OFFICE OF THE SECRETARY OF STATE

BILL BRADBURY
SECRETARY OF STATE

PADDY J. McGUIRE
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION

JOHN LINDBACK
DIRECTOR

141 STATE CAPITOL
SALEM, OREGON 97310-0722

(503) 986-1518

Dear Oregonian,

Registering to vote is only half of your right and your duty as a citizen. To fully do your part for democracy, you also have to vote.

I challenge you to not only vote yourself, but to remind your friends and neighbors, your family and colleagues, and everyone in your community to vote. As individuals, we can lead by example, but as a community we can demonstrate real power with the collective voice of our votes. We the people are the government. Government is what we make of it. We each have the power and the responsibility to direct government to match our needs. You have the power to change our government with your voice—and you have the power to change the world with your vote.

If you have any questions about your ballot or about voting, call our toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or our TTY line for the hearing impaired at 1-866-350-0596. Elections representatives are available to answer all of your questions about voting Monday through Friday, 8:00 am to 5:00 pm.

Please return your ballot so that it is received by November 2. Remember, the decisions you make with your ballot will affect all of our lives and our future. Thank you for being an active participant in our democracy. Thank you for voting.

Best Wishes,

Bill Bradbury
Oregon Secretary of State

On the cover: *Lewis and Clark Bicentennial First Class Postage commemorative stamps were issued on May 14, 2004. Special first day issue ceremonies were held in eleven locations across the nation, including both Fort Clatsop National Memorial in Oregon and Cape Disappointment in Washington. The cover stamp shows Meriwether Lewis and William Clark on the 1804-1806 Corps of Discovery expedition. The other two Bicentennial stamps are printed inside some versions of volume 2 of the voters' pamphlet. One is a formal portrait of Lewis and the other is of Clark. General Information

Voters' Pamphlet

Your official 2004 General Election Voters' Pamphlet is divided into two separate volumes. This is Volume 2 and contains information on candidates. You should have already received Volume 1, containing information on the statewide measures. If you have not received Volume 1, please call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

In this volume, partisan candidates appear before nonpartisan candidates. All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background, and prior governmental experience—has been certified by each candidate.

Volume 2 also includes other voting aids, such as a complete listing of state candidates, drop site locations, and ballot instructions. If your county has chosen to produce a voters' pamphlet in conjunction with the state, drop site locations will appear in your county voters' pamphlet, which is in the center of this pamphlet.

Candidate statements are printed as submitted by the author. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Pursuant to ORS 254.155, the Secretary of State is required to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2004 General Election is:

E, D, O, L, K, H, I, J, A, T, C, F, M, V, W, X, G, R, Z, N, S, P, B, U, Y, Q

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide on the World Wide Web at www.sos.state.or.us/elections/nov22004/nov22004.html

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by October 28. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8:00 p.m. election day, Tuesday, November 2, 2004.

Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

MICHAEL BADNARIK FOR PRESIDENT
www.badnarik.org

Republicans say they support fiscal responsibility. But since George Bush took office, government has grown at a faster rate than under Bill Clinton – even if you factor out wartime spending. Our nation is deeper in debt than it has ever been, jeopardizing the quality of our childrens’ future.

President Bush has yet to veto a single discretionary spending bill. Although he worked to cut taxes a little, he didn’t match tax cuts with cuts in spending. The resulting debt represents nothing more than deferred taxation – so what did we gain?

For years, Republicans said they couldn’t control spending because they had a Democratic Congress or White House to deal with. Now, they have no excuses. The current credit card spending spree has happened under a Republican president, and a Republican congress. Is that what fiscal responsibility means to you?

Republicans and Democrats alike have failed to protect our personal liberties. They have supported the USA Patriot Act, the Homeland Security Act and other laws that erode our personal freedoms. Everyone agrees that terrorism cannot be tolerated. But if terrorists cause us to surrender our personal freedoms in the name of security, terrorists win.

As soon as we can do so responsibly, we need to get our troops out of Iraq. Our armed forces should concern themselves with protecting America.

If you’ve had enough, consider voting for me. I will actively promote initiatives, legislation and policies that will actually shrink the size of government dramatically - letting you to keep the money you earn and preventing government from violating your rights or meddling in your personal decisions.

I have been honored to serve as President during an historic time for America. Together, we are making our nation safer, stronger, and better.

We have rallied the world to defeat terrorists abroad and strengthened our laws to protect Americans at home. Tax relief for families and small businesses has spurred our economy to its fastest growth in nearly 20 years. Schools are improving with higher standards, strong accountability, and local control. And prescription drug coverage is helping older Americans pay for their medicines.

During the next four years, we will spread opportunity and prosperity to every part of America and continue to lead the cause of freedom and peace in the world. We will ensure every American who wants a job can find one by keeping taxes low, making regulation of small businesses more reasonable, opening up foreign markets, and reducing junk lawsuits. We will pass a comprehensive energy plan to make America more energy independent. We will help more Americans get job training at community colleges. We will make health care more affordable and help families save and invest so every person owns a part of the American Dream. And I will stand with the men and women of our military, law enforcement, and first responders as we defend our homeland, defeat terrorists, and bring peace and freedom to people around the world.

I have a positive and optimistic agenda for America, and I would be grateful for your vote.

Dear Oregon Voter,

If you want to cast your presidential ballot in a positive and meaningful way—for peace, for immediately ending the occupation of Iraq, for repealing the “Patriot” Act, for a living wage and health care for all; and for building a party which will continue work on all these critical issues regardless of who wins on November 2, then I encourage you to vote Pacific Green.

The Green Party is America’s fastest growing political party. We believe in government by the people. Our hundreds of elected officials are working daily to improve local communities and give citizens a voice in the decisions which affect their lives. From Salem to Corvallis to San Francisco and New Paltz, New York, Green office-holders have championed a healthier environment, improving school lunches and giving all people basic human rights, including the right to marry.

Greens Believe in Democracy for All:

- Human rights for people—not corporations
- Public financing for public elections
- Debates open to all ballot-qualified candidates
- Democracy in the workplace

A Sustainable Economy and Environment

- Create jobs by developing solar, wind and bio-fuel technologies; planting trees and watershed restoration
- Protect drinking water, salmon and Ancient Forests—stop clearcutting!

If you agree with our values, vote Green! I also encourage you to:

- Learn about Instant Runoff Voting, which eliminates the “spoiler” situation and produces more democratic results. See www.fairvote.org
- Register Pacific Green and demonstrate your support for peace and Green values
- Support local Pacific Green candidates

Dear Oregon Voter,

I am running for Vice President because I love my children.

Someone like me, a single mother of two, who needs the Green Party and its ideals as much as anyone does, must run if our current system is going to change.

Women head more than 70 percent of the families living in poverty. Yet less than 1 percent of the United States Congress has been female. Our needs are great but our representation in legislative bodies in this country has been nil.

As a broadcaster, I know that U.S. government policies are in opposition to the best interests of this country. The privately owned media supports its own agenda while alienating the people. Consequently, half of our voting population doesn’t vote. We are not represented and it shows.

If the government worked for the people, we wouldn’t have the “Patriot” Act. We wouldn’t have our sons and daughters (and grandfathers!) in harm’s way, waging war for the wealthy and angry all over the world. We wouldn’t have the educational nightmare called “No Child Left Behind” or huge deficit-ballooning tax cuts for the greedy. We would have single-payer, universal health care, a living wage and women wouldn’t fear losing their right to choose.

There is another reason I am running: my running mate, David Cobb. David represents the marginalized voices of this country. Decent and honest, he cares for the ordinary American who has otherwise been left out of this Presidential debate. Please read the statements by David and the Pacific Green Party.

Vote Green: the best hope for our country’s future.

Sincerely,
Pat LaMarche

Attorney, 1979-1982; Massachusetts Lieutenant Governor, 1983-1984; United States Senator, 1985-present.

Like many of you, **I believe that what matters most is not narrow appeals that divide us, but shared values that unite us.** Family and faith. Hard work and responsibility. Opportunity for all.

Like you, **I value jobs that pay you more** not less than you earned before - jobs where you can actually pay your bills, provide for your children, and lift up the quality of your life. And like you, I value an America where the middle class is not being squeezed, but doing better.

- New incentives to revitalize manufacturing.
- Investment in technology and innovation that will create the good-paying jobs of the future.
- Close the tax loopholes that reward companies for shipping our jobs overseas. Instead, **we will reward companies that create and keep good paying jobs where they belong – in the good old U.S.A.**

My health care plan for a stronger America cracks down on the waste, greed, and abuse and will save families up to \$1,000 a year on their premiums. We will fight to ensure that **you'll get to pick your own doctor – and patients and doctors, not insurance company bureaucrats, will make medical decisions.** Under our plan, Medicare will negotiate lower drug prices for seniors. And all Americans will be able to buy less expensive prescription drugs from countries like Canada.

And as president, I will bring back this nation's time-honored tradition: the United States of America never goes to war because we want to, we only go to war because we have to.

I would be honored to have your vote.

Occupation: United States Senator

Occupational Background: freight handler, law clerk, attorney

Educational Background: NC State, Bachelors 1974; University of North Carolina, JD 1977

Prior Governmental Experience: US Senate 1999 - present

I grew up in a small town in rural North Carolina. My father worked in a mill all his life, and I will never forget the men and women who worked with him.

I have spent my life fighting for the kind of people I grew up with. For two decades, I stood with families and children against big HMOs and big insurance companies. And as a Senator, I fought those same fights against Washington lobbyists.

I want to talk about our next president. When John Kerry graduated college, he volunteered for military service. He volunteered to go to Vietnam.

If you have any question about what he's made of, you need to spend three minutes with the men who actually served with him then and stand by him today.

They saw up close what he's made of. They saw him reach down and pull one of his men from the river and save his life. And in the heat of battle, they saw him decide in an instant to turn his boat around, drive it straight through an enemy position, and chase down the enemy to save his crew.

Where I come from, you don't judge someone's values based on how they use that word in a political ad. You judge their values based upon what they've spent their life doing.

John Kerry is prepared to keep the American people safe and to make America stronger at home and respected in the world.

John is a man who knows the difference between what is right and what is wrong. And that is why we must and we will elect John Kerry as our next president.

We would be honored to have your support.

He is the only Presidential Nominee who courageously vows to enforce our immigration laws, secure our borders and protect the lives of all law-abiding Americans by halting the illegal alien invasion.

Michael Anthony Peroutka will:

- Stop undeclared wars which are daily costing American lives and billions of tax dollars;
- Stop reckless spending, including foreign aid, and take care of America's domestic needs;
- End debt financing of the Federal government;
- Get rid of the Federal income tax, and restore a tariff based revenue system;
- Immediately terminate international trade agreements such as NAFTA, WTO, the proposed CAFTA and FTAA, and stop sending high paying American jobs to foreign countries;
- Uphold God-ordained marriage and defend America's moral and family values;
- Protect the right to life of all unborn innocent children;
- Get the Federal Government out of the Education business and allow parents to control the education of their own children;
- Uphold Second Amendment rights; and
- Restore a debt free, interest free money system;

Decades of compromise has left us with "two" political parties that have become so similar, it is nearly impossible to distinguish one from the other. With virtually no opposing power left in Washington, **we are continually victimized by a lawless, one-party system** that is driving us into moral and fiscal bankruptcy.

Our Constitution authorizes the federal government to: provide for the common defense, secure our borders, protect our God given rights - **and very little else!** While the legislative powers belong primarily to the states, our real government exists **within the people**, working in our communities, families and churches.

We have turned that design completely upside down, and have given near total power to the federal government. The experiment has failed, and ...

IT IS TIME TO TAKE THAT POWER BACK!

My commitment is to follow the Constitution and **only** support legislation that falls under the clearly mandated role of Congress.

Key issues:

Iraq

We invaded a country that posed **NO** threat to America. Many thousands of our soldiers are dead or wounded, we have squandered nearly two hundred billion dollars, and our reputation in the world has been irreparably harmed. **We should pull every American soldier out of Iraq IMMEDIATELY!**

Sanctity of Life

The humanity of the child in the womb is undeniable. We should mourn for the 44,000,000 children that have been **murdered in the abortion holocaust**. Their innocent blood is crying out for justice. May God have mercy on America when the payment is due.

Proper Role of Congress

Congress has been vested by our Constitution with very specific and limited powers. With few exceptions, those who serve us in Congress **have refused to obey the law!**

Tyrannical Courts

Congress has the **exclusive power** to make laws. We have allowed judges and courts to usurp this authority.

DAN FITZGERALD FOR SENATE

We deserve a Senator who will actually represent us.

The incumbent voted for the USA PATRIOT Act and the Homeland Security Act, without even reading them. Now he says he wants to "fix" them.

These two pieces of legislation can't be fixed. They need to be torn out of the books, and those who voted for them should be turned from office as a cautionary tale.

I will work to bring all of our troops home from Iraq as quickly as can be safely accomplished. The military exists to defend America. If we refocus it on that basic mission, we will be more secure and less of a target.

I will work for a sane energy policy that doesn't subsidize huge oil corporations and back corrupt, brutal dictatorships. Alternative fuels can easily compete with unsubsidized oil.

The American people, and Oregonians particularly, are good, kind, generous people. It is about time we had a foreign policy that reflected our basic decency.

Oregonians send over \$21.5B to Washington, D.C. annually. We get back less than \$18.3B. The loss of \$3.2B has done massive damage to our state, communities, schools, and families. It is time to stop playing – and losing – the pork game. Oregonians could solve their own problems if federal politicians didn't suck up so much of our resources.

The misnamed "No Child Left Behind" act is yet another example of a well-intentioned but fatally flawed effort. I will work to repeal it, and any other centrally planned approach to our children's education.

I will work, using the filibuster if necessary, against any attempt by government to define personal relationships. Whom you love and marry is your own business.

I will, in every case, vote for less government in favor of empowering individuals and families.

As your U.S. Senator, I will advocate for:

Stopping the war; bringing our troops home now: It's wrong to send our children to die for oil in Iraq. Unilateral invasions are wrong. I will work to reestablish the U.S. as a leader for human rights.

Single-payer universal healthcare: We are a wealthy nation, and can afford a comprehensive healthcare system for all.

Stop environmental destruction: I oppose commercial logging on public lands. We need a roadless policy in our national forests, and should support the Kyoto Protocol to prevent global warming.

Raise the minimum wage: We should provide living wages for all workers based on cost of living and a 40-hour work week. Repeal Taft-Hartley.

The Republican and Democratic parties are corrupted by corporate money. I'm a nurse practitioner, union member, and single mother. Send me to Washington, DC, I will work for a government that can't be bought.

National politics has escaped control of ordinary people. Our heritage of freedoms, independence and high living standard are being sacrificed at the altar of multi-national socialism by elitists in government.

Reverse this trend with a breed of Congressmen with real world experience who **PUT AMERICA FIRST!** The Founding Father's legacy of wisdom must be reborn as our guiding principal, bringing hope back to "We the People."

Incumbents have a lock on reelection (they now own the bank!). That's why you don't see me on TV; I don't have a big bankroll! I can truly represent those of us in the "Silent Majority" who I'm running to champion no matter what your party.

I'm a capable, forceful spokesman, uncorrupted by legislative history, not bought by special interests. I will work for US!

You can send me to the Senate comfortable that I will not be "politics as usual," will vote uncompromisingly our issues and our values—do the right thing, just because it's RIGHT! This is a rare gift in politics and can become a National blessing.

Take the leap of faith necessary to achieve change; then elect me to represent you in a return to sovereign Constitutional principals and the National Greatness they endow!

STANDING UP FOR ALL OF OREGON

When I first ran for the U.S. Senate, I promised to stand up and fight for all the people of Oregon. I've worked hard to keep that promise. After listening to your ideas in open town meetings in every Oregon county, every year, here is some of what we achieved:

- **I uncovered rampant government waste and wrote the laws to cut it**, carving \$1.8 billion of waste from the Iraq reconstruction plan, and putting a stop to sweetheart, single-source, federal contracts that squandered countless taxpayer dollars.
- I wrote the "county payments" legislation that is **bringing Oregon over \$1 billion for schools and roads**, and secured critical funding to establish Oregon as a jobs leader in the field of nanotechnology. For the transportation that is vital to our future, I helped deliver \$474 million to Oregon in federal transportation funding for next year alone. And I helped bring 1,300 Oregonians together at the "Oregon Economic Summit" to chart a bipartisan course for a sounder economic future.
- I didn't back down when powerful interests threatened our state. I **stopped federal efforts to overturn Oregon's physician-assisted suicide law**. I exposed the oil companies that manipulated gas prices to their highest levels ever. As the former co-director of the Gray Panthers, I am a leader in the effort to **stop the privatization of Social Security**.

We have accomplished much, but there is so much more to do. Representing Oregon in the U.S. Senate has been the greatest privilege of my life. I'm proud that you've asked me to stand up for you, and now I'm asking you to stand with me in this election.

CONSIDER JESUS

THE PROBLEM: In our state and nation the following are unconstitutional and against the Law or are quickly becoming that way:

- One Nation Under God Prayer
- The Ten Commandments Bible Study
- In God We Trust Christmas
- Christians Christianity

On the other hand, SIN is codified into our law and celebrated.

SIN #1: We suck baby's brains out of their heads, kill the babies, and sell the body parts to the highest bidder. The rationale given for this is that the health of the mother mandates it.

(ANTI-CHRISTIAN NONSENSE)

SIN #2: Homosexual sodomy is a behavior that continues to be promoted to the Boy Scouts of America. We are told that it is essential that our Christian boy scouts be exposed to this sinful behavior.

(ANTI-CHRIST INSANITY)

**THE SOURCE OF OUR INSANITY?
(Misinterpreted First Amendment)**

For the past fifty years our Federal Judicial System has taken it upon themselves to legislate from the bench. With that newly created authority, the Federal judges have erected a "high and impregnable wall of separation between church and state." They went on to say "We will not allow the slightest breach of our high and impregnable wall."

THE SOLUTION?

The "high and impregnable wall" must be done away with. Our First Amendment's "free exercise of religion" must be returned to the people from whom it was taken. Our children will be able to pray and read the Ten Commandments any time anywhere.

Roe v. Wade will be placed in the ash can of history and the Boy Scouts of America will be freed from the oppressive cloud of homosexual sodomy.

CONSIDER JESUS when you vote.
It's time.

Democrats have called for higher taxes and spending, which works against economic growth and job creation. And while Republicans have lowered some taxes, spending under Republicans has actually accelerated, even if you factor out wartime spending. The result is an exploding budget deficit representing a tax on our future.

We're faced with a dilemma: Democrats "tax and spend" and Republicans "borrow and spend." I represent another choice - responsible reduction in the size and cost of the federal government.

Massive government spending, whether financed through taxation or debt, ultimately means a lower standard of living for society. Non-military discretionary spending increased roughly 36% in the past three fiscal years, three of the five biggest annual percentage increases in 40 years. The federal debt increased over 2 Trillion in the last 2 years to 7.3 Trillion dollars, greater than any time in our history.

My opponents may say that deficit spending is needed to fund the War on Terrorism. This is entirely false. The annual defense budget increased \$48B, a mere fraction of the current \$2.3T in current federal spending. The main purpose of our government, according to the Constitution, is to "provide for the common defense and promote the general welfare."

America CAN promote the general welfare more effectively through responsible spending cuts, keeping government within Constitutional parameters, and encouraging private sector and state involvement in areas that fall outside the federal government's Constitutional responsibility.

My election would help to balance the budget, increase individual freedom, and expand the economy - which would actually result in more revenue for critical services. As your representative in Congress, I'd work for you to make this vision a reality.

Family: Adult children, Erin and Chad

Supporting Our Troops

“Darlene Hooley was outraged that Oregon National Guard troops headed for Iraq were assigned outdated flak jackets and were training on equipment inconsistent with what they would use in combat. She fought for modern body and vehicle armor and proper training for our soldiers to ensure their safety,” Karen Melton of Salem, Parent of Oregon Guardsman serving in Iraq.

Making Health Care Affordable

Darlene Hooley is fighting to allow Americans to purchase life-saving, FDA-approved drugs from Canada at a lower cost, and for tax incentives to make health care affordable for small businesses and employees.

Protecting Consumers

Darlene Hooley wrote the landmark consumer protection law to protect consumers from identity theft and bad credit ratings while providing a free annual credit report.

Keeping Taxes Low

Darlene Hooley is working to eliminate the marriage penalty and expand the child tax credit. She is promoting tax relief measures to help family farms and small businesses stay in the family.

Fighting for Smaller Class Sizes

Knowing that children do better when classes are smaller, Darlene Hooley is fighting for more education funding to reduce class sizes.

“Darlene Hooley has fought to fully fund education and increase flexibility for local school districts.” Tony Crawford of Canby, Teacher

Putting Oregon to Work

Darlene Hooley is concerned about American jobs being outsourced overseas, which hurts Oregon employees and businesses. She’s committed to providing tax incentives for businesses that keep jobs here, and tax credits for businesses that hire new workers.

Because family farms are an important part of our economy, Hooley passed the law to help Oregon farmers by requiring country-of-origin labeling of produce and meat.

Richard Morley is clearly the BEST QUALIFIED candidate in this race. Neither a Republican nor Democrat, Morley will work independently to be a watchdog over state spending and reverse the erosion of our initiative petition process.

Morley will work to

End Mandatory Vote by Mail

- Bring back the civic experience of the private voting booth
- Let those who want to mail their ballots register to vote by mail
- Tighten controls to reduce the likelihood of voting and counting fraud

Use Auditing to Find Money for Schools and Tax Relief

- Obey the Oregon Constitution and be the "auditor of public accounts"
- Find waste and inefficiency, and report them clearly to Oregonians
- Confirm that recommended improvements are in fact made

Stop the rejection of legitimate voter signatures on initiative petitions

- Reverse the incumbent's unreasonable rules for rejection
- Eliminate the "one county only" rule on statewide petition forms
- Let voters "sign" initiative petitions using their May primary ballots

"This important office should be non-partisan. I am not connected with the two major parties who fight each other to gridlock in Salem. As an experienced leader, I can get things done. My biases are only against waste, inefficiency, and our government's relentless growth."

Educational Background: BA, Rice University, Economics and Political Science, 1982, Magna Cum Laude

Prior Governmental Experience: Member of the professional staff, U. S. Congress Oversight and Investigations Subcommittee, House Committee of Interior and Insular Affairs, May 1982 to August 1982

In my campaign for State Treasurer in 2000, I made the following observations:

1. PERS is a disaster in the making.
2. Oregon's State Lands are being routinely and badly mismanaged.
3. Oregon is headed toward a series of financial crises due to overspending in times of plenty, and a downturn is coming.

Every one of my predictions came true. Sadly, many turned out even worse than I predicted.

PERS, by standard actuarial estimates, faces an unfunded liability of approximately \$17 billion.

Oregon's State Lands remain badly mismanaged. Our schools suffer as a direct result.

And we all know what Oregon has gone through in attempting to deal with budget shortfall after shortfall.

My opponent in this race failed to support meaningful PERS reform. He did nothing to improve the management of State Lands. And he was one of the primary supporters of the disaster that is Measure 29.

All he has succeeded in doing is significantly increasing the debt burden on current and future generations of Oregonians. Hardly a record of meaningful achievement.

So you face a fundamental choice in this election.

You can vote for someone who has only made a bad situation worse.

Or you can vote for someone who has the courage, competence, and conviction to make things better.

If you believe that Oregon can and should have better leadership, then vote for me – Mitch Shults, Libertarian for State Treasurer.

FOR THE RECORD:

As your state treasurer I will uphold my oath to both the Oregon and United States Constitutions. Therefore, as an elected official **honor bound** to this oath, **I could not in good conscience sign a check to fund abortion**, as is now being done. **All other expenditures**, such as programs that benefit illegal immigrants, **would be reviewed and funding cut off**, if found to be unconstitutional.

THE GOOD NEWS:

I am a candidate that **serves and obeys the Lord Jesus Christ, and with His help will strive to glorify His name** as State Treasurer.

Vote for Carole Winegarden to **effect real change**.

THE BAD NEWS:

Oregonians are slaves to out-of-control, dishonest, greedy career politicians and special interest groups.

- **According to bureaucrats and the STATE BUDGET we are broke!** They say, "Close the schools and let the prisoners out!"
- **According to the Comprehensive Annual Financial Report** (Law requires this annual accounting) **our state has plenty of money**. Millions of dollars are being hoarded and strategically hidden (invested). Not to mention our **counties, cities**, and even the **poor school districts** all have C.A.F.R.s.

The annual budget is a partial story. The C.A.F.R. is the complete story.

How do you reconcile what the politicians and the news media **say** about our **dire** financial straits versus what I say?

- Get the C.A.F.R. report yourself:
http://scd.das.state.or.us/DAS/SCD/SARS/docs/2003_CAFR.pdf
- Check out this website:
<http://www.cafrman.com/Articles/Art-OR-S1.htm>
- Then ask yourself:
 1. Why don't they mention the C.A.F.R. when it comes time to vote for a tax increase?
 2. Why don't they want taxpayers to know about it?
 3. Who benefits from this deception?

I am a **Libertarian**.

I believe that **government's role** in your life should be **limited** to that laid out by the Oregon and US Constitutions. This means limiting its role in, and thus power over, our lives.

I believe that government is the solution of last resort, not the first. Government should be less involved in your life and to the extent that it is, that it be fully accountable to the people.

The Attorney General's office is currently the legal defense team for State agencies, providing cover through legal opinions for those agencies to do what they want. **As Attorney General, I will be the watchdog over state actions**, rather than its defense counsel, reining in agency action whenever it exceeds its authority.

I support:

-Investigating all allegations of corruption. I will be proactive in sniffing out cronyism, favoritism, and improper conduct in our government.

-Making it easier for victims of crime to gain restitution for their loss, not just punishment for the criminals.

-Enforcing Article 1 Section 16 of the Constitution that requires juries to judge the law and the facts of a case, allowing juries to refuse to enforce laws they do not believe are fair.

-Defending private citizens' property rights when local governments threaten condemnation for non-public purposes (such as development projects). Government may not take one citizens property for the benefit of another.

-Focusing on violent crimes, property crimes, and identity theft. Given our limited resources, we will shift all effort away from crimes that have no victim, toward crimes that threaten life, limb, and property.

"Sic Semper Tyrannis"

Republicans and Democrats have brought us to the #1 legal Suicide State of the World. Partial-birth killing goes unchecked, and paid for by your tax-monies. Indebtedness and money laundering grows a bigger government out of control. Republicans and Democrats have become one unified conglomerate that threatens the private sector. Abortion has been swept under the rug with incrementalism the rule of the day (kill less amounts).

So that you can better understand my philosophy and reasons for running, let me say that the state motto of Virginia is my favorite amongst all the States. The Dominion State of Virginia leads the fight against Tyranny. I believe we are in a similar state today, i.e., a state of tyranny; Ergo: **"Sic Semper Tyrannis"...**

Although I may be a "Vox Desierto" and very independent in my thinking, I believe what is needed is a moral politic; a return to the instructions laid down by our Constitution; Some amendments need to be abolished; Many laws here in Oregon need the same. A voice crying in the Salem-Senate may be heard. Could make a difference. I want to be that voice. I want to return to moral standards based on God, not man.

I got into this race to help people. It's the same motivation that has driven me all my adult life, in the classroom teaching, and in the courtroom fighting for citizen's rights.

- I'll fight for a system of HEALTH CARE that everyone can afford, by seeing to it that everybody "comes to the table" with something to put on it. That includes the insurance companies and the HMO's.
- I'll fight for a system of PUBLIC EDUCATION that's Second-to-None - one that works without burdening those who are least able to afford it.
- I'll fight not just for JOBS, but for jobs that provide SECURITY and a LIVING WAGE for working people who've been carrying Oregon on their backs.
- "I am excited to support Hank Franzoni. He has a breadth of experience and achievement to bring to the State Senate." Cliff Trow, Oregon State Senator, 1975-2003.

I believe this nation came forward as the greatest nation on
Earth because it was founded as a nation under God.

Our founders lost their property and some their lives to give us
the Constitution which ran this country for the first 150 years
and brought us our greatness and freedoms. They believed that
if you could not rule from the Constitution, you should use the
Bible. They also urged us to use only Christians to govern this
country.

Our Declaration of Independence states that "...whenever any
form of government becomes destructive...it is the right of the
people to alter or abolish it, and to institute new government..."
This is your chance.

- I support the rights of the pre-born child.
- I support the sanctity of traditional marriage between one man
and one woman.
- I support the Constitutional right to bear arms.
- I support tax cuts, and most definitely not tax increases.

The major political parties will make many promises but it is
"business as usual". Where as, if I vary from my party's plat-
forms, the Constitution Party will remove their support. Think
about it. A party with standards.

General Information

Vote-by-Mail

What is Vote-by-Mail?

Vote-by-mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between October 15 and October 19, 2004. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated drop site.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at drop site locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by October 12 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated drop site in the state. The times and locations of drop sites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 37¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated drop site by 8:00 p.m. on election night.

Postmarks do not count!

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8:00 p.m. on November 2, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8:00 p.m. election night and will continue to be updated through election night until all ballots have been counted.

Visit <http://egov.sos.state.or.us/results> for online election night results for state measures and candidates.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by October 28. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8:00 p.m. election day, Tuesday, November 2, 2004.

Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

Oregon has a wealth of resources, both natural resources and in it's people. Whether you are a construction worker or a teacher, a farmer or a business person, it is not for me or the government to tell you how to do what you do. It is for you to tell government how it can best support you and then stand aside and let you do it. It is time to make Oregon the show place on how everybody benefits when the government is here to serve the people rather than the people here to serve the government.

Government cannot do everything that we wish it could do, but if Oregon government's priorities and values reflect those of our people, Oregon's future is assured and enjoyed by all.

Our priorities include all of these:

- 1) Provide an atmosphere where the **economy** can work for us all. We must not penalize with taxation and unnecessary regulation those who are bringing Oregon the most.
- 2) Provide for **public safety and security**
- 3) One of our most valuable resources is our children. We must see that our children have the best **education** that we can afford.

The Oregon legislature must become proactive in representing the interests of the Oregon citizens ahead of those with special interests. The Oregon Legislature must be proactive to discourage executive and judicial branches from assuming "law-making" functions exceeding their constitutionally defined functions. Oregon legislators must respect both the US and Oregon Constitutions which exist to define government's responsibilities and powers, not limit liberties of its citizens.

Dear Friend,

I'd like you to remember one thing about me before you cast your vote: I will never stop working for you.

I'm no stranger to hard work in tough times. I grew up poor with 13 brothers and sisters. We were always struggling to make ends meet. I learned that to make things better, you have to be strong and committed to your goals. That's why I finally made it to college as a single mom at 36. Eventually, I built a better life for my family.

As an educator, I didn't quit working hard. I took on the challenge of working at tough schools because that's where my help was needed.

The challenges I've faced in my life did not require Democratic or Republican solutions; they required common sense and hard work.

As your representative, I will:

- **Fight the skyrocketing cost of healthcare and life-saving medicine.**
- **Support programs that help seniors live independently in their homes.**
- **Save \$100 million from our schools' healthcare costs by eliminating insurance middlemen and I will put the money in the classroom where it belongs.**
- **Work with small businesses to create quality jobs with benefits and prevent our jobs from being shipped overseas.**
- **Reduce government waste by making bureaucrats accountable for their budgets.**

Most importantly, I will work to restore cooperation and common sense in the Capitol so that we can tackle the challenges facing Oregon.

Educational Background: I am a 1983 Graduate.

Prior Governmental Experience: I have no real Governmental
experience besides what I have read from the print media;
television media and the most evil talk radio.

Hello, my name is Paul Delaney and I am running for office
because I want to help bring back responsibility in government
and hopefully give you the voter more bang for your buck. If I
am elected some of the things I would like to do in no specific
order will consist of really looking at the books and cut the
waste that is there. Government people work for you the voters.
I would like to strengthen concealed weapons laws for the rights
of gun owners. I would also like to see a strong P.E.R.S. reform
and collective bargaining reform bill, so that the people in
government that work for you the voter and taxpayer can not
work out such excessive pay and Health benefits that will
eventually break the taxpayers wallet. I believe there should be
some sort of Judicial Review Board. Judges are to interpret the
law not make it. I am tired of seeing something that you the
voter voted on an passed, thrown out because of one Judge.
I would like to strengthen private property rights for property
owners.

I would be honored to serve you the voter of the 23rd District, if
duly elected, if not I will be happy if I get more than one vote.

Thank You
Paul Delaney

Educational Background: BSEE

Prior Governmental Experience: Volunteer Fire Chief (AZ);

Personal: Married to Sharon, three children

Healthcare: Healthcare should be a **right** for all residents and not a commodity. Clearly the market driven, employer based method of medical services delivery needs to be revised. "Nearly one in three people in Oregon under 65 went without health insurance for all or part of the two year period from 2002-2003" Families USA – June 2004. We can do better!

Economic Security: The foundation of economic security is having **living wage** jobs for any person able to work so that they can provide daily needs, educate their children and provide for themselves when they can no longer work. There also needs to be an adequate safety net for those unable to work.

Education: I believe that K-12 and higher education is essential for economic security and a good quality of life. Affordable higher education will make this country stronger!

Fiscal Responsibly: States are not allowed to borrow and spend to meet current expenditures, as does the federal government. The *Tax Foundation* study rates Oregon as 9th on their Business Tax Climate Index (1 is best) so we are already a very good place to do business.

Quality of Life: I believe that sustainability and diversity is the key to maintaining our wonderful Oregon lifestyle. Anyone who pollutes or degrades our environment must be held accountable.

State Government: Oregon's state government exists to serve the **PEOPLE** of Oregon. The most important element of this service organization is its employees from the Governor, Legislators and Courts down to the entry person. In fact, without employees there would be no state government. We should have meaningful **accountability** when we consider outsourcing governmental services.

Constitution Party Statement

THE CONSTITUTION PARTY

<http://www.constitutionpartyoregon.com/>

We are the party that is calling America back to the sure foundation of

Life, Liberty, Limited Government.

What our candidates stand for:

Restore the United States to "One Nation Under God"

Return to Constitutional, Limited Government

Ending Abortion in America

Defend Individual Right to Keep and Bear Arms

**Restore National Sovereignty Including
Withdrawal from the U.N.**

**Cut the Federal Government Down to
Constitutional Size**

Find Our Lost Borders and Defend Them

**Protect Private Property
In Absolute Terms**

**Restore Constitutional Sound Money
Backed By Gold**

**End Corporate Welfare
And the Export of American Jobs**

**Require Congressional Declaration of War
Before Engaging Our Military**

**Congressional Limitations on Jurisdiction
Of Federal Courts**

We are often asked, "Why not reform the two big parties?" It may be hard to admit but an honest appraisal shows that both parties are corrupt, addicted to 'big money', with no intention of ever returning to limited Constitutional government that puts the people's freedom first. What do you think will be the result of letting our government continue to make up its own rules? The horror of legalized baby killing is one result. Can you think of other social and economic degradations that runaway government has brought us?

DECLARE YOUR INDEPENDENCE!!!

DON'T WASTE YOUR VOTE!!!

Send a real message this year. Vote for what you want instead of some compromised down version of our American ideals. This citizenship business is not a game. It is a stewardship for which we will be held accountable by our Creator and our children's children.

If you are tired of seeing America on a down-hill slide morally and economically, If you question the long term consequences of a worldwide American empire, If you are weary of a government that tries to be god while it mocks the true God, Then consider Our Constitution Party candidates. They are pledged to the platform listed above.

In office they are each committed to:

- vote no on budgets that include taxpayer \$\$\$ for abortion**
- institute spending limits and individual efficiency audits for state programs**
- sponsor legislation requiring that property owners are reimbursed
when state regulations harm property values**
- bring a 'Vermont Style' gun law to Oregon**
- return authority to local school boards and parents**

William Shakespeare said that, "Our doubts are traitors, and make us lose the good we oft might win, by fearing to attempt."

BE BOLD THIS YEAR – VOTE CONSTITUTION PARTY

(This information furnished by Constitution Party of Oregon.)

Democratic Party Statement

RESTORE DEMOCRACY – VOTE DEMOCRAT

Elections are important because they determine the course for our nation, state and our communities. By voting Democratic, you have the power to return government to the people, to reclaim cherished Oregon values and to restore America's strength in the world.

Elections also are about accountability. Republicans control the White House, Congress and for too long enjoyed majorities in the Oregon Legislature. This imbalance undermines democracy and left George Bush and the Republicans dangerously unchecked. The impact for average, middle class families has been devastating: stagnant incomes, skyrocketing health care costs, the loss of family wage jobs, record federal deficits, and inadequate funding for essential services like schools and state police. America deserves better and you have the power to change it.

John Kerry leads a re-energized Democratic Party that offers Americans a more hopeful, positive future. Help is on the way. Vote Democratic!

- **John Kerry has the right Values and Character.**

John Kerry has always reported for duty, and has served his country with distinction. He is a leader who believes that those who work hard and play by the rules should be rewarded first and not left hoping for a trickle down.

- **John Kerry has the right plan for Iraq.**

George Bush rushed us into an unnecessary war without a plan to win the peace. Now American soldiers and taxpayers must shoulder a disproportionate share of the costs in lives and in dollars.

Under President Kerry, America will no longer bear this burden alone. As a decorated veteran, Kerry understands that war should be a last resort and not a first option. President Kerry will work to rebuild alliances that will make us stronger in Iraq and in fighting terrorism.

- **John Kerry has the right plan for Homeland Security.**

President Kerry will never hesitate to use military force to defeat terrorists before they strike us. To protect America, President Kerry would immediately implement the recommendations of the bipartisan 9/11 Commission. President John Kerry will never drag his feet or squander an opportunity to make America safer.

- **John Kerry has the right plan for the Economy, Jobs & the Environment.**

John Kerry will create a New Jobs Tax Credit and close the tax loophole for corporations that ship jobs overseas. Kerry will also redirect the irresponsible Bush tax cuts from the richest Americans to the middle-class. And Kerry understands that sustainable practices and job creation go hand in hand.

- **John Kerry has the right plan for Health Care.**

John Kerry's health plan will provide every American access to the same coverage that Members of Congress give themselves. He will protect a woman's right to choose. John Kerry will also stand up to the drug companies by requiring the federal government to negotiate lower drug prices through Medicare.

- **John Kerry has the right plan for Education.**

Pres. Bush broke his promise to Leave No Child Behind, but he failed to deliver \$27 billion he pledged to help schools meet the federal mandate.

John Kerry will deliver the resources schools need, while maintaining high standards for our teachers and students. Also, to help with skyrocketing higher education costs, John Kerry will provide a College Opportunity Tax Credit on \$4,000 of tuition for four years of college.

EVERY VOTE COUNTS

The presidential race is important, but so are races for the Oregon Legislature and other local offices. These races are often won by just a handful of votes and your vote can be the difference.

The choices are clear this year and we humbly ask for your vote – not just for John Kerry, but also for the entire Democratic ticket. Get involved and thank you for your support!

Libertarian Party Statement

www.lporegon.org
1-800-829-1992
info@lporegon.org

LIBERTARIAN PARTY – FISCALLY CONSERVATIVE, SOCIALLY TOLERANT

The Libertarian Party stands for individual freedom and personal responsibility. We believe these twin pillars of a civil society are inseparable; undermining one impairs the other. The only legitimate purpose of government is to protect the life, liberty and property of its citizens.

Clearly, Republican politicians have abandoned fiscal conservatism on the state, local, and federal levels. We're also confronted with the spectacle of pro-war, anti-free speech Democratic politicians. There is only one political party which trusts you to run your own life, to keep and spend the money you earn, to control your own property, to care for your own body, to freely exercise your right to freedom of expression: the Libertarian party.

We trust you to run your own life; to care for your own property, body, family, and community. You get to decide whom to love, whom to marry, what causes to support, what products to purchase, so long as you don't harm anyone else.

We believe that a free market, a market in which you freely offer up goods and services to others, is the best way to accomplish the creation and maintenance of a free society. Politicians should not be allowed to pick winners and losers, or to dictate the terms of any transaction between two willing, peaceful trading partners.

In that spirit, we take the following positions on the ballot measures we're all voting on today:

Measure 31 – NO

An unnecessary change to the Oregon constitution, it will only benefit the two major parties but hurt voters.

Measure 32 – NO

The constitution should only be changed for important purposes, this is not a good enough reason to vote for this measure.

Measure 33 – NO

If this passes it will set medical marijuana laws back and not forward.

Measure 34 – NO

The economy of the northwest counties should not be sacrificed to extremists.

Measure 35 – NO

It is not the government's responsibility to interfere with jury settlements.

Measure 36 – NO

The government has no business in people's right to marry.

Measure 37 – YES

This measure is common sense, private property rights must be upheld. It has also already passed, but was struck down in court by a technicality.

Measure 38 – YES

A free market economy will keep insurance rates lower, not government interference.

Republican Party Statement

REPUBLICANS Restoring the Promise of Oregon

A Vision for Oregon's Future

Our Republican Party's vision: a modest-sized government with compassion for those in need but requiring responsibility from all; a government maximizing efficiency and using every tax dollar wisely. Republicans will support an amendment to the Oregon Constitution setting limits on government spending.

Republicans Meet the Challenges Facing Oregon

- The Challenge of the Economy: A vision of job creation

Almost two decades with Democrats in control of statewide offices has left Oregon with one of the highest unemployment rates in the nation. Republicans will do what it takes to increase job options for Oregonians – helping Oregon's employers to grow, bringing new employers to Oregon.

- The Challenge of Education: A vision for better schools

Republicans believe education dollars are best spent in the classroom. Student to teacher ratios must come down, giving teachers manageable class sizes and reasonable authority to discipline, letting teachers do what they do best – teach. While Republicans do not want to turn classrooms into test preparation facilities, we also believe Oregon's students must be prepared to score higher on standardized tests.

- The Challenge of Health Care: A vision for a healthier Oregon

Republicans believe all Oregonians must have access to affordable health care. Over-regulation of the health care and health insurance industries, and frivolous lawsuits, are primary contributors to excessive health care costs. The high cost of health care is felt most by our senior citizens. Republicans will work to find the balance between making health care affordable while regulating it sufficiently to protect the rights of Oregonians.
