OFFICE OF THE SECRETARY OF STATE

**BILL BRADBURY**  
SECRETARY OF STATE

PADDY J. McGUIRE  
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION

JOHN LINDBACK  
DIRECTOR

141 STATE CAPITOL  
SALEM, OREGON 97310-0722  
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making to increase your confidence in a safe, reliable, and easy-to-navigate elections system.

Our toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 is available every business day all year long from 8:00 am to 5:00 pm if you have any questions about your ballot or about voting.

Under the federal Help America Vote Act, we have implemented a new Centralized Voter Registration system that keeps our voter rolls clean and up-to-date, and we are working on ways to make voting more accessible for people with disabilities.

The federal law also imposes some new identification requirements. If you are registering to vote in Oregon for the first time, you must provide your Oregon Driver's License number, or if you do not have a Driver's License, then you must provide the last four digits of your Social Security number. If you do not have either a Driver's License or Social Security number and are registering by mail, then you may provide a copy of other forms of identification listed on the voter registration card.

If you have moved, or changed your name, you must fill out a new voter registration card, but you do not have to provide ID. Be sure to put your old information in the "updates" section at the bottom of the card.

Voter registration cards are available online at [www.OregonVotes.org](http://www.OregonVotes.org), from your local DMV or county elections office, or in this pamphlet. If you are registering for the first time, you must register by April 25 to participate in this election.

For those of you who are already registered to vote, please return your ballot so that it is received by May 16. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

Best wishes,

Bill Bradbury  
Oregon Secretary of State

# General Information

## Voters' Pamphlet

Your official 2006 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2006 Primary Election ballot.

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2006, Republican candidates appear first.

All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

**Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.**

Miscellaneous voting aids, including dropsite locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

## Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2006 Primary Election is:

M, Z, E, R, C, B, U, Y, Q, F, A, T, S, W, I, K, N, L, G, O, J, X, P, D, V, H

## Website

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at [www.sos.state.or.us/elections](http://www.sos.state.or.us/elections).

## Español

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

## Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

### Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

## Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

## Duties and Responsibilities of Republican Precinct Committeepersons

---

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. A Precinct Committee Person (PCP) is the “face” of the party and an “advocate” for Republican political principles in their neighborhoods and communities. They are asked to attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership on the county, state and national levels. You may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct with a candidate, introducing the candidate to friends and neighbors. You may also be asked to participate in making phone calls and distributing campaign materials in your precinct. You will become the Republican Party in your community.

PCPs should be able to convey these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

This fall, Oregon Republicans will work to retain and extend our majority in the House chamber and increase the Senate minority to majority status in the Oregon Legislature. We will also work to elect Republican representatives to the United States Congress and a Republican governor. PCPs will play key roles in bringing about these victories.

While Republican precinct persons are encouraged to support the candidates of their choice in the primary election, it is expected that PCP’s, as representatives of the party during the general election, will support all Republican candidates receiving the party’s nomination.

Dear Friends:

Over the past 2 election cycles, the voters of House District 30 have put their faith in me to be their voice in the Oregon Legislature. I have been honored to do so. The voters have supported our campaign for several reasons: honesty, integrity, and willingness to fight for the voters, and not special interests. Our message of lower taxes, less government intervention, protecting private property rights and always focusing on the best Oregon has to offer has been the strength of our campaigns.

Now in 2006, I am asking the voters of the 1st Congressional District to allow me, Derrick Kitts, to take our Oregon values to Washington DC and fight to clean up the existing culture of corruption.

During the last legislative session, I fought to ensure the Campaign Finance Reform Bill was passed, making Oregon's disclosure laws some of the most comprehensive and open in the country. This bill was the most significant piece of legislation of the 2005 session. As your Congressman, I will fight to make these same sunshine laws applicable to Congress. I also fought to hold the line on taxes and balance the budget. The people of Oregon will get a Kicker check and we did it all without raising taxes on hard working Oregonians.

Just as in the past elections, if you have any questions for me or my campaign staff please feel free to call me directly at 503-312-8146. For these reasons, I am asking to be your voice in Congress and for your vote.

Derrick Kitts for Congress, **BE A PART OF IT!**

All the best,

Derrick Kitts

**Jason Atkinson is the Next Generation to Lead Oregon**

Oregon can be great again, but it will take a new generation of leaders to fix the problems we face. The only certainty is that Oregon continues going in the wrong direction. Government has lost credibility with Oregonians, but it can be fixed.

As Senator, Jason Atkinson has a proven, consistent, and committed track record of service to Oregon. Jason Atkinson stands with farmers, with small business owners, with college students. He stands for taxpayers, the unemployed, and senior citizens. Jason Atkinson created a long list of accomplishments and a reputation for optimism, hard work and independence.

Jason Atkinson represents what is best in Oregon. As Governor, Jason Atkinson will take power away from special interests and give it back to people. As Governor, Jason Atkinson will work for the safety and security of Oregonians and **protection of children** by locking up sexual predators, fighting meth and helping Oregonians overcome addictions. As Governor, Jason Atkinson will control Oregon's illegal immigration problem, respecting people and taxpayers. As Governor, Jason Atkinson will eliminate Capital Gains taxes, use the power of the veto pen to force the education budget to be passed first, not last, and will finally accomplish what Oregonians want most: to be respected again.

Jason Atkinson knows the private sacrifice of public leadership and values the hopes of Oregonians who want to believe again.

Forty years ago, Oregonians trusted a new generation to lead Oregon. Today, there is hope again.

Vote Jason Atkinson, our next Governor.

Reasons For Seeking Election: I am seeking to be elected your next Governor in order to give you the tax relief to which you are entitled by law, to get you your civil and constitutionally guaranteed monetary rights under the Oregon and United States Constitutions, and to create more jobs in Oregon. I intend to implement your relief by both a 50% property tax reduction and a 90% capital gains tax reduction immediately upon election November 7. This relief occurs for you because of legal errors and ignoring of Oregon and United States Constitution requirements. I intend also to take Oregon properly into the international community by implementing a \$1 Oregon Income Tax Credit for you and all taxpayers, whenever any business headquartered and incorporated in Oregon has, establishes, or maintains an operating office or business enterprise in any foreign country or territory that maintains a full circulating gold and silver coinage among its people. It is my plan, moreover, for tax free interest on gold and silver savings accounts opened at Oregon chartered banks, and to provide at least a 30% discount to Oregon income taxpayers if they pay in the honest dollar — a gold coin. **Vote Leitch 4 Governor, \$\$\$ 4 You!**

**‘A house divided against itself, the house cannot stand’ (Mark 3:25). Big money and special interests has controlled our elected officials for too long and in 2006 this must end. Government can’t meet the needs of all Oregonians if this continues.... We must;**

**Cap government** spending at a 3% increase per year and prioritize our spending on public safety, education and the Oregon Health Plan.

**Our neighborhoods are not safe.** We must make our streets safe with increased State Police and expanded jail availability in every county.

**Education is priority #1;** Our children are our future and we must prepare them for the 21st. century (a foreign language must be required in every high school).

**Health Care** should be available to all Oregonians. We have the money to expand it for everyone if you consider it a priority!

**I know there are other issues important to Oregonians. Roads, immigration and the environment but our streets must be safe, our children educated and health care available to all.**

**Family Values:** Family values involves more than just abortion and gay marriage. Family values involves honesty and integrity. Caring about your neighbor and the poor (Matthew 22:36-40). Not judging others with whom you disagree (John, chpt.8). I support choice and gay marriage but I’m against this war and I want our soldiers home in 2006.

**Our government belongs to the voters of Oregon and we can make it work for everyone! I ask for your vote.**

## State Senator 16th District

**Don  
Fell**  
Republican

**Occupation:** Retired Engineer

**Occupational Background:** Engineer, Director Research & Development of Specialty Materials & Processes company working on solution to environmental problems,

Graduate Researcher Scientist at Penn State and University of Washington; Materials Design Engineer of NASA Space Shuttle, Rockwell International-Space; Grocery Clerk with UFCW local-1105 Union

**Educational Background:** Graduate studies: University of Washington, Pennsylvania State University; Undergraduate studies: University of Washington, Western Washington State

**Prior Governmental Experience:** Clatsop Recreational Lands Advisory Committee; Legislative Researcher for State Senator George, 1999-06.

### **WHY VOTE for DON FELL ...for children, jobs, education and economic development**

- Oregonians export our most precious commodity, our children. They leave for college and don't return, due to lack of quality-family wage jobs.
- Oregon is blessed with an abundance of Natural Resources. There should be an abundance of family-jobs in agriculture, fishing, and timber. Don supports the family farms, forestry, and fishing on streams, rivers, and ocean.
- More roads and road-lanes for Oregon Citizens
- DON believes government should work with business to solve environmental problems, protecting Oregon's natural beauty-not roadblocks that prevent quality Natural Resource jobs, nor limiting our personal enjoyment of this natural beauty.
- DON believes governments, like families should live within its budget, plan for rainy days and emergencies, NOT new taxes.
- DON believes in quality education for children, reduce State mandates, let Teachers teach, return school control to parents and local boards.

The Oregon economic environment that provides jobs for you, your family and friends, continues to be business un-friendly. Businesses are leaving Oregon, taking jobs. Your job may be next. Please help me change Oregon government's response to you.

"Don served as my special legislative aide on coastal and environmental issues. Whether in defense of jobs, saving the kicker, increasing road capacity or salmon restoration; Don has worked for a healthy economy and maintaining livability" Senator George, District 12.

**Family:** Married 38 years to Charlotte, an Adult Nurse Practitioner in St. Helens. They have two grown children and four grandchildren

Mike Kocher is a fourth-generation Oregonian and small woodland owner who will work fulltime as your representative. He believes in representing the residents of House District 31, many of whom he has met in their communities through work and volunteer activities.

### Education Comes First

The largest piece of the State's budget is education. Mike believes school funding should be the highest priority of the Legislature and should be addressed first each session.

Mike's background in education gives him the insight to speak against un-funded mandates from the state, which place a burden on already struggling school districts.

### Health Care

Mike's 'advisor', his wife Charlotte, is a primary care nurse, who knows the health care system in depth and will provide the insight needed to help protect the residents of the district.

### Spending

Mike's Mom told him to spend the money the state brings in from its citizens as carefully as those citizens spend what they have left. That is good advice.

### Natural Resources

House District 31 has substantial natural resources. Mike Kocher understands these resources need to be managed with care and understanding.

##### **Putting Our Priorities First**

Norm believes that property rights are an important foundation for a free country. He will make sure our land-use system works for, and not against, Oregonians.

##### **Improving Our Transportation System and Making it Safer**

# Duties and Responsibilities of Democratic Precinct Committeepersons

---

## A message from the Democratic Party Chair Jim Edmunson.

This is your government under Republican leadership:

- A tragic and costly war in Iraq premised on lies and deception
- Abandonment of tens of thousands of victims of Hurricane Katrina
- Senior White House official indicted for lying about outing a covert CIA agent
- Secret, illegal programs to spy on American citizens, blatantly violating the Constitution
- Environmental laws written by lobbyist for industry polluters
- Your tax dollars subsidizing corporations that outsource American jobs
- Tax policy to make billionaires richer and produce the large budget deficit in history
- A culture of corruption so pervasive that indictments extend from Republicans in Congress to the Oregon House

## Enough is enough. America and Oregon can do better.

Some argue that to fix government we need to create a new political party. Some say Oregon needs "open primaries" to elect more "moderates" or that imposing artificial "non-partisanship" labels will fix broken government. Their frustration is legitimate, but the solutions are misdirected and diversions.

The simple fact is if you want to change Congress and to break the Republican logjam in Salem, the best, most effective thing you can do is support the Democratic Party. If you are as fed up as most citizens with the incompetence, cronyism and backwards policies of an extreme Republican Party, then you can make a difference in the Democratic Party.

## Get involved. Become a Democratic Precinct Committeeperson (PCP) today.

When Howard Dean was elected to head the Democratic National Committee, his first words were, "This is not my chairmanship. It is yours." It was a simple but profound statement. No longer would our party be held hostage by decisions made by an aristocracy of consultants in Washington. Governor Dean has kept his word. Now the call is to us. It is time to demonstrate, as we did in 2004, the awesome grassroots strength of Oregon Democrats. I want you to know the door is open.

## What is a "PCP" and what do they do?

Representative democracy only works if people like you – those who vote and are actually reading the voter's pamphlet! – get informed, involved and active. Democracy is not a spectator sport. As a PCP, you are the foundation of the party and you have the power to effect change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Helping elect county, state and national party leaders
- Collecting email addresses from interested voters
- Letting the party and elected officials know about hot local issues
- Making sure the Democratic Party represents you

## How do I become a PCP?

First, you must be registered as a Democrat. If you filed a statement of candidacy with your county elections office by the deadline, your name will appear on the May 16th Primary Election. If not, you may also write in your name on the ballot. To be eligible to win, you must receive a minimum of three votes. This can be accomplished often in your own household, but you are best served by reaching out to as many of your neighbors as possible.

## Don't be intimidated. Be empowered.

The job of precinct committeeperson can be large or small, depending on your own initiative, but if you accept the title, be prepared to perform some basic periodic activities like:

- Help distribute materials in your neighborhood
- Organize or participate in a phone bank
- Recruit new volunteers
- Attend local trainings or meetings

If you care and work hard, you can rise fast. Most elected leaders, even some Oregon governors started as PCPs!

## June 2-4, Democratic State Convention in Eugene

PCPs will come together for trainings, to meet candidates, and to help develop the party platform. Together, America can and will do better! To learn more contact:

Oregon's tax system hurts working families. The income tax once paid by major corporations now rests on the backs of individuals and small business owners.

Major corporations today pay only five percent of Oregon's income tax; two-thirds pay none.

Oregon's public schools are suffering. Continued funding cuts have turned Oregonians away from community colleges, and crowded more kids into fewer classrooms.

Oregon's health care system is broken. One out of five Oregonians have no access to health care.

After voting on thousands of bills and amendments, I can honestly say that I have given my very best to represent your interests and the interests of Clatsop, Columbia, Washington and Tillamook counties and Sauvie Island.

My personal goal is to represent you in a manner that will help restore your confidence in your State government. I have made every effort to avoid the partisanship that has plagued our Legislative process in recent years. Instead I have attempted to work with all my colleagues regardless of political party to find common ground to meet Oregon's challenges.

I firmly believe the primary role of state government is to provide our children an opportunity to learn; to protect our society from those who threaten it; and to ensure that our senior citizens live in comfort and with dignity. We must fund these priorities first.

Serving as your State Senator has been a privilege and I would be honored to be able to continue being your voice in Salem.

### BRAD WITT - REPRESENTING OUR VALUES

"Having raised my family in Clatskanie, I feel a genuine kinship with the land, culture and people of NW Oregon. What a wonderful challenge to speak for a vast, rural district and to stand up for the values of its hard working people." - Brad Witt

#### Standing up for Schools

For successful children, Oregonians must invest in stable funding for K-12 education. We must commit to strengthening community college programs so essential to bolstering Oregon's rural economy.

#### Access to Affordable Health Care

For too many Oregonians, health care is too expensive or completely out of reach. On their behalf, I am fighting to expand access to affordable health care coverage and prescription drugs.

#### Growing Our Natural Resource Economy

To preserve the livability of our communities and strengthen our rural economy, sustainability is the key. We must embrace an economic, social and environmental balance as we strive to create new family-wage jobs.

#### Keeping Our Communities Safe

The rampant methamphetamine epidemic in our state is one of many serious, complex challenges. We must keep our families safe, protect the rights of crime victims, and empower our criminal justice system.

Dear Oregonians:

Thank you for electing me to the Oregon Supreme Court in  
2000. Since that time, I have worked to produce timely and  
well-reasoned decisions based solely on case precedent and  
principles of law.

In November 2005, my colleagues on the Supreme Court  
elected me the 37th Chief Justice of the State of Oregon. I am  
honored and deeply humbled by their confidence in choosing  
me to lead the state's judicial branch of government.

As Chief Justice, I will prudently manage our judicial  
resources. I will seek to ensure that judges at all levels treat all  
litigants fairly and issue timely decisions. I will work to enhance  
the quality and administration of justice at every court level in  
accordance with the changing needs of our society.

I believe that courts are the cornerstone of our democratic  
government and the guardians of our state and federal consti-  
tutions. To perform our role properly as a co-equal branch of  
government, the courts must have the trust and confidence of  
citizens. I will continue to work hard to earn and maintain that  
trust.

Simply put, I believe in judicial accountability and judicial  
performance. I am guided by those principles every day.

It has been a profound honor to serve Oregonians.

Sincerely,

Paul De Muniz

This is my thirtieth year living and working as a lawyer in Clatsop County. From 1976 to 1985, I worked in the Clatsop County District Attorney's Office, first as a Deputy and then as Chief Deputy under two different District Attorneys. During that time, I worked in all areas of criminal and juvenile law. I have been in private practice in Astoria, working in both civil and criminal law areas for over twenty years.

My wife Sharon and I have raised three boys here. I have also done the usual parent duties as a Scoutmaster and Cub Scout Pack Committee member, park league basketball coach and assistant soccer and softball coach.

I believe I have had a mixture of experience over the last thirty years that qualifies me to be one of your Circuit Court judges. If elected, I will use that experience fairly and to the benefit of the people of Clatsop County.

As Clatsop County lawyers, we have known and worked with Don Haller for many years. We know him to be a mature, experienced student of the law. He is fair and reasonable with a strong sense of ethics and social values. He will treat all who appear before him with respect. We heartily recommend Don Haller for Circuit Court Judge.

## Vote by Mail

### What is Vote by Mail?

Vote by mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

### As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 28 and May 2, 2006. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

### What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

### What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

### What if I have moved and have not updated my registration?

If you were registered to vote by April 25 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

### Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. The times and locations of dropsites are available at your county elections office.

### How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 39¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

### When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. **Postmarks do not count!**

### How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

### Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

### What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8pm on May 16, the ballot will not be counted.

### Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

### When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted.

## Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

### Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

## New this Year: Only One Nominating Process

The Oregon Legislative Assembly has adopted a new law that states an elector may participate in one, and only one, nominating process for each partisan public office to be filled at the General Election. Partisan public offices to be filled at the 2006 General Election include:

- US Representative
- Governor
- State Senator
- State Representative
- any county or city offices designated as partisan

Participation in a nominating process includes **any** of the following:

- **returning a Democratic or Republican ballot** at the 2006 Primary Election, regardless of how the ballot is voted
- **participating in a minor political party's candidate nominating process**, which is established in the minor political party's by-laws and is usually by a nominating convention
- **signing the minutes of an assembly of electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election
- **signing a certificate of nomination by individual electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election

### example

Elector A is registered to vote as a member of a major political party and is issued and **returns a partisan ballot** at the 2006 Primary Election. Elector A votes for most, but not all, of the partisan races listed.

In July 2006, Elector A signs a petition to nominate a nonaffiliated candidate for State Representative District 25 to the 2006 General Election. Elector A's signature **is not** a valid signature and must be disqualified. Elector A is deemed to have already participated in a nominating process for **all** partisan offices for the 2006 General Election by returning a partisan ballot for the 2006 Primary Election.

## marking your ballot

- 1 Carefully read and follow all instructions printed on your ballot. The instructions will say whether you should use a pen or pencil to mark your ballot.
- 2 To vote, completely fill in the oval next to your choice.
- 3 To write-in a candidate:
  - Clearly print his or her name on the dotted line provided on the ballot
  - Fill in the oval next to the name you wrote-in

**You must do both for your vote to be counted!**

## check your ballot!

If you vote for more candidates than allowed, or if you vote **both Yes and No** on a measure, it is called an overvote.

Your vote **will not count** for that candidate or measure.

You do not have to vote on all contests. Those you do vote on will still count.

## getting a replacement ballot

Contact your County Elections Office or call 1 866 ORE VOTES to request a replacement ballot if:

- you make a mistake
