This Voters' Pamphlet is provided for assistance in casting your vote-by-mail ballot.

**BILL BRADBURY**  
SECRETARY OF STATE

PADDY J. McGUIRE  
DEPUTY SECRETARY OF STATE

JOHN LINDBACK  
DIRECTOR

141 STATE CAPITOL  
SALEM, OREGON 97310-0722  
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making under the federal Help America Vote Act. The goal of the Help America Vote Act is to make voting systems more reliable and voting information more accessible.

There is a new page in the voters' pamphlet, which explains how to fill out your ballot and how to request a replacement ballot if you make a mistake. We've also created a toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 that you can call if you have any questions about your ballot or about voting. These new federally funded services make it easier than ever to vote. You may also note some changes in the design of your voters' pamphlet. We are continuing to revise the voters' pamphlet to make it more usable for voters and less expensive to produce.

If you are registering to vote for the first time or re-registering, please use the new voter registration card, available online at [www.OregonVotes.org](http://www.OregonVotes.org), or request a registration card by mailing in the form in this pamphlet. If you are registering for the first time, you must register by April 27 to participate in this election.

For those of you who are already registered to vote, I urge you to return your ballot so that it is received by May 18. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

In commemoration of the bicentennial anniversary of the Corps of Discovery, the cover features a "Peace and Friendship" medal such as those carried by explorers Lewis and Clark and presented to Native American chiefs that they met during their journey. The image shows a peace pipe and a tomahawk over clasped hands. By working together, we can all renew the medal's promise of peace and friendship.

Best wishes,

Bill Bradbury  
Oregon Secretary of State

**On the cover:** This Jefferson Peace Medal is of the same period as the ones presented by the Lewis and Clark Expedition to leaders of the many native American nations the Corps of Discovery encountered nearly two hundred years ago. The reverse of the medal carries a portrait of President Thomas Jefferson, sponsor of the expedition. The medal is from the private collection of Roger Wendlick. # General Information

## Voters' Pamphlet

Your official 2004 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2004 Primary Election ballot.

In the primary election, candidates are divided into three sections; Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2004, Democratic candidates appear first.

All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

**Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.**

Miscellaneous voting aids, including drop site locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

## Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Pursuant to ORS 254.155, the Secretary of State is required to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2004 Primary Election is:

R, E, Z, M, T, G, F, Y, N, C, Q, L, U, X, K, B, J, W, D, P, I, O, S, V, H, A

## Website

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide on the World Wide Web at [www.sos.state.or.us/elections/may182004/may182004.htm](http://www.sos.state.or.us/elections/may182004/may182004.htm)

## Español

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

## Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 13. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by election day, Tuesday, May 18, 2004.

### Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

## Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

# Duties and Responsibilities of Democratic Precinct Committeepersons

## A message from the Democratic Party of Oregon Chair Jim Edmunson:

The tragic events of September 11th provided a sober reminder of how precious a safe, free and democratic society is. In its wake, the world united behind us and Americans came together with a renewed sense of commitment to the common good. Unfortunately, President Bush abused the public's trust and squandered this historic opportunity by pursuing a polarizing, partisan agenda that has divided Americans and alienated international allies. Along the way, 3 million American jobs were lost or "outsourced", a \$5.6 trillion surplus was replaced by record deficits, and health care is out of reach to too many families.

Democrats offer a different, more optimistic future. Democrats seek an America inspired by the vision of John F. Kennedy that values opportunity, community, loyalty, and patriotism. Opportunity starts with a strong public education system that truly leaves no child behind and paves the road to living wage jobs. Community is bound by our belief that the Constitution applies equally to all citizens regardless of race, creed, color or sexual orientation. Loyalty is reflected in Democrats' commitment that middle class families should be rewarded and not abandoned in favor of tax giveaways to the super rich and multinational corporations. Patriotism is not owned by John Ashcroft or Dick Cheney; it is embodied by all Americans who stand up for what is right, especially in the face of adversity.

Fellow Democrats, the time is now to take back America. Please join me in serving as a **Democratic Precinct Committeeperson**. As a precinct leader, you have the power to effect change. There has never been an election where grassroots involvement has been more important. Your activism is our best counter to the Republicans' unprecedented war chest. Better than any television ad, neighbor to neighbor contact will decide this election.

The Republicans' sorry record in Salem and Washington is clear, but we must not depend on others to hold them accountable. We know they will stop at nothing to reinvent history and to prey on voter's fears. This administration refuses to accept responsibility for mistakes and is determined to silence critics. Ignorance is the enemy of freedom and liberty, but let us also recognize the comfort it finds in the shallow forums of right wing radio and biased cable news organizations. A strong army of Democratic precinct leaders is essential to ensure that truth and justice prevails this November.

### Key Issues:

- **Jobs** – The single most important issue. Democrats will restore economic principles that yielded balanced budgets and unprecedented economic prosperity. Bush owns the worse job creation record since the Depression yet supports policies that reward companies for moving jobs overseas.
- **National Security** – Kerry is a certified war hero who will restore America's credibility; Bush can't be trusted after misleading Americans on Iraq.
- **Health Care** - Affordable health care accessible to all must be a right, not a privilege.
- **Education** - No more cuts to Oregon classrooms; Invest in lifetime education incentives and job retraining programs.
- **Environment** – Protect treasured public lands and lead sustainable resource practices.

On behalf of the Democratic Party of Oregon, thank you for your interest, I applaud your dedication, and I look forward to working together as we march to victory in November!

Respectfully,  
Jim Edmunson, Chair

**John F. Kerry**  
Democrat

**Occupation:** United States Senator.

**Occupational Background:** United States Navy, 1966-1970; Assistant District Attorney, Middlesex County, Massachusetts, 1976-1979;

Attorney, 1979-1982; Massachusetts Lieutenant Governor, 1983-1984; United States Senator, 1985-present.

**Educational Background:** Yale University, B.A.; Boston College Law School, J.D.

**Prior Governmental Experience:** Massachusetts Lieutenant Governor, 1983-1984; United States Senator, 1985-present.

John Kerry is running a campaign to change America. He is fighting to bring back jobs and prosperity and he will lead us to a safer, stronger America. George Bush has taken us in the wrong direction because he cares more about special interests than about the needs of ordinary Americans.

John Kerry will stand up to the special interests. In his first 100 days as President, he will:

Roll back George Bush's tax cuts for the wealthiest Americans so we can invest in education and health care;

Repeal every tax break and loophole that rewards corporations for sending American jobs overseas. And he will provide new manufacturing incentives that reward good companies for creating and keeping good jobs at home;

Take on the health insurance companies to lower costs and make affordable healthcare available to every American;

Stop polluters from weakening the Clean Air Act and stand up to the oil companies to make America independent of Mid East oil; and

Declare an end to George Bush's go-it-alone foreign policy, win the peace in Iraq, and make America safer, stronger, and more secure.

Hardworking families in Oregon are hurting because George Bush has favored tax cuts for the wealthy and special favors for the special interests over what's fair for middle class Americans. This Administration's motto really should be "no special interest left behind." But Oregon's working families are getting left in the dust.

As a decorated Vietnam War veteran, a local prosecutor, and a United States Senator, John Kerry has put his country first. And as our next President, John Kerry will put America back on track.

**Dennis J. Kucinich**  
Democrat

**Occupation:** U.S. Congressman, Ohio

**Occupational Background:** U.S. Congressman; Ohio State Senate; Mayor of Cleveland; Municipal Court Clerk;

Cleveland City Council

**Educational Background:** B.A., M.A., Case Western Reserve University

**Prior Governmental Experience:** U.S. Congressman; Ohio State Senate; Mayor of Cleveland; Municipal Court Clerk; Cleveland City Council

I am running for President to inspire America to take a new path, a different direction. I envision an America which has the capacity to reconnect with the heart of the world; an America which proceeds in the world optimistically and courageously; an America which understands that the world is interdependent, that it is inter-connected.

I am running for President to break the shackles of fear which have deprived our citizens of rights. I am running for President to change the way this country values humanity, so that instead of fear and lies, we can live our lives based on principles of peace and hope. We need to regain the trust of the American people and we need to have a government which trusts the American people.

It is time for America to resume its glorious journey; time to reject shrinking jobs and wages, disappearing savings and rights; time to reject the detour toward fear and greed. It is time to look out upon the world for friends, not enemies; time to counter the control of corporations over our politics, our economy, our resources, and mass media. It is time for those who have much to help those who have little by maintaining a progressive tax structure. It is time to tell the world that we wish to be their partner in peace, not their leader in war. Most of all, it is time for America to again be the land where dreams come true because the government is on the side of its people.

Together, we can change our nation, and, as Tennyson wrote and my political hero Robert Kennedy always said, we can seek a newer world.

### THE VOTER IS NEXT IN THE ARENA

by Lyndon H. LaRouche, Jr.  
Sunday, February 22, 2004

Many voters choose their candidates the way they choose to cheer for a sports figure in the arena. Soon, that will change. We are on the edge of a collapse of present world monetary-financial system, a collapse more dangerous than what President Franklin Roosevelt faced in March 1933, whether President Bush is willing to face that reality, or not. You, the voter, personally, are in the arena.

In the meantime, Senator John Kerry and I will soon be the only major Democratic candidates who will be left standing. It is important that he and I now begin to face off in constructive debates on the policies which the next President will be facing this coming January. It will be a friendly debate, but a very serious one. The economic policy you choose will be crucial.

Although the present world economic crisis is worse than in 1933, the philosophy of President Franklin Roosevelt is a model for the only sane alternative available to the U.S. now. My policies are detailed, and on my campaign website: [www.larouchein2004.com](http://www.larouchein2004.com). You are in the arena of a world economic crisis. Don't be a sidewalk superintendent. Act in this election as if your personal future depended upon it. It does.

## United States Senator

**Ron Wyden**  
Democrat

**Occupation:** U.S. Senator

**Occupational Background:** Former Director, Oregon Legal Services for the Elderly; Co-founder, Oregon Gray Panthers; University Instructor

**Educational Background:** J.D., University of Oregon School of Law; A.B., Stanford University

**Prior Governmental Experience:** Congressman, 1981-1996; Oregon Board of Examiners of Nursing Home Administrators, 1977-79

### STANDING UP FOR ALL OF OREGON

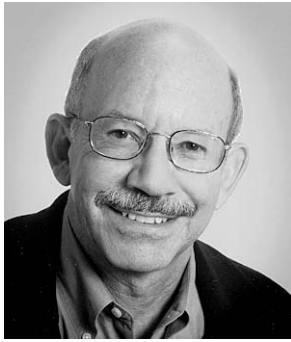

When I first ran for the U.S. Senate, I promised to stand up and fight for all the people of Oregon. I've worked hard to keep that promise. After listening to your ideas in open town meetings in every Oregon county, every year, here is some of what we achieved:

- \* We uncovered rampant government waste and wrote the laws to cut it, carving \$1.8 billion of waste from the Iraq reconstruction plan, and putting a stop to sweetheart, single-source, federal contracts that squandered countless taxpayer dollars.
- \* We brought 1,300 Oregonians together at the "Oregon Economic Summit" to chart a bipartisan course for a sounder economic future. Transportation is vital to that future, and on my watch, Oregon will receive \$474 million in federal transportation funding for next year alone. I also wrote the "county payments" legislation that is bringing Oregon over \$1 billion for schools and roads, and secured critical funding to establish Oregon as a jobs leader in the field of nanotechnology.
- \* We didn't back down when powerful interests threatened our state. I stopped federal efforts to overturn Oregon's physician-assisted suicide law. I exposed the oil companies that manipulated gas prices to their highest levels ever. As the former co-director of the Gray Panthers, I am a leader in the effort to stop the privatization of Social Security.

We have accomplished much, but there is so much more to do. Representing Oregon in the U.S. Senate has been the greatest privilege of my life. I'm proud that you've asked me to stand up for you, and now I'm asking you to stand with me in this election.

Assistant Director Senior  
Companion Program, US

Air Force Reserve

**Educational Background:** Tufts University, BA; University of Oregon, MA

**Prior Governmental Experience:** Chair, Lane County Commission

### **WORKING TO CREATE MORE JOBS**

"Disappointed with Bush economic plan, DeFazio proposes his own," *Lebanon Express*, 1/22/03

DeFazio opposed Bush's trickle down tax cuts for the rich. DeFazio's plan would create two million jobs and make needed investments in transportation, infrastructure, education, tax relief targeted to wage and salary workers, assistance to states, and extended unemployment benefits.

"DeFazio has been a consistent critic of free-trade pacts such as NAFTA," *Statesman Journal*, 12/18/03

### **SUPPORT TROOPS**

"DeFazio disappointed with reconstruction of Iraq - says troops still lack effective body armor," *Grants Pass Daily Courier*, 1/30/04

DeFazio demanded state-of-the-art equipment for our troops and a definite plan to bring them home soon. He opposed the President's rush to launch a pre-emptive war without international support and introduced legislation to make the President match spending on projects in Iraq dollar for dollar with funding for critical projects at home.

### **PROTECT SOCIAL SECURITY - CUT PRESCRIPTION DRUG COSTS**

"DeFazio against prescription drug bill, calls it benefit to industry," *Albany Democrat-Herald*, 6/27/03

DeFazio is fighting for lower drug prices and legal inexpensive imports from Canada. He has a plan to stabilize Social Security without benefit cuts.

### **EFFECTIVE LEADERSHIP**

"DeFazio has served his constituents well," *The Coos Bay World*, 12/3/03

"DeFazio should get our thanks," *Albany Democrat-Herald*, 10/9/03

## Secretary of State

### Paul Damian Wells

Democrat

**Occupation:** Computer Architect

**Occupational Background:**  
Electrical Engineer

**Educational Background:** BSEE  
Purdue University; Portland State University

**Prior Governmental Experience:** None

**I'm not a Democrat.** I'm an Independent voter and Voting Rights Advocate. I'm a candidate in this private Democratic primary because it isn't private. Everything needed to conduct this primary is heavily subsidized or paid for outright with public money.

I qualified as a Democratic candidate for this office by paying a \$100 fee. I then paid a \$1000 fee to have this statement distributed to approximately 1,500,000 homes statewide at taxpayer expense. As a Democrat I was not required to collect signatures to qualify as a candidate and assuming 10 cents printing/postage per item, this statement is worth \$150,000. The election ballots are also printed and mailed at taxpayer expense, and county clerks tally the votes.

In contrast, Independent (non-affiliated) candidates for this same office are required to collect over 15,000 signatures to qualify as candidates. Even then, Independents are not allowed statements in the primary voters' pamphlet. Oregon elections are based on a "separate but equal" doctrine: Democrats and Republicans are subsidized while signature requirements are imposed on Independents. For statewide partisan office, there are four separate candidate-qualification standards based on party affiliation.

We need a preliminary election to weed out candidates before the general election, but public elections must be open to all candidates and voters on an equal basis. A single nominating election where all candidates for each office compete regardless of party affiliation. All voters are allowed to participate and only the top two candidates for each office advance to the general election. Political parties may endorse candidates at private functions prior to this election, but these events must be conducted and financed by the political parties.

The Supreme Court will eventually strike down partisan elections in Oregon because basic civil rights are violated. We can't have democracy without free elections and we don't have free elections in Oregon.

## State Senator 1st District

### Bruce W. Cronk

Democrat

**Occupation:** Electrician

**Occupational Background:** Welder, Electrician, Secretary of United Steelworkers Union Local 5074

**Educational Background:**

Rogue Community College AA Degree, Umpqua Community College

**Prior Governmental Experience:** Precinct Committee Person, County Party Chair, Workforce Investment Board Member

#### **BRUCE CRONK – A VOICE FOR THE PEOPLE OF OREGON**

Over 45 years on the job has taught me what it's like to work under laws and regulations that were written by Legislators whose focus is on profits rather than on principles.

#### **Legislation should help Oregonians.**

- Tax law should encourage business' to remain in Oregon, not reward them for sending our jobs to Mexico and China.
- Unfair legislation decreases the tax burden of the wealthy and increases it for business owners and working families.
- Safety and Health rules should put safety ahead of dividends.

#### **Cronk will fight the pharmaceutical lobbyists.**

Apparently the thousands of dollars drug companies lobbyists lavished on legislators has paid off.

Did our business owners get any legislation that would help them form prescription drug purchasing pools? Did the state get the go-ahead to force the drug companies to negotiate lower prices? Did the Legislature encourage Oregon to join other states in forcing pharmaceutical companies to deal with the states' combined buying power? No, no, and no.

We will never have the low drug prices the rest of the world enjoys as long as our legislators kowtow to the drug companies; we will continue to pay too much as long as we elect legislators who accept money from the pharmaceutical industry.

Bruce Cronk refuses to take their money because he will represent you in the Senate, not the drug companies

**Please join me in supporting the people of Oregon.  
Vote Bruce Cronk for State Senator**

## State Senator 4th District

State Representative; Assistant  
District Attorney; Legal Assistant;  
Laborer

**Educational Background:** Texas A&M University; South Texas  
College of Law

**Prior Governmental Experience:** Oregon State Senate; Oregon

Conduct Hearings Officer; Lane County FEMA Board; Precinct  
Committeeperson.

**Community Service:** Child Advocacy Center of Lane County;  
Lane County Domestic Violence Counsel; UO Law School  
Client-Counseling Team Adviser.

### PRO-EDUCATION

Oregon continues to underfund education, and small rural  
school districts have been hit hard. I will continue advocating for  
long-term, stable funding for all levels of public education. Our  
children's education must be our highest priority.

Studies have shown that for every dollar we spend on educa-  
tion, we can save up to \$15 in the criminal justice system. A  
quality education system will ensure Oregon's economic growth.

I support local control of our schools.

### PRO-JOBS

I will fight for rural economic development and family-wage jobs  
so we can jump-start our economy. All Oregonians deserve  
stable employment and proper health care.

### PRO-PUBLIC SAFETY

As an experienced prosecutor, I believe criminals must be held  
accountable. I support swift, certain and appropriate sanctions.  
I also realize that we must emphasize early intervention and  
prevention programs for at-risk kids.

### PRO-SENIORS AND PRO-HEALTH CARE

I will continue to support senior programs, such as Oregon  
Project Independence, so seniors can remain independent. I will  
fight for affordable health care and prescription drug assistance.

### PRO-QUALITY OF LIFE

I oppose urban sprawl; we must protect our farm and forest  
lands. I support clean air and water. I will work to preserve the  
quality of life we cherish and want to pass on to future  
generations.

**Please call me, 541-342-2447, with your ideas and concerns.  
I appreciate hearing from you. With your support, I will  
continue to represent our district with a strong, independent  
voice.**

**CAIRNS BELIEVES**

\*The biggest issue facing this district is **JOBS**. This district is part of the rural timber belt that has been exporting its best resource—young people. We need **EMPLOYMENT** and continued quality of life for all citizens.

\***Local solutions** to local problems creates stronger communities

\***Education is the cornerstone of economic development**

\***We do not need to add more layers of law.** We should enforce the laws we need, get rid of those we no longer use and examine carefully future legislation.

\***No new programs without adequate funding.** Mandates coming from the federal government without adequate funding must be evaluated to determine if we can afford the “free” money attached.

\*We should not be pitting seniors, health services, education, public safety and other programs against each other in a divisive manner. **All citizens deserve to feel safe and secure, have adequate housing and health care, education and job opportunities**

\***It is time for civility and co-operation within government.** It is time to work together in the best interest of everyone.

**LOWER TAXES**

**THOUSANDS OF JOBS**

Greg Thorne will cut taxes by cutting waste. Lower taxes will create thousands of jobs in Oregon. Government waste is costing us money and jobs. Measure 30 failed because the current legislature failed. Greg Thorne will work to lower taxes and improve the quality of our schools.

**BETTER SAFETY**

Law enforcement bureaucracies are inefficient and can be dramatically streamlined, providing better safety for our children, our families and ourselves.

**STABLE FUNDING FOR OUR SCHOOLS**

Greg Thorne will create stable funding for our schools. Give the schools the money they need every year and invest the savings for lean times. Investing not only saves money, it produces more money. Oregon is spending \$9,000 spent annually per K-12 student. We spend more than most states in the nation. But our quality suffers from fiscal mismanagement. We need to improve the quality of public education, while lowering the costs of health insurance and other expenses.

It's time for a change. It's time to elect Greg Thorne.

We need a representative in the Oregon State House who will lead the legislature to better education, jobs and public safety. That leader is Greg Thorne.

### **ARNIE ROBLAN** Proven Experience for the South Coast

#### **Economic Development and Jobs**

The South Coast needs more family wage jobs and strong businesses. I am committed to promoting economic development by encouraging the growth of existing businesses while attracting new ones to the area.

#### **Quality Education**

Our schools need stable and secure funding. As Principal of Marshfield High School in Coos Bay, I have extensive experience in working with limited funding while still crafting a quality education for our students. Our capacity to keep doing this is wearing thin. I see an investment in our schools not only as an investment in our children, but also in our economy.

#### **Affordable Health Care Options**

Working families need access to affordable healthcare. As your representative, I will work to implement coverage options for both individuals and employers and make healthcare affordable for more Oregonians.

"Despite our differences, one thing we agree on without question is that Arnie Roblan would be a great representative for the South Coast."

**Mayor Joe Benetti, Coos Bay and Mayor Rick Wetherell, North Bend**

"Excellent legislators are knowledgeable about their district, they study the issues, and have the courage to represent their constituents. These qualities make Arnie the best choice to represent our district."

**Representative Joanne Verger**

"Arnie is knowledgeable about the area's economic issues through his work as co-chair of the Friends of New and Sustainable Industry (FONSI) and as a Water Board member. As a legislator, Arnie will be an asset to our area and the state."

By any measure, Bandon is a well-run town. We publicly set goals and objectives, and we post them in the City Hall lobby for all to see. We stress accountability, and we have no secrets.

We value citizen participation, and have numerous citizen committees handling city matters. As Mayor, I make a monthly report to the community in the newspaper. I hold Mayor's Hours on weekends with no appointment needed. Our relations with our city staff are excellent. Our finances are in order and are wide-open to public inspection.

We believe that environmental awareness and the improvement of our economy can go hand in hand. We have been bringing additional jobs to Bandon. We are undergoing growth and change, and we are handling it with dignity because we believe in intelligent and orderly processes. We work well with other government agencies.

As a sixth generation resident of Coos County, I submit to you that it is time for Coos County to step up to good, responsible governance. Coos County can be managed better. It is time for a change for the better!

## Duties and Responsibilities of Republican Precinct Committeepersons

---

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. Precinct Committee Persons (PCP) “put a face” on the party in their neighborhoods and communities, attend regular meetings of their county Republican central committee helping to set the party agenda in the county and help to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership in your county, the state and nationally, you will help select your county leadership or may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to distribute campaign materials in your precinct. Or, you may be asked to arrange a coffee for a candidate to meet your neighbors. It is up to you as to how you reach out to people in your neighborhood.

PCPs should feel comfortable with these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

This fall, Oregon Republicans will work to re-elect President George W. Bush. We will also campaign to expand our representation in both chambers of the Oregon Legislature, send new Republican representatives to the United States Congress and Senate, and elect a Republican state Treasurer, Attorney General and Secretary of State. PCPs will have key roles in bringing about these victories.

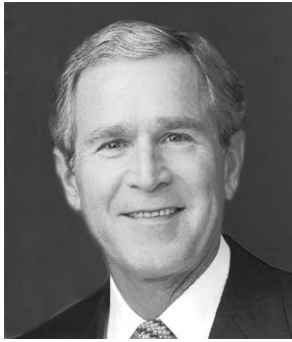

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. You may send e-mail to [info@orgop.org](mailto:info@orgop.org) or visit our website at [www.orgop.org](http://www.orgop.org)

We look forward to hearing from you and hope you will join the team!

Dear Oregonian:

These historic times of change require steady leadership. I have an optimistic vision and agenda that will move America forward toward greater prosperity, greater security, greater freedom and greater compassion.

Come November, voters are going to have a very clear choice.

It's a choice between keeping the tax relief that is moving this economy forward – or putting the burden of higher taxes back on the American people.

It's a choice between an America that leads the world with strength and confidence – or an America that is uncertain in the face of danger.

It's a choice between two visions of government: a government that encourages ownership and opportunity and responsibility – or a government that takes your money and makes your choices.

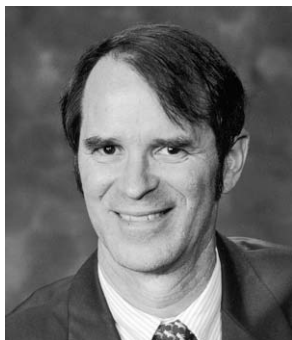

In a post 9-11 world, we as Americans understand how great events affect a nation and our world. Great events will turn on this election. Our next President will set the course of the war on terror and the direction of our economy. The security and prosperity of America are at stake.

Unlike my opponent, I will leave no doubt where I stand on the nation's priorities. I continue to take on the big issues with strength, resolve, and determination – and I stand ready with a positive agenda to lead our nation for another four years.

Sincerely,  
George W. Bush

**"MAKE OREGON WHOLE"**

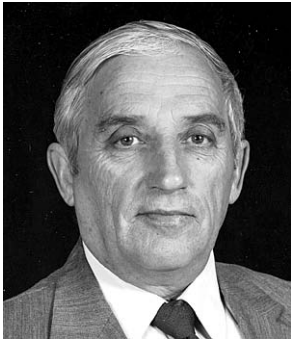

From Enterprise to Vale to Lakeview to Coos Bay and Portland, we have high unemployment, business slow downs and shut downs and our school are in a funding crunch. The pain is often greater in small towns than in bigger ones.. No one person can fix everything, but I believe I can help. Outsourcing good jobs over seas has to stop. Businesses need more reasons to stay here, grow and put more Oregonians to work in small towns and cities. Family farms and ranchers need stability in changing market conditions. Schools, including vocational programs, need funding. If low-income housing is needed, build it for truly low-income residents, including qualifying seniors.

I support President Bush's State of the Union agenda in the fight against terrorism, but I question using National Guard and reserve troops for sustained wars. Oregon citizens are paying too high of a price for their country. Our full-time military needs expanding now.

Ron Wyden has never worked in business but I have. Help me defeat him so I can work with you to **"make Oregon whole"** again.

I'm **Al King**. While Vice Chairman of the Oregon Republican Party, I became acutely aware of how desperately Americans of all affiliations are for a voice of impact in National issue politics.

Powerful forces of Big Business and International Corporations on one hand, and Socialist movements and their agendas on the other, have diverted this nation from emphasizing and preserving the important priorities that enabled our country's greatness.

We risk our sovereignty, security, and ultimately our freedoms unless we correct the course. This will require election of representatives whose priority and commitment is to the preservation of our nation as a place where citizens enjoy a high standard of living in a country that secures its borders, its jobs and its economy.

I pledge to represent these priorities to the benefit of all Oregonians; to support the voiceless majority who are overlooked and taken for granted in today's political process, because I am one of you!

Oregonians are disenchanted with politics as usual. I offer fresh ideas and business skills with the conviction and leadership to make a difference. I am not a career politician. I am a business leader - ready to serve my state.

### FRED GRANUM: MY APPROACH TO GOVERNMENT

Last session, the legislature voted to increase taxes instead of controlling spending. That's wrong. Oregon taxpayers need a leader who will cut waste to balance the budget. I'll see that our government does more with what it has – and not raise taxes.

### FRED GRANUM: MY PRIORITIES

I am committed to fiscal responsibility, protecting the people's voice and common-sense land use.

#### Fiscal responsibility means:

- Identifying and cutting waste to balance the budget
- Demanding fiscal accountability
- Running the Secretary of State's office with small business efficiency

#### Protecting the people's voice means:

- Protecting the rights of all citizens to fairly access and use the ballot initiative process
- Ensuring fair elections and redistricting free of partisan politics

#### Common-sense land use means:

- Balancing the management and use of state lands and natural resources

### FRED GRANUM: COMMON SENSE

"After 19 years of Bill Bradbury in state government, it's time for a change. I am an outsider who will bring independent business experience and leadership to government. ## Attorney General

**Paul  
Connolly**

**Occupation:** Attorney specializing in representing small businesses and family farms.

**Occupational Background:** Private practice, 19 years; 10 years state and federal government practice,

management and policy positions.

**Educational Background:** JD, Georgetown University Law Center; AB, Assumption College.

**Community Service:** Founder, Blanchet School; youth soccer and basketball coach; Chair, Morningside Neighborhood Association.

**Family:** Married 20 years; three daughters.

### PAUL CONNOLLY - A FAIR VOICE - A SAFER OREGON

Dear Fellow Oregonian,

The choice you make for Attorney General is a very important one – it will impact both your rights and your future safety.

Justice should not be limited to those who can afford to pay high-priced fees. I have practiced law for over 19 years, bringing justice to farms, ranches, and small businesses across the state.

As an attorney and counselor, I have dedicated my life to strengthening and protecting Oregon's small businesses and family farms. As Oregon's chief prosecutor and law enforcement officer, I pledge to defend your rights and protect your safety. You should expect no less.

We are getting less, however. Crime is up and our quality of life is down. It's easy to see that meth and identity theft are ravaging our communities.

Despite the economic squeeze on our schools, our health care and our police, the present Attorney General has swollen his agency's budget, doubling spending in just a few short years. Yet ask yourself, are we safer today than we were four years ago?

Our world and our state are very different places today. It will take strong leadership and vision to ensure the safety and security of each Oregonian. I ask for your support and your vote so that together we can create equal protection and equal justice for all.

**Limiting Taxes and Government Spending**

Just like Oregon's citizens, state government needs to hold the line on spending when times are tough. Al Pearn understands that limiting government spending and taxes on Oregonians puts more money in their pockets for the things they need. Al Pearn wants state government to be more accountable with dollars they receive.

**Education for Our Children**

Al Pearn believes that our state's future is tied to the quality of our educational system. Whether it's K-12 or our colleges and universities, we need to make education a priority and fund it responsibly. Our children's education is too important to be a bargaining chip when budgets are tight.

**Natural Resources and Agriculture**

Al Pearn knows that natural resource issues on the coast are unique and need to be treated as such. You can't understand those issues unless you live here and know the people and the land. Al believes in responsible resource management and thinks that policy should be based on sound science, not political expediency.

To whom it may concern;

It is my desire to serve in the Oregon legislature representing the first district. My hope is to impart ideas of a positive and intelligent nature to government in Oregon. Following is a synopsis of goals.

- (1) The elimination of the Bicameral legislature and replace it with a Unicameral legislature. This will eliminate a multitude of evils that now exist in the present system. One of which is the juvenile factionalism rampant in both houses.
- (2) The abolition of the state income tax and the state property tax. Instead, a sales tax across the board. There would be exemptions for medicines, hospital, doctors and all ancillary needs and services. The property tax would be by county option.
- (3) What drives business away and stifles growth is the obscene regulations by government and the interference of business to conduct their business which means jobs.
- (4) A hard look at all government bureau's with the intent to reduce the tax eating monster.
- (5) An audit of all state investments which generate revenue.
- (6) A look at the total bonded indebtedness of our state.

That is a start for a true reform of government in Oregon. To get the dance to begin I need your help and vote! Remember the wise words of our ancestor "Because you have no interest in government does not mean that government has no interest in you". VOTE! Thank you.

**Educational Background:** Lewis and Clark College, Portland, 1968-1971, history major.

**Prior Governmental Experience:** Coos County commissioner, January 2001 --.

I've worked hard the past three years as your county commissioner for the economic recovery of our community.

Most of the decline in our well-being began more than a decade ago through the misapplication of state and federal law and policies. It did little to actually enhance protection of our beautiful environment. It just cost us family-wage jobs in forest products, fishing and agriculture, cut school enrollment because younger families had to leave to find work, and closed businesses.

The issues are complicated, buried in thousands of pages of regulation and plans. There is no easy route. I've understood the issues for years because I was a reporter, with the benefit of a prior career in a major industry in this county. Good news reporting involves listening, questioning, research and focusing on facts – the same characteristics that have made me an effective commissioner for the people of Coos County.

I currently work over 60-hours average weekly on your behalf. I read and research most weekends and evenings to prepare for collaborative forums with state and federal officials. By being prepared, I'm able to help them discover alternatives to implementing regulations and policy in ways that keep jobs and family well-being closer to the forefront.

Adding additional patrol deputies to answer emergency calls had been a priority. Two additional deputies have been hired and two more are planned in the next budget.

### Fiscal Responsibility

The county no longer needs to borrow money to operate from July to November. A financial plan was developed and adequate cash reserves are now in place. County owned assets are being improved and maintained after many years of neglect. Departments are no longer allowed to overspend their budgets.

### Leadership

Marlyn is a leader that leads by example. Hard work, good communication and cooperation are parts of her leadership style. No lone commissioner can make a difference without one or two other commissioners in agreement. Marlyn has worked with departments, like public health, by putting together a team of talented people to suggest ways to improve the services and lessen the costs. The first reorganization was very successful and was carried out as planned and recommended. The department is providing improved services while still being fiscally responsible.

Supporting public safety will be my major emphasis due to the rural nature of our county. With the increases of the drug trade and the manufacturing of illegal substances, we must place additional resources and funding to protect our residents. Drug use leads to a wide variety of illegal activities, from personal property theft to identity theft. Without a strong law enforcement presence, Curry County will become a safe haven for the drug trade.

The commission must take an active role in supporting the communities and unincorporated areas in the county to meet their goals. I am committed to assist all communities, boards, commissions and agencies within the county to make our part of the state of Oregon a better place to live.

The Oregon Supreme Court has systematically subverted the people's constitutionally-reserved initiative power. Such subversion must stop.

Without written decisions from the courts, we cannot know how the law is being applied. On appeals of decisions from below, Oregon appellate courts must neither affirm without opinion nor deny review without explanation. Oregon's Bill of Rights, section 10.

The separation of government powers required by Article III, section 1, of the Oregon Constitution has been systematically ignored. The legislature and the people decide what the law is. The executive executes the law. Courts apply the law to the facts to decide particular cases. Too often, the judicial power has been misused to create law. This must cease!

Justice delayed is justice denied. Every case should be decided and explained in writing within 60 days of oral argument.

I shall take, subscribe, and transmit my oath of office to the Secretary of State before I begin my service. My oath will be the oath specified in the Oregon Constitution and none other.

I'm a Christian. I'm a husband. I'm the father of two children. My faith, religion, and family are extremely important to me.

Because there shall be no religious test for any Oregon office, don't vote for me (or against me) because I am Christian. Vote for me because I will give the plain meaning of the law's words full force and effect. So help me God.

**Qualifying experience:** Virginia Linder began her legal career as an Assistant Attorney General in Oregon's Department of Justice. In 1986, former Attorney General Dave Frohnmayer appointed her to be Oregon's first woman Solicitor General. She was the state's "chief appellate lawyer" and oversaw the work of more than 30 appellate attorneys in the Attorney General's office. She also personally handled appeals in the Oregon Court of Appeals, in the Oregon Supreme Court, in the federal Ninth Circuit Court of Appeals, and in the United States Supreme Court. She was Oregon's longest serving Solicitor General. In 1997, she was appointed to the Oregon Court of Appeals, and then was elected to that position in 1998.

Dear Voter:

If you want change in Salem, vote for me. I know firsthand how families struggle to make ends meet. I also know firsthand the trauma of losing a job when a plant closes. I can make a difference in our state government.

Judges should only interpret the law, not make social policy. I believe in simple, straightforward principles: The greedy should not profit from their wrongdoing. The strong should not victimize the weak. The guilty should be punished justly.

A large part of my life has been devoted to working to protect our nation's security. I firmly believe that our personal liberties are essential to the strength and survival of our country. I will never allow our rights to be taken for granted or to be eroded by politicians who prey upon our fears.

Our racial, economic, gender, religious and cultural differences also strengthen our country. Though these differences sometime seem to divide us, I believe that each person is equal before the law and each person has a right to justice.

Please vote for me.

## Vote-by-Mail

### What is Vote-by-Mail?

Vote-by-mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

### As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 4, 2004. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated drop site.

### What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at drop site locations elsewhere in your county. For further information, call your county elections official.

### What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

### What if I have moved and have not updated my registration?

If you were registered to vote by April 27 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

### Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated drop site in the state. The times and locations of drop sites are available at your county elections office.

### How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 37¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

### When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated drop site by 8:00 p.m. on election night.  
Postmarks do not count!

### How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

### Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

### What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8:00 p.m. on May 18, the ballot will not be counted.

### Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

### When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8:00 p.m. election night and will continue to be updated through election night until all ballots have been counted.

## Voters with Disabilities

If you are unable to vote your ballot without assistance because of a physical disability or because you are unable to read or write, contact your county elections official. They will provide two persons to assist you in voting. In order to assure the county receives your voted ballot by election day, contact your county elections office early to arrange for assistance. You may also select someone else of your own choice to assist you.

A cassette edition of the Voters' Pamphlet is available for Oregonians who cannot read standard print due to a visual or physical disability. To order a cassette of the Voters' Pamphlet, please contact Independent Living Resources at 503-232-7411.

## Primary Elections

At the May Primary Election, the two major political parties (Democratic and Republican) nominate candidates to appear on the General Election ballot.

In 2004, Oregon's Democratic and Republican parties have chosen to nominate their candidates in a "closed primary" election. In a "closed primary" election only persons who are registered members of a major political party may vote the ballot of that political party.

Persons registered as not affiliated with a political party will receive a ballot with measure and nonpartisan candidate information.

## Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 13. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by election day, Tuesday, May 18, 2004.

### Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

I am the only candidate with extensive prosecution experience. I know the frustration a prosecutor feels when it is difficult to convict the guilty, or when sentences seem soft, but I also defend people in criminal cases, and I know the fright a person feels when the person is accused of a crime.

I have broad legal experience. I represent people in divorces, custody disputes, property disputes, issues with government regulation, and debt problems.

I have been practicing law in Roseburg since 1975. I am proud that my fellow lawyers have made me an AV rated lawyer. That is the highest rating with the Martindale-Hubbell lawyer referral system, under which lawyers in a community anonymously rate one another for skill and ethical standards.

I am in my third term on the Roseburg School Board. I am chair of the board for Umpqua Homes for the Handicapped. I am on the endowment committee for Faith Lutheran Church and I am on the board for the Friendly Kitchen.

I have been married to Susan Tanabe since 1975. We have three children who have all graduated from Roseburg High School.
