OFFICE OF THE SECRETARY OF STATE

**BILL BRADBURY**  
SECRETARY OF STATE

PADDY J. McGUIRE  
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION

JOHN LINDBACK  
DIRECTOR

141 STATE CAPITOL  
SALEM, OREGON 97310-0722  
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making to increase your confidence in a safe, reliable, and easy-to-navigate elections system.

Our toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 is available every business day all year long from 8:00 am to 5:00 pm if you have any questions about your ballot or about voting.

Under the federal Help America Vote Act, we have implemented a new Centralized Voter Registration system that keeps our voter rolls clean and up-to-date, and we are working on ways to make voting more accessible for people with disabilities.

The federal law also imposes some new identification requirements. If you are registering to vote in Oregon for the first time, you must provide your Oregon Driver's License number, or if you do not have a Driver's License, then you must provide the last four digits of your Social Security number. If you do not have either a Driver's License or Social Security number and are registering by mail, then you may provide a copy of other forms of identification listed on the voter registration card.

If you have moved, or changed your name, you must fill out a new voter registration card, but you do not have to provide ID. Be sure to put your old information in the "updates" section at the bottom of the card.

Voter registration cards are available online at [www.OregonVotes.org](http://www.OregonVotes.org), from your local DMV or county elections office, or in this pamphlet. If you are registering for the first time, you must register by April 25 to participate in this election.

For those of you who are already registered to vote, please return your ballot so that it is received by May 16. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

Best wishes,

Bill Bradbury  
Oregon Secretary of State

# General Information

## Voters' Pamphlet

Your official 2006 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2006 Primary Election ballot.

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2006, Republican candidates appear first.

All space is purchased: statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

**Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.**

Miscellaneous voting aids, including dropsite locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

## Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2006 Primary Election is:

M, Z, E, R, C, B, U, Y, Q, F, A, T, S, W, I, K, N, L, G, O, J, X, P, D, V, H

## Website

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at [www.sos.state.or.us/elections](http://www.sos.state.or.us/elections).

## Español

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

## Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

### Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

## Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

## Duties and Responsibilities of Republican Precinct Committeepersons

---

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. A Precinct Committee Person (PCP) is the “face” of the party and an “advocate” for Republican political principles in their neighborhoods and communities. They are asked to attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership on the county, state and national levels. You may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct with a candidate, introducing the candidate to friends and neighbors. You may also be asked to participate in making phone calls and distributing campaign materials in your precinct. You will become the Republican Party in your community.

PCPs should be able to convey these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

This fall, Oregon Republicans will work to retain and extend our majority in the House chamber and increase the Senate minority to majority status in the Oregon Legislature. We will also work to elect Republican representatives to the United States Congress and a Republican governor. PCPs will play key roles in bringing about these victories.

While Republican precinct persons are encouraged to support the candidates of their choice in the primary election, it is expected that PCP’s, as representatives of the party during the general election, will support all Republican candidates receiving the party’s nomination.

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. **Prior Governmental Experience:** Precinct Committeeman.

Reasons For Seeking Election: I am seeking to be elected your next Governor in order to give you the tax relief to which you are entitled by law, to get you your civil and constitutionally guaranteed monetary rights under the Oregon and United States Constitutions, and to create more jobs in Oregon. I intend to implement your relief by both a 50% property tax reduction and a 90% capital gains tax reduction immediately upon election November 7. This relief occurs for you because of legal errors and ignoring of Oregon and United States Constitution requirements. I intend also to take Oregon properly into the international community by implementing a \$1 Oregon Income Tax Credit for you and all taxpayers, whenever any business headquartered and incorporated in Oregon has, establishes, or maintains an operating office or business enterprise in any foreign country or territory that maintains a full circulating gold and silver coinage among its people. It is my plan, moreover, for tax free interest on gold and silver savings accounts opened at Oregon chartered banks, and to provide at least a 30% discount to Oregon income taxpayers if they pay in the honest dollar — a gold coin. **Vote Leitch 4 Governor, \$\$\$ 4 You!**

**‘A house divided against itself, the house cannot stand’ (Mark 3:25). Big money and special interests has controlled our elected officials for too long and in 2006 this must end. Government can’t meet the needs of all Oregonians if this continues.... We must;**

**Cap government** spending at a 3% increase per year and prioritize our spending on public safety, education and the Oregon Health Plan.

**Our neighborhoods are not safe.** We must make our streets safe with increased State Police and expanded jail availability in every county.

**Education is priority #1;** Our children are our future and we must prepare them for the 21st. century (a foreign language must be required in every high school).

**Health Care** should be available to all Oregonians. We have the money to expand it for everyone if you consider it a priority!

**I know there are other issues important to Oregonians. Roads, immigration and the environment but our streets must be safe, our children educated and health care available to all.**

**Family Values:** Family values involves more than just abortion and gay marriage. Family values involves honesty and integrity. Caring about your neighbor and the poor (Matthew 22:36-40). Not judging others with whom you disagree (John, chpt.8). I support choice and gay marriage but I’m against this war and I want our soldiers home in 2006.

**Our government belongs to the voters of Oregon and we can make it work for everyone! I ask for your vote.**

Thatcher**

**Occupation:** Managing Director, Oregon Contractors Association; Construction Estimator, KT Contracting Co.

**Occupational Background:** Small Business Owner; Iron and Construction Worker; Gunsmith;

Medical Interpreter

**Educational Background:** B.A. Portland State University; AA, Clackamas Community College

**Prior Governmental Experience:** None

**Family:** Married with two sons

**PROTECTING OUR CHILDREN**

Parents should not have to worry about convicted sex offenders roaming our streets and threatening our children. As a father, Jared is very concerned about protecting his children and ours. Last year Jared's Democratic opponent, Senator Peter Courtney, prevented the Oregon Senate from passing Jessica's law to protect our children.

Jared will work tirelessly to pass Jessica's law, named for a Florida girl who was kidnapped, sexually abused, and murdered. He wants to protect other children from her fate by enacting tough penalties for people who commit such heinous crimes. It is a sad day when our elected leaders block efforts to protect our children from predatory sex offenders.

**QUALITY SCHOOLS, STABLE FUNDING**

With two young sons, Jared shares our concerns about the direction our schools are headed. Schools should be the legislature's first priority, so Jared supports a plan that requires legislators to fund schools in the first 81 days of the legislative session or legislators would stop getting paid. Jared favors replacing CIM-CAM for a reliable and meaningful test. He also wants to reform our education system by providing consistent funding to schools and help make sure that more of the dollars end up in the classrooms.

**FRESH VISION, NEW IDEAS**

We need leaders more interested in solving Oregon's problems than running for re-election. Career politicians continually pass laws, expand government and raise taxes without actually solving the problems facing our state. Not Jared. Just like in his small business, Jared will bring bold new ideas that will create real solutions for Oregonians.

### **Demand more for Oregon**

My entire professional career has been focused on making things better. This has been true in both the private and public sector. Now I would like to focus on making Oregon better. The people of Woodburn, St. Louis, Gervais, Brooks, and Salem deserve nothing less.

### **A better Oregon does not mean higher taxes**

Oregon families know how to cut back when budgets get tight. State government needs to learn a lesson from us. We need to cut government waste before tax increases are considered. This isn't just talk. I believe it.

### **Let's do business on-line not in line**

The people of Oregon need to be served 24 hours a day 7 days a week from a computer terminal anywhere in the world. As we move to a more virtual government I'll make sure that we have online service that meet the highest standards in the nation.

### **Accountability is expected**

I'll be holding the government managers accountable. This means that our schools improve, the number of quality jobs increases, our infrastructure gets substantial infusion of resources, the environment is not ignored and our tax burden doesn't increase. This is the way we can actually fix problems.

My job will be to hold government accountable. Your job is to hold me accountable.

# Duties and Responsibilities of Democratic Precinct Committeepersons

---

## A message from the Democratic Party Chair Jim Edmunson.

This is your government under Republican leadership:

- A tragic and costly war in Iraq premised on lies and deception
- Abandonment of tens of thousands of victims of Hurricane Katrina
- Senior White House official indicted for lying about outing a covert CIA agent
- Secret, illegal programs to spy on American citizens, blatantly violating the Constitution
- Environmental laws written by lobbyist for industry polluters
- Your tax dollars subsidizing corporations that outsource American jobs
- Tax policy to make billionaires richer and produce the large budget deficit in history
- A culture of corruption so pervasive that indictments extend from Republicans in Congress to the Oregon House

## Enough is enough. America and Oregon can do better.

Some argue that to fix government we need to create a new political party. Some say Oregon needs "open primaries" to elect more "moderates" or that imposing artificial "non-partisanship" labels will fix broken government. Their frustration is legitimate, but the solutions are misdirected and diversions.

The simple fact is if you want to change Congress and to break the Republican logjam in Salem, the best, most effective thing you can do is support the Democratic Party. If you are as fed up as most citizens with the incompetence, cronyism and backwards policies of an extreme Republican Party, then you can make a difference in the Democratic Party.

## Get involved. Become a Democratic Precinct Committeeperson (PCP) today.

When Howard Dean was elected to head the Democratic National Committee, his first words were, "This is not my chairmanship. It is yours." It was a simple but profound statement. No longer would our party be held hostage by decisions made by an aristocracy of consultants in Washington. Governor Dean has kept his word. Now the call is to us. It is time to demonstrate, as we did in 2004, the awesome grassroots strength of Oregon Democrats. I want you to know the door is open.

## What is a "PCP" and what do they do?

Representative democracy only works if people like you – those who vote and are actually reading the voter's pamphlet! – get informed, involved and active. Democracy is not a spectator sport. As a PCP, you are the foundation of the party and you have the power to effect change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Helping elect county, state and national party leaders
- Collecting email addresses from interested voters
- Letting the party and elected officials know about hot local issues
- Making sure the Democratic Party represents you

## How do I become a PCP?

First, you must be registered as a Democrat. If you filed a statement of candidacy with your county elections office by the deadline, your name will appear on the May 16th Primary Election. If not, you may also write in your name on the ballot. To be eligible to win, you must receive a minimum of three votes. This can be accomplished often in your own household, but you are best served by reaching out to as many of your neighbors as possible.

## Don't be intimidated. Be empowered.

The job of precinct committeeperson can be large or small, depending on your own initiative, but if you accept the title, be prepared to perform some basic periodic activities like:

- Help distribute materials in your neighborhood
- Organize or participate in a phone bank
- Recruit new volunteers
- Attend local trainings or meetings

If you care and work hard, you can rise fast. Most elected leaders, even some Oregon governors started as PCPs!

## June 2-4, Democratic State Convention in Eugene

PCPs will come together for trainings, to meet candidates, and to help develop the party platform. Together, America can and will do better! To learn more contact:

**Lifelong Oregonian, Unashamed Populist And Progressive Democrat**

I grew up in rural Coos County and raised my family in Eugene. In my 30 years of public service I have always stood for core Democratic values: pro-education, pro-environment, pro-choice, pro-senior, pro-worker, pro-civil rights, pro-Oregon!

[www.petesorenson.com](http://www.petesorenson.com)

**Telling It Straight**

Oregon's tax system hurts working families. The income tax once paid by major corporations now rests on the backs of individuals and small business owners.

Major corporations today pay only five percent of Oregon's income tax; two-thirds pay none.

Oregon's public schools are suffering. Continued funding cuts have turned Oregonians away from community colleges, and crowded more kids into fewer classrooms.

Oregon's health care system is broken. One out of five Oregonians have no access to health care.

[www.petesorenson.com](http://www.petesorenson.com)

**I Am The Only Democratic Candidate For Governor Willing To Fight For Corporate Tax Reform To Fully Fund Public Education And Health Care**

**As Your Governor I Will**

Ensure that major corporations, like you, pay their fair share in state income taxes.

End the corporate kicker, saving Oregon hundreds of millions of dollars each year.

Fight to protect Oregon's environment.

Build sustainable, family wage jobs.

Work to bring our National Guard home from Iraq.

**With Your Vote We Can Do Extraordinary Things**

I can win in November. New York polling firm, Zogby International, shows me outpolling Ron Saxton and Kevin Mannix by as many as 10 points.

**Family:** wife, Joan; daughter, Kate

**PAUL EVANS**  
**Leadership for a Change**

**Are you tired of politics as usual in the legislature?**

After two deployments to Iraq, I'm back leading the fight to restore the promise of Oregon. I grew up at a time when the "Oregon Story" meant something special: good schools, clean water, fresh air, healthy citizens, safe streets and a shared belief that **together we can do better.**

As Mayor, I brought citizens together to create after-school alternatives; revitalization of downtown; and initiatives for clean water, green space, and safe communities. An educator, volunteer firefighter and community leader, I've confronted challenges the legislature has ignored.

Our children deserve a **first-rate education with stable funding.** Our citizens deserve **affordable health care, safe streets, a healthy environment,** and a strong **economy of family wage jobs.**

Together, we can write the next chapter to the Oregon Story. Together, we can make Oregon better. **I'm asking for your vote, and the opportunity to provide leadership for a change.**

**PAUL EVANS**  
**Leadership for a Change**

"Leaders like Paul Evans come around once every generation. His energy, ideas, and strong leadership are what voters have been hoping for." **Governor Barbara Roberts**

"Paul Evans has been a close friend since he served as mayor of Monmouth. Whether in Iraq or at City Hall in Monmouth, Paul's leadership proves he knows how to make tough decisions. Successfully leading Oregon into the future requires the courage to stop simply defending programs and start solving problems. Paul's not afraid to stand up and do what's in the best interest of all Oregonians." **Governor John Kitzhaber**

### **Equal and Stable School Funding**

Class sizes have increased and programs have been reduced because of lack of funding. **This is unacceptable.** We must find a way to have equitable and stable school funding. We must provide the kind of educational opportunities that will allow students to compete globally. I want to work to equalize and stabilize funding for education for all students.

### **Lower Health Care Costs**

I have seen children go to school with health problems because parents do not have health insurance and they cannot afford to see a doctor. I have seen the elderly go unattended in nursing homes because of staffing that do not meet the needs of their residents. In the greatest industrialized country in the world, this is deplorable. We must make quality health care affordable for all our citizens.

### **A Safe and Healthy Environment**

I will make sure our kids our safe. I support Jessica's Law and other measures to protect our kids from sexual predators. And I will make sure our law enforcement officers have the support they need to protect our communities. I will work to protect the farmland in our district from urban sprawl. Brian isn't part of the problem in the legislature. He's a community leader and small business owner who believes it's time to break the stranglehold corporate lobbyists have on the legislature.

## State Representative 22nd District

**Betty Komp**  
Democrat

**Occupation:** Legislator; Director of Administrative Services, Woodburn School District.

**Occupational Background:** Worked as a farm hand; youth minister; assistant principal;

and teacher.

**Educational Background:** As a single mom, Betty went back to college and earned her Bachelor's and Master's degrees from Western Oregon University.

**Prior Governmental Experience:** School Board member.

**Family:** Four daughters, six grandchildren.

Dear Friends,

Thank you for the honor of serving as your representative. During my first session in the Legislature, I've done my best to live up to your trust.

I've held many neighborhood office hours throughout the district where you've told me how rising health care costs are straining your family budget. That's why I wrote legislation to make more Oregonians eligible for **bulk discounts on lifesaving medicines**.

Time and time again I spoke out in support of **stabilizing school funding**. As someone who's worked in our public schools, I also understand the need to **cut administrative costs** and make sure **funding goes to the classroom**.

To improve our business climate, I supported changes to workers compensation and tax laws that **reduced the cost of creating new jobs**.

As your State Representative, I'll keep fighting for the things that are important to our community:

- Reduce Health Care Costs: **Make the big insurance companies hold public hearings and get Insurance Commissioner approval** before they raise our rates again.
- Put School Funding into the Classroom: **Cap administrative expenses and eliminate "golden parachutes" for administrators** who leave their jobs.
- Create More Good-Paying Jobs: Work with the Labor Commissioner to coordinate with construction industry and unions to create highly trained workers to meet Oregon's needs. **Stop outsourcing construction jobs**.

My only request now is that you continue your trust in me as your legislator. Your vote, just like mine during the legislative session, is what counts. It is one vote, but an important one for the progress and well-being of our community.

Respectfully,

Betty Komp

**State Representative  
23rd District**

**Jason  
Brown**  
Democrat

**Occupation:** Computer Professional, Small Farmer, and Entrepreneur.

**Occupational Background:** I have worked in a wide range of occupations allowing me to relate easily with people from

most walks of life. Since starting work as a dishwasher at the age of fourteen I have worked in shipping yards and restaurants; sales; real estate; construction; assembly lines; technical support; computer R&D and management.

**Educational Background:** B.A., The Evergreen State College, Olympia, WA, 1984; Graduate studies in Research Psychology at Western Washington University, Bellingham, WA (1992-94)

**Prior Governmental Experience:** Precinct Committee Person, DPO Delegate

**Reason for Running:**

I am running for office because I believe I can make a difference. My broad experience has made me effective as a consensus builder and grass roots organizer. It is time we returned to Oregon's vision of a citizen legislature rather than a legislature run by professional politicians serving big business interests. We need a state government that serves local people and local businesses. As an entrepreneur and fourth generation Oregonian, I believe we can rekindle the pioneer spirit and innovation that made Oregon a national leader in decades past.

There are common sense solutions we can apply on a state and local level; to make health care more affordable; to restore the quality of public education; to protect our environment and resources; to build a strong, healthy economy; to make our communities safer; to secure our rights and freedoms; to restore fairness and trust in Government and enhance the quality of life in Oregon.

I have always been willing to put myself at risk for other people and stand up for what I believe to be right. Today, I am putting myself on the line to be an advocate for Oregonians and HD23, but I can't do it on my own. Please help me steward the common good and the American Dream by supporting my campaign.

**State Representative  
25th District**

**Charles E.  
Lee**  
Democrat

**Occupation:** President, Blanchet Catholic School.

**Occupational Background:** Education Administration.

**Educational Background:** M.A., Seattle University; B.A.,

University of Washington.

**Prior Governmental Experience:** Keizer City Councilor, 2000 – Present.

**Community Service:** Marion County Children & Families Commission; No Meth / Not in My Neighborhood Task Force; Keizer and Salem Chambers of Commerce; Rotary International; Lector, St. Edward's Catholic Church.

**Less Partisanship, More Results**

Charles Lee thinks that there's too much partisanship and not enough results in the Oregon Legislature. He's running to change that.

Charles has a record of working with Democrats, Independents, and Republicans to get things done in our community. He'll do the same as our next State Representative, working across party lines to represent the interests of families in Keizer and Newberg.

Charles' priorities are:

**Stable Education Funding**

- Establish a Rainy Day Fund to stabilize education funding.
- Reduce health insurance costs for schools and put the savings into the classroom.

"Charles Lee's experience as an educator makes him the right choice to put our schools on a solid financial footing."

Dave Guile, Retired Salem-Keizer educator

**Affordable Health Care**

- Make more families eligible for bulk discounts on lifesaving prescription drugs.
- Require the big insurance companies to hold public hearings and get Insurance Commissioner approval before they raise our rates again.

"Charles' plan to make health care more affordable will reduce the financial burden on local families and businesses."

Mary K. Rezac, LPN

**Cut Government Waste**

- Use aggressive audits to make sure taxpayer money is being spent wisely.
- Give agencies incentives to find efficiencies in their budgets and use the savings for what's really important, like health care and education.

"I've seen Charles hold the line on taxes while he's been on the City Council. I'm confident he'll continue to be a dependable watchdog for taxpayers as our next State Representative."

Mary Bauer Opra, 2004 President of the Keizer Chamber of Commerce

**State Representative  
59th District**

**Jim  
Gilbertson**  
Democrat

**Occupation:** Farmer

**Occupational Background:**  
Supervisor and Quality Control  
for Willamette Industries mills  
for over 30 years

**Educational Background:**  
Attended Eastern Washington

College of Education

**Prior Governmental Experience:** Democratic Precinct  
Committee Person

**Family:** Jim and Althea Gilbertson have three grown children  
and four grandchildren.

Like many Oregonians, I worked in the timber industry and now  
work in agriculture, two Oregon traditions that we need to  
preserve. As both a union mill worker and as a mill manager, I  
worked well with both sides and realized that we are all an  
important part of our community. We need more of that kind of  
cooperation in the Oregon legislature. Too many legislators in  
both parties have been nothing but a rubber stamp for their  
political party leadership and special interest donors. I will  
represent all of my constituents.

I want to see expanded industry and family wage jobs in  
Eastern and Central Oregon. A sad part of my job was to have to  
help dismantle three mills. We are all concerned about the  
environment, but I know that we can continue the logging and  
production of timber in an environmentally and sustainable  
way. I want to see the aluminum smelters in The Dalles and  
Goldendale reopened, and to see other opportunities available  
so that people don't have to move to the Portland area to find  
good jobs.

I believe in a vibrant free enterprise system to reward those  
with the ideas, ingenuity, initiative, and guts to tackle their  
dreams. When people feel economically secure, they will be  
more likely to support funding for education and other social  
services.

I want to increase funding for the Oregon Health Plan, a  
program that a high percentage of Eastern Oregon families rely  
on for basic health care. More and more rural Oregonians live  
without health care and we must reverse that trend.

Dear Oregonians:

Thank you for electing me to the Oregon Supreme Court in  
2000. Since that time, I have worked to produce timely and  
well-reasoned decisions based solely on case precedent and  
principles of law.

In November 2005, my colleagues on the Supreme Court  
elected me the 37th Chief Justice of the State of Oregon. I am  
honored and deeply humbled by their confidence in choosing  
me to lead the state's judicial branch of government.

As Chief Justice, I will prudently manage our judicial  
resources. I will seek to ensure that judges at all levels treat all  
litigants fairly and issue timely decisions. I will work to enhance  
the quality and administration of justice at every court level in  
accordance with the changing needs of our society.

I believe that courts are the cornerstone of our democratic  
government and the guardians of our state and federal consti-  
tutions. To perform our role properly as a co-equal branch of  
government, the courts must have the trust and confidence of  
citizens. I will continue to work hard to earn and maintain that  
trust.

Simply put, I believe in judicial accountability and judicial  
performance. I am guided by those principles every day.

It has been a profound honor to serve Oregonians.

Sincerely,

Paul De Muniz

### Public Servant

"[Judge Brewer] was appointed to sort out the morass of issues regarding the Public Employees' Retirement System reforms in advance of the Oregon Supreme Court's ruling. With \$8 billion, the retirement benefits of tens of thousands of state employees and the state's financial stability in the balance, it was a once in a career task. Brewer accomplished it with two intense weeks of hearings and uncounted hours of consideration to produce the report that the high court adopted essentially unchanged. ## Vote by Mail

### What is Vote by Mail?

Vote by mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

### As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 28 and May 2, 2006. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

### What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

### What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

### What if I have moved and have not updated my registration?

If you were registered to vote by April 25 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

### Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. The times and locations of dropsites are available at your county elections office.

### How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 39¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

### When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. **Postmarks do not count!**

### How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

### Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

### What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8pm on May 16, the ballot will not be counted.

### Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

### When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted.

## Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

### Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

## New this Year: Only One Nominating Process

The Oregon Legislative Assembly has adopted a new law that states an elector may participate in one, and only one, nominating process for each partisan public office to be filled at the General Election. Partisan public offices to be filled at the 2006 General Election include:

- US Representative
- Governor
- State Senator
- State Representative
- any county or city offices designated as partisan

Participation in a nominating process includes **any** of the following:

- **returning a Democratic or Republican ballot** at the 2006 Primary Election, regardless of how the ballot is voted
- **participating in a minor political party's candidate nominating process**, which is established in the minor political party's by-laws and is usually by a nominating convention
- **signing the minutes of an assembly of electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election
- **signing a certificate of nomination by individual electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election

### example

Elector A is registered to vote as a member of a major political party and is issued and **returns a partisan ballot** at the 2006 Primary Election. Elector A votes for most, but not all, of the partisan races listed.

In July 2006, Elector A signs a petition to nominate a nonaffiliated candidate for State Representative District 25 to the 2006 General Election. Elector A's signature **is not** a valid signature and must be disqualified. Elector A is deemed to have already participated in a nominating process for **all** partisan offices for the 2006 General Election by returning a partisan ballot for the 2006 Primary Election.
