OFFICE OF THE SECRETARY OF STATE

BILL BRADBURY
SECRETARY OF STATE

PADDY J. McGUIRE
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION

JOHN LINDBACK
DIRECTOR

141 STATE CAPITOL
SALEM, OREGON 97310-0722
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making to increase your confidence in a safe, reliable, and easy-to-navigate elections system.

Our toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 is available every business day all year long from 8:00 am to 5:00 pm if you have any questions about your ballot or about voting.

Under the federal Help America Vote Act, we have implemented a new Centralized Voter Registration system that keeps our voter rolls clean and up-to-date, and we are working on ways to make voting more accessible for people with disabilities.

The federal law also imposes some new identification requirements. If you are registering to vote in Oregon for the first time, you must provide your Oregon Driver's License number, or if you do not have a Driver's License, then you must provide the last four digits of your Social Security number. If you do not have either a Driver's License or Social Security number and are registering by mail, then you may provide a copy of other forms of identification listed on the voter registration card.

If you have moved, or changed your name, you must fill out a new voter registration card, but you do not have to provide ID. Be sure to put your old information in the "updates" section at the bottom of the card.

Voter registration cards are available online at www.OregonVotes.org, from your local DMV or county elections office, or in this pamphlet. If you are registering for the first time, you must register by April 25 to participate in this election.

For those of you who are already registered to vote, please return your ballot so that it is received by May 16. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

Best wishes,

A handwritten signature in black ink that reads 'Bill Bradbury'. The signature is fluid and cursive, with a long, sweeping underline.

Oregon Secretary of State

General Information

Voters' Pamphlet

Your official 2006 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2006 Primary Election ballot.

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2006, Republican candidates appear first.

All space is purchased: statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

Miscellaneous voting aids, including dropsite locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2006 Primary Election is:

M, Z, E, R, C, B, U, Y, Q, F, A, T, S, W, I, K, N, L, G, O, J, X, P, D, V, H

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.sos.state.or.us/elections.

Español

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

Duties and Responsibilities of Republican Precinct Committeepersons

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. A Precinct Committee Person (PCP) is the “face” of the party and an “advocate” for Republican political principles in their neighborhoods and communities. They are asked to attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership on the county, state and national levels. You may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct with a candidate, introducing the candidate to friends and neighbors. You may also be asked to participate in making phone calls and distributing campaign materials in your precinct. You will become the Republican Party in your community.

PCPs should be able to convey these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

This fall, Oregon Republicans will work to retain and extend our majority in the House chamber and increase the Senate minority to majority status in the Oregon Legislature. We will also work to elect Republican representatives to the United States Congress and a Republican governor. PCPs will play key roles in bringing about these victories.

While Republican precinct persons are encouraged to support the candidates of their choice in the primary election, it is expected that PCP’s, as representatives of the party during the general election, will support all Republican candidates receiving the party’s nomination.

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. You may send e-mail to info@orgop.org or visit our website at www.orgop.org

Reasons For Seeking Election: I am seeking to be elected your next Governor in order to give you the tax relief to which you are entitled by law, to get you your civil and constitutionally guaranteed monetary rights under the Oregon and United States Constitutions, and to create more jobs in Oregon. I intend to implement your relief by both a 50% property tax reduction and a 90% capital gains tax reduction immediately upon election November 7. This relief occurs for you because of legal errors and ignoring of Oregon and United States Constitution requirements. I intend also to take Oregon properly into the international community by implementing a \$1 Oregon Income Tax Credit for you and all taxpayers, whenever any business headquartered and incorporated in Oregon has, establishes, or maintains an operating office or business enterprise in any foreign country or territory that maintains a full circulating gold and silver coinage among its people. It is my plan, moreover, for tax free interest on gold and silver savings accounts opened at Oregon chartered banks, and to provide at least a 30% discount to Oregon income taxpayers if they pay in the honest dollar — a gold coin. **Vote Leitch 4 Governor, \$\$\$ 4 You!**

Occupation: Money manager/ International

Occupational Background: Portland Police Officer: 1977-1985; Air National Guard/ Air Force (Military Police): Retired

Educational Background: A.A. Criminal Justice, Portland Community College, 1976; B.S. Philosophy, Portland State University, 1986; Graduate Certificate/Chaplaincy, Western Seminary, 2004;

Prior Governmental Experience: Police Officer/military:

‘A house divided against itself, the house cannot stand’ (Mark 3:25). Big money and special interests has controlled our elected officials for too long and in 2006 this must end. Government can’t meet the needs of all Oregonians if this continues.... We must;

Cap government spending at a 3% increase per year and prioritize our spending on public safety, education and the Oregon Health Plan.

Our neighborhoods are not safe. We must make our streets safe with increased State Police and expanded jail availability in every county.

Education is priority #1; Our children are our future and we must prepare them for the 21st. century (a foreign language must be required in every high school).

Health Care should be available to all Oregonians. We have the money to expand it for everyone if you consider it a priority!

I know there are other issues important to Oregonians. Roads, immigration and the environment but our streets must be safe, our children educated and health care available to all.

Family Values: Family values involves more than just abortion and gay marriage. Family values involves honesty and integrity. Caring about your neighbor and the poor (Matthew 22:36-40). Not judging others with whom you disagree (John, chpt.8). I support choice and gay marriage but I’m against this war and I want our soldiers home in 2006.

Our government belongs to the voters of Oregon and we can make it work for everyone! I ask for your vote.

Quality Education

Throughout his life Charles Starr has worked to provide a quality education for our children. He has served as a school board member and Chairman of the Senate Education Committee. He serves on the State Literacy Advisory Committee. Charles is an advocate for explicit phonics instruction to **strengthen reading skills and boost student achievement** while saving taxpayers money. He was also one of the first to advocate repeal of the CIM and CAM.

Standing Up for Family Values

Few in Salem have done more to protect traditional values than Charles Starr. He is **pro-life and he opposes gay marriage and civil unions for homosexuals**. He opposes taxpayer funding of abortions. Senator Starr has also sponsored bills requiring that parents are notified before their minor daughter has an abortion.

Confronting Illegal Immigration

People who are in our country illegally are costing Oregon taxpayers millions of dollars every year. Since 1995, Charles Starr has fought to **crack down on issuing drivers licenses to illegal aliens**. He also supports tightening our nation's borders and establishing tougher penalties for employers who knowingly hire illegal immigrants.

Good Government, Not More Government

No other legislator has helped send back more money to Oregon families in the form of kicker refunds than Charles Starr – **helping return over \$1.3 billion in over-collected taxes**. Charles supports regular performance audits to make sure government agencies are using our tax dollars responsibly and effectively.

Oregon needs to invest in our public schools to ensure that our
children have a world class education so they will be prepared
to compete in a global economy. Oregonians not only want first
class schools, but they also want schools to come first. Every
year Oregon delays meaningful education reform is a year the
legislature disappoints our children.

Oregon needs to examine tax reform that is fairer and will make
our state attractive to investment from the companies that will
bring the good paying jobs of the future. Oregon should work
to make our state receipts less volatile and less susceptible to
wild swings in revenue so that we can adequately plan and
budget for the future.

Oregon needs to give the police who protect our communities
the high tech tools and resources they need to help keep our
families safe. We must do all we can for those who protect our
families.

Oregon needs to reassess how government works so that
citizens feel that the state is working with the people's input and
in their best interests. Well managed government should serve the
people.

Oregon needs to remember its values while planning for its
future. Oregon's reputation as a friendly, open-minded, and
environmentally conscious state needs to endure. We must
make sure that we can pass on Oregon's beauty to our children.

I look forward to a positive campaign about the issues that
Oregonians care most about. I will do my best to work for
solutions to the problems that Oregonians want solved.

Working for a Better Tomorrow

I am running for State Senator because I believe in a better
tomorrow for every man, woman and child in the state of
Oregon. Our leaders are losing contact with the real world and
the real challenges we face. Working with you, I will take our
passions and concerns to Salem where we can bring about
change.

Providing for our Children and our Schools

I have four wonderful grandchildren whose education is very
important to me. The schools and environment they learn in
will forever shape their futures. We owe it to our schools to give
them certainty. Every politician goes to Salem promising to
fund schools first but turn around and fund it last. We need to
change that.

Restoring Faith in Government

It is time to put an end to the backroom deals and partisanship
that have caused people to lose faith in their government. We
need to work in the open and toward a consensus. The days of
cutting deals in the dark and then asking people to fall in line
are over. Rather than working to advance a personal agenda we
need to work to advance Oregon.

Value for Your Tax Dollar

When you pay your taxes you are investing those dollars in
your government. For too long those investments have shown
pretty poor returns. I will work to make sure you know you are
getting something for your money – something real that will
get our state moving in the right direction.

The Leadership You Deserve

I will work toward a better Oregon for all of us and I will give
every citizen the type of leadership they expect and deserve.

TJ REILLY...For Stable School Funding.

We need adequate and stable school funding. Having personally attended both a public and private high school, I understand how school waste and under funding affects the ability of a school to meet the needs of today's students. The ability to attract and retain good teachers is directly linked to stable funding.

TJ REILLY...Efficiency in Government, Not New Taxes.

As a small business owner, I have learned that efficiency is the key to profitability, not charging additional fees. The state, like any other business, must also reduce waste and become more efficient in order to have a balanced budget and continue to provide essential services to our citizens.

Official 2006 Primary Election Voters' Pamphlet

19 | **Republican Candidates**

Duties and Responsibilities of Democratic Precinct Committeepersons

A message from the Democratic Party Chair Jim Edmunson.

This is your government under Republican leadership:

- A tragic and costly war in Iraq premised on lies and deception
- Abandonment of tens of thousands of victims of Hurricane Katrina
- Senior White House official indicted for lying about outing a covert CIA agent
- Secret, illegal programs to spy on American citizens, blatantly violating the Constitution
- Environmental laws written by lobbyist for industry polluters
- Your tax dollars subsidizing corporations that outsource American jobs
- Tax policy to make billionaires richer and produce the large budget deficit in history
- A culture of corruption so pervasive that indictments extend from Republicans in Congress to the Oregon House

Enough is enough. America and Oregon can do better.

Some argue that to fix government we need to create a new political party. Some say Oregon needs "open primaries" to elect more "moderates" or that imposing artificial "non-partisanship" labels will fix broken government. Their frustration is legitimate, but the solutions are misdirected and diversions.

The simple fact is if you want to change Congress and to break the Republican logjam in Salem, the best, most effective thing you can do is support the Democratic Party. If you are as fed up as most citizens with the incompetence, cronyism and backwards policies of an extreme Republican Party, then you can make a difference in the Democratic Party.

Get involved. Become a Democratic Precinct Committeeperson (PCP) today.

When Howard Dean was elected to head the Democratic National Committee, his first words were, "This is not my chairmanship. It is yours." It was a simple but profound statement. No longer would our party be held hostage by decisions made by an aristocracy of consultants in Washington. Governor Dean has kept his word. Now the call is to us. It is time to demonstrate, as we did in 2004, the awesome grassroots strength of Oregon Democrats. I want you to know the door is open.

What is a "PCP" and what do they do?

Representative democracy only works if people like you – those who vote and are actually reading the voter's pamphlet! – get informed, involved and active. Democracy is not a spectator sport. As a PCP, you are the foundation of the party and you have the power to effect change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Helping elect county, state and national party leaders
- Collecting email addresses from interested voters
- Letting the party and elected officials know about hot local issues
- Making sure the Democratic Party represents you

How do I become a PCP?

First, you must be registered as a Democrat. If you filed a statement of candidacy with your county elections office by the deadline, your name will appear on the May 16th Primary Election. If not, you may also write in your name on the ballot. To be eligible to win, you must receive a minimum of three votes. This can be accomplished often in your own household, but you are best served by reaching out to as many of your neighbors as possible.

Don't be intimidated. Be empowered.

The job of precinct committeeperson can be large or small, depending on your own initiative, but if you accept the title, be prepared to perform some basic periodic activities like:

- Help distribute materials in your neighborhood
- Organize or participate in a phone bank
- Recruit new volunteers
- Attend local trainings or meetings

If you care and work hard, you can rise fast. Most elected leaders, even some Oregon governors started as PCPs!

June 2-4, Democratic State Convention in Eugene

PCPs will come together for trainings, to meet candidates, and to help develop the party platform. Together, America can and will do better! To learn more contact:

National Leadership

Dear Friends;

Like you, I am often frustrated with the direction of our county.

Every day, we face the consequences of failed policies like the tragic mismanagement of the war in Iraq, the treatment of our veterans at home, the failed response to natural disasters like Katrina, and the bureaucratic morass in programs critical to senior citizens. A culture of cronyism, corruption and incompetence is failing to meet the needs and expectations of Americans.

I remain optimistic we can change things. **Throughout my career, I've believed in the fundamental values we cherish in Oregon.** I have worked hard on reforms giving citizens more control to make families safe, healthy and economically secure.

Access to health care, funding for education and protecting our environment cannot be accomplished with narrow ideologies and the heavy hand of special interests. The source of our success has been Oregonians coming together to solve problems for the betterment of our communities all across the state.

Solutions to health care, education and economic challenges cannot be just dictated by Washington DC. We should however, expect a true partnership with the federal government to solve problems and strengthen our communities.

Together, we can assure that Oregon is not just on the right path but is a model for the country for the things we all hold dear. Your support for putting Oregon values to work is now more important than ever.

Thank you for the trust you have given me to represent you in Congress. **I would appreciate your vote in May so that we can continue our work together.**

Sincerely,

Earl

"A Better Future for Oregonians with JOHN SWEENEY"

As a U.S. Congressman, John Sweeney will work for these reforms for you:

1. **Education:** Schools must be run at the local level. There is a shortage of teachers coming. We must start a national effort to recruit new teachers while they are still in high school to get a head start to overcome this growing problem.
2. **Health Care:** Medicare for all. Medicare for age 65 and over covers 80% of the costs. Medicare for those age 64 and under should cover 40% of the costs at the same premium. 15% of the people have no coverage! Medicare insurance is needed!
3. **Social Security:** Social Security must be protected and improved. In these striving times many companies are freezing and ending their retirements, and not offering them to new employees. It is very important because Social Security maybe the only retirement left for most people!
4. **Law Reform:** The criminal justice system does not work for us! It is time to change it from an adversarial system, where it is who wins that counts to a "True Justice System", where it is law and truth that bring about True Justice.

JOHN SWEENEY is a native Oregonian.

JOHN SWEENEY is an advocate and defender of the American Way of Life!

Lifelong Oregonian, Unashamed Populist And Progressive Democrat

I grew up in rural Coos County and raised my family in Eugene. In my 30 years of public service I have always stood for core Democratic values: pro-education, pro-environment, pro-choice, pro-senior, pro-worker, pro-civil rights, pro-Oregon!

www.petesorenson.com

Telling It Straight

Oregon's tax system hurts working families. The income tax once paid by major corporations now rests on the backs of individuals and small business owners.

Major corporations today pay only five percent of Oregon's income tax; two-thirds pay none.

Oregon's public schools are suffering. Continued funding cuts have turned Oregonians away from community colleges, and crowded more kids into fewer classrooms.

Oregon's health care system is broken. One out of five Oregonians have no access to health care.

I Am The Only Democratic Candidate For Governor Willing To Fight For Corporate Tax Reform To Fully Fund Public Education And Health Care

As Your Governor I Will

Ensure that major corporations, like you, pay their fair share in state income taxes.

End the corporate kicker, saving Oregon hundreds of millions of dollars each year.

Fight to protect Oregon's environment.

Build sustainable, family wage jobs.

Work to bring our National Guard home from Iraq.

With Your Vote We Can Do Extraordinary Things

I can win in November. New York polling firm, Zogby International, shows me outpolling Ron Saxton and Kevin Mannix by as many as 10 points.

diverse interests. In any setting I emerge as a leader and a

subdue the prevailing divide of party politics while facing the
realities of the difficult issues facing Oregon. I believe I can bet-

Dear Neighbor:

As your State Senator I have worked hard to be worthy of the
trust placed in me. As one of the Senate’s leading budget
writers, particularly in education, I restored funding to Head
Start, successfully fought to improve school funding, stopped
the decline in funding for our community colleges, improved
funding for higher education, stopped double digit increases in
university tuition, fully funded student assistance and gained
approval for the most ambitious capital improvement program
in state history.

There is much that we can do for Oregon and our community.
I am asking for your support. Together we will:

- **Improve and stabilize funding for our schools**, while
ensuring that funding is focused on the classroom.
- **Strengthen our economy**, by creating a business
environment that supports job creation and retention and
by making a sustained investment in our Community
Colleges and Universities.
- **Effectively address issues that are important to
people** such as traffic congestion, the livability of our
neighborhoods, the rising cost of healthcare, the safety of
law-abiding citizens and ensuring that the needs of
Oregon’s most vulnerable citizens are not neglected.
- **Pursuing a bi-partisan agenda that unites
Oregonians** and respects the values and needs of all
citizens.

Dear Neighbor,

My name is Jesse Cornett and I hope to be your State Senator.

My priorities:

- **Strengthening Our Schools:** I'll fight for lower class sizes and work to drive dollars into the classroom. We must modernize our tax structure, and deliver school funding that is adequate, stable, and real. I'll work for greater accountability and parent/community involvement.
- **Jobs and the Economy:** I'll work hard to make sure that Oregon has a strong and vibrant economy with living wage jobs, which is why I'm proud to be supported by **Labor Commissioner Dan Gardner**.
- **Health Care for all Oregonians:** Too many children, working adults, and seniors lack basic health coverage. Fixing our health care crisis will mean a stronger state, stronger economy, and stronger families.

Oregon is a special place, but we face many challenges. It is time for new leadership, new ideas, and focus on the future. We can do better and we will. Please consider joining the **Multnomah County Democratic Party, Nick Fish, Oregon AFL-CIO Past President Tim Nesbitt** and many others in supporting me; I would be honored to earn your vote.

I believe that the Democratic Party cares about people and does so responsibly and with compassion. Therefore:

I will fight for economic relief for families and individuals, including (1) tax reductions for individual taxpayers through a "Family Tax Relief Act," (2) refund to ratepayers of tax money collected from them by utilities but not paid to Oregon, and (3) a completely new and different mode of taxation of business entities so they can pay their fair share.

I will fight for social justice on a broad range of subjects including civil rights and adequate funding for education and health care.

I will fight for creation of new jobs. In particular, (1) I will work hard for new transportation and highway initiatives (including a "Northwest Passage" highway from Wilsonville to Scappoose), and (2) I will provide leadership in development and use of alternative energy options and other new technologies.

I will fight for control of predatory businesses such as "pay day loan" companies.

I am running so that this state can move beyond the train wreck that is the history of the Oregon House of Representatives over the past several sessions. The current Republican leadership engineered that train wreck and they deliberately derailed a responsible education budget, an effective health care budget, adequate funding for necessary police protection for the people of Oregon, responsible protection for working families, and a whole host of other areas.

We can do better than that!

Bev Backa - Advocating for our most vulnerable populations. Since 1999, Bev has led non-profit organizations in Oregon to build and maintain programs for children and the mentally ill. She has sponsored programs for runaway homeless youth, the mentally ill, and children who are not succeeding in traditional education settings. She will work to ensure that every young person receives the education that qualifies him or her to take their place in the workforce.

Bev Backa - Demanding a fair tax structure for small businesses and working Oregonians. Bev is committed to eliminating tax credits to big businesses that do not require them to re-invest in workforce development and adequate health coverage for their employees. She will insist on quality jobs that command a family living wage.

Bev Backa - Demonstrating that sound management is the key to cost effective service delivery. Using sound business practices like insurance pooling and maintaining Oregon Health Plan benefits that leverage every possible federal dollars are better solutions to containing costs than eliminating services. Sending our medically indigent to emergency rooms for routine care is not humane and it just doesn't make good fiscal sense. Every Oregonian has the right to quality and affordable healthcare.

Our Community, Our Perspective

As a lifelong Clackamas County resident, I am passionate about seeing our community thrive. For this to happen, our elected representatives must see things from **OUR PERSPECTIVE** and take actions based upon what's best for our community.

But too often, the politicians spend their time playing political games. I'm running to make sure that our community finally has a representative who sees things from **OUR PERSPECTIVE**.

Here are my priorities:

Stable Education Funding

Our children need increased support so that they can meet and exceed current educational standards. A **Rainy Day Fund** will stabilize school funding over the long haul. **Reducing school health insurance costs** will enable us to **put the savings into the classroom**, where it does the most good.

Affordable Health Care

I know the importance of health insurance you can rely on. My daughter was born two years ago, three months early and weighing only 14 ounces. Without affordable health coverage, our family couldn't have made it through her four months of hospitalization.

To keep families from situations like ours, the Legislature should **require the big insurance companies to hold public hearings and get Insurance Commissioner approval before they raise rates again**.

Create More Good-Paying Jobs

We have to expand the number of good-paying jobs in our community. **Training opportunities for employers and employees, support for small business owners and cutting unnecessary red tape** are crucial to improving our economy.

Let's work together so that the politicians finally see things from...
OUR PERSPECTIVE

Gary Blackburn is a fiscal conservative and life long Oregonian. He will guard your tax money like no other representative.

Health Care - Oregon can lead the way.

In the United States more money is spent per capita on health care than any other country in the world yet we have too many people with no health coverage or inadequate coverage. The money is already being spent on health care; we just need a better and more efficient system.

Protect Initiative and Referendum

We are fortunate to have this process in the State of Oregon.

Respect and Protect Our Environment

A farmer who protects and conserves the soil is being a good environmentalist.

Do we really need any more gambling casinos?

Gary Blackburn does not want casinos off Indian Reservations and definitely not in the Scenic Columbia River Gorge.

Gary says no taxpayer subsidizing of professional sports.

No special tax breaks for big corporations which has to be made up by other taxpayers.

NO STATE SALES TAX

When you are driving on the 205 freeway at 5:pm are you thinking we need more growth? I don't think so! Gary Blackburn is about quality not quantity.

I am running for the Oregon House of Representatives because I believe that it is time for a serious change in Salem. Partisanship now trumps citizenship in the State Legislature and the Legislature has repeatedly failed to address many serious needs for the state of Oregon. Many people feel that this is simply the way it is, but I think we can do better.

I am running because I think with a fresh perspective and open mind we can get real work done for the state of Oregon including:

- Providing increased and stable funding for our public schools and to offer real education reform so that we have the best possible public school system.
- Ensuring that NO Oregonian goes without access to basic health insurance.
- Protecting our vast natural beauty and investing in technologies that will ensure that our children and grand-children can appreciate clean air and water.
- Supporting workers' rights and companies that provide stable family wage employment for Oregonians.
- Ensuring that our communities are safe and that every Oregonian has the opportunity to fulfill their potential.

If you are completely satisfied with the performance of the current State Legislature then perhaps I am not the candidate for you. However, if you believe like I do, that being an Oregonian is more important than partisan affiliations and that together we can solve real problems, then I am asking for your vote. It is time to put **people over politics** and to bring the citizen's legislature back to the citizens of this state.

Jim Gilbertson Democrat

Occupation: Farmer

Occupational Background: Supervisor and Quality Control for Willamette Industries mills for over 30 years

Educational Background: Attended Eastern Washington

College of Education

Prior Governmental Experience: Democratic Precinct Committee Person

Family: Jim and Althea Gilbertson have three grown children and four grandchildren.

Like many Oregonians, I worked in the timber industry and now work in agriculture, two Oregon traditions that we need to preserve. As both a union mill worker and as a mill manager, I worked well with both sides and realized that we are all an important part of our community. We need more of that kind of cooperation in the Oregon legislature. Too many legislators in both parties have been nothing but a rubber stamp for their political party leadership and special interest donors. I will represent all of my constituents.

I want to see expanded industry and family wage jobs in Eastern and Central Oregon. A sad part of my job was to have to help dismantle three mills. We are all concerned about the environment, but I know that we can continue the logging and production of timber in an environmentally and sustainable way. I want to see the aluminum smelters in The Dalles and Goldendale reopened, and to see other opportunities available so that people don't have to move to the Portland area to find good jobs.

I believe in a vibrant free enterprise system to reward those with the ideas, ingenuity, initiative, and guts to tackle their dreams. When people feel economically secure, they will be more likely to support funding for education and other social services.

I want to increase funding for the Oregon Health Plan, a program that a high percentage of Eastern Oregon families rely on for basic health care. More and more rural Oregonians live without health care and we must reverse that trend.

Creating Jobs – and Opportunity

As Labor Commissioner, I'm proud of my "**Buy Oregon First!**" Jobs Tour. My goal is to retain current jobs and help local business expand.

The best way to continue learning about the needs of Oregon's workers and employers is to get into their shoes and work alongside them. As Commissioner I've learned to balance the needs of employers to understand the law and to have it enforced fairly.

Oregon's construction industry is growing and I want to ensure a trained workforce that has access to healthcare and retirement. That's why I have worked to increase Apprenticeship and Training Programs by 11%.

As the Co -Chief Petitioner of the minimum wage increasing Ballot Measure 25 and enforcer of our minimum wage, I am proud to help Oregon's hardest working families.

We can get better results for a whole lot less money when we effectively teach kids the basics early, reading and math facts. Children are smarter than ever before. However, schools are dumbed down and teachers are not well prepared. Students are not being taught how to read well, early and quickly. As evidenced in our math standards, students are not required to memorize basic number facts in the early grades and are encouraged to use calculators. **Lacking basic reading and math skills, students fall further and further behind the longer they attend our schools.** The lack of basic skills may be a significant factor in the 28.9% increase in the number of special education students served since 1992-1993 *Oregon Department of Education Annual Report 2003-2004*. **I will work to implement research-proven, challenging curriculum and improved teacher training.** I will use incentives, accreditation, certification, Oregon Rules and Legislation to right this ship. **The course we are on is one of exploding costs and student failure.**

Dear Oregonians:

Thank you for electing me to the Oregon Supreme Court in
2000. Since that time, I have worked to produce timely and
well-reasoned decisions based solely on case precedent and
principles of law.

In November 2005, my colleagues on the Supreme Court
elected me the 37th Chief Justice of the State of Oregon. I am
honored and deeply humbled by their confidence in choosing
me to lead the state's judicial branch of government.

As Chief Justice, I will prudently manage our judicial
resources. I will seek to ensure that judges at all levels treat all
litigants fairly and issue timely decisions. I will work to enhance
the quality and administration of justice at every court level in
accordance with the changing needs of our society.

I believe that courts are the cornerstone of our democratic
government and the guardians of our state and federal consti-
tutions. To perform our role properly as a co-equal branch of
government, the courts must have the trust and confidence of
citizens. I will continue to work hard to earn and maintain that
trust.

Simply put, I believe in judicial accountability and judicial
performance. I am guided by those principles every day.

It has been a profound honor to serve Oregonians.

Sincerely,

Paul De Muniz

General Information

Vote by Mail

What is Vote by Mail?

Vote by mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 28 and May 2, 2006. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by April 25 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. The times and locations of dropsites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 39¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. **Postmarks do not count!**

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8pm on May 16, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

New this Year: Only One Nominating Process

The Oregon Legislative Assembly has adopted a new law that states an elector may participate in one, and only one, nominating process for each partisan public office to be filled at the General Election. Partisan public offices to be filled at the 2006 General Election include:

- US Representative
- Governor
- State Senator
- State Representative
- any county or city offices designated as partisan

Participation in a nominating process includes **any** of the following:

- **returning a Democratic or Republican ballot** at the 2006 Primary Election, regardless of how the ballot is voted
- **participating in a minor political party's candidate nominating process**, which is established in the minor political party's by-laws and is usually by a nominating convention
- **signing the minutes of an assembly of electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election
- **signing a certificate of nomination by individual electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election

example

Elector A is registered to vote as a member of a major political party and is issued and **returns a partisan ballot** at the 2006 Primary Election. Elector A votes for most, but not all, of the partisan races listed.

In July 2006, Elector A signs a petition to nominate a nonaffiliated candidate for State Representative District 25 to the 2006 General Election. Elector A's signature **is not** a valid signature and must be disqualified. Elector A is deemed to have already participated in a nominating process for **all** partisan offices for the 2006 General Election by returning a partisan ballot for the 2006 Primary Election.

marking your ballot

- 1 Carefully read and follow all instructions printed on your ballot. The instructions will say whether you should use a pen or pencil to mark your ballot.
- 2 To vote, completely fill in the oval next to your choice.
- 3 To write-in a candidate:
 - Clearly print his or her name on the dotted line provided on the ballot
 - Fill in the oval next to the name you wrote-in

You must do both for your vote to be counted!

check your ballot!

If you vote for more candidates than allowed, or if you vote **both Yes and No** on a measure, it is called an overvote.

Your vote **will not count** for that candidate or measure.

You do not have to vote on all contests. Those you do vote on will still count.
