

(Introduced by Senate Local  
Govt. Committee at request  
of 1967-69 Interim Committee  
on Local Government)

SENATE LOCAL GOVERNMENT COMMITTEE MINUTES:

Jan. 24: p. 1 (Also on Tape 1, side 2)

(This was a general meeting for review of proposed legislation introduced at request of Int. Comm. on Local Govt. Minutes state a review was held, Jane Gearhart (of Legis. Counsel's Office) explained complexities of some legislation, and there is brief testimony. The exhibit attached (1 page) lists the bill nos. and SB 32 is among them). Since the minutes are so brief, we would suggest listening to the tape recording).

Apr. 4: p. 3 (Tape 7, side 2 and/or Tape 8, side 1)

Exhibits attached:

1. Proposed amendments to corrected SB 32 dated Mar. 27, 1969. 6 pages.

Apr. 22: p. 2 & 3

Apr. 25: p. 1-2 (Tape 10, side 2)

(the exhibit C referred to is not attached to minutes)

Note: there was no tape index with these minutes; we have attempted to compile one but it would appear that some labels on the tapes are incorrect as we have had great difficulty finding correct tapes for various dates.

No separate exhibit file.

HOUSE LOCAL GOVERNMENT COMMITTEE MINUTES:

May 12: p. 2 (Also on Tape 48)

Note: very brief reference although states there was discussion. May wish to use tape.

May 14: p. 1 (Also on Tape 49)

Note: very brief minutes although Jane Gearhart, Legis. Counsel, explained changes, there was testimony, etc. May wish to use tape.

May 19: p. 1 (Also on Tape 51)

No separate exhibit file.

Note: Archives also has minutes and exhibits of Int. Local Govt. Committee which appears to have done background work on this legislation. These records must be used personally by patrons since we have limited staff and no one with legal training to do definitive research of this type.

(We did note in organizational meeting to House Local Govt. Committee 1969 that they stated the Int. Committee did excellent work and that the 1969 standing committee would rely heavily on their report and minutes. The published report of the Interim Committee would be available from the Library Services Division of the State Library.

*Copy of printed SB 32 also available from  
Library Service Divn. if needed.*
