This Voters' Pamphlet is provided for assistance in casting your vote-by-mail ballot.

**BILL BRADBURY**  
SECRETARY OF STATE

PADDY J. McGUIRE  
DEPUTY SECRETARY OF STATE

JOHN LINDBACK  
DIRECTOR

141 STATE CAPITOL  
SALEM, OREGON 97310-0722  
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making under the federal Help America Vote Act. The goal of the Help America Vote Act is to make voting systems more reliable and voting information more accessible.

There is a new page in the voters' pamphlet, which explains how to fill out your ballot and how to request a replacement ballot if you make a mistake. We've also created a toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 that you can call if you have any questions about your ballot or about voting. These new federally funded services make it easier than ever to vote. You may also note some changes in the design of your voters' pamphlet. We are continuing to revise the voters' pamphlet to make it more usable for voters and less expensive to produce.

If you are registering to vote for the first time or re-registering, please use the new voter registration card, available online at [www.OregonVotes.org](http://www.OregonVotes.org), or request a registration card by mailing in the form in this pamphlet. If you are registering for the first time, you must register by April 27 to participate in this election.

For those of you who are already registered to vote, I urge you to return your ballot so that it is received by May 18. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

In commemoration of the bicentennial anniversary of the Corps of Discovery, the cover features a "Peace and Friendship" medal such as those carried by explorers Lewis and Clark and presented to Native American chiefs that they met during their journey. The image shows a peace pipe and a tomahawk over clasped hands. By working together, we can all renew the medal's promise of peace and friendship.

Best wishes,

Bill Bradbury  
Oregon Secretary of State

**On the cover:** This Jefferson Peace Medal is of the same period as the ones presented by the Lewis and Clark Expedition to leaders of the many native American nations the Corps of Discovery encountered nearly two hundred years ago. The reverse of the medal carries a portrait of President Thomas Jefferson, sponsor of the expedition. The medal is from the private collection of Roger Wendlick. # General Information

## Voters' Pamphlet

Your official 2004 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2004 Primary Election ballot.

In the primary election, candidates are divided into three sections; Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2004, Democratic candidates appear first.

All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

**Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.**

Miscellaneous voting aids, including drop site locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

## Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Pursuant to ORS 254.155, the Secretary of State is required to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2004 Primary Election is:

R, E, Z, M, T, G, F, Y, N, C, Q, L, U, X, K, B, J, W, D, P, I, O, S, V, H, A

## Website

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide on the World Wide Web at [www.sos.state.or.us/elections/may182004/may182004.htm](http://www.sos.state.or.us/elections/may182004/may182004.htm)

## Español

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

## Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 13. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by election day, Tuesday, May 18, 2004.

### Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

## Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

# Duties and Responsibilities of Democratic Precinct Committeepersons

## A message from the Democratic Party of Oregon Chair Jim Edmunson:

The tragic events of September 11th provided a sober reminder of how precious a safe, free and democratic society is. In its wake, the world united behind us and Americans came together with a renewed sense of commitment to the common good. Unfortunately, President Bush abused the public's trust and squandered this historic opportunity by pursuing a polarizing, partisan agenda that has divided Americans and alienated international allies. Along the way, 3 million American jobs were lost or "outsourced", a \$5.6 trillion surplus was replaced by record deficits, and health care is out of reach to too many families.

Democrats offer a different, more optimistic future. Democrats seek an America inspired by the vision of John F. Kennedy that values opportunity, community, loyalty, and patriotism. Opportunity starts with a strong public education system that truly leaves no child behind and paves the road to living wage jobs. Community is bound by our belief that the Constitution applies equally to all citizens regardless of race, creed, color or sexual orientation. Loyalty is reflected in Democrats' commitment that middle class families should be rewarded and not abandoned in favor of tax giveaways to the super rich and multinational corporations. Patriotism is not owned by John Ashcroft or Dick Cheney; it is embodied by all Americans who stand up for what is right, especially in the face of adversity.

Fellow Democrats, the time is now to take back America. Please join me in serving as a **Democratic Precinct Committeeperson**. As a precinct leader, you have the power to effect change. There has never been an election where grassroots involvement has been more important. Your activism is our best counter to the Republicans' unprecedented war chest. Better than any television ad, neighbor to neighbor contact will decide this election.

The Republicans' sorry record in Salem and Washington is clear, but we must not depend on others to hold them accountable. We know they will stop at nothing to reinvent history and to prey on voter's fears. This administration refuses to accept responsibility for mistakes and is determined to silence critics. Ignorance is the enemy of freedom and liberty, but let us also recognize the comfort it finds in the shallow forums of right wing radio and biased cable news organizations. A strong army of Democratic precinct leaders is essential to ensure that truth and justice prevails this November.

### Key Issues:

- **Jobs** – The single most important issue. Democrats will restore economic principles that yielded balanced budgets and unprecedented economic prosperity. Bush owns the worse job creation record since the Depression yet supports policies that reward companies for moving jobs overseas.
- **National Security** – Kerry is a certified war hero who will restore America's credibility; Bush can't be trusted after misleading Americans on Iraq.
- **Health Care** - Affordable health care accessible to all must be a right, not a privilege.
- **Education** - No more cuts to Oregon classrooms; Invest in lifetime education incentives and job retraining programs.
- **Environment** – Protect treasured public lands and lead sustainable resource practices.

On behalf of the Democratic Party of Oregon, thank you for your interest, I applaud your dedication, and I look forward to working together as we march to victory in November!

Respectfully,  
Jim Edmunson, Chair

**John F. Kerry**  
Democrat

**Occupation:** United States Senator.

**Occupational Background:** United States Navy, 1966-1970; Assistant District Attorney, Middlesex County, Massachusetts, 1976-1979;

Attorney, 1979-1982; Massachusetts Lieutenant Governor, 1983-1984; United States Senator, 1985-present.

**Educational Background:** Yale University, B.A.; Boston College Law School, J.D.

**Prior Governmental Experience:** Massachusetts Lieutenant Governor, 1983-1984; United States Senator, 1985-present.

John Kerry is running a campaign to change America. He is fighting to bring back jobs and prosperity and he will lead us to a safer, stronger America. George Bush has taken us in the wrong direction because he cares more about special interests than about the needs of ordinary Americans.

John Kerry will stand up to the special interests. In his first 100 days as President, he will:

Roll back George Bush's tax cuts for the wealthiest Americans so we can invest in education and health care;

Repeal every tax break and loophole that rewards corporations for sending American jobs overseas. And he will provide new manufacturing incentives that reward good companies for creating and keeping good jobs at home;

Take on the health insurance companies to lower costs and make affordable healthcare available to every American;

Stop polluters from weakening the Clean Air Act and stand up to the oil companies to make America independent of Mid East oil; and

Declare an end to George Bush's go-it-alone foreign policy, win the peace in Iraq, and make America safer, stronger, and more secure.

Hardworking families in Oregon are hurting because George Bush has favored tax cuts for the wealthy and special favors for the special interests over what's fair for middle class Americans. This Administration's motto really should be "no special interest left behind." But Oregon's working families are getting left in the dust.

As a decorated Vietnam War veteran, a local prosecutor, and a United States Senator, John Kerry has put his country first. And as our next President, John Kerry will put America back on track.

**Dennis J. Kucinich**  
Democrat

**Occupation:** U.S. Congressman, Ohio

**Occupational Background:** U.S. Congressman; Ohio State Senate; Mayor of Cleveland; Municipal Court Clerk;

Cleveland City Council

**Educational Background:** B.A., M.A., Case Western Reserve University

**Prior Governmental Experience:** U.S. Congressman; Ohio State Senate; Mayor of Cleveland; Municipal Court Clerk; Cleveland City Council

I am running for President to inspire America to take a new path, a different direction. I envision an America which has the capacity to reconnect with the heart of the world; an America which proceeds in the world optimistically and courageously; an America which understands that the world is interdependent, that it is inter-connected.

I am running for President to break the shackles of fear which have deprived our citizens of rights. I am running for President to change the way this country values humanity, so that instead of fear and lies, we can live our lives based on principles of peace and hope. We need to regain the trust of the American people and we need to have a government which trusts the American people.

It is time for America to resume its glorious journey; time to reject shrinking jobs and wages, disappearing savings and rights; time to reject the detour toward fear and greed. It is time to look out upon the world for friends, not enemies; time to counter the control of corporations over our politics, our economy, our resources, and mass media. It is time for those who have much to help those who have little by maintaining a progressive tax structure. It is time to tell the world that we wish to be their partner in peace, not their leader in war. Most of all, it is time for America to again be the land where dreams come true because the government is on the side of its people.

Together, we can change our nation, and, as Tennyson wrote and my political hero Robert Kennedy always said, we can seek a newer world.

### THE VOTER IS NEXT IN THE ARENA

by Lyndon H. LaRouche, Jr.  
Sunday, February 22, 2004

Many voters choose their candidates the way they choose to cheer for a sports figure in the arena. Soon, that will change. We are on the edge of a collapse of present world monetary-financial system, a collapse more dangerous than what President Franklin Roosevelt faced in March 1933, whether President Bush is willing to face that reality, or not. You, the voter, personally, are in the arena.

In the meantime, Senator John Kerry and I will soon be the only major Democratic candidates who will be left standing. It is important that he and I now begin to face off in constructive debates on the policies which the next President will be facing this coming January. It will be a friendly debate, but a very serious one. The economic policy you choose will be crucial.

Although the present world economic crisis is worse than in 1933, the philosophy of President Franklin Roosevelt is a model for the only sane alternative available to the U.S. now. My policies are detailed, and on my campaign website: [www.larouchein2004.com](http://www.larouchein2004.com). You are in the arena of a world economic crisis. Don't be a sidewalk superintendent. Act in this election as if your personal future depended upon it. It does.

## United States Senator

**Ron Wyden**  
Democrat

**Occupation:** U.S. Senator

**Occupational Background:** Former Director, Oregon Legal Services for the Elderly; Co-founder, Oregon Gray Panthers; University Instructor

**Educational Background:** J.D., University of Oregon School of Law; A.B., Stanford University

**Prior Governmental Experience:** Congressman, 1981-1996; Oregon Board of Examiners of Nursing Home Administrators, 1977-79

### STANDING UP FOR ALL OF OREGON

When I first ran for the U.S. Senate, I promised to stand up and fight for all the people of Oregon. I've worked hard to keep that promise. After listening to your ideas in open town meetings in every Oregon county, every year, here is some of what we achieved:

- \* We uncovered rampant government waste and wrote the laws to cut it, carving \$1.8 billion of waste from the Iraq reconstruction plan, and putting a stop to sweetheart, single-source, federal contracts that squandered countless taxpayer dollars.
- \* We brought 1,300 Oregonians together at the "Oregon Economic Summit" to chart a bipartisan course for a sounder economic future. Transportation is vital to that future, and on my watch, Oregon will receive \$474 million in federal transportation funding for next year alone. I also wrote the "county payments" legislation that is bringing Oregon over \$1 billion for schools and roads, and secured critical funding to establish Oregon as a jobs leader in the field of nanotechnology.
- \* We didn't back down when powerful interests threatened our state. I stopped federal efforts to overturn Oregon's physician-assisted suicide law. I exposed the oil companies that manipulated gas prices to their highest levels ever. As the former co-director of the Gray Panthers, I am a leader in the effort to stop the privatization of Social Security.

We have accomplished much, but there is so much more to do. Representing Oregon in the U.S. Senate has been the greatest privilege of my life. I'm proud that you've asked me to stand up for you, and now I'm asking you to stand with me in this election.

## Representative in Congress 2nd District

### John C. McColgan Democrat

**Occupation:** President,  
Nature & Grace Incorporated.  
Homebuilder.

**Occupational Background:**  
VISTA Volunteer, 1977-79;  
Carpenter/Contractor,  
1980-2004; Elementary

School Teacher, 1997-98.

**Educational Background:** BA, Government, Philosophy,  
College of William and Mary, 1977; Junior year, University of  
Reading, England, 1976; Fifth Year, Elementary Education,  
Southern Oregon University, 1997.

**Prior Governmental Experience:** Democratic Precinct  
Committee Person, 1988; Oregon Platform Committee  
Representative, Democratic National Convention, 1988;  
Democratic Candidate for U.S. Congress, 2002.

**Family:** I am the proud father of four children, ages 18-24. My  
wife Pepper and I have lived in Southern Oregon for 25 years.

Here are **10 ways that I will fight for your rights in Congress.**

I will support legislation to:

1. **Defend the Constitution**, the UN Declaration of Human Rights, and the rules of the Geneva Convention;
2. **Restore American credibility abroad** by respecting international law and cooperating with the United Nations;
3. **Promote long-term national security** by converting some military spending into aid to underdeveloped countries, and by reducing our dependence on foreign oil;
4. **Challenge any threat to the sanctity of human life**, including abortion, euthanasia, capital punishment, and war;
5. **Stimulate the economy** by reducing tax rates and health care costs for the self-employed, by promoting fair trade and unionization, and by demanding stiff penalties for corporate fraud;
6. **Promote a balanced budget** through progressive tax reform;
7. **Develop a national health care program** supported by employers, employees, and investors;
8. **Stabilize social security** by removing the current ceiling on taxes for the wealthy and by taxing investment income;
9. **Support public education** by opposing mandatory federal testing and promoting local control;
10. **Defend the environment** by protecting national parks and wilderness areas, and by employing selective harvesting in federal forests.

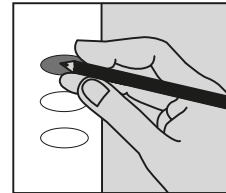

Let's work together to defeat the aristocratic agenda of the Bush administration, and to reclaim a government of the people, by the people, and for the people.

**I'm not a Democrat.** I'm an Independent voter and Voting Rights Advocate. I'm a candidate in this private Democratic primary because it isn't private. Everything needed to conduct this primary is heavily subsidized or paid for outright with public money.

I qualified as a Democratic candidate for this office by paying a \$100 fee. I then paid a \$1000 fee to have this statement distributed to approximately 1,500,000 homes statewide at taxpayer expense. As a Democrat I was not required to collect signatures to qualify as a candidate and assuming 10 cents printing/postage per item, this statement is worth \$150,000. The election ballots are also printed and mailed at taxpayer expense, and county clerks tally the votes.

In contrast, Independent (non-affiliated) candidates for this same office are required to collect over 15,000 signatures to qualify as candidates. Even then, Independents are not allowed statements in the primary voters' pamphlet. Oregon elections are based on a "separate but equal" doctrine: Democrats and Republicans are subsidized while signature requirements are imposed on Independents. For statewide partisan office, there are four separate candidate-qualification standards based on party affiliation.

We need a preliminary election to weed out candidates before the general election, but public elections must be open to all candidates and voters on an equal basis. A single nominating election where all candidates for each office compete regardless of party affiliation. All voters are allowed to participate and only the top two candidates for each office advance to the general election. Political parties may endorse candidates at private functions prior to this election, but these events must be conducted and financed by the political parties.

The Supreme Court will eventually strike down partisan elections in Oregon because basic civil rights are violated. We can't have democracy without free elections and we don't have free elections in Oregon.

Ross has lived in Klamath Falls for twenty years. His wife Mary teaches science at Ponderosa Junior High School. They have been married for twenty-nine years.

#### Fair Taxation + Stable Revenue = Jobs for Oregon

The Oregon Business Association lists its first priority for Oregon's business and economy as "the establishment of a **long-term sustainable funding system** to meet the legal and social objectives of the state" ([www.oba-online.org](http://www.oba-online.org), February, 2004). Ross believes we can achieve tax reform and promote job growth if we commit to four simple principles:

- Tax reform must be revenue-neutral for individual taxpayers;
- Business taxes must be reformed. Profitable major corporations such as PGE should not be paying state taxes of \$10. At the same time, tax codes should reward businesses that create jobs for Oregon. Small business development is key to our rural counties.
- Tax reform must be tied to a well-crafted spending limit; and
- No sales tax! Oregon does not need a sales tax to provide stable funding.

#### "Education will always be my first priority."

With over twenty years in Oregon higher education, Ross understands that quality education is vital to Oregon's economic development as well as individual fulfillment.

## Duties and Responsibilities of Republican Precinct Committeepersons

---

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. Precinct Committee Persons (PCP) “put a face” on the party in their neighborhoods and communities, attend regular meetings of their county Republican central committee helping to set the party agenda in the county and help to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership in your county, the state and nationally, you will help select your county leadership or may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to distribute campaign materials in your precinct. Or, you may be asked to arrange a coffee for a candidate to meet your neighbors. It is up to you as to how you reach out to people in your neighborhood.

PCPs should feel comfortable with these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

This fall, Oregon Republicans will work to re-elect President George W. Bush. We will also campaign to expand our representation in both chambers of the Oregon Legislature, send new Republican representatives to the United States Congress and Senate, and elect a Republican state Treasurer, Attorney General and Secretary of State. PCPs will have key roles in bringing about these victories.

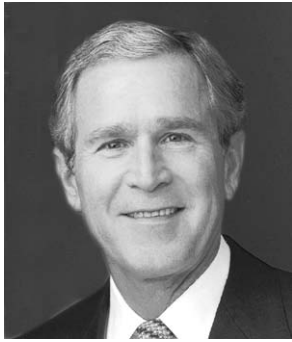

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. You may send e-mail to [info@orgop.org](mailto:info@orgop.org) or visit our website at [www.orgop.org](http://www.orgop.org)

We look forward to hearing from you and hope you will join the team!

### George W. Bush Republican

**Educational Background:** Yale University, B.A.; Harvard University, M.B.A.

Dear Oregonian:

These historic times of change require steady leadership. I have an optimistic vision and agenda that will move America forward toward greater prosperity, greater security, greater freedom and greater compassion.

Come November, voters are going to have a very clear choice.

It's a choice between keeping the tax relief that is moving this economy forward – or putting the burden of higher taxes back on the American people.

It's a choice between an America that leads the world with strength and confidence – or an America that is uncertain in the face of danger.

It's a choice between two visions of government: a government that encourages ownership and opportunity and responsibility – or a government that takes your money and makes your choices.

In a post 9-11 world, we as Americans understand how great events affect a nation and our world. Great events will turn on this election. Our next President will set the course of the war on terror and the direction of our economy. The security and prosperity of America are at stake.

Unlike my opponent, I will leave no doubt where I stand on the nation's priorities. I continue to take on the big issues with strength, resolve, and determination – and I stand ready with a positive agenda to lead our nation for another four years.

Sincerely,  
George W. Bush

**"MAKE OREGON WHOLE"**

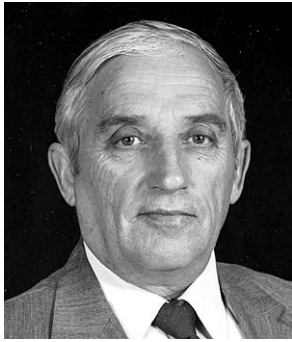

From Enterprise to Vale to Lakeview to Coos Bay and Portland, we have high unemployment, business slow downs and shut downs and our school are in a funding crunch. The pain is often greater in small towns than in bigger ones.. No one person can fix everything, but I believe I can help. Outsourcing good jobs over seas has to stop. Businesses need more reasons to stay here, grow and put more Oregonians to work in small towns and cities. Family farms and ranchers need stability in changing market conditions. Schools, including vocational programs, need funding. If low-income housing is needed, build it for truly low-income residents, including qualifying seniors.

I support President Bush's State of the Union agenda in the fight against terrorism, but I question using National Guard and reserve troops for sustained wars. Oregon citizens are paying too high of a price for their country. Our full-time military needs expanding now.

Ron Wyden has never worked in business but I have. Help me defeat him so I can work with you to **"make Oregon whole"** again.

I'm **Al King**. While Vice Chairman of the Oregon Republican Party, I became acutely aware of how desperately Americans of all affiliations are for a voice of impact in National issue politics.

Powerful forces of Big Business and International Corporations on one hand, and Socialist movements and their agendas on the other, have diverted this nation from emphasizing and preserving the important priorities that enabled our country's greatness.

We risk our sovereignty, security, and ultimately our freedoms unless we correct the course. This will require election of representatives whose priority and commitment is to the preservation of our nation as a place where citizens enjoy a high standard of living in a country that secures its borders, its jobs and its economy.

I pledge to represent these priorities to the benefit of all Oregonians; to support the voiceless majority who are overlooked and taken for granted in today's political process, because I am one of you!

### **Congressman Greg Walden...making a difference for us.**

Greg's legislation to improve forest health, safeguard our communities from catastrophic wildfire and create jobs is now law. Community leaders are already developing plans to clear hazardous fuels and thin overstocked forests.

### **Congressman Greg Walden...a father and husband who cares about quality education.**

With a son in public school in Oregon, Greg and his wife know the importance of a quality education. He's supported additional resources in the classroom, more local control and more accountability. He's worked hard to make college more affordable by increasing student financial aid.

### **Congressman Greg Walden...a small business owner who knows what our economy needs.**

After 18 years as a small business owner, Greg knows the challenges rural communities face in creating jobs. That's why he's supported incentives to revitalize the economy, stood up for Oregon's resource-based economy, and strongly advocated for farmers and ranchers in the Klamath Basin and throughout our district.

### **Congressman Greg Walden...works hard and gets results.**

"Walden has repeatedly shown an unwavering commitment to central Oregon and the issues facing us...Bull trout, lack of jobs, the timber industry, and the drought declaration are all items which have been discussed at one time or another. However, Walden showed that he is not only aware of these problems, but that he is doing his best to help solve them or, at the very least, provide advice on how we can solve them ourselves. In these dark economic times, having a Congressman such as Greg Walden in our corner is a comforting thought." *Central Oregonian*, February 25, 2003

### FRED GRANUM: A NEW LEADER

Oregonians are disenchanted with politics as usual. I offer fresh ideas and business skills with the conviction and leadership to make a difference. I am not a career politician. I am a business leader - ready to serve my state.

### FRED GRANUM: MY APPROACH TO GOVERNMENT

Last session, the legislature voted to increase taxes instead of controlling spending. That's wrong. Oregon taxpayers need a leader who will cut waste to balance the budget. I'll see that our government does more with what it has – and not raise taxes.

### FRED GRANUM: MY PRIORITIES

I am committed to fiscal responsibility, protecting the people's voice and common-sense land use.

#### Fiscal responsibility means:

- Identifying and cutting waste to balance the budget
- Demanding fiscal accountability
- Running the Secretary of State's office with small business efficiency

#### Protecting the people's voice means:

- Ensuring fair elections and redistricting free of partisan politics

#### Common-sense land use means:

- Balancing the management and use of state lands and natural resources

### FRED GRANUM: COMMON SENSE

**Family:** Married 20 years; three daughters.

### PAUL CONNOLLY - A FAIR VOICE - A SAFER OREGON

Dear Fellow Oregonian,

The choice you make for Attorney General is a very important one – it will impact both your rights and your future safety.

Justice should not be limited to those who can afford to pay high-priced fees. I have practiced law for over 19 years, bringing justice to farms, ranches, and small businesses across the state.

As an attorney and counselor, I have dedicated my life to strengthening and protecting Oregon's small businesses and family farms. As Oregon's chief prosecutor and law enforcement officer, I pledge to defend your rights and protect your safety. You should expect no less.

We are getting less, however. Crime is up and our quality of life is down. It's easy to see that meth and identity theft are ravaging our communities.

Despite the economic squeeze on our schools, our health care and our police, the present Attorney General has swollen his agency's budget, doubling spending in just a few short years. Yet ask yourself, are we safer today than we were four years ago?

Our world and our state are very different places today. It will take strong leadership and vision to ensure the safety and security of each Oregonian. I ask for your support and your vote so that together we can create equal protection and equal justice for all.

government WASTE WILL BE CUT.

Ritter is the only Republican candidate with a plan for fixing  
Oregon; he has already CREATED HUNDREDS OF JOBS HERE  
through nationally recognized infrastructure projects and fiber  
optic development. He wants solutions that benefit ALL agricul-  
tural users, not just a chosen few: WATER ADJUDICATION must  
continue unhindered.

The Legislature hurt us—they argued through an \$800,000  
special session and forced a \$1.2 million initiative to vote down  
taxes—again. Oregon is among the worst economies in the  
country and they are ultimately responsible.

Here there are no endorsements from special interests or  
politicians who wasted taxpayer money. There's only one  
endorsement Jeff Ritter values—YOURS.

- You are the thinking voter who values **knowledge,  
experience and integrity.**
- You choose action over big money politics.
- You demand **accountability.**

Ritter shares your values. Vote to make a difference. Make  
Jeff Ritter your next Senator.

**Occupation:** Farmer; Legislator

**Occupational Background:** Foster Grandparent Director – Non profit agency allowing limited income seniors to earn supplemental income acting as volunteers within classrooms

helping teachers and at-risk kids; ACCESS (a community action agency) fundraising, programs to prevent homelessness, providing job counseling and medical care for the needy; Gilman Dairy – Owner/operator of family dairy farm for 26 years.

During the 2003 session, **Gilman** served as Vice-Chair of the Agriculture and Natural Resources Committee and was a member of the Transportation Committee.

During the interim, **Rep Gilman** is appointed to the House Task Force on Land Use and the Joint Committee on Transportation, Trade and Economic Development. He serves on the Council of State Governments' Agriculture and Rural Policy Task Force.

We did accomplish significant goals in the 2003 session: PERS reform; funds to repair failing bridges; reduction of state employees; improved agency efficiency with greater consumer satisfaction and helping rural doctors obtain malpractice insurance.

District 55 needs a representative in Salem who can get things done, and I believe I'm that person. We have critical issues that face us, especially in land use reform. My goal is to get local control back into the land use planning process.

Other issues that need attention include job creation; public school funding; public safety; and care for our seniors in need. **I want the people of District 55 to know I am in Salem to help them.**

**Gilman** is a lifelong Oregon resident. He and his wife Sandy have two children and two grandchildren. Currently they raise feeder cattle and his volunteer activities include being a Key Communicator for Eagle Point School District 9 and Quail Point Rotary Program Chair.

**A Personal Letter From John Dallum To The Voters Of House  
District 59:**

Dear Neighbors,

My campaign platform is simple: I want to help find a  
solution to Oregon's funding crisis. **We must control the  
growth of state government** while offering basic services:  
public safety, education and human services.

I believe that while our economy is struggling we should do  
all we can to encourage businesses and job growth – and  
**not raise taxes on those Oregonians who are working.**

**In rural Oregon we need more jobs – not new taxes.** In  
the Legislature, I will do all I can to promote and protect our  
vital natural resource economy.

As a public school superintendent for 25 years I also  
recognize the struggles and challenges facing our local  
schools – and have **a proven record of solving them with  
innovative and successful solutions.**

If you believe as I do, in **lower taxes, and an efficient and  
accountable government**, then I hope you will vote for  
me in the Republican primary. Please feel free to call me at

• **Tax Reform:**

1. A constitutionally limited sales tax, low enough to attract  
Washington and California business. This sales tax  
cannot be raised except by a vote of the people.
2. Elimination of the capital gains tax, thereby stimulating  
business and creating jobs.
3. A residential homestead exemption from property taxes  
on the first \$150,000.00 value. (Oregon has one of the  
lowest per capita home-ownership rates in the country.)
4. An exemption on personal income tax of the first  
\$100,000.00 income.

• **Education:** Emphasize classroom instruction, not  
expanding administration.

• **Business /Jobs:** Use a common sense approach for the  
use of our renewable natural resources, giving first priority  
to economic development and creation of jobs.

**Oregon's issues are:**

1. Jobs and the economy;  
not personal social issues  
not lack of resources.
2. Reduction of governmental excesses and  
bureaucracy.
3. Tax reform.
4. Justice for every citizen and preservation of their right

**County Commissioner

**Scott R.

**Occupation:** Crook County Judge

**Occupational Background:** Crook County Judge since 2001; Executive Director, Prineville-Crook County Chamber of Commerce; Publications Director, National Cattlemen's Association

**Educational Background:** University of Missouri-Columbia, Bachelor of Journalism; Crook County High School graduate

**Prior Governmental Experience:** Crook County Judge; Prineville City Council; Central Oregon Regional Investment Board (chair); Central Oregon Area Transportation Commission; Central Oregon Regional Workforce Quality Committee; Local Public Safety Coordinating Council; Crook County Library Board of Trustees;

**Community Activities:** Rotary, Willows Parents Association, St. Andrews Episcopal Church, Crook County Historical Society, Prineville-Crook County Chamber of Commerce, Prineville Hospital Foundation, Prineville Performing Arts Association

Incumbent Scott Cooper has been proactive, fiscally responsible, community-minded and accessible. He has worked well with both Republicans and Democrats, and the results have been impressive. In 2001, an effort by Ochoco National Forest to relocate to Bend was blocked. Also in 2001, he fought to bring expanded telecommunications services to Prineville after Crook County was omitted from a state plan. In 2002, he appeared before Congress to obtain a right of way for Millican Road. In 2003, he worked with Rep. Greg Walden to restore federal funding for the Livestock Compensation Program. In 2004, he convinced the Governor's office to transfer the abandoned OYA facility in Prineville to the Oregon National Guard. Throughout his career, he has been a staunch advocate for private property rights. During his term, nearly 100 county-owned properties were returned to private ownership and the tax rolls, an ordinance was passed allowing destination resorts in Crook County, and the county was the first in the state to allow farmers to partition rocky, arid ground and transfer it to productive use. His commitment to fiscally responsible policy, has led to a reduced county budget and reduced county workforce with no impact on services to county residents.

**Educational Background:** New Mexico State University, 1978 - 1979, Police Science Major; Northern Arizona University, 1970 - 1975, Police Science Major/Accounting Minor; Numerous classes in management, EEO, Sexual Harassment, code of conduct, abnormal behavior, while with the Marshals Service. Was a member of both the California Association of Hostage Negotiators and the Hostage Negotiators of America, with more than 360 hours training.

**Prior Governmental Experience:** None. Other than working and submitting budget requests (including personnel, equipment, and hours), writing and issuing contracts, sitting on interview and hiring panels, making termination decisions, maintaining liaisons with numerous other federal, state, local, and public agencies and organizations.

It is my firm belief that a government is there to serve its citizens. All of its citizens! A government should be not only responsible to its citizenry, but, responsive as well. It should not dictate to its citizens, but rather reflect their wishes. Even if those wishes do not seem like the best path to those governing. And, a person should never have their voice silenced due to a "technicality"!

If we can not expect our elected officials to act in a responsive, responsible manner regarding the civil, as well as legal, rights of the individual, then there is little hope that the government will have the backing and support of the governed, and, will therefore, fail.

I have, admittedly, no experience running a local government. However, I do have extensive management experience, the ability to successfully work with all sorts of people, a good mind, two good ears, and, possibly most important, good common sense. All of which I believe will make up for my lack of experience, and serve the County well.

**Occupational Background:** Newspaper Reporter; Photographer; Editor; Associated Press Feature Writer; Communications Consultant,

**Educational Background:** High School; continuing education through college courses and corporate employee development training.

**Prior Governmental Experience:** None, other than reporting on city, county and state government for ten years.

I am 62 years old, healthy and energetic. For the past 13 years, my husband, Dan, and I have raised and trained Tennessee Walking trail horses for elderly and handicapped riders on our ranch in Summer Lake. We share five children and four grandchildren.

After graduating from high school in International Falls, Minnesota, I attended the local community college. Continuing education has been extremely important to me throughout my life and this March, I completed a course on Website design.

In the 70s, a job with a Minnesota daily newspaper provided me with the best possible education for a writer. During those years, I reported on city, county and state government, winning several state awards for photography, writing and advertising.

I went on to write feature stories for the Associated Press, then set up my own successful business as a communications consultant. Both of these jobs involved considerable travel.

With a background in business and corporate relations, I value fiscal responsibility and also understand what it takes to make a living in Lake County. If elected as County Commissioner, I will use my experience in writing, advertising, newsletter production and website design to work on improving communication between county government and the taxpayers. I also look forward to working with the other two commissioners to see that all of Lake County is fairly represented.

**Prior Governmental Experience:** Idaho Deputy Attorney General; Idaho Court of Appeals

The Oregon Supreme Court has systematically subverted the people's constitutionally-reserved initiative power. Such subversion must stop.

Without written decisions from the courts, we cannot know how the law is being applied. On appeals of decisions from below, Oregon appellate courts must neither affirm without opinion nor deny review without explanation. Oregon's Bill of Rights, section 10.

The separation of government powers required by Article III, section 1, of the Oregon Constitution has been systematically ignored. The legislature and the people decide what the law is. The executive executes the law. Courts apply the law to the facts to decide particular cases. Too often, the judicial power has been misused to create law. This must cease!

Justice delayed is justice denied. Every case should be decided and explained in writing within 60 days of oral argument.

I shall take, subscribe, and transmit my oath of office to the Secretary of State before I begin my service. My oath will be the oath specified in the Oregon Constitution and none other.

I'm a Christian. I'm a husband. I'm the father of two children. My faith, religion, and family are extremely important to me.

Because there shall be no religious test for any Oregon office, don't vote for me (or against me) because I am Christian. Vote for me because I will give the plain meaning of the law's words full force and effect. So help me God.

**Prior Governmental Experience:** Oregon Department of Justice, 1980-1997

**Judge Virginia Linder**

**Qualifying experience:** Virginia Linder began her legal career as an Assistant Attorney General in Oregon’s Department of Justice. In 1986, former Attorney General Dave Frohnmayer appointed her to be Oregon’s first woman Solicitor General. She was the state’s “chief appellate lawyer” and oversaw the work of more than 30 appellate attorneys in the Attorney General’s office. She also personally handled appeals in the Oregon Court of Appeals, in the Oregon Supreme Court, in the federal Ninth Circuit Court of Appeals, and in the United States Supreme Court. She was Oregon’s longest serving Solicitor General. In 1997, she was appointed to the Oregon Court of Appeals, and then was elected to that position in 1998.

**Other professional contributions:** In addition to other professional activities, Judge Linder frequently authors legal education materials and speaks on such topics as appellate practice, constitutional law, administrative law, and criminal law. She is a former board member of the Oregon Women Lawyers and remains active in that organization. She also is an adjunct law professor at Willamette University.

**Experienced. Hardworking. Professional.**

“Virginia Linder is one of the smartest and most hard-working lawyers I have ever known. She is the only person I know whose brief on the merits was so persuasive that the United States Supreme Court reversed the case without even scheduling oral argument. Virginia has a wonderful judicial temperament. She is courteous and collegial, and decisive without being abrasive. She quickly emerged as a leader on a court beleaguered by one of the heaviest caseloads in the nation.”

**Occupational Background:** I became a lawyer in 1981. As an employee, a small business owner, a CIA officer and a legal counsel for a business that won the Malcolm Baldrige National

Quality Award, I solved difficult, real-world problems. I’ve worked for the powerful and, more importantly, the weak and vulnerable. My experience and insight also include being a teacher, criminal court magistrate, cook, retail clerk, laborer and CPA.

**Educational Background:** LL.M. (with highest honors), National Law Center, George Washington University; J.D., Southern Methodist University; B.B.A. (with highest honors, honors program), Southwest Texas State University

**Prior Governmental Experience:** Central Intelligence Agency; Criminal District Courts of Dallas County, Texas

Dear Voter:

If you want change in Salem, vote for me. I know firsthand how families struggle to make ends meet. I also know firsthand the trauma of losing a job when a plant closes. I can make a difference in our state government.

Judges should only interpret the law, not make social policy. I believe in simple, straightforward principles: The greedy should not profit from their wrongdoing. The strong should not victimize the weak. The guilty should be punished justly.

A large part of my life has been devoted to working to protect our nation’s security. I firmly believe that our personal liberties are essential to the strength and survival of our country. I will never allow our rights to be taken for granted or to be eroded by politicians who prey upon our fears.

Our racial, economic, gender, religious and cultural differences also strengthen our country. Though these differences sometime seem to divide us, I believe that each person is equal before the law and each person has a right to justice.

Please vote for me.

During a second term as District Attorney for Baker County, I will work hard to protect our communities and to continue to make Baker County a safe place to live and raise our children.

During the last four years, I have strived to improve the way child abuse cases are investigated and prosecuted in Baker County. I will continue to build on this progress while taking a tough stance against offenders who harm children. Working closely with the Baker County Narcotics Enforcement Team, I will continue to fight against those who manufacture and distribute narcotics in Baker County. I will also work with the drug court to assist those who are addicted to drugs. Protecting seniors from financial fraud and assisting victims of domestic violence will also be a top priority.

To be successful, law enforcement must work as a team. I look forward to leading that team during the next four years. I will continue to build on the progress that has been made while setting new goals and standards for the entire law enforcement community. I love Baker County and look forward to the opportunity to continue the hard work of public safety as District Attorney during a second term.

**PROGRESS**

In the last four years there have been many positive changes to the district attorney's office. As promised, I have implemented a Youth Peer Court. We have already accepted volunteer students, conducted trainings, and have heard several cases. The future will see dramatic improvements in this program, as we were part of a grant written by our mental health office and will be receiving \$10,000 to operate and expand.

In the area of victim's assistance, we have vastly increased and improved the services and resources available to all victims. We have developed and implemented an anonymous survey that allows victims an opportunity to help us help them. In assisting victims of domestic violence, I work closely with crisis centers in both the north and south ends of our county.

The district attorney's office has achieved extremely close working relationships with law enforcement agencies and the other offices that assist in keeping our community safe. In addition, I am currently the chair of the local public safety coordinating council, as well as, the child and elder abuse multi-disciplinary teams.

**DEDICATION TO THE COMMUNITY**

My wife, our two sons, and I have been warmly welcomed and truly found a home in Lake County. It has been my pleasure to get involved in our community. I have been fortunate enough to coach a season of soccer, work with the local boy scouts, volunteer to help the booster club, and volunteer for our local "Grad Nights". While my family and I have made many new friends here, we look forward to making many more in the years to come.

**County Judge

**Steven (Steve) E. Grasty**  
Nonpartisan

**Occupation:** Harney County Judge

**Occupational Background:** Auto Parts Sales and Management in Burns 1971 to 1996. Business consulting 1996

through 1998.

**Educational Background:** High School graduate Ontario, Oregon 1969. Treasure Valley Community College 1971 Associate of Science.

**Prior Governmental Experience:** Harney County Commissioner 1995 and 1996. Chairman of the North East Forest Resource Advisory Committee, Community Response Team, Chairman of DEQ On-Site advisory committee, South East Regional Alliance and South East Oregon Area Comm of Transportation.

Working with you we held the first ever Eastern Oregon Economic Summit last summer here in Burns, we successfully lobbied the Governor to reopen the Oregon Youth Authority facility regaining many jobs, and we created an Office of Rural Policy at the state level. We secured almost 24 million dollars over six years for this county's roads and schools from the federal government but sadly then lost the local school funds back to the state. We saw an increase to the Payment In Lieu of Taxes of almost two thirds and the County finances are in a very positive condition. This community accomplished all of these during my first term and I thank you for your help on each of them.

I strongly believe that our children's well being is the most important topic for this county. Job creation in the private sector is next in importance, these two areas will continue to be my main focus in office.

It has been an honor and a privilege to serve as the Harney County Judge and I look forward to the opportunity to serve you for another term. I have worked hard the last 5 past years to represent you at the local, state and federal level. I ask for your vote on May 18. Harney County is my home and the best place anywhere.

Thanks and please vote, Steve Grasty

Our western heritage is of paramount importance but our economic base is slipping away. It can no longer be business as usual at the county government level. Harney County government must be entrepreneurial. We must market ourselves as the relocation destination for companies who place a dollar value on our rural life style in much the same manner as companies now place on traditional employee benefit packages. With the presence of state of the art fiber optics as well as a tower that allows wireless computer connections, we must rekindle economic opportunity for both the present and the future.

Agriculture, ranching and timber have been the cornerstones of our economy. Applied technology in these three areas would add value to traditional markets.

Incoming industry, partnering with existing industry, could benefit from minimized start up costs and enhanced productivity as well as tap into our ready to work labor pool.

We need to solidify the life style that we cherish so that future generations can continue to make their dreams come true right here in Harney County.

## Vote-by-Mail

### What is Vote-by-Mail?

Vote-by-mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

### As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 30 and May 4, 2004. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated drop site.

### What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at drop site locations elsewhere in your county. For further information, call your county elections official.

### What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

### What if I have moved and have not updated my registration?

If you were registered to vote by April 27 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

### Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated drop site in the state. The times and locations of drop sites are available at your county elections office.

### How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 37¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

### When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated drop site by 8:00 p.m. on election night.  
Postmarks do not count!

### How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

### Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

### What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8:00 p.m. on May 18, the ballot will not be counted.

### Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

### When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8:00 p.m. election night and will continue to be updated through election night until all ballots have been counted.

## Voters with Disabilities

If you are unable to vote your ballot without assistance because of a physical disability or because you are unable to read or write, contact your county elections official. They will provide two persons to assist you in voting. In order to assure the county receives your voted ballot by election day, contact your county elections office early to arrange for assistance. You may also select someone else of your own choice to assist you.

A cassette edition of the Voters' Pamphlet is available for Oregonians who cannot read standard print due to a visual or physical disability. To order a cassette of the Voters' Pamphlet, please contact Independent Living Resources at 503-232-7411.

## Primary Elections

At the May Primary Election, the two major political parties (Democratic and Republican) nominate candidates to appear on the General Election ballot.

In 2004, Oregon's Democratic and Republican parties have chosen to nominate their candidates in a "closed primary" election. In a "closed primary" election only persons who are registered members of a major political party may vote the ballot of that political party.

Persons registered as not affiliated with a political party will receive a ballot with measure and nonpartisan candidate information.

## Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 13. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by election day, Tuesday, May 18, 2004.

### Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

## Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.
