BILL BRADBURY
SECRETARY OF STATE

PADDY J. McGUIRE
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION

JOHN LINDBACK
DIRECTOR

141 STATE CAPITOL
SALEM, OREGON 97310-0722

(503) 986-1518

Dear Oregonian,

Registering to vote is only half of your right and your duty as a citizen. To fully do your part for democracy, you also have to vote.

I challenge you to not only vote yourself, but to remind your friends and neighbors, your family and colleagues, and everyone in your community to vote. As individuals, we can lead by example, but as a community we can demonstrate real power with the collective voice of our votes. We the people are the government. Government is what we make of it. We each have the power and the responsibility to direct government to match our needs. You have the power to change our government with your voice—and you have the power to change the world with your vote.

If you have any questions about your ballot or about voting, call our toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or our TTY line for the hearing impaired at 1-866-350-0596. Elections representatives are available to answer all of your questions about voting Monday through Friday, 8:00 am to 5:00 pm.

Please return your ballot so that it is received by November 2. Remember, the decisions you make with your ballot will affect all of our lives and our future. Thank you for being an active participant in our democracy. Thank you for voting.

Best Wishes,

Bill Bradbury
Oregon Secretary of State

On the cover: *Lewis and Clark Bicentennial First Class Postage commemorative stamps were issued on May 14, 2004. Special first day issue ceremonies were held in eleven locations across the nation, including both Fort Clatsop National Memorial in Oregon and Cape Disappointment in Washington. The cover stamp shows Meriwether Lewis and William Clark on the 1804-1806 Corps of Discovery expedition. The other two Bicentennial stamps are printed inside some versions of volume 2 of the voters' pamphlet. One is a formal portrait of Lewis and the other is of Clark. The stamps, trademarked and copyrighted, are courtesy of the United States Postal Service (www.usps.com).*

General Information

Voters' Pamphlet

Your official 2004 General Election Voters' Pamphlet is divided into two separate volumes. This is Volume 2 and contains information on candidates. You should have already received Volume 1, containing information on the statewide measures. If you have not received Volume 1, please call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

In this volume, partisan candidates appear before nonpartisan candidates. All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background, and prior governmental experience—has been certified by each candidate.

Volume 2 also includes other voting aids, such as a complete listing of state candidates, drop site locations, and ballot instructions. If your county has chosen to produce a voters' pamphlet in conjunction with the state, drop site locations will appear in your county voters' pamphlet, which is in the center of this pamphlet.

Candidate statements are printed as submitted by the author. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Pursuant to ORS 254.155, the Secretary of State is required to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2004 General Election is:

E, D, O, L, K, H, I, J, A, T, C, F, M, V, W, X, G, R, Z, N, S, P, B, U, Y, Q

Website

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide on the World Wide Web at www.sos.state.or.us/elections/nov22004/nov22004.html

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by October 28. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8:00 p.m. election day, Tuesday, November 2, 2004.

Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

MICHAEL BADNARIK FOR PRESIDENT
www.badnarik.org

Republicans say they support fiscal responsibility. But since George Bush took office, government has grown at a faster rate than under Bill Clinton – even if you factor out wartime spending. Our nation is deeper in debt than it has ever been, jeopardizing the quality of our childrens' future.

President Bush has yet to veto a single discretionary spending bill. Although he worked to cut taxes a little, he didn't match tax cuts with cuts in spending. The resulting debt represents nothing more than deferred taxation – so what did we gain?

For years, Republicans said they couldn't control spending because they had a Democratic Congress or White House to deal with. Now, they have no excuses. The current credit card spending spree has happened under a Republican president, and a Republican congress. Is that what fiscal responsibility means to you?

Republicans and Democrats alike have failed to protect our personal liberties. They have supported the USA Patriot Act, the Homeland Security Act and other laws that erode our personal freedoms. Everyone agrees that terrorism cannot be tolerated. But if terrorists cause us to surrender our personal freedoms in the name of security, terrorists win.

As soon as we can do so responsibly, we need to get our troops out of Iraq. Our armed forces should concern themselves with protecting America.

If you've had enough, consider voting for me. I will actively promote initiatives, legislation and policies that will actually shrink the size of government dramatically - letting you to keep the money you earn and preventing government from violating your rights or meddling in your personal decisions.

I have been honored to serve as President during an historic time for America. Together, we are making our nation safer, stronger, and better.

We have rallied the world to defeat terrorists abroad and strengthened our laws to protect Americans at home. Tax relief for families and small businesses has spurred our economy to its fastest growth in nearly 20 years. Schools are improving with higher standards, strong accountability, and local control. And prescription drug coverage is helping older Americans pay for their medicines.

During the next four years, we will spread opportunity and prosperity to every part of America and continue to lead the cause of freedom and peace in the world. We will ensure every American who wants a job can find one by keeping taxes low, making regulation of small businesses more reasonable, opening up foreign markets, and reducing junk lawsuits. We will pass a comprehensive energy plan to make America more energy independent. We will help more Americans get job training at community colleges. We will make health care more affordable and help families save and invest so every person owns a part of the American Dream. And I will stand with the men and women of our military, law enforcement, and first responders as we defend our homeland, defeat terrorists, and bring peace and freedom to people around the world.

I have a positive and optimistic agenda for America, and I would be grateful for your vote.

Dear Oregon Voter,

If you want to cast your presidential ballot in a positive and meaningful way—for peace, for immediately ending the occupation of Iraq, for repealing the “Patriot” Act, for a living wage and health care for all; and for building a party which will continue work on all these critical issues regardless of who wins on November 2, then I encourage you to vote Pacific Green.

The Green Party is America’s fastest growing political party. We believe in government by the people. Our hundreds of elected officials are working daily to improve local communities and give citizens a voice in the decisions which affect their lives. From Salem to Corvallis to San Francisco and New Paltz, New York, Green office-holders have championed a healthier environment, improving school lunches and giving all people basic human rights, including the right to marry.

Greens Believe in Democracy for All:

- Human rights for people—not corporations
- Public financing for public elections
- Debates open to all ballot-qualified candidates
- Democracy in the workplace

A Sustainable Economy and Environment

- Create jobs by developing solar, wind and bio-fuel technologies; planting trees and watershed restoration
- Protect drinking water, salmon and Ancient Forests—stop clearcutting!

If you agree with our values, vote Green! I also encourage you to:

- Learn about Instant Runoff Voting, which eliminates the “spoiler” situation and produces more democratic results. See www.fairvote.org
- Register Pacific Green and demonstrate your support for peace and Green values
- Support local Pacific Green candidates

Dear Oregon Voter,

I am running for Vice President because I love my children.

Someone like me, a single mother of two, who needs the Green Party and its ideals as much as anyone does, must run if our current system is going to change.

Women head more than 70 percent of the families living in poverty. Yet less than 1 percent of the United States Congress has been female. Our needs are great but our representation in legislative bodies in this country has been nil.

As a broadcaster, I know that U.S. government policies are in opposition to the best interests of this country. The privately owned media supports its own agenda while alienating the people. Consequently, half of our voting population doesn’t vote. We are not represented and it shows.

If the government worked for the people, we wouldn’t have the “Patriot” Act. We wouldn’t have our sons and daughters (and grandfathers!) in harm’s way, waging war for the wealthy and angry all over the world. We wouldn’t have the educational nightmare called “No Child Left Behind” or huge deficit-ballooning tax cuts for the greedy. We would have single-payer, universal health care, a living wage and women wouldn’t fear losing their right to choose.

There is another reason I am running: my running mate, David Cobb. David represents the marginalized voices of this country. Decent and honest, he cares for the ordinary American who has otherwise been left out of this Presidential debate. Please read the statements by David and the Pacific Green Party.

Vote Green: the best hope for our country’s future.

Sincerely,
Pat LaMarche

Like many of you, **I believe that what matters most is not narrow appeals that divide us, but shared values that unite us.** Family and faith. Hard work and responsibility. Opportunity for all.

Like you, **I value jobs that pay you more** not less than you earned before - jobs where you can actually pay your bills, provide for your children, and lift up the quality of your life. And like you, I value an America where the middle class is not being squeezed, but doing better.

- New incentives to revitalize manufacturing.
- Investment in technology and innovation that will create the good-paying jobs of the future.
- Close the tax loopholes that reward companies for shipping our jobs overseas. Instead, **we will reward companies that create and keep good paying jobs where they belong – in the good old U.S.A.**

My health care plan for a stronger America cracks down on the waste, greed, and abuse and will save families up to \$1,000 a year on their premiums. We will fight to ensure that **you'll get to pick your own doctor – and patients and doctors, not insurance company bureaucrats, will make medical decisions.** Under our plan, Medicare will negotiate lower drug prices for seniors. And all Americans will be able to buy less expensive prescription drugs from countries like Canada.

And as president, I will bring back this nation's time-honored tradition: the United States of America never goes to war because we want to, we only go to war because we have to.

I would be honored to have your vote.

Democrat

Occupation: United States Senator

Occupational Background: freight handler, law clerk, attorney

Educational Background: NC State, Bachelors 1974; University of North Carolina, JD 1977

Prior Governmental Experience: US Senate 1999 - present

I grew up in a small town in rural North Carolina. My father worked in a mill all his life, and I will never forget the men and women who worked with him.

I have spent my life fighting for the kind of people I grew up with. For two decades, I stood with families and children against big HMOs and big insurance companies. And as a Senator, I fought those same fights against Washington lobbyists.

I want to talk about our next president. When John Kerry graduated college, he volunteered for military service. He volunteered to go to Vietnam.

If you have any question about what he's made of, you need to spend three minutes with the men who actually served with him then and stand by him today.

They saw up close what he's made of. They saw him reach down and pull one of his men from the river and save his life. And in the heat of battle, they saw him decide in an instant to turn his boat around, drive it straight through an enemy position, and chase down the enemy to save his crew.

Where I come from, you don't judge someone's values based on how they use that word in a political ad. You judge their values based upon what they've spent their life doing.

John Kerry is prepared to keep the American people safe and to make America stronger at home and respected in the world.

John is a man who knows the difference between what is right and what is wrong. And that is why we must and we will elect John Kerry as our next president.

We would be honored to have your support.

Decades of compromise has left us with “two” political parties that have become so similar, it is nearly impossible to distinguish one from the other. With virtually no opposing power left in Washington, **we are continually victimized by a lawless, one-party system** that is driving us into moral and fiscal bankruptcy.

Our Constitution authorizes the federal government to: provide for the common defense, secure our borders, protect our God given rights - **and very little else!** While the legislative powers belong primarily to the states, our real government exists **within the people**, working in our communities, families and churches.

We have turned that design completely upside down, and have given near total power to the federal government. The experiment has failed, and ...

IT IS TIME TO TAKE THAT POWER BACK!

My commitment is to follow the Constitution and **only** support legislation that falls under the clearly mandated role of Congress.

Key issues:

Iraq

We invaded a country that posed **NO** threat to America. Many thousands of our soldiers are dead or wounded, we have squandered nearly two hundred billion dollars, and our reputation in the world has been irreparably harmed. **We should pull every American soldier out of Iraq IMMEDIATELY!**

Sanctity of Life

The humanity of the child in the womb is undeniable. We should mourn for the 44,000,000 children that have been **murdered in the abortion holocaust**. Their innocent blood is crying out for justice. May God have mercy on America when the payment is due.

Proper Role of Congress

Congress has been vested by our Constitution with very specific and limited powers. With few exceptions, those who serve us in Congress **have refused to obey the law!**

Tyrannical Courts

Congress has the **exclusive power** to make laws. We have allowed judges and courts to usurp this authority.

DAN FITZGERALD FOR SENATE

We deserve a Senator who will actually represent us.

The incumbent voted for the USA PATRIOT Act and the Homeland Security Act, without even reading them. Now he says he wants to “fix” them.

These two pieces of legislation can’t be fixed. They need to be torn out of the books, and those who voted for them should be turned from office as a cautionary tale.

I will work to bring all of our troops home from Iraq as quickly as can be safely accomplished. The military exists to defend America. If we refocus it on that basic mission, we will be more secure and less of a target.

I will work for a sane energy policy that doesn’t subsidize huge oil corporations and back corrupt, brutal dictatorships. Alternative fuels can easily compete with unsubsidized oil.

The American people, and Oregonians particularly, are good, kind, generous people. It is about time we had a foreign policy that reflected our basic decency.

Oregonians send over \$21.5B to Washington, D.C. annually. We get back less than \$18.3B. The loss of \$3.2B has done massive damage to our state, communities, schools, and families. It is time to stop playing – and losing – the pork game. Oregonians could solve their own problems if federal politicians didn’t suck up so much of our resources.

The misnamed “No Child Left Behind” act is yet another example of a well-intentioned but fatally flawed effort. I will work to repeal it, and any other centrally planned approach to our children’s education.

I will work, using the filibuster if necessary, against any attempt by government to define personal relationships. Whom you love and marry is your own business.

I will, in every case, vote for less government in favor of empowering individuals and families.

As your U.S. Senator, I will advocate for:

Stopping the war; bringing our troops home now: It's wrong to send our children to die for oil in Iraq. Unilateral invasions are wrong. I will work to reestablish the U.S. as a leader for human rights.

Single-payer universal healthcare: We are a wealthy nation, and can afford a comprehensive healthcare system for all.

Stop environmental destruction: I oppose commercial logging on public lands. We need a roadless policy in our national forests, and should support the Kyoto Protocol to prevent global warming.

Raise the minimum wage: We should provide living wages for all workers based on cost of living and a 40-hour work week. Repeal Taft-Hartley.

The Republican and Democratic parties are corrupted by corporate money. I'm a nurse practitioner, union member, and single mother. Send me to Washington, DC, I will work for a government that can't be bought.

National politics has escaped control of ordinary people. Our heritage of freedoms, independence and high living standard are being sacrificed at the altar of multi-national socialism by elitists in government.

Reverse this trend with a breed of Congressmen with real world experience who **PUT AMERICA FIRST!** The Founding Father's legacy of wisdom must be reborn as our guiding principal, bringing hope back to "We the People."

Incumbents have a lock on reelection (they now own the bank!). That's why you don't see me on TV; I don't have a big bankroll! I can truly represent those of us in the "Silent Majority" who I'm running to champion no matter what your party.

I'm a capable, forceful spokesman, uncorrupted by legislative history, not bought by special interests. I will work for US!

You can send me to the Senate comfortable that I will not be "politics as usual," will vote uncompromisingly our issues and our values—do the right thing, just because it's RIGHT! This is a rare gift in politics and can become a National blessing.

STANDING UP FOR ALL OF OREGON

When I first ran for the U.S. Senate, I promised to stand up and fight for all the people of Oregon. I've worked hard to keep that promise. After listening to your ideas in open town meetings in every Oregon county, every year, here is some of what we achieved:

- I **uncovered rampant government waste and wrote the laws to cut it**, carving \$1.8 billion of waste from the Iraq reconstruction plan, and putting a stop to sweetheart, single-source, federal contracts that squandered countless taxpayer dollars.
- I wrote the "county payments" legislation that is **bringing Oregon over \$1 billion for schools and roads**, and secured critical funding to establish Oregon as a jobs leader in the field of nanotechnology. For the transportation that is vital to our future, I helped deliver \$474 million to Oregon in federal transportation funding for next year alone. And I helped bring 1,300 Oregonians together at the "Oregon Economic Summit" to chart a bipartisan course for a sounder economic future.
- I didn't back down when powerful interests threatened our state. I **stopped federal efforts to overturn Oregon's physician-assisted suicide law**. I exposed the oil companies that manipulated gas prices to their highest levels ever. As the former co-director of the Gray Panthers, I am a leader in the effort to **stop the privatization of Social Security**.

We have accomplished much, but there is so much more to do. Representing Oregon in the U.S. Senate has been the greatest privilege of my life. I'm proud that you've asked me to stand up for you, and now I'm asking you to stand with me in this election.

THREE REASONS TO CAST YOUR BALLOT FOR JIM FELDKAMP

1. Winning the war on terror.

Attacks of 9/11 proved we must take the war to our foes
overseas or we will fight that war in our cities.

Jim Feldkamp understands our armed forces deserve good
pay, the best training and the best equipment and benefits for
our vets, and that our law enforcement agencies must have the
tools they need to safeguard our loved ones.

Incumbent Peter DeFazio voted to slash the intelligence
budget throughout the 90's, voted against the Patriot Act, and
has voted time and again to gut our armed forces.

2. Creating Jobs

Oregon has an unacceptably high rate of unemployment. As a
pro-business Congressman, Jim Feldkamp has a vision to re-
vitalize the poor economy - better infrastructure, improved port
facilities, a **realistic** approach to managing our resources and
protecting the environment. Creating new jobs and protecting
current jobs will be Jim's first priority.

Peter DeFazio's sided too often with the extreme environmen-
talists against Oregon jobs; since DeFazio took office we've lost
over 9,000 jobs in the timber industry alone. His ratings with the
National Federation of Small Businessmen and the Chamber of
Commerce are among the worst in Congress.

3. Jim Feldkamp

A native Oregonian, Jim Feldkamp knows that Oregon jobs
and families come first. As a combat veteran and a former FBI
counter-terrorism agent, Jim knows what needs to be done to
protect our families and win the war on terror. Jim Feldkamp
won't forget who is or where he's from.

three corporations; audit manager or accounting manager for two industrial corporations and state government.

Educational Background: MBA in Management, UC Berkeley; BA in Social Sciences, UC Riverside.

Prior Governmental Experience: Oregon's first State Audit Manager for performance auditing; performance auditor for the City of Portland and Multnomah County. Contracted audits for Oregon Department of Corrections, Clackamas County Sheriff, and the City of Portland. Elected to the Board of Trustees of the Desert Center Unified School District in Riverside County California.

Richard Morley is clearly the BEST QUALIFIED candidate in this race. Neither a Republican nor Democrat, Morley will work independently to be a watchdog over state spending and reverse the erosion of our initiative petition process.

Morley will work to

End Mandatory Vote by Mail

- Bring back the civic experience of the private voting booth
- Let those who want to mail their ballots register to vote by mail
- Tighten controls to reduce the likelihood of voting and counting fraud

Use Auditing to Find Money for Schools and Tax Relief

- Obey the Oregon Constitution and be the "auditor of public accounts"
- Find waste and inefficiency, and report them clearly to Oregonians
- Confirm that recommended improvements are in fact made

Stop the rejection of legitimate voter signatures on initiative petitions

- Reverse the incumbent's unreasonable rules for rejection
- Eliminate the "one county only" rule on statewide petition forms
- Let voters "sign" initiative petitions using their May primary ballots

"This important office should be non-partisan. I am not connected with the two major parties who fight each other to gridlock in Salem. As an experienced leader, I can get things done. My biases are only against waste, inefficiency, and our government's relentless growth."

Occupation: Technology Marketing Executive, Intel Corporation

Occupational Background: 1992 to Present – Intel Corporation; 1989 to 1992 – Chief Technology Officer,

Business Systems Group, Houston; 1982 to 1989 – Consultant, Andersen Consulting (now Accenture)

Educational Background: BA, Rice University, Economics and Political Science, 1982, Magna Cum Laude

Prior Governmental Experience: Member of the professional staff, U. S. Congress Oversight and Investigations Subcommittee, House Committee of Interior and Insular Affairs, May 1982 to August 1982

In my campaign for State Treasurer in 2000, I made the following observations:

1. PERS is a disaster in the making.
2. Oregon's State Lands are being routinely and badly mismanaged.
3. Oregon is headed toward a series of financial crises due to overspending in times of plenty, and a downturn is coming.

Every one of my predictions came true. Sadly, many turned out even worse than I predicted.

PERS, by standard actuarial estimates, faces an unfunded liability of approximately \$17 billion.

Oregon's State Lands remain badly mismanaged. Our schools suffer as a direct result.

And we all know what Oregon has gone through in attempting to deal with budget shortfall after shortfall.

My opponent in this race failed to support meaningful PERS reform. He did nothing to improve the management of State Lands. And he was one of the primary supporters of the disaster that is Measure 29.

All he has succeeded in doing is significantly increasing the debt burden on current and future generations of Oregonians. Hardly a record of meaningful achievement.

So you face a fundamental choice in this election.

You can vote for someone who has only made a bad situation worse.

Or you can vote for someone who has the courage, competence, and conviction to make things better.

If you believe that Oregon can and should have better leadership, then vote for me – Mitch Shults, Libertarian for State Treasurer.

FOR THE RECORD:

As your state treasurer I will uphold my oath to both the Oregon and United States Constitutions. Therefore, as an elected official **honor bound** to this oath, **I could not in good conscience sign a check to fund abortion**, as is now being done. **All other expenditures**, such as programs that benefit illegal immigrants, **would be reviewed and funding cut off**, if found to be unconstitutional.

THE GOOD NEWS:

I am a candidate that **serves and obeys the Lord Jesus Christ, and with His help will strive to glorify His name** as State Treasurer.

Vote for Carole Winegarden to **effect real change**.

THE BAD NEWS:

Oregonians are slaves to out-of-control, dishonest, greedy career politicians and special interest groups.

- **According to bureaucrats and the STATE BUDGET we are broke!** They say, "Close the schools and let the prisoners out!"
- **According to the Comprehensive Annual Financial Report** (Law requires this annual accounting) **our state has plenty of money**. Millions of dollars are being hoarded and strategically hidden (invested). Not to mention our **counties, cities**, and even the **poor school districts** all have C.A.F.R.s.

The annual budget is a partial story. The C.A.F.R. is the complete story.

How do you reconcile what the politicians and the news media **say** about our **dire** financial straits versus what I say?

- Get the C.A.F.R. report yourself:
http://scd.das.state.or.us/DAS/SCD/SARS/docs/2003_CAFR.pdf
- Check out this website:
<http://www.cafrman.com/Articles/Art-OR-S1.htm>
- Then ask yourself:
 1. Why don't they mention the C.A.F.R. when it comes time to vote for a tax increase?
 2. Why don't they want taxpayers to know about it?
 3. Who benefits from this deception?

I am a **Libertarian**.

I believe that **government's role** in your life should be **limited** to that laid out by the Oregon and US Constitutions. This means limiting its role in, and thus power over, our lives.

I believe that government is the solution of last resort, not the first. Government should be less involved in your life and to the extent that it is, that it be fully accountable to the people.

The Attorney General's office is currently the legal defense team for State agencies, providing cover through legal opinions for those agencies to do what they want. **As Attorney General, I will be the watchdog over state actions**, rather than its defense counsel, reining in agency action whenever it exceeds its authority.

I support:

-Investigating all allegations of corruption. I will be proactive in sniffing out cronyism, favoritism, and improper conduct in our government.

-Making it easier for victims of crime to gain restitution for their loss, not just punishment for the criminals.

-Enforcing Article 1 Section 16 of the Constitution that requires juries to judge the law and the facts of a case, allowing juries to refuse to enforce laws they do not believe are fair.

-Defending private citizens' property rights when local governments threaten condemnation for non-public purposes (such as development projects). Government may not take one citizens property for the benefit of another.

-Focusing on violent crimes, property crimes, and identity theft. Given our limited resources, we will shift all effort away from crimes that have no victim, toward crimes that threaten life, limb, and property.

**BRUCE CRONK – A VOICE FOR
ALL THE PEOPLE OF OREGON**

Cronk will fight the pharmaceutical lobbyists.

The thousands of dollars drug companies lobbyists lavished on legislators has paid off.

Did our business owners receive legislation that would help them form prescription drug purchasing pools? Did the state get the go-ahead to force the drug companies to negotiate lower prices? Did the Legislature encourage Oregon to join other states in forcing pharmaceutical companies to deal with the states combined buying power? No, no, and no.

We import automobiles from Asia, import produce from South America, and allow nationwide access to Mexican freight trucks and their low paid truck drivers, but it's illegal to re-import U.S. manufactured medicine from Canada. This is not free-market capitalism, this is blatant price gouging by the pharmaceutical companies.

This outrage exists because the prescription drug lobbyists have bought off our legislators.

Bruce Cronk refuses to take money from drug companies because he will represent you in the Oregon Senate, not the drug companies

Legislation should help Oregonians.

- Tax law should encourage business' to remain in Oregon, not reward them for sending our jobs to Mexico and China.
- Unfair legislation increases the tax burden of working families and small business owners and decreases taxes for the wealthy.
- Safety and Health rules should put safety ahead of dividends.
- Over 45 years on the job has taught me what it's like to work under laws and regulations that were written by Legislators whose focus is on profits rather than on principles.

NORM THOMAS... Holding the Line on Government Spending.

Norm Thomas believes that the legislature has to pay attention to the defeat of Measure 30. It should be the government's job to be sure every dollar is spent wisely, and to eliminate duplication of effort.

NORM THOMAS...For More Effective Schools!

Creating Jobs, Strengthening Oregon's Economy

Al Pearn firmly believes that we can strengthen local economies
and bring jobs to the coast by removing barriers to job creation
for small businesses and the timber industry.

Limiting Taxes and Government Spending

Al Pearn voted against Measure 30, the largest tax increase in
Oregon's history. His opponent, Joanne Verger, was the deciding
vote in the House to tax Oregonians over \$1 billion in nine new
taxes. Al believes in more accountability for tax dollars, not more
taxes.

A Quality Education

Our children's education is too important to be a bargaining chip
when budgets are tight.

A father and grandfather, Al Pearn believes we should fund
education first and fund it responsibly. Oregon's future is tied to
the quality of our educational system, and whether it's K-12 or
our colleges and universities, education must be a priority.

Protecting Natural Resources and Agriculture

Al Pearn knows natural resource issues on the Coast are unique
and need to be treated accordingly. He understands coastal
issues because he lives here, knows the people and the land.
Responsible resource management policies must be based on
sound science, not political expediency.

LINDA MONGKEYA – WHEN IT’S TIME FOR A BREAK FROM THE ORDINARY

Twenty plus years of life experiences and trying to raise a family on minimum wage jobs, has allowed me to **truly** identify with the majority of the people of Oregon. And it has given me the courage to step-out and step-up for the voices of those who go unheard.

JOBS

I will fight for economic development and family wage jobs. With jobs that offer all levels of opportunities and wages. And that also, offer attainable health care insurance for the worker and their families.

SCHOOLS

I will work hard at obtaining educational funding and work on systems that will serve our students to the best of their advantages.

DISABLED; SENIORS; VETERANS

I will support these programs to help get their needs met so, that all of their limited income is not spent on insurance and medication.

PUBLIC SAFETY

I will work to improve public safety through economic opportunity, education, community involvement and meaningful consequences as key elements to prevent crimes.

HEALTH CARE

I will work for affordable comprehensive and confidential health care that promotes prevention first.

ENVIRONMENT

I believe in viable and sustainable agricultural and forestry sectors. I believe that businesses should meet or go above the standards set for clean air and water, safe waste disposal, land use planning and global warming reduction.

Please feel free to contact me with your ideas and concerns. With your support, I will be able to be a strong voice for our district.

Educational Background: Lewis and Clark College, Portland, 1968-1971, history.

Prior Governmental Experience: Coos County Commissioner, January 2001 -.

“Coos County Commissioner John Griffith, widely seen as an unyielding champion of coastal communities.” Associated Press, *The Oregonian*, 4-23-04.

If you enjoy our beaches, outdoor activities and access to public lands and resources, I’m your choice for county commissioner.

When circumstances demand taking a firm stand for the well-being of this county, I’ve done it without regard for my political security.

I’ve worked for many years to protect our economy, environment and jobs. Doing a good job as a news reporter involves listening, questioning, research and focusing on facts – the same characteristics that have made me an effective county commissioner for the people of Coos County.

Many of my evenings are spent working with other local governments, where cooperative efforts are essential on issues that are important to county residents. I base decisions on what is best for the majority of Coos County citizens, and for equal benefits for all county employees instead of just one group.

Coos County is involved in major projects. Issues with previous natural gas pipeline contractors are being worked out. The voter-approved pipeline project is nearing completion by a new contractor. The Board of Commissioners has also managed through responsible budgeting to save money for financial emergencies, despite a statewide freeze on property tax rates since the late 1990s.

Board member, Association of O&C Counties; Council of Forest Trust Land Counties; Oregon Coastal Zone Management Association.

Member, Elliott State Forest Steering Committee; chairman, Coos Bay District BLM Resource Advisory Committee; I serve on Habitat Conservation Plan planning committees for Endangered Species Act-listed fish and wildlife.

Oregon Gov. Ted Kulongoski recently appointed me to the Ocean Policy Advisory Council.

JOBS!

As Mayor, I have been bringing jobs to Bandon. As Commissioner, I will make jobs a top priority. I believe that environmental awareness and the improvement of our economy can go hand in hand. By working well with others, the County is capable of having a huge impact in creating jobs for our area.

GOOD MANAGEMENT!

With two decades of business and labor experience, I can help the County operate more efficiently while treating its employees fairly. I seek a well run County that tends to its own business and treats citizens as friends and customers who deserve good service.

OPEN AND FAIR GOVERNMENT!

I value citizen participation and believe in publicly set goals and objectives. As Commissioner, I would practice wide-open government, stress accountability, and have no secrets from the public.

EFFECTIVE LEADERSHIP!

Good leaders mend fences, promote cooperation, and build consensus. As a sixth generation resident of Coos County, I submit to you that Coos County is ready for a better future.

Educational Background: High School Graduate (advanced module for Junior College equivalent); additional college courses, accounting and business.

Prior Governmental Experience: planning commission; budget committee; councilor; mayor; League of Oregon Cities and Association of Oregon Counties Board Member; Oregon State Mayors Board.

DEDICATED

Marlyn has savvy business experience to help the county run like a well-oiled machine. Marlyn's government experience is vast and strong. Her consistent dedication to government operations in the past twenty years has her optimally ready to continue as a great county leader. As your current county commissioner Marlyn has succeeded in bringing the budget back in order with reserve funds and cash carry-overs that were non-existent four years ago.

LEADERSHIP

Marlyn has been able to build consensus and team work with other agencies and governments. Marlyn is able to work bipartisan with our legislature in Oregon as well as with our congressional delegation. Whether you like these elected officials or not, it is important for county leaders to be able to work with other elected leaders. When there is a need in Curry County, and there always is, Marlyn can get through to the right person or agency to get the help we need. This leadership is pinnacle to the continued health of the county.

GROWTH

Growth is going to happen with or without our consent as individuals. It is critical to elect leaders that will work with developers to establish a growth pattern the community can live with. Change is inevitable; Marlyn is the best commissioner candidate to assist in the transition. Trying to stop growth creates unorganized sprawling areas. Working with developers, business and new residents allows for planned expansion leaving room for open green spaces, recreational uses as well as esthetically pleasing projects.

**Marlyn listens. Marlyn cares. Marlyn works.
Marlyn is the right candidate for the job.**

Educational Background: University of Oregon B.S. Psychology; Gold Beach Union High School.

Prior Governmental Experience: Curry County Human Services, Case Manager

Personal Background: Born & Raised in Curry County, married with two children.

My name is going to sound familiar to many of you. I was born and raised in Curry County. I attended the University of Oregon to earn my Bachelor's degree and then returned to Curry County. I quickly entered the work force in my field of study. While working for CCHS, I became concerned over the lack of leadership, mismanagement, and budget issues. I came to the conclusion that our local government needed to change.

As a Commissioner, I will work hard to make positive changes to Curry County Government, including my goal to bring a permanent grant writer to county staff. I believe citizens of Curry County deserve more say in the salary of commissioners. I believe county government needs to be more available to the citizens it represents. I will give 110% effort for all four years in office, as I have all other endeavors. I firmly believe as Thomas Jefferson wrote, "The only orthodox object of the institution of government is to secure the greatest degree of happiness possible to the general mass of those associated under it."

As a life-time resident of Curry County, I want to improve the area in which I grew up, and where I want to raise my children. I know I don't have all the answers to all the issues that face our county, but I will listen to those that have the knowledge I lack, and use that knowledge to implement changes that help our county move forward, and improve our quality of life.

County Treasurer Curry County

**Linda
James**
Nonpartisan

Occupation: Accountant

Occupational Background: Over 26 years of accounting experience; retail sales; project assistant; assistant manager; auditor.

Educational Background: Ketchikan High School; University of Alaska Southeast-AAS-Business Administration (Magna Cum Laude); Certificate of Accounting (Magna Cum Laude).

Prior Governmental Experience: Chief Deputy Tax Collector; Deputy Treasurer

Accountability and Responsibility is a key component for the Treasurer of Curry County. The public expects and deserves the maximum value in service for each tax dollar collected. As a public employee, elected by the people, it is the duty of the Treasurer to be available to the public. As the Treasurer, I will be accessible to the community and serve the public within the dictates of the office. I, also, would search for more efficient and effective ways to meet the needs of the taxpayers.

The Treasurer, as the county investment manager, is responsible for investing county funds to provide maximum returns consistent with safety controls. Short-term investments are necessary to maintain an operational level while providing an income for county and taxing districts. Long-term investments on a **limited scale** would insure the growth of the county's reserve funds and provide extra funding during times of recession. As the Treasurer for Curry County, I will maintain sound investment practices with a clear focus on the future of public funds.

As Treasurer, I will work with the County Accountant to maintain daily checks and balances. I will also, work as part of the team with county departments to provide solutions to financial difficulties now and in the future.

It is my belief; the Treasurer is responsible for managing county funds with respect to accuracy, appropriateness, ethics, and integrity, while presenting the public with true and concise reports. Providing accounts payable and reimbursement services in a timely manner will bestow accountability to this office.

I request your vote as the next Treasurer of Curry County.

Thank you for voting.

General Information

Vote-by-Mail

What is Vote-by-Mail?

Vote-by-mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between October 15 and October 19, 2004. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated drop site.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at drop site locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by October 12 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated drop site in the state. The times and locations of drop sites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 37¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated drop site by 8:00 p.m. on election night.

Postmarks do not count!

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8:00 p.m. on November 2, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8:00 p.m. election night and will continue to be updated through election night until all ballots have been counted.

Visit <http://egov.sos.state.or.us/results> for online election night results for state measures and candidates.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by October 28. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8:00 p.m. election day, Tuesday, November 2, 2004.

Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

We are often asked, "Why not reform the two big parties?" It may be hard to admit but an honest appraisal shows that both parties are corrupt, addicted to 'big money', with no intention of ever returning to limited Constitutional government that puts the people's freedom first. What do you think will be the result of letting our government continue to make up its own rules? The horror of legalized baby killing is one result. Can you think of other social and economic degradations that runaway government has brought us?

DECLARE YOUR INDEPENDENCE!!!

DON'T WASTE YOUR VOTE!!!

Send a real message this year. Vote for what you want instead of some compromised down version of our American ideals. This citizenship business is not a game. It is a stewardship for which we will be held accountable by our Creator and our children's children.

If you are tired of seeing America on a down-hill slide morally and economically, If you question the long term consequences of a worldwide American empire, If you are weary of a government that tries to be god while it mocks the true God, Then consider Our Constitution Party candidates. They are pledged to the platform listed above.

In office they are each committed to:

- vote no on budgets that include taxpayer \$\$\$ for abortion**
- institute spending limits and individual efficiency audits for state programs**
- sponsor legislation requiring that property owners are reimbursed
when state regulations harm property values**

- return authority to local school boards and parents**

William Shakespeare said that, "Our doubts are traitors, and make us lose the good we oft might win, by fearing to attempt."

Democratic Party Statement

RESTORE DEMOCRACY – VOTE DEMOCRAT

Elections are important because they determine the course for our nation, state and our communities. By voting Democratic, you have the power to return government to the people, to reclaim cherished Oregon values and to restore America's strength in the world.

Elections also are about accountability. Republicans control the White House, Congress and for too long enjoyed majorities in the Oregon Legislature. This imbalance undermines democracy and left George Bush and the Republicans dangerously unchecked. The impact for average, middle class families has been devastating: stagnant incomes, skyrocketing health care costs, the loss of family wage jobs, record federal deficits, and inadequate funding for essential services like schools and state police. America deserves better and you have the power to change it.

John Kerry leads a re-energized Democratic Party that offers Americans a more hopeful, positive future. Help is on the way. Vote Democratic!

- **John Kerry has the right Values and Character.**

John Kerry has always reported for duty, and has served his country with distinction. He is a leader who believes that those who work hard and play by the rules should be rewarded first and not left hoping for a trickle down.

- **John Kerry has the right plan for Iraq.**

George Bush rushed us into an unnecessary war without a plan to win the peace. Now American soldiers and taxpayers must shoulder a disproportionate share of the costs in lives and in dollars.

Under President Kerry, America will no longer bear this burden alone. As a decorated veteran, Kerry understands that war should be a last resort and not a first option. President Kerry will work to rebuild alliances that will make us stronger in Iraq and in fighting terrorism.

- **John Kerry has the right plan for Homeland Security.**

President Kerry will never hesitate to use military force to defeat terrorists before they strike us. To protect America, President Kerry would immediately implement the recommendations of the bipartisan 9/11 Commission. President John Kerry will never drag his feet or squander an opportunity to make America safer.

- **John Kerry has the right plan for the Economy, Jobs & the Environment.**

John Kerry will create a New Jobs Tax Credit and close the tax loophole for corporations that ship jobs overseas. Kerry will also redirect the irresponsible Bush tax cuts from the richest Americans to the middle-class. And Kerry understands that sustainable practices and job creation go hand in hand.

- **John Kerry has the right plan for Health Care.**

John Kerry's health plan will provide every American access to the same coverage that Members of Congress give themselves. He will protect a woman's right to choose. John Kerry will also stand up to the drug companies by requiring the federal government to negotiate lower drug prices through Medicare.

- **John Kerry has the right plan for Education.**

Pres. Bush broke his promise to Leave No Child Behind, but he failed to deliver \$27 billion he pledged to help schools meet the federal mandate.

John Kerry will deliver the resources schools need, while maintaining high standards for our teachers and students. Also, to help with skyrocketing higher education costs, John Kerry will provide a College Opportunity Tax Credit on \$4,000 of tuition for four years of college.

EVERY VOTE COUNTS

The presidential race is important, but so are races for the Oregon Legislature and other local offices. These races are often won by just a handful of votes and your vote can be the difference.

The choices are clear this year and we humbly ask for your vote – not just for John Kerry, but also for the entire Democratic ticket. Get involved and thank you for your support!

Libertarian Party Statement

info@lporegon.org

LIBERTARIAN PARTY – FISCALLY CONSERVATIVE, SOCIALLY TOLERANT

The Libertarian Party stands for individual freedom and personal responsibility. We believe these twin pillars of a civil society are inseparable; undermining one impairs the other. The only legitimate purpose of government is to protect the life, liberty and property of its citizens.

Clearly, Republican politicians have abandoned fiscal conservatism on the state, local, and federal levels. We're also confronted with the spectacle of pro-war, anti-free speech Democratic politicians. There is only one political party which trusts you to run your own life, to keep and spend the money you earn, to control your own property, to care for your own body, to freely exercise your right to freedom of expression: the Libertarian party.

We trust you to run your own life; to care for your own property, body, family, and community. You get to decide whom to love, whom to marry, what causes to support, what products to purchase, so long as you don't harm anyone else.

We believe that a free market, a market in which you freely offer up goods and services to others, is the best way to accomplish the creation and maintenance of a free society. Politicians should not be allowed to pick winners and losers, or to dictate the terms of any transaction between two willing, peaceful trading partners.

In that spirit, we take the following positions on the ballot measures we're all voting on today:

Measure 31 – NO

An unnecessary change to the Oregon constitution, it will only benefit the two major parties but hurt voters.

Measure 32 – NO

The constitution should only be changed for important purposes, this is not a good enough reason to vote for this measure.

Measure 33 – NO

If this passes it will set medical marijuana laws back and not forward.

Measure 34 – NO

The economy of the northwest counties should not be sacrificed to extremists.

Measure 35 – NO

It is not the government's responsibility to interfere with jury settlements.

Measure 36 – NO

The government has no business in people's right to marry.

Measure 37 – YES

This measure is common sense, private property rights must be upheld. It has also already passed, but was struck down in court by a technicality.

Measure 38 – YES

A free market economy will keep insurance rates lower, not government interference.

Republican Party Statement

REPUBLICANS Restoring the Promise of Oregon

A Vision for Oregon's Future

Our Republican Party's vision: a modest-sized government with compassion for those in need but requiring responsibility from all; a government maximizing efficiency and using every tax dollar wisely. Republicans will support an amendment to the Oregon Constitution setting limits on government spending.

Republicans Meet the Challenges Facing Oregon

- The Challenge of the Economy: A vision of job creation

Almost two decades with Democrats in control of statewide offices has left Oregon with one of the highest unemployment rates in the nation. Republicans will do what it takes to increase job options for Oregonians – helping Oregon's employers to grow, bringing new employers to Oregon.

- The Challenge of Education: A vision for better schools

Republicans believe education dollars are best spent in the classroom. Student to teacher ratios must come down, giving teachers manageable class sizes and reasonable authority to discipline, letting teachers do what they do best – teach. While Republicans do not want to turn classrooms into test preparation facilities, we also believe Oregon's students must be prepared to score higher on standardized tests.

- The Challenge of Health Care: A vision for a healthier Oregon

Republicans believe all Oregonians must have access to affordable health care. Over-regulation of the health care and health insurance industries, and frivolous lawsuits, are primary contributors to excessive health care costs. The high cost of health care is felt most by our senior citizens. Republicans will work to find the balance between making health care affordable while regulating it sufficiently to protect the rights of Oregonians.
