BILL BRADBURY
SECRETARY OF STATE

PADDY J. McGUIRE
DEPUTY SECRETARY OF STATE

JOHN LINDBACK
DIRECTOR

141 STATE CAPITOL
SALEM, OREGON 97310-0722
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making under the federal Help America Vote Act. The goal of the Help America Vote Act is to make voting systems more reliable and voting information more accessible.

There is a new page in the voters' pamphlet, which explains how to fill out your ballot and how to request a replacement ballot if you make a mistake. We've also created a toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 that you can call if you have any questions about your ballot or about voting. These new federally funded services make it easier than ever to vote. You may also note some changes in the design of your voters' pamphlet. We are continuing to revise the voters' pamphlet to make it more usable for voters and less expensive to produce.

If you are registering to vote for the first time or re-registering, please use the new voter registration card, available online at www.OregonVotes.org, or request a registration card by mailing in the form in this pamphlet. If you are registering for the first time, you must register by April 27 to participate in this election.

For those of you who are already registered to vote, I urge you to return your ballot so that it is received by May 18. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

In commemoration of the bicentennial anniversary of the Corps of Discovery, the cover features a "Peace and Friendship" medal such as those carried by explorers Lewis and Clark and presented to Native American chiefs that they met during their journey. The image shows a peace pipe and a tomahawk over clasped hands. By working together, we can all renew the medal's promise of peace and friendship.

Best wishes,

Bill Bradbury
Oregon Secretary of State

On the cover: This Jefferson Peace Medal is of the same period as the ones presented by the Lewis and Clark Expedition to leaders of the many native American nations the Corps of Discovery encountered nearly two hundred years ago. The reverse of the medal carries a portrait of President Thomas Jefferson, sponsor of the expedition. The medal is from the private collection of Roger Wendlick. General Information

Voters' Pamphlet

Your official 2004 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2004 Primary Election ballot.

In the primary election, candidates are divided into three sections; Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2004, Democratic candidates appear first.

All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

Miscellaneous voting aids, including drop site locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Pursuant to ORS 254.155, the Secretary of State is required to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2004 Primary Election is:

R, E, Z, M, T, G, F, Y, N, C, Q, L, U, X, K, B, J, W, D, P, I, O, S, V, H, A

Website

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide on the World Wide Web at www.sos.state.or.us/elections/may182004/may182004.htm

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 13. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by election day, Tuesday, May 18, 2004.

Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

John F. Kerry
Democrat

Occupation: United States Senator.

Occupational Background: United States Navy, 1966-1970; Assistant District Attorney, Middlesex County, Massachusetts, 1976-1979;

Attorney, 1979-1982; Massachusetts Lieutenant Governor, 1983-1984; United States Senator, 1985-present.

Educational Background: Yale University, B.A.; Boston College Law School, J.D.

Prior Governmental Experience: Massachusetts Lieutenant Governor, 1983-1984; United States Senator, 1985-present.

John Kerry is running a campaign to change America. He is fighting to bring back jobs and prosperity and he will lead us to a safer, stronger America. George Bush has taken us in the wrong direction because he cares more about special interests than about the needs of ordinary Americans.

John Kerry will stand up to the special interests. In his first 100 days as President, he will:

Roll back George Bush's tax cuts for the wealthiest Americans so we can invest in education and health care;

Repeal every tax break and loophole that rewards corporations for sending American jobs overseas. And he will provide new manufacturing incentives that reward good companies for creating and keeping good jobs at home;

Take on the health insurance companies to lower costs and make affordable healthcare available to every American;

Stop polluters from weakening the Clean Air Act and stand up to the oil companies to make America independent of Mid East oil; and

Declare an end to George Bush's go-it-alone foreign policy, win the peace in Iraq, and make America safer, stronger, and more secure.

Hardworking families in Oregon are hurting because George Bush has favored tax cuts for the wealthy and special favors for the special interests over what's fair for middle class Americans. This Administration's motto really should be "no special interest left behind." But Oregon's working families are getting left in the dust.

As a decorated Vietnam War veteran, a local prosecutor, and a United States Senator, John Kerry has put his country first. And as our next President, John Kerry will put America back on track.

Dennis J. Kucinich
Democrat

Occupation: U.S. Congressman, Ohio

Occupational Background: U.S. Congressman; Ohio State Senate; Mayor of Cleveland; Municipal Court Clerk;

Cleveland City Council

Educational Background: B.A., M.A., Case Western Reserve University

Prior Governmental Experience: U.S. Congressman; Ohio State Senate; Mayor of Cleveland; Municipal Court Clerk; Cleveland City Council

I am running for President to inspire America to take a new path, a different direction. I envision an America which has the capacity to reconnect with the heart of the world; an America which proceeds in the world optimistically and courageously; an America which understands that the world is interdependent, that it is inter-connected.

I am running for President to break the shackles of fear which have deprived our citizens of rights. I am running for President to change the way this country values humanity, so that instead of fear and lies, we can live our lives based on principles of peace and hope. We need to regain the trust of the American people and we need to have a government which trusts the American people.

It is time for America to resume its glorious journey; time to reject shrinking jobs and wages, disappearing savings and rights; time to reject the detour toward fear and greed. It is time to look out upon the world for friends, not enemies; time to counter the control of corporations over our politics, our economy, our resources, and mass media. It is time for those who have much to help those who have little by maintaining a progressive tax structure. It is time to tell the world that we wish to be their partner in peace, not their leader in war. Most of all, it is time for America to again be the land where dreams come true because the government is on the side of its people.

Together, we can change our nation, and, as Tennyson wrote and my political hero Robert Kennedy always said, we can seek a newer world.

THE VOTER IS NEXT IN THE ARENA

by Lyndon H. LaRouche, Jr.
Sunday, February 22, 2004

Many voters choose their candidates the way they choose to cheer for a sports figure in the arena. Soon, that will change. We are on the edge of a collapse of present world monetary-financial system, a collapse more dangerous than what President Franklin Roosevelt faced in March 1933, whether President Bush is willing to face that reality, or not. You, the voter, personally, are in the arena.

In the meantime, Senator John Kerry and I will soon be the only major Democratic candidates who will be left standing. It is important that he and I now begin to face off in constructive debates on the policies which the next President will be facing this coming January. It will be a friendly debate, but a very serious one. The economic policy you choose will be crucial.

Although the present world economic crisis is worse than in 1933, the philosophy of President Franklin Roosevelt is a model for the only sane alternative available to the U.S. now. My policies are detailed, and on my campaign website: www.larouchein2004.com. You are in the arena of a world economic crisis. Don't be a sidewalk superintendent. Act in this election as if your personal future depended upon it. It does.

STANDING UP FOR ALL OF OREGON

When I first ran for the U.S. Senate, I promised to stand up and fight for all the people of Oregon. I've worked hard to keep that promise. After listening to your ideas in open town meetings in every Oregon county, every year, here is some of what we achieved:

- * We uncovered rampant government waste and wrote the laws to cut it, carving \$1.8 billion of waste from the Iraq reconstruction plan, and putting a stop to sweetheart, single-source, federal contracts that squandered countless taxpayer dollars.
- * We brought 1,300 Oregonians together at the "Oregon Economic Summit" to chart a bipartisan course for a sounder economic future. Transportation is vital to that future, and on my watch, Oregon will receive \$474 million in federal transportation funding for next year alone. I also wrote the "county payments" legislation that is bringing Oregon over \$1 billion for schools and roads, and secured critical funding to establish Oregon as a jobs leader in the field of nanotechnology.
- * We didn't back down when powerful interests threatened our state. I stopped federal efforts to overturn Oregon's physician-assisted suicide law. I exposed the oil companies that manipulated gas prices to their highest levels ever. As the former co-director of the Gray Panthers, I am a leader in the effort to stop the privatization of Social Security.

We have accomplished much, but there is so much more to do. Representing Oregon in the U.S. Senate has been the greatest privilege of my life. I'm proud that you've asked me to stand up for you, and now I'm asking you to stand with me in this election.

Local Results National Leadership

Dear Friends;

The political season is in full swing and the stakes are clear: 2004 will be the most important election in our lifetime.

The visions offered are for a radically different America with profoundly different impacts for our families, the economy, the environment, health care and our role in the world. Much of the challenge today is getting the federal government to follow through on the most basic commitments: education, social security and protecting our communities.

As someone committed to bipartisan problem solving, I'm saddened by how often the Bush Administration and Republican leadership ignore the needs of most Americans for the convenience and profit of a few. From meat inspections to the operation of dirty power plants, too often the public is slighted. The mismanagement of the war in Iraq is another outrageous example, spending extravagantly while short changing the needs of our troops and veterans at home.

It doesn't have to be this way. I'm staying in Congress to meet these challenges at home and abroad, but I need your help. I'd appreciate your vote so that I can continue to work for you. Visit www.earlblumenauer.com for information about my campaign and ways to connect with others who share your concerns. Engage your family, neighbors and people at school or work and talk about the issues. Make your vote count and expand your influence by making sure everyone gets involved.

Despite all the advertising and rhetoric, the most expensive and longest general election campaign in American history will be decided one vote at a time by people like you and me.

Thank you for your support.

Sincerely,
Earl Blumenauer

Prior Governmental Experience: Director, Board of Directors of the Multnomah Education Service District -two terms.

As a U.S. Congressman John Sweeney will pursue these reforms for you:

TAX REFORM, FLAT RATE: A 10% on wages, salaries and commissions;

1% on all other personal income (return on investment, stocks and bonds);

1% on all Businesses.

No exemptions, no deductions, just a low flat rate, that would be fairest to us all!

SOCIAL SECURITY RETIREMENT AT AGE 60: Lowering the retirement age to 60, would do three things:

Make room for the young- they need the jobs.

Create jobs-those who retire could start businesses or just travel. Both options would create jobs. It would give America a younger work force to be more competitive in the World Market Place. Congress talks of raising the retirement age. They have already done it- starting the year 2000, those born after the year 1937, will have to work longer for full benefits. They are now talking about raising it to age 70, for those born after 1969. We must stop the "Age Creep" to match the retirement ages of some countries in Europe, 70 or 75!

TERRORISM: We must fight terrorism wherever it is. But, We must not surrender our civil liberties in the process. We must protect our civil Liberties at all costs!

Memberships: American Legion, Elks, LEAA, MOAA, NRA, and OSSA.

Keeping Jobs Priority #1

I'll work to secure federal investments in infrastructure to get our economy rolling again and put people back to work.

I'll advocate for investments in our workforce and small businesses, and work to promote domestic job creation and to keep businesses in the U.S.

Honoring Our Commitment to Education

I'll fight to give Oregon the federal financial investments and the flexibility it needs to help our children succeed.

"Darlene has fought to fully fund federal education programs and to gain flexibility for local school districts. Her efforts will resolve a large part of Oregon's education budget shortfall."
Tony Crawford, Teacher

Making Health Care and Prescription Drugs More Affordable

I'll work so the Medicare program has the ability to negotiate prescription drugs prices – a common sense business practice that the new Medicare law prohibits.

"Oregon seniors have no better advocate than Darlene Hooley for making prescription drugs more affordable, and for protecting the future of Medicare and Social Security as well as our private retirement plans and health coverage." Verna Porter, Senior

Protecting Consumers from Powerful Interests

I'll fight those who would stop my Country of Origin Food Labeling law from going into effect, a law that benefits consumers as well as our local agricultural economy.

I'll continue to protect financial and medical privacy, and prevent identity theft.

I'll hold corporations and CEOs accountable when they mislead the public and investors, and when they raid employee pension plans.

Standing Up for You As an Independent Voice

I'll fight to keep the promises made to our veterans and those currently serving our nation.

I'll keep our rural communities alive by helping Oregon's small businesses and family farmers.

I'll stand up for you!

Oregon. Independent. Democrat.

In the spirit of Oregon's independent tradition, **ANDREW KAZA** is a Democrat who will stand against those in Congress that serve to further the Bush Administration's policies. As an Oregon native, his political heroes growing up were no-nonsense leaders like Sen. Wayne Morse and Gov. Tom McCall...people whose bold and visionary service match Oregon's rugged uniqueness.

At 44, **ANDREW KAZA** is not a career politician but a respected and accomplished international businessman. He presents a clear alternative to the incumbent Democrat who has made a career out of agreeing with Republicans and conservative ideology.

ANDREW KAZA believes that "President Bush is destroying America's credibility in the world and Oregon cannot afford it. We're increasingly dependent on global trade and goodwill of other countries. This reckless foreign and economic policy is costing Oregon jobs."

A CLEAR CHOICE

ANDREW KAZA is:

- **An accomplished, independent-minded reformer** with no ties to the Washington "establishment" vs. a career politician.
- **A leader in the Oregon tradition** vs. a follower with a voting record that supports the Republicans on Iraq, tax policy, education & more.
- **A progressive** vs. a conservative.
- **A candidate without ties to special interests, lobbyists and big corporate money** vs. an incumbent with a \$1 million war chest, most of it from DC insiders and single-issue groups.

ANDREW KAZA is running to give Democrats in the 5th District a choice in the primary election for the first time since 1996. **He is a leader who can enact real change** on fundamental issues of importance to us all. For more information about our mission, please check out our website at: www.kazaforcongress.org. **PLEASE VOTE KAZA!**

Bill Bradbury
Oregon's Secretary of State

Safeguarding the people's tax dollars

- As Oregon's chief auditor, Bill has identified savings of tens of millions of dollars in over 200 audits
- Operates a fraud, waste, and abuse hotline
- Cracked down on reckless Lottery spending

Ensuring the Integrity of our Elections System

- Eliminated all punch card ballots in Oregon
- Required all recounts to be done by hand with paper ballots
- Aggressively enforced all campaign laws

Protecting Oregon's Natural Heritage and the Common School Fund

- As one of 3 members of the State Land Board, Bill will continually maximize the amount of money distributed to local schools from the Common School Fund.
- Bill has fought to ensure public access and proper management of state lands to ensure environmental values are maintained.

Streamlining government to make it more user friendly.

- During Bill's tenure the business start up fee was reduced from \$440 to \$50, one of the lowest in the nation.
- Creating a "one stop shop" for starting a business

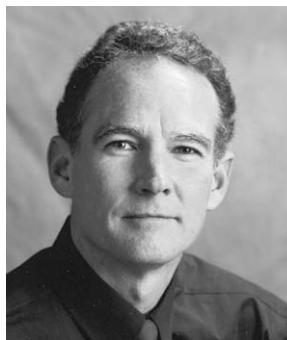

The reason to re-elect Bill Bradbury isn't just about his list of accomplishments. It's about the kind of leader he is.

"Today, politics seems more mean-spirited than it has been and should be. I will use this campaign to emphasize what we have in common, instead of finding ways to divide us. We are, after all, one Oregon."

I'm not a Democrat. I'm an Independent voter and Voting Rights Advocate. I'm a candidate in this private Democratic primary because it isn't private. Everything needed to conduct this primary is heavily subsidized or paid for outright with public money.

I qualified as a Democratic candidate for this office by paying a \$100 fee. I then paid a \$1000 fee to have this statement distributed to approximately 1,500,000 homes statewide at taxpayer expense. As a Democrat I was not required to collect signatures to qualify as a candidate and assuming 10 cents printing/postage per item, this statement is worth \$150,000. The election ballots are also printed and mailed at taxpayer expense, and county clerks tally the votes.

In contrast, Independent (non-affiliated) candidates for this same office are required to collect over 15,000 signatures to qualify as candidates. Even then, Independents are not allowed statements in the primary voters' pamphlet. Oregon elections are based on a "separate but equal" doctrine: Democrats and Republicans are subsidized while signature requirements are imposed on Independents. For statewide partisan office, there are four separate candidate-qualification standards based on party affiliation.

We need a preliminary election to weed out candidates before the general election, but public elections must be open to all candidates and voters on an equal basis. A single nominating election where all candidates for each office compete regardless of party affiliation. All voters are allowed to participate and only the top two candidates for each office advance to the general election. Political parties may endorse candidates at private functions prior to this election, but these events must be conducted and financed by the political parties.

The Supreme Court will eventually strike down partisan elections in Oregon because basic civil rights are violated. We can't have democracy without free elections and we don't have free elections in Oregon.

Duties and Responsibilities of Democratic Precinct Committeepersons

A message from the Democratic Party of Oregon Chair Jim Edmunson:

The tragic events of September 11th provided a sober reminder of how precious a safe, free and democratic society is. In its wake, the world united behind us and Americans came together with a renewed sense of commitment to the common good. Unfortunately, President Bush abused the public's trust and squandered this historic opportunity by pursuing a polarizing, partisan agenda that has divided Americans and alienated international allies. Along the way, 3 million American jobs were lost or "outsourced", a \$5.6 trillion surplus was replaced by record deficits, and health care is out of reach to too many families.

Democrats offer a different, more optimistic future. Democrats seek an America inspired by the vision of John F. Kennedy that values opportunity, community, loyalty, and patriotism. Opportunity starts with a strong public education system that truly leaves no child behind and paves the road to living wage jobs. Community is bound by our belief that the Constitution applies equally to all citizens regardless of race, creed, color or sexual orientation. Loyalty is reflected in Democrats' commitment that middle class families should be rewarded and not abandoned in favor of tax giveaways to the super rich and multinational corporations. Patriotism is not owned by John Ashcroft or Dick Cheney; it is embodied by all Americans who stand up for what is right, especially in the face of adversity.

Fellow Democrats, the time is now to take back America. Please join me in serving as a **Democratic Precinct Committeeperson**. As a precinct leader, you have the power to effect change. There has never been an election where grassroots involvement has been more important. Your activism is our best counter to the Republicans' unprecedented war chest. Better than any television ad, neighbor to neighbor contact will decide this election.

The Republicans' sorry record in Salem and Washington is clear, but we must not depend on others to hold them accountable. We know they will stop at nothing to reinvent history and to prey on voter's fears. This administration refuses to accept responsibility for mistakes and is determined to silence critics. Ignorance is the enemy of freedom and liberty, but let us also recognize the comfort it finds in the shallow forums of right wing radio and biased cable news organizations. A strong army of Democratic precinct leaders is essential to ensure that truth and justice prevails this November.

Key Issues:

- **Jobs** – The single most important issue. Democrats will restore economic principles that yielded balanced budgets and unprecedented economic prosperity. Bush owns the worse job creation record since the Depression yet supports policies that reward companies for moving jobs overseas.
- **National Security** – Kerry is a certified war hero who will restore America's credibility; Bush can't be trusted after misleading Americans on Iraq.
- **Health Care** - Affordable health care accessible to all must be a right, not a privilege.
- **Education** - No more cuts to Oregon classrooms; Invest in lifetime education incentives and job retraining programs.
- **Environment** – Protect treasured public lands and lead sustainable resource practices.

On behalf of the Democratic Party of Oregon, thank you for your interest, I applaud your dedication, and I look forward to working together as we march to victory in November!

Respectfully,
Jim Edmunson, Chair

RETURN DEMOCRATIC CONTROL OF THE STATE SENATE!

Democrats have not controlled the State Senate since 1995. Look at the mess we are in! It is time to elect a legislature that is responsive to the needs of the people!

He and his wife Beryl, a Nurse Practitioner, currently reside near Troutdale in a house on the banks of the Sandy River.

Vern Cook is a past president of the Gresham Historical Society and a member of the Troutdale Historical Society.

When he filed for this office Vern said,

'The election of George W. Bush as president has been a major disaster for America and Oregonians. I intend to take an active part in electing a Democrat to the presidency.

'Republican control of the Oregon legislature for most of the past 10 years has caused the virtual disintegration of state government at state and local levels caused by a vacuum of real leadership.

'Illustrative of the lack of legislative leadership was that of 56 legislators who were responsible for placing Measure 30 on the ballot, only five lent their prestige by signing statements of support in the Voters' Pamphlet.

'The people of Oregon expect their governors and legislators to lead. They have not done so. Should I be nominated and elected I will work actively in supporting any legislation I favor or voted for, even if it is referred.'

MARK HASS A CHAMPION FOR SENIORS

Mark Hass sponsored and pushed into law a measure that protects senior citizens from financial predators. It triples the damages and penalties for unscrupulous sales people, accountants and others who try to steal from seniors.

"Rep. Hass stood up for seniors when it counted. Because of him, Oregon seniors have a strong voice in the legislature."

-- Dr. Jim Davis
Senior Citizen Advocate/Gerontologist

OVERHAULING OUR TAX SYSTEM IS TOP PRIORITY

As a member of the Tax Reform Task Force, he has sponsored legislation to create a rainy day fund and stabilize education funding – without raising taxes. His position is that a more broad based tax code will lessen the tax burden on Oregon's working families, while stabilizing funding for schools.

As a candidate for State Representative my only campaign promise has been to be an effective voice for you in Salem. After voting on over 4,000 bills and thousands of amendments, I can honestly say that I have given you my very best effort to represent your interests and the interests of Clatsop and Columbia counties.

I have also said that my personal goal is to represent you in a manner that would help restore your confidence in State government. I have made every effort to avoid the partisanship that has plagued our Legislative process in recent years. Instead I have attempted to work with all my colleagues regardless of party to find common ground to meet Oregon's challenges.

Oregon's financial condition is dismal. It will take a great deal of skill and determination to make it better. The knowledge I have gained as an experienced member of the budget-writing Ways & Means Committee will allow me to be even more effective in dealing with Oregon's budget problems.

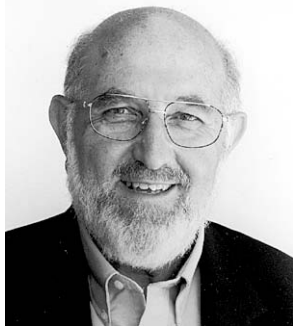

I firmly believe the primary role of state government is to provide our children an opportunity to learn; to protect our society from those who threaten it; and to ensure that our senior citizens live in comfort and with dignity. We must fund these priorities first.

Serving as your Representative is a privilege and I would be honored to be able to continue being your voice in Salem.

You can tell a lot about a Candidate by their endorsements. I think that people have become alienated to the political process because there are so many people in the Legislature who are following their own agenda or the agenda of special interest groups rather than representing the desires of the citizens who elected them.

I have not accepted any PAC money. I believe it is my job to represent the people in District 33, not special interest minorities. If it angers you that the Legislature continues to take actions or enact laws that you disagree with, you're going to have to elect representatives who didn't have their seat bought and paid for by special interest money.

I have never had any particular political aspirations. I was driven to file my candidacy because I was unhappy about the way that this District is being represented. Had I not filed, the incumbent would be running unopposed. I felt that the Voters deserved to have a clear choice between business as usual and actually having their wishes respected.

The people have spoken loud and clear with regard to tax increases. I will not support or vote for any increases in taxes. Period.

I support the Bill of Rights. All of them.

I support diversity, freedom of choice and personal responsibility.

I believe that clean air and water is far more important than corporate necessity.

I respect Unions and I believe that a good education is fundamental to our Nation's prosperity.

I believe that a climate that encourages business is good for all Oregonians.

Affordable healthcare for all Oregonians is a vitally important issue to me.

I believe that Government needs to learn how to live on a budget

WE DON'T NEED A SALES TAX! We have an income tax system that doesn't work. There are tens of thousands of people in Oregon who use fraud to illegally avoid payment of income tax. Everyone should pay taxes according to the law.

We have a property tax system that doesn't work. There are more than 20,000 properties in Multnomah County that are exempt from property tax. We need to review those exempt properties to insure we want them to be exempt.

Our tax law enforcement system does not work. More than \$1.5 Billion is due Oregon Department of Revenue. More than \$42 Billion is due Internal Revenue Service. Neither the state nor the federal government is making a concerted effort to collect delinquent amounts. There are more than \$35 Million due in Multnomah County Property Tax. The method to collect delinquent property tax is lengthy and cumbersome. Law enforcement methods need to change!

We don't know how tax supported entities use tax dollars. Each tax supported entity needs to be audited and the public needs to be aware of how tax dollars are used.

ROB BRADING:

BECAUSE OREGON CAN DO BETTER

Oregon Can Do Better In Creating More Family-Wage Jobs

- With our state’s high unemployment rate, we must do everything we can do increase the availability of family-wage jobs for all Oregonians.
- At the very least, we must protect our recent advances in protecting the state’s minimum wage and ensuring regular increases for minimum wage workers.

Oregon Can Do Better In Providing Education for Our Children

- Oregon’s educational system is making it difficult for our children to learn, despite dedicated teachers and parents.
- Class sizes are increasing; school years are shortening; budgets are stretched.
- We must ensure that our schools have stable funding so that Oregon’s school children are recognized for outstanding academic achievement.

Oregon Can Do Better In Providing Access to Quality Health Care for All Oregonians

- Too many Oregonians Are uninsured and have no access to health care.
- Too many Oregon senior citizens cannot afford to pay for expensive medications.
- Even the Oregon Health Plan doesn’t provide enough care for enough people.
- Every Oregonian must have quality health care when they need it, no matter who they are.

“I look forward to having a conversation with the voters of Troutdale, Wood Village, Fairview and Gresham to come up with a future we all want for Oregon.”

Oregon has one of the nation's highest unemployment rates and we must do more to put Oregonians back to work. Kathryn will work hard to **recruit new companies** to our area and give **displaced workers job-retraining and educational opportunities** to prepare them for future success.

State government should earn your trust

Some legislators talk a lot about "accountability," but don't do much to ensure it. Kathryn supports **audits of state agencies** and **making local citizens a big part of budgeting and spending decisions.**

"Kathryn has what it takes to restore taxpayers' trust in state government."

Robert J. Austin, Mayor Estacada

Our kids should be students, not fundraisers

Legislators say they'll "fund education first," but our public schools keep closing early and classrooms get increasingly crowded. A past **President of the Oregon PTA**, Kathryn will **oppose any school budget that cuts another dime from our local schools.**

"Nobody will work harder than Kathryn for our kids, our parents, and our teachers."

Ben Schellenberg, former Superintendent of North Clackamas School District

A State Representative who will step up to the plate

Kathryn Firestone has always been the kind of person to step forward when her community needed her. Kathryn has:

- Championed the plan for both accountability and results in our public schools
- Fought for the funding our schools needed to be successful
- Created safe and healthy after-school options for our children
- Matched up students with community volunteers to boost reading achievement

We're supporting Kathryn!

Experience

For nearly 25 years I have worked to protect the rights of citizens, provide for the needs of the less fortunate, and improve the educational opportunities of our children. Most candidates have little or no experience in the three main areas where your income tax dollars are spent, Education, Human Services, and Public Safety. I am the only candidate with working experience and accomplishments in each of these areas. Oregon needs representation with practical experience and an understanding of the challenges facing all Oregonians. I work every week to support my family, help my children go to college, volunteer time to my community, and I understand the challenges we all face. That is why I am asking for your vote.

As your representative I will:

-demand the highly accountable use of public funds

We must continue to audit state agencies and budgets to seek efficiencies in programs and services.

-promote job growth that supports local businesses

We must support the backbone of our communities, our local businesses and stop the exodus of jobs from rural Oregon.

-work for sufficient and stable school funding with local control

We must find stable funding solutions so our public schools can continue to offer a quality educational experience for our children.

-work for consistent and effective support of public safety

Many rural communities depend on the services of the Oregon State Police and we must maintain these services.

-seek a balanced and responsible approach to the use of natural resources

Oregon has many successful resource based industries and we must seek solutions that sustain these industries indefinitely.

Duties and Responsibilities of Republican Precinct Committeepersons

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. Precinct Committee Persons (PCP) “put a face” on the party in their neighborhoods and communities, attend regular meetings of their county Republican central committee helping to set the party agenda in the county and help to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership in your county, the state and nationally, you will help select your county leadership or may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to distribute campaign materials in your precinct. Or, you may be asked to arrange a coffee for a candidate to meet your neighbors. It is up to you as to how you reach out to people in your neighborhood.

PCPs should feel comfortable with these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

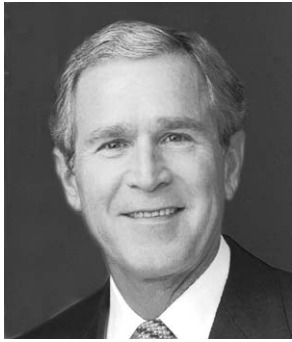

This fall, Oregon Republicans will work to re-elect President George W. Bush. We will also campaign to expand our representation in both chambers of the Oregon Legislature, send new Republican representatives to the United States Congress and Senate, and elect a Republican state Treasurer, Attorney General and Secretary of State. PCPs will have key roles in bringing about these victories.

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. You may send e-mail to info@orgop.org or visit our website at www.orgop.org

We look forward to hearing from you and hope you will join the team!

Dear Oregonian:

These historic times of change require steady leadership. I have an optimistic vision and agenda that will move America forward toward greater prosperity, greater security, greater freedom and greater compassion.

Come November, voters are going to have a very clear choice.

It's a choice between keeping the tax relief that is moving this economy forward – or putting the burden of higher taxes back on the American people.

It's a choice between an America that leads the world with strength and confidence – or an America that is uncertain in the face of danger.

It's a choice between two visions of government: a government that encourages ownership and opportunity and responsibility – or a government that takes your money and makes your choices.

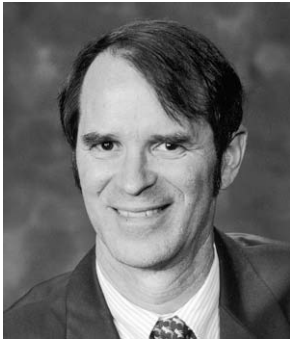

In a post 9-11 world, we as Americans understand how great events affect a nation and our world. Great events will turn on this election. Our next President will set the course of the war on terror and the direction of our economy. The security and prosperity of America are at stake.

Unlike my opponent, I will leave no doubt where I stand on the nation's priorities. I continue to take on the big issues with strength, resolve, and determination – and I stand ready with a positive agenda to lead our nation for another four years.

Sincerely,
George W. Bush

"MAKE OREGON WHOLE"

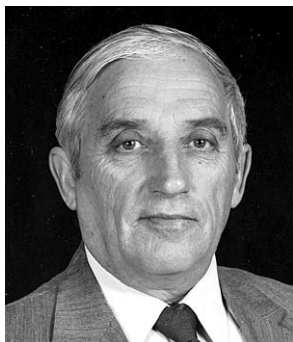

From Enterprise to Vale to Lakeview to Coos Bay and Portland, we have high unemployment, business slow downs and shut downs and our school are in a funding crunch. The pain is often greater in small towns than in bigger ones.. No one person can fix everything, but I believe I can help. Outsourcing good jobs over seas has to stop. Businesses need more reasons to stay here, grow and put more Oregonians to work in small towns and cities. Family farms and ranchers need stability in changing market conditions. Schools, including vocational programs, need funding. If low-income housing is needed, build it for truly low-income residents, including qualifying seniors.

I support President Bush's State of the Union agenda in the fight against terrorism, but I question using National Guard and reserve troops for sustained wars. Oregon citizens are paying too high of a price for their country. Our full-time military needs expanding now.

Ron Wyden has never worked in business but I have. Help me defeat him so I can work with you to **"make Oregon whole"** again.

I'm **Al King**. While Vice Chairman of the Oregon Republican Party, I became acutely aware of how desperately Americans of all affiliations are for a voice of impact in National issue politics.

Powerful forces of Big Business and International Corporations on one hand, and Socialist movements and their agendas on the other, have diverted this nation from emphasizing and preserving the important priorities that enabled our country's greatness.

We risk our sovereignty, security, and ultimately our freedoms unless we correct the course. This will require election of representatives whose priority and commitment is to the preservation of our nation as a place where citizens enjoy a high standard of living in a country that secures its borders, its jobs and its economy.

I pledge to represent these priorities to the benefit of all Oregonians; to support the voiceless majority who are overlooked and taken for granted in today's political process, because I am one of you!

- An independent commission to eliminate waste
- A hard cap on spending
- Audits to terminate obsolete programs
- A two-year federal budget

"Tim's right. Congress has a spending problem. We need fiscal conservatives like Tim in Congress to protect taxpayers."

Jack Roberts, Former Republican Candidate for Governor, Former Commissioner of Labor and Industries

History has continually shown that cutting taxes stimulates the economy, grows receipts for the Treasury, and creates jobs. I'll work to make sure Oregon families keep more of what they earn by making President Bush's tax cuts permanent.

JIM ZUPANCIC – FISCAL CONSERVATIVE: **Cutting Taxes, Creating Jobs, Reforming Education and Utilizing Oregon's Natural Resources**

LOWER TAXES & LESS GOVERNMENT

The difference between me and my opponent is clear, I opposed Measure 30 and its record tax increase, my opponent, Jackie Winters, voted for this tax hike in HB 2152. I believe government should seek efficiencies, reduce wasteful spending, and lower taxes. In Congress I will fight to:

- Make President Bush's tax cuts permanent;
- Lower income taxes on working families; and
- Eliminate the death tax.

"Zupancic knows that lower taxes help businesses grow."
- Lance Hazelbaker, Salem business owner.

CREATING JOBS

Small businesses are the core of Oregon's economy. In Congress, I'll fight to create a Small Business Job Creation Tax Credit to help create quality, family-wage jobs.

"Creating jobs and putting people back to work is a top priority for Zupancic. That's why we all should support Jim."
- Jack Roberts, former GOP candidate for Governor.

REFORMING EDUCATION

I believe quality public education is the backbone of a successful democracy. In Congress, I'll work to ensure that public education is supported, but controlled and held accountable locally.

"Jim supports local control because teachers and parents working together help children learn." - Patricia Rust, Clackamas County public school teacher.

UTILIZING OREGON'S NATURAL RESOURCES

I applaud President Bush for his signing the Healthy Forests Restoration Act, which will reduce wildfires while creating jobs. In Congress, I'll work to pass legislation that wisely utilizes Oregon's natural resources.

FRED GRANUM: A NEW LEADER

Oregonians are disenchanted with politics as usual. I offer fresh ideas and business skills with the conviction and leadership to make a difference. I am not a career politician. I am a business leader - ready to serve my state.

FRED GRANUM: MY APPROACH TO GOVERNMENT

Last session, the legislature voted to increase taxes instead of controlling spending. That's wrong. Oregon taxpayers need a leader who will cut waste to balance the budget. I'll see that our government does more with what it has – and not raise taxes.

FRED GRANUM: MY PRIORITIES

I am committed to fiscal responsibility, protecting the people's voice and common-sense land use.

Attorney General

**Paul
Connolly**
Republican

Occupation: Attorney specializing in representing small businesses and family farms.

Occupational Background: Private practice, 19 years; 10 years state and federal government practice, management and policy positions.

Educational Background: JD, Georgetown University Law Center; AB, Assumption College.

Prior Governmental Experience: Pro-Tem Circuit Judge; Attorney, Oregon Judicial Department; Attorney, Federal Judicial Branch; U.S. Army Military Intelligence Officer.

Community Service: Founder, Blanchet School; youth soccer and basketball coach; Chair, Morningside Neighborhood Association.

Family: Married 20 years; three daughters.

PAUL CONNOLLY - A FAIR VOICE - A SAFER OREGON

Dear Fellow Oregonian,

The choice you make for Attorney General is a very important one – it will impact both your rights and your future safety.

Justice should not be limited to those who can afford to pay high-priced fees. I have practiced law for over 19 years, bringing justice to farms, ranches, and small businesses across the state.

As an attorney and counselor, I have dedicated my life to strengthening and protecting Oregon's small businesses and family farms. As Oregon's chief prosecutor and law enforcement officer, I pledge to defend your rights and protect your safety. You should expect no less.

We are getting less, however. Crime is up and our quality of life is down. It's easy to see that meth and identity theft are ravaging our communities.

Despite the economic squeeze on our schools, our health care and our police, the present Attorney General has swollen his agency's budget, doubling spending in just a few short years. Yet ask yourself, are we safer today than we were four years ago?

Our world and our state are very different places today. It will take strong leadership and vision to ensure the safety and security of each Oregonian. I ask for your support and your vote so that together we can create equal protection and equal justice for all.

Dear Neighbor,

I believe we need strong new leadership in Salem. Like many you I have been disappointed in the lack of progress our legislators have made in getting state government spending under control. I believe it is time for a change – and for that reason I have decided to run for the Oregon State Senate. I am asking for your help and your vote.

Sincerely,
Jay Omdahl

JAY OMDAHL

REAL WORLD EXPERIENCE -- WITH A VISION
FOR TOMORROW

JAY OMDAHL ON EDUCATION

Oregon has one of the nation's highest school spending per pupil – but the dollars are not getting to our classroom or to our teachers. Jay will support legislation to get red-tape and bureaucracy out of the way of our teachers -- **and let our teachers, teach.**

JAY OMDAHL ON STATE SPENDING

Oregon's state budget has soared out of control over the past decade. Jay will demand that state agencies and their special interest groups be accountable to the Oregon taxpayer to produce measurable results.

JAY OMDAHL ON TAXATION

Jay opposed Measure 30 and believes state government must live within the existing budget. Jay believes that giving more money to state government is not the answer, and will oppose new tax increase proposals.

JAY OMDAHL ON JOB CREATION AND THE OREGON ECONOMY

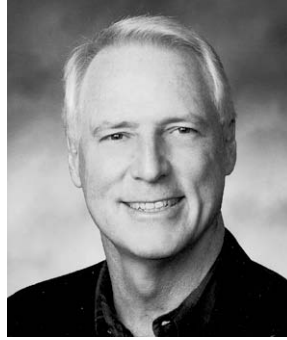

As a businessman himself, Jay understands we must attract new business and **keep our existing businesses strong and competitive** to ensure their long-term presence. Jay will preserve stable family wage jobs by working to eliminate unnecessary regulatory red-tape and reduce burdensome taxation while encouraging small and large business growth.

**John
Wight**

Occupation: Business Owner, Housing Projects

Occupational Background: Oregon Attorney from 1971 to present

Educational Background:

University of Texas, School of Law, LLB; University of Texas, BA; Public Schools

Prior Governmental Experience: Peace Corps Volunteer, South America 1999-2001; Multnomah County Civil Service Commission, Chair 1982-1996; Multnomah County Committees on Land Use and Zoning for Edgefield Property; Lobbyist, Oregon Judicial Commission 1983; Lobbyist, Multnomah County 1981; Director, Portland Bureau of Economic Development; Executive Assistant to Portland's Mayor; Executive Assistant to Portland Commissioner; Senate Committee Assistant, Oregon Legislature 1975; Lieutenant, United States Navy 1967-1971

All of the problems and issues facing our State, from education and public safety to health care and the environment will be more easily solved if Oregonians have jobs and income.

During the 1990's our public spending increased at unsustainable rates. Controlled spending and increased economic activity will restore our state to fiscal stability.

I can help achieve those two goals.

Let me introduce myself. I am the father of two grown and productive children. They attended public schools. My wife, Paula, is a retired public elementary school teacher and principal.

I started practicing law in 1971 focusing on real estate, land use planning, business and employment law. Now I am an owner of housing projects. In addition to my government experience, I have taken the time to become involved in our community.

Other community service includes: City Club, chair of standing and research committees; volunteer youth mentor, volunteer for business development with the International Refugee Center of Oregon; tutor for Oregon Council for Hispanic Advancement; Civic Theater board; international projects in health, education and business development, and volunteer teaching in public schools of global trade, environment and cultural awareness; Rotary Club.

I helped to initiate Portland's Performing Arts Center and wrote the business and industrial section of Portland's first comprehensive plan.

Let me put my experience to work for you.

RON SUNSERI: EFFECTIVE LEGISLATOR

TAXES & SPENDING—Ron believes families and small businesses thrive when they keep more of what they earn. Ron kept his promise to oppose breaking the state’s spending limit and led the fight to return the 2% kicker to you, the taxpayer.

PUBLIC SAFETY—Ron has been recognized by law enforcement for his efforts to improve the safety and quality of life for Oregon’s families. Ron worked to keep our neighborhoods safe by beefing up drunk driving laws, toughening laws against sex offenders and strengthening crime victims rights. Ron successfully passed legislation providing women additional defense against abusive husbands. Ron is committed to implementing swift and severe punishment as an effective deterrent for violent criminals.

EDUCATION—As Chair of the Education Committee, Ron successfully passed charter school legislation that created innovative learning opportunities for our children. Ron voted to put our kids first by providing local school districts the ability to reward good teachers, assist struggling teachers and replace poor teachers. Ron helped Mt. Hood Community College receive nearly \$500,000 in reciprocity funds, and an additional \$50 million for building improvements and new books benefiting Gresham-Barlow Schools.

RON SUNSERI’S CONSISTENT VOTING RECORD REFLECTS HIS COMMITMENT TO STRONG FAMILIES, SAFER COMMUNITIES AND A VIBRANT OREGON ECONOMY.

“It has been an honor to serve as your State Representative during the nineties, and I enjoyed working hard to represent you. The handling of the State budget is appalling! Legislators who

Karen Minnis: A leader for Oregon

Karen Minnis was elected Speaker of the House because of her leadership qualities. Karen led the charge last session to make sure schools, seniors, the mentally disabled and law enforcement were protected from a severe budget shortfall.

Karen Minnis: Jobs, not more taxes

Karen Minnis did not support the massive tax increase that voter's defeated with Ballot Measure 30. Karen believes the best remedy for Oregon's economy is to create an environment where jobs can be created and people can get back to work. When people are working, taxes are being paid and essential services are funded.

Karen Minnis: An education supporter

Karen fought for PERS reform, which saved schools more than \$200 million that can be redirected into classrooms. She also introduced and passed legislation providing more opportunities for technical and vocational training.

Karen Minnis: A voice for seniors

It was Speaker Karen Minnis that fought for funding for seniors during the last legislative session, which is why she received an award from the Oregon Health Care Association for her relentless support of senior issues.

State government cannot continue to grow in size and cost
while failing to meet its responsibilities to Oregonians. It's time
that government do what ordinary citizens have been forced to
do – learn to live within its means.

Money alone will not solve our problems. Challenges like
struggling schools, high taxes and fewer jobs will only be met
by leaders who set clear priorities, listen to the people they
represent and accept responsibility for their decisions.

My first act as state representative will be to form a citizens'
advisory council in order to establish direct accountability with
the people I represent.

Oregon must institute priority based budgeting, which means the
most important policies and projects get paid for first. If schools
are our top priority, they must be funded ahead of any question-
able social programs. Government is not the solution to every
problem we face.

What government does do, it must do well:

- Ensure public safety
- Help those who cannot help themselves
- Provide every child with access to quality education
- Be a responsible steward of public property and the environment

For any issue facing us we must look first to private citizens to
find a solution. State government should become involved only
as a last resort, and then only when governmental intervention
can be justified based on the needs of all Oregonians.

The citizens of Gresham and East Multnomah County must once
again have their voices heard in Salem.

I look forward to representing you and your family in Salem.

Linda Flores was a leader in the campaign to repeal the legislature's radical tax increase. Linda voted against the proposal in the legislature, and she was a leader in the campaign to bring the issue to the people. Linda Flores believes the best way to raise taxes is by creating jobs, putting more people to work and adding to the tax base, which in turn will help fund needed state programs.

The Oregon Supreme Court has systematically subverted the people's constitutionally-reserved initiative power. Such subversion must stop.

Without written decisions from the courts, we cannot know how the law is being applied. On appeals of decisions from below, Oregon appellate courts must neither affirm without opinion nor deny review without explanation. Oregon's Bill of Rights, section 10.

The separation of government powers required by Article III, section 1, of the Oregon Constitution has been systematically ignored. The legislature and the people decide what the law is. The executive executes the law. Courts apply the law to the facts to decide particular cases. Too often, the judicial power has been misused to create law. This must cease!

Justice delayed is justice denied. Every case should be decided and explained in writing within 60 days of oral argument.

I shall take, subscribe, and transmit my oath of office to the Secretary of State before I begin my service. My oath will be the oath specified in the Oregon Constitution and none other.

I'm a Christian. I'm a husband. I'm the father of two children. My faith, religion, and family are extremely important to me.

Because there shall be no religious test for any Oregon office, don't vote for me (or against me) because I am Christian. Vote for me because I will give the plain meaning of the law's words full force and effect. So help me God.

Judge Virginia Linder

Qualifying experience: Virginia Linder began her legal career as an Assistant Attorney General in Oregon's Department of Justice. In 1986, former Attorney General Dave Frohnmayer appointed her to be Oregon's first woman Solicitor General. She was the state's "chief appellate lawyer" and oversaw the work of more than 30 appellate attorneys in the Attorney General's office. She also personally handled appeals in the Oregon Court of Appeals, in the Oregon Supreme Court, in the federal Ninth Circuit Court of Appeals, and in the United States Supreme Court. She was Oregon's longest serving Solicitor General. In 1997, she was appointed to the Oregon Court of Appeals, and then was elected to that position in 1998.

Other professional contributions: In addition to other professional activities, Judge Linder frequently authors legal education materials and speaks on such topics as appellate practice, constitutional law, administrative law, and criminal law. She is a former board member of the Oregon Women Lawyers and remains active in that organization. She also is an adjunct law professor at Willamette University.

Experienced. Hardworking. Professional.

"Virginia Linder is one of the smartest and most hard-working lawyers I have ever known. She is the only person I know whose brief on the merits was so persuasive that the United States Supreme Court reversed the case without even scheduling oral argument. Virginia has a wonderful judicial temperament. She is courteous and collegial, and decisive without being abrasive. She quickly emerged as a leader on a court beleaguered by one of the heaviest caseloads in the nation."

Educational Background: LL.M. (with highest honors), National Law Center, George Washington University; J.D., Southern Methodist University; B.B.A. (with highest honors, honors program), Southwest Texas State University

Prior Governmental Experience: Central Intelligence Agency; Criminal District Courts of Dallas County, Texas

Dear Voter:

If you want change in Salem, vote for me. I know firsthand how families struggle to make ends meet. I also know firsthand the trauma of losing a job when a plant closes. I can make a difference in our state government.

Judges should only interpret the law, not make social policy. I believe in simple, straightforward principles: The greedy should not profit from their wrongdoing. The strong should not victimize the weak. The guilty should be punished justly.

A large part of my life has been devoted to working to protect our nation's security. I firmly believe that our personal liberties are essential to the strength and survival of our country. I will never allow our rights to be taken for granted or to be eroded by politicians who prey upon our fears.

Our racial, economic, gender, religious and cultural differences also strengthen our country. Though these differences sometime seem to divide us, I believe that each person is equal before the law and each person has a right to justice.

Please vote for me.

General Information

Vote-by-Mail

What is Vote-by-Mail?

Vote-by-mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 4, 2004. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated drop site.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at drop site locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by April 27 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated drop site in the state. The times and locations of drop sites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 37¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated drop site by 8:00 p.m. on election night.
Postmarks do not count!

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8:00 p.m. on May 18, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8:00 p.m. election night and will continue to be updated through election night until all ballots have been counted.

Voters with Disabilities

If you are unable to vote your ballot without assistance because of a physical disability or because you are unable to read or write, contact your county elections official. They will provide two persons to assist you in voting. In order to assure the county receives your voted ballot by election day, contact your county elections office early to arrange for assistance. You may also select someone else of your own choice to assist you.

A cassette edition of the Voters' Pamphlet is available for Oregonians who cannot read standard print due to a visual or physical disability. To order a cassette of the Voters' Pamphlet, please contact Independent Living Resources at 503-232-7411.

Primary Elections

At the May Primary Election, the two major political parties (Democratic and Republican) nominate candidates to appear on the General Election ballot.

In 2004, Oregon's Democratic and Republican parties have chosen to nominate their candidates in a "closed primary" election. In a "closed primary" election only persons who are registered members of a major political party may vote the ballot of that political party.

Persons registered as not affiliated with a political party will receive a ballot with measure and nonpartisan candidate information.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 13. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by election day, Tuesday, May 18, 2004.

Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.
