OFFICE OF THE SECRETARY OF STATE

BILL BRADBURY
SECRETARY OF STATE

PADDY J. McGUIRE
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION

JOHN LINDBACK
DIRECTOR

141 STATE CAPITOL
SALEM, OREGON 97310-0722
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making to increase your confidence in a safe, reliable, and easy-to-navigate elections system.

Our toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 is available every business day all year long from 8:00 am to 5:00 pm if you have any questions about your ballot or about voting.

Under the federal Help America Vote Act, we have implemented a new Centralized Voter Registration system that keeps our voter rolls clean and up-to-date, and we are working on ways to make voting more accessible for people with disabilities.

The federal law also imposes some new identification requirements. If you are registering to vote in Oregon for the first time, you must provide your Oregon Driver's License number, or if you do not have a Driver's License, then you must provide the last four digits of your Social Security number. If you do not have either a Driver's License or Social Security number and are registering by mail, then you may provide a copy of other forms of identification listed on the voter registration card.

If you have moved, or changed your name, you must fill out a new voter registration card, but you do not have to provide ID. Be sure to put your old information in the "updates" section at the bottom of the card.

Voter registration cards are available online at www.OregonVotes.org, from your local DMV or county elections office, or in this pamphlet. If you are registering for the first time, you must register by April 25 to participate in this election.

For those of you who are already registered to vote, please return your ballot so that it is received by May 16. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

Best wishes,

A handwritten signature in black ink that reads 'Bill Bradbury'. The signature is stylized and cursive.

Bill Bradbury
Oregon Secretary of State

General Information

Voters' Pamphlet

Your official 2006 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2006 Primary Election ballot.

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2006, Republican candidates appear first.

All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

Miscellaneous voting aids, including dropsite locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2006 Primary Election is:

M, Z, E, R, C, B, U, Y, Q, F, A, T, S, W, I, K, N, L, G, O, J, X, P, D, V, H

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.sos.state.or.us/elections.

Español

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

Duties and Responsibilities of Republican Precinct Committeepersons

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. A Precinct Committee Person (PCP) is the “face” of the party and an “advocate” for Republican political principles in their neighborhoods and communities. They are asked to attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership on the county, state and national levels. You may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct with a candidate, introducing the candidate to friends and neighbors. You may also be asked to participate in making phone calls and distributing campaign materials in your precinct. You will become the Republican Party in your community.

PCPs should be able to convey these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

This fall, Oregon Republicans will work to retain and extend our majority in the House chamber and increase the Senate minority to majority status in the Oregon Legislature. We will also work to elect Republican representatives to the United States Congress and a Republican governor. PCPs will play key roles in bringing about these victories.

While Republican precinct persons are encouraged to support the candidates of their choice in the primary election, it is expected that PCP’s, as representatives of the party during the general election, will support all Republican candidates receiving the party’s nomination.

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. You may send e-mail to info@orgop.org or visit our website at www.orgop.org

Reasons For Seeking Election: I am seeking to be elected your next Governor in order to give you the tax relief to which you are entitled by law, to get you your civil and constitutionally guaranteed monetary rights under the Oregon and United States Constitutions, and to create more jobs in Oregon. I intend to implement your relief by both a 50% property tax reduction and a 90% capital gains tax reduction immediately upon election November 7. This relief occurs for you because of legal errors and ignoring of Oregon and United States Constitution requirements. I intend also to take Oregon properly into the international community by implementing a \$1 Oregon Income Tax Credit for you and all taxpayers, whenever any business headquartered and incorporated in Oregon has, establishes, or maintains an operating office or business enterprise in any foreign country or territory that maintains a full circulating gold and silver coinage among its people. It is my plan, moreover, for tax free interest on gold and silver savings accounts opened at Oregon chartered banks, and to provide at least a 30% discount to Oregon income taxpayers if they pay in the honest dollar — a gold coin. **Vote Leitch 4 Governor, \$\$\$ 4 You!**

Educational Background: A.A. Criminal Justice, Portland Community College, 1976; B.S. Philosophy, Portland State University, 1986; Graduate Certificate/Chaplaincy, Western Seminary, 2004;

Prior Governmental Experience: Police Officer/military:

‘A house divided against itself, the house cannot stand’ (Mark 3:25). Big money and special interests has controlled our elected officials for too long and in 2006 this must end. Government can’t meet the needs of all Oregonians if this continues.... We must;

Cap government spending at a 3% increase per year and prioritize our spending on public safety, education and the Oregon Health Plan.

Our neighborhoods are not safe. We must make our streets safe with increased State Police and expanded jail availability in every county.

Education is priority #1; Our children are our future and we must prepare them for the 21st. century (a foreign language must be required in every high school).

Health Care should be available to all Oregonians. We have the money to expand it for everyone if you consider it a priority!

I know there are other issues important to Oregonians. Roads, immigration and the environment but our streets must be safe, our children educated and health care available to all.

Family Values: Family values involves more than just abortion and gay marriage. Family values involves honesty and integrity. Caring about your neighbor and the poor (Matthew 22:36-40). Not judging others with whom you disagree (John, chpt.8). I support choice and gay marriage but I’m against this war and I want our soldiers home in 2006.

Our government belongs to the voters of Oregon and we can make it work for everyone! I ask for your vote.

Be Well/God Bless;

Pro Business

I am running for State Senate because Oregon is moving in the wrong direction. This great state, once a shining example of the American spirit, has become paralyzed by government bureaucracy. We need to welcome new business and show respect for individual property rights. By attracting good, high paying jobs, we can increase state revenue for education and public safety.

Let's increase the tax base, not increase taxes.

Anti Crime

Methamphetamine use is out of control in Oregon. 80% of property and personal crime in the state is related to the meth epidemic. I would like to see Oregon be the safest state in the country to raise a family.

Let's lock up criminals, not cold medicine.

Pro Education

Education is the gift that we give our children and represents the future of our country. I would advocate reform that produces students who can better compete in our global economy. We need to recognize teachers as professionals and accord them the respect and resources necessary to teach our children.

We need to set aside politics, put children first and make Oregon a true leader in education

I live with my wife of 35 years, Marion. We have three children, and two adorable grandkids.

I love Oregon's great outdoors, especially when rowing a drift boat or fly-fishing.

I need your support and vote to move Oregon in a better direction.

RENEE LINDSEY: FIGHTING FOR OREGONIANS

Renee Lindsey wants to return pride and trust to Oregonians by giving the Legislature back to the people. State leaders must address the priorities of the residents and taxpayers of the state. As a leader in her community, Renee understands our concerns and will work hard to see that Oregon's future is bright.

DEFENDING OUR CHILDREN

As a mother, I will fight to pass a law to protect our children from sexual predators. This is a real issue and it is sad state of affairs that this has not been a priority.

ILLEGAL IMMIGRATION

The Legislature must address the issue of illegal immigration into Oregon. This has created a significant strain on the state budget in relation to law enforcement, prisons, schools and social services. States are not the appropriate providers of Foreign Aid.

STATE SPENDING

Renee will fight to reduce government waste. Renee firmly believes it is critical for the future of Oregon that government gets spending under control. Instead of trying to find ways to overthrow initiatives the voters passed, the legislature need to work for the will of the people without being overly restrictive to business and the citizens. Mortgaging our future is not fiscal discipline.

"As a mother and fellow Oregonian, I am disappointed that the Oregon Senate has failed to bring forward and pass legislation that will protect our children, our tax dollars and our future." – **Renee Lindsey**

"IT'S TIME THAT WE PUT KIDS FIRST. AND LEAVE POLITICS OUT OF IT." – JIM TORREY

The past decade in Salem has been marked with political partisanship and process that has accomplished nothing for the future of Oregon: Our kids. We're running out of time.

We must stop processing and start doing. Building a better education system. Creating jobs that secure our families' futures. **Putting kids first and partisanship last. It's time to choose our future.** Here's what it will take:

- 1. Prepare our kids for the future.** We must educate our kids to compete in this new economy. Lane County kids will be competing with kids from around the globe, not just each other. Our kids need more from us. We're going to need more from them, too.
- 2. Build a strong economy.** Oregon's economy will depend on creating new jobs through education and innovation. We must define our economic strengths and provide a quality workforce that builds on those strengths.
- 3. Work together.** You can count on me to find like-minded people to get things done in Salem. It doesn't matter whether they're Republicans, Democrats or Independents. They just need to agree that our kids are more important than politics.

Andrew Hill - For a better Oregon!

A message from Andrew Hill:

Good people of House District 8:

I have been a member of this district for over 10 years, and have loved interacting with such a diverse demographic, spanning from Veneta to south Eugene. I want to make a difference for us. I am running because I know Oregon and House District 8 will benefit from my service. I'm a working man, not a polished big city politician, and I know that's what this district needs.

This district is crying out for someone to represent them, someone who will not impede the ability of those in law enforcement to do their job, and one who will firmly represent them in Salem when property rights are on the line. I will stand steadfast and strong, keeping the state from overspending our tax dollars, and making sure we get the biggest bang out of every buck we allocate. I will work to make the school systems accountable. The importance of Education is undeniable, and we need to make sure our school districts are spending wisely and responsibly.

I'm Pro-Business and Pro-Worker! I'm here to show you that the two don't need to contradict each other. I'm armed with a barrage of fresh insight, energy, and full of ideas to make your voice heard. I'm running because I think Oregon is ready for change. I'm ready to go to work for District 8

IT'S ABOUT ACCOUNTABILITY!

The status quo in Salem is unacceptable. It treats Oregonians as incompetents or children who need a government program to fix every problem. And new programs need more bureaucrats to be paid for by more taxes. More bureaucrats mean more laws, regulations and restrictions that lead to less freedom for you. The current institutional culture in our government allows for outrageous treatment of citizens by the very government agencies that are supposed to serve them. The incumbent hasn't been willing to pursue the fundamental structural reforms needed to put our government back under the control of the taxpayers.

I'm not a career politician. I have strong values and beliefs but I'm not dogmatic. Reasoned argument will always be listened to and respected by me. I understand that a legislator represents not just those who voted for him, but also those who didn't.

If you think that spending over ten thousand dollars per year per student isn't enough to get good results, don't vote for me!

If you think that a hostile regulatory environment will improve our economy, don't vote for me!

If you think we don't need more accountability from the government that we pay for, don't vote for me!

If you enjoy having bureaucrats with more control than you over what happens on your property, at your business or in your home, don't vote for me.

I think that if you are competent enough to support yourself and pay taxes, your competent to make rational decisions about your own life.

You can't expect to get different results by voting the same way. Change can only come if you change the way you vote. I'm running to give you that opportunity.

Education

Tom will make fighting for stable funding of Oregon's schools his top priority. As a student, Tom knows first hand the hardships that students and teachers face and the damage to Oregon caused by shortchanging education. If elected, Tom will also fight to end the unfunded mandate of the 21st Century School Bill, which puts undue stress on school boards, teachers and students. If Oregon's youth are to enter the marketplace of ideas, they need to have a full, well-rounded education.

Business

Oregon has recently been listed as one of the most business friendly states in the Union. While this may be true, Oregon still isn't friendly enough. Red tape and high taxes are killing Oregon's small businesses. As your Representative, Tom will fight to keep Eugene and Oregon businesses strong by keeping their taxes down. A lucrative business environment means more jobs for Eugene and Oregon.

Responsive Government

Tom realizes that government power is granted only by the will of the people. This is a responsibility that Tom takes very seriously. If elected, Tom promises to listen to the concerns of all members of his district, and try to find equitable solutions to their problems. Every individual and business owner knows that they must live within their means. This is a lesson the Oregon legislature has yet to learn. This state, and its youth, can no longer afford the belief that social programs come before education and economic prosperity. As your Representative, Tom will fight to keep Oregon's spending down and taxes in check.

Tom would be happy to hear from you by email or on the web

"We have to keep our priorities straight – this is all about our kids and their future.

Jobs, education and support for health care will help us all succeed.

Let's make it happen." – Representative Debi Farr

Representative Debi Farr has lived and worked in the district she represents for 25 years. "I know from talking with my constituents – Democrats and Republicans alike – the challenges that our families face, from budgets to health care and concerns about education."

During her first session, Representative Debi Farr showed that she knows how to get things done. She passed bills that help fight the meth problem, feed hungry kids, help veterans make the transition back to civilian life, and bring jobs to Oregon families.

Her commitments for the next session include:

Leadership for education – Representative Farr will fight for adequate and dependable funding for schools. She believes that education and prevention are the first steps to successful families.

Commitment to jobs and small businesses – Oregon must become a job-friendly state if we are going to address the issues of poverty, school funding and hunger. Success starts with a sound economy. Small businesses are essential in the equation and we must help, not hinder, their progress.

Support for health care – Representative Farr is dedicated to finding – and implementing — long-term solutions that provide affordable health care to those who need it.

Duties and Responsibilities of Democratic Precinct Committeepersons

A message from the Democratic Party Chair Jim Edmunson.

This is your government under Republican leadership:

- A tragic and costly war in Iraq premised on lies and deception
- Abandonment of tens of thousands of victims of Hurricane Katrina
- Senior White House official indicted for lying about outing a covert CIA agent
- Secret, illegal programs to spy on American citizens, blatantly violating the Constitution
- Environmental laws written by lobbyist for industry polluters
- Your tax dollars subsidizing corporations that outsource American jobs
- Tax policy to make billionaires richer and produce the large budget deficit in history
- A culture of corruption so pervasive that indictments extend from Republicans in Congress to the Oregon House

Enough is enough. America and Oregon can do better.

Some argue that to fix government we need to create a new political party. Some say Oregon needs "open primaries" to elect more "moderates" or that imposing artificial "non-partisanship" labels will fix broken government. Their frustration is legitimate, but the solutions are misdirected and diversions.

The simple fact is if you want to change Congress and to break the Republican logjam in Salem, the best, most effective thing you can do is support the Democratic Party. If you are as fed up as most citizens with the incompetence, cronyism and backwards policies of an extreme Republican Party, then you can make a difference in the Democratic Party.

Get involved. Become a Democratic Precinct Committeeperson (PCP) today.

When Howard Dean was elected to head the Democratic National Committee, his first words were, "This is not my chairmanship. It is yours." It was a simple but profound statement. No longer would our party be held hostage by decisions made by an aristocracy of consultants in Washington. Governor Dean has kept his word. Now the call is to us. It is time to demonstrate, as we did in 2004, the awesome grassroots strength of Oregon Democrats. I want you to know the door is open.

What is a "PCP" and what do they do?

Representative democracy only works if people like you – those who vote and are actually reading the voter's pamphlet! – get informed, involved and active. Democracy is not a spectator sport. As a PCP, you are the foundation of the party and you have the power to effect change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Helping elect county, state and national party leaders
- Collecting email addresses from interested voters
- Letting the party and elected officials know about hot local issues
- Making sure the Democratic Party represents you

How do I become a PCP?

First, you must be registered as a Democrat. If you filed a statement of candidacy with your county elections office by the deadline, your name will appear on the May 16th Primary Election. If not, you may also write in your name on the ballot. To be eligible to win, you must receive a minimum of three votes. This can be accomplished often in your own household, but you are best served by reaching out to as many of your neighbors as possible.

Don't be intimidated. Be empowered.

The job of precinct committeeperson can be large or small, depending on your own initiative, but if you accept the title, be prepared to perform some basic periodic activities like:

- Help distribute materials in your neighborhood
- Organize or participate in a phone bank
- Recruit new volunteers
- Attend local trainings or meetings

If you care and work hard, you can rise fast. Most elected leaders, even some Oregon governors started as PCPs!

June 2-4, Democratic State Convention in Eugene

PCPs will come together for trainings, to meet candidates, and to help develop the party platform. Together, America can and will do better! To learn more contact:

Telling It Straight

Oregon's tax system hurts working families. The income tax once paid by major corporations now rests on the backs of individuals and small business owners.

Major corporations today pay only five percent of Oregon's income tax; two-thirds pay none.

Oregon's public schools are suffering. Continued funding cuts have turned Oregonians away from community colleges, and crowded more kids into fewer classrooms.

Oregon's health care system is broken. One out of five Oregonians have no access to health care.

www.petesorenson.com

I Am The Only Democratic Candidate For Governor Willing To Fight For Corporate Tax Reform To Fully Fund Public Education And Health Care

As Your Governor I Will

Ensure that major corporations, like you, pay their fair share in state income taxes.

End the corporate kicker, saving Oregon hundreds of millions of dollars each year.

Fight to protect Oregon's environment.

Build sustainable, family wage jobs.

Work to bring our National Guard home from Iraq.

With Your Vote We Can Do Extraordinary Things

PRO-EDUCATION

Our children's education must be our highest priority. I will
continue advocating for long-term, stable funding for all levels
of public education.

Studies have shown that for every dollar spent on education,
we save at least \$15 in the criminal justice and social service
systems. A quality education system will ensure Oregon's
economic growth.

I support local control of our schools.

PRO-JOBS

I will fight for rural economic development and family-wage
jobs. I oppose "outsourcing" Oregon jobs. All Oregonians
deserve stable employment and proper health care.

PRO-SENIORS AND PRO-HEALTH CARE

I will continue to support senior programs, such as Oregon
Project Independence, so seniors can remain independent.
I will fight for affordable health care and prescription drug
assistance.

PRO-PUBLIC SAFETY

As an experienced prosecutor, I believe criminals must be held
accountable. I support swift, certain and appropriate sanctions.
I also realize that we must emphasize early intervention and
prevention programs for at-risk kids.

PRO-CONSUMER PROTECTION

As the Chair of the Senate Interim Consumer Protection
Committee, I will continue to fight for consumers' rights to
protect themselves from identity theft. Oregonians should be
allowed to restrict unauthorized access to their credit reports.
Corporations must protect Oregonians' personal and financial
records.

Please call me at 541-342-2447 or e-mail floydp@efn.org with
your ideas and concerns. I appreciate hearing from you. With
your support, I will continue to represent our district with a
strong, independent voice.

VICKI WALKER FIGHTS FOR THE REST OF US

"She has a knack for calling attention to issues that her colleagues have overlooked, and has built a reputation as a lawmaker who will fight for the powerless." *The Register-Guard*, 9/8/05

"After six years in the Legislature, Walker has turned into her own bill machine – and an increasingly successful one. In a session marked by stalemate between a Republican House and a Democratic Senate, Walker's fingerprints can be found on a large number of bills that have sailed through both houses." *The Oregonian*, 6/24/05

Whether it's taking on bloated bureaucracies, greedy power companies or those who abuse our children's trust, **Vicki Walker has been willing to stand up for us.**

As our State Senator, Vicki voted for transparency and accountability in state government, and against hundreds of millions of dollars in tax breaks for the well-connected.

Vicki worked across partisan lines to pass important legislation including:

- Stopping utilities from collecting excess taxes from ratepayers
- Reforming Education Service Districts to ensure greater accountability and directing more dollars into the classroom
- Ending secret government settlement agreements
- Establishing a health insurance rate review board so consumers can more easily compare health care costs

Vicki will continue fighting for the rest of us in Salem by:

- Making health care more affordable
- Creating good paying jobs that can support our families
- Redirecting funds from unnecessary tax breaks to our public schools

Paul Holvey...A Representative For Oregon!

As your Representative, Paul Holvey believes every Oregonian has the right to a state government that helps them live their dreams and pursue opportunities for a good life. Paul is working for a better standard of living for Oregonians, and a safe, healthy environment to live in.

An Oregon That Works Smart

Paul knows education is the cornerstone of our future. He supports full funding of our public schools and training programs to provide Oregonians the skills and knowledge necessary to succeed in tomorrow's economy. Paul understands living wage jobs and a good business climate are vital for a healthy community. Paul will work to ensure Oregon's investments in our economy return real benefits to Oregonians.

A Compassionate Oregon

Paul believes the vulnerable and less fortunate deserve shelter and a life with dignity. He will continue to fight cuts to the Oregon Health Plan, and is working for affordable and accessible healthcare. Paul supports human and civil rights, workers' rights, and women's right to reproductive choice. He will fight to protect our Constitution and our freedoms.

A Fair Oregon

State government should support the essential services that Oregonians need. Paul knows this can be accomplished with fiscal responsibility, government accountability, a fair revenue system, and elimination of the corporate kicker and tax giveaways for the wealthy. It is time for tax reform that does not burden working families and provides stable revenues and adequate reserves for Oregon.

ARNIE ROBLAN Turning the Tide for the South Coast

Jobs that Support A Family

The South Coast needs more family wage jobs and strong businesses. I've been working hard to protect our local businesses and our natural resources economy. I stood up to political threats in Salem to cut funds for the North Bend Airport expansion and succeeded in bringing over \$10 million to the project.

Putting Education First

Our children need stable, secure school funding. That's why I refused to vote for any plan that contained cuts to schools. As Principal of Marshfield High, I worked with limited funding and still came up with ways to craft a quality education. Today, educators are running out of options. We must fund schools first.

Making Health Care Affordable

Too many working families don't have access to affordable health care. I fought to require health insurers to hold public hearings before they can raise rates and to expand Oregon's prescription drug pool to include thousands more citizens.

"If there is one thing we both agree on, it is that Arnie Roblan is doing a great job for the South Coast"

Mayor Joe Benetti, Coos Bay and Mayor Rick Wetherell, North Bend

"Arnie Roblan is a strong voice of reason in the Oregon Legislature. Known and respected for his straight-forward honesty and character, he stands tall as the best person to represent you."

Senator Joanne Verger

"Arnie Roblan cares about the many issues facing senior citizens, He listens and takes action."

Prior Governmental Experience: Lincoln County Commission; Public Health Advisory Board; Mayor of Elgin

Personal: Jean is married with two adult children.

**"We need local leaders in Salem who will put people before partisan politics."
—Jean Cowan**

A PROVEN, INDEPENDENT LEADER WE CAN TRUST

Jean Cowan has spent 20 years working for her communities – as Mayor of Elgin; and Lincoln County Commissioner for the past 12 years. She is a compassionate, bipartisan leader who listens and works hard to get results. **In Salem, Jean will use her experience on the local level to stop the legislature from playing politics with our kids' futures.**

OREGONIANS DESERVE MORE

Jean Cowan has always worked to protect valuable services like education, public transit, and healthcare access. Jean understands the challenges schools face in our district, and will work to give our schools the resources and stability they need. She will fight cuts in the Oregon Health Plan, and work to expand the Oregon Prescription Plan. She will work for a fairer tax system by taking the burden off working families and eliminating loopholes that benefit big corporations.

ALWAYS THERE FOR HER NEIGHBORS

Jean Cowan has always believed that public service starts with community service. That's why she revitalized a volunteer ambulance service and restarted her local medical clinic. As Commissioner, Jean helped lead the battle to protect Lincoln County from meth and take repeat drunk drivers off the road.

PROTECTING OUR ECONOMY AND DEVELOPING GOOD JOBS

In Salem, Jean will work to create more jobs for the Central Oregon Coast. She knows we must protect our quality of life, while supporting our existing employers and small businesses and encouraging the growth and development of new family-wage jobs with good benefits.

Community Service: Past Chair, Lane County Democratic Party; President, Addiction Counseling and Educational Services; Past Board Member, Emerald Valley Boys and Girls Clubs

PHIL BARNHART **Fighting for Our Future**

Phil has worked hard to bring responsibility and accountability to Salem, fighting to ensure tax dollars provide the critical services our families need rather than lining the pockets of companies who've received special interest tax breaks while moving good jobs out of state.

Quality Education

Phil understands that good schools and access to quality community colleges and universities are the keys in today's economy so he's voted against over \$1 billion in special interest tax breaks that will take funds from our public schools.

Quality, Affordable Health Care

Every family and business in Oregon is touched by high costs of health care and prescription drugs. That's why Phil wants to require large employers to spend at least 10% of their payroll on health care instead of passing the cost on to taxpayers and worked to protect the Oregon Health Plan, while opposing bills that would reduce health care options for women.

Strong Public Safety

Phil has been a leader for public safety. He opposed cuts to State Police, and will push for the hiring of more than 100 new officers to allow for 24 hour patrols. Phil has worked hard to give law enforcement the tools they need to keep meth off our streets and helped pass new tough laws to protect kids from sexual predators.

TERRY BEYER: A Practical Voice for Springfield in the State Capitol

Dear Neighbor,

It has been my honor to work for you since 2001. While at times very trying, I have fought hard to protect your interest and make progress on priority issues. But the job is not done. I stand ready to continue the battle during the 2007 legislative session. My focus will be:

- 1. Increasing access to affordable health care and prescription drugs for all Oregonian's.**
- 2. Working to create good jobs and strengthening Oregon's economy,**
- 3. Ensuring children get the education they need and deserve to be successful** - making education funding the first budget priority - AND - insisting on proven results from educators.

I bring a practical, common sense approach to issues before the legislature. I know how hard everyone works to support their household budget. I take that same attitude to Salem, working hard to tighten the state's budget the same way your family tightens the belt every day. You deserve to know your tax dollars are spent wisely.

We have made great strides in making state government more efficient and accountable. We have revamped the retirement system, reduced state payroll, removed unnecessary regulation, eliminated wasteful spending, and even improved the efficiency of our state vehicle fleet. And that's just the start. We have a new attitude in state leadership to make government more accountable and leaner. I firmly believe citizens deserve the very best bang for their tax dollar and I aim to get it for you!

There is no greater honor than being chosen by you as your Representative. I humbly thank you. Please call on me at any time.

Educational Background: Oregon State University, B.A. in Business Administration.

Prior Governmental Experience: None.

Community Service: Coordinator, Santa Clara Early Education School Break Program; Capital Campaign and Master Planning Committee, St. Jude Catholic Church.

Let's Get to Work

Chris Edwards thinks that the Legislature has spent too much time on partisan games lately while ignoring our community's needs. Chris is running for State Representative to make sure the Legislature starts to work on what's really important to us.

"I'm running for the Legislature because it's time to get to work on finding solutions to the challenges facing our community."
- Chris Edwards

Affordable Health Care

"Chris Edwards has the right ideas for making more Oregonians eligible for bulk discounts on lifesaving medicines."

- Sara Wallenius, Geriatric Nurse Practitioner

Chris also supports small business insurance pools to reduce costs so local companies can create more good-paying jobs.

School Funding For the Classroom

"Chris Edwards' plan to establish a Rainy Day Fund will help put our schools back on the right track so we can concentrate on educating kids, not keeping the doors open."

- Don Wilbanks, former Bethel Principal

Reducing the cost of health insurance in schools will also help ensure funding goes to the classroom, where it does the most good.

Cut Government Waste

"I like Chris Edwards' proposal for more state audits of government programs to make sure our tax dollars aren't wasted."

- Mike Coughlin, Managing Director, McKenzie Capital

Chris also wants to rein in state spending by giving agencies incentives to find efficiencies in their budgets. Then, use the savings for what's important, like adding State Troopers, education, and health care.

Creating Jobs – and Opportunity

As Labor Commissioner, I'm proud of my "**Buy Oregon First!**" Jobs Tour. My goal is to retain current jobs and help local business expand.

The best way to continue learning about the needs of Oregon's workers and employers is to get into their shoes and work alongside them. As Commissioner I've learned to balance the needs of employers to understand the law and to have it enforced fairly.

Oregon's construction industry is growing and I want to ensure a trained workforce that has access to healthcare and retirement. That's why I have worked to increase Apprenticeship and Training Programs by 11%.

As the Co -Chief Petitioner of the minimum wage increasing Ballot Measure 25 and enforcer of our minimum wage, I am proud to help Oregon's hardest working families.

We can get better results for a whole lot less money when we effectively teach kids the basics early, reading and math facts. Children are smarter than ever before. However, schools are dumbed down and teachers are not well prepared. Students are not being taught how to read well, early and quickly. As evidenced in our math standards, students are not required to memorize basic number facts in the early grades and are encouraged to use calculators. **Lacking basic reading and math skills, students fall further and further behind the longer they attend our schools.** The lack of basic skills may be a significant factor in the 28.9% increase in the number of special education students served since 1992-1993 *Oregon Department of Education Annual Report 2003-2004*. **I will work to implement research-proven, challenging curriculum and improved teacher training.** I will use incentives, accreditation, certification, Oregon Rules and Legislation to right this ship. **The course we are on is one of exploding costs and student failure.**

Dear Oregonians:

Thank you for electing me to the Oregon Supreme Court in
2000. Since that time, I have worked to produce timely and
well-reasoned decisions based solely on case precedent and
principles of law.

In November 2005, my colleagues on the Supreme Court
elected me the 37th Chief Justice of the State of Oregon. I am
honored and deeply humbled by their confidence in choosing
me to lead the state's judicial branch of government.

As Chief Justice, I will prudently manage our judicial
resources. I will seek to ensure that judges at all levels treat all
litigants fairly and issue timely decisions. I will work to enhance
the quality and administration of justice at every court level in
accordance with the changing needs of our society.

I believe that courts are the cornerstone of our democratic
government and the guardians of our state and federal consti-
tutions. To perform our role properly as a co-equal branch of
government, the courts must have the trust and confidence of
citizens. I will continue to work hard to earn and maintain that
trust.

Simply put, I believe in judicial accountability and judicial
performance. I am guided by those principles every day.

It has been a profound honor to serve Oregonians.

Sincerely,

Paul De Muniz

Gene Hallman: The Qualified Choice for All of Oregon

Our highest court needs qualified justices who understand Oregon and its people. It's no place for politicians. Gene is the only candidate with 30 years of distinguished, real-world courtroom experience representing working people and small businesses in hundreds of cases. Gene would be the first justice elected outside the Willamette Valley in nearly two decades.

"In my 45 years as a member of the Oregon State Bar, I can count on the fingers of one hand those who had the credentials and qualifications for service on the Oregon Supreme Court that Gene possesses. In addition to that, he is an outstanding, caring human being, possessed of enormous common sense."

My campaign is different.

Elections for judge should inspire public confidence in judges and our court system; costly name recognition campaigns, and old-style backroom politics, simply don't do that.

I don't have a fundraising committee, and I won't advertise on television. Instead, I'm running an open, transparent campaign based on public appearances, a comprehensive website, and personally meeting the voters by knocking on thousands of doors all over Lane County.

I have nearly twice the years of experience of any other candidate. Working with individual Oregonians to Fortune 500 companies in almost every Oregon county west of the Cascades, and before the Oregon Supreme Court, I've repeatedly proven my dedication, skill, and work ethic. It will be a privilege to put those years of experience to work in serving Lane County.

One page can't tell you everything you need to know to make the right choice in this vital race. If I haven't knocked on your door yet, visit my website at **www.chaneyforjudge.com**, or call me at **(541) 913-3287**. I'll personally answer your call, and answer all the questions I can.

"I admire Jim for his exceptional intelligence, high civic-mindedness, and moral integrity. He is a man of conscience and ethical responsibility who will work tirelessly for the good of our people."

Mark Johnson, Professor, UO Philosophy Department

Owner

Educational Background: BS, University of Oregon,
Business Management

Prior Governmental Experience: None

I am Gary Cook, a Lane County resident since 1964, looking to
give back to my community. After overseeing Assessor
operations in counties throughout Oregon, I know I have the
experience and ideas to make a difference right here at home.

Lane County needs an **experienced business manager, not
a politician**. I am the best-qualified candidate for this critical
job.

- **Extensive appraisal experience:** Lane County's total
property taxable value is over \$21 Billion. I have **over
22-years of appraisal experience** that will allow me to
lead a team to meet this challenge.
- **Knowledge of property tax laws:** At the State of
Oregon it is **my job to explain the complex rules to
Assessors** in eight counties – including Lane County
- **Budget management:** The Assessor manages a budget
of more than \$5.5 million dollars. As the Treasurer of
the EWEB Employees Credit Union Board, I oversee
\$14 million in assets. I believe in getting full value for every
taxpayer dollar. **I will reduce cost wherever possible.**
- **Managing people:** The Assessor manages 60 employees
and must earn their trust and respect. Throughout my
career, I have led high performing appraisal teams for the
State of Oregon and US Forest Service. **I know how to
support and develop people.**

I am a **former Small Business Owner, University of
Oregon graduate, and a Veteran**. I've been married for 36
years and raised two wonderful children, all four of us alums of
North Eugene High. I promise to **represent the taxpayer, not
politicians or special interests**. I am asking for your vote.
Thank you.

property appraisal experience**
- **Knows how to utilize limited resources**
- **Has good working relationships with employees,
other county and state appraisers**
- **Makes wise decisions with taxpayer dollars**
- **Treats all taxpayers fairly and equitably, with
courtesy and respect**

**You wouldn't vote for a Police Chief that had
never been an officer—don't vote for an Assessor
who has never been an appraiser!**

**My main opponent is a well-qualified budget analyst who
came to our department in October 2004, and to my
knowledge has become an appraiser only by passing a test and
has never actually appraised a piece of property.** The
budget is important, but it is only a part of what the Assessor
does. **The budget can best be done by someone who has

Community service: S.M.A.R.T. (Start Making A Reader Today) Program Volunteer, Harris Elementary School

I am running for City Council because I believe in Eugene's creative ability, working together to find community based solutions for some of our most challenging problems. I'm focused on three key issues:

- Sustainable business through access to **affordable health-care solutions** for employers and the increasing number of citizens at risk.
- Parks and **natural resources** - specifically acquiring key wildland parcels and creating a Natural Resources Commission to review and recommend sustainable methods to maintain and preserve the lands we own.
- Fostering a **livable city** through smart, sustainable urban scale development that preserves our neighborhoods and revitalizes our urban core.

I believe these challenges require collaboration and consensus building skills that I have demonstrated throughout my career and in my service on the City Budget Committee and Human Services Commission. I sense a new spirit of creative community engagement that can move us past the polarization and paralysis that has all too often characterized civic debate. I ask for your vote and support as we work together to build a future we can be proud of.

Occupation: homemaker, city councilor, volunteer

Occupational Background: Editor; non-profit executive director; Committee Administrator 2001 Oregon State Legislature

Educational Background: B.A. Journalism, University of Oregon

Prior Governmental Experience: Appointed twice to City of Eugene Budget Committee; Member, Charter Review Task Force

Jennifer Solomon is a fifth generation Oregonian and 15 year resident of Ward 6. As a mother, she brings the perspective of young working families to the Council. She also knows and understands the large retired population in Ward 6. She represents all residents by supporting:

PUBLIC SAFETY: Solomon supports increased funding for public safety programs and partnerships. To that end, she helped make sure the Bethel area retained a police safety sub-station when its former location was no longer available. And she has voted consistently to increase police funding. During her current council term, she served on the Police Commission.

TRANSPORTATION: Solomon supports the voters' mandate on the West Eugene Parkway. She is committed to protecting the public's investment in our roads by supporting permanent funding for transportation operation, maintenance and preservation projects.

ECONOMY: Solomon understands that government can help foster a climate which supports business. Businesses that grow and create family-wage jobs keep our youth in our community. Solomon recognizes that these same businesses are generous contributors to the many non-profit social and cultural agencies in our region. Solomon also is a member of the Eugene Chamber of Commerce Economic Development Council.

Topics specific to Ward 6 which Jennifer Solomon has championed include addressing the safety issues at Golden Gardens park, retaining a public safety sub-station in the Bethel area, advocating to keep open Echo Hollow Pool and Community Center, and chairing a committee to review Eugene's code provisions for manufactured housing park tenants threatened by park conversions or closures.

General Information

Vote by Mail

What is Vote by Mail?

Vote by mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 28 and May 2, 2006. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by April 25 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. The times and locations of dropsites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 39¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. **Postmarks do not count!**

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8pm on May 16, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

General Information

New this Year: Only One Nominating Process

The Oregon Legislative Assembly has adopted a new law that states an elector may participate in one, and only one, nominating process for each partisan public office to be filled at the General Election. Partisan public offices to be filled at the 2006 General Election include:

- US Representative
- Governor
- State Senator
- State Representative
- any county or city offices designated as partisan

Participation in a nominating process includes **any** of the following:

- **returning a Democratic or Republican ballot** at the 2006 Primary Election, regardless of how the ballot is voted
- **participating in a minor political party's candidate nominating process**, which is established in the minor political party's by-laws and is usually by a nominating convention
- **signing the minutes of an assembly of electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election
- **signing a certificate of nomination by individual electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election

example

Elector A is registered to vote as a member of a major political party and is issued and **returns a partisan ballot** at the 2006 Primary Election. Elector A votes for most, but not all, of the partisan races listed.

In July 2006, Elector A signs a petition to nominate a nonaffiliated candidate for State Representative District 25 to the 2006 General Election. Elector A's signature **is not** a valid signature and must be disqualified. Elector A is deemed to have already participated in a nominating process for **all** partisan offices for the 2006 General Election by returning a partisan ballot for the 2006 Primary Election.

Dropsite Locations and Hours

Below is a listing of dropsite locations and the available days and hours the sites will be open to accept voted ballots. Ballots may be mailed to the county elections office or returned to any designated dropsite in the state. All ballots must be received by 8pm on Election Day, May 16, 2006. **Postmarks do not count!**
