and receiving approval to work by the Department at least 55 calendar days prior to the end of the background check approval period.

(b) An independent provider is responsible to attend trainings and maintain certifications as required by applicable program rules.

411-375-0035
Documentation and Reporting Requirements

(1) SERVICE AGREEMENT.

(a) An independent provider may not provide services to an individual without a completed and authorized Service Agreement.

(b) An independent provider must maintain a copy of the authorized Service Agreement for the authorized service period.

(c) For personal support workers, the Service Agreement serves as a job description.

(d) For independent providers who are not personal support workers, the independent provider's signature on the individual's ISP may serve as the Service Agreement.

(2) PROGRESS NOTES.

(a) Independent providers must maintain regular progress notes. The progress note must include, at minimum, the following information regarding the service rendered:

(A) Date and time the service was provided; and

(B) Information regarding progress towards achieving the intended ISP goal identified in the Service Agreement for which the service was delivered.

(b) For a personal support worker, progress notes must be submitted to the case management entity upon request from the case management entity and with a timesheet as part of the claim for payment.

(c) For an independent provider who is not a personal supportworker, progress notes must be submitted as required by applicable program rules.

(3) INCIDENT REPORTING.

(a) Independent providers must notify the individual's case management entity of any injury, accident, act of physical aggression, or unusual incident involving an individual.

(b) Independent providers must notify the individual's case management entity of any reasonable suspicion that an individual is the victim of abuse.

(c) Independent providers who are mandatory reporters must also make reports of suspected abuse consistent with ORS 419B.015, 124.065, 430.743, or 441.645.

Stat. Auth.: ORS 409.050

411-375-0040
Fiscal and Accountability Responsibility

(1) DIRECT SERVICE PAYMENTS. The case management entity or contracted fiscal intermediary makes payment to an independent provider on behalf of an individual for all services.

(a) Payment is considered full payment for the services rendered. The independent provider may not, under any circumstances, demand or receive additional payment for Department-funded services from the individual or any other source.

(b) The Department only makes payment for services that:

(A) Are authorized in an ISP, and included in a Service Agreement;

(B) The provider has been authorized in eXPRS to deliver the service; and

(C) The provider has delivered the service.

(c) The Department does not make Department funds available to an individual or common law employer to pay an independent provider.

(d) The Department only makes payment to an enrolled provider who actually performs the authorized services. Federal regulations prohibit the Department from making payment to a collection agency.

(e) All Department funds paid to a personal support worker must come through a fiscal intermediary.

(2) TIMELY SUBMISSION OF CLAIMS. In accordance with 42 CFR 447.45, all claims for services must be submitted within 12 months from the date of services in order to be considered for payment. A claim submitted after 12 months from the date of services may not be considered for payment.

(3) CLAIM OR ENCOUNTER SUBMISSION.

(a) Submission of a claim, encounter, or other payment request document constitutes the agreement of an independent provider that:

(A) The services were provided in compliance with the Service Agreement in effect on the date of service;

(B) The information on the claim, encounter, or other payment request document, regardless of the format, is true, accurate, and complete; and

(C) The independent provider understands that payment of the claim, encounter, or other payment request document is from Department funds and that any falsification or concealment of a material fact may result in prosecution under federal and state laws.

(b) The independent provider must submit a claim for payment directly into eXPRS, unless an exception has been granted by the case management entity.

(A) Claims for payment submitted by independent providers who are not personal support workers must include documentation from the provider of services delivered.

(B) Claims for payment submitted by personal support workers must meet the requirements of a properly completed timesheet as defined by the Collective Bargaining Agreement including submission of progress notes as required by this rule.

(4) CLAIM OR ENCOUNTER AUTHORIZATION. Authorization of a submitted claim, encounter, or other payment request document by the employer, constitutes agreement that the independent provider provided services in accordance with the claim.

(5) INDEPENDENT PROVIDER PAYMENT LIMITATIONS.

(a) Department funds may not pay for services delivered by an independent provider who does not possess an active provider number issued by the Department on the date services are delivered.

(b) An active provider number with the Department is not a guarantee that an independent provider shall receive any minimum amount of work or payment from the case management entity.

(c) Payment is not made for services delivered to any individual prior to:

(A) The return of a signed Service Agreement, specific to the individual, to the case manager of the individual.

(i) When the provider is a personal support worker, a completed Service Agreement must include a dated signature from the common law employer and the personal support worker.

(ii) When the provider is an independent provider, but not a personal support worker, a completed Service Agreement must include the name and dated signature of the individual or the representative of the individual.

(B) Authorization of the services in eXPRS.

(d) A personal support worker may not work more than 50 hours in a work week, per individual, unless:

(A) The personal support worker is delivering daily relief care; or

(B) An exception has been granted by the case management entity. All determinations regarding exceptions to the 50 hour limitation are final.

(e) A personal support worker may not work more than 40 hours in a work week for any one child in a CIIS program.

(6) ANCILLARY CONTRIBUTIONS FOR PERSONAL SUPPORT WORKERS.

(a) FICA. Acting on behalf of the individual, the case management entity or contracted fiscal intermediary shall apply any applicable FICA regulations including:

(A) Withholding the FICA contribution of the personal support worker from the payment to the personal support worker; and

(B) Submitting the FICA contribution of the individual and the amounts withheld from the payment to the personal support worker to the Social Security Administration.

(b) BENEFIT FUND ASSESSMENT. The Workers' Benefit Fund pays for programs that provide direct benefits to an injured worker and the beneficiary of the injured worker and also assists an employer in helping an injured worker return to work. The Department of Consumer and Business Services sets the Workers' Benefit Fund assessment rate for each calendar year. The case management entity or contracted fiscal intermediary calculates the hours rounded up to the nearest whole hour and deducts an amount rounded up to the nearest cent. Acting on behalf of the individual, the case management entity or contracted fiscal intermediary:

(A) Deducts the share of the Benefit Fund assessment rate for the personal support worker for each hour or partial hour worked;

(B) Collects the share of the Benefit Fund assessment rate for the individual for each hour or partial hour of paid services received; and

(C) Submits the contributions of the personal support worker and the individual to the Workers' Benefit Fund.

(c) The case management entity or contracted fiscal intermediary submits the unemployment tax.

(7) STATE AND FEDERAL INCOME TAX WITHHOLDING.

(a) The case management entity or contracted fiscal intermediary withholds state and federal income taxes on all payments to personal support workers as indicated in the Collective Bargaining Agreement.

(b) Personal support workers must complete and return a current Internal Revenue Service (IRS) W-4 form.

(A) Personal support workers working with individuals receiving services through a CDDP or Support Services Brokerage must return all applicable IRS forms to the local office of the CDDP or Support Services Brokerage.

(B) Personal support workers working with individuals receiving services through CIIS must return the IRS forms to the Central Office of the Department.

(C) The case management entity or contracted fiscal intermediary must apply standard income tax withholding practices in accordance with 26 CFR 31.

411-375-0045
Overpayments

(1) An overpayment is any payment made by the Department or case management entity to an independent provider that is more than the independent provider is permitted to receive under DHS rules. An independent provider may only receive payment for a number of hours that are actually provided and do not exceed the amount stated in a Service Agreement.

(2) Overpayments are categorized as follows:

(a) ADMINISTRATIVE ERROR. The case management entity failed to authorize, compute, or process the correct amount of service hours or wage rate.

(b) INDEPENDENT PROVIDER ERROR. The Department overpays the independent provider due to a misunderstanding or unintentional error.

(c) FRAUD. "Fraud" means taking actions that may result in the independent provider receiving a benefit in excess of the correct amount whether by intentional deception, misrepresentation, or failure to account for payments or money received. "Fraud" also means spending payments or money the independent provider was not entitled to and any act that constitutes fraud under applicable federal or state law (including 42 CFR 455.2). The Department of Justice, Medicaid Fraud Unit determines when a Medicaid fraud allegation is pursued for prosecution.

(3) The Department may recover an overpayment established by a judgment in a state or federal court, by the Department or another administrative agency in a contested case proceeding, or by a signed document in which the person acknowledges the overpayment and waives the right to a contested case hearing.

(4) Overpayments for personal support workers are recovered as follows:

(a) Overpayments are collected prior to garnishments, such as child support, Internal Revenue Service back taxes, or educational loans.

(b) Overpayments due to administrative error or personal support worker error are recouped at no more than five percent of the total for the hours paid until repaid in full.

(c) When a fraud overpayment has occurred, the Department shall determine the manner and the amount to be recovered.

(d) When a provider is no longer employed as a personal support worker, any remaining overpayment is deducted from the final check to the

provider. The provider is responsible for repaying the amount in full when the final check is insufficient to cover the remaining overpayment.

(3) Overpayments for independent providers who are not personal support workers are recovered as described in OAR chapter 407, division 120.

Personal Support Worker Benefits and Secondary Expenses

(1) The only benefits available to personal support workers are negotiated in the Collective Bargaining Agreement and provided in Oregon Revised Statute. The Collective Bargaining Agreement does not include participation in the Public Employees Retirement System or the Oregon Public Service Retirement Plan. Personal support workers are not employees of a case management entity.

(2) Workers' compensation, as defined in Oregon Revised Statute, is available to eligible personal support workers as described in the Collective Bargaining Agreement. In order to receive services provided by a personal support worker, an individual, the designated common law employer or the common law employer proxy must provide written authorization and consent to the Department for the provision of workers' compensation insurance for the personal support worker.

(3) COMMUNITY TRANSPORTATION.

(a) A personal support worker may be reimbursed for providing community transportation related to services if the community transportation is prior authorized by a case manager and reflected in the ISP for an individual in accordance with OAR 411-435-0050. A personal support worker providing community transportation must have a valid license to drive, a good driving record, and proof of insurance for the vehicle used to transport the individual, as well as any other license or certificate that may be required under state and local law depending on the nature and scope of the transportation.

(b) Community transportation services exclude medical transportation. Medical transportation is provided through Medical Assistance Programs (MAP).

(c) The Department is not responsible for vehicle damage or personal injury sustained while using a personal motor vehicle for ISP-related transportation except as may be covered by workers' compensation.

(d) Reimbursement for transporting an individual to accomplish ADL, IADL, or a health-related task within the community in which the individual lives or an employment goal identified on an ISP is on a per-mile basis as outlined in the Collective Bargaining Agreement.

(4) TRAVEL BETWEEN WORKSITES. A personal support worker who travels directly between the home or service setting of one individual and the home or service setting of another individual is paid at the base pay rate, as defined in the Collective Bargaining Agreement, for the time spent traveling directly between the homes or service settings.

(a) Unless otherwise specified in statute or rule the amount of time a personal support worker may take to travel directly travel from one individual's home or service setting to another individual's home or service setting may not exceed one hour.

(b) The total time spent traveling directly between the homes or service settings of all individuals a personal support worker is authorized to deliver services to may not total more than ten percent of the total wages that the personal support worker claims during a pay period as described in the Collective Bargaining Agreement.

(c) When a personal support worker uses the personal support worker's own vehicle to travel directly between the homes or service settings of two individuals, the Department shall determine the time needed for a personal support worker to travel directly between the homes or service settings of the two individuals based on a time estimate published in a common, publicly-available, web-based mapping program.

(d) When a personal support worker uses public transportation to travel directly between the homes or service settings of two individuals, payment for travel time is based on the public transportation providers' scheduled pick-up and drop-off times for the stops nearest the individuals' homes or service settings.

(e) When a personal support worker uses non-motorized transportation to travel directly between the homes or service settings of two individuals, payment for travel time shall be based on a time estimate published in a common, publicly-available web-based mapping program.

(5) Claims for travel time exceeding the Department's time estimates for the travel time require a written explanation from the personal support worker. Time claimed in excess of the Department's time estimate may not be paid.

(6) Under no circumstances may a personal support worker be paid for time spent in transit to or from the personal support worker's own residence.

(7) Personal support workers receive mileage reimbursement only as set forth in section (3) of this rule.

(8) GLOVES AND MASKS. Once all public and private resources have been exhausted, an emergency supply of protective gloves and masks must be made available to a personal support worker for the safety of the personal support worker in response to documented changing or newly identified individual need as outlined in the Collective Bargaining Agreement.

Standards for Common Law Employers for Personal Support Workers

(1) COMMON LAW EMPLOYER. A common law employer is required when a personal support worker is selected by an individual to deliver supports. Neither the Department, certified and endorsed or licensed provider agencies, nor case management entities may act as the common law employer for a personal support worker.

(2) The relationship between a personal support worker and an individual, or the designated common law employer of the individual, is an employee and employer relationship.

(3) The individual or their legal or designated representative has the right to choose any personal support worker enrolled as a provider as described in OAR 411-375-0020 who meets the specific program qualifications.

(4) SERVICE AGREEMENT. Common law employers must assure the implementation of a Service Agreement.

(5) BENEFITS. Common law employers do not qualify for any benefits including, but not limited to, financial compenstation.

(6) COMMON LAW EMPLOYER REQUIREMENTS.

(a) Common law employers must be:

(A) The individual.

(B) A person who is designated by the individual or their legal or designated representative to act as the common law employer on behalf of the individual to meet all of the employer responsibilities described in subsection (b) of this section. The legal or designated representative of an individual may be the employer. As of October 1, 2016, no one may be a designated common law employer or proxy who does not sign a Department-approved form which affirms the designated common law employer is able to fulfill the responsibilities, or responsibilities delegated to them, as outlined in subsection (b) of this section. The designated common law employer must not have:

(i) A history of substantiated abuse of an adult as described in OAR 411-045-0250 to 411-045-0370;

(ii) A history of founded abuse of a child as described in ORS 419B.005;

(iii) A conviction of any crimes found in OAR 407-007-0280(1); or

(iv) An indictment or conviction of fraud pursuant to federal law under 42 CFR 455.23.

(C) Not currently employed as a provider in any capacity for the individual receiving services.

(D) Meet federal and state requirements to enter an employment relationship.

(b) Common law employers have the following responsibilities:

(A) Locating, screening, and hiring a qualified personal support worker.

(B) Assisting in developing the Service Agreement with the case management entity as needed.

(C) Ensuring that services are delivered in accordance with the Service Agreement.

(D) Supervising and training the personal support worker.

(E) Scheduling work, leave, and coverage.

(F) Tracking the hours worked and verifying the authorized hours completed by the personal support worker.

(G) Recognizing, discussing, and attempting to correct, with the personal support worker any performance deficiencies and provide appropriate and progressive disciplinary action as needed.

(H) Notifying the case management entity of any suspected fraud or abuse by the personal support worker.

(I) Discharging an unsatisfactory personal support worker.
