BILL BRADBURY
SECRETARY OF STATE

PADDY J. McGUIRE
DEPUTY SECRETARY OF STATE

JOHN LINDBACK
DIRECTOR

141 STATE CAPITOL
SALEM, OREGON 97310-0722
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making under the federal Help America Vote Act. The goal of the Help America Vote Act is to make voting systems more reliable and voting information more accessible.

There is a new page in the voters' pamphlet, which explains how to fill out your ballot and how to request a replacement ballot if you make a mistake. We've also created a toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 that you can call if you have any questions about your ballot or about voting. These new federally funded services make it easier than ever to vote. You may also note some changes in the design of your voters' pamphlet. We are continuing to revise the voters' pamphlet to make it more usable for voters and less expensive to produce.

If you are registering to vote for the first time or re-registering, please use the new voter registration card, available online at www.OregonVotes.org, or request a registration card by mailing in the form in this pamphlet. If you are registering for the first time, you must register by April 27 to participate in this election.

For those of you who are already registered to vote, I urge you to return your ballot so that it is received by May 18. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

In commemoration of the bicentennial anniversary of the Corps of Discovery, the cover features a "Peace and Friendship" medal such as those carried by explorers Lewis and Clark and presented to Native American chiefs that they met during their journey. The image shows a peace pipe and a tomahawk over clasped hands. By working together, we can all renew the medal's promise of peace and friendship.

Best wishes,

Bill Bradbury
Oregon Secretary of State

On the cover: This Jefferson Peace Medal is of the same period as the ones presented by the Lewis and Clark Expedition to leaders of the many native American nations the Corps of Discovery encountered nearly two hundred years ago. The reverse of the medal carries a portrait of President Thomas Jefferson, sponsor of the expedition. The medal is from the private collection of Roger Wendlick. General Information

Voters' Pamphlet

Your official 2004 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2004 Primary Election ballot.

In the primary election, candidates are divided into three sections; Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2004, Democratic candidates appear first.

All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

Miscellaneous voting aids, including drop site locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Pursuant to ORS 254.155, the Secretary of State is required to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2004 Primary Election is:

R, E, Z, M, T, G, F, Y, N, C, Q, L, U, X, K, B, J, W, D, P, I, O, S, V, H, A

Website

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide on the World Wide Web at www.sos.state.or.us/elections/may182004/may182004.htm

Español

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 13. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by election day, Tuesday, May 18, 2004.

Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

Duties and Responsibilities of Democratic Precinct Committeepersons

A message from the Democratic Party of Oregon Chair Jim Edmunson:

The tragic events of September 11th provided a sober reminder of how precious a safe, free and democratic society is. In its wake, the world united behind us and Americans came together with a renewed sense of commitment to the common good. Unfortunately, President Bush abused the public's trust and squandered this historic opportunity by pursuing a polarizing, partisan agenda that has divided Americans and alienated international allies. Along the way, 3 million American jobs were lost or "outsourced", a \$5.6 trillion surplus was replaced by record deficits, and health care is out of reach to too many families.

Democrats offer a different, more optimistic future. Democrats seek an America inspired by the vision of John F. Kennedy that values opportunity, community, loyalty, and patriotism. Opportunity starts with a strong public education system that truly leaves no child behind and paves the road to living wage jobs. Community is bound by our belief that the Constitution applies equally to all citizens regardless of race, creed, color or sexual orientation. Loyalty is reflected in Democrats' commitment that middle class families should be rewarded and not abandoned in favor of tax giveaways to the super rich and multinational corporations. Patriotism is not owned by John Ashcroft or Dick Cheney; it is embodied by all Americans who stand up for what is right, especially in the face of adversity.

Fellow Democrats, the time is now to take back America. Please join me in serving as a **Democratic Precinct Committeeperson**. As a precinct leader, you have the power to effect change. There has never been an election where grassroots involvement has been more important. Your activism is our best counter to the Republicans' unprecedented war chest. Better than any television ad, neighbor to neighbor contact will decide this election.

The Republicans' sorry record in Salem and Washington is clear, but we must not depend on others to hold them accountable. We know they will stop at nothing to reinvent history and to prey on voter's fears. This administration refuses to accept responsibility for mistakes and is determined to silence critics. Ignorance is the enemy of freedom and liberty, but let us also recognize the comfort it finds in the shallow forums of right wing radio and biased cable news organizations. A strong army of Democratic precinct leaders is essential to ensure that truth and justice prevails this November.

Key Issues:

- **Jobs** – The single most important issue. Democrats will restore economic principles that yielded balanced budgets and unprecedented economic prosperity. Bush owns the worse job creation record since the Depression yet supports policies that reward companies for moving jobs overseas.
- **National Security** – Kerry is a certified war hero who will restore America's credibility; Bush can't be trusted after misleading Americans on Iraq.
- **Health Care** - Affordable health care accessible to all must be a right, not a privilege.
- **Education** - No more cuts to Oregon classrooms; Invest in lifetime education incentives and job retraining programs.
- **Environment** – Protect treasured public lands and lead sustainable resource practices.

On behalf of the Democratic Party of Oregon, thank you for your interest, I applaud your dedication, and I look forward to working together as we march to victory in November!

Respectfully,
Jim Edmunson, Chair

John F. Kerry
Democrat

Occupation: United States Senator.

Occupational Background: United States Navy, 1966-1970; Assistant District Attorney, Middlesex County, Massachusetts, 1976-1979;

Attorney, 1979-1982; Massachusetts Lieutenant Governor, 1983-1984; United States Senator, 1985-present.

Educational Background: Yale University, B.A.; Boston College Law School, J.D.

Prior Governmental Experience: Massachusetts Lieutenant Governor, 1983-1984; United States Senator, 1985-present.

John Kerry is running a campaign to change America. He is fighting to bring back jobs and prosperity and he will lead us to a safer, stronger America. George Bush has taken us in the wrong direction because he cares more about special interests than about the needs of ordinary Americans.

John Kerry will stand up to the special interests. In his first 100 days as President, he will:

Roll back George Bush's tax cuts for the wealthiest Americans so we can invest in education and health care;

Repeal every tax break and loophole that rewards corporations for sending American jobs overseas. And he will provide new manufacturing incentives that reward good companies for creating and keeping good jobs at home;

Take on the health insurance companies to lower costs and make affordable healthcare available to every American;

Stop polluters from weakening the Clean Air Act and stand up to the oil companies to make America independent of Mid East oil; and

Declare an end to George Bush's go-it-alone foreign policy, win the peace in Iraq, and make America safer, stronger, and more secure.

Hardworking families in Oregon are hurting because George Bush has favored tax cuts for the wealthy and special favors for the special interests over what's fair for middle class Americans. This Administration's motto really should be "no special interest left behind." But Oregon's working families are getting left in the dust.

As a decorated Vietnam War veteran, a local prosecutor, and a United States Senator, John Kerry has put his country first. And as our next President, John Kerry will put America back on track.

Dennis J. Kucinich
Democrat

Occupation: U.S. Congressman, Ohio

Occupational Background: U.S. Congressman; Ohio State Senate; Mayor of Cleveland; Municipal Court Clerk;

Cleveland City Council

Educational Background: B.A., M.A., Case Western Reserve University

Prior Governmental Experience: U.S. Congressman; Ohio State Senate; Mayor of Cleveland; Municipal Court Clerk; Cleveland City Council

I am running for President to inspire America to take a new path, a different direction. I envision an America which has the capacity to reconnect with the heart of the world; an America which proceeds in the world optimistically and courageously; an America which understands that the world is interdependent, that it is inter-connected.

I am running for President to break the shackles of fear which have deprived our citizens of rights. I am running for President to change the way this country values humanity, so that instead of fear and lies, we can live our lives based on principles of peace and hope. We need to regain the trust of the American people and we need to have a government which trusts the American people.

It is time for America to resume its glorious journey; time to reject shrinking jobs and wages, disappearing savings and rights; time to reject the detour toward fear and greed. It is time to look out upon the world for friends, not enemies; time to counter the control of corporations over our politics, our economy, our resources, and mass media. It is time for those who have much to help those who have little by maintaining a progressive tax structure. It is time to tell the world that we wish to be their partner in peace, not their leader in war. Most of all, it is time for America to again be the land where dreams come true because the government is on the side of its people.

Together, we can change our nation, and, as Tennyson wrote and my political hero Robert Kennedy always said, we can seek a newer world.

THE VOTER IS NEXT IN THE ARENA

by Lyndon H. LaRouche, Jr.
Sunday, February 22, 2004

Many voters choose their candidates the way they choose to cheer for a sports figure in the arena. Soon, that will change. We are on the edge of a collapse of present world monetary-financial system, a collapse more dangerous than what President Franklin Roosevelt faced in March 1933, whether President Bush is willing to face that reality, or not. You, the voter, personally, are in the arena.

In the meantime, Senator John Kerry and I will soon be the only major Democratic candidates who will be left standing. It is important that he and I now begin to face off in constructive debates on the policies which the next President will be facing this coming January. It will be a friendly debate, but a very serious one. The economic policy you choose will be crucial.

Although the present world economic crisis is worse than in 1933, the philosophy of President Franklin Roosevelt is a model for the only sane alternative available to the U.S. now. My policies are detailed, and on my campaign website: www.larouchein2004.com. You are in the arena of a world economic crisis. Don't be a sidewalk superintendent. Act in this election as if your personal future depended upon it. It does.

Occupation: U.S. Senator

Occupational Background: Former Director, Oregon Legal Services for the Elderly; Co-founder, Oregon Gray Panthers; University Instructor

Prior Governmental Experience: Congressman, 1981-1996; Oregon Board of Examiners of Nursing Home Administrators, 1977-79

STANDING UP FOR ALL OF OREGON

When I first ran for the U.S. Senate, I promised to stand up and fight for all the people of Oregon. I've worked hard to keep that promise. After listening to your ideas in open town meetings in every Oregon county, every year, here is some of what we achieved:

- * We uncovered rampant government waste and wrote the laws to cut it, carving \$1.8 billion of waste from the Iraq reconstruction plan, and putting a stop to sweetheart, single-source, federal contracts that squandered countless taxpayer dollars.
- * We brought 1,300 Oregonians together at the "Oregon Economic Summit" to chart a bipartisan course for a sounder economic future. Transportation is vital to that future, and on my watch, Oregon will receive \$474 million in federal transportation funding for next year alone. I also wrote the "county payments" legislation that is bringing Oregon over \$1 billion for schools and roads, and secured critical funding to establish Oregon as a jobs leader in the field of nanotechnology.
- * We didn't back down when powerful interests threatened our state. I stopped federal efforts to overturn Oregon's physician-assisted suicide law. I exposed the oil companies that manipulated gas prices to their highest levels ever. As the former co-director of the Gray Panthers, I am a leader in the effort to stop the privatization of Social Security.

We have accomplished much, but there is so much more to do. Representing Oregon in the U.S. Senate has been the greatest privilege of my life. I'm proud that you've asked me to stand up for you, and now I'm asking you to stand with me in this election.

I'm not a Democrat. I'm an Independent voter and Voting Rights Advocate. I'm a candidate in this private Democratic primary because it isn't private. Everything needed to conduct this primary is heavily subsidized or paid for outright with public money.

I qualified as a Democratic candidate for this office by paying a \$100 fee. I then paid a \$1000 fee to have this statement distributed to approximately 1,500,000 homes statewide at taxpayer expense. As a Democrat I was not required to collect signatures to qualify as a candidate and assuming 10 cents printing/postage per item, this statement is worth \$150,000. The election ballots are also printed and mailed at taxpayer expense, and county clerks tally the votes.

In contrast, Independent (non-affiliated) candidates for this same office are required to collect over 15,000 signatures to qualify as candidates. Even then, Independents are not allowed statements in the primary voters' pamphlet. Oregon elections are based on a "separate but equal" doctrine: Democrats and Republicans are subsidized while signature requirements are imposed on Independents. For statewide partisan office, there are four separate candidate-qualification standards based on party affiliation.

We need a preliminary election to weed out candidates before the general election, but public elections must be open to all candidates and voters on an equal basis. A single nominating election where all candidates for each office compete regardless of party affiliation. All voters are allowed to participate and only the top two candidates for each office advance to the general election. Political parties may endorse candidates at private functions prior to this election, but these events must be conducted and financed by the political parties.

The Supreme Court will eventually strike down partisan elections in Oregon because basic civil rights are violated. We can't have democracy without free elections and we don't have free elections in Oregon.

We Oregonians are facing a difficult task. We're supposed to provide a decent education for our kids, affordable health care, and help create meaningful jobs that deliver a living wage - and all this is supposed to be accomplished in the middle of a down economy with high unemployment. Tough job? No kidding.

How are we supposed to go about it?

For starters, we must all pull together. We're going to have to listen to each other carefully and do some creative thinking. There are solutions to these problems, but we're going to have to learn about the Art of Compromise to give them a chance. The politics of "Over my dead body" and "My way or the highway" that have brought us to this place will have to be set aside while we work for the greater good. Together, we will:

- Strengthen our economy by providing a business climate that supports job creation;
- Stabilize funding for our schools and ensure that dollars go to the classrooms,
- Create solutions to issues that are important to Senate District 12, such as affordable health care for our seniors, maintaining safe neighborhoods, and improving our roads.

It's a tough job, but I know we can do it. And I know I can help. I understand the nuts and bolts of the legislative process. I can work across party lines, and I'm committed to the issues that are important to Senate District 12.

PHIL BARNHART FOR STATE REPRESENTATIVE PAINTING A BRIGHTER FUTURE FOR OREGON

Putting Our Children First: Phil supported funding for early childhood education programs and legislation to cap classroom size (HB3667). During the state's budget crisis, Phil fought for adequate funding for schools, health care and public safety.

Keeping Our Families Healthy: Dr. Barnhart sought legislation for prenatal care (HB2662), universal health care (HB2741) and family leave benefits (HB3080). Phil fought against bills to give government control of women's reproductive choices.

**County Commissioner
Linn County, Position 3**

Michael W. Martin
Democrat

Occupation: Adjunct Instructor of Business, Western Oregon University, Monmouth, OR

Occupational Background: Adjunct Instructor of Business, Oregon State University, Corvallis, OR; Financial Analyst,

Tektronix, Beaverton; Exploration Manager, MAPCO, Billings, Montana

Educational Background: BS University of Missouri; MA University of Missouri; MBA Oregon State University

Prior Governmental Experience: Linn County Agricultural Stabilization and Conservation Service Committee, USDA

Professional Certification: Registered Geologist in State of Oregon

Born in Missouri. Worked in Montana and Colorado. Resident of Oregon for over 20 years and Linn County for 15 years. Former woodlot owner and current owner of a small farm cultivated for grass seed. Both places located in Linn County. Earned rank of Eagle Scout in the Boy Scouts of America. Married to Patricia Martin, a special education teacher at Seven Oak Middle School in Lebanon, OR.

My objectives as Linn County Commissioner:

1. Increase efficiency in county government through the application of principles business has utilized for years. Bureaucracy is inefficient, stifles worker creativity and wastes resources. New methods of management must be adopted for change to occur. It is the responsibility of management to provide a work environment that is efficient and best utilizes the talents of its workers.
2. Provide services at a reasonable cost. Taxpayers want government to cost less. This does not have to mean reduced services. Instead, county government must be more creative in finding ways to provide services that citizens of Linn County want, without increasing taxes.
3. Solicit input from all citizens of Linn County. County government needs to be more active in inviting public input.
4. Adopt an open approach to governing. All information concerning county government decision making and spending that can legally be disclosed should be available for public scrutiny. These disclosures should use media that is easy for citizens to access and in a form that is understandable.

Vote for change. Vote Michael Martin for Linn County Commissioner.

Duties and Responsibilities of Republican Precinct Committeepersons

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. Precinct Committee Persons (PCP) “put a face” on the party in their neighborhoods and communities, attend regular meetings of their county Republican central committee helping to set the party agenda in the county and help to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership in your county, the state and nationally, you will help select your county leadership or may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to distribute campaign materials in your precinct. Or, you may be asked to arrange a coffee for a candidate to meet your neighbors. It is up to you as to how you reach out to people in your neighborhood.

PCPs should feel comfortable with these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

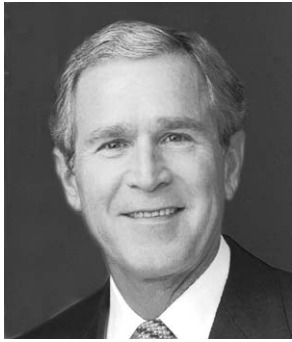

This fall, Oregon Republicans will work to re-elect President George W. Bush. We will also campaign to expand our representation in both chambers of the Oregon Legislature, send new Republican representatives to the United States Congress and Senate, and elect a Republican state Treasurer, Attorney General and Secretary of State. PCPs will have key roles in bringing about these victories.

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. You may send e-mail to info@orgop.org or visit our website at www.orgop.org

We look forward to hearing from you and hope you will join the team!

Dear Oregonian:

These historic times of change require steady leadership. I have an optimistic vision and agenda that will move America forward toward greater prosperity, greater security, greater freedom and greater compassion.

Come November, voters are going to have a very clear choice.

It's a choice between keeping the tax relief that is moving this economy forward – or putting the burden of higher taxes back on the American people.

It's a choice between an America that leads the world with strength and confidence – or an America that is uncertain in the face of danger.

It's a choice between two visions of government: a government that encourages ownership and opportunity and responsibility – or a government that takes your money and makes your choices.

In a post 9-11 world, we as Americans understand how great events affect a nation and our world. Great events will turn on this election. Our next President will set the course of the war on terror and the direction of our economy. The security and prosperity of America are at stake.

Unlike my opponent, I will leave no doubt where I stand on the nation's priorities. I continue to take on the big issues with strength, resolve, and determination – and I stand ready with a positive agenda to lead our nation for another four years.

Sincerely,
George W. Bush

"MAKE OREGON WHOLE"

From Enterprise to Vale to Lakeview to Coos Bay and Portland, we have high unemployment, business slow downs and shut downs and our school are in a funding crunch. The pain is often greater in small towns than in bigger ones.. No one person can fix everything, but I believe I can help. Outsourcing good jobs over seas has to stop. Businesses need more reasons to stay here, grow and put more Oregonians to work in small towns and cities. Family farms and ranchers need stability in changing market conditions. Schools, including vocational programs, need funding. If low-income housing is needed, build it for truly low-income residents, including qualifying seniors.

I support President Bush's State of the Union agenda in the fight against terrorism, but I question using National Guard and reserve troops for sustained wars. Oregon citizens are paying too high of a price for their country. Our full-time military needs expanding now.

Ron Wyden has never worked in business but I have. Help me defeat him so I can work with you to **"make Oregon whole"** again.

I'm **Al King**. While Vice Chairman of the Oregon Republican Party, I became acutely aware of how desperately Americans of all affiliations are for a voice of impact in National issue politics.

Powerful forces of Big Business and International Corporations on one hand, and Socialist movements and their agendas on the other, have diverted this nation from emphasizing and preserving the important priorities that enabled our country's greatness.

We risk our sovereignty, security, and ultimately our freedoms unless we correct the course. This will require election of representatives whose priority and commitment is to the preservation of our nation as a place where citizens enjoy a high standard of living in a country that secures its borders, its jobs and its economy.

I pledge to represent these priorities to the benefit of all Oregonians; to support the voiceless majority who are overlooked and taken for granted in today's political process, because I am one of you!

Prior Governmental Experience: First Lieutenant, U.S. Army

Community Involvement: President, Learning for Life, Cascade Pacific Council – provides life skills training to underprivileged children

FRED GRANUM: A NEW LEADER

Oregonians are disenchanted with politics as usual. I offer fresh ideas and business skills with the conviction and leadership to make a difference. I am not a career politician. I am a business leader - ready to serve my state.

FRED GRANUM: MY APPROACH TO GOVERNMENT

Last session, the legislature voted to increase taxes instead of controlling spending. That's wrong. Oregon taxpayers need a leader who will cut waste to balance the budget. I'll see that our government does more with what it has – and not raise taxes.

FRED GRANUM: MY PRIORITIES

I am committed to fiscal responsibility, protecting the people's voice and common-sense land use.

Fiscal responsibility means:

- Identifying and cutting waste to balance the budget
- Demanding fiscal accountability
- Running the Secretary of State's office with small business efficiency

Protecting the people's voice means:

- Protecting the rights of all citizens to fairly access and use the ballot initiative process
- Ensuring fair elections and redistricting free of partisan politics

Common-sense land use means:

- Balancing the management and use of state lands and natural resources

FRED GRANUM: COMMON SENSE

"After 19 years of Bill Bradbury in state government, it's time for a change. I am an outsider who will bring independent business experience and leadership to government. I will cut waste – not raise taxes – to restore fiscal responsibility and credibility to state government. I would be honored with your vote."

PAUL CONNOLLY - A FAIR VOICE - A SAFER OREGON

Dear Fellow Oregonian,

The choice you make for Attorney General is a very important one – it will impact both your rights and your future safety.

Justice should not be limited to those who can afford to pay high-priced fees. I have practiced law for over 19 years, bringing justice to farms, ranches, and small businesses across the state.

As an attorney and counselor, I have dedicated my life to strengthening and protecting Oregon's small businesses and family farms. As Oregon's chief prosecutor and law enforcement officer, I pledge to defend your rights and protect your safety. You should expect no less.

We are getting less, however. Crime is up and our quality of life is down. It's easy to see that meth and identity theft are ravaging our communities.

Despite the economic squeeze on our schools, our health care and our police, the present Attorney General has swollen his agency's budget, doubling spending in just a few short years. Yet ask yourself, are we safer today than we were four years ago?

Our world and our state are very different places today. It will take strong leadership and vision to ensure the safety and security of each Oregonian. I ask for your support and your vote so that together we can create equal protection and equal justice for all.

Prior Governmental Experience: California Police Officer 1986-1998; Salem Police Officer 1998-Present.

As a public official, I have always believed the best interests of the public must be placed first and foremost by those appointed or elected to serve them. No public official can be allowed to use his/her position for personal gain, self-promotion or for their own special-interest missions.

What I believe in and will stand for

- Government’s primary function is to protect its people and their property.
- Public safety, education and other essential services are my top priority. These items should be the first things budgeted out of the general fund, before any special-interest projects. Measure 30 was simply bad legislation.
- I am pro-life.
- Oregon has become a state with one of the highest property crime rates in the nation. We must get tougher on crime and send a clear message to criminals to either change their ways, or to get out of Oregon.
- The welfare system must be reworked. These programs were designed for the truly needy, not for those who choose not to work, nor contribute to society.

Mission Statement

Oregon needs solid and committed leadership in the Legislature. We don’t need empty promises from politicians who have their own agendas in mind, instead of what is best for Oregon. We need leaders who will stand up for what is right for Oregonians and listen to them when it comes to running our state. If I am elected as the State Representative for District 23, I will do exactly that. I am committed to continuing to serve the people of Oregon to the best of my ability.

General Information

Vote-by-Mail

What is Vote-by-Mail?

Vote-by-mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 4, 2004. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated drop site.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at drop site locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by April 27 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated drop site in the state. The times and locations of drop sites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 37¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated drop site by 8:00 p.m. on election night.
Postmarks do not count!

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8:00 p.m. on May 18, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8:00 p.m. election night and will continue to be updated through election night until all ballots have been counted.

Voters with Disabilities

If you are unable to vote your ballot without assistance because of a physical disability or because you are unable to read or write, contact your county elections official. They will provide two persons to assist you in voting. In order to assure the county receives your voted ballot by election day, contact your county elections office early to arrange for assistance. You may also select someone else of your own choice to assist you.

A cassette edition of the Voters' Pamphlet is available for Oregonians who cannot read standard print due to a visual or physical disability. To order a cassette of the Voters' Pamphlet, please contact Independent Living Resources at 503-232-7411.

Primary Elections

At the May Primary Election, the two major political parties (Democratic and Republican) nominate candidates to appear on the General Election ballot.

In 2004, Oregon's Democratic and Republican parties have chosen to nominate their candidates in a "closed primary" election. In a "closed primary" election only persons who are registered members of a major political party may vote the ballot of that political party.

Persons registered as not affiliated with a political party will receive a ballot with measure and nonpartisan candidate information.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 13. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by election day, Tuesday, May 18, 2004.

Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

1991; Law Clerk Idaho Court of
Appeals 1987-1989.

Educational Background: University of Idaho JD; Arizona State University BS

Prior Governmental Experience: Idaho Deputy Attorney General; Idaho Court of Appeals

The Oregon Supreme Court has systematically subverted the people's constitutionally-reserved initiative power. Such subversion must stop.

Without written decisions from the courts, we cannot know how the law is being applied. On appeals of decisions from below, Oregon appellate courts must neither affirm without opinion nor deny review without explanation. Oregon's Bill of Rights, section 10.

The separation of government powers required by Article III, section 1, of the Oregon Constitution has been systematically ignored. The legislature and the people decide what the law is. The executive executes the law. Courts apply the law to the facts to decide particular cases. Too often, the judicial power has been misused to create law. This must cease!

Justice delayed is justice denied. Every case should be decided and explained in writing within 60 days of oral argument.

I shall take, subscribe, and transmit my oath of office to the Secretary of State before I begin my service. My oath will be the oath specified in the Oregon Constitution and none other.

I'm a Christian. I'm a husband. I'm the father of two children. My faith, religion, and family are extremely important to me.

Because there shall be no religious test for any Oregon office, don't vote for me (or against me) because I am Christian. Vote for me because I will give the plain meaning of the law's words full force and effect. So help me God.

re-election to the Supreme Court.

A Tough, No-Nonsense Approach to Crime

munities. Judge Riggs was a Director of the Oregon Judicial
Foundation for Criminal Justice, an organization that educates
judges, attorneys and citizens on the impact of crime on adult
and child victims.

Oregon's Overwhelming Choice

Justice Riggs has earned the support of newspapers, organiza-
tions, community leaders, elected officials and citizens in every
part of Oregon. East, West, North, South – Oregonians support
Justice Riggs.

Oregon's Leaders Endorse Bill Riggs

**"I served with Bill Riggs on the Supreme Court where he has
served with great distinction. He has demonstrated the
qualities Oregonians should look for in a judge: intelligence,
fairness and diligence. He is clearly the most qualified
candidate for this important position."**

Ted Kulongoski

**"I've known Bill Riggs for 25 years, since I served in the
legislature. He is smart, decisive, hardworking and fair. And
he has valuable experience as a sitting supreme court judge
making him the clear choice for this election."**

Prior Governmental Experience: Oregon Department of Justice, 1980-1997

Judge Virginia Linder

Qualifying experience: Virginia Linder began her legal career as an Assistant Attorney General in Oregon's Department of Justice. In 1986, former Attorney General Dave Frohnmayer appointed her to be Oregon's first woman Solicitor General. She was the state's "chief appellate lawyer" and oversaw the work of more than 30 appellate attorneys in the Attorney General's office. She also personally handled appeals in the Oregon Court of Appeals, in the Oregon Supreme Court, in the federal Ninth Circuit Court of Appeals, and in the United States Supreme Court. She was Oregon's longest serving Solicitor General. In 1997, she was appointed to the Oregon Court of Appeals, and then was elected to that position in 1998.

Other professional contributions: In addition to other professional activities, Judge Linder frequently authors legal education materials and speaks on such topics as appellate practice, constitutional law, administrative law, and criminal law. She is a former board member of the Oregon Women Lawyers and remains active in that organization. She also is an adjunct law professor at Willamette University.

Experienced. Hardworking. Professional.

"Virginia Linder is one of the smartest and most hard-working lawyers I have ever known. She is the only person I know whose brief on the merits was so persuasive that the United States Supreme Court reversed the case without even scheduling oral argument. Virginia has a wonderful judicial temperament. She is courteous and collegial, and decisive without being abrasive. She quickly emerged as a leader on a court beleaguered by one of the heaviest caseloads in the nation."

Brockett**
Nonpartisan

Occupation: Lawyer

Occupational Background: I became a lawyer in 1981. As an employee, a small business owner, a CIA officer and a legal counsel for a business that won the Malcolm Baldrige National

Quality Award, I solved difficult, real-world problems. I've worked for the powerful and, more importantly, the weak and vulnerable. My experience and insight also include being a teacher, criminal court magistrate, cook, retail clerk, laborer and CPA.

Educational Background: LL.M. (with highest honors), National Law Center, George Washington University; J.D., Southern Methodist University; B.B.A. (with highest honors, honors program), Southwest Texas State University

Prior Governmental Experience: Central Intelligence Agency; Criminal District Courts of Dallas County, Texas

Dear Voter:

If you want change in Salem, vote for me. I know firsthand how families struggle to make ends meet. I also know firsthand the trauma of losing a job when a plant closes. I can make a difference in our state government.

Judges should only interpret the law, not make social policy. I believe in simple, straightforward principles: The greedy should not profit from their wrongdoing. The strong should not victimize the weak. The guilty should be punished justly.

A large part of my life has been devoted to working to protect our nation's security. I firmly believe that our personal liberties are essential to the strength and survival of our country. I will never allow our rights to be taken for granted or to be eroded by politicians who prey upon our fears.

Our racial, economic, gender, religious and cultural differences also strengthen our country. Though these differences sometime seem to divide us, I believe that each person is equal before the law and each person has a right to justice.

Please vote for me.
