BILL BRADBURY
SECRETARY OF STATE

PADDY J. McGUIRE
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION

JOHN LINDBACK
DIRECTOR

141 STATE CAPITOL
SALEM, OREGON 97310-0722
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making to increase your confidence in a safe, reliable, and easy-to-navigate elections system.

Our toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 is available every business day all year long from 8:00 am to 5:00 pm if you have any questions about your ballot or about voting.

Under the federal Help America Vote Act, we have implemented a new Centralized Voter Registration system that keeps our voter rolls clean and up-to-date, and we are working on ways to make voting more accessible for people with disabilities.

The federal law also imposes some new identification requirements. If you are registering to vote in Oregon for the first time, you must provide your Oregon Driver's License number, or if you do not have a Driver's License, then you must provide the last four digits of your Social Security number. If you do not have either a Driver's License or Social Security number and are registering by mail, then you may provide a copy of other forms of identification listed on the voter registration card.

If you have moved, or changed your name, you must fill out a new voter registration card, but you do not have to provide ID. Be sure to put your old information in the "updates" section at the bottom of the card.

Voter registration cards are available online at www.OregonVotes.org, from your local DMV or county elections office, or in this pamphlet. If you are registering for the first time, you must register by April 25 to participate in this election.

For those of you who are already registered to vote, please return your ballot so that it is received by May 16. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

Best wishes,

A handwritten signature in black ink that reads "Bill Bradbury". The signature is fluid and cursive, with a long, sweeping tail on the final letter.

Bill Bradbury
Oregon Secretary of State

General Information

Voters' Pamphlet

Your official 2006 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2006 Primary Election ballot.

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2006, Republican candidates appear first.

All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

Miscellaneous voting aids, including dropsite locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2006 Primary Election is:

M, Z, E, R, C, B, U, Y, Q, F, A, T, S, W, I, K, N, L, G, O, J, X, P, D, V, H

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.sos.state.or.us/elections.

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

Duties and Responsibilities of Republican Precinct Committeepersons

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. A Precinct Committee Person (PCP) is the “face” of the party and an “advocate” for Republican political principles in their neighborhoods and communities. They are asked to attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership on the county, state and national levels. You may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct with a candidate, introducing the candidate to friends and neighbors. You may also be asked to participate in making phone calls and distributing campaign materials in your precinct. You will become the Republican Party in your community.

PCPs should be able to convey these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

This fall, Oregon Republicans will work to retain and extend our majority in the House chamber and increase the Senate minority to majority status in the Oregon Legislature. We will also work to elect Republican representatives to the United States Congress and a Republican governor. PCPs will play key roles in bringing about these victories.

While Republican precinct persons are encouraged to support the candidates of their choice in the primary election, it is expected that PCP’s, as representatives of the party during the general election, will support all Republican candidates receiving the party’s nomination.

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. You may send e-mail to info@orgop.org or visit our website at www.orgop.org

Dear Friends:

Over the past 2 election cycles, the voters of House District 30 have put their faith in me to be their voice in the Oregon Legislature. I have been honored to do so. The voters have supported our campaign for several reasons: honesty, integrity, and willingness to fight for the voters, and not special interests. Our message of lower taxes, less government intervention, protecting private property rights and always focusing on the best Oregon has to offer has been the strength of our campaigns.

Now in 2006, I am asking the voters of the 1st Congressional District to allow me, Derrick Kitts, to take our Oregon values to Washington DC and fight to clean up the existing culture of corruption.

During the last legislative session, I fought to ensure the Campaign Finance Reform Bill was passed, making Oregon's disclosure laws some of the most comprehensive and open in the country. This bill was the most significant piece of legislation of the 2005 session. As your Congressman, I will fight to make these same sunshine laws applicable to Congress. I also fought to hold the line on taxes and balance the budget. The people of Oregon will get a Kicker check and we did it all without raising taxes on hard working Oregonians.

Just as in the past elections, if you have any questions for me or my campaign staff please feel free to call me directly at 503-312-8146. For these reasons, I am asking to be your voice in Congress and for your vote.

Derrick Kitts for Congress, **BE A PART OF IT!**

All the best,

Jason Atkinson is the Next Generation to Lead Oregon

Oregon can be great again, but it will take a new generation of leaders to fix the problems we face. The only certainty is that Oregon continues going in the wrong direction. Government has lost credibility with Oregonians, but it can be fixed.

As Senator, Jason Atkinson has a proven, consistent, and committed track record of service to Oregon. Jason Atkinson stands with farmers, with small business owners, with college students. He stands for taxpayers, the unemployed, and senior citizens. Jason Atkinson created a long list of accomplishments and a reputation for optimism, hard work and independence.

Jason Atkinson represents what is best in Oregon. As Governor, Jason Atkinson will take power away from special interests and give it back to people. As Governor, Jason Atkinson will work for the safety and security of Oregonians and **protection of children** by locking up sexual predators, fighting meth and helping Oregonians overcome addictions. As Governor, Jason Atkinson will control Oregon's illegal immigration problem, respecting people and taxpayers. As Governor, Jason Atkinson will eliminate Capital Gains taxes, use the power of the veto pen to force the education budget to be passed first, not last, and will finally accomplish what Oregonians want most: to be respected again.

Jason Atkinson knows the private sacrifice of public leadership and values the hopes of Oregonians who want to believe again.

Forty years ago, Oregonians trusted a new generation to lead Oregon. Today, there is hope again.

Vote Jason Atkinson, our next Governor.

Prior Governmental Experience: Precinct Committeeman.

Reasons For Seeking Election: I am seeking to be elected your next Governor in order to give you the tax relief to which you are entitled by law, to get you your civil and constitutionally guaranteed monetary rights under the Oregon and United States Constitutions, and to create more jobs in Oregon. I intend to implement your relief by both a 50% property tax reduction and a 90% capital gains tax reduction immediately upon election November 7. This relief occurs for you because of legal errors and ignoring of Oregon and United States Constitution requirements. I intend also to take Oregon properly into the international community by implementing a \$1 Oregon Income Tax Credit for you and all taxpayers, whenever any business headquartered and incorporated in Oregon has, establishes, or maintains an operating office or business enterprise in any foreign country or territory that maintains a full circulating gold and silver coinage among its people. It is my plan, moreover, for tax free interest on gold and silver savings accounts opened at Oregon chartered banks, and to provide at least a 30% discount to Oregon income taxpayers if they pay in the honest dollar — a gold coin. **Vote Leitch 4 Governor, \$\$\$ 4 You!**

‘A house divided against itself, the house cannot stand’ (Mark 3:25). Big money and special interests has controlled our elected officials for too long and in 2006 this must end. Government can’t meet the needs of all Oregonians if this continues.... We must;

Cap government spending at a 3% increase per year and prioritize our spending on public safety, education and the Oregon Health Plan.

Our neighborhoods are not safe. We must make our streets safe with increased State Police and expanded jail availability in every county.

Education is priority #1; Our children are our future and we must prepare them for the 21st. century (a foreign language must be required in every high school).

Health Care should be available to all Oregonians. We have the money to expand it for everyone if you consider it a priority!

I know there are other issues important to Oregonians. Roads, immigration and the environment but our streets must be safe, our children educated and health care available to all.

Family Values: Family values involves more than just abortion and gay marriage. Family values involves honesty and integrity. Caring about your neighbor and the poor (Matthew 22:36-40). Not judging others with whom you disagree (John, chpt.8). I support choice and gay marriage but I’m against this war and I want our soldiers home in 2006.

Our government belongs to the voters of Oregon and we can make it work for everyone! I ask for your vote.

Be Well/God Bless;

Quality Education

Throughout his life Charles Starr has worked to provide a quality education for our children. He has served as a school board member and Chairman of the Senate Education Committee. Charles is an advocate for explicit phonics instruction to **strengthen reading skills and boost student achievement** while saving taxpayers money. He was also one of the first to advocate repeal of the CIM and CAM.

Standing Up for Family Values

Few in Salem have done more to protect traditional values than Charles Starr. He is **pro-life and he opposes gay marriage and civil unions for homosexuals.** He opposes taxpayer funding of abortions. Senator Starr has also sponsored bills requiring that parents are notified before their minor daughter has an abortion.

Confronting Illegal Immigration

People who are in our country illegally are costing Oregon taxpayers millions of dollars every year. Since 1995, Charles Starr has fought to **crack down on issuing drivers licenses to illegal aliens.** He also supports tightening our nation's borders and establishing tougher penalties for employers who knowingly hire illegal immigrants.

Good Government, Not More Government

No other legislator has helped send back more money to Oregon families in the form of kicker refunds than Charles Starr – **helping return over \$1.3 billion in over-collected taxes.** Charles supports regular performance audits to make sure government agencies are using our tax dollars responsibly and effectively.

Bruce Starr Republican

Occupation: Small Business Owner

Occupational Background: Roofing Contractor, family farming

Educational Background: Portland State University, Bachelors Degree; Hillsboro High School

Prior Governmental Experience: State Representative; Hillsboro City Councilor, Precinct Committeeman

Prioritizing Kids

Senator Starr wants to insure tax dollars actually get into Oregon classrooms, lowering class size and improving student achievement. He is the leader in requiring at least 65% of every education dollar be spent in the classroom where it does our children the most good.

Maintaining a Healthy Economy

Washington County is growing and our transportation system must keep pace. Senator Starr is working to expand infrastructure and secure our community's economic success with new bridges over the Tualatin River, new interchanges and additional lanes on the Sunset Highway.

Senator Starr knows job growth is not automatic and has worked to help our local employers expand.

Passing Jessica's Law – Protecting Oregon Children

Senator Starr led the fight in the Oregon Senate to pass Jessica's Law which will guarantee sexual predators who commit heinous crimes against children serve a 25 year sentence. When his efforts were blocked Senator Starr didn't quit. He is leading the fight to place Jessica's Law on the ballot as an initiative. He needs your help. Please go to www.jessicalawfororegon.com to help. Our kids are counting on us.

Land Use, Holding Judges Accountable

Private property rights are foundational to the freedoms granted us by God and guaranteed by our Constitution. Senator Starr has consistently supported and will continue to support Oregonians private property rights – even when judges get it wrong.

Senator Starr will introduce legislation to reduce the power of incumbency for judges and hold them accountable for the decisions they make which affect our quality of life.

Fiscal Restraint

As Oregon's economy expands so do the tax dollars sent to Salem. Legislators must save during the boom years to fill the gaps during the bust years. Senator Starr will continue his fight for a reserve fund.

WHY VOTE for DON FELL ...for children, jobs, education and economic development

- Oregonians export our most precious commodity, our children. They leave for college and don't return, due to lack of quality-family wage jobs.
- Oregon is blessed with an abundance of Natural Resources. There should be an abundance of family-jobs in agriculture, fishing, and timber. Don supports the family farms, forestry, and fishing on streams, rivers, and ocean.
- More roads and road-lanes for Oregon Citizens
- DON believes government should work with business to solve environmental problems, protecting Oregon's natural beauty-not roadblocks that prevent quality Natural Resource jobs, nor limiting our personal enjoyment of this natural beauty.
- DON believes governments, like families should live within its budget, plan for rainy days and emergencies, NOT new taxes.
- DON believes in quality education for children, reduce State mandates, let Teachers teach, return school control to parents and local boards.

The Oregon economic environment that provides jobs for you, your family and friends, continues to be business un-friendly. Businesses are leaving Oregon, taking jobs. Your job may be next. Please help me change Oregon government's response to you.

"Don served as my special legislative aide on coastal and environmental issues. Whether in defense of jobs, saving the kicker, increasing road capacity or salmon restoration; Don has worked for a healthy economy and maintaining livability" Senator George, District 12.

Oregon needs to invest in our public schools to ensure that our children have a world class education so they will be prepared to compete in a global economy. Oregonians not only want first class schools, but they also want schools to come first. Every year Oregon delays meaningful education reform is a year the legislature disappoints our children.

Oregon needs to examine tax reform that is fairer and will make our state attractive to investment from the companies that will bring the good paying jobs of the future. Oregon should work to make our state receipts less volatile and less susceptible to wild swings in revenue so that we can adequately plan and budget for the future.

Oregon needs to give the police who protect our communities the high tech tools and resources they need to help keep our families safe. We must do all we can for those who protect our families.

Oregon needs to reassess how government works so that citizens feel that the state is working with the people's input and in their best interests. Well managed government should serve the people.

Oregon needs to remember its values while planning for its future. Oregon's reputation as a friendly, open-minded, and environmentally conscious state needs to endure. We must make sure that we can pass on Oregon's beauty to our children.

I look forward to a positive campaign about the issues that Oregonians care most about. I will do my best to work for solutions to the problems that Oregonians want solved. Please consider me, David Newell, for State Senate.

"Growing up in this area and raising my own children here, I want our community to continue to grow and thrive and I believe other people want similar things for themselves and their families. I also believe voters deserve to have someone in Salem asking fair, but tough questions about how we spend tax dollars and what we get in return. Our elected leaders need to be willing to take responsibility for their actions and to lead. How the state has managed PERS for example is proof that our priorities are upside down. While we are dumping millions of dollars into a bloated state retirement system, our children, our economy, our healthcare system and our seniors are all suffering. We need new leadership and a new direction for 21st century solutions."

Domonic Biggi

A New Direction to Save Schools

We need to have a tough discussion on stabilizing education funding. We need to provide capital for new facilities for overcrowded schools. We need a realignment of education funds to solve the out-of-balance funding challenge. We need programs to help integrate non-English speaking kids faster and better into the workforce. We need more accountability with regard to the performance of schools.

More Jobs, More Stability

We need government out of the way of job growth. We need a culture of cultivating existing employers and business. We need to quit putting up barriers to attracting new employers who want to locate here.

Transportation and Livability

Thousands of new people will be moving into our area in the coming months and years and we aren't prepared to manage the growth. Transportation issues are becoming more of an issue which requires new leadership and new attention to preserve a decent quality of life for all of us.

Prior Governmental Experience: Grateful recipient of Small Business Administration loan; continual positive dealings with Yamhill County Department of Health and Human Services.

Family: My lovely wife of 12 years Holly and I have three beautiful children together.

We are all tremendously fortunate to live in one of the greatest states in our nation and we need to fight to keep it safe and prosperous.

The powerful public employee unions have a strangle hold on our elected officials and are pulling the focus off the three most important challenges to our immediate future: public safety, illegal immigration, and outdated public employee pension funds.

Furthermore, the legislature must acknowledge what we all know to be true; that sexual predators cannot be reformed. Violent criminals and drug dealers are a scourge on our communities and must be penalized harshly. State police, sheriff departments and prosecutors need to have proper funding to combat homeland terrorists and their conspirators. All of these people listed above deserve life in prison without parole on their first offense.

Combating illegal immigration is my greatest concern. Exacting crippling financial penalties to companies who hire exploited undocumented workers is one key way to take charge of the epidemic. Another way to fight back is to deny tax funded services to illegal immigrants. Incarceration until deportation should be our strictly enforced state policy.

Creating a culture where public safety and illegal immigration are primary concerns comes with new costs which could easily be covered by diverting funds from our state's welfare programs.

I have a vision that will enable Oregon to remain a great place to live and I have the will to make it happen.

CUT STATE SPENDING – DON'T RAISE TAXES OR FEES RETURN LAND USE DECISIONS TO LOCAL CONTROL ASSURE A CLIMATE OF JOB GROWTH

I'm Terry Rilling and I'm asking for your vote. As Mayor of Cornelius I have encouraged citizen input and participation in decision making. I promised to eliminate a water user fee that was imposed on the citizens of Cornelius and the fee is about to be eliminated and replaced with a broad based revenue source created through citizen participation in the city's budget committee. I will have the same open-door policy as your State Representative that I have had as Mayor.

Currently this state is suffering fiscally and I plan to focus on dealing with the structural problem of our government's wasteful spending. Our state must learn to live within its budget the same way you and I do. All of our state resources must be reevaluated to determine where our government is running inefficiently. We cannot afford more taxes or higher fees. Increased taxes and fees hurt families and force businesses to cut benefits, cut jobs and close down. The state must tighten its spending while maintaining vital community services.

I'm asking for your help to keep control of our communities in our communities, control government spending and assuring we maintain a vibrant commercial posture to protect job security.

“During my years in business, I was able to help many businesses grow and become profitable. I was, also, a ‘turn-around specialist’ who returned failing investments back to profitability. As State Representative, I will work to make state government better by maximizing our investment in schools, law enforcement and health care. As a community volunteer, mother and grandmother, I will work to make Oregon a better place for my family and yours.” –Joan Draper

On Education:

I believe in quality education that promotes excellence and high achievement. Our children deserve the very best we can give them with most funding directed to the classroom where it benefits most.

On Safety:

I want to work toward an environment free from crime and drugs where we feel safe in our homes and neighborhoods. The serious methamphetamine problem in our society must be eradicated. I support the Jessica’s Law initiative and want to keep child abusers behind bars.

On Taxation:

My business background has taught me that lower taxes across the board with an environment conducive to business creation results in many job opportunities. Further, it allows for economic growth and sustainability and increased tax revenues. I firmly believe in a controlled and balanced government budget.

On Healthcare:

The cost of healthcare has increased with the advent of more sophisticated medical procedures and a growing aging population. I believe in promoting programs that encourage the prevention of disease and healthy life styles. I support programs that enable cooperative small businesses efforts to negotiate with insurers for lower insurance premiums.

- Senior White House official indicted for lying about outing a covert CIA agent
- Secret, illegal programs to spy on American citizens, blatantly violating the Constitution
- Environmental laws written by lobbyist for industry polluters
- Your tax dollars subsidizing corporations that outsource American jobs
- Tax policy to make billionaires richer and produce the large budget deficit in history
- A culture of corruption so pervasive that indictments extend from Republicans in Congress to the Oregon House

Enough is enough. America and Oregon can do better.

Some argue that to fix government we need to create a new political party. Some say Oregon needs "open primaries" to elect more "moderates" or that imposing artificial "non-partisanship" labels will fix broken government. Their frustration is legitimate, but the solutions are misdirected and diversions.

The simple fact is if you want to change Congress and to break the Republican logjam in Salem, the best, most effective thing you can do is support the Democratic Party. If you are as fed up as most citizens with the incompetence, cronyism and backwards policies of an extreme Republican Party, then you can make a difference in the Democratic Party.

Get involved. Become a Democratic Precinct Committeeperson (PCP) today.

When Howard Dean was elected to head the Democratic National Committee, his first words were, "This is not my chairmanship. It is yours." It was a simple but profound statement. No longer would our party be held hostage by decisions made by an aristocracy of consultants in Washington. Governor Dean has kept his word. Now the call is to us. It is time to demonstrate, as we did in 2004, the awesome grassroots strength of Oregon Democrats. I want you to know the door is open.

What is a "PCP" and what do they do?

Representative democracy only works if people like you – those who vote and are actually reading the voter's pamphlet! – get informed, involved and active. Democracy is not a spectator sport. As a PCP, you are the foundation of the party and you have the power to effect change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Helping elect county, state and national party leaders
- Collecting email addresses from interested voters
- Letting the party and elected officials know about hot local issues
- Making sure the Democratic Party represents you

How do I become a PCP?

First, you must be registered as a Democrat. If you filed a statement of candidacy with your county elections office by the deadline, your name will appear on the May 16th Primary Election. If not, you may also write in your name on the ballot. To be eligible to win, you must receive a minimum of three votes. This can be accomplished often in your own household, but you are best served by reaching out to as many of your neighbors as possible.

Don't be intimidated. Be empowered.

The job of precinct committeeperson can be large or small, depending on your own initiative, but if you accept the title, be prepared to perform some basic periodic activities like:

- Help distribute materials in your neighborhood
- Organize or participate in a phone bank
- Recruit new volunteers
- Attend local trainings or meetings

If you care and work hard, you can rise fast. Most elected leaders, even some Oregon governors started as PCPs!

June 2-4, Democratic State Convention in Eugene

PCPs will come together for trainings, to meet candidates, and to help develop the party platform. Together, America can and will do better! To learn more contact:

Telling It Straight

Oregon's tax system hurts working families. The income tax
once paid by major corporations now rests on the backs of
individuals and small business owners.

Major corporations today pay only five percent of Oregon's
income tax; two-thirds pay none.

Oregon's public schools are suffering. Continued funding cuts
have turned Oregonians away from community colleges, and
crowded more kids into fewer classrooms.

Oregon's health care system is broken. One out of five
Oregonians have no access to health care.

PRIORITIES, NOT POLITICS

Do the right thing. That's the simple principle Brad Avakian lives by. Nothing is more important to Brad than his duty to the neighbors he serves--not party, not politics. It's why he is trusted to stand up for his community.

As our Senator, Brad will continue:

MAINTAINING QUALITY EDUCATION

Brad is fighting for a full school year and Rainy Day Fund to stabilize school budgets. When legislation was introduced to take history, PE and art out of school curriculum, Brad stopped it.

"The legislature has no stronger advocate for public education than Brad. By sponsoring the only no-cuts education budget, he took a stand when others wouldn't."

-Susan Castillo, State Superintendent of Public Instruction

MAKING HEALTHCARE AFFORDABLE

Brad sponsored bills to reduce prescription drug costs, make health insurance affordable, and force insurance companies to cover needed treatments.

"Brad is a champion for seniors and those who are ailing. We need him in Salem."

-Representative Mitch Greenlick

PROTECTING OUR ENVIRONMENT

By sponsoring biofuel production and pesticide reporting bills, Brad helped preserve clean air, clean water and Oregon's natural beauty. Brad also co-founded a local OLCV Chapter.

"Whether it's saving our schools, protecting our environment, or advocating for equal rights, Brad has always been there fighting for Oregonians. He'll be an invaluable leader in the Senate."

A plan to fund schools

Sam's top priority is to create efficient, effective, and yes, fully funded schools. Sam will work to:

- Repeal the corporate kicker
- Create a rainy day fund
- Pool insurance costs
- Eliminate wasteful tax breaks

A steward of the environment

He has an agenda to protect Oregon's environment that starts with clean streams and well planned land use systems.

A legislative champion for those in need

Sam's leadership resulted in millions of dollars and hundreds of affordable homes developed for seniors, families with children, and disabled.

Fight corporate tax loopholes

Sam's opponent voted to allow Enron and PGE to continue pocketing the taxes they collect from Oregonians, SB 408—a loss of \$150 million per year. Only six legislators sided with Enron and PGE. Sam is a Democrat that will fight corporate tax loopholes to assure schools are funded.

Sam isn't a politician. He is a committed community activist who will solve problems instead of just passing them on.

Dear Neighbor:

As your State Senator I have worked hard to be worthy of the trust placed in me. As one of the Senate’s leading budget writers, particularly in education, I restored funding to Head Start, successfully fought to improve school funding, stopped the decline in funding for our community colleges, improved funding for higher education, stopped double digit increases in university tuition, fully funded student assistance and gained approval for the most ambitious capital improvement program in state history.

There is much that we can do for Oregon and our community. I am asking for your support. Together we will:

- **Improve and stabilize funding for our schools**, while ensuring that funding is focused on the classroom.
- **Strengthen our economy**, by creating a business environment that supports job creation and retention and by making a sustained investment in our Community Colleges and Universities.
- **Effectively address issues that are important to people** such as traffic congestion, the livability of our neighborhoods, the rising cost of healthcare, the safety of law-abiding citizens and ensuring that the needs of Oregon’s most vulnerable citizens are not neglected.
- **Pursuing a bi-partisan agenda that unites Oregonians** and respects the values and needs of all citizens.

I believe that the Democratic Party cares about people and does so responsibly and with compassion. Therefore:

I will fight for economic relief for families and individuals, including (1) tax reductions for individual taxpayers through a “Family Tax Relief Act,” (2) refund to ratepayers of tax money collected from them by utilities but not paid to Oregon, and (3) a completely new and different mode of taxation of business entities so they can pay their fair share.

I will fight for social justice on a broad range of subjects including civil rights and adequate funding for education and health care.

I will fight for creation of new jobs. In particular, (1) I will work hard for new transportation and highway initiatives (including a “Northwest Passage” highway from Wilsonville to Scappoose), and (2) I will provide leadership in development and use of alternative energy options and other new technologies.

I will fight for control of predatory businesses such as “pay day loan” companies.

I am running so that this state can move beyond the train wreck that is the history of the Oregon House of Representatives over the past several sessions. The current Republican leadership engineered that train wreck and they deliberately derailed a responsible education budget, an effective health care budget, adequate funding for necessary police protection for the people of Oregon, responsible protection for working families, and a whole host of other areas.

We can do better than that!

Mike understands how it all fits together.

Education is key to a strong economy

Mike believes we cannot jeopardize our children's future or

create a rainy day fund for schools;
- Stop tuition hikes that drive our best and brightest
students out of the state.

Mike believes a well-educated workforce is essential to our
economy. As your next Representative Mike will:

Leadership for the Long Run

There was an era when the Legislature planned for the future—
the Bottle Bill, public beaches, and other innovations made
Oregon a great place to live. Today our elected officials are
quick to say why things can't get done. Tobias Read believes we
should choose progress and innovation over partisanship and
inaction. That's how to improve our community for the long
run.

World-class education: Create a Rainy Day Fund to remove
the volatility from school budgets, enable school districts to
plan for the future, and provide the resources schools need to
meet high academic standards.

"Tobias Read's plan will help give all our children the
opportunity to succeed in school and in life."
-Priscilla Turner, Beaverton School Board Member

Lower prescription drug prices: Expand the innovative
Prescription Drug Purchasing Pool to enable all Oregonians to
get better prices on lifesaving medicines.

Affordable health coverage: Make the big insurance
companies hold public hearings and get Insurance
Commissioner approval before they raise our rates.

"Tobias isn't interested in empty campaign pledges.
He will work to find real ways to lower
healthcare costs for Oregonians."
-Senator Alan Bates, M.D.

"Tobias Read knows that government has a responsibility to
protect the safety and well-being of its citizens."
-Representative Jeff Barker

"The decisions we make in the next few years will
determine the quality of our schools and the health of our state
for decades. Tobias Read is the right choice to make those
decisions, and he's got my vote to be the next
State Representative from District 27."

Dear Friend,

Two years ago, I asked you to give me the opportunity to apply my lifetime of problem solving skills to the challenges facing our community.

I've done my best to honor your trust in me. As your representative, I've concentrated on the things that matter most here at home:

No More Cuts to Schools. Championed ending rich retirement packages for administrators and fought for a no-cuts education budget.

Lowering Health Care Costs. Worked to reduce prescription drug prices and hospital rates.

Good Paying Jobs. Created research and development incentives to attract new businesses and good paying jobs to Washington County.

Safe Communities. Worked with Republicans and Democrats to protect our kids from sexual predators. Fought to protect our community from methamphetamine dealers.

With your support, here's what I'll focus on in the future:

School Funding for Classrooms. Forming a statewide purchasing pool for teacher's health insurance, reducing overhead costs and using that money for our kids' education.

Affordable Health Care. Creating more low cost insurance alternatives so small businesses can cover employees and their families.

Stable Funding for Schools. Establishing a Rainy Day Fund to stabilize school funding over the long term.

Support for Families. Breaking the meth addiction cycle. Cracking down on predatory pay day lenders.

I feel good about our accomplishments over the past two years, but there's still much work to be done. I'm committed to finding solutions to the challenges facing our community and our state.

Sincerely,

Chuck Riley

General Information

Vote by Mail

What is Vote by Mail?

Vote by mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 28 and May 2, 2006. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by April 25 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. The times and locations of dropsites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 39¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. **Postmarks do not count!**

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8pm on May 16, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

She will insist on quality jobs that command a family living wage.

Bev Backa - Demonstrating that sound management is the key to cost effective service delivery. Using sound business practices like insurance pooling and maintaining Oregon Health Plan benefits that leverage every possible federal dollars are better solutions to containing costs than eliminating services. Sending our medically indigent to emergency rooms for routine care is not humane and it just doesn't make good fiscal sense. Every Oregonian has the right to quality and affordable healthcare.

We can get better results for a whole lot less money when we effectively teach kids the basics early, reading and math facts. Children are smarter than ever before. However, schools are dumbed down and teachers are not well prepared. Students are not being taught how to read well, early and quickly. As evidenced in our math standards, students are not required to memorize basic number facts in the early grades and are encouraged to use calculators. **Lacking basic reading and math skills, students fall further and further behind the longer they attend our schools.** The lack of basic skills may be a significant factor in the 28.9% increase in the number of special education students served since 1992-1993 *Oregon Department of Education Annual Report 2003-2004*. **I will work to implement research-proven, challenging curriculum and improved teacher training.** I will use incentives, accreditation, certification, Oregon Rules and Legislation to right this ship. **The course we are on is one of exploding costs and student failure.**

Dear Oregonians:

Thank you for electing me to the Oregon Supreme Court in
2000. Since that time, I have worked to produce timely and
well-reasoned decisions based solely on case precedent and
principles of law.

In November 2005, my colleagues on the Supreme Court
elected me the 37th Chief Justice of the State of Oregon. I am
honored and deeply humbled by their confidence in choosing
me to lead the state's judicial branch of government.

As Chief Justice, I will prudently manage our judicial
resources. I will seek to ensure that judges at all levels treat all
litigants fairly and issue timely decisions. I will work to enhance
the quality and administration of justice at every court level in
accordance with the changing needs of our society.

I believe that courts are the cornerstone of our democratic
government and the guardians of our state and federal consti-
tutions. To perform our role properly as a co-equal branch of
government, the courts must have the trust and confidence of
citizens. I will continue to work hard to earn and maintain that
trust.

Simply put, I believe in judicial accountability and judicial
performance. I am guided by those principles every day.

It has been a profound honor to serve Oregonians.

Sincerely,

Paul De Muniz

General Information

New this Year: Only One Nominating Process

The Oregon Legislative Assembly has adopted a new law that states an elector may participate in one, and only one, nominating process for each partisan public office to be filled at the General Election. Partisan public offices to be filled at the 2006 General Election include:

- US Representative
- Governor
- State Senator
- State Representative
- any county or city offices designated as partisan

Participation in a nominating process includes **any** of the following:

- **returning a Democratic or Republican ballot** at the 2006 Primary Election, regardless of how the ballot is voted
- **participating in a minor political party's candidate nominating process**, which is established in the minor political party's by-laws and is usually by a nominating convention
- **signing the minutes of an assembly of electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election
- **signing a certificate of nomination by individual electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election

example

Elector A is registered to vote as a member of a major political party and is issued and **returns a partisan ballot** at the 2006 Primary Election. Elector A votes for most, but not all, of the partisan races listed.

In July 2006, Elector A signs a petition to nominate a nonaffiliated candidate for State Representative District 25 to the 2006 General Election. Elector A's signature **is not** a valid signature and must be disqualified. Elector A is deemed to have already participated in a nominating process for **all** partisan offices for the 2006 General Election by returning a partisan ballot for the 2006 Primary Election.
