PADDY J. McGUIRE
DEPUTY SECRETARY OF STATE

ELECTIONS DIVISION

JOHN LINDBACK
DIRECTOR

141 STATE CAPITOL
SALEM, OREGON 97310-0722
(503) 986-1518

Dear Oregonian,

I am excited to tell you about some of the improvements that we've been making to increase your confidence in a safe, reliable, and easy-to-navigate elections system.

Our toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683) or TTY service at 1-866-350-0596 is available every business day all year long from 8:00 am to 5:00 pm if you have any questions about your ballot or about voting.

Under the federal Help America Vote Act, we have implemented a new Centralized Voter Registration system that keeps our voter rolls clean and up-to-date, and we are working on ways to make voting more accessible for people with disabilities.

The federal law also imposes some new identification requirements. If you are registering to vote in Oregon for the first time, you must provide your Oregon Driver's License number, or if you do not have a Driver's License, then you must provide the last four digits of your Social Security number. If you do not have either a Driver's License or Social Security number and are registering by mail, then you may provide a copy of other forms of identification listed on the voter registration card.

If you have moved, or changed your name, you must fill out a new voter registration card, but you do not have to provide ID. Be sure to put your old information in the "updates" section at the bottom of the card.

Voter registration cards are available online at www.OregonVotes.org, from your local DMV or county elections office, or in this pamphlet. If you are registering for the first time, you must register by April 25 to participate in this election.

For those of you who are already registered to vote, please return your ballot so that it is received by May 16. Remember, the decisions you make with your ballot will affect all of our lives and the future of our state.

Best wishes,

A handwritten signature in black ink that reads "Bill Bradbury". The signature is stylized and cursive.

Oregon Secretary of State

General Information

Voters' Pamphlet

Your official 2006 Primary Election Voters' Pamphlet provides you with information about candidates that will appear on your ballot. There are no statewide measures on the 2006 Primary Election ballot.

In the primary election, candidates are divided into three sections: Democratic candidates, Republican candidates and nonpartisan candidates. Major political party candidates appear before nonpartisan candidates and every two years the order in which major political party candidates appear is rotated. For 2006, Republican candidates appear first.

All space is purchased; statements and photographs are submitted by the candidates or their designated agents. The information required by law—pertaining to occupation, occupational background, educational background and prior governmental experience—has been certified as true by each candidate.

Candidate statements are printed as submitted. The state does not correct punctuation, grammar, syntax errors or inaccurate information. The only changes made are attempts to correct spelling errors if the word as originally submitted is not in the dictionary.

Miscellaneous voting aids, including dropsite locations, a complete list of state candidates, and instructions for marking your ballot, checking your ballot and getting a replacement ballot, are also a part of the voters' pamphlet. In an effort not to duplicate the printing of information, some of these voting aids are not a part of the state voters' pamphlet, but instead are included in your county voters' pamphlet, if your county has produced a voters' pamphlet.

The voters' pamphlet has been compiled by the Secretary of State since 1903, when Oregon became one of the first states to provide for the printing and distribution of such a publication. One copy of the voters' pamphlet is mailed to every household in the state. Additional copies are available at the State Capitol, local post offices, courthouses and all county elections offices.

Random Alphabet

While the candidates' statements for candidates running for the same office appear in alphabetical order by their last name in this voters' pamphlet, you will notice that they appear in a different order on your ballot.

Oregon statute (ORS 254.155) requires the Secretary of State to complete a random order of the letters of the alphabet to determine the order in which the names of candidates appear on the ballot.

The alphabet for the 2006 Primary Election is:

M, Z, E, R, C, B, U, Y, Q, F, A, T, S, W, I, K, N, L, G, O, J, X, P, D, V, H

Most of the information contained in this voters' pamphlet is also available in the Online Voters' Guide at www.sos.state.or.us/elections.

Una versión en español de algunas partes de la Guía del Elector está a su disposición en el portal del Internet cuya dirección aparece arriba. Conscientes de que este material en línea podría no llegar adecuadamente a todos los electores que necesitan este servicio, se invita a toda persona a imprimir la versión en línea y circularla a aquellos electores que no tengan acceso a una computadora.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

Duties and Responsibilities of Republican Precinct Committeepersons

Precinct committeemen and committeewomen are the grassroots representatives of the Republican Party in Oregon. A Precinct Committee Person (PCP) is the “face” of the party and an “advocate” for Republican political principles in their neighborhoods and communities. They are asked to attend regular meetings of their county Republican Central Committee in order to help set the party agenda in the county and to strategize how to spread the Republican message at the local level.

As a PCP you have a voice in selecting Republican Party leadership on the county, state and national levels. You may even seek a leadership position yourself. County leaders in turn help select the state party leaders who in turn participate on the Republican National Committee and elect the national party leaders. PCPs also select Oregon delegates and alternates to attend the Republican National Convention.

PCPs are often called on by Republican candidates to help with grassroots campaigning. You may be asked to “walk” your precinct with a candidate, introducing the candidate to friends and neighbors. You may also be asked to participate in making phone calls and distributing campaign materials in your precinct. You will become the Republican Party in your community.

PCPs should be able to convey these basic principles of the Republican philosophy:

- Republicans believe the strength of our nation lies with the individual and each person’s dignity, freedom, ability and responsibility must be honored.
- Republicans believe in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.
- Republicans believe that free enterprise and encouraging individual initiative has brought this nation opportunity, economic growth and prosperity.
- Republicans believe government must practice fiscal responsibility and allow individuals to keep more of what they earn.
- Republicans believe the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.
- Republicans believe the most effective, responsible and responsive government is government closest to the people.
- Republicans believe Americans must retain the principles that have made us strong while developing new ideas to meet the challenges of changing times.
- Republicans believe Americans value and should preserve our national strength and pride while working to extend peace, freedom and human rights throughout the world.
- Republicans believe our party is the best vehicle for translating these ideals into positive and successful principles of government.

This fall, Oregon Republicans will work to retain and extend our majority in the House chamber and increase the Senate minority to majority status in the Oregon Legislature. We will also work to elect Republican representatives to the United States Congress and a Republican governor. PCPs will play key roles in bringing about these victories.

While Republican precinct persons are encouraged to support the candidates of their choice in the primary election, it is expected that PCP’s, as representatives of the party during the general election, will support all Republican candidates receiving the party’s nomination.

If you would like more information about the Oregon Republican Party, or would like to be more involved with the GOP in Oregon, please call our state party headquarters at (503) 587-9233. You may send e-mail to info@orgop.org or visit our website at www.orgop.org

A Better Energy Policy for America

As a leader in the renewable energy effort in Congress, Greg Walden has supported incentives to develop wind, solar, biomass, geothermal and alternative fuel sources. He wants America to become more energy independent, and supports new research and technology to get us there.

Sustainable Stewardship of Our Forests

After helping write and pass the Healthy Forest Restoration Act to make our forests healthier and our communities safer from wildfire, Greg is now writing legislation to speed removal of debris and replanting of trees in fire ravaged forests. His plan will create jobs and fund restoration efforts.

Improving Access to Health Care

Greg's efforts to improve home health care and access to rural health care have earned him national awards. As a small business owner and former community hospital trustee, he's putting his experience to work to improve access to health care in rural America.

Listening to Us, Working Hard for Us

Returning to Oregon nearly every week from our nation's capital is part of Greg's way of staying in touch with us. While making more than 260 roundtrips, he's still been there to vote in Congress nearly 99% of the time the last seven years.

"U.S. Representative Greg Walden of Hood River keeps track of his trips to visit constituents in Oregon's massive 2nd Congressional District. This week marked his 263rd roundtrip from Washington, D.C. since taking office in 1999...But Walden's travel record is good for more than gee whiz statistics. It's a reminder that a politician's worth is directly related to his connection to the people he represents. Walden deserves credit for staying in touch." *East Oregonian*, February 25, 2006

Jason Atkinson is the Next Generation to Lead Oregon

Oregon can be great again, but it will take a new generation of leaders to fix the problems we face. The only certainty is that Oregon continues going in the wrong direction. Government has lost credibility with Oregonians, but it can be fixed.

As Senator, Jason Atkinson has a proven, consistent, and committed track record of service to Oregon. Jason Atkinson stands with farmers, with small business owners, with college students. He stands for taxpayers, the unemployed, and senior citizens. Jason Atkinson created a long list of accomplishments and a reputation for optimism, hard work and independence.

Jason Atkinson represents what is best in Oregon. As Governor, Jason Atkinson will take power away from special interests and give it back to people. As Governor, Jason Atkinson will work for the safety and security of Oregonians and **protection of children** by locking up sexual predators, fighting meth and helping Oregonians overcome addictions. As Governor, Jason Atkinson will control Oregon's illegal immigration problem, respecting people and taxpayers. As Governor, Jason Atkinson will eliminate Capital Gains taxes, use the power of the veto pen to force the education budget to be passed first, not last, and will finally accomplish what Oregonians want most: to be respected again.

Jason Atkinson knows the private sacrifice of public leadership and values the hopes of Oregonians who want to believe again.

Forty years ago, Oregonians trusted a new generation to lead Oregon. Today, there is hope again.

Vote Jason Atkinson, our next Governor.

Reasons For Seeking Election: I am seeking to be elected your next Governor in order to give you the tax relief to which you are entitled by law, to get you your civil and constitutionally guaranteed monetary rights under the Oregon and United States Constitutions, and to create more jobs in Oregon. I intend to implement your relief by both a 50% property tax reduction and a 90% capital gains tax reduction immediately upon election November 7. This relief occurs for you because of legal errors and ignoring of Oregon and United States Constitution requirements. I intend also to take Oregon properly into the international community by implementing a \$1 Oregon Income Tax Credit for you and all taxpayers, whenever any business headquartered and incorporated in Oregon has, establishes, or maintains an operating office or business enterprise in any foreign country or territory that maintains a full circulating gold and silver coinage among its people. It is my plan, moreover, for tax free interest on gold and silver savings accounts opened at Oregon chartered banks, and to provide at least a 30% discount to Oregon income taxpayers if they pay in the honest dollar — a gold coin. **Vote Leitch 4 Governor, \$\$\$ 4 You!**

Prior Governmental Experience: Police Officer/military:

‘A house divided against itself, the house cannot stand’ (Mark 3:25). Big money and special interests has controlled our elected officials for too long and in 2006 this must end. Government can’t meet the needs of all Oregonians if this continues.... We must;

Cap government spending at a 3% increase per year and prioritize our spending on public safety, education and the Oregon Health Plan.

Our neighborhoods are not safe. We must make our streets safe with increased State Police and expanded jail availability in every county.

Education is priority #1; Our children are our future and we must prepare them for the 21st. century (a foreign language must be required in every high school).

Health Care should be available to all Oregonians. We have the money to expand it for everyone if you consider it a priority!

I know there are other issues important to Oregonians. Roads, immigration and the environment but our streets must be safe, our children educated and health care available to all.

Family Values: Family values involves more than just abortion and gay marriage. Family values involves honesty and integrity. Caring about your neighbor and the poor (Matthew 22:36-40). Not judging others with whom you disagree (John, chpt.8). I support choice and gay marriage but I’m against this war and I want our soldiers home in 2006.

Our government belongs to the voters of Oregon and we can make it work for everyone! I ask for your vote.

Be Well/God Bless;

Duties and Responsibilities of Democratic Precinct Committeepersons

A message from the Democratic Party Chair Jim Edmunson.

This is your government under Republican leadership:

- A tragic and costly war in Iraq premised on lies and deception
- Abandonment of tens of thousands of victims of Hurricane Katrina
- Senior White House official indicted for lying about outing a covert CIA agent
- Secret, illegal programs to spy on American citizens, blatantly violating the Constitution
- Environmental laws written by lobbyist for industry polluters
- Your tax dollars subsidizing corporations that outsource American jobs
- Tax policy to make billionaires richer and produce the large budget deficit in history
- A culture of corruption so pervasive that indictments extend from Republicans in Congress to the Oregon House

Enough is enough. America and Oregon can do better.

Some argue that to fix government we need to create a new political party. Some say Oregon needs "open primaries" to elect more "moderates" or that imposing artificial "non-partisanship" labels will fix broken government. Their frustration is legitimate, but the solutions are misdirected and diversions.

The simple fact is if you want to change Congress and to break the Republican logjam in Salem, the best, most effective thing you can do is support the Democratic Party. If you are as fed up as most citizens with the incompetence, cronyism and backwards policies of an extreme Republican Party, then you can make a difference in the Democratic Party.

Get involved. Become a Democratic Precinct Committeeperson (PCP) today.

When Howard Dean was elected to head the Democratic National Committee, his first words were, "This is not my chairmanship. It is yours." It was a simple but profound statement. No longer would our party be held hostage by decisions made by an aristocracy of consultants in Washington. Governor Dean has kept his word. Now the call is to us. It is time to demonstrate, as we did in 2004, the awesome grassroots strength of Oregon Democrats. I want you to know the door is open.

What is a "PCP" and what do they do?

Representative democracy only works if people like you – those who vote and are actually reading the voter's pamphlet! – get informed, involved and active. Democracy is not a spectator sport. As a PCP, you are the foundation of the party and you have the power to effect change by:

- Registering voters and increasing voter turn-out in your neighborhood
- Helping elect county, state and national party leaders
- Collecting email addresses from interested voters
- Letting the party and elected officials know about hot local issues
- Making sure the Democratic Party represents you

How do I become a PCP?

First, you must be registered as a Democrat. If you filed a statement of candidacy with your county elections office by the deadline, your name will appear on the May 16th Primary Election. If not, you may also write in your name on the ballot. To be eligible to win, you must receive a minimum of three votes. This can be accomplished often in your own household, but you are best served by reaching out to as many of your neighbors as possible.

Don't be intimidated. Be empowered.

The job of precinct committeeperson can be large or small, depending on your own initiative, but if you accept the title, be prepared to perform some basic periodic activities like:

- Help distribute materials in your neighborhood
- Organize or participate in a phone bank
- Recruit new volunteers
- Attend local trainings or meetings

If you care and work hard, you can rise fast. Most elected leaders, even some Oregon governors started as PCPs!

June 2-4, Democratic State Convention in Eugene

PCPs will come together for trainings, to meet candidates, and to help develop the party platform. Together, America can and will do better! To learn more contact:

Politics As Usual

Not this time. I have a strong educational background but spent 30yrs doing blue collar work and running a small business. I am in touch with my neighbor's problems, not behind a desk. Plain talk and strong stands are today's needs. To reverse waldenbush we need:

Protection of Civil Liberties

I have been known as Second Amendment Crusader, I stand for **All Civil Liberties**, not a selected few. Infringements of Civil Liberties must be stopped. All Americans have the same rights and responsibilities. The Patriot Act should be junked and replaced by something respectful of guaranteed rights. The President is not above the law.

Putting the 2nd Congressional District First

I am not beholden to any outside interest. Small dollar campaigns like this one are beholden only to the Voters.

Health Care

Health Care costs must be addressed, with emphasis on a single payer system. Rural hospital funding must be restored and strengthened. Veterans' programs must be well funded and improved.

Rural Issues

Grown in America label legislation needs to be enacted and funded. The Federal Government must take responsibility for its occupation of rural counties. The divide between environmentalism and resource usage must be bridged with a balance of science, social and economic benefits. Federally mandated educational requirements must be federally funded. Prohibition of illegal hiring must be adequately enforced and punished ending business corruption and wage depression.

Taxation

Tinkle down economics must cease. Taxation should reflect who benefits from the capitalist system. Senator Wyden's Flat Tax proposal is a beginning. Paying off the deficit should not be put on the backs of the least fortunate.

Iraq Disaster

Staying the course is code for "We have no clue". Get the troops out.

As a veteran and a businessman, I am compelled to work hard to recapture the American Values and Ideals on which our country was founded. When I took an oath as a US Army Officer, I swore to defend and protect the Constitution of the United States. I have never been released from that sacred oath and I still honor it fully.

We need to recapture and become Stewards of the American Dream for our children and grandchildren as well as for ourselves.

The incumbent has accepted thousands of dollars from Tom Delay's PAC and votes with them over 90% of the time. This has not worked well for our district, our state, nor our country. We have been on the wrong end of his votes on CAFTA, rural hospitals, Rural County funding for schools, libraries, police, etc. We can do better than this by working together, not for narrow partisan gain. I will work to find common ground for health care solutions a quick and honorable end to wars, energy independence, quality jobs, environmental stewardship, and fiscal responsibility

I am the candidate to defeat this partisan destruction of American ideals. Please support me in this critical and necessary task. I will put our State and country and it's people ahead of political party, donors, and power.

Scott Silver is ready to...

RESTORE ETHICS, INTEGRITY, AND RESPONSIBILITY TO GOVERNMENT

As director of a non-profit and a former businessperson, Scott knows what Washington has forgotten—if you can't cover a check, don't write it. More importantly, like good business, **good government requires honest and direct communication** with its clients. Oregonians know that Scott will always do what he says he will, and always act in the best interest of Oregonians first.

SUPPORT OUR TROOPS, SECURE OUR PORTS, AND PROTECT OUR HOMELAND

Scott believes that **committing troops to battle is the last option**. If we do so, it must be with clear goals and the best equipment possible. Upon our troops return, we must honor their service by ensuring that they receive excellent health care and access to opportunity. We must also improve our preparedness to respond to potential terrorist threats and natural disasters without compromising our freedom and Constitutional rights.

FIGHT FOR THE WORKING MEN AND WOMEN OF OREGON

Government policies have placed our industries at an unfair disadvantage. Oregon's workers have a right to pursue and attain the 'American Dream' through **good jobs at good wages**. Scott will work to ensure that government is responsive to the needs of all Oregonians, not just the wants of corporate interests.

BE YOUR VOICE IN CONGRESS

Scott Says...

As a loving husband and father, I understand the challenges that face families in today's world. Despite the events of the past 5 years we all still share long-held hopes of a better America for our children. I will work tirelessly to provide Oregonians with a clean environment, affordable health care, quality education, and equal access to opportunity.

Carol Voisin – Your Voice in Congress

Oregon's Second District deserves representation of its people and their interests, not a rubber stamp for large corporate interests or remote national leaders whose party line doesn't serve Oregonians' actual economic needs and core values. Carol Voisin listens, then speaks and acts. She believes that a smart, lean campaign can unite Oregonians of the Second District around core values—our common ground as citizens, more important than political labels.

Ethics – Tell the truth (without deception). Obey the law (no matter how powerful you are). Don't steal, including theft from our grandchildren through huge governmental deficits.

Equal opportunity – Everyone should be able to earn a fair return for work, both businesses and employees. Affordable health care is necessary for all.

Education – Our future depends on quality education. Empowered teachers are key to quality at all levels. Accessible higher education underlies economic strength.

Environment – We must practice stewardship of our precious environment, seek alternative energy sources.

Ensuring security – Government action preventing and responding to both terror and natural catastrophe. Leaders must plan realistically and be effective in follow-through.

Carol Voisin can be your voice in Congress. She will vote for strong ethics, effective government action, and good citizenship in the international community.

Telling It Straight

Oregon's tax system hurts working families. The income tax once paid by major corporations now rests on the backs of individuals and small business owners.

Major corporations today pay only five percent of Oregon's income tax; two-thirds pay none.

Oregon's public schools are suffering. Continued funding cuts have turned Oregonians away from community colleges, and crowded more kids into fewer classrooms.

Oregon's health care system is broken. One out of five Oregonians have no access to health care.

I Am The Only Democratic Candidate For Governor Willing To Fight For Corporate Tax Reform To Fully Fund Public Education And Health Care

As Your Governor I Will

Ensure that major corporations, like you, pay their fair share in state income taxes.

End the corporate kicker, saving Oregon hundreds of millions of dollars each year.

Fight to protect Oregon's environment.

Build sustainable, family wage jobs.

Work to bring our National Guard home from Iraq.

Occupational Background: Supervisor and Quality Control for Willamette Industries mills for over 30 years

Educational Background: Attended Eastern Washington

College of Education

Prior Governmental Experience: Democratic Precinct Committee Person

Family: Jim and Althea Gilbertson have three grown children and four grandchildren.

Like many Oregonians, I worked in the timber industry and now work in agriculture, two Oregon traditions that we need to preserve. As both a union mill worker and as a mill manager, I worked well with both sides and realized that we are all an important part of our community. We need more of that kind of cooperation in the Oregon legislature. Too many legislators in both parties have been nothing but a rubber stamp for their political party leadership and special interest donors. I will represent all of my constituents.

I want to see expanded industry and family wage jobs in Eastern and Central Oregon. A sad part of my job was to have to help dismantle three mills. We are all concerned about the environment, but I know that we can continue the logging and production of timber in an environmentally and sustainable way. I want to see the aluminum smelters in The Dalles and Goldendale reopened, and to see other opportunities available so that people don't have to move to the Portland area to find good jobs.

I believe in a vibrant free enterprise system to reward those with the ideas, ingenuity, initiative, and guts to tackle their dreams. When people feel economically secure, they will be more likely to support funding for education and other social services.

I want to increase funding for the Oregon Health Plan, a program that a high percentage of Eastern Oregon families rely on for basic health care. More and more rural Oregonians live without health care and we must reverse that trend.

Prior Governmental Experience: Past member of ESD

The challenges to our county government are serious and demand immediate attention. I am anxious to be a continuing part of solving problems such as modifying county land use planning. Moderation of strict land use rules must occur or we could suffer even worse than Measure 37. We must, whenever possible, congregate new housing in and about our small towns and cities. We also must allow people to place their home on their rural property as a small farmstead.

Another local problem and issue is caused by the past property tax limitation (Measure 50) which provides for taxing of new home construction at one half real market value. It is hard to believe that a new \$200,000 home will pay no more tax than a \$100,000 abode. Longtime homeowners will be subsidizing newer, more expensive homes and local government will not be able to properly provide needed local services and infrastructure. Remember, it isn't the new arrival's fault because growth will take place and we need to plan well.

During my three plus years as commissioner, the issues and responsibilities I dealt with are:

- Strategizing a north exit road for Crooked River Ranch
- Served two years as county budget officer ending with the best audit in recent county history
- Voted for uninsured/unlicensed auto impoundment
- Voted for low cost housing upgrades (Jefferson Street)
- Voted for hiring County Code Cleanup officer
- Supported and voted for a \$17,000,000 agreement with PGE and Warm Springs

Finally, as a community we must care as much about our neighbors as ourselves.

Creating Jobs – and Opportunity

As Labor Commissioner, I'm proud of my "**Buy Oregon First!**" Jobs Tour. My goal is to retain current jobs and help local business expand.

The best way to continue learning about the needs of Oregon's workers and employers is to get into their shoes and work alongside them. As Commissioner I've learned to balance the needs of employers to understand the law and to have it enforced fairly.

Oregon's construction industry is growing and I want to ensure a trained workforce that has access to healthcare and retirement. That's why I have worked to increase Apprenticeship and Training Programs by 11%.

As the Co -Chief Petitioner of the minimum wage increasing Ballot Measure 25 and enforcer of our minimum wage, I am proud to help Oregon's hardest working families.

We can get better results for a whole lot less money when we effectively teach kids the basics early, reading and math facts. Children are smarter than ever before. However, schools are dumbed down and teachers are not well prepared. Students are not being taught how to read well, early and quickly. As evidenced in our math standards, students are not required to memorize basic number facts in the early grades and are encouraged to use calculators. **Lacking basic reading and math skills, students fall further and further behind the longer they attend our schools.** The lack of basic skills may be a significant factor in the 28.9% increase in the number of special education students served since 1992-1993 *Oregon Department of Education Annual Report 2003-2004*. **I will work to implement research-proven, challenging curriculum and improved teacher training.** I will use incentives, accreditation, certification, Oregon Rules and Legislation to right this ship. **The course we are on is one of exploding costs and student failure.**

Dear Oregonians:

Thank you for electing me to the Oregon Supreme Court in
2000. Since that time, I have worked to produce timely and
well-reasoned decisions based solely on case precedent and
principles of law.

In November 2005, my colleagues on the Supreme Court
elected me the 37th Chief Justice of the State of Oregon. I am
honored and deeply humbled by their confidence in choosing
me to lead the state's judicial branch of government.

As Chief Justice, I will prudently manage our judicial
resources. I will seek to ensure that judges at all levels treat all
litigants fairly and issue timely decisions. I will work to enhance
the quality and administration of justice at every court level in
accordance with the changing needs of our society.

I believe that courts are the cornerstone of our democratic
government and the guardians of our state and federal consti-
tutions. To perform our role properly as a co-equal branch of
government, the courts must have the trust and confidence of
citizens. I will continue to work hard to earn and maintain that
trust.

Simply put, I believe in judicial accountability and judicial
performance. I am guided by those principles every day.

It has been a profound honor to serve Oregonians.

Sincerely,

Paul De Muniz

General Information

Vote by Mail

What is Vote by Mail?

Vote by mail is a method of conducting elections. Instead of using traditional polling places where voters go to cast ballots on election day, a ballot is automatically mailed to each registered voter. The ballot is then voted and returned to the county elections official to be counted.

As a voter, what do I have to do?

Your ballot packet will automatically be mailed to you between April 28 and May 2, 2006. Inside the packet you will find the ballot, a secrecy envelope and a return envelope. Once you vote the ballot, place it in the secrecy envelope and seal it in the pre-addressed return envelope. Be sure you sign the return envelope on the appropriate line. After that just return the ballot either by mail or at a designated dropsite.

What if I am uncomfortable voting my ballot at home?

Privacy booths are available for you to cast your ballot. There are privacy booths at your county elections office and there may be others at dropsite locations elsewhere in your county. For further information, call your county elections official.

What if my ballot doesn't come?

If you are registered to vote and have not received your ballot within a week after they are mailed, call your county elections office. They will check that your voter registration is current. If it is, they will mail you a replacement ballot.

What if I have moved and have not updated my registration?

If you were registered to vote by April 25 but now have a different address, call your county elections office for instructions on how to update your registration and receive a ballot.

Do I have to return my ballot by mail?

You have the choice of mailing your ballot or returning it to any county elections office or any designated dropsite in the state. The times and locations of dropsites are available at your county elections office.

How much postage is required to mail the ballot back?

Your voted ballot can usually be returned using a single 39¢ stamp. In those instances where additional postage is necessary, it will be clearly indicated on the ballot materials.

When must the voted ballot be returned?

The voted ballot must be received in any county elections office or designated dropsite by 8pm on election night. **Postmarks do not count!**

How do I know if my ballot is received?

You can call your county elections office and ask if they received your ballot. A record is kept showing each voter whose ballot has been returned.

Can anyone find out how I've voted once I mail my ballot?

No. All ballots are separated from the return envelope before the ballots are inspected. This process ensures confidentiality.

What if I forget to sign the return envelope?

Generally, your elections office will either return it to you for signing or they will contact you, if possible, to come to the elections office to sign it. If the return envelope does not get signed before 8pm on May 16, the ballot will not be counted.

Can the public watch the election process?

All steps of the process are open to observation by the public. Contact your county elections official to make arrangements.

When will election results be known?

Ballot counting cannot begin until election day. Initial results are released at 8pm election night and will continue to be updated through election night until all ballots have been counted.

Important!

If your ballot is lost, destroyed, damaged or you make a mistake in marking your ballot, you may call your county elections office and request a replacement ballot. One will be mailed to you as long as you request it by May 11. After that, you may pick it up at the elections office. If you have already mailed your original ballot before you realize you made a mistake, you have cast your vote and will not be eligible for a replacement ballot.

Your voted ballot must be returned to your county elections office by 8pm election day, Tuesday, May 16, 2006.

Postmarks do not count!

County elections offices are open on election day from 7am to 8pm.

Voter Information

For questions about voter registration, ballot delivery and return, marking the ballot, requesting a replacement ballot, absentee ballots, signature requirements, the voters' pamphlet, when and where to vote, and other questions about elections and voting, call the toll-free voter information line at 1-866-ORE-VOTES (1-866-673-8683).

Voter information line representatives can provide services in both English and Spanish. TTY services for the hearing impaired are also available at 1-866-350-0596.

New this Year: Only One Nominating Process

The Oregon Legislative Assembly has adopted a new law that states an elector may participate in one, and only one, nominating process for each partisan public office to be filled at the General Election. Partisan public offices to be filled at the 2006 General Election include:

- US Representative
- Governor
- State Senator
- State Representative
- any county or city offices designated as partisan

Participation in a nominating process includes **any** of the following:

- **returning a Democratic or Republican ballot** at the 2006 Primary Election, regardless of how the ballot is voted
- **participating in a minor political party's candidate nominating process**, which is established in the minor political party's by-laws and is usually by a nominating convention
- **signing the minutes of an assembly of electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election
- **signing a certificate of nomination by individual electors** to nominate a nonaffiliated candidate (a candidate not affiliated with any political party) to the General Election

example

Elector A is registered to vote as a member of a major political party and is issued and **returns a partisan ballot** at the 2006 Primary Election. Elector A votes for most, but not all, of the partisan races listed.

In July 2006, Elector A signs a petition to nominate a nonaffiliated candidate for State Representative District 25 to the 2006 General Election. Elector A's signature **is not** a valid signature and must be disqualified. Elector A is deemed to have already participated in a nominating process for **all** partisan offices for the 2006 General Election by returning a partisan ballot for the 2006 Primary Election.

Measure 33-51

—Referred to the Electorate of Wasco County by the Wasco County Court to be voted on at the Primary Election, May 16, 2006.

Ballot Title

33-51

Caption: Wasco County Library Service District

Question: Shall county library district be formed with permanent rate limit of \$0.68 per \$1,000 assessed value beginning July 2006?

Statement: This measure may be passed only at an election with at least a 50 percent voter turnout.

Approval forms county library service district on July 1, 2006. Wasco County Library District tax rate would be \$0.68 per \$1,000 assessed valuation. Taxes may be used only for district operations. District could also buy new library materials, create countywide database, increase library hours, and provide library stations with computers. County Court would be district governing body. Court would appoint a library board for library district. New district includes all Wasco County except City of Mosier, and territory in Jefferson County Library District.

Explanatory Statement

Background

For decades, the Wasco County and the City of The Dalles have combined county and city funds to operate a joint library, about equally sharing its funding. Since 1997, revenue shortfalls have undercut the library budget.

Funding for library services has not kept pace with costs. Library hours and spending for books and courier services have been reduced.

The County Court can no longer sustain its share. In FY 2005/06 county funding dropped from its usual 50 % share to 30%. The County Court soon will be unable to fund the library at all.

Rather than terminate library services, the County Court has submitted to voters this measure to create a county library service district. If voters approve, a library district will be formed with a permanent property tax rate. New funding would take effect for the 2006-2007 fiscal year. If voters do not approve the district, library services will be cut beginning July 2006.

Public Libraries in Wasco County

There are three legally established public libraries in Wasco County: The Dalles-Wasco County Library, Dufur School/Community Library, and Southern Wasco County Public Library in Maupin. There is also a volunteer library in Mosier and a volunteer collection in Tygh Valley community center.

Library Service Plan

A service plan was developed for the proposed library district with these goals:

- Raise service levels to state "adequate" library standards
- Include services for everyone in the district
- Keep administrative costs low
- Reasonable tax rate
- Tax rate adequate to sustain library services

Under the service plan, the library district could provide:

1. Library Hours

- 15 hours more hours per week for The Dalles-Wasco County Library (40 now)
- 12 more evening or weekend hours for Dufur School/Community Library (2 evenings now)
- 20 hours per week for Southern Wasco County Library in Maupin (12 now)

2. Library Stations

Library stations with computers for online access to a County Library web page, Gorgelink collections, County Library databases, and other on-line services. Stations could be located at Shaniko and Tygh Valley and serve as drop locations for courier delivery

3. Library Collection

- Funded at about \$3/per capita (funded at less than \$2 per capita now)
- Multimedia collection
- Rotating collections throughout district

4. County Library Database, Interlibrary Loan, Delivery Service

- County-library webpage, portal to information
- On-line access to countywide database of collections; access from libraries, library stations, homes, offices, and schools
- Access to the Gorgelink database and delivery service to Dufur, Maupin, The Dalles, and library stations
- Interlibrary loan within the county and region
- Mail and courier delivery of books throughout the county

5. Services to Children and Families

- Part-time professional children's librarian
- County-wide library program to children and families
- Homework help (online live help 24 hours a day)
- Bilingual books and story hours

(This explanatory statement submitted by Wasco County Commissioners.)

Measure 33-51 Arguments

Argument in Favor

VOTE YES ON MEASURE 33-51 TO FORM A LIBRARY DISTRICT FOR WASCO COUNTY AND ESTABLISH A PERMANENT TAX RATE LIMITATION

We Need Our Public Libraries

Our public libraries are precious institutions. They are the tools we use to teach our children, answer our questions, and explore new fields of knowledge. A public library is a promise we make to ourselves that we will continue to seek out new knowledge and obtain new insights long after we have completed our last classroom assignment.

Vote Yes To Fund Our Libraries

Our Wasco County libraries have faced a decade of budget cuts with reduced hours and book purchases. We need a library district to avoid future reductions. We need a library district to separate library funding from other government needs.

The library district measure would provide funding to restore and improve services in the county's libraries. It would provide dedicated funding that could only be used to operate libraries. No city, county, or state agency could use these funds for any other purpose.

Vote Yes To Improve Library Services

This measure would provide the funding to upgrade library services at the Dufur, Maupin and The Dalles libraries. Improvements would include:

- More library hours at Dufur, Maupin and The Dalles
- New service outlets at Shaniko and Tygh Valley
- Increased free Internet and computer access
- Expanded and updated book collections
- Increased services to children and families

Libraries Are A Good Buy

The total cost of the library district for an average homeowner will be approximately \$5 monthly - less than the price of a paperback novel! Using the public library results in real savings for every household.

We urge a yes vote on Measure 33-51.
