BILL BRADBURY
SECRETARY OF STATE

PADDY J. MCGUIRE
DEPUTY SECRETARY OF STATE

JOHN LINDBACK
DIRECTOR

141 STATE CAPITOL
SALEM, OREGON 97310-0722

(503) 986-1518

Dear fellow Oregonian,

It's a challenge to get people to vote. I don't know why, but that's a fact. As your Chief Elections Officer, I'm working hard to remove every obstacle I can to help you vote this fall. This year, we've made it easier than ever to cast your vote – and to know it gets counted.

As part of the Help America Vote Act, we've implemented new tools to answer every question you can think of about voting:

- What if you're a college student, registered in your home district, but living on a campus in another county?
- What if you have a physical disability that limits your movement or vision? How can you vote privately and independently? (Hint: it's possible now like never before.)
- What if you're a soldier in the field? How do you get your ballot so far away?

All of your questions are answered by a real, live Oregonian at our toll-free voter information line: 1-866-ORE-VOTES (1-866-673-8683) or through our TTY line for the hearing impaired at 1-866-350-0596. Elections representatives are available, Monday through Friday, 8:00 am to 5:00 pm – or you can log onto our website and look for your answers there anytime at www.oregonvotes.org.

Remember: you have to return your ballot so it's received in your county elections office by 8:00 pm on Tuesday, November 7th.

Our ability to vote in free, fair elections is one of the things that makes America great. Please take the time to read about the candidates in this pamphlet so that you can make informed choices. Then fill out your vote by mail ballot and return it to your county elections office by 8:00 pm on November 7th.

I thank you for choosing to engage in our democracy by voting. Your participation is the foundation of Oregon's future.

Best wishes,

Bill Bradbury
Secretary of State

General Information

Voters' Pamphlet

Your official 2006 General Election Voters' Pamphlet is divided into two separate volumes. This is Volume 2 and contains information on candidates. You should have already received Volume 1, containing information on the statewide measures. If you have not received Volume 1, please call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

In this volume, partisan candidates appear before nonpartisan candidates. All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background, and prior governmental experience—has been certified by each candidate.

Volume 2 also includes other voting aids, such as a complete listing of state candidates, ballot drop site locations, and ballot instructions. If your county has chosen to produce a voters' pamphlet in conjunction with the state, drop site locations will appear in your county voters' pamphlet, which is in the center of this pamphlet.

Candidate statements are printed as submitted by the author. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

ORS 254.155 requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2006 General Election is:

C, X, E, T, K, Y, B, V, F, W, P, A, L, D, U, H, G, N, O, Z, Q, M, J, S, R, I

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.oregonvotes.org

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by November 2. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8:00 p.m. election day, Tuesday, November 7, 2006.

Postmarks do not count!

County elections offices are open on election day from 7:00 a.m. to 8:00 p.m.

Voters with Disabilities

Voters with disabilities who need assistance with marking their ballots now have an opportunity to vote privately and independently. Each county elections office in Oregon has been equipped with a voting system for use by voters with disabilities.

Voters with disabilities who use assistive technology such as a computer with a screen reader or screen enlarger application to access printed material now have an alternative to the printed ballot. It is called a HTML (Computer) Ballot. The HTML (Computer) Ballot requires that the voter have a computer, web browser and printer and allows the voter to vote privately and independently from home.

Like the way things are? Vote for another Republicrat.

Tired of the Constitution being ignored by those who swear to uphold it?

Tired of the failed politics of tax and spend?

Tired of just getting lip service to the moral foundations of society?

Elect a God-fearing, Constitution-honoring, traditional-family man!

Jack is pro 2nd Amendment, 100% pro life, supports parental rights, educational choice, free enterprise, deregulation of cottage industries, adoption of right-to-work legislation, supports only environmental policies recognizing property rights and human needs.

Jack advocates protecting our borders AND keeping our nose out of other nations' business. **No Amnesty! No undeclared wars! GET US OUT!**

Jack will vote "yes" only for legislation that establishes or maintains programs authorized by a direct grant of authority in the Constitution and only when our country can afford them.

Jack will introduce legislation to repeal unconstitutional laws currently on the books and to rein in judicial tyrants (by limiting their appellate jurisdiction) and a runaway executive branch.

Jack opposes eminent domain confiscations.

Jack will take his oath of office seriously, defending our entire Constitution and Bill of Rights, including Article X guaranteeing state sovereignty.

Jack believes government exists to protect our unalienable right to life, liberty, and property enumerated in our national birth certificate: The Declaration of Independence.

Instead of making crime a source of revenue for government and big business, Jack advocates restitution to crime victims and elimination of victimless crimes: **Repeal seat belt and helmet laws!**

Jack advocates abolishing the federal income tax and returning to tariffs (which protect our domestic businesses) to fund government, with the balance of federal funding coming from excise taxes and a levy apportioned among the states as provided by the Constitution.

Jack says, "Boycott slave-labor produced goods and don't export our jobs!"

Our Constitution requires members of the House be elected every two years, so **WE THE PEOPLE can judge them not by their words but by their deeds.**

When he stands for re-election, Greg Walden uses the million dollars his mostly corporate sponsors donate to pretend he is a moderate.

What's his real voting record? **He supported the Bush and extremist-Republican agenda 94% of the time.** He supports Bush's failed stay-the-course policy in Iraq which is costing the lives of our brave soldiers and bankrupting our country. **Walden's votes have been harmful to our communities, schools, hospitals, students, and soldiers.** He isn't looking out for our interests:

A Better Energy Policy for America

As a leader in the renewable energy effort in Congress, Greg Walden has supported incentives to develop wind, solar, biomass, geothermal and alternative fuel sources. He wants America to become more energy independent, and supports new research and technology to get us there.

Sustainable Stewardship of Our Forests

After helping write and enact the Healthy Forests Restoration Act to make our forests healthier and our communities safer from wildfire, Greg's bipartisan legislation to speed removal of debris and replant trees in fire ravaged forests recently passed the House. His plan will create jobs and fund restoration efforts.

Improving Access to Health Care

Greg's efforts to improve home health care and access to rural health care have earned him national awards. As a small business owner and former community hospital trustee, he's putting his experience to work to improve access to health care in rural America.

Listening to Us, Working Hard for Us

Returning to Oregon nearly every week from our nation's capital is part of Greg's way of staying in touch with us. While making more than 280 roundtrips, he's still been there to vote in Congress nearly 99% of the time the last eight years.

"U.S. Representative Greg Walden of Hood River keeps track of his trips to visit constituents in Oregon's massive 2nd Congressional District. This week marked his 263rd roundtrip from Washington, D.C. since taking office in 1999...But Walden's travel record is good for more than gee whiz statistics. It's a reminder that a politician's worth is directly related to his connection to the people he represents. Walden deserves credit for staying in touch." *East Oregonian*, February 25, 2006

Official 2006 General Election Voters' Pamphlet

General Information

Vote by Mail

What is Vote by Mail?

Vote by mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between October 20 and 24, 2006. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by October 17 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. The times and locations of dropsites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 39¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. **Postmarks do not count!**

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8pm on November 7, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by November 2. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, November 7, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

Provisional Ballot Information

You will be issued a provisional ballot if:

- there is a question about your eligibility as a voter (for example, there is no evidence on file that you are an active or inactive voter in Oregon)
- you need to vote at a County Elections Office in a county other than the one you live in

In order to obtain a provisional ballot, you need to fill out a Provisional Ballot Request Form in person at the County Elections Office.

Your provisional ballot will not be counted until it is determined that you are eligible to vote.

After you have voted the ballot, you can call 1-866-ORE-VOTES (1-866-673-8683) or the County Elections Office in which you voted to find out if your ballot was counted. If your ballot was not counted, you can also find out the reason it was not counted.

If it is determined that you are ineligible to vote in this election, the completed Provisional Ballot Request Form will serve as your voter registration for future elections.

Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

Our state government is a mess because career politicians bicker and corporate lobbyists have too much power.

Both Democrats and Republicans have failed our state.

Why vote for the same politicians and parties who, year after year, fail to solve our problems?

It's time for a change.

I'm running for governor to represent working families. All Oregonians deserve good schools, health care and economic opportunities.

Oregon can afford the best schools and health care. Big companies must pay their fair share. I will raise the taxes for the largest and most profitable companies that do business in Oregon.

Health security for all
Every Oregonian should have access to quality health care. Health care is a right not a privilege for the rich.

Peace now
I will bring Oregon's National Guard troops home from Iraq and the Middle East. Our brave men and women should not fight distant wars for oil and greed. They should work in Oregon, making our state stronger.

Building an energy independent Oregon
As governor, I will make conservation our state's first priority. I will establish a network of public rural energy cooperatives. The network will supply the energy needs of communities with biodiesel, biomass, solar, geothermal and wind power.

Preserve Oregon's natural resources
I will protect our wonderful parks, forests, oceans, rivers and wildlife from timber, mining and grazing industries. I will stop companies from using our streams, rivers and ocean as a dumping grounds for their toxic waste.

I have been a leader all my life, beginning with my service in the military. I have fought hard for our country, and to keep Oregon's public lands beautiful.

I ask for your vote so that together we can make Oregon shine again.

Representing Working Oregonians

Who you are as Governor is really about who you represent.

I've said many times that the people most responsible for helping me become who I am today were the nuns who raised me, the Marine Corps Instructors who taught me discipline, and the taxpayers who gave me the opportunity of college through the GI Bill.

When I went into public service, I wanted to represent people like them – working families... retirees... ordinary people like you and me. That's why I'm committed to:

Improving Education. We've restored millions of dollars to our classrooms, and my education plan will increase and stabilize school funding so we can reduce class size, never again cut school days and invest in job training and higher education.

Lowering Healthcare Costs. I've taken on drug companies so Oregonians can have lower-cost prescription drugs. I have a plan to provide healthcare for Oregon's 117,000 uninsured children and reduce healthcare costs for working families.

Keeping Communities Safe. Since taking office, we've enacted America's toughest meth laws and cut the number of labs by 70 percent. I am committed to continuing this fight and restoring 24/7 State Police patrols throughout rural Oregon.

Creating Good Jobs. Today more Oregonians have jobs than ever before, we've gone from having the highest unemployment rate to the fifth fastest growing economy. We achieved these successes because we made it attractive to do business in Oregon by cutting 250,000 pages out of regulatory permitting, expanding online services, and investing in infrastructure, research and technology.

I'm proud of the progress we've made over the last four years, but the best is yet to come. Please join teachers, firefighters, nurses, and thousands of Oregonians in supporting me again for Governor.

• FUND EDUCATION AND PUBLIC SAFETY FIRST

In Oregon's budget process, kids should not be at the end of the line. Time after time, the legislature passes agency budgets first. By the time education budgets are discussed, most of the money has been spent, creating a crisis. I will veto any budget bill that reaches my desk before the education and public safety budgets do.

• SWAP INCOME TAX FOR SALES TAX

Let's eliminate Oregon's income tax in exchange for a revenue-neutral sales tax. Certain living essentials would be exempt. This would be a constitutional change, so the legislature could not reintroduce an income tax without a vote of the people. The tax rate would be lower because tourists and those in the underground economy would join the tax base.

• PROTECT CIVIL LIBERTIES

Terrorists win if the price for security is our civil liberties. I support making privacy an explicitly protected right in Oregon's constitution. I will keep our national guard out of foreign conflicts. I support a woman's choice regarding abortion. I support Oregon's Death with Dignity and medicinal marijuana laws. Oregon should get out of the "marriage business" entirely, return control of the marriage sacrament to churches, and offer civil unions to all couples regardless of gender mix.

Occupational Background: Farming/Law/Business

Educational Background: Albany Public Schools; Willamette University;

Prior Governmental Experience: School Board Chairman

Family: Wife Lynne; son Andy

Community Service: Boy Scouts; Higher Education Roundtable; Portland Schools Foundation; Various Business Boards

Ron Saxton **Improving Schools**

The Challenge: Measured by class size, dropout rates and student achievement, Oregon's schools are struggling. More money alone won't fix the problem.

The Solution: A Governor who will make big changes.

- As School Board Chairman, Ron helped schools save millions through better management and privatization of non-instructional services. He introduced more school choice, cut administrative waste, and supported regular audits and transparent budgets.
- To boost student achievement, Ron will maximize dollars spent in the classroom, encourage paying teachers based on performance rather than seniority, and reduce class sizes by reducing bureaucracy.

Responsible Fiscal Leadership

The Challenge: Too often Oregonians are choosing between higher taxes or reduced services.

The Solution: A Governor who delivers smarter management.

- Ron will establish clear priorities for state government, eliminate non-essential functions, hold agencies accountable for performance, and engage the private sector to deliver services more effectively and efficiently where appropriate.
- Ron will hold the line on taxes. He opposes a sales tax, will return your Kicker refund, and will cut the cost of Oregon's government bureaucracy 10% within four years.

Growing Oregon's Economy

The Challenge: Improving wages and creating better jobs.

The Solution: A Governor with a pro-jobs, pro-business attitude.

- Ron will reform Oregon's harsh regulatory climate, reduce the capital gains and estate taxes, and ensure Oregon's universities and community colleges are magnets for business investment.

Leading for Oregonians

- Rebuilding Oregon's State Police and cracking down on drug dealers and property crimes.
- Reducing healthcare costs.
- Stopping Oregon from issuing driver's licenses to illegal immigrants.
- Protecting private property rights.
- Promoting renewable energy.
- Supporting Oregon's natural resource industries.

The 2 "**BIG BOX**" **political parties** have been compromising
on issues for so long, it's nearly **impossible** to tell one from
the other.

Face it.

Virtually every aspect of our lives is coming under more and
more government control.

As governor I will fight to **END:**

Illegal immigration. Oregonians are being crushed under
the weight of educating, incarcerating, and medicating the
thousands in our state unlawfully.

Oregon taxpayer funded abortions. The Oregon Health
Plan uses **your** money (over \$1.5 million per year!) to kill 4,500
pre-born Oregonians. I won't sign a budget that pays for ending
the lives of innocents.

The illegal deployment of the Oregon National Guard
to foreign countries to fight unconstitutional wars. U.S. and
Oregon Constitutions agree – our troops were sent to Iraq and
Afghanistan **illegally**. I will demand their return.

Attacks on private property rights

State control of a bloated, ineffective education system.

Decentralize the schools, give control back to local school
boards and parents, allow **education dollars** to follow stu-
dents. **Support home schooling parents.**

Out of control child protective service agencies

Forced drugging of children

**Corporate data-mining of Oregonians' personal/
financial information.**

Requiring taxpayers to prop up a failed PERS system.
Replace with a 401k type program. Privatize administration.

All legislation aimed at eroding the 2nd Amendment.
Gun owners' rights must not be compromised!

Spending nearly DOUBLED in 10 years, limit to changes in
inflation/ population

Demand elected official's respect. Remember, **they** work for

Lifelong Oregonian, working as a bipartisan Democrat for all Oregonians. I will bring to the legislature someone whose actions will match their words and who has demonstrated to be someone who can think for myself.

Top Priority Issues

- 1. Stop Partisan Politics** - When elected officials start working for the Oregon citizens instead of their party leadership, Oregon will start to move ahead.
- 2. Create Stable Funding For All State Agencies** - If Oregon stays with its current tax structure, if is imperative we develop a protected rainy day fund.
- 3. Bring Folks Back Into The Political Process, Especially Our Younger People** - It is time our elected officials start demonstrating the same behaviors we taught our children to display while playing in their sand boxes. (The Golden Rule)

In interest of doing what is best for Oregonians, it is time to bring people to Salem who are willing to step back and make a concerted effort at attempting to look beyond a rigid partisan position regarding state issues and who work toward acceptable compromises.

Let's change the chemistry in Salem. I'm running for the Oregon Legislature because I want to move Oregon forward. I have a plan to build a clean, healthy, educated Oregon. My plan features solutions for school funding, affordable health care, and a comprehensive energy policy. It's time for the Oregon Legislature to represent your values - not the values of powerful special interests.

I hike Pilot Butte every morning. Early settlers to the area used Pilot Butte as a look-out and landmark before they forded the Deschutes River, and made their way west over the Cascades. As I look out over Central Oregon's spectacular natural beauty along with its incredible economic growth, I wonder how can we maintain this precious environment and still allow our economy to thrive. I always return to one solution: Invest in our children, invest in education, and invest in Oregon. My vision includes believing in community, by using the common wealth for the common good.

Oregon has had a tradition of well thought-out bipartisan solutions, but for the past sixteen years the Oregon House has been stopped from doing its job. No longer should special interests and partisanship be allowed to block solutions for funding education, affordable health care and energy independence. Oregonians deserve legislators that work together for what's best for Oregon. Today you can help give Oregon a representative they can trust.

My pledge is to listen and to speak up for you. I want to represent you in Salem. I have a plan for the issues that affect all of us.

Occupation: Retired

Occupational Background:

Superintendent

Educational Background:
Masters in Education
Administration, Central

Washington University; B.S. Northern Montana College

Prior Governmental Experience: State Representative District 59; Vice Chairman School District 21 The Dalles

Community Involvement: Board member Columbia Gorge Discovery Center; Member: Lions, Kiwanis, and Zion Lutheran Church

I hope that you will vote to reelect me as the Representative of District 59 to the Oregon House. In the last session I served as a voice for this district by standing up for small business, securing funding for building the prison in Madras, and working to fund needed improvements at the Columbia Gorge Community College. I will continue to work hard as a voice for House District 59.

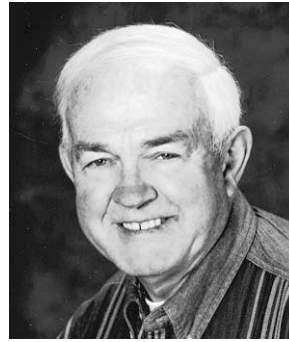

I plan on ensuring and maintaining excellence in Oregon schools. I believe that we must work to guarantee the continued existence of our rural schools. Maintaining operations of our small rural schools is crucial to the wellbeing of our communities.

I want to protect our local businesses. Independent enterprise is the force that sustains our local economies. In the last legislature I supported legislation for small business, and voted against higher fees and taxes that undermine the existence of our local business. I recognize the crucial role of Agriculture in our economy as well. I will work to ensure that the state works with local agriculture producers, as a partner not an adversary.

I believe in maintaining strict oversight of spending. The legislature plays a key role in ensuring that your tax dollars are not wasted; I want to return to Salem and ensure that dollars are spent wisely. I will work to make sure projects are done on time and on budget.

Cast your vote so I can return to Salem and continue to provide effective leadership.

Gilbertson**
Democrat

Occupation: Farmer

Occupational Background:
Supervisor and quality control
for Willamette Industries Mills

Educational Background:
Attended Eastern Washington

College of Education

Prior Governmental Experience: Democratic precinct committee person

Family: Jim and Althea Gilbertson have three children and four grandchildren

A Fair, Frugal Farmer to Represent a Rural District

There are many legislators from Eastern Oregon who talk about rural issues, but few can match Jim Gilbertson's background in Oregon's timber and agriculture industries. Jim rose quickly from a young mill worker to mill supervisor. After he "retired" Jim bought a piece land in Jefferson County and is a thriving hay farmer. He knows firsthand how important these industries are to Oregon and will fight to preserve them.

A Representative for us, not the Salem leaders or lobbyists

Jim's opponent nearly always votes as his party's legislative leadership instructs him, and Mr. Dallum's leaders represent the Portland Metro area. Jim will never allow any legislator or lobbyist to dictate his voting record. He will build bridges and will represent Democrats, Republicans, and Independents from District 59.

A Representative who will listen

As a union mill worker and then manager, Jim learned the value of compromise, team work, and common interests to get the job done. The backroom deals and blocked legislative votes in the 2005 legislative session are unacceptable to Jim. He will listen to any idea and vote for any bill he thinks will help the residents of Dist. 59

A Representative who will fight for living wage jobs

Jim watched with sadness as his company had to dismantled sawmills in the 1980s. Jim knows that creating jobs in Portland doesn't make a strong statewide economy. Jim will work with leaders in business, labor, politics, and communities to bring family wage jobs to his district. As someone who has paid for health insurance as a farmer, Jim will try to contain health care costs and expand coverage.

Restore the United States to "One Nation Under God"

Return to Constitutional, Limited Government

**Require Congressional Declaration of War

We are often asked, "Why not reform the two big parties?" It may be hard to admit but an honest appraisal shows that both parties are corrupt, addicted to 'big money', with no intention of ever returning to limited Constitutional government that puts the people's freedom first. What do you think will be the result of letting our government continue to make up its own rules? The horror of legalized baby killing is one result. Can you think of other social and economic degradations that runaway government has brought us?

DECLARE YOUR INDEPENDENCE!!!

DON'T WASTE YOUR VOTE!!!

Send a real message this year. Vote for what you want instead of some compromised down version of our American ideals. This citizenship business is not a game. It is a stewardship for which we will be held accountable by our Creator and our children's children.

If you are tired of seeing America on a down-hill slide morally and economically, If you question the long term consequences of a worldwide American empire, If you are weary of a government that tries to be god while it mocks the true God, Then consider Our Constitution Party candidates. They are pledged to the platform listed above.

In office they are each committed to:

- vote no on budgets that include taxpayer \$\$\$ for abortion**
- institute spending limits and individual efficiency audits for state programs**
- return authority to local school boards and parents**
- returning illegal aliens to the country they came from**
- end the practice of exporting American jobs**

Democratic Party Statement

The Democratic Party: Leadership For Oregon, A New Direction For America

Elections are about accountability.

This November the choice for our country couldn't be more clear or important.

We can unite behind Democrats to restore America's strength and prosperity. Or we can stay the course and allow George W. Bush's dangerous agenda to go unchecked for two more years.

No one is well served when the truth and good ideas become regular victims of blind partisanship and deception. Yet, that's exactly what's happening in Washington and during 16 years of Republican control of the Oregon House.

The time has come to take a stand.

The policies of George W. Bush and rubber stamp Republicans across the country like Ron Saxton and Oregon Speaker Karen Minnis are destroying our great democracy. Drunk with power, Republicans have governed with an arrogance that is outdone only by their catastrophic failures.

The costly occupation in Iraq, the shameless neglect of Katrina victims and Oregon kids being forced into increasingly crowded classrooms are not random accidents. Worse, they're the direct result of a deeply flawed and morally bankrupt right wing ideology that has hijacked today's Republican Party. Don't let them get away with it any longer.

You have the power to restore progress and common sense priorities by voting Democratic this November.

It's time to come together.

Democrats know that, as Oregonians, our shared values are far greater than our differences. There is no challenge facing our state or nation that is too great to overcome when we work together.

Democratic values are Oregon values. We cherish our natural environment that makes living in Oregon special and we share a commitment to quality schools, safe communities, and good paying jobs.

Together, we can launch a new era of leadership that rekindles Oregon's spirit of innovation and restores America's reputation in the world.

The Democratic Vision

Strong Schools For Our Children

Every child deserves a full opportunity for success that is not threatened by overcrowded classrooms, shortened school years or administrative waste.

Real Security

Defeating terrorism starts with telling the truth to our citizens, troops and allies. Oregon Democrats in Congress opposed Bush's war in Iraq from the outset and will continue to demand accountability until our brave troops are home.

Energy Independence

We will invest to make Oregon a leader in renewable energy and we will create a cleaner, stronger America by reducing our dependence on Middle East oil.

Economic Prosperity

Democrats will restore fairness by making big corporations pay their fair share and rebuild our middle class economically. We will create good Oregon jobs by promoting small businesses, sustainable industries and continuing to improve our transportation infrastructure.

A Health Care System That Works For Everyone

We will catch up to 36 other industrialized nations by making sure that everyone has access to high quality, affordable health care. No family should have to worry if a child's trip to the doctor will push them to the brink of bankruptcy, and no Oregonian should ever have to choose between buying medicine and paying rent.

Retirement Security

We will ensure that a retirement with dignity is the right of every American. We will block Republican schemes to dismantle Social Security and Medicare, and we will promote laws to protect pensions and encourage financial independence.

2006 Ballot Initiative Positions

You have important decisions to make about initiatives appearing on this year's ballot. Many times, these sound simple, but have tremendous consequences.

We hope you will consider your vote carefully on each of these initiatives. The Democratic Party of Oregon has taken the following positions:

- **Measure 40: OPPOSE**
- **Measure 41: OPPOSE**
- **Measure 43: OPPOSE**
- **Measure 44: SUPPORT**
- **Measure 47: OPPOSE**
- **Measure 48: OPPOSE**

Libertarian Party Statement

TIME FOR SOMETHING NEW. VOTE LIBERTARIAN.

www.lporegon.org

We are Oregon's third largest political party, with about 16,000 members. At the local level, **Libertarians win about two-thirds of the races they enter**. Libertarians serve in public office throughout Oregon as members of your school boards, water boards, city councils, planning commissions and similar bodies. **Libertarians in government consistently vote to maximize your freedoms, protect your rights, and minimize the intrusion of government into your lives.**

Are you tired of voting for the lesser of two evils? **Then stop doing it.** Republicans and Democrats have convinced millions of average citizens that they are powerless to take control over their communities. That's why many people don't vote. **Don't Buy the Lie.** You and your neighbors have real political power. **If you want a different world, start voting differently.**

This year, don't waste your vote on Republican and Democratic candidates. Their ideas and politics got us into our current mess and can't get us out. If you always do what you've always done, you'll always get what you've always had.

We offer this guide to voters concerning this year's ballot measures:

MEASURE 48: YES

Sustainability is good for the economy just as it is for the environment. In the long run, it is impossible to sustain spending growth that exceeds population and inflation. Without Measure 48 there will be no "Rainy Day Fund" and people will become dependent on government services, only to lose them during lean times. In the long run, a YES vote is the compassionate choice.

MEASURE 45: YES

Are you satisfied with the leadership our "experienced" legislators are providing? Service in a citizen legislature was never meant to become a career, and incumbents have written laws making it difficult for challengers to mount strong challenges. Term limits will return the legislature to the citizens and wrest control from the lobbyists.

MEASURE 39: YES

Government should never be allowed to seize your home in order to give it to a developer who promises to generate more tax revenue. This is legalized theft.

MEASURE 46: YES

The current system of regulating elections and election finances is designed to protect incumbents. The laws are so complicated that it is difficult and financially perilous for political challengers and citizen groups to seriously challenge an incumbent. This measure will make it hard for them to make the problem worse.

MEASURE 41: YES

Your taxes will go down, and your taxes will be computed more fairly.

MEASURE 42: NO

If insurance companies can establish a link between risk and any legal criteria, they have the right to price their products accordingly. Stacking the deck against insurance companies will only drive them away, leaving people with fewer companies who will have more control over the market - that's a REAL formula for high prices!

MEASURE 44: NO

People complain about pharmaceutical companies, but they sure like their medications. By opening the Prescription Drug Program to all, we effectively place a tax on pharmaceutical companies. Such companies may seem little more to us than faceless corporate targets for populist rage, but they are the ones who invent the drugs we need. It makes little sense to erode financial incentives to create new and more effective medications.

MEASURE 47: NO

Reporting requirements on political campaigns are supposed to provide legal transparency. Instead, they create fear. Too often, individuals and groups with something to lose are afraid to contribute to political challengers for fear of antagonizing incumbents. What kind of democracy is that? Such regulations have a chilling effect on the democratic process. Restricting the ability of candidates to project their messages isn't the answer either. Big money doesn't always win, and voters have the ability to think for themselves. It is ironic that some who claim to treasure democracy place so little trust in the voters.

Pacific Green Party Statement

Live Green? Vote Green.

Our world is in peril from war, greed, corruption, pollution and fear. We must do better.

While Democrats and Republicans bicker, and our planet grows sicker, Greens are creating change in communities across the country. We are growing. There are 11 Green elected officials here in Oregon and more than 200 nationwide.

Green change is possible with your vote. Don't let the other parties fool you into believing that you don't have better choices. We can have a country where our children can grow up healthy and strong. They will learn in schools that are rich in resources and opportunity.

We can have honorable elected officials. Don't settle for less. Vote for people who reflect your values.

Peace now

Join us to help bring peace to our war-torn world.

If we elect leaders who have peace in their hearts, then we can peacefully resolve conflicts at home and abroad. Greens oppose wars waged for oil and profits. Our position is clear: stop the wars and bloodshed in Iraq and elsewhere. Never torture prisoners or anyone else. Bring our troops home now.

Shame on Democrats and Republicans for so recklessly sending our children to war.

Protect our planet

Global warming is a disaster we must stop now. Renewable energy, clean air and water are our priorities. We must safeguard our natural heritage and beautiful landscapes from the timber, mining and ranching industries.

Why do Democrats and Republicans do so little to protect the environment? They are corrupt. In exchange for big campaign contributions, they do the bidding of big business. Greens believe that conservation and preservation of nature are more important than corporate profits.

Build our economy by helping working families

Our first economic priority is to raise the minimum wage to \$9 for all workers. By guaranteeing a living wage to workers, we will bring them hope. We will make sure that working families can meet basic needs like food and housing. Our second priority is to expand workers' rights to organize, bargain and strike.

Democrats and Republicans rarely put the needs of working families first. They are too dependent on corporate contributions. Greens are not for sale. We won't sell out because we are from working families like yours.

Health care for all

Every Oregonian should have access to quality health care. Health care is a right, not a privilege for the rich.

We will stop pharmaceutical companies from ripping us off. We will end the mess that insurance companies and HMOs create when we need medical care. We will not compromise our principles like most politicians.

Make big corporations pay their fair share

Greens have the courage to look big business in the eye and demand they pay their fair share of taxes. Why? Unlike the other parties, we don't take corporate contributions and perks.

It's time to end corporate welfare for the largest businesses. They ought to pay more so that we can have better schools, health care and environmental protection.

And it's time to get big money out of politics. The Pacific Green Party is pledged to endorse and work for Campaign Finance Reform Measures 46 and 47.

Excellent education

Our children deserve the best schools in the country.

Those of us who love children know that there is no time to waste. Schools must be restructured so that our children receive the attention and care they deserve. We need to focus less on test scores and more on true learning and understanding. We must give teachers the right equipment and resources to do their jobs well.

Let's face it: money won't solve our education crisis, but it will help us make sure that our school buildings are safe, children have the books and supplies they need to learn, and our school employees are paid what they deserve.

Join us. Vote Green.
